The ultimate husband in Chinese chapter 1841-1850

Chapter 1841 In the

blink of an eye, Yue Feng and Chang'e were surrounded.

Swish!

At the same time, all the guests in the casino box also focused on the two of them, and most of them focused on Chang'e.

beautiful!

So beautiful, is this a fairy descending to earth?

I have to say that Chang'e is worthy of being called the fairy of the Moon Palace by the world. Although she was very tired from running all the way, her delicate face and exquisite curves still showed a charming temperament, full of fairy spirit.

At this moment, whether it was the security guards or the guests, all the men in the box looked straight, and even a few of them kept swallowing their saliva and lost their souls.

A few seconds later, one of the security guards reacted and glared at Yue Feng and said, "Good boy, you are very bold. Not only do you dare to sneak into the VIP room to steal something? You also break into the bathroom and peep at the female guest?"

The security guard looked up and down . Yue Feng, looking at this kid's dress, it's not a good thing. This casino is the largest casino in Xuanye Continent. Near the casino, there are a lot of thieves. After a fierce battle before, Yue Feng was running all the way, and his clothes were dirty and rotten, so he was identified as a thief by the security guard. Looking at Chang'e, this woman looks like a fairy, and she must be a guest of the casino.

The security guard subconsciously thought that Yue Feng was a thief. Seeing Chang'e's beauty, he came to the bathroom to peep at her.

At this time, the guests around were also talking about it.

"This kid is not timid enough to sneak into this kind of place."

"The thieves are getting more and more lawless now."

"Let's teach you a lesson, blast it out, and don't interfere with our playing cards. By the way, do a search on him. , did you steal anything?"

Everyone looks at you, and when I say a word, they all think that Yue Feng is a thief.

This chapter is provided by . Visit for daily update.

Huh…

Seeing this scene, Chang'e couldn't help but feel relieved. This Yue Feng was smooth-spoken and cunning. Now he is being treated as a thief by these people. He will definitely teach him a lesson later. It's really great.

Squeak.

At this moment, hearing the movement of the box, the casino manager rushed in quickly with several bodyguards.

The manager is Wu Biao, about 30 years old, well-proportioned and slender, also a cultivator, Wuhou realm.

"What's the situation?" After coming in, Wu Biao asked with a cold face when he saw the situation in the box.

The leading security guard quickly explained the situation.

Knowing the situation, Wu Biao stared closely at Yue Feng and sneered: "Boy, we have caught him, how dare you talk back? Do you know where this place is? The first-class 'Black Tiger Casino' in Wanhai City, the boss It's business giant Li Heihu, Boss Li, who rushed to his place and didn't want to live you."

Nima.

Yue Feng was dumbfounded and speechless.

There are quite a few snobbish people in this world. These people think they are thieves just because they dress up. It's really interesting.

At the same time, Yue Feng was inexplicably surprised.

Haha…

It turns out that this is Wanhai City in Xuanye Continent, and the casino is still opened by Li Heihu, which is a coincidence.

Yue Feng clearly remembered that for thousands of years, in order to save the little fairy Erqing, he searched for the Panlong Jing, and asked Li Heihu to secretly arrange himself to go to Fang's house in Wanhai City, Xuanye Continent, as a personal bodyguard.

Now that a few years have passed, I never thought that I would come back through the teleportation array.

Thinking to himself, Yue Feng looked at Wu Biao and said lightly, “Are you the manager here? Let me tell you, we just happened to pass by here and didn’t take anything here, and I’m not a thief, please speak with respect. “

Yue Feng is right, he and Chang’e really passed by here, but the way they passed, it was a little more special, and they were sent here.

US?

Chapter 1842

Hearing this, everyone present was stunned, looking at Yue Feng and then at Chang’e.

Are these two together?

Isn’t it right, this kid is dressed so ordinary, at first glance he looks like a second-rate thief, but this woman is so beautiful, how could they be together?

“Haha…”

At this moment, Wu Biao chuckled, and then asked Chang’e politely, “Dear lady, do you know this kid?” Compared with Yue Feng, his attitude was completely different from the sky and the ground.

After all, how could such a beautiful woman meet such a person?

“I…” When

asked suddenly, Chang’e bit her lip lightly, shook her head and said, “I don’t know him, I was just at my convenience, and this person suddenly came in.”

Chang’e Bingxue is smart, seeing the atmosphere is not good, just Immediately put aside the relationship with Yue Feng, and did not want to cause trouble to implicate himself. After all, his acupoints were blocked, let alone practitioners, even the security guards in front of him couldn’t handle it.

More importantly, Yue Feng had been making jokes before, and Chang’e couldn’t help it for a long time. Seeing Yue Feng being misunderstood at this time, Chang’e was very excited and wished Yue Feng was taught a good lesson.

“Boy?” After

receiving the answer, Wu Biao looked at Yue Feng with a hint of contempt at the corner of his mouth, and said coldly: “This lady has already said that she doesn’t know you, and it proves that you sneaked in. Don’t try to deny it.”

Speaking, Wu Biao was too lazy to talk nonsense, and waved his hand: “Tie this kid.”

Hula.

The voice fell, and several security guards rushed over directly.

Ugh.

Yue Feng shook his head secretly and sighed, then moved his wrists. These security guards had already made their words clear, and they had to be unhappy.

Yue Feng’s current strength, a few small security guards did not pay attention to it at all.

Bang bang bang…

In the blink of an eye, before everyone present could see what was happening, they heard a few security guards grunt and fell to the ground one by one, curled up with pain on their faces.

Of course, knowing that these were all Li Heihu’s people, Yue Feng didn’t act ruthlessly.

hiss.

Seeing this scene, the guests in the entire box couldn’t help gasping for air.

This kid looks like a fool, and the fight is so fierce?

Finally, Wu Biao reacted, took out his mobile phone, and yelled at Yue Feng: “Boy, whoever dares to touch Boss Li, you are dead today, don’t run if you have any.”

Yue Feng smiled slightly: “I Why are you running? You have to call someone, okay, I’ll wait for you, it’s better to call your boss.”

Saying that, Yue Feng walked over and sat on the sofa with a thorny look like an uncle.

Huh..

Seeing this scene, everyone around was stunned, and then many people shook their heads secretly.

This kid is crazy!

However, after provoking Li Heihu, I am afraid that he will not be able to eat and walk around. After all, Li Heihu has been a popular figure in Wanhai City in recent years.

“Okay, there is a kind!”

Wu Biao was stunned for a moment, then grinned, then took out his mobile phone and made a direct call: “Boss Li, someone is making trouble in the box…and a cultivator….Yes, Better to send more people here, and, he said, better to call you.”

“What? Who is that crazy? You want to see me? Wait, I’ll come right over.” On the other side of the phone, Li Heihu heard Wu Biao’s words, and he was furious! Special code, who dares to make trouble in their own land?

Chapter 1843

“Boy!”

At this time, Wu Biao hung up the phone and looked at Yue Feng coldly: “It’s too late to run now, don’t cry when Boss Li comes.”

Yue Feng looked leisurely and lightly Laugh without saying a word.

Chang’e, who was next to her, was a little anxious. She came over and said softly: “Yue Feng, why don’t we hurry up? The Boss Li she mentioned seems to be very powerful.” The voice was very small and small, only Yue Feng could hear.

Speaking of which, Chang’e originally planned to use the people from the casino to teach Yue Feng a lesson, but the security guards were so weak that they didn’t even touch Yue Feng with a finger.

However, Chang’e could also guess that the boss Li they were talking about was a very powerful person. No matter how powerful Yue Feng was, it was impossible for him to be unscrupulous on other people’s sites.

However, Yue Feng did not hear the same thing and did not move.

Seeing Yue Feng’s seemingly impeccable appearance, Wu Biao couldn’t help sneering secretly.

Is this kid still pretending? Waiting for Boss Li to come, there are you to look good.

“Boom!”

At this moment, the door of the box was pushed open, and a man walked in quickly, wearing a casual suit, his imposing manner was Li Heihu!

Behind Li Heihu, there were more than a dozen men in black, all in Tang suits, with gloomy faces and tyrannical aura.

As the business became bigger and bigger, Li Heihu no longer hired ordinary people as bodyguards, but specially invited some cultivators to protect his safety.

Sure enough, as soon as Li Heihu arrived, all the guests in the box panicked, and quickly got up to say hello, each with a more polite attitude.

Li Heihu was full of anger, looked around, and roared: “Mad, who dares to run wild in Laozi’s place? Is it too long? Who is it? Get out of here!”

Because Yue Feng was sitting on the sofa, There are so many people around, so Li Heihu hasn’t seen him yet.

Seeing the boss coming, Wu Biao immediately relied on his confidence, pointed at Yue Feng and shouted, “It’s this kid.” With that, Wu Biao’s inner strength exploded and he punched Yue Feng directly.

Being able to be a manager under Li Heihu, Wu Biao is smart and clever. When he saw Li Heihu coming, he was eager to perform.

Swish!

At this moment, Li Heihu followed his gaze and saw that it was Yue Feng, Li Heihu trembled, almost not scared to pee on the spot.

This .. special code, Wu Biao, the person who wants to teach a lesson, is actually Brother Feng? !

Li Heihu fell down in a cold sweat. He was a person who repaid his gratitude. He was not Yue Feng back then, and he would not have what he is today. Especially in these years, his business has grown bigger and bigger, and he can’t forget Yue Feng’s back then. support.

But now, Wu Biao, who doesn’t have long eyes, wants to move Brother Feng? What’s even more irritating is that he even moved himself out to help. Is he trying to kill himself?

“Crap you, stop!”

Seeing that Wu Biao’s punch was about to hit Yue Feng, Li Heihu rushed over and grabbed Wu Biao’s arm. cursed. Although Li Heihu is very rich now, he still can’t get rid of the habit of being a gangster at the time. Moreover, Li Heihu has also begun to cultivate over the years. Although his strength is not as high as Wu Biao, it is still no problem to stop Wu Biao.

“Boss…you…”

Wu Biao was stunned, looking at Li Heihu’s words in surprise, but he was interrupted by Li Heihu as soon as he said three words.

“Snapped!”

The next second, Li Heihu slapped Wu Biao’s face without warning!

This slap, almost exhausted all his strength, only to hear Wu Biao groan, the whole person turned around in place, and finally sat on the ground.

Wu Biao covered his face, his face full of puzzlement: “Boss! It’s this kid who made trouble in the box and beat our security guard just now… You… how did you hit me…”

Not only Wu Biao, Everyone present was stunned!

This… what’s the situation? Isn’t Li Heihu Wu Biao’s boss? How do you turn your face away? He moved his hand directly.

Chapter 1844

“Did you screw you, you want to kill me?!” The more Li Heihu thought about it, the more angry he became, and he was a big mouth at Wu Biao. Push him to the ground, kicking him constantly.

While kicking, Li Heihu yelled at Wu Biao: “You idiot, how did Lao Tzu teach you? In business, don’t judge people by their appearance, let alone offend customers at will…”

“Boss!”

Wu Biao shouted unwillingly , with red eyes: “Boss, I did exactly what you taught me, and this kid is not a guest at all, but a ninth-class guy who sneaked in…”

Li Heihu trembled with anger, pointing at Yue Feng said: “Nine-class people? Blind your dog’s eyes. Do you know that without this person, there is no me now! He is the hero of the Earth Circle, my benefactor of Li Heihu in this life! He It’s the Tianmen Sect Master Yue Feng and Yue Wudi! You dare to call him a ninth-rate jerk, I will kill you today, will you be mad at you!”

What? !

At this moment, the whole box was silent!

Wu Biao is already completely stupid. He has not grown up with Li Heihu. He was only promoted in recent years, but he often hears from the boss that before he became the

boss, Li Heihu was very down and out. Later, he was a man named Feng Ge. Pulled Li Heihu.

Wu Biao at this time! I never dreamed that this poor and sour guy turned out to be Brother Feng, the benefactor Li Heihu said.

What's more, this brother Feng is even more famous in Kyushu, and everyone knows Yue Feng.

This…

At this moment, Chang'e is also stupid!

At this moment, her legs felt weak, and her delicate body couldn't help but take two steps back.

She thought that when this Boss Li came, Yue Feng would be very miserable, but at this time, she saw that this respected business man was standing in front of Yue Feng with a respectful face!

How could this be? Isn't this kid just a scumbag? Do you have such patience?

Chang'e has lived in the northern mainland for a long time and rarely travels far. She knew that Yue Feng was famous in other continents, but she always thought it was just a rumor, but she never thought that Yue Feng's name would be so loud.

Come to any place, the local big bosses are so respectful to him.

It was so shocking.

wow.

At this moment, the others in the box were also in an uproar, looking at Yue Feng, speechless in shock.

Yue Feng? Is this person Yue Feng?

At a young age, he created a sect, the hero of the Earth Circle?

"Brother Feng!"

At this time, Wu Biao reacted, almost crying, and kept bowing to Yue Feng to apologize: "Brother Feng, I was wrong, it's because I have eyes and don't know Mount Tai, you are a lot…"

Hehe. ..

Looking at Wu Biao, who was sweating coldly, Yue Feng's mouth twitched, but he smiled without saying a word.

broken.

The more Yue Feng was like this, the more panic Wu Biao felt. When it was over, he offended the boss's benefactor. Looking at the situation, he would not forgive himself lightly.

The next second, when Wu Biao saw Chang'e, he immediately patted his head and shouted to Li Heihu, "Boss, this is the beauty just now, saying that Brother Feng is a thief, there must be something wrong with her!"

Since Yue Feng is the boss's honored guest, That can't be a thief who slipped in, and although this woman is beautiful, she has never seen it before, so there must be something wrong.

call!

Hearing this, Li Heihu took a deep breath and looked at Chang'e up and down: "Who are you? Why are you here? If you are a member, please show your VIP card." To

be honest, Li Heihu was also surprised by Chang'e's beauty. Arrived, but Li Heihu is a smart man, and quickly regained his composure.

Chapter 1845

"I…"

Facing Wu Biao and Li Heihu's questioning, Chang'e was inexplicably panicked, her delicate body trembled, and she shook her head and said, "I…I just passed by here, I don't have a VIP card!" The

VIP card is what? The pass token for this place?

Although she has lived for thousands of years and has a lot of knowledge, it is the first time Chang'e has come to a modern society, and it is the first time she has faced such a thing. In addition to doubts, she is also nervous.

"Don't have a VIP card?"

Wu Biao's eyes were red, and he suddenly gained confidence. He pointed at Chang'e and roared loudly: "It took a long time for you to sneak in, such a hateful woman, if it weren't for you, How could I offend Brother Feng! I tell you you don't want to leave today." As he

spoke, Wu Biao secretly watched Li Heihu's reaction.

Li Heihu also had a gloomy face, looked at Chang'e, and instructed the surrounding men: "What are you still doing? Leave this woman and interrogate her well, why did she sneak into the VIP room."

Om!

At this moment, Chang'e's beautiful face was instantly bloodless!

Chang'e bit her lip tightly, shocked and angry, this Li Heihu is not easy to offend at first glance, if he is caught, he will definitely be waiting for endless humiliation! You are the dignified fairy of the Moon Palace, how can you be arbitrarily done by these people?

"Yue Feng…"

Seeing the bodyguards getting closer and closer, Chang'e's tender body trembled, bit her lip, and hurriedly walked to Yue Feng, pulled one of his arms, and said softly, "You… Tell them quickly, we are together, our own…" The voice was so small that only she and Yue Feng could hear it.

Ha ha…

Hearing this, Yue Feng felt so relieved that he could let Chang'e, who is aloof, put down his posture. There are not many such opportunities.

However, just softening his attitude is not enough.

Thinking to himself, Yue Feng deliberately raised his head and said slowly: "Is it my own? Who said that you don't know me just now?"

"Yue Feng!" With a blushing face, he lowered his head and said, "I'm wrong, okay?" When the last sentence was uttered, the voice was even lower, and if you didn't listen carefully, you couldn't hear it at all.

At this time, Chang'e never dreamed that one day she would apologize to this troublemaker! He didn't even expect that His Majesty, His Majesty, the mother in the world, would become so servile in front of this troublemaker!

Yue Feng lazily sat back on the sofa with a condescending attitude.

Seeing the scene in front of him, Li Heihu stopped a few of his subordinates, and then looked at Chang'e and said politely, "This lady, are you and Brother Feng together?"

Li Heihu is a smart person, and it was immediately obvious that Yue Feng not only I met this beautiful woman and deliberately teased her.

However, in order to be cautious, Li Heihu has to confirm.

“Well, together.” Chang’e responded quickly. His face was calm, but there was a bit of urgency in his eyes.

Oh.

Li Heihu was stunned, and then smiled: “Since it’s my own, then it’s fine.”

This woman is as beautiful as a fairy, maybe she is the future sister-in-law Feng, how dare you offend.

Phew…

Hearing this, Chang’e relaxed and breathed a sigh of relief at the same time.

It’s finally all right.

“Li Heihu.”

However, at this time, Yue Feng took a cigarette from the coffee table, lit it, and said slowly, “I haven’t seen you for a few years. Are you doing things so casually? Don’t ask me what is the relationship between this woman and me, Just relying on one sentence of understanding, it’s all right? So sloppy, how did you become the boss?” When

he said this, Yue Feng looked at Chang’e with a smile, with a bit of pride in his eyes.

The ultimate husband in Chinese chapter 1846-1850

Chapter 1846

Originally Yue Feng didn’t want to embarrass Chang’e, but made her look down on herself all the time? This time, I used Li Heihu to tease her.

Uh…

Li Heihu is a smart person, how could he not know that Yue Feng was joking on purpose? He was stunned at first, and then he deliberately lowered his face.

The next second, Li Heihu said coldly to Chang'e: "Ms. Feng, Brother Feng is right, this matter can't be fooled like this. You said that you and Brother Feng know each other, so what is the relationship between you two?"

"I …." Chang'e bit her lip tightly, tangled in an instant.

Yes, what is the relationship between you and Yue Feng?

say friends? In his heart, he is not worthy.

But if it doesn't matter, Boss Li in front of him will definitely not let him go.

At this moment, Chang'e bit her lip. If it was normal, who would dare to speak to herself like this? But now there is no way, the acupuncture points are blocked, and I can't exert any inner strength…

Haha…

Seeing this scene, Yue Feng's heart is very happy.

Chang'e, who prided herself on being aloof, would never have thought that she would have such a difficult day.

Muttering in his heart, Yue Feng dropped the cigarette butt, stood up and smiled at Chang'e: "Okay, wife. Just kidding with you, you should take it seriously, Li Heihu is his own, so don't be so restrained in front of him, ours Relationship, just say it directly, don't be embarrassed."

"Wow!"

As soon as these words came out, all the men present were extremely envious.

This chapter is provided by . Visit for daily update.

This Yue Feng is so beautiful, and such a beautiful woman is actually his wife?

Li Heihu also hurried to accompany the smiling face, and said politely to Chang'e: "Aiya, it turned out to be my sister-in-law. Misunderstandings are all misunderstandings. Don't take offense, sister-in-law."

Shah!

Chang'e's face turned red all of a sudden, and she ignored Li Heihu, her delicate body trembling.

In the next second, Chang'e glared at Yue Feng, stomping her feet angrily: "Shut your stinky mouth, stop talking nonsense, who… who is your wife?"

This Yue Feng was too bold, and even took the opportunity to occupy himself Cheap?

Ugh!

Hearing this, Yue Feng sighed softly, and then gave Li Heihu a meaningful look.

This Chang'e was so arrogant, she had to scare her.

Li Heihu has been in the shopping mall for a long time, and has long been a person. How could he not know what Yue Feng meant, his face suddenly turned cold, and he said coldly to Chang'e: "What? It's not a sister-in-law. If that's the case, then take it down and interrogate it. Is it a spy sent by another casino?"

"Yes!" The voice fell, and the surrounding bodyguards suddenly gathered around.

Chang'e was frightened, hid behind Yue Feng, and whispered, "Yue Feng help me…"

Before she could finish her sentence, she was interrupted by Yue Feng.

"You have nothing to do with me at all, how can I help you?" Yue Feng looked at Chang'e with a smile, his eyes full of sly smug: "I tell you, this Boss Li is a ruthless character, and very lustful, if he Knowing that you are the Moon Palace Fairy Chang'e, I will definitely take you as my own. I said just now that you are my wife, and I just want to help you again. Because Boss Li is very loyal, knowing that you are my wife, he will not dare to make mistakes. It's a pity that you don't appreciate it, and you said that I took advantage of you, sigh…"

"Then… I'll admit it." Chang'e's jade hand was tightly clasped, her palms sweating.

The next second, Chang'e tilted her head to look at Li Heihu and said, "I am indeed Yue Feng's wife… I was just playing with him." When she said this, Chang'e's beautiful face was extremely blushing. All her dignity, all her self-respect, was left behind.

"Haha…"

Li Heihu nodded with a smile: "So it's a joke? It's okay, sister-in-law, don't be nervous, haha…"

Chapter 1847

Hearing Li Heihu's sister-in-law, Chang'e stomped her feet angrily, took Yue Feng's arm, and whispered, "Yue Feng, let's go quickly." Her majesty, Her Royal Highness,

was forced to reluctantly admit that she was with Yue Feng. The wind has something to do with it, it's a shame.

Taking advantage of these people, who still don't know their identity, it's better to leave quickly.

Um!

Yue Feng responded, and then said lightly, "However, what did you just call me?"

Having said this, Yue Feng licked his ears and looked at Chang'e with a smile.

Feeling the playfulness in Yue Feng's smile, Chang'e's delicate body suddenly trembled. How could she not know what Yue Feng meant.

"Hu… husband." Zhao Lu bit her lip tightly and whispered.

Her face was already flushed red. To be honest, in her heart, Yue Feng had always been a shameless swindler. I gave up all my dignity, and I still called my husband!

"Husband doesn't sound friendly. Since you have come to Xuanye Continent, just follow the local customs and call my husband." Yue Feng said with a smile.

"You…"

Chang'e was so angry that she looked at Yue Feng with shame and anger, almost speechless.

This Yue Feng is really getting bolder and bolder. It's not enough to call her husband, so she has to call her husband?

At this time, Chang'e could not wait to kill Yue Feng immediately, or turn around and leave. But seeing the crowd around Li Heihu, Chang E bit her lip and held back.

A few seconds later, Chang'e adjusted her mood, lowered her head and whispered to Yue Feng, "Husband…"

Haha…

These two words were shouted softly and magnetically. Hearing Yue Feng's whole body becoming numb, being called her husband by Chang'e, this was something that was put in the past, but it was something that I didn't dare to think about, but now, it's really happening. .

It was so cool.

“Brother Feng!”

At this moment, Li Heihu came over and said with a smile: “I haven’t seen it for a few years. I will find a place to arrange it in the evening so that Brother Feng and sister-in-law can take care of the wind and wash the dust.”

When he said this, Li Heihu had a sincere expression on his face.

Yue Feng shook his head with a wry smile: “No, no, I still have something urgent to do. You should be busy with you. Next time we have a chance, let’s sit back and relax.”

Uh…

Li Heihu is very helpless , nodded with a smile, and then ordered Wu Biao: “Quick, go and prepare the car, no matter where Brother Feng goes, be sure to escort him.” After the words

fell, Li Heihu and Yue Feng said goodbye and left.

Yue Feng shook his head with a smile, this Li Heihu really thought about everything.

Later, under the escort of Wu Biao, Yue Feng took Chang’e and walked out of the box quickly.

Outside the box is a VIP room. At this time, thousands of people were gambling in the VIP room. As soon as Yue Feng came out, from a distance, he saw two familiar figures in the crowd.

These are two sexy women, one of them is wearing a long purple dress, with an extremely sexy body and suffocating beauty, but they feel very cold and arrogant, and they just watch from the side without playing.

The other, wearing jeans and a white t-shirt, is indescribably sweet and moving, very unrestrained, and is making bets with the people around him.

It is the sisters of the Fang family, Fang Zhiqiu and Fang Ting!

Ha ha…

Seeing this scene, Yue Feng showed a smile and was very emotional.

What a coincidence, I didn’t expect to meet this pair of sisters here. Yue Feng still clearly remembers that a few years ago, in order to save the little fairy, he came to Xuanye Continent and served as bodyguards for the two young ladies of the Fang family. The place where he saw the sisters was in the casino.

Chapter 1848 But I

didn’t expect that when we meet again, it’s still a casino.

It was so interesting.

In his heart, Yue Feng was about to take Chang’e away. The most important thing now is to go back and find Xuan’er and Zhu Rong. How can there be time to catch up with the Fang sisters.

Besides, when I stole the Panlong Jing from their Fang family back then, how could I be so embarrassed to see the Fang family sisters again.

At this time, Fang Ting was busy gambling, and did not notice Yue Feng. Fang Zhiqiu, who was sitting there, looked at Yue Feng!

“Yue Feng?”

“Stop!”

Before taking two steps, there was a coquettish shout from behind. Yue Feng stopped and looked back, only to see Fang Zhiqiu stepping on high heels and chasing after him, with a beautiful face. up, full of frost.

“Wow!” The

movement attracted the attention of everyone around, and they all turned their attention to the excitement.

At this time, Fang Ting also saw Yue Feng, and her body was shocked, and then she walked over quickly and said, “Wow, Yue Feng, you still dare to come to Wanhai City!”

Fang Ting said this, A puffed up look, very charming and cute.

Yue Feng was immediately amused and looked at Fang Ting with a smile: “Oh, isn’t this the two young ladies of the Fang family? It’s been a long time, but the second lady doesn’t seem to like me very much, so why don’t I dare to come here? “

Don’t get close to me.” Fang Ting snorted, without any nonsense: “Hurry up and hand over our fake Coiling Dragon Spirit.” The voice was not loud, but there was no doubt.

“Hula!”

In an instant, several bodyguards in black suits walked out quickly, looking at Yue Feng eagerly, as if they wanted to do something at any time.

yo?

Feeling the strength of several bodyguards, Yue Feng did not panic at all, but secretly laughed.

It seems that after he left Xuanye Continent before, the Fang family has given this sister a new bodyguard, and there are more than one, but this strength is just average.

If you really want to make a move, Yue Feng can easily do it.

However, Yue Feng will not shoot, after all, this is Li Heihu's chassis.

At this time, seeing that the atmosphere was not good, Wu Biao hurried out and smiled at Fang Ting: "Second Miss Fang, we have something to discuss. This is our Boss Li's VIP, please don't be impulsive."

When he said this, Wu Biao had a smile on his face, but his tone was very firm.

I offended Brother Feng just now, so there must be no problem this time.

Fang Ting frowned. You must know that Li Heihu has been a well-known figure in Wanhai City in the past few years.

Fang Ting glanced at Wu Biao: "I don't care what his relationship with your boss is. Today, Miss Ben, I have to take him away." The

Panlong Jing is a treasure handed down to the Fang family and must be brought back no matter what.

Wu Biao was in a hurry and was about to speak, but was stopped by Yue Feng.

"It's alright, I'll handle it myself." Yue Feng whispered to Wu Biao with a relaxed and confident face.

The next second, Yue Feng smiled at Fang Ting and said, "Second miss, how can I tell you? The Panlong essence is not on me, even if you take me back to Fang's house, you won't be able to get it. It's better than this, I have something urgent to do now, you let me go first, and when I am free, you must come to visit, how?"

When he said this, Yue Feng's face was sincere, but his eyes were wandering, not looking at Fang Ting.

After getting the Coiling Dragon Essence back then, Yue Feng used it for the little fairy, so the Coiling Dragon Essence had long since ceased to exist, and Yue Feng could not get it out at all.

Chapter 1849

“No way!” As soon as

Yue Feng finished speaking, Fang Zhiqiu, who had been silent, spit out two words coldly, unable to refute: “Yue Feng, you must go back to Fang’s house with me today, and give us Panlong. Essence!”

This Yue Feng is not only strong, but also very cunning, I finally met him today, and must not let him go.

For a time, the atmosphere suddenly became solemn.

Seeing this scene, Chang’e frowned, secretly anxious.

It’s really a wave of unresolved waves. I just solved the misunderstanding in the box, and now I just came out and encountered trouble again.

This Yue Feng is really a broom star, he is really unlucky to follow him.

Thinking to herself, Chang’e couldn’t help but glared at Yue Feng.

“Then what do you want?” At this time, Yue Feng looked at Fang Zhiqiu with a wry smile: “Miss, I can’t get the Panlong essence for the time being, it’s useless for you to stop me, I said it just now, in the future If you are free, I will visit again, how about?”

“Two options.” Fang Zhiqiu’s delicate face did not fluctuate at all, and said coldly: “Either, you can find a way to hand over the Panlong Jing, or you can follow us. Take a trip. You don’t have a third option.”

Damn.

Hearing this, Yue Feng was angry and funny, raised his eyebrows at Fang Zhiqiu and said, “Even if I go with you, you won’t be able to get the Panlong essence for the time being, why? Take me home in such a hurry. Want to recruit a son-in-law?”

At this time, Yue Feng was impatient.

Why can’t these two Miss Fang family make sense?

“you….”

Fang Zhiqiu blushed and stared at Yue Feng, her red lips slightly parted but she didn’t know how to refute. I never thought that Yue Feng, the dignified Heaven Sect Sect Master, the hero of the Earth Circle Continent, would speak so impolitely.

Whoa!

At the same time, everyone in the casino was in an uproar, looking at Yue Feng with incomparable admiration.

Niu, worthy of being a well-known figure in Kyushu, how dare to talk to the eldest miss of the Fang family like this. “Yue Feng!” At this moment, Fang Ting said

angrily: “Stop smiling, my sister has already stated the conditions. If you don’t cooperate, don’t blame us for being rude.”

Ting winked at several bodyguards. Suddenly, several bodyguards took a step closer and surrounded Yue Feng.

Hehe…

Yue Feng didn’t panic at all, smiled and said, “I want to do it, but what do you think your chances of winning are?”

Fang Ting blushed and was speechless for a while.

Yes, although there are many people, but Yue Feng’s strength is very strong, these bodyguards are afraid that they can’t get close to him.

call!

At this moment, Fang Zhiqiu calmed down and looked at Yue Feng coldly: “Yue Feng, I know you are very strong, well, when you start, you can go all out, and we have nothing to say if we lose. It can be said, but when you leave, I will spread your character.” After speaking

, Fang Zhiqiu made a look of indifference, and continued: “Our Fang family, in Kyushu, does not have much reputation. It doesn’t matter if you are embarrassed, but what about you? The dignified Tianmen sect master, the hero of the Earth’s Round Continent, if you let others know that you lied to our Fang family’s Panlong Jing, don’t pay it back if you are a scoundrel, and even beat people. When the time comes, you say What should the rivers and lakes of the Kyushu continent think of you?”

I’ll go!

Hearing this, Yue Feng was stunned for a moment, staring blankly at Fang Zhiqiu, speechless.

This Miss Fang is amazing, she actually knows how to use public opinion to put pressure on her.

Because Fang Zhiqiu was right, he did use disgraceful means to take away the Coiling Dragon Spirit.

For a time, Yue Feng scratched his ears and scratched his cheeks, not knowing whether to laugh or cry, feeling depressed.

“You two!”

At this moment, Chang’e finally couldn’t bear it anymore, walked out slowly, looked at the sisters and said, “You said, Yue Feng took away your family’s Coiling Dragon Spirit?”

Fang Zhiqiu and Fang Ting said to each other. Glancing at him, he nodded.

Chapter 1850

Chang’e continued: “Well, let us leave for now, and when Yue Feng is free, I will let him visit and return the Panlong Jing, how about it?” After

speaking, Chang’e continued: “If you If you don’t believe him, I can testify.”

As the fairy of the Moon Palace, Chang’e naturally knew what the Panlong Jing was. However, in the eyes of others, the Panlong Jing was a treasure that could not be found. That said, it’s just an ordinary external thing.

After all, there are a lot of rare treasures in the Jizo Pavilion in the Beiying Palace. If you take out any one, it is a treasure of heaven and earth.

Um?

Hearing this, the two sisters were stunned, and the beautiful faces were more exciting than the other.

Fang Ting couldn’t help laughing: “It’s interesting, you’re here to testify? Why should I believe you?”

Fang Zhiqiu nodded and said, “Yes, we don’t know you, why should we listen to you? You are Who?”

Huh!

At this moment, the eyes of everyone present were focused on Chang’e’s body, all of them were overwhelmed by Chang’e’s beauty, and at the same time, countless greetings rose in their hearts.

What an alluring beauty.

But, who is she and what is her relationship with Yue Feng? Why help Yue Feng?

I?

Chang'e smiled lightly, ignoring everyone's gaze, but looked at Fang Zhiqiu, and said softly, "My name is Chang'e, and the world is honored as 'Fairy Moon Palace', I'll testify, no problem."

When she said this, Chang'e's face There was not much fluctuation, but there was a bit of pride in his eyes.

To be honest, Chang'e didn't want to worry about Yue Feng's business, but she didn't know anything about the environment in front of her, so she could only rely on Yue Feng.

More importantly, Chang'e was in a hurry to return to the Northern Ying Continent to clear her suspicions, so she could only help Yue Feng escape.

Yue Feng can't go, isn't he trapped?

What?

In an instant, the entire hall exploded.

"Chang'e?"

"I heard it right, she is the Moon Palace Fairy?"

"That's a fairy-like existence, and she is actually with Yue Feng? Just kidding…"

Everyone said your words, and my words came, all heard It's astonishing.

Even the Fang Zhiqiu sisters looked at each other and couldn't believe it.

After all, Chang'e is a legendary beauty who doesn't eat human fireworks. How could she appear here? More importantly, he was still with Yue Feng.

call!

Seeing that everyone didn't believe it, Chang'e sighed softly, took out the Xingyue Sword with her jade hand, and slowly swung it. Although Chang'e had no inner strength at this time, she was still wielding the Xingyue Sword with a graceful posture. Sprinkle to make Chang'e more sexy and charming.

hiss.

Seeing this scene, there was an uproar in the audience, and everyone’s eyes were straight.

“Is this…is it the Xingyue Sword?”

“It is said that this sword was given to Chang’e by Hou Yi, and it is precisely because of this sword that Chang’e was called the Fairy of the Moon Palace.”

“So, she It’s really Empress Chang’e, no wonder Mei is so thrilling.”

During the discussion, the sisters Fang Zhiqiu and Fang Ting were also dazzled and their delicate bodies trembled.

Just now, Chang’e had no evidence, and the sisters did not want to believe her words.

Then, once the Xingyue Sword is taken out, who would dare to doubt it?

The ultimate husband in Chinese chapter 1851-1860

Chapter 1851

“Niangniang.”

At this time, Fang Zhiqiu reacted, bit his lip and said softly: “Since the niangniang said so, we naturally believe you.”

After saying that, Fang Zhiqiu looked at Yue Feng unwillingly: “Yue Feng Feng, you are lucky today, but you also have to remember your words, if you don’t pay back the dragon spirit, our Fang family will not share the sky with you.” As

soon as the words fell, Fang Ting suddenly became anxious and stomped: ” Sister…”

Fang Zhiqiu interrupted before he finished speaking.

“Sister, this time we will give Chang’e a good face.” Fang Zhiqiu said lightly to comfort her.

To be honest, Fang Zhiqiu was very reluctant to let Yue Feng go like this.

But there was no way, the woman beside him was Empress Chang’e, whose reputation has been passed down for thousands of years, and everyone in the Kyushu continent knows it.

Although the Panlong Jing was a treasure handed down from the Fang family, it would not be worthwhile to offend the Empress Chang’e.

Hearing this, Fang Ting pouted and stepped aside.

Phew…

Seeing this scene, everyone present was very emotional.

As expected of Empress Chang’e, she has a lot of face, and a few words will ease the situation.

Haha… Yue Feng showed a smile, and his heart was also very relaxed and relaxed. To the Fang family sisters, he

said, “The two young ladies are indeed a lot of adults. I, Yue Feng, thanked me here, and we will meet later.” With that, Yue Feng strode downstairs.

This chapter is provided by . Visit for daily update.

Seeing his smug look, the two sisters were so angry that their teeth were itchy, but they didn't feel good, after all, Chang'e was watching.

Chang'e was also very speechless, but she followed quickly.

"Oops!"

When he reached the entrance of the stairs, Yue Feng tilted his head and smiled at Chang'e: "Thanks to you just now, otherwise, these two girls are really not easy to kill."

When he said this, Yue Feng said on the surface. Danger Langdang, but was very grateful in my heart.

After all, in the situation just now, it was really difficult to handle without Chang'e coming forward.

"Yue Feng, you don't have a smile on your face." Chang'e said with a stern face, "This is only one time, next time, don't expect me to help you." What

Chang'e said was the truth.

In the box just now, I called Yue Feng's husband, and I lost my dignity. I can't wait to kill Yue Feng immediately. If I hadn't left in a hurry, I wouldn't have helped him.

Um?

Hearing this, Yue Feng scratched his head and looked at Chang'e seriously: "What did you call me just now?" As

he said, Yue Feng's eyes deliberately looked at Wu Biao behind him.

Chang'e's delicate body was shocked, she was so smart, why didn't she know what Yue Feng meant?

"Old…husband." Chang'e bit her lip tightly, her face blushed, and she shouted reluctantly.

Calling Yue Feng's husband, Chang'e felt ten thousand reluctance in her heart.

But there is no way, here is the chassis of Li Heihu. If Yue Feng calls Li Heihu back, it will be troublesome.

Haha…

This husband made Yue Feng feel at ease and took Chang'e downstairs.

The voices of the two were not loud, but they were clearly heard by Fang Zhiqiu and Fang Ting not far away.

What?

At this moment, Fang Zhiqiu and Fang Ting's delicate bodies trembled, and they looked at each other in shock.

Total shock.

This… Chang'e actually called Yue Feng's husband? Fairy Moon Palace, turned out to be Yue Feng's woman.

No wonder just now, Chang'e took the initiative to speak for Yue Feng.

For a time, the two sisters trembled, and they were completely stupid.

…

On the other side, Xi Cang Continent, the Imperial Palace.

In the splendid bedroom, Duan Yu was wearing a dragon robe, sitting there leisurely sipping fine wine, with a few beautiful palace maids beside him, carefully waiting on him.

After killing Emperor Xi Cang, Duan Yu lived directly in the palace. Although he had not officially ascended the throne, he had to experience the joy of being an emperor first.

"His Majesty!"

Chapter 1852

At this moment, a young eunuch walked in quickly and respectfully said: "There is someone outside the palace, called Yue Chen, who is from Tianqi Continent and claims to be His Majesty's friend."

Yue Chen?

Hearing this, Duan Yu put down the wine glass and narrowed his eyes subconsciously.

This kid is not a good official in Tianqi Continent, why did he suddenly find himself?

Thinking to himself, Duan Yu raised his hand: "Xuan him come in."

"Yes!" When the voice fell, the little eunuch responded quickly, and then walked out quickly.

After a while, the little eunuch brought in two people. They were Yue Chen and Chen Yun.

“Your Majesty!”

When he got to the front, Yue Chen quickly pulled Chen Yun to his knees, very respectful and polite: “Yue Chen and his wife Chen Yun, to meet your majesty, long live your majesty, long live your majesty.”

When he said this, Yue Chen I was very excited.

Finally, I finally saw Duan Yu, and I can start a new life here in the future.

“Haha…”

Duan Yu laughed and raised his hand: “Master Yue, please get up, get up…”

He said so, but his eyes were fixed on Chen Yun. Extremely surprised and surprised.

Haha…

What a coincidence, it turns out that this woman is Yue Chen’s wife. Hahaha!

At that time, Duan Yu happened to meet Chen Yun who was fleeing in the waters of Donghai City. At that time, he learned that Chen Yun was from the Yue family and Yue Feng’s sister-in-law. Be around until you get the Sky-Opening Axe.

That past was an indelible nightmare in Chen Yun’s heart, but for Duan Yu, it was an unforgettable memory.

Huh…

Duan Yu’s gaze made Chen Yun feel uncomfortable and wanted to turn around and leave, but feeling the majesty in the bedroom and Duan Yu’s powerful aura, Chen Yun had to lower her head and take a deep breath. Secretly forbear.

“Master Yue.” At this time, Duan

Yu looked at Yue Chen with a smile: “You are a popular man next to King Guangping, you are not a good official in Tianqi Imperial City, why did you suddenly come here to see me?”

Shen, seeing Yue Chen in casual clothes and bringing his wife, he knew that he was not here to talk about state affairs.

Ugh!

Yue Chen gave a wry smile, and briefly explained his experience. At the end, Yue Chen's face was full of sincerity: "I have no choice but to go to your Majesty. As long as Your Majesty is willing to take it in, I, Yue Chen, will definitely be grateful. Do your best, be loyal and serve."

"Okay, okay." Duan Yu nodded and laughed: "Master Yue is so talented, how can I not take it

in?" After speaking, Duan Yu recruited a little eunuch: "Go, Immediately arrange a residence for Lord Yue, and on the day of the enthronement ceremony, I will seal Lord Yue an official position in front of the civil and military officials."

"Thank you, Your Majesty." Yue Chen was overjoyed and quickly kowtowed to thank him.

Chen Yun next to her had a calm expression on her face, and her mood was extremely complicated.

"That's right!"

At this moment, Duan Yu thought of something, his eyes fell on Chen Yun, and he said with a smile: "I heard that Madam has always been Lord Yue's virtuous helper, I have a problem, I don't know if Madam is willing or not. Help."

Shuh!

Hearing this, Chen Yun's body trembled, and she instantly became nervous.

What does this Duan Yu want to do?

Yue Chen didn't know the grievance between his wife and Duan Yu, so he didn't think much about it, and quickly said, "Yes, why would you not? Please tell me, Your Majesty."

"It's not a big deal." Duan Yu said with a smile: " Didn't I capture Yue Feng's adoptive mother before, this Jiang Shan, I have been giving her the opportunity to help lead Yue Feng out, but this Jiang Shan is stubborn." After

speaking, Duan Yu looked at Chen Yun and said: "I want Madam to stay in the palace to persuade this woman, how about that?"

"I…"

Chen Yun bit her lip, thinking about rejecting it, but was interrupted by Yue Chen.

“No problem!” Yue Chen patted his chest and said, “Don’t worry, Your Majesty, I will leave this matter to my wife. I will never disappoint Your Majesty.”

When he said this, Yue Chen’s face was full of confidence. His wife has always been smart, and this kind of thing can definitely be done.

However, Yue Chen didn’t notice that Chen Yun’s face didn’t fluctuate at all, but her delicate body was trembling with anger.

At this time, Chen Yun was very angry.

Why did he marry such a waste? Duan Yu must have made an excuse to stay in the palace, and then took the opportunity to defile himself.

Chapter 1853

It’s just that Chen Yun couldn’t refuse Duan Yu. Now Duan Yu is the emperor, if he refuses, he will deceive the emperor and have his head beheaded.

“Okay!” Duan Yu nodded approvingly: “Then please Mrs. Chen Yun, she will stay in the palace for a few days.”

Immediately, Duan Yu and Yue Chen exchanged a few words, and ordered the little eunuch to escort Yue Chen. left.

As for Chen Yun, she stayed in the palace and was placed in the small courtyard where Jiang Shan lived.

At this time, in the small courtyard.

Jiang Shan was sitting in the room. Although her hands and feet were not tied, the acupuncture points were blocked. Outside the yard, there were guards everywhere, so she had no chance to run.

Ugh.

At this time, Jiang Shan looked at the night outside and sighed.

Her husband died, and she was trapped here by Duan Yu again.

Could it be that he really couldn’t escape this miserable fate?

Da Da…

At this moment, there was a sound of footsteps outside the door, and then, a slender figure walked in, as beautiful as a flower, but his expression also showed a bit of depression.

It was Chen Yun. Chen Yun was left in the palace and was very flustered. She was really scared, and Duan Yu humiliated herself in every possible way. But the matter has come to this point, Chen Yun can only be at ease when it comes.

“Mrs. Jiang!”

After entering, Chen Yun showed a smile and said slowly, “Don’t come here…”

Before she could finish her words, she was interrupted by Jiang Shan.

“Please go out!” Jiang Shan’s beautiful face was frosty: “I don’t want to see you, and I’m not interested in talking to you.” The voice was not loud, but there was no room for negotiation.

Back then, Yue Feng was slandered, and everyone in the entire continent knew about it, and the person behind it was this Chen Yun, why didn’t Jiang Shan know him?

Saying that, Jiang Shan turned around and didn’t look at Chen Yun.

call!

Having hit a soft nail, Chen Yun was very annoyed.

Just a prisoner, how dare you stand on the shelf?

However, Chen Yun didn’t dare to attack, after all, this is Xi Cang Continent, not her own place. After being embarrassed for a few seconds, Chen Yun didn’t want to stay any longer, so she turned around and went out to the next room to rest.

Entering the room, Chen Yun lay on the bed and fell asleep shortly after. Running all the way from Tianqi Continent to Xicang Continent is really tiring.

“Squeak!”

Not knowing how long she slept, Chen Yun was in a daze when she heard the door being pushed open.

hiss!

Thinking that Jiang Shan took the initiative to find her, Chen Yun hurriedly sat up, but when she saw the person who came in, her body trembled, and the whole person was stunned.

I saw that the person who came was wearing a golden dragon robe, very handsome, but there was a bit of gloom in his eyes.

It was Duan Yu!

“You…”

Chen Yun was frightened, bit her lip tightly, and said nervously: “You…what are you going to do? You…”

Chen Yun knew that Duan Yu would definitely come to find her, but she didn’t expect that quick!

“Hehe!” Duan Yu raised his mouth and said with a smile: “Beauty, you don’t know me after a few years? But I still remember that when we went from the Earth Circle to the Apocalypse Continent, we were together all the way. What an amazing journey.”

Pop!

When the words fell, Duan Yu suddenly shot, pointing like lightning, and directly touched Chen Yun’s acupoint!

Chen Yun didn’t have time to react at all, so she couldn’t move.

“You!” Chen Yun clenched her teeth, she never thought that Duan Yu was the emperor, but he still had the same despicable methods as before.

“Beauty, even though so many years have passed, sometimes in the middle of the night, I still think of your gentleness, and, without your help, I couldn’t find the opening axe, and I wouldn’t be today!” Duan Yu walked away! Come over, hold Chen Yun on the bed, and admire Chen Yun up close.

Chapter 1854

At this time, Duan Yu’s gaze was like a beast, staring at Chen Yun.

pretty!

I really didn’t expect that after so many years, this Chen Yun is still so sexy.

At this time, Chen Yun, wearing a short skirt, has a sexy curve, showing a sultry state.

“You…you quickly let me go…” Chen Yun was about to cry and kept screaming.

“Let you go? Your husband took the initiative to bring you to join me. If I let you go, where can you go? Besides, it was your husband who promised you to stay in the

palace. Do you think this is God's will? Haha. ..." Duan Yu couldn't help laughing up to the sky, indescribably excited.

Afterwards, Duan Yu kissed Chen Yun's red lips at once.

"Get out!" Chen Yun shouted loudly, but she was tapped and couldn't move at all.

At this time, Chen Yun really wanted to die!

Ten years ago, he was unlucky, fell into Duan Yu's hands, and suffered humiliation.

But today, he was indirectly sent to Duan Yu by that trash husband.

Could it be that Duan Yu was destined to be his nemesis?

Along with Duan Yu's actions, it became more and more excessive, only to hear the sound of refusal from the inside of the room.

However, it didn't take long for Chen Yun to hold back. Under Duan Yu's offensive, she couldn't hold back.

Right now, in the next room.

The movement kept coming, and Jiang Shan, who had already rested, was soon woken up.

Swish.

At this moment, when she heard the shameful voice, Jiang Shan's delicate face suddenly blushed, and at the same time, she was also extremely shocked.

Duan Yu, this beast, is actually with Yue Chen's wife….

Ashamed and angry, Jiang Shan pondered secretly, and suddenly had an idea in her heart.

Listening to the voice, Chen Yun was completely forced. If this is the case, Chen Yun must be very angry with Duan Yu. Maybe she can start with Chen Yun before she has a chance to escape.

…..

On the other side, the Earth Circle Continent, the Emei School.

Today's Emei Mountain is very lively, with lanterns and colorful lights everywhere, and a festive atmosphere.

Today, Zhou Qin specially held the Moon Appreciation Conference, and specially invited all the sects of Jianghu to participate. Zhou Qin is the leader of the martial arts alliance, and all the sects did not dare to neglect, and came to join in one after another.

At this time, in the main hall, the masters and heads of various sects are almost here, greeting each other and greeting each other, which is very lively.

On the throne of the main hall, Zhou Qin is dressed in a black cheongsam, her tight and graceful figure is looming, and it is unbelievably beautiful! Coupled with her powerful aura, it makes people dare not blaspheme.

Beside Zhou Qin, Faye Wong and several elite disciples stood there with smiling faces.

Today, Faye Wong is extremely excited.

Speaking of which, although the Emei School has been passed down for thousands of years and is a well-known and upright sect in the Earth Circle Continent, its influence and appeal are still inferior to those of Wudang and Shaolin.

But since Zhou Qin became the head of the sect, in just a few years, Emei's reputation has completely overshadowed Shaolin and Wudang, and it seems to be the largest sect in the Earth Circle Continent.

And now, Zhou Qin is the leader of the martial arts alliance, and all the sects are guided by the Emei horse. It can be said that this is the peak of the prosperous era of the Emei faction for thousands of years.

And myself, as Zhou Qin's confidant, whoever sees it has to give face, can you be unhappy.

In the seats in the hall, the masters of various sects frequently raised their glasses and toasted Zhou Qin, each with a more respectful and polite attitude.

As the leader of the martial arts alliance, his strength is strong, and more importantly, he is trapped in the Beiying Palace and can escape unharmed. Who can achieve this kind of strength?

You must know that the Beiying Palace is the place with the strongest strength and defense in the Kyushu.

However, Yue Wuya, who was sitting in the first place in the VIP seat, was indifferent, sitting there alone drinking suffocating wine.

Yue Wuya had no interest at all in this Moon Appreciation Conference, he just waited for the banquet to end quickly.

Because Zhou Qin said that as long as the Moon Appreciation Conference was over, he agreed to let Han Ao Ran go.

Chapter 1855

“His Royal Highness.”

At this time, Zhou Qin smiled brightly, raised his glass, and said to Yue Wuya: “Tonight our Emei faction will hold a moon appreciation conference. You see that the moonlight is so beautiful, why is Your Royal Highness so unhappy? Come on? , I have a cup of honor to Your Highness.”

When he said this, Zhou Qin was respectful, but there was a smile in his eyes.

She knew that Yue Wuya was sitting here without saying a word, just to wait for the banquet to end, watching herself let go of Han Ao Ran.

However, Zhou Qin hated Han so arrogantly, how could Yue Wuya get his wish? “You don’t need to worry about me. ” Yue

Wuya shook his head and said lightly: “I’ll clean it up, you can greet these fellows in the rivers and lakes.” . The leader personally toasted, but he was rejected. But it’s no wonder that he is His Royal Highness the prince of Tianqi Continent, and is qualified to put on this air. “Okay.” Zhou Qin smiled and said softly, “If that’s the case, then His Royal Highness is free.” With a smile on the surface, Zhou Qin felt a hint of coldness in his heart. Good you Yue Wuya, embarrassing me in front of so many people. At this time, a disciple quickly ran over and knelt in front of Zhou Qin: “Report—— Han Bing came to the mountain gate and said that he wanted to see Han Ao Ran..” What? Originally, the hall was full of hilarity, but at this moment it became quiet, and everyone looked at each other, inexplicably surprised. Frost came up?

Didn’t she fall into Lu Bu’s tomb? Did not die?

Even if she didn’t die, the Jianghu order issued by the Emei faction had not been revoked. She even dared to appear, and she was too daring. Who gave her the courage?

Binger.

At this moment, Yue Wuya, who was sitting in the seat of the VIP, was shocked and immediately stood up, looking anxiously towards the door of the hall.

Why did this silly girl suddenly come here? Now that Han Ao Ran is still in Zhou Qin’s hands, how can she break into Emei?

I haven’t seen her for a while, and I don’t know how she is, whether she is suffering or not.

At this time, Yue Wuya was anxious and looking forward to it at the same time.

Swish!

At this moment, a beautiful figure slowly walked into the hall, dressed in a white short skirt. While sexy and charming, it also had the taste of a little woman, not to mention how beautiful.

It is ice.

“Bing’er?!”

At this moment, Yue Wuya’s face was full of surprise and joy, and he couldn’t help calling out!

After not seeing each other for such a long time, Binger has become more beautiful. More importantly, seeing her state, it seems that she has not suffered much during this time, and she is relieved.

“Brother Wuya?”

Hearing the voice, Han Bing’s delicate body was shocked, and he looked at Yue Wuya, also full of surprises. Han Bing learned that Zhou Qin held a moon viewing conference in Emei, and invited various schools of Jianghu to participate. Without thinking much, Han Bing came directly, wanting to force Zhou Qin to let go of his mother in front of the wealthy people of Jianghu.

In the past, Han Bing would never do this, because Zhou Qin was very strong, but after learning all the inextinguishable scriptures, Han Bing is no longer afraid, it can be said that he is fearless.

But he never thought that he would meet Yue Wuya at the banquet.

Swish!

After saying hello to Yue Wuya, Han Bing quickly calmed down and his eyes locked on Zhou Qin.

The ultimate husband in Chinese chapter 1856-1860

Chapter 1856

At this moment, the eyes of the audience are also focused on Han Bing!

“Zhou Qin!” Han Bing took a step forward and said coldly at Zhou Qin: “What would my mother say, she is also your teacher, and she is not bad to you, but you have repeatedly destroyed her reputation and robbed the head of the family. Now she is locked in a dungeon again, so deceiving her master and destroying her ancestors, but becoming the leader of the martial arts alliance, it’s a joke.” After speaking, Han Bing could

n’t hide the anger in his heart, and continued: “I won’t say anything extra. Now, you let my mother go immediately, otherwise, I’ll turn this place upside down.” The

voice was not loud, and it was a little tender, but full of aura.

“Wow!”

In an instant, the entire hall was in an uproar.

“This Han Bing has such a big tone.”

“As expected of Han Ao Ran’s daughter, she has such a strong personality.”

Everyone’s comments and ridicule kept coming, but at this time Bing was completely inaudible. Eyes, lock Zhou Qin firmly!

Before going up the mountain, Bingbing was ready to sink the boat.

Even if she is afraid of death, she must rescue her mother today.

Hehe…

In the face of Han Bing’s gaze, Zhou Qin did not become angry, but smiled slightly, turned to look at Yue Wuya, and joked: “His Royal Highness, I originally promised you, this moon appreciation conference is over, I would have let go of Han Ao Ran, but now you can see that this ice suddenly came up and made a big party. If I agree, where will the face of this martial arts leader go?”

Zhou Qin deliberately did this when he said this. A very helpless look. In fact, Zhou Qin held this moon viewing conference to attract Han Bing to come out, so to speak, to stop Yue Wuya’s mouth.

This…

This chapter is provided by . Visit for daily update.

Yue Wuya frowned, embarrassed, unable to speak.

Yes, Binger did this, which really made Zhou Qin very embarrassed.

At this time, Yue Wuya didn't know that Zhou Qin fell into her trap a few days ago when she said that she was holding the Moon Appreciation Conference.

The next second, Yue Wuya took a deep breath and prepared to persuade Han Bing: "Bing'er…"

However, Zhou Qin interrupted him before he finished speaking.

"His Royal Highness, how can you say that this is also a family matter of our Emei faction. Since Han Bing has done this, I think you should not interfere."

Immediately, Zhou Qin looked around and said coldly: "What are you still doing? Take down the ice for me."

Hula… When

the voice fell, the surrounding experts stood up and surrounded the ice. .

In an instant, the atmosphere in the hall became tense.

However, there was no fluctuation or panic on Han Bing's pretty face.

"Zhou Qin!!"

Yue Wuya suddenly became anxious, stood up abruptly, and shouted angrily at Zhou Qin: "If you dare to touch Bing'er today, I will not finish with you."

When he said this, Yue Wuya said His eyes were blood red, and his whole body was full of anger.

Even if Bing'er's actions today are a little out of the way, it doesn't make her in any danger.

After all, Han Bing is her favorite girl in this world.

"His Royal Highness!"

Zhou Qin looked at Yue Wuya with a smile, and said in a relaxed tone: “You have seen the situation, so I won’t say more, today I have to take down the ice, I just want to ask, if I touch her, can you How? I’ll arrest her, and lock up this little villain with Han Ao Ran, and torture her in every possible way, so what can you do?!”

Hu!

Yue Wuya took a deep breath, his tone was cold, and he looked at Zhou Qin and said word by word, “Then, I will level your Emei.”

Chapter 1857 The

voice fell, Yue Wuya held the Overlord’s Hammer tightly, and was about to rush up to block the ice.

However, at this moment, Yue Wuya suddenly stopped and frowned.

strangeness!

I was fine just now, why is my body weak and weak, and I can’t use any internal strength? Dantian seems to be suppressed!

This is a clear sign of poisoning!

Surprised, Yue Wuya only felt that he couldn’t even stand.

Looking at Yue Wuya’s expression, Zhou Qin was very proud, and asked with a smile, “What’s wrong with Your Royal Highness? Have you been drinking too much?”

At this time, Yue Wuya, no matter how stupid, realized something, and pointed at Zhou Qin. He shouted angrily: “Zhou Qin, you poisoned me in the wine?”

“Hee hee…”

Zhou Qin smiled and nodded smugly: “Yes, I poisoned you, Moreover, in this entire hall, only your wine glass is poisonous.”

What?

Yue Wuya was shocked and angry, and was extremely shocked in his heart! It’s really Zhou Qin’s poison, this woman is so sinister.

Just… what kind of poison is this? So powerful, I didn’t even notice it at all!

At this moment, the smile on Zhou Qin’s face grew thicker, and the jade hand took out a delicate jade bottle, looked at Yue Wuya, and said proudly: “His Royal Highness, I know

that you are strong, and ordinary poisons will definitely be seen through by you, so What I use is a strange poison in the world, 'San Gong Pills' "

San Gong Pills! This kind of strange poison in the world has only appeared in legends! As the name suggests, after taking the San Gong Pill, the internal force in the body seems to have disappeared out of thin air, and it cannot be exerted at all.

Speaking of which, after Yue Wuya became the prince, he was already very cautious, but just now he was thinking about his own thoughts and didn't care about the wine in the glass. He never expected that Zhou Qin would actually poison the wine, or this kind of domineering. of San Gong Pills.

At this time, Yue Wuya was furious.

This San Gong Pill is rare in the world. It is rumored that the prescription was lost hundreds of years ago. I did not expect that Zhou Qin would have it.

"You…why did you do this." Yue Wuya was furious, staring at Zhou Qin and roaring.

He is the prince of the Apocalypse Continent, with a detached status and high authority, but he did not expect Zhou Qin to use such despicable means to plot against him, which is simply too embarrassing.

What's more annoying is that he still regards her as a friend.

Feeling Yue Wuya's anger, Zhou Qin did not panic at all, smiled lightly, and said slowly: "His Royal Highness, why are you so angry? In fact, I also regard you as a friend. Together, we can create a bright future, but unfortunately, you are fascinated by this evil species of ice." After

speaking, Zhou Qin continued with a smile: "To tell you the truth, today's moon viewing conference is what I set up. The purpose of this game is to lure the ice out, and in order to prevent you from making trouble, I can only play tricks on your wine glass in advance, so please feel wronged."

Hearing this, Yue Wuya trembled with anger . : "Okay, very good, Zhou Qin, if you do this, you won't be afraid of my Apocalypse army coming to Mount Emei?"

At this time, Yue Wuya regretted it very much, because one day ago, he listened to Zhou Qin's suggestion and moved down the mountain. The army withdrew.

If I had known this earlier, I should have made the army camp on the mountain.

Zhou Qin smiled slightly: "His Royal Highness, the so-called teacher is famous, you are an outsider, you have to participate in the affairs of our Emei faction, and the person you want to protect is still a sinner, you say yourself, if this matter spreads out, Is your

reputation damaged, or is our Emei faction affected? Also, if your father knows the truth, will he send troops?”

“You…”

After saying this, Yue Wuya’s face turned ashen, a Words can’t refute it.

Yes, I came out this time to catch Yue Feng, but because of Han Ao Ran’s matter, it was delayed for so long.

When the father found out, he would definitely be furious.

At this time, Zhou Qin was too lazy to talk nonsense, and waved his hand: “Take down the ice, everyone can pity Xiangxiyu, don’t hurt this evil species, lest His Royal Highness feel distressed.”

Chapter 1858

After speaking, Zhou Qin sat down leisurely.

With so many sect masters, it is more than enough to deal with a cold ice, and there is no need to do it yourself.

Hula…

When the voice fell, dozens of sect masters exploded their inner strength and rushed towards the ice!

These masters are the leaders of various sects, and they erupted at the same time. The atmosphere gathered, the air in the entire hall was distorted, and the momentum was amazing.

“Bing’er.”

Seeing this scene, Yue Wuya’s eyes were extremely red, and he couldn’t help crying out. He wanted to rush up to help, but he was so weak that he couldn’t even try, so he could only stare in a hurry.

Han Bing stood there pretty, with no fluctuation on her delicate face, no panic at all, and a proud expression.

“The sword turns to the clouds!” The

next moment, the cold words were spit out from Han Bing’s mouth, and then he clenched the long sword and waved it gently.

“Om!”

I saw that in the hall, the situation changed in an instant, and the next moment, a very strong breath burst out from the long sword in Han Bing’s hand, and swept away towards the rushing sect master!

“Oh, my hand…”

“Ah!” In the

blink of an eye, the dozens of sect masters screamed incessantly, staggering back one by one, their faces extremely pale, and everyone was injured!

That’s right, what Frost uses is the skill in the Indestructible Scripture. Because they are all martial arts fellows, and there are people from the Emei faction, so Han Bing did not make a ruthless attack.

Otherwise, these people are afraid that they will all fall in a pool of blood.

hiss!

Seeing this scene, the other people around couldn’t help but gasped!

Is this… or the ice that was cornered and jumped off a cliff a few days ago? In just a few days, the strength has become so terrifying?

call!

Yue Wuya took a deep breath and looked at Han Bing with incomparable excitement, his eyes were full of incredible.

When did Binger become so powerful?

Haha… That’s fine, with such a strong strength, Zhou Qin can’t do anything to her.

Zhou Qin, who was sitting next to him, suddenly stood up, her delicate body trembling faintly, her eyes fixed on the ice, full of inconceivable.

This… is this a skill in the Indestructible Scripture? !

How could she? !

Thinking to herself, Zhou Qin looked closely at Han Bing, and asked in great surprise: “Han Bing, where did you learn this trick? Tell me honestly, otherwise, I can’t spare you!”

When he said this, Zhou Qin was incomparably anxious, and also had some inexplicable fear in her heart.

You must know that the indestructible scripture was learned from Zhang Jiao, and Zhang Jiao had already been killed by himself, that is to say, in the world, only you can know it!

But the move ‘Sword Turning Clouds’ that Han Bing used just now was clearly a skill of indestructible scriptures.

Chapter 1859

At this moment, Zhou Qin suddenly sounded. Faye Wong said before that she had issued a Jianghu order to chase down the ice, but the ice finally had nowhere to go, jumped off the cliff, and fell into the ancient tomb of Lu Bu.

When listening to this, Zhou Qin didn’t care. After all, Lu Bu’s ancient tomb was full of traps, and ice fell into it.

But now it seems that after Han Bing fell into Lu Bu’s ancient tomb, not only was it okay, but he also found the secret room where Zhang Jiao was imprisoned by accident.

Could it be that on Zhang Jiao’s corpse, there is a secret book of indestructible scriptures? Got it by Frost?

At this time, Zhou Qin did not know that Zhang Jiao was not killed by her at that time.

“Zhou Qin.”

Just when Zhou Qin was thinking about this, Han Bing sneered and said softly: “Don’t do anything wrong, don’t be afraid of ghosts knocking on the door, and see me using the skills of the immortal scriptures, are you panicking? “

Speaking, Han Bing looked around and continued to say loudly: “Everyone, the Zhou alliance leader you admire is actually a despicable and shameless woman with a heart like a scorpion. Let me tell you a story, tell me a story. How did this Zhou Qin learn the indestructible scriptures!”

Immediately, Han Bing explained in detail what happened to Zhang Jiao.

What?

After listening to Han Bing, Zhou Qin’s delicate body trembled, and her face was extremely embarrassing!

Zhang Jiao didn’t die?

wow.

At the same time, the entire hall was in an uproar. Whether it was from other sects or from the Emei sect, they all looked at Zhou Qin in shock.

People in the arena, the most important thing is credit and morality.

If this matter is true, Zhou Qin goes back on his word and kills Zhang Jiao, which would be rebellious.

This kind of person is the leader of the martial arts alliance, which is simply a joke.

For a time, everyone looked at each other, whispered, and looked at Zhou Qin's eyes, all of which shone strangely.

But no one dared to come out and question. After all, the masters of various sects have taken Zhou Qin's Heitian Pill, and their lives are in her hands. Who dares to seek death?

At this time, Zhou Qin reacted and looked at Han Bing with a half-smile but not a smile: "Okay, little villain, the story is vivid and vivid, then I ask you, did you say that Zhang Jiao was killed by me, what about others? ?"

As he spoke, Zhou Qin kept an eye on the outside of the hall, calm on the surface, but panicked in his heart.

If Zhang Jiao really came, he would really be finished.

But Zhou Qin's mind was quick, she bet Zhang Jiao didn't come.

Sure enough, when the words fell, a trace of disappointment flashed on Han Bing's face, and he responded coldly: "Master, his old man, has been trapped for too long. After leaving the ancient tomb, he went to see the outside world.

" With his lips, he said to Zhou Qin, "But don't take chances. I'll be enough to deal with you, and I don't need Master and his old man to come forward."

Hehe..

Hearing this, Zhou Qin suddenly laughed: "Edit, then go on. Editor, the Zhang Jiao you are talking about is a man from thousands of years ago, if it really happened, how could he not come to me for revenge?"

After speaking, Zhou Qin looked around and said seriously, "Everyone, don't listen to her nonsense. , This indestructible scripture is actually the treasure of our Emei sect. Only the masters are qualified to practice, but this secret manual is too profound.

Thousands of years ago, the previous heads of my Emei sect did not have it. Comprehend…”

“I, Zhou Qin, was not talented. After taking over as the head, I was fortunate to understand the mysteries of the Indestructible Sutra, and I wrote down my own experience. Pay attention, look at it, steal it, and practice it yourself.”

“Stealing the sect’s practice method, and making up a story, in turn slandering this seat, this kind of person is the most shameful.”

Phew!

Hearing this, many people suddenly nodded.

Chapter 1860

It turns out that the truth is like this.

In the hearts of everyone, Zhou Qin’s statement is the most credible. After all, she is the leader of the martial arts alliance and will not talk nonsense. As for Han Bing, although the story of the previous general is very attractive, is it true that Zhang Jiao is not there? Yes, no one can prove it.

Seeing everyone’s reaction, Zhou Qin showed a smile, looked at Han Bing proudly and said, “What kind of mother is there, what kind of daughter is there, when Han Ao Ran is in office, he seduces a man to give birth to you, a wicked breed, so that Our entire Emei sect has been shamed, and now you have created something out of nothing, slandering this seat, you are really out of blue and better than blue.”

“You…”

Bingqi’s delicate body trembled, and she said tenderly: “Zhou Qin, the truth is What kind of thing, you know best in your heart, and the person who wants to hide it is the most shameful.”

Zhou Qin was too lazy to talk nonsense, and said coldly: “This seat does not have a verbal dispute with you. “

Om.

The voice fell, and a powerful breath burst out from Zhou Qin’s body, and then, the figure flew up and went straight to the ice.

In Zhou Qin’s heart, even if Han Bing has learned the indestructible scripture, it is not her opponent. After all, she is so many years older than Han Bing and has practiced for so many years, and her background is not comparable to her.

“The sword turns the world!”

At the moment of flying, Zhou Qin let out a cold coquettish cry, a shock burst out from the long sword in his hand, and he stabbed directly at Han Bing. He heard this sword, which contained the sound of wind and thunder. The momentum is amazing.

That’s right, Zhou Qin’s explosive move is exactly the skill in the Indestructible Scripture.

call.

Seeing this scene, the masters of various sects present were extremely shocked.

“Leader Zhou is really a genius in cultivation.”

“Yeah, if you use a casual sword, it has the potential of wind and thunder. Who can stop it

.”

, I heard your sentence and my sentence, and they all decided that the ice was lost.

Yue Wuya, who was on the side, was very anxious, and looked at Han Bing with worry.

Yue Wuya was convinced of what Han Bing had just said. But even if she also learned the inextinguishable scriptures, I’m afraid she is not Zhou Qin’s opponent.

After all, Zhou Qin has been the head of Emei for several years. How can her background be compared to Han Bing?

“The sword turns the world.”

At this moment, I heard Han Bing’s tender cry, the jade hand reversed, internal strength surged, and a sword trick was also displayed, which seemed exactly the same as Zhou Qin’s, but the details of the display, slightly different.

However, these details are invisible to everyone.

clang!

The next second, the two sword tactics collided with each other, and in an instant, a tyrannical aura swept through the entire hall.

At this moment, Zhou Qin’s delicate body stepped back several steps, her face instantly ugly!

“You…”

Zhou Qin only felt a tightness in her chest, she stabilized her figure, looked at Han Bing in shock and anger, her delicate face was full of incredible!

This.. how is this possible!

You and her are using the same skills, why is there such a big difference in power? Moreover, the strength of the ice is far worse than his own!

The ultimate husband in Chinese chapter 1861-1865

Chapter 1861

Han Bing looked at Zhou Qin and said coldly: “Did you not expect it? Let me tell you, when the old master was passing on your immortal scriptures, in order to prevent you from going back on your word, he kept a hand and deliberately did not pass it on. I learned a few formulas from you, so the immortal scriptures you practiced are incomplete, and what I cast is the real immortality scriptures.”

What?

Hearing this, Zhou Qin’s delicate body trembled, as if she had been slapped invisibly, and her face was extremely pale.

In the next second, Zhou Qin reacted and shook his head back and said, “No…it’s impossible…”

This Han Bing must have said this on purpose, in order to disturb his state of mind.

Thinking to herself, Zhou Qin bit her lip tightly, and said tenderly, “Little evil, stop talking nonsense, and die.” When the words

fell, Zhou Qin clenched his long sword tightly, like a spirit snake, and stabbed the ice again.

Frost did not panic at all, and went up to meet him.

Dang dang dang…

Zhou Qin and Han Bing’s long swords kept colliding, making loud noises, and the two of them still cast the indestructible scripture at the same time. At first, Zhou Qin was very confident, but after a few rounds, he became It doesn’t feel right.

Every time they fight, the two have the same skills, but the power of the ice burst is obviously much stronger than Zhou Qin.

At this moment, Zhou Qin believed what Han Bing said.

His own immortal scriptures are indeed incomplete.

Swish.

Realizing this, Zhou Qin’s face suddenly became extremely ugly, as if he had been greatly humiliated, and his angered body kept trembling.

This chapter is provided by . Visit for daily update.

The dignified leader of the martial arts alliance, and even the goddess of frost, who has been famous for many years, Han Ao Ran is not his opponent. How could he be deceived by an old man who has been imprisoned for thousands of years? How can you bear it?

It's just that the inextinguishable scriptures that he cultivated are incomplete, and he can't beat the ice at all.

This is how to do?

Frightened and anxious, Zhou Qin accidentally saw Yue Wuya, and suddenly had a flash of inspiration.

The next second, Zhou Qin shouted at Faye Wong: "Faye Wong!"

As Zhou Qin's confidant, how could Faye Wong not know what she meant? Immediately he nodded understandingly.

"His Royal Highness, I'm sorry." Faye Wong shouted, raising her jade hand and calling directly at Yue Wuya.

Nima!

Yue Wuya's attention was always on Bingbing. He didn't expect Faye Wong to sneak attack. His face changed, and he wanted to dodge, but he couldn't use his inner strength. Where can he escape?

"Bang!"

This palm hit Yue Wuya firmly, only to hear a muffled groan, Yue Wuya flew out directly, flew a dozen meters away, landed heavily outside the hall door, and sprayed a mouthful. Blood came out.

To be honest, Faye Wong's raid was just to distract Han Bing, so she only used three layers of internal strength. If she burst out with all her strength, Yue Wuya would have no internal strength to resist, and I was afraid that she would be dead.

"Brother Wuya."

Seeing this scene, Han Bing's delicate body trembled, she couldn't help exclaiming, and tears welled up.

Swish!

Immediately afterwards, Han Bing's eyes locked on Faye Wong, and she shouted: "Faye Wong, you dare to attack Brother Wu Ya, I can't forgive you." The

voice fell, the ice flew up, and the long sword surged with a sharp breath, directly Towards Faye Wong.

"Master…"

Feeling the powerful aura contained in this sword, Faye Wong's body trembled, her face pale, and she couldn't help calling Zhou Qin for help: "Master, save me…"

Faye Wong's tone was all in panic. trembling.

This ice, in just a few days, her strength has grown by leaps and bounds, even the head Zhou Qin can't suppress her, how can she be an opponent?

Chapter 1862

"What are you afraid of?" Zhou Qin responded coldly. The next second, she took out a green and sparkling flute from her body. It was the Cui Xian flute.

She had been suppressed by Bingbing before and had no time to use Cui Xiandi. Now Faye Wong had attracted Bingbing's attention, and Zhou Qin immediately seized the opportunity.

Seeing Zhou Qin take out the Cui Xian Flute, the strong men of all sects present didn't have time to think, and quickly covered their ears.

Everyone has experienced the power of the Cui Xiandi, and they all know how terrifying it is.

In the next second, Zhou Qin stimulated his inner strength to inject the flute, and at the same time put the flute to his mouth and played it gently.

"Woooo…"

In an instant, a quiet and euphemistic flute sounded.

hum!

When the flute sounded, I saw a powerful wave that spread wildly around! In the air, layers of rhythm ripples are instantly formed!

At this time, Han Bing was almost in front of Faye Wong, but when he felt the fluctuation, his delicate body trembled, and his delicate face was full of surprise. After

hearing the sound of the flute, Han Bing only felt dizzy and almost stood there. Unsteady!

Not only that, but the inner strength of the dantian seems to be suppressed!

call!

At this moment, Han Bing stopped there, staring at Zhou Qin in awe, incomparably shocked inside.

This… what kind of flute is this? The sound of the blowing is so terrifying?

When did Zhou Qin have such an artifact?

call…

Seeing that Han Bing was successfully disturbed by the rhythm of Cui Xiandi's dantian, Zhou Qin finally showed a smile. While Han Bing was flustered, Zhou Qinyu raised his hand and hit Han Bing with a palm!

The speed of this palm was too fast, and Han Bing was affected by the rhythm and could not escape at all. At that time, in a desperate situation, he could only use his internal strength to greet him with one palm.

boom!

The two palms touched each other and made a dull vibration. At this moment, Han Bing's delicate body retreated several steps, and her face was instantly ugly!

Although Han Bing has learned all the indestructible scriptures and can suppress Zhou Qin in terms of skills, the inner strength of his dantian is not much inferior. !

"You…"

Han Bing only felt stuffy in his chest, stabilized his figure, looked at Zhou Qin in shock and anger, his face was full of unwillingness.

Zhou Qin was so shameless this time, she even ordered Faye Wong to sneak up on Brother Wu Ya to divert her attention.

"Haha…"

Zhou Qin sneered with a smug look on her face, looking at Han Bing and mocking: "What if you know all the inextinguishable scriptures? In the end, it didn't fall into my hands, and the little evil species dared to follow me. Dou, you are still too tender!"

Zhou Qin rushed over, quickly raised his hand, and tapped twice on the acupuncture point of the ice.

In an instant, Han Bing's delicate body froze, unable to move at all.

Seeing this scene, Yue Wuya's face changed greatly, and he couldn't help but exclaimed: "Bing'er, you…"

At this moment, Yue Wuya felt very uncomfortable.

It's all my fault. I trusted Zhou Qin so much that I fell into her trap. If I had insisted on forcing her to let go of Han Ao Ran three days ago, there would not have been so many problems.

Now, I can't use my inner strength, and Bing'er has also been caught, which is really suffocating.

"Zhou Qin, you let Bing'er!" Yue Wuya's eyes were blood red, and he shouted at Zhou Qin, his voice hoarse!

"Let her go?"

Zhou Qin showed a smile: "In order to catch this little villain, I have set up such a big game, and finally succeeded, you asked me to let her go? His Royal Highness, have you got water in your head? "

Chapter 1863

Originally Zhou Qin didn't want to tear his face off with Yue Wuya, after all, Yue Wuya is a prince and has an extraordinary position. But he turned against himself for the sake of Bingbing, and he didn't have to worry so much anymore.

"Zhou Qin!"

At this moment, Han Bing said coldly: "You can leave me alone. This is a matter of the Emei faction and has nothing to do with Brother Wu Ya. You let him go, and I'll let you handle it."

Saying this At that time, Han Bing tilted his head to look at Yue Wuya, his eyes were full of distress.

Originally, Han Bing was still surprised why Yue Wuya was here, but just now he found out that he was calculated by Zhou Qin to save his mother. And just now, brother Wu Ya was slapped by Faye Wong for himself.

Thinking of this, Han Bing was very distressed, and at the same time, he also thought about it. Today, he falls into Zhou Qin's hands, and his skills are not as good as others, but brother Wu Ya must not be involved.

"Little evil seed, what qualifications do you have to negotiate with me?" Zhou Qin sneered, walked to Han Bing step by step, and slapped her in the face!

"Crack!"

When the slap went down, I heard Han Bing's coquettish cry, and a slap print suddenly appeared on that fair face.

"You mother and daughter are both lowly women. Your mother seduced men and gave birth to you, and you have learned to seduce people at such a young age, tsk tsk, Your Royal Highness, you are fascinated by you, You really gave your mother a face…" Zhou Qin looked at Han Bing coldly, and almost squeezed these words out of her teeth!

I don't know why, seeing Yue Wuya's nervousness and coldness, Zhou Qin felt more jealous.

Han Bing clenched his fists and stared at Zhou Qin angrily: "Shut up, my mother is not a slut, you are a slut, and my brother Wuya and I are not as shameful as you said, we both are clear Bai Bai, you are not allowed to slander."

When he said this, his icy body trembled.

This Zhou Qin is so hateful. He slandered his mother's reputation before, but now he smeared his own innocence.

Such a woman's heart is more poisonous than snakes and scorpions.

"Crack!" After the

voice fell, Zhou Qin slapped him again!

"Little bitch, I teach you a lesson in the name of the head of the Emei faction, how dare you talk back?" Zhou Qin's eyes were cold, and his emotions were completely uncontrollable!

The dignified head of Emei, the leader of the martial arts alliance, was confronted by Han Bing in front of so many people, where should he put his face?

Zhou Qin became angrier the more she thought about it, raised her jade hand, and slapped it slap after slap.

clap clap clap!

A slap is heavier than a slap, and Frost is still young, how can he bear it?

While fighting, Zhou Qin said coldly: “What kind of mother is there, what kind of daughter, just relying on her own beauty, she will seduce men, and if you don’t admit it, I will fight today until you admit it. .”

Han Bing bit her lip, but didn’t make a sound.

Just like Han Aoran, Han Bing has a tough personality, not to mention being beaten, even if he is beheaded, he will not frown.

“Zhou Qin, what the fuck!”

Seeing this scene, Yue Wuya was completely mad, his eyes were blood red, he kept shouting at Zhou Qin, and at the same time he wanted to rush over, but he couldn’t use his inner strength, and was caught by Faye Wong again. With a slap, he couldn’t get through at all.

Finally, Zhou Qin was tired and stopped.

“Tsk tsk.”

Feeling Yue Wuya’s anger, Zhou Qin smiled slightly and couldn’t help teasing: “His Royal Highness and this little villain are really affectionate and righteous. I haven’t done anything to her yet, so you will feel distressed?”

“Zhou Qin, your special code let me go, let her go.” Yue Wuya kept howling, his murderous eyes, and locked Zhou Qin tightly: “Hurry up and let her go, or I won’t be able to spare you. !”

Chapter 1864

In Yue Wuya’s heart, Han Bing has always been regarded as the closest person to her. At this time, seeing her being beaten so hard by Zhou Qin, she was so distressed that her heart was almost bleeding.

“It’s impossible to let her go.” Zhou Qin sneered, with a playful tone: “However, since His Royal Highness cares about her so much, I can keep you together and keep you close to each other more.

” Qin walked over, pinched Han Bing’s chin, and immediately took out a pill from her body and threw it into Han Bing’s mouth.

Gudong.

Han Bing didn’t react at all, and swallowed it subconsciously.

“What did you give me to eat?” Han Bing’s delicate body trembled and couldn’t help asking.

Zhou Qin is so vicious, it is definitely not a good thing to eat for himself.

“Zhou Qin!” Yue Wuya also shouted, blood-red eyes staring at Zhou Qin: “What kind of poison did you give Bing’er, take out the antidote quickly, if she has three strengths and two weaknesses, I will step on it. Flatten your Emei.”

“If she has three strengths and two weaknesses, I will step on your Emei.”

This roar echoed endlessly in the hall.

hiss.

Feeling Yue Wuya’s anger, the sect masters present all looked at each other, and their hearts were shocked.

This sentence, if someone else said it, is definitely a big joke. You must know that the Emei faction, under the leadership of Zhou Qin, has long since changed, and it is not comparable to any force.

But Yue Wuya is different. He is the prince of Tianqi Continent, and he has the strength to pacify the Emei faction.

Zhou Qin was also shocked, and then looked at Yue Wuya with a smile: “His Royal Highness, please calm down first, don’t worry, I will not kill Han Bing, you care about her so much, how dare I, as for her What you are taking, you will know in a while.”

When saying this, Zhou Qin had a smile on his face.

call!

Hearing this, Yue Wuya frowned.

Zhou Qin is so cunning, do you want to believe her this time?

Thinking to himself, Yue Wuya looked at Han Bing nervously, and saw that she looked calm and there was no sign of anything wrong.

At this time, Zhou Qin was too lazy to talk nonsense, and turned to Faye Wong and instructed: “Go, put His Royal Highness and Xiao Xiezhong together. His Royal Highness is so sympathetic and cherishing jade, it seems that he can’t wait.”

Seriously, Zhou Qin did not want to be with Yue Wu. The trouble was so stiff, but seeing him protecting Han Bing so much, Zhou Qin was jealous and couldn't control it any more.

Moreover, Zhou Qin is not afraid of Yue Wuya's revenge. As I said before, this is after all the family affairs of the Emei faction. Yue Wuya has to intervene, even if he is the prince, he can't justify it.

Under this premise, even if the Tianqi royal family knew about it, there was no reason to send troops to attack the Emei faction. After all, the teacher was unknown.

"Yes, Sect Master." Faye Wong responded, beckoned to call for a few Emei disciples, and took Yue Wuya and Han Bing down.

The two were taken away, and the atmosphere in the hall suddenly became less tense.

"Everyone."

Zhou Qin looked around and smiled slightly: "Okay, it's all right, everyone continue, I still have something to do, so I won't accompany you, everyone, don't be restrained, you must be drunk today. ." The

voice fell, and Zhou Qin slowly walked out of the hall.

"Thank you for your hospitality." The masters of various sects responded in unison and watched Zhou Qin leave.

Chapter 1865

Leaving the hall, Zhou Qin went directly to the dungeon.

As soon as he entered the dungeon, he saw Han Ao Ran sitting in the cell, closing his eyes and resting.

"Tsk tsk." The corners of

Zhou Qin's mouth twitched, mockingly said, "Very calm, Han proudly tells you good news, your daughter has come to save you."

Shuh.

Hearing this, Han Ao Ran opened his eyes instantly, locked Zhou Qin tightly, but did not speak.

“There is another piece of bad news.” Zhou Qin continued with a proud look and a very leisurely look, “She was caught by me, not only by me, but also locked up with Yue Wuya.”

At this moment, Han Ao Ran couldn’t hold it any longer, stood up suddenly, and shouted: “Zhou Qin, you ungrateful scoundrel, what are you doing?”

His tone was lingering, but there was something inexplicable in Han Ao Ran’s heart. of unease.

Yue Wuya, also Yue Feng’s child, was locked up with Bing’er. Zhou Qin did this deliberately, and it was definitely not a good thing.

Zhou Qin walked slowly to the iron fence: “As far as I know, this Yue Wuya is the child born by Yue Feng and that Qin Rongyin, and it is also a wicked breed. In this way, he and Han Bing are half-brothers. Brothers and sisters, right.”

After speaking, Zhou Qin’s smile gradually deepened: “Also, Yue Wuya and Han Bing seem to have a good impression of each other, so I locked them together with the beauty of adults, and also gave Han Bing. “Meixiang Powder” to help them achieve good things, Han Aoran, I’m helping your daughter as a matchmaker, you have to thank me.”

What?

Hearing this, Han Ao Ran’s delicate body trembled, her delicate face instantly turned extremely pale, and her eyes turned black, and she almost fainted from anger.

That’s right, what Zhou Qin gave Han Bing before was not poison, but Meixiang Powder.

Meixiang Powder is an extremely powerful love potion in the arena. It is said that no matter how strong the cultivator is, whether male or female, as long as they take Meixiang Powder, they will completely lose their minds, and there is only an endless desire for the opposite sex in their minds. It can be said that this is the most shameless love potion for people in the world.

And Zhou Qin in front of him, as the head of the Emei Sect and the leader of the martial arts alliance, actually used such despicable methods.

“Zhou Qin, you are still not human.” Han Ao Ran bit his lip and scolded Zhou Qin: “It doesn’t matter how you treat me, what Han Bing says, she is also your little junior sister, but you use such despicable means, If you destroy her innocence, you are not afraid of being struck by the sky and thunder?”

Although Han Ao Ran is usually very strict with Han Bing, he loves his daughter very much in his heart, and when he learns that her daughter is about to lose her virginity, her heart hurts.

More importantly, Yue Wuya is Bing'er's older brother, how could the two of them…

Han Ao Ran became more and more anxious as he thought about it, and almost fainted under his anger.

"Junior sister?" Zhou Qin sneered: "In my heart, she is a villain. Let me tell you Han Aoran, Yue Feng and your mother and daughter ruined my life. There is no face to face anyone, and Yue Feng must be completely ruined."

"Hee hee… Even if he is the sect master of Tianmen, a hero of the Earth Circle, if people know that they are secretly cooperating, what kind of public opinion will it cause? It's really exciting."

"Han Aoran, you should wait for the news slowly. I will send someone to inform you of the results from your good daughter." The

voice fell, and Zhou Qin walked out with a proud face. cell.

At this time, Zhou Qin's delicate face was full of madness, and he had completely lost his mind.

In her heart, both Yue Feng and Yue Wuya have a special status. And Han Aoran is a mother and daughter, the mother took Yue Feng, and the daughter confused Yue Wuya again.

This made Zhou Qin unacceptable.

Under the jealousy and resentment, Zhou Qin only thought of revenge before taking this step.

"Evil gangster, gangster…"

"Zhou Qin, you won't die well, you won't die well…"

The moment Zhou Qin walked out of the cell, cold and arrogant whispers kept coming from behind him.

At this moment.

Emei School Houshan Stone Cave.

This cave was the place where the previous heads of the Emei Sect practiced in seclusion. Ordinary disciples were not allowed to approach it at all.

But Yue Wuya and Han Bing were brought in.

Bang!

The moment Yue Wuya and Han Bing were pushed into the cave, the stone gate behind them was closed.

The light suddenly dimmed, depressing.

“Bing’er, are you all right?” Yue Wuya did not check the environment of the stone cave, but asked Han Bing.

She was beaten so many times by Zhou Qin just now, it must be very painful.

“Brother Wuya.” Han Bing replied, “I’m fine…”

“Yeah.”

Yue Wuya hurried over to see the situation of Bing. Because the light is too dim, you can only see clearly if you look closely.

hiss.

Seeing this, Yue Wuya couldn’t help but take a breath, and the whole person was dumbfounded.

I saw Han Bing’s delicate and pretty face, which was extremely red, and her body was hot. At this time, she curled up there, and her delicate body kept shaking slightly. It seems so painful!

This is… what’s the situation?

The poison that Zhou Qin had given her before had a seizure?

Thinking to himself, Yue Wuya was in a hurry, he quickly pulled Han Bing’s arm, and persuaded: “Bing’er, don’t be afraid, I’ll help you to expel the poison, don’t be afraid!”

At this time, Yue Wuya, still I don’t know, what Zhou Qin gave Han Bing was not poison, but love potion.

…..

On the other side, Xuanye Continent.

After Yue Feng and Chang’e left the casino, they were escorted by Li Heihu’s car and quickly left Wanhai City, heading towards the Northern Ying Continent.

Speaking of which, Yue Feng didn’t want to trouble Li Heihu. As long as Chang’e’s acupuncture point is unlocked, the two can fly away.

But Yue Feng thought about it and decided not to relieve Chang’e.

After all, Chang’e is too powerful, and Yue Feng can’t stop him if he suddenly gets angry.

After several hours of driving, Li Heihu drove Yue Feng and Chang’e, and finally arrived at Fengyun City, a border city on Xuanye Continent.

“Brother Feng.”

As soon as he entered the city, Li Heihu squeezed out a smile and flattered: “After walking for so long, why don’t you find a place where you and sister-in-law can rest?”

Shuh.

Before Yue Feng could respond, Chang’e’s face turned red all of a sudden. On the way, Li Heihu didn’t know how many times he called his sister-in-law.

The ultimate husband in Chinese chapter 1866-1870

Chapter 1866

Yue Feng shook his head and smiled at Li Heihu: “I’m leaving Xuanye Continent soon, you don’t have to send it away, go back.”

“Okay, Brother Feng.” Li Heihu nodded and hurried down to give Yue Feng opened the door for two, and then drove back the same way.

call!

Watching Li Heihu drive away, Chang’e breathed a sigh of relief.

I finally left, and I don’t need to hear him call my sister-in-law anymore.

“Niangniang!”

At this moment, Yue Feng looked at Chang’e with a smile: “Li Heihu is right, we’ve been in the car for a few hours, do you want to find a place to rest?”

“No!” Chang’e was cold. Response: “By the way, you just said, the iron shell we are riding in, called a car?” After saying that, Chang’e looked at the endless stream of vehicles on the street in front of her, her eyes were full of curiosity.

Women are curious about gossip, and so is Chang’e.

Chang’e has lived in the deep palace for a long time, and she was very interested when she saw the vehicles on the street at this time, but Li Heihu was always by her side. Out of restraint and identity, Chang’e was embarrassed to ask. Now that Li Heihu was gone, Chang’e couldn’t bear it any longer.

“That’s right, this is a car, it can run on fuel, it is the most representative product of modern society.” Yue Feng nodded with a smile, and said seriously: “This kind of car is not comparable to the carriages in your place. , If you speed up, you can fly faster than ordinary practitioners. Moreover, there are many types of cars, including trucks, cars, sports cars, supercars…”

Hu!

Hearing this, Chang’e nodded silently, and then said softly: “No wonder the Earth Circle Continent, and the cultivation strength of this Xuanye Continent, are not comparable to other continents. It turns out that the people here rely on these high-tech things. I’ve practiced.”

Uh…

Hearing this, Yue Feng laughed. Looking at Chang'e, he couldn't help laughing and said, "Since the Empress is interested in cars, why don't we buy one? With the status and temperament of Empress, it must be the most expensive supercar. "

This chapter is provided by . Visit for daily update.

Yue Feng has already thought about it, Chang'e's acupuncture point can never be solved.

But it was embarrassing to carry her to fly, so it would be better to buy a car and carry Chang'e back to the northern mainland.

The thought of being able to drive Chang'e for a ride made Yue Feng inexplicably excited.

Ha ha.

Everyone else is a car beauty, I am a car fairy.

"Okay!" Chang'e nodded, her beautiful face did not fluctuate in the slightest, but she had some expectations in her heart.

This kind of car is interesting, if you can ride in one, it's not bad.

After the agreement, the two turned around in the city. There happened to be a big shopping mall that was holding a famous car show, and Yue Feng and Chang'e walked in.

shit.

As soon as he entered and saw the scene inside, Yue Feng was immediately stunned.

I saw that in the large exhibition hall on the first floor of the mall, there were dozens of luxury supercars parked, and they were all brands that Yue Feng was familiar with, such as McLaren, Ferrari, Aston Martin, everything.

Nima, these are all famous cars from the Earth Circle, how come there are also in the Xuanye Continent?

Surprised, Yue Feng saw the publicity board of this famous auto show and immediately understood what it was.

I saw that it said 'This auto show is sponsored by Dafeng Auto Trade Group'.

As soon as he saw Dafeng Auto Trade, Yue Feng immediately thought of the Dafeng Real Estate that Zhao Lu managed for him. Zhao Lu was Liu Xuan's best friend. Ten

years ago, Yue Feng invested a sum of money to let Zhao Lu set up a real estate company.

Later, the barrier between Kyushu disappeared, and at Yue Feng's prompt, Zhao Lu put all the funds into the development of other continents.

Now it seems that the current Dafeng Auto Trade Group was also established by Zhao Lu.

Thinking about it, the corner of Yue Feng's mouth twitched, revealing a smile.

Chapter 1867 I

really didn't see the wrong person at the beginning. This Zhao Lu is not only beautiful, but also a good businessman. In just a few years, he has made such a big business.

Wow.

Next to Chang'e, seeing so many supercars, her eyes flashed with a strange brilliance.

So many cars, one looks better than the other.

Originally, Chang'e thought that there were so many types of cars in Yuefeng's mouth, and they all looked the same, but as soon as she saw the supercar, she immediately changed her opinion.

It's just that she holds her own identity, and although she is excited, she still looks indifferent on the surface.

However, Yue Feng watched for a while, but he was not interested.

Although there are many famous supercars here, there is no one limited edition, which is boring.

Um?

At this moment, Yue Feng's eyes fell on the platform outside the second floor of the square, and his eyes suddenly lit up.

I saw a helicopter parked quietly on the platform. The red and blue paint color exudes a brilliant light in the sun. The appearance is aggressive and gives people a desire to control and conquer.

shit.

At this moment, Yue Feng couldn't hide his shock, and nodded again and again in admiration.

This Zhao Lu's ability is good. He even introduced the helicopters from the Earth Circle Continent to the Xuanye Continent.

Although Yue Feng has been busy practicing all these years, he has also been paying attention to the business economy of Diyuan Continent, so it can be seen at a glance that what is parked on the platform is Diyuan Continent's latest private helicopter this year, with a price of at least 150,000. Ten thousand. Now that Zhao Lu's business has grown, he has introduced helicopters to the Xuanye Continent.

At this time, noticing Yue Feng's gaze, Chang'e also saw the helicopter on the platform, and couldn't help but ask gently, "What is that?" Famous cars are supercars, and they are more advanced. The car can only run on the ground, and this one can fly."

Can it fly?

Hearing this, Chang'e suddenly lost her interest, and her delicate body trembled faintly.

"Go, go up and have a look." Yue Feng stopped talking nonsense and walked up first.

Chang'e quickly followed.

"Hey, what are you doing?"

As soon as he arrived at the entrance of the platform, he was stopped by the security guard. He looked at Yue Feng up and down with contempt: "This is a high-end exhibition area, you can't enter at will.

" Dare to go up to see the helicopter? It is one of the wheels of the famous cars below. It is estimated that he cannot afford it.

Nima.

Yue Feng smiled bitterly, very depressed, this is clearly a dog's inferiority.

At this moment, Chang'e came over, frowning her eyebrows and said, "What? Don't let me go over to see it?" The voice was not loud, but it was gentle and sweet, like the sound of nature.

Gudong.

Before Yue Feng could respond, the security guard's gaze immediately locked on Chang'e, his eyes were straight, he secretly swallowed saliva, and the whole person went crazy.

God….is this a fairy? How can there be such a beautiful woman in this world?

It has to be said that Chang'e is truly magnificent. Although she has worked hard all the way, she still can't hide her fresh and refined temperament, especially the long dress on her body, which shows her graceful figure to the fullest. It is simply too beautiful. Square things.

After watching it for more than ten seconds, the security guard calmed down, squeezed out a smile and said politely to Chang'e: "This beautiful lady has misunderstood. This helicopter is also part of this exhibition, of course you can watch it."

Chapter 1868

As he spoke, the security guard stepped aside and made a gesture of invitation to Chang'e. The attitude was extremely respectful. Compared with the face of Yue Feng just now, it was completely in the sky and the other in the ground.

In the security guard's heart, the woman in front of her is so beautiful, she must have a prominent family background and an extraordinary background.

As for Yue Feng, dressed in ordinary clothes, it must be her bodyguard or something.

At this time, the security guard did not know that the beautiful woman in front of her was indeed of extraordinary origin.

Of course, although Chang'e has a long history, she doesn't have the money to buy a helicopter.

Yue Feng sighed, walked in quickly, and came to the helicopter with Chang'e.

This…

Looking at the helicopter up close, Chang'e's heart trembled faintly, which was incredible.

This thing is made of iron, so heavy, can it fly?

Thinking to herself, Chang'e couldn't help but ask Yue Feng, "How can this helicopter fly?"

Haha..

Seeing Chang'e's puzzled look, Yue Feng secretly laughed.

I really didn't expect that Empress Chang'e would also be curious at times, but the way she humbly asks for advice is really charming. While murmuring

in his heart, Yue Feng smiled and said, “Actually, the principle of helicopter and car is similar. You can fly if you add fuel.”

Yue Feng said with a relaxed expression: “I’ll try it.”

door, sitting directly in the cockpit driver’s seat.

As the former young master of the Yue family, Yue Feng has naturally been in a helicopter, and has also been in touch with driving, but he has not touched it for so many years, so it is inevitable that he is a little unfamiliar.

The moment he sat in the driver’s seat, Yue Feng felt a little nervous in his heart, but on the surface, he still appeared to be very relaxed and comfortable.

After all, Empress Chang’e was watching, so she couldn’t lose face.

call!

Seeing this scene, the security guard not far away changed his face and wanted to stop it, but he held back.

This beautiful young lady has an extraordinary family at first sight. She must be able to afford this helicopter, and that kid must be her sidekick driver, helping her test the helicopter.

Huhuhu …

At this moment, Yue Feng started the engine, and the helicopter made a roar, and then staggered into flight.

Wow.

Chang’e’s hands were intertwined, and her beautiful face was indescribably amazed.

It actually flew.

Boom!

However, at this time, Yue Feng was out of control, and the helicopter only flew ten meters high, and it fell heavily, making a loud noise and billowing smoke.

Chang’e was startled, and quickly stepped back a few steps without being hit.

Ugh.

Yue Feng was speechless, covered his nose and jumped out of the cabin, wanting to cry without tears. I haven't touched a helicopter for more than ten years. I wanted to show off the high-tech in front of Chang'e, but it turned out to be a shame.

The security guard not far away was just stupid.

A helicopter, just broken like this?

"What's the matter?" Chang'e reacted, looked at Yue Feng, and asked gently, "Didn't you say you can fly? Why did you fall down?"

Uh…

Yue Feng scratched his head, very embarrassed: "I haven't touched this thing for a long time, my hands are a little raw, and I forgot how to control it."

Hearing this, Chang'e nodded suddenly, and then asked: "Then if you break it, can you pay for it? Someone?" As the Fairy of the Moon Palace, Chang'e has not had much conception of money, let alone how expensive this helicopter is.

In her heart, if someone else's things are damaged, she just needs to pay for it.

"You don't have to worry about this." Yue Feng smiled and said confidently: "It's just a helicopter, we'll leave when we lose it."

He has countless assets in his name, not to mention a helicopter, even if he loses ten or a hundred. Affordable.

"Good boy!"

As soon as the voice fell, the security guard not far away walked over quickly and stared at Yue Feng: "After a long time, you are not the attendant driver of this lady. Are you bragging about the goddess?"

When he said this, the security guard was angry and regretful.

Chapter 1869

This boy is all about selling goods, how could a beauty recruit him as a sidekick driver?

Why did you lose sight of it?

This is a helicopter. If this kid can't afford it, he won't be able to keep his job. I'm afraid he will also be responsible.

Thinking to myself, the security guard was about to cry, and yelled at Yue Feng, “Don’t run away. If you don’t lose money today, you will sell yourself here to work and pay off the debt.”

“Who said I was going to run away?” Yue Feng Can’t laugh or cry.

Just a helicopter, as for?

“Hula…”

At this moment, the movement on the platform attracted many people to come and watch.

“What’s the matter?”

Soon, a few people came out of the crowd, and it was the staff of the shopping mall, headed by one, dressed in clothes and arrogant.

This person is about twenty-five, called Tan Chao, and it is the owner of this mall.

The Tan family behind Tan Chao is a first-class family in Fengyun City. The family industry involves various fields, and Tan Chao is the second young master of the Tan family.

It can be said that Tan Chao has a pivotal position in Fengyun City.

Swish.

When he walked to the front and saw the helicopter billowing thick smoke, Tan Chao’s face turned green, and his sharp eyes swept towards the security guard: “Made, don’t you want to look at the entrance carefully, can’t you just let people come over? What happened? Say…”

“Boss.” The security guard trembled, almost kneeling on the ground, crying and recounting what happened.

At the end of the story, the security guard pointed at Yue Feng and shouted, “Boss, it’s all this kid. He slipped in while I wasn’t paying attention and broke the helicopter…”

Damn.

Hearing this, Yue Feng could not laugh or cry, and was speechless in his heart.

This security guard, who saw Chang’e’s beauty just now, took the initiative to let us come over to see it. Now that something happened, he pushed the responsibility off… It’s

really interesting.

Swish!

At this moment, all the eyes of the audience converged on Yue Feng, each with a complex look.

This kid is very brave, he actually broke a helicopter?

Looking at his outfit, he must have no ability. Even if he sells himself here and works for a lifetime, he can't afford it.

While discussing, many people were also deeply attracted by Chang'e's beauty.

beautiful.

So beautiful.

Sexy, charming, alluring, all the beautiful words in this world can't describe her charm.

Gudong!

Tan Chao's eyes were also straight, and he secretly swallowed his saliva.

The next second, Tan Chao's eyes fell on Yue Feng: "Boy, did you break this helicopter?"

"Yes." Yue Feng nodded.

Um?

It seems that he didn't expect Yue Feng to admit it so simply. Tan Chao was stunned for a moment, and then sneered: "Very good, then tell me, how to deal with this matter."

Yue Feng thought for a while, and said slowly: "Well, you give me an hour, I will go out to find someone and send you the money. How much is the price, how much I will pay, I will not let you lose money.

" Go to the street, find a public phone and call Li Heihu and ask him to send money, an hour is enough.

wow.

When the words fell, the audience was in an uproar, and many people couldn't help laughing.

“Haha..Interesting, an ordinary boy actually said he wanted to pay for the helicopter?”

“Boy, do you know how much this helicopter cost? You can’t even pay for it if you sell it.

” , just this trick, who are you trying to fool?”

Everyone was making fun of Yue Feng when they were talking.

Tan Chao couldn’t help laughing. He couldn’t hide the mockery and teasing, and looked at Yue Feng: “Boy, do you think I’m a child? Let me give you an hour to find money, do you think I’ll agree? ?”

Chapter 1870

“Then what do you say?” Yue Feng ignored the ridicule around him and looked at Tan Chao and responded.

“Boy!”

Tan Chao showed a smile and said coldly, “I’m just as fair as a human being. There are two choices. Either you lose money immediately, or you go and keep this charming lady.”

Speaking of the last sentence , Tan Chao pointed at Chang’e with a smile in his eyes.

In Tan Chao’s eyes, Yue Feng is a poor boy, and he must not be able to afford it. It is already very lenient to let him keep the beautiful women around him.

“This won’t work.” Yue Feng refused without hesitation.

This kid thinks so beautifully, but he even caught Chang’e’s attention.

“Huh!”

Chang’e, who was beside her, also changed her pretty face. She was so embarrassed and angry that she couldn’t help but said to Yue Feng: “Yue Feng, didn’t you say you can compensate them? Hurry up.”

These ordinary people are really bold . , How can you compare yourself to a dignified Moon Palace Fairy with a helicopter?

There is also this Yue Feng, who obviously can’t fly a helicopter, so he has to show off.

“Don’t panic!” Yue Feng smiled, lowered his voice, and comforted Chang’e: “I will handle this matter.”

“You are the owner of this mall, right.” Yue Feng gently With a smile, he looked at Tan Chao and said slowly: “Just now I saw below the first floor, there was a propaganda, it was written that you have a cooperation with Dafeng Group, and these cars were also imported by Dafeng Group from Earth Circle, right.”

Saying, Yue Feng looked serious: “Since it’s a cooperation, you should know Zhao Lu, the president of Dafeng Group. In this way, you call Zhao Lu and say I’m Yue Feng, and you ask her to come over now.”

Since Tan Chao didn’t let him go, Li Heihu couldn’t get in touch, he just wanted to find a way to see Zhao Lu.

Speaking of which, since the last time we parted, I haven’t seen her for many years.

What?

Hearing this, Tan Chao’s expression froze, and he was stunned. He looked at Yue Feng with doubts.

Does this kid know President Zhao?

Yue Feng was right, Tan Chao knew Zhao Lu, and the famous cars and helicopters here were also imported from the Earth Circle through Zhao Lu’s company.

It’s just that Zhao Lu is a well-known strong woman in Xuanye Continent. Even if Tan Chao has a family background behind her and cooperates with Zhao Lu, she rarely sees Zhao Lu.

And the boy in front of him actually said he knew Zhao Lu?

Not only know each other, but also dare to let Zhao Lu come over in person?

Who do you think you are.

At this moment, everyone in the audience looked at Yue Feng with a half-smile, with mockery in their eyes.

“Boy!”

At this moment, Tan Chao reacted and sneered at Yue Feng: “I don’t have time to listen to your bragging. Since you don’t lose money and don’t keep beautiful women, don’t blame me!”

Said Then, Tan Chao was too lazy to talk nonsense, and ordered to the staff around him: “Call the security guards, control the two first, and wait for me to deal with it”

Ding Lingling.

As soon as he finished speaking, Tan Chao’s cell phone rang.

When he saw the number, Tan Chao suddenly laughed and said to Yue Feng: “Boy, what a coincidence, this call is from Mr. Zhao. I’ll ask later, see if she doesn’t know you.”

Said At these times, Tan Chao’s eyes were full of abuse.

In his heart, the boy in front of him was so poor, it was impossible for him to know Zhao Lu.

The voice fell, Tan Chao answered the phone, and then directly pressed the speakerphone.

Obviously, it was intentional to listen to Yue Feng to make him look ugly.

The ultimate husband in Chinese chapter 1871-1880

Chapter 1871

However.

At this moment, Tan Chao didn't notice it, Yue Feng didn't panic at all, but a smile appeared on the corner of his mouth.

Haha…

It was a coincidence that when Zhengchou couldn't find Zhao Lu, she called.

"Hey, Mr. Zhao, what's your order?" At this time, Tan Chao said to the phone in a very polite tone: "Well, the famous auto show here has already been held, but there is a problem in the middle."

Although Tan Chao She has a prominent family and is only in Fengyun City, and Zhao Lu is a strong woman who has been in the limelight in recent years in the Xuanye Continent. She is not at the same level at all.

"Problem?" On the other side of the phone, Zhao Lu frowned: "What's the problem?" Phew

!

Hearing Zhao Lu's name, everyone present was inexplicably excited.

Is this the president of the famous Dafeng Group? It is said to be a beautiful woman, but I did not expect her voice to be so good.

Under the excitement, everyone's faces showed a bit of longing.

It would be even better if we could meet this legendary woman.

"That's right, Mr. Zhao." Tan Chao took a deep breath and said slowly: "Just now there was a person who damaged the helicopter we exhibited at our exhibition. He is a poor man, and he doesn't have any money to pay for it. He keeps saying that he knows you. I think It 's ridiculous."

"What? Is the helicopter broken?" Zhao Lu on the other side of the phone changed her expression when she heard Tan Chao's words.

Speaking of this famous car show, Zhao Lu has been planning for a long time. You must know that the famous car culture on the Xuanye Continent is still in its infancy, so

Zhao Lu thought about introducing all the famous supercars from the Diyuan Continent to this place. Come on, you will definitely make a lot of money by then.

This chapter is provided by . Visit for daily update.

And that helicopter was brought by Zhao Lu, especially to attract customers, but it was only one, but I didn't expect it to be damaged after only one day of display.

Who doesn't get angry about this?

"Where is that person? Did he say what his name was?" Zhao Lu asked coldly in anger.

"Mr. Zhao, that kid is right next to him…" Tan Chao said quickly, and he was just halfway through, but at this moment, Yue Feng strode over and grabbed the phone!

"Oh, you…" Tan Chao was furious, this kid is so bold.

Yue Feng ignored him, showed a smile, and said to the phone, "Zhao Lu."

"Who is it?" He suddenly changed his voice, causing Zhao Lu to be stunned for a moment, and then he questioned in disgust.

"Who do you think I am?"

"…Dad…Dad?" On the

other side of the phone, Zhao Lu's body trembled, and then she stuttered, surprised and happy: "Is it you? Is it really you? ?"

Back then, Yue Feng and Zhao Lu made a bet, but Zhao Lu lost, and she would call Dad when she saw Yue Feng. Zhao Lu still remembered the scene at that time. As soon as she heard Yue Feng's voice, she subconsciously called out. come out.

The Dafeng Group is invested by Yue Feng. It can be said that without Yue Feng, Zhao Lu would not be where he is today. It's just that over the years, Yue Feng has been busy with the affairs of the rivers and lakes, and I rarely see her. Now I suddenly hear Yue Feng's voice , why is she not excited.

What?

This time, everyone around was stunned!

Did I hear it wrong, Mr. Zhao…calling…calling his father?

Tan Chao froze completely, staring at Yue Feng blankly, unable to say a word!

To make Mr. Zhao willingly call his father, who is this kid?

At this moment, Yue Feng smiled slightly and said to the phone: “Zhao Lu, you have developed the company well for so many years, I am very satisfied, the helicopter you showed on the field was accidentally damaged by me. The problem is.”

“No problem, no problem…” On the other side of the phone, Zhao Lu was so excited that she was about to cry, and quickly said, “Dad..Dad..this..what the hell is going on?”

Chapter 1872

Yue Feng smiled and said slowly to Zhao Lu over the phone: “It’s nothing to do, I just broke the helicopter, but your partner Tan Chao, don’t let me go, Said to keep me and my friends under control.”

What?

On the other side of the phone, when Zhao Lu heard this, her legs went weak and her whole body trembled with anger.

This Tan Chao, who dares to disrespect Yue Feng, is simply courting death.

Thinking about it, Zhao Lu quickly said, “I’ll handle this matter, I’ll come right over.”

Yue Feng said nothing and threw the phone to Tan Chao.

Tan Chao took the phone and took a deep look at Yue Feng, feeling a little uneasy in his heart.

After a while, footsteps came from the hall on the first floor, and I saw a woman, surrounded by men in black, walked up quickly.

This woman, dressed in light brown business attire, set off her exquisite figure, indescribably charming and elegant, and her delicate face, with light makeup, was extremely charming, but her expression was very serious.

It was Zhao Lu.

Whoa!

In an instant, the audience was amazed, and all the men’s eyes were fixed on Zhao Lu, not even blinking.

Is this the female president of Dafeng Group? A famous strong woman in the business world?

It’s really beautiful. And this temperament is not inferior to those of the female stars.

Seeing Zhao Lu, Tan Chao trotted all the way to meet him, and said cautiously, “Mr. Zhao…”

However.

Zhao Lu didn’t even look at Tan Chao, stepped on her high heels and walked straight towards Yue Feng.

When they got to the front, Zhao Lu suppressed her excitement and bowed deeply to Yue Feng: “Dad.”

While speaking, Zhao Lu couldn’t help but look at Chang’e beside Yue Feng.

What a beautiful woman.

At this moment, Zhao Lu was secretly amazed. She was also very confident in her appearance, but compared to Chang’e, she was still slightly inferior.

At the same time, Zhao Lu admired Yue Feng even more.

As expected of the man he respects, the women around him are better than the other.

At this time, Zhao Lu didn’t realize that the beautiful woman beside Yue Feng was the famous Empress Chang’e.

Yue Feng smiled slightly, and greeted Zhao Lu with a nod: “You can deal with this matter.”

Hmm!

Zhao Lu responded, then turned her head to look at Tan Chao: “What the hell is going on?”

“Mr. Zhao!” Tan Chao rubbed his hands together and carefully repeated the story of Yue Feng destroying the helicopter.

Swish.

Knowing the details, Zhao Lu’s face flushed with anger.

“Tan Chao, I think you don’t want to cooperate with our Dafeng Group. Do you know who the person in front of you is? How dare you stop him from leaving and control him?” Zhao Lujiao shouted.

Feeling Zhao Lu's anger, Tan Chao couldn't help shivering.

Although I have little contact with Zhao Lu, every time I meet, Zhao Lu gives the impression of being an approachable strong woman. I have never seen her blushing with anyone, but now, she has posted a message because of this man. Such a big fire..

"Mr. Zhao, I didn't do anything to him." Tan Chao wanted to cry without tears, and said, "It's because I have a bad attitude, so it's not necessary."

"Isn't it necessary?"

Zhao Lu's pretty face was frosty: "Do you know who he is? The hero of our Earth Circle, the Sect Master of Tianmen, Yue Feng! Let me tell you, Dafeng Group was founded by him, do you understand now? "

What?

Tan Chao's body was shocked, but his mind was buzzing.

Chapter 1873

He… Is he Yue Feng?

Over the years, Yue Feng's reputation has become more and more famous, and everyone in the Kyushu continent knows it.

At the same time, everyone present also exploded the pot, looking at Yue Feng blankly, shocked.

It turns out that he is Yue Feng, no wonder he has such a big tone. Even a strong woman like Zhao Lu would call him father.

A few seconds later, Tan Chao's tone was trembling, his face was crying, and he said to Zhao Lu: "Mr. Zhao, I was wrong…"

"You don't need to say anything, our cooperation is canceled, and there is no need to hold the famous auto show." Zhao Lu was so angry that she didn't bother to talk nonsense: "For the details of the termination of the cooperation, my assistant will find you." It's

over.

At this moment, Tan Chao's body was shocked, and he almost collapsed on the ground, wanting to cry without tears.

the other side!

Xi Cang Continent, in a small courtyard behind the palace. The room was full of spring.

After some cloud and rain, Duan Yu put on the dragon robe, and his handsome face was full of comfortable smiles!

Beside her, Yue Chen's wife Chen Yun, with tears all over her beautiful face, looked at Duan Yu, wishing she could kill him.

Himself…self defiled by him again.

Ten years ago, Chen Yun fell into Duan Yu's hands and suffered humiliation along the way. Although so many years have passed, in Chen Yun's heart, it has always been a lingering nightmare, but she never imagined that today, ten years later , he fell into the clutches of Duan Yu again.

What made Chen Yun even more unacceptable was that she took the initiative to deliver it to her door!

At this moment, Duan Yu walked over with a smile, looked at Chen Yun's figure fascinatedly, and teased: "Mrs. Yue, you and I meet again after a long time, you should be happy, why do you look like you are going to kill me?

" Not to mention, Yue Feng's sister-in-law is really delicious, and it feels the same as before, which is so memorable.

"Go away, get out of here!" Chen Yun's body trembled, clenching her teeth, and couldn't help crying. At this time, Chen Yun can't wait to slash Duan Yu with a thousand knives!

I was sullied by this Duan Yu over and over again, how will I meet anyone in the future?

Seeing the resentment on her face, Duan Yu was not angry at all, and said with a smile, "Mrs. Yue…why can't you think so much? Honestly, what's so good about that Yue Chen, a bereaved dog, you still have to follow me with all my heart. He."

After speaking, Duan Yu continued with a smile: "The so-called husband and wife have a hundred days of kindness in one day, and we have more than one day of kindness, I think so, you will stay in the palace in the future and serve me well, I will Guarantee your life's glory and wealth, haha…"

"You…"

Hearing this, Chen Yun was embarrassed and glared at Duan Yu, but she couldn't say a word.

At this time, Chen Yun really wanted to kill Duan Yu, but she felt Duan Yu's powerful aura, and she was still the emperor. Chen Yun knew that she could not kill him in this life.

Don't talk about yourself, even Yue Chen is here, not Duan Yu's opponent.

At this time, Duan Yu stopped talking nonsense and sorted out the dragon robe: "Beauty, what I said, you should consider it carefully, I will come to see you at night, wait for me obediently."

Haha… The

voice fell, and Duan Yu laughed out loud . , walked out refreshed.

At this moment, Chen Yun's beautiful face was filled with shame and anger, and she couldn't tell the despair in her heart.

Being targeted by this demon, I am afraid that I will never be able to leave this palace.

Why is your life so hard?

Squeak.

At this moment, the door of the room was suddenly opened, and a graceful figure walked in slowly, and the beautiful face showed a bit of complexity.

It was Jiang Shan.

Jiang Shan was sleeping just now. After being woken up by Duan Yu and Chen Yun's voices, Jiang Shan couldn't sleep. Hearing Duan Yu leaving, she came over to have a look. "Who let you in." Chen Yun shuddered, thinking that it was Duan Yu who came back. Seeing Jiang Shan, she was immediately ashamed and angry, and said

coldly, "Go out."

He pursed his lips, but felt so ashamed in his heart that he could not wait to find a seam to crawl in.

He was defiled by Duan Yu, and she must have heard it. Thinking of this, Chen Yun's face blushed, and there was a burst of humiliation in her heart.

Chapter 1874

"Chen Yun." Looking at the messy room, Jiang Shan was also a little shy, then she bit her lip and said softly, "Don't get me wrong, I didn't come to see your jokes." After speaking

, Jiang Shan walked slowly Come over and continue: “They are both women, I can understand your mood, if I guessed correctly, you really want to kill Duan Yu now, right?”

Hu!

Hearing this, Chen Yun said coldly, “What are you trying to say?”

Jiang Shan smiled and said seriously, “If you want to kill Duan Yu, I can help you.”

Jiang Shan was trapped here, only Relying on one person’s strength, he couldn’t escape at all, so he could only come to Chen Yun.

What?

Chen Yun was stunned for a moment, then laughed and mocked: “You help me? You can’t protect yourself, how can you help me? Also, why should I trust you?”

This Jiang Shan is Yue Feng’s righteousness Mother, I have framed Yue Feng several times, how could she help me?

No one will believe this.

“Because I, like you, also want to kill this villain.” Jiang Shan sighed lightly, with a bit of resentment on her beautiful face: “My husband died at Duan Yu’s hands, it would be difficult not to kill him. Let go of the hatred in my heart.”

Thinking of the scene of Ouyang Zhennan’s tragic death, Jiang Shan couldn’t hide her anger, and her delicate body trembled.

call!

Hearing this, Chen Yun frowned slightly, doubting her belief: “Even if you didn’t lie to me, how can we be Duan Yu’s opponent with only two weak women?”

Jiang Shan smiled lightly and did not answer immediately, but raised her jade hand. A hairpin was removed from the head.

The next second, Jiang Shan handed the hairpin to Chen Yun and said slowly, “This is called ‘Blood Feather’. It looks like a hairpin, but in fact, it is a very powerful hidden weapon, from Tangjiabao.”

good.

This hairpin really came from Tangjiabao. When Jiang Shan married Ouyang Zhennan, the whole world came to congratulate him. The owner of Tangjiabao at that time brought this one as a gift. hairpin.

Tangjiabao?

Chen Yun was completely stunned, staring at the hairpin blankly, speechless in shock.

Although Tangjiabao's strength is not as good as those of Shaolin and Wudang, it is known for its hidden weapons, and Chen Yun has naturally heard of it.

"Okay!"

After a few seconds, Chen Yun no longer hesitated, nodded heavily, looked at Jiang Shan and said, "How to act, you can tell me." With Tangjiabao's hidden weapon, Duan Yu would surely die.

Seeing her promise, Jiang Shan was very excited and said slowly: "If Duan Yu comes again in the evening, you can find a way to disarm him, and press the button on the hairpin when you have a chance…" As

she said, Jiang Shan came over and gave her a demonstration.

Chen Yun is a smart woman, and she quickly learned how to use it. Then she thought of something and worried: "But Duan Yu is the emperor. If he dies, wouldn't we all have to be killed?"

You know, killing a king is a big crime Ah, this is still the palace, and it is heavily guarded.

"You don't have to worry about this." Jiang Shan smiled lightly and comforted: "Xicang Continent is different from other continents, martial arts prevail, whoever is stronger is the king. A few days ago, Duan Yu was in front of civil and military officials. , killing the predecessor Xi Canghuang, no one dares to stand up and criticize."

"So, it is the same for us to kill Duan Yu. Once Duan Yu dies, someone in the court will definitely snatch the emperor's position, and no one will care how Duan Yu died! "

"Moreover, if Duan Yu dies, the new emperor will be grateful to both of us. Without our assassination, the new emperor would not have ascended the throne. What do you think?" After

speaking, Chen Yun nodded again and again, completely dispelling her worries. .

Soon, after Jiang Shan and Chen Yun agreed, they returned to their room.

One day passed quickly.

When it was getting dark, Chen Yun went to the back kitchen and cooked a table of wine and vegetables.

Chapter 1875

“Haha…”

As soon as the wine and dishes were prepared, he heard a loud laugh from outside. Then, Duan Yu walked in with his head held high, smiling all over his face: “My beauty, I’m here.”

Um?

Just came in and saw the table full of wine and food, Duan Yu’s smile froze, and he was stunned.

What’s the situation? Why so many drinks and dishes.

“Your Majesty!”

Chen Yun squeezed out a smile, walked over slowly, and helped Duan Yu open the chair very attentively: “Your Majesty, this is specially prepared for you by the concubine, Your Majesty has worked hard for a day for state affairs, it is very hard , so the concubine specially made a few side dishes, and wanted to have a few drinks with Your Majesty.”

After speaking, Chen Yun made a very shy look: “During the day, the concubine carefully thought about His Majesty’s words and felt that It makes sense, so the concubine intends to stay in the palace and serve your majesty well.”

Haha…

Hearing this, Duan Yu was overjoyed, grabbed Chen Yun’s hand, pulled it into his arms, and said with a smile: “Okay, Alright, I know that beauty is so smart, she will definitely not reject me.” As

he spoke, Duan Yu did not forget to touch Chen Yun’s slender waist.

“My concubine, I will pour wine for His Majesty.” Chen Yun felt disgusted, but did not move.

At this time, Chen Yun’s face was tender and sweet, but she was nervous in her heart.

In addition to being bitter and mean, she is also a bit arrogant and arrogant. When did she go so lowly to please a man? And, is he still the enemy he hates to the core?

But there is no way, for the sake of his innocence and dignity, tonight's plan must be successful, and there must be no mistakes.

"Haha.." The

wine was poured quickly, Duan Yu was extremely relaxed and comfortable, and pulled Chen Yun to clink the glasses: "Beauty is so caring, I will accompany you to have a few drinks tonight."

Beauty is so proactive and considerate , I'm really happy.

At this time, Duan Yu didn't realize that Chen Yun's gentleness and charmingness were all faked in order to numb him with alcohol.

call!

At this moment, when Jiang Shan in the next room heard the movement, she bit her lip, unable to express her nervousness, and kept praying secretly in her heart.

Chen Yun must succeed. If she fails, the consequences will be disastrous.

Three rounds of wine, five flavors of food.

Although Duan Yu's cultivation strength was very high, he couldn't resist Chen Yun's insistence on drinking. At this time, his face was flushed and he was slightly drunk.

And Chen Yun has been drinking with her, and her delicate face is also full of red, incomparably charming.

"Haha… The beauty is really good for drinking." Duan Yu said with a smile, his eyes fixed on Chen Yun's delicate body, and he became more and more obsessed.

Duan Yu was in a very happy mood at this time, and then thought of Jiang Shan.

Haha..

I almost forgot, there is a beauty next door.

Wouldn't it be better for two beauties to accompany and drink together?

"Beautiful wait, I'll go and call Mrs. Ouyang next door, and let's be happy together." Duan Yu said, standing up with the wine, ready to go out.

Here comes the opportunity.

Seeing Duan Yu’s back, Chen Yun’s body trembled with excitement, and without thinking too much, she immediately pulled off the hairpin on her head, aimed at Duan Yu’s back, and pulled the mechanism.

Chapter 1876

“Whoosh!”

Chen Yun pressed the switch, and a burst of air rang out. From the hairpin, a silver needle shot out, and a cold light was reflected under the candlelight, and lightning flashed straight to the back of Duan Yu’s heart. And go.

On the silver needle, a faint blue light flickered faintly, obviously quenched with poison.

When the incident happened suddenly, Duan Yu didn’t have time to react, let alone dodge.

Ding!

I saw the silver needle hit the back of Duan Yu’s heart, but it didn’t pierce it, but made a crisp sound and was bounced away.

What?

Seeing this scene, Chen Yun’s body trembled, and her face suddenly turned pale.

How could this be? His sneak attack was perfect, why did the silver needle not stab Duan Yu in the middle, but instead was bounced off?

Swish.

At this moment, Duan Yu turned his head slowly, his eyes were extremely cold, and he directly locked on Chen Yun.

The next second, when he saw the silver needle falling to the ground, Duan Yu understood something and sneered: “Well, you bitch, it turns out that the gentleness just now was fake, do you want to assassinate me?”

“I…” Chen Yun’s face was pale, and under the tension, she couldn’t say a word.

At this moment, a trace of contempt appeared on Duan Yu’s face, and he slowly said: “Are you curious, why your sneak attack is perfect, but Zhen is safe and sound?” The

voice fell, and Duan Yu tore off his dragon robe, revealing the inside One of the soft armor came out, and I saw that this soft armor was purple-gold, extremely tough, and noble and luxurious.

This chapter is provided by . Visit for daily update.

This is called Zijin Soft Armor. It is a treasure of the palace of Xi Cang Continent. It has been kept in the bedroom by Emperor Xicang before. After Duan Yu became the emperor, he felt that this soft armor was good, so he wore it on his body.

Originally, Duan Yu just thought it was a novelty. He didn’t expect this soft armor to play any role, but he didn’t expect that it really saved his life.

At this

moment, seeing the purple-gold soft armor on Duan Yu’s body, Chen Yun’s body trembled, and she was dumbfounded.

No wonder he was fine, he was wearing a treasure armor.

Why, why is this scum so lucky?

At this moment, Duan Yu sneered and walked towards Chen Yun step by step!

“You, what are you doing…”

Chen Yun’s body trembled, her eyes were full of evil, and she would never forget it for the rest of her life!

“Clap!”

Duan Yu slapped him fiercely, and he used all his strength for this slap! Hearing a muffled groan, Chen Yun’s body was abruptly swept away! Finally hit the wall and landed on the ground!

“Pfft!” A

mouthful of blood spit out from Chen Yun's mouth, then glared at Duan Yu: "Scum, you are lucky today, next time I must kill you."

Anyway, the plan failed, so there is no need to pretend .

"Next time? Do you think you have another time?" Duan Yu sneered, the corners of his mouth raised a hint of ruthlessness, and quickly stepped forward, slap after slap!

"Crack! Slap! Slap!"

The crisp sound made people jump!

After a dozen slaps, Duan Yu stopped.

Immediately, Duan Yu leaned over and sneered in Chen Yun's ear: "Bitch, you sound weak, but you are not small, dare to stab me, you like to play exciting, don't I, I will find some palace guards later, Have fun with you. Let you experience the joy of being a woman."

With that said, Duan Yu shouted outside: "Someone!"

Hula.

The words fell, and several palace guards rushed in quickly and respectfully said in unison: "This subordinate is here."

Duan Yu glanced at Chen Yun, and said coldly: "Put her into the secret room of my practice. Make no mistake!

" Yes!" After responding in unison, several palace guards took Chen Yun out.

"No….I don't want…" Chen Yun was terrified, she only felt her legs were weak, and the moment she was dragged out, she kept shouting: "Duan Yu, you bastard, you will not be well. Dead…"

Thinking that she was going to be defiled by the palace guards, Chen Yun's eyes turned black, and she wanted to commit suicide immediately.

In fact, Duan Yu was just trying to scare her. How could he be willing to share such a charming woman with others?

Dengdeng …

As soon as Chen Yun was taken away, a figure appeared at the door, her beautiful face was full of nervousness.

It was Jiang Shan.

Hearing that the movement was wrong, Jiang Shan hurried over to take a look. At this time, she saw Duan Yu standing in the room with a gloomy face, and there was no sign of being plotted. Jiang Shan's face changed, and her legs became weak.

Chapter 1877 is

broken, the plan has failed.

Swish. At this moment, seeing Jiang Shan, Duan Yu's eyes suddenly flashed a bit of ruthlessness, and said coldly: "Bitch, tonight's matter was

planned by the two of you together, you are not too timid."

Yu was ruthless and shrewd, and the city was very deep, so he guessed at once that Jiang Shan was definitely involved in tonight's assassination.

After all, Chen Yun alone has no such courage.

"I…" When Jiang Shan was nervous, her red lips parted slightly and she was speechless.

Snapped!

Duan Yu was too lazy to talk nonsense, walked over, and slapped Jiang Shan in the face without warning.

With this slap, Duan Yu used all her strength, only to hear Jiang Shan's tender cry, her tender body trembled, she fell to the ground, covered her face, and stared at Duan Yu resentfully.

"Bitch, I've ignored you these days, you're too bold, you dare to plan to assassinate me." Duan Yu was filled with anger, humiliating at Jiang Shan: "You want to use Chen Yun's hand to kill me, you I want to escape, I tell you, if you fall into the palm of my hand, it will be hard for you to fly, and you will never be able to run away in your life. I will remember what happened tonight, and I will take care of you after I officially ascend to the throne.

" , Duan Yu shouted: "Come here, put this bitch in the prison." The

voice fell, and several palace guards came quickly, tied Jiang Shan Wuhua, and escorted him into the prison.

At this moment, Jiang Shan's delicate body trembled, and her eyes were full of despair.

Done.

After finally getting through to Chen Yun, they planned to assassinate Duan Yu together, but they failed.

There is absolutely no escape now.

call!

Seeing Jiang Shan being taken away, Duan Yu's face was ashen, and he breathed a deep sigh of relief.

After a few seconds, Duan Yu's mood gradually stabilized. He called an eunuch and ordered, "Summon Yue Chen to enter the palace."

"Yes, Your Majesty." The eunuch responded quickly and walked out.

After a while, the eunuch came back, followed by a confused Yue Chen.

"Your Majesty!" Entering the room, Yue

Chen hurriedly knelt down, and said with a flat face, "Chen Yuechen, I have seen Your Majesty, and His Majesty summoned you late at night, what are your orders?"

muttered.

It's so late, nothing will happen.

"Yue Aiqing."

Duan Yu sighed deeply, pretending to be distressed: "I'm sorry, your wife, Chen Yun, she… she… just had an accident."

What?

Hearing this, Yue Chen's heart was shocked, like a thunderbolt from the blue sky, his whole brain was buzzing, and Duan Yu was speechless.

Something happened to the wife? Did you hear it wrong?

"Yue Aiqing." Duan Yu put his hand on his forehead, blamed himself very much, and started talking nonsense: "Just now, while Chen Yun was not paying attention, Jiang Shan pushed her into the well." With

that, Duan Yu looked at the courtyard In a well in the middle, he said with a long sigh of relief: "When I receive the news, your wife Chen Yun, she is already…"

Puff!

Hearing this news, Yue Chen couldn't hold it any longer, and suddenly fell to the ground.

A few seconds later, Yue Chen came to his senses and rushed out, crawling and crawling, lying on the head of the well, crying loudly, "Wife…you won't die…it's not true, it's not…" Tears flowed uncontrollably.

At this time, Yue Chen collapsed directly.

Although Yue Chen has bad conduct and lust, but in his heart, he has always loved Chen Yun, and it has not changed for so many years. In his heart, Chen Yun is not only beautiful, but also smart and can help himself a lot. It can be said that she is a perfect internal helper.

You know, Yue Chen made so many mistakes before, and Chen Yun finally forgave him and helped him clean up the mess.

Two days ago, on the way to Xicang Continent, Yue Chen had already thought about it, it was the honor of his life to have such a good wife, and when he made a comeback, he must love her and take care of her.

Unexpectedly, something happened to Chen Yun in less than two days.

"Wife, you can't die, you can't die…" With heartache, Yue Chen was about to jump into the well.

My wife won't die, I won't…

But at this moment, Duan Yu rushed over and grabbed Yue Chen's arm: "Yue Aiqing, don't be impulsive, this well is connected to the underground river, if Madam is all right. , came up a long time ago."

Said, Duan Yu made a very sympathetic look, and patted Yue Chen's shoulder: "Yue Aiqing, people can't be resurrected from the dead, please mourn and change."

Duan Yu at this time, on the surface It was very sad, but I sneered in my heart.

Before summoning Yue Chen, Duan Yu had thought about it, locked Chen Yun in the secret room of his cultivation, and then made up a lie that Chen Yun was dead. As long as he deceived Yue Chen, he could always enjoy the tenderness of beauty.

Chapter 1878

Duan Yu showed a smile. The reason why he lied to Yue Chen that Chen Yun was dead was not because he was afraid of Yue Chen, but because he had just become an emperor, he was the place to employ people, so there was no need to argue with Yue Chen.

“Wife!” Yue Chen’s body was trembling, and he wailed, his eyes darkened, and he almost fainted.

“Jiang Shan, Jiang Shan, this bitch.” The next second, Yue Chen suddenly remembered something, clenched his fists tightly, gritted his teeth and said, “She killed my wife, I must kill her, kill her with my own hands. “

When he said this, Yue Chen’s eyes were extremely blood red, and his whole body was filled with killing intent.

At this time, Yue Chen didn’t know that he was completely tricked by Duan Yu, and Chen Yun didn’t die at all, but was locked in the secret room of the palace.

Ugh!

Duan Yu sighed softly and persuaded: “Yue Aiqing, I understand your feelings at this time, but this Jiang Shan can’t die yet, you know, I keep her mainly to bring Yue Feng out.”

Duan said, Yu’s eyes flickered, and he continued: “The reason why Jiang Shan harmed Mrs. Ling is because of Yue Feng, because you and your wife have always dealt with Yue Feng, and Jiang Shan is Yue Feng’s adoptive mother, so she naturally hates your husband and wife. This cruel hand killed your wife Chen Yun. So, in the end, the culprit is Yue Feng, don’t worry, when I catch Yue Feng, I will let Aiqing take revenge for your wife.”

Hearing this With that, Yue Chen gritted his teeth, and the anger in his heart was rising.

Your Majesty is right, all this is because of Yue Feng.

Thinking to himself, Yue Chen suppressed his anger and said with tears in his eyes, “What Your Majesty said is that this minister obeys His Majesty’s arrangements.”

Hmm!

Duan Yu nodded with satisfaction, and then said hypocritically: “Yue Aiqing, it was I who did not protect Mrs. well enough to cause an accident. Don’t worry, I will definitely not treat you badly.”

“Thank you for your grace, Your Majesty.” Yue Chen wiped away the tears from the corners of his eyes and said gratefully.

Duan Yu stopped talking nonsense and waved Yue Chen to leave.

Haha…

At this moment, Duan Yu's mouth twitched as he watched Yue Chen's back, his eyes were full of smiles.

They are also from the Yue family. This Yue Chen is far worse than Yue Feng. Such a casual lie has deceived him.

But Yue Chen, don't blame me, who made your wife so charming.

…..

On the other side, the Earth Circle Continent, Mount Emei.

In the back mountain cave.

At this time, Han Bing's medicinal power completely exploded, hugging Yue Wuya tightly and not letting go.

"Bing'er, calm down, calm down." Yue Wuya was sweating profusely and kept talking, but Bing Bing completely lost his mind and couldn't hear him at all.

At the same time, Yue Wuya wanted to break free from the ice, but what made him depressed was that his internal strength had not recovered, and he could not break free at all.

call!

Seeing that the ice was getting more and more violent, Yue Wuya also slowly reacted. Such a charming and charming daughter, who took the initiative to give her a hug, who could stand it.

Moreover, he and Bing'er already have a good feeling for each other and are in love with each other.

Even if there is a relationship, it will come naturally.

no.

Just when Yue Wuya couldn't bear it anymore, reason and principles still made him wake up instantly.

Binger was drugged, not voluntarily. If she had a relationship with her, what was the difference between him and a beast?

No, you can’t do it yourself.

Chapter 1879

Thinking to himself, Yue Wuya gritted his teeth secretly, and laboriously took out a dagger from his body.

Swish.

In the next second, Yue Wuya didn’t hesitate at all, holding the dagger tightly, he slashed a bloody opening on his leg, and the blood dripped in an instant.

hiss!

When the pain came, Yue Wuya couldn’t help taking a breath, and his mind was much more awake than before.

Yes, Yue Wuya really had no choice. He was afraid that he would not be able to hold back Han Bing’s enthusiasm, so he finally compromised, so he came up with this method to wake him up.

“Brother Wuya!” At this moment, Han Bing hugged Yue Wuya tightly, her eyes blurred.

The hot air in Han Bing’s mouth kept blowing, Yue Wuya only felt that his ears were itchy, and his heart was like a cat’s claws, unspeakably uncomfortable.

“Bing’er, hold on, it will be over soon.” Yue Wuya gritted his teeth, his eyes were extremely firm: “I’m here to accompany you. Be good…” The

voice fell, Yue Wuya once again Slashed on the body.

Whoops…

the blood is pouring out again!

For the next few hours, Yue Wuya let Han Bing hold him, always sticking to the principle, not moving, and did not act beyond courtesy.

However, under the enthusiasm of Frost Bing, Yue Wuya would cut himself every time he was about to lose his strength.

I don’t know how long it took, the medicinal power on Han Bing finally receded, and the whole person was extremely tired, lying on the side, and fell asleep quietly.

At this time, Yue Wuya, who did not know how many knives had been cut on his body, was full of scars, and his clothes were completely soaked in blood, like a bloody man.

Having shed so much blood, Yue Wuya's face was pale and extremely weak.

call!

At this time, looking at the sleeping ice, Yue Wuya breathed a sigh of relief, and a big stone in his heart finally fell to the ground.

It's finally over, and you can take a good rest.

Shasha…

At this moment, there was a sudden sound of footsteps outside the stone cave. There seemed to be a lot of people. Yue Wuya's eyes flashed, and he suddenly became alert.

At this moment, outside the cave.

Thousands of masters from all corners of the world, experts from various sects, gathered together. The leader was graceful in figure, dressed in a long white dress, and looked like a fairy, it was Zhou Qin.

At the Moon Appreciation Conference last night, the masters of all sects were very happy. After the banquet, Zhou Qin did not let them leave, but arranged for them to rest in the Emei sect.

Zhou Qin's purpose is very simple. Frost has been caught in a love potion and is locked up with Yue Wuya. This night, the two of them must not be able to bear it. This is a scandal that corrupts human relations. It is interesting to witness with fellow martial arts practitioners.

So, early this morning, Zhou Qin brought experts from various schools.

In addition to the masters of various sects, there is another person, Han Ao Ran.

At this time, Han Ao Ran was closely guarded by several disciples of the Emei School, wearing a long purple dress, which could not conceal the temperament of the frost goddess.

One night has passed, Bing'er and Yue Wuya, it won't be true….

Thinking to myself, Han proudly clenched his jade hand tightly, and his palms were sweating.

Zhou Qin brought so many people to come to watch, the purpose is obvious, that is, to make himself and Yue Feng completely ruined.

He was not the head of the Emei sect for a long time, and it didn't matter about his reputation. He was just pitiful for Bing'er. He was still so young. If his innocence was damaged, how would he live in the future? How can I see people again in the future?

Chapter 1880 The

more Han Ao Ran thought about it, the more anxious he became. As the cave got closer, he couldn't help but pray.

God bless, Binger and Yue Wuya must not have an accident.

The cold and proud expression was caught in Zhou Qin's eyes.

"Han Ao Ran." Zhou Qin walked over, unable to hide the mockery and sneer on his face, and said softly, "You don't need to pray in your heart, you know the effect of the potion I gave Han Bing, and no one can stand it. "

Just wait and watch the show, I will definitely make your daughter famous in the Kyushu mainland, haha…" At the

end, Zhou Qin's eyes were full of resentment.

You stole my Yue Feng and gave birth to an evil seed with him. This is your due end.

"You…"

Han Ao Ran's face flushed, his whole body trembled with anger, he wanted to retort, but he didn't know how to say it.

This Zhou Qin is so sinister and treacherous, her heart is more poisonous than snakes and scorpions, all the vicious words in the world are not enough to describe her viciousness.

Zhou Qin was too lazy to talk nonsense, ignored Han Ao Ran, and walked straight towards Shimen.

Arriving in front of the stone cave, Zhou Qin didn't rush to open the door, a smile appeared on the corner of his mouth, and he whispered through the stone door: "His Royal Highness, are you awake? It's already dawn."

Haha…

Zhou Qin The corners of your mouth rise, Yue Feng, your son and daughter are together, if this matter spreads to the Kyushu mainland, I see how you can still be so embarrassed.

Zhou Qin?

Hearing Zhou Qin's voice, Yue Wuya in the cave immediately frowned and his expression became cold.

In the next second, Yue Wuya took a deep breath and responded coldly: "What if it's dawn? Zhou Qin, what you did violated my bottom line and principles. It's best to keep me locked up for the rest of your life. Otherwise, I'll turn your Emei upside down…"

Because he had cut himself too many knives last night, Yue Wuya's tone was weak, but he was very determined and unquestionable.

She regards Zhou Qin as a friend, but she treats herself like this.

Unforgivable.

Whoa!

In an instant, everyone outside Shimen was in an uproar.

Dare to talk to the leader like this, this kid is really crazy.

Even if you are a prince, this is the Earth Circle Continent, not the Apocalypse Continent.

call!

Zhou Qin also trembled, frowning slightly, her face very ugly.

This Yue Wuya, who is also the leader of the martial arts alliance, doesn't save any face, and speaks so heartlessly.

However, aware of Yue Wuya's weak tone, Zhou Qin realized something, and a smile appeared on her beautiful face again. This Yue Wuya, with such a tired voice, went to Han Bing last night, something must have happened.

Thinking to himself, Zhou Qin smiled and said across the door of the teacher: "Oh, why is Your Highness so angry? I did this for your own good?"

After speaking, Zhou Qin's smile grew thicker and continued: " Since His Royal Highness likes that little villain, I will arrange you in a cave to create opportunities for you, how well-intentioned I am, even if His Highness is not grateful to me, why do you still blame me?"

Zhou Zhou said at this time. Qin believed that Yue Wuya and Han Bing had already had a relationship. But she still didn't know that Yue Wuya's tone was so weak because of too much bleeding.

At the same time, the other people present were whispering and discussing quietly.

"Listening to this prince's voice, it seems like I didn't sleep all night last night."

"Hehe, needless to say? There is a hot little beauty beside me, who can stand it?"

"Haha… The scene inside is really I want to take a look…"

Like Zhou Qin, the masters of various sects present thought that Yue Wuya and Han Bing had already had a relationship, otherwise the sound would not be so tired.

The ultimate husband in Chinese chapter 1881-1890

Chapter 1881

Swish.

The discussion continued to come from the crowd, Han Ao Ran's delicate body trembled, staggered back two steps, and the beautiful face was extremely white.

Done.

Binger and Yue Wuya, really couldn't hold back last night?

You are brothers and sisters. If this news spreads out, how will you meet people in the future…

Thinking to himself, Han Ao Ran only felt that his eyes were darkened and he almost fainted.

Looking at the reactions of the people around, Zhou Qin showed a smile, very satisfied.

At this moment, some people who didn't think it was a big deal couldn't bear it any longer, and they all yelled at Zhou Qin.

"Uncle Zhou, open the stone gate quickly ." "Right

, let's take a look. The situation inside must be very exciting."

"Yeah…"

Hearing these requests, Zhou Qin put away her smile, Looking around, he said coldly, "This is Emei. It's my business to open the door or not. What are you all anxious about?"

Although her tone was cold, Zhou Qin's eyes flashed with pride and joy.

Haha…

The masters of various sects, their curiosity and appetite have all been successfully hoisted up by themselves. When they leave Emei, they do not need to tell them by themselves. The people of these sects will be able to publicize what happened today. each continent.

This chapter is provided by . Visit for daily update.

But at this time, Zhou Qin was not in a hurry to open the stone gate.

Because there is one more thing to do.

Zhou Qin's voice fell, the audience was silent, and the masters of various sects quickly closed their mouths.

call!

At this time, Zhou Qin breathed softly and said through the stone door: "Oh, Your Royal Highness, I just got a piece of news, it's good news and bad news for you, I don't know if you're interested in hearing it. ."

Nima.

Hearing this, Yue Wuya frowned, with anger flashing in his eyes, and responded coldly: "Zhou Qin, don't pretend to be with me, just say anything if you have something, and let it go."

After what happened last night, Yue Wuya thoroughly saw Zhou Qin's character, and he clearly realized that Zhou Qin's heart was like a snake and scorpion, the more beautiful the smile on his face, the more vicious the conspiracy in his heart.

"Then I'll say it."

Hearing Yue Wuya's icy attitude, Zhou Qin was not angry at all, on the contrary, with a smile on his face, he slowly said: "His Royal Highness, you only know Han Bing, it is Han proudly born. You don't know who her father is, do you?"

Huh?

In the cave, Yue Wuya's expression froze for a moment, and he was very puzzled.

Why did Zhou Qin suddenly say this? I have never heard Bing'er talk about her father. Could it be that Bing'er's father has been seen before?

Zhou Qin was right, Yue Wuya never knew who Han Bing's father was, and once Yue Wuya wanted to ask Han Bing, but considering that it was a family affair, Yue Wuya didn't ask.

At the same time, a heated discussion broke out among the others present.

"Isn't this Han Bing's father Yue Feng? Back then, in the Millennium Hall of the Emei Sect, Zhou Sect Master personally questioned Han Aoran in front of everyone, and Han Aoran admitted it at the time.

” Interesting, this prince of Tianqi Continent seems to be Yue Feng’s illegitimate son. When King Guangping killed Emperor Tianqi and proclaimed himself emperor, the prince’s mother said it personally.”

“Fuck, it’s really… If you don’t mention it, I don’t even think of it. This… So, Yue Wuya and Han Bing are half-brothers and sisters.”

“Interesting, really interesting, The two brothers and sisters are together… Haha!”

Zhou Qin was very satisfied and smiled when everyone said you and me.

Immediately afterwards, Zhou Qin cleared his throat and said through Shimen: “His Royal Highness, you can’t guess it, so I’ll tell you that the father of this wicked species is Yue Feng, your biological father.”

Chapter 1882

What?

Hearing this, Yue Wuya felt like he was struck by lightning, his whole brain buzzing, and he turned his head to look at the sleeping ice, completely stupid.

Binger… Binger turned out to be her half-sister?

How could this be?

No.. this is not true, it must be Zhou Qin who said this on purpose, making her feel uncomfortable, she is a good joke.

For a while, Yue Wuya was extremely angry and shouted at Shimen: “Zhou Qin, shut up for me, you will make nothing out of nothing and talk nonsense, I will never forgive you.”

Han Bing can’t be Yue Feng’s daughter, no Yes …

Yue Wuya thought about it last night. As long as he can successfully get out of trouble this time and leave Emei, he will bring the Han Bing mother and daughter back to the Tianqi Palace, and let King Guangping marry him. Then, he will marry him. Binger is happy together.

Suddenly, the person he loves has suddenly become a younger sister, and Yue Wuya can’t accept it at all!

“My Royal Highness.”

At this time, Zhou Qin said with a proud look on his face, “Don’t get angry, I didn’t create this out of nothing. At the Millennium Hall of our Emei School, Han proudly admitted

that, She had an affair with Yue Feng and gave birth to the evil species of Bingbing, because of this, she has no face to stay in Emei, this matter is known to all the sects of Jianghu in the Earth Circle Continent, if you don't believe me, listen to what everyone has to say?"

With that said, Zhou Qin looked around and gestured at the people around.

At this moment, Tang Qingyun from Tangjiabao was the first to come out and laughed loudly across the division: "His Royal Highness, you don't have to be suspicious, Zhou Alliance Leader is right, Han Bing is Yue Feng's daughter. "

At the same time, the masters of other sects also burst into laughter, and followed suit.

"That's right, we can all testify."

"If you don't believe it, Han Ao Ran is also there. Would you like her to say it in person? Haha…"

"Yes, the facts are the facts, don't run away from the prince… " Amid the

laughter, Han Ao Ran's legs were weak, almost collapsed, his face was pale, and he could faint at any time.

Done.

It's over now.

Zhou Qin clearly knew the relationship between Yue Wuya and Han Bing, but he never told Yue Wuya that he deliberately locked them in the cave last night, so vicious and vicious.

This is simply a hundred times, a thousand times more vicious than killing people… A woman like Zhou Qin is really a scum!

At this moment, Han Ao Ran bit his lip tightly and looked at Zhou Qin, wishing he could slash her with a thousand swords, but the acupoints were sealed, and several disciples of the Emei School were watching around him, so he couldn't rush past.

hum.

In the cave, Yue Wuya stumbled when he heard the words of the masters of various sects outside, his eyes went black for a while, and he only felt that his head was about to explode.

It turned out to be true… Bing'er is really her own sister.

A few seconds later, Yue Wuya reacted, turned his head to look at Han Bing, took a deep breath, and secretly rejoiced.

Fortunately, I stuck to the bottom line last night and didn't do anything more than polite with Binger. Otherwise, I and Binger would really have no face to live in the future.

While rejoicing, Yue Wuya remembered Yue Feng, and the anger in his heart suddenly burned.

Yue Feng, why is it you again, the fact that you are my biological father, I still cannot accept it.

Why… why is my favorite Bing'er your daughter?

At this time, outside Shimen.

Seeing that Yue Wuya didn't respond for a long time, Zhou Qin smiled lightly and said, "Your Highness, don't blame me, I just found out, otherwise, I wouldn't have done that last night, after all we are friends. Well, I just wanted to help you promote good things at the time. Alas, you said that the world is too small, how can the person you like be your own sister? If you want to blame, you can blame your father, Yue Feng, for sticking around. Flowers provoked weeds, and they planted bad fruits…"

Hu!

Chapter 1883

Yue Wuya took a deep breath and said coldly: "Zhou Qin, don't be hypocritical. I know what you want, what do you want? Just say it."

Yue Wuya is not a fool, guess It can also be guessed that Zhou Qin did it on purpose. Otherwise, why did she bring experts from various sects to watch the show, didn't she just want to ruin herself and Bing'er? What I just found out, it's all a lie.

At this time, Yue Wuya was very regretful, regretted that Zhou Qin was a friend, and even more regretted that he had broken into the Beiying Palace and took the risk to rescue her.

"Hee hee…"

Zhou Qin smiled proudly, and was too lazy to talk nonsense, and said: "I don't want to do anything, I know the relationship between His Highness and Han Bing, I am very ashamed, I was kind and helpful last night, so I want to open the Shimen quickly and pick you up."

Zhou Qin had already thought about it, and after opening the Shimen, let Yue Wuya, Han Bing, and Han Aoran leave.

In her heart, she believed that Yue Wuya and Han Bing had already had a relationship, and it didn't matter whether they were killed or not.

After all, the nonsense between brothers and sisters, but it violates the taboo of ethics, will be despised by the world. When the matter is completely spread, there is no need to take action on your own. The public opinion spread from various continents can drive them to death.

When the words fell, Zhou Qin didn't have any response from Yue Wuya at all. He waved his jade hand and instructed the people around him: "Come, open the Shimen, and welcome His Highness and his sister out."

"Yes!" Faye Wong, who was on the side, quickly responded. With a sound, he walked over and opened the stone gate.

Card wipe.

With a burst of vibration, the stone gate slowly opened.

All of a sudden, everyone's eyes are tightly on the turban stone cave, and they can't wait to see the scene of spring overflowing.

hiss!

However, seeing the scene inside, everyone was taken aback, and they couldn't help gasping for air.

I saw that Yue Wuya was sitting at the entrance of the cave, with wounds all over his body, dense and shocking, blood was congealed, and Yue Wuya's face was extremely pale.

And Yue Wuya was not far away, Han Bing was lying there, still sleeping gently, her delicate face showed a bit of serenity, she was very charming and lovely, and her clothes were neat and tidy. signs of being violated.

OMG!

At this moment, everyone was stunned.

The people present were all experienced practitioners and experienced practitioners. This scene, obviously, was cut by Yue Wuya himself last night in order to stay awake. He has nothing to do with Bingbing.

It’s just… how many knives do you need to cut for this wound? Moreover, with so many knives, it takes an amazing amount of willpower to be able to use them.

Shock!

Total shock.

After more than ten seconds, the eyes of everyone looking at Yue Wuya gradually changed from shock to admiration.

So sitting still, self-mutilation to stay awake!

Although this Yue Wuya is young, he is a true gentleman! real man!

Tiger father has no dog son!

At this moment, a man,

Yue Wuya’s father, appeared in everyone’s heart.

The hero of the

Earth Circle Continent and the patron saint of the Earth Circle Continent.

Tianmen Sect Master,

Yue Feng! Invincible Yue!

This is true, tiger fathers have no dogs!

Chapter 1884

This Yue Wuya deserves to be the son of Yue Feng. Back then, Yue Feng took so many guilt but never did anything out of the ordinary. At a young age, he created Tianmen, benefited the martial arts world, punished evil and promoted good. Later, Yue Feng led Tianmen, Huaguoshan, and Changsheng Hall in Zhaixinglou again to defend against the Apocalypse army and successfully preserved the safety of the Earth Circle Continent.

The Yue Wuya in front of him, although he is not very old, is not inferior to Yue Feng.

Sure enough, a tiger father has no dog son!

Not only the masters of various sects, but even Zhou Qin’s delicate body trembled, biting his lip, looking at Yue Wuya, completely stunned.

She clearly saw that Yue Wuya had thousands of incisions on his body, and the blood completely dyed his clothes red. His face was pale and shaky. Especially those clear eyes, clear and pure, as if they contain the power to destroy all evil in the world.

Zhou Qin was completely stupid.

Yue Wuya, he… He actually used this self-mutilation method to stay awake and spend the night like this?

This… how could this be?

At this moment, Zhou Qin's delicate body kept trembling, the original pride and arrogance on her face disappeared completely, leaving only the endless shock.

call!

Han Ao Ran on the side, after being shocked, was extremely happy, looking at Yue Wuya with full of approval, and at the same time leaving tears of excitement.

Great, they were both clean and nothing happened.

That's great.

At this time, the movement outside woke up the ice.

"Brother Wu Ya?"

The moment I opened my eyes, I saw the appearance of Yue Wuya in front of me, Han Bing's delicate body trembled, and the whole person was stunned.

A few seconds later, Han Bing reacted and threw himself into Yue Wuya's arms, tears pouring out: "Brother Wuya, I'm sorry, it's all my fault, I'm sorry…"

Bingbing Bingxue was smart, watching When Yue Wuya was covered in wounds, he suddenly understood something.

Last night, I burned myself in flames, and I lost my mind. According to normal circumstances, something must have happened to brother Wuya that night. However, for the sake of his innocence, brother Wuya cut himself with a knife to stay awake…

For a time, Han Bing was overwhelmed.

"It's alright, it's alright." Yue Wuya showed a smile, raised his hand and patted Han Bing's shoulder gently: "Sister, help me out, let's go."

Mmm!

Han Bing responded and hurriedly helped Yue Wuya out of the cave, but she took the potion last night, and her body was weak and weak, it was very difficult to help Yue Wuya alone.

Seeing this scene, Han Ao Ran hurried over to help.

quiet!

The audience was deadly silent. The stab wounds on Yue Wuya's body were too shocking. At this time, all eyes were on Yue Wuya, speechless. people block.

"Zhou Qin, when you and I meet again, it will be the day when your Emei is destroyed." On the way down the mountain, Yue Wuya looked back at Zhou Qin and spoke coldly.

This week, Qin thought of her as a friend, but she calculated herself, causing herself to almost sully her own sister.

If this revenge is not repaid, what kind of man is he?

"Zhou Qin, when you and I meet again, it will be the day when your Emei is destroyed." The voice was not loud, but everyone who heard these words trembled.

If someone else said this, it must be a big talk, just nonsense.

But Yue Wuya is different, he is the prince of Tianqi Continent.

For a time, the masters of various sects looked at each other in dismay, and all of them were a little uneasy.

Chapter 1885

Zhou Qin also trembled, biting her lip tightly, staring blankly at Yue Wuya and the three of them leaving, her heart was so complicated that she forgot to order an interception.

To be honest, at this moment, Zhou Qin had the idea of killing the three of Yue Wuya, but for some reason, he couldn't make up his mind.

call!

After a few minutes, Zhou Qin looked at the direction in which the three of Yue Wuya were leaving, bit her lip and said softly: "Yue Wuya, if you retaliate, I will follow, what I Zhou Qin did, seriously. Come and don't regret it!"

…… the

other side.

Apocalypse Continent, Diyuan Continent, the junction of Zhongyuan Continent, in the Valley of Forgetfulness.

At this time, in the hall, a woman was sitting quietly, looking around blankly.

A moon-white long skirt, which fits tightly to the body, perfectly complements the graceful figure, making it extremely charming! The face is exquisite and beautiful, like a fairy, people can't extricate themselves at a glance.

However, in those eyes like autumn water, in the pure, there is a flash of confusion.

It was Su Qingyan.

Back then, Su Qingyan was taken to Wangyou Valley by the elders to watch. Su Qingyan took Wangyou Water that day.

Now that half a month has passed, Su Qingyan's memory has been washed away by the water of forgetfulness, and she has completely forgotten the past.

Today was the first day that Su Qingyan was released from the secret room, and today was also the day she officially joined Wangyougu.

Shasha…

At this moment, a slight footstep sounded, and then, dozens of Wangyougu disciples, surrounded by a woman in a long purple dress, slowly walked into the hall.

This woman is about thirty years old. The figure is graceful and compact, just like a peerless beauty, full of charm! Officially the owner of Wangyou Valley, Situ Wangqing.

Behind her, Jing Guan followed closely.

"You…"

Su Qingyan hurriedly stood up, frowning her eyebrows, and asked in surprise, "Who are you? Where is this place?"

After taking Wangyou Shui, Su Qingyan completely forgot about the past. I can't even remember how I came to this place. In this case, I don't know Jing Guan and Situ Wangqing either.

Situ Wangqing smiled lightly and looked at Su Qingyan: "Qingyan, have you forgotten who I am?" The

voice fell, and Situ Wangqing glanced at Jingyan.

Jingguan understood, walked out, looked at Su Qingyan and said slowly: “Qingyan, this is your master, the valley owner of Wangyou Valley, Situ Wangqing, have you forgotten? I am Elder Jingguan, don’t you remember? “

You were originally an orphan, and it was your master who picked you up, accepted you as a disciple, and taught you how to cultivate…”

When he said this, he watched the sincerity and concern on his face, but a sly smile flashed in his eyes.

Seriously, if other disciples took Wangyou Shui, they would not need to fabricate lies and deceive at all, but Su Qingyan was different and had a special status. In order to ensure that Situ Wangqing and Jing Guan, decided to fabricate a life experience for Su Qingyan. come out.

Master?

Hearing this, Su Qingyan’s beautiful face was full of daze, looking at Situ Wangqing in front of her, she didn’t have the slightest sense of familiarity.

Is she her own master? Why have no memory at all?

Ugh.

At this time, Situ Wangqing sighed softly, looking very remorseful: “Qingyan, it’s all to blame for Master’s badness. I sent you out on a mission before, but as a result, you were in danger, which caused you to lose your memory. But don’t worry, in the future Dangerous things, Master will not let you do it again. From now on, you can follow Master with peace of mind.”

The ultimate husband in Chinese chapter 1886-1890

Chapter 1886

Hmm!

Hearing this, Su Qingyan nodded, it turned out that she was in danger and lost her memory. No wonder I can’t remember anything.

Thinking to herself, Su Qingyan respectfully said to Situ Wangqing, “This disciple has seen Master.”

Although her previous memory was gone, her personality would not change. Su Qingyan was a woman who knew the book and reasoned, and knew that the woman in front of her was a woman. His master, a trace of admiration rose in his heart.

Um?

Seeing that she finally recognized her master, Situ Wangqing nodded approvingly, and smiled lightly: “Qingyan, you can rest for a while, remember, just stay in the valley, don’t walk around without Master’s permission. .”

When saying this, Situ Wangqing’s expression was indifferent, but his heart was indescribably excited.

Great, without any effort, let the famous Sect Master Wenzong of Dongao Continent recognize himself as a master. With such an apprentice, it will be easier for Wangyougu to expand his power in the future.

Su Qingyan nodded, and then couldn’t help but ask: “Master, what trouble did I encounter before? I can’t even remember anything.” If

she can lose her memory, the trouble at that time must be very dangerous.

At this time, Su Qingyan didn’t realize that she was not from Wangyougu at all, nor was Situ Wangqing’s apprentice. These were all made up by Situ Wangqing and Jingguan on purpose to deceive her.

This…

Facing Su Qingyan’s question, Situ Wangqing pondered.

This is something out of nothing, how to make it up next?

At this moment, Jing Guan next to him, a flash of inspiration, looked at Su Qingyan with a smile and said: “Qingyan, you were injured by a person named Yue Feng. This person belongs to the Earth Circle Continent and is the Sect Master of Tianmen. His status is very good, but he is very cunning and insidious.” After speaking

, he became serious and told Su Qingyan, “So, when you meet this person in the future, you must be very careful, and remember not to believe his words.”

Saying this At the time, Jing Guan looked serious, but his heart was very proud.

Haha… I'm so smart, to actually make up such a reason, you know, Su Qingyan is Yue Feng's woman, and now she's missing, Yue Feng will definitely search the world, if Yue Feng finds Su Qingyan , to find a way to restore her memory, all the efforts made by Wangyougu have been in vain.

But now, in Su Qingyan's heart, Yue Feng is set up as an evil and cunning image, Su Qingyan must be extremely disgusted. At that time, even if Yue Feng finds Su Qingyan, it will not be so easy to take her away.

After all, now that Su Qingyan has no memory, the first impression is very important.

"That's right!"

Hearing this, without waiting for Su Qingyan's response, Situ Wangqing followed up: "That Yue Feng is not only insidious and cunning, but also the best at rhetoric, Qingyan, if you meet him in the future, you must hide. Far away, you know?"

Hmm!

Su Qingyan nodded solemnly, "I see, Master!"

Under the influence of Wangyoushui, Su Qingyan completely forgot about Yue Feng, and at this time, she firmly remembered Situ Wangqing's words.

While agreeing, Su Qingyan bit her lip tightly, and kept thinking about the name Yue Feng in her heart.

Yue Feng… Yue Feng!

It turned out to be this person who caused his own amnesia. When you see him in the future, you must be careful.

Huh..

Seeing Su Qingyan's expression, Jing Guan and Situ Wangqing looked at each other and smiled at each other.

…..

At this moment, on an official road on the northwestern border of the Northern Ying Continent.

As the sun sets and night falls slowly, a dazzling red Ferrari is driving slowly on the official road with few people.

Chapter 1887 The

cool supercar is out of tune with the original surrounding environment.

There was a man and a woman sitting in the car. The man was handsome and stylish, and the woman was charming and charming. It was Yue Feng and Chang'e.

After meeting Zhao Lu in Fengyun City, Xuanye Continent, Yue Feng didn't stay too long, so he left with Chang'e. However, when he parted, Zhao Lu gave Yue Feng a pick at the famous car show at the time. I got the most flamboyant, coolest red Ferrari.

The car of his own group, Yue Feng, was naturally rude and drove away. After a few hours of driving, he quickly left the Xuanye Continent and arrived at the Northern Ying Continent.

At the beginning, driving a sports car and carrying Chang'e, Yue Feng was very excited and happy.

You must know that no matter how rich others are, they are still beautiful women, but Fairy Chang'e is what she brought with her. Who can have this honor from a man from the mainland of Kyushu?

However, after arriving in Beiying Continent, Yue Feng's mood became depressed.

Northern Ying Continent is still an ancient society. There are no smooth roads and no gas stations. This super cool Ferrari will soon be useless.

"Ah!"

Just when Yue Feng was secretly distressed about not being able to refuel, suddenly, he sneezed abruptly.

Nima!

Yue Feng rubbed his nose and couldn't help but mutter to himself: "Who is this who is talking ill of me behind my back?" After speaking

, Yue Feng turned his head to look at Chang'e, and said with a smile: "The lady has a lot of knowledge, can you help me? Calculate, who is talking about me behind my back?"

After this period of time, Yue Feng became more and more bold in front of Chang'e, and he joked with Chang'e a lot along the way.

"Stop putting gold on your face." Chang'e's delicate face did not fluctuate in the slightest, and she said coldly: "Just like you, your enemies want you to die, who will discuss you?" , Chang'e couldn't hide the anger in her heart.

Thinking of her previous experience in Xuanye Continent, Chang'e was so angry that this Yue Feng even forced herself to call him her husband. If it wasn't for her internal power being blocked, she really wanted to kill him immediately.

shit.

Hearing this, Yue Feng was dumbfounded.

This Chang'e, she was just joking, she cursed herself to death.

Didn't it just make you call your husband a few times before, it was also for the sake of safety, as for this…

swoosh!

Just as he was talking, he felt a strong breath behind him, filling him. Yue Feng and Chang'e, hurriedly looked back.

hiss!

Seeing this, Yue Feng's expression changed, and he couldn't help taking a breath.

Chang'e, who was in the passenger seat, also trembled, and her beautiful face showed a little nervousness.

I saw a huge figure 100 meters away behind him, swiftly chasing after him, with scarlet eyes and a mouth full of fangs, it was Yang Jian's roaring dog.

Nima.

Seeing the roaring dog, Yue Feng only felt his brain buzzing, and his heart suddenly panicked.

The roaring dogs have appeared, I am afraid that Yang Jian is not far away.

Just… how did this dog find himself? I just came over from the Xuanye Continent, even if Yang Jian had set up a net of heaven and earth in the Northern Ying Continent, it would not have been so fast.

"broken."

At this moment, Chang'e reacted, biting her red lips and softly said: "The roaring dog is best at tracking, it must have locked your breath before, so as soon as you come to the Northern Ying continent, it will find it through the smell. come here."

Chapter 1888

Chang’e bit her lip. I originally thought that I would quietly return to the imperial city, first restore my innocence, and then regain the imperial power from Yang Jian, but I didn’t expect that when I returned to the Northern Ying Continent, I met the roaring dog.

call!

Hearing this, Yue Feng took a deep breath, unable to hide the shock in his heart.

Can you find yourself by smell? This roaring dog is worthy of Yang Jian’s spirit beast, and its tracking ability is amazing.

With emotion, Yue Feng smiled bitterly: “It’s over, it was found by the roaring dog, I’m afraid we can’t run.”

Chang’e frowned, suddenly thought of something, looked at Yue Feng and said: “You didn’t say, you Is the car fast? Can’t you just get rid of it?”

What?

Yue Feng was stunned for a moment, wanting to cry without tears, and at the same time he couldn’t help admiring Chang’e’s imagination.

Comparing speed with a Ferrari and a Howler? Go crazy.

“My goddess.” Soon, Yue Feng reacted and smiled bitterly: “This supercar is indeed fast, but this is the Northern Ying Continent. There is no road, so it can’t exert its advantages at all, and the car is not fast. It ‘s gone.”

“Trash!” Chang’e rolled her eyes and stomped her feet in a hurry: “Then hurry up and think of a way.”

Although she didn’t know what it meant to be out of gas, Chang’e also understood that relying on the car under her seat to run Winning the roaring dog is a complete fantasy.

Seeing howling dog getting closer and closer, fangs in the night, flickering with a frightening cold light, Yue Feng was also completely anxious.

The next second, Yue Feng remembered something, and quickly asked Pang Tong in Linglong Tower: “Pang Tong, you are resourceful, can you get rid of this dog?”

Speaking of which, with Yue Feng’s current strength, he is not afraid of the roaring dog at all. He is afraid that Yang Jian will suddenly appear and it will be too late to run. Therefore, Yue Feng is not in the mood to deal with the roaring dog at all, and just wants to get rid of it as soon as possible.

“Master!”

As soon as he finished speaking, he heard Pang Tong respond: “The reason why this roaring dog has a strong tracking ability is that it relies entirely on its sensitive nose. You may have a chance to start with its nose.”

Nose?

Yue Feng was stunned for a moment, and suddenly his eyes lit up.

Haha…there is.

Excited, Yue Feng took out some condiments from his body and took out a bottle of chili powder. Ten years ago, Yue Feng was passed down to Dongao Continent by Shenxing Talisman, and met Xiao Xi. During that time, Xiao Xi used the seasonings on her body to cook a lot of delicious game for Yue Feng every day.

Yue Feng was also influenced by Xiao Xi, and no matter where he went in the future, he would always bring condiments with him.

hum!

The moment he took out the chili powder, Yue Feng summoned Qiongqi from the spirit beast sack.

“Go.” Yue Feng yelled.

To be honest, Yue Feng’s poor and strange, although it is a divine beast, has only been cultivated for more than ten years, while the roaring dog has been cultivated for thousands of years, and the difference in strength between the two is too great.

However, Yue Feng didn’t think that Qiongqi could kill the roaring dog, as long as it could attract its attention.

“Roar!”

Qiong Qi let out a roar, and the aura of the beast all over his body burst out, rushing directly towards the roaring dog.

“Ow.”

Seeing Qiongqi suddenly, the huge body of the Roaring Dog was shocked, and then there was a bloodthirsty light in his eyes, and he was very excited to greet him.

As Yang Jian’s spirit beast, the roaring dog has come thousands of times, and has followed Yang Jian through hundreds of battles. The roaring dog has fought against many beasts, so it is not necessary to see Yue Feng’s poverty. On the contrary, the

poor The divine beast aura on Qi's body inspired the bloodthirsty fighting spirit of the Roaring Dog.

In the blink of an eye, Qiong Qi and Howling Dog were biting in the air, very fiercely.

call.

Seeing the scene in front of her, Chang'e bit her lip tightly, her heart was very shocked, she looked at Yue Feng in surprise, her eyes twinkling with complexity.

This Yue Feng actually possesses a poor and strange spirit beast.

It seemed that he had been underestimated before.

Yue Feng didn't pay attention to Chang'e's reaction, but watched the battle in midair, looking for opportunities.

Soon, taking advantage of the roaring dog's attention on Qiong Qi, Yue Feng didn't have time to think about it, he jumped up, jumped into the air, clutched a whole bottle of chili powder, and sprinkled it on the roaring dog's head.

At the same time, Yue Feng recalled Qiongqi with lightning speed.

Hula…

The chili powder rose all over the sky, and the roaring dogs were sprinkled all over the head, and the nostrils, eyes, and mouth were all covered with chili powder.

"Ow, ooh…"

Chapter 1889

Under the strong and spicy stimulation, the roaring dog let out bursts of mourning, its huge body suddenly bowed, and fell heavily to the ground, where it kept rolling.

Speaking of which, the Roaring Dog is not a divine beast after all. Among the spirit beasts of the same realm, its combat strength can only be on the upper side, and its unique stunt is the unparalleled tracking technique in the world.

Pang Tong was right, the roaring dog relies on its sensitive nose to perform tracking, so the nose is its weakness. Now that it is choked by chili powder, it is even more uncomfortable to cut it a few times.

Haha…

Yue Feng clapped his hands, feeling indescribably happy.

What if you were Yang Jian's roaring dog? It's not that I can get it successfully with my own bottle of chili powder.

What?

Seeing this scene, Chang'e's delicate body trembled, her eyes full of incredulity.

This is Yang Jian's roaring dog. It's crazy, and even he needs to take it seriously, but now, Yue Feng has used such an easy method to get it?

At this moment, under her surprise, Chang'e looked at Yue Feng with a strange brilliance. The contempt and contempt she used to treat him quietly disappeared, and her views also changed.

You know, in the entire Northern Ying Continent, the only one who doesn't take Yang Jian's roaring dog in his eyes is Hou Yi.

However, Hou Yi is dead.

At this time, Chang'e looked at the relaxed Yue Feng, as if she saw the shadow of Hou Yi.

This Yue Feng, like Hou Yi, did not change his face when faced with a desperate situation, even relaxed.

Oops…

As I thought to myself, Chang'e suddenly blushed.

What are you thinking about, how could this treachery be compared to your husband?

"Haha!"

At this moment, Yue Feng returned to the car, and said to Chang'e with a smile: "Niangniang, let's continue for a ride." It was easy to say, but Yue Feng was very anxious in his heart.

After falling into the deep hole in Buzhou Mountain, she and Liu Xuan were separated. At this time, she didn't know what happened to the three of them, so she had to find them quickly.

Um!

If it was before, Chang'e would definitely have ridiculed angrily, but this time, Chang'e didn't say anything, but lowered her head and replied softly.

Soon, Yue Feng drove Chang'e and disappeared into the night.

As soon as the two left, several figures quickly flew from the sky in the distance. The one at the head was dressed in golden armor, majestic and holding a three-pointed two-edged sword. It was Yang Jian.

Swish!

Seeing the roaring dog that fell to the ground and kept rolling and howling, Yang Jian's expression changed, it was extremely ugly, and a burst of anger rose in his heart.

Before in Buzhou Mountain, Yang Jian and tens of thousands of troops fell into the deep cave together. Because the deep cave was too big, Yang Jian lost in it for a long time before he managed to escape.

After coming out, Yang Jian issued an imperial decree to search for Yue Feng and Chang'e in the entire Northern Ying Continent.

Just now, the roaring dog, who was carrying him, suddenly felt the breath of Yue Feng, so he searched for it directly. Because the roaring dog was too fast, Yang Jian and his subordinates could only follow far behind.

But I never thought that after looking for it, I didn't see Yue Feng's figure, but the roaring dog fell to the ground.

"Quickly search around, I want to know who hurt my roaring dog like this." Yang Jian roared.

Smelling the chili smell on the roaring dog, Yang Jian was furious.

Although his roaring dog is not a divine beast, he is also a divine dog. He has followed him for thousands of years and has always been extremely brave and never let himself down.

But now, it was actually played with chili powder.

The so-called beating a dog depends on the owner, and this is humiliating himself.

At this time, Yang Jian didn't know that the roaring dog was injured by Yue Feng with chili powder.

"Yes, Your Majesty!" The voice fell, and several of the subordinates quickly searched around.

At this moment, Yue Feng is here.

Crunch!

I don’t know how long after driving, the car slowly stopped, Yue Feng looked at the fuel gauge, and suddenly smiled bitterly.

Nima… Still out of gas… This car is so expensive…

Yue Feng got out of the car, looked around, and sighed. This is a barren country ridge, surrounded by weeds, I am afraid that within a hundred miles, it will be deserted.

Chapter 1890

“Niangniang!”

Yue Feng opened the car door, looked at Chang’e and said with a smile: “The car can’t be driven without gas, let’s just walk. If Niangniang doesn’t mind, I can hold you like before.”

Huh.

Hearing this, Chang’e’s delicate face was instantly flushed red, and her heart was also extremely embarrassed.

This Yue Feng is really becoming more and more daring, and more and more impolite.

Buzzing… Before

Chang’e could speak, she saw a tremor on the ground ahead, revealing a hole in the ground, and then, a low figure emerged from the hole.

The person who came had a wretched appearance and a disgraced face, but the aura that pervaded his body was astonishing.

It is Tu Xingsun.

What the fuck…

Yue Feng was stunned for a moment, very surprised.

This Tu Xingsun is indeed a strange person and a mysterious thing.

“Niangniang!”

At this moment, seeing Chang’e, Tu Xingsun shouted excitedly.

Immediately afterwards, Tu Xingsun's eyes were locked on Yue Feng, and he roared: "Good boy, I finally caught you, dare to hold the empress, and die."

Before Tu Xingsun and Gonggong fought, Yue Feng Taking the opportunity to take Chang'e away.

Tu Xingsun was loyal to Chang'e, and he was arrogant. Yue Feng kidnapped Chang'e under his own nose. For him, it was a great shame and humiliation, even more uncomfortable than killing him.

Now that I see Yue Feng again, Tu Xingsun is so angry that he just wants to kill Yue Feng immediately.

hum!

The voice fell, and a powerful aura erupted from Tu Xingsun's body, and then, the thin figure erupted with a thunderous momentum, and a palm hit Yue Feng.

Nima.

Seeing Tu Xingsun rushing over, Yue Feng was shocked.

If you say you fight, you will fight, this Tuxing Sun must be crazy.

"Stop."

However, at this critical moment, Chang'e frowned and couldn't help but snorted: "Tu Xingsun, don't hurt my husband…"

Before in Xuanye Continent, Chang'e forced Due to the situation, every time I see someone, I have to admit that Yue Feng is my husband, so I have to call it out. In a hurry, I called out subconsciously.

Swish.

As soon as she shouted it out, Chang'e realized something, and her face flushed with shame, and she could not wait to find a crack to crawl in.

What's wrong with yourself? Why did you call out the word husband?

What?

Hearing Chang'e's words, Tu Xingsun paused in mid-air, withdrew his palms abruptly, landed on the ground, opened his mouth, stared at Chang'e blankly, unable to express his astonishment.

what’s the situation?

Niangniang called this kid husband? Didn’t the empress didn’t put him in her eyes before? Why…

At this moment, Tu Xingsun’s mind was in a mess, and he couldn’t figure it out.

Haha…

Seeing this scene, Yue Feng was overjoyed.

The ultimate husband in Chinese chapter 1891-1900

Chapter 1891

Empress Chang'e, known by the world as the Fairy of the Moon Palace, is extremely noble, yet she would make such a low-level mistake. So interesting.

"Cough cough…"

After a few seconds, Yue Feng cleared his throat, looked at Tu Xingsun with a half-smile, and said, "That's right, I have a nickname, my husband, and my niece is so familiar with me, I call it a foreigner. No. It doesn't matter, right, Niangniang."

Although Chang'e had always looked down on herself before, but after all, it's her mother Chang'e, so let's save some face for her.

Um.

Chang'e bowed her head and responded, looking very indifferent, but she didn't dare to look at Yue Feng.

Tu Xingsun looked stunned, it turned out to be like this.

It's just… This kid's nickname is too shameless, he's actually called her husband?

Thinking to himself, Tu Xingsun couldn't help looking at Chang'e and said, "Niangniang, this kid is very cunning and disrespectful to her, why won't you let me kill him

?

" He is at fault, but if it weren't for him, Ben Gong would not have escaped from Yang Jian's pursuit, so if the merits and demerits are equal, even if he is innocent."

Seriously, if it were two days ago, Chang'e would have allowed Tu Xingsun to kill Yue Feng. .

But I don't know why, after these few days of getting along, Chang'e's view of Yue Feng has changed, and she can't bear to kill him. Hearing this, Tu Xingsun scratched his head and said nothing more.

"Tu Xingsun!"

At this moment, Chang'e looked at Tu Xingsun with a calm face: "Why are you here?"

This chapter is provided by . Visit for daily update.

“Niangniang.” Tu Xingsun looked ashamed, lowered his head and said: “Niangniang, these days, my subordinates have been looking for you every day, and my subordinates have gone to Buzhou Mountain, Diyuan Continent, and Apocalypse Continent, and have never found you, God has Oh, I finally let my subordinates find you today! Niangniang, it was Tu Xingsun who did not protect her well, causing her to be thrown up and down, and she also asked her to convict her.”

Before Chang’e could respond, Yue Feng walked over and said with a smile: ” Oops, Senior Tu Xingsun, look at you, things are not as serious as you said, you are so loyal, how could the Empress blame you?”

Tu Xingsun frowned secretly and did not respond.

This kid, speaking so easily, acted like he was very familiar with the empress. Do you think you are Hou Yi? If the lady wants to punish me, is it you who can intervene?

Chang’e next to her also blushed slightly, a little embarrassed, and at the same time a little unhappy in her heart. This Yue Feng, more and more does not regard himself as an outsider. Thinking to herself, Chang’e glanced at Yue Feng coldly, but said nothing.

At this time, Yue Feng thought of something, and asked eagerly at Tu Xingsun: “Senior Tu Xingsun, you said that you have been looking for two days in Buzhou Mountain, so have you seen Big Brother Zhu Rong, Senior Shennong, and another one? A girl like a fairy? That girl’s name is Liu Xuan, and she’s my wife.”

Yue Feng’s eyes were full of anticipation when he asked this.

Tu Xingsun replied: “Zhu Rong, Shennong, there is another woman, I did see it.” To

be honest, Tu Xingsun was too lazy to talk to Yue Feng, but seeing Chang’e’s attitude towards Yue Feng was different from before. A big change, just say it.

“Really?”

Yue Feng got excited all of a sudden, walked over and grabbed Tu Xingsun’s hand tightly: “Where are they?”

Shuh!

Tu Xingsun frowned and shook off Yue Feng’s hand.

Immediately, Tu Xingsun said lightly: “When I left Buzhou Mountain, I happened to meet the three of them. I heard them say that I am going to the Earth Circle Continent…”

Going to the Earth Circle Continent?

Yue Feng thought to himself that Xuan'er must have taken the initiative to invite Zhu Rong and the two to go to the Earth Circle together.

After all, Buzhoushan's residence was destroyed by Yang Jian. Thinking about it, Yue Feng was inexplicably excited, and his previous worries disappeared a lot. Xuan'er is protected by Big Brother Zhu Rong and Senior Shennong, and she will definitely be able to reach the Earth Circle Continent safely, so she doesn't have to worry about it anymore.

"Old

… I've recovered my innocence."

When she said this, Chang'e's beautiful face did not fluctuate in the slightest, but her heart was extremely anxious.

At this time, Chang'e only wanted to quickly restore her innocence. You must know that, as an empress, she was pampered and pampered, and the few days of escape were a lot of trouble. This kind of escape would not last a day.

Chapter 1892

Chang'e has already made up her mind. When she returns to the palace, she calls the civil and military officials out of the city and asks Yue Feng to tell the story of his killing of his descendants, and to return his innocence.

call!

Yue Feng did not respond immediately, but took a deep breath, wanting to cry without tears.

To be honest, he understands Chang'e's mood, but Yang Jian has already issued a hunting order, and now going to the imperial city is to die.

Moreover, he has just played the roaring dog with chili powder. If Yang Jian knows the truth, once he sees him, he will use his ultimate move without saying a word. How can he stop him then?

It's just these concerns, Yue Feng is too embarrassed to say it, he loses his heroic spirit and will be looked down upon by Chang'e.

"Niangniang."

At this moment, Tu Xingsun looked solemn and said to Chang'e: "At this time, we must not return to the imperial city." After

speaking, Tu Xingsun took a deep breath and continued: “Yang Jian The guards of the palace have all been sent out, and the imperial city is under martial law, if the empress returns at this time, even if she does not enter the imperial city, she will be discovered.”

What?

Hearing this, Chang’e’s delicate body trembled and her eyebrows knitted together.

The imperial city is under martial law?

In this way, I can’t call those ministers of civil and military affairs, what can I do?

For a time, Chang’e bit her lip tightly, unable to express her anxiety.

“Niangniang!”

At this time, Yue Feng said with a smile: “Since this is the case, why don’t you go to the Earth Continent with me, take a break for a while, and think about it in the long run.” After

learning about the three Liu Xuans, they went to the Earth Circle Continent. , Yue Feng’s heart also flew away, how can I stay here.

“No.”

The two words of determination came out of Chang’e’s mouth, and her delicate face was full of determination: “Yang Jian’s wolf ambition, I can’t just leave, I must restore my innocence and regain the imperial power.”

Beiying The royal family was established by Hou Yi back then, so we must not just watch the power fall into Yang Jian’s hands.

I go.

Yue Feng didn’t know whether to laugh or cry, and covered his forehead, feeling helpless in his heart.

Why is this Chang’e so persistent? He and her, plus Tu Xingsun, but three people, how could they be Yang Jian’s opponents?

Swish! Swish! Swish!

As he was talking, suddenly, there was a sound of footsteps in the woods not far away. Because it was dark, no one was seen, but Yue Feng clearly felt that there were many people coming, and all of them were practitioners. , the strength is not low.

shit.

Yue Feng was taken aback, thinking that Yang Jian was chasing after him with the army, his eyes fixed on the direction of the woods, and at the same time he was ready to escape.

Chang'e and Tu Xingsun also changed their expressions and became alert at the same time.

The next second, thousands of people came out of the woods one after another, not Yang Jian's army, but wearing uniform Zongmen costumes with special marks embroidered on their bodies.

call!

Seeing these people, Yue Feng was stunned for a moment, then surprised and delighted.

Yes, these people are the disciples of the Holy Sect in Northern Ying Continent.

Yue Feng could clearly see that there were many familiar faces among these people, including Mu Qingyue, the altar master of the Xingmu altar, Shen Lang, Liu Qingqing, Xie Liuyun, the altar master of Liujin altar, and other members of the altar.

Obviously, Shengzong arranged for the disciples to go down the mountain to practice.

Chapter 1893

At this moment, Yue Feng saw a woman in the crowd of Xingmu altar. This woman was extremely hot!

It is Ren Yingying!

When he saw Ren Yingying, Yue Feng was very excited, and at the same time he couldn't tell the guilt in his heart. As Her Royal Highness, Yingying has paid so much for herself, but she was not by her side when she was wandering.

Swish!

At this time, the people of Shengzong also discovered the three Yue Fengs, and they all focused on Yue Feng, and they were extremely surprised.

Feng Tao? Didn't he fall off a cliff and die?

How are you still alive?

A month ago, Yue Feng was tricked by Zhang Na, the senior sister of Liujintan, to the cliff of the back mountain. Taking advantage of Yuefeng's inattentiveness, he pushed him off the cliff. Afterwards, everyone except Liujintan thought that Yue Feng was the one who came out of the mountain. Accidentally died.

But he never expected to meet him here.

hiss!

The next second, many people's eyes were attracted by Chang'e.

beautiful!

So beautiful.

How can there be such a beautiful woman in the world? There are also many beautiful women in the entire Holy Sect, but compared to her, they are all overshadowed.

"Husband!"

At this moment, Ren Yingying let out a coquettish cry, ran over, and threw herself into Yue Feng's arms, with surprises on her delicate face: "Is it you? Is it really you? I knew, You'll be fine, no…"

While speaking, Ren Yingying hugged Yue Feng tightly, for fear that in the blink of an eye, the person in front of her would disappear, and there were tears of excitement in her eyes.

At that time, Ren Yingying was shocked to learn that Yue Feng fell off the cliff. Later, she went to search under the cliff many times, but found nothing.

At that time, all the disciples of the Holy Sect said that Yue Feng could not survive, but Ren Yingying was always reluctant to believe that, thinking that Yue Feng was still alive, why was he unhappy when he saw him at this time?

"Yingying…I'm fine…I'm sorry for worrying you…" Yue Feng smiled and said softly.

When he said this, Yue Feng was full of guilt, looking at Ren Yingying in front of him, his nose was sore, and he almost didn't cry.

"Wow…"

At this moment, Ren Yingying couldn't help but burst into tears: "I thought I would never see you again… I miss you so much…"

Seriously, Ren Yingying sometimes thinks , Has something really happened to Yue Feng? Now that he is really safe and sound, all his worries and thoughts have turned into tears!

“Okay, okay.. It’s my fault. Yingying, don’t cry. If you cry again, you won’t be pretty.” Yue Feng hugged her tightly, feeling unspeakable guilt.

But Ren Yingying cried more and more fiercely, she was very aggrieved, her tears couldn’t stop: “Since you are all right, where have you been these days, why didn’t you go back to the Holy Sect and come to me? Do you know that I really miss it? You, I really miss you… don’t you know!”

Having said that, seeing Chang’e next to her, Ren Yingying suddenly became angry.

The next second, Ren Yingying’s jade hand clenched into a fist and gently hit Yue Feng’s chest: “These days I can’t eat, I can’t sleep, my mind is full of you, do you know it! I firmly believe that you will not have an accident. Son, but I’m afraid that you are really dead, but you are at ease outside, have you forgotten me? I hate you, I hate you so much…”

Hearing these words, Yue Feng only I feel extremely distressed.

“sorry Sorry..”

Yue Feng helped her wipe away the tears on her face, feeling distressed, she kept coaxing: “Yingying, it’s my fault, it’s me who hates it, it’s all my fault… It’s not that I didn’t come to you, it’s really these things. Too many things have happened in the sky.”

With that, Yue Feng stretched out his hands and made a face.

Ren Yingying was teased by him into a smile, her delicate face was blushing, very charming.

Chapter 1894

At this moment, the disciples of the Shengzong Xingmu altar also rushed over and greeted Yue Feng with joy.

“Junior Brother Feng!”

“Junior Brother, you’re fine, it’s great.”

“Yeah, we couldn’t believe it when we heard that you fell off a cliff…”

Feeling the concerns of many disciples in Xingmu Temple, Yue Feng smiled and greeted them.

call!

Seeing this scene, Chang'e, who had been silent all this time, trembled, and her heart was shocked.

This Yue Feng even had a relationship with the Sacred Sect…

As an empress, Chang'e was no stranger to the Sacred Sect. What surprised Chang'e was that the Holy Sect was so powerful, but never participated in the disputes of the rivers and lakes. How could he know Yue Feng?

At this time, Mu Qingyue walked over slowly, driving Yue Feng with a smile: "Fengtao? I'm very happy to see that you are all right. I am very happy for the teacher."

After speaking, Mu Qingyue couldn't help but ask: "What happened then? What? Why did you go to the back mountain and fall off the cliff?"

Shua!

The voice fell, and the eyes of everyone present focused on Yue Feng, quietly waiting for his answer.

Especially the disciples of Liujintan, Zhang Na did everything, and they were calm on the surface, but they couldn't tell the anxiety in their hearts. Speaking of which, after Zhang Na successfully knocked Yue Feng off the cliff a month ago, she thought that Yue Feng was dead.

Seeing that Yue Feng was alive and well at this time, Zhang Na and the others were all on their backs.

call!

Yue Feng took a deep breath, turned his head to look at the altar master Xie Liuyun, and smiled lightly: "This is a good thing that Liujin altar has done. Naturally, you should ask the altar master Xie carefully."

"What do you mean? "Xie Liuyun frowned and said unhappily.

Hehe… Yue Feng smiled coldly and said slowly: "This is what your good apprentice, Zhang Na did, she tricked me to go to the back mountain, and then knocked me down the cliff, fortunately I have a great life. , otherwise, it would be too wrong to die."

Wow!

The voice fell, and the audience was in an uproar.

“What? It was made by Liujintan?”

“It’s no wonder that Lord Xie Tan and Fengtao made a bet before, but they lost. All the disciples of Liujintan have to shout daddy when they see Fengtao. It’s up to anyone. , can’t stand it, and it’s no wonder Liu Jintan wants to plot against him.”

“I really didn’t expect that Zhang Na was warm and kind on the surface, but her heart was so cruel.”

Shah.

At this moment, the disciples of the Xingmu Altar all looked at the Liujin Altar, all of them filled with anger.

Mu Qingyue’s body trembled with anger, staring at Xie Liuyun: “Xie Liuyun, Zhang Na, how do you explain this matter?”

Ren Yingying’s eyes also looked at Xie Liuyun, her chest trembled with anger . During this time, Ren Yingying has been thinking about the situation at that time, how Yue Feng fell off the cliff, it turned out to be a sneak attack.

This senior sister of Liujintan has a soft and kind-hearted surface, but her heart is so vicious.

call!

Facing Mu Qingyue’s questioning, Xie Liuyun did not respond, but took a deep breath, his face was gloomy and extremely ugly. He tilted his head to look at Zhang Na: “Zhang Na, did you really do it? Tell me honestly?”

Speaking of which, Xie Liuyun had been brooding over the previous bet that he lost to Yue Feng, and Xie Liuyun was very happy when his own disciple planned to teach him a lesson. But having said that, Zhang Na’s raid on Yue Feng was a crime of violating the rules of the sect. Even if she was the altar master, she could not cover her up.

“Master.” Zhang Na trembled and said loudly, “He’s talking nonsense. I didn’t lie to him, and I didn’t attack him. Don’t listen to him.”

Although Yue Feng’s surprise attack was to vent his anger on the entire Liujin altar, but Zhang Na also knew that her behavior violated the rules, so she didn’t tell Xie Liuyun at all.

Now being confronted by Yue Feng, in front of everyone, she was afraid, and she dared not tell the truth.

When the voice fell, the other disciples of Liujintan also responded.

“That’s right, don’t let us take the blame.”

“On the day you fell off the cliff, Senior Sister Zhang Na was not in the back mountain. I can testify.”

“I can testify too. This kid Feng Tao is just talking nonsense.”

Liu Jintan’s disciple, The more he talked, the more excited he became, and they all said that Yue Feng was out of nothing.

Seeing this situation, the disciples of Xingmu Tan immediately gave up and fought back angrily.

“Whoever is talking nonsense, what Junior Brother Feng said is the truth.”

“Mad, I said that you Liu Jintan have not been as publicized as before recently, so you have done something wrong.”

“It must be you, you met Junior Brother Feng, and you If you want to call Dad, you are not convinced, so you start killing people, now Junior Brother Feng has told the truth, but you dare not admit it, do you want to be embarrassed?”

The disciples of Xingmutan and Liujintan became more and more fierce, almost fighting. .

Chapter 1895

At this time, Yue Feng chuckled, looked at Zhang Na and mocked: “Interesting, dare to do it and dare not admit it, you Liujintan is just like this, that is, it’s your duty to call people father.”

“You. ..”

Zhang Na’s face flushed with anger, but she couldn’t refute a word.

After all, it’s useless to do something wrong.

But soon, Zhang Na changed her mind and sneered at Yue Feng: “Fengtao, you keep saying that I led you up the mountain and then knocked you off the cliff. Do you have any evidence? Or someone to testify?”

Shuh!

The voice fell, and the audience’s eyes fell on Yue Feng again.

Uh…

Yue Feng was stunned for a moment, his brows furrowed, and then he shook his head and said, “No, back then, it was just the two of us.”

Back then, there was really no one else in the back.

Hehe…

Zhang Na suddenly laughed, with contempt flashing in her eyes: “Fengtao, if that’s the case, why should others believe your words?”

As she said that, Zhang Na’s mouth twitched with a hint of cunning: “As I see it, you It was intentional, trying to provoke the dispute between Liujintan and Xingmutan, causing infighting in the sect, with such sinister intentions, you are not worthy of being a disciple of the Holy Sect.”

Nima…

Hearing this, Yue Feng suddenly Pissed off.

Zhang Na is really insidious, and she actually beat her up at a critical moment.

“Master!”

At this moment, Zhang Na looked aggrieved and said to Xie Liuyun: “This wind and waves spit blood, slandering the reputation of the disciple, please master to be the master of the disciple.”

“Don’t worry, Master can’t spare this kid.” Xie Liuyun nodded and said coldly.

In the next second, Xie Liuyun glared at Yue Feng and shouted: “Boy, if you don’t have any evidence, just slander people. Today, I will teach you a good lesson for your master.”

With that, Xie Liuyun strode towards Yue Feng. Xie Liuyun didn’t know the truth and believed Zhang Na’s words, thinking that Yue Feng was deliberately looking for trouble.

Xie Liuyun has a strong personality, and is very protective of his shortcomings. In addition, he has resentment against Yue Feng in his heart. How could he miss such a good opportunity at this time?

call!

Looking at Xie Liuyun coming over, Yue Feng’s expression was indifferent and not panic at all.

At this moment, Mu Qingyue’s body flashed and blocked in front of Yue Feng.

The next second, Mu Qingyue said coldly to Xie Liuyun: “Master Xie, no matter what Feng Tao said is true or not, he is my Mu Qingyue’s disciple. It’s not your turn to teach him for me.”

Xie Liuyun His eyes flashed coldly, and he sneered: “Mu Qingyue, this kid has no evidence and can’t produce evidence. What’s not slander? You are shielding.”

“Even if I am shielding, what about you?”

” Hehe, good, very good, since that’s the case, then let’s see the kung fu in the chapter.”

In an instant, the atmosphere became tense! The two altar masters stood facing each other, and the burst of breath caused the surrounding air to distort, and the crowd couldn’t breathe! If the two sides disagree, they will fight!

“Fengtao?”

At this critical moment, Chang’e, who had been standing behind, couldn’t help but said softly, “No, isn’t he the Earth Circle Continent, Tianmen Sect Master Yue Feng? Feng Tao?”

What?

In an instant, the eyes of the audience converged on Yue Feng.

Is he Yue Feng?

Whether it was Mu Qingyue, Xie Liuyun, and all the disciples of the Holy Sect, they were all stupid.

Although Shengzong rarely participated in the disputes between the rivers and lakes, after the enchantment of the Kyushu continent disappeared, the Shengzong also heard a lot of news from the rivers and lakes of various continents, and naturally knew the famous Tianmen Sect Master Yue Feng.

It’s just that they never imagined that the wind wave who claimed to be from a fisherman’s background and acted out of tune was Yue Feng, who was famous for moving Jiuzhou.

Damn…

Yue Feng scratched his head and looked at Chang’e speechlessly. This Chang’e is also true. Why don’t you reveal your identity when you don’t have anything to do, is it not good to watch quietly on the side?

But it doesn’t matter if the identity is exposed.

“You…”

At this time, Mu Qingyue’s delicate body was trembling, her eyes were fixed on Yue Feng, full of disbelief: “You are Yue Feng, the sect master of Tianmen?”

When asked this, Mu Qingyue was surprised again. Happy again!

No wonder this disciple is so smart and understands everything. It turns out that he is a famous person in Jiuzhou!

The ultimate husband in Chinese chapter 1896-1900

Chapter 1896

“Good disciple, are you the Sect Master of Tianmen?” Mu Qingyue asked in a low voice, her delicate body trembling.

“Yes!” Yue Feng smiled bitterly and looked at Mu Qingyue with an apologetic expression on his face: “I’m sorry, Master, I was forced to hide my identity before.”

Seriously, before this, Yue Feng felt deeply towards Mu Qingyue. Qingyue has no master-disciple relationship at all, but just now Mu Qingyue stood in front of her to deal with Xie Liuyun, and Yue Feng recognized this beautiful master.

Hula…

At this moment, all the disciples of the Xingmu altar crowded around excitedly, among them senior sister Liu Qingqing was the most excited.

“Good junior brother, it turns out that you are Yue Feng, no wonder you know so much.”

“Haha, I didn’t expect that junior brother has such a big background.”

“I’ll just say, a fisherman, how could he be so powerful, thank Tan Master and him I bet, I lost…”

The disciples of Xingmu Tan, you can’t hide your admiration and admiration for Yue Feng.

And the disciples of Liujintan have ugly faces.

Especially Xie Liuyun, looking at Yue Feng with complicated eyes, the whole person is stupid.

Haha…

The next second, Xie Liuyun burst out laughing and said to Yue Feng: “So you are Yue Feng, the sect master of Tianmen. Let me ask you, what’s your purpose of concealing your identity and joining our holy sect?

” , Xie Liuyun’s tone became stern: “Let me guess, you want to steal the secrets of our holy sect, or you want to check the internal information of our holy sect, and you fell off the cliff, it is your own play, It is to spread the investigation situation, right?”

Nima!

This chapter is provided by . Visit for daily update.

Hearing this, Yue Feng was stunned, not knowing whether to laugh or cry.

This Xie Liuyun’s imagination is rich enough. Lao Tzu is the sect master of Tianmen, and it is rare to learn the secrets of your holy sect’s town sect?

However.

Many other Saint Sect disciples believed Xie Liuyun’s words.

Yes, Yue Feng is the sect master of Tianmen, why should he join the Holy Sect? What are the secrets of not stealing the school town faction? After all, the town sect cheats can only be practiced by the head of the sect.

Realizing this, many disciples of the Holy Sect, looking at Yue Feng’s eyes, gradually changed from reverence to suspicion.

“Everyone!”

Seeing this scene, Xie Liuyun was extremely proud, looked around the audience, and said loudly: “This Yue Feng, who has infiltrated our holy sect, has ulterior motives, and now I, as the altar master of the Liujin altar, ordered him to be taken down and brought back. Leave it to the Holy Master.”

“Yes!” The voice fell, and many disciples of the Holy Sect responded loudly and surrounded Yue Feng.

The disciples of the Star Wood Altar looked at each other in dismay, very embarrassed.

Not only that, but Mu Qingyue also frowned and did not speak to Yue Feng again.

Because what Xie Liuyun said was right, this Yue Feng, who was the sect master of Tianmen, changed his identity to infiltrate the Holy Sect. What was his purpose?

Although Mu Qingyue admires Yue Feng, in her heart, the interests of the Holy Sect always come first, so in this case, she can only put her emotions aside.

In the blink of an eye, Yue Feng was tightly surrounded.

Ren Yingying was so nervous that she took Yue Feng's hand and said in a low voice, "Yue Feng, what should we do?" With

so many people, it was impossible for the two to join forces to rush out.

"Stop it all!"

At this moment, Chang'e let out a soft snort, her delicate face did not fluctuate in the slightest, and looked around the audience: "I did n't ask any reason, just acted directly, your holy sect, are you acting so recklessly now?" Chang'e didn't want to help Yue Feng speak.

But there is no way, I still have to rely on Yue Feng to restore his innocence. If Yue Feng is captured by the Holy Sect, what will I do? "Who are you? "

Xie Liuyun looked at Chang'e up and down with a cold face, and said angrily: "This is our holy sect's business, and it's not your turn to point fingers. " Hearing a loud shout, Tu Xingsun jumped out immediately, pointed at Xie Liuyun and scolded: "Do you know who she is? The famous lady Chang'e, you dare to talk like that and seek death." Wow! Because it was dark and Tu Xingsun was short, the people of Shengzong had never paid attention to him. At this time, they suddenly saw a little dwarf, and when they heard his words, the audience was shocked. What?

Chapter 1897

Chang'e… Goddess?

In an instant, everyone's eyes were fixed on Chang'e, and they were speechless in shock.

Xie Liuyun was also stunned. After a few seconds, he reacted and looked at Tu Xingsun: "Then your Excellency is…" While speaking, Xie Yunliu's eyes flickered with suspicion.

You must know that Chang’e is a high-ranking empress, a fairy in the Moon Palace admired by the world, and has lived in the palace for a long time. How could she be in such a place? Still with Yue Feng?

The surrounding Shengzong disciples are also suspicious.

Just before Xie Liuyun finished asking, he was interrupted by Tu Xingsun.

“I will not change my name or my surname. I will be called Tu Xingsun, and I will protect the maiden full-time.” Tu Xingsun looked at Xie Liuyun and said coldly: “What? Are you asking this question about the identity of the maiden?” The

voice was not loud. , but spread throughout the audience, full of aura.

call.

Hearing this, Xie Liuyun couldn’t help but take a breath and waved his hand quickly: “I don’t dare.” Tu

Xingsun’s appearance was different from ordinary people. When he appeared just now, Xie Liuyun had guessed it, and now he heard him say it himself, and naturally no longer Suspect.

And a woman who can be guarded by Tu Xingsun, in the world, who else can be besides Chang’e?

At this moment, the surrounding Shengzong disciples no longer doubted.

“Everyone!”

At this time, Chang’e looked around the audience and said softly, “Yue Feng concealed his identity and joined your holy sect, he must have a secret, but it is definitely not what you think, he is the sect master of Tianmen, why should he use it? This kind of method, to steal the secrets of your holy sect?”

When she said this, Chang’e’s tone was soft, but it gave people the feeling that there was an unquestionable majesty.

To be honest, if it were two days ago, Chang’e would never have spoken to Yue Feng, but after these two days of contact, Chang’e found that Yue Feng was not as bad as she thought.

More importantly, Chang’e had to rely on Yue Feng to restore his innocence, and he would never be allowed to have an accident.

This…

Hearing this, Xie Liuyun's face flushed and he was very embarrassed.

Xie Liuyun is not a fool. You can hear that Chang'e is obviously facing Yue Feng, but after all, she is a concubine with a noble status, so how dare she refute it.

At the same time, the surrounding Saint Sect disciples nodded secretly.

What Empress Chang'e said was right. As the sect master of Tianmen, Yue Feng had an extraordinary position, and he would never be so despicable. He concealed his identity and joined the sect, and he must have other hidden reasons.

However, Mu Qingyue, who was on the side, looked at Yue Feng with a strange brilliance, and was indescribably surprised.

What kind of charm does this Yue Feng have, that Chang'e even speaks for him.

"Yue Feng!"

At this moment, Xie Liuyun looked at Yue Feng, and said unwillingly, "For the sake of the goddess, I won't care about you today, be careful next time."

Seriously, After learning about Yue Feng's true identity, Xie Liuyun did not abandon his previous hatred, but even more resentment in his heart. After all, he lost too shamelessly in a bet with Yue Feng before.

But no way.

Yue Feng has Chang'e's gang, so he can't be bothered.

Feeling Xie Liuyun's resentment, Yue Feng smiled lightly and ignored it.

The next second, Yue Feng tilted his head to look at Chang'e and nodded gratefully.

To be honest, when Xie Liuyun and the others came around just now, Yue Feng was calm on the surface, but he was panicked in his heart. After all, with Ren Yingying by his side, if he really fights, he will inevitably be accidentally injured.

But I didn't expect that at the critical moment, Chang'e would ask to help.

Yue Feng's gratitude, Chang'e pretended not to see, there was no slight fluctuation on her beautiful face.

Haha…

Seeing this, Yue Feng was overjoyed.

This Chang’e is really interesting. She is obviously afraid that something will happen to me, but she has to act as if nothing happened.

Just when Yue Feng was secretly laughing, Ren Yingying’s delicate body trembled and pinched him fiercely.

“Hi!” When the

pain came, Yue Feng couldn’t help taking a breath, then stared at Ren Yingying and said speechlessly, “Yingying, why are you pinching me?”

Chapter 1898

Ren Yingying bit her lip tightly, glared at Yue Feng angrily, and stomped her feet angrily: “Why are you and Chang’e together? What’s your relationship?”

“I…”

Yue Feng couldn’t help crying, and hurriedly whispered He coaxed: “Hoo Yingying, don’t get me wrong, I have nothing to do with Chang’e, but I have encountered a lot of trouble with her these days. I will explain the details to you later.”

Hearing this, Ren Yingying Don’t speak anymore.

At this time, Mu Qingyue and the disciples of Xingmu Tan gathered around and chatted with Yue Feng.

Yue Feng guessed right before, the people of Shengzong are going down the mountain to experience, and the experience has ended, and they are on their way back to Shengzong.

After a simple greeting, Yue Feng followed Mu Qingyue and everyone back to the Holy Sect. At the same time, Chang’e was invited to go with him.

After some thought, Chang’e agreed to accompany her.

After all, Yang Jian made a decree that the entire Northern Continent is searching for Chang’e’s whereabouts. It can be said that it is not safe to go anywhere. In this case, Shengzong is an ideal refuge.

Soon, after several hours of trekking, Yue Feng followed the people of the Holy Sect and finally arrived at the mountain gate.

As soon as he arrived at the mountain gate, Yue Feng felt that something was wrong. It stands to reason that at this time of the night, the mountain gate should be very quiet. Only the patrolling disciples were still walking around, but tonight, all the disciples who

did not participate in the training gathered in front of the main hall In the square, one by one looked solemn and excited.

At the entrance of the main hall, a proud figure stood there quietly.

Yue Feng saw from a distance that this man was dressed in a moon-white robe. He was about forty years old, immortal, and had a strong aura around him. Even if he was far away, he couldn't breathe.

Feeling the strength of this person, Yue Feng was even more shocked, and was extremely shocked.

I go!

The strength is unfathomable, and he can't even perceive his realm. Who is this person?

At this moment, Mu Qingyue and Xie Liuyun, as well as the many disciples behind them, were extremely excited and delighted to see this person, and then walked over quickly and saluted respectfully.

"Holy Master!"

"The disciples pay their respects to the Holy Master."

"Congratulations, Holy Master, you have successfully exited the customs."

I'll go!

Hearing the voices of everyone, Yue Feng was shocked at the same time.

It turns out that this is the Holy Master of the Holy Sect, no wonder the strength is so terrifying, he is about to reach the Tribulation Realm, and he can't even perceive it.

"Haha…"

At this time, the Holy Master smiled slightly and raised his hand: "All are exempt from the ceremony, this seat has just left the customs, and after you have gone down the mountain to practice and are returning to the mountain gate, you will be waiting here.

" , The Holy Master's gaze slowly swept across the disciples, nodding very gratified: "Yes, yes, these days in this retreat, your strength has improved a lot, and it seems that you have worked hard."

Huh?

Just as he was speaking, the Holy Master's gaze fell on Chang'e's body, her expression stiffened and she was very shocked. In the next second, the Holy Master walked

down in surprise and joy. When he arrived in front of Chang'e, he smiled and said: "Ms. Chang'e is here, my Holy Sect is really full of brilliance."

A smile, and a somewhat polite tone.

"Lu Dongbin." Chang'e smiled lightly, and said, "I really didn't expect it. You haven't seen each other in a thousand years. You still like to retreat and realize the Tao." The tone was relaxed, and it was obvious that the two had known each other for a long time.

shit.

Hearing this, Yue Feng, who was next to him, only felt a buzzing sound in his head, and the whole person was blinded.

This… the Holy Master is Lu Dongbin?

Chapter 1899

At this moment, Yue Feng was stunned, shocked.

Total shock.

Lv Dongbin, the Taoist name Chunyangzi, is a great master in Taoism. In historical legends, almost everyone knows the name of Lu Dongbin.

It's no wonder that the entire Shengzong Mountain Gate has a fairy spirit, and most of the disciples are also free and easy personalities. It turns out that the head of the gate is Chunyangzi Lu Dongbin.

Yes, the holy master of this immortal style is the famous pure Yangzi in Taoism, Lu Dongbin.

Like Zhu Rong on Buzhou Mountain and the Shennong Clan, Lu Dongbin was indifferent and disliked disputes between the rivers and lakes.

As a well-known figure in Taoism, Lu Dongbin and Chang'e have some friendship. However, Lu Dongbin likes to retreat, and he quietly cultivates his mind and realizes the Tao, so he and Chang'e have not seen each other for a long time.

"Haha…"

At this moment, Lu Dongbin laughed heartily, and said to Chang'e: "Miss Chang'e, you are the same, you are still as beautiful and beautiful as you are."

Huh?

After a few words of greetings, Lu Dongbin noticed Yue Feng and said in surprise, “This young man, I’ve never seen it before, is he the guard beside the Empress?” The

Holy Sect is very strict in accepting disciples, and Lu Dongbin is very discerning, and he can see at a glance. He noticed Yue Feng and thought he was Chang’e’s entourage. You must know that when Yue Feng was accepted as a disciple by Mu Qingyue, Lu Dongbin was still in retreat and did not know it.

“I…”

Facing Lu Dongbin’s gaze, Yue Feng was inexplicably flustered, opened his mouth, and was about to respond.

Just as he said one word, he was interrupted by Xie Liuyun next to him.

“Holy Master, this kid is called Yue Feng.” Xie Liuyun said slowly: “It is Diyuan Continent, Tianmen Sect Master, but concealed his identity and joined our Holy Sect, Holy Master, you must check this matter carefully. “

When he said this, Xie Liuyun was serious on the surface, but a bit of ruthlessness rose in his heart.

Before Yue Feng had Chang’e to help, Xie Liuyun didn’t dare to say anything, but now that the Holy Master has left the customs, there is no need to worry about Chang’e.

Nima!

Yue Feng was instantly furious.

This Xie Liuyun is too insidious, and if he seizes the opportunity, he will count himself.

Tianmen Sect Master?

Lu Dongbin frowned slightly and thought. Could this sect be the one that has developed rapidly in the past ten years in the Diyuan Continent and has become famous in Kyushu?

At this time, Chang’e came over and said softly, “Sect Master Lu, this Yue Feng is my friend. I can come to the Holy Sect today, and it’s all thanks to him.”

Oh!

Hearing this, Lu Dongbin showed a smile and praised Yue Feng: “You are Yue Feng, right, you are young and promising, not bad, not bad…”

Although he still didn't understand the truth, Lu Dongbin believed in Chang'e. , the person who can make Chang'e speak up for maintenance is definitely not an ordinary person.

"Don't dare!" Yue Feng said humbly.

At this time, Xie Liuyun was in a hurry and couldn't help but said: "Holy Master Mingjian, this kid concealed his identity and mixed into our holy sect. He must have

a purpose…" At this time, Xie Liyun was very unhappy, no matter what. I don't understand, it was the first time the Holy Master saw Yue Feng, but he admired him so much.

However, before he could finish speaking, Lu Dongbin stopped him.

"Liu Dongbin." Lu Dongbin's face was cold, and there was no doubt: "In front of the Empress, don't be so unruly, step back."

"Yes!" Seeing that the Holy Master was a little angry, Xie Liuyun didn't dare to say more, and bowed his head and stepped back. However, his eyes glared at Yue Feng fiercely.

At this time, Lu Dongbin smiled and invited Chang'e to the hall.

Chapter 1900

"Niangniang!"

After being seated, Lu Dongbin asked Chang'e with a smile: "Niangniang doesn't enjoy wealth and honor in the palace, why did she suddenly come to my holy sect?" After years of

seclusion and practice, Lu Dongbin seldom asked about outside affairs. I don't know yet, Emperor Houyi died suddenly, Yang Jian became the emperor, and the entire Beiying Palace was changed.

Ugh!

Chang'e sighed softly, and said slowly, "Your Majesty is dead, Yang Jian has seized the throne, and now he has ordered to pursue this palace everywhere…" In the next few minutes, Chang'e told the details.

Of course, Yang Jian liked himself and wanted to occupy himself, but Chang'e didn't say it. After all, this kind of thing is too embarrassing.

wow.

In an instant, the entire hall was in an uproar, and everyone's eyes were staring at Yue Feng, speechless.

"Let me go, Yue Feng…killed Emperor Houyi?"

"It's unbelievable, but that Yang Jian is also very abhorrent, and he took the opportunity to usurp power…"

"I didn't expect it to happen in just one month. So many things."

When everyone said your words and my words, Lu Dongbin couldn't hide the shock in his heart, and looked at Yue Feng and was speechless.

This kid is not simple, he accidentally killed Emperor Houyi.

However, Lu Dongbin was a master of the Taoist sect and had a broad nature. He believed that anything in time was destined in the dark. The so-called everything has its own will, so he was relieved quickly.

In the next second, Lu Dongbin let out a light breath, looked at Chang'e and comforted him, "You can't be resurrected from the dead, so please condolences."

With that said, Lu Dongbin asked earnestly, "I don't know what Niangniang's plan is now?"

"The truth is not clear, and Yang Jian believes that it was me and Zhu Bajie who conspired to kill my husband." Chang'e bit her lip, her delicate face He couldn't hide his anger: "Now, there are soldiers going around to search for the whereabouts of this palace. If such a wolf's ambition really makes him sit firmly in the emperor's position, I am afraid that the entire continent will fall into dire straits. This palace must be restored. Innocent, and at the same time I want to regain the imperial power."

Saying that, Chang'e clenched her pink fist tightly and looked at Lu Dongbin, looking forward to it: "Master Lu, you must help me with this matter!"

Phew!

Lu Dongbin pondered for a while, and nodded silently: "My lord is begging for each other, and this deity will naturally help!"

Seeing his agreement, Chang'e's delicate body was shocked, and she was overjoyed. You must know that Lu Dongbin is an expert in Taoism. With his help, he naturally doesn't have to be afraid of Yang Jian.

"Niangniang!"

However, at this moment, Lu Dongbin said again: “This matter is no small matter, so we need to take a long-term view, so during this period of time, I will temporarily grieve the empress and live in my holy sect first.” After

speaking, Lu Dongbin rushed Xie Liuyun and others instructed: “You immediately send your disciples to the imperial city to investigate secretly, and if there is any movement of True Monarch Erlang, you will report immediately.

” Get out of the hall and get ready.

To be honest, although Lu Dongbin was not afraid of Yang Jian, Yang Jian now had control over the imperial city and had a heavy army in his hands, so he had to be careful.

“Thank you, Sect Leader Lu.” Chang’e showed a smile and thanked her softly.

Lu Dongbin smiled, indicating that you are welcome.

In the next second, Lu Dongbin looked around, and finally his eyes fell on Yue Feng: “Yue Feng, no matter what your reasons are, you joined my holy sect, and now you are a disciple of my holy sect. Since you and your goddess are so destined, from From today onwards, Niangniang’s food and daily life will be your responsibility.”

When he said this, there was a hint of meaning in Lu Dongbin’s indifferent expression.

Speaking of which, there are thousands of disciples of the Holy Sect, but only Yue Feng is the most suitable to take care of Chang’e. After all, he indirectly killed Hou Yi, and letting him take care of Chang’e is also an atonement.

“Okay!” Yue Feng was smart and intelligent, so he naturally understood what Lu Dongbin meant, and quickly nodded in response.

To be honest, after killing Hou Yi unintentionally, Yue Feng felt very guilty about Chang’e, and it was nothing to take care of her food and daily life in the Holy Sect.

Ren Yingying, who was beside her, bit her lip lightly and acquiesced.

Ren Yingying loved Yue Feng deeply, and when she saw that he promised to take care of Chang’e, she was naturally reluctant, but Ren Yingying was intelligent and knew that Yue Feng’s promise was atonement. In this case, she could only support it.

“No!”

However, at this moment, a coquettish shout came from outside the hall, and then, a graceful woman walked in slowly.

A long yellow dress, which sets off the charming curves, looks imposing and beautiful, but it is a bit gloomy.

The ultimate husband in Chinese chapter 1901-1910

Chapter 1901

is Ren Yingying's mother, the empress.

"Yue Feng, you can't serve Chang'e." After entering the hall, the empress spoke to Yue Feng with a firm attitude and could not be refuted.

Swish!

At this moment, the eyes of everyone in the hall will be focused on the Empress, all of them flickering with surprise.

How…how did she break in?

Lu Dongbin was stunned for a moment, looked at the Empress, and said, "This is…"

Yue Feng was just out of the customs, and it was the first time he saw her, so naturally he didn't know the Empress.

When the words fell, Xie Liuyun strode out and said, "Holy Master, this is Yue Feng's mother-in-law and belongs to the disciple's family."

After speaking, Xie Liuyun said coldly to the Queen's concubine: "You are so bold, the Holy Master is on the way. Meeting a distinguished guest, you are a woman, and you are so reckless, do you have any rules? Get out now."

When he said this, Xie Liuyun couldn't hide the contempt in his eyes.

Yue Feng's status is special, and he can't afford it for the time being, but his mother-in-law doesn't need to be taken seriously.

The Queen's face changed, her body trembled with anger, and she shouted at Xie Liuyunjiao, "I'm a woman from the Daoist family? I'm blind to your dog's eyes."

Wow!

In an instant, the entire hall was in an uproar, and everyone was stunned.

This Yue Feng's mother-in-law is too daring to insult Xie Tan Master?

This chapter is provided by . Visit for daily update.

Swish!

Xie Liuyun’s face turned red, and the anger in his heart was suddenly ignited: “Dare to scold this seat, you are courting death.”

At this time, Xie Liuyun was clearly angry. He was the dignified altar master of the golden altar, and his status was revered. It was okay to be teased by Yue Feng before, and now he was insulted by his mother-in-law. Where would he put his son?

Feeling Xie Liuyun’s anger, the Empress did not panic at all, and sneered: “It’s not false to say that you are inferior, but this palace tells you that I am the Empress of Apocalypse Continent, and my status is no lower than Chang’e. “

Speaking, the queen glanced at Yue Feng and continued: “Yue Feng is the son-in-law of this palace, with a distinguished status, why should he condescend to serve Chang’e?

” Staying at the mountain gate, just now, when I learned that the experienced disciple had returned, the Empress hurried out to check the situation.

As soon as he arrived at the main hall, he heard that Lu Dongbin was arranging for Yue Feng to take care of Chang’e.

The Queen Mother is a knife-mouthed tofu-hearted woman. She did not admit that Yue Feng was her son-in-law before, but seeing that Ren Yingying always insisted, she acquiesced. At this time, seeing her son-in-law and being arranged to serve other women, the empress was naturally unwilling.

In a hurry, the Queen Mother simply revealed her true identity.

Anyway, Yue Feng’s identity has also been exposed, so it doesn’t matter.

What?

This time, the entire hall exploded again, and everyone looked at Yue Feng in shock, speechless.

This… Yue Feng’s mother-in-law turned out to be the Empress.

In shock, the disciples of the Xingmu Tan looked closely at Yue Feng, and there was a strange light in their eyes.

As expected of the Tianmen Sect Master.

Too good, the mother-in-law turned out to be the empress.

Even Chang’e, who was sitting there, stared blankly at Yue Feng, and her perception of him was subverted once again.

Unexpectedly, this Yue Feng turned out to be the concubine.

And he kept saying he was a douchebag.

“Queen Mother!” At this moment, Ren Yingying couldn’t help laughing and crying, she couldn’t help but said to the Empress: “Yue Feng is just taking care of Empress Chang’e, nothing else.”

Empress was stunned and said, “Don’t Speak.” After speaking

, the queen’s eyes turned to Yue Feng: “Yue Feng, do you know how much Yueying paid for you? During the past few days that you were missing, she did not want to eat or drink, and did everything she could to inquire about you. The news, how about you? You fell off the cliff and didn’t die, so it’s fine if you don’t come back. You didn’t even pass the word. Now that you’ve come back, you’re going to serve Chang’e again?”

Chapter 1902

“Yue Feng, let me tell you, you can only accompany Yueying now, and you are not allowed to approach other women. You cannot serve Chang’e.” The queen said coldly.

I go!

Hearing this, Yue Feng was dumbfounded.

This queen, who had never admitted her relationship with Yingying before, had all kinds of contempt, but now that she saw Chang’e, she suddenly changed her attitude.

Really speechless.

But then again, it is only natural for a mother to protect her daughter.

quiet!

At this moment, the entire hall was silent, and a drop of a needle could be heard clearly.

Xie Liuyun stared blankly at the empress, her face flushed, unable to say a word. I thought it was just a woman who had never seen the world, but I didn’t expect it to be a high-ranking empress, and it was indeed a bit rude to say that to her just now.

“Haha…” At this time, Lu Dongbin, who was on the side, also laughed, looked at Yue Feng and said, “Since the Empress has already said it, let someone else take care of the Empress Chang’e.”

Yue Feng smiled slightly and nodded. Said: “Okay.”

Immediately, Yue Feng clenched his fists at Lu Dongbin: “Holy Master, since Empress Chang’e is taken care of, I can rest assured, there are still a lot of things to do on the Diyuan Continent, so I will say goodbye first. Now, I beg the Holy Master to allow me to go down the mountain.”

“That’s right.” Lu Dongbin raised his hand and nodded with a smile.

At this time, Yue Feng said to Chang’e: “Niangniang, the matter of the descendants of the great emperor, I can’t escape the relationship, and I will definitely help you restore your innocence, but I am in a hurry, and I have to go back to the Earth Circle first, but don’t worry, wait until you are ready to take it back. When the emperor is in power, as long as you say a word, I will definitely come over as soon as possible to help me.”

Hmm!

Chang’e didn’t respond, just nodded, her beautiful face did not fluctuate at all, but she was very relieved.

Yue Feng can say these words, and it is not in vain to help him before.

Immediately, Yue Feng said goodbye to Mu Qingyue and everyone, and then left with Ren Yingying and the empress.

Yue Feng took Ren Yingying and the Empress, and after a long journey of more than ten hours, the three arrived at the Diyuan Continent. After a few more hours, I finally returned to Zhongzhou.

Today’s weather is not good, the sky is cloudy, and it is raining lightly.

Because of the rain, the street was a little calm. Yue Feng took Ren Yingying and the Empress and rushed towards the Ouyang family.

“Yue Feng, this is your hometown? It doesn’t look anything special.” The Empress couldn’t help but said.

As a concubine, I have seen many new things, so I am not very shocked by the modern city in front of me, especially when I see the deserted streets, I am very disappointed.

