Hearing this, Dugu Hongyu was stunned, and then curiously said: “Sect Master Yue, your Earth Circle Continent, just now Suspend the war with the Northern Ying Continent, do you believe in Yang Jian?”

Hmm!

Yue Feng nodded solemnly, then looked at Gonggong next to him, and introduced with a smile: “It’s about the safety of the Kyushu Continent, why don’t you believe it? This is Your Excellency Gonggong, who was sent by Yang Jian to investigate the situation in the Chaos Mountains with me. Everyone should believe it, right?”

Huh!

The voice fell, the whole hall was in an uproar, and everyone watched Gonggong closely, shocked.

This… is the wonder woman called the god of water by the world, Gonggong?

No wonder it is so sexy and charming, like a fairy.

“Yue Feng, you…” Facing everyone’s respectful gazes, Gonggong didn’t feel the slightest gratification, but stomped his feet angrily. The real purpose of following Yue Feng was to assassinate him and not reveal his identity.

However, Yue Feng revealed his identity here.

“Okay!”

At this moment, Dugu Hongyu nodded and said seriously: “In this case, I promise Sect Master Yue to mobilize people as soon as possible and send them to the Chaos Mountains.”

Yang Jian and Yue Feng are enemies of each other, and everyone in the Kyushu continent You know, now Yang Jian is willing to let go of his grievances and send people to join forces with Yue Feng to prove that the matter of the Chaos Mountains is not groundless.

Great!

Seeing that Dugu Hongyu finally agreed, Yue Feng showed a smile and was very happy.

Afterwards, Sun Boye warmly greeted Yue Feng and Gonggong, entertained them with delicious food and wine, accompanied by Dugu Hongyu, and also asked Yue Feng about the Chaos Mountains.

As for Dugu Jing, he could only pour tea and water on the side in a lonely way.

Three rounds of wine, five flavors of food.

Yue Feng told Dugu Hongyu what he knew, and also discussed how to jointly deploy the defense.

At this time, the sky became dark immediately, and Sun Boye immediately ordered his servants to arrange a room for Yue Feng and Gonggong to rest.

–Late

night, Yuefeng room.

After drinking a lot of wine in the afternoon, Yue Feng was sleeping soundly.

At this moment, a slender figure slowly opened the door and walked in.

Through the moonlight, I saw a beautiful and cold face, with a tight and sexy body, it was Gonggong.

Looking at Yue Feng lying there, Gong Gong held a dagger tightly and approached slowly. Hearing Yue Feng’s even breathing, Gonggong bit his lip tightly, and there was a hint of coldness in his eyes.

On the way to Zhongyuan Continent, Gonggong couldn’t find a suitable opportunity to assassinate Yue Feng because of Qiongqi guarding him. Tonight, the opportunity finally came.

This is the mansion of the Sun family. In the afternoon, Yue Feng and Dugu Hongyu were drinking together. Yue Feng was going to die here. The Sun family and the Dugu family were inseparable from each other, and no one would suspect himself.

Chapter 2312

When he got to the bed, Gonggong raised his dagger and wanted to stab hard, but hesitated again.

At this time, Gong Gong bit his lip tightly and looked at Yue Feng, as if he was talking to himself: “If I kill him, Xi Cang Continent, Earth Circle Continent, and even Nan Yun Continent will surely fall into chaos… “

Being with Yue Feng in the past few days, Gonggong gradually became clear about his personality. Although he was always smiling, he was unequivocal at critical moments, especially in the Kyushu mainland.

For the safety of the Kyushu Continent and to unite the forces of all parties, he traveled thousands of miles and came to the Zhongyuan Continent alone to persuade the Dugu family. In the past two days, he was ridiculed and ridiculed by so many people. But they all endured.

If such a person were to be killed, it would be a loss to the continent of Kyushu.

But… if you don’t kill it, how will you explain it to Yang Jian when you go back?

call!

Just as Gonggong was holding the dagger and hesitated, Yue Feng, who was lying there, also sighed secretly.

Yue Feng has gone through a lot over the years and acted very cautiously. In addition, Pang Tong reminded him when he left the Earth Circle, so these days, he has been on guard against Gonggong. When Gonggong entered the room just now, Yue Feng woke up.

The reason why he didn’t move was because Yue Feng wanted to stop by stillness and attack him later.

However, seeing Gonggong standing there dumbfounded for a long time, Yue Feng couldn’t bear it any longer.

Ugh!

Yue Feng sighed softly, sat up slowly, and looked at Gong Gong with a smile: “Your Excellency Gong Gong, come to my room in the middle of the night without saying hello, what do you want to do? Ouch? Still holding a knife? What do you want? Kill me.”

Gong Gong was taken aback, he never expected that Yue Feng would wake up suddenly, he had already hidden his breath, he could not have noticed.

At this time, Gonggong still didn’t know that Yue Feng was already showing signs of breaking through the Tribulation Realm, and he could feel any disturbance.

“That’s right, I’m here to kill you.” Gong Gong reacted quickly, let out a coquettish cry, raised the dagger in his hand, and stabbed directly at Yue Feng’s heart.

Originally, Gonggong was a little hesitant, but when Yue Feng discovered it, he no longer hesitated.

Chi…

The dagger drew a cold light, and it was about to stab Yue Feng’s heart.

At this critical moment, Yue Feng smiled slightly, his body flashed, and he avoided it very flexibly, at an extremely fast speed.

What?

At this moment, Gong Gong’s delicate body trembled, and she was very surprised. She clearly felt that Yue Feng’s strength was obviously much stronger than before.

Could it be that… Yue Feng is about to break through the Tribulation Transcendence Realm?

“Tsk tsk… Your Excellency Gonggong, we have been with you all the way for the past few days, and we will fight against the Rakshasa together in the future. In my heart, seeing you is more cordial than seeing my woman. You are actually going to kill me now. Me?” At this moment, Yue Feng stood there, looking at Gonggong with a half-smile, and opened his mouth to tease.

Pooh!

Hearing this, Gonggong’s beautiful face suddenly turned red. This Yue Feng is really not serious, and he dares to make fun of himself.

Thinking about it, Gonggong’s internal power exploded, and he was astonished. When he came to Yue Feng, he slapped it with a palm!

“Come back?”

Yue Feng laughed, not panicking at all, but Gonggong’s palm was too fast to avoid. At that time, Yue Feng could only use his internal strength to greet him with a palm.

boom!

The two palms touched each other and made a dull vibration. At this moment, Gong Gong’s delicate body stepped back several steps, and his face was instantly ugly!

Gong Gong's guess was good, Yue Feng was about to break through the Tribulation Transcendence Realm, and Chun Yang's internal strength was extremely pure. With that palm just now, Gong Gong was not his opponent!

"You…"

Gonggong only felt the chest tightness, stabilized his figure, looked at Yue Feng in shock and anger, his beautiful face was full of incredible!

Chapter 2313

This .. how is this possible!

The last time I fought against Yue Feng was half a year ago. At that time, I broke out with all my strength and was on a par with him, but now, I can't even catch Yue Feng's palm.

How could this be?

Yue Feng chuckled and looked at Gonggong: "Are you still fighting? I advise you to give up, you are not my opponent!" The

voice fell, Yue Feng rushed over, quickly raised his hand, and clicked on Gonggong's acupoint. twice.

In an instant, Gonggong's body froze, unable to move at all.

"Why did you come to kill me?" Yue Feng sat on the chair, looking at Gong Gong, and said lightly: "Be honest, don't think about finding a reason to fool me."

Gong Gong snorted and did not respond . .

Yue Feng frowned, picked up the dagger that fell on the ground, and placed it directly on Gong Gong's neck!

Feeling the chill from the dagger, Gong Gong's face didn't show any waves: "If you want to kill me, do it quickly. Don't talk nonsense!" He failed to assassinate himself, and the task given by Yang Jian was considered a failure, but he must not tell the truth. .

If Yue Feng knew that the person who killed was Yang Jian, and there was a gap between the two sides, it would be difficult to fight against the Rakshasa together.

Huh ..

Yue Feng frowned, this woman doesn't eat hard.

“If you don’t kill me, just let me go.” Gonggong said coldly. Although he was acupointed, his tone was extremely cold, how could he look like a prisoner?

Yue Feng couldn’t help laughing: “Gonggong, you are unreasonable. You killed me first, and now I have caught me, and you want me to let you go? Do you think it is possible? Let you go too. Yes, you just need to tell me why you killed me. As long as you say it, I will give you a solution right away.”

“Don’t say it.” Another two short words came from Gonggong’s mouth.

Nima!

Yue Feng was completely impatient, and immediately hugged Gonggong.

“What are you doing? Don’t touch me.” Gong Gong suddenly panicked. He was as innocent as jade. He was honored by the world as the existence of the water god. He was held by a man.

However, what made her shocked and angry was still behind. He saw Yue Feng chuckle and looked at her playfully: “What are you talking about? It’s so late, so naturally I’m going to bed!” As

he said that, Yue Feng carried Gong Gong to bed.

I have to say that Gonggong is worthy of being a famous goddess of the rivers and lakes, with a beautiful face and a very good figure. Thinking of this woman assassinating him, Yue Feng thought about taking care of her. The more angry she was, the happier Yue Feng felt.

Gonggong couldn’t struggle, his face flushed with anger: “You, you let me go!”

Yue Feng couldn’t help laughing, and shook his head deliberately: “This is not good, you assassinate me, disturb my sleep, as punishment, you Rest with me!”

Hearing this, Gong Gong almost burst into tears, biting his lip so hard that he was about to bleed.

Yue Feng wanted to be mad at her, but he didn’t really want to sleep with her.

At this moment, seeing that she was about to cry, Yue Feng smiled and said, “Tell me, why did you kill me? As long as you say it, I will untie your acupuncture point! Otherwise, I will have to hold you to sleep.”

As he said that, Yue Feng shook his head and said to himself proudly: “Tsk tsk, Your Excellency the Water God, you are in good shape. I don’t know how many men in the

world are dreaming about it, but I didn't expect that Yue Feng would be able to hold him to sleep. A lifetime is worth it."

"You…" The

voice fell, Gonggong's face was hot, like a burning cloud, and his heart was extremely embarrassed and angry.

This bastard is getting more and more presumptuous!

However, if he didn't say anything, he would sleep with him.

Seeing her hesitant face, Yue Feng lay on the bed, looked at her with a smile, and said, "If you don't say anything, I'll hug you to sleep. Guess, tomorrow morning, the people of the Sun family, What do you think when you see the dignified water god in my bed? It must be a big news, I guess, this kind of big news will definitely spread to the Kyushu continent soon."

Chapter 2314

"You!" Gonggong is not good.

Rogue!

This Yue Feng is a rogue! At this time, Gonggong only hated himself for being careless for a while. He failed to act decisively just now, but now he has been humiliated by him.

Gonggong gas is not good, staring at Yue Feng. If eyes can kill, it is estimated that Yue Feng is riddled with holes.

"You are really stubborn." Yue Feng said with a smile: "Okay, let's rest together." As

soon as he finished speaking, he was about to get into the bed!

Seeing this scene, Gonggong was in a hurry and almost blurted out: "Yue Feng, don't…I say, I say! Yes…Yang Jian sent me here."

Phew!

Hearing this, Yue Feng took a deep breath and chuckled: "Actually, if you don't say it, I know that he sent it." After speaking

, Yue Feng was a little helpless and a little angry: "Since Yang Jian has been with me, After the truce, I decided to send troops to guard the Chaos Mountains and join forces with other continents to guard against the Rakshasa, why would you kill me?"

“He…” Gonggong bit his lip tightly, not looking at Yue Feng, and said in a low voice “Your Majesty thinks that you are his greatest threat. If you fight against the Rakshasa clan, you will definitely have made great achievements in the war. When that time comes, your statement and prestige will overwhelm him.” After speaking, Gonggong let out

a sigh of relief and continued: “If If I kill you, the continent of Kyushu will be Yang Jian alone.”

Nima!

Hearing this, Yue Feng couldn’t help but scolded in his heart, this Yang Jian is really a sinister hypocrite, he has stopped fighting on the surface, but secretly sent someone to assassinate him! Too shameless.

Thinking to himself, Yue Feng stretched out his hand and quickly unlocked Gonggong’s acupoint.

“Go back and tell Yang Jian that you really want to kill me, come here openly and honestly, don’t do this secretly.” Yue Feng’s face was cold and arrogant, and he said to Gonggong.

Gong Gong bit his lip and didn’t respond.

Seeing Gonggong’s expression, Yue Feng’s tone softened: “The task that Yang Jian sent you failed, if you go back, Yang Jian will definitely not spare you, why don’t you go back to the Northern Ying Continent and go directly to the Chaos Mountains with me.”

Yue Feng knew that Gonggong had been hesitating before the bed just now, and he didn’t want to kill himself.

To be honest, although Gonggong is aloof and a bit arrogant and domineering on weekdays, in terms of the righteousness of Kyushu, he has a very positive concept and is still very admirable.

It would be a pity for such a woman to be disposed of by Yang Jian.

“My business, I’ll handle it myself.” Gong Gong quickly got out of bed, tidied up some messy clothes, his face was red: “You don’t have to worry about it.” The

voice fell, Gong Gong picked up the dagger on the table, as if frightened The rabbit left the room as if running away.

Haha…

Seeing this scene, Yue Feng couldn't help laughing, this Gong Gong's angry look was quite charming.

Having finally figured out the purpose of Gonggong staying by his side, Yue Feng's heart was full of joy. Finally, he didn't need to be vigilant at all times, so he just lay on the bed and rested.

Yue Feng firmly believes that Gonggong is a person who needs face very much. After the assassination is revealed, he will not plot against himself again.

the other side.

Gong Gong left the room and went to the outside yard, with a bit of worry on his delicate face.

How to do? If he failed to kill Yue Feng, if he went back like this, His Majesty would be furious, and he would be punished.

But if you don't go back, it's pointless to stay.

Um?

Suddenly, Gonggong turned his head and saw a black flag nailed to a tree not far away. The flag was only the size of a palm, and the shape of a dragon was vaguely embroidered on it.

Chapter 2315

Gonggong's tender body trembled, of course she recognized this flag, it was the dragon flag that Yang Jian mobilized the army, and now, the dragon flag appeared here, don't think about it, it must be His Majesty's arrival.

Thinking about it, Gonggong felt a little flustered, then walked over, pulled out the dragon flag, and quietly left the Sun house.

When they got outside, Gonggong saw some dragon flags. These dragon flags were nailed to some hidden places, obviously guiding Gonggong.

A few minutes later, Gonggong was guided by these dragon flags to a wood in the east of Tianzhong City.

"Master Gonggong."

As soon as he arrived in the woods, he heard a cold voice, and then, a man in a black robe walked out slowly, with a gloomy face and a good aura.

It was Zhang Jiao.

Gonggong had been gone for three days, and there was still no news of the successful assassination of Yue Feng. Yang Jian couldn't wait any longer, so he sent Zhang Jiao over to inquire about the situation. When necessary, let him secretly assist Gonggong.

"Master!"

Seeing Zhang Jiao, Gong Gong's delicate body trembled faintly and greeted politely.

Seeing that Yang Jian was not there in person, Gonggong was a little fortunate, but he did not dare to be presumptuous in the face of Zhang Jiao.

You must know that Zhang Jiao was regarded by Yang Jian as a military advisor, and he was in charge of all the troops in the Northern Ying Continent. For some things, even Yang Jian had to obey his arrangements, which was completely under one person and over ten thousand people.

"Assassination of Yue Feng, how's it going?" Zhang Jiao asked with an expressionless face, "I just learned that you and Yue Feng were entertained by the Sun family here, so I left a dragon flag at the Sun family to guide you. Come and ask."

Gong Gong bit his lip tightly, unable to hide his embarrassment and shame: "Reporting to the military commander, I failed in the assassination just now, so Yue Feng is very alert…"

Immediately afterwards, Gonggong explained the situation at that time, but of course, he did not say that he was caught and humiliated by Yue Feng.

What? Assassination failed?

Hearing this, Zhang Jiao was stunned.

"So, Yue Feng asked you to send a message to His Majesty, and will part ways with you tomorrow morning?" Zhang Jiao asked lightly, frowning at the same time and thinking about something.

Gong Gong nodded, feeling very anxious.

Zhang Jiao, he won't force himself to go back and ask Yang Jian for sin, right?

"Don't panic, we still have a chance!"

Just as Gonggong was thinking about it secretly, Zhang Jiao smiled and looked at her and said, "Tomorrow morning, I will set up an ambush in the outskirts of Tianzhong City, where you must pass. At that time, you can cooperate with me."

Huh?

Gonggong's tender body trembled and stared blankly at Zhang Jiao: "Master, do you still want to do it?"

Yes, after the assassination failed, Gonggong completely gave up the idea of assassinating Yue Feng, not only for face, but in At this time, the Kyushu Continent cannot be without Yue Feng. You must know that Yue Feng has extremely high attainments in the formation of troops. With him, it will be easier for the Kyushu Continent to resist the Rakshasa clan. If he dies, it will be a loss for the Kyushu Continent.

"What?" Noticing Gonggong's expression, Zhang Jiao looked at her up and down, and said solemnly, "You don't want to kill him? You won't be turned against by Yue Feng, betray your majesty, and secretly join Yue Feng?"

Huh!

Gong Gong suddenly panicked, and quickly shook his head: "The military advisor has misunderstood. I am loyal to Your Majesty. How could I betray? I just think that now the enemy is now, we should not deal with Yue Feng first."

See Gong Gong With a sincere expression on his face, Zhang Jiao is no longer suspicious, but still firmly said: "In that case, you just follow the instructions and cooperate with me tomorrow morning."

With that, Zhang Jiao explained his plan in detail.

Gonggong resisted in his heart, but in the current situation, he had to agree.

Half an hour later, Zhang Jiao finished talking about the plan and made a few special explanations, and then let Gonggong return to Sun's house.

The ultimate husband in Chinese chapter 2316-2320

Chapter 2316 Early the

next morning, Yue Feng got up.

After Gonggong left last night, Yue Feng slept for a while and then began to meditate and practice. To his delight, there were already signs of a breakthrough in the inner strength of his dantian.

Yue Feng was refreshed when he thought that he was about to reach the Tribulation Transcendence Realm.

Under the arrangement of the Su family, Yue Feng and Gong Gong had breakfast and left.

Sun Ting wanted to stay for two more days, but knowing that the matter of the Chaos Mountains was urgent, she reluctantly sent Yue Feng and Gonggong out of the city before returning to Sun's house.

At this time, on the tree-lined road in the suburbs, Yue Feng looked at Gonggong with a smile: "Are you really planning to return to Beiying Continent?"

Hmm!

Gonggong responded with a complex look in his eyes and a mess in his heart.

Yue Feng sighed softly, not knowing what was good about Yang Jian, to make Gonggong so determined.

Thinking to himself, Yue Feng said with emotion: "Since this is the case, after passing the mountain in front of us, let's part ways .

"

Howling, it was a man's voice, very painful.

Yue Feng did not hesitate, and quickly accelerated his pace.

Gonggong's heart trembled, he hesitated, and followed.

When he got to the front, Yue Feng was stunned when he saw the scene in front of him, with pity and sympathy flashing in his eyes.

This chapter is provided by . Visit for daily update.

I saw a man sitting under a tree, sweating profusely, holding his bloody right leg in pain, his leg was fractured, and the blood flowed non-stop. Under the severe pain, the man kept mourning.

“Two good-hearted people.” Seeing Yue Feng coming over, the man seemed to have grabbed a life-saving straw and kept begging: “Please, help me, I was cutting wood on the mountain and accidentally broke my leg, trouble. I must be grateful that you two sent me home.”

Phew!

Yue Feng took a deep breath, without hesitation, nodded and said, “Okay, where is your home?”

As he said, Yue Feng was about to walk over.

“Yue Feng, don’t…” At this moment, Gong Gong couldn’t help shouting, his eyes full of complexity.

Yes, the man who broke his leg was the bait arranged by Zhang Jiao. Gonggong couldn’t bear to watch Yue Feng fall into a trap and wanted to dissuade him.

“What?” Yue Feng stopped and looked back at Gong Gong, very puzzled.

Gonggong was a little guilty at the sight of Yue Feng, and said softly: “Aren’t you in a hurry to rush to the Chaos Mountains? Although this man’s leg is broken and bleeding a little, he has no life worries and can’t die for the time being. I miss him. My family, we will be able to find them soon.”

This…

Hearing this, Yue Feng was stunned for a moment, and then said seriously: “The matter of the Chaos Mountains is important, but we cultivators can’t wait to die. Help, otherwise, what’s the point of cultivating this strength?”

After speaking, he was righteous and could not be refuted.

Gong Gong’s face turned red and he was speechless.

Yue Feng said no more, walked to the man, simply bandaged him, then carried him on his back and asked, “This brother, where is your home?”

“It’s on the mountain.” The man was very grateful , hurriedly said: “My name is Xu Liang. Because I am in the wood business, I took my family and settled down on the mountain. The elder brother is really a good man.”

Knowing this situation, Yue Feng nodded, feeling very emotional, life is not easy. This Sun Liang looks like the pillar of the family. Now that he has broken his leg, I am afraid that the family will have a hard time.

“Let’s go, let’s do good things together.” Thinking to himself, Yue Feng turned around and greeted Gong Gong.

Gonggong wanted to refuse, but he still sighed and followed.

Yue Feng carried Sun Liang on his back, and under his guidance, walked up the mountain along the mountain path, and the two of them kept chatting along the way.

During the chat, Yue Feng couldn’t help but wonder when he saw that Sun Liang was holding a few herbs tightly in his hands.

A few herbs, two of them are medium herbs, and most people don’t know it at all.

“Sun Liang!” Yue Feng couldn’t help but ask, “Aren’t you a woodcutter? Why do you still know how to collect herbs?”

Chapter 2317

Uh…

Sun Liang’s eyes flickered, and he responded with a smile: “This, my ancestor was a doctor, and he left some remedies. Isn’t it inconvenient to live in the mountains to see a doctor, so when I was logging, I picked it up by the way. Some medicine for backup.” When he said this, Sun Liang’s tone was calm, but panic flashed in his eyes.

Oh…

because he was carrying Sun Liang on his back, Yue Feng couldn’t see his expression, so he didn’t think about it, and didn’t ask any more questions.

After a while, when I reached the middle of the mountain, I saw a few wooden houses built in an open space in front of me. The wooden houses were scattered and there were some chopped wood piled next to them.

“Where’s your family?” Yue Feng turned to look at Sun Liang and asked.

Sun Liang said: “I guess you should rest in the room, benefactor, you can just open the door!” After speaking, Sun Liang became a little nervous.

At the same time, Gong Gong, who was behind, frowned, and his heart was hanging.

Yue Feng didn't pay attention to Gonggong's expression, nodded, put Sun Liang on the chair beside the door, and pushed open the door.

Um?

The moment he opened the door, Yue Feng was stunned, and saw a woman inside, sitting there with a nervous face, and beside her, two children a few years old were also full of fear.

Obviously, this is Sun Liang's wife and child, and the situation in front of him seems to be held hostage.

Whoosh!

Just when Yue Feng realized that something was wrong, suddenly, a figure rushed out from the door, carrying a terrifying momentum, and slammed into Yue Feng's heart.

With a gloomy expression and a deep cold smile, it was Zhang Jiao.

Zhang Jiao shot quickly and was very close, Yue Feng didn't have time to dodge, but he was not satisfied with his reaction, and immediately urged his internal force to protect his body.

Bang!

This palm slapped hard on Yue Feng's heart, only to hear Yue Feng groaning, he was shocked and flew out, flew more than ten meters away, hit a tree, and then fell to the ground.

"I'm sorry, I'm sorry…" Sun Liang at the door, almost terrified, kept crying at Yue Feng: "I really don't want to hurt you, this person forced me…"

While crying, Several herbs in Sun Liang's hands fell to the ground, and he saw a few blue-blue pills in the herbs.

Yue Feng ignored Sun Liang and locked Zhang Jiao tightly.

"Zhang Jiao!" Yue Feng endured the excruciating pain and said coldly, "It's a shame that you are still a military advisor in Northern Ying Continent, so you used such despicable methods."

Yue Feng only felt that his heart was shattered. The severe pain kept coming, and at the same time, I was secretly glad that I had the pure Yang internal force to protect my body. Otherwise, Zhang Jiao's palm would have already killed him.

Haha…

Zhang Jiao laughed, looked at Yue Feng closely, and said proudly: “Yue Feng, you are not afraid of deceit, you are a talented person, but it is a pity that you are too womanly. When you were in Nanyun Continent, if you weren’t Taking into account the lives of those people, I will not be suppressed by me.” As he

spoke, Zhang Jiao’s eyes were cold: “You don’t have to guess, this Sun Liang’s leg was broken by me, and I took the life of his wife and child. , forcing him to cooperate with me, deceive you here, and then raid you, did you see a few herbs he took? The blue pills mixed in it are called ‘Bone-Breaking and Tendon-Breaking Pill’, which I specially prepared for you Yes , ordinary people are fine if they smell it, but if a cultivator smells it, it will affect their strength.”

Shuh!

Hearing this, Yue Feng’s eyes were extremely blood red, and he locked Zhang Jiao tightly, and said coldly: “In order to deal with me, you start with innocent people, are you still human?”

At this time, Yue Feng was burning with anger.

Zhang Jiao is really ruthless. In order to raid himself, he even broke an ordinary person’s leg. Not only that, but also threatened with his family.

Despicable, sinister, vicious, all the vicious words in the world are not enough to describe him.

At the same time, Yue Feng clearly felt that his inner strength was slowly suppressed by an invisible force. In an instant, in addition to anger, there was some panic in my heart.

Destruction of bones and tendons? It seems that there is no such thing as Promise Alchemy.

At this time, Yue Feng didn’t know that this kind of bone-breaking and tendon-breaking pill was realized by Zhang Jiao in the inextinguishable scriptures and refined by himself, just like the Heitian pill refined by Zhou Qin before, there is no one in the world. Can solve.

Zhang Jiao sneered, looked at Yue Feng, and said word by word: “I said that the benevolence of women is your death point. If you die by my hands today, you are not wronged. Accept your fate.” The

voice fell, Zhang Jiao’s figure burst out, coming straight towards Yue Feng.

Chapter 2318

Om!

In the blink of an eye, Zhang Jiao came to Yue Feng and raised his hand. In an instant, the surrounding air was surging, the sky was dark, and the momentum was amazing.

This palm contains Zhang Jiao's internal power of 'Indestructible Scripture'. Indestructible Scripture, Zhang Jiao has been enlightened for thousands of years and has already reached a peak state.

Nima!

Feeling the power of this palm, Yue Feng scolded secretly, this horn is too cruel, this is going to kill himself.

"Crack!" In the

next second, Yue Feng did not hesitate, and immediately summoned Fang Tianhuaji. With a crisp sound, Fang Tianhuaji was held tightly by Yue Feng.

As soon as Fang Tianhua's halberd came out, Yue Feng's whole body suddenly burst out with endless fighting intent, and the air seemed to be filled with a bloody aura.

Fang Tian painted a halberd?

Zhang Jiao's expression became solemn, looking at Fang Tianhua halberd, his eyes flashed with fear and scorching heat. Only oneself can possess such weapons. Today, if Yue Feng must be killed, Fang Tianhua halberd will belong to him!

Thinking about it, Zhang Jiao's eyes flashed with a cold light, and his figure was ghostly. He accelerated his speed and fought fiercely with Yue Feng.

At this time, Xu Liang and his family below were all frightened and dumbfounded, curled up there, not daring to let out the air.

Gong Gong, however, bit his lip tightly, looking at the two figures in the air, with inexplicable worry and anxiety in his heart.

Gonggong was walking behind on the mountain road he had come to before. He tried to remind Yue Feng several times, but he finally held back. At this time, seeing that he was successfully attacked by Zhang Jiao, he was a little unbearable.

Although Yue Feng was hateful, his sins did not lead to death. If I had known, I should have reminded him halfway, but it was too late to say anything now.

In the blink of an eye, half an hour has passed, Zhang Jiao burst out with all his strength and exerted a lot of skills, but he was still unable to suppress Yue Feng.

At this time, Zhang Jiao could clearly feel that Yue Feng was already showing signs of breaking through the Tribulation Transcendence Realm, and was secretly surprised.

This Yue Feng's strength is getting stronger and stronger. Fortunately, today's design has caught him in a trap. Otherwise, it would be harder than reaching the sky to kill him.

Yue Feng also had a solemn expression, secretly anxious.

Originally, relying on the power of Fang Tianhuaji, he was able to suppress Zhang Jiao, but Yue Feng clearly felt that after he had inadvertently inhaled the tendon and bone breaking pill, a strange force was spreading into his meridians, not only In this way, an invisible barrier was formed around the dantian, which completely restricted the urging of internal force.

What makes Yue Feng even more angry is that he is about to break through the Tribulation Transcendence Realm, which is the critical bottleneck period. At this time, under the influence of this strange force, the inner strength of his dantian has faint signs of backlash.

In the bottleneck period that is about to break through, this kind of situation is very dangerous, ranging from mischief to the devil, and loss of life in severe cases.

And now, they have to face Zhang Jiao's attack, so the situation is extremely critical.

Bang!

Finally, Zhang Jiao found an opportunity and slapped Yue Feng's back with a palm. Yue Feng's body trembled and he fell into the sky. Before landing, he spat out a mouthful of blood with a wow.

"Yue Feng!" At this moment, Zhang Jiao sneered, with a cold glow in his eyes: "Today is your day of death, stop struggling and resist, accept your fate!"

"Agree?"

Hearing this, Yue Feng wiped the corner of his mouth. The blood of the man stood proudly, and his eyes were instantly red: "In my life, Yue Feng, I never knew what it means to accept my fate. If you want to kill me, just come, come…" In the

last sentence, Yue Feng almost roared. come out.

The words fell, Yue Feng raised his hand and waved, a golden light flashed on the palm of his hand, and a golden pagoda appeared!

Exquisite pagoda!

Huhuhu…

Then, under the call of Yue Feng, hundreds of strong people, You Yan, Yuan Tiangang, Pang Tong, and the Red-Eyed Bear King, roared out one after another!

“Roar!”

Chapter 2319

At the same time, Yue Feng flipped his wrist, and a white flame jumped in the air, and finally transformed into the shape of a lotus! In an instant, the surrounding temperature rose rapidly, and the entire hillside was illuminated in white.

It is Bailian Lenghuo!

Yes, Yue Feng decided to give it a shot. Today, Zhang Jiao plotted against him. He was supposed to be about to break through, but now he is in the danger of going crazy. If he doesn’t show all his cards, he will have no chance.

“Bai Lian Leng Huo?”

Feeling the scorching temperature, Zhang Jiao’s face changed greatly. Bai Lian Leng Huo was the number one fire in the world, burning everything, nothing could resist.

In panic, Zhang Jiao moved his figure and quickly dodged to the side, narrowly avoiding the burning of the white lotus cold fire, but at this moment, You Yan and many other powerhouses also flocked to surround Zhang Jiao.

call!

Seeing this scene, Yue Feng breathed a sigh of relief, but he supported the tree next to him. Zhang Jiao was showing that he was holding on, there was no danger, but the aura in his body was disordered and became stronger and stronger.

Zhang Jiao was besieged by Youyan’s crowd, and it was difficult to escape for a while, his face was extremely ugly, and he was in a hurry.

At this time, Zhang Jiao only had the ability to parry, and he had no power to fight back. You must know that You Yan and Yuan Tiangang, together, there are hundreds of strong people. They fought against Yang Jian together in Zhongzhou City, but Yang Jian was also helpless. .

And Zhang Jiao’s strength is much inferior to Yang Jian, and naturally he is not an opponent.

“

Gonggong!” Zhang Jiao was in a hurry, and seeing Gonggong standing there, thoughtfully, he couldn’t help shouting: “Today is a once-in-a-lifetime opportunity, Yue Feng was hit by my tendons and broken bones. Dan, your inner strength has already begun to become disordered, you quickly kill him, if you hesitate any longer and miss this opportunity, it will be difficult to kill him in the future.”

I…

Hearing this, Gong Gong’s body trembled and bit his lip, very tangled.

Now that Yue Feng was injured, he could easily kill him, but he couldn’t do it himself while others were in danger.

Seeing Gonggong’s hesitation, Zhang Jiao was anxious and angry: “Gonggong, don’t hesitate, you forgot how your Majesty explained you before you left? Do you want to resist the decree? Betray your Majesty?”

“Quick, now Yue Feng’s These subordinates are all dealing with me, if you take action, they won’t have time to rescue them, hurry up.”

Zhang Jiao’s voice became hoarse in the last sentence.

Zhang Jiao was right. You Yan, Yuan Tiangang and others were all besieging him with all their strength, and Gonggong was right next to Yue Feng. As long as she made a move, Yue Feng would definitely die.

Nima!

Hearing Zhang Jiao’s cry, Yue Feng’s face changed greatly.

Zhang Jiao was too insidious, so he even let Gonggong take action. However, he let go of her last night, Gonggong was arrogant and should not take advantage of others’ danger.

Thinking to himself, Yue Feng looked at Gonggong. If she really made a move, You Yan and the others would definitely be dead in time to rescue them.

call!

Gonggong took a deep breath, his eyes were complicated, and facing Yue Feng’s gaze, he slowly walked over: “Yue Feng, I’m sorry!” The

voice fell, Gonggong raised his jade hand and slapped it.

The disorder in Yue Feng's body is getting more and more serious, and he can't dodge at all. He only hears a muffled groan. Yue Feng only feels that his eyes are dark, and his body falls down and rolls down the hillside.

Whoa!

The side of the mountain where Yue Feng fell is very steep. A few hundred meters below is a rushing river. Yue Feng was completely unconscious and fell directly into the river. He was washed away in the blink of an eye, and no one could be seen.

Yue Feng… I'm sorry… I'm sorry…

Gonggong bit his lip and watched Yue Feng fall into the river, his eyes were red and moist. She thought silently in her heart. Gonggong didn't mobilize the internal force with that palm just now, it was just for Zhang Jiao to see.

But seeing Yue Feng fall into the river, life and death unknown, Gonggong still feels extremely guilty.

Chapter 2320

Huhuhu…

At this moment, because Yue Feng's life was in crisis, under the special effect of Linglong Pagoda, Youyan and others who besieged Zhang Jiao disappeared in place and automatically returned to Linglong Pagoda .

At the same time, the cold white lotus fire burning in the surrounding air was also extinguished.

"Hahaha…"

Zhang Jiao was very proud and laughed loudly. Although he was very tired from being besieged just now, he was still indescribably excited to see Yue Feng being knocked down by Gonggong.

The next second, Zhang Jiao nodded at Gong Gong and said, "Your Majesty really did not see the wrong person, you played well, Gong Gong Lord, Yue Feng has been hit by my tendon and bone breaking pill, and there are already signs of going crazy. Now that you have slapped you again, you will fall into the river, and you will definitely die."