Before Yue Feng could speak, Ren Yingying smiled bitterly: “Mother, is it raining today? If the weather is fine, it must be another lively scene.”

Ren Yingying had been in Diyuan Continent for a while, so she naturally understood the situation.

While talking, at this time, the three of them had come to the Ouyang family.

But at this moment, the three of them only felt that something was wrong. Yue Feng saw that the entire Ouyang family was busy, but everyone was very silent, with a sad expression on their faces. The entire Ouyang family gave people a strange quietness.

Not only that, but all parts of the Ouyang family were painted with long white velvets, and there was a depressing and heavy atmosphere everywhere.

what happened?

Seeing this scene, Yue Feng's heart was inexplicably heavy, and his brows were furrowed.

Ren Yingying and the Empress looked at each other and quickly followed.

Chapter 1903

Swish!

When he reached the hall, Yue Feng was shocked and froze there.

I saw that the entire hall was painted with filial piety and wreaths. Mei Hui was wearing a filial robe, kneeling there, her eyes were red and swollen, and she almost cried.

Next to them, the rest of the Ouyang family, as well as Sun Dasheng, Wen Chouchou, Qin Rongyin, Xiao Yuruo, and the six fairies of Fuyao Palace, all dressed in white, stood there silently in silence.

In the entire hall, no one spoke, and the atmosphere was extremely depressing.

In the north of the hall, there is a coffin, and on the spiritual platform behind the coffin, there is a spiritual tablet. On the spiritual card, it was written: 'Ouyang Gong, Zhennan's spiritual position'.

hum!

Seeing the words on the spiritual position card, Yue Feng only felt that a thunderstorm sounded in his mind, and his whole head was buzzing.

wow.

At this time, when they saw Yue Feng, everyone in the hall was stunned for a moment, and then they quickly gathered around, all of them excited.

"Fengzi, you're back?"

"Master, it's great to see that you're all right, it's just that the master…"

“Brother,
uuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuu. “

Seeing Yue Feng, everyone was surprised and happy, but when they thought of Ouyang Zhennan’s death, they were all in great pain, especially Mei Hui, who rushed over screaming and threw herself into Yue Feng’s arms, with a sound of sadness. sobbing.

At that time in the prison of Tianqi Imperial City, after Duan Yu killed Ouyang Zhennan, his body was hastily buried on the barren hill behind the Imperial City. After that, the Ouyang family and Sun Dasheng were released by Xing Yao.

Before everyone left the imperial city, they dug up Ouyang Zhennan’s body and brought it back to the Diyuan Continent. They were going to be buried again. After all, Ouyang Zhennan was famous and he had made a lot of contributions to the rivers and lakes of the Diyuan Continent. Too sloppy.

And today is the day when Ouyang Zhennan was officially buried.

Yue Feng nodded at everyone, then locked the coffin tightly, then walked over step by step with red eyes, and slowly pushed open the coffin lid.

call!

I saw that Ouyang Zhennan was lying quietly inside with his eyes closed, very peaceful, but Yue Feng could clearly see that Ouyang Zhennan’s heart was completely shattered. Broken…

poof!

In an instant, Yue Feng knelt down there and burst into tears: “How could this happen? Foster father… I’m sorry, the baby is late, I’m sorry for you…” You

especially saw Ouyang Zhennan The heart pulse was completely shattered, Yue Feng only felt that one of his own hearts was tugged.

At this moment, Ren Yingying behind was also trembling, and her mind was blank.

Ren Yingying once stayed in the Earth Circle Continent for a period of time. Of course, she knew the relationship between Yue Feng and Ouyang Zhennan. Although they were not biological father and son, Ouyang Zhennan regarded Yue Feng as her own, and Yue Feng respected him even more.

But now, Ouyang Zhennan is dead, and he died so tragically. At this time, Ren Yingying can imagine how sad Yue Feng is at this moment.

“Yue Feng…don’t be sad…” Ren Yingying came over and couldn’t help but gently comforted her, but she knew that it was useless to persuade Yue Feng. At this time, Yue Feng’s eyes were already red, and he was crying uncharacteristically.

The people around also all looked gloomy, and the circles of their eyes were red.

Yue Feng was lying on the coffin, his voice was hoarse, and his whole body was shaking!

“Who? Who killed the adoptive father?” Yue Feng asked, looking around in tears, his voice completely hoarse. And Yue Feng’s whole body was also filled with anger.

Chapter 1904 The

monstrous anger!

In Yue Feng’s heart, although Ouyang Zhennan is his adoptive father, he treats him like his own son, and even betrothed his daughter to him. Said that Yue Feng had already regarded him as his biological father.

Yue Feng once thought that there will be no disputes in the rivers and lakes in the future, so he will accompany his old man well and give him his retirement.

But he never expected that before the quiet days came, the adoptive father died, and he died so tragically.

call!

At this moment, Sun Dasheng took a deep breath, walked out, and gritted his teeth: “Fengzi, it was Duan Yu who killed Patriarch Ouyang…” Immediately, Sun Dasheng told the situation at that time.

“Duan! Yu!”

Yue Feng gritted his teeth and spat out these two words word by word, his eyes spitting fire, burning with anger!

boom!

The next second, Yue Feng slammed his palm on the table, and the table shattered in an instant, and the entire hall was shaken by Yue Feng’s breath.

Boom!

The sky outside seemed to feel Yue Feng’s anger, and suddenly the dark clouds rolled, followed by the majestic rain!

Ling Lie's wind and rain blew into the hall, but it could not quench the anger in Yue Feng's heart!

"Duan Yu, if you don't smash your corpse into ten thousand pieces, I, Yue Feng, will not be a human being!" A cold voice came from Yue Feng's mouth. After saying that, Yue Feng turned to look at Ouyang Zhennan's corpse, his eyes were blood red. Tears again.

"Foster father, I came back late, I'm sorry baby, I'm sorry for you…" I

don't know how long I cried, but Yue Feng noticed something, turned his head and asked hoarsely: "Where's my foster mother? Why isn't there Qingyan? "

When asking these questions, Yue Feng's eyelids throbbed coldly, and he had a bad premonition in his heart.

call!

Everyone looked at each other, feeling extremely ashamed and angry, and then, Wen Chou Chou came over and patted Yue Feng on the shoulder: "Mrs. Jiang was taken away by Duan Yu, while younger brother and sister Qing Yan was taken away by Yue Chen for interrogation, never again. Didn't come back…"

After saying that, Wen Chou Chou was ashamed and continued: "Fengzi, don't worry too much, we have already sent someone to inquire about their news…"

Pff…

Hearing this, Yue Feng's face was as red as blood, his body shook, and then a mouthful of blood spurted out. He couldn't hold it any longer, and he fainted in front of him.

Ten years ago, Master Nangong Jue died, which left Yue Feng heartbroken and swore that he would never let this happen again.

But now, the adoptive father Ouyang Zhennan has suffered another accident. Not only that, but Aunt Jiang and Su Qingyan are also missing. The repeated blows, no matter how tough Yue Feng's mood is, can't bear it.

Whoops!

Seeing this scene, everyone around was shocked and gathered around.

"Fengzi…"

"Brother!"

"Quick, help him to the room."

Everyone was more anxious than each other, and they helped Yue Feng into the room.

…

At this moment, Yunzhou City, a few hundred miles away from the Ouyang family.

Lishui Community Apartments.

In the living room, Shen Man sat there, staring blankly outside, as if he had lost his soul.

Xuan’er has been missing for so many days, and there is no news at all. Did something really happen?

Squeak!

At this moment, the door of the living room was pushed open, and then three people walked in. The leader, with a graceful figure, delicate facial features, beautiful and charming, was Liu Xuan.

And the two behind her are Zhu Rong and Shennong.

A day ago, after Liu Xuan, Shennong Clan, and Zhu Rong left the deep cave at the foot of Buzhou Mountain, in order to avoid Yang Jian’s search, they returned directly to the Earth Circle Continent.

Liu Xuan made a plan, first go home to visit Shen Man, and then go to the Ouyang family to inquire about Yue Feng.

Chapter 1905

Zhu Rong and Shennong both trust Yue Feng very much, and Liu Xuan is Yue Feng’s woman, so they agree with her suggestion.

“Xuan’er?”

Seeing Liu Xuan, Shen Man’s body trembled, and she quickly stood up. Seeing Liu Xuan’s return to her original face, she was both surprised and delighted:
“Xuan’er…you… your face is healed. ?”

At this time, Shen Man was indescribably excited.

I thought something happened to my daughter, but I didn’t expect that not only would she come back safe and sound, but her face returned to its previous appearance.

Simply a surprise.

The next second, Shen Man thought of something, and asked eagerly, “Where have you been during this time? Do you know how worried I am, and, these two are…”

After speaking, Shen Man was suspicious. Look at Zhu Rong and Shennong.

The two were dressed strangely, wearing ancient robes, so they wouldn’t be bad people.

“Mom!” Liu Xuan smiled slightly, came over and started to introduce: “These two seniors are…”

Just halfway through, she was interrupted.

Boom!

The door of the living room was kicked open at once, and then a dozen people rushed in. They were all dressed as people from the rivers and lakes.

It was Tang Qingyun.

Those who came with him were all disciples of Tangjiabao.

“You…”

Liu Xuan was startled when so many people rushed in. She looked at Tang Qingyun and asked nervously, “Who are you? What are you doing?”

She had never met Tang Qingyun, so naturally she didn’t know him.

As soon as the words fell, Shen Man also trembled, and said to Tang Qingyun: “Hey man, didn’t we agree? Once there is news about Yue Feng, I will inform you as soon as possible, why did you suddenly break in? “

Half a month ago, Tang Qingyun found Shen Man and forced her to tell Yue Feng’s whereabouts. At that time, Shen Man said that he would help inquire about Yue Feng’s whereabouts.

At this time, when Shen Man said this, his voice was full of dissatisfaction, but he was also indescribably frightened in his heart.

After all, these arena people can’t afford to offend themselves.

What?

Liu Xuan was shocked, and looked at Shen Man in astonishment: “Mom, what did you do when I wasn’t at home?” She

and Yue Feng have gone through so many ups and downs, and they are about to become successful, but her mother helped them Jianghu people, deal with Yue Feng?

How could Yue Feng be her son-in-law?

For a while, Liu Xuan was anxious and angry, and she couldn't be more anxious.

This…

In the face of her daughter's questioning, Shen Man's face flushed and she was very embarrassed. She didn't know how to answer for a while.

"Haha…"

At this moment, Tang Qingyun showed a smile and said leisurely at Shen Man: "Mrs. Shen, don't panic, we are just here to see, there is no other meaning."

After speaking, Tang Qingyun looked up and down Staring at Liu Xuan, her eyes shone brightly: "This Yue Feng is indeed very beautiful. The women around him are more beautiful than the other, and this is a rare gem."

Half a month ago, Tang Qingyun found it. After Shen Man, he sent someone to spy on Shen Man all the time. Seeing someone coming to Shen Man's house today, Tang Qingyun didn't have time to think about it, and immediately rushed over with someone.

Tang Qingyun's gaze made Liu Xuan feel uncomfortable, but she still pretended to be calm: "Who are you, what are you going to do?" But now, with Shennong and Zhu Rong nearby, there is no need to be afraid.

"Don't be afraid of beauty." Tang Qingyun looked at Liu Xuan, and the more she looked, the more she felt itchy, she said with a smile: "I heard that you disappeared some time ago, and it has something to do with Yue Feng, then you must know Yue Feng's whereabouts…"

Before Tang Qingyun could finish speaking, Liu Xuan interrupted coldly.

"I don't know."

Three cold words came out of Liu Xuan's mouth without any hesitation.

Although she didn't know what Tang Qingyun wanted to do with Yue Feng, Liu Xuan could sense that the people in front of her were not good people. Looking for Yue Feng, there will be no good things.

The ultimate husband in Chinese chapter 1906-1910

Chapter 1906

Huh?

At this moment, Tang Qingyun's complexion changed suddenly. You must know that although he did not have a high reputation in the arena, he was also the owner of the Tang Family Fort, the leader of the faction, and now Liu Xuan treats him so indifferently. , where to put face?

For a time, the atmosphere in the living room suddenly became dignified.

Finally, Tang Qingyun laughed and said: "Okay, since the beauty doesn't cooperate, don't blame me for being rude. The disciples obeyed the order, took her away, escorted her to Mount Emei, and handed it over to the Zhou Alliance for interrogation."

Hula!

The voice fell, and a dozen Tangjiabao disciples suddenly gathered around.

"Stop!"

At this moment, a loud shout came, and then, Zhu Rong flashed and blocked in front of Liu Xuan.

In the next second, Zhu Rong glared at Tang Qingyun and shouted angrily: "Where did you get the junk from the rivers and lakes? Leave it all to the old man." His voice was loud and full of anger.

Yue Feng is his brother, and his woman is his younger brother and sister. Now that Liu Xuan was being bullied by Tang Qingyun, how could she just sit back and ignore it?

Made!

Tang Qingyun's face was ashen, and he was too lazy to talk nonsense. He pointed at Zhu Rong and said, "I don't know about life and death, so dare to meddle in my own business?"

After speaking, Tang Qingyun shouted at the surrounding disciples: "Take him down and bring him with you. Let's go."

Tang Qingyun glared at Zhu Rong with disdain and contempt in his eyes.

In Tang Qingyun's eyes, the man in front of him, although wearing a red robe, was a little strange, but he was not a threat at all.

This chapter is provided by . Visit for daily update.

Tang Qingyun didn't know yet that Zhu Rong at this time concealed his aura, his real strength was beyond his imagination, and Zhu Rong's origin was even more extraordinary.

The words fell, and several Tangjiabao disciples rushed towards Zhu Rong.

hum!

At this moment, Zhu Rong was too lazy to talk nonsense, slowly raised his hand, and a ball of flames churned in his palm. At the same time, the air around him was instantly distorted by the high temperature!

Zhu Rong raised his arm casually and threw the flames away.

It seems random, but everyone around is shaking in their hearts!

"Boom!"

I only saw a few Tangjiabao disciples rushing over, screaming screaming, and the flames set them on fire!

The screams were shrill and shrill, and finally the sound subsided, and none of these Tang Family Fort disciples were left, they were all burned to ashes!

Hiss…

Seeing this scene, not only Tang Qingyun, but the rest of the Tang Jiabao disciples and Shen Man couldn't help gasping for air.

powerful!

The strength of this man is terrifying.

"With this little strength, you also come out to do evil? Waste!" Zhu Rong coldly squeezed out a sentence, standing proudly with his hands behind his back, indescribably wild and unruly.

At this moment, Tang Qingyun reacted, looked at Zhu Rong blankly, and asked stammeringly: "Don't blame the senior, dare to ask the senior

‘s name?” “Zhu Rong!” Zhu Rong responded indifferently.

What?

Hearing this, Tang Qingyun’s body trembled suddenly, and he almost sat on the ground.

Fire…. Vulcan Zhurong?

Is this person Zhu Rong, the God of Fire?

In an instant, Tang Qingyun and several people were so frightened that they were dripping with cold sweat.

“She is my younger brother and sister. If you dare to be so rude, you will die.” At this time, Zhu Rong swept a few Tang Qingyun coldly, and said coldly, no doubt.

Gudong.

Chapter 1907

Tang Qingyun swallowed a mouthful of saliva, squeezed out a smile, and said respectfully: “Senior Zhu Rong, misunderstanding, it is all misunderstanding, we are all people in the world, how dare you bully a woman? Excuse me…”

Said, Tang Qingyun greeted the remaining disciples and left in despair.

call!

When Tang Qingyun and the others walked away completely, Shen Man calmed down, but her delicate body was still trembling.

She was an ordinary person, and she suddenly saw the strength of the people in the rivers and lakes, especially the few Tang Jiabao disciples just now, who were burned to ashes, and she was shocked.

The next second, Shen Man looked at Liu Xuan and couldn’t help but ask gently, “Xuan’er, what the hell is going on, who are these two seniors…”

“Mom!” Liu Xuan smiled slightly, He opened his mouth to comfort him and said, “Don’t be nervous, this is Yue Feng’s sworn brother, called Zhu Rong, this is Senior Shennong and a friend of Yue Feng. I can restore my appearance, and it is all thanks to this Senior Shennong.”

What?

Hearing this, Shen Man’s body trembled, completely dumbfounded.

Shennong? Zhu Rong?

These are all famous figures in history. One is Yue Feng's sworn brother and the other is Yue Feng's friend?

…..

On the other side, the Ouyang family.

call!

I don't know how long he was in a coma, but Yue Feng finally woke up.

"Yue Feng!"

As soon as he opened his eyes, he heard a gentle voice, Yue Feng turned his head to look, and saw Xiao Yuruo sitting by the bed, affectionate and gentle, with worry in his eyes.

Yue Feng sat up and smiled bitterly: "How long have I been in a coma?"

"Seven or eight hours, it's already dark outside." Xiao Yuruo took his hand and hesitated: "The funeral of the adoptive father is also over. Come on, Yue Feng, don't be too uncomfortable, seeing you like this makes me feel so distressed." Is the

funeral over?

Hearing this, Yue Feng's heart was filled with sorrow and grief again, and at the same time he secretly comforted himself.

The funeral is just a form. The most important thing now is to find a way to find Aunt Jiang and Qingyan, and to seek revenge for Duan Yu as soon as possible.

Thinking to himself, Yue Feng looked at Xiao Yuruo and felt distressed: "Yuruo, I have wronged you during this time."

Yue Feng clearly saw that Xiao Yuruo had lost a lot of weight after not seeing him for a while. After being caught, he suffered a lot in prison.

Not only Xiao Yuruo, but also Qin Rongyin, several fairies, and Sun Dasheng, Yue Feng felt guilty.

"Miss Yuruo!"

Just as he was talking, a disciple of the Ouyang family called out, his tone was very polite: "Young master is awake?"

“Awake!” Without waiting for Xiao Yuruo to respond, Yue Feng said, “Is something Come in and talk.”

As soon as he finished speaking, the disciple pushed open the door and walked in, respectfully saying, “Young master, two women are visiting, saying they want to see the young master.”

Visiting?

Yue Feng was stunned for a moment and asked, “Who is it?”

Could it be that Zhou Qin knew that he was back and came here specifically to make trouble.

“Master Hui, they are two stars.” The disciple looked complicated and quickly responded: “One is called Li Qin and the other is called Tang Lan.”

Are they?

Hearing this, Yue Feng’s eyes flashed, and he quickly got out of bed: “Go, go and see!” The voice fell, and he walked out quickly.

At this time, Yue Feng was in a very complicated mood.

Li Qin and Tang Lan, one was his classmate and the other was his teacher, and later both joined their own entertainment companies. Over the years, their fame has become very popular, and they are both super first-line stars! Has countless fans!

The two of them became popular, and their careers were even busier. How could they suddenly come to find themselves?

Chapter 1908

Yue Feng went out and came to the hall, and saw Li Qin and Tang Lan, already waiting there.

call!

At this moment, seeing Li Qin and Tang Lan, Yue Feng couldn’t help taking a deep breath, and he was also secretly admiring.

I have to say that Li Qin and Tang Lan are worthy of being born to be stars. They have not seen each other for a few years and have become more beautiful.

Today, Li Qin is wearing a hip-packed skirt, showing her perfect and sexy figure to the fullest. The almost S-shaped curve will make it difficult for any man to calm down when he sees it.

Go to see Tang Lan again, wearing a long red dress, which is extraordinarily charming and charming, yet dignified and elegant.

“Yue Feng!”

Li Qin and Tang Lan looked happy when they saw Yue Feng coming in, and quickly got up and greeted them.

“Li Qin, Teacher Tang, why are you free to come to me today?” Yue Feng said with a smile. Although the funeral of the adoptive father had just ended, Yue Feng was in a heavy mood, but he still greeted him with a smile.

“Brother Feng, Teacher Tang and I are in trouble.” Li Qin bit his lip and said.

Tang Lan next to him nodded.

In the next second, Li Qin breathed a sigh of relief and continued: “Yue Feng, before your hill entertainment company was suppressed by the forces of the rivers and lakes, after it closed down, we found another entertainment company, but the owner of this entertainment company , He Xincheng, but he was plotting against us. What’s more hateful is that he made an unreasonable request. After we rejected him, he used his relationship and directly blocked me and Mr. Tang. Now in the entire entertainment industry, no one is looking for me and Mr. Tang. ..”

As he spoke, Li Qin was full of grievances: “Then He Xin said, as long as Teacher Tang and I promise to accompany him for one night, the ban will be lifted.”

When he said the last sentence, Li Qin’s face was extremely blushing, and his eyes Flashes of anger.

Tang Lan next to her was also trembling.

Ten days ago, the boss of the new company, He Xinxin, invited Li Qin and Tang Lan to dine in the hotel. After drinking, they revealed their true colors. They fascinated Li Qin and Tang Lan with drugs and took them to their villa. Fortunately, they were halfway there. , met Sikong Yanran and her four brothers, and she was not humiliated.

But the matter didn’t end, He Channel didn’t succeed, became angry, and directly used the relationship to block Li Qin and Tang Lan.

Under such circumstances, Li Qin and Tang Lan were completely desperate. They got news today that the Ouyang family held a funeral and Yue Feng was back. Li Qin and Tang Lan didn't have time to think about it, so they hurried to Yue Feng for help.

Hearing this, Yue Feng's face instantly turned gloomy.

Before, after Zhou Qin sat on the head of the martial arts alliance, he instructed various sects to eradicate any forces related to Yue Feng, including these things, Yue Feng knew. But Yue Feng never thought that the suppression this time had caused him such a heavy loss that even Shanqiu Entertainment was forced to close down.

Yue Feng smiled slightly and said to Li Qin, "Don't panic, I'll handle this matter." After

speaking, Yue Feng did not forget to give Tang Lan a comforting look, indicating that he was not afraid.

Jingle Bell.

Just as he was talking, suddenly Li Qin's cell phone rang, and it was a message, which was sent by He Channel.

Yue Feng motioned to Li Qin to open the message, and saw the message: Li Qin beauty, have you and Tang Lan considered it? I will hold a dinner party at the Zhongzhou Hotel tonight. If you and Tang Lan think about it, come together. After the banquet, we will have a good communication in the room. As long as you satisfy me, I will lift your ban, and, In the future, I will give you the best resources. Don't miss this opportunity, and you will never come back.

Swish!

As soon as they saw the information, Li Qin and Tang Lan were both blushing and angry.

Li Qin took Yue Feng's arm and said anxiously, "What should I do, Brother Feng…"

Tang Lan, who was next to him, also looked at Yue Feng nervously. At this time, neither she nor Li Qin paid attention.

call!

Yue Feng breathed a sigh of relief, smiled and said, "It's okay, I will accompany you to the dinner tonight to see this He Channel."

Chapter 1909

After all, Li Qin and Tang Lan have helped themselves to make a lot of money before, so of course they have to help them.

….

At eight o’clock in the evening, the Zhongzhou Hotel was brightly lit.

Zhongzhou Hotel is the highest-grade hotel in Donghai City. It is located in the city center. It is very beautiful with bright lights at night.

Tonight, He Channel, the president of Chenxing Entertainment, is holding a banquet here.

Originally, the most powerful player in the entertainment industry was Shanqiu Entertainment under the name of Yue Feng, but after being suppressed by Zhou Qin and going bankrupt, Chenxing Entertainment took the opportunity to rise, and in just one year, it became the largest company in the entertainment industry.

At this time, the banquet hall of the hotel was refurbished, showing gorgeousness everywhere, which can be said to be magnificent.

Those who came to this banquet celebration today can be said to be business celebrities from the entire Zhongzhou City, as well as the bosses of various entertainment companies, and some popular stars.

It can be said that the specifications and grades of this banquet are first-class and top-notch.

At 7:30, the banquet was about to start. Yue Feng, Li Qin, and Tang Lan rushed to the hotel and entered the lobby.

Swish!

As soon as the three Yue Feng appeared, they immediately attracted the attention of many people around them.

Of course, most of them look at Li Qin and Tang Lan.

Tonight, Li Qin and Tang Lan put on sexy evening dresses, which are extremely charming.

However, there are also a lot of eyes focused on Yue Feng.

“I’m going, Li Qin and Tang Lan, they are worthy of being very popular stars, they are so beautiful.”

“I heard that they were banned and haven’t appeared in the public eyes for a long time, why are they here suddenly?”

“Who knows, and who is the man next to them?”

“I don’t know, the driver!”

Speaking of which, Yue Feng used to be famous in the business world, but in the past ten years, Yue Feng has been busy with matters in the arena Son, don’t care about the business world anymore, after a long time, these people in the business world have forgotten about Yue Feng.

More importantly, with the continuous improvement of Yue Feng’s cultivation strength, the current temperament is not comparable to that of the past. Therefore, some people who have seen Yue Feng before will not recognize Yue Feng again.

“Whoops, Li Qin and Tang Lan are here!”

As soon as the three of Yue Feng entered the hall, an uncomfortable voice came from the front, and the tone was smug and abusive!

Hearing the sound, he saw a man in a suit, accompanied by a bodyguard, walking over.

The man is about forty, very stylish, with a gentleman’s beard, very gentleman’s appearance, it is He Xin.

But Yue Feng felt that this man’s eyes were full of sinister and cunning. This He Xin is obviously a hypocrite. In fact, everyone has a unique temperament. For example, a gangster has the temperament of a small gangster, and he is a fool wherever he goes. For example, a big boss in business also has a unique temperament and is generally more stable. This He Xin, the temperament on his body, makes people very uncomfortable, and at first glance he is a hypocrite.

At this time, He Xinxun walked up to him and said to Li Qin with a smile, “Beauty Li Qin, beauty Tang Lan, I’m very happy that you can come.”

He Xinxun deliberately took a step closer and lowered his voice. , continued: “It can be seen that both of them are smart people. In the current entertainment industry, it can be said that I have the final say. As long as you are willing to cooperate, you can get the best resources. After the banquet is over, we will go to rest. , I specially reserved a room, the bed is big enough for the three of us together, hehe…”

At the end, He Xinxun laughed slyly, and at the same time, his eyes kept moving back and forth on Li Qin and Tang Lan.

And when he said this, He Xin didn’t even look at Yue Feng.

And like everyone else, He Xin also believed that Yue Feng should be the driver of Li Qin and he didn't need to take it seriously.

Chapter 1910

Swish!

Hearing He Xin's words, Li Qin's and Tang Lan's faces turned red all of a sudden, and their delicate bodies trembled faintly.

This is the banquet hall. It is disgusting that He Xin should say such blatant words.

Seeing that Li Qin didn't speak, He Xin rolled his eyes and said with a smile: "What? I'm sorry, you two? Well, I'll prepare an extra room later, and I will communicate with the two beauties separately, so that it won't be embarrassing. Haha…" The

voice fell, and He Xin laughed outrageously.

The two beauties finally compromised, can you not be happy?

"You…"

Finally, Li Qin's delicate body trembled, and he couldn't help but speak, when Yue Feng blocked her face.

"You are He Channel? The president of Chenxing Entertainment?" Yue Feng looked directly at He Channel and asked coldly.

He Xin's expression changed suddenly, looking at Yue Feng, his eyes darkened.

Nima, a driver dares to babble about it?

Moreover, there is also a filial piety on his arm? Brain is sick.

He glared at Yue Feng and shouted angrily: "If you know who I am, you still dare to interject. Believe it or not, I will make you lose your job? You are not qualified to speak here, so get out of your way."

"Crack!" The

voice just fell , Yue Feng slapped without warning, and slapped He Xin's face directly.

For this slap, Yue Feng didn't use his internal strength, otherwise, I was afraid that He Xin's head would be pulled off. After all, Yue Feng is now approaching the Tribulation Transcendence Realm, and a slap is not something ordinary people can withstand.

Even so, this slap made He Xin groan, and his whole body was slammed into the air, flying several meters away, hitting several wine stands, and finally falling to the ground.

hiss!

Seeing this scene, everyone around came over one after another, looking at Yue Feng in astonishment, and they were all dumbfounded.

Who is this person? Dare to do something to Mr. He.

Looking for death?

Yue Feng didn't pay attention to the eyes around him, and stared at He Xin closely, with a dazzling light in his cold eyes.

To be honest, Yue Feng didn't want to do it as soon as he came up, it was a bit barbaric.

However, the death of his adoptive father made Yue Feng feel very depressed. In addition, what a foul language, it was very ugly, Yue Feng couldn't help it.

Anyway, this kind of scum just needs to be cleaned up, and it doesn't matter.

"You…"

At this time, He Xin covered his face and yelled at Yue Feng: "Little bastard, you dare to hit me, I told you to lie down today!"

He Xin said, darting around. He shouted: "Come here, come here!"

At this time, He Xin was furious. The president of his dignified entertainment company was beaten up by a driver. If this matter spreads out, how can he still be involved in the entertainment industry in the future?

Whoops!

In an instant, I heard He Xin's call, and a man in a black suit walked over with a dozen hotel security guards.

The man in the black suit is the manager of the Zhongzhou Hotel, Zhang Tao!

When he got to the front, Zhang Tao was startled when he saw the slap print on He Xin's face: "Boss He, what's the matter?"

"Manager Zhang, your Zhongzhou Hotel is also a first-class venue, why is everyone in it?" He Xin was extremely annoyed and shouted.

With that said, He Xin pointed at Yue Feng and roared loudly: “I was beaten by this little bastard, beat him to my knees, and kowtow to me to make amends.”

What?

Hearing this, Zhang Tao was stunned for a moment, and then became extremely angry.

He Xin is a senior VIP of the hotel, but he was beaten up. If something goes wrong, it is the responsibility of the hotel. As a manager, how can he handle it?

The next second, Zhang Tao looked at Yue Feng coldly, and shouted angrily: “Boy, did you hear what Boss He said? Hurry down and apologize, or else…” The

voice fell, and more than 20 security guards were behind him. Put your hands on the back waist, and then pull out the swing sticks one by one.

The ultimate husband in Chinese chapter 1911-1915

Chapter 1911

Call!

Seeing this scene, the surrounding guests quickly retreated into the distance. At the same time, each of them pointed at Yue Feng and whispered.

“This kid has never seen the world at first glance, so he dares to provoke He Xin.”

“Now the hotel manager is alarmed, I’m afraid this kid will suffer…”

“Never mind, this kid deserves it!” During the

discussion , No one sympathizes with Yue Feng, they all think that he is self-inflicted, after all, He Xin is now a big man in the entertainment industry, and not everyone can afford it.

call!

Seeing that the situation was not good, Li Qin and Tang Lan were both nervous.

Immediately, Li Qin quietly pulled Yue Feng and said worriedly: “Yue Feng, what should I do?”

There are so many people on the other side, but Yue Feng is only one person, can it work?

At the same time, Tang Lan bit her lip tightly, almost bleeding from the bite, her delicate body trembled, and she was unspeakably uneasy.

They all know that Yue Feng is very strong, but there are too many people on the other side, and these security guards are not weak in practice.

“It’s okay!” Yue Feng smiled and comforted.

Immediately, Yue Feng looked directly at Zhang Tao and said indifferently: “What if I don’t apologize?”

Seeing Yue Feng still not convinced, He Dao shouted angrily: “Manager Zhang, what are you talking to him, kneel for him? Come on, fight to the death!”

This chapter is provided by . Visit for daily update.

Alright!

Zhang Tao no longer hesitated, and waved his hand suddenly: “Give it to me, hit him until he kneels down and kowtows to Boss He and admits his mistake.”

Hula.

As soon as the voice fell, a dozen security guards, holding sticks in their hands, surrounded Yue Feng.

Looking at the dozen or so security guards rushing over, Yue Feng chuckled and raised his hand gently.

hum!

A powerful aura erupted from Yue Feng’s body, like a hurricane, sweeping towards the surroundings! Yue Feng is close to the breath of Transcending Tribulation Realm, and the people around him are almost out of breath, and they are extremely flustered!

More than a dozen security guards also changed their faces, and quickly stopped.

“Come up if you don’t want to die.” Yue Feng looked indifferent, glanced at the security guards, and said coldly. It wasn’t loud, but it spread throughout the audience.

Under the suppression of Yue Feng’s aura, more than a dozen security guards looked uglier than each other!

quiet!

At this moment, the entire hotel lobby was deadly silent.

Strong, too strong!

The people present were all business elites, and none of them were fools. You could guess at once that the person in front of him was not simple.

Gudong!

At this moment, Zhang Tao reacted, looked at Yue Feng and asked cautiously: “Dare to ask Mr., your surname is your name.”

“Yue Feng!” Yue Feng said lightly.

What?

Hear this! The audience was shocked.

Yue Feng? He is Yue Feng, the hero who once resisted the Apocalypse army, the Sect Master of Tianmen?

In an instant, Zhang Tao felt that he could not stand still!

Not only that, He Xinxing and the others around him were also shocked, staring blankly at Yue Feng, speechless.

You must know that Yue Feng's name is too loud in the Earth Circle Continent, and almost everyone in all walks of life knows it, but I didn't expect such a big person, so low-key, to accompany the two stars Come to the banquet.

Who would believe this if he hadn't seen it with his own eyes?

Chapter 1912

"Yue Feng!"

Finally, He Tao reacted and looked at Yue Feng in shock and anger: "So you are the sect master of Tianmen, I ask you, we have no grievances or enmity, why did you hit me as soon as we met? "

Speaking, He Tao looked around and shouted: "Even if you are a mainland hero, you can't beat people for no reason. Is there any reason?" When he said this, He Tao looked righteous.

To be honest, knowing that the other party was Yue Feng, He Xin was very flustered, but when he thought that he had not had a holiday with him, he suddenly felt confident.

Even if you are Tianmen Sect Master, you have to be reasonable.

Whoa!

The voice fell, and a heated discussion broke out in the audience.

"Yeah, what Boss He said is right."

"As the sect master of Tianmen, to beat an ordinary person who has not cultivated, isn't this bullying?"

"It's too lawless to do whatever

you want." All the discussions are saying that Yue Feng is wrong. Although he has made contributions to the Earth Continent and is worthy of respect, it is not right for Yue Feng to play any channel for no reason.

Yue Feng ignored everyone's discussion, but looked at He Xin with a half-smile.

"Why beat you?" Yue Feng sneered and said bluntly: "He Xin, as the CEO of an entertainment company, you used your power to bully female stars, threatened them with bans, and wanted them to compromise… You kind of person. Scum, shouldn't we fight?"

Whoosh!

As soon as the words fell, the entire hall was in an uproar. Many people saw Li Qin behind Yue Feng and immediately understood something.

It turns out that Yue Feng came here specifically for Li Qin and Tang Lan.

"I…"

He Xin blushed, opened his mouth, and was speechless for a while.

To be honest, this matter is indeed self-defeating.

But….

at this moment, He Xin suddenly thought of something, and stiffly defended: "Sect Master Yue, is there any evidence for what you said? If there is any, please take it out and let everyone see it.

" At these times, He Channel's eyes flashed with cunning.

Yes, during this time, He Channel has been using phone calls and text messages to threaten Li Qin, but the content is not visible. He expected that Li Qin and Tang Lan would not dare to take them out. After all, they were female stars and wanted shame.

Swish!

This time, the eyes of the people around them all converged on Li Qin and Tang Lan, waiting for the two of them to come up with evidence.

However, Li Qin and Tang Lan bit their lips tightly, blushing.

The two of them did have evidence in their hands. The information He Channel sent before was just that there were too many foul language in the information, so how could they show it to everyone?

You must know that celebrities are public figures, and they are most concerned about their reputation. Once negative news is spread, even if it is not their own problem, it is not easy to continue to develop in the entertainment industry.

Nima!

Seeing this scene, Yue Feng frowned and cursed inwardly.

This He Xin is too despicable. He expected that Li Qin would not dare to publish the evidence, so he began to feel confident.

It's truly invincible.

Seeing Li Qin hesitating and not showing evidence, He Xincheng looked smug: "I can't show evidence, what else does Sect Master Yue have to say?"

call!

Yue Feng took a deep breath and looked at He Channel coldly: "He Channel, let's not talk about the evidence, you blocked Li Qin and Tang Lan, it's a fact."

He Xin shrugged, with a sly face, smiling Said: "Sect Master Yue, don't blame me. When the two of them signed with our company, I arranged a new movie for them, but they refused and did not obey the company's arrangement. I won't block them, who should I block?

" You're lying!"

As soon as he finished speaking, Li Qin was so angry that he said directly, "That movie can't be played at all, inside…"

Halfway through, Li Qin's body was trembling, and her delicate face was full of shame and anger. , can't go on.

Chapter 1913

Before He Xincheng, he did arrange a movie for Li Qin and Tang Lan, but there were too many inappropriate plots in it. Li Qin and Tang Lan are both pure and self-loving women, how can they act?

And He Xin said this deliberately, which is obviously an excuse.

Yue Feng's mind was quick, and when he saw the reactions of Li Qin and Tang Lan, he immediately guessed the reason.

"Haha…"

At this moment, He Xin revealed a smile, looked at Yue Feng and said, "Sect Master Yue, let's talk about it, you were banned by me because of Li Qin, you can't stand it anymore, come and help them. I can understand the breath. However, this is a matter of

our entertainment industry, and Sect Master Yue is concerned about the rivers and lakes, so don't get involved in our entertainment industry."

He Xinxun made a big gesture. Appearance: "Furthermore, I'm not a person who cares too much. Sect Master Yue has made contributions to our continent. If I slap you, it's nothing, forget it." The

voice fell, and many people around nodded in praise.

"Boss He is so arrogant."

"With such an open mind, it's no wonder that Chenxing Entertainment has become the largest company in the entertainment industry."

"I admire it." What the

hell?

Hearing this, Yue Feng was both angry and funny.

This He Xin is not only insidious, but also cunning.

"So, don't you plan to give me an explanation about Li Qin and Tang Lan?" Yue Feng squinted, looked at He Xin, and said coldly.

"Sect Master Yue!"

He Xindao put on a very innocent look and smiled bitterly: "You don't know, Li Qin and Tang Lan refused the company's arrangement and violated the contract. I blocked them and didn't ask them to pay liquidated damages, which is already very good, you What do you want me to do?"

After speaking, He Tao sighed and continued: "Sect Master Yue, you are a big boss in the arena and don't understand the situation in the entertainment industry, so I still say that, don't interfere, okay? ?" The

words were extremely sincere.

I have to say that He Xin is too treacherous, this trick is to retreat, and it is used very well. Everyone around can't stand it anymore.

"Yue Feng, even if you are the sect master of Tianmen, you can't interfere in other people's affairs."

"That's right, but a head of the Jianghu sect, you still want to take care of everything?"

“Boss He was slapped by you, You don’t even care about it, but you are still pressing step by step, it’s too much.”

For a time, many people criticized Yue Feng loudly.

Nima!

Facing the situation in front of him, Yue Feng was extremely depressed, and a fire burst into his heart.

Originally, it was He Xin who did it, but now he did it, as if he was wrong.

Really interesting.

“Haha!”

Seeing this scene, He Tao couldn’t be complacent, haha, what if you were the Sect Master of Tianmen? The cultivation strength is strong, but you are too tender to fight with me in terms of human relationships.

Thinking to himself, He Tao smiled and said to Yue Feng: “Sect Master Yue, let’s not mention this matter. Since you are here, have a good drink.”

Immediately, He Taoyu turned around, with a bit of cunning in his eyes, and continued: “However, Sect Master Yue can’t bear to see Li Qin and Tang Lan being banned, if you want to help, you can ask me, as long as Sect Master Yue is willing to beg me, maybe I will agree and lift their ban.”

When he said this, He Xin was full of pride.

Although He Channel is the owner of an entertainment company, he often pays attention to the affairs of the rivers and lakes.

To be honest, if He Tao had known that the other party was Yue Feng a year ago, he would never have dared to do so. After all, as the Sect Master of Tianmen, Yue Feng’s reputation in the Earth Circle Continent was booming.

But in the past year, after Zhou Qin became the leader of the martial arts alliance, he suppressed Yue Feng in all aspects, and achieved great results. It can be said that Yue Feng’s reputation is not as loud as before.

In this case, He Xin was naturally not afraid of Yue Feng. He could see that a person like Yue Feng was the most trustworthy, and he held his own identity. As long as he was not too excessive, Yue Feng would not treat himself like that.

“You asked me to beg you?” Yue Feng was stunned for a moment, as if he had heard it wrong, he squinted at He Xin.

“Not bad!”

He Xin nodded and smiled.

Chapter 1914

In He Channel’s heart, it is indescribably cheerful and excited. Haha…

In front of me is the famous Tianmen Sect Master in the mainland. How many people in the world can make him subdue and plead for mercy?

If Yue Feng really pleaded for mercy in front of so many people, his life would not be in vain.

Nima!

Yue Feng frowned, feeling extremely annoyed.

What is this, it was enough to reverse black and white just now, but now I still have to make an inch? As the sect master of Tianmen, he has never obeyed anyone, so He Xin asked himself to intercede with him? !

To be honest, Yue Feng really wanted to rush over and give He Xian a lesson, but he held back. After all, there were so many people around him watching. He slapped He Xing just now. It was already very reckless. , The people around, it is time to say that they are bullying others.

More importantly, Tianmen has accumulated a good reputation by punishing evil and promoting good for so many years. It is not easy. Can’t go wrong.

If it was a few years ago, Yue Feng would definitely not have worried so much, but now, Yue Feng has calmed down a lot and has to worry about it.

“It’s very lively, what is this doing?”

Just when Yue Feng was secretly depressed, a magnetic voice came.

Swish!

Everyone looked over and saw a young man walking in slowly.

The man is very handsome, and his facial features are sharp and angular. He is the kind of sportsman who is attracted to girls at first sight. He wears a casual suit and is indescribably sassy and suave.

In an instant, many girls in the hall couldn't help covering their mouths, their eyes twinkling with stars.

What a handsome man!

He Xin's eyes lit up, he hurried up to meet him, and said with a smile, "Mr. Peng, why did you come out of the VIP room? I dealt with a trivial matter and went up immediately."

"Mr. Peng?"

"My God, this is Shenglong. Is it President Peng of the group?"

"The Shenglong Group covers all industries in the field of science and technology. It is said that its branches are all over the continent of Kyushu. I didn't expect the boss to be so young and handsome."

The people around couldn't help but exclaimed . .

Yue Feng showed a smile, but he didn't expect to meet an acquaintance here.

Yes, the young man is Peng Kai, the president of Shenglong Group.

Ten years ago, the Liu family had an economic crisis, and the entire Liu family was embarrassed by Liu Xuan. It was Yue Feng who told Peng Kai to buy 51% of the shares of the Liu family in the name of Shenglong Technology and transferred it to Liu Xuan's name. Liu Xuan's status rose and she suddenly became the helm of the Liu family.

However, because Liu Xuan was soft-hearted, the shares were taken back by the grandmother.

Peng Kai nodded at He Channel, his handsome face was full of calm, without the slightest fluctuation.

And He Xin, who was still very proud and confident just now, stood beside Peng Kai at this moment, respectfully, completely lost his previous arrogance and arrogance.

Outsiders all think that the boss of Chenxing Entertainment is He Xin, but in fact, the real boss is Peng Kai.

Two years ago, Chenxing Entertainment was only a small company with insufficient financial resources, and the capital chain often broke. Later, Peng Kai took a fancy to the prospects of this company, injected funds and became a major shareholder.

It can be said that Peng Kai is the real boss of Chenxing Entertainment, and He Xin is just a spokesperson. It can be said that without the support of Peng Kai, it is impossible to develop Chenxing Entertainment into a big company in the entertainment industry in just two years with He Channel alone.

At this moment, Peng Kai was surprised and happy when he saw Yue Feng.

“Brother Feng?” Peng Kai walked over quickly and shouted respectfully.

Yue Feng smiled and nodded.

“He Channel, what’s going on?” Peng Kai frowned, tilting his head to ask He Channel, noticing that Yue Feng’s face was a little wrong.

Peng Kai can be a big business man admired by everyone today, and his intuition is very keen, and he immediately notices that something is wrong.

He Xin hurried over and explained the situation.

At the end, He Xin lowered his voice and said to Peng Kai, “President Peng, it’s just two female stars, and it’s not a big deal.”

When Chapter 1915

said this, He Xin looked relaxed. He Xin could see that Peng Kai knew Yue Feng, but then again, whoever was present didn’t know Yue Feng.

Swish!

At this moment, Peng Kai’s face suddenly changed, and he was extremely angry.

Mad, how dare this idiot fight against Brother Feng?

“Crack!” In the

next second, Peng Kai raised his hand suddenly, and slapped He Channel’s face with a slap. The slap used almost all his strength, and He Xin covered his face, his face swollen high.

“Mr. Peng!” He Tao shouted, and almost didn’t cry: “Even if Yue Feng is the sect master of Tianmen, but I didn’t provoke him, but he was slapped, I didn’t say anything, and he wanted to help two Female star, I’ll let him beg me, yes!”

“Clap!”

Another slap in the face, Peng Kai shouted: “Yes? You gave me your special code and said you were right? What are you? Something? Also want Brother Feng to ask you?”

Peng Kai trembled with anger, stared at He Channel and said, “He Channel, from now on, Chenxing Entertainment has nothing to do with you, and at the same time I announce that Chenxing Entertainment, Brother Feng’s name.”

What? !

At this moment, the entire hall was silent!

He Xin was completely stupid! He knew that before Yue Feng founded Tianmen, there were many industries in the business world and he knew many business leaders, but that was the past. He Xin never dreamed that Mr. Peng, whom he relied on, would be so respectful to Yue Feng, and, without saying a word, gave Chen Xing Entertainment to Yue Feng.

Li Qin and Tang Lan are also stupid!

Li Qin and Tang Lan saw that the business boss in front of him, Peng Kai, who almost monopolized all the technology industries in Diyuan Continent, was standing in front of Yue Feng with a respectful face!

I thought that the quarrel between Yue Feng and He Xinxing would eventually end, but I never thought that the situation would turn around so quickly.

Everyone around looked at Yue Feng blankly, speechless.

Just now, He Channel relied on his status as the boss of the entertainment company to force Yue Feng to intercede, but in a blink of an eye, Yue Feng became the boss, and He Channel had nothing.

It’s incredible.

Is this Yue Feng’s contacts? It’s too powerful, he is worthy of being the sect master of Tianmen, the hero who once saved the Earth Circle Continent.

puff.

At this time, He Xin was covered in cold sweat and knelt down in front of Yue Feng: “I was wrong, Sect Master Yue, I was blinded by lard just now and offended you. Your lord, please go around me this time.

” , Yue Feng didn’t even look at him. In this world, some people can be forgiven, and some people can’t.

Feeling Yue Feng’s indifference, He Xin was completely paralyzed on the ground, wanting to cry without tears.

He Xin was very regretful at this time. If I knew this earlier, I shouldn’t get carried away and provoke Yue Feng, but it’s too late to say anything now.

“Brother Feng!”

At this moment, Peng Kai respectfully said to Yue Feng, “It’s been a long time since I saw you. We must have a good drink tonight while taking advantage of this dinner party.”

“Next time.” Yue Feng waved his hand : “By the way, Chenxing Entertainment, you should find someone else to run it. I don’t have time to run it. Also, Li Qin and Tang Lan, you can take care of it.”

These years, the rivers and lakes have been strife, how can I have time to run the company?

“Okay!” Peng Kai nodded quickly.

Yue Feng said no more, and after saying goodbye to Peng Kai, he strode out of the hall.

call!

When he got outside, Yue Feng looked at the brightly lit Zhongzhou City, his mood was not relaxed in the slightest, but extremely heavy.

At this moment, Yue Feng thought of Ouyang Zhennan.

On the Earth Circle Continent, there should be nothing to do for the time being, and he should go to Duan Yu to avenge his adoptive father.

Even if you fight for this life, you have to avenge your adoptive father, even if you fight for your own life!

The ultimate husband in Chinese chapter 1916-1920

Chapter 1916

One day later, Xi Cang Continent! Palace!

The weather is nice and sunny today. It's raining continuously!

In the palace, the dragon flag fluttered, and in the hall, there was a lively celebration.

I saw that in the hall, there were nearly a thousand seats, civil and military officials, sitting in order, all with smiles and compliments.

Duan Yu, dressed in a dragon robe, sat on the dragon chair with a smile on his face.

Yes, today is the day when Duan Yu officially ascended the throne. He specially entertained the ministers in the main hall.

At this time, the civil and military officials stood up one after another and toasted Duan Yu.

"Congratulations, Your Majesty, to be crowned as a great treasure." "Long live Your Majesty, it is God's will to ascend

the throne today, and it is also the blessing of my Xi Cang Continent.

"

When it came, Duan Yu was in a very comfortable mood, raised his glass and laughed: "Okay, okay, I can successfully ascend to the throne, and I can't do without the assistance of all the Aiqings. You have contributed a lot. Today, I and all of you Aiqings, have a good drink. A few cups."

Om!

"Duan Yu, come out and die!" At this moment, only a roar was heard from the sky outside!

The civil and military officials in the hall, as well as the guards in the palace, were shocked by this roar, and their hearts trembled, and they all looked for the voice!

Seeing this, everyone was stunned!

This chapter is provided by . Visit for daily update.

I only saw that there was a huge figure in the sky, flying very fast!

This is a giant beast, with a body of more than fifty meters long. It looks like a tiger but not a tiger. It has a dark purple body and a pair of wings on its back.

It is the same beast as the Green Dragon and White Tiger, Qiong Qi!

On Qiongqi, there is a man standing, this man, with knife-like facial features, is extremely cold! It is Yue Feng!

Yue Feng stood on Qiongqi, majestic! But there was no arrogance in his expression, but endless pain and hatred, and a terrifying murderous aura all over his body.

Silence! Not only the imperial palace, but the entire imperial city is silent! Everyone looked up at Yue Feng!

“Roar!”

At this moment, Qiong Qi, who was at the foot of Yue Feng, suddenly let out a huge roar!

In the next second, Qiong Qi swooped down and landed at the entrance of the main hall. The guards on both sides had no time to react, and was struck by lightning on Qiong Qi’s body. Before he could scream, he fell into a pool of blood.

Whoa!

After a few seconds of silence, there was an uproar in the entire hall!

“Yue Feng, the sect master of Tianmen?”

“How dare you break into the palace?”

Over the years, Yue Feng’s reputation has spread all over the continent of Kyushu, who doesn’t know it?

Yue Feng?

Duan Yu’s pupils shrank, and he stared at Yue Feng with a gleam of brilliance.

The kid finally showed up.

boom!

The next second, Duan Yu slammed the dragon chair down, stood up suddenly, and sneered at Yue Feng: “Yue Feng, you have been hiding for more than ten years, and finally you are willing to show up!”

With that said, Duan Yu saw the filial piety belt on Yue Feng's arm, and the corner of his mouth raised a hint of abuse: "Are you still keeping filial piety for Ouyang Zhennan? You don't need to be too sad, when I killed him, I did it neatly and didn't let him suffer. Too much suffering. And your adoptive mother, I didn't let her suffer any grievances, she was served in the prison with delicious food and drink."

Shuh!

Hearing this, Yue Feng's eyes were extremely blood-red, and his body was filled with suffocating anger, surging with anger!

"Duan Yu, I, Yue Feng, will not be a human if I don't cut you to pieces!" A cold voice came from Yue Feng's mouth. ferocious.

Thinking of Ouyang Zhennan's death, Yue Feng was filled with anger.

This anger completely made Yue Feng lose his mind.

And Duan Yu's remarks just now undoubtedly poured more oil on Yue Feng's anger.

Chapter 1917

Om!

The voice fell, and a powerful breath erupted from Yue Feng's body, and the figure turned into an illusory afterimage, coming straight towards Duan Yu. In an instant, the air in front of him was distorted, and the power was amazing!

Seeing Yue Feng attacking, Duan Yu didn't panic at all. On the contrary, excitement flashed in his eyes, and his whole body was filled with endless fighting intent.

During this period of time, Duan Yu thought of pulling Yue Feng out all the time. How could he be unhappy when he saw him take the initiative to send him to the door.

"Yue Feng!" Duan Yu sneered and said coldly, "Who will stand at the end today, not sure! You are the only one here?"

"I am the only one." Yue Feng's eyes were cold.

"Where did you get the courage?" Duan Yu raised the corners of his mouth.

"I alone will be enough to kill you." A low voice came from Yue Feng's mouth.

"Then go to death!" Duan Yu rushed forward with red eyes!

clang!

The next second, Yue Feng and Duan Yu's palms collided, and a tyrannical fluctuation of internal force swept the audience! The air that attracted the entire palace was twisted!

When I heard Duan Yu groan, the whole person was shocked back!

Dengdeng….

Duan Yu's face was extremely ugly, and he staggered back a dozen steps before he stabilized his figure, and was extremely shocked in his heart. You must know that his current strength is already beyond the Tribulation Realm, and Duan Yu's internal strength is also extremely deep, but this palm has not even beat Yue Feng?

At this time, Duan Yu did not know that although Yue Feng was not in the Tribulation Realm, he was still at the peak of the fifth stage of Martial Sovereign. Moreover, he practiced the Pure Yang Sutra, and his internal strength was extremely pure. The power is naturally amazing.

puff…

At this moment, Duan Yu looked at Yue Feng in shock and anger, his face was as red as blood, and he spit out a mouthful of blood.

Yes, that palm just now, Yue Feng hurt Duan Yu's heart.

hiss?

Seeing this scene, the civil and military officials present couldn't help gasping for air, and they were all stunned and speechless!

one move?

Just one move, this Yue Feng, hurt Your Majesty?

They all know that Yue Feng, as the sect master of Tianmen, is powerful.

But Duan Yu was not a generalist either. Back then, he was named Prime Minister by Emperor Xi Cang, and he led the army of Xi Cang to conquer the east and west. He was invincible and never lost. It can be said that it was a great battle, but now, it was actually injured by Yue Feng.

This… This Yue Feng's strength is too terrifying, right? !

But… he's just a fifth-rank Martial Emperor.

"Duan Yu, today is your day of death!" Yue Feng shouted, his body was filled with anger, and he rushed over again!

“Come on!” Duan Yu snorted coldly, but he was not afraid!

However, after shouting, Duan Yu did not meet again, but with a flash, he retreated into the hall.

“Here!”

At this moment, Duan Yu wiped the blood from the corner of his mouth, pointed his finger at Yue Feng, and roared wildly: “Take Yue Feng to me, whoever can take his head on his neck will be rewarded heavily… .”

When he shouted the last sentence, Duan Yu’s eyes flashed with madness.

It’s really abominable. I was just careless just now, but I was injured by Yue Feng. I was already the emperor of Xi Cang Continent, but I suffered from the loss of the enemy. How can I bear it?

Today, Yue Feng must die! !

In the past, even if Duan Yu was injured, he would have personally shot and fought Yue Feng to the death, but after becoming emperor, Duan Yu became more cautious and would not take risks like before.

Swish swish…

The voice fell, and more than a dozen generals in the hall, as well as the palace guards gathered from outside, burst into internal force and rushed towards Yue Feng!

The overall strength of Xi Cang Continent is on the upper side in the Kyushu Continent, so these palace guards and military generals are not low in strength, and most of them are in the realm of Martial Emperor and Martial Saint.

So many people broke out together, and the breath gathered was amazing.

Huh…

Seeing the palace guards and generals rushing up, Yue Feng didn’t panic at all, on the contrary, the anger in his heart was completely aroused, he looked crazy, and roared: “Come, come, today I will let all of you here. Everyone is buried with my adoptive father, and everyone is buried with my adoptive father!”

Chapter 1918

Even if there are thousands of enemies! He Yue Feng is not afraid at all!

The voice fell, Yue Feng’s whole body aura soared, and he slowly raised his hands!

“Death to me!”

“Big! Broken! Heaven! Technique!” A

frantic roar came from Yue Feng’s mouth. The moment the voice fell, the air around his body suddenly tore apart, and an extremely strong storm formed in an instant. The rushing crowd swept away.

“Ah!”

In an instant, under the terrifying power raging, hundreds of royal guards and military generals screamed constantly, one by one fell from the air and fell into a pool of blood.

hiss!

Seeing this scene, apart from Duan Yu, the surrounding civil and military officials all trembled, and they couldn’t help gasping for air!

It’s… too strong.

Yue Feng is only one person, so terrifying, so many people, he can’t even stop him!

Duan Yu’s pupils contracted slightly, and he silently urged his inner strength to repair his heart, and his heart became more and more angry!

In Duan Yu’s heart, Yue Feng was not only a nemesis, but also a serious worry. Seeing that Yue Feng’s strength was much stronger than before, the killing intent in his heart was even stronger.

This Yue Feng, who has not yet reached the Tribulation Realm, is so strong. If he does not get rid of him today, there will be endless troubles in the future.

“Go!”

Thinking to himself, Duan Yu yelled wildly at the surrounding: “Everyone, give it to me, no matter what today, I will kill Yue Feng and kill him.”

When he said this, Duan Yu said Speeding up the recovery of internal strength, Duan Yu was accidentally injured when he competed with Yue Feng just now, which made him very annoyed.

Whoops!

The words fell, and outside the main hall, the Imperial City Imperial Army was swarming. From a distance, it was densely packed, with more than 100,000 people.

Haha…

Seeing the arrival of Tiangang Guard and Imperial City Imperial Guard, Duan Yu looked extremely proud and shouted at Yue Feng: “Yue Feng, you want to kill me with your own strength? Today, don’t you? I want to leave alive.” After

speaking, Duan Yu roared and issued an order: “Take Yue Feng, life or death!”

Whoosh! Whoosh! Whoosh!

The words fell, and the Imperial City Imperial Army shouted loudly, rushing towards Yue Feng like a tidal wave.

“Huh!”

Looking at the hundreds of thousands of Imperial City Imperial Army in front of him, Yue Feng did not panic at all, but his expression was mad: “Since you all want to die, then I will fulfill you.”

At this time, Yue Feng’s body was filled with murderous aura, like a killing god descending. World.

The thought of Ouyang Zhennan’s death made Yue Feng’s heart pierce like a knife.

This time, Yue Feng’s determination is firm, and he will never give up until he kills Duan Yu.

God blocks kill gods, Buddha blocks kill Buddha, whoever blocks will die!

The moment the words fell, Yue Feng raised his hand and waved, a golden light flashed, and a golden pagoda appeared, which was the Linglong Pagoda!

Huhuhu…

The next second, many powerhouses in Linglong Tower roared out one after another! I saw that the one who appeared first was tall and dressed in black armor.

It is Yang Jian’s senior brother, You Yan.

Immediately afterwards, Yuan Tiangang, Pang Tong, the Red-Eyed Bear King and the Chiyan Snake King also appeared in front of everyone.

hiss!

Seeing this scene, the civil and military ministers in the hall were all shocked.

what is this? Where did these strong men come from?

These people in Xi Cang Continent were extremely surprised when they saw Yue Feng display the Linglong Pagoda for the first time.

“Yuan Tiangang, Pang Tong, Hongyan Bear King, Chiyan Snake King… I want you to step down this palace hall and slaughter everyone present!” Yue Feng roared wildly, completely losing his mind!

“Kill!” As the

voice fell, You Yan and Yuan Tiangang, many strong men, burst out one after another, rushing towards the surrounding Imperial City Imperial Army.

In an instant, the two sides fought together, screaming constantly, blood stained the hall, and the sky seemed to be dyed red.

Swish!

At this moment, Yue Feng locked Duan Yu tightly and said word by word, “Duan Yu, you must die today, and no one can protect you.”

Om!

The voice of Chapter 1919

fell, and a terrifying aura erupted from Yue Feng’s body again. In an instant, the surrounding air seemed to be stagnant.

Approaching the aura of Transcending Tribulation Realm, suppressing everyone present, panicked in my heart!

“Kacha!”

Immediately after, with a crisp sound, a gleaming weapon appeared in Yue Feng’s hand.

It was Fang Tianhuaji!

As soon as Fang Tianhua halberd came out, the surrounding temperature suddenly increased a lot, and there was a bloodthirsty aura in the air.

call!

At this time, everyone present couldn’t help but take a deep breath.

Although there are many people in Tiangang Guard and Imperial City Imperial Guard, the weapons in Yue Feng's hands, but Lu Bu was famous in the world back then, comparable to divine soldiers, I'm afraid it will be difficult to suppress him.

Swish swish…

At this moment, dozens of guards came quickly and blocked Duan Yu.

Yue Feng saw that these guards were obviously different from the previous palace guards. They were all wearing purple-gold armor and holding long knives, and their momentum was amazing.

It is the Tiangang Guard of the Imperial Palace of Xi Cang Continent.

The Tiangang Guards were a special escort team established by the Western Cang Emperor in those days. They were specially responsible for the safety of the emperor. They were able to become Tiangang Guards. Each of them was carefully selected and could be said to be the elite among the elites.

After the death of Emperor Xicang, Tiangang Guard became Duan Yu's personal bodyguard.

In the next second, I saw a Tiangang Guard, shouting: "Let's form a formation."

Huh!

When the voice fell, I saw dozens of Tiangang guards move one after another, and their figures cooperated with each other to surround Yue Feng in the middle.

Um?

Yue Feng was stunned and frowned slightly.

Is this an array?

Yue Feng clearly saw that the dozens of Tiangang guards in front of him cooperated tacitly.

Yue Feng guessed right.

These Heavenly Gang Guards displayed the incomparably mysterious 'Thirty-six Heavenly Gang Array'. This formation has always been passed down in the palace of Xi Cang Continent, and has never been spread to the outside world, so even Yue Feng did not know this formation.

However, Yue Feng did not panic because of his own formation skills.

Even so, Yue Feng was surrounded by it and couldn't rush out for a while.

Huh..

Seeing this scene, Duan Yu's face was extremely gloomy.

After so many years in Xi Cang Continent, Duan Yu knew the power of the Thirty-Six Heavenly Gang formation. It could be said that if Duan Yu fought against this formation alone, he would have no chance of winning. But in just a few minutes, Duan Yu realized that something was wrong. Although this Yue Feng was besieged by the group, there was no sign of defeat at all.

This time, Duan Yu was a little anxious, and roared: "Trash, it's all trash, is there no one in my Xicang Continent?"

When he said this, Duan Yu was very annoyed.

If it wasn't for being too careless at the beginning and being injured by Yue Feng, the situation would not have reached this point, so passive.

"Don't panic, Your Majesty, watch the minister kill this thief!"

Just when Duan Yu was extremely annoyed, a loud shout came from the crowd. Immediately after, a figure rushed into the formation and slapped Yue Feng with a palm!

It was Yue Chen!

Yue Chen has always been very cunning. When Yue Feng appeared just now, he had been hiding to the side.

Waiting for an opportunity and sneaking a sneak attack has always been Yue Chen's forte.

Seeing that Yue Feng was trapped in the formation at this time, Yue Chen knew that his chance had come.

hum!

The moment he rushed in, Yue Chen's inner strength exploded. With a strong breath surging, in a black light flickering. A blood-red flood dragon suddenly appeared in front of Yue Chen.

It is Yue Chen's unique skill, Xuanyin Divine Art!

Back then, Yue Chen fell off a cliff on the seaside of Donghai City, and inadvertently obtained the Mysterious Yin Skill. Yue Chen regarded it as a treasure and kept cultivating with great concentration.

Xuanyin magic, Yue Chen has practiced for more than ten years, and has long reached the peak of the realm.

Just look at this red Flood Dragon, surrounded by blood and energy, although it is transformed by internal force, but its shape is real, vivid and real, with a body length of tens of meters, and the whole body is filled with the breath of divine beasts, which makes people breathless.

When this blood-colored Flood Dragon appeared, the air in the entire hall was completely distorted, and everyone felt that they were enveloped by a bloodthirsty aura.

Chapter 1920

Swish!

Seeing Yue Chen, Yue Feng's pupils contracted and his eyes were extremely blood red.

This Yue Chen has actually taken refuge with Duan Yu!

Although the adoptive father Ouyang Zhennan was killed by Duan Yu, Yue Chen could not escape the relationship!

"Kacha! Kacha!"

Yue Feng's eyes were red, and his fists clenched loudly!

"Yue Feng!" Yue Chen said with a grim face, "Go to hell!"

At this moment, Yue Chen's eyes were full of hatred. In his heart, he believed that his wife, Chen Yun, was killed by Jiang Shan. , Jiang Shan is Yue Feng's adoptive mother, when Yue Chen saw Yue Feng, his heart was burning with anger!

At this time, Yue Chen didn't know that his wife Chen Yun was not dead at all. He was only sullied by Duan Yu and put in jail.

"Roar!" The

voice fell, and the blood-colored Jiaolong that Yue Chen transformed into with his internal strength let out a roar and rushed towards Yue Feng in an instant.

Seeing this scene, Duan Yu showed a smile, very excited and proud.

Haha…

This Yue Chen will really look for a chance to sneak attack. If he makes a move, Yue Feng will be dead.

Looking at the rushing blood-colored Flood Dragon, Yue Feng did not panic at all, and sneered contemptuously: “It’s just a bed bug transformed by internal power, how dare you take it out to shame?” When the

voice fell, Yue Feng immediately threw his poorness out of the spirit beast sack. release.

“Roar!”

In an instant, accompanied by an aura vibrating, a dark purple Qiongqi appeared in front of everyone.

As soon as Qiong Qi appeared, everyone in the hall only felt it was difficult to breathe, and palpitations rose in their hearts.

This is the real mythical beast, and its aura is not comparable to the Jiaolong that Yue Chen transformed into with his internal power. After all, one is real and the other is illusory.

“Roar!” In the

blink of an eye, Qiong Qi let out a furious roar and rushed towards the blood-colored Jiaolong. Two huge figures collided in mid-air, and under the impact of Qianqi’s powerful divine power, the blood-colored Flood Dragon was directly defeated and disappeared without a trace.

What?

Yue Chen trembled all over, and the whole person was stupid.

hiss!

At the same time, everyone around was dumbfounded, looking at Yue Feng in a daze, speechless.

Just….for a moment? The dragon that Yue Chen had transformed into was scattered?

“Yue Feng, you don’t want to leave alive today!” After a few seconds, Yue Chen reacted, roared, rushed into the formation, and cooperated with dozens of Tiangang guards to besiege Yue Feng.

At this time, Yue Chen was completely insane. Xuanyin magic had always been his trump card, but now, it was easily blocked by Yue Feng, which made Yue Chen feel extremely humiliated.

Thinking of his wife's death again, Yue Feng couldn't get rid of the relationship, Yue Chen was like crazy, he made a very hot shot, and his tricks killed him.

However.

Facing the siege of Yue Chen and Tiangang Guard, Yue Feng was still able to handle it with ease.

Made!

Seeing this scene, Duan Yu's smile froze on his face, and he was extremely angry, and then ordered behind him: "Go, bring that bitch in the prison here." The

voice fell, and a personal guard quickly walked to the prison. After a while, Jiang Shan, who was tied up with five flowers, was brought over.

Aunt Jiang!

At this moment, seeing Jiang Shan, Yue Feng was shocked, surprised and happy.

Yue Feng saw that Jiang Shan's breath was weak, and he obviously suffered a lot here, but his clothes were neat and he should not have been humiliated. In an instant, Yue Feng felt a lot more at ease.

"Yue Feng!"

Duan Yu's mouth twitched with a hint of gloom, he pulled out a sword, placed it across Jiang Shan's neck, and shouted at Yue Feng, "I don't want to see this bitch die, stop immediately and capture it."

The ultimate husband in Chinese chapter 1921-1930

Chapter 1921

When he said this, Duan Yu's eyes flashed coldly.

Since Yue Feng could not be subdued in a short period of time, he could only use this despicable method. In Duan Yu's mind, as long as the goal can be achieved, it doesn't matter whether the means are despicable or not.

"Duan Yu, if you dare to touch my adoptive mother, I will let you die without a corpse." Yue Feng's eyes were blood red and he roared furiously.

He clearly saw that the blade in Duan Yu's hand had drawn a shallow bloodstain on Jiang Shan's neck. As long as she exerted a little more force, Jiang Shan's head would fall to the ground.

At this time, Yue Feng was completely angry.

Burning with anger!

Yue Feng couldn't bear the death of his adoptive father. If Aunt Jiang had another accident, Yue Feng would never forgive himself for the rest of his life.

"Xiaofeng!"

At this moment, Jiang Shan shouted to Yue Feng: "Don't worry about me, Duan Yu killed your foster father, you must take revenge, and Duan Yu will not do anything to me for the time being. Like, he's just trying to distract you, don't be fooled."

Slap!

As soon as he finished speaking, Duan Yu slapped Jiang Shan's face without warning. Jiang Shan cried out in pain, her delicate body softened, and she fell directly to the ground.

"Bitch, shut up for me." Duan Yu said coldly.

Jiang Shan is right, Duan Yu will not kill her for the time being. This is just to influence Yue Feng's attention.

"Duan Yu, damn you." Seeing this scene, Yue Feng went crazy, his eyes were red, and he cursed at Duan Yu: "You have the kind of ability to come at me and beat an unarmed woman? "

Duan Yu sneered and said nothing.

This chapter is provided by . Visit for daily update.

At this time, Yue Feng's attention was successfully attracted by himself, and Duan Yu was very proud.

"Yue Feng! Go to hell!"

Taking advantage of Yue Feng's distraction, Yue Chen roared and slapped him fiercely.

"Xiaofeng, be careful!" Seeing this scene, Jiang Shan was shocked and exclaimed.

Yue Feng wanted to dodge, but it was too late!

boom!

In the next second, Yue Chen slapped Yue Feng with a palm. This palm contained his seven or eight layers of skill. Even if Yue Feng had the Pure Yang Zhenjing to protect his body, he couldn't hold it. With a grunt, his figure was directly shaken back. ten steps.

puff!

Staggering to stabilize his figure, Yue Feng's face was pale and he spat out a mouthful of blood.

Yue Feng clearly felt that his dantian was injured, not very serious, but his strength was affected and he couldn't go all out.

"Hahaha.."

Seeing this scene, Duan Yu was extremely excited, laughed up to the sky, and shouted: "Okay, good fight, Yue Aiqing, hurry up, kill Yue Feng! I have a lot of rewards!"

"Yes, Your Majesty !" Yue Chen responded, then stared at Yue Feng closely, and rushed over with a grinning smile!

At the same time, dozens of Tiangang Guards also attacked Yue Feng again.

"Death! Give me all to die!" Yue Feng roared desperately, holding Fang Tianhua halberd tightly, and went up to meet him.

At this time, his eyes were extremely blood-red, and under the urging of internal force, Fang Tianhuaji shone with blood-colored light, and he slashed when he saw anyone!

But there were too many people on the other side, and Yue Feng was injured again, so he only felt that the pressure was getting bigger and bigger.

During the fierce battle, Yue Feng was already covered in blood, and dozens of Tiangang guards were injured by him, but the rest still rushed forward one after another.

Gradually, Yue Feng felt powerless.

Finally, Yue Chen found the opportunity, sneered, and stabbed Yue Feng's shoulder with a sword!

"Puchi!"

Yue Feng couldn't dodge in time, his entire shoulder was pierced! In an instant, blood swarmed out! He staggered back a few steps and almost fell over.

"Xiaofeng!"

Seeing this scene, Jiang Shan couldn't help exclaiming, her eyes were full of distress and worry, and tears were falling.

Chapter 1922

Seriously, when she first met Yue Feng, Jiang Shan hated it, but after more than ten years of getting along, Jiang Shan was gradually convinced by Yue Feng's personality. Is the adopted son, but has long been regarded as biological.

At this time, seeing Yue Feng covered in blood and being pierced all over, Jiang Shan's heart was cut like a knife.

"Xiaofeng, you must be careful, don't worry about me, do your best to meet the enemy, and don't let them take advantage of it…" Jiang Shan cried, tears like broken pearls that couldn't be stopped at all.

At this moment, Jiang Shan really wanted to rush over to help, but her internal strength was blocked and Duan Yu was using a knife, so she had no chance at all.

Yue Feng's face was pale, the pain kept coming, and he couldn't hear Jiang Shan's words at all. He only felt that the strength in his body disappeared little by little.

However, Yue Feng's eyes were still blood red, and he stared at Duan Yu: "Duan Yu, even if you become Emperor Xi Cang, you can't escape death today."

These words spread throughout the audience like thunder. !

At this time, Yue Feng had completely risked his life, and even if he was afraid of death, he had to kill Duan Yu first.

"Kill, kill, kill!"

Yue Feng howled like crazy, waving Fang Tianhua halberd constantly, trying to rush to Duan Yu, however, there are too many people in front of him, every step forward, he will be attacked to heavy resistance.

“Stupid.”

Duan Yu sneered and mocked at Yue Feng: “You can’t even pass this level of my men, and you still want to kill me? It’s really shameless, come on, I’m here, if you have the ability, you will Rush over.”

When he said this, Duan Yu’s tone was relaxed and smug, and there was a bit of playfulness in his eyes.

Yue Feng was injured, and facing the siege of Tiangang Guard and Yue Chen, it was impossible to rush over. It can be said that the situation has been settled. At this time, Duan Yu had already thought about how to torture Yue Feng to death.

“Yue Aiqing.” Duan Yu ordered to Yue Chen: “Don’t kill Yue Feng in a hurry, just play with him.”

“Yes, Your Majesty.” Yue Chen replied.

The next second, while Yue Feng was dealing with Tian Gangwei, Yue Chen grinned, took the opportunity to circle around, and cut a bloody mouth out of Yue Feng.

Chill.

In an instant, blood spurted out, and Yue Feng’s entire back was dyed red.

Haha…

At this moment, Yue Chen’s face was full of hideousness, and he shouted out of his hatred: “Yue Feng, don’t be arrogant anymore, you are alone, and you still want to hurt Your Majesty? Today is your death date. I My wife died because of you, and today I will take your life to pay homage to her spirit in heaven!” After the

voice fell, Yue Chen clenched his long sword and rushed up again.

call!

Hearing this, Yue Feng frowned and was very surprised.

His wife died because of me? Is Chen Yun dead?

Immediately afterwards, Yue Feng felt inexplicably happy, no matter how Chen Yun died, she was evil-hearted and did a lot of evil, and her death proved that the sky has eyes.

Muttering in his heart, Yue Feng held Fang Tianhua halberd tightly and fought fiercely with Yue Chen.

In terms of strength alone, Yue Chen is not Yue Feng's opponent at all, but there are dozens of heavenly guards around him to cooperate, plus Yue Chen is cunning and cunning, his shots are all vicious and sinister tricks, in this case, Yue risk is like a circle. .

puff, puff…

In the blink of an eye, there were several more wounds on Yue Feng's body, and the blood continued to spray, which was very tragic.

"Xiaofeng!"

This time, Jiang Shan was completely anxious, and then she thought of something, and shouted at Yue Chen: "Yue Chen, if you seek revenge on Yue Feng because of your wife, you are making a big mistake."

As she said that, Jiang Shan bit her lip tightly and continued, "Your wife didn't die at all. He was imprisoned by Duan Yu, and now you are stupidly working for Duan Yu, you are the biggest fool in the world."

Chapter 1923

What?

Yue Chen was desperately trying to attack Yue Feng, but when he heard this, his body was shocked, his mind was buzzing, and he was surprised and excited.

Wife is not dead?

Swish!

At the same time, Duan Yu's face changed greatly, and he slapped Jiang Shan again, "Bitch, shut up."

Duan Yu was very annoyed at this time.

Mad, this bitch, actually said this at the most critical time! While angry, Duan Yu was also a little nervous. After all, what Jiang Shan said was the truth. Chen Yun didn't die, but was imprisoned by herself.

But soon, Duan Yu calmed down. After all, Jiang Shan said that there was no evidence and no evidence.

“Your Majesty!”

At this moment, Yue Chen reacted and looked at Duan Yu closely: “Is what Jiang Shan said true?”

When he asked, Yue Chen’s mind was buzzing and he was in chaos.

“Yue Aiqing!” Duan Yu took a deep breath and shouted angrily: “You are a smart person, how can you believe the words of this slut? She is trying to sow discord, so as to create opportunities for Yue Feng, you don’t need to pay attention, and quickly kill Yue Feng. Your wife is already dead. As long as you kill Yue Feng, I will immediately make you a general.” With the

last sentence, Duan Yu almost roared out.

Yue Feng has been besieged in circles, and it is difficult to fly. At this most critical time, there must be no mistakes.

call!

Hearing this, Yue Chen took a deep breath and nodded slowly: “Don’t worry, Your Majesty, I will do my best.”

Speaking of which, Yue Chen had been dubious about Jiang Shan’s words, but when he heard Duan Yu say this, he didn’t think too much.

When the words fell, Yue Chen clenched his long sword and rushed towards Yue Feng again!

“33254!” However, at this moment, Jiang Shan shouted again: “Yue Chen, this is the password for your wife’s treasure chest, isn’t it?!”

Shuh!

Yue Chen’s body was shocked, his eyes locked on Jiang Shan, and he said coldly: “How do you know?”

Chen Yun is notoriously vain, especially likes to buy all kinds of jewelry. When she was the wife of the supervisor, Chen Yun deliberately I got a treasure chest, put all the jewelry in it, and got a password.

Chen Yun cherished this treasure box very much, and when she came to Xi Cang Continent, she did not forget to take it with her.

Because it is private, only Chen Yun and Yue Chen know about this matter. Therefore, Yue Chen was shocked when he suddenly heard Jiang Shan reveal the password of the treasure chest.

“Yue Chen!” Jiang Shan said loudly: “Your wife told me this password. Do you know that that night, your wife was defiled and humiliated by Duan Yu, so she discussed with me how to get rid of Duan Yu, In order to show our sincerity, we told each other a secret. At that time, your wife told me the password of the treasure box….Unfortunately, our plan failed. At that time, Duan Yu became angry and locked up your wife. These days , your wife was humiliated by Duan Yu day and night!”

At the end, Jiang Shan’s face flushed and she was very shy.

After all, what Duan Yu did to Chen Yun was hard to tell, but for Yue Feng’s safety, Jiang Shan had to say it.

hum!

Hearing this, Yue Chen only felt a thunder in his mind, and the whole person was stunned.

Wife is not dead? locked up?

And… my wife was defiled by Duan Yu?

For a time, Yue Chen’s brain was buzzing, and his whole body was going to be messy.

Two seconds later, Yue Chen reacted and looked closely at Jiang Shan: “What you said is true? I tell you, if you dare to slander my wife’s innocence, I will kill you first.”

Chapter 1924

Yue Chen’s eyes are extremely blood red, although his wife has always looked down on him and often scolds him, but for so many years, Chen Yun has been by Yue Chen’s side, never abandoning her, and helping him a lot. So in Yue Chen’s heart, not only deeply in love with Chen Yun, but also very grateful.

Now how can I not be angry when I see Jiang Shan talking about Chen Yun’s innocence?

call! Jiang Shan took a deep breath, her delicate face full of seriousness: “What I said

is absolutely true, think about it carefully, if my wife and I didn’t cooperate, how could she tell me the password to the treasure chest?”

Shan is extremely eager: “Yue Chen, you believe me, your wife is not dead, but is locked up by Duan Yu, you must not be deceived by him again.”

Wow!

At this moment, the surrounding civil and military officials were also in an uproar.

I didn’t expect Duan Yu to be such a person…

so shameless.

For a time, the eyes of the civil and military officials looking at Duan Yu were all complicated, and the loyalty in their hearts was also shaken.

As the emperor, Duan Yu even slept with the women of his ministers. Who would be loyal to him.

At this time, Duan Yu was furious, and slapped Jiang Shan’s face again: “Bitch, shut up immediately, if you talk nonsense again, I will kill you.”

Jiang Shan covered her face, bit her lip tightly, and said nothing. shout out.

Immediately, Jiang Shan glared at Duan Yu and said coldly: “Duan Yu, what you have done, you know in your own heart, you can’t cover up your despicable behavior even if you kill me.

“

Hearing this, Duan Yu was completely angry, and roared: “Okay, very good, then you can die!”

As soon as the words fell, Duan Yu was about to attack Jiang Shan.

“Duan Yu, how dare you…” Seeing this, Yue Feng shouted angrily, and was about to rush over at the same time, but it was too late to be surrounded by dozens of Tiangang guards.

“Duan Yu, fuck you.”

However, at this moment, Yue Chen suddenly shouted, and his figure exploded, like a meteor, carrying an endless and violent aura, coming directly towards Duan Yu!

At this moment, Yue Chen’s eyes were extremely blood red, like a beast, he locked Duan Yu tightly, and the anger that filled his heart made him lose his mind instantly!

To be honest, Yue Chen didn’t want to believe Jiang Shan in his heart.

But Yue Chen is very clear that Chen Yun cherishes that treasure box very much, and will never tell outsiders the password. Since Jiang Shan said it, it proves that what she said before is the truth.

Yue Chen loves Chen Yun very much, and when he learns that she has been defiled by Duan Yu, his heart is full of anger.

What made Yue Chen even more unacceptable was that Duan Yu actually lied to himself, saying that Chen Yun was dead, but he foolishly believed it, and at this time he also helped him deal with Yue Feng.

What a disgrace, what a disgrace!

“Yue Chen, you’re crazy.” Duan Yu was startled and shouted angrily.

However.

Yue Chen did not respond, his eyes were extremely cold, his inner strength surged, and he accelerated.

In the blink of an eye, Yue Chen rushed to Duan Yu.

hum!

At this moment, Yue Chen raised his hands, and a terrifying force instantly condensed, as if in mid-air, forming a black unicorn, which suddenly slammed towards Duan Yu!

Seeing this scene, everyone around was taken aback.

Hold!

Duan Yu scolded secretly, and quickly summoned the Heaven-Opening Axe to block it in front of him!

At this time, Duan Yu was very depressed. He originally wanted to use Yue Chen to deal with Yue Feng, so that he could take the opportunity to restore his strength, but he did not expect that Yue Chen would be turned back by Jiang Shan with a few words.

“boom!…”

Chapter 1925 The

black unicorn slammed into the opening axe!

Duan Yu spit out a mouthful of blood, and his body flew far away.

Even if he had the Heaven-Opening Axe, he was injured by Yue Feng before, and he had not recovered yet, so he couldn't resist Yue Chen's full-strength blow!

"Duan Yu, damn you, give me death!" Yue Chen roared, his body filled with murderous aura, and rushed towards Duan Yu again.

Feeling Yue Chen's resentment, Duan Yu didn't dare to fight, he held the Heaven-opening Axe, and threw an axe fiercely. With this axe, Duan Yu directly used all his strength!

"Om!"

Duan Yu's internal strength was instantly evacuated by this axe. The surrounding air was torn apart! The power was so terrifying that even if Yue Chen was burning with anger, he didn't dare to take it hard, so he had to avoid it for the time being.

Duan Yu took advantage of this opportunity, turned around and ran, and rushed out of the hall.

In a blink of an eye, he had disappeared from everyone's sight.

Nima!

Seeing this scene, Yue Feng was extremely annoyed, if it wasn't for the Tian Gang Guards around him, Duan Yu would never have escaped so easily.

"Wife!"

Yue Chen was also extremely annoyed, his face was extremely gloomy, then he remembered something, shouted, and rushed directly to the bedroom behind: "Wife, where are you? Where are you…"

Duan Yu After running away, Yue Chen's sneak attack was no longer around, and Yue Feng's pressure was relieved a lot.

Bang bang bang…

After a while, dozens of Tiangang guards were injured by Yue Feng, and Yue Feng also successfully broke the formation and rushed out.

hiss!

In an instant, all the eyes of the audience focused on Yue Feng, and they were all moved, and many people secretly gasped.

At this time, Yue Feng was dripping with blood, and the wounds on his body were dense, almost becoming a bloody man, but he still stood proudly, holding Fang Tianhua halberd, like a god of war descending to earth.

This…

Seeing this scene, the civil and military officials were extremely shocked.

Total shock.

Is such a serious injury alright?

This Yue Feng is worthy of the famous Tianmen Sect Master of Jiuzhou, standing in the sky!

call!

Yue Feng didn't care about the gazes of the people around him, his face was extremely cold, and he was extremely annoyed when he looked at the direction in which Duan Yu fled.

I planned to risk my life today and kill Duan Yu, but I never thought of it, and finally let him escape.

At this moment, among the civil and military officials, a figure came out.

It was the Prime Minister of Xi Cang Continent, Chen Dong. Chen Dong was originally just a minister, but after Duan Yu killed Xi Canghuang, he made him prime minister.

In the next second, Chen Dong bent his knees, knelt down in front of Yue Feng in public, and said loudly, "Chen Dong, please meet Your Majesty, long live Your Majesty."

Xi Cang Continent advocates force, and whoever is the strongest is the one Emperor, this is the rule. Moreover, Yue Feng broke into the Xicang Palace alone, beat Duan Yu and fled. There were hundreds of civil and military officials present, who wouldn't be afraid of Yue Feng? They were all afraid that Yue Feng would get angry and kill all the civil and military officials in Xicang Continent! Instead, let Yue Feng be the emperor! All the civil and military officials present thought so in their hearts!

This Chen Dong is extremely smooth. At this time, he was the first to surrender to Yue Feng!

"Come on, see Your Majesty!"

In an instant, in the main hall, a large area knelt down.

Huh….

Yue Feng breathed a sigh of relief. He was suddenly pushed to the throne, and he instinctively wanted to refuse. After all, he is from the Earth Circle Continent, so he is not suitable to be the Emperor of Xi Cang Continent. But Yue Feng thought about it, if he became an emperor and had power, he would hunt down Duan Yu faster.

Thinking to himself, Yue Feng looked at the throne in front of him and walked over slowly without hesitation!

The ultimate husband in Chinese chapter 1926-1930

Chapter 1926

Pedal! pedal! pedal!

Yue Feng walked towards the dragon chair step by step. He walked very slowly and his footsteps were very light, but every step seemed to be stepping on everyone's heart! At this time, Yue Feng is already like a bloody man with wounds all over his body! From the main hall to the dragon chair, hundreds of steps away, Yue Feng will drop a few drops of blood every time he takes a step!

Arriving in front of the throne, Yue Feng sat down slowly, his face was as calm as water, raised his hand, and said lightly: "Get up, pass my will, and go after Duan Yu with all your strength. There must be no mistake."

When he said this, Yue Feng's face did not have any excitement of being an emperor, but an indescribable coldness.

Duan Yu, even if you escape to the ends of the earth, I will kill you.

"Yes, Your Majesty!" The civil and military officials responded in unison, and immediately walked out of the hall to deploy to pursue Duan Yu.

call!

At this time, Yue Feng took a deep breath and looked at Jiang Shan.

“Aunt Jiang.” Yue Feng was ashamed and said, “I’m sorry, I’m late, I’ve made you feel wronged.”

Jiang Shan showed a smile and gently comforted: “You don’t have to blame yourself, you’re here too. It’s not too late, isn’t it good for me?” There

was a smile on her face, but Jiang Shan was also very disappointed.

Thinking of her husband’s death, Jiang Shan felt a pain in her heart.

“Aunt Jiang, you must have suffered a lot during this time, hurry up and rest.” Yue Feng blamed himself, and then said seriously: “Don’t worry, I will definitely catch Duan Yu, when the time comes, I will I will do it myself to avenge my adoptive father.”

Hmm!

Jiang Shan responded, and then walked out of the hall accompanied by several palace maids.

This chapter is provided by . Visit for daily update.

“His Majesty!”

As soon as his forefoot left, a eunuch came over and said respectfully to Yue Feng: “Duan Yu escaped, what should I do with the 108 concubines he stayed in the harem?”

The 108 concubines?

Hearing this, Yue Feng’s heart was shocked. Duan Yu, a bastard, would enjoy being an emperor. He even got 108 concubines.

Cursing inwardly, Yue Feng’s expression was indifferent: “

In the past, when the dynasty changed, how did the new emperor deal with the concubines of the previous emperor?” “Report to Your Majesty.” When the new emperor ascends the throne, the concubines of the previous emperor are all dispatched by the new emperor.” After

speaking, the eunuch continued: “Your Majesty, these concubines are all Duan Yu’s beloved concubines, and each of them is a national beauty, rare and rare. Peerless beauty, it would be a pity if they were killed or all of them were driven out of the palace. Besides, His Majesty also needs someone to serve you.”

Hmm!

Hearing this, Yue Feng nodded and said lightly: “In that case, send them all to my bedroom at night.”

“Yes, Your Majesty!” The eunuch responded quickly, and then trotted out of the hall.

…..

Yue Feng issued the imperial decree, and the civil and military officials did not dare to slack off, and sent experts to pursue Duan Yu with all their strength.

Right now!

Xi Cang Continent, in the mountains on the southwest border.

Duan Yu looked sad and indignant, clenched his axe, and kept running forward. At this time, Duan Yu was exhausted physically and mentally, but he did not dare to stop at his feet.

Because, behind him, there are thousands of masters, chasing after him.

At this time, these masters shouted while chasing.

“Duan Yu, don’t run away, just grab it!”

“You have no way out.”

“Hurry up and give up your resistance, and follow us to meet His Majesty…”

The shouts came one after another, and the tone of voice was somber, no one sympathized with Duan Yu, or opened his eyes to him.

What?

Hearing these words, Duan Yu’s eyes flashed coldly, and anger rose in his heart.

His Majesty? Did these people support Yue Feng as emperor?

Mad, these white-eyed wolves!

Chapter 1927

Duan Yu has been in Xicang Continent for so long, and he knows the customs here. He immediately guessed that after he escaped, the civil and military officials supported Yue Feng as the emperor, but a day ago, he was still The supreme emperor became a fugitive in the blink of an eye, while Yue Feng, the nemesis of life and death, robbed himself of his position and became the emperor.

What made Duan Yu even more annoyed was that the people who were chasing, who had been respectful to him before, had now lost their power and fell into trouble one by one.

This kind of reversal of the world makes Duan Yu really unacceptable.

Made!

Yue Feng, you wait for me, and when I make a comeback, I will find you to settle accounts.

Thinking to himself, Duan Yu gritted his teeth and accelerated.

Seeing this scene, many experts are extremely annoyed.

“Still running?”

“Made, it’s at the end of the road, and you still won’t give in? Duan Yu, do you think you still have a chance?”

“Stop talking nonsense with him, hurry

up and chase!” Continue to chase towards Duan Yu.

In the palace before, Duan Yu was first injured by Yue Feng, then severely injured by Yue Chen, and fled all the way. He was already exhausted. At this time, he was chased by everyone. to a cliff.

Whew… Arriving

at the cliff, because it was dark, Duan Yu stepped on the ground, and he didn’t have time to react. He swayed and fell directly under the cliff!

Made!

In the air, Duan Yu was shocked and angry, holding the Heaven-Opening Axe tightly in one hand, and waving the other hand constantly, trying to grab whatever he could, but as a result, he encountered a cliff as smooth as a mirror.

It’s over, so high, wouldn’t it kill you if you fell?

He was muttering in his heart, Duan Yu couldn’t tell the despair, he could feel that this cliff was at least ten thousand feet high, and his internal strength had not recovered.

Whoops!

At this moment, many of the masters behind rushed to the cliff and looked at each other in dismay.

“Falling from such a height, there is no doubt that he will die!”

“Yes, he was seriously injured, and there is absolutely no chance of him surviving.”

“Let’s go, go back to your Majesty.”

Everyone was discussing, and they all returned to the same path, heading towards the imperial city. .

…

At this moment, on the other side, the Earth Circle Continent, Mount Emei.

In the main hall, Zhou Qin sat on the throne with a gloomy face, wearing a long purple dress, exuding the breath of the iceberg goddess, and the aura that permeated his body was even more heart-pounding.

In front of her, Tang Qingyun knelt there, dripping with cold sweat and shaking hands and feet.

“You said just now that you saw Liu Xuan coming back?” Zhou Qin looked at Tang Qingyun coldly, her tone extremely cold: “You wanted to bring her to Emei and interrogate Yue Feng’s whereabouts, but you couldn’t beat the man beside her. Two men? You are still the owner of the Tang Family Fortress. You can’t do this little thing well, what do I want you to do?”

“The leader of the alliance.”

Tang Qingyun swallowed, his voice trembling, and he was very nervous: “My subordinate I really tried my best, the two men next to Liu Xuan are too powerful, one is Shennong, the other is Zhu Rong, who is his opponent.”

What?

Hearing this, Zhou Qin’s delicate body trembled, and she stared at Tang Qingyun in shock.

Total shock.

Zhu Rong? Shennong?

This… This is all history, a well-known powerhouse, actually staying by Liu Xuan’s side?

How could Liu Xuan, what virtue and how capable, actually let two peerless powerhouses guard her?

Thinking to herself, Zhou Qin looked at Tang Qingyun and asked coldly, “What you said is true?

” Dare to deceive the leader. Several disciples of my Tang Family Fort were burned to death by Shennong, and they were directly turned into ashes, leaving no bones behind.”

Thinking of the disciples who died tragically, Tang Qingyun was very heartbroken.

Chapter 1928

Zhou Qin took a deep breath and pondered.

If Liu Xuan had Zhu Rong and Shennong by their side, it would be difficult. Zhou Qin bit her lip tightly and instructed Faye Wong: “Faye Wong, you prepare immediately, put on a gift, go to Yunzhou City, bring Liu Xuan, Shennong and Zhu Rong, please come to Mount Emei, remember, have a certain attitude Be sincere, no matter what method you use, you must invite them over, you know?”

Zhou Qin thought about it, first invited Liu Xuan, Shennong, and Zhu Rong to Mount Emei, and then, on his own territory, there are some ways to deal with it. them.

“Understood!”

Faye Wong nodded, showing a smile: “Relax, Senior Sister Head, I know what to do, I will definitely invite Liu Xuan and the others, so Senior Sister Head will not be disappointed.” On the

other side, the border of Xi Cang Continent.

In the mountains, below the cliffs of ten thousand feet.

Huh….

Duan Yu fell down the cliff, listening to the wind whistling in his ears, Duan Yu felt that his falling speed was getting faster and faster, and he was about to end. Duan Yu gritted his teeth and waved his axe. smashed on the mountain wall.

Thorn la la…

The opening axe is extremely sharp, and it carved a deep ditch on the mountain wall and slowed down some of the falling speed.

puff.

Even so, at the moment of landing, the powerful falling force made Duan Yu stagger backwards, the blood in the body surged, and a mouthful of blood spurted out of his mouth.

Duan Yu was seriously injured, but this time, he couldn't hold it anymore, his eyes darkened, and he passed out.

Swish…

Just at this moment, in the woods not far away, there was a sound of footsteps, and then, a figure slowly walked over.

Tall and straight, dressed in a white gown, elegant and handsome, he is the elder of Wangyougu, watching.

That's right, the place where Duan Yu fell is not far from Wangyou Valley, and when I went out for a walk today, I happened to bump into Duan Yu.

anyone?

Seeing Duan Yu in a coma, he was stunned for a moment.

hiss!

Immediately afterwards, seeing the Sky-Opening Axe falling next to him, after watching it, he felt that the blood all over his body suddenly boiled, and he couldn't help taking a deep breath.

This…. this seems to be the artifact that shook the world more than ten years ago, the opening axe.

Could it be that this person is the owner of Kaitian Axe, Duan Yu from Xicang Continent?

More than ten years ago, the vision of heaven and earth, the opening of the axe was born. After Duan Yu obtained it, he fled under the siege of the Tianqi army, and later became the prime minister of Xicang Continent. of.

It can be said that Duan Yu, like Yue Feng, is a man of influence in the Kyushu Continent.

Thinking to himself, Jing Guan walked over slowly, quickly picked up the Sky-opening Axe, and then carried Duan Yu, hurriedly returned to Wangyou Valley.

Knowing that Jing Guan brought Duan Yu back, the entire Wangyou Valley was alarmed, and many disciples rushed to the hall to watch.

As the owner of the valley, Situ Wangqing did not dare to neglect, and personally took action to heal Duan Yu.

To be honest, Situ Wangqing immediately thought of taking it as his own when he saw the opening axe, but he held back. After all, Duan Yu killed Xi Canghuang and established himself as emperor.

This is the emperor of Xicang Continent, and Wangyougu is still in the development stage, its strength is not enough, how dare to oppose Duan Yu?

Situ Wangqing didn't know that Duan Yu was no longer the emperor at this time. On the day of the enthronement ceremony, Yue Feng was forced to escape from the imperial city. Now the emperor of Xicang Continent is Yue Feng.

Duan Yu didn't know how long he had been in a coma. When he woke up, he only felt a splitting headache.

Um?

The moment he opened his eyes, Duan Yu was stunned when he saw the surrounding environment.

Chapter 1929 I

saw that I was lying on the bed, the room in front of me was clean and tidy, and the scenery outside the window was pleasant, like a paradise.

where is this?

Didn't you fall off a cliff and pass out?

"Awake?"

Just as Duan Yu was muttering secretly, a crisp and pleasant voice sounded from outside, and then, several people walked in, and the one headed was Situ Wangqing.

Behind her, followed Jingguan, and Su Qingyan several disciples.

"You…" Duan Yu frowned, and was about to ask where this place was, but he just said two words, and when he saw Su Qingyan, the words behind him swallowed hard, and he was extremely surprised. .

Su Qingyan, Sect Master of Wenzong?

At this moment, Duan Yu's face changed, and his heart was nervous and complicated.

Su Qingyan is Yue Feng's woman. Could it be that she was caught by Yue Feng's people?

Thinking of this, Duan Yu felt even more uneasy.

"Don't panic."

At this moment, Situ Wangqing smiled lightly and said softly: "You are the new emperor of Xicang Continent, Your Majesty Duan Yu, this is Wangyou Valley, the place is hidden, and most people can't find it here. Yes ."

After speaking, Situ Wangqing continued: "My name is Situ Wangqing, and I am the owner of Wangyou Valley. I don't know what happened to Your Majesty, but you are so embarrassed and seriously injured?"

Wangyou Valley?

Duan Yu took a deep breath, frowned secretly, but did not speak, but looked at Su Qingyan behind him vigilantly.

At this time, Duan Yu still didn't understand what kind of place Wangyou Valley was, let alone that Su Qingyan would be here.

"Your Majesty!"

Situ Wangqing smiled slightly when he noticed the change in Duan Yu's expression, and comforted him: "This is Jingguan, the elder of Wangyou Valley, who saw you at the bottom of the cliff and brought you back, the others, They are all my apprentices."

Immediately afterwards, Situ Wangqing continued: "There are no outsiders here, and we have no grievances between Wangyougu and Your Majesty, so naturally they will not harm you, so Your Majesty does not have to worry about it."

What?

Hearing this, Duan Yu was extremely surprised.

Isn't Su Qingyan the suzerain of Wenzong? How did you become a disciple of Wangyougu?

Feeling Su Qingyan's indifference again, seeing himself without the slightest emotional fluctuations, Duan Yu was even more puzzled. You must know that the grudge between you and Yue Feng has long been endless. As a woman of Yue Feng, Su Qingyan should be very hostile when she sees her.

But in front of Su Qingyan, why is she so calm?

At this moment, Duan Yu thought that he had mistaken the person, this was just a woman who was similar to Su Qingyan, but soon, he denied this guess.

After all, there are too many similar people in the world, but the temperament is innate and cannot be imitated.

Duan Yu clearly felt that the woman in front of her, with the aura of a goddess who did not eat the fireworks of the world, was Su Qingyan, the Sect Master of Wenzong, and she was absolutely right.

The more he thought about it, the more confused he became, but Duan Yu did not show it on his face.

call!

In the next second, Duan Yu took a deep breath and smiled wryly at Situ Wangqing: “Gu Master, don’t be so polite, I’m no longer an emperor, I’m now a poor homeless person. Now Yue Feng is the emperor of Xicang Continent.”

What? !

Hearing this, Situ Wangqing and Jing Guan looked at each other and were stunned.

Duan Yu is no longer the emperor? The new emperor is Yue Feng?

If so, what is there to worry about? Why don’t you take the opening axe? !

Chapter 1930

Thought, Situ Wangqing’s eyes were fiery, and he subconsciously glanced at the opening axe beside Duan Yu, unable to hide the burning heat in his heart.

Wangyou Valley is a critical period of development. If you get the Heaven-Opening Axe, wouldn’t it be even more powerful? At that time, it will be easier to expand Wangyou Valley.

Made!

Aware of Situ Wangqing’s reaction, Duan Yu’s heart was shocked, the secret path was not good, it was broken, and knowing that he had no power, the valley owner of Wangyou Valley wanted to snatch the Kaitian Axe.

Thinking to himself, Duan Yu endured the pain on his body and bowed to Situ Wangqing: “Thanks to the Guzhu for saving his life, if the Guzhu does not dislike it, I, Duan Yu, are willing to worship the Guzhu as a teacher and join Wangyou Valley. “

When he said this, Duan Yu was sincere on the surface, but cunning in his eyes.

Duan Yu's palace was very deep, and after realizing Situ Wangqing's thoughts, he decided to take the lead and show his attitude.

If it was before, Duan Yu would never be so servile, but there is no way, he is seriously injured, and he is in someone else's territory, if he does it, there is no chance of winning.

As long as Situ Wangqing promises to accept her as a disciple, everyone will be her own, and she will be embarrassed to snatch the Heavenly Axe.

This…

Duan Yu's action made Situ Wangqing a little unprepared, frowning slightly, and then asked with a smile that was not a smile: "Your generation is a hero, and you have also been an emperor, and you are considered the son of the emperor, even at this time. If you are down, there will be a comeback in the future, why would you condescend to join me in Wangyou Valley?"

As the owner of Wangyou Valley, Situ Wangqing is smart and intelligent, and at a glance, he can see that Duan Yu is not doing it from the heart.

Ugh!

Duan Yu sighed softly and smiled bitterly: "Gu Master also saw it. Now that I have lost the throne and am seriously injured, even if I have plans to make a comeback, my strength is limited by myself, and it is too difficult to implement.

" Since the Lord has saved me, it proves that we are destined, as long as the owner of the valley is willing to take me in, I promise Duan Yu that as long as I regain the throne, I will never forget Wangyougu, let alone your kindness."

Hearing this, Situ Wangqing pondered. .

To be honest, at this time, Situ Wangqing wanted to kill Duan Yu immediately and grab the Kaitian Axe directly, but then he thought that doing so would be said to be taking advantage of others' danger.

If Duan Yu is taken in, Wangyougu will have a powerful helper, which will be very beneficial to the future development of Wangyougu.

Thinking to himself, Situ Wangqing did not agree immediately, but looked at Duan Yu and asked, "If you seize the throne, what will you do with Yue Feng?"

Yue Feng’s woman, Su Qingyan, lost her memory by herself, and she still accepted it for Disciple, after all, Wangyougu and Yue Feng are hostile. As the owner of the valley, Situ Wangqing naturally has to consider these.

“Yue Feng?”

Duan Yu grinned and said ruthlessly: “How could I let him go, as long as he falls into my hands, I will cut him into eight pieces and let out the hatred in my heart.”

Duan Yu said, With a face of grief and indignation, he continued: “That Yue Feng, on the surface of benevolence and righteousness, is honored as a hero by the Earth Circle, but he is actually a despicable villain. More than ten years ago, in order to help his brother fight for territory, he destroyed my whole family. Let his sworn eldest brother, Zhu Bajie kidnap my wife Xu Qingyi, and now, take my throne again, and kill me to silence me, I hate to be inseparable with him!

” Every word is pearly, with anger and anger.

When he said this, Duan Yu did not forget to pay attention to Su Qingyan’s reaction, and saw that her expression was indifferent and there was no reaction at all.

call!

Hearing this, Situ Wangqing and the people around him couldn’t help but move slightly.

Unexpectedly, Yue Feng, who is famous in Kyushu, turned out to be such a ruthless person.

Exterminating people is not enough, but we need to eradicate the roots.

So poisonous!

Chapter 1931

“Okay.” In the

next second, Situ Wangqing nodded and said with a smile, “Even so, I promise to take you in. From today onwards, you will take good care of your wounds in Wangyou Valley. Yougu will fully support you and help you regain the throne.”

Since Duan Yu and Yue Feng have such a bloody feud, he doesn’t have to worry anymore.

“Thank you, Master.” Duan Yu made a very happy look, and quickly knelt down and bowed to the teacher: “Master is above, please accept the disciples.”

“Okay, get up!” Jade hand.

call!

At this moment, Su Qingyan, who had been silent next to him, couldn’t help but let out a sigh of relief, frowning and said, “That Yue Feng is so abhorrent, a person like him became an emperor, didn’t the people of Xicang Continent suffer? “

Su Qingyan took Wangyou Shui and lost her memory. Half a month ago, she was instilled by Jingguan and Situ Wangqing, saying that she had gone out to work before and encountered Yue Feng, and then she lost her memory.

Under such circumstances, Su Qingyan had a very bad impression of Yue Feng, and now that Duan Yu distorted the facts and fabricated Yue Feng’s evil deeds, he hated Yue Feng even more in his heart.

Situ forgets his feelings and contemplates, and smiles without saying a word.

Um?

Seeing this scene, Duan Yu frowned again.

What the hell is going on here, aren’t Su Qingyan and Yue Feng in a good relationship? Why does Su Qingyan treat Yue Feng like this? Surprised, Duan Yu finally couldn’t bear it anymore, looked at Su Qingyan and asked, “This senior sister, do you know Yue Feng very well?” He joined Wangyougu, so he naturally wanted to call him senior sister.

“I…”

Su Qingyan bit her lip tightly and shook her head gently: “I’m not familiar with Yue Feng, but the master said that it was because of Yue Feng that I lost my memory…”

What?

Duan Yu was stunned for a moment, then excited.

Haha…

No wonder Su Qingyan was so wrong, it turned out that she had lost her memory.

“Senior sister, don’t worry, since Yue Feng is our enemy, when I recover my strength, I will help you deal with him.” Duan Yu said with a smile.

Um!

Su Qingyan nodded, feeling very warm in her heart. Originally, she joined Wangyougu relatively late, and she had to call her senior brother and senior sister when she saw her. Suddenly, she had a junior brother who treated herself so well, and anyone else would be in a good mood.

“Okay!”

At this moment, Situ Wangqing said with a smile, “Since you guys are chatting so speculatively, Qingyan, during this time, you should take good care of Duan Yu.”

“Okay!” Su Qingyan was very Obediently responded. She is a kind character, and the Master’s order will naturally not be violated.

More importantly, Su Qingyan had a very good impression of this junior brother.

At this time, Su Qingyan did not realize that the new junior brother in front of him was his man’s old enemy. Moreover, grievances are never shared.

Situ Wangqing said no more, and left the room with Jing Guan and the other disciples.

“Good Senior Sister.”

As soon as he left, Duan Yu showed a smile and cupped his hands at Su Qingyan: “I will trouble you more in the future. To be taken care of by a beautiful Senior Sister like a fairy, I, Duan Yu, really came from Sansheng. Blessed.”

Chapter 1932

When he said this, Duan Yu's eyes were looking up and down at Su Qingyan's graceful curve, and his heart was restless.

Yue Feng, you have taken everything from me, and I will recover some of this debt from your woman first.

…

on the other side, Mount Emei.

On the steps under Mount Emei, several people walked towards them.

The one headed is Faye Wong.

Behind her, Liu Xuan, Zhu Rong and Shennong slowly followed.

Zhu Rong and Shen Nong looked relaxed and walked while admiring the scenery on both sides, while Liu Xuan had a complex expression on her face.

Half a day ago, Faye Wong took a gift and made a special trip to Yunzhou City to visit, saying that on behalf of Zhou Qin, she came to invite Liu Xuan to visit Mount Emei, and said that it was a misunderstanding before, and her attitude was very sincere.

To be honest, Liu Xuan didn't want to come, but Shen Man tried his best to persuade him, saying that the dignified martial arts alliance leader sent someone to invite him and brought gifts.

Zhu Rong and Shen Nong, unaware of the grievances between Zhou Qin and Yue Feng, followed Liu Xuan's promise.

When Liu Xuan, Zhurong and others arrived at the square of the Emei Hall, they could see Zhou Qin standing at the door of the hall from a distance. Behind her, on both sides, the disciples of Emei, and the masters of the various factions, were neatly arranged in a great pomp.

call!

At this moment, feeling the strength of Zhu Rong and Shen Nong, all the Emei disciples present couldn't help but take a deep breath.

powerful!

Is this the legendary fire god Zhurong and Shennong? The strength is really strong.

Even Zhou Qin's body trembled, and a bit of fear appeared on her beautiful face. Immediately afterwards, Zhou Qin showed a bright smile, hurried up to meet her, and

held Liu Xuan's hand very affectionately: "It's been a long time, your face has become as beautiful as it used to be, it's really nice.

" , Zhou Qin greeted Zhu Rong two with a very polite attitude: "These two are the well-known senior Zhu Rong and senior Shennong, right? My subordinates had a bad attitude towards you before, it was all a misunderstanding, two seniors. It's a lot, don't worry about it."

Zhu Rong and Shen Nong looked at each other and waved their hands generously, indicating that they were all right.

"Zhou Qin!"

At this moment, Liu Xuan bit her lip tightly, looked at Zhou Qin and said, "You don't need to be so polite, what's the matter, you can tell me directly."

"Nothing else, just to catch up with you . ." Zhou Qin smiled and responded.

call!

Liu Xuan took a deep breath and said seriously: "If you don't say anything, I'll say, Zhou Qin, why are you dealing with Yue Feng, you used to be such good friends, do you have to do it all the time? You let your subordinates go. My family is investigating Yue Feng's whereabouts, and they have sent people to monitor me, do you think I'm stupid? Don't you know?"

Seriously, if Liu Xuan was alone, she would never have said it outright, after all Zhou Qin is a martial artist now. The leader, identity and status are not what they used to be.

But Liu Xuan is not afraid, there are elder brother Zhu Rong and senior Shennong by her side.

Ugh!

Hearing this, Zhou Qin sighed lightly and looked very emotional: "Xuan'er, I know you blame me in your heart, yes, I have done a lot of things that I am sorry for Yue Feng before, but do you think I am willing to do that? Let me tell you the truth, at that time I liked Yue Feng, and because Yue Feng rejected me, I did so many absurd things out of love and hatred, but now, I want to understand and completely repent."

"Recently, I have been inquiring about Yue Feng's whereabouts, to atone for his sin, to help him, you think, he provoked Yang Jian in Beiying Continent, and Tianqi Continent is also chasing him everywhere, can he handle it alone? I don't Can I help him?" At the end, Zhou Qin pretended to say: "To tell the truth, I came here to discuss with you how to help Yue Feng deal with these troubles, as his women and friends, we can't just

stand by our side. Seeing that Yue Feng is in trouble, I can't help you with anything, what do you think?" The

words were extremely sincere, but Zhou Qin's eyes flashed with a smile.

This….

Hearing this, the alertness on Liu Xuan's face disappeared a lot, and she bit her lip lightly: "Then… how can we help Yue Feng?"

Liu Xuan is kind and soft-hearted, Seeing that Zhou Qin was so sincere, the suspicion in his heart dissipated without a trace.

At this time, Liu Xuan didn't know that Zhou Qin's attitude at this time was all fake. Zhou Qin hated Yue Feng to the core, how could she help him?

"Don't be in a hurry!"

Chapter 1933

Zhou Qin showed a smile and took Liu Xuan's hand: "We haven't seen each other for a long time, let's talk about the old times first, it's been a long time since we sat and chatted like we are now."

Said, Zhou Qin directed at Faye Wong next to him: "Quick, prepare for the banquet. Today, I am going to entertain my friends and two seniors."

"Yes!" Faye Wong responded and hurried to prepare.

At this time, Zhou Qin smiled and invited Liu Xuan, Zhu Rong and Shennong to enter the hall.

After a while, the sumptuous banquet was ready. Zhou Qin specially invited Liu Xuan to sit beside her and asked how the years were going. They are very intimate, like a pair of good girlfriends who can talk about everything.

Facing Zhou Qin's enthusiasm, Liu Xuan completely let go of her guard.

"Two seniors."

At this time, Zhou Qin raised his glass with a smile, looked at Zhu Rong and Shennong and said, "I have admired the prestige of the two seniors for a long time, and I am truly fortunate to be able to meet them today. Come, I respect you both. Seniors have a cup. Today, the two seniors must have a good time."

"Haha!"

Zhu Rong laughed, looked at Zhou Qin and praised: “The girl’s mouth is quite sweet, well, I see you are so sincere, the old man today Have a good drink.” Saying that, Zhu Rong drank the wine in the glass, very wild and heroic.

It was the first time Zhu Rong saw Zhou Qin, and he didn’t know her very well, but seeing her apologize for the previous incident, her attitude was sincere, and she had already let go of her guard. And Zhu Rong is also very good at wine. Zhou Qin treated her with delicious wine, and Zhu Rong felt a little bit more favorable towards her in his heart.

Shen Nong next to him also smiled slightly, picked up the wine glass, and drank it.

Seeing that they all drank, the smile on Zhou Qin’s face became more beautiful and moving, but the smile was somewhat meaningful.

“Xuan’er!”

At this time, Zhou Qin asked Liu Xuan, “Do you know where Yue Feng is?”

Yes, Zhou Qin spent so much talk just now to gain Liu Xuan’s trust. The ultimate goal was to inquire about Yue Feng’s news and whereabouts.

Liu Xuan whispered: “We also lost contact with Yue Feng. I don’t know where he is now. I’m very worried.”

Hearing this, Zhou Qin was very angry. It took so much effort to win Liu Xuan’s trust, but in the end, she didn’t know Yue Feng’s whereabouts.

“Zhou Qin!”

Seeing Zhou Qin being thoughtful, Liu Xuan couldn’t help but ask, “If there is Yue Feng’s whereabouts, how are you going to help him?”

Shuh!

Zhu Rong and Shen Nong also looked at Zhou Qin subconsciously, waiting for her answer.

You must know that Zhou Qin is now the leader of the martial arts alliance in the Earth Circle Continent. If she does her best to help Yue Feng, I believe that no matter how big the trouble, it can be solved.

This…

Zhou Qin showed a smile and said slowly, “Of course, I’ll invite him to Emei first.”

“And then?” Liu Xuan asked.

Zhou Qin chuckled lightly, with a bit of gloom in his eyes: “When he comes to Emei, I will find a way to make him stay. It’s best not to leave Mount Emei for the rest of my life.”

“If he doesn’t leave Emei, he won’t be anywhere. If you make trouble, there won’t be so many troubles, what do you think?” At the

end, Zhou Qin was still smiling, but in that smile, there was an extremely uncomfortable coldness.

Yes, at this time, Zhou Qin couldn’t help but reveal his true colors.

Anyway, I have asked what I should ask, and there is no need to put it on.

What?

Liu Xuan’s delicate body trembled, and she looked at Zhou Qin in surprise: “You…you want to keep him in Emei for the rest of your life?” After

speaking, Liu Xuan realized something, her pretty face paled, and she continued: “Speak up, You still have to deal with Yue Feng, right? Zhou Qin, why? Why are you doing this?”

Chapter 1934

“Why?”

Zhou Qin sneered and said with great resentment: “Yue Feng ruined my life, how can I forgive her so easily? You are right, my ultimate goal is to imprison Yue Feng for the rest of my life. , I’m going to put him in a dungeon and rely on my alms every day to survive, but before that, I’m going to ruin his reputation.” At the

end, Zhou Qin’s face was covered with frost, and he almost lost his mind.

“Mad, you are a mad woman.” Liu Xuan was so angry that she got up and was about to leave, but as soon as she stood up, Liu Xuan’s delicate body trembled, and her eyebrows were suddenly furrowed.

At this time, Liu Xuan’s face was pale.

what happened? I was fine just now, why is my body so soft now that I can’t exert any strength?

Seeing this scene, Zhou Qin put down the wine glass gracefully and looked at Liu Xuan with a smile: “Liu Xuan, what’s the matter, are you drunk?”

Liu Xuan’s red lips parted slightly, just as she was about to speak, she was interrupted by Zhou Qin .

At this moment, Zhou Qin’s delicate face was full of jokes and pride: “Liu Xuan, do you feel that your body is weak and weak, and your inner strength can’t be motivated?”

Huh.

At this moment, Liu Xuan’s delicate body was shocked, her face changed suddenly, she looked at her in surprise: “How do you know?”

“Hehe…”

Zhou Qin smiled proudly: “Of course I know, because of you I was poisoned in the wine glass.”

What?

Liu Xuan was shocked and angry, and she was extremely shocked. Zhou Qin was so insidious this time. She greeted her with a smile on the surface, and secretly used poisonous hands. It was simply too sinister.

“What a sinister and vicious girl.” At this time, Zhu Rong couldn’t help it on the spot, slapped the table, glared at Zhou Qin and cursed: “We trust you so much, but you are poisoned by wine, you are an old man. It ‘s easy to bully?”

Zhou Qin didn’t panic at all, and looked at Zhu Rong with a smile: “Senior Zhu Rong, don’t be so angry, don’t worry, you and Senior Shennong’s wine glasses were also poisoned by me, you are strong. , the onset of the poison effect is slow, but it’s almost there now.”

After the last word, Zhu Rong’s face changed, and his body froze there.

Zhu Rong clearly felt that his inner strength could not be exerted, and at the same time, his body was also soft.

At the same time, Shen Nong next to him also frowned and his face was extremely gloomy.

Like Zhu Rong, Shen Nong didn’t expect that this smiling woman in front of her was so beautiful, her heart was so sinister, and she actually poisoned herself in wine?

Just….what poison is this? I didn’t even notice it at all!

At this moment, Zhou Qin's smile grew thicker, looked at Zhu Rong, and said proudly: "Senior, you don't have to guess, what I use for you is my unique poison, Heitian Pill."

Heitian Pill, yes A poison that Zhou Qin refined in the Inextinguishable Book of Truth is extremely sinister and domineering. Back then, the masters of the various sects in the Earth Circle Continent had to obey Zhou Qin only after taking the Black Heaven Pill.

Speaking of which, when Zhu Rong was drinking just now, he really smelled a special fragrance in the wine, but he didn't care, thinking it was the fragrance in the wine, but he never thought that it was poisoned.

"Okay, very good…"

At this time, Zhu Rong was shocked and angry, staring at Zhou Qin, his face ashen.

I have been in the arena for many years and have been honored by the world as the existence of the Vulcan. I didn't expect to be planted in the hands of a younger generation of the arena and the hands of a woman. It is a shame!

"Come on, tie them all up." At this moment, Zhou Qin chuckled lightly and instructed the surrounding Emei disciples.

Whoops!

As soon as the voice fell, Faye Wong took the lead and gathered around a dozen Emei disciples.

stop!

However, at this time, Shen Nong suddenly shouted angrily, and then walked out slowly.

What?

In an instant, not only Zhou Qin, but the surrounding masters of various sects were all shocked, and looked at Shen Nong blankly, with a look of disbelief.

Hei Tian Dan is such a domineering poison that Shen Nong has nothing to do with it?

They didn't know that the reason why Shennong was called the ancestor of medicine was that he had tasted all kinds of herbs, and he had already achieved a physique that was invulnerable to all poisons.

Chapter 1935

"You…"

At this time, Zhou Qin looked at Shennong closely, her delicate body trembling.

It was just that Zhou Qin was interrupted by Shennong as soon as he said one word.

“Baby girl, I have to say that you are not only cunning and cunning, but also very good at disguising.” Shennong looked at Zhou Qin with a cold face and said, “I, Shennong, claim to have seen a lot of things in the world, but I was deceived by you after all.”

“However . , to me, this trick of yours is just a little trick, a small black celestial pill, I don’t even care about it.” The

voice was not loud, but it was cold and arrogant.

quiet!

For a while, in the Emei Hall, there was silence, and a drop of a needle could be heard clearly.

Everyone present looked at Shen Nong blankly, not daring to act rashly.

This is Yaozu Shennong, who dares to enter.

call!

At this moment, Shennong took a deep breath and looked at Zhou Qin coldly: “Baby girl, this old man has limited patience, hand over the antidote immediately, otherwise, don’t blame me for being rude.”

Seriously, this was the first time Shennong heard about it. Heitian Pill, but with his attainments in pharmacy, it is not difficult to refine the antidote of Hei Tian Pill, but the situation is urgent, and there is no herbal material on his body, if he wants to refine the antidote, he has no way to start, and he can only force Zhou Qin handed over the antidote.

“Impossible!” The

cold three words came from Zhou Qin’s mouth, with a firm attitude and without the slightest hesitation.

Before, Zhou Qin designed and locked Yue Wuya and Han Bing in the cave of Houshan. He thought that the two brothers and sisters would not be able to help themselves and make Yue Feng lose their reputation. As a result, Yue Wuya would rather self-harm than touch her. When the ice froze, his bamboo basket was empty.

And now, he set up a game to deceive Liu Xuan, and finally succeeded, how could he let them go easily?

“Senior Zhu Rong, do you think you still have the qualifications to negotiate with me? Your friend Zhu Rong and Liu Xuan are all in my hands.” Zhou Qin chuckled at Shen Nong and said coldly, “I don’t believe what you dare to do. , unless you don’t care about Zhu Rong and Liu Xuan’s life or death!” As the

voice fell, Zhou Qin gave Faye Wong a wink.

“Go!”

Faye Wong understood, she snorted tenderly, clenched a long sword, and stabbed Shennong directly.

Whoops!

At the same time, the surrounding masters of various sects also exploded their inner strength, surrounding Shennong in groups.

“Senior Shennong, be careful.” Seeing this scene, Liu Xuan was anxious and couldn’t help but exclaimed.

At this time, Liu Xuan regretted it very much.

Knowing that Zhou Qin was so insidious, he should not have been invited to Emei. It doesn’t matter if something happens to you, if Zhu Rong and Shennong are involved, you will not be at ease for the rest of your life.

When the words fell, Zhu Rong smiled lightly and comforted: “Brother and sister, don’t panic, Shennong alone is more than enough to deal with these younger generations.”

Om!

As soon as he finished speaking, he saw Shennong slowly raise his hands and chanted a spell in his mouth. In an instant, the entire hall was surging, and a white mist suddenly rose.

Immediately afterwards, I saw Faye Wong and the masters of the various sects, their faces changed greatly, and they screamed again and again.

“Ah! Poisonous scorpions…”

“Snake, what a big snake!”

“Where do so many poisonous insects come from?”

I saw that, in the white fog, everyone had a poisonous insect lying on their body, some centipedes, some poisonous scorpions, and colorful poisonous snakes. , apparently extremely poisonous.

Shen Nong is not only skilled in medicine, but also good at controlling poisonous insects.

For a time, everyone's face was pale, and they didn't dare to move. They all knew that once they made a move rashly, the poisonous insects on their bodies would bite.

The ultimate husband in Chinese chapter 1936-1940

Chapter 1936

Huh!

Seeing this scene, Zhou Qinjiao's body trembled, and her delicate face was extremely shocked and angry.

I thought that the situation had been firmly under my control, but I never expected that it would be reversed so easily by Shennong.

"How is it?"

At this time, Shennong looked indifferent, looked at Zhou Qin and said coldly: "Baby girl, is this old man qualified to negotiate with you now? Hand over the antidote, and I will let your subordinates go."

Said When he got up, when he released the poisonous insects just now, Shennong thought about putting one on Zhou Qin, but Liu Xuan and Zhou Qin were too close, and Shen Nong gave up because he was afraid of hurting Liu Xuan.

But it doesn't matter. Anyway, Zhou Qin's subordinates are firmly controlled, so she is not afraid that she will not compromise.

Zhou Qin bit her lip tightly and did not respond, her face was extremely ugly!

Shen Nong was too lazy to talk nonsense, and walked over slowly: “What? Are you still stubbornly resisting? Give up, you are not the opponent of this old man.” His tone was indifferent, but there was a kind of absolute contempt.

Yes, in Shennong’s eyes, even if Zhou Qin is the leader of the martial arts alliance, he is still a junior, not qualified to be his opponent.

“Stop for me!”

Seeing Shennong getting closer, Zhou Qin’s tender body trembled and she let out a coquettish cry, then grabbed Liu Xuan and shoved a dagger across Liu Xuan’s face.

“If you take one step further, I will draw dozens of knives, a hundred knives on her face!” Zhou Qin bit her lip tightly, her beautiful face full of madness: “Senior Shennong, I know you The medical skills are the best in the world, even Liu Xuan’s ugly face has been cured, but if I cut her face hundreds of knives, thousands of knives, I don’t know if you can help her heal it again?”

“Also, do you want to take the lives of these people to threaten me? You are wrong. I, Zhou Qin, can have what I am today, all by myself, so I will never take their lives and deaths in my heart.”

“You If you want to kill them, just let these poisonous insects bite down, I don’t care. In short, if you kill them, I will cut Liu Xuan’s face and make her ugly for the rest of her life.”

This chapter is provided by . Visit for daily update.

Zhou Qin almost shouted out the last sentence. Delicate face, full of madness, completely lost his mind.

“You…”

Shennong’s expression changed and his brows furrowed. He never imagined that the woman in front of him would be so ruthless.

Moreover, Zhou Qin was right. Although Shennong’s medical skills were unparalleled in the world, he was not an immortal after all. Zhou Qin really wanted to cut hundreds of knives on Liu Xuan’s face, and the whole face was completely destroyed.

More importantly, Shennong was extremely conceited. He once assured Yue Feng that he would protect Liu Xuan comprehensively. If something happened to Liu Xuan and he saw Yue Feng in the future, how would he explain to him?

Liu Xuan was also terrified, not daring to move, not even breathing.

She is not afraid of death, but she is afraid that she will become ugly and shameless to see Yue Feng.

After all, he has been separated from Yue Feng all these years because his appearance has been destroyed and he has no self-confidence. Now his face has finally returned to its original state.

call!

Finally, Shennong took a deep breath and looked at Zhou Qin with complicated eyes: “Okay, very good, girl baby, you won!”

Seriously, Shennong is respected by the world, and he has never been so aggrieved, but there is no way, Yue Feng respects herself so much, trusts herself, and can’t gamble with her wife’s appearance.

Especially seeing Liu Xuan’s nervous appearance, Shen Nong couldn’t bear it.

The voice fell, Shen Nong chanted the incantation silently, and saw that the white fog in the hall quickly dissipated, and the poisonous insects on Faye Wong and everyone disappeared without a trace.

Seeing this scene, Zhou Qin showed a smile and sarcastically said, “Hehe…Senior Shennong, he is really chivalrous and kind.”

Chapter 1937

At this time, Faye Wong and everyone walked over without waiting for orders, and tied Zhu Rong, Shen Nong, and Liu Xuan Wu Hua.

“Zhou Qin…you vicious woman, you will not end well!” At this moment, Liu Xuan finally reacted and shouted extremely angrily.

Zhou Qin used her appearance to force Senior Shennong to compromise. Just too vile and vicious.

Feeling Liu Xuan’s anger, Zhou Qin smiled proudly and said, “It’s not your turn to tell me what will happen to me, but I tell you, there will definitely not be a good outcome between you and Yue Feng.”

When saying this, Zhou Qin’s smile was filled with endless coldness.

Yue Feng missed his life, how could he let him and Liu Xuan live together?

When the words fell, Zhou Qin stopped talking nonsense and waved his hand. Immediately, Faye Wong led the Emei disciples and took the three Liu Xuan into the dungeon.

At this moment, on the other side, on

the Xicang Continent, inside the emperor's palace.

The brilliant candlelight illuminated the bedroom, and Yue Feng, dressed in a golden silk nightgown, was half lying on the soft slump, very relaxed and comfortable.

In front of him, there are 108 graceful women kneeling neatly, each of them is a beautiful country, a beautiful country, a thin and fat woman, it can be said that each has its own merits, only Yue Feng is dazzled.

Yes, these women are Duan Yu's one hundred and eight concubines.

At this moment, the one hundred and eight concubines knelt there quietly, their bodies trembling, their hearts were trembling, and they lowered their heads and did not dare to look at Yue Feng.

"Your Majesty!"

At this moment, the little eunuch next to him walked over slowly and respectfully said to Yue Feng: "It's getting late, Your Majesty should rest, the servants will let them undress and serve the bed?"

What the hell!

Yue Feng was stunned for a moment, and hurriedly stopped: "Slow… wait, I don't need them to sleep, but I have something to ask."

After speaking, Yue Feng said to the eunuch: "You go out first. "

When he said this, Yue Feng was calm on the surface, but his heart was very complicated.

Nima, more than a hundred beauties, sleeping together, who can stand it.

"Yes, Your Majesty." The little eunuch said no more, and quickly left the hall.

call!

At this time, the many concubines who were kneeling there were also stunned, and they were all very surprised.

This new emperor, did not let himself sleep?

You must know that there is no man in the world who doesn't love beautiful women. Duan Yu had just let these concubines serve the bed on his first night as the emperor, but this one in front of him didn't even act excessively.

This is a true gentleman, a generation of wise men.

These concubines were a little nervous at first, but at this time they all breathed a sigh of relief.

"Don't panic, everyone."

At this moment, Yue Feng said with a smile: "I'm calling you all here, not to do anything to you, I just want to ask you a question. As long as you answer honestly With my question, I will let you go, and I will never make it difficult for you."

Chapter 1938

Yue Feng looked very serious, looked at the one hundred and twenty concubines, and said word by word: "You all used to share the same bed with Duan Yu, but have you ever heard him say that the divine axe has What are the disadvantages, or the flaws?"

Yes, Yue Feng called these concubines to the bedroom, not to occupy them, but to ask them how to deal with Kaitian Axe.

After all, the power of the Sky-Opening Axe is really terrifying.

Yue Feng knew in his heart that he was able to shock Duan Yu during the day, which was completely unexpected, and the victory was that Duan Yu underestimated the enemy. If both parties went all out and took out their weapons, Yue Feng would not be Duan Yu's opponent at all.

During the day, the people who went out to chase Duan Yu came back and said that Duan Yu would die if he fell off the cliff, but Yue Feng was worried and asked them to check the bottom of the cliff. If Duan Yu died, he would bring back the opening axe.

As a result, after everyone went back to inspect, they did not find the Kaitian Axe, nor did they find Duan Yu's body.

Upon hearing this news, Yue Feng knew that Duan Yu was not dead. He issued an imperial decree to hunt down Duan Yu with all his strength.

In order to meet Duan Yu in the future and be more confident in the fight, Yue Feng called these concubines and asked about the Kaitian Axe, hoping to find out the flaws in the Kaitian Axe.

After all, in the world, there are advantages and disadvantages, and artifacts are not perfect.

call!

Hearing this, many concubines looked at each other, and then all shook their heads.

“Your Majesty, when Duan Yu asked his concubines to serve in the bed, he never said anything else.”

“Yes, whether there are any flaws or drawbacks in the Kaitian Axe, the concubines don’t know.”

“The concubines don’t know either.”

Numerous concubines Concubine, your answer is one word and one word, Yue Feng immediately frowned, depressed.

Nima.

This section of Yu is quite cautious, these are his women, and they don’t reveal any secrets.

It seems that tonight, I have to work in vain.

“Your Majesty!”

Just when Yue Feng was extremely depressed, a petite figure stood up among the concubines and said softly, “I remember, three nights ago, when my concubine was in bed. , Duan Yu once said a word, I don’t know if it is of any use to Your Majesty.” The

voice was soft and pleasant, the beautiful and soft face, and the graceful figure, it was Concubine Yun.

Concubine Yun, among so many concubines, was Duan Yu’s favorite.

“Come on!” Yue Feng was overjoyed and hurriedly urged.

Concubine Yun frowned lightly, thought for a while, and responded, “That night, Duan Yu told the concubine that he became an emperor and would expand his territory in the future, so he couldn’t always favor his concubine at night. The concubine was very curious at the time. Just ask him why.”

Yes!

Yue Feng was also stunned.

What does it have to do with expanding territory and pampering your concubine at night?

At this time, Concubine Yun continued: “Duan Yu said at that time that he realized the real secret of the opening axe, which is that it cannot be easily used during the day, and it can only exert its greatest power at night, so he will lead the army in the future. If you go to conquer other continents, you can only fight at night, and naturally you won’t be able to favor women often in the future.”

Phew!

Hearing this, Yue Feng took a deep breath and fell into deep thought.

Open Heaven Axe, can it exert its greatest power only at night?

Why is this so?

The next second, Yue Feng thought of something, and his eyes flashed. Yes, every time the power of Kaitian Axe explodes, it is like a round of scorching sun, and it contains the power of the strongest sun in the world, but if this kind of power reaches the limit, it is not a good thing.

You must know that, just after Yi Zhe, if the masculine power of Kaitian Axe reaches a terrifying peak state, Duan Yu will definitely be unable to control it, and even, he will be attacked by this masculine power.

Chapter 1939

The ultimate state of cultivation in this world is the balance of yin and yang.

In yin-yang feng shui, daytime is yang.

During the day, the scorching sun shines, and the scorching sun belongs to the positive. Duan Yu casts the axe during the day and absorbs too much positive energy. Of course, Duan Yu is not easy to control.

At night, everything is silent, and the yin energy fills the heaven and the earth. At this time, Duan Yu uses the heavenly axe to absorb the yin energy of the heavens and the earth, and can restrain the masculine force in the heaven and earth axe, thus achieving a state of yin and yang balance.

It turned out to be like this…

Thinking of this, Yue Feng couldn’t help showing a smile. He is proficient in Yin-Yang Feng Shui, and he figured out the mysteries in one fell swoop.

Haha….

It turns out that the drawbacks of opening the sky axe are here.

No wonder, in the daytime, Duan Yu never took out the Heaven Opening Axe until he finally escaped.

Great… Knowing this secret, if I meet Duan Yu in the future, I will have a way to deal with him.

Excited, Yue Feng was in a good mood and waved at the concubines: “Okay, it’s all right, you all go back to rest.”

“Yes, the concubines retire.” The concubines responded quickly, They all left the bedroom.

Watching the concubines leave, Yue Feng also lay down and rested.

Because he knew the secret of Kaitian Axe, that night, Yue Feng slept very soundly.

“Your Majesty!” Early the

next morning, a eunuch stood outside the palace door and called out cautiously, “Your Majesty, it’s time to get up, Your Majesty…”

Yue Feng sat up in a daze, rubbed his eyes, I was very upset.

Nima!

You are already an emperor, can’t you sleep peacefully?

The next second, Yue Feng said angrily: “What are you talking about in the early morning?”

“Your Majesty.” Summoned by His Majesty.”

The messenger of Nagumo?

Yue Feng was stunned for a moment and asked, “Who is the envoy at the head?” The

Southern Cloud Continent and the Western Cang Continent seem to be in an alliance relationship. Yue Feng clearly remembers that ten years ago, in order to regain the Panlong Jing, he sneaked into the Nanyun Palace and pretended to be a little eunuch. At that time, the Xicang Continent sent an envoy. The surface was to worship the Queen of Nanyun, but in fact he wanted to give the Nanyun Continent a disgrace. , deliberately made a problem in the main hall. Thread red rope with ants.

At that time, it was fortunate that Yue Feng came forward and easily solved the problem of the envoy of Xi Cang, and gave Nanyun Continent a face. Xi Cang Continent no longer dared to underestimate Nanyun Continent. After that, the two sides signed an alliance treaty.

More than ten years have passed since these things, but Yue Feng has a good memory, as if it happened yesterday.

“Report to Your Majesty.” The little eunuch responded, “The one who leads the mission is Her Royal Highness the Eldest Princess of the Southern Cloud Continent.”

What?

Hearing this, Yue Feng was shocked, and a cold and charming figure suddenly appeared in his mind.

Princess Long Qianyu?

how is she?

Back then, in Lu Bu’s ancient tomb, Yue Feng was forced by Long Qianyu to teach false formulas, which led to Long Qianyu’s infatuation. At that time, when Queen Nanyun saw it, he mistakenly thought that the two had acted between men and women, in order to protect the royal family. Face, on the spot canonize Yue Feng as the concubine.

At that time, Long Qianyu had no choice but to agree, but in his heart, he always resisted this matter and never regarded Yue Feng as his concubine.

However, in Yue Feng’s heart, he always regarded her as his own woman. Therefore, Yue Feng was very excited when he heard that Long Qianyu was coming.

Chapter 1940

“What are the Nagumo Messengers doing?” Yue Feng asked.

He was already the emperor of Xi Cang Continent, so he naturally wanted to ask about the purpose of Nan Yun Continent.

The little eunuch thought for a while and responded, “Go back to your majesty, as far as the servants know, Nannan Yunlu sent a group of envoys this time to re-sign the alliance.”

Re-sign the alliance?

Yue Feng was stunned for a moment, no, a dozen years ago, the Southern Cloud Continent and the Xi Cang Continent had been allied long ago.

“Your Majesty!”

Just when Yue Feng was surprised, the little eunuch explained: “Your Majesty doesn’t know anything. When Duan Yu killed the former emperor, the previous covenant was voided. After all, there is one emperor and one courtier.

” , the little eunuch saw the change in Yue Feng’s expression, and his tone became cautious: “Moreover, this time to sign an alliance with Nanyun Continent again, it is also Duan Yu’s intention. But he is no longer the emperor, and the current Xicang Emperor is you. ..so you have the right to decide whether to ally with the Nagumo Continent.”

Phew!

Hearing this, Yue Feng took a deep breath and his eyes darkened.

After a long time, Nagumo Continent was planning to sign an alliance with Duan Yu. It’s just that they didn’t expect that Duan Yu was no longer the emperor. The current Emperor of Xi Cang is Yue Feng.

At this time, the little eunuch said cautiously: “Your Majesty, the Southern Cloud Messengers do not know yet. Your Majesty has replaced Duan Yu’s throne. If Your Majesty does not want to ally with the Southern Cloud Continent, the servants will send a message and let them return the same way.

” No!”

Yue Feng shook his head and showed a smile: “The alliance is a good thing, why would you refuse it?”

Immediately, Yue Feng asked with a smile, “You said just now that people from the Southern Cloud Continent don’t know Duan. Yu is no longer the emperor?”

“Yes, they don’t know.” The little eunuch scratched his head, and said very ashamedly: “The servants learned that the messenger group was coming, so they hurried to report to His Majesty. Before they could inform them, the Western Cang Continent has changed its dynasty.”

Yue Feng nodded . Head: “Okay, I know, you don’t need to notify, go down first.” The

little eunuch responded quickly and exited the palace.

Watching the little eunuch leave, Yue Feng did not hesitate, changed his clothes, and went directly to the Ziyang Palace.

Yue Feng did not wear a dragon robe, but dressed up casually.

Haha…

On the way to Ziyang Palace, Yue Feng felt extremely comfortable.

I haven't seen Long Qianyu for a long time, and I really miss him a bit.

Moreover, this woman had always looked down on herself before, and felt that she was not worthy of her, but now, she is the emperor of Xi Cang Continent, and now it is not the same as before, does Long Qianyu dare to be arrogant?

Yue Feng wanted to see what Long Qianyu's expression would look like after learning that he was the emperor of Xicang Continent.

Soon, we arrived at the Ziyang Palace.

hiss!

The moment he walked in, when he saw the scene in front of him, Yue Feng couldn't help taking a deep breath, and his eyes couldn't move.

I saw a slender and charming figure with his back to the door, admiring the calligraphy and painting on the screen.

It is Long Qianyu.

At this time, Long Qianyu was dressed in a long purple dress and beaded flowers on her head. She was simple yet elegant and noble, especially the S-shaped curve. Any man would go crazy when he saw it.

I have to say that Long Qianyu is really a fairy-like existence. After a while, she becomes more and more charming and sexy.

call!

After watching it for a few seconds, Yue Feng realized it and walked over with a smile on his face.

Because his back was facing the door, he was appreciating the calligraphy and painting. At this time, Long Qianyu didn't realize that Yue Feng was coming.

When he got to the front, Yue Feng said with a smile, "Oh, isn't this Your Highness the Princess, long time no see!"

"Your Majesty…"

Suddenly hearing the voice, Long Qianyu’s tender body trembled, and she said subconsciously, she was originally I thought it was Duan Yu, but as soon as I said a word, when I saw Yue Feng, the whole person was stunned.

Yue Feng?

The ultimate husband in Chinese chapter 1941-1950

Chapter 1941

After being stunned for a while, Long Qianyu's delicate and beautiful face was full of surprise: "Why are you?"

As soon as he saw Yue Feng, Long Qianyu couldn't hide his contempt and disgust.

It was this Yue Feng who ruined his innocence. If it weren't for him, Huangjie wouldn't be in such a hurry to suggest marriage to her.

"Are you surprised?" Yue Feng said with a smile.

I don't know why, but seeing Long Qianyu's surprised appearance, Yue Feng felt very relieved.

"Why are you here?" Long Qianyu frowned and asked coldly.

This Ziyang Palace, but the place where the emperor received foreign guests, and other people, can't come in casually, what's more, Yue Feng is not from Xicang Continent, but from Earth Circle Continent.

That's right, Long Qianyu led the group of envoys this time to meet Duan Yu and sign an alliance.

At this time, Long Qianyu didn't know that Duan Yu had already been driven away, and the new emperor was Yue Feng. Speaking of which, Long Qianyu, as the eldest princess, had a high position and a special status, and would soon be able to receive Xi Cang. The news of the change of the mainland throne was just that when Yue Feng was making a big noise in the palace and seeking revenge for Duan Yu, Long Qianyu was bringing a group of messengers on the way, so he didn't receive any news.

"Look at what you said."

Yue Feng was still smiling, and his tone was relaxed: "You can come, but I can't?"

Long Qianyu was very impatient, and said angrily: "I want to see Duan Yu, Emperor of Xi Cang. , I don't have time to chat with you, if you also have an audience with the emperor, just wait outside."

At this time, Long Qianyu thought that Yue Feng was also here to meet the emperor. Long Qianyu was too lazy to think about why Yue Feng met the emperor of Xi Cang Continent.

Although the grievances between Yue Feng and Duan Yu have lasted for so many years, Long Qianyu has lived in the Southern Cloud Continent for a long time, and he doesn't know it at all.

"I…"

This chapter is provided by . Visit for daily update.

At this moment, Yue Feng wanted to say that I was the new emperor, but when his mind changed, he laughed and joked: "It's not urgent to see the emperor, we haven't seen each other for a long time. Let's chat for a while and reminisce."

When he said this, Yue Feng had a deadpan expression.

Haha….

It seems that Long Qianyu really doesn't know the situation. In that case, just tease her for a while.

"Go away!"

Long Qianyu blushed and said coldly, "Who wants to catch up with you, do we know each other? I have nothing to talk to you about."

This Yue Feng became more and more serious.

This is the imperial palace of Xi Cang Continent. I have said it myself, there is a serious matter to meet with Emperor Xi Cang, but he will not leave, and he has to make an inch.

It's so disgusting, how can there be such a scoundrel?

Ugh!

Yue Feng sighed lightly, shook his head and said, "Princess, this is your fault. How can I say that I am also your concubine. It's okay if you don't call me your husband when you see me, and now you want to drive me away? This is What kind of reasoning?"

Huh!

Hearing this, Long Qianyu's face turned extremely red all of a sudden, her body trembled with anger, she glared at Yue Fengjiao and shouted, "Shut up for me, it's my sister's business to make you a concubine. But don't admit it, if you talk nonsense again, believe it or not, I will kill you."

Long Qianyu's heart has always been the matter of being asked to marry by the queen and betrothed to Yue Feng.

As for Yuefeng, which pot can't be opened and lifted, why did Long Qianyu not get angry when he told this matter?

"Oops!"

Yue Feng looked surprised and exaggerated: "Eldest Princess, when the Queen gave you the marriage, you agreed to it, but now you can go back and kill me? You are killing your husband, if you If you really killed me, who would dare to marry you in the future?"

Yue Feng's face was serious when he said this, but he was overjoyed.

At the same time, he couldn't help admiring the angry Long Qianyu.

The goddess is the goddess, and she looks so charming when she is angry.

"You…"

Long Qian's tone was not light, and he said coquettishly: "You are slick, you will die for me." When

the words fell, Long Qianyu raised his jade hand and hit Yue Feng with a palm.

Chapter 1942

Nima!

Seeing Long Qianyu calling from a palm, Yue Feng was startled.

This Long Qianyu's temperament is too strong, just make fun of a few words, and then he will do it directly.

Thinking to himself, Yue Feng hurriedly took a step back, dodged the palm, then circled behind the pillar next to him, and shouted at the same time.

"It's not good, the eldest princess has done something to the concubine, and is going to murder her husband." To be

honest, with Yue Feng's current strength, he is not afraid of Long Qianyu at all.

But that's her own woman, how could she be willing to do it?

"Shut up!"

Listening to Yue Feng's cry, Long Qianyu blushed and stomped his feet in anger. He was the eldest princess of the Southern Cloud Continent, but was molested by a rogue Yue Feng. ?

Thinking to himself, Long Qianyu accelerated, and today, no matter what, he must teach him a lesson.

However, Long Qianyu's speed was fast, and Yue Feng's reaction was faster. In the blink of an eye, Long Qianyu slapped more than a dozen times, but none of them hit, and Yue Feng easily avoided them.

Hula…

Finally, the movement in the Ziyang Palace caught the attention of the palace guards, and with the sound of footsteps, more than a dozen palace guards rushed in.

Swish!

At this moment, Long Qianyu stopped, pointed at Yue Feng and said, "This person rushed in and said disrespect to the eldest princess. You should take it down quickly, and then let your majesty send it."

When he said this, Long Qianyu His eyes were full of anger, and his tone was extremely arrogant.

In Long Qianyu's heart, even though Yue Feng was also a guest here, his status and status were no match for him. Yue Feng is only the sect master of Tianmen, a sect leader, and he, the eldest princess of Nanyun Continent, Duan Yu, the new emperor of Xicang Continent, will definitely give himself face and punish Yue Feng.

At this time, Long Qianyu hadn't realized that the new emperor of Xicang Continent was Yue Feng in front of her.

However.

More than a dozen palace guards did not respond at all. Not only did not take action, but stood there respectfully one by one.

This…

Long Qianyu was stunned, frowning lightly.

what happened? These palace guards didn't understand what they meant?

Pfft…

At this moment, one of the leading guards knelt down at Yue Feng and said respectfully, "Your Majesty, do you want to arrest this woman?"

These guards saw the situation just now and took action against Your Majesty. , this is the big sin of beheading. Even the eldest princess of the Southern Cloud Continent cannot tolerate it.

What? !

At this moment, the entire Ziyang Palace was silent, Long Qianyu's delicate body trembled, and she was completely stupid!

At this moment, her legs felt weak, and her delicate body couldn't help but take two steps back.

Long Qianyu saw that the palace guards in front of him were now in front of Yue Feng, and their faces were full of respect, and this kind of respect was not pretended at all.

How is this possible, Yue Feng is only the sect master of Tianmen, even if he is very strong, he can only be a scoundrel, how can he become the emperor of Xicang Continent in a blink of an eye?

"It's all right!"

At this time, Yue Feng waved his hand with a smile and said to the surrounding palace guards: "I'm playing with the eldest princess, don't take it seriously, let's all step back."

"Yes, Your Majesty!" The dozen or so palace guards, all together The sound was reconciled, and then carefully retreated outside.

"You…"

At this time, Long Qianyu reacted and looked at Yue Feng blankly: "You are the new emperor of Xicang Continent? Isn't the new emperor Duan Yu?"

Chapter 1943

Yue Feng smiled slightly: "The custom of Xicang Continent is that the strong are respected. It was indeed Duan Yu before, but he was driven away by me, and now the emperor is me. Her Royal Highness, the eldest princess, are you surprised? "

I…" Long Qianyu bit her lip so hard that she almost bleeds, a heart pounding like a deer, and she didn't know how to respond.

At this time, Long Qianyu was shocked and suffocated.

This Yue Feng, acting like a fool, thought that he would not have much success, at most he would be the sect master of Tianmen, but he did not expect that he would become an emperor.

Also, he clearly became the emperor, but he didn't wear a dragon robe, and he even came in to tease him alone, which was obviously intentional.

It's abominable.

Thinking to himself, Long Qianyu endured his anger and whispered: "Just now, I was a little reckless, don't blame your Majesty."

Long Qianyu was very reluctant to admit his mistake to Yue Feng.

But there is no way, the other party is now the emperor.

"Your Majesty?" Yue Feng deliberately took a step closer, looked at Long Qianyu from a close distance, and said with a smile, "Does it seem too natural to call the eldest princess like this?"

This time, Long Qianyu was about to cry, she Bingxue is smart, why don't you understand what Yue Feng means?

It's just… so many guards outside are listening, how can I call his husband?

Ugh! Seeing that Long Qianyu was very tangled, Yue Feng sighed softly and said regretfully: "I heard that the eldest princess is here to sign an alliance this time, but I am not happy at all, and I am not in the mood

for an alliance."

As he said that, Yue Feng secretly paid attention to Long Qianyu's expression.

Haha…I made you look down on me before, I will take the opportunity to tease you today.

Long Qianyu's tender body trembled: "Then what Your Majesty means, is it not an alliance?"

Before leading the delegation, Queen Nayun repeatedly explained that the alliance with Xi Cang Continent this time must be smooth and smooth, not the slightest bit. The mistake, you must know that although the Nanyun Continent is very strong, the Xicang Continent is not weak, especially in these years, Duan Yu led the army to conquer the east and the west, making the iron cavalry of the Xicang Continent famous in Kyushu.

Under such circumstances, the Southern Cloud Continent tried very hard to make an alliance with the Xi Cang Continent. After all, it would definitely not hurt to have one more powerful friend.

“It’s not me who decides whether to make an alliance or not!” Yue Feng showed a smile and played with Long Qianyu: “It’s the princess who has the final say, you said, I was very sincere with you just now, but As for you, don’t want to talk to me, you have to do it, how can I make an alliance like this.”

“Also, we still have a marriage contract, but you don’t say a word to your husband.”

“It really makes me disheartened . Ah.”

At the end, Yue Feng shook his head, looking helpless!

This…

At this moment, Long Qianyu’s beautiful face was instantly bloodless!

She bit her lip tightly, if she hadn’t made an alliance with Xi Cang Continent this time, she wouldn’t be able to explain to the Queen when she went back.

“Your Majesty…” At this moment, Long Qianyu bit her lip, walked slowly to Yue Feng, pulled one of his arms, and swayed like a spoiled child.

“Your Majesty, I was wrong…” The voice was so small that you couldn’t hear it if you didn’t listen carefully.

At this time, Long Qianyu, she never dreamed that one day she would apologize to this scoundrel! I didn’t expect that the dignified eldest princess of the Southern Cloud Continent would be so servile in front of this scoundrel!

Yue Feng snorted and looked at her with a smile: “Didn’t you just say that you want to let me die?”

“I was wrong, I really know I was wrong.” Long Qianyu bit his lip tightly, almost almost Biting and bleeding: “Husband, I was a little impulsive before. I shouldn’t be disrespectful to you, let alone do anything, you forgive me this time and promise the alliance, okay?”

“Yes.”

Yue Feng showed a smile, Slowly said: “Just, what did you call me just now? I didn’t hear it.”

Speaking of this, Yue Feng deliberately leaned closer, his expression was very playful.

Hearing this, Long Qianyu’s delicate body suddenly trembled. She knew that the name that was too embarrassing to be spoken to can’t be called again today!

Chapter 1944

“Husband… husband.” Long Qianyu bit his lip tightly and whispered.

When she shouted these two words, Long Qianyu’s face was extremely red. To be honest, she used to despise Yue Feng the most, and she was very disgusted even when she saw him.

However, at this moment, in front of Yue Feng, she has given up all her arrogance and self-esteem!

“Good, I’ll call you that when you see me later, do you know?” Yue Feng said with a smile.

Long Qianyu nodded again and again.

At this moment, looking at Long Qianyu’s incomparably well-behaved appearance in front of him, he felt an indescribable joy in his heart.

Haha…

Long Qianyu, who used to be extremely arrogant, was actually conquered by himself like this. It feels really good.

On the other side, the Earth Circle Continent. Zhongzhou, Ouyang family.

It was already late at night, and the entire Zhongzhou City fell into silence!

However, in the other courtyard of the Ouyang family, it was brightly lit.

At this time, in the hall. Sun Dasheng, Wen Chou Chou, Mei Hui, Qin Rong Yin, and Ren Ying Ying gathered together, everyone was extremely silent, with worried expressions on their faces.

Duan Yu killed Ouyang Zhennan, and Yue Feng went to Xicang Continent alone to avenge his adoptive father, and he didn’t know what happened.

Speaking of which, Sun Dasheng and Wen Chou Chou were going to go together at that time, but Yue Feng, considering that the Ouyang family was severely damaged and needed protection, insisted that they stay.

At this moment, Sun Dasheng looked around and said, “It’s useless for us to be in a hurry here, I think so, I’ll take someone to Xicang Continent to help Fengzi, Brother Wen will stay and guard the Ouyang family. “

When he said this, Sun Dasheng couldn't bear his temper, and he stood up and called someone.

"Don't worry!" Wen Chou Chou grabbed him, very helpless: "I think Feng Zi has an advantage to go alone, at least it is easy to move alone, and it is not easy to expose, if you bring someone to support, it is very easy Disrupting Fengzi's plan."

After speaking, Wen Chouchou continued: "What's more, Duan Yu is the emperor now, and with a single order, there are thousands of troops, what if you are surrounded, what should you do? At that time, Fengzi will still be I have to find a way to save you."

What?

Hearing this, Sun Dasheng became anxious: "Brother Wen, you underestimate me too. Can I be surrounded by Duan Yu's army? If I really want to meet his army, I will kill them all."

Wen Chou Chou shook his head. A wry smile, this Great Sage, after so many years, is still impatient.

"Great Sage, Brother Wen!"

At this moment, Ren Yingying on the side said, "I think we should follow Yue Feng's arrangement, stay in the family, strengthen vigilance, and guard against Zhou Qin."

Some time ago , Zhou Qin issued an order as the leader of the martial arts alliance to suppress all the forces related to Yue Feng. These Yue Feng have long known, so before leaving, he specially explained to everyone that Zhou Qin must be strictly guarded.

To be honest, Ren Yingying is also very worried about Yue Feng, but she has a wise personality and can keep her sanity. She knows that going to Xicang Continent to support Yue Feng is completely an adventure. It is better to follow the previous arrangement and wait for the news.

The voice fell, and many people around nodded.

"Not bad!"

"I support the princess' decision."

"Yes, let's take good care of Zhou Qin now, this woman is too sinister."

Although Emperor Tianqi was dead, everyone still used to call Ren Yingying the princess.

“It’s not good!”

Just as he was talking, a family disciple rushed in in a panic, and said to Meihui, “Miss, it’s not good, it’s not good…”

The family disciple was sweating profusely, with an expression on his face. Extremely anxious.

Chapter 1945

“What’s so panic?” Meihui frowned and couldn’t help scolding: “Speak slowly, what are you doing in such a hurry?”

Meihui’s character is innocent and innocent, but after her father’s death, she changed instantly have matured a lot.

The disciple wiped off his sweat and panted, “Miss, we just heard the news that Miss Liu Xuan was arrested by Zhou Qin and locked in the dungeon in Emei.”

What? !

Hearing this, everyone present changed their expressions.

Liu Xuan is Yue Feng’s first wife. The relationship between the two has been very ups and downs. They have experienced many ups and downs over the years. They all know that Liu Xuan’s position in Yue Feng’s heart.

Wen Chou Chou quickly stood up and frowned, “Is what you said true?”

The disciple nodded quickly, “It’s absolutely true, there are two men who were detained together with Liu Xuan, one is Zhu Rong and the other is Zhu Rong. It’s Shennong, and it is said that these two are friends of the young master.”

What?

In an instant, the entire hall was in an uproar, and everyone looked at each other in shock.

Zhu Rong and Shen Nong? These are all well-known peerless powerhouses, and even they were caught in Zhou Qin’s trap?

“Crack!”

At this moment, Sun Dasheng was extremely angry, and slapped the table fiercely, trembling with anger: “Made, Zhou Qin is a vicious woman, even Liu Xuan will not let go.” After

speaking, Sun Dasheng looked Zhu Wen Chou Chou: “Brother Wen, there is no need to discuss, hurry up and call someone, kill Emei, and save them.”

Zhou Qin is cruel and ruthless, if it drags on, Liu Xuan will definitely suffer a lot.

“Okay!”

This time, Wen Chou Chou didn’t hesitate at all. After nodding, he shouted directly at the disciple in front of him: “Go, immediately summon everyone in the Hall of Longevity and go to Emei to save people.”

“Call all the disciples in Huaguo Mountain. “Sun Dasheng shouted with a look of anger.

“Yes!” The disciple responded, turned around and walked out quickly.

“Boom!”

The disciple hadn’t walked out of the hall when he heard a loud bang, which came from outside, and the door of the Ouyang family was smashed abruptly!

At the same time, a maid walked in quickly, her face pale: “No, Zhou Qin brought Emei disciples, and various sects… here.”

When she said this, the maid was almost paralyzed. on the ground!

Wen Chou Chou and the people around them all changed their expressions. Mad, was about to settle accounts with this woman Zhou Qin, but she actually came to the door.

Immediately, everyone stood up and walked out of the hall quickly.

hiss!

When they got outside, seeing the scene in front of them, Wen Chou Chou and Ren Ying Ying couldn’t help but take a deep breath!

I saw the masters of various sects gathered together, nearly a hundred thousand, and surrounded the entire Ouyang mansion like an iron barrel!

In front of the masters of various sects, a charming figure was quietly suspended, wearing a long black dress, blending with the surrounding night, like a night elf, but that beautiful face, revealing the slightest chill, It was Zhou Qin.

“Zhou Qin!”

Sun Dasheng was the first to resist, pulled out his axe, and glared at Zhou Qin, “You still have the courage to come to the Ouyang family, let me ask you, what did you do to Liu Xuan?”

Hehe…

Zhou Qin chuckled lightly, his eyes full of contempt: “Sun Dasheng, you are not qualified to know how this seat treats Liu Xuan.”

The ultimate husband in Chinese chapter 1946-1950

Chapter 1946

Speaking, Zhou Qinyu became colder and looked around the audience: “Ouyang family, listen to you. You are all smart people, I won’t talk nonsense, from now on, you will listen to me, all My order must not be violated, as long as you agree, I will let the Ouyang family go, otherwise, I will settle down here tonight.”

When he said this, Zhou Qin’s eyes swept over the people of Sun Dasheng, and he was arrogant. .

Originally, Zhou Qin didn’t want to deal with the Ouyang family so quickly, but the previous plan to frame Yue Wuya and Han Bing failed, and then he tore his face and grabbed Liu Xuan, so there was no need to wait any longer.

Moreover, Zhou Qin got the news that Yue Feng went to Xicang Continent to seek revenge for Duan Yu. How could such a good opportunity be missed?

Whoa!

Hearing this, the Ouyang family and Dasheng Sun immediately burst into anger.

“Want us to surrender to you? Dream!”

“We’d rather die than compromise with you.”

“If we want to fight, fight, don’t do it.” The angry shouts from the

Ouyang family kept coming, Zhou Qin His expression was indifferent, without the slightest fluctuation, and after a few seconds, his eyes suddenly became cold.

“All sects obey orders!” A cold voice

came from Zhou Qin’s mouth, without the slightest emotion: “Take all these people in front of me!

“

, The momentum was overwhelming, and they all urged their inner strength, without a single word of nonsense, they rushed directly into the crowd of Ouyang’s disciples!

“Ah!” The

disparity between the numbers of the two sides was too great, and only a few screams were heard. Many disciples of the Ouyang family fell into a pool of blood before they could resist.

“Zhou Qin…”

At this moment, Meihui was furious, her beautiful face was extremely pale, and her delicate body was trembling with anger!

Zhou Qin’s face was gloomy and cold: “Those who obey me will prosper and those who oppose me will perish. If the opportunity is given to you, don’t blame me for being cruel !

“

My disciple, was brutally murdered!

Seeing this scene, Sun Dasheng and Wen Chou Chou were all furious.

“Kill!”

Sun Dasheng roared, clenched his axe tightly, and rushed into the enemy group first.

Wen Chou Chou and everyone followed closely.

They know that today the Ouyang family is more fortunate and less fortunate, and they are afraid that they will be wiped out. But before being destroyed, you have to kill a few more enemies. It is useless to talk about the situation in front of you, and you can only resist desperately!

In the blink of an eye, a fierce battle broke out between the two sides. The entire Ouyang family was full of blood, and even the air was full of blood.

“Ah!” The

screams and screams are endless! The blood of the entire Ouyang family seems to have pooled into a river!

Once the battle broke out, it was extremely fierce!

Because they want to protect the Ouyang family, the disciples of Huaguo Mountain and the Hall of Longevity have been stationed here, but even so, facing the siege of masters from various sects, the form is not optimistic!

After all, the disparity between the numbers of the two sides is too great. Zhou Qin brought it, but dozens of sect masters, nearly 100,000 people.

After more than two hours of fierce fighting, Huaguo Mountain and the Hall of Longevity, as well as the disciples of the Ouyang family, suffered countless casualties and were completely defeated. Wen Chou Chou, Sun Dasheng, and Ren Yingying were all tied up by Wu Hua and brought to Zhou Qin.

“This seat will give you one last chance!” Zhou Qin’s eyes swept across Dasheng Sun’s people one by one: “Respect me and pledge allegiance to the death, this seat will give you a way to survive.”

Chapter 1947

Huh!

Hearing this, Sun Dasheng and everyone were extremely indignant. In the previous fierce battle, everyone was injured and their breath was weak, but their expressions were still extremely firm.

Especially Sun Dasheng, who was dripping with blood at this time, his face was pale, and he could fall down at any time, but he was still arrogant, staring at Zhou Qin and shouting: “Zhou Qin, don’t do this. If you want to kill, you need to cut, Listen and respect, a vicious woman like you is not qualified to make Lao Tzu allegiance.” The

voice fell, and other people around also agreed!

“That’s right, we are outnumbered, we lose and accept our fate…”

“That is, if you want to kill, hurry up, stop talking nonsense…”

Shua!

Hearing this, Zhou Qin's face changed suddenly, as cold as frost, and stared at Sun Dasheng: "Sun Dasheng, you are still tough when you are about to die, you are very tough, right? Take it down and see if you are still tough."

When he said this, Zhou Qin's eyes were full of murderous intent.

To be honest, among the three Yue Feng brothers, Zhou Qin is most annoying to Sun Dasheng. Because he is the head of Huaguo Mountain, he is arrogant and ignores anyone. The ancient tomb of Lu Bu was also closely followed by Sun Dasheng. Reluctant to give up, Zhou Qin fell into the underground secret room where Zhang Jiao was imprisoned.

At this time, seeing Sun Dasheng trying to challenge himself, Zhou Qin's delicate body trembled, and he couldn't help it at all.

"Zhou Qin!"

Seeing this scene, Ren Yingying became anxious and couldn't help but said, "As the leader of the Earth Circle Continent, using such a despicable method to besiege the Ouyang family and force others to be loyal, you are not afraid of the world. Laughing?"

"Also, it's the time when the Earth Circle Continent needs to unite, but you have caused infighting in the rivers and lakes. If you start killing people tonight, you will be the eternal sinner of the Earth Circle Continent."

Ren Yingying is very smart. Seeing that Zhou Qin is killing Sun Dasheng, she quickly finds a topic to divert Zhou Qin's attention.

"Eternal sinner?"

Hearing this, Zhou Qin's face froze, her body trembled with anger, she stepped forward, raised her jade hand, and threw it directly at Ren Yingying!

This slap, Zhou Qin tried her best, but also contained the jealousy and hatred in her heart. In Zhou Qin's heart, in terms of appearance and aptitude, she couldn't compare to this Ren Yingying, but Yue Feng not only accepted her, but also for the sake of her. Ren Yingying, who once made a fuss about the Apocalypse Royal Family, was unusually indifferent to herself.

Thinking of this, Zhou Qin was extremely annoyed.

"Crack!"

Ren Yingying's hands and feet were tied tightly, and she couldn't dodge at all. With a crisp sound, she saw Ren Yingying groaning, her body trembled and she was slapped to the ground, and her lips were bleeding!

Whoa!

Seeing this scene, Sun Dasheng and Wen Chou Chou were extremely shocked and angry.

Crazy, Zhou Qin is completely crazy this time.

Especially Wen Chou Chou, his eyes are extremely blood red, in addition to endless anger, there is also some annoyance in his heart.

He couldn't forget that the tragic death of his first wife was the murderous hand of Zhou Qin. Later, Wen Chou Chou went to Emei for revenge more than once, but because of various things, it was delayed.

At this time, Wen Chou Chou is very regretful. Knowing that Zhou Qin is so sinister and vicious, he should have done nothing to get rid of this woman, so as not to leave disaster and let her do bad things.

But, it's too late to say anything now.

At this time, Zhou Qin's face was frosty, and she still didn't relieve her anger, she said coldly to Ren Yingying: "Ren Yingying, these are the internal affairs of our Earth Circle Continent, you are a former princess of the Apocalypse Continent, peaceful days. However, if you have to endure hardships with Yue Feng, then don't blame me! Since you like to meddle in your own business so much, this seat will ask you to be a good person again, and make a good contribution to the rivers and lakes of our Earthly Continent."

Huh?

Hearing this, Ren Yingying frowned.

What does Zhou Qin mean? What is she going to do?

At this time, Zhou Qin showed a smile and looked around the audience: "Everyone present, among you, there are still many people who have not married. Whoever wants to marry this Ren Yingying, come out quickly, this seat will be your matchmaker. You know , this Ren Yingying is a princess, she is beautiful and temperamental, who wants to marry her?"

Chapter 1948

Zhou Qin smiled. I thought to myself: Yue Feng, you were dismissive of me before, but now you will give your woman to another man to enjoy, and your heart will hurt to death.

What?

Hearing this, Ren Yingying trembled, shocked and angry.

Zhou Qin, are you going to give yourself away? So vicious.

At the same time, Sun Dasheng and Wen Chou Chou were also burning with anger, staring at Zhou Qin. If his eyes could kill, Zhou Qin would already be riddled with holes.

Whoa!

The surrounding masters of various sects were in an uproar, one by one extremely excited.

This Ren Yingying, but the former princess of Apocalypse Continent, has a distinguished status, not only beautiful, but also ice and snow smart. If you marry her, you will have no regrets in this life.

“Leader!”

At this time, Tang Qingyun came out first, unable to hide his excitement, and said to Zhou Qin: “This subordinate has not yet married, and he has long admired this former princess of the Apocalypse Continent. , I hope that the leader of the alliance will be fulfilled.”

When he said this, Tang Qingyun’s eyes were looking up and down at Ren Yingying, and his eyes were almost straight.

I thought that following Zhou Qin to encircle and suppress the Ouyang family today was just a simple effort, but I didn’t expect that there would be unexpected joy.

Haha…

You must know that in order to recruit a concubine for Ren Yingying, Emperor Tianqi specially held a competition to recruit relatives, which caused a sensation in the entire Kyushu continent at that time.

At that time, at the competition to recruit relatives, countless masters from the Kyushu Continent regretted leaving under the competition.

Now, it is a happy event in the world that I can get this princess without much effort.

“Okay!”

Zhou Qin nodded with a smile and waved her jade hand: “This seat is ready, I will let you in the bridal chamber tonight.”

She only needs to find someone to sully Ren Yingying, the purpose is to make Yue Feng sad, as for who this person is, It doesn't matter.

"Many thanks to the leader of the alliance." Tang Qingyun was delighted and thanked Zhou Qin again and again: "From now on, my subordinates will serve the leader of the alliance wholeheartedly, even if they go to the mountain of knives or the sea of fire."

After saying this, Tang Qingyun rubbed it. Rubbing his hands, he walked towards Ren Yingying with a smile: "Your Highness, don't worry, I promise that I will love you and love you all my life.

"

, kept shouting: "Go away, don't touch me…"

At this time, Ren Yingying was very sad and angry, and she never thought that Zhou Qin actually did what she said, and really gave herself to others. To be in the bridal chamber tonight, Ren Yingying wanted to struggle, but her hands and feet were tightly bound, and she couldn't break free at all.

Seeing Tang Qingyun getting closer and closer, Ren Yingying was suddenly desperate, and tears fell down her face.

Yue Feng, when are you coming back?

At this moment, the anger of Sun Dasheng and Wen Chouchou was completely ignited.

"Tang Qingyun, what the fuck you are, if you dare to touch my sister-in-law, I will slash you with a thousand swords."

"Stop, Tang Qingyun, please stop for me."

Sun Dasheng and Wen Chou Chou shouted incessantly. Tang Qingyun didn't panic at all, and he didn't mean to stop, getting closer and closer to Ren Yingying.

To be honest, if it was before, Tang Qingyun would not have dared to be so presumptuous in front of Sun Dasheng and Wen Chou Chou.

However, with Zhou Qin as a backer, Tang Qingyun was not afraid at all.

"Stop… You are not allowed to touch my sister-in-law."

At this moment, a clear and tender shout came, and she saw that Mei Hui broke free from the iron chain on her feet, and rushed over at once, blocking Ren Yingying. In front of her, her delicate face was full of anxiety and determination.

In Meihui's heart, Yue Feng is her own brother, and Ren Yingying is Yue Feng's woman and her own sister-in-law.

Seeing Tang Qingyun at this time, she wanted to get in on Ren Yingying, but Meihui didn't have time to think about it and tried her best to stop it.

"Go away!" Tang Qingyun frowned and shouted angrily!

A girl who dares to come out and make trouble, she just doesn't know whether to live or die.

Chapter 1949

Mei Hui ignored her at all, staring at Zhou Qin: "Zhou Qin, you vicious woman, you once killed brother Wen's wife, and did so many things that were sorry for brother, now you I want to kill my sister-in-law again, let me tell you, a woman like you with a heart like a scorpion will not end well, even if no one kills you, God will not let you go…

" In the end, Mei Huixiu's face was full of determination: "As long as I'm here today, you can't touch my sister-in-law." The

father died, the mother was arrested, and the sister was not here, so she had to stand up.

At this moment, Meihui stood there resolutely, her figure was delicate, but she gave off an aura that should not be underestimated.

call!

Tang Qingyun stood there with a complicated expression.

I don't know why, Meihui was injured and there was no threat at all, but she could feel the justice on her body, but Tang Qingyun didn't have the courage to take a step forward.

Snapped!

At this moment, Faye Wong froze, walked over and slapped it hard on Meihui's face.

"Damn girl, what are you? Dare to talk to the leader like this, courting death!" Faye Wong said coldly, raised her jade hand at the same time, and slapped Meihui again, a slap is harder than a slap!

"Crack! Slap! Slap!" The

crisp voice kept ringing!

Meihui is extremely weak, how can she bear it? ! At this time, blood oozed from the corner of her mouth, and she could not stand up, but she still shouted: “Zhou Qin, you bad woman, you must not die well, you must not die well…”

This Zhou Qin, once Slandering brother, and now bullying sister-in-law Yingying, there is no woman in the world more hateful than her.

Hearing this, Zhou Qin was completely angry, and ordered Faye Wong: “Hit me, hit this bitch until you shut up.”

“Yes! Leader of the alliance!”

Faye Wong grabbed Meihui’s hair and slapped it The more you fan the more ruthless!

“Meihui…”

“Zhou Qin, damn you, you instructed your subordinates to hit a little girl who was powerless to fight back. Is she a human?”

“Nima’s, Zhou Qin, have the ability to come to me, Don’t bully Meihui…”

Seeing this scene, Sun Dasheng, Wen Chouchou, Ren Yingying and others were all shocked and angry, and shouted at Zhou Qin.

Especially Sun Dasheng, his eyes were extremely blood red, his whole body was filled with anger, and he was about to explode with anger.

Meihui is too pitiful. The Apocalypse Prison where her father died, her mother was taken away by Duan Yu, and her sister was silent. Under such circumstances, she had to mature herself and support the entire Ouyang family with her weak shoulders. It can be said that he is already physically and mentally exhausted, and now, being beaten like this by Zhou Qin’s people is really annoying.

“Haha…”

Zhou Qin sneered when he heard the scolding of Sun Dasheng and everyone: “What are you talking about? The outcome has been decided just now. Even if I let you go now, are you your opponents?”

Huh…

listen At this point, Sun Dasheng and Wen Chou Chou were all blushing and speechless.

Yes, Zhou Qin is surrounded by experts like clouds, even if he lets go of himself, he is not an opponent.

But… just helplessly, watching Mihui get beaten?

Finally, Mei Hui couldn't hold it anymore and was knocked unconscious.

Faye Wong stopped and returned to Zhou Qin: "Leader, don't talk nonsense with these people, order to kill them all."

Faye Wong has followed Zhou Qin for years, and her heart is extremely vicious.

Um!

Zhou Qin nodded silently, these people have fallen into his hands, there is really no need to waste words.

In the next second, Zhou Qin was about to order everyone to do something and kill Sun Dasheng and others on the spot, but when his mind changed, Zhou Qin dismissed the idea.

No, killing them like this is too cheap for them.

Thinking to herself, Zhou Qin instructed Faye Wong, "Let everyone in the Ouyang family open their mouths."

Chapter 1950

Zhou Qin's voice fell, and several Emei disciples stepped forward one after another, pinching the chins of the Ouyang family.

call!

At this moment, Dasheng Sun and everyone instinctively resisted, but their hands and feet were tied, and they couldn't help themselves. After being pinched by their chin, they were forced to open their mouths.

Zhou Qin took out a jade bottle, which contained black medicinal pills. Faye Wong stuffed these medicinal pills into the mouths of the Ouyang family. This medicine pill is the Black Heaven Pill.

Zhou Qin thought about it, killing Sun Dasheng and others directly would be too unsatisfactory, and after giving them the Heitian Pill, there is no antidote, and these people will die very miserably one by one.

Zhou Qin has already counted the time. Each person takes five Heitian Pills. Within half a month, the toxicity will occur. At that time, Yue Feng will almost return, just in time to see the tragic situation of Sun Dasheng and the others.

Haha…

Let Yue Feng see with his own eyes that his relatives and friends are dying one by one.

Zhou Qin was not at all worried that Yue Feng would be able to refine the antidote. You must know that the indestructible scripture is a masterpiece, and the Heitian Pill in it is only known to him. No antidote has been researched.

hum!

Just a few seconds after taking the Hei Tian Pill, Sun Dasheng and Wen Chou Chou all trembled, their brows furrowed…

such a powerful poison.

At this moment, whether it is Sun Dasheng or Wen Chou Chou, their faces are pale, and their hearts are in shock. What kind of poison is this?

Not only that, but Dantian was completely suppressed!

So domineering….what poison is it?

Haha….

Seeing this scene, Zhou Qin was extremely proud and didn't talk nonsense. Looking at Dasheng Sun, he said bluntly: "Don't guess, I'm giving you the Heitian Pill."

"This poison, Originally, if you take one pill, it will hide in your body for a year before it will flare up, but I can't wait that long, so I gave each of you five pills."

"After half a month, the poison on your body will break out earlier, and then , one by one all rotted to death, how miserable it is."

"You said, when Yue Feng comes back and sees your tragic death, how sad will you be? Haha…"

When he said this, Zhou Qin made no secret of her pride, and kept laughing loudly, looking at her smiling face, which was very charming.

Black Tiandan?

The attack occurred within half a month, and the body festered and died?

At this moment, Sun Dasheng everyone was extremely sad and angry.

Zhou Qin didn’t immediately kill his own people, but by using this method, he clearly wanted to make Yue Feng completely collapse.

So vicious.

This is completely a woman with a vicious heart, no, not only a vicious heart, all the vicious words in the world are not enough to describe Zhou Qin’s ruthlessness.

Feeling the resentful eyes of Sun Dasheng’s people, Zhou Qin smiled and waved his hand at Faye Wong: “The people of the Ouyang family will not live long, don’t worry about them, go back to the mountain gate.”

Sun Dasheng and these people, take With Heitian Dan, his internal strength has been suppressed, and it is impossible to recover. He doesn’t need to worry about retribution, he just needs to return to Emei and wait for a good show.

hula.

In a blink of an eye, the masters of the various sects, led by Zhou Qin, withdrew from the Ouyang family and soon disappeared into the night.

quiet!

At this moment, the entire Ouyang family was extremely silent.

The night wind kept blowing, and everyone in Sun Dasheng lowered their heads, their hearts even colder than the night wind.

These people are all poisoned and will not survive for half a month. When Yue Feng comes back and sees the miserable state of these people, it will definitely be extremely uncomfortable.

The ultimate husband in Chinese chapter 1951-1960

Chapter 1951 Waiting

to die quietly like this?

For a while, everyone didn't speak, and the more they thought about it, the worse they felt, and the more desperate they became.

…..

On the other side, Wangyou Valley.

Under Su Qingyan's careful care, Duan Yu recovered completely from his injuries after three days of recuperation.

At this moment, in the Wangyou Valley hall, Situ Wangqing sat there with a smile on his face.

In front of her, Duan Yu and Su Qingyan stood quietly.

"Master!"

At this time, Duan Yu bowed his hands politely at Situ Wangqing, "The disciple's injury is completely healed. Today, I came here to say goodbye to Master. I want to seek revenge from Yue Feng."

"Okay!" Situ Wangqing nodded: "After you leave the valley, be careful with everything. If you need help, you must notify your teacher as soon as possible."

Situ Wangqing saw Duan Yu's ambition and was determined to take back the throne. Since he was his own disciple, Naturally help.

"Thank you Master, my disciple knows." Duan Yu replied.

"Master!"

At this moment, Su Qingyan, who was next to him, bit her lip and said softly, "I… I also want to go out of the valley, the disciple has lost his previous memory, and what the outside world is like, I have forgotten all about it. , I really want to go out and have a look."

After staying in Wangyougu for nearly a month, Su Qingyan was so bored that she wanted to go out and take a look.

This chapter is provided by . Visit for daily update.

“Alright!”

Situ Wangqing thought about it for a while, then nodded with a smile: “In this case, you and Duan Yu can go together and take care of each other.”

When the words fell, Duan Yu continued with a smile: “Yes, yes, let’s go together, senior sister, I know a lot of interesting places, when the time comes, I will take my senior sister for a good walk.”

Well!

Hearing these words, Su Qingyan felt warm in her heart, and responded very happily.

With Master’s approval, Duan Yu and Su Qingyan simply cleaned up and left Wangyou Valley soon.

Two hours later, Duan Yu and Su Qingyan came to Xicang Imperial City.

call!

At this moment, seeing the gate of the city, pedestrians were constantly coming and going, and the inside was extremely lively and prosperous, Su Qingyan was very excited.

Immediately afterwards, Su Qingyan couldn’t help but asked Duan Yu: “Junior Brother, do you really want to break into the palace alone, deal with Yue Feng, and take back the throne?”

Duan Yu said on the way before that he wanted to break into the palace alone. Imperial City, seek revenge for Yue Feng.

“Yes!” Duan Yu nodded firmly, then took a deep breath, and continued: “But not now, let’s find an inn to rest first, and in the evening, I will take advantage of the night to assassinate Yue Feng, then, senior sister, you will Meet me outside.” After

speaking, Duan Yu looked at Su Qingyan with a smile: “As long as I regain the throne, I will definitely repay my senior sister.”

“Junior brother doesn’t have to be so polite.” Su Qingyan smiled and shook her head. : “That Yue Feng is so abhorrent, being an emperor must be a foolish monarch. I will help you, but also for the people of Xicang Continent.”

Until this time, in Su Qingyan’s heart, Yue Feng was still an out-and-out villain and a hypocrite. . Afterwards, Su Qingyan thought of something, and said worriedly

, “You said earlier that Yue Feng issued an imperial decree and hunted you everywhere. Now that you come to the imperial city on your own initiative, aren’t you afraid of being discovered?”

Worry.

Duan Yu smiled slightly: “Senior sister, there is a saying in our hometown called ‘the most dangerous place is the safest place’, that Yue Feng only thought that I would escape as far as possible, but he never thought of it. I will come to him so soon to take revenge.”

“It makes sense.” Su Qingyan tilted her head to think for a while, smiled sweetly, and praised: “Junior Brother, you are so smart.”

Originally, Su Qingyan’s impression of Duan Yu was just that Yes, now appreciate it even more. This person is brave and resourceful, and he is really a talent.

Chapter 1952

Duan Yu smiled and said no more, and entered the imperial city with Su Qingyan.

At this time, the four gates of Xicang Imperial City were heavily guarded.

However, Duan Yu had stayed in Xi Cang Continent for so many years and was very familiar with the imperial city, so he easily avoided the city gate guard’s investigation.

After entering the imperial city, Duan Yu deliberately found an inn in a relatively remote location, and specially ordered the second inn to ask for two rooms.

To be honest, Duan Yu’s gentlemanly demeanor and unrestrained suaveness have deeply won Su Qingyan’s favor in the past few days of getting along with him. Moreover, with Duan Yu’s strength, he can completely force Su Qingyan’s innocence. .

But Duan Yu didn’t do that.

Duan Yu had thought about it, to win Su Qingyan’s heart completely, it was more interesting than getting her person.

Duan Yu knew that Yue Feng and Su Qingyan had a very good relationship. If he got Su Qingyan’s heart, Yue Feng would definitely be heartbroken.

There is nothing more uncomfortable than taking love with a horizontal knife.

“Junior Brother!”

When entering the inn, Su Qingyan looked at the lively and bustling streets in front of her, and was very emotional: “This imperial city is really big and lively.”

Duan Yu smiled slightly: “The night view of the imperial city is even more beautiful. , you will know at night.”

Said, Duan Yu patiently said: “Senior sister, we are all tired after walking all the way, let’s take a rest first, and at night, I will start to act. When I successfully regain the throne, I will I’ll accompany you to experience the prosperity of the imperial city.”

Duan Yu couldn’t hide the anticipation in his eyes when he said this.

Speaking of which, Duan Yu could not wait to break into the palace now, kill Yue Feng, and regain the throne, but he still resisted the urge.

Yue Feng guessed well before, and the opening of the axe can only show its true strength at night. Duan Yu is cautious and naturally does not take risks.

Um.

Su Qingyan responded and said with a smile, “Junior brother, I wish you success. Don’t worry, I will cooperate with you when you take action.”

After speaking, the two entered the inn and rested in their respective rooms.

And just when Duan Yu and Su Qingyan entered the inn, not far from the street, a man had complicated eyes, took a deep look at the inn, and quickly walked towards the palace.

This man’s name is Hong Fei, and he is the deputy commander of the Imperial City Guard.

Today, Hong Fei was in charge of patrolling the imperial city. He thought it would be the same as usual, nothing special happened, but unexpectedly, he saw Duan Yu by accident.

This Duan Yu is very courageous. His Majesty has already set up a net of heaven and earth, arresting him everywhere, and he dares to come back.

Thinking to himself, Hong Fei increased his speed.

Speaking of which, if it was a normal fugitive, Hong Fei couldn’t help it, but Duan Yu was different. The power of the opening axe in his hand was too terrifying. Hong Fei had self-knowledge and naturally did not dare to act rashly.

At this moment.

Inside the palace hall, Yue Feng was lying lazily on the dragon seat, looking at a book of the palace in a bored way.

Originally, Yue Feng wanted to take Jiang Shan and go back to the Earth Continent first, but Duan Yu didn't catch it. Yue Feng had trouble sleeping and eating, and couldn't leave with confidence.

Yue Feng thought about it, as long as he caught Duan Yu, he would take him to the Ouyang family, kill him with his own hands in front of his adopted father's spiritual position, and come to comfort his adopted father's spirit in the sky.

"Your Majesty!"

At this moment, Hong Fei ran in sweating profusely and shouted, "Your Majesty, I have an urgent matter to announce…"

"Hong Fei." Yue Feng frowned and said angrily: "As the commander of the imperial city's defenders, shouldn't you be patrolling today? Is there anything you want to announce? Also, what kind of etiquette is this raging? "

Your Majesty!"

Hong Fei wiped off his sweat and said quickly: "Your Majesty, calm down, I really have an urgent matter, I…I saw Duan Yu when I was patrolling."

What?

Yue Feng was startled, stood up all of a sudden, and looked at Hong Fei closely: "You read that right?

" Yes, how could he have the courage to come back?

Chapter 1953

"Your Majesty, this minister will never read it wrong, it's Duan Yu." Hong Fei knelt there and said cautiously, "Moreover, there is a woman with him, and the two seem to have a good relationship."

Woman?

Hearing this, Yue Feng was stunned for a moment, and his heart became even more puzzled.

The next second, Yue Feng couldn't help but ask, "What does that girl look like?"

“She’s very beautiful and has a great temperament.” Hong Fei responded without hesitation, and after thinking for a while, he roughly said what she looked like.

I go!

After listening to this, Yue Feng was completely restless, because the appearance of the woman Hong Fei said was clearly Su Qingyan.

Qingyan and Duan Yu are together, are they talking and laughing?

No…it can’t be.

Qingyan knows the grievance between herself and Duan Yu the most, even if she is caught by Duan Yu, it is impossible for her to talk and laugh with Duan Yu.

Thinking to himself, Yue Feng did not hesitate, and ordered Hong Fei: “Call all the defenders of the imperial city immediately and surround me with the inn, so that not a fly can fly away.”

“Yes, Your Majesty!” Hong Fei didn’t dare to disobey, so he complied and hurried to prepare.

As soon as his forefoot left, Yue Feng immediately changed his clothes and strode out.

At this time, Yue Feng’s eyes were extremely cold.

Duan Yu, I let you run three days ago, you won’t have such good luck this time.

in the hotel room.

Duan Yu sat cross-legged on the bed, closed his eyes, and quietly waited for the night to come.

Duan Yu had already thought about it. At night, he would sneak into the palace quietly and assassinate Yue Feng. If Yue Feng was not surrounded by guards, he would fight alone, and Yue Feng would not be his opponent at all.

Swish! Swish! Swish! …

At this moment, the sound of footsteps suddenly sounded on the street outside.

Um?

Duan Yu was very alert, got out of bed immediately, opened the window and looked outside.

hiss!

Seeing this, Duan Yu's expression changed, and at the same time he couldn't help taking a breath!

I saw nearly 10,000 imperial city black cavalry troops, flocking here! The entire inn was surrounded like an iron barrel!

These black cavalry, uniform black armor, armed with long spears, murderous awe-inspiring!

The Black Cavalry is the elite of the Xicang Continent. It used to be called the Wild Wolf Cavalry. Later, when Duan Yu became the prime minister, he changed its name to the Black Cavalry Army. Over the years, Duan Yu led this Black Cavalry Army to fight in the east and west, and fight against the enemy. The illustrious name.

As soon as the black cavalry appeared, the air around the inn suddenly dropped in temperature! Pedestrians around, one by one dodged far away, not even daring to take a breath!

And in the air in front of the black cavalry, there was a man quietly suspended in a golden dragon robe, with a strong aura and majesty!

It is Yue Feng!

Ma's!

When the enemy met, he was extremely jealous. Seeing Yue Feng, Duan Yu's pupils shrank, the anger in his heart rose, and at the same time, he was extremely surprised.

He was already very cautious, how did Yue Feng know that he was here?

Swish!

At this moment, Yue Feng, who was suspended in the air, also locked on Duan Yu who was standing on the window sill. The two eyes met, and the air instantly filled with a strong smell of gunpowder.

At this moment, the door of Duan Yu's room in the middle of the inn was gently pushed open, and then, Su Qingyan walked in slowly.

"Junior Brother." Su Qingyan's delicate face was full of doubts: "A lot of soldiers suddenly appeared on the street outside, what's the matter?"

Chapter 1954

Om!

At this moment, Yue Feng's body was shaken, and his mind was buzzing! His eyes were blurred with tears, and he stared at Su Qingyan without blinking!

Light smoke, really light smoke! She is really with Duan Yu.

When Hong Fei reported it before, Yue Feng still didn't believe it, but when he saw that it was really Su Qingyan, he was both surprised and delighted.

In the next second, Yue Feng couldn't hold back his excitement and shouted at Su Qingyan: "Qingyan, is that you? Some time ago, I was dragged by a lot of things, and I didn't have time to go to Tianqi Imperial City to save you guys. I'm sorry. , I've made you suffer, I'm happy to see that you're all right now, that's great…"

Yue Feng saw that Su Qingyan looked good after not seeing you for a while, but she was thinner than before. My heart suddenly felt extremely distressed.

However.

Su Qingyan had a puzzled look on her face, her eyebrows frowned, and then she asked Duan Yu, "Junior Brother, who is this person? How do you know my name?"

After taking Wangyou Shui, Su Qingyan completely forgot Everything in the past, naturally can not recognize Yue Feng.

call!

Duan Yu took a deep breath and said slowly: "Senior sister, this person is Yue Feng, the one who caused you to lose your memory."

When he said this, Duan Yu's expression was serious, but he felt a little inexplicable in his heart.

Su Qingyan and Yue Feng have such a good relationship. Now that they suddenly meet, will Su Qingyan remember anything?

What?

Su Qingyan's delicate body trembled, and she stared at Yue Feng in midair with a bit of vigilance in her eyes.

It turned out that this person was Yue Feng.

Seriously, this person is very handsome, wearing a dragon robe, and has the aura of reigning over the world. No matter how you look at it, he doesn't look like a sinister and cunning person.

However, both the master and the younger brother said that Yue Feng was dangerous, so he should be careful.

Thinking to herself, Su Qingyan reacted and asked Duan Yu, "Why did he say these words to me, as if he was familiar…" Before

she could finish speaking, Duan Yu interrupted.

"Senior sister, you forgot what Master explained before you left. This Yue Feng is the most cunning and is very good at deceiving women with sweet words. Don't be fooled. Don't believe a word of his words." Duan Yu is very serious. 's opening.

Um.

Hearing this, Su Qingyan nodded.

Previously in Wangyou Valley, Situ Wangqing instilled thoughts into Su Qingyan, which made Su Qingyan's impression of Yue Feng's instincts very bad. At this time, when Duan Yu said this again, she immediately became wary of Yue Feng in her heart.

what's the situation?

Seeing that Su Qingyan was always ignoring herself, but talking to Duan Yu in a low voice, Yue Feng frowned, almost at a loss.

What happened to the light smoke? Why don't you look at yourself?

At this time, Yue Feng didn't know that Su Qingyan had lost his memory, and now he and Duan Yu were still brothers and sisters.

Yes, Qingyan must have been controlled by Duan Yu.

Thinking to himself, Yue Feng was too lazy to talk nonsense, and glared at Duan Yu: "Duan Yu, you dare to come back, it's a man, come out and fight with me, life and death!"

If it was before, Yue Feng would definitely not take the initiative Challenge Duan Yu. After all, the power of Duan Yu's Heaven Opening Axe was too terrifying.

But knowing the secret of Kaitian Axe, Yue Feng no longer had any concerns. After all, it was daytime, and Duan Yu did not dare to use the power of Kaitian Axe to the extreme.

Haha…

Duan Yu chuckled and looked at Yue Feng: “Joke, if you let me go out, I’ll go out? What are you? Even if you become an emperor, in my eyes, you’re nothing but a useless person.”

Duan Yu is also a hero of a generation. He knows in his heart that the situation in front of him is very unfavorable to him, and naturally he will not go out to die.

Moreover, Duan Yu could see that Yue Feng was worried about Su Qingyan’s safety and would not rush in rashly.

Duan Yu thought about it, waited to find a way, let Su Qingyan attract Yue Feng’s attention, and took the opportunity to escape.

Chapter 1955

Nima.

Hearing this, Yue Feng’s face was ashen, and his heart was full of anger.

At this time, Yue Feng didn’t want to talk nonsense, and wanted to rush in immediately and take Duan Yu down, but for fear of accidentally hurting Su Qingyan, he resisted the urge.

With fire in his heart, Yue Feng couldn’t help cursing: “Duan Yu, you are a person with a head and face, but today you are like a turtle with a shrinking head. Don’t you feel ashamed that you can’t come out from the inn?”

Nima, don’t come out I’ll scold you, if you don’t believe you can stand it.

Swish.

Duan Yu’s face suddenly became extremely cold, and anger flashed in his eyes.

For so many years, Duan Yu has been in the Xicang Continent, with a high status and a prestigious reputation. When has he been scolded like this?

However, thinking that Yue Feng’s purpose was to lead him out, Duan Yu quickly calmed down, chuckled lightly, and said lightly, “Yue Feng, don’t do this, I just stayed in this inn and haven’t rested yet. Well, I won’t go out, come in if you have the ability.”

When Yue Feng cursed, Duan Yu strengthened his guess even more, Yue Feng did not dare to rush in rashly, because he was afraid of accidentally hurting Su Qingyan.

Knowing this, Duan Yu became completely fearless.

Duan Yu thought about it. Before dark, he must not go out, because the use of the axe during the day is very unfavorable to himself, and it is easy to be attacked.

He dragged Yue Feng by himself, and as long as it was dark, he would have no scruples.

Nima!

Seeing that Duan Yu still refused to come out and mocked himself at the same time, Yue Feng's face was extremely ugly, and he almost exploded with anger.

This section of feathers is too cunning, and never comes out, just delaying time, waiting for the night to come.

Also, he knew that he was concerned about Su Qingyan's safety and did not dare to break in rashly, so he was so reckless.

No, he must be forced to come out before dark.

What's more, the longer you drag on, the more dangerous a light cigarette will be.

At this time, Yue Feng thought that Su Qingyan was being controlled by Duan Yu.

"Yue Feng!"

Seeing Yue Feng's gloomy and uncertain face, Duan Yu couldn't tell how happy he was. He sat lazily in front of the windowsill, poured a glass of wine, took a sip, and then sneered at Yue Feng: "Once upon a time I still admire you very much, I think you are also a good man, a hot-blooded man, and now it seems that it is nothing more than that."

"With so many people, they surrounded me, but did not dare to rush in, just this courage, I It's too embarrassing for you to stop being the emperor."

Duan Yu drank the wine slowly, very comfortable.

Yue Feng's face was gloomy and he didn't respond.

After a few seconds of stalemate, Duan Yu chuckled: "Yue Feng, it's boring to waste time like this, why don't we do it like this, at the third watch in the evening, we will fight to the death at the top of the palace to completely resolve our grievances."

When he said this , Duan Yu's face was indifferent, but his heart was extremely urgent.

As long as Yue Feng agrees, he will win. You must know that the mystery of the opening axe has been completely controlled by himself. As long as it is night, when he perfectly controls the power of the Heaven-Opening Axe, no one is an opponent.

Swish!

At this moment, the eyes of the audience all focused on Yue Feng.

Duan Yu was too crazy. Facing a desperate situation, not only did he not panic, he even took the initiative to challenge His Majesty.

“night?”

Yue Feng didn’t pay attention to the eyes of the people around him, stared at Duan Yu closely, and sneered: “The hatred between us is so deep that no one wants the other party to die soon. If that’s the case, why wait until night?”

Yue Feng didn’t Fool, you can see Duan Yu’s purpose at once, how could he succeed?

Duan Yu sneered and said nothing.

“Duan Yu!”

Yue Feng showed a smile and began to talk nonsense: “I have to say, you can bear it, the throne was robbed by me, and you can still be so calm, by the way, your one hundred and eight concubines , I have summoned them all, and each has its own merits, and they are all good, but it is a pity that they were all given to the beggars of the imperial city by me.”

The ultimate husband in Chinese chapter 1956-1960

Chapter 1956

In fact, the one hundred and eight concubines were released by Yue Feng and were not given to beggars, so to speak, Duan Yu was deliberately angry.

Isn’t this Duan Yu able to endure it? Let’s see how long you can endure it.

What?

Hearing this, Duan Yu's face suddenly changed and he was very angry.

Of those one hundred and eight concubines, each of them was carefully selected by himself, and even many of them had feelings, and Yue Feng, this bastard, even gave them all to beggars.

This is simply a great humiliation.

"Right!"

Perceiving Duan Yu's anger, Yue Feng continued with a smile: "Do you remember your wife Xu Qingyi? It was the one who was kidnapped by Zhu Bajie in the ancient tomb of Lu Bu, last night. I received news that your wife has already given birth to Zhu Bajie, and she also said that she will not come back to you in the future, because there is no sense of security around you, even her own woman. If you can't protect it, you're a waste…"

Of course, these were all made up by Yue Feng, and when he saw that Duan Yu was angered by his own success, he naturally wanted to strike while the iron was hot.

Swish!

At this moment, Duan Yu's eyes were extremely blood red, and the anger in his heart was completely aroused by Yue Feng.

You must know that although Duan Yu was an emperor and had one hundred and eight concubines, in his heart, the only woman he loved was Xu Qingyi.

During this period of time, the reason why Duan Yu was so anxious to force Yue Feng out was to find out the whereabouts of Zhu Bajie from his mouth, and then rescue his wife, Xu Qingyi.

At this time, knowing that Xu Qingyi had given birth to a child for Zhu Bajie, Duan Yu's reverse scale was directly touched, and the veins on his forehead kept beating, and he could no longer bear it.

At this time, Duan Yu did not know that what Yue Feng said was made up.

"And…" Before Yue Feng finished speaking, with a mocking smile on his face, he continued to say: "Those civil and military ministers who are loyal to you…" Before

Yue Feng finished speaking, he was caught Duan Yu interrupted with an angry shout.

"Shut up!"

Duan Yu screamed furiously, his eyes were extremely blood red, and he glared at Yue Feng: “Yue Feng, stop talking nonsense, and die.” The

voice fell, Duan Yu rushed out of the inn and rose into the air!

hum!

A powerful breath burst out from Duan Yu’s body, and at the same time, with a crisp sound, the opening axe burst out, and was firmly held in Duan Yu’s hand!

In an instant, under the scorching sun, the sky-opening axe burst out, like a second scorching sun, radiating in all directions.

To be honest, Duan Yu is very cautious. Under normal circumstances, he would not be completely irritated by Yue Feng, but Xu Qingyi was his weakness. At this time, Duan Yu was completely touched and completely lost his mind.

hiss!

As expected of a peerless artifact, such a strong breath.

At this moment, many people hiding in the distance, as well as the surrounding black cavalry. One by one, their mouths were wide open, and their hearts were extremely shocked.

“Roar!”

At this moment, under the rising anger, Duan Yu didn’t talk nonsense. With a strong wave, he heard a dragon roar that stunned the heavens and the earth. Go out and go straight to Yue Feng.

Nima!

Seeing that golden glow, Yue Feng’s heart skipped a beat, such a terrifying power.

However, Yue Feng did not panic in the slightest, but was indescribably excited.

Haha…

This section of Yu was completely irritated by himself, but he couldn’t hold back after all.

In the next second, Yue Feng didn’t have time to think about it. He stimulated his inner strength and quickly formed a protective film in front of him. At the same time, the figure quickly retreated.

boom!

Jin Mang slammed into the protective film, and heard a thunderous roar, and the protective film shattered in an instant. Although the protective film offset a lot of power, the aftermath of Jin Mang still tore the surrounding air.

Fortunately, Yue Feng retreated more than 100 meters in time, otherwise, he would be swept away by Jin Mang, and he would not die or be disabled.

Chapter 1957

“Yue Feng!” In

mid-air, Duan Yu was furious and glared at Yue Feng: “Today I will cut off your head, and then find Zhu Bajie, I will let him die without a corpse!”

Yue Feng sneered A voice: “Okay, if you want to kill me, just come.”

Om!

The voice fell, and a terrifying aura burst out from Yue Feng’s body. In an instant, the surrounding air seemed to be stagnant!

“Kacha!”

With a crisp sound, Fang Tianhuaji appeared in Yue Feng’s hand. In an instant, the bloodthirsty aura in Fang Tianhuaji surged, and the surrounding air was filled with a strong bloody aura.

“Let’s see today, whether you cut my head off or I cut your head off!” Yue Feng said coldly.

For a time, the two faced each other in the air, and the evil spirit on their bodies caused the situation to change.

At this time, many people below were sweating coldly for Yue Feng.

Although Yue Feng’s strength is strong, and he still has Fang Tianhuaji in his hand, Duan Yu has the existence of a divine weapon, so I am afraid he is not an opponent.

However, at this time, Yue Feng is not panic at all.

I saw that Yue Feng did not take the initiative to attack, but shouted: “Tiangang Guards, form a formation!” The

voice fell, and I saw dozens of figures in the black cavalry crowd, soaring into the sky, each wearing purple gold armor, Powerful and powerful, he is the elite soldier of Xi Cang Continent, Tian Gang Guard!

Whoohoo!

Dozens of Tiangang Guards moved their figures one after another, and in the blink of an eye, they surrounded Duan Yu in the middle.

Made!

At this moment, Duan Yu's face flushed red and he was extremely angry!

These Heavenly Gang Guards were originally his own effective subordinates. At the time of his enthronement ceremony, Yue Feng broke into the palace single-handedly, and it was these Heavenly Gang Guards who formed a formation that trapped Yue Feng.

But now, these Heavenly Gang Guards not only support Yue Feng as emperor, but also help him deal with themselves.

What a bunch of grass, white-eyed wolves.

With the formation, Duan Yu was temporarily restrained.

I have to say that the Tiangang Guard's thirty-six Tiangang formations are too mysterious. Even if Duan Yu has the Heaven-Opening Axe in his hand, he will not be able to take advantage of it for a while.

"Duan Yu!" At this moment, Yue Feng held Fang Tianhua halberd tightly and flew quickly, sneering

and sneering: "Today you can't fly with your wings, I advise you to give up your resistance and die obediently."

The wind motivates the internal force, cooperates with Tiangang Guard, and fights Duan Yu together!

Although he knew the secret of Kaitian Axe, Yue Feng did not dare to underestimate the enemy. Before Duan Yu was attacked by Kaitian Axe's power, he would not fight Duan Yu alone.

"You…"

Duan Yu was trapped by the formation, and he yelled angrily: "Yue Feng, you promised to fight alone, but you ask your subordinates to help, don't you feel ashamed?"

Yue Feng chuckled, coldly. Said: "To deal with a sinister and cunning person like you, you will not lose face by any means. Besides, you are only a fugitive now, are you qualified to fight alone with me?" The

voice fell, Yue Feng's inner strength surged, and his shots became more and more more severe.

For a time, the two sides fought fiercely in mid-air, and the terrifying force that erupted almost shrouded the radius of a kilometer, and the sky above the entire imperial city was even more turbulent, like the end of the world.

call!

Seeing this scene, everyone below was shocked and feasted!

Yue Feng and Duan Yu are both famous figures in the Kyushu Continent. One has the Fang Tianhua Halberd in his hand, and the other has the Heaven-opening Axe. .

At this moment, in the room in the inn, Su Qingyan frowned, and stared at Duan Yu in midair, unable to express her concern.

This Yue Feng was really cunning. He promised to be one-on-one, but he let his subordinates form a formation, trapping Junior Brother Duan Yu.

Even if the younger brother has an artifact, can the opponent be beaten by so many people?

Chapter 1958

At this moment, Su Qingyan wanted to go up and help Duan Yu, but the formation formed by Tian Gangwei was too mysterious, Su Qingyan could not see any flaws in the formation, and did not dare to act rashly.

Yue Feng cooperated with Tiangang Guard to besiege Duan Yu, and at the same time did not forget Su Qingyan.

"Qingyan!" Yue Feng shouted at Su Qingyan: "Duan Yu has been trapped by me, you will not be in danger, don't be afraid, come out quickly…"

Before because Duan Yu was by Su Qingyan's side , I didn't dare to act rashly, and now that Duan Yu has been successfully drawn out, there is no need to worry.

However.

What made Yue Feng extremely depressed was that Su Qingyan didn't seem to hear her words, standing in front of the windowsill, motionless.

Yue Feng was in a hurry, what's going on? Could it be that Qingyan was drugged by Duan Yu?

Thinking to himself, Yue Feng quickly ordered to Hong Fei below: “Hong Fei, quickly bring out the light smoke.”

“Yes, Your Majesty!” Hong Fei quickly responded, he was Duan Yu’s subordinate, but Now that Yue Feng is the emperor, he is completely obedient to Yue Feng. He quickly took a few soldiers and rushed into the inn.

Soon, when they arrived at the room on the second floor, Hong Fei respectfully said to Su Qingyan: “Miss, Duan Yu has been dragged by Your Majesty, please leave here with us.”

Hong Fei has experienced sophistication and saw that Yue Feng was so nervous about Su Qingyan, Just know that this fairy-like woman is His Majesty’s woman, so she will directly address the empress.

Having said that, Hong Fei is about to approach.

“You…”

Su Qingyan’s delicate face suddenly turned red when she heard these people calling her mother, and she was very embarrassed.

The next second, without waiting for Hong Fei to approach, Su Qingyan gave a coquettish voice: “Go away, who is your mother-in-law, don’t shout, get out of the way, and don’t come near me.”

While saying this, Su Qingyan drew out her long sword, forcing Hong Fei and the others to dare not get close. At the same time, her eyebrows were furrowed.

This Yue Feng is really not a good thing. He had amnesia because of him, but he asked his subordinates to call his mother and take advantage of him.

This…

Seeing this situation, Hong Fei was very embarrassed, and shouted at Yue Feng with a bitter face: “Your Majesty, this empress will not leave…”

If it was an ordinary woman, Hong Fei would have already started , But in front of him, is His Majesty’s woman, holding a sword in her hand, who dares to be presumptuous.

This…

Seeing this scene, Yue Feng could not laugh or cry, and at the same time was extremely suspicious.

what happened? Why is Qingyan so resistant to herself?

Also, it's like he doesn't know himself.

"Haha…"

At this moment, Duan Yu laughed, his face full of pride and mockery: "Yue Feng, your own woman doesn't recognize you, and you still have the face to laugh at me? It's ridiculous…haha. .."

As he spoke, Duan Yu kept waving the Heaven Opening Axe, trying to rush out of the formation.

However, these Heavenly Gang Guards cooperated too well, and Duan Yu couldn't find any flaws at all.

Yue Feng ignored Duan Yu's sarcasm and felt extremely depressed.

call!

Immediately, Yue Feng took a deep breath and instructed Hong Fei: "Go back first, and don't hurt her."

Since Qingyan doesn't want to leave, just let her go for the time being.

"Yes! Your Majesty!" Hong Fei quickly responded, and immediately took a few soldiers and exited the inn.

At this time, Yue Feng stopped thinking about it and continued to cooperate with Tiangang Guard to besiege Duan Yu.

Until now, Yue Feng was still convinced that what method Duan Yu used to control Su Qingyan made Su Qingyan unwilling to recognize him. Therefore, as long as Duan Yu was completely controlled, Su Qingyan would be completely safe. .

For a time, the battle situation became more and more intense, Duan Yu was trapped in the formation and could not rush out, and Yue Feng and dozens of Tiangang guards could only temporarily suppress Duan Yu, but could not completely defeat him.

In the blink of an eye, half an hour has passed, and it is still a stalemate.

This time, Duan Yu was completely anxious and roared loudly: "Yue Feng, even if I pay a heavy price today, I will kill you and cut off your head."

Om!

When the voice fell, Duan Yu's eyes were extremely blood red, and all the inner strength of his dantian exploded and poured into the opening axe.

Chapter 1959 In

an instant, the power of terror condensed within the opening axe.

Whoosh!

I saw that the scorching power of the scorching sun above my head was almost completely absorbed by the Opening Heaven Axe, and the light that the Opening Heaven Axe burst out was even more blazing than before, and everyone present could hardly keep their eyes open.

That's right, Duan Yu had activated all the power of the Kaitian Axe. At this time, he was in a hurry and completely lost his mind. He even forgot the power of the Kaitian Axe. He needed a balance of yin and yang, and just wanted to break it quickly. Formation, killed Yue Feng.

hum!

The next second, Duan Yu held the Sky-Opening Axe and slammed it out fiercely. He saw that an extremely violent and terrifying force burst out from the Sky-Opening Axe and swept away, with terrifying power.

hiss!

At this moment, both Tian Gangwei and Yue Feng were shocked.

Nima! The power of this opening axe is too perverted.

At this moment, Yue Feng didn't have time to think about it, he quickly urged his internal force to deploy a protective film on his body, and at the same time urged his figure to retreat quickly.

And those Heavenly Gang Guards didn't react so quickly.

"Ah…" In the

blink of an eye, more than a dozen Tiangang guards were swept away, screamed in agony, and fell into a pool of blood.

hiss!

Seeing this scene, all the people onlookers gasped and were completely shocked.

Is this….is the power of the Sky-Opening Axe?

so horrible.

Swish!

In mid-air, Duan Yu's eyes were extremely blood red, and he locked on Yue Feng tightly, and said coldly, word by word: "Yue Feng, today you are hard to fly, I will not only take back the throne, kill you, but also destroy all the forces related to you. , kill all your relatives."

Yue Feng looked at him tightly, did not respond, seemed very calm, but felt a little uneasy in his heart.

Nima, the axe just now, the power of the opening axe, has obviously reached its limit. It stands to reason that Duan Yu should have been attacked. Why is there no movement?

"Death to me!"

At this moment, Duan Yu stopped talking nonsense, burst into the sky, and rushed towards Yue Feng. Just after a few steps, his face suddenly turned blue and white, and his body couldn't stop shaking.

Yes, under Duan Yu's madness, he was attacked by the power of the Heaven-Opening Axe.

Um?

Seeing this scene, everyone present looked at each other, confused.

what's the situation?

Haha…

Yue Feng was very excited.

Nima, with so much energy wasted, Duan Yu was finally attacked, otherwise, those Heavenly Gang Guards would have died in vain.

"I…"

At this moment, Duan Yu stared at Yue Feng and wanted to kill him immediately, but his dantian's inner strength was completely out of his control, completely violent.

puff!

Finally, Duan Yu spit out a mouthful of blood in the sky, his face was extremely pale, and the whole person was extremely weak.

“Duan Yu, I said, you are the one who died today.” Yue Feng was too lazy to talk nonsense, he said coldly, raised his hand and hit Duan Yu.

With this palm, Yue Feng burst out with all his strength, and all that echoed in his mind was the figure of Ouyang Zhennan.

Adoptive father, my child has finally avenged you.

“Don’t…”

However, at this moment, there was a sound of anxiety, followed by a slender figure rushing over quickly, blocking Duan Yu’s body, his delicate face was full of worry and determination.

It was Su Qingyan!

Chapter 1960

Wow!

At this moment, everyone present was in an uproar, and their faces were full of surprise!

what’s the situation?

Isn’t this Su Qingyan your majesty’s woman? How to help Duan Yu?

At the same time, Yue Feng was also stunned.

The next second, Yue Feng looked at Su Qingyan and couldn’t help but said, “Qingyan, you…”

In Yue Feng’s heart, he always thought that Su Qingyan was controlled by Duan Yu, and he refused to talk to Hong before. She flew out, but she never thought that at this critical moment, Su Qingyan would stand in front of Duan Yu.

Before he could finish speaking, he was interrupted coldly by Su Qingyan.

“Don’t call me by my name.” Su Qingyan’s red lips parted lightly, her tone was cold, and her delicate face did not fluctuate at all: “I’m not familiar with you at all, so don’t get too close to me.” Not

familiar!

These two words, like an invisible giant hammer, slammed into Yue Feng’s heart. For a moment, Yue Feng felt extremely heartache, and looked at Su Qingyan tightly, full of doubts.

At this time, Yue Feng clearly felt that Su Qingyan didn't seem to be joking, and her attitude made him very unfamiliar.

It's like changing a person.

What the hell is going on?

Thinking to himself, Yue Feng took a deep breath and said ashamedly to Su Qingyan: "Qingyan, I know, I never went to the Tianqi royal family to save you and cause you to suffer. You should be angry with me. But now is not the time to make a fool of yourself."

Duan Yu will be captured alive right away, if you miss it, you won't have such a good opportunity in the future.

Immediately, Yue Feng's tone softened: "Qingyan, get out of the way and let me grab Duan Yu first. If you are angry, you can tell me later, okay?" The

voice fell, and Yue Feng held Fang Yu tightly. The sky painted a halberd, approaching step by step.

In any case, Duan Yu can't let Duan Yu run away today.

"Stop!"

But just two steps away, Su Qingyan snorted and pointed at Yue Feng with a long sword in her hand: "If you come closer, don't blame me for being rude." After speaking, Su Qingyan

bit her lip tightly and continued. : "With me here today, you can never hurt my junior brother." The pretty face was frosty, and the tone was firm and unquestionable.

What? Junior Brother?

Hearing this, Yue Feng froze there, only to feel that his whole brain was buzzing, completely messed up!

Su Qingyan called Duan Yu a junior brother?

Over the years, Duan Yu has been in Xicang Continent, he has never been to Dongao Continent, and he has never heard of him joining Wenzong. When did he become Su Qingyan's junior brother?

For a time, Yue Feng's brain was about to explode, and he couldn't understand anything.

Whoa!

At this time, other people present suddenly erupted into a heated discussion.

“This…”

“Your Majesty’s woman is Duan Yu’s senior sister?”

“How could this be?”

Everyone whispered, but they didn’t dare to speak loudly, for fear that Yue Feng would be unhappy.

“Ha ha…”

At this time, Duan Yu, who was in a weak state, couldn’t help laughing up to the sky, and said proudly at Yue Feng: “Yue Feng, my senior sister is like a fairy, how can you be a scum like you? Are you qualified? “

Before, in order to get my senior sister, you used despicable means to cause her to lose her memory, but now you have not changed your lust and lied to her with rhetoric. Do you really think my senior sister is so easy to deceive and will believe your words?

” At these times, Duan Yu’s eyes were full of mockery, and his heart was even more proud.

Haha…that

‘s really nice.

Originally, Duan Yu was still a little worried, but when Su Qingyan saw Yue Feng, what would she recall, but when she saw her facing Yue Feng, she couldn’t remember at all, and she was so indifferent to Yue Feng, Duan Yu couldn’t tell in her heart. of pleasure.

Especially seeing Su Qingyan desperately defending himself, Duan Yu’s worries disappeared in an instant, and he became even more confident.

The ultimate husband in Chinese chapter 1961-1965

Chapter 1961

Yue Feng's face was extremely gloomy, and at the same time, he was even more suspicious in his heart.

Did you lose your memory because of the light smoke?

How is this possible? It's too late to hurt her, how can you hurt her? Immediately, his mind changed, Yue Feng understood something, Qing Yan must have lost his memory because of something else, so he didn't know himself.

And Duan Yu said this on purpose, in order to make Su Qingyan hate him even more.

Realizing this, Yue Feng was extremely anxious, and said to Su Qingyan: "Qingyan, don't believe what Duan Yu said, he is provoking our relationship, you forget, I am your man Yue Feng, let's first The first meeting was at the main altar of Wenzong in Dongao Continent…"

When he said this, Yue Feng's eyes were full of urgency and distress.

It turned out that Qingyan lost her memory. It can be seen that she has suffered a lot and suffered a lot during this time.

However.

In Su Qingyan's eyes, Yue Feng's sincerity was all acting, and he shook his head and said, "Don't talk about it, I won't listen." As

she spoke, Su Qingyan bit her lip and held the middle of her hand tightly. Sword, palms are sweating.

At this time, Su Qingyan didn't recall anything because of Yue Feng's words. Apart from her disgust for Yue Feng, she was also extremely nervous. Junior Brother Duan Yu was injured. With so many people on the other side, can he successfully take Junior Brother away safely?

Ugh!

Seeing this scene, Yue Feng wanted to cry without tears.

How to do? Qingyan desperately defended Duan Yu, she couldn't listen to her own words at all.

"His Majesty!"

This chapter is provided by . Visit for daily update.

At this moment, Hong Fei came out and couldn't help but said, "It's useless to talk too much. Your Majesty will order it directly. The subordinates will swarm up and kill Duan Yu. The subordinates promise that they will not hurt the empress."

Yue Feng tightly He clenched his fist and didn't respond. After a few seconds, he nodded silently.

This is the only way now.

"Go!" With permission, Hong Fei shouted angrily and rushed over first.

Tens of thousands of Xi Cang's army followed closely and surrounded Su Qingyan and Duan Yu.

"Senior sister be careful!"

Seeing this scene, Duan Yu's face changed greatly, and then he said to Su Qingyan in a hypocritical manner: "Senior sister, their target is me, and Yue Feng still likes you and won't hurt you, you hurry up Go, leave me alone."

Although the contact time was short, only a few days, Duan Yu knew Su Qingyan's personality very well, soft on the outside and firm on the inside, and very moral, the more she said this, the less she would know Leave yourself alone.

really.

As soon as the words fell, Su Qingyan shook her head decisively, bit her lip and said, "Junior brother, what are you talking about? I won't leave, and I won't leave you behind."

"Om!" The

voice fell with a strong aura. , burst out from Su Qingyan's body, and the figure flew up, fluttering like a fright, and greeted everyone.

In an instant, Su Qingyan and Hong Fei were in a fierce battle.

call!

Yue Feng stared at the field tightly, his heart jumped to his throat, it was extremely complicated.

Back then, when I was in Tianqi Continent, I was knocked down by Han proudly into the crater. At that time, Su Qingyan and Xiao Xi, without any hesitation, jumped down and died together with themselves.

Yue Feng will never forget this deep love.

But now, she is desperately defending her great enemy, Duan Yu.

Of course, Su Qingyan lost her memory, and Yue Feng didn't mean to blame her, but this kind of thing, whoever it is, doesn't feel good.

It has to be said that Su Qingyan is worthy of being the goddess of Dongao Continent, and her strength is outstanding. She recently joined Wangyougu, and after practicing Wangyougu's exercises, her strength has improved a lot.

Bang! Bang! Bang!

In the blink of an eye, under Su Qingyan's long sword, hundreds of Xi Cang black cavalry soldiers were seriously injured and lost their combat effectiveness.

However, after all, there were too many people, and Su Qingyan quickly became overwhelmed.

Chill.

At this moment, a black cavalry soldier rushed from behind and slashed Su Qingyan's right arm with a knife. In an instant, blood gushed out, Su Qingyan's delicate body trembled, and her face instantly paled.

"Stop it, stop it!"

Seeing this scene, Yue Feng felt a pain in his heart, and couldn't help shouting: "Retreat all for me!! Retreat!!"

Chapter 1962

Seriously, Yue Feng made up his mind that Duan Yu could not be let go no matter what.

But Yue Feng couldn't do it by himself, he was afraid that he would accidentally hurt Su Qingyan at that time. After all, Yue Feng's strength was too strong, and once he accidentally hurt Su Qingyan, the consequences would be very serious.

In this case, Yue Fengcai acquiesced to Hong Fei and the others. But the premise is that Su Qingyan can't be hurt.

Therefore, when he saw that Su Qingyan was injured, Yue Feng was extremely heartbroken, and without any hesitation, he quickly ordered to stop.

Swish!

At this moment, Hong Fei and the tens of thousands of Xi Cang's army all stopped, but did not retreat.

"Your Majesty!"

Hong Fei looked anxious and couldn't help shouting: "This section of Yu is very cunning. If you let him go today, it will be difficult to catch him later."

He could see that Yue Feng was worried . Su Qingyan's safety was not until she gave the order to stop.

However, the safety of a woman is insignificant compared to Duan Yu. As an emperor, who reigns over the world, are you afraid that there will be no women? And let Duan Yu go, but left a big hidden danger. After all, Duan Yu has the Heaven-Opening Axe in his hand, which should not be taken lightly.

"Shut up!"

At this moment, Yue Feng, with blood red eyes, roared: "I told you to step down, you are all deaf? Do you want to resist the decree?

"

When he shouted the last sentence, Yue Feng stared at Duan Yu, full of unwillingness.

But there is no way, continue to fight, Qing Yan is afraid that she will be injured, this is the woman she loves, how can she bear it?

"Your Majesty, calm down, my ministers retire!"

Feeling Yue Feng's anger, Hong Fei couldn't help shivering, and quickly backed away. At the same time, tens of thousands of black cavalry troops also made way.

At this time, Hong Fei didn't know that in Yue Feng's heart, it was important to capture Duan Yu, but Su Qingyan's safety was even more important.

call!

Seeing this scene, Duan Yu was secretly relieved, and a faint smile appeared on his weak face.

I thought that Yue Feng would not take Su Qingyan's safety into consideration, and wanted to capture him alive, but he didn't expect that Yue Feng finally let him go.

Yue Feng, Yue Feng, you pay too much attention to the relationship between your children and you cannot do great things.

Um?

As for Su Qingyan, her delicate body trembled, and her delicate face was full of surprise.

This Yue Feng, actually let him and his junior brother go?

Everyone said that he was despicable and shameless, insidious and cunning, but I felt that he was not as abhorrent as rumored.

“Senior Sister!”

Just when Su Qingyan was thinking about this, Duan Yu whispered: “Thank you, Senior Sister, for your desperate help. Senior Sister, it seems that this Yue Feng really likes you. He was afraid that you would be injured and ordered the withdrawal of troops. .”

Duan Yu is very cunning, in this situation, he did not forget to slander Yue Feng in front of Su Qingyan.

Swish!

Hearing this, Su Qingyan’s face was extremely blushing all of a sudden, her impression of Yue Feng had changed a bit, but the difference instantly changed a lot.

It turned out that Yue Feng did this because he wanted to get himself.

How can such a lecher be a good person?

Thinking to herself, Su Qingyan looked at Yue Feng, unable to hide her disgust and anger: “Yue Feng, if you think that if you let us go, I will have a good impression on you, you are very wrong, I will not I like someone like you.”

After saying this, Su Qingyan supported Duan Yu and said softly, “Junior Brother, let’s go.”

Hmm!

Chapter 1963

Duan Yu responded with a serious look on the surface, but he was happy in his heart.

Haha….

This Yue Feng can obviously catch himself, but he can’t make a move. He must be angry.

“Qingyan!”

Yue Feng was in a hurry, not knowing whether to laugh or cry: “Wait, Qingyan, you really don’t remember me?” With that, Yue Feng was about to catch up.

“Stop!”

However, before taking two steps, Su Qingyan suddenly turned around, pointing her long sword at Yue Feng, her delicate face was full of shame and anger: “You…. if you take another step forward, I will commit suicide. , I’d rather die than let you succeed.” As he said that, the long sword turned and lay directly on his neck.

In Su Qingyan’s heart, she thought that Yue Feng was so eager because of her beauty and wanted to get herself.

How can you be humiliated by such a despicable person?

Su Qingyan thought about it, if Yue Feng really chased after him, she would commit suicide. After all, his own power is weak, and there are tens of thousands of troops around Yue Feng, so he is not an opponent at all.

Rather than fall into the hands of Yue Feng and be humiliated, it would be better to die.

At this time, Su Qingyan didn’t know that Yue Feng was so anxious because he loved her and worried about her, which was not what she imagined.

Swish!

Seeing this scene, Yue Feng was shocked, his face was pale, he quickly stopped, kept waving his hands and said: “Okay, okay, I won’t come, but I won’t come, you should be careful, don’t hurt yourself.”

Said At these times, Yue Feng was unspeakably flustered, and at the same time was extremely bitter.

Madd, how could this be?

Qingyan lost her memory, and it’s fine if she doesn’t remember herself. After being brainwashed by Duan Yu, she still hates herself so much.

To be honest, Yue Feng really wanted to rush over and hold Su Qingyan in his arms, but he didn’t dare. He knew Su Qingyan too well. will commit suicide.

Su Qingyan ignored Yue Feng, put away her sword, supported Duan Yu, and walked out of the city gate slowly under the attention of everyone around.

quiet!

At this moment, the entire imperial city was silent.

Everyone looked at this scene in astonishment, unable to speak one by one, and at the same time, their hearts were extremely puzzled.

What's the matter, His Majesty actually released Duan Yu for a woman?

What a great opportunity, so missed.

What a pity.

Yue Feng didn't care about the discussions around him, and stared blankly at the back of Su Qingyan's departure, with an extremely complicated expression on his face.

"Your Majesty!"

At this moment, Hong Fei walked over slowly and said cautiously, "What should I do next? Should my subordinates lead the army to catch up?"

He could see that Yue Feng was very unwilling.

But then again, who would be willing to put this on?

"No!" Yue Feng shook his head firmly.

In the next second, Yue Feng pondered for a while and instructed: "Hong Fei, immediately bring a few capable men and keep up quietly, remember, just follow, don't expose yourself, once there is a situation, or you find them When the two are separated, report back immediately. As long as Qingyan is not by Duan Yu's side, tell me immediately, and I will kill Duan Yu as soon as possible."

When he said this, Yue Feng's tone was cold and unquestionable, and at the same time, his eyes were even more flickering. anxious.

To be honest, Yue Feng really wanted to follow him personally, but when he thought about Su Qingyan's attitude towards him, he was afraid that he would do stupid things when he saw him

. Your Majesty obeys, rest assured, your subordinates will follow you every step of the way. Please rest assured, Your Majesty!" Hong Fei quickly responded, selected a few guards, and quickly left the imperial city.

Chapter 1964

At this moment, on the outskirts of the imperial city.

Su Qingyan supported Duan Yu and kept moving forward.

Although he didn't see the pursuers, Su Qingyan's heart was still not at all relaxed.

"Senior Sister!"

At this moment, Duan Yu exhaled softly, and said weakly, "You don't have to look back, Yue Feng is very cunning, even if he sends a chaser, we won't let us find out."

Hearing this, Su Qingyan became nervous all of a sudden: "Then what should I do?"

After speaking, Su Qingyan thought of something, bit her lip and said, "Why don't we go back to Wangyou Valley, we'll be safe when we return to Wangyou Valley. I'm done."

While speaking, Su Qingyan did not forget to check Duan Yu's injury, her delicate face was full of concern.

In her heart, Wangyou Valley was the safest.

Hehe…

Duan Yu chuckled and said slowly: "Senior sister, you are thinking too simple, now Yue Feng must have sent someone to follow us, if we go back to Wangyou Valley, wouldn't it be Yue Feng's people? Did you lead me?"

After speaking, Duan Yu paused and said with a serious face: "Master is not mean to me, I can't implicate the master."

When he said this, Duan Yu looked sincere, but his eyes were full of smiles. .

To be honest, Duan Yu didn't care about affecting Wangyougu at all. He knew the strength of the Xi Cang army. Even if the entire Wangyougu resisted, it would be futile.

More importantly, he wanted to be alone with Su Qingyan.

You know, Yue Feng cares too much about Su Qingyan's safety. As long as he and Su Qingyan are together, Yue Feng has some scruples in his heart, and he doesn't dare to do anything to himself. It can be said that Su Qingyan is his amulet.

"Then…"

Su Qingyan didn't know what Duan Yu was thinking, her eyebrows frowned, and she suddenly got into trouble: "Then what should we do?"

Losing her memory, she didn't know anything about the outside world. Faced with this situation, there is no attention at all.

Duan Yu smiled and comforted: "Senior sister, don't panic, let's find a place to rest first, and when I recover my strength, Yue Feng will not be afraid of how many men come."

Hmm!

Seeing his confident face, Su Qingyan immediately calmed down, nodded, then supported Duan Yu and continued onward.

I don't know how long I walked, and I came to a remote valley.

"Junior Brother."

Seeing that there was a cave in front of him, Su Qingyan wiped the sweat off his face, and said happily, "There is a cave in front of you, let's go and rest in it."

Duan Yu had no objection.

Entering the cave, you can see that the space inside is not small and very spacious.

Duan Yu was very cautious. Although he didn't see the pursuers along the way, he also guessed that Yue Feng would send someone to follow him. In order to prevent someone from breaking in, Duan Yu deliberately chose a hidden corner in the innermost cave.

"Senior sister!"

After sitting cross-legged, Duan Yu said with a sincere expression: "I'm starting to regulate my dantian now, please help me to protect the Dharma, it may take a long time, senior sister has worked hard."

Duan Yu didn't lie, he was furious before. Next, the power of the opening axe was fully activated, and it was backlashed. At this time, to adjust the breath and recover, you need to concentrate on it, and you can't have the slightest distraction.

"Yeah!"

Su Qingyan bit her lip lightly and nodded her head: "Junior brother, don't worry, I will definitely guard the entrance of the hole, and no one will come in."

After the previous incident, the friendship between Su Qingyan and Duan Yu became even deeper.

In Su Qingyan's heart, Duan Yu was taken away from everything by Yue Feng. He was a poor person. No matter what, he could not be hurt any more.

Duan Yu smiled slightly, stopped talking, closed his eyes and started to practice.

Su Qingyan treated the wound on her lower arm and stayed at the entrance of the cave, vigilantly watching the movement outside.

Time passed by minute by minute.

Chapter 1965 Before I

knew it, a few hours passed, and I saw that Duan Yu's pale complexion had recovered a little bit of blood, and the inner strength of his dantian had almost recovered. And during these few hours, Su Qingyan kept his promise and stayed at the entrance of the cave, without the slightest slack.

"Senior Sister!" At this moment, Duan Yu opened his eyes and said gratefully to Su Qingyan, "Thank you for your hard work."

Duan Yu said this thank you from the bottom of his heart.

But seeing Su Qingyan guarding him wholeheartedly, and never taking a break for a few hours, even though Duan Yu had a vicious heart, he was a little moved at this time.

Su Qingyan smiled lightly: "It's all from the same family, why are you being so polite, Junior Brother?"

After speaking, seeing Duan Yu's face, which was much better than before, Su Qingyan was very happy: "Junior Brother, how are you feeling now? Is it much better?"

Duan Yu nodded and was about to stand up.

Swish…

But at this moment, in the woods not far from the cave, there was a sound of footsteps, steady and powerful, obviously a cultivator, and his strength was not low.

Swish!

Thinking that it was the pursuers sent by Yue Feng, Duan Yu didn't have time to think about it, and quickly hid in the dark.

Su Qingyan also instantly became vigilant, holding the long sword tightly, staring at the outside of the cave.

“I’m really tired, eh? There’s a cave in front of you.”

“Go and take a rest.”

With a few words of conversation, two tall figures appeared at the entrance of the cave. Both of them are dressed in rivers and lakes, and their bodies are filled with a powerful aura.

If Su Qingyan didn’t lose her memory, she would definitely be very happy to see them.

Because the two people who came were the second generals of Heng Ha in Tianmen, Peng Jiang and Peng Hai.

Peng Jiang and Peng Hai, a pair of brothers, used to be the leaders of Shahaitang. At that time, the people in the coastal area were afflicted with grievances. Later, they met Yue Feng and were admitted to Tianmen and named the second general of Hengha.

After joining Tianmen, the brothers turned their backs on evil and brought Tianmen disciples to make a lot of contributions in the arena.

Recently, because Yue Feng was hunted down by King Guangping, he lost his trace, and the whole Tianmen was in a hurry. On the mainland of Kyushu, he searched for Yue Feng’s whereabouts.

And Peng Jiang and Peng Hai came to Xi Cang Continent to investigate Yue Feng’s whereabouts.

Half a day ago, the brothers were very excited when they learned that Yue Feng had become the emperor here, so they hurried to the imperial city, and happened to pass by this cave.

Um?

At this time, Peng Jiang and Peng Hai had just entered the cave and were stunned when they saw Su Qingyan with a vigilant look.

“Sister-in-law?”

“Sister-in-law Qingyan…you…why are you here?”

After being stunned for two seconds, both Peng Jiang and Peng Hai were extremely surprised and delighted, and they greeted each other with extremely polite attitudes.

As Yue Feng’s subordinate, how could he not know Yue Feng’s woman?

sister in law?

Hearing this title, Su Qingyan’s delicate face suddenly became extremely red, and at the same time, she was also extremely puzzled.

These two people are crazy, I don’t know them, but they call sister-in-law as soon as they come in.

Made.

At this time, Duan Yu, who was hiding in the dark, suddenly became tense and cursed inwardly. Yue Feng did not send a large army, but sent Tianmen’s subordinates.

Peng Jiang and Peng Hai, as the second generals of Heng Ha, have a high reputation in Tianmen, and Duan Yu naturally knows them.

At this moment, in Duan Yu’s heart, he thought that the two were sent by Yue Feng to follow.

“You…” At this moment, Su Qingyan reacted, frowning slightly, looking at the two brothers and said

unhappily, “Who are you? I don’t know you, why are you called my sister-in-law?”

, Su Qingyan added: “You have mistaken people.”

The ultimate husband in Chinese chapter 1966-1970

Chapter 1966

Did you admit the wrong person?

Peng Jiang and Peng Hai looked at each other, stunned.

This is obviously the sister-in-law of Qingyan, how could she admit her mistake?

Thinking to himself, Peng Jiang scratched his head and smiled embarrassingly: “Sister-in-law, stop joking, you should also come to see Brother Feng, I heard that he became Emperor Xi Cang, our brothers are really happy for him. .” When the

voice fell, Peng Hai smiled and said, “Yeah, wait for a rest, let’s go to the imperial city to find Brother Feng.”

At this moment, Su Qingyan stomped her feet in a hurry: “I don’t understand what you said. , In short, I’m not your sister-in-law, you must have recognized the wrong person.”

These two people have problems with their minds, they said it themselves, they recognized the wrong person, and they called each other a sister-in-law.

Um?

Seeing Su Qingyan’s resolute attitude, it didn’t look like a joke, Peng Jiang and Peng Hai were completely stunned, but they couldn’t recover for a while.

What is the situation.

Why doesn’t the sister-in-law recognize herself? Did she quarrel with Brother Feng?

“Senior sister.”

At this moment, Duan Yu, who was hiding in the dark, whispered to Su Qingyan: “They are right, these two are from Yue Feng, and the brother Feng they are talking about is Yue Feng. “

Looking at this situation, Yue Feng likes you, and his subordinates know all about getting your hands on you. Naturally, he will call you sister-in-law.”

“But don’t worry, now that my strength has recovered, you will be attracted to you in a while .” Their attention, I will take care of them.”

This chapter is provided by . Visit for daily update.

After speaking, Duan Yu's voice was very low and low, only he and Su Qingyan could hear it.

What?

Hearing this, Su Qingyan's body trembled, and she was very nervous.

These two are also subordinates of Yue Feng?

Immediately, Su Qingyan felt annoyed in her heart, this Yue Feng is too hateful, in order to get herself, so unscrupulous, let her subordinates call her mother or sister-in-law, it is too shameless.

Thinking to herself, Su Qingyan said to the brothers, "Come here, I have something to say!" The

younger brother wanted to sneak attack, so he naturally had to cooperate.

However, on the surface, Su Qingyan was calm, but she was very nervous. After all, it was disgraceful to sneak a sneak attack.

Peng Jiang and Peng Hai looked at each other with smiles.

"Haha, I knew that my sister-in-law was joking with us."

"Yeah, I was wondering just now. My sister-in-law is always so nice to us, how could she not know us…" As they

said, the brothers hurried away came in.

When he got to the front, Peng Jiang respectfully said, "What's your sister-in-law's order?"

Om!

As soon as the words fell, Duan Yu, who was hiding in the dark, suddenly burst out with internal energy, and slapped him fiercely.

Bang!

Duan Yu's speed was too fast, Peng Jiang didn't have time to react at all, he snorted, his body was shaken, and flew more than ten meters away, landing on the rock outside the cave, a mouthful of blood spurted out, and he died.

"You…"

Suddenly seeing Duan Yu, Peng Hai turned pale in shock, gritted his teeth and said, “Duan Yu? It’s you…”

Once, Duan Yu led an army to besiege the Ouyang family. At that time, the entire Tianmen desperately resisted. , Peng Hai still remembers the scene at that time, how could he not know Duan Yu.

At the same time, Peng Hai looked at Su Qingyan in surprise: “Sister-in-law, why is this…”

Brother Feng’s woman was actually with Duan Yu and cooperated to kill his own brother.

“I…”

Su Qingyan blushed, not knowing how to respond.

Chapter 1967

Seriously, although Yue Feng is hateful, his subordinates are not guilty enough to die. As soon as the younger brother comes up, he will make a killing move, which is really not right.

In the next second, Peng Hai was furious and shouted at Duan Yu: “Duan Yu, fuck you, pay back my brother’s life.” After the words

fell, Peng Hai burst out with all his strength and rushed forward. The murderous aura pervaded the sea, the surrounding air was distorted, and the

momentum was amazing.

Seeing Peng Hai attacking, Duan Yu looked disdainful.

“Kacha!”

Only a loud noise was heard, and the axe burst out, and was firmly held in Duan Yu’s hand!

In an instant, the mountain-blazing axe burst into light, like a scorching sun, radiating in all directions.

Mad… open the axe!

Seeing the opening axe, Peng Hai was startled and wanted to dodge, but it was too late.

“A clown jumping on the beam, dare to be presumptuous in front of me?” Duan Yu said coldly, and the moment the voice fell, he waved hard! Just saw a touch of golden light burst out from the opening axe!

Of course, Duan Yu didn’t use all the power of Kaitian Axe, but even so, it was not something Peng Hai could contend with.

At this moment, Jin Mang erupted, and Peng Hai had no time to react and was directly hit.

“Ah…”

Peng Hai let out a scream, and the whole person shed a rain of blood, flew out at once, and finally landed on the ground, losing his breath, but his eyes were wide and he couldn’t rest.

These brothers, they didn’t understand until they died, their respected sister-in-law would cooperate with Duan Yu and attack them.

So strong!

At this moment, looking at the scene in front of her, Su Qingyan’s body trembled, and her heart was extremely excited.

The power of this opening axe is too strong.

It’s just that these two didn’t do anything to themselves, and the junior brother killed them directly, which was a bit cruel.

“Senior sister.”

Seeing the change in Su Qingyan’s expression, Duan Yu guessed something, came over with a smile and comforted: “Yue Feng is cunning and cunning, and his subordinates are not good people, so when dealing with them, you can’t be lenient.”

Said Duan Yu said with sincerity and seriousness: “Senior sister, don’t worry, as long as I am here, I will never let you fall into the hands of a lecher like Yue Feng, his subordinates, come one and I will kill one, come two. , I’ll kill a pair.”

Hmm!

Hearing this, Su Qingyan responded softly, and at the same time felt warm in her heart.

It is an honor to meet such a good teacher and brother.

“Senior Sister!”

At this moment, Duan Yu glanced outside the cave and urged Su Qingyan, “It’s not advisable to stay here for a long time. Before their reinforcements come, let’s go quickly.”

With that, Duan Yu took the lead. Get out of the cave.

Su Qingyan didn’t have time to think about it, and quickly followed.

When she went outside, looking at the mountains and high ground in front of her, Su Qingyan felt lost in her heart: “Junior brother, where are we going next?”

Su Qingyan only knew one Wangyou Valley, and now Wangyou Valley can’t go back, she really doesn’t know where to go. . Duan

Yu thought for a while, then said slowly: “Let’s go to the Earth Circle. The Earth Circle is my hometown. I’m very familiar with it. I’ll definitely be able to find a place to hide.”

But it was cold.

Duan Yu thought about it, rather than passively being chased and killed by Yue Feng’s troops, he might as well take the initiative to attack and return directly to the Earth Circle Continent to turn Tianmen and the Ouyang family upside down.

Tianmen and the Ouyang family are the foundation of Yue Feng. As long as these two places are in chaos, Yue Feng will definitely be in chaos.

Um!

Su Qingyan didn’t think much about it, and nodded very warmly.

Immediately, the two set off immediately, heading towards the Earth Circle Continent.

Chapter 1968

Hula…

As soon as Duan Yu and Su Qingyan left, Hong Fei rushed over with a few Xi Cang guards.

Um?

After entering the cave and seeing the bodies of Peng Jiang and Peng Hai inside, Hong Fei and the others were shocked.

It was so cruel, the hearts of both of them were shattered forcibly.

Hong Fei could clearly see the scene of Duan Yu's sneak attack just now. Although he didn't know Peng Jiang, Hong Fei concluded that since they were so familiar with Su Qingyan, they must be from Yue Feng.

At this moment, Hong Fei didn't have time to think about it, and ordered: "Leave a few people, bring the corpses, and go back with me to see Your Majesty. For the rest, continue to follow Duan Yu, and make no mistake."

"Yes, your leader." A guard, in unison.

…..

At this time, inside the palace.

Yue Feng sat on the top of the dragon, with a gloomy face and extremely depressed mood.

I thought I could catch Duan Yu this time, but I didn't expect that he would run away again, and what made Yue Feng even more depressed was that Su Qingyan had amnesia, not only completely forgetting herself, but also desperately protecting Duan Yu.

Seriously, if it wasn't for the worry that Su Qingyan was injured, Duan Yu would be hard to fly today.

"Your Majesty!"

At this moment, Hong Fei walked in in a hurry, sweating profusely: "Just now, my subordinates encountered some situations on the way to track Duan Yu."

Shah!

Hearing this, Yue Feng stood up suddenly, his eyes full of anticipation: "What's the situation? Has Duan Yu separated from Qingyan?

"

"No!" Hong Fei shook his head and responded respectfully, "We found two bodies, and the subordinates saw it with their own eyes, and they were killed by Duan Yu." The

voice fell, Hong Fei waved his hand, and suddenly, the guards outside, The two bodies were brought in.

Nima…

Yue Feng is very annoyed, just found two bodies, what's the fuss about?

Thinking to himself, Yue Feng frowned and looked over. At this look, it seemed like a thunderbolt hit his mind, and his whole body froze for a moment, and a sadness rose leisurely.

I saw that the two people who were carried in were Peng Jiang and Peng Hai.

At this time, the two brothers were covered in blood, with a large dent in their hearts, their faces were pale, their eyes were closed, and they were not breathing.

How could this be?

After being stunned for more than ten seconds, Yue Feng recovered, his eyes were sore, and the tears couldn't stop flowing. These brothers, who have followed him for so many years, are loyal and take the Tianmen disciples to punish the evil and help the weak. He has made a lot of contributions to the rivers and lakes of the Earth Circle.

And now, it's such a tragic death.

"You said just now that they were all killed by Duan Yu?" Yue Feng asked coldly, his voice extremely hoarse.

Hong Fei wiped the cold sweat off his forehead and said cautiously: "Yes, they were all killed by Duan Yu, and my subordinates saw it with their own eyes."

Duan Yu! Duan Yu!

Hearing this, Yue Feng's eyes were extremely blood red, and his heart was even more angry.

For this section of Yu, it's enough to deceive Su Qingyan, and now he kills his own brother, and swears not to give up until he is not torn into tens of thousands of pieces!

"You can send the order, assemble the black cavalry army, and follow me to pursue Duan Yu." A roar came from Yue Feng's mouth, echoing throughout the hall, shocking people's hearts.

At this time, Yue Feng was filled with murderous aura, extremely terrifying.

Originally, Yue Feng was concerned about Su Qingyan's safety and did not dare to press Duan Yu too tightly, for fear that if he pressed Duan Yu too hard, it would hurt Su Qingyan.

But Yue Feng never thought that his relaxation made Duan Yu unscrupulous. At this time, when he saw the bodies of the two brothers Peng Jiang, Yue Feng was completely furious and lost his mind.

“Yes, Your Majesty!” Hong Fei responded loudly and hurriedly called for the army.

A few minutes later, the black cavalry army was assembled, and under the leadership of Yue Feng, they chased in the direction of Duan Yu’s escape.

Chapter 1969

…

At this moment, the Earth Circle Continent, Mount Emei.

In the main hall, many Emei elders and elite disciples stood there respectfully, not daring to let out the air.

On the throne, Zhou Qin was wearing a long purple dress, looking extremely charming, but on her delicate face, her eyebrows were lightly locked, revealing a bit of gloom and anxiety.

Just now, Zhou Qin received news that Yue Feng became the emperor in Xicang Continent.

This news sounded like a thunder in Zhou Qin’s heart. You must know that Zhou Qin captured Liu Xuan and Zhu Rong before, went to surround and suppress the Ouyang family, and gave them back to the Ouyang family to forcibly take Heitian Pill, all because Zhou Qin had enough self-confidence.

Zhou Qin is now the leader of the martial arts alliance, with a high position and authority, while Yue Feng is just the sect leader of Tianmen, and he is not afraid at all.

But when Yue Feng became the emperor of the Xi Cang Continent, it was different. You must know that the power of the rivers and lakes in the Earth Circle Continent is not very strong. Even if Zhou Qin convened masters from various schools, it would not be hundreds of thousands of troops in the Earth Circle Continent. opponent.

How to do?

At this time, Zhou Qin was calm on the surface, but was extremely worried in his heart.

He captured Liu Xuan himself, and gave the Ouyang family the Heitian Pill. If Yue Feng found out, he would be furious. It would be bad if he led an army to besiege Emei.

“Sect Master!”

At this moment, a female disciple of Emei walked in quickly and reported, “Sect Master, I just got the news that someone found Duan Yu in the area of Wolong Mountain, along with him, and others. A woman, Su Qingyan.”

What?

Hearing this, Zhou Qin's delicate body was shocked, and she stood up at once, her delicate complexion constantly changing.

Duan Yu was robbed of the throne by Yue Feng, wasn't he arrested? Even returned to the Earth Continent?

Also, Su Qingyan is Yue Feng's woman, why are you with him?

Thinking about it, Zhou Qin looked around and directly ordered: "Issuing an order from Jianghu immediately, let all the sects go to Wolong Mountain immediately, and capture Duan Yu and Su Qingyan incomparably."

In Zhou Qin's heart, Su Qingyan was determined . It was caught by Duan Yu. Duan Yu grabbed Su Qingyan to deal with Yue Feng.

To be honest, Zhou Qin hates Yue Feng very much, but in her heart, she still retains a selfish feeling towards Yue Feng: in this world, only herself can threaten and frame Yue Feng, and no one else can.

For example, this Su Qingyan, in Zhou Qin's heart, only she can capture and threaten Yue Feng, not others.

The Jianghu order was issued soon, and immediately, the major sects sent their masters to gather at Wolong Mountain.

At this moment.

In a forest in the northwest of Wolong Mountain.

Duan Yu and Su Qingyan walked slowly forward, from the Xicang Continent to the Earth Circle Continent, the two of them trekked through mountains and waters for more than ten hours, and at this time they arrived at the Earth Circle Continent, and they still did not stop.

Duan Yu was already very tired at this time, but he did not dare to stop. He knew that Yue Feng would be furious when he discovered the bodies of the two brothers Peng Jiang, and then personally led the army to chase, so he couldn't stop. Once he stopped, he might be caught up.

I don't know how long I ran, Su Qingyan was dripping with sweat, and finally couldn't hold it anymore, and said softly: "Junior Brother, we have reached the Earth Circle, where are we going next?"

Duan Yu rolled his eyes and said with a smile: “Senior sister , hold on a little longer, and walk for another two hours, we will reach Zhongzhou City, and then we can rest for a while!”

“Zhongzhou City?” Su Qingyan was stunned.

Duan Yu showed a smile and said, “Yes, the Ouyang family is in Zhongzhou.”

Su Qingyan looked puzzled: “Junior brother, where is the Ouyang family?”

She lost her memory and completely forgot that she was in Ouyang. The family lived for more than ten years, and it was also the place she used to call home.

Hu…

Duan Yu took a deep breath, his handsome face showed no emotion at all: “The Ouyang family is Yue Feng’s home, his old nest, senior sister, you shouldn’t know, the reason why Yue Feng acts unscrupulously is that Because of the backing of the Ouyang family, it can be said that the Ouyang family is the cancer of the rivers and lakes in the Earth Circle!”

Duan Yu’s eyes flickered coldly: “As long as the Ouyang family is eradicated, Yue Feng will have no support in the Earth Circle. Senior Sister, I plan to eradicate the curse of the Ouyang family, do you want to join us?”

He knew that Su Qingyan was righteous, so he deliberately made up nonsense and smeared the Ouyang family.

“Okay!”

Hearing this, Su Qingyan didn’t hesitate, nodded and said, “Since this Ouyang family is helping Zhou, it is so abhorrent, it should have been eliminated sooner, junior brother, you are so many, it is for the benefit of the rivers and lakes of the Earth Circle, Of course, Sister will help you.”

Chapter 1970

At this time, Su Qingyan didn’t know that she was deceived by Duan Yu.

Duan Yu smiled and nodded, but his heart was extremely proud. Haha… If Yue Feng knew, Su Qingyan would help him to make trouble with the Ouyang family and vomit blood in anger.

Thinking to himself, when he saw a small stream in front of him, Duan Yu smiled and said, “Senior sister, let’s rest here now, drink some water, refresh our spirits, and then continue to the Ouyang family.”

Well!

Su Qingyan responded.

Just as he was talking, there was a sudden sound of footsteps in front of him. The footsteps were very dense and fast, and there were obviously many people.

Duan Yu and Su Qingyan were both stunned for a moment, then followed the voice to look over.

hiss!

Seeing the scene behind him, Duan Yu couldn't help taking a deep breath.

I saw the direction in front of me, a group of people came, each with a sword, murderous aura, among these people, there are many familiar figures, Kongtong sect, beggar gang, raging fire hall, etc. Almost all sects gathered Elite.

The leader, dressed in a long purple dress, was indescribably charming and moving, but there was an aura that people dared not to despise, it was Zhou Qin.

Seeing this scene, Su Qingyan's body trembled.

At this time, these people also saw Duan Yu and Su Qingyan, and they were all in high spirits.

"I found it!"

"Duan Yu and Su Qingyan, that's them!"

Zhou Qin waved his hand: "Take these two for me." Zhou Qin just wanted to catch Su Qingyan!

swoosh swish…

Zhou Qin's voice fell, and more than a dozen masters of the Earth Circle Continent sect jumped into the air and charged directly towards Duan Yu!

These masters are all elites in various sects, and their strength is powerful. In an instant, the aura of a dozen masters distorted the sky, and the momentum was amazing.

Made!

Seeing this scene, Duan Yu was very angry. These people are very arrogant, and they do it without saying a word.

I thought to myself, Duan Yu didn't talk nonsense, and directly summoned the Kaitian Axe. He didn't panic at all, his expression was proud, and there was no nonsense.

"Roar!"

Only a dragon roar was heard, coming from the giant axe, and the next moment, a touch of golden light seemed to tear the world apart!

"Death!" Duan Yu yelled angrily!

"Ah!" In the

blink of an eye, more than a dozen sect masters screamed incessantly, one by one fell from the air and fell into a pool of blood.

hiss!

Seeing this scene, both Zhou Qin and the people from all sects present couldn't help gasping for air!

This… is this the power of the divine axe?

At this time, Zhou Qin's delicate body was trembling constantly, looking at Duan Yu's eyes with endless shock.

More than ten years ago, Zhou Qin had seen the power of the Heaven-Opening Axe, but at that time, Duan Yu had not fully grasped the power of the Sky-Opening Axe, but now, Zhou Qin clearly felt that Duan Yu used the Heavenly Axe, The power that erupted was many times stronger than before.

quiet!

For a time, the audience was silent, and a drop of a needle could be heard clearly.

Duan Yu killed more than a dozen masters, but did not make another shot, but quietly looked around the audience, arrogantly Lingyun.

"Haha…"

After a few seconds, Duan Yu laughed and said slowly at Zhou Qin: "Isn't this Donghai City, the famous police flower Zhou Qin? I didn't expect that after a few years of absence, it turned out to be a circle. The martial arts leader of the mainland is really handsome."

After speaking, Duan Yu thought of something, and continued: “Zhou Qin, I heard that you have been dealing with Yue Feng in recent years, and Yue Feng is also my enemy. In this case, Why don’t we form an alliance? Why do we kill each other?”

When he said this, Duan Yu’s face was serious, and his eyes were even more arrogant.

To be honest, with Duan Yu’s strength, he is not afraid of Zhou Qin and the rest. But after escaping all the way from the Xi Cang Continent, Duan Yu was physically and mentally exhausted, and was really in no mood to fight Zhou Qin.

More importantly, Duan Yu and Zhou Qin didn’t have a deep hatred, and they had a common enemy, Yue Feng, so they didn’t have to kill each other.

However.

Zhou Qin was too lazy to talk nonsense, with her delicate face, without the slightest fluctuation, she said lightly to Duan Yu: “Duan Yu, stop talking nonsense, leave Su Qingyan behind, you can leave, I won’t stop you.”

Chapter 1971

Liu Xuan is in his hands, and the life and death of everyone in the Ouyang family are also under his control. If Su Qingyan is arrested again, Yue Feng will definitely collapse completely. At that time, let Yue Feng kneel down in front of him and beg for mercy.

Thinking about it, Zhou Qin was indescribably happy.

At this time, in Zhou Qin's heart, it was the most important thing to force Yue Feng to be submissive to himself. As for Duan Yu, there was no need to entangle him too much.

After all, the opening axe in this person's hand is really terrifying.

Um?

Hearing this, Duan Yu was stunned and frowned. This Zhou Qin… made such a big battle, not to deal with himself, but to catch Su Qingyan?

Swish.

At the same time, Su Qingyan next to her also trembled, and she suddenly became nervous.

The next second, Su Qingyan gently pulled Duan Yu's sleeve and whispered, "Junior Brother, what are they arresting me for?" Although the voice was soft, everyone present could hear it clearly.

What?

At this moment, whether it was Zhou Qin or the masters of various sects, their eyes were all focused on Su Qingyan, and they were extremely shocked.

Su Qingyan and Duan Yu became brothers and sisters?

You heard it right.

You must know that ten years ago, Duan Yu led the Xi Cang army to encircle the Ouyang family, and Yue Feng resisted it with all his strength. Su Qingyan was there at that time. It can be said that Su Qingyan, as Yue Feng's woman, and Duan Yu were also the same. Water and fire are incompatible, how can they become the same door?

For a time, everyone present was puzzled.

This chapter is provided by . Visit for daily update.

Duan Yu ignored everyone's eyes, smiled slightly, and comforted Su Qingyan: "Senior sister, don't be afraid, no one will take you away with me."

In the past, Duan Yu would not have been concerned about Su Qingyan's safety.

But he was arrogant and arrogant. He used to be a famous existence in Xi Cang Continent, and he was also an emperor. How could he tolerate others being presumptuous in front of him?

More importantly, Su Qingyan was his amulet, and with Su Qingyan around, Yue Feng would not dare to touch him.

At this moment, Duan Yu looked at Zhou Qin and said word by word, "Zhou Qin, what you said just now, please forgive me for not being able to do it. Su Qingyan is my senior sister, and she tried her best to help me and deal with Yue Feng. Isn't she an ungrateful little person who gave her to you?"

Duan Yu seemed to be speaking to Zhou Qin, but he was actually speaking to Su Qingyan.

really.

Hearing this, Su Qingyan was so moved that she looked at Duan Yu's eyes, full of admiration and praise.

What?

The crowd was in an uproar again.

Su Qingyan is Yue Feng's woman, and her relationship has always been very good. Why did she help Duan Yu in turn against Yue Feng?

Zhou Qin also frowned, confused, but couldn't guess the reason.

"Su Qingyan."

After a few seconds, Zhou Qin calmed down, looked at Su Qingyan closely, and couldn't help but ask, "What happened between you and Yue Feng, why do you want to help Duan Yu deal with Yue Feng? The wind?"

When he said this, Zhou Qin's expression seemed calm, but his heart was very complicated. Su Qingyan and Yue Feng had such a good relationship, and suddenly separated from Yue Feng and dealt with him together with Duan Yu. It must be Yue Feng who did something sorry for Su Qingyan that made her hate him out of love.

If this is the case, then God has eyes. Yue Feng, you once rejected me and looked down on me, but now Su Qingyan has left you too, this is your retribution for messing around.

The more Zhou Qin thought about it, the more she relieved her hatred, but she held her own identity and did not laugh.

At this time, Zhou Qin thought that Yue Feng had done something sorry for Su Qingyan, which caused Su Qingyan to leave Yue Feng and walk with Duan Yu.

“I…”

Su Qingyan’s face showed a hint of blush, and she responded very displeased: “I don’t know Yue Feng at all, and nothing will happen. I help Duan Yu because of him. It’s my junior brother.”

His expression was calm, but his heart was very angry. What’s the matter, why do you have to pull yourself and Yue Feng together every time you meet someone?

Unfamiliar?

Hearing this, Zhou Qin frowned, and her doubts became heavier.

“Zhou Qin, you don’t need to ask my senior sister about this matter.” Duan Yu took a step forward and said lightly, “My senior sister was framed by Yue Feng and lost her memory. I don’t want to mention the past at all. No need to ask any more.”

Phew!

Zhou Qin was stunned for a moment, then suddenly realized.

No wonder Su Qingyan spoke so strangely and said that she was not familiar with Yue Feng, so she had lost her memory.

Chapter 1972

At this time, Duan Yu showed a smile, looked at Zhou Qin and said, “Zhou Qin, I have said everything I should say, if you insist on taking my senior sister away, don’t blame me for being rude, although there are many of you, But once the fight begins, you won’t necessarily take advantage.” The

voice was not loud, but there was a shocking aura.

Whoa!

The voice fell, and the audience was in an uproar. The masters of various sects focused on Duan Yu with complicated expressions.

Crazy, this paragraph is really crazy, actually threatening Zhou Alliance in public?

Zhou Qin also blushed, her delicate body trembled faintly, and she was so angry.

He is the dignified head of Emei, the leader of the martial arts alliance, who is not polite when he sees it, but Duan Yu, in front of so many people, threatens himself, where does this put his face?

“Presumptuous!”

At this moment, Faye Wong couldn’t bear it anymore, and shouted at Duan Yujiao: “You are just a homeless bereaved dog, what qualifications do you have to negotiate with our leader? You dare to make threats and seek death. .”

The disciples of the Emei School next to him also glared at Duan Yu.

Duan Yu was not panic at all and ignored Faye Wong at all.

The next second, Duan Yu chuckled, looked at Zhou Qin and said, “Zhou Qin, I have already said it very clearly, it is useless to say more, I will still say that, our common enemy is Yue Feng, killing each other is harmful and not beneficial. , it’s better to join forces.”

Duan Yu thought about it, as long as he joins forces with Zhou Qin to destroy the Ouyang family and Tianmen, it will be easier.

call!

Zhou Qin frowned, pondering, very hesitant.

In her heart, she never thought of forming an alliance with Duan Yu, and Zhou Qin never liked Duan Yu. Back then, Duan Yu sent a challenge letter to Yue Feng, agreeing to fight for life and death in the Xingxinglou, but Duan Yu Secretly led the army to raid the Ouyang family, and the methods were vicious and vicious. This matter, it can be said that no one knows about it.

Although Zhou Qin’s methods are also more sinister, but he regards himself as lofty and unwilling to join forces with people like Duan Yu.

“Zhou Qin!”

Seeing that Zhou Qin had been hesitant to speak, Duan Yu smiled and said: “I don’t think you need to think about it. I heard that you suppressed Tianmen and all the forces

related to Yue Feng some time ago, and you have gained a lot. It is already incompatible with Yue Feng.”

“Now that Yue Feng is the emperor of Xicang Continent, he will definitely not spare you lightly. Even if you are the leader of the martial arts alliance, but these sects combined, can you stop the Xicang army?”

“As long as you are willing to cooperate, I will help you deal with Yue Feng’s Xi Cang army. Don’t forget, I have been the prime minister of Xi Cang for so many years, and I know the Xi Cang army like the back of my hand.”

After saying the last sentence, Duan Yu had a face on his face. Relaxed and comfortable.

quiet!

At this moment, the audience was silent, and everyone’s eyes were focused on Zhou Qin, waiting for her response.

“Okay!”

Finally, Zhou Qin pondered for a moment and nodded at Duan Yu: “This seat promises to cooperate with you, but there is one condition. After forming an alliance, all actions must be approved by this seat.”

Seriously, Zhou Qin really didn’t want to form an alliance with Duan Yu, but Duan Yu was right, Yue Feng became the emperor of Xi Cang Continent, led an army, and if he sought revenge on himself, he really couldn’t resist.

Of course, there is another point, Su Qingyan lost her memory, and it would be boring to arrest her to threaten Yue Feng.

However, Zhou Qin is also a smart person. Knowing that Duan Yu is not an ordinary person, in order to prevent him from overpowering the guest, he first stated the conditions.

“Of course there’s no problem with that.” Duan Yu smiled slightly, nodded and said, “You are the leader of the martial arts alliance now, and we will form an alliance. Naturally, you will be the main one.” The

answer was very natural on the surface, but Duan Yu’s eyes flickered. With a hint of gloom.

A female class, still want to surpass me? Thinking too much…

Duan Yu has already thought about it, he pretended to agree to Zhou Qin's conditions first, and after he caught Yue Feng, he could do whatever he wanted without worrying about it.

call!

Seeing this scene, the masters of various sects around were secretly relieved.

Fortunately, the two sides have formed an alliance. Otherwise, Zhou Qin ordered to besiege Duan Yu, and his own martial arts would definitely be killed or injured. After all, the power of the opening axe in Duan Yu's hand was too terrifying.

But Faye Wong was secretly anxious, came over, and whispered to Zhou Qin: "Senior Sister, this section of Yu is insidious and cunning. You must be more careful when you form an alliance with him

." Calmly, without the slightest fluctuation.

No matter how powerful Duan Yu is, he is only one person, and he is the leader of the martial arts alliance.

"Zhou Qin!"

At this moment, Duan Yu came over and smiled hypocritically: "Since it is an alliance, everyone is their own. I wonder if you have thought of any way to deal with Yue Feng."

Chapter 1973

Zhou Qin smiled lightly, and did not answer immediately, but instead asked: "It seems that you have come up with a solution."

Zhou Qin only knew that Yue Feng was the emperor in Xicang Continent, but he did not know the specific situation. There is no way for now.

Duan Yu didn't hesitate, his face turned gloomy: "My solution is very simple, let's join forces and be invincible, directly kill the Ouyang family, and completely wipe out these relatives and friends of Yue Feng."

Hearing this, Zhou Qin couldn't help it. He laughed, looked at Duan Yu and said, "The Ouyang family, we don't have to go, because the lives and deaths of everyone in the Ouyang family are under my control."

"We just need to keep track of Yue Feng's movements now. With

that said, Zhou Qin told everyone in the Ouyang family that they were taking Hei Tian Pill.

call!

Hearing this, Duan Yu couldn’t help but take a deep breath and silently praised in his heart.

As expected of a woman who can be the leader of the martial arts alliance, Zhou Qin is so powerful that she has already gone to deal with the Ouyang family.

Thinking to himself, Duan Yu showed a smile, nodded and said, “Okay, then I will listen to you. Let’s go back first, and then make plans after finding out about Yue Feng’s movements.”

Zhou Qin snorted and said no more. With Duan Yu and Su Qingyan, as well as the masters of various sects, they returned to Emei.

the other side.

Yue Feng led the army, followed the traces of Duan Yu and Su Qingyan, and returned to the Earth Circle Continent.

However, as soon as they returned to the Earth Circle Continent, all clues about Duan Yu and the two were cut off.

It was as if Duan Yu and Su Qingyan had disappeared out of thin air.

This made Yue Feng extremely annoyed.

At this time, in the mountain forest several hundred kilometers away from Zhongzhou City, Yue Feng stood on the hillside, his face extremely gloomy, next to Hong Fei and the many generals of the Black Cavalry Army, all bowed their heads in silence, not daring to let out the air.

Just now, Hong Fei and the Black Cavalry Army expanded their search scope, but they still did not find any trace of Duan Yu.

Nima.

At this moment, Yue Feng slammed the rock next to him, indescribably annoyed.

Two big living people, if they don’t see it, they will disappear.

This is so weird.

At this time, Yue Feng didn’t know that Duan Yu and Su Qingyan were both in the Emei faction, so he naturally couldn’t find their whereabouts.

“Your Majesty!”

At this moment, Hong Fei came out and asked cautiously, “What should I do next?”

Huh!

Yue Feng took a deep breath, thought about it, and said solemnly, “Go to the Ouyang family first.” His voice was flat, but Yue Feng’s face showed a bit of worry.

On the way back to the Earth Circle Continent, Yue Feng had guessed Duan Yu’s thoughts, and he must be looking for trouble with the Ouyang family to deal with him.

But now, since the whereabouts of Duan Yu and the two of them cannot be found, they must hurry to the Ouyang family and make arrangements to take precautions.

After thinking about these things, Yue Feng didn’t stop at all, he took the army and rushed towards Zhongzhou City.

After several hours of rushing, Yue Feng took the army and finally arrived in the suburbs of Zhongzhou City. However, the army of tens of thousands was too much attention. In order not to cause panic among the citizens of Zhongzhou City, Yue Feng had the army stationed on the hills in the suburbs.

After making arrangements, Yue Feng returned to the Ouyang family alone.

The sun is shining today, and Zhongzhou is full of bustling and lively scenes, but the Ouyang family mansion is unusually calm.

Yue Feng saw from a distance that at the gate of the Ouyang family, there were usually disciples of the family who took turns to stand guard, but today there was no one.

what’s the situation?

Yue Feng frowned secretly, and quickly approached the courtyard. After entering, he saw the pleasant scenery in the courtyard. If it was usual, there must be many family disciples walking and playing, but today, there was no one to be seen. Dead breath.

“Young master?”

“Young master is back!”

When they were about to reach the hall, several family disciples gathered around, all excited, with expressions of grief and indignation on their faces.

“Brother?”

Hearing the movement, Meihui in the hall quickly ran out, and when she saw Yue Feng, Meihui's tender body trembled with excitement: "Brother, you are back, you are finally back…"

Chapter 1974

When the words fell, Meihui threw herself into Yue Feng's arms and wept with joy: "I thought my brother was in trouble in Xicang Continent…"

Yue Feng smiled and patted Meihui's shoulder to comfort: "Okay, okay, brother, isn't it okay? Huh?" As

he was talking, Yue Feng was shocked when he noticed Meihui's state.

Seeing that Meihui's face was extremely pale, not only that, but Dantian was also suppressed by a strange force, and the whole person was extremely weak.

"Meihui, what's the matter?" Yue Feng asked quickly.

Whoops!

Mei Hui opened her mouth and was about to speak when she saw Wen Chou Chou, Sun Dasheng, and Ren Yingying all come to the hall one by one.

After Zhou Qin forcibly took Hei Tian Pill, everyone was disheartened and desperate. They locked themselves in the room and stopped going out. Just now, when they learned that Yue Feng was back, everyone was very excited, and they all hurried. Out.

"You…"

At this moment, Yue Feng was taken aback when he saw the state of everyone.

Yue Feng saw that Wen Chou Chou, like Mei Hui, all looked sluggish, their internal strength was suppressed, and they were very weak.

How could this be?

Yue Feng was shocked and angry, and at the same time looked at everyone suspiciously: "What happened?"

Alas!

Everyone looked at each other and sighed almost at the same time. Immediately, Wen Chou Chou came out and explained the situation in detail.

At the end of the story, Wen Chou Chou's face was cold and grief-stricken: "Fengzi! Zhou Qin was deceitful for a long time. At that time, he arrested us, but deliberately did not kill us. Instead, he forcibly gave us poison. The purpose is to let you see our poisoning. death scene."

Then, Wen Chou Chou looked at Yue Feng and said earnestly: "He did this to completely anger you, to destroy your will, you must not be fooled." The

voice fell, and Sun Dasheng said loudly: "Yes, Fengzi, If we die, we will die, you just want to avenge us, don't be dazzled by anger."

Ren Yingying and Qin Rongyin next to them did not speak, but nodded silently.

However, in their eyes, in addition to resentment, there is also deep reluctance.

Ren Yingying, Qin Rongyin, and Xiao Yuruo, who were present, did not go through a lot of ups and downs with Yue Feng and finally came together. Seeing that they were about to blossom and bear fruit, they were all poisoned and would soon die. It doesn't feel good to change anyone.

Bang!

Hearing this, Yue Feng's eyes were extremely blood red, and he slammed down the table, gritted his teeth and roared: "Zhou Qin!!!"

Mad, this vicious woman again.

At this time, Yue Feng's heart was completely enveloped by anger.

Yue Feng thought that Duan Yu would be the first to trouble the Ouyang family. After all, he had seized his throne, and with Duan Yu's revengeful personality, he would definitely come to the Ouyang family for revenge.

Unexpectedly, Zhou Qin actually took the lead, and also used such despicable means to poison everyone.

With the anger rising, Yue Feng thought of the medicine pill that everyone was taking, the Black Heaven Pill.

Heitian Dan, I have never heard of it, and there seems to be no record of Wuji Dan.

Over the years, Yue Feng has already memorized the Wuji Pill Technique, and what kind of pills are recorded in it, Yue Feng can almost memorize it like a few treasures.

However, Yue Feng did not give up, took out the Wuji Danshu, and read carefully page by page.

Half an hour later, Yue Feng closed the Wuji Danshu with a decadent look on his face.

He remembered correctly, there is indeed no record of Hei Tian Pill in Wuji Pill.

Nima!

At this moment, while Yue Feng was furious, he was also extremely surprised.

Didn't Zhou Qin know nothing about alchemy? When did you learn to make medicinal pills, and it was a very rare poison like Heitian Pill?

At this time, Yue Feng still didn't know that the Heitian Dan refined by Zhou Qin had never been learned from the Indestructible Classic.

The Sutra of Immortality is a unique skill of Zhang Jiao who conquered the world and controlled the Yellow Turbans thousands of years ago, and naturally it will not spread to the rivers and lakes.

Chapter 1975 Right

!

Suddenly, Yue Feng's light flashed, and when he thought of something, his eyes suddenly lit up.

Brother Wen said just now that the Heitian Pill they took was similar in effect to the Tongtian Pill of Tongtian Sect at that time, but the medicine was ten times stronger.

I know how to refine the antidote of Tongtian Pill, and I will use ten times the amount of medicine later to refine the antidote, right?

Thinking about it, Yue Feng suddenly got excited, and quickly ordered to the family disciple next to him: "Quick, prepare the herbs for me, and remember them clearly.

" Say it.

The disciple did not dare to neglect, and after he remembered it clearly, he hurriedly went out to prepare.

After a while, the disciple came back and brought back several large bags, all of which were all the ingredients that Yue Feng needed, hehe herbal medicine.

Yue Feng did not hesitate, and in the hall, he set up a furnace to light a fire and began to refine the antidote.

call!

At this moment, looking at Yue Feng's busy appearance, Wen Chou Chou and Ren Ying Ying didn't speak, but they were all moved and looked forward to it.

Yue Feng's achievements in alchemy have long been famous in the world, and he must have a way to refine the antidote.

Bang!

Half an hour later, I heard an explosion from the elixir furnace, followed by smoke, and a fragrance of elixir filled the hall.

haha… done!

Yue Feng was overjoyed and immediately opened the elixir furnace to see that there were dozens of refined elixir in it, all of them lustrous and lustrous.

"Ha ha.."

At this moment, Sun Dasheng laughed loudly, came over, and gave Yue Feng a thumbs up: "Fengzi, I know you have a solution, and you can find the antidote so quickly, Mad, I thought I was doomed. , I even wrote a suicide note to my family before."

After speaking, Sun Dasheng took out one from the pill furnace: "I'm welcome to eat it first." After speaking, Sun Dasheng raised his head and took the pill. swallowed.

The people around were also very excited, they gathered around and took it one after another.

After taking it, everyone sat there, quietly waiting for the effect.

The smile on Yue Feng's face was also expectant.

hiss.

Two minutes later, Sun Dasheng, who was the first to take it, suddenly frowned and covered his only son with both hands, with a painful expression on his face.

"Great Sage!"

Yue Feng was taken aback and walked over quickly: "How is it?"

Sun Dasheng looked at Yue Feng with a bitter face and said speechlessly: "Fuck, Fengzi, are you an antidote, or a laxative? Ouch, No, I have to go to the toilet quickly." As

soon as he finished speaking, everyone around covered their only son with pained expressions.

Oops.

Seeing this scene, Yue Feng was both remorseful and annoyed.

Zhou Qin was so cunning and would not do anything he was not sure about. If the antidote for Hei Tian Pill was so easy, it could be refined so easily.

The most taboo thing about medicine pills is to use drugs indiscriminately. Why did you make such a low-level mistake?

But fortunately, Dasheng and Brother Wen took the antidote for their foolishness, but their stomachs were uncomfortable, and their lives were not in danger for the time being.

Thinking about it, Yue Feng's eyes gradually became firm and cold.

I had no choice but to go to the Emei School and ask Zhou Qin for an antidote.

After making up his mind, Yue Feng did not hesitate to tell the family disciples to look after Sun Dasheng and the others, and quickly left the Ouyang family.

Of course, Yue Feng did not forget to mobilize the tens of thousands of troops on the outskirts of Central City.

Half an hour later, Yue Feng led the army and rushed towards Mount Emei.

The ultimate husband in Chinese chapter 1976-1980

Chapter 1976

Mount Emei!

At this time, in the main hall, the masters of various sects gathered together. Zhou Qin sat on the throne with a smile on his face.

Duan Yu and Su Qingyan were placed in the first seat of the VIP.

After Zhou Qin and Duan Yu formed an alliance, as soon as they returned to Emei, they convened various sects to discuss how to deal with Yue Feng.

At this time, Zhou Qin was in a very relaxed mood. With Duan Yu's help, even if Yue Feng leads the Xi Cang army, there is no need to be afraid.

"Sect Master!"

At this moment, Faye Wong walked in quickly and respectfully said to Zhou Qin: "Yue Feng… Yue Feng led an army of tens of thousands and is heading towards Emei." Because of her nervousness, her words trembled. .

Whoa!

The voice fell, and the entire hall suddenly exploded.

"Yue Feng is coming?"

"So soon…"

"Seriously, Cao Cao, Cao Cao is here."

Zhou Qin also trembled, her delicate face could not hide the shock.

Yue Feng is so fast?

However, seeing Duan Yu next to him, Zhou Qin regained his confidence, regained his composure, looked around, and instructed: "Everyone, don't panic, instruct the disciples below to be vigilant and prepare for battle at any time."

This chapter is provided by . Visit for daily update.

"Yes, Alliance Leader!" The factions complied.

At this time, Zhou Qin tilted his head to look at Duan Yu: "Duan Yu, you and Su Qingyan should avoid it first. After getting the order from this seat, it will not be too late to reappear."

Zhou Qin could guess that Yue Feng was aggressive . He must have come here to give the Ouyang family an antidote.

Under such circumstances, Yue Feng would definitely not dare to act rashly, but it was hard for him to say when he saw Duan Yu. After all, the hatred between Yue Feng and Duan Yu was too deep, so let Duan Yu avoid it first. .

In Zhou Qin's heart, all he wanted was to make Yue Feng kneel to himself and admit his mistake in public, but he never thought about killing him, and naturally he didn't want him to meet Duan Yu.

Because as soon as the two meet, it is an endless situation, which affects their plans.

"Okay!" Duan Yu responded, and with Su Qingyan, he retreated to the screen behind the main hall.

At this moment, Duan Yu, on the surface, obeyed Zhou Qin's words, but his eyes were gloomy and gloomy.

Zhou Qin, for the time being, I'll give you face first, and once there is a chance to kill Yue Feng, then you can't help it.

Boom!

Just as Duan Yu and Su Qingyan hid, they saw the door of the main hall being kicked open, making a loud noise.

Immediately, a handsome and stylish figure walked in slowly.

It is Yue Feng!

Only Yue Feng is alone!

Yue Feng did not lead the Xi Cang army to attack Emei directly, but let the Xi Cang army surround Mount Emei and break in alone. After all, Yue Feng still has to get the antidote for Hei Tian Pill from Zhou Qin, so he can't do it for the time being.

Um?

The moment he came in, Yue Feng was stunned when he saw the situation in the main hall.

So many people?

I thought that the sudden arrival of the Emei Sect would be caught off guard, but I did not expect that there are dozens of sects here, including Wudang, Shaolin, Tianshan, and the Beggar Gang.

Chapter 1977

At the same time, everyone present was stunned. Everyone thought that this Yue Feng would come in with tens of thousands of troops. Who would have thought that he would come in alone? !

As expected of the Sect Master of Tianmen, with this courage, I am afraid that the world will not be able to find a second one.

“Yue Feng!”

At this moment, Zhou Qin stood up slowly, smiled at Yue Feng and said, “Yue Feng, you are not small, you dare to go straight to my Emei, but there are a lot of adults in this seat, as long as you Respect me as the leader of the martial arts alliance, and obey my orders in the future, and I can ignore it.”

If this happened before, Zhou Qin must have panicked in his heart.

But now it’s different, everyone in the Ouyang family is under their own control of life and death, and they are not afraid of Yue Feng’s chaos.

Swish!

The moment the words fell, the masters of all sects in the scene locked on Yue Feng tightly, and they all stared at each other.

To be honest, everyone was shocked by Yue Feng’s aura just now, but they thought that this was Emei, and Zhou Qin’s strength was not weak. Everyone no longer took Yue Feng to heart.

Yue Feng didn’t care about the gazes around him, even if all the sects gathered today, he wasn’t afraid. At that time, he didn’t think about anything, his eyes stared at Zhou Qin urgently, his body trembled: “Zhou Qin, let me ask you, the people of the Ouyang family, Have you been poisoned by you?”

Yue Feng was extremely excited, recalling the weakness of Wen Chou Chou and everyone’s weakness, Yue Feng’s fist couldn’t help clenching.

“Yes, it’s me.” Zhou Qin smiled and nodded: “Those people in the Ouyang family are disrespectful to this seat, of course I will teach them a good lesson.

” After speaking, Zhou Qin looked at Yue Feng playfully and continued: “Speak Get up, if it wasn’t for your sake, I would have killed them all at that time and wouldn’t let them live until now.”

Seeing Yue Feng’s angry look, Zhou Qin felt indescribably happy.

Swish!

Yue Feng only felt a pain in his heart, his eyes were blood red, and he gritted his teeth and roared: “Zhou Qin, don’t be hypocritical, we have grievances, why do you want to hurt innocent people when you come to me?”

Brother Wen and the Great Sage They won't say anything, Mei Hui is such a lovely girl, she is cruel and poisonous.

Just too nasty.

"Innocent?"

Zhou Qin put away his smile, bit his lip, and said coldly: "Back then, at the ancient tomb of Lv Bu, Sun Dasheng and Wen Chouchou chased and killed me all the way. If it wasn't for my fate, I would have died long ago, and the Ouyang family Those people are everywhere preaching how hateful, how sinister and vicious I am, destroying the reputation of this seat, you say they are innocent?"

Nima!

Hearing this, Yue Feng couldn't help: "Zhou Qin, you don't need to argue, you know what you have done before, and they don't mean you wronged when they say that."

Zhou Qin sneered and said word by word: " Whether it's right or wrong, it doesn't matter what happened in the past, the important thing is that the people in the Ouyang family were poisoned and couldn't live for a few days." As the words

fell, Zhou Qin's smile grew thicker, very proud.

Hearing this, Yue Feng's eyes were red, and he stopped talking nonsense: "Zhou Qin, don't talk nonsense, take out the antidote immediately. Otherwise, there will be no end between you and me."

Wow!

Hearing this, the masters of various sects present suddenly burst into an uproar.

Is this Yue Feng crazy? He broke in alone and threatened the leader of the alliance?

Even if you are the Sect Master of Tianmen, or the Emperor of Xi Cang Continent, are you so arrogant, are you too confident?

Zhou Qin understood Yue Feng's personality and was not angry at all. On the contrary, there was a smile on his face, and she said jokingly: "Okay, I can give you the antidote, but there is one condition."

"Speak!" Yue Feng coldly cold road.

Zhou Qin's eyes flickered, and she said with a smile: "You kneel down and apologize to me now, saying that you have done something wrong before. Be more sincere. Maybe I will forgive you and give you the antidote.

” Qin’s smiling face is full of happiness, seemingly casual, but her heart is full of expectations.

For so many years, I have been against Yue Feng everywhere, and the ultimate goal is to make Yue Feng regret, and in front of me, let go of my dignity and beg myself for forgiveness.

Chapter 1978

Swish!

Hearing Zhou Qin ask him to kneel, Yue Feng frowned, and then smiled coldly: “Zhou Qin, you have no shame.”

This Zhou Qin has done so many bad things, and he hasn’t settled with her yet. , but in turn, let yourself kneel down and apologize, isn’t this shameless.

“You…”

Zhou Qin was originally smiling, but when she saw Yue Feng’s attitude, her face instantly flushed red, and she was indescribably annoyed.

This Yue Feng, in front of so many people, embarrassed himself over and over again, the first time he could ignore it, but the second time he indulged him, where would he put his face in the future?

“Yue Feng. What are you?”

At this moment, in the crowd next to him, Tang Qingyun rushed out, pointed at Yue Feng and scolded: “The leader of the alliance has already given you a lot of face, but he is so ignorant of flattery, and he is still insulting the leader of the alliance. Disrespectful words, courting death!” The

voice fell, a sword appeared in Tang Qingyun’s hand, and then his body flashed, and the long sword stabbed directly at Yue Feng’s heart.

To be honest, if it was normal, Tang Qingyun would not dare to do this, after all, Yue Feng is very strong.

But now, Yue Feng came to ask for the antidote, and Zhou Qin was watching, so Tang Qingyun didn’t panic at all. He believed that Yue Feng would not dare to act rashly before he got the antidote.

Seeing Tang Qingyun rushing towards him, Yue Feng clenched his fists tightly, and his anger was released. Fang Tianhuaji appeared instantly and directly greeted Tang Qingyun.

clang!

The next second, Fang Tianhua halberd and the long sword violently collided, making a loud noise, and seeing Tang Qingyun groaning, the whole person flew straight up, flying dozens of meters away, and finally fell outside the hall door. A mouthful of blood spurted out, his face pale.

Made.

At this moment, Tang Qingyun trembled all over, staring at Yue Feng, frightened and angry.

I thought that Yue Feng would not dare to fight back, and he could show it in front of Zhou Qin, but he did not expect that everything was beyond his expectations.

“Jumping the beam clown.” Yue Feng said coldly, his eyes

fixed on Zhou Qin, and he roared: “Zhou Qin, I will give you one last chance, hand over the antidote immediately, otherwise, I will let you blood stain the hall today, Step on Mount Emei.”

“Today, I will let you dye the hall with blood and step on Mount Emei.”

This roar echoed throughout Mount Emei.

call!

Hearing this, the entire hall was silent.

The masters of various sects present looked at each other in dismay, and their hearts trembled when they were shocked by Yue Feng’s words.

If it were anyone else, they would definitely burst into laughter, but Yue Feng was different, not only the Sect Master of Tianmen, but also the Emperor of Xi Cang Continent.

More importantly, tens of thousands of troops are waiting for orders outside the mountain gate. He has absolute strength.

Swish!

Zhou Qin’s pretty face flushed with anger, and her delicate body trembled.

The next second, Zhou Qin suddenly stood up, pointed at Yue Fengjiao and shouted: “What are you doing, everyone, take him down for me.”

In front of everyone, it's fine to make fun of himself, and even hurt his subordinates , and now he threatens to step on Emei, and no one else can bear it.

wow.

The voice fell, and the masters of various sects did not dare to neglect, and they all urged their inner strength to surround Yue Feng.

To be honest, these sect masters really don't want to fight against Yue Feng, but they have no choice. They have taken Zhou Qin's Hei Tian Pill one by one, and her life is in her hands. Who dares to resist.

"Death, die for me."

Seeing the masters of various sects coming under siege, Yue Feng roared furiously, holding Fang Tianhua halberd tightly, and attacking him directly.

At the same time, Yue Feng screamed in the sky, directed at the tens of thousands of troops outside the mountain gate, and issued an order: "The whole army listens to the order and takes everyone from Mount Emei to me, and not a single one."

When he shouted this sentence, Yue Feng's eyes were extremely blood red.

No matter how much he pays today, he will get the antidote from Zhou Qin.

"kill!"

Chapter 1979

Hearing the order, tens of thousands of troops, howling in the sky, poured into Mount Emei like a tide, and the two sides fought fiercely.

call!

Seeing this scene, Su Qingyan, who was hiding in the dark, couldn't help but take a breath, feeling a little flustered in her heart. This Yue Feng is so strong, with a large army, Emei and various sects, can he stop it?

Duan Yu, who was next to him, noticed the change in Su Qingyan's expression, smiled slightly, and comforted softly: "Senior sister, don't panic, Yue Feng can't win!

" It's gloomy.

The battle is getting fiercer.

It has to be said that the overall strength of the Xi Cang army is indeed among the best in the Kyushu Continent, with a stellar reputation.

In less than ten minutes, I saw the masters of various sects, being beaten and retreating, very embarrassed, many people were injured, and blood was constantly spilled, almost dyeing the ground of the entire hall red.

“Junior brother.”

Seeing this scene, Su Qingyan became a little worried: “Should we help?”

Su Qingyan lost her memory and completely forgot what kind of person Zhou Qin was. She only knew that Zhou Qin and her junior brother were allied with each other. , is his own, now that the ally is in a bad situation, naturally he has to go up to help.

“No!” Duan Yu shook his head gently and whispered: “Even if you want to help, now is not the time.” When

he said this, Duan Yu’s face was calm, but his eyes flashed with cunning.

Duan Yu thought about it, and when the right opportunity came, he would attack Yue Feng and try to hit him hard.

Um!

Hearing this, Su Qingyan nodded and said no more.

After these days of contact, Su Qingyan trusts Duan Yu very much, almost obeying every word.

Seeing that the situation was getting worse and worse for him, Zhou Qin’s pretty face flushed red, her eyes twinkled, and her heart was full of anger.

“Yue Feng.”

Finally, Zhou Qin couldn’t bear it any longer and shouted: “If you don’t want Liu Xuan to die, stop immediately!” At

the moment when the words fell, several Emei disciples, with Liu Xuan, Zhu Rong and Shen Nong, who were tied up with five flowers, The three entered the hall through the side door.

Speaking of which, the three Liu Xuan had been brought out of the dungeon long ago, and had been guarded outside.

Zhou Qin originally thought that Yue Feng had some scruples in his heart and would not do it, but he did not expect that Yue Feng had completely lost his mind.

At this time, Zhou Qin didn't realize how important the people of the Ouyang family were in Yue Feng's heart. They were completely Yue Feng's relatives. If their relatives were poisoned, could Yue Feng not be crazy?

Swish!

Hearing Jiao's drink, Yue Feng didn't stop, but subconsciously looked towards Zhou Qin.

Seeing this, Yue Feng's body was shocked, and the whole person was stunned.

Xuan'er?

Yue Feng saw that Liu Xuan was tied up with five flowers, her delicate face was pale and weak, and she had obviously suffered a lot. Not only that, but she also had Big Brother Shennong and Senior Zhu Rong by her side.

what happened?

Big Brother Zhu Rong and Senior Shennong, who are both peerless powerhouses, were even caught by Zhou Qin.

At this moment, Yue Feng was shocked and even more angry at the same time.

"Husband!" Seeing Yue Feng, Liu Xuan was surprised and couldn't help calling out, but her voice was very soft. These days, Liu Xuan was locked in a dungeon, unable to eat or sleep well, and had no strength to speak. .

Zhu Rong and Shen Nong next to him were extremely embarrassed.

He is a peerless and powerful person who has been famous for a long time, but he was caught by a young girl like Zhou Qin, which is too embarrassing.

"Xuan'er, don't be afraid." Yue Feng roared loudly.

"Yue Feng!"

At this moment, Zhou Qin didn't hesitate at all, and walked over with a long sword firmly on Liu Xuan's neck, and said coldly, "Don't stop, I'll kill her immediately."

"Stop, stop. "Yue Feng didn't hesitate, his eyes were blood red, he roared wildly, and his voice was hoarse.

Chapter 1980

At this time, Yue Feng could not wait to kill Zhou Qin immediately. But he dared not act rashly.

Yue Feng saw that Zhou Qin's long sword was clinging to Liu Xuan's neck, as long as she exerted force, Xuan'er would be finished.

call!

In an instant, tens of thousands of Xi Cang's army and masters of various sects stopped one after another, and at the same time all eyes gathered.

In particular, the Xi Cang army has complicated eyes.

It is a pity that His Majesty asked to stop when he clearly had the upper hand.

"Zhou Qin!" Yue Feng glared at Zhou Qin, and said hoarsely,

"

Let Xuan'er be released immediately." Don't worry, as long as you are obedient, I will not hurt her."

After speaking, Zhou Qin's face sank, and she said coldly, "Kneel down immediately and apologize to this seat. As long as you are sincere, I will not only let Liu Xuan go. , I'll give you the antidote for the Heitian Pill and let you save the people of the Ouyang family, if you still refuse, don't blame me for being cruel."

When she said the last sentence, Zhou Qin clenched her lip with a firm attitude. Undoubtedly.

Zhou Qin hated Yue Feng because of her love and hatred. Seeing Liu Xuan being so nervous, she immediately felt jealous.

call!

Yue Feng did not answer, but clenched his fists tightly, his eyes blood red.

At the same time, the entire hall was also silent, and a drop of a needle could be heard clearly.

Everyone's eyes are focused on Yue Feng.

Especially the masters of various sects, their eyes flickered, and their moods were secretly emotional.

Sure enough, the ally is still powerful.

In a few words, Yue Feng was stunned.

If Yue Feng knelt down again, the leader of the alliance would be famous in Kyushu. You must know that Yue Feng has always been rebellious. When did he bow his head to others and obey?

“Okay, I’ll kneel…”

Finally, Yue Feng took a deep breath and stared at Zhou Qin: “I hope your words count.” Immediately, Yue Feng put away Fang Tianhuaji and knelt down.

“Your Majesty.”

At this time, Hong Fei stepped out of the Xi Cang army and shouted at Yue Feng eagerly, “You can’t kneel.” The

voice fell, and many soldiers responded.

“Yes, Your Majesty’s body is all gold, why should you bow your head to a woman?”

“Absolutely not, Your Majesty.”

In the hearts of these tens of thousands of Xicang army, Yue Feng is the emperor of Xicang Continent, and every word and deed represent With the face of Xi Cang Continent, if he knelt down to Zhou Qin today, he would definitely become the laughing stock of other continents.

“Shut up.” Yue Feng was too lazy to explain and roared.

When the voice fell, Hong Fei and tens of thousands of soldiers immediately shut their mouths.

puff.

The next second, Yue Feng bent his knees, knelt down towards Zhou Qin, and said word by word, “Zhou Qin, I used to be sorry for you, please forgive me, give me the antidote, and let Liu Xuan and the others go… ..”

When he said this, Yue Feng’s face did not fluctuate in the slightest, and his tone was very sincere.

Seriously, kneeling down to a woman like Zhou Qin made Yue Feng extremely conflicted.

But no way.

Xuan’er and the lives of everyone in the Ouyang family are in her hands. If something happens to these people, and she will lose her relatives and friends, what’s the point of living?

Whoa!

Seeing this scene, the masters of all sects are inexplicably excited.

“I’m going, really kneeling?”

“Haha, as expected, the leader of the alliance is still powerful…”

The morale of Xi Cang’s army of tens of thousands of people fell one by one.

call!

And Su Qingyan, who was hiding in the dark, was also stunned by the scene in front of her, her eyes fixed on Yue Feng, and a complex feeling rose in her heart.

This Yue Feng said that he was shameless, and he did not compromise on means to achieve his goals.

But at this moment, for the sake of his woman and family, he would rather put down all his dignity and his status as an emperor, and kneel to Zhou Qin. It’s amazing to be able to bend and stretch.

At this moment, Su Qingyan’s thoughts on Yue Feng changed a little at this moment.

“Haha…”

At this time, Duan Yu, who was next to him, couldn’t help but chuckle and said to himself: “Being trapped in the love of children, Yue Feng, you will be like this in your life.” The

voice was very low, Except for Su Qingyan, no one else could hear it.

“Junior brother, what did you say?” Su Qingyan was stunned for a while, and couldn’t help but ask softly.

“Oh, it’s nothing.”

Duan Yu responded and explained with a smile: “I mean, this Yue Feng is too lecherous, and will eventually be punished because of a woman.”

The ultimate husband in Chinese chapter 1981-1990

Chapter 1981

Hmm!

Hearing this, Su Qingyan responded and said nothing more.

call!

At this moment, Zhou Qin, who was sitting on the throne, quietly looked at Yue Feng, who was kneeling in front of him.

how many years.

Zhou Qin was looking forward to this scene in his dreams. Yue Feng could kneel in front of him and beg for forgiveness. At this time, this dream finally came true.

At this moment, Zhou Qin showed a smile, and his heart was indescribably happy.

However, after enjoying herself, Zhou Qin felt an inexplicable emptiness and confusion.

What if it did? Can you and Yue Feng return to the previous state of intimacy?

Can Yue Feng still accept himself?

“Zhou Qin.”

Just when Zhou Qin was thinking about this, Yue Feng looked up at her and said word by word, “I’ve already kneeled down to apologize to you, so you should keep your promise.”

When he said this, Yue Feng’s eyes were extremely indifferent.

Yue Feng thought about it, as long as Zhou Qin kept his promise, released the three Liu Xuan, and gave the antidote to Hei Tian Pill, the grievances between himself and her will be written off, and no one will owe anyone.

“Okay!”

This chapter is provided by . Visit for daily update.

Zhou Qin and Yue Feng looked at each other for a few seconds, then nodded slowly: “I, Zhou Qin, will do what I say.”

In Zhou Qin's heart, he once hated Yue Feng so much, but he never thought about killing him. After meeting Yue Feng, Zhou Qin still retains a trace of emotion towards Yue Feng in the bottom of his heart.

Seeing Yue Feng now, kneeling down and apologizing in front of him, all Zhou Qin's obsessions were instantly put down.

Said, Zhou Qin withdrew the long sword, and then took out a bottle of medicine pill.

It is the antidote of Hei Tian Pill.

At this moment, Yue Feng quickly stood up, extremely excited.

"Go to hell, Yue Feng!"

However, no one thought that at this moment, suddenly, a loud shout came from behind! Immediately afterwards, a figure, with rapid lightning, rushed from behind Yue Feng and slapped Yue Feng with a palm!

It was Duan Yu!

The reason why Duan Yu has been hiding is that he is waiting for the opportunity to sneak attack. Originally, he interrupted and waited for Yue Feng and Zhou Qin to lose both, and then shot, but he did not expect that Yue Feng would kneel to Zhou Qin. And Zhou Qin kept his promise and prepared to give Yue Feng an antidote.

Between Duan Yu and Yue Feng, there is no end to death, and the hatred and grievance are endless. How can such a thing be allowed to happen?

But at this time, seeing that Yue Feng's attention was all on Zhou Qin, Duan Yu did not hesitate and made a decisive move.

hum!

Rushing to the front, a powerful breath burst out from Duan Yu. .

"Duan Yu!!!"

At this moment, seeing Duan Yu, Yue Feng was shocked, his eyes were blood red, and he roared with gnashing teeth.

At this time, Yue Feng never expected to see Duan Yu at the Emei School.

No wonder Duan Yu's whereabouts were never found before, it turned out that he was hiding in Emei.

“Yue Feng!” The corner of Duan Yu’s mouth rose slightly, unable to hide his excitement and hatred, and said coldly: “I said, I want to kill you with my own hands, this is God’s will, you, go to hell!” The

voice fell, Duan Yu’s inner strength surged, and he shot it out with one palm.

“Husband, be careful!” Seeing this scene, Liu Xuan couldn’t help but exclaimed, worried.

At the same time, Zhou Qin’s body trembled, and she was furious. She yelled at Duan Yu Jiao: “Duan Yu, you… who asked you to show up and attack? Stop!”

When he formed an alliance with Duan Yu before, It has already been said that how to deal with Yue Feng, all actions are up to you.

At this time, seeing Duan Yu breaking his promise and attacking Yue Feng from behind, Zhou Qin was very angry.

After drinking Jiao, Zhou Qin wanted to rush over, but it was too late.

boom!

Duan Yu’s speed was too fast, Yue Feng had no time to react, this palm slammed into Yue Feng’s junior, and he heard a dull vibration, Yue Feng’s blood spurted wildly, and the whole person flew out at once.

Pfft!

After flying for more than 100 meters, Yue Feng sprinkled a rain of blood in the air, and finally fell heavily on the square outside the main hall. The pain came, and he almost fainted.

Yue Feng clearly felt that several of his ribs were broken, the blood in his body was surging, and the inner strength of his dantian was all disordered!

Huh..

Yue Feng is sweating profusely, Duan Yu’s palm is too strong! Fortunately, I have pure yang internal force to protect my body, which offsets part of the power. Otherwise, I would be dead.

“Husband!” Liu Xuan cried out in pain, tears welling up.

Zhou Qin was also anxious and couldn’t help shouting, “Yue Feng, how are you?”

When he said this, Zhou Qin wanted to run over and help Yue Feng up, but he held back his identity.

In Zhou Qin's heart, although he hated Yue Feng very much before, he never thought of letting him die, but seeing him seriously injured at this time, he suddenly became worried.

Chapter 1982

Zhou Qin really wanted to run over and help Yue Feng up, but holding her own identity, she held back.

In Zhou Qin's heart, even though he hated Yue Feng very much before, he never thought of letting him die, but when he saw that Yue Feng was seriously injured, he suddenly became worried.

hiss!

At this moment, there was an uproar around, and the masters of various sects were staring at Duan Yu, unable to hide the shock in their hearts.

This section of Yu is indeed a legend in the Xi Cang Continent.

The timing was so good.

And Hong Fei and Xi Cang's tens of thousands of troops were shocked and angry. This Duan Yu actually attacked while His Majesty Yue Feng was relaxing his guard!

"Hahaha…"

Duan Yu didn't care about the gazes around him, he was very excited, he laughed up to the sky, and sneered at Yue Feng: "Yue Feng, didn't you expect it? I said, I will regain everything I lost. Yes, and you will eventually die in my hands."

"Duan Yu!"

Yue Feng's face was pale, staring at Duan Yu, and said coldly: "You only have this ability, you will only sneak attack, I don't know who it is, like a bereaved dog, fled from Xicang Continent to Diyuan Continent, and still hid in Emei."

At this time, Yue Feng was very annoyed.

Why did you relax just now?

Thinking to himself, Yue Feng gave Zhou Qin a cold look, Nima, he still underestimated this woman.

In Yue Feng's heart, he thought that Duan Yu's surprise attack was Zhou Qin's arrangement.

call!

Feeling Yue Feng's gaze, Zhou Qin's delicate body trembled, and her heart was extremely complicated.

Is Yue Feng doubting himself?

"Okay, very good!"

At this moment, Duan Yu's face was ashen, unable to hide the anger in his heart, he sneered at Yue Feng: "Yue Feng, I admire your bloody nature, you are dying, and you are still stubborn."

Said With that, Duan Yu's mouth raised a trace of cruelty: "Don't worry, I will not kill you immediately, I will cut off your limbs and torture you slowly, and see how hard you can be." The

voice fell, Duan Yu slowly walked towards Yue Feng.

"Escort!" At this moment, Hong Fei roared angrily, and suddenly, hundreds of soldiers rushed forward and blocked in front of Yue Feng.

Hong Fei stepped out quickly, summoned a long spear, and pointed at Duan Yu: "Duan Yu, you actually used such a despicable method to seriously injure Your Majesty and seek death!" The

voice fell, and Hong Fei rose into the air!

Swish swish…

At the same time, hundreds of black cavalry soldiers followed closely behind, bursting with internal force and rushing directly towards Duan Yu!

In an instant, Hong Fei and hundreds of soldiers burst out with aura that distorted the sky, and the momentum was astonishing.

However, Duan Yu did not panic at all.

"Since you are going to die, I will fulfill you." An icy voice came from Duan Yu's mouth, as if from hell.

The next second, Duan Yu clenched the Heavenly Axe tightly, a trace of cruelty evoked at the corner of his mouth, and swung the axe out fiercely!

“Roar!”

Only a dragon roar was heard, emanating from the giant axe. The next moment, a touch of golden light seemed to tear the world apart and swept towards Hong Fei and hundreds of soldiers!

“Death to me!” Duan Yu roared loudly!

“Ah!”

Jin Mang was as fast as thunder and lightning, Hong Fei and the hundreds of soldiers didn’t have time to dodge, they heard a scream, and then, one by one, they fell from the air and fell into a pool of blood.

hiss!

Seeing this scene, everyone present, be it Zhou Qin, masters of various sects, or the rest of the Xi Cang army, couldn’t help gasping for air!

This… the power of this axe is really terrifying!

Chapter 1983

“A bunch of ants, dare to block me?” Duan Yu said coldly, his expression extremely proud.

Immediately, Duan Yu looked around and said coldly: “Who else is not satisfied, just come up.” The

voice was not loud, but there was a palpitating aura.

quiet!

The audience was silent, and everyone didn’t dare to take a breath.

The Xi Cang army lowered their heads one by one, not daring to look at Duan Yu.

“Your Majesty.” At this moment, a general came out of the crowd, knelt down to Duan Yu in public, and said respectfully: “My minister Huang Hu, see your Majesty.”

Huang Hu, the deputy commander of the Black Cavalry Army, has a smooth personality. Fei was instantly killed by Duan Yu, and in order to save his life, he hurriedly pledged allegiance to Duan Yu.

“Your Majesty, long live, long live.” The remaining tens of thousands of troops also knelt down and shouted in unison.

Although, Duan Yu's method was too despicable and insidious. But the strength is too strong.

hiss!

Seeing this scene, Zhou Qin and the masters of various sects in the Earth Circle Continent were stunned, each with a complicated expression.

This… Duan Yu is like this, he became the emperor again?

In this Xicang Continent, the change of the emperor's position is too arbitrary.

At this time, the masters of various sects still do not know that in the customs of Xi Cang Continent, as long as you have absolute strength, it is very simple to want to be an emperor.

Haha….

Seeing this scene, Duan Yu was very satisfied, raised his hand and motioned everyone to get up.

Immediately, Duan Yu showed a smile and mocked at Yue Feng: "Yue Feng, accept your fate, no one can save you today. Guess, will I cut off your hand or your foot first?"

When the words fell, Duan Yu clenched the Heaven Opening Axe and approached Yue Feng again.

call!

Yue Feng took a deep breath, and his heart was full of sadness.

Nima, is this God's will?

At this moment, Yue Feng was extremely desperate, and at the same time, he looked around the audience, trying to find Su Qingyan's figure.

Qingyan was always with Duan Yu, Duan Yu appeared, and Qingyan must be nearby.

However, Yue Feng looked around and didn't see Su Qingyan's figure. He didn't know that Su Qingyan was still hiding in the dark at this time. She didn't expect that Duan Yu would suddenly appear and attack Yue Feng.

However, Su Qingyan trusted Duan Yu very much. Seeing that his junior brother didn't greet him, he kept hiding.

call!

At this time, when Duan Yu threatened to cut off Yue Feng's hands and feet, Su Qingyan frowned, feeling that it was a bit cruel for his junior and junior brother to do so, but on second thought, Yue Feng had hurt Duan Yu so badly. It is not too much to be cut off by the younger brother.

At this time, Su Qingyan didn't know that what Duan Yu told her before was all fabricated and not true at all.

"Stop!"

Seeing that Duan Yu was getting closer and closer to Yue Feng, Zhou Qin couldn't help it anymore

. , I once hated Yue Feng so much, and I never thought of killing him, how could I allow others to hurt him?

However.

The masters of various sects stood there, motionless, and no one stepped forward to stop Duan Yu.

When I met Duan Yu before, I was deeply shocked by Duan Yu's opening axe. I just saw the power of the opening sky axe again, and everyone was terrified.

To go up is to die, who doesn't want to live?

"A bunch of rubbish."

Zhou Qin got angry, stomped his feet, and then stared at Duan Yu: "Duan Yu, I am here today, you don't want to hurt Yue Feng." The

voice fell, Zhou Qin clenched the long sword, The figure was as elegant as a fright, coming straight towards Duan Yu.

Chapter 1984

Huh!

Seeing Zhou Qin come forward, Yue Feng's mood is indescribably complicated.

Yue Feng could feel that Zhou Qin's anxious and worried look just now was not faked.

But….isn't she wishing she would die right away? Why did you rush out to save yourself at a critical time?

For a time, Yue Feng's mind was in chaos, his head was big, and he couldn't understand anything.

Not

far away, Liu Xuan bit her lip and looked at Zhou Qin who rushed out, her eyes flashing strangely.

Although Zhou Qin acted insidiously and viciously, she really loved Yue Feng in her heart.

As a woman, Liu Xuan is more sensitive, and she can see at once that Zhou Qin still has feelings for Yue Feng.

"Senior sister, I'm here to help you too."

At this moment, Faye Wong shouted and went straight to Duan Yu.

The surrounding Emei sects did not hesitate at all, and immediately after, in the hall, a long skirt was flying, and Duan Yu was surrounded!

Speaking of which, Faye Wong and these Emei sects are also very afraid of Duan Yu. But there is no way, this situation must help Zhou Qin, if something happens to Zhou Qin, the Emei faction will be completely over.

"Okay, very good…"

Seeing Zhou Qin and the people from the Emei faction gather around, Duan Yu sneered, his face full of jokes: "I have heard for a long time that the Emei faction has been inherited for thousands of years and has a deep foundation, and today I will take a good look at it. I know, but Zhou Qin, if you get hurt later, don't blame me."

Om!

The voice fell, and a terrifying aura erupted from Duan Yu's body. In an instant, the surrounding air seemed to be stagnant!

Formidable strength, suppressing people panic!

"Crack!"

Immediately afterwards, Duan Yu summoned the Heaven-Opening Axe again and held it tightly.

As soon as the opening axe came out, the temperature of the entire Mount Emei suddenly increased, as if the air was about to burn.

call!

At this moment, the masters of various sects who retreated to the surrounding area broke into a cold sweat for the Emei sect.

Seriously, under the leadership of Zhou Qin over the years, the strength of the Emei faction has improved a lot, and it has become the top sect of the Earth Circle Continent

. At that time, Zhou Qin's delicate face was also full of solemnity.

Afterwards, Zhou Qin took a step forward and said coldly: "All the disciples obey the order and form a sword formation." The

voice fell, and the surrounding Faye Wong and the disciples of Emei were all urging their figures, and each figure was dazzling and dazzling. , surrounded Duan Yu in the middle.

Seeing this scene, Yue Feng's heart was shocked, his blood boiled, and he was very excited.

Could this be…is the Emei School's stunt of the town school, the Xuannv Heavenly Dance Sword Formation?

Yue Feng clearly saw that Faye Wong and the female disciples of Emei not only cooperated tacitly, but also had beautiful postures, and every step was also very subtle and mysterious.

Duan Yu was surrounded by it, and even if his strength was tyrannical, he would not be able to rush out for a while.

According to rumors, the Xuannv Tianwu Sword Formation is the town formation of the Emei School. It has been circulated for thousands of years and has been rumored for a long time in the arena, but few people have seen it.

Therefore, Yue Feng has always heard of this sword formation, but he has never seen it.

Yue Feng guessed right.

What the disciples of the Emei Sect displayed was the 'Xuannv Tianwu Sword Formation'. The Emei faction has not displayed this formation for a long time. Even more than ten years ago, when the Tianqi army attacked the geo-continent, when Donghai City was about to fall, the Emei faction had not been able to show it.

It can be said that the Xuannv Heavenly Dance Sword Formation is the ultimate move of the Emei faction, unless it is absolutely necessary, it will not be easily used.

At this time, in order to save Yue Feng, Zhou Qin couldn't care so much!

With the Xuannv Tianwu sword formation, Duan Yu was temporarily restrained. I saw that those disciples of the Emei Sect, with graceful silhouettes, the long swords in their hands shone with cold light, almost covering the sky, Duan Yu clenched the Heaven-Opening Axe tightly, bursting out with earth-shattering might, but he couldn't rush out.

Chapter 1985

Huh..

Seeing this scene, everyone around was shocked and feasted!

Zhou Qin, Faye Wong, and the female disciples of the Emei School, each one is more beautiful than the other, and their bodies are even more graceful. At this time, they were fighting with Duan Yu in mid-air. The charming posture made many men present look at them. All straight.

At the same time, these sect masters couldn't help but admire secretly.

"Lord Zhou is really amazing. He actually led the disciples of Emei and blocked Duan Yu's opening axe."

"This sword formation is so mysterious, it seems that it is the stunt of the Emei school, the mysterious girl dances the sword formation."

"Today It's really an eye-opener."

Everyone's discussion, you and I came, Yue Feng frowned, and looked at Zhou Qin in the air, and his mood became more complicated.

Sure enough, it was the Xuannv Heavenly Dance Sword Formation.

This week, in order to save himself, Zhou Qin actually used the Emei faction's town formation technique.

Why would she do this?

You want to kill yourself, so you don't want to let yourself die at Duan Yu's hands?

At this time, Duan Yu, who was surrounded, was extremely annoyed and irritable.

I thought that with my own strength, one person could easily deal with the Emei faction, but he did not expect that as soon as they fought, they would be trapped by the sword formation of the Emei faction.

The more Duan Yu thought about it, the more annoyed he became.

Of course, Duan Yu didn't dare to push the power of the Sky-Opening Axe too much, because it was daytime and the masculinity was too strong, and it was easy to be attacked.

Soon, half an hour passed. Duan Yu still had no way to break the Emei Sect's sword formation.

However, Zhou Qin used the sword formation to trap Duan Yu, but there was no way to completely defeat him. After all, the power of the Heaven-Opening Axe was too strong.

During this period, Zhou Qin used the Cui Xian Flute to disturb Duan Yu's state of mind, but what Zhou Qin didn't expect was that the power of the Open Heaven Axe actually had the effect of stabilizing the mind, and the sound of the flute could not affect Duan Yu at all.

In this case, Zhou Qin had no choice but to give up using the Cui Xiandi and put it away.

The battle is getting more and more fierce, but the stalemate cannot be stopped, and neither side can do anything about the other.

Finally, Duan Yu was a little anxious, and roared at the surrounding army: "The whole army obeys the order and sends these people from Emei to me to take them down."

"Kill!" Party crowd.

"Kill!"

At the same time, tens of thousands of troops rushed up like a tide.

At what time, on the battlefield, screams continued to sound.

With the addition of tens of thousands of Xi Cang army, the formation of the Emei faction was immediately affected, and many disciples of the Emei faction fell in a pool of blood.

Bang bang bang!

With the support of the army, Duan Yu was very excited, waving the axe to open the sky, forcing the dozens of Emei disciples back in front of him, and quickly rushed out of the sword formation.

"Haha…"

At this moment, Duan Yu was very excited and proud, and laughed at Zhou Qin: “Zhou Qin, don’t be persistent, you are not my opponent. Having said that, you don’t hate Yue Feng very much, you can’t wait Do you want to slash him with a thousand swords? I cut him every hand and foot, and I’m out of anger for you, so why stop me?”

After speaking, Duan Yu looked around and continued: “Zhou Qin, since we have formed an alliance, don’t do it. If your own people beat your own people, I advise you to stop here, if you continue to be obsessed with it, I am afraid that the Emei faction will cease to exist.”

At this time, Duan Yu was relaxed and comfortable.

The situation has been controlled by yourself, can you be unhappy?

“Duan Yu, you despicable villain.” Zhou Qin’s face flushed red, and his delicate body kept trembling: “Don’t mention the word alliance to me, it is you who violated the agreement first, from now on, we are not alliances That ‘s it!”

Duan Yu, without his consent, attacked Yue Feng.

At this time, another fake face appeared.

It is insidious and despicable!

The ultimate husband in Chinese chapter 1986-1990

Chapter 1986

Hearing this, Duan Yu was not angry at all, and said with a smile: “Zhou Qin, since you insist on doing this, don’t blame me.”

Buzz!

When the words fell, Duan Yu waved the Heaven-Opening Axe, and a terrifying golden light flickered. Immediately, several more disciples of the Emei School fell into a pool of blood.

At this moment, Duan Yu clenched the Heavenly Axe in his hand, like a god of war descending to earth, no one could stop him.

“Zhou Qin!” Duan Yu said with a playful look on his face: “Just to maintain the dignity of his martial arts alliance leader, he insisted on getting along with me, causing the blood of the Emei faction to flow into rivers, is it worth it?”

At this time, Duan Yu thought that Zhou Qin and himself Turning his face, just because he acted without her consent.

In fact, Zhou Qin didn’t want to see Yue Feng die.

“You…”

Hearing this, Zhou Qin’s face flushed, and he didn’t know how to respond. Seeing that more and more disciples of the Emei Sect were falling down, Zhou Qin was completely anxious, and said tenderly, “Duan Yu, you Don’t be complacent, with me here, you can’t do whatever you want in Emei.”

Om!

The voice fell, Zhou Qin’s toes were a little on the ground, and his figure flew up, not shooting Duan Yu, but heading towards the screen next to him.

Behind the screen, it was Su Qingyan.

Zhou Qin thought about it, since he couldn’t subdue Duan Yu, he would use Su Qingyan to blackmail him.

In the past, Zhou Qin would definitely not have done this, because Su Qingyan was Yue Feng’s woman, and it was impossible to use her to blackmail Duan Yu.

But now Su Qingyan lost her memory, and she and Duan Yu became sister and brother.

This chapter is provided by . Visit for daily update.

More importantly, during the day when Duan Yu came to the Emei School, Zhou Qin could see that Duan Yu was very disciplined and respectful to Su Qingyan. Obviously, Su Qingyan was very important to him.

Under such circumstances, Duan Yu must have panicked when he caught Su Qingyan.

wow.

In an instant, the screen was shattered by Zhou Qin’s palm, and Su Qingyan, who was hiding behind, couldn’t react at all, so the acupuncture point was sealed, and her delicate body trembled, unable to move.

Light smoke?

Seeing this scene, Yue Feng was shocked, and his eyes were fixed on Su Qingyan, both surprised and happy.

No wonder I didn't see the light smoke just now, it turned out that she was hiding behind the screen.

In this way, Duan Yu was also hiding here before.

Excited, Yue Feng felt a little uneasy when he saw Su Qingyan's acupoint sealed by Zhou Qin.

Zhou Qin, what do you want to do?

At this moment, Duan Yu also frowned and stared at Zhou Qin.

"Duan Yu!"

Zhou Qin didn't talk nonsense. After sealing Su Qingyan's acupoint, the long sword in his hand lay directly on her fair neck, and said coldly, "Stop immediately, or I will kill her."

Huh!

Seeing this scene, Yue Feng only felt that his heart jumped to his throat.

He knew that Zhou Qin's purpose in doing this was to blackmail Duan Yu. He would not do anything to Su Qingyan for the time being, but the sword had no eyes. What if Su Qingyan was injured?

For a while, Yue Feng wanted to speak loudly, but he was so injured just now that he had no strength to speak.

"Senior brother.."

At this moment, Su Qingyan's delicate face was a little flustered, and she shouted at Duan Yu.

Just halfway through shouting, Zhou Qin blocked the dumb hole.

"Zhou Qin, I've been merciful just now." Duan Yu's face turned gloomy, and he said coldly at Zhou Qin, "Don't force me."

Seriously, if it was before, Duan Yu wouldn't care about Su Qingyan. life and death.

But in this short period of time, after contacting Su Qingyan, and feeling her gentleness and kindness, Duan Yu decided to pursue her and completely gain her heart. How could Su Qingyan be allowed to be hurt?

Seeing Duan Yu's reaction, Zhou Qin knew that he had made the right bet, and chuckled lightly, "If you don't believe me, let's try." The

voice fell, and the long sword in Zhou Qin's hand tightened a little, and he saw the sharp edge of the long sword. , cut through the skin of Su Qingyan's neck, revealing a shallow bloodstain.

Nima!

Seeing this scene, Yue Feng was heartbroken and shouted at Zhou Qin: "Zhou Qin, stop…" However, the injury was too severe and her voice was hoarse and weak, and Zhou Qin could not hear it at all.

Swish!

At the same time, Duan Yu's complexion suddenly changed, and his eyes were extremely blood red.

Chapter 1987

"Zhou Qin, you are courting death." A

cold roar came from Duan Yu's mouth, and then, the air around him suddenly condensed! A terrifying force emanated from his body.

"Opening the world!"

In the next moment, Duan Yu roared, only to hear a dragon roar that shocked the world, and then, Duan Yu raised his hand and waved, and the opening axe drew a golden streamer, whistling away. out.

With the momentum of thunder, the Kaitian Axe was like a lightning bolt, and it arrived in front of Zhou Qin in the blink of an eye.

"What?"

"The divine weapon can still be used like this?"

"It's so fast, so powerful."

In an instant, many people stared blankly at this scene, only to feel that their brains were not enough, because the speed of the opening axe was too fast, they I couldn't see clearly, but I could feel the terrifying aura.

What the hell!

At this moment, Yue Feng's expression changed, and he was shocked beyond words.

The method of using this axe is really unpredictable. Can you get out of your hands and use it as a hidden weapon?

It seems that in the future, if you fight against Duan Yu again, you will have to be careful.

I have to say that Duan Yu's angle was very measured, and he saw the opening axe flying towards Zhou Qin, just avoiding Su Qingyan in front of him.

What skill is this?

Looking at the flying axe, Zhou Qin's delicate body trembled, her face paled, and she didn't have time to think about it, she hurriedly placed the long sword in front of her, trying to block it.

clang!

The opening axe and the long sword collided, and a huge shock erupted. Seeing that the long sword shattered directly, Zhou Qin groaned, and was directly sent flying by that terrifying force. It flew more than 100 meters before falling. fall to the ground.

"Sect Master!"

"Sect Master Senior Sister."

Seeing this scene, Faye Wong and many of the Emei sects changed their expressions and exclaimed. As soon as he was distracted, he was flooded by the surrounding Xicang army, subdued them one by one, and tied them up.

For a time, the entire Mount Emei was silent, and the needles could be heard.

"You…"

Zhou Qin's face was pale, and she stared at Duan Yu tightly. It was difficult to accept this fact. She thought that if she caught Su Qingyan, she could force Duan Yu to stop, but she did not expect that Duan Yu would open the axe. It flew over, so amazing and unpredictable.

At this time, Zhou Qin's beautiful face was extremely pale. He pointed at Duan Yu and said a word, but he couldn't say it.

"Zhou Qin!"

Duan Yu sneered and mocked: "I said, you are not my opponent…Pfft…"

Before he finished speaking, Duan Yu was shocked, his face suddenly pale, and he opened his mouth. A mouthful of blood came out, and the whole person instantly slumped and was extremely weak.

That's right, the move that Duan Yu just used to open the sky is a skill that he has only recently learned from the opening axe. However, this skill consumes too much internal energy. In addition, it is daytime, and Duan Yu can't control the power of the opening axe, so he is attacked again.

However, this time Duan Yu was prepared in advance, so the backlash he received was not as severe as the last time, but even so, it would take Duan Yu two days to recover.

Speaking of which, Duan Yu had other ways to prevent the cycle from hurting Su Qingyan.

But those methods were too risky, and it was easy to accidentally hurt Su Qingyan. Duan Yu had no confidence, so he could only use this trick to 'open the sky' and throw the opening axe.

However, even though he vomited blood, Duan Yu still stood proudly, with a formidable aura.

"Junior Brother."

At this moment, Su Qingyan walked over quickly, supported Duan Yu's arm, and said softly, "Are you all right?"

When she said this, Su Qingyan's delicate face was full of expressions. Worry and nervousness.

At the same time, Su Qingyan was also moved indescribably in her heart. In order to save himself, the younger brother forcibly used the power of the Heavenly Axe, and was attacked again.

This apprentice is really kind to himself. "I'm fine." Duan Yu shook his head and smiled. He leaned forward at random and looked at the scratch on Su Qingyan's neck: "I'm sorry, Senior Sister, I didn't protect you just now. Is your injury okay

?"

Duan Yu raised his hand, lifted Su Qingyan's chin, and looked further.

Swish!

In the face of Duan Yu's intimate actions, Su Qingyan's face suddenly turned red, and she said shyly: "It's just a little skin injury, it's fine. Junior brother don't have to worry."

Seriously, Su Qingyan's actions towards Duan Yu , I don't have much resistance in my heart, but it's just that so many people around look at it and feel a little embarrassed. After all, Duan Yu hooked his chin. This action was so intimate that any woman would be shy.

Chapter 1988

Seeing Su Qingyan's shy look, Duan Yu smiled and said nothing more.

call!

Seeing this scene, Yue Feng was very anxious, and his heart was full of disgust. My own woman, who is so close to other men, doesn't feel good for anyone else.

At this time, Yue Feng only felt that a piece of his heart had been dug out, and it was very uncomfortable.

The next second, Yue Feng couldn't help shouting at Su Qingyan: "Qingyan, Qingyan… You really don't remember me?" His voice was extremely hoarse, showing pain.

Hearing the shout, Su Qingyan turned her head to look at Yue Feng, frowning slightly, unable to hide her disgust: "Yue Feng, what tricks are you playing? Why should I remember you? You caused me to lose my memory before, but you still refuse to Leave me alone?"

Su Qingyan's pretty face was icy cold when she said this, without the slightest emotion.

This erotic man wanted to pay attention to himself again.

"I…"

Feeling Su Qingyan's indifference, Yue Feng felt a pain in his heart and opened his mouth, but he didn't know how to answer.

This…

At this moment, Liu Xuan, who was not far away, was also stunned, her delicate face full of doubts and confusion.

What’s going on here?

Isn’t the relationship between Su Qingyan and Yue Feng always good? But now, why are you so close to Duan Yu, yet so indifferent to Yue Feng?

At this time, Liu Xuan did not know that Su Qingyan had lost her memory and completely forgot everything she had done with Yue Feng.

Haha…

Seeing this scene, Duan Yu showed a smile, and his heart was indescribably happy and proud.

To be treated so indifferently by the woman he loves, Yue Feng’s heart must be uncomfortable.

However, Duan Yu still felt that it was not enough, and after a change of mind, he suddenly had an idea.

“Senior Sister!” In the

next second, Duan Yu took Su Qingyan’s hand with a serious expression: “Would you like to go back to Xicang Continent with me and be my queen?” To

be honest, Duan Yu wanted to cut it off on the spot. Yue Feng used one hand and one foot, and then slowly tortured.

But it was too cheap for him.

And himself, in front of Yue Feng, confessed to Su Qingyan that as long as Su Qingyan agreed, it would definitely cause a devastating blow to Yue Feng’s heart.

Whoa!

As soon as these words came out, there was an uproar in the audience. Everyone present did not expect that Duan Yu would confess to Su Qingyan in public.

Especially in the Earth Circle Continent, the masters of various sects, all of them stunned, looked at Yue Feng involuntarily, their eyes were complicated and flashed with strange light.

“I’m going to… Duan Yu’s move is too ruthless…”

“My own woman is confessed by another man. It’s my words, so I’ll just die.”

“Duan Yu is trying to kill someone . Heart, it’s amazing…” The

crowd’s comments kept coming, Yue Feng didn’t seem to hear it, his eyes were blood red, he stared at Duan Yu tightly, and roared: “Duan Yu, damn Nima, don’t fight. Qingyan’s idea, otherwise, I will smash your corpse into ten thousand pieces.”

Duan Yu ignored her at all, looked at Su Qingyan with sincerity, and waited for her response.

But Duan Yu’s heart was extremely happy and proud.

Duan Yu confessed to Su Qingyan in public, the purpose was to stimulate Yue Feng, the more angry Yue Feng was, the more happy Duan Yu felt.

call!

Under everyone’s attention, Su Qingyan’s delicate body trembled faintly, and the whole person was stupid.

Speaking of which, when he first saw Duan Yu in Wangyou Valley, Su Qingyan had a good impression of him. After that, Duan Yu was recuperating in Wangyou Valley, and Su Qingyan took care of him for three days. During those three days, Duan Yu showed a gentlemanly demeanor, which made Su Qingyan even more favorable.

In recent days, Su Qingyan and Duan Yu have experienced so much again, and they have long regarded him as the closest person in their hearts. It can be said that Duan Yu suddenly confessed that Su Qingyan was surprised, but she didn’t find it abrupt.

After all, the younger brother is so excellent, and he also has a good impression of him.

Chapter 1989

However, Su Qingyan is a girl after all, so many people around look at her, she is very embarrassed.

At the same time as the surprise, Su Qingyan was still a little hesitant in her heart.

Although the younger brother is good in all aspects, but since we have known each other for such a short time, is it too fast to agree to be his woman?

“Qingyan!”

Seeing the change in Su Qingyan’s expression, Yue Feng realized that it was not good, and couldn’t help shouting hoarsely: “Qingyan, don’t promise him, don’t, this person has many tricks and is lying to you. ..”

“Qingyan, have you really forgotten about me? I am your man, we have been together for ten years…”

“In the past ten years, we have experienced a lot, you Don’t you remember?”

“Withered vines, old trees, dim crows, small bridges and flowing water… Qing Yan, our fate started from this poem, think about it, think about it… You can definitely I remember it.”

At this time, Yue Feng was so anxious when he said this, his voice was hoarse.

Over the years, he and Su Qingyan have experienced too much. It can be said that they are each other’s entire world. If Su Qingyan agreed to be Duan Yu’s woman, Yue Feng would suffer for a lifetime.

However.

Listening to Yue Feng’s cry, Su Qingyan was still indifferent, and there was no slight fluctuation on her delicate face.

After drinking the Wangyou water, Su Qingyan completely forgot about Yue Feng, how could she remember what happened to him before?

Moreover, the more Yue Feng was like this, the more resistance and disgust Su Qingyan felt in her heart.

“Okay!”

Finally, Su Qingyan breathed a sigh of relief, looked at Duan Yu, smiled and nodded, “I promise you.”

When saying this, Su Qingyan’s face was filled with a happy smile.

The younger brother confessed to himself in front of so many people, which is enough to show how important he is in his heart, how can he bear to refuse?

Su Qingyan was originally a person who dared to love and dare to hate. At first, he was a little hesitant, but seeing that Duan Yu was waiting for him with sincerity, and Yue Feng, who was arguing constantly, he no longer hesitated.

hum.

Su Qingyan’s answer was like an invisible giant hammer, smashing into Yue Feng’s heart. In an instant, Yue Feng only felt that his whole brain was buzzing, and a heart was dug away in an instant.

At this time, Yue Feng was shaking violently, his eyes were blood red, staring at Duan Yu, wishing to kill him immediately.

Yue Feng knew in his heart that Duan Yu confessed to Qingyan in order to stimulate himself. Under such circumstances, how could he be good to Qingyan?

However, Yue Feng was so injured that he couldn't stand up, so he could only watch with heartache.

"That's great!" Seeing Su Qingyan's agreement, Duan Yu was overjoyed and smiled, "Then I will call you Concubine Ai from now on."

Hmm!

Su Qingyan bit her lip, unable to hide her shyness, and nodded lightly.

Whoa!

At this moment, the entire Mount Emei also erupted into a heated discussion.

Actually… actually agreed.

Pfft!

At this moment, Huang Hu walked out quickly, knelt on the ground, and congratulated Duan Yu: "Congratulations, Your Majesty."

Immediately, Huang Hu respectfully shouted at Su Qingyan: "My minister Huang Hu, see the Empress."

"See the Empress." The surrounding tens of thousands of Xi Cang army also knelt on the ground and shouted loudly. Loud.

Duan Yu showed a smile, raised his hand, and asked everyone to stand up.

The next second, Duan Yu tilted his head to look at Yue Feng, unable to hide his mockery, and teased: "Yue Feng, even a lecher like you is worthy of a light cigarette idea? Tell you, only I can do it. I can get her."

While speaking, Duan Yu held Su Qingyan's hand tightly, this time, Su Qingyan did not resist and let him hold her, with a happy smile on his face.

"Pfft…"

Seeing this scene, Yue Feng couldn't hold it any longer. Under the rush of fire, a mouthful of blood spurted out, and then his eyes went black, and he passed out.

Chapter 1990

“Yue Feng!”

“Husband!”

Seeing Yue Feng fainting, at this moment, Zhou Qin and Liu Xuan both changed their pretty faces, and they were so worried that they exclaimed almost at the same time.

Immediately, Liu Xuan looked at Su Qingyan anxiously and angrily, and scolded: “Su Qingyan, what’s the matter with you? You know that the person Yue Feng hates most is Duan Yu, why do you want to be with Duan Yu? Together, why do you treat Yue Feng like this? Do you know how sad he is when you do this?”

Speaking of which, Liu Xuan and Su Qingyan didn’t see much, but Liu Xuan also knew that she and Yue Feng had been together for more than ten years. It’s been years, and now seeing that Yue Feng fainted from heartache because of Su Qingyan, Liu Xuan couldn’t bear it any longer.

However, Su Qingyan didn’t even look at Liu Xuan. Yue Feng, a womanizer, and his woman, wouldn’t be a good thing.

At this time, Duan Yu looked around the audience and smiled: “Today, I not only regained the throne, but also found a gentle and kind queen, so I won’t start killing people.” After

speaking, Duan Yu waved He waved his hand: “Lock up Yue Feng and the people from the Emei faction.”

Duan Yu felt that it was not enough just to faint Yue Feng.

Duan Yu thought about it, he wanted to bring Yue Feng back to Xicang Continent, and let him watch with his own eyes, his re-enthronement as emperor, and his and Su Qingyan’s wedding.

“Yes, Your Majesty!” Huang Hu responded quickly, and then ordered the soldiers to bring Yue Feng, Zhou Qin, and Liu Xuan and everyone down.

In a blink of an eye, inside and outside the hall, there were only masters of various sects and tens of thousands of troops around.

At this time, Duan Yu’s eyes slowly swept across the faces of everyone, and sneered: “Your Alliance Leader Zhou is already a prisoner of our ranks. If any of you are dissatisfied and want to save people, you can try.”

The sound was not loud, but it spread throughout the entire Emei Mountain, with a domineering aura.

call!

At this moment, the masters of various sects looked at each other in dismay, each of them did not dare to answer, and there was deep fear in their eyes.

In this paragraph, even Yue Feng and Zhou Qin are not his opponents. Who would dare to challenge him?

Even if he is injured now, there are tens of thousands of Xi Cang troops around.

“Your Majesty!”

At this moment, Tang Qingyun took a step forward and knelt down to Duan Yu in public, with a respectful tone: “Your Majesty is a mighty hero, a hero who stands upright in the world, and the major sects in the Earth Circle, how dare you oppose Your Majesty. If Your Majesty doesn’t dislike it, I, Tang Jiabao, are willing to follow him and swear allegiance to the death.”

When he said this, Tang Qingyun’s face was full of sincerity and flattery.

Tang Qingyun was originally a scumbag, and whoever gained power would swear allegiance. Seeing that Zhou Qin was arrested, Duan Yu had taken control of the situation.

hula.

The voice fell, and other sect masters around also quickly knelt down and opened their mouths to express their attitudes.

“Your Majesty, I, Fuhutang, would like to follow…”

“And me…”

These people are not fools, they know that Duan Yu is ruthless and the situation in front of him, if he doesn’t show loyalty, he will die. Who doesn’t want to live.

“Okay, very good..”

Seeing this scene, Duan Yu was very happy and nodded: “Everyone get up, by the way, I heard that you all took Zhou Qin’s Heitian Pill, this bottle of antidote, you guys Divide it.” With

that said, Duan Yu threw a bottle of antidote, this bottle of antidote fell from Zhou Qin’s body just now when he was severely injured, and Duan Yu happened to pick it up.

call!

In an instant, everyone in Tang Qingyun’s eyes lit up, and they hurried over to take the antidote. The reason why these masters of various sects did not dare to disobey Zhou Qin’s orders before was because they had taken the Heitian Pill and now have the antidote, how could they be unhappy in their hearts?

“Thank you, Your Majesty, Long En.” After taking the antidote, everyone in Tang Qingyun was grateful.

The ultimate husband in Chinese chapter 1991-2000

Chapter 1991

“Junior Brother!”

At this time, Su Qingyan next to him smiled lightly and congratulated Duan Yu: “Congratulations, you not only regained the throne, but also hired a group of capable subordinates.”

When he said this , Su Qingyan’s face was full of tenderness, and she was happy for Duan Yu from the bottom of her heart.

Duan Yu couldn’t help laughing up to the sky, the excitement in his heart was indescribable.

What a good day today.

Not only did he capture Yue Feng and regain the throne, he also conquered the sects of the Earth Circle Continent.

More importantly, he also won a peerless beauty like Su Qingyan.

…

At this time, on the other side, in the Emei School dungeon. Duan Yu locked Yue Feng and others in the dungeon.

I don’t know how long I was in a coma, but Yue Feng slowly woke up!

hiss!

The moment he opened his eyes, Yue Feng couldn’t help gasping for air, only to feel sore all over his body. Yue Feng wanted to stand up, but found that his hands and feet were tied tightly, unable to move!

Looking around, I found myself locked in a dungeon. Not far away, Liu Xuan, Zhu Rong, Shennong, and Zhou Qin and the people from the Emei faction were all tied up with five flowers, each with a gloomy expression.

It’s over..

Seeing this scene, Yue Feng’s heart sank.

This chapter is provided by . Visit for daily update.

Duan Yu was in complete control of the situation, and it seemed that he could not escape death, but it was only Liu Xuan and Zhu Rong who were implicated, and he was really unwilling.

Yes, and light cigarettes.

At the thought of Su Qingyan's promise to be Duan Yu's queen, Yue Feng was heartbroken and at the same time extremely anxious.

"Yue Feng? You're awake."

"Husband, how are you?"

At this time, seeing Yue Feng awake, Liu Xuan and Zhou Qin were both happy and asked.

Yue Feng smiled at Liu Xuan, saying that he was fine and didn't pay much attention to Zhou Qin.

Although Zhou Qin was arrested by Duan Yu in order to save himself, the entire Emei faction was arrested, but thinking of what she had done in the past, Yue Feng didn't want to say a word to her.

Ugh!

Feeling Yue Feng's indifference, Zhou Qin secretly sighed, very disappointed.

The next second, Zhou Qin bit his lip and said softly at Yue Feng: "Yue Feng, I'm sorry, I didn't expect that the situation would develop like this. It's all because Duan Yu is too cunning."

When saying this, Zhou Qin I was very regretful, that Duan Yu was so insidious and cunning, he really shouldn't have formed an alliance with him.

It's just too late to say anything now.

Yue Feng looked indifferent and did not respond.

Zhou Qin was a little anxious, and continued: "Yue Feng, I know you blame me, but I tell you, I never thought of killing you. I drugged the people of the Ouyang family before, just to make you feel uncomfortable, and want you to stay with me. Bow your head in front of you…"

Just before he finished speaking, he was interrupted by Yue Feng.

“Enough.” Yue Feng sneered and said impatiently: “Zhou Qin, you don’t need to be hypocritical anymore, I don’t want to hear these words.”

Zhou Qin heard Yue Feng’s words, but felt a sore nose, tears running down her eyes Flowing down, the delicate body trembled. After a long time, he wiped away his tears and said seriously: “Okay, since you don’t believe me, I won’t say more, but the people of the Ouyang family have taken Heitian Pill, and they don’t have much time. The antidote tells you. If you have a chance to escape, go and save them.”

Chapter 1992

Speaking of this, Zhou Qin explained all the methods for refining the antidote of Hei Tian Pill.

To be honest, when Yue Feng knelt down to Zhou Qin in public before, Zhou Qin’s obsession disappeared immediately, and all the grievances and grievances he had once let go.

At this time, Zhou Qin just wanted to go back to the past with Yue Feng, so he did his best to remedy it.

call!

Seeing Zhou Qin’s sincere expression, not like a lie, Yue Feng frowned lightly, believing it with suspicion.

Zhou Qin, really repented?

“Brother Yue Feng!”

At this moment, Zhu Rong, who was not far away, couldn’t help shouting: “Don’t believe her words, this girl must be talking about a fake prescription.” After the

voice fell, Shen Nong also replied. “Yes, this girl has many tricks. I’m afraid that what I told you is poison. I want you to refine it and poison your family and friends to death.”

However, Liu Xuan’s eyes flickered and she hesitated. When Zhou Qin tried to save Yue Feng before, Liu Xuan knew that she still had feelings for Yue Feng, and now she told Yue Feng the prescription of the antidote, she definitely wanted to reconcile with Yue Feng, so the prescription could not be fake of.

Just in front of Shennong and Zhu Rong, Liu Xuan was too embarrassed to say these words. After all, Zhou Qin hurt the two seniors too badly, and now they are still angry.

“Two seniors.” Zhou Qin’s delicate face showed bitterness, and said to Shennong and Zhu Rong: “I know, I was wrong before, here I apologize to you, I really know I’m wrong now, I hope You can give me a chance.”

If it was before, Zhou Qin would not have apologized in front of so many people.

But in order to win Yue Feng’s forgiveness, it doesn’t matter.

Hearing Zhou Qin’s apology, Zhu Rong and Shennong both sneered.

This…

Seeing this scene, Yue Feng’s heart was also a little messy. Originally, he believed what Zhou Qin said, but when Zhu Rong said so, he was a little shaken.

However, Yue Feng still took the prescription that Zhou Qin said in his heart, word for word.

Regardless of whether the prescription is true or false, when you have a chance to escape, try it and you will know.

“Yue Feng!”

Seeing that Yue Feng remained silent, Zhou Qin was in a hurry, and what else was going on.

However, at this moment, I heard footsteps coming from outside the door. The footsteps are very soft!

Squeak –

the next second, the cell door was quietly opened with a gap, and then a figure flashed in.

Swish!

At this moment, the eyes of everyone in the cell looked over, and everyone was extremely vigilant!

Yue Feng was also nervous, thinking it was Duan Yu.

Um?

As a result, after a closer look, Yue Feng was stunned. When I saw the person who came, there was a smile on his face, but there was cunning in his eyes, it was Tang Qingyun!

Nima!

What is this scumbag?

Seeing Tang Qingyun, Yue Feng couldn't help but curse.

At the same time, Zhou Qin frowned, secretly vigilant.

During this period of time, Tang Qingyun has been working for Zhou Qin. Zhou Qin knows him very well.

Chapter 1993

Judging from his appearance, he must have betrayed himself and pledged allegiance to Duan Yu.

It's so late now, and slipping into the dungeon again, it must be all right.

"Clan Leader Zhou!"

At this time, Tang Qingyun walked over slowly and smiled at Zhou Qin: "Don't stare at me like that, I didn't help you deal with Duan Yu during the day, because Duan Yu was too strong, just go up there. Die!"

Zhou Qin said with a pretty face, angrily: "Stop talking nonsense, are you loyal to Duan Yu?"

"Hehe!"

Seeing through Zhou Qin at once, Tang Qingyun didn't panic at all, and said with a smile. : "Zhou Alliance Leader, don't say that, I just pretended to be loyal to Duan Yu. In my heart, you are the person I respect the most."

When he said this, Tang Qingyun's face was sincere, but his eyes flashed with cunning. . Tonight, Tang Qingyun secretly came to see Zhou Qin with Duan Yu on his back. The purpose was to get the Cui Xiandi on Zhou Qin's body.

In Tang Qingyun's heart, Cui Xiandi was found by Tang Jiabao and belonged to him originally, but Zhou Qin was too strong, so he had to give it to her. Now, Zhou Qin has become a prisoner, and the Hei Tian Pill on his body has also been released. , you don't have to be afraid of her anymore.

The villain…

Zhou Qin's mind is meticulous, and it can be seen at a glance that Tang Qingyun is indifferent, too lazy to talk nonsense, and sneered: "Stop talking nonsense, what do you want to do?"

Seriously, if it was before, Zhou Qin would have directly He started, but now he was seriously injured, so he had to endure his anger.

"Hehe…"

Tang Qingyun squeezed out a smile and said with a serious face: "Zhou Alliance Leader, don't be impatient, I'm actually here to save you, of course, I have one condition, you must give Cui Xiandi to you. I!"

After saying this, Tang Qingyun stared closely at Zhou Qin, waiting for her response, with excitement and anticipation flashing in his eyes.

If you own the Cui Xiandi, your strength will be greatly increased, and at that time, you will be able to carry forward the Tang Family Fort!

At the same time, Tang Qingyun also kept an eye on the movement outside and was extremely cautious. Duan Yu must not know about this matter, otherwise, Tang Jiabao would be finished.

Facing Tang Qingyun's expectant gaze, Zhou Qin's delicate face was full of frost, and her delicate body was trembling with anger.

I knew that Tang Qingyun had nothing to do, and it turned out that he wanted to get Cui Xiandi.

This villain, when he was attached to him before, was quite a licking dog. Now that he has lost his power, he shows his true colors, which is really disgusting.

Hehe…

At this time, Yue Feng, who was next to him, couldn't help but chuckle.

Tang Qingyun is really a villain, and he likes to play this kind of routine so much. Previously in the Zhongyuan Continent, when he was arrested by Zhou Qin, Tang Qingyun quietly looked for him in the middle of the night, and kept saying that he would let him go, and the exchange was to get his own Fang Tianhuaji.

But now, Zhou Qin was caught by Duan Yu, and he used this method again to get Zhou Qin's Cui Xiandi.

Nima, how can there be such a shameless villain in the rivers and lakes of the Earth Circle.

At this time, Yue Feng only hated that he hadn't discovered Tang Qingyun's despicableness a few years ago, otherwise, he would have let Tianmen destroy Tangjiabao.

It is a scourge for such people to stay in the arena.

"Leader Zhou!"

At this time, seeing Zhou Qin's unwillingness to respond, Tang Qingyun was a little anxious, and he persuaded earnestly: "You must know that your own situation is very dangerous, tomorrow morning, Duan Yu will lead the army and escort you all. Return to the Xi Cang Continent, when the time comes, you will all be dead."

"Zhou Alliance Leader, you are someone who has done great things. For a Cui Xian Flute, you lost your life, is it worth it?" As he

spoke, Tang Qingyun looked up and down. Looking at Zhou Qin, his eyes were very unscrupulous.

I have to say that Zhou Qin is so beautiful this time, even if she is so embarrassed by being tied up with five flowers, her charming temperament is still fascinating.

Speaking of which, Tang Qingyun has always admired Zhou Qin, but Zhou Qin was too strong, and Tang Qingyun didn't dare to show it before, but now, Zhou Qin has become a prisoner, and he no longer has any scruples.

Tang Qingyun thought about it, and when he got the Cui Xiandi, he must feel Zhou Qin's tenderness.

Chapter 1994

Tang Qingyun looked at Zhou Qin up and down, Zhou Qin only felt uncomfortable.

"Tang Qingyun, I'm looking around, and this seat dug out your eyes." Zhou Qin said coldly: "You Tangjiabao was originally an unpopular sect in the arena, without me, your Tangjiabao would not develop. It happened so quickly, and now, as soon as I was down, you fell into the trap. Tang Qingyun, a villain like you who tends to be flamboyant, has the nerve to appear in front of me, negotiate with me, and still want Cui Xiandi, are you worthy? You? Just a villain, get out, I don't want to see you."

Villain!

These two words, like a sharp knife, ripped apart Tang Qingyun's dignity invisibly.

At this moment, Tang Qingyun's face was ashen, his whole body trembled with anger, he stopped pretending, and sneered at Zhou Qin: "I'm a villain? Zhou Qin, how dare you

scold me? Back then, you used despicable means, Forcing all the sects to take the Black Heaven Pill, forcing everyone to respect you as the leader of the alliance, are you not despicable? Also, how many bad things have you done in the arena…”

“Just like you, you still have the face to accuse me. ?”

When he said this, Tang Qingyun’s face was full of anger! Zhou Qin, a ruthless woman, gave her face, but she humiliated herself in turn. Really shameless!

“You…”

Hearing this, Zhou Qin was furious and glared at Tang Qingyun, but didn’t know how to refute.

Because Tang Qingyun is right, since he became the leader of the martial arts alliance, he has indeed done a lot of bad things.

“Nothing to say?”

Seeing Zhou Qin’s speechlessness, Tang Qingyun was very proud and continued to mock: “Aren’t you very confident? You think that what you do is taken for granted, why don’t you refute it?”

Speaking, Tang Qingyun looked around, and finally landed on Yue Feng, and said with a gloomy smile: “Yue Feng, you are a great hero, I will tell Zhou Qin’s actions now, you come to judge, who is it? Shameless, who is the villain…” The

voice fell, and Tang Qingyun was about to tell all the bad things Zhou Qin had done.

Anyway, her face has been torn apart. Zhou Qin has humiliated herself so much, and she has to completely humiliate her.

Yue Feng looked indifferent and didn’t bother to pay attention.

Anyway, Zhou Qin knows what he has done, it doesn’t matter if he listens or not.

“Wait.”

However, at this moment, Zhou Qin’s body trembled, biting his lip, and shouting at Tang Qingyun: “Don’t say it, isn’t it the Cui Xiandi, I’ll give it to you.”

When saying this , Zhou Qin bit her lip, completely losing the strength she had just now.

To be honest, Zhou Qin is not afraid of Tang Qingyun saying what he has done, but it is different when Yue Feng is present. After all, many things are aimed at Yue Feng. Now

Zhou Qin wants to let go of his past suspicions with Yue Fengbing, how can he let him listen to this?

Of course, Zhou Qin would not really give the Cui Xiandi to Tang Qingyun, but just pretended to compromise.

“Haha…”

Tang Qingyun looked smug and looked at Zhou Qin with a smile: “It’s good to be like this earlier, but everyone will be unhappy.”

After saying that, Tang Qingyun came over, loosened Zhou Qin, and then stretched out his hand: “President Zhou, hand over the Cui Xiandi.”

“Just you, do you want to take my Cui Xiandi?”

However, at this moment, Zhou Qin did not take out the Cui Xiandi. Calling towards Tang Qingyun.

Bang!

Tang Qingyun didn’t expect that Zhou Qin would suddenly shoot, plus the distance was so close, there was no time to dodge, and he was directly hit by this palm.

Dengdengdeng…

Seriously, if Zhou Qin was at his peak, Tang Qingyun would be dead with this palm. It’s a pity that Zhou Qin was injured, and his internal strength could not be fully activated. This palm with all his strength could not cause any harm to Tang Qingyun at all. I saw Tang Qingyun retreated several steps in a row, his expression was normal, and there was nothing at all.

“Made.”

Chapter 1995

Steady the figure, Tang Qingyun was furious, staring at Zhou Qin and scolding: “The slut dares to lie to me, so shameless, okay, I’m going to take off your clothes, piece by piece , search slowly!” The

voice fell, Tang Qingyun walked towards Zhou Qin with a cold face.

“You…”

Watching Tang Qingyun approaching step by step, Zhou Qin’s delicate body trembled, and her delicate face was filled with incomparable shame and despair.

Is this God’s will?

If a villain like Tang Qingyun ripped off his clothes, he might as well just die.

“Tang Qingyun, stop!”

“You dare…” The

surrounding Emei disciples all changed their expressions and scolded them one after another.

Even Zhu Rong and Shen Nong couldn’t stand it anymore, frowned and shouted angrily.

“Bold madman, don’t mess around.”

“Stop quickly.”

The angry shouts from the crowd kept coming. Tang Qingyun didn’t panic at all, but became more and more excited.

He has been a lackey for so long under Zhou Qin, and now, he is finally going to be proud of himself.

Whoa!

Seeing that Tang Qingyun was getting closer and closer to Zhou Qin, Faye Wong, who was on the side, broke free from the rope in a hurry, rushed over, and blocked Zhou Qin.

“Tang Qingyun, you despicable and shameless villain.” Faye Wong pointed at Tang Qingyun and scolded: “The head is not mean to you, but you treat her like this, despicable and shameless, you can’t die.”

Although Faye Wong is also very insidious and cunning, she is very loyal to Zhou Qin in her heart. You must know that Faye Wong was only an ordinary disciple at the beginning. After Zhou Qin became the head, she made an exception to promote her to an elder. It can be said that without Zhou Qin, There would be no Faye Wong today. Now that Zhou Qin was humiliated, Faye Wong naturally couldn’t sit idly by.

When the voice fell, Faye Wong stretched out her hands and blocked in front of Zhou Qin.

“It’s beyond your own power.”

Tang Qingyun sneered, her inner strength exploded, she raised her hand and hit Faye Wong on the body.

Bang!

With this palm, Tang Qingyun tried his best to directly shatter Faye Wong's heart. Hearing Faye Wong groaned, the whole person flew out directly, and finally hit the stone pillar in the dungeon.

"Junior sister!"

Seeing this scene, Zhou Qin exclaimed, tears streaming down her face.

She and Faye Wong are as close as sisters. It can be said that in the entire Emei faction, Faye Wong is what Zhou Qin trusts the most. When Zhou Qin was trapped in the Northern Ying Palace, if anyone else, they would definitely take the opportunity to seize the position of headmaster, but Faye Wong is the Wholeheartedly want to rescue Zhou Qin.

At this time, seeing that Faye Wong was beaten by Tang Qingyun in order to save herself, her life and death were unknown, Zhou Qin's tears kept flowing, and she only felt that her heart was broken.

call!

Seeing this scene, Yue Feng was deeply touched in his heart.

I really didn't expect that Faye Wong is usually bitter and mean, and very annoying. At a critical time, she was even ordered not to protect Zhou Qin. It is really unexpected that she is so affectionate and righteous.

"Sect Master Zhou." At this time, Tang Qingyun had a gloomy smile and slowly leaned over: "Don't cry, we still have things to do later, you won't be pretty if you cry! You are responsible for being pretty, Let me enjoy your tenderness."

The ultimate husband in Chinese chapter 1996-2000

Chapter 1996

While talking, Tang Qingyun was about to hug Zhou Qin.

“Go away, get out of here…” Zhou Qin struggled desperately, crying non-stop, feeling extremely ashamed and angry.

Boom!

At this critical moment, the prison door was suddenly kicked open, and then, Huang Hu walked in with a grim look on his face.

Tang Qingyun was shocked and stopped quickly.

This Huang Hu is the commander of the Black Cavalry Army in Xicang Continent, Duan Yu’s people, he can’t afford to offend him!

At the same time, Tang Qingyun was also a little flustered in his heart. If it was broken, Duan Yu would not know that he had come to prison quietly, and let Huang Hu come to arrest him, right?

At this time, Huang Hu looked around and saw Faye Wong who had passed out, frowning!

The next second, Huang Hu looked at Tang Qingyun and asked coldly, “Master Tang, why are you here? What happened?”

Huh!

Seeing that Huang Hu didn’t shoot at him, but asked, Tang Qingyun secretly relieved, and then said with a smile: “Commander Huang, it’s like this, you know, these prisoners are very cunning, I can’t rest assured, come here Look.”

“Fortunately, I found it in time. Faye Wong from the Emei faction actually broke free from the rope and wanted to escape, but I was knocked out.”

Tang Qingyun did not dare to say his real purpose, but he thought about it. Very quickly, a lie was fabricated temporarily.

Nima!

Hearing this, the disciples of Emei were all angry.

This chapter is provided by . Visit for daily update.

This Tang Qingyun is really despicable, he actually reversed black and white and fabricated the facts. He clearly wanted to come for Cui Xiandi!

“So that’s the case.” Huang Hu pointed at Tang Qingyun and nodded approvingly: “Fortress Tang has worked hard, but guarding the dungeon is our duty, so don’t bother Fort Tang.” After speaking, Huang Hu made a Please gesture.

“Commander Huang is polite, then I’ll leave.” Tang Qingyun smiled and hurried out.

At this moment, Tang Qingyun had a smile on his face, and was very unwilling in his heart. Mad, such a good opportunity, just lost. I didn’t get the Cui Xiandi, and I didn’t taste the Zhou Qin!

However, Tang Qingyun was in no hurry, Zhou Qin was taken to Xicang Continent by Duan Yu, and along the way, he still had a chance.

After Tang Qingyun left, Huang Hu didn’t wait any longer and turned around and went out. Of course, Huang Hu did not forget to increase the number of soldiers and strictly guard the dungeon.

call!

At this moment, the Emei disciples breathed a sigh of relief.

Fortunately, this yellow tiger appeared in time, otherwise, Zhou Qin was afraid that Tang Qingyun would really be caught…

“Junior sister, junior sister…”

At this time, Zhou Qin hugged Faye Wong, tears flowing non-stop , Incomparably guilty: “I’m sorry, it’s the senior sister who has troubled you, it’s all the senior sister’s bad…”

Zhou Qin felt that Faye Wong’s heart was shattered, and she was so angry that she could die at any time.

At this time, Zhou Qin, under the pain, felt extremely self-blame in her heart.

If it wasn’t for Yue Feng’s love and hatred, and insisting on dealing with him, he wouldn’t have done so many bad things. Now that his retribution has come, not only did he harm the entire Emei faction, but he almost killed his junior sister.

I am a disaster star, a scourge….

Alas!

Listening to Zhou Qin’s cry, Yue Feng could feel the grief in Zhou Qin’s heart. For a time, Yue Feng’s heart was full of unpleasantness.

Seeing this, Zhou Qin really knew that he was wrong.

However, she has done so many bad things. First, she killed Brother Wen's ex-wife, then the head of the Huashan faction, framed herself, and then eradicated the Jianghu forces related to her… All of this, It's impossible to save her, can you forgive her?

Early the next morning, Yue Feng and Zhou Qin were taken out of the cell by soldiers and put into a prison cart.

Tens of thousands of Xi Cang army also assembled in the square in front of the main hall, ready to go.

At this moment, Duan Yu was standing at the entrance of the main hall with a smile on his face, refreshed and refreshed. Although he was attacked by the Kaitian Axe, his internal strength had not completely recovered, but it did not affect Duan Yu's mood at this time. Duan Yu looked at Su Qingyan next to him, and only felt that the beauty in his heart was not good.

Haha…

Jiangshan and beauty, both, what could be more gratifying than this?

Chapter 1997

Next to Duan Yu, Su Qingyan stood there quietly, dressed in a long white dress, graceful and charming, full of fairy spirit.

call!

In the prison car not far away, Yue Feng felt very uncomfortable when he saw this scene.

In the past ten years, I have experienced so much with Qingyan, and every one of them is unforgettable. Does Qingyan really remember nothing at all?

To be honest, if Su Qingyan lost her memory and was with others, Yue Feng wouldn't be so uncomfortable, but she promised to be Duan Yu's woman, and anyone else would have a mental breakdown.

"Your Majesty!"

At this time, Huang Hu strode out of the army and respectfully said to Duan Yu: "When the army is assembled, please order to set off."

"Okay, okay!"

Duan Yu smiled and raised his hand. Hui: "The whole army obeys the order and immediately return to the Xicang Continent."

“Report!”

As soon as the voice fell, a soldier quickly ran up from the mountain, sweating profusely: “Report to Your Majesty, a large army suddenly came down the mountain. , surrounded the entire Mount Emei.”

What?

In an instant, there was an uproar in the audience.

Not only Duan Yu, Yue Feng in the prison car, and Zhou Qin were all stunned.

What’s the situation? Where did the army come from?

At this time, Duan Yu reacted and said lightly: “The entire army is ready to stand, don’t panic.” With that, Duan Yu strode over and looked down the mountain.

Su Qingyan quickly followed.

hiss..

As a result, Duan Yu was shocked all over, he couldn’t help taking a breath, and the whole person was stunned for a moment!

This…

At this moment, Duan Yu’s mouth opened wide, his face full of disbelief!

Duan Yu could clearly see that on the stone steps down the mountain, there was indeed a large army coming in a mighty manner. Through the rising sun, he could see that this army was wearing uniform armor and holding a long knife, with awe-inspiring momentum!

At the front of the army, the soldiers carried a large flag, more than ten meters high, with the word ‘Apocalypse’ written on it.

Obviously, this is the army of the apocalypse.

Holy crap..

How did the Apocalypse army suddenly come to the Earth Circle Continent?

Su Qingyan next to her also trembled faintly. She could feel that every soldier in the army that descended from the mountain was not low in strength, and was obviously the elite of the Tianqi Continent.

Moreover, with so many people, I am afraid there are hundreds of thousands of soldiers, right? ! Looking from a distance, I can see a piece of darkness, all people! The sword in the soldier's hand, under the moonlight, released a cold light! Shocking!

"Your Majesty… what should we do? Is this Apocalypse army coming to beat us?" Su Qingyan was a little anxious and said to Duan Yu.

call!

Duan Yu took a deep breath and comforted: "Concubine Ai is not afraid, I will ask about the situation later."

When he said this, Duan Yu looked calm and did not panic at all.

Whoa! Whoa! Whoa!

Finally, the army of hundreds of thousands of Tianqi finally arrived at the square on the top of Emei Mountain.

The leader was a young man, dressed in purple and gold armor, with extraordinary heroism, it was Yue Wuya. Although he was young, Yue Wuya had a heart-pounding royal majesty on his body.

Yue Wuya's left and right are Han Bing and Xing Yao.

At this time, Han Bing, dressed in a long yellow dress, was extremely beautiful and moving.

Xing Yao is dressed in golden armor, which perfectly outlines her delicate and sexy figure.

Chapter 1998 The

reason why Yue Wuya led the army to the Emei faction was because a few days ago, Zhou Qin set a trap and locked Yue Wuya and Han Bing in the back mountain cave of the Emei faction. At that time, Han Bing was drugged. In order to keep Han Bing's innocence, Yue Wuya scratched himself with a dagger to stay awake, so he didn't have anything to do with Bing Bing.

After that, Yue Wuya learned that Han Bing was his half-sister, and he was instantly furious.

After returning to the Apocalypse Continent, Yue Wuya recuperated from his injuries, and immediately led the army to clear the Emei faction. Zhou Qin almost made a big mistake, how could she let her go?

Ya’er?

At this moment, when he saw Yue Wuya and Yue Feng in the prison car, he was shocked, surprised and delighted.

Immediately, Yue Feng looked at Xing Yao next to him, feeling a little excited.

Did Ya Er know that he was caught, and specially led the army to come to the rescue?

After all, it is your own child, and you have filial piety.

At this time, Yue Feng didn’t know that Yue Wuya led the army to come from the Emei Sect. He didn’t even know that he was trapped here. Moreover, even if he knew, Yue Wuya would not save him. In his heart, he never recognized Yue Feng as his father.

Swish!

Zhou Qin’s delicate body trembled, and her delicate face was very flustered.

It’s broken, Yue Wuya led the army to come, and he must have come to settle accounts with himself!

At the same time, Zhou Qin couldn’t help but glance at Yue Feng, biting his lip, becoming more and more uneasy.

If Yue Feng knew that he had framed his son and daughter, would he hate himself even more?

Um?

At this time, seeing the scene in front of him, Yue Wuya was also stunned.

what’s the situation?

Yue Wuya saw that on the square, tens of thousands of Xicang troops were waiting, while Zhou Qin and the people from the Emei faction were all locked in the prison cart.

Not only that, but the prisoner in the front car seemed to be his biological father, Yue Feng.

As soon as he saw Yue Feng, endless resentment arose in Yue Wuya’s heart. He and his mother had been living in the Tianqi Continent for so many years. , it’s his own business, not his own.

For a time, the two armies faced each other in the square, and the atmosphere of the entire Mount Emei seemed extremely solemn.

call!

At this moment, Duan Yu looked at Yue Wuya secretly, unable to hide the shock in his heart.

This young man is not very old, but he is very imposing. It is not simple.

Thinking to himself, Duan Yu gestured to Huang Hu.

He is the emperor, how could he come up and ask in person?

Swish!

Getting the signal, Huang Hu strode out and shouted at Yue Wuya's crowd: "Who is coming?"

As soon as the voice fell, Xing Yao came out and said coldly: "This is our Royal Highness of the Apocalypse Continent, today we are Come here, to clear the Emei faction, what are you doing here in Xicang army?"

As the first female god of war in Tianqi Continent, Xing Yao once led an army to fight against Xicang Continent, and also played against Duan Yu, so she could recognize each other naturally. identity of.

When saying this, Xing Yao couldn't help but glance at Yue Feng in the prison car.

When did Yue Feng have a grudge with Xi Cang Continent, and made him so embarrassed?

Immediately, seeing Su Qingyan next to Duan Yu, Xing Yao was even more puzzled.

Chapter 1999

That seems to be Su Qingyan. Isn't she Yue Feng's woman? How are you with Duan Yu? And, it looks like the relationship is very good….

Phew!

At this time, when he heard Xing Yao's words, Huang Hu exhaled and his expression relaxed.

It turned out that they also came to clear the Emei faction. Thinking to himself, Huang Hu smiled slightly, pointed at Zhou Qin and the people of the Emei faction and said, "So you are also here to clean up the Emei faction. Coincidentally, Zhou Qin has offended our majesty and has already been arrested by us. Take it back to Xicang Continent for disposal."

“Interesting…” At this moment, Yue Wuya showed a smile. Zhou Qin has really done a lot of evil this time, and he has also provoked the emperor of Xi Cang Continent.

“Commander Xing Yao!”

At this moment, Duan Yu looked at Xing Yao with a smile and said, “I haven’t seen you for many years, but you are still the same, and you are so handsome. Since everyone is fighting against Emei, they are allies. Now everyone in the Emei faction has already Being caught by Zhen will save you a lot of trouble.”

After speaking, Duan Yu looked at Yue Wuya and smiled, “The prince looks young, but he has an extraordinary temperament, and he will be an emperor in the future. If you are a Mingjun of the Tianqi Continent, if you are in the Xicang Continent, I must treat you well, but now I am in a hurry to go back, so please ask the prince to leave the army and let me go down the mountain.” The

words were generous and decent, without losing the emperor. majesty.

To be honest, if it were normal, Duan Yu would not be so polite, but because of the backlash from the Kaitian Axe, Duan Yu’s internal strength has not fully recovered, so he has to be more polite.

After all, Yue Wuya led an army of hundreds of thousands of Tianqi, which should not be underestimated.

call!

Hearing this, Yue Wuya smiled at Duan Yu and said, “Thank you, Your Majesty Xi Cang, for your appreciation. If there is a chance in the future, this prince will definitely go to Xi Cang Continent to meet His Majesty.”

Saying that, Yue Wuya waved at the hundreds of thousands of Tianqi army behind him: “Get out of the way, let them go.”

Om!

At this moment, Yue Feng, who was in the prison car, trembled in his heart, which was indescribably complicated and painful.

Ya’er… He doesn’t even care about himself, it seems that he still refuses to forgive himself in his heart. I thought that Yue Wuya would lead the army and would rescue him, but he never thought that his biological father, Ya’er would not even look at him.

At this time, Yue Feng was in a very depressed mood, but he did not blame Yue Wuya. After all, over the years, he owed them too much to their mother and son.

At this time, the Apocalypse army moved slowly and made way.

“Wait.”

At this moment, Xing Yao couldn’t help but let out a coquettish cry, and then looked at Yue Wuya anxiously: “His Royal Highness, don’t let them go like this, Zhou Qin and Emei. Pai is to blame, but Yue Feng is still locked in the prison car, how can you say that he is also your biological father.”

When he said this, Xing Yao’s eyes were full of urgency.

If it were ten years ago, Xing Yao would never have cared about Yue Feng’s life or death, but after learning about Yue Feng’s personality over the years, Xing Yao already regarded him as a friend in his heart.

Now that she sees Yue Wuya and doesn’t care about Yue Feng, Xing Yao is very anxious.

What?

At this moment, Han Bing, who had been silent next to him, trembled, and looked at Yue Feng in the prison car, and the whole person was stunned.

This… this person is Yue Feng? Your own biological father?

At this time, the ice is very shocking, and at the same time, it is extremely exciting.

A few days ago, I learned that Yue Wuya was my half-brother. It was difficult for Han Bing to adapt to it at first, but I gradually accepted this fact.

To be honest, when Han Ao Ran was forced to leave Emei by Zhou Qin, Han Bing knew that his father was Yue Feng, but all these years, he wandered around with Han Ao Ran and never had the chance to see Yue Feng.

It can be said that today is the first time that Han Bing has seen Yue Feng. It can be seen that he is locked in the prison car. In addition to the joy, Han Bing’s mood is a bit complicated.

“Aunt Xing Yao.” At this time, Yue Wuya’s face was gloomy, and he said to Xing Yao, “I don’t want to save Yue Feng. In my heart, there is only one father, and that is King Guangping.”

Yue Wuya has always called Aunt Xing Yao respectfully . . He respects Xing Yao very much. But Yue Wuya hated Yue Feng in his heart! Even if Aunt Xing Yao spoke up, Yue Wuya didn’t want to save Yue Feng!

Chapter 2000

Yue Wuya sneered: “Aunt Xingyao, why should I care about the life and death of a ruthless person like Yue Feng?”

Thinking of so many years, Yue Feng didn’t care about himself and his mother, Yue Feng didn’t care. The anger in Wu Ya’s heart was rising.

“Brother!”

At this moment, Han Bing couldn’t help but said, “Yue Feng is our father after all. If you don’t save him, you will be laughed at by the world.”

Seriously, Han Bing has never seen him before. Guo Yue Feng didn’t have many feelings, but she was her daughter’s family after all, and she had a kind heart. It was really unbearable to see Yue Feng being detained in a prison car, so miserable.

Yue Wuya shook his head with a determined face and said, “Sister, I know you are kind-hearted, but someone like Yue Feng is not worth saving at all, you forget that it was because of him that your mother and daughter were forced to leave Emei. Living a life without a fixed place, why do you still have to pity him?”

“Okay!”

Han Bing was in a hurry and stomped his feet: “If you don’t save me, I will!”

Om!

The voice fell, and Han Bing’s toes were a little on the ground, and it flew up and came straight to the direction of the prison car.

“Father, I’m here to save you.” At this moment, Han Bing shouted at Yue Feng with a firm attitude.

Han Bing knew that her father was the sect master of Tianmen. In the rivers and lakes, he helped the weak and hoeed the strong and upheld justice. He was a hero who stood up to the sky. As her daughter, if she saw death, would she still be a human being?

father?

Seeing Han Bing flying over and calling his father, Yue Feng was stunned.

what’s going on?

This little girl, I don’t seem to have seen it myself.

“Yue Feng!”

At this time, Zhou Qin, who was in the prison car next to him, bit his lip and said softly, “Her name is Han Bing, the daughter Han Aoran gave birth to you, don’t you know?”

What?

Hearing this, Yue Feng was shocked, his eyes were fixed on the ice, and his heart was both joyful and ashamed.

Han proudly gave birth to a daughter? Are all this big?

But he never knew that this father was a failure.

“Sister, don’t…”

Yue Wuya was taken aback, and hurriedly spoke to stop it, but he was still a step too late, and saw that Han Bing Pian was astonished, and had already rushed into the Xi Cang army.

Swish!

Seeing this scene, Duan Yu’s face changed, and he was very annoyed, and roared: “Stop her!”

At the same time, Duan Yu’s eyes locked on the ice.

This girl, just called Yue Feng Dad?

Since she is Yue Feng’s daughter, she must not let it go.

hula.

When the voice fell, Huang Hu shouted: “Quick, take her down.” Immediately, he stimulated his inner strength and greeted Han Bing directly.

Whoosh whoosh!

At the same time, hundreds of Xi Cang army also urged their figures to surround the ice.

Han Bing did not panic at all, waved the long sword in his hand, and fought fiercely with Huang Hu and everyone, only to see her agile figure, like a butterfly, flying up and down.

Since cultivating the Inextinguishable Scripture, Han Bing’s strength has greatly increased, and he has no fear in the face of the Xi Cang army in front of him.

However, there were too many people in Xi Cang's army. At first, Han Bing was able to handle it with ease, but gradually he became a little weaker.

"The whole army obeys the order, kill! Kill the entire Xi Cang army! Save Bing'er!" Seeing this scene, Yue Wuya couldn't think more, shouted, and rushed forward.

To be honest, he didn't want to fight with the Xi Cang army, let alone save Yue Feng, but he loved Han Bing very much. Now that Han Bing was trapped in the enemy's army, Yue Wuya couldn't help it.

"Kill!" The

voice fell, and the army of hundreds of thousands of Tianqi rushed towards the army of Xi Cang like a tide.

"All the soldiers obey the order, attack the Tianqi army with all their strength, and kill me!" Duan Yu almost roared out, holding the opening axe tightly, and directly rushed into the Tianqi army!

Chapter 2001

At the same time, Duan Yu did not forget to tell Su Qingyan: “Concubine Ai, you hide away first, don’t panic.”

In an instant, the Xi Cang army and the Tianqi army were fighting together, and the battle was fierce.

“Ah…” A howling sounded continuously, and people kept falling down. The entire Mount Emei was almost stained red with blood.

Bang bang bang!

At this moment, Yue Wuya held the Overlord’s Hammer tightly, his whole body was full of fighting spirit, and the soldiers of Xi Cang who stood in front of him were all blown away, extremely powerful!

After becoming the prince of Apocalypse Continent, Yue Wuya took a lot of treasures from heaven and earth, and his strength increased a lot.

Swish.

Seeing Xi Cang’s soldiers keep falling down, Duan Yu was furious and his eyes locked on Yue Wuya.

This kid is young, but powerful.

“Death to me.” A cold roar came out of Duan Yu’s mouth, and then, with the internal force, a dazzling golden light burst out from the opening axe and went straight to Yue Wuya!

Duan Yu once led the Xi Cang army to fight everywhere. He knew the principle of capturing the thief first and capturing the king. Seeing that Yue Wuya was so heroic, he decided to take him down first.

As long as Yue Wuya is restrained, there is no need to worry about the hundreds of thousands of Tianqi army.

hiss!

Seeing Duan Yu burst out, and feeling the terrifying aura, Yue Wuya’s expression changed, and he couldn’t help gasping for air.

Is this the divine axe? What a powerful force!

This chapter is provided by . Visit for daily update.

Immediately, Yue Wuya didn't have time to think about it, hurriedly mobilized his inner strength and prepared to resist!

"Ya'er."

Seeing this scene, Yue Feng in the prison car was also nervous, and couldn't help shouting loudly: "Be careful, this person has a peerless magic weapon in his hand, an axe to open the sky, don't touch him hard."

Duan Yu's The power of Kaitian Axe is too great, I'm afraid Ya'er can't stop it.

However, Yue Feng's shouting reminded him that Yue Wuya was not moved at all, but indescribably disgusted, and said coldly: "Yue Feng, shut up, don't call me Ya'er, let alone your concern, in my heart , there has never been a father like you."

Those words, like an invisible sledgehammer, slammed into Yue Feng's heart.

Ugh!

Yue Feng only felt extremely uncomfortable in his heart, and sighed secretly at the same time.

Ya Er hates herself so much, it seems that she has to make up for it more in the future.

Um?

Hearing the conversation between the two, Duan Yu was stunned for a moment, looking at Yue Wuya in astonishment, his heart full of surprise.

Isn't this kid the prince of Apocalypse Continent? How can Yue Feng be his father?

At this moment, Duan Yu's eyes were extremely blood red, his eyes were like poisonous snakes, and he locked Yue Wuya tightly, flashing a strong killing intent.

Speaking of which, Duan Yu didn't want to be so stiff with the Apocalypse Continent. He thought that it would be enough to subdue Yue Wuya. After all, this kid is the prince of Apocalypse Continent, and his identity is unusual.

The so-called eradication of grass and roots means that he and Yue Feng are already endless. Since Yue Wuya is Yue Feng's son, Duan Yu has no need to show mercy.

The power of the axe's explosion made people panic.

"His Royal Highness, I'm here to help you!"

At this moment, Xing Yao's delicate body was shocked, she pulled out her Tang saber, and flew up to help Yue Wuya deal with Duan Yu.

At this moment, Yue Wuya and Xing Yao burst out with all their strength, and that piece of sky was about to be torn apart.

Yue Wuya has the Overlord's Hammer and is very powerful.

Xing Yao is a world-famous goddess of war.

At this moment, Yue Wuya and Xing Yao joined forces, and a terrifying force instantly condensed in mid-air, forming a huge energy ball that directly greeted Duan Yu!

call!

Seeing this scene, everyone below suddenly raised their hearts.

Duan Yu's expression changed greatly.

This Xing Yao and Yue Wuya joined forces, how could such a terrifying power erupt?

Chapter 2002

"Boom!"

The energy balls released by Xing Yao and Yue Wuya slammed into the sky-opening axe, making a loud noise.

Duan Yu's face was instantly pale, a mouthful of blood spurted out, and the whole person was smashed and flew out. Originally, Duan Yu had not fully recovered his internal strength due to the backlash. At this time, facing the cooperation of Yue Wuya and Xing Yao, he naturally couldn't resist.

"Your Majesty."

Seeing this scene, Su Qingyan's body trembled, and she couldn't help but let out a coquettish cry, her delicate face was full of worry and concern.

At this time, Su Qingyan wanted to rush over to help Duan Yu.

However, since Yue Wuya and Xing Yao joined forces, the aura that erupted was too terrifying, and there were still many Tianqi troops in front of him, so Su Qingyan couldn't rush past.

hum!

At this moment, Yue Wuya waved the Overlord Hammer and blasted directly at Duan Yu.

Duan Yu hurriedly raised the Heaven-Opening Axe to resist, but the internal force was too much, it was already the end of the force, only to hear a dull sound, Duan Yu let out a howl, and was hit hard again.

This time, Duan Yu didn't dare to fight again, and desperately swung the axe to open the sky. These few strokes, Duan Yu used all his strength. The internal power was completely consumed, and the power that erupted was extremely terrifying, and the surrounding air was suddenly torn apart.

Feeling the terrifying power, Yue Wuya and Xing Yao's expressions changed and they hurriedly avoided.

Duan Yu took this opportunity, turned around, and quickly fled down the mountain.

To be honest, Duan Yu didn't want to run so embarrassed, but there was no way, this Yue Wuya was Yue Feng's son, if he fell into his hands, how could he have a chance to survive?

In the blink of an eye, Duan Yu disappeared from everyone's sight.

"His Majesty…."

At this moment, Su Qingyan's delicate body trembled, and she couldn't help shouting, but Duan Yu had already escaped without a trace.

How could this be?

He kept saying that he would take care of himself for the rest of his life, but now he was in danger, but left himself and ran away?

It turned out that he was lying to himself.

At this time, Su Qingyan was very disappointed when she saw Duan Yu's escape direction.

Duan Yu fled, and the Xi Cang army was headless, and suddenly became a mess, and was soon subdued.

wow.

At this moment, Han Bing rushed over, slashed the prisoner wagon with a sword, and released Yue Feng.

“Your name is Han Bing, where’s your mother?” Yue Feng rubbed his sore arm and looked at Han Bing with eagerness in his eyes.

This woman, Han Aoran, is too strong and stubborn. Her daughter is so old that she doesn’t want to let herself know.

“Mother is in Apocalypse Continent, she is fine, father don’t have to worry.” Han Bing bit her lip and responded gently.

Um! Yue Feng

nodded, very excited, and smiled at Han Bing: “I know, don’t worry, when Dad is free, he will pick up your mother immediately, and we will have a good reunion.” Han Bing

beckoned: “Come on, let Daddy see you.”

He saw that Han Bing and Han Ao Ran were too similar. They were slim and graceful, especially their extraordinary temperament. In the future, they would definitely be a generation of goddesses on the rivers and lakes.

Han Bing responded, but after taking two steps, she stopped. Although she and Yue Feng were connected by blood, it must be the first time they met, and she felt somewhat restrained.

However, Yue Feng didn’t care about this, and the excitement in his heart was almost indescribable.

Haha…

I have both sons and daughters, my son is extraordinary and powerful, and my daughter is beautiful and moving. It is a happy life.

“Y’er.”

At this time, Yue Feng looked at Yue Wuya and said with relief, “Thank you.” To

be honest, it was fortunate that Ya’er came in time, otherwise, he and the people from the Emei faction would all be dead.

“Don’t get too close to me.” Yue Wuya’s face was cold, without the slightest emotional fluctuation, and said coldly: “I ordered an attack just now, but I was afraid that something would happen to my sister, but I didn’t want to save you. Therefore, you don’t need to thank me. “

Yue Wuya is right, if it wasn't for Han Bing being in danger, he wouldn't have fought against Duan Yu, after all, Yue Wuya was only worried about Bing, but he wouldn't care about Yue Feng's safety. .

Uh…

Hearing this, Yue Feng smiled bitterly, extremely embarrassed.

The ice next to him wanted to persuade him, but he didn't know where to start.

"Zhou Qin!"

At this time, Yue Wuya's eyes were directly locked on Zhou Qin, and he said coldly: "Our account, it

's time to settle it." When he said this, Yue Wuya couldn't hide the anger in his heart. .

Chapter 2003

This Zhou Qin, drugged Han Bing and wanted to be defiled by others, so insidious and despicable that even killing her would not relieve her hatred.

Feeling Yue Wuya's anger, Zhou Qin's delicate body trembled, and she was nervous.

call!

In the next second, Zhou Qin took a deep breath, chuckled, and sighed: "His Royal Highness, I was too obsessive and did a lot of wrong things before, I'm really sorry for you and Junior Sister Hanbing, do what you want to do with it. "

After the events of the past two days, Zhou Qin knew that he had sinned deeply, and at this moment only thought of atonement.

Zhou Qin has thought about it, no matter how Yue Wuya punishes, he will not refuse, just ask Yue Feng to see and forgive himself completely.

Um? Feeling Zhou Qin's sincerity, Yue Wuya

frowned, then sneered and mocked: "It's so straightforward to admit mistakes, Zhou Qin, isn't this your style?"

Bing: "Sister, what do you think to do with her?"

This…. Han Bing

bit her lip lightly, thought about it, and said, "Brother, let's call the shots."

Thinking that she had been drugged by Zhou Qin, she was almost tainted by others. , Han Bing could not wait to kill her, but seeing Zhou Qin's miserable appearance, Han Bing couldn't be ruthless.

More importantly, Han Bing knew that Yue Wuya would not spare Zhou Qin lightly, so let his brother make the decision.

Yue Wuya nodded, then raised his hand: "Come here, drag Zhou Qin out and behead him directly." The tone was so clear that there was no doubt.

Whoops!

The words fell, and several soldiers came over and dragged Zhou Qin out of the prison cart.

Zhou Qin's delicate body trembled faintly, and her delicate face was extremely pale.

Is this your life?

However, I have done so many bad things, and I can't blame anyone for this ending.

Thinking to herself, Zhou Qin couldn't help but glance at Yue Feng, her eyes full of reluctance.

After he died, he was never seen again.

After completely repenting, Zhou Qin was not afraid of death, and the only thing she was reluctant to give up was Yue Feng.

call!

Zhou Qin's eyes touched Yue Feng's heart.

Yue Feng felt that Zhou Qin had always had feelings for herself, and at this moment, she fully understood that everything she had done before was to hate herself because of love.

Alas, this woman…

"Sect Master!"

"Don't…"

At this moment, the disciples of the Emei School next to them were all shocked and tried to stop them, but they were all trapped in the prison cart. Totally powerless.

Yue Wuya just pretended he didn't hear the shouts of the people of the Emei faction, his face was extremely cold, and he shouted: "Prepare to execute!"

Shuh.

As soon as the words fell, a soldier raised a long knife and aimed it at Zhou Qin's neck.

Yue Feng, I am sorry for you in this life. If I meet you in the next life, I will definitely not be so willful.

With that in mind, Zhou Qin slowly closed her eyes.

At this moment, the soldier clenched his long sword and was about to cut it off.

"stop!"

However, at this time, Yue Feng finally couldn't bear it anymore, shouted, and said to Yue Wuya: "Ya'er, even though Zhou Qin is extremely abhorrent, these two days, she also got the end she deserved. If you don't solve the hatred, then you will abolish her skills and spare her life."

Seriously, Zhou Qin did so many bad things, and even killed Wen Wan's sister-in-law, Yue Feng never thought that he would help her say.

But at that moment, Zhou Qin's reluctant eyes made Yue Feng realize that this woman's nature is not bad, but she was too heartless for her at the beginning, which caused her temperament to change greatly, and she went further and further down the evil road.

Now, Zhou Qin has admitted her mistake, and Yue Feng believes that she can definitely make a change. Abolish her dantian inner strength and let her be an ordinary person all her life.

More importantly, Ya'er was still young, and his murderous intention was too heavy, which would affect his future cultivation.

call!

At this moment, Zhou Qin's delicate body trembled faintly, and her heart warmed.

Yue Feng…. He spoke for himself.

He was reluctant to die.

Thinking about it, Zhou Qin was overjoyed, and tears were streaming down her face.

Chapter 2004

“Yue Feng, shut up!” Yue Wuya shouted, glaring at Yue Feng, and said word by word: “I’ll say one more word, don’t call me Ya’er, and there’s no reason for you to speak here. Son.”

He himself had resentment towards Yue Feng, and at this time, when he saw Yue Feng helping Zhou Qin, he was even more angry.

“Okay, okay.” Yue Feng felt a pain in his heart, and said bitterly: “His Royal Highness, Zhou Qin’s sin will not kill you, please think twice.”

It’s okay if his own son doesn’t recognize him, and he makes him look like an enemy. Who is it? , I feel bad.

Yue Wuya had a cold face and did not respond.

“Brother!”

At this moment, Han Bing came over, took Yue Wuya’s arm, and said softly, “This Zhou Qin is indeed abominable, but the crime is not worth death, or else, listen to your father, it will be abolished. Her skill is used as a punishment, so that she will not be able to do anything wrong in the future…”

In Han Bing’s heart, it doesn’t matter what you do with Zhou Qin, but she just doesn’t want to see that her father and brother are too stiff.

Just before he finished speaking, he was interrupted by Yue Wuya.

“Bing’er.” Yue Wuya was so excited that he almost roared out: “It’s fine for Yue Feng to help Zhou Qin, why do you have to plead for Zhou Qin? Have you forgotten what Zhou Qin did to us? ? For a woman like her, it would not be a pity to die 10,000 times.”

“I…”

Han Bing bit her lip, unable to speak. At this time, Yue Wuya

looked closely at Yue Feng and said with a sneer, “You don’t want her to die, right? I’m not as good as you want. I insist on her dying.”

Come on, don’t ask.

And Zhou Qin is so hateful, but he is desperate to stand up for it.

Why? Could it be that a good mother should be bullied by him and waste more than ten years of youth for him?

The more Yue Wuya thought about it, the more angry he roared: “Someone, dig a hole for me and bury Zhou Qin!” To

be honest, Yue Wuya wanted to kill Zhou Qin simply, but Yue Feng came forward to stop it. , which completely inspired the resentment in his heart.

What?

When the words came out, the audience was shocked.

Yue Feng was shocked and stared at Yue Wuya, shocked and angry.

Why is this child getting more and more excessive?

Killing Zhou Qin directly, but still not letting go of his hatred, must he be buried alive?

“Brother…”

“His Royal Highness!”

At the same time, Han Bing and Xing Yao’s expressions also changed drastically, and they spoke at the same time, ready to dissuade.

Killing Zhou Qin directly is nothing, but burying her alive would be too cruel. However, Yue Wuya couldn’t listen at all, his face was gloomy, his eyes flashed resolutely, and he looked around the audience: “Execute immediately, whoever dares

to disobey, kill it.” Go ahead and dig a big hole out. “You…” Yue Feng was so angry that he was speechless, his eyes darkened and he almost fainted. It’s too self-willed and reckless. At this time, Yue Feng regretted that he hadn’t found their mother and son earlier. If he had taught Ya’er since he was a child, he would not have acted so extreme.

Zhou Qin was trembling all over, completely desperate.

I thought that Yue Feng could save his life by speaking for him, but he never expected that in exchange, it was Yue Wuya’s more perverted execution.

Soon, Zhou Qin was thrown into the pit. Under the supervision of Yue Wuya, the surrounding soldiers quickly filled the pit. In the blink of an eye, Zhou Qin was buried alive.

“Sect Master!”

“No, no…”

Seeing this scene, the disciples of the Emei Sect in the prison car were all grief-stricken and burst into tears.

Yue Feng clenched his fists tightly, his eyes were extremely blood red, and his heart was as uncomfortable as a knife cut. He wanted to rush over, but there was nothing he could do.

It was his own son who buried Zhou Qin alive, what can be done?

At this time, Yue Feng, in addition to being shocked and angry, was also very disappointed in his heart.

To be honest, Yue Feng had long expected that Zhou Qin's actions would not have good results, but he never thought that Zhou Qin would die at the hands of his son in the end. Moreover, in such a cruel form, buried alive!

Rumble.

Chapter 2005

At this time, Tiangong is not beautiful. It was originally a sunny weather, but suddenly there were lightning and thunder, and it rained heavily, just like Yue Feng's mood at this time.

A few minutes later, the soldiers pushed Zhou Qin down the pit and sealed the soil.

However, Yue Wuya did not stop there, and coldly commanded: "Keep the land, and within an hour, Zhou Qin does not escape, and then evacuate."

Although Zhou Qin was buried alive, Yue Wuya's anger was unquenchable, and he must Make sure that Zhou Qin has no chance of surviving before giving up.

"Yes, His Royal Highness!" Numerous soldiers responded quickly, then formed a circle around the seal and quietly guarded.

What?

Seeing this scene, Yue Feng was shocked and wanted to cry without tears.

Ya'er is too ruthless, she has to be sure that Zhou Qin is dead before giving up…

Yue Wuya stopped talking nonsense, turned and walked into the hall, sat on the throne, and waited quietly. He didn't even look at Yue Feng, who was exposed to the heavy rain, and the people from the Emei faction.

Xing Yao and Han Bing followed into the hall with extremely complicated expressions.

At this moment, Han Bing wanted to beg for mercy, and brought Yue Feng into the main hall to avoid the rain. After all, his father was injured. If he caught cold again, wouldn't it be worse? However, seeing Yue Wuya's indifferent expression, Han Bing could not muster the courage to speak.

Crash…

Outside the main hall, the cold rain slapped on Yue Feng's face, as cold as his mood.

Yue Feng endured the chill and stared at the mound of earth with his eyes fixed on the mound with anticipation. He also prayed secretly in his heart. Zhou Qin… You once killed sister-in-law Wen Wan, but ten years have passed since this incident. Now that you've changed your mind, I hope you can survive this time.

Although she thought so in her heart, Yue Feng also knew that it was impossible. Zhou Qin was buried alive and surrounded by soldiers. Even if she climbed out at this time, she would not be able to escape the bad luck.

Just when she was still alive, she was holding her breath underground for an hour. Even if she had the ability to reach the sky, she couldn't last that long. She would definitely be suffocated to death!

A minute passed.

Two minutes passed…

Soon, after an hour was over, I saw the mound, but there was still no movement. Obviously, Zhou Qin had no chance of surviving.

"Sect Master…"

"Woo…"

At this time, the people of the Emei faction began to cry again, each with a gloomy expression and complete despair.

Although Zhou Qin was ruthless and very strong, in the past few years, Emei has indeed grown a lot. At this time, Zhou Qin is dead, and there is no suitable leader of the Emei faction, and it will definitely decline.

"His Royal Highness!"

At this time, a soldier quickly approached the hall and respectfully said to Yue Wuya: "An hour has passed, and there is no movement in the mound, so Zhou Qin should have been suffocated to death."

Hmm!

Yue Wuya showed a smile, nodded and stood up, and ordered: “Okay, very good, since this wicked woman is dead, let’s prepare for the return journey. Take all the people from Emei Pai and return to the imperial city. And deal with it.”

Zhou Qin has done so many bad things over the years, and she is not able to do it alone. It can be said that these people from the Emei faction are all accomplices, and even if Zhou Qin is dead, these people from the Emei faction will also be blamed. escape.

“Yes, Your Highness.” The soldier responded, and immediately gathered everyone from the Emei faction, ready to escort them down the mountain together.

“correct!”

At this moment, Yue Wuya turned his eyes and landed on Su Qingyan who was not far away, and said coldly, “Take this woman with you.”

Hula.

As soon as the words fell, a few soldiers quickly stepped up and tied Su Qingyan.

Su Qingyan was still lost because Duan Yu had left her own affairs, she couldn’t react at all, and her hands and feet were quickly tied.

“What are you doing? Let me go.” Su Qingyan’s delicate body was trembling, and her delicate face was full of anger.

I have nothing to do with the Emei faction, so why is it still affecting me?

“Y’er?” Seeing this scene, Yue Feng’s expression changed, and he said

hoarsely, “She and Zhou Qin have nothing to do with each other. Don’t hurt innocent people.”

.

He can understand how Ya’er deals with Zhou Qin, but he can’t hurt Qingyan.

“Innocent?”

Yue Wuya sneered, looked at Yue Feng and said word by word: “Yue Feng, don’t think I don’t know, this woman is called Su Qingyan, and she is also your woman.

” Gradually cold: “Besides, she is also the sect master of Wenzong, and her identity is extraordinary. I can’t easily bypass her.”

“You…”

Yue Feng opened his mouth with a bitter expression, and he couldn’t say a word.

The ultimate husband in Chinese chapter 2006-2010

Chapter 2006

“Yue Feng!” Yue Wuya was too lazy to talk nonsense, and said coldly: “I just buried Zhou Qin, and I was going to take you to the imperial city for disposal, but for Bing’er’s face, I will Forgive you this time, but next time it falls into my hands, you won’t be so lucky.” The

voice fell, and seeing that the rain outside was a little lighter, Yue Wuya waved his hand: “The whole army obeys the order and sets off.” Then, he walked out of Mount Emei without looking back.

Ugh!

Looking at Yue Wuya’s back, Yue Feng let out a long sigh.

At this time, Han Bing came over, bit his lip and said softly: “Dad, my brother and I will go first, you take care of yourself.” The

girl’s family is more delicate, and Han Bing can see that there must be a lot of Yue Feng. It was through hardships that he and Yue Wuya made such a land.

Um!

Yue Feng nodded and showed a smile.

Although the son has always been against himself, this daughter is very considerate, which is somewhat gratifying.

Han Bing said no more, turned and walked out.

“Yue Feng!”

At this time, Xing Yao looked complicated, looked at Yue Feng and asked in a low voice, “Is Princess Yueying okay?” Just now when Yue Wuya was there, Xing Yao was inconvenient to ask, and now he finally had the opportunity .

To be honest, once Emperor Tianqi died, the only thing Xing Yao cared about was Ren Yingying.

“She…she’s fine.” Yue Feng responded with a smile.

She won’t let her know about Ren Yingying being forced to take Hei Tian Pill by Zhou Qin, so as not to worry too much.

This chapter is provided by . Visit for daily update.

“That’s good.” Xing Yao’s expression relaxed, and he said seriously: “How much you cherish, we will have a period in the future.”

When the words fell, Xing Yao turned around and walked out of the hall, catching up with the Tianqi army.

In an instant, Yue Feng and Liu Xuan were the only people left in the huge Emei Mountain.

“Husband!”

At this moment, Liu Xuan came over and hugged Yue Feng’s arm with a worried expression: “How are you? Is your injury okay?”

“It’s okay!” Yue Feng smiled and shook his head.

Duan Yu’s raid before, although he injured himself very badly, but the physical injury, compared with the mental blow, is nothing at all.

Ya’er buried Zhou Qin alive in front of her face, causing Yue Feng to suffer a lot.

Immediately, Yue Feng walked out slowly and came to the front of the sealing mound.

call!

After being silent for a few seconds, Yue Feng took a deep breath and muttered to himself: “Zhou Qin, I’m sorry, I really didn’t expect that my indifference to you once would cause you such great harm and cause your temperament to change greatly. I have done so many wrong things, and when you decided to reform, I failed to protect you well.”

“Rest in peace, I will often come to Emei to see you when you are free in the future.”

When he said this, Yue Feng’s heart is empty, very complicated.

Liu Xuan, Zhu Rong, and Shen Nong stood quietly behind them, all of them with emotion in their hearts.

Standing there for a moment of silence again, Yue Feng said softly, “Let’s go.”

After speaking, he walked down the mountain. Liu Xuan and the others quickly followed.

woohoo…

Yue Feng and the others just walked away when they saw the mound in the heavy rain and suddenly moved. Then, a slender and slim figure climbed out of the mound, with a pale face on his delicate face. tired.

It was Zhou Qin.

Perhaps it is because of the will of God that Zhou Qin should not die. Among the inextinguishable scriptures she practiced, there is a method of closed breath, which can hold her breath for several hours. Back then, Zhang Jiao was inspired by this method and created his own stunt of ‘breaking life and forgetting death’.

When Yue Wuya ordered Zhou Qin to be thrown into the pit, Zhou Qin instinctively used the method of closing the breath.

Later, after Zhou Qin was buried under the seal, except that he couldn’t breathe, other senses were still there, and he could hear the movement above. Zhou Qin knew that if Yue Wuya knew that he could rest, he would definitely deal with it in a more cruel way. Own.

Chapter 2007

Therefore, Zhou Qin held his mind and climbed out until there was no movement at all.

At this time, Zhou Qin was injured and climbed out of the ground several meters away, almost losing half of his life.

call!

Seeing the cold Emei faction in front of her, there was no one left, Zhou Qin’s delicate body trembled faintly, extremely self-blame, and at the same time disheartened.

The entire Emei faction must have been captured by Yue Wuya.

It’s all me. Back then, I was so obsessed and did so many bad things that I got involved with the Emei faction.

However, Yue Wuya loves Han Bing so much, and Han Bing is nostalgic for the Emei faction. Those people from the Emei faction should not be in danger.

Moreover, Yue Feng also completely forgave himself. Before Yue Feng was in front of the mound, what he said to himself, Zhou Qin listened clearly below.

It can be said that the obsession in Zhou Qin’s heart was completely put down at this time.

call!

At this moment, Zhou Qin no longer had any worries, took a light breath, and slowly descended the mountain.

Zhou Qin thought about it, she would never do martial arts supreme, but start over and be a man with an open mind.

In the rain curtain, Zhou Qin’s slender figure drifted away, and there was a poignant beauty in loneliness.

…..

the other side.

Yue Feng took Liu Xuan and a few others, and after leaving Mount Emei, he did not stop and returned to the Ouyang family.

At this time, in the hall of Ouyang Mansion, Sun Dasheng, Wen Chouchou, and Ren Yingying were all anxiously waiting for the news of Yue Feng.

Although Yue Feng went to Emei with an army of tens of thousands, Zhou Qin was too cunning to know if he could successfully get the antidote.

At this moment, several figures appeared outside the door, it was Yue Feng and Liu Xuan.

“Brother…”

Meihui’s face was overjoyed, she walked in quickly, and threw herself into Yue Feng’s arms: “You’re back, that’s great.”

In Meihui’s heart, Yue Feng is her own relative, do you want to? It doesn’t matter if he goes back to the antidote, as long as he’s okay.

Yue Feng smiled and stroked Meihui's head, his eyes full of love.

This sister, although not biological, loves herself the most.

"Fengzi!"

At this moment, Sun Dasheng came over and asked eagerly, "How is it? Have you seen Zhou Qin?"

As soon as he finished speaking, Wen Chou Chou laughed and said, "Is there any need to ask? It went very well, and I didn't see Liu Xuan's younger siblings coming back safe and sound."

Wen Chou Chou was mature and stable, and observed carefully, as soon as Liu Xuan came back, he knew that Yue Feng had succeeded.

"Brother Wen is still very thoughtful, you can see it at a glance." Yue Feng smiled and said something, his expression darkened again: "I have already got the prescription for the antidote, but Zhou Qin is dead."

What?

Hearing this, there was an uproar in the hall.

Immediately afterwards, many people were surprised.

"Zhou Qin, this wicked woman, finally got her retribution."

"It's so clear-headed…"

No one sympathized with Zhou Qin during the discussion. After all, she had done bad things for three days and three nights over the years.

At this time, aware of Yue Feng's low mood, Wen Chou Chou couldn't help but ask: "Fengzi, Zhou Qin is dead, why do you look so sad? Do you still think she is pitiful for this kind of woman?"

Chapter 2008

Swish!

Wen Chou Chou's voice fell, and the eyes of everyone around were focused on Yue Feng.

Yue Feng shook his head and smiled bitterly: "A little pity for Zhou Qin…" Then, he explained the situation at that time in detail.

call!

In an instant, after learning of the situation, the entire hall was silent, everyone fell silent, and the expressions of each and every one were extremely complicated.

It turned out to be Yue Feng's son who killed Zhou Qin. Moreover, the method of burying alive is still used.

This method is a bit harsh.

Also, Zhou Qin regretted it? Is it possible….

"Fengzi."

At this time, Wen Chou Chou came over and patted Yue Feng's shoulder to comfort him: "Although I don't see much this child Wu Ya, I also know that he has a good nature, so he buried Zhou Qin alive. It's also due to his strong blood and temperament. When he grows up and matures, he will be stable. Therefore, you don't have to worry. As for Zhou Qin, whether he really regrets it, the heart is separated from the belly, who knows?"

Wen Chou Ugly acted calmly, without thinking, just guessed that Yue Wuya buried Zhou Qin alive mainly because he hated Yue Feng.

As soon as the words fell, Sun Dasheng said nonchalantly: "You guys think that Wuya's actions are a bit cruel, but I feel relieved, Mad, think about it carefully, how did Zhou Qin deal with us in the first place? Bury her alive. It 's not too much."

Sun Dasheng has a hot personality, and if he has a vengeance, he will avenge him.

"Okay, okay!" Hearing this, Yue Feng smiled wryly and waved his hand: "Don't talk about this!"

Forget it, since everyone doesn't believe that Zhou Qin is really reformed, not much said.

In the next second, Yue Feng looked relaxed: "I'll hurry to make the pills now, everyone prepares it."

With that, Yue Feng instructed the family disciples to prepare the materials for pill making.

After a while, the alchemy furnace and various materials were ready, Yue Feng ignited the furnace, and was ready to start alchemy.

call!

For a time, Wen Chou Chou looked around without disturbing her, but her expressions became more complicated.

hum!

Finally, with a vibration of breath, the medicinal pill was successfully refined. Yue Feng was overjoyed and quickly took it out and distributed it to everyone: “Come on, take it quickly.”

Zhou Qin gave everyone ten times the amount of Hetian at that time . Dan, only one week to live, now five days have passed, no delay.

However.

Everyone found the medicine pill, but none of them took it, but they were extremely hesitant.

“Why don’t you eat?” Yue Feng was stunned and couldn’t help asking.

“Fengzi!”

At this time, Wen Chou Chou couldn’t help but said, “You said earlier that Zhou Qin gave you the antidote on his own initiative. This woman is very cunning and vicious. Could it be fake?

” Falling down, the others nodded in agreement.

“Yeah, Zhou Qin is a snake and a scorpion, so don’t be fooled by him.”

“Yue Feng, do you trust Zhou Qin too much?”

Everyone heard your sentence and my sentence, Yue Feng couldn’t help laughing, and he was very worried. resignedly.

Seriously, if it were two days ago, Yue Feng would not have believed Zhou Qin, but after these two days, Yue Feng deeply understands that Zhou Qin has really changed his mind, so the prescription given is definitely it is true.

You must know that people who are about to die are also good at their words. At that time, Zhou Qin was locked in a dungeon, so miserable, there was no need to lie to himself.

It’s just that only I understand these things, how can I convince Brother Wen and the others?

For a time, Yue Feng was very embarrassed.

“Everyone, be quiet!”

At this moment, Shennong walked out slowly and looked around: “Well, whether this antidote is true or not, everyone can’t tell, it’s better for this old man to test the medicine.”

“Okay, trouble . Senior.” Yue Feng was overjoyed and nodded quickly.

Seriously, if someone tried the medicine, Yue Feng would definitely refuse it. If it was poison, it would kill people, but Shennong was different. This is the ancestor of medicine that people admired in the world. Moreover, who did not know the story of Shennong tasting all kinds of herbs. Ah, no matter how powerful the poison is, it cannot poison him.

The people around are meaningless.

Gudong.

Shen Nong didn’t talk nonsense. He took a pill and swallowed it directly. Immediately, he closed his eyes and felt the power of the medicine silently.

A few minutes passed, and I saw Shennong looking as usual, without any discomfort.

“This medicine is real.” Shen Nong opened his eyes and nodded.

call!

Chapter 2009 The

voice fell, and everyone looked at each other, their hearts were extremely complicated.

This… This Zhou Qin actually gave a real antidote.

Is it really as Yue Feng said, completely reformed?

But what if it’s rehabilitated? People are dead.

call!

And Yue Feng also took a deep breath, feeling both happy and sad in his heart.

Zhou Qin really didn’t lie to herself, she really regretted it.

Unfortunately, people also died.

….

on the other side.

At the northwestern border of the Tianqi Continent, Yue Wuya led the Tianqi army and marched mightily towards the Tianqi Imperial City.

In the army, Su Qingyan and the people from the Emei faction all had iron chains on their hands, and they all looked sad.

At the forefront of the army, Yue Wuya was riding a white horse with a relaxed expression. Han Bing and Xing Yao next to them had complicated expressions, especially Han Bing, who was very worried.

The elder brother has arrested the entire Emei faction. When he arrives at the imperial city, will he behead all the Emei disciples?

Han Bing grew up in the Emei School since childhood. Although he has been away for a few years, he still has some feelings in his heart.

Da Da Da…

When Han Bing was thinking about these things, he heard the sound of horse hooves not far away!

Han Bing quickly turned his head to look, and suddenly his body trembled.

I saw in the wilderness not far away, an army of hundreds of thousands, lined up neatly, galloping! These hundreds of thousands of soldiers, wearing uniform black armor, can feel the chilling aura on them from a long distance!

Not only that, there are many soldiers riding big birds in the sky, which is very shocking.

At the forefront of the army, there was a tall figure suspended in golden armor, majestic and imposing, with a vicious black dog beside him.

This black dog is dozens of meters long, with bloody eyes and fangs.

It is… Erlang Zhenjun Yang Jian, and his spirit beast, the roaring dog!

Yang Jian was very ambitious. After he became the emperor of the Northern Ying Continent, he wanted to unify the Kyushu Continent, but at the beginning, in order to capture Chang’e and Yue Feng, the matter of expanding the territory and expanding the territory was temporarily delayed.

Later, Chang’e and Yue Feng could not be caught. Yang Jian lost his patience and decided to wage war against other continents.

And Apocalypse Continent was Yang Jian's first target.

call!

At this moment, feeling the chilling aura of the Beiying army, Yue Wuya and Xing Yao both felt their hearts tighten, and they only felt that it was difficult to breathe.

powerful!

Such a powerful aura, the overall strength of the army in front of him is many times stronger than that of the Xi Cang army.

And the commander-in-chief in front of him is accompanied by a black dog. Could it be…. is the True Monarch Erlang from the Northern Ying Continent?

"Kill!"

At this time, seeing Yue Wuya and Tian Qi's army from a distance, Yang Jian did not hesitate, waved his arm, and issued an order directly.

Since it's here to ask for it, there's no need to be polite.

"kill!"

The voice fell, and the hundreds of thousands of Beiying troops below let out a howl that shocked the world. They pulled out their weapons and rushed towards Yue Wuya.

hiss!

Seeing this scene, Yue Wuya couldn't help gasping for air, then took a deep breath, forcibly calmed down, turned back and shouted: "The whole army obeys the order, immediately lined up to meet the enemy, make no mistakes, vow to defend the homeland to the death, never back down, Kill!"

In Yue Wuya's heart, he grew up in the Apocalypse Continent, and the Apocalypse Continent was his home.

"Kill!"

"Defend the homeland!" The

voice fell, and the army of hundreds of thousands of Apocalypse responded in unison, the momentum was overwhelming, and it rushed up like a tide!

In the blink of an eye, Xi Cang's army and Tian Qi's army collided head-on, and a tragic fight broke out!

“Ah!”

For a while, the screams and roars continued to sound, and the blood continued to splash, dyeing the earth red.

Chapter 2010

Huh!

Seeing the battle between Xi Cang’s army and Tianqi’s army, Su Qingyan, who was caught by Yue Wuya, and the disciples of Emei, all trembled faintly.

The two armies suddenly fought, and Su Qingyan and the people from the Emei faction were completely too late to react. Seeing the blood splashing all around, everyone was terrified.

How to do?

At this moment, Su Qingyan was frightened and desperate.

Now the two armies are in chaos, and as a prisoner, he will definitely be accidentally injured.

Could it be….is he going to die here?

“Everyone, run.”

At this moment, someone in the Emei Sect crowd shouted, and in an instant, many Emei Sect disciples hurriedly fled towards the woods in the distance.

These disciples of the Emei Sect knew in their hearts that instead of being brought back to Tianqi Imperial City by Yue Wuya for disposal, their life and death would be unpredictable, so they might as well take this opportunity to escape.

At this moment, Su Qingyan didn’t have time to think, she quickly followed the disciples of the Emei faction and ran towards the distant woods. Su Qingyan knew in her heart that if she stayed here, she would only have a chance to survive if she escaped with the Emei faction.

“Stop, all stop…”

Seeing this scene, Yue Wuya was so frightened that he roared loudly, and at the same time issued an order to his subordinates: “Hurry up and stop them, these prisoners can’t be allowed to run away.

” Bringing these people from Emei and Su Qingyan back to Tianqi Continent, if they let them escape, everything will be in vain.

However.

Apocalypse’s more than 100,000 soldiers were all restrained by the Beiying army, and they couldn’t isolate themselves to intercept Su Qingyan and the people from the Emei faction.

In the blink of an eye, Su Qingyan and the people from the Emei faction ran farther and farther and disappeared into the woods.

“Boy take the move!”

Just when Yue Wuya was distracted, a slender figure came hurriedly, sipping sweetly in his mouth, and slapped it with a palm, with astonishing power.

It is Gonggong.

Yes, after Gonggong pledged allegiance to Yang Jian, he followed the army and helped Yang Jian to conquer the Tianqi Continent.

Speaking of which, Gonggong did not know Yue Wuya.

But she could sense that the handsome young man in front of him had an extraordinary temperament and was wearing golden armor, and his identity was definitely not ordinary.

Gonggong was eager to perform in front of Yang Jian, and wanted to make a contribution.

hum!

With this palm, Gong Gong almost burst out with all his strength, and within a hundred meters of her body, the air was distorted!

call!

Seeing Gonggong rushing in, Yue Wuya’s expression changed, and he was shocked.

So strong, who is this woman?

“Crack!” In the

next second, Yue Wuya didn’t have time to think about it, and with a crisp sound, the Overlord’s Hammer was tightly held by him.

As soon as the Overlord’s Hammer came out, Yue Wuya’s whole body suddenly burst into a powerful fighting spirit, and the air seemed to be filled with a bloody aura.

Um?

Gonggong bit his lip tightly, his eyes fixed on the Overlord Hammer, his heart was extremely excited.

This kid even has a peerless weapon? It seems that his guess is good, the identity of this kid is not simple.

If you catch him later, you will not only perform meritorious service in front of Yang Jian, but also get a peerless weapon.

Thinking about it, Gonggong showed a smile, and his figure was astonishing, speeding up and fighting fiercely with Yue Wuya.

call!

Seeing this scene, the soldiers of Apocalypse below couldn’t help but break into a cold sweat for Yue Wuya.

In particular, Xing Yao, who was not far away, had a beautiful face full of anxiety.

Although Yue Wuya has the Overlord’s Hammer, the woman who is fighting against him is very powerful. I am afraid that Yue Wuya is not an opponent…

At this time, Xing Yao wanted to rush over to help, but dozens of enemy troops were in front of him. Stop it, you can’t get over it at all.

The ultimate husband in Chinese chapter 2011-2015

Chapter 2011

At this moment, Yang Jian, who was suspended in mid-air watching the battle, was also attracted by Yue Wuya.

At this moment, Yang Jian's eyes locked on Yue Wuya tightly, his eyes flickering with surprise.

interesting!

This kid is not very strong, but his weapons are good…

However, Yang Jian didn't make a move, but continued to hover in mid-air to watch the battle. As the emperor of the Northern Continent, how could he easily make a move? Moreover, this kid with a giant hammer, Gong Gong can handle it alone.

However, Yang Jian underestimated Yue Wuya's strength.

Soon, half an hour passed, Gonggong exerted a lot of skills, but still couldn't suppress Yue Wuya. Speaking of which, Gonggong's strength is much higher than that of Yue Wuya, but Yue Wuya has the Overlord's Hammer, and with the power of the Overlord's Hammer, he is on a par with Gonggong.

"Gonggong!"

Finally, Yang Jian couldn't stand it any longer, and said lightly: "You

should step back." "Yes, Your Majesty." Gonggong was ashamed, answered and stepped aside.

Yang Jian didn't say more, the figure burst out and went straight to Yue Wuya.

In a blink of an eye, Yang Jian was in front of Yue Wuya, with absolute contempt in his eyes: "Good boy, it's rare to be able to fight with Gonggong for so long, but this battle, you Apocalypse Continent will undoubtedly lose, so obediently surrender. Come on!" The

voice was not loud, but it spread throughout the entire battlefield, revealing absolute majesty.

hum!

The voice fell, and a terrifying aura burst out from Yang Jian's body, and in an instant, the surrounding air seemed to be stagnant!

This chapter is provided by . Visit for daily update.

Unfathomable and powerful coercion, suppressing people panic!

Immediately afterwards, Yang Jian raised his hand and waved, and he heard a whistling sound that shocked the heavens and the earth, coming from the three-pointed two-edged sword, and then, a touch of golden light, tearing the heavens and the earth, burst out towards Yue Wuya.

hiss!

Feeling the terrifying aura that burst out from Yang Jian, Yue Wuya was startled and couldn't help gasping for air. Hurry up and mobilize your inner strength to block the Overlord Hammer horizontally in front of you!

At this time, Yue Wuya did not dare to be careless in the slightest and mobilized all his inner strength.

Bang!

Jin Mang slammed on the Overlord's Hammer, and he heard Yue Wuya let out a muffled groan. The whole person was shocked and flew out, and flew more than 100 meters before falling heavily to the ground.

Yue Wuya has been practicing hard over the years, and his strength has grown by leaps and bounds, but after all, he is too young to be Yang Jian's opponent. You must know that Yang Jian has been famous for thousands of years, and his background is not comparable to him.

"Pfft…"

Yue Wuya's face was pale, struggling to stand up, his eyes fixed on Yang Jian, and his heart was terrified.

one move.

Even with just one move, he inflicted heavy damage on himself.

The strength of this man is terrifying.

At this moment, Yang Jian was as fast as lightning, rushed over, raised his hand, and tapped Yue Wuya's acupoint a few times.

In an instant, Yue Wuya's body froze, unable to move at all.

"His Royal Highness."

Seeing this scene, Xing Yao's expression changed, and she couldn't help exclaiming. It was over, the prince was captured alive, and the Apocalypse Continent was completely defeated in this battle.

At the same time, Han Bing also trembled and exclaimed: "Brother…"

Later, Han Bing was about to rush over, but there were too many enemy troops in front of him, and he was stopped before he took two steps.

Um?

Hearing this, Yang Jian was stunned for a moment, then looked at Yue Wuya with a smile.

I thought this kid was just an excellent young general, but I didn't expect that he was a prince with a distinguished status, which was an unexpected gain.

Yue Wuya was arrested, and Tianqi's army suddenly lost its backbone, and was soon subdued one by one.

"Gonggong!"

After taking control of the situation, Yang Jian was in a good mood, and ordered to Gonggong: "Immediately write a letter of surrender and send it to Emperor Tianqi. It says that their prince of Tianqi Continent was captured by us. , The emperor of Tianqi Continent, if you don't want him to die, he will surrender immediately and call me a minister… After writing it, send someone to the Tianqi Palace."

When he said this, Yang Jian's smile was full of confidence.

This time, the conquest of the Apocalypse Continent was a victory in the first battle. Even the prince was captured by him. It won't be long before the entire Apocalypse Continent will be under his control.

"Yes, Your Majesty!" Gonggong responded quickly, and then went to start writing the letter of surrender.

Chapter 2012

Yang Jian is full of smiles. This time, he conquered the Apocalypse Continent and won the first battle. Even Prince Apocalypse was captured by him. It won't be long before the entire Apocalypse Continent will be under his control.

"Yes, Your Majesty! I will write a letter of surrender and send it to Emperor Tianqi." Gonggong responded quickly, and then went to start writing the letter of surrender.

Oops.

Seeing this situation, Yue Wuya's heart was shocked, and he was extremely ashamed and anxious.

Yang Jian grabbed himself and wanted to threaten his father to surrender. The father has gone through so many twists and turns, and finally became the emperor, will he surrender because of himself?

Soon, Gonggong wrote the surrender and sent troops to Tianqi Imperial City.

a few hours later.

Apocalypse Imperial City.

Palace, Qianyuan Hall.

The civil and military officials stood neatly on both sides, each with a complicated expression and fear in their hearts.

King Guangping was wearing a dragon robe, sitting on the throne, his face was extremely gloomy, and he was deeply anxious and worried. Just now, the Beiying army sent a letter of surrender, which was clearly written, Yue Wuya had already He was captured by Yang Jian, and if he did not surrender, he would be executed.

King Guangping was so anxious that he hurriedly summoned ministers of civil and military affairs to discuss countermeasures. In his heart, although Yue Wuya was not his own, he always regarded it as his own, and even planned to pass the throne to him in the future. Now that I know that Yue Wuya has been captured, how can I not be impatient?

"Aiqings."

At this time, King Guangping looked around and urged, "What countermeasures do you have to save Ya'er safely?"

Huh.

When the voice fell, the civil and military officials looked at each other, all of them were silent, and their hearts were uncertain.

The one who captured the prince was the well-known Erlang Zhenjun Yang Jian, who was a peerless powerhouse that shook the world. Who could have a way to rescue Yue Wuya safe and sound?

Totally impossible.

“Trash…”

Seeing the civil and military officials, all of them were speechless. King Guangping was furious and stood up and shouted loudly: “All of them are trash. Nothing is useful.”

At this time, King Guangping’s eyes were extremely blood red, and his body was filled with strong anger.

hula.

Seeing the anger of King Guangping, all the civil and military officials trembled in their hearts, and they all knelt down, trembling with fear.

The next second, the Minister of War, Bai Zhili, cautiously replied: “Your Majesty, it’s not that the ministers are afraid of death, then Yang Jian is the true monarch Erlang who has swayed the world for thousands of years, and he is the strongest among the peerless powerhouses. , saving His Royal Highness the life and death is also a waste of life.” The

voice fell, and the other ministers quickly nodded in agreement.

“Yes, Your Majesty.”

“This matter, the minister feels that we need to take a long-term view.” “Your Majesty, why do

n’t we ask for help from other continents…”

more irritable.

“Okay.”

Finally, King Guangping frowned and scolded: “Don’t say it, it’s very clear in the recruiting letter, it only gives me half a day to think about it, the time is short, and we have no time to ask for help from other continents, I’m afraid the reinforcements will not arrive. , Ya’er has been executed.”

Immediately, King Guangping sighed and stood up slowly: “Respond to Yang Jian immediately and say that I promise to surrender.”

When he said this, King Guangping was full of disappointment, and his mood was extremely low, but his eyes were very determined.

To be honest, surrendering to Yang Jian was 10,000 reluctance in his heart, but for the safety of Ya’er, he had no other choice.

“Yes, Your Majesty!” The civil and military officials responded in unison, looking at each other secretly, all with pale faces.

Chapter 2013 is

over, completely over… The

Apocalypse Royal Family, which has been passed down for thousands of years, is now going to be destroyed.

King Guangping agreed to surrender, and Yang Jian was very happy. He immediately led the army and took Yue Wuya to the direction of the imperial city.

Finally, after half a day, the Beiying army arrived at Tianqi Imperial City.

At this time, at the main entrance of the imperial city, King Guangping, with his civil and military officials, was already waiting there.

call!

At this moment, seeing the murderous aura of hundreds of thousands of Beiying troops, the King of Guangping and the civil and military officials, was extremely shocking.

Especially when he felt Yang Jian’s terrifying strength, while King Guangping was shocked, he was in a tangled and depressed mood, but slowly calmed down.

This Erlang Zhenjun is so mighty and domineering, and his strength is so strong, I am afraid that no one in the entire Kyushu Continent can stand above him.

Thinking to himself, King Guangping was even more relieved when he looked at Yue Wuya, who was safe and sound in the army.

The emperor may not do it, as long as Ya’er is fine.

call!

Finally, King Guangping took a deep breath, adjusted his emotions, walked out slowly, and bowed deeply to Yang Jian: “Little Wang, see your Majesty.” Since he has surrendered and declared himself a minister, naturally he can’t call himself emperor.

“See Your Majesty.” The officials behind also knelt down.

hum.

Seeing this scene, Yue Wuya, who was imprisoned in the army, trembled faintly, looked at King Guangping from a distance, and felt extremely guilty in his heart, but at the same time he was moved beyond words.

Father Emperor… Father Emperor surrendered to Yang Jian for himself.

At the beginning, when he learned that King Guangping had surrendered, Yue Wuya thought it was a plan to delay the army. After all, King Guangping's throne was not easy to obtain, but at this time, when he saw King Guangping kneeling in front of Yang Jian, Yue Wuya was suddenly dumbfounded.

Um!

Yang Jian showed a smile and nodded approvingly: "Get up."

Immediately, Yang Jian looked at King Guangping and said with a smile, "I count what I say, since you have already made me a minister, I will let your son go." The

voice fell . , Immediately, a soldier came over and unchained Yue Wuya.

puff.

At this moment, Yue Wuya walked over quickly and knelt in front of King Guangping: "Father, it's the child's negligence that made you so passive and caused the entire Apocalypse Continent to suffer like this."

When he said this, Yue Wuya was ashamed and wished to commit suicide to apologize.

"Good boy, don't blame yourself." King Guangping supported Yue Wuya's shoulder with a loving expression on his face, and comforted him, "You can't control this matter, I already understand the situation at the time, even if it was me When you meet Yang Jian, you can only capture it."

After speaking, King Guangping said with a look of taboo: "By the way, don't call me the emperor in the future, understand?"

Hmm!

Hearing this, Yue Wuya nodded and didn't speak, but his heart was even more moved.

When the father lost the throne, he didn't blame himself, and he comforted himself in turn, which was really kind to himself.

"King Guangping!"

At this moment, Yang Jian slowly said: “I heard that your previous title was called King Guangping, and you will continue to use this title in the future. In this Apocalypse Continent, you will take care of me first, and when I rule other continents, I will give you another reward.”

Occupying the Apocalypse Continent is just the beginning, and other continents need to be captured, so Yang Jian will not stay temporarily to manage the Apocalypse Continent.

“Yes, Your Majesty.” King Guangping responded quickly.

Chapter 2014

Yang Jian nodded in approval, and then his eyes fell on Yue Wuya, unable to hide his admiration: “You kid, you are young, but you are brave and good at fighting, I need a talent like you around me, you are willing, Follow me to fight in the Quartet?”

This…

Hearing this, Yue Wuya was stunned, and then nodded his head: “I will!” To

be honest, when he was first arrested, Yue Wuya was very annoyed. , Your majesty, when have you ever suffered from this kind of fussiness?

But after knowing Yang Jian’s identity, Yue Wuya was relieved quickly.

The opponent is the famous Erlang Zhenjun, and losing to him is not ashamed at all.

And now, this peerless powerhouse who has shaken the world by name, invites him by name, this is an unforgettable honor for others, how can he refuse?

“Okay, okay…haha…”

Seeing Yue Wuya agree, Yang Jian was in a happy mood and couldn’t help laughing up to the sky.

With one more general around, it will definitely be easier to fight other continents in the future. Why are you unhappy?

Immediately, under the guidance of King Guangping, Yang Jian entered the palace and rested temporarily.

A day later, Yang Jian regrouped and set off, leading an army of several hundred thousand, heading towards the Southern Cloud Continent.

The Southern Cloud Continent was Yang Jian’s second target.

Yang Jian personally led the army to conquer other continents, and the Apocalypse Continent had surrendered, and the news soon spread throughout the Kyushu Continent.

For a time, people on all continents were panicking.

The true emperor of Erlang, Yang Jian, a thousand years ago, had a powerful and unfathomable power in Kyushu, and the overall strength of the Northern Ying continent itself was the first of the Kyushu. Now Yang Jian leads hundreds of thousands of Northern Ying army to conquer various continents, who can I can't stop it.

At this moment, the Earth Circle Continent.

Zhongzhou City, the residence of the Ouyang family.

In the hall, Yue Feng was sitting on a chair, anxiously waiting for news.

Yue Feng has long known about Yang Jian leading the army to conquer various continents, but what he is worried about now is not this, but Su Qingyan.

Before Yue Wuya was on Mount Emei, he took Su Qingyan away. At that time, Yue Feng was too seriously injured and could not be stopped. After returning to the Ouyang family, Yue Feng recuperated and recovered, while sending Tianmen disciples to the Tianqi Continent to investigate the news.

Now that three days have passed, and no news has come yet, Yue Feng is almost in a hurry.

If it was before, Yue Feng would never be so anxious, but Su Qingyan lost her memory and completely forgot herself. Therefore, Yue Feng did not dare to delay.

The longer the delay, the more variables there will be.

"Sect Master!"

At this moment, a Tianmen disciple ran in quickly, sweating profusely: "Sect Master. There is… there is news about Sister Qingyan."

"Come on!" Vibration, the heart is very excited.

call!

The disciple took a deep breath and said slowly: "We spent two days in the Tianqi Continent, and found a shepherd. The shepherd said that at that time, the Northern Ying Continent and the Tianqi Continent were at war, and he saw many beautiful women.

The two armies ran out during the melee, and we specifically asked, it was Sister-in-law Qingyan, and the disciples of the Emei School…”

“What about them now?” Yue Feng asked impatiently.

“This…” The disciple looked ashamed and bowed his head: “At that time, after Sister Qingyan and the Emei faction fled the battlefield, the two sides separated, and then Sister Qingyan went to Nanyun Continent. As for she is now in Nanyun Continent Where are we still investigating…”

What?

Hearing this, Yue Feng’s heart shuddered, and he became extremely worried.

Qingyan went to Nanyun Continent?

Isn’t Yang Jian now attacking the Nanyun Continent?

No, I have to go to Nanyun Continent myself, I can’t wait for news here.

Thinking to himself, Yue Feng stood up in a flash, called Wen Chou Chou and Ren Yingying together, and after arranging some things, he hurriedly left.

Speaking of which, Wen Chou Chou and Sun Dasheng also planned to go together, but considering that Yang Jian was waging war on various continents, for the safety of the Earth Continent, he had to stay and prepare for defense.

one day later.

Chapter 2015

Nanyun Continent, Canglan City in the northwest.

Canglan City is the first fortress in the northwest of the Southern Cloud Continent.

At this time, on the road outside the city, a man slowly walked towards the city gate.

The man is tall and straight, with a unique temperament all over his body, but because of the long journey, he looks very tired.

This man is Yue Feng.

Knowing that Su Qingyan came to the Southern Cloud Continent, Yue Feng finally arrived after a day’s flight.

I go!

At this moment, looking at Canglan City not far away, Yue Feng was stunned.

Yue Feng saw that on the city wall around Canglan City, there were densely packed soldiers standing there, all of them holding long swords, waiting in battle, and at the city gate, a checkpoint was also set up to strictly check every pedestrian entering and leaving.

At this time, Canglan City can be said to be heavily guarded, like a copper wall and an iron wall, not a fly can fly in.

In the forest a few miles away from Canglan City, the Northern Ying army camped, and across the distance, one could feel a suffocating chill.

After being stunned for a few seconds, Yue Feng recovered.

Looking at the situation, Yang Jian's army has already fought with the Nanyun Continent, and the two sides are facing each other.

Muttering in his heart, Yue Feng strode over.

They fought their battles, and it had nothing to do with them, it was the most important thing to find Su Qingyan quickly.

"You, stop!"

As soon as he reached the gate of the city, Yue Feng was stopped by several soldiers.

The leading general looked at Yue Feng up and down, stretched out his hand, and said coldly, "Take out the pass and take a look."

This general is called Chen Tu, and he is the defender of Canglan City.

Because the Northern Ying Continent was about to be attacked, in order to prevent enemy spies from entering the city, the people in Canglan City were specially equipped with a pass order to facilitate entry and exit.

What?

Yue Feng was stunned for a moment, not knowing whether to laugh or cry.

This Nima, you need a pass to enter a city.

Immediately, Yue Feng shook his head and said, "Master, I don't have a passing order."

Shuh!

The words fell, Chen Tu’s face changed, and then, the surrounding soldiers, like frightened birds, immediately surrounded Yue Feng.

There is no pass order on him, it is too suspicious.

“Hey, sigh…”

Seeing this situation, Yue Feng wanted to cry without tears, and quickly waved his hands to explain: “Don’t get excited, I am from the Earth Circle Continent, my name is Yue Feng, and I am your eldest princess. My concubine. I have something urgent to do in Nanyun Continent this time, so please do your best to let me into the city.”

Yue Feng said this with a relaxed expression on his face.

He is indeed the concubine, but at the beginning, it was the Queen herself who made the marriage contract for herself and Long Qianyu.

“Presumptuous!”

As soon as the voice fell, Chen Tu shouted and glared at Yue Feng: “You are so bold, you just want to sneak into the city, and you dare to disrespect our eldest princess? Come, bring him to me. Next, send it to the big camp in the city, and let Her Majesty the Queen release it.”

Back then, the Queen announced a marriage contract for Long Qianyu and Yue Feng, and Chen Tu knew about it, but he guarded the border all the year round and rarely returned to the imperial city, so he didn’t see him. Over Yuefeng.

In Chen Tu’s heart, the concubine of the eldest princess is the well-known Tianmen sect master in the Earth Circle Continent, with an absolutely extraordinary temperament, and the boy in front of him, dressed in ordinary clothes, is still in the dust, must be sent by the Beiying army. spy.

hula.

The voice fell, and a dozen soldiers rushed up at once.

At this moment, Yue Feng was thinking of resisting, but when he heard the queen, who was in the big camp in the city, he didn’t resist and let them be tied up.

Chapter 2016

Yue Feng was tied up and was not in a hurry. Anyway, when I saw the Queen, my identity was revealed.

Soon, Chen Tu took a few soldiers and drove Yue Feng into the city.

call!

The moment he entered Canglan City, seeing the scene in front of him, Yue Feng couldn't help taking a deep breath.

As you can see, the entire Canglan City is full of patrolling soldiers, and around Chen Tu's General's Mansion, there are hundreds of thousands of troops and tens of thousands of palace guards.

The Northern Ying Continent suddenly invaded, and Queen Nayun was very shocked. After getting the news, she brought a hundred civil and military officials to Canglan City, and she wanted to sit on the front line herself to boost morale.

In this case, Chen Tu's general's mansion naturally became the command camp of Queen Nagumo.

The General's Mansion at this time, in the hall.

Empress Nayun, dressed in a dragon and phoenix robe, sat on the throne, her delicate face was full of solemnity.

Long Qianyu stood quietly, wearing a soft golden armor, showing his exquisite figure, but his expression was indifferent, without the slightest emotional fluctuations.

On the two sides below, the civil and military officials stood there neatly, all of them were also in a complicated mood and were very silent.

Yue Feng guessed right.

A day ago, the Nanyun army did fight with the Beiying army. The Nanyun army was defeated and retreated to the city. The queen was very anxious. the plan of.

That Erlang Zhenjun Yang Jian, who shook the world and conquered the Apocalypse Continent, had a large number of soldiers, so there was no way to fight this battle.

Speaking of which, there are also many elite soldiers in the Southern Cloud Continent, but compared to the Northern Ying Continent, they are completely insignificant.

This chapter is provided by . Visit for daily update.

” Aiqings .” At this time, the Queen frowned, looked around and asked, “Is there a better way?”

Just now, the civil and military officials gave many suggestions, but they were all rejected by the Queen.

After all, the opponent is Zhenjun Erlang. No matter what the method is, there must be ten layers of confidence. Otherwise, if it fails, Nayun Continent will be in a state of doom.

When the voice fell, the civil and military officials looked at each other, but none of them came out.

“Your Majesty!”

At this moment, outside the hall, Chen Tu walked in quickly and respectfully said, “Chen Tu, see Your Majesty.” The

queen frowned, her beautiful face showing a bit of displeasure: ” Chen Tu, you are not guarding outside the city, what are you doing when you see me?”

Shuh!

In an instant, the eyes of the civil and military officials all converged on Chen Tu.

Chen Tu wiped his sweat and said quickly: “Your Majesty, this subordinate has something important to report. Just now, at the gate of the city, this subordinate arrested an enemy spy. This man is not only cunning, but also very arrogant. .”

With that, Chen Tu carefully glanced at Long Qianyu, and continued: “My subordinates thought this matter was no trivial matter, so they directly grabbed the person and tied them up outside the hall first.”

Wow.

As soon as the words fell, the civil and military officials suddenly burst into an uproar, and they were all angry.

“This Northern Ying Continent is too arrogant.”

“Yeah, a spy is so arrogant, how dare he take the princess’s reputation as a stalk…”

“So you don’t take our Southern Cloud Continent seriously, this spy, Just kill it…”

The discussion continued to come from the crowd, and Long Qianyu's face was even more red, and he was extremely embarrassed and angry.

A spy actually made a joke of himself.

court death! At the same time, the queen

's beautiful face was instantly covered with frost, and then she said coldly at Chen Tu: "What about the spy? Bring it up to me."

I was very angry.

She and Long Qianyu have a deep relationship with sisters, and the other party is a small spy. His words to insult Long Qianyu are to humiliate the Queen and contempt the entire Southern Cloud Continent.

Seriously, at that moment, the queen thought about whether it could be Yue Feng, but then she thought, Yue Feng must be deploying defenses in the Earth Circle Continent, how could he suddenly come to the Southern Cloud Continent, and he is Tianmen Sect Master, with a special status, can't be a person?

"Yes, Your Majesty!" Chen Tu responded and walked out quickly.

Ten seconds later, Chen Tu came back with a man tied up in five colors.

Swish!

At this moment, the eyes of everyone in the hall converged on the man, and all of them were stunned.

Yue Feng?

Isn't this the concubine?

Chapter 2017

Chen Tu, this nerd, has been guarding the border all these years. Are people being stupid? He even caught the real concubine.

At the same time, the queen and Long Qianyu also trembled, and they were very surprised.

However, the Queen's face showed a bit of joy.

On the other hand, Long Qianyu had a cold face, unable to hide the anger and disgust in his heart.

Um?

Seeing this scene, Chen Tu was stunned, and his mind was full of questions.

This… what's the situation? Why did His Majesty and all the ministers have this expression when they saw this kid?

Could it be… this kid is really a concubine?

Thinking about it, Chen Tu's heart beat faster, and he suddenly became a little nervous.

"General Chen."

At this moment, among the ministers, I don't know who said with a smile: "What's the matter with you? You even arrested the concubine, and said he was a spy?" The

voice fell, no The young ministers all looked at Chen Tu with a half-smile.

What?

Hearing this, Chen Tu felt as if he was struck by lightning. He was completely dumbfounded. He stared at Yue Feng blankly, speechless and full of fear.

Is this person really the Concubine, the hero of the Earth Circle, the Heavenly Gate Sect Master Yue Feng?

"Chen Tu."

At this time, the queen reacted and looked at Chen Tu quietly: "What's going on? This man is Yue Feng, the consort appointed by Zhen, how do you say he is a spy? "The

voice was not loud, but there was a suffocating majesty.

Swish.

Chen Tu was sweating profusely, so he quickly knelt down and stammered: "Your Majesty, this is a misunderstanding, it is the negligence of the minister."

Immediately, Chen Tu said to Yue Feng ashamed: "My concubine, this subordinate has eyes and does not know. Taishan, I have offended you, you don't remember the villain's deeds, please forgive your subordinates this time."

Seriously, Chen Tu, as a border general, has an extraordinary identity, and if it were someone else, he would never apologize so humblely. Admit it, but Yue Feng is different. This is His Majesty's appointed concubine. The man after the eldest princess

will be under one person and above ten thousand people. Do you dare not to apologize?

At the same time as the voice fell, Chen Tu hurried forward and untied the rope for Yue Feng.

“General Chen, don’t be nervous.” Yue Feng moved his wrists and said with a smile: “Isn’t it strange for those who don’t know…”

“Thank you, Consort, for a lot of tolerance.” Chen Tu wiped the cold sweat off his forehead and was very grateful.

“Chen Tu.”

At this moment, Long Qianyu walked over slowly, frowning and said: “You don’t need to apologize to him, now that the Northern Ying mainland army is overrunning the border, as a border general, you naturally have to strictly check the entry. People, even if you catch the wrong one, it’s your duty, where is the fault?”

Uh…

Hearing this, Chen Tu smiled and nodded, but he murmured inwardly.

what happened?

Looking at the situation, it seems that the relationship between the eldest princess and the concubine is not very harmonious. I caught the wrong concubine, the eldest princess not only was not angry, but also helped herself to speak?

At this time, Yue Feng showed a smile, looked at Long Qianyu and said, “Your Highness, I haven’t seen you for a few days, are you alright.”

A few days ago, Long Qianyu took the embassy to Xi Cang Continent to sign an alliance. Yue Feng deliberately made things difficult for her and forced her to call her husband.

Thinking of the scene at that time, Yue Feng felt extremely happy in his heart.

“Shut up!”

As soon as he finished speaking, Long Qianyu’s pretty face flushed, and he couldn’t help but shout: “Yue Feng, don’t get too close to me, I tell you, from now on, you are not the princess’ concubine.”

When he said this, Long Qianyu’s beautiful face could not hide the shame and contempt in his heart.

This Yue Feng, relying on himself as the Emperor of Xi Cang before, forced himself to call his husband, it was simply too hateful.

Uh…

At this moment, Yue Feng was very embarrassed, smiled bitterly, and said nothing.

wow.

The surrounding civil and military officials were in an uproar.

what's going on?

When the eldest princess said this, she meant to break up the engagement with Yue Feng?

Chapter 2018

"Imperial Sister!" The Queen heard that Long Qianyu was about to regret the marriage, she immediately frowned, and said softly to Long Qianyu: "Don't make a fool of yourself."

Yue Feng and Long Qianyu's marriage was hand-picked by herself , the entire Kyushu Continent knows, if the emperor's sister goes back on it, wouldn't it make the world laugh?

And…. in the heart of the Queen, Yue Feng and Huang Mei had already done things between men and women in Lu Bu's ancient tomb. How can they be divided?

At this time, the queen didn't know yet that Long Qianyu just went crazy and was too hot, so he tore his clothes and didn't have anything to do with Yue Feng.

"Imperial sister."

Long Qianyu was so anxious that he stomped his feet: "I have no feelings for Yue Feng at all, and I won't marry him if I say anything."

After speaking, Long Qianyu glared at Yue Feng and continued. : "In other people's hearts, he may be a great hero, but in my eyes, he is a waste. He was the Emperor of Xi Cang before, but within two days, the throne was taken away by Duan Yu, even his own throne. Can't keep it, does he have the ability to protect his own woman?"

Two days ago, what happened to Yue Feng and Duan Yu in the Emei faction, some people in the arena still don't know, but Long Qianyu is the eldest princess of the Southern Cloud Continent. Lingtong, I already knew this.

Whoa!

The voice fell, and the entire hall suddenly erupted into a heated discussion. Civil and military officials whispered one by one, and there were many discussions.

“What? Yue Feng’s throne has been lost?”

“His Royal Highness Princess Eldest is right. I received news this morning that Duan Yu was in the Emei faction and regained the throne…”

“No wonder Eldest Princess, so disliked by Yue Feng, If it was me, I wouldn’t want to.”

“Yes, the eldest princess is right, she can’t even keep her own throne, can she protect her own woman? How can you be happy when you marry him?”

This… The

voices of discussion kept coming, and the Queen’s delicate face was extremely complicated at this time.

To be honest, the queen was very happy to learn that Yue Feng became the emperor of Xicang. After all, he is the consort of the Southern Cloud Continent. If he is firmly seated in the Xicang Continent, the Southern Cloud Continent will have a permanent ally. .

But now, Yue Feng lost the throne, and the queen was a little disappointed in him.

call!

At this moment, Yue Feng secretly sighed, looked at Long Qianyu, and smiled without saying a word.

Before in the Xi Cang Palace, Long Qianyu learned that she was the emperor and became extremely well-behaved and docile, but now that she lost the throne, she immediately changed her attitude.

It’s a quick turnaround.

“Okay!”

Finally, the queen breathed a sigh of relief and raised her jade hand: “Everyone, be quiet.” The

voice was recorded, and the civil and military officials quickly shut their mouths and stopped talking.

“Imperial sister, your marriage will be discussed later.” The queen looked at Long Qianyu and said softly, “This is not the time to discuss this.”

Yang Jian wanted to unify several continents, and his first goal was Nanyun. mainland. Now that Yang Jian is leading the Northern Ying army, they will fight over soon. Now it is the most important to discuss how to fight against Yang Jian.

“Yes!”

Seeing Huangjie speak, Long Qianyu couldn’t hold onto the topic, so he lowered his head and responded.

However, Long Qianyu did not forget to give Yue Feng a look.

“Yue Feng, why did you suddenly come to the Southern Cloud Continent?” At this moment, the Queen looked at Yue Feng and asked.

this…

Yue Feng pondered for a while, then smiled and said, “I learned that Beiying Continent has come to invade Nanyun Continent. I came to check the situation.” The

reason why Yue Feng came to Nanyun Continent was to find Su Qingyan, but Yue Feng came to the Nanyun Continent to find Su Qingyan. Feng definitely couldn’t tell the truth. After all, Long Qianyu had to break up with him just now. If he knew that he was looking for another woman, he would be even more annoyed at him.

The Queen nodded, without asking any more questions, looked around the audience, and slowly said: “Everyone, let’s discuss, Yang Jian led the troops to call, how should we defend and deploy.”

Wow!

For a time, a heated discussion broke out among the civil and military officials, and they came out one by one to express their views and suggestions. Some of these suggestions were feasible, while others were unrealistic.

The more the queen frowned, the more she suggested listening to her, the more uncertain she was to pay attention.

Haha…

Yue Feng is secretly funny. The suggestions of these ministers are really interesting. All of them advocate defense. The opponent is Zhenjun Erlang.

Muttering in his heart, Yue Feng couldn’t help laughing.

Swish!

Chapter 2019

At this moment, the gazes of the civil and military officials all converged on Yue Feng, with displeased expressions on their faces.

This Yue Feng, even if he doesn't help to find a way, he still laughs.

"Yue Feng!"

Long Qianyu couldn't help it anymore. With a pretty face, he shouted at Yue Fengjiao: "If you're okay, please leave and don't make trouble here." Make

trouble?

Hearing this, Yue Feng was dumbfounded.

I didn't say anything, just smiled, that's a mess?

Thinking to himself, Yue Feng looked at Long Qianyu with a smile, and said slowly, "Your Highness, I don't mean to make trouble, I just think that the suggestions made by the ministers present are very interesting, so I can't help laughing. Get up."

What?

As soon as these words came out, the civil and military officials were extremely ashamed and angry, and they all glared at Yue Feng.

This Yue Feng actually laughed at his suggestion.

A person who lost the throne, what qualifications does he have to laugh at others?

Immediately, a minister couldn't help but said: "Yue Feng, listen to what you mean, Yang Jian calls, you have a way to resist him?"

"Of course." Yue Feng smiled slightly and nodded, although his attitude was frivolous, But with confidence.

Seeing Yue Feng's answer so succinctly, in an instant, the entire hall was silent!

The civil and military officials looked at each other in dismay, and were inexplicably stunned by the words of Yue Feng.

But after a few seconds of silence, the civil and military officials burst into laughter in unison!

“Haha, what nonsense is he talking about, how can he stop the Beiying army? Hahaha!”

“Yeah, just with his current strength, I’m afraid that Zhenjun Erlang won’t be able to catch a single move, and he’s so shameless… Haha!”

“I can’t even keep my own throne, and I still want to block the Beiying army? This is to say Let’s talk about it in a dream…haha!”

Seriously, no one of these civil and military officials would have dared to mock Yue Feng like this before. After all, he is the concubine.

But now, Long Qianyu had indicated that he did not want to marry Yue Feng, and he was rude and contemptuous of everyone. For a time, these civil and military officials were no longer polite.

When everyone laughed, Long Qian’s tone was not good, his delicate face was flushed, and he scolded Yue Feng Jiao: “Enough Yue Feng, can you shut up? Don’t be ashamed.”

Yue Feng’s words, Long Qianyu did not take it to heart.

Everyone present discussed for a long time, but there was no way to do it, but he threatened to block the Northern Ying army, which was a joke.

Yue Feng smiled slightly and ignored him.

“Yue Feng!”

At this moment, the queen looked closely at Yue Feng, and said softly, “Do you really have a way to stop the Beiying army?”

When she said this, the queen’s face was calm, but her eyes showed a bit expect.

Back then, when the Tianqi army attacked the Diyuan Continent, it was Yue Feng who led the Tianmen disciples and fought desperately with all the sects, and finally successfully repelled the Tianqi army.

It can be said that Yue Feng is very talented in leading troops to fight.

Maybe he really has a way.

Yue Feng nodded with a smile: “Yes, if Your Majesty trusts me, he will order to hand over the military power to me and let me take full command.” To

be honest, originally Yue Feng only wanted to find Su Qingyan as soon as possible, not to help Nan Yun Continent, to resist Yang Jian.

However, seeing the current situation in the Southern Cloud Continent, a war would break out at any time. At that time, there would be chaos everywhere, and it would be difficult to find Su Qingyan.

Yue Feng thought about it, and he helped Nanyun Continent to block Yang Jian. Without the war, it would be easier for him to find Su Qingyan.

Swish! Before waiting for the Queen's response, Long Qianyu's face was full of urgency, and he quickly said: "Sister Huang, you must not believe what Yue Feng said, he is making a grandfather, and it is impossible to block the

Beiying army."

The officials also nodded in agreement.

The queen did not speak, but pondered.

Yes, if he gave Yue Feng military power, if he failed, the entire Nanyun Continent would be over.

Chapter 2020

Seeing that Long Qianyu still doesn't believe in him, Yue Feng laughed angrily: "His Royal Highness Princess, are you so sure that I will lose to Yang Jian?"

Hahaha!

Is this Yue Feng joking? What he means is that he can resist Yang Jian? Hahaha!

At this moment, Long Qianyu also laughed in anger, and then he looked serious and said word by word: "Yue Feng, what we are facing in Nanyun Continent is a matter of life and death, and we don't have time to accompany you to make trouble."

Hearing this , Yue Feng laughed angrily: "His Royal Highness, how about we make a bet?"

Bet?

Long Qianyu frowned, and said angrily, "What bet?"

"Just bet if I can block the Beiying army." Yue Feng smiled, very relaxed and confident.

This Long Qianyu has always looked down on herself, and today she must show her what she is capable of.

Over the years, Yue Feng had already mastered Bai Qishen formation by heart. Facing Yang Jian's army, arranging troops was not a problem. Even if the situation was tense, he still had Pang Tong to help him, so he didn't panic at all.

"Okay!"

Long Qianyu thought for a while, looked at Yue Feng and said coldly: "If you lose, we will cancel the engagement, and from now on, you are not allowed to step into our Southern Cloud Continent for half a step."

Since he wanted Gambling, I will gamble with him, he can't win anyway, and I just took this opportunity to distance myself from him.

call!

As soon as these words fell, the civil and military officials suddenly burst into an uproar.

Yang Jian's army is so strong, how can he stop it? Isn't this a chance to give the eldest princess a chance to break the engagement with him?

The queen even frowned, looking at Yue Feng secretly shaking her head.

This Yue Feng was too arrogant. He had already helped him to suppress the marriage contract, but he had to take the initiative to provoke the emperor's sister.

Ugh!

Yue Feng sighed secretly, this Long Qianyu, don't want to have a relationship with him, and he also can't step into the Southern Cloud Continent for the rest of his life, okay, if you don't want to see me so much, I'm not as good as you want.

Thinking to himself, Yue Feng laughed and looked at Long Qianyu: "Okay, then if you lose, you must admit that I am your husband, and you will serve my daily life in the future, and you must be careful not to. Perfunctory."

Whoops!

As soon as these words came out, the civil and military officials couldn't help taking a deep breath. This Yue Feng, knowing that the eldest princess hated him, was too arrogant to make such a request.

Swish!

At the same time, Long Qianyu's delicate face also turned red all of a sudden, staring at Yue Feng fiercely, utterly embarrassed.

His own dignified princess, extremely noble, Yue Feng actually let him serve him?

Feeling Long Qianyu's anger, Yue Feng did not panic at all, and looked at her with a smile: "How is it? Your Royal Highness, do you dare to gamble?"

"Of course!" Long Qianyu chuckled and said coldly: "Why don't you dare to gamble?"

In Long Qianyu's heart, he didn't think he would lose at all.

The Beiying army was so strong, how could Yue Feng be able to stop it? "Your Majesty!"

At this moment, a defender of the city ran in in a panic, his face pale: "Your Majesty, it's not good, the Beiying army is… attacking again!"

When he said this, that The soldier was sweating profusely, and almost collapsed to the ground!

What?

Everyone in the entire hall changed their expressions.

"Quick. Pass my will." The queen also trembled, stood up immediately, and shouted: "Gather the soldiers and prepare to meet the enemy." After speaking, she quickly walked out.

Yue Feng, Long Qianyu and civil and military officials followed closely.

The ultimate husband in Chinese chapter 2021-2030

Chapter 2021

Hiss!

When they got to the top of the city gate and saw the scene outside, everyone couldn't help but take a breath! Yue Feng was also shocked, and only felt his brain buzzing.

I saw the army of hundreds of thousands of Northern Yingmen, lined up in a neat square, and had reached the foot of the city gate.

Above the army, Yang Jian was wearing a golden armor, suspended in mid-air, majestic.

In front of the army, Gonggong and Yue Wuya, as well as Han Bing, stood there quietly. Yue Wuya followed Yang Jian on the expedition, and Han Bing was worried about his brother's safety and followed along.

Ya Er… Bing Er!

Seeing Yue Wuya and Han Bing, Yue Feng's expression was stunned, very surprised.

Why are these two brothers and sisters in the Northern Ying army?

At this time, Yue Feng did not know that after the fall of Tianqi Continent, Yue Wuya was already a general under Yang Jian.

At this moment, Yue Wuya and Han Bing also saw Yue Feng on the city gate, and their expressions were startled.

Soon, Han Bing reacted and was very surprised.

Why is dad here? Shouldn't he be in the Earth Continent?

Yue Wuya, on the other hand, was full of resentment. He had always heard that Yue Feng was the concubine of the Southern Cloud Continent. Yue Wuya didn't believe it very much at first, but when he saw him here, he immediately believed it.

Under such circumstances, Yue Wuya's hatred for Yue Feng became even stronger.

His mother had suffered so much for him. When he got good, he hooked up with other women everywhere, and now he helped the princess of the Southern Cloud Continent to defend against the Northern Ying army. It was really abhorrent.

Swish!

At this moment, Yang Jian, who was suspended in mid-air, suddenly locked his eyes on Yue Feng, very surprised, and then said coldly: “Good boy, you are here too, where is Chang’e?”

Before, Yang Jian issued an imperial decree and sent people to search everywhere. , there was no news of Chang’e, which made Yang Jian very annoyed. Now that I suddenly see Yue Feng, I can’t help it all of a sudden.

What?

In an instant, the civil and military officials of the Southern Cloud Continent were all stunned, looking at Yue Feng in astonishment.

This…. Yue Feng and Erlang Zhenjun know each other?

Also, Yang Jian asked him where Chang’e was. Could it be that Yue Feng is still related to Chang’e?

Yue Feng ignored the gazes of the people around him, and his face was calm and calm.

In the next second, Yue Feng squeezed a smile at Yang Jian: “Yang Jian, are you shameless? Just after Emperor Houyi died, you took the opportunity to seize power. You are not satisfied with being an emperor, and you still want to get the Empress Chang’e. You are so ambitious. Even if you win the world, you will not get the respect of the people.”

“If you have self-knowledge, you should retreat quickly to avoid being punished.”

When he said this, Yue Feng smiled and his tone was full of ridicule.

Anyway, he and Yang Jian have already torn apart their faces, so there is no need to be polite.

wow.

As soon as the words fell, there was an uproar inside and outside Canglan City, whether it was the queen or the civil and military officials, they were all panicked.

This Yue Feng is crazy.

That is Zhenjun Erlang, who is a powerful man in the world. He is so mocking, isn’t he afraid of death?

Especially Long Qianyu, stomping his feet in a hurry.

In the current situation, Nayun Continent is already weak, and Yue Feng is still deliberately angering Yang Jian. Isn't this adding chaos?

Swish!

At this time, everyone's eyes were focused on Yang Jian.

Yang Jian's face instantly turned ashen, he stared at Yue Feng tightly for more than ten seconds, and then sneered: "Okay, very good, I was chased by me like a bereaved dog, how dare you You are arrogant, Yue Feng, you are very kind and arrogant, but arrogant people will not end well, when Canglan City is broken, I will be the first to cut off your head."

Chapter 2022 The

voice fell, Yang Jian's anger sank into his dantian, and his voice resounded throughout the world: "All officers and soldiers obey the order, attack!"

"Kill!" When the

voice fell, Yue Wuya took the lead, waving the bully hammer, and rushed directly to the Nanyun army.

At the same time, hundreds of thousands of Northern Ying troops rushed towards Canglan City like a tide.

Swish.

In that instant, the queen's delicate face turned extremely pale. There were only hundreds of thousands of soldiers on the Southern Cloud Continent. How could they defeat Yang Jian's army of hundreds of thousands? !

"The whole army obeys the order and meets the enemy!" A coquettish shout came from the Queen's mouth.

At this time, the queen was very solemn on the surface, but she was panicked in her heart.

After discussing for a long time, no effective resistance method was discussed. Now, we can only fight to the death.

"Ah!"