After speaking, Zhang Jiao was very relaxed, and continued: "When Yue Feng dies, His Majesty will definitely be delighted, let's go, we can return to our lives.

" !

Gonggong responded, but he was not happy at all. He moved his figure and followed Zhang Jiao towards the Northern Ying Continent. The moment he flew into the sky, Gonggong did not forget to glance at the river below.

Yue Feng, I didn't want to kill you. The palm of your hand just now has already done its best. Whether it is life or death depends on your own destiny.

…

on the other side, on the vast sea.

Nearly a thousand sailboats are slowly moving forward on the sea. The largest one in front, on the deck, stood there quietly, looking at the sea in the distance.

It was Yue Wuya, Han Bing, and the leader of the blood shark, Long Zang.

In the past few days, the Yue Wuya brothers and sisters, along with Longzang's blood shark, followed Duan Yu's whereabouts, and passed through the well-known sea areas such as Peach Blossom Island, Ice Fire Island, etc., and at this time, they were within the scope of the Guixu Sea Area.

The Guixu Sea Area is the deepest sea area, as well as the most mysterious and dangerous sea area.

call!

At this moment, Yue Wuya looked into the distance and couldn't help taking a deep breath. He saw that, in the sea dozens of miles away, there was an island vaguely. On the surrounding sea, there are several huge vortex jets.

These whirlpools are hundreds of meters wide, and the whirlpools rotate rapidly, swallowing everything in the surrounding sea.

"I haven't found Duan Yu for a few days. He really would have escaped to such a place?" At this time, Han Bing, who was beside him, couldn't help but said, looking at the vortex and rapids in front of him, he was also secretly startled.

Long Zang nodded: "Besides this place, he has no other place to go." In the past few days, they have searched all the sea areas, and there is no Duan Yu figure, only the return to the ruins sea area has not been found.

At this time, Long Zang frowned, and his face showed a bit of fear: "This is the Guixu Sea Area. It is said that there is an ancient secret under the seabed, but the environment is too harsh and complex, and the sea is full of such vortex rapids. If you are not careful, you will be involved, and no matter how powerful the existence is, you will not be able to escape."

“It is rumored that there is a “Map of the Return to the Ruins”, according to the instructions on the map, you can enter the depths of the Guixu sea area and find the An ancient secret, it’s a pity that this picture is only heard from rumors, but no one has ever seen it.”

Returning to the ruins to survey the sea map?

Hearing this, Yue Wuya’s eyes flashed, what he got from Tang Qingyun before was not the map of returning to the ruins?

I thought to myself, Yue Wuya and Han Bing looked at each other, and they were about to take them out. After a few days of understanding, I knew that Long Zang was a person who stood up to the sky, so at this time, there was no need to hide it.

Clap la la…

However, at this moment, I heard the sound of sea water coming from the sea not far away. The sound of the sea water was very strange.

“Look, someone!” Suddenly, someone shouted, and all the pirates, as well as Long Zang and the others, looked over.

Swish!

The ultimate husband in Chinese chapter 2321-2330

Chapter 2321 Just

one glance, Yue Wuya clenched his fists instantly, excited and angry.

I saw a figure standing on the back of a giant fool, holding the raised fins tightly with both hands, chasing after something. That man was wearing a monk's robe, but his expression was arrogant. It was Duan Yu.

The thing he was chasing was swimming very fast in the sea water. At first glance, it looked like a fish, but when everyone saw it clearly, all of them opened their mouths and were shocked.

is a girl.

The girl looked sixteen or seventeen years old, with long dark blue hair, a compact and graceful figure, and very special clothes. It was sewn with special pieces of fish scales. From a distance, it really looked like a fish.

"Sea merman?" Long Zang stared blankly at the girl in the water, extremely shocked, and muttered to himself: "I didn't expect that the rumors in the return to the ruins sea area were true, and there really was a sea merman."

call!

The people around were also dumbfounded, unable to speak.

"Big Brother Long!" At this moment, Han Bing reacted and couldn't help asking: "What is a sea merman?"

Long Zang took a deep breath and said slowly: "The sea merman is the guardian of the ancient sea of Guixu. A secret tribe, it is said that thousands of years ago, the tribe moved into the Guixu sea area. Because they live in the sea all the year round, their customs and habits are very different from those of us. Have you seen her clothes? Fish scales It is made, because it looks like a fish from a distance, so it is called a sea shark."

When he said this, Longzang was very excited.

Since becoming a pirate, Long Zang has always heard about the secrets of the Guixu sea area and the legend of the sea merman, but he has never seen it. Today, when he came to the edge of the Guixu sea area, he met a sea merman. .

Made!

At this time, Duan Yu, who was standing on the back of the giant shark, saw Long Zang and Yue Wuya, his expression changed, and he was full of resentment. It's disgusting that these people are chasing after themselves.

The giant shark under Duan Yu's feet was caught in a deep sea a day ago. Duan Yu's water is not good, but with the power of the opening axe, he still said that this giant shark was tamed and became his own sea tool.

This chapter is provided by . Visit for daily update.

"Haha…"

At this moment, Duan Yu gave up the pursuit of the sea shark girl, and laughed loudly at Long Zang and the others: "A bunch of useless pirates actually chased here beyond their ability, sooner or later one day. , I will throw all of you into the sea to feed the fish." His

expression was arrogant and arrogant.

Swish.

Long Zang's fiery temper was instantly enraged. He clenched his blue long knife and said to Yue Wuya, "Little brother, just go with that sea shark girl. I'll deal with this stinky monk.

" Zang burst out, jumped into the sky, and came directly to Duan Yu.

"Brother Longzang, be careful." Yue Wuya shouted, jumped directly into the water, and rescued the sea shark girl.

The girl was very frightened, but when she sensed that Yue Wuya was not hostile, she relaxed her vigilance, but when she got to the deck, her body was still trembling, and she looked very cautious.

"What's your name? Why are you being hunted down by that person?" Yue Wuya asked softly in a gentle tone.

Swish.

At this moment, everyone around them gathered on the girl, and they were all extremely curious and deeply attracted at the same time.

Beautiful, so beautiful.

The facial features are exquisite, and the body is compact and charming, especially the clothes sewn with fish scales, which fit tightly and perfectly set off her figure. Fa, it is simply a fairy descending to earth, a princess in the sea.

Being watched by so many people, most of them were pirates, the girl felt uncomfortable.

After a few seconds, the girl calmed down and said gratefully to Yue Wuya: “Thank you, my name is Hai Ling’er, the princess of the sea shark clan, I came out to play today, and when the bad guy saw it, he kept chasing me. .”

Chapter 2322

Hiss!

Hearing this, there was exclamation all around.

She is really a princess, no wonder she is so beautiful.

Yue Wuya was also deeply attracted by Hai Ling’er. He couldn’t help but glance at it a few more times before smiling: “Don’t be afraid, with us here, you are safe.” After

speaking, Yue Wuya looked not far away . .

At this time, Long Zang and Duan Yu had already started a fierce fight.

Bang bang bang…

A burst of internal force vibrations kept coming, Long Zang’s face was full of anger. He had suffered a disastrous defeat under Duan Yu before, which was regarded as a great shame. This time, he must regain his face.

Long Zang claims to be the king of the sea, fighting fiercely at sea, and he thinks that no one in the world is invincible, even if Duan Yu has an axe, he can suppress him.

But Duan Yu, relying on the giant shark under his feet, did not panic at all. Instead of being suppressed by Long Zang, he gradually occupied the upper peak.

During the fierce battle, the two unknowingly approached the huge vortex rapids not far away.

“Big Brother Long!”

Seeing this scene, Yue Wuya was a little worried, and he couldn’t help but say, “Be careful, don’t fight anymore, come back quickly.” He saved the princess of the sea shark clan, so you don’t have to worry about this dangerous sea area .

After all, the sea sharks have been guarding here for thousands of years, and with Hai Ling'er's help, they will definitely be able to successfully capture Duan Yu. In this case, there is no need for Long Zang to stalk Duan Yu.

However, Long Zang was angry, as if he hadn't heard Yue Wuya's words.

Seeing that, Long Zang and Duan Yu were getting closer and closer to the whirlpool rapids.

Under the huge suction and pulling force of the vortex rapids, Duan Yu was able to maintain flexibility by relying on the giant shark, but Long Zang was in danger.

Bang!

Finally, Duanyou found the opportunity and slashed with the opening axe. Long Zang didn't dare to meet him, so he could only try to dodge. Son.

"Big Brother Longzang!"

"Leader!"

Seeing this scene, Yue Wuya, Han Bing and everyone were shocked and couldn't help exclaiming.

Many pirates have tears in their eyes and are very sad.

"The leader is… dead?"

Yue Wuya and Han Bing were also heartbroken. They never thought that Long Zang, who was traversing the sea, would be defeated by Duan Yu like this, and he was also involved in a huge vortex. middle.

Hahaha…

Duan Yu stood on the back of the giant shark, and laughed loudly: "A defeated general who is out of his own hands, dares to shoot at me, this is the end."

After speaking, Duan Yu's eyes fell on Yue Wuya. , sneered: "Boy, I'm in a good mood today, so I'll let you go for a while, we'll have a future." The voice fell, Duan Yu's face was full of pride, and he rode the giant shark towards the distance.

Duan Yu is ruthless, and it is impossible to let Yue Wuya go easily. It was just a few days ago that the fierce battle has not fully recovered Duan Yu's internal strength. He fought against Long Zang just now, which has consumed a lot, and Yue Wuya has an overlord in his hands. The hammer should not be taken lightly, so Duan Yu decided to leave temporarily after weighing the pros and cons.

Click.

Yue Wuya clenched his fists tightly, looking at the direction Duan Yu was leaving, his eyes were blood red.

He wanted to catch up and kill Duan Yu on the spot, but the vortex rapids were too dangerous. Duan Yu was fine with the giant shark, but he couldn't.

"Brother Longzang."

The next second, Yue Wuya knelt down in the direction where Long Zang was engulfed by the vortex, and shouted with tears in his eyes: "Don't worry, I will definitely avenge you. If I don't kill Duan Yu, I swear not to be a human being.

" .

Many pirates around were also mourning.

At this moment, Xue Luo Siyan suddenly came out, knelt down in front of Yue Wuya in public, and said in unison: "My subordinate Xue Luo Siyan, I implore Young Master Yue to be our new leader!

" Yan Xin is arrogant and arrogant. If it was before, he would not recommend Yue Wuya, but Long Zang is dead, and a new leader must be elected. Although Yue Wuya is young, he has the Overlord Hammer and is powerful. More importantly, he It is the son of Yue Wuya, who is famous for moving Jiuzhou. It is most suitable for him to be the leader.

"See the leader!"

In an instant, nearly a thousand ships knelt down in an instant.

Chapter 2323

Long Zang and Yue Wuya are brothers, and they highly respect him. If he doesn't become a leader, who is qualified?

However!

But there was a person standing there proudly, not moving. Looking at Yue Wuya coldly, with a sneer on the corner of his mouth, he was very unconvinced.

This person's name is Ye Hong. He is Long Zang's right-hand man. He is powerful. It can be said that among the blood sharks, his status is higher than that of Blood Luo Siyan.

After Long Zang died, he should be the leader in terms of qualifications. Seeing that everyone recommended Yue Wuya, he was immediately dissatisfied. Ye Hong looked around and said

coldly: “This sea area is very dangerous, we should stay away, and then discuss the leader, but you are so easy to hand over the blood shark to an outsider!”

Zhu Yue Wuya: “Boy, how many days have you been in the blood shark? What ability do you have to be the leader?”

Wow!

As soon as these words came out, everyone looked at each other and talked a lot!

Yue Wuya looked at him indifferently: “I don’t think I am qualified either. According to you, what will everyone do next?”

Yes, Yue Wuya didn’t want to be the leader of the blood shark, after all, this is a pirate.

“In my opinion, leave here first, give up the pursuit of that monk, and then elect a new leader.” Ye Hong said coldly.

Yue Wuya frowned: “You don’t want to take revenge for Long Zang?” “You have to take revenge

, but you must save your strength first. The dragon leader was buried in the sea because he was too conceited.” Ye Hong responded, but his eyes Flickering complex.

Yes, Ye Hong didn’t think about taking revenge on Long Zang, but only thinking about how to deceive everyone’s trust so that he could take the position of leader.

Ha ha!

Yue Wuya saw Ye Hong’s expression in his eyes, and sneered: “What is the preservation of strength, you are just a simple person, let me tell you, I am not interested in your leader position, but now, I sit It ‘s settled!” “Okay, very good…” Ye Hong’s eyes locked on Yue Wuya

, his face full of disdain: “I want to see, what skills do you have other than the Overlord Hammer?”

With gloomy eyes, Hong rushed over and suddenly slapped Yue Wuya!

At the same time, he said coldly, “If you don’t need the Overlord’s Hammer and can catch my palm, I will recognize you as the leader!”

Seeing this scene, everyone was stunned!

No one expected that Ye Hong would suddenly take action!

You must know that Ye Hong's strength is second only to Longzang, the realm of the fifth-stage Martial Emperor, and Yue Wuya is still young. Although his strength is also strong, the biggest reliance is the Overlord's Hammer. Without the Overlord's Hammer, and Ye Hong In the competition, the winning rate is greatly reduced.

"Brother, be careful!"

Seeing this scene, Han Bing couldn't help but let out a low cry, and Hai Ling'er beside her was also sweating for Yue Wuya.

"Okay!"

Seeing Ye Hong burst out, Yue Wuya was not afraid at all, he was so angry in his dantian, he raised his hand and gave him a head-to-head slap!

"Touch!" The

palms of the two were facing each other, Ye Hong only felt a strong force coming, and staggered back a few steps! There was blood oozing from the corner of his mouth.

Obviously, this palm, Yue Wuya has the upper hand. Although young, Yue Wuya used to be the prince of Apocalypse Continent, and took a lot of heaven and earth treasures, and then followed Yang Jian to conquer the Quartet. He has rich experience in facing the enemy and is no weaker than Ye Hong.

This…

Ye Hong only felt chest tightness and shortness of breath, qi and blood in his body were churning, and he glared at Yue Wuya. He never thought that the other party didn't use the Overlord Hammer, and he was not an opponent.

At this moment, Yue Wuya's face was cold, he quickly walked over to charge, slapped Ye Hong's face with a slap!

"Crack!"

With this slap, Yue Wuya used all his strength! I saw Ye Hong's body, flying more than a hundred meters away, fell on the bow of a boat, and spit out several mouthfuls of blood.

Yue Wuya was very angry, Long Zang was very good to Ye Hong, but when Long Zang died, Ye Hong was not in a hurry to take revenge, but thought about how to take the position of the leader. It would be a pity to kill such an unfaithful person.

call!

Seeing this scene, everyone around was slightly moved!

I really did not see the wrong person, this Yue Wuya really has the demeanor of being a leader.

Chapter 2324

Click!

Yue Wuya's expression was cold, he summoned the Overlord Hammer and shook hands tightly, and walked towards Ye Hong step by step: "So unfaithful and unrighteous, you should go down and accompany Big Brother Longzang."

Gudong!

Ye Hong was full of cold sweat, feeling the killing intent on Yue Wuya, and instantly lost his previous arrogance. He quickly knelt down and said in fear: "Leader, forgive me, I was so offended just now, please give me a chance…"

At this time, Ye Hong wanted to cry without tears. I thought I could take this opportunity to take the position of the leader, but I didn't expect that I almost took my life in it.

Yue Wuya breathed a sigh of relief and said lightly: "Okay, I'll give you a chance, I hope you can take this as a warning. Next time, I won't forgive me lightly." To

be honest, Yue Wuya really wanted to immediately Killed Ye Hong, but he just sat on the leader of the blood shark, but now he is in the return to the ruins waters, the surrounding crisis is everywhere, it is the time of employing people, killing him is not a wise choice, let him make up for it.

Huh..

Hearing this, Ye Hong wiped the cold sweat off his forehead, and said with gratitude, "Thank you for not killing the leader." The

voice fell, Ye Hong stood up, and respectfully stepped aside, no more Nonsense.

Yue Wuya looked around and instructed: "Everyone take a break, and then prepare to enter the depths of the Returning Ruins Sea." Yue Wuya firmly believed that Long Zang

was involved in the vortex and rapids, and it was very likely that he would not die, so he decided to Enter the depths of the Returning Market Sea to explore.

“Yes, chief.” Xue Luo Siyan and Zhong Pirates responded in unison!

“Benefactor!”

At this moment, Hai Ling’er came over, looked at Yue Wuya and said softly: “Are you going to enter the depths of the Returning Market Sea? I am familiar with the environment here and can show you the way.”

His tone was soft and with unparalleled sincerity.

Great!

Yue Wuya was overjoyed and couldn’t help holding Hai Ling’er’s hand: “Then thank you very much.”

Being held by Yue Wuya, Hai Ling’er’s beautiful face turned red all of a sudden, she wanted to struggle, but she couldn’t. Excuse me.

Realizing that he was a little abrupt, Yue Wuya was very embarrassed and released his hand: “I’m sorry. I ordered someone to prepare a cabin for you, so you can rest well,”

Hai Linger responded and entered the cabin to rest.

At this moment, Yue Wuya looked at Hai Ling’er’s back, unable to calm down for a long time.

In Yue Wuya’s heart, in the world, mother, aunt Ren Yingying, and sister Han Bing are the most beautiful women, but she never thought that in this vast sea, she could meet such a fairy-like existence. .

puff.

Seeing this scene, Han Bing came over and couldn’t help laughing: “Brother, if you like this Hai Ling’er, just confess it quickly. When the family returns to the sea shark clan, it will be too late to regret it.”

Bing Bingxue is smart, It was obvious at a glance that Yue Wuya was deeply attracted by Hai Linger. As a younger sister, she naturally wanted to support her.

“I… how can I have it?” Yue Wuya’s face flushed and he hesitated. But thinking of Hai Ling’er’s beautiful figure, a throbbing rose in her heart.

Han Bing pursed his lips and smiled, and said nothing more.

……

Zhongyuan Continent, on a river bank dozens of miles away from Tianzhong City. A man was lying there all wet, unconscious.

It was Yue Feng.

Yue Feng was knocked off the hillside by Gonggong, fell into the river, drifted with the current, and was washed dozens of miles away.

Yue Feng did not know how long he had been in a coma, as if he had had a long dream.

call!

Finally, Yue Feng woke up, only to feel his brain bursting.

Chapter 2325

The moment he opened his eyes, Yue Feng saw the surrounding woods were dense and the river was rushing in front of him.

Nima's, this despicable and shameless Zhang Jiao is too ruthless.

Cursing inwardly, Yue Feng wanted to stand up, but found that his body was limp and had no strength at all.

What shocked Yue Feng even more was that his dantian disappeared without a trace, and there was nothing left. When he found this, Yue Feng's brain was like a thunderbolt, and when he was shocked, he was indescribably anxious.

It's over… After a few minutes, Yue Feng reacted and his heart sank.

When he was attacked by Zhang Jiao, he was already at the bottleneck period of breaking through, but at that time, he first inhaled the Bone-Breaking and Tendon-breaking Pill, and was hit hard by Zhang Jiao. As a result, he failed to break through and lost all his inner strength.

Do not! You can't be without inner strength.

He had taken so many elixir, treasures from heaven and earth, and a physique that was invulnerable to all poisons, and his inner strength would definitely come back.

Thinking to himself, Yue Feng quickly sat down and tried to practice.

A minute passed.

Two minutes passed.

Half an hour passed in a blink of an eye, and what made Yue Feng extremely disappointed was that there was no reaction at all in his dantian.

At this moment, Yue Feng's heart sank to the bottom.

Have you become a jerk from now on?

At this time, Yue Feng was extremely sad and angry, thinking about the situation in the Primal Chaos Mountains, Yue Feng took a rest, and then started to go on the road.

Brother Wen, the Great Sage, and Ren Yingying are already in the Chaos Mountains. They will rush over first, meet them and then make plans.

….

on the other side! Chaos Mountains.

The Chaos Mountains, located on the border of Kyushu, are a natural barrier to block the wild and strange realms. The original environment was relatively harsh, and today, the sky is even more gloomy and scary.

Over the Chaos Mountains, dark clouds are rolling, filled with volcanic ash, accompanied by thunder and lightning, as if the world is ending.

At the foot of the mountain, in the open space a few hundred meters away from Lingyin Temple, a lot of people gathered, it can be said to be a sea of people!

Visions continued to spread from the other side of the Chaos Mountains. The news spread, and forces from all continents sent people to come, dozens of sects, adding up to hundreds of thousands of people, the scene was extremely grand!

Looking from a distance, I saw many familiar figures, Tianmen, Ouyang family, Huaguoshan, and various sects in the Earth Circle Continent, Danzong, Wenzong, and Jianzong in Dongao Continent, led by Long Qianyu in Nanyun Continent. The Royal Imperial Forest Army, the Xi Cang Army, and the various sects of the Xi Cang Continent.

In addition, there are Famous Sword Villa in the Yellow Sea Continent, Yu Wenyan in Xiyan Pavilion, the sisters of Yuwen Ji, and the Dugu Family in Zhongyuan Continent, etc.

Of course, Moroye leads the monks of Lingyin Temple. , also in the crowd.

The crisis in the nine continents is approaching, and the forces of all parties dare not neglect, so many sects, gathered together, can be said to be an unprecedented union in the history of the nine continents!

On the hillside not far away, there was another hundreds of thousands of troops. The prestige was strong, and the leader was a man dressed in golden armor, arrogant and arrogant, and there was a big black dog by his side, it was Yang Jian.

After learning that Yue Feng was successfully assassinated, Yang Jian was overjoyed. After rewarding Gonggong and Zhang Jiao, he immediately led the army to the Chaos Mountains.

At this time, Yang Jian's handsome face was full of smiles.

Yue Feng is dead, and he has no worries. Next, he only needs to lead the crowd to defeat the Rakshasa clan, and he will be the well-deserved Supreme Lord of Kyushu, and be supported by the world.

Behind Yang Jian, Zhang Jiao, Gonggong, and many powerful generals stood there quietly.

At this time, Gonggong was wearing a long white dress, which set off a tight curve, and the beauty was indescribable. However, there was a trace of lingering melancholy between his brows.

Yes, after cooperating with Zhang Jiao to raid Yue Feng, Gonggong felt guilty all the time.

Although he didn't use his internal strength at that time, Yue Feng was beaten down the hillside by himself, and he died and died, and he couldn't get rid of himself.

The ultimate husband in Chinese chapter 2326-2330

Chapter 2326

"Everyone!" At this time, Yang Jian was suspended in mid-air, looking at the powerhouses of various continents, and said with a smile: "Everyone thinks about the safety of Kyushu, and can gather here to resist the coming Rakshasa clan, I, Yang Jian, are very happy. It is admiration, before the war comes, I hope everyone can unite as one and wait for the dispatch of my commander Zhang Jiao, only in this way can we be invincible!" The

voice fell, Zhang Jiao rose into the air, and looked down on the audience.

Yue Feng is dead, and there is no one else who is qualified to command the crowd, except Zhang Jiao.

hiss!

Feeling Yang Jian's breath, many people present gasped for air.

Unfathomable strength! Strong…too strong!

As expected of the true Monarch Erlang, who has been honored by the world for thousands of years.

However, under the shock, none of the powers of the major roads stood up to express it.

"Yang Jian!"

At this moment, Sun Dasheng came out, looked at Yang Jian and said, "It's too early for you to let everyone obey Zhang Jiao's command before Yue Feng arrives." The

voice fell, and many people nodded in agreement.

"Yeah, when it comes to the ability to arrange troops, Yue Feng is not inferior to Zhang Jiao!"

"Yes, Yue Feng hasn't arrived yet, so don't be in a hurry."

Everyone present, except Beiying Continent, everyone agreed with Yue Feng. With a deep friendship, it is natural to hope that Yue Feng can command everyone, not Zhang Jiao.

More importantly, although Zhang Jiao is resourceful, he is too cruel.

This chapter is provided by . Visit for daily update.

Hearing everyone's discussion, Yang Jian frowned secretly. This Yue Feng was already dead, but he never expected that his influence on various continents would be so far-reaching.

Zhang Jiao's face is extremely ugly, these people are ignoring him?

Hahaha…

Finally, Yang Jian reacted and couldn't help laughing: "You want to follow Yue Feng's command, yes, but have you ever thought about it, the Chaos Mountains in front of you, the situation is critical, there is no time to delay, if the Rakshasa clan fights Come here, Yue Feng hasn't appeared yet, so you have to wait?"

Yang Jian naturally wouldn't say about the secretly sending someone to assassinate Yue Feng, anyway, Yue Feng is dead, and there is no proof of death, the most important thing now is to win people's hearts .

call!

Hearing this, Sun Dasheng, Wen Chou Chou, and even everyone fell silent, and at the same time, everyone was extremely surprised.

Yes, what's up with Yue Feng?

Why hasn't it come yet?

At this moment, Dugu Hongyu thought of something and looked at Gonggong: "Your Excellency Gong, weren't you and Yue Feng together at that time? Why are you here and Yue Feng is not here?"

Shuh!

The voice fell, Wen Chou Chou, Sun Dasheng, and even the eyes of many strong people all converged on Gong Gong.

what happened? Yue Feng was with Gonggong? How do you not know.

Suddenly being noticed by everyone, Gong Gong's delicate body trembled, and he couldn't help but feel a little flustered.

At the same time, Yang Jian and Zhang Jiao's eyes were also flickering, secretly anxious, broken, if Gonggong's answer was a little careless, Yue Feng's assassination would be exposed.

"I…"

Finally, Gong Gong reacted and said slowly: "I came to the Chaos Mountains at that time, and Yue Feng, who I met on the way, learned that he was going to convince the Dugu family, so he stopped by."

Saying that, Gonggong looked around and continued: "After leaving Tianzhong City, where the Dugu family is located, Yue Feng said that he had other things to do, so we separated."

At this time, Gonggong was deeply complicated . Incomparably, she doesn't want to lie, but she also knows that if she tells the truth, Yang Jian will not only not let herself go, but will also turn against the road.

Hearing this, Wen Chou Chou and everyone had no doubts. Just more suspicious.

Does Yue Feng have other things to do? What is more important than the Chaos Mountains?

“Look over there, someone is coming!”

However, at this time, someone shouted, and all eyes were on the mountain road in the distance, and they saw a tired and weak figure. , is coming step by step.

It was Yue Feng.

At this time, Yue Feng was full of wind and dust, his face was pale, very weak, and his legs were limping.

Chapter 2327

Not bad, Yue Feng had no inner strength, and he came over from Zhongyuan Continent after hardships.

“Yue Feng…”

At this moment, Wen Chou Chou, Sun Dasheng, Ren Yingying, and even the people around were overjoyed and greeted them one after another.

Especially Ren Yingying and Xiao Yuruo were so excited that they fell into Yue Feng’s arms.

What?

Seeing this scene, Yang Jian shuddered, his brain buzzed, and he was furious.

This… Yue Feng is not dead?

Zhang Jiao also widened his eyes, his face full of incredulity. How can it be? This kid was hit by his own tendon and bone-breaking pill, and was beaten down the hillside by Gonggong. It is impossible for him to be alive.

Gonggong’s body trembled, unable to tell whether he was happy or delighted, and stared at Yue Feng blankly, unable to speak for a long time.

“Yue Feng!” At this moment, Wen Chou Chou clearly felt that Yue Feng was extremely weak and had no inner strength. He was shocked: ” Fengzi

? What happened? What about your inner strength?”

He also looked at Yue Feng closely, shocked.

They also felt that Yue Feng's internal strength was gone, and now he is no doubt like ordinary people.

Especially Sun Dasheng, he suddenly pulled out his double axe and shouted: "Fengzi, have you been raided by someone, tell me quickly, brother will avenge you." The

voice fell, and many people around followed him.

"Yes, everyone is angry with you."

"Who made you look like this?"

Yue Feng did not respond, his eyes slowly swept across Yang Jian, Zhang Jiao, and Gong Gong.

To be honest, Yue Feng was full of grief and anger at this time, and when he saw Yang Jian, he was even more angry. Yang Jian, a hypocrite, pretended to resist the Rakshasa together, but secretly sent someone to assassinate him.

Now I have lost everything inside myself.

Yang Jian and Zhang Jiao also looked at Yue Feng closely, with gloomy eyes flashing in their eyes.

Especially Yang Jian, holding the three-pointed two-edged sword tightly, silently mobilizing his inner strength, with a gesture of making a shot at any time. Yang Jian thought about it, as long as Yue Feng identified himself, he would kill him without hesitation.

Anyway, if the plan is revealed, there is nothing to worry about.

call!

A few seconds later, under the indignant questioning of everyone, Yue Feng took a deep breath and said with a wry smile: "Don't get excited, I was about to break through before, but I failed, and it became like this."

When he said this, Yue Feng glanced at Yang Jian, and was filled with grief and indignation.

To be honest, Yue Feng really wanted to tell the truth, but he saw that there were constant visions on the Primal Chaos Mountain Range, and the Rakshasa tribe was likely to climb over the Primal Chaos Mountain Range and attack at any time.

If he tells the truth, Wen Chou Chou, Sun Dasheng and Dalu will definitely avenge himself and fight with Yang Jian. When the situation is chaotic, how can they stop the Rakshasa clan? How to protect the people of the Kyushu mainland?

Yue Feng's heart is in Kyushu. Compared with the safety of the people of Kyushu, it is nothing to be wronged.

It was so!

Hearing this, everyone nodded suddenly and looked at Yue Feng with sympathy in their eyes.

It is indeed very difficult to break through the realm of the Martial Emperor.

"Yue Feng, let me take you to have a good rest." Ren Yingying hugged Yue Feng's arm, and said very distressedly: "Your current state is too bad."

The camps of the major road forces are located in the woods not far away. Ren Yingying felt sorry for Yue Feng, and just wanted to take good care of him at this time.

At the same time, Xiao Yuruo and the little fairy Erqing also came over and supported Yue Feng, their faces full of worry.

Um!

Yue Feng nodded, he came all the way from Zhongyuan Continent, and he was really exhausted.

But before going to the camp to rest, Yue Feng did not forget to explain to Wen Chou Chou and others: "When I was resting, if the Rakshasa clan attacked, you must not mess up, you must unite and cooperate with each other."

"Don't worry! Wen Chou Chou smiled and comforted: "You have a good rest, we are still waiting for you to command."

Chapter 2328

Yue Feng nodded, and under the watchful eyes of everyone, he was supported by several Ren Yingying and went to the camp to rest.

call!

Seeing this, Yang Jian secretly let out a sigh of relief, and slowly loosened his clenched hands.

This boy Yue Feng is quite clever, and he didn't tell the truth in order to protect himself.

the other side.

After entering the camp, Yue Feng lay on the bed under the services of Ren Yingying. ” Yue

Feng!” Ren Yingying frowned slightly, and couldn’t help but ask softly, “You lied just now, it’s not because you failed to break through that you became like this, right?”

Among them, Ren Yingying is smart, wise, and thoughtful, and at a glance, it can be seen that what Yue Feng said is not the truth.

He has a physique that is invulnerable to all poisons, and he has taken so many treasures from heaven and earth. It is not difficult to break through the calamity realm.

There must be a secret in this.

Swish!

At this moment, Er Qing, Xiao Yuruo, and Zhou Qin all looked closely at Yue Feng, waiting for his answer.

Yue Feng took a deep breath and looked at Ren Yingying with a wry smile. As expected of my Yingying, she guessed it at once.

The next second, Yue Feng said slowly, “Yes, but I can’t tell you for the time being. I’ll tell you when I recover my skills.” Yang Jian’s strength is tyrannical. If he tells the truth, even if everyone unites, they are not opponents. So, let’s hold back for now.

Seeing that he didn’t say anything, Ren Yingying didn’t force it, she was with Zhou Qin and took care of her carefully.

After a while, Yue Feng fell asleep.

When he woke up again, he saw that it was already dark outside, and Ren Yingying was still standing by. Yue Feng was indescribably moved that he could have so many confidantes, it was worth it in this life.

Rumble.

At this moment, I heard a roar in the direction of the Chaos Mountain Range, and the movement was so great that the ground shook.

Yue Feng hurriedly sat up and was alert: “Did the Rakshasa clan call?”

Ren Yingying smiled lightly and comforted: “No, this is a vision, we have been here for a day, this kind of movement, see It ‘s been many times.” As the words

fell, Er Qing nodded and comforted Yue Feng at the same time.

“Yue Feng, you have a good rest.”

“Yes, there are people from various continents watching over the Chaos Mountains. There will be no problem.”

Hearing this, Yue Feng nodded, but he was still a little worried, he said with a smile : “Okay, leave me alone, and hurry up and defend with everyone. I’m almost resting now, you don’t have to take care of me all the time.”

This…

Ren Yingying and Er Qing were a little hesitant, but Seeing Yue Feng’s serious face, he nodded and walked out one after another.

Try again and see if you can restore your inner strength.

Just after Ren Yingying left, Yue Feng sat up cross-legged, closed his eyes, and tried to practice again.

The result was the same as before, Dantian didn’t move at all.

Now Yue Feng is in a hurry.

Shasha…

And at this moment, there was a sound of footsteps outside, very light.

Yue Feng frowned, looked over immediately, and saw a slender figure walking in slowly, with a tight and sexy body and a beautiful face.

Chapter 2329

is Yu Wenyan who had some grudges in the Yellow Sea Continent before.

“It’s you!” Seeing Yu Wenyan, Yue Feng showed a smile: “Are you here to visit me? It’s really touching.”

This Yu Wenyan is the leader of the Phantom Sound Sect in the Yellow Sea Continent, and the Lord of Xiyan Pavilion. , detached status, extremely cold, Yue Feng offended several times at that time, and even finally forced Yu Wenyan to admit that she was his wife in the sword casting pool of Mingjian Villa.

In Yue Feng’s heart, Yu Wenyan was arrogant and arrogant, and she must have hated herself very much, but she did not expect that she not only knew the righteousness, but

came to the Chaos Mountains to defend against the Rakshasa clan, and came to visit her at this time regardless of her previous suspicions.

“Don’t put gold on your face, who will come to see you? I’m here to see if you’re dead!” Yu Wenyan blushed and said angrily.

The voice fell, Yu Wenyan took a step forward, stretched out his hand without warning, and tapped Yue Feng’s acupuncture point!

Yue Feng had no inner strength, so he didn’t have time to dodge. He couldn’t move in an instant. He looked at her in surprise: “You…”

“You bastard, I didn’t expect to have a day in my hands, right?” Yuwen Yan said coldly: “Don’t think that I have forgotten what you did to me before!”

Yes, Yu Wenyan came here not to visit Yue Feng, but to teach Yue Feng a lesson. At that time, in the Yellow Sea Continent, Yu Wenyan was humiliated several times by Yue. Yu Wenyan regarded these things as a humiliation and would never forget them in his life.

It’s just that Yue Feng is too strong, and Yu Wenyan wants to take revenge, but he is powerless. Now, Yue Feng’s breakthrough has failed and he has become a waste. Yu Wenyan will naturally not miss such a good opportunity.

When it was dark, Yu Wenyan rushed over quietly, but at that time several of Ren Yingying were there. Just now, seeing several of Ren Yingying leaving, Yu Wenyan broke in directly.

What the hell!

Feeling Yu Wenyan’s anger, Yue Feng didn’t know whether to laugh or cry: “Yu Wenyan, at the sword-casting pool in Mingjian Villa at that time, the situation forced you to call me husband as a last resort. There is no need to hold grudges until now, right?”

“You still said ?” Yuwen stomped his feet arrogantly, and when he thought of the scene at that time, his face turned red.

In the next second, Yu Wenyan stopped talking nonsense, raised his hand with a palm, knocked Yue Feng unconscious, and then took Yue Feng away from the camp. Finally, a cave was found more than ten kilometers away from the Chaos Mountains.

I don’t know how long I was in a coma, but Yue Feng finally woke up.

Nima!

The moment he opened his eyes, Yue Feng found himself tied up by five flowers, and couldn't help but cursed in his heart.

Immediately seeing the environment in front of him, Yue Feng was stunned.

He saw that he was in a cave, the air was humid, and the sound of running water could be faintly heard in the depths of the cave. After looking around, Yue Feng's eyes fell on Yu Wenyan in front of him.

Yu Wenyan was sitting on a stone, lighting a bonfire in front of him, and under the reflection of the fire, he was indescribably sexy and charming.

Seeing Yue Feng staring at him tightly, Yu Wenyan smiled slightly, stood up from the sofa, and walked slowly to Yue Feng.

The slender waist and slender legs were so close together that Yue Feng couldn't help but twitch his Adam's apple.

"Yuwenyan, what are you doing?" Yue Feng couldn't help laughing and said, "Don't you like me and want to elope with me?"

Papapa!

As soon as he finished speaking, Yu Wenyan stretched out his jade hand and struck Yue Feng's face a few times as fast as lightning.

"The dog's legs can't spit out ivory. If you talk nonsense, I'll cut your tongue."

Sighing, Yue Feng sighed: "Yuwenyan, now the Rakshasa clan is about to cross the Chaos Mountains, the situation is critical, we are allies now, we should unite, but you arrest me, isn't it a bit inappropriate?"

Yu Wenyan chuckled, looked at Yue Feng and said, "Unity? You are now a waste, how can you resist the Rakshasa clan? Even if I kill you now, I guess not many people will be distressed, right?"

Yue Feng was very helpless , said with a wry smile: "Okay, but I guess, you arrest me not just to vent your anger, right?"

Yu Wenyan frowned and looked at Yue Feng: "You are smart!" After

saying that, Yu Wenyan picked up Linglong Pagoda, said slowly: "It is said that this pagoda is a rare treasure in the world. There are many ancient powerhouses trapped in it. If you tell me how to use it, I will spare you." When Linglong Pagoda was not in use, it was reduced to the smallest by Yue Feng. look, worn around the neck.

When Yue Feng was in a coma just now, Yu Wenyan took it down when he saw it, and after researching it for a while, he couldn't find the trick.

Chapter 2330

Nima!

Seeing the Linglong Pagoda, Yue Feng was shocked and furious.

However, his face was still very calm, he smiled and said: "Yu Wenyan, this is Linglong Pagoda, it's a small ornament I wear, the real Linglong Pagoda, it's in the camp, you take me back, I Bring it to you."

His face was indifferent, but Yue Feng was secretly anxious in his heart.

Since he lost his inner strength, his connection with Linglong Pagoda also disappeared, that is to say, now Yue Feng can't use Linglong Pagoda for the time being, and let out the powerhouses inside to help.

But after all, this is a treasure in the world, how could it be possible to give Yu Wenyan his beloved thing?

"Don't lie to me, is it Linglong Pagoda, so I won't recognize it? Are you going to tell me or not?" Yuwen was arrogant and looked at him coldly.

The atmosphere in the room also instantly became depressed and dull.

call!

Yue Feng took a deep breath, looked directly into Yu Wenyan's eyes, and said with a smile: "Oh, maybe I remembered it wrong, this is indeed the real Linglong Pagoda, it's just the spell that was turned on, why can't I remember it? No, you give me acupuncture points, let me have a good rest, maybe I can remember."

Whoa…

just after the voice fell, Yu Wenyan's face sank, he raised a water next to him, and splashed Yue Feng's face. The water is the spring water in the cave, cold to the bone.

Nima…

Yue Feng couldn't help but shivered and cursed inwardly. There was some fire, but the acupoints on his body were punctured, so he couldn't resist at all.

In the next second, Yue Feng showed a smile, endured his anger and said, “Yuwenyan, I really can’t remember, even if you want Linglong Tower, you have to have an attitude, isn’t it too inappropriate to treat me like this? already?”

Yu Wenyan sneered: “Don’t laugh at me, the secret of Linglong Tower, don’t you tell me, okay, I have a way for you to tell me.” After speaking

, Yu Wenyan took out a soft whip from his body and saw This soft whip was blood red. It was made from the skin of a blood python that Yu Wenyan killed a few years ago. It was extremely tough.

Nima, this woman is really cruel.

Seeing the soft whip in Yu Wenyan’s hand, Yue Feng’s expression changed: “Yu Wenyan, don’t go too far. Before I, didn’t I just force you to call me husband, so let me call you lady, let’s The two are cleared.”

“Shut up?”

Yuwen’s arrogant face flushed red, holding a soft whip in his hand, his eyes were full of shame and anger: “When death is imminent, you are still glib and open-mouthed, you have destroyed my life before. Plan, and humiliated me several times, how can I easily spare you.” The

voice fell, and the soft whip in his hand was thrown away!

Snapped!

Just a moment, Yue Feng’s shoulders suddenly burst into flesh, and the blood soaked his clothes in an instant!

Nima, are you serious? !

Really, without the pure yang internal force to protect the body, the muscles on half of Yue Feng’s body twitched due to severe pain, and his eyes were instantly bloodshot, but Yue Feng clenched his teeth tightly, but he didn’t cry out.

“Yu Wenyan, I was wrong. I shouldn’t have offended you before. Let’s balance our grievances and look directly at Linglong Tower. I can’t give it to you.” Yue Feng took a deep breath and said coldly.

Yu Wenyan laughed and looked at Yue Feng with great interest: “Yue Feng, you are really stubborn, it’s already this time, you still refuse to let go, your life is more important than Linglong Pagoda? Besides, you have a relationship with you now. Am I qualified to negotiate?”

After saying this, Yu Wenyan raised the whip in his hand again and threw it on Yue Feng.

Snapped! Snapped! Snapped!

I threw a dozen whips in a row, and every whip made a crisp sound! At first, Yue Feng was able to grit his teeth and endure it, but in the end he couldn’t bear it anymore, so he shouted loudly: “

Yuwenyan, you…” He wanted to scold him, but found that he was struggling to speak!

What the hell!

The ultimate husband in Chinese chapter 2331-2340

Chapter 2331

Yue Feng's face is sweaty, and the blood has soaked his clothes!

After hitting dozens of whips, Yu Wenyan finally stopped. With a smile, he said, "Yue Feng, how is it? Are you going to tell me now?"

"You kill me!" At this moment, Yue Feng's breath was weak.

In Yue Feng's heart, Linglong Pagoda is naturally less important than her life, but she knows that once she speaks the opening spell of Linglong Pagoda, Yu Wenyan will not let her go.

On the contrary, Yu Wenyan wouldn't do anything to himself if he didn't say how to open it.

"You…"

Yuwen was arrogant and stomped his feet: "Okay, don't say yes, don't think I can't find the secret of Linglong Pagoda, since you're not so afraid of death, just stay here."

Yue Feng guessed right, Yu Wenyan didn't want to kill Yue Feng, after all, Yue Feng has a reputation in the Kyushu mainland, and if she kills her, she will become the target of public criticism.

When the words fell, Yu Wenyan walked over slowly, quickly unlocked Yue Feng's acupuncture point, and sneered: "You can fend for yourself here."

Yu Wenyan thought about it, Yue Feng can understand the secret of Linglong Pagoda, he himself Also can.

However, what Yu Wenyan didn't know was that when Yue Feng discovered the Linglong Pagoda, it was under the main hall of Fuyao Palace, and the Linglong Pagoda was dozens of meters high at that time, so it was easy to see the spell written on the top of the tower.

But now, the Linglong Pagoda is only the size of a finger, and the spell on it is almost invisible. In this case, even if Yu Wenyan studied for ten years, he could not find the spell on it.

"What are you doing?" Yue Feng was very surprised and said weakly.

Although the acupuncture point was untied, but he had just received dozens of whips, and almost all of Yue Feng's strength was exhausted. At this time, he was lying there, unable to move.

Yu Wenyan smiled slightly, didn't respond, but walked out of the cave.

This chapter is provided by . Visit for daily update.

Bang bang bang!

The next second, Yuwenyan raised his jade hand and slapped several palms in a row. With a roar, the gravel kept falling, and in an instant, the cave was sealed tightly.

"Yue Feng, goodbye, don't say I didn't give you a chance." Yu Wenyan sneered and left quickly, heading towards the camp.

Nima!

Yue Feng was so frightened that he finally understood that Yu Wenyan wanted to trap himself here.

At this moment, Yue Feng wanted to struggle, but when he moved, his whole body hurt so much.

At this time, Yue Feng wanted to cry but had no tears.

Nima, I didn't expect to be attacked by Zhang Jiao and Gonggong before, and survived the catastrophe, and now Yu Wenyan is trapped in this cave.

Rumble.

At this time, the direction of the Chaos Mountains, there was another vision vibration, although the cave was sealed, but the violent vibration of the world was still heard clearly by Yue Feng, shocking the soul.

Ugh.

Yue Feng sighed. At this time, he really wanted to go to the Chaos Mountains to see the situation, but he was overwhelmed and lacked in strength. In his heart, he suddenly remembered an ancient poem, and couldn't help muttering to himself: "Living in a lonely village. I don't feel sorry for myself, Shang Si is guarding the wheel platform for the country, I lie down at night listening to the wind and rain, and the iron horse glaciers come to my dreams…" I

wanted to contribute to the Kyushu mainland to defend against the coming Rakshasa clan, but I was helpless. The situation, and the mood of this poem, how consistent ah.

Thinking to himself, Yue Feng gave a wry smile, extremely sad.

“I just experienced a little setback, and I feel sorry for myself here. What else are we talking about to save Kyushu?” Suddenly, from the depths of the deep cave, an old and magnetic voice came, ethereal and illusory.

“Who is it?”

Yue Feng was shocked and couldn’t help shouting.

Chapter 2332

At this time, Yue Feng was both surprised and happy, and he never thought that there were others in this inaccessible deep mountain cave.

At the same time, Yue Feng still had some doubts and nervousness in his heart.

Since there is someone, why didn’t Yu Wenyan make a sound when Yu Wenyan was there? Also, who is the other party?

Thinking to himself, Yue Feng couldn’t help but speak again: “Who is the master inside, can you show up?”

Hehe…

A burst of laughter came, and then there was no sound.

Yue Feng shouted a few more words, but the other party still did not respond.

Now Yue Feng was a little anxious, and wanted to stand up immediately, but the pain was so severe that he had no choice but to continue lying there and slowly regain his strength.

I don’t know how long it took, Yue Feng felt a little better, and then stood up tremblingly and slowly walked towards the depths of the cave.

hiss!

When he got inside, Yue Feng couldn’t help sucking in the cold air, and he saw that deep in the cave, there was an even bigger karst cave. There were many passages for dinner parties in the karst cave, but in front of him, there was only an ancient stone stair road, which continued to extend inside, as if endless.

It turns out that there is no cave in it, but Yu Wenyan caught himself in before, but he didn’t investigate it well.

Yue Feng was so excited that he walked slowly along the stone steps!

The more you go inside, the dampness gradually disappears, but the air becomes more and more gloomy and cold, Yue Feng has no inner strength to resist, and his body is only shivering.

I don't know how long I walked, and finally came to a huge stone room.

Yue Feng saw that this stone room did not have four walls, but eight sides. The signs of the Nine Palaces and Eight Trigrams were engraved under the corners of the walls. The whole stone room had an ancient and desolate atmosphere.

In the center of the stone room, there is a stone platform, the stone platform is in the shape of a lotus flower, and there are dense ancient characters engraved around it.

On the top of the stone platform, an old man sat quietly.

The old man had snow-white hair and white hair, and was dressed in a black robe.

At this time, the old man quietly looked at Yue Feng who came in, showing a slight smile.

It was in the Nanyun Continent that Yue Feng released Linglong Pagoda to help Yue Feng defend against the Guiguzi of the Northern Ying army.

"Senior Guigu?"

Seeing Guiguzi, Yue Feng was both surprised and delighted, he quickly stepped forward and bowed deeply: "I thought it was an expert from He Fang just now, but I didn't expect that it was the senior talking to me, senior, more If the sun does n't see you, stay safe."

When he said this, Yue Feng's attitude was extremely respectful.

It can be said that, in the world, the only person who can make Yue Feng so servile, apart from his former master Nangong Jue and a picture of Ouyang Zhennan, is the Guiguzi in front of him.

Guiguzi smiled and said slowly: "Yes, old man, stay safe, but you are not as good as before."

Uh…

Hearing this, Yue Feng was very embarrassed, knowing that Guiguzi said that he had no internal strength. thing.

“Why is the senior here?” The next second, Yue Feng reacted and asked curiously, “Could it be that the senior is also here to help defend against the Rakshasa?”

At this time, Yue Feng was very excited. The Guigu senior is the most amazing person in the ages. If there is his help, even if the Rakshasa clan is powerful and has an army of millions, they will have nothing to fear.

Guiguzi shook his head, and his smile showed a bit of a genius doctor: “This old man originally planned to do this, but unfortunately, I am afraid that love can’t help.”

What?

Chapter 2333

Yue Feng was stunned, staring blankly at Guiguzi, very puzzled, that is, at this time, Yue Feng was surprised to find that Guiguzi was in good spirits, but his dantian inner strength was actually the same as his own… . Not at all.

“Senior.” After walking behind him, Yue Feng was extremely shocked and couldn’t help but ask: “You… your strength?”

Guiguzi smiled and said slowly: “Yue Feng, you are also a person who has learned the past and present. , Do you know that when a cultivator reaches the final state, it is called returning to the original and returning to the original?”

Returning to the original and returning to the original?

Hearing these four words, Yue Feng’s body was shocked, he couldn’t help taking a breath, and looked at Guiguzi: “Senior, you mean…you want to emerge…”

At this time, Yue Feng’s heart was extremely shocked. .

Because Yue Feng knew that after cultivators reached the Tribulation Transcendence Realm, there was still the Spirituality Realm, but it was very difficult to reach the Spirituality Realm. For thousands of years, very few people could reach the Spirituality Realm.

Take Yang Jian as an example, his strength is at most in the late stage of Transcending Tribulation Realm, and it is extremely difficult to break through to the Realm of Spirituality.

As Guiguzi said, returning to the original and returning to the real is the Ascension Realm after the Spirituality Realm. As the name suggests, the Ascension Realm is the Ascension of Soldiers.

According to rumors, after reaching the Ascension Realm, the strength of the soldiers will be resolved, that is to say, the strength of one body will be attributed to the heaven and the earth, while the cultivator will stay in the flesh, and the consciousness will soar to the ethereal fairyland.

Just these, Yue Feng has always regarded it as a legend. After all, there is no one in the world who can reach the state of enlightenment, even if there is no one in the past, but never expected that Guiguzi actually broke through the state of enlightenment and reached the state of ascension.

And, now it seems to be feathering and soaring.

Thinking of this, Yue Feng vaguely understood something. It seemed that Guiguzi was originally here to support the Chaos Mountains, but when he arrived here, there were signs of a breakthrough in his cultivation realm.

Therefore, Guiguzi came to this cave left by the ancients, preparing to ascend, but by coincidence, he was caught here by Yu Wenyan.

You must know that feathering ascension is the last step of a cultivator, and there can be no mistakes.

It's no wonder that when Yu Wenyan was there before, Guiguzi kept silent, just because he was worried about being disturbed by Yu Wenyan.

"I'm about to leave." At this moment, Guiguzi looked at Yue Feng quietly, and said slowly: "In the beginning, you released me from the Linglong Tower, and now, when I was flying up, I met again, which is a great deal. "

On the eight walls of this stone room, I have left my own practice method 'Eight Desolate Vertical and Horizontal Heart Sutra'. After you practice, you can restore your skills."

"I hope that after you regain your strength, you will be able to help Kyushu. The mainland will benefit…"

Guiguzi's voice became softer and softer, and when the last sentence fell, he slowly closed his eyes.

hum!

Immediately afterwards, an incomparably full and powerful force collapsed from Guiguzi's body, filled every corner of the entire stone room, and then dispersed into the air.

“Senior!” Seeing this scene, Yue Feng’s eyes filled with tears, and he knelt down suddenly, sobbing.

Yue Feng clearly felt that Guiguzi had lost his breath, but he sat there cross-legged with a peaceful face, as if he had fallen asleep. Speaking of which, Guiguzi’s ascension is a great thing, but when he thinks that he will never hear his voice again from now on, Yue Feng can’t tell the sadness and reluctance in his heart.

Bang bang bang.

After a few minutes, Yue Feng reacted and respectfully gave Guiguzi a few bangs, and said seriously: “Senior Guigu, don’t worry, after my Yue Feng regains strength, I will definitely benefit the people of the world and will not let you down. expectations of the elderly.”

When the words fell, Yue Feng slowly stood up and looked towards the surrounding eight sides of the stone wall. He saw that the words were engraved with internal force. It was Guiguzi’s lifelong study of the ‘Eight Wilderness Vertical and Horizontal Heart Sutra’.

call!

At this moment, Yue Feng was both happy and moved.

It turned out that the senior Guigu attracted him at first, but didn’t respond after that, because he was writing his exercises on the stone wall so that he could practice it for himself.

Such a great grace, I will never forget it in this lifetime.

With emotion, Yue Feng did not hesitate, sitting there cross-legged, corresponding to the mental method on the stone wall, and began to practice.

Chapter 2334 The

other side.

Chaos Mountain Range, at the foot of the mountain on the other side, the Rakshasa camp.

Da Shizi’s tent.

Su Qingyan, Xu Qingyi was sitting there, drinking hot water. There was no tea in the wild and strange realm, so it was very good to be able to drink clean white hot water.

In this tent, it is covered with animal skins, with poems and songs written on it, as well as various knowledge of human geography of the Kyushu continent.

In front of them, Meng Lang sat there, without all the arrogance of the eldest prince, but with a humble expression on his face. “Two teachers.” At this time, Meng Lang said

with a smile: “According to you, the people of the Kyushu mainland are not savage and rude, but are striving for peace with extremely high literacy?”

After thinking for a while: “If our Rakshasa clan rashly attacked with a large army, we would be out of nowhere and would be the sinner who caused the war.”

Su Qingyan and Xu Qingyi looked at each other.

In the next second, Xu Qingyi smiled lightly, nodded and said: “The eldest son has a quick mind, it is really gratifying to be able to think of this, you are right, the people of the Kyushu continent are all in peace, as long as you Rakshasa clan Treat each other with sincerity, no one will treat you as an enemy.”

Su Qingyan next to her nodded in agreement.

In the past few days, after the careful teaching of the two women, Meng Lang has learned a lot about the situation of the Kyushu Continent, and what makes them happy is that this eldest son is quick-witted, well-versed in righteousness, and is a rare sage.

“I see!”

After being praised, Meng Lang smiled slightly and stood up and said, “Because my father has not ordered an attack, I have to hurry up and advise.” The

voice fell, and Meng Lang walked out quickly to the place where King Rakshasa was. ‘s big account.

In the big tent, King Rakshasa is summoning his generals to discuss the upcoming war, because more than a dozen giants have absorbed enough strength to complete the final deployment.

“Father.” Meng Lang walked in quickly and said respectfully: “I think it is too reckless for us to rashly lead the army to cross the Chaos Mountains and attack the Kyushu Continent. In my opinion, it is better to send an envoy first, with The sincerity of peace, inquire about the attitude of the Kyushu Continent.” After speaking

, Meng Lang looked around and said seriously: “If the Kyushu Continent can’t accommodate our Rakshasa clan, then fight, if you want to coexist peacefully, it’s the best, and this is also the case. It can avoid unnecessary wars.”

Wow!

In an instant, the surrounding generals were discussing a lot.

King Rosa had a cold face and scolded angrily: “Menglang, what nonsense are you talking about? Thousands of years ago, our Rakshasa tribe was exiled to the wild and strange territory by the Yellow Emperor. At that time, the various ethnic groups in Kyushu attacked in groups. How could they be together? Let’s coexist peacefully? You are my heir, shouldering the future of the Rakshasa clan, and you must have the firm determination to wipe out the Kyushu, how can you be timid before a battle?”

Meng Lang was shocked, and quickly said: “Father, I am not a war. First, I just feel that we don’t have to be so hostile to the Kyushu mainland. Now that we have the ability to climb over the Chaos Mountains, to the fertile and beautiful land of Kyushu, why not prosper and start a war?”

“Shut up.” Luo King Sha was immediately furious and scolded: “Don’t say it anymore, I think you were bewitched by those two Kyushu women.” After the

voice fell, Meng Ao stood up and couldn’t help saying: “Yeah, big brother, you Don’t listen to the words of the two Kyushu women, the ancestors have a lesson, and the people of Kyushu are hypocritical and cunning, so don’t be deceived.”

“I…”

Seeing my father and younger brother, they didn’t believe their own words. The waves were sweating profusely. I want to tell the difference, but I don’t know where to start.

“Report!”

At this moment, a soldier walked in and said respectfully to King Rakshasa: “Your Majesty, a dozen giants are ready to be deployed, and the army is assembled. Please show me your majesty.”

Good!

King Rakshasa was very excited, stood up Mengdi, and said loudly: “The whole army is going.”

“Yes!” After receiving the order, the soldier responded and turned around and went out.

“Father.” Meng Lang was shocked and wanted to stop it, but it was too late.

boom boom boom…

In chapter 2335,

I heard that a dozen giants, like hills, moved quickly towards the Chaos Mountains under the control of Rakshasa soldiers.

…..

the other side.

The Northern Ying Army, the Diyuan Continent, the Dongao Continent, and the Nanyun Continent, and other strongmen from various continents, were stationed at the foot of the mountain, and every half hour, they would send people up the mountain to check the situation.

On the top of the Chaos Mountains, there are not only volcanoes, but also hurricanes raging. Most people can't stand it, so they can only observe it on the edge.

Because of Yue Feng's relationship, the powerhouses of various continents still keep a distance from the Beiying army. From a distance, it is completely clear.

Because they never merged with the Northern Ying army, the continents gathered together and called themselves the Alliance Army.

At this time, in the alliance camp, Xiao Xi ran out in a panic and cried, "Come on, the son is gone, gone."

Just now, Xiao Xi was worried about Yue Feng, and went to visit and found the camp Empty, Yue Feng disappeared.

Xiao Xi has a deep sense of righteousness towards Yue Fengqing, and she is in a hurry.

Whoa!

Hearing the movement, everyone rushed over and panicked when they saw that there was no one in the camp.

"Quick, send someone immediately to search the surrounding area." Wen Chou Chou shouted anxiously. He understands Yue Feng, and if there is an urgent matter, he will definitely tell everyone, and he will not leave without saying goodbye.

Sun Dasheng was even more anxious, and directly summoned hundreds of Huaguoshan disciples to start a search in the vicinity.

Ugh!

However, at this time, no one in the crowd sighed and said, "Sect Master Yue failed to break through and suddenly lost his strength. Are you discouraged and walked away?"

The voice fell, and many people nodded silently.

Yes, Yue Feng was so powerful that he suddenly became a waste, and no one could accept it in his heart.

Some people said that this kind of thought, like the wind, blew through the entire alliance army camp. At first, all parties had expectations for Yue Feng, but now they all thought that Yue Feng would leave without saying goodbye, and everyone was suddenly disappointed.

“Don’t make random guesses!” Ren Yingying blushed, looked around and shouted: “Yue Feng is not the kind of person who escapes reality, he must have encountered something.” The

voice fell, and Wen Chou Chou also shouted . Said: “Yes, the most important thing now is to unite as one, everyone should not be cranky.”

Boom! boom! boom! ….

As he was talking, suddenly, he heard earth-shattering roars from the Chaos Mountains. In an instant, dark clouds rolled and the earth trembled.

The violent shaking made everyone almost unsteady.

Before everyone could think about it, they hurriedly looked towards the Chaos Mountains. As a result, when they saw it, everyone’s face was pale, and they couldn’t help taking a breath of cold air, and they were stunned!

This… this…

Many people’s mouths are wide open, and in the huge shock, their faces are also unbelievable.

I saw that the top of the Chaos Mountains was forcibly blasted into a huge gap, the volcanic magma overflowed, and in the thick smoke, a dozen huge figures, stepping on heavy steps, were slowly approaching .

Each of these huge figures is more than a hundred meters tall and covered with black hair. At first glance, it looks like a huge chimpanzee, with blood-red eyes, which is very terrifying.

It is the giant leader tamed by the Rakshasa.

And behind the dozen or so giants, the army that has been black all the time is coming!

That’s right, those huge monsters knocked out a gap in the Chaos Mountains, and the world shook.

This scene, all the people present are trembling, and they will never forget it, it is simply too shocking!

The ultimate husband in Chinese chapter 2336-2340

Chapter 2336

Through the dim light, I saw this army, wearing uniform black animal skin soft armor, each soldier is about two meters long, each holding a black long knife, the sound is shocking!

At the forefront of the army is a huge chariot made of animal bones. The chariot is mounted on the backs of four giant beasts. Teeth are very ferocious at first glance.

On the top of the chariot, standing proudly stood a tall and stalwart figure, dressed in black armor, with messy hair and a shawl, flamboyant and wild, it was the Rakshasa King.

Behind King Rakshasa, there are two sons, Meng Lang and Meng Ao.

Hiss..this

…is this a call from the Rakshasa clan? !

Seeing this scene, everyone was shocked! Sensing the momentum of the Rakshasa army, many people felt their hearts tremble and their legs became weak.

Because everyone felt that the strength of each soldier in this Rakshasa army was the lowest of the Martial Saint, and the Rakshasa King standing on the chariot was even more unfathomable.

So many people, I’m afraid… I’m afraid there are millions of troops. Looking from a distance, I saw a black patch, all people, and the long knife flashed with a cold light! Shocking!

Seeing this scene, many disciples of the sect in the Alliance Army trembled.

This… this Rakshasa really exists. Moreover, the figure is so tall and the strength is so strong, how to fight this battle.

For a time, many people were not afraid to fight, and they all had the idea of turning around and running away.

“Warriors!”

At this time, seeing the beautiful scenery on the other side of the Primal Chaos Mountains, compared with the wild and strange realm, it was like a fairyland, the Rakshasa King stood up and stood proudly on the chariot, raising his arms and shouting: “A few It’s been a thousand years, we want to take back everything we lost, kill and smash the enemy army!”

“Kill!” The voice fell, and the army of millions of Rakshasa erupted in a roar, waving the weapons in their hands, and rushing to kill.

This chapter is provided by . Visit for daily update.

These Rakshasa, brave and good at fighting, come and go like the wind, and in the blink of an eye, they are in front of everyone.

Ah…

Many people haven’t reacted yet. Under the impact of the Rakshasa army, one by one screamed and fell into a pool of blood. In the blink of an eye, tens of thousands of people were killed and injured.

“Made, kill, kill me.” Seeing this scene, Sun Dasheng’s eyes instantly turned red, and he almost roared, the giant axe in his hand flipped over, and he directly rushed into the Rakshasa army!

“Everyone, don’t panic, keep the formation to respond to the enemy, and don’t mess up. For the sake of the home, everyone will kill me!” Wen Chou Chou clenched his fists, seeing how brave the Rakshasa army was, he was immediately inspired to fight.

“Kill!” The people around, Ren Yingying, Long Qianyu, Zheng Chunqiu and others, all responded.

“Kill!”

Immediately, hundreds of thousands of allied troops poured into the enemy formation like a tide, and all of them were red-eyed!

Yang Jian, who was not far away, also had an ashen face, and raised his hand at Zhang Jiao.

Without any hesitation, Zhang Jiao jumped up into the sky and shouted: “The whole army obeys the order and strikes!”

Whoa!

The voice fell, and the army of hundreds of thousands of Northern Yingmen, with a great momentum, rushed forward.

On the battlefield, a howl kept ringing!

“Ah!”

People kept falling down, and this world was completely dyed red with blood!

boom boom boom…

In the fierce battle, more than a dozen giants were particularly eye-catching. Under the control of the Rakshasa soldiers, they were like huge life harvesters. When they lifted their feet, dozens of people were turned into flesh, and they waved their arms. Hundreds of soldiers were killed and wounded, almost invincible.

These dozen or so giants, arranged in a line, almost swept across the battlefield. Whether it was the Northern Ying army or the Allied army, they all suffered heavy casualties and were mourning.

“Withdraw… Let’s withdraw, quickly withdraw…”

Seeing this scene, I don’t know who shouted among the alliance army, and then, many people turned around and ran away, their faces full of fear!

Chapter 2337

No one is stupid, everyone has seen it, those huge giants are even more terrifying than the legendary wild beasts, ordinary soldiers can’t get close at all, this battle can’t be fought, and in the blink of an eye, the alliance The army suffered heavy casualties, and if it continued, wouldn’t it be destroyed by the whole situation?

Many people retreated, the alliance army was in chaos, more and more casualties, the ground was stained red with blood, and the disciples of the major sects fell into a pool of blood one by one!

Seeing this scene, many sects also retreated.

The Rakshasa tribe is so fierce, to fight head-on is to hit a stone with an egg.

“Let’s withdraw.”

At this moment, in the crowd, Yu Wenyan quickly summoned the Huanyin Sect and the disciples of Xiyan Pavilion, and at the same time said to Yuwenji: “Quick, quickly withdraw, hurry up.”

Yuwenji's tender body With a shudder, he hesitated: "All continents are still resisting, let's withdraw now, is it a bit…"

Seeing the strength of the Rakshasa clan, Yuwenji was also a little nervous, but in order to protect her homeland, she still wanted to persevere.

Yu Wenyan shook his head: "Silly sister, the defeat is set. Staying here is to die. Let's preserve our strength, and we can slowly deal with the Rakshasa clan in the future."

When he said this, Yu Wenyan looked confident.

Yes, Yu Wenyan stole the Linglong Pagoda from Yue Feng before. Yu Wenyan studied it for a day and couldn't find the secret, but Yu Wenyan firmly believed that he would find the secret and become the new owner of the Linglong Pagoda.

As long as there is Linglong Pagoda, there are countless ancient powerhouses inside, it is possible to block the Rakshasa army.

"Okay!" Seeing Yuwenyan's resolute expression, Yuwenji didn't say more, and led the disciples of Xiyan Pavilion, cooperated with the Huanyin Sect, and quickly retreated.

"you…"

Seeing this scene, Ren Yingying was anxious and angry, and she never thought that as soon as the war started, many forces were shocked by the Rakshasa clan and began to flee without a fight.

Wen Chou Chou was also anxious, and kept shouting to make everyone unite, but it had no effect at all.

However, although the remaining forces did not flee, their morale was low, and they were not as aggressive as they were at the beginning, but fought and retreated.

Not only the Alliance Army, but the Northern Ying army was also swept away by those giants, swept to pieces and collapsed.

"Everyone!"

At this moment, Zhang Jiao was suspended in the air and shouted anxiously: "Everyone now listen to my unified command. The alliance army is divided into two groups, one detours to the left, and the other is contained on the right. , keep the formation in the center, step back slowly, hurry up…" The

voice fell, and the Beiying army moved quickly.

On the Union side, Wen Chou Chou, Long Qianyu, Zheng Chunqiu, Ye Ziyi and the others looked at each other and quickly mobilized their subordinates to cooperate with Zhang Jue.

To be honest, if it was a day ago, they could not have obeyed Zhang Jiao's orders, but now, the Rakshasa army is attacking, and Yue Feng does not know where to go. If the melee continues, in less than half a day, the alliance army is The whole army was destroyed.

At that time, the Beiying army will be unable to support it alone, and it will be completely defeated, and finally the Kyushu mainland will fall into a dire situation.

Under such circumstances, Wen Chou Chou did not think much about it, and obeyed Zhang Jiao's arrangement regardless of previous suspicions.

Soon, under the command of Zhang Jiao, the Alliance Club and the Beiying army cooperated with each other to form a huge formation, echoing each other and temporarily containing the Rakshasa army.

But even so, the dozen or so gigantic giants still ran rampant.

The huge formation can block the Rakshasa army, but it can't stop the giant like a hill.

what!

Seeing the arms of several giants swept across, hundreds of people flew into the sky in an instant, and some of them were caught by the giants before they could react, and they were stuffed into the mouth of the blood basin.

The defensive formation was quickly broken into several openings.

hiss!

Seeing this scene, whether it was the Alliance Army or the Northern Ying Army, they couldn't help but take a deep breath.

This… what kind of beast is this? too terrifying.

Chapter 2338

The close cooperation between the Alliance Army and the Northern Ying army did not reverse the situation, and the casualties were still increasing!

After another two hours of fierce fighting, the casualties on the Kyushu Continent had reached 100,000. As for the Rakshasa army, the casualties were only 10,000.

The remaining hundreds of thousands, gritted their teeth one by one, desperately resisted the army of millions of Rakshasa!

In this situation, the defeat is almost certain. On the Kyushu Continent, everyone felt a little panic and despair in their hearts, but thinking that there was no chance to retreat, they gritted their teeth and resisted desperately.

Each of them knew it in their hearts.

If this battle is lost, the Kyushu Continent will be over, completely over!

At this moment, the Rakshasa army is behind.

Behind the chariot where King Rakshasa was standing, two slender figures stood quietly, guarded by dozens of Rakshasa soldiers.

It was Su Qingyan and Xu Qingyi.

Meng Lang worshipped two women as teachers. Although King Rakshasa was very unhappy, he did not try to stop him. In this case, although Su Qingyan and Xu Qingyi did not have a very high status in the Rakshasa clan, they were still around. The Rakshasa soldiers did not dare to neglect.

“What should I do?” Looking at the scene in front of her, Xu Qing’s body trembled.

She saw that the coalition forces in the Kyushu mainland fell into a pool of blood one by one, and they were all her own compatriots.