However, as soon as the queen's voice fell, the two armies had already collided, and many Nagumo soldiers were seen screaming and falling in a pool of blood.

The soldiers of the Beiying army are generally stronger than the Nanyun soldiers. Fighting alone, the Nanyun soldiers are not opponents at all. Now, the number of the two sides is so disparate that this battle is not fought at all.

“Yue Feng!”

Seeing this scene, Long Qianyu bit his lip and scolded Yue Feng angrily: “It’s all you, you have to provoke Yang Jian, making the situation uncontrollable now, if Nanyun Continent falls, you will I can’t escape the guilt.”

I…

heard this, Yue Feng could not laugh or cry, and said lightly: “Your Highness, what you said, even if I don’t provoke Yang Jian, will he give up the attack?”

In two sentences, Long Qianyu was speechless.

Yes, even if Yue Feng wasn’t here today, Yang Jian would still attack Canglan City, and the Southern Cloud Continent would not be able to resist it.

However, Long Qianyu always held a fire in his heart, his mind changed, and he glared at Yue Feng and said, “Don’t you have a way to stop the Beiying army? Hurry up.”

Haha…

Yue Feng suddenly laughed . He got up and looked at Long Qianyu with a smile: “Don’t you believe that I have this ability? What? Do you believe it now? Otherwise, please beg me…”

“You…”

Long Qian said in a tone of voice. The delicate body trembled, wishing to kill Yue Feng.

What time is it, he still has his mind wandering.

Yue Feng accepted it when he saw it, and stopped teasing Long Qianyu.

The next second, Yue Feng walked up to the Queen and said earnestly, “Your Majesty, the battle situation is urgent now, please give me a military talisman and let me command the army, so there is still a chance of life.” The

military talisman is the supreme token of the Nanyun army. , whoever owns the soldier talisman can mobilize the army.

Originally, the military talisman had always been in the hands of Long Qianyu, but this time the invasion of the Northern Ying mainland was no small matter, so the queen temporarily took back the military talisman and personally commanded the army.

What?

The words fell, Long Qianyu's pretty face changed, and he quickly interrupted: "Imperial sister, you can't give him the military charm."

Yue Feng, full of words, gave him the military charm. worse?

The queen frowned, she didn't respond, she was very hesitant.

"Your Majesty, the fighter plane is fleeting, you believe me, I must have a solution." Yue Feng continued.

Seeing that Nanyun soldiers kept falling in the battlefield, the queen no longer hesitated, nodded and said, "Okay, Yue Feng, don't let me down." Saying this, the queen took out the soldier talisman.

To be honest, the Queen is not at ease with Yue Feng's military charm.

But there was no other way. The current situation was already one-sided, and the Nagumo Continent was almost powerless to resist.

It is better to use a dead horse as a living horse doctor, I believe Yue Feng once, in case he succeeds.

Whoosh!

Yue Feng took the military talisman, and his inner strength urged him to fly into the air at once.

This…

Long Qianyu stomped her feet in a hurry, how could Huang Jie believe this scoundrel?

At this time, Yue Feng flew into the air, raised his dantian, and shouted: "Nanyun soldiers, listen to everyone, all move fifty steps to the left!" At the same time, Yue Feng raised the military talisman in his hand!

At this time, the Nagumo army, all the soldiers were wounded, and more than 10,000 people fell in a pool of blood. At this time, the morale was so low that they did not have the courage to resist.

Chapter 2023

But after hearing Yue Feng's order and seeing the military talisman in his hand, all the remaining soldiers did not dare to neglect, and moved quickly to the left according to Yue Feng's orders.

"The first 20,000 people, fifty paces to the west." Yue Feng took a deep breath and continued to shout: "The last 20,000 people, fifty paces to the east, and tens of thousands of people in the middle, spread out in a fan shape. Quick, must be quick. ."

When he shouted this, Yue Feng's face was solemn and his heart was a little nervous.

To be honest, Yue Feng knew that it was a bit risky to do so, but if he succeeded, he could immediately turn the tide of the battle.

The voice fell, and the Nanyun army did not hesitate, and followed Yue Feng's words one after another.

However, during the movement, Nagumo's army temporarily lost its combat effectiveness, and several thousand more people fell in a pool of blood.

"Yue Feng!"

Seeing this scene, Long Qianyu's face was full of anxiety, and he shouted: "What are you commanding blindly? Hurry up and hand back the soldier talisman, don't be fooling around anymore.

" Pure nonsense.

call!

At this moment, the queen and the civil and military officials were also anxious.

This… Is it okay for Yue Feng to command like this?

Wouldn't it be faster to lose?

The queen bit her lip tightly, and felt a little regretful in her heart, so she should not have given the military talisman to Yue Feng.

Yue Feng pretended not to hear Long Qianyu's coquettish drink, and continued to command the Nanyun army.

Hehe…

At this time, Yang Jian, who was suspended in mid-air, stared at Yue Feng closely, and a contemptuous smile appeared on the corner of his mouth: "How to help Nanyun Continent with this little skill?"

Like Long Qianyu and the others, Yang Jian also thought that Yue Feng was commanding blindly.

Um?

However, at this time, a scene that shocked everyone appeared.

Originally, the Nanyun army was besieged by the Beiying army. However, under the command of Yue Feng, the Nanyun army moved quickly and unexpectedly surrounded the Beiying army.

That's right, hundreds of thousands of people surrounded them.

What?

At this moment, whether it is the queen, the civil and military officials, or Yang Jian, their faces are full of surprise, and their hearts are extremely shocked.

What's happening here?

"This…"

At this moment, Long Qianyu's delicate body trembled, and he stared at Yue Feng in midair, his delicate face was full of shock, unable to speak.

The situation turned around, he… how did he do it?

At this moment, Yang Jian reacted, and looked at the formation of the Nanyun army, his eyes flickered with surprise, and his tone was trembling: "This… This seems to be Emperor Houyi's Wanmu Xuanchong formation?"

Yes, Yue Fengrang The Nanyun army deployed the Wanmu Xuanchong formation. One thousand years ago, Emperor Hou Yi used this formation to trap Zhu Bajie and imprisoned him for a thousand years.

Yang Jian has worked for Emperor Houyi for so many years, and he naturally understands it, but this formation is very mysterious. Only Emperor Houyi knows how to crack it, and Yang Jian can't understand it at all.

At this time, seeing Yue Feng deploying the Wanmu Xuan Chong formation, Yang Jian was not only shocked, but also very puzzled.

This kid, how can Wanmu Xuan rush into the formation?

At this time, Yang Jian didn't know yet that Yue Feng was familiar with Baiqishen Formation, and this Wanmu Xuanchong Formation was just one of the slightly clever formations. To Yue Feng, it was nothing.

"All soldiers!"

At this moment, Yue Feng roared, "Start fighting back."

"Kill.."

Upon hearing the order, the soldiers of Nanyun, without any hesitation, mobilized their inner strength and began to counterattack.

"Ah!" The

Beiying army was surrounded by large groups, and all of them were lost by the big formation. At this time, facing the counterattack of the Nanyun army, none of them had the strength to fight back. They screamed and fell in a pool of blood. among.

call!

Seeing this scene, Yang Jian's eyes were extremely blood-red, holding the three-pointed two-edged sword tightly, his body trembled wildly, and his heart was even more angry!

Chapter 2024

"All officers and men obey orders, don't fight, all break through, break through…" A roar came from Yang Jian's mouth, revealing deep unwillingness! Originally, Nagumo Continent would definitely lose, but this Yue Feng commanded the Nagumo army and laid out a formation to turn defeat into victory.

At this time, Yang Jian could not wait to go directly to the battlefield, but he held back.

To be honest, with Yang Jian's strength, he can completely help the Beiying army to regain the situation, but if they do this, the Beiying army will also pay a heavy price.

After all, Yue Feng's Wanmu Xuan Chong formation is too mysterious.

Yang Jian also intends to conquer other continents. If he loses too many soldiers today, it will not be cost-effective. Only by withdrawing troops quickly can the casualties be minimized.

Hula…

The voice fell, and many Beiying soldiers began to break through, but there were also many generals and soldiers who were still trapped in the great formation. Among them, there is Yue Wuya.

At this time, Yue Wuya was covered in blood. Although most of it was the blood of the enemy, it had consumed a lot of internal energy. At this time, he was already powerless.

“Y’er!”

Seeing this scene, Yue Fengman was displeased and said, “You can’t win today, give up, stop following Yang Jian, come to me, okay?”

When he said this, Yue Feng’s eyes were full of guilt.

I felt sorry for their mother and son originally, and if Ya’er was injured because of him again today, he would not be able to pay it back in his life.

Yue Feng has already thought about it, as long as Yue Wuya gives up resistance, he will find a way to take Qin Rongyin over and the family will be reunited.

“Shut up!”

Yue Wuya didn’t appreciate it, roared, glared at Yue Feng and said, “I will not surrender to you even if I die today.”

When the words fell, Yue Wuya desperately swung the Overlord Hammer to push back the Nagumo soldiers in front of him.

At this time, many people from the Beiying army had already broken out, followed Yang Jian and retreated towards the distant camp.

Ugh.

Seeing that Yue Wuya would rather die than surrender, Yue Feng sighed, then raised his military talisman and shouted: “All the army obey the order, all retreat to the city, don’t fight again.”

Seriously, if it wasn’t for Yue Wuya, None of the trapped Beiying soldiers, Yue Feng would let go.

But there is no way, there is his own son in it.

hula.

The voice fell, and the Nagumo army moved quickly and withdrew to Canglan City.

Taking this opportunity, Yue Wuya rushed out of the siege and quickly chased after the Beiying army without turning his head.

Yue Wuya knew that Yue Feng was deliberately letting him go, but he had no gratitude in his heart.

In an instant, the remaining soldiers of the Northern Ying Continent escaped cleanly and were very embarrassed.

wow.

At this moment, the entire Canglan City, whether it was civil and military officials or the common people, suddenly cheered.

Blocked…. actually successfully blocked the Northern Ying army.

Just a day ago, I couldn't even think about it.

While excited, many eyes focused on Yue Feng, revealing deep shock and admiration.

As expected of the hero of the Earth Circle, it is too powerful.

call!

Yue Feng, on the other hand, did not look happy at all. Seeing that Yue Wuya was safely out of danger, he was relieved, and he moved his figure and slowly landed on the city gate.

"Yue Feng!"

At this moment, Long Qianyu hurried up to meet him, and said very displeasedly: "The enemy troops who were just besieged can obviously be wiped out, why do you want to withdraw?"

Chapter 2025

Yue Feng smiled and did not respond.

Yue Feng's attitude made Long Qianyu very annoyed.

The next second, Long Qianyu thought of something, his eyes flashed, and he stared at Yue Feng: "I see, the young general just now seems to be the prince of Tianqi Continent. I heard that he is your biological son, so you I just let him go, right."

"That's right!"

This time, Yue Feng did not evade, nodding his head to admit it, and at the same time responding, his heart was also extremely bitter.

His own son treats him like an enemy. This father is really…

hehe…

Seeing Yue Feng's admission, Long Qianyu chuckled, his delicate face couldn't hide the contempt in his heart, and continued to mock: " Your own sons are all against you, Yue Feng, you are a failure as a human being."

Phew! Yue Feng was not angry at all, instead he said with a smile: "Your Highness, let's not talk about this

for now. The Beiying army has been successfully blocked by me. Princess Jinkou Yuyan, should not forget her bet."

….

Hearing this, Long Qianyu's delicate body trembled, and her delicate face was immediately embarrassed.

How to do?

I thought that this rogue would bet against me that he couldn't win, but I didn't expect that he really blocked Yang Jian's army, and the big formation deployed before was really amazing.

But… so many people are watching, and Yue Feng's conditions are so excessive, how can he agree?

When he thought that he had to serve Yue Feng, Long Qianyu felt reluctant from the bottom of his heart.

Swish!

At this moment, the eyes of the surrounding civil and military officials all focused on Long Qianyu.

Her Royal Highness, the eldest princess, lost the bet with Yue Feng. With her aloof personality, would she rather die than accept it?

"Imperial sister."

At this moment, the queen smiled and comforted Long Qianyu: "You are the princess, you are responsible for everything you say and deed. The so-called willingness to

gamble and admit defeat, besides, Yue Feng is your concubine, serve you. He is also your duty.” To

be honest, I heard that Yue Feng lost the throne of Xicang Continent before, and the queen was very disappointed with him, and felt that she had made a marriage contract with him and Long Qianyu, and it was unthinkable.

But just now, seeing Yue Feng commanding Nan Yun’s soldiers, successfully blocking Yang Jian’s army, and showing his outstanding talent, the Queen was immediately impressed.

The queen thought about it, Yue Feng has such ability, his marriage contract with Long Qianyu must not be cancelled. On the contrary, such a talent must be retained.

“I…”

Seeing that the Queen had spoken, Long Qianyu bit her lip tightly, feeling entangled in her heart, but she didn’t know how to refute it.

The next second, Long Qianyu bit her lip, walked to Yue Feng, and whispered, “Yue Feng, I’m sorry, I offended you before. I was wrong, don’t take offense.

” Can’t hear.

Yue Feng looked relaxed and looked at Long Qianyu with a smile: “Oh, who said just now that I was a failure as a human being, and also said that I would never be allowed to step into the Southern Cloud Continent for the rest of my life.”

“I was wrong, really You’re wrong.” Long Qianyu bit her lip tightly, almost bleeding.

“Forget it!”

Yue Feng smiled and said lightly, “How dare I blame Her Royal Highness, but what should you call me?”

Saying that, Yue Feng deliberately moved closer, his eyes twinkling provocatively.

“Hu… husband.” Long Qianyu bit her lip and shouted in a low voice.

At this time, Long Qianyu’s face was flushed.

I thought that after Yue Feng lost the throne of Xicang Continent, Huangjie would see him clearly and agree to break off the marriage, but she never expected that Yue Feng would win the confidence of Huangjie by defending against the Beiying army today. And myself, in the end, I still have to call him husband. This husband, the shouting Long Qianyu blushed.

The ultimate husband in Chinese chapter 2026-2030

Chapter 2026

“Yue Feng!”

At this moment, the queen said: “Today, you command the army and use your soldiers like a god, which is really eye-opening. From today, this military charm will be handed over to you, I hope you can thoroughly Defeat the Beiying army, and let Yang Jian break the idea of conquering our Nanyun Continent.”

Yue Feng has such a talent, and only he can block the Beiying army. It is most suitable to return the soldier’s talisman to him.

Anyway, he is the concubine of the emperor’s sister, not an outsider.

“Thank you for your trust, Your Majesty.” Yue Feng was rude and nodded with a smile.

Immediately, Yue Feng said to the surrounding generals: “Wait for the army to gather and wait for my deployment.”

“Yes, Consort.” The generals responded quickly, and then quickly went to prepare.

Originally, these generals looked down on Yue Feng, but when they saw his outstanding commanding ability, they all admired each and every one of them. At this time, they did not dare to neglect Yue Feng’s orders.

“His Royal Highness.”

At this time, Yue Feng turned back and looked at Long Qianyu with a smile: “Husband, I’ll go to deploy the defense first, you go back and clean up the room well, it’s best to prepare some hot water, and let me take a good shower. Take a bath.”

I traveled thousands of miles to the Southern Cloud Continent, covered in dust, and helped defend against the Northern Ying army, so I naturally wanted to take a bath and have a good rest.

After the voice fell, Yue Feng walked down the city gate and began to dispatch the army and deploy defense.

Swish.

At this moment, Long Qianyu’s delicate body trembled, and his face was blushing.

This bastard, in front of so many people, even told himself to take a bath.

This chapter is provided by . Visit for daily update.

Just too embarrassing.

……

At this moment, the Beiying army barracks.

Inside the coach's tent, Yang Jian sat there, his face gloomy, and his whole body was filled with endless anger.

I thought that I would be able to capture Canglan City before sunset today, but I didn't expect that a Yue Feng suddenly appeared, disrupting all my plans.

Not only that, the battle just now also damaged many of his own soldiers.

As True Monarch Erlang, he has been shaking Kyushu for thousands of years. When did he suffer from this kind of cowardice?

The more Yang Jian thought about it, the more angry he became, his eyes were full of evil spirits, which was very terrifying.

On the two sides below, Yue Wuya, Han Bing and the generals stood there one by one, bowing their heads and saying nothing, their expressions solemn.

His Majesty is angry, who dares to touch the bad head.

Especially the ice, the mood at this time is very complicated.

His father helped Nanyun Continent and defeated the Beiying army. Yang Jian would definitely not spare his father easily.

Under such circumstances, if he and his brother continued to help Yang Jian, wouldn't they be completely hostile to their father?

Should I persuade my brother to leave here and go to his father?

Thinking to himself, Han Bing quietly glanced at Yue Wuya, and seeing his gloomy and frightening face, Han Bing temporarily dismissed his thoughts.

"Your Majesty."

At this moment, a soldier walked in quickly and said in a panic, "Your Majesty, there is a strange person by the creek at the rear of the camp, and his subordinates don't know how to show his favor. …"

There is a small stream behind the camp, and Yang Jian specially sent people to the surrounding realm. You must know that the water source is very important for the army to fight, and it is related to the army's consumption.

"waste!"

Hearing this, Yang Jian was furious and roared: "I can't handle this trivial matter, what do I want you rubbish for?" Just after the defeat, Yang Jian was already angry, when he learned about the water source of the camp, When someone broke in, it was even more unforgivable.

puff.

The soldier was so frightened that he hurriedly knelt down and kowtowed, panicking: "Your Majesty, calm down, that weirdo is very powerful. He has injured several soldiers just now. We…"

Chapter 2027 Before

he could finish speaking, Yang Jian interrupted directly.

"Okay, don't talk about it, take me to see, I want to see, what kind of expert." Yang Jian said coldly, then stood up and strode out of the camp.

Yue Wuya, Han Bing and many other soldiers quickly followed.

Soon, Yang Jian and everyone came to the stream behind the camp.

Um?

From a distance, Yang Jian and the generals frowned secretly.

I saw a man in a black robe sitting leisurely fishing beside the scenic creek. The man had long gray-white hair and wild waves. He seemed to be sitting there peacefully, but he gave him a sense of relief. A powerful aura that cannot be offended.

It is Zhang Jiao!

After leaving the ancient tomb and separating from the ice, Zhang Jiao began to travel around the world, traveling around the mountains and waters!

Passing by this place today, I saw the beautiful scenery around, the stream in front of me is clear, and there are many fish in it. Zhang Jiao made a fishing rod on a whim to fish here and enjoy his leisure time.

Zhang Jiao has an arrogant temperament and knows that this is the camp of the Beiying army, but he doesn't take it to heart.

Swish.

Seeing Zhang Jiao sitting there, still motionless, very relaxed and comfortable, Yang Jian's face was ashen, and the anger in his heart rose.

As the emperor of Beiying, the true monarch Erlang, who is the most powerful person in the world, who is not respectful when he sees himself? But this person in front of him, not only did he not kneel and salute, but also ignored himself? !

Master?

However, Han Bing next to him trembled as he stared at Zhang Jiao, very surprised. When we separated, Master said that he had been detained for too long, and he had to take a good look at the outside world, but he didn't expect to meet him here.

Thinking to myself, Han Bing was about to come forward to say hello, but just as he was about to speak, he was interrupted by an angry shout.

"Breaking things!" Seeing a captain of the palace guards, he rushed out quickly and yelled at Zhang Jiao: "Your Majesty is here, why don't you kneel? Do you want to lose your head?"

The captain of the guards, whose name is Wang Qi, The strength of the Fifth Stage Martial Emperor!

Um?

Hearing this, Zhang Jiao frowned, and a contemptuous smile appeared on the corner of his mouth.

kneel? In this world, it seems that no one is worthy of kneeling!

Thinking to himself, Zhang Jiao didn't even look at Chen Qi, and he sat there and continued fishing.

Swish!

Seeing Zhang Jiao's reaction, Yang Jian's inner anger was completely aroused. He is such a arrogant and unruly man.

Zhang Jiao is dressed in ordinary clothes, and looks like he is sleeping in the open.

At this moment, Chen Qi was also completely angry, pulled out his long knife, and roared: “Dare to be disrespectful to Your Majesty, courting death!” After the

voice fell, Chen Qi rose into the air and went straight to Zhang Jiao.

hum!

A powerful breath burst out from Chen Qi’s body, and a dazzling light burst out from the long knife in his hand, coming straight to Zhang Jiao’s back, and he saw that the air was torn apart, and the momentum was amazing.

Seeing Chen Qi attacking, Zhang Jiao looked disdainful.

“Beyond your own power!” A cold voice came from Zhang Jiao’s mouth.

Immediately afterwards, Zhang Jiao raised his hand and waved lightly. Under the surging internal force, a protective film quickly formed and enveloped Zhang Jiao.

Bang.

In an instant, the long knife slammed into the protective film, but did not smash it. On the contrary, Chen Qi let out a groan, and was directly shocked by the powerful force on the protective film, and flew out dozens of meters away. , broke a few trees, and fell heavily to the ground.

puff.

At this moment, Chen Qi’s face was pale, he spat out a mouthful of blood, his breath was very sluggish, his eyes stared at Zhang Jiao, and his heart was extremely shocked.

Chapter 2028

Chen Qi stared at Zhang Jiao closely, sweat dripping down.

Who is this? Good strength.

To be honest, Zhang Jiao had shown mercy just now. If he had erupted with all his strength, Chen Qi would have been shaken to death by now.

call.

At the same time, Yang Jian and the surrounding soldiers were also stunned, their faces full of shock.

Chen Qi is a fifth-tier Martial Emperor. With a full blow, he was easily blocked by this person with a protective film?

And, it’s so easy.

Who the hell is this?

Swish!

At this time, Yang Jian reacted, his eyes fixed on Zhang Jiao, his face was extremely ugly, and he said coldly: “Take this person to me.”

No matter who the other party is, if he dares to make trouble in his own camp, he will die. .

Swish swish…

The voice fell, and dozens of guards rose into the air one after another and surrounded Zhang Jiao.

These guards are all responsible for the security of the palace, and their strength is not weak. It can be said that the lowest realm is also the third rank Martial Emperor, and most of them are the fourth rank Martial Sovereign.

In an instant, dozens of guards, the burst of breath, distorted the sky, and the momentum was amazing.

However, Zhang Jiao looked indifferent and did not panic at all, but muttered very irritably: “It’s not over, right?” When the

voice fell, Zhang Jiao waved a palm and directly smashed the big tree next to it, and the big tree directly It cracked into a few pieces of wood, and then Zhang Jiao inserted these wood piles around him.

The action is smooth, yet dazzling.

call!

Seeing this scene, Yang Jian and Yue Wuya all frowned secretly. The wooden stakes placed by this man seemed simple, but it gave people a feeling of change.

Could it be that this is an array?

Bang bang bang…

At this moment, dozens of guards have rushed to the front, and they have exploded their skills and attacked Zhang Jiao. Zhang Jiao is not in a hurry and moves the stake quickly. Dozens of guards have not responded yet. Come here and get trapped inside one by one.

Yang Jian guessed right. Zhang Jiao used these stakes to deploy a formation called ‘Reversal of the Five Elements’.

A thousand years ago, Zhang Jiao was known as the General of Tiangong. He led the Yellow Turban army, conquered all directions, and shook the world. In addition to relying on his powerful strength and outstanding commanding ability, the most important thing was Zhang Jiao’s accomplishments in formation. .

And this reversal of the five-element array is one of the arrays that Zhang Jiao has learned.

In the blink of an eye, ten minutes passed, and dozens of guards were still trapped inside, turning around in circles.

This….

seeing this scene, whether it is Yang Jian or Yue Wuya, everyone is completely stunned, their faces are incredible.

This person, just using a few wooden stakes and placing them in a few random positions, can actually exert such a miraculous effect, trapping dozens of masters in it?

Incredible.

Huh..

At this moment, Yang Jian reacted, and was extremely annoyed. With so many guards, he couldn’t even catch a single one, and the face of the Northern Ying army was completely lost.

Thinking to himself, Yang Jian couldn’t take it anymore, staring at Zhang Jiao, his tone full of murderous intent: “Okay, very good, I thought it was a mountain villager, but I didn’t expect it to be an expert outside the world, I’m here to learn. Learn your methods.”

hum!

The voice fell, and a terrifying aura burst out from Yang Jian’s body, and in an instant, the surrounding air seemed to be stagnant!

Unfathomable and powerful coercion, suppressing people panic!

Um?

Feeling Yang Jian’s terrifying aura, Zhang Jiao’s expression changed slightly, and he immediately became vigilant.

This Erlang Zhenjun is worthy of being a world-famous peerless powerhouse, and his strength is very strong.

When he was fishing here before, Zhang Jiao knew that this was the camp of the Beiying army, and the commander was Yang Jian, the true prince of Erlang.

Thinking about it, Zhang Jiao was motivated by internal force, and he was on guard, ready to meet Yang Jian's attack at any time.

Bang!

At this time, Yang Jian didn't talk nonsense, he held the three-pointed two-edged sword tightly, and came directly towards Zhang Jiao.

"Your Majesty, don't…"

But at this moment, Han Bing couldn't help shouting, her delicate face was full of anxiety and worry: "I beg Your Majesty to stop, he is my master, this should be a misunderstanding… ."

When he said this, Han Bing only felt that his heart was about to jump out.

She knew that the master was very strong, but the opponent was the real master of Erlang, Yang Jian. If he really fought, he might not necessarily be his opponent. As a disciple, how could he bear to watch his master get into trouble?

Um?

Hearing this, Yang Jian immediately stopped, looked back at Han Bing, and said in surprise: "Is he your master?"

Han Bing quickly nodded, and said nervously: "Yes, please be merciful to Your Majesty."

What?

At this moment, Yue Wuya in the crowd was shocked and very surprised.

The expert in front of him turned out to be his sister's master? Why haven't I heard her say it before?

At this time, Yang Jian didn't say anything anymore, nodded, and the figure landed down, and at the same time put away the three-pointed two-edged sword.

This Han Bing is Yue Wuya's younger sister. She went out with the army along the way. She has no credit or hard work. Since this person is her master and her own, there is no need to care about it.

"Disciple?"

Chapter 2029

At this time, Zhang Jiao was stunned when he saw the ice, surprised and happy.

Before, his attention was all on the fishing rod, and he didn't notice the ice at all. At this time, he suddenly saw his apprentice, which was very unexpected.

"Master!" Han Bing walked over quickly, his tone couldn't hide his joy and happiness: "You old man, why are you fishing here, now the two continents are at war, the situation is very chaotic, are you not afraid of causing trouble?"

Haha. ..

Zhang Jiao laughed and said very boldly: "They are fighting their battles, and I am fishing for my fish. It has nothing to do with each other. What are you afraid of?"

"But…"

Hearing this, Han Bing bit her tightly. He pursed his lips and was very tangled: "But my brother is working on the Northern Ying Continent. If you insist on fishing here, your Majesty will be unhappy. At that time, the disciple will be very embarrassed."

"Okay, okay!" Zhang Jiao laughed and said helplessly: "Teacher said so, I will go to play somewhere else."

Immediately, Zhang Jiao muttered to himself: "Oh, I finally got interested and wanted to catch a good fish. The fish are disturbed one after another, that's all, I won't fish."

When he said this, Zhang Jiao looked unhappy, but looking at Han Bing's eyes, there was love, to be honest, in his heart, The only relative in this world is this clever and clever disciple.

call!

Hearing this, Han Bing immediately smiled happily, took Zhang Jiao's hand, and said coquettishly, "I knew that Master would not embarrass the disciple. Master is very good."

“Okay.” Zhang Jiao smiled slightly and rushed towards Looking at the ice, he said, “Master continues to swim in the mountains and waters. When there is time in the future, Master will find you.” After

speaking, Zhang Jiao turned and walked towards the distance.

At this moment, Han Bing was very reluctant and wanted to speak to keep him, but he held back.

She understands Master’s personality, likes to be free, and is most troubled by trivial matters.

“Sir, stay!”

At this moment, Yang Jian suddenly spoke! , and then the figure flashed, blocking Zhang Jiao’s way.

Swish!

Zhang Jiao immediately stopped and looked at Yang Jian with a frown: “What?”

His subordinates were taught a lesson by him, but Yang Jian was so angry that he didn’t want to let him go?

Phew…

At this moment, Han Bing and Yue Wuya were also secretly nervous and worried.

What is your majesty going to do, haven’t you calmed down yet?

At this time, Yang Jian showed a smile and asked Zhang Jiao: “Just now, Mr. just arranged a small formation, and it trapped my incompetent men. Your surname is your name.” To

be honest, Yang Jian, like Zhang Jiao, are both arrogant and arrogant people, if it were normal, Yang Jian would never speak so politely.

The previous attack on Canglan City failed, Yang Jian was very annoyed, and was worrying about how to break Yue Feng’s great formation. At this time, seeing that Zhang Jiao was also highly accomplished in the formation, he suddenly thought of winning.

If this person used it for himself, wouldn’t it be easy to destroy Canglan City?

“The old man’s surname is Zhang Mingjiao.” Zhang Jiao responded lightly.

What?

Hearing this, Yang Jian was stunned for a moment, and then his heart was ecstatic.

It turns out that he is Zhang Jiao, haha…

Thousands of years ago, Zhang Jiao led the Yellow Turban army to conquer the continent of Kyushu and became famous. How could Yang Jian not know?

At this time, Yang Jian was very shocked, and at the same time looking at Zhang Jiao's eyes became even hotter.

The next second, Yang Jian said earnestly: "It turns out that it is Mr. Zhang, who has long admired the name, Mr. Zhang, I know that you are a generation of strange people, a genius of the sky, would you be willing to join me to conquer the Kyushu continent and create the great cause of the world?"

Saying this At that time, Yang Jian's eyes were full of urgency!

Now, to conquer other continents, there is an urgent need for talents, and there are enough generals around him to fight, but there is only one less counselor who can advise and arrange troops.

And Zhang Jiao in front of him is very resourceful, and it is the most suitable for him to be his own military advisor!

Conquering the Kyushu Continent with you?

Hearing this, Zhang Jiao frowned.

Immediately, Zhang Jiao smiled lightly: "I'm sorry, I'm not interested."

If it was a thousand years ago, Zhang Jiao would have been tempted directly, but after being imprisoned for a thousand years in Lu Bu's ancient tomb, and experiencing life and death, Zhang Jiao saw everything. .

Wang Tubaye is just a floating cloud, and now Zhang Jiao just wants to travel around the world without any restrictions.

What?

Hearing this, everyone around was stunned.

This… This person actually rejected His Majesty directly?

Uh…

Hearing this, Yang Jian was very embarrassed, and when he saw Han Bing next to him, he immediately had an idea.

“Mr. Zhang.” With a sincere expression on his face, Yang Jian persuaded Zhang Jiao: “I know that you will undoubtedly have disputes in the mainland, but you, your apprentice, will fight with me everywhere, and you will encounter all kinds of dangers at that time. As a master, you don’t have to worry about the safety of your disciples?” After

speaking, Yang Jian continued: “As long as you are willing, I will immediately appoint you as a military advisor and command the three armies on my behalf, one person is more than ten thousand people. How?”

Yang Jian It can be seen that Zhang Jiao loves Han Bing very much. As long as he uses Bing Bing as an excuse, Zhang Jiao will definitely not refuse.

Whoa!

In an instant, the surroundings were restless, and countless pairs of eyes converged on Zhang Jiao’s body, flickering with shock and complexity.

His Majesty wants to make him a military advisor, which is a supreme honor.

call!

Zhang Jiao pondered for a few seconds, looked at Han Bing, and finally took a deep breath and nodded, “Okay!”

Chapter 2030

Seriously, Zhang Jiao really doesn’t want to fight anymore, but Yang Jian guessed right, in Zhang Jiao’s heart, the only relative in the world is Tuer Hanbing.

Therefore, in order to make sure that nothing will happen to the ice in the war, Zhang Jiao had to agree.

“Haha!” Seeing his answer, Yang Jian was very excited, and laughed loudly: “Okay, great, with Mr. Zhang’s assistance, I can unify the Kyushu continent, just around the corner! Haha..” The words

fell, and the surrounding soldiers rushed in. Kneeling down and shouting in unison, the momentum is shocking.

“Your Majesty Shengming, long live, long live, long live! Military division thousand years old thousand thousand years old!”

Seeing this scene, Zhang Jiao looked indifferent.

He only cares about the safety of his disciples. As for the unification of the Kyushu continent, he doesn't care.

call!

At this moment, Han Bing's delicate body trembled and looked at Zhang Jiao closely, feeling very moved.

Master didn't like to be restrained the most, but for his own sake, he chose to stay.

…..

the other side.

In Canglan City.

After several hours of deployment, Yue Feng finally arranged the Nanyun army in every corner of Canglan City, and made all defenses to prevent the Beiying army from attacking the city again.

Of course, Yue Feng didn't deploy it randomly, and secretly asked Pang Tong to give a lot of advice.

Pang Tong was a famous advisor during the Three Kingdoms period. With his participation, the defense of Canglan City would not be a problem at all.

"I wear the stars and the moon, and my heart is like an arrow. I want to see the beauty in the boudoir…"

At this moment, with the bright moon hanging overhead, Yue Feng hummed a little tune and walked towards the place where Long Qianyu lived, very relaxed and comfortable.

As the eldest princess, Long Qianyu has a noble status. Like the queen, she lives in the courtyard of the Grand Commander's Mansion.

Speaking of which, the empress's proud daughter of the sky must build a palace in advance every time she goes to a place on weekdays, but this time the Northern Ying army came suddenly, and the empress rarely came to the border, so there was no palace in Canglan City, so she could only stay in Chen temporarily. The great commander's office of the picture is aggrieved.

Soon, when he entered the Grand Commander's Mansion, Yue Feng saw that the lights in the small courtyard behind were all turned off.

Obviously, the Queen and Long Qianyu were both physically and mentally tired from defending against the Northern Ying army during the day, so they rested early.

Ugh.

Seeing this scene, Yue Feng secretly shook his head and sighed.

This Long Qianyu can't do it. She promised to fulfill the gambling contract and wait for her to go to bed. As a result, she went to bed before she came back.

Muttering in his heart, Yue Feng walked towards the small courtyard.

I go.

As soon as he entered the courtyard, Yue Feng was stunned.

This small courtyard has two wing rooms, which are exactly the same. Which one is Long Qianyu's room?

Yue Feng saw that the appearance and layout of the two wing rooms in front of him were exactly the same, and he couldn't tell them apart at all.

For a time, Yue Feng only felt that his head was getting bigger.

Forget it, the one on the left.

A few seconds later, Yue Feng calmed down and entered the wing on the left.

hiss!

As soon as he walked in and saw the scene inside, Yue Feng was shocked and couldn't help taking a breath.

I only saw a golden silk dragon robe on the soft cave of this wing, and on the soft cave lay a slender and charming figure.

It is the queen!

Yue Feng saw that there was only the Queen in the elegant room in front of him. Obviously, the queen was going to rest and sent out the maids and eunuchs.

The ultimate husband in Chinese chapter 2031-2040

Chapter 2031 Not

bad!

Yue Feng took a deep breath and secretly rejoiced.

Fortunately, neither the maid nor the eunuch were there, otherwise it would be difficult to explain if they saw it.

Hiss…

muttering in my heart, Yue Feng turned his eyes to the queen, couldn't help but gasped, and his eyes couldn't move.

I saw that the queen at this time was lying on the soft couch, wearing only a silk gauze. Her charming curves were simply indescribably beautiful, and on her beautiful face, her eyes were slightly closed and her eyelashes trembled slightly. , is simply heart-wrenching.

I have to say, this queen is really sexy.

After watching for a few minutes, Yue Feng finally reacted.

How did you find yourself fascinated? While the Queen is resting, leave quickly.

If she woke up the queen, how could she forgive herself.

I thought to myself, Yue Feng was about to leave.

"Hey…"

As soon as he turned around, he heard a faint sigh from the queen.

I go!

This sigh made Yue Feng's whole body startled, and his soul almost flew out of the sky.

This chapter is provided by . Visit for daily update.

It's broken, has the queen found herself?

At this moment, Yue Feng didn't dare to move when he stood there, and he didn't even dare to look back. He only felt that his heart was beating in his throat.

“Emperor…”

Just when Yue Feng was uneasy, he heard the queen speak softly again: “Emperor, you know, I’ve been so tired over the past few years…and I miss you… “

what’s going on?

Hearing this, Yue Feng reacted, and then looked back, at this sight, Yue Feng was completely dumbfounded.

As for the queen lying on the soft couch, her eyes were closed and she was obviously asleep, but she kept talking: “In these years, I have dealt with the government with all my heart, so that the Southern Cloud Continent will be peaceful and the people will be happy. , the concubine did not embarrass you, but I am so lonely in my heart, I miss the days when you were there…”

Hu!

Seeing this scene, Yue Feng frowned secretly, but he finally understood something.

A few years ago, Yue Feng also made a mistake and entered the queen’s palace. Yue Feng clearly remembered that at that time, the queen was drinking alone and was very lonely. After being drunk, she mistakenly thought of herself as her husband. Fortunately, at that time, I was witty and didn’t tell the truth, and only escaped the disaster.

At this time, the situation in front of him is obvious, the queen misses her husband again.

It seems that the relationship between this queen and the previous emperor is really good. She rests at night and meets her husband in a dream.

Um?

However, at this time, something caught Yue Feng’s attention.

I saw that on the table next to the soft collapse, there was a delicate small bottle, the small bottle was amber, crystal clear, and there were several pills inside, exuding bursts of fragrance.

I go…

Yue Feng walked over slowly, picked up the vial and looked at it, his heart was shocked, and he was very surprised.

This….it seems to be an extremely rare magic drug, fascinated by dreams.

It is recorded in Wuji Danshu that Mimengyin is a very unique phantom medicine. After taking it, it can produce strong hallucinations and can see anyone you meet.

It's just that the materials used to refine the dream are very rare and rare. Yue Feng had thought about refining before, but the required materials were too hard to find, so Yue Feng gave up. Unexpectedly, the Queen of Nagumo actually has a refined dream guide.

Looking at the situation, the queen misses the late emperor too deeply, so before going to bed, she takes Mimengyin. I want to see the emperor in my dream.

No wonder he kept talking in his dreams.

Yue Feng guessed right. The Queen of Nayun is taking Mi Meng Yin. She is a woman who is in charge of the entire Nayun Continent. It is very hard work. I got a dream guide, ready to meet the late emperor in a dream, and come to confide my heart.

Chapter 2032

Wanting to understand this, Yue Feng breathed a sigh of relief and turned to leave.

Since the queen is talking in her dreams in a fantasy, what else is there to be afraid of?

"Emperor!"

Before he turned around, he saw the queen's delicate body coming over, and her jade hand grabbed Yue Feng's arm.

At this time, the queen, under the medicinal power of Mi Mengyin, completely entered the fantasy realm, and she didn't realize that she was holding Yue Feng by accident.

"Xiandi, the Northern Ying Continent is calling. We successfully blocked it today, but I know that Yang Jian will definitely not give up and will make a comeback. I am so afraid…" The queen hugged Yue Feng's arm and kept going. self-mumbling.

The queen at this time, in the illusion, told her heart to the emperor, completely lost her previous majesty, but restored the weakness that a woman should have, which is pitiful.

However!

Yue Feng couldn't be in the mood to appreciate the Queen's tenderness, and he couldn't be more anxious.

It's broken, the queen is holding herself tightly. If she is forced to break free, it will cause her to wake up from the illusion, but if she doesn't break free, what will she do if she holds her for a night?

When it was dawn, the eunuchs and maids came in, wouldn't they be at a loss for words?

Anxious in his heart, Yue Feng didn't dare to move, his palms were sweaty.

"Emperor!"

At this moment, the queen continued to speak softly: "Did you know that the one who defeated the Beiying army today was the concubine of the emperor's sister, Yue Feng, the sect master of Tianmen in the Earth Circle Continent, and I am going to take military power. Leave it to him, I hope he can completely defeat the Beiying army…"

While speaking, the queen put a pair of jade arms around her and hugged Yue Feng tightly, unable to hide her inner excitement: "Xiandi, if you are still here, How good, I won't be so embarrassed…"

When she said this, the empress could not help herself, her delicate face was full of infinite tenderness, sticking tightly to Yue Feng's heart.

hiss!

At this moment, looking at the queen in his arms and her wonderful curves, Yue Feng couldn't help taking a breath.

Especially when the queen hugged him tightly, with the unique fragrance on her body, Yue Feng only felt that his mind was blank, and he was completely stunned.

At this time, the empress was overwhelmed with emotion, and her red lips came up and kissed Yue Feng.

At this time, the queen was completely immersed in the illusion, and regarded Yue Feng as the emperor in the fantasy, and she could no longer restrain her tenderness.

hum!

At this moment, Yue Feng only felt that he had been electrocuted, his whole brain was buzzing, and the whole person was stupid.

broken.

Finally, Yue Feng reacted and couldn't help but said: "Your Majesty, Your Majesty, wake up…" To

be honest, although it is a big crime to break into the Queen's room by mistake, but if you take advantage of the Queen, it is a capital crime. , to be beheaded.

After weighing the pros and cons, Yue Feng decided to wake up the queen.

However, at this time, the queen was unable to control herself, completely lost her mind, and couldn't wake up at all.

Pfft!

The next second, before Yue Feng could react, the queen kissed him at once.

"Your Majesty, Your Majesty?" Yue Feng was completely stunned, and kept trying to wake up the Queen.

At this time, the queen couldn't hear Yue Feng's voice, she hugged Yue Feng tightly.

I don't know how long it took, but after everything was over, the queen returned to calm and fell asleep.

Yue Feng sat beside him with mixed feelings in his heart. No, you have to go quickly, the queen is awake, don't you want her own life?

Leave before the queen wakes up!

Thinking to himself, Yue Feng quickly put on his clothes and left the room quietly.

At this time, it was just a little light outside.

Yue Feng frowned secretly, it was still early, and it would not be appropriate to go to the city gate to deploy the army by himself.

Thinking to himself, Yue Feng looked at the wing next door, hesitated, and walked in directly.

I had entered the wrong queen's room before, and the one in front of me must have belonged to Long Qianyu.

call!

As soon as he pushed the door in and saw the scene in front of him, Yue Feng couldn't help taking a deep breath and was stunned.

I saw that Long Qianyu was sitting on a chair in a long white dress, and his delicate face was a little tired.

Obviously, Long Qianyu didn't sleep all night.

"Yue Feng!"

Seeing Yue Feng coming in, Long Qianyu's delicate body trembled, biting his lip, and said unhappily, "Why did you come back so late? Where have you been this night?"

When he said this, Long Qianyu's tone was indifferent, but his heart beat faster and he was very nervous.

Not bad, Long Qianyu didn't sleep all night.

Bai Tian lost a bet with Yue Feng and wanted to serve Yue Feng, which made Long Qianyu very depressed. As the eldest eldest princess, she has always been dressed in fine clothes and food. She is served by others in everything, so how can she serve others? ?

Just willing to admit defeat, Long Qianyu had no choice but to keep his promise and waited in the room for Yue Feng to come back.

That night, Long Qianyu was very uneasy. He was afraid that Yue Feng would come back and make even more demands of himself. He never dared to sleep, but he didn't expect that after waiting all night, it was almost dawn before Yue Feng came back.

Chapter 2033

At this time, Long Qianyu lost the nervousness and nervousness he had before, only anger.

This bastard made himself nervous and waited all night in vain.

broken.

Feeling Long Qianyu's anger, Yue Feng's heart jumped and he became a little nervous.

This Long Qianyu should not know about himself and the Queen. After all, the two wing rooms are not far away.

In fact, Long Qianyu did hear the voice of the queen last night, but she knew that the queen often took the magic pill and met the emperor in her dreams, so Long Qianyu subconsciously thought that the queen was a dream To be intimate with the emperor.

"I…"

Yue Feng scratched his head and said with a smile, "I am arranging the army and deploying the defense of Canglan City."

When he said this, Yue Feng did not look at Long Qianyu.

After all, there is no point in lying if you do something wrong. Hearing this, Long Qianyu snorted coldly, and said

angrily: “Does it take a night to deploy defense? I think you did it on purpose? You deliberately asked me to wait for you in the room? Right?”

Qian Yu’s tone became colder: “I tell you, Yue Feng, don’t think that if you win the bet, you can do whatever you want with me. Before you get married, you can sleep in my room, but you can’t take advantage of me.”

Phew!

Hearing this, Yue Feng breathed a sigh of relief.

It turned out that I was angry because I had waited for me all night in vain.

Thinking to himself, Yue Feng looked at Long Qianyu with a smile: “Your Highness, if you say this, you will be seen outside, you see, you are calling my husband, we still live in a room, we are all family, you Are you still so indifferent to me? What kind of reason is this? Come on, let your husband take a good look at it…” The

voice fell, Yue Feng walked over slowly, with a wicked smile on his face.

“You…”

Long Qianyu’s delicate body trembled, and he quickly stood up, nervously saying, “You…what are you going to do?”

This bastard wouldn’t want to treat himself…

However, Yue Feng He just passed by her, lay directly on the bed, stretched his waist and said: “Your Highness Princess, you promised to serve me, oh, I’m exhausted from deploying the defense just now, go and wash my face with a basin of water.”

Saying this At the time, Yue Feng smiled wickedly and looked like an uncle.

Haha…

Her Royal Highness, the dignified princess, being summoned by herself, it’s cool to think about it.

To be honest, Yue Feng didn’t really want to do anything to Long Qianyu, he just wanted to see her reaction. You must know that Long Qianyu is always a goddess in front of outsiders. If you really serve yourself, then you will make a lot of money.

At this moment, Long Qian’s delicate body trembled.

This bastard actually asked himself to wash his face.

However, willing to admit defeat, Long Qianyu said nothing, stomped his feet, and went out to draw a basin of water.

Yue Feng quickly got up with a smile, washed his face, and in an instant, he was refreshed.

“His Royal Highness!”

At this moment, Yue Feng sat on the bed with a thorn, and smiled at Long Qianyu: “My husband’s leg is sore, come and beat me…”

Swish!

When the words fell, Long Qianyu’s face was blushing all of a sudden, and he almost exploded with anger, staring at Yue Feng: “Yue Feng, don’t go too far.”

Long Qian’s delicate body trembled. Your own dignified princess, when have you beaten your leg?

“Your Highness, Princess.” Yue Feng smiled slightly and said, “If you lose the bet, you have to admit it. Besides, I just made you beat your legs, and I didn’t ask you to do anything else, why is it too much?”

“You… .”

Long Qian’s tone was not good, he wanted to refute, but he didn’t know what to say.

After all, Yue Feng was right, just beating his legs was not too much.

Thinking to himself, Long Qianyu bit his lip and said coldly, “Okay, I’ll beat you…” After speaking, Long Qianyu walked over.

When he got to the front, Long Qianyu squatted directly in front of Yue Feng, raised his pink fist, and gently beat Yue Feng’s leg.

Comfortable…

At this moment, when I admire Long Qianyu from a close distance, Yue Feng enjoys that charming curve very much, showing a smile, an indescribable joy in his heart.

Haha…

The dignified princess, to beat her leg at this time, if it were another man, it would be a blessing that she would never dare to imagine in her whole life.

Papa…

Just when Yue Feng was secretly complacent, he saw Long Qianyu raised his jade hand and shot like electricity, sealing Yue Feng's two acupoints all at once.

These two acupoints, one is the Dingshen point, and the other is the most sensitive point on the human body.

shit.

Yue Feng couldn't react at all, his body jerked, and he couldn't move for a while. Then, he felt sore and numb all over his body. That kind of feeling was like an accidental electric shock, which was very uncomfortable.

"You…"

Yue Feng looked at Long Qianyu in disbelief, his voice trembled: "Your Highness Princess, what are you doing with my acupuncture point? You want to murder your husband, quickly untie it for me.."

Chapter 2034

Yue Feng was sweating profusely, Nima, the numb point was punctured, it felt too uncomfortable.

Long Qianyu smiled and said softly, "Aren't you very tired, do you want to relieve your fatigue? I'll tap your numb acupuncture point to relieve you." There

was a smile on his face, but his eyes were full of relief. .

Immediately, without waiting for Yue Feng's response, Long Qianyu said lightly: "You take it easy, I'll go and see what's going on outside." The

voice fell, and Long Qianyu left the room without looking back.

This bastard, Yue Feng, wants this princess to serve you, just dream.

Nima!

Seeing Long Qianyu leave the room, Yue Feng wanted to cry without tears.

This Long Qianyu is too ruthless, he just doesn't want to serve himself, and even taps his numb hole while he is not paying attention.

For a while, Yue Feng didn't have time to think about it, he quickly activated his inner strength and began to open the acupoints.

Although the point of numbness is not fatal, the taste is too unpleasant, and it is not something that ordinary people can bear.

Finally, two hours later, Yue Feng finally opened the acupoint.

call!

At this time, Yue Feng took a deep breath and secretly rejoiced that fortunately, he had pure yang internal strength, and he opened the acupoints quickly, otherwise, he would have to suffer for a few more hours.

Immediately, thinking of Long Qianyu again, Yue Feng's eyes flashed with some playfulness.

Well, you Long Qianyu, I asked you to beat your legs, but you actually hit my pussy, okay, let's play slowly.

Boom!

As soon as the voice fell, only a loud noise was heard in the direction of the city gate.

At the same time, a maid walked in quickly, her face was pale, and said to Yue Feng: "Master Consort, the army of Beiying is calling again, your majesty asks you to hurry over!"

What?

Yue Feng was stunned for a moment, then chuckled lightly.

This Yang Jian is really persistent. He lost so badly yesterday, how dare he come today?

Immediately, Yue Feng didn't have time to think about it, and walked out quickly.

Soon, when they reached the city gate, they saw the Queen, Long Qianyu, and hundreds of civil and military officials.

Seeing Yue Feng, Long Qianyu looked indifferent, as if he hadn't seen it.

"Yue Feng!" The

Queen was delighted and said to Yue Feng, "Whether you can block the Beiying army today is up to you."

When she said this, the Queen's eyes were full of admiration.

After the cloud and rain last night, the queen's beautiful face was rosy and radiant, but her eyebrows were knitted together, showing a bit of anxiety.

At this time, the queen did not realize that she met the late emperor in a dream last night, but in fact, she had a relationship with Yue Feng.

call!

Seeing the Queen's expression, Yue Feng secretly breathed a sigh of relief.

Looking at the situation, the Queen didn't know that she had entered her room by mistake last night, and she didn't know what happened.

In this case, I am relieved.

Thinking to himself, Yue Feng smiled slightly: "Don't worry, Your Majesty, leave everything to me." The

voice fell, Yue Feng urged his inner strength, his figure rushed into the air, and looked out of the city, he saw that the Beiying army had arrived in the city. outside the door.

In front of the army, Yang Jian was wearing a golden armor, standing proudly, with the same prestige.

Behind him, Yue Wuya, Han Bing, and the lieutenant generals were all waiting.

Haha…

Seeing this scene, Yue Feng was very relaxed, and laughed at Yang Jian: "Erlang Zhenjun, you are so thick-skinned, you ran so embarrassed yesterday, and you are here again, why? You are afraid that you will lose. Not bad enough?"

At this time, Yue Feng hadn't noticed Zhang Jiao behind Yang Jian.

Yue Feng only thought that after defeating the Beiying army today, he must find a way to keep Yue Wuya and Han Bing behind. After all, it is inappropriate for a family to always want to see each other on the battlefield.

Swish!

Hearing this, Yang Jian was furious, stared at Yue Feng closely, and roared: "Boy, you are not so proud, it is uncertain who will win today."

At this time, Yang Jian could not wait to rush over immediately and kill Yue. wind, but he held back.

This Yue Feng is very cunning, and, today, it is all under the command of the military division, so he can't be impulsive.

Suppressing his anger, Yang Jian tilted his head to look at Zhang Jiao and said politely, "Master, I'll see you today."

Chapter 2035

Last night, Yang Jian deliberately told Zhang Jiao about the situation in detail, especially Yue Feng's Wan Mu Xuan Chong formation. After learning about the situation, Zhang Jiao chuckled lightly, saying that there was no problem.

Because, Wan Muxuan rushed into the formation, so would Zhang Jiao.

"Don't worry, Your Majesty, and watch the battle from the sidelines, watching this old man help you break through the city." Zhang Jiao responded lightly, and then, his figure flashed and hovered directly in the air.

"All soldiers obey the order and attack." The cold words came out of Zhang Jiao's mouth. The sound was not loud, but it spread throughout the entire Canglan City.

"Kill!" The

voice fell, and the Beiying army let out a howling, rushing in like a tide.

Um?

At this moment, Yue Feng was stunned, and looked at Zhang Jiao in surprise, very puzzled in his heart.

Who is this? I didn't seem to have seen him yesterday. Could it be Yang Jian's rescuer who just moved in?

Immediately, Yue Feng stopped thinking about it and regained a confident smile on his face.

No matter who Yang Jian moved in, it would be very difficult to break his Wanmu Xuan Chong formation. You must know that this is an extremely clever formation. In the Kyushu continent, there are very few people who know it except himself.

Thinking to himself, Yue Feng raised his talisman and shouted at the Nanyun army: "All soldiers, set up the formation immediately, how to stand, I told you in detail last night, hurry up, you must respond quickly."

Hula.

In an instant, the Nanyun army moved quickly, and under the command of Yue Feng, quickly formed a huge Myriad Muxuan Chong formation.

Haha…

Watching the formation of the great formation, Yue Feng looked at Yang Jian and Zhang Jiao with a contented expression on his face.

He owns the Wanmu Xuan Chong Formation, which is almost impeccable.

And Yang Jian, even if he moved in a helper, he wouldn't even think about breaking the great formation and capturing Canglan City.

call!

Seeing the scene in front of him, Zhang Jiao frowned, looking at Yue Feng's eyes, showing some praise and appreciation.

This kid really knows Wanmu Xuan Chong formation.

However, this formation is incomprehensible to others, but in front of me, it is nothing at all.

The next second, the corner of Zhang Jiao's mouth twitched, revealing a slight chuckle, and then he said loudly: "The whole army obeys the order, 50,000 soldiers on the left, 100 steps south, 50,000 soldiers on the right, 100 steps north, 50,000 soldiers ahead Soldiers, take fifty steps back… After taking your place, start the attack!"

Hu La.

When the voice fell, the Beiying army, which was originally surrounded, did not hesitate one by one. They changed their formations according to Zhang Jiao's orders.

In an instant, I saw the great formation of the Nagumo Army, and several gaps were broken.

What?

Seeing this scene, whether it was Yue Feng, or the queen and civil and military officials, all of them were shocked.

They saw that the great formation, which was originally impregnable, was smashed into pieces by the Northern Ying army, and the formation was in chaos.

Especially Yue Feng, his eyes fixed on Zhang Jiao, he was shocked beyond words.

Total shock. Nima, who is this person? Do you actually know how to break the Wanmu Xuan Chong Formation?

At this moment, while Yue Feng was shocked, his heart was also a little bitter.

In the end, he was still careless.

call!

The queen next to her was even more delicate and trembling, and her delicate face was extremely pale.

Is this God's will?

To be honest, the Queen knew that despite Yue Feng's resourcefulness, it was impossible for him to keep blocking the Northern Ying army.

But she never thought that she would lose so quickly.

"Your Majesty!"

At this time, in the air, Zhang Jiao showed a smile, turned back and shouted at Yang Jian: "The enemy's great formation has been broken, and it is time for Your Majesty to show his might."

Before sending troops today, Zhang Jiao and Yang Jian After negotiating, when he breaks Yue Feng's great formation, Yang Jian will attack immediately.

Haha…

Yang Jian laughed loudly, and couldn't say how happy he was: "The strategist is indeed a generation of strange people, this formation is well broken, and broken!"

Immediately, a cold light flashed in Yang Jian's eyes, and the three-pointed, two-edged sword in his hand pointed to Canglan City, loudly said: "Once the entire army obeys the order, they can break through Canglan City, annihilate all the enemy forces in Nayun, not a single one…" The

voice fell, Yang Jian urged his inner strength, and a terrifying aura erupted. , rushed directly into the Nagumo army.

"Ah…"

At this time, Yang Jian, like a god of war descended to the earth, raised his three-pointed and two-edged sword, there must be a dozen Nanyun soldiers lying in a pool of

blood, and he heard screams from the Nanyun army. , In the blink of an eye, the Nagumo army has already collapsed!

Chapter 2036

Seeing the soldiers of Nanyun falling one by one, Yue Feng was furious and shouted: “All soldiers, don’t panic, resist with all your strength.” With

that, Yue Feng flashed and rushed into the battlefield. , to help the Nagumo army. While struggling to kill the enemy, Yue Feng kept howling loudly, preparing to deploy other formations to block the Northern Ying army.

However, Yang Jian did not give Yue Feng the opportunity to redeploy the formation. Leading the army, the force was like a broken bamboo, and in just a few minutes, they were killed at the foot of the city gate.

“Retreat!”

Seeing more and more Nanyun soldiers lying in a pool of blood, Yue Feng realized that Canglan City could no longer be preserved, and howled loudly: “Quick, protect Her Majesty the Queen, the whole army retreats, and evacuate from Canglan. City.” The

voice fell, and Yue Feng shook off a few enemy troops in front of him, flew up, and returned to the city gate.

To be honest, Yue Feng did not want to withdraw.

But there was no way, his own formation was broken by the opponent, and Yang Jian’s strength was so strong that he couldn’t fight at all.

Wow…

Hearing this, all the civil and military officials were so panicked that they didn’t dare to neglect, they surrounded the Queen, hurriedly descended from the tower, and then quickly withdrew from Canglan City under the escort of the army.

boom!

As soon as they pulled out of Canglan City, the city gate was directly smashed to pieces, and then, hundreds of thousands of Northern Ying troops poured into Canglan City like a tide.

“The military division is mighty!”

“Your Majesty is mighty!”

After occupying Canglan City, hundreds of thousands of Northern Ying troops cheered in unison, and the momentum was overwhelming.

This chapter is provided by . Visit for daily update.

Yang Jian was suspended in mid-air, a smile appeared on the corner of his mouth, and his powerful voice spread throughout the entire Canglan City: “The whole army listens to the order, temporarily rest, the wine in the city, women, enjoy whatever you want, and go out tomorrow morning.”

“Thank you, Your Majesty!” Quan Soldiers, shouted in unison.

call!

At this moment, Bing, who rushed in following Yue Wuya, saw the entire Canglan City, under the burning, killing and looting of the Beiying army, the people were displaced, Bing clenched his lips, and his heart was full of sadness.

This Yang Jian, who doesn’t take the people seriously, is he trying to persuade his brother and master to leave?

At this time, Han Bing regretted going out with Yue Wuya.

If it weren’t for him, Master would not have stayed to help Yang Jian, nor would he have destroyed Canglan City.

…..

the other side.

Yue Feng and the army of Nanyun, escorting the Queen and Baiguan, did not stop all the way and returned to the imperial city.

In the next two days, Yue Feng regained his strength and led his army to continue to resist the Northern Ying army. During this period, he showed all his military talents, and asked Pang Tong to help, but in the end, he still failed miserably.

Speaking of which, Zhang Jiao was originally a person with a sinister temperament and cruel methods. Back then, he led the Yellow Turbans to conquer the world, and he used a lot of vicious methods to make life smeared, causing the heroes to be angry.

After being imprisoned for thousands of years, although Zhang Jiao’s temperament has been restrained a lot, but this time to help Yang Jian fight, he still used a lot of methods that are contrary to human nature.

Whenever he attacked a city, Zhang Jiao would let the soldiers capture the nearby people and block them in front of the army, as a meat wall, and slowly advance.

In Zhang Jiao's view, if you want to achieve great things, you can't have the kindness of women, which does not coincide with Yang Jian.

However, Yue Feng and Pang Tong, with justice in their hearts, were concerned about the lives and deaths of those people, and naturally tied their hands and feet. Therefore, in this case, Yue Feng was defeated again and again.

With this kind of ruthless means, within two days, Zhang Jiao commanded the Beiying army, and broke through more than a dozen cities in a row, with almost no disadvantage.

At this time, the Nagumo Palace.

Inside the main hall, the Queen's delicate face showed fatigue and anxiety, and Long Qianyu next to her also had a solemn expression.

Below, Yue Feng and the civil and military officials all looked sad and silent.

Chapter 2037 The

news just came that the Beiying army was camping on the mountain dozens of miles north of the imperial city. After a few hours of rest, they would attack the imperial city. Once the imperial city fell, the entire Nanyun Continent would be completely over.

"Aiqings!"

At this moment, the queen looked around, unable to hide her endless worries and disappointment: "Is there any other way to stop the Beiying army?

" The entire hall was silent.

good!

The Queen breathed a sigh of relief and looked at Yue Feng: "Yue Feng, is there nothing you can do?"

When she said this, there was a glimmer of hope in the Queen's eyes.

Yue Feng smiled bitterly, shook his head and said, "Your Majesty, I am powerless."

At this time, Yue Feng's mood was depressed to a trough.

Since he became a cultivator, Yue Feng has been extremely confident in everything he does, especially in the formation technique. Yue Feng believes that he is the first, and no one dares to say the second.

After all, he owns the white god formation, but Paul has all the formations in the world. Whoever is in the formation to fight against himself is completely courting death.

And knowing that his opponent was Zhang Jiao, the leader of the Yellow Turbans during the Three Kingdoms period, Yue Feng knew that he was too confident.

You must know that during the Three Kingdoms period, a thousand years ago, Zhang Jiao led the Yellow Turban army, causing chaos in the world, with great momentum. No force could compete with it. Later, it was Lu Bu who joined forces with various powerhouses to defeat Zhang Jiao together.

This horn, even Lu Bu needs the help of others to completely subdue him, how can he be an opponent?

Moreover, Zhang Jiao fought too hard and did not care about the life and death of the people at all, which he could not do anyway.

Thinking of this, Yue Feng felt bitter in his heart.

Done.

Hearing Yue Feng's answer, the queen's delicate body trembled, her beautiful face was extremely pale, and her heart was completely desperate.

Even Yue Feng had nothing to do, and the Nayun Continent was completely over.

call!

In the next second, the queen breathed a sigh of relief and said softly, "If that's the case, then give the Southern Cloud Continent to Yang Jian."

After speaking, the queen took out the jade seal and handed it to the eunuch beside her: "Send an envoy immediately and hand over the jade seal to the eunuch. Yang Jian, just said, don't fight this battle, so as not to implicate innocent people." The

jade seal is a symbol of the emperor's status in the Southern Cloud Continent, and handing over the jade seal also means that the Queen has completely abandoned the Southern Cloud Continent.

To be honest, the queen looks weak, but her mind is very tough, otherwise she would not be a generation queen.

In the Queen's heart, she would never surrender, let alone surrender to Yang Jian. In the current situation, the only way is to hand over the jade seal and give up the Nanyun Continent. Only in this way can the people of Nanyun be spared the scourge of war.

"Imperial Sister!"

As soon as he finished speaking, Long Qianyu, who was beside him, became anxious and couldn't help but said, "I can't hand over the jade seal. Maybe there are other ways…"

This jade seal has been passed down for thousands of years in the Southern Cloud Continent. The year was regarded as a treasure by the emperors of all dynasties and a symbol of the supreme authority of the Nanyun royal family. How could it be given to Yang Jian like this?

Under the anxiety in his heart, Long Qianyu wanted to speak, but was interrupted by the queen.

"Imperial sister, don't say it." The queen sighed softly, her beautiful face full of bitterness: "Perhaps the fate of the Nanyun royal family is like this. If we don't hand over the jade seal, what else can we do?"

Yes.. .

Hearing this, Long Qianyu suddenly became melancholy. The Northern Ying army was unstoppable, and that Yang Jian, who was the mighty Erlang Zhenjun, had unfathomable strength. This battle could not be fought at all. Cloud Continent will not lose so many cities.

However, Long Qianyu was very unwilling.

In the next second, Long Qianyu's eyes fell on Yue Feng, and he said angrily, "Yue Feng, it's all you… If you hadn't angered Yang Jian, Nanyun Continent would not have ended up in such a land."

Chapter 2038

Nima.

Hearing Long Qianyu's words, Yue Feng was stunned for a moment, and then he was dumbfounded.

Immediately, Yue Feng reacted and smiled wryly at Long Qianyu: "Your Highness, Princess, how can you blame me? Even without me, Yang Jian will still conquer Nanyun Continent."

This Long Qianyu is really interesting, and I hate me in my heart. Just put the blame on my head.

Simply incomprehensible.

Just as she was talking, she saw the queen hand the jade seal to the eunuch, ready to send it to Yang Jian.

Um?

It was at this moment that Yue Feng's attention was immediately attracted by the jade seal. Yue Feng didn't pay much attention to it before. At this time, when the eunuch passed by, he realized that the jade seal was crystal clear and radiated with colorful rays of light.

I went…

At this moment, Yue Feng was extremely shocked, and deep in his heart, he was extremely happy.

Haha….

This jade seal is actually a stone that repairs the sky, which is also the colorful stone that Mother Nuwa used to repair the sky. And this shape just fits with the depression on the fourth floor of Linglong Tower!

"Wait."

At this moment, Yue Feng didn't have time to think, he immediately stopped the eunuch and looked at Yuxi closely.

Although he didn't hold it in his hand, Yue Feng could also feel that the jade seal contained a strange spiritual power, and it exuded an icy coldness, and the surrounding temperature dropped a bit.

Swish!

All of a sudden, all the civil and military officials in the hall all focused on Yue Feng, all of them were very surprised.

What is this Yue Feng going to do?

Is he going to steal the jade seal?

"Yue Feng!"

At this moment, Long Qianyu's pretty face changed, her eyebrows knit together, and she scolded coldly, "What are you doing?"

This Yue Feng is really a bastard, and the Nanyun Continent is in danger, so it's fine if he doesn't help. Still want to grab the treasure of the Nagumo royal family?

Like everyone around him, Long Qianyu also believed that Yue Feng wanted to snatch the jade seal.

At the same time, the Queen frowned slightly, frowning at Yue Feng.

call! Yue Feng didn't care about everyone's eyes, he let out a sigh of relief, and said

to Long Qianyu with a smile: "Don't be nervous, Your Highness Princess. Why do you want to give such a good thing to Yang Jian? It's better to give it to me."

, Yue Feng's tone was relaxed, and he continued: "Since we have decided to give up the Nanyun Continent, we can just leave. Why do we need to give Yang Jian something for nothing?"

Seriously, Yang Jian's ambition is to unify the Kyushu Continent, and only a jade seal , he won't catch his eye.

And I desperately need this jade seal. With this jade seal, I can open the fourth floor of Linglong Tower…

"You…"

Hearing this, Long Qian's tone was not good, and he stomped: "This is It belongs to our Nanyun royal family, why should I give it to you?" The

voice fell, and the queen said softly: "Yue Feng, I understand what you mean, in fact, I don't want to hand over the jade seal, but if we leave directly , Yang Jian will definitely send his anger on the people. With the jade seal, Yang Jian's anger will subside, and innocent people will not be implicated." After

speaking, the queen said seriously: "When the jade seal is handed over to Yang Jian, I will make a request. Let him be kind to the people of Nanyun, so I handed over the jade seal, not to save my own life, but for the people of Nanyun, do you understand?"

The words, although they sounded soft and weak, showed a sense of righteousness.

Yes, the queen handed over the jade seal entirely for the sake of the people of Nagumo.

Huh…

Hearing this, Yue Feng put away his smile and looked at the queen with admiration.

I really didn't expect that she, a woman, would have such a mind of family, country and world, worrying about the country and the people.

A true queen.

Chapter 2039

Thinking, Yue Feng put away his smile, looked at the queen and said seriously: "Your Majesty, you are wrong, a person like Yang Jian, who looks like a gentleman on the surface, is actually a cunning and despicable villain, if you hand over the jade seal , he promised, but if he really wants to control the Southern Cloud Continent, he won't do that." As soon as the

descendant emperor died, Yang Jian directly ascended the throne and proclaimed himself emperor. He said that he wanted to find out the truth of Hou Yi's death. But the result? He just wanted to catch Chang'e, force her to be his own woman, and then sent troops to conquer other continents…

People who say one thing and do another, are not villains?

This…

Seeing Yue Feng's serious face, not like a joke, the queen bit her lip and pondered.

Yes, what if Yang Jian goes back on his word? Didn't you lose the jade seal in vain?

Thinking to herself, the queen looked at Yue Feng and asked curiously, "What do you want the jade seal to do?"

"Of course I'm useful." At this moment, Yue Feng was so anxious that he hurriedly said: "Besides, I am the concubine, we are considered My family, it's not a loss for me, why would you take advantage of an outsider like Yang Jian…"

"Bah!" As the

voice fell, Long Qianyu's face instantly blushed, and said angrily, "Who is full of seriousness? With your family?"

Immediately, Long Qianyu said to the queen, "Sister Huang, don't give it to him."

Early in the morning, Yue Feng asked her to wash her face and beat her legs. Long Qianyu remembers all these. , with anger in his heart. No matter what purpose Yue Feng wanted the jade seal for, Long Qianyu would not let him succeed.

Nima!

At this moment, Yue Feng was speechless.

As the saying goes, husbands and wives are of one mind and they cut money, but this Long Qianyu sings against himself in everything. It seems that if there is time in the future, more training will be needed.

Depressed, Yue Feng said to Long Qianyu: “Your Highness, Princess, this is your fault…”

Just before he finished, he was interrupted by Long Qianyu.

“Shut up, this jade seal is the treasure of our royal family. Even if it is not given to Yang Jian, it cannot be given to you.” Long Qianyu said coldly, with a firm expression.

“I…”

“What are you, I tell you, pay less attention to the jade seal…”

Phew…

Seeing this scene, all the civil and military officials in the hall all looked complicated, not one open.

The concubine and the eldest princess quarreled. It was their family business. Who would dare to interrupt.

“Okay, okay.”

Finally, the queen raised her jade hand and stopped: “Yue Feng, Huangmei, stop arguing, the royal family will no longer exist, so what do you want with this jade seal?”

Immediately, the queen looked at Looking at Yue Feng, he said softly, “Since you really need this jade seal, I’ll give it to you.”

The eunuch hurriedly handed the jade seal to Yue Feng.

Haha….

Yue Feng was extremely excited, he smiled at the result of the jade seal, and couldn’t wait to take out the Linglong Tower. Then chanted the incantation silently to make the Linglong Tower bigger.

Whoa!

In an instant, the entire hall was in an uproar.

This… what kind of treasure is this?

It can get bigger and smaller…

Even the Empress and Long Qianyu trembled, startled, their eyes fixed on the Qibao Linglong Pagoda, full of curiosity.

In the next second, a scene that shocked everyone even more appeared.

Seeing Yue Feng stick the jade seal on the gap on the fourth floor of the pagoda, in an instant, I saw a touch of golden light flickering, and the jade seal and the fourth floor of the pagoda completely matched.

hum!

Immediately afterwards, a tyrannical aura surged out of the tower in an instant. Filling the entire hall, and then, one after another silhouettes came out from the fourth floor of Linglong Tower!

Chapter 2040

A full hundred!

Looking at the hundred people in front of him and feeling the powerful aura on them, Yue Feng was inexplicably excited.

Yue Feng still clearly remembered that when he opened the first floor, there were 500 people, including Pang Tong; when he opened the second floor, there were 200 people, including Yuan Tiangang, and when he opened the third floor, There are 150 people, including Yang Jian’s senior brother You Yan.

At this time, he opened the fourth floor, and the number of people was much smaller than before, but he believed that these people were not ordinary people, and they must be big people who were famous for a while.

Omg.

Seeing the scene in front of him, the entire hall exploded in an instant, and it was boiling. Whether it was the queen, Long Qianyu, or a hundred civil and military officials, looking at the hundred strong men in front of them, they couldn’t help but gasp, completely dumbfounded.

They noticed that each of these hundred people is not low in strength, there are at least a dozen or so, and they are in the realm of transcending the catastrophe.

More than a dozen robbery realms, too strong?

What shocked the Queen and everyone even more was that after the appearance of these hundred people, most of them were extremely respectful to Yue Feng, and some even called them masters.

This… what's the situation?

So many strong people, actually called Yue Feng master?

For a time, the queen and Long Qianyu looked at each other, their delicate bodies trembled, and they were completely shocked and speechless. The civil and military officials below were even more confused.

After being stunned for more than ten seconds, the queen reacted, bit her lip, and asked Yue Feng gently: "Yue Feng, they are…"

"Your Majesty." Yue Feng smiled and explained: "I am this The treasure, called Linglong Pagoda, contains a lot of powerhouses in history, but only the Heaven Patching Stone can be opened, and that jade seal is the Heaven Patching Stone.."

What?

Hearing this, the queen's delicate body was shocked, and she stared at Yue Feng, shocked again.

Total shock.

The pagoda that Yue Feng took out just now is the Linglong Pagoda?

As the ruler of the Southern Cloud Continent, the Queen is knowledgeable and knowledgeable. Of course, she knows that the Linglong Pagoda is an ancient artifact, possessing boundless divine power and being able to subdue all living beings, so it is also known as the Demon Collection Pagoda.

It is said that in the past thousands of years, I do not know how many strong people have been included in the Linglong Pagoda, and the Linglong Pagoda has also changed hands frequently. It is said that the last owner of the Linglong Pagoda appeared five hundred years ago. After that, Linglong The tower disappeared completely.

Unexpectedly, this kind of treasure is actually in the hands of Yue Feng.

Shocked in her heart, the queen looked at Yue Feng closely, her eyes showing a strange brilliance.

Even the Linglong Pagoda is in his hands. This Yue Feng is really not an ordinary person. It is the right decision to insist that he be the concubine of the emperor's sister. At this time, I saw Yue Feng walking quickly to the strong men, and asked a man who looked like a calligrapher

, "Who are you? What was your identity before?"

, My name is Zhang Xu, the courtesy name is Bogao, and I used to be the chief official of Jinwu." The chief official of

Jinwu? Nima, it turned out to be an official.

Wait…

Yue Feng wanted to continue to ask the next one, but suddenly his eyes flashed, and he turned to stare at Zhang Xu, unable to hide his inner excitement: "You… Are you the grass saint Zhang Xu?"

Saying this At that time, Yue Feng's voice trembled.

shit.

To be honest, Yue Feng was a little puzzled at first, how could an official be locked up on the fourth floor, it turned out that he was the famous grass sage Zhang Xu.

You know, in the Tang Dynasty, Zhang Xu was famous for his cursive script, and Li Bai's poems, Pei Min's swords, and became the three masterpieces. Li Bai is a poet, Pei Min is a sword sage, and Zhang Xu is a grass sage.

This person was in the Tang Dynasty, but the emperor respected him extremely.

Finally, Yue Feng reacted and patted Zhang Xu's shoulder with a smile: "It turned out to be Mr. Cao Sheng, I have admired the name for a long time, and I also like calligraphy. In the future, let's have a few drinks together and ask you for more advice…"

Yue Feng knew that Zhang Xu liked to write after drinking, and the words he wrote after drinking were wild and beautiful.

"Master, you're welcome." Zhang Xu responded very humbly.

Yue Feng smiled and continued to ask others.

With each question, Yue Feng's inner excitement increased by a few points. Because he guessed right, those who were locked up on the fourth floor were all famous powerhouses in history, or a generation of famous masters who were masters in various fields.

The ultimate husband in Chinese chapter 2041-2050

Chapter 2041

Huh?

I don’t know how many times I asked, but Yue Feng came to a rather immortal old man. Suddenly frowned.

This old man is very arrogant.

I saw this old man, dressed in a black linen robe, immortal style, with a slightly raised forehead. Even though he was dressed in ordinary clothes, he gave him an indescribable unique temperament.

Yue Feng felt that the strength of this old man was unfathomable, and he could not perceive it at all.

What makes Yue Feng puzzled is that the other strong men around here are respectful and respectful when they see him, but this old man stands there proudly and doesn’t even look at himself.

interesting.

This old man has a very unique personality.

Thinking to himself, Yue Feng was about to ask, but the old man took the lead.

“It’s you who released the old man from the Linglong Tower?” The old man looked up and down at Yue Feng and asked coldly. His voice was not loud, but he had an unquestionably powerful aura.

Um?

Yue Feng was stunned for a moment.

I haven’t asked you yet, but you have asked me.

At this moment, Yue Feng became more interested in the identity of the old man, smiled slightly, nodded and said, “Yes, it’s me, my name is Yue Feng! I dare to ask your honorable name.”

“Your honorable name?” The

old man chuckled lightly . , said indifferently: “The name is just a title, why is there a distinction between the high and the low? The old man has many names, some people call me Wang Xu, some call me Wang Chan, and some call me Xuanweizi, Guiguzi… .”

When he said this, the old man looked indifferent, as if these titles had nothing to do with him.

What?

Hearing this, Yue Feng only felt a thunder in his mind, his body froze, and his whole body was instantly messy.

Ghost… Guiguzi?

The old man in front of him is the most amazing person in the world? Guiguzi?

Guiguzi, known as a strange man through the ages, is proficient in the art of vertical and horizontal, has unique wisdom, has a unique knowledge of the world, and is proficient in hundreds of schools of knowledge. Famous people, medical scientists….etc.

At this moment, Yue Feng only felt his brain buzzing, staring blankly at Guiguzi, extremely shocked.

Total shock.

I thought that the person in front of him was just a quirky old man who was so arrogant, but he never imagined that it would be Guiguzi.

You know, this is a real bullshit character. Famous figures in history, such as Su Qin, Sun Bin, Shang Yang, Lu Buwei, Li Mu, Wang Jian, Le Yi, and Mao Sui, were all his disciples, influenced and educated by his wisdom.

Even the creator of Baiqishen Formation, the killing god Baiqi, is also his student.

Such an existence is actually imprisoned in the Linglong Tower?

What?

At the same time, the entire hall was in an uproar, and everyone looked at Guiguzi, dumbfounded.

A generation of strange people, Guiguzi, there are rumors about him, whether it is the royal family or the people, almost everyone knows about him. Who doesn’t know.

Especially Long Qianyu, who looked at Guiguzi and Yue Feng, his eyes twinkled with complexity, and his delicate body trembled faintly.

This…

Yue Feng is the owner of Linglong Pagoda, and Guiguzi is imprisoned in Linglong Pagoda again, “Gui… Senior Guiguzi.”

Finally, Yue Feng reacted, and his words were unreasonable, his tone was trembling, and his face was filled with incomparable respect: “Senior’s name is like thunder. The younger generation, Yue Feng, has seen the senior.” The

voice fell, and Yue Feng bowed respectfully to Guiguzi.

To be honest, if other powerhouses were so arrogant, Yue Feng would definitely be unhappy, let alone salute, but Guiguzi is different, this is a god-like existence, and people have this strength and arrogance.

Chapter 2042

“Okay.” Guiguzi looked indifferent and waved his hand: “You don’t have to be so polite.”

Seriously, when you reach the realm of Guiguzi, you don’t care about these common etiquettes in the world at all.

However, in the face of such a god-like existence, how could Yue Feng be rude.

The next second, Yue Feng scratched his head and asked curiously, “Senior Guigu, how did you get locked in the Linglong Tower?”

When he said this, Yue Feng’s eyes were full of urgency.

The civil and military officials next to him, as well as the queen and Long Qianyu, all focused on Guiguzi, waiting for his answer.

Like Yue Feng, they were also very puzzled.

You must know that Guiguzi is a strange person through the ages, and so many historical celebrities are his students. It can be said that Guiguzi is almost a god-like existence, and there are very few people who are more powerful than him.

Who is it, so capable, that he can be locked in the Linglong Tower.

call!

Guiguzi breathed a sigh of relief, glanced at the Linglong Pagoda in Yue Feng’s hand, and said lightly: “Old past, I don’t want to talk about it!”

When he said this, Guiguzi looked indifferent, without the slightest fluctuation.

Uh…

Yue Feng is very embarrassed, this Guiguzi deserves to be a strange person through the ages, and his personality is really unique.

However, Yue Feng doesn't care about these anymore, and his mood at this time is extremely excited.

Haha…

This ancient strange person is trapped in Linglong Tower, and he is the owner of Linglong Tower, that is to say, this Guiguzi will recognize himself as the master in the future.

With such an existence to assist, wouldn't he be invincible in the world? On the continent of Kyushu, galloping freely and recklessly?

What about Yang Jian, Zhang Jiao, etc., why do you still need to be afraid of them?

Moreover, there is an existence like Guiguzi on the fourth floor. Isn't the identity of the detainees on the fifth floor of Linglong Tower even more terrifying?

Thinking to himself, Yue Feng looked at Guiguzi and couldn't wait to say: "Senior Guigu, do you know who is detained on the fifth floor of Linglong Tower?"

Hearing this, Guiguzi shook his head and said lightly: "Every floor of Linglong Tower It's all an independent space, how does this old man know about people from other levels?"

His tone was extremely indifferent, but he couldn't bear the slightest displeasure. After all, Guiguzi's aura is too strong.

I do not know!

Yue Feng scratched his head, a little disappointed.

It seems that the only way to find the last piece of the sky repairing stone is to solve the answer by yourself.

Muttering in his heart, Yue Feng's eyes lit up, he thought of something, and quickly said: "By the way, I have something to do and I need your advice…"

After that, Yue Feng was about to tell the situation facing the Southern Cloud Continent.
.

However, just halfway through, he was interrupted by Guiguzi.

“Little baby, don’t think that you are the master of Linglong Tower, so you can order the old man. The old man will not help you.” Guiguzi said coldly, with no room for negotiation: “I have been in the world all my life, and no one can match it. , regard life, death, wealth and honor as a fleeting moment. I will not recognize you as the master. If you refuse to accept it, you will move your thoughts and take my life. I would rather die than surrender to a junior like you.” The

voice fell, Guiguzi looked straight at him. Yue Feng had a fearless face, and at the same time revealed a suffocating and powerful aura.

Yes, Guiguzi has been rebellious all his life, and he has taught so many apprentices that are shocking in the world. It can be said that there is no one in the past, and no one since, how could it be possible to surrender to the younger generation of Yue Feng?

It is precisely because of this personality that after Guiguzi was released, he did not give any compliments to Yue Feng.

This…

Hearing this, Yue Feng was completely stunned, only feeling that he was poured a basin of cold water invisibly.

shit…

Chapter 2043

Is this Guiguzi so stubborn? Would you rather die than give in?

You must know that you are the master of Linglong Tower, as long as his mind moves, his life will be gone.

At this moment, everyone around was stunned, but unlike Yue Feng, everyone looked at Guiguzi and nodded in approval, with admiration in their eyes.

It is indeed admirable to be the first strange man in the ages, so tenacious and unyielding.

“Little baby!”

Seeing Yue Feng’s hesitation, Guiguzi said lightly: “If you don’t kill the old man, the old man will leave!” When he said this, Guiguzi didn’t even look at the queen and those civil and military officials.

In the realm of Guiguzi, the emperor, like the commoners, has no distinction between superiors and inferiors, so there is no need to care.

When the voice fell, Guiguzi turned around and prepared to leave.

“Senior stay.”

At this moment, Yue Feng shouted quickly, his eyes full of urgency and reluctance.

Nima, this one in front of you is a god-like existence, how can you let him go so easily?

“What? Regret?” Guiguzi stopped, looked back at Yue Feng and asked.

Yue Feng scratched his head, with a bitter expression on his face: “Senior, you are a strange man of the ages. It is too late for me to worship and admire you. How could I kill you? If you want to leave, I will never stop you. Help.”

Yes, Yue Feng couldn’t bear it.

This Guiguzi has not only taught a large number of famous people in the world, but his wisdom and ideas have also influenced thousands of generations. If he kills him, he will be a sinner through the ages.

But he couldn’t let him go like this.

help?

Guiguzi frowned and said lightly, “I don’t have the habit of helping.”

At this moment, Yue Feng was completely anxious: “Senior, I am not asking you to help me, but please save the people of Limin in this Southern Cloud Continent. “Speaking, without waiting for Guiguzi to refuse again, Yue Feng quickly explained the current situation in Nanyun Continent.

At this moment, the queen, Long Qianyu, and hundreds of civil and military officials reacted one by one, staring closely at Guiguzi, and their hearts were extremely excited.

If Senior Guigu is willing to help, Nayun Continent will be saved.

call!

Hearing this, Guiguzi chuckled and said with emotion: “It really is the endless disputes in the world, and it’s fighting again, that’s all, since you don’t kill the old man, the old man will help you once.”

“Thank you, senior.” Yue Feng was overjoyed and hurriedly bowed his thanks.

At the same time, the queen and civil and military officials were also extremely happy.

At this moment, the queen wanted to express her gratitude to Guiguzi, but after trying several times, the queen could not summon the courage to speak. After all, she is the head of a country, and it always feels a little uncomfortable to say thank you to others.

Guiguzi smiled at Yue Feng, walked slowly to the door of the main hall, and looked around the imperial city.

A few seconds later, Guiguzi returned to the main hall, looked at Yuefeng, and asked with a smile, “I smelled a lot of rare medicinal pills on you just now. You are an alchemist, right? .”

I’ll go.

Yue Feng was stunned for a moment, and was shocked again in his heart.

It was so powerful that he could guess his identity as an alchemist based on the taste of the medicinal pills on his body.

Shocked in his heart, Yue Feng nodded quickly: “Senior is right, I am an alchemist, and fire-bending pills can be refined.”

In Wuji Danshu, the fire-proofing Dan is a kind of middle-class medicinal pill. After taking it, it can avoid being burned by fire. Yue Feng is very familiar with it.

Guiguzi nodded and said slowly: “You need to refine more fire-proofing pills, one for each soldier in the Southern Cloud Continent. When the Northern Ying army comes to attack, you will let the soldiers take it.”

After speaking, Guiguzi pointed Looking at a wilderness more than ten kilometers north of the imperial city, he continued: “In the decisive battle, you must find a way to lead the enemy to that wilderness. This is the most important point, remember! As long as you lead the enemy there, You can defeat them.”

“Okay, junior remember!” Yue Feng nodded his head, and at the same time asked curiously, “But why do we do this?”

Chapter 2044

Guiguzi smiled slightly, looked at Yue Feng and said: “The old man observed just now that there is a magma mouth under that wilderness. The old man just felt it, the magma below is surging, and it will erupt within 20 years. Form a volcano.”

As he spoke, Guiguzi’s tone was extremely confident, and he continued: “The twenty years I said was based on the premise that there was no external force, but if the two armies fought here, the aura of the eruption would vibrate and accelerate the following The operation of the magma, then the underground magma will erupt in advance…”

Hu…

Hearing this, the entire hall was in an uproar, and everyone looked at Guiguzi with admiration and shock in their eyes.

Just looking at it, I knew that there was magma under that wilderness.

It's so powerful, it's worthy of being a man of the ages.

At this moment, Yue Feng also admired the five-body throw to the ground. This Guigu senior is really amazing. He could even pass the surface and accurately guess the underground situation. This is the highest state in Feng Shui.

To be honest, Yue Feng has also studied Feng Shui, but compared to Guiguzi, it is absolutely inferior.

In admiration, Yue Feng finally understood Guiguzi's intention.

Let the soldiers of Nagumo take the fire-preventing pill in advance to deal with the magma eruption, and the Beiying army did not know in advance that when the magma erupted, the formation would be in chaos, and there would be countless casualties…

haha…

Imagine that kind of picture , Yue Feng was extremely excited, and at the same time, he worshipped Guiguzi even more.

It is worthy of being named the existence of the ancestors by the military masters of all dynasties. The Southern Cloud Continent was already at the end of the road, and everyone was helpless, but here senior Guigu, such a simple solution.

As expected of a god-like existence.

"Boy!"

At this moment, Guiguzi showed a smile, looked at Yue Feng, and said earnestly: "In the future, when leading troops to fight, you must be flexible, and you must not blindly compete with each other for your strength and what you have learned. Sometimes, you can take advantage of the right time and place. , it works better than anything."

"Yue Feng will follow the teachings of the predecessors." Yue Feng quickly responded with a very respectful attitude.

Huh…

At this time, the queen and the civil and military officials also reacted and couldn't help but compliment.

"Using the underground magma to deal with the Beiying army is absolutely impossible…"

"Yeah, at that time, no matter how powerful Yang Jian is, it is impossible for the hundreds of thousands of Beiying army to block the scorching magma… " As

expected of the senior Guigu…"

The admiration from the crowd kept coming, and Guiguzi didn't seem to hear it. To be honest, when he traveled the world and received his apprentices, the compliments he heard were better than those he heard. This is much more.

"Okay!"

At this time, Guiguzi didn't say more, and said to Yue Feng: "The old man told you the method. As for whether you can defeat the Beiying army in the end, it depends on your ability."

Hearing this, Yue Knowing that Guiguzi was leaving, Feng scratched his head, and said embarrassedly, "Senior, this junior still has an unkind request, can you wait for me to finish this battle before leaving?"

Seriously, although Guiguzi gave this solution , the odds of winning are great, but the situation on the battlefield is changing rapidly. If the situation does not develop as expected, it will be troublesome.

Therefore, before the victory or defeat, Guiguzi must be kept. After all, to have this person who exists like a god by his side is confident.

Even if the plan goes well and finally wins, when Yang Jian sees that there are gods like Guiguzi around him, he will definitely not dare to act rashly in the future.

Guiguzi, a strange man of the ages, saw through Yue Feng's thoughts at a glance, and said indifferently: "You let this old man stay in order to deter the enemy, right ?

"

With a face full of pleading: "Please senior. I do this because I want to end the war as soon as possible, and return the people to a happy life as soon as possible."

Phew!

Hearing this, Guiguzi nodded: "Okay, this request is not excessive, the old man agreed."

Haha…

Seeing Guiguzi agree, Yue Feng was overjoyed, and quickly ordered the eunuch next to him: “Quick, take the seniors there quickly. Rest, you must not neglect the seniors.”

Now that the Beiying army has not attacked the imperial city, and there is still a lot of preparation work to do, how can I let the senior Guigu stay in this hall? How inappropriate.

As soon as the voice fell, a eunuch hurried over, with a very humble attitude, and took Guiguzi to rest.

Chapter 2045

Call!

As soon as Guiguzi left, everyone in the hall could not help but breathe a sigh of relief.

I have to say that Guiguzi’s aura is too strong. Before, everyone in the hall did not dare to let out the air. Now that Guiguzi left the hall, everyone felt relieved.

After a sigh of relief, everyone was extremely excited.

Just now, the senior Guigu said how to deal with the Beiying army. It can be said that the Nanyun Continent has been saved, can everyone be unhappy?

call!

At this moment, Yue Feng also breathed a sigh of relief, his face full of spring breeze, and the previous gloom was almost swept away.

It is really another village.

I thought that this time I was going to escape the Nanyun Continent with the Queen and Long Qianyu, but I never thought that a god like Guiguzi would be released from the Linglong Tower.

Although Guiguzi doesn’t think he is the master, but he can agree to help, it is also a help in the snow.

It really is unpredictable and unpredictable.

Oops…

Just as he was sighing, he suddenly thought of something, Yue Feng patted his forehead suddenly, his face full of sorrow.

There is a way to deal with the Beiying army, and the fire-bending pill can be refined by himself. However, the Nanyun army has hundreds of thousands of soldiers and so many people.

I'm afraid, before I can refine hundreds of thousands of fire-proofing pills, the Beiying army has already conquered the imperial city.

"Yue Feng."

At this time, seeing Yue Feng's sad face, the queen guessed something and said softly: "Are you worried about the fire-proofing pill? I remember that there is a batch of fire-proofing pills in the royal family's pill library, and there should be quite a few. ."

After speaking, the queen instructed the guards next to her: "Go, take out all the fire-proofing pills in the pill library and count them." The

pill library is the place where the Nanyun royal family specially placed the pills. It is a royal forbidden area, not Ordinary people can enter, but this time, in order to resist the Northern Ying army, how can the queen manage so much?

Great!

Yue Feng was stunned for a moment, and then he was extremely happy.

It turns out that the royal family has fire-preventing pills. If the number is enough, you don't need to refine it yourself, which saves a lot of trouble.

After a while, dozens of guards, carrying more than a dozen exquisite large wooden boxes, slowly entered the hall.

After counting, there were a total of 138,000 fire-proofing pills.

Hiss…

At this moment, seeing so many fire-proofing pills, Yue Feng couldn't hide his inner shock.

Nima, there are more than 130,000 fire-proofing pills, and only the royal family has such great courage. If it is an ordinary alchemist, I am afraid that it will take several years to refine.

The next second, Yue Feng frowned again.

There are 150,000 soldiers in the Nanyun army, and here, there are only 138,000 fire-proofing pills, and there are still 12,000.

“Yue Feng!”

At this time, the queen’s eyes fell on Yue Feng, and she said softly, “Wait, I will summon all the alchemists in the palace, and you and them will refine the missing fire-proof pills. Come out, is it alright?”

The queen also saw that these fire-proofing pills were not enough to be allocated to the Nanyun army. But don’t panic at all, because the royal family has a special alchemist.

“No problem.” Yue Feng nodded with confidence on his face.

There are only 10,000 missing, and with the help of the Huang family alchemist, it will be refined soon.

“Fuck the air!”

At this moment, Long Qianyu came out and mocked Yue Feng: “It’s a pleasure to promise, do you know how to make medicine pills?” When he said this, Long Qianyu’s face, He couldn’t hide his contempt.

Long Qianyu glared at Yue Feng. You must know that although the fire-preventing pill is a medium-to-high-level medicinal pill, and the materials are not difficult to find, the refining process is very particular, and if there is a slight error, the refining will fail. Can this Yuefeng be refined?

The ultimate husband in Chinese chapter 2046-2050

Chapter 2046

In Long Qianyu’s heart, Yue Feng has no other skills besides being a liar, so how could he be able to refine fire-proofing pills?

Nima!

Hearing this, Yue Fengqi laughed, looked at Long Qianyu and said, “Your Highness, Guigu seniors said that I can make refining. Even if you don’t believe me, don’t you believe in Guigu seniors?”

This Long Qianyu , that’s enough, embarrass yourself every chance you get.

“Who knew that you could make alchemy?” Long Qianyu responded angrily.

Yue Feng was too lazy to say more, and said with a smile: “Then let’s wait and see…”

“Slick tongue…”

Seeing the two arguing again, the Queen's delicate face was very helpless, she shook her head and smiled bitterly, and then told her side. The eunuch summoned all the alchemists in the palace.

Soon, five royal alchemists entered the hall, and at the same time, dozens of royal alchemy furnaces were also ready.

"Okay." The Queen said slowly, "Hurry up and refine it. Be serious, you must not go wrong."

These fire-proofing pills are related to the fate of the Southern Cloud Continent, and no mistakes can be made.

"Yes, Your Majesty!" The five royal alchemists responded, and then began to make alchemy.

At this time, Yue Feng also walked over, skillfully selected materials, controlled the fire, and started refining.

There were a total of thirty alchemy furnaces and five alchemists, each of whom originally watched six at the same time, but when they saw Yue Feng coming, they took the initiative to separate out five alchemy furnaces.

In this case, Yue Feng, like the alchemists in these palaces, each took care of five alchemy furnaces at the same time.

This chapter is provided by . Visit for daily update.

call!

Seeing this scene, the queen and the civil and military officials looked at Yue Feng closely, dignified and complicated.

Seeing this, Yue Feng actually knew how to make alchemy. Moreover, the attainment seems to be very high.

You must know that it is not ordinary people who can enter the palace and make alchemy for the royal family. These five royal alchemists have reached a very high level in their alchemy skills. It is very rare to be able to take care of five alchemy furnaces at the same time. !

And Yue Feng, like the royal alchemist, can take care of five alchemy furnaces, which is really not easy.

However.

Long Qianyu looked disdainful.

In her eyes, this Yue Feng was just pretending to be grandstanding.

“Yue Feng!”

Finally, Long Qianyu frowned and couldn’t help saying: “Can you stop making trouble? Get out of the way quickly, don’t hinder these alchemists.”

When he said this, Long Qianyu couldn’t hide his heart. of disdain.

It seems that Yue Feng can take care of five pill furnaces at the same time. Who knows if he can actually refine the fire-proof pill. If he fails, wouldn’t he waste so many materials in vain?

Yue Feng just pretended he didn’t hear Long Qianyu’s words, and looked at the pill furnace with all his attention.

In the next second, Yue Feng breathed a sigh of relief and said to the eunuch next to him: “Go, prepare five more pill furnaces for me, this is too slow.”

Over the years, Yue Feng’s attainments in pill refining have reached At the level of perfection, he can take care of five pill furnaces at the same time, and he is completely at ease.

To be honest, Yue Feng didn’t want to be so flamboyant, but the Beiying army could come at any time, and the time was pressing, so he could only speed up as much as possible.

What?

Hearing this, not only the empress and civil and military officials, but even the five royal alchemists next to them were stunned, and there was an uproar.

This… This Yue Feng is not just bragging, right?

Five pill furnaces are not enough? Are you going to add five more?

call!

Long Qianyu bit her lip tightly, her eyebrows frowned, and her delicate face was very unhappy.

This Yue Feng is really abominable, he told him not to make trouble, he just kept going, it was getting more and more excessive, and he even had to add five more pill furnaces.

The more alchemy furnaces are added, the more materials are wasted, right?

At this time, Long Qianyu still firmly believed that this Yue Feng could not refine the fire-preventing pill, and even if he could refine it, it was impossible for each of them to be successful.

Chapter 2047

“Go.”

At this time, Yue Feng urged the dazed eunuch: “Hurry up and prepare, what are you stunned for?”

The eunuch responded quickly, and soon, five more pill furnaces were prepared.

At this moment, I saw Yue Feng quickly raise the fire, sort the materials, and then throw the materials into the furnace to control the temperature, and everything went smoothly.

call!

Seeing this scene, everyone in the hall was silent, staring at Yue Feng, unable to speak.

At first, everyone didn’t believe that Yue Feng could take care of ten alchemy furnaces at the same time, but seeing that Yue Feng not only took care of it, but also looked very relaxed, everyone believed it.

Especially the five royal alchemists, looking at Yue Feng’s eyes, were full of shock and admiration.

It is unheard of for an alchemist to take care of ten alchemy furnaces at the same time.

This…

Long Qianyu’s delicate body trembled, only feeling that his legs were softening, staring at Yue Feng, his delicate face was full of disbelief.

He…he did it.

hum.

Just when everyone was shocked, suddenly, they saw the ten pill furnaces that Yue Feng was taking care of, and a violent vibration broke out at the same time.

Rumble.

Immediately afterwards, I heard the sound of thunder in the sky outside, which was deafening.

what's the situation?

This time, everyone in the hall was stunned and looked at each other.

"Your Majesty. Heaven…. Heaven…"

At this moment, the guard at the entrance of the main hall suddenly trembled, pointing to the sky and exclaiming.

Whoa!

Hearing this, the queen quickly stepped down from the throne and walked out of the hall with the civil and military officials. Long Qianyu glanced at Yue Feng with a complicated look, and quickly followed.

hiss!

At this moment, everyone looked up at the sky and couldn't help but gasped.

I saw the clouds and mists gathered together, condensed in the palace, and finally slowly suspended above the hall.

Dan Yun!

One, two…

a full ten Danyun!

Whoa!

In an instant, the entire palace was boiling, and there was a lot of discussion!

As we all know, cultivation itself goes against the natural way of heaven. And refining medicinal pills is even more of an act against the sky. Therefore, if someone refines a top-quality medicinal pill, it will trigger a celestial phenomenon!

And Dan Cloud Condensation is one of the celestial phenomena!

To be honest, the royal family of Nanyun possessed a lot of natural and earthly treasures, and the royal alchemists were not ordinary people.

It's just that ten Dan Clouds appeared at a time, but they had never been seen before.

At this moment, whether it was the queen or the civil and military officials, they all stared at Yue Feng blankly, and they were all shocked and speechless.

He was able to draw ten Pill Clouds at one time, and he was so accomplished in Pill Refining that he was afraid that he had already reached a realm beyond the reach of ordinary people!

Especially the five royal alchemists, all of them froze there, seeing Yue Feng's eyes, completely changed.

It is not the most magical that can trigger ten Dan Clouds.

The most shocking thing is that the fire-proofing pill is only a middle-class pill, not a top-grade pill at all, but the concubine can actually trigger ten pill clouds.

It is simply unprecedented, and no one has come since!

Chapter 2048

Pfft…

At this moment, the five royal alchemists were surging in their hearts, all of them couldn't help kneeling in front of Yue Feng, and Qi claimed to eulogize: "Master Consort, it is really the reincarnation of the alchemy god, The subordinates admire…"

When refining the top-quality medicinal pills, it is not very powerful to trigger Danyun, because most people can do it.

It is possible to refine ordinary medicinal herbs, and it can actually trigger a cloud of pills. This is the real cow.

Haha…

Yue Feng smiled slightly, raised his hand, and said lightly: "Look at you, you are making alchemy, why are you kneeling to me? Get up…"

Phew!

Seeing this scene, Long Qianyu's delicate body trembled, staring at Yue Feng, completely speechless.

I thought that even if he could alchemy, his attainments would not be too high, but he didn't expect that it would lead to a cloud of pills, and it was still ten.

This Yue Feng, who usually has a hippy and smiling face, is not serious at all, but when it comes to critical times, he has a lot of skills.

What kind of person is he?

At this time, Long Qianyu stared blankly at Yue Feng, and his mood gradually changed.

This time, everyone stopped talking, quietly watching Yue Feng and the five royal alchemists busy, in the hall, except for the sound of the burning fire, it was almost silent.

Two hours later, 12,000 fire-proofing pills were finally refined.

call!

In an instant, the eyes of everyone present converged on Yue Feng, and they were once again shocked.

Total shock.

It was seen that the ten pill furnaces that Yue Feng took care of had produced more than 8,000 fire-preventing pills in total, which was more than double that of the five royal alchemists combined.

This Yue Feng not only caused ten pill clouds during the refining process, but also the number of fire-proof pills that were finally refined.

Simply incredible.

“Wonderful…”

Finally, the queen reacted, her delicate face was full of smiles, she looked at Yue Feng and praised: “It’s really wonderful, Yue Feng, I didn’t expect that your accomplishments in alchemy are so high. , it really opened my eyes…”

At this time, the Queen became more and more pleasing to Yue Feng’s eyes.

He was so wise that he found such an excellent consort for the emperor’s sister. Not only has the Linglong Tower, but also has such high attainments in the art of alchemy.

“Your Majesty praised it.” Yue Feng smiled and responded.

The queen couldn’t hide her excitement, she raised her jade hand, and instructed: “Xuan Zhen’s decree, today Yue Feng has done a good job in alchemy, special seal…”

At this time, the queen was going to give Yue Feng an official title, but the words have not yet been said. After speaking, he was interrupted by a panicked shout.

“Your Majesty!”

An imperial city guard, sweating profusely, ran in and shouted, “No, Your Majesty, Yang Jian led the Northern Ying army, and now they are heading towards the imperial city, and the distance is less than ten miles away… .”

What?

Hearing this, whether it was the empress or the civil and military officials, their expressions changed.

Beiying army, attacking the imperial city so soon?

Yue Feng also frowned secretly.

Yang Jian is indeed very resolute, so eager to destroy the Nayun royal family.

But fortunately, Guigu senior has already said the way to defeat the enemy, and the fire-proofing pills have all been refined, so there is no need to panic.

“Quick!”

At this moment, Yue Feng shouted at the guard: “Go on, assemble the army immediately, and distribute the fire-proofing pills, each of the soldiers and soldiers, let them take all of them, there must be no mistake. Also, hurry up. Go and invite Senior Guigu out.”

“Yes!” The guard responded and walked out quickly.

Chapter 2049

At the same time, a full 150,000 fire-proofing pills were also quickly carried out.

A few minutes later, after the army of hundreds of thousands of Nanyun had taken the fire-proofing pills, they gathered outside the imperial city gate and waited.

At this time, Yue Feng and the Queen, as well as Long Qianyu, civil and military officials, all stood on the gate tower with solemn expressions.

Of course, Guiguzi was there, but he was placed in an inconspicuous place by Yue Feng.

Yue Feng thought about it, at the last critical moment, let Guiguzi appear to frighten Yang Jian and Zhang Jiao, so at the beginning, Yang Jian could not be seen.

Compared with everyone’s nervousness, Guiguzi looked calm and relaxed.

call!

At this moment, Yue Feng looked into the distance and couldn't help taking a deep breath.

I saw that hundreds of thousands of Northern Ying troops came slowly in a neat phalanx, each holding a long knife, and the sun was shining with a cold light, which made people palpitate.

In front of the army, Yang Jian was wearing a golden armor, holding a three-pointed two-edged sword, with a smile on his face.

Behind him, Zhang Jiao, Yue Wuya, Han Bing and many other generals followed closely.

Swish!

A hundred meters away from the city gate, Yang Jian raised his hand and waved, and the hundreds of thousands of Northern Ying troops stopped in unison.

The next second, Yang Jian first looked at the queen, and then his eyes fell on Yue Feng.

"Boy, you've lost so many battles before, are you still not convinced?" Yang Jian sneered, looked at Yue Feng and mocked: "My military advisor Zhang Jiao is a generation of strange people, and against him, you have no chance of winning at all. , you should give up."

When he said this, Yang Jian's handsome face was full of confidence.

Since Zhang Jiao joined, the Beiying army has won many battles, almost invincible and invincible. In the previous few battles, Yue Feng was beaten and fled, and he has no ability to reverse the situation.

"Really?" Yue Feng chuckled and said word by word, "But what if I don't give up?"

Huh!

Hearing this, Yang Jian's face sank, and he said coldly, " It's beyond your own power."

With that, Yang Jian waved his hand.

In an instant, Yue Wuya strode out and shouted at the soldiers behind him, "Bring them all out."

Whoa.

As soon as the words fell, I saw more than a thousand people, driven by Beiying soldiers, lined up in several teams and walked in front of the army. These people were all old and weak, women and children, and they looked depressed and hopeless.

call!

Seeing this scene, whether it was the queen, or Long Qianyu and the civil and military officials, they were all very angry.

This Yang Jian actually uses the common people as a wall of meat, which is really hateful.

Yue Feng's eyes were extremely blood red, his fists clenched tightly, his inner anger rose, and his whole body trembled.

In the previous battles, it was because he was worried about the safety of these people that Yue Feng was at a loss, but his oil control strategy could not be carried out, and he was defeated again and again.

Because a day ago, Yue Feng had already ordered the soldiers to go to the homes of the common people on the outskirts of the imperial city to convey the news, telling them that the Northern Ying army was about to call, and hurry away to avoid disaster.

However, these people are unwilling to abandon their homes. Being caught now is really pitiful and irritating.

"Ya'er!"

At this time, Yue Feng reacted and shouted at Yue Wuya: "It is very inhumane to coerce the people to attack the city. In order to occupy the Kyushu, Yang Jian has lost his humanity. You help him to help Zhou to be abusive, and it is too late to regret it. "

Ya'er, I know you hate me. I'm really sorry for you and your mother. I haven't taken care of you since I was a child, let alone taught you, but I believe that my son, Yue Feng, is not a bad person and has a kind heart."

"You leave the Beiying army now and come to me. When the time comes, let's go to Tianqi Continent together to pick up your mother, okay?"

When he said this, Yue Feng looked at Yue Wuya closely, with anticipation in his eyes.

To be honest, when he saw Yue Wuya working for Yang Jian at first, Yue Feng didn't feel anything, but when he saw that Yue Wuya personally led the troops to coerce those innocent people, Yue Feng realized that he couldn't go on like this anymore. .

Ya'er was still young, so he couldn't keep following a vicious person like Yang Jian.

Chapter 2050

Call!

At this moment, Han Bing in the Beiying army, biting his lip, couldn't help but whispered to Yue Wuya: "Brother… Listen to Daddy, let's stop serving Yang Jian." Han Bing is

kind-hearted , I saw Yang Jian coerce the people before, and I had long thought of leaving. At this time, seeing Yue Feng's opening to dissuade Yue Wuya, he couldn't help it.

"Sister, don't talk." Yue Wuya shook his head and responded lightly.

Seeing that Yue Wuya didn't respond, Yue Feng was very anxious and said again: "Ya'er…"

He was interrupted by Yue Wuya as soon as he said two words.

"Shut up!" Yue Wuya couldn't understand Yue Feng's painstaking efforts at all, so he roared and said coldly: "What I do has nothing to do with you, and I don't need you to teach me. You just gave My life is only, and I am not qualified to call you Dad, so don't tell me these things again."

Alas!

Hearing this, Yue Feng had a bitter look on his face, not knowing what to say.

Yue Feng always thought that Yue Wuya's resentment towards him was only temporary, but he didn't expect that he hated him so deeply.

Long Qianyu next to him couldn't stand it anymore, he walked out and shouted at Yue Wuyajiao: "You child, your father is teaching you how to behave, how can you contradict? There's something wrong, that's your father, how can you do this?"

Seriously, if it was before, Long Qianyu wouldn't speak for Yue Feng.

But after seeing Yue Feng's alchemy accomplishments before, his opinion of him changed a lot. At this time, when he saw Yue Feng's son, he contradicted his words, and his words were so ugly, and he couldn't help it.

Um?

Yue Wuya was stunned for a moment, looked at Long Qianyu from a distance, and then sneered: "You are the eldest princess of the Southern Cloud Continent, although your status is noble, but I am talking to Yue Feng, how can you speak? "

Speaking, Yue Wuya's tone became colder, and he continued: "In the eyes of others, you are a high-ranking princess, but in my eyes, you are just a vixen beside Yue Feng, you are not qualified to talk to me, let alone. Teach me."

"You…"

Hearing this, Long Qianyu's pretty face changed, her body trembled with anger, and she was speechless.

call!

Seeing this scene, Yue Feng didn't know whether to laugh or cry, and temporarily gave up trying to persuade Yue Wuya.

In the next second, Yue Feng looked directly at Yang Jian and said loudly, "Yang Jian, you are also a famous person in Kyushu. You are famous, and you have been using people as a wall of meat. You are not ashamed, I will be ashamed for you.

" , Yue Feng sneered: "If you think that you are still a man who stands up to the sky, just let these people go, and neither of us will form an army, and we will fight in an upright manner. How about it?"

When saying this, Yue Feng was calm on the surface, but he was actually very nervous.

If it was before, how dare Yue Feng dare to provoke Yang Jian like this, it is simply courting death.

But Senior Guigu said that they should lead Yang Jian's army to the wilderness north of the imperial city and wait for the volcano to erupt. Therefore, at this time, Yue Feng can only stimulate Yang Jian.

Listening to Yue Feng's voice, the entire Beiying army was silent!

The many generals behind Yang Jian looked at each other in dismay, and were inexplicably shivered by Yue Feng's words.

But after a few seconds of silence, all Beiying generals burst into laughter in unison!

"Haha, what nonsense is this kid talking about, he wants to face off against His Majesty? Hahaha!"

"Yeah, he was defeated by one of his men, haha…"

The ultimate husband in Chinese chapter 2051-2060

Chapter 2051

“This kid has been losing battles before, it won’t be because he was too stimulated, he has a problem with his brain, haha…”

Among the Beiying army, there were constant laughter, Yue Feng’s words just now, no people at heart.

A kid who doesn’t know how to live or die, dare to speak madly, and want to confront Yang Jian directly? It’s the world’s joke. Without arranging troops, can the Nagumo army beat the Beiying army?

Hehe…

Even Yang Jian couldn’t help laughing and looked at Yue Feng with contempt: “Boy, what are you talking about? Are you going to fight me head-on?”

When he said this, Yang Jian’s tone was full of mockery.

Although Yue Feng’s strength is very strong, in Yang Jian’s eyes, it is nothing at all. Yang Jian has absolute certainty that in the battle between the two sides, he can kill Yue Feng within three moves.

“That’s right!” Yue Feng nodded earnestly, pointing to the wilderness north of the imperial city: “In order to avoid hurting innocent people, our two armies will compete in that wilderness. Yang Jian, do you dare? “

When he said the last sentence, Yue Feng’s heart was in his throat.

This Yang Jian is ruthless and ruthless. He never plays cards according to common sense. If he does not agree and directly orders a siege, it will be troublesome.

Um?

Yang Jian took a deep breath and looked at Yue Feng in a complicated way. He didn’t respond immediately, but muttered in his heart.

This kid has always been very cautious and never does anything he is not sure about. What happened today? Could it be that this kid has an exquisite tower, so he is inexplicably confident? Even if the strong are imprisoned in the Linglong Tower, Yang Jian’s Beiying army is not afraid of the Nanyun army!

“His Majesty.”

However, at this time, Zhang Jiao came over and said with a complicated expression: “Yue Feng is a deceitful man. If he wants to fight in the wilderness, he must be deceitful. Your Majesty must not be deceived by his appearance.”

This chapter is provided by . Visit for daily update.

Saying this At the time, Zhang Jiao couldn’t help but glance at Yue Feng with a solemn look in his eyes.

In the previous few battles, although Zhang Jiao defeated Yue Feng, the victory was not easy. Speaking of which, if Zhang Jiao hadn’t used the common people as a wall of flesh, it was hard to predict who would win and who would lose.

Under such circumstances, Zhang Jiao admired Yue Feng very much on the one hand, and regarded him as a formidable enemy on the other hand. Seeing that he was uncharacteristically and wanted to fight against Yang Jian upright and bright, Zhang Jiao immediately realized that there must be a deceit.

“The strategist is thinking too much.”

Zhang Jiao’s reminder did not make Yang Jian’s heart vigilant, but smiled slightly: “This kid is already at the end of the road, and it is impossible to reverse the situation. Even if there is a conspiracy, it will be useless.”

At this time, Yang Jian , firmly believes that Yue Feng’s trump card is the Qibao Linglong Pagoda.

Zhang Jiao was in a hurry and said, “Your Majesty…”

However, he was interrupted by Yang Jian after only two words.

“You don’t need to say it, I have already decided to compete with this Yue Feng.” Yang Jian said lightly, with incomparable confidence in his eyes: “This kid is the last hope of the Southern Cloud Continent, if I am in front of everyone If you kill him, you can completely destroy the psychological defense line of the Nanyun royal family.”

Saying that, Yang Jian’s eyes fell on Yue Feng, and his deep voice spread throughout the entire imperial city: “Boy, since you want to die so hard. With a little dignity, I will fulfill you.” The

voice fell, and Yang Jian waved at Yue Wuya, motioning to let the people go.

Yue Wuya did not dare to neglect, and immediately asked the soldiers to release the arrested civilians.

call!

Seeing Yang Jian agree, Yue Feng suddenly let out a sigh of relief.

Chapter 2052

After releasing the people, Yang Jian commanded the army to the wilderness north of the imperial city.

At this time, Yue Feng also commanded the Nagumo army and quickly arrived in the wilderness.

For a time, hundreds of thousands of Nanyun army and hundreds of thousands of Beiying army faced each other in the wilderness, hunting with banners and flags, long knives lined up everywhere, and a strong chilling atmosphere filled the sky and the earth.

call!

Seeing this scene from a distance, the queen on the city gate was holding a pair of jade hands tightly, and her delicate face showed endless worry and tension.

This battle is related to the fate of the Southern Cloud Continent. It must be successful, and there can be no accidents.

Next to Long Qianyu, his eyes were fixed on Yue Feng's figure, and he was praying secretly in his heart.

Must be successful.

At this time, the wilderness battlefield is here.

Swish.

Yang Jian's figure was suspended in the air, holding the three-pointed two-edged sword tightly, and his body was filled with a domineering domineering arrogance.

In the next second, Yang Jian's eyes locked on Yue Feng and sneered: "Boy, how do you want to die?" The

current situation is already obvious, whether it is a battle between two armies or a single fight, Yue Feng has no chance of winning. The only difference is the way of death.

Hearing this, Yue Feng chuckled lightly: "Yang Jian, you are too confident, you are so sure that I will die today, what if I can't die ?

"

Hui: “The whole army listens to the order, and destroys this Nanyun army for me, not a single one.”

“Kill!”

As soon as the voice fell, the hundreds of thousands of Beiying troops let out a howling like a sky-shattering howl, rushing towards the Nanyun army like a tide.

Seeing this scene, Yue Feng didn’t panic at all, and shouted: “All the officers and men obey the orders, don’t panic, as I told you before, try to contain them as much as possible, don’t work hard.”

Yes, when the army was called before , Yue Feng Feng specifically gave an order that when the two armies fought against each other, there was no need to resist desperately. Just wait for the volcano to erupt.

hula.

Hearing this, the army of hundreds of thousands of Nanyun quickly attacked and followed Yue Feng’s orders one by one.

“Boy!”

At this time, Yang Jian looked at Yue Feng closely, and mocked coldly: “Don’t do this kind of meaningless resistance, it’s useless, today, this Nanyun Imperial City, I’m determined to win, you don’t have any It’s your chance, give it up.”

Om!

When the voice fell, Yang Jian held the three-pointed two-edged sword tightly, and with a strong wave, he heard a whistling sound that shocked the world, and came from the three-pointed two-edged sword. Yue Feng burst out.

Nima!

Feeling the horror of the golden light, Yue Feng’s heart trembled. He didn’t have time to think about it. He quickly activated his inner strength, summoned Fang Tianhuaji, and stood in front of him to resist!

At this time, Yue Feng pushed his internal strength to the extreme. He knew Yang Jian’s strength too well, and he didn’t dare to be careless.

Bang!

Jin Mang slammed on Fang Tian Hua Ji, when he heard Yue Feng let out a muffled groan, the whole person was shocked and flew out, and flew more than 100 meters before falling heavily to the ground.

puff!

At the moment of landing, Yue Feng's face was pale, and he spat out a mouthful of blood.

Nima…

worthy of being the True Monarch Erlang, this Yang Jian's strength is too terrifying, and he has stimulated all his internal strength, but he can't stop it.

Fortunately, I have pure Yang internal force to protect my body, otherwise, I would have died just now.

"Yue Feng!"

"Princess Consort…"

Seeing this scene, the Queen, Long Qianyu, and all the civil and military officials couldn't help but exclaimed, each sweating for Yue Feng.

Yang Jian's strength is so terrifying, even if Yue Feng can block it temporarily, can it be dragged into the underground magma eruption?

"Father!"

Han Bing on the other side also trembled, his eyes fixed on Yue Feng, unable to tell the worry and tension.

At this time, Han Bing really wanted to stop this war, but was powerless.

"Boy!"

At this moment, Yang Jian stared at Yue Feng with absolute confidence and arrogance: "I said that today, the Nanyun Imperial City will be destroyed, and you alone cannot stop it. Yes, don't you have the Linglong Pagoda? Let go of the strong people inside, today, I want to kill happily!"

As he spoke, Yang Jian clenched his three-pointed two-edged sword and slowly walked towards Yue Feng.

A strong aura permeated the whole world.

Gudong!

Yue Feng secretly swallowed his saliva and stared at Yang Jian, secretly laughing in his heart.

Haha…. This Yang Jian actually thinks that his trump card is the Linglong Tower…

This is interesting.

In the next second, Yue Feng wiped the blood from the corners of his mouth, mobilized his figure, flew into the air again, and sneered at Yang Jian: “As expected of the true monarch Erlang, he is strong and admired, since you have spoken, then I will be as you say. I wish.” The

voice fell, Yue Feng raised his hand and waved, a golden light flashed on the palm of his hand, and a golden pagoda appeared!

Exquisite pagoda!

Huhuhu…

Then, under the call of Yue Feng, the powerhouses in the front four floors of Linglong Tower roared out one after another!

“Youyan, Pang Tong, Yuan Tiangang, Hongyan Bear King and others obey the orders… hurry up, block Yang Jian!” Yue Feng shouted, his tone extremely urgent.

Although there are so many strong people in Linglong Pagoda, it is useless in the face of Yang Jian’s army of hundreds of thousands.

Moreover, at the moment of the fight with Yang Jian just now, Yue Feng clearly sensed that Yang Jian’s strength was obviously much stronger than before.

Yes, before sending troops to conquer other continents, Yang Jian opened the Ksitigarbha Pavilion, the Ksitigarbha Pavilion, which was where Emperor Hou Yi kept his treasures. The pavilion got the magic face beads and healed Liu Xuan’s face.

After Yang Jian opened the Ksitigarbha Pavilion, he took a lot of elixir in it, and his strength improved a lot.

Chapter 2053

“Yang Jian, take your life!” The enemy was extremely jealous when they met, Youyan roared, his inner strength exploded, and he was the first to charge towards Yang Jian.

Buzz buzzing…

At the same time, Yuan Tiangang, Hongyan Bear King, and others followed closely behind. For a time, dozens of powerful figures, fast as lightning, surrounded Yang Jian!

“Okay, very good…”

Yang Jian sneered as he watched You Yan and the other powerhouses come around, his handsome face showed a bit of cruelty: “That boy Yue Feng, it’s too naive to rely on you to turn the tide of the battle. Yes! Today, I will not only destroy the Nanyun Imperial City, but also take back the Linglong Pagoda!”

Om!

The voice fell, and a terrifying aura erupted from Yang Jian’s body, and the surrounding air seemed to stagnate in an instant.

The terrifying breath makes the people who are suppressed panic!

To be honest, if it was before, Yang Jian would not be so confident at all. After all, Linglong Pagoda and these powerhouses are not ordinary people, but since taking so many elixir in the Tibetan Pavilion, Yang Jian’s strength has taken a leap. The improvement is not panic at all.

Um?

Feeling Yang Jian’s powerful aura, everyone in Youyan frowned and looked solemn. But not too much panic.

I saw You Yan took a step forward, clenched his mace, glared at Yang Jian and shouted angrily: “Even if you have the ability to reach the sky, but your heart is not right, God will kill you!” After the

voice fell, You Yan rushed directly towards Yang Jian.

At the same time, Yuan Tiangang, Hongyan Bear King and others also exploded their inner strength, and together with Youyan, they fought against Yang Jian.

Huh..

Seeing this scene, the empress and everyone at the city gate not far away were extremely shocked.

Such an epic battle has been unprecedented for thousands of years.

In mid-air, Yang Jian, Youyan, Yuan Tiangang, Pang Tong, and even the Red-Eyed Bear King, which one is not a momentary existence, the battle in mid-air at this time is an eye-opener for everyone.

Nima…

And Yue Feng, who was sitting cross-legged on the ground and secretly recovered his inner strength, was extremely shocked.

Yue Feng clearly saw that Yang Jian was able to cope with the siege of so many strong men, and he did not fail at all. You know, a month ago, when You Yan faced off against Yang Jian alone, the strength of the two was not even close.

In just one month, Yang Jian's strength has improved so much, it's terrifying.

In the blink of an eye, half an hour has passed, and You Yan and the other powerhouses are still unable to suppress Yang Jian.

"Haha…"

At this time, Yang Jian sneered at Yue Feng while facing off against Youyan's crowd: "Boy, I have said that even if you play the trump card of Linglong Pagoda, you will not be able to turn the situation around. Conquering the Southern Cloud Continent, this is God's will. Haha…"

Yue Feng did not respond, but looked around the audience.

Looking at the battlefield, it was obvious that the Nanyun army could no longer be stopped. Many people fell in a pool of blood, and Yue Feng suddenly became anxious.

Nima!

After fighting for so long, has the underground magma not been affected? There is no sign of eruption…

No, I can't wait any longer. The only way now is to make a big noise and let the volcano erupt quickly!

Thinking to himself, Yue Feng took a deep breath and shouted at Yang Jian: "Yang Jian, if you think that Linglong Tower is my trump card, you're wrong."

"My real trump card is this."

hum!

The voice fell, and the air around Yue Feng suddenly condensed! A terrifying force spread out from his body crazily!

"The Promise Fortune Palm!"

A few cold words came out of Yue Feng's mouth, and in the next instant, the situation changed between heaven and earth, and only a sound of thunder was heard in the air, and a rumbling sounded!

Yue Feng folded his hands together, closed his eyes, his body was like a cannonball, and he rushed straight into the sky! In the blink of an eye, it disappeared from everyone's sight!

"He… what is he going to do?"

"Is this kid finally forced to perform a stunt?"

"Where is the person? Where did he go?"

At this moment, many people like the Beiying army couldn't help but muttered. , At the same time, they all looked up, but in mid-air, Yue Feng's figure had penetrated into the clouds and disappeared.

Seeing this scene, many soldiers in the Beiying army were inexplicably panicked.

They can feel that in the clouds above the sky, there is a terrifying force that is rapidly condensing!

Um?

Yang Jian couldn't help but look up at the sky, frowning tightly, his eyes flashing complex rays of light.

This move… It seems to be a famous general of a generation, Zhao Yun's stunt, the Promise Good Fortune Palm.

As a celebrity through the ages, Yang Jian is also a well-known Erlang Zhenjun in the Jianghu. He naturally knows the stunts of many strong people, including the famous general Zhao Yun.

At this time, Yang Jian was very surprised.

This Yue Feng is really not simple, not only can he master Hou Yi's Wanmu Xuan Chong formation, but also Zhao Yun's stunt, it is a rare talent.

It is a pity that such talents cannot be used for themselves, and can only be removed as soon as possible to avoid future troubles.

Thinking to himself, Yang Jian looked around and roared, "All the officers and men obey the orders, and quickly spread out."

Now that he knew that Yue Feng was using Zhao Yun's stunt, Yang Jian knew better that this move was the power of the Promise Fortune Palm. .

wow.

When the voice fell, the Beiying army did not dare to neglect, and they quickly retreated towards the surroundings.

And the Nagumo army did not hesitate, and quickly dodged towards the distance.

hum!

As soon as the armies on both sides dodged away, they saw Yue Feng appearing in mid-air. He stretched out his right palm and descended from the sky!

At this time, Yue Feng's descending speed was extremely fast! Just like a meteor, the air is cut through a long crack wherever it passes. From a distance, it is extremely shocking!

boom!

The shadow of Yue Feng's palm grew bigger and bigger, and finally, the moment his palm fell to the ground, the land was filled with dust!

Chapter 2054

Yue Feng's palm directly shoots a palm print with a diameter of one kilometer, as if it smashed a mountain from the sky invisibly.

hiss!

Seeing this scene, whether it was the Beiying army or the Nanyun army, everyone felt chills down their backs, their heads buzzed, and they couldn't help gasping for air.

It's just a palm that has such power.

too strong.

However, soon after the soldiers of the Northern Ying army responded one by one, a burst of laughter broke out.

"This palm is really powerful, but it's a pity that no one was killed… Haha…"

"Your Majesty has long known the power of this palm, so let's spread it out, this kid's palm is in vain It's a waste, haha…"

“That is, no matter how powerful it is, what’s the use of it if it doesn’t hit anyone?”

The mockery and ridicule of the Beiying army kept coming. Yue Feng just pretended he didn’t hear it, and his figure slowly descended. , his eyes fixed on the huge palm print.

“Haha…”

At this time, Yang Jian also sneered, looking at Yue Feng’s eyes, full of contempt.

How does this kid know Zhao Yun’s stunt? It’s a pity that I met myself, and finally I was empty.

The next second, Yang Jian didn’t talk nonsense, and commanded the army to shout: “The whole army obeys the order, and encircles and suppresses the Nanyun army, not one, and not the other…”

In Yang Jian’s heart, Yue Feng’s trump cards were all used. You don’t need to waste your time.

“Kill!” The

voice fell, and the Beiying army regained its strength and made a thunderous roar, rushing towards the Nanyun army like a tide.

For a time, the Nagumo army looked at each other in dismay, panicking.

However, Yue Feng was not nervous at all, instead he raised the corner of his mouth and showed a smile. It doesn’t matter if he hits anyone or not, as long as the volcano erupts! Yue Feng could see that in the huge palm print, cracks appeared on the ground, and in the cracks, there was an extremely scorching light.

Um?

Yang Jian noticed something was wrong and frowned.

“Not good!” At the same time, Zhang Jiao’s expression changed, and he was about to remind him, but it was too late. The volcano is about to erupt!

Boom…

Just as the Northern Ying army rushed to the vicinity of the huge palm print, they heard a violent roar from under their feet, and then, the ground of the entire wilderness vibrated violently.

Immediately afterwards, huge cracks appeared in front of everyone, and then, streams of magma containing incomparably hot energy erupted from the cracks. From a distance, they looked like dazzling pillars of fire…

Because Yue Feng already had a hunch, and at the moment when the magma erupted, he quickly recalled Yuan Tiangang and Youyan to the Linglong Pagoda.

The Nayun army also quickly retreated one by one because they had taken fire-proofing pills in advance.

The Northern Ying army was not so lucky.

“Ah…” The

magma suddenly spewed out from the ground, and the Beiying army was caught off guard. In an instant, many soldiers were sprayed by the magma, uttered a shrill scream, and immediately turned into ashes. The formation of the entire Beiying army, There was an instant collapse, wailing, and exclamations continued to sound, and the air was even more intertwined with the smell of blood and burning.

hum.

Zhang Jiao’s face changed greatly, and he quickly exploded his inner strength, condensing a protective film to protect Han Bing, Yue Wuya and others around him.

Yang Jian was suspended in the air, looking at the collapsed Beiying army below, his face was ashen, extremely ugly.

At the current state, Yang Jian is not afraid of these magma at all, but seeing that his invincible Northern Ying army is burned to ashes by magma one by one, he is almost mad in his heart.

“Withdraw, quickly withdraw from this wilderness.” An angry roar came from Yang Jian’s mouth.

This Northern Ying army will continue to follow him to the south and north to fight, and it cannot be completely damaged here.

wow.

The voice fell, and many Beiying soldiers fled to the surroundings in a hurry, all of them were extremely embarrassed. Although they responded quickly, more than half of the hundreds of thousands of troops were still buried in the area where the magma erupted.

And most of the soldiers who escaped by chance were also burned and lost their strength to fight. It can be said that Yang Jian suffered heavy losses.

On the other hand, the Nayun army, because they took the fire-suppressing pills one by one, and Yue Feng's perfect command, left the dangerous area of the magma eruption immediately. There were very few casualties. Only a few hundred soldiers suffered minor burns.

Whoa!

Seeing this scene, the Queen and Long Qianyu, as well as the civil and military officials, were extremely excited.

Great, the plan worked.

Haha…

At this time, Yue Feng couldn't help laughing at the sky, unable to hide his pride, and mocked at Yang Jian: "Yang Jian, I said, today I won't necessarily die, and you won't necessarily be able to break through. Imperial City, how is it? Are you convinced?"

Chapter 2055

Swish!

Hearing this, Yang Jian's eyes were extremely blood-red, he locked on Yue Feng tightly, and roared, "Good boy, I won't be Yang Jian if I don't blow your bones to ashes today."

Seeing his army suffering such a defeat, Yang Jian's inner anger was filled with anger. , rub it up!

"Your Majesty! Kill him!"

At the same time, Zhang Jiao at the back couldn't help shouting: "If this person is not eliminated, there will be endless troubles in the future."

This Yue Feng actually knew that there was magma under this wilderness, Taking advantage of the terrain to defeat the Northern Ying army, such an opponent is too terrifying. You know, Zhang Jiao claims to be proficient in astronomy and geography, and he didn't see that there was magma under the wilderness.

'No, don't kill my father…" Han Bing's tender body trembled and couldn't help but let out a low voice, very anxious.

Om.

At this moment, Yang Jian didn't hesitate at all, and an earth-shattering terrifying aura erupted all over his body. Holding the three-pointed and two-edged sword tightly, his figure flashed and came straight to Yue Feng.

At this time, Yang Jian, no matter how Yue Feng knew that there was magma under the wilderness, there was only one purpose, and that was to kill him.

Listen again . Zhang Jiao's words made Yang Jian more firm in this belief, because Yang Jian realized that if Yue Feng didn't die, he would not want to unify the Kyushu continent.

The Nanyun Imperial City could not be broken, but Yue Feng must die.

Nima!

The killing intent of Yue Feng changed, and he turned around and ran.

At this time, Yang Jian was determined to kill himself. If he didn't run, he would die.

Whoosh! The

next second, he fled back to the city gate, and Yue Feng shouted. Said: "Senior Guigu, it's time to show up. "

When he shouted this sentence, Yue Feng was sweating profusely, and at the same time secretly rejoiced in his heart.

Fortunately, he had the foresight to let Guiguzi stay, otherwise, even if he had the protection of strong men like Youyan and Yuan Tiangang, he would not be able to stop the furious Yang Jian.

As soon as the voice fell, he saw Guiguzi's figure, walked out slowly, and stood beside Yue Feng.

Swish!

At this moment, the eyes of Yang Jian, Zhang Jiao, and everyone in the Beiying army all focused on Guiguzi.

What?

Just looking at it, Yang Jian's body suddenly shuddered, and he immediately stopped in mid-air, his eyes fixed on Guiguzi, extremely shocked.

This….this is Qianguqi, Guiguzi?

At this time, Yang Jian only felt that his brain was buzzing, and the whole person was stupid.

As a peerless powerhouse who has lived for thousands of years, how could Yang Jian not know Guiguzi? You know, Guiguzi has influenced the world for thousands of years!

hiss!

Zhang Jiao at the back couldn't help but gasped, and his whole body froze. ,

I didn't see it.

Senior Guigu, is he here?

When Zhang Jiao established the Yellow Turban Army and the world was in chaos, the reason why he was in no position to go anywhere was precisely because he saw Guiguzi's art of war. To be honest, although Guiguzi did not accept Zhang Jiao as his apprentice, in Zhang Jiao's heart, Guiguzi's status was more important than that of Guiguzi. Parents are more important.

Now that Guiguzi suddenly appeared in front of him, how could Zhang Jiao not be shocked?

Soon, Yang Jian and Zhang Jiao reacted and looked at Yue Feng with complicated eyes.

This is impossible…

This Yue Feng is just a junior, how can he know Guiguzi, the famous ancient and strange man in Kyushu?

But that's what happened. The old man beside Yue Feng had a strong aura, especially his unique temperament, he was definitely not wrong, he was Senior Guiguzi.

Yang Jian and Zhang Jiao saw that Guiguzi was standing beside Yue Feng, although his expression was indifferent, but Guiguzi looked at Yue Feng with a bit of admiration. It was obvious that the two had a close relationship.

"Yang Jian!"

Finally, Guiguzi looked at Yang Jian and said lightly, "It is too inhuman to start a war for no reason and to force the people to attack the city. No matter how strong you are, you won't be respected by the world, and you will not be able to unify Kyushu in the end. "

Speaking, Guiguzi's eyes fell on Zhang Jiao, and continued: "And you, although you are very talented in the art of war, but your actions are too extreme, if you don't return to the

right path in time, you will not end well, okay. Now, that's all I have to say to this old man, and you can withdraw your troops."

When he finished the last sentence, Guiguzi's eyes were extremely indifferent, and there was no mood swing at all.

To be honest, with Guiguzi's temperament, he was too lazy to say these words to Yang Jian.

But since he promised to help Yue Feng, he must help to the end.

The ultimate husband in Chinese chapter 2056-2060

Chapter 2056

"Thank you Guigu senior for your teaching." Yang Jian was embarrassed and quickly responded.

Yang Jian is aloof and arrogant, and there are only a handful of people in the world who make him jealous, and Guiguzi is one of them.

call!

At this moment, Zhang Jiao's body trembled, and he hurriedly bowed to Guiguzi and said respectfully: "Senior's words, Zhang Jiao can't forget."

When he said this, Zhang Jiao completely lost his previous arrogance, but was incomparable. Be humble. In front of me is Senior Guigu, who dares to be presumptuous? Moreover, it is an honor to be taught by him, but the world can't even think of it.

In the next second, Yang Jian turned his head and shouted, "The whole army obeys the order and withdraws from the Southern Cloud Continent."

After speaking, Yang Jian gave Yue Feng a reluctant look.

Seeing that the Southern Cloud Continent was about to be conquered, Yang Jian felt very unwilling to withdraw his troops like this.

But there is no way, Yue Feng, with the help of a god like Guiguzi, if he fights again, he will be humiliating himself.

"Wait!"

However, at this moment, Yue Feng shouted, and immediately flew down the city gate tower and stopped in front of the Beiying army.

Swish!

In an instant, the Beiying army sent out a burst of restlessness, and each and everyone looked at Yue Feng closely, full of vigilance.

His Majesty has promised to withdraw his troops, what else does Yue Feng want to do?

Yang Jian frowned and looked at Yue Feng coldly, his face full of displeasure.

This chapter is provided by . Visit for daily update.

On the other hand, the queen and the civil and military officials were all stunned for a while, and then they sweated for Yue Feng.

This Yue Feng, wouldn't rely on Guiguzi's presence to arrest Yang Jian?

Although Yang Jian is very afraid of Guiguzi, he is still a peerless powerhouse who has been famous for thousands of years.

"Boy!"

Finally, Yang Jian reacted and looked at Yue Feng coldly: "What do you want to do?"

At this time, Yang Jian tried his best to restrain the anger in his heart, Madd, because of the senior Guigu's face, he did not continue. Siege of the city, promised to withdraw troops, and this Yue Feng, actually had to make an inch to prevent his army from leaving?

Yang Jian had already thought about it, if Yue Feng made excessive demands, even if Guiguzi was present, he would be killed.

After all, the prestige of his true monarch Erlang cannot be violated.

call!

Feeling Yang Jian's anger, Yue Feng's expression was calm, without the slightest fluctuation.

The next second, Yue Feng pointed at Yue Wuya and Han Bing, and said lightly, "You Beiying army can leave, but the two of them will stay."

Wow!

When the voice fell, whether it was the Beiying army or the queen, they were all stunned, and they all looked suddenly.

It turned out that Yue Feng stopped the Beiying army because he wanted to keep his son and daughter.

Yang Jian was also stunned for a moment, then chuckled, looked at Yue Feng and said, “Would you like to stay, your son and daughter, this is their business and your family business. What are you telling me to do?”

Saying this At the time, Yang Jian looked proud and disdainful.

At the same time, there was a bit of mockery in his eyes.

call!

Chapter 2057

Hearing this, Yue Feng took a deep breath and looked closely at Yue Wuya: “Ya’er, this battle is over, don’t be stubborn, stay with Binger, okay?

” When the war started, all of Yue Feng’s energy was used to deal with the Beiying army, and he had no time to worry about Yue Wuya and the two. Now that the Beiying army was defeated and the situation was set, how could he let his son and daughter leave with Yang Jian. ?

“Yue Feng!” The

voice fell, Yue Wuya gave Yue Feng a cold look: “You don’t have to waste your words, I won’t stay, not only today, what will I do in the future, it has nothing to do with you?”

When he said this, Yue Wuya had a determined look on his face.

Uh…

Yue Feng looked embarrassed, and at the same time was anxious.

Why is this kid so disobedient?

“Brother…”

At this moment, Han Bing came over, took Yue Wuya’s arm, and said softly, “Let’s stay with Daddy, and Daddy has apologized to you more than once, even if there was something wrong with him in the past, It’s all over, can’t you just forgive him?”

Yue Wuya’s face was sullen, his eyes flickered gloomily, and he didn’t answer.

Han Bing bit his lip and continued to comfort him: “We have been fighting with Dad these days, can’t you see it? Dad is concerned about the world, he is not from Nanyun

Continent, but he came to help Nanyun Continent to stop the war. . Shouldn't you be happy to have such a father…"

"My heart is in the world?"

Hearing this, Yue Wuya became excited as if he was touched by a wound in the bottom of his heart, and sneered: "Yes, he has lofty aspirations and broad-mindedness. He has to take care of so many people in the world, but my mother What? What is my mother? My mother gave her beautiful youth and waited for him for so long. What did he get in return? In return, he didn't ask questions for more than ten years."

"These people who have never met, he You can go all out to protect, but you are so ruthless to your own woman!"

"You know, although I grew up in the palace and under the protection of my father, the most common name I hear is not the prince, but the evil seed! I remember very clearly, once, my mother was slandered and was taken to the street for a parade. It was raining heavily that day, and I was tied with my hands and dragged to the ground by a carriage… I was so cold and scared… I thought My mother and I are going to die…"

"Yue Feng, when my mother and I needed the most care, you weren't there, now I can protect my mother, but you appeared, and you told me the truth and let me recognize it. Your father… hehe!"

"You said it yourself, are you worthy? Are you worthy?"

Yue Wuya became more and more excited, trembling all over, his eyes were extremely bloody, and the last sentence almost screamed.

Does it match?

These two words, like an invisible sledgehammer, smashed into Yue Feng's heart.

At the same time, upon hearing Yue Wuya's words, Yue Feng's eyes instantly turned red, and he felt extremely distressed.

"I'm sorry, Ya'er!" Yue Feng's tears couldn't stop flowing, and his eyes were fixed on Yue Wuya, and he said abruptly: "I'm sorry, these years have caused your mother and son to suffer…"

At this time Yue Feng finally understood why his son hated him so much.

It turned out that although he grew up in the palace and was clothed in fine clothes and food, he had suffered so much damage spiritually.

At this time, Yue Feng, in addition to being distressed, also has endless guilt.

call!

At this moment, the entire imperial city was silent.

Han Bing stared blankly at Yue Wuya, unable to speak for a while, her delicate face was also full of pity.

It turned out that my brother suffered so much when he was a child… To

be honest, Han Bing and Han proudly left Emei and wandered around, although they had no fixed place to live, but Han proudly was strong and powerful. Under her protection, Han Bing had never suffered at all. bullying by others.

Seeing Yue Wuya being so excited at this time, Han Bing vaguely understood that his brother and his living environment were different. Because of too many twists and turns, he held such a grudge against his father, and this kind of grudge could not be eliminated for a while.

Chapter 2058

“Sister!”

At this time, Yue Wuya calmed down a bit, turned his head to look at Han Bing, and said seriously: “If you want to stay, just stay, I will leave here with the Beiying army. “

When he said this, Yue Wuya didn’t even look at Yue Feng in front of the army.

Just now, Yue Wuya remembered the previous scenes, and his emotions were surging. He didn’t want to see Yue Feng, let alone stay.

Han Bing bit her lip tightly and took Yue Wuya’s hand: “Brother, don’t be uncomfortable, I’ll go with you.” After speaking

, Han Bing slowly passed through the army, walked to Yue Feng, and whispered. Said: “Father, I can’t stay with you anymore. My brother is emotionally unstable. I’m afraid he will do something extreme. Don’t worry, I will persuade him.”

Well!

Yue Feng squeezed out a smile and nodded, but his heart was full of bitterness.

My daughter is so well-behaved and sensible, and with her by her side, I don’t have to worry too much about Ya’er.

Han Bing said no more and returned to Yue Wuya’s side.

“The whole army obeys the order!”

At this moment, Yang Jian, who was watching a joke, raised his hand and said loudly, “Evacuate!”

After saying that, Yang Jian turned his head and glanced at Yue Feng, unable to hide his sneer: “Kid, I admit that you are not only talented, but also very lucky, but you are a mess, haha…”

Originally, Nanyun Continent was about to be easily accessible, but Yue Feng was disturbed, and Yang Jian was even more angry. Yes, Yue Feng had Guiguzi sitting next to him, and he didn’t dare to act rashly, so he could only leave in humiliation.

But now, seeing Yue Feng and his son have staged a wonderful father-son relationship, Yang Jian couldn’t help it.

After saying the last sentence, Yang Jian laughed loudly and led the army to leave slowly.

call!

At this moment, Yue Feng watched Yue Wuya slowly withdraw with the Beiying army, his back was getting farther and farther, Yue Feng’s heart was extremely bitter and uncomfortable, and he wanted to cry without tears.

What if the war was won? Ya’er still refuses to forgive herself, treating herself as an enemy… In the

end, she still loses.

Finally, the Beiying army completely disappeared in the distant mountains and forests, never to be seen again.

Whoa!

At this moment, the entire imperial city, as well as the Nagumo army, burst into cheers, and many people even cried with joy.

“That’s great, finally the army of Beiying has been completely pushed back.”

“We won, we won!”

“Wuwu, finally we don’t have to be slaves to the subjugation of the country…” The

loud cheers continued to come, Yue The wind was indifferent, without the slightest emotional fluctuations.

Looking at the people around him, their faces were filled with excited and excited smiles. Yue Feng's mood became more and more melancholy, as cold as the constantly blowing north wind.

Ya'er hates herself so much, how can she be saved?

"Okay."

Just when Yue Feng was secretly melancholy, Guiguzi came over and said lightly: "The situation has been settled, this old man should leave." The

voice fell, and before Yue Feng could respond, he saw Guiguzi's aura surging around him. , The figure flashed, and it was a few hundred meters outside the city. The speed was unbelievable, and it was rare in the world.

hiss.

Seeing this scene, Yue Feng couldn't help taking a deep breath.

I went, and I was hundreds of meters away in the blink of an eye. What kind of movement method is this?

It is indeed a miracle person, it is simply a magical skill.

Swish!

At the same time, everyone present looked at Guiguzi's figure in amazement, and they were speechless in shock.

This strength cannot be described as terrifying.

Simply beyond imagination.

Before everyone could react, Guiguzi's figure had disappeared, as if it had never appeared.

At this time, Yue Feng reacted, and directed a deep salute in the direction of Guiguzi's disappearance, and shouted at the same time, "Thank you for your help, and Yue Feng respectfully sends you off."

Chapter 2059 In

two sentences, Yue Feng came from the bottom of his heart.

You must know that Yue Feng was completely desperate before, and even made preparations, and the Queen and Long Qianyu evacuated the imperial city and left the Southern Cloud Continent, and the appearance of Guiguzi directly saved the situation.

Such an existence that can turn things around, who wouldn't accept it?

In an instant, the civil and military officials and the Nanyun army also saluted in unison, and shouted in unison: "Respectfully send Guigu senior."

A few hours later, night fell.

The Nanyun Imperial City was brightly lit, and people could be seen everywhere, gathering together to celebrate today's victory.

To be able to completely defeat Yang Jian today and force the Northern Ying army back can be said to be the most glorious day of the Southern Cloud Continent in the past few hundred years.

At this time, there was also a lively and festive scene in the Yunxiu Hall of the Imperial Palace.

Yunxiu Hall is the place where the queen handles political affairs and receives foreign envoys. It is exquisite and elegant, yet majestic. Originally it was very dignified and solemn, but in order to celebrate today's victory, the Queen specially set up a banquet here to reward Yue Feng and the generals.

At this time, the Yunxiu Hall was full of banquets, and the civil and military officials sat in full costumes, toasting with the queen on the dragon seat, and the atmosphere was very cheerful and joyful.

Even Long Qianyu, who has always been aloof, showed a smile at this time.

Today's battle, won so perfect, who is not happy.

At the top of the banquet, Yue Feng put on a set of elegant white robes, and sat there with a silent expression, which seemed out of tune with the lively and festive scenes around him.

Yes, Yue Feng is still worried about Yue Wuya's affairs.

The surrounding civil and military officials all knew that Yue Feng had something on his mind, and they all wanted to come over to toast, but seeing his gloomy appearance, they did not dare to come to disturb him.

"Yue Feng!"

At this time, the queen slowly raised the wine glass in her hand, and smiled at Yue Feng: “Today you are able to defeat the Beiying army, you have made a great contribution, come here, I will give you a toast.” The

queen saw that, Yue Feng was troubled by his son’s affairs, so he wanted to persuade him to have a few drinks. After all, getting drunk can relieve a thousand worries.

“Thank you, Your Majesty!” Yue Feng smiled, raised his cup, and drank it all.

Seeing the Queen’s opening, the surrounding civil and military officials also rushed over to toast, each with a more respectful attitude.

Originally, Yue Feng lost the throne of Xicang Continent. These civil and military officials all looked down on Yue Feng, but in the past few days, Yue Feng led the Nanyun army to resist Yang Jian, and the extraordinary military talent shown by everyone deeply impressed everyone. It was shocking, and today, the Northern Ying army was completely repelled, and the civil and military officials were convinced.

Everyone’s toast, Yue Feng did not refuse, and the wine was almost dry. After a while, he was slightly drunk, and temporarily put aside his worries.

“Your Majesty!”

At this time, Wentai stood up, took the pleasure of wine, and said to the Queen: “Qi, Your Majesty, the majesty of the concubine, today completely defeated the Northern Ying army, I really admire, such a peerless talent, Your Majesty and the eldest princess are like a match made in heaven, the minister has a suggestion, why don’t your majesty set their wedding date at today’s dinner party, and make it even more hilarious.”

Wentai, a first-rank officer, is even more so. The literary dean of Cloud Continent.

Many years ago, Wentai and Yue Feng had a verse comparison, and they were defeated in a mess. He fainted on the spot. Later, when he carefully recalled Yue Feng’s verse, Wentai was convinced, and these days, when he saw Yue Feng’s ability to lead troops, he was even more convinced. It is a five-body cast of admiration.

As soon as the voice fell, the surrounding ministers spoke up in succession.

“That’s right, the concubine and the eldest princess are talented and beautiful. Let’s order them to get married as soon as possible .

“

I also agree with…”

Everyone’s words from you and me couldn’t hide their admiration and compliment to Yue Feng.

Everyone present knew in their hearts that although Yue Feng was the concubine, if he and Long Qianyu never got married, it would be just a name. Yang Jian did not dare to pay attention to Nanyun Continent for the time being because of Yue Feng, but once Yue Feng and Long Qianyu There has been a change in the relationship between the two. Yue Feng doesn’t care about Nanyun Continent, Yang Jian will no longer have any worries, and will definitely attack.

Therefore, let Yue Feng and Long Qianyu get married as soon as possible, and set the name down, so that it is foolproof.

Haha…

Hearing this, Yue Feng sat there with a leisurely expression on his face, smiling without saying a word.

Yue Feng is very thoughtful, how could he not know the purpose of these civil and military officials? Getting married with Long Qianyu is secondary, and the main purpose is to use his prestige to shock the Northern Ying Continent.

However, Yue Feng didn’t care about this.

After all, he and Long Qianyu had already had a marriage contract, and it was only a matter of time before they got married.

Swish!

However, Long Qianyu’s delicate body trembled, and her delicate face suddenly blushed.

These civil and military officials, who were usually respectful to themselves, now openly discuss their marriage in order to compliment Yue Feng, which is really embarrassing and irritating.

Chapter 2060

“Okay!”

At this time, the queen nodded and agreed: “Indeed, it is indeed time to set a date for the wedding of the emperor’s sister.” The

queen looked at Yue Feng with a smile: “Yue Feng, what do you think? What is the best date to get married with the emperor’s sister?” In the

past, the queen would never take the initiative to discuss it, but set the date directly, after all, she was the queen and possessed absolute majesty.

But Yue Feng's performance today is really amazing, and even the Queen admires it, so I discussed it with Yue Feng.

"This…"

Yue Feng sat there lazily, scratched his head, and said with a smile, "Any day will do."

In Yue Feng's heart, marriage is a happy event, and any day is a good day. Saying that, Yue Feng glanced at Long Qianyu opposite with a smile.

Haha…

This Long Qianyu, a self-proclaimed princess with golden branches and jade leaves, has always looked down on me before, and finally wants to marry me as a wife?

Um!

Hearing Yue Feng's answer, the queen nodded and ordered the eunuch beside her, "Go check the almanac and see if there are any auspicious days in the past few days."

The eunuch nodded quickly.

"Imperial Sister!"

At this moment, Long Qianyu stood up and quickly said, "I…I don't want to get married now."

While saying this, Long Qianyu turned his head and glared at Yue Feng.

This Yue Feng's marriage is related to his life's happiness, he actually looks like he doesn't care, it's just too hateful.

To be honest, Yue Feng's performance in the past few days has changed Long Qianyu's opinion of him, but it does not mean that he completely accepts Yue Feng.

Therefore, seeing that the queen was going to set a date, Long Qianyu quickly stopped it.

"I don't want to get married now?" The

queen frowned and looked at Long Qianyu with a smile: "When does the emperor's sister want?" On the

surface, it seemed peaceful, but the queen was really anxious.

This imperial sister is really, she and Yue Feng lived in the same room in Canglan City before, do you still need to delay? Continue to drag on, how should people in the world view the Nayun royal family?

Swish!

At this moment, the eyes of everyone in the hall were also focused on Long Qianyu, waiting for her answer.

“I…”

Long Qianyu bit her lip tightly, her delicate face flushed red, but she said one word and couldn’t go on.

At this time, Long Qianyu was in a mess. How could he know when he would get married.

A few seconds later, Long Qianyu took a deep breath, looked at the queen and said seriously: “Sister Huang, I feel that getting married is in a hurry now. Although Yue Feng is good, he is still far from the standard in my heart…

” !

The words fell, and the surrounding civil and military officials suddenly burst into an uproar, and then, many ministers couldn’t help but open their mouths to comfort them.

“His Royal Highness, Prince Consort, if you look at Kyushu, you can’t find a second one.”

“Yes, even Guigu seniors have helped him. Who in the world has this honor?”

“His Royal Highness , are your requirements too high?”

The consolation of the civil and military officials, you and I came, Long Qianyu trembled, and stomped his feet in anger.

You must know that these ministers usually see Long Qianyu respectfully, and they dare not refute Long Qianyu’s words, but today, because of the marriage, these ministers are all on Yue Feng’s side.

At this moment, Long Qianyu’s pretty face blushed, and she couldn’t say anything angry, but her face full of shame and anger was also very charming.

“Shut up for me!”

Finally, Long Qianyu couldn’t help it, looked around coldly, and let out a coquettish cry.

call!

The ultimate husband in Chinese chapter 2061-2070

Chapter 2061 When the

voice fell, the civil and military officials quickly shut their mouths, each and everyone was silent like a cicada.

After all, Long Qianyu has a high position in the Southern Cloud Continent and is very prestige. Seeing her angry at this time, there are no ministers present who are not afraid.

Even Yue Feng's heart trembled inexplicably, looking at Long Qianyu with complicated eyes, and muttered secretly.

Nima, as expected of the eldest Highness Princess.

This aura is too strong, and when you get married in the future, you have to be careful.

"Imperial sister!"

At this moment, the queen sighed lightly and looked at Long Qianyu helplessly: "Even if you don't want to get married now, you have to give a reason to convince everyone, you must know that your marriage , It's not about you alone, it's also about the reputation of our Nanyun royal family."

After speaking, the queen's face became serious and continued: "You don't want to get married, and you can't come up with a reason, how can this be done? "

I…"

Long Qianyu bit her lip tightly, thought for a while, looked at the queen and said, "Sister Huang, if you want me to marry Yue Feng, yes, but I have one condition.

" Then , Long Qianyu looked at Yue Feng with a half-smile, "I'm afraid he can't do it."

Huh?

Facing Long Qianyu's gaze, Yue Feng frowned secretly.

What is this woman going to do?

At the same time, the queen pondered for a while, then smiled: "Okay, tell me, what are the conditions?"

This chapter is provided by . Visit for daily update.

Phew!

At this moment, the surrounding civil and military officials were all very curious.

The eldest princess actually put forward conditions to the concubine.

What will this condition be?

But Yue Feng reacted, but he smiled without saying a word.

He could see that Long Qianyu was still very resistant to this marriage, saying that he had conditions, but in fact he wanted to continue procrastinating.

call!

Finally, Long Qianyu breathed a sigh of relief, looked closely at Yue Feng, and said word by word, “My condition is that within a month of Yue Feng, if he can sit on the emperor of Xi Cang Continent, I will marry him. I don’t want to marry a man who can’t even keep the throne. If he can regain the throne of Xi Cang within a month, I will marry him.”

What?

Hearing this, there was an uproar in the audience, looking at Yue Feng one by one, his eyes flickering with complexity.

This…

Yue Feng was the emperor of Xicang Continent before, and was finally taken back by Duan Yu. Under such circumstances, how could Yue Feng be the emperor of Xicang Continent again?

Moreover, there is also a time limit, one month?

shit.

At this moment, Yue Feng was also stunned, not knowing whether to laugh or cry.

This Long Qianyu, really quick-witted, actually thought of a condition that he couldn’t handle.

In the current Xi Cang Continent, I am afraid that Duan Yu has regained control. With the lesson of the last time, Duan Yu must be strictly guarded. How can he have a chance to regain the throne?

Don’t say a month, I’m afraid that if I give it another two months, I can’t do it myself.

quiet!

At this moment, the entire hall was silent, almost a needle drop could be heard.

Even the queen was completely silent, looking at Long Qianyu helplessly.

The Queen's mind is smart, and she naturally sees that Long Qianyu is deliberately making things difficult for Yue Feng, but so many ministers around are watching, how can she be so embarrassed to blame her?

Seeing this scene, Long Qianyu showed a smile, and looked at Yue Feng with some pride: "How? Can you do it?"

At this time, Long Qianyu was in a very relaxed mood, and even more proud of his own wit.

I'm really too smart to think of such a wonderful reason.

Chapter 2062

"The eldest princess."

Yue Feng scratched his head and gave a wry smile: "If I do my best, it is not difficult to take back the throne of Xi Cang, but it's just a little bit more pressing for a month, you see… .."

Before he could finish speaking, Long Qianyu interrupted directly.

"Yue Feng, don't ask me to extend the time for you. It's just a month. If you can't do it, you're not qualified to be my man." Long Qianyu said coldly.

Ugh!

Yue Feng sighed, very speechless.

This Long Qianyu is really difficult to deal with.

Thinking to myself, Yue Feng will agree.

"Your Majesty!"

However, at this moment, a eunuch walked in quickly and respectfully said to the Queen: "The envoy of Xi Cang is asking, and is now waiting outside the palace."

Huh?

In an instant, whether it was the Queen, Yue Feng, or everyone around, they were all stunned.

What a coincidence, just as Yue Feng could become the emperor of Xi Cang Continent again, this Xi Cang messenger came.

The next second, the queen reacted and raised her jade hand: “Announce him to come in.”

“Yes.” The eunuch responded quickly and walked out quickly.

A few seconds later, the eunuch walked in with a Xi Cang messenger.

Chen Yuan?

Seeing this messenger, Yue Feng was stunned.

This Xicang messenger, known to Yue Feng, is the Minister of Rites of Xicang Continent, called Chen Yuan. Before Yue Feng was the emperor in Xicang Continent, he had summoned him twice.

Swish!

At this moment, the eyes of everyone in the hall were also focused on Chen Yuan, all pondering the purpose of this messenger from Xi Cang.

However, at this moment, a scene that shocked everyone appeared.

Pfft!

Seeing Chen Yuan walking straight to Yue Feng, he knelt down directly, his face full of sincerity and urgency: “Your Majesty, the situation in Xicang Continent is chaotic now. I implore Your Majesty to return to Xicang Continent immediately to preside over government affairs and stabilize people’s hearts.”

What?

In an instant, the entire hall was in an uproar, and everyone was stunned.

This… this messenger of Xi Cang, what are you calling Yue Feng? His Majesty?

Especially Long Qianyu, his delicate body trembled, his eyes fixed on Yue Feng, his delicate face was full of surprise.

This is impossible, Yue Feng has already lost the throne, how can he still be the emperor of Xi Cang Continent?

However, the envoy of Xi Cang in front of him clearly called him His Majesty, and he would not have heard it wrong.

Yue Feng was also stunned, looked at Chen Yuan with a puzzled expression, and was speechless.

What's the matter?

The next second, Yue Feng calmed down, looked at Chen Yuan and asked, "Chen Yuan, get up first and clarify the situation."

When he said this, Yue Feng's eyes were full of suspicion.

At that time in Mount Emei, Hong Fei took the lead and re-appointed Duan Yu as emperor. Why is there no emperor in Xicang Continent now?

Where did Duan Yu go?

"Your Majesty!"

Chen Yuan wiped the sweat from his forehead and told the whole story.

It turned out that Duan Yu was on Mount Emei and was severely injured by Yue Wuya. He didn't know where to hide to recuperate, and he did not return to the Xicang Continent at all. At that time, only tens of thousands of Xicang troops returned. In the days that followed, Duan Yu seemed to have disappeared and never returned.

Under such circumstances, Xi Cang Continent was suddenly in a state of leaderless dragons.

After saying this, Chen Yuan looked at Yue Feng with respect and anticipation in his eyes: "Your Majesty, the civil and military affairs of the dynasty are all waiting for His Majesty to go back and preside over the overall situation. Xicang Continent cannot do without His Majesty, so please go back with your Majesty. Let's go."

Recently, Yang Jian led the army to conquer various continents, and Xicang Continent, like other continents, was almost panicked.

Chapter 2063

Just last night, I learned that Yue Feng helped Nanyun Continent defeat Yang Jian's army, and the civil and military officials of Xi Cang Continent hurriedly held a meeting and finally decided to invite Yue Feng back.

After all, in the entire Kyushu, only Yue Feng can block Yang Jian's iron cavalry. With him, Xi Cang Continent can be assured of worry-free.

Phew…

Hearing this, Yue Feng took a deep breath and suddenly felt in his heart.

That's what happened.

"Your Majesty!"

Seeing that Yue Feng was silent and did not respond, Chen Yuan suddenly became anxious and pleaded: "That bastard Hong Fei actually betrayed His Majesty on Mount Emei and helped the villain Duan Yu, it is a crime that deserves death, so, Before the minister came, he and other ministers had joined forces to put Hong Fei in the prison, waiting for His Majesty to go back and deal with him personally!"

"Your Majesty, this minister is sincere, inviting His Majesty to go back, also represents the entire Xi Cang Continent people. Your Majesty will agree, His Majesty has a broad heart and cannot abandon Xicang Continent."

After saying this, Chen Yuan knelt on the ground and kept kowtowing at Yue Feng, his attitude was extremely sincere.

wow.

Seeing this scene, everyone around was dumbfounded, staring at Yue Feng, speechless.

Long Qianyu's body trembled even more, biting her lips tightly, her heart was extremely shocked. And looking at Yue Feng's eyes, it is even more complicated and unbelievable.

call!

Finally, Yue Feng reacted, looked at Chen Yuan dumbfounded, raised his hand and said, "Okay, don't kowtow, I promise to be the emperor of Xi Cang Continent."

In the current situation, if he doesn't agree, I'm afraid Chen Yuan wants to break his head.

Moreover, being the emperor of Xi Cang Continent has only advantages and no disadvantages, so why not agree.

"Your Majesty is merciful, and the ministers represent the civil and military affairs of the Manchu Dynasty. Thank you for your long grace." Chen Yuan was overjoyed, said very gratefully, and then stood up.

Yue Feng smiled, and then said seriously: “I can go back to preside over the overall situation, but not now, because I have more important things to do, so you go back first, rest assured, knowing that I am the emperor of Xi Cang Continent, Yang Jian doesn’t dare to act rashly.” The

reason why Yue Feng came to the Southern Cloud Continent was to find Su Qingyan. Now that Qingyan has not been found, how can it be possible to go to Xicang Continent to be the emperor?

“Yes, Your Majesty.” Chen Yuan responded quickly.

Yue Feng was too lazy to talk nonsense, and after explaining a few words, let Chen Yuan leave.

Swish!

As soon as the forefoot left, all the Nanyun officials in the hall knelt down to Yue Feng and shouted in unison.

“Chen and so on, see Your Majesty Xi Cang.”

“Long live, Long Live Your Majesty Xi Cang…”

Although Yue Feng is the emperor of Xi Cang Continent, he is also the honorable person of the Ninety-five Continent. You have to kneel too, the rules cannot be broken.

Of course, except for Long Qianyu, who is still stunned.

At the same time, the queen also stood up, looked at Yue Feng with a smile and said: “Congratulations, Yue Feng, you have become the emperor of Xi Cang Continent again.” After

saying that, the queen pointed to the position around her and continued. : “Now that you and I have the same status, and we are on an equal footing, you should also come up and sit.”

He is the consort of the emperor’s sister. thing.

Yue Feng smiled slightly, shook his head and said, “Your Majesty, don’t be polite, I’m more casual, and it’s the same wherever I sit.”

Then, Yue Feng looked at Long Qianyu with a smile: “Your Highness, what did you say just now?”

Swish!

The voice fell, and the eyes of the entire hall focused on Long Qianyu.

Just now Long Qianyu said that as long as Yue Feng becomes the emperor of Xi Cang Continent again within a month, he will agree to marry.

And now, in less than half a moment, Yue Feng did it directly.

Now, Long Qianyu should have nothing to say.

“I…”

Long Qianyu bit his lip, almost bleeding, and he couldn’t go on after only one word.

She never dreamed that she had deliberately created a problem for Yue Feng, thinking that he could not do it, but in a blink of an eye, Yue Feng really became Emperor Xi Cang again.

It was so unexpected.

Moreover, this Yue Feng’s luck is also very good.

Chapter 2064

“Imperial Sister!”

Seeing Long Qianyu’s delay in making a decision, the Queen said softly: “Okay, the conditions you mentioned before are considered a joke, your marriage is related to two continents. The fate between the two, don’t hesitate, what date will your marriage be, you can tell for yourself.”

Seriously, if the envoy from Xi Cang hadn’t come and the scene just now hadn’t happened, the queen would have acquiesced to Long Qian. Yu’s decision to let her continue to drag.

But now, Yue Feng has become the Emperor of Xi Cang again, and his identity is different. Moreover, so many ministers around him are watching, if the emperor’s sister goes back on her word, it will be unreasonable, and she will lose face.

“Then…”

Seeing the Queen speak, Long Qianyu knew that it would be impossible for him not to agree to the marriage today, so he lowered his head and said softly, “Then it will be a month later. If it is a few days, then It’s too hasty, after all, the marriage is a major event, and many things have to be prepared.” To be

honest, Long Qianyu was very conflicted with Yue Feng’s marriage.

But there is no way, the condition is proposed by himself, and Yue Feng has done it, so he has nothing to say.

“Okay!”

With a smile on the Queen’s face, she nodded and said, “Then it will be a month later.”

Immediately, the Queen ordered to the civil and military officials: “Starting from tomorrow, immediately prepare for the wedding of the eldest princess, and no details can be made. Sloppy.”

“Yes, Your Majesty!” The civil and military officials responded in unison.

Immediately afterwards, they approached Yue Feng and held their hands together to celebrate.

“Congratulations, Concubine, oh no, Your Majesty…”

Yue Feng smiled slightly, but he was not too excited or excited.

Su Qingyan hasn’t found it yet, how can she be happy?

Two hours later, the celebration banquet was over, and the queen, Long Qianyu, and hundreds of civil and military officials left the hall one after another.

At this time, Yue Feng called all the generals together.

“Send the order, send these portraits immediately, no matter what, find her.” Yue Feng took out Su Qingyan’s portrait and handed it to the general in front of him, with a serious look on his face.

This portrait was painted by Yue Feng before he attended the celebration banquet. The Queen and Long Qianyu were present before, so I was embarrassed to take it out.

“Yes.” The generals responded in unison, and then quickly went to prepare.

call!

At this moment, Yue Feng looked up at the night sky above his head, let out a long sigh of relief, and prayed secretly in his heart.

Light smoke, no matter where you are, I will definitely find you.

–Yue

Feng led the Nanyun army, defeated Yang Jian's army in one fell swoop, and forced Yang Jian to withdraw from the Nanyun Continent. This matter soon spread throughout the Kyushu Continent.

For a time, Yue Feng's reputation spread far and wide, and he became a famous figure in the Kyushu mainland, everyone knows it.

You must know that Yang Jian is a peerless powerhouse who has been famous for many years. It is incredible that Yue Feng can defeat him.

At this moment.

Northern Ying Continent, Imperial Palace.

In the hall, Yang Jian sat there in a dragon robe, his face extremely gloomy.

Below, the Gonggong and civil and military officials stood there tremblingly, not daring to take a breath.

At this time, Yang Jian was very annoyed.

He was defeated and retreated in the Nanyun Continent, and the news spread. Now all continents are talking about this matter, and he has become the laughing stock of the Kyushu Continent. The prestige of Erlang Zhenjun is almost destroyed.

Yang Jian was always arrogant, but now being laughed at by the Kyushu mainland is more uncomfortable than killing him.

"Gonggong."

Finally, Yang Jian looked at Gonggong and said coldly: "Send someone immediately to monitor Yue Feng's every move. Remember, you must pay special attention to Guiguzi, and if there is a situation, report it immediately."

Yang Jian once He is also the owner of Linglong Pagoda. Of course, he knows that Guiguzi is trapped on the fourth floor of Linglong Pagoda. Therefore, after withdrawing to Beiying Continent, Yang Jian realized that Guiguzi must have been released by Yue Feng from Linglong Tower.

It's just that when Yang Jian controlled Linglong Tower, he couldn't order Guiguzi to do things for him, and naturally he didn't believe that Guiguzi would recognize Yue Feng as the master.

But Guiguzi helped Yue Feng, it was a fact.

Yang Jian was very jealous of Guiguzi. As long as Guiguzi was by Yue Feng's side, Yang Jian would not dare to act rashly.

Yang Jian thought about it, and found out what happened to Yue Feng and Guiguzi as soon as possible. As long as the situation was thoroughly investigated and he knew himself and the enemy, he could deal with Yue Feng.

"Yes, Your Majesty!" Gong Gong responded and walked out of the hall quickly.

call!

At this moment, Yang Jian's eyes narrowed slightly, looking at the sky outside, his face was calm, but his heart was filled with anger.

Yue Feng, you'd better not let me take the chance.

Otherwise, I will make you regret coming into this world.

…..

Two days later, Nagumo Continent.

Royal Palace.

At this time, Yue Feng, wearing a silk nightgown, was lying on the soft couch very depressed.

For two days, he had sent people to search all over the Nanyun Continent, but Su Qingyan had never been found.

Light cigarettes will not be a problem, right?

Chapter 2065

Thinking of this, Yue Feng became more and more anxious.

"Master Consort!"

At this moment, a military general walked in quickly and said to Yue Feng, "Good news, we have found the trace of Su Qingyan."

Since he was not in Xicang Continent, Yue Feng specially ordered The people below, don't call yourself Your Majesty, so everyone can only call him Consort.

Yeah?

Hearing this, Yue Feng was shocked, almost jumped up from the soft couch, and looked at the general: “Where is she now?” After

saying that, Yue Feng was about to change his clothes and go out immediately.

“Master Consort, don’t get excited.” The general scratched his head and said in a complicated tone, “We just found the traces of Su Qingyan, but we didn’t find her. Moreover, according to the clues, Su Qingyan has already left the Southern Cloud Continent. “

What?

Hearing this, Yue Feng was originally excited, but instantly became half cold.

Qingyan left the Nanyun Continent?

“Master Consort!” The general said the situation with a helpless expression on his face.

It turned out that Yang Jian led the army to invade before, and the entire Nanyun Continent was in a panic. Many people left their homes and went to other continents for refuge. Under such circumstances, Su Qingyan couldn’t stay in the Nanyun Continent anymore.

At the end of the story, the general said cautiously, “Master Consort, we got a clue. Someone saw that Su Qingyan followed a caravan to the Yellow Sea Continent.”

Yellow Sea Continent?

Yue Feng frowned, and in his mind, a pretty figure disguised as a man could not help but emerge. It was from the Yellow Sea Continent, and she was also the daughter of the owner of the Famous Sword Villa, Ye Ziyi.

Yue Feng clearly remembered that when the Tianqi royal family held a competition for Ren Yingying to recruit relatives, he knew Ye Ziyi on the first day he signed up. At that time, he thought she was a man, and finally realized that she was a eldest lady. He also helped her a lot.

I have never been to the Yellow Sea Continent, and I know almost nothing, and Famous Sword Villa is famous in the Yellow Sea Continent. If you ask Ye Ziyi to help, you will definitely be able to find Su Qingyan.

Thinking to himself, Yue Feng did not hesitate, looked at the military general in front of him and said, “Get ready now, I want to go to the Yellow Sea Continent right away.”

“Yes, Consort!”

To be honest, the concubine is only a false name, and he has no right to command these generals, but Yue Feng has a military talisman in his hand, and the military power is in his hands, so these generals naturally dare not disobey.

A few minutes later, everything was arranged properly, Yue Feng said goodbye to the Queen, and hurried to the Yellow Sea Continent.

……

Yellow Sea Continent, Famous Sword Villa!

Famous Sword Villa is located in the southeast of the Yellow Sea Continent, surrounded by mountains and rivers, with beautiful scenery.

Famous Sword Villa is famous for casting weapons and has been passed down for thousands of years.

Speaking of which, the location of Mingjian Villa is a bit remote, and because it is an important place for casting weapons, there are usually very few visitors, but today, it is crowded with people and it is very lively.

Because today, Famous Sword Villa holds the annual sword tasting conference.

The Swordsmanship Conference is a grand gathering of Jianghus and lakes set by Famous Sword Villa thousands of years ago. It is held once a year. At this time of each year, Famous Sword Villa will invite all parties in Jianghu to appreciate the latest weapons.

I have to say that the ancestors of Famous Sword Villa are very far-sighted. Since the establishment of the Sword Contest, the reputation of Famous Sword Villa has gradually increased in the Yellow Sea Continent, and the relationship with various forces is also very harmonious.

You must know that the weapons cast by Mingjian Villa are first-class products when placed outside. It is the dream of every cultivator in the Yellow Sea Continent to get weapons cast by Mingjian Villa.

At this time, the Famous Sword Villa was full of lanterns! Inside the manor, distinguished guests gathered. It can be said that it is a sea of people, there are tens of thousands of people!

It can be said that almost all the forces in the Yellow Sea Continent are here!

At this time, outside the gate of Mingjian Villa, on the side of the road diagonally opposite, stood a handsome man quietly.

She was dressed in ordinary clothes, but her body was filled with a unique aura.

It was Yue Feng.

Deciding to ask Ye Ziyi to help, Yue Feng came directly to Mingjian Villa after he came to the Yellow Sea Continent, but at this moment, when he saw the scene in front of him, Yue Feng was stunned.

I go!

What's the situation? Isn't Famous Sword Villa specialized in casting weapons? The surrounding area should be heavily guarded, and outsiders are not allowed to approach. Why is it so lively?

A few seconds later, Yue Feng pulled a passerby to inquire, and only then did he know that today was the Sword Art Conference held at Mingjian Villa.

"Nima, I knew this earlier, so I prepared a gift in advance." Yue Feng muttered and walked towards the gate.

However, as soon as he arrived at the gate, he was stopped by the guard: "Hey? You stop." The

guard was a boy in his twenties, with a arrogant face. At this moment, he looked up and down at Yue Feng, his face full of impatience.

Famous Sword Villa, but a famous foundry family in the Yellow Sea Continent, invites heroes from all walks of life for the annual Sword Art Conference, not just anyone can come in.

Yue Feng didn't care about the guard's attitude, showed a smile, and

said, "I'm here to visit." After that, he was about to go in.

"What's the matter?"

At this moment, the housekeeper Ye Min happened to be not far away. Seeing the situation here, he frowned and walked over with a lofty attitude.

Famous Sword Villa is sought after by the entire Yellow Sea Continent. Therefore, the servants of the villa have also developed a habit of arrogance.

"Housekeeper, this kid wants to sneak into the conference, I think he wants to steal weapons." The guard quickly said.

In the past few years, every time the Sword Art Conference was held, there would be some scoundrels who would sneak into the conference while taking advantage of the excitement and try to steal the weapons on display. Although they were unsuccessful, this kind of thing happened more than once.

The boy in front of him, dressed in ordinary clothes, was definitely not invited, and his motives must be impure.

The ultimate husband in Chinese chapter 2066-2070

Chapter 2066

Want to sneak into the Sword Art Conference?

The housekeeper Ye Min looked up and down Yue Feng, and couldn't hide his contempt: "Boy, you are not allowed to enter without an invitation, no matter what your purpose is, I will give you a chance, and hurry up, otherwise, don't blame me for being rude !" The

current generation of rats in the rivers and lakes has become more and more bold, and it is really hateful to dare to blatantly sneak into the Sword Contest.

To deal with such a person, there is no need to be polite.

Like the guards, Ye Min also believed that Yue Feng wanted to sneak into the conference to steal the displayed weapons.

What the fuck?

Does this person from Jianshanzhuang speak so arrogantly?

Yue Feng frowned, feeling a little unhappy in his heart, but he still smiled and looked at Ye Min and said, "You are the housekeeper of Mingjian Villa, right? Please inform your young lady that there are guests visiting!

" At that time, Yue Feng was very helpless.

When she was separated from Ye Ziyi, Ye Ziyi once said that if she visited by herself, she would definitely come to greet her in person.

It's just that Yue Feng didn't expect that he came to Mingjian Villa, but was stopped by the housekeeper and guards. If he couldn't get in and couldn't see Ye Ziyi, how could he ask her to help find Su Qingyan?

Um?

At this moment, Ye Min was stunned for a moment, followed by a sneer: “Boy, don’t you understand people’s language? Don’t think I don’t know, you want to go in and steal the weapons we showed, and even use our lady as a weapon. Excuse me, I don’t think you will cry until you see the coffin.”

Ye Min waved his hand when the voice fell.

Whoops!

This chapter is provided by . Visit for daily update.

In an instant, several disciples of the famous Sword Villa walked over quickly and surrounded Yue Feng.

This time, a lot of people gathered around, all pointing at Yue Feng.

“This kid, dare to come to Mingjian Villa to make trouble? Are you tired of living…”

“That is, looking at his appearance, he was not invited, he must be trying to steal weapons while there are many people…”

“Also No wonder, every weapon cast by Famous Sword Villa is a fine product, and people in the world, who doesn’t want to own one?”

Everyone’s comments, you and me, were all contemptuous, and no one sympathized with Yue Feng.

Nima!

Seeing this scene, Yue Feng was ridiculous and a little angry.

There are quite a few people in this world who look down on people.

“Good boy!”

Seeing that Yue Feng didn’t mean to leave, Ye Min suddenly became angry and shouted: “You’re not going away, right? It seems that if I don’t give you some color, you don’t know how powerful our Famous Sword Villa is. Take him down for me and torture him.”

Buzz buzzing… As

the voice fell, several disciples of the famous Sword Villa burst out their inner strength and prepared to attack Yue Feng.

To be honest, Yue Feng hid his inner strength because he didn't want to make it public. Otherwise, these disciples of the famous sword villa would definitely not dare to be so reckless when they felt the breath of Yue Feng.

Looking at the disciples of the famous Sword Villa who rushed over, Yue Feng did not panic at all.

These disciples are all in the Martial Saint Realm, and Yue Feng has full confidence that they will all lie on the ground within a second without hurting anyone.

"Stop!"

However, just as Yue Feng was about to start, there was a coquettish shout, and then, a slender figure came out of the yard.

It was Ye Ziyi.

Ye Ziyi was in the courtyard, chatting with the guests, and when she heard the movement outside the door, she came out to have a look. When she saw a few disciples surrounding Yue Feng, she exited to stop it.

At this time, Ye Ziyi hadn't seen Yue Feng's face yet, but she only knew that today's Sword Art Conference was related to the statement of the famous Sword Villa.

In an instant, everyone around was agitated.

"Miss Ye is here."

"It's so beautiful…"

"As expected of the number one beauty in Famous Sword Villa…"

Chapter 2067 During the

discussion, many men stared at Ye Ziyi, their eyes straight.

At this time, Ye Ziyi, dressed in a bright yellow dress, perfectly displayed her exquisite figure, her delicate face, her hair like clouds, and her head wearing a pearl hairpin, which was indescribably glittering and charming.

hiss!

At this moment, Yue Feng was also stunned, and couldn't help but take a deep breath.

I'll go, is this still Ye Ziyi who disguised herself as a man?

I didn’t expect her to look so sexy in women’s clothes.

To be honest, when he was in the Apocalypse Continent before, when he participated in the competition to recruit relatives, what Yue Feng always saw was Ye Ziyi disguised as a man. The crime of deceiving the king should be beheaded.

At this time, when he suddenly saw Ye Ziyi wearing women’s clothes and felt her charming and moving, Yue Feng was stunned.

beautiful!

So beautiful.

“Miss!”

At this time, Ye Min quickly walked up to meet him, smiling with a smile: “There is a rat in the rivers and lakes who wants to infiltrate our sword-picking conference, and I am slamming him away.”

When he said this, Ye Min still Do not forget to look at Yue Feng with contempt.

Um!

Ye Ziyi nodded and said softly: “Even so, let’s not do it, there are so many distinguished guests here watching, we have to pay attention to the impact… eh?” As

she was talking, Ye Ziyi looked at it lightly. Glancing at Yue Feng, his delicate body trembled.

This…you read it right.

Is this Yue Feng? Is he the rat in the rivers and lakes that the housekeeper said?

At this moment, Ye Ziyi was both stunned and surprised. You must know that when Yue Feng was in the martial arts competition, every match was outstanding, especially the last match, which was amazing.

After that, Yue Feng’s identity was exposed, and with his own strength, he resisted the many masters of the Tianqi royal family, which deeply shocked Ye Ziyi’s heart.

In Ye Ziyi’s heart, Yue Feng is a hero who stands above the ground, is omnipotent, and is also his idol. Can you be unhappy when you see it suddenly at this time?

A few seconds later, Ye Ziyi reacted, walked over quickly, her delicate face was full of surprise, and said to Yue Feng, “Are you here to find me?”

Ye Ziyi was very happy when she said this.

Yue Feng is from the Earth Circle Continent, and it is impossible for him to come to the Sword Art Conference. When he parted ways with him last time, Yue Feng had said that he would visit him if he had the opportunity.

Can you not be happy when idols come to find you?

“Yes.” Yue Feng nodded with a smile, then thought of something, leaned a little closer, and whispered to Ye Ziyi: “I’m here this time, besides meeting your friend, there are important things that need your help. , Just to be cautious, don’t reveal my true identity.” The

voice was so small that only Yue Feng and Ye Ziyi could hear it. That’s right, Yue Feng tried his best not to reveal his identity, because Yue Feng knew that now Yang Jian must be chasing him everywhere.

Um!

Ye Ziyi nodded quickly, smiling like a flower, unable to hide her inner excitement.

This….

seeing this scene, everyone around was dumbfounded, looking at Yue Feng blankly, very surprised.

This kid actually knew the Miss Ye family.

At this time, Ye Min reacted and looked at Yue Feng with a complicated look, feeling a little uneasy in his heart.

It’s broken, I just slammed him away, will the lady blame herself?

“Ye Min!”

At this moment, Ye Ziyi turned to look at Ye Min, and said lightly, “This person is my friend, not some kind of rat in the rivers and lakes. Don’t do this until the situation is clarified in the future.”

When saying this , Ye Ziyi looked calm and did not fluctuate in the slightest, but her anger was suppressed in her heart.

The housekeeper and the door guard, relying on the reputation of the famous sword villa, became more and more outrageous. If Yue Feng was not willing to reveal his identity, he really wanted to reprimand them.

“Yes, miss!” Ye Min wiped the sweat from his forehead and nodded quickly in response.

Chapter 2068

Ye Min squeezed a smile at Yue Feng: “It turned out to be a distinguished guest, I’m really sorry, I’m sorry…” The

mouth was respectful, but Ye Min looked at Yue Feng’s eyes, still revealing a bit Disdain.

Everyone in Famous Sword Villa knows that although Ye Ziyi is the eldest lady, she likes to disguise herself as a man, travels around, and has a cheerful personality. Every time she goes to a place, she makes many friends.

At this time, in Ye Min’s eyes, although Yue Feng was a friend of the young lady, he definitely had nothing to do with him. She was so disrespectful to him just now, but the young lady did not punish herself, but said a few words lightly.

If it is really a distinguished guest, will the lady forgive herself lightly?

At the same time, many people around them reacted and couldn’t help but whisper.

“This kid has no background at first glance, but he is actually a friend of Miss Ye?”

“Yeah, I heard that Miss Ye likes to go out and travel, and prefer to make friends. This kid must be lucky to meet Miss Ye. “…”

“Looks like I’ll have to find out more about Miss Ye’s movements in the future, and when she travels next time, I’ll have an encounter with her too, haha…”

Like Ye Min, everyone around me also He thinks that Yue Feng is an unknown person Ye Ziyi knew in the arena.

Yue Feng could hear the surrounding discussions clearly, but he didn’t care.

Although Ye Ziyi is a girl, she has a cheerful personality and doesn’t care about these gossips. At this time, she pulls Yue Feng with great interest: “The sword art conference is about to start, let’s go in and talk.

” Otherwise, it is his honor that he is willing to come to him.

After all, this is a hero who is famous in Jiuzhou.

“Okay!” Yue Feng nodded with a smile, and then walked in with Ye Ziyi.

At this time, the hall was almost full of high-ranking friends, and all the people who came were people with heads and faces in the rivers and lakes of the Yellow Sea Continent.

Swish!

At this moment, seeing Ye Ziyi bringing an ordinary boy in, everyone's eyes suddenly converged on Yue Feng.

Who is this kid? Dressed in such an ordinary manner, she was greeted in person by the Miss Ye family?

However, most people are not too surprised, because they all know that Ye Ziyi has made many friends on the rivers and lakes.

"Just sit here."

Ye Ziyi didn't pay attention to everyone's eyes, went straight to the front row and sat down, then pointed to the seat next to him, and smiled at Yue Feng: "This was originally my cousin's seat, he has something to do. If you let me know before you come, I will definitely help you arrange a better position."

Ye Ziyi's delicate face was full of sincerity and reverence at this time.

A character like Yue Feng, who comes to the Sword Art Conference, is definitely the first place in the VIP seat.

"Haha…"

Yue Feng smiled, shook his head and said, "Miss Ye doesn't need to be so polite, it's the same wherever I sit."

The purpose of his visit was to find Su Qingyan, not to participate in the Sword Contest. Location doesn't matter.

What?

Seeing this scene, everyone in the hall was stunned again.

what's the situation?

Even if this kid is a friend of Miss Ye's family, he has no background at all, so he was actually placed in the VIP seat?

Moreover, Miss Ye's relationship with him seems to be quite close…

Originally, the surrounding guests didn't pay much attention to Yue Feng, but when they saw Ye Ziyi's attitude towards him, they couldn't help but speculate.

To be honest, although Yue Feng has a very good reputation in Kyushu, he has never been to the Yellow Sea Continent. Therefore, these people from the Yellow Sea Continent do not know him either.

"Huh?"

Finally, in the whispered discussion of the crowd, a man couldn't help but stand up, looked up and down at Yue Feng, and asked in a bad tone: "This looks like a freshman, dare to ask where he came from. My friend!"

This person is called Dong Long, Ye Ziyi's cousin, and the Dong family behind it is a famous cultivation family in the Yellow Sea Continent, and it is very powerful. Therefore, as the young master of the Dong family, Dong Long has a strong sense of superiority.

More importantly, Dong Long has liked Ye Ziyi since he was a child. At this time, seeing her bring an ordinary boy in, not only sitting together, but also talking and laughing, Dong Long felt very upset for a while.

Chapter 2069

Dong Long's eyes made Yue Feng feel very unhappy, but he still smiled slightly and responded: "I'm just a nobody in the world. I'm fortunate enough to know Miss Ye, and I don't have any background!"

Seriously, Yue Feng knows how to hide Identity will bring a lot of inconvenience.

But there is no way. Now that Yang Jian is attacking other continents, the situation in Kyushu is very tense, and he has defeated Yang Jian's army in the Southern Cloud Continent, making Yang Jian's reputation discredited. If Yang Jian knew that he had come to the Yellow Sea Continent alone, Surely someone will be sent to kill him.

So, to be on the safe side, it's better to hide your identity.

When the voice fell, Ye Ziyi also said: Yes, this is my friend. "

This cousin has used a gun to bully the weak since he was a child. Ye Ziyi doesn't like him from the bottom of his heart.

Friends?

Hearing this, Dong Long and the people around him looked at Yue Feng's eyes at the same time, and it became even more interesting!

Pfft!

Ye Ziyi is in a class. Sister, couldn't help but laugh: "Sister Ziyi, what kind of friend are you, you look so stupid. At

this time, Dong Long reacted, sneered, and said yin and yang strangely: "Cousin, we all know that you like to make friends everywhere, but today is the sword tasting conference of Mingjian Villa, which is of great significance. The eldest lady, you can't bring in all kinds of cats and dogs, it will affect the image of Mingjian Villa…"

When he said this, Dong Long gave Yue Feng a contemptuous look.

Wearing such ordinary clothes, it's not a cat or a dog. How can I be qualified to enter the hall and sit in the VIP seat? A cat or a

dog?

Hearing these four words, Yue Feng's expression changed slightly, and he felt a little harsh, but he didn't care much.

If it was ten years ago, Yue Feng's blood was strong, and he would definitely not be able to bear it.

But now, Yue Feng is too calm, and, like Dong Long, who judges people by their appearance, Yue Feng has seen too many, and there is no need to care.

However, Ye Ziyi couldn't listen anymore, she stood up all of a sudden, glared at Dong Longjiao and said, "I'm the eldest lady of Famous Sword Villa, and it's my right to let whoever sit beside me at this Sword Contest. , don't worry about it."

At this time, Ye Ziyi was very angry.

Yue Feng is his idol, but his cousin calls him a cat and a dog. Can you not be angry?

Uh…

In front of everyone, being reprimanded by his cousin, Dong Long was very embarrassed, blushing and speechless.

The next second, Dong Long accompanied the smiling face and said to Ye Ziyi: "Oh, I'm just joking, why is my cousin so angry?" The

voice fell, Dong Long sat down, just looking at Yue Feng's eyes, still Glittering deep cold.

Mad, a boy without any background, how could He De be so favored by his cousin?

The surrounding guests also looked at Yue Feng and couldn't help but whisper.

"This young lady from the Ye family is too self-willed to bring everyone in…"

"Yeah, it's absurd that a boy with no background should be placed in the VIP seat."

"Forget it, this is someone else's . Let's not worry about the Famous Sword Villa." While

we were discussing, we saw a middle-aged man in a black silk robe walking slowly into the hall, with a refined and aura.

Whoa!

As soon as this person appeared, all the guests present warmly greeted them one by one.

"Master Ye, it's been a long time!"

"Haha… Master Ye is still the same."

"Master Ye, what kind of magical weapon has your Famous Sword Villa forged this year? Let the disciples present it. Let's see and see…"

Everyone greeted me one by one, showing great compliment to this person.

Yes, the person who came was Ye Xuan, the owner of Mingjian Villa.

Chapter 2070

Call!

At this moment, Yue Feng looked at Ye Xuan and couldn't help nodding secretly.

Is this the owner of Mingjian Villa, Ye Ziyi's father? Truly extraordinary.

Ye Xuan smiled and waved to everyone.

At this time, Ye Xuan also noticed Yue Feng, and when he saw him sitting next to Ye Ziyi, dressed in ordinary clothes, he knew that he was a friend of his daughter's acquaintance on the rivers and lakes.

Ye Xuan loves Ye Ziyi very much. Seeing that she arranged an ordinary boy in the VIP seat, it was inappropriate, but he didn't care.

Afterwards, when he arrived at the booth in the middle of the hall, Ye Xuan cleared his throat, and a very rich voice came out of his mouth: "Everyone from the rivers and

lakes, I can come to the sword tasting conference today, and my name is Jian Shanzhuang. It's really bright.

" Over the past year, my name Sword Villa has improved the forging method and forged a new batch of weapons, please appreciate it below." After the

voice fell, Ye Xuan waved his hand, and immediately there was a disciple, holding a long sword, He walked over slowly and placed it on the booth in the middle.

Whoa!

At this moment, everyone present gathered their gazes, unable to conceal their inner shock.

"I'm going, the first weapon on display here is the Qing-rank weapon."

"It's worthy of being a famous sword villa, I remember that the first weapon displayed at last year's sword tasting conference was the yellow-rank weapon…"

"It seems that , The casting skills of Mingjian Villa have improved a lot."

Many people couldn't help exclaiming, while appreciating and marveling at the same time.

You must know that the weapons in the world are divided into seven levels, namely red, orange, yellow, green, blue, blue and purple. The lowest level is the red level, and the highest level is naturally the purple level.

As for Famous Sword Villa, the first weapon displayed at this Sword Contest is the green rank, and it is not enough to be admired. You must know that in the Jianghu, most of the weapons used by the people are around the yellow rank. The green ones are almost rare.

call!

At this moment, Yue Feng looked at the green-ranked long sword and nodded in approval.

It is worthy of being a famous sword villa, just take out one, it is a green-level weapon, it is amazing!

However, a green-ranked long sword was nothing in Yue Feng's eyes, so Yue Feng soon recovered his calm.

"This friend!"

At this moment, Dong Long stood up and smiled at Yue Feng: “This is your first time to come to the Sword Contest, tell me, how is the first weapon on display?”

Saying this At the time, Dong Long was full of smiles, but there was a hint of cunning in his eyes.

An unknown soldier, who was not qualified to participate in the Sword Art Conference, sat in the VIP seat with his cousin’s light, and he was going to make a fool of himself no matter what.

Swish!

At this moment, the eyes of everyone in the hall focused on Yue Feng.

These guests were originally unhappy because Yue Feng was sitting in the VIP seat. At this time, they saw that Dong Long was deliberately trying to trouble this kid, and they all gloated to watch the fun.

You!

Yue Feng frowned and couldn’t help muttering in his heart.

This idiot has a sick mind.

I’m not familiar with you at all, but I’ve always been against me.

Thinking to himself, Yue Feng glanced at the long knife on the display stage, and said lightly: “This green-level long knife has a sharp edge and a chilling air. It is worthy of the hand of Mingjian Villa. It is very good.”

To be honest, Yue Feng was too lazy to care about Dong Long at first, but because of Ye Ziyi’s face, he was too lazy to care.

Moreover, what Yue Feng said is not against his heart, this green-rank long knife is indeed very good.

Of course, this is for the people of Putong Rivers and Lakes. For Yue Feng, there is nothing special. After all, Yue Feng owns the Fangtian Huaji, and the green-level long knife in front of him is simply disgusting.

“Haha!”

Dong Long sneered, looking at Yue Feng, unable to hide the contempt in his heart: “Of course this knife is not bad, but what do you need to say? The weapons shot by Mingjian Villa are all fine. You little pawn, I’ve never seen it before.”

Immediately, Dong Long’s smile grew stronger, and he continued: “This is just the beginning, there are higher-level and better weapons in the back, don’t blink your eyes, don’t be surprised. Dropped my chin, haha…”

Boom!

When the words fell, there was laughter around, and many people followed suit and mocked Xiang Yue Feng.

“That’s right, this kid has never seen the world at first glance, and a green-level long knife shocked him.”

The ultimate husband in Chinese chapter 2071-2080

Chapter 2071 “

Hehe, you look like you’ve never seen the world before. This green-ranked long sword is the lowest-ranked exhibit at this Sword Contest.”

How can you make friends with such a person?”

The ridicule of the crowd kept coming, Yue Feng frowned secretly.

Nima!

This group of people is really interesting. They said that this weapon is good, but they were even ridiculed.

After thinking about it, Yue Feng realized that Dong Long was deliberately embarrassing himself, and no matter how he answered just now, he had reason to mock him.

Understanding this, Yue Feng smiled without saying a word, too lazy to care.

Seeing that Yue Feng didn’t respond, Dong Long thought he was cowardly, and smiled even more proudly.

At this time, Ye Ziyi couldn’t see it, she frowned, and said to Dong Long: “Dong Long, you have no end, my friend said this knife is good, you are also laughing, is it interesting?”

Because I didn’t like Dong Long since I was a child . , so Ye Ziyi never called her cousin.

“I’m just talking casually, how can I laugh at him.” Dong Long muttered and sat down.

At this time, there are new weapons, which are brought up and displayed.

It has to be said that Mingjian Villa is worthy of being famous for its casting. The weapons displayed one after another are well-made, and at least they are all of the green rank, and even many of them are of the blue rank.

Every time a weapon is displayed, there will be a sound of exclamation and admiration in the hall.

There were even quite a few guests who couldn’t help standing up, their eyes straightened, and they wished they could take it for themselves.

This chapter is provided by . Visit for daily update.

However, Yue Feng was indifferent.

Although these weapons are good, they are less than 1/10,000th of their own Fang Tianhua halberds, and they are nothing to look at.

“Miss Ye!”

At this time, taking advantage of everyone’s attention on the weapons on display, Yue Feng couldn’t help but said to Ye Ziyi, “This rash visit is indeed abrupt, but there is one thing, I need your help.”

“Please tell me.” Ye Ziyi nodded seriously.

call!

Yue Feng took a deep breath and told Su Qingyan’s situation.

At the end, Yue Feng had a serious look and exhorted: “If there is any news, please don’t act rashly, just tell me where she is.”

Qing Yan lost her memory and was arrested by Duan Yu. Instilled the concept, very hateful to himself.

In this case, you must be careful not to stimulate the light smoke.

Hearing this, Ye Ziyi nodded heavily: “Okay, I understand, I will send someone to ask around after the end of the low-grade sword conference, and I will help you find it as soon as possible.”

“Thank you.” Yue Feng showed a smile, very grateful. opened his mouth.

This Ye Ziyi is not only beautiful, but also a good person. I am really lucky to have met such a good friend.

“Okay!”

At this moment, Ye Xuan on the stage, with a smile on his face, said loudly: “Fellow fellows, today’s last three weapons are about to be displayed. To be honest with you, these three weapons are my name. Sword Villa, it took nearly ten years and painstaking efforts to build it, and after it is displayed today, it will be sealed up for everyone to appreciate.” The

voice fell, and the three disciples, each holding a delicate wooden box, slowly walked towards platform.

The next second, the wooden box was opened, and three shiny weapons were displayed in front of everyone.

hiss.

At this moment, everyone present couldn't help taking a breath of cold air.

Yue Feng also tilted his head and glanced at it, and when he saw it, he was stunned.

I saw that the three weapons on the platform were two swords and a machete, each of which was exquisitely crafted, and above the blade, there was a faint halo flowing, like gurgling water.

More importantly, these three weapons are all purple rank.

The purple rank is the highest level of weapons, and if you go up, it belongs to the magic weapon.

"Good weapon."

After a few seconds, Yue Feng reacted and couldn't help but sigh in admiration.

The name of the Sword Mountain Villa is indeed well-deserved. It has actually cast three purple-rank weapons. You must know that purple-rank weapons are extremely rare in the Kyushu mainland. They are generally treasured by the royal family and are rarely seen in the rivers and lakes.

Chapter 2072

At this moment, many people around also gradually recovered, and couldn't help but wonder again and again.

"Purple-rank weapons? I don't have dazzling eyes?"

"Oh my god, there are three purple-ranked weapons…" "Famous Sword Villa

, the casting skills are superb, really admirable. It actually showed three purple-ranked weapons."

Among them, many people congratulated Ye Xuan, and in their words, they couldn't hide their compliments and flattery.

Famous Sword Villa has been inherited for thousands of years, and it has also forged purple-rank weapons, but it took only one hundred years to forge one, and now, three weapons have been forged in ten years.

At this time, everyone present tried their best to curry favor with Ye Xuan. If they had a good relationship with Mingjian Villa, would they still be afraid of not having good weapons in the future?

Facing the congratulations from everyone, Ye Xuan smiled and felt extremely happy.

Today, the Sword Contest is over, and the prestige of Famous Sword Villa in the arena will definitely increase a lot. This is a matter of honoring the ancestors.

call!

At this moment, Yue Feng stared at the three purple-rank weapons and fell into deep thought.

The Sword Mountain Villa, in ten years, has cast three purple-rank weapons at once. If he can win over, he must be a powerful assistant.

To be honest, in the Southern Cloud Continent, Yue Feng, relying on Guiguzi's prestige, shocked Yang Jian and forced him to retreat. But Yue Feng knew that Yang Jian would not stop there. Now that Guiguzi has left, he will have to fight against Yang Jian sooner or later. If all the soldiers under his command are armed with weapons cast by Famous Sword Villa, their combat effectiveness will definitely increase a lot.

Thinking about it, Yue Feng was extremely excited.

"Ha ha…"

At this moment, Dong Long pointed at Yue Feng and said with a big laugh: "Everyone, look, this kid is stupid when he sees three purple-ranked weapons, haha…"

Seeing Yue Feng staring at three purple-ranked weapons Weapon, thoughtless, Dong Long thought he was completely frightened, and immediately sneered.

The voice fell, and there was laughter around.

"Haha, I really don't know anything about the three purple-ranked weapons…"

"It's no wonder that if he hadn't taken advantage of Miss Ye today, I'm afraid he would never see such top-quality weapons in his life. "

Boy, take this opportunity to take a second look, I'm afraid I won't see you again in the future, haha…"

Even the maids around couldn't help but pursed their lips and laughed.

This person is really from the country, and he has never seen the world before. The three purple-rank weapons are all dumbfounded.

It's really interesting…

The ridicule around him kept coming, Yue Feng frowned, and he couldn't help it.

Nima!

Dong Long, this idiot, had to endure him again and again, but he had to make an inch.

"You…"

Ye Ziyi stomped her feet angrily, her delicate body trembling, and a trace of anger appeared on her delicate face.

These people are so boring, is it so interesting to deliberately belittle Yue Feng and elevate themselves? If they knew that the person they were mocking was Yue Feng, the famous Tianmen sect master who moved Jiuzhou, they would not be able to laugh at all of them.

"Boom!"

Just when everyone laughed at Yue Feng, suddenly, the gate of the villa was directly smashed by an extremely strong force.

Immediately afterwards, a disciple of the famous sword villa rushed in in a panic, and said to Ye Xuan: "No, the villa master, someone forced in and hurt several of our disciples."

What?

Hearing this, the owner of the village, Ye Xuan's face changed, shocked and angry.

Who is so bold, dare to break into the famous sword villa?

"Go, let's see!"

Ye Xuan said with a gloomy face, and walked out quickly. The guests present, hurry up to follow.

Yue Feng frowned and walked out.

As soon as they arrived at the gate, they saw tens of thousands of people surrounded Famous Sword Villa, all dressed in black, holding a long knife, with a strong and unstoppable aura.

The leader was a handsome and elegant man, dressed in a white robe and holding a folding fan.

Chapter 2073

Hiss!

Feeling the strength of this beautiful man, everyone present couldn't help but gasp.

Cross the robbery?

The terrifying breath made the person under pressure breathless. Ye Xuan was startled, and quickly stepped forward and asked, "Who is coming? Why did you break into my famous sword villa?" The

beautiful man smiled slightly, but did not speak.

A man in black behind him strode out, looked at Ye Xuan and said, "You are Ye Xuan, the owner of the famous sword villa, this is the leader of our Huanyin Sect, Your Honor Yu Wenyan.

" The man in black looked around the audience, and said coldly: "The Magic Sound Sect does business, the goal is only the Famous Sword Villa, and no one will retreat. If you dare to intervene, you will be at your own risk!" The

loud voice spread throughout the Famous Sword Villa, arrogant pole.

What?

Hearing this, all the guests trembled, staring blankly at the beautiful man, their eyes filled with fear.

This beautiful man is the leader of the Phantom Sect… Yu Wenyan?

The Magic Sound Sect is the most mysterious organization in the Yellow Sea Continent. It has only been passed down for two hundred years, but it has developed rapidly. Its disciples are all over the Yellow Sea Continent, and their strength is powerful.

The Huanyin Sect acts both right and wrong, especially the leader Yu Wenyan is the most mysterious, Shenlong sees the beginning but not the end, and almost no one in the world has seen him. It is rumored that his personality is wild and unruly, and his methods are very hot.

Ten years ago, several disciples of the Baiyun Sect were drinking in a tavern, talking about Yu Wenyan, and saying things they shouldn't have said.

Three years ago, Pili Tang developed a new hidden weapon, named Yan Xinlei. Yu Wenyan knew about it. He thought that the name of this hidden weapon was smeared with his own name, which violated his taboo, and destroyed Pili Tang again.

And so on, there are several sects that have been wiped out.

These things have already spread in the rivers and lakes, and the Phantom Music Sect is also regarded as a magic sect by the rivers and lakes of the Yellow Sea Continent, and the name of Yu Wenyan, the people in the rivers and lakes, is even more disgusting.

And today, such a terrifying devil came to Mingjian Villa.

Whoops!

For a time, all the guests present, after reacting, immediately retreated to the side and drew a line with the famous sword villa.

No matter what purpose Yu Wenyan came to Mingjian Villa for, for such an existence, provocation is death, and no one wants to be implicated by Mingjian Villa.

call!

Seeing this scene, Yue Feng couldn't help sneering secretly.

Nima, this group of mercenary villains, when they were tasting weapons before, they flattered and complimented Ye Zhuang in various ways. Now that Mingjian Villa is in trouble, they immediately distance themselves from each other.

On the surface, they are all figures with heads and faces, but in fact, they are all hypocrites.

Thinking to himself, Yue Feng's eyes fell on Yu Wenyan.

The leader of the Phantom Sect, Yu Wenyan?

Is it scary?

To frighten these little people into such a state?

"Master Ye!"

At this moment, Yu Wenyan showed a smile and said to Ye Xuan: "You don't have to panic, this deity came to Mingjian Villa this time, not to trouble you, but to cooperate with you. "

Cooperation?

Hearing this, Ye Xuan's eyes flickered, and he asked subconsciously, "What cooperation?"

Yu Wenyan stretched out his folding fan and waved it a few times in front of him. With a leisurely attitude, he slowly said: "You are famous swordsmen, you are a famous master of forging weapons, and your deity has been famous for a long time. Jian Shanzhuang formed an alliance."

After speaking, Yu Wenyan continued: "I heard that your famous Sword Villa has forged three purple-rank weapons, which are of extraordinary quality. After we form an alliance, these three purple-rank weapons will be handed over to us. In the future, you will make a batch of blue-level weapons for the Huanyin Cult. In return, our Huanyin Church will serve as the backing of your Famous Sword Villa. I promise that as long as I, Yu Wenyan, are in one day. , No one or any force in the Yellow Sea Continent dares to bully you Mingjian Villa."

When he said this, Yu Wenyan's demeanor was calm, but his body was filled with a powerful aura, and his tone was unquestionable.

What?

Hearing this, both Ye Xuan and the disciples of Famous Sword Villa were very angry.

Handing over three purple-ranked weapons, and casting a batch of blue-ranked weapons for them every year…

What kind of alliance is this? Obviously robbery!

Chapter 2074

"Master Yuwen!"

Finally, Ye Xuan reacted and looked at Yuwenyan very calmly: "Your kindness, Ye Xuan has taken the lead, my name Sword Villa has been passed down for thousands of years, and I have never been kind to others on the rivers and lakes. The enemy family, so there is no need for the protection of the Huan Yin Sect, and there is no need to form an alliance."

When saying this, Ye Xuan was polite, but his eyes flashed with determination.

Those three purple-ranked weapons were the efforts of Famous Sword Villa for ten years, how could they be handed over to the Huanyin Sect?

Moreover, Mingjian Mountain Villa is a famous and authentic one, how could it be with the magic alliance of Huanyin Sect, which acts so ruthlessly and everyone avoids it like snakes and scorpions?

Ha ha!

Hearing this, Yu Wenyan's mouth twitched and looked at Ye Xuan with a half-smile: "Ye Zhuangzhu, the deity has already said it very clearly, the deity came with sincerity, if you don't give face, don't blame it. You 're welcome."

"You…"

Ye Xuan trembled and pointed at Yu Wenyan, so angry that he was speechless.

If you don't agree, you have to do it. This is simply a robber.

At this time, Ye Ziyi couldn't bear it anymore, walked out, and shouted at Yu Wenyan: "You Huan Yin Sect are so abhorrent, why should we hand over the weapons of our famous Sword Villa to you? It's clearly a robbery."

Yu Wenyan sneered and said nothing.

At this moment, a man in black next to Yu Wenyan came out and said coldly, "Ye Xuan, today our sect master is here in person, it is enough to give you face, if you don't know how to praise, even if you don't agree to the alliance , those three purple-ranked weapons must also be handed over, otherwise, you will be bloodbathed today at the famous Sword Villa."

Bloodbathed the famous Sword Villa.

Hearing this last sentence, many of the guests who retreated to the surroundings trembled in their hearts. Many of the women present were so frightened that their delicate bodies trembled, their faces turned pale, and the disciples of Famous Sword Villa were even more frightened and angry.

If other forces say these words, Famous Sword Villa will only be regarded as a joke.

But the phantom sound teaching is different, people really have this strength.

call!

Seeing this scene, Yue Feng also frowned secretly.

This guy named Yu Wenyan is crazy. He only brought a dozen of his subordinates, and he threatened to wash the famous sword villa?

“Presumptuous!”

At this moment, a handsome figure rushed out of the crowd and scolded Yu Wenyan, the great sage.

I saw this man, about twenty-five years old, dressed in a pale golden long gown, holding a long sword, handsome and stylish, with extraordinary equipment, it was Ye Ziyi’s brother, Ye Mingyu.

Ye Mingyu, with the strength of the fourth paragraph of Wuhuang, is the eldest son and eldest grandson of the Ye family of the famous sword villa, and he is the leader of the younger generation.

Ye Mingyu is full of energy, how can he bear it when he sees the Huanyin Sect taking the initiative to make trouble?

“Yu Wenyan.”

At this time, Ye Mingyu stared closely at Yu Wenyan and shouted angrily: “You Huan Yin Sect, you have done a lot of evil in the arena, and now you come to the Sword Art Conference to make trouble. Do you really think that my name is Jian Shanzhuang, so I can be bullied? Today, I’ll do it for the sky and get rid of you, the devil.” The

voice fell, and Ye Mingyu rose into the air!

hum!

A powerful breath burst out from Ye Mingyu’s body, and the long sword in his hand burst out with a dazzling brilliance, stabbing straight at Yu Wenyan’s heart, and he saw that the air was distorted and the momentum was amazing.

Ye Mingyu’s long sword is a blue-level weapon, a fine product made by Mingjian Villa, and it is extremely sharp.

call!

At this moment, everyone around was sweating for Ye Mingyu, and they didn’t applaud Ye Mingyu for his action. On the contrary, they all shook their heads secretly.

The eldest young master of the Sword Villa is so impulsive, even if he has a sharp sword in his hand, he can’t possibly be Yu Wenyan’s opponent.

After all, Yu Wenyan was an extremely fearful existence in the entire arena.

Chapter 2075

“Mingyu, don’t be impulsive…” At this time, Ye Xuan’s expression also changed, and the exit was stopped, but it was still a step too late.

Seeing Ye Mingyu attacking, Yu Wenyan looked disdainful.

hum!

Seeing Yu Wenyan’s internal force erupting, the surrounding air was instantly distorted, and then, with a slight wave of the folding fan in his hand, a protective film instantly blocked him.

boom!

The long sword collided with the protective film, and it was seen that the protective film was not damaged at all, but Ye Mingyu snorted and was shocked and flew out, flying more than 100 meters away, and finally smashed on the pillar before falling heavily. fall.

“Pfft…” At the moment of landing, Ye Mingyu’s face was extremely pale, a mouthful of blood spurted out, and he passed out!

Hiss…

Seeing this scene, no matter it is the disciples of the famous sword villa or the guests around, they can’t help but gasp!

one move? With just one move, Ye Mingyu was stunned!

This Yu Wenyan’s strength is too terrifying, right? !

“Brother!”

Seeing this scene, Ye Ziyi’s delicate body trembled, and she couldn’t help exclaiming.

Ye Xuan’s complexion changed, it was extremely ugly, and there was a burst of anger in his heart.

This Yu Wenyan was so arrogant that he actually injured his son in public.

“Master Ye.” Yu Wenyan showed a smile, shook the folding fan lightly, and said with a leisurely expression: “This deity advises you to cooperate with our Huan Yin Sect. If you are too stubborn, there will be no benefit.”

Immediately, Yu Wenyan glanced at it. Ye Mingyu, who passed out, said: “Just now, the deity has shown mercy, otherwise, Young Master Ling is already on Huangquan Road.”

Damn…

Ye Xuan clenched his fists, his face was gloomy and uncertain, and he was very tangled.

Famous Sword Villa is never afraid of things, but Yu Wenyan's strength is too strong, if he really wants to fight, even if Yu Wenyan is forced back, Famous Sword Villa will be severely damaged.

But if you agree to Yu Wenyan's request, the prestige of Mingjian Villa will be ruined.

"Uncle!"

At this moment, Dong Long, who was next to him, couldn't help shouting at Ye Xuan: "Or…you promise to teach Master Yuwen and cooperate with Huanyin Sect, it's not ashamed, don't you? I ca n't bear to see the blood of Mingjian Villa…"

When he said this, Dong Long looked anxious, but his eyes flickered, not looking at Ye Xuan.

Yes, although Dong Long is from Famous Sword Villa, he also joined the Huan Yin Sect as early as a year ago. Since then, she has secretly done things for Yu Wenyan. No one knows about this.

At today's Swordsmanship Conference, it was Dong Long who acted as an inner responder and provided Yu Wenyan with clues. Otherwise, Yu Wenyan would not have come by such a coincidence that it happened to appear when the three purple-ranked weapons were on display.

However, before Dong Long finished speaking, he was interrupted by Ye Ziyi.

"Shut up!" Ye Ziyi's face flushed red, and she was so angry that she pointed at Dong Longjiao and scolded: "My name is Jian Shanzhuang, I am upright and honest, and I must not collude with a magic sect like the Huanyin Sect.

" , Ye Ziyi turned her head and shouted at Ye Xuan: "Father, the people of the Huanyin Sect are not good people. I'm afraid that if you agree, they won't be able to talk and count. Don't hesitate, fight with them.

" , impassioned and inspiring.

call!

Yue Feng took a deep breath and looked at Ye Ziyi closely, his eyes full of approval.

I really did not expect that one of her daughters would be so decisive and courageous.

That Dong Long, as a cousin, was nothing compared to her.

The ultimate husband in Chinese chapter 2076-2080

Chapter 2076

After listening to Ye Ziyi's words, Ye Xuan's expression became firm. Looking at Yu Wenyan fearlessly: "Not much nonsense, our Mingjian Villa will not cooperate with you."

"Okay, very good!"

Yu Wenyan smiled and nodded, then his face turned cold: "Snatch immediately. Weapons, the entire Famous Sword Villa will not be left behind!"

"Yes!" The

voice fell, and tens of thousands of Huanyin disciples behind them exploded with internal energy, without any nonsense, and rushed directly into the crowd of Famous Sword Villa!

"Ah!"

No one reacted at that time, only a few screams were heard, and many disciples of the famous Sword Villa fell to the ground before they could react at all.

Each of these Huanyin disciples is very strong, and they are basically in the realm of Wusheng Wuhou. The disciples of Famous Sword Villa, the most powerful Wuhou, how could they be opponents?

"You…"

Ye Xuan was shocked and angry, trembling all over!

This Yu Wenyan is too ruthless, he will do it if he says he will do it, and he will not give Mingjian Villa a chance to react at all.

Yu Wenyan sneered, his face gloomy: "Master Ye, the deity gave you a chance just now, but you didn't take it well, who is to blame?"

"Ah…"

There was another scream, and ten more Several disciples of Famous Sword Villa were brutally murdered!

Seeing this scene, Ye Ziyi's tender body trembled and shouted loudly: "You demon sects, why should we give you the weapons of our famous Sword Villa? You blatantly robbed and murdered, what is the reason for heaven?

This chapter is provided by . Visit for daily update.

” Ye Ziyi at that time did not expect that Yu Wenyan’s situation would be so ruthless, and he would act directly if he disagreed.

Yu Wenyan sneered.

“Death to the devil!”

At this time, Ye Xuan finally couldn’t help it, shouted, holding a long sword in his hand, and rushed directly to Yu Wenyan!

Ye Xuan knew that if he didn’t fight hard today, Mingjian Villa would be destroyed. There is only hope if you work hard!

“Kill!”

At this moment, the disciples of Famous Sword Villa reacted one after another, pulled out their weapons, and went up to them. It’s just that the disparity between the strengths of the two sides is too great. In the blink of an eye, many disciples of the famous Sword Villa fell one after another!

clang! clang! clang!

In an instant, the sound of weapons colliding, roaring and killing, echoed over the entire Famous Sword Villa!

call!

Seeing this scene, the guests who retreated to the surroundings all had complicated expressions, and sweated for Mingjian Villa.

Famous Sword Villa dared to do something with the Huanyin Sect, but I was afraid it would be dangerous.

I go!

At this time, Yue Feng was also frowning, and he was very anxious.

How to do?

Can you help?

However, once he takes action, his identity will be exposed…

Forget it, let’s observe it for a while.

Thinking to himself, Yu Wenyan secretly stepped aside, staring at the situation in front of him.

During the melee, Ye Ziyi also drew out his long sword.

Seeing that many disciples of the family fell in a pool of blood, Ye Ziyi was angry and anxious, and shouted at the many guests not far away: “Everyone in the rivers and lakes, the phantom sound sect harms the rivers and lakes, please lend a helping hand! “

There are not many people in Yuwen Yan’s belt, as long as the guests around him help, they will surely be repelled.

However.

Hearing Ye Ziyi’s cry, the guests who were watching the battle not far away looked at each other in dismay, and no one came to help.

The Huanyin Sect is powerful, and Yu Wenyan is a must for retribution. Whoever provokes them will end up destroying the sect. Under such circumstances, who would dare to come and help.

Chapter 2077

Seeing this scene, Ye Ziyi was instantly desperate.

Swish!

Ye Xuan’s eyes were extremely blood red, staring at Yu Wenyan: “Yu Wenyan, do you want to destroy my famous sword villa? I’m afraid you are not so capable, come on!”

Ye Xuan had no fear, and after a roar, he rushed up!

The fierce battle is getting more and more fierce, and the disparity between the strengths of the two sides is too great. However, the disciples of Famous Sword Villa, in order to defend the Famous Sword Villa, were all red-eyed, and all of them were fighting for their lives!

There is a bloody smell in the air, and in the air, it seems to condense into a layer of blood mist!

In less than ten minutes, nearly half of the disciples of Mingjian Villa had fallen, and the rest were still resisting desperately.

“The evil way of the rivers and lakes, die!”

Om!

Ye Xuan let out a loud roar, slapped his palm fiercely, and sent a few Huanyin disciples flying out in front of him. He looked around, and he jumped up in anger!

He saw that the disciples of Famous Sword Villa were dead, wounded, and their blood almost dyed the ground red!

“Even if Famous Sword Villa is destroyed today, I will die with you all!” A cold voice came from Ye Xuan’s mouth.

In the next instant, Ye Xuan jumped into the air and raised his hands! A powerful internal force burst out, and in the mid-air, the aura of heaven and earth quickly gathered in his hand with the long sword.

“The sword breaks the sky!”

Ye Xuan’s eyes were blood red, almost roaring out, the long sword in his hand pointed at the Huan Yinjiao below.

“Boom!” A

huge and terrifying sword shadow, tearing the night sky, slashed down!

“Ah…”

In an instant, under the bombardment of the huge sword shadow, hundreds of Huanyin Sect disciples let out a shrill scream and fell into a pool of blood.

The sword breaks the sky, it is Ye Xuan’s life-long unique skill!

Um?

Seeing this scene, Yu Wenyan’s eyes flashed with solemnity in midair.

This Ye Xuan’s strength is actually so strong… I

thought that I could easily control the situation today, and then get three purple-rank weapons, but I didn’t expect that Ye Xuan desperately resisted and killed so many of his own men in a blink of an eye.

It can’t be delayed any longer, it must be resolved quickly.

Thinking to himself, Yu Wenyan’s eyes flashed and he locked Ye Ziyi.

“Hold Ye Xuan.” A cold voice came from Yu Wenyan’s mouth.

Hearing Yu Wenyan's order, many Huanyin disciples around, their eyes locked on Ye Xuan, and they rushed up howling!

Whoosh!

At this time, Yu Wenyan did not hesitate, his figure flashed, and a palm came towards Ye Ziyi.

The speed of this palm was too fast, Ye Ziyi couldn't dodge it, so she could only use her internal strength to greet it with one palm.

boom!

The two palms touched each other and made a dull vibration. At this moment, Ye Ziyi's delicate body stepped back several steps, and her face was instantly ugly!

Yu Wenyan's strength is tyrannical, Ye Ziyi is not his opponent at all, and Yu Wenyan has shown mercy, otherwise, Ye Ziyi would have been more fortunate than fortunate.

Ye Ziyi only felt a tightness in her chest, she stabilized her figure, and looked at Yu Wenyan in shock and anger.

This Yu Wenyan's strength is too terrifying.

Yu Wenyan chuckled lightly, without any nonsense, rushed over, quickly raised his hand, and tapped Ye Ziyi's acupuncture point twice.

In an instant, Ye Ziyi's delicate body froze, unable to move at all. Yu Wenyan grabbed Ye Ziyi's neck!

Seeing this scene, Ye Xuan's face changed greatly, and he shouted: "Ziyi…"

At the same time, Ye Xuan wanted to come over to help immediately, but there were too many disciples of the Huanyin Sect in front of him, and he couldn't rush over.

Chapter 2078

At this time, Yu Wenyan shouted and squeezed Ye Ziyi's neck tightly. As long as he exerts a little force, Ye Ziyi will not survive!

"Everyone in Famous Sword Villa, listen, immediately put down their weapons and don't resist! Otherwise, Ye Ziyi will die." Yu Wenyan showed a crazy smile, his handsome face was full of sinister: "Master Ye, I heard that Ye Ziyi will die. Ziyi is the jewel in your palm, if you lose your fragrance today, you will definitely be very sad."

“As long as you grab it, the deity promises that you will never hurt anyone in Mingjian Villa again.”

“Seriously, so charming and charming. Beauty, I’m really reluctant to start…”

When he said this, Yu Wenyan’s tone was full of playfulness.

Seriously, fighting alone, Yu Wenyan is confident enough to defeat Ye Xuan, but he holds his own identity and won’t shoot easily. More importantly, he doesn’t want to waste time.

Swish!

Hearing this, Ye Xuan’s eyes were blood red, staring at Yu Wenyan, burning with anger.

Rumors in the rivers and lakes say that Yu Wenyan is ruthless and does not compromise on means to achieve his goals, but he did not expect that this person is not only ruthless, but his methods are so despicable that he even threatened his own daughter.

Yu Wenyan was right, Ye Xuan was upright and arrogant, and he was fearless no matter what difficulties, but he also had a weakness, his daughter Ye Ziyi. Ye Xuan loves Ye Ziyi very much, and now seeing her being caught by Yu Wenyan, her life is hanging by a thread, and she suddenly loses her balance.

Nima!

Seeing this scene, Yue Feng looked at Yu Wenyan and muttered secretly.

With such despicable means, he can still talk and laugh freely, this Yu Wenyan is a ruthless character.

At the same time, Yue Feng couldn’t help worrying about Ye Ziyi.

“father!”

Seeing Ye Xuan stopped, Ye Ziyi was so anxious that she shouted: “Don’t worry about me, you can’t give them weapons, and you can’t cooperate with the Huanyin Sect. Our name is Sword Villa, and chivalry is the first for generations, and we can’t just destroy it. Fame. Don’t promise, if my daughter is dead, you will just avenge me…”

When Ye Ziyi said this, Ye Ziyi had a fearless expression on her face.

“Long-winded!” Yu Wenyan frowned and directly touched Ye Ziyi’s dumb hole.

In an instant, Ye Ziyi’s delicate body trembled and she was speechless.

“Master Ye!” Yu Wenyan urged coldly: “Make a decision quickly, this deity has limited patience and has no time to spend with you.” Creeping

…

At this moment, Ye Xuan clenched his fists tightly, his phalanges burst out. There was a crisp sound, and endless anger and unwillingness flashed in his eyes.

What the daughter said was right, the prestige of Mingjian Villa should not be destroyed in one fell swoop.

But…watching my daughter die with my own eyes, I can’t do it myself.

“Uncle!”

At this moment, Dong Long, who had been watching the situation, couldn’t help shouting again: “So many people have died in Mingjian Villa, and we can’t fight anymore, and this Yuwen leader has already made Guaranteed, what are you hesitating about? Do you really want to watch my cousin die?”

When he said this, Dong Long’s eyes were full of anxiety and anticipation.

Although Dong Long is a member of the Huanyin Sect and doesn’t care about the safety of Mingjian Villa, Ye Ziyi is different. She is Dong Long’s favorite woman. How could she just watch her die?

call!

Hearing Dong Long’s words, Ye Xuan took a deep breath and nodded to agree to Yu Wenyan’s request.

Yes, Ye Xuan compromised, he couldn’t bear to see something happen to his daughter.

“Wait!”

However, before Ye Xuan could speak, he heard a voice from the crowd, and then, Yue Feng walked out slowly.

To be honest, seeing Ye Xuan’s strength is so high, Yue Feng didn’t plan to intervene.

But seeing Yu Wenyan using despicable means to grab Ye Ziyi to force Ye Xuan to submit, Yue Feng couldn’t bear it any longer. In Yue Feng’s heart, Ye Ziyi was his friend. Seeing that she was in danger at this time, he could not sit back and ignore it anyway.

Swish!

All of a sudden, the audience's eyes will focus on Yue Feng, and they will be surprised.

Especially the surrounding guests, all looked contemptuous.

What is this kid doing out there? To die?

Even the members of the Huanyin Sect looked at Yue Feng up and down, frowning secretly.

This person is dressed in ordinary clothes. At first glance, he looks like a nobody on the rivers and lakes. Faced with the situation in front of him, he doesn't dodge far away, yet he dares to move forward?

Suspicious of longevity?

Chapter 2079

Yue Feng ignored the gazes of the people around him, looked at Yu Wenyan and said lightly: "You are Yu Wenyan, the leader of the Huanyin Sect, right, the leader of a sect, he can be regarded as a person of honor, but with such despicable means, he was caught Aren't you afraid that the world will laugh at people's daughters coming to threaten?"

Wow!

Hearing this, the audience was in an uproar. Whether it was the surrounding guests or the disciples of the Huan Yin Sect, they all thought they had heard it wrong.

This kid, dare to accuse Yu Wenyan among them.

Who gave him the courage?

Swish!

At this moment, Yu Wenyan's face was extremely cold, he looked at Yue Feng up and down, and scolded: "Where is this kid who doesn't know whether to live or die, since he knows the deity, he still dares to talk like this, and he doesn't want to live anymore?"

As the leader of the Huanyin Sect, Yu Wenyan traversed the Yellow Sea Continent. Anyone who saw it would shy away, but the boy in front of him openly said that he was not his, and he was simply courting death.

Feeling Yu Wenyan's anger, Yue Feng didn't panic at all.

In the next second, Yue Feng smiled slightly, looked at Yu Wenyan and said, "I'm just a nobody, and I can't stand the way your Huan Yin Sect behaves."

After speaking, Yue Feng continued with a serious face, “Yu Wenyan, Let’s make a bet, you and I have a test, if you lose, you will leave with someone. If I lose, Mingjian Villa will cooperate with you, how about it? Dare?”

What?

Hearing this, everyone in the audience was in an uproar.

What does this kid say? Is he going to compete with Yu Wenyan?

Judging from his appearance, he was at most Marquis Wu, and I was afraid that Yu Wenyan could kill him with just one finger.

At this time, everyone did not know that while Yue Feng concealed his identity, he also restrained his true strength.

Haha….

The disciples of the Huanyin Sect even burst into laughter, pointing at Yue Feng and taunting them one by one.

“Is there something wrong with this kid’s brain, he wants to compete with our leader?” “I don’t know how to live or die. I’m

really tired of living. ” At this moment, Yu Wenyan reacted, couldn’t help chuckling, couldn’t hide the contempt in his heart, and said lightly to Yue Feng: “Boy, I appreciate your courage, but you are not qualified to fight with this deity, and, Why does this deity want to bet with you?” The voice fell, Dong Long couldn’t help rushing out, pointed at Yue Feng and shouted: “Boy, do you want to die? You have no place to talk here.” Dong Long could see that Yue Feng It was for Ye Ziyi to get ahead. In Dong Long’s heart, this kid is not Yu Wenyan’s opponent, and he will definitely end up in a tragic death, but thinking of how this person was close to his cousin before, Dong Long still couldn’t help but scold him. This fool. Seeing Dong Long coming out again, Yue Feng frowned and cursed in his heart! Immediately, Yue Feng looked directly at Yu Wenyan, and said word by word, “This bet, you must fight me, because I am Miss Ye’s friend, you caught her, I can’t sit back and ignore it, and I stand up. , but also for fairness and justice. You forcibly forced Mingjian Villa to humiliate and snatch other people’s weapons, which is not allowed by heaven!” The words were loud and clear. call! Seeing this scene, Ye Ziyi’s delicate body trembled, and she stared at Yue Feng. Although she couldn’t speak, she couldn’t tell how moved she was. This Yue Feng, who had something important to do, concealed his identity, but now he came forward for himself.

He deserves to be an idol he respects, this is a real man who stands tall in the sky.

Ye Ziyi’s cousins, as well as many of the maids around, also looked at Yue Feng in a complicated way, flashing a strange light.

The eldest lady's friend, although she looks stupid, dares to challenge Yu Wenyan in public?

That courage alone is worthy of respect.

For a time, many people in Mingjian Villa had a changed view of Yue Feng.

Of course, it's just admiration, no one thinks he can beat Yu Wenyan.

quiet!

At this moment, the audience was silent, and a drop of a needle could be heard clearly.

"Okay!"

Yu Wenyan frowned lightly, looked at Yue Feng tightly, and sneered: "The good one is for 'fairness and justice', since you are so eager to find death, this deity will fulfill you."

Chapter 2080 The

voice fell, Yu Wenyan let go of Ye Ziyi, his figure was like a stream, and he slapped Yue Feng with one palm! Wherever he passed, that piece of air was distorted, and the power was amazing.

This time, many disciples of Famous Sword Villa couldn't help but sweat for Yue Feng.

To be honest, everyone in Mingjian Villa appreciated Yue Feng's courage, but how could an unknown person be Yu Wenyan's opponent?

Even Ye Xuan shook his head secretly.

My daughter, this friend, is really impulsive.

Seeing Yu Wenyan burst out, Yue Feng showed a smile, not panic at all.

"Go to hell!" In the

blink of an eye, Yu Wenyan came to the front, shouted angrily and slapped Yue Feng!

Yue Feng smiled coldly, stood there as steady as Mount Tai, his inner strength urged, and greeted him with a palm.

boom!

The two of them touched each other and made a dull vibration. At this moment, Yu Wenyan's body was shaken, and he stepped back several steps, his face instantly ugly!

Although Yu Wenyan was in the Tribulation Realm and Yue Feng was a fifth-stage Martial Emperor, Yue Feng possessed pure Yang internal strength. The two of them were evenly matched in the palm of their hand.

What?

Seeing this scene, everyone present was stunned, staring at Yue Feng blankly, full of disbelief.

This… this kid actually blocked Yu Wenyan's palm?

"You…"

Yu Wenyan only felt a tightness in his chest, stabilized his figure, looked at Yue Feng in shock and anger, his face was full of incredible!

This.. how is this possible!

This kid is just a nameless pawn, how dare his inner strength be so strong?

When did such a powerful person appear in the arena, but he didn't know it?

Thinking to himself, Yu Wenyan stared at Yue Feng, and said coldly, "Who are you?"

Yue Feng looked at Yu Wenyan with a relaxed expression and smiled: "I said just now, I am Miss Ye's friend. , what? Master Yuwen asked me where I came from, is it going to stop and admit defeat?"

When he said this, Yue Feng had a smile on his face, but his tone was full of mockery.

Yes, Yue Feng deliberately wanted to provoke Yu Wenyan. You must know that the most important thing in a duel between masters is to be calm and calm.

Swish!

Hearing this, Yu Wenyan's face suddenly became extremely cold, and Yue Feng was instantly aroused by anger.

What an arrogant guy, dare to mock himself.

"Boy, I don't even dare to say my identity, and I'm still ranting about how this deity abolishes your dantian, so that you can't survive, you can't die." A cold voice came from Yu Wenyan's mouth.

"Crack!" The

next second, accompanied by a crisp sound, I saw a burst of mechanical noise from the folding fan in Yu Wenyan's hand, and then, the folding fan was divided into two, wrapped on Yu Wenyan's hands, and it became a pair of gloves.

Yue Feng saw that after the fan was turned into a glove, ten fan bones were attached to Yu Wenyan's fingers, like the claws of a beast.

What the hell!

At this moment, Yue Feng was secretly startled, and couldn't help muttering in his heart.

What kind of weapon can it transform?

At this time, Yue Feng didn't know that Yu Wenyan's weapon was called the 'Variety Death Box'. It was equipped with a spring, which could be changed at will. Usually, Yu Wenyan turned it into a folding fan to complement himself. The image of the elegant son, when facing the enemy, becomes a weapon for murder.

As soon as the Life-threatening Box came out, Yu Wenyan's whole body suddenly burst out with an endless evil spirit, and the temperature in the air dropped several degrees all of a sudden.

It 's a bit interesting…

At this moment, Yue Feng reacted with a smile on the corner of his mouth. His figure was like thunder and lightning, speeding up, and fighting with Yu Wenyan again.

call!

Seeing this scene, the surrounding Huanyin disciples were all excited.

The sect took the initiative to use the Ever-changing Life-Death Box, and this kid was dead. You must know that most of the sect leaders who had been wiped out by the Huan Yin Sect died under Yu Wenyan's Ever-changing Life-Killing Box.

Dong Long, who was standing there, looked at Yue Feng in midair, and showed a disdainful smile.

The ultimate husband in Chinese chapter 2081-2090

Chapter 2081

An unknown person, dare to be a hero to save the United States?

In Dong Long's heart, although Yue Feng blocked the palm of Yuwen's leader, it was impossible to win this battle, and he would surely die miserably in the end.

Everyone in Famous Sword Villa broke into a cold sweat for Yue Feng.

Especially Ye Ziyi, her beautiful face was full of anxiety.

Although Yue Feng's strength is strong, Yu Wenyan is cruel and vicious, and his actions are even more dangerous. I am afraid that if Yue Feng is not careful, he will be injured…in

mid-air.

Yu Wenyan frequently used his ultimate moves, but they were all blocked by Yue Feng. Speaking of which, Yue Feng had fought against a peerless master like Yang Jian, and he would never take a sect leader like Yu Wenyan in his eyes.

However, Yue Feng still underestimated Yu Wenyan's strength.

At the beginning, Yue Feng did not burst out with all his strength, thinking that with the pure Yang internal force, he could completely suppress Yu Wenyan, but as Yu Wenyan's shots became more and more severe, Yue Feng gradually became unable to cope.

Haha….

Seeing this scene, the disciples of the Huanyin Sect below showed excited smiles.

"Look at this kid, it's almost impossible to stop."

"A stinky boy, dare to provoke the leader? Courting death…"

"The leader is mighty…"

The crowd of Huanyin Sect disciples kept cheering, as they watched Come on, Yue Feng only has the power to parry, and he can be killed by Yu Wenyan in less than ten moves.

This chapter is provided by . Visit for daily update.

It’s just that they didn’t know that Yue Feng didn’t break out with all his strength in order to conceal his identity.

Ye Ziyi was so anxious that she looked at Yue Feng nervously, her delicate body was trembling, and her palms were sweating. She wanted to remind Yue Feng to be careful, but because she was tapped on her dumb point, she couldn’t speak at all.

“Boy!”

At this time, Yu Wenyan, full of confidence, sneered at Yue Feng: “I can’t hold it anymore, as long as you admit defeat, this deity can make your death a little more happy.” The

voice fell, and Yu Wenyan shot more and more fiercely . .

No matter what the identity of the boy in front of him is, he will surely die at his own hands today.

Hearing this, Yue Feng did not respond, but frowned secretly.

Nima!

This can’t go on like this. I thought Yu Wenyan would be easy to deal with, but I didn’t expect that this person would be so difficult to deal with, especially the strange weapons in his hands, which were ever-changing, and could be injured by the slightest carelessness.

It seems that it needs to be fully erupted in order to suppress it.

Thinking to himself, Yue Feng said lightly: “Whoever loses and who wins, not necessarily.”

Crack!

When the words fell, Fang Tianhua halberd burst out, and was firmly grasped by Yue Feng.

At this time, Yue Feng didn’t want to fight anymore.

“Kacha!”

Only a loud noise was heard, Fang Tianhua halberd burst out, and was firmly held in Yue Feng’s hand!

As soon as Fang Tianhua's halberd came out, Yue Feng's whole body was suddenly filled with a vast fighting spirit, and the entire Famous Sword Villa was also shrouded in a bloody aura.

Fang Tian painted a halberd, once accompanied Lü Bu to battle the world, drank countless blood, and suffocated the sky. Hiss…

what kind of weapon is this?

What a strong breath!

At this moment, everyone below, whether it was the Magic Sound Sect, the Famous Sword Villa, or the surrounding guests, were all stunned, each and everyone was extremely shocked.

Because Yue Feng and Yu Wenyan were above the sky, everyone couldn't see the weapon in Yue Feng's hand, but the terrifying aura made everyone's heart tremble.

"You…"

Yu Wenyan's expression changed, staring at Fang Tianhuaji in Yue Feng's hand, his tone trembled, and his heart was even more shocked.

With such a terrifying evil spirit, in the Kyushu, only Lu Bu's Fang Tianhuaji has this characteristic.

Could this person be…

As the leader of the Huanyin Sect, Yu Wenyan knew the situation in Kyushu very well, and when he saw Fang Tianhuaji, he immediately guessed something. In the world, there is a person who has Fangtian painting a halberd, who else can it be? ! The Sect Master of Tianmen, the Emperor of Xi Cang, Yue Feng, Yue Wudi!

Chapter 2082

"Master Yuwen, the battle is over." Yue Feng's face was cold, and his expression did not float at all.

hum!

The voice fell, Yue Feng waved hard, and a breath that shook the world came out from Fang Tianhuaji, and then, a smear of blood ripped apart the world and burst out towards Yu Wenyan.

Yu Wenyan's face changed greatly, and before he had time to think about it, he quickly stimulated his inner strength and held the Variety Killing Box in front of him to resist!

Bang!

The blood light slammed on the ever-changing life-threatening box, and Yu Wenyan let out a muffled groan. The whole person was shocked and flew out, and flew more than a hundred meters before falling heavily to the ground.

When he was fighting against Yue Feng just now, Yu Wenyan seemed to be attacking violently, but in fact he had already consumed a lot of internal energy. At this time, facing Yue Feng with Fang Tian Hua Ji, he could not resist.

What?

Seeing this scene, everyone below couldn't help gasping for air, staring blankly at Yue Feng, speechless.

This young man's strength is also… too terrifying, right? !

Especially the weapon in his hand, it looks very special.. It feels very familiar…

shuh!

At this moment, Ye Xuan stared at Yue Feng, and his heart was extremely shocked! The eyes are also very excited!

My daughter's friend has such strength.

It's unbelievable!

Ye Ziyi's delicate body trembled, looking at Yue Feng with incomparable admiration.

As expected of his idol, he not only defeated Yu Wenyan, but also won such domineering power.

This…

Dong Long, who was not far away, looked at Yue Feng in astonishment. While his heart was shocked, his eyes were full of incredible.

Impossible..

How could a nobody be an opponent of the leader?

You must be blindsided.

The surrounding Huanyin disciples stayed there one by one, completely stupid.

For a time, the entire Famous Sword Villa was silent, and needles could be heard.

“Sect Master!”

“Sect Master…”

Finally, after more than ten seconds, many Huanyin Sect disciples reacted and rushed over with a loud shout, helping Yu Wenyan up with all his hands and feet.

“You…”

Yu Wenyan stared at Yue Feng, unable to accept the fact that he was the leader of the Huanyin Sect, and that no one could compete with him, but today, he was defeated in front of so many people. And failed so miserably.

Seeing Fang Tianhuaji in Yue Feng’s hands again, Yu Wenyan’s mood became more complicated.

In the next second, Yu Wenyan said to Yue Feng word by word, “Your Excellency is pure in internal strength, and it is endless, and you also have Fang Tian Hua Ji. If the deity guessed correctly, you are the Tianmen Sect Master of Diyuan Continent, Yue Feng, right? “

A few years ago, the ancient tomb of Lu Bu appeared in the Huashan Mountain in the Diyuan Continent, and the various schools in Kyushu were moved by the wind. In the end, it was Yue Feng who found Lu Bu’s real spiritual temple, and not only got a lot of treasures, but also got Fang Tianhua. halberd.

Whoa!

When the words fell, there was an uproar in the audience, and everyone stared at Yue Feng, shocked.

“What… he is Yue Feng. A few days ago, in Nanyun Continent, the Tianmen Sect Master who repelled Yang Jian’s army?”

“No wonder this weapon looks so familiar, it turned out to be Fang Tianhuaji…”

“The strength is really strong, and Yu Wenyan is not his opponent. Seeing this, he was hiding his strength before!”

Shocked, many Everyone couldn’t help but talk in a low voice, unable to hide their admiration for Yue Feng.

In the Famous Sword Villa, Ye Ziyi’s cousins, as well as many maids, all looked at Yue Feng with admiration, with stars twinkling in their eyes.

Is this the famous Yue Feng in Kyushu?

The way he fought just now was so handsome.

The guests who mocked Yue Feng at the beginning were all blushing and embarrassed.

This… This kid turned out to be the famous Yue Feng, the sect master of Tianmen, who defeated the existence of Erlang Zhenjun, and he actually mocked him as a country bumpkin at the previous sword-picking conference…

Dong Long was full of hair. Trembling, looking at Yue Feng, completely dumbfounded.

He… he turned out to be Yue Feng?

Yue Feng ignored everyone's discussion, and his figure hovered proudly in the air.

The next second, Yue Feng looked at Yu Wenyan and said indifferently: "Sect Master Yuwen, you lost, we people in all corners of the world have nothing to lose, right?" The

voice was not loud, but it spread throughout the entire Famous Sword Villa, revealing A powerful aura that cannot be refuted.

Swish!

The voice fell, and the eyes of everyone in the audience were focused on Yue Feng.

Chapter 2083

Especially those who are afraid of the phantom sound religion, all of them are full of thoughts.

This Yu Wenyan, but the big devil who kills without blinking an eye, has always controlled the life and death of others. Now that he has defeated Yue Feng's hands, will he become angry and tear up the gambling contract?

call!

Yu Wenyan's face flushed, and he took a deep breath: "Although I, Yu Wenyan, are not a good person, what I have said has always been counted. This time, I lost the fight."

Yu Wenyan raised his hand and waved: "All the disciples Follow the order, withdraw from the famous sword villa and return to the main altar."

Yu Wenyan's face was full of unwillingness when he shouted the last sentence.

To be honest, Yu Wenyan was very unwilling to withdraw like this. After all, Famous Sword Villa was about to be controlled by him, and three purple-rank weapons were almost at hand.

But there is no way, just now Yue Feng used Fang Tian Hua Ji, which hurt Yu Wenyan's heart, and has no strength to fight again.

Whoops!

Hearing Yu Wenyan's order, tens of thousands of Huanyin Sect disciples withdrew from Mingjian Villa with a gloomy expression.

"Yue Feng!"

After a few steps, Yu Wenyan suddenly stopped and stared back at Yue Feng: "Yue Feng, I remember you, we will meet later." The

voice was cold and full of deterrence.

Hearing this, everyone present felt a chill in their hearts.

Being stared at by Yu Wenyan, the days after Yue Feng will not be peaceful.

However!

Yue Feng smiled slightly, looked at Yu Wenyan and nodded: "Okay, I'm looking forward to our next meeting, Master Yuwen, walk slowly!"

His tone was relaxed and comfortable, in stark contrast to Yu Wenyan's cold resentment.

Yu Wenyan didn't respond, her expression was extremely cold, she gave Yue Feng a deep look, and turned to leave. In the blink of an eye, with tens of thousands of disciples, he disappeared from everyone's sight.

call!

After the Huanyin Sect left, whether it was the Famous Sword Villa or the guests, they all breathed a sigh of relief.

Afterwards, Mingjian Villa began to count the casualties, and Ye Ziyi was also untied.

"Yue Feng!"

Ye Ziyi walked over quickly and said gratefully to Yue Feng, "Thank you."

If it weren't for him, the Famous Sword Villa would have ended today.

As soon as he finished speaking, Ye Xuan laughed, came over and clasped his fists at Yue Feng: "This old man was really stupid before, the dignified Tianmen sect master, the famous hero in Kyushu, the old man didn't recognize it, he thought it was just an unknown junior, just now I am really grateful to Sect Master Yue. Sect Master Yue's great kindness, my name is Jian Shanzhuang will be remembered in my heart."

When he said this, Ye Xuan's tone was sincere, and his eyes were full of admiration and admiration when he looked at Yue Feng.

At such a young age, he has such strength and achievements, which is really a rare talent in a century.

Yue Feng smiled slightly and said humbly to Ye Xuan: "Ye Zhuangzhu is too polite, Lu Jian is not flat and draws his sword to help, and I and Ling Qianjin are still friends, how can I sit back and ignore this situation?"

"Haha. .."

Hearing this, Ye Xuan felt relieved and laughed loudly.

"Yue… Sect Master Yue."

At this moment, Dong Long came over, squeezed out an embarrassed smile, and cupped his hands at Yue Feng: "I didn't expect that you turned out to be a famous hero in Jiuzhou. I'm a little rude, I'm talking too much, I hope you don't mind."

While speaking, Dong Long paid attention to Yue Feng's reaction.

To be honest, when he knew that this unknown soldier was Yue Feng, Dong Long was very shocked at the time, but after reacting to it, he was not too shocked, and at the same time, he didn't have the slightest admiration for Yue Feng.

On the contrary, the hatred in Dong Long's heart was even deeper. He had always liked Ye Ziyi, but when he saw Ye Ziyi looking at Yue Feng with admiration, he was immediately jealous. Moreover, Dong Long is a member of the Huanyin Sect. Just now, Yu Wenyan, the leader of the Huanyin Sect, was defeated by Yue Feng, which greatly damaged the reputation of the Huanyin Sect. .

However, this is Famous Sword Villa, and Dong Long had to pretend.

Yue Feng smiled slightly and shook his head to indicate that it was all right.

Dong Long, a villain who judges people by appearance, Yue Feng has seen how many times over the years.

Whoops!

At this moment, many of the guests who had retreated to the distance also came up and chatted up Xiang Yue Feng.

“Sect Master Yue, I have long admired Sect Master Yue…”

“Yeah, the battle with Yu Wenyan just now is truly extraordinary and admirable.”

“The sect master of Xia Baiyun Sect, I admire Sect Master Yue very much, and hope to make friends. ..hehe…”

Nima!

Seeing the compliments of this group of people, Yue Feng had a smile on his face, but he couldn’t help but curse inwardly.

What a bunch of weeds.

Before, one by one they said that I was from the countryside, and I didn’t know the bumpkin.

Now that he knew his true identity, he immediately changed his face. People these days are really mean.

Chapter 2084

“Sect Master Yue, you are really amazing. You actually beat Yu Wenyan away.”

“Yes, Sect Master Yue, you are indeed a big man!”

These guests clasped their fists and flattered Yue Feng. To these guests who came to strike up a conversation, Yue Feng was too lazy to pay attention, showed a smile, and casually said a few words.

The owner of the villa, Ye Xuan, was also indifferent to these guests.

Before these guests saw the purple-ranked weapons of the famous sword villa, these people tried their best to show their affection to the famous sword villa, but when the phantom sound teaching came, these people avoided it.

This kind of mercenary friend, don’t worry.

Feeling Ye Xuan’s indifference and Yue Feng’s perfunctory, all the guests were embarrassed to stay for a long time and left soon.

At this time, Mingjian Villa had also cleaned up the battlefield, Ye Ziyi did not forget Yue Feng's request, and immediately sent someone to inquire about Su Qingyan's news.

At the same time, Ye Ziyi sincerely invited Yue Feng to stay in Mingjian Villa. After all, finding Su Qingyan was not something that could be done in an instant.

Yue Feng nodded in agreement.

Before you know it, night falls.

At this time, in the hillside woods three miles away from Mingjian Villa, Dong Long stood there with an uneasy expression, his calm face could not hide his inner panic.

Just now, Dong Long received a secret order from Yu Wenyan to wait here.

Shasha…

After a while, there was a slight sound of footsteps, and Yu Wenyan came slowly, dressed in white, still handsome, but his handsome face was a bit pale and weak.

During the battle with Yue Feng during the day, Yuwen suffered a severe burn and needed at least half a month to recuperate.

"Sect Leader!"

Seeing Yu Wenyan, Dong Long trembled, and quickly knelt on the ground: "Subordinate Dong Long, see the leader."

"Dong Long, what should you blame?" Yu Wenyan looked at him coldly, with a tone of voice. With a stern expression, "Yue Feng, the Sect Master of Tianmen, was also there during the day's sword-picking conference. Why didn't you report it in advance?"

Yu Wenyan's eyes were cold when he said this. When he thought of the fiasco of Yue Feng's hands in the daytime, his inner anger was restrained. not live.

Swish!

Feeling Yu Wenyan's anger, Dong Long's heart trembled, his forehead was dripping with cold sweat, and he said in fear: "This subordinate has been wronged, sect master, when Yue Feng came, he concealed his identity, and his subordinate really didn't know it was him…"

At this time, Dong Long was so frightened that he felt that his heart was about to jump out.

The leader has a sinister personality, so he wouldn't kill himself because he didn't know the situation.

call!

Hearing this, Yu Wenyan's eyes flickered, he took a deep breath, and said coldly, "Since you didn't know about it beforehand, this deity won't blame you. Be smart in the future. If this happens again, don't let your life go. I want it."

"Yes…Thank you for your magnanimity." Dong Long wiped the cold sweat from his forehead and thanked him repeatedly.

Yu Wenyan pondered for a moment, then asked, "You said just now that Yue Feng is staying at Mingjian Villa tonight?"

"Yes!"

Dong Long nodded and said, "I heard that he came to the Yellow Sea Continent this time. Looking for a woman named Su Qingyan, this Su Qingyan is not only Yue Feng's woman, but also the suzerain of the Wenzong of Dongao Continent, her identity is not simple…"

So it was.

Hearing this, Yu Wenyan was stunned, and then a wicked smile appeared on the corner of his mouth, and he said, "If that's the case, tonight, you can think of a way to catch Yue Feng, and then quietly send it to the main altar."

Say the last sentence At that time, Yu Wenyan's eyes flashed with endless resentment.

He was the dignified leader of the Phantom Sect, but in front of so many people in the world, he lost to Yue Feng, and he couldn't swallow his breath no matter what.

Yu Wenyan thought about it, since Yue Feng is staying at Mingjian Villa tonight, and Dong Long is Ye Ziyi's cousin, he will have many opportunities to get close to Yue Feng.

Ah?

Dong Long was stunned for a moment, and said with a bitter face: "Sect Master, that is the Sect Master of Tianmen, how can I catch him?"

Thinking back to the scene of Yue Feng holding Fang Tianhua Halberd, Dong Long couldn't help but shudder in his heart.

With such an existence, he is an opponent.

“Idiot!”

Yu Wenyan frowned and scolded coldly: “Who told you to fight him head-on? You won’t use your brain? In short, no matter what method you use, just catch him. Don’t let the deity Disappointed.”

Chapter 2085 The

voice fell, Yu Wenyan said no more, turned to leave, and disappeared into the night in the blink of an eye.

call!

At this moment, Dong Long took a deep breath, his face full of bitterness.

The sect master asked himself to find a way, how could he do it

…

At this moment, Famous Sword Villa!

In order to thank Yue Feng for his righteous action during the day, Ye Xuan deliberately hosted a banquet in the hall to entertain Yue Feng.

After the meal, Yue Feng was arranged to rest in a guest room.

At this moment, Yue Feng was lying on the bed, unable to fall asleep. Two hours had passed, and there was still no news from the person Ye Ziyi sent out.

Without Su Qingyan’s whereabouts, how can you rest in the mood?

Boom!

At this moment, a pleasing voice came from outside the door: “Sect Master Yue, have you rested yet?”

Huh?

Yue Feng frowned, got up and looked outside, suddenly stunned.

I saw Dong Long standing there with a smile on his face, very polite.

“Is something wrong?” Yue Feng asked.

The surface is indifferent, but Yue Feng is very disgusted in his heart.

What is this idiot doing to himself?

“Ha ha…”

Dong Long looked complimented and said with a smile: “Sect Master Yue, don’t look like you’re refusing people thousands of miles away. You offend a lot during the day. You are a lot of adults, so don’t bother with me. To be honest, I also know that I’m too much during the day. I regret it when I think about it now. Sect Master Yue probably doesn’t know yet. I, Dong Long, have never obeyed anyone since he was a child, but there is only one person I admire, and that is Sect Master Yue. I heard that a few days ago, Your Excellency Leading the army of Nanyun and defeating Yang Jian… tsk tsk… it’s just too powerful.”

Said, Dong Long said diligently: “In order to express my apology, I specially prepared a banquet in the room, I hope Sect Master Yue can give me this thin noodles . .”

When he said this, Dong Long’s face was urgent and sincere, but there was a hint of cunning in his eyes.

This…

At this moment, Yue Feng wanted to refuse, but when he saw Dong Long’s incomparable expectation, he couldn’t bear it.

After a long time, this kid is still his own admirer…

Seeing how sincere he is, let’s accompany him for a few drinks.

“Okay.” Yue Feng nodded, and then said seriously: “But I can’t drink it for too long. I still have things to do

tomorrow.” Maybe there will be news about Su Qingyan early in the morning. I have to rest early tonight, of course not. drink too long.

“Okay!” Seeing Yue Feng’s agreement, Dong Long smiled happily and said

in a pleasing manner: “Sect Master Yue can accompany me to drink, it is my great honor, it will not delay Sect Master Yue too much time.”

Please go to your room.

As soon as he entered the door, Yue Feng saw that there were several delicate side dishes on the table in the room, and the two jars of wine next to him exuded an intoxicating aroma.

“What a fragrant wine!” Yue Feng couldn’t help but sigh, and then sat down.

Dong Long quickly opened a jar, filled Yue Feng, and said with a smile: “Sect Master Yue, you have a lot of knowledge, but you must have never drunk this kind of wine. This is the characteristic of our Yellow Sea Continent. It is brewed from snow-capped kiwi fruit and has a strong aroma.”

“The average person can’t drink this wine. Of course, Sect Master Yue tasted it today, but it has raised the value of this wine, haha…”

Drunk and dreamed of death?

Hearing this, Yue Feng’s eyes flashed, and he immediately became interested, and said with a smile, “The name is quite elegant.”

With that, Yue Feng picked up the wine bowl, smelled it first, and then drank it.

After walking around the world for so many years, Yue Feng is extremely cautious about what he does. He smelled it just now to be sure that the wine is not poisonous. To be honest, people are separated by the belly. This Dong Long is respectful on the surface, who knows if he will harm himself secretly. .

However, even if Dong Long is poisoned, Yue Feng is not afraid. Since ten years ago, Yue Feng took the spirit of the Sky-Eyed Scorpion King in Zhao Yun’s ancient tomb, and he has been immune to all poisons.

The ultimate husband in Chinese chapter 2086-2090

Chapter 2086

Call!

Watching Yue Feng drink a bowl of wine, Dong Long appeared calm, but his heart was filled with ecstasy and excitement.

Yes, Dong Long invited Yue Feng to drink, not really worshiping him, but to fulfill the mission Yu Wenyan gave him and catch Yue Feng.

Dong Long is very cunning. He knows that for a strong person like Yue Feng, ordinary poison is useless. Therefore, Dong Long is not stupid enough to poison in wine! This wine is not poisonous, but this wine has its own problems!

Drunken life and dreaming of death is a kind of strong liquor unique to the Yellow Sea Continent. Ordinary people can get drunk for half a month with one sip. Even cultivators can’t bear the strong spirit of drinking. Those who are familiar with this kind of liquor know that it is really If you want to drink ‘drunk life and dream death’, you need to take hangover medicine first.

Dong Long's plan was very simple. He deliberately didn't tell Yue Feng how strong this 'drunk life and dream death' drink was. When Yue Feng was drunk, he would be tied up.

As for Dong Long, he took the medicine to understand alcohol beforehand, so he was naturally not afraid.

"Sect Master Yue." Dong Long looked at Yue Feng with a smile: "How does this wine taste?"

"Good wine!"

Yue Feng nodded and couldn't help but admire: "It has a strong mellow aroma and a sweet aftertaste, it really is a good wine."

Yue Feng He is very accomplished in the art of alchemy, and he has learned some pharmacology from Shennong before. He just took a sip of wine and knew that there was no poison in it, so he immediately relaxed his vigilance.

At this time, Yue Feng still didn't know that this 'drunk life and dream death' wine had strong stamina.

"Haha…"

Dong Long laughed and poured wine for Yue Feng quickly, very attentive: "Since this wine suits Sect Master Yue's appetite, Sect Master Yue will drink more." There

was a smile on his face, but his eyes There was a hint of gloom.

Drink it, the more you drink, the more drunk you will be.

Yue Feng was not polite, the wine was dry, and then he chatted with Dong Long.

"Sect Master Yue!"

After a few glasses of wine, Dong Long continued to talk: "Sect Master Yue disregarded past suspicions, and is so generous, I, Dong Long, feel very honored. To be honest, I was so targeted at Sect Master Yue before, too. Because I like my cousin so much, I feel a little awkward seeing her walking so close to you…" To

be honest, Dong Long didn't want to talk so much to Yue Feng, but in order to let Yue Feng disarm himself, he deliberately showed Put on a heart-to-heart look.

I have to say that Dong Long is too slick in his dealings with others.

Seeing that he had said something in his heart, Yue Feng smiled slightly, and he had no doubts at all.

It's no wonder that this kid has been against him all the time. It turns out that he likes Ye Ziyi. Seeing her getting close to him, he feels uncomfortable.

Putting down the guard in his heart, Yue Feng and Dong Long chatted and laughed happily, drinking happily.

Three rounds of wine, five flavors of food.

At first, Yue Feng didn't feel anything, but slowly, as the wine got stronger, he felt that something was wrong.

What the hell!

At this time, Yue Feng only felt that his whole head was dizzy, and his whole body was soft under the anesthesia of alcohol, and he could hardly sit still.

Does this wine have so much stamina?

The next second, Yue Feng raised his eyes and looked at Dong Long, drunk and hazy: "What a strong wine, don't drink it anymore…"

At this time, Yue Feng didn't know that he was caught in Dong Long's trap, thinking it was I was too careless and underestimated the staying power of this wine.

"Ha ha…"

Dong Long showed a smile, and said with a smile that was not a smile: "Sect Master Yue, since you are drunk, you won't drink anymore. You should rest well." After the words

fell, Dong Long put away his smile, quickly shot, and slapped Yue Feng with a palm. the back of the brain.

boom!

Yue Feng was so drunk that he couldn't react at all, his eyes darkened and he passed out.

Haha….

At this moment, Dong Long couldn't be more excited, very proud.

Chapter 2087

It was a success. Although Yue Feng was famous in Kyushu, he was not done by himself in the end.

Afterwards, Dong Long called two cronies outside and instructed: “Quick, take off this kid’s clothes.” After

hearing the order, the two cronies took off Yue Feng’s coat in a hurry.

“Lift up, go!” Dong Long waved his hand and walked out.

The two confidants quickly carried Yue Feng and followed behind, not forgetting to hold Yue Feng’s clothes at the same time.

Taking advantage of the night, Dong Long and two cronies brought Yue Feng to Ye Ziyi’s room. At this time, Ye Ziyi hadn’t come back for the time being because of something.

After throwing Yue Feng on Ye Ziyi’s bed, Dong Long quickly took two cronies and hid in the shadows outside.

“Yue Feng!”

After hiding, Dong Long showed a treacherous smile and said to himself, “Don’t blame me for being insidious and mean, who asked you to provoke our Huanyin Sect, why does your cousin still worship you so much?”

Speaking of which, Dong Long originally planned to bring Yue Feng drunk, and immediately take Mingjian Villa and send it to the main altar of the Huanyin Sect. It was difficult to get Yue Feng out.

After thinking about it, Dong Long took off Yue Feng’s clothes and put it on his cousin’s bed. When the cousin came back and saw it, he must be surprised. He rushed in and accused Yue Feng of bad intentions. Anyway, Yue Feng was drunk and unconscious and could not argue.

At that time, the cousin’s impression of Yue Feng must have become very bad, and the owner of the village loves his cousin the most. If he knows that Yue Feng is plotting against his cousin, he will be very angry.

At that time, I will find another reason to get Yue Feng out.

In this way, it not only destroyed the relationship between Yue Feng and his cousin, but also made a difference to the leader, killing two birds with one stone.

Haha…

I’m so smart myself.

Dong Long was hiding there, and the more he thought about it, the more excited he became, and he couldn’t wait to get up.

…..

At this moment, in the front hall of Mingjian Villa.

Ye Ziyi stood there, with a bit of solemnity and helplessness on her delicate face.

During the day, Yue Feng helped Mingjian Villa to survive a catastrophe. Ye Ziyi was grateful and wanted to find Su Qingyan as soon as possible to repay Yue Feng’s kindness.

However, just now, news came from the people Ye Ziyi sent out, and there was no news about Su Qingyan yet.

Ugh!

At this moment, Ye Ziyi breathed a sigh of relief, forget it, go back to rest first, and send more people out to inquire about the news tomorrow morning.

It’s getting late, it’s time to rest!

Thinking to herself, Ye Ziyi stretched and walked towards the backyard.

Um?

Arriving at the door of the room, Ye Ziyi was stunned for a moment, and saw that the door was open, and then, she smelled a strong odor of alcohol.

Who is so daring to break into his room drunk?

Ye Ziyi bit her lip tightly, feeling a little angry in her heart, and then quickly walked in.

Swish!

At the moment of entering, Ye Ziyi’s delicate body trembled, and her delicate face suddenly flushed with embarrassment.

I saw that Yue Feng was lying on his bed with his upper body unobstructed, just naked…

“Ah!”

Two seconds later, Ye Ziyi reacted and couldn't help but let out a coquettish cry, her heart beating wildly.

This….why is this Yue Feng so drunk, what is he doing in his room? Besides, he hasn't dressed yet…

Could it be that he wants to do something to himself. . This. .

For a while, Ye Ziyi's brain was buzzing, and the whole person was a little dazed.

Chapter 2088

"Cousin!"

At this moment, Dong Long, who was hiding outside, broke in directly with two cronies.

"What's wrong, cousin?" Dong Long shouted with concern, and then his eyes fell on Yue Feng on the bed, with a look of surprise: "This…. Why is Sect Master Yue here?" I

have to say, Dong Long is acting Very enough, Ye Ziyi didn't notice anything wrong at all, thinking that it was her low voice that alarmed her cousin.

"I…" Ye Ziyi bit her lip lightly, her face flushed, very shy: "I don't know…"

At this time, Ye Ziyi was in a mess, changing to any girl, facing this kind of situation The situation is difficult to calm down.

Whoops!

At this time, Ye Xuan and many disciples of Famous Sword Villa also rushed over when they heard the movement.

This…

In an instant, seeing the situation in the room, everyone was stunned, and their expressions were extremely complicated. "This….why is Yue Feng in the eldest miss 's

room?

" The discussion kept coming, Dong Long had a surprised look on his face, but he was laughing wildly in his heart. Haha…. so many people have seen it, now Yue Feng is speechless. "Ziyi!" At this time, Ye Xuan reacted and asked Ye Ziyi, "What's going on?" In Ye Xuan's heart, Yue Feng is a hero who stands above the ground, and he won't be what everyone says!

Ye Ziyi bit her lip and was interrupted by Dong Long before she could respond.

“Uncle, is there any need to say this?” Dong Long was furious and shouted: “The situation is very obvious, Yue Feng covets his cousin’s beauty, and while drunk, slips into his cousin’s room and wants to do something bad to his cousin. ….”

Said, Dong Long gave the drunk Yue Feng a disdainful look: “I never imagined that such a famous person in Kyushu would act so despicable.”

“You…”

Hearing this , Ye Ziyi trembled, and couldn’t help scolding Dong Long: “Shut up, Yue Feng is not that kind of person, don’t slander him.”

Yue Feng is bright and upright, even if he loves himself, he will take the initiative to tell himself, How could he sneak into his room in the middle of the night?

“Cousin!”

Dong Long chuckled lightly and looked at Ye Ziyi: “Knowing the person, knowing the face but not the heart, this Yue Feng looks like a hero, but who is actually, no one knows, you just met him a few times. I don’t know him yet, so don’t be fooled by his appearance.”

Ye Ziyi bit her lip with a complicated expression and did not respond.

The next second, Ye Ziyi thought of something, frowned and looked at Dong Long: “I remember, you invited Yue Feng to drink before, and you got him drunk! Right? Did you bring him into my room? “

At this time, Ye Ziyi realized that the embarrassment just now was gone, and her mind became brighter.

My cousin has always been sly and careful. Seeing that he and Yue Feng were getting close, he became jealous and tried to frame Yue Feng. That must be the case.

“Not bad!”

Dong Long nodded and admitted: “I did drink with Yue Feng before. Didn’t I laugh at him during the day, so I specially asked him to drink to make amends.”

Said, Dong Long was a little excited, with an innocent look on his face, and continued: “Cousin, how can you doubt me? Yue Feng was indeed drunk with me, but I sent him back to the room at that time, who is it? Knowing that he has quietly come to your room again…” The

voice fell, and the two cronies behind him quickly nodded in agreement.

“Yeah, Miss Ye, the two of us personally sent Sect Master Yue back to the room.”

“Yes, I can testify.”

This…

Seeing someone testify to Dong Long, Ye Ziyi frowned, and her heart suddenly became confused. .

Could it be… is it really Yue Feng who broke in?

“I didn’t expect that Yue Feng had a chivalrous demeanor on the surface, but he was such a person behind his back.” Ye Ziyi, a cousin next to her, had a bit of contempt on her beautiful face: “It’s a shame that I still worship him so much during the day. “The

voice fell, and several maids around also nodded silently, looking at Yue Feng’s eyes, but couldn’t hide the disgust in their hearts.

On the bright side, he is a great hero, but behind his back, he is a thief.

It’s ridiculous.

“Yue Feng!”

At this time, in order to prove that what he said was right, Dong Long walked over and slapped Yue Feng’s face and shouted, “As the sect master of Tianmen, the emperor of Xi Cang, and the hero of Diyuan Continent, you actually do This kind of thing, don’t sleep, get up and explain quickly.”

Seriously, if it’s normal, Dong Long wouldn’t dare to do this, it must be an existence like Yue Feng, not something he can provoke.

But Dong Long knew in his heart that Yue Feng had drunk too much ‘drinking life and dreaming of death’, and was so drunk that it was impossible for him to wake up.

call!

Seeing this scene, Ye Xuan waved his hand: “Okay, don’t shout, wait until he wakes up tomorrow, and then ask carefully.”

Chapter 2089

When he said this, Ye Xuan’s face was gloomy and uncertain, and his heart was also complicated.

To be honest, Ye Xuan didn't believe that Yue Feng was such a bold person, but the situation in front of him did happen, and Yue Feng was still drunk.

However, as the owner of Mingjian Villa, Ye Xuan acted steadily and decided to wait for Yue Feng to wake up before asking about the situation.

"Uncle!"

However, at this moment, Dong Long became anxious and said seriously: "No matter what the real situation is, Yue Feng was very drunk and lay on his cousin's bed. Because of the reputation of Mingjian Villa, if we pretend that we don't know, if the news spreads, how will others see Mingjian Villa? How will my cousin marry in the future?"

Dong Long said with a righteous attitude and looked around. The audience: "In my opinion, tie up Yue Feng first, wait for him to wake up, and torture him well, so as not to damage the prestige of our famous Sword Villa." The

voice fell, and many people around nodded.

"Yes, for the reputation of our Famous Sword Villa, that's how it should be."

"This Yue Feng is strong and powerful. If it's as Young Master Dong said, he wants to be worthy of his conspiracy against the young lady, but we didn't say anything. When he wakes up tomorrow, he will deny it. Who can stop him?"

"Yes, tie him up first!"

Ye Xuan frowned and hesitated after everyone's discussion.

Yue Feng's identity is not simple.

But what everyone said is right, in case he is really a villain who is greedy for beauty, once he leaves it alone, after he wakes up, no one in the famous sword villa will be his opponent.

"Uncle!"

Seeing Ye Xuan's hesitation, Dong Long quickly said: "During the day, Yue Feng repelled Yu Wenyan and helped Mingjian Villa. If my uncle finds it inconvenient, I will tie it up. Even if it is a misunderstanding, it will not affect it. His relationship with your Famous Sword Villa."

"Okay!"

Hearing this, Ye Xuan no longer hesitated and nodded.

Yes, Ye Xuan was also worried, if he tied Yue Feng, but it was a misunderstanding in the end, it would be hard to say.

After all, a friend like Yue Feng is hard to come by. If the relationship with him is strained, Mingjian Villa will lose a powerful ally.

Seeing Ye Xuan's promise, Dong Long's expression was solemn, but his heart was filled with joy.

The next second, Dong Long tilted his head to look at Ye Ziyi: "Cousin, what do you think?"

After all, this Yue Feng is a friend of his cousin, and now he wants to tie Yue Feng, so naturally he needs to ask her for advice.

"I…"

Ye Ziyi bit her lip tightly, her delicate face was extremely complicated, seeing everyone in the audience staring at her, her heart was numb, and she whispered: "I don't know, you can figure it out. "

Seriously, Ye Ziyi never believed that Yue Feng was a lecherous person, but for the sake of Mingjian Villa's reputation and his own innocence, it was nothing to tie him up!

Ye Ziyi thought about it, if there was a real misunderstanding, she would just apologize to Yue Feng. She firmly believed that Yue Feng had a broad heart and would definitely not care about it.

"Come on!"

Hearing Ye Ziyi's answer, Dong Long waved his hand without any hesitation: "Tie Yue Feng to me immediately." The

voice fell, and the two cronies behind him immediately tied Yue Feng Wuhua.

At this time, Yue Feng was drunk and unconscious, not knowing what happened.

"Uncle!"

Dong Long said to Ye Xuan with a serious face: "Tonight, I will take a good look at Yue Feng, you all go to rest."

Hmm!

Ye Xuan nodded and looked around: "Okay, everyone, let's rest!" After saying that, Ye Xuan slowly walked out of the room.

Everyone around them also dispersed.

“Cousin.” Dong Long smiled at Ye Ziyi and said, “You also rest early.” After

saying that, he ordered two cronies to take Yue Feng out of the room.

“Young master!”

When he got outside, a cronie couldn’t help but say: “What should I do next, wait until Yue Feng wakes up tomorrow?”

“Idiot!” Dong Long stared at him and said angrily: “The movement in my cousin’s room just now made people feel uncomfortable. They are all attracted, and now those patrolling disciples have definitely not returned to their posts, so let’s take this opportunity to sneak out with Yue Feng.”

How could it be possible to get Yue Feng drunk after such a big situation. Let him wake up in Famous Sword Villa?

Hearing this, the two cronies nodded again and again. Then he followed Dong Long and walked quickly towards the back door.

As Ye Ziyi’s cousin, Dong Long often came to Mingjian Villa as a guest. He knew the environment here like the back of his hand. Soon, he took advantage of the night to bring Yue Feng out of the villa.

call!

Half an hour later, on the hillside a few miles north of Mingjian Villa, Dong Long breathed a sigh of relief and was in a very happy mood.

Haha….

I finally succeeded in getting Yue Feng out. Next, I can return to the main altar to communicate with the sect master.

Speaking of which, Yue Feng disappeared suddenly, and Dong Long was not afraid of Ye Xuan’s questioning. When the time came, he said that after Yue Feng woke up, he knew that he had done something wrong, that he had no face to stay in Mingjian Villa, and secretly escaped.

Chapter 2090

“Wait!”

When he was about to leave, Dong Long suddenly thought of something, and ordered two cronies: “Put Yue Feng down and search for what’s on him.”

Haha…

This Yue Feng, Not only the Sect Master of Tianmen, but also the Emperor of Xi Cang, there must be a lot of treasures on his body.

Before sending Yue Feng to the Huanyin Sect, I took the treasure from him first. Maybe, I could get a peerless secret book from Yue Feng.

Thinking to himself, a smile appeared on Dong Long’s face.

“Yes, young master!” The

two cronies responded, put down Yue Feng, and began to search.

Soon, two things were found, one was the Linglong Tower and the other was the Spirit Beast Sac.

The Linglong Tower can be big or small. When Yue Feng is not using it, he will turn it into the smallest form, only the size of a finger. Most people can see that it is not an ordinary thing, but it is difficult to find the secret.

“This…”

At this time, Dong Long picked up the Linglong Pagoda, looked at it over and over, and frowned: “The whole body fluctuates with aura, it should be a treasure, but what’s the use?”

Said, Dong Long took the Linglong Pagoda, Re-hung it on Yue Fengfa’s neck.

Then Dong Long picked up the spirit beast bag and said with joy, “This bag is a bit interesting!”

Although Dong Long is the eldest young master of an aristocratic family, he is idle and has limited knowledge. . As for the spirit beast bag, it is also a rare treasure, and Dong Long has never seen it.

However, Dong Long felt that there was a power seal on the mouth of the spirit beast bag, and this power seal was very weak.

At this time, Dong Long, although he didn’t know what the spirit beast sack was, he could guess that there was a power seal on his mouth, and there must be something good in it!

Click!

The next second, Dong Long did not hesitate to use his internal force to break the power seal above.

Dong Long felt good, the power seal of the spirit beast capsule was indeed very weak, it only played a role of isolation, and the purpose was to allow the spirit beasts inside to rest peacefully.

It can be said that as long as you are a practitioner of the Martial Saint Realm, you can easily open the spirit beast sac.

However, at this time, Dong Long still didn't know what was inside, and his eyes flashed with excitement and anticipation.

After unlocking the power seal, Dong Long couldn't wait to reach out and probed into the spirit beast sac.

"Roar!"

At this moment, a roar that shocked the heavens and the earth came out from the spirit beast sac, and then, a huge figure burst out of the air and appeared in front of Dong Long and the three.

It is Yue Feng's Qiongqi.

Qiongqi was resting in the spirit beast sac, and suddenly saw someone open the spirit beast sac, and the breath was not from the owner Yue Feng, Qiongqi did not hesitate and rushed out.

hiss!

In an instant, Dong Long's body trembled, and he sat on the ground, staring at Qiongqi blankly, and the whole person was stunned.

The two cronies behind him were trembling all over and dripping with cold sweat.

Such a strong breath.

Such a huge body, shaped like a tiger, with wings on its back, could it be… the legendary Qiongqi?

For a time, the three Dong Long stood there, staring at Qiong Qi in a stunned manner, trembling with fear, not daring to take a breath.

At this time, Dong Long was full of fear.

I thought that there would be a lot of treasures in this bag, but I never imagined that there was a mysterious beast in it.

Dong Long can clearly feel that the Qiongqi in front of him is strong and powerful, and he and two cronies are not opponents.

“Roar!”

At this moment, Qiongqi let out a roar again, and the bloody mouth grabbed the spirit beast sack that fell on the ground. Then, his two front claws tightly grasped Yue Feng, his wings shook, and he rushed into the sky.

Qiongqi is full of spirituality, and he can feel that the three people in front of him are not Yue Feng’s friends. Qiongqi will only launch an attack when he receives an order. At this time, Yue Feng is so drunk that he can only take him away.

Whoosh!

When the three Dong Long recovered, Qiong Qi and Yue Feng disappeared from their sight.

“This…”

Dong Long came to his senses, staring blankly at the sky, his face extremely embarrassing.

He finally caught Yue Feng, but watched him being taken away by Qiong Qi.

At this time, Dong Long was very regretful.

If I knew this earlier, I wouldn’t mess with Yue Feng’s things.

the other side.

Yue Feng was taken by Qiong Qi, flew over the mountains, and finally landed in a beautiful valley.

The valley is surrounded by mountains on three sides, and there is a small lake in the middle.

Qiong Qi was originally a divine beast and was quite spiritual. Seeing that the environment here was good and there was still water, he placed Yue Feng by the lake, and then used his front paws to sway the water, trying to wake him up.

The ultimate husband in Chinese chapter 2091-2100

Chapter 2091

However, Yue Feng was so drunk that the lake water touched his face, and he didn't react at all. In the end, Qiongqi had to give up, lying on the side, quietly guarding Yue Feng.

Yue Feng didn't know how long he had been drunk, but only knew that when he opened his eyes, his head was dizzy.

Nima!

At this time, Yue Feng was drunk and hazy, his eyes were red, and he sat up while patting his forehead. The stamina of the wine Dong Long gave him was so strong.

And… When he was drunk, Dong Long seemed to knock himself out.

Um?

Thinking to himself, Yue Feng frowned and looked around. Immediately stunned.

where is this?

I saw that there was a clear lake in front of me, with rippling blue waves and gusts of breeze. Looking around, it turned out to be a valley as beautiful as a fairyland.

Beside him, Qianqipan was lying there, very gentle.

"What place is this?" Yue Feng reacted and looked at Qiongqi in surprise: "Why am I here? What happened?"

At this time, Yue Feng only remembered that he and Dong Long had been drinking, and he hadn't had a few drinks. The altar was drunk, and I don't know what happened next.

call!

Hearing the question, Qiong Qi snorted, stuck out his tongue and licked Yue Feng's hand affectionately, and then made a whimper, as if to express something, but he couldn't speak, which made Yue Feng look confused.

A few seconds later, Yue Feng laughed at himself. Although Qiong Qi had spirituality, he couldn't speak, so he asked him what he was doing?

This chapter is provided by . Visit for daily update.

Muttering in his heart, Yue Feng washed his face by the river.

No matter where you are here, or how you came here, you can stay where you are.

The clear lake water hit his face violently, Yue Feng was refreshed and the feeling of being drunk was relieved a lot.

call!

With his mind clearer, Yue Feng took a deep breath and began to think.

It stands to reason that he should be in the famous sword villa now, but suddenly appeared in this place inexplicably? By the way, before he got drunk, Dong Long seemed to attack him.

This kid must be because Ye Ziyi was jealous of himself, so he knocked himself out, and then left himself in this valley.

To be honest, if it was before, Yue Feng would definitely not be able to swallow this breath and return to Mingjian Villa to find Dong Long to settle accounts.

But on second thought, that's fine.

After all, he couldn't stay at Famous Sword Villa all the time, doing nothing, just waiting for news from Su Qingyan.

Yue Feng thought about it, since he left Mingjian Villa, he went out to look for Su Qingyan. In this way, with the two-pronged approach of Mingjian Villa, the chance of finding Su Qingyan would be higher.

But…

Looking at himself in the reflection on the lake, Yue Feng thought for a while, then took out Yi Rongsan from his body and began to disguise himself. This Yi Rongsan was found from the Ksitigarbha Pavilion of the descendants of the Great Emperor. At the beginning, Yue Feng pretended to be a descendant and played tricks on Yang Jian, and then there were still some Yi Rongsan left.

Since he has decided to investigate Su Qingyan's whereabouts alone, he must conceal his identity. After all, his reputation is too loud, and it is easy to be targeted. So make it easy for yourself.

After some fiddling around, Yue Feng took a look at the water surface, showing a smile, feeling extremely happy.

Haha….

This Yi Rong San is really a good thing.

I saw that Yue Feng's appearance had completely changed into another person at this time, and his temperament was also different from before.

Yi Rong San is a very strange treasure of disguise. At the beginning of the Beiying Palace, Zhu Bajie made a joke to Yue Feng, and used Yi Rong San to make him look like Emperor Hou Yi, to make fun of Yue Feng. At that time, Yue Feng was very anger.

Later, in order to find the magic face beads for Liu Xuan, Yue Feng quietly sneaked into the Kizang Pavilion where Emperor Hou Yi placed his treasures, and also got some Yi Rong San, which he put on his body, but it was of no use.

At this time, in order to easily find out about Su Qingyan, Yue Feng decisively used Yi Rong San.

In his heart, although Yi Rongsan was a good thing, compared to Su Qingyan, it was nothing.

After dressing up, Yue Feng was very satisfied, put away Qiongqi, and prepared to leave the valley.

Whoosh! Whoosh! Whoosh!

However, at this time, Yue Feng heard a few sounds of breaking through the air.

The sound was very strange, and Yue Feng subconsciously looked across the lake.

hiss!

As a result, Yue Feng was shocked, he couldn't help taking a breath, and the whole person was stunned for a moment.

I'm going, anyone here?

Yue Feng had a big mouth and rubbed his eyes with his hands, surprised.

He saw several slender and beautiful figures flying towards him. Several women, all in their twenties, with beautiful and charming looks, all in lavender dresses, were flying in the air at this time, like a lake. Fairy in general.

To be honest, these women's appearances were slightly inferior to those of Su Qingyan and Xiao Yuruo, but at this time, their long skirts and the beautiful scenery in front of them were really as beautiful as paintings.

For a while, Yue Feng froze there, completely stunned.

At this time, several women came to Yue Feng. One of them had Danfeng eyes and the sexiest figure. He looked at Yue Feng up and down, and asked coldly, “Who is this guy? You are so daring, you dare to break into the forbidden area of Xiyan Pavilion!

” Fierce, with a lofty attitude.

Chapter 2092

Xiyan Pavilion? Hearing this, Yue Feng was stunned.

Isn’t this a beautiful valley? How is it forbidden?

And…. what kind of martial art is Xiyan Pavilion?

As the sect master of Tianmen, Yue Feng is well-informed. Although he has never been to the Yellow Sea Continent before, he knows a lot about the rivers and lakes of the Yellow Sea Continent. He has never heard of the sect of Xiyan Pavilion.

Yue Feng didn’t know that Xiyan Pavilion was a newly-rising organization in the last ten years. It was a disciple of the sect, whose whereabouts were mysterious. They never interacted with other sects in Jianghu, let alone Yue Feng. I know that there is the existence of Xiyan Pavilion.

The beauty who asked Yue Feng, called Yanyue, was the eldest disciple of Xiyan Pavilion, and was in the realm of Martial Emperor.

Gudong.

At this moment, Yue Feng reacted, couldn’t help swallowing his saliva, and smiled at Yan Yue: “This beauty, you have misunderstood, I didn’t mean to break in, I just happened to pass by, let’s go, this is Just go…” The

voice fell, and Yue Feng turned around and was about to leave.

In Yue Feng’s heart, the most important thing is to look for Su Qingyan, and he doesn’t want to cause extra trouble.

“Do you want to leave without trespassing?”

At the moment Yue Feng turned around, Yan Yuexiu frowned and gave a cold and tender drink. Then, the figure flew up and came directly to Yue Feng.

Snapped!

Yue Feng's Jiu Jin hadn't been completely eliminated, and he couldn't react at all. Seeing Yanyue's attacking the electricity, he directly sealed his acupuncture point. Suddenly, Yue Feng's body froze and he couldn't move.

"Ugh…"

Yue Feng wanted to cry without tears, and smiled bitterly: "I really passed by, I didn't lie to you, a few beauties, if you have something to say, how can you do it?

" It 's too indecent…"

At this time, Yue Feng was very depressed.

The dignified Heavenly Sect Sect Master, the Emperor of Xi Cang, the hero of the Northern Ying Continent, was caught by several female disciples of the Sect. It was a shame.

But there is no way, who made himself drink so much wine, and now the wine has not gone down.

However, Yue Feng was also a little fortunate.

Fortunately, before these women came, they changed their face, and they didn't know their identities.

"Shut up, shut up!"

Yue Feng shouted, causing Yan Yue and several women to disappear, Yan Yue's face flushed even more, and she couldn't help but let out a coquettish cry.

This person, who seems to be honest, but speaks in a glib manner, is definitely not a good person.

Uh…

Hearing Yan Yue's coquettish drink, Yue Feng looked embarrassed, smiled bitterly, and stopped talking.

A few minutes later, Yue Feng was taken by Yan Yue to the main altar of Xiyan Pavilion.

hiss!

At this moment, Yue Feng couldn't help taking a deep breath, and the whole person was stunned.

It can be seen that the main altar of Xiyan Pavilion is built in the deepest part of the valley, adjacent to the lake. It is a large-scale ancient-style building complex. Because the surrounding is covered by a bamboo forest, it is difficult to find it from a distance.

Yue Feng saw that in the main altar, the corridors and pavilions were everywhere, and there were many exotic flowers and plants among them, which was indescribably quiet and elegant.

On a monument at the gate, a few elegant characters are written, which are particularly eye-catching: Xiyan Pavilion!

What the hell!

At this moment, Yue Feng was stunned.

I thought the scenery of Mingjian Villa was very beautiful, but I didn't expect that there was a hidden sect hidden on the shore of this deep mountain lake, and the scenery was as charming as a picture scroll.

What surprised Yue Feng even more was that in this Xiyan Pavilion, there was not a single man, but all women.

It seems that this Xiyan Pavilion, like the Emei School, only accepts female disciples.

Chapter 2093

Yue Feng muttered in his heart, his eyes kept looking at those female disciples, and he secretly praised.

Sure enough, one side of the water and soil support the other side.

Not only is the scenery beautiful, but the people are even more beautiful.

"Look around again, and dig out your eyeballs."

At this moment, Yan Yue landed at the gate with Yue Feng, and said coldly, "Follow me!"

Yue Feng smiled, but had no choice but to keep an honest face. keep up.

To be honest, with Yanyue's strength, he could only temporarily seal Yue Feng's acupoints. On the way just now, Yue Feng had already secretly opened the acupoints.

However, Yue Feng did not leave immediately. In his heart, this was a misunderstanding in itself, and there was no need to be serious. He believed that as long as he explained the situation, Xiyan Pavilion would not embarrass him.

Among the building groups of Xiyan Pavilion, there are many towering ancient trees, and the road leading to the hall is even more shady with green trees, giving people a feeling of winding paths leading to seclusion.

Not only that, on both sides of the passage, there are female disciples of Xiyan Pavilion standing guard. Yue Feng felt that the further inside, the stronger the strength of these disciples standing guard.

Finally, in the hall inside, Yue Feng was suddenly dumbfounded!

I saw that there were hundreds of female disciples standing in the hall, neatly lined up, all in white long skirts, floating like a fairy, and at the innermost height, there was an exquisite throne.

This throne is carved from a whole piece of golden nanmu, with a yellow halo flowing through the whole body, and the carving is exquisite. This throne is invaluable!

On the throne, at this time, there was a woman sitting in a rose-red silk dress, revealing her charming curves loomingly. She sat lazily on it, indescribably charming and charming, and at the same time, there was a hint of charm on her body. An inviolable temperament.

It is the pavilion master of Xiyan Pavilion, Yuwen Ji.

Swish!

At this time, seeing Yue Feng being brought in, all the eyes of the entire hall suddenly converged on Yue Feng. The female disciples present were all surprised and frowning.

The gate of Xiyan Pavilion is very strict, prohibiting any man from entering the main altar.

Why was a man brought in?

Who is this man?

Yuwen Ji’s delicate face also showed a bit of gloom, looking down at Yue Feng.

Gudong.

At this moment, facing Yuwen Ji’s eyes like autumn water, Yue Feng’s eyes were straight, and he couldn’t help swallowing.

I really did not expect that so many beautiful disciples in Xiyan Pavilion are already dizzying. This pavilion master is even more sexy and charming.

“To look directly at the pavilion master like this, be bold and not kneel!” Just as Yue Feng was fascinated by it, Yan Yue, who was behind her, snorted, came over, and kicked him fiercely in the crook of his leg.

Yue Feng couldn’t stand still, and immediately knelt down.

Nima!

At this moment, Yue Feng was a little annoyed. This woman named Yanyue was so unreasonable.

“Yanyue!”

At this moment, Yuwenji said softly, “What’s going on? Why did you bring a man back? Did you forget the rules?” The

voice was not loud, but there was a strong aura.

“Go back to the pavilion master!” Yan Yue’s delicate body trembled, and she quickly said: “This disciple did not intend to foul the rules, it was this person who broke into our holy lake. I saw him acting suspiciously, so I arrested him and asked the pavilion. The Lord Himself examines.”

What?

Hearing this, everyone in the hall was a female disciple, and their expressions changed slightly.

Yuwenji’s eyes flickered, she looked at Yue Feng coldly, and her red lips lightly opened: “You are not too timid, dare to break into the forbidden area of my Xiyan Pavilion, the holy lake.” After speaking, Yuwenji

directed at Yanyue: “Since he If you break into the holy lake, you don’t need to bring it to me, just drag it out and kill it.” The

holy lake is not only a forbidden place in Xiyan Pavilion, but also a symbol of the holiness of all female disciples, because every year when new disciples are recruited, they will be in the holy lake. Taking a bath and accepting baptism, being intruded by a man at this time is a desecration of the entire Xiyan Pavilion.

“Yes!” Yan Yue responded, walked over and grabbed Yue Feng, and was about to drag him out for execution.

Chapter 2094

What?

Yue Feng was taken aback and wanted to cry without tears.

He broke into the holy lake by mistake, washed his face in it, and did nothing else, so he would be beheaded?

This is too harsh.

At this time, Yue Feng felt very helpless.

I thought it was a trivial matter, but I made it clear in a few words, but I never imagined that the beheading would be so serious.

Originally, in order to avoid revealing his identity, Yue Feng didn't want to take action, but there was nothing he could do about the current situation.

If you don't resist, you will die!

Thinking about it, Yue Feng was about to mobilize his inner strength and start to resist.

"Well…"

However, at this moment, Yuwen Ji on the throne suddenly heard a low moan, revealing pain.

This low voice came, as if with a fatal temptation, Yue Feng only felt that all the bones in his body were crisp. hiss.

The next second, Yue Feng looked back subconsciously, and he couldn't help but take a breath, and the whole person was stunned.

I saw that Yuwen Ji, who was fine just now, was curled up on the throne, her body was dripping with cold sweat, and her body was shaking gently. That beautiful face is pale, and it looks very painful!

This is… what's the situation?

Whoa!

At this moment, all the female disciples in the hall instantly panicked.

"The pavilion master…"

"No, the cold poison in the pavilion main body broke out."

"Quick, go get the Yanyang Grass."

Amidst the exclamations, several female disciples quickly walked out of the hall.

Cold poison?

Seeing this scene, Yue Feng frowned secretly.

Soon, several female disciples quickly returned, each holding a freshly picked Yanyang grass in their hands.

“Quick!”

At this moment, a beautiful woman in a long yellow dress took the Yanyang Grass, refined and fused it proficiently, and then began to help Yuwen Ji expel the cold poison.

It was the elder of Xiyan Pavilion and the exclusive physician of Yuwen Ji, Yan Tingxue.

Yan Tingxue is twenty-five years old, with a graceful figure and a delicate and charming face, just like a daffodils blooming quietly, quiet and pure.

Soon, after using the Yanyang Grass, Yuwenji’s pale complexion recovered a touch of rosy.

call!

For a time, everyone in the hall breathed a sigh of relief.

“Huh?”

At this time, Yuwenji’s eyes fell on Yue Feng, and she said coldly: “Why is this man still here?”

In her eyes, Yue Feng was just an ordinary person who entered the forbidden area by mistake. It is not a pity to die. I don’t want to take a second look.

Yanyue reacted and quickly said: “I was worried about the cold poison of the pavilion master, and it was delayed. The disciple will do it now.” After that , she was

about to take Yue Feng out.

“Wait a minute!”

At this moment, Yue Feng couldn’t help shouting, and then said to Yuwen Ji: “Dare to ask the pavilion master, are you infected with the cold poison of the thousand-year-old ice toad?”

Just now, the pavilion master had a pale complexion and a tinge of cyan between his brows. It was obvious that he had been caught by the chill of a thousand-year-old ice toad.

Yue Feng lived in Shennong for a period of time, and he learned some medicine and medicine from Shennong, and he saw it at a glance.

Chapter 2095

Huh?

Hearing this, Yuwenji was stunned, and the people around looked at Yue Feng in astonishment.

This… how did he see it?

“How do you know?”

At this time, Yuwen Ji reacted, staring at Yue Feng, and said coldly: “Make it clear, if there is any concealment, this seat will tell you not to survive, but to die. No.”

Yes, the cold poison in Yuwenji’s body was indeed formed by the cold air of a thousand-year-old ice silkworm.

Five years ago, Yuwenji went out to travel and accidentally broke into the cave of the thousand-year-old ice toad. She was injured by the thousand-year-old ice toad, and the cold air accumulated in her body, which finally formed a cold poison. Every year in the hot season, the poison in the body will attack, and it is extremely miserable.

However, only the people in Xiyan Pavilion know about this matter. How did this man who entered the forbidden area by mistake know?

Thinking about it, Yuwenji’s delicate face showed a bit of gloom.

Since the establishment of Xiyan Pavilion, the disciples seldom walk around in the rivers and lakes, but some people in the rivers and lakes, after knowing the existence of Xiyan Pavilion, are curious and want to find out about Xiyan Pavilion, especially some evil people in the rivers and lakes, Knowing that the beauty of Xiyan Pavilion is like a cloud, he tried every means to infiltrate Xiyan Pavilion.

Yuwen Ji thought about it, if the man in front of him was deliberately breaking into the forbidden area, he had another purpose, and he couldn’t forgive him lightly.

“Hehe…”

Yue Feng didn’t pay attention to the eyes around him, showing a smile, and said to Yuwen Ji: “Pavilion Master, don’t be nervous, I have learned medical skills, and medical skills pay attention to ‘look! Smell! Ask! Cut!’ Naturally I see.”

What?

Hearing this, it was not Yuwen Ji, but the surrounding female disciples, who were more stunned.

Immediately, many young disciples reacted and couldn’t help but chuckle.

“This person is dressed as a villager, and he’s stupid. He actually said that he has studied medicine? It’s interesting…”

“He looks quite honest, but he can brag…”

At this time, Yan Yue also hurriedly said to Yuwen Ji. : “Pavilion Master, this person is slick, his words are not credible.”

When saying this, Yan Yue did not forget to give Yue Feng a look.

On the way to bring him to the main hall just now, this man was chattering, his mouth was full of incoherence, how many of his words could be true?

Nima!

Hearing this, Yue Feng couldn’t help laughing, and looked at Yan Yue speechlessly.

This woman is too cruel. I just made fun of you just now, but you actually took it to heart, and now you have to punish me to death.

Thinking to himself, Yue Feng hurriedly said to Yuwen Ji: “Pavilion master, how dare I lie to you, what I said is true, my ancestors used to be a family of medicine, and by my generation, they have long since declined, but I have read a lot of the medical books handed down by the family.” The

real identity cannot be revealed, so it can only be made up.

Um!

Hearing this, Yuwenji looked indifferent: “Do you think that after saying this, this seat will let you go because you are a talent?” After speaking

, Yuwenji was too lazy to talk nonsense, and motioned Yanyue to drag him out to start.

“Pavilion Master!”

Yue Feng became anxious, looked at Yuwen Ji, and said word by word, “Of course I didn’t mean that, I mean, I have a way to completely expel the cold poison from your body.”

With that said, Yue Feng looked serious and continued: “According to the medical skills passed down by my family, in your case, Yan Yangcao can indeed suppress cold poison, but it can cure the symptoms but not the root cause. I have a prescription that can guarantee your recovery. However, Ge Mainly within half a year, stick to taking the medicine according to my method.”

What?

Hearing this, everyone present was stunned, staring blankly at Yue Feng, speechless.

A few seconds later, many of the young disciples couldn’t help but pursed their lips and laughed, looking at Yue Feng’s eyes with mockery.

“This person, the more he talks about it, the more unbelievable…”

“It’s really funny. Doctor Yan has superb medical skills, but he can’t completely cure the pavilion master. He is a dumb guy, and he is not ashamed to say that he can completely cure the pavilion owner. It’s really funny.. ..”

“You can really blow, this kind of man is the most hateful…” The

female disciples laughed, and when you heard me, even Yan Tingxue, who was next to him, couldn’t help but sneer.

The ultimate husband in Chinese chapter 2096-2100

Chapter 2096

Yan Tingxue couldn’t hide her contempt, and said coldly to Yue Feng: “You are so bold, even the pavilion owner dares to lie, the pavilion owner’s cold poison, I spent three years looking through medical books, You have tried countless methods to no avail, you just read a few medical books handed down from the family and brazenly said that it can be cured, who are you lying to?”

Shuh!

At this time, Yuwen Ji lost her patience, looked at Yue Feng, and said coldly: “What a bold and arrogant person, you dare to make fun of this seat? With you, can you also cure this seat’s cold poison?

” As the pavilion master of Xiyan Pavilion, but being teased by a man’s words, how can he bear it?

Ugh!

Hearing this, Yue Feng smiled bitterly, and said helplessly: “Pavilion Master, you and I have no grievances, why should I tease you? Everything I said is true, I just want you to let me go. “

Speaking, Yue Feng’s face is full of sincerity: “Besides, my life is now in the hands of the pavilion master. Why don’t the pavilion owner believe me once and give it a try? If my method works, the pavilion owner Just let me go, if it doesn’t work,

it’s not too late to kill me.”

Seeing Yue Feng’s sincere expression, Yuwen Ji bit her lip and pondered.

Yes, if what he said is true, if the cold poison in his body is completely expelled, he will not have to suffer from the cold in the future.

Thinking to herself, Yuwenji looked at the evil wind complicatedly, nodded and said, “Okay! I will trust you once. If you dare to lie to me, I will not spare you lightly.”

Yuwenji waved her hand when the words fell. , indicating that Yanyue releases Yue Feng.

What? The pavilion master agreed.

Yan Tingxue, who was next to her, even frowned. She wanted to convince Yuwen Ji not to trust this man, but she held back when she saw her serious face.

“Ladies and gentlemen!” At this time, Yue

Feng smiled and looked at the female disciples around him: “Please help me prepare some herbs, I want Yinghuacao, Sunflower, and Dragon Beard…”

, and describe the required materials one by one.

Swish!

In an instant, the faces of the female disciples of Xiyan Pavilion suddenly turned red, embarrassed and annoyed.

This person, speaking so rudely, actually called himself a beauty.

However, thinking that the pavilion master agreed to his request, these female disciples, although they were not happy, didn't say anything. They walked out of the hall and helped Yue Feng get the herbs.

In the main altar of Xiyan Pavilion, there are countless exotic flowers and plants. Yue Feng has all the materials he needs. In a short while, all the materials are ready.

"Okay!"

Looking at the materials in front of him, Yue Feng turned his head towards Yanyue and said, "Please, help me get a pill furnace, I'm going to start pill refining." The tone was gentle, but there was no doubt.

Yes, Yue Feng did it on purpose.

This Yanyue was beautiful, but her heart was too cruel. She didn't know her, and because she broke into the forbidden area, she was about to die. Now such a good opportunity, she naturally had to use her well.

"You…"

Yan Yue's face flushed red, and she was very angry. This person, who was dying, dared to help him prepare things, it was really abominable.

In Yanyue's heart, she didn't believe that Yue Feng could completely cure the pavilion master's cold poison.

However, seeing Yuwenji's acquiescence, Yanyue did not dare to neglect, and brought a few junior sisters to prepare the pill furnace.

What?

At this moment, the other female disciples in the hall, as well as Yuwenji and Yan Tingxue, looked at Yue Feng in surprise, their eyes flashing with surprise.

He….he can still make alchemy?

You must know that the art of alchemy not only requires extremely high talent, but also requires extraordinary comprehension and creativity, which is not something ordinary people can learn if they want to learn it.

The person in front of him, looking ordinary, not only understands medical skills, but also concocts alchemy.

It's unbelievable.

Soon, Yanyue and several female disciples brought the pill furnace in.

Yue Feng looked at it, the pure copper pill furnace is very good.

Chapter 2097 In the

next second, Yue Feng ordered Yanyue: “Trouble this beauty, help me light the furnace!”

Huh?

Yanyue was stunned for a moment, and then she said angrily: “What did you say? Let me help you make a furnace?”

This person is getting more and more presumptuous. His own dignified senior sister Xiyan Pavilion, he actually let himself burn him and start.

“What? Is the raw stove very shameful?” Yue Feng waved his hand with a serious face: “If you don’t want to, forget it, this is a medicinal pill for your pavilion master, and your face is more important than your pavilion owner’s life. “

Seriously on the surface, Yue Feng is secretly amusing in his heart.

This Yanyue is so arrogant and arrogant, I will deliberately suppress your arrogance.

you!

Hearing this, Yan Yue was very angry. This person is obviously intentional. Okay, for the sake of the pavilion owner, I will help you set the furnace on fire.

Thinking to herself, Yan Yue glared at Yue Feng and started to light the furnace.

Yue Feng smiled slightly, started sorting the medicinal materials, and put them into the fire in an orderly manner. At every step, Yue Feng was methodical and serious.

call!

Seeing this scene, the many female disciples around looked at Yue Feng’s eyes, which became more complicated.

It’s like that… Could this person really know how to make alchemy?

Especially Yan Tingxue, who closely watched Yue Feng’s every step, a strange light flashed in his eyes. As a pharmacist, Yan Tingxue could see that Yue Feng was not pretending.

However, Yan Yue next to her looked very funny.

Have you really started alchemy?

Who are you fooling…

Soon, Yue Feng finished putting out the materials and started to control the heat.

As the temperature of the furnace continued to rise, the entire hall was also warm.

Before I knew it, ten minutes passed, and Yan Yue couldn't help but chuckle: "Boy, the acting is quite similar. If you can't refine the medicine, you will die very ugly!"

In Yan Yue's heart, I don't think that Yue Feng can concoct alchemy at all, just because he is afraid of death, he uses this method to delay time.

The corners of Yue Feng's mouth twitched, smiling without saying a word.

Bang!

At this moment, there was a sudden vibration in the pill furnace.

The surrounding female disciples were all taken aback, exclaimed and retreated, thinking that the pill furnace was about to explode, but when they reacted, they saw that the pill furnace did not burst.

That sound is the reaction produced by the airflow in the pill furnace under the high temperature.

At this moment, Yue Feng looked relaxed and slowly opened the pill furnace in the past.

At this moment, all the female disciples couldn't help but surround themselves. Even Yuwen Ji couldn't help standing up and looked around on tiptoe. For a while, the entire hall was silent!

What?

In the next second, several female disciples couldn't help exclaiming, only to feel that their legs were weak.

I saw a blood-red medicinal pill lying quietly at the bottom of the pill stove, filled with a masculine breath, and not only that, a fragrant medicinal pill also filled the air.

What? !

Actually…really refined by him? !

At this moment, everyone's mind is blank, looking at the medicinal pills in the pill furnace, they just feel incredible!

Yan Yue next to her bit her lip tightly, her delicate body trembling, she stared at Yue Feng blankly, unable to speak.

At this time, Yanyue, in addition to being extremely shocked, was also even more curious. This person was dressed in ordinary clothes and was ordinary, but he really knew how to concoct alchemy.

Chapter 2098

"Pavilion Master!"

At this time, Yue Feng took out the medicinal pill and looked at Yuwen Ji with a smile: "The medicinal medicinal herb has been refined, and this medicinal medicinal herb is called Yangshen Dan, which cultivates the essence and strengthens the foundation, and is more effective for expelling the body from the body. The cold poison has a miraculous effect. The pavilion master takes it and feels it."

Yes, it is the Yang Shendan that Yue Feng refined.

Back then, Yu Mo, the granddaughter of Yu Zongtian's granddaughter of the Golden Lion of the Hall of Longevity in the Earth's Circle Continent, suffered unbearable pain when her monthly menstrual period came due to her congenital body cold. Yu Mo's pain.

Yuwenji suffered from the chill of the thousand-year-old ice toad. Although the situation is somewhat different from that of Yumo, the Yang Shendan is the nemesis of the cold in the world. After Yuwenji takes it, she will be able to recover as well.

Having said that, Yue Feng walked over and was about to give the medicinal pill to Yuwen Ji.

"Stop!"

At this moment, Yanyue reacted, staring at Yue Feng tightly, unable to hide her suspicions, and said coldly: "Just make a medicinal pill, make up a name, just make up a name. Do you want to fool our pavilion master?" After

speaking, Yan Yue said to Yuwenji: "Pavilion lord, this person's origin is unknown, who knows what he refined, if it is poison, the pavilion lord takes it rashly, isn't it? Worse?" The

voice fell, and many young disciples around nodded in agreement.

“Senior sister is right, this person is full of weirdness, and you can’t trust his words.”

“Yes, this person seems ordinary, but he actually knows alchemy, so he has to be guarded.”

“According to me, which sect should be . The spies sent by the sect want to disturb our Xiyan Pavilion.”

The suspicions of everyone kept coming out, Yue Feng’s brows were furrowed, and he wanted to cry without tears.

Nima, are the women in Xiyan Pavilion so suspicious? I have refined my own medicinal pills, but I still don’t believe it.

This…

Hearing the words of Yan Yue and the disciples, Yuwen Ji frowned slightly, and felt a little hesitant in her heart.

What the disciples said is not unreasonable. This person seems to be ordinary, but it is indeed doubtful that he can concoct alchemy.

It’s just…. This person is deeply trapped in the Xiyan Pavilion general altar. If he poisons himself, he can’t escape. What’s the point of doing this?

Thinking to herself, Yuwenji couldn’t pay attention for a while, and turned her head to look at Yan Tingxue: “Elder Yan, what do you think?”

Huh!

Yan Tingxue took a deep breath, her eyes fixed on the medicinal pill in Yue Feng’s hand, and her beautiful face showed a bit of excitement and approval: “Pavilion Master, this person is not lying, he… he refined it. , it should be the real Yang Shendan.”

When he said this, because of excitement, Yan Tingxue’s tone was trembling, and he was very excited.

She has studied medicine since she was a child, and has read many medical classics. She also has some attainments in the art of medicinal pills. The elixir of Yangshen Dan has long been lost, but Yan Tingxue once read about it in an ancient book. The description of the Yangshen Pill is blood-red in appearance, and the positivity is strong…

And the Yangshen Pill refined by this person in front of him is exactly the same as the description in the ancient book, and it is absolutely not wrong.

What?

Hearing this, both Yuwen Ji and Yan Yue and other female disciples were all shocked.

This… This person refined, not poison, but the real Yang Shendan?

At this moment, Yan Tingxue calmed down and came over to take the medicine pill. At the same time, she gave Yue Feng a deep look.

In the next second, Yan Tingxue brought the medicinal pill to Yuwenji and said softly, “Pavilion Master, this person is right. The Yangshen Pill has a miraculous effect on the treatment of cold poison, so the pavilion lord should take it and feel it.”

Hmmm!

Chapter 2099

Yuwen Ji nodded, and without hesitation, took the medicine pill.

Yuwenji trusts Yan Tingxue very much. Seeing her say that the medicinal pill is real, she will definitely not be wrong.

call!

At this moment, Yanyue and the other female disciples below, all focused on Yuwenji, holding their breaths, quietly waiting for the effect!

On the other hand, Yue Feng had a relaxed expression on his face.

One minute..two

minutes!

Five minutes passed, and I saw Yuwen Ji’s delicate face, rosy and lustrous, she looked inexplicably better than before, almost radiant, indescribably charming and sexy.

call!

At this time, Yuwen Ji also showed a smile, and couldn’t help but say, “This medicinal pill is really amazing, it feels much better than taking Yanyangcao.”

Because the cold poison is too deep, after taking Yanyangcao every time, Yuwen Ji also needs to mobilize her internal strength to suppress the cold feeling in her body, but now, the cold feeling in her body has disappeared a lot, and her whole body is extremely relaxed.

Wow…

the words fell, Yanyue and the other female disciples were all happy and incomparably excited.

They all clearly saw that the pavilion master was radiant at this time. Compared with before, he was completely different. This Yang Shendan was really amazing.

Yan Tingxue, on the other hand, looked closely at Yue Feng, unable to hide her admiration and appreciation.

This person can actually refine the long-lost Yang Shendan, which is really a rare talent.

Immediately afterwards, Yue Feng wrote down the prescription of Yangshen Pill and gave it to Yan Tingxue.

The next second, Yue Feng looked at Yuwen Ji with a smile: “Pavilion Master, I have left the pill recipe. In the future, Pavilion Master, if you take a Yangshen Pill every day for half a year, the cold poison in your body will be completely eliminated.”

Saying that, Yue Feng had a look of anticipation on his face, and continued: “The pavilion master should let me go now!”

For others, the Yangshen Dan’s formula is invaluable, and it will definitely not be handed over so easily. , but Yue Feng has the Promise Pill Technique, there are countless pill recipes in it, a Yang Shen Pill is nothing.

At this time, Yue Feng just wanted to leave here and look for Su Qingyan.

call!

Hearing this, Yuwenji smiled and nodded silently, but did not answer.

In the next second, Yuwen Ji looked at Yue Feng closely, unable to hide her inner appreciation, and said softly: “Your excellent medical skills are really admirable, I appreciate you very much, so let’s make an exception and ask you to stay. , When the cold poison in this seat is completely dispelled, it will not be too late for you to leave.”

When saying this, Yuwen Ji’s tone was soft, but there was an aura that could not be refuted.

To be honest, although there are many exotic flowers and plants in the main altar of Xiyan Pavilion, as well as the doctor Yan Tingxue, but Yan Tingxue’s medical attainments are still lacking.

And the person in front of him has high medical skills, which is admirable. If he can keep this kind of person, it will only be good for Xiyan Pavilion, not bad.

To be honest, the rules of Xiyan Pavilion are very clear. Men are forbidden to enter, let alone stay, but such talents are rare, so Yuwenji made an exception.

The voice fell, and Yan Tingxue next to him looked at Yue Feng, and then said: “The pavilion master has already spoken, you should stay. Although, Your Excellency has left the Dan Fang with sincerity, but I am ashamed to say it. The realm of the alchemy technique is only a general level, whether it can be successfully refined into the Yang Shen Dan is still unknown, if you stay, you can also give some pointers.”

When saying this, Yan Tingxue’s delicate face showed seriousness, and her heart was even more urgent.

Yan Tingxue is obsessed with medical skills. Seeing Yue Feng’s superb medical skills, how could he let him go? Naturally, I want to stay and ask for advice.

Chapter 2100 What the

hell!

Hearing this, Yue Feng was stunned for a moment, and then he couldn’t help laughing.

This Nima, I thought it was helpful, and Xiyan Pavilion could happily let him go, but he never expected that after showing his skills, the pavilion master of Xiyan Pavilion was reluctant to leave by himself.

This thing is… self-defeating.

Thinking to himself, Yue Feng looked at Yuwen Ji and said with a wry smile: “The kindness of the pavilion master is under my heart, so I’d better go.”

Su Qingyan hasn’t found it yet, so how can she stay here, and she still has to wait For the first half of the year, Yue Feng had a big head just thinking about it.

hiss!

In the hall, it was suddenly silent, and all eyes looked at Yue Feng in surprise.

He…he actually rejected the pavilion master? !

You must know that Xiyan Pavilion has picturesque scenery and beautiful women. Many people from all corners of the world dream of coming in. The pavilion master makes an exception to let him stay. This is an honor that countless people dream of, but this person actually refused.

In Xiyan Pavilion, Yuwen Ji Jinkou Yuyan, no one dared to reject her like this.

At this moment, Yuwenji's beautiful face also changed suddenly. You must know, in front of all the disciples, when she was rejected by Yue Feng, where would she put her face?

For a time, the atmosphere in the entire hall was extremely solemn, and Yanyue and the disciples did not even dare to breathe. Finally, at this time ,

Yuwenji smiled lightly and said, "Okay, since you don't want to, I won't force it, Yanyue, drag it out and kill it."

With a charming smile, but his tone is cold and unquestionable.

She is the pavilion master of Xiyan Pavilion, and no one dares to reject her. Yuwenji looks like a delicate woman, charming and charming, but has a very strong personality. In her heart, if this person rejects her in public, she must be removed decisively.

shit.

Yue Feng was startled and wanted to cry without tears.

This pavilion master, his personality is too strong, if he doesn't agree to stay, he will kill him?

"Okay! Okay…" The

next second, Yue Feng wiped away the cold sweat on his forehead and smiled bitterly at Yuwen Ji: "Pavilion Master, calm down, I'll stay… I'll stay, can I promise?

" At that time, Yue Feng felt bitter in his heart.

Seriously, with Yue Feng's strength, if he was forced to leave, no one in Xiyan Pavilion could keep him, but Yue Feng had his own principles and never took the initiative to do anything to women. More importantly, he and Xiyan Pavilion No grievances, no grudges, no big fights, too much trouble.

After Yue Feng thought about it, he pretended to agree first, and when it was night, he quietly left while taking advantage of the darkness.

Um!

Seeing his agreement, Yuwenji showed a smile on her face, nodded and said, "That's the best, by the way, I don't know your honorable name."

"My name is Fengtao!" Yue Feng thought about it and responded.

Yue Feng wanted to conceal his identity, so naturally he couldn't say his real name. The name Fengtao was used by the Holy Sect in Beiying Continent. Yue Feng couldn't remember any other name for a while, so he could only continue to use this name.

Yuwenji nodded and ordered to Yanyue: "Yanyue, immediately arrange a room for Mr. Feng to rest."

Although Yuwenji has a strong personality, she is also very cherished for her talents. Seeing Yue Feng's superb medical skills, she agrees to stay, and she is honored. sir.

"Yes, Pavilion Master!" Yan Yue responded and went out to make arrangements immediately.

At this time, Yuwenji thought of something and looked at Yue Feng seriously: "Mr. Feng, since you agreed to stay, you should pay attention to some situations. The Xiyan Pavilion is strictly disciplined. When you have nothing to do, don't walk around, especially at night. And don't rush around, otherwise, don't blame this seat for turning his face and being ruthless."

Xiyan Pavilion is all women, how can he let him walk around at will?

"Don't worry, pavilion master." Yue Feng nodded: "I am the most honest person, and I won't rush in casually."

When he said this, Yue Feng looked serious, but his heart was very funny.

Haha…

This pavilion master is quite cautious, afraid that he will harm her female disciples.

My own women, Xiao Yuruo, Su Qingyan, Qin Rongyin and Liu Xuan, which one is not the goddess of national beauty and beauty, I don't know how many times stronger than these female disciples of Xiyan Pavilion, how could I mess up?

Moreover, he didn't intend to stay, and as soon as it got dark, he slipped away quietly.

Seeing that he promised so happily, Yuwen Ji nodded and explained a few more words, and ordered the disciple to take Yue Feng to rest.

In the middle of the night, the entire Xiyan Pavilion was silent.

The ultimate husband in Chinese chapter 2101-2110

Chapter 2101 In the

room, Yue Feng sat cross-legged, opened his eyes slowly, and showed a smile.

Haha…

leave now, no one should find out.

After being arranged in the room, Yue Feng meditated cross-legged and recharged his energy, waiting for this moment.

Excited, Yue Feng was about to leave quietly.

However, as soon as he reached the door, he heard a knock on the door outside.

What the hell!

Yue Feng was stunned for a moment, very speechless, who is looking for him so late? Is it the patriarch?

With a murmur in his heart, Yue Feng sighed and opened the door helplessly.

hiss!

As a result, the moment the door was opened, Yue Feng was stunned. I saw a charming figure standing at the door, under the moonlight, smiling like a flower, so beautiful.

It was Yan Tingxue.

At this time, Tan Tingxue was wearing a snow-white corset dress, with a pair of long legs looming, which was reverie.

Yue Feng was taken aback: “Elder Yan? It’s so late, what advice do you have?”

In the middle of the night, she suddenly asked herself what to do.

This chapter is provided by . Visit for daily update.

Yan Tingxue smiled sweetly, her beautiful face showed a bit of restraint, she bit her lip and said softly: “Mr. Feng, I made the Yang Shen Dan according to the formula you gave, but I failed several times. I couldn’t figure out the reason, so I wanted to come over and ask for advice.”

When he said this, Yan Tingxue's face flushed, her eyes were very shy and looked at Yue Feng, and at the same time, she was looking forward to it.

To be honest, Yan Tingxue was very embarrassed to come to Yue Feng so late. After all, being a woman is not suitable for you.

But Yan Tingxue is too obsessed with medical skills, if she can't figure out the reason tonight, she will not be able to sleep.

Uh… so it's because of this.

Hearing this, Yue Feng scratched his head and laughed: "Okay!" To

be honest, Yue Feng wanted to refuse, but if he refused, it would easily make Yan Tingxue suspicious.

"That's great!"

Seeing Yue Feng agree, Yan Tingxue cheered, happy like a child.

The next second, Yan Tingxue smiled and said, "The alchemy room is here, Mr. Feng, please!" After speaking, she turned and walked towards the alchemy room in the backyard.

Yue Feng smiled bitterly and had to keep up.

Soon, when he arrived at the alchemy room, Yue Feng was stunned.

I will go, this Xiyan Pavilion is really not easy.

Yue Feng saw that the alchemy room in front of him was the size of two basketball courts, surrounded by wooden stands, filled with various medicinal materials for alchemy, common medicinal materials, and many rare herbs.

For example, stone spirit flowers, fairy fruits, etc. are all spirit grasses that can be encountered and cannot be found.

In the middle, an elixir furnace was burning vigorously, and on the table next to it, there were several elixir that failed to be refined.

"Mr. Feng!"

At this time, Yan Tingxue bit her lip lightly and said softly, "I followed the recipe you wrote, and the order of the ingredients was correct, but I couldn't make it out."

Yue Feng looked at the fire . , said with a smile: “The order is correct, but the heat of the fire is not well controlled. You must know that the most important thing in alchemy is the control of the fire.”

After that, Yue Feng explained the essentials of how to control the fire in detail. come out.

Hearing this, Yan Tingxue’s eyes lit up, and she hurriedly tried to refine it again. Under Yue Feng’s reminder, she carefully controlled the heat.

hum.

After a while, along with a vibration in the pill furnace, a Yang Shen Pill was finally successfully refined by Yan Tingxue.

“Mr. Feng, you are really amazing.” Yan Tingxue smiled and couldn’t help but praised Yue Feng: “I didn’t expect you to be so accomplished in alchemy, if it wasn’t for your guidance, I wouldn’t know that I failed. Where is it?”

When he said this, Yan Tingxue looked at Yue Feng’s eyes, full of admiration.

Chapter 2102

Yue Feng smiled and said slowly: “All kinds of medicinal herbs have different requirements for the fire. In the future, if you make pills more often, you will be able to control the fire well.”

Well!

Yan Tingxue nodded again and again, and then asked curiously, “Mr. Feng, do you have any other pill recipes besides Yangshen Pill?”

At this time, Yan Tingxue’s eyes were full of obsession with pill techniques. Yan Tingxue also knew a lot of pills, but those were ordinary pills, and they were nothing compared to Yangshen pills.

Mr. Feng in front of him, since he knows the long-lost Yangshen Pill, there must be other rare pills. Take advantage of the opportunity and be sure to ask for advice.

“Of course there is!” Yue Feng thought for a while and said slowly: “For example, the pill that has the exact opposite effect to the Yang Shen Pill is called the Cold Marrow Pill. It is specially used to treat excessive yang fire, and practitioners can take it, and there is a chance to prevent it from escaping. Enchanted…”, Yue Feng said eloquently.

To be honest, Yue Feng planned to leave a few words casually, after all, time waits for no one, if he can’t slip away tonight, he can only wait another day.

However, seeing Yan Tingxue's humbly asking for advice, Yue Feng couldn't bear to disappoint her.

For a while, Yan Tingxue stood there, looking at Yue Feng admiringly, listening very seriously, for fear of missing a word.

When Yue Feng finished speaking, he smiled and said, "Of course, to make Cold Marrow Pill, the furnace fire and Yang Shen Pill are completely opposite, and cold fire is needed. As the name suggests, cold fire temperature is extremely low, like ice, and very cold. It's not easy to control, if you want to raise a cold fire, you only need white phosphorus and gloomy wood…"

Hearing this, Yan Tingxue clapped his hands: "White phosphorus and gloomy wood, just right here!

" He brought some white phosphorus and gloomy wood from the side, and said with a smile: "Mr. Feng, since the cold marrow pill is mentioned, please teach me how to refine it."

Saying that, Yan Tingxue thought of something, and continued: "White phosphorus and gloomy wood can raise a cold fire? Is it to stimulate the internal force to ignite the two together?

" Among white phosphorus and gloomy wood.

"No…"

Seeing this scene, Yue Feng was taken aback and hurriedly stopped.

You must know that the gloomy wood is taken from the bottom of the sea, and the cold air is extremely heavy. When refining the medicine, it is necessary to ignite the gloomy wood first. At the same time, people should avoid three meters away to let it release too much cold air, and then add white phosphorus. , in order to form a real cold fire.

Once too much cold air is not released, if people approach, it is easy to be attacked by cold air.

At this time, Yan Tingxue held a gloomy wood and ignited it directly mixed with white phosphorus, which was extremely dangerous.

Under the exclamation, Yue Feng was about to step forward and knock out the gloomy wood in Yan Tingxue's hands.

However, it was still a step too late.

hum!

I saw the white phosphorus and the gloomy wood, driven by the internal force, instantly burned, forming a mass of ice-blue flames, and in an instant, the temperature of the surrounding air dropped a lot.

The next second, the ice-blue flame spread along the gloomy wood and spread to Yan Tingxue's body at once.

"It's so cold…"

Yan Tingxue's body trembled, and she felt an indescribable chill that instantly swept through her body, her face pale and unbearably cold.

At this time, Yan Tingxue seemed to be in a cold ice cave, her delicate body was trembling constantly, her mind seemed to be frozen, and she was unspeakably uncomfortable.

"It's cold, it's so cold…" In the

next second, Yan Tingxue cried out in pain, as if losing her mind, and hugged Yue Feng all at once.

Under the intense cold, Yan Tingxue lost her mind, felt the temperature on Yue Feng's body next to her, and subconsciously hugged him to keep warm.

Uh….

Chapter 2103

Being suddenly hugged by Yan Tingxue, I just felt an aroma coming to my face, and Yue Feng's bones were crisp.

Gudong!

Feeling Yan Tingxue's slender figure, Yue Feng couldn't help but secretly swallowed. He really didn't expect that Yan Tingxue's figure was not only sexy, but the feeling of hugging was even more wonderful.

After hugging happily for a while, Yue Feng reacted and began to activate the inner strength of Chunyang to drive away the cold air for Yan Tingxue.

While expelling, Yue Feng secretly sighed.

This Yan Tingxue's temper is too impatient, even if he is eager to learn to refine the cold marrow pill, he has to listen to himself and finish his words.

Unlike the cold poison in Yuwenji's body, Yan Tingxue was just invaded by the cold air of the gloomy wood.

Soon, two minutes later, the cold air in Yan Tingxue's body was successfully dispelled by Yue Feng.

In an instant, Yan Tingxue's body trembled, and her mind was instantly awake.

The first time she woke up, she saw that she was hugging Yue Feng tightly, and Yan Tingxue was immediately stunned.

Swish!

Yan Tingxue's delicate face turned red all of a sudden, she fled from Yue Feng's arms in a hurry, and stared at Yue Feng shyly and angrily: "You…what are you doing?"

This Feng Tao, I admire him so much, but he But he was holding himself while he was not paying attention!

Yue Feng was very helpless, and said with a smile: "Elder Yan, you rashly ignited the gloomy wood, causing the cold to enter your body, but you just took the initiative to hug me."

After speaking, Yue Feng said seriously: "Also, I have already helped you drive it away. The cold in the body."

This…

Yan Tingxue bit her lip and pondered secretly.

It seems that Mr. Feng was right, he was indeed hugging him by himself. Just now, he was too cold, so he subconsciously hugged a warm one…

Thinking of this, Yan Tingxue blushed, as if the clouds were on fire. He has always been pure and self-love, and rarely gets along with men, but now he takes the initiative to hug Mr. Feng.

This…this is so embarrassing.

"Mr. Feng!" At this moment, Yan Tingxue bit her lip and walked up to Yue Feng, her delicate face showing shyness and a bit of pleading.

"Let's treat today's incident as if it didn't happen, don't say it, okay…" The voice was so small that you couldn't hear it if you didn't listen carefully.

As the elder of Xiyan Pavilion, Yan Tingxue seems to be gentle as water, but her personality is very arrogant. She never dreamed that one day she would let go of her restraint and act coquetry to a man.

Yue Feng looked at her with a smile: “Elder Yan is serious, I forgot what happened just now.”

Yue Feng was secretly amused when he said this.

Haha…

This Yan Tingxue is so interesting, she just hugged and didn’t do anything else, she was so nervous.

Um!

Hearing this, Yan Tingxue breathed a sigh of relief, nodded, and said softly, “Mr. Feng, it’s getting late, I’m going to sleep, you should go back to your room to rest.”

When she said this, Yan Tingxue lowered her head. Head, did not look at Yue Feng, very shy.

Originally, Yan Tingxue wanted to continue to ask Yue Feng about alchemy, but after what happened just now, Yan Tingxue felt very embarrassed and lost her mood at all.

Chapter 2104

“Okay, see you tomorrow, Elder Yan.” Yue Feng nodded with a smile. The surface was calm, but Yue Feng felt a long sigh of relief in his heart.

Nima, it’s finally over. If Yan Tingxue continues to ask for advice on alchemy, I’m afraid he won’t be able to leave tonight.

When the words fell, Yue Feng and Yan Tingxue were about to leave the alchemy room.

“Elder Yan!”

Before he even got to the door, he saw a female disciple come in and respectfully said to Yan Tingxue, “Your Highness is here, and you are injured. Look.”

Your lord is here?

Yan Tingxue was stunned for a moment, her delicate face suddenly became serious, she nodded and said, “Okay, I’ll go right away!”

Immediately, Yan Tingxue glanced at Yue Feng and smiled, “Just as Mr. Feng is here, just follow Let me go and have a look, the lord is very powerful, but he was injured, and the situation must be very serious.”

At this

moment, Yue Feng could not laugh or cry, and his heart was very depressed. I thought that after separating from Yan Tingxue, I would be able to quietly leave Xiyan Pavilion, but suddenly a wounded Lord came.

No, isn’t the biggest pavilion owner in Xiyan Pavilion? Why did another Venerable Lord suddenly appear? Who is this lord?

Thinking to himself, Yue Feng nodded to Yan Tingxue and said, “Okay!” To

be honest, Yue Feng really wanted to refuse. He just spent some time in the alchemy room. If he didn’t want to leave, he would not be able to leave tonight.

But Yue Feng couldn’t find a reason to refuse.

After all, now he is a doctor and is left in Xiyan Pavilion. If there is a patient in Xiyan Pavilion, Yue Feng does not appear, and it is easy to be suspected.

Yan Tingxue didn’t say much, and walked towards the front hall with Yue Feng.

Right now, in the front hall!

Yuwen Ji sat on the soft slump, wearing a long red silk dress, indescribably charming and sultry, perfectly showing her sexy figure.

Beside them, more than a dozen elite female disciples stood by with their hands down.

On the chair opposite her, sat a handsome man with a good temperament, but his face was pale, and there was a bit of evil in his eyebrows.

It was Yu Wenyan, the leader of the Huan Yin Sect.

Yes, Yu Wenyan is not only the leader of the Huanyin Sect, but also the esteemed master of Xiyan Pavilion. He is only one word apart from Yuwenji’s name. The two have a close relationship. Although they are not related by blood, they are brothers and sisters.

Both Yuwenyan and Yuwenji were orphans. They were adopted by a strange person in the Jianghu when they were young and taught them unique skills. When they grew up, Yuwenyan and Yuwenji secretly founded Xiyan Pavilion. the position of the leader of the Phantom Sect.

Because Xiyan Pavilion has been avoiding the world and does not interact with people in the world, so, on the rivers and lakes, we only know that Xiyan Pavilion has a pavilion master who is as beautiful as a fairy, but he doesn't know that there is also a respected master, and this respected master is Yu Wenyan, the leader of the Phantom Sect!

At this moment, Yuwenji looked at Yuwenyan closely, feeling his weak state, and asked worriedly: "How is your injury? Who injured you?"

Yuwenyan chuckled and responded. Said: "An unexpected guy, the hero of Diyuan Continent, the sect master of Tianmen, the emperor of Xi Cang, Yue Feng!"

When he mentioned Yue Feng, Yu Wenyan couldn't hide the resentment in his eyes.

It is a shame and shame to be defeated by Yue Feng in front of so many people in the rivers and lakes!

What?

Hearing this, Yuwenji's delicate body trembled, and her delicate face was full of incredulity: "Yue Feng? The one who led the Southern Cloud Continent to repel True Monarch Erlang some time ago?

" , but Yuwen Ji knew the situation in Kyushu very well, and of course knew Yue Feng.

You must know that Yue Feng is a powerful man in Kyushu. He suddenly appeared in the Yellow Sea Continent and injured Yu Wenyan. How can he not be surprised?

Chapter 2105

Call!

At this time, Yu Wenyan took a deep breath and said solemnly: "The strength of Yue Feng is indeed very strong. I was injured by his Fang Tianhua halberd, and it will take at least half a month to recuperate. Therefore, during this time, I just I have to work hard for you." The main

altar of Xiyan Pavilion is quiet and there are countless exotic flowers and plants. In the past few years, every time Yu Wenyan was injured, or retreated to practice, he would come to Xiyan Pavilion.

Yuwen Ji smiled slightly and said softly: "You and I are still so polite, don't worry, here, you can rest in peace, no one will disturb you, by the way, I have already sent someone to call Elder Yan and let her give it to you. Take a look, prescribe a few pairs of elixir…"

Hmm!

Hearing this, Yu Wenyan nodded with a smile on his face.

Yan Tingxue is a well-known doctor in Xiyan Pavilion. With her help to take care of her, her injury will definitely heal quickly.

Just as he was talking, Yan Tingxue and Yue Feng came in.

“Pavilion Master, Honorable Master!”

As soon as he entered the door, Yan Tingxue greeted with a smile.

Immediately, Yan Tingxue said to Yuwenji: “Just now, Mr. Feng and I were discussing the technique of alchemy in the alchemy room. When I learned that the Lord was here and injured, I brought Mr. Feng over by the way.”

Yuwenji Nodding with a smile.

Swish!

At this moment, Yu Wenyan’s eyes flashed, and he locked Yue Feng directly, flashing with surprise and hostility.

Yue Feng used Yi Rong San, but Yu Wenyan didn’t recognize it at all, but the Xiyan Pavilion was full of women, and men were strictly forbidden to enter. Now, how can I not be surprised to see a man here?

What the hell!

At the same time, the moment he saw Yu Wenyan, Yue Feng was also shocked, and the whole person was stunned.

This… The lord of Xiyan Pavilion is Yu Wenyan?

Isn’t he the leader of the Phantom Sect? How did he become the pavilion master of Xiyan Pavilion again?

For a time, Yue Feng only felt his brain buzzing and couldn’t understand why.

“Who is this person?”

At this moment, Yu Wenyan reacted and asked Yuwen Ji, “How could a man be kept in the main altar of Xiyan Pavilion?” As

he spoke, he looked up and down at Yue Feng , his eyes are sharp, as if to see through people.

Yuwen Ji smiled slightly and introduced: “This is Mr. Feng, his full name is Feng Tao, a descendant of a medical family. Before, he accidentally broke into the holy lake in Xiyan Pavilion and was caught by his disciples…”

Next, Yuwen Ji explained the situation again.

At the end of the story, Yuwen Ji smiled and looked at Yue Feng and said, “Mr. Feng’s medical skills are superb, which is admirable. During the day, he refines the Yang Shendan in public to expel the cold poison from my body…”

When he said this , Yuwen Ji looked at Yue Feng, unable to hide her admiration.

What?

Hearing this, Yu Wenyan was stunned, looking at Yue Feng with complex eyes, very surprised.

This person seems to be just an ordinary person, with such superb medical skills? You must know that Yuwenji’s cold poison is too deep. After Yuwenyan became the leader of the Huanyin Sect, he sent his disciples and searched for famous medicines to no avail. But the person in front of him took the right medicine at once.

Moreover, he can also concoct alchemy?

The ultimate husband in Chinese chapter 2106-2110

Chapter 2106

Thinking, Yu Wenyan looked at Yue Feng up and down, his eyes were full of scrutiny, and incredible: “You know medicine and alchemy?”

Seriously, even though Yan Tingxue and Yuwen Ji said so, Yu Wenyan There are some who don’t quite believe it. After all, the person in front of him looks too ordinary, and he doesn’t look like a famous doctor at all.

“Yes!” Yue Feng smiled and responded calmly.

Although the surface is calm, Yue Feng has a trace of anxiety in his heart.

Nima, things are really impermanent.

He defeated Yu Wenyan the day before yesterday, and in a blink of an eye, he actually met again.

However, Yue Feng was also secretly grateful. Fortunately, he changed his face, Yu Wenyan couldn’t recognize him, otherwise, a fierce battle would be inevitable.

To be honest, Yue Feng is not afraid of Yu Wenyan, but now he is deeply involved in the Xiyan Pavilion general altar. If he really wants to fight, it will not benefit him at all.

Hehe…

Hearing the answer, Yu Wenyan chuckled and said coldly and arrogantly: “There are so many people claiming to be famous doctors in the world, who knows if he is a person who seeks fame or not.” After

speaking, Yu Wenyan tilted his head towards Yuwen Ji and said: “The rivers and lakes are sinister, and people’s hearts are even more unpredictable. Don’t be deceived.”

Yuwenji smiled lightly and shook her head: “After taking the Yangshen Pill refined by Mr. Feng during the day, I feel much better. , how could I keep him?” The

voice fell, and Yan Tingxue also said: “Yes, your lord, this Mr. Feng’s medical skills are superb, I don’t know how much higher than me, and, for the alchemy one The technique is even more profound.”

Phew!

Hearing these words, Yu Wenyan breathed a sigh of relief and took a deep look at Yue Feng. The suspicion in his heart was eliminated a lot, but his expression was indifferent and there was not much emotional fluctuation.

This chapter is provided by . Visit for daily update.

Yu Wenyan has a arrogant temperament. In his heart, there are not many people in the world who can make him admire him. Even if the person in front of him is a name, Yu Wenyan will not give him a high opinion.

At this moment, Yue Feng also completely calmed down.

This Yu Wenyan doesn’t pay attention to his best, so he doesn’t have to worry about his identity being exposed.

Thinking about it, Yue Feng wanted to find an excuse to leave.

“Elder Yan!”

But at this moment, Yuwenji said with a smile: “Look at the injury of the Lord and help him prepare some medicines.”

“Okay!” Yan Tingxue responded and went straight to Yuwen Fire came over.

When she got to the front, Yan Tingxue looked at Yu Wenyan's face, then asked about the injury in a low voice, and said softly: "Your Highness, your heart has been injured, I will help you prepare some medicines to relieve meridians and activate blood, feel at ease. Ten days of rest will heal you."

Ten days?

Hearing this, Yu Wenyan frowned, shook his head and said, "It's been too long, there are still many things that I need to deal with in the Phantom Sound Sect, is there any other way that can be done in a short time, or to increase the dose of medicine? ."

When he said this, Yu Wenyan was calm on the surface, but a little irritable in his heart.

What he said was right. Since the failure of the siege of Famous Sword Villa, the prestige of the Huanyin Sect on the rivers and lakes has dropped a lot, and many sects are secretly discussing how to jointly deal with the Huanyin Sect.

And he was defeated by Yue Feng in public, and his prestige in the Huanyin Sect was also shaken. Under such circumstances, how could Yu Wenyan stay at the main altar of Xiyan Pavilion for ten days?

"Honored lord!" Yan Tingxue hesitated, bit her lip and said, "The formula I made is already the best. If I increase the dosage, I'm afraid it will backfire. You also know that medicine cannot be used indiscriminately."

Saying that, Yan Tingxue looked at Yue Feng next to her, her eyes flashed, and she said with a smile, "That's right, Mr. Feng must have a way."

He?

Yu Wenyan glanced at Yue Feng, frowned secretly, and was very conflicted.

Yu Wenyan is arrogant and arrogant. He only believes in his own people, and let an outsider heal him. He is very conflicted.

However, Yan Tingxue admired Yue Feng very much, grabbed his hand and said with a smile, "I almost forgot, Mr. Feng is here, his medical skills are much better than mine, there must be a way to cure Zun as soon as possible. The Lord's injury."

When he said this, Tan Tingxue couldn't hide his admiration for Yue Feng.

"That's right…"

Yuwenji nodded in agreement and said with a smile, "Yes, Mr. Feng is very skilled in medicine, and there must be a good remedy."

After saying that, Yuwenji said to Yue Feng, “Mr. Feng, please excuse me. “

Fuck!”

Seeing this, Yue Feng wanted to cry without tears.

Nima, what is this?

This Yu Wenyan’s injury was caused by himself, and now he wants to help him heal?

However, under the gazes of Yan Tingxue and Yuwenji, Yue Feng still smiled and walked over.

When he got to the front, Yue Feng smiled at Yu Wenyan: “Since the pavilion master and the elder Yan strongly recommended it, I am disrespectful. I would like to ask the honorable lord to explain how he was injured and explain in detail, so I can prescribe the right medicine.”

Yue Feng was very aware of Yu Wenyan’s injury, but he had to ask and pretend. Otherwise, if you don’t ask anything, just prescribe the medicine directly. Isn’t that revealing the filling?

However, Yu Wenyan didn’t cooperate at all, and deliberately asked: “Aren’t you a famous doctor? In the medical skills you study, you pay attention to seeing, hearing, asking, and seeing my state, don’t you know?”

Nima!

Hearing this, Yue Feng was stunned for a moment. This was deliberately creating a problem for me, trying to test my medical skills.

Fortunately, Yu Wenyan’s injury was caused by himself, and he knew it in his heart. Otherwise, it would be hard to judge just by observing the appearance.

Muttering in his heart, Yue Feng squeezed out a smile, nodded and said, “Your Highness is right, then I’ll take a look.” The

voice fell, Yue Feng surrounded Yu Wenyan, slowly paced, and observed carefully. .

Chapter 2107

“Your Highness!”

Finally, after watching for two minutes, Yue Feng showed a smile and said to Yu Wenyan, “If I guess right, you were injured by a magic weapon, and you were injured. Heart pulse.” After

speaking, Yue Feng deliberately made a contemplative look, and continued: “Also, the weapon that hurts you is extremely suffocating. Let me guess, is it Lu Bu’s Fang Tianhuaji? “

This… When the

voice fell, Yu Wenyan was shocked, looked at Yue Feng in astonishment, and was stunned, speechless.

This person’s medical skills are so brilliant.

Not only did he accurately say his injuries, but he could even guess what weapon he was injured by.

Simply divine.

call!

Yuwen Ji trembled even more, her eyes looking at Yue Feng with endless admiration and admiration.

I really didn’t see the wrong person. This Mr. Feng is simply a genius doctor of the generation. You must know how Yu Wenyan was injured, no one told him at all, but through observation, he guessed every word.

Next to Yan Tingxue, and the surrounding disciples, there was an uproar, all of them looked at Yue Feng with incomparable admiration.

“Mr. Feng’s medical skills are really superb.”

“Yeah, you can see it this way.”

“It’s amazing…”

Haha…

Seeing their shocked appearance, Yue Feng’s appearance is like a master, and his heart is full. But it was secretly funny.

The women of Yuwenyan and Xiyange are really interesting. I just said a few words, and I calmed them down. Yuwenyan’s injury was hurt by himself. Can you guess wrong?

“Sir is really amazing.”

Finally, Yu Wenyan reacted and praised Yue Feng: “I guessed it right, it’s really admirable, yes, I was injured by Fang Tianhuaji, I dare to ask Mr. A good remedy to cure me quickly?”

When he said this, Yu Wenyan’s tone was filled with admiration and politeness, and he completely lost his previous cold and arrogance.

“Of course there is!” Yue Feng said with a smile: “My method is called a medicinal bath.”

Medicated bath?

Hearing these two words, everyone in the hall was stunned, and their faces were full of doubts.

“Medicated bath, as the name suggests, is to take a bath to eliminate hurt.” Yue Feng looked around, and finally looked at Yu Wenyan and said, “Wait for someone to prepare a wooden bucket, and then put a few herbs in it as I said. Go in, the lord jumps in and soaks for an hour, and the injury will be relieved a lot.”

After speaking, Yue Feng thought about it and continued: “But the order of the prescriptions can’t be wrong, and a special method is needed to heal the injury. Therefore, I still need to be on the side.”

After saying the last sentence, Yue Feng looked serious, but he secretly laughed in his heart.

In fact, Yue Feng has many ways to quickly cure Yu Wenyan, but Yue Feng doesn’t want to do this, Yu Wenyan is ruthless, how can he easily cure him?

Of course, the medicinal bath that Yue Feng said was not made up. The purpose of this was to find an opportunity to leave Xiyan Pavilion.

Yue Feng made a plan, and when Yu Wenyan was taking a medicinal bath, he took the opportunity to leave. Even if Yu Wenyan found out and had nothing to hide, he would be embarrassed to get up and chase him.

call!

As soon as these words came out, the entire hall was silent.

Whether it was Yuwen Ji, Yan Tingxue, and the surrounding female disciples, they all looked at Yue Feng in a complicated way, flashing strange light.

Swish!

And Yu Wenyan’s face changed, and it was a little red, which was very unnatural.

The next second, Yu Wenyan shook his head decisively and said, “This method won’t work, change it.”

As he spoke, Yu Wenyan’s eyes flashed with determination, which could not be refuted. shy.

At the same time, Yuwenji also cleared her throat and said softly: “Yeah, Mr. Feng, can you change the method, this medicated bath…medicated bath is really a bit…” At the

end, Yuwenji looked at Flickering complex, hesitant to speak.

Uh!

Yue Feng was stunned, very surprised.

What’s the matter, isn’t it just taking a shower? Everyone is a man, why does Yu Wenyan act like a woman?

At this time, Yue Feng didn’t know that Yu Wenyan was a handsome and handsome man on the surface, but in fact, he was a woman. Speaking of which, when Yuwenji and Yuwenji founded Xiyan Pavilion together, Yuwenyan was still dressed as a woman. However, after she disguised herself as a man, she experienced some adventures and became the leader of the Phantom Sect, and Yuwenyan began to dress up as a man. .

Because the Huanyin canon clearly states that a woman cannot be the leader, so Yuwenyan can only disguise herself as a man.

“In addition to the medicated bath, there are other ways.” Yue Feng scratched his head and said, “But those methods are similar to what Elder Yan said. The time is too long, at least ten days will take you to recover, and this medicated bath is the fastest. “

At this time, Yue Feng didn’t see the identity of Yu Wenyan’s woman at all, and insisted on saying that, the purpose was to take advantage of Yu Wenyan’s medicinal bath to take the opportunity to leave.

call!

Hearing this, Yu Wenyan pondered and hesitated, but finally nodded: “Okay then.”

After saying that, Yu Wenyan looked at Yue Feng seriously, no doubt: “However, before the medicinal bath starts, Mr. Blindfolded.” The voice was not loud, but his attitude was firm and unquestionable.

How can you let a man see the body of your daughter who is pure and clean?

Chapter 2108

I’m going!

Yue Feng was stunned for a moment. He didn’t know that Yu Wenyan was disguised as a woman. Yue Feng couldn’t help muttering, this Yu Wenyan is sick, he needs to be blindfolded to take a bath, a big man, won’t he have any psychological problems, or cleanliness?

Thinking to himself, Yue Feng nodded and said, “Okay, no problem!”

Regardless of whether you have a cleanliness addiction or not, when you get into the tub, I will take the opportunity to slip away.

Seeing Yue Feng agree, Yu Wenyan breathed a sigh of relief, raised his hand to signal to the female disciple next to him, and went to the room to prepare wooden buckets and hot water.

Immediately, Yu Wenyan got up and walked towards the room.

Yue Feng followed behind.

Yuwenji was concerned about Yuwenyan’s injury, and followed Yan Tingxue with her.

Soon the barrels and hot water were ready. Yue Feng asked people to get the herbs and put them into the hot water in the same proportion.

After doing this, a female disciple brought a piece of black cloth and blindfolded Yue Feng. In a short time, the eyes were completely dark, but Yue Feng did not panic at all, took a deep breath, and said to Yu Wenyan: “Your Highness, now you can go into the water, and after you are completely immersed in it, I will tell you how to exercise your energy and dredging your body

. With

that

said, Yue Feng said to Yuwen Ji who was at the door: “Pavilion Master, Elder Yan, this medicinal bath treatment recipe is a mystery in my family, so… you should go out.”

“Okay. Well, we’ll be at the door.” Yuwen Ji nodded, and took Yan Tingxue and the surrounding female disciples out of the room and closed the door.

A lot of family mysteries are not passed on, especially medicine, these Yuwen Ji know very well.

At this time, Yuwen Ji didn’t know yet that Yue Feng said this on purpose to spare them.

In an instant, Yue Feng and Yu Wenyan were left in the steaming room.

Whoa!

Seeing that Yue Feng was blindfolded and couldn't see himself at all, Yu Wenyan felt relieved, undressed, and slowly jumped into the tub.

"Your Highness, your heart has been damaged by the shock. After entering the tub, use the power of Dantian to flow into the vicinity of the heart…" Hearing the sound of water, Yue Feng spoke slowly with a serious face.

Um!

Yu Wenyan responded, and according to Yue Feng's method, he soaked in the bathtub and began to stimulate his inner strength to heal his heart…

After a while, Yu Wenyan entered the state, closed his eyes, and his expression was very peaceful.

For a while, the room was silent, almost a needle falling.

Ha ha!

Although Yue Feng couldn't see it, he could clearly feel that Yu Wenyan was already in a medicated bath.

If you don't leave now, when will you wait!

Thinking to himself, Yue Feng didn't hesitate, he tore off the black cloth from his face and walked towards the back window.

Um?

However, at this moment, when Yu Guang saw the situation in the wooden barrel, Yue Feng was shocked and completely stunned.

Just saw, in the rising mist, an incomparably graceful figure, soaked in it, the looming charming curve, suddenly made Yue Feng's eyes straight.

hiss!

Seeing that beautiful face again, Yue Feng couldn't help gasping for air, and was extremely shocked.

This….you don't see it, do you?

Is Yu Wenyan a woman?

Yue Feng could clearly see that Yu Wenyan, who had regained her daughter's body at this time, had exquisite and beautiful facial features, and she was almost impeccable.

I went, it turned out that she was disguised as a man.

beautiful!

So beautiful.

At this moment, Yue Feng's eyes did not blink, and his heart was full of admiration.

Just when Yue Feng was watching, he suddenly felt a killing intent in front of him.

"You! Look! Die!" I saw that Yu Wenyan opened his eyes at some point. At this moment, his beautiful face was flushed with steam, while a pair of eyes stared at Yue Feng coldly. , with a strong murderous aura.

Chapter 2109

Call!

Such a strong murderous aura.

Feeling Yu Wenyan's gaze, Yue Feng broke out in cold sweat, but soon calmed down.

She is not wearing clothes now, why is she panicking?

"You!" At this moment, Yu Wenyan bit his lip tightly, his eyes full of resentment: "You ruined the innocence of the deity, I, I will kill you!"

The moment the voice fell, Yu Wenyan's face was filled with endless anger.

His dignified phantom sect leader was actually seen by a man, which was even more uncomfortable than killing her.

"Respected Lord!"

Feeling Yu Wenyan's anger, Yue Feng said with a smile: "Don't get excited, it was Hei Bu Song who fell by himself. Don't blame me. Besides, I don't even know you are a woman!"

While speaking, Yue Feng looked up and down Yu Wenyan. I have to say, this Yu Wenyan is really a beauty, her figure and appearance are perfect.

In particular, the situation of bathing in the water in front of me really corresponds to the artistic conception of a poem: ‘Nature removes ornaments, and clear water produces hibiscus’.

“You…”

Yuwen was so arrogant that his lips were almost bleeding. I really wanted to rush out and kill him, but thinking that I was wearing nothing, I held back.

“That…”

Yue Feng stopped when he saw it, looked at it for a few seconds, looked away from Yu Wenyan, and said with a smile: “Your Highness, you continue to soak, I will avoid it first, avoid it…”

At this time If you don’t go, you won’t have a chance!

The voice fell, and Yue Feng urged his figure to jump out of the window. Yuwen Ji and Yan Tingxue were guarding outside the door, and they couldn’t get out at all, so they had to go through the window.

call!

Jumping outside the window, Yue Feng took a deep breath and rushed towards the gate.

“Someone!”

Seeing this scene, Yu Wenyan was shy and angry, with no cover on his body, so he couldn’t chase after him, so he could only give a coquettish shout, and shouted: “Get me this bastard and kill him… “

Whoa.

Hearing the movement, Yuwenji and Yan Tingxue outside didn’t have time to think, they pushed the door and rushed in.

Um?

At this moment, when they saw the scene in the room, everyone was stunned. They saw Yu Wenyan soaking in the bathtub, blushing with blush, and a strong murderous aura between his brows, but Mr. Feng disappeared.

“This bastard surnamed Feng peeked at me taking a shower, and now he jumped out of the window and ran.” Just when everyone was stunned, Yu Wenyan said coldly: “Quick, he can’t run far now, hurry up and chase.”

What?

Hearing this, Yuwenji and Yan Tingxue both trembled and were furious.

This Mr. Feng, is so bold, dare to peek at the Lord's bath?

"Quick, chase!" In the

next second, Yuwen Ji reacted without hesitation, and quickly instructed the disciple beside her. At the same time, Yuwen Ji quickly rushed out of the room.

At this moment, Yue Feng is here.

Yue Feng's speed was fast, and he quickly rushed to the gate of the main altar.

"Fengtao, stop."

At this moment, Yuwenji's tender voice came from behind.

Nima!

Yue Feng was shocked, and when he looked back, he saw Yuwenji and Yan Tingxue, with dozens of female disciples, chasing after them.

This Xiyan Pavilion reacted quickly, and came after him so quickly.

Thinking to himself, Yue Feng did not respond, but accelerated.

"Mr. Feng, don't run for now. What's going on, just make it clear to everyone, there's no need for this." Yan Tingxue frowned and shouted anxiously.

Although he had known Yue Feng for a short time, Yan Tingxue believed that Mr. Feng was not a lecherous person. After all, he had been harassed by the cold before and took the initiative to hug him. He was very disciplined to himself at that time.

Chapter 2110

Yuwen Ji has a pretty face and a frosty face. Seeing Yue Feng's head and running forward without looking back, she suddenly became a little angry. When she raised her hand, she saw a few cold beams that cut through the night sky and went directly to Yue Feng.

Swish swish…

Wherever Hanmang passed, there was a slight screeching sound in the air, lightning fast, and it reached Yue Feng's back in the blink of an eye.

What the hell!

Yue Feng was startled, what kind of hidden weapon is this? Actually so fierce.

Thinking to himself, Yue Feng hurriedly dodged. However, he still did not avoid it completely. He saw a cold light hitting the Feng Wu Point on Yue Feng's back. Suddenly, Yue Feng's body froze and he couldn't move.

Puff puff…

And the other few hollowed out cold beams were nailed to the ground in front of Yue Feng. Yue Feng saw through the moonlight that they were a few silver needles, but they were shorter than the silver needles used for acupuncture and moxibustion. Many, with a faint purple glow on them, and the shape of a feather carved into the tail of the needle.

hiss!

Seeing these silver needles, Yue Feng's heart trembled.

They even use silver needles as hidden weapons, and these silver needles look very special.

What made Yue Feng even more astonished was that the Feng Wuxue on his back was impaled by the silver needle, and his body could not move at all. You must know that Yue Feng's strength is close to the Tribulation Realm, even if he is hit by a hidden weapon, he can easily The silver needle bounced open, and Yue Feng tried to stimulate his internal force, but he couldn't force it out.

At this time, Yue Feng still didn't know that the hidden weapon Yuwen Ji used was her stunt 'Sky Feather Needle'.

The Tianyu Needle is made of special purple-gold fine iron. Once it is stabbed in the acupoint, the blood around the acupoint will be blocked, not to mention Yue Feng, even the powerhouse who crosses the tribulation realm is helpless.

Whoops!

Just when Yue Feng looked at Tianyu Needle and was in doubt, Yuwenji and Yan Tingxue chased after them.

"Fengtao!"

At this time, Yuwenji looked at Yue Feng coldly: "You are so bold, how dare you peek at the Lord's bath, and you are so respectful to you, I didn't expect you to be such a despicable and shameless villain. "

She and Yu Wenyan are sisters, and she is very angry when she sees Yu Wenyan's innocence damaged.

"Pavilion Master, you misunderstood." Yue Feng smiled bitterly and explained: "How can I have the courage to peek at the Lord's bath, the black cloth was accidentally dropped, I saw it by accident, and I also I don't know that the Honored Lord is a woman."

When he said this, Yue Feng's face was innocent and sincere.

To be honest, Yue Feng was too lazy to explain the situation at the time, but there was no way. Yuwen Ji's silver needle hidden weapon was so weird that she couldn't move at all.

call!

Hearing this, Yuwen Ji's eyes flickered and she said coldly, "Since you saw it by accident, why are you running?"

"Pavilion Master!" As

soon as he finished speaking, Yue Feng said bitterly, "I watched your lord bathing. If you have to kill me, I won't run, will I stand there waiting to die?"

After speaking, Yue Feng secretly paid attention to Yuwen Ji's reaction, and at the same time felt depressed.

Nima, you can leave Xiyan Pavilion just now. Who would have thought that Yuwen Ji used a silver needle to seal her acupuncture point.

Fortunately, they didn't know their real purpose was to leave Xiyan Pavilion.

Seeing that Yue Feng didn't seem to be lying, Yuwenji's eyes softened.

"Pavilion Lord!"

At this time, Yan Tingxue bit her lip and said softly: "It seems that this is really a misunderstanding, Mr. Feng didn't do it on purpose. If he was really a lecher, he wouldn't just watch the Lord take a bath.. ..and, he didn't know the identity of the Lord's daughter's family beforehand."

Hmm!

The ultimate husband in Chinese chapter 2111-2115

Chapter 2111

Yuwen Ji nodded and agreed, but did not pull out the silver needle on Yue Feng's back.

At this moment, Yu Wenyan came over wearing a nightgown, her long white legs exposed, not to mention how sexy. But at this time, her beautiful face was full of anger, but the looming curve still made Yue Feng's eyes go straight.

"Arrogant villain!"

Feeling Yue Feng's gaze, Yuwen's arrogant body trembled, and with a coquettish cry, he ordered: "Kill him immediately for this deity, and before killing him, goug out a pair of eyes."

This People, who peeked at themselves bathing before, were guilty of unforgivable sins, but now they are caught, and their eyes are unruly.

Just damn it.

What the hell!

Yue Feng was taken aback, quickly looked away, and said with a wry smile: "Your Highness, don't get excited, this is really a misunderstanding.

" If I touch you, won't I be slashed by a thousand swords?

At this time, Yuwen Ji came over and comforted Yuwenyan softly: "Mr. Feng said the situation just now, the black cloth was accidentally dropped, he didn't do it on purpose, forget it."

"Yeah . Yan Tingxue also hurriedly said: "Since it is a misunderstanding, the Honorable Master should not care about it. Besides, Mr. Feng will help you to heal the injury."

Yu Wenyan didn't speak, and stared at Yue Feng tightly, revealing Evil and evil.

quiet!

At this time, the entire audience was silent, almost needles could be heard, and the atmosphere was extremely depressing.

Gudong.

This chapter is provided by . Visit for daily update.

Yue Feng secretly swallowed his saliva, and a layer of cold sweat broke out on his forehead. Nima, this Yu Wenyan will not really kill himself. To be honest, the acupuncture point was sealed by the silver needle and unable to move, Yu Wenyan really wanted to do it, but he didn't even have the chance to resist.

"Crack!"

At this moment, Yu Wenyan slowly approached, and without warning, slapped Yue Feng's face.

This slap was very heavy, and for a moment, there was no sound around, and everyone was stunned.

"Fengtao, today's matter, this deity does not care about you, but if there is a next time, this deity will make you unable to survive or die!" Yu Wenyan said coldly.

In fact, in Yu Wenyan's heart, he also knew that what happened just now was a misunderstanding. The storm in front of him didn't mean to peek at him.

But no matter what, he was as innocent as jade, but he saw it lightly. To Yu Wenyan, it was like a great humiliation. Even if he didn't kill him, he couldn't forgive him lightly.

Having said that, Yu Wenyan raised his jade hand, tapped several acupoints on Yue Feng's body, and pulled out the silver needle at the same time.

In this way, Yue Feng is also restrained.

"From now on, send a few people to follow him." Yu Wenyan's delicate face was as cold as frost, without the slightest fluctuation, and coldly ordered: "He is not allowed to walk around in Xiyan Pavilion. Improper behavior, kill directly."

When he said this, Yu Wenyan glared at Yue Feng, his anger still lingering.

To be honest, Yu Wenyan really wanted to kill him immediately, but Yan Tingxue was right, this man is very skilled in medicine, and his injury still needs his help, so he can only dispel the idea of murder.

"Yes, Honorable Lord!" Several female disciples responded, and then took Yue Feng back to the room like a prisoner.

Nima!

At this moment, Yue Feng wanted to cry without tears.

This Yu Wenyan was too careful, he said that it was a misunderstanding, and it was enough to slap him, but he even sent a few disciples to keep an eye on him at all times. How can I leave after this?

To tell the truth, if there were a few beautiful female disciples who watched over him all the time, Yue Feng would definitely feel very happy, but at this time, he only wanted to leave Xiyan Pavilion, so how could he think about it.

Chapter 2112

….. On the

other side, Northern Ying Continent!

Inside the hall, Yang Jian was sitting on the throne in a dragon robe, listening to the ministers reporting the various situations in the mainland.

Since he conquered the Southern Cloud Continent and was defeated by Yue Feng, Yang Jian has not sent troops to conquer other continents, but ordered a large army to train diligently and be prepared at all times.

At the same time, Yang Jian also sent people constantly to inquire about the whereabouts of Yue Feng and Guiguzi. He was afraid of Guiguzi, if Guiguzi followed Yue Feng, he would not dare to touch Yue Feng.

“Your Majesty!”

At this moment, Gong Gong walked quickly into the hall, his delicate face was full of joy and excitement, and respectfully said: “Report to Your Majesty, I have checked it out, after we evacuated Nanyun Continent, the ghost Senior Gu and Yue Feng were separated.”

“Also, the minister specifically found out that Senior Guigu was indeed released by Yue Feng from Linglong Tower. It stands to reason that Guiguzi should recognize Yuefeng as the master, but Guigu The senior has a rebellious temperament, and would rather die than recognize Yue Feng as the master. At that time, it was Yue Feng who pleaded several times before Guigu senior agreed to help him defend against our Beiying army.”

Really?

Hearing this, Yang Jian’s eyes lit up, he couldn’t help standing up, and looked at Gonggong closely: “Are you sure the news you said is true?

” Seriously, he nodded his head and replied, “Senior Guigu has already traveled around the world, and I don’t know where he is, but the minister found out that Yue Feng is alone in the Yellow Sea Continent, and he doesn’t know what he is doing.”

Haha

… Laugh, feel very happy.

After a long time, Yue Feng had nothing to do with Guiguzi, but he made him jealous for so long.

“His Majesty!”

At this time, Gonggong showed a smile and complimented: “Since Yue Feng has nothing to do with Guigu senior, we don’t need to worry about it, and Yue Feng is not in the Earth Continent now, I think this is the reason we attacked the Earth Continent. Good opportunity.”

Saying that, Gonggong’s eyes flashed with confidence, and he continued: “Isn’t Your Majesty trying to capture Yue Feng alive? This Yue Feng has always been responsible for protecting the safety of the Earth Circle, as long as we capture the Earth Circle, Yue Feng The wind will definitely appear.”

“Okay, okay!”

Hearing this, Yang Jian smiled and nodded approvingly: “This proposal is good, pass my will, and immediately send troops to attack the Earth Continent.”

At this time, Yang Jian , with a smile on his face, his eyes flashing with urgency.

“Yes!” A

few minutes later, the hundreds of thousands of Beiying troops quickly assembled, and under the leadership of Yang Jian, they marched mighty towards the Diyuan Continent.

After several hours of marching, the army finally reached the southwestern border of the Earth Circle.

At this moment.

At the southwest boundary of the Earth Circle Continent, deep in the endless mountain, a woodcutter, carrying a basket and his young son, walked slowly on the mountain road.

The woodcutter has lived here for generations and made a living by going up the mountain to chop firewood and hunt. Today is the first time I took my child out and told him how to hunt.

“Roar!”

At this moment, a heart-shaking roar came from the woods ahead, and then, a colorful tiger jumped out.

hiss!

Seeing the tiger, the woodcutter trembled and was so frightened that his soul flew out of the sky.

“Father, tiger, I… I’m afraid!” The son was even more frightened and huddled tightly behind the woodcutter, trembling all over.

“Not afraid, not afraid…” The woodcutter continued to comfort him, but his face was also extremely pale, and he was so frightened that he was helpless. Although he was a hunter, he was not a tiger-fighting hero. How could he be a tiger’s opponent.

“Roar!”

At this moment, the colorful tiger roared again, staring at the father and son with blood-red eyes, the blood pot opened its mouth wide, and the huge body stirred up a stench, and rushed over directly.

Done.

Seeing the rushing tiger, the woodcutter hugged his son tightly, closed his eyes, and felt despair in his heart.

If I knew that I would encounter a beast today, I would not bring my son out.

Chapter 2113

“Nice animal, don’t hurt the innocent.”

However, at this critical moment, I heard a coquettish shout in the air not far away.

hiss!

When the woodcutter heard the sound and looked at it, his body was shocked, he gasped, and the whole person was stunned.

I saw a slender figure flying over, elegant and agile, and the white long skirt showed the graceful curves incisively and vividly, and the facial features were exquisite and beautiful, like a fairy descending to earth.

This woman is Zhou Qin.

When he was buried alive by Yue Wuya on Mount Emei at the beginning, Zhou Qin relied on the closed-breathing exercise to survive the catastrophe. At that time, when he thought of his own causes and consequences, Zhou Qin was enlightened and completely let go of the grievances and fame and fortune in his heart, left Mount Emei, and wandered around.

During this period of time, every time Zhou Qin went to a place, he would do a lot of good things, punish evil and promote good, and benefit the people, so as to eliminate his past sins.

I happened to pass by here today and saw a fierce tiger trying to hurt the woodcutter and his son. Zhou Qin didn't think much about it and came to stop it.

call!

At this moment, looking at Zhou Qin in mid-air, the woodcutter opened his mouth and killed him completely.

so beautiful.

Is this a fairy coming down to earth?

"Roar!"

At this moment, sensing Zhou Qin's threat, the tiger roared, jumped up, and rushed directly towards Zhou Qin.

"Death to the beast!"

Watching the tiger pounce, Zhou Qin did not panic at all, her delicate face was extremely calm, and with a coquettish snort, her figure fluttered in mid-air, avoiding the tiger's pounce, and at the same time she stretched out her jade hand. , slapped a palm on the tiger's head.

boom!

A dull sound came out, the tiger's skull shattered, and it died immediately, and its huge body fell heavily into the woods.

Immediately, Zhou Qin's figure also fell gracefully.

This…

Seeing this scene, the woodcutter and his son were extremely shocked.

“Thank you Fairy for helping me.” After a few seconds, the woodcutter responded and kowtowed to Zhou Qin to thank him.

Killing a tiger so easily, what is not a fairy?

Zhou Qin smiled lightly and waved his hand: “You don’t need to be polite, eldest brother, I’m not a fairy, I’m just a passerby.”

After speaking, Zhou Qin looked around and continued: “The environment in this area is complicated, and I will go hunting in the mountains in the future. , be careful.”

“Yes, thank you fairy for reminding me.” The woodcutter nodded again and again, then dragged his son down the mountain.

call!

Watching the father and son walk away, Zhou Qin let out a light sigh of relief, feeling very relaxed.

I saved two more people today. Has my sins been alleviated a lot?

Da Da Da…

At this moment, I only heard the sound of horse hooves on the road below.

Zhou Qin hurriedly looked at it, and suddenly her delicate body trembled.

I saw not far from the road, an army of hundreds of thousands, lined up neatly, galloping, these hundreds of thousands of soldiers, wearing uniform black armor, not only that, there are thousands of big birds in the sky. , Above each big bird, there is a soldier standing, and from a long distance, you can feel a suffocating chill.

In front of the army, in midair, suspended a tall figure, wearing a golden armor, majestic, and beside him, followed by a big black dog.

It is Yang Jian, the true prince of Erlang, and the roaring dog.

Chapter 2114

This….

Seeing this scene, Zhou Qin’s face was instantly pale, and her delicate body kept shaking.

Yang Jian led the Northern Ying army to attack the Diyuan Continent?

Zhou Qin was once trapped in the Beiying Palace, and naturally knew Yang Jian.

call!

A few seconds later, Zhou Qin reacted and hurried down the mountain.

At this time, Zhou Qin had already thought about it. The Northern Ying army invaded the Earth Continent. The situation was urgent, and the various schools must be notified as soon as possible.

Speaking of which, Zhou Qin was very embarrassed to go to see the various sects after forcing the masters of various sects to take the Heitian Pill, but for the safety of the Earth Circle Continent, it doesn't matter.

….

at this moment.

Zhongzhou, Ouyang family.

On the rivers and lakes, there was a rare period of calm days, and the Ouyang family also returned to its former tranquility.

Today, however, the Ouyang family is unexpectedly lively. All the sects of the rivers and lakes gathered here to jointly elect Yue Feng as the leader of the martial arts alliance.

Speaking of which, before the various sects recognized Zhou Qin as the leader of the alliance, they were not willing. After all, they all took Hei Tian Pill and their lives were in Zhou Qin's hands, so disobedience would not work.

And now, Zhou Qin was buried alive by Yue Wuya, and he died a long time ago.

More importantly, some time ago, Yang Jian led the Northern Ying army to conquer all over the place, which caused panic among the people of all continents. Now that there are no leaders in the round continent, it is necessary to elect an alliance leader to lead.

And Yue Feng was in the Southern Cloud Continent before, repelling the Northern Ying army, famous in Kyushu, is the right person for the leader of the alliance.

At this time, in the hall.

Jiang Shan, Meihui, Ren Yingying, Qin Rongyin, Sun Dasheng and Wen Chou Chou all sat there with smiles and relaxed expressions.

Yue Feng was elected as the leader of the alliance, who is not happy for him?

In the guest seats below, the heads of various sects have all arrived, and there are many familiar faces, Wudang Lingbao real person, Shaolin master Kongwu, the beggar gang, the iron palm sect, and the giant whale will all come.

“Everyone!”

At this time, Jiang Shan smiled slightly, looked around the audience, and said softly: “Thank you for being so optimistic about Feng’er, but Feng’er is not in the Ouyang family now and is out to do errands, so the matter of the alliance leader is still in the future. Wait for him to talk about it.”

Jiang Shan was in Xicang Continent before, and when Yue Feng led the army back to Diyuan Continent, he came back with him.

What?

Yue Feng is not here?

Hearing this, the masters of various sects were stunned for a moment, each with a very embarrassed expression.

The leader of the alliance can’t be settled. If Yang Jian leads the Northern Ying army to fight, then the land circle continent will be headless and scattered, it will be troublesome.

“Everyone, don’t panic!”

At this moment, Wen Chou Chou stood up and said with a smile, “Fengzi is in the Southern Cloud Continent, and he has smashed the Northern Ying army and is famous all over the world. Then Yang Jian has suffered from him, and he does not dare to attack us rashly. From the round continent.”

Wen Chou Chou was very thoughtful, and at a glance he could see what everyone was worried about.

Hearing this, everyone cheered up one by one, with smiles on their faces.

“That’s right, the Palace Master Wen is right. Even if Sect Master Yue is not the leader of the alliance, the Northern Ying Continent would not dare to attack it easily.”

“I have also heard about the war in the Southern Cloud Continent. .”

“Haha, with the patron saint of Sect Master Yue, why should we panic?”

Everyone’s comments came from you and me, and Wen Chou Chou laughed without saying a word.

Sun Dasheng and Ren Yingying, who were beside him, also chuckled secretly.

These people are really interesting. When they were working for Zhou Qin, they belittled Yue Feng in various ways. Now that Zhou Qin is dead, they have turned their heads to please Yue Feng.

Squeak!

Chapter 2115

Just when everyone was saying good things about Yue Feng, at this moment, the door of the hall was suddenly pushed open. Then, a graceful and slim figure walked in slowly.

It was Zhou Qin.

Half an hour ago, Zhou Qin visited various sects and learned that the Ouyang family had come. Zhou Qin did not dare to delay and rushed over directly.

At this time, Zhou Qin was full of dust and dust, and his delicate face was tired, and his eyes flashed with anxiety.

What?

Seeing Zhou Qin, everyone present was stunned.

This….this is Zhou Qin?

Wasn't she buried alive in Mount Emei by the prince of Tianqi Continent? How….not dead?

Buried a few meters underground, and still able to save her life, how did she do it?

For a time, many people's brains were buzzing, looking at Zhou Qin one by one, unbelievable.

boom!

Finally, Tang Qingyun was the first to react, and stood up, pointing at Zhou Qin and shouting angrily, "Zhou Qin, you are such a vicious woman with a vicious heart, how dare you show up?

" , Now that Yue Feng has been elected as the leader of the alliance, he is the biggest supporter, and Zhou Qin, even if he does not die, he has no strength, and he does not need to please.

“Wow!” The

voice fell, and everyone from other sects followed suit and accused Zhou Qin!

“Zhou Qin, what you’ve done in the past is not worth dying for a hundred times. If you don’t die this time, you should find a place, but for the rest of your life, don’t come to participate in the arena.”

“Yes, it’s not you here . Wherever you came, hurry up.”

“According to me, she came to beg Sect Master Yue to take her in, hehe, she’s really a bitch…”

The more and more everyone scolded it, the more unpleasant it sounded, but Zhou Qin pretended not to hear it.

The next second, Zhou Qin looked at Jiang Shan and said anxiously, “Mrs. Jiang, where is Yue Feng? I’m looking for him in a hurry!”

Yue Feng is a hero of the Earth Circle, with strong appeal and proficient in the art of war, only he can Block the invasion of the Northern Ying army.

“He…”

Jiang Shan’s expression was calm, without the slightest fluctuation, she said lightly, “He’s not here.”

Seeing Zhou Qin’s resurrection, Jiang Shan was also surprised, but thinking of what she had done in the past, Jiang Shan was too lazy Say more.

not there?

Hearing this, Zhou Qin’s body trembled, her face was pale, and she was so anxious.

It’s broken, the Beiying army has already crossed the border at this moment, and Yue Feng is not there, now it’s troublesome.

Thinking about it, Zhou Qin asked, “Where did he go? Can I contact him now?”

Jiang Shan hesitated, thinking about whether to answer, but was interrupted by Sun Dasheng.

“Zhou Qin!”

Sun Dasheng looked closely at Zhou Qin with hostility in his eyes, and said coldly, “What are you doing with Fengzi? You didn’t hurt him bad enough before? Do you want

to hurt him? Let me tell you, Fengzi is here now. Where, we don't know, and even if we do, we won't tell you." When the

voice fell, Mei Hui, Xiao Yuruo and the others all nodded in agreement.

Zhou Qin is a woman with a vicious heart and has to be guarded.

However, none of them knew that Zhou Qin had already changed his mind.

call!

Hearing this, Zhou Qin smiled bitterly and did not refute.

Yes, the former self is indeed hateful.

Soon, Zhou Qin adjusted his mood, looked around, and said to the various sects present: "The situation is urgent, I won't say more. All the sects, hurry up and mobilize people to go to the Huashan area to defend against the Beiying army."

Said, Zhou Qin's face showed a bit of solemnity, and continued: "Five hours ago, I saw with my own eyes that Yang Jian led the army and crossed the border in the southwest. It is estimated that it is about to reach the Huashan area."

The ultimate husband in Chinese chapter 2116-2120

Chapter 2116

What? ! Yang Jian attacked? !

A stone stirred up a thousand waves.

Everyone present was shocked and stunned.

In the next second, Tang Qingyun couldn't help sneering and mocking Zhou Qin: "Zhou Qin, what tricks do you want to play? Yang Jian's Beiying army was defeated by Sect Master Yue in Nanyun Continent not long ago. Dare to attack the Earth Circle?" The

voice fell, and many people reacted and agreed.

"Yes, this woman must be up to something else."

"Zhou Qin, do you want to deceive us again and use despicable means to deal with us? Haha, your tricks are no longer effective, save it!"

"Yes, this woman is full of nonsense, and everyone should not believe it."

In the hearts of everyone, they didn't believe that Yang Jian was attacking.

Zhou Qin was in a hurry, and said to Tang Qingyun, "Everything I said is true, the Northern Ying army is indeed coming. If we don't deploy defenses in time, the Earth Continent will be over!"

Haha!

Tang Qingyun sneered and mocked: "Zhou Qin, put away your fake appearance, we really want to listen to you, and the Earth Circle is really over."

When he said this, Tang Qingyun seemed righteous on the surface. The words, but the pleasure of revenge flashed in his eyes.

Zhou Qin, Zhou Qin, once I was by your side, I was not as good as a dog. Today, I must seek some dignity back from you.

boom!

This chapter is provided by . Visit for daily update.

When the words fell, the audience burst into laughter, looking at Zhou Qin's eyes, full of ridicule and contempt, thinking that he had seen through Zhou Qin's trick.

The roar of laughter sounded, Zhou Qin stomped his feet in a hurry, and couldn't bear it any longer, looked at Tang Qingyun and said coldly: "Tang Qingyun, I admit, I used to be sorry for all your sects, but today I use My personality guarantees, what I said is true, Yang Jian attacked! If you continue to mess around, don't blame me for being rude!"

When he said this, Zhou Qin's delicate face was covered with frost.

This Tang Qingyun is really a villain. When he was the leader of the alliance, he was flattering and flattering. Now that he sees that he has nothing, he quickly opens up the relationship, and then belittles and mocks.

"You…"

Feeling the coldness on Zhou Qin's body, Tang Qingyun trembled in his heart and took a step back subconsciously. She had been shrouded in Zhou Qin's power for so long, Tang Qingyun was almost afraid to the bottom of her body, and now she was angry when she saw her. , suddenly a little flustered.

However, seeing the people around him, Tang Qingyun regained his confidence, pointed at Zhou Qin and shouted: "Zhou Qin, don't put on airs in front of me, even if you are strong, I, Tang Family Fortress, will not give you any courage. This vicious woman gives in."

After speaking, Yang Qingyun shouted at the crowd: "Everyone, Zhou Qin is full of evil this week, everyone present has been tortured and oppressed by her, do you still have to tolerate her in us? Do you show off your power in front of you?"

Wow!

When the words fell, everyone remembered the forcible coercion that Zhou Qin had once coerced and coerced, and one by one, filled with righteous indignation, pointed at Zhou Qin and yelled angrily.

"Tangbao Lord is right, Zhou Qin has done a lot of evil, we can't stand it anymore!"

"Yes, Zhou Qin is so arrogant this time, it's really hateful to not take our schools in the eyes!"

"Zhou Qin, don't get out, don't Blame us for being rude!"

Everyone shouted in anger and I couldn't hide their hostility and hatred for Zhou Qin.

At the beginning, Zhou Qin relied on Hei Tian Dan to force all the sects to respect her as the leader of the martial arts alliance.

Zhou Qin ignored the scolding of these people. Originally, considering the safety of the Earth Circle, she wanted to invite all sects to defend against the invading Beiying army as soon as possible. But I never expected that the various sects did not believe their own words at all, not only that, but also insulted themselves one by one.

At this moment, Zhou Qin was completely impatient, his eyes fixed on Tang Qingyun, and his delicate body trembled: “Tang Qingyun, I ask you, do you agree to take your disciples to Huashan to fight the enemy?

” Qin was extremely emotional, especially when she saw Tang Qingyun’s small face, her pretty face was pale, and her delicate body trembled faintly.

“Resist the enemy?”

With the support of various sects around, Tang Qingyun completely lost his fear and sneered at Zhou Qin: “Zhou Qin, are you interesting? Everyone has seen through your tricks, you still continue to act? I tell you , Nian Zai, you have done some things for the Earth Continent, I won’t embarrass you today, but if you mess around, don’t blame me for being rude!” The

words were righteous, but Tang Qingyun’s eyes were treacherous. .

Chapter 2117

Haha…

Zhou Qin, Zhou Qin, can you have today too?

Hearing this, Zhou Qin almost exploded with anger, and glared at Tang Qingyun: “You said that I am messing around?” The

Beiying army has already attacked, and they don’t have any sense of precaution, but they are still mocking themselves here.

What a fool.

At this time, the surrounding sects lost their patience and shouted at Zhou Qin.

“Master Tangbao is right. If you don’t leave, Zhou Qin, we will really do it!”

“That is, for the sake of all martial arts fellows, we will not embarrass you, but you also don’t have to make an inch!”

“Yes . Ah, you should be grateful for letting you go today, don’t be ignorant of praise!”

The mockery sounded, Zhou Qin couldn't bear it any longer when he heard their words, and shouted tenderly: "Okay, okay, you people, Self-proclaimed honorable and upright, chivalrous first, but one by one does not distinguish right from wrong, I am no longer the head of the Emei faction, let alone the leader of the martial arts alliance, and I don't care about these fame and fortune, why should I lie to you? On the contrary, you people, arrest Holding on to my faults, being narrow-minded, but still standing on a righteous standpoint, it's ridiculous!"

After speaking, Zhou Qin took a deep breath and said firmly: "I won't say more nonsense, no matter what today, you all have to follow me. If I go to Huashan, if it is one step later and the Earth Circle Continent falls, none of you here can escape the responsibility."

Wow!

One stone creates a thousand waves!

Many people's expressions changed, and they stood up one after another, pointing at Zhou Qin and cursing.

"What did you say?"

"What kind of thing are you qualified to talk to us like this?"

"I don't know how to lift up, I'm extremely arrogant."

At this time, Tang Qingyun jumped out first, pulled out his long sword, and shouted: "Everyone, such a vicious and arrogant woman, what are you talking about with her, let's go together, Catch her!" The

voice fell, and Tang Qingyun's long sword was almost reaching Zhou Qin's chest!

At the same time, more than twenty masters from various sects rushed over! For a while, Zhou Qin was surrounded by a group!

Only the members of the Ouyang family sat there and looked at each other.

"Mom!"

At this moment, Meihui frowned and couldn't help but whispered to Jiang Shan: "This is about to start, should we take action?"

When she said this, Meihui couldn't help but look at Zhou Qin At a glance, there is disgust. Zhou Qin had framed Yue Feng several times, and Mei Hui had no good impression of her.

call!

Jiang Shan breathed a sigh of relief, shook her head and said, “Let’s see the situation first!”

Jiang Shan thought carefully, although she couldn’t tell whether what Zhou Qin said was true or not, but she knew that Zhou Qin was not a stupid woman and would not be stupid alone Send it to the door and give the doors a chance to besiege.

Hearing this, Mihui hummed and stopped speaking.

Ren Yingying, Wen Chou Chou and others next to them also sat there quietly and watched, not intending to take action.

idiot!

Bunch of idiots.

Watching the siege of various sects, Zhou Qin’s pretty face was frosty, and the anger in her heart was completely aroused. She raised her jade hand and clenched her long sword.

clang! clang! clang!

For a time, Zhou Qin’s figure was light and agile, and he kept waving his long sword to resist, but after a few minutes, he was forced to step back.

Speaking of which, with Zhou Qin’s strength, it would not be a problem to block the siege of these people. At first, Zhou Qin also wanted to teach these stubborn people a lesson, but in the end, Zhou Qin held back!

After all, these people in front of them are the main force of the Earth Circle Continent, and the Northern Ying army still needs them to resist. If anyone is injured, the combat effectiveness of the Earth Circle Continent will be weakened.

Chapter 2118

Huh?

Seeing this scene, Jiang Shan and Wen Chou Chou secretly frowned.

Zhou Qin’s strength is not so weak, how could he be beaten so embarrassingly?

Didn’t she do her best?

But that’s not right. With Zhou Qin’s personality, how could he be merciful to people like Tang Qingyun?

“What’s the matter?” Sun Dasheng frowned, looking very puzzled.

As soon as he finished speaking, Wen Chou Chou next to him took a deep breath and said slowly: “It’s really weird. Zhou Qin is strong and if she goes all out, she will never be so passive. She seems to be doing it on purpose.

” Ren Yingying frowned lightly and said, “Yes, Zhou Qin has a tough and stubborn personality, and has been humiliated by various schools, she will never swallow this breath, but whether she burst out with all her strength should be guarding us, after all, the Ouyang family No one shot.”

After speaking, Ren Yingying said to Jiang Shan, “Zhou Qin’s palace is very deep, no matter what her purpose is, let’s not take it lightly.”

Well!

Hearing this, Jiang Shan nodded heavily, but did not speak, but closely watched the situation of the battle.

boom!

At this time, Zhou Qinmian’s siege was already in a hurry. Suddenly, Tang Qingyun found an opportunity to knock down the long sword in Zhou Qin’s hand from behind.

Immediately afterwards, a master from Wudang took the opportunity to go up and hit Zhou Qin’s acupuncture point.

In an instant, Zhou Qin’s body trembled, her face was pale, and she couldn’t move.

“Ha ha…”

At this moment, Tang Qingyun was full of pride, walked over quickly, and mocked at Zhou Qin: “Zhou Qin, do you have today too?”

I didn’t want you to leave before, and I was happy only if I was caught.

Zhou Qin looked indifferent and did not respond.

In her heart, there is no need for a villain like Tang Qingyun to argue with him.

Snapped!

Feeling Zhou Qin's indifference, Tang Qingyun felt as if he had been humiliated. He was angry and slapped Zhou Qin's face without warning.

The slap was so heavy that Zhou Qin's body trembled and she almost fell to the ground.

"Zhou Qin, you have given you a chance just now, but you don't know how to lift it up. No wonder we are." Tang Qingyun said coldly.

Immediately, Tang Qingyun turned his head to look at Jiang Shan, squeezed out a smile, and said to please: "Mrs Jiang, what should Zhou Qin do this time?"

Yue Feng has been respected by everyone as the leader of the martial arts alliance, and Jiang Shan is Yue Feng's adoptive mother. Of course there is some respect.

Swish!

At this moment, the eyes of the masters of various sects also converged on Jiang Shan.

Although the Ouyang family did not participate in the battle just now, this is the Ouyang family's territory after all, not to mention, Yue Feng was elected as the leader of the martial arts alliance. Therefore, how to deal with Zhou Qin is naturally decided by the Ouyang family.

Under the gazes of everyone, Jiang Shan slowly stood up, gave Zhou Qin a deep look, and said lightly, "Lock her up temporarily." The

voice was not loud, but there was an unquestionable aura.

Ouyang Zhennan is dead, Yue Feng is not there, Jiang Shan is the master of the Ouyang family, every word and deed represent the Ouyang family.

As soon as the words fell, two disciples of the Ouyang family came over and left the hall with Zhou Qin.

call!

Seeing Zhou Qin being taken away, Jiang Shan's delicate face did not fluctuate at all, but her eyes flashed with complexity.

Zhou Qin's reaction just now was so abnormal that she didn't fight hard. Could it be true that what she said was a call from the Northern Ying army?

Thinking to herself, Jiang Shan did not hesitate, and ordered the disciple around her: "Send someone out to investigate immediately. If there is any news of the invasion of the Beiying army, report it immediately."

“Yes, ma’am!” The disciple responded, quickly Step out of the hall.

“Mrs. Jiang!”

At this moment, Tang Qingyun came out and said puzzled: “You don’t really believe what Zhou Qin said, this woman has many tricks and is the most deceptive!” The

voice fell, and many people around All followed suit.

“Yeah, you don’t need to pay attention to what this woman said.”

“It’s the right thing to call Sect Master Yue back as soon as possible and take over as the leader.”

Hearing these words, Jiang Shan smiled lightly and said, “Thank you, everyone. As a reminder, I know what to do.”

After speaking, Jiang Shan turned her head and continued: “Everyone come to the door together and jointly elect Feng’er as the leader of the alliance, which will not only make our Ouyang family prosperous, but also make Feng’er splendid. It’s an honor, I’ll ask someone to prepare the banquet later, everyone, be sure to show respect, and when Feng’er comes back, I’ll ask him to convene everyone and talk about the alliance leader.” The

voice fell, and everyone in Tang Qingyun smiled.

“Madame is really polite.”

“Yes, why bother to bother.”

Facing everyone’s compliments, Jiang Shan smiled without saying a word, and then ordered someone to prepare a banquet.

After a while, the banquet was ready, and under Jiang Shan’s greeting, experts from various sects took their seats and began to exchange cups. The atmosphere was extremely lively.

A few hours later, the banquet was over, and the masters of various sects were arranged by Jiang Shan to rest in the Ouyang family.

It was late at night, and the entire Ouyang family was quiet.

Boom!

Chapter 2119

Suddenly, the front door was forcibly slammed open, and then, a family disciple, sweating profusely, ran in in a panic, shouting: “No, the Beiying army is calling, already It has captured Huashan and is now approaching Yunzhou City.”

What?

Hearing the shouts, people from the Ouyang family and masters of various sects woke up from their dreams one by one, and their faces changed drastically.

This… Zhou Qin didn’t lie.

Is the Northern Ying Continent really calling?

At the same time, the hearts of everyone are also full of mixed flavors.

It has been five or six hours since Zhou Qin was arrested. If everyone believed her at that time and rushed to Huashan in time, they might be able to block the Beiying army in time…

“Quick!”

Jiang Shan was shocked. , walked out of the room quickly, and shouted tenderly: “Fellow fellows from all corners of the country, hurry up and gather your disciples to support Yunzhou City.”

Bang bang bang… After

the voice fell, all the sects lit emergency fireworks one after another. The fireworks were dazzling, and the fireworks lit the night sky, but no one appreciated it. Everyone’s face flashed with anxiety and solemnity.

Ten minutes later, the disciples of various sects gathered in the Ouyang family, hundreds of thousands, and then quickly set off towards Yunzhou City.

…

the other side!

The Yellow Sea Continent, Xiyan Pavilion.

After the woman’s identity was discovered, Yu Wenyan no longer pretended to be a man, but wore a long skirt, and still asked Yue Feng to help her recover from her injuries.

Of course, because of the previous misunderstanding, Yu Wenyan no longer used the medicated bath, but asked Yue Feng to change it.

However, even if he continued to let Yue Feng be his doctor, Yu Wenyan did not change his attitude towards Yue Feng.

In Yu Wenyan's heart, Yue Feng looked at his own body. He was extremely abhorrent. It was a great grace to not kill him. How could he have a good face towards him?

In this case, Yue Feng was very depressed.

Before I knew it, two days passed.

At this moment, Yue Feng was sitting on a chair in the room, looking at the few female disciples who were guarding outside through the window, sighed, and wanted to cry without tears.

Nima!

It's just a matter of being called by Yu Wenyan, and there are people watching him all the time. When can we leave Xiyan Pavilion?

To be honest, in the past two days, Yue Feng had thought about a lot of ways to leave, but he finally gave up.

In Yue Feng's heart, as long as he can leave Xiyan Pavilion, it doesn't matter if he fights, but when he thinks of Yuwenji's Tianyu needle, he loses his confidence.

After all, the pavilion master's Heavenly Feather Needle is as thin as a hair, and when it is displayed, it is silent, which is really hard to guard against.

Swish…

Just at this moment, footsteps suddenly sounded outside the door, very soft.

Immediately afterwards, I heard the voice of the pavilion owner Yu Wenji, and it sounded from outside: "You all go down, I have something to do with Mr. Feng."

"Yes, pavilion owner!" Several disciples who were watching Yue Feng outside the door, With a sound, he backed away.

At this moment, Yuwen Ji knocked on the door softly, "Mr. Feng, have you rested yet?" The

voice was very soft and enticing.

"Not yet, what advice do you have from the pavilion master?" Yue Feng responded with a murmur in his heart.

In the middle of the night, what is the pavilion owner doing for him?

“Well…” Outside the

door, Yuwen Ji pondered, her voice a little shy: “I have something to do, I want to ask Mr. Feng for advice.”

Ask? What can I ask you for tonight?

call!

Muttering in his heart, Yue Feng walked over and opened the door. The moment the door opened, he was stunned.

I saw that Yuwen Ji was wearing a long black silk dress with white legs underneath, not to mention how sexy.

Gudong!

Yue Feng swallowed a mouthful of saliva and couldn’t help but take a second look.

I have to say that the pavilion master in front of me, and the venerable master Yu Wenyan, are the two most beautiful and sexy women in Xiyan Pavilion, especially this Yuwenji, who has a charming appearance, gentle and intellectual temperament, and any man will be unable to extricate himself when he sees it.

“That… I’ll light the lamp first…” Yue Feng smiled slightly, and was about to light the candle.

“Don’t!”

At this moment, Yuwenji bit her lip tightly and shook her head at Yue Feng, her charming face showing a bit of complexity: “Don’t light the lights, it’s fine.”

What?

No lights?

Why is this pavilion so mysterious? What are you going to do?

Muttering in his heart, Yue Feng looked at Yuwen Ji in surprise. Through the moonlight, he saw that her delicate face was very unnatural, completely different from the usual aloof posture.

The next second, Yue Feng asked with a smile, “Pavilion Master, what’s the matter?”

Chapter 2120

“I…” Yuwenji lowered her head, her voice was very soft: “Mr. Feng, I came to you in the middle of the night because I took Yang Shendan today and felt very uncomfortable, so I wanted to ask Mr. Feng.”

Not feeling well?

Hearing this, Yue Feng was stunned, then reacted and said in surprise: “No, Yang Shendan is the nemesis of cold poison in the main body of the pavilion. After taking it, it will only relieve the pain of body cold, how can it be uncomfortable? What?”

“Really!” Yuwen Ji became anxious, bit her lip tightly, glanced at Yue Feng, then lowered her head and said softly, “I…I have my period today, and I feel like taking it. After the Yangshen Pill, the cold poison in the body did not ease, but became more serious. Mr. Feng, will that affect the effect of the Yangshen Pill?”

This time the voice was softer, almost like a weak mosquito, if you didn’t listen carefully , can’t hear it at all.

Yes, Yuwen Ji had her menstrual period today and was taking Yangshen Pill. She felt very uncomfortable, but this kind of thing was inconvenient to ask Yue Feng in public, so she had to come alone at night.

Although Yuwenji is the pavilion master of Xiyan Pavilion, she is a woman after all. She is still very embarrassed to talk about women’s private affairs when facing Yue Feng alone at this time.

Although the voice was very soft, Yue Feng was close at hand and could hear it clearly.

Haha…

At this moment, Yue Feng suddenly nodded, but he was overjoyed.

It took me a long time to do it, because of this.

This pavilion master is really interesting, the dignified Xiyan pavilion master, but because of this trivial matter, so shy.

Thinking to himself, Yue Feng chuckled and nodded, “So that’s the case, the pavilion master guessed it right, the menstrual event will cause physical disorders, which will indeed affect the efficacy of Yangshen Pill. You are normal, so don’t panic. .”

Phew!

Hearing this, Yuwenji nodded silently and breathed a sigh of relief.

Immediately, Yuwenji bit her lip tightly and asked Yue Feng, “Then… does Mr. Feng have any solution?”

Yuwenji’s eyes showed some anticipation when she said these knowledge.

Although it was a normal situation, she didn’t need to worry about it, but the taste was too uncomfortable. She believed that Yue Feng’s medical skills were brilliant and there must be a solution.

This…

Yue Feng scratched his head and said in a complicated tone: “Yes, yes, but… but it’s a bit difficult to handle.”

Yuwen Ji looked happy, and quickly said: “Since there is a way, Mr. Feng can just say, I am in Xiyan Pavilion, there are countless exotic flowers and plants, no matter how rare the spirit plants are, this seat can also get them.”

At this time, Yuwen Ji thought that Yue Feng’s method would require some rare spirit medicines.

Yue Feng smiled and shook his head: “Pavilion Master, it’s not about the medicinal materials, my method involves suspicion between men and women. That is to say, the pavilion master needs to take off his skirt, and I have to put my hand on your moon spring. On the acupoints, mobilize your inner strength to help you adjust.”

Shuh!

Hearing this, Yuwenji’s delicate face turned red all of a sudden, biting her lip, almost bleeding.

This… this method is really embarrassing.

You know, Yuequan Point is just below the lower abdomen, doesn’t this make him take advantage?

For a time, Yuwen Ji was very confused.

“Pavilion Master!”

At this time, Yue Feng smiled and said: “Pavilion Master Bingqing Yujie, I really don’t mean to offend, but there is no other way, if you don’t want to, go back and have a good rest, I believe that the Pavilion Master is a hero among women, That little pain can endure.”

To be honest, although this method can take advantage of the pavilion master, Yue Feng has no such intention at all.

At this time, Yue Feng just wanted to think of a way to get out of here as soon as possible.

“I…”

Yuwen Ji frowned, hesitated, bit her lip and said, “Mr. Feng, just follow this method.” The voice was so small that it was impossible to hear it if you didn’t listen carefully.

To be honest, Yuwenji was very resistant to letting herself take off her long skirt and asking the man in front of her to put her hand on her Yuequan acupoint, and millions of people were reluctant.

But let her endure the unspeakable pain, really can’t do it.

The ultimate husband in Chinese chapter 2121-2130

Chapter 2121

“Okay!” Yue Feng nodded, his expression serious, but his heart was secretly funny.

In the next second, Yue Feng continued: “Then let’s start.”

Hmm!

Yuwen Ji responded, and then, under Yue Fengshi’s gaze, turned around and slowly took off her long skirt.

Yue Feng swallowed a mouthful of saliva, and after a few seconds, Yue Feng walked over and began to adjust for Yuwen Ji.

At the beginning, Yuwenji was very nervous, especially when she sensed the temperature from Yue Feng’s hand, she bit her lip, her delicate body trembled, and gradually, as the pain in her body gradually disappeared, Yuwenji smiled.

Soon, half an hour passed.

“Okay!” Yue Feng withdrew his hand and looked at her with a smile: “The disorder in the main body of the pavilion is almost resolved by me.”

Phew!

Yuwenji breathed a sigh of relief, unable to hide her gratitude, and said softly, “Thank you, Mr. Feng, Mr. Feng is a wonderful doctor, and it really feels much better.”

Bang Bang Bang!

However, at this moment, there was a knock on the door outside.

This time, Yue Feng and Yuwen Ji were both stunned.

Nima!

Yue Feng frowned secretly and couldn’t help muttering.

This chapter is provided by . Visit for daily update.

Who is looking for him in the middle of the night? Could it be Yan Tingxue who came to ask him for advice on alchemy?

Thinking to himself, Yue Feng’s tone was calm: “Who?”

“Open the door.”

As soon as he finished speaking, a cold voice sounded outside the door, showing indifference and orders, it was Yu Wenyan.

In the past two days, Yue Feng has been careful everywhere and did not provoke Yu Wenyan, but in Yu Wenyan’s heart, he felt that there was something wrong with Yue Feng. After all, this man is so skilled in medicine, yet he has no name in the arena, which is too suspicious!

Therefore, Yu Wenyan secretly sent someone to investigate the medical family that Yue Feng said.

As a result, the following people searched for two days, and returned the news that the existence of this medical family was not found.

Hearing this news, Yu Wenyan was even more suspicious of Yue Feng’s identity, so he came over at night, intending to interrogate Yue Feng.

What?

Hearing Yu Wenyan’s voice, both Yue Feng and the pavilion owner’s expressions changed.

Especially the pavilion owner, his face is full of anxiety and panic.

It’s broken, his clothes are disheveled, and Mr. Hefeng is alone in a room, late at night. If Yu Wenyan finds out, he must have misunderstood.

Yue Feng naturally understood the mood of the pavilion master at this time, and said to the door: “It turns out that it is the lord, I have already rested. If the lord has something to do, come back tomorrow.”

“Fengtao!”

At this time, the person outside the door Yu Wenyan’s beautiful face was full of impatience: “If you fall asleep, get dressed and open the door for this deity. The deity has something to ask you.” The

voice was not loud, but it was full of strength, no doubt.

shit.

Hearing this tone, Yue Feng was very upset.

This Yu Wenyan really treats me as a servant? You tell me to get up and open the door, and I have to do it?

Thinking to himself, Yue Feng said lightly: “Honorable Lord, I really fell asleep, and my clothes are dirty, so I can’t wear them anymore, it’s really inconvenient.”

Chapter 2122

“Stop talking nonsense, if you don’t open the door again, I will just break in.” Yu Wenyan was too lazy to talk nonsense, and said coldly.

The more Yue Feng did not open the door, the more suspicious Yu Wenyan became of him.

call! Seeing this scene, Yue Feng couldn’t help laughing and crying. He turned his

head towards the pavilion master and said, “Pavilion lord, what should I do?

“

The charming face showed complexity and tension: “Don’t let her know that I’m here, it’s late at night, she will misunderstand.” The

voice fell, Yuwenji turned around and climbed into the bed, pulling up the quilt to cover herself.

This…

Seeing this scene, Yue Feng was dumbfounded. This pavilion owner also loves face too much, in order to avoid being misunderstood by Yu Wenyan, he actually got into his own bed…

Boom!

Just when Yue Feng was sighing inwardly, the door of the room was kicked open. Then, Yu Wenyan’s pretty face was cold and he walked in directly.

“Fengtao!”

The moment he came in, Yu Wenyan looked up and down at Yue Feng, suppressed his anger, and said coldly, “Didn’t you say that you are resting? You also said that you are not wearing clothes, then you are dressed so neatly now, How should I explain it?”

When he said this, Yu Wenyan’s delicate face was extremely cold.

This Feng Tao dares to deceive himself, it is really hateful.

“Honored lord!”

Yue Feng gave a wry smile and explained, “I did have a rest, but didn’t you insist that I open the door, I put on my clothes now.”

Saying that, Yue Feng looked very curious: “Your Highness, what’s wrong with looking for me so late?”

What happened today?

First, the pavilion master looked for him alone, but now this Yu Wenyan has also come, she won’t come to menstruation too.

Yu Wenyan was too lazy to talk nonsense, stared at Yue Feng, and asked word by word, “Fengtao, who are you? Tell me honestly.” The

tone was strong and could not be refuted.

identity?

Hearing this, Yue Feng was stunned for a moment, and then smiled: “I have not said all about my identity before, my ancestors were a medical family, and then they fell…”

However, before he could finish, Yuwen was arrested. Flame interrupted.

“Bold Fengtao, you dare to deceive this deity.” Yu Wenyan frowned, and said coquettishly: “This deity specially sent someone to investigate. In the Yellow Sea Continent, there has never been a medical family with the surname Feng.”

Speaking of this, Yu Wenyan’s eyes Flickering suspicion and cold: “Say, who are you?”

Nima!

Yue Feng’s heart jumped, and he suddenly became a little nervous.

This Yu Wenyan, acting too carefully, actually investigates himself secretly.

At the same time, Yue Feng was also a little funny.

Haha… The medical family I mentioned doesn’t exist at all, so of course you can’t find it out.

Thinking to himself, Yue Feng responded very seriously: “Your Highness, my hometown is in the Southern Cloud Continent, and the family has been in decline for hundreds of years. You are in the Yellow Sea Continent, so naturally you can’t find it out.”

When he said this , Yue Feng carefully paid attention to Yu Wenyan's reaction.

In order not to make Yu Wenyan doubt his true identity, Yue Feng did not say that he came from the Earth Circle Continent, but said that his hometown was in the Southern Cloud Continent.

"What did you say?"

Yu Wenyan was stunned for a moment, looked at Yue Feng closely, and wondered: "You are not from the Yellow Sea Continent? Then what are you doing here? Did you deliberately break into the forbidden area of Xiyan Pavilion? What's the purpose, say it!"

At this time, Yu Wenyan became more and more impatient, and his heart was full of anger.

Chapter 2123

This wind wave, the words are getting more and more out of line.

Ugh!

Feeling Yu Wenyan's anger, Yue Feng didn't panic at all, sighed softly, and said slowly: "Your lord should have heard that Yang Jian from the Northern Ying Continent led an army to attack the Southern Cloud Continent a few days ago. , I couldn't stay in my hometown anymore, so I came to the Yellow Sea Continent to take refuge, who would have accidentally broken into the forbidden area of Xiyan Pavilion."

After saying the last sentence, Yue Feng looked helpless, as if it was true It's like fleeing.

call!

Hearing this, Yu Wenyan took a deep breath and doubted: "Really? You didn't lie to the deity?"

Yue Feng guessed right, Yu Wenyan couldn't send someone to Nanyun Continent to check his details, but Shan Yu Wenyan didn't believe it very much in his heart.

But think about it carefully, some time ago, the Beiying army was indeed attacking the Nanyun Continent. I heard that many people were displaced and left the Nanyun Continent to take refuge.

"Everything I said is true." Yue Feng gave a wry smile and responded, "Besides, I have no grudges and no grudges against the Lord, so why should I lie to you?"

"Okay!"

Seeing Yue Feng's sincere expression, Yuwen Yan nodded: "I believe you for the time being, but I will be honest in Xiyan Pavilion in the future."

Yue Feng nodded quickly, serious on the surface, but secretly funny in his heart.

Haha… Although this Yu Wenyan is very powerful, her experience in the arena is mediocre. Just a few words of her own will deceive her.

Yu Wenyan was too lazy to say more, and turned to leave.

Um…

However, at this moment, the pavilion master who was hiding in the bed let out a soft exhalation sound. Just now, the pavilion owner was very nervous. He realized that Yu Wenyan was going to leave, and his heart fell to the ground, so he secretly breathed a sigh of relief.

It's just that she didn't know that Yu Wenyan had not gone far.

Um?

Hearing the sound of exhalation, Yu Wenyan turned around, his eyes locked on the bed.

In the next second, Yu Wenyan glared at Yue Feng and scolded: "What a daring madman, do you have a female disciple of Xiyan Pavilion hidden in your bed? Hand it over."

In the entire Xiyan Pavilion, except for this man , There is no outsider, but there is another person's breathing sound on his bed, obviously there is a problem.

In Yu Wenyan's heart, Yue Feng peeked at her bathing before, and her nature was impure, so the person on the bed must be a female disciple whom he had captured and wanted to do something wrong.

He is the lord of Xiyan Pavilion, how can he allow such a thing to happen?

What the hell!

At this moment, Yue Feng didn't know whether to laugh or cry, and he glanced at the bed from the corner of the corner, very helpless.

This pavilion master, can't you bear it for a while?

Thinking to himself, Yue Feng showed a smile and said to Yu Wenyan, "Your lord misunderstood, there is no one in my bed, you heard it wrong."

Yue Feng knew that the pavilion owner did not want to be seen by Yu Wenyan, for fear of being caught There was a misunderstanding, so I helped the pavilion master to cover it up.

However.

The more Yue Feng was like this, the more suspicious Yu Wenyan became.

Did you hear me wrong?

Yu Wenyan laughed, and said coldly at Yue Feng: “Fengtao, do you think this deity is a three-year-old child, so foolish?”

Whoosh!

The voice fell, Yu Wenyan’s body trembled, and he rushed directly to the bed. The speed was so fast that Yue Feng couldn’t react at all.

The next second, the quilt was quickly lifted by Yu Wenyan.

Swish!

Seeing the scene in front of him, Yu Wenyan’s body trembled in an instant, and the beautiful face was extremely complicated!

I saw that the pavilion master curled up there, because he was stuffy in the quilt for too long, and his face was extremely red and charming.

Chapter 2124

“You…”

Finally, Yu Wenyan reacted, frowned, looked at the pavilion master and said, “Why are you here? You and this Feng Tao…”

When he said this, Yu Wenyan The mood is extremely complicated. In her eyes, even though Feng Tao is skilled in medicine, he is just a doctor, and he doesn’t look down on him at all.

At the same time, Yu Wenyan firmly believes that the pavilion owner is also arrogant and cannot easily accept a man.

But Yu Wenyan never thought that the pavilion owner, who is as close as a sister to him, actually fell in love with this wind wave, and came to the room to meet Yue Feng in the middle of the night, and it has developed to this point… To

be honest Yes, in the current situation, anyone else would suspect that the pavilion master is still lying in Yue Feng's bed, and Yue Feng has been reluctant to open the door before…

Obviously, just now Are the two of them…doing something between a man and a woman?

Thinking of this, the queen couldn't help but blushed.

"Sister, when did you and Yue Feng get along?" Yu Wenyan couldn't help but ask: "If you really like him, you can tell me, you don't need to be so secretive. Besides, it's like this before you get married. Intimacy, isn't there something wrong?"

She and the pavilion master are brothers and sisters, and have always been called sisters.

"I…"

Feeling the complexity in Yu Wenyan's eyes, the pavilion master bit his lip tightly, his face blushed, opened his mouth, and quickly explained: "Sister…you misunderstood, I and Mr. Feng are not…. "

The pavilion master at this time was in a state of confusion and was so anxious.

However, he was interrupted by Yu Wenyan before he could finish speaking.

"Okay, no need to explain!" Yu Wenyan pursed his lips and waved his hand: "Sister, the love between men and women, what you love and I wish for, is the most common thing in the world, you don't need to be embarrassed. Besides, I'm not the kind of stubborn person."

After speaking, Yu Wenyan's eyes fell on Yue Feng, and his tone became cold: "Fengtao, since you and my sister are married, I won't say much more. What's the matter!"

"Uh…" Yue Feng was very embarrassed, squeezed out a smile, scratched his head and said, "Your Highness, you really misunderstood, and the Pavilion Master and I really have nothing to do."

At this time, Yue Feng , was extremely embarrassed.

Nima, I was actually misunderstood, I need to clarify it quickly.

Swish!

Hearing this, Yu Wenyan's pretty face changed, his eyes locked on Yue Feng, and his murderous intent flashed.

"Bold Fengtao!" Yu Wenyan said coldly, his anger rising: "Do you want to die

when you say this?" Yuwenyan's jade hand clenched the changeable death scabbard as he said this , looking like he would take action at any time. .

In Yu Wenyan's heart, the scene in front of him, the two must have had a relationship, the pavilion master denied it because the woman was thin-skinned and embarrassed.

But this wind wave in front of him, as a man, even denied that he had no responsibility at all. It was really hateful.

Nima! Seeing the ever-changing life-threatening box, Yue Feng frowned secretly. This Yu Wenyan believed that he had a relationship with the pavilion master, and it was difficult to do this now.

Thinking to himself, Yue Feng smiled bitterly: "Respect your anger, the pavilion owner and I are a long story, so let the pavilion owner explain it to you?"

Since Yu Wenyan has already misunderstood, it is useless to say more. It's better to hold her down for a while.

The voice fell, the pavilion master bit his lip and said to Yu Wenyan: "Yes, sister, don't get excited, Mr. Feng is right, today's situation, there is really another hidden reason, it's my body that is not feeling well, let me Mr. Feng took care of me, so…"

Before she could finish, she was interrupted by Yu Wenyan.

"Conditioning your body, under the quilt?" Yu Wenyan held back his smile and asked gently.

This…

Pavilion Master's delicate face was flushed, and he was speechless.

Yeah, how to explain this?

At this time, the pavilion master was in a hurry.

"Okay!"

At this time, Yu Wenyan breathed a sigh of relief, and said to the pavilion owner: "Don't explain any more, I can guess what the real situation is, I have always regarded you as my sister, what happened today , since I ran into it, I have the responsibility to take care

of it. Although it is the most common thing in the world to love a man, it cannot be so casual." After

speaking, Yu Wenyan tilted his head to look at Yue Feng, and said coldly, "Feng Tao , it seems that my sister really likes you."

Yu Wenyan grew up with the pavilion owner and knew the pavilion very well. For so many years, he had never seen the pavilion owner so nervous about a man, but today, he was actually afraid of killing himself. This storm.

In this case, Yu Wenyan was more determined, and the pavilion owner had a relationship with Yue Feng, otherwise, the pavilion owner would not be so nervous.

Yue Feng scratched his head and smiled bitterly.

Yu Wenyan looked at Yue Feng and continued: "Since my sister likes you so much, I will not break up you, but there is one condition that you must agree to. Otherwise, even if my sister blames me, I will take your life."

Chapter 2125

Nima!

Yue Feng was shocked and frowned secretly.

What is this Yu Wenyan trying to do?

Even if I really have something with the pavilion master, I don't care about you.

Forget it, let's see what she has to say.

Thinking to himself, Yue Feng squeezed a smile on his face and motioned Yu Wenyan to continue.

"My conditions are very simple." Seeing that Yue Feng had no objection, Yu Wenyan softened his tone and said word by word, "From now on, you must love her with all your heart, stay in Xiyan Pavilion forever, and stay by her side. "

What?

Hearing this, Yue Feng was stunned and almost jumped up.

Can't leave Xiyan Pavilion for a lifetime?

Isn't this Nima the door-to-door son-in-law? Moreover, he and the pavilion master are innocent, how can they stay with her forever?

Swish!

At this moment, the pavilion master's delicate face was also extremely blushing, and he stamped his feet anxiously: "Sister, Mr. Feng and I are really not what you think, in fact we…" The

pavilion master knew that Yu Wenyan did this, All for myself.

But this is a misunderstanding, you and Mr. Feng, you can't just make mistakes and turn the misunderstanding into reality.

Before she could finish speaking, Yu Wenyan waved his hand: "Okay, sister, I know you are concerned about your own face, and I'm embarrassed to admit it, so don't explain it!"

Yu Wenyan glanced at Yue Feng and continued: "But then again, if it's really a misunderstanding, then I'll have to kill this Feng Tao on the spot."

Yu Wenyan has a decisive personality and never acts sloppily.

If it is really a misunderstanding, this Feng Tao must die. After all, the previous Feng Tao, who peeked at his bath, was already dead. Tonight, the pavilion owner was also seen by him. If he continued to tolerate it, where would he put his face?

This…

Hearing this, the pavilion master bit his lip and fell silent.

Yes, if my sister knew it was a misunderstanding, according to her personality, she would never forgive Mr. Feng lightly.

At this time, the pavilion owner regretted it very much. If he knew this earlier, he would not hide under the quilt just now, and it would be better to let Mr. Feng open the door directly.

Seeing the pavilion's silence, Yu Wenyan stopped talking nonsense.

The next second, Yu Wenyan stared at Yue Feng and said coldly: "Fengtao, this deity has limited patience. If you agree to the conditions just now, I will announce in public tomorrow that I will appoint you as the monarch of Xiyan Pavilion. , don't blame me for being cruel." What the hell

!

Hearing this, Yue Feng's head was buzzing, blank, staring blankly at the pavilion master, speechless.

As long as you promise, you will become the monarch of Xiyan Pavilion? With Yu Wenyan, the pavilion master is on an equal footing? Not only that, but also became the man of the pavilion master?

This is too surprising!

Seriously, this pavilion master is charming and charming, and it seems not bad to have such a woman.

However, he wanted to find Su Qingyan, and at the same time, there were still many things to do in the Earth Continent, waiting for him to do it, how could he stay here all the time?

The pavilion master trembled even more delicately, his delicate face was extremely blushing, and at the same time he was in a hurry.

“Fengtao!”

Seeing Yue Feng’s silence, Yu Wenyan lost his patience: “Have you thought about it?”

“Uh…”

Yue Feng reacted and smiled bitterly: “Your lord said so, if I refuse, wouldn’t I know what’s wrong? Well, I promise!”

When he said this, Yue Feng gave the pavilion a wink.

To be honest, Yue Feng didn’t intend to agree at all, but if he refused, he would have to fight with Yu Wenyan. At that time, his strength would be exposed, and his true identity would not be concealed.

Um!

Seeing Yue Feng agree, Yu Wenyan nodded in satisfaction.

Immediately, Yu Wenyan smiled at the pavilion owner: “Okay, I won’t disturb you, go to rest first!”

Chapter 2126 When the

voice fell, Yu Wenyan turned and left the room.

call!

At this moment, Yue Feng secretly sighed in relief. Nima, this Yu Wenyan is finally gone.

“Mr. Feng!”

At this time, the pavilion owner blushed and looked at Yue Feng very displeasedly: “Why did you agree?”

Although this Mr. Feng is skilled in medicine, he has no love for him yet. Can you be his wife?

Too much fun.

“Pavilion Master!” Yue Feng gave a wry smile and explained, “This is also an expedient measure for me. You have seen the situation just now. If I refuse, the Lord will definitely kill me.”

Saying that, what did Yue Feng think of? , continued: “Since the lord has already misunderstood, if I continue to stay, I am afraid that the misunderstanding will deepen, otherwise, the pavilion lord let me leave, and when I leave, you can explain it to the lord. “

When he said this, Yue Feng had a serious look on his face, but his heart was full of anticipation.

This pavilion master, so pure and self-love, will definitely not keep himself.

Um!

Sure enough, hearing this, the pavilion master nodded and said softly: “That’s the only way. I will arrange it now, and I will send you away before dawn.” To

be honest, in the pavilion owner’s heart, Yue Feng He was so skilled in medicine that he was reluctant to let him go.

But there is no way. If he is allowed to stay, he must be his own man. The pavilion master doesn’t have a bad impression on Yue Feng, but the matter between men and women does not want to be like this.

This chapter is provided by . Visit for daily update.

With that said, the pavilion master walked out quickly.

Ha ha…

Looking at the back of the pavilion master leaving, Yue Feng couldn't hide his excitement and excitement.

Nima, I can finally leave.

After a while, the pavilion master came back, changed his clothes on purpose, and greeted Yue Feng: "Let's go, I'll take you out."

Speaking of which, if it's normal, if the pavilion master says a word, Yue Feng can leave. .

But the situation is different now. Now she and Yue Feng are misunderstood by Yu Wenyan. If it is announced that Yue Feng is to be released, it will be easy for Yu Wenyan to know.

Therefore, in order to be on the safe side, the pavilion owner decided to personally send Yue Feng away from Xiyan Pavilion.

Um!

Yue Feng nodded and walked out with the pavilion master.

At this time, the Xiyan Pavilion was silent, and the night breeze brought bursts of clarity.

"Mr. Feng!"

When approaching the gate, the pavilion owner hesitated and said softly to Yue Feng: "If the misunderstanding is resolved, will you come to Xiyan Pavilion in the future?"

The pavilion owner at this time, I don't know why, obviously I have no love for Mr. Feng, but when I think of him leaving, I suddenly feel a little bit of reluctance in my heart.

This…

Yue Feng scratched his head and smiled: "The pavilion master is good to me. I will definitely come when there is a chance in the future." After

speaking, the two walked out of the door.

"Okay!"

At this time, Yue Feng took a deep breath and smiled at the pavilion owner: "Thank you pavilion owner for sending me out in person, we will have a date later." After that, Yue Feng was about to leave.

Um!

The pavilion master responded lightly, looking at Yue Feng's eyes with a hint of complexity.

rustling.

However, at this moment, I saw the direction of the holy lake. Several female disciples, supporting a graceful figure, were walking over quickly.

Seeing this scene, the pavilion master frowned lightly, slowly went up to meet him, and asked, "What's the matter?"

As he spoke, he looked towards the woman who was being supported, and the pavilion owner was stunned for a moment.

What a beautiful woman.

Swish!

At this moment, Yue Feng was about to leave, but when he saw the situation here, he was shocked, surprised and happy.

I saw that the women supported by these Xiyan Pavilion disciples were none other than Su Qingyan.

However, Su Qingyan's state was not very good, her pretty face was pale, her eyes were closed, and she was in a coma.

Chapter 2127 Light

smoke!

For a time, Yue Feng was extremely excited and distressed at the same time. Qing Yan lost his memory. There was a person who was wandering, and he must have suffered a lot. I didn't expect to see a light smoke here!

"Report to the pavilion master!"

At this time, a female disciple who led the team responded respectfully to the pavilion owner: "We were patrolling near the holy lake just now and saw this woman falling from the cliff. Depending on the situation, who is being chased by us, we Bring her back."

Phew!

Hearing this, the pavilion master nodded silently, then saw that Yue Feng hadn't left, he was stunned, and said in surprise, "Mr. Feng, why haven't you left yet?"

However, Yue Feng did not respond, but watched closely. Su Qingyan felt extremely guilty and heartache in her heart.

Realizing that something was wrong with Yue Feng, the pavilion master couldn't help but say again: "Mr. Feng? Do you know this woman?"

This time, Yue Feng finally reacted and quickly smiled: "Yes, she is a friend of mine… "

When he said this, Yue Feng's heart was extremely complicated.

Qingyan lost her memory and completely forgot herself. It can only be said that it is a friendship.

At the same time, Yue Feng was extremely excited.

Haha…

Today is really lucky, not only can I leave Xiyan Pavilion, but also find Qingyan.

"This way…"

Hearing this, the pavilion owner hesitated, bit his lip and said, "Then… you can take her away with you."

Although the woman is not in good condition, Mr. Feng is very skilled in medicine. Being friends with her will definitely cure her.

What?

In an instant, several female disciples around were stunned.

Didn't the pavilion master let Mr. Feng stay here and help her to regulate the cold poison on her body? Moreover, the Honorable Lord also needs him to treat his injuries. Why did he suddenly let Mr. Feng go again?

Despite the doubts in their hearts, the female disciples did not dare to ask more questions.

"Okay, thank you pavilion master." Yue Feng nodded, thanked him, and was about to go over and hold Su Qingyan over.

"What happened?"

At this moment, a cold voice came from the direction of the gate, and then, Yu Wenyan came slowly.

At this time, Yu Wenyan, wearing a dark long dress, was unparalleled in the moonlight, but there was an aura that made people dare not blaspheme.

Originally Yu Wenyan had already rested, but he heard that the disciple was near the holy lake and rescued a woman, so he came to take a look.

Nima.

Seeing Yu Wenyan, Yue Feng was shocked and extremely depressed.

It's broken, I can't go now.

To be honest, at this moment, Yue Feng wanted to hug Su Qingyan and leave directly, but with one person, he couldn't walk fast at all, and Yu Wenyan could easily catch up.

In order to avoid Su Qingyan being hurt, Yue Feng did not dare to act rashly.

At this moment, the pavilion master's delicate face also flashed helpless.

If Mr. Feng left immediately, he would definitely be able to leave, but now because of this woman's delay, it is too late to leave. At this moment, Yu Wenyan

came to him, glanced at Su Qingyan who was in a coma, and said lightly, "Is this the woman who was rescued in the holy lake?"

But with a hint of envy.

Such a beautiful woman, like a fairy.

To be honest, Yu Wenyan has always been very confident about his appearance, but after seeing Su Qingyan, he became a little jealous.

At this time, Yu Wenyan still didn't know that the woman in front of her was not only Yue Feng's woman, but also a famous talented woman from Dongao Continent, the Sect Master of Wenzong.

The pavilion master nodded, then glanced at Yue Feng, and said with a smile, "It's this woman. Coincidentally, this woman is still Mr. Feng's friend?"

Friends?

Hearing this, Yu Wenyan was very surprised, and took a deep look at Yue Feng: "Really?"

Gudong!

I don’t know why, when Yu Wenyan looked at her like this, Yue Feng was upset, couldn’t help swallowing, and nodded with a smile: “Yes, I haven’t seen her for a long time, I didn’t expect to meet her here. There .”

“In that case, take it back.” Yu Wenyan said lightly, turning around and returning to the main altar.

Yue Feng sighed secretly and had no choice but to follow.

Chapter 2128

Soon, in the hall, under everyone’s attention, Yue Feng began to treat Su Qingyan.

In fact, Su Qingyan wasn’t injured, it was just that she was in a coma due to being too tired.

Yue Feng checked Su Qingyan’s state, and asked Yan Tingxue to get a Qingxin Pill, a Qingxin Pill, which could relieve fatigue and restore vitality. .

Um!

After taking the Qingxin Pill, Su Qingyan let out a low moan and woke up faintly.

“You…” In the

next second, Su Qingyan looked around and saw the delicate faces of Yue Feng and Xiyan Pavilion, full of doubts and alerts: “Who are you? Where is this place?”

What?

In an instant, everyone present, whether it was Yu Wenyan and the pavilion master, or those female disciples, were all stunned and looked at Yue Feng in astonishment.

Didn’t Mr. Feng say that this woman is his friend?

But why…she doesn’t know Mr. Feng?

Uh…

At this moment, Yue Feng was also extremely embarrassed. Looking at Su Qingyan, he couldn’t help laughing and crying.

Almost forgot, Qingyan lost her memory, and she changed her face, she must not know it.

Thinking to himself, Yue Feng said to Su Qingyan gently: “Qingyan, how do you feel? Don’t panic, this is Xiyan Pavilion, there are good people present and won’t hurt you.

” , Yue Feng looked at Su Qingyan, very distressed.

She was so tired that she fell into a coma. It can be seen that she suffered a lot during this time.

Xiyan Pavilion?

Su Qingyan frowned, she had never heard of this place, and at the same time, she looked at Yue Feng vigilantly: “Who are you? How do you know my name?” Yue Feng changed his face, of course Su Qingyan didn’t know him.

Whoa!

The voice fell, and the whole hall was in an uproar.

At this moment, Yu Wenyan frowned and finally couldn’t bear it anymore, and asked Yue Feng, “Fengtao, what’s going on? Didn’t you say she’s your friend? Why don’t you know you?”

Saying this At the same time, Yu Wenyan couldn’t help but glance at the pavilion master next to him, secretly thinking that she was not worth it.

This Fengtao must have seen this woman beautiful, and said that she was his friend, and he didn’t know what his sister thought, but she liked this kind of rambunctious person.

Swish!

At this moment, the gazes of the pavilion master and the surrounding female disciples also converged on Yue Feng, waiting for his response, all eyes flashing with complexity.

Yue Feng said he was a friend, but people didn’t know him, which was really suspicious.

“Honored lord, don’t get me wrong.” Yue Feng scratched his head and explained with a wry smile: “My friend, Su Qingyan, has experienced some things before, which led to amnesia, so he didn’t know me.”

When he said this, Yue Feng had a wry smile on his face, and his heart was full of guilt.

Qingyan’s amnesia was caused by his own negligence, and he must make up for it.

Amnesia?

Hearing this, everyone looked at each other, each with a more wonderful expression.

This answer seems a bit perfunctory.

“Fengtao!”

At this moment, Yanyue came out from the crowd, her eyes flashing with contempt, and sneered at Yue Feng: “Don’t talk nonsense here, this beauty looks smart, how does she seem to have amnesia? According to me Look, you know someone, but they don’t know you!” As

she spoke, Yan Yue looked around, her tone full of mockery, and continued, “You insist that you are friends with her because you see that people are beautiful and Seeing her in a coma, I wanted to take advantage of the dangers of others and plan to do something wrong, right?”

When the last sentence fell, Yan Yue looked at Yue Feng with a sneer, her eyes full of contempt.

Although she is the senior sister of Xiyan Pavilion, Yanyue is narrow-minded. When Yue Feng first came to Xiyan Pavilion, Yanyue was very unhappy because of her frivolous words. Later, when refining the Yang Shendan, Yue Feng let Yan Yue Fighting, in Yanyue’s heart, is a complete humiliation.

Later, Yue Feng peeked at Yu Wenyan taking a bath. Although it was a misunderstanding at the time, in Yan Yue’s heart, she was even more contemptuous of Yue Feng.

In the past few days, Yanyue has been trying to find a way to trouble Yue Feng, but Yue Feng is Yu Wenyan and the pavilion master, and has a special status. .

In the current situation, Yan Yue guessed that Yue Feng had bad intentions, and naturally he would not miss such a good opportunity to expose Yue Feng’s true face.

After listening to Yanyue’s words, many young disciples around also nodded in agreement.

“Senior sister is right, this is too strange, Mr. Feng must have another purpose.”

“I didn’t expect that Mr. Feng’s medical skills are so good, but his character is…”

“It seems that he looked at Zun before. The Lord bathed on purpose…. It’s terrifying to think about such a person staying in Xiyan Pavilion…”

Chapter 2129

Everyone’s discussion, you and I came, Yan Yue showed a smug smile.

Fengtao, a despicable and shameless person like you, don’t want to stay in Xiyan Pavilion any longer. Today, I will show you what you are.

Thinking to herself, Yanyue looked serious and said to Yu Wenyan and the pavilion master: “Respected lord, pavilion lord, what is going on in front of you is very obvious, Feng Tao has bad intentions, and he says that he is this beauty’s friend, but he really wants to Do some shameful things.”

After a pause, Yanyue made a righteous and dignified gesture, and said word by word: “Such a person, staying in the Xiyan Pavilion is a disaster, the disciple urges you to honor the Lord and the pavilion. Lord, kill Feng Tao on the spot, or drive him out of Xiyan Pavilion.” The

voice fell, and many disciples nodded in agreement.

This…

Seeing this scene, Yu Wenyan frowned, a little embarrassed.

To be honest, in Yu Wenyan’s heart, she also believed that Yue Feng had impure motives. With her personality, such a man would definitely be killed on the spot.

It’s just that Feng Tao and his sister have already done things between men and women last night. If he kills him, I’m afraid my sister will be sad.

The pavilion master next to him also bit his lip lightly, with a bit of embarrassment on his delicate and charming face.

In her heart, she hopes that Yue Feng will leave Xiyan Pavilion. If he continues to stay, I am afraid that the misunderstanding will deepen. However, with Yu Wenyan present, it was impossible for Mr. Feng to leave so easily.

Nima!

Yue Feng frowned secretly, looking at Yan Yue with a smug look on his face, his heart was secretly burning.

The brain is sick this month.

I didn’t provoke you, but I was always against me, and even wanted Yu Wenyan to kill me?

Wasn’t it the time when I was refining alchemy before, I asked you to fight for me, as for such a vengeance?

Thinking to himself, Yue Feng chuckled lightly and did not speak.

He knew that in this case, the more the explanation, the more troublesome it was.

For a while, the hall was silent, and the atmosphere was extremely depressing and heavy.

“I…”

Finally, at this moment, Su Qingyan looked around and said softly, “I have indeed lost my memory. I can’t remember many things from the past.”

After speaking, Su Qingyan said Glancing at Yue Feng, he asked, “Since you know my name, you must know about my past. Can you tell me something? By the way, what’s your name?”

Su Qingyan was thoughtful, although the women around her, It was said that the man in front of him had bad intentions towards him, but he could sense that the man in front of him did not mean anything blasphemous towards him, but was full of sincerity.

“My name is Fengtao!” Yue Feng smiled slightly, looked at Su Qingyan and replied, “We met ten years ago, and we haven’t seen each other for a long time. You asked me to tell you about your past, but I really said no for a while. Come out, but don’t worry, I know medical skills, and I will definitely find a way to restore your memory.”

When he said this, Yue Feng’s face was gentle, but his heart was extremely bitter.

Seriously, at this time Yue Feng wanted to tell Su Qingyan that he was Yue Feng and her man, but, with Yu Wenyan, the pavilion master, and so many Xiyan Pavilion disciples watching, how could it be possible to reveal the truth? identity?

Um!

Hearing this, Su Qingyan smiled lightly and nodded.

I can’t remember the person in front of me at all, but I don’t know why, but there is a very familiar feeling in him.

What?

Seeing this scene, everyone in the hall was stunned.

This… this woman, really lost her memory.

Moreover, Mr. Feng seems to really know her.

Especially Yanyue, her face flushed and embarrassed, and at the same time, she was also a little unconvinced.

Do you really know? This is too coincidental.

Thinking to herself, Yanyue asked Yu Wenyan, “Your Highness, since this beauty has lost her memory, we must be more cautious. The disciple suggested that Feng Tao be locked up first and be severely tortured. This beauty is so caring, who knows if she has the heart of a beast!

“

Hearing this, Yue Feng was so angry that he almost couldn’t help cursing.

Is this Yanyue brain sick?

Whether I know Qingyan or not is our business. Where is your turn to make irresponsible remarks here?

“Okay!”

At this moment, Yu Wenyan waved his jade hand and said to Yanyue: “This beauty said that she has lost her memory, and Mr. Feng has not deviated from her behavior, so don’t be too suspicious. It’s over.”

“Yes, your lord!” Yanyue responded reluctantly and retreated.

At the same time, he did not forget to give Yue Feng a stern look.

I really don’t know what’s so good about this wind wave, so I will give some medical skills, and the Lord will protect him like this.

Chapter 2130

“Fengtao!”

At this time, Yu Wenyan’s eyes fell on Yue Feng, and his tone was solemn: “Since this woman is your friend, you should take care of it, but it should be done in moderation, and those who should avoid suspicion should also Avoid suspicion, understand?”

Yu Wenyan kept paying attention to the reaction of the pavilion master next to him when he said this.

Yes, Yu Wenyan said these things for the sake of the pavilion owner. After all, Mr. Feng is the man the pavilion owner likes. How could he be allowed to get too close to other women?

Yue Feng is not a fool, how can he not hear the deep meaning of Yu Wenyan, he smiled, nodded and said: “Relax, Lord, I understand.” He

promised, Yue Feng already had a plan in his heart.

When Qingyan’s condition is better, even if she breaks her face with Xiyan Pavilion, she will be taken away.

Um!

Seeing Yue Feng agree, Yu Wenyan nodded with satisfaction and showed a smile.

In the next second, Yu Wenyan looked around the audience, his red lips parted lightly, and he said slowly: “Just right, everyone is present, the deity will announce something. From today, Mr. Feng will officially become the monarch of our Xiyan Pavilion. It is the husband of the pavilion owner, and his status is the same as the deity and the pavilion owner, so everyone should be respectful and polite when they meet him in the future, and not be rude, understand?” After

speaking, Yu Wenyan tilted his head and smiled at the pavilion owner: “This Not only what I meant, but also what the pavilion master meant, right.”

Hmm!

At this moment, the pavilion’s delicate body trembled, biting his lips, and softly responded, a bit of shyness on his delicate and charming face. However, there was an indescribable helplessness and anxiety in my heart.

In front of so many people, the pavilion master was extremely reluctant to admit that Mr. Feng was his man.

But there is no way. Last night, I hid in Mr. Feng’s bed and was hit by Yu Wenyan. It was completely incomprehensible.

What?

In an instant, the entire hall was in an uproar, and everyone was stunned, staring blankly at Yue Feng, speechless.

This… Mr. Feng turned out to be the pavilion master’s man? Also became the monarch of Xiyan Pavilion?

This is too sudden, when did he get along with the pavilion master?

Especially Yanyue, watching Yue Feng closely, her delicate body trembled, her heart was extremely shocked.

Total shock.

No wonder the venerable lord was so protective of him just now. It turned out that he became the woman of the pavilion lord.

call!

At this moment, Su Qingyan was not too shocked, but looked at Yue Feng in surprise.

This person turned out to be the monarch of Xiyan Pavilion.

Although she had never heard of Xiyan Pavilion, Su Qingyan knew that the man in front of him who could sit in such a position in a sect was by no means an ordinary person.

I go!

Yue Feng smiled bitterly, extremely embarrassed, and his heart was extremely complicated.

This Yu Wenyan really did what he said, he actually announced it in public, and, what made people sigh, was in front of Su Qingyan.

But fortunately, Qingyan temporarily lost her memory. If she didn't lose her memory, knowing that her man was getting along with other women, she would definitely be very sad.

Thinking to himself, Yue Feng tilted his head to look at Su Qingyan, feeling even more guilty.

Qingyan, don't worry, I won't stay in Xiyan Pavilion, what kind of monarch I am here, I will definitely take you away as soon as possible!

"Respected lord!"

At this time, Yanyue reacted, walked out, and said to Yu Wenyan: "Respected lord, since the establishment of Xiyan Pavilion, we have never accepted male disciples, and even refused men to enter. Mr. Feng, since It is understandable to be a companion with the pavilion master, but if you are a monarch, I am afraid it is very inappropriate! I hope your lord will think twice."

The ultimate husband in Chinese chapter 2131-2140

Chapter 2131

When she said this, Yan Yue's face was full of anxiety.

At this time, Yanyue had never imagined that the man she hated so much would become a good friend of the pavilion master. Not only that, but also to be the monarch of Xiyan Pavilion, with the same status as the respected lord and the pavilion lord.

Yanyue is not only narrow-minded, but also arrogant, how can she tolerate a man who is above her?

When she thought of seeing Yue Feng in the future, she would be respectful and respectful, and Yan Yue felt incomparably conflicted in her heart.

Swish!

Just at this moment, Yu Wenyan's face suddenly became extremely cold, and he scolded: "Yanyue, this decision was made by the deity and the pavilion master together, don't you accept it? Do you want to rebel?

" The voice spread throughout the hall, revealing a powerful aura.

To be honest, Yu Wenyan didn't want to give Yue Feng such a high status, but his sister already had a relationship with him. In order to make Feng Tao treat her sister wholeheartedly, Yu Wenyan could only do this.

puff. Yan Yue's delicate body trembled

, and she quickly knelt down, her face was pale, and she said in fear: "Disciple dare not, since the Lord said so, the disciple will naturally obey."

, did not dare to disobey the order.

But when she said this, Yan Yue felt even more jealous of Yue Feng in her heart.

I really don't know what kind of ecstasy this Fengtao gave to the Honored Lord and the Pavilion Lord, and the Honored Lord actually turned towards her like this.

"Disciple sees the monarch!"

At this time, the surrounding female disciples looked at each other and knelt down towards Yue Feng.

This chapter is provided by . Visit for daily update.

Now that Mr. Feng is the monarch, he naturally has to bow. This is the rule.

Uh…

Seeing this scene, Yue Feng was not excited at all, but extremely helpless, but he still smiled and waved his hand: “Okay, you’re welcome, get up.”

With that, Yue Feng directed at Yuwen Yan said: “I’m going to rest first.” Immediately, he left the hall.

He hadn’t slept all night, and Yue Feng was very tired at this time.

At the same time, Su Qingyan was also taken to the back to rest.

“Sister.”

Yu Wenyan just left with a smile, and said to the pavilion owner, “You didn’t rest last night, so go and rest for a while.”

When he said this, Yu Wenyan’s eyes revealed a bit of playfulness . .

Swish!

The pavilion master’s delicate face turned red all of a sudden. She knew that Yu Wenyan also thought that what happened to him and Mr. Feng last night.

At this moment, the pavilion master wanted to explain, but finally gave up, answered and left the hall.

“Yanyue!”

Yu Wenyan directed at Yanyue as he walked away, “Send someone out to check, what is the origin of this woman named Su Qingyan?” Yu Wenyan

looked calm when he said this, Flickering with some deep meaning.

Having said that, Yu Wenyan also doubted the relationship between Feng Tao and Su Qingyan, but it was inconvenient for Yu Wenyan to say too much when the pavilion owner was present. After all, Mr. Feng is the pavilion owner’s man. Now that people have left, Yu Wenyan has no worries.

Yu Wenyan had already thought about it. If he found out that Feng Tao and Su Qingyan were really just friends, they would be at peace with each other. If the relationship between the two was unusual, he would just kill the woman named Su Qingyan.

In Yu Wenyan's heart, his younger sister, the pavilion master, has a peerless elegance. It is a blessing for him to see this Fengtao in his life. How can he allow him to have other women?

"Yes, your lord!" Yanyue responded and hurried to do it.

Chapter 2132

At this moment, the Earth Circle Continent.

Yunzhou City!

Yunzhou City is only a few kilometers away from Huashan Mountain. The mountain is high and the land is dangerous. It is the only big city in the southwest of the Earth Circle, and it is also a crucial military fortress.

The hundreds of thousands of Beiying troops led by Yang Jian had already surrounded Yunzhou City.

When Yang Jian captured Huashan, all the sects were still in the Ouyang family. They didn't believe Zhou Qin's words at all. After receiving the rewards from the Ouyang family's disciples, everyone reacted.

Just now, the Ouyang family, Tianmen, and various sects came quickly. Before the Beiying army attacked the city, a defense was deployed in Yunzhou City.

At this time, on the hillside outside Yunzhou City, Jiang Shan, Wen Chou Chou, Sun Dasheng, and the heads of various sects stood there with solemn expressions.

A few hundred meters in front of them, hundreds of thousands of Northern Ying troops gathered, densely packed, all black armor, filled with a powerful and chilling air, making people breathless.

"What should I do?"

At this time, Tang Qingyun's face turned pale and panicked: "Erlang God Yang Jian, personally led the army, can we stop it?" The

voice fell, and the other leaders around couldn't hide their hearts. of tension.

Half a year ago, Zhou Qin was trapped in the Beiying Palace, and various sects went to rescue him. At that time, he saw the strength of Yang Jian and the Beiying army. Now that he sees it again, he has no courage to fight.

call!

Feeling the panic of the crowd, Jiang Shan took a deep breath and said softly, “Don’t panic, everyone, just follow what I said, and deploy, it should be no problem.”

Jiang Shan is also a well-known talented girl, especially in the formation of troops. In terms of layout, there are some accomplishments.

The voice fell, and everyone nodded.

“Okay, just listen to Mrs. Jiang.”

“I almost forgot, Mrs. Jiang has a lot of research on how to play, so she might be able to block the Northern Ying army.”

For a while, everyone was excited by the discussion.

hum!

At this moment, everyone sensed the mid-air in front of them, filled with a powerful aura, and then, they saw a figure in golden armor, suspended in mid-air, imposing in the clouds, indescribably powerful and domineering.

It was Yang Jian.

“Everyone.”

Yang Jian looked at the people in Jiang Shan, and said lightly: “I led the army to Yuanyuan, not to conquer you, but to complete the great cause of the unification of Kyushu, and also to benefit the people of the world, so don’t do unnecessary things. If you resist, submit to me, I will not treat you badly.” The

voice was not loud, but it spread throughout Yunzhou City.

hiss!

At this moment, everyone in Jiang Shan was shocked and couldn’t help gasping for air.

As expected of Mr. Erlang Zhenjun, such a powerful breath.

Especially Jiang Shan, whose delicate body was trembling, suddenly panicked in her heart, and lost her previous self-confidence.

But soon, Jiang Shan reacted, looked at Yang Jian fearlessly, and responded: “Now in all continents, people live and work in peace and contentment, what’s wrong, and you insist on sending troops to conquer, causing people to suffer from war and become displaced, Is this what you mean by benefiting the people of the world?” After speaking

, Jiang Shan stopped talking nonsense: “If you want to fight, fight, we will never surrender.”

Jiang Shan is a wise woman. She knows in her heart that Yue Feng was in the Southern Cloud Continent before, smashing the Northern Ying army and causing Yang Jian to lose face. How could Yang Jian easily let go of the Ouyang family and the various schools of Jianghu in the Diyuan Continent?

Swish!

Hearing this, Yang Jian’s face suddenly became extremely cold: “I can’t do it myself! The whole army can follow the orders and attack the city!”

In the Nanyun Continent, he fought against Yue Feng several times before. Yang Jian was deeply influenced by Yue Feng’s leadership. To be shocked, if Yue Feng was there, he would definitely not be so decisive, but knowing that Yue Feng is not in the Earth Circle now, Yang Jian has no worries.

“Kill!” The

voice fell, and hundreds of thousands of Beiying troops rushed to Yunzhou City like a tide.

“Everyone, don’t panic!” Jiang Shan bit her lip and shouted loudly, “As I said before, start the defense.”

Hula.

The voice fell, and the disciples of various sects, nearly 500,000 people, moved their figures one after another and deployed a large formation.

At this moment, the Beiying army rushed to the front, sending out a burst of earth-shattering collisions, and then, I saw a large formation composed of disciples from various sects, blocking the charge of the Beiying army.

call!

Seeing this scene, a smile appeared on Jiang Shan’s face, and the heads of various sects beside him were also very excited.

“Haha, you’re too embarrassed to take this skill out?” At this moment, a figure rose into the sky in the crowd of the Beiying army, with a look of disdain on the thin face.

Chapter 2133

It is Zhang Jiao.

Jiang Shan’s deployment is very clever in the eyes of ordinary people, but here in Zhang Jiao, it is a pediatrics department.

The next second, Zhang Jiao commanded the army and charged again.

“Dangdangdang!”

Under the command of Zhang Jiao, the Beiying army launched a charge again. Seeing that the defense deployed by Jiang Shan was quickly smashed into several gaps, the sound of weapons colliding and roaring constantly echoed throughout the entire In the sky over Yunzhou City, in the blink of an eye, the battlefield is already full of corpses!

Of course, the one with the most casualties was the Earth Circle Continent.

What?

At this moment, Jiang Shan’s face was extremely pale, looking at Zhang Jiao in midair, her delicate body trembled faintly.

This…is Yang Jian’s military advisor Zhang Jiao?

This person is really powerful, and the defense he has worked so hard to deploy is so easily broken by him.

Seeing the Beiying army and rushing forward, Jiang Shan bit her lip, holding a long sword, and swung it hard: “Everyone, as a person from the Diyuan Continent, you will swear to defend every part of the Diyuan Continent. Today, Don’t give up!” The

voice fell, Jiang Shan’s delicate face was full of determination, her figure was light, and she directly attacked.

Even if you die here today, you can’t let Yunzhou fall!

“Fight to the death!”

“Kill!”

Behind Wen Chouchou, Sun Dasheng, and the heads of various sects, they all roared and rushed up.

Everyone knew in their hearts that Yunzhou City was the barrier to the southwest of the Earth Circle. Once it was lost, the Northern Ying army would march straight in. At that time, the entire Earth Circle would be in danger!

…

the other side.

The Yellow Sea Continent, Xiyan Pavilion.

Yue Feng rested for a few hours, regained his energy, and immediately went to visit Su Qingyan.

At this time, Yue Feng was already the monarch of Xiyan Pavilion, and the disciples he met on the way were all respectful and courteous to him.

However, Yue Feng did not feel the slightest joy in his heart, but was extremely anxious. You must know that, being called a monarch, every move attracted attention, and it was even more difficult to leave Xiyan Pavilion.

However, Yue Feng couldn't care less about it. When he saw Su Qingyan, he immediately took her away, and he didn't wait for a moment.

The reason why I didn't take Su Qingyan with me at the beginning was because Su Qingyan was not in a good state and was a little weak. Now that she has rested for a few hours, she should almost recover.

Bang Bang…

Soon, in Su Qingyan's room, Yue Feng asked the disciples who were waiting outside to retreat, and then knocked gently on the door.

"Which one?" As soon as the knock on the door fell, Su Qingyan's voice sounded soft and gentle in the room.

call!

Yue Feng took a deep breath and said softly: "Qingyan, it's me."

Su Qingyan opened the door, saw Yue Feng, and smiled lightly: "It's you, do you have anything to do with me?"

Su Qingyan at this time She thought that Feng Tao in front of her was really her former friend, and she didn't realize it at all. This was Yue Feng's fake identity.

Squeak!

Yue Feng smiled, then closed the door cautiously, and said seriously: "Qingyan, time is running out, I can't tell you too much, but you have to believe me."

Saying that, Yue Feng took Su Qingyan's hand: "Leave here with me. When we get to a safe place, I'll explain it to you."

Shuh! Being grabbed by Yue Feng, Su

Qingyan's delicate face turned red all of a sudden, and then she broke free from Yue Feng's hand and said shyly and angrily: "Fengtao, you…what are you doing?"

In my heart, the wind in front of me is just my friend, and it is too unruly for the man who is the pavilion master of Xiyan Pavilion to hold his hand.

Thinking to herself, Su Qingyan bit her lip and said softly, "You are staying here well, why do you want to leave? Besides, what will happen to the pavilion master when you leave? I think she is very kind to you.

" At these times, Su Qingyan deliberately kept a distance from Yue Feng, and at the same time, there was doubt in her eyes.

"I…"

Yue Feng didn't know whether to laugh or cry, scratching his head and explaining: "Qingyan, I have nothing to do with the pavilion master at all, and I have no choice but to stay here, in fact, I am not from Xiyan Pavilion at all. ."

At this time, Yue Feng was in a hurry.

Qing Yan believes that he is the man of the pavilion owner, which is difficult to explain.

Chapter 2134

"Light smoke!"

At this time, Yue Feng looked serious: "This is not a place to stay for a long time, hurry up and leave with me, and when it is safe, I will explain it to you, okay." The

voice fell, Yue Feng walked over, ready to pull Su Qingyan's hand again.

To be honest, Yue Feng really wanted to reveal his true identity, but he always held it back. Su Qingyan lost her memory. Under Duan Yu's provocation, she hated herself very much. If you go, you will resist yourself even more.

More importantly, this is Xiyan Pavilion. If the real identity is revealed, it will be even more troublesome if it is known by the people of Xiyan Pavilion.

"I don't want to leave for the time being."

At this moment, before Yue Feng approached, Su Qingyan took a few steps back, her eyes full of alertness: "I think this place is pretty good, and Fengtao, please respect yourself."

Said At these times, Su Qingyan's delicate face was full of resistance.

She didn't want to stay here, but Yue Feng's behavior made her very resistant, so she said this on purpose.

After all, I lost my memory and I can't remember anything. It's hard to say whether this wind wave is my friend. I can't just go with him with a few words.

I go!

Feeling Su Qingyan's resistance, Yue Feng wanted to cry but had no tears. He was completely anxious, and said, "Qingyan, in fact, I am…"

Yes, Yue Feng really had no choice. At this time, he wanted to reveal identity.

Squeak.

However, as soon as Yue Feng said a few words, the door was pushed open from the outside, and then, Yu Wenyan walked in with a smile that was not a smile.

call!

At this moment, seeing Yu Wenyan, Yue Feng's heart shuddered, he couldn't help taking a deep breath, and became a little flustered.

Nima, why did this woman suddenly come?

It's bad, she won't hear what she said just now.

At the same time, Su Qingyan was also pretty blushing, and she was unspeakably nervous.

This Fengtao is the man of the pavilion owner. At this time, he is in his room, and the door is closed. Will this Yu Wenyan misunderstand? After all, she has a good relationship with the pavilion master and is like sisters.

"Oh?" This is, Yu Wenyan walked up to him and looked

at Yue Feng coldly: "Fengtao, you are here, are you helping your friend to recuperate? Still closing the door? Aren't you afraid of misunderstandings?"

With a smile, Yu Wenyan's eyes flashed with coldness.

Yu Wenyan was very curious about Su Qingyan's identity, so he thought of coming over to ask individually, but when he saw that Yue Feng was also there, and the door was still closed, he felt a little unhappy.

This Feng Tao seems to really have an idea for this woman. If he did something to this woman, how could he be worthy of his sister?

However, seeing that Yue Feng and Su Qingyan were neatly dressed and did not catch the handle, Yu Wenyan could only suppress his anger.

Uh…

Hearing this, Yue Feng was very embarrassed, then squeezed out a smile and explained: “Your Highness guessed right, I am indeed helping Qing Yan to recuperate her body, she was in a coma before, and her body is too weak to blow air. , so I closed the door, nothing else.” As he

spoke, Yue Feng quietly winked at Su Qingyan.

Yu Wenyan came so suddenly that Yue Feng was almost unable to guard against it, so he had to find a way to temporarily stabilize her.

Yue Feng is not afraid of Su Qingyan accusing him. After all, he didn’t do anything to her just now, and he knew Su Qingyan very well and was kind-hearted. Even if his behavior just now made her feel a little uncomfortable, he wouldn’t blame her. my own.

Swish!

At this moment, Yu Wenyan’s eyes locked on Su Qingyan, and smiled: “Is that so? Miss Qingyan.”

The situation in front of her was very suspicious, and she didn’t believe Yue Feng’s words at all.

“This…”

Su Qingyan bit her lip lightly, nodded and said, “Yes, I was really uncomfortable before, and I had a headache when I was blowing the air, so I closed the door, but Feng Tao took care of it for me, and it’s much better now. “

Seriously, Yue Feng’s behavior just now made Su Qingyan feel very disgusted, but she could also see that the wind wave in front of her was really difficult to stay in Xiyan Pavilion.

Su Qingyan is kind-hearted, in this case, even if Yue Feng didn’t give her a secret wink, she would not tell Yu Wenyan the situation, because she knew that once she told the situation just now, Feng Tao would be in trouble .

At this time, Su Qingyan didn’t know that the wind wave in front of her was Yue Feng, and the reason why she still stayed in Xiyan Pavilion was also because of her.

call!

Hearing this, Yu Wenyan nodded slowly: “If that’s the case, that’s fine.” After speaking

, Yu Wenyan looked at Su Qingyan with a smile: “Seeing that your situation has improved, the deity is also very pleased, by the way, take it. Come down, where are you going?”

Chapter 2135

“No!” Su Qingyan shook her head, her delicate face showed a bit of complexity: “I don’t know where I should go.” She

came to the Yellow Sea Continent to avoid the war. Completely unfamiliar, don’t know where to go at all.

Yu Wenyan’s eyes flickered, and he continued: “Miss Qingyan, you are Feng Tao’s friend, so I won’t make a fuss. Our Xiyan Pavilion only accepts female disciples. Since you have lost your memory and don’t know where to go, you can consider joining. Xiyan Pavilion, of course, if you don’t want to, I can send someone to send you away.”

When he said this, Yu Wenyan’s beautiful face was extremely calm, without the slightest fluctuation, but his heart was extremely complicated.

Yes, Yu Wenyan very much hopes that Su Qingyan will leave. When she leaves, Fengtao will be able to focus on the pavilion master, and he will no longer be arrogant. It is just that Yu Wenyan maintains his own identity. Su Qingyan means.