Su Qingyan also frowned, and she was too anxious, but she calmed down and said softly: “Since the war has broken out, we can’t stop it, the only way is to wait for the battle to end and continue to let the prince persuade Rakshasa. King.”

Alas!

Hearing this, Xu Qingyi sighed softly and stopped talking.

On this side of the battlefield, seeing the army retreating steadily, many soldiers fell in a pool of blood, Yang Jian’s face was extremely ugly.

“Master, do you know what kind of beast this is?” In a panic, Yang Jian stared at the dozen or so huge giants and asked Zhang Jiao.

Zhang Jiao frowned and said slowly, “It’s like an ape but not an ape. It is extremely powerful, and it can grow to such a huge body. This should be the giant recorded in ancient books.”

Giant?

Hearing this, Yang Jian's eyes flashed coldly, and he said coldly, "Look at me destroying them!"

Om!

The voice fell, Yang Jian slowly raised the three-pointed two-edged sword, a powerful breath swept out, and in an instant, the whole world was surging!

Erlang Zhenjun, domineering and unparalleled.

One place of anger, the world changes color!

Immediately afterwards, Yang Jian's body flashed, holding the three-pointed two-edged sword tightly, and flew up! At this moment, Yang Jian's internal force exploded, and the sky was about to shatter!

"Batian Slash!"

At this moment, Yang Jian locked onto the nearest giant, and when he was still 100 meters away, Yang Jian roared and raised his hand suddenly. A terrifying force erupted from the three-pointed, two-edged sword. , forming a terrifying blade shadow, and suddenly slammed into the giant!

This sword shadow is more than 100 meters long. It is entirely formed by Yang Jian's fighting spirit, and its power is amazing and terrifying.

Batian Slash is Yang Jian's unique skill. Back then in Beiying Imperial City, Yang Jian used this trick in order to capture Zhu Bajie.

In an instant, as soon as the sword shadow appeared, the temperature of the surrounding air seemed to drop by more than ten degrees, and the soldiers on both sides of the battlefield felt a chill.

Many Rakshasa soldiers stared closely at Yang Jian's figure, and their hearts were extremely shocked.

Chapter 2339

What a powerful breath, who is this?

Wen Chou Chou, Long Qianyu, Zheng Chunqiu and others were also shocked.

As expected of True Monarch Erlang, this strength is almost unmatched in the world. He finally made his move. It seems that there is still a turning point in this battle.

And the soldiers of the Northern Ying army were even more excited.

“Batian Slash! Your Majesty finally made a move!”

“Your Majesty’s action will definitely turn the tide of the battle…”

“Look at how Your Majesty kills these huge beasts…”

Under the horrified gazes of everyone, finally, that sword Shadow, falling from the sky.

“Boom!” The

shadow of the blade is like a meteor and lightning. Wherever it passes, a crack is drawn in the air. From a distance, the entire world is drawn, and finally slashes on the giant’s body! Suddenly, a roar shook the world, and this land was filled with dust!

The gigantic leader let out a dull wailing, his body more than 100 meters high, staggered back, and saw that from its left shoulder to right crotch, a terrifying blood was torn out, spraying like a rain of blood. , and finally fell to the ground.

Not only that, but the name of the sword glow is that behind the giant, a ravine nearly a thousand meters long and a hundred meters wide came out. Within the range of this gully, all the Rakshasa soldiers, All the bones were shattered and fell into a pool of blood! Dead without a corpse!

hiss!

Seeing this scene, everyone felt chills down their spines and buzzed in their heads!

In particular, the Rakshasa army stared blankly at Yang Jian, like a god descending from the earth, originally morale was like a rainbow, and the fighting spirit was high, but at this moment, it was suddenly drowned out a lot.

The Northern Ying Army and the Alliance Army cheered.

Wen Chou Chou, Long Qian Yu, and Ren Ying Ying looked up at Yang Jian in midair, all excited.

As expected of True Monarch Erlang, he killed a giant with just one move.

If they continue to take action, wouldn’t these behemoths, which have been a headache for everyone, will soon be eradicated?

Although Yang Jian is a hypocrite, he does one thing on the surface and one thing behind his back, but at a critical time, he is still worthy of respect.

Swish!

At this moment, at the rear of the Rakshasa army, King Rakshasa, who was observing the battle situation on the station bus, stood up suddenly, locked Yang Jian tightly, and said coldly, “Who is this, who can kill Jukui with one move?”

Luo The Sha clan has been trapped in the wild and strange realm for thousands of years, and they know very little about the situation of the Kyushu mainland, so the Rakshasa King has no idea who the person in front of him is, but he can feel that this person is one of the people who conquered the Kyushu by himself. Great rival.

Hearing the question, Meng Ao, who was beside him, and the other generals all looked at each other and remained silent.

King Rakshasa didn’t know him, and they didn’t know him even more.

“Father!”

At this moment, Meng Lang walked out quickly and respectfully said to the Rakshasa King: “This person should be Yang Jian, who is respected by the Kyushu Continent as Erlang Zhenjun, and is now the emperor of the Northern Ying Continent. With that said, Meng Lang

stared at Yang Jian, who was floating in the air, and continued: “It is said that this Yang Jian has practiced for thousands of years. His strength should not be underestimated. We should not underestimate the enemy.”

There, Qingyi learned a lot about the Kyushu Continent, and got to know a lot of famous people. Yang Jian was one of them. When he saw it at this time, Meng Lang recognized it at once.

Wearing golden armor, holding a three-pointed two-edged sword, and a big black dog beside him, that is Yang Jian! Can’t go wrong.

Chapter 2340 True Monarch

Erlang?

Hearing this, King Rakshasa turned gloomy and said coldly: “Bring me my weapon.” The

voice fell, and a few soldiers next to him brought a huge weapon, three meters long and white in color. Huge bone knife.

This bone knife was an ancient beast that King Rakshasa killed in the wild and strange realm a few years ago. It was a weapon made of its spine. The beast lived for

thousands of years, and the bone knife made of its spine , is extremely tough, comparable to a magic weapon.

hum! Rakshasa

King clenched the bone knife, his figure rose into the sky, and shouted at Yang Jian: “You are Yang Jian? Dare to kill my Jukui, and suffer death.”

The fog made its figure looming, making it very illusory. The cultivation methods of the Rakshasa tribe are fundamentally different from those of the Kyushu Continent.

Um?

Sensing the other party’s powerful aura, Yang Jian’s expression was solemn, holding the three-pointed two-edged sword tightly, and asked coldly: “You are…”

“Haha…” King Rakshasa sneered and looked at Yang Jian closely: “I It’s the Rakshasa King, if you die in my hands, you will die without any regrets!”

Haha…

Yang Jian laughed loudly, his expression extremely cold and arrogant: “Kill me? Who kills who is not necessarily.

” Die!” King Rakshasa stopped talking nonsense, roared wildly, clenched the bone knife, his figure was like a god of death from hell, and charged directly towards Yang Jian.

With such a fast speed, seeing King Rakshasa approaching him in the blink of an eye, Yang Jian became serious, and without thinking too much, he quickly clenched his three-pointed two-edged sword to resist!

clang!

The bone knife and the three-pointed two-edged knife collided, and there was a loud noise. I saw King Rakshasa and Yang Jian, each of which was knocked back 100 meters away.

“Not bad!” The Rakshasa King stabilized his figure, looked at Yang Jian and nodded his head in approval: “I heard that you are famous in the Kyushu Continent, and you have practiced for nearly a thousand years. You are indeed well-deserved, but you are not this king’s opponent.” The

voice fell, the Rakshasa King He rushed towards Yang Jian again, the whole body filled with suffocation, causing the whole sky to be turbulent.

Looking at the Rakshasa King who was rushing again, Yang Jian frowned and said coldly: “You are just like this, watch me take your head!” Just now in the fight with the Rakshasa King, Yang Jian clearly felt that the Rakshasa clan His cultivation is very special, but Yang Jian didn’t panic at all. As the world’s honorable title of Erlang Zhenjun, he didn’t blow it out.

The voice fell, Yang Jian clenched the three-pointed two-edged sword, and fought fiercely with King Rakshasa.

For a time, the two figures were in the high altitude of the battlefield, constantly shuttled back and forth, with thunderclouds rolling around, and the scene was indescribably shocking.

Huh..

This scene made everyone stunned. You must know that this kind of battle is rare in ancient and modern times, and many people are dumbfounded!

…

At this moment, in a deep mountain cave dozens of miles away from the Chaos Mountains.

Yue Feng sat cross-legged in the stone room, and as he practiced, the strength of his body continued to rise.

Military generals, Marquis, Martial Saint… I

have to say, Guiguzi’s Eight Wilderness Heart Sutras are broad, profound, and incomparably mysterious. After Yue Feng practiced, he couldn’t help but regain his internal strength, and his realm level also recovered at a very fast speed.

Yue Feng has been sitting cross-legged here for a day and a night, and has recovered from no inner strength to the current state of Martial Saint.

At this speed, by noon tomorrow, the strength will be fully restored to the fifth stage of the Martial Emperor, and at that time, he will be able to break through the Tribulation Transcendence Realm.

However, at this time, Yue Feng was unable to cultivate with one heart, because just now, Yue Feng clearly felt that there was a vibration in the direction of the Chaos Mountains, and as his strength became stronger and stronger, Yue Feng felt more lightly that the sky filled the sky. The sound of fighting everywhere.

The ultimate husband in Chinese chapter 2341-2350

Chapter 2341

No, we have to speed up.

Thinking about it, Yue Feng picked up his spirit and continued to practice cross-legged.

…..

the other side.

In the vast sea, returning to the ruins of the sea.

Under the guidance of Hai Ling'er, Yue Wuya led the blood shark pirates, steered thousands of sailboats, and successfully passed through the vortex and rapids area. After several hours of sailing, they finally arrived at the coral island.

Coral Island, located in the center of the Guixu sea area, is also the habitat where the sea sharks guard the secrets of the Guixu sea area for generations.

call!

When they arrived at the coral island, they were all stunned when they saw the scene in front of them, whether it was Yue Wuya, Bingbing, and many blood shark pirates, all of them were amazed and sighed at the magic of the Creator.

I can see that the coral island in front of me is very large, but there is no land. The whole island is a piece of coral group, which is connected. Some of these coral groups are tens of meters high, and some are half a meter high, almost half a meter high. There are all kinds of corals, under the sun, colorful and radiant.

The dwellings of the sea sharks are built on these coral groups with huge shells. From a distance, one after another, it is like a fairy tale world.

"It's so beautiful here." Han Bing was stunned, and couldn't help but exclaimed in admiration.

Yue Wuya was also amazed and couldn't help but said to Hai Ling'er: "I really didn't expect that in this dangerous environment of the Returning Market Sea, there is such a beautiful place, it's just a paradise.

"

Hai Ling'er couldn't help laughing out loud, and said to Yue Wuya, "This is where we have lived for generations, isn't it special? Your mainland residence is different from here?"

This chapter is provided by . Visit for daily update.

Hai Linger grew up in the sea since she was a child, and has never been to the mainland, so she believes that all human dwellings are like this.

Yue Wuya smiled slightly and replied, "Of course it's different. There are palaces and more majestic buildings in the mainland. When the time comes, I will definitely show you."

Hmm!

Hai Ling'er nodded, and then said softly: "You two and I go to see your father, but your subordinates will be waiting here. Our sea sharks have regulations, and we can't bring outsiders in casually. Yes ." During the

previous voyage, Yue Wuya wanted to catch Duan Yu as soon as possible, but he never encountered it. Now that he arrived at the habitat of the sea sharks, Yue Wuya decided to make some repairs here. At the same time, he wanted to visit the sea. The patriarch of the shark clan, also the father of Hai Linger.

Hai Ling'er was kind-hearted and agreed, but she didn't forget the rules of the sea shark clan.

Yue Wuya responded and expressed his understanding.

"Ling'er." At this moment, Han Bing couldn't help but ask curiously: "For thousands of years, has there really been no other humans here in your shark clan?"

Hai Ling'er smiled lightly: "I want to When you come here, you have to pass through the vortex and rapids. Even experienced pirates cannot easily pass through it, so there are very few people who can come here. It can be said that your brothers and sisters have been together for thousands of years. , was the first to receive the invitation."

After speaking, Hai Linger suddenly thought of something, clapped her hands and said, "Yes, a few days ago, my father rescued a few people from Jianghu, who are said to have come from the Earth-Earth Continent. Maybe you know each other."

From the Earth Continent?

Hearing this, Yue Wuya and Han Bing looked at each other in surprise.

Immediately afterwards, Yue Wuya's eyes flashed, thinking of something, he quickly asked Hai Ling'er, "What do those people look like?"

Before, when they were at the seaside of Donghai City, there were people from several other sects in Tangjiabao, who robbed the people of fishing boats and went to sea to escape the war. Could it be that the few people Hai Linger mentioned are these people?

However, several sects add up to tens of thousands, it is impossible to have only a few people left…

Chapter 2342

Seeing that both brothers and sisters were looking at him seriously, Hai Linger tilted her head for a while, and responded, "Those people are not too young, and one of them claims to be the castle owner of Tangjiabao. , said that he is very famous in the Earth Circle…"

Tang Qingyun? Sure enough it was them.

Without waiting for Hai Linger to finish speaking, Yue Wuya's eyes lit up, revealing a sneer: "Mad, these bastards have gone to the Guixu sea area. The sky has eyes, let me touch it, and I will not forgive them lightly. "

Before, Yang Jian led the Northern Ying army to attack, but the sects of Tang Qingyun fled without fighting, and then went to Donghai City and robbed the people's fishing boats, which is absolutely hateful.

At that time, Yue Wuya and Han Bing tried their best to stop them but let Tang Qingyun and the others run away, but they never forgot. At that time, Yue Wuya secretly swore that if he saw it in the future, he would teach these scumbags a good lesson. Actually in the sea shark clan.

While angry, Yue Wuya was also a little curious.

At that time, Tang Qingyun and several sects added up to tens of thousands of people. Now there are only a few left. What happened to them?

Just when Yue Wuya was thinking about it, Hai Ling'er led the way and headed for the largest residence on Coral Island.

Of course, this residence is also made of shells. More than a dozen huge shells are stacked together to form a unique Qionglou. It seems simple, but it gives people a luxurious and elegant feeling.

Yue Wuya and Han Bing quickly followed.

Along the way, I saw many other people from the sea shark clan, all of them handsome men and beautiful women. When they met Hai Linger, they saluted respectfully, and at the same time, they looked at the Yue Wuya brothers and sisters curiously.

“Ling’er, are you back?”

When it was about to arrive, with an old voice, more than a dozen people walked out slowly. The head of the one had gray beard but a ruddy complexion. He was wearing a robe made of fish scales and sea animal skins, and he was majestic.

It is Hai Ling’er’s father, Hai Kun, the patriarch of the sea shark clan!

At this time, Hai Kun looked at Hai Ling’er with love and worry in his eyes. One day ago, his daughter went out to play and suddenly disappeared. This made Hai Kun very anxious. .

Just now, Hai Kun summoned the clansmen and continued to discuss ways to find it, but unexpectedly, his daughter came back safe and sound, which made Hai Kun overjoyed.

“Father!” Hai Ling’er shouted, running over and throwing herself into Hai Kun’s arms.

“Where have you been all day?” Hai Kun stroked his daughter’s hair and couldn’t help but ask gently.

Hai Ling’er smiled and said, “I was chased by a bad guy, so I kept swimming. I was about to swim outside the Guixu sea area. I met a benefactor, and the benefactor beat the bad guy and saved me.”

Thinking of the scene at that time , Hai Linger was still a little scared.

benefactor?

Hearing this, Hai Kun was stunned for a moment, then looked at Yue Wuya and Han Bing: “That’s them?”

As he said, Hai Kun looked at Yue Wuya and the two closely, and saw that the two were not very old, male and female. The long is handsome and handsome, and the female is youthful and charming.

Hai Ling’er nodded heavily and greeted Yue Wuya at the same time: “Benefactor, this is my father, the head of the sea shark clan.”

Hearing this, Yue Wuya and Han Bing were about to come over.

“Wait!”

At this moment, behind Hai Kun, a person came out and stopped, wearing a satin robe, his face was sinister and cunning, it was Tang Qingyun.

At this time, Tang Qingyun looked at Yue Wuya tightly, full of fear.

Chapter 2343

At the same time, I was shocked beyond words.

I thought that after a festival at the seaside of Donghai City, we would never meet again, but I didn't expect that the sea sharks would meet again here.

Tang Qingyun saw that Yue Wuya's internal strength had completely recovered, and he was no longer as weak as before, and his strength seemed to have improved a lot.

What shocked Tang Qingyun even more was that not far away, on the sea next to the coral island, there were thousands of sailboats, all of which were people.

Swish!

Yue Wuya's eyes were also locked on Tang Qingyun, and his face was gloomy.

This scum is indeed here.

"Patriarch!"

Finally, Tang Qingyun reacted and said to Hai Kun: "Princess may have been deceived, these two are brothers and sisters, very dangerous, their father is Yue Feng, who is the big devil on the continent of Kyushu, and he does all kinds of evil. , How can someone like this save the princess? There must be something strange behind it."

When he said this, Tang Qingyun looked sincere and serious, but his eyes flashed with cunning.

Half a month ago, Tang Qingyun and several sects robbed the common people's sailboats and planned to go to Peach Blossom Island to settle down, but when they arrived, they saw that Peach Blossom Island had become a ruin. Peach Blossom Island was first swept away, and Donghai City was attacked later.

In this case, Tang Qingyun and everyone had to continue to sail to the deep sea.

During the period, the heads of other sects wanted to give up and decided to return to the mainland, but Tang Qingyun was very insistent, because Tang Qingyun had read "Returning to the Ruins and Surveying the Sea". Although the picture was lost, he still remembered a lot.

Tang Qingyun knew that there was an ancient secret hidden in the chart. As long as he found this secret, he would not only be able to carry forward Tangjiabao, but he could also become a figure like the Supreme Being of Kyushu.

Relying on his memory, Tang Qingyun brought everyone to the Guixu Sea Area. As a result, the vortex and rapids were severely damaged, and tens of thousands of people were trapped in it, and they were swept into the seabed one by one.

In the end, only a few Tang Qingyun survived, and were finally rescued by the sea sharks.

When he arrived at the shark clan, Tang Qingyun was pleasantly surprised to discover that the coral island where the shark clan was located was the location of the secrets in the chart, so he stayed and tried his best to find out.

But today, I didn't expect that the Yue Wuya brothers and sisters suddenly appeared.

Tang Qingyun knew that Yue Wuya would not let him go, and instead of being passive, it would be better to strike first, bewitch the sea sharks, and get rid of Yue Wuya for himself.

Swish!

Hearing this, Yue Wuya was furious, pointed at Tang Qingyun and scolded: "You despicable and shameless villain, confounding black and white, fabricating facts, it is not a pity to die!"

The ice next to him was also trembling with anger. , followed Jiao shouted: "Tang Qingyun, do you have a conscience? The Earth's Continent is at stake, you fled, and now you are slandering us?"

The cold air at this time is broken, this Tang Qingyun is too hateful, and it's fine to fabricate the facts. , and slandered his father as the big devil of the Kyushu continent?

Hai Linger was also a little anxious, and said to Tang Qingyun: "Don't talk nonsense, they are good people." After speaking

, Hai Linger pulled Hai Kun's sleeve and said anxiously: "Dad, that Wuya eldest brother and His sisters are all good people, don't listen to this person's nonsense." The

voice fell, and Hai Linger gave Tang Qingyun a vigilant look. In fact, when Tang Qingyun first came to Coral Island, Hai Linger felt , This man is full of etiquette and morality, but his eyes often flash with a cold light, he doesn't seem to be a good person, and at this time, seeing him slandering his benefactor, he immediately panics.

Hai Kun stood there, silently looking at the two Yue Wuya, expressionless and not speaking.

Tang Qingyun was able to speak well and won Hai Kun's trust in just a few days. Therefore, Hai Kun believed Tang Qingyun more at this time, but when he saw his daughter trying to protect the siblings, Hai Kun hesitated for a while.

Chapter 2344

This time, Tang Qingyun was completely anxious.

"Patriarch!" At this moment, Yang Qingyun thought of something, pointed to the pirates not far away, and said eagerly: "Did you see, these brothers and sisters are pirates, if they are good people, how could they be mixed with pirates? "

The princess is still young, kind-hearted, and easy to be deceived by others. The patriarch can't be so confused."

Hearing this, Hai Kun looked over immediately.

Swish!

Seeing the blood shark pirates, Hai Kun's expression changed suddenly, and a bit of anger appeared in his eyes.

Fortunately, Mr. Tang's eyes are sharp, otherwise, he almost believed his daughter's words and led the wolf into the room.

Thinking to himself, Hai Kun's eyes locked on Yue Wuya, and he said coldly, "Take them down!"

Swish swish.

At this moment, several powerful sea sharks with their skills moved their figures one after another and burst out towards the Yue Wuya brothers and sisters.

"Huh…"

Yue Wuya let out a long breath, his expression not flustered at all.

During this time at sea, my understanding of the realm has improved a lot, and I don't know how much stronger my inner strength is than before! At this time, looking at the strong sea sharks flying over, Yue Wuya smiled lightly: "You are not my opponent."

"What a arrogant boy!"

“Looking for death.

“

With Yue Wuya’s words, several sea shark powerhouses were extremely annoyed, and they all pulled out their weapons and went straight to Yue Wuya’s heart!

Yue Wuya shook his head: “Since you guys want to fight, I’ll play with you.” Yue Wuya can feel that these powerhouses are all in the realm of Emperor Wu, but he owns the Overlord’s Hammer, which is not in vain. .

hum!

The voice fell, Yue Wuya summoned the Overlord Hammer, and in an instant, a majestic internal force roared out!

A few sea shark powerhouses only felt a violent force, crushing them in an instant! One by one, they lost their balance in mid-air, shocked.

“I’m here to help you!” Seeing this scene, Tang Qingyun didn’t have time to think, he pulled out his long sword and flew straight.

If you can’t take down the siblings with the help of the sea sharks today, your plans will be completely disrupted. After all, through the secret investigation of the past few days, Tang Qingyun has already found the secret truth, and he can’t give up no matter what.

Tang Qingyun joined the battle, and several strong men of the sea shark suddenly regained their morale, surrounded Yue Wuya, and a fierce battle broke out.

“Shameless, take advantage of people’s danger.”

Seeing this scene, Han Bing couldn’t help but scolded, and with his toes on the coral, he flew away and rushed into the battlefield.

In an instant, the figures of both sides shuttled in the air, causing the situation to change and the tide to rise.

call!

Seeing this scene, many sea sharks clansmen gathered around to watch, shocked.

“Father!”

Hai Ling’er was so anxious that she pleaded with Hai Kun, “You must stop them, don’t fight.”

However, Hai Kun seemed to have not heard, and stared at the fierce battle in mid-air, saying a word. Do not send.

“elder brother.”

In midair, Han Bing clenched his long sword and shouted at Yue Wuya, “I’ll deal with these sea sharks, go and catch Tang Qingyun!” The

voice fell, and the Han Bing’s sword was reversed. The last few sea sharks are strong.

Um!

Yue Wuya nodded, without any hesitation, turned around and went straight to Tang Qingyun.

If it was before, Yue Wuya would not be so decisive, but he believes in his sister’s strength, and it is no problem to deal with these strong sea sharks.

Han Bing’s red lips parted lightly, and she shouted coldly: “The sword breaks the sky!”

Chapter 2345

Om!

In an instant, a powerful force surged between the heavens and the earth, and then, a dazzling sword shadow burst out, bursting straight towards the surrounding sea shark powerhouses.

The sword breaks the sky, is the sword technique in the inextinguishable scripture, it is a realm higher than the sword that was cast before the ice, and its power is also greater.

Bang bang bang!

Several sea shark powerhouses were too late to react, and were instantly enveloped by those sword shadows. They only felt that the power in their bodies was instantly blocked, and at the same time, their figures swayed and fell one by one.

Yes, Han Bing didn’t make a ruthless attack. At a critical moment, she withdrew the power of this move. In her heart, Hai Linger was so cute, and these were all Hai Linger’s clansmen, how could she bear to kill her?

hiss!

Seeing this scene, many people from the shark clan below couldn’t help gasping for air.

So strong, this girl, at most seventeen or eighteen, right? Is the strength so strong?

Hai Kun, who was standing there, frowned and his face was extremely ugly. The few people sent were the best among the younger generation of the sea sharks, but they couldn't even catch the girl's move.

Hai Ling'er on the side was overjoyed. The benefactor's sister is so powerful. It seems that in the future, I have to practice hard, and I can't be playful.

On the other side, Yue Wuya locked Tang Qingyun tightly, and the cold voice came out word by word: "Tang Qingyun, you are such an infidel, despicable and shameless person, how do you want to die?"

Om!

The voice fell, and a powerful aura burst out from Yue Wuya's body. In an instant, the surrounding air seemed to be stagnant!

Immediately afterwards, Yue Wuya raised his right hand and punched Tang Qingyun! Yes, Yue Wuya didn't use the Overlord Hammer for the time being. To deal with people like Tang Qingyun, using the Overlord Hammer from the very beginning was too flattering.

In the blink of an eye, Yue Wuya's speed was extremely fast, and he was in front of him in the blink of an eye.

hiss!

This speed…

Feeling the speed of Yue Wuya's lightning fast, Tang Qingyun was startled, he didn't have time to dodge, so he raised his palm and attacked! Tang Qingyun didn't dare to be careless, and urged all his internal forces to resist!

Bang!

His fist slammed into the palm of his hand, Tang Qingyun only felt an overwhelming force coming, he groaned, and took a dozen steps back, the blood in his body was churning, and he felt that he was out of breath.

Nima!

This Yue Wuya's strength is simply too terrifying. He used all his internal strength to barely block this palm. It is unimaginable that he is only twenty years old, and he has such strength. Wouldn't it be more terrifying in the future?

At this time, Tang Qingyun was extremely frightened in his heart.

Yue Wuya, on the other hand, floated quietly in the air with a cold expression. But in my heart, I was secretly surprised. This scum is not weak, but he escaped without fighting.

Click!

Thinking to himself, Yue Wuya raised his hand and waved, and the Overlord Hammer clenched tightly!

As soon as the Overlord Hammer came out, the surrounding air seemed to be violently distorted!

call!

At this moment, many people from the shark clan below were shocked and broke into a cold sweat for Tang Qingyun.

Just now, this young man repelled Mr. Tang with just one punch, and now he took out his weapon again, I was afraid that Mr. Tang would be in danger.

Gudong!

Feeling the fighting spirit pervading Yue Wuya, Tang Qingyun broke out in cold sweat on his forehead, and couldn't help swallowing!

Done!

This Yue Wuya is going to use the Overlord Hammer, and he is afraid that he can't stop it.

"Tang Qingyun, being able to take a punch from me proves that you are not weak. If you are on the battlefield, you must have done something, but you fled without fighting, which is simply a shame for a cultivator."

Yue Wuya said coldly, With a strong wave, a whistling sound that shocked the world was heard, bursting out from the Overlord Hammer, and then, a powerful and unparalleled force directly shrouded Tang Qingyun.

Tang Qingyun didn't have time to think about it, so he quickly activated all the strength of his dantian and quickly deployed a protective film in front of him.

The ultimate husband in Chinese chapter 2346-2350

Chapter 2346

Bang!

The terrifying force slammed on the protective film, and saw that the protective film instantly collapsed. Then Tang Qingyun let out a groan, and the whole person was shocked and flew out, flying more than 100 meters away, smashing it. After a dozen corals were broken, it fell heavily on a shell.

When he resisted Yue Wuya's punch just now, Tang Qingyun had already consumed a lot of internal strength. At this time, facing the power of the Overlord's Hammer, he couldn't resist it at all.

After all, Yue Wuya's Overlord Hammer is also a rare magic weapon. "Tang Qingyun!" At this time, Yue Wuya

stared at Tang Qingyun, his tone was full of killing intent: "Do you have any last words, hurry up and say it!"

Slowly walked towards Tang Qingyun.

A strong breath permeates the sky and sea.

Gudong!

Tang Qingyun was even more shocked, and secretly swallowed his saliva, wanting to cry without tears!

"Wait!"

Seeing Yue Wuya getting closer, Tang Qingyun couldn't help shouting: "His Royal Highness, Yue Shaoxia, I was wrong, I'm not a person, I'm unfaithful, I beg you, forgive me, forgive me Let me go…"

Seriously, Tang Qingyun never thought that he would kneel down and beg for mercy on Yue Wuya, but there is no way, this Yue Wuya's strength is too strong, and if he refuses to obey, his life is really dead. .

However, Yue Wuya just chuckled, did not stop, and continued to approach.

This kind of scum, it is a scourge to keep it, and it is better to get rid of it as soon as possible.

"Yue Shaoxia, Yue Shaozhu…" Tang Qingyun was completely panicked and kept kowtowing: "For the sake of serving your father, please spare my life."

This chapter is provided by . Visit for daily update.

At the same time, Hai Kun, who had been cold-faced and silent, couldn't help but said, "This young man, since Mr. Tang has admitted his mistake, you should give him a chance."

When he said this, Hai Kun gave him a cold look. Tang Qingyun glanced at him, completely losing the politeness he had before.

As the patriarch of the sea shark clan, Hai Kun could see that what Tang Qingyun said before was false and fooled himself. Hai Kun was very angry, but after all, this is the territory of the sea shark clan, and two outsiders are fighting here.

When the words fell, Hai Ling'er couldn't help but say, "Big Brother Wu Ya, even if this person is hateful, you should spare him once. Our sea sharks have ancestral teachings, and we cannot kill people within our territory."

See Hai Ling Son said the same thing, Yue Wuya stopped and hesitated.

Tang Qingyun is so abominable, so is he forgiving?

"Brother!"

At this moment, Han Bing walked over slowly, glanced at Tang Qingyun, and said softly: "Hailing has spoken, let's leave him alive for the time being ." After speaking, Han Bing

thought What, continued: "The situation in the mainland must be very tense now. It is the time of hiring people, so keep him first, and when he returns to the mainland, let him take the blame and make merit."

Phew!

Hearing this, Yue Wuya looked at Tang Qingyun coldly: "Did you hear it? Today, I look at Hai Ling'er's face and spare your life. From now on, follow my orders with everyone. I can't be forgiven."

"Yes…" Tang Qingyun was dripping with cold sweat, and nodded again and again: "I will definitely contribute to the mainland, and I will never run away again."

Yue Wuya ignored it, put away the Overlord Hammer, and Han Bing Together, walk slowly.

Arriving in front of him, Yue Wuya showed a smile and said to Hai Kun, "I have seen the patriarch."

Hai Kun nodded and smiled embarrassingly: "You two are really heroes. Thank you for saving the little girl. I really offended you just now."

Yue Wuya smiled: “The patriarch is very polite.

” Kun Jiang, the Yue Wuya brothers and sisters, invited them inside and hosted a banquet. Tang Qingyun followed in a sullen manner, completely missing the appearance of the head of the sect.

An hour later, Hai Kun learned about the situation and was very angry: “Damn, that person named Duan Yu actually pursued Ling’er. I will definitely send people from the clan to cooperate with you and pursue this person with all my strength.”

Chapter 2347

Yue Wuya nodded: “I am relieved to have the words of the patriarch.” The

sea sharks have lived here for thousands of years, and they are very familiar with the surrounding environment. With their help, they will definitely be able to catch Duan Yu.

As he was talking, Yue Wuya glanced at Tang Qingyun who was standing beside him, and couldn’t help but said, “Tang Qingyun, why have you been staying here? Is there any purpose

?

” Hesitating, he said cautiously, “Young Master Yue, do you still remember the chart I dropped before? There is a secret recorded. I have seen the chart before and found it here.” Yue Wuya is Yue Feng’s son, so he naturally wants to Called Master.

secret.

Yue Wuya was stunned for a moment, looked at Han Bing, and quickly took out the map of returning to the ruins.

Just a glance, the Yue Wuya brothers and sisters were shocked, and they saw the mark above, which was the coral island.

“This…”

It was at this time that Hai Kun stood up and stared at the chart, unable to hide the excitement and shock in his heart, and his words trembled: “This… The uploaded relics have been missing for nearly a thousand years, and I didn’t expect to see them…”

What?

Hearing this, whether it was Yue Wuya, Han Bing, or Tang Qingyun, they were all shocked.

Is this chart the ancestral relic of the sea shark?

…..

On the other side, in a deep mountain cave.

Buzzing…

Yue Feng sat there cross-legged, a violent force lingered around him, and the air in the entire stone room was completely distorted.

Yue Feng has been here for two days and two nights.

At this time, the internal strength has finally recovered to the previous five-stage Martial Emperor Realm, and he is about to break through the Tribulation Transcendence Realm.

What makes Yue Feng anxious is that this bottleneck is always difficult to break through.

Card wipe.

At this moment, as the power in the stone chamber became stronger and stronger, the surrounding stone walls and stone platforms suddenly shattered. Yue Feng opened his eyes, startled, and deployed a protective film to cover Guiguzi's body.

Guiguzi has already ascended, but his body is immortal, sitting there cross-legged, as if he was asleep, lifelike.

Yue Feng was grateful for Guiguzi's incomparable respect, and naturally did not want to see his body destroyed.

Finally, everything was calm, Yue Feng heaved a sigh of relief, but he was stunned when he tilted his head.

I saw that there was actually a patio under the stone platform. The so-called patio means that there is no water in it, and it looks like a well. Yue Feng saw that there was a simple stone box under the patio, which was covered with runes and carved with many patterns.

What the hell, is there something under here?

Yue Feng was very surprised, and without thinking much, he took out the stone box.

I saw the pattern above, the background was very old, and the words on it also showed a vicissitudes of life, but Yue Feng recognized it at once, and read every word: "The

Rakshasa family is cruel and easy to kill. In the name of Emperor Xuanyuan, all ethnic groups attacked it, and the Rakshasa family was exiled to the wild and strange realm…”

What?

Emperor Xuanyuan? This… this stone box, is something left by Xuanyuan Huangdi?

Emperor Xuanyuan, also known as Xuanyuan Huangdi, was the head of the Three Sovereigns and Five Emperors in ancient times.

At this moment, Yue Feng only felt that his mind was blank, and his heart was extremely shocked.

Chapter 2348

Shocked, Yue Feng took a deep breath and continued to read: “In this battle, various tribes suffered heavy losses. I had to summon the dragon… and finally succeeded…”

The more he read, the more Yue Feng became. Is shocked.

It turned out that when the Yellow Emperor exiled the Rakshasa clan to the wild and strange realm, it was not as simple as imagined. At that time, the Rakshasa clan was very powerful and desperately resisted, resulting in heavy casualties among various tribes.