This….

Hearing this, Su Qingyan bit her lips lightly, lowered her head and fell silent, very hesitant.

Since the memory loss, the place Su Qingyan was most familiar with was Wangyou Valley. But junior brother Duan Yu lied to her and left her alone, which made Su Qingyan a little disheartened. Under such circumstances, Su Qingyan had no face to go back to meet Wangyougu’s master.

But staying here, unfamiliar with life, can you do it?

call!

At this moment, Yue Feng couldn’t speak, but his heart was extremely anxious.

What the hell is this Yu Wenyan trying to do? Want to keep Su Qingyan in Xiyan Pavilion?

No, absolutely not.

Thinking about it, Yue Feng kept winking at Su Qingyan, wanting her to reject Yu Wenyan and not stay in Xiyan Pavilion.

Yue Feng thought about it, as long as Su Qingyan decided to leave, he would take the opportunity to leave here on the grounds of sending her off.

However, Su Qingyan was immersed in her own thoughts and did not pay attention to Yue Feng at all.

“Okay!”

Finally, Su Qingyan breathed a sigh of relief, looked at Yu Wenyan and said, “I have decided to stay in Xiyan Pavilion.”

Su Qingyan figured it out. Although Xiyan Pavilion is not familiar to her, the scenery here is beautiful and it is still very beautiful. It is very quiet. For Su Qingyan, it is a good place to meditate and practice without worrying about being disturbed.

hum!

Hearing this, Yue Feng only felt a buzzing sound in his mind, and it went blank.

It’s over, Qingyan wants to stay in Xiyan Pavilion, it’s even more difficult to take her away.

Um!

Yu Wenyan nodded and smiled softly: “Miss Qingyan decides to stay, I will discuss with the pavilion master later, pick a date, and hold the initiation ceremony for you.”

Speaking of this, Yu Wenyan rushed to the door The two disciples outside instructed: “Miss Qingyan decides to stay, she is her own, you take her outside to get acquainted with the environment.”

“Yes, your lord.” The two disciples walked in and greeted Su He smoked and left the room.

Done.

Seeing this scene, Yue Feng was relieved, his expression was extremely complicated, and he wanted to cry without tears.

Qing Yan stayed in Xiyan Pavilion, which is even more difficult to handle now.

At the same time, Yue Feng still had some regrets. If he knew this earlier, he didn't discuss it with Qingyan just now and took it away by force. It's just too late to say anything now.

For a time, only Yue Feng and Yu Wenyan were left in the room.

The atmosphere is also somewhat subtle and depressing.

"Fengtao!"

This is, Yu Wenyan looked at Yue Feng closely, with a hint of mockery at the corner of his mouth: "It seems that the relationship between Su Qingyan and you is really good…"

At this time, Yue Feng , was very irritable, and replied lightly: "What do you mean?"

"Haha.."

Yu Wenyan chuckled: "It was the first time she came to Xiyan Pavilion, so she chose to stay, isn't it because of you?

" , Yu Wenyan's voice was not loud, but his eyes were extremely sharp.

call!

Hearing this, Yue Feng breathed a sigh of relief and smiled bitterly: "Your Highness means that Su Qingyan and I have a close relationship? Didn't I say it before, we are just friends."

Nima, this Yu Wenyan is ill. As the lord of Xiyan Pavilion, he doesn't do so many things, so he just speculates on his relationship with Su Qingyan.

But on second thought, Yue Feng also understood something.

She was misunderstood by her and became the pavilion owner's man, and she and the pavilion owner were sisters, so she naturally wanted to help the pavilion owner look after herself and prevent herself from being ambiguous with other women.

The ultimate husband in Chinese chapter 2136-2140

Chapter 2136

Yu Wenyan snorted, too lazy to talk nonsense, said coldly: "Fengtao, you and Su Qingyan are friends, you know in your heart, I tell you, no matter what your relationship is, if you are not good to the pavilion master If it makes her sad, I will never let you go." After speaking

, Yu Wenyan's tone became colder, and he continued: "Also, this deity will tell you one more thing, I have already sent someone to investigate Su Qingyan outside. If the relationship between this woman and you is not what you said, just wait and watch the show, this seat will definitely let Su Qingyan, you can't survive, you can't die." The

last sentence fell, Yuwenyan lightly With a light smile, he glanced at Yue Feng with a deep meaning, and turned to leave the room.

What?

Yue Feng's body suddenly froze, looking at Yu Wenyan's leaving back, his heart suddenly became annoyed.

Nima, this Yu Wenyan, as a woman, is so scheming that she actually sent someone to investigate Su Qingyan.

While angry, Yue Feng was also a little anxious.

Su Qingyan is her own woman, and she is also the sect master of Wenzong. She has an unusual identity. Anyone who knows her well knows how she can withstand investigation.

It seems that we have to quickly find a way to leave with a light cigarette.

Thinking to himself, Yue Feng walked out of the room with a solemn expression.

Ugh!

In the garden outside, Yue Feng sighed softly and asked Pang Tong and the others in Linglong Pagoda: "Pang Tong, Yuan Tiangang… Is there anything you can do?"

"This…" Yuan Tiangang pondered for a moment, bitter Said: "If it is astronomy, geography, feng shui and astrology, the subordinates can still solve the master's worries, but… this relationship between men and women, the subordinates really can't do anything." As

soon as the voice fell, Pang Tong also smiled bitterly and said: "Master , I too can't help."

What the hell!

This chapter is provided by . Visit for daily update.

Hearing this, Yue Feng was speechless.

"Master!"

At this moment, the grass sage Zhang Xu said: “Master is restless now, and naturally he can’t think of anything, it is better to calm down, maybe there is a way.”

Calm?

Yue Feng was very helpless and said angrily: “In this situation, how can I calm down?”

Qingyan chose to stay in Xiyan Pavilion, and Yuwenyan sent someone to check Su Qingyan’s identity. Think big.

“Master, writing is the best way to cultivate your state of mind.” Zhang Xu cautiously said: “My subordinates are quite accomplished in calligraphy, why don’t I tell you my own experience, you practice calligraphy, as long as you enter the state, you will not be so irritable. , when the time comes, maybe we will be able to figure out a way.”

Phew!

Hearing this, Yue Feng sighed secretly and nodded silently: “Okay.”

Anyway, I can’t think of a way for the time being. It’s better to practice calligraphy and adjust your mentality as Zhang Xu said.

Next, Zhang Xu told Yue Feng all his calligraphy experience, and Yue Feng calmed down, sitting on the stone bench in the garden, holding a branch, and practicing on the ground.

Speaking of which, Yue Feng’s calligraphy was originally well written, but now he has been instructed by Cao Sheng, and his calligraphy skills have improved a lot.

I don’t know how long I practiced, but when night fell, Yue Feng calmed down after practicing calligraphy, but he still couldn’t think of a way.

Seeing that it was getting dark, Yue Feng had no choice but to return to his room.

“monarch!”

As soon as I arrived in the room, I saw a female disciple waiting inside, and when she saw Yue Feng coming back, she respectfully said, “Your Highness said, you are now the monarch, or the husband of the pavilion master, it is not appropriate to live here by yourself, From today onwards, I will rest in the pavilion master’s room!”

What?

Hearing this, Yue Feng was stunned for a moment, and after a few seconds of coldness, he finally realized that he was dumbfounded.

Chapter 2137

Nima, this Yuwen Yan's tube is quite wide, and he believes that he has a relationship with the pavilion master, so he must sleep together.

Afterwards, Yue Feng glanced inside and saw that the quilt on the bed had been packed away, and he couldn't sleep at all.

Seeing this, Yue Feng gave a wry smile, nodded and said, "Okay!" After the

voice fell, Yue Feng followed the disciple and walked towards the pavilion master's room.

As soon as he entered the door, Yue Feng was stunned.

I saw that the room full of fragrance was newly furnished, and the two female disciples stood there respectfully, while on the chair next to him, the pavilion master blushed and sat there, very embarrassed.

Obviously, the pavilion owner didn't want to rest in the same room with Yue Feng, but he couldn't beat Yu Wenyan.

Swish!

Seeing Yue Feng, the pavilion master's face suddenly became hot and shy.

The next second, the pavilion master said to several female disciples: "Okay, you all go down."

"Yes, pavilion master!" Several female disciples responded quickly, and then backed out, but before they left , did not forget to take a look at Yue Feng, and all of them pursed their lips and snickered.

This Feng Tao, who has become a monarch, is still the husband of the pavilion owner. It was the first time that he came to the pavilion owner's room, but he was dumbfounded. It was really interesting.

For a while, only Yue Feng and the pavilion master were left in the room, and the atmosphere instantly became subtle.

After more than ten seconds, Yue Feng calmed down and looked at the pavilion master with a smile: "Pavilion Lord, it's been a long time, it's getting late, let's rest."

After speaking, Yue Feng walked towards the bed. past.

To be honest, because of taking Su Qingyan away, Yue Feng was depressed and irritable. When he saw the pavilion master, he wanted to tease him and relax.

“Stop!”

Just two steps away, the pavilion master couldn’t help but let out a coquettish cry, and said shyly and angrily, “Who told you to rest in bed? Do you really think of yourself as a monarch? Let me tell you, everything in this room is You are not allowed to touch anything.”

When he said this, the pavilion’s heart was constantly heaving and his body was trembling with anger.

This Feng Tao, he clearly knew that Yu Wenyan had misunderstood him, and he didn’t want to solve it. Now he is so presumptuous in his own room, it’s really hateful. He is innocent, how can he let him sleep in his own bed?

not allowed?

Yue Feng stopped, turned his head to look at the pavilion master, and said with a smile: “Pavilion lord, it’s getting dark, where can I sleep if I don’t sleep in the bed? Besides, Yu Wenyan arranged it this way, not my intention. , why are you mad at me?”

At this moment, Yue Feng was very angry.

Nima, if it weren’t for this pavilion owner, who had to keep himself in Xiyan Pavilion back then, he wouldn’t have encountered Yu Wenyan, and he wouldn’t have had so many troubles.

Seeing Yue Feng’s smiling face, the pavilion master was even more angry, his face blushed, and said coldly: “This is my room, I have the final say, in short, you can’t sleep on the bed, if you want to rest, just lie down on the ground and sleep. , you can’t take off your clothes.”

His tone was cold and his attitude was very firm.

Yu Wenyan arranged it like this, and it would be difficult for him to drive him out, otherwise, Yu Wenyan would find out that it would be very troublesome. But he must not touch his own bed.

sleep on the floor? Can’t take off your clothes yet?

Hearing this, Yue Feng couldn’t help muttering: “Why, I’m your husband now, the monarch of Xiyan Pavilion, you don’t allow me to take off my clothes and sleep in bed? What kind of reason is this? You This is totally unreasonable.” The

pavilion master snorted coldly and ignored him.

Ugh!

Yue Feng sighed and took another step: “Okay, I won’t take off my clothes, and I won’t do anything to you, but I have to sleep on the bed, how uncomfortable it is to sleep on the ground!”

Chapter 2138

“You…”

At this time, the master of the pavilion is not light, this Yue Feng is too hateful, still want to sleep on the bed?

The more the pavilion master thought about it, the more angry he became. He stomped his feet and shouted tenderly, “Get out of the way.” After the

voice fell, the pavilion master walked over quickly, raised his jade hand, and slapped Yue Feng with a palm.

This rogue, still want to sleep in a bed with himself?

What a dream!

Snapped!

Yue Feng was always paying attention to her movements, and when she saw her slap, he immediately stepped aside, and then, with lightning speed, he directly clicked on the acupuncture point of the pavilion master.

Yue Feng shot quickly, and the pavilion master didn’t react at all.

In an instant, the pavilion master’s delicate body trembled, and he couldn’t move. He suddenly said with shame and anger: “Fengtao? What are you doing?”

Yue Feng chuckled and looked at her playfully: “What are you talking about? Of course, I want you to accompany you. Husband, I’m going to bed.” The

voice fell, and Yue Feng carried the pavilion master onto the bed.

hiss!

At this moment, feeling the delicate body of the pavilion master, Yue Feng couldn’t help taking a deep breath.

I have to say that the pavilion master not only looks charming and charming, but also has a very good figure. When he thought that he was trapped in Xiyan Pavilion and could not leave with Su Qingyan, it was all because of this pavilion owner, Yue Feng thought about taking care of her. The more angry the pavilion owner was at this time, the more relieved Yue Feng felt. .

If the pavilion owner would let himself go on the first day of coming to Xiyan Pavilion, he might be able to find Su Qingyan earlier, and Su Qingyan would not be comatose near the holy lake, and he would not be trapped here and unable to leave now.

The pavilion master couldn't struggle, his face flushed with anger: "You…you let me go!"

Yue Feng couldn't help laughing, and deliberately shook his head and said, "Then how can I do it? I'm your husband now, and you are my woman. It's only natural for you to sleep together."

Hearing this, the pavilion master almost cried . He bit his lip so hard that he was about to bleed.

Yue Feng wanted to be mad at her, but he didn't really want to sleep with her.

At this moment, seeing her red eyes, she really wanted to cry, Yue Feng smiled and said, "Okay, I won't sleep with you tonight, I will sleep on the ground, but you want to call me Just say a good husband."

"You…" The

voice fell, the pavilion master's face was hot, like a burning cloud, his anger and tender body trembled, and he was extremely embarrassed.

This wind wave is getting bigger and bigger!

But… if he doesn't call, he will sleep with him.

How can he sleep in the same bed as he is pure and clean? Yu Wenyan had already misunderstood him. If they slept together, wouldn't it be more unclear in the future?

But… that two words, what is the name of the pavilion master of the dignified Xiyan Pavilion?

Seeing that her pretty face was flushed, she was very hesitant. Yue Feng urged with a smile: "Hurry up, are you screaming? If you don't, I'll really go to bed."

"You…" The pavilion master said

angrily. No, staring at Yue Feng. If eyes can kill, it is estimated that Yue Feng is riddled with holes.

This Feng Tao, I thought he was a good doctor and a gentleman, but he didn't expect that he was a rogue! At this time, the pavilion master regretted very much. He regretted that when Yue Feng wrote the Yangshen Dan formula, he did not let him leave, but now he was so humiliated by him.

"The pavilion master's temper is really stubborn." Yue Feng said with a smile: "I gave you a chance, you still don't call, well, in that case, I will lie down on the bed and rest." The

voice fell, and he was about to lie down. on the bed!

At this moment, the pavilion master was in a hurry, her delicate body trembled, and she almost blurted out: "You…don't, husband…" The

voice fell, her face was extremely red, like a ripe apple.

Ha ha…

Chapter 2139

This husband, Yue Feng's bones were numb when he heard this, he showed a smile, and his heart was full of joy.

Although I haven't thought of a way to take Su Qingyan away, but now, it's not a loss to hear the lofty pavilion master call me husband.

The pavilion master bit her lip tightly, her delicate face flushed red, and she was extremely embarrassed and angry. She never dreamed that she would really call this Feng Tao a husband.

"I already called, you go to sleep on the ground!" The pavilion master said coldly.

"Okay." Yue Feng nodded with a smile and let go of the pavilion master. Of course, he didn't give the pavilion master a solution. He took advantage of her just now. Who knows if he will sneak up on him in the middle of the night, so it's better to be safe.

The next second, Yue Feng looked around and saw a few scrolls of calligraphy and paintings piled up on the Anji next to him, so he took it and spread it out on the ground.

no way.

There is no extra bedding in the room, so I can only use these calligraphy and painting.

Shila…

However, by accident, Yue Feng ripped a pair of words into two halves.

“You…”

Seeing this scene, the pavilion master trembled, and said to Yue Feng: “This is Master Wenzheng, the grass saint paste copied back then, you are finished…”

When saying this, the pavilion master said In addition to heartache, there is some gloating in his eyes.

finished?

Yue Feng frowned and looked at the pavilion master in surprise: “Isn’t it just a word? As for such a fuss?”

“Haha!”

The pavilion master chuckled and said slowly, “Do you know that this word was given to me by Yu Wenyan on the day Xiyan Pavilion was established, it means a lot to her, you are ruined now, she I won’t forgive you lightly.”

The pavilion owner is right, the calligraphy and painting that Yue Feng ripped apart was given to the pavilion owner by Yu Wenyan when the Xiyan Pavilion was founded, symbolizing the sisterhood between them. Love has extraordinary meaning.

If this word was smashed on weekdays, the pavilion master would be extremely angry, but at this time, there was some indescribable excitement in his heart.

Because Yu Wenyan is a woman who attaches great importance to feelings, whether it is the gift she gave to the pavilion owner or the gift that the pavilion owner gave her, she valued it very much. spare him.

The pavilion owner has already made up his mind. He will tell Yu Wenyan at dawn tomorrow that Feng Tao deliberately ruined the word. At that time, Yu Wenyan will be very angry. Even if he does not kill Feng Tao, he will be killed. Drive out of Xiyan Pavilion.

In this way, I don’t have to be Feng Tao’s woman, it’s so embarrassing.

To be honest, the pavilion master was also very distressed by this word, but it didn’t matter if he thought that he could solve his embarrassing situation.

What the fuck?

Yue Feng was stunned, how important is a word?

The next second, Yue Feng looked down at the handwriting on it, and was immediately happy.

Haha…

Who wrote this, the calligraphy level is too general.

Thinking about it, Yue Feng showed a smile and said to the pavilion master: “This is also called a character?”

During the day, under the guidance of the grass saint Zhang Xu, Yue Feng’s calligraphy skills have improved a lot, and ordinary characters are completely incomprehensible. upper eye.

“What did you say?”

The pavilion master trembled and was very excited: “Do you know that this is the handwriting of Master Wenzheng a hundred years ago…”

Master Wenzheng, a Buddhist monk, is very famous in the rivers and lakes of the Yellow Sea Continent, but he The most famous is the accomplishments in calligraphy. It can be said that he is a famous calligrapher in the Yellow Sea Continent for hundreds of years.

And Feng Tao in front of him actually said the words of Master Wenzheng.

It’s insane.

Chapter 2140

Thinking to himself, the pavilion master said to Yue Feng: “Fengtao, if Yu Wenyan knew, if you broke this character, he would definitely not spare you lightly. Now, while she doesn’t know it yet, let’s go. , leave Xiyan Pavilion, don’t come back.”

At this time, the pavilion owner completely lost his appreciation for Yue Feng before, and just wanted him to leave quickly.

Only when this man is gone can his innocence be preserved.

Hearing this, Yue Feng gave a wry smile. If the pavilion master said that two days ago, Yue Feng would definitely be very excited and leave without saying a word.

However, now that Su Qingyan is also in Xiyan Pavilion, how could Yue Feng just leave?

call!

The next second, Yue Feng breathed a sigh of relief, looked at the pavilion master and said, “Isn’t it just a word, I’ll write it for you again.”

What?

The pavilion master was shocked, looked at Yue Feng in surprise, and then couldn’t help chuckling: “Fengtao, I know you are skilled in medicine, but don’t be too confident, this is calligraphy.”

“This word, It’s called Cao Sheng Tie. It is Master Wenzheng’s copy of the calligraphy of Cao Sheng Zhang Xu at that time. Do you know Cao Sheng? He is a famous calligrapher in the Tang Dynasty, a famous calligrapher in the Tang Dynasty. He is famous for his cursive calli… , so, in order to express respect for the grass sage, Master Wenzheng wrote this grass sage post.”

“Forget it, you are from the Southern Cloud Continent, and you definitely don’t know the situation in the Earth Circle Continent, much less know about it. Grass Sage Zhang Xu…” The

pavilion master still thought that Yue Feng was from the Southern Cloud Continent. The pavilion master said it well. The word Yue Feng accidentally ripped off is indeed Master Wenzheng, who wrote it specially to pay tribute to the grass sage Zhang Xu.

Hundreds of years ago, there were barriers between the continents of Kyushu, but those barriers could only block ordinary people, while those powerful practitioners could travel between continents.

And Zhang Xu’s technique was brought to the Yellow Sea Continent by some practitioners. Three hundred years ago, Master Wenzheng of the Yellow Sea Continent saw Zhang Xu’s original work for the first time, and he was amazed and regarded it as a treasure. Zhang Xu is regarded as an idol.

Grass saint Zhang Xu?

Hearing this, Yue Feng was stunned for a moment, and then he couldn’t help laughing.

Haha…

It turns out that the Master Wenzheng in the mouth of the pavilion master worships Grass Sage Zhang Xu. Who knows that Grass Sage Zhang Xu, in his Linglong Pagoda, has already recognized himself as the master.

Coincidentally, during the day, Zhang Xu also specially taught himself calligraphy.

Thinking to himself, Yue Feng didn't say much, and when he saw that there was a pen, ink, paper and inkstone on the wooden stand next to him, he brought it over.

"You…"

Seeing this scene, the pavilion owner frowned slightly: "What are you doing?"

The pavilion owner at this time was angry and funny when he saw Yue Feng pick up the pen.

After this Fengtao became the monarch of Xiyan Pavilion, he went crazy and wanted to write a word to compensate himself. It was Master Wenzheng's word. Can he afford it?

Moreover, he is only very accomplished in medicine, how can he know calligraphy?

Swish swish.

The pavilion master's ridicule, Yue Feng just pretended not to hear, dipped in the ink, and immediately began to write, the pen was very flamboyant and wild.

In the afternoon, under the personal guidance of Zhang Xu, Yue Feng's calligraphy has reached a level that is difficult for ordinary people to touch, especially cursive script, which is quite experienced.

After all, Zhang Xu is a famous cursive sage. Under his guidance, can Yue Feng's cursive script be bad?

"All right!"

In less than half a minute, a word was written. Yue Feng put down the pen and looked at the pavilion master with a smile: "How? Husband's words are more than a star and a half better than the Master Wenzheng you said?"

"Just yours. Words, can also be with Master Wenzheng…" The pavilion master chuckled, and was about to mock a few words.

Just halfway through, when his eyes fell on Yue Feng's words, the pavilion master suddenly trembled, and the whole person was stupid.

hiss!

At this moment, the pavilion master couldn't help taking a deep breath, his delicate face was full of shock.

Total shock.

I can see that Yue Feng’s words are agile and elegant, flowing like clouds and water, as if they have life, every word is perfect and impeccable, especially the charm in it, which is even more amazing.

Compared with his words, the words of Master Wenzheng, which was destroyed before, are like those written by children, and they are not on the same level at all.

This…

The ultimate husband in Chinese chapter 2141-2150

Chapter 2141

After being stunned for more than ten seconds, the pavilion master finally regained his senses and looked at Yue Feng blankly: “This… was really written by you?” As

soon as he finished speaking, the pavilion owner’s face flushed, very embarrassment.

What happened to yourself? To actually ask such a ridiculous question, this word was just written by him.

But…isn’t Feng Tao a doctor? Even in calligraphy, he also has such high attainments.

For a time, the pavilion master was shocked, his mind was buzzing, and the whole person was completely stunned.

As the pavilion owner of Xiyan Pavilion, in addition to practicing every day, he also likes qin, chess, calligraphy and painting, especially in painting and calligraphy.

That’s why Yu Wenyan gave her the authentic work of Master Wenzheng at the beginning.

But after reading Yue Feng’s calligraphy today, the pavilion master deeply understands that the master Wenzheng whom he admired, the most famous calligrapher for hundreds of years, is nothing in front of Feng Tao.

Haha…

Looking at the expression of the pavilion master, Yue Feng felt very happy, smiled and said, “How is it? I will compensate you for the original work of Master Wenzheng. It’s totally fine.”

When he said this , Yue Feng said with a smile. The wind looked relaxed.

Although the master Wenzheng mentioned by the pavilion owner is very famous in the Yellow Sea Continent, in the final analysis, he worships Zhang Xu, the sage of grass, and even copied Zhang Xu’s calligraphy.

And he is the master of the grass sage Zhang Xu, and the calligraphy is directed by Zhang Xu himself, can you compare?

Um!

Hearing this, the pavilion master reacted and nodded.

This chapter is provided by . Visit for daily update.

This Fengtao word, whether it is Shen Yun or artistic conception, is much higher than that of Master Wenzheng.

“Okay, the word has been paid to you, so I will rest.” Yue Feng stopped talking nonsense, and lay on the ground to rest after speaking.

call!

At this moment, the pavilion master was completely drowsy, biting his lips lightly, his eyes fixed on Yue Feng, flashing with endless complexity.

How much of the power has not been revealed in this wind wave?

At this time, the pavilion owner’s view of Yue Feng has changed a lot, and deep in his heart, there is also an indescribable feeling.

….

on the other side, the Earth Circle Continent, Yunzhou City.

At this time, near Yunzhou City, the ground has been dyed red with blood, and the disciples of the major sects fell into the pool of blood one by one!

The various sects of the Earth Circle Continent and the Northern Ying army have been fighting fiercely here for a day and a night!

During this day and night, the major sects continued to suffer casualties. There were originally nearly 500,000 people, but in the face of the powerful Beiying army, there were only less than 50,000 people left at this time!

The Beiying army, under the command of Zhang Jiao, only suffered 30,000 casualties, and there were still more than 100,000 at this time.

With less than 50,000 people fighting against more than 100,000 people, there is no suspense in this war.

At this time, the major sects in the Earth Circle Continent could no longer hold on, but these people were the only ones left, still gritting their teeth, but although they did not give up, their eyes were full of despair.

If this fight goes on, everyone will die in battle, and then all will be destroyed, and the Earth Circle Continent will be completely helpless.

At this time on the battlefield, Jiang Shan was wearing a long white dress and was almost dyed red with blood. The blood was from the enemy as well as her own. Her face was pale and very weak.

After a day and night of fierce battles, Jiang Shan almost consumed all her internal strength.

call!

Looking around, many people from the Earth Circle Continent fell, Jiang Shan trembled in her heart, anxious and desperate.

The situation is getting worse and worse, what should I do?

Did you just give up Yunzhou City?

“Withdraw… Everyone, let’s withdraw, Yunzhou City can’t keep it…”

At this moment, among the people in the Earth Circle, I don’t know who shouted, and then, many sect disciples turned around and ran away. , looked flustered, and lost the spirit of fighting to the death before!

Seriously, everyone doesn’t want to give up Yunzhou City like this, but the situation in front of them is out of control.

Chapter 2142

“Withdraw, everyone quickly withdraw.”

Seeing this scene, Jiang Shan’s last line of defense completely collapsed.

Seriously, Jiang Shan would not be willing to give up Yunzhou City, but if she continued to fight, all the sects in the Earth Circle Continent would all be destroyed here.

Moreover, only one Yunzhou City has been lost now, and the entire Diyuan Continent has not yet fallen. Now withdraw in time to retain the strength of the major sects, and there will be a chance to turn the tide of the war in the future.

If all die, there is no chance at all.

Whoa!

In an instant, all the people from the Earth Circle Continent followed closely, and soon, most of them successfully broke out. But there were also many people who were disarmed and captured by the Beiying army on the spot.

Among these captives, there are many people from the Ouyang family. It can be seen that Meihui, Ren Yingying and others are among them.

“Chase!”

Seeing this scene, the generals of the Beiying army, with imposing aura, roared angrily, preparing to lead their troops to pursue.

At this moment, Zhang Jiao was suspended in the air and smiled: “No need to chase, just some defeated generals, nothing to worry about.”

Then he ordered the generals: “Enter Yunzhou City immediately and rectify

the cultivation!” When saying this, Zhang Jiao looked at the direction in which Jiang Shan and everyone fled, and was very disdainful.

In the entire Kyushu, the only person who can make Zhang Jiao jealous, except for Guiguzi, the most amazing man in the world, is Yue Feng.

“Yes, Master Sergeant.” All the generals responded in unison, and then brought their soldiers into Yunzhou City.

Ha ha…

At this moment, Yang Jian laughed in the sky and praised Zhang Jiao: “The strategist really used his troops like a god, and he captured Yunzhou City so quickly. Not bad.” With

that, Yang Jian ordered Yue Wuya behind him. : “General Yue, these captured prisoners will be handed over to you to take care of them. Don’t make mistakes and let me down…”

When he said this, Yang Jian had a smile on his face, but he looked at Yue Wuya’s eyes. , but flickering complex.

Ever since he knew that Yue Wuya is Yue Feng’s biological son, Yang Jian no longer trusts him. He no longer lets Yue Wuya be the forward to charge into battle, but let him do some aftermath things.

“Yes, Your Majesty!” Yue Wuya responded with a very depressed expression.

Yue Wuya felt the change in Yang Jian’s attitude towards him very early.

Speaking of which, Yue Wuya originally wanted to follow Yang Jian to fight around, build meritorious deeds, and become famous all over the world. He was very depressed

when he realized that Yang Jian no longer reused himself, and he had thought about leaving for the past two days.

However, the Apocalypse Continent was already under the control of Yang Jian, and the life and death of King Guangping and his mother were also in the hands of Yang Jian, which made Yue Wuya very hesitant and had to be cautious. In the end, he could only choose to stay.

call!

At this time, Yue Wuya took a deep breath and said to the soldiers: “Tie all the prisoners and lock them together.”

When he said this, Yue Wuya rode a sweaty horse and came before the prisoners. Looking around, ready to escort in person.

hiss!

At this moment, Yue Wuya saw a familiar figure, his heart trembled, and he couldn’t help gasping for air.

I saw that there was a beautiful and graceful figure in the crowd, with a delicate face, showing the fatigue and weakness after the fierce battle, it was Ren Yingying.

Auntie?

Yue Wuya didn’t participate in the war before, and Yue Wuya didn’t know who was resisting in Yunzhou City, but when he saw Ren Yingying suddenly, Yue Wuya only felt his brain buzzing and his heart was in chaos.

Yue Wuya always believed that after King Guangping seized the throne, Ren Yingying and her mother the Queen disappeared and found a place to live in seclusion, but she never thought that Ren Yingying would appear in Yunzhou City today to help round the continent. Resisting the Northern Ying army, he became a prisoner.

In Yue Wuya’s heart, the closest person in the world, apart from King Guangping, his mother, and Han Bing, was Ren Yingying. He will remember Ren Yingying’s kindness to him for the rest of his life.

Now Ren Yingying has become a prisoner, and she is still a general guarding the prisoner.

Chapter 2143

What a good thing!

For a time, Yue Wuya's face was complicated, and his heart was even more tangled.

How to do? Do you want to let Auntie go immediately?

However, Yang Jian knew that, he would never forgive himself…

Phew!

After struggling for more than ten seconds, Yue Wuya reacted. Instead of recognizing Ren Yingying in the past, he waved his hand and asked the soldiers to lock up the prisoners.

Yue Wuya thought about it, now that there are many eyes and ears around, it will be very troublesome to recognize Ren Yingying. Still looking for an opportunity to see Ren Yingying alone.

…..

At this moment, the Yellow Sea Continent, Xiyan Pavilion.

Yue Feng was in the pavilion master's room and rested for a night. The next morning, he was woken up by the disciples outside.

"Sovereign, Pavilion Master, it's time to get up, your lord is invited."

At this moment, when the female disciple outside the door opened her mouth to call, she covered her mouth and chuckled, her eyes also showing a bit of playfulness.

Feng Tao and the pavilion master lived together for the first time last night, like newly married Yan Er, they must have rested very late, and they must still be sleeping together now.

"Come here… don't shout." Yue Feng responded and sat up in a daze, very depressed.

Nima! What is this Yu Wenyan trying to do? He is already a monarch, so he won't let him sleep in.

Last night, he teased the pavilion master and went to bed very late. Yue Feng was really tired.

Muttering, Yue Feng tilted his head and glanced in the direction of the bed, and saw that the pavilion master was also awake. At this time, he was lying there on his side, the perfect curve was clearly displayed, but the delicate face showed a hint of redness and complexity.

Seeing this scene, Yue Feng showed a smile.

Haha…

This pavilion master, he tapped the acupuncture point by himself last night, and stayed in this posture overnight without moving.

Thinking to himself, Yue Feng walked over quickly, unlocked the acupoints for the pavilion master, and said with a smile, “Don’t look at me like that, I was also afraid of your surprise attack in the middle of the night, so I haven’t unlocked the acupoints for you.

” Feng thought for a while, and continued: “When I rest tonight, as long as you promise not to raid, I won’t tap your acupuncture points, and, don’t worry, I won’t stay here for too long, making you embarrassed all the time. Yes, I’ll leave Xiyan Pavilion as soon as I have the chance, okay?”

When the last sentence was finished, Yue Feng took two steps back and distanced himself from the pavilion master.

Sealed her acupuncture point for one night, so she won’t be angry.

Um!

However, what Yue Feng did not expect was that the pavilion master replied softly, with no intention of taking revenge at all. Not only that, but Yue Feng’s eyes were softer than before.

At this time, Yue Feng did not know that the words he wrote last night completely stunned the pavilion master. At this time, in her heart, she admired Yue Feng in addition to being amazed.

A few minutes later, Yue Feng and the pavilion master washed up and went out to the front hall!

hiss!

As soon as he entered the hall, Yue Feng was stunned when he saw the situation inside.

I saw all the elite disciples of Xiyan Pavilion, standing there neatly, on the throne, Yu Wenyan sat there quietly, wearing a long red dress, very stunning, but the beautiful face showed a bit of coldness, and the whole body was cold. There is also a powerful aura that is not dare to blaspheme.

In the center of the hall, Su Qingyan stood there with a calm expression.

what’s going on?

Yue Feng frowned secretly, feeling a little worried in his heart.

This Yu Wenyan, wouldn't he have already found out Su Qingyan's identity, should he deal with her in public?

Chapter 2144

"Everyone!" At this moment, Yu Wenyan looked around the audience and continued: "The deity announced something, the lady of Qingyan decided to join our Xiyan Pavilion, so the deity decided to give her an introduction today. Ceremony."

What?

Hearing this, Yue Feng almost jumped up and was so anxious.

This Yu Wenyan really did what he said, really wanted Su Qingyan to join the Xiyan Pavilion, and the initiation ceremony was held so soon?

But… Qing Yan really became a member of Xiyan Pavilion, and it is really difficult to leave in the future.

Whoa!

At the same time, the surrounding disciples were also in an uproar, their eyes focused on Su Qingyan, smiling and nodding in greeting.

"Qingyan!"

Finally, Yue Feng reacted and looked at Su Qingyan closely: "We are friends, I still know you well, you are a casual person, and you don't like being restricted by rules and regulations in one place. I lost my memory and thought this place was a good place to stay, but once you regain your memory, you will regret it."

At this point, Yue Feng's eyes were full of urgency and expectation: "So, do you really want to join Xiyan Pavilion? Think twice."

At this moment, Yue Feng was like an ant on a hot pot, and he was so anxious.

call!

Hearing Yue Feng's words, Su Qingyan frowned and pondered.

Yes, what Feng Tao said is right. Now that he has amnesia, he thinks this place is good, but what if he recovers his memory and regrets it?

"Fengtao!"

At this moment, Yu Wenyan smiled, looked at Yue Feng and said meaningfully: “The decision to stay is for Miss Qingyan herself, as her friend, how can you drive her away? How inappropriate? .”

Listening to the tone, it seemed that Su Qingyan was upset, but Yu Wenyan’s eyes were full of smiles.

To be honest, Yu Wenyan always wanted Su Qingyan to leave for the happiness of the pavilion master.

But just now, Yu Wenyan noticed that when Yue Feng was talking, the look in Su Qingyan’s eyes was full of tenderness, which made Yu Wenyan very upset.

Yu Wenyan was a smart person, and suddenly realized that Yue Feng was so anxious to let Su Qingyan leave because he was afraid of hurting her. Under such circumstances, the more Yue Feng thought about Su Qingyan, the less she would let Yue Feng get his wish.

“Miss Qingyan!”

At this time, Yu Wenyan looked at Su Qingyan with a smile: “Don’t pay attention to what Feng Tao said. If you really like this place and decide to stay, just tell me that this deity is yours.”

Having said that, Yu Wenyan did not forget to glance at Yue Feng proudly.

Fengtao, Fengtao, the more nervous you are about this woman, the more I will not let her go. Not only will I not let her go, but I will also have a firm control over her life and death. I will see if you dare to gossip and treat my sister. Okay.

Facing Yu Wenyan’s sincerity, Su Qingyan’s red lips parted lightly, and she said slowly, “I…” As

soon as she said one word, she was interrupted.

“Respected Lord, Pavilion Lord!”

At this time, a female disciple rushed in in a panic, and said to Yu Wenyan and the Pavilion Lord, “It’s not good, it’s not good.”

When she said this, the female disciple Panting and sweating profusely.

“Why are you panicking?” Yu Wenyan frowned, and scolded angrily: “How many times have I told you, as a disciple of Xiyan Pavilion, you must be reserved and steady, and if you are in a panic, what will happen? What does it look like?”

The female disciple was trembling and was about to cry in a hurry.

“What’s the matter, tell me.” Yu Wenyan took a sip of tea, very leisurely.

The female disciple bit her lip and said softly, “Honorable Lord, someone broke into the holy lake, refused to leave, and even made rude words to the patrolling disciples, and is very strong, we…”

What? !

As soon as these words came out, the whole hall was in an uproar!

Who is so bold, dare to break into the forbidden area of Xiyan Pavilion? Are you still going?

Yue Feng was also stunned.

Chapter 2145

I’m going, who is here, dare to provoke Xiyan Pavilion?

However, no matter who came, interrupting Su Qingyan’s initiation ceremony would only benefit him, not harm.

Bang!

Yu Wenyan’s pretty face changed, she patted the table, and stood up abruptly: “Go, let’s see!” The

voice fell, and Yu Wenyan quickly walked out of the hall.

Yue Feng, the pavilion master, Su Qingyan and the disciples also followed.

Soon, near the holy lake, I saw a man in white from a distance, who was confronting several patrolling disciples in Xiyan Pavilion, and at the same time, he was shouting incessantly: “Several beauties are naturally beautiful, how can they speak so unreasonably. What? I passed by with my wife, and seeing the beautiful scenery here, I stopped for a tour and left soon, but you said it was a forbidden area, and you insisted on chasing us. What’s the point of this?”

“Such a big lake. You guys from Xiyan Pavilion? Just a joke, I, Lao Zhu, have always been very reasonable and sympathetic, so don’t mess with me. Otherwise, if I get angry, I will punish you to accompany me to take a bath in the lake…”

When he said this, the man’s eyes kept moving back and forth on several female disciples, very unrestrained.

It was Zhu Bajie!

Swish!

Hearing this, several of the female disciples who were confronting him all turned red and angry, but they didn't dare to act rashly when they sensed the terrifying aura on him.

Behind him, Xu Qingyi stood there quietly, listening to Zhu Bajie's open mouth, teasing these female disciples, with a faint smile on her beautiful face, without the slightest displeasure.

Xu Qingyi and Zhu Bajie have been together for so long, and they have long been used to his personality.

What the fuck?

Seeing this scene, Yue Feng's body froze, completely stunned, and he was both surprised and happy.

Zhu Bajie? Why is he here?

Seeing Xu Qingyi again, Yue Feng was very emotional and admired Zhu Bajie immensely.

Zhu Bajie was fine, he took Duan Yu's wife by force, and he was obedient to other people's training.

At this time, Yue Feng really wanted to rush up to meet Zhu Bajie, but when he thought that he had changed his face and used the fake identity of Fengtao, he forcibly held back,

"Respected lord, pavilion lord!"

Right here At that time, the few patrolling female disciples looked overjoyed when they saw Yu Wenyan bringing everyone over, and hurried over to salute.

Immediately, one of the leading female disciples said to Yu Wenyan, "Your Highness, it's these two people who broke into our holy lake

. The female disciple's face was reddened, showing a bit of shame and anger.

Swish!

Hearing this, Yu Wenyan's pretty face was cold, staring at Zhu Bajie with intense hostility.

This person looks talented, but his speech is glib, and it is not a good thing at first glance.

hiss!

At this moment, seeing so many beauties coming over, one more beautiful than the other, Zhu Bajie was stunned for a while, and couldn't help gasping for air.

In the next second, Zhu Bajie reacted, and looked one by one with an intoxicated look on his face: "Tsk tsk…I didn't expect that such a remote valley not only has such beautiful scenery, but also so many beautiful beauties. My old Zhu is not dreaming, right?"

Huh? The voice fell, Zhu Bajie looked around, his eyes fell on Yu Wenyan and the pavilion master, and he was immediately attracted. Yue Feng and Su Qingyan were behind the crowd, and they hadn't seen it for a while.

beautiful!

So beautiful.

Zhu Bajie became more and more happy as he looked at it, and couldn't stop admiring it in his heart.

Today's Yu Wenyan is wearing a long red dress, which is indescribably sexy, setting off that cold temperament vividly, while the pavilion master is wearing a long white dress, which is indescribably gentle and graceful. Together, each has its own merits.

Zhu Bajie was lecherous by nature, and when he felt the two superb beauties, his eyes were straight.

The ultimate husband in Chinese chapter 2146-2150

Chapter 2146

Swish!

Zhu Bajie's gaze made Yu Wenyan feel uncomfortable, and a killing intent instantly rose up in his heart.

The next second, Yu Wenyan glared at Zhu Bajie, and scolded: "Where is the madman, who dares to break into my Xiyan Pavilion altar, and even makes a rude statement, courting death!

" The sect leader, whoever sees it is not respectful, but the person in front of him, staring at himself without blinking, is simply too presumptuous.

The pavilion master next to him also frowned, looking at Zhu Bajie's eyes, full of disgust and hostility.

This man is so presumptuous, he just doesn't know how to live or die.

"Whoops?"

Feeling Yu Wenyan's killing intent, Zhu Bajie didn't panic at all, and said with a smile, "I praise you for being beautiful, why are you still angry? Look at your eyes, you want to kill me. , but in the real fight, you are not my old Zhu's opponent, I'm afraid that you will be bullied."

"You…"

Hearing this, Yuwen was so arrogant that he summoned a variety of life-threatening boxes, wanting to immediately Killing this man, but sensing Zhu Bajie's strength, he held back and did not dare to act rashly.

Yu Wenyan clearly felt that the strength of the person in front of him was so powerful that it was almost unfathomable. Although he has the strength to cross the Tribulation Realm, he really has no chance of winning. I'm afraid that he can't kill this person, and he will take advantage of him.

However, in front of so many people, this person teased himself, how could he swallow his breath?

"Honored lord!"

At this moment, a faint voice came. Then, Yue Feng walked out of the crowd and said, "Pavilion lord, don't be impatient, I will teach him a lesson for you."

When he said this, Yue Feng looked at Zhu Bajie closely, his eyes were full of coldness, but his heart was full of excitement.

This chapter is provided by . Visit for daily update.

Haha…

Zhu Bajie is here, and now he has a chance to leave.

Yue Feng thought about it, he took the initiative to fight against Zhu Bajie, and while the battle was going on, he quietly revealed his identity to Zhu Bajie, and then asked him to help him and take Su Qingyan away.

To be honest, Zhu Bajie is tyrannical, and if he joins forces with him, he can forcefully take Su Qingyan away, but in that case, the situation will be very chaotic, and it is impossible for Su Qingyan to be accidentally injured.

Therefore, Yue Feng decided to use a safe method.

Um!

Hearing this, Yu Wenyan's beautiful face was full of solemnity, and then nodded.

He is still the monarch of Xiyan Pavilion, and it is very inappropriate to take action rashly. Moreover, the man in white in front of him is too strong. If he loses, he will lose face. It is better to let Feng Tao explore the truth first.

"Fengtao!"

However, at this moment, the pavilion master next to him grabbed Yue Feng, and his delicate face was full of worry: "Fengtao, what are you doing?"

Speaking of which, if one day ago , the pavilion owner will not worry about Yue Feng, and will only rush to let him leave, but after seeing Yue Feng's calligraphy, his inner disgust for him gradually turned to appreciation.

In the pavilion master's heart, Feng Tao's strength is average, but the man in front of him has unfathomable strength, and going up is courting death.

At this time, the pavilion owner did not yet know that Feng Tao's true identity was the hero of the Earth Circle, the emperor of Xi Cang, and the sect master of Tianmen, Yue Feng, whose strength was hidden.

The corners of Yue Feng's mouth twitched, and he looked at the pavilion master with a smile: "This person is slick and disrespectful to you and your lord. As your husband, how can I sit back and ignore it? I must teach him a lesson for you.

" At that time, Yue Feng looked relaxed and his tone was extremely confident.

He and Zhu Bajie are good brothers, how could they really fight?

Swish!

Hearing this, the pavilion's face suddenly turned red.

This Feng Tao is really open-mouthed when he speaks, so many disciples around look at him, saying that it's okay to vent his anger for himself, and calling himself a husband is really embarrassing.

The next second, the pavilion master bit his lip and whispered: “Fengtao, don’t be impulsive, this person’s origin is unknown, and his strength is very strong. If you make a rash move, I’m afraid you will suffer a loss!

” The pavilion master’s face could not hide the tension in his heart.

Ha ha…

Chapter 2147

Feeling the worry on the owner’s face, Yue Feng was overjoyed.

This pavilion master is really interesting. Last night, he kept telling him to leave. Now, seeing himself taking risks, he became worried again.

Thinking to himself, Yue Feng said with a smile, “It’s fine.”

Immediately, he patted the pavilion’s jade hand lightly to signal her peace of mind, and then walked straight to Zhu Bajie.

“You!” The pavilion master was in a hurry, looked at his back, and stomped his feet.

Whoa!

Seeing this scene, the surrounding disciples also whispered.

You want to challenge this man in white?

“The monarch is so manly!”

“Yes, the monarch is not very strong, but at a critical time, he can stand up for the pavilion master and have such courage, which is really admirable!

” Who doesn’t like a man like him?”

Many of the young disciples’ comments, you and I came, almost all of them praised Yue Feng.

At the same time, Su Qingyan, who was standing in the crowd, her delicate face was very calm and did not fluctuate in the slightest, but deep in her heart, she was secretly worried about Yue Feng.

Is this wind wave crazy?

That white clothed man had such a powerful aura that even Yu Wenyan and the pavilion master dared not act rashly, but he took the initiative to challenge.

Su Qingyan has a kind heart, although Yue Feng's behavior made her very resistant, but at this time, seeing Yue Feng coming out to challenge Zhu Bajie, her kind heart still makes her worry for Yue Feng.

"Elder Sister!"

At this time, at the other end of the crowd, a female disciple gently touched Yan Yue and pointed at Yue Feng's figure: "Your Majesty is going to teach that man a lesson, I'm looking forward to it!"

"Haha… Just look for death." Yan Yue said angrily.

Although Feng Tao was the monarch of Xiyan Pavilion, Yanyue still looked down on him in her heart.

In Yanyue's heart, this Fengtao was just lucky. He won the favor of Yu Wenyan and the pavilion master, and then he took the position of the monarch of Xiyan Pavilion. His strength was average, and he could not be the opponent of the man in white.

To do so at this time is complete grandstanding.

"This friend!"

At this moment, Yue Feng came to him, looked at Zhu Bajie and said with a smile: "This friend, it is very inappropriate to run to my site to make trouble!"

Seriously, Yue Feng really wanted to Calling Big Brother Zhu, but thinking that everyone behind Yu Wenyan was watching, he held back.

your territory?

Zhu Bajie frowned, looked at Yue Feng up and down, and said angrily: "Who are you kid?"

"I am the monarch of Xiyan Pavilion, in other words, the male master here." Yue Feng smiled slightly, very responded easily.

Man of the house?

Hearing this, Zhu Bajie's eyes flickered and he laughed: "So it's the man in charge here?"

After speaking, Zhu Bajie looked at Yu Wenyan and the pavilion master, and continued: "So, those two angels The same beauty, is your woman? Boy, it's alright, she's not

shallow Substantial.

Swish!

The words fell, and Yu Wenyan, who was behind, blushed instantly, his eyes fixed on Zhu Bajie, flashing with anger.

This man really can't spit out ivory from a dog's mouth.

How could the dignified Lord of Xiyan Pavilion be Feng Tao's woman? This Feng Tao, having a younger sister, has already been a blessing in eight lifetimes, how can he still be qualified to let himself be his woman.

Chapter 2148

"Boy!"

At this moment, Zhu Bajie said to Yue Feng, "What do you want? You are here to drive me away?"

"Otherwise?" Yue Feng responded with a smile.

Um?

Seeing Yue Feng's calm look, Zhu Bajie was stunned for a moment, then he reacted and said with a chuckle: "Boy, with your strength, you are not qualified to be my old Zhu's opponent, so you should just watch from the side. , lest I, Lao Zhu, accidentally kill you."

When he said this, Zhu Bajie looked contemptuous, and he didn't know that the person in front of him was Yue Feng, and he didn't even realize that Yue Feng was hiding his strength. .

"Stop talking nonsense, let's do it." Yue Feng responded with a relaxed look and a smile!

"Okay, very good!"

Zhu Bajie chuckled: "I already reminded you, but you are so ignorant of praise. Since you have to court death, don't blame me for being rude!" The

voice fell, and he raised his hand. , two rays of light, rising in an instant!

"Boy, you are very honored to let me do it in person!" Zhu Bajie's voice spread coldly throughout the audience, and only the cold words came out of his mouth: "The tiger roars! "

"Ow!" The

voice fell, and a loud tiger roar resounded through the world!

I saw a huge yellow-spotted tiger bursting out of the sky, with a strong aura permeating its body. This yellow-spotted tiger was more than ten meters long.

“Kill!” Zhu Bajie roared frantically, raising his finger to Yue Feng!

Tiger Roaring Universe is one of the few stunts that Zhu Bajie cultivated. Originally, in Zhu Bajie’s heart, the boy in front of him was not qualified to let him perform stunts.

But with so many beauties in the Xiyan Pavilion in front of him, Zhu Bajie’s thoughts were all on the beauties, and he didn’t want to entangle with Yue Feng too much, just wanted a quick solution.

Zhu Bajie has already thought about it, and when he defeats this kid, he will occupy the entire Xiyan Pavilion, and all the beauties here will be his own.

In an instant, the tiger roared wildly, and rushed towards Yue Feng in an instant. Everywhere it passed, a crack was cut in the air!

“Hi!”

Seeing this scene, whether it was Yu Wenyan, the pavilion master, or the surrounding female disciples, they couldn’t help but take a deep breath!

So strong!

This man in white wanted to kill Yue Feng with one blow, and he made a killing move!

This macular tiger, although it is formed by the condensed internal force, can diffuse the breath, almost suffocating, who can stop it?

“Fengtao!” The pavilion master was in a hurry and was about to rush over to help, but where was the time?

What the fuck?

At this moment, Yue Feng was also taken aback.

The strength of this big brother Zhu is so powerful?

Seriously, since knowing Zhu Bajie, this is the first time Yue Feng has fought against him.

However, under the surprise, Yue Feng did not panic at all.

Seeing the roaring tiger coming, I saw him with a calm demeanor, the figure stepped back a few steps, jumped up, and rushed into the air, very skillfully dodging the tiger's pounce.

Um?

Seeing this scene, everyone in Xiyan Pavilion was surprised and happy.

What's going on here? !

Feng Tao's strength is obviously not the opponent of the man in white, but he has escaped this powerful blow. It seems that he was hidden before.

Yu Wenyan frowned, staring at Yue Feng, her eyes twinkling with complexity.

This Feng Tao has been hiding its strength.

"Good boy!"

At this time, Zhu Bajie also had a solemn expression on his face, and said to Yue Feng, "You can actually escape my stunt, it seems that I have to be serious."

Om!

The voice fell, and Zhu Bajie burst out, coming straight towards Yue Feng.

I have to say that Zhu Bajie was very fast, and in a blink of an eye he was already in front of Yue Feng! His handsome face showed seriousness. At that time, he just wanted to get the boy in front of him as soon as possible, and hit Yue Feng with one palm.

If it was normal, Yue Feng would definitely avoid it for the first time.

Chapter 2149

However, at this time, Yue Feng was eager for Zhu Bajie to approach, and saw that he not only did not hide, but also stretched out his palm to meet him. In an instant, the palms of the two people collided! There is no separation!

Whoa!

Seeing this scene, there was an uproar on the ground.

"The monarch wants to fight with this person for internal strength?"

"This…isn't this voluntary death?"

“Yeah, this man in white has unfathomable internal strength. How can the monarch fight with him for internal strength?”

This kid… At

this moment, Zhu Bajie was also stunned for a moment, and then he secretly sneered.

Dare to compete with oneself for internal strength, it is simply courting death.

“Big Brother Zhu!” At

the moment when the two of them put their palms together, Yue Feng lowered his voice and called softly, “It’s me, I’m Yue Feng.”

At this time, Yue Feng and Zhu Bajie, above the air, And the sound was so soft that only the two of them could hear it.

What?

Hearing this, Zhu Bajie’s body shuddered suddenly, staring at Yue Feng, full of disbelief.

Is this person Yue Feng brother?

But his appearance…

Seeing Zhu Bajie’s confused look, Yue Feng smiled and continued: “I used Yi Rong San to disguise a fake identity.”

Phew!

Hearing this, Zhu Bajie reacted, took a deep breath, and said, “Brother, what’s the situation? How could you use a fake identity in the Yellow Sea Continent?”

When saying this, Zhu Bajie’s eyes were full of doubts, and he just felt that his brain was not enough.

When Zhu Bajie was seriously injured by Yang Jian in Beiying Continent, he took Xu Qingyi and found a hidden place to cultivate. At the same time, he secretly inquired about the situation in Beiying Continent. At that time, Yang Jian said that it was he and Chang’e who joined forces to harm him. After the death of Emperor Hou Yi, Zhu Bajie didn’t care at first, but after thinking about it carefully, he felt that the matter was very strange.

However, what made Zhu Bajie depressed was that Chang'e disappeared, and this matter was finally settled. In this case, Zhu Bajie took Xu Qingyi and continued to play around.

Some time ago, I learned that Yang Jian led the army to conquer Nanyun Continent and was defeated by Yue Feng. Therefore, in Zhu Bajie's heart, he always thought that Yue Feng was in Nanyun Continent, but he never thought that he would meet him here. arrive.

Ugh!

Yue Feng smiled bitterly and responded, "It's hard to say anything, Big Brother Zhu, let's not talk about the old times. You pretend that you don't know me, and you will find an opportunity to help me take the light smoke away."

When he said this, Yue Feng kept floating . In mid-air, he and Zhu Bajie maintained the appearance of competing with each other.

Light smoke?

Zhu Bajie frowned, then looked down, and soon saw Su Qingyan in the crowd, and was stunned for a moment.

What the hell is this Yue Feng doing? Su Qingyan was his woman, but she asked herself to help him take it away.

Zhu Bajie had been in the Ouyang family, and naturally knew Su Qingyan.

At this time, Zhu Bajie didn't know that Su Qingyan had amnesia and completely forgot about Yue Feng.

In the next second, Zhu Bajie responded and said, "Okay, what do you say brother, what should I do?"

Although he didn't fully understand the situation, Zhu Bajie trusted Yue Feng very much.

Um!

Yue Feng smiled and told his plan.

Phew…

At this time, the people below stared at Yue Feng and Zhu Bajie in midair, each with an extremely complicated expression.

"Is this… the monarch's internal strength so strong?"

“Yes, the two have been fighting for so long, and the monarch is still insisting .

“

When they came out, they couldn’t hide the shock in their hearts. There were even many female disciples who looked at Yue Feng’s eyes with a strange light, full of admiration.

At this time, everyone in Xiyan Pavilion didn’t realize that Yue Feng, who was in mid-air, seemed to be competing with Zhu Bajie, but in fact, he was chatting.

Chapter 2150

“Okay!”

At this time, after Yue Feng told his plan, he whispered: “Brother Zhu, it’s almost there, let’s start!”

Mmm!

Zhu Bajie nodded, then stepped out of a very proud posture and shouted: “Boy, it’s over.” The

voice fell, and Zhu Bajie’s palm suddenly pushed forward, which seemed very mighty, but in fact there was no Inspire inner strength.

“Oops…”

At this moment, Yue Feng pretended to be injured by Zhu Bajie’s internal force, shouted, and fell to the ground. After landing, he stepped back ten steps in embarrassment.

What?

The monarch is defeated?

Seeing this result, the surrounding Xiyan Pavilion disciples were all stunned. They thought that if the monarch dared to fight with this man in white, he would have a chance to win, but he did not expect that he would lose in the end.

Everyone at this time did not know that this was deliberately performed by Yue Feng and Zhu Bajie.

“Fengtao!” After a few seconds, the pavilion master reacted and walked over quickly. He supported Yue Feng with his jade hand, and asked with great concern, “How are you? Are you okay?”

At the same time, there were many young disciples, They also gathered around, each with a worried look on their faces.

Only Yu Wenyan, standing there, looked at Yue Feng in a complicated way, his delicate face did not fluctuate at all.

Yue Feng was in midair, talking to Zhu Bajie secretly, but Yu Wenyan didn't see it either.

But in Yu Wenyan's heart, this Feng Tao is obviously of average strength, but suddenly it has become so strong, it is really suspicious.

call!

Facing the concern of the pavilion master and the surrounding female disciples, Yue Feng showed a smile, shook his head and said, "I'm fine!"

Immediately, Yue Feng reminded the pavilion owner: "This person is very strong, I am not an opponent, you guys Be careful." The

pavilion master bit his lip and nodded.

Whoosh!

And at this moment, while everyone's attention was on Yue Feng, Zhu Bajie flashed and rushed directly to Su Qingyan.

popping.

In the next second, Zhu Bajie shot like electricity and hit several acupoints on Su Qingyan's body.

In an instant, Su Qingyan's delicate body trembled, unable to move, she was shocked and angry: "You…what are you doing?"

At this moment, Su Qingyan was very flustered, and she never thought that this man in white, Suddenly he will attack himself.

"Haha.."

Zhu Bajie smiled and put on a lewd look: "Aiya, this beauty is truly magnificent, even the gods can't match your style, so many beauties, only you make me old Zhu Xinxin, come with me, haha…" The

voice fell, Zhu Bajie grabbed Su Qingyan, and at the same time, he greeted Xu Qingyi who was not far away, and quickly flew into the distance.

Yes, what Zhu Bajie just did was exactly Yue Feng's plan.

Yue Feng's plan was very simple. He pretended to lose to Zhu Bajie and looked injured to attract the attention of everyone in Xiyan Pavilion. Then Zhu Bajie attacked Su Qingyan and took her away.

To be honest, Yue Feng didn't want to be so troublesome, but he couldn't. Under Duan Yu's provocation, Su Qingyan hated herself very much. If she revealed her true identity, not only would Su Qingyan not go with her, she might even resist.

More importantly, this is the main altar of Xiyan Pavilion. Once the situation gets too messy, I'm afraid that if I join forces with Zhu Bajie, they may not be able to successfully take Su Qingyan away.

Therefore, Yue Feng thought about it, only this method was the safest.

All this happened too fast, and when everyone in Xiyan Pavilion reacted, the three Zhu Bajie had disappeared from sight.

Haha…

Seeing this scene, Yue Feng was extremely excited.

It was successful, Qingyan was taken away by Zhu Bajie, and he finally had no worries.

The ultimate husband in Chinese chapter 2151-2160

Chapter 2151

Swish!

Yu Wenyan's face was instantly ugly. Seeing Zhu Bajie grab Su Qingyan and leave, she was extremely annoyed.

The establishment of Xiyan Pavilion over the years has always been an existence that people fear and yearn for in the arena, but now it is a shame that a man has taken people away in front of everyone's eyes.

"Quick!" At this time, the pavilion master looked anxious, and while supporting Yue

Feng, he instructed the surrounding disciples: "Quickly catch up with that person and save Miss Qingyan."

, the pavilion master also regarded his friends as his own. At this time, seeing Su Qingyan being taken away, he was very anxious.

At this time, the pavilion owner did not know that Yue Feng did this on purpose.

"Yes, Pavilion Master!" The disciples responded and were about to pursue, but Yu Wenyan stopped them.

"No need!"

Yu Wenyan said lightly, with a deep smile on her beautiful face: "This Su Qingyan has not started the introductory ceremony yet, and she is not a member of our Xiyan Pavilion. We don't matter."

Seriously, Yu Wenyan was annoyed at first when Su Qingyan was taken away, but thinking of Feng Tao's suspiciousness, Yu Wenyan decided to ignore it for now.

Now, the most important thing is to figure out Feng Tao's identity.

Uh…

Hearing this, the pavilion master and the surrounding disciples were stunned.

Yue Feng frowned secretly.

This chapter is provided by . Visit for daily update.

Nima, this Yu Wenyan is not only decisive, but also cruel. Before, Su Qingyan had been asked to join Xiyan Pavilion, but now it doesn't matter.

However, Yue Feng didn't bother to care about these. Anyway, Su Qingyan had successfully left, so he didn't have to worry about anything.

"Fengtao!"

However, at this moment, Yu Wenyan came slowly and looked at Yue Feng with a half-smiling smile: "Your confidante was taken away, are you in no hurry?"

Yuwen said this. Yan's eyes flickered, as if to see through Yue Feng.

"Hurry up!"

Yue Feng smiled bitterly and responded, "But what's the use of being in a hurry? I was shocked by that person's internal force, and you, Your Highness, refuse to help, so I can't do anything about it.

" , continue to pretend." Yu Wenyan sneered, and his tone became gloomy: "The strength of that person just now is above the realm of tribulation, and you, but a person in the realm of Martial Emperor, actually fought with him for internal strength, fighting so hard. It's been a long time, it's very suspicious."

After speaking, Yu Wenyan's eyes became sharp: "You hid your strength before, didn't you? And your name is not Fengtao, right? Say, who are you?"

Shuh!

When the voice fell, whether it was the pavilion master or the surrounding female disciples, their eyes were focused on Yue Feng, and their hearts were extremely surprised.

Yes, the lord said it well. I thought this Feng Tao was just a doctor with excellent medical skills. I didn't expect that his strength was so strong, and his identity was indeed suspicious.

Especially the pavilion master, staring at Yue Feng, a heart beating faster.

This Feng Tao, not only has excellent medical skills, but also has extremely high attainments in calligraphy. Now his real strength is so strong…

With so many skills, how could he be an unknown person?

Who is he?

“Your Highness!”

Yue Feng smiled slightly, and responded very relaxedly: “I said it before, my name is Feng Tao, and I am a pawn in the Jianghu. Why are you so interested in my identity?”

At this time, Yue Feng had a leisurely expression on his face. , don’t panic at all.

Even if Yu Wenyan doubts herself, she has no evidence in her hand, and if she doesn’t let go, she can’t do anything about it.

Yue Feng thought about it, and when he found an opportunity, he left directly.

“You’re not telling the truth, are you?” Yu Wenyan lost his patience and said coldly, “Aren’t you afraid that I will kill you?”

Chapter 2152

Nima!

Yue Feng is also a little hot, this Yu Wenyan, his brain is really a muscle, it is endless.

The next second, Yue Feng chuckled and said lightly, “Your Highness, if you really want to do something, you may not be able to beat me. If you don’t believe me, we can discuss it.”

Yue Feng was annoyed by Yu Wenyan’s question. Anyway, Su Qing The cigarette has already left, and I am too lazy to put it on.

Of course, Yue Feng was not impulsive and wanted to discuss with Yu Wenyan, but he wanted to take the opportunity to leave Xiyan Pavilion while they were fighting.

Whoa!

As soon as these words came out, there was an uproar in the audience, and all the disciples stared at Yue Feng, speechless.

“This…”

“What’s wrong with Fengtao? You want to turn against the lord?”

“The lord just asked him about his identity, but he is so sensitive. It seems that there is something wrong.” During the

discussion, Yan Yue couldn’t help but come out. , sneered at Yue Feng: “Fengtao, you are not too timid, but you dare to speak up and contradict your lord?” After speaking, Yanyue could

n’t hide her contempt, and continued: “Don’t forget, your monarch’s identity is The Lord gave you, without the Lord, you are nothing.”

Yue Feng chuckled, too lazy to pay attention to her.

Feeling Yue Feng’s indifference, Yan Yue felt humiliated and her body trembled with anger.

Immediately, Yan Yue said to Yu Wenyan: “Respected lord, this Feng Tao is a villain, relying on his relationship with the pavilion lord, he doesn’t take you seriously at all, and completely forgets the favor you gave him. , How could such an ungrateful person be good to the pavilion master in the future? How could it be possible to do things for Xiyan Pavilion wholeheartedly?” The

voice fell, and many young disciples nodded.

“Yeah, the villain has been arrogant, and he has been arrogant in just a few days?”

“According to me, this person is not only suspicious, but also not very good.” “I beg

the Lord to order and take this person down.”

The discussion kept coming, Yu Wenyan had a cold and pretty face, and did not respond.

In the hearts of everyone, they believed that Yue Feng was relying on the relationship of the pavilion master to talk to Yu Wenyan like this. If he really wanted to fight, he could not be the opponent of the honored master.

The pavilion master on the side bit his lip tightly, and his heart was in chaos.

What happened to this wind wave? He turned against Yu Wenyan as soon as he disagreed…

Just to avoid the question of identity, does he really want to fight with Yu Wenyan?

“Fengtao!”

Finally, Yu Wenyan reacted and sneered at Yue Feng: “What did you just say? You want to compete with this deity? You also said that I might not be your opponent? Well, very good, then let’s try Try.”

Om!

The voice fell, and a powerful breath burst out from Yu Wenyan's body. In an instant, the calm lake water set off waves of waves, and the surrounding air seemed to be distorted.

The breath of the Tribulation Realm made people panic.

However, Yue Feng did not panic at all, and nodded with a smile: "Okay."

Since he stopped pretending, there is nothing to worry about.

Saying that, Yue Feng turned his head to look at the pavilion master: "Pavilion Lord, I will have a good discussion with the Honorable Lord, I hope you don't interfere, okay?"

A few days ago, Yue Feng took advantage of Yu Wenyan to bathe and planned to leave, but was caught by The Pavilion Master's Heavenly Feather Needle was given, and Yue Feng still remembers that feeling until now, and he did not dare to act rashly after that because he was afraid of the Pavilion Master's Heavenly Feather Needle.

Now, to fight with Yu Wenyan, the pavilion master must not interfere. After all, the Heavenly Feather Needle of the Pavilion Master was so fast that it was hard to guard against.

"Okay!" The

pavilion master bit his lip lightly and nodded.

Feng Tao said it all, just to discuss with Yu Wenyan, the two should not be too stiff.

At this time, the pavilion master still didn't know that Yue Feng's discussion was fake. The real purpose was to leave when he wanted to fight with Yu Wenyan.

call!

Seeing this scene, the surrounding disciples all retreated into the distance.

For a while, the audience was silent, almost audible needles falling.

Yue Feng and Yu Wenyan stood opposite each other by the lake, the atmosphere was dignified, and the pressured people couldn't breathe.

Chapter 2153

"Respected Lord!"

At this moment, a female disciple walked quickly from a distance, and whispered a few words in Yu Wenyan's ear.

This female disciple was the one that Yu Wenyan sent out to investigate Su Qingyan's identity two days ago. Also Yu Wenyan's cronies.

Swish!

After listening to the female disciple's report, Yu Wenyan's body was shocked in an instant, and he couldn't hide the shock in his heart: "The woman who was just captured by the man is the Sect Master Wenzong of Dongao Continent? Or the woman of Yue Feng?

" Yu Wenyan suddenly thought of something, and his eyes locked on Yue Feng: "You care so much about Su Qingyan, don't tell me…you are Yue Feng?

"

Seeing Yu Wenyan revealing his true identity at once, Yue Feng was stunned.

This Yu Wenyan was really amazing, knowing Su Qingyan's identity, he immediately guessed who he was.

Two seconds later, Yue Feng reacted and said with a smile, "Not bad!" When the

voice fell, Yue Feng stretched out his hand, wiped off the Yi Rongsan on his face, and returned to his original appearance.

I saw that that ordinary face suddenly became angular, and it was indescribably handsome and stylish.

Whoa!

In an instant, both the pavilion master and the female disciples trembled, staring blankly at Yue Feng, speechless.

This… is this person Yue Feng?

It was the famous figure who moved the continent of Kyushu. Some time ago, the person who repelled the Beiying army, the Sect Master of Tianmen, the Emperor of Xi Cang…

At this moment, the air above the entire holy lake seemed to be stagnant.

Especially the pavilion master, looking at Yue Feng, his delicate body trembled…

It turns out… he is the famous Yue Feng in Kyushu!

Thinking about it, the pavilion master's heart beat faster.

Speaking of which, after seeing Yue Feng's calligraphy, the pavilion master knew that this man was extraordinary, but he never thought that his origins would be so big.

The Sect Master of Tianmen, the hero of the Earth Round Continent, the Emperor of Xi Cang, with so many titles, is not something ordinary people can achieve.

call!

Yan Yue, who was not far away, was trembling even more, staring blankly at Yue Feng, full of shock.

Total shock.

This… This person turned out to be Yue Feng from Megatron Kyushu?

And he himself is against him everywhere.

"Yue Feng!"

At this moment, Yu Wenyan finally reacted, his eyes were fixed on Yue Feng, and he gritted his teeth and said, "It's really you, today, you can't leave Xiyan Pavilion alive."

When he said this, Yuwen Yan's tone was extremely cold, and there was a strong killing intent in his eyes.

At the Famous Sword Villa, he was defeated in public by Yue Feng, which was an indelible humiliation in Yu Wenyan's heart. Two days ago, he was peeking at his bath, and Yu Wenyan was even more furious.

hum!

The voice fell, and a powerful breath filled Yu Wenyan's body! Immediately, he raised his jade hand and hit Yue Feng with a palm!

"Sister, don't…"

Seeing this scene, the pavilion master couldn't help but exclaimed, extremely anxious.

Although it was the first time I saw Yue Feng, the pavilion owner had a strong reputation for him, and the pavilion owner at this time could clearly feel that Yue Feng's true strength was very powerful. suffer.

Ha ha!

This woman, Yu Wenyan, has a really pungent personality.

Seeing Yu Wenyan slapped with a palm, Yue Feng chuckled lightly, without panic at all, then quickly rushed up, raised his hand and collided with Yu Wenyan's palms!

clang!

Just hear a loud bang! At the moment when the two palms collided, a tyrannical fluctuation of internal force swept the Quartet!

Seeing Yu Wenyan groaning, her delicate body suddenly trembled in mid-air, and she stepped back dozens of meters! And Yue Feng, just a few meters back, quickly stabilized his figure!

Chapter 2154

Obviously, with this palm down, Yue Feng has the upper hand!

Whoa!

Seeing this scene, both the pavilion master and the surrounding female disciples were all shocked.

This Yue Feng's strength is actually so strong?

No, this Yue Feng is just Martial Emperor, and Yu Wenyan's strength is to cross the Tribulation Realm! The cultivation realm is higher than that of Yue Feng, but in this palm, Yue Feng has the upper hand?

At this time, everyone still doesn't know that Yue Feng is practicing the Pure Yang Sutra, and his internal strength is extremely strong. Moreover, he is only one step away from Transcending Tribulation Realm!

call!

At this time, Yu Wenyan was also shocked and angry. She thought that when Yue Feng was able to defeat her in Mingjian Villa before, it was because of Fang Tianhuaji's power. With that palm just now, Yu Wenyan clearly sensed that Yue Feng's inner strength was pure and not under his own.

Under the shock, Yu Wenyan was extremely embarrassed and shouted at Yue Fengjiao: "Yue Feng, even if your inner strength is pure, don't think about leaving safely today! No matter what today, this deity will take your dog's life!"

"Okay ! Ah! I'll wait and see!" Yue Feng smiled slightly, his tone full of ridicule.

To be honest, Yue Feng didn't think about fighting, and left as soon as he had the chance, but he felt Yu Wenyan's deep hatred for him, and Yue Feng changed his mind.

A woman with such a strong character must completely destroy her self-confidence. If she is left alone, it will be a huge hidden danger.

After all, this Yu Wenyan is not only the lord of Xiyan Pavilion, but also the leader of the Huanyin Sect, with an extraordinary identity.

“Suffer to death!”

Yu Wenyan was too lazy to talk nonsense, he gave a coquettish shout, flipped his jade hand over, and slapped Yue Feng again!

“Oh!” Yue Feng didn’t panic at all, but instead laughed and teased : “Your lord is going to kill me. You look so beautiful, but your heart is so cruel, how can you marry in the future?” The wind directly greeted it.

Swish!

Hearing Yue Feng’s ridicule, Yu Wenyan’s delicate face suddenly turned red, and his heart was full of shame and anger. However, Yue Feng was so ridiculed, how could he bear it?

Bang bang bang…

The two of them were in mid-air, constantly shuttled to each other, bursting with breath vibrations, Yu Wenyan was a little confident at first, but after a few rounds, it felt wrong.

Shocked!

what happened? This Yue Feng’s realm is lower than his own, but he can’t suppress him?

At this time, Yu Wenyan didn’t know yet, although Yue Feng was in the realm of Martial Emperor, but because of the pure yang scriptures he cultivated, his inner strength was pure, and if he burst out with all his strength, it would be enough to fight against the transcendence realm!

call!

Seeing this scene, the pavilion master and middle disciple on the ground were all heartbroken, and they couldn’t be nervous.

This Yue Feng is so difficult to deal with, it is a little difficult for the Lord to defeat him!

Especially the pavilion master, biting his lip tightly, looking at the two figures in the air, his beautiful face was full of anxiety, and his heart was extremely complicated.

At this time, the pavilion owner was very entangled. He wanted Yu Wenyan to win, but he did not want to see Yue Feng lose.

Although I have only been in contact with him for a few days, after seeing Yue Feng's medical skills and calligraphy, the pavilion owner was deeply attracted by his charisma, and when he knew his true identity just now, the pavilion owner was not only shocked, but also a little fascinated.

Seriously, with a presence like Yue Feng, any woman who sees him can't stop his charm. Including the patriarch.

In the pavilion master's heart, a person like Yue Feng is the most ideal friend and ally. At this time, seeing Yu Wenyan and him fighting fiercely in mid-air, endlessly dying, can you be in a hurry?

Click.

Just when the pavilion master was secretly anxious, Yu Wenyan in mid-air, clutching the ever-changing life-threatening box, exploded completely. I saw that streaks of cold light shot out from the ever-changing life-threatening box and came straight towards Yue Feng.

Those cold beams are the sharp blades in the ever-changing life-threatening box. Like the pavilion master's Tianyu needle, each one is made of purple gold cold iron, extremely sharp, and smashes iron like mud.

Dozens of cold beams erupted, and all the air was torn apart.

Nima!

It's not over, is it?

Seeing Yu Wenyan's ultimate move, Yue Feng was furious. You know, Yue Feng seems to go all out, but in fact, he has always been merciful to Yu Wenyan.

"Crack!" In the

next second, with a crisp sound, Fang Tianhuaji was held tightly by Yue Feng.

Chapter 2155

As soon as Fang Tianhua's halberd came out, a wave of endless fighting spirit suddenly erupted from Yue Feng's body, and the air seemed to be filled with a bloody aura.

Fang Tian painted a halberd?

Yu Wenyan bit his lip tightly, looking at Fang Tianhuaji, his delicate face showed a bit of fear, but for the sake of shame, Yu Wenyan was heartbroken, accelerated his speed, and fought fiercely with Yue Feng.

hiss!

Seeing this scene, the pavilion master and the disciples below were all trembling, and couldn't help gasping for air.

What a powerful suffocation.

Could it be… Yue Feng is holding the famous Fang Tian Hua Ji?

In shock, everyone present broke into a cold sweat for Yu Wenyan.

Especially the pavilion master, the beautiful face is full of anxiety.

Although Yu Wenyan broke out with all his strength, Fang Tianhuaji, who faced Yue Feng, was probably not his opponent…

In a blink of an eye, half an hour had passed, and Yu Wenyan, relying on the ever-changing life-killing box, used a lot of stunts, but Still unable to suppress Yue Feng.

"Sister!" At this moment, Yu Wenyan was a little anxious, and shouted at the pavilion owner: "This thief Yue Feng is not only cunning, but also very difficult to deal with, come and help!"

Yes, Yu Wenyan has a arrogant personality, if it is normal , will never ask for help, but in order to kill Yue Feng, he can't care about so much.

What the hell!

Hearing this, Yue Feng's face changed greatly.

To be honest, Yue Feng is not afraid of Yu Wenyan and the pavilion master joining forces. The only thing he is afraid of is the pavilion owner's Tianyu needle. You must know that the feather needles that day were as fine as dust and as fast as lightning, which completely caught people off guard.

Thinking to himself, Yue Feng looked closely at the pavilion master below, his mind quickly turned, thinking about countermeasures.

"Sister!"

Just when Yue Feng was secretly worried, he saw the pavilion master biting his lip lightly, and his beautiful face was very hesitant.

The next second, the pavilion master said softly to Yu Wenyan: “Don’t fight, I’ll take a look at this matter, let’s just forget it.”

When he said this, the pavilion owner’s eyes were complicated, and he did not look at Yu Wenyan.

At this time, the pavilion master was full of admiration for Yue Feng, and really didn’t want to do anything with him.

What?

Hearing this, Yu Wenyan’s body trembled, and his eyes were fixed on the pavilion master, thinking that he had heard it wrong, and it was difficult to be confident.

He and her are the same sister, but she is unwilling to help?

The next second, Yu Wenyan understood something, and his body trembled with anger: “Sister, this Yue Feng is just a bastard, you won’t really fall in love with him, right?”

Yu Wenyan thought of something, her delicate face With a bit of a wry smile: “Yes, the two of you are already married, and you are forgiven for not wanting to hurt him.”

Until now, Yu Wenyan still believes that the pavilion owner has a relationship with Yue Feng. .

“No…” The

pavilion master’s face turned red all of a sudden, and then he reacted and explained anxiously: “I really don’t have him…” Before he

finished speaking, he saw a sudden change in the air. Sudden.

Whoosh!

Seeing Yue Feng turn around, taking advantage of the opportunity of Yu Wenyan’s dialogue with the pavilion owner, he quickly flew into the distance.

While flying, Yue Feng did not forget to look back at Yu Wenyan and teased with a smile: “Your Highness, I still have something to do, so I won’t accompany you. outside.

Swish!

Seeing this, Yuwen’s flaming body trembled, and his eyes were full of anger.

“Run?” The

next second, Yu Wenyan snorted: “I said, you don’t want to leave alive today.” The voice fell, Yu Wenyan’s figure rose up, and quickly chased towards Yue Feng.

At this time, Yu Wenyan has lost his mind. This Yue Feng has repeatedly humiliated himself in public. If he is allowed to run away under his nose today, what will he lose face?

The ultimate husband in Chinese chapter 2156-2160

Chapter 2156

“Sister, don’t!”

Seeing this scene, the pavilion master trembled and hurriedly stopped, but it was too late. Seeing Yu Wenyan chasing Yue Feng, he has disappeared from sight.

“Quick, catch up quickly.” The pavilion master stomped his feet in a hurry and shouted at the surrounding disciples.

“It’s the pavilion master!” The disciples reacted, urging their figures and chasing in the direction of the two.

On the other side, Yue Feng flew for a few minutes, only to feel that the distance between Yu Wenyan and himself was getting closer and closer, and he was about to catch up!

Although Yu Wenyan couldn’t compete with Yue Feng’s internal strength, but after all, he was in the realm of tribulation, and his speed was very fast.

However, at this time, Yue Feng was not flustered at all, but rather helpless.

This Yu Wenyan is too persistent, which is really a headache.

call!

Muttering in his heart, seeing a bare hillside in front of him, Yue Feng took a deep breath, tapped the ground with his toes, and stopped.

At the same time, outside the forest, Yu Wenyan also stopped, and looked at Yue Feng coldly: “Don’t run away?” His tone was cold, revealing deep resentment.

Ugh!

Yue Feng sighed lightly and looked at Yu Wenyan with a smile: “Why should I run away when there are beautiful women chasing?”

After speaking, Yue Feng's face showed a bit of playfulness and continued: "Yu Wenyan, you are chasing after. I'm chasing so closely, do you like me and want to take me back to Xiyan Pavilion to be your man? If so, you can just say it directly, it doesn't have to be so laborious." The

voice fell, Yue Feng smiled.

Swish!

Hearing this, Yu Wenyan's face was extremely red, and he said: "A dog's mouth can't spit out ivory, you are a scourge if you keep it, I have to kill you today!"

Yue Feng, this bastard, has already reached this point. At this point, he even teased himself with a smile on his face, and it would not be a pity to die 10,000 times.

"Kill me?"

Yue Feng laughed and shook his head: "I advise you to give up. Although you are in the tribulation realm, you are not my opponent! Go back obediently!"

"Bah!"

Seeing Yue Fengyi With a confident face, Yu Wenyan couldn't help spit, and said coldly: "Yue Feng, don't be complacent, don't think I can't kill you!"

"Om!"

At this moment, Yu Wenyan slowly lifted up. Hand, a strong internal force fluctuation, surging between heaven and earth.

"Shengxu Divine Art."

Yu Wenyan's red lips opened slightly, and four cold words slowly came out of her mouth.

The next moment, the air suddenly split in front of her! A black vortex appeared around her! Those black vortices were obviously transformed by internal force.

Shengxu Divine Art is Yuwenyan's stunt to press the bottom of the box. Unless it is a last resort, it will not be used. Because it consumes too much internal energy, it will take a month to recover if used once, but Yuwenyan can't care about killing Yue Feng today. So much!

Buzz!

In a short blink of an eye, hundreds of black vortices suddenly oscillated. It was a sunny day, and suddenly it became dark. Then those black vortices formed a terrifying whirlwind and flew to Yue Feng in an instant!

“Yue Feng, kill me!” Yu Wenyan shouted coldly.

Whoosh!

The huge black whirlwind swirls the world, and the speed is really too fast. In the blink of an eye, it has already swallowed Yue Feng.

What the hell!

Yue Feng was shocked, Yu Wenyan was crazy.

He knew that every expert who crossed the tribulation realm had the stunt of pressing the bottom of the box. He never imagined that in order to kill him, Yu Wenyan in front of him would release his stunt of pressing the bottom of the box, and this skill was so terrifying!

Seriously, in the blink of an eye, the sweat on Yue Feng’s face fell down!

“Nine Dragons Ascension!”

At this critical moment, Yue Feng did not hesitate, his inner strength exploded and he roared loudly.

In an instant, a terrifying aura permeated from Yue Feng’s body, and then, nine golden dragons roared out to meet the huge black whirlwind.

Nine Dragons Ascension to Heaven is a skill that Yue Feng first learned as a cultivator. After more than ten years, this skill has become a perfect skill.

boom!

The nine golden dragons collided with the black whirlwind, and a terrifying aura vibrated, and the strong aura dissipated, making the area within a kilometer radius gloomy, like the end of the world.

Chapter 2157

saw that Yue Feng was standing there unscathed. This move, Nine Dragons Ascension to Heaven, successfully blocked Yu Wenyan’s stunt.

What?

Seeing this scene, Yu Wenyan's body trembled and was extremely shocked.

Total shock.

His strongest stunts have been displayed, yet he still hasn't successfully killed Yue Feng?

Rumbling…

Just when Yu Wenyan was in shock, suddenly, there was a burst of violent roars and vibrations from the hillside under his feet. Then, the hillside suddenly collapsed, revealing a large pit with a diameter of several hundred meters.

Obviously, the bottom of this bare hillside is empty. Just now, Yu Wenyan and Yue Feng competed for stunts, and the terrifying aura that erupted caused the landslide.

Hula….

The incident happened suddenly, both Yue Feng and Yu Wenyan's expressions changed, and they fell directly before they could react.

Huhu…

The wind whistled in his ears, Yue Feng's body kept falling, and he was secretly surprised.

Yue Feng saw that the steaming under the deep pit was actually a huge underground cave, with an underground magma river flowing slowly.

No wonder there is not a single tree bare on the entire hillside. It turns out that there is magma underneath.

But what makes Yue Feng relax is that this underground magma river does not cover the entire bottom, and there are many places to stand.

Boom!

After more than ten seconds, Yue Feng's feet had already touched the ground. Although he was prepared, inertia still made Yue Feng stagger back ten steps.

Stabilizing his figure, Yue Feng hurriedly looked at the environment in front of him, and saw that the cave was very deep, winding and extending, and he didn't know where it led.

Looking at the top of the head, it is tens of thousands of meters high. Just now, Yue Feng used his skills to block Yu Wenyan's stunt, which consumed a lot of internal energy, and it was difficult to fly up.

Nima, today is really unlucky, not to mention being entangled by a crazy woman like Yu Wenyan, and falling into such a ghost place.

To be honest, Yue Feng has the cold fire of white lotus and is not afraid of this underground magma at all, but in this unfamiliar environment, he is also very depressed.

Whoosh.

It was at this time that I heard a movement above my head, and I saw Yu Wenyan's pretty face pale and fell down.

At this moment, Yue Feng could clearly feel that Yu Wenyan was incomparably weak, and it was obvious that the 'Sacred Ruins Divine Art' just now used up his internal energy.

In such a state, if you fall to the ground, you will not die or be disabled.

Thinking to himself, Yue Feng didn't hesitate, ran over quickly and hugged Yu Wenyan in his arms.

Although Yu Wenyan always wanted to put him to death, Yue Feng was kind-hearted and could not bear to see her disappear.

call!

smell good.

Softly into his arms, Yue Feng couldn't help sighing, and then looked at Yu Wenyan with a smile: "Yu Wenyan, I didn't lie to you, it would be a pity if a beautiful woman like you fell to her death like this!"

Slap!

As soon as the words fell, Yu Wenyan's pretty face was flushed red, and his eyes were almost bursting with fire, and then, a slap slapped over without warning.

Nima!

Yue Feng covered his face, looking depressed, and at the same time holding back his fire.

I saved you, but if you don't appreciate it, you still beat people? It is incomprehensible.

"Yue Feng, you rogue bastard, even if the deity falls to his death, don't let you save it!" Yu Wenyan said coldly, with disgust and contempt flashing in his eyes.

When the words fell, Yu Wenyan struggled to escape from Yue Feng's embrace.

hiss!

The next second, Yu Wenyan looked around at the surrounding environment, and suddenly his body trembled.

This… is actually an underground cave? And an underground magma river?

"Yu Wenyan!"

At this moment, Yue Feng said lightly: "I know, the reason you hate me so much is because I was in the famous sword villa before, sabotaged your plan, and let you lose in front of many people. I saved face, but I saved your life just now, and we have settled our grievances!"

After speaking, Yue Feng looked at the huge cave in front of him and continued: "This place is very complicated, and it is so hot, we can It's hard to say if you can't go out, let's have your destiny!"

Chapter 2158 The

voice fell, and Yue Feng walked straight forward.

After being in the rivers and lakes for so many years, Yue Feng is calm when he encounters problems. He firmly believes that the huge cave in front of him is deep and long, and there must be a way out.

Yu Wenyan bit his lip, did not respond, and followed slowly.

Yue Feng guessed right, Yu Wenyan just performed a stunt and exhausted her internal strength. At this time, there is no doubt that ordinary people, with her current state, it is difficult to go out alone, so she can only follow Yue Feng.

The two walked one after the other, following the underground magma river, slowly moving forward. In the magma river, fire rose, and the entire cave was filled with an extremely scorching aura.

Yue Feng has a cold white lotus in his body, and this scorching aura has no effect on him at all.

As for Yu Wenyan, his internal strength was exhausted, and he could endure it forcibly at first, but gradually, he couldn't hold it anymore. The delicate face was extremely red, and the delicate body was dripping with sweat. Yu Wenyan is the strength to cross the Tribulation Realm, but there is too much magma around, like a sea of fire, and the magma here is extraordinarily hot. Rao is her strength to cross the Tribulation Realm, and it won't last long.

"Hey!"

Seeing Yue Feng's expression as usual, Yu Wenyan couldn't help but be curious and asked, "Yue Feng, why are you okay?"

At this time, Yu Wenyan didn't know that Yue Feng had a cold white lotus in his body. , thinking that he has cultivated a special technique and is not afraid of flames.

"This…"

Seeing her curious look, Yue Feng smiled slightly and said, "I have white lotus cold fire, ordinary fire, and can't hurt me at all!" As

he said, Yue Feng raised his hand, I saw a white flame jump out.

What?

Seeing Bai Lian's cold fire, Yu Wenyan's body trembled, and her flushed face was full of shock.

He actually has Bailian cold fire? You must know that Bailian Lenghuo is the number one abnormal fire in the world. It has the characteristics of swallowing other abnormal fires. For thousands of years, I don't know how many cultivators have tried to merge with Bailian Lenghuo, but they ended up dying tragically.

And this Yue Feng in front of him, quite a bastard, can actually merge with the cold fire of Bailian? It's really blind.

Thinking to himself, Yu Wenyan bit his lip, resentful.

Haha…

Seeing her reaction, Yue Feng felt indescribably happy. He deliberately showed Bailian's coldness, that is, to be arrogant and flamboyant.

Don't you want me to die? But not only can I not die, but in this harsh environment, I can still take it easy.

Are you angry?

This Yu Wenyan, who usually has a arrogant and arrogant attitude, just now fought to the death against himself, Yue Feng wanted to stimulate her and attack her arrogance.

Yu Wenyan was depressed and stopped talking.

However, Yu Wenyan couldn't stand the heat wave that was constantly invading around him. He was dripping with sweat, and the sweat completely soaked his clothes.

hiss!

Yue Feng looked at Yu Wenyan, his eyes straightened. She was so sexy right now.

"Yue Feng, you! Close your dog's eyes!" At this moment, aware of Yue Feng's gaze, Yu Wenyan's pretty face changed, she was extremely embarrassed and scolded.

Close the dog's eyes?

It's okay for Yu Wenyan not to say this. After saying this, Yue Feng looked at her without blinking.

I have to say, this Yu Wenyan's figure is really tight.

"You!" Yu Wenyan's face was extremely blushing. She regretted it. If she knew this, she shouldn't have been chasing after him.

Well now, not only has he exhausted his internal strength and fell into this underground melting hole, he was also taken advantage of by Yue Feng.

Haha…

Yue Feng looked at her with a smile. After watching for a while, he laughed and said, "Why are you excited, you think I see you as admiring your figure, I am wondering whether to use white lotus or not. Leng Huo, come to help you block the heat around you, since you are so disgusted with me, then forget it."

With that, Yue Feng deliberately put away Bai Lian Leng Huo.

Yes, at that moment just now, Yue Feng really thought so, but seeing Yu Wenyan's proud face, he deliberately teased her.

Chapter 2159

"You!" Yuwen is so arrogant!

This Yue Feng, obviously just looking at himself, but he is still righteous, and he is a good boy when he gets cheap. It's really hateful.

The next second, Yu Wenyan calmed down, looked at Yue Feng, bit his lip and said, “Is what you just said true? Bailian Lenghuo, can you really help me resist

the heat?” Looking forward to it.

If you can do this, you don’t have to be so uncomfortable!

“Of course!” Yue Feng smiled slightly: “You said it yourself, the cold white lotus fire can devour other strange fires, and these ordinary flames are naturally no problem. As long as I am around you and deploy a barrier with the cold white lotus fire, you You don’t have to endure the scorching pain.”

Yu Wenyan said quickly, “Then hurry up, why are you talking so much?”

Haha…

Yue Feng smiled, then looked at her seriously: “Say That’s it, but you keep killing me, why should I help you?”

Shua!

Hearing this, Yu Wenyan’s face turned even redder, lowered his head and said softly, “You…. Didn’t you say just now that we have cleared our grievances? Are you going to die?”

When he said this , Yu Wenyan’s delicate face reveals deep complexity.

To be honest, I begged Yue Feng to help, Yu Wenyan felt ten thousand reluctance in his heart, but there was no way, this heat wave in the air was really uncomfortable.

“Well…”

Yue Feng pretended to ponder, then nodded with a smile: “Okay, since you said so, then I will help you, but I have one condition!”

“What condition?” Yu Wenyan asked without thinking.

Yue Feng showed a smile, leaned up on purpose, and looked at Yu Wenyan with a smile: “Please beg me, maybe I will help you if I soften my heart!”

“You…”

Yu Wenyan’s delicate body trembled, Angrily stomping his feet: “You are clearly falling into the trap and taking advantage of people’s danger! I want to beg you, dream!”

When he said this, Yu Wenyan was ashamed and angry!

Yu Wenyan bit his lip, scolding Yue Feng hundreds of times in his heart!

Yue Feng said with a smile: “Well, since you don’t want to, forget it!”

After saying that, Yue Feng shrugged, his face was indifferent, but looking at Yu Wenyan’s eyes, it was full of teasing.

Yu Wenyan bit his lip, annoyed.

This Yue Feng is too jerk, knowing that he is about to be unable to hold on, so he deliberately made such an unreasonable request.

How could the dignified Master of Xiyan Pavilion, the leader of the Huanyin Sect, be soft to him?

Thinking to himself, Yu Wenyan gritted his teeth secretly, trying to resist the scorching aura around him with willpower.

However, after more than ten seconds, Yu Wenyan’s whole body was flushed red, and there was a hint of pain on his delicate face.

Apparently it’s going to be overwhelmed.

Whoosh!

At this time, the two of them had reached the depths of the cave, and they saw that the underground magma river had widened a lot, and the pervading heat was even more intense.

Seeing this scene, Yue Feng said with a smile: “Honorable lord, don’t hold on any longer. If you continue, you will die from dehydration, or you will be roasted into a mummified corpse alive.”

With that said, Yue Feng looked serious and continued: “Besides, I just asked you to beg me, I didn’t want you to be my woman, and there’s no one else here, why are you so stubborn? In your heart, dignity is more important than your own life?”

Shua!

At this moment, Yu Wenyan’s beautiful face was instantly bloodless!

She bit her lip tightly, Yue Feng said it well, her internal strength was exhausted, she couldn’t stand the scorching environment in front of her, she couldn’t stand it!

Chapter 2160

“Yue Feng…” At this moment, Yu Wenyan bit his lip, walked slowly to Yue Feng, lowered his head, very shy.

“Yue Feng, I beg you…” The voice was so small that you couldn’t hear it if you didn’t listen carefully.

She never dreamed that one day she would plead for this bastard! I never thought that I would be so humble in front of this bastard!

“What?”

Yue Feng pretended to be unable to hear: “What did you say? I can’t hear you.”

Having said this, Yue Feng took out his ears and looked down at Yu Wenyan.

Yu Wenyan’s tender body trembled. She bit her lip so hard that she almost bleed.

“I… I beg you…” Yu Wenyan bit his lip tightly and whispered.

When she said this, Yu Wenyan lowered her head, did not look at Yue Feng, her delicate face was extremely red, you must know that Yue Feng was the person she hated the most, and she wanted to kill him in her dreams, and she was ashamed. But now, in front of Yue Feng, she has given up all her dignity!

“Really good.” Yue Feng said with a smile.

With a smile on his face, Yue Feng felt even more happy in his heart.

Haha…

Isn’t this Yu Wenyan very proud? On the rivers and lakes of the Yellow Sea Continent, there is no scruples. Anyone who sees them will shy away, but in front of them, haven’t they given up their dignity?

When the words fell, Yue Feng waved his hand, urging Bai Lian’s cold fire, and laying a protective film around him. It’s just that this protective layer is very small, and it is difficult to accommodate Yue Feng alone.

Swish!

Yu Wenyan’s body trembled, and his face was extremely blushing.

This Yue Feng is too jerk, he is not satisfied with taking advantage of his mouth, he deliberately made the protective film so small, if he goes over, he cannot avoid skin contact.

But if you don’t go in, you will dehydrate and die.

Thinking to himself, Yu Wenyan reluctantly accepted the reality, bit his lip, and entered Yue Feng’s protective layer.

smell good.

At this moment, Yue Feng smelled a fragrant aroma, and the whole person was fascinated. A pair of eyes couldn’t help but look at Yu Wenyan from a close distance.

I have to say, this Yu Wenyan not only looks beautiful, but also has a perfect figure.

For a time, the two were close to each other, very ambiguous. At this time, if there are other people next to him, he will definitely be surprised.

The leader of the dignified phantom sound sect, the venerable master of Xiyan Pavilion, Yu Wenyan, who was talked about in the Yellow Sea Continent, turned soft to Yue Feng?

Feeling Yue Feng’s smiling eyes, Yu Wenyan bit his lip and was about to bleed. He felt uncomfortable, but he didn’t dare to move.

If you move around, you may break away from the protective layer and be scalded by the heat wave outside.

“Yue Feng, I warn you, don’t have any unreasonable thoughts about me, otherwise, I will not let you go if I die!”

“I have unreasonable thoughts about you? This kind of woman has a strong personality, I don’t care! It’s you, you won’t take a fancy to me.”

“You…” The

two days went forward while bickering.

Finally, I don’t know how long they have walked, and suddenly, Yue Feng and Yu Wenyan walked out of the underground cave. In front of them, there was a huge pit dug by manpower.

What the hell!

At this moment, Yue Feng looked up, and his heart was shocked, and the whole person was stunned.

The ultimate husband in Chinese chapter 2161-2165

Chapter 2161 I

saw that the huge pit in front of me is several hundred meters wide. The underground magma in the giant pit gathers into a magma pool. Above the magma pool, there are huge furnaces with dozens of One, these furnaces are connected to the continuous melting and burning cold iron chain, and the other end of the cold iron chain is firmly fixed on the surrounding stone walls.

On the stone wall just south of the giant pit, there are three blood-red characters written with flying dragons and phoenixes: Casting Sword Pond!

Forging sword pool?

Seeing this, Yue Feng couldn't help but murmured in his heart.

Damn, isn't this the place where Mingjian Villa casts weapons?

It was a coincidence that this underground magma river was even connected to the place where Mingjian Villa cast weapons.

Muttering, Yue Feng even saw that in front of the dozens of huge furnaces, many people were concentrating on smelting and forging. These people wear uniform forging clothes with the logo of the famous Sword Villa on their clothes.

Yue Feng guessed it well. The Sword Casting Pond is the place where Mingjian Villa casts weapons. It is also a forbidden area that is never open to the public. Most of the top weapons in Mingjian Villa are born here.

Outside the sword-casting pool, there is the famous Sword Villa with beautiful scenery.

Famous Sword Villa passed down a few years ago, and the casting skills are extremely exquisite. Thousands of years ago, the ancestors of the Ye family, after testing, found that the fire of natural magma, the weapons forged were sharper and tougher, and a huge casting base was built here.

Swish!

Seeing the scene in front of him, Yu Wenyan also trembled, and his heart was extremely shocked.

In the next second, Yu Wenyan reacted and immediately distanced herself from Yue Feng. At this time, her face was still a bit blushing. She grabbed Yue Feng's clothes, pulled it hard, and put it on her body.

My clothes are soaked with sweat, how can I see people?

At this time, her face looked like a ripe red apple. The dignified Lord of Xiyan Pavilion, he actually stayed close to Yue Feng for so long just now.

This chapter is provided by . Visit for daily update.

Feeling her tenderness, Yue Feng smiled slightly, but said nothing.

“Who is it?”

At this moment, the people who were busy in the Sword Casting Pool finally found the two Yue Fengs, and they were all startled and shouted.

Whoops!

The next second, dozens of guards rushed over with long knives and surrounded Yue Feng and Yu Wenyan.

At the same time, many guards shouted for support.

“No, someone broke in!”

“Come here.”

Hearing the movement, the entire Famous Sword Villa burst into flames, and soon, he saw the patriarch Ye Xuan, with Ye Ziyi, and many elite disciples, They came quickly, and among them was Ye Ziyi’s cousin, Dong Long.

“You… Yue Feng?” Seeing Yue Feng, Ye Xuan was stunned for a moment and was taken aback. At the same time, my heart is extremely complicated.

Before, Yu Wenyan brought the disciples of the Huanyin Sect and came to besiege the Mingjian Villa. At a critical time, Yue Feng stepped up to help, and the Mingjian Villa was very grateful at that time.

However, after Yue Feng got drunk and broke into his daughter’s boudoir in the middle of the night, people’s affection for him plummeted. After that, Yue Feng suddenly disappeared. Everyone thought he was absconding in fear of crime, but unexpectedly, he appeared again.

What surprised Ye Xuan even more was that this Yue Feng not only came back, but also appeared in the Sword Casting Pond?

You must know that the Sword Casting Pool has a complex environment and is connected to the underground magma. It is difficult for ordinary people to resist such a

scorching atmosphere. In addition, the famous Sword Villa is well-guarded, so no one has been able to come here for thousands of years.

And this Yue Feng not only came in, it seemed that he was not affected by this scorching environment at all.

How did he do it?

At this time, Ye Xuan didn't know that Yue Feng had the cold fire of white lotus. This underground cave with harsh environment was an insurmountable and dangerous place for others, but it had no effect on Yue Feng.

Chapter 2162

It's him!

Ye Ziyi looked at Yue Feng, her delicate body trembled slightly, and she was speechless.

Dong Long next to him was even more shocked.

At that time, after Dong Long slandered Yue Feng, he got him drunk, then knocked Yue Feng unconscious, and sent him to Ye Ziyi's room. As a result, the people in Mingjian Villa thought that Yue Feng was drunk and wanted to defile Ye Ziyi. Later, Dong Long took the drunk Yue Feng to the famous Sword Villa, and planned to send it to the main altar of the Huanyin Sect and hand it over to Yu Wenyan for disposal. In this case, the people of Famous Sword Villa thought that Yue Feng had fled in fear of crime.

Just halfway through, Dong Long became greedy and wanted to search for treasures on Yue Feng, but he accidentally released Qiong Qi, and finally watched Qiong Qi take Yue Feng away.

At that time, when he returned to Mingjian Villa, Dong Long lied and said that Yue Feng had escaped by himself.

In Dong Long's heart, he believed that Yue Feng would never come back after leaving, but he never thought that Yue Feng would come back.

Whoa!

At the same time, other people around were also in an uproar.

"Yue Feng?"

"A few days ago, this person sneaked into the lady's room while he was drunk, and then escaped quietly. He didn't expect to dare to come back."

“There is a woman with him, so beautiful.

” , The eyes of many people couldn’t help but look at Yu Wenyan, and the eyes of many male disciples were straight.

At this time, Yu Wenyan, although wearing Yue Feng’s clothes, couldn’t hide his exquisite curves, especially his beautiful face, which was rosy under the steaming heat, like a ripe apple, indescribable. Charming and sexy.

Although Yu Wenyan is very famous in the Yellow Sea Continent, she rarely shows up, and she has been disguised as a man before, so the people present did not recognize her.

Feeling the eyes of everyone, Yu Wenyan felt uncomfortable, and he was very angry, but he didn’t dare to attack.

How can I teach these people a lesson if my internal energy is too exhausted?

“Yue Feng!”

Finally, Dong Long reacted, came out and pointed at Yue Feng and shouted: “You brazen person, how dare you come back? You honestly explained that that night, you sneaked into my cousin’s room and wanted to What are you doing?”

Said, Dong Long looked around and continued: “Yue Feng, you have helped Mingjian Villa before, we are so grateful to you and trust you, but we didn’t expect that you are a despicable villain… “The

words, righteous and awe-inspiring.

Dong Long thought about it, no matter what the purpose of Yue Feng’s return, he must pre-empt him and not let him tell the truth.

Moreover, at that time, Yue Feng was very drunk, and it was not so easy to explain.

Swish!

The voice fell, and the eyes of the people around them all converged on Yue Feng, with anger on their faces.

The innocence of the eldest lady is related to the reputation of the entire Famous Sword Villa. This Yue Feng must give an explanation.

Ye Ziyi, who was next to her, blushed instantly. Although Yue Feng didn’t do anything rude to him that night, his innocence was at stake, and any girl would be embarrassed.

Ye Xuan stood there, also staring at Yue Feng, waiting for his answer.

What?

Yue Feng was stunned for a moment, only to feel his head buzzing, looking at Ye Ziyi with a shy face, his whole body was covered.

I broke into Ye Ziyi's room to plot against her?

How can it be? If you do it yourself, why don't you know?

At this time, Yue Feng was extremely puzzled. He only remembered that that night, he was called by Dong Long to drink. Later, he was drunk and unconscious, and when he woke up, he was at the edge of the holy lake in Xiyan Pavilion.

correct!

After thinking about it, Yue Feng suddenly figured out that it was all Dong Long's ghost to slander himself.

Thinking to himself, Yue Feng chuckled and looked at Dong Long and said, "Dong Long, I don't understand what you said. On the contrary, I want to ask you what's going on."

After that, Yue Feng recalled , continued: "I remember that after I drank with you at that time, I was very drunk, and then you knocked me out, right!"

Chapter 2163

Swish!

Hearing this, everyone's eyes suddenly turned to Dong Long, and they were extremely surprised.

He… knocked out Yue Feng?

"I…"

Facing everyone's attention, Dong Long felt a little flustered in his heart, but he quickly reacted, and sneered at Yue Feng: "Yue Feng, you really know how to quibble, you are the dignified Heaven Sect Sect Master, the Emperor of Xi Cang. , can I knock you out easily? Don't think sophistry and put the blame on me."

Said, Dong Long's mouth curled into a sneer: "Yue Feng, you are also a person with a head and face, but you dare not do things. Admit it, what kind of man?"

Nima!

Seeing him confuse right and wrong, Yue Feng suddenly became angry, but he said nothing and didn't know how to explain it.

"Haha!"

Seeing Yue Feng's silence, Dong Long was very proud and sneered: "Yue Feng, there is nothing to say, right? I think you are guilty."

Hu!

Yue Feng took a deep breath, didn't bother to pay attention to him, tilted his head to look at Ye Xuan and said seriously: "Master Ye, I really don't know what happened that night, but I guarantee by personality that I and Miss Ye are friends, absolutely I won't do anything rude to her."

"Well…"

Hearing this, Ye Xuan's stern expression softened, and he nodded: "Sect Master Yue, I naturally believe it, speaking of it. , there is something strange about this matter, and it seems that this matter needs to be investigated in detail."

As the owner of Mingjian Villa, Ye Xuan is an old man. Although he has been in contact with Yue Feng for a short time, he still feels Come out, Yue Feng is not such a person.

"Uncle!"

Dong Long became anxious all of a sudden, and shouted: "This Yue Feng is different from the outside. He is a gentleman in the open, but a villain in the dark. How can you believe his words?"

At this time, Dong Long was very nervous. .

The whole thing was planned and participated by himself, how could Ye Xuan be allowed to investigate?

In a hurry, Dong Long pointed at Yue Feng and said, "This man is daring and lecherous, and he doesn't know how many good women he has harmed behind his back."

After speaking, Dong Long turned his eyes and stared at Yu Wenyan and continued: "Everyone, look at it. , This woman is disheveled, she must have been caught by Yue Feng with despicable means."

Dong Long was very cunning, knowing that there was no evidence, it was not enough to convince everyone, so he dragged Yu Wenyan in.

After all, Yu Wenyan's image at this time was so embarrassed that it looked like he was being held hostage by Yue Feng.

At this time, Dong Long did not see that the beautiful woman in front of him was the leader of the Huan Yin Sect who controlled his life and death. Although Dong Long is also a member of the Huanyin Sect, like most people, what he usually sees is the image of Yuwenyan disguised as a man, and he doesn't even know that Yuwenyan is a woman.

Whoa!

As soon as these words came out, the audience immediately exploded, and many people's eyes fell on Yu Wenyan, and there were many discussions.

"Yeah, what Young Master Dong said is justified!"

"This woman must have been caught by Yue Feng…"

"I didn't expect this kind of person to be Yue Feng, and I used to admire her so much. He…."

Everyone's discussion, you and I came, and they all, like Dong Long, believed that Yu Wenyan was caught by Yue Feng and wanted to do something wrong.

Yue Feng smiled and said nothing.

Swish!

Yu Wenyan's tender body trembled, staring at Dong Long with hatred, embarrassed and angry.

This Dong Long, really blind, actually said that he was a prisoner of Yue Feng?

How can you have such a stupid subordinate?

At this time, Yu Wenyan wanted to kill Dong Long, but he held back.

His internal strength was severely depleted, and he had brought Huanyin disciples to find the trouble of Mingjian Villa. If his identity was exposed, Mingjian Villa would not let him go.

Chapter 2164

"Yue Feng!"

Finally, Ye Xuan reacted and looked at Yue Feng with a dignified expression: “Who is this woman beside you? Can you please introduce me?”

When he said this, Ye Xuan couldn’t help but look at Yu Wenyan At a glance, very suspicious.

Speaking of which, Ye Xuan didn’t believe that Yue Feng was a hypocrite, but the woman beside him had such an image that he had to be suspicious.

At the same time, Ye Ziyi also looked at Yue Feng closely, her heart was trembling, it was very complicated.

Is this Yue Feng really what Dong Long said? A despicable and shameless villain?

If not, how should this embarrassed woman beside him explain?

“She!”

At this time, Yue Feng smiled slightly and said to Ye Xuan, “This is my beloved wife, because I accidentally broke into this underground magma cave, and the environment is too hot, so I can’t stand it anymore.”

Immediately, Yue Feng turned his head to look at Yu Wenyan, and said with a smile: “Dear, come here and say hello to everyone.”

When he said this, Yue Feng looked relaxed.

To be honest, Yue Feng didn’t want to talk nonsense like this, but he knew very well that Yu Wenyan and Mingjian Villa had a grudge. If she revealed her identity, Yu Wenyan would be finished.

Although Yu Wenyan has done many cruel things before, Yue Feng believes that her nature is not bad, so she does not want to see her in danger.

Swish!

At this moment, Yu Wenyan’s delicate body trembled, her delicate face was extremely red, and she glared at Yue Feng with shame and anger.

Yue Feng, this bastard, couldn’t solve his own troubles, so he used himself as a shield and actually said that he was his woman.

It’s so nasty.

Beloved wife?

At the same time, everyone present was stunned.

Why doesn't it look different?

This woman stared at Yue Feng, her eyes were full of resentment, she looked like an enemy family, how could it look like a husband and wife?

"Yue Feng!"

At this moment, Dong Long couldn't help sneering, and taunted Yue Feng: "Okay, don't pretend, this beauty is coerced by you, how could it be your wife?"

The voice fell, and many people nodded in agreement.

Nima!

Yue Feng frowned and cursed.

This Dong Long, there is something wrong with his brain, he has no grievances with him, but he keeps slandering himself.

Thinking to himself, Yue Feng smiled slightly, took Yu Wenyan's hand and said: "Dear, I didn't help you to block the heat just now, it's my fault, don't be angry, look, these people don't believe you are me Woman, hurry up and call your husband to let them hear."

With that, Yue Feng leaned into Yu Wenyan's ear and whispered, "Yu Wenyan, I did this to protect you, think about it, if I was trapped in Here, you can't leave, you and Mingjian Shanzhang have a grudge, when they find out your identity, they will easily forgive you?"

When he said this, Yue Feng looked very serious.

Yes, Yue Feng didn't want to waste more words with these people in front of him. He just wanted to clear up the misunderstanding quickly, leave here, and join Zhu Bajie.

call!

Hearing this, Yu Wenyan was extremely ashamed and angry, but after thinking about it carefully, he gradually calmed down.

Yes, Yue Feng is right, if he is trapped here, he will not be able to leave.

But… how did those two words come out?

At this time, Yu Wenyan was ashamed and angry, and he couldn't express his regret. If he knew this, he wouldn't be chasing Yue Feng. Before in the cave, I had already let go of my dignity and begged him, and now I want to call him husband…

Finally, after struggling for a few seconds, Yu Wenyan's red lips lightly opened, and he called out to Yue Feng softly: "Husband ." The

voice fell, Yu Wenyan's face flushed red, and he couldn't be shy.

To be honest, Yu Wenyan was reluctant to call her husband Yue Feng, but he couldn't help it. It was not advisable to stay here for a long time. The longer it took, the worse it would be for him.

Haha…

Yue Feng smiled and nodded in response, feeling very happy inside.

I really didn't expect that a woman like Yu Wenyan with a cold and arrogant personality would be quite pleasant to call her husband.

Thinking to himself, Yue Feng looked at Dong Long and said lightly, "Are you still doubting it now?"

Chapter 2165

This…

Dong Long opened his mouth and was speechless for a while.

This beauty is really his wife…

How is this possible?

In the next second, Dong Long rolled his eyes and sneered at Yue Feng: "Yue Feng, just pretend, this beauty is in your hands, you ask her to call her husband, does she dare not call?

" , Dong Long strode forward, and in front of Yu Wenyan, he said gently: "This beauty, did Yue Feng force you to shout like this? Don't be afraid, tell the truth, this is the famous sword villa, and Yue Feng is more powerful. , with us present, he wouldn't dare to mess around."

When he said this, Dong Long looked confident, and at the same time, he couldn't help looking at Yu Wenyan up and down.

beautiful.

So beautiful.

“Crack!”

Yu Wenyan slapped Dong Long’s face without warning!

At this time, Yu Wenyan was completely unbearable. He cooperated with Yue Feng in order to get out of here as soon as possible. After all, the internal energy consumption was so severe, and he had to go back to recuperate as soon as possible. However, this Dong Long picked things up several times. Look at yourself.

Just looking for death.

This slap was very heavy, but for a moment, there was no sound in the audience, and everyone was stunned.

“You… you dare to hit me?” Dong Long covered his face and looked at Yu Wenyan in disbelief, with surprise and anger in his eyes.

The dignified young master of the Dong family was beaten by a woman, what’s the face of it?

Um?

But then, Dong Long saw a jade card on Yu Wenyan’s waist, his body was shocked, and the whole person froze.

I saw the waist card, carved from pure white jade, in the shape of a flowing cloud, as white as snow, very beautiful, and there is a faint word ‘Zun’ on it.

This… This is the waist card of the leader, how can it be on this woman?

At this time, Dong Long was trembling in his heart, and he only felt that his brain was buzzing.

Yes, Yu Wenyan’s waist card is the token of the leader of the Huanyin Sect, symbolizing the supreme status. As a member of the Huanyin Sect, Dong Long can’t recognize Yu Wenyan for a while, but he can recognize the waist card.

“You…”

After being stunned for a few seconds, Dong Long reacted and stared blankly at Yu Wenyan.

Yu Wenyan took a step closer and said coldly, pressing his voice: “Dong Long, you dare to offend the deity like this, it is a crime that deserves death, but the deity will not care

about you for the time being, and you, don't entangle any more, quickly let me and Yue Feng leaves, otherwise, the deity will not spare you lightly."

When he said this, Yu Wenyan resumed the high-level tone when he was dressed as a man, but his voice was very soft, only she and Dong Long to hear.

Um?

When Dong Long saw the jade card, he vaguely guessed something in his heart, and when he heard the voice again, he was completely stunned. He raised his eyes and looked at Yu Wenyan!

"Pfft!"

At this moment, Dong Long was completely dumbfounded and knelt on the ground at once!

"I…I…!" Dong Long was terrified, and his heart was also extremely shocked.

Total shock!

The beautiful woman in front of her turned out to be the leader? She…is it a woman? !

And just staring at her unscrupulously just now is simply courting death.

What?

Seeing this scene, everyone present opened their mouths wide and froze there. They didn't hear what Yu Wenyan said to Dong Long.

what's the situation?

How did Dong Long kneel to this woman? A prominent young master of the Dong family, so frightened?

Um?

Yue Feng stood there, also frowning secretly, looked at Yu Wenyan, and then looked at Dong Long, and couldn't help muttering in his heart.

what happened? Why was Dong Long suddenly so afraid of Yu Wenyan?

At this time, Yue Feng didn't know that Dong Long was also a member of the Huanyin Sect. Now that he knew Yu Wenyan's identity, how could he not be afraid?

The ultimate husband in Chinese chapter 2166-2170

Chapter 2166

“Dong Long!”

Finally, Ye Xuan reacted, looked at Dong Long with a frown and asked, “What’s going on?”

This nephew, who has always been arrogant and domineering, suddenly knelt down to a woman, which is really puzzling .

Swish!

At this moment, everyone in Mingjian Villa also looked closely at Dong Long, waiting for his answer.

“This…”

Dong Long wiped the cold sweat from his forehead, thought about it, and said, “This… woman, who helped me and was my savior, was so far away that I didn’t recognize it.”

Saying this At the time, Dong Long was terrified, who was Yu Wenyan? Notoriously ruthless, if she exposes her identity, she will die.

However, Dong Long was still a quick thinker, so he made up a lie, saying that Yu Wenyan was his savior.

“Huh…”

Hearing this, everyone present nodded suddenly and breathed a sigh of relief.

It turned out that this woman was Dong Long’s savior, no wonder she wanted to kneel when she saw it.

call!

On the other hand, Yue Feng frowned.

Yu Wenyan is arrogant and ruthless, how could he be Dong Long’s savior. The two must have something else to do.

This chapter is provided by . Visit for daily update.

“Teach… Mrs. Yue.” Dong Long looked at Yu Wenyan. He originally wanted to call the leader, but when he thought of the situation in front of him, he immediately changed his name and said cautiously, “What’s going on?”

Seriously , Knowing that Yu Wenyan is a woman, Dong Long was very surprised, and thinking that Yu Wenyan was called Yue Feng’s husband just now, the whole person was completely stunned.

Didn’t the leader always seek revenge on Yue Feng, how could he be with him? Also known as husband and wife?

For a time, the more Dong Long thought about it, the more confused his mind became.

He didn’t know yet that Yu Wenyan called Yue Feng’s husband out of desperation.

“Crack!”

Just when Dong Long was puzzled, Yu Wenyan slapped Dong Long’s face again without warning!

With this slap, Yu Wenyan almost used all his strength, and saw that half of Dong Long’s face was swollen high.

At this time, Yu Wenyan was ashamed and angry.

This Dong Long is really an idiot. He called Mrs. Yue Feng just now because of the situation, but he called Mrs. Yue, and he really deserved a fight.

This…

Dong Long covered his face, very aggrieved, and looked at Yu Wenyan with a puzzled face: “Mrs. Yue! I, where did I say something wrong?!”

Not only Dong Long, but everyone present was confused. water!

This, what’s the matter?

Isn’t this woman Dong Long’s savior? How to do it again and again? Turn your face when you say it?

“Shut up for me, I just saved you, do you know you well? Don’t call me Madam Yue!” The more Yu Wenyan thought about it, the angrier he became, and he snorted at Dong Long. .

Dong Long was completely blinded and wanted to cry without tears.

Finally, Ye Xuan couldn't stand it any longer, and said to Yu Wenyan, "This heroine, let's talk about it, don't fight anymore."

If it was anyone else, Ye Xuan would never be so polite, but this one, but Yue The windy woman has to give some face no matter what.

However.

As if Yu Wenyan didn't hear it, he still vented his anger at Dong Long.

For a time, Ye Xuan was very embarrassed.

"Okay!"

Finally, Yue Feng came over and said, "Don't fight, you will kill people if you fight again."

Hearing Yue Feng's words, Yu Wenyan breathed a sigh of relief, and then stopped.

Chapter 2167

Call!

Seeing this scene, everyone's eyes flickered, and at the same time they finally understood something.

Dong Long has been accusing Yue Feng, saying that he is not a good person. Can this woman, as Yue Feng's wife, not be angry?

quiet!

For a time, the entire Sword Casting Pond was silent, and almost a needle could be heard clearly.

"Dong Long!"

At this moment, Yue Feng looked at Dong Long with a smile: "Now it's time to tell the truth, what happened that night?"

Although he still doesn't know what the relationship between Dong Long and Yu Wenyan is, he Yue Feng was sure that under the deterrence of Yu Wenyan, Dong Long would definitely not dare to talk nonsense any more.

"This…"

Dong Long said a word with a sad face, his eyes fell on Yu Wenyan, his heart trembled, and he couldn't continue.

He slandered Yue Feng to vent Yu Wenyan's anger, how could he say it?

"Speak!" Yu Wenyan was in a fit of anger, he didn't think much of it at all, and snorted coldly.

At this time, Yu Wenyan completely forgot that he had given Dong Long the task and asked him to find a way to catch Yue Feng. At this time, he just thought, Dong Long quickly explained the situation, and he and Yue Feng could leave.

Gudong.

Feeling Yu Wenyan's anger, Dong Long trembled and swallowed secretly.

The next second, Dong Long burst into tears and said, "Actually… In fact, that night, it was all arranged by me. I deliberately got Yue Feng drunk and sent him to my cousin's room."

"I like my cousin, Seeing that my cousin and Yue Feng have a close relationship, I couldn't stand it anymore, so I thought of this method and blamed him…"

After saying this, Dong Long lowered his head, indescribable misery and grievance.

What's the matter with Nima?

Originally, he slandered Yue Feng to vent his anger on the leader, but now, the leader is forcing himself to tell the truth.

Whoa!

After saying this, there was an uproar in the audience, looking at Dong Long with indescribable contempt!

It turned out to be slander, this Young Master Dong is too insidious.

"You…"

Ye Xuan trembled and pointed at Dong Long, so angry that he was speechless.

Ye Ziyi next to him was also stunned, his eyes fixed on Dong Long, his delicate body was trembling, and he was so angry that he knew that Yue Feng was not such a person. This cousin actually used such despicable means to slander Yue Feng. , it's so nasty.

"It turned out to be a misunderstanding!"

At this time, Ye Xuan reacted and looked at Yue Feng and said apologetically: “My nephew is really outrageous, we misunderstood Sect Master Yue before, I am really ashamed, Sect Master Yue has a lot of people, don’t worry about it. Don’t mind.”

When he said this, Ye Xuan’s heart was extremely complicated.

This Yue Feng is a famous figure in Kyushu. If he has a revenge with him because of a misunderstanding, it will be too much loss.

“Master Ye is very polite.” Yue Feng smiled and responded, feeling unspeakably comfortable at this moment.

Nima, the truth is finally revealed.

Immediately, Yue Feng clasped his fists at Ye Xuan: “Since it’s all right, I still have something to do, so I’ll leave.” The voice fell, and Yue Feng left the Sword Casting Pond.

To be honest, if it were normal, Yue Feng would definitely not spare Dong Long lightly, but Yue Feng was in a hurry to meet Zhu Bajie, so he was too lazy to care.

Moreover, Yue Feng believed that after he left, Mingjian Villa would definitely punish Dong Long heavily.

Yu Wenyan didn’t have time to think, and quickly followed.

Taking advantage of the fact that the people in Famous Sword Villa didn’t recognize him, so hurry up and leave.

Ye Xuan and the others followed suit.

Finally, outside the gate of Mingjian Villa, Ye Ziyi quickly caught up and said softly, “Yue Feng.”

Yue Feng stopped and looked back at her: “What’s wrong?”

Chapter 2168 Ye Ziyi bit her lip lightly and whispered to Yue Feng: “Don’t take offense at the previous misunderstanding, if you encounter trouble in the future, as long as you say

a word, our Mingjian Villa will definitely help.”

At that time, Ye Ziyi’s delicate face was full of sincerity.

Yue Feng, such a righteous big man, almost got stuck with him because of a misunderstanding, so he must make up for it.

“Okay!” Yue Feng nodded, and then waved goodbye to Ye Ziyi.

Famous Sword Villa’s casting skills are unparalleled in the world. With such an ally, there are only advantages and no disadvantages.

A few minutes later.

On the hillside a few miles away from Mingjian Villa, Yue Feng stopped, tilted his head and looked at Yu Wenyan with a smile, his eyes full of deep meaning.

“What are you doing?” Feeling Yue Feng’s gaze, Yu Wenyan felt uncomfortable, and his heart suddenly panicked.

Yue Feng smiled slightly, and said slowly: “If my guess is right, then Dong Long is your person. You brought the Magic Sound Sect and besieged the famous sword villa before. Did he act as an inner responder for you?”

Shah!

Hearing this, Yu Wenyan’s body trembled, and he was very shocked.

This Yue Feng is really powerful, he was actually guessed by him.

Thinking to himself, Yu Wenyan’s eyes flickered, and he said vaguely: “I don’t know what you are talking about. Dong Long and I have only met a few times. We have only saved him before, and we are not familiar with him at all!”

Yu Wenyan thought about it, No matter what, I can’t admit the relationship between Dong Long and myself.

Ha ha!

Hearing her answer, Yue Feng smiled lightly: “It’s fine if you don’t admit it, but I warn you, the eldest lady of Famous Sword Villa is my ally, and you should pay less attention to Famous Sword Villa in the future. I will definitely not sit back and watch what Jianshanzhuang does.”

“I’ve already said it here, whether you listen or not is up to you.”

After saying this, Yue Feng glanced at Yu Wenyan with a half-smiling smile. Turn away.

call!

At this moment, looking at Yue Feng’s leaving back, Yu Wenyan bit his lip, and his beautiful face was full of humiliation and anger.

Yue Feng, you wait for me, I will definitely repay all the humiliation you have done to me today.

…..

the other side.

Diyuan Continent, Yunzhou City.

At night, the entire Yunzhou City was silent. In the southwest corner of Yunzhou City, there is a three-story building with many Beiying soldiers patrolling and guarding it closely.

This building is the temporary prison set up by the Northern Ying army.

At this time, in the room on the first floor of the building, the captured masters of various martial arts sat there one by one, with their heads downcast and depressed.

In the farthest corner, Ren Yingying's delicate face was full of exhaustion and haggard.

Yunzhou City has been occupied, and the situation is extremely bad. If Yue Feng does not come back, I am afraid that the Earth Circle Continent will soon be completely occupied.

The more Ren Yingying thought about it, the more anxious she became, and at this moment, she heard footsteps suddenly coming from outside the door. The footsteps are very soft!

Squeak –

a few seconds later, the iron door was quietly opened, and then, a few figures walked in. The one at the head, dressed in silver armor, indescribably heroic and extraordinary, is Yue Wuya.

Behind Yue Wuya, there are several personal guards, all of whom are Yue Wuya's cronies.

call!

At this moment, everyone in the Earth Circle Continent was taken aback and instinctively alerted.

This enemy general, coming to the cell so late, must be fine.

But Ren Yingying trembled, surprised and delighted!

Ya’er?

The moment she saw Yue Wuya, Ren Yingying was very excited! Speaking of it, the two hadn’t seen each other for several years. At this time, Ren Yingying, why didn’t he think that now he was reduced to a prisoner, locked in such a ghost place, and met Yue Wuya!

At this time, Ren Yingying didn’t know that Yue Wuya had been following Yang Jian to fight everywhere, but this time, Yang Jian did not let him go into battle.

Long time no see, Ya Er has grown up and matured a lot.

Chapter 2169

“Y’er, why are you here?!” Ren Yingying couldn’t help asking.

“Auntie, don’t ask so much..” Yue Wuya walked over quickly and helped her untie the rope, his handsome face was full of distress, and said softly: “Auntie, are you alright, do you have any? Injured..” As he

spoke, Yue Wuya couldn’t hide his concern and looked at Ren Yingying up and down, for fear that she was injured.

In Yue Wuya’s heart, Ren Yingying was one of his countless relatives, like his mother and sister. Seeing her so embarrassed, he was very distressed.

“I’m fine…” Ren Yingying showed a smile, shook her head, and then asked, “Y’er, why did you become a general in the Beiying army?”

“I…”

At this moment, Yue Wuya was very surprised. Embarrassed, he bowed his head and said, “A month ago, the Tianqi Continent fell, and the emperor became a minister to Yang Jian for me, and I also served by Yang Jian’s side!”

When he said this, Yue Wuya’s tone was complicated. You know, Ren Yingying used to be the princess of the Apocalypse Continent, and she would definitely feel uncomfortable when the Apocalypse Continent fell.

However.

What Yue Wuya didn’t think about was that Ren Yingying heard it, her expression was very indifferent, she smiled softly, and said, “I already know about the fall of the Apocalypse Continent.” After so long, Ren Yingying has already looked away, Ronghua Wealth and honor are all things in the past, and being with the people you love is the most important thing.

Saying that, Ren Yingying looked closely at Yue Wuya and said complicatedly: “It’s just that I didn’t expect you to work for Yang Jian, but have you ever thought about it, your biological father is Yue Feng, and your hometown is Earth Circle Continent, and now, However, you are helping Yang Jian to conquer the Earth Continent. Aren’t you afraid of being called a sinner through the ages?”

Shuh!

Hearing this, Yue Wuya’s face changed, and he shook his head and said, “Auntie, don’t tell me about Yue Feng… He abandoned me and my mother for more than ten years, regardless of whether this land is his hometown. It has nothing to do with me at all.”

Immediately, Yue Wuya looked at Ren Yingying and said, “Auntie, I sneaked in to let you go, let’s not say anything else!”

Alas!

Ren Yingying sighed softly, nodded and said, “Okay!”

At this moment, Ren Yingying felt very helpless. Ya’er held such a grudge against Yue Feng that she really didn’t know how to persuade her.

The next second, Ren Yingying thought of something, and said to Yue Wuya, “If that’s the case, let go of all the people here.” The

arrested people are the main force resisting the Beiying army. If they were all beheaded, the Earth Circle Continent would be severely damaged.

all let go?

Yue Wuya was stunned for a moment, then laughed, shook his head and said: “Auntie, I only care about your safety, their life and death, what does it have to do with me? Auntie. Time is running out, hurry up with me.

” He pulled Ren Yingying and walked out of the cell quickly.

Several personal guards followed closely behind to escort him.

When he got outside, Yue Wuya was calm on the surface, but he was nervous in his heart. He was going to commit a crime by letting go privately, but it was a capital crime, can you not be afraid?

However, in front of Ren Yingying, Yue Wuya did not show his inner tension, but a calm appearance of a man.

Yue Wuya thought about it, the aunt used to love herself so much, but now that she is in trouble, she has to keep her safe no matter what.

soon!

Escorted by several personal guards, Yue Wuya took Ren Yingying across the main street, and was about to leave Yunzhou City.

Whoa!

As a result, at this moment, a fire lit up in front of me!

hiss!

Yue Wuya looked at it subconsciously, and when he saw it, his whole mind went blank!

I saw that at the intersection in front of me, a torch suddenly lit up, and everyone holding the torch was powerful! The one at the head, dressed in golden armor with a gloomy face, is Yang Jian!

Beside Yang Jian is the sexy and charming Gong Gong, but at this time, Gong Gong's delicate face also shows a bit of gloom.

broken!

Yue Wuya only felt the hairs on his body stand up! what happened? ! How could Yang Jian lie in ambush here? ! I plan to let go of what I want to commit, but I haven't leaked it out.

For a time, Yue Wuya frowned, puzzled! The heart is pounding!

Ren Yingying's body trembled, and she couldn't be in a hurry.

Damn, Ya'er let him go privately, and Yang Jian would definitely not let him go easily.

"Yue Wuya!"

Finally, Yang Jian showed a smile, in which he couldn't hide his anger: "I have always trusted you, just now Gonggong asked me for instructions to prevent you from letting you go privately, but I still refused to do so. I believed it, but I didn't expect that you really did this, and you disappointed me!"

Chapter 2170

"Your Majesty, I…" Yue Wuya's heart trembled and he opened his mouth, but he didn't know how to explain it.

“Okay, you don’t need to explain.” Yang Jian looked impatient, too lazy to talk nonsense, pointed at Yue Wuya and said coldly: “Take it for me!”

Swish swish… The

voice fell, Gonggong and the surrounding people The masters rose into the air one after another and charged directly towards Yue Wuya!

“Y’er, be careful…”

Looking at Gonggong who rushed up and the many masters, Ren Yingying’s body was trembling.

Click!

At this moment, Yue Wuya didn’t have time to think, a golden light flashed on the palm of his hand, and he summoned the Overlord’s Hammer!

Having said that, Yue Wuya didn’t want to be so stiff with Yang Jian!

But the other party is pressing step by step, and he will not give himself any way to retreat. There is no way, he can only tear his face completely!

Bang bang bang…

In the blink of an eye, the two sides were fighting together, and terrifying breaths collided, constantly spreading out, breaking the silence of Yunzhou City.

Although Yue Wuya possesses the Overlord’s Hammer and is powerful, but Yang Jian’s subordinates are powerful, and together with the peerless powerhouses who have practiced for thousands of years, they are completely outnumbered.

boom!

Finally, after less than five minutes of fierce fighting, Gonggong found an opportunity and slapped Yue Wuya on the back. Hearing Yue Wuya groaning, his figure was shaken dozens of meters away and fell heavily to the ground.

hula.

In the next second, the surrounding masters quickly surrounded and tied Yue Wuya Wuhua.

At the same time, Ren Yingying was also re-subdued.

“Your Majesty!”

At this time, Gonggong walked up to Yang Jian and said respectfully, “Yue Wuya betrayed Your Majesty and released the felon in private. He resisted just now. How should we deal with it?”

“Beheaded on the spot!” He opened his mouth coldly.

At the same time, Yang Jian looked at Yue Wuya’s eyes, and his eyes flashed coldly without any hesitation.

In Yang Jian’s heart, in order to complete the great cause of unifying the Kyushu, there can be no benevolence of women. Although this Yue Wuya is a rare general, but betraying himself, there can be no mercy.

“Yes!” Gonggong responded, pulled out his long sword, and walked towards Yue Wuya step by step.

Swish.

At this moment, Yue Wuya’s face was extremely pale, and his heart was extremely frightened.

Did you die like this? I’m so unhappy.

“Y’er! Don’t…” Ren Yingying’s delicate body was trembling, she couldn’t help exclaiming, and at the same time wanted to rush over, but her hands and feet were tightly bound, and she couldn’t move at all.

At this time, Ren Yingying was so anxious that Ya’er was still young, so he couldn’t just watch him die like this. Moreover, he was arrested by Yang Jian to save himself. If he was killed, how would he face Yue Feng in the future?

However, with his hands and feet tied, he couldn’t help at all.

The more Ren Yingying thought about it, the more anxious she became, and she almost fainted under the rush of fire.

Finally, Gonggong walked up to Yue Wuya, raised the long sword in his hand, and said coldly: “Yue Wuya, if you can let me take you on the road, you can be considered dead without regrets.” The

voice fell, the long sword in his hand. The sword is about to fall.

“stop!”

At this critical moment, not far away, I suddenly remembered a coquettish shout, and then, Han Bing hurried over, and the delicate face was full of anxiety and tension.

Han Bing was resting, but when he heard a fight here, he hurried over to take a look, only to see that his brother was tied up with five flowers, and Gonggong was about to execute him.

When he got to the front, Han Bing pleaded with Yang Jian: “Your Majesty, I beg you to let my brother go. Even if he is wrong, he has done a lot of credit before, so please spare his life.”

When he said this, Han Bing's eyes were full of prayers, and he almost cried.

call!

Yang Jian had a cold face and did not respond.

Han Bing was completely panicked, and knelt down with his knees bent: "Your Majesty, I beg you, I beg you…"

Like Han Aoran, Han Bing is arrogant and has never been soft to anyone since he was a child. But today, in order to keep her brother, she gave up all her dignity.

"Bing'er…"

Seeing this scene, Yue Wuya's nose was sour, and she almost cried. At the same time, she was also moved.

The younger sister has always been arrogant, but for herself, she humbly pleaded with Yang Jian.

"Han Bing!"

Finally, at this moment, Yang Jian took a deep breath and looked at Han Bing lightly: "Get up, I promise you, I will spare his life."

Seriously, in Yang Jian's heart, Han Bing She's just a little girl with a talent for cultivation, and she doesn't take it seriously at all, but her master Zhang Jiao is her own military advisor.

In the future, we will rely on Zhang Jiao to make plans for the conquest of various continents. Therefore, after careful consideration, Yang Jian decided to give Han Bing a face.

call!

Hearing this, Han Bing was extremely happy, and quickly thanked him: "Thank you, Your Majesty, for your kindness."

Yang Jian waved his hand, motioning for Han Bing to get up. In the next second, Yang Jian

‘s eyes fell on Yue Wuya, and his tone was cold: “Yue Wuya, today I see the face of Miss Bing, I will spare you for a while, but the death penalty can be avoided, and the life crime cannot escape.”

Directed at the surrounding masters: “Lock up Yue Wuya, and then deal with him when the Earth Circle Continent is completely captured.”

“Yes, Your Majesty!” The masters responded, and then escorted Yue Wuya and Ren Yingying into the cell.

Immediately, Yang Jian greeted Gonggong and left. Only the ice remained, stunned in place.

This…

A few seconds later, Han Bing reacted, and was anxious.

How could this be?

Didn’t your majesty promise yourself? Why are you still imprisoning your brother?

No, I must rescue my brother.

Thinking about it, Han Bing hurried towards the place where Zhang Jiao rested.

After thinking about it, Han Bing has no weight to speak in front of Yang Jian, but it is different when Master comes forward. After all, Yang Jian needs to rely on Master’s advice to conquer various continents.

A few minutes later, Zhang Jiao rested in the room.

After Han Bing came, he quickly recounted what happened, and then begged: “Master, please save my brother.”

“Good boy!”

Zhang Jiao stroked his beard and said complicatedly: “You must know, the military order. Rushan, your brother is going to commit a crime by letting him go privately, it is already a capital crime, His Majesty did not kill him, it is already a blessing, how can you ask the teacher to help?”

This…

Hearing this, Han Bing was so anxious that he suddenly remembered What, hurriedly said: “Master, I don’t want to stay here, as long as we rescue my brother, we will leave. Didn’t you become Yang Jian’s military advisor because of me?”

“Go?”

Zhang Jiao frowned slightly, shook his head and said: “Why do you want to leave? Because the teacher doesn’t like to give up halfway, and the unification of Kyushu has not yet been completed, how can you leave?” The

tone was calm, but his eyes flashed with a kind of obsession.

As the leader of the Yellow Turban Army at the time, Zhang Jiao was originally a hero of a generation. He was imprisoned for thousands of years. He was originally disheartened. At first, Zhang Jiao decided to play for Yang Jian because of the ice, but after this period of battle, Zhang Jiao’s deep-seated ambition has been inspired, how could it be stopped?

Chapter 2172

“Good disciple!” Zhang Jiao waved his hand and said slowly: “Since Your Majesty is only imprisoning your brother, he will be fine for the time being, you should go and rest, Master still needs to look at the map and study the next step. Offensive route.” The

tone was gentle, but there was no doubt.

“Yes, Master!” Han Bing responded and exited the room.

When he got outside, Han Bing felt extremely lost and anxious at the same time.

Master, isn’t everything underestimated? In just a few days, he has changed into a person who is so keen on war…

How could this be?

If Master doesn’t help, I can’t save my brother by myself.

How to do?

…

At this moment, the Yellow Sea Continent, Fengling Town.

Fengling Town is located in the southeast of the Yellow Sea Continent, with beautiful scenery and pleasant environment.

At this time, in a hotel room in Fengling Town, Zhu Bajie was sitting there with a fine wine in his hand, his posture was leisurely, but he was in a bad mood, and his handsome face was very depressed and helpless.

Xu Qingyi next to her also frowned.

On the chair in front of them, Su Qingyan sat there, her acupoints were blocked, her delicate face flushed red, and she was struggling.

“Who are you? Why are you arresting me? Let me go…” Su Qingyan struggled and kept shouting, extremely nervous, looking at Zhu Bajie’s eyes, full of resistance and resistance.

Su Qingyan lost her memory, even Yue Feng, so naturally she didn’t know Zhu Bajie.

This…

Zhu Bajie scratched his head, looked at Su Qingyan and smiled bitterly: “Miss Qingyan, I said it several times on the way, I’m Zhu Bajie, and Yue Feng is a brother, why are you not at all? Remember? You won’t forget Yue Feng, will you?”

After speaking, Zhu Bajie thought about it and continued: “Also, this is all planned by Yue Feng, he will come soon, don’t you? Hurry up!”

Yue Feng?

Su Qingyan frowned, and couldn’t help but ask, “Did Yue Feng let you catch me?”

Su Qingyan looked puzzled when she asked this.

No, in the circumstances at that time, it was clearly Zhu Bajie who made trouble in Xiyan Pavilion, where could there be Yue Feng?

“Fengtao is Yue Feng.” Zhu Bajie responded in surprise: “Yue Feng has changed his face, you don’t know?”

What?

Hearing this, Su Qingyan’s tender body trembled, her delicate face was full of surprise, she stared at Zhu Bajie blankly: “What did you say? That Fengtao is Yue Feng?”

Su Qing said this. Yan Yifang’s heart kept trembling, and her emotions were extremely complicated.

No wonder that Feng Tao, after seeing him, behaved so strangely, it turned out that he was Yue Feng. This person is despicable and shameless, hiding his name in Xiyan Pavilion, there must be nothing good.

The more Su Qingyan thought about it, the more angry she became, and she looked at Zhu Bajie excitedly: “I’m not familiar with Yue Feng at all, you…you quickly let me go.”

Because she was taught that ‘Yue Feng is a bad person’ So when he heard about Yue Feng, Su Qingyan instinctively repelled it. At this time, when he learned that Zhu Bajie, who was in front of him, was with Yue Feng, he became even more excited.

What’s the matter?

Seeing this scene, Zhu Bajie only felt that his mind was in a mess, and he was even more depressed.

Isn’t this Su Qingyan Yue Feng’s woman? Why do you feel so repulsive when you hear Yue Feng’s name?

Next to Xu Qingyi, was also confused.

“lady!”

Chapter 2173

Finally, Zhu Bajie reacted and instructed Xu Qingyi: “You look at her first, and I’ll pick up Brother Yue Feng!” After speaking, Zhu Bajie drank a glass of Chinese wine, turned around and walked out Room.

Zhu Bajie had already thought about it, and let Yue Feng handle the matter in front of him. After all, Su Qingyan was his woman.

“Miss Qingyan!”

After walking away, Xu Qingyi breathed a sigh of relief, walked over slowly, and comforted Su Qingyan: “Calm down first, there must be some misunderstanding between you and Yue Feng, wait a minute. Yue Feng is here, you two have a good talk…”

Xu Qingyi was gentle and wise, and at a glance, she could see that there was a misunderstanding between Su Qingyan and Yue Feng.

If it was before, Xu Qingyi would not be so talkative, but after following Zhu Bajie, she also regarded Yue Feng as a friend, and when she saw the situation in front of her, she wanted to mediate.

However, Su Qingyan didn’t listen at all, she shook her head and resisted: “There is no misunderstanding between me and him, please let me go, let me go…”

Alas.

Seeing this, Xu Qingyi sighed, very helpless.

At this moment, on the street outside, a person slowly walked towards the inn, dressed in a black robe, with sharp facial features, very handsome, and his face full of vigilance.

It was Duan Yu.

Yes, Duan Yu followed Zhu Bajie and the three to Fengling Town.

In Mount Emei, after being seriously injured by Yue Wuya, Duan Yu fled in a hurry, and finally hid in a hidden place to recover. After the injury was healed, Duan Yu wanted to seek revenge on Yue Feng, just in time for Yang Jian to send troops to conquer Nanyun Continent. At that time, he learned that Yue Feng had defeated the Northern Ying army in Nanyun Continent, and he was famous in Kyushu. Duan Yu was both envious and resentful. At the same time, he also knew that he would not be able to take advantage of Yue Feng's current situation.

In the end, Duan Yu decided to practice around, and when his strength improved, he would go to Yue Feng to settle the account. Recently, he was training in the Yellow Sea Continent. Just now, Duan Yu was passing by Fengling Town and happened to see his wife Xu Qingyi and his senior sister Su Qingyan. At that time, Duan Yu was surprised and delighted, but he was only afraid of Zhu Bajie's strength, and he never did. show up.

Just now, Duan Yu observed secretly, saw Zhu Bajie leave the inn alone, and quickly appeared.

….

in the inn room.

Xu Qingyi sat beside the bed, still patiently persuading Su Qingyan. It was just that the effect was minimal, and Su Qingyan still couldn't hear it.

Bang Bang…

At this moment, the door was suddenly knocked.

"You guys are back!"

Xu Qingyi's face was overjoyed, thinking that Zhu Bajie and Yue Feng were back, and quickly stood up to open the door!

Swish!

At the moment when the door was opened, Xu Qingyi's delicate body trembled, and the whole person was stunned. Just outside the door, Duan Yu stood there quietly, his handsome face full of complexity.

It’s….it’s him! ?

Seeing Duan Yu, Xu Qingyi’s brain was buzzing, a heart beating faster, and her mood was extremely complicated.

Junior Brother?

At the same time, Su Qingyan was also stunned, her beautiful face was full of surprise.

In Su Qingyan’s heart, Duan Yu left him alone in Mount Emei and fled alone. He and he would never meet again, but he never thought that they would meet here.

“lady!”

At this moment, Duan Yu was emotional, and with his handsome face, he couldn’t hide the ecstasy and excitement in his heart: “I finally found you!” He opened his hands to hold Xu Qingyi in his arms.

Although Duan Yu acts without compromise, he is not a cold-blooded person, and he also has feelings, and the woman he loves most is Xu Qingyi.

Duan Yu was almost insane after his wife Xu Qingyi was captured by Zhu Bajie in the ancient tomb of Lv Bu. After that, he has been sending people to find her whereabouts. At the same time, he has been looking for trouble with Yue Feng, also to find clues about Xu Qingyi. .

It just backfired, Duan Yu never found out about Xu Qingyi. Now that we meet again after a long absence, it is natural to be excited.

Chapter 2174

“You…”

However, what Duan Yu didn’t expect was that before he got close, he saw Xu Qingyi like a frightened bird, taking a step back, her delicate face showing resistance, and she said, “Don’t come here. ..”

Swish!

Duan Yu stopped in his footsteps, stunned, the smile frozen on his face, and he was very puzzled.

what happened? Madam has always been very gentle and submissive to herself. How did she become so lively after not seeing her for such a long time?

Yes, she must be blaming herself for not looking for her for so long.

Thinking about it, Duan Yu smiled bitterly and explained to Xu Qingyi: “Madam, I’m sorry, it’s not that I didn’t find you for so long, but I sent a lot of people, but I couldn’t find out about you.”

“Don’t worry . , After we meet again today, I will never let you leave me again.” The

voice fell, and Duan Yu was ready to approach again.

“Duan Yu!” Xu Qingyi bit her lip tightly and shook her head gently: “The fate of you and me is long overdue, I’m fine now, you better…. Forget me.”

When saying this, Xu Qingyi’s face was calm, without the slightest emotional fluctuations.

To be honest, at the beginning, when Zhu Bajie was taken away, Xu Qingyi still thought about Duan Yu, but after contacting Zhu Bajie, Xu Qingyi was gradually infected by Zhu Bajie’s unique charm, and she completely let go of and Duan. Feather’s feelings.

More importantly, his body was already possessed by Zhu Bajie, and it was impossible to reunite with Duan Yu.

forget me, please!

The four words, like an invisible giant hammer, smashed into Duan Yu’s heart.

Duan Yu froze there, staring blankly at Xu Qingyi, heartbroken.

Madam wants to sever ties with herself?

Why?

It must be a hallucination, not real.

what!

At this time, Duan Yu shouted up to the sky and almost collapsed. Xu Qingyi was the only woman he loved deeply in his life, but now he broke up with him, and no one could accept it.

For a time, Duan Yu’s face was extremely ugly, and his whole body couldn’t help shaking.

Seeing his appearance, Xu Qingyi suddenly became nervous and took two steps back cautiously.

She knew Duan Yu too well, and her temperament was extreme. What she said just now stimulated him. If she didn't comfort him in time, she would definitely take extreme actions.

Thinking about it, Xu Qingyi said softly, "Duan Yu, you are a person who does great things, don't be entangled by the love of your children, and I'm sorry for this matter, don't do this, okay?

" At these times, Xu Qingyi's face was calm, but she was secretly alert.

call!

Duan Yu took a deep breath, nodded with a wry smile, and said, "Okay, since Madam said that, I'm not obsessed anymore, I wish you happiness!"

Congratulations on his lips, but Duan Yu's eyes flashed gloomily.

The next second, Duan Yu turned his head to look at Su Qingyan, and smiled slightly: "Senior sister, stay safe."

Su Qingyan's face was cold and did not respond.

Before in Mount Emei, Duan Yu left her alone and didn't ask, Su Qingyan had a knot in her heart, and naturally she would not have a good face towards him.

call!

Seeing this scene, Duan Yu took a deep breath and explained seriously: "Senior sister, I know you blame me, but I was on Mount Emei at that time, and I had no choice but to leave in time. If I don't leave in time, my life will be lost, please forgive me."

Duan Yu was in a bad mood after being distanced by Xu Qingyi, and wanted to be comforted by Su Qingyan at this time.

However.

Su Qingyan didn't give him a chance to explain at all, and interrupted before she finished speaking.

"Duan Yu, you don't need to explain." Su Qingyan said coldly, "Let's not say this in a fake way, on Mount Emei, I have already seen your person clearly, you can abandon me once, you can abandon me twice , From now on, you are only my junior brother in name, and we have nothing to do with each other." The

voice was not loud, but it was decisive.

Su Qingyan is a wise woman, although she lost her memory, she still sees people accurately. Duan Yu's actions made Su Qingyan completely disappointed, how could he forgive him?

hum!

At this moment, Duan Yu only felt a dull thunder sounded in his head, and the whole person was stunned there, and his mood was extremely bad.

Chapter 2175

"Okay, okay!" In the

next second, Duan Yu's face was full of bitterness, and he smiled: "In this case, I have nothing to say."

At this time, Duan Yu had a smile on his face, but his heart was cold. If ice. The woman she loves the most has severed her relationship, and Su Qingyan refuses to forgive herself.

Originally, Duan Yu thought that these two women would be able to return to him, but he never imagined that the reality and what he imagined were completely different.

Papa… When

the voice fell, Duan Yu's mouth curled into a smirk, suddenly rushed in, raised his hand and touched Xu Qingyi's acupuncture point.

Xu Qingyi was unprepared, her delicate body trembled, and she couldn't move for a moment.

"Duan Yu, you…"

Xu Qingyi looked pale, shocked and angry: "What are you doing?"

Duan Yu didn't answer, knocked Xu Qingyi unconscious, then picked her up, and walked away Go to Su Qingyan.

"You…"

At this time, Su Qingyan was also trembling and panicked: "Duan Yu, you are crazy, what are you going to do?"

What?

Duan Yu showed a smile, and his handsome face was full of madness: “What do you say I’m going to do? In your hearts, Duan Yu is an out-and-out bastard, and I don’t have the right to have a relationship with you. In this case, I will Let you know what a real bastard is.”

When he said this, Duan Yu looked at Su Qingyan recklessly, with evil fire flashing in his eyes.

After all, he was also the emperor of Xi Cang, but he was abandoned by two women one after another. How could he bear this tone? Since you are heartless, don’t blame me for being unrighteous.

Duan Yu thought about it, not only to get Xu Qingyi back today, but also to get Su Qingyan.

In the next second, without waiting for Su Qingyan to respond, Duan Yu hugged her by the waist, and then jumped out from the back window of the room. Su Qingyan had been tapped by Zhu Bajie before, and she was unable to resist.

Speaking of which, Duan Yu was bringing two women, which was very eye-catching, and at the same time he couldn’t walk fast, but at this time night had fallen, and there was a hillside behind the inn, and no one noticed it for a while.

Soon, Duan Yu, along with Su Qingyan and Xu Qingyi, disappeared into the vast darkness.

Not long after leaving, a figure walked quickly to the door of the inn, sweating profusely, with a handsome and stylish face, unable to hide his inner excitement.

It was Yue Feng.

Tongfu Inn…that’s it.

At this moment, Yue Feng looked up at the inn’s signboard, and then strode in, pulling a shop assistant to ask: “Excuse me, is there a guest surnamed Zhu who has reserved a room here, the man is very handsome, and he has brought Two very beautiful women.”

Yue Feng’s face was full of anticipation when he asked these questions.

That’s right, when Yue Feng and Zhu Bajie pretended to fight in Xiyan Pavilion before, it was agreed that after Zhu Bajie took Su Qingyan away, he would wait for him at this inn in Fengling Town.

“Hey…let go!” The

shop assistant looked down at Yue Feng with a look of contempt, and said angrily, “Who are you? We can’t disclose the information of the guest casually. Seeing you like this, it doesn’t look like you’re looking for someone. He looks like a liar, hurry out.”

The man in front of him, dressed in ordinary clothes and still in the dust, must be a liar from other places.

During this period of time, because Yang Jian led his troops to fight in various places, many people were displaced. On the Yellow Sea Continent, many refugees and various liars have recently arrived.

Nima!

Seeing the face of the second shopkeeper, Yue Feng scolded inwardly, too lazy to talk nonsense, let go, and went directly to the room on the second floor to search.

At this time, Yue Feng was in a hurry to meet Zhu Bajie, and was too lazy to care about this shop’s second.

“Hey, what are you doing?” The second shopkeeper was very angry, and quickly chased after him, shouting, “Did you not hear when you go out? You dare to break into the guest’s room without permission…”

Yue Feng I just pretended not to hear it, and checked the rooms on the second floor one by one, but I didn’t find Zhu Bajie, nor did I see Su Qingyan or Xu Qingyi.

What’s the matter?

Going downstairs, Yue Feng found a chair and sat down in the lobby of the inn, his brows furrowed, and he muttered in his heart.

Is this the inn right? Why didn’t I see the three Zhu Bajie?

Could it be that they encountered other things along the way and hadn’t come over yet?

For a time, Yue Feng was in a mess.

At this time, Yue Feng didn’t know that Zhu Bajie went out to meet him, but the two went astray and didn’t meet, and Su Qingyan and Xu Qingyi were taken away by Duan Yu.

The ultimate husband in Chinese chapter 2176-2180

Chapter 2176

“Hey!”

At this time, the second shopkeeper looked angry, came over and pointed at Yue Feng and shouted: “I told you to get out, can’t you hear? Are you deaf?

” He glanced at it and ignored it.

“What’s the matter?” The shop owner came over and asked with a frown. The philistine on his face looked like someone who bullies the soft and fears the hard.

Whoops!

At the same time, the movement also attracted a lot of onlookers.

“Boss.”

Seeing the boss coming, the second shopkeeper became more confident, pointed at Yue Feng and said contemptuously, “This kid broke into the guest’s room, and he still won’t leave. I think it’s either a thief or a liar.”

What?

Hearing this, the shop owner immediately became angry, pointed at Yue Feng and shouted angrily: “Where is this kid who doesn’t know how to live or die? Break a leg for me and throw it out.”

Like the second shopkeeper, the shop owner also thought that the person in front of him was in front of him. , came from other places to escape the war, after all, Yue Feng’s dress is too ordinary.

Whoa!

The words fell, and several guys in the store rolled up their sleeves and surrounded Yue Feng.

At this moment, everyone around them shook their heads secretly, and many people pointed at Yue Feng.

“I’m afraid this kid is going to be unlucky.”

This chapter is provided by . Visit for daily update.

“Yes, the owner of this inn, but a respectable person in Fengling Town, this kid dares to make trouble here? Looking for death…”

“Looking at his appearance, he must be fleeing from another place. Come here, sigh, you are young, what you do is not good, you have to cause trouble…” The

surrounding discussions kept coming, and the corners of Yue Feng's mouth twitched, very funny.

Nima!

Do you look like a refugee?

At this time, Yue Feng was very funny. He didn't want to attract attention, so he hid his strength, but he didn't expect to be regarded as a liar who escaped. It was ridiculous.

"Boy! I really can't see the coffin, so I can't cry."

Seeing that Yue Feng could still laugh, one of the shop assistants finally couldn't hold it anymore, shouted angrily, and punched him fiercely.

Yue Feng's face was calm and composed, and he didn't mean to hide at all.

These shop assistants are all ordinary people, and their shots seem to be very fierce, but hitting Yue Feng is like scratching a tick.

"Boss, do you have a room?"

Seeing that the punch was about to hit Yue Feng, suddenly, a voice came from outside, and then, a man with a good temperament walked in slowly.

Wearing a black brocade robe, it shows a good temperament. He is about thirty years old, and his body is thin, but his body is filled with an aura that is not to be underestimated.

The man's name is Ye Fei, a martial emperor, and he is a branch hall master of Tianmen.

Ye Fei?

Why is this kid here?

Seeing Ye Fei, Yue Feng was stunned for a moment, and was very puzzled.

Recently, Yang Jian sent troops to conquer all over the world, and he specially gave orders to Tianmen to be ready at all times to defend the Earth Circle Continent. Ye Fei is not in the Earth Circle Continent at the moment, so why did he come to the Yellow Sea Continent?

Swish!

At the same time, the eyes of everyone present suddenly converged on the past.

Just looking at it, almost everyone believes that this person in front of him has such a strong aura, he has an extraordinary origin, and his identity is definitely not simple!

“This guest officer!”

At this time, the shop owner responded with a smile on his face and respectfully said to Ye Fei: “This is the best inn in Fengling Town, with the best room. I’ll arrange it for you. .”

Like everyone else, the shop owner also believed that it was not easy to come, and at this time, he looked like a servile and respectful person.

At the same time, when the shop owner’s eyes swept over Yue Feng, there was still a hint of contempt.

Wait until you have arranged the distinguished guests, and then take care of this kid.

“Yeah!”

At this moment, Ye Fei nodded and said lightly: “Go get ready, I have to rest quickly.”

When he said this, Ye Fei couldn’t hide his tiredness.

Yes, Ye Fei should not have appeared here originally, but the Northern Ying army suddenly invaded the Earth Continent. The Huashan area and Yunzhou City have been occupied. Now the entire Earth Continent is in chaos. Under such circumstances, Tianmen sent many people. , went to various continents to find Yue Feng.

After all, only Yue Feng can save the situation in the Earth Circle Continent.

In this case, Ye Fei was responsible for coming to the Yellow Sea Continent to look for it.

“Okay!” The shop owner nodded in response, and quickly ordered Dian Er to prepare the room.

Um?

But at this moment, Ye Fei’s eyes flashed, and when he saw Yue Feng sitting there, he was shocked and surprised.

metropolitan? !

Ye Fei rubbed his eyes, thinking he was wrong, but after a closer look, he was really the sect master!

Excited, Ye Fei pushed the shop owner away and walked towards Yue Feng quickly.

Whoa!

Chapter 2177

Seeing this scene, everyone present was stunned.

This… what's the situation?

This extraordinary guest, know this kid?

Pfft!

Just when everyone was secretly suspicious, they saw Ye Fei approaching Yue Feng, bent his knees, and knelt down directly.

This time, everyone was completely stunned!

And even more, they were still shocked.

Seeing Ye Fei's excited face, he said to Yue Feng: "Subordinate Ye Fei, see Sect Master, Sect Master… I have finally found you."

Hiss!

For a moment, the entire inn was silent, and many people couldn't help gasping for air.

metropolitan? This guy in ordinary clothes turned out to be the suzerain?

It's just…he's the suzerain of that sect?

"You…you…"

Finally, the shop owner was the first to react, looking at Yue Feng, his throat trembled, and he couldn't say anything in shock.

Before he could finish speaking, he was interrupted by Ye Fei's angry shout.

"Presumptuous." Ye Fei glared at the shop owner and scolded coldly: "This is our Tianmen Sect Master, Your Excellency Yue Feng, you dare to be so rude and seek death!"

Ye Fei is a smart person, seeing a few shop assistants, surrounded by Looking at Yue Feng, he immediately guessed something.

What?

Hearing this, the entire inn immediately exploded, and everyone stared at Yue Feng in stunned shock.

Total shock.

This person turned out to be the Tianmen Sect Master Yue Feng? Some time ago, the existence of helping the Nayun Continent to repel the Northern Ying army? The Emperor of Xi Cang, Yue Feng?

The shop owner only felt that his legs were weak, and he was dripping with cold sweat. Totally speechless.

He turned out to be Yue Feng?

Just now, I even asked the guy to shoot him, which is simply courting death.

At this time, Ye Fei came over delicately and said coldly: “If you dare to be disrespectful to our sect master, don’t even think about living.” The voice fell, Ye Fei’s inner strength exploded, and he was about to shoot.

The shop owner and a few guys were so frightened that they even peed their pants on the spot.

“Forget it!”

At this moment, Yue Feng said lightly: “I don’t blame those who don’t know. Besides, they didn’t do anything to me.”

When he said this, Yue Feng didn’t even look at the shop owners. In his heart, there is no need to care about these people at all.

“Yes, Sect Master.” Ye Fei responded and retreated.

“Ye Fei!” At this moment, Yue Feng frowned and asked, “Why did you come to the Yellow Sea Continent

? What happened?”

The news of the invasion by the troops has not yet reached this side, and Yue Feng naturally does not know.

Ye Fei looked at the people around him and hesitated.

Yue Feng realized something, got up and took Ye Fei to an empty room on the second floor.

A few minutes later.

Ye Fei was in the room and explained the situation of the Earth Circle Continent in detail.

At the end, Ye Fei looked ashamed and anxious: “Sect Master, we have done our best, but the Beiying army is too strong. Now not only Huashan area and Yunzhou City have fallen, but many people have been captured by Yang Jian. ..”

Om!

Hearing this, Yue Feng’s body trembled, his brain buzzing, shocked and angry.

Nima, this Yang Jian is too cunning to attack Diyuan Continent while he is away?

A few seconds later, Yue Feng reacted and quickly said to Ye Fei: “Quick, in my name, immediately ask for help from the royal family of the Southern Cloud Continent, as well as the Wen Zong and Dan Zong of the Dongao Continent!”

When he said this, Yue Feng said Anxious. The Beiying army is strong and powerful. Even if he goes back on his own, it will be difficult to restore the situation, and he can only ask for help from other continents.

“Yes, Sect Master!” Ye Fei responded and walked out of the room quickly.

Watching Ye Fei leave, Yue Feng found paper and pen in the room and wrote a letter to Zhu Bajie.

After writing it, Yue Feng called the owner of the inn and instructed: “If there is a person named Zhu Bajie who comes to the inn, give this letter to him. Remember, you must hand it over to him, understand?”

Seriously , Yue Feng really wanted to stay here and continue to wait for Zhu Bajie. After all, Qingyan lost her memory. After looking for her for so long, she finally found her, and she really didn’t want to leave like this.

But there is no way, the Earth Continent is at stake, and we must go back to preside over the overall situation.

Moreover, with Zhu Bajie watching around Qingyan, there is no danger.

“Yes, yes, Sect Master Yue, rest assured, the villain will do it.” The shop owner nodded again and again, extremely respectful, and did not dare to violate the slightest. Compared with before, his attitude was completely different.

The person in front of him is a big man who is famous in Kyushu. How can he be the owner of a small shop in his own place?

After arranging everything, Yue Feng left Fengling Town and rushed towards the Xicang Continent.

Yue Feng thought about it, and went to Xicang Continent to gather an army first, so that he would have a better chance of winning against Yang Jian.

Chapter 2178

After a long flight, Yue Feng arrived at the boundary of Xicang Continent.

At this moment, stepping on the land of Xi Cang Continent, Yue Feng was inexplicably excited.

Nima, it’s finally here.

The strength of Xi Cang Continent is still at the forefront of the Kyushu. Yue Feng believes that as long as the Xi Cang army is summoned, even if it cannot defeat Yang Jian, it can at least help Di Yuan Continent to delay the time.

Thinking about it, Yue Feng finally arrived at Canglong Pass after more than an hour of flight.

Canglong Pass, located on the border of Xi Cang Continent, is one of the important gates to enter Xi Cang Continent.

The reason why Yue Feng came to Canglongguan was because the distance from Canglongguan to Diyuan Continent was the closest.

Yue Feng thought about it. After arriving at Canglong Pass, he directly asked the garrison to convey his will, let the army come to meet, and then quickly supported the Diyuan Continent. After all, the Diyuan Continent was in critical condition and could not be dragged on for a moment.

call!

On the official road outside Canglong Pass, Yue Feng took a deep breath and landed slowly.

After flying for more than ten hours in a row, Yue Feng was a little tired, and he still had a few hundred meters to go, so he decided to walk over.

Um?

After a few steps, Yue Feng stopped, frowning secretly as he looked at the front.

I saw a car parked on the road in front of it, the hood was smoking, obviously it broke down, and a young man and woman stood next to it, unable to do anything.

The man is about twenty-five years old, quite handsome, wearing a brown plaid suit, but wearing ancient short boots on his feet.

The woman looked younger. She was wearing a plain white cheongsam, which perfectly showed her exquisite and tight figure. Her facial features were exquisite and charming, and there was a hint of stubbornness between her eyebrows. Yue Feng noticed that the woman's long hair was up. , similar to the ancient maid's head shape.

This pair of men and women, dressed in modern clothes, but with ancient elements on their bodies. In the past, Yue Feng must have been puzzled, but now he is not surprised.

Since the enchantment of the Kyushu Continent disappeared, in the past ten years, the various continents have communicated with each other, and the humanities and customs have collided.

"You two!" In the

next second, Yue Feng reacted, walked over, and said to the man and woman, "Do you need help?" To be

honest, Yue Feng was in a hurry to gather the army. The cheongsam woman in front of her raised her hands and gestures like Liu Xuan, so she decided to help.

"Go go go…" The

man in the suit looked disgusted, looked at Yue Feng up and down, and said angrily: "You are passing by, what are you doing? This is called a car, have you seen it?"

The boy in front of him, Dressed in ordinary clothes, you don't know much at first glance.

In the heart of the man, he thought that Yue Feng was a commoner of the Xicang Continent and had never seen a car. After all, the Xicang Continent was an ancient society. Although the continents had been in communication for a long time, it was difficult for ordinary people to see such a high-tech product as a car!

Yue Feng frowned secretly.

Nima, this kid has a strong sense of superiority.

“Cousin.” At this moment, the beautiful cheongsam pulled the man in the suit and said softly, “Don’t do this.”

Then, the beautiful cheongsam smiled at Yue Feng: “I’m so sorry, you just said Want to help, can you fix the car?”

The voice is melodious and pleasant.

Yue Feng nodded and said with a smile: “Understand a little bit, your car broke down, it seems that the problem is the outlet pipe.” As the former young master of the Yue family, Yue Feng is no stranger to cars.

While speaking, Yue Feng opened the hood and checked it.

Um?

Chapter 2179

Seeing this scene, the man in the suit was very surprised, as if he didn’t expect Yue Feng to really repair cars, but there was still a bit of disdain in his eyes.

Soon, Yue Feng checked the fault and began to repair it. At the same time, he asked the beautiful woman in cheongsam, “Where did you come from? Has this car been out of maintenance for a long time?”

Many parts of this car need to be repaired. Men and women do not know how to maintain at all.

Swish!

Hearing this, the man in the suit frowned and cried out in disgust, “Ah, if you can do it, hurry up, what are you asking? Where did we come from, who are we, and does it have anything to do with you? In the

words, there is a strong contempt, in the eyes of the men in suits, Yue Feng is not qualified to know their identities.

As soon as the words fell, the cheongsam beauty looked unhappy, and blamed the man in the suit: “It’s okay to help us, it’s okay to ask, don’t talk about guns and sticks.” After speaking

, the cheongsam beauty apologized to Yue Feng . He smiled: “My cousin is like this, don’t mind, we are from Zhongyuan Continent, my name is Sun Ting.” The

Sun family is a big and famous family in Zhongyuan Continent. She is the eldest lady of the Sun family.

Although Sun Ting is a wealthy lady, she has a strong personality. In recent years, the family business has been expanding to other continents. Sun Ting wanted to share some of it. This time, she took the initiative to come to Xicang Continent to find some business cooperation for the family.

As for this car, it was Sun Ting’s father, who got it from the Diyuan Continent. Sun Ting was a novelty for a while. After learning how to drive, she drove it to the West Cang Continent. gone, broken on the side of the road.

call!

Yue Feng nodded silently, it turned out to be from Zhongyuan Continent. Like Apocalypse Continent, Zhongyuan Continent is also an ancient society. This pair of men and women, dressed in such avant-garde, must have an unusual status in Zhongyuan Continent.

“That’s right!”

At this time, Sun Ting introduced the man in suit to Yue Feng: “This is my cousin, Dugu Jing.”

Well!

Yue Feng responded, but was too lazy to say hello to Dugu Jing, this kid was disrespectful and was too lazy to pay attention to him.

However, Yue Feng murmured in his heart.

This kid’s surname is Dugu? Could it be from the same family as that Dugu Jiu?

When the Tianqi royal family held a contest to recruit relatives for Ren Yingying, Zhongyuan Continent came to a contestant with a high voice, Dugu Jiu, Yue Feng clearly remembered that at that time that Dugu Jiu was the Dugu family from Zhongyuan Continent. A well-known talent, in the final of the literary competition, Yue Feng also compared with Dugu Jiu to write a poem.

And the Dugu Jing in front of him is also from the Zhongyuan Continent. Could it be that he and that Dugu Jiu belong to a family?

Yue Feng guessed right, this Dugu Jing is from Dugu Jiu's family, and he is also Dugu Jiu's younger brother.

The Dugu family and the Sun family have been married for generations. Dugujing is Sun Ting's cousin. He liked this cousin since he was a child. When he learned that Sun Ting wanted his only son to drive to Xicang Continent to find business opportunities, Dugujing followed him shamelessly.

"Boy!"

Seeing that Yue Feng was ignoring his love, Dugujing suddenly became angry and sneered: "Have you heard of the Dugu family in Zhongyuan Continent? I am the young master of the Dugu family, as long as you fix the car, Young master, I will reward you with a silver ingot." The

voice fell, and Dugujing took out a silver ingot, with an aloof arrogance on his face.

In Dugujing's heart, even if Yue Feng knew how to repair cars, he was just an ordinary person, and the silver ingot he gave him would never be seen in his life.

Haha..

Seeing the silver ingot, Yue Feng's face was indifferent, without the slightest fluctuation, but his heart was secretly funny.

This Dugu Jingkang really belongs to the Dugu family. But this kid is really interesting. He is just a young master of the family.

Thinking to himself, Yue Feng still ignores Dugujing.

After a while, the car was repaired, Yue Feng put down the hood and smiled at Sun Ting: "Okay, you can continue on your way."

Chapter 2180

"You're amazing."

Sun Ting clapped her hands, excited and looked at Yue Feng with gratitude and admiration: "I thought this car was completely broken, but I didn't expect you to fix it so easily. "

Speaking, Sun Ting couldn't help but ask: "Yes, I don't know what your name is, where did you come from."

"Me!"

Yue Feng thought for a while, and replied: “My name is Fengtao, the continent of Earth Circle. I’m here.”

Yue Feng wanted to say his real name, but then he thought that his reputation was too loud, so it’s better to keep a low profile.

“It turned out to be from the Earth Circle, so it’s no wonder that he can repair cars.” Sun Ting looked surprised.

In the Kyushu Continent, the Earth Circle Continent is technologically advanced, and almost everyone there understands cars, and it is not surprising that they can repair cars.

Immediately, Sun Ting thought of something, and asked Yue Feng curiously, “Did you come to Xi Cang Continent to escape the war?”

Ah?

Hearing this, Yue Feng was stunned.

With a complicated expression on her face, Sun Ting continued: “On the way here, I saw a lot of people fleeing, most of whom came from the Diyuan Continent. Alas, they are all brought by their families, so pitiful…”

Phew!

Yue Feng took a deep breath and clenched his fists secretly, feeling very uncomfortable.

For his own selfish desires, Yang Jian launched an army to invade the Diyuan Continent, and in the end it was the common people who suffered.

I have to hurry up and mobilize the Xi Cang army to resist Yang Jian.

“Oh, boy!”

At this moment, Dugujing looked at Yue Feng up and down, and said contemptuously: “I can’t see, you really repaired the car, now, this young master’s words count, this is a reward for you.” The

voice fell, Dugujing general A silver ingot in his hand was thrown at Yue Feng’s feet with a very arrogant attitude.

Dugujing has been pursuing Sun Ting. At this time, seeing Sun Ting and Yue Feng talking and laughing, he is very upset, like a blow to Yue Feng’s self-esteem.

Nima!

Yue Feng frowned secretly, without even looking at the silver ingots on the ground, at the same time, his heart was a little angry.

This kid, I ignore you, you are getting more and more excited.

“Yo?”

Seeing Yue Feng standing still, Dugujing sneered and mocked: “Why? Too little? Let me tell you, this piece of silver ingot is enough for a person like you for a long time, so don’t know what to do.

” Cousin!”

Sun Ting couldn’t stand it any longer, and stomped her feet: “Can you stop doing this?”

Dugujing quickly smiled and coaxed: “Cousin, don’t be angry, a person like him looks ordinary at first sight. People, I’m helping him by giving him money.”

Yue Feng chuckled and said lightly, “I’m helping you repair your car out of good intentions, and I don’t want to repay.”

Hmm!

Hearing this, Sun Ting nodded in approval.

Help without asking for anything in return, such good people are rare.

At this time, Sun Ting was very fond of Yue Feng.

The next second, Sun Ting smiled and invited Yue Feng: “It seems that you are also going to Canglong Pass. Since we are on the way, let me take you for a ride.”

When saying this, Sun Ting’s charming eyes , full of sincerity.

“What?”

Dugu Jing suddenly shouted: “Cousin, this person is so dirty, how can he ride in our car? Anyway, the Canglong Pass is right in front of him, let him walk by himself.”

When he said this, Dugu Jing did not forget to look at Yue Feng with a look of disgust.

A low-class person, how can he be qualified to ride in his cousin’s car?

“Dugujing, are you enough?” At this time, Sun Ting was completely anxious, and she shouted coldly: “If you do this again, don’t follow me.”

After saying that, Sun Ting smiled at Yue Feng: “Feng Tao , let’s get in the car.” The voice fell, and Sun Ting sat in the driver’s seat.

Um!

Yue Feng nodded and got into the car.

To be honest, Yue Feng didn’t want to take the car. After all, the Canglong Pass was close at hand, but Sun Ting’s kindness was difficult, and he was really embarrassed to refuse.

“Cousin, wait for me.” Dugu Jing called out and quickly sat up.

The ultimate husband in Chinese chapter 2181-2190

Chapter 2181

Soon, Sun Ting started the car and drove towards the gate of Canglongguan City.

call!

When approaching the gate of the city, seeing the scene in front of him, Yue Feng took a deep breath and felt very heavy.

I saw that there were thousands of people gathered in the open space outside the city gate. Most of these people were fleeing from the Diyuan Continent. All look tired.

At the door, a checkpoint was set up, and the heavily-armed Canglong City defenders were conducting an interrogation of these fleeing people one by one.

Because there were too many people, they crowded together and pushed and shouted, making the whole main entrance noisy.

“Shut up!”

A soldier captain shouted with a serious face: “What’s the noise? All line up, come one by one, don’t listen to the command, don’t blame the soldier, I’m rude.” The

voice was loud, revealing Deterrence, all of a sudden, the noisy crowd suddenly quieted down a lot.

At this time, when they got to the front, the three Yue Feng got out of the car!

“Why are there so many people?” Dugu Jing couldn’t help but muttered, looking very upset.

In Dugujing’s heart, he is a high-ranking family master, standing with these filthy commoners, it is very loss of identity.

Sun Ting also frowned.

However, Sun Ting did not despise the people around her, but wanted to enter the city quickly, so she was a little anxious.

So many people, how long do they have to line up?

This chapter is provided by . Visit for daily update.

Yue Feng had a solemn expression on his face.

With so many people escaping, it is conceivable how tense the situation in the Earth Circle Continent has become.

Thinking to myself, Yue Feng was about to walk over and prepare to enter the city.

The situation in the Earth Circle Continent cannot be delayed, and the Xi Cang army must be summoned quickly.

“Fengtao!”

However, at this moment, Sun Ting said softly to Yue Feng, “I’ll go over and ask first, and see if these soldiers can be accommodating. If possible, I’ll bring you in together. You don’t have to queue anymore.”

In Sun Ting’s heart, she thought that Yue Feng was also a fleeing commoner, so she decided to help him. After all, she represented her family and came to Xicang Continent to do business. Soldiers at this level would definitely give The right to enter the city first.

“Cousin, I’m with you.” Dugu Jing called out and quickly followed.

Yue Feng smiled, this Dugu Jing, as the eldest lady of the family, has no air at all, and is quite kind.

Thinking to myself, Yue Feng also followed.

“Master!”

Sun Ting smiled lightly and said to the soldier captain, “I’m from Zhongyuan Continent. I’m going to do business in Xicang Continent, can you be accommodating?”

Shah!

At this moment, whether it was the soldiers or the people around them, all eyes were on Sun Ting.

beautiful!

So beautiful.

This must be the lady of some big family.

The captain of the soldier also looked straight, but after a few seconds, he reacted and shook his head: “Miss, I’m sorry, no matter what your status, you have to queue up.”

Although the young lady in front of him is very charming, the military command is like a mountain, and he is a small captain, how dare he be accommodating in private.

“Ah?” As soon as he finished speaking ,

Dugujing next to him suddenly called out: “What does it mean to have to line up? Do you know what our identity is? How could you compare us to these ordinary people?”

With a few pieces of silver ingots, with a proud look on his face: “This money has invited you to drink, now let us pass.”

In Dugu Jing’s heart, he thought that money could solve anything.

Swish!

At this moment, the soldier captain’s face suddenly changed, and he said coldly to Dugujing: “What do you mean? Are you bribing me?”

Seriously, the soldier captain didn’t want to be too busy, but seeing When Dugujing did this, he felt humiliated and immediately became angry.

Snapped!

The next second, before Dugujing could react, the soldier captain slapped him in the face without warning.

For a moment, the audience was silent.

Chapter 2182

Sun Ting couldn’t help but let out a low cry and was stunned there.

However, Sun Ting was not angry either, because her cousin’s behavior just now was indeed a bit excessive.

Haha…

Yue Feng showed a smile, and his mood was dark.

This Dugujing has no one in his eyes, and now that he is beaten, he is self-inflicted.

At the same time, Yue Feng looked at the soldier captain with glittering approval.

Unexpectedly, in this small Canglong Pass, there is such an upright soldier captain, not bad!

“You…”

Dugujing covered his face, shocked and angry, and pointed at the soldier captain: “You dare to hit me? Let me tell you, I am the young master of the Dugu family in Zhongyuan Continent, you are a small soldier captain, You’re just a gatekeeper, and he actually attacked me?”

At this time, Dugujing was almost furious, his dignified young master, who would be polite when he saw him, but the captain of the soldier in front of him actually beat himself, it was like Shameful.

Whoa!

The voice fell, and the audience was in an uproar. “The young master of the Dugu family? Is that the famous genius, the family that Dugu

Jiu belongs to?

” If it’s broken, if you beat such a big man yourself, I’m afraid it will cause trouble. “What happened?” At this moment, a voice came from the city gate, and then, a group of people slowly walked out, headed by a handsome young man, dressed in white, with a face like a crown jade, unable to speak suave.

It is the son of the Canglongguan garrison officer, Xie Zhendong!

“See your son!”

Seeing Xie Zhendong, the surrounding soldiers hurriedly saluted, trembling one by one. Canglongguan guarded Xie Nanbo, guarded Canglongguan for decades, and was highly respected. As his son, Xie Zhendong also had a lot of influence in Canglongguan.

“Young Master!”

At this moment, the captain of the soldiers walked over quickly, and said cautiously to Xie Zhendong: “Young man made the wrong call just now, please punish him!” Then he pointed at Dugujing and explained the situation just now. once again.

After speaking, the captain of the soldiers stood there, trembling all over, panicking in his heart.

call!

At this time, there was silence inside and outside the city gate.

Everyone thought that Xie Zhendong would definitely punish the soldier captain.

Yue Feng stood there, quietly looking at Xie Zhendong, frowning secretly.

Yue Feng thought about it, if Xie Zhendong punished the soldier captain and did not treat Dugujing and the people around him the same, he must question Canglongguan guard well and ask him how he educated his son.

“Haha!”

Finally, Xie Zhendong smiled lightly and said lightly: “But a self-righteous young master of the family, he just beats him, what’s the big deal.”

Phew!

Hearing this, the soldier captain sighed in relief, and a big stone hanging in his heart finally fell to the ground.

Yue Feng also showed a smile and nodded in approval.

This guarding son, sure enough, did not let himself down.

call!

At the same time, everyone around them also whispered and praised Xie Zhendong.

“You…” Dugu Jing was full of shame and anger, staring at Xie Zhendong, unable to speak.

This kid is just the son of the guard of Canglongguan, but he doesn’t take himself seriously, it’s really hateful.

Swish!

At this moment, Xie Zhendong’s eyes lit up and walked over with a smile.

At that moment, the eyes of everyone present followed him. When he stopped, the audience was silent again!

See, Xie Zhendong walked straight to Sun Ting!

Chapter 2183

Sun Ting is dressed in a white cheongsam, and her sexy and tight figure is enough to conquer countless men.

At this moment, Sun Ting’s body trembled, and she felt inexplicable in her heart.

“My subordinate said just now that the beauty is from the Sun family in Zhongyuan Continent, and she is still the eldest lady, right?” Xie Zhendong said with a smile, looking at Sun Ting with unbridled eyes.

Um!

Xie Zhendong’s gaze made Sun Ting feel uncomfortable, but she nodded and responded.

“

Tsk tsk…” Xie Zhendong looked at Sun Ting without blinking, admiring in intoxication: “I didn’t expect that there are such outstanding beauties in Zhongyuan Continent, Miss Sun, this young master really falls in love with you at first sight. Ah, I heard that you are here to do business. It just so happens that this young master has many friends in the business world of Xicang Continent, so beautiful lady Sun might as well come back to the house with me and have a few drinks, you and I will talk about it in detail? How about it?

” The son of the guard at Canglong Pass, Xie Zhendong has been wild and unruly since he was a child. When he became an adult, he bullied men and women, and did all kinds of evil. He was a well-known villain in Canglong Pass. Today, when he met a beauty like Sun Ting, how could Xie Zhendong let it go?

Swish!

This time, Sun Ting’s face turned red with embarrassment. She thought this Xie Zhendong was a decent man, but she didn’t expect it to be a womanizer.

At the same time, everyone around was stunned, as if they never expected that things would turn around like this.

Yue Feng furrowed his brows tightly, and there was a bit of coldness in his eyes.

Nima.

No wonder Xie Zhendong didn’t care so much about Dugujing being beaten. It turned out that his attention was all on Sun Ting.

“Miss Sun, this young master is very sincere, don’t be shy.” At this moment, Xie Zhendong approached Sun Ting and said with a smile, and at the same time he was about to grab Sun Ting’s wrist.

Sun Ting hid for a while, and said in a very displeased way, “You… please show some respect.”

When she said this, Sun Ting was calm on the surface, but she was extremely nervous! It was the first time she was far away from home. She had never encountered such a thing. This Xie Zhendong was dishonest and in front of so many people! It's so nasty!

"Tsk tsk, it's so sexy. The way you look angry is really touching." Sun Ting's scolding did not make Xie Zhendong restrained, but stimulated his interest.

After saying this, he grabbed Sun Ting again!

This time, Xie Zhendong stimulated his internal strength, and the speed was very fast. Although Sun Ting was also a cultivator, her realm was lower than that of Xie Zhendong.

Immediately afterwards, Xie Zhendong approached a little, sniffed gently in front of her, and his face was intoxicated: "It's so fragrant."

This time, apart from the surrounding soldiers, many people changed their faces.

This Xie Zhendong, as the son of the guard of Canglongguan, is also a person with a head and a face, and he actually acts on Sun Ting in front of the public!

"You… stop me! Let him go!" Dugu Jing finally couldn't help it, and said coldly.

The voice fell, and Dugu Jing was about to rush over.

However, before rushing to the front, he was stopped by the surrounding soldiers, and then he was tied up by Wu Hua.

Although he is the son of the Dugu family, Dugujing was idle and never worked hard to cultivate. As a result, he is still in the Martial Saint Realm. Most of the soldiers in Canglong Pass are in the Marquis Realm, and they are not opponents at all!

At this time, Sun Ting was shy and angry, struggling and shouting: "What are you doing? Let me go!"

Dugujing was tied tightly, his face was ashen, his whole body trembled with anger, and he shouted at Xie Zhendong: "Let her go, I warn you, I am the young master of the Dugu family, she is my cousin, If she is in the slightest mistake today, I can't spare you." The

Dugu family?

Hearing this, Xie Zhendong looked indifferent, smiled coldly, and looked directly at Dugujing: "Boy, don't use your family to scare me, this is Xicang Continent, not Zhongyuan Continent, and it's mine. If you don't, don't blame me for being rude!" After saying this, Xie

Zhendong instructed the soldier next to him, “Watch him closely, if you shout again, you will cut his tongue.”

Zhendong was used to being arrogant since he was a child, and in his heart, the Dugu family was far away in the Zhongyuan Continent, and he was not afraid at all.

“Yes, son!”

Several soldiers responded, pulled out their long knives, and tightly surrounded Dugujing.

Swish!

Feeling the chill from the long knife, Dugujing’s heart trembled, and he immediately hesitated, and quickly closed his mouth.

My cousin’s innocence is important, but it’s not as important as my own life.

Seeing this scene, Sun Ting was instantly desperate.

Cousin is already afraid, who else can save him!

Seeing this, Xie Zhendong laughed proudly and became more courageous, grabbing Sun Ting’s hand and pulling it sharply.

Sun Ting exclaimed and crashed directly into Xie Zhendong’s arms. Before he could struggle, he was hugged tightly by Xie Zhendong.

Chapter 2184

“Miss Sun, don’t be afraid, wait for a few drinks with me, I will not only support your business, but also love you… Haha!” Xie Zhendong laughed and stopped Sun Ting by the waist Picked it up and walked into the city.

At this moment, many people around looked at it, and they all dared to be angry and dare not speak.

Knowing that she could not escape the clutches, Sun Ting gave up her struggle and closed her eyes in despair.

Total despair!

At this time, Sun Ting felt unspeakable regret. If she had known this, she should have listened to her family’s words and stopped doing business alone.

“Stop!”

However, at this moment, a cold voice sounded, and then, a cold figure walked out from the crowd.

It is Yue Feng!

Yes, Yue Feng couldn't help it, and he was very ordered at this time.

I thought that Dugu Jing would be very annoying, but I didn't expect that this Xie Zhendong was even worse. Being so daring and arrogant, robbing women in public is simply a scum among scum.

What made Yue Feng even more annoyed was that, as the emperor of Xi Cang, it was a shame that his ministers had such wicked people.

Swish!

In an instant, the eyes of everyone present were focused on Yue Feng.

Especially Sun Ting, whose delicate body was trembling, looked at Yue Feng's eyes, full of consternation.

This… this wind wave, do you want to come forward to save yourself?

Thinking to herself, Sun Ting bit her lip, indescribably moved, and at the same time she was a little worried. In her heart, Feng Tao was just a commoner who had fled from the Diyuan Continent. How could he be Xie Zhendong's opponent?

An ordinary person, and the son of a high-ranking official in Xi Cang Continent, are not at the same level at all.

"Where's the stinky boy from!"

At this time, Xie Zhendong finally reacted, looking at Yue Feng coldly, full of disdain: "Are you talking to this son just now?" Yue

Feng responded coldly: "Not bad."

At that time, Yue Feng was very angry, and said coldly to Xie Zhendong: "You are the guard of Canglongguan, Xie Nanbo's son, right? Xie Nanbo is an important official of the court, how can there be a son like you who does not live up to expectations, in broad daylight, If you forcefully rob a woman, are you not afraid that the news will spread to the imperial city and bring disaster to your Xie family?" The

remarks were enthusiastic and loud.

And when he said this, Yue Feng's expression was icy cold, as if he was asking for guilt. As the emperor of Xi Cang, seeing the family members of the ministers below, so arrogant and domineering, bullying others, can you not be angry?

call!

In an instant, when they heard Yue Feng's words, especially when they saw his eyes, everyone present was terrified.

This… what's going on? This person is obviously dressed as a commoner, but his aura, how…how is he so strong?

Even Xie Zhendong was stunned, staring at Yue Feng, speechless for a while.

Who is this person? Dare to teach yourself a lesson in front of so many people?

Although Xie Zhendong is the son of the guard of Canglongguan, he has rarely left Canglongguan, let alone the imperial city. Therefore, he has no idea that the person in front of him is Emperor Xi Cang, Yue Feng!

"I don't know about life and death!"

After a few seconds, Xie Zhendong reacted, staring at Yue Feng and shouting angrily: "Since you know who I am, and you dare to talk like this, I think you are tired of living!"

Immediately, Xie Zhendong shouted at the surrounding soldiers: "Why are you still standing there? Come on, break this kid's hands and feet, and throw him into the mountains to feed

the wolves!" When he said this, Xie Zhendong was extremely arrogant, looking at Yue Feng's eyes showed a lofty attitude.

In Xie Zhendong's heart, he also believed that Yue Feng was just an ordinary person who couldn't stand his actions, so he wanted to be a hero to save the beauty. Don't even pay attention to it.

Whoops!

In an instant, upon hearing Xie Zhendong's words, dozens of soldiers rushed over and surrounded Yue Feng.

Seeing this scene, many people around hurriedly avoided it, fearing that the fish pond would be affected.

"I'm afraid this kid is about to finish…"

“Yes, although his courage is admirable and admirable, but the other party is the young master guarded by Canglongguan, how can he possibly beat others?

” I’m afraid I will suffer a big loss.”

In the hearts of everyone, they all thought that Yue Feng’s step forward was a very reckless behavior.

Chapter 2185

“Fengtao!”

At the same time, Sun Ting was also in a hurry, her delicate body was trembling constantly, her delicate face was full of worry and anxiety, and she shouted at Yue Feng: “Go away, it’s none of your business here. Son, hurry up…”

In Sun Ting’s heart, she and Fengtao just met by chance, and she felt anxious when she saw him stand up for her.

However.

Yue Feng didn’t seem to hear it, he stood there quietly, looking at the dozens of soldiers who surrounded him, his expression did not change in the slightest, as steady as Mount Tai.

“Boy!”

At this time, the leader of the soldiers looked at Yue Feng up and down, and said coldly, “You’re not too timid, if you dare to challenge Master Xie, if you know the way, you should just keep your hands off the ground, so as not to suffer too much suffering, otherwise. …”

Before he could finish speaking, Yue Feng interrupted.

“You are the captain guarding the city gate, right?” Yue Feng said coldly, word by word: “I admired you a lot just now, but I didn’t expect that you would actually help Zhou to be a tyrant, be Xie Zhendong’s son-in-law, and oppress innocent people. It’s really a misfortune for the common people to have you guys guarding Canglong Pass.”

Yue Feng said these words very seriously.

Yes, the captain of the soldier just started fighting Dugujing, not only won the praise of the people around him, but also won the approval of Yue Feng, but in a blink of an eye, this man helped Xie Zhendong and robbed the woman in broad daylight. Yue Feng had a good impression of him. Suddenly disappeared without a trace.

Um?

Hearing this, the soldier captain was stunned for a moment, then chuckled and said contemptuously, “What kind of boy are you? What kind of thing are you? The soldier needs you to appreciate it?

” With a wave of his hand, he rushed up with the surrounding soldiers.

Nima!

Yue Feng was completely angry, too lazy to talk nonsense, motivated by internal force, and directly greeted him.

“Fengtao, don’t…”

Seeing this scene, Sun Ting was so anxious that she wanted to persuade Yue Feng to leave, but Xie Zhendong covered her mouth without saying a word.

“Miss Sun.” Xie Zhendong said with a smile: “A boy who doesn’t know how to live or die, why are you so nervous, he won’t be your sidekick, if so, I will teach him a lesson for you and let him In the future, I will know who should be offended and who should not be offended.”

As he spoke, Xie Zhendong did not forget to admire Sun Ting’s figure.

Sun Ting blushed and wanted to break free, but was restrained by Xie Zhendong and couldn’t move at all.

At this time, Yue Feng had already fought with dozens of soldiers.

Bang bang bang…

Yue Feng’s realm at this time, facing the masters of the tribulation realm, do not panic, let alone these soldiers, in a few moments, dozens of soldiers were easily knocked to the ground .

Of course, Yue Feng didn’t break out with all his strength, and he showed mercy, otherwise these soldiers would have seen the King of Hell one by one.

Boom!

At this time, Yue Feng raised his foot and kicked the soldier captain to the ground. Hearing that the soldier captain groaned, curled up on the ground, unable to get up again.

At this moment, there is no one standing around Yue Feng.

The next second, Yue Feng stood proudly, stared at Xie Zhendong closely, and said word by word, “Let him go immediately, maybe I can forgive you.”

Listening to Yue Feng’s words, Xie Zhendong did not respond immediately, but Looking at the scene in front of him, he was shocked.

what’s going on?

The boy in front of him is at most this Miss Sun’s sidekick. How could he be so powerful that dozens of soldiers were all defeated in the blink of an eye? You know, these soldiers are the elites of Canglongguan.

Whoa!

At the same time, everyone around was dumbfounded!

These Canglongguan soldiers are responsible for guarding the border, so don’t think about their strength, they must be very strong.

But this kid in front of him knocked them to the ground in such a short time, and they couldn’t get up one by one. It was incredible.

This…

Sun Ting stared blankly at this scene, her mind blank.

How can this wind wave be so powerful? Isn’t he an ordinary people who fled from the Earth’s Continent? Does it have such power?

Dugu Jing, who was not far away, was also stunned, but in the eyes of Yue Feng, in addition to being shocked, there was also some disdain.

This kid turned out to be a cultivator too. No wonder he dared to take risks, but no matter how strong he is, he is only one person. To dare to provoke Xie Zhendong in public is completely courting death.

The ultimate husband in Chinese chapter 2186-2190

Chapter 2186

“Boy!”

Finally, Xie Zhendong reacted and looked at Yue Feng with a grinning face and said, “You’re good at it, even if you beat these men, in my eyes, you are just an ant. A puddle of mud.”

Speaking of this, Xie Zhendong's eyes suddenly became cold, and he continued: "But this son appreciates your courage, don't you want to be a hero? This son will fulfill you."

After he finished speaking, Xie Zhendong handed Sun Ting over to him . Take care of the soldiers around you, and then walk over step by step.

hum!

At the same time, Xie Zhendong stimulated his inner strength, and a strong breath spread out, and the surrounding people felt a strong pressure coming, their expressions changed, and they all retreated.

call!

At this moment, sensing Xie Zhendong's strength, Yue Feng breathed a sigh of relief, and there was a slight smile on the corner of his mouth.

A period of Martial Emperor realm, no wonder this kid is so arrogant and domineering.

"Boy, if you dare to challenge this son, go to hell." Xie Zhendong roared and punched directly. With this punch, Xie Zhendong broke out with all his strength. He just wanted to punch Yue Feng to death, and he saw the surrounding air. Twisted in general, the momentum is amazing.

However, Yue Feng did not panic at all, standing there as steady as a rock, with no intention of dodging.

boom!

Finally, Xie Zhendong's punch hit Yue Feng firmly! Only a muffled sound was heard.

"No…"

Seeing this scene, Sun Ting's heart trembled and she couldn't help exclaiming, as if she had seen the scene of Yue Feng's fall.

This chapter is provided by . Visit for daily update.

"Ow…"

But what she didn't expect in her dreams was that Yue Feng stood there motionless when the punch fell! However, Xie Zhendong howled, his face turned pale, and he took a few steps back. At the same time, a mouthful of blood spurted out.

What? !

In an instant, the audience was silent!

what's going on? Xie Zhendong's punch was so powerful that not only did he not hurt the wind wave, but he vomited blood instead? Even Sun Ting was full of disbelief .

She stared at Yue Feng blankly, her red lips parted slightly, and she couldn't say a word of shock!

This… this Fengtao, who is it? Even Xie Zhendong is not his opponent…

At the same time, the surrounding people reacted and pointed at Yue Feng, almost blowing the pot.

"This person is so powerful?"

"Is he an expert hermit who wears so ordinary clothes?" "

It's really unexpected, it's just…he hurt this Young Master Xie, I'm afraid the trouble will be even greater…"

When the discussion came, Xie Zhendong's face turned blue.

At this time, Xie Zhendong was shocked and angry. He felt that the punch he had just punched was like hitting an iron wall, and his entire arm was numb! What shocked him even more was that all five of his phalanges were fractured by the shock!

And after the shock, there is endless shame and anger.

As the son of the guard of Canglongguan, he has always bullied others by himself. When has he suffered such a loss?

"Someone!" In the

next second, Xie Zhendong reacted with a distorted expression, indescribably hideous, and shouted at the people behind him: "Call me all the soldiers, I want to kill him, put him Thousands of knives, thousands of corpses…"

At the same time, Xie Zhendong pointed at Xie Ting and Dugujing: "Put them down and keep them under strict supervision!"

In Xie Zhendong's eyes, he believed that Yue Feng was Sun Ting's follower, and at this time it was on him Suffering a loss, under the anger, naturally, Sun Ting and Dugujing will not be easily let go.

"Yes, son!" The soldier guarding quickly responded, and immediately escorted Dugujing and Sun Ting down.

Woohoo..

At the same time, several soldiers blew their horns, which was a signal for the gathering of soldiers at Canglongguan.

“Thank you… Xie Gongzi.”

At this moment, Dugujing’s face was pale, his legs were weak with fright, and he shouted at Xie Zhendong: “My cousin and I don’t know this person, what he did, and what we did. It’s okay, please, let me and my cousin go.”

Chapter 2187

When he said this, Dugujing’s face was bitter and he almost cried, and at the same time he didn’t forget to give Yue Feng a fierce look.

Originally, this Xie Zhendong was just teasing his cousin, and taking advantage of it was over, but this Fengtao, who insisted on meddling, now hurt Xie Zhendong, making things more and more stiff, really a sweeping star.

“Dugujing!”

As soon as the voice fell, Sun Ting’s body trembled, and she couldn’t help but yelled at Dugujing: “You shut up…”

This Fengtao angered Xie Zhendong for his own sake, but his cousin actually For the sake of his own safety, he separated himself from Feng Tao, and it was a shame to be so greedy for life and fear of death.

Hearing Sun Ting’s coquettish drink, Dugu Jing kept his mouth shut even though he was dissatisfied. Then, the two were taken away from everyone’s sight.

call!

Seeing this scene, Yue Feng took a deep breath, his face gloomy and scary.

To be honest, Yue Feng really wanted to forcibly rescue Sun Ting and both, but considering that doing so would accidentally hurt Sun Ting, he gave up.

At this moment, Yue Feng looked at Xie Zhendong closely, and said coldly: “Xie Zhendong, I have given you a chance. If you don’t grasp it well, then you can’t blame me.”

He thought he had shown his strength, but this Xie Zhendong He would be soft, but he never thought that this kid would become more arrogant because of his own place, and even mobilized all the soldiers in Canglongguan.

Such use of power for personal gain is unforgivable.

“Boy!”

Hearing this, Xie Zhendong laughed angrily and gritted his teeth: “I should have said this right. If you dare to care about my son’s business, this son will make you pay a heavy price.

” wow wow..

Just as he was talking, he heard footsteps coming from the avenues in the city, and saw thousands of soldiers rushing forward, headed by an old man in his fifties, dressed in black armor, majestic.

It was Xie Zhendong’s father, Canglongguan Guard Officer, Xie Nanbo!

call!

Seeing this scene, everyone present couldn’t help but sweat for Yue Feng.

You know, this is Xie Nanbo, the official residence of the third rank, who has guarded Canglongguan for decades, and is famous all over the world. Moreover, it is said that Xie Nanbo is very protective of the calf. This person named Fengtao hurt Xie Zhendong just now, how can Xie Nanbo easily forgive him? he?

At this time, many people hope that Yue Feng will leave quickly.

However, Yue Feng stood silently on the spot, motionless, with an indescribably calm expression on his face.

Finally, Xie Nanbo came to the front with many soldiers.

“

Dong’er.” Xie Nanbo looked at Xie Zhendong and asked, “Why did you call the soldiers all of a sudden, what happened?”

As soon as he finished speaking, Xie Zhendong shouted excitedly: “Father, the boy was beaten, The other party is very arrogant, saying that he should teach the child a good lesson, Dad, being so arrogant in our place is just hitting you in the face.”

What?

Xie Nanbo found out just now that his son’s face was pale and he was shocked. Hearing this, he immediately became furious.

Who is so bold to bully his own son?

Thinking to himself, Xie Nanbo opened his mouth and comforted: “Okay, Daddy knows, don’t worry, Donger, Daddy will vent your anger, the one who doesn’t have long eyes dares to touch you, Daddy will help you abolish him!”

Phew!

Hearing this, Xie Zhendong nodded with a proud face, pointed at Yue Feng and shouted: “Dad, this is this kid.”

At this time, Xie Zhendong looked at Yue Feng with contempt.

A boy without long eyes, dare to provoke me? I’ll report to Lord Yama later.

Swish!

Following the direction of his son’s finger, Xie Nanbo suddenly turned around and looked over, his eyes were fierce and murderous, but the moment he saw Yue Feng, his expression instantly froze!

Your Majesty… Your Majesty?

Aren’t you blindfolded?

Thinking to himself, Xie Nanbo quickly rubbed his eyes and looked again, completely dumbfounded.

Chapter 2188

Your Majesty, is it really His Majesty?

At this time, Xie Nanbo felt that his heart was about to jump out, and he was dripping with cold sweat.

“Father!”

Seeing Xie Nanbo stunned, Xie Zhendong became anxious and shouted, “It’s him, quickly order him to be taken down.”

However, Xie Nanbo did not move like a stone sculpture.

At this time, Xie Nanbo’s head was buzzing, and he was completely stupid.

I thought that the one who provoked my son was just an unknown pawn, but I never imagined that it was Your Majesty. Xie Nanbo had been to the imperial city and reported the border situation to Yue Feng, how could he not know him?

“This…”

Finally, after being stunned for dozens of seconds, Xie Nanbo reacted, his voice trembling, it was hard to imagine that a man who was at the frontier of the big shock was like a child at this time.

Ha ha!

Seeing Xie Nanbo’s expression, Yue Feng chuckled and said lightly, “Xie Nanbo, you are doing a good job guarding the border. With so many soldiers, are you trying to arrest me?”

“Pfft!”

Hearing this, Xie Nanbo’s heart trembled, and he was so panicked that he knelt on the ground at once!

“No…no…don’t dare!” Xie Nanbo was terrified, his whole body softened, and he couldn’t speak clearly.

The one in front of him is His Majesty, who is in charge of life and death in the entire Xicang Continent, but just now he shouted to vent his anger on his son, and said that he would abolish him.

At this time, Xie Nanbo was kneeling there and trembling, and the cold sweat kept flowing down.

Whoa!

Seeing this scene, both the soldiers and the people around them all opened their mouths!

Shock!

Totally shocked!

The dignified Canglongguan guard, facing this ordinary dressed Feng Tao, actually knelt on the ground, frightened like a mouse seeing a cat.

And this wind wave, but stood there, his face was calm! Can’t see a trace of joy!

This… what exactly is the situation? !

“Huh?”

Finally, at this moment, Yue Feng showed a slight smile, helped Xie Nanbo up, and said lightly: “Lord Xie Nanbo, what are you doing? Why did you fall down accidentally?”

said At these times, Yue Feng’s expression was indifferent, but when he looked at Xie Nanbo, there was a bit of deep meaning in his eyes.

Yes, at that moment just now, Yue Feng was going to admit his identity, but looking at the people around him who had fled from the Diyuan Continent, Yue Feng’s mood was instantly complicated, so he dismissed the idea.

The Diyuan Continent was invaded by Yang Jian entirely because of himself. In other words, the people who were displaced by him were displaced. How could he have the face to admit that he was Yue Feng in front of them.

Xie Nanbo is sophisticated in the world. When he saw Yue Feng like this, he immediately understood that His Majesty did not want to reveal his identity.

“Yes, I didn’t stand firm…” The

next second, Xie Nanbo stood up tremblingly, and said with a long sigh of relief: “I’m sorry, I made you laugh…”

“Hu…”

Hearing this, Xie Zhendong and many soldiers around him breathed a sigh of relief.

It turned out that he didn’t stand firm.. I thought this kid had something big.

That’s right, this kid is dressed as a commoner, even if he is very powerful, he doesn’t look like a big man.

“Father!”

At this moment, Xie Zhendong couldn’t wait and shouted: “What are you talking to him about, it’s this kid who hurt me just now, and he’s going to be ruined!”

“Shut up!” Xie Nanbo roared angrily. , the eyes are blood red.

This idiot, the person in front of him is Your Majesty, and he keeps yelling.

Pit father!

Chapter 2189

Xie Nanbo fell down in cold sweat, and then asked the soldier beside him, “What happened? To be honest, don’t hide it.”

The soldier trembled and carefully explained the situation.

As soon as he finished speaking, Xie Zhendong answered, “Father, I just asked that Miss Sun to be a guest at the mansion. There is nothing else to do. This kid just came up and made trouble, made unkind words to me, and…”

“Crack!”

Before he finished speaking, Xie Nanbo slapped Xie Zhendong in the face without warning!

This slap, almost exhausted all his strength, and the blood fell down.

Xie Zhendong covered his face, puzzled: “Father! Why are you hitting me?”

Not only Xie Zhendong, but everyone present was stunned.

This, what’s the matter?

Didn’t Xie Nanbo admit the wrong person and not familiar with this Feng Tao? How could he help him teach his son a lesson?

“You bastard, you want to kill your father?!” The more Xie Nanbo thought about it, the more angry he became, and he was a big mouth at Xie Zhendong.

“Father, why is this!”

Xie Zhendong was completely blinded, and he was about to cry without tears, and shouted as he rolled all over the floor.

The people around were completely dumbfounded. Several soldiers wanted to come up to persuade him, but they all held back when they saw Xie Nanbo’s scary expression.

“How did I teach you before? Dad, as the guard of Canglongguan, is responsible for keeping one side safe. You are my son, and you have to lead by example, but you are a bastard. You cause trouble for me every day.

” Stop yelling.

In the blink of an eye, Xie Zhendong’s entire face was swollen like a pig’s head.

At this moment, Xie Nanbo felt distressed, but he still squeezed a smile on his face, walked in front of Yue Feng, and said politely: “Your Excellency… just saw the injustice

on the road just now, it is admirable, the dog lacks control, so he did such a big treason. This matter, Your Excellency stopped it in time, I am really grateful to Xie Nanbo!”

When he said this, Xie Nanbo’s tone was trembling, he couldn’t say it was respectful and careful, and at the same time he was panicked.

Son often bullies others, of course Xie Nanbo knows it, but he didn’t expect that His Majesty would see his son forcibly rob a woman. If there is no point in this, I am afraid that the head will not be protected.

What? !

Hearing Xie Nanbo’s words, everyone present was dumbfounded!

This, what’s the situation? !

The dignified Canglongguan guard not only helped Fengtao and taught his son, but also treated him so politely? Is this still the Xie Nanbo who protects the calf?

For a time, many people’s heads were about to explode, but they still couldn’t understand it. They didn’t know that this Feng Tao was Yue Feng, the emperor of Xi Cang. When Xie Nanbo saw him, would he dare to be disrespectful?

Yue Feng stood there, his expression indifferent, without the slightest fluctuation.

“Your Excellency, I…” Seeing that Yue Feng did not speak, Xie Nanbo was about to be frightened, and kept saying, “Your Excellency, you have a lot of righteousness, adults have a lot, don’t bother with my dog…”

Yue The wind still did not speak!

It’s over…

Xie Nanbo’s heart skipped a beat, His Majesty never spoke, he must still be angry!

“You bastard!” In the

next second, Xie Nanbo roared angrily and attacked Xie Zhendong again, beating and scolding: “You have lost all the reputation of the Xie family, I beat you to death…”

All the soldiers present looked at each other in dismay, and no one dared to stop them.

After playing for a while, Xie Zhendong was about to be beaten to death, and Xie Nanbo stopped.

Xie Zhendong's nose was blue and his face was swollen, and his tears kept flowing. He was very aggrieved: "Dad, why did you hit me… This kid is just an ordinary person. Even if you appreciate his courage to help others, you don't need to hit me…"

This At that time, Xie Zhendong felt very aggrieved.

Father has always been very protective of himself, what happened today? It's like a person has changed.

Ordinary people?

Hearing this, Xie Nanbo's beard trembled with anger, and he kicked again: "Shut up, you bastard, why did you hit you? You did something wrong yourself, and you asked me why I hit you?"

Chapter 2190

Speaking of this, Xie Nanbo was still not relieved, stared at Xie Zhendong and said: "You remember it to me, if you do this kind of hurtful thing in the future, you are not my son, I broke your leg and chased Going out, remember?"

Seriously, Xie Nanbo has always been condone to this son.

But at this time, His Majesty was watching, even if Xie Nanbo had ten courage, he would not dare to continue to protect his shortcomings.

"Remember…"

Xie Zhendong bowed his head and responded, feeling uncomfortable. He thought that his father could help him vent his anger, but he didn't expect that he beat himself up instead! It's so frustrating!

It's just that Xie Zhendong couldn't understand why his father had always protected him, how could it suddenly change today.

Is it because of this kid?

Thinking to himself, Xie Zhendong glanced at Yue Feng, wanting to see some clues, but looking around, he couldn't see anything special about this person!

The next second, when Xie Zhendong saw the people around him, he suddenly thought of something.

Yes, there are so many people around who have fled from the Diyuan Continent. For the sake of fame, my father naturally has to teach himself a lesson and act like he is, but… this is too ruthless.

At this time, Xie Zhendong believed that his father beat him because he wanted to be a good official in front of the foreign people, and it had nothing to do with Yue Feng.

“Lord Xie Nanbo.”

At this time, Yue Feng said lightly to Xie Nanbo: “Don’t be too busy teaching your son, those two friends of mine have been locked up by your son, it’s time to let them go.” The

voice was not loud, but full of majesty , beyond doubt.

“Yes… yes!” Xie Nanbo wiped the cold sweat from his forehead and nodded again and again.

Immediately, Xie Nanbo glared at Xie Zhendong and shouted angrily: “Where is the prison?”

Xie Zhendong was very unconvinced, but in front of his father, he didn’t dare to be presumptuous and whispered: “In the mansion, in the wing in the back garden.”

When he said this, Xie Zhendong felt ten thousand reluctance in his heart. Miss Sun is a rare beauty. She thought she could kiss Xiangze today.

Mad, it’s this kid who is making trouble.

Thinking to himself, Xie Zhendong glanced at Yue Feng resentfully. If it wasn’t for him to make trouble, he had taken Sun Ting away long ago, and his father would not have heard the news and rushed over.

“Your Excellency!”

Xie Nanbo squeezed out a smile, and said to Yue Feng sincerely: “I will let your two friends go, please come with me.” When the

voice fell, Xie Nanbo quickly walked ahead to lead the way . .

Yue Feng nodded and followed slowly.

“Young Master, are you okay?!”

Until this time, the surrounding soldiers dared to go over and surrounded Xie Zhendong.

Codes!

Xie Zhendong couldn’t tell the grievance and annoyance. With the help of everyone, he followed far behind, looking at Yue Feng’s back, full of ruthlessness.

Boy, wait for me. My father beat me just now, just pretending to be in front of the people. After a while, I came to my house, and this young master ripped off your skin.

Soon, in front of a large and exquisite courtyard, Yue Feng saw two vigorous characters written on the plaque at the gate: Xie Fu.

“It’s here!” Xie Nanbo looked complimented and was about to take Yue Feng to the back garden.

“father!”

Seeing this scene, Xie Zhendong, who followed closely behind, couldn’t help but shouted, “Are you really going to let him go?”

Now that he was at home, there were no people around to watch, so there was no need for my father to put on a pretence.

“Shut up!” Xie Nanbo shouted in anger.

Seeing that his father was angry, it didn’t seem like he was pretending, Xie Zhendong trembled and quickly closed his mouth, but he was still unconvinced.

At this moment.

In a wing room in the back garden, Sun Ting and Dugujing were tied to chairs, their faces were extremely frightened and frightened.

Especially Sun Ting, with her delicate face, in addition to being uneasy, she was also a little worried.

That Fengtao completely angered Xie Zhendong, and I don’t know what happened, whether Xie Zhendong would kill him…

“Cousin.”

The ultimate husband in Chinese chapter 2191-2200

Chapter 2191

Seeing Sun Ting's appearance, Dugujing guessed something and couldn't help shouting: "You won't be still worried about that wind wave, we can't protect ourselves now, an irrelevant person, worried about what he does ?"

After speaking, Dugujing was very angry, and he babbled: "According to what I said, that Fengtao deserved it. He thought he had some strength, so he dared to provoke the son of the vigilante, Ma De, if he hadn't angered that Xie. Zhendong, neither of us will be locked up."

Dugu Jing became more and more angry the more he thought about it, if it wasn't for his cousin, he would really want to scold him.

"Shut up…"

Sun Ting's petite body trembled and stomped her feet: "Dugujing, are you talking about human words? People offended Xie Zhendong in order to save me. If you don't appreciate it, forget it. Complain."

When she said this, Sun Ting looked at Dugujing with disappointment in her eyes.

It is also a man. At a critical moment, my cousin complied with Xie Zhendong, which really embarrassed the Dugu family, and that Feng Tao, although only an ordinary person, was not afraid of power, and was a man of true blood.

Compared to the two, they are really different.

"I…"

Being reprimanded by Sun Ting, Dugujing lowered his head very boringly and muttered: "Cousin, I compromised at that time, and it was for your safety…"

Sun Ting sneered and ignored it. .

Squeak!

Just as he was talking, he heard the door being gently pushed open, and then, two soldiers walked in quickly with serious expressions.

call!

Sun Ting and Dugujing suddenly became nervous, but they were stunned when they saw the people who followed behind.

This chapter is provided by . Visit for daily update.

I saw Xie Nanbo and Yue Feng walked in slowly.

“Fengtao, you were also arrested?” Sun Ting didn’t know Xie Nanbo, her attention was on Yue Feng, her delicate body trembled, and she couldn’t help asking.

Just after speaking, Sun Ting was stunned again when she saw that Yue Feng’s hands and feet were not tied.

what’s the situation? Feng Tao was not arrested?

Dugu Jing on the side was also full of surprise, looking at Yue Feng’s eyes with a bit of contempt and resentment.

“Sorry!”

Just when Sun Ting was secretly surprised, Xie Nanbo walked over quickly, with a smile on his face, apologetically: “This is Miss Sun from Zhongyuan Continent, I’m Xie Nanbo, Canglongguan Guard Officer , the dog is daring and offends the young lady, I’m really sorry. This official has taught this bad boy just now, I hope Miss Sun, the adults, don’t care about him.”

Speaking of which, Xie Nanbo was very proud, if it was normal, he would definitely Wouldn’t be so rude to a woman.

But I can’t help it. The one in front of me is His Majesty’s friend. Where is the offense?

What?

Hearing this, Sun Ting and Dugujing were stunned for a while, and then, when they saw Xie Zhendong standing outside the door with a bruised face, they were stunned and completely dumbfounded.

what’s the situation?

The old man in front of him is Canglongguan guard Xie Nanbo? And…. just taught Xie Zhendong a lesson?

Is this all because of the wind? What’s his relationship with Shenandoah?

This…

A few seconds later, Sun Ting reacted, looked at Yue Feng, and couldn’t help but wonder: “Fengtao, you… do you know this Master Xie?”

Yue Feng smiled and shook his head: “Where did I know Mr. Xie? It’s Mr. Xie who has a sense of justice and can’t stand his son’s actions, so he has to come and let you go in person.”

Yes, Yue Feng didn’t want to reveal his identity in front of Sun Ting. In his heart, he and Sun Ting just met, and he had already concealed his identity in front of the common people, so he should continue to conceal his identity in front of Sun Ting.

“That’s right.”

As soon as he finished speaking, Xie Nanbo quickly nodded and agreed: “This villain has always been domineering. I have been busy with official business and have no time to discipline. Fortunately, this Your Excellency made a righteous move today, so that the villain did not make a big mistake.”

Xie Nanbo It can be seen that Yue Feng doesn’t want to publicize, and naturally he doesn’t dare to reveal his identity, so he can only cooperate fully!

call!

Hearing this, Sun Ting and Dugujing were all surprised.

It turned out to be so, it seems that this Xie Nanbo is a good official, I thought he knew Feng Tao.

Dugujing breathed a sigh of relief and glanced at Yue Feng, without the slightest gratitude, but even more disgust.

Mad, this boy is very lucky. He met such a good official as Xie Nanbo. If Xie Nanbo favored his son, he and his cousin would have been miserable by him.

Chapter 2192

“Master Xie is really discerning.”

At this time, Sun Ting reacted and smiled at Xie Nanbo: “It is admirable to be so selfless, Canglongguan has a good official like you, it is really a blessing for the people.”

“Sun Da Miss Liao praised it.” Xie Nanbo quickly waved his hand and smiled humbly: “Xie Mou is too proud.” With

that, Xie Nanbo instructed the soldier next to him, “Why are you standing? Quickly untie the two of you.

” When the order arrived, the two soldiers quickly untied the ropes for Sun Ting and Dugujing.

Sun Ting was very happy when she regained her freedom, and thanked Xie Nanbo: “Thank you, sir.”

Then, Sun Ting looked at Yue Feng: “Fengtao, can you say a few words alone?”

Hmm!

Yue Feng nodded and followed.

Seeing this scene, Dugu Jing also quickly chased out.

“Fengtao!”

Sun Ting said gratefully to Yue Feng when she reached the edge of the flowerbed outside: “Thank you for your righteous action just now, I was still worried about you just now…”

As the eldest lady of the Sun family, Sun Ting has a relatively personal personality. Arrogant, from childhood to adulthood, no man could make her look different, but today, Yue Feng’s actions deeply touched her heart.

At this time, in Sun Ting’s heart, Yue Feng was already regarded as a friend.

Yue Feng smiled slightly, with an indifferent expression on his face: “Hands up.”

“Cousin!”

At this moment, Dugujing couldn’t help but interjected: “Why are you thanking him, he is a reckless man, he will only make the situation worse, if it wasn’t for him to intervene, Master Xie wouldn’t lock us up in anger. , today is our luck, we met such a good official as Lord Xie…”

When he said this, Dugujing didn’t forget to give Yue Feng a contemptuous look.

In his heart, the fact that he and his cousin can turn bad luck into good luck is all because Xie Nanbo is impartial and selfless, and has nothing to do with Yue Feng.

It’s just that he didn’t know that Xie Nanbo came to release them in person, entirely because of Yue Feng.

Dugujing was babbling on the side, but Sun Ting didn’t bother to pay attention.

call!

Sun Ting breathed a sigh of relief and asked Yue Feng, “Fengtao, what are your plans next? I’m going to the imperial city, do you want to come with me? I’ll ask you to help me when I’ve negotiated business here. I do things. Can you see?”

At this time, Sun Ting still believed that Yue Feng was fleeing from Diyuan Continent.

“No need!”

Yue Feng smiled and politely refused: “I heard just now that several relatives have also come to Canglong Pass. I want to join them, so I won’t be with you.

” Going to rescue Diyuan Continent, how could it be possible to go to the imperial city with her?

“Then… okay!”

Sun Ting’s delicate face flashed a trace of disappointment when she heard the answer, and then she said with a smile: “Then let’s go first, by the way, if you go to Zhongyuan Continent in the future, you will definitely Find a way to inform me that when the time comes, I will treat you to tea!”

“Okay!” Yue Feng nodded with a smile, “I will definitely come to visit on that day.”

Sun Ting said no more, and waved goodbye to Yue Feng, And Dugu Jing turned and left.

Seeing the figures of the two leave the mansion, Yue Feng put away his smile and his expression became solemn.

call!

The next second, Yue Feng took a deep breath, turned and returned to the wing, sitting on the chair in the middle, looking at Xie Nanbo lightly.

Feeling Yue Feng’s gaze, Xie Nanbo suddenly panicked and did not dare to let out the air.

When it’s over, the friend sends it off, and His Majesty is going to settle accounts with himself.

“Bold.”

At this moment, Xie Zhendong walked in quickly, pointed at Yue Feng and shouted, “You can sit in this position too? Hurry up!”

He is just an ordinary person, so he doesn't put himself and his father on the line In the eyes, it is too arrogant and hateful.

"Damn!"

Xie Nanbo roared angrily and his voice trembled: "Get down on your knees and confess your guilt to Your Majesty."

At this time, Xie Nanbo was about to faint from anger. Haven't seen this stupid son yet? ? How could he be so polite to an ordinary person when he was guarding the dignified Canglongguan, the other party must have a great background.

hum.

Chapter 2193

Hearing the roar, Xie Zhendong was shocked, looking at Yue Feng, his brain was buzzing.

What did father just say? His Majesty?

This… this person, is your Majesty today?

"Xie Nanbo!"

At this time, Yue Feng stared at Xie Nanbo, and said coldly, "As a minister in the court, I shoulder the heavy responsibility of guarding the Canglong Pass, but you son, how dare you be in front of the public without discipline? , do you wrong, do you know the crime?"

Putong!

When the words fell, Xie Nanbo trembled, and quickly knelt down, saying in fear, "This minister is guilty."

At the same time, Xie Zhendong also bent his knees and knelt down involuntarily, dripping with cold sweat and frightened. , almost in disbelief.

Done.

It turns out… I have been arguing with His Majesty, and I threatened to cut off my hands and feet and throw them away in the mountains to feed the wolves… It's over, it's a big crime to deceive the king, and it's completely over.

Yue Feng's expression was indifferent, without the slightest fluctuation.

For a time, the atmosphere in the room was extremely depressed.

“Xie Nanbo!”

Finally, after a few seconds, Yue Feng said slowly, “Don’t be nervous, I saw you when you taught my son just now, I will not execute him for the time being, but the death penalty can be avoided, and the sin of life cannot be atonement. “

Speaking, Yue Feng’s eyes fell on Xie Zhendong: “Xie Zhendong, I want to lead the army to rescue the land of Yuanzhou, you will be the vanguard general, charge for me, and atone for the crime.”

Seriously, with Yue Feng’s Personality will never spare Xie Zhendong lightly. However, the situation in the Earth Circle Continent is critical, and it is the time when Xie Zhendong is employed. Xie Zhendong is not weak. It would be a pity to kill him now.

“Your subordinate is leading the order.” Xie Zhendong trembled, and quickly responded: “Thank you for your grace of not killing the enemy. Your subordinate will definitely fight hard to kill the enemy and live up to His Majesty’s expectations.”

When he said this, Xie Zhendong was full of loyalty, but The heart is very bitter.

It’s too dangerous to go into battle and die accidentally, who wants to go.

But there is no way, I dared to commit a capital crime, Your Majesty, if you refuse to go out with the army, you can imagine the fate.

“Yeah!”

Yue Feng nodded with satisfaction, and then ordered Xie Nanbo: “Pass on my will, call all the soldiers of Xi Cang, come to Canglong Pass to meet.”

“Yes, Your Majesty!” Xie Nanbo responded and hurried to do it .

A few hours later, the defenders of the Western Cang Continent, as well as the imperial guards, gathered at Canglong Pass. A total of 300,000 troops, led by Yue Feng, marched mighty towards the Diyuan Continent.

….

on the other side.

On the Yellow Sea Continent, a hundred miles away from Fengling Town, on a barren mountain.

On the half slope of the barren mountain, there is a ruined temple. At this time, Duan Yu was sitting in the ruined temple, with a smile that was not a smile on his face. He rolled his eyes and looked at Su Qingyan and Xu Qingyi in front of him.

Both Su Qingyan and Xu Qingyi had their acupoints sealed and placed on a pile of straw. The perfect curves were looming, and they were enticing. However, Su Qingyan and Xu Qingyi were both extremely frightened and their delicate faces were very delicate. Is nervous.

“Duan Yu!”

Finally, Su Qingyan couldn’t bear it anymore, bit her lip tightly, and said, “What do you want to do? Hurry up and relieve me…”

What?

Duan Yu chuckled, full of resentment: “Senior sister, I really like you, but you are so indifferent to me, I feel uncomfortable.” As he

spoke, Duan Yu stood up, walked over slowly, and grabbed it Su Qingyan’s hand.

At the same time, Duan Yu got closer, took a deep sniff, and said intoxicated: “Senior sister, you are so fragrant, just stay with me tonight, don’t worry, you become my woman, and I will protect you even if I die. Yes, I will never leave you alone again.”

“You…”

Su Qingyan’s body was trembling, and she was so angry that she struggled and shouted: “Let me go, you let me go…”

At this time, Su Qingyan was extremely ashamed and angry. She never thought that the junior brother she admired at first was a beast in clothes, but now she was going to sully her, and there was another Xu Qingyi watching.

“Duan Yu!”

At this time, Xu Qingyi couldn’t stand it anymore, her pretty face was flushed, and she couldn’t help scolding: “Stop now.”

After saying that, Xu Qingyi’s eyes showed seriousness: “Duan Yu, you know Is it? In my heart, you are a real man who stands up to the sky, and you are not such a despicable villain who takes advantage of others and bullies women, can you calm down a bit?”