In the end, Huangdi had to summon his own spirit beast, Shenlong, and finally defeated the Rakshasa tribe, but Shenlong was also injured and finally died. Huangdi was heartbroken. Before Shenlong died, he left two treasures of Shenlong’s bloodline. As for what treasures , not mentioned above.

After Yue Feng read the engraving above, he only knew that the two treasures were related to the continuation of the dragon. At that time, the famous Huangdi built two stone boxes, separated the treasures, and left them in the cave near the Chaos Mountains, that is, Yue Feng. This place in front of me is used to guard the Chaos Mountains.

As for another treasure, the Yellow Emperor handed it over to a tribe, and asked them to go to the vast sea and put the treasure on the seabed for storage, because in this way, the aura of the treasure would not be disintegrated.

The engraving on the stone box reads: As long as you find two treasures, you can unlock the strongest power of the dragon lineage. At that time, if the Rakshasa tribe returns to the Kyushu mainland and harms the people, they can be suppressed…

call!

After reading this, Yue Feng only felt that his brain was buzzing, and he couldn't calm down for a long time.

As expected of Huangdi Xuanyuan, he planned the strategy. He knew that one day the Rakshasa tribe would climb over the Chaos Mountains, so he deliberately left behind!

And… the line of Shenlong, is it really a dragon? It is said that the dragon did exist thousands of years ago, but then disappeared from the Kyushu continent. Could it be that the fierce battle with the Rakshasa led to the extinction of the dragon?

Thinking to himself, Yue Feng's hands trembled and he couldn't help but open the stone box.

hiss!

The moment he opened it, Yue Feng was stunned when he saw what was inside, and he couldn't help gasping for air.

I saw that there was a crystal clear bead in the stone box. This bead was the size of a fist, showing colorful lights, and it could clearly sense that there was a full of heaven and earth aura inside.

Moreover, this spiritual energy of heaven and earth is thicker and purer than what Yue Feng felt before, pure…

roar!

The moment he got it in his hand, Yue Feng vaguely heard that there seemed to be a sound of dragon roar coming from the bead.

The sound of dragon roar?

Yue Feng froze there, staring at the beads in his hand, unable to tell whether he was excited or shocked. At this moment, he suddenly understood something.

This bead is a dragon ball. It is also the essence of the dragon. Obviously, this dragon ball is the essence of the dragon owned by the Yellow Emperor.

Haha…

With this thing, are you still afraid of the Rakshasa?

At this moment, Yue Feng couldn't describe the excitement and excitement, but after thinking about it, he found one of the two treasures. What is the other?

It was clearly stated on the stone box that another treasure was brought into the deep sea, but in the vast sea, how should I find it?

Muttering in his heart, Yue Feng stopped thinking about it, put away the dragon ball, sat up again, and continued to practice.

The most important thing now is to break through the Tribulation Transcendence Realm as soon as possible, and then go out to defend against the Rakshasa army. As for the second treasure, let's slowly think of a way!

buzzing.

Soon, Yue Feng entered the state of cultivation, and all over his body, a wave of violent power spread out again, which was very amazing.

….

on the other side.

At the foot of the Chaos Mountains.

On the battlefield, the Alliance Army and the Northern Ying Army were still desperately resisting, and the battle became more and more fierce.

Bang bang bang…

Above the sky, the wind and clouds were surging, and the fierce battle between Yang Jian and the Rakshasa King continued. Until now, they have been fighting fiercely for several hours. However, the Rakshasa King has never been able to suppress Yang Jian.

Likewise, Yang Jian could not defeat the Rakshasa King.

Speaking of which, the Rakshasa King is the most brilliant and talented king of the Rakshasa clan in all dynasties, especially in terms of cultivation, he is even more gifted, and now he has reached the stage of enlightenment.

However, as the true emperor of Erlang, Yang Jian is also a rare cultivation wizard. Since he became the emperor of Beiying, he has taken a lot of heaven and earth treasures in the Tibetan Pavilion left by Hou Yi, and his strength should not be underestimated. watch for.

At this time, both of them are doing their best for the sake of their respective kings and dominance.

Chapter 2349

“It’s really strong!” King Rakshasa hovered in the air, looked at Yang Jian closely, and said coldly: “However, you will eventually die under my sword, and this king will use your head as a celebration feast. Wine glass.”

Om!

When the voice fell, King Rakshasa raised the bone knife: “God and evil punish the Tao.”

Om!

When the last word fell, the world changed color! I saw dark clouds in the sky, and at the same time, the originally gloomy sky became even darker in an instant.

“Kacha!”

Then, with a loud noise, with the Rakshasa King as the center, a group of black mists quickly gathered around him. In these black mists, there is an extremely violent evil force.

In an instant, the temperature between heaven and earth suddenly became much colder.

Whether it was the Northern Ying Army or the Alliance Army, they all felt a chill all over their bodies, and they were all inexplicably frightened.

The cultivation of the Rakshasa tribe is very different from that of the Kyushu mainland. Because they live in the evil environment of the wild and strange realm, the power of cultivation is extremely evil.

At this time, the Rakshasa King burst out with all his strength, and it can be said that the sky and the earth changed color.

hum!

Soon, as the gathered evil forces became stronger and stronger, the whole world, flying sand and stone, saw that at this time, in front of King Rakshasa, a huge black shadow condensed, it was a wild beast, this beast It is completely condensed by evil forces, but it is hundreds of meters high, with bloody eyes and fangs, which is frightening to see.

hiss!

Seeing the huge beast, the Beiying army below, and the alliance army couldn’t help gasping for air, and at the same time secretly worried about Yang Jian.

The Rakshasa army cheered and cheered.

Feeling the terrifying aura from that huge beast, Yang Jian's expression was solemn, and his eyes also showed a bit of fear and seriousness.

"It's not that easy for a barbarian to kill me." A

cold voice came from Yang Jian's mouth. In the next second, the internal force completely exploded, and a golden beam burst out, covering Yang Jian's whole body.

Under the golden light, Yang Jian stood proudly in the air, like a god descending from the sky.

"Death to me!"

King Rakshasa didn't talk nonsense, he roared wildly, and the incomparably huge black beast came straight towards Yang Jian.

hum!

With a fearless expression on his face, Yang Jian shouted, "Destroying Immortal Slash!"

Immortal Destruction Slash is Yang Jian's strongest stunt. It has never been easily performed for thousands of years, but facing the mighty Rakshasa King today, he has no choice but to use it. The stunt of pressing the bottom of the box came out.

Chi….

the moment the words fell, Yang Jian suddenly for a while, the golden light all over his body merged into the three-pointed two-edged sword, and then, a golden beam of light burst out, in this dim world, it looked extremely dazzling .

"Boom!"

In the next second, the golden beam of light slammed on the huge black beast, and a terrifying burst of energy erupted, covering a radius of several hundred kilometers, shrouded in a golden glow and black mist, and dust and smoke were everywhere.

Rumbling…

The violent aura vibrated, causing the Chaos Mountains to vibrate, and then they collapsed one after another. In an instant, the hurricane roared, and the magma erupted everywhere…

This…

Seeing this scene, the armies of both sides were stunned.

Strong, too strong, the two strongest blows actually caused the Chaos Mountains to collapse.

Bang bang ..

And in the dust filled with smoke, I saw Yang Jian and the Rakshasa King, and they confronted again, but their internal strength was almost exhausted, and finally both fell into the shattered ruins of the Chaos Mountains.

In the ruins, black fog and raging lava, as well as hurricanes, are everywhere.

Everyone was taken aback, and they realized that King Rosa and Yang Jian could no longer be seen.

Chapter 2350

“Your Majesty.”

“Erlang Zhenjun…”

At this moment, Zhang Jiao, Wen Chou Chou, and the army below couldn’t help exclaiming. Yang Jian and the Rakshasa King fought fiercely for several hours, exhausting a lot of internal strength, and now they have fallen into the ruins, I am afraid that Yang Jian is more fortunate than good.

Speaking of which, although Wen Chou Chou has a prejudice against Yang Jian, in the fight against the Rakshasa army, Yang Jian is powerful and can play a key role.

“Your Majesty…”

“Father…” On

the opposite side of the battlefield, countless Rakshasa soldiers, as well as Meng Lang Mengao brothers, also changed their expressions and couldn’t help shouting loudly.

The Rakshasa King is the supreme leader of the Rakshasa clan, and it is also the spiritual support of the Rakshasa clan. In the hearts of the Rakshasa clan, their king is invincible and invincible, but at this time, they saw Yang Jianhe. The Rakshasa King was beaten and lost, and fell into the ruins together, all of them were angry and anxious.

“Everyone listen to my orders.”

Anxious, Meng Lang jumped into the chariot and shouted at the army: “Temporarily…”

Meng Lang intends to temporarily stop the battle, search the ruins to find King Rakshasa, and then look for opportunities to dissuade him. King Rakshasa stopped the war and coexisted peacefully with the continent of Kyushu.

However, as soon as he said two words, he was interrupted by Meng Ao.

“Damn Kyushu Continent, hurt my father, kill me, kill them all.” Meng Ao was hot and reckless, he shouted, his figure burst out, and rushed towards the Kyushu army.

In Meng Ao’s heart, he believed that his father was invincible, and even if he fell into the ruins, he would not have to worry about his life. The most important thing at hand is to completely defeat the Kyushu Continent and win this war.

At this time, Meng Ao was like a god of killing. In the blink of an eye, more than a dozen soldiers from the Kyushu continent were killed.

“Kill!”

Seeing this scene, many Rakshasa soldiers suddenly red-eyed, burst into a roar, and launched an attack.

“Meng Ao.” Meng Lang clenched his fists, extremely annoyed.

This younger brother is too reckless, his father is not there, the command should be his own, after all, he is the prince, but Meng Ao actually acted without authorization, leading the army into a situation of endless fighting.

It’s just that the Rakshasa army was crazy, and everyone was red-eyed. Meng Lang realized that a temporary truce was impossible. He just gritted his teeth and rushed into the battlefield.

Ah…

Facing the attack of the Rakshasa army, many soldiers from Kyushu screamed and fell in a pool of blood.

Made!

Seeing this scene, Wen Chou Chou and everyone were also inspired with blood.

“Kill, the fight to the death is endless!” Wen Chou Chou held a long sword with no fear on his face. After a roar, he went straight to meet him!

“Fighting to the death!”

The Alliance Army behind him, as well as the Northern Ying army, roared in rage, and they all gritted their teeth and went up to meet them.

In an instant, the sound of killing shook the sky, and blood stained the sky.

….

On the other side, the Guixu Sea Area, the Coral Island.

In the hall built by the shells, Yue Wuya, Han Bing, and Tang Qingyun gathered their eyes on Hai Kun.

Hai Kun was excited and excited, holding the “Returning to the Ruins Surveying the Sea Map”, his hands trembled a little because of his excitement, and he said word by word: “The sky is above, the relics left by my ancestors of the sea sharks have finally been found. It’s so god-like.”

This…

Seeing this scene, Yue Wuya and Han Bing looked at each other, puzzled.

The ultimate husband in Chinese chapter 2351-2360

Chapter 2351

Even if it is an ancestor's relic, don't be so excited.

Tang Qingyun on the side, but his face changed and his eyes were complicated.

"Patriarch!"

Finally, Yue Wuya reacted and couldn't help asking Hai Kun, "Is this relic important?" This is a sea chart.

At the same time, Han Bing also looked at Hai Kun closely, his delicate face was full of curiosity.

"Of course."

Hai Kun nodded solemnly: "You may not know, this chart hides a secret, and this secret is related to the thousands of years of responsibility of our sea sharks."

Said, Hai Kun Looking at the boundless sea outside, he slowly continued: "Thousands of years ago, our tribe responded to Xuanyuan Huangdi's call and expelled the Rakshasa tribe. Although it was successful, all tribes suffered heavy casualties, and Xuanyuan Huangdi also damaged a lot of capable people. Assistant, later, Emperor Xuanyuan predicted that the Rakshasa clan would return, causing chaos in the Kyushu and ruining all living beings, so he gave our clan a treasure, and let us go to the sea and hide the treasure under the sea." The

Rakshasa clan?

Hearing this, Yue Wuya and Han Bing were stunned. At this time, I was extremely shocked. I didn't expect that the secret guarded by the sea sharks was actually related to the Rakshasa.

Soon, Yue Wuya recovered and asked impatiently, "And then?"

Huh!

Hai Kun took a deep breath and said slowly: "The Emperor Xuanyuan ordered our tribe to protect the treasures from generation to generation after they put them into the seabed. There can be no mistakes. Once the Chaos Mountains change, the treasures must be taken out."

“My tribe’s ancestors . I didn’t dare to forget it. After putting away the treasures, I drew a map. As a result, the coral island was attacked by pirates thousands of years ago. Although my people repelled the pirates at that time, this map was accidentally lost.”

“I didn’t expect that the sky has eyes. Today’s picture is back in the hands of my sea sharks.” When

he spoke the last sentence, Hai Kun burst into tears and was very excited.

Hearing this, Yue Wuya and Han Bing were both shocked and could not calm down for a long time.

Xuanyuan Huangdi? treasure?

Unexpectedly, this sea map has such a big history behind it.

Shocked by this, Yue Wuya couldn’t help but glance at Tang Qingyun. This picture was picked up from him. It seems that Tang Qingyun must know the secret behind it, otherwise, he would not have found it here.

“Young Master Yue!”

Tang Qingyun was shocked when he felt Yue Wuya’s gaze, and quickly said with a smile: “Don’t look at me like that, I also got this picture by accident, how do I know the secret above? , came to Coral Island, it was a coincidence.”

Yes, Tang Qingyun lied, he had already seen the secrets on the chart, but these words, how dare to say them?

Seeing his flattering and flattering look, Yue Wuya snorted softly and didn’t bother to pay attention.

The next second, Yue Wuya looked at Hai Kun and couldn’t help but ask, “Patriarch, what exactly is that treasure you’re talking about?”

Shuh!

Seeing Yue Wuya’s straightforward question, Hai Kun’s expression changed, and he shook his head: “We are only responsible for guarding, and no one knows what the treasure is, not even the ancestors of our sea sharks.”

Hearing this After saying this, Yue Wuya couldn’t help but smile bitterly: “I don’t know what the treasure is. Your sea sharks have been guarding it here for thousands of years. It seems a little worthless.”

Uh…

Hearing this, Hai Kun was a little embarrassed.

At this time, Han Bing pulled Yue Wuya down and whispered, “Brother, don’t be so straightforward.”

Yue Wuya scratched his head and smiled.

At this time, Han Bing thought of something, and asked Hai Kun: “Patriarch, you just said that as long as there is a mutation in the Chaos Mountains, you can take out the treasures, but I just heard you say that the Chaos Mountains are far away from the Guixu Sea Area. For tens of thousands of miles, if the Chaos Mountains really changed, how would you know?”

Chapter 2352

Yes!

Yue Wuya nodded silently, agreeing with Han Bing’s statement, and looked closely at Hai Kun, waiting for his answer.

Hai Kun smiled bitterly and was about to speak.

hum!

Suddenly, the entire coral island suddenly vibrated. Although the vibration frequency was not strong, everyone present felt it, as if there was an earthquake.

“Look!”

Immediately afterwards, someone outside shouted, and suddenly, everyone looked towards the distant horizon.

I saw that in the direction of the Kyushu Continent, in the distant sky, a black fog rose up, and the black fog covered the sky and the sun, as if the end of the world.

It was the vision caused by the collapse of the Chaos Mountains.

Of course, Yue Wuya and Han Bing didn’t know, and thought it was an ancient tomb, or a treasure was born.

“This…”

However, Hai Kun was trembling all over, and slowly walked out of the hall, staring at the distant sky, and muttered: “The black mist is flying into the sky, a natural

phenomenon, this… This is the mutation of the Chaos Mountains. Ah.” The sea sharks have passed it down from generation to generation, if there is a change in the Chaos Mountains, there must be a black mist. This is obviously different from the celestial signs and auspicious signs of ancient tombs coming to the world.

Is this the mutation of the Chaos Mountains?

Hearing this, everyone in Yue Wuya was stunned.

“Quick, immediately go to the treasure trove and take out the treasure.” Hai Kun immediately summoned the tribe and shouted excitedly. As long as there is a change in the Chaos Mountains, treasures must be taken out. This is Xuanyuan Huangdi’s will, and it is also the responsibility of the sea sharks to stick to the millennium.

However, when the voice fell, no one from the surrounding sea sharks stood up.

Seeing this scene, Hai Kun was a little embarrassed. The place where the treasure was placed is on the bottom of the coral island, which is 1,000 meters below the seabed. Only people with good water quality and strong strength can go down. However, the most powerful members of the sea shark tribe are just now with Yue Wu Ya played against each other, and they were all injured and needed to rest.

At this time, Yue Wuya stood up and said seriously: “Otherwise, I’ll go.”

Although Hai Kun didn’t say it, Yue Wuya also knew that the place to prevent treasures must be very dangerous, so these people from the sea shark tribe , did not dare to go easily.

“You?”

Hai Kun suddenly hesitated. The treasures on the bottom of the sea have been guarded by the sea sharks for thousands of years, and they have always protected this secret, never letting outsiders know about them. After all, treasures are no trivial matter.

Yue Wuya saw his worries and smiled: “The patriarch said just now that this treasure is related to the safety of the Kyushu continent. As a member of the Kyushu, it is understandable for me to do my part.

” Hai Linger said quickly, “Father, let Big Brother Wuya go, I’ll accompany him.” When he said this, Hai Linger’s face was full of requests.

At this moment, Han Bing was about to speak, but with Yue Wuya, she held back when she saw Hai Linger speak first, and at the same time, a smile appeared on her delicate face.

Han Bing had intended to match Yue Wuya and Hai Ling'er for a long time. Why was he unhappy when he saw that they had the opportunity to get along alone?

"Okay!"

Seeing his daughter speak, Hai Kun no longer hesitated and nodded: "Then be careful."

Yue Wuya hummed, looked at Hai Linger with a smile, and was about to leave. Kun smiled and said, "What are you doing in such a hurry? You can't find it without a chart."

Saying that, Hai Kun ordered someone to get some fish oil and smear it on the chart.

The next moment, an astonishing scene appeared, and I saw that another pattern appeared on the chart, which was the line that went deep into the sea.

Amazing.

Seeing this, Yue Wuya couldn't help but admire secretly, the sea sharks are so smart, there are secrets hidden on this chart.

Tang Qingyun on the side also widened his eyes, his inner breath was very complicated.

Madd, it turns out that fish oil is the only way to do it. No wonder I haven't been able to find the key.

At this time, Yue Wuya took the chart and jumped into the sea with Hai Linger under everyone's attention, diving towards the bottom of the sea.

Chapter 2353

As the princess of the sea shark clan, Hai Ling'er entered the sea like a duck to water, she swam very fast, and in the blink of an eye, she was under water of dozens of meters.

On the other hand, Yue Wuya seemed a little clumsy.

Hai Ling'er looked back at Yue Wuya, couldn't help but pursed her lips and swam back. Holding Yue Wuya's hand, he mouthed at the same time: I'll take you with me, but you have to protect me.

Feeling the softness of Hailinger's jade hand, Yue Wuya felt a warm current in his heart, and then nodded.

The next moment, the two continued to dive towards the depths of the sea.

Yue Wuya entered the seabed for the first time and was shocked to see the underwater world of light and shadow in front of him.

After an unknown amount of time, they finally reached the bottom of the sea. Hai Linger and Yue Wuya took out the chart and quickly found the place where the treasure was placed.

hiss!

Seeing the scene in front of him, Yue Wuya was shocked and shocked.

I saw that there was a huge underwater cave in front of me. The cave was full of colorful and strange seaweeds. The cave was not big, but it shone with a charming blue light.

Not only that, there are many boulders within a hundred meters around the cave. The boulders seem to be chaotic, but there are traces to follow.

Yue Wuya knew that these boulders were actually a formation, just in case, the treasures inside were destroyed by sea fish or found.

However, with the route instructed by the chart, Yue Wuya and Hai Linger easily reached the entrance of the cave.

Afterwards, Yue Wuya used his inner strength to break the protective film and took out the treasure. The treasure was a huge stone box covered with ancient words.

Yue Wuya couldn’t understand it, so he tried to open the stone box, but he couldn’t open it. Finally, he found that there was a circular depression above the box. Obviously, to open the box, something was needed, and this thing was a circle. of.

Knowing this, Yue Wuya no longer insisted, and decided to bring the box with Hai Linger to talk about it.

Of course, the stone box was dragged by Yue Wuya, and Hai Linger led the way.

Just after ascending a few hundred meters, Hai Linger found something, and her delicate body trembled.

hiss!

Yue Wuya couldn’t help taking a breath of cold air, and quickly stopped, and saw that in the water ahead, a giant shark stopped there, slowly wagging its tail, as if it was resting.

However, Yue Wuya saw that the shark’s eyes were open.

At this time, the shark also discovered them, and immediately, Yue Wuya and Hai Linger were a little nervous. Speaking of which, Yue Wuya was not afraid of sharks, but now with the stone box in his hand, it was difficult to protect Hai Linger. clam down.

But as a result, the shark confronted them for more than ten seconds, but did not attack at all.

what's the situation?

Yue Wuya frowned secretly, very puzzled, you must know that sharks are very ferocious, especially when they meet people, most sharks will take the initiative to attack. And this one in front of him is really abnormal.

At this moment, Hai Linger pulled Yue Wuya and motioned to continue to float.

Yue Wuya nodded, and then the two continued upstream.

wrong.

Just after swimming for more than ten meters, Yue Wuya suddenly thought of something, a cold light flashed in his eyes, he stopped immediately, and turned his head to lock on the giant shark.

Seeing Yue Wuya stop, Hai Linger was very curious and waved at him, asking what was going on. You can't speak underwater, you can only rely on body language.

Yue Wuya signaled Hai Linger not to panic, and at the same time stared at the giant shark.

At this moment, a startling scene appeared.

I saw the giant shark's mouth, which was slowly pushed up and opened from the inside, just like being pushed open by a door. Then, a person stretched and came out of the shark's mouth.

With a bald head, handsome and stylish facial features, but with an evil spirit, it was Duan Yu.

Chapter 2354

Duan Yu has a keen talent and is also a rare cultivation wizard. After subduing this giant shark a few days ago, while adapting to the sea environment, Duan Yu also has a very high comprehension. An underwater breath-holding stunt, this stunt can hold your breath for hours in the water.

Under such circumstances, every time Duan Yu took a rest, he would drive a giant shark to dive into the deep sea, and it was precisely because of this that Yue Wuya led the blood shark pirates and never found his whereabouts.

A day ago, Duan Yu passed through the vortex and rapids area and discovered the coral island. At that time, he thought of occupying this place as king, but Duan Yu did not act rashly, but dived into the deep sea and rested in the mouth of the giant shark.

This rest is more than ten hours. It just so happened that Duan Yu just woke up when Yue Wuya and Hai Linger passed by.

This…

Seeing this scene, Yue Wuya was shocked and angry.

Duan Yu is worthy of being his father's old enemy. In this vast sea, he not only tamed a giant shark, he could even lurk under the deep sea to rest.

No wonder his whereabouts have never been found before.

Yue Wuya clearly felt that Duan Yu at this time was full of energy and had a very strong breath.

hiss!

Hai Ling'er also trembled.

Isn't this the bad guy who chased him before? In the mouth of the giant shark? It's broken, are you and Wuya big brother in danger?

Swish!

At this moment, Duan Yu also saw Yue Wuya two. The expression was startled at first, followed by the incomparable ecstasy in the heart.

Haha… It really takes no effort to get through the iron shoes.

In the past few days, Duan Yu was almost forced to retreat by Yue Wuya. He was very annoyed. He was thinking about how to think of a way to kill this kid, but he didn't expect to meet him at the bottom of this deep sea.

Thinking to himself, Duan Yu's eyes were again attracted by the big stone box in Yue Wuya's hand.

Such a simple box must have treasures.

Although Duan Yu didn't know the origin of this box, he knew that the things that Yue Wuya ventured into the bottom of the water to get must not be ordinary things.

hum!

Duan Yu didn't hesitate, his inner strength exploded in an instant, his eyes locked on Yue Wuya, he raised his hand, opened the axe and shook hands tightly, and then went straight to Yue Wuya.

In the past few days, Duan Yu's understanding of strength in this sea environment has improved a lot.

I saw that the moment Duan Yu rushed over, the surrounding sea water surged in an instant, which was amazing.

Made!

Seeing Duan Yu erupting, Yue Wuya scolded secretly and tried to keep calm. Fortunately, he was careful just now and looked back, otherwise, wouldn't he be attacked by Duan Yu?

Thinking to himself, Yue Wuya immediately summoned the Overlord Hammer and attacked it.

Seeing this scene, Hai Ling'er couldn't tell how worried she was. Because she couldn't speak, she could only cover her mouth and watch the situation closely.

"Huh!"

At this moment, Duan Yu rushed to the front, raised his hand and waved, and saw a violent force burst out from the opening axe. The next moment, a touch of golden light seemed to tear the seabed into two pieces. The world is sweeping towards Yue Wuya!

At this moment, Duan Yu revealed a cruel sneer.

Although this kid has the Overlord Hammer, he is not his opponent at all.

Yue Wuya's face was cold, and he waved the Overlord's Hammer, a violent force greeted him.

"Om!" In the

next second, the Overlord's Hammer and the Heaven-Opening Axe collided, as if an earthquake had been triggered on the bottom of the sea. A strong roar was heard, and Yue Wuya was shaken back several dozen meters, his face pale.

And Duan Yu’s figure swayed, and soon, he stabilized in the water.

Obviously, Yue Wuya suffered a loss from the attack just now.

Haha…

Duan Yu laughed wildly in his heart, took advantage of the situation to pursue, and charged again.

Mad, this Duan Yu is really strong.

Chapter 2355

Yue Wuya only felt his blood churn, and was very shocked. Seeing Duan Yu rushing again, he instinctively wanted to retreat, but when he thought of Hai Linger next to him, he immediately dismissed the idea.

Kill me first, come on.

Yue Wuya gritted his teeth secretly, clenched the Overlord Hammer tightly, and fought fiercely with Duan Yu again.

Speaking of which, it was the first time for the two of them to fight underwater, and they had no experience at all. Moreover, due to the environment and water pressure, their internal strength could not be fully exerted, but even so, during the battle between the two, the surrounding sea water was boiling. The surging, like overturning the river, is amazing.

call!

Seeing Yue Wuya being suppressed by Duan Yu, Hai Linger was so anxious.

In the next second, Hai Ling’er made up her mind, swam in quickly, and decided to help Yue Wuya.

When Hai Linger was dozens of meters away, the figure stopped, raised her left hand, and came out holding a blue longbow, which was covered with pearl accessories, which was very beautiful.

Hailing’er’s longbow, called the scale of the ocean, is made from the bones of coral arowana and is full of spirituality.

“Om!”

At this moment, Hai Linger's right hand was raised, and her slender fingers hit the bowstring, but the bowstring was not seen, but Hai Linger's posture was clearly like a shot.

In the next instant, Hai Ling'er's internal force was surging, and then, the sea water in front of her suddenly oscillated, and a feather arrow condensed by sea water aura and internal force quickly condensed and formed.

The sea sharks have been guarding the Guixu sea area for thousands of years. They are very familiar with the sea. The exercises they practice are also inseparable from the sea. On land, the sea sharks may be very weak, but in the water, they are not afraid of any strong ones. .

laugh!

In a short blink of an eye, the feather arrow separated from the water stream, rushed out, and flew towards Duan Yu in an instant!

Duan Yu's attention was all on Yue Wuya, and he never thought that the girl who had been chased by him before would suddenly attack him.

This arrow stabbed Duan Yu's shoulder fiercely.

hiss!

Duan Yu's body trembled, and he couldn't help taking a breath of cold air.

Taking advantage of the opportunity, Yue Wuya waved the Overlord Hammer and smashed directly at Duan Yu.

Duan Yu hurriedly parried, but he was severely injured by the arrow, and his internal strength was too late to stimulate, and he spat out a mouthful of blood, and his body was directly shaken ten meters away.

Under the injury, even if he has the axe, he can't resist this blow!

Suffer!

Yue Wuya roared wildly in his heart, and took advantage of the situation to pursue.

Duan Yu didn't have time to think, turned to avoid, the Overlord Hammer directly hit the giant shark's head, saw the giant shark's huge body, twitched violently a few times, then sank, lost breath, a large amount of blood gushed out, The sea water within a few hundred meters around was dyed red.

Made!

Seeing this scene, Duan Yu was furious. He didn't expect that instead of killing Yue Wuya, he was severely injured by him. Now, the giant shark that he managed to tame has also been killed.

At this moment, Duan Yu wanted to kill Yue Wuya very much, but he was afraid of Hai Linger's feather arrow. Taking advantage of the blood around the sea, Duan Yu didn't hesitate and turned around and ran.

However, when he fled, Duan Yu did not look back at Yue Wuya's direction, his eyes were blood red, full of anger and hatred.

Boy, if I don't kill you, I won't be Duan Yu.

Soon, Duan Yu disappeared into this sea area.

Made!

The blood gradually dissipated, and seeing that Duan Yu was gone, Yue Wuya smashed the stone box with a ruthless punch, letting the bastard run away again.

At this time, Hai Ling'er swam over, took Yue Wuya's arm, pointed to the sea, and motioned to go up first.

The surface is calm, but Hai Ling'er is also a little scared in her heart. Thinking of the scene just now, her heart palpitates. Fortunately, if the two of you and Big Brother Wu Ya encounter this bad person alone, the consequences will be disastrous.

Yue Wuya nodded, and then the two of them went upstream.

After a while, the two finally surfaced.

Whoops!

At this moment, Hai Kun, who had been waiting for a long time, and everyone from Bingbing suddenly gathered around.

The ultimate husband in Chinese chapter 2356-2360

Chapter 2356

"I got the treasure."

"It's great, but it's been so long, we're really worried…"

"What a big stone box."

At this moment, many people opened their mouths, and at the same time curious Looking at the stone box.

Han Bing was very thoughtful. Seeing that Yue Wuya's face was a little pale, he couldn't help but ask, "Brother, have you encountered any danger?"

Shuh!

As soon as the voice fell, Hai Kun and everyone's eyes converged on Yue Wuya.

Yue Wuya took a deep breath and said indifferently, "I met that scumbag Duan Yu." As he spoke, he repeated what happened just now in detail.

What?

Han Bing's delicate body trembled, very surprised.

That Duan Yu was so cunning, he had been hiding in the bottom of the sea before? He also used the giant shark to cover up his whereabouts. If this person is not eliminated, there will be endless troubles.

Tang Qingyun, who was beside him, frowned secretly, and there was a strange look in his eyes.

But Tang Qingyun didn't say anything, just stood quietly.

At this time, Han Bing reacted and joked at Hai Linger: "I didn't expect that the two of you joined forces to beat the wicked Duan Yu away. I was thinking, are you two a couple arranged by God? Hee hee. …"

Swoosh!

This chapter is provided by . Visit for daily update.

Although Hai Ling'er is inexperienced in Jianghu, Bingxue is smart, how could she not understand what Han Bing said, her delicate face instantly blushed, and she was indescribably charming.

Yue Wuya also blushed, very embarrassed.

But soon, Yue Wuya thought of something, and asked Hai Kun: "Patriarch, the treasure has been brought up, please open the stone box, take out the treasure, and help us resist the Rakshasa army.

" The situation must be tense, Yue Wuya thought about it, and immediately returned to the mainland to help the Kyushu mainland resist.

As for chasing Duan Yu, we can only wait until later.

“This…” Hai Kun pondered for a while, and said in a very complicated way: “When Xuanyuan Huangdi gave us treasures, he only said that we should guard them, and he did not give us the right to use them, so what is inside? My people have never opened it.”

What?

Hearing this, Yue Wuya was stunned.

This sea shark has guarded the treasure for thousands of years, but they don’t know what is inside, and there is no way to open it? This… how should this be?

Just when Yue Wuya was secretly depressed, Hai Kun smiled and continued: “Xuanyuan Huangdi is very clever and resourceful, and he must have put the key to open the treasure chest somewhere in the Kyushu mainland. Someone stole the treasure.”

Hmm!

Yue Wuya nodded secretly, it seems to make sense to say so, separate the treasure chest from the opened things, so that even if some people with good intentions get it, it is useless.

“Okay.”

At this time, Hai Kun looked solemn and said, “Since there is a mutation in the Chaos Mountains, it must be the Rakshasa tribe who invaded the Kyushu Continent, and the situation is critical. Since you and this brother Yue are so connected, Linger, Just take the treasure chest and go to the mainland with them to find a way to open the treasure chest and help the continent of Kyushu.”

Said, Hai Kun looked around at the others: “Other clansmen, prepare immediately and return to the mainland.”

After saying the last sentence, Hai Kun looked at the direction of the Kyushu Continent from afar, with incomparable emotion, and muttered in his heart: The duties of the sea sharks have finally been completed, and it is time to go back.

Um!

Hai Ling’er nodded.

Yue Wuya didn’t hesitate, called Xue Luo Siyan, put the stone box on the boat, and then took Hai Linger and the blood shark pirates, and headed for the Kyushu mainland.

As soon as the forefoot left, under the order of Hai Kun, the entire sea shark clan quickly got busy and started to migrate.

On the vast sea.

Chapter 2357

Yue Wuya, Han Bing, Hai Ling'er, stood on the bow of the boat, with a calm expression, but there was a trace of anxiety on his brows.

Behind him, Xue Luo Siyan, Tang Qingyun and others stood there quietly guarding.

"Brother, what do you think of the situation in Kyushu Continent now?" Finally, Han Bing couldn't help but said.

Yue Wuya shook his head: "Who knows, but I guess, it's definitely not optimistic. After all, the Beiying army has been conquering all the roads before, and several continents have suffered greatly because of the battle."

Yue Wuya said, Glancing at the stone box placed there, he frowned and said, "I don't know what's in it, but we must guard it strictly and make no mistakes."

Hearing this, Han Bing and Hai Ling'er both A serious nod.

"Young Master Yue!"

At this moment, Tang Qingyun stepped forward with a smile, with a sincere and respectful look on his face: "If the Kyushu continent is in trouble, everyone is responsible, why don't you leave this stone box to my care, I promise, as long as Tang Qingyun lives, the box will never be lost."

When he said this, Tang Qingyun smiled, but treacherousness flashed in his eyes.

Yes, Tang Qingyun wanted to steal the treasures in the box. After going through all kinds of difficulties and dangers before, he finally arrived at the coral island. In the end, he was caught by Yue Wuya. What made him even more unacceptable was that the secret treasures in the sea that he had been thinking about were also unacceptable. It fell into Yue Wuya's hands.

Tang Qingyun thought about it, first gain the trust of Yue Wuya, get the right to guard the treasure chest, and then look for an opportunity to take out the treasure and leave.

Hehe…

Yue Wuya chuckled and looked at Tang Qingyun: “Tang Qingyun, do you think I’m a three-year-old child? It’s impossible for you to keep the treasure chest until I’m sure if you are 100% loyal. .”

Yue Wuya has experienced many ups and downs since childhood, and has a mature mind. He can guess Tang Qingyun’s mind at a glance.

Uh…

Hearing this, Tang Qingyun blushed and stepped back in embarrassment, with a humble smile on his face, but his heart was full of anger.

Mad, the master of his own dignified family, can’t even play with a teenage child. No, he must find a way to steal the treasure chest and leave.

Seeing Tang Qingyun retiring with interest, Yue Wuya ignored it.

In the next second, Yue Wuya looked at Hai Ling’er and smiled: “This box has been guarded by your sharks for thousands of years, so you should keep this way, remember, except for me and Sister Han Bing, No one is allowed to approach the treasure chest.”

Hmm!

Hai Ling’er nodded heavily and said with a shallow smile, “I see, Big Brother Wuya.”

…..

On the other side, in a cave in a valley more than ten miles away from the Chaos Mountains.

Buzzing…

Yue Feng sat cross-legged, a powerful force lingering around him, and the momentum was amazing.

If anyone is present at this time, they will be surprised to find that Yue Feng’s internal strength can’t help but become more and more vigorous and pure.

call!

Finally, Yue Feng took a deep breath, opened his eyes suddenly, and a touch of golden light flashed away. At the same time, it is indescribably exciting!

Cross the Tribulation Realm!

Hahaha… I finally broke through the Tribulation Transcendence Realm.

Excited, Yue Feng stood up at once, put the body of Guiguzi next to him in the patio where Dragon Ball was found, and then covered it with boulders. It's not a disgrace to his identity.

After doing all this, Yue Feng took a deep breath and rose directly into the sky.

boom!

A terrifying force erupted, and Yue Feng, like a cannonball, directly broke through the cave, the entire hill collapsed, and Yue Feng's figure reached the sky in the blink of an eye.

I, Yue Feng, are back!

Breathing the air outside, Yue Feng felt like he had passed away, shouted in his heart, and flew towards the Chaos Mountains.

Chapter 2358

At this moment, at the foot of the Chaos Mountains!

On the battlefield that stretched for dozens of miles, the ground has been dyed red with blood. The Kyushu continent, the major sects of the elder brother, and the various armies, under the impact of the Rakshasa tribe, almost collapsed, one by one fell into a pool of blood!

The two sides have been fighting here for two days and two nights.

At that time, when Yang Jian was still there, the Kyushu Continent seemed to have a reassurance. After all, with Yang Jian's strength, he could kill a huge giant with one blow. However, two days ago, Yang Jian and Rakshasa King fought fiercely and finally fell into the ruins. , so far there is still no audio.

In the absence of Yang Jian, Ju Kui seemed to have no natural enemies and swept the battlefield unscrupulously.

Under such circumstances, people in the Kyushu Continent continued to suffer casualties. In the past two days and two nights, more than 100,000 people were injured or killed. It can be said that the casualties were heavy.

However, even if the enemy is strong and we are weak, the Kyushu Continent is still clenching its teeth.

boom!

Suddenly, when the two sides continued to fight, only a loud noise was heard, which suddenly came from the mountains and forests not far away.

This loud noise was like a thunderstorm, whether it was everyone in the Kyushu continent or the Rakshasa army, they were all shocked.

Wen Chou Chou's face changed in the battlefield, and he frowned: "What's going on?"

After saying that, Wen Chou Chou looked back.

At the same time, many people on the battlefield also watched.

This…

At this moment, everyone in the audience was stunned.

I saw a small mountain completely collapsed in the forest more than ten kilometers away, and within a thousand kilometers of the surrounding area, a cloud of dust filled the air.

And above that piece of dust, in mid-air, there is a figure that is particularly conspicuous, and this figure, justice came at the speed of lightning.

It is Yue Feng!

Seeing this scene, everyone in the Kyushu mainland was in an uproar.

Isn't this… Yue Feng failed to break through and has no internal strength? Why….

Everyone clearly felt that at this time, Yue Feng's inner strength was pure and deep, and his temperament and aura were much stronger than before.

And Ren Yingying, Xiao Yuruo, Ye Ziyi and the others were all trembling, weeping with joy, and shouting at the same time.

"Yue Feng!"

"Yue Feng, I knew you wouldn't leave us…"

At the same time, on the side of the Rakshasa army, Meng Lang stood on the station bus, staring closely at Yue Feng in the air, his heart Full of shock.

Who is this person? Strength.. so strong!

"Haha…" Sun Dasheng was extremely excited. At this time, he was covered in blood, but his eyes were full of excitement and excitement: "Fengzi, you are finally back."

Wen Chou Chou also showed a smile.

The three brothers looked at each other and laughed, and then, Yue Feng looked at the Rakshasa army opposite, and his heart was shocked, and he couldn't help gasping for air.

There are so many people in this Rakshasa clan? Densely packed, I'm afraid there are millions of people, right?

Moreover, the strength of the soldiers is generally much stronger than that of the Kyushu Continent.

The next second, when he saw the mainland of Kyushu in the battlefield, the dead were dead and the wounds were wounded. Suddenly, Yue Feng's eyes were extremely red.

"Breaking my homeland and hurting my compatriots, you should all be damned!" A cold voice came from Yue Feng's mouth, and in the next instant, Yue Feng raised his hands suddenly! There is a terrifying aura all over the body!

"Big Sky Breaker!"

Yue Feng almost roared out, pointing at the Rakshasa army.

"Om!"

In an instant, the wind was surging, and a terrifying force condensed and swept down! Go straight to the ground!

"Ah…"

All of a sudden. Under the raging force of terror, thousands of soldiers screamed and fell into a pool of blood!

At this moment, the Kyushu Continent was full of cheers and excitement!

On the side of the Rakshasa army, everyone is afraid! Shocked!

Who is this person?

How can the strength be so terrifying? !

Standing on the bus, Meng Lang clenched his fists and turned to ask Xu Qingyi, "Who is this person?"

Chapter 2359

Xu Qingyi bit her lip tightly, looked at Yue Feng in midair, and said softly: “This person is the Yue Feng I told you before, the emperor of Xi Cang, the lord of Tianmen, the hero of the Kyushu continent !”

Yue Feng? !

Hearing this, Meng Lang’s heart was shocked, and he was speechless.

Because when I asked about the situation in the Kyushu continent before, Xu Qingyi often mentioned this Yue Feng. At that time, Xu Qingyi told Menglang that the Rakshasa tribe really wanted to conquer the Kyushu continent, and there were two people who could not be ignored, one was Yang Jian and the other was Yue Feng .

At this time, Meng Lang looked at Yue Feng and muttered to himself, it turns out that this person is Yue Feng, no wonder he is so strong.

“Come to sign up!” At this moment, Meng Ao, standing proudly on the battlefield, asked Yue Feng word by word.

“Yue Feng!” Yue Feng responded coldly.

“Yue Feng? Good, very good.” Meng Ao stared at Yue Feng tightly, his face full of grimness, he raised his hand and waved: “The warriors obey the order, kill all the enemies, and this Yue Feng, I want to cut it all down. Block!”

This person killed thousands of his clan with one skill, unforgivable.

“Kill!” The

voice fell, and the Rakshasa army responded in unison, rushing up like a tide.

Meng Lang was so anxious that he shouted, “Brother, don’t be impulsive!” The person in front of him was Yue Feng, which should not be underestimated.

But it’s too late.

“Hahaha…”

Looking at the swarming Rakshasa soldiers, Yue Fengyang laughed loudly, Fang Tianhuaji appeared in his hand instantly!

“With me, Yue Feng, you can never think of harming the continent of Kyushu.” Yue Feng let out a long roar, his body filled with a strong fighting spirit, turned around and shouted at everyone in the continent of Kyushu: “Defend your homeland, kill!”

At this time, the Kyushu Continent, whether it is all sects or the army, has been exhausted, but the arrival of Yue Feng has made everyone's morale soar!

"Kill! Defend the homeland!"

"Kill!" A

burst of howls came, Yue Feng held Fang Tianhua halberd and rushed into the enemy army!

"Rakshasa, you invade the Kyushu Continent and start a war, the crime cannot be punished!" A cold voice came from Yue Feng's mouth.

In the next second, a violent aura burst out from Yue Feng's body, and immediately, the figure leaped into the sky and slowly raised his palm!

"The Promise Fortune Palm!" The

five words came out of Yue Feng's mouth, like a blast of thunder!

boom!

The moment the voice fell, the surrounding air was instantly distorted, and an extremely terrifying storm swirled in the air, and then a palm shadow with a diameter of several thousand meters fell.

"Om!"

In a radius of 100 miles, the dust filled the air!

"Hu! Hu!"

Everyone's heart was trembling, and they saw that in the palm-shaped pit, tens of thousands of Rakshasa soldiers, their bones were all broken, and they fell in a pool of blood.

Not only that, but a giant was shot to death directly.

hiss!

Seeing this scene, many Rakshasa soldiers broke out in cold sweat and couldn't help gasping for air.

This… this person's strength is too terrifying.

Meng Ao was also stunned, watching Yue Feng closely, his heart was full of shock, but at the same time, his eyes flashed with endless fighting intent.

Unexpectedly, there are such powerful characters in the Kyushu Continent.

“All the warriors obey the order and withdraw their troops immediately, hurry up!” At this moment, Meng Lang rushed into the sky and shouted.

First it was Yang Jian, and now it was Yue Feng, the Nine Provinces Continent Hidden Dragons and Crouching Tigers, this battle cannot continue, otherwise, the Rakshasa clan will become more and more passive.

Whoa!

This time, the Rakshasa army obeyed Meng Lang’s orders, including Meng Ao, and was no longer as reckless as before, and quickly retreated.

call!

Seeing this scene, Yue Feng’s face was solemn, and he was about to take advantage of the situation to pursue. That is, at this moment, when he saw the two slender figures beside the chariot in the army, Yue Feng was shocked and suddenly stunned.

Yue Feng saw two slim figures, one floating like a fairy, the other graceful and charming.

It was Su Qingyan and Xu Qingyi!

Chapter 2360

“Fengzi!” At this moment

, Sun Dasheng walked over quickly, his face full of impatience, and shouted: “Go after it.”

At this time, Sun Dasheng was all covered with blood, and for two consecutive days After the fierce battle, he was exhausted, but the arrival of Yue Feng turned the tide of the battle, and Sun Dasheng suddenly had a high fighting spirit.

Sun Dasheng has a straight personality and is full of blood. At this time, he just wants to completely defeat the Rakshasa clan and avenge the dead Kyushu compatriots.

“Great Sage, don’t be impulsive.” Yue Feng shook his head.

What?

Sun Dasheng was stunned, suddenly anxious: “This is a good opportunity. Why don’t you pursue it?” As

soon as he finished speaking, Wen Chouchou came over, a bit helpless on his tired face, and smiled bitterly at Sun Dasheng: “Dasheng, Listen to Fengzi’s words, don’t be reckless, everyone is exhausted, it’s inappropriate to pursue rashly, you have to understand that poor thieves don’t chase…”

Wen Chou Chou is a steady and meticulous person, and at this time he did not hesitate to stand in Yue Feng’s position.

“But…” Sun Dasheng was very angry, sighed heavily, and said no more.

At this moment, Yue Feng looked at the direction of the retreat of the Rakshasa army, and said slowly: “I also want to take advantage of the situation to pursue, but I can’t guarantee that the Rakshasa tribe will set up an ambush. We have to guard against it, and…”

Said Then , Yue Feng’s tone became complicated: “Also, Qingyan is in the Rakshasa army.”

What?

Hearing this, whether it was Wen Chou Chou, Sun Dasheng, or the others around, they were all taken aback.

Su Qingyan is in the Rakshasa army? How is this possible?

Before the fierce battle between the two sides, Su Qingyan and Xu Qingyi had been standing by the chariot in the rear to watch. The situation was chaotic at the time, so Wen Chou Chou and everyone did not find out. Now, the Rakshasa army is retreating rapidly, and everyone can’t see it even more. .

“Are you sure?”

Finally, Wen Chou Chou reacted and looked at Yue Feng closely: “If it is true, then we really can’t act rashly.”

Yue Feng nodded, he saw clearly just now, Su Qingyan and Xu Qingyi followed the chariot and retreated with the Rakshasa army, and the two women were not bound by any restraints, so they were obviously not threatened.

This is also the place where Yue Feng can’t understand and dare not act rashly.

If the two of Su Qingyan were caught, they should have been tied up, but just now, he found out that the two of Su Qingyan were taking the initiative to follow the Rakshasa clan.

How could this be?

Su Qingyan and Xu Qingyi are both famous talented women in the Kyushu mainland. They are very firm on the righteousness of Kyushu, and it is impossible for them to join the Rakshasa.

Thinking to himself, and facing Wen Chou Chou's question again, Yue Feng took a deep breath, shook his head and said, "I won't get it wrong, let everyone go back to the camp to rest, recharge, and then make plans."

Well!

Wen Chou Chou responded, immediately greeted everyone, returned to the camp to rest, and at the same time arranged for people to clean up the battlefield and bury the dead.

A few hundred meters away, the Northern Ying army also suffered heavy casualties.

At this moment, Zhang Jiao stood there, looking closely at Yue Feng, his complicated face was even more shocked and puzzled.

How can it be? Before this kid survived the hardship, he became a cripple, and it was impossible to cultivate his inner strength, but now, not only has his inner strength been restored, but he has also broken through the transcendence realm.

How did he do that?

Gong Gong next to him was also trembling, and his thoughts were surging when he looked at Yue Feng.

He's back in strength, which is great. You don't have to feel guilty anymore. At this time, Gonggong wanted to come over and apologize to Yue Feng, but thinking of his own identity, he held back.

"Bury the fallen soldiers." Finally, Zhang Jiao reacted, stopped looking at Yue Feng, and commanded the soldiers around him: "Also, Tian Yuqi will gather immediately, follow me to the ruins of the Chaos Mountains, and look for Your Majesty, hurry up."

Yue Fengneng To regain his strength, he is lucky. The most important thing now is to find Yang Jian quickly.

"Yes, military advisor!" The voice fell, and the surrounding soldiers responded in unison.

Soon, hundreds of Tian Yuqi quickly assembled and rushed towards the ruins with Zhang Jiao.

the other side.

Yue Feng and the Alliance Army returned to the camp and saw that many sects and forces were missing. They learned that they were all shocked by the power of the Rakshasa clan and left.

In particular, the Huanyin Sect and Xiyan Pavilion in the Yellow Sea Continent were all taken away by Yu Wenyan.

Hearing about these circumstances, Yue Feng clenched his fists and was very annoyed. This Yu Wenyan, at an emergency moment when the Rakshasa army was crushing the realm, avenged his personal revenge. Leave.

The ultimate husband in Chinese chapter 2361-2365

Chapter 2361 When

you see this woman in the future, you must teach him a lesson.

…..

On the other side, in the vast sea.

Yue Wuya led the blood shark pirates and drove thousands of ships to sail fast. It has been sailing all night and day.

At this time, when night fell, Yue Wuya and many pirates entered the cabin to rest. After sailing for nearly two days, everyone was exhausted.

However, Han Bing was very thoughtful, and at her suggestion, Yue Wuya divided the pirates into three groups, one group was manipulating the ships, one group was guarding the surrounding area, the other group was resting, and the three groups were on duty in turn.

At this time, Tang Qingyun stood on the deck, watching the surrounding sea.

Yes, when night falls and it's time for a shift change, Tang Qingyun, as a surrenderer, also needs to be on duty with the pirates.

Next to him are several pirate powerhouses. These pirate powerhouses are powerful, and their position in the blood shark is second only to blood Luo Siyan.

Tang Qingyun's face was calm, and he seemed to be watching the surrounding sea, but he was secretly anxious.

How to do? Yue Wuya doesn't trust him. Once he returns to the mainland, he will definitely hand him over to Yue Feng. At that time, if Yue Feng is charged with fleeing without a fight, he will surely die.

However, surrounded by the vast sea, even if you leave, there is no way to go.

The more Tang Qingyun thought about it, the more anxious he became.

"Look, there is a situation over there."

At this moment, a strong pirate next to him found something and couldn't help but said.

This chapter is provided by . Visit for daily update.

Swish!

In an instant, everyone looked at them immediately, and all of them became alert. They saw that on the sea a few hundred meters away, a giant shark was swimming quickly with its fins exposed.

There seems to be a person lying on the back of the giant shark, but it is far away, and because of the waves, it is not clear at all.

Seeing this, several pirate powerhouses hurriedly discussed it.

“Could it be that Duan Yu? Or, go and report to the leader?”

“No, the giant shark that Duan Yu tamed was killed by the leader.”

“I also think it’s impossible, maybe the giant shark took the small shark with him . , Come and play on the water, we are all too nervous.”

Listening to their discussion, Tang Qingyun was inexplicably excited, and his mind quickly turned.

If Duan Yu came, he would definitely have a fierce battle with Yue Wuya. At that time, he would be able to take advantage of the chaos and leave in a small boat.

At this moment, the giant shark is here.

Duan Yu was lying tightly on the back of the giant shark, trying to use the cover of the sea to get closer.

Yes, this giant shark was re-tamed by Duan Yu. He met Yue Wuya at the bottom of the sea before, and was seriously injured by Yue Wuya and Hai Linger working together. The giant shark also died, and Duan Yu was very annoyed.

After re-taming a giant shark, Duan Yu learned that Yue Wuya led the pirate fleet back to the mainland, and followed quietly.

Duan Yu was very cunning. Instead of standing on the back of the giant shark, he was lying there. With the help of the seawater, those pirates would not have discovered it the first time. When that time came, they would be able to make a surprise attack.

At this moment, there was a layer of fog on the sea, and everyone couldn’t see the giant shark at once.

“Mad, I can’t see it anymore!”

At this moment, several pirate powerhouses did not dare to neglect, looked at each other and discussed countermeasures.

“What should I do?”

“Whether it’s a giant shark with a small shark or a real Duan Yu, we can’t let our guard down.”

“Otherwise… who will get on the boat to have a look?” During the

discussion, Tang Qingyun walked quickly. Come, with a serious face: “I’ll go.”

When he said these two words, Tang Qingyun was very sincere, but he was a little excited and nervous.

Haha…

I just can’t leave now. The sea is foggy now. It’s just that the heavens are helping me. I can just leave in a small boat in the name of exploration.

Chapter 2362

“You?”

Several pirate powerhouses were stunned, their eyes focused on Tang Qingyun, all of them were very surprised.

If Duan Yu was really on the back of the giant shark, it would be life-threatening if he approached it rashly.

This Tang Qingyun, although strong, is not Duan Yu’s opponent.

“Several!”

Seeing their hesitation, Tang Qingyun folded his fists and said hypocritically, “I, Tang Qingyun, have received the grace of Young Master Yue for not killing. I have been thinking about how to repay these two days, so please don’t persuade me.

” Then, Tang Qingyun looked at the surrounding fog and continued: “Time waits for no one, we have to quickly find out the situation, if it is really Duan Yu, it will be troublesome.”

Well!

Hearing this, several pirate powerhouses nodded without the slightest suspicion.

Soon, the boat was ready, Tang Qingyun did not hesitate, jumped lightly, jumped on the boat, and drove towards the rear in the fog.

Haha…

At this moment, Tang Qingyun's surface was calm, but his heart was indescribably excited and excited.

These pirates are so stupid that they can easily deceive them with a few words.

Soon, after entering the heavy fog, Tang Qingyun did not hesitate at all, immediately turned the bow of the boat and rowed towards the distance. After Tang Qingyun thought about it, he bypassed Yue Wuya's route and returned to the mainland.

As for the grievances between Duan Yu and them, it has nothing to do with him.

Whoa!

However, just after rowing for more than 100 meters, suddenly, a wave broke out on the sea in front of him. Tang Qingyun was startled.

I saw that the giant shark, who was originally behind the fleet, did not know when it dived over and stopped in front.

On top of the giant shark's head, a figure sat cross-legged.

Bald head, handsome and cold face, showing evil spirit, it is Duan Yu.

Just now, Duan Yu wanted to take advantage of the thick fog to look close to the pirate fleet, but found a person on the boat and quietly followed.

"Tang Qingyun?"

At this time, Duan Yu's eyes locked on Tang Qingyun, and he sneered: "I didn't expect that the head of Tangjiabao also took refuge with Yue Feng's son. Are you here to investigate the situation?

" When Yu and Zhou Qin cooperated, Tang Qingyun was working under Zhou Qin, so he knew it naturally.

When he said this, Duan Yu's tone was leisurely, but his body was filled with a powerful aura.

The terrifying breath made it hard to breathe.

Pfft!

Feeling Duan Yu's terrifying aura, Tang Qingyun couldn't help swallowing his saliva, his legs softened, he knelt directly on the boat, stammered and said, "Duan… Duan Daxia, forgive me, how can I dare to investigate? You? I was caught by that kid Yue Wuya, and now I want to take advantage of the fog to leave. I beg Duan Daxia to spare my life."

After meeting Yue Wuya's siblings on Coral Island, Tang Qingyun only knew that Moroye's side The disciple is Duan Yu, who is a giant of Kyushu.

Faced with this kind of existence, Tang Qingyun was frightened and had no courage to fight at all. You must know that the person in front of him was a ruthless character that even Yue Feng was not afraid of.

At this time, Tang Qingyun wanted to cry but had no tears. He wanted to leave quietly while taking advantage of the fog, but unexpectedly, he ran into Duan Yu.

"Spare your life?"

Duan Yu raised the corner of his mouth, revealing a sneer, and said abusively: "Give me a reason not to kill you, if you say it well, I may consider it." The

voice was not loud, but he was full of aura. , beyond doubt.

In Duan Yu's eyes, people like Tang Qingyun are villains who are greedy for life and fear of death.

Gudong!

Tang Qingyun couldn't help swallowing his saliva, trying to calm himself down, and said with a smile: "Duan Daxia, I have a secret, I hope I can save my life if I tell it."

After speaking, Tang Qingyun cleared his throat, mysteriously He continued: "Duan Daxia still doesn't know, that boy Yue Wuya got a treasure chest on the bottom of the coral island. That treasure chest is related to the safety of the Kyushu mainland. It is said that it can restrain the Rakshasa…" Then, Tang Qingyun put Yue Wu Ya entered the bottom of the sea and took the treasure chest and explained it in detail.

Um?

Chapter 2363

Hearing this, Duan Yu's eyes lit up, and he was immediately interested, and at the same time, he was even more annoyed.

At that time, he and Yue Wuya Hai Linger suddenly met at the bottom of the sea, and they fought without saying a word, and he suffered a big loss.

It turns out… that kid is going to get the treasure guarded by the sea sharks.

This kind of treasure, if you encounter it yourself, you must not miss it.

Thinking to himself, Duan Yu turned his head and looked at Tang Qingyun with a half-smiling smile: “Just telling a secret, you want to save a life? Tang Qingyun, you’re playing a good game. Let me tell you, Yue Wuya. Boy, I will kill him, when the time comes, the pirate fleet will be defeated, and the treasure will naturally fall into my hands.”

After speaking, Duan Yu looked at Tang Qingyun closely: “So, what you said is so secret. , is of little use to me, and has little value.”

“I…”

Tang Qingyun suddenly panicked, dripping with cold sweat, then changed his mind, and quickly said: “Duan Daxia, this way… I will help you get the treasure chest. , I would like to follow you in the future and do my best.”

Duan Yu sneered and said nothing.

Tang Qingyun was so anxious that he continued: “Duan Daxia, I know you are extremely powerful, but there are too many people around that boy Yue Wuya, so it’s not the best way to attack, or let him help you, please believe me… Yes, I have always admired Duan Daxia very much in my heart, and I hope to give me a chance to contribute.”

When he said this, Tang Qingyun looked at Duan Yu closely, panicked.

Tang Qingyun was very reluctant to take the initiative to pledge allegiance to Duan Yu, but there was no way.

Well!

Duan Yu thought for a while, nodded silently, and waved: “Okay, then you can go.”

“Thank you, thank you Duan for your trust, I will definitely live up to my expectations.” Tang Qingyun kowtowed and thanked, and a big stone hanging in his heart finally fell to the ground.

Afterwards, Tang Qingyun and Duan Yu negotiated a plan, then rowed a small boat and returned the same way.

At this time, the fog on the sea surface is getting thicker and thicker.

On the side of the fleet, seeing that Tang Qingyun had been gone for so long and had not come back, several strong pirates thought that something had happened to him, so they hurriedly woke up Yue Wuya and reported the situation.

At the same time, the ice was also alarmed.

At this moment, Yue Wuya and Han Bing stood on the deck, looking at the thick fog on the sea in front of them, both frowning.

“Brother…” Han Bing reacted and couldn’t help but said softly: “Tell me, will this Tang Qingyun deliberately find an excuse to escape?

” Qingyun is a capricious, despicable scumbag.

call!

Yue Wuya took a deep breath and frowned, “It’s very possible that this kind of person is greedy for life and fear of death, and fleeing is his specialty, I guess it’s because we’re afraid, let’s go back to the mainland, hand him over to my father, and take the opportunity to escape. .”

Saying that, Yue Wuya clenched his fists and was very annoyed: “I knew that when I was in Coral Island, I would kill this villain.”

People like Tang Qingyun are just a shit stick, and it is useless to keep them.

“I’m back!”

Just as he was talking, he heard a voice on the sea, and then, he saw Tang Qingyun rowing a boat back.

Um?

At this moment, Yue Wuya and Han Bing were stunned for a moment, and they couldn’t tell the surprise in their hearts.

Tang Qingyun didn’t run? This is a little out of the ordinary, isn’t it?

A few seconds later, Han Bing couldn’t help laughing, and whispered to Yue Wuya: “It seems that we think too much, this vast sea, even if he wants to run, he doesn’t have the courage.”

Hmm!

Hearing this, Yue Wuya nodded silently.

At this time, Tang Qingyun got on the deck and saw that Yue Wuya and Han Bing were both there. He couldn't help but feel a little uneasy, but he still pretended that nothing happened, and said to please: "I have seen Young Master Yue, miss.

" Tang Qingyun!"

Yue Wuya looked at him quietly: "I heard that there was a giant shark behind our fleet, and you went on a boat to investigate, how is the situation?"

"This…"

Tang Qingyun scratched his head, very It was casually said: "The investigation is clear, it is a passing shark, there is no threat, and it has swum far away."

Chapter 2364

Speaking, Yang Qingyun pretended to be very scared: "That giant shark is very big, when I saw it at the time, I was nervous, but I thought about the safety of our fleet and the grace of Young Master Yue for not killing. , My courage has multiplied, I didn't feel afraid at all at the time, but now I think about it, but I feel a little palpitated, hehe…"

Hmm!

Hearing this, Yue Wuya had no doubts, and said lightly: "Always be vigilant, and call me as soon as there is news."

"Yes…" Tang Qingyun nodded again and again, with a pleasing smile on his face, in his eyes But flickering treacherous, at the same time, his heart is also secretly relieved.

This Yue Wuya is young after all, and with a few words of his own, he fooled him.

Yue Wuya didn't talk nonsense, greeted Han Bing, and went back to the cabin to rest.

At this moment, seeing the Yue Wuya brothers and sisters returning to the cabin, Tang Qingyun showed a sneer.

Brat, still want to return to the mainland with treasures? Go dream.

Time passed by minute by minute.

In the middle of the night, the heavy fog covering the sea began to gradually dissipate. There was no special situation for a while. The pirates who were alerting the surrounding area also relaxed their vigilance, and some sat there and took a nap.

Seeing this situation, Tang Qingyun, who couldn't wait, entered the cabin where Hai Linger was.

Before, Yue Wuya asked Hai Linger to personally guard the treasure, and the stone box was in her cabin.

At this moment, in the cabin.

Hai Linger lay there, but did not fall asleep, but looked forward to the moment of landing.

The sea sharks have been guarding the Guixu sea area for thousands of years and have never returned to the Kyushu mainland. The same is true for Hai Linger. Since she was born, the scope of activities is the area of the Guixu sea area. In the records of , I have seen records about the continent of Kyushu.

According to records, the continent of Kyushu is vast, with mountains and rivers, vast plains and picturesque scenery.

These pictures had been imagined countless times in Hai Ling'er's heart and in her dreams, and she also dreamed that one day she would be able to visit the Kyushu Continent to see it with her own eyes.

But now, this wish is about to come true, Hai Ling'er is so excited that she can't sleep.

Shasha…

At this moment, Hai Ling'er heard the sound of light footsteps, and then entered the cabin.

Hai Linger hurriedly sat up, and saw Tang Qingyun tiptoe in, she suddenly panicked: "You…what are you doing?"

"Ah?…Princess Hailing hasn't rested yet?" Tang Qingyun I thought Hai Ling'er was asleep, but when she saw that she hadn't rested, she felt a little flustered.

But Tang Qingyun is an old Jianghu in the end. He rolled his eyes and said with a smile: "That's right, I found other small pirates just now. I'm worried about the box, so I'll come and have a look."

Hearing this, Hai Linger said: "Since this is the case, you go to the outer realm. I have been watching the treasure chest, and there will be no problem."

Hai Ling'er was always vigilant when she said this.

This Mr. Tang, in front of his father, turned black and white and framed Big Brother Wuya, which led to his father's order to let the strong in the family fight with Big Brother Wuya. This kind of person is very hateful.

“Okay!”

Tang Qingyun responded, but didn’t leave immediately. Suddenly, he pointed behind Hai Ling’er and exclaimed, “Be careful, princess, someone broke in…”

Tang Qingyun lied to Hai Linger, there was no one at all.

What?

Hai Ling’er’s mind was pure, and she had no experience in the arena, so her body trembled, and she quickly looked behind her.

Whoosh!

Taking advantage of this opportunity, Tang Qingyun showed a sneer, rushed over quickly, raised his hand and touched several acupoints of Hai Linger.

Hai Ling’er’s cultivation technique can exert great power under water, but in other places, it can only be similar to that of ordinary cultivators, and now, facing the extremely cunning Tang Qingyun, there is almost no defense at all. .

In an instant, the acupuncture point was tapped, Hai Ling’er’s delicate body was shaken, and she couldn’t move.

“you…”

Chapter 2365

Hai Linger was furious and looked at Tang Qingyunjiao and shouted: “What are you doing? Let me go?” Before

she could finish speaking, Tang Qingyun laughed evilly and interrupted her words: “Hai Ling Princess, I’m sorry, for the sake of my safety, I have no choice but to do this, you don’t have to worry, your father treated me as a guest before, and I won’t hurt you.”

Saying so, Tang Qingyun’s eyes, but He couldn’t help looking at Hai Ling’er up and down.

Mad, such a water spirit and peerless beauty, actually fell in love with that boy Yue Wuya at first sight, and Yue Feng, who was also blessed with peach blossoms, and the women around her were all like fairies.

How could He De, the father-in-law, have such luck?

At this time, Tang Qingyun wanted to enjoy Hai Ling’er’s tenderness, but when he thought of his plan with Duan Yu, he held back.

“You…you bad guy, Big Brother Wuya spared you, but you took advantage of her rest to snatch the treasure chest…” Hai Linger’s body was trembling with anger, and she couldn’t help scolding.

“Hehe…”

Tang Qingyun was not angry at all, but said with a smile: “That kid just has a good life. Speaking of it, he is just a reckless man. Well, Princess Hailing, I won’t tell you more, we will have a future. ” When the

voice fell, Tang Qingyun shot Hai Linger’s dumb hole, and immediately, Hai Linger opened her mouth, but couldn’t say a word.

Tang Qingyun did not delay, mobilized his inner strength and got the stone box out.

When he got outside, Tang Qingyun put the stone box on the prepared boat, and then rowed hard and went to the rear. He had agreed with Duan Yu that after he got the stone box, he would meet at the back, because Duan Yu had been driving the giant. Shark, quietly followed behind.

Soon, after rowing dozens of meters away, Tang Qingyun breathed a sigh of relief and shouted at the sea in front of him: “Duan Daxia, I succeeded.”

Whoa!

As soon as the voice fell, Duan Yu, who could not wait for a long time, rode the giant shark to the surface.

“Quick.”

Duan Yu couldn’t restrain his excitement when he saw the stone box on the boat, and shouted, “Throw the treasure over here.”

Tang Qingyun did not dare to go against it, exerted his inner strength, and threw the stone box over.

Duan Yu took it and saw the ancient atmosphere of the stone box everywhere, very satisfied, nodded and said: “Not bad!”

Tang Qingyun flattered: “Duan Daxia, before they find out, take me away quickly. ?” As he said, Tang Qingyun rowed the boat and approached the giant shark.

In the previous plan, Duan Yu promised Tang Qingyun that when he got the treasure, he would let him leave on a giant shark. The speed of a giant shark is not comparable to that of a small boat, and it is also very safe. After all, few creatures in the sea are Shark’s opponent.

“Tang Qingyun?”

“Mad, do you dare to betray the leader?”

At this moment, many pirates on the pirate fleet spotted Tang Qingyun and Duan Yu and shouted angrily. At the same time, they bent bows and arrows and aimed at Tang Qingyun.

At this time, Tang Qingyun was rowing a small boat, still a distance away from Duan Yu. Seeing that he was exposed, he suddenly panicked and shouted: “Duan Daxia, save me!”

Hu!

Seeing this scene, Duan Yu took a deep breath, and without any hesitation, drove the giant shark away quickly, without even looking at Tang Qingyun.

In Duan Yu’s heart, a villain like Tang Qingyun is not worth taking the risk on his own. Anyway, when the treasure is obtained, he will find a place to see what is inside as soon as possible. As for Tang Qingyun’s life and death, he doesn’t care at all.

Seeing Duan Yu abandoning himself without hesitation, Tang Qingyun was furious and pale.

“Release the arrows!”

The pirates were furious, and someone shouted. In an instant, hundreds of pirates released arrows at the same time. For a while, the arrows were raining down. Many pirates were not low in strength. The lightning current star, in the blink of an eye, came to Tang Qingyun’s eyes, and the momentum was amazing.

Made!

Tang Qingyun scolded secretly, and quickly activated his internal strength to deploy a protective film in front of him. However, hundreds of pirate powerhouses fired arrows in unison, with astonishing power.

Chi Chi…

I saw that the protective film was shattered by thousands of feather arrows before it lasted for a few seconds, and Tang Qingyun was on the boat, and there was no time to avoid it. Feather Arrow, like a hedgehog, lost his breath on the spot.

The ultimate husband in Chinese chapter 2366-2370

Chapter 2366

Tang Qingyun didn't understand until he died, Duan Yu was cruel and arrogant, how could he really take him away.

"What's the situation?"