At this time, Xu Qingyi was also embarrassed and angry.

Duan Yu is really crazy, to forcibly defile Yue Feng’s woman, you know, he is still watching from the side, so daring, is there no sense of shame in his heart?

Chapter 2194

Haha…

Hearing this, Duan Yu couldn't help sneering, looked closely at Xu Qingyi and said, "Since in your heart, I am a real man who stands above the ground, why do you have to separate from me? Relationship, make me forget you?"

"I…" Xu Qingyi's heart trembled, and she opened her mouth, but she was speechless.

During the period of separation from him, so many things happened, how to explain it clearly?

Seeing her expression, Duan Yu chuckled and said, "Can't tell? Actually, what you said just now was lying to me, right? In your heart, I am a failure, and even my own woman has completely abandoned me. , what else should I care about?" The

voice fell, Duan Yu's eyes flashed with madness, completely lost his mind, and suddenly pulled Su Qingyan into his arms.

Su Qingyan exclaimed and slammed into Duan Yu's arms directly. Before she could struggle, she was hugged tightly by Duan Yu.

"Senior sister, don't be afraid, I will take good care of you in the future." Duan Yu smiled and slowly put his mouth up.

Realizing that she could not escape the clutches, Su Qingyan gave up her struggle and closed her eyes in despair.

Is this your life?

Su Qingyan's eyes were red and tears couldn't help falling. She could feel Duan Yu's heavy breathing hitting her face, and she was extremely ashamed and angry.

Thinking of Xu Qingyi watching next to her, Su Qingyan could not wait to die immediately.

Being humiliated, and there are other people watching, this feeling is more uncomfortable than death.

"Amitabha!"

Just when Su Qingyan's heart was ashes, suddenly, a Buddha's call came from outside the ruined temple. The sound was loud and reverberated throughout the ruined temple.

Um?

Duan Yu was very annoyed and looked back.

Who is not afraid of death, dare to disturb their own good things?

Seeing this, Duan Yu frowned and was stunned.

I saw a monk appearing at the entrance of the ruined temple. He was wearing a gray monk's robe. He was tall, and on his polished head, the nine-point ring scar was very conspicuous, and his eyes were like electricity, as if he could see through people at once.

call!

At this moment, Su Qingyan and Xu Qingyi were also stunned. They never thought that they would meet a monk in this ruined temple in the wilderness.

Afterwards, Su Qingyan breathed a sigh of relief, secretly rejoicing.

When someone came, did you escape the disaster and avoid being humiliated?

"Where did the dead bald donkey come from?"

Finally, Duan Yu reacted, his eyes flashing fiercely, and he shouted coldly, "Hurry up!" The tone was cold, revealing a strong evil spirit.

When he decided to defile Su Qingyan in front of Xu Qingyi, Duan Yu had already wiped out his humanity, and when he saw a monk at this time, he would be even less polite.

"Donor!"

Feeling Duan Yu's murderous aura, the monk didn't panic at all, clasped his hands together and said slowly: "The donor is full of suffocating aura, and he was going to be rude to this woman just now. Sangha, you have a predestined relationship with the Buddha, and the poor monk advises you to return from the lost path and return to the right path."

His words were extremely sincere.

However, Duan Yu couldn't listen to a half sentence, looked up and down the monk, and said coldly: "Dead bald donkey, do you have a Dharma name?"

"The poor monk's Dharma name is Moraya!"

Moroye responded: "Linyin Temple from the Chaos Mountains, passing by here today, is considered to be related to the donor. The donor asked the name of the poor monk, but he repented in his heart?"

Chaos Mountains? Linyin Temple?

Hearing this, Duan Yu frowned.

Duan Yu of the Chaos Mountains had heard that on the border of Kyushu, the environment was said to be harsh and it was a barren land. Most people rarely go to such places. I did not expect this monk to come from the Chaos Mountains.

As for Linyin Temple, I have never heard of it.

Muttering in his heart, Duan Yu was too lazy to think too much, with an impatience on his face, he sneered: “What kind of repentance? Duan Yu has never regretted what I did. I asked your name because my subordinates never kill. Anonymous.”

Om!

The voice fell, Duan Yu’s inner strength was urged, the figure erupted, and a palm hit Moroye straight.

Chapter 2195

This palm, Duan Yu, used all his strength, and saw the strong wind whistling in the broken temple, the air was distorted, and the power was amazing.

In Duan Yu’s heart, Moroye in front of him was just an inconspicuous monk, and he could easily kill him if he made any move.

call!

Seeing this scene, Su Qingyan and Xu Qingyi raised their hearts and sweated for Moroye.

At this time, Moroye didn’t mean to back down.

On the contrary, looking at Duan Yu who was rushing towards him, Moroye shook his head slightly, with a bit of pity in his eyes.

“Master, be careful.” Su Qingyan was in a hurry and couldn’t help but remind her.

Next to Xu Qingyi, he was also nervous. You must know that Duan Yu has the existence of the opening axe, and there are very few people in Kyushu who can subdue him.

boom!

Finally, Duan Yu’s palm hit Moroye’s chest firmly! Only heard a muffled sound!

Su Qingyan and Xu Qingyi couldn't help but closed their eyes, in their opinion, if Duan Yu slapped him, this monk would definitely not be able to survive.

Um?

However, when they opened their eyes again, they were stunned and saw Moroye standing there, motionless, while Duan Yu was pale and took a few steps back!

Obviously, Duan Yu's palm didn't hit Moroye badly, but instead injured himself.

This…

Xu Qingyi looked at Moroye closely, and was extremely surprised.

Is this monk so powerful? Can you resist Duan Yu's palm?

Su Qingyan next to her was also full of disbelief! Looking at Moroye in disbelief, her red lips opened slightly, and she couldn't say a word in shock!

"You…"

Duan Yu stabilized his figure and looked at Moroye in surprise: "Who are you?"

Mad, this stinky monk, had hidden his strength before.

At this time, Duan Yu was very frightened and angry, because he clearly sensed that the inner strength of Moroye in front of him was unfathomable, and compared with the ordinary breath just now, it was completely different.

"The poor monk has said it just now." Moraya folded his hands together, still showing a gesture of compassion, and said slowly: "The poor monk Moraya, from the Linyin Temple in the Chaos Mountains."

Two thousand years ago, Fomenda Master Mo traveled all over the world, experienced the suffering of all beings, and finally reached the Chaos Mountains, and finally became a Buddha, so he built a temple here. Because there was a unicorn spirit beast beside Master Bodhidharma, it was named Linyin Temple.

For thousands of years, the monks under the sect of Linyin Temple have always followed the teachings of Patriarch Bodhidharma and practiced asceticism in the Chaos Mountains. Therefore, very few people in the Kyushu Continent know about it!

The head of Linyin Temple has been passed down for thirty generations, and Moraya is the current head.

Moraye, among the masters of all dynasties, has the highest comprehension, and has learned a lot of the stunts of Patriarch Bodhidharma. The palm that resisted Duan Yu just now was one of Patriarch Bodhidharma's many stunts, 'Vajra Wuxiang'.

At this time, Moroye and Duan Yu looked at each other and said lightly: "Although the donor is very powerful, the Buddha Dharma is boundless. You are not my opponent, so let's put down the killing thoughts and let it go."

Shuh!

Hearing this, Duan Yu's self-esteem was suddenly stimulated, and his eyes were blood red.

Not your opponent?

The former Emperor of Xi Cang, who possessed the existence of the Heaven-opening Axe, was so despised by a monk?

The throne of the emperor is gone, the woman he loves has to leave him, and now, a monk is also pointing fingers at him, which is really hateful.

Click!

Thinking of this, Duan Yu's inner anger rose, raised his hand and waved, and with a clear sound, the opening axe burst out of the air.

In an instant, a touch of golden light erupted from the opening axe, like a round of sun, illuminating the hillside around the broken temple.

"I don't know how high the sky is, the dead bald donkey, I just underestimated the enemy for a while, but said that I am not your opponent? Go to hell!" Sen Leng's voice came from Duan Yu's mouth.

When the words fell, Duan Yu clenched the Heavenly Axe tightly, and slammed the axe out!

"Roar!"

Only a dragon roar was heard, emanating from the giant axe, and the next moment, a touch of golden light seemed to tear the world apart and swept towards Moraya!

The ultimate husband in Chinese chapter 2196-2200

Chapter 2196

Call!

This axe seemed to split the entire night sky into two worlds!

In an instant, Su Qingyan and Xu Qingyi's hearts were trembling, and they couldn't help worrying about Moroye.

Duan Yu used the Heaven Opening Axe, this monk was afraid it was dangerous.

Open the axe?

Feeling the formidable power contained in the golden glow, Moroye was also secretly surprised. Without the indifference just now, he never expected that the other party actually possessed the Heaven-Opening Axe.

As the head of Linyin Temple and the inheritor of Dharma of Bodhidharma, Moraye is erudite and knowledgeable.

"It turns out that you have a magic weapon, no wonder you are so unscrupulous." Moroye took a deep breath and spoke slowly. At this time, his face was extremely solemn.

hum!

The moment the voice fell, Moraya's figure was suspended in mid-air, and he recited a Buddhist mantra. In that instant, Moraya's whole body was filled with a golden Buddha's light.

In the next second, Moroye folded his hands together, mobilized his inner strength, and deployed a protective layer in front of his eyes.

Seeing the golden light shining on this protective layer, it was Moraya's defensive skill: the Heavenless Brahma.

boom!

At this moment, the axe slashed on the protective film, making a roar that shocked the world, and the entire barren mountain seemed to tremble.

Under the roar, I saw the golden protective layer, which was instantly defeated, but Moroye was unscathed, but his face was a little pale.

This chapter is provided by . Visit for daily update.

Moroye is a peerless genius of Buddhism, and his internal strength is extremely strong. However, although he blocked this blow, it was after all an axe, an ancient divine weapon, and Moroye still suffered some shock injuries.

However, the Buddhist practice of Linyin Temple is extremely mysterious. After just a few seconds, Moraye silently ran the practice, adjusted his internal energy, and his face quickly recovered some blood.

What?

Seeing this scene, Su Qingyan and Xu Qingyi both trembled and were shocked and speechless.

This Moroye, actually blocked Duan Yu's Heaven Opening Axe?

How is this possible? Are you blindfolded? You must know that Duan Yu's axe has the power to open up the world, even Yue Feng would not dare to take this axe hard.

The monk in front of him actually did it.

Um?

At this moment, Duan Yu also frowned and stared at Moroye, in shock.

This dead bald donkey seems to be inconspicuous, but its strength is so strong.

"Donor."

Facing Duan Yu's surprise, Moroye's face was extremely calm, he took a deep breath, and persuaded again: "Since you have such a magical weapon as the opening axe, you can't do anything wrong, poison the people, and the poor monk finally I advise you to put down the butcher knife immediately, and turn back to the shore."

As a Buddhist, Moroye doesn't like to be aggressive, and he doesn't want to fight Duan Yu.

"You die for me!"

At this moment, Duan Yu was completely insane, he couldn't hear it at all, he roared, his figure roared up, and the opening axe in his hand slashed towards Moroye again!

At this time, it was midnight, and the power of yin and yang of Kaitian Axe reached a perfect balance.

So this blow is Duan Yu's strongest blow! Duan Yu firmly believed that when his power exploded and this axe fell, Moraye would surely die even if he was the powerhouse of the Mirror of Tribulation!

call!

The following Su Qingyan and Xu Qingyi were dripping with sweat, biting their lips tightly, in a hurry!

Duan Yu made a killing move, can this monk still bear it?

Seeing Duan Yu rushing in, Moroye's eyes flickered, not as surprised and solemn as before, but with an indescribable complexity.

Alas….

Seeing that Duan Yu was approaching, it was at this moment that Moroye sighed softly, then slowly raised his hands, and two golden beams suddenly shot out from his eyes.

"Om!"

At this moment, the air around Moroye suddenly twisted and surged, and then a powerful Buddhist aura burst out.

"Since the evil nature of the donor does not change, the poor monk can only go all out."

Chapter 2197

Finally, a cold voice came from Moroye's mouth!

"Thousand Buddha Buddha!"

When the last word fell, the world changed color! Seeing the dark sky, a golden auspicious cloud suddenly appeared. Moraya rushed into the air and floated between the auspicious clouds. Immediately, a huge Buddha shadow appeared behind him. Condensed, but the shape is like substance, as if the real Buddha had descended.

"Boom!"

Immediately, with a loud bang, the entire barren mountain vibrated violently, and the ruined temple collapsed instantly. The radius of several kilometers was covered by this incomparably bright Buddha light.

Thousand Buddhas Buddha! It is the strongest of all the stunts of Patriarch Bodhidharma, and it is also the most difficult to practice. For thousands of years, the heads of Linyin Temple in all dynasties have not been able to successfully attain enlightenment.

It was not until ten years ago that Moraya took over as the head of the sect, and with his outstanding understanding, he finally realized the essence of the 'Thousand Buddha Buddha'.

However, the Thousand Buddhas Buddha is extremely profound, with a total of seven levels. Ten years later, Moraya has only reached the fourth level.

To be honest, even with the Thousand Buddha Buddha's stunt, Moroye was not sure to completely defeat Duan Yu. After all, the Heaven-Opening Axe was an ancient divine weapon, but Moroye firmly believed that with his full strength, the strongest blow to block Duan Yu was still. no problem.

Because Moroye sensed that using the Heavenly Axe would consume a lot of internal strength, Duan Yu at this time seemed to be unmatched, but in fact he was already at the end of the battle.

hum!

The Thousand Buddhas Buddha has the supreme Buddha power. At this moment, the moment when the Thousand Buddhas Buddha is displayed, the Buddha's light shines in the night sky. Then, the Buddha's shadow behind Moraya disappears, but in front of him, a shadow is formed. Huge Buddha print out.

The Buddha's seal is the palm print, but it is called the Buddha's seal in Buddhism.

Just see this buddha! Thousands of meters in diameter! It seems to cover the entire barren mountain!

Feeling the boundless Buddhist power of the Buddha's seal, Su Qingyan and Xu Qingyi below were all trembling, completely stunned, and at the same time inexplicably excited!

"Donor, admit defeat!"

Moroye shouted loudly, and the huge Buddha seal roared down and slapped Duan Yu in an instant!

Just saw that the place where the Buddha's seal passed, the world was distorted!

What?

Duan Yu was startled, and hurriedly raised the Heaven-Opening Axe to resist!

"Boom!"

The Buddha's seal slammed on the opening axe, and the terrifying power of Buddhism erupted, covering a radius of hundreds of miles, completely illuminated by a golden light!

"Wow!"

Duan Yu spat out a mouthful of blood, and his body flew out!

Moroye felt right. Just now, Duan Yu used the Heavenly Axe one after another, and his internal energy was almost exhausted, so he couldn't stop this move.

After flying a few hundred meters away, Duan Yu stabilized his figure and spit out a few mouthfuls of blood!

As for Moraye, after performing this trick Qianfo Buddha, he was also a little weak, but he was an eminent Buddhist monk, and his condition at this time was much better than Duan Yu.

This….

Seeing this scene, Su Qingyan and Xu Qingyi were stunned, unable to recover for a long time.

This… This Moroye, actually defeated Duan Yu, too strong.

In particular, the skills that Moroye unleashed were shocking.

"donor!"

At this time, Moroye looked at Duan Yu, his expression was as gentle as before, and said lightly: "No matter how strong you are, you are only a drop in the ocean in front of the boundless Buddha Dharma. Do you have any regrets now?

" Dead bald donkey, stop talking nonsense.. I have to kill you today!"

At this moment, Duan Yu resisted the weakness of his body, clenched the axe, locked Moroye tightly, his face was full of hideous and Crazy, rush to Moroye again!

In fact, Duan Yu had no strength at this time, but he couldn't swallow this bad breath. He was running across the continent of Kyushu, and even Yue Feng was afraid of him when he saw him. Tonight, he was taught a lesson by a monk. It was a great shame, so Duan Yu tried his best to kill him!

Seeing Duan Yu rushing in, Moroye shook his head secretly.

Papa ..

In the next second, Moroye gently avoided Duan Yu's slash, then turned around, and shot like electricity, sealing several acupoints on Duan Yu's body.

Although Moroye also consumed a lot of internal energy, his Buddhist teachings are profound and his background is not comparable to Duan Yu.

For some time, Duan Yu's body trembled and he couldn't move.

Chapter 2198

"Donor!"

At this time, Moroye looked at Duan Yu quietly and said slowly: "My Buddha is merciful and merciful to the world. No matter how vicious a person is, as long as he abandons evil and follows good, Buddha will forgive him and accept him. His. You are already defeated by the poor monk, but do you still have something to say?" The

voice was not loud, but it was full of majesty.

"Haha…"

Hearing this, Duan Yu looked up to the sky and laughed, his eyes full of arrogance and unrestrainedness: "Want me to be submissive? Dead bald donkey, you are afraid that this is the first time you know me Duan Yu, tell you, I, Duan Yu, used to be the emperor of Xi Cang, possessing ancient divine soldiers, and no one in the world can make me submit, not even the Buddha."

Shuh!

The words fell, Moroye's face finally changed, his eyes widened, like the anger of King Kong, staring at Duan Yu, burning with anger.

As a monk, Moraye has always pursued the principle of compassion, but it is not without bottom line. At this time, seeing Duan Yu speak contempt for the Buddha, Moraye was suddenly triggered.

"Amitabha!" In the

next second, Moraya chanted a Buddha's name and said coldly: "Okay, since the donor is stubborn and ineffective, then no wonder the poor monk."

Qiang!

The voice fell, and Moraye pulled out a Jie Dao from his body. The Jie Dao was about a foot long, and the cold light was threatening.

The Jie Dao is a tool used by Buddhist monks. It is not a weapon, because the monks want to travel from all directions, save the world, and often sleep in the wild. The Jie Dao is an indispensable tool for them.

As the head of Linyin Temple, this Jie Dao of Moraye is very well made, and it is not comparable to ordinary Jie Dao.

Seeing Jie Dao, Duan Yu was secretly surprised: “What are you doing?”

Su Qingyan and Xu Qingyi next to them also raised their hearts.

Although Duan Yu’s actions were very abominable, and his death was not a pity, the expression of the monk in front of him was too scary, and he even pulled out his sword.

Moroye didn’t respond, but grabbed Duan Yu and walked behind the mound not far away. The mound was formed by the shaking of the barren mountain just now, just enough to block Su Qingyan and Xu Qingyi’s sight.

call!

Seeing this scene, Su Qingyan and Xu Qingyi became even more curious in their hearts.

“Ah…”

Just when Su Qingyan and Xu Qingyi were both guessing what Moroye was going to do, they heard a shrill scream from behind the mound, which cut through the night sky.

This scream was made by Duan Yu.

A few seconds later, Moroye walked back with Duan Yu.

hiss!

Just looking at it, Su Qingyan and Xu Qingyi both felt their hearts tremble, they couldn’t help gasping for air, their delicate and beautiful faces were also blushing.

This… This monk castrated Duan Yu?

I saw Moroye’s face was grim, holding Duan Yu in one hand and a bloody thing in the other.

On the other hand, Duan Yu’s face was extremely pale, with a hint of sallow yellow, and he was dripping with cold sweat. His whole body bowed like a shrimp, and under his dantian, a piece of blood was blurred and blood was flowing.

Seeing this scene, Su Qingyan and Xu Qingyi were a little relieved, but they were more shocked.

This monk is too decisive, and he is very ruthless. Although Duan Yu has been castrated, he will not be able to harm women in the future, but his life will be completely ruined.

“Dead bald donkey.”

At this moment, Duan Yu endured the severe pain, glared at Moraya fiercely, and howled: “You better kill me now, or when I recover, not only will I chop you up. If you become flesh, you must kill the Primal Chaos Mountains and wash Linyin Temple with blood…”

When he said this, Duan Yu’s eyes were blood red, and his heart was filled with endless anger and resentment.

At this moment, Duan Yu was completely insane. He never thought that this Moroye would be so ruthless that he would destroy himself.

Become a waste, still a man? Even if you have an axe and a powerful strength, what can you do? If you lose the most important thing in a man, will you be ridiculed by the world? !

The more Duan Yu thought about it, the more indignant he became. He wanted to eat Moraye alive. If his eyes could kill, Moraye at this time would have died thousands of times.

However, in the face of Duan Yu’s resentment and threats, Moroye was unmoved and his expression was extremely indifferent.

The next second, Moroye tilted his head to look at Su Qingyan and Xu Qingyi, and said slowly, “Two female benefactors, this wicked person has been subdued by me, you are safe, leave quickly!”

Chapter 2199

This…

Hearing this, Su Qingyan and Xu Qingyi looked at each other and hesitated.

To be honest, Su Qingyan was completely disappointed with Duan Yu’s actions before, and wanted to see how Moroye would deal with Duan Yu after he castrated him.

However, feeling the powerful aura on Moroye’s body, Su Qingyan and Xu Qingyi didn’t dare to stay long, they nodded and went down the mountain together.

call!

Seeing the two girls leave, Moroye took a deep breath.

The next second, Moraye tilted his head and looked at Duan Yu quietly, and said word by word: “The poor monk will get rid of your calamity, because I don’t want you to harm

innocent women again. Next, the poor monk will save the evil thoughts in your heart. And killing."

After speaking, Moroye picked up a string of Buddha beads, looked very serious, looked at Duan Yu and continued: "It's just that your murderous intentions and evil thoughts are too heavy, and it will be difficult to return to the right path in a short period of time. The poor monk has decided to accept you as a disciple, to spread your supreme Buddhist teachings, and hope that your sins can be completely saved, would you like to?"

In Buddhism, the more wicked people are, the more they must be saved.

Swish!

Hearing this, Duan Yu's body froze, and he was about to explode with anger, and his eyes could almost spit fire.

This dead bald donkey has made himself an incomplete man, and now he wants to accept himself as a disciple?

If you agree, what will you see?

"I worship you as a teacher?"

Finally, Duan Yu reacted and stared at Moroye fiercely: "Dead bald donkey, I am at odds with you, you better kill me quickly, or you will regret it."

Saying this At the time, Duan Yu's voice was hoarse, as if it was coming from hell.

At this time, Duan Yu could not wait to slash Moraye with a thousand swords, how could he be his disciple.

"Good, good."

Moraya shook his head and said seriously: "The poor monk never kills easily, since you don't want to worship me as a teacher, the poor monk will not ask for it, and will not take your life, but… To prevent you from doing bad things again in the future, the poor monk had no choice but to abolish your practice and take away your axe, so that even if you heal your wounds, you will not be able to do bad things."

Yes, Moraya has always pursued One principle is not to kill easily, otherwise, Duan Yu would not have been castrated just now, but he would have been killed directly.

Swish!

Hearing this, Duan Yu's expression changed. In addition to being frightened, he also had endless fear in his heart.

This dead bald donkey didn't even kill himself? But to abolish your own practice?

For a time, Duan Yu's face was extremely ugly, and his heart kept shaking.

I am already an incomplete man. If I don't have any exercises and become an ordinary person, what's the point of living?

"Donor, I'm sorry!"

At this moment, Moroye slowly raised his hand, his inner strength surged, ready to hit Duan Yu's dantian.

"Wait."

At this critical moment, Duan Yu hurriedly shouted, and then endured the severe pain, bowed his head at Moruo: "The disciple is willing, the disciple will meet the master."

These words, Duan Yu almost It was said through gritted teeth, and at the same time, endless resentment and unwillingness flashed in his eyes.

To be honest, to take Moraye as a teacher and join Buddhism, Duan Yu felt ten thousand resistance in his heart.

But there was no way, this Moraye didn't kill himself, but wanted to abolish his own skills. In Duan Yu's heart, this result was even more uncomfortable than killing himself.

Duan Yu thought about it, and he pretended to promise that as long as he preserved his strength, he would look for an opportunity to kill this Moroye when he recovered from his injuries.

After all, if you keep your powerful strength, you will have the chance to take revenge, otherwise, everything will be in vain.

Um!

Seeing Duan Yu's answer, Moroye nodded in satisfaction, then thought for a while and said, "You have already entered the Buddhist sect, so I will give you a Dharma name for my teacher, let's call it Huasheng, I hope you can be saved and reborn and change Rehabilitation."

"Yes, Master." Duan Yu replied, with no expression on his stern face.

But in his heart, he scolded Moraya a thousand times.

Dead bald donkey, you wait for me, and when I find a chance in the future, I will let you live and die.

Chapter 2200 On the

other side, the Earth Circle Continent, Zhongzhou City.

The hundreds of thousands of troops led by Yang Jian had already set up camp outside the city at this time.

A few days ago, Yang Jian completely broke through Yunzhou City. After a short rest, he continued to set off. He attacked the city and conquered the land all the way, and was invincible. He arrived at Zhongzhou City in just a few days.

Just now, Yang Jian ordered a siege, but was blocked by the Ouyang family and the various sects.

Speaking of which, with the strength of the Ouyang family and various sects, they are not the opponents of the Northern Ying army at all. However, Zhongzhou City is the hinterland of the Earth Circle. It is the most prosperous big city. Its area is five times that of Yunzhou City. Its fortifications are almost the largest in the Earth Circle.

Under such circumstances, the Ouyang family and various sects were fortunate enough to block the attack of the Northern Ying army. It can be said that they were able to defend most of it with the help of the people of Zhongzhou City and strong fortifications.

After the failed attempt to siege the city, Yang Jian did not take further action, but ordered the army to temporarily cultivate in the camp.

The Ouyang family and the masters of various sects did not dare to relax in the slightest. With the help of the common people, they strengthened their defenses at all entrances of Zhongzhou City. At the same time, they sent people to observe the movements of the Beiying army at all times to prepare for the next siege of the city.

For a time, the entire Zhongzhou City was shrouded in shadows.

At this time, in the military tent of the Xi Cang camp.

Yang Jian sat in the commander-in-chief position with a gloomy face.

Zhang Jiao next to him also frowned, and the dozen or so generals standing there didn’t dare to let out a sigh of relief.

The atmosphere of the entire military tent seemed calm, but there was a suffocating depression.

At this time, Yang Jian was very annoyed. I thought that the first wave of attacks would take Zhongzhou, but I didn’t expect it to fail.

But having said that, Zhongzhou is worthy of being the largest city in the mainland. It not only has a large population, but also has numerous fortifications, which is really a headache.

At this moment, the forward general Huang Yan walked out slowly.

When he got to the front, Huang Yan asked cautiously: “Your Majesty, before it gets dark, do you want to try to attack the city again?”

Yang Jian waved his hand and said angrily, “What is there to try? You are sure to break through those fortifications in Zhongzhou City. Is it?”

Uh…

Huang Yan looked embarrassed, then thought about it, and whispered: “Actually, with the strength of our army, we can attack with all our strength.”

“Don’t you know this?” Yang Jian said coldly. “Forcibly captured Zhongzhou City, let’s not talk about the casualties of the army, the people of this Zhongzhou City must also be killed and injured countless times. I have already taken down other cities before, and I have already carried a lot of infamy. Do you still want me to be in the hearts of the people of Zhongzhou City? Also leave the impression of a tyrant?”

Yang Jian was very annoyed when he said this.

Huang Yan was right. With the strength of the Beiying army, as long as you go all out, you can completely forcibly capture Zhongzhou, but in this way, this prosperous Zhongzhou will surely become a ruin.

More importantly, Yang Jian didn’t want to lose the hearts of the people.

Yang Jian has a arrogant temperament and maintains his own identity. He wants to unify Kyushu and become an emperor who has never been seen before or since. However, when he conquered other cities before, because he didn’t think too much about it, he made a mess of the occupied cities and caused the people to complain. , This made Yang Jian very uncomfortable.

In this attack on Zhongzhou City, Yang Jian thought about it, he must occupy Zhongzhou City at the least cost, and try not to hurt innocent people.

Well…

Huang Yan had an embarrassed look on his face, and quickly knelt down on the ground and said in fear: “Your Majesty, please calm down, the last general has no intention of this, but just wants to occupy Zhongzhou City as soon as possible and share the worries for Your Majesty.

” He backed off.

In the next second, Yang Jian tilted his head to look at Zhang Jiao: “Master, can you have a good plan?”

Phew!

Zhang Jiao took a deep breath, pondered, and said slowly: “Your Majesty doesn’t want to harm innocent people and occupy Zhongzhou at the least price. It’s not that there is no way, but I’m not sure whether it will be successful!”

“Please say it! “Yang Jian was overjoyed and hurriedly urged.

Zhang Jiao smiled slightly and said, “My solution is very simple. Let’s send a few experts to sneak into the Ouyang family’s mansion quietly, catch that Jiang Shan, and everything will be solved.

” On the other side, the one who has been commanding the battle is the woman named Jiang Shan, as long as she is caught, there will be no leader in the land of the earth, and there will be chaos.”

At the end, Zhang Jiao pointed at the sand table in front of him with confidence, and continued: ” I just took a look. The Ouyang family’s mansion is located in the northeast of Zhongzhou City, and the north is the suburban barren hills. It is not difficult to sneak in. It’s just that it is hard to say whether you can catch Jiang Shan or not.”

Hahaha….

Hearing this, Yang Jian was overjoyed and said with heartfelt admiration: “This method of military division is really not good! We can try it, and this matter will be left to the military division.”

The ultimate husband in Chinese chapter 2201-2210

Chapter 2201

“Yes!”

Zhang Jiao responded, then stood up, selected several powerful generals on the spot, and let them sneak into the Ouyang family to catch Jiang Shan.

Speaking of which, if Zhang Jiao and Yang Jian took action personally, they would definitely increase the success rate, but one of them is the emperor and the other is a military advisor, how could it be possible for them to take action in person? So, you can only let your subordinates do it.

Soon, a few minutes later, the selected generals, disguised as citizens returning from other places, sneaked into Zhongzhou City.

At this moment, the Ouyang family.

In the hall, all the members of the Ouyang family, as well as the masters of various sects, gathered together, each with a solemn expression, and the atmosphere was extremely depressing.

The Northern Ying army is approaching the city, and Zhongzhou is in danger.

Although the attack of the Northern Ying army had just been blocked, no one was happy.

Just now, Jiang Shan called everyone over to discuss the next countermeasures.

However, after discussing for a long time, there was no way to do it. Thinking of the strength of the Northern Ying army, everyone’s heart was like a big mountain, and there was nothing they could do.

Ugh!

Seeing this scene, Jiang Shan frowned and sighed.

Is Zhongzhou really helpless? Is it God’s will?

“If Fengzi is here, we don’t have to worry anymore.” Sun Dasheng next to him was also extremely anxious, and muttered: “This kid went to find Su Qingyan, but he didn’t know where he went, and no one could find it.”

Yes !

This chapter is provided by . Visit for daily update.

Hearing this, everyone present nodded silently.

If Yue Feng was there, there must be a way. After all, he had successfully defeated the Beiying army in Nanyun Continent.

It's just that Yue Feng has no news now, and everyone can only worry.

"Mrs. Jiang!"

At this moment, Wen Chou Chou looked at Jiang Shan and said warmly, "In the past two days, you commanded everyone to resist the Beiying army, but you didn't have a good rest. Now Yang Jian has not moved for the time being, you should go and have a rest. Don't worry, we won't be slack in the defense of Zhongzhou City."

Wen Chou Chou's heart was like fine hair, seeing Jiang Shan's tired face, but still holding on, he couldn't bear it.

The voice fell, and everyone around them also spoke.

"Yeah, Mrs. Jiang, go and take a rest."

"Let us take the defense of Zhongzhou City."

"Yes, Yue Feng is not here, you are our backbone, don't let your body break down."

Everyone, you I heard one sentence after another, all of which showed concern. Although Jiang Shan is a woman, she has led everyone to resist the Northern Ying army these days. Her outstanding leadership skills have convinced many people.

"Okay."

Hearing everyone's words, Jiang Shan smiled lightly and was very moved. She nodded and said, "Then I will go to rest for a while. I will trouble everyone about defense."

After saying this, Jiang Shan was in Under everyone's attention, he slowly walked out of the hall.

call!

When they got to the backyard, Jiang Shan took a deep breath, unable to hide her exhaustion. Although Jiang Shan has a tough personality, she is a woman who is responsible for defending Zhongzhou City. The pressure in her heart can be imagined.

rustling…

Just when Jiang Shan was about to enter the room, she suddenly heard footsteps in the garden not far away.

Immediately afterwards, more than a dozen men in black appeared in front of them, each with a strong aura.

Hula…

As soon as they saw Jiang Shan, the eyes of these men in black lit up.

The leader, with a stern expression and a bit of excitement in his eyes, was Huang Yan.

Chapter 2202

Yes, these men in black are the generals of the Northern Ying army specially selected by Zhang Jiao to arrest Jiang Shan, and Huang Yan is the captain in charge of this operation.

hiss!

Seeing these men in black suddenly, Jiang Shan's delicate body trembled, and she couldn't help taking a breath of cold air.

Who are these people? How dare you break into Ouyang's mansion?

"Haha…"

At this time, Huang Yan smiled proudly, looked at Jiang Shan and said, "I didn't expect it to be so smooth, I saw Mrs. Jiang as soon as I came in, Mrs. Jiang, come with us!"

Saying this At that time, Huang Yan felt extremely relaxed. I thought it would be difficult to sneak into the Ouyang family and catch Jiang Shan, but I didn't expect that, as soon as I walked through the back garden, I saw Jiang Shan.

More importantly, Jiang Shan is still alone, and there is no one around to protect her!

Haha…what a godsend.

When the voice fell, Huang Yan did not hesitate, and slapped Jiang Shan with a palm!

At the same time, more than a dozen companions next to him also urged their figures to surround Jiang Shan.

call!

Seeing Huang Yan and everyone rushing over, Jiang Shan felt a little flustered, but she was a wise woman, she quickly calmed down, jumped up slightly, and ran towards the depths of the back garden.

To be honest, Ouyang's mansion has always been heavily guarded. If it was normal, people like Huang Yan would not be able to sneak into Ouyang's mansion so easily. It's just that the Northern Ying army came to invade, and many people of the Ouyang family were arranged to go out to deploy defense, and there was almost no one in the backyard.

Jiang Shan is very smart, feeling the powerful aura of everyone in Huangyan, naturally she will not go up to them stupidly and fight them.

"Run?" Huang Yan snorted coldly, greeted his companions, and quickly caught up!

While chasing, Huang Yan ordered his companions: "Quick, you must fight quickly, and don't give her a chance to move rescue troops!"

"Understood!" A dozen companions responded in unison.

Jiang Shan used the speed to the extreme, and at the same time kept looking back, she saw that the distance between Huang Yan and herself was getting closer and closer, and they were about to catch up!

However, at this time, Jiang Shan did not panic at all, but instead showed a confident smile.

Because, in the depths of the back garden, is a peach blossom forest. This peach blossom forest was left by the ancients. It is a very mysterious formation. Back then, Yue Feng broke in by mistake and was almost trapped in it.

Jiang Shan firmly believes that as long as people like Huang Yan are introduced into the Peach Blossom Forest by themselves, they will never come out.

Although the incident happened suddenly, Jiang Shan had every opportunity to lead Huang Yan and others to the front hall, because there, Sun Dasheng, Wen Chou Chou, and masters of various sects were there.

But Jiang Shan thought deeply.

Although there are many people in the front hall, if there is a fight with these people, if the Northern Ying army takes the opportunity to attack the city, then the situation will be chaotic, and Zhongzhou will not be able to keep it.

At this moment, Jiang Shan did not hesitate in the slightest. When she reached the entrance of Peach Blossom Forest, she jumped lightly and jumped in!

When Yue Feng was in the dry well in the Peach Blossom Forest, after he obtained the Baiqi Divine Formation, it didn't take long before he told Jiang Shan how to crack the Peach Blossom Forest.

With the cracking method, Jiang Shan is not afraid of being trapped inside.

At the same time, outside the Peach Blossom Forest, Huang Yan and his companions stopped and did not enter rashly, but frowned and observed.

"It's such a big peach blossom forest, what is this woman doing?"

"This woman won't cheat."

"Yeah, let's be careful."

During this time, Jiang Shan led the various sects in the Diyuan Continent to resist the Northern Ying army. Huang Yan and the others knew very well that this woman was resourceful.

call!

Huang Yan took a deep breath and frowned before thinking about it, "This woman just wants to take advantage of this peach blossom forest to get rid of us. Time is running out, so hurry up and chase." The

voice fell, and Huang Yan rushed in first.

The dozen or so companions in the back looked at each other in dismay, and quickly followed.

Um?

The moment they entered the Peach Blossom Forest, Huang Yan and his companions were all stunned!

Chapter 2203

Swish!

I saw that in the peach forest in front of me, each one seemed to have life and was moving! Seemingly out of order, it seems there are traces to follow.

For a time, everyone in Huangyan was dazzled and confused.

"Oops, this is a formation." Then, someone shouted, and everyone panicked.

Swish!

Huang Yan’s face was extremely ugly, and he never thought that he would fall into Jiang Shan’s trap.

The next second, Huang Yan thought of something, and hurriedly turned around to find the exit, but when he saw it, he was completely stunned. I saw that the place where I came in behind was gone. Everywhere I could see were peach blossom trees.

“Don’t panic, everyone!”

Huang Yan tried his best to calm himself, shouted, and ordered: “Everyone spread out and see if there is an exit. If you see the woman, you must send a signal, and don’t do it privately.”

When he said this, Huang Yan’s face was ashen, and he was indescribably angry.

As a general of the Northern Ying army, he followed His Majesty’s expedition to the north and south.

“Yes…” The crowd responded and quickly dispersed.

call!

Seeing this scene, Jiang Shan, who was hiding not far away, showed a smile and quietly left the Peach Blossom Forest.

Jiang Shan thought about it, these people are in a strong momentum now, and it is not easy for her to make a surprise attack. She will trap them for a while, and then capture them all by herself.

Although he didn’t recognize who Huang Yan was, Jiang Shan could guess that it was definitely sent by Yang Jian.

Early the next morning, Jiang Shan went to Peach Blossom Forest to check.

Soon, at the center of the Peach Blossom Forest, several Huang Yan were found.

puff!

At this moment, seeing the state of Huang Yan and the others, Jiang Shan couldn’t help laughing. I saw them sitting in front of the peach blossom tree one by one, dispirited and completely collapsed.

Obviously, they looked for the exit last night, and they searched all night, and they were very tired.

“You…”

Hearing the movement, Huang Yan opened his eyes and suddenly saw Jiang Shan, suddenly shocked and angry!

At the same time, the surrounding companions were also furious and wanted to stand up and besiege Jiang Shan, but they were too tired last night, and their movements seemed very stiff.

clap clap clap!

At this moment, Jiang Shan held back her smile, her figure was light, and she quickly sealed the acupoints of everyone in Huangyan.

Immediately afterwards, Jiang Shan tied their hands with a rope and led them out of the Peach Blossom Forest.

Whoa!

In the front hall, Wen Chou Chou and Sun Dasheng, as well as the masters of various sects, all gathered around. Seeing Jiang Shan arrest more than a dozen men in black, all of them are amazed.

“These people should have been sent by Yang Jian. I was trapped in the peach blossom forest last night.” Jiang Shan smiled and told the story.

Whoa!

The voice fell, the audience was in an uproar, and then, many people couldn’t help but praise.

“Mrs. Jiang is really witty and smart.”

“Yes, these people are not low in strength, and they look familiar, like the generals of the Beiying army…”

“Haha, I caught so many at once. Madam is really amazing.”

Everyone’s praise, you and I came, and they were all very exciting.

You must know that since the invasion of the Northern Ying army, the Diyuan Continent has been in a passive state. Today, Jiang Shan has captured so many generals of the Northern Ying army, which can be regarded as a face for the Diyuan Continent. , also boosted morale.

“Ma’am!”

At this moment, Wen Chou Chou came out and smiled at Jiang Shan: “Ma’am is really resourceful, what shall we do next? What are these people going to do?”

Chapter 2204

Swish!

At this moment, everyone’s eyes were focused on Jiang Shan. At this time, many people wanted to kill Huang Yan and the others immediately. After all, the Northern Ying army had captured so many cities and hurt the people.

But… Jiang Shan is everyone’s leader now, so she naturally wants to listen to her.

Jiang Shan pondered for a while, and said softly, “Tie them up one by one, pull them outside the city, and let Yang Jian take a good look.”

When she said this, Jiang Shan looked calm, but her eyes flashed with light.

To be honest, Jiang Shan also wanted to kill Huang Yan and the others immediately, but after thinking about it, if they were pulled out of the city, the hundreds of thousands of soldiers in the Beiying army would definitely lose their morale. You must know that morale is very important when the two armies face each other. If the morale of the Northern Ying army is low, there will be a chance on the Earth Circle Continent.

“Okay!”

Wen Chou Chou nodded in approval and said with a smile, “This is a good way.”

He thought carefully, and immediately guessed Jiang Shan’s intention.

The people around also nodded in agreement.

A few minutes later, everyone from Huangyan was pulled out of the city, tied to wooden stakes one by one, facing the Beiying camp far away.

At this moment, the Beiying camp is in the middle tent.

Yang Jian frowned, looking at the sand table in front of him, feeling very anxious. Zhang Jiao next to him seemed calm, but there was a bit of solemnity between his brows.

People like Huang Yan have been there all night, and haven’t replied yet… It

‘s not because their whereabouts were revealed, they were arrested!

“report–“

At this moment, a soldier ran in and knelt down with a plop: “Your Majesty, counselor, no… not good, General Huang and the others were… arrested by the Ouyang family, and now they are all tied up outside the city to show the public. …”

What?

Hearing this, Yang Jian’s face changed, and he was shocked and angry: “Is the news true?”

“It is absolutely true!” The soldier was sweating profusely and responded cautiously.

Swish!

Yang Jian didn’t say more, walked out of the tent quickly, Zhang Jiao quickly followed.

When he got outside, seeing the situation in front of him, Yang Jian’s face was ashen and furious.

Just seeing those people in Huang Yan, they were really tied to the stakes, their heads bowed, how could they still have the demeanor of a Beiying general?

“Trash, it’s all trash!”

Finally, Yang Jian reacted, howling loudly, and then shouted: “If you send the order, you can attack the city, and the Ouyang family and those sects will not be left behind!” In the

last sentence, Yang Jian almost Is screaming out.

The Northern Ying army was a huge shock in Kyushu, and Huang Yan, as Bei Ying generals, failed to raid a woman, but was arrested instead, and now they are still tied there to show the public, and they have lost the face of the Northern Ying army.

Originally, Yang Jian wanted to show his kindness to the people when he captured Zhongzhou, but now that his anger has been aroused, he can’t care so much.

“Boom! Boom! Boom!”

Hearing Yang Jian’s order, the Beiying army quickly assembled, and a few seconds later, the drums were beating! Hundreds of thousands of troops launched a mighty charge towards Zhongzhou.

…..

On the other side, in the sea several hundred miles away from Donghai City.

Between the waves and blue waves, a wooden boat is traveling with the waves!

Moraye was sitting on the bow of the boat, his eyes were slightly closed, his eyes were watching his nose, his nose, his heart, and he was meditating. Behind him, Duan Yu was holding a pair of oars in his hands and was rowing the boat hard.

Even though he was rowing, Duan Yu's attention was always on Moroye. , and there was a hint of resentment in his eyes.

After being abolished by Moroye, Duan Yu hated him forcibly. In the past two days, he has been thinking of revenge all the time. However, his lifeblood was abolished, and his dantian was injured by Moroye. Duan Yu was greatly injured. It takes a long time to recover.

As for Moraya, the Dharma is profound, and in just over a day, he completely recovered.

In this case, Duan Yu could only hold back.

"Huh!"

At this moment, Moroye opened his eyes, finished his meditation, and stood up slowly.

The next second, Moroye looked at the sea in front of him and asked, "Transformation! How long will it take to enter the Earth Circle?"

Huasheng is the name of Duan Yu's Buddhist sect.

Chapter 2205

Duan Yu replied: "In half a day, you will be able to see the port of the Earth Circle Continent." After speaking

, Duan Yu couldn't help being curious and asked: "Master, I heard that the Beiying army is attacking the land. Yuan Continent, the situation is in chaos now, why do we have to go to Earth Yuan Continent?"

During the two days of contact, Duan Yu learned that the Linyin Temple where Moraye is located has been in a state of escapism all the time. , The monks under the door rarely go down the mountain.

But Moroye, as the head, not only went down the mountain, but also kept asking himself about the situation in the Kyushu Continent, as if he had some kind of mission, which made Duan Yu very curious.

call!

Moroye breathed a sigh of relief and looked at the clear water and blue sky in front of him, but he did not feel the slightest ease, but extremely worried, and said slowly: “A vision has appeared in the Chaos Mountains, and there will be disasters in the Kyushu Continent. This matter , only the rulers of each continent must unite, and it is possible to eliminate the disaster.”

After speaking, Moroye glanced at Duan Yu, and continued: “Among the nine continents, the Northern Ying continent is the most powerful. Strong, but Yang Jian, who led the army to conquer all over the world, insisted on disturbing the turmoil in the Kyushu continent, and took you to the Diyuan continent for the teacher, just to dissuade Yang Jian and let him stop the war. That’s the most important thing…”

What?

Hearing this, Duan Yu was stunned.

This monk wants to dissuade Yang Jian and stop the war? Also said…. There is a vision in the Chaos Mountains?

What kind of vision can threaten the safety of the entire Kyushu?

Thinking about it, Duan Yu only felt that his brain was buzzing, and he couldn’t calm down for a long time.

…..

On the other side, the Earth Circle Continent, Zhongzhou City!

At this time, Zhongzhou City was like hell, the ground was stained red with blood. Under the strong attack of the Northern Ying army, the disciples of the Ouyang family and the various sects fell into a pool of blood one by one!

The two sides have been fighting here for five hours!

During these five hours, the Ouyang family and the major sects continued to suffer casualties. Originally, there were more than 300,000 people, but under the onslaught of the powerful Northern Ying army, they died and were injured. There are only less than 100,000 people left!

The Beiying army, because of its overall strength, only lost more than 10,000 people.

The disparity in strength is getting bigger and bigger, and the Ouyang family and the major sects can no longer hold on, but these people are the only ones left, still clenching their teeth!

Zhongzhou City was at stake, and forces from other cities, as well as major families, came to support them from all directions.

However, in the eyes of the Northern Ying army, these forces and families are completely no threat.

The fierce battle is still going on, and the casualties continue to increase on the side of the Earth Continent!

At this time, the entire Zhongzhou City was drowned in the howls of slaughter, the air was filled with blood, and even the sun was eclipsed, as if it was dyed red by blood.

The Ouyang family, the major sects, and various forces retreated while fighting, and finally retreated to the Ouyang mansion.

By this time, half of Zhongzhou had fallen under Yang Jian's control.

The situation is getting more and more unfavorable, but the Ouyang family and the major sects still haven't given up and are still fighting bloody battles.

In the melee, there is a figure, brave and unusual!

It is Sun Dasheng!

At this time, Dasheng Sun was already covered in blood. From head to toe, there was no intact place. There were more than 100 wounds, just like a bloody man!

Behind him, Jiang Shan and Wen Chou Chou, as well as the masters of various sects, almost tried their best to stand still, but they all had a firm expression and did not retreat at all, still holding the sword in their hands.

In front of him, countless Northern Ying soldiers, one after another, swarmed, unable to kill them all.

Sun Dasheng almost tried his best, and he could barely hold his axe, but he still gritted his teeth and rushed to the front.

Sun Dasheng is notoriously violent and bloody. He knows that this battle will not be won, but he still has to rush to the front and wants to kill a few more enemies.

"Great Sage, come back!"

"Retreat one after another, don't rush anymore."

Seeing that Sun Dasheng would not retreat, Jiang Shan and the others, who were slowly retreating, were extremely anxious.

However, Sun Dasheng was already red-eyed and couldn't hear it at all.

Finally, because he rushed too far ahead, Dasheng Sun was quickly surrounded, and there were more and more enemies! A Beiying soldier went around behind Sun Dasheng, holding a spear in his hand, and stabbed Sun Dasheng in the back at once!

"Puchi!"

Blood rushed out all of a sudden!

Pfft!

Sun Dasheng only felt that all the strength in his body was taken away in an instant.

The ultimate husband in Chinese chapter 2206-2210

Chapter 2206

At the same time, there were several Beiying soldiers who took the opportunity to rush in, and the long swords in their hands stabbed at Sun Dasheng!

"Great Sage!"

At this moment, Wen Chou Chou roared, rushed over quickly, blocked in front of Sun Da Sage, and waved his right hand in the air to form a protective film.

"Dangdangdang!"

Dozens of long knives slashed on the protective film in unison, making a metal crash sound.

Wen Chou Chou's strength at this time is already the fourth stage of the Martial Emperor, but in the fight just now, a lot of internal strength was consumed, and at this time, blocking the blades of so many Beiying soldiers made his face pale!

"Beyond one's own strength!"

At this moment, a coquettish shout sounded, and then a slender figure appeared, which was Gonggong.

In the fierce battle just now, Sun Dasheng and Wen Chouchou were very brave and unusual, and they attracted the attention of Gonggong. At this time, seeing that both of them were injured, but they killed a lot of Beiying soldiers, Gonggong couldn't help it.

Click!

The next second, Gonggong Yushou, a purple-level long sword appeared in her hand, and then a sword stabbed at Wen Chou Chou!

At the same time, hundreds of Beiying soldiers around them also swarmed up, all rushing over! For a while, Sun Dasheng and Wen Chou Chou were surrounded!

“Clang!”

Sun Dasheng’s double axe was constantly waving to resist, but there were too many people, and he couldn’t stop it at all. There were more and more wounds on his body, and the whole person almost became a bloody man.

“Am I cheating on you!”

This chapter is provided by . Visit for daily update.

Blood flowed down, Dasheng Sun’s eyes were blood red, completely mad, holding a giant axe, chopped over a dozen people in a row.

Beside, facing Gonggong’s attack, Wen Chouchou was also too tired to deal with it. One of them was accidentally slapped on the chest by Gonggong! At that time, Wen Chou Chou vomited several mouthfuls of blood, staggered, and retreated to Sun Dasheng’s side.

“Brother Wen, you shouldn’t rush over.” Sun Dasheng said to Wen Chou Chou, extremely guilty.

If it weren’t for the battle by himself, Brother Wen would not have come to help him, nor would he have been injured.

“You and my brother, don’t say such things.” Wen Chou Chou’s face was pale, but he gritted his teeth and said word by word, “Anyway, Zhongzhou City can’t be saved today, and it will be difficult for us to break out, it is better to die Before, kill a few more…”

“Yes! Let’s have a good time today.” Sun Dasheng shouted with high fighting spirit, and then the two brothers rushed out again!

“Dang! Dang!”

Sun Dasheng didn’t remember how many axes he swung, and how many knives he took. I only saw that his body was covered in scars, and the blood had already dyed his clothes red!

At this time, Dasheng Sun was already exhausted, and he was hanging with one breath. He could clearly feel the pain coming, and there was no pain in his entire body!

“Pfft!”

Next to Wen Chou Chou, facing the powerful Gong Gong, he has always been at a disadvantage. Suddenly, Gong Gong stabbed with a sword. This sword Wen Chou Chou couldn’t avoid, and pierced his shoulder directly!

Wen Chou Chou only felt that his strength was rapidly draining, his body trembled, and he staggered back.

“Go to hell!” Gonggong sneered and chased after him, hitting Wen Chou Chou with a slap in the heart.

In Gonggong’s eyes, Wen Chou Chou is nothing but the realm of Emperor Wu, and fighting against himself is courting death.

“Palace Master Wen!”

“Be careful…”

Seeing this scene, Jiang Shan, who was not far away, and the masters of various sects couldn’t help exclaiming, and wanted to rush over, but there were too many Beiying soldiers around, and they were stopped before they took two steps. down.

“Brother Wen!”

At this critical moment, Sun Dasheng’s eyes were extremely blood-red, he shouted loudly, and stood in front of Wen Chou Chou, and took Gong Gong’s palm.

puff!

At the moment when the two palms collided, Sun Dasheng snorted, a mouthful of blood spurted out, and his body stepped back ten steps before he stabilized his figure.

At this time, Sun Dasheng and Wen Chouchou were exhausted and had countless wounds on their bodies, almost to the point of running out of oil, but facing the Gonggong and Beiying soldiers in front of them, they were still unafraid!

“Come on! If you want to kill us, come up as soon as possible!” Sun Dasheng screamed desperately with red eyes!

Next to Wen Chou Chou, his face was pale, but his eyes also showed tenacious will.

Chapter 2207

Call!

Seeing this scene, many Beiying soldiers looked at each other in dismay! A trace of fear rose in my heart.

Suffered such a serious injury, still not falling down?

Is this Iron Man? Bleeding endlessly?

Even Gonggong's eyebrows were furrowed, and his heart couldn't help being touched.

These people from the Earth Circle are really tenacious. The situation in front of them is already one-sided, but they are still fighting with their lives to resist.

Are you really not afraid of death?

Jiang Shan, and the masters of various sects, were shocked when they saw this scene, and many people's eyes turned red.

Yue Feng, the two sworn brothers, are indeed real men who stand upright in the sky.

In order to defend the Earth Circle Continent, I would rather risk my life and fight until my entire body is wounded, rather than stand back a single cent!

"So what if you're not afraid of death?" At this moment, Gonggong

calmed down and sneered: "You guys are powerful enough to block the Beiying army, but it's just a man's arm as a chariot!"

The Ying soldiers issued an order: "They have run out of strength, don't be afraid, kill them quickly!"

Hula!

When the voice fell, dozens of Beiying soldiers with long spears rushed up.

puff!

Sun Dasheng lost his strength and couldn't dodge in time. More than a dozen long spears all stabbed Sun Dasheng on the body at once.

This time, Sun Dasheng couldn't hold it any longer, and the blood was pouring out!

Wen Chou Chou was also hit hard again, and his face was extremely pale.

"Sect Master Sun, Master Wen !" "Master

!"

“Master…”

Seeing this scene, Jiang Shan and all the sects and all the sects were stunned. Many disciples from Huaguo Mountain and the Hall of Longevity had blood-red eyes and screamed madly. They couldn’t hold back their tears, and they kept flowing!

Sun Dasheng wiped the blood from his mouth with all his strength, looked at Wen Chou Chou and smiled weakly: “Brother Wen, I have no regrets in my life to be able to die here with you, but it’s a pity that at this last moment, our three brothers did not We can get together!”

Phew!

Hearing this, Wen Chou Chou smiled weakly, and then said seriously: “It’s good that Feng Zi is not here, I can avenge both of us in the future.” After

saying that, Wen Chou Chou looked around at the dense number of Beiying soldiers in front of him, and roared up to the sky: “Defend the land. Yuan Continent, I, Wen Chou Chou, have done my best, and I will die without regrets!”

Roar!

This heroic, soaring to the sky!

“Our three brothers lived and died together. I am still here, and I will never allow you two to have an accident.” At this moment, only a roar was heard, coming from the horizon!

Whether it was the people from the Earth Circle Continent or the Northern Ying army, when they were roared by this roar, their hearts trembled, and they all looked for the sound!

Seeing this, everyone was stunned!

I only saw that there was a huge figure in the sky, flying very fast!

This is a giant beast, with a body of nearly 70 meters. It looks like a tiger but not a tiger. It has a dark purple body and a pair of wings on its back. It is surrounded by the light of lightning.

Divine beasts are poor!

On Qiongqi, there is a man standing, this man, with knife-like facial features, is extremely cold! It is Yue Feng!

After so many years, Xiao Qiongqi’s strength is close to the transcendence realm!

Yue Feng stood on Qiongqi, majestic! Behind Yue Feng, the army of 300,000 followed neatly, it was the soldiers of Xicang Continent!

Chapter 2208

At this time, Yue Feng stood proudly on Qiong Qi's back, his aura was overwhelming, but his eyes flashed with tears.

After summoning the Xi Cang army at Canglong Pass, Yue Feng did not stop for a moment, and went directly to Diyuan Continent. Along the way, Yue Feng saw that many cities fell into ruins, and in the ruins, there were even the corpses of countless people!

At this time, I finally arrived in Zhongzhou City, and I saw that as far as I could see, the flames of war were pervading. The bustling and lively Zhongzhou City was now like hell, with blood everywhere.

And his two sworn brothers, Wen Chou Chou and Sun Dasheng, almost all became bloody men under the fierce battle.

Yue Feng was chivalrous and benevolent, and when he saw this scene, his heart ached.

"Fengzi.."

"Sect Master!"

"Haha, the leader of the Yue alliance is back…"

Seeing Yue Feng, there was cheers from the Diyuan Continent, whether it was the Ouyang family, the Tianmen, or the major sects, everyone Incomparably excited, a ray of dawn also rose in the heart of despair.

Yue Feng is back, and the Earth Circle Continent is saved!

"Brother Wen, Great Sage!"

At this moment, Yue Feng's eyes fell on Wen Chou Chou and Sun Da Sheng, and the tears finally couldn't be held back and flowed down: "I'm sorry, brother is late."

Yue Feng saw clearly that Wen Chou Chou He and Sun Dasheng were full of knives and blood dripping. They were completely two blood people, but they were still standing there.

Behind the two, the brothers of Tianmen, as well as people from the Ouyang family and various sects, almost covered the ground with corpses, countless!

Those who were lucky to survive were also seriously injured.

“You should all be damned if you hurt my brother’s family!” A cold voice came from Yue Feng’s mouth, and in the next instant, Yue Feng raised his hands suddenly! I saw a terrifying force in the air, quickly condensing around Yue Feng.

“Big Sky Breaker!”

Yue Feng almost roared out, pointing at the Beiying army!

Buzz!

A violent aura erupted, forming a hurricane-like vortex, sweeping down! Go straight to the ground!

“Roar!”

At the same time, Qiong Qi also let out a loud roar and rushed towards the crowd.

“Ah…”

In an instant, in the roar of Da Tianshu and Qiongqi, nearly a thousand Beiying soldiers, too late to react, let out a scream, and fell into a pool of blood!

call!

Seeing this scene, the martial arts masters in the Earth Circle Continent were extremely excited and cheered loudly.

“Yue Feng.”

At this moment, only a cold voice was heard from the Beiying military camp. Immediately afterwards, a golden figure hovered above the air, majestic and majestic, it was Yang Jian.

“Yue Feng, you finally appeared!” Yang Jian’s eyes were cold, and he said word by word: “I wanted to occupy the entire continent, and then try to catch you, but I didn’t expect you to show up.”

Saying, Yang Jian looked at the 300,000 Xi Cang army behind Yue Feng, and said with disdain: “The Earth Circle Continent is exhausted, surrender immediately and serve me, I may be able to spare your life.”

When he said this, Yang Jian’s face was full of pride.

Although the 300,000 Xicang army brought by Yue Feng was not small, the strength of Xicang Continent was not worth mentioning compared to Beiying Continent, so Yang Jian didn't take it to heart at all.

surrender? Still allegiance to you?

Hearing this, Yue Feng smiled coldly, met Yang Jian's eyes, fearless, and his voice spread throughout the audience: "Yang Jian, you are just my defeated general, in Nanyun Continent, you were killed by me and ran away. , but still have the face to make me surrender? Who gave you confidence?"

Yue Feng deliberately mocked Yang Jian, this Yang Jian, taking advantage of his absence, led an army to sneak up on Diyuan Continent, it was really despicable and shameless.

Swish!

Hearing this, Yang Jian's face was extremely ugly, and he was burning with anger.

He is a dignified true monarch Erlang, who has been in the world for thousands of years, when has he been ridiculed like this?

"You are courting death!"

Sen Leng's three words came out of Yang Jian's mouth, his eyes fixed on Yue Feng, and he raised his hand and waved: "The whole army obeys the order, people from these sects in the Earth Circle Continent, and the soldiers of Xi Cang. , annihilate them all, and leave none of them!"

Chapter 2209

Before in the Southern Cloud Continent, the reason for defeat was entirely because of Guiguzi's presence, but now, Yang Jian no longer has any scruples when he sees that there is no Guiguzi around Yue Feng.

"Kill!" The

voice fell, and the army of Beiying let out a howl that shocked the world. They pulled out their weapons and rushed towards Yue Feng.

call!

With a solemn expression on his face, Yue Feng took a deep breath and shouted loudly: "All the soldiers of Xi Cang, immediately meet the enemy guards, never back down, kill !

“

They responded in unison, and the momentum shook the sky, rushing up like a tide!

“Come on, defend the homeland!”

At the same time, the Ouyang family, Tianmen, and the disciples of various sects were boosted by morale, temporarily forgetting the pain, and rushed forward.

In the blink of an eye, the two sides collided head-on, and a fierce fight broke out!

“Ah!”

For a while, shouts and roars continued to sound, and blood continued to splash, dyeing the earth red again.

Whoosh!

At this moment, Yang Jian, who was suspended there, suddenly burst out, heading straight for Yue Feng.

In a blink of an eye, Yang Jian was in front of Yue Feng, with absolute contempt in his eyes: “Stinky boy, there is no senior Guigu around, I see what ability you have, it won’t end well if you go against me, just keep your hands on it and capture it!

” !

The voice fell, and a terrifying aura burst out from Yang Jian’s body, and in an instant, the surrounding air seemed to be stagnant! At the same time, the three-pointed two-edged sword was tightly held in Yang Jian’s hand.

As soon as the knife came out, the surrounding temperature seemed to plummet!

Speaking of which, Yang Jian has an arrogant temperament and holds his own identity. He has never taken action in person since he fought to conquer various continents, because in Yang Jian’s mind, none of the masters of the arena from various continents is worthy of his action.

But Yue Feng is different. He is a hero of the Earth Circle Continent, and he once fought off his Northern Ying army in the Southern Cloud Continent. As long as he was captured alive, he would be able to completely strike the Earth Continent psychologically. More shameful.

More importantly, Chang’e had been missing for so long and could never be found, and Yue Feng had been with Chang’e before, so he must have known Chang’e’s whereabouts.

Yang Jian thought about it, captured Yue Feng alive, and forced the people of Diyuan Continent to surrender, and then tortured Yue Feng to extort a confession and inquired about Chang'e's whereabouts.

Nima!

Seeing Yang Jian rushing straight in, Yue Feng was startled and couldn't help scolding secretly.

This Yang Jian is too ruthless. After all, he has become famous for thousands of years, but at this time he has no reputation at all. It is really too ruthless to attack him in public.

hum!

Yang Jian didn't talk nonsense. With a strong wave, he heard a whistling sound that shocked the world. It came from the three-pointed two-edged sword. Then, a golden light ripped apart the world and burst towards Yue Feng.

Yang Jian's speed was too fast, and Yue Feng had no time to dodge, so he had to mobilize his internal strength, quickly summon Fang Tianhuaji, and stand in front of him to block it!

He had fought against Yang Jian, and Yue Feng knew how powerful he was, so all his internal power burst out.

boom!

Jin Mang slammed on Fang Tian Hua Ji, when he heard Yue Feng let out a muffled groan, the whole person was shocked and flew out, and flew more than 100 meters before falling heavily to the ground.

During this period of time, Yue Feng has gained a new understanding, his strength has improved a lot, and he will soon break through the Tribulation Transcendence Realm. However, Yang Jian's strength is much stronger than before, so even if Yue Feng tries his best, he cannot stop him. Live Yang Jian's powerful blow.

After all, Yang Jian is Erlang Zhenjun who has been famous for thousands of years, and his background is not comparable to Yue Fengneng.

"Sect Master!"

"Leader Yue!"

"Fengzi"

saw this scene, Sun Dasheng, Wen Chou Chou, Jiang Shan, and many others couldn't help but exclaimed and wanted to rush over, but under the melee, Surrounded by Northern Ying soldiers, it was too late to provide support.

"Boy!" At this moment, Yang Jian stared at Yue Feng, his expression extremely arrogant: "This is the gap between the strong and the weak, and if you go against me, this is the end." As

he spoke, Yang Jian held his hands tightly. The three-pointed, two-edged sword slowly walked towards Yue Feng.

A strong breath permeated the whole world.

Chapter 2210

Nima!

Seeing Yang Jian approaching step by step, Yue Feng was furious.

This Yang Jian's strength is also too terrifying, he can't stop his move with all his strength!

hum!

The next second, Yue Feng thought of something, and immediately opened the Linglong Tower. Suddenly, dozens of powerful figures burst out of the sky, it was You Yan, Yuan Tiangang and the others.

"Block him." The moment these figures appeared, Yue Feng couldn't help shouting, and at the same time, the figures quickly retreated back.

buzzing.

Hearing Yue Feng's order, You Yan, Yuan Tiangang and the others burst out with internal force and surrounded Yang Jian.

Although Yang Jian is unparalleled in strength, but you Yan and the others are not weak. In a blink of an eye, Yang Jian was successfully held back.

call!

Seeing this scene, Yue Feng breathed a sigh of relief, and then shouted at the Xicang army below: "All officers and men obey the order, the 50,000 forward troops move fifty steps to the left, 50,000 officers and men to the right, and retreat twenty cloths…"

Not bad . , Yue Feng is starting to form an army. The overall strength of the Beiying army is too strong, and the soldiers of Xi Cang are not opponents at all.

Wow…

Hearing Yue Feng's words, the hundreds of thousands of Xi Cang's army reacted quickly and changed their formations quickly.

"The whole army obeys the order."

Seeing that the Beiying army was about to be besieged, at this moment, a voice came out, and then Zhang Jiao jumped into the sky and commanded loudly: "Everyone retreat, temporarily and the enemy. The army keeps a distance…"

As the military advisor of the Northern Ying army, Zhang Jiao is very resourceful, how could he give Yue Feng a chance?

Hearing Zhang Jiao's order, all the soldiers of the Beiying army retreated a dozen steps and escaped the danger of being besieged.

Nima.

Seeing this scene, Yue Feng's face was extremely ugly, and he was very annoyed.

It's this horn again.

In anger, Yue Feng once again commanded the army, changing the formation.

Zhang Jiao's accomplishments in the art of war were no worse than Yue Feng's. Seeing Yue Feng changing the formation of the army, he immediately responded and ordered the Beiying army to adjust quickly.

For a time, what should have been a fierce confrontation between the two armies turned into a battle of war between the two.

Soon, half an hour later, Yue Feng was still unable to reverse the situation, and Zhang Jiao couldn't make the Beiying army go further, so the two sides became deadlocked.

In the midair not far away, Yang Jian was also dragged tightly by the strong men in Youyan, and he couldn't take care of him at all.

"Your Majesty!"

Finally, Zhang Jiao lost his patience and shouted at Yang Jian, "Let's retreat temporarily, this is not the way to stay in a stalemate."

When he said this, Zhang Jiao glanced at Yue Feng and was very angry.

To be honest, with Zhang Jiao's personality, he would never retreat easily. However, the Beiying army had fought fiercely with the masters of various sects in the Diyuan Continent for too long, and their internal strength was almost exhausted. The Xi Cang army brought by the wind is full of momentum.

In such a situation, it would be very unfavorable for the Beiying army to continue to consume, so we could only retreat temporarily and let the soldiers regain their strength.

Um!

Hearing this, Yang Jian snorted, and then his internal strength exploded, waving a three-pointed two-edged sword, forcing everyone in front of Youyan back.

The next second, Yang Jian looked around the audience and waved his hand: "Retreat!" The

voice fell, and Yang Jian took the lead in flying towards the direction of the camp.

Like Zhang Jiao, Yang Jian never thought of retreating, but he trusted Zhang Jiao very much. Since Zhang Jiao said retreat, he must have his reasons.

Wow…

Seeing Yang Jian withdraw from the battlefield, Zhang Jiao and the Beiying army quickly followed without hesitation.

call!

Seeing this scene, whether it was Yue Feng, the masters of various sects, or the army of Xi Cang, all secretly breathed a sigh of relief.

This battle is finally over for now.

Later, Yue Feng reacted and hurriedly ordered someone to treat the wounded.

A few minutes later, in the hall of the Ouyang family mansion.

Yue Feng sat in the middle chair with a solemn expression.

On both sides, Jiang Shan, as well as the masters of various sects, sat there quietly, with endless fatigue on their faces.

The ultimate husband in Chinese chapter 2211-2215

Chapter 2211

And Sun Dasheng, Wen Chou Chou and some people who were too injured went to the backyard to heal their injuries.

“Leader Yue.”

At this moment, Tang Qingyun stood up first, and said to Yue Feng: “Fortunately, the leader of the alliance came back in time, otherwise, Zhongzhou City is really finished today.” The

voice fell, and everyone around They all nodded.

Yue Feng smiled and waved his hands: “Everyone is polite. Now is not the time to talk flattery, but to think about how to repel the Beiying army.”

When he said this, Yue Feng glanced at Tang Qingyun, his eyes penetrating. calm.

To be honest, a villain like Tang Qingyun, Yue Feng has always been very disgusted, but seeing him this time, with the disciples of Tangjiabao, desperately defending Zhongzhou City, Yue Feng doesn’t care so much.

As for the alliance leader, Yue Feng just heard Jiang Shan say that it was the initiative of various sects who recommended him to do it.

In the past, Yue Feng would definitely give in a little, but now that the enemy is facing the enemy, Yue Feng is too lazy to waste his words and admit it.

“Leader Yue.”

At this time, the real Lingbao looked at Yue Feng and couldn’t help but said, “Before in the Southern Cloud Continent, you defeated Yang Jian’s Beiying army and became famous all over the world. Since you have won the battle, you must still have it now. Let’s force Yang Jian back…”

Shuh!

At this moment, the eyes of everyone in the audience focused on Yue Feng.

Yes, they were able to defeat Yang Jian before, so there should be a way now.

Uh…

This chapter is provided by . Visit for daily update.

Facing everyone's attention, Yue Feng scratched his head and looked embarrassed.

Nima, who was in the Nanyun Continent at that time, was able to defeat the Northern Ying army completely with the help of Senior Guiguzi. But now, Guiguzi doesn't know where he is wandering. Without his help, he would have no way to defeat Yang Jian.

Thinking to himself, Yue Feng smiled bitterly and said, "Yang Jian has already figured out the number of ways I have. It was only luck that I won against him before. Now I want to defeat the Beiying army, I'm afraid it will be difficult."

Alas…

hear this At the words, everyone sighed, a little lost, and at the same time a little anxious.

Even Yue Feng can't do anything about it, Zhongzhou City is really finished now.

Um!

At this time, Yue Feng looked around and found that there were a lot of people missing, so he couldn't help asking Jiang Shan, "Aunt Jiang, where are my sisters and Yingying?"

Yes, Yue Feng saw that Meihui was not here, Ren Yingying was not there. And several members of the Ouyang family were not there either.

"They…"

Hearing the question, Jiang Shan's beautiful face revealed a bit of self-reproach, and said softly, "A few of them were captured by Yang Jian when Yunzhou City was breached."

Thinking of her daughter and Ren Yingying, Jiang Shan couldn't tell the heartache and guilt.

Back in Yunzhou City, they were arrested because of their lack of command.

Speaking of which, Jiang Shan had thought of many ways to rescue Meihui and the others these days, but they all failed. You must know that the Beiying camp was too heavily guarded, and it was almost more difficult to sneak in than to climb into the sky.

What?

Yue Feng was stunned for a moment, clenching his fists, both shocked and worried.

Yingying and Meihui were caught by Yang Jian. With Yang Jian's personality, would they have already killed them?

The more Yue Feng thought about it, the more anxious he became.

"That's right!"

At this moment, Jiang Shan thought of something, looked at Yue Feng and said, "There is one more person, you absolutely can't think of it." After

speaking, Jiang Shan adjusted her mood and continued softly: "Zhou Qin Not dead, now in the dungeon of our Ouyang family…" Immediately, Jiang Shan explained the scene of Zhou Qin coming to report the letter at that time.

What?

Hearing this, Yue Feng only felt his brain buzzing, and the whole person was stunned.

Zhou Qin…she is not dead?

"Quick!"

Finally, after more than ten seconds, Yue Feng reacted and ordered the family disciples outside the door: "Bring Zhou Qin here."

In addition to being shocked, Yue Feng was a little happy to learn that Zhou Qin was not dead. You must know that at the beginning, his son Yue Wuya buried Zhou Qin alive in front of his own face. This was a hurdle in Yue Feng's heart that he would never get over, and he only felt that he was sorry for Zhou Qin.

After all, Zhou Qin had already reformed at that time.

And now, Zhou Qin survived the catastrophe. For Yue Feng, he can finally not feel guilty.

Chapter 2212

Soon, two disciples of the Ouyang family brought Zhou Qin up.

I have to say that Zhou Qin is worthy of being a goddess-level woman. Although she was locked in the dungeon for a few days, her hands and feet were still wearing chains, and she was a little embarrassed, but her charming talent and beauty could not be concealed.

Swish!

At this moment, the eyes of everyone in the hall were focused on Zhou Qin. Many men hardly blinked.

Of course, while appreciating Zhou Qin, many people also have deep fear in their hearts. After all, Zhou Qin is a former martial arts alliance leader, and he is ruthless. Is there anyone present who has not suffered from her?

She…she really isn't dead!

Seeing Zhou Qin, Yue Feng's heart shuddered, and there was some indescribable excitement and joy, but his face was very indifferent, without the slightest fluctuation.

To be honest, Zhou Qin has done so many bad things, and now he has decided to change his mind, but in Yue Feng's heart, there is already a separation between Zhou Qin and Zhou Qin, and he can no longer return to the close state he used to be.

"Yue Feng!"

At this time, Zhou Qin also saw Yue Feng, her delicate body was shocked, and she was very happy: "You are back, great!" The

voice fell, Zhou Qin couldn't hide his excitement, and was about to come over .

However, before taking two steps, he was stopped by a cold drink.

"Stop." Tang Qingyun, who was sitting on the side, couldn't help standing up and said coldly to Zhou Qin: "You can call the name of the leader of the Yue alliance? Zhou Qin, do you still think you are the leader of the alliance? Or is it the head of the Emei faction? Door? Sober up, you are just a prisoner now."

Immediately, Tang Qingyun turned his head to look at Yue Feng, his face flattering: "Alliance leader, this woman is very cunning, she has framed you a lot before, so you can't take it lightly."

When he said this, Tang Qingyun gave Zhou Qin a proud look, his eyes were full of contempt, showing a bit of revenge.

When Zhou Qin was the leader of the martial arts alliance, he didn't treat Tang Qingyun as a person at all. Tang Qingyun was narrow-minded. Seeing Zhou Qin's downfall at this time, he would naturally not miss the opportunity to ridicule him.

As soon as these words came out, many people around also nodded.

"Lord Tangbao is right!"

“Yes, this woman is beautiful on the outside, but her heart is like a scorpion, so you must be careful!”

“Alliance leader, you must be cautious when dealing with such a woman…”

Everyone’s discussion, you said, When I heard a sentence, all of them were full of resentment towards Zhou Qin. You must know that Zhou Qin used the Black Heaven Pill to force the various sects to surrender. No one has forgotten this and has always been ashamed of it. Seeing Zhou Qin at this time, how could he have a good face?

Hearing these words, Zhou Qin looked calm and did not refute.

In Zhou Qin’s heart, she had indeed done too many wrong things before, and since she was wrong, she must admit it.

call!

Yue Feng breathed a sigh of relief, looked around the audience, and waved his hands: “Okay, don’t talk about it.”

Immediately, Yue Feng glanced at Zhou Qin: “Release her.”

“Yes!” The two Ouyang family disciples With a sound, Zhou Qin loosened the tie.

Whoa!

This time, many people around were stunned and looked at Yue Feng in confusion.

This wicked woman ended up like this, she deserved what she deserved, but Yue Feng actually released her? This Yue Feng is unequivocal in the meaning of the rivers and lakes, but in terms of women, he can never be firm.

How can a woman’s kindness do great things?

For a time, many people felt dissatisfied with Yue Feng.

Yue Feng saw the unhappiness in the eyes of everyone, but he didn’t care.

The next second, Yue Feng sat there, looked at Zhou Qin and said, “Zhou Qin, it is said that you came here to spread the news, tell me carefully, how did you know that the Beiying army was coming? Or… Yang Jian sent it on purpose. You’re here.”

Yes, Yue Feng asked this on purpose, so that Zhou Qin could explain it clearly, so as to eliminate everyone’s misunderstanding about her.

call!

Zhou Qin took a deep breath and said slowly: “At that time, when I discovered the Beiying army at the border, I immediately notified the major sects. But in the end, not only did they not believe it, they even locked me up.”

When saying this, Zhou Qin Still suffocated.

“Zhou Qin.” Lingbao Zhenren sighed and couldn’t help but say, “If you didn’t do too much evil before, how could everyone lose trust in you?”

Chapter 2213

This….

Zhou Qin blushed and was speechless.

“Okay!”

At this time, Yue Feng smiled slightly and said, “Everyone, Zhou Qin did make mistakes before, but now she has started to reform herself. I hope everyone can put aside their prejudices and give her a chance.” The

voice fell, Everyone looked at each other.

“Leader Yue.”

At this time, Tang Qingyun couldn’t help but say: “Knowing the person and the face but not the heart, who knows if she really regrets it, and also, there is a saying in our ancients that it is called beauty and disaster, and the leader of Yue alliance can Don’t be fooled by her appearance.” The

voice fell, and many people nodded in agreement.

“Yeah, this woman is too cunning.”

“Before we believed in her too much, and we fell in love with her.”

“Leader Yue Meng is chivalrous and kind, but some things can’t be too kind.”

I’ll go!

Hearing this, Yue Feng frowned secretly, feeling annoyed.

These people are too stubborn in their thinking, why can’t I explain it to them?

Thinking to himself, Yue Feng smiled bitterly: “Okay, okay, let’s not talk about this for the time being, let’s think of a way to resist the Beiying army.”

Since Zhou Qin's matter is unclear, let's change the subject.

call!

Hearing this, everyone shut their mouths one after another, all at a loss.

"Yue…Leader of Yue."

Seeing this scene, Zhou Qin couldn't help but ask softly, "How is the situation now?"

Zhou Qin originally wanted to call Yue Feng's name, but considering the current situation, in order to prevent people around him from making irresponsible remarks, He changed his words in time and called the Alliance Leader Yue.

These days, Zhou Qin has been imprisoned in the Ouyang family's dungeon, so she doesn't know what's going on outside.

However, Zhou Qin has already made up his mind to correct his past mistakes. This time when the Northern Ying army comes, he must do something to make up for his past mistakes.

call!

Yue Feng sighed lightly, looked at Zhou Qin and smiled bitterly; "It's not optimistic." After speaking, he explained the situation in front of him in detail.

What?

Knowing the situation, Zhou Qin's delicate face was full of shock, and her heart was even more anxious.

So many places in the Earth Circle Continent have already fallen? And now, Zhongzhou is about to fail?

At this time, Yue Feng continued: "The overall strength of the Beiying army is very strong, but if we deploy it properly, we still have a chance to resist. The key is that Zhang Jiao. This man uses his troops like a god, which is really a headache.

" , Yue Feng felt extremely bitter in his heart.

When he was in Nanyun Continent before, Yue Feng fought Zhang Jiao more than once. At that time, Zhang Jiao used the common people to make meat walls, but Yue Feng had nothing to do. Until the Beiying army hit Nanyun Imperial City, Yue Feng released him. It was only after the Guiguzi in Linglong Tower that the situation was reversed.

However, Guiguzi Ning refused to accept the master. After helping Yue Feng to push back the Beiying army, he left and is now missing.

Without Guiguzi's opponent, Yue Feng was no match for the cunning and ruthless Zhang Jiao.

More importantly, the Beiying army is only temporarily evacuated. When they recover, they will definitely make a comeback. At that time, even if there is a Xicang army, it will be useless.

Zhang angle?

Hearing this, Zhou Qin's body trembled, and she was stunned.

Thinking of Zhang Jiao, Zhou Qin was not only panicking, but also felt a little guilty. Back then at the ancient tomb of Lv Bu, Zhou Qin deceived Zhang Jiao of the inextinguishable scripture, and then brutally stabbed him with a sword. This is what Zhou Qin has done. Among the mistakes, the most cruel one, although later learned that Zhang Jiao was not dead, Zhou Qin still regretted it in his heart.

But soon, Zhou Qin calmed down, looked at Yue Feng and said softly: "Leader Yue, I have a way to deal with Zhang Jiao."

After speaking, Zhou Qin pondered for a while, and continued seriously: "Although this corner is The use of troops is like a god, but every time the troops are deployed, the means used are always inseparable from the 'Zhou Tian Yi Shu', as long as the Yue alliance leader starts from this aspect, he will definitely be able to find a way to deal with him."

Chapter 2214

When saying this, Zhou Qin smiled lightly. Speaking of which, although Zhou Qin's personality is rather extreme, he is very smart in terms of cultivation and understanding. Although he has not learned all the Indestructible Sutras before, in recent years, Zhou Qin has learned a lot of indestructible things with his intelligence and wisdom. The essence of annihilation.

The Inextinguishable Sutra is extensive and profound, and what Zhou Qin has comprehended is not only limited to exercises, but also astronomy, geography, art of war, and so on.

Just now, when Yue Feng described his confrontation with Zhang Jiao, Zhou Qin was very keen to find that Zhang Jiao's formation was based on the number of changes in Zhou Tianyi in the Indestructible Scripture, which made Zhou Qin very excited.

Knowing this is equivalent to clearing Zhang Jiao's thinking trend, which will be of great help to the next battle against the Northern Ying army. The so-called knowing oneself and knowing one's enemy can be invincible in a hundred battles. Can you be unhappy?

"Zhou Tianyishu?"

At this moment, Yue Feng was stunned for a moment, then looked at Zhou Qin tightly: "What you said is true?"

Hmm!

Zhou Qin nodded with certainty.

"But…" Yue Feng scratched his head and said very ashamedly: "But I don't understand Zhou Tianyishu."

Zhou Tianyishu is the most difficult and profound one among the Qimen Dunjia. "Yin-Yang Feng Shui" and "Bai Qi Shen Array" also cannot comprehend the mysteries in Zhou Tian Yi Shu.

"Leader Yue, don't worry, I understand Zhou Tianyi." Zhou Qin smiled and said.

Haha…

Hearing this, Yue Feng was extremely excited, swept away the previous depression, and felt indescribably comfortable.

Unexpectedly, Zhou Qin actually understands Zhou Tianyishu. With her help, are you afraid that she will not be able to deal with Zhang Jiao?

"Okay!" Yue Feng nodded and looked at Zhou Qin with a smile: "When the Beiying army comes back to attack, we will…"

Before he could finish speaking, he was interrupted by a voice.

"Leader Yue."

Su Santong, the head of the beggar gang, stood up and said with a worried expression: "What this woman said may not be credible. Please think twice about the leader of the alliance." After speaking

, Su Santong did not forget to glance at Zhou Qin. His eyes were full of suspicion.

When the words fell, Tang Qingyun also quickly stood up and said loudly: "Yeah, the lord, the god of war, Zhangjiao is elusive, and even you can't solve it, but she swears that there is a way, it is clearly deceitful. "

Tang Qingyun wanted to speak just now, but he was afraid of offending Yue Feng, but seeing that the head of the Beggar Gang was the first to take the lead in opposing it, he quickly stood up and added fuel to the flames.

Whoa!

When the voice fell, there was an uproar in the hall, and many people also spoke.

“Zhou Qin, this woman, must be playing some tricks again, the leader of the alliance must not be deceived.”

“Yes, first to gain the trust of others, and then surprise, this is the woman’s usual style.”

“The leader of the alliance think twice.

” Objection, you and I heard one sentence, Yue Feng frowned secretly and had a headache.

At this time, Yue Feng never expected that everyone would hold such a grudge against Zhou Qin. Zhou Qin has reformed, but these people are still suspicious of her.

It’s hard to do now.

“you…”

At this moment, Zhou Qin finally couldn’t bear it anymore, trembled with anger, looked at Tang Qingyun and said, “Can you believe me once? Yes, I was sorry for everyone before, and I am sorry for the whole world, but I already know that. Wrong, and everything I said is true, now that the enemy is in front of us, can’t we unite a little bit?”

Zhou Qin was in a hurry when he said this.

This group of people, full of chivalrous words, did not give them any chance to reform themselves, which is really speechless.

I believe you?

Tang Qingyun sneered and mocked Zhou Qin: “Are you still qualified to make us believe? Even the leader of the Yue alliance is helpless, but you have a way, how do you understand Zhou Tianyishu? What is it that you lie? The leader of the alliance is still powerful? Okay, even if you didn’t lie, why would you let us believe it? You must give us a reason to believe.” The

voice fell, and many people followed suit.

“Yeah, let’s talk about it.”

“Zhou Tian Yi Shu, it is said to be the most esoteric type of Qimen Dunjia. It has been lost for a long time. Who would you lie to?”

“Hehe…let her make it up.. .”

Phew!

Chapter 2215 In the

face of Tang Qingyun’s questioning and ridicule, Zhou Qin bit his lip tightly, and then slowly said: “The inextinguishable scriptures that I cultivate contain the art of Zhou Tianyishu, and this immortal scripture is hidden in it. It was me and Zhang Jiao who learned the scriptures…” As

he said, Zhou Qin explained in detail how he met Zhang Jiao and how he deceived him at the ancient tomb of Lv Bu.

At the end, Zhou Qin looked around, her delicate face full of shame: “At that time, I wanted to monopolize this stunt, and after I got the formula, I stabbed Zhang Jiao with a sword… who knew he wasn’t dead, He also managed to escape and became Yang Jian’s military advisor…” To

be honest, Zhou Qin was reluctant to tell this unknown fact, after all, it would damage his image, but in order to gain everyone’s trust , can only tell the truth.

What?

In an instant, the entire hall was silent, and everyone’s eyes were looking at Zhou Qin with disgust and contempt.

This woman, Zhou Qin, is too vicious. She lied about Zhang Jiao’s practice, and even killed her.

call!

Even Yue Feng took a deep breath, his emotions surging.

The situation of Zhou Qin in the past was really hot, but fortunately, now that she has reformed, if she is still like before, she really can’t keep her.

“Everyone!”

At this time, Zhou Qin’s face returned to calm, looked around, and slowly said: “Now everyone should believe me, right? I have learned the Sutra of Immortality, and I understand Zhou Tianyishu, which can completely help Alliance Leader Yue deal with Zhang Jiao. .”

Phew!

The voice fell, the whole hall was silent, no one responded, and they were all thinking about it.

“Ha ha!”

At this moment, Tang Qingyun sneered, breaking the silence, and shook his head at Zhou Qin: “Zhou Qin, Zhou Qin, you don’t need to pretend, you said it yourself that you learned your exercises from Zhang Jiao. Here, it is obvious that you are a spy sent by Zhang Jiao. As for you saying that you killed Zhang Jiao with a sword at that time, it is completely made up. Your heart has been pierced, can you still live? It is impossible. You This lie is made up, I don’t believe it…”

“Yes, Tang Baozhu’s analysis is correct.”

“I said this Zhou Qin, why is he so anxious to help, it turns out to be a spy of the enemy army.”

“Too much . Damn, are you playing us like children…”

Many people present glared at Zhou Qin, scolded and scolded him.

Swish!

At this moment, Zhou Qin’s face flushed red, her body trembled with anger, and she was speechless.

She never thought that when she told the situation, instead of winning everyone’s trust, it deepened the misunderstanding.

Seeing this scene, Yue Feng also had an incomparable headache.

“Leader Yue!”

At this moment, Tang Qingyun pleaded at Yue Feng with a sincere expression: “Zhou Qin is a woman with ulterior motives. I beg you to deal with her immediately, and must not be lenient!

” The few people nodded in agreement.

“This woman is so abhorrent. As a person from the Earth Continent, she has tried everything possible to plot against us.”

“In my opinion, no need to talk nonsense, just tied it up…”

“Yes, it’s better to abolish her practice and fight. ” Enter the dungeon.”

At this moment, the entire hall was filled with indignation, and no one sympathized with Zhou Qin. On the contrary, thinking of Zhou Qin’s past actions filled his heart with incomparable disgust and hatred.

Zhou Qin panicked and looked at Yue Feng closely, his eyes full of help.

Yue Feng doesn’t believe in himself, does he?

Yue Feng sat there without speaking, his expression was indifferent, without the slightest fluctuation.

“Everyone be quiet.”

Finally, after a few minutes, Yue Feng took a deep breath and said slowly, “Zhou Qin has already said that she needs to reform herself. I believe her.”

Phew!

Hearing this, Zhou Qinfang’s heart trembled, and she was moved beyond words. At this time, she wanted to rush over and threw herself into Yue Feng’s arms.

He once framed him so much, he didn’t care about himself, and he stood up to speak for himself when he needed help the most.

I have not misunderstood the person from beginning to end, Yue Feng is indeed a real man who stands above the ground.

The ultimate husband in Chinese chapter 2216-2220

Chapter 2216

What?

The people around looked at Yue Feng blankly, and they were all stunned.

Did you hear it wrong?

A cunning woman like Zhou Qin has many tricks, yet Alliance Leader Yue actually chooses to believe her?

Among them, Tang Qingyun's face was the most ugly, and his mood was extremely anxious and complicated.

If Yue Feng believes in Zhou Qin, with his help, Zhou Qin's status may be higher than himself…

How can this be possible?

Thinking to himself, Tang Qingyun didn't know where the courage came from. He stood up, looked directly at Yue Feng, shook his head in disappointment, and said, "Leader Yue, thanks to our Tang family for trusting you so much, we elected you as the leader of the martial arts alliance, and also put him down. Your own life and the hope of the Earth's Earth Continent are all placed on you, but now you choose to believe in the evil woman Zhou Qin."

After speaking, Tang Qingyun pretended to be very regretful and continued: "You are being Zhou Qin's beauty is too disappointing, I'm afraid that under Zhou Qin's confusion, Zhongzhou City will not be able to keep it, it's boring to stay here, I

, Tangjiabao, will leave." After finishing the last sentence, Tang Qingyun With a few disciples behind him, he strode away.

Tang Qingyun is narrow-minded and believes that after Zhou Qin has won Yue Feng's trust, he will use Yue Feng to suppress himself. After all, during this time, he has been against Zhou Qin.

However, Yang Qingyun didn't know that Zhou Qin decided to change the past.

Nima.

Looking at Tang Qingyun's leaving back, Yue Feng secretly clenched his fists, unspeakably annoyed.

This Tang Qingyun, it's really more than enough to fail. At the moment of the enemy, he can make trouble everywhere, and now he has to leave and give up protecting Zhongzhou City, which is simply too hateful.

This chapter is provided by . Visit for daily update.

"Alas."

Just when Yue Feng was annoyed, the real Lingbao sighed softly, got up slowly, and said, "It's really a beauty that harms the water, harms the country and the people, Yue Feng, the way is different, and I, Wudang, also take my leave. ." The

voice fell, and the masters of various sects got up one after another.

"I'm leaving too."

"Hehe, I'm addicted to women's lust, and I'm really disappointed that I don't listen to good advice…"

"That is, Yue Feng has betrayed everyone's trust. What's the use of staying here? Our Kongtong faction also withdraws. For

a while, except for the Ouyang family, in the entire hall, the major sects walked away in an instant.

These sect masters all believed that Zhou Qin was a spy sent by the Beiying army, and he had to get rid of it. However, Yue Feng was obsessed with Zhou Qin's beauty. Such a person was not worthy of the leader of the left alliance.

More importantly, if Yue Feng listened to Zhou Qin's words, Zhongzhou City would definitely not be able to keep it. If he stayed here, he was waiting to die, so he might as well leave as soon as possible.

This…

Seeing this scene, Yue Feng wanted to cry without tears, and was furious.

"Yue Feng…"

Zhou Qin bit her lip tightly, came over, and said softly, "I'm sorry, it's all because of me… Or, you can send someone to call them all back and lock me up. "

At this time, Zhou Qin was also a little helpless, but more in his heart, he still felt guilty for Yue Feng.

Not because of himself, Yue Feng will not be misunderstood by the major sects, nor will he leave.

“No need.”

Yue Feng breathed a sigh of relief, shook his head and said, “They want to leave, but they can’t stay.”

To be honest, Yue Feng was very annoyed when the various sects left, but after thinking about it, all these sects stayed in time. If they were not united, it would be difficult to resist the Northern Ying army. It is better to let them go first and take a good rest. Hundreds of thousands of Xi Cang’s army can still give Yang Jian a fight.

call!

Hearing these words, Zhou Qin felt a warm current in his heart. He couldn’t hide his gratitude.

He said softly, “Yue Feng, thank you for your trust.” Feng has endured so much for himself, and he must not be disappointed.

Um.

Yue Feng nodded and said slowly, “You’ve been locked up for so long, and you’ve suffered. Go and rest first.”

Chapter 2217

Speaking of which, Yue Feng didn’t want to care too much about Zhou Qin’s performance, but he couldn’t bear to see her tired face.

“Okay!” Zhou Qin smiled lightly and went to the backyard to rest.

Ugh!

As soon as his forefoot left, Yue Feng sat back on the chair and sighed lightly.

In the next second, Yue Feng then looked around and was stunned for a moment.

Seeing everyone from Jiang Shan and Ouyang’s family, they all looked at themselves with complicated eyes, and they all seemed hesitant to say anything.

Obviously, everyone in the Ouyang family also felt that Yue Feng believed that Zhou Qin was too hasty.

“Aunt Jiang!”

Yue Feng smiled bitterly, looked at Jiang Shan and said, “You also think I did something wrong? Shouldn’t you believe Zhou Qin?”

Jiang Shan pondered and said softly, “What Zhou Qin said is true or false ? , I’m not sure, but I trust your judgment.”

Yes, like the major sects, Jiang Shan is also skeptical of Zhou Qin, but she absolutely believes in Yue Feng and supports Yue Feng’s Decide.

“Thank you Aunt Jiang!” Yue Feng nodded with a smile.

At this time, Yue Feng was very relieved. The whole river and lake misunderstood him, but his family still believed in him, and that was enough!

“Haha…”

As he was talking, he suddenly heard a burst of laughter from outside, and then, Zhu Rong and Shennong walked in with great strides. and excited.

“Brother Zhu Rong, Senior Shennong.”

Seeing them, Yue Feng was very happy, and hurriedly greeted them: “Where have you been?”

When Yue Feng led the Xi Cang army to the rescue, he found that Zhu Rong and Shen Nong were not there, and he was a little puzzled at the time, but because of the urgent situation, there was no time to ask Jiang Shan.

At this time, Yue Feng was very happy to see them come back safe and sound.

Zhu Rong laughed, patted Yue Feng’s shoulder and said, “We are brothers, and your Diyuan Continent is in trouble, how can Shennong and I just sit back and watch?”

Speaking of which, Zhu Rong showed a slight smile on his face and continued. Said: “Before Yang Jian led his army to besiege Zhongzhou, Shennong and I left early to find something.”

Looking for something?

Hearing this, Yue Feng was stunned and puzzled.

Wow..

At this moment, Shen Nong next to him smiled slightly, took out a cloth bag filled with medicine from his body, and poured out a large amount of spiritual medicine, like a hill, thousands of them, I don’t know how many.

Shennong's cloth bag with medicine has similar characteristics to Yue Feng's spirit beast bag. It looks small in appearance, but it can hold a lot of things.

In an instant, a scent of elixir filled the entire hall.

call!

Seeing this scene, both Jiang Shan and the rest of the Ouyang family were shocked.

As expected of Yaozu Shennong, he actually got so many elixir?

You can see that each of this pile of elixir is a holy product that saves lives and heals the wounded. It is enough to cause a sensation at the auction, and so many elixir together are almost priceless.

This…

Yue Feng was also stunned, staring blankly at Shen Nong, speechless.

"Ha ha.."

At this time, Shennong smiled and said, "This is the spirit grass that Zhu Rong and I have found in the nearby mountains in the past few days, and the spirit medicine that has been refined. In the battle of Zhongzhou City, many people here have suffered. The injury should be enough."

When they learned that Yang Jian led the army to invade, Shennong and Zhu Rong discussed it. Instead of participating in the battle, it is better to do something more meaningful. After all, Yang Jian's army is too strong, even if Shennong Joining the resistance with Zhu Rong could not reverse the situation.

In the end, the two discussed that they would go to the nearby mountains to find spirit grass, make some life-saving medicines, and give them to the experts of the rivers and lakes in the Earth Circle, which would also reduce some casualties.

Chapter 2218

Haha…

Hearing this, Yue Feng was overjoyed and thanked Shennong: "Senior has the world in his heart, and he has brought so many elixir, but he has helped us Diyuan Continent a lot, and I am on behalf of many injured comrades. , thank you senior for your help."

The people around Jiang Shan also cast their admiring glances at Shennong.

Shennong smiled, indicating that you are welcome.

“Come here!” Yue Feng did not hesitate, called the disciples outside and instructed: “Quick, divide these elixir.”

When he said this, Yue Feng was extremely excited. With these healing medicines, in Sun Dasheng and others resting in the backyard can quickly heal their injuries, so that they can continue to resist the Northern Ying army.

Speaking of which, in Yue Feng’s “Wu Ji Danshu”, there are also many healing elixir, but the materials required for those elixir are too rare, and Shennong, as the ancestor of medicine, can make it with ordinary herbs that can be seen everywhere. There is no comparison between the two when it comes to saving the life and healing the wounded.

Hearing Yue Feng’s order, several family disciples walked in quickly and distributed the medicinal pills.

“Yue Feng!”

At this moment, Shennong came over, handed a pill to Yue Feng, and said solemnly: “This is a pill of destiny refined by this old man thousands of years ago, and there is only one in the world. The Destiny Pill can stimulate the potential of Dantian, and it can even help you to radiate great vitality in a desperate situation, and it has the effect of bringing back the dead.” After

speaking, Shennong took a deep breath and continued: “Now Yang Jian has provoked the war in Kyushu, under the whole world, You are the only one who can stop him, so this Destiny Pill, I will give it to you, maybe it will be useful to you at a critical moment.

“

Hearing this, Yue Feng’s heart was shocked, and when he took the pill of destiny, he saw that this pill was fiery red, but it had a strange cold feeling when he started it, which was very strange.

At the same time, Yue Feng was also extremely shocked.

It actually has the effect of bringing back the dead? Is this Destiny Pill really so magical?

You must know that Yue Feng owns the “Wuji Pill Technique”, and in the world, many rare elixir are included in it. However, at this time, Yue Feng racked his brains, but he did not find any records about the Destiny Pill in the Wuji Pill Technique.

At this time, Yue Feng still didn’t know that this Destiny Pill was invented by Shennong himself. It can be said that it contains the essence of Shennong in the field of pharmacology.

A few seconds later, Yue Feng put away the Destiny Pill and thanked Shennong: “Thank you for your love, senior.”

Shennong smiled and said earnestly: “Don’t be so polite between you and me.” After speaking, he returned with Zhu Rong. The backyard rested. In the past few days, the two of them read a lot of mountains, and it took a lot of energy to come up with so many elixir. It was really exhausting.

the other side!

Zhou Qin woke up in the backyard wing after resting for more than an hour.

Now that Zhongzhou City is at stake, how can it be possible to sleep in?

Thinking to herself, Zhou Qin walked out of the room, ready to go to the front hall to inquire about the movement of Beiying Camp.

Huhuhu….

After walking a few steps, I heard waves of breath fluctuations and the sound of silhouettes swiping in the garden not far away. Zhou Qin was suddenly curious and walked over slowly.

call!

When he arrived in the garden, Zhou Qin was stunned when he saw the scene in front of him, and his eyes were deeply attracted.

I saw that in the open space in the center of the garden, six slender figures intertwined with each other, and their movements were light and agile, like a fairy dancing, which was indescribably pleasing to the eye.

It is Bai Shengshui and Erqing six fairies.

That’s right, the six fairies are practicing a formation at this time, the Misty Seven Immortals Formation.

The Misty Seven Immortals Formation is the town-style formation of Fuyao Palace. It is never rumored that when the weather army attacked Donghai City, the Seven Fairies relied on the Misty Seven Immortals Formation to contain Xing Yao, which gave Yue Feng the opportunity to counterattack.

In the Misty Seven Immortals Formation, only the seven fairies unite can exert great power.

It was only ten years ago that after Hu Sanyang killed the three fairies, the seven fairies lost one, and the arrays they displayed were greatly reduced.

During the day, Yang Jian suddenly attacked Yue Feng. The situation was critical at the time. The Six Fairies wanted to help, but it was too late. Afterwards, Bai Shengshui proposed to study the Misty Seven Immortals Formation to see if he could make the formation without one person. the greatest power of the law.

If it is successful, then they will fight against the Beiying army again. If Yang Jian takes action against Yue Feng, the six sisters can also take action to help.

call!

Chapter 2219

Zhou Qin stood there, looking a little fascinated. The six palace masters of the Fuyao Palace displayed a formation that was not only beautiful, but also contained infinite power.

Swish!

At this moment, the six fairies found Zhou Qin, stopped immediately, and walked over.

“Zhou Qin?” The

little fairy Erqing said to Zhou Qin, “What are you doing here?”

Erqing has a kind heart, and various schools in Jianghu have great prejudice against Zhou Qin because of her previous actions. But he didn’t think much about it, and he trusted Yue Feng very much. Seeing that Yue Feng had forgiven Zhou Qin, he would have no opinion.

However, the five Bai Shengshui looked at Zhou Qin vigilantly.

“I…”

Zhou Qin smiled lightly, and said, “I saw the six palace masters practicing the formation here. I was curious, and I was fascinated. I’m sorry.

“

Hearing this, Er Qing asked curiously, “Can you see the changes in the formation?”

When she said this, Er Qing was very surprised. You must know that the Seven Immortals Formation has a myriad of changes, even if you understand a little bit of

formation. It’s hard for people who know the law to understand, but Zhou Qin, who is in front of him, is fascinated by it, which is really surprising.

Zhou Qin humbly shook her head: “Just understand a little bit, many things are half-understood.”

Zhou Qin didn’t lie, she practiced the Indestructible Sutra, since she can understand the Zhou Tianyishu in it, she can naturally read it. Some of the changes in the Misty Seven Immortals Formation are because the Misty Seven Immortals Formation was originally invented by the founder of Fuyao Palace, on the basis of Zhou Tianyishu.

call!

Erqing suddenly became excited and turned her head towards Bai Shengshui and said, “Great, eldest sister, aren’t we missing someone? Since Zhou Qin can understand, let her practice with us.

” Er Qing, her eyes were full of excitement.

For six people, it is too difficult to exert the maximum power of the Misty Seven Immortals Array.

call!

At this moment, Zhou Qin was extremely excited.

If you can practice the formation with the six fairies, and then fight against the Northern Ying army, you will be able to thank you for your strength.

However, Bai Shengshui frowned and pulled Er Qing back.

“Erqing! Don’t make a fool of yourself!” Bai Shengshui gave Erqing a helpless look and reproached.

When saying this, Bai Shengshui still looked at Zhou Qin on guard.

Yes, like other sects, Bai Shengshui doesn’t believe in Zhou Qin, but Yue Feng has already left her and there is nothing he can do, but in Bai Shengshui’s heart, he still has to keep a distance from Zhou Qin.

You know, Zhou Qin, a woman, has hurt a lot of people before.

Under such circumstances, how could it be possible for Zhou Qin to comprehend Fuyao Palace’s town formation together?

“Eldest sister…”

Er Qing's mind was pure, she didn't know what Bai Shengshui was thinking, and wanted to speak, but she held back when she saw Bai Shengshui's face.

"Zhou Qin!"

At this time, Bai Shengshui looked at Zhou Qin seriously and said softly, "The formation we practiced is a secret of the Swinging Palace, I hope you can avoid it."

Zhou Qin is a smart woman , How can I not understand the meaning of these words, nodded slightly with a smile: "I understand, I'll leave now, please excuse me!"

With that said, Zhou Qin was about to turn around and leave.

To be honest, if the previous Zhou Qin, Bai Shengshui's attitude would definitely arouse Zhou Qin's dissatisfaction, but now, Zhou Qin has decided to change the past and doesn't care about it anymore.

"Zhou Qin, stop for me!"

However, before taking two steps, he heard a loud shout from not far away, and then he saw Sun Dasheng approaching aggressively, followed by Wen Chou Chou.

Chapter 2220

Swish!

Seeing the two Sun Dashengs, Zhou Qin's delicate body trembled, and her originally calm heart suddenly became a little nervous.

Ten years ago, Zhou Qin killed Wen Chou Chou's beloved wife at the main altar of the Hall of Longevity. Although it has been so long, Zhou Qin feels guilty every time she thinks about it.

Seeing this scene, several Bai Shengshui slowly stepped aside and watched quietly.

The grievances between Sun Dasheng, Wen Chou Chou and Zhou Qin have long been spread in the arena, and the six fairies in the Swing Palace naturally know about it.

"Zhou Qin!"

When he got to the front, Sun Dasheng stared at Zhou Qin and roared, "I heard that you have changed your mind, and Fengzi has forgiven you, but some things can't be resolved with just a few words.

” Sun Dasheng said bitterly, “Brother Wen is not good at talking because of Fengzi’s face. Back then, you brutally murdered Brother Wen’s wife, how would you settle the account?”

Wen Chou Chou next to him didn’t speak, but looked at Zhou Qin with a stern expression. With a bit of hatred.

Speaking of which, Wen Chou Chou works steadily, but no one is perfect. When he thinks of the tragic death of his beloved wife, Wen Chou Chou is like a knife, and it is difficult to restrain his hatred for Zhou Qin.

Before, Sun Dasheng and Wen Chou Chou were in the room recovering from their injuries. They heard that Yue Feng had released Zhou Qin from the dungeon and chose to believe her. The three brothers had a good relationship. Wen Chou Chou and Sun Dasheng naturally supported Yue Feng’s decision. In the hearts of the two, the festival with Zhou Qin can’t be left alone.

Just now, knowing that Zhou Qin was in the garden, Sun Dasheng took Wen Chou Chou and came over to ask Zhou Qin for an explanation.

Although people cannot be resurrected from the dead, they cannot die in vain either.

“I…”

In the face of Sun Dasheng’s questioning, Zhou Qin bit his lip tightly and said softly: “Back then, I killed the palace master’s wife in a confused way. Now that I think about it, I feel very regretful. Don’t worry, I will definitely give you an explanation.”

Saying that, Zhou Qin looked at Wen Chou Chou and said seriously: “It’s just that the enemy is in front of us now, so let’s wait until the Beiying army is repulsed, and if we want to kill or cut, I, Zhou Qin, let the master of the palace handle it, how about it?”

Huo!

Hearing this, Wen Chou Chou frowned and did not respond.

“Haha…”

At this moment, Sun Dasheng sneered, looked at Zhou Qin and said, “Zhou Qin, you’re nice, how can the Beiying army be so easily defeated, if this war is fought for ten years, we will Let go of you for ten years?”

When he said this, Sun Dasheng’s eyes were full of hatred and anger.

To be honest, Sun Dasheng wished he could kill Zhou Qin now, but thinking of Yue Feng, he still held back.

This…

In the face of Sun Dasheng's pressing step by step, Zhou Qin's delicate body trembled faintly, and her delicate face was a little pale.

"Okay!"

Finally, after a few seconds, Zhou Qin reacted and looked at Wen Chou Chou and said, "If that's the case, then I have to apologise with my death, but please tell Yue Feng that I, Zhou Qin, can't help him resist Beiying. The army is over, and you must also persevere and never give up."

Qiang!

When the words fell, Zhou Qinyu raised his hand, clenched a long sword tightly, and stabbed it fiercely at his heart.

In Zhou Qin's heart, she has already begun to correct her evil, and she still has a long way to go in the future. She doesn't want to commit suicide at all, but she has no choice. It is a fact that she killed Wen Chou Chou's wife.

What?

Seeing this scene, Bai Shengshui and Er Qing next to them all trembled and were shocked.

Zhou Qin's personality is too stubborn, so she chose to commit suicide?

At the same time, Wen Chou Chou and Sun Da Sheng were also stunned, and they never thought that Zhou Qin would be so decisive.

Whoosh!

At this critical moment, Wen Chou Chou was the first to react, and with a wave of his hand, a powerful breath swept in and knocked off the long sword in Zhou Qin's hand.

Zhou Qin's delicate body trembled, she was shocked and took a few steps back, and her long sword was knocked to the ground.

"Palace Master Wen, you…" Zhou Qin stared blankly at Wen Chou Chou, very puzzled.

He wouldn't let himself kill himself, so would he do it himself?

The ultimate husband in Chinese chapter 2221-2230

Chapter 2221

Call!

At this moment, Wen Chou Chou took a deep breath, looked closely at Zhou Qin, and said complicatedly: “It seems that you really regretted it, that’s all, let’s end the grievances between you and me.”

Yes, seeing Zhou Qin again At the moment of suicide, Wen Chou Chou completely looked away. When will the grievances be reported, and besides, now that the enemy is now, leaving Zhou Qin can also be a little more powerful.

“Brother Wen?”

Sun Dasheng was so anxious that he shouted in confusion, “What are you doing? This woman is dead, why are you saving her?”

Sun Dasheng has a hot personality and is very honest. In his heart, Zhou Qin had to pay for killing her sister-in-law, but he never expected that Wen Chou Chou would save her at a critical moment.

Wen Chou Chou smiled lightly: “Da Sheng, calm down, let’s go back to the room, I will tell you well.” After

saying that, Wen Chou Chou took Sun Da Sheng away.

call!

Watching the two brothers leave the garden, Zhou Qin stayed there, unable to recover for a long time.

This article is ugly, worthy of being Yue Feng’s sworn eldest brother, with a generous heart, which is not comparable to ordinary people.

At the same time, Zhou Qin also secretly vowed that he must be a good person in the future.

“Zhou Qin!”

Just when Zhou Qin was thinking about this, Bai Shengshui came over and said slowly, “I was a little offended just now. Now I sincerely invite you to practice the formation with us, okay?”

Speaking of which, Bai Shengshui has always had a prejudice against Zhou Qin, but just now, seeing Zhou Qin apologize for committing suicide without hesitation, Bai Shengshui was instantly moved by her integrity.

This chapter is provided by . Visit for daily update.

At the same time, Bai Shengshui finally understood that Yue Feng was right, and Zhou Qin really repented.

“Is it okay?” Zhou Qin thought she had heard it wrong, and her delicate body trembled slightly.

This time, Er Qing and the others next to him all laughed.

Later, Er Qing came over and took Zhou Qin’s hand: “Our eldest sister has already said, how can we still have a fake? Come on, our Seven Immortals Formation is missing one person.”

Hmm!

Zhou Qin nodded, showing a smile, and then together with the six fairies, studied and practiced the Misty Seven Immortals Formation.

…..

On the other side, Tang Qingyun led the Tangjiabao disciples, as well as the masters of various sects, taking advantage of the night to leave quickly from the northeast of Zhongzhou City.

Whoa!

As a result, as soon as I arrived on the small road in the suburbs, I saw huge nets suddenly pop up on the ground. In the dust, many masters of various sects were too late to react, and they were covered all of a sudden, and then they were hanged one by one. Get up!

“Damn it!” Lingbao’s face changed: “There is an ambush here, everyone quickly pull out the weapons and cut the net.”

Shu Shu Shu ..

Hearing this, the trapped masters of various sects quickly pulled out Weapons, intend to cut off the big nets, but these big nets are actually made of cold iron and silk, which are extremely tough. Everyone tried several times, but they kept getting them.

Whoa!

Just when everyone was extremely anxious, suddenly, a fire lit up in the woods ahead!

hiss!

The masters of various sects looked at it subconsciously, and when they saw it, they couldn't help but take a breath of cold air.

I saw that not far away, tens of thousands of torches were lit up, and the person holding the torches was the elite team of the Northern Ying Army, Tian Yuqi.

The Tianyu Cavalry was a special team of the Northern Ying army. Every soldier was riding a big bird. It was powerful and mobile. In the previous resistance, it was the enemy team that caused the most headaches for all schools.

"Haha.."

Seeing the scene in front of him, the leader of Tian Yuqi was surprised and laughed loudly: "It was delivered to the door, come on, take them all."

Yes, these traps were specially ordered by Zhang Jiao a few days ago. It was deployed here when Yue Feng had not returned.

After careful consideration, Zhang Jiao decided that the masters of various sects could not resist, and those who would eventually evacuate should prepare traps and ambush here in advance. Later, Yue Feng led the army of Xi Cang to arrive and temporarily saved the situation. Zhang Jiao felt that these traps were useless. I ordered Tianyu Qi to evacuate tonight.

Chapter 2222

Just now, Tian Yuqi had just assembled and was about to start to evacuate, when he heard that the trap here was triggered. This is simply an unexpected joy for the leader of Tianyuqi. You know, it is a big credit to capture the people of all sects in the Earth Circle Continent.

wow.

As soon as the order came down, all the soldiers and soldiers of the Tianyu Rider broke out and swarmed.

Each sect did not have time to think about it, and hurriedly responded to the enemy.

"Ah…"

For a while, the sound of fighting and the collision of weapons echoed in the night sky in the suburbs.

After just half an hour, all the masters of various sects were arrested. After all, most of the masters were covered by the big net, and the remaining small part was too different from the number of Tianyu Riders, and they were not opponents at all.

A few minutes later, Tian Yu rode with the masters of various sects and returned to the camp in a mighty manner.

At this moment, Beiying camp.

In the cell to the west, Ren Yingying stood in front of the cell door, her beautiful and tired face couldn't hide her excitement and excitement.

The others who were arrested were also delighted.

Just now, Ren Yingying and the others learned that Yue Feng led the Xi Cang army to the rescue and temporarily succeeded in keeping Zhongzhou City. How could they be unhappy with such great news?

However, in the cell next to Ren Yingying, a figure was sitting in the corner, his face neither happy nor angry, very calm.

It was Yue Wuya.

"Ya'er!"

Feeling Yue Wuya's quietness, Ren Yingying smiled across the prison door, "Did you hear that? Your father, Yue Feng, led the Xi Cang army to the rescue. With him, not only the Earth and the Continent will be saved. Now, we will be rescued soon, why are you not happy at all?"

"What's there to be happy about?" Yue Wuya said angrily: "He is him, I am me, and I don't need him to save me."

Yue Wuya hated Yue Feng for a long time, not a day or two. is eliminated.

Uh…

Hearing this, Ren Yingying was very embarrassed, and said softly: "Y'er, don't be like this, after all, he is also your biological father…"

However, she was interrupted by Yue Wuya before she finished speaking. .

"Auntie, stop talking." Yue Wuya looked impatient, then frowned and asked: "By the way, Auntie, I'm asking you, are you and Yue Feng together?

" Happy to be together for sure.

Swish!

Ren Yingying blushed pretty, but still replied in a low voice: “Well, he and I… have already made a lifelong decision…”

Although Ren Yingying is outgoing, it is a matter of affection after all, say it , still a little embarrassed.

What?

At this moment, Yue Wuya’s heart was shocked, and his heart was so complicated that it was difficult to accept this fact.

A few seconds later, Yue Wuya reacted and shouted at Ren Yingying, “Why? Why do you want to be with this kind of person? What’s good about Yue Feng’s lack of affection?”

His mother was mistaken by Yue Feng. For a lifetime, and now, his aunt, whom he respects, even followed him.

“Y’er, don’t do this.” Ren Yingying frowned, her tone extremely serious, and she said word by word, “I know, you hate Yue Feng, for so many years, he didn’t care about your mother and son, but that’s for a reason. Well, having said that, your father is indeed a role model for you to learn from. He is the sect master of Tianmen, the emperor of Xi Cang, the hero of the Earth Circle, and now he is leading the army to resist Yang Jian for the sake of the people of the world. Are these not worthy of your respect? ?”

Saying that, Ren Yingying’s eyes softened: “Y’er, no matter how you look at him, in my heart, he is a real man who stands upright, so in front of me, you must not disrespect him, understand?”

“I… .”

Feeling the seriousness in Ren Yingying’s tone, Yue Wuya opened his mouth and was speechless for a while.

In Yue Wuya’s impression, Auntie was beautiful and smart. She used to be an honorable Princess Tianqi. She was not afraid of heaven and earth, and there was no man who could be attracted to her.

Most importantly, when Yue Wuya was very young, she received a lot of help from Ren Yingying, so Yue Wuya always respected her.

However, such a near-perfect goddess fell in love with Yue Feng, and even blamed herself for him.

For a while, Yue Wuya was a little unconvinced, but in front of Ren Yingying, he did not dare to attack.

Whoa!

At this moment, the door of the cell was suddenly pushed open, and then, dozens of soldiers walked in quickly, holding long knives, and their expressions were stern.

Chapter 2223

Call!

Seeing this scene, Ren Yingying's delicate body trembled, and her heart suddenly panicked.

It's broken, wouldn't it be because of Yue Feng's rescue that Yang Jian became angry and wanted to kill his captives to vent his anger?

"Bring them all out!"

At this moment, the leader of the soldiers said coldly: "Let these prisoners see how our Northern Ying army broke through Zhongzhou today

.

" After falling, Ren Yingying and Yue Wuya were all taken out of the cell and taken to a hillside in the suburbs.

call!

Arriving at the place, Ren Yingying's body trembled when she saw the scene in front of her, and she was stunned.

I saw that on the entire hillside, the masters of the major sects were blocked one by one, and they were tied there. There were tens of thousands of people. Except for the Ouyang family, all the masters of the sects in the rivers and lakes were arrested.

"You…" After a few seconds, Ren Yingying reacted and couldn't help but ask: "Why is this? Didn't Yue Feng lead the Xi Cang

army to rescue? Why are you all arrested?"

The sect masters bowed their heads in shame, all silent.

"Alas!"

Finally, Spirit Treasure Master sighed and said ashamedly, “It’s all our fault.” After speaking, he told what happened.

This…

Hearing this, Ren Yingying frowned, and her delicate face showed a bit of helplessness: “You are all confused, since you have elected Yue Feng as the leader of the alliance, why can’t you trust his judgment?”

Saying that, Ren Yingying analyzed: “Compared to you, Yue Feng and Zhou Qin have known each other for the longest time, so naturally they know her. Whether Zhou Qin really repents, of course Yue Feng knows, but you are at a critical moment. Abandoned Yue Feng and was arrested now, isn’t this adding to the chaos?”

Ren Yingying Bingxue is smart and thoughtful, although she was not present at the time, she could guess the situation at the time, and her analysis was accurate.

call!

Hearing Ren Yingying’s words, Master Lingbao and many of the surrounding sect powerhouses were extremely ashamed.

“Miss Yingying.” Tang Qingyun was very dissatisfied, and said: “You think too simple, that woman Zhou Qin is deceitful, we…” Before he could

finish speaking, he was beaten by a drum of war. broken.

Boom! Boom! Boom!

I saw that with the sound of the drums, the Beiying army lined up in a neat square formation and quickly approached Ouyang’s mansion.

Seeing this scene, whether it was Ren Yingying or the people of Lingbao, their hearts hung up, and they couldn’t help worrying about Yue Feng and the Ouyang family.

Without the help of various sects, could Yue Feng be able to stop the Northern Ying army?

Yes, Yang Jian was very happy to learn that the various sects were arrested, and immediately ordered to attack.

In Yang Jian’s heart, all sects were arrested, and the combat effectiveness of the Earth Circle Continent was greatly weakened, which was a good opportunity to attack.

At this moment.

The Ouyang family is here.

The Beiying army suddenly attacked, and everyone was a little flustered, but Yue Feng was unusually calm, and quickly summoned the Xicang army to meet the enemy.

A few minutes later.

The armies of the two sides were facing each other from a distance, and the night sky of Zhongzhou City was filled with a chilling air.

In midair, Yang Jian hovered proudly, with a powerful aura permeating his body.

“Yue Feng!”

At this time, Yang Jian’s eyes locked on Yue Feng, and he said coldly: “All the sects have abandoned you, even if you have hundreds of thousands of Xicang army, you are not my opponent, don’t insist anymore, Give it up.” The

voice was as loud as a bell, spreading throughout Zhongzhou City, and everyone was shocked.

As expected of Mr. Erlang, he is too strong.

Chapter 2224

Speaking, Yang Jian pointed to the suburban hillside, with a smug smile on his face: “Look, you fellows in the rivers and lakes have all been caught by me, why are you fighting against me?”

What?

At this moment, seeing the masters of various sects tied there, Yue Feng’s heart was shocked, and he was stunned.

At the same time, Jiang Shan, Zhou Qin, Sun Dasheng, and everyone in the Ouyang family also changed their expressions, feeling angry and helpless.

These sects usually claim to be famous and authentic, but they always lose their chains at critical moments, and they are all caught by Yang Jian.

Now, the Earth Circle Continent is passive.

“Haha…”

Finally, Yue Feng reacted and laughed loudly in the sky: “Yang Jian, the battle has not yet reached the last moment, it is uncertain who wins or loses, how do you know that I can’t hold on?

” At that time, Yue Feng glanced at the masters of various sects on the hillside in the suburbs, and his expression returned to calm.

Yue Feng knew that Yang Jian deliberately brought out the masters of various sects in order to put pressure on himself, so he naturally had to calm down and not be fooled.

“It’s too much.”

Yang Jian’s face suddenly turned cold, and he spit out four words coldly.

Um?

The next second, seeing the situation behind Yue Feng, Yang Jian was stunned and frowned at the same time.

At this time, Yang Jian could clearly see that behind Yue Feng, not only Zhu Rong and Shen Nong, but also the people who were injured before, are almost recovering at this time. You must know that in the previous fierce battle, the Ouyang family suffered heavy casualties. .

Not only that, many soldiers of the Xi Cang army have also recovered from their injuries.

Swish.

At this moment, Yang Jian stared at Shennong closely, flashing with anger.

Don’t think about it, the injuries of these people on the other side can heal so quickly, all because of Shennong. After all, Shennong’s medical skills are the best in the world, and he is known as the ancestor of medicine.

“The whole army obeys the order!” In the

next second, Yang Jian waved his hand and issued an order coldly: “Attack, not a single one.”

Yang Jian originally thought that after capturing Zhongzhou City, he would have to capture Yue Feng alive, but when the time came, Shen Nong and Zhu Rong, both helping Yue Feng, changed their minds immediately.

“Kill!” The

order was issued, and the Beiying army let out a thunderous howl, rushing towards it.

call!

Seeing this scene, Yue Feng took a deep breath, and his figure jumped up in the air and shouted: “Everyone obeys the order and prepares to meet the enemy.”

Hu La!

As soon as the voice fell, the Ouyang family and the Xi Cang army responded in unison, and the momentum was overwhelming, and they greeted them like a tide.

In the blink of an eye, the two sides collided head-on, and a fierce fight broke out.

“Yue Feng!”

At this moment, Zhang Jiao leaped into the sky, looked at Yue Feng closely, and mocked: “Without the help of various sects, you have already fallen behind, and in the previous fight, the old man has already made your formation. The number of paths is clear, what else are you fighting me for?” The

voice fell, and Zhang Jiao commanded loudly at the Beiying army: “The middle remains unchanged, the left wing moves forward a hundred steps, and the right wing retreats ten steps, Contain the enemy in front of you…”

As a former leader of the Yellow Turbans, Zhang Jiao was considered the hero of his life. In the previous battles against Yue Feng, he had already analyzed the number of Yue Feng’s paths.

At this time, Zhang Jiao lined up again, believing that he could defeat the opponent in one fell swoop.

“Yes?”

Chapter 2225

Watching the rapid changes in the formation of the Beiying army, Yue Feng smiled slightly, not panicking at all.

At this time, Zhou Qin walked over quickly, closely watching the formation of the Beiying army, and analyzed it to Yue Feng, and finally said: “The tens of thousands of soldiers among the enemy’s army seem to have the strongest defense, but they are actually weak points. “

“Understood!”

Hearing this, Yue Feng nodded and commanded loudly: “Everyone obey the order, concentrate on attacking the enemy in the middle of the opponent.”

Hu La.

When the voice fell, whether it was the Ouyang family or the Xi Cang army, they quickly gathered together like a sharp sword. In the blink of an eye, the seemingly flawless Beiying army was cut into two parts, and the left and right were disconnected.

What?

Seeing this scene, Zhang Jiao's body trembled and he was shocked.

This is impossible.

How could Yue Feng know the weakness in his formation? You must know that every time you set up your formation, it is based on Zhou Tianyishu, and Zhoutianyishu is very profound and difficult to understand, it has long been lost, and there are very few people in the world who understand it.

Whoa!

On the hillside in the suburbs, Ren Yingying and the masters of various sects were extremely excited.

Great, the disparity between the strengths of the two sides is so great, and they can still have an advantage. It seems that there is hope to keep Zhongzhou City.

At the same time, many sect masters looked at Zhou Qin's figure from a distance, and they were also extremely ashamed.

It turns out that she didn't lie before, she really has a way to help Yue Feng, but these people have always suspected her and slandered her…

"It's you!"

At this moment, Zhang Jiao reacted and saw Zhou Qin at the same time, his eyes were instantly blood red: "You hateful girl, in the underground secret room of Lv Bu's ancient tomb, cheated on my practice, and even killed the old man to silence him. , Now, you still dare to appear in front of this old man?"

"The old man killed you!" As the

voice fell, Zhang Jiao's inner strength exploded, and the whole body was filled with a violent aura, fast as lightning, coming directly to Zhou Qin.

Zhang Jiao is a person who will pay revenge. He was plotted by Zhou Qin before, and this matter has always been in his heart. Now that he sees her, he is instantly furious.

Speaking of which, Zhang Jiao, as a military division, shoulders the heavy responsibility of commanding the entire army, and cannot take action without authorization, but Zhang Jiao was swept away by anger at this time, completely lost his mind, and just wanted to kill Zhou Qin immediately.

Swish!

Seeing Zhang Jiao burst out, Zhou Qin's delicate body trembled.

"I'll help you!"

Seeing this scene, Yue Feng didn't have time to think about it, and immediately after, the two quickly met Zhang Jiao and fought fiercely in mid-air.

call!

Seeing this scene, many people in the Earth Circle Continent below were extremely excited.

Yue Feng and Zhou Qin, one is the former leader of the alliance and the other is the current leader of the alliance. They are both top-level existences in the Earth Circle Continent. Together, the two may defeat Zhang Jiao, who has severely injured Zhang Jiao. The strategist is the core figure. If he is severely injured, the morale of the Beiying army will plummet.

"Coach!"

Yang Jian frowned, his heart was secretly anxious, he couldn't help but shouted: "Don't be reckless, come back quickly!"

At this time, Yang Jian was very helpless. The heavy responsibility, but now being carried away by personal grievances, it really shouldn't be.

However, Zhang Jiao's mind was completely filled with anger at this time, and he didn't hear Yang Jian's words at all.

In the blink of an eye, a few minutes passed, and Zhang Jiao was still unable to kill Zhou Qin. Speaking of which, Zhang Jiao was much stronger than Zhou Qin, but with Yue Feng helping Zhou Qin, it was another matter.

Every time Zhang Jiao makes a shot, he can seriously damage Zhou Qin, but Yue Feng always helps Zhou Qin resolve the crisis at a critical time.

This made Zhang Jiao very annoyed.

The ultimate husband in Chinese chapter 2226-2230

Chapter 2226

Yang Jian, who is not far away, is also in a hurry. He really wants to come and help, but he is afraid of Yue Feng's Linglong Pagoda. In the previous battle, Yang Jian was besieged by Youyan and others in Linglong Pagoda. Although Yang Jian was not injured, he It also consumes a lot of energy.

Moreover, Yang Jian is extremely conceited. He has been criticized by many people for his sudden attack on Yue Feng before. If he takes another shot, the news will spread all over the continent of Kyushu and will be ridiculed by people all over the world.

"Ah…" The

enemy was clearly in front of him, but he couldn't kill him. Zhang Jiao's anger rose up, Yangtian roared, and then he stared at Yue Feng: "Boy, you'd better not fall into my hands, Otherwise, I will let you live and die."

"Haha…"

Feeling Zhang Jiao's resentment, Zhang Jiao didn't panic at all, and chuckled lightly: "Take care of yourself first."

Bang!

At this moment, Zhou Qin took the opportunity to turn around and slapped Zhang Jiao on the back of the heart. Zhang Jiao's attention was all on Yue Feng at this time, and he couldn't react at all. Zhenfei flew out, flew more than ten meters, and landed heavily on the ground. After landing, a mouthful of fresh blood spurted out.

Swish!

Zhang Jiao's face was horrified, staring at Zhou Qin, almost fainting from anger. He wanted to kill this woman today to avenge the previous plot, but he didn't expect that instead of killing her, she was injured by her. , and was watched by so many people.

What a shame!

Zhang Jiao has always been conceited, but at this time, in front of so many people, he was injured by Zhou Qin and lost all face. How can he not be angry?

"senior."

Zhou Qin was suspended there, facing Zhang Jiao's hateful eyes, very calm, and said softly: "I'm sorry, it was my fault that I plotted against you in the secret room under the ancient tomb before, I should have asked you to sin… but now You help the Northern Ying army to invade my homeland, I can't tolerate it."

“You…,…”

This chapter is provided by . Visit for daily update.

Hearing this, Zhang Jiao’s face was extremely ugly, but he had no words to refute.

Whoosh!

Yang Jian moved his figure and quickly approached Zhang Jiao, worried: “Master, are you all right?”

Zhang Jiao shook his head, indicating that he was fine, although Zhou Qin’s palm was very strong just now, but it was not enough to seriously damage Zhang Jiao.

“Everyone obeys the order.”

At this moment, Yue Feng was in mid-air, and ordered everyone: “Restore the formation immediately, the first 50,000 people will advance a hundred steps, the left 50,000 people will stay still, the right… “

Yes, Yue Feng is preparing to counterattack, and Zhang Jiao is injured and unable to command the battle, which is a good opportunity to counterattack.

“Kill!”

After receiving the order, the Ouyang family and the Xi Cang army immediately regrouped, made a loud scream of killing, and rushed towards the Beiying army.

Without Zhang Jiao’s command, the Beiying army suddenly panicked, and many soldiers were damaged in the blink of an eye.

“Counselor.”

Seeing this situation, Yang Jian’s face was extremely ugly, shocked and angry, and then he asked Zhang Jiao: “What should I do? Are you going to fight?”

At this time, Yang Jian could clearly see that Zhang Jiao’s face was pale and his breath was weak. Although it is not life-threatening, it is impossible to take command. But he used his soldiers like a god, so he still had to ask for instructions.

“No!”

Zhang Jiao shook his head lightly and said weakly: “Let’s withdraw first, Your Majesty, I was too impulsive today and lost the opportunity, but we still have a chance.”

Speaking of which, if the two armies fought recklessly face to face, the Beiying army would occupy the absolute upper hand. Advantages, but Yue Feng has extremely high attainments in the art of war. When the time comes, he will definitely deploy formations and resist desperately. In this case, even if the Northern Ying army successfully occupied Zhongzhou, it will definitely suffer heavy damage.

This is not the result Zhang Jiao wants to see.

While saying this, Zhang Jiao glanced at Yue Feng in the air not far away, with deep resentment in his eyes.

It's all this kid, otherwise, he would have killed Zhou Qin long ago, and he would not have been injured by her, nor would he have lost the advantage of leading the battlefield.

Chapter 2227

Bang!

Hearing this, Yang Jian slammed his fist on the ground, then lifted his dantian, and issued an order to the Beiying army: "All troops obey the order, withdraw!"

With that, Yang Jian took Zhang Jiao to the direction of the camp. go.

Hula la…

The Northern Ying army is well-trained, and upon hearing the order to withdraw troops, they retreated without hesitation, and they retreated cleanly in the blink of an eye.

Whoa!

In an instant, whether it was the captured Ren Yingying crowd on the hillside in the suburbs, or the Ouyang family and the Xi Cang army, cheers erupted.

Winning, at this disadvantage, the Earth Circle Continent has won again.

In the cheers, Ren Yingying and the masters of various sects, under the escort of Beiying soldiers, were again imprisoned in the large barracks.

call!

Yue Feng was suspended in the air, listening to the cheers around him, but there was not the slightest excitement or excitement on his face. Especially seeing Ren Yingying and the masters of various sects still in the hands of Yang Jian, I felt even more uncomfortable.

To be honest, at this moment, Yue Feng really wanted to take advantage of the situation to chase and rescue Ren Yingying, but after thinking about it carefully, he restrained the urge.

Because Yue Feng is aware of the current situation, it seems that the continent has won two consecutive victories. In fact, they all have a lot of luck. Moreover, Zhongzhou has been able to survive until now, all because of proper defense. In other words, Zhongzhou It has always been on the basis of defense, fighting this war, after all, the strength of the two sides is disparate.

If they pursued the attack now, it would be equivalent to switching from defense to attack, and the Earth Circle Continent would give up its only advantage, and it would be impossible to win. At that time, I am afraid that Ren Yingying and everyone will be wiped out if they are not rescued.

In Yue Feng's heart, the safety of Ren Yingying and the various sects is of course important, but the safety of Zhongzhou City, and even the entire Diyuan Continent, is even more important.

Therefore, Yue Feng did not dare to take this risk.

A few minutes later.

In the hall of Ouyang's mansion, Yue Feng called everyone together to discuss how to deal with the next attack of the Northern Ying army.

Everyone sat there in silence. After a short period of excitement, everyone regained their composure and realized the seriousness of the situation.

Yang Jian and Jairui must report, the military advisor was injured, how could he just let it go? I'm afraid that there will be crazy revenge in the future. More importantly, Ren Yingying and various sects are still in the hands of Yang Jian.

Therefore, today the battle was won, but the situation was not optimistic at all, but even more severe.

At this moment, Yue Feng was sitting there, staring at the map of Zhongzhou City, his brows furrowed, and he also had a headache.

To be honest, the urban area of Zhongzhou City is too big. There are dozens of main streets alone. It is difficult to fully defend against the Ouyang family and the Xi Cang army alone.

For a while, the entire hall was silent, and the atmosphere was extremely depressing and heavy.

“Hi!”

At this moment, Sun Dasheng patted the table, stood up, looked around, and said loudly, “Why are you all downcast? If you really can’t think of a good way, then you will fight with them. …”

Phew!

Hearing this, everyone shook their heads and smiled bitterly.

Yue Feng couldn’t help laughing and laughing. After so many years, the hot personality of the Great Sage has not changed at all.

“Great Saint!”

Wen Chou Chou couldn’t help but smiled, and said to Sun Dasheng: “You calm down first, say less, if we can fight recklessly, we have already done it, can we wait until now?”

“Report!”

As he said, A disciple of the Ouyang family rushed in in a hurry and respectfully said to Yue Feng: “Master, the Beiying army has sent an envoy to see you.”

When he said this, the disciple was sweating profusely and was very nervous. look.

Chapter 2228

What?

Hearing this, everyone in the hall frowned secretly.

Yang Jian sent an envoy here? What do you want to do?

Soon, Yue Feng reacted and signaled the disciple not to be nervous, and said lightly: “Where is the person?”

“Just outside!” The disciple quickly responded.

Yue Feng nodded and waved his hand: “Bring it in.” Over the years, Yue Feng has experienced a lot, and he has achieved a state of calmness.

At this time, Yue Feng had to see what the hell Yang Jian sent people to do.

The disciple responded and walked out quickly.

After more than ten seconds, the disciple came back, with a slender figure behind him, a delicate face, and a long aqua blue dress, which could not hide his sexy curves. ‘s atmosphere.

It is Gonggong.

Swish!

In an instant, the eyes of everyone in the hall were focused on Gong Gong, and they were deeply alert, and at the same time, they were all muttering secretly.

Water God Gonggong?

The person sent by Yang Jian turned out to be her.

Gonggong is Yang Jian’s most effective subordinate, and he is very powerful. In the previous siege, many sect masters died at her hands. When they saw her at this time, everyone was furious.

At this moment, Yue Feng was also stunned, and he never thought that the person who came would be Gonggong.

But I have to say that Gonggong is worthy of being called a water god by the world. With her peerless face, sexy figure, and her aloof temperament, no man can calm down when he sees it.

In the face of the hostile eyes of everyone, Gonggong was very calm and calm, and walked straight.

When they reached the center of the hall, Gonggong first looked around, then looked at Yue Feng closely, and said with a smile: “Yue Feng, don’t look at me like this, I didn’t come to fight with you, but to fight with you. Your Majesty specially asked me to send a message!”

When he said this, Gong Gong smiled, and his whole body filled with arrogance.

Send a message?

Yue Feng frowned and said with a chuckle, “Go ahead.”

“Yue Feng, you know the current situation very well.” Gong Gong looked calm and talked freely: “The Beiying army is powerful in the world, you are not at all. Opponent, even if you are lucky enough to win two battles, how long can you last? Three days? Or ten days? ” After

speaking, Gonggong became serious and continued: “Speaking of which, you injured your military advisor just now, Your Majesty. I am very angry, but Your Majesty has a generous heart and does not care about these. At the same time, considering the safety of the people in the Diyuan Continent, Your Majesty has decided to give you one more chance. As long as you sign on this, Zhongzhou City and even the Diyuan Continent can be exempted from one more chance. A catastrophe.” The

voice fell, Gong Gong took out a delicate tablet, waved it gently, and threw it on the table in front of Yue Feng.

Swish.

Everyone’s eyes suddenly converged on the booklet.

Yue Feng also looked over subconsciously, and when he saw it, he was shocked. I saw three blood-red words written on the beautiful tablet: Surrender!

Nima!

At this moment, Yue Feng was calm on the surface, but a huge wave surged in his heart.

This Yang Jian really knows how to pick the time. When he and others were feeling pressure, he deliberately asked Gonggong to persuade him to surrender. It seems that it was Zhang Jiao’s suggestion.

Yes, after withdrawing the troops just now, the more Yang Jian thought about it, the more he wanted to raze Zhongzhou to the ground and kill everyone in Yue Feng, but Zhang Jiao persuaded him in time.

Chapter 2229

Zhang Jiao is very clever. After being seriously injured by Zhou Qin, he was very angry, but after calming down, he carefully analyzed the situation in front of him and decided to ask Yang Jian to send someone to persuade him to surrender. The two sides have been at a stalemate in Zhongzhou for more than ten days. On the Diyuan Continent side, it seems to be very tenacious, but it is actually a dead end. At this time, persuaded to surrender, someone must be shaken.

Whoa!

At this moment, the whole hall exploded, and everyone was furious.

“Gonggong!”

Sun Dasheng had a fiery personality, and the first one couldn't help it and shouted angrily at Gonggong: "Take this piece of paper, get out of here, go back and tell Yang Jian, even if there is only one person left in our Diyuan Continent, I will never surrender."

As soon as these words came out, many people responded.

"Yes, I would rather die than surrender."

"Yes, in our round continent, there are no people who are greedy for life and fear of death."

"Get out of here."

Everyone shouted angrily. His fists clenched tightly, his delicate body trembling faintly.

Gonggong has a cold and arrogant temperament, and is even called the existence of the water god by the world. Anyone who sees it will stay away, but now, he is being insulted by so many people, how can he bear it?

However, thinking of the mission given by Yang Jian, Gonggong finally suppressed his anger.

In the next second, Gonggong ignored everyone's shouting, looked at Yue Feng closely, and said, "Yue Feng, the person who knows the current affairs is Junjie, even if you have Zhou Qin's help, you can break the military division's formation, However, the strength of your troops is too large compared to the Northern Ying army. You were lucky enough to win once or twice. It is impossible for you to win all the time. If you continue to resist, your majesty will be completely angered. At that time, it will be the innocent people who will suffer. Moreover, Many members of your Ouyang family, as well as masters of various sects, are in our hands, do you have the heart to see them all die?"

After speaking, Gonggong eased his tone and continued to persuade: "Before you came, Your Majesty said that as long as you sign the surrender letter and promise to surrender, His Majesty will not only let everyone go, but will also make you the king of the Earth Circle. Let you manage the Diyuan Continent. Yue Feng, the conditions offered by Your Majesty are already very generous, I hope you can consider it carefully."

"Yue Feng, the future of the entire Diyuan Continent is just in your mind, I know you are Smart people will make the right choice!"

After saying this, Gong Gong quietly watched Yue Feng's reaction with a relaxed expression.

Yue Feng did not speak, his brows furrowed slightly, and he pondered secretly.

call!

At this moment, the hall was also silent, and everyone's eyes were focused on Yue Feng.

"Okay!"

I don't know how long it took, Yue Feng reacted, took a deep breath, looked at Gong Gong and said, "I'll sign!"

When he said this, Yue Feng's eyes flickered. with some deep meaning.

What?

At this moment, everyone present was shocked and looked at Yue Feng in disbelief.

"Fengzi!"

Sun Dasheng was the first to hold back, stood up and shouted at Yue Feng: "Are you crazy? We persisted for so long, and at what cost we did not let Zhongzhou fall, why did you give up? Could it be that the people before have all died in vain?"

Sun Dasheng became more and more excited, his eyes were red: "When the weather army attacked, how did we resist? Did you forget? And you founded Tianmen Have you forgotten the original intention? You tell me, tell me…"

In the roar of Sun Dasheng, everyone around was extremely excited and looked at Yue Feng closely.

"Great Saint!"

At this moment, Wen Chou Chou pulled Sun Dasheng and said in a low voice, "Don't get excited first, let's see what Feng Zi has to say."

Wen Chou Chou has a calm and thoughtful personality. Knowing that Yue Feng could not surrender so easily, he agreed at this time. Gonggong, there must be other reasons.

Yes, Yue Feng is pretending to agree to Gonggong, not really wanting to surrender at all.

Chapter 2230

Call!

Hearing Wen Chou Chou's consolation, Sun Dasheng took a deep breath and sat down again.

“Gonggong!”

At this moment, Yue Feng looked at Gonggong and smiled: “I can sign, but I have one condition.”

“What conditions? Straightforwardly.” Gonggong responded without thinking.

When he said this, Gonggong felt very comfortable. As long as Yue Feng agreed to surrender, he would have completed his mission, and then he would have made a great contribution in front of Yang Jian.

Yue Feng stood up slowly, looked at Gonggong and said word by word, “I want you to immediately release my family and the various sects. As long as they come back safely, I will sign it immediately.”

Yes, the reason why Yue Feng Pretending to agree is because he is worried about the safety of Ren Yingying and the various sects, otherwise, he would have refused decisively.

puff!

Hearing this, Gonggong was stunned for a moment, then he couldn’t help laughing softly, looking at Yue Feng playfully: “Yue Feng, do you think I am a child? If you go back on your word after releasing those prisoners, I will Isn’t the gain more than the loss?”

Saying that, Gonggong shook his head firmly: “It is impossible for us to release the captives in advance until you sign, so you should change the terms.”

“Okay!”

Yue Feng looked disappointed, then smiled bitterly. : “Since this is the case, I will not force it. In this case, you will take me to the large barracks and let me see them. As long as I make sure they are all right, I can rest assured. Is this okay?”

When saying this , Yue Feng’s face was sincere, but his eyes flashed with cunning.

Yes, Yue Feng’s purpose is to enter the prison and meet with Ren Yingying and everyone. He said just now that Yang Jian will let them go, just to try. It never occurred to me that Gonggong would agree.

This….

Hearing this, Gong Gong bit his lip lightly and hesitated.

This condition is not difficult, but Yue Feng is very cunning, will he secretly play some conspiracy?

“Gonggong!”

Seeing Gonggong’s hesitation, Yue Feng said with a smile: “You Beiying camp is heavily guarded, are you afraid that I will save everyone? Besides, I’m just going in alone to see if they are. It’s not safe and sound, so that I can sign with confidence.” The

words were so sincere that they couldn’t be refuted.

“Okay!” Gong Gong had no choice but to nod and agree. This condition is in line with common sense, and it is impossible to refuse. And this kind of trivial matter, you can call the shots yourself, and you don’t need to report to Yang Jian.

Um!

Seeing her promise, Yue Feng was very excited, but he was calm on the surface. He nodded and said with a smile, “Please avoid it first, I’ll arrange it, and then we’ll go back to the camp together.”

Gonggong looked around and responded. He left the hall and went outside to wait.

Gong Gong saw the angry scene of Sun Dasheng and everyone just now, and understood that Yue Feng wanted to persuade them, so it was naturally inconvenient to be present.

Whoa!

As soon as the forefoot left, everyone in the hall suddenly gathered around, looking at Yue Feng puzzled and asking.

“Master, what are you going to do?”

“Yeah, Fengzi, what do you think?”

“Feng’er, do you have a solution?”

For a while, whether it was Jiang Shan, Wen Chou Chou, or the Seven Fairies, Are extremely curious.

Yue Feng smiled, signalling everyone to be quiet, and said with a wry smile: “In this situation, what can I do? I can only minimize casualties.”

After speaking, Yue Feng looked around and continued seriously: ” I have decided to temporarily abandon the Zhongzhou area, and we will move to the Valley of the Villains

in the northern suburbs to redeploy our defenses, where the environment is complicated, and we can still stand in a stalemate with the Northern Ying army for a period of time by virtue of the natural danger.”

The ultimate husband in Chinese chapter 2231-2240

Chapter 2231

Before Gonggong didn't come, Yue Feng carefully studied the map of Zhongzhou City and had a new plan in his heart. Temporarily abandon the urban area of Zhongzhou City and retreat to the Valley of the Villains on the outskirts of the north.

After all, the strength of the two sides is very different, and if they continue to consume like this, Yue Feng will become more and more passive.

The Valley of the Wicked Men mentioned by Yue Feng is the place where the ten heavenly kings in Tianmen are entrenched. At that time, Yue Feng had just founded Tianmen and learned that there was a group of people in the suburbs of Zhongzhou City, occupying the mountains as their kings and causing harm to the people nearby. The leader is called the Evil Boss. , and the other nine brothers, known as the top ten villains, Yue Feng ordered Tianmen to secretly exterminate him, subdued the ten villains, and changed his name to the top ten heavenly kings.

More than ten years have passed since this incident, but Yue Feng still remembers it clearly. Back then, the valley of the villains, where the Ten Heavenly Kings were entrenched, was difficult to defend and difficult to attack. Attack other cities smoothly.

After thinking about this plan, Yue Feng was thinking about how to implement it, so as to avoid the eyes and ears of the Beiying army. After all, so many people were evacuating the city, the goal was too big and it was easy to be discovered.

It happened that Gonggong came to persuade him to surrender, which gave Yue Feng a chance.

Yue Feng thought about it, he and Gonggong went to the Beiying camp to visit Ren Yingying and the masters of various schools. At that time, the attention of the Beiying army would be on himself, and the Ouyang family and the Xicang army would have time here. , deployed defenses in the Valley of the Wicked.

At the end, Yue Feng looked at the night sky outside and said with emotion: "Senior Guigu told me back then that when marching and fighting, one must be flexible in thinking, and must not be imprisoned by inherent concepts, I now understand it. Some, we stick to the urban area, the advantages are exhausted a little bit, it is better to change the place."

When saying this, the figure of Guiguzi appeared in Yue Feng's mind, and he sighed secretly.

It would be great if Senior Guigu was around.

call!

After listening to Yue Feng's plan, everyone suddenly realized and smiled.

"Haha…"

At this moment, Sun Dasheng laughed loudly and punched Yue Feng's shoulder: "I knew, Fengzi, your righteousness is thin, how could you be greedy for life and fear death and surrender to Yang Jian?"

Yue Feng rubbed it. He shouldered and said with a smile, "Is there any need to say that? By the way, I thought the Gonggong would be suspicious, but the Great Sage questioned me angrily at the time, and the Gonggong had no doubts when he saw that scene, haha. .."

This chapter is provided by . Visit for daily update.

"I…"

Sun Dasheng scratched his head, and said embarrassedly: "I was in a hurry at the time? According to this, I did the right thing by mistake?"

Haha…

As soon as these words came out, the hall Everyone laughed, and the originally depressing atmosphere was now a lot more relaxed.

"Fengzi!"

At this moment, Wen Chouchou looked worried and looked at Yue Feng and said, "Fengzi, is it really okay for you to go to Beiying Camp alone? Do you want me and the Great Sage to accompany you?"

At this time, Wen Chou Chou was very worried that something would happen to Yue Feng alone. After all, the Northern Ying army was tyrannical and even more sinister than Longtan Tiger Cave.

Yue Feng shook his head and said with a smile: "It's fine, I'm better by myself, but it's not enough if there are too many people. You don't have to worry about me, just follow the plan I said and deploy the fortifications in the Valley of the Wicked as soon as possible.

" !

Everyone responded, and then quickly walked out of the hall, and began to move quietly.

Watching everyone leave, Yue Feng did not hesitate, walked out of the hall quickly, and joined Gonggong outside the gate.

“Awaited!”

Outside the gate, Yue Feng apologized to Gonggong: “I have already made arrangements. When I make sure that everyone in the cell is safe, I will sign the surrender letter, and tomorrow morning, I will bring people to the camp and officially. Surrender to Your Majesty.”

“Okay!”

Gonggong showed a smile and praised: “Very good, Yue Feng, I know that you are a person who understands current affairs and did not let me down. Happy.”

At this time, Gonggong didn’t know that he was deceived by Yue Feng, the Ouyang family and the Xi Cang army would not surrender to Yang Jian tomorrow morning, but secretly moved towards the Valley of the Evil.

Yue Feng smiled and said nothing.

Immediately, under the leadership of Gonggong, Yue Feng walked towards the Beiying camp.

Chapter 2232

Soon, we arrived at the Beiying camp.

Swish!

At the moment of entering the camp, many Apocalypse soldiers, as well as those patrolling around, all focused on Yue Feng, full of vigilance. However, with Gong Gong leading them, no one dared to come and question him.

Yue Feng was indifferent on the surface, but he was a little uneasy in his heart, especially when he saw the deployment of the entire military camp, he felt even more secretly.

Nima, worthy of the Northern Ying army, not only well-trained, but also the defense of the camp is so tight, it is simply impregnable.

Yue Feng saw that there were dozens of soldiers in the camp, patrolling non-stop, not to mention people, not even a fly could get out.

With emotion, Yue Feng followed Gonggong and walked towards the prison.

At this moment, in the barracks prison.

Ren Yingying and the masters of various sects were re-locked into the cell. At this time, the masters of various sects sat there one by one, looking down.

Next to it, more than a dozen Beiying soldiers guarded tightly, making the atmosphere even more depressing.

Ren Yingying had a relaxed look on her face, and she could not see the slightest frustration. Just now, she saw Yue Feng commanding Xi Cang's army and successfully breaking Zhang Jiao's formation. Until now, she was still very excited.

As expected of the man he likes, he uses the army like a god and is omnipotent.

I don't know what Yue Feng is doing at this time, whether he is studying how to rescue himself and the masters of various sects.

Thinking to herself, Ren Yingying was sitting in the corner, in the dark, her charming eyes glittering with hope!

Squeak!

At this moment, the door of the cell was suddenly opened, and then, a slender figure walked in first, it was Gong Gong.

Behind Gong Gong, Yue Feng followed closely.

call!

Seeing Gonggong, everyone in the prison was shocked and a little nervous. You must know that Gonggong is Yang Jian's right-hand man with a arrogant temperament and never comes to prison. Suddenly appearing at this time must be someone something happened.

For a time, Ren Yingying and everyone instinctively became alert.

Could it be that Yang Jian ordered his people to be executed? Gong Gong specially came to supervise the execution?

Um?

Just when Ren Yingying and everyone were very uneasy, they suddenly saw Yue Feng, and everyone's heart was shocked, and they were all dumbfounded.

Especially Ren Yingying, whose delicate body trembled, looked at Yue Feng blankly, speechless.

At the same time, a heart also hangs up.

Yue Feng was arrested?

But seeing that Yue Feng was not tied hands and feet, let alone sealed, Ren Yingying was even more puzzled.

“Yue Feng!”

Finally, Ren Yingying reacted and looked at Yue Feng with surprise and joy: “You…why are you here?”

Shuh!

The voice fell, and the surrounding masters of various sects also stared at Yue Feng with deep doubts in their eyes.

what’s the situation? Why did Yue Feng and Gonggong come in together? Moreover, the two of them still seem to be at peace?

Yue Feng smiled slightly and said to Ren Yingying: “Don’t panic, I’m just here to see you. I’m relieved to see that you’re all right.”

When he said this, Yue Feng was very distressed, because he saw clearly By now, Ren Yingying had been imprisoned for the past few days, and it was obvious that she had lost a lot of weight, and it was obvious that she had suffered a lot.

have a look?

Hearing this, Ren Yingying’s heart warmed, but her doubts deepened, and she asked, “This is the end…”

Before she could finish her sentence, Gonggong interrupted her.

“Yue Feng!” Gong Gong’s face was indifferent, without the slightest fluctuation, and said to Yue Feng: “You have seen all these people, and they are all safe and sound. Are you relieved, it is time to go back and sign?”

Chapter 2233

This….

Yue Feng scratched his head, looked at Gonggong and smiled: “Your Excellency Gonggong, why are you so impatient, even if I sign it, it will be presented to Your Majesty tomorrow morning. Besides, I and I I haven’t seen my woman for a long time, can you give me some more time and let us whisper a few words?” After speaking

, Yue Feng tilted his head and blinked at Ren Yingying, and smiled at the same time: “Yingying, I have been detained so much. God, did you miss me?”

Huh!

When Yue Feng asked this in front of so many people, Ren Yingying’s delicate face turned red all of a sudden, but she was icy and smart, got Yue Feng’s hint, and immediately understood, bit her lip, and deliberately made a shy look Appearance, whispered: “Think… every day!”

Although he didn’t know what Yue Feng was going to do, Ren Yingying trusted him very much and naturally cooperated with him.

Yue Feng nodded, then looked at Gonggong with a smile: “Your Excellency Gong, you are so human, you won’t let us as lovers just meet once, without even a chance to talk, so we just separate?”

This… Gong Gong frowned lightly, hesitated for

a moment, then nodded and said, “Okay, I’ll give you half an hour, you must leave when the time is up.”

Gong Gong turned his head to the soldier next to him and instructed : “Stay back a little and try not to disturb them.”

“Yes!” A dozen Beiying soldiers responded in unison.

Gonggong said no more, took a deep look at Yue Feng, and turned to leave the cell.

To be honest, at the moment just now, Gong Gong guessed whether Yue Feng was playing tricks, but after thinking about it carefully, the camp was heavily guarded, Yue Feng was only one person, and no matter how strong his strength was, he would not be able to save so many people away. .

“Several soldiers!”

As soon as his forefoot left, Yue Feng did not immediately go to Ren Yingying’s cell, but smiled at the soldier captain and said, “It’s very hard to take care of the prisoners, do you want to go outside and rest?”

When he said this, Yue Feng His face was full of smiles and his tone was sincere, but his eyes flashed slyly.

That’s right, Yue Feng didn’t really want these soldiers to go out, he was just deliberately looking for topics to attract their attention.

call!

Seeing this scene, Ren Yingying and the masters of various sects did not interrupt, but quietly watched.

Although I don't know what Yue Feng is going to do, there must be a reason for him.

"Yue Feng!" The

soldier captain frowned and refused decisively: "It doesn't matter if we rest or not, since Lord Gonggong has given you half an hour, you should accompany your woman and don't waste time."

Tone . It was cold, and there was no room for negotiation.

Um!

Yue Feng nodded, then his eyes flashed, and he quickly shot, sealing the acupoints of the soldier captain, including the dumb acupoint.

All this happened too fast, and the two were so close together that the captain of the soldier couldn't react at all. He was shocked and couldn't move at all.

What?

Seeing this scene, the other soldiers were extremely frightened and rushed to surround Yue Feng.

Bang bang bang!

Looking at the dozen or so soldiers, Yue Feng chuckled and shot like lightning, knocking them all down to the ground. Speaking of which, these soldiers are all in the Marquis realm, the most powerful soldier captains, but they have just broken through. Wu Sheng is not Yue Feng's opponent at all.

haha…get it done!

At this moment, Yue Feng clapped his hands, his heart was very happy, and at the same time he was nervous, there was some indescribable excitement.

Whoa!

At this moment, Ren Yingying and the masters of various sects were all stunned. They never thought that Yue Feng would enter the Beiying camp alone and dare to do it. After all, the defense of this camp is strong enough to describe it with a copper wall. And Yue Feng's unscrupulous shot is simply courting death.

“Quick!”

Facing everyone’s astonishment, Yue Feng walked over, opened the iron bars of the cell one by one, then took out a few bottles of medicinal pills from his body and distributed them to everyone: “Here is Guiyuan Dan, take it quickly. “

Yes, these few days, Yue Feng has been pondering how to rescue Ren Yingying and the others, so he prepared Guiyuan Pill in advance.

Guiyuan Dan, in “Wu Ji Dan Shu”, belongs to the middle and upper class elixir, and the practitioners whose inner strength has been sealed against the symptoms can recover inner strength in the shortest time after taking it.

Chapter 2234

Yue Feng originally refined dozens of pellets, and planned to use them when he rescued Ren Yingying. As a result, various sects were also arrested. Therefore, Yue Feng invited Shennong to help and refined a lot of them.

Originally, Yue Feng was still worried about how to infiltrate the Beiying camp. As a result, Gonggong came to the door, and Yue Feng naturally would not miss the opportunity.

Gu Dong…. After

getting the Guiyuan Pill, Ren Yingying and the masters of various sects did not hesitate to take it. Soon, the sealed internal strength quickly recovered.

However, there was a person holding the Guiyuan Pill, with no intention of taking it at all, and his face was full of disgust.

It was Yue Wuya.

“Y’er!”

Seeing Yue Wuya’s icy face, he was very resistant to the Guiyuan Pill he gave him, Yue Feng couldn’t help urging: “Hurry up and take it, after regaining our internal strength, we can escape.”

Gong Gong The half hour given is not too long, not too short, and a moment cannot be wasted.

Snapped!

As soon as the words fell, Yue Wuya threw Guiyuan Pill on Yue Feng, and said coldly: “Put away your fake face, I won’t eat this broken pill.” After

speaking, Yue Wuya looked at Yue Wuya Feng, with hatred in his eyes, continued: “I tell you, even if I die in a cell, I will not go with you, and I will not accept any favor from you.”

His tone was cold and decisive.

After learning that his respected aunt, Ren Yingying, had also gotten on with Yue Feng, Yue Wuya found it difficult to accept it, and hated Yue Feng even more in his heart.

Die in jail and don’t go with you.

In a word, like an invisible sledgehammer, it slammed into Yue Feng’s heart.

Yue Feng felt pain in his heart, looked at Yue Wuya and said bitterly: “Y’er, you still hate me now, what should I do so that you can forgive me?”

“Why should I forgive you?” Yue Wu Ya retorted coldly, the more he thought about it, the more angry he became, almost hysterical: “Are you worthy of my forgiveness…”

Yue Wuya almost roared out the last sentence.

Snapped!

As soon as the words fell, Ren Yingying couldn’t stand it any longer, she walked over quickly, and slapped Yue Wuya’s face with a slap.

This slap was not hard by Ren Yingying. She loved Yue Wuya very much and was never willing to slap her, but seeing him treat her father like this, she couldn’t help it.

“Ya’er, no matter how much grievance you have in your heart, you can’t treat him like this. After all, it’s your biological father.” Ren Yingying’s face was cold, but in Yue Wuya’s eyes, there was a bit of helplessness and sympathy. distressed.

“Auntie…”

Yue Wuya covered her face, suddenly stunned, staring blankly at Ren Yingying, speechless.

At this time, Yue Wuya felt indignant, in addition to grievances. He never thought that his aunt, who had always loved him, would actually beat him for Yue Feng’s sake.

A few seconds later, Yue Wuya reacted and said fiercely: “Okay, you are all right, I am wrong.” After

saying that, Yue Wuya sat on the straw in the cell with a determined face: “You all have to leave. You go, I’m not going anyway.”

“You…” Ren Yingying stomped her feet angrily.

Why is this kid so stubborn?

Bang!

At this moment, Yue Feng shook his head and sighed, then his figure flashed, and in the blink of an eye, he arrived behind Yue Wuya, with a palm cut behind his head, Yue Wuya’s inner strength was sealed, and he didn’t take Guiyuan Pill just now. However, when his body softened, he passed out.

Ugh!

Yue Feng sighed and smiled wryly at Ren Yingying: “This child’s personality is too stubborn, it can’t make sense for the time being, it can only be like this.”

When he said this, Yue Feng looked at Yue Wuya, who was in a coma, and was very distressed.

To be honest, Yue Feng has always been ashamed of Yue Wuya in his heart, and never thought of knocking him out, but now everyone is still in the cell of the Beiying camp, in danger, and they can’t waste time on him.

Chapter 2235

More importantly, Gonggong is outside the prison, Yue Wuya is so excited, if the shouting alarms Gonggong, it will be troublesome.

“That’s fine!” Ren Yingying understood Yue Feng’s approach very well, but she was still a little nervous when she thought about the situation in front of her. She couldn’t help but ask, “Now that

everyone has regained their inner strength, how can we get out?”

At the same time, the surrounding masters of various sects also frowned, nervous.

Yes, even if the internal strength is restored, it may not be able to escape. After all, this is the Beiying camp, which is heavily guarded. With tens of thousands of masters from various sects combined, how could they be the opponents of hundreds of thousands of troops?

“Don’t panic!”

Yue Feng smiled slightly, looking at Ren Yingying and everyone, very calm and comfortable: “We only need to play a play, and that’s it.”

Acting?

Hearing this, whether it was Ren Yingying or the masters of various sects, they were all stunned.

“Quick!”

Seeing that time was running out, Yue Feng didn’t explain much, and pointed to the dozen or so soldiers who were unconscious on the ground: “Come here, put on these soldiers’ clothes, and then lie on the ground, pretending to be injured. look like this, hurry up…”

Saying that, Yue Feng walked over quickly, put on the soldier captain’s clothes, and put his own clothes on for the soldier captain at the same time.

Susususu…

At this time, the masters of various sects reacted, and immediately more than a dozen people came over. According to Yue Feng’s instructions, they changed into soldiers’ clothes, and then lay on the ground, pretending to be in a coma.

“What’s next?”

At this time, Ren Yingying and the others were all staring at Yue Feng, waiting for his next instructions.

Yue Feng did not answer immediately, but dressed himself up a little, looking similar to the captain of the soldiers, and then said: “Okay, don’t panic, you all hurry back to the cell and pretend that nothing happened.”

Hula !

Hearing this, Ren Yingying and the others did not hesitate at all, and hurriedly returned to their cells.

After everything was ready, Yue Feng took out the spirit beast bag and released the poor and strange spirit beast.

hum!

In an instant, accompanied by a vibration of breath, I saw the huge figure of Qiong Qi appearing in front of everyone, and his body was filled with the aura of a powerful divine beast.

At this time, Yue Feng didn't hesitate to get the captain of the soldiers who had been changed and those soldiers onto Qiong Qi's back one by one, and then tied the dozen or so people with their chests to their backs.

After doing this, Yue Feng patted Qiongqi's head with a gentle tone, and issued an order: "It's up to you if you can succeed, go ahead, take these people on your back, rush out of the camp, and fly farther. The better, try to attract as many people from the camp as possible."

"Roar!"

Qiong Qi had spirituality, understood what Yue Feng meant, roared in response, then flapped his wings and rushed out of the cell.

Bang!

Although the door of the cell was tough, it could not withstand the impact of Qiongqi, and it shattered in an instant. Immediately, Qiong Qi rose into the sky, hovered in the mid-air of the camp, and headed towards the high sky in the distance.

"Qianqi?"

"Isn't that Yue Feng's spirit beast?"

"Look, there is someone on Qiongqi's back… not good, Yue Feng saved the person, chase!"

The movement shocked the entire camp in an instant. Many Beiying soldiers rushed out and shouted at Qiongqi in the sky. Then many soldiers rushed out and chased after them.

This….

at this moment, outside the gate of the prison, Gonggong looked up at the night sky, Qiong Qi, who quickly disappeared, with a beautiful face, incomparable astonishment.

what happened?

Yue Feng rescued a dozen prisoners? Have you been deceived by him?

The ultimate husband in Chinese chapter 2236-2240

Chapter 2236

Because Qiongqi's speed was too fast, and everything happened too suddenly, Gonggong had no time to identify who the dozen or so people on Qiongqi's back were.

But at that moment, Gonggong still noticed that the more than a dozen people on Qiong Qi's back were wearing Yue Feng.

In the next second, Gong Gong reacted, and with a flash of his tender body, he quickly entered the prison.

If it was someone else, this situation would definitely catch up as soon as possible, but Gonggong was meticulous and did not immediately pursue Qiongqi, but checked the prison situation as soon as possible. After all, with so many prisoners, it was impossible for Yue Feng to rescue them all. .

Swish!

The moment he entered the cell, Gonggong's expression changed when he saw the scene in front of him, his body trembled with anger.

I saw that more than a dozen soldiers who were supervising the cells all collapsed to the ground, and the captain of the soldier was covering his heart and lying on the ground, looking very painful.

Yes, the captain of the soldiers at this time was disguised by Yue Feng. Before Gonggong came in, Yue Feng was lying on the ground, pretending to be attacked.

"Trash!" In the

next second, Gonggong reacted and scolded the soldier captain in front of him, and asked coldly, "What

's the matter?" When saying this, Gonggong looked around and saw Ren Yingying. With most of the sect masters, still in the cell, I feel a little fortunate.

Fortunately, I reacted quickly and took a look at the cell first. Otherwise, these prisoners would definitely find a way to escape when they saw that the soldiers had fallen.

At this time, Gonggong didn't know that the captain of the soldiers in front of him and the soldiers who fainted were pretending to be Yue Feng and others.

"My lord, forgive me."

At this time, Yue Feng, dressed in the clothes of a soldier captain, looked very frightened, knelt on the ground and lowered his head and said, "That Yue Feng is too cunning, when we were unprepared for a sudden surprise attack, he released Qiongqi and took more than a dozen prisoners. Saved…"

This chapter is provided by . Visit for daily update.

When he said this, Yue Feng performed ventriloquism, and his voice was exactly the same as that of the soldier captain.

At the same time, Yue Feng deliberately lowered his head and did not look at Gong Gong to avoid revealing flaws.

call!

At this moment, Ren Yingying in the cell, as well as the masters of various sects, secretly sweated for Yue Feng, and at the same time, they were extremely respectful.

This Yue Feng really deserves to be the leader of the alliance elected by everyone. He is not only powerful, but also omnipotent. At this time, the voice was exactly the same as that of the soldier captain. It's amazing.

However, can this deceive the Gonggong?

Especially Ren Yingying, who is calm on the surface, but anxious in her heart.

call!

Hearing this, Gong Gong took a deep breath, his beautiful face was extremely ugly at this time.

Immediately, Gonggong said coldly at Yue Feng: "Take care of the cell, if there are more mistakes, I will kill you." The voice fell, Gonggong didn't have time to think about it, and quickly walked out of the cell, his figure flew up, towards Qiongqi Follow the direction you left.

At this time, Gonggong was anxious and angry. He was originally instructed by Yang Jian to persuade Yue Feng to surrender, but he was tricked by Yue Feng and rescued people from the cell, although only a dozen people were rescued. , but he can't escape the responsibility.

The more Gonggong thought about it, the more angry he became, so he accelerated his speed, just wanting to catch up with Qiongqi quickly and intercept Yue Feng.

Gonggong didn't know yet that there was no Yue Feng on Qiong Qi's back, just a dozen soldiers who were knocked unconscious, and the real Yue Feng was still in the cell.

To be honest, Gonggong is very thoughtful. If he stayed a little longer, he might have found something different. But it happened so suddenly that Gonggong didn't have time to think about it.

More importantly, Yue Feng's ventriloquism was superb, and at the same time, he kept his head down, so Gonggong couldn't raise any suspicion at all.

Haha…

Watching Gonggong leave, and the attention of the entire camp was also attracted by Qiongqi, Yue Feng was indescribably happy.

The plan was successful!

Chapter 2237

Yes, this is Yue Feng's whole plan, first pretend to surrender, and then come to the camp with Gonggong to visit Ren Yingying and everyone, while secretly, the Ouyang family and the Xi Cang army moved to the Valley of the Wicked. After arriving at the prison, Yue Feng resorted to the strategy of turning tigers away from the mountains, using Qiongqi to attract the attention of Gonggong and the camp.

In this way, I have the opportunity to save all Ren Yingying and everyone.

This plan was improvised by Yue Feng. He thought it would be difficult, but he never thought that it would be so smooth in real time.

call!

At this moment, Ren Yingying and the masters of various sects were also very excited. At this time, everyone finally understood that Yue Feng's plan turned out to be like this.

"Leader Yue!"

Tang Qingyun is a well-known scumbag, and at this time, he flattered him at an inopportune time: "He is indeed a hero of our Earthly Continent. Not only does he use soldiers like gods, but he is also resourceful. This trick is really useful. It's amazing, I, Tang Qingyun, really admire the five bodies…" The

voice fell, and many people nodded in agreement.

Haha…

Yue Feng smiled lightly, and didn't bother to pay attention to Tang Qingyun, this kind of villain who was swaying with power, Yue Feng really didn't want to have any communication with him.

The next second, Yue Feng looked at Ren Yingying and the others and instructed: "Quick, while they are all chasing Qiongqi, the defense of the camp must be weak, let's rush out."

With that, Yue Feng walked over quickly, The unconscious Yue Wuya hugged him and rushed to the cell first.

Ren Yingying and the masters of various sects immediately followed.

When they got outside, as Yue Feng had guessed, almost all the patrolling soldiers in the camp were chasing after Qiongqi. There were only a few exits of the camp, and some soldiers were guarding.

Seeing this scene, Yue Feng didn't have time to think. He led the crowd and rushed towards the north exit. As long as he successfully rushed out and continued north, he could reach the Valley of the Wicked.

At this time, Yue Feng was very excited.

At this time, the Ouyang family and the Xi Cang army had successfully reached the Valley of the Villains. And himself, he also successfully rescued Ren Yingying and various sects.

Um?

Seeing that he was about to reach the north exit of the camp, Yue Feng suddenly stopped and saw more than a dozen patrolmen rushing towards this side. Among them was a graceful figure, dressed in a long white dress, delicate and exquisite. , lovable.

It is ice.

Just now, Han Bing was alerted by the movement of the prison and came out to check the situation. He learned that Yue Feng had rescued the prisoner from the cell and ran away in Qiongqi. Han Bing was very anxious, so he wanted to come to the cell to see if his father had Brother take away.

Han Bing thought about it, if his brother was rescued, he would leave quickly. However, before reaching the cell, they happened to meet Yue Feng and everyone else.

This…

Suddenly seeing so many people, Han Bing was stunned.

In the next second, it was clear that Yue Feng was in the lead, and Han Bing was surprised and happy, and couldn't help shouting: "Dad!"

At this time, Han Bing was very surprised, didn't his father escape? Why are you still in the camp?

As soon as the words fell, more than a dozen patrolling soldiers next to them also reacted, and they rushed over with anger.

"Yue Feng, so you are here…"

“Big but Yue Feng, hurry up and capture…”

Seeing this scene, Han Bing bit her lip tightly without any hesitation. Patrolmen go.

Bang bang bang…

Those patrolmen didn’t expect Frost Bing to shoot from behind. Before they could react, they fell to the ground and passed out.

Chapter 2238

“Father!”

At this time, Han Bing walked over quickly and was very happy to see Yue Wuya in Yue Feng’s arms: “I knew that you would definitely save my brother, I’ll go with you!”

Saying this At the time, Han Bing’s tone was firm, but he couldn’t help but look back at the camp.

The next second, Han Bing turned towards Zhang Jiao’s tent, bent his knees, knelt down, kowtowed three times, bit his lip, and said softly, “Master, I’m sorry!”

Although it was her daughter’s house, Han Bing In Han Bing’s heart, although his philosophy is different from that of Zhang Jiao, he is still his own master, and he leaves without saying goodbye, always feeling guilty.

call!

Seeing this scene, Yue Feng took a deep breath, nodded his head in approval, and felt a little emotional at the same time.

If only Ya’er could be as sensible as her daughter.

Thinking to himself, Yue Feng lifted the ice, and then led the crowd, quickly rushed out of the camp, and rushed towards the Valley of the Wicked.

the other side.

Zhang Jiao was resting in the tent.

Yang Jian sat aside and was asking about Zhang Jiao’s injury.

Although Yang Jian is arrogant, he also understands the use of meritocracy. Zhang Jiao uses soldiers like a god, and is his own military advisor. In the future, he will rely on him to conquer all roads, so naturally he should pay more attention.

Just then, I heard a commotion outside, very noisy.

Yang Jian frowned, and was about to call someone in to ask. Just then, a soldier walked in quickly, sweating profusely: “Your Majesty! It’s not good.”

“What happened outside? Tell me now.” Yang Jian was very irritable and asked coldly.

Zhang Jiao, who was lying there, also looked closely at the soldier with a questioning expression on his face.

“Your Majesty…” The soldier’s face was full of tension: “Yue Feng rescued more than a dozen prisoners, Master Gong Gong, and many others went after him…”

What?

Hearing this, Yang Jian’s face changed, and he said angrily: “This Gonggong, I asked her to persuade Yue Feng to surrender, how could she let Yue Feng save the prisoner? Waste, really waste…”

Saying this, Yang Jian rubbed Standing up, he was about to go out and chase Yue Feng in person.

“Your Majesty!”

At this moment, Zhang Jiao dissuaded him: “Your Majesty, as the emperor, pursues Yue Feng in person, he will fall into trouble, Gonggong is strong, and there are so many soldiers to follow, so there should be no problem.

” At that time, Zhang Jiao’s face was gloomy and uncertain, and he was also very annoyed.

This Yue Feng is too cunning to be able to rescue someone from a prison cell in the main camp. If this person is not eliminated, there will be endless troubles.

“Then wait like this?” Yang Jian said unwillingly.

Um!

Zhang Jiao nodded, suddenly thought of something, his eyes sank, and he hurriedly said: “No! Your Majesty… hurry up… hurry up to send someone to the cell to check, and mobilize the army at the same time… That Yue Feng, it may be Tune the tiger away from the mountain.”

Zhang Jiao had a long-term plan and didn’t think much at first, but after thinking about it carefully, he felt that the whole thing was very strange.

Since Yue Feng decided to come to rescue people, how could he only save a dozen people in the end? This is not his style, obviously deceitful!

Swish!

Hearing this, Yang Jian's face changed, and he realized that the situation was not good, so he strode out.

At the same time, Yang Jian did not forget to issue an order to the guards next to him: "Quick, call the whole army immediately." With that, Yang Jian quickly walked towards the prison.

Yang Jian trusts Zhang Jiao very much. If Zhang Jiao says there is a problem, there must be a problem.

When he arrived at the cell, Yang Jian was instantly furious when he saw the scene in front of him.

I saw that the cell was empty, and there was not a single person.

Bang!

Yang Jian's face was ashen, and he slapped the prison door with a savage palm, and a loud bang was heard, and the solid door shattered into powder.

At this time, Yang Jian was very annoyed, this Gonggong was so disappointing, and actually let Yue Feng save all the prisoners! Fortunately, the sergeant was thoughtful.

Thinking to himself, Yang Jian's face was gloomy, he quickly looked around, and saw the direction north of the camp. In that night, tens of thousands of people were heading towards the depths of the suburban mountains and forests.

Yang Jian's strength is strong and his eyes are sharp, and he immediately sees that it is Yue Feng who is leading the way!

At this time, the Northern Ying army also quickly assembled.

hum!

Yang Jian was so angry that he held the three-pointed and two-edged sword tightly, and his figure was suspended high in the sky, shouting loudly, "The whole army obeys the order, and quickly kills everyone in Yue Feng, leaving no one behind!"

Chapter 2239 The

voice fell, Yang Jian's figure broke out, and he took the lead in chasing in the direction where Yue Feng and everyone fled.

Wow…

The Northern Ying army followed closely behind, mighty and powerful.

At this moment, Yue Feng is here.

After entering the forest, Yue Feng did not relax at all, urging everyone to speed up.

Gonggong is strong and thoughtful. He will soon catch up with Qiongqi, and then he will realize that he has been deceived. In the Beiying camp, Yang Jian will soon find out the situation in the cell, so everyone is running out of time. Be sure to meet up with Sun Dasheng and the others in the Valley of the Wicked as soon as possible.

Under the urging of Yue Feng, everyone kept speeding up. They all knew that even if they successfully escaped from the Beiying camp, it would not be a complete success. Only when the Beiying army caught up and reached the Valley of the Evil Man would they count. Total security.

Um!

At this moment, Yue Wuya, who had been in a coma, woke up.

The moment he opened his eyes, he saw that he was being carried by Yue Feng, Yue Wuya's expression changed, he broke free, and shouted at Yue Feng, "I said, I won't let you save me even if I die, let alone not. Come with you." With

that, Yue Wuya's face was full of disgust, he didn't even look at Yue Feng, turned around and rushed towards the woods beside him.

Yue Wuya has a stubborn personality, and once his temper is up, he doesn't care about the situation in front of him at all.

Ugh!

Yue Feng was stunned there for a while, feeling faint pain in his heart, this Ya'er, after all, refused to forgive himself.

call!

Seeing this scene, Ren Yingying next to him, as well as the masters of various sects, also looked complicated and wanted to comfort them, but thinking that this was Yue Feng's family matter, they didn't know how to speak.

“Brother…”

At this moment, Han Bing was the first to react, and with a coquettish cry, she chased after Yue Wuya.

After running a few steps, Han Bing thought of something, turned back and said to Yue Feng: “Dad, hurry up and go to the Valley of the Wicked, I’ll go after my brother, he will be fine.” Everything has been said, and Bing naturally knows.

Um!

Hearing this, Yue Feng was very relieved, and turned his head towards the crowd and said, “Everyone, continue on your way!”

When he said this, Yue Feng was looking in the direction of the ice, with complicated eyes flashing in his eyes. Seriously, Yue Feng Feng wanted to chase Yue Wuya together with Han Bing, but he held back. After all, time was running out, so he should lead everyone to the Valley of the Wicked as soon as possible, so that he could not delay for a moment.

Otherwise, if Yang Jian catches up, all previous efforts will be in vain.

And Yue Wuya has Han Bing to take care of, so it should be fine, after all, these two children have grown up.

“Yue Feng!”

But at this moment, he heard a loud shout in the air behind him.

hiss!

Yue Feng looked back subconsciously, and suddenly his heart was shocked, and he took a breath of cold air.

Seeing that Yang Jian was wearing a golden armor, holding a three-pointed two-edged sword, his body was filled with a terrifying aura, and he was coming quickly. In the air behind him, there are nearly 10,000 Tianyu Riders riding big birds.

In the mountains and forests below, hundreds of thousands of Northern Ying troops followed closely behind.

Nima.

Seeing this scene, Yue Feng’s heart was instantly suspended, and he was shocked and angry.

This Yang Jian came so fast?

In Yue Feng's heart, he thought it was impossible for Yang Jian to react so quickly. After all, his plan to move the tiger away from the mountain was executed perfectly.

At this time, Yue Feng didn't know it yet, but Zhang Jiao was scheming and quickly guessed his plan.

What?

Seeing Yang Jian, Ren Yingying and the masters of various sects were also shocked and nervous.

It's bad. Before reaching the Valley of the Wicked, Yang Jian led the army to catch up. Could it be that tonight's escape plan will fail in the end?

"Yue Feng!"

At this time, Yang Jian looked at Yue Feng closely, his eyes flashing with a cold light: "You are not small, you dare to break into me to rescue the prisoners, I tell you, all of you, all of you escape. No!"

After saying that, Yang Jian turned his eyes, looked at the figures of Han Bing and Yue Wuya in the woods not far away, and waved his hands decisively: "Take those two dolls, it doesn't matter if you live or die!" The

last four words fell. At that time, Yang Jian's eyes were extremely blood red, and he was burning with anger.

Although it was night, Yang Jian's strength was strong and he could see at a glance that the two people running in the woods not far away were Yue Wuya and Han Bing. They have betrayed themselves, how can they not be popular?

"Yes, Your Majesty!" Nearly 10,000 Tianyu Riders responded one after another, then rode the big bird and quickly chased after the two of them.

Chapter 2240 Broken

!

Seeing this scene, Yue Feng was so anxious that he wanted to rise into the air to help the two Han Bings. You must know that Tian Yuqi is the elite of the Beiying army, and Han Bing and Yue Wuya are just two children. How could they be? opponent?

However, the two of Han Bing were too far away from Yue Feng, and it was too late for rescue at this time.

Swish!

At this moment, Yang Jian's eyes were like electricity, and he locked on Yue Feng tightly, and his cold voice spread throughout the forest: "I have always admired you as a talent, and I have always been merciful to you before, but you kid, again and again. The third is against me, today this mountain forest is where your bones are buried, and you fugitives, don't even think of leaving alive!"

Om!

The voice fell, Yang Jian slowly raised the three-pointed two-edged sword, and a powerful breath swept out. In an instant, over the entire mountain forest, the wind and clouds were surging, as if the end was coming!

At this time, Yang Jian was really angry!

When Zhenjun Erlang was angry, the world changed color!

Whoa!

Seeing this scene, whether it is the Beiying army below, or the masters of various sects, they all feel depressed and panic in their hearts, and they don't dare to show the atmosphere!

Gudong!

Feeling Yang Jian's endless killing intent, Yue Feng secretly swallowed his saliva, sweating all over his body.

Nima, I completely angered Yang Jian today, I'm afraid it's going to be a big trouble.

Muttering in his heart, Yue Feng tried his best to calm himself, and shouted at Yang Jian, "Yang Jian, do you only bully the less with more? If you have the ability, let our people meet, and let's fight with real swords and guns!"

Yes, Yue Feng knew that Yang Jian was arrogant and arrogant, so he deliberately provoked him like this to delay time.

"Go to hell!"

However, at this time, Yang Jian was so angry that he was too lazy to talk nonsense with Yue Feng. After a roar, he held the three-pointed two-edged sword tightly and flew up!

hum!

At this moment, Yang Jian's internal force exploded, and the sky was about to shatter!

"Batian Slash!" In the

next second, a cold voice came from Yang Jian's mouth, and then he suddenly raised his hand, a terrifying force erupted from the three-pointed two-edged sword, forming a terrifying shadow of the blade, which suddenly banged. Xiang Yuefeng!

This sword shadow, more than 100 meters long, was formed entirely by Yang Jian's fighting spirit!

The moment the knife shadow appeared, the temperature of the entire forest suddenly dropped by more than ten degrees! Everyone felt a chill that went deep into their bones.

The masters of various sects couldn't help but sweat for Yue Feng! !

Especially Ren Yingying, her delicate body trembled, and she couldn't help exclaiming: "Yue Feng, be careful…"

The Beiying army was extremely excited, as if they had seen the scene of Yue Feng's tragic death.

"Your Majesty is mighty!" " Haha

, Your Majesty performed a stunt, this Yue Feng is dead!"

"That is, if you dare to oppose Your Majesty, this is the end!"

In Beiying Imperial City, Yang Jian used this stunt to injure Zhu Bajie, causing Zhu Bajie to flee.

Even Zhu Bajie couldn't stop it, let alone Yue Feng.

Seeing Yang Jian directly use his ultimate move, Yue Feng was also shocked, he quickly raised his hand in front of him and deployed a protective film!

hum!

At the same time, Yue Feng took out the Linglong Pagoda and released the many strong men You Yan and Yuan Tiangang inside.

"Quick, block him!" Yue Feng howled loudly at the moment when the strong men of Youyan burst out of the air.

Bang bang bang…

At this moment, when I heard Yue Feng's words, the strong people in Youyan mobilized their internal strength and met the huge knife shadow, and they heard a series of earth-shattering vibrations, and the power of the knife shadow was offset. Not a lot.

"Boom!…"

However, the Yuwei of the huge sword shadow still slashed fiercely on the protective film. I heard a roar, and the protective film suddenly shattered!

puff!

Chapter 2241

Yue Feng spit out a mouthful of blood, and his body flew far away. In the end, it smashed a few big trees before sliding down.

Nima!

Yue Feng wiped the blood from the corner of his mouth, stood up, and looked at Yang Jian closely, incomparably horrified.

Is this the strength of Jiro Zhenjun? so horrible!

However, under the horror, Yue Feng also secretly breathed a sigh of relief, because the Youyan people were already in mid-air and successfully entangled Yang Jian.

“Get away from me! All to die… Die!”

Yang Jian was almost insane, standing on the back of the roaring dog, like a god coming into the world, three-pointed and two-edged swords in his hand, bursts of shock, and You Yan The crowd fought.

At this time, Yang Jian’s eyes were extremely blood red, and he burst out with the strongest blow. Not only did he not kill Yue Feng, but he was also entangled by the strong man in Linglong Tower, and he was almost unforgivable.

“The whole army obeys orders!”

After two rounds of fierce battle, Yang Jian could not break through the encirclement of Youyan’s crowd. He was completely anxious, and roared at the army below: “Kill all Yue Feng and these people for me. Don’t stay…”

“Kill!”

Hearing the order, the hundreds of thousands of Northern Ying army burst out with thunderous howls and swarmed.

“Ah…”

Although the masters of various sects have just regained their internal strength, they were a little tired from escaping from the camp and running all the way. At this time, facing the charge of the Beiying army, they are all in a hurry, and in the blink of an eye, there are many People fell in a pool of blood.

Swish!

This chapter is provided by . Visit for daily update.

Seeing this scene, Yue Feng clenched his fists and jumped up in anger!

Yue Feng saw that it was still a few miles away from the Valley of the Evil.

“You want to kill us, come on!” A cold voice came from Yue Feng’s mouth, and in the next instant, Yue Feng raised his hands suddenly! I saw nine long dragons in mid-air, surrounding Yue Feng!

“Kowloon ascends to the sky!”

Yue Feng almost roared out, pointing at the Beiying army!

Yes, at this time, Yue Feng’s anger was completely aroused. Since he couldn’t escape, he could only fight to the death.

“Roar!”

A loud dragon roar came, and nine golden dragons swept down! Go straight to the ground!

“Ah…”

In an instant, under the rampage of nine golden dragons, nearly a thousand Beiying soldiers screamed and fell into a pool of blood!

At this moment, the rest of the Northern Ying army was trembling and shocked!

This Yue Feng has not yet reached the Tribulation Realm, yet his strength is so terrifying? !

Ren Yingying and the masters of various sects were extremely excited.

“Yue Feng.” At this moment, only a cold voice was heard, coming from the sky not far away. Exquisite face, full of exhaustion, at the same time reveals a deep cold, it is Gonggong.

Just now, Gonggong pursued Qiongqi all the way, and finally saw that the person on Qiongqi’s back turned out to be a soldier guarding the cell. At that time, Gonggong immediately realized that he had been deceived and almost exploded with anger.

After that, Gonggong didn’t have time to think about it, and immediately returned to the original road. He learned that Yang Jian led the army and was chasing Yue Feng, so he rushed over quickly.

“Yue Feng, how dare you lie to me?” Gong Gong asked with cold eyes, word by word.

Lie to you?

Yue Feng smiled coldly, met Gonggong’s gaze with a fearless face, and mocked: “Gonggong, you and I are already hostile, the so-called soldiers never tire of deceit, isn’t it normal for me to lie to you?”

“Okay!”

Hearing this Then, Gonggong’s beautiful face was full of anger, and his body was trembling with anger: “Very good, I won’t call you Gonggong if I don’t cut you into tens of thousands of pieces today.

” The prestige has been famous for thousands of years, but now it has been played by Yue Feng, how can Gonggong not be angry?

More importantly, Gonggong was entrusted with an important task by Yang Jian, and he was going to persuade Yue Feng to surrender, but it ended up in a mess.

hum!

The voice fell, Gonggong’s face was frosty, his jade hand raised, and a palm hit Yue Feng.

Chapter 2242

Call!

Feeling the powerful breath of Gonggong’s outbreak, Yue Feng smiled without panic: “The person who can kill me has not yet been born, Gonggong, I think you should calm down, haha…” The

voice fell, Yue Feng He summoned Fang Tianhua Ji, attacked and fought fiercely with Gonggong in mid-air.

Bang bang bang…

The breath of the two people broke out, causing a dark cloud to roll, and the sky was dark.

call!

Seeing this scene, Ren Yingying below was very excited and shouted: “Everyone, we have no way out. If we fight with them, there may be a chance of life.” The

voice fell, and the surrounding masters of various sects were instantly inspired to fight. Come out, it's like being beaten with blood!

"Yes, let's fight!"

"Kill!"

A howl came out, and the masters of various sects rushed towards the Beiying army.

Although the number is compared with the Northern Ying army, the tens of thousands of people from various sects are insignificant. But they all looked resolute, completely putting life and death aside!

However, there are also many people who are timid.

"How do you fight this? It's a total death sentence." Tang Qingyun trembled, looking at the tragic battle in front of him, his face turned pale, and there was absolutely no calmness from the master of a sect.

The next second, Tang Qingyun waved his hand and greeted the disciples of Tangjiabao: "Quick, everyone hurry up." When the voice fell, Tang Qingyun took the first step and rushed towards the nearby woods.

The Tangjiabao disciples followed closely without hesitation.

call!

Seeing this situation, the beggar gang and many small sects did not hesitate to greet their disciples and fled.

Like Tang Qingyun, these sects also felt that fighting with the Beiying army in this situation would be a complete death sentence. At this time, they only wanted to escape from here and save their lives first. At this time, these people have forgotten, before. Yue Feng took so many risks to save them.

In the blink of an eye, after many sects fled, the number of people on Yue Feng's side was less than 20,000. In the face of hundreds of thousands of Beiying troops, the situation became even more severe.

"You…"

Seeing this scene, Ren Yingying trembled and stomped her feet in anger. She wanted to chase Tang Qingyun and the others back, but surrounded by Beiying soldiers, it was too late.

Nima!

Seeing that some sects of Tangjiabao and the Beggar Gang fled without a fight, Yue Feng was also very frightened and his heart trembled.

If I had known that Tang Qingyun was so greedy for life and fear of death, he should have been removed before.

At this time, Yue Feng wanted to rush down and intercept the escaped sects, but he was entangled by Gonggong and had no chance at all.

Bang!

Just when Yue Feng was distracted, Gonggong found an opportunity and slapped him in the heart.

puff!

This palm contains more than eight levels of skill in total, and as soon as Yue Feng groaned, a mouthful of blood spurted out, and the whole person was shocked and flew out, flying more than 100 meters before landing heavily on the ground.

“Leader!”

Seeing this scene, the masters of various sects who were fighting fiercely around, roared in unison, and their eyes were instantly blood red!

Ha ha…

In mid-air, Yang Jian, who was fighting fiercely with Youyan and the others, saw this situation, he couldn’t help laughing up to the sky, and praised Gonggong: “Good fight, Gonggong, if you kill Yue Feng today, I can’t help it. I will forgive you for your mistakes, and you will be rewarded!”

“Thank you, Your Majesty!” Gong Gong was overjoyed and hurriedly responded, and then, his figure flashed and quickly came towards Yue Feng.

“Yue Feng!” Gonggong locked on Yue Feng tightly, his eyes filled with endless coldness: “You hit me in the palm of the hand, you can’t break out of the encirclement, you die.” The

voice fell, Gonggong’s internal strength exploded, and a moment The palm is called towards Yue Feng.

Chapter 2243

Gonggong’s speed is very fast, and it is in front of him in the blink of an eye. Yue Feng has just been slapped, and he has no time to dodge.

Bang!

The two palms touched, and Yue Feng groaned, his body was shaken back several tens of meters, a deep ditch was drawn out on the ground, and blood was spit out with a wow, finally unable to hold on, fell to the ground all of a sudden!

To be honest, Yue Feng has pure Yang internal strength. If he goes all out, he can fight Gonggong. However, he was slapped just now because he was distracted. .

“Yue Feng!”

At this moment, a heart-piercing voice came with a crying voice. Not far away, Ren Yingying’s delicate body was trembling, and tears were falling!

Ren Yingying’s deep love for Yue Feng, seeing that he was seriously injured at this time, only felt that his heart would be broken.

“Yue Feng, hold on, I’ll help you…” Xiao Yuruo’s tears were like broken pearls, and they couldn’t stop at all.

However, there were too many Beiying soldiers around, almost rushing up one after another, and Ren Yingying couldn’t rush past at all.

Yue Feng’s face was pale, and at this moment he fell to the ground, unable to hear Ren Yingying’s words at all. He only felt the weakness that he couldn’t tell, and the palm of Gonggong just now was too cruel!

“Yue Feng!”

Gonggong showed a smile and said coldly: “I believed you so much before, but you lied to me. How good are you saying that you surrendered? You have to make it happen now.”

Feeling the killing intent of Gonggong , Yue Feng chuckled lightly: “Gonggong, you have lived for so long, but you still do not understand two words, that is loyalty and righteousness. I, Yue Feng, have been bright and upright all my life, and I will never surrender to anyone, even if I die here today, I will I did my best to die without regrets!”

Some words, word by word, eloquent.

“It’s a good one to die without regrets!”

Gonggong sneered and mocked: “You are still on Huangquan Road, talk to your comrades.” As he

spoke, Gonggong approached step by step.

Seeing Gonggong getting closer and closer, Yue Feng breathed a sigh of relief, a smile appeared on the corner of his mouth, and he was completely desperate.

If it is normal, Yue Feng is not afraid of Gonggong at all, but now, the strong people in Linglong Pagoda are all dealing with Yang Jian, Ren Yingying and the masters of various sects are blocked by the Beiying army, and they can't rush forward. No one could come to help.

This time, he is sure to die.

Roar!

At this critical moment, I heard a thunderous roar from the sky, and then, a huge figure suddenly landed, blocking Yue Feng's face.

It is Qiongqi.

Under the command of Yue Feng, Qiong Qi attracted thousands of Beiying soldiers to circle in the deep mountains. Just now, he sensed that Yue Feng was in danger, and without hesitation, he came to support him immediately.

call!

Seeing Qiongqi, a smile appeared on Yue Feng's face.

This poor Qi is loyal to the Lord, and he has not raised it in vain.

Dengdengdeng…Qianqi

suddenly appeared, under the vibration of the powerful divine beast, Gonggong's delicate body trembled, and he took a dozen steps back.

Finally, after standing up, Gong Gong's eyebrows knitted together, and he locked on Qiong Qi at once: "It's you again, the protector, right? I'll kill you together later."

When he said this, Gonggong couldn't express his anger. It was this poor guy who attracted his attention at the time and gave Yue Feng a chance to save all the prisoners.

Roar!

Qiongqi is quite spiritual, and understands Gonggong's words. He immediately opens his mouth and roars in response.

"Be careful…"

Seeing this scene, Yue Feng couldn't help but said softly at Qiongqi: "This woman is very strong, don't touch her head-on, hold her back, and let me have time to recover my inner strength! "

Although Qiongqi arrived in time, Yue Feng did not relax in the slightest, but was a little worried. After all, although Qiongqi was strong, it faced the Water God Gonggong.

In Yue Feng's heart, although Qiongqi is a mythical beast, he is no different from his family, so he naturally doesn't want to see anything happen to him.

Chapter 2244

"Fengzi, here we come!"

Just when Yue Feng was secretly worried, suddenly, a loud shout came from the direction of the Valley of the Wicked!

Looking from a distance, I can see the hundreds of thousands of Xi Cang army, as well as the people of the Ouyang family, coming in a mighty way! The leading ones were Wen Chou Chou, Sun Dasheng, Jiang Shan and others.

When Yue Feng rescued the masters of various sects from the camp, Wen Chou Chou and everyone also deployed their defenses in the Valley of the Wicked. Just now, when they heard the fierce battle here, the killing sound shook the sky, Wen Chou Chou and Jiang Shan didn't think much about it. , bring someone to support immediately.

"Brother Wen, Great Sage, Aunt Jiang…"

Seeing Wen Chou Chou and Jiang Shan rushing in with the army, Yue Feng's nose was sore, and he almost cried.

"Fengzi…"

In a twinkling of an eye, he came to the front, seeing the appearance of Yue Feng, Sun Dasheng, Wen Chouchou, and Jiang Shan were all shocked and extremely angry.

I saw that Yue Feng's face was extremely pale at this time, his clothes were stained red with blood, and the masters of various sects around were also dead and wounded!

Seeing this scene, Sun Dasheng's eyes instantly turned red!

"Injuring my brother, I will let you all pay for your life! Kill me! Kill me!" Sun Dasheng almost roared out, waving the giant axe frantically, and directly rushed into the army of Beiying!

“Everyone obeys the orders, protect my homeland, protect my compatriots, and kill me!” Wen Chou Chou clenched his fists tightly. Seeing his brother being chopped up like this, he lost the calmness he had before, instead, he was full of suffocation!

“Kill!” The

voice fell, Huaguo Mountain, Changsheng Palace, Tianmen, and hundreds of thousands of Xicang army, like a tide, poured into the enemy formation, all of them were red-eyed!

What?

Seeing this scene, Yang Jian, who was still fighting fiercely with You Yanzhong’s master, frowned and stared at Yue Feng, his face extremely ugly.

How did the Xi Cang army and the Ouyang family support so quickly?

Could it be that this kid secretly transferred the main force to this valley? If this is the case, this Yue Feng is too cunning.

At the same time, Gong Gong also trembled, looking at the Wen Chou Chou crowd and the Xi Cang army who rushed up, indescribably shocked.

Isn’t this…

the main force of the Earth Circle Continent near Ouyang’s mansion? How can you be in this wilderness? And the support is so fast?

Gonggong at this time, and Yang Jian didn’t know yet, Yue Feng had already moved the army to the Valley of the Evil. At this time, the Ouyang family was already empty.

Whoa!

Seeing the rescue, the masters of various sects, who were already somewhat desperate, instantly boosted their morale and fought hard to kill the enemy.

On the battlefield, a howl kept ringing!

“Ah!”

People kept falling down, and this world was completely dyed red with blood!

…

At this moment, in the forest a few miles away from the Valley of the Wicked. Yue Wuya and Han Bing moved forward quickly.

Behind them, thousands of Tianyu cavalry, riding on a big bird, are chasing after them.

I don't know how long it took to run, Yue Wuya was sweating profusely, and he couldn't hold it anymore, and his face was a little pale.

To be honest, Yue Wuya's strength is not weak. If he had taken Guiyuan Pill in prison before, he would have recovered his strength long ago. However, Yue Wuya was stubborn and refused to accept Yue Feng's favor, so he threw the Guiyuan Pill away. At this time, his internal strength did not recover, and after all the hard work, he couldn't stand it at all.

At this moment, Yue Wuya felt that all his strength was exhausted, he stopped to take a breath, and at the same time, he looked back at the situation behind him!

Nima!

Seeing this, Yue Wuya's expression changed, and he was secretly shocked!

I saw that in the mid-air behind him, the thousands of Tianyu Riders were already less than 100 meters away.

These Tian Yuqi really deserves to be the elite of the Beiying army. He tried his best, but he didn't get rid of them…

"Brother…"

Seeing Yue Wuya stop at this time, Han Bing also slowed down. , couldn't help shouting, and at the same time hurried over, preparing to leave with Yue Wuya.

Whoops!

Chapter 2245

However, at this time, the Tianyu Riders in mid-air landed one after another, surrounding Yue Wuya and Han Bing.

call!

Seeing this scene, Han Bing took a deep breath, her delicate face was very calm, but her heart was a little nervous!

The ice at this time clearly sensed that the aura that erupted from these Heavenly Feather Knights was not particularly powerful, but with so many people gathered together, the aura was still not to be underestimated.

"You two!"

At this moment, the leader of Tianyu Cavalry, Bai Zhan, looked at

Bing Bing, and said lightly: “Don’t run away, you have no way to retreat.” The voice fell, and the surrounding Tianyu Knights also followed suit. shouted.

“Yes, betray Your Majesty, and it’s useless for you to flee to the ends of the earth!”

“For the sake of serving His Majesty, you should be acquainted with each other, and you can capture them !

“

The voices came one after another, and the tone was cold, and no one sympathized with Yue Wuya and Han Bing.

Catch up?

Hearing these words, Yue Wuya chuckled lightly, her eyes extremely cold!

He originally served Yang Jian wholeheartedly, but because his biological father was Yue Feng, Yang Jian had all kinds of suspicions about him, and now, he has sent so many people to arrest him and his sister.

Simply deceiving. Thinking to himself ,

Yue Wuya stood in front of Han Bing, and said coldly, “What are you doing in your daydreams? You want me to be captured? Before I want to tear my face, get out of here.”

Undoubtedly.

To be honest, at this time, Yue Wuya was exhausted and his internal strength had not recovered yet. Provoking Tian Yuqi in front of him was completely courting death, but Yue Wuya had to do it.

As an older brother, you must protect your younger sister at all times.

Huh!

Hearing these words, Bai Zhan and the surrounding Tianyu Knights were extremely angry.

Mad, this kid is in a desperate situation, yet he dares to speak madly?

“Take it!” The cold words came out of Bai Zhan’s mouth.

Whoops!

In an instant, the surrounding Heavenly Feather Knights did not hesitate, howling one after another, coming straight towards Yue Wuya.

“Want to catch me, come…” Yue Wuya howled with a fearless face, holding the Overlord’s Hammer tightly, like an angry lion, rushing towards the crowd.

The internal strength has not recovered, Yue Wuya can’t stimulate the power of the Overlord Hammer at all, but as an ordinary weapon, there is no problem.

During the fierce battle, Yue Wuya did not forget to shout to Han Bing: “Bing’er, hurry up, my brother is blocking them.”

When he said this, Yue Wuya’s tone was firm, but looking at Han Bing’s eyes, it was revealing A bit of regret and ashamed, all blame himself for being too stubborn and out of Yue Feng’s brigade, otherwise, he and his sister would not be pursued by Tian Yuqi.

“I’m not going!”

Han Bing bit her lip tightly, shook her head, and said very firmly: “I want to be with my brother.” The

voice fell, Han Bing flew up, holding a long sword, and rushed into the enemy group.

“Ah…” The

brothers and sisters worked together, only to hear a scream, and in the blink of an eye, many Tianyu Knights fell in a pool of blood.

However, Yue Wuya’s internal strength has not completely recovered, and at the same time, there are too many enemy troops, and it is impossible to kill them!

Under the fierce battle, Yue Wuya gradually became powerless.

Finally, a Beiying soldier saw the opportunity and stabbed Yue Wuya in the chest!

“Puchi!”

In an instant, blood spurted out!

The ultimate husband in Chinese chapter 2246-2250

Chapter 2246

“Kill!” When the

severe pain came, Yue Wuya's blood was aroused, his eyes were blood red, and he roared like crazy, regardless of his injury, he swung the overlord hammer fiercely, smashing several soldiers in front of him. !

But at this moment, several soldiers attacked from behind, raised their spears, and stabbed Yue Wuya in the back!

"Puchi! Puchi!"

Yue Wuya couldn't dodge in time, his whole body was almost pierced, his body trembled, blood spurted out with a wow, and he fell to the ground at once!

"Brother!"

Seeing this scene, Han Bing's tender body trembled, and she cried out all of a sudden, tears streaming down her cheeks. The so-called brother and sister are connected to each other. Seeing that brother was injured so badly, Han Bing only felt that one of his own hearts had to be broken. Broken.

"The sword turns the world." In the

next second, Han Bing's pretty face was frosty, her red lips were slightly open, and the cold words slowly came out of her mouth. At the same time, the figure flew into the air, the jade hand reversed, and the internal force exploded.

hum!

In a short blink of an eye, thousands of air currents oscillated in the air, and then formed a series of dazzling sword shadows. These sword shadows were all illusions of internal force, but they were extremely sharp, as if the air was torn apart, and they flew instantly. Ride to the surrounding Tianyu.

That's right, what broke out in the ice was a stunt in the inextinguishable scriptures, the sword turned the world!

Originally, Han Bing didn't use it easily, because it consumed too much internal energy, but seeing that his brother was at stake, Han Bing couldn't take care of it so much.

Whoosh whoosh!

Thousands of sword shadows cut through the air. The speed was really too fast. In the blink of an eye, they arrived in front of those Tianyu cavalry, only to hear a scream. Many Tianyu cavalry soldiers screamed and fell in a pool of blood. among.

Dengdengdeng…

Baizhan is the commander of the Heavenly Feather Cavalry, with the strength of the second rank of Martial Emperor, but facing the stunt of Frost's Sword Turning Heaven and Earth, his blood surged, and he was shocked back dozens of steps in a row.

This…

After stabilizing his figure, Bai Zhan looked at Han Bing closely, shock flashed in his eyes, and he was also annoyed.

As expected of the apprentice of the military teacher, I thought that this girl was not very powerful, but I didn't expect it to explode with such powerful power.

Although Han Bing has always followed the Northern Ying army, he has never shown his strength.

Huh…

The surrounding Tianyu knights also looked at the ice closely, their eyes filled with fear and fear.

"Brother…"

At this moment, taking advantage of Bai Zhan's failure to respond, Han Bing quickly came over, grabbed Yue Wuya, flew into the distance, and disappeared from everyone's sight in the blink of an eye.

"Bang!"

Bai Zhan was anxious and angry, he slapped the tree next to him with a palm, and watched Han Bing lead Yue Wuya to escape, his face was extremely ugly.

"Leave some people to treat the wounded, and the rest, continue to chase after me! No matter what, I can't let them run away!" A cold voice came from Bai Zhan's mouth. He clenched his fists tightly, unspeakably annoyed.

Thousands of Tianyu cavalry surrounded them, and finally let them run away! When this news came out, Tian Yuqi's prestige was gone.

More importantly, if you go back empty-handed, you will not be able to communicate with His Majesty, so no matter what, you must catch them.

"Yes!"

In an instant, the surrounding soldiers responded in unison, and then, half of them stayed behind to treat the wounded, and half of them rode on the big bird and chased in the direction where the two of them fled!

the other side.

Han Bing took Yue Wuya and flew forward desperately. She was already very tired, but she didn't dare to stop. Because Han Bing knew that Tian Yu Qi would not stop there, and would definitely chase after him. Once he stopped, he would be intercepted by them again.

Yue Wuya's face was pale, because he lost too much blood and was very weak, but he still tried to keep himself awake and be alert to the direction behind him.

Finally, after flying for four hours, Yue Wuya said softly: "Sister, stop, those Tianyu Qi have been successfully thrown away by us!"

On the way, I did not see Tianyu Qi, it must have been successful Dumped.

Chapter 2247

Hmm!

Han Bing responded, looking at the woods below, the figure slowly descended.

At the moment of landing, Han Bing first helped Yue Wuya to deal with the wound, and then took out the elixir on his body and gave it to Yue Wuya. Since childhood, Han Bing followed her mother through the rivers and lakes, and always carried the elixir with her, but she was chased by Tian Yuqi before, so she had no chance to take it for Yue Wuya.

To tell the truth, after flying all the way, Han Bingxiang was dripping with sweat and exhausted, but he still considered Yue Wuya's safety for the first time.

Soon, after taking the elixir, Yue Wuya's pale face recovered a bit of blood.

call!

Seeing that Yue Wuya was all right, Han Bing let out a long sigh of relief, and the big stone hanging in his heart finally fell to the ground.

Um?

However, at this moment, when Han Bing saw the seaside city not far away, his body trembled!

Not far away, there is a prosperous seaside city. On the hillside of the city by the sea, stands an antique attic.

It is the star building in Donghai City.

That's right, Hanbing took Yue Wuya and fled in a panic and came to Donghai City.

The next second, Han Bing calmed down and said to Yue Wuya, "Brother, what should we do next?"

When he said this, Han Bing was very anxious.

To be honest, Han Bing really wanted to take Yue Wuya back to the Valley of the Wicked to join Yue Feng, but it was too far away from the Valley of the Wicked, and Yue Wuya's injuries were still unhealed. If halfway through the road, if he encountered Tianyu Qi again, it would be troublesome. .

Yue Wuya did not respond immediately, but his eyes flickered, looking at Donghai City not far away in a trance!

"Sister!"

Finally, Yue Wuya reacted and said slowly: "Our current situation is definitely impossible to go back to, why don't we take a boat and return to the Tianqi Continent, and wait for me to report the situation here to the royal father. After that, let's make plans."

Although King Guangping no longer called himself emperor after he surrendered to Yang Jian, in Yue Wuya's heart, he still called his father emperor.

Yue Wuya has thought about it, since Yang Jian no longer trusts him, there is no need to surrender himself and Tianqi Continent.

This…

Hearing this, Han Bing hesitated for a while, then nodded and said, "Okay!"

Then Han Bing thought of something, and asked Yue Wuya enthusiastically: "Brother, you are healed, will you? Will you lead the Apocalypse army to help Daddy?"

Bingbing Bingxue is smart, although Yue Wuya didn't say it, he can guess that after returning to the Apocalypse Continent, Yue Wuya will definitely beg King Guangping to rebel against Yang Jian.

If this is the case, Han Bing naturally hopes that Yue Wuya can lead the army and come to the Earth Circle to help Yue Feng.

call!

Yue Wuya took a deep breath, with a complicated expression, and said slowly, “It depends on the situation.”

When he said this, Yue Wuya’s expression was indifferent, without the slightest fluctuation, but his heart was full of mixed feelings.

Having been led all the way to escape by Han Bing before, Yue Wuya thought about it a lot, and suddenly understood a lot. He realized that he was really too extreme towards Yue Feng before, and he felt a little regretful. At the same time, he thought about how to help Yue Feng, his biological father.

It’s just that Yue Wuya is just at the age of vigor and vitality, and he values face very much. How can he say these things on his mind?

“Okay!” Han Bing nodded with a smile.

She was icy and smart, and she quickly guessed Yue Wuya’s thoughts, knowing that her brother was willing to help her father, but she refused to say it out of face.

Afterwards, the brother and sister took a short rest and walked towards Donghai City.

The Apocalypse Continent and the Earth Circle Continent are separated by the sea. From the port of Donghai City, it is very convenient to go back by boat.

Half an hour later, the siblings arrived at the seaside port.

Um?

However, seeing the scene in front of them, Yue Wuya and Han Bing looked at each other and were both shocked and angry.

Chapter 2248

saw that on the seaside of the port, nearly 10,000 people from Jianghu sects gathered, robbing the fishing boats of the people, and the scene was chaotic.

These sects include Tangjiabao, Beggar Gang, and Hollow School, etc.

Yes, it was those sects who fled without a fight before. They fled all the way to Donghai City, and decided to rob the people’s fishing boats and go overseas to avoid war.

Because in the hearts of people like Tang Qingyun, the Earth Circle Continent will definitely not be able to keep it, it is better to save one’s life and preserve its strength.

These fishing boats on the coast were all used by nearby fishermen to support their families, but at this time they were brutally snatched away by the Tangjiabao sects.

Yue Wuya and Han Bing saw that many people were crying and grabbing the ground, trying to snatch the fishing boat back, but are they the opponents of these arena experts? One by one, they were beaten on the beach, unable to fight back.

And those sect masters, who robbed the boat, still plausible and arrogant.

“Made, hurry up and get out…”

“I have worked hard to protect you for so long, and I want your boat to be deserved, don’t know how to praise…”

“No more nonsense, kill you all…”

Under the intimidation of these sect masters, those people dared not speak out, and could only leave in despair.

Swish!

Seeing this scene, Yue Wuya’s face was ashen and angry.

Although Yue Wuya has never admitted that he is a person from the Earth Round Continent, he has inherited Yue Feng’s temperament in his bones, and hates evil like hatred.

The ice beside him was also trembling with anger.

Then, the siblings walked over quickly.

“You guys!”

When he arrived, Yue Wuya looked around and said coldly: “Give me the boat back! You are still claiming to be decent and snatch the people’s things, don’t you feel ashamed?

” Ling Ran made a loud noise.

Swish!

In an instant, the masters of several sects all focused on Yue Wuya, and they were all shocked and angry.

is this kid?

Although the Northern Ying army invaded the Diyuan Continent, Yue Wuya never participated in the war, but as the prince of Apocalypse Continent, he had cooperated with Zhou Qin before, and everyone knew Tang Qingyun naturally.

“Boy!”

Finally, everyone reacted, and someone shouted, “Whether we rob the people or not, what’s your business?” The

voice fell, and many people nodded in agreement.

Yue Wuya’s face flushed, and he was speechless with anger.

“How reasonable is it to bully the weak with a gun? I’m really ashamed of you!”

At this moment, Han Bing couldn’t bear it anymore, and shouted tenderly, “Now when the Earth Circle Continent is in danger, you are not going to resist the Northern Ying army, but you are here. If you harm the common people, you will lose all the faces of the people in the world. If you still have any conscience, return these boats to the common people.”

Shua!

Hearing this, Tang Qingyun and many people around were speechless, and at the same time, there was a bit of shame on their faces.

“Ha ha…”

Soon, Tang Qingyun reacted, sneered, and mocked at the ice: “The Northern Ying army is powerful, and the Earth Circle Continent can’t be resisted at all. It is wise for us to retreat. Even if we are afraid of death, what do you two have? Qualified to make irresponsible remarks? Your father, Yue Feng, was fighting to the death with the enemy in the Valley of the Wicked, but you all came here and pointed fingers at us, hehe…”

After the last sentence, Tang Qingyun’s face was full of disdain.

The voice fell, and many people followed suit.

“Looking at their appearance, they also fled here…”

“That is, as a child, you don’t even care about your own father, and you still have the face to talk about us?”

“They are all deserters, and they pretend to be righteous, what are they pretending to be? ?”

Chapter 2249

The ridicule of everyone, you and I came, Han Bing clenched his pink fist tightly, stomping his feet angrily, but was speechless to refute.

Because everyone was right, the two brothers and sisters had indeed escaped here.

“Stop talking nonsense!”

At this moment, Yue Wuya couldn’t bear it anymore, his inner anger was rising, and he shouted angrily: “I’ll say it one more time, hurry up and return the boat to the people, or don’t blame me for being rude.

” Falling down, Yue Wuya summoned the Overlord Hammer and held it tightly.

“Stinky boy!”

Tang Qingyun was also completely angry, and responded coldly: “It’s your face, we just don’t pay it back, what can you do?”

Seriously, if it was before, Tang Qingyun would never dare to talk to Yue Wu like this. When Ya speaks, you must know that Yue Wuya is the prince of Tianqi Continent. Even if Tianqi Continent falls and becomes Yang Jian’s territory, the identity of this kid in front of him cannot be underestimated.

But now, I and a few sects urgently need to flee overseas, where can I take care of so much?

More importantly, Yang Qingyun noticed that there were only two people in Yue Wuya and Han Bing, and Yue Wuya’s face was weak, obviously injured and not afraid at all.

“A bunch of scum!”

Yue Wuya was too lazy to talk nonsense, he shouted angrily, clenched the Overlord’s Hammer tightly, and came directly to Tang Qingyun.

Speaking of which, Yue Wuya is not such a reckless person, and since his injuries have not yet healed, he will not make such an irrational shot, but these people are really hateful, they have done bad things, and they seem to take it for granted and do not teach them a lesson. They are hard to be outraged.

“Brother, be careful!”

Seeing this scene, Han Bing was very anxious, shouted, and drew his long sword, followed by him.

“I don’t know whether to live or die!”

Seeing the Yue Wuya brothers and sisters rushing towards him, Tang Qingyun’s eyes flashed gloomy and cold, and he shouted: “Everyone get on, kill them quickly, and then go to sea by boat.” The

voice fell, Tang Qingyun’s inner strength exploded, Directly to meet Yue Wuya.

Whoa!

At the same time, the surrounding Tangjiabao disciples, as well as the beggar gang and the Kongtong faction, also erupted.

In the blink of an eye, the two brothers and sisters were surrounded, and the two sides fought fiercely.

Due to the fact that Yue Wuya’s internal strength has not fully recovered, facing the siege of Tang Qingyun and others, the situation is very thrilling, almost dangerous, but with the protection of ice around him, he can always turn danger into danger.

hateful!

Tang Qingyun became more and more frightened as he fought, and his face was extremely ugly. He thought that if so many people besieged the two brothers and sisters, the battle would soon be over. After all, Yue Wuya was injured.

But I never thought that Han Bing’s strength was beyond everyone’s imagination, not only successfully protecting Yue Wuya, but also suppressing everyone without the ability to fight back.

At this time, Tang Qingyun seemed to have forgotten that at the beginning of Mount Emei, when Han Bing displayed the true immortal scriptures, Zhou Qin was no match, let alone them.

“Quick!”

After a few minutes, Tang Qingyun stopped fighting and shouted at the people on the boat: “Start the fishing boat, everyone hurry up, don’t get entangled with these brothers and sisters .

“

At this point, many people returned to the boat, and suddenly, nearly a hundred fishing boats made a roar of engines.

At this moment, Tang Qingyun also turned around and ran.

Whoosh!

Yue Wuya's internal strength was seriously exhausted, and he could not catch up. He raised his hand and waved, and the Overlord Hammer roared out, like a shooting star, hitting Tang Qingyun's back, he heard Tang Qingyun groan, a mouthful of blood spurted out, and the figure quickly landed. , but a few Tangjiabao disciples, with sharp eyes and quick hands, flew up together and caught Tang Qingyun.

pat!

However, a kraft paper package fell out of Tang Qingyun and landed on the beach.

Swish!

Tang Qingyun's face changed, and he wanted to rush over and pick up the package, but he was afraid of Yue Wuya and his sisters, so he could only resist the impulse.

Chapter 2250

"Want to run?"

Yue Wuya retrieved the Overlord's Hammer and wanted to continue the pursuit. Suddenly, his body trembled and he spat out a mouthful of blood. He was also half-kneeling on the beach. After another fierce battle, Yue Wuya was almost exhausted, and his strength was completely drained.

"Brother!"

Seeing this scene, Han Bing walked over quickly, supported Yue Wuya, and asked worriedly, "Are you alright? How is it?"

Yue Wuya didn't speak, and shook his head to indicate that he was alright.

At this time, Yue Wuya only felt exhausted and lost the strength to speak.

Tutu …

Taking this opportunity, Tang Qingyun and the people from all sects quickly drove the fishing boat towards the sea in the distance.

"Yue Wuya!"

At this moment, Tang Qingyun stood on the deck, staring fiercely at Yue Wuya, with unspeakable resentment: "I remember you! I will definitely ask you to settle today's account. ."

When saying this, Tang Qingyun glanced at the package that fell on the beach, very unwilling and annoyed. In that package, the treasure that he had hidden for many years was just dropped and he couldn't get it back, which was really annoying.

call!

Hearing Tang Qingyun's words, Yue Wuya's face was cold, without the slightest fluctuation.

Han Bing quietly stood beside him, not leaving for a moment.

To be honest, Han Bing really wanted to catch up and subdue Tang Qingyun, but his brother's condition was so bad that he had to be by his side at all times.

Soon, Tang Qingyun and everyone gradually disappeared into the vast sea.

call!

After more than ten seconds, Yue Wuya felt better, stood up, picked up the kraft paper package, and opened it.

At this time, Yue Wuya was very curious about what was inside that could make Tang Qingyun so anxious.

Han Bing couldn't help it, and came over to watch.

hiss.

At this moment, when they saw the contents of the kraft paper, both Yue Wuya and Han Bing trembled and were stunned!

Inside the kraft paper is an old sea chart.

Various sea areas, as well as large and small islands are carefully drawn on it…

It is just used to mark these sea areas and islands. It is an ancient script, which is obscure and difficult to understand. Yue Wuya and Han Bing do not know each other. ignorant.

"Brother!"

After a few seconds, Han Bing reacted and pointed to a sea area on the map: "This place is marked with a red line. It is so special. Will there be treasures hidden?"

Following the direction of Bing Bing's fingers, As you can see in this chart, there is a sea area, which is specially marked with a red line, which is very special.

call!

Yue Wuya took a deep breath and shook his head.

After careful observation for a while, I couldn't understand the ancient characters above, and I didn't understand what it meant at all.

At this time, the brothers and sisters did not know that this was a "Returning to the Ruins Surveying Sea Map", which has a history of more than 3,000 years. It marked the differences of all sea areas and islands in detail, and also contained many secrets of the sea. .

"Sister!"

After watching for a while, but unable to see the famous hall, Yue Wuya took a deep breath and said to Han Bing: "Let's go back to the Apocalypse Continent first, and then we have time to study this chart carefully." Put the charts away.

In Yue Wuya's heart, the most important thing at this time is to return to Tianqi Continent, persuade King Guangping, and then come to support Diyuan Continent. As for this chart, what it does is not important at all.

Um!

Han Bing nodded, and then the two got on a boat. Before Tang Qingyun, everyone fled in a hurry, and there were several boats left by the sea.

The ultimate husband in Chinese chapter 2251-2260

Chapter 2251

However, the brothers and sisters are very principled, and even though the people have all run away, they still leave some money on the beach as compensation for these fishing boats.

Soon, Yue Wuya and Bing, driving the fishing boat, headed towards the Apocalypse Continent.

Han Bing was mainly responsible for sailing, and Yue Wuya meditated in the cabin because he was too weak.

In the blink of an eye, more than two hours passed, Yue Wuya recovered some internal strength, and the situation improved a little, so he walked out of the cabin, prepared to replace the ice, and drove the fishing boat.

Whoa!

At this time, in the sea not far away, there was a sound of water.

The sound of the sea was very strange, Yue Wuya subconsciously looked towards the sea.

As a result, Yue Wuya was shocked, he couldn't help taking a breath, and the whole person was stunned for a moment!

This… this…

At this moment, Yue Wuya's mouth opened wide, thinking that he had read it wrong, and rubbed his eyes with his hands, his face full of shock!

He clearly saw that on the sea not far away, a large sailboat, with a full thousand of them, came mighty!

Yes, thousands of sailboats!

On these sailboats, flying a black flag, embroidered with white sharks, black and white, very eye-catching. Obviously, these are pirates.

Speaking of which, Yue Wuya has experienced a lot since he was a child, and he has a lot of knowledge. He was once the prince of Diyuan Continent, but it was the first time he saw a pirate, and there were so many.

Pirates with thousands of ships, I can't even think about it!

This chapter is provided by . Visit for daily update.

hiss!

At this moment, Han Bing also saw those pirates, her delicate body trembled, and she couldn't help taking a breath of cold air.

I saw that these sailboats were very big, and on the decks of these ships, there were people standing neatly. Although there was still some distance, Yue Wuya could see that these people were all wearing soft clothes stitched from fish skin. A, holding a long knife, the momentum is amazing!

And the ship at the front has three floors! On the black flag standing on it, more than ten meters high, there were two blood-red characters 'Blood Shark' written on it.

Obviously, the word blood shark is the name of this pirate force.

Blood shark?

This… In this vast sea, when was there such a powerful pirate?

Seeing this scene, Yue Wuya was extremely shocked in his heart, and at the same time he couldn't express his surprise. The ice next to him was also stupid, staring at the pirate ships, unable to speak, and at the same time unable to express his doubts.

Yes, since the enchantment of the Kyushu Continent disappeared more than ten years ago, various continents have cooperated with each other, resulting in the disappearance of pirates in the seas. It stands to reason that there can be no such powerful pirates.

However, what the brothers and sisters didn't know was that the vast sea was incomparably vast. In recent years, due to the joint suppression of various continents, the pirates in the sea all fled to the islands in the depths of the sea and hid.

And recently, because Yang Jian led the Northern Ying army to conquer all over the place, the people of the Kyushu mainland were panicked and had no time to take care of the sea. These pirates hiding in the depths of the sea began to be active again.

As for Yue Wuya and Han Bing, the 'blood shark' encountered at this time is the most powerful pirate in the depths of the sea.

"Brother…"

Finally, Han Bing reacted and said softly to Yue Wuya: "What should I do?"

At this time, Han Bing was very anxious. She could see that the pirates on these ships were not strong enough. Weak, basically the realm of Marquis, and even many of them are realm of Martial Saint.

Moreover, with so many pirates together, I am afraid… I am afraid there are nearly 100,000 people, right? ! With so many people, don't say that you are alone, even if your brother's internal strength is completely restored, I am afraid that it is not an opponent.

Feeling the nervousness of the ice, Yue Wuya comforted: "Don't panic, let's take a look at the situation first!"

When he said this, Yue Wuya looked at nearly a thousand pirate ships with an extremely solemn expression.

You and these pirates have no grievances or enmity, so they shouldn't be looking for trouble.

Whizzing!

Just when Yue Wuya was thinking about this, he only saw four figures flying over from those pirate ships!

These four figures were too fast, almost in the blink of an eye, they arrived in front of the brothers and sisters. They were four sexy women, all in their twenties, wearing island-style short skirts, indescribably sexy and charming. People have a wild beauty, but the breath that permeates them is very amazing.

Chapter 2252

However, Yue Wuya was not in the mood to appreciate their beauty at all, feeling the strength of the four women, and was extremely shocked inside.

It turned out to be…all five emperors? !

Nima, Wu Duan Wuhuang!

Yue Wuya was shocked. Although he had never seen a pirate, he had heard a lot of legends about pirates. Most of the pirates were forced to go into exile at sea because they committed a heinous crime in Kyushu. , so the strength is not very strong, if it is strong, it will not escape to the sea to become a pirate.

But at this time, Yue Wuya never imagined that these pirates in front of him, and the four women who came at random, were all fifth-ranking Martial Emperors.

This kind of strength, in the Kyushu Continent, can be regarded as a top master!

Xue Luo Siyan, very cold and arrogant, with delicate faces, without the slightest expression fluctuations, quietly looked at the Yue Wuya brothers and sisters.

These four beauties are the four elders of the ‘Blood Shark’ pirate organization, known as ‘Blood Luo Si Yan’. Despite their beautiful appearance, they are all ruthless characters who kill without blinking. They all sensed that Yue Wu Ya and Hanbing are both cultivators, and their strength is not low, but they are not panic at all.

Snapped!

In the next second, Xue Luo Siyan didn’t say a word. After making eye contact, he suddenly shot at the same time and grabbed the wrists of Yue Wuya and Han Bing tightly. The brothers and sisters couldn’t react at all.

Afterwards, Xue Luo Siyan flew towards the pirate ship with her brother and sister.

“Hey, what are you doing?” Yue Wuya shouted in shock and anger.

At the same time, Yue Wuya struggled hard, but he clearly felt that the blood Luo Siyan was too strong to join forces, and his internal strength was completely suppressed, and he couldn’t use it at all!

On the largest pirate ship, Xue Luo Siyan put Yue Wuya and Han Bing on the deck.

call!

At this moment, seeing the scene in front of him, Yue Wuya was completely dumbfounded!

I saw that there were hundreds of pirates standing neatly around the deck of this pirate ship, all holding long knives, and at the bow of the ship, there was a chair carved from a huge fish bone.

On the chair sat a burly man.

This man looks about thirty-five. His facial features are sharp and angular, which makes people unforgettable at first glance. His bronze skin is full of explosive power, and he also has a suffocating powerful aura. !

At the man’s feet, there is a huge crescent machete, the blade is ice blue, with a cold light, this machete is two meters long.

Yue Wuya only glanced at it, and was immediately taken aback.

This machete turned out to be a rare purple weapon.

“Leader Long Zang, his subordinates brought these two people here.” At this moment, Xue Luo Siyan stepped forward and said respectfully to the man.

Yes, this man is the leader of the blood shark pirates, named Long Zang.

Long Zang, a natural talent in cultivation, unfortunately he was an orphan. He was bullied since childhood. He was framed at the age of thirteen and charged with murder. Finally, he had no choice but to escape to the sea and become a pirate.

Ten years ago, the blood shark formed by Long Zang was still very weak at the time. However, in the past ten years, Long Zang, with his great strength and outstanding talent, has annexed dozens of pirate organizations, large and small, and finally made the The blood shark has become the most powerful pirate force in the vast sea.

The dragon hides in the sea and has high prestige. It can be said to be the king of the sea!

Gudong.

At this moment, Yue Wuya looked at Long Zang, feeling inexplicably uneasy, and couldn’t help swallowing. Unexpectedly, in this harsh environment, there is such a powerful pirate leader.

The aura on this Long Zang body makes people who can suppress it breathless, making people afraid to look at him.

What makes Yue Wuya even more horrified is that Long Zang’s strength is unfathomable. He only feels a strong pressure, which is constantly permeating from Long Zang, making it difficult for people to breathe!

Nima… A pirate whose strength has reached the Tribulation Realm is incredible!

Yue Wuya swallowed heavily. Shocked.

The ice next to him, biting his lip, was also nervous.

“You guys!”

Finally, Long Zang took a few glances at Yue Wuya and Han Bing, and slowly asked, “Who are you? What are you doing on this sea?” The

voice was not loud, but it was full of majesty, unquestionable.

Chapter 2253

Long Zang clearly felt that the young men and women in front of them were both cultivators and their strengths were not low.

Knowing that the situation in the mainland of Kyushu was turbulent, Longzang was going to sack the ports on the coasts of various continents and plunder some materials. If the plan was to go smoothly, he must beware of cultivators from various continents.

And the young men and women in front of them are not low in strength, so they must question them carefully.

“I…”

Yue Wuya swallowed a mouthful of saliva, opened his mouth, and said, “Your Excellency, we are brothers and sisters, and we are all citizens of the Diyuan Continent. Recently, the Northern Ying army has invaded, and our homes have been destroyed. , our brothers and sisters decided to take a boat to the Tianqi Continent to take refuge!”

When he said this, Yue Wuya was very careful, he knew that if he said that he was a person from the rivers and lakes, the pirates in front of him would definitely not let him go.

After all, most of the pirates were pirates at sea because of their evil deeds, and they were chased and killed by the rivers and lakes of various continents. It can be said that pirates and people from all corners of the world are completely at odds with each other.

“Ordinary people?” Long Zang’s pupils shrank, and he said coldly: “Ordinary people have such a strong strength, and, looking at your injuries, you must have been killed before…” The

voice fell, a pounding Ling’s breath burst out from Long Zang in an instant!

With this breath, Yue Wuya couldn’t catch his breath. The original internal strength was not completely recovered, and it was difficult to breathe now!

“How dare I lie?” Seeing Long Zang’s disbelief, Yue Wuya hurriedly said: “We are indeed ordinary people. We were lucky when we were young, and we were taught by a master, but I have always been self-disciplined and cultivated hard. Participating in the battles on the rivers and lakes, and rarely interacting with people in the rivers and lakes, the injury on my body is due to the defense against the Northern Ying army, not the vendetta of the rivers and lakes.”

After saying this, Yue Wuya had a cold sweat on his forehead.

The strength of this pirate leader is really terrifying, and it is almost as easy as the palm of his hand to kill himself and his younger sister.

call!

Hearing this, Long Zang frowned and pondered.

For a while, the entire sea was silent except for the waves of waves.

“Someone!”

Finally, Long Zang came back to his senses, pointed at Yue Wuya and said, “Lock them up first, and then deal with them later!” With the

ability to annex dozens of pirate forces, Long Zang is not an ordinary person. It can be seen that Yue Wuya lied, but Long Zang is not in a hurry, and it will not be too late to deal with them when the identities of the two are found out.

After all, the most important thing now is to quickly loot the port resources of various continents. You must know that pirates seem to be majestic, but in fact, living resources are very scarce.

“Yes!” Hearing the order, several pirates came over immediately, escorting Yue Wuya and Han Bing, and locked them in the cabin below the deck.

Nima!

At this moment, Yue Wuya and Han Bing were both frightened and angry, and wanted to struggle at the same time, but the acupoints were blocked, and they were completely powerless.

“Leader!”

At this moment, a pirate came over and respectfully said to Long Zang: “There are still a few hundred nautical miles ahead, and you can reach Donghai City on the Diyuan Continent!”

When he said this, the pirate was extremely of excitement.

Um!

Long Zang nodded, showing a smile, and instructed: “Everyone is ready. After landing, let’s take advantage of the chaos in the Diyuan Continent. Let’s loot.”

Saying that, Long Zang remembered something, and instructed the person next to him: “By the way, while robbing the property, don’t forget to arrest some local people and inquire about the whereabouts of the “Returning to the Ruins Surveying the Sea Map”. When it came to “Returning to the Ruins and Surveying the Sea”, Long Zang’s sharp eyes flashed with a bit of complexity and heat.

More than ten years ago, when Long Zang first became a pirate, he heard a rumor. This rumor was that there were many shocking secrets hidden in the boundless seas, and these secrets were hidden in a “Return to the Ruins”. Among the charts for surveying the sea, there is only that picture, which disappeared thousands of years ago.

Many people say that the chart is just a rumor, and it doesn’t necessarily exist, but Long Zang is very convinced and has always kept it in his heart.

“Yes! Chief!” Many pirates responded in unison.

Returning to the market to survey the sea map?

Hearing this, Yue Wuya and Han Bing, who were locked under the deck, were shocked.

Immediately, the brothers and sisters looked at each other, and in each other’s eyes, there was indescribable complexity and surprise.

Could it be that… the sea map that Long Zang was looking for was the one that Tang Qingyun dropped before?

Chapter 2254

At this moment, the other side.

The Valley of the Wicked in the north of Zhongzhou City was like the Shura Slaughterhouse at this time, the air was full of blood and blood, and the fierce battle between the two sides continued.

“Ah!” The

screams and screams are endless! The mountains and plains seem to be dyed red with blood!

The battle is getting fiercer!

Although the Ouyang family, Huaguo Mountain, Changsheng Hall, and several hundred thousand Xi Cang army arrived in time to block the Northern Ying army, the situation was still not optimistic!

You must know that Yue Feng’s original plan was that after the defense of the Valley of the Wicked was deployed, the people would gather together to effectively hold back the Northern Ying army, but he rescued Ren Yingying and the various sects, and was intercepted by Yang Jian before he reached the Valley of the Wicked. Totally messed up!

In this case, even if Zhu Rong and Shennong helped him, he would not be the opponent of the Northern Ying army?

During this period, Yue Feng once commanded the Xicang army and deployed a large formation around it, but the mountain and forest environment was complex and uneven. Yue Feng was about to successfully deploy a formation, but it was destroyed by Gonggong.

As the water god known by the world, Gonggong's strength is too strong, which makes Yue Feng very headache!

In the blink of an eye, on the Earth's Continent side, the casualties were heavy, and they couldn't resist the Northern Ying army.

"Made…"

At this time, watching the Beiying army rushing in like a tidal wave, Yue Feng was anxious and hissed, "Everyone obeys the order and must defend the Valley of the Evil, even if they all die in battle, There can be no retreat! We have no way out!"

The Valley of the Wicked is the last barrier to resist the Northern Ying army. Once lost, the entire Diyuan Continent will be completely exposed to the iron cavalry of the Northern Ying army.

"Kill!"

Hearing this, everyone's blood was aroused, dragging their tired bodies, rushing up and continuing to fight!

However, seeing the constant fall of their companions, many people's faces were full of despair, and a dull atmosphere also shrouded everyone's hearts!

Even if the battle is at the last moment, what can it be?

The overall strength of the Beiying army is so strong, how could it be possible to stop them!

"Kill, kill!"

Yue Feng howled like crazy, waving Fang Tianhua halberd, sweeping away batch after batch of Beiying soldiers!

At this time, Yue Feng was also desperate. He knew that the Valley of the Wicked would definitely be unstoppable, but before it fell, he must kill more enemies.

"Brother Yue Feng, we are here!"

“Yue Feng, hold on!”

“Brother-in-law, we are here to help you!”

At this moment, bursts of shouts came from the distant mountains and forests, watching from a distance When I went, I saw hundreds of thousands of people coming in a mighty manner. These hundreds of thousands of people, dressed in different clothes, were obviously formed by the combination of many forces.

I saw more than a dozen people in the lead, all of them were familiar faces.

Dressed in white, he is indescribably dashing and suave. It is Zheng Chunqiu, the sect master of Danzong.

Wearing a long yellow dress, she is extremely beautiful and looks like a fairy, it is Ye Ziyi of the famous sword villa.

These are all the friends Yue Feng made on various continents.

At that time, in the Yellow Sea Continent, Yue Feng learned that the Northern Ying army was coming, so he asked Tianmen Hall Master Ye Fei to quickly go to various continents to send rescue. to support.

Among these crowds, there are five figures, very eye-catching, a sexy and charming, fairy-like woman, with four simple and honest men.

It was Sikong Yanran, the eldest miss of Icefire Island, and her four senior brothers.

For the past six months, Sikong Yanran has been with a senior brother, tracking the whereabouts of Yue Feng, but unfortunately, there have been misunderstandings and failed to see Yue Feng. In the end, Sikong Yanran was very disappointed and was about to return to Icefire Island. The news of the Northern Ying army attacking the Earth Continent.

Two days ago, Sikong Yanran met the people from Dan Zong and learned that they were here to support Diyuan Continent. Without any hesitation, they came together.

“Everyone!”

Seeing Zheng Chunqiu, Ye Ziyi, Sikong Yanran and the others, Yue Feng’s heart warmed, and he was speechless with excitement!

Chapter 2255 At the

critical moment, help me with all my strength, I can meet so many real friends in my lifetime, I really have no regrets.

“Brother-in-law!”

At this moment, Sikong Jia couldn’t help shouting: “You hold on, you must not be in trouble.” The

voice fell, and the other three Sikong Yi also shouted.

“That’s right, we’re still waiting for you and your sister-in-law’s wedding wine. You can’t die.”

“Don’t worry, as long as our four brothers are here, let him have a huge army, and don’t even think about taking a step forward.”

“Brother-in-law . , when the account is over, you can go to Icefire Island with us…” The

four brothers were simple-minded and said whatever they thought, no matter how many people were around.

Swish!

Seeing the four senior brothers, he began to speak openly again, Sikong Yanran’s delicate face suddenly blushed, and he said in a coquettish anger, “You all shut up!”

Haha…

Seeing this scene, Yue Feng couldn’t help but burst into laughter. , This was a depressed mood, but also suddenly relaxed.

I haven’t seen each other for such a long time, these four brothers are still so interesting.

Thinking to himself, Yue Feng shouted at the four brothers: “Thank you four brothers for your righteous support, don’t worry, as long as you win this battle, how much wine you want to drink, I Yue Feng has enough!”

Hearing this, The four brothers were very happy.

“Haha, this sentence is right!”

“Let’s see how I can defeat the Northern Ying army!”

“Come on, let’s compete with the four brothers to see who can kill the most!”

When the words fell, the four brothers shouted and rushed into the formation of the Beiying army.

“Dan Zong disciple obey the order, kill me!” Zheng Chunqiu drew out his long sword and let out a long roar, and led the Dan Zong disciple into the battlefield.

“The disciples of Mingjian Villa obey the order, help Yue Feng, and block the Northern Ying army!” Ye Ziyi shouted and followed closely!

Yue Feng once helped Mingjian Villa to get through the crisis, but because of some misunderstandings, he almost blamed Yue Feng, so in Ye Ziyi’s heart, he has always felt guilty for Yue Feng, and now he sees him resisting Beiying. The army was extremely weak, and Ye Ziyi couldn’t tell how anxious he was.

“Kill!”

In an instant, Dan Zong, Mingjian Villa, and other forces, a total of hundreds of thousands of people, poured into the battlefield like a tide, and the momentum was like a rainbow!

What?

Seeing this scene, Yang Jian, who was still entangled by the strong men of Youyan, was shocked and his face was extremely ugly.

Originally, Yang Jian had planned well, and after repelling Youyan and the others, he could focus on dealing with Yue Feng. As long as Yue Feng was killed, all the resistance forces in the Diyuan Continent would be scattered in a hurry. The continent fell into its own control.

However, Yang Jian never thought that at this last moment, forces from other continents suddenly came to support him.

What shocked Yang Jian was still behind.

“Yue Feng, here we are!”

Just when Yang Jian was secretly annoyed, he heard a coquettish shout from the sky again, and following the sound, everyone present was stunned!

In the valley not far away, I saw an army of several hundred thousand coming in a mighty manner.

Uniform silver armor, each holding a long knife, from a distance, a cold light, shocking.

In front of the army are two beautiful women.

Wearing a golden dragon and phoenix robe, a dignified and noble, graceful and gorgeous, full of royal majesty, is the Queen of the Southern Cloud Continent.

A man wearing red armor, showing his tight and graceful figure to the fullest, with an indescribable heroic appearance, it is Long Qianyu!

The ultimate husband in Chinese chapter 2256-2260

Chapter 2256

What…

Nan….The Queen of the Southern Cloud Continent is here in person? !

Seeing the scene in front of you, whether it is the Northern Ying army, the Earth Circle Continent, or even the forces of all parties in other continents, it is extremely shocking! All eyes converged on the Queen and Long Qianyu, unable to speak for a long time!

No one in the Kyushu Continent knows that although the Queen of Nagumo is a woman, she is very skillful. She manages the Nagumo Continent in an orderly manner. It can be said that she is the most legendary woman in Kyushu.

And such a high-ranking queen actually led the army to support the Diyuan Continent!

Obviously, this is a special trip to help Yue Feng!

The whole place was silent! Looking at Yue Feng, he was extremely shocked!

“The Queen is here in person…”

Everyone present was stunned, and there was a burst of discussion. The eyes of many men converged on the Queen and Long Qianyu, unable to extricate themselves.

The sisters, the queen and Long Qianyu, both have exquisite looks and sexy bodies, and they can be said to have their own merits. Appearing together at this time is almost dizzying and intoxicating!

Noble, charming, sexy…. all the beautiful words in the world, to describe them, it is not an exaggeration!

“Yue Feng, how are you?” The Queen’s eyes rolled around, looking at Yue Feng asking softly, full of concern.

A few days ago, the queen received Yue Feng’s request for help, and without any hesitation, she immediately led the army to the expedition. Speaking of which, the queen is high above and would never lead an army to expedition, but Yue Feng is different, not only the emperor of Xi Cang, Still the consort of the Southern Cloud Continent, Yue Feng’s safety is related to his sister’s happiness, so naturally he can’t see anything wrong with him.

Feeling the Queen's concern, a smile appeared on Yue Feng's face: "It's alright, hold on! Thank you Her Majesty the Queen for personally leading the army to support!"

After speaking, Yue Feng's eyes fell on Long Qianyu with a smile on his face. Said: "His Royal Highness, it's been a long time, don't worry, husband, I can't die!"

This chapter is provided by . Visit for daily update.

Haha…

At this moment, Yue Feng was in a very comfortable mood.

This Long Qianyu used to be so aloof, but because he has changed a lot, he wanted to make fun of her when he saw her.

"You!"

Long Qianyu's face turned red.

This Yue Feng has been hurt like this, and he is so eloquent!

"Hurry up and shut up, I think you're still too lightly injured!" Long Qianyu snorted, blushing and indescribably charming.

Whoa!

Seeing the hundreds of thousands of Nanyun army coming to support, waves of commotion broke out within the Beiying army. Every Beiying soldier's face was not good-looking.

Yang Jian in mid-air was even more pale, extremely ugly.

Seeing that, people like Yue Feng can be wiped out, but so many forces have come to support, and now, another Nanyun Continent has come!

Yang Jian's eyes swept across the Queen, Long Qianyu, Zheng Chunqiu and others, his eyes were extremely cold and furious!

With so many forces, I am afraid that this battle will make it difficult for the Beiying army to continue.

"Everyone, let's take action together and take down Yang Jian first!" Yue Feng shouted, his face full of excitement, and now the situation is more and more inclined to his side, as long as Yang Jian is taken down, the war will be won.

swoosh swish….

Hearing this, Long Qianyu, Zheng Chunqiu, Ye Ziyi and the others did not hesitate, and they all exploded their inner strength and went straight to Yang Jian. At this time, Yang Jian was still entangled by You Yan and others, and the situation was very embarrassing.

Swish!

Seeing Long Qianyu and everyone flying over, Yang Jian's eyes were extremely blood red, and his inner anger was completely aroused, and he sneered at the sky: "Okay, very good, since you are willing to die for Yue Feng, I will fulfill you."

Om!

Chapter 2257 The

voice fell, and a terrifying aura burst out from Yang Jian's body, and the surrounding air seemed to stagnate in an instant.

Horror breath, suppressing people panic!

Seeing the situation on the battlefield, the Beiying army became more and more passive, Yang Jian was completely furious, and roared loudly: "Today, no matter how many reinforcements come, it will not change the fact that the Earth Continent is destroyed!" The

voice fell, and the sky around Yang Jian In the middle, a terrifying force of heaven and earth gathered in front of him crazily, and then merged into the three-pointed two-edged sword. In an instant, the three-pointed and two-edged sword shone dazzlingly.

"Slaying the gods and destroying the sky!"

A few cold words came out of Yang Jian's mouth, and the next moment, the world changed color! Only one after another thunderstorm sounded above his head.

Immediately, Yang Jian clenched the three-pointed two-edged saber, and his whole body shone like a god, his body turned into a golden glow, rushing into the rolling clouds in the sky, disappearing from everyone's sight!

"Hey… such a strong breath!"

"What kind of skill is this?"

"What about people?" I

felt the terrifying aura permeating the world, whether it was Yue Feng, Zheng Chunqiu, Ye Ziyi, or You Yan and other Linglong Pagodas. The strong people were inexplicably

nervous, and on the ground, many people looked up at the clouds, and they were also depressed.

At this moment, everyone present can feel that between the clouds, there is a terrifying force surging wildly!

“This… this… Hou Yi’s stunt?” At one end of the battlefield, Zhu Rong’s burly figure trembled uncontrollably, and couldn’t help but mutter.

Shen Nong next to him also had extremely solemn eyes.

Most people have never seen this skill displayed by Yang Jian, but Zhu Rong and Shen Nong, who have also lived for a long time, are not unfamiliar.

call!

Hearing the muttering, Yue Feng couldn’t help but ask: “Brother Zhu Rong, Senior Shennong, do you know Yang Jian’s skill?”

When he said this, Yue Feng couldn’t help but glanced at the sky, feeling uneasy because Yue Feng felt Arrived, within that cloud layer, the power contained is too strong and too strong, completely beyond imagination.

Shen Nong took a deep breath, looked solemn, and said slowly: “In those days, the Great Emperor Hou Yi had a unique skill, which was unparalleled in the world, and it was called the Killing God and Killing the Heavens!”

Speaking of this, Shen Nong paused, unable to hide his inner feelings. Nervous, he continued: “This unique skill can transform into thousands of avatars, and it is so powerful that it is rare in the world. But this unique skill is only known by the Great Emperor Houyi, but the Great Emperor Houyi has already died violently, but he did not expect that Yang Jian would also Will…”

What?

Hearing this, Yue Feng’s heart trembled, and he couldn’t help taking a deep breath.

This… Yang Jian displayed the unique skills of Emperor Hou Yi?

That’s right, what Yang Jian performed was the unique technique of Emperor Houyi’s ‘killing gods and destroying the sky’. After Yang Jian became emperor at that time, he not only found a lot of treasures left by Emperor Houyi in the Beiying Palace, but also got Some peerless secrets of Hou Yi the Great.

And this ‘kill the gods and destroy the sky’ is one of them.

To be honest, Yang Jian held his own identity and never thought of showing the stunt of pressing the bottom of the box in front of everyone, but seeing so many forces to support Yue Feng today, Yang Jian was so angry that he couldn't care less.

In the next second, Yue Feng reacted and shouted at Zheng Chunqiu and Youyan in midair, "Quick, spread out…"

Since it is the stunt of Emperor Hou Yi, its power must be terrifying.

hum! hum! hum!

Hearing Yue Feng's words, everyone didn't react, only to see golden beams bursting down from the clouds, like a golden beam of light, there were thousands of them.

And just after those beams of light disappeared, Yang Jian's figure appeared, not one, but thousands!

Yes, thousands of Yang Jian!

Of these thousands of Yang Jian, only one is real, and the others are transformed from internal forces. However, they look real, lifelike, as if they are real. Moreover, these Yang Jian transformed from internal forces are also filled with powerful and powerful spirits. breath.

Chapter 2258

Hiss!

Seeing this scene, both Yue Feng and everyone around couldn't help but take a deep breath.

It's terrifying to actually turn out so many clones.

"Yue Feng!"

In the midst of the clones, Yang Jian's eyes were blood-red, staring at Yue Feng, and his icy voice spread throughout the valley: "Everything is over!" The

voice fell, and Yang Jian waved the three-pointed and two-edged blades in his hand. The knife, with a flash of cold light, saw nearly a thousand clones around, bursting out one after another.

These clones were very fast, and wherever they passed, the entire sky was torn apart. Finally, nearly a thousand figures fell into the crowd, and the entire valley was filled with dust!

Boom!

So many clones erupted at the same time, and the terrifying power formed directly destroyed the entire valley of villains and turned them into ruins, and within the shrouded range of this terrifying power, whether it was the people of the Earth Circle Continent, the soldiers of Xi Cang, or even the South The cloud army, all in ash.

The people who were not bombed and killed were also injured by the terrifying Yu Wei.

This…

Seeing the scene in front of them, everyone's back is cold and their heads are buzzing!

There was silence between heaven and earth. Everyone looked at Yang Jian in midair, shocked and completely dumbfounded.

This Yang Jian's strength is too terrifying.

With just one move, tens of thousands of people were killed in Huangquan. How can this battle go on?

Nima!

Seeing the power of Yang Jian's 'God-killing and Sky-killing' move, Yue Feng's hands trembled, sweat broke out, and his anger was also aroused.

Is this Yang Jian's true strength? The power of this God-killing Heaven-killing Slash is terrifying!

Yang Jian was suspended in the air, his armor shone with golden light, majestic and majestic, and his body was filled with a powerful aura. It was like a god descending from the earth, his expression was icy, without the slightest fluctuation.

Yes, although God Slaughter and Sky Slash is powerful, the internal energy consumed is unimaginable.

At this time, after Yang Jian performed the God-killing and Heaven-killing Slash, his internal strength was almost exhausted.

Swish!

Finally, Yang Jian's eyes locked on Yue Feng, and his icy voice came out word by word: "I said, you are not an opponent, lead to death!" After the

voice fell, Yang Jian flashed, holding the three-pointed pair tightly. The blade came straight to Yue Feng.

Yang Jian knew that he could no longer fight because of his own situation, but if Yue Feng was released today, he would have endless troubles, so he had to be killed.

Nima!

Seeing Yang Jian burst out, Yue Feng was startled, and it was too late to dodge, so he just gritted his teeth and held Fang Tianhua halberd tightly, ready to block the blow.

At this time, Yue Feng can feel that Yang Jian is already at the end of his force. If it was normal, Yue Feng could have avoided it immediately. For Yang Jian, there is no chance to dodge at all!

“Leader!”

“Yue Feng!”

“Fengzi…”

Seeing this scene, the Queen, Ren Yingying, and Wen Chou Chou couldn’t help but exclaim, and wanted to rush over, but Yang Jian’s speed was too fast. Totally unable to support.

“Amitabha!”

Seeing that the three-pointed and two-edged sword was about to stab Yue Feng, at this critical moment, a loud Buddha’s horn sounded throughout the valley.

hum!

The next second, a figure stood in front of Yue Feng, raised his hands, a golden Buddha light flashed out, and then deployed a protective layer in front of Yue Feng.

The visitor was tall and tall, dressed in a gray monk’s robe, and his face was kind, but his body was filled with an inviolable majesty.

It’s Moroye!

As the head of the Linyin Temple in the Chaos Mountains, Moraye went down the mountain to set foot in the Kyushu continent this time, shouldering an important mission. Half a day ago, Moraye arrived at the Diyuan Continent and learned that Yang Jian’s army was in the valley of the villains and Diyuan. There was a fierce battle on the mainland, and Moroye hurried over.

As soon as he arrived at the Valley of the Wicked, Moraye saw that Yang Jian was trying his best to kill Yue Feng. At that time, Moraye stopped in front of Yue Feng without thinking about it.

Speaking of which, Moraye didn't know Yue Feng yet, but Buddhism was very compassionate, so naturally he didn't want to see such a bloody scene.

The protective layer quickly condensed, and the golden light above was shining, which was Moraya's defensive skill: Heavenless Brahma.

Chapter 2259

Bang!

At this moment, the three-pointed and two-edged sword slammed on the protective film, making a roar that shocked the world, and the entire valley trembled.

Under the roar, the protective layer shattered instantly, but Yue Feng, who was being protected, was nothing at all!

Speaking of which, Yang Jian is the most powerful person in the Kyushu Continent. There are very few people in the world who can block this blow, but just now, the internal strength was severely depleted, and this blow was greatly reduced, and Moraye is a Buddhist monk, and his internal strength is extremely strong. Naturally The blow was successfully blocked.

Whoa!

All of a sudden, everyone present was in an uproar, staring blankly at Moroye, speechless in shock.

This…. who is this monk? He actually blocked Yang Jian's blow?

Because Linyin Temple is located in the Chaos Mountains, the monks in the temple rarely appear in Kyushu, so everyone present did not know Moraya, let alone his origin.

call!

Yue Feng was also stunned, looking at Moroye in surprise, surprised and happy.

Who is this person? Such a strong internal force actually blocked Yang Jian…

Judging from the style of his monk robes, it does not look like a Shaolin sect, and I have never heard of such a powerful existence in Shaolin.

Under the surprise of everyone, Shaolin Master Kongwu and many Shaolin disciples frowned and pondered one by one.

Um?

At this time, Yang Jian also frowned and stared at Moroye, his face extremely ugly.

Where did the monk come from? It looks ordinary, but its strength is not weak.

rustling…

Just when everyone was secretly guessing the identity of Moroye, they heard footsteps in the woods not far away, and soon, a young monk, holding an ancient Zen staff, appeared in front of everyone.

It is Duan Yu, the Buddha's Dharma name was transformed.

At this time, Duan Yu, wearing a monk's robe, shaved his head, and the nine ring scars on his head are very eye-catching, his handsome face, his expression is blank, and there is no mood swing!

The Zen staff in Duan Yu's hand is exactly Moraya's weapon, called 'Dharma Zen Heart Staff'. The status symbol of the door.

Buddhism pays attention to cultivating the mind of Zen, and all good things come first, so Moraye never uses the Bodhidharma Zen Heart Staff easily, and Duan Yu, as an apprentice, helps to hold it.

Swish!

As soon as Duan Yu appeared, the eyes of everyone in the audience immediately focused on him.

Of course, most of his eyes were on the Zen staff in Duan Yu's hand, and he seldom paid attention to Duan Yu himself. Since he shaved his hair and became a monk, Duan Yu's appearance and temperament have undergone earth-shaking changes, and he is completely different from before. Whether it was Yue Feng or anyone else who was familiar with him, when they saw him at this time, they couldn't recognize him at all.

Duan Yu ignored everyone's gaze and walked straight towards Moroye.

"Master!"

When he got to the front, Duan Yu handed the Zen stick to Moraye, with a respectful tone: "Next time Master makes a move, can you say it ahead of time? The disciple can't catch up." His

tone was a little dissatisfied, but he didn't say anything. out of awe.

In the past few days, Moroye often talks about Buddhism, trying to resolve the evil thoughts in Duan Yu's heart, which makes Duan Yu have a headache, but thinking of Moroye's strength, he does not dare to be presumptuous.

Um!

Moroye nodded, took the Zen staff, then turned his head to look at Yue Feng, smiled and said, "Donor, are you alright?"

Yue Feng shook his head and said gratefully, "Thank you Master for your help. Dare to ask Master… ."

After he finished speaking, he was interrupted by Yang Jian.

"Dharma Chan Heart Staff?" Yang Jian looked closely at the Chan Staff in Moraya's hand, unable to hide the shock in his heart, and asked, "What is the relationship between you and the Buddhist Patriarch Bodhidharma?"

As a strong man who has been famous for thousands of years , is respected by the world as Erlang Zhenjun, Yang Jian has a lot of knowledge and knowledge, and he can see at a glance that the Zen staff in the monk's hand is the Buddha's Zen Heart Staff in Buddhism.

Gonggong, Zhu Rong, Shennong and others also looked at Moroye closely, secretly shocked.

Yes, they are all people who have been famous for thousands of years, and I can see that.

What?

The voice fell, and the audience was in an uproar.

Master Dharma?

Is this monk related to the Buddha Dharma Patriarch?

Chapter 2260

Especially Yue Feng, who stared blankly at Moroye, speechless in shock.

Nima!

This monk is so big? Is it related to Patriarch Bodhidharma?

According to historical records, Patriarch Bodhidharma founded the Buddhist Zen School and promoted Buddhist culture, which has influenced countless people for thousands of years. Who does not know the name of Patriarch Bodhidharma? Almost no one knows about it.

call!

Under the astonished gazes of everyone, Moraye let out a sigh of relief and smiled at Yang Jian: “Your Excellency the true monarch has good eyesight, poor monk Moraye, this is my apprentice’s reincarnation, the poor monk is from the Primal Chaos Mountain Range. Hidden Temple, and Linyin Temple was built by Patriarch Bodhidharma.”

When he said this, Moraya smiled and spoke softly.

As an eminent Buddhist monk, Moraya treats all people in the world equally, and does not treat him specially because the person in front of him is the famous Erlang Zhenjun in Kyushu.

Whoa!

The voice fell, and everyone around was in an uproar again.

This monk… is really related to Patriarch Bodhidharma!

But the Linyin Temple he mentioned, why haven’t I heard of it before?

“Amitabha!”

At this moment, Shaolin Master Kong Wu, as well as many disciples behind him, all folded their hands towards Moraya and proclaimed the Buddha’s name, all of them looked extremely humble.

Shaolin and Patriarch Bodhidharma have a deep relationship. It is said that many of Shaolin’s unique skills were left by Patriarch Bodhidharma. At this time, seeing the inheritors of Patriarch Damo is naturally extremely respectful.

call!

At this time, Yang Jian took a deep breath, looked at Moraye and said, “Even if a Buddhist expert doesn’t study Buddhist scriptures in the temple, what are you doing here?”

When he said this, Yang Jian gave Yue Feng a cold look, very angry and unwilling.

Almost, I almost killed this kid just now, but was stopped by this Moraye, what a pity.

“Master!”

At this moment, Yue Feng couldn’t help expressing gratitude towards Moraya: “Master, I am grateful to Yue Feng for helping, but then again, it seems that Master and I have never met before.”

Said At these times, Yue Feng was very puzzled.

It was the first time I met this Moraye, why did he save me?

Moroye smiled slightly, but did not answer Yue Feng immediately!

In the next second, Moroye looked around the audience, his eyes finally fell on Yang Jian, and he slowly said: “Your Excellency is respected by the world as Erlang Zhenjun, famous in Kyushu, but at this time, for a single selfish desire, he led the army to conquer all over the place, causing everyone to suffer. The people of the mainland are not living well, so many people died in vain, how can I turn a blind eye to the compassion of the Buddha?”

Hearing this, Yang Jian frowned, and said impatiently: “I am not from your Buddhist school, I can’t listen to your great truths, and I see it in Da For the sake of Master Mo, I don’t care about you, just get out of the way, no matter how busy I am, don’t blame me for being rude.”

Om!

The words fell, Yang Jian’s eyes flashed with coldness, and a strong aura permeated his body.

For a time, the atmosphere instantly became tense.

Feeling Yang Jian’s anger, Moraye did not panic at all, and said lightly: “Your Excellency, please be safe, I, Linyin Temple, have never participated in disputes in Kyushu, but the poor monk is indeed on a mission to go down the mountain this time. .”

After speaking, Moroye’s face became solemn, looking at Yang Jian and continued: “Half a month ago, I, the monk of Linyin Temple, observed that in the wild and strange realm on the other side of the Chaos Mountains, the evil spirit was soaring to the sky, I was afraid that I was expelled back then. The Rakshasa people there are going to make a comeback… This matter is related to the safety of Kyushu, so I also ask Your Excellency the True Monarch, as well as everyone present from all continents, to let go of their hatred and work together to defend against foreign enemies…”

The ultimate husband in Chinese chapter 2261-2265

Chapter 2261 The

words were loud and sound, with endless sincerity.

Whoa!

Hearing these words, everyone present was in an uproar, and they couldn't hide their surprise and shock, and there was a lot of discussion.

"What? Savage Territory?"

"I know the Primal Chaos Mountains, but isn't that the border of the Kyushu Continent? Why is there another Savage Territory?" "What the hell is this monk talking

about?"

The face is incredible, because they have never heard of the wild and strange domain, not only that, but also very little recorded in historical documents.

In the world's cognition, only the Kyushu Continent and the surrounding seas are known. This is the first time I have heard of it, and there is also a wild and strange domain.

On the other hand, Yang Jian, Gonggong, Zhu Rong, and Shennong, who had been practicing for nearly a thousand years, all looked solemn.

call!

Yue Feng was also stunned, looking at Moroye closely, his mind full of question marks.

Wild and strange realm?

What is this place?

The next second, when he saw a few Shennongs, they were all silent, and Yue Feng couldn't help but ask: "Senior Shennong, what's going on in this wild and strange land? And the Rakshasa clan, who are they?"

When he said this, Yue Feng's face was full of urgency and expectation.

This chapter is provided by . Visit for daily update.

Like everyone else, Yue Feng only knows that the world is divided into the continent of Kyushu, and the border of Kyushu is the Chaos Mountains, where the environment is

extremely harsh. It never occurred to me that on the other side of the Chaos Mountains, there is another world.

Swish!

As soon as the voice fell, Ren Yingying, Jiang Shan, Wen Chou Chou and everyone around them all focused on Shen Nong, waiting for his answer.

call!

Shen Nong took a deep breath and said slowly, “The Wild and Strange Territory is a very special place, with a vast area, as large as the Kyushu Continent combined, but the environment there is extremely harsh, and ordinary people can’t survive there at all…

” A few minutes after coming down, Shennong explained the origin of the wild and strange realm in detail.

It turned out that after Pangu opened up the world, the earth was not only divided into Kyushu. Outside of Kyushu, there was an area where there was no light all year round, and there was evil and danger everywhere. , The mountains are covered with snow and ice all year round, and the plains are mostly covered by poison barriers. That’s why it’s called the Wilderness Territory.

As for the Rakshasa tribe, it was a tribe under the Yellow Emperor thousands of years ago. The Rakshasa tribe was able to conquer and fight well. Back then, they helped the Yellow Emperor fight against Chiyou and made great achievements.

However, the people of this Rakshasa clan highly advocate force, and their methods are extremely cruel and bloody. After the Yellow Emperor unified the Kyushu continent, he did not actively help the Yellow Emperor to govern the territory, but caused trouble everywhere. , Because of a small friction, the Rakshasa tribe directly wiped out another tribe.

After learning of the situation, Huangdi was furious, and led his troops to drive the Rakshas out of the Kyushu Continent and exiled them to the Wild and Stupid Territory, allowing them to fend for themselves. Build a chaotic mountain range to prevent the Rakshasa from coming back.

After the formation of the Chaos Mountains, the Yellow Emperor exerted his powerful strength to lead the underground magma to the Chaos Mountains, where volcanoes were formed. In this way, the Rakshasa would have to bear huge risks if they wanted to pass through the Chaos Mountains and return to the Kyushu Continent. .

After the Rakshasa tribe was exiled, under the wise governance of the Yellow Emperor, the continent of Kyushu regained its tranquility.

On the Rakshasa side, because of the harsh environment in the wild and strange realm, a lot of people died after the Rakshasa tribe went there, and the situation was very desolate, but in the end, with their strong physical fitness, they managed to resist the harshness there. The environment took hold and began to multiply.

Later, when the Rakshasa developed a certain power, they wanted to cross the Chaos Mountains and return to the mainland of Kyushu. However, as Huangdi expected, the Chaos Mountains were too dangerous. Not only were there volcanoes, but also hurricanes were often raging. The Rakshasa tried several times, because The casualties were heavy, and they all gave up in the end.

Because these things are too long ago, almost no one in later generations knows about them.

And Shennong, Zhu Rong, Gonggong, and Yang Jian know a little bit because they have practiced for thousands of years and are well-informed.

Chapter 2262

This…

In an instant, after listening to Shennong's remarks, both Yue Feng and the people around him couldn't help but gasp and became completely dumbfounded.

So…. what Moroye said was true.

There are really wild and strange domains and Rakshasa.

Gudong!

Yue Feng couldn't help but sighed and spit, thinking back to Shennong's story, he was shocked.

Total shock.

Huang Di is worthy of being the most outstanding leader in ancient times. Not to mention the exile of the Rakshasa clan to the wild and strange realm. He even ordered people to build a mountain, and with the power of one person, he led out the underground magma to form a volcano. His strength was strong. I can't imagine it.

The people around did not speak, and they were all immersed in their own shock.

"Master Moraye."

At this moment, Yang Jian reacted and looked at Moraye with a half-smiling smile: “You are the inheritor of Patriarch Bodhidharma, and you are considered a Buddhist monk, so don’t talk about these appalling things. Things.”

After speaking, Yang Jian’s eyes became cold, and he continued: “The Chaos Mountains are the natural dangers that His Majesty the Yellow Emperor ordered people to build. There are volcanic hurricanes on them, and they are extremely sinister. ?”

When the last sentence fell, Yang Jian was full of mockery.

In Yang Jian’s heart, Moraye suddenly appeared. The purpose was to stop the war. The Rakshasa was just an excuse. After all, the Rakshasa was trapped in the wild and strange territory for thousands of years. If they could cross the Chaos Mountains, they would have Action, how could it be possible to wait until now?

“Amitabha!”

Seeing Yang Jian’s disbelief, Moroye was very helpless. After chanting a Buddha’s name, he said seriously, “The poor monk never lies. Thousands of years ago, Patriarch Bodhidharma traveled all over the world to study Zen and enlightenment, and he once visited the wild and strange realms!”

What?

In an instant, Yang Jian’s face changed, and he was indescribably shocked.

Patriarch Bodhidharma actually went to the wild and strange realm? You know, that place is full of dangers, especially the Chaos Mountains. It is very difficult to successfully cross the mountains. Yang Jian has always been confident in his own strength, but he is not sure that he can cross the Chaos Mountains safely. The Patriarch successfully crossed the Chaos Mountains and went to the wild and strange realm thousands of years ago.

call!

At the same time, Zhu Rong, Gong Gong, and Shen Nong were also extremely shocked.

As expected of the Patriarch Bodhidharma, he has successfully crossed the Chaos Mountains.

“Your Majesty!”

At this moment, Moraye smiled slightly, looked at Yang Jian and said, “After Patriarch Bodhidharma went to the wild and strange realm, he saw the development of the Raksha tribe with his own eyes. , It has been more than two thousand years, and it is

reasonable to say that under such a harsh environment, the Rakshasa people should also be extinct. However, instead of extinction, the Rakshasa people have developed and grown, and their clansmen have spread all over the wild and strange realm. , not only that, but also successfully tamed the poisonous insects and beasts there…"

After speaking, Moraye's expression became solemn and continued: "When I saw such a scene, Patriarch Bodhidharma was very impatient, and realized that the Rakshasa clan had long ago. I'll come back after I'm done, and it will harm the continent of Kyushu, so I built the Linyin Temple in the Chaos Mountains, so that we can easily detect the situation in the wild and strange realm, and prevent it from happening."

After finishing the last sentence, Moroye looked directly at Yang Jian, saying a word. One sentence: "I, Linyin Temple, have abided by Bodhidharma's last wish for thousands of years, and have been sticking to the Chaos Mountains to observe the situation in the wild and strange realm. How can this monk casually lie about such a big event?"

This. ..

Facing Moroye's questioning, Yang Jian's face was extremely embarrassed and he was speechless.

call!

At this moment, all the people present couldn't help but take a deep breath, each with incomparable admiration for Patriarch Bodhidharma.

Patriarch Bodhidharma really deserves to be the first person in Buddhism. He sacrificed himself for others. He established Linyin Temple in such a bad place as the Chaos Mountains.

This kind of selfless, heart-warming mind and courage is truly unparalleled.

Compared with Patriarch Bodhidharma, in the past thousand years, so many famous people have emerged in the Kyushu continent, and they are nothing.

Chapter 2263

Oh!

At this moment, Yue Feng sighed, feeling indescribable in his heart.

As the sect master of Tianmen, the emperor of Xi Cang, and the hero of Diyuan Continent, Yue Feng is often very pleased with these names, but at this time, he is also sighed when he learns what Patriarch Bodhidharma has done.

"But…"

Finally, Yang Jian reacted and couldn't help but said to Moraye: "Even if what you say is true, the Rakshasa clan in the wild and strange realm has developed very powerfully over the past few thousand years. , but no matter how strong it is, it will be difficult to climb over the Chaos Mountains…"

Before he could finish speaking, Moroye interrupted.

"Your Majesty!" Moraye smiled bitterly and shook his head: "You are right, the Rakshasa clan did not have the strength to read the Primal Chaos Mountain Range back then, but with their strength, they now have this ability!"

After speaking, Moraye continued with a solemn expression: "The poor monk has already said that recently, our Linyin Temple has been constantly discovering that there is a powerful evil force surging on the other side of the Chaos Mountains. If the poor monk guessed right, Luo The Sha clan already has the ability to climb over the Chaos Mountains, or they may directly raze the Chaos Mountains to the ground…"

Hu!

Hearing this, whether it was Yang Jian, Gonggong, Shennong and others, they couldn't help but gasp.

Flatten the Chaos Mountains?

What kind of terrifying power does that require?

At the same time, the empress, Long Qianyu, Ren Yingying, and the Seven Fairies all trembled. Although they didn't understand what was going on, they were all moved when they saw Yang Jian's existence. , of course no trivial matter.

"Your Majesty!"

At this time, Moroye looked closely at Yang Jian, and his tone was full of expectation: "You are a man of great talent and strategy. Compared with your achievements in conquering cities and territories, the safety of the Kyushu Continent is the most important thing. Stop the war."

Phew!

Hearing this, Yang Jian's eyes flickered and he pondered for dozens of seconds before issuing the order: "All troops obey the order, withdraw!"

After speaking, Yang Jian turned his head towards Gonggong and instructed: "You can send someone, Go to the Chaos Mountains to check the truth, and if there is a situation, report it immediately."

When he said this, Yang Jian gave Yue Feng a cold look, his eyes full of unwillingness.

To be honest, the Diyuan Continent is about to be completely occupied, and Yang Jian is extremely reluctant to withdraw his troops like this.

But there is no way. The situation Moroye said is related to the safety of Kyushu. If the Rakshasa tribe really invades, and Kyushu is in turmoil under its own conquest, how can it stop the army of the Rakshasa tribe?

More importantly, all the continents came to support Yue Feng. Just now, with the Zhushen Destroying Heaven Slash, Yang Jian's internal strength was almost exhausted, and he was no longer able to continue fighting.

"Yes, Your Majesty!" Gong Gong responded and immediately went to deploy.

Swish! Swish! Swish!

At the same time, under the order of Yang Jian, the Beiying army quickly assembled, arranged in a neat formation, and withdrew from the valley in an orderly manner.

Whoa!

Seeing this scene, the forces of the various continents, the Xi Cang army, and the Nanyun army were all talking about it.

Especially Si Kongjia and the others couldn't help shouting.

"This…this is the truce?

"Yeah, I haven't enjoyed it yet! "

"Speaking of which, what the monk said is true or false? Why do I think that Yang Jian couldn't fight, so he deliberately sent a monk to talk nonsense here…"

The words of the four brothers attracted many people to nod in agreement. In their hearts, the savage and strange domain and the Rakshasa clan said that they were godlike, and they didn't seem to be true at all, and they felt too absurd.

Chapter 2264

Moraye ignored everyone's discussion and looked at Yue Feng: "Your Excellency is the Emperor of Xi Cang, the Lord of Tianmen Yue Feng, even if Yang Jian is arrogant and conceited, he can stop in time in the face of right and wrong, your Excellency, no matter what Whether it is courage or ability, it is no worse than Yang Jian, and he should also be able to let go of the hatred of war."

“Master is right!” Yue Feng nodded.

When he said this, Yue Feng looked at the direction where Yang Jian and the Beiying army were leaving, his eyes flickering with complexity.

To be honest, the forces of various continents and the Nayun army provided timely support, and the situation was finally reversed. Yue Feng really didn’t want to let Yang Jian go.

But what Moroye said was right, the safety of the Kyushu Continent was the most important thing.

After making the decision, Yue Feng looked around and said, “Everyone in the Tianmen can summon elite disciples and prepare to go to the Chaos Mountains to garrison. Make no mistake! Others, clean up the battlefield!”

Since the Rakshasa thing is true , without delay. Besides, Yang Jian has already sent people to investigate, so he can’t be left behind.

Yue Feng thought about it, and sent some people to investigate the situation first. After confirming, he would go there in person.

As soon as the voice fell, Queen Nanyun, Zheng Chunqiu, Ye Ziyi and everyone also issued orders to send people to guard in the Chaos Mountains.

“You really have the hearts of the common people.” Moraye nodded in relief and smiled: “The poor monk really admires it. However, you rarely go to the Chaos Mountains, and I, Linyin Temple, have been there for thousands of years, and I have a lot of respect for the local people. I understand the situation very well, why don’t I, my apprentice, go back with you.”

When he said this, Moroye looked serious.

Um!

Hearing this, Yue Feng and the Queen nodded their heads without any objection.

The next second, Yue Feng looked at Moroye and couldn’t help asking: “Master, listen to what you mean, won’t you go back to the Chaos Mountains for the time being?”

Moroye smiled and replied, “The Rakshasa are in the wild. The Wei Territory has developed for thousands of years, and its strength is very strong. It needs the entire Kyushu to unite to resist. Now only those of you who are present know the situation, and some continents don’t know it, so the poor monks still need to lobby one by one.”

Listen . When he said this, Yue Feng couldn't help being awe-inspiring: "Master works tirelessly, it is the true heart of the common people, we people are really not as good as ourselves!"

Moroye smiled and said no more, tilted his head to face Duan Yu said: "Metamorphosis, the several continents present are planning to send people to guard the Chaos Mountains, so you can accompany you."

After speaking, Moroye handed a string of Buddha beads on his body to Duan Yu and continued. : "The location of our Linyin Temple, I told you before. After you arrive, you take out the Buddha beads. The disciple of Linyin Temple will know that you are my disciple, and will naturally arrange it properly."

When saying this , Moroye looked at Duan Yu's eyes, full of expectations.

Bringing people from all continents to gather at Linyin Temple, Moraye did it himself, but he had to lobby other continents, so he had to let his apprentice do the work for him.

Ah?

Hearing this, Duan Yu was stunned for a moment, and then he resisted a little: "This task is too arduous, and the disciple is afraid that he will not be able to do it."

When he said this, Duan Yu's expression was calm, but his heart was a little nervous.

Almost all of the people present have hatred with him, especially Yue Feng, who is almost at odds with himself. How could he lead the way for these people?

More importantly, as soon as you speak, will Yue Feng and these people recognize their identity?

In fact, Duan Yu was overthinking it. At this time, Yue Feng and the others around him were all on the Primal Chaos Mountains, and didn't pay special attention to him at all.

"Metamorphosis!" Seeing that Duan Yu was a little unwilling ,

Moroye was a little unhappy, and said sternly: "We are Buddhists, and our hearts are in the world. Now that the Kyushu continent is facing a huge crisis, how can we stay out of it?"

Doubt.

To be honest, considering Duan Yu's nature, Moroye knew that it was a bit hasty to hand over this important mission to him, but Moroye firmly believed that after this period of influence, Duan Yu had already restrained his bad nature and would not Let yourself down.

After all, the safety of Kyushu is everyone's responsibility.

"This…"

Chapter 2265

Duan Yu frowned, very tangled, and finally nodded and said, "The disciple will obey the master's orders." The

mouth was respectful, but Duan Yu's eyes flashed with a hint of gloom.

So Moraye, I have to take people from various forces to Linyin Temple…. OK, I will take them all to hell when we are halfway there!

Soon, Tianmen and the various forces present quickly assembled, tens of thousands of people.

Under the arrangement of Moroye, Duan Yu led these tens of thousands of people and set off in a mighty manner, rushing towards the direction of the Chaos Mountains.

As soon as the forefoot left, Moraye also left.

Afterwards, the Queen, Long Qianyu, Zheng Chunqiu, Ye Ziyi and others also all left.

call!

At this moment, Yue Feng looked at the direction where everyone was leaving, and his heart was extremely heavy.

It has been an eventful time recently. The war has not yet completely subsided, and a new crisis has appeared on the Chaos Mountains.

In just one day, the Northern Ying army and the Diyuan Continent stopped fighting, and the news that the Rakshas were about to cross the Chaos Mountains quickly spread throughout the Kyushu Continent. In an instant, the situation in the Kyushu Continent was changing, and people everywhere were talking about it. , Some people are flustered, and some people are as if nothing happened, in short, there are different opinions.

…..

Chaos Mountains.

The Chaos Mountains are located on the northwestern edge of the Kyushu continent. They stretch for thousands of miles and are shrouded in dark clouds all year round. The

mountains are all black stones. From a distance, they look like a black dragon lying on the edge of the Kyushu land.

In the middle of the Chaos Mountains, there is a lonely temple, which is Linyin Temple.

Going down the Linyin Temple is a winding road, which is inaccessible and indescribably desolate.

At this time, at the entrance of the small road down the mountain, two slim figures are slowly approaching. The two women have peerless youthful faces and compact bodies, but they are both tired and dazed.

It was Su Qingyan and Xu Qingyi.

In the ruined temple at that time, Duan Yu was about to forcibly humiliate Su Qingyan, but was interrupted by Moraye who was passing by. After Moraye subdued Duan Yu, he released Su Qingyan and Xu Qingyi.

However, after Su Qingyan and Xu Qingyi were freed, they originally planned to find Zhu Bajie, but because they were unfamiliar with the environment, they went further and further, and finally walked out of the Yellow Sea Continent and came to the generation of Chaos Mountains.

Just now, I saw that there was a temple in this vast black mountain range. After discussing with Xu Qingyi, Su Qingyan decided to enter the temple and ask.

“Huh…”

On the mountain road, seeing the surrounding environment, Su Qingyan bit her lip and said nervously: “This place is so desolate, I don’t know if the temple above is dangerous.”

Although I have not known each other for a long time , but after two days of contact, Su Qingyan and Xu Qingyi have become good friends. Xu Qingyi was also a little nervous, but she still comforted

: “Since it’s a temple, people in Buddhism are all compassionate, so what’s there to be afraid of?

“

The monk, with a solemn expression, said to Su Qingyan, “This is the Chaos Mountain Range, it is very dangerous, please leave the two female benefactors quickly.”

As he said, the monk looked around cautiously.

That’s right, this monk is a disciple of Linyin Temple. Because recently there are evil spirits surging in the wild and strange areas on the other side of the Chaos Mountains, the temple sent disciples to patrol nearby. As soon as this disciple came out to patrol, he saw two Su Qingyans.

very dangerous?

Hearing these words, Su Qingyan and Xu Qingyi looked at each other, both puzzled.

Isn’t it just a mountain, what’s the danger?

The ultimate husband in Chinese chapter 2266-2270

Chapter 2266

Om!

Just when Su Qingyan was secretly surprised, suddenly, behind a big black stone not far away, a figure rushed over quickly. his face.

boom!

The figure was so fast that neither Su Qingyan nor the monk had time to react, so he heard a muffled groan, and the monk slapped him in the mouth, a mouthful of blood spurted out, and fell directly into the pool of blood.

Seeing this scene, both Su Qingyan and Xu Qingyi trembled, and at the same time, seeing each other's appearance, they couldn't help taking a deep breath.

This is a middle-aged man, about thirty years old, two meters tall, wearing a robe made of animal fur, with a white face.

What shocked Su Qingyan and Xu Qingyi was the strength of this person. Not only is it transcending the Tribulation Realm, but also, his dantian internal force is not the same as ordinary people. It turns out that the meridians are retrograde

. Who is this person? Wearing clothes made of animal skins, looks like a barbarian, so powerful? The cultivation method is also so strange.

At this moment, the man's face was expressionless, his eyes were like falcons, and he looked at Su Qingyan up and down.

Yes, this man is a member of the Rakshasa clan, a spy sent by the Rakshasa clan. He has just experienced some thrills and crossed the Primal Chaos Mountains. As a result, he met two Su Qingyan and this patrolling Linyin Temple. disciple.

The Rakshasa people acted ruthlessly, and they simply killed the disciples of Linyin Temple without hesitation.

"You…"

Finally, Su Qingyan was the first to react, looking at the man and asking, "Who are you? Why did you want to kill this monk?

"

As soon as the words fell, the man did not respond, but suddenly shot, hit the acupoints of Su Qingyan and Xu Qingyi, then grabbed their hands, jumped, and headed towards the top of the mountain.

This chapter is provided by . Visit for daily update.

In an instant, Su Qingyan and Xu Qingyi were shocked and angry, and wanted to struggle, but their inner strength was suppressed and they couldn't exert it at all.

Huhuhu…

Soon, when they reached the top of the mountain, both Su Qingyan and Xu Qingyi's expressions changed, and they were flustered.

On the top of the mountain, there is a huge crater with a diameter of tens of thousands of meters. Not only that, but the surrounding hurricanes are whistling, very violent, not to mention people, even a building can blow up.

However, in such a harsh environment, the man looked indifferent, clutching the two Su Qingyan tightly, sticking to the mountain like a gecko, following the edge of the crater, slowly moving towards the other side of the mountain.

call!

Seeing this scene, Su Qingyan and Xu Qingyi were both stunned.

In this environment, you can still take two people to act. Who is this person?

At this time, the two Su Qingyans did not know that this man lived on the other side of the Chaos Mountain Range, a Rakshasa clan in the wild and strange realm. For thousands of years, the Rakshasa people have already adapted to this harsh environment. .

A few minutes later, Su Qingyan and Xu Qingyi couldn't stand the scorching high temperature of the crater and the hurricane that could destroy almost everything. As soon as they closed their eyes, they both passed out.

call!

I don't know how long it took, Su Qingyan and Xu Qingyi woke up one after another. The moment they opened their eyes, seeing the scene in front of them, the two women couldn't help but gasp.

I saw that there was an incomparably vast gray world in front of me.

Yes, the grey world.

The sky was dim and dark, with no sun, moon, and stars. It was chaotic darkness. The snow-capped mountains and glaciers in the distance interacted with the volcanic lava nearby. The air was filled with a thick fog that made people breathless.

It's just hell on earth.

Chapter 2267

In front of them, there is an open space full of thorns. At this time, in front of the two of them, an army of one million is lined up neatly.

The soldiers of this army are all tall, almost two meters in height, wearing uniform leather soft armor, holding black spears, and their skin has a penetrating blue color because they have not seen the sun for thousands of years. White.

The head of these people is a man in black armor.

The man is about forty, with a burly figure, like an iron tower, with black armor engraved with the pattern of beasts, giving people the feeling that he is strong and evil, and his body is filled with a suffocating horror atmosphere, especially Those eyes, like beasts, make people dare not look at them.

In addition, not far away, more than 100 meters away, there are ten huge beasts. These beasts, covered with blood-red hair, are more than 100 meters high, and their blood-red eyes are matched with huge. Fangs, like a demon from hell.

call!

Seeing this scene, whether it was Su Qingyan or Xu Qingyi, their bodies were trembling, extremely frightened, and at the same time there was deep doubt in their hearts.

This… what is this place? Who are these people?

Have you been taken to hell yourself?

At this time, the two Su Qingyan didn't know that they were taken to the wild and strange realm. These were the army of the Rakshasa clan.

"Your Majesty!"

At this moment, the man who caught Su Qingyan, stepped forward, facing the black armor general, and said respectfully, "I just crossed the Chaos Mountain Range to investigate the situation on the other side and found that These two women."

That's right, this black armor general is the current Rakshasa King, and the greatest king of the Rakshasa tribe in all dynasties.

Um!

The Rakshasa King nodded, looked at the man and said, “What’s going on over the Chaos Mountains?” His tone was indifferent, but his eyes flashed with a bit of scorching heat.

For thousands of years, the Rakshasa clan has never been able to overcome the huge natural danger of the Chaos Mountains. It was not until the last few decades that the clansmen developed and grew stronger, and they had the strength to overcome.

However, because it was isolated from the civilization of the Kyushu mainland for thousands of years, the Rakshasa King did not rashly lead his troops to read it, but sent people to quietly investigate the situation on the other side of the Chaos Mountains.

“Go back to the king!” The man responded respectfully: “On the other side of the Primal Chaos Mountains, there is no one else except a temple, so we don’t need to worry.”

Hmm!

Hearing this, King Rosa showed a smile, looked back at the army, and said in a loud voice: “Clansmen, for thousands of years, we have been trapped in the wild and strange realm, and we have suffered so much. Now, we finally have a chance. Go back. Go back to the rich and beautiful land of Kyushu and take back what we lost.”

“Kill back and take back what we lost.” In an instant, millions of troops responded in unison, and the momentum was overwhelming.

At this time, King Rakshasa waved his hand to signal everyone to be quiet, and then ordered: “Okay, everyone continue to help these giants, absorb strength, and let them open a way out in the Chaos Mountains as soon as possible.”

When he said this, Rakshasa Wang gazed at ten huge beasts not far away, with excitement flashing in his eyes.

Yes, these 100-meter-high beasts are a kind of wild beasts, called Jukui.

The giants have always inhabited the wild and strange realm. Later, the Rakshasa tribe was exiled here. After thousands of years, these giants were tamed into obedient spirit beasts. Moreover, in the secret arts of the Rakshasa, the figures of these giants, It has also evolved from a dozen meters at the beginning to more than 100 meters now.

In King Rosa’s plan, these giants were driven to open up a way out of the Chaos Mountains with harsh environment, and then they would be able to lead the army and enter the Kyushu Continent.

To be honest, there are many strong people in the Rakshasa clan at this time who can cross the Primal Chaos Mountains unharmed, but most of the soldiers of the army do not have this strength, so be cautious!

“Yes, Your Majesty!” Nearly 10,000 soldiers responded in unison, and immediately set off, forming a formation around the ten giant giants, and then mobilized their internal forces to mobilize the surrounding forces in the world.

hum! hum! hum!

In an instant, powerful forces surged between the heavens and the earth, and when they saw the ten giants, they raised their heads and howled, and then began to absorb the heaven and earth power in the air.

Chapter 2268

As more and more powers of heaven and earth are absorbed, there is a terrifying evil aura in the air around these giants.

That’s right, the evil aura that the monks of Linyin Temple felt across the Primal Chaos Mountains came from these huge giants.

call!

Seeing this scene, Su Qingyan and Xu Qingyi both trembled and were shocked beyond words.

Total shock.

This… these huge beasts, can actually absorb the power of heaven and earth?

Swish!

At this moment, King Rakshasa’s gaze fell on Su Qingyan’s two women, and said coldly: “It’s useless to keep these two women, just kill them.”

When he said this, King Rakshasa looked indifferent, Iron blood is ruthless.

Speaking of which, the Rakshasa people are cruel and easy to kill. Thousands of years ago, they were exiled by the Yellow Emperor to the wild and strange realm because they made trouble everywhere and oppressed other tribes. Now that thousands of years have passed, this cold-blooded code of conduct has not changed.

More importantly, after being exiled for thousands of years, the Rakshasa clan treats other humans in Kyushu as enemies, so even though Su Qingyan and Xu Qingyi are both peerless beauties, the Rakshasa King has no pity in his heart!

Whoops!

As soon as the voice fell, two Rakshasa soldiers came, holding their spears

tightly. At this moment, Su Qingyan and Xu Qingyi held their hands tightly, panicking.

Did it die like that?

So unwilling!

Thinking about it, Su Qingyan and Xu Qingyi slowly closed their eyes, very desperate!

“Wait!”

At this moment, a voice sounded in the crowd, followed by a tall and straight figure who walked out quickly, although like most Rakshasa people, his complexion was pale and his body carried evil spirits, but his facial features were sharp and angular, giving people a sense of urgency. An indescribable charm.

A man in his twenties, with a noble leather soft armor, is the son of the Rakshasa clan, Meng Lang.

The prince, the son of King Rosa, is revered in the Rakshasa clan, one person is below ten thousand people.

Menglang is talented and intelligent, and unlike most Rakshasa people who only know how to be cruel and kill, he is cautious and prudent in his work, and he knows how to use his ingenuity, so he is deeply loved by the Rakshasa King.

Um?

Seeing Meng Lang blocking, King Rakshasa frowned: “Why block? What are you going to do?”

“Your Majesty!” Meng Lang took a deep breath and said seriously: “Our tribe has been exiled for thousands of years, except for the Chaos Mountains. Outside the temple on one side, I know almost nothing about the situation in the mainland of Kyushu.” After speaking

, Meng Lang glanced at Su Qingyan and continued: “Now that these two women have been arrested, I think this It’s God’s will, we can just learn about the situation of each continent from their mouths, haven’t you always taught me to ‘make the best use of everything’? So you can’t kill them.”

“It makes sense!” The Rakshasa King nodded silently, revealing With a smile, he praised Meng Lang: “You can think of this, it’s very good, well, these two women will be handed over to you, and you must interrogate them carefully.”

“Yes!” Meng Lang responded quickly.

call!

Seeing this scene, Su Qingyan and Xu Qingyi were both secretly relieved.

At the same time, looking at Meng Lang in front of them, the two women felt a little uneasy in their hearts.

This young man has ulterior motives for saving the two of them. When his goal is achieved, the two of them will still die.

Thinking about it, Su Qingyan and Xu Qingyi looked at each other, both of them were miserable.

…..

the other side.

The Earth-round Continent is on the sea a few hundred miles away from Donghai City.

The weather is good today, the sea is calm and the waves are calm.

Hundreds of ships, connected by huge iron chains, are slowly sailing towards the distance.

At this time, a young monk was standing quietly on the boat headed by him, with a leisurely posture and extraordinary equipment, it was Duan Yu.

Behind Duan Yu, there are the powerhouses of Tianmen and several mainland forces. A day ago, these forces, under the orders of Yue Feng and the queen, went to the Chaos Mountains to investigate the situation. At the request of Moroye, Duan Yu was forced to go together.

“Master Huasheng!”

At this moment, a Tianmen disciple couldn’t help but said to Duan Yu: “How long will it take us to reach the Chaos Mountains?”

Shah!

The voice fell, and the eyes of the others around him also focused on Duan Yu, and their eyes were full of doubts.

The monk in front of him is a disciple of Master Moraya, so he should be respectful.

Chapter 2269

After Duan Yu Shaodu became a monk, his temperament has changed a lot from before, so everyone has not recognized it until now.

“Everyone!”

Duan Yu showed a smile, looked around, and said slowly: “According to the schedule, we will be there in one day, so don’t worry, before you arrive, I advise you to return to the cabin to rest and raise your sperm. Be sharp.”

When he said this, Duan Yu’s face was full of kindness, but his eyes flashed coldly.

call!

Hearing this, everyone nodded and returned to their cabins to rest.

Whoosh!

Seeing everyone returning to the cabin, Duan Yu sneered, his inner strength exploded, his toes were at a point on the deck, and he rushed directly to a height of 100 meters. Then, with a crisp sound, the opening axe was tightly held.

Since he was accepted as a disciple by Moraya, Duan Yu did not dare to act rashly because he was afraid of Moraya’s power. After arriving in Zhongzhou City, Duan Yu was even more afraid of being recognized by Yue Feng and others.

But now, neither Moraye nor Yue Feng were there, and Duan Yu didn’t care either.

At this time, Duan Yu, suspended in mid-air, holding a giant axe, is like a round sun, radiant!

Um?

Seeing this scene, everyone on the boat below was stunned, and their eyes were full of shock!

This… Open Heaven Axe?

Isn’t this Duan Yu’s weapon? How in the hands of this monk?

And… what is he going to do?

“A bunch of idiots! Go to hell!”

Just when everyone was in shock, Duan Yu sneered, clenched the opening axe tightly, and swung the axe out fiercely!

“Roar!”

Only a dragon roar was heard, emanating from the giant axe, and the next moment, a touch of golden light seemed to tear the world apart, swept away towards the hundreds of ships below!

“Death! Give me all to die!” Duan Yu roared loudly, looking like a madman!

Speaking of which, from the Earth Circle Continent to the Chaos Mountains, you don’t need to take the sea route, you can go directly through the Xicang Continent, and then through the Yellow Sea Continent, you can reach the Chaos Mountains.

However, Duan Yu was ruthless and ruthless, and it was impossible to follow Moroye’s instructions to successfully bring these people over. When he left Donghai City, Duan Yu thought about destroying these people.

Therefore, Duan Yu deliberately took these people and took the sea by boat, because the sea was vast, and these tens of thousands of people died, leaving no evidence at all.

In Duan Yu’s heart, his life was ruined by Moroye, and he was no longer a real man, and the only support for him to survive was constant revenge. In this case, the safety of Kyushu has nothing to do with him. .

At this time, Duan Yu just wanted to use killing to vent his dissatisfaction with the whole world.

Speaking of which, these people from various forces also knew the approximate location of the Chaos Mountains and learned that they were going to take the sea route. At that time, some people were puzzled, but they didn’t think much about the monk in front of him, who was a disciple of Moraya.

“Ah!”

Duan Yu suddenly shot, and everyone on the hundreds of ships below had no time to react. With a roar, half of the hundreds of ships were smashed and sunk in an instant. Many people screamed continuously, one by one. fell into the sea.

Swish!

Seeing this scene, the rest of the people couldn't help gasping for air, while watching Duan Yu in mid-air, terrified.

"Master of Metamorphosis? You…"

"Mad, we believe in you so much, but you are so cruel…"

"I have long thought that there is something wrong with their master and apprentice, what kind of wild and strange realm, the Rakshasa, all of them are Fake…this is a conspiracy."

"What are you talking about, let's go together!"

Swish swish… The

voice fell, and many people jumped into the air and charged directly towards Duan Yu!

These people have gathered the powerhouses from Tianmen, Danzong, Mingjian Villa, and even the Southern Cloud Continent and the Western Cang Continent. It can be said that those who can be singled out to go to the Chaos Mountains are the elites among the elites.

In an instant, the breath of nearly 10,000 people distorted the sky, and the momentum was astonishing.

However, Duan Yu clenched the axe tightly, did not panic at all, looked arrogant, did not say a word of nonsense, and slammed the axe out!

"Roar!"

A dragon roar burst out from the sky axe again, and the dazzling golden light immediately enveloped everyone!

"Death!" Duan Yu roared loudly!

"Ah!" In the

blink of an eye, nearly 10,000 strong men screamed incessantly, one by one fell from the air, causing heavy casualties, and the blood sprayed, turning the sea water within a kilometer of the surrounding area red.

Chapter 2270

Seriously, these powerhouses are not weak. If they are prepared in advance, they may be able to fight against Duan Yu if they unite. More importantly, this place is above the boundless sea, even if everyone wants to unite to resist, it is too late.

“Ah…” On the

sea, the ships connected by iron cables were constantly being sunk and shattered. Under Duan Yu’s frantic eruption, screams continued to sound, and people kept falling.

At this moment, in the sea a few miles away, thousands of sailboats are slowly sailing towards this side.

This fleet is neatly arranged and orderly. The big boat headed by it has a black flag more than ten meters high, with a white shark logo on it, and the word “blood shark”, hunting and flying in the sea breeze.

Yes, it is the blood shark pirate.

On the throne on the deck of the big ship, sat a burly man, the leader Long Zang.

Behind him are the extremely sexy blood Luo Siyan sisters.

I saw that the four sisters of blood Luo, wearing brightly colored long dresses, showed their proud and tight figures vividly. The figures of these four sisters are unparalleled, especially the wild beauty that pervades their bodies. , Any man who sees it will be unable to extricate himself.

A day ago, the blood shark had just sacked Donghai City and was now returning. The long skirts that Sister Xueluo Siyan wore were snatched from Donghai City.

On the other side of the deck, a dozen pirates were watching over a young man and woman.

It was Yue Wuya and Han Bing.

When the blood shark sacked Donghai City, Yue Wuya and Han Bing tried to escape, but they were discovered by Long Zang in time and successfully intercepted.

At that time, Long Zang was very angry and planned to kill the siblings directly, but seeing Yue Wuya’s extraordinary ability, he felt that it was a pity to kill them, and finally decided to bring the Yue Wuya brothers and sisters to the deck and let them see with their own eyes. How did they loot Donghai City? I wanted to use this to deter the brothers and sisters and make them stop thinking about escaping.

At this time, after the blood shark sacked Donghai City, it brought countless gold and silver treasures and was preparing to return to the habitat in the sea. Coincidentally, Duan Yu was attacking the masters of the major forces.

Um?

At this moment, whether it was Long Zang, the many pirates below, and the Yue Wuya brothers and sisters, they were all stunned when they saw the scene in front of them!

All I saw was the wreckage of countless sailboats scattered on the sea in front of me. Between the wreckage, tens of thousands of cultivators were screaming incessantly

. The two-meter-long giant axe was quietly suspended there.

It was Duan Yu!

In mid-air, Duan Yu was holding a giant axe, like a round of sun, radiating light!

Seeing this scene, Long Zang's eyes were full of hot rays of light, and his heart was full of shock!

What a powerful force, what weapon is this monk holding?

God soldier?

Although Long Zang is the lord of blood sharks and the king of the sea, in the past ten years, he has rarely set foot in the mainland of Kyushu, so he doesn't know that the magic weapon appeared in the world and caused the shock of Kyushu, so naturally he can't recognize the axe. .

call!

The surrounding pirates are even more unknown, but they are still stunned when they sense the power of the opening axe, their faces are incredible!

This…

However, Yue Wuya, who was detained on the deck, was shocked and stared at Duan Yu with indescribable shock and doubt.

Open the axe?

Who is this monk? Isn't the opening axe always in Duan Yu's hand? How could it be in the hands of this monk?

At this time, Yue Wuya did not realize that the monk in front of him was Duan Yu.

The ice on the side is also trembling, and is extremely shocked.

"call!"

The ultimate husband in Chinese chapter 2271-2280

Chapter 2271

Finally, under the shock of Long Zang, he reacted and couldn't help asking the surrounding: "Who knows, what kind of weapon is this?" The

voice fell, and many pirates around looked at each other, and no one answered. .

"Leader!"

At this moment, a middle-aged pirate took a deep breath, was extremely excited, and couldn't help but said: "With such power, and with such a special shape, could it be the legendary opening axe?"

Saying these At that time, the middle-aged pirate stared at Duan Yu in midair, unable to hide his inner shock. This middle-aged pirate used to be a member of a big family. Later, he committed a crime and was expelled. He had no choice but to become a pirate. Because he was born in a big family and was knowledgeable, he guessed it.

Open the axe?

At this moment, the gazes of the surrounding pirates suddenly converged on the opening axe in Duan Yu's hand, and they were all extremely surprised.

call!

Long Zang took a deep breath, surprised and delighted!

As the leader of the blood shark, Long Zang naturally heard of the legend of the opening of the sky axe. It was rumored that a long time ago, the heaven and the earth had not been separated, and there was chaos. An ancient great god named Pangu, holding a giant axe, split the heaven and the earth! After the creation of the world, Pangu's giant axe fell into the world and disappeared.

Originally, Long Zang always thought it was a legend, but he never thought that he would be able to see this peerless weapon with his own eyes today.

Excited, Long Zang took a deep breath and stared at Duan Yu in midair. He raised his hand and waved: "Quick, take him down and take the Heaven-Opening Axe!

" After the pirates, he developed the blood shark into the largest force in the sea. At this time, he had great ambitions and was about to make great plans. At this time, he would not miss the opportunity when he encountered the opening axe.

swoosh swish…

As soon as the voice fell, nearly a thousand pirates rose into the air one after another and charged directly towards Duan Yu!

This chapter is provided by . Visit for daily update.

The pirates who can join the blood shark are all strong, and the lowest strength is also the Marquis, and most of them are the strength of a Martial Saint.

In an instant, more than a thousand pirates, the burst of breath, distorted the sky, and the momentum was amazing.

“Pirates?”

Looking at these pirates rushing up, Duan Yu’s expression was insane, and he didn’t panic at all. Instead, his whole body’s fighting spirit was completely aroused.

“A bunch of clowns jumping on the beam, all die.” An icy voice came from Duan Yu’s mouth, and then, he swung out with an axe!

At this time, Duan Yu had already killed his red eyes. No matter where these pirates came from or how strong their background was, he only knew that whoever offended him would die.

“Roar!”

A dragon roar came from the giant axe, and then, a golden glow seemed to tear apart the sky and the sea, and swept toward the pirates!

“Ah!”

Jin Mang ripped apart the sky, lightning fast, covering a huge area. The more than a thousand pirates didn’t have time to react at all, and screamed continuously in an instant, one by one fell from the air.

hiss!

Seeing this scene, whether it was Long Zang, Xue Luo Siyan, or other pirates, they couldn’t help but gasp!

As expected of a peerless weapon, the power of the explosion is so terrifying!

Under the shock, Long Zang’s eyes became more and more hot.

As the king of the sea, such a powerful artifact is only worthy of you!

“What a ruthless monk, kill my subordinates, and let you be buried at the bottom of the sea today.” Sen Leng’s voice came from Long Zang’s mouth. The moment the voice fell, he rose into the sky and went straight to Duan Yu.

hum!

At this moment, Longzang’s internal power was released, and a terrifying breath burst out, and this piece of sky and sea was about to shatter!

Chapter 2272

Long Zang, a powerhouse in the transcending tribulation realm, is an existence in the vast seas that makes other pirates feel terrified.

hum!

At this moment, Long Zang held the ice blue long knife tightly, and a terrifying force condensed between the sky and the sea in an instant. Then, the sea water surged and rolled up a huge tornado water column.

“Roar!” In the

next second, a dragon roar erupted from the water column of the tornado, followed by a giant dragon condensed and formed. This giant dragon was completely formed by the fusion of sea water and the internal force of the dragon’s possession. It’s lifelike, and it’s the same as the real thing, giving people the feeling that it is extremely shocking.

Seeing this scene, all the pirates below were extremely excited and shouted.

“The leader is mighty.”

“This ugly monk dares to kill our people, let him taste the power.”

Yue Wuya, who was standing on the deck, looked at the situation calmly, but his heart was filled with excitement.

Great!

The pirate leader took the shot himself, and he had the opportunity to escape with his sister.

Thinking to himself, Yue Wuya silently stimulated his inner strength and planned to rush to the acupoint. He had failed to escape once before, and he was afraid of Long Zang’s strength, so Yue Wuya did not dare to take risks easily. At this time, seeing Long Zang take the initiative, Yue Wuya knew that the opportunity was coming.

Next to him, Bing Bing, Bing Xue was smart and knew what his brother was going to do, so he quickly stepped forward and put Yue Wuya behind him as a cover to prevent him from being seen by the pirates around him.

At the same time, Han Bing also closely watched the situation in the air.

“Monk!” Long Zang hovered proudly in the air, staring at Duan Yu with absolute contempt: “Kill so many of my subordinates, don’t want to leave alive today. I can give you a good time!”

Hehe…

Duan Yu sneered and sneered back: “You are the leader of this gang of pirates. People don’t attack me, I don’t attack people. It was your people who attacked me first, and they deserved to die.”

After speaking, Duan Yu went up and down . Looking at Long Zang, he continued to mock: “Also, you, a little pirate chief, also want to get the Sky-Opening Axe? What are you daydreaming about?”

When he said this, Duan Yu looked mad and his eyes were full of pride.

Although Long Zang’s strength is very strong, and can combine internal force and sea water to condense a giant dragon, Duan Yu is not panic at all. You must know that during this period of time, Duan Yu was forced to follow Moroye, keeping a low profile, and under the influence of Buddhism, he gained a new understanding of Kaitian Axe.

In this case, even if Long Zang was in the Tribulation Realm, Duan Yu didn’t take it seriously.

Swish!

Hearing this, Long Zang was furious. His dignified king of the sea was despised by a monk and even in front of so many subordinates. If he bears it, where will he put his face?

“Death to me!” Long Zang roared without talking nonsense, pointing at Duan Yu!

Roar!

The voice fell, and the giant dragon, which was formed by internal force and sea water, erupted with a thunderous roar, and went straight to Duan Yu. In an instant, within a thousand meters around, the wind and clouds were surging, and the sea was also surging with huge waves.

This piece of air seems to be stagnant, the unfathomable and powerful pressure, the people who suppress it panic!

Seeing the giant dragon rushing towards his face, Duan Yu's face was gloomy, and he didn't mean to dodge at all. Under the wave, a touch of golden light erupted again.

Bang!

Jin Mang and the giant dragon collided, and a thunderous roar erupted. Everyone below felt an overwhelming force pouring in. They were knocked back a dozen steps, and their qi and blood were churning.

hiss!

When everyone reacted, they were stunned when they saw the scene in mid-air, and they couldn't help gasping for air.

I saw that the dragon condensed by Long Zang was directly smashed by Jin Mang, and Long Zang was also shaken back dozens of steps by the volley. After stabilizing his figure, his face was pale.

Is this monk so powerful? It actually blocked the leader's stunt?

"you…"

Chapter 2273

At this time, Long Zang locked Duan Yu tightly, and he was also shocked. Nima, this monk's strength is not particularly strong, but with the opening axe in his hand, the explosive power is so terrifying, you know, The sea dragon that he condensed just now, in the whole world, few people can stop it.

And this monk, with the help of the opening axe, easily blocked it!

call!

Just when Long Zang and the surrounding pirates were extremely shocked, Yue Wuya had quietly rushed out of the acupoint, however, he did not leave with the ice for the first time, but looked closely at the monk in the air, lost in thought.

This… this monk, was able to perfectly unleash the power of the Heavenly Axe.

Also… Although this person is dressed as a monk, his indomitable expression seems to be a person.

When his mind changed, Yue Wuya suddenly thought of something, his body trembled, and his heart was shocked.

Could it be… he is Duan Yu?

Seriously, if Duan Yu didn't use the Heavenly Axe, Yue Wuya would be like most people, completely unrecognizable, but seeing him perfectly unleashing the power of the Heavenly Axe, he had to be suspicious!

You must know that at the beginning of Mount Emei, Yue Wuya used the Overlord Hammer to fight against Duan Yu, and he knew the power of the Heaven-Opening Axe. When he saw the monk in front of him, he could use it with ease, and he immediately thought of Duan Yu. .

"Brother!"

At this time, seeing Yue Wuya's different expression, Han Bing couldn't help but asked in a low voice, "What's wrong?"

Han Bing felt that his brother successfully conflicted with the sealed acupoint, but he didn't have the first time. It's too strange to leave with yourself, but to look at the monk in the air in a trance.

call!

Yue Wuya took a deep breath and said in a low voice, "I have a feeling that this monk is Duan Yu."

When he said this, Yue Wuya always paid attention to the movements of the pirates around him.

What?

Hearing this, Han Bing's delicate body trembled, and he looked at Duan Yu, and the whole person was stunned.

Is this monk Duan Yu? How can it be?

How could someone like Duan Yu easily enter Buddhism?

In shock, Han Bing couldn't help but ask: "Brother, what are you going to do? Are you going to deal with him?"

Han Bing believed in Yue Wuya's judgment, and at the same time, was a little worried.

You must know that Duan Yu is ruthless. When he was the Prime Minister of Xi Cang, he led his army to invade other continents. Later, he killed Xi Cang Huang and usurped the throne. It can be said that his fierce name has already spread all over the continent of Kyushu.

More importantly, Duan Yu and Yue Feng are deadly enemies, so in Han Bing's heart, I don't have the slightest impression of this person. But then again, Duan Yu's strength is too strong, and his brother's rash action is an adventure.

"I…" Yue Wuya frowned and was very tangled in his heart: "I don't know…"

After going through so much recently, Yue Wuya realized that he was too much for his biological father, Yue Feng, and he felt Some guilt.

Under such circumstances, when he met his father's nemesis, Yue Wuya was just about to move.

At this time, Yue Wuya had an impulse in his heart to catch or kill Duan Yu to make up for the disrespect to his father before.

But…if you do it, your identity and strength will be exposed. In this case, it will be more difficult for you and your sister to leave.

For a time, Yue Wuya fell into a tangle.

"Tsk tsk!"

In midair , Duan Yu looked at Long Zang with a half-smile, and mocked word by word: "With this little strength, do you still want to snatch my Heaven-Opening Axe? If you are over yourselves, die!" With a wave, a whistling sound that shocked the heavens and the earth came from the opening axe, and then, a golden glow that ripped apart the heavens and the earth burst out towards Longzang.

This axe, Duan Yu tried his best, and almost consumed all his internal strength. It was Duan Yu's strongest blow.

Chapter 2274

Call!

Seeing this scene, the blood Luo Siyan and many pirates below changed their expressions, and they couldn't help sweating for Long Zang.

At the same time, Xue Luo Siyan couldn't help but exclaimed.

"Leader, be careful!"

“Be careful!”

Everyone present could feel the terrifying power contained in that touch of golden light. Although Long Zang is very powerful, he is flesh and blood after all, and the weapon in his hand is only Purple rank, how can you block the peerless magic weapon?

Gudong!

Seeing Jin Mang roaring, Long Zang was startled, couldn’t help swallowing, and felt a little panic in his heart.

Mad, this monk seems to be ordinary, but he can actually comprehend the power of the magic weapon to such a state.

It seems that he is a rival in love. I am afraid that this blow will not be able to stop it.

It’s just that the golden light was too fast to dodge at all. Long Zang didn’t have time to think about it, so he quickly activated his inner strength and held the ice blue long sword in front of him in an attempt to block the blow!

“I’ll help you.”

Seeing Jin Mang, he was about to hit Long Zang. At this moment, a loud shout came, and then a figure quickly blocked in front of Long Zang.

It was Yue Wuya!

Click!

The next second, Yue Wuya summoned the Overlord Hammer, only to see a radiance between heaven and earth, and then Yue Wuya held the Overlord Hammer in front of him.

At this time, Yue Wuya stood in front of Long Zang with a determined look on his face.

To be honest, Yue Wuya didn’t want to take it lightly, and he didn’t want to help Long Zang. After all, Long Zang had put their brother and sister under house arrest on a pirate ship for several days.

But Yue Wuya knew that if he didn’t take action, Long Zang would be seriously injured by Duan Yu. Duan Yu’s personality would not bypass other pirates. At that time, he and his sister would also be affected by Yuchi.

More importantly, Duan Yu was his father’s mortal enemy, and now that he met him, he must not be easily spared.

What?

Seeing this scene, both Long Zang and all the pirates were stunned and shocked.

This kid who was caught actually rushed through the acupuncture point…

What is even more shocking is that he even has a magic weapon?

“It’s you…”

Seeing Yue Wuya, Duan Yu was also stunned, almost gnashing his teeth. Before, his attention was always on Long Zang, and he didn’t notice Yue Wuya wearing it, and Duan Yu never imagined that Yue Wuya would be with a group of pirates.

Enemies meet, especially jealous!

In Duan Yu’s heart, his hatred with Yue Wuya was no less than Yue Feng!

Back in Mount Emei, he had already taken control of the whole situation. It was this kid who led the Apocalypse army and suddenly appeared, not only disrupting even his own plans, but also seriously injuring himself.

If it wasn’t for him, he wouldn’t lose the Xicang throne he just won back.

If it wasn’t for him, he would never encounter Moraye and become what he is now.

The more Duan Yu thought about it, the more annoyed he became, his eyes were extremely blood red, and he wanted to peel Yue Wuya’s cramps.

Bang!

Jin Mang slammed into the Overlord’s Hammer, and he heard an earth-shattering vibration. Under the dispersal of a violent aura, Yue Wuya and Long Zang were both shaken and flew out, and the two retreated more than a hundred each. Mi, all stabilized his figure, his face was pale.

And Duan Yu was also shaken back several dozen meters, his face flushed red, and it was extremely ugly.

Obviously, Yue Wuya successfully helped Long Zang and blocked this strongest blow.

Whoa!

Seeing this scene, both the ice and the pirates around are excited.

Especially those pirates, looking at Yue Wuya one by one, were extremely shocked.

This… this kid, actually blocked the blow of the peerless magic weapon?

Even Long Zang looked at Yue Wuya incredulously, in addition to gratitude, there was indescribable surprise in his eyes.

what's the situation?

He arrested their brothers and sisters by himself, but he turned to help himself…

Chapter 2275

Also, what kind of weapon is the sledgehammer in this kid's hand?

At this time, Long Zang and many pirates didn't know that Yue Wuya's Overlord Hammer was also a divine weapon handed down from ancient times. Although it was not as old as the Kaitian Axe, it was also a rare treasure.

"Good boy!"

Finally, Long Zang reacted, looked at Yue Wuya with a smile, and exclaimed in admiration: "I didn't expect you to be a young hero!"

When he said this, Long Zang was full of gratitude and completely He was not angry because Yue Wuya concealed his strength.

Yue Wuya smiled slightly, but did not respond, but was always on guard against Duan Yu.

"Smelly monk!" Long Zang locked Duan Yu tightly, with endless resentment and anger flashing in his eyes: "The blow just now is the end of the force, right? Die!" As the

voice fell, Long Zang's inner strength exploded, and he went straight to Duan. Feather away. hum!

At the same time, Yue Wuya did not hesitate in the slightest, holding the Overlord's Hammer tightly, he burst out!

At this moment, Yue Wuya and Long Zang released their inner strength, and this piece of sky was about to shatter!

Yue Wuya and Long Zang are the most powerful people in the world!

Yue Wuya owns the Overlord's Hammer and is the leader of the younger generation in the Kyushu continent!

And Longzang, the leader of the famous pirates in the sea, is known as the king of the sea!

The two joined forces, and a terrifying force condensed in an instant, as if in mid-air, forming a huge ball of light, which suddenly smashed into Duan Yu!

This ball of light contains the formidable power of Long Zang and Yue Wuya, which is incomparably powerful.

call!

Seeing this scene, the ice below, and all the pirates, are extremely excited!

This ball of light illuminated the blue sea water within 10,000 meters, turning it into a golden color. At the same time, there was a suffocating pressure in the air.

Made!

Duan Yu was shocked, scolded secretly, and then quickly took off the axe to resist!

Duan Yu was panicked at this time, because Long Zang was right, the strongest blow just now consumed a lot of Duan Yu's internal strength.

"Boom!…"

The ball of light instantly smashed on the opening axe!

Duan Yu spit out a mouthful of blood, and his body flew far away.

Yue Wuya and Long Zang joined forces, and their power was so terrifying that even if he had the Heaven-Opening Axe, he couldn't resist this blow!

Boom!

At this moment, Yue Wuya threw the Overlord Hammer, directly hitting the middle Duan Yu's back. Hearing Duan Yu screaming, he spat out a few mouthfuls of blood.

Duan Yu was frightened and angry, endured the pain, and threw out a few axe, these axe, he tried his last strength!

"Buzz!"

These axes instantly evacuated Duan Yu's interior. Their power was so terrifying that the surrounding air was torn apart. Long Zang and Yue Wuya didn't dare to make a hard connection, so they quickly retreated and dodged!

Taking this opportunity, Duan Yu gritted his teeth, turned and flew towards the depths of the vast sea!

In a blink of an eye, he had disappeared from everyone's sight.

"Made!"

Long Zang was very annoyed, watching Duan Yu escape, his face was extremely ugly.

"Search all the sea areas immediately, be sure to catch this monk!" An angry voice came from Long Zang's mouth. He clenched his fists tightly, unspeakably annoyed.

Almost, you can get the peerless magic weapon, but at the last moment, let this monk run away!

However, since he is the king of the sea, as long as this monk is still in this sea, he will not be able to escape from his palm.

"Follow your orders!"

In an instant, all the pirates shouted in unison, the momentum was overwhelming!

"Leader, there are still people alive in the sea…" At this moment, Xue Luo Siyan discovered something and exclaimed tenderly.

I saw that among the wreckage of the sailboat, there was a cultivator, crouching on a wooden board, his expression was sluggish, and he was dying.

This person is a disciple of Tianmen and the last survivor.

The ultimate husband in Chinese chapter 2276-2280

Chapter 2276

Whoosh!

Seeing this situation, Yue Wuya did not hesitate, flew over quickly, and brought the disciple of that day back to the deck.

"What the hell is going on?" Yue Wuya looked closely at the disciples of the day, and couldn't help but ask, "Why are you here?"

The ice beside him, as well as many pirates, also looked at the disciples of the day. , eyes twinkling with curiosity.

“Young Master!” The disciple of the Tianmen, with a bit of respect on his pale face, said weakly, “The continent of Kyushu is in trouble, the Chaos Mountains…” Although Yue Wuya never recognized Yue Feng, but in Tianmen In the heart of the disciple, he has long been regarded as the young master.

In the next few minutes, the disciple of that day explained the situation in detail.

At the end, the Tianmen disciple looked sad and indignant: “We never imagined that the disciple of Master Moraya, so ruthless, would lead us to the sea and then raid us…” The

last sentence was not finished, This day, the disciple of Tianmen tilted his head and died of anger.

What?

Hearing this, Yue Wuya and Han Bing were both shocked, and at the same time they couldn’t tell the anger in their hearts.

On the other side of the Chaos Mountains, is there another world?

Also, this section of Yu is too vicious, even pretending to be a monk to deceive all forces.

At this time, Yue Wuya didn’t know that Duan Yu was not a voluntary monk at all, but was forced to be helpless, so he worshipped Moraye as a teacher, but it was not a real conversion to Buddhism.

call!

Thinking to himself, Yue Wuya took a deep breath, slowly closed the eyes of the disciples of that day, and whispered: “You are all deceived, that monk is Duan Yu…”

This chapter is provided by . Visit for daily update.

When he said this, Yue Wuya’s heart was very complicated. Duan Yu was ruthless and attacked the masters of various sects. It was completely understandable, but he suddenly became a disciple of Linyin Temple.

“Brother!”

At this moment, Han Bing couldn’t help but ask: “What shall we do next?”

Like Yue Wuya, Han Bing also finds the things in front of him unbelievable, but the most important thing now is to return quickly Continent, merge with father.

However, before Yue Wuya responded, he was interrupted by Long Zang.

“You two!” Long Zang walked over slowly and looked at Yue Wuya up and down: “Who are you?”

After speaking, Long Zang thought of something, looked at the dead Tianmen disciple, and continued: “Look at this The logo on the person’s clothes should be a Tianmen disciple from the Earth Circle Continent, and he just called you Young Master, could it be…. You are the Tianmen Sect Master, the son of Yue Feng?”

When he said this, Long Zang looked at Yue Wu Ya’s eyes reveal a bit of complexity.

Over the years, under the leadership of Yue Feng, Tianmen has punished evil and promoted good, and has become famous in Kyushu, especially the coastal areas of the Earth Circle. He has played against each other before, so he is no stranger to Yue Feng and Tianmen!

Long Zang has a free and easy temperament, and has a righteousness. Even if he has had friction with Tianmen, he is well-known and admired for Yue Feng for a long time. Who doesn’t admire a person who thinks about the people of the world in everything?

“Yes!” In

the face of Long Zang’s question, Yue Wuya nodded and admitted: “I am Yue Feng’s son.”

If it was half a month ago, Yue Wuya would never admit that he was his son because he hated Yue Feng. , but after so much in this period of time, Yue Wuya has also become mature, and understands how excessive he was before. Therefore, facing Long Zang’s inquiry at this time, he did not hesitate to admit it.

Moreover, Yue Wuya understood that Long Zang had already recognized his identity, so it was useless to lie.

Whoa!

In an instant, I learned that the person in front of me was the young master of Tianmen. Whether it was Xue Luo Siyan or the many pirates around, their expressions changed.

He turned out to be Yue Feng’s son.

Before Chapter 2277

, Yue Feng’s Tianmen, on the coast of the Earth’s Circle Continent, suppressed a lot of these pirates.

Whoops!

In the next second, everyone seemed to be facing a formidable enemy, and quickly surrounded Yue Wuya and Han Bing. In an instant, swords were drawn, and the air was filled with the smell of gunpowder.

In the face of being surrounded by everyone, Yue Wuya was extremely calm and calm, protecting the ice behind him.

This blood shark leader, Long Zang was injured, and in the past few days of cultivation, his internal strength has completely recovered, and the fight is not false at all.

Swish!

Seeing this scene, Long Zang frowned, looked around and shouted angrily: “What are you doing? Retreat!” The voice spread throughout the surrounding sea area within ten thousand meters, full of majesty and unquestionable.

In Long Zang’s heart, although the Yue Wuya brothers and sisters had concealed their identities before, but just now, if Yue Wuya hadn’t helped in time, he would definitely not have opened the Heavenly Axe for heavy damage.

More importantly, Long Zang admires Yue Feng very much. Since the brothers and sisters in front of him are the children of Yue Feng, how can he bear to hurt them.

Uh…

Seeing Long Zang’s anger, Xue Luo Siyan and the surrounding pirates couldn’t understand it for a while, but they didn’t dare to be presumptuous and immediately stepped aside.

“Little brother!”

At this time, Long Zang looked at Yue Wuya with a smile: “My subordinates are all rude, don’t take offense if I offend you, by the way, thank you for your help just now, haha…”

” Hands up!” Yue Wuya responded with a smile, and at the same time, the impression of Long Zang in his heart also changed a little.

This pirate leader is very tolerant. He lied to him before, but he is not angry.

“Sure enough, a hero is a boy!” Long Zang nodded in admiration, then looked at Yue Wuya and asked, “I don’t know what your brothers and sisters are going to do next?”

As soon as he finished speaking, Han Bing, who had been silent, said, “We need to immediately Return to the mainland, Dragon Chief, please give us a boat.”

When he said this, Han Bing's delicate face was very calm, but his heart was secretly anxious.

My brother and I have just left for two days, so many things happened in the Kyushu mainland, especially that Duan Yu, who became a disciple of Linyin Temple, I am afraid that everyone is still in the dark, so we must go back as soon as possible. , and tell the father about the situation.

"No…"

But as soon as he finished speaking, Yue Wuya was about to vote against it: "It's useless for us to go back now!"

Ah?

Han Bing was stunned, and looked at Yue Wuya doubtfully: "Brother, why is it useless to go back?"

Phew!

Yue Wuya took a deep breath and looked at Han Bing with love and seriousness in his eyes: "Good sister, think about it carefully, why did Duan Yu successfully hide from all the forces? Even his father didn't recognize him? There is only one reason. , he is really that Moraye's disciple, this Buddhist identity has perfectly helped him hide himself, and now, Duan Yu has fled to the vast sea, even if we go back and tell the situation, who will believe it?"

Saying that, Yue Wuya tilted his head to look at the direction of Duan Yu's escape, and continued: "As for the matter of the wild and strange realm, my father and the forces of various continents have already started preparations, and we can't help much when we go back, so, I decided to stay, assist the dragon leader, and capture Duan Yu. Only by capturing him can we have reason to convince people."

"This…"

Hearing this, Han Bing frowned and pondered. After a few seconds, he nodded and said, "Okay, I will listen to my brother. After capturing Duan Yu, let's return to the mainland!"

Bing Bingxue was smart and quickly understood what Yue Wuya meant.

In fact, Yue Wuya's analysis was good. The brothers and sisters returned directly to the mainland. Even if they told what they saw, no one would believe it. After all, the masters of various forces were all buried in the sea, leaving no bones.

More importantly, every continent knows Duan Yu very well. He is an arrogant and indomitable madman, and it is impossible for him to condescend to convert to Buddhism.

In this case, only grasping Duan Yu can be convincing.

Chapter 2278

Hmm!

Seeing Han Bing agree, Yue Wuya was very happy.

The next second, Yue Wuya looked at Long Zang and said, “Leader Dragon, our brothers and sisters have decided to stay with you Blood Sharks and do our best to help you catch that person just now. Chief Long will not refuse, right?”

Haha…

Long Zang Laughing loudly, he nodded and said, “Just now, my little brother made a righteous shot, how could I refuse? From now on, you are my blood shark’s honored guests!”

At this time, Long Zang was very excited. Because he had seen Yue Wuya’s strength just now, and with his help, he would definitely be able to catch the monk just now. When the time comes, the axe will fall into his own hands. At this time, seeing Yue Wuya take the initiative to stay, of course he can’t ask for it.

Excited, Long Zang hurriedly greeted Yue Wuya brothers and sisters and entered the cabin to rest.

At the same time, Long Zang instructed Xueluo Siyan and others: “Expand the search range, be sure to find that stinky monk, and report back as soon as there is news.”

“Yes!” Xueluo Siyan responded in unison, and then went to prepare.

…..

On the other side, the Northern Imperial Palace.

Yang Jian was dressed in a golden dragon robe, sitting on the dragon seat, with a handsome face, a calm expression, and no emotional fluctuations. After two days of recuperation, Yang Jian’s injury has recovered, but he is not happy at all, and his mood is a little gloomy.

The failure to conquer the Earth Circle, coupled with the crisis from the Chaos Mountains, made Yang Jian restless.

In Yang Jian's heart, destroying other continents and achieving eternal hegemony is his urgent ideal, but the safety of the Kyushu continent is more important. Once the Rakshasa tribe successfully crosses the Chaos Mountains, the consequences will be unimaginable.

But in this way, he lost the opportunity to conquer various continents.

More importantly, Yue Feng is very famous in various continents. Otherwise, there would not have been so many forces in Zhongzhou City before to come to support. If the Rakshasa tribe really came over, Yue Feng united various continents to resist, His reputation grew louder and louder, and at that time, he became a hero in Kyushu.

At that time, it will be even more difficult if you want to conquer all continents.

Thinking of this, Yang Jian was extremely irritable and had a headache.

At the position where Yang Jian lowered his head, Zhang Jiao sat there, his brows furrowed, and he was silent.

On the two sides below, the ministers of civil and military affairs stood there neatly, feeling Yang Jian's annoyance, all of them were uneasy in their hearts, and did not dare to let out the air.

"Your Majesty!"

At this moment, a slender figure slowly walked into the hall. The light blue dress was as graceful as a fairy, incomparably beautiful, and the whole body was filled with an aura that could not be desecrated. It was Gonggong.

When they got to the front, Gonggong respectfully said to Yang Jian: "The people sent by my subordinates have just received news that there is indeed a vision on the other side of the Chaos Mountain Range, but it is not as serious as that Moroye said.

" Gonggong carefully expressed his thoughts: "Your Majesty, I think that Moraye is a bit alarmist. The Rakshasa people have been trapped for thousands of years. Even if they grow and develop, it is impossible to cross the Chaos Mountains at once."

Hmm!

Yang Jian nodded silently without speaking.

Seeing Yang Jian's gloomy face, Gong Gong thought of something, and continued: "Your Majesty, do we really want to deploy troops in the Chaos Mountains with Yue Feng and other continents? In case… the Chaos Mountains have not moved for two years, we will also Do you have to wait two years?"

When he said this, Gonggong felt very unwilling. The Northern Ying army was invincible, but it suffered repeated damages on the Earth Continent. Now because of the Chaos Mountains, we have to cooperate with various continents…

Especially thinking of Yue Feng, Gonggong's delicate face could not hide his anger. At that time, in Zhongzhou City, with victory in sight, he was ordered to persuade Yue Feng to surrender, but was deceived by Yue Feng.

Gonggong has an arrogant temperament, and he can't keep his bad breath out, making it difficult to sleep and eat.

More importantly, because of the failure to persuade to surrender, Yang Jian had a great opinion of Gonggong, so in Gonggong's heart, he was always looking for an opportunity to make up for his mistakes.

Chapter 2279

"I'm thinking about this…" Yang Jian frowned and replied angrily.

Yang Jian is also troubled by these things, how can he answer Gonggong?

"Your Majesty!"

At this moment, Zhang Jiao, who had been silent all the time, slowly opened his mouth and said, "Actually, there is nothing to worry about in this matter. As long as you get rid of Yue Feng, everything will be solved.

" If nothing happens, let's get rid of Yue Feng as soon as possible. When the Rakshasa clan invades, His Majesty can lead the Kyushu Continent to resist together. After defeating the Rakshasa clan, His Majesty will be a hero of Kyushu and his name will go down in history. At that time, there is no need for His Majesty to send troops. , every continent will take the initiative to bow down to His Majesty!"

Zhang Jiao is resourceful and thoughtful, and knows what Yang Jian is worried about.

"This…"

Hearing this, Yang Jian hesitated and said, "The way is good, but Yue Feng has been famous for a long time, and the situation in the Primal Chaos Mountains is in critical condition. If you kill Yue Feng at this time, won't I be punished by all? People in the world scold him?"

Although Yang Jian was conceited, he also paid great attention to his reputation and felt that this method was inappropriate.

Hehe…

Zhang Jiao smiled slightly and said, “This is simple, let’s be careful, let the world think that Yue Feng died by accident, before we went around to fight, and Yue Feng is hostile, it is not easy to assassinate. , When Yue Feng died, everyone in the world recalled that we did it. But now it is different, the Chaos Mountains are in crisis, the Kyushu continent is already an alliance, and Yue Feng suddenly died, no one will doubt your majesty

. !”

Yang Jian nodded, and after some deliberation, he nodded at Zhang Jiao and said, “From the point of view of the military advisor, who is the most suitable one to send?”

Zhang Jiao smiled slightly and turned to look at Gonggong: “Of course, Gonggong-sama is the most suitable. Gonggong-sama is most familiar with Yue Feng, so he will definitely be able to handle this matter well. Besides, I have already thought of a rough plan. , Master Gonggong took the initiative to go to Yue Feng, using the excuse of discussing dealing with the crisis in the gangster mountain range, and being with Yue Feng, there is definitely a chance.”

Yang Jian nodded and looked at Gonggong: “Gonggong, assassinate Yue Feng, you can Are you sure?”

Huh!

At this moment, Gong Gong’s delicate body trembled, surprised and happy, and respectfully said, “Your Majesty, rest assured, your subordinates will live up to expectations!”

When he said this, Gong Gong’s eyes flashed gloomy and cold.

Yue Feng, your time of death is approaching!

A few minutes later, under the arrangement of Zhang Jiao, Gonggong quickly left Beiying Imperial City and rushed towards the Diyuan Continent.

….

Earth Circle Continent, Zhongzhou City, Ouyang Mansion.

In the hall, Yue Feng sat there, feeling extremely irritable.

Two days ago, Yue Feng issued an order to Tianmen, asking them to inquire about Su Qingyan, Yue Wuya and Han Bing on all roads. Yue Wuya and Han Bing were separated from the previous battle in the Valley of the Wicked, and their whereabouts are still unknown!

As a result, two days have passed, and there is still no clue.

What bothered Yue Feng even more was that there was no news from the Tianmen disciples sent to the Chaos Mountains.

At this time, Yue Feng didn't know that the Tianmen disciples sent out, as well as people from several other forces, were tricked into the sea by Duan Yu, and they were all destroyed, leaving no survivors.

On both sides, Wen Chou Chou, Jiang Shan, Ren Yingying and others sat there, all anxious.

"metropolitan!"

At this moment, a Tianmen disciple walked in quickly and said respectfully: "Sect Master, there is a letter from Zhongyuan Continent, which was written by Master Moraya!" Hua Yun

fell, and the Tianmen disciple handed the letter to Yue Feng's hand.

Chapter 2280

Zhongyuan Continent, similar to Dongao Continent, is in the embryonic stage of technology. Even if the technology companies in the Earth Circle Continent have already settled in Zhongyuan Continent, the network communication is still dominated by letters.

Master Moraya's handwritten letter?

I muttered in my heart, and after reading the letter that Yue Feng had opened, I couldn't help laughing and crying.

In the letter, Moroye's tone was very helpless.

The strongest in the Zhongyuan Continent is the Dugu family. The family confirmed that the Rakshasa clan in the wild and strange realm was groundless and not true, and refused Moroye's request.

Speaking of which, it is also because Linyin Temple is located in the Chaos Mountains and has been hidden for thousands of years. Very few people know it. People from the Dugu family have never heard of it, and they don't know Moroye, so naturally they don't believe it.

In this case, Moroye only needs to ask Yue Feng for help, hoping that he can go to Zhongyuan Continent in person to help persuade the Dugu family. After all, Yue Feng is famous in Kyushu, and the Dugu family should believe his words.

Whoops!

Seeing Yue Feng's wry smile, Ren Yingying and Wen Chou Chou gathered around to read the letter.

For a time, everyone was furious.

Bang!

Sun Dasheng patted the table and shouted angrily: "Mad, this Dugu family is really short-sighted. The Kyushu continent is in danger, but they say it's fake? If it's fake, can the Northern Ying continent stop the war with us?

" As soon as it came out, many people nodded in agreement.

"Okay, okay!"

Yue Feng smiled bitterly, stood up and looked around: "It seems that I can only go to Zhongyuan Continent once."

To be honest, Su Qingyan, Yue Wuya, and Hanbing were not found, and Yue Feng was not in the mood to go to Zhongyuan Continent!

But there is no way, everyone is responsible for the safety of Kyushu. Moreover, the eminent monks of Moraye Buddhism have all written letters to invite themselves to help. If they refuse, they cannot justify it.

"Fengzi!" Sun Dasheng hurriedly shouted: "I'll go with you!" As

soon as the words fell, Wen Chouchou, Ren Yingying and others also stood up.

"I'll accompany you too!"

"I'll go too!"

Phew!

Seeing this scene, Yue Feng felt warm in his heart, but still shook his head and said, "I'll go alone, you all prepare, and go to the Chaos Mountains to check the situation! I guess that the people who were sent before must have an accident."

Having said that, Yue Feng said seriously: "The situation in the Primal Chaos Mountains is the most important thing!"

Phew!

Hearing this, everyone stopped insisting and obeyed Yue Feng's arrangement.

Soon, after everything was arranged, Yue Feng left Ouyang's mansion and went to Zhongyuan Continent!

On the outskirts of Zhongzhou City, Yue Feng just came here, but at this moment, Yue Feng frowned.

He only felt that a breath came from the sky not far away. Yue Feng looked at it subconsciously, and saw a charming figure in the air not far away, flying quickly.

From a distance, a long light blue dress, blown by the breeze, has a tight and graceful curve, which appears and disappears from time to time, and the exquisite and beautiful facial features reveal a certain aura that cannot be profaned.

It is Gonggong!

hiss!

Seeing Gonggong, Yue Feng instantly became vigilant and couldn't help gasping for air.

Nima, why did this woman suddenly come?

Could it be that Yang Jian went back on his word and did not intend to stop the war, but would continue to fight?

"Yue Feng!"

Just when Yue Feng was thinking about it, Gonggong landed gracefully, walked up to him, and shouted softly, "What a coincidence, I was going to the Ouyang family to find you, but I bumped into you halfway. It's here."

When he said this, Gong Gong's tone was calm, and there was no hostility on his delicate face.

The ultimate husband in Chinese chapter 2281-2290

Chapter 2281

Huh?

Feeling Gonggong's attitude, Yue Feng frowned secretly, inexplicably surprised.

Didn't this woman always want to kill herself? Why are you talking so well all of a sudden?

In a daze, Yue Feng said with a smile: "Look for me? I don't know your Excellency Gonggong, what are your orders?"

"The Chaos Mountains are in crisis, and Kyushu Continent is duty-bound!" Gonggong smiled lightly and said slowly: "For the sake of The Kyushu Continent Alliance, together against the Rakshasa, your Majesty specially ordered me to discuss the details with you."

When he said this, Gong Gong had a smile on his face, but his heart was extremely cold.

That's right, Gonggong came to assassinate Yue Feng on Yang Jian's order. In order not to be suspicious of Yue Feng, he naturally had to show a very sincere look.

What? Discuss with me?

Yue Feng was stunned for a moment, thinking that he had heard it wrong, looked at Gonggong up and down, and joked: "I didn't expect that Yang Jian also had a time when he had the world in his heart, and even more did not expect that Gonggong, the aloof water god, would also have a day to let go of his arrogance, tsk tsk. …"

Before, Gonggong had been chasing and killing Yue Feng, so Yue Feng had no good feelings for Gonggong. At this time, seeing her take the initiative to cooperate and her attitude is so peaceful, it is natural to joke a few words.

Swish!

Hearing Yue Feng's ridicule, Gong Gong was very embarrassed and angry, his delicate face suddenly turned red, and he shouted: "Yue Feng, don't be hilarious, I'm serious with you." After speaking

, Gong Gong looked solemn . , continued: "The people we sent have already checked the situation in the Primal Chaos Mountains. There is indeed a vision happening in the wild and strange realm on the other side. Now the situation cannot be delayed."

Damn, something really happened! ?

Hearing this, Yue Feng put away his hippie smile and his expression became solemn.

This chapter is provided by . Visit for daily update.

The next second, Yue Feng looked at Gonggong and asked, “Then you are so eager to find me, what’s the countermeasure?

” Go to the Chaos Mountains together, see the situation with your own eyes, and then discuss it.”

His face was serious, but Gonggong’s heart was a little excited.

On the way here, Gonggong decided that since he was going to assassinate Yue Feng and make an unexpected appearance, he had to ask him out alone. It was best that no one else knew about it. At this time, he met Yue Feng alone. , it can be said to be a godsend opportunity, but this is the suburb of Zhongzhou City.

Therefore, Gonggong came up with a reason to invite Yue Feng to go to the Chaos Mountains together. From Zhongzhou City to the Chaos Mountains, there are thousands of mountains and rivers, and there must be many opportunities for assassination along the way.

Go to the Chaos Mountains together?

Hearing this, Yue Feng scratched his head, looked at Gong Gong and said with a smile: “That’s right, but I have already sent someone to the Chaos Mountains, and I have other things to do, why don’t you set off first, I’m done. Well, let’s meet in the Chaos Mountains, how?”

I received an invitation to help Moroye to lobby the Dugu family, how could Gonggong and Gonggong go to the Chaos Mountains now?

This…

Gong Gong was in a hurry and couldn’t help but ask: “What is more important than exploring the Chaos Mountains?”

Yue Feng smiled and said what Moroye asked for help.

It turned out to be so.

Hearing this, Gonggong rolled his eyes and said, “In that case, I’ll go with you.” There is still some distance to go to Zhongyuan Continent, and there is also a chance to assassinate.

Huh?

Seeing that Gonggong was very active, Yue Feng was stunned for a moment, and was very puzzled.

Strange, this Gonggong has always been the goddess of icebergs, but now even because of the Chaos Mountains, she is too active. This is not her style.

But Yue Feng didn't think much about it, and said with a smile: "Okay, but you don't have to go to the Zhongyuan Continent. You have to listen to me." Just

kidding, this is the existence of the water god that the world respects. The arrogance of the family is irritated, and if they fight, it will be troublesome.

"Okay!" Gonggong thought for a while and nodded in agreement.

As long as Yue Feng promises to follow, there will be an opportunity to assassinate him, and the rest doesn't matter.

So obedient?

Seeing Gonggong's agreement, Yue Feng changed his mind and said with a smile: "Well, in order to make sure you don't talk casually and make sure that everything is obeyed by me, let's try it first. Come on, call my husband to listen to me."

Chapter 2282

Yue Feng gave a wicked smile when he said this.

This Gong Gong is usually high above, and there are not many opportunities to joke with her.

"You…"

At this moment, Gonggong's delicate face turned red all of a sudden, his body trembled with anger, and he scolded angrily: "Yue Feng, have you played enough? I'll kill you if you keep doing this.

" , but Gonggong did not intend to take action.

To be honest, Gonggong at this time really wanted to kill Yue Feng immediately, but he held back when he thought of Yang Jian's advice that Yue Feng should die unexpectedly.

"Okay…"

Seeing Gonggong's anger, Yue Feng quickly waved his hand and said with a smile: "Don't be serious, it's just a joke, okay, let

's go!" When he said this, Yue Feng looked at him with a smile. Gonggong, indescribably happy in his heart, then walked towards the direction of Zhongyuan Continent.

Gong Gong glared at Yue Feng and followed.

call!

Seeing Gonggong following up behind him, Yue Feng couldn't help but take a deep breath and muttered secretly.

This Gonggong really wants to go to Zhongyuan Continent with himself?

"Master!"

At this moment, in the Linglong Pagoda, Pang Tong's voice sounded, showing a bit of solemnity: "This Gonggong has always been arrogant and arrogant, he tried to persuade you to surrender in Zhongzhou City, but was tricked by you, according to her Personality, I will never give up, but now, I am obeying your words, there must be something wrong."

After speaking, Pang Tong thought for a while, and continued: "In my opinion, this Gonggong must have a different purpose, please be careful with the master. cautious."

As a famous strategist in the Three Kingdoms, Pang Tong has a long-term plan. Although he has not guessed what Gonggong is going to do, it will definitely not be a good thing, so he can't help reminding Yue Feng.

Um!

Hearing this, Yue Feng nodded silently in agreement.

Pang Tong is right, this Gonggong is too suspicious, and he must be careful.

…..

At this moment, the wild and strange realm.

In the open space near the Chaos Mountains, the Rakshasa Army built a huge camp here. The camp is very simple, almost made of wood and animal skins. It is rough and simple, and it is full of primitive and barbaric atmosphere.

The Rakshasa people have been exiled in the wild and strange land for thousands of years. Today, although they have grown, because of the harsh environment here, their civilization has not improved much, and they still maintain their primitive habits.

call! call! call!

On the mountain wall not far from the camp, a dozen giant giants, with the help of Rakshasa soldiers, were still absorbing the power of heaven and earth.

The wild and strange realm is a dark place formed after Pangu opened the world. It is dark all year round and evil spirits are rampant. Therefore, the beasts that can survive in this kind of place are not comparable to ordinary spirit beasts. They have long been accustomed to the sinister environment here. .

Among the beasts in the wild and strange realm, Ju Kui is the only one that can absorb the evil energy in this world and grow his own beasts.

Therefore, the Rakshasa King found these tame giants and asked the soldiers to help them, absorb the evil energy in the world, and continue to gather strength. When these dozen giants have absorbed enough evil, they will be able to live in the Chaos Mountains. , to pave the way for the Rakshasa clan to come out.

Ugh!

Chapter 2283

At this time, in a corner of the camp, Su Qingyan stood in front of the bonfire, looking at the dozen or so giants not far away, with a bit of sadness and loneliness on her delicate face.

It has been two days since she was arrested here, Su Qingyan has already begun to adapt, but she is still a little nervous.

Two days ago, King Rakshasa wanted to kill Su Qingyan and Xu Qingyi, but he was suddenly stopped by the prince Meng Lang, and then locked up the two of Su Qingyan. In the next two days, Meng Lang kept coming over to ask about Kyushu. Continental things.

Although Meng Lang is also a Rakshasa, he is completely different from other Rakshasas. He is gentle and refined, and has the style of a humble gentleman, which is in sharp contrast with other barbaric Rakshasa.

In the face of such a person, Su Qingyan and Xu Qingyi could hardly feel disgusted, so they told Meng Lang about the situation in the Kyushu mainland. Seeing their cooperation, Meng Lang was very happy, so he released them and warned them that as long as they didn’t walk around the camp, they would be fine.

Under such circumstances, Su Qingyan and Xu Qingyi were temporarily safe, but facing the hell-like environment in front of them, it was difficult for the two women to calm down. They could hardly eat or sleep well.

call!

At this moment, Su Qingyan looked at the giants not far away, her heart trembling faintly.

Such a huge spirit beast, if it hadn't come to the wild and strange realm, I'm afraid I'd never see it in a lifetime. Can they really smooth out the Chaos Mountains?

And the strength of this army of millions of Rakshasa is too terrifying. Once it crosses the Chaos Mountains, the Kyushu Continent will definitely be wiped out.

Behind Su Qingyan, Xu Qingyi was lying on an animal skin, resting with her eyes closed, her eyelashes trembling slightly, which was pitiful.

Like Su Qingyan, Xu Qingyi spent the two days of being arrested in panic.

wow wow wow…

At this moment, there was a sound of footsteps, and then, more than a dozen Rakshasa soldiers came over, the one headed, wearing white animal skin soft armor, holding a long knife, majestic.

The man is in his mid-twenties. He is tall and has sharp facial features. He is somewhat similar to Meng Lang, but he has a completely different temperament compared to Meng Lang's gentleman's style. There is a fierce light in his eyes, revealing a kind of savageness in his bones. .

It is Meng Lang's younger brother, Meng Ao!

"Tsk tsk…"

When he came to the front, Meng Ao looked at Su Qingyan up and down, and couldn't help but admire: "I heard from my ancestors when I was a child that all the women in the Kyushu continent are very handsome. I didn't believe it at the time. It's true." Huh

!

Meng Ao's unbridled gaze made Su Qingyan feel uncomfortable, her delicate face suddenly flushed red, and she was utterly embarrassed, but sensing Meng Ao's strength, she did not dare to scold.

Su Qingyan clearly felt that Meng Ao, who was in front of him, was not very young, but his strength was astonishing.

A man who is only twenty years old has the strength to cross the Tribulation Realm, which is too terrifying.

Yes, as the son of King Rakshasa, Meng Ao is very gifted and born with divine power, especially when he is a cultivator, he has a very high talent. A giant, eighteen-year-old, enjoys the name of the 'God of War' in the Rakshasa.

Meng Ao is brave and good at fighting, and like his elder brother Meng Lang, he is deeply loved by the Rakshasa King.

Growing up under the halo since childhood, Meng Ao has a wild and unruly personality and acts as he wants. When he learned that his eldest brother was under his father's hands, he saved two girls from the Kyushu continent, and he was very beautiful, so he immediately came over to see.

call!

At this time, Meng Ao, looking at Su Qingyan in front of him, and Xu Qingyi who was resting, couldn't move his eyes away.

To be honest, Su Qingyan and Xu Qingyi are famous goddesses in the Kyushu mainland. After arriving in this hellish wild and strange realm, they are even more like fairies, which makes people who have never seen Kyushu beauties confused. Proud, couldn't help but be amazed. These two are like fairies in the sky. Their looks and bodies are simply amazing!

After a few seconds, Meng Ao reacted and walked slowly towards Su Qingyan.

Watching from a close distance, Meng Ao nodded again and again, couldn't help but stretched out his fingers, pinched her chin, and said with a smile: "Beauty, rumor has it, your Kyushu women are not only long water spirits, but also good at singing and dancing, come here. Come, let me appreciate your dance!"

Chapter 2284 The

tone is gentle, but unquestionable.

To be honest, after being attracted by Su Qingyan's beauty, Meng Ao wanted her to be his own woman, but the Rakshasa clan had been exiled for thousands of years, and their ancestors regarded the Kyushu Continent as their enemy.

Moreover, the ancestors of the Rakshasa had left a will, warning the descendants of future generations, if they could cross the Chaos Mountains and see the people of the

Kyushu continent, they must kill them all, and never become friends with them or marry them.

Although Meng Ao was wild, he also knew how to obey the orders of his ancestors and resisted the idea of occupying Su Qingyan.

“No!” The

cold words came out of Su Qingyan’s mouth without any hesitation!

hiss!

The surroundings were suddenly silent, and all the Rakshasa soldiers around were looking at Su Qingyan!

She.. she said no? This is clearly not wanting to dance to the second son.

In the wild and strange realm, the second son is proud, but the god of war of the Rakshasa, no one dares to reject him like this!

At this moment, Meng Ao’s face suddenly changed. You must know, in front of so many subordinates, being rejected by this Su Qingyan like this, where would you put your face?

At this time, Meng Ao’s eyes flashed with evil spirits, and the atmosphere was extremely solemn. The Rakshasa soldier next to him didn’t even dare to breathe.

Finally, at this moment, Meng Ao sneered: “So delicate, yet quite temperamental.” As the

voice fell, Meng Ao was about to grab Su Qingyan’s wrist.

Su Qingyan ducked for a while, and she was shocked and angry: “Please show some respect.”

When she said this, Su Qingyan was extremely nervous. She had never encountered such a thing before, and this Mengao is also a Rakshasa clan. Famous people, but dishonest, and in front of so many subordinates!

Um?

Seeing Su Qingyan dodging, Meng Ao was very displeased and shot again!

This time, Meng Ao used his inner strength, but Su Qingyan didn’t dodge, her wrist was tightly grasped.

Immediately afterwards, Meng Ao showed a wicked smile on his face, got closer, sniffed softly in front of Su Qingyan, and sneered: “Tsk tsk, the women in the Kyushu continent are really fragrant. I don’t know if their body is better. Our Rakshasa women are small and exquisite.” After speaking

, Meng Ao looked around and said loudly, “Do you want to take a look?”

Yes, there was an ancestor’s order, Meng Ao didn’t want to sully Su Qingyan, but she Such refusal made Meng Ao angry and wanted to humiliate Su Qingyan.

Meng Ao thought about it, and after humiliation, he killed him directly.

The surrounding Rakshasa soldiers roared and responded, and at the same time looked at Su Qingyan and laughed evilly.

“Think!”

“Haha…”

At this moment, Su Qingyan’s tender body trembled, her face paled, and she was shocked and angry.

If you are seen by these Rakshasa people, you might as well die happily.

In shame and anger, Su Qingyan was about to struggle, but she was sealed by Meng Lang before, and Meng Ao in front of her was the strength of transcending tribulation, and she couldn’t break free at all.

“Take off your dirty hands!”

At this moment, a coquettish shout came from behind, and when he looked back, he saw that Xu Qingyi woke up at some point, and looked at Meng Ao with shame and anger. Body trembling.

Xu Qingyi had just fallen asleep when she was woken up by Meng Ao who suddenly appeared. When she opened her eyes, she saw that Su Qingyan was tightly grasped by Meng Ao and was about to be humiliated.

Although they have not known each other for a long time, they have experienced so much together in the past few days. Xu Qingyi and Su Qingyan have become friends through adversity. When Qingyan was about to be humiliated, Xu Qingyi couldn’t help it.

To be honest, Xu Qingyi was also nervous in the face of Meng Ao, but her personality was tenacious and unyielding, and she would rather die than let her sister be humiliated.

Swish!

Chapter 2285

Meng Ao frowned, his eyes locked on Xu Qingyi.

“Kill her first, and feed the corpse to Ju Kui!” The cold voice came from Meng Ao’s mouth. It was extremely cruel and had no humanity at all.

At this time, Meng Ao was very angry. This woman dared to say that she had dirty hands. If she didn’t kill her, how could she maintain her prestige?

Whoops!

The words fell, and several Rakshasa soldiers walked quickly and surrounded Xu Qingyi.

“Don’t…” Seeing this scene, Su Qingyan’s tender body trembled, she couldn’t help exclaiming, and tears flowed out.

Afterwards, Su Qingyan pleaded with Meng Ao: “Please, don’t kill her, don’t you want to watch me dance? I dance, can’t I dance…”

Su Qingyan was kind in her heart, and she and Xu Qing Yiqing felt the same way as her sisters. Seeing that Xu Qingyi was going to be killed because of herself, she immediately let go of all her dignity in a hurry.

Haha…

Meng Ao sneered, with a proud look on his face: “I’m not interested in watching you dance now, I just want to see your companion being eaten by the giant, haha…” The

voice fell, and Meng Ao looked up to the sky. Laughing loudly, his expression full of madness, the savagery and cruelty of the Rakshasa people were vividly portrayed by him at this moment.

“You…”

Hearing this, Su Qingyan’s delicate face was extremely pale, and she was speechless in anger.

At the same time, knowing that she had no hope of living, Xu Qingyi also gave up her struggle and closed her eyes in despair.

At the same time of despair, my heart is filled with endless fear.

Being eaten by a giant is the most terrifying thing in the world for a woman like Xu Qingyi.

For a time, Xu Qingyi's eyes were red, and tears couldn't help falling.

"Stop!"

Just when Xu Qingyi was about to be sent to feed Ju Kui, suddenly, a cold scolding came, and then, a tall figure appeared in front of everyone.

It is Meng Ao's elder brother, the prince Meng Lang.

call!

Seeing Meng Lang, Su Qingyan and Xu Qingyi did not have the slightest surprise, and became even more uneasy.

At this time, Meng Lang looked around and roared at the Rakshasa soldiers: "I said that no one is allowed to approach this place. Who let you in?"

After speaking, Meng Lang pointed at Xu Qing Yi, there is no doubt: "Release immediately." The

few Rakshasa soldiers were silent, and they didn't dare to let out the air, so they quickly untied the ropes on Xu Qingyi's body.

"Big brother!"

Seeing this scene, Meng Ao was a little anxious, and couldn't help shouting: "These two women from the Kyushu continent dare to ignore me, I have to kill them to get out of my anger, why should I loosen the bond?

" !"

Meng Lang took a deep breath and scolded: "These two women, I keep them useful and can't kill

them for the time being." When he said this, Meng Lang's face was resolute and could not be refuted, and at the same time he couldn't help but watch He glanced at Su Qingyan and Xu Qingyi.

Meng Lang is free, intelligent and eager to learn. He is especially curious about unknown things. After learning about the outside world that there is a Kyushu continent at a young age, Meng Lang's curiosity was instantly hooked. Although the ancestors of the Rakshasa tribe left a lot of records about the continent of Kyushu, those descriptions in few words could not satisfy Meng Lang's thirst for knowledge.

Therefore, when King Rakshasa wanted to execute Su Qingyan and Xu Qingyi, Meng Lang stopped them in time. Whether it was out of curiosity or to help the Rakshasa army understand the situation in the Kyushu Continent, he had to learn more about the Kyushu Continent from the mouths of Su Qingyan and the two women.

In the past two days, in Su Qingyan and Xu Qingyi's narration, Meng Lang was deeply attracted by the situation in the Kyushu mainland, as well as the human geography and culture. He was born to learn, and he was very curious. After knowing a little, he wanted to know more. How could he let his brother kill these two women? !

it works?

Hearing this, Meng Ao was stunned for a while, and then said unwillingly: "Brother, what is the use of two girls? You don't want to take it for granted that you see them as beautiful as fairies? You don't want them? Forgot the ancestral teaching…"

The ultimate husband in Chinese chapter 2286-2290

Chapter 2286

Meng Ao is short-tempered and has a simple idea. He thinks that his eldest brother is attracted by the beauty of Su Qingyan and the two women, so he is reluctant to kill him.

Just before he finished speaking, he was interrupted by Meng Lang.

"Shut up!" Meng Lang shouted angrily and said word by word, "I keep them in order to successfully attack the Kyushu Continent in the future, entirely for the sake of our Rakshasa clan… I won't say more, You take people and leave here immediately." The

voice was not loud, but it was full of majesty.

"I…" Meng Ao was very unwilling, but he was speechless to refute. Seeing that he had not left yet, Meng

Lang was too lazy to talk nonsense, and said coldly: "Second brother, you don't even listen to the elder brother now, do you?

"

, and then left with the surrounding Rakshasa soldiers. The relationship between the two brothers has always been good. From childhood to adulthood, Meng Ao listened to Meng Lang's words. At this time, seeing that his brother was really angry, Meng Ao did not dare to be presumptuous.

call!

Seeing Meng Ao leading people away, Su Qingyan and Xu Qingyi were both relieved, but they still had some lingering fears when they thought of the scene just now.

“You two are frightened!” Meng Lang came over with a smile and said apologetically, “My brother is too reckless, don’t mind, I will protect the celebrity here later. What happened today will never happen in the future.”

Xu Qingyi squeezed out a smile and said nothing.

“But…” Su Qingyan was still in shock and couldn’t help but said: “If your brother comes again, I’m afraid your subordinates won’t be able to stop it.”

When she said this, Su Qingyan remembered the proud look just now, very afraid.

Fortunately, Meng Lang came in time, otherwise, he and Xu Qingyi would really be fed to Ju Kui.

This chapter is provided by . Visit for daily update.

As soon as the words fell, Xu Qingyi couldn’t help but say, “Yeah, if you told him in front of so many people just now, he must have felt resentful, very unwilling!

” Qingyan and Xu Qingyi would not talk so much to Meng Lang. After all, Meng Lang was the son of the Rakshasa clan with a special status. But after two days of contact, I found that Meng Lang was very different from other Rakshasa people. He didn’t have that kind of primitive brutality, but instead had the elegance of a scholar.

More importantly, Meng Lang saved the lives of both of them just now. Therefore, Su Qingyan and Xu Qingyi both expressed their concerns without concealment.

Haha…

Hearing this, Meng Lang couldn’t help laughing and comforted: “You don’t have to worry about this, our brothers are in a good relationship, so there will be no conflicts because of these things, and in the future, my father will The throne has been passed on to me, even if my younger brother is not happy, he will not dare to yell at me!”

What? Throne?

At this moment, both Su Qingyan and Xu Qingyi trembled in their hearts, they were very shocked!

This… this Meng Lang is the next generation of Rakshasa King?

At this time, Su Qingyan and Xu Qingyi did not know that the customs of the Rakshasa were very different from those of the Kyushu continent. When the emperor of the

Kyushu continent was elected as the prince, he would pass various tests and tests. , regardless of ability, the eldest son succeeds the throne, and this has always been the case for thousands of years.

In other words, even if Meng Lang in front of him is a brave and reckless man, he is also the heir of the next Rakshasa King.

In shock, Su Qingyan and Xu Qingyi looked at each other and exchanged eye contact.

Su Qingyan and Xu Qingyi are both smart women. They both thought about the same question at this time. Since Meng Lang is the next generation of Rakshasa King, he will try his best to teach him the civilized etiquette of the Kyushu continent. , to improve his quality and mind, in this case, he will lead the Rakshasa clan in the future, and he will not be random, which will be of great benefit to the Kyushu continent.

“Okay!”

At this moment, Meng Lang sat on the animal skin next to him and looked at Su Qingyan with a smile: “Yesterday you talked about the royal family of the Tianqi Continent, trouble you two, talk more today A little…”

Hmm!

Su Qingyan and Xu Qingyi nodded at the same time, then sat aside and began to explain carefully.

Chapter 2287

Su Qingyan used to be the suzerain of Wenzong in Dongao Continent. He was good at both calligraphy and painting, and Xu Qingyi was also a well-known talented girl in Xi Cang Continent. She was well versed in astronomy and geography. In the future, I will be a wise leader and reduce the harm to the Kyushu Continent. I will explain it very carefully.

…..

Zhongyuan Continent, Tianzhong City!

Tianzhong City is one of the largest cities in the Zhongyuan Continent. The Zhongyuan Continent is located in the Kyushu. It is rich in treasures and has outstanding people. Tianzhong City is also in the central area of the Zhongyuan Continent, which is called the world.

At this time, in Tianzhong City, the streets were full of traffic and a bustling scene.

At this moment, in the most prosperous city center of Tianzhong City, a young man and woman are walking slowly along the street.

It is Yue Feng and Gonggong!

Two hours ago, Yue Feng and the two arrived at the Zhongyuan Continent and were about to meet Moraye. As a result, Moraye did not wait for Yue Feng and went to other continents to lobby various forces. In Moraye's heart, the situation in the Chaos Mountains, Don't miss a moment, don't waste a minute and a second.

However, Moroye left a letter, asking Yue Feng to tell the Dugu family.

In this case, Yue Feng had to bring Gonggong to Tianzhong City as soon as possible, because the Dugu family was in Tianzhong City.

call!

At this time, Yue Feng looked around the street environment of Tianzhong City while walking, and was very emotional.

I saw that the streets were full of traffic, but most of them were carriages and rickshaws. Occasionally, a car could be seen, but it was very rare, and the buildings were not high. This scene was similar to what Yue Feng saw when he went to Dongao Continent for the first time. Both are in the beginning stage of the technology industry.

Gong Gong next to him had a dull look on his face, and his beautiful face was very calm, without the slightest fluctuation, but his heart was extremely annoyed.

Along the way, Gonggong looked for many opportunities to assassinate Yue Feng, but all failed.

What made Gonggong even more annoyed was that every time Yue Feng took a break, he would release Qiongqi and be vigilant around him, which greatly increased the difficulty of Gonggong's assassination.

Gonggong didn't know that at this time, Yue Feng had already taken precautions against her under Pang Tong's reminder.

call!

At an intersection, Yue Feng stopped, tilted his head and looked at Gong Gong with a smile: "After a while, the Dugu family will come, you wait outside, I went in and said, as long as the Dugu family is clear, we will go to the Chaos Mountains."

Gong Gong Nodding, no comments.

“Get out of the way, get out of the way!”

Just as he was talking, he heard a loud scream coming from the front, and then, a carriage ran rampantly and approached, with a man and a woman sitting on the carriage.

Um?

Seeing the scene in front of him, Yue Feng was about to dodge aside, but when he saw the men and women on the carriage, he was stunned, and then showed a smile!

Hehe…

What a coincidence, it turned out to be the two of them!

The man was well-dressed, driving a carriage, extremely fast, very arrogant and domineering, constantly yelling at the pedestrians in front of him, telling them to get out of the way.

The woman is dressed in a long white dress, with a delicate face and charming curves, but there is a trace of melancholy between her brows as she sits and bows her head thinking about something.

It was Dugu Jing and Sun Ting!

Before Yue Feng went to the Xi Cang Continent, he wanted to gather the Xi Cang army to rescue the Yuan Continent. At Canglong Pass, he met Sun Ting and Dugujing who were doing business before. At that time, because of Sun Ting, Yue Feng was almost besieged by the defenders of Canglong Pass. …

Yue Feng still vividly remembers the situation at that time, so he was pleasantly surprised to see Sun Ting and the two of them.

Chapter 2288

“Get out of the way, get out of the way!”

In a blink of an eye, Dugujing drove the carriage to the front. Seeing that Yue Feng had no intention of dodging, Dugujing couldn’t help shouting.

At this time, Dugu Jing had not recognized Yue Feng!

boom!

Dugujing hurriedly slowed down, but because the speed was too fast, the carriage slammed into the steps by the side of the road due to inertial traverse. After a shock, Dugujing and Sun Ting were both shocked and almost fell off the carriage.

The carriage almost fell apart and the wheels were knocked off!

When the news came, many passers-by saw the situation and gathered around to watch the excitement. Many people pointed at Yue Feng.

“This kid is about to end!”

“Yeah, dare to be the carriage of the second son of Dugu…”

“I don’t know whether to live or die…”

There was no one who sympathized with Yue Feng. In the eyes of everyone, Yue Feng was dressed up. Just an ordinary passerby, but dare to block Dugu’s carriage, what is not courting death?

“You are so blind!”

At this moment, Dugujing jumped out of the car and saw that the carriage was no longer usable. He was furious and pointed at Yue Feng and cursed: “Are you looking for death? Can’t you see the carriage coming?

” While scolding, Dugujing looked up and down at Yue Feng, frowning secretly.

Where have you seen the man in front of you?

But for a while, I just can’t remember.

“It’s you who drove the carriage and rammed on the road, and blamed others for not giving way. What’s the reason?” Seeing that Yue Feng didn’t speak, Gong Gong couldn’t help but said.

The voice is not loud, but the words are righteous and cannot be refuted.

To be honest, the main purpose of Gonggong is to assassinate Yue Feng. It stands to reason that he will never help Yue Feng to speak, but seeing Dugujing bullying others, he can’t stand it.

“Wow…”

As soon as Gonggong opened his mouth, he immediately attracted the attention of many people. The long skirt was fluttering and the figure was hot. Such a beauty is like a fairy descending to the world, and she is the focus everywhere.

But soon, many people came back to their senses, looking at Yue Feng's eyes, showing envy and puzzlement.

This man looked sour, looking extremely mediocre, with such a beautiful woman following him. What a shit luck this is!

call!

Dugujing was also attracted by Gonggong, but after a few glances, he withdrew his gaze and pointed at Yue Feng: "Boy, I won't talk nonsense with you, this young master's carriage, because you were damaged, what do you say? Let's do it?"

Yue Feng chuckled and didn't respond. But it was secretly funny.

Before in Canglongguan, when I saw Dugu Jing for the first time, I felt that this is a playboy who likes to bully others. Now that they have reached the chassis of their Dugu family, they are even more arrogant.

"Dugujing!"

At this moment, Sun Ting got off the carriage, with a bit of displeasure on her delicate face: "Let you drive the carriage well, you have to be so reckless, it's good not to hurt anyone, Don't bully the people casually."

At this time, Sun Ting, wearing a white dress with high heels, was curvy and curvy. Compared with the public, she was a little less arrogant and had a graceful intellectual beauty.

wow.

As soon as Sun Ting appeared, there was an instant agitation around her.

Many men couldn't hide their excitement and stared at Sun Ting, their eyes straight.

As expected of the eldest miss of the Sun family, she is so beautiful. If she is fortunate enough to marry her back home, it will be worth it in this life!

"Teacher?"

Yue Feng was stunned when the beauty in the car came over. Isn't this woman Tang Lan, the head teacher of the high school? !

Then I remembered that Li Qin told himself before that the head teacher also wanted to enter the entertainment industry.

At that time, I agreed, and left it to Han Yue to make arrangements.

It looks like this, Tang Lan is here for an interview today.

“Cousin?” Seeing Sun Ting coming down, Dugujing squeezed out a smile and flattered: “Why did you come down? This kid is blocking the road, I will teach him a few words, and I won’t do anything to him, wait for me to let him go. Someone rearranged a carriage.”

Chapter 2289 Dugujing,

the second son of the Dugu family, is arrogant and domineering in Tianzhong City. He is not afraid of the sky, but he is only afraid of the cousin Sun Ting.

Hearing this, Sun Ting nodded slowly, but still explained: “Don’t bully the people!”

Sun Ting’s kind-heartedness is in stark contrast to Dugujing’s arrogance.

“Boy!”

At this time, Dugujing gave Yue Feng a contemptuous look, and said coldly, “This time, for the sake of my cousin, this young master doesn’t care about you, you kowtow to me to apologize, and this matter is over. “

When he said this, Dugujing’s face was arrogant. In his heart, kowtowing and making amends was the greatest forgiveness.

Kowtow to apologize?

Hearing this, Yue Feng chuckled lightly and said lightly: “You drive a carriage, rampage on the road, disregarding the safety of passers-by, and you need to make amends. You should make amends to passers-by present, but now you have reversed right and wrong, and let me kowtow to you to make amends, What a big joke.”

Shuh!

Dugujing was instantly angry, locked on Yue Feng tightly, and shouted angrily: “You are courting death!”

At this moment, more than a dozen servants of the Dugu family rushed over to learn about the situation.

Without hesitation, Dugujing pointed at Yue Feng and shouted, “Tie this ignorant boy to me.”

Whoa!

The voice fell, and more than a dozen servants came over quickly and surrounded Yue Feng.

Seeing this scene, Yue Feng did not panic at all, because he clearly felt that although these servants of the Dugu family were all cultivators, their strength was the Marquis Wu, and they did not threaten him at all.

Gong Gong on the side, with a delicate face, is also extremely calm.

More than a dozen of the Dugu family's little rogues want to do something to Yue Feng, which is really beyond their own power.

"Stop it all!"

At this moment, Sun Ting's body trembled, and she couldn't help but speak to stop it.

The next second, Sun Ting looked at Yue Feng closely, very surprised and delighted: "Fengtao? Why are you here?"

Sun Ting didn't pay attention to Yue Feng just now, thinking that he was just a passerby. Dare to challenge Dugujing, he couldn't help but glanced at it, and immediately recognized that Fengtao, who had helped himself at Canglongguan before this time.

Sun Ting is not only kind, but also knows how to repay her kindness. When she saw Yue Feng suddenly, it was both an accident and joy.

At this time, Sun Ting didn't know that the wind and waves in front of her were exactly Yue Feng, who was famous in the Kyushu mainland.

"Miss Sun Ting!" Seeing that Sun Ting recognized herself, Yue Feng greeted with a smile: "Don't be alright."

Sun Ting smiled lightly and was about to speak, but was interrupted by Dugujing.

"Oh…."

Dugujing took a long drag tone, looked at Yue Feng up and down, and sneered: "It turns out to be the kid I met in Canglong Pass before, what's wrong? Can't stay in Xi Cang Continent, just Are you fleeing to our Zhongyuan Continent?"

In Dugujing's heart, he always thought that Yue Feng was a refugee. As for the fact that he and his cousin were able to get off the line at Canglongguan before, it was all because Canglongguan was guarded. Yue Feng has nothing to do with it.

At this time, Yue Feng was recognized, and Dugujing thought that he was fleeing again.

In the face of Dugujing's contempt, Yue Feng was too lazy to pay attention.

"Dugujing, can you say a few words less?" Sun Ting couldn't stand it any longer, her eyebrows furrowed, and she couldn't help but accuse.

Dugujing shrugged with an indifferent look on his face, but looking at Yue Feng's eyes, there was still contempt and contempt.

"Fengtao."

Sun Ting looked at Yue Feng and asked with concern, "Why did you suddenly come to Zhongyuan Continent? Did you encounter any trouble? Tell me, maybe I can help you."

Phew!

Feeling Sun Ting's concern, Yue Feng took a deep breath and felt warm in his heart.

This Sun Ting has no pretense of being a eldest lady at all. She is willing to help others. It is an honor to know such a friend.

Thinking to himself, Yue Feng replied with a smile, "I'm here this time to visit the Dugu family."

Huh?

Hearing this, whether it was Sun Ting, Dugujing, or the people around were stunned.

Chapter 2290

Haha… The

next second, Dugu Jing thought he had heard a big joke, so he couldn't help sneering at Yue Feng: "Visit the Dugu family? Sorry, our Dugu family has no habit of hosting refugees, haha. …" The words were full of mockery.

The dignified Dugu family, Taishan Beidou in the cultivation world of Zhongyuan Continent, is he a general generation who can visit if he wants to?

Nima!

Yue Feng frowned secretly, and his heart suddenly became a little angry.

This Dugujing is too arrogant. The Dugu family is very famous in the Zhongyuan Continent, but in the Kyushu Continent, it can't even rank in the name, and this kid thinks he is amazing.

Sun Ting was also a little unhappy. This cousin is really not polite at all. How can I say that Feng Tao also helped him in Canglong Pass, but he mocked him everywhere.

Although this Feng Tao is a civilian, his previous performance in Canglong Pass was very brave and very manly.

Sun Ting frowned: “Dugujing, don’t follow me if you do this again.”

“Okay, I won’t talk about it.” Dugujing hurriedly said: “I’m just talking, are you kidding him! Cousin, please don’t. I’m angry.” He said so, looking at Yue Feng’s eyes, still showing contempt.

Yue Feng didn’t say anything, just sneered.

“Fengtao!”

At this moment, Sun Ting was full of curiosity and asked Yue Feng, “Why are you visiting the Dugu family?” In her heart, although Fengtao is very powerful, he is still an ordinary person, and the Dugu family. This kind of strength can’t be hooked at all.

call!

Yue Feng took a deep breath, looked around, and responded seriously: “Let me tell the truth, I was invited by Master Moroye, and I specially invited the Dugu family to send someone to guard the Chaos Mountains. The situation in the Chaos Mountains is urgent. I can’t delay, and my name is not Fengtao, my real identity is the Lord of the Heavenly Gate of the Earth Circle, Yue Feng!”

Seriously, Yue Feng didn’t want to reveal his identity on the street, but the matter of the Chaos Mountains cannot be If it drags on, the Sun family and the Dugu family have been friends for generations, and Sun Ting is the eldest miss of the Sun family. If she is recommended, she will definitely meet the patriarch of the Dugu family. As for Dugu Jing, a playboy, you can’t count on it.

What?

The voice fell, the street was silent, everyone looked at Yue Feng, speechless.

This… this kid, is Yue Feng, who is famous in the Kyushu continent?

real or fake?

Sun Ting stared blankly at Yue Feng, shocked.

Is he Yue Feng? No wonder the strength is so strong, and there is a special temperament on his body.

Dugu Jing, who was on the side, was also stunned there, unable to slow down.

Haha….

Finally, a minute later, Dugu Jing reacted, pointed at Yue Feng and laughed: “What did you just say? You are the Lord of Heaven, the Emperor of Xi Cang, Yue Feng? Boy, you’re bragging. Right? Just like you, it’s almost like being a disciple of Tianmen. If you were Yue Feng, I would be Yang Jian, Emperor of Northern Ying, hahaha…”

Boom…. When the

voice fell, everyone around reacted and laughed. Yes ,

this kid is so poor, how could he be the famous Tianmen Sect Master Yue Feng?

Besides, Yue Feng has just ended the war with Beiying Continent. He must be in the Earth Circle Continent at this time, busy rectifying the situation after the war. How could he have come to Zhongyuan Continent alone?

Seeing that they didn’t believe it, Yue Feng smiled and said nothing.

Swish!

Gonggong on the side was so angry that he gave Dugujing a stern look.

“You…”

Finally, Sun Ting recovered and looked at Yue Feng in shock: “Are you really the Sect Master of Tianmen, Yue Feng?”

Others doubted Yue Feng, but Sun Ting believed that this friend in front of him, She wouldn’t lie to herself, but Sun Ting was a little unbelievable. After all, Yue Feng’s reputation was too loud in the Kyushu mainland.

More importantly, Sun Ting has always regarded Yue Feng as a hero and her own idol. In her fantasy, Yue Feng, as the emperor of Xi Cang and the lord of Tianmen, must go to other places with awe and majesty.

At this time, Yue Feng, in front of him, was dressed in ordinary clothes and only brought a woman, which was completely different from what Sun Ting thought.

Um!

Facing Sun Ting’s question, Yue Feng nodded with a smile: “Of course I’m Yue Feng, what if I replace it with a fake? Could it be that someone else pretends to be me?”

The ultimate husband in Chinese chapter 2291-2300

Chapter 2291

As soon as the voice fell, Dugujing couldn't help sneering: "Boy, stop pretending, I tell you, there are too many people pretending to be Yue Feng."

After saying that, Dugujing looked at him with burning eyes Yue Feng: "In the past few years, many people have pretended to be Yue Feng and went to our Dugu family to cheat food and drink. Do you know what happened to them?"

Dugu Jing is right. In the past ten years, because of Yue Feng's reputation is getting bigger and bigger. There were many practitioners who pretended to be Yue Feng to go to the Dugu family to cheat.

Moreover, not only the Zhongyuan Continent, but also other continents posing as Yue Feng happened, but Yue Feng knew very little about these situations.

Nima!

Hearing this, Yue Feng was dumbfounded.

At this time, Yue Feng wanted to take out his golden mask to prove his identity, but after thinking about it carefully, this Dugujing believed that he was fake, even if he took out the golden mask that symbolized the Lord of Tianmen, it was useless.

Seeing that Yue Feng didn't speak, Dugujing thought he was guilty, and sneered: "Are you afraid, you have nothing to say?"

Then, Dugujing looked at Gonggong: "This beauty, he said that he is Yue Feng, then you are Who is it? Yue Feng's wife?" I

have to say, this woman is really good-looking, cold and temperamental. Fully qualified to be Yue Feng's woman.

Dugujing thought about it, if she is Yue Feng's woman and can prove Yue Feng's identity, it's a big deal to apologize.

If not, it proves that everything this kid said is a lie.

Swish!

In an instant, everyone's eyes were focused on Gonggong.

Seeing everyone looking at him, Gonggong's delicate face instantly turned a little red, then he bit his lip and said coldly, "He is Yue Feng, but I'm not his wife…"

This chapter is provided by . Visit for daily update.

Gonggong is very conceited Leng, who has a grudge against Yue Feng, is also with Yue Feng because of Yang Jian's arrangement. The purpose is to assassinate Yue Feng. How can he admit that he is Yue Feng's wife?

Hehe…

Hearing this, Dugu Jing couldn't help laughing, with a playful look on his face: "Since it's not his wife, how can you prove that he is Yue Feng?"

"I…"

Gong Gong Qiao His face was red, and he was speechless for a moment.

Alas..

Seeing this scene, everyone around shook their heads secretly, looking at Yue Feng with incomparable contempt.

Even the woman around him can't prove his identity, this kid must be lying.

"Okay!"

At this time, Dugu Jing looked at Yue Feng coldly: "Boy, you don't have to pretend, even if you were sent by the monk Moroye, our Dugu family would not welcome you. Roye's monk, went to our family two days ago, full of nonsense, saying that on the other side of the Chaos Mountains, there is a Rakshasa who has been exiled for thousands of years, and he also talked about the Yellow Emperor… There is no evidence, it is completely He is a liar."

After speaking, Dugujing ordered to the servants around him: "Prepare a new carriage immediately, and, if this kid comes to visit, drive away immediately!"

Mad!

Seeing this scene, Yue Feng didn't know whether to laugh or cry, and at the same time he couldn't say anything.

This Dugu Jing is really arrogant.

This kid believes that he is lying, and it is difficult for the Dugu family to get in. What should I do?

At this time, Sun Ting also frowned, looking at Yue Feng, her heart was in a mess.

Is this Fengtao really lying?

“Cousin!”

Just when Sun Ting was thinking about it, Dugujing came over and said flatteringly, “The new carriage is ready, let’s go to work quickly, this kid will ignore him.”

Yes, before Dugujing The reason why it was so urgent to drive the carriage was because Sun Ting had an important family business to discuss.

call! However, Sun Ting

did not rush to get into the car, but took a breath of relief, walked up to Yue Feng, and said seriously, “You are really Yue Feng, didn’t you lie to me?”

In my heart, I still believe that this friend cannot lie to me.

Chapter 2292

Hmm!

Yue Feng nodded seriously.

“Okay!” Sun Ting thought for a while and said softly, “I have something urgent to do right now. When I come back, let’s talk in detail. By the way, where are you staying?”

At this time, Sun Ting wanted to Help Yue Feng, but the family business cannot be delayed for a moment.

This…

Yue Feng scratched his head, a little embarrassed, he just arrived in Tianzhong City, how could he have a place to stay.

In the next second, Yue Feng looked around and saw a hotel across the street, and said, “I’ll rest at this hotel. You can do things well and come to me.”

When he said this, Yue Feng was very heartbroken. is helpless.

Dugujing ordered to let the family’s servants guard against him. It is difficult for him to see the patriarch of the Dugu family. In this case, he can only rely on Sun Ting for help.

“Okay!” Sun Ting nodded and agreed, then got on the carriage and left with Dugu Jing.

“Let’s go!”

Watching the two leave, Yue Feng turned his head to look at Gonggong, and smiled bitterly: “Let’s go to the hotel to rest first.” After speaking, he walked towards the hotel.

Gonggong did not speak, but there was no objection, and he followed slowly.

“Yue Feng!”

When he was about to arrive at the hotel, Gong Gong couldn’t help but ask: “As the sect master of Tianmen, Emperor Xi Cang, the boy of the Dugu family, why didn’t you kill him just now, mocking you so much? Also, since you are inviting the Dugu family to go to the Chaos Mountains for defense, you can directly show your strength and break into the Dugu family, why is it so troublesome?”

Gonggong looked puzzled when she said this. Strong and powerful, there is no need to be so polite to a small family.

call!

Yue Feng smiled, shook his head and said: “To deploy defense in the Chaos Mountains together, we need all forces in the Kyushu continent to unite as one. If I directly break into the Dugu family and force them to agree with my powerful strength, the Dugu family will definitely treat me. Holding grudges. In this case, how can everyone work together to fight against the Rakshasa clan?” After speaking

, Yue Feng took a deep breath and continued: “I have to show my sincerity in this matter, and at the same time let me The Dugu family knows that the matter of the Chaos Mountains is not groundless, so they cannot act recklessly!”

Hearing this, Gonggong nodded silently, his delicate face was very calm, but his heart was very touched.

I really did not expect that this Yue Feng was not at all serious at ordinary times, but he was so cautious and thoughtful in his business affairs.

It seems that he can be the emperor of Xi Cang, the lord of Tianmen, and there are so many forces to help in times of crisis. It is not pure luck.

Thinking to himself, Gonggong looked at Yue Feng’s eyes with a strange brilliance.

At this time, Gonggong’s view of Yue Feng has quietly changed.

“Two guest officers!”

When they arrived at the hotel lobby, the innkeeper greeted attentively, “Do you want to stay in the hotel? How many rooms do you want?”

Yue Feng smiled and said, “How many rooms do you think we need?” Feng glanced at Gong Gong playfully, a smirk flashing in his eyes.

Yes, Yue Feng did it on purpose, just to make fun of Gonggong.

The shop owner has been in the shopping mall for a long time, and he immediately understood what Yue Feng meant, and said with a smile: “Yes, the two men are talented and beautiful, and they are a natural pair. Naturally, they want a room.

” to prepare the room.

Swish!

This time, Gong Gong’s delicate face suddenly turned red, and he stamped his feet in anger: “Who is born with him? Open two rooms.”

When he said this, Gong Gong gave Yue Feng a stern look.

This Yue Feng is such a jerk, he deliberately hinted that the shop owner opened a room, how could he possibly rest in a room with him as a dignified goddess?

Haha…

Feeling Gonggong’s shame and anger, Yue Feng didn’t panic at all and couldn’t help laughing.

Dignified Water God Gong Gong, who would not be respectful when they saw it? Now being teased by myself, but not having a bad seizure, it feels so good.

the other side.

Chapter 2293

Sun Ting and Dugujing rode in a carriage and slowly arrived in front of a newly built building.

The building is located in the prosperous commercial area of Tianzhong City, with a total of eight floors. The outside is decorated with large pieces of glass. Compared with the surrounding red brick buildings, it is full of ultra-modern atmosphere.

At the entrance of the hall, there is a sign with the words Shenglong Technology.

Yes, it is the Earth Circle Continent, Peng Kai’s Shenglong Technology.

The continent of Kyushu has been interconnected for so many years. It is located in the continent of high-tech development. Many companies have expanded their business to other continents. The same is true of Shenglong Technology.

The building in front of you is the headquarters of Shenglong Technology in Zhongyuan Continent.

“Excuse me!”

Sun Ting smiled lightly at the lobby and said to the front desk staff, “My name is Sun Ting, I come from the Sun family, and I came to find your boss, Peng Kai, to discuss business cooperation!

” In just one year, Zhongyuan Continent has become the largest technology company in Tianzhong City, and even the entire Zhongyuan Continent, with many technologies and technologies, and has extraordinary influence. In this case, even the grandson of a local business family family, but also had to actively seek cooperation.

Half a month ago, Sun Ting went to the Xi Cang Continent and failed to find business cooperation, so she returned to the Zhongyuan Continent. In the past two days, Sun Ting learned that the family was going to cooperate with Shenglong Technology. In order to prove her ability, Sun Ting took the initiative to go to the headquarters of Shenglong Technology.

“I’m sorry!” The

lady at the front desk showed a smile, looked at Sun Ting and said apologetically, “Our president has already read the cooperation proposed by your Sun family before, and we have no intention to cooperate yet, so please come back!”

This…

Hearing this, Sun Ting frowned, embarrassed.

Is this rejected?

“What did you say?”

Dugu Jing next to him quit and shouted at the lady at the front desk, “An outside company boss, she’s not too small? Do you know who she is? This is the head of the Sun family. Miss, it’s an honor for him to come to see your boss in person and offer to cooperate!”

Dugujing was used to being arrogant and domineering, and when he saw his favorite cousin being rejected, he suddenly became angry.

“Forget it!”

At this moment, Sun Ting looked disappointed and said to Dugujing: “Let’s go first, I’ll think of a way.”

When she said this, Sun Ting appeared calm, but she was very anxious. . Shenglong Technology has mastered many high-tech products in the Earth Circle. If they cannot cooperate, it will be a huge loss for the Sun family.

Seeing Sun Ting speak, Dugu Jing stopped making noise, and then the two walked out of the hall.

“Cousin!”

Seeing Sun Ting gloomy outside, Dugu Jing couldn’t help but say, “Well, I’ll make an appointment with their boss as the second young master of the Dugu family later.”

When he said this, Dugu Jingyi face confidence.

Dugujing believes that Shenglong Technology does not cooperate with the Sun family because the Sun family is too famous, and the Dugu family is different. It is famous in the Yuan Continent, and he is the second young master of the Dugu family. The boss of Shenglong Technology must give face. .

Um!

Sun Ting responded, not too excited.

To be honest, Sun Ting didn’t want Dugujing to help, but there was no way, the boss of Shenglong Technology didn’t want to see her at all, so she could only let Dugujing try.

the other side.

In the hotel room, Yue Feng meditated and rested for a while, and was looking out of the window in a trance.

Then why hasn’t Sun Ting come to find herself? Going to meet the patriarch of the Ouyang family through her can’t be delayed.

Bang bang…

As a result, at this moment, a slight knock came from the door. The knock on the door was very soft, and it was obvious that the person knocking on the door was very careful.

This Miss Sun is finally here!

Muttering in his heart, Yue Feng showed a smile. He quickly ran down to open the door. The moment the door opened, he was stunned.

It's not Sun Ting.

Chapter 2294 I

saw the shop owner standing outside with an embarrassed look on his face, looking very embarrassed.

Behind him, stood a man and a woman, a man in his thirties, with a burly stature, who regularly exercises at a glance, with a arrogant expression and a look of invincibility.

The man is Li Shengwei, the security captain of Shenglong Technology.

The woman's name is Chen Xia, twenty-five years old, the owner of a communication company in Tianzhong City. At this time, Chen Xia is dressed in a black cheongsam, which brings out her exquisite figure and is indescribably sexy.

call!

Seeing this scene, Yue Feng couldn't help but look at Chen Xia a few more times, and his mind suddenly became a little dazed.

what's the situation?

What is the shop owner doing with a man and a woman in this late night?

"Guest officer!"

At this time, the shop owner came over, leaned in front of Yue Feng, and said embarrassedly, "The two guests behind me need a VIP room to discuss business, can you use your VIP room? Let me out, I'll arrange another room for you, how about it?"

When he said this, the shop owner was full of apologies.

To be honest, the shop owner didn't want to trouble Yue Feng, but the two Chen Xia next to him couldn't afford it.

Change rooms?

Hearing this, Yue Feng frowned, then smiled slightly, and said to the shop owner: "I live in this room very well, I have no idea of changing it, I'm sorry." The

tone was calm, but full of firmness, without any discussion. 's room.

There are only two VIP rooms in this hotel, which are used by Yue Feng and Gong Gong. Speaking of which, Yue Feng has no requirements for the place to live. If it is normal, he may agree to it, but this time he came to Tianzhong City because of the Chaos Mountains. It is urgent to visit the Dugu family.

More importantly, Yue Feng was anxiously waiting for Sun Ting to come looking for him, and was too lazy to pay attention to the trivial matters of changing rooms.

Seeing Yue Feng's refusal, the shop owner gave a wry smile…

"Hello!"

At this moment, Chen Xia took a step forward and looked at Yue Feng with contempt: "Look at you, staying one night in this VIP room will It will cost you a lot of savings… In this way, I will give you double the rent, and quickly give up this VIP room."

When she said this, Chen Xia's face was very unreasonable, and she didn't care about Yue Feng at all. Keep an eye on it. In her opinion, the Yue Feng in front of her, dressed in a poor and sour dress, is a scumbag who has never seen the world.

Chen Xia's communication company has just started. In order to develop rapidly, she always wanted to discuss cooperation with Shenglong Technology, but unfortunately it was always rejected. Finally, Chen Xia found Li Shengwei through relationship.

Li Shengwei is the security captain of Shenglong Technology. Chen Xia firmly believes that with the help of Li Shengwei, he can connect with Shenglong Technology. However, this kind of thing involves some business taboos and cannot be known to too many people, so Chen Chen Xia and Li Shengwei made an appointment to talk in detail at this hotel in the evening.

It was only when we arrived that we found out that the only two VIP rooms in the hotel had been booked.

The reason why Chen Xia and Li Shengwei have to talk about things in this hotel is because it is the farthest away from Shenglong Technology and it is not easy to be discovered. After all, Li Shengwei, a security captain, talks about the company privately with outsiders, which violates the law. It is stipulated that if you are found, you will be expelled.

Chen Xia regarded herself as noble, and it was impossible to talk about things in an ordinary room, so she called the shop owner, and after asking about the situation, she planned to let Yue Feng give up the room.

Because of the other VIP room, Gong Gong was resting. Considering the inconvenience of women, he had to come to Yue Feng.

Double the rent?

Hearing this, Yue Feng was stunned for a moment, then looked at Chen Xia with a smile: “Miss, I’m sorry, I’m not short of money, and I won’t let you have a room. If you really need it, you can change hotels!

” The dignified emperor of Xi Cang, the lord of Tianmen, are you still short of money?

“You!” Chen Xia bit her lip, very displeased.

He paid double the rent to compensate him, how could this poor boy refuse?

In the next second, Chen Xia looked up and down at Yue Feng and thought of something: “I remember, you are the one who argued with the second son of the Dugu family on the street in the afternoon, right? You call yourself the master of the Tianmen Yue Feng, and you provoke you. How dare you stay in Tianzhong City if you don’t run away after the Dugu family?”

Chapter 2295

Speaking, Chen Xia’s tone was full of contempt, and continued: “Three times, that’s alright, let me tell you, I have seen a lot of poor people like you. Fake Yue Feng during the day, just want to deceive money

_ There was a lot of uproar. At that time, Chen Xia passed by and saw the excitement. At this moment, she recognized Yue Feng.

“Haha.” Yue Feng couldn’t help laughing: “You’re really wrong, I’m not asking for money, I just don’t want to change rooms, let alone three times, just give me ten times, and I won’t even know one hundred times. Change.”

When he said this, Yue Feng had a sneer in his eyes.

Nima, wherever you go, you can meet such self-righteous people.

“I don’t know how to lift up!”

At this moment, Li Shengwei, who was beside him, finally couldn’t bear it anymore. He glared at Yue Feng and said, “Boy, don’t be ashamed!”

After saying that, Li Shengwei walked over to Chen Xia and flattered: “Miss Chen, you don’t need to talk nonsense with him, do you need me to teach him a lesson?” As he

said, Li Shengwei looked at Chen Xia’s figure closely, his eyes almost straight.

Yes, Chen Xia is a well-known beauty in Tianzhong City. Li Shengwei has been coveting it for a long time, but she has never had a chance. At this time, Chen Xia took the initiative to find Li Shengwei because of her cooperation with Shenglong Technology. Li Shengwei is excited. .

It was Li Shengwei who proposed to talk about things in this hotel tonight. Of course, he wanted to take advantage of Chen Xia by taking advantage of the opportunity to talk about business!

Seeing that a good thing is about to happen, but the boy in front of him didn't hand over the room, which made Li Shengwei not angry.

Um!

Seeing Li Shengwei speak, Chen Xia nodded.

The next second, Chen Xia sneered at Yue Feng: "I've already given you a lot of face, don't know what's wrong, do you know who is next to me? He is the security captain of Shenglong Technology. No good fruit to eat!"

At this time, Chen Xia looked arrogant.

Shenglong Technology is a big technology company from the Earth Continent. It has a strict system, and even the security guards are strictly screened. Chen Xia firmly believes that as long as Li Shengwei speaks, the Yue Feng in front of him will be thrown like a dog. on the street.

Shenglong Technology?

Hearing this, Yue Feng was stunned for a moment, and then his smile grew even thicker.

Unexpectedly, Peng Kai's technology companies have all come to Zhongyuan Continent, not bad!

Squeak.

At this time, when he heard the movement outside, the Gonggong next door opened the door a crack and saw the scene in front of him, he was stunned for a moment.

what's the situation?

Gonggong was very thoughtful, and he quickly understood what was going on. He smiled and watched quietly.

This Yue Feng is not serious, and now he is being troubled by two local people, let's see what he will do.

When he was staying in the hotel before, Gonggong was teased by Yue Feng, and his heart was holding back his anger. At this time, when he saw Yue Feng being forced to change rooms, Gonggong suddenly felt a little schadenfreude.

"Little-armed brat!"

Seeing that Yue Feng was always smiling without saying a word, Li Shengwei took a step forward and said contemptuously, "Do you hear me? Get out of here if you are sensible!"

Mad! This kind of poverty, even living in a VIP room? And it is unreasonable to his own goddess.

"Guest officer!"

The shop owner couldn't help coming over, pulled Yue Feng, and whispered: "You can't afford to offend these two people, hurry up and change rooms!" At this time, the shop owner was very anxious, what happened to this person in front of him Ah, he is not afraid of causing trouble, and he still wants to do business well.

"It's all right!" Yue Feng smiled and comforted the shop owner in a low voice, then turned around and went back to the room, sitting on the chair with a leisurely look.

Yue Feng didn't take Chen Xia seriously at all. At this time, he only thought about when Sun Ting would come. After all, the most important thing is to see the patriarch of the Dugu family as soon as possible and let them send someone to guard the Chaos Mountains.

The ultimate husband in Chinese chapter 2296-2300

Chapter 2296

"You are courting death!"

Seeing Yue Feng returning to the room, Li Shengwei couldn't take it seriously at all, and suddenly felt humiliated, and howled angrily.

Madd, as the security captain of Shenglong Technology, he is also a person of honor, but he was ignored by a kid. If this matter spreads, where would he put his face?

Yue Feng just pretended he couldn't hear Li Shengwei's anger, sitting in the room and picking up the teacup, ready to drink tea.

Swish!

Seeing this scene, Chen Xia bit her lips tightly, her body trembling with anger.

This poor man actually doesn't take himself seriously, it's abominable!

"Crap you!" Seeing that Chen Xia was angry, Li Shengwei finally couldn't help it. With a loud roar, he stepped forward and pointed at Yue Feng: "You special code is deaf? Can't hear me?"

Goddess Chen Xia Just watching from the side, such a good opportunity, we must beat this kid to show his might. When they get along alone, maybe Chen Xia will take the initiative to give her a hug.

As Li Shengwei thought about it, his heart was extremely excited, and then he shouted: "Someone!"

Hula!

When the voice fell, I saw more than 20 black-clothed men rushing up in an instant. They were all security guards of Shenglong Technology. Usually, Li Shengwei was the first to follow. Tonight, I followed Li Shengwei to help control the wind.

"Viagra, what's the matter?" After entering the room, these big men in black all asked.

Haha…

Hearing this title, Yue Feng almost spit out a sip of tea, and was overjoyed.

This chapter is provided by . Visit for daily update.

This guy, what's the bad name, but let people call him Viagra…haha…

"What are you laughing at?"

Li Shengwei suddenly became angry, and said to Chen Xia: "Miss Chen Xia, what do you want to do with this kid? I'll vent your anger today.

" court death!

call!

Chen Xia glanced at Yue Feng and saw that he was still sitting there drinking tea with an indifferent expression. In an instant, Chen Xia's body trembled, and she was so angry.

The next second, Chen Xia stepped on her high-heeled shoes, stomped her feet, and said, “Let him call me auntie, then give me a hard lesson and throw it on the street!”

“Little brat!”

Li Shengwei nodded after hearing this. He turned his head, and then looked at Yue Feng with a grinning face: “Did you hear me? Hurry up and call Miss Chen Xia an auntie, or else…” The

voice fell, and a dozen black-clothed men beside him pulled out their sticks. The stick is not a product of Zhongyuan Continent. It was brought by Shenglong Technology from the Earth Continent and distributed to these security guards.

At this time, Li Shengwei looked arrogant, looked at Yue Feng and said coldly: “Xiaojizi, I heard that you provoked the second son of the Dugu family in the afternoon, the second son of the Dugu family, because of his identity, maybe he won’t do anything to you, But it’s hard to say if you offend me, but I’m not giving you a chance.”

As he spoke, Li Shengwei’s eyes flashed fiercely, and he added: “Kneel down on the ground immediately, and tell Miss Chen Xia that Auntie is wrong, You can leave here unharmed. Otherwise, I’ll let you go out lame.”

Chen Xia next to her looked at Yue Feng with a sneer.

A poor and sour, dare not give himself face, wait for you to look good.

call!

Seeing this scene, Gong Gong in the next room frowned and looked at Yue Feng closely, wanting to know what he would do next.

These people are not strong, if Yue Feng does it, he will easily hurt them all, which will be very troublesome!

But if Yue Feng doesn’t do it, can he bear it?

in the room!

Yue Feng still sat there with a leisurely demeanor, looked up and down at Chen Xia and said with a smile, “What if I don’t kneel, and I don’t scream?”

After speaking, Yue Feng looked at Li Shengwei and said word by word, “Your name is Li Shengwei. Well, Shenglong Technology equips you with sticks so that you can protect the company’s property and the safety of the company’s employees, not for you to cause trouble.”

Huh? !

Chapter 2297

Li Shengwei frowned, very unhappy, and sneered: “What kind of thing are you, you are also qualified to teach me?”

Seeing that Yue Feng was still unwilling to accept it at this time, Chen Xia stomped her feet: “Viagra, what is the fee? Words? Teach him a hard lesson for me!”

Alright!

After being instructed, Li Shengwei immediately waved his hand. Immediately, more than a dozen big men next to him immediately surrounded him and raised the stick in his hand. Ugh!

Seeing this scene, the shop owner who shrank outside the door secretly shook his head and sighed, and couldn’t help sweating for Yue Feng.

Even if you are not short of money, it is really unwise for you to provoke Chen Xia and Li Shengwei as a person with no back.

Seeing more than a dozen throwing sticks smashed at the same time, Yue Feng showed a smile, not panic at all.

The security guards such as Li Shengwei are not strong, Yue Feng can easily handle it with one finger.

“Stop all the bastards!”

Just when Yue Feng couldn’t help but take action, suddenly, a loud shout came from outside the door, and three people walked in quickly!

Seeing these three people, everyone present was stunned.

The one headed by him, handsome in a suit and leather shoes, is Peng Kai, the president of Shenglong Technology.

The two behind them, also in suits, were Peng Kai’s two assistants.

Seeing Peng Kai, Yue Feng smiled.

I just learned that Shenglong Technology has set up a company in Tianzhong City. Yue Feng wanted to wait for the opportunity to meet Peng Kai, but he didn’t expect that this kid was very well informed, so he came to him first.

In the afternoon, Yue Feng was on the street and had a dispute with Dugu Jing. The news spread, and now there are rumors in the whole Tianzhong City, saying that a boy who pretended to be Yue Feng was over-confident and the second child of the Dugu family. The son challenged, and when Peng Kai learned of the situation, he quickly sent someone to inquire about the news.

In Peng Kai's heart, Yue Feng's kindness to him is as heavy as a mountain. No matter whether Yue Feng is real or not, he must find out as soon as possible. Just now, Peng Kai learned that Yue Feng had settled in this hotel, so he hurried to rush. When he came over, he saw that Li Shengwei was going to take action on Yue Feng.

call!

At this moment, both Li Shengwei and Chen Xia were stunned.

"President!"

"Peng…Mr. Peng…" The

next second, Li Shengwei and Chen Xia reacted and spoke at the same time, but their voices were trembling.

They never thought that Peng Kai would suddenly appear.

"You bastard!" Peng Kai's face was full of anger, and he was also frightened. Mad, Li Shengwei, this bastard, dare to beat Brother Feng?

When the words fell, Peng Kai walked over quickly and slapped Li Shengwei in the face!

"Crack!"

With this slap, Peng Kai almost tried his best, Li Shengwei covered his face, his face swollen high.

"President!" Li Shengwei covered his face, panicked and puzzled, almost crying: "President, what's the matter? I didn't violate the company's regulations."

When he said this, Li Shengwei didn't dare to talk to Peng Kai. Looking at each other, he was very guilty, because he and Chen Xia had violated the company's rules and regulations by meeting here.

"Crack!"

As soon as he finished speaking, Peng Kai slapped him again and shouted: "If you don't violate the company's regulations, you can bully people casually? Did the company hire you to bully people?"

“President!”

Li Shengwei wanted to cry without tears, and shouted unwillingly: “President, I didn’t bully anyone, it’s this kid, I don’t know why …” Before he could finish speaking

, he was interrupted by Peng Kai!

At this moment, Peng Kai, trembling with anger, pointed at Yue Feng and said, “Boy? Do you know who this person is? Let me tell you, without this person, there would be no me now! He is. “

Cough cough…

Peng Kai was about to reveal Yue Feng’s identity, but Yue Feng hurriedly coughed twice to interrupt him.

Chapter 2298

Yes, Yue Feng doesn’t want to reveal his identity now. During the day, Yue Feng told Sun Ting his true identity, which caused many people to ridicule and ridicule. Yue Feng was very tired, and he didn’t want to make extra troubles at this time.

Peng Kai is a smart person. Seeing Yue Feng’s cough reminder, he swallowed the word ‘Yue Feng’ below.

“Your Excellency!” In the

next second, Peng Kai walked up to Yue Feng, bent his body to ninety degrees, bowed deeply, and said respectfully, “I’m so sorry, but I didn’t discipline my subordinates properly.”

Yue Feng smiled , which means it’s okay.

At this moment, the whole house was silent!

Li Shengwei was suddenly dumbfounded. As the security captain of Shenglong Technology, the person he most feared and admired was President Peng Kai. At such a young age, he developed Shenglong Technology into a super large company all over the continent of Kyushu. It is really amazing. And Peng Kai has always been known for his ruthlessness. Li Shengwei has never seen Peng Kai so humble in front of anyone.

Li Shengwei never imagined that the president he feared would be so respectful and polite in front of a poor boy.

Chen Xia is also stupid!

At this moment, her legs felt weak, and her delicate body couldn't help but take two steps back.

She could see that the big business man, who she could not meet even with all her efforts, was standing in front of Yue Feng with a respectful face!

How is this possible, this is clearly a poor boy!

Chen Xia looked at Yue Feng closely, her delicate body kept shaking, and she was extremely shocked.

Total shock.

He… who the hell is he?

Could it be… this person is really Yue Feng, the lord of Tianmen? Otherwise, why is Peng Kai so respectful to him?

Thinking of this, Chen Xia only felt that her legs were weak and she couldn't stand.

call!

At this moment, Gong Gong in the next room was also stunned. Soon, after reacting, Gong Gong looked at Yue Feng closely, frowning slightly.

This Yue Feng is so well-connected? In this Zhongyuan Continent, there are actually people who help.

I thought that in the face of this situation, Yue Feng would be in a hurry, but the result was unexpected.

Thinking to himself, Gonggong felt that there was nothing interesting to watch, and slowly closed the door.

"This gentleman!"

At this time, Li Shengwei finally recovered his senses in the room, and kept bowing to Yue Feng and apologizing: "It's my eyes that don't know Mount Tai, it's my fault, you don't remember the villain's fault, forgive me Me…"

Li Shengwei is not a fool, although he doesn't know Yue Feng's identity yet, but seeing how polite the president is, he can guess that the person in front of him has an extraordinary identity.

Yue Feng did not respond, sitting there, drinking tea leisurely.

Yue Feng didn't speak, and Peng Kai didn't dare to express it. He stood there and stared at Li Shengwei coldly.

"President!"

Seeing Peng Kai's gloomy face, Li Shengwei panicked completely, pointing at Chen Xia to shirk his responsibility: "I didn't take the initiative to trouble this gentleman, it was her who wanted to drive this gentleman out!"

Shah!

Chen Xia's delicate body trembled, panicked, and quickly explained: "No…"

At this time, Chen Xia was anxious and angry, this Li Shengwei is too nothing. As a man, at a critical moment, he took all the responsibilities. Push on yourself.

At the same time, Chen Xia looked at Peng Kai closely, with unspeakable anxiety and anticipation in her heart. My own communication company is in its infancy, and if it can cooperate with Shenglong Technology, it will have boundless prospects.

And I have been looking for the opportunity to meet Peng Kai, but I have never been able to get it, and now, Peng Kai is right in front of me, so I can't miss the opportunity.

Thinking to herself, Chen Xia bit her lip and said softly to Peng Kai: "Mr. Peng, I'm Chen Xia from Dayuan Communications, I hope to be with you…"

Chapter 2299

Before he finished speaking, he was interrupted by Li Shengwei! "Do you still want to cooperate?" Li Shengwei was very angry, pointing at Chen Xia and roaring loudly: "It's you, you have to drive away the president's VIP guests, and now you still want to cooperate with our Shenglong

Technology? Dream!"

!

Hearing this, Chen Xia's delicate face was instantly pale, and she was flustered.

At this time, Chen Xia bit her lip tightly, almost bleeding. It was difficult to cooperate with Shenglong Technology at first, but now she has offended Peng Kai's friend, I'm afraid there is no chance!

The more Li Shengwei spoke, the more excited he became, and he tried his best to clear his responsibility.

“Go away!”

At this moment, Peng Kai glared at Li Shengwei and shouted: “From now on, you will be fired by Shenglong Technology. I don’t want to see you again, and immediately disappear in front of me.”

Dare to offend Brother Feng, Never forgive.

This…

Li Shengwei’s heart was shocked, and the whole person was almost slumped on the ground. He was able to have today’s status, and it was all thanks to Shenglong Technology. If he was fired, he would have nothing.

Immediately, Li Shengwei reacted and was about to ask for mercy, but seeing Peng Kai’s resolute expression, he was suddenly desperate, and then left with a sullen person.

“Mr. Peng…”

As soon as her forefoot left, Chen Xia reacted, bit her lip, and pleaded with Peng Kai: “I was wrong, I hope Mr. Peng can forgive me and give me a chance to cooperate, okay?”

call!

Peng Kai smiled lightly and glanced at Yue Feng: “Whether we cooperate or not, he has the final say!”

Peng Kai was smart and wise, and directly gave Yue Feng the right to speak. After all, the two of them were so disrespectful to Brother Feng just now!

What?

Chen Xia trembled, looked at Peng Kai, then looked at Yue Feng, completely dumbfounded.

This… Peng Kai actually handed over the cooperation between the two sides to this person for decision. It can be seen that his status in Peng Kai’s heart is not ordinary.

The next second, Chen Xia reacted, stepped on high heels and walked in front of Yue Feng, with a docile face, and said softly: “Sir, I was wrong just now, I’m sorry…” The

voice was very small, not listening carefully. Can’t hear.

Although Chen Xia is the owner of a small company, she is arrogant and arrogant. She never dreamed that she would apologize to a seemingly poor boy, and she would be so servile!

call!

Yue Feng breathed a sigh of relief, his expression was indifferent, and he looked at Chen Xia with a smile: “Attitude is okay, but I seem to remember that you asked me to call you auntie before? Right!”

“I was wrong, really wrong. Please sir Give me a chance.” Chen Xia’s body trembled, she was so panicked that she almost cried.

Pfft!

Immediately afterwards, Chen Xia bit her lip, bent her knees slightly, and knelt in front of Yue Feng. At this moment, all her dignity was forgotten.

To be honest, Chen Xia doesn’t want to be so servile, but for the company’s future, in order to cooperate with Shenglong Technology, it doesn’t matter what kind of dignity or self-esteem.

“Sir, please forgive me.” Chen Xia grabbed Yue Feng’s trousers and kept begging: “I know, I was too presumptuous just now, please give me a chance to allow our company to cooperate with Shenglong Technology. please…”

“Okay.” Yue Feng looked at Chen Xia with a leisurely face and smiled: “I can forgive you, but what do you call me?”

When he said this, Yue Feng looked up and down at Chen Xia.

I have to say that this woman is very sexy, especially in a black cheongsam, which sets off the perfect curve so vividly that no man can resist it when he sees it. However, such a beautiful woman is self-righteous and bullying others, so Yue Feng decided to teach her a lesson.

“I…”

Facing Yue Feng’s profound gaze, Chen Xia knelt there, her delicate body trembling suddenly.

Chapter 2300

Immediately, Chen Xia understood something, bit her lip tightly, and whispered: “Uncle… uncle, I will be a dog by your side in the future, as long as you are sent, I will not refuse! “

Hmm!

Yue Feng nodded in satisfaction, then turned to Peng Kai and said, “Give her a project!”

“Yes!” Peng Kai quickly agreed.

Chen Xia was extremely excited and thanked Yue Feng again and again: “Thank you, uncle…”

Yue Feng was too lazy to talk nonsense, and waved his hand, indicating that she could leave.

“Brother Feng, you came from a long way. I didn’t receive you well, and it was my fault that you were bothered by the villain…”

As soon as Chen Xia left, Peng Kai bowed ninety degrees with a look of shame.

Yue Feng smiled and waved his hand to indicate that it was all right.

“Brother Feng, why did you suddenly come to Zhongyuan Continent?” Peng Kai breathed a sigh of relief, and then asked curiously.

call!

Yue Feng took a deep breath and told about the situation in the Chaos Mountains.

Hearing this, Peng Kai’s heart was shocked and his eyes widened: “I heard about this a few days ago, but many people said that the wild and strange realm and the Rakshasa tribe are all groundless and deceitful. Yes, I didn’t expect it to be true.”

Saying this, Peng Kai looked serious: “Since the safety of Kyushu is involved, Brother Feng is useful, just speak up.”

Hmm!

Yue Feng nodded and said with a smile: “If you really need it, I will find you.”

“President!”

Just as he was talking, an assistant who was guarding the door walked in quickly and respectfully said to Peng Kai: “The second son of the Dugu family, just sent someone to the company to make an appointment and said he wants to meet you.”

Dugu Jing?

Yue Feng frowned secretly. Dugujing, a playboy, what is he doing with Peng Kai?

At this time, Yue Feng did not know that Dugujing was looking for Peng Kai for Sun Ting.

Without hesitation, Peng Kai said coldly, “No!”

On the street in the afternoon, how could this Dugu Jing dare to offend Brother Feng, how could he meet him?

Long time no see, Peng Kai was very excited and chatted with Yue Feng for a long time before leaving.

…..

Tianzhong City, a restaurant.

Dugujing and Sun Ting sat face to face, silent with each other, feeling a little depressed.

Made.

At this time, Dugu Jing muttered in his heart, very annoyed, as the second son of the Dugu family, he went to make an appointment with Peng Kai, but he was also rejected.

“Cousin, don’t think too much!”

At this time, Dugujing looked at Sun Ting affectionately, and comforted: “Tomorrow, my father and I will go to your house, and then I will ask my father to come forward for you and ask that Peng Kai. , I don’t believe that Peng Kai can continue to put on airs.”

“This…” Hearing Dugujing say this, Sun Ting was not happy at all, but frowned: “Forget it, I will find a way by myself, after all This is about the business of our Sun family.” After speaking

, Sun Ting stood up and said softly, “It’s getting late, you can go back, it’s time for me to go home too!”

“I’ll see you off!” Xu Xiangdong hurried Open your mouth.

Sun Ting shook her head: “No need!” The voice was soft, but unquestionable.

At this time, Sun Ting was still thinking of Yue Feng, and she promised to go to meet him where he stayed, and she couldn’t keep her word, and Dugujing couldn’t follow this kind of thing.

Uh…

Dugu Jing was a little embarrassed, and looked at Sun Ting out of the restaurant in a very disappointed way!

The next second, Dugu Jing reacted and followed quietly.

A few minutes later, seeing Sun Ting go to a hotel, Dugu Jing was stunned.

Swish!

In the next second, Dugu Jing thought of something, anger flashed in his eyes, and he clenched his fists.

In the afternoon, the boy named Feng Tao seemed to say that he would settle down here.

It turned out that my cousin didn’t want to go home, but came here to see Fengtao.

Knowing this, Dugu Jing was so angry that he wanted to follow up, but he was afraid that his cousin would be angry, so he had to endure it.

“Made!” Dugu Jing scolded secretly: “This poor boy, dare to lie to my cousin, I will see you later.” After that, Dugu Jing hurried home and asked someone to help.

the other side.

Sun Ting asked the shop owner, went directly to the second floor, and knocked on the door of Yue Feng’s room.

Squeak.

Hearing the movement, Yue Feng was already lying down, and he hurried over to open the door. When he saw Sun Ting, he suddenly smiled.

“I’m sorry!” Sun Ting smiled and said apologetically, “I’m here so late, disturbing your rest?”

“No!”

Yue Feng shook his head and politely invited Sun Ting into the room.

“Are you really Yue Feng?” After entering the room, Sun Ting looked at Yue Feng closely and couldn’t help asking.

Ha ha!

Yue Feng couldn’t help laughing, this Sun Ting is so interesting, and she is not far from believing her identity.

In the next second, Yue Feng took a deep breath, took out the golden mask that symbolized the Lord of Tianmen, and said with a smile, “This is my token, should Miss Sun doubt me?”

Sun Ting’s body trembled when she saw the golden mask. , indescribably excited and excited.

Sun Ting clearly saw that this golden mask was exquisitely made and unique, and it was not fake at first glance.

Knowing that the person in front of her is really her idol, Sun Ting couldn’t express her joy: “I hope you don’t take offense about this afternoon, my cousin…”

This chapter is provided by . Visit for daily update.

Before she finished speaking, she was beaten by Yue Feng. broken!

“I’ve forgotten about the afternoon!” Yue Feng looked at Sun Ting with a smile, and said slowly, “But the matter of the Chaos Mountains is no trivial matter. I hope Miss Sun can arrange for me to meet the patriarch of the Dugu family as soon as possible. “

Hmm!

Sun Ting nodded and said softly: “Tomorrow, the patriarch of the Dugu family will come to our Sun’s house, so let’s take the token I gave you tomorrow and come directly to the Sun’s house to find me, and then I will give it to you to each other. I recommend.”

After saying that, Sun Ting handed a jade ornament to Yue Feng’s hand.

I saw that this jade ornament, lustrous and lustrous, was carved from a rare piece of white jade, and it was of great value.

This jade ornament, carried by Sun Ting since she was a child, is the status symbol of the eldest lady of the Sun family. Sun Ting cherishes it very much and never takes it out easily, but when she saw her idol at the moment, she was excited and gave it to Yue Feng.

“Thank you!” Yue Feng took the jade ornament, feeling indescribably happy.

Unexpectedly, this Sun Ting is quite stable in her work. She will meet the patriarch of the Dugu family tomorrow. If she can persuade him, it will not fail to live up to the request of Master Moraya.

Thinking to himself, seeing the smile on Sun Ting’s face, but a trace of melancholy between her brows, Yue Feng couldn’t help but ask: “Miss Sun, but encountered a problem?”

Sun Ting smiled and shook her head: “The family It’s okay to encounter some problems in business.”

His idol, but someone who does big things, how dare he trouble him with these little things in business?

Thinking that it was getting late, Sun Ting smiled at Yue Feng: “It’s getting late, I should go back.” After speaking, she turned and walked out of the room.

Yue Feng followed and sent Sun Ting out of the hotel, waving goodbye: “See you tomorrow.”

Phew!

Seeing Sun Ting leave, Yue Feng breathed a sigh of relief and felt extremely relaxed.

Fortunately, there was Sun Ting to help, otherwise, seeing the patriarch of the Dugu family, I'm afraid it would take a few more twists and turns.

In his heart, Yue Feng was about to return to the hotel.

"Stinky boy!"

However, at this moment, a loud shout came from not far away, followed by a dozen people who rushed over quickly and surrounded Yue Feng.

The one at the head, with a grim face and anger flashing in his eyes, is Dugu Jing!

The dozen or so people behind him were the subordinates that Dugu Jing called.

When I saw my cousin enter the hotel and go to see Yue Feng, Dugujing was completely angry. The woman he likes is so close to other men, who can stand it? So Dugujing called his subordinates and planned to teach Yue Feng a lesson.

Dugujing had been paying attention to the movement of the hotel just now, and when he saw his cousin had left, he rushed over with someone.

At this moment, Dugujing, with the corners of his mouth up, looked at Yue Feng coldly, full of contempt: "Stinky boy, challenge this son in the afternoon, if you don't leave quickly, you still dare to stay here, and you dare to attack my cousin's idea, If I don't teach you a hard lesson tonight, I won't be called Dugujing! Abolish him for me." The

voice fell, and a dozen men around him clenched their long knives and slashed directly at Yue Feng.

Chi…

In the night, more than a dozen long knives were waving, bringing with them a cold glow. Seeing that, Yue Feng was about to be split in half.

Whoosh!

At this critical moment, Yue Feng's body suddenly moved, and a dozen knives, as if they were blind, were all lost, and he didn't even touch Yue Feng's clothes.

Chapter 2302

What?

At this moment, Dugu Jing was dumbfounded, a dozen long knives were impossible to avoid, but Yue Feng, who was in front of him, could hide so easily.

“Dugujing…I really don’t know if you are brainless or really stupid. Back then at Canglong Pass, I already showed my strength. You thought you could teach me a lesson with these wine bags and rice bags? It’s ridiculous!” At this time, Yue Feng Standing there, looking at Dugu Jing with a half-smile, sarcastically.

Of these subordinates that Dugujing brought, the strongest one was Wu Sheng, and he couldn’t look down on them at all.

Swish!

Hearing this, Dugujing’s face flushed and he was furious. He pointed at Yue Feng and said angrily: “Come on together, whoever can hurt him will be rewarded heavily.” As

soon as the words fell, a dozen men looked at each other, and once again rushed up.

Bang bang bang!

Yue Feng chuckled lightly, moved his body, and easily knocked a dozen people to the ground with three punches and two feet. Hearing these people moan and roll on the ground.

“It’s your turn!”

At this moment, Yue Feng spoke lightly, his body flashed, and he was already in front of Dugu Jing. A slap in the face!

How did Dugu Jing react, the whole person was directly fanned out, and flew more than ten meters before sitting on the ground.

Yue Feng did not pursue, but looked at him coldly: “I have limited patience, it is best not to bother me, otherwise, it will not be as simple as slapping you next time!”

Yes, Yue Feng showed mercy, Otherwise, Dugu Jing and his subordinates would be dead.

To be honest, Yue Feng wouldn’t be tolerant of people like Dugujing, but thinking that he was Sun Ting’s cousin, and he had to rely on Sun Ting for help, he didn’t do anything ruthless.

“You…”

Dugujing covered his face, stared at Yue Feng fiercely, gritted his teeth and said: “Okay, okay, don’t be complacent, just wait for me, we’ll see…” The

voice fell, regardless of the surroundings. The subordinate, got up, and fled in a dreadful way.

A fool!

Yue Feng sneered and turned back to the hotel.

…..

On the other side, the Sun family!

When she got home, Sun Ting wanted to immediately tell her father that Yue Feng was coming, but she held back when she saw that it was too late.

Early the next morning, as soon as Sun Ting got up, she was called by her father Sun Boye to the study!

In the study, Sun Boye was sitting on the Taishi chair, reading a book.

Sun Boye, the current head of the Sun family, is modest and prudent. For more than ten years, he has devoted himself to the development of a family business. He is well-known in the business world of Zhongyuan Continent, and can be said to be a pivotal figure.

Only in the past two years, because of the constantly changing situation in the Kyushu mainland, the Sun family's property has been affected, and Sun Boye is very anxious.

"Dad!"

At this moment, Sun Ting approached the study room, bit her lip, and said softly, "Dad, are you in such a hurry to find me something?"

Sun Boye smiled slightly, and said gently, "Tinger, I went to Shenglong Technology to talk about it yesterday. How's the business going? Is there a chance to cooperate?"

Because there is only one daughter, Sun Boye regards Sun Ting as the jewel in his palm and loves him very much.

Sun Ting sighed lightly, feeling very ashamed: "No…the boss of Shenglong Technology didn't see me at all?"

Huh?

Sun Boye's smile froze on his face, he was stunned for a moment, then reacted and comforted: "Okay, I also guessed the result, you know, Shenglong Technology is a big technology company in the earth's circle, and it is the driving force of Zhongyuan. The

leader in the development of science and technology in the mainland, our Sun family, although we have some reputation in Zhongyuan Continent, but compared with others, it is still a lot worse, and it is normal for them to look down on our Sun family!”

Chapter 2303

Hearing this, Sun Ting disagreed, but didn’t say it.

“Ting’er!” Sun Boye looked at Sun Ting quietly, thought of something, and said with a smile: “I am very pleased that you can take the initiative to undertake the family business, but then again, after all, you are the daughter’s family, and it’s not worth it to talk about business in public. Ya, you are also a big boss, I have been thinking about your marriage recently, and now I want to ask you, are you interested in someone?”

Shuh!

Hearing this, Sun Ting blushed and shook her head: “I… how can I have a crush?”

After saying that, Sun Ting walked over, hugged Sun Boye’s arm, and swayed like a spoiled child: “Dad, my daughter doesn’t want to Marrying, I want to stay by your side and help you manage the family business.”

Haha..

Hearing this, Sun Boye was greatly relieved and laughed, but he still shook his head and said, “Silly girl, the man should marry. When a daughter is married, how can a daughter stay by her father’s side all the time?”

Said, Sun Boye’s eyes flickered, and he continued with a smile: “Actually, my father is also reluctant to part with you. .”

Sun Ting’s body trembled, her face blushing: “Dad, let’s talk about this later.”

At this time, Sun Ting was very shy.

He didn’t even have the right person yet. His father wanted to marry him, and he had to recruit a son-in-law. It was embarrassing to think about it.

“Okay, let’s not talk about it…”

Seeing his daughter getting shy, Sun Boye laughed.

At this moment, a maid walked quickly to the door and said respectfully, “Master, the Dugu Patriarch and the second son Dugu Jing are visiting and are waiting in the front hall.”

Uncle Dugu is here?

Sun Ting was full of joy, stepped on high heels, and walked up quickly: “Dad, hurry up, let’s hurry over!”

If it was before, when Patriarch Dugu and Dugu Jing came, Sun Ting had no interest at all, but thought of introducing Yue Feng, Sun Ting is very attentive!

It is an honor to work for an idol.

Um?

Seeing Sun Ting’s impatient look, Sun Boye was stunned.

What happened to the daughter? When I heard Dugu Jing before, I was very disgusted, but now I am so happy?

At this moment, in the front hall.

A middle-aged man, sitting on a red sandalwood chair full of extravagance, dressed in a satin robe, has a peaceful and extravagant aura, and his body is also filled with a powerful aura.

It is the patriarch of the Dugu family, Dugu Hongyu.

The Dugu family is the most powerful cultivating family in Zhongyuan Continent. It is famous all over the world. As the patriarch, Dugu Hongyu is highly respected and has a very strong strength.

Behind him, Dugujing stood quietly, in a neat suit, with a good temperament, very handsome, but with some bruises on his face.

This bruise was slapped by Shang Yue Feng last night, but Dugujing didn’t dare to say it, just said that he accidentally fell.

“Cousin!”

At this time, seeing Sun Ting and Sun Boye coming in, Dugujing walked over quickly, looking ingratiatingly: “Cousin, how was your rest last night?”

Sun Ting nodded and responded.

The next second, Sun Ting walked over with a smile and said to Dugu Hongyu, “Uncle, are you here?”

Hmm!

A smile appeared on Dugu Hongyu's face. The son and Sun Ting stand together, they are really talented and beautiful, and they are a natural pair.

Yes, Dugu Jing is very obsessed with Sun Ting, Dugu Hongyu is eager to protect his son, loves the house and Wu, and is also very optimistic about Sun Ting, and in Dugu Hongyu's heart, Sun Ting has long been regarded as his daughter-in-law.

Chapter 2304

At this time, Sun Boye came over, looked at Dugu Hongyu and said with a smile: "Why do you have free time to come to me?" The

Sun family and the Dugu family, one is a business family and the other is a cultivation family, but they have been friends from generation to generation. , and Sun Boye and Dugu Hongyu, like sworn brothers, have a very good relationship.

As he was talking, Sun Boye greeted: "Come here, bring my good old tea."

After a while, a few maids came over with tea. After the two exchanged a few words, Dugu Hongyu smiled and said: "I'm here today for Ting'er!" After

speaking, Dugu Hongyu explained the situation!

Last night, as soon as Dugu Jing returned home, he begged Dugu Hongyu to come forward and help Sun Ting and Shenglong Group cooperate.

Dugu Hongyu is a famous legend in all corners of the world. Originally, he rarely got involved in shopping malls, but his son made a hard request, and it was his future daughter-in-law, so Dugu Hongyu had to agree.

call!

Hearing this, Sun Boye gave Sun Ting a reproachful look.

In the next second, Sun Boye gave a wry smile and said to Dugu Hongyu: "Jing'er asked you to come here in person for this matter, what a big deal!"

"How could it be a big deal?"

Dugu Hongyu shook his head. Seriously: "Your grandson family has been on good terms with our Dugu family from generation to generation, like a family, the boss of Shenglong Technology, who holds his own identity, doesn't take your grandson family in the eyes, it means to look down on our Dugu family, this matter, Even if Jing'er doesn't say anything, I can't stand by."

Hearing this, Sun Boye nodded and smiled, “That’s what I said, but shopping malls are all about making money with equanimity. I think it’s better to slow down this matter.”

“Okay. !”

Dugu Hongyu nodded and said with a smile: “Then let’s not talk about this for now. I’m here today, and there is another important thing, which is also a big happy event for our family.” A big happy event?

Sun Boye was stunned and said with a smile: “What’s the big happy event?”

Dugu Hongyu said with a smile: “Old Sun, our family’s Jing’er and your family’s Ting’er are both old and young, and Jing’er has always loved Mu Ting. Er, so, I brought Jing Er here today to propose marriage to you on purpose.” The

voice fell, and Dugu Jing next to him was full of excitement.

Yes, last night, Dugujing decided to invite his father to help Sun Ting. The main purpose was to take this opportunity to propose marriage.

What?

Sun Ting’s body trembled, her whole body was stunned, her mind was buzzing!

My cousin asked Uncle Dugu to propose marriage?

“This…”

Sun Boye was also stunned, then reacted immediately, nodded and smiled: “What a coincidence, I was talking to Tinger about her marriage just now, I have no children, just this one daughter, I think I’m looking for a son-in-law who comes to the door…”

Before he could finish his sentence, he was snatched by Dugu Jing.

“I do!” Dugu Jing’s face was full of excitement, and his tone was very firm.

As long as he can make his cousin his own woman, it doesn’t matter if he comes to the Sun’s family to be his son-in-law. Anyway, since the two families have been friends for generations, he will not be abused.

“Shut up!”

At this moment, Sun Ting’s delicate face was extremely red, she stamped her feet, and refused: “I…I don’t want to marry now, let alone marry my cousin.”

This Dugujing is completely a The playboy son is too far from his ideal husband-in-law.

Sun Boye was stunned, and said in surprise, “Why?”

At this time, he was very puzzled by his daughter’s reaction. This Dugujing is very good, I like her so much, and the two have grown up together since childhood. It can be said that they are childhood sweethearts. Why is her daughter so conflicted?

, and Dugu Jing were also surprised, and they didn’t seem to expect that Sun Ting would refuse so simply.

Sun Ting took a deep breath and looked at Sun Boye seriously: “Dad, as I said just now, I want to help you manage the family business, but I don’t want to get married yet, and my cousin is not my type.”

“Cousin!” Dugujing was in a hurry, and hurriedly expressed his intentions: “I know you have an opinion on me, but as long as you say it, I will change it, and I promise to treat you well for the rest of my life.”

Sun Ting did not respond!

Haha..

At this moment, Dugu Hongyu smiled, looked at Sun Ting and said: “Tinger, you are still young, it is good to have your own ideas, but you also need to understand that your cousin is sincere to you, you just now I said, I want to take care of the family business, but how tiring you are as a woman. When you and Jinger have a happy event, wouldn’t it be better to have another person by your side to help? Besides, after the marriage of our two families, we are alone. The family is relying on, and your Sun family’s business will only get better and better.”

Hearing this, Sun Ting bit her lip tightly, but did not respond, her expression was indifferent, and she still did not agree.

“Cousin!”

Dugu Jing was so anxious that he was about to say something.

“Master!”

But at this moment, a servant walked in quickly and respectfully said, “A man who calls himself Yue Feng visited, and the youngest brought him in.”

Yue Feng?

Hearing this, both Dugu Hongyu and Sun Boye were stunned. You know, Yue Feng is a famous person, famous in Kyushu, and he actually took the initiative to visit the Sun family?

At the same time, the eyes of the two are also a bit complicated, because in the past few years, people in many places have pretended to be Yue Feng and lied everywhere.

This guy here today is probably a liar too.

Swish!

However, Sun Ting's face was overjoyed, and she couldn't be more excited. The idol came just in time, which just eased her embarrassing situation.

"Made!"

At this moment, Dugujing reacted and couldn't help cursing: "It's that poor and sour liar again, who is not too timid, yet dares to come to Sun's house?"

Last night, Dugujing was taught a lesson by Yue Feng, There are still bruises on his face now, and when he heard Yue Feng's name, he was instantly resentful.

The more Dugu Jing thought about it, the more angry he became, and he yelled at the servant, "Don't you know how many liars have pretended to be Yue Feng in recent years? They brought people in casually? What did you eat?"

The servant was trembling. With a face full of grievances: "Second Young Master, that person has a token of the young lady in his hand, and the little one does not dare to neglect."

What?

Dugujing was stunned, but for a moment he couldn't turn his head.

Got a cousin's token?

Shasha…

Just when Dugujing was thinking about it, a slight footstep sounded, and then a man and a woman slowly entered the hall. The men are handsome and handsome, and the temperament is extraordinary, the women are cold and sexy, and the beauty is indescribable.

It is Yue Feng and Gong Gong.

Swish!

At this moment, Dugujing saw at a glance that Yue Feng was holding Sun Ting's jade ornament in his hand, and his body trembled, envy and hatred.

Mad, this jade ornament is a family heirloom of the Sun family. My cousin wore it on her body since she was a child and cherished it very much. She didn't even have a chance to see it in her hand, but now, my cousin gave this jade ornament as a token to this kid. ?

Just a poor and sour liar, how can he be?

Call!

Finally, Sun Boye reacted and looked at Yue Feng up and down: "You are the Sect Master of Tianmen, the Emperor of the Western Cang Yue Feng?"

When he said this, Sun Boye's eyes were full of suspicion. A big man in Kyushu?

Swish!

At this moment, Dugu Hongyu and the surrounding Sun family members all focused on Yue Feng, full of vigilance.

At the same time, many people were deeply attracted by Gonggong. Especially many men, their eyes are straight.

beautiful!

What a nice view.

There is such a perfect woman, like a fairy descending to earth.

Facing everyone's attention, Yue Feng smiled slightly, clasped his fists at Sun Boye and said, "This is Sun Ting's father, Mr. Sun, yes, it's Yue Feng, I take the liberty to come here, and I'm sorry to disturb you.

" However, Yue Feng secretly paid attention to Dugu Hongyu.

Yue Feng can clearly feel that Dugu Hongyu's inner strength is very strong, and like himself, it is the strength of Wudan Wuhuang.

As soon as he finished speaking, Dugujing strode out and said mockingly: “Boy, you dare to talk nonsense when you arrive at the Sun’s house? Do you know where this place is? Come here to lie, do you know what will happen?”

At this time, Dugujing , looking at Yue Feng’s eyes full of resentment.

I took my subordinates last night, and I planned to teach this kid a good lesson, but I didn’t expect that he was taught a lesson instead. If it was normal, Dugujing would not dare to be so arrogant to Yue Feng, after all, this person’s strength is too strong.

This chapter is provided by . Visit for daily update.

But at this time, when his father was present, Dugujing felt confident and fearless.

Yue Feng chuckled lightly and ignored him.

Dugu Jing thought he was guilty, sneered, and shouted at the people around him: “It’s this kid, full of nonsense, not only saying that he is Yue Feng, but also that he was invited by Moroye to invite us to the Dugu family. Send someone to guard the Chaos Mountains.”

Speaking of this, Dugu Jing said to Dugu Hongyu: “Dad, don’t believe him, a few days ago, that Moraye who came to our house, a Shinto Taoist, said What kind of wild and strange realm, the Rakshasa clan are all liars, and this kid and his group are not good things.”

Hu!

Hearing this, Dugu Hongyu narrowed his eyes slightly and looked at Yue Feng with a bit of hostility in his eyes.

A few days ago, Moroye visited the Dugu family and told about the situation of the Chaos Mountains. Dugu Hongyu just regarded it as nonsense, because the ancient books collected by the family never mentioned the other side of the Chaos Mountains. The world called the Wild and Strange Territory, as for the Rakshasa, is even more unheard of.

So at that time, Dugu Hongyu sent Moraya directly.

“Your Excellency!”

At this moment, Sun Boye, who had been silent, looked at Yue Feng with a half-smile, “You said you were Yue Feng? How can you prove it?

” It’s really Yue Feng. I can prove it.”

Then, Sun Ting walked up to Yue Feng, her face full of admiration and eagerness: “Yue Feng, take out your golden mask.” Yue Feng has a golden mask that symbolizes the Lord of Heaven. , unique, as long as everyone sees it, they will no longer doubt it.

Um!

Yue Feng nodded and took out the golden mask.

In an instant, the eyes of the audience all converged on the mask, each with an unbelievable face.

The golden mask of the Tianmen Sect Master?

Could it be… is he really Yue Feng?

Chapter 2307

Haha ..

Just when everyone was whispering, Dugu Jing couldn’t help laughing, pointing to the mask in Yue Feng’s hand, mocking: “Boy, I have to say that your mask is very realistic, but Let me tell you, there are too many people imitating Yue Feng, and there are too many such fake masks. In the Sun’s factory, within half an hour, I can make one exactly like you, believe it or not ?”

Hehe.

Hearing this, many people laughed.

Nima!

Yue Feng frowned, feeling very unhappy, is this Dugujing mentally ill? I don’t have any grudges with him, just because I got closer to Sun Ting, I targeted myself everywhere.

“Dugujing!” Sun Ting was also very angry, and shouted at Dugujingjiao: “Can you not do so much? He is Yue Feng, why do you have to say that he is fake? Canglong Pass in Cang Continent, when we were caught, you forgot who rescued us?”

This Dugu Jing, who wants to avenge his kindness and want to marry him, is really annoying when he sees it.

“I…”

Dugujing opened his mouth, very embarrassed, and couldn’t help muttering: “In Canglongguan, we met a good official, what does it have to do with him?”

“Your Excellency!”

At this moment , Yue Feng walked over slowly and smiled at Dugu Hongyu: “You are the patriarch of the Dugu family, whether I am really Yue Feng or not, the situation in the Chaos Mountains is really urgent. Once the Rakshasa clan crosses the Chaos Mountains , the consequences are unimaginable, this matter requires us to unite in the Kyushu continent, and I hope the patriarch will pay attention to it and send someone to help guard it before it happens.”

When he said this, Yue Feng’s face was sincere.

“Haha…” Dugu Hongyu smiled and said disapprovingly: “As far as I know, for thousands of years, there has never been any record of the Rakshasa in the Kyushu continent, and now it is only based on that Moraye’s In just a few words, all the forces in the Kyushu continent will spend a lot of time sending people there, which is really a joke.” After

speaking, Dugu Hongyu looked at Yue Feng with a serious face, and continued: “Yue Feng is a famous name. The big man who shook Kyushu, I firmly believe that with his knowledge, he will not believe these nonsense.

“

Hearing this, Yue Feng was dumbfounded.

The people of this Dugu family are really arrogant. Dugu Jing is like this, and Dugu Hongyu is like this. They are indeed father and son.

Thinking to himself, Yue Feng was about to say something, but before he could speak, he was interrupted by Sun Boye.

“Okay!” Sun Boye glanced at Yue Feng and said with a chuckle: “Patriarch Dugu said very clearly, and you can understand it. Originally, I was going to drive you away, but for Ting’er’s sake, I will I won’t embarrass you anymore. It’s just about the Chaos Mountains, so don’t talk about it.”

After speaking, Sun Boye stopped talking nonsense and put Yue Feng aside.

“Dad!”

Seeing this scene, Sun Ting was so anxious that she wanted to speak for Yue Feng, but she saw Sun Boye’s determined expression, and she didn’t know where to start.

Uh…

At this moment, Yue Feng was about to cry but had no tears. At this moment, he finally realized the difficulty of Moraye. Being a lobbyist is really not an easy task.

Dugu Jing, who was on the side, saw Yue Feng's expression and felt extremely proud.

Let you go against me, this is just the beginning, and you will look good next.

Dugu Jing had already thought about it. He would have the opportunity to speak more ill of this kid in front of his father. It is best if his father could personally take action and teach him a lesson.

"Ting'er!" At this moment, Dugu Hongyu smiled at Sun Ting: "Let's talk about what happened just now, since you don't want to get married for the time being, my uncle doesn't force you, and the marriage will not be delayed for two years. Question. As for the cooperation between you and Shenglong Technology, I have sent someone to spread the word. I believe that the boss of Shenglong Technology will give me this face."

Dugu Hongyu has been in the world for a long time, and he is skilled in the world. The son was very resistant, so instead of forcing it, he turned to help Sun Ting in business. Because Dugu Hongyu knew that the Sun family was eager to cooperate with Shenglong Technology. As long as he helped, the Sun family would owe him a big favor.

When the time is right, if she proposes marriage again, even if Sun Ting is unwilling, her father, Sun Boye, will speak to Dugujing.

Chapter 2308

"This…" Sun Ting

bit her lip tightly, hesitantly, and then said softly, "Uncle, let me do the business myself, so I won't bother you."

Stupid, knowing that Dugu Hongyu has successfully helped him, when he proposes a marriage later, he has no courage to refuse, so he can only find a way to refuse.

Dugu Hongyu smiled without saying a word.

"Ting'er!"

At this time, Sun Boye couldn't stand it any longer, and frowned and rebuked: "Your uncle wants to help, how can you refuse?" On

the surface, Sun Boye didn't care much about the cooperation with Shenglong Technology, but he was really anxious. , just because of identity, it is not easy to show it.

“Yeah.” Dugujing quickly came out and hit the railway while it was hot: “Cousin, you saw the situation yesterday, the boss of Shenglong Technology is very arrogant, even I can’t do it, only my father can come forward, you If you refuse to help, the cooperation between your Sun family and Shenglong Technology will be hopeless.”

Saying this, Dugujing looked urgent: “Don’t you know you have always wanted to prove your ability? As long as you can cooperate with Shenglong Technology If you cooperate successfully, you will become the youngest and most successful businesswoman in our Zhongyuan Continent, isn’t this what you have been pursuing?”

Phew!

Hearing this, Sun Ting remained silent for a while, but her heart was in a mess, and she had no idea at all.

How to do?

If you don’t agree, the business cooperation will be yellow.

But if you have to agree, Dugu Jing will use this as a reason to annoy himself every day.

For a time, Sun Ting frowned and fell into a tangle.

Ha ha…

Seeing this scene, Yue Feng showed a smile. It turned out that Sun Ting was always sad because of the cooperation with Shenglong Technology.

Thinking to himself, Yue Feng came over and smiled at Sun Ting: “Miss Sun, do you want to cooperate with Shenglong Technology? I can help you.”

Really?

Sun Ting’s eyes lit up, surprised and happy, and said to Yue Feng, “You…can you help me?”

After speaking, Su Ting thought about it, he is the Lord of Heaven’s Gate, and he can do anything. Now that he has spoken, There must be a way.

Yue Feng smiled and was about to respond.

At this moment, Dugu Jing came over and couldn’t help but sarcastically said: “Boy, why are you everywhere, do you know what Shenglong Technology does? Do you know who the boss of Shenglong Technology is? Don’t be ashamed to say help?” The

voice fell, and many people around also pointed at Yue Feng.

“The current liar is more and more bragging.”

“That is, fortunately, our master has a good temper, otherwise, he would have been beaten out long ago.”

“I’m a little strange, how did the lady believe him… “

Everyone’s discussion kept coming, Yue Feng ignored it, but took out his mobile phone and quickly sent a message to Peng Kai. This mobile phone was specially given to Yue Feng by Peng Kai last night.

The communication of Zhongyuan Continent is still in its infancy, and mobile phones have not yet become popular, but Shenglong Technology has established many signal stations and built an internal network.

In this case, the insiders of Shenglong Technology have already started to use mobile phones.

Of course, only insiders.

Seeing Dugujing, Sun Ting stomped his feet angrily.

Gonggong, who had been silent all this time, couldn’t stand it any longer. He whispered to Yue Feng, “Yue Feng, can you bear it?” Yue Feng could bear the ridicule of everyone. If he were himself, that Dugu Jing would have already died. .

call! Yue Feng breathed a sigh of relief and said helplessly: “If you can’t bear it, you have to bear it. The most important thing now is to let the Dugu family send someone quickly. If I ca n’t

help it, will it destroy the unity soon and affect future cooperation?”

At this point, Gonggong no longer speaks.

Everyone mocked for a while, and seeing that Yue Feng had been silent, he thought it was a guilty conscience, so he stopped talking.

“Go!” At this time, Sun Boye ordered his servants: “Get ready the food and drink. I want to have a few drinks with Patriarch Dugu.”

When he said this, Sun Boye didn’t even look at Yue Feng. In his opinion, Yue Feng is a liar, but because of his daughter’s face, he does not care about him for the time being.

Sun Boye thought about it, waited for an opportunity, walked his daughter straight, and then dealt with Yue Feng.

Chapter 2309

“Yes!” The servant responded and hurried to prepare.

Soon, the food and drinks were prepared, which was very rich, but only four sets of tableware were prepared, obviously not Yue Feng’s share.

“Ah?”

At this moment, Dugujing looked at Yue Feng with contempt, and shouted deliberately, “Why don’t you go away, you liar? Do you really want to cheat food and drink at Sun’s house? Let me tell you, my cousin is kind-hearted. But…”

Before he could finish speaking, he was interrupted.

“Master!” The

housekeeper walked in quickly, sweating profusely, his face couldn’t hide his excitement, and respectfully said to Sun Boye: “Sheng… The boss of Shenglong Technology, Mr. Peng is here to visit.”

What?

When the voice fell, everyone present was shocked, and then, their eyes converged on Dugu Hongyu, feeling secretly in their hearts.

The Dugu family is worthy of being the Big Dipper of Mount Tai in the arena of Zhongyuan Continent. Their face is great.

Patriarch Dugu just finished speaking and wanted to help Sun Ting. In a blink of an eye, the boss of Shenglong Technology came in person.

Dugu Hongyu showed a smile, a very unfathomable gesture.

Dugu Jing next to him was even more proud of himself. At the same time, she looked at Sun Ting with affection, and she was very excited.

Great.

The boss of Shenglong Technology, looking at his father’s face, came to visit so quickly. As long as the voice talks were completed, his cousin would be grateful and would definitely be nice to him, and maybe he could agree to get married.

At this moment, no one looked at Yue Feng and completely ignored it.

Yue Feng was not in a hurry, just stood aside and waited quietly.

“Haha..”

Under everyone’s attention, laughter came, followed by a handsome figure slowly walking into the hall! It was Peng Kai.

After receiving Yue Feng’s joy just now, Peng Kai rushed over without delay.

All of a sudden, everyone’s eyes turned to the past.

I saw that Peng Kai was dressed in a specially tailored suit, with short hair and looked handsome. On his wrist, he was wearing a limited-edition watch from Diyuan Continent. Although he is young, he has the air of a big businessman all over his body.

With this outfit, everyone present couldn’t help but sigh with emotion.

As expected of a business tycoon from the Earth Circle, this temperament is truly extraordinary.

Thinking about it, the eyes of many people were once again focused on Dugu Hongyu.

The boss of Shenglong Technology is so arrogant, who can invite him, besides the patriarch of the Dugu family?

After all, Dugu Hongyu is a man of great importance in Zhongyuan Continent.

This…

Sun Ting was also stunned, looking at Peng Kai blankly, feeling very uneasy and complicated.

Is this Mr. Peng really invited by Uncle Dugu? If that’s the case, this kind of love can’t be pushed away.

“Hello!”

Under everyone’s attention, Peng Kai looked around, then strode up to Sun Ting, stretched out his hand, and said politely, “You are Miss Sun Ting, and yesterday I went to the company to look for it. Me.”

Peng Kai took the initiative to say hello, Sun Ting was flattered, and shook hands with Peng Kai, her mind clouded.

“I’m so sorry.” Peng Kai continued: “I was really busy before, and I couldn’t receive Miss Sun. Please don’t take offense to Miss Sun. I have signed the cooperation agreement. I hope we can cooperate happily.”

Apologizing, Full of sincerity.

“No… it’s okay!” Sun Ting was a little nervous and replied in a low voice. At the same time, my heart is also excited.

Have you cooperated with Shenglong Technology? This is not a dream.

Whoa!

Seeing this scene, everyone around was in an uproar. One by one, they looked at Dugu Hongyu and worshipped them even more.

Still the Dugu Patriarch has a big face. Otherwise, can Peng Kai be so polite to Miss Sun? Moreover, in front of so many people, he apologized to Sun Ting.

Chapter 2310 In the

limelight, Dugu Hongyu was indescribably happy.

At the same time, looking at Peng Kai, Dugu Hongyu also nodded in approval.

This Peng Kai, although he used to be very big, has to say that he is really good at being a man. He is so humble and polite that he can’t bear the slightest ill will. No wonder he can develop a technology company to such a large scale.

Now that people have apologized, it’s time for them to go up and express themselves.

Thinking to himself, Dugu Hongyu walked over, squeezed out a smile, and smiled at Peng Kai: “Hello, Mr. Peng is here, it’s my honor!” I

thought Peng Kai would shake hands warmly, but I didn’t expect that Kai just smiled politely, and then looked away.

The next second, Peng Kai looked around, and then walked straight past Dugu Hongyu.

This…

Seeing this scene, the entire hall was silent, and everyone was stunned.

what’s the situation?

Shouldn’t Peng Kai have a warm conversation with Dugu Hongyu? Why is she so indifferent? It’s completely different from her previous attitude towards Sun Ting.

Just when everyone was in shock, they saw Peng Kai in front of Yue Feng.

hiss!

At this moment, many people were stunned and couldn't help taking a breath of cold air.

Could it be that this Peng Kai was not invited by the Dugu Patriarch, but came to visit the Sun family because of this kid's face?

How is this possible?

"Brother Feng!"

At this moment, Peng Kai bowed respectfully at Yue Feng, and said politely, "According to your explanation, Miss Sun and I have already cooperated. Do you have any other orders?"

Seeing this scene, everyone thought they were dazzled and dumbfounded.

This… this Peng Kai, was really invited by this kid.

Also, what was his name just now? Brother Feng?

"You…"

Dugujing stared blankly at Peng Kai with his grown mouth, speechless.

I thought that only the identity of the father could let this Peng Kai come to the door in person, but I never expected that the person who invited Peng Kai was actually this poor liar.

Dugu Hongyu frowned, and his face was extremely ugly.

"Mr. Peng!"

Finally, Sun Boye, who was next to him, was the first to react. Looking at Peng Kai, he couldn't help but ask, "What did you call him just now?"

"Brother Feng!" Peng Kai replied without thinking with a smile on his face.

Gudong.

Sun Boye secretly swallowed his saliva and continued to ask: "Then he…"

Before he could finish speaking, Peng Kai smiled slightly, then looked around, his tone was very solemn: "This is the hero of our Earth Continent, The famous Lord of the Heavenly Gate, Yue Feng, is also my forever brother Feng."

What?

Hearing this, the whole hall burst into flames, and everyone was talking about it.

“This… this person is really Yue Feng?”

“But it doesn’t look like it, this dress is too ordinary.”

“Yeah, it’s completely different from what I imagined.”

Everyone’s comments came from you and me, and Yue Feng laughed without saying a word.

Peng Kai chuckled lightly, looked around and said, “You don’t have to question, as a person from Earth Circle, how come I don’t know Brother Feng? Moreover, before Brother Feng established Tianmen, he helped me a lot. It can be said that , Without Brother Feng, there would be no current Shenglong Technology.”

Speaking of which, Peng Kai glanced at Yue Feng with a serious face: “As long as Brother Feng says a word, I will immediately offer Shenglong Technology with both hands.” The

tone was firm . , beyond doubt.

Huh…

Hearing this, the whole hall was silent, everyone looked at Yue Feng, speechless.

In particular, Sun Boye, Dugu Hongyu, and Dugu Jing have complex expressions, one is more embarrassed than the other.

The ultimate husband in Chinese chapter 2311-2315

Chapter 2311

It's embarrassing now, this is really Yue Feng, and I didn't believe it just now, and I kept making fun of it.

Sun Ting on the side looked at Yue Feng closely, trembling with confidence, very happy.

Great, finally someone can prove Yue Feng's identity.

"Jing'er!"

At this moment, Dugu Hongyu reacted and shouted at Dugu Jing: "Quick, apologize to Sect Master Yue immediately."

When he said this, Dugu Hongyu's eyes were firm and unquestionable. , Dugu Hongyu has always been very protective of this second son. If it was someone else, he would never let his son apologize.

But the Yue Feng in front of him is different, and his identity is not trivial. He is not only the hero of the Earth Circle, the Lord of Tianmen, the Emperor of Xi Cang, and the Consort of the Southern Cloud Continent. How can such an existence be provoked.

"I…"

Dugujing's heart was shocked, and he was very resistant. Seeing his father's expression, he finally gave in.

When he got to the front, Dugu Jing lowered his head and didn't look at Yue Feng, and said, "Yes… I'm sorry, I used to have eyes but didn't know Mount Tai, which is very offensive. I hope you don't remember the villain…"

At this time Dugujing was very aggrieved.

Mad, I was still thinking, let my father vent his anger and teach this kid a good lesson, but he never expected that this person is really Yue Feng.

Yue Feng smiled and looked at Dugu Jing and said, "Forget it, I didn't take it to heart at all."

After that, Yue Feng said seriously to Dugu Hongyu: "Patriarch Dugu, since I've confirmed my identity, the one from the Chaos Mountains It's something to think about as soon as possible."

This…

Dugu Hongyu pondered for a while, and hesitated: “Is this matter true or

not, and…” Before he could finish speaking, Yue Feng interrupted: “Patriarch Dugu doesn’t need to doubt, it’s true. , Otherwise, Yang Jian wouldn’t have sent people, even Yang Jian is so attached to it, will there be a fake?”