Hearing the movement, Yue Wuya and Han Bing quickly walked out of the cabin. Seeing the chaos outside, Yue Wuya frowned and his face was very ugly.

"The leader, Tang Qingyun Sitong Duan Yu, stole the treasure." The pirate next to him quickly said.

What?

Yue Wuya was startled, his anger was unforgivable, he hurriedly thought about the sea area in front of him and looked at it, and was immediately stunned.

I saw that Tang Qingyun was shot to death on the boat by random arrows, and on the farther sea, a giant shark was carrying a figure, heading towards the distance.

It was Duan Yu!

On the back of the giant shark behind Duan Yu, there was a huge stone box.

"How could this be?"

Seeing this situation, Han Bing was also anxious and angry, and couldn't help stamping his feet: "This Tang Qingyun is too hateful, we spared his life on Coral Island, he is not grateful, but has evil intentions. , to collude with Duan Yu…"

Yue Wuya looked very ugly, glanced at Tang Qingyun's corpse, and said coldly: "Such a despicable villain, who died under the arrows, can be regarded as the sky has eyes, sister, You and Xueluo Siyan, be optimistic about the fleet, and I will go after Duan Yu." When the

voice fell, Yue Wuya summoned the Overlord Hammer, held it tightly, and his inner strength urged him to fly away to pursue Duan Yu.

"Brother."

At this critical moment, Han Bing hurriedly shouted and stopped: "Brother, don't be impulsive, that Duan Yu is very cunning. If you catch up alone, I'm afraid you will suffer."

This chapter is provided by . Visit for daily update.

Duan Yu is ruthless, although brother Formidable, and not an opponent, how can I watch him take risks.

“However, that treasure was guarded by the sea sharks for thousands of years. It was lost like this. It’s really…” Yue Wuya said very anxiously. Just halfway through, he suddenly thought of something and looked at Han Bing. At a glance, his face changed.

The treasure has always been guarded by Hai Linger, and now the treasure has been snatched by Duan Yu, then Hai Linger…

Thinking of this, Yue Wuya did not hesitate at all, turned and rushed to Hai Linger’s cabin: “Linger, Linger. Son, how are you?”

Since the first meeting, Yue Wuya has been deeply attracted by Hai Linger, and now that Hai Linger is very likely to be in danger, Yue Wuya is almost anxious.

Linger, you must not be in trouble.

Han Bing also bit her lip tightly, very worried, and followed closely.

call!

Rushing into the cabin, the brothers and sisters were relieved to see the scene in front of them.

I saw that Hai Ling’er was acupuncture points, lying there motionless, dressed neatly, no signs of being violated, but her face was pale, revealing a bit of anger.

Seeing the Yue Wuya brothers and sisters, Hai Linger’s eyes immediately flashed with joy.

Papa…

Yue Wuya walked over quickly, raised his hand to unlock the acupuncture point for Hai Linger, and said softly: “Okay, it’s all right, Linger.”

“Brother Wuya!”

Hai Linger said very Excited, he threw himself into Yue Wuya’s arms and said softly, “I was so scared just now that Tang Qingyun suddenly came in and said he wanted to help me guard the treasure chest, but he attacked me and took the treasure box away. Yue Wuya had a tender look on

his face and kept comforting: “Don’t be afraid, don’t be afraid, that little guy Tang Qingyun has been shot to death by random arrows.” Phew

!

Hearing this, Hai Linger breathed a sigh of relief and patted her heart: “It’s okay.”

Immediately, Hai Linger looked at Yue Wuya closely, very urgent: “Then… Has the treasure chest been recovered successfully? ?”

Chapter 2367

Yue Wuya looked sad, lowered his head and said ashamedly: “Tang Qingyun colluded with Duan Yu and gave the treasure chest to Duan Yu. Now, Duan Yu has run away.”

What?

Hai Ling’er’s delicate body trembled, and her whole body froze.

A few seconds later, Hai Ling’er couldn’t help crying: “That’s the treasure that our clan has guarded for thousands of years, and it’s just lost. How can I explain it to my father, how can I explain it to the clan…”

Said At these times, Hai Ling’er was both angry and sad, and the tears couldn’t stop flowing.

Yue Wuya was very distressed, hugged Hai Ling’er and persuaded: “Don’t worry, I will definitely get the treasure back, and I will never let Duan Yu use it for wrongdoing.” The

tone was firm and unquestionable.

Hearing this, Hai Ling’er was very moved, leaning against Yue Wuya’s arms, she couldn’t help but softly said: “Brother Wuya, thank you.”

For a while, the two of them didn’t speak, just hugged like that. , the atmosphere is also a little subtle.

puff!

Finally, Han Bing, who was on the side, finally couldn’t help it, and couldn’t help laughing: “You guys have a good chat, I’m going out.”

Seriously, seeing her brother and Hai Linger progress so fast, Han Bing was very heartbroken. Happy. As a younger sister, it is natural to give the two of them space in the world.

Swish.

Hai Ling'er's delicate face turned red all of a sudden, only then did she realize that she couldn't help hugging Yue Wuya, and in her shyness, she wished she could find a hole to burrow in.

Yue Wuya also blushed, embarrassed, and said to Han Bing: "Sister, don't make trouble."

While saying that, Yue Wuya couldn't help but look at Hai Ling'er.

From the close observation, Hai Linger is really beautiful, and the beauty is breathtaking.

This time, Hai Ling'er was even more shy.

…

On the other side, at the foot of the Chaos Mountains, the Rakshasa camp.

After Yue Feng appeared, the Rakshasa army was extremely shocked by the terrifying strength on display. In the end, under the command of Meng Lang, they quickly retreated and stationed more than ten miles back.

The Rakshasa camp is very large, and the tents are continuous. There are tens of thousands of them. From a distance, the scale is huge. You must know that the Rakshasa army is as many as one million. Before the fierce battle with the Kyushu mainland, the damage was only ten percent. None.

In order to prevent the Kyushu mainland from raiding the camp, Meng Lang was very cautious and sent many soldiers to patrol the camp. Moreover, every ten steps was a post, five steps and a post. The entire camp could be said to be heavily guarded.

Of course, the Rakshasa people have lived in wild and strange areas for generations. They are unrestrained in temperament and act directly. They would not have been so cautious at first, but Meng Lang was influenced by Su Qingyan and Xu Qingyi, so he still took the defensive measures of the Kyushu Continent.

At this time, darkness fell, and the entire camp was shrouded in darkness.

"Whoosh!"

Suddenly, a grim figure flew from a distance and landed firmly in the shadows in the southwest corner of the camp.

The facial features are sharp and angular, and there is a bit of anxiety between the eyebrows, it is Yue Feng!

This is a beautiful and sexy woman.

At this time, Yue Feng was a little nervous and had some expectations!

During the day when the Rakshasa army was retreating, Yue Feng saw Su Qingyan and Xu Qingyi in the crowd.

After that, Yue Feng led the crowd back to the camp, and after arranging everyone to take strict precautions, Yue Feng couldn't wait to leave the camp and came to look for Su Qingyan.

Among the few confidantes around him, Yue Feng felt that he was the most sorry for the past two years, Su Qingyan. She lost her memory because of herself, and now she is trapped in the Rakshasa army, Yue Feng is almost heartbroken.

Yue Feng thought about it. Tonight, taking advantage of the darkness, he must rescue both Su Qingyan and investigate the situation of the Rakshasa army at the same time.

Chapter 2368

"Huh?!"

"Who? Dare to break into the camp?"

"Catch him…"

Although Yue Feng was hiding, the Rakshasa camp was too well-defended, and Yue Feng had not yet When I came to observe the surrounding environment, a team of patrolling soldiers came and immediately found Yue Feng.

At this moment, I felt the aura that filled Yue Feng's body. Although it could be suppressed, those Rakshasa soldiers still felt it!

Nima!

Seeing that he was exposed, Yue Feng wanted to cry without tears, and at the same time he was shocked beyond words.

No, he has already concealed his strength, how did these soldiers feel?

At this time, Yue Feng did not know that the cultivation methods of the Rakshasa were very different from those of the Kyushu mainland. In addition, the wild and strange areas

where the Rakshasa lived, the environment was harsh, and the people of the Rakshasa often interacted with beasts. Fighting with each other, so the perception is very keen.

call!

Looking at the dozen or so Rakshasa soldiers in front of him, they quickly surrounded him. Yue Feng took a deep breath, tried to calm himself down, and then stood up slowly, as if giving up resistance.

“Dear warriors of the Rakshasa tribe, don’t get excited, I’m not here to attack the camp.” Yue Feng showed a smile, looking harmless to humans and animals, and said slowly: “I’m here to make peace, I hope you can lead the way. I, go see your leader…or, the commander-in-chief?”

What?

Is he going to make peace?

At this time, those Rakshasa soldiers had already arrived, and Yue Feng’s face, who could clearly see each and every one of them, was immediately startled.

Isn’t this the man who killed Ju Kui with a skill on the battlefield during the day? But shocking the audience, it was precisely because of him, the eldest son Meng Lang, that he quickly let the army retreat, and now, this person actually came by himself, saying he wanted to make peace?

“You… are you that Yue Feng?”

“You killed so many of us during the day, and now suddenly a person sneaks into our camp, keeps saying that he wants to make peace, and wants to see our prince? Do you think we will believe it?”

“Yes . , this person must be deceitful!” A

dozen Rakshasa soldiers were discussing, and at the same time they looked at Yue Feng vigilantly with disbelief on their faces.

Ugh!

Yue Feng sighed and said seriously: “If I attacked, how could I come alone? I’m serious, you Rakshasa have been exiled for thousands of years and have suffered so much, so we decided to make the Kyushu continent the most fertile The land I will give to you.”

When he said this, Yue Feng smiled, but his eyes flashed with slyness.

Yes, Yue Feng was deliberately deceiving these Rakshasa soldiers.

To be honest, Yue Feng could easily deal with them if he did it directly. After all, although these Rakshasa soldiers were strong, they were not Yue Feng's opponents.

But if they act rashly, it is impossible to guarantee that they will not disturb the rest of the camp. At that time, when the situation is chaotic, it will be difficult to rescue Su Qingyan and Xu Qingyi.

This…

Seeing Yue Feng's sincere expression, these Rakshasa soldiers looked at each other in disbelief.

The Rakshasa people have a simple way of thinking, thinking that Yue Feng will not lie to them. After all, although Yue Feng is strong, he is alone and cannot cause any trouble.

"Okay!"

Finally, the leading soldier captain said coldly to Yue Feng: "In this case, let's take him to see the prince, follow us, don't walk around, otherwise, don't blame us for being rude."

Yue Feng smiled and nodded. : "Don't worry, I will never walk around." The

voice fell, and Yue Feng walked over slowly.

Papa…

At the moment in front of him, Yue Feng shot like lightning and knocked the captain of the soldier unconscious. At the same time, several soldiers next to him were also tapped.

At such a close distance, these Rakshasa soldiers couldn't react at all, and fell to the ground with wide-eyed eyes.

Chapter 2369

Get it!

Yue Feng clapped his hands, then pulled off a soldier's armor and put it on his body. Then he simply dressed up, pretending to be a soldier.

However, the people of the Rakshasa are generally tall, so Yue Feng wears armor, which is a little loose.

However, Yue Feng didn't care about this. After dressing up, he swaggered towards the depths of the camp.

Nima!

After turning around, he was not noticed by the other Rakshasa soldiers, but Yue Feng had a big head.

The tents of the Rakshasa tribe all look the same. Which one is the resting place for Su Qingyan and Xu Qingyi?

Um?

Just when Yue Feng was extremely entangled, he was suddenly attracted by a tent.

I saw a woman's headgear hanging beside the tent's curtain. Obviously, this is the place where women rest.

Haha… finally found it.

Yue Feng couldn't tell how excited he was. In the entire Rakshasa camp, there were only two women, Su Qingyan and Xu Qingyi. This must be their resting place, that's right.

Thinking to himself, Yue Feng walked in without saying a word.

What the hell!

As a result, Yue Feng was stunned as soon as he walked into the tent.

I saw a large wooden barrel in the tent, filled with hot water and steaming. And in the bucket, a sexy figure who is hot, is sitting in it and taking a bath.

This is a Rakshasa woman in her twenties. Tall, wheat-colored skin, perfect curves, delicate facial features, and a kind of heroic spirit, giving people a heroic and sassy feeling.

The woman's name is Mona, the youngest daughter of King Rakshasa, the younger sister of Meng Lang and Meng Ao.

Before the Rakshasa army crossed the Chaos Mountains and invaded the Kyushu Continent, the women and children and old people in the clan were still in the wild and strange realm for the time being, and Mona was in charge. At that time, the Rakshasa King planned to let the family members come over after he successfully occupied a place.

But two days ago, King Rakshasa and Yang Jian fought fiercely, and they both disappeared. Mona heard the news and was worried about her father's comfort, so she rushed to the front line immediately.

Just now, after Mona and Meng Lang discussed the details of finding the Rakshasa King, they returned to the camp and prepared to take a bath and rest. Coincidentally, Yue Feng thought it was Su Qingyan and two, and broke in by mistake.

"Who is it?"

As soon as Yue Feng came in, Mona noticed it, snorted softly, and looked over at the same time.

Seeing Yue Feng, Mona thought it was a Rakshasa soldier, and she frowned and shouted: "You are so bold, dare to break into my tent, go out and lead yourself to death." The

tone was cold and could not be refuted.

What the hell!

Yue Feng was immediately stunned. This Rakshasa woman is very cruel. Even if she is a soldier, if she accidentally breaks in, she will not apologize for her death.

Two seconds later, Yue Feng reacted and said with a wry smile: "This… er, beauty, I accidentally broke in. It was all an unintentional fault, so I won't die, right?"

Huh?

Seeing that this soldier dared to refute, and was able to speak well, Mona suddenly became alert, and immediately saw that something was wrong: "You… Are you from Kyushu?" The

voice fell, and Mona's inner strength exploded, a strong breath, Instantly locked Yue Feng.

At this time, Mona was still in the wooden barrel, and her sexy curves were looming.

Yue Feng couldn't help taking a few glances, scratching his head and saying, "How could I be from Kyushu? You are…"

Before he could finish, he was interrupted by Mona.

"No?" Mona snorted coldly, her eyes suddenly sharpened: "It is rumored from ancestors that people in Kyushu are very cunning and despicable. I didn't expect it to be true. You dare to break into my tent, so don't even think about going out alive."

When the words fell, Mona jumped out of the water directly, raised her hand and waved, and the animal skin coat beside her was wrapped around her. Then, her wrist was in vain, and a soft whip appeared in her hand. The whip was ten feet long, and it was stained with the blood of countless beasts, like a poisonous snake letter.

Chapter 2370 What the hell

!

At this moment, Yue Feng clearly saw a hint of spring, and he was also shocked.

This Rakshasa woman is brave and strong. If a woman from Kyushu is concerned about her reputation, she would not have thought it would be impossible to leave the barrel, but this Mona rushed out without even thinking about it.

It is said that the Rakshasa are cruel and easy to kill, and their temperament is sturdy, and it is true.

Snapped!

Just when Yue Feng was secretly sighing, at this moment, Mona suddenly raised her hand and hit Yue Feng with a whip!

“Huh!”

How terrifying is the power of this whip? I saw that the surrounding air was cut into a black seam! The wooden barrel filled with water was split in half in an instant.

Seeing this scene, Yue Feng was shocked.

This woman’s strength is so strong, if she is hit by this whip, she will be seriously injured if she doesn’t die!

Thinking to himself, Yue Feng hurriedly stimulated his inner strength and evaded quickly.

Um?

Seeing Yue Feng successfully dodging the whip, Mona frowned. This person seemed to be smiling and without seriousness. He didn’t expect his strength to be so strong.

Thinking about it, Mona exploded her inner strength completely.

hiss!

At this moment, Yue Feng only felt a powerful breath coming towards his face, and felt the strength of Mona, and was shocked.

what's going on? This woman looks like she is only about 20 years old, but she is… Transcending the Tribulation Realm? ! Also, her inner strength is so unique.

Yue Feng's whole person is stupid. He is now in the realm of tribulation. To reach this realm, I don't know how much effort I have gone through, and I even almost died before. But the woman in front of her is actually a transcendence realm?

At this time, Yue Feng was still unknown. The Rakshasa King has three boys and two girls. Although Mona is the youngest daughter, she is the best in her talent for cultivation. It's a robbery.

It can be said that Meng Lang and Meng Ao are already excellent, but in terms of cultivation strength, they are far inferior to this little girl.

Swish…

Mona didn't talk nonsense, waving a soft whip, only to hear the thunder-like crackling in the air.

Yue Feng dodged left and right, and was in a hurry for a while, too late to fight back.

At the same time, Yue Feng also felt that his eyes were dazzled, and he said to Mona, crying and laughing: "Beauty, let's talk about it, don't kill him as soon as we meet."

But Mona didn't pay attention to him at all, the whip in his hand Take it out all the time, and be more ruthless!

While pumping, Mona said confidently: "As long as you can defeat me, I will let you go."

In the Rakshasa, the strong are respected, and the strong can be respected anywhere, on the contrary, there is no strength. Yes, it is waste, weak.

As the daughter of King Rakshasa, Mona was deeply influenced by this concept. Seeing that Yue Feng kept dodging, she thought he was a coward, and looked down on him very much.

Moreover, Mona is very confident in her own strength. Even if Yue Feng is in the realm of tribulation, she does not think she will defeat herself.

"Okay, what you said."

Yue Feng took a deep breath, and after saying a word, his inner strength turned and he directly greeted him!

Nima’s, this time I visited the Rakshasa camp at night, I didn’t want to cause too much trouble, but the fight in front of me was impossible.

After playing for a while, seeing that Yue Feng could not be suppressed, Mona was a little anxious, threw away the soft whip and slapped it directly.

What the hell!

Yue Feng was taken aback, are all the women of the Rakshasa so sturdy? Fight to death?

Thinking to himself, Yue Feng reacted quickly, raised his palm, and faced her.

boom!

In an instant, the palms of the two sides touched, but they did not immediately separate, but palm to palm, frozen there.

The ultimate husband in Chinese chapter 2371-2380

Chapter 2371

Fight for internal strength!

Yes, Yue Feng knew that if he fought again, it would definitely attract the attention of the soldiers in the camp. He had to subdue this woman quickly, and the fastest and best way was to fight with her!

You must know that after cultivating Guiguzi's Eight Desolate Heart Sutra, the inner strength is more robust and pure than the previous pure yang inner strength.

Um?

Seeing that Yue Feng was going to fight with herself, Mona was stunned for a moment, and then laughed disdainfully.

The fact that he can have today's realm is entirely due to his extraordinary talent, as well as the special exercises of the Rakshasa family.

At this time, this Kyushu native in front of him has to fight with himself! Totally courting death!

However, within ten seconds, Mona felt something was wrong.

She could feel the constant internal force coming from Yue Feng's palm, like a majestic sea, it was even purer and thicker than her own.

How could this be?

Mona's slender body couldn't help shaking. At this time, she wanted to withdraw her palm, but it was too late.

Finally, Mona couldn't hold on anymore, her pretty face was pale, and her delicate body took a few steps back!

"You…" Mona stared at Yue Feng, she was very surprised. She didn't believe that she was defeated by someone from Kyushu? !

Papa…

Yue Feng didn't respond, but rushed up quickly, tapped Mona's body twice, and sealed her acupuncture point. In an instant, Mona's body trembled and she couldn't move!

This chapter is provided by . Visit for daily update.

“It’s done..”

Yue Feng let out a long sigh of relief and wiped the sweat from his forehead at the same time.

“Princess Mona!”

At this moment, a patrolling soldier’s questioning voice suddenly sounded outside: “What happened? Do you need your subordinates to come in?”

The fight just now alarmed the patrolling soldiers.

What the hell!

Yue Feng was shocked, and without waiting for Mona’s response, he rushed up and covered Mona’s mouth, and then saw the soft collapse next to him, and hugged him directly.

At this moment, Mona’s heart trembled and she wanted to struggle, but she held back.

“Princess Mona?” Seeing that Mona didn’t respond, the soldiers outside shouted a few times again. Finally, I couldn’t help it and walked in.

At that moment, Yue Feng didn’t have time to think about it, he jumped onto the soft collapse and covered himself and Mona with the animal skin blanket.

They have already fought twice in a row, first with the previous patrol team, and now with this woman, Yue Feng really doesn’t want to have any more troubles.

“Whoops…” The soldier who came in was startled when he saw Mona lying there, and withdrew in awe: “My subordinates should be damned, my subordinates should be damned.”

The soldier didn’t see what was hidden inside. Yue Feng, thinking that he had offended Mona, broke into a cold sweat. You must know that this is the most beloved daughter of King Rakshasa.

call!

Seeing the soldier retreating, Yue Feng breathed a sigh of relief, then untied Mona’s dumb hole and said, “I’m sorry, I didn’t mean to offend, as long as you promise not to scream, I won’t hurt you, how? “

Mona’s dumb acupuncture points were unblocked, the acupoints on her body were unsolved, and she couldn’t move at all, but she stared at Yue Feng tightly, her eyes twinkling with complexity: “My name is Mona, what’s your name?”

When saying this, Mona's tone lost the hostility she had before, but there was an indescribable feeling.

The Rakshasa people advocate force, especially in the hearts of women, the stronger the person is, the hero, and Mona has always been arrogant, but at this time she was subdued by Yue Feng. The wind has a strange feeling.

At this time, Mona didn't want to take revenge, she just wanted to know who the man in front of her was and what it was called.

"My name is Fengtao! There will be an expiration date." Yue Feng responded, then jumped off the soft collapse, and hurriedly left the camp before the other soldiers came.

Yue Feng thought that Mona was going to seek revenge on him in the future, so how could she reveal her real name?

"Fengtao?"

Looking at Yue Feng's leaving back, Mona whispered, and then said to herself, "I remember you."

Chapter 2372

"Huh.."

When he arrived outside the camp, and saw that there were not many patrolling soldiers around, Yue Feng secretly breathed a sigh of relief.

Nima, fortunately, she is witty and fights with that Mona. Otherwise, continue to fight, I am afraid that the Rakshasa soldiers in the entire camp will be attracted.

Rejoicing secretly, Yue Feng didn't have time to think about it, and continued to touch the tent in front of him.

But the Rakshasa camp was too big, and there were so many tents, Yue Feng didn't have a clue, and became more and more anxious.

Um?

Finally, near a tent, Yue Feng found that there were very few soldiers guarding the tent, and not only that, there seemed to be a woman talking inside.

"Qing Yi… this is not the way to go."

“Yeah, but King Rakshasa has disappeared. Now the prince has the final say. I think this is a good sign for reconciliation. Maybe the Rakshasa clan can make peace with the Kyushu Continent.” The

voice It was Su Qingyan and Xu Qingyi’s voice. Yue Feng and Su Qingyan had a deep love and righteousness. They hadn’t seen each other for a few months, but Su Qingyan’s voice was still heard at once. heard it.

Yue Feng didn’t have time to think, and rushed in.

When he got inside, Yue Feng’s face was happy.

I saw that Su Qingyan and Xu Qingyi were sitting on the animal skin booth, talking about the previous battle.

“You…”

Suddenly seeing someone breaking in, Xu Qingyi and Su Qingyan were also startled, and when they saw that it was Yue Feng, they were even more shocked.

“Yue Feng, why are you here?” After being stunned for a few seconds, Xu Qingyi couldn’t help but speak.

Su Qingyan did not speak, but took two steps back deliberately. Ever since she lost her memory, Su Qingyan had a bad impression of Yue Feng, and she was always vigilant. In the daytime, even though Yue Feng entered the battlefield, she showed an astonishing display. Her strength and outstanding commanding ability still did not make Su Qingyan change her mind.

“Qingyan!” Feeling Su Qingyan’s resistance, Yue Feng was heartbroken, and said softly, “Quick, you and Miss Xu quickly follow me.”

This Rakshasa camp is simply a wolf’s den. let them stay?

“Yue Feng.” Su Qingyan bit her lip and couldn’t help but said: “You sneaked into the Rakshasa camp, did you make a special trip to rescue us?”

Yue Feng nodded firmly: “Yes.”

See him Agreeing, Su Qingyan felt a throbbing in her heart inexplicably, but she still shook her head and said, “We don’t need you to save us, you should go.”

Until now, Su Qingyan has not recovered her memory, so facing Yue Feng’s enthusiasm, Still not used to it.

What?

Yue Feng was stunned and frowned, “Why don’t you leave?” To

be honest, Yue Feng thought that even if Su Qingyan did not recover her memory, she would leave without hesitation. It was dangerous, but I never thought that Su Qingyan would refuse.

“Yue Feng!”

At this moment, Xu Qingyi came over and said slowly: “We are very safe here, and the prince of the Rakshasa family is also very good to us, so you don’t have to worry.”

When saying this, Xu Qingyi’s heart was full of complexities.

If Xu Qingyi saw Yue Feng a few years ago, he would have hated him to the core. It was because of the grievance between him and Duan Yu that he was tainted by Zhu Bajie at that time, and then snatched it away. Although it has been so long and experienced a lot of things , Xu Qingyi had already thought about it, but when she saw Yue Feng, her heart still couldn’t calm down.

This…

Hearing this, Yue Feng was stunned for a moment, and then smiled bitterly: “Even if the prince treats you well, you shouldn’t stay here, as people from the Kyushu mainland, you naturally want to be with the Kyushu army. At

this time, Yue Feng was very puzzled.

What’s the matter, what kind of ecstasy soup did the Rakshasa people give them? Can they stay here with peace of mind?

Chapter 2373

Call!

Xu Qingyi breathed a sigh of relief and said seriously: “Yue Feng, we really can’t go, the prince has already followed our advice and has the idea of a peaceful solution, so we must continue to stay here and teach him civilized thoughts. “

Speaking, Xu Qingyi talked about what she and Su Qingyan had taught Meng Lang during this period of time.

I go!

Hearing this, Yue Feng was very surprised, and at the same time he was very impressed.

The two weak women were caught by the Rakshasa clan. Not only were they not in danger, but they actually became the teachers of the prince? If you didn't hear it with your own ears, who would believe it?

"Let's go."

Seeing Yue Feng Leng there, Su Qingyan couldn't help but softly said: "This place is heavily guarded, the longer you stay, the more dangerous it will be, don't worry about us, wait until the Rakshasa clan and the Kyushu Continent really shake hands. After we meet, we will go back."

Xu Qingyi next to her nodded, her delicate face full of seriousness and determination.

"Okay!"

Seeing this scene, Yue Feng knew that it was useless to talk too much, so he nodded bitterly and agreed. But I didn't forget to explain: "You must be careful and protect yourself. Once a situation occurs, send a signal, and I will bring someone to save you as soon as possible." With

that, Yue Feng took out the signal fireworks of Tianmen and took out a few One, and handed it over to Xu Qingyi.

To be honest, Yue Feng really wanted to force them to leave, but after thinking about it, Su Qingyan and Xu Qingyi did a good job. If they can completely change the prince's mind, and promote the peaceful coexistence between the Rakshasa clan and the Kyushu Continent, Cruel wars can be avoided, and the common people can suffer less from wars, which is a good thing to respect.

Su Qingyan and Xu Qingyi looked at each other and nodded.

Yue Feng took a deep look at Su Qingyan and felt very reluctant, but still turned around and left quickly.

…..

On the other side, Apocalypse Continent, a small village not far from the coast.

This small village, because of the previous war, all the people fled, has become an empty village.

At this time, in the largest yard in the village, Duan Yu was sitting on a chair in the main hall with a gloomy face. Next to him, the huge stone box was placed there.

In the courtyard in front of him, more than a dozen people stood there tremblingly, not daring to let out the air.

Some of these people are learned and talented scholars, some are well-informed explorers, some are doctors who help the world, as well as tomb robbers and archaeologists who are familiar with ancient and modern times. It can be said that everyone is not an ordinary person.

Duan Yu was very suffocating. After returning to the mainland a day ago, he couldn't wait to open the stone box, but as a result, no matter what method he used, he couldn't open it. Even Duan Yu used the sky-opening axe to slash, and the stone box was still patterned. The wire didn't move.

Duan Yu clearly felt that there was a powerful mysterious force inside the stone box, not only that, but also weak life fluctuations.

Therefore, Duan Yu did not dare to open it forcibly, so he grabbed some knowledgeable people from everywhere, and wanted to learn from them how to open the treasure chest, because there were two ancient texts on the stone chest, and Duan Yu could not understand it. .

"Come up one by one."

At this time, Duan Yu looked around coldly and said, "Hurry up and unravel the meaning of these two sentences for me, hurry." The

voice fell, and a doctor walked in tremblingly and looked carefully. After a while, he said with a sad face: "This… This holy monk, the words on this are too old, I can't understand it."

In the eyes of this doctor, Duan Yu was bald and wearing a monk's robe, he must be a monk.

Holy monk?

Hearing these two words, Duan Yu's face sank, and his eyes flashed with cold light: "Fuck you Mad!"

Chi!

When the words fell, Duan Yu grabbed the short knife on the table and waved his hand. The doctor barely had time to scream, blood spurted out, and died on the spot.

The lower body was destroyed by Moraye before, and then he was forced to apprentice. This incident is a shame for Duan Yu in his entire life. He is most annoying when others call him a monk or a monk. He called himself a holy monk again, breaking a taboo, and killed him on the spot without saying a word.

Chapter 2374

“Hush!”

Seeing this scene, other people outside couldn’t help gasping for air, sweating profusely, and even two scholars slumped on the ground in fright, peeing their pants.

This monk is so cruel, he kills without saying a word.

This is a monk, it is clearly a devil.

“Who of you can understand the words on this?” Duan Yu was in a fit of anger, looked around, and said coldly.

More than a dozen people looked at each other, no one dared to stand up. If a word is wrong, he will die. Who dares to come out and seek death?

“Yeah, it’s a pity that you are still famous everywhere, you can’t understand two sentences?” Duan Yu clenched his fists, his heart was inexplicably angry.

This stone box has been guarded by the sea sharks for thousands of years. There are not only strange powers, but also signs of life in it. It must be a treasure that shakes the world… However, the special code, I can’t open the box, which is really disappointing. People are hot.

Duan Yu was upset. Seeing that the people outside were terrified, he waved his hand: “Get out, get out of here.”

Hearing this, everyone was in a state of amnesty and ran out of the yard. One of them called Chen Qi’s tomb robber looked terrified, but his eyes were rolling. The moment he walked out of the door, he didn’t forget to glance at the stone box.

Yes, Chen Qi used to be an elite member of the Rat Club. The Rat Club is good at robbing tombs, and he is best at cultural relics. No one else can read the words on the stone box, but Chen Qi can recognize it.

It’s just that the monk in front of him is too vicious, even if Chen Qi knew it, he wouldn’t dare to talk nonsense.

“You!”

However, Chen Qi’s small movements couldn’t hide Duan Yu’s eyes. He raised his hand and said coldly, “Stop!”

Chen Qi’s body trembled, and immediately stopped in his footsteps, and said in fear: “Master, please spare your life.”

Duan Yu showed a sneer, walked slowly to Chen Qi, and asked, “Boy, can you understand the words on it? ?”

This kid has sly eyes, and he must know some clues.

“I…I…”

Chen Qi panicked, stood there sweating profusely, and whispered: “How do I know, uncle, I just stole some small tombs, and I don’t understand anything. The word is very old at first glance, how can I know it.”

When he said this, Chen Qi looked away, trying his best to hide the panic in his heart.

When he was first caught, Chen Qi was attracted by the stone box, and at the same time he saw the words on it. Speaking of which, Chen Qi was once the elite of the Rat Society. .

It’s just that Chen Qi knows that the people in front of him are ruthless, and once he speaks out, he is not far from death.

“Don’t know?”

Duan Yu frowned, he could see that Chen Qi was a little flustered. Oh, this kid, he must understand those words.

“Boom!”

At this moment, Duan Yu raised his foot and kicked Chen Qi’s stomach, only to hear Chen Qi’s sigh, he was kicked and flew more than ten meters away, hit the wall of the yard, fell down, his body Bow became like shrimp, his face full of pain.

“Made, who are you trying to fool?” Duan Yu’s eyes were gloomy, his face full of suffocation: “Hurry up and translate it for me, otherwise, I will let you die!”

When he said this, Duan Yu walked over quickly, He kicked hard a few times. In Duan Yu’s heart, the tomb thief in front of him, who dares to play with himself, is not too stupid.

Chen Qi didn’t listen to the wailing and rolled on the ground.

Duan Yu’s kick was more ruthless, and finally, Chen Qi couldn’t hold it anymore, spit out blood, and said in fear: “Master, don’t hit, don’t hit, I’ll try to translate it for you.” Fierce, Chen Qi knew that if he didn’t say anything, he might die.

Mad, what a shame.

Chapter 2375

Duan Yu scolded, stopped, and said coldly: “Go!”

Chen Qi wiped the blood from the corner of his mouth, got up tremblingly, walked inside, looked at the words on the stone box, word by word The translation said: “The above said that this treasure is Xuanyuan Huangdi, and this tribe was brought to the sea to protect it. In addition to this, there is another treasure hidden near the Chaos Mountains…”

After reading the words above, Chen Qi turned back Looking at Duan Yu, he cautiously said: “Master, it is obvious that the treasures of the Chaos Mountains are the key to opening this stone box.”

Hahaha…

So it is!

Hearing this, Duan Yu suddenly realized that he couldn’t help laughing a few times.

It turned out that this stone box was left by Xuanyuan Huangdi, and it must be a peerless treasure inside.

But after thinking about it, Duan Yu’s face became gloomy, and he finally got out of Moroye’s control. You know, Lingyin Temple is in the Chaos Mountains.

More importantly, Yue Wuya and Han Bing already knew their identities. When they went to the Chaos Mountains to join Yue Feng, they would be in even more trouble.

But if you don’t go, this stone box will never be opened.

For a while, Duan Yu’s face was gloomy and uncertain, and he fell into a tangle.

Finally, after a few minutes, Duan Yu took a deep breath and made a decision with one bite of his teeth. While Yue Wuya and Han Bing were still at sea, he rushed to the Chaos Mountains as soon as possible, and when he got the things to open the stone box, he left quickly. .

Thinking to himself, Duan Yu picked up the stone box and was about to leave.

During the opening sequence, seeing Chen Qi who was shivering next to him, a killing intent flashed in Duan Yu’s eyes. This man knew his secret and could not keep it.

puff..

However, before Duan Yu could take action, Chen Qi knelt on the ground with a puff, vomited a mouthful of blood, and said pitifully: “Master, I may have broken a rib and hurt my heart and lungs. I beg Master to give me a healing medicine. Save my life, please…” As

he said, Chen Qi lay on the ground and began to twitch, and the blood in his mouth became more and more vomited.

Duan Yu looked contemptuous and said coldly: “The dying person, get out of the way.” I thought about killing him, but now it’s easy.

Thinking to himself, Duan Yu left quickly without looking at Chen Qi.

call!

As soon as his forefoot left, Chen Qi quickly climbed out of the ground, his face was extremely pale and weak, but he had no fear of his life.

Yes, Chen Qi was acting just now and deliberately played it for Duan Yu. As an elite of the Rat Club, Chen Qi was very cunning, knowing that if he didn’t do this, Duan Yu would definitely kill himself on the spot.

To save his life, Chen Qi dared to stay and left in a hurry.

…..

On the other hand, Yue Feng returned to the Kyushu camp, feeling very depressed.

Obviously found Su Qingyan, but couldn’t take her away, it was too embarrassing.

At this moment, Yue Feng sat in the tent and sighed.

At this moment, the tent curtain was suddenly lifted.

Yue Feng thought it was Ren Yingying, or Xiao Yuruo and the others, but he turned his head to look over and was stunned.

I saw a slender figure, walking in slowly, walking lightly, wearing a black night clothes, showing the charming curves vividly and indescribably sexy.

The delicate face shows a bit of tension, but the whole body is filled with a high-cold aura that cannot be desecrated.

It is Gonggong!

The ultimate husband in Chinese chapter 2376-2380

Chapter 2376

“Why are you here?” Yue Feng was stunned.

Seeing Gonggong like this, he came here quietly, not wanting to be discovered.

“Yue Feng!” Gong Gong breathed a sigh of relief when he saw only Yue Feng, bit his lip lightly, and said in a low voice, “I’m sorry about what happened before.”

Yes, he cooperated with Zhang Jiao to assassinate Yue Feng before . , Gonggong did not use internal force at that time, but seeing Yue Feng fall down the hillside and into the river, Gonggong felt very guilty.

After that, although Yue Feng survived the hardship, his internal strength was gone.

But now, although Yue Feng has regained his internal strength, Gonggong is still very ashamed of him. Tonight, taking advantage of the temporary truce with the Rakshasa clan, he sneaked into the camp and apologized to Yue Feng.

To tell the truth, Gonggong has been in the world for nearly a thousand years, with a cold temperament, and never bowed his head to anyone, but after really getting to know Yue Feng, I learned that he went all out for the Kyushu Continent, and I admired him very much.

It can be said that Yue Feng is the only person in the whole world who can impress Gonggong.

Haha…

Yue Feng could feel the sincerity of Gonggong, but he was a little surprised. He was stunned for a few seconds before showing a smile.

Unexpectedly, Gonggong actually came to apologize.

To be honest, Yue Feng hated Gonggong at first. It wasn’t her, and he wouldn’t be so miserable, but after thinking about it carefully, the slap that Gonggong hit him at that time didn’t have any internal energy at all. He was injured too badly before and fell down the hill.

Therefore, Yue Feng didn’t have so much hatred for Gonggong, and, thinking of Gonggong’s position and situation, Yue Feng was completely relieved.

But I never thought that Gonggong would condescend to come and apologize to himself.

It’s really rare.

This chapter is provided by . Visit for daily update.

However, Yue Feng still decided to tease her. After all, she cooperated with Zhang Jiao and almost killed herself, so she was somewhat responsible.

“Apologize, do you think apology is useful?” Yue Feng looked at Gonggong with a smile, and said seriously: “At that time in Tianzhong City, I believed you so much, but you and Zhang Jiao jointly assassinated me? Do you know that I I almost died because of you.”

“I…” Gong Gong bit his lip and said in a low voice, “I also had my life at the time, Yue Feng, don’t bother with me.”

“Moreover, now we need to unite to resist the Rakshasa army. If there is a gap between them, how can we cooperate with each other?”

Hearing this, Yue Feng laughed: “Now that we know unity, what about when you assassinated me before? “

I…”

Gonggong’s alchemy turned red, unable to speak for a while, so anxious that he explained: “It was His Majesty’s order at the time, I had to…”

Before he could finish speaking, Yue Feng was caught interrupted.

“Gonggong!” Yue Feng looked at Gonggong with a smile, and said seriously: “You really want to apologize, but it’s not sincere to say it.”

Haha, it’s rare for Gonggong to speak with such a soft attitude, and I feel a little bit in my heart. Incredibly comfortable.

Hearing this, Gonggong was stunned for a moment, and then said softly, “Then…then how do you want me to apologize?”

He was sincere enough! What else does he do?

But Yue Feng shook his head and said with a smile, “I haven’t made up my mind yet! Otherwise, will you just wait here? When I rest, what do I want you to do?”

This bastard really can’t say three words. If so, it’s starting to be rude!

Gong Gong’s delicate face turned red all of a sudden, and he stamped his feet: “This is your tent, why do I stay here all the time?” If someone saw it, he might not know what he would think.

Yue Feng didn’t speak, and looked at her with a smile, his eyes from top to bottom, a smirk on the corner of his mouth.

To be honest, Gonggong used to dress in long skirts, but today, wearing tight night clothes, it is completely different from the previous style, and it has a different style.

This bastard…. what does he want to do?

The look in Yue Feng’s eyes made Gong Gong feel uncomfortable, embarrassed and angry at the same time, but in this case, it was hard to get angry, so he could only endure it.

I came to apologize, if I turned my face, wouldn’t it be a waste of time?

Gong Gong calmed down, stopped looking at Yue Feng, bit his lip, and said softly, “Yue Feng, I’m sorry, just forgive me.”

Chapter 2377

Hmm!

Yue Feng laughed, nodded, feeling refreshed, sat there with a big thorn, and raised his legs: “I can forgive you, so, if you beat my legs, I won’t care.”

“You, what did you say!” Gong Gong’s pretty face changed, and he couldn’t help it.

How could someone who is a dignified water god and feared by the world beat him on the leg? What a maid would do, she would never do it herself.

“Yue Feng, did you do it on purpose?” Gong Gong gritted his teeth.

With a smile on his face, Yue Feng said leisurely, “Gonggong, you come to apologize, but you have no sincerity. I asked you to beat my leg, but I didn’t want you to wait for me to rest. Why are you excited?”

Hearing this , Gonggong’s jade hands were clenched tightly, and the fire in his stomach couldn’t come out. He finally gritted his teeth and nodded, “Okay… OK, I’ll beat you…”

After saying that, Gonggong squatted down slowly, Raising his jade hand, he began to beat Yue Feng’s legs gently.

Huh!

At this moment, Yue Feng was sitting there, looking at Gonggong close at hand. He couldn’t tell how refreshing his heart was. He could make an existence like Gonggong willingly beat his legs, but no man in the world dared to imagine it. thing.

Haha, this feeling is really cool.

The smile on Yue Feng's face gradually deepened, his eyes rolled, and he smiled again: "Not bad, come on, call me good brother again."

Today's opportunity is rare, and you must have fun.

What?

Gong Gong's eyes flickered with anger, his heart was constantly heaving, his delicate body trembled faintly, and he was almost smoking with anger.

This bastard, he's really getting his head around!

"You…"

Gong Gong stomped his feet, pointed at Yue Feng, and couldn't help shouting: "Yue Feng, don't go too far."

He smacked his legs again, and was a good brother again.

Wait, do you still want to call yourself husband?

"Excessive?"

Yue Feng smiled and looked directly into Gonggong's eyes: "Gonggong, what do I call too much? It's just for you to call me brother, you, you wanted my life before, and here No one else, no one knows, I'm enough."

Having said that, Yue Feng sat there with a contented expression: "It's fine if you don't want to call, anyway, I didn't force you."

Gonggong was stunned for a moment, then again Embarrassed and helpless, he finally compromised, and said in a low voice, "Good brother…good brother…Are you satisfied?!"

Yue Feng couldn't be relieved, but felt that all the bones in his body were brittle. . These few calls, brother, are really nice.

With emotion in his heart, Yue Feng nodded in satisfaction: "Okay, seeing that you are so sincere, I will forgive you."

Then, Yue Feng smiled and looked at Gonggong: "Actually, I have never blamed you. It's weird, just blame Yang Jian for doing it on the surface and doing it behind the scenes."

What?

Hearing this, Gong Gong's delicate body trembled, glared at Yue Feng, and was almost speechless: "You don't blame me in your heart, but just now… You did it on purpose, didn't you?"

If I had known this earlier, I shouldn't have taken the risk to find him today.

I beat my leg just now, and I called my brother again.

Yue Feng looked innocent and said with a smile: "Look, you took the initiative to apologize, and you risked being discovered by others. If I say something lightly, I don't blame you, wouldn't I live up to your visit? hard work?"

"You!"

Gong Gong's face flushed red, and he was speechless for a moment. He gritted his teeth and said, "Yue Feng, it would be best if you were dead at that time!"

After saying this, Gong Gong stomped his feet, angrily. Turn around and leave the room. However, as soon as he arrived at the door, seeing the situation outside, he quickly turned around and came back, his delicate face was full of tension.

Chapter 2378

Yue Feng also walked to the door and glanced at it, and was stunned.

I saw that Wen Chou Chou and Sun Dasheng were talking and laughing. Obviously, there is something to discuss with him.

"Brother Wen, what's wrong?" Yue Feng asked.

Gong Gong next to him was even more anxious, his face flushed.

I came to see Yue Feng secretly. If others saw him, I would definitely think more. By then, my reputation for thousands of years would be ruined.

"Wait and listen to my orders, otherwise, I can't help you." Seeing Wen Chou Chou getting closer and closer, Gong Gong had no chance to go out, Yue Feng turned his head and said seriously.

Gonggong was so confused that he had no idea, so he nodded quickly.

"Quick, take off your coat and lie on the bed." Yue Feng raised his hand and said without doubt.

What?

Gong Gong's tender body trembled, shy and angry, staring at Yue Feng, but he didn't dare to say loudly: "What are you doing?"

Yue Feng did not respond directly, but said with a smile: "This is the first sentence that doesn't matter. Listen, all right, when my two brothers come in, you explain to them."

"You…"

Gong Gong stomped his feet straight, and finally obediently took off his night clothes outside and quickly lay down. On Yue Feng's bed.

At that moment, Gonggong only felt that his heart was about to jump out. At the same time, he felt the temperature of Yue Feng above, and his flustered face couldn't help showing a bit of blush.

"Haha, Fengzi, Fengzi, have you rested?"

It was at this moment that Sun Dasheng shouted outside, and then, Wen Chou Chou walked in.

At this moment, Yue Feng hurried forward, suspiciously blocking the sight of the two, and said with a smile: "Brother Wen, Dasheng, what's the matter, come to me so late?"

"Fengzi!"

Sun Dasheng couldn't help it. Muttering: "What are you doing blocking me?"

After speaking, Sun Dasheng saw a slender figure on the bed in the corner of his light, and suddenly understood something, and smiled awkwardly: "Look at me being rash." It's so late, with Yue Feng Yes, either Ren Yingying or Xiao Yuruo.

Having said that, Sun Dasheng quickly withdrew.

Wen Chou Chou also quickly turned around and went out, not looking at the bed at all.

call!

Gonggong was originally nervous, but seeing this scene, the stone hanging in his heart suddenly fell to the ground, secretly heaving a sigh of relief, and at the same time secretly sighing.

Fortunately, I was fooled. I didn't expect that this Yue Feng had a lot of ideas to pretend to be his woman.

While talking to Wen Chou Chou, Yue Feng did not forget to look back at Gong Gong. Seeing her relieved look, he couldn't help but want to tease her again.

"Honey, wait for me to come back."

The moment he walked out of the tent, Yue Feng turned his head on purpose and shouted at Gong Gong.

This bastard.

Seeing that Yue Feng was shouting loudly on purpose, Gonggong was not angry, this bastard was too hateful, and he deliberately made fun of himself.

However, Wen Chou Chou and Sun Da Sheng were outside, and if they didn't respond, they would definitely arouse suspicion.

Thinking about it, Gonggong reluctantly hummed.

Ha ha…

Hearing Gonggong's response, Yue Feng felt extremely happy, so he and Wen Chou Chou walked towards the central army tent in front.

"Brother Wen, Great Sage, what's the matter?" Yue Feng asked again when he was about to reach the central army tent.

call!

Wen Chou Chou took a deep breath and said slowly, "Zhang Jiao is here."

Chapter 2379

As soon as the words fell, Sun Dasheng couldn't help cursing: "Mad, this Zhang Jiao, if it wasn't for the fact that he wanted to defend against the Rakshasa clan together, I really wanted to kill him.

" It was because of Zhang Jiao's command that the Northern Ying army was in a state of no one, and countless people lost their homes.

Zhang angle?

Yue Feng was stunned for a moment, then frowned.

This Zhang Jiao is wicked and cunning. He used to force Gonggong to plot against him, but now he suddenly comes to visit, why is he secretly paying attention?

At this time, it has arrived in the big tent.

I saw that Jiang Shan, Long Qianyu, Zheng Chunqiu, Ye Ziyi and others were already present on the side of the Alliance Army, sitting there with solemn expressions.

Opposite them, Zhang Jiao had a cold and arrogant expression, and behind him were more than a dozen powerful Beiying generals.

“Yue Feng!”

“Sect Master Yue.”

“Brother Yue…”

Seeing Yue Feng coming in, Jiang Shan and the others quickly stood up to say hello, but Zhang Jiao still sat there proudly.

“Yue Feng!” After Yue Feng sat down, Zhang Jiao showed a smile and said, “Your Majesty fought with King Rakshasa before, and they both disappeared. Now the situation is urgent. Although the Rakshasa army has retreated, it may be possible at any time. Come over here, it is necessary for me to cooperate with the Northern Ying Army and the Alliance Army.”

“How do you want to cooperate?” Yue Feng replied lightly.

Seriously, thinking that he was almost killed by Zhang Jiao, Yue Feng didn’t even want to pay attention to him, but thinking about the safety of Kyushu, he still endured it.

call!

Zhang Jiao took a deep breath, stood up and said seriously: “The alliance army and the Beiying army are united. The forces are not weak, but they are just suspicious of each other. I thought about it and felt that it is necessary to elect a general marshal to give unified command.

” At this point, Jiang Shan looked at each other in dismay.

Afterwards, Sun Dasheng couldn’t help shouting: “According to you, the seat of the commander-in-chief is yours?”

Zhang Jiao smiled slightly, but did not respond.

However, a general behind him stepped out quickly and said of course: “Nonsense, the military division is strategized and resourceful, and is naturally the best candidate for the commander-in-chief.” The

voice fell, and the other generals nodded in agreement.

“Yes, a military advisor is the most suitable.”

“Do you think Yue Feng is the most suitable? Hehe… In the previous war in the Earth Circle, where was he an opponent of a military advisor?”

Nima!

Hearing this, Sun Dasheng was about to explode, and he stood up and scolded: “Fuck you Mad, what qualifications does Zhang Jiao have to be the commander-in-chief? If he hadn’t used the common people as a wall of flesh, how could Fengzi be him? Your opponent?”

Wen Chou Chou next to him also said with a serious look: “Yes, although Mr. Zhang Jiao uses his soldiers like a god, but the means he uses are too ruthless. I’m afraid it won’t work as a general marshal.” The

voice fell, and the man behind him Long Qianyu and the others all nodded.

“Haha!”

Zhang Jiao chuckled and looked at Yue Feng: “So, you have recommended Yue Feng? Even if he has the ability, all Beiying soldiers are arrogant and arrogant, I’m afraid he won’t be able to command!”

“Listening to what you said, there is no sincerity at all.” Sun Dasheng couldn’t help but shouted.

For a while, the two sides were at a standstill.

“Okay!”

Finally, Yue Feng couldn’t help standing up, and said to Zhang Jiao with a faint smile, “It’s about the safety of the Kyushu mainland, I shouldn’t have competed with you because of the position of general marshal, but for the sake of my subordinates. Soldiers won’t sacrifice in vain, I think it’s better for us to command separately.”

Seriously, just now, Yue Feng thought about letting Zhang Jiao be the commander-in-chief, after all, he was really superb in arranging troops.

But after thinking about it, Zhang Jiao is an uncompromising means to achieve his goals, and he doesn’t care about the life and death of his soldiers. If he is made the general marshal, even if he wins the war in the end, the hundreds of thousands of Northern Ying army and the alliance army will only Afraid of losing too much.

Chapter 2380

“Okay, okay!”

Hearing this, Zhang Jiao’s face sank, and he sneered: “It is said that Yue Feng is for the Kyushu Continent, and his righteousness is thin. Today, it seems that he is just a layman who cares about rights. “

After that, Zhang Jiao didn’t hesitate and took the people away.

Yue Feng stood there, frowning secretly.

what’s the situation? Left without saying anything? Doesn’t this look like Zhang Jiao’s style?

On the other side, Zhang Jiao took the lieutenant general and returned to the Beiying camp.

“Master, what to do next?” One of the generals couldn’t help asking. His Majesty is nowhere to be seen, and now where the entire Beiying army is going, it is all on Zhang Jiao’s body.

Zhang Jiao showed a smile, looked at the direction of the Rakshasa camp, and said lightly: “You can call Tianyu Cavalry and prepare to raid the Rakshasa camp from the right side. The other soldiers will immediately retreat into the mountains and forests to create a whole army to attack. The illusion.”

After speaking, Zhang Jiao glanced back at the alliance army camp, his eyes were full of cunning: “Yue Feng will definitely lead the army to support the news, when the time comes, Tian Yuqi will take the opportunity to withdraw and let them both fight to the death. At the last moment, the main force of our Northern Ying army will come out to clean up the mess!”

Yes, Zhang Jiao took the initiative to come to Yue Feng to discuss cooperation this time, which is completely an illusion. The main purpose is to disturb Yue Feng’s thinking.

Hearing this, the surrounding generals were full of admiration, and couldn’t help but sigh!

“The strategist is indeed a good plan!”

“This strategy of sitting on the mountain and watching the tiger fight is really good.”

“Yes, if it is successful, it will not only defeat the Rakshasa army, but also weaken the strength of Yue Feng.”

Hearing the compliment from the lieutenant general , Zhang Jiao smiled and waved his hand: “Okay, hurry up and prepare.”

“Yes..” The generals responded in unison, and then hurried to prepare.

Two minutes later, in the Northern Ying army, thousands of Tianyu cavalry, riding on big birds, launched a surprise attack on the Rakshasa camp.

…

At this moment, Yue Feng is here.

In the central army tent, Yue Feng sat there, frowning and contemplating, but he was still puzzled.

With Zhang Jiao’s personality, if he wants to be the general marshal, it is impossible to leave after two words. What does he want to do?

Around, Jiang Shan, Long Qianyu and others were also silent in thought.

Bang bang bang…

At this moment, suddenly, there was a sound of vibration in the direction of the Rakshasa camp, followed by the shouting and killing of the fighting.

what’s the situation?

Yue Feng was startled and quickly stood up.

“Report!”

At this moment, a soldier hurried in and said respectfully, “The Beiying army raided the Rakshasa camp, and the two sides have already fought.”

What?

Hearing this, everyone around was taken aback.

Yue Feng also frowned, and his face was extremely solemn.

Thinking to himself, Yue Feng hurriedly asked, “How is the battle situation?”

“I don’t know, but it sounds very intense.”

At this time, Jiang Shan came over and said worriedly, “Feng’er, what should we do?”

As soon as he finished speaking, Sun Dasheng said indifferently: “What about him, this Zhang Jiao has to be brave, let him go, it’s better to suffer a big loss, let’s see if he dares to be self-righteous.”

Alas!

Hearing this, Yue Feng was dumbfounded.

“Great Sage?” Wen Chou Chou also shook his head with a wry smile, and said seriously: “If you think like this, our Kyushu Continent will be helpless. You think, if the Beiying army is defeated, with the strength of our alliance army, we can stop it. Rakshasa army?”

Uh…

The ultimate husband in Chinese chapter 2381-2390

Chapter 2381

Sun Dasheng scratched his head, very embarrassed.

At this time, Yue Feng took a deep breath, looked around and said, “Quick, let’s mobilize the army quickly and fully support Zhang Jiao, quick.”

In Yue Feng’s heart, he thought that Zhang Jiao’s surprise attack on the Rakshasa army was to show his leadership. Soldier talent, but I don’t know that he has already fallen for his plan.

“Yes!” Everyone responded, then quickly walked out of the tent and began to gather the army.

A minute later, hundreds of thousands of allied troops attacked the Rakshasa camp in a mighty manner.

…

At this moment, in the Rakshasa camp.

Tian Yuqi suddenly attacked, causing the Rakshasa army to be in a hurry, but soon, they stabilized their positions and began to fight back frantically.

“Kill them all, and leave none of them!” In the

battlefield, Meng Ao held a long sword, like a god of war, invincible, shouting, the internal force burst out, the long sword was swung, and several Tian Yuqi suddenly screamed. fell in a pool of blood.

In mid-air 100 meters away from the main camp, Zhang Jiao was suspended there, quietly watching the situation.

I saw that thousands of Tianyu cavalry soldiers followed their orders and did not fight with the Rakshasa army, but many soldiers died tragically.

Seeing this scene, Zhang Jiao didn’t feel the slightest bit of distress. In his heart, those who do great things must not have the slightest kindness of women.

And the few generals next to him couldn’t stand it any longer.

“Will Yue Feng bring a large army to support?”

This chapter is provided by . Visit for daily update.

“Who knows…”

“If it goes on like this, I’m afraid that these thousands of Tianyu cavalry will have to explain it here.”

During the discussion, several generals became more and more anxious.

“Look, Yue Feng is here with the Alliance Army.” At this moment, a general shouted with joy when he saw something.

I saw that not far away, hundreds of thousands of torches were slaughtering mightily under the darkness of the night.

It was Yue Feng.

Hehe…

Seeing this scene, Zhang Jiao’s mouth evoked a hint of treacherousness, Yue Feng, Yue Feng, even if you didn’t die before, what if you regained your inner strength? In this ever-changing battlefield, you are too young to fight with me.

Thinking to himself, Zhang Jiao raised his hand, which was the signal to retreat.

Seeing Zhang Jiao’s gesture, the Tianyu knights who were about to be trapped in the Rakshasa camp urged the big birds to evacuate quickly one by one.

hateful!

Seeing Tian Yuqi retreating, Meng Ao was about to lead the Rakshasa warriors to pursue him, but at this moment, he was stunned when he saw the mighty Alliance Army coming from the other side.

“Another army is coming!”

“Mad, they must have negotiated.”

“Show them some color.”

In the camp, many Rakshasa warriors howled like crazy.

Meng Ao’s eyes were blood red, and his body was filled with endless fighting spirit. He raised his long sword: “Warriors, respond to the enemy immediately, and don’t let them leave alive. Kill.

” At this time, Meng Ao gave up the pursuit and directly targeted the hundreds of thousands of allied troops killed by Yue Feng.

“kill!”

In an instant, the nearly one million Rakshasa army let out a thunderous howl and charged directly towards the alliance army.

“Ah…” The

two armies collided, with screams and screams, blood was sprayed continuously, and the entire night seemed to be dyed red.

“Fengzi, that’s not right…”

At this time, Wen Chou Chou rushed to the Rakshasa camp, and saw all the millions of Rakshasa soldiers coming towards him, he was stunned, seeing that there were no signs of Beiying soldiers around, Suddenly understood something, and shouted anxiously: “Oh, we’ve been tricked. Zhang Jiao, this bastard, actually framed us.”

Chapter 2382

Swish!

At this moment, Yue Feng’s face was also extremely ugly.

He clearly saw that in the entire camp, there were only a few hundred Tianyu knight corpses. Apart from these, there was no Beiying army at all.

Obviously, Zhang Jiao played a trick and decided that he would come to support, so he pretended to make a surprise attack, and then sat on the mountain to watch the tiger fight.

Zhang angle.

Yue Feng clenched his fists tightly, his eyes were extremely blood red, he never thought that Zhang Jiao was so sinister, and at this most critical time, he did not forget to frame himself.

In anger, Yue Feng wanted to call the alliance army to retreat.

However, the two sides had already fought fiercely, and it was too late to retreat.

On the other side of the battlefield, Meng Lang frowned tightly, looking at the battle in front of him, thinking about countermeasures quickly.

Beside him, Su Qingyan and Xu Qingyi stood there quietly, the sudden fierce battle made both Su Qingyan panic.

But they are not ordinary women, and they calmed down quickly.

“This Kyushu army wants to attack from both sides?” Meng Lang reacted, looked at the battlefield and chuckled: “It’s a pity that they didn’t cooperate well. If the Rakshasa army takes advantage of the situation to pursue, they will definitely win.”

He saw, Apart from the army led by Yue Feng, there were no soldiers from the Northern Ying Continent at all.

“No!” As soon as the voice fell, Xu

Qingyi trembled, and quickly said: “Although Yang Jian is not here, Yue Feng and Zhang Jiao are not mediocre. They may be tempting the enemy to go deeper.”

Qingyi used to be a famous talented girl in Xicang Continent, and she also had some accomplishments in the art of war. It was obvious at a glance that tonight’s raid was Zhang Jiao’s trick, and she wanted Yue Feng and the Rakshasa army to fight against each other.

Although he didn’t have much affection for Yue Feng, Xu Qingyi naturally didn’t want to see the Allied Army fail miserably for the sake of the Kyushu Continent.

“Oh?”

Meng Lang was stunned for a moment, then looked back at Xu Qingyi: “Then what about the teacher’s opinion?”

Xu Qingyi bit her lip and said earnestly: “Strictly defend the camp and drive the enemy back. It’s alright, you must not pursue it.”

Hearing this, Meng Lang nodded, immediately raised his dantian, and shouted at Meng Ao in the battlefield: “Second brother, repel the enemy, don’t pursue it.

” Chase?

Meng Ao looked puzzled, and at the same time he was very suffocated. The enemy troops came to the camp, but they couldn’t pursue them?

Thinking to himself, Meng Ao just pretended he couldn’t hear it, waving his long knife, and directly rushed into the opponent’s formation. Meng Ao is brave and good at fighting, and his eyes are blood red at this time, like a tiger descending the mountain.

“Ah…” In the blink of an eye, I heard many soldiers from the mainland of Kyushu fall in a pool of blood.

This kid is pretty fierce.

Seeing this scene, Yue Feng frowned, directly urging his figure to rush towards Meng Ao.

“Kill my compatriots, suffer death.” The

voice fell, Yue Feng held Fang Tianhua halberd tightly, and stabbed Meng Ao fiercely.

“It’s you?” Seeing Yue Feng, Meng Ao was full of fighting spirit. In the previous battle, Yue Feng suddenly appeared, like a divine soldier descending from the sky, killing many Rakshasa warriors. Meng Ao wanted to take revenge for a long time. Seeing that Yue Feng took the initiative to come, it was exactly what he wanted.

clang!

Meng Ao raised the long knife and blocked it in front of him, and saw Fang Tianhua halberd and the long knife collide, Meng Ao’s body was shaken, he was directly knocked back more than 100 meters, and his feet cut a deep gully on the ground.

“Good Yue Feng, I don’t believe that I can’t beat you!” Feeling Yue Feng’s powerful strength, Meng Ao didn’t panic at all, but his blood was completely aroused, roaring and rushing again.

Haha…

Yue Feng sneered, holding Fang Tianhua halberd tightly, and fighting Meng Ao fiercely.

At the beginning, Meng Ao was still able to parry, but gradually, some of his strength became too strong. Although Meng Ao’s bravery was obvious to all in the Rakshasa army, after Yue Feng broke through the Tribulation Transcendence Realm, his strength was already different. Compared with the past, Meng Ao can’t compare at all.

“This is arrogant.”

Chapter 2383

Seeing this scene, Meng Lang was so anxious, the second brother was too reckless.

“Second brother, I’m here to help you.”

At this moment, I heard a coquettish shout, followed by a valiant man who jumped into the air and came straight towards Yue Feng, wearing a blood-red leather armor. The fit and charming figure is fully displayed, and at the same time, the whole body is also filled with a powerful breath.

It was Mona.

Seeing Mona rushing towards him, Yue Feng took it easy, waving Fang Tianhua halberd, and went up to meet him with ease.

But the moment he saw Mona, he was still stunned.

What the hell, why is she?

Until this time, Yue Feng didn't know that the Rakshasa woman he had met before was the daughter of King Rakshasa and the sister of Meng Lang Meng Ao.

"It turns out that you are Yue Feng, you liar, you told me before that your name is Feng Tao." When she got to the front, Mona raised her jade hand, clenched a pair of white bone machetes, stabbed straight at Yue Feng, and said fiercely at the same time. .

He was subdued by Yue Feng at that time and then hugged on the soft couch. Mona was impressed by his strength, and at the same time, she was secretly attracted to him. At this time, when she learned that he was Yue Feng, who was famous in the Kyushu mainland, Mona felt that she had been deceived. is shame and anger.

The Rakshasa woman has a strong character, she goes straight, she feels deceived, and Mona kills her as soon as she makes a move.

Nima!

In the face of Mona's ferocious attack, although Yue Feng was not panicked, he was secretly wondering.

This woman, didn't she just lie on her soft couch and hide from the patrolmen for a while, and she didn't do anything to her, why did she kill herself when she came up?

With Mona's help, Meng Ao had a chance to breathe, stepped aside, quickly recovered his strength, and at the same time did not forget to shout: "Little sister, Yue Feng is very strong, be careful."

Mona didn't respond, just kept attacking.

At this moment, Yue Feng wanted to be ruthless, but he couldn't bear it.

Bang bang bang…

At this moment, along with the earth-shattering roar, I saw a few giants, under the control of the Rakshasa soldiers, quickly entered the battlefield.

The army led by Yue Feng originally had a disparity in strength with the Rakshasa army. At this time, Ju Kui joined the trembling, and the Kyushu Continent was in danger.

Ah..

along with a scream, I saw a lot of sect disciples being trampled to death by the giant.

Nima!

Seeing that there were people falling down on his side, Yue Feng suddenly became anxious and looked at Mona closely and said, “I’m sorry, I won’t play with you anymore!” Oh

!

The voice fell, Yue Feng slowly raised his right hand, and saw a white flame quickly condensing and forming, and then forming a lotus shape, illuminating the sky.

It is Bai Lian Leng Huo.

what is this?

Mona frowned, she didn’t know Bailian Lenghuo, but she felt the terrifying temperature of the white flame, and she instinctively became vigilant.

Not far away, Xu Qingyi and Su Qingyan trembled. Meng Lang, who was

next to him, also changed his face, and quickly asked: “Two teachers, what is Yue Feng using?”

“Bai Lian Leng Huo!”

“The first strange fire in the world.”

in unison.

What?

Hearing this, Meng Lang’s face turned extremely pale. He didn’t have time to think about it, and shouted at Mona: “Little sister, be careful, this is the number one strange fire in the world…” Although she didn’t know Bailian Lenghuo had How powerful, but seeing the faces of Xu Qingyi and Su Qingyan, Meng Lang realized that this white flame was terrifying.

Chapter 2384

Hearing Meng Lang’s cry, Mona’s pretty face changed, without any hesitation, she immediately dodged to the side.

Although she didn’t know what the white flame was in front of her, Mona felt the scorching temperature and knew that she couldn’t resist it.

“Oops, I hid quite quickly.”

Yue Feng sneered, his voice fell, and he rushed over quickly. Before Mona could react, he quickly raised his hand and sealed several acupoints on Mona’s body.

In an instant, Mona’s body froze, unable to move at all.

“Since you are the daughter of King Rakshasa, you will be wronged.” Yue Feng said, and picked up Mona, with his toes on the ground, and flew towards the rear.

Yue Feng thought about it, as long as Mona was captured, the Rakshasa army would take care of it, which would be extremely beneficial to the future battle.

“You…you let me go.” Mona was so angry that she kept struggling, but the acupuncture point was tapped, and she couldn’t break free at all, so she could only scream angrily.

“Little sister!”

Seeing this scene, Meng Ao’s face changed greatly, and he was about to rush over. It was just that he had spent too much internal energy in the battle with Yue Feng before, and was injured, so he was completely powerless.

“Put down my little sister.”

Meng Lang, who was not far away, also roared, and his inner strength exploded, coming straight towards Yue Feng.

hum!

Immediately afterwards, Meng Lang’s internal force exploded, and he slapped Yue Feng’s back with a palm. His father was not there. As the commander-in-chief, Meng Lang should not have been so reckless, but when he saw his little sister being arrested, he couldn’t help it.

“Want to save someone?”

Yue Feng showed a smile, and at the critical moment, he turned around in the air and raised his palm to meet him.

Bang!

When the two palms touched, I heard Meng Lang groan, his face paled instantly, and the whole person was shaken back dozens of meters.

After stabilizing his figure, Meng Lang was shocked and angry, and looked at Yue Feng closely!

This Yue Feng's strength is actually so strong?

Taking advantage of Menglang's repulsion, Yue Feng quickly rushed out of the battlefield, and shouted at the same time: "Retreat, quickly retreat."

When he shouted these, Yue Feng saw that on the battlefield, he brought nearly 60 more than he brought. Wan Dajun, nearly 100,000 people have fallen in a pool of blood, it can be said that this battle suffered heavy losses.

However, if he captured King Rakshasa's daughter, the Rakshasa army would not dare to pursue her.

Whoops!

Hearing Yue Feng's words, Wen Chou Chou and the others immediately summoned everyone and quickly retreated.

"Chase!"

Meng Ao's eyes were extremely red, and he hissed, "Chase them all, kill them all, and save the little sister." The

voice fell, Meng Ao gritted his teeth, and was about to lead the army to pursue.

"Stop!"

At this moment, Meng Lang walked over quickly, his face was gloomy and scary, and he said angrily: "Second brother, can you calm down, little sister is in their hands, if you push the other party in a hurry, little sister Isn't it dangerous?"

After speaking, Meng Lang looked around and shouted: "All warriors, return to the camp immediately and deploy defense." The

voice fell, and the surrounding Rakshasa army returned to the camp one after another. King Rakshasa disappeared, Meng Lang was the eldest son, and no one dared not listen to his words.

Bang!

Meng Ao was very unwilling, slapped the stone next to him with a slap, and then followed everyone back unwillingly.

Chapter 2385

At this time, Meng Ao wanted to kill the camp in Kyushu and snatch the little sister back, but seeing that everyone obeyed Meng Lang's orders, and he also suffered some injuries, he had to endure his anger.

A few minutes later!

In Meng Lang's tent, Meng Lang sat there with a gloomy face.

Dozens of Rakshasa generals stood neatly on both sides, and Meng Ao stood at the front, all silent, the atmosphere was extremely dignified.

Behind Meng Lang, Su Qingyan and Xu Qingyi sat there quietly, also silent.

The camp was suddenly raided, and the younger sister was also arrested. Meng Lang summoned everyone to discuss countermeasures.

"Big Brother!"

Finally, Meng Ao couldn't help it. He was the first to step forward and shouted, "What else can we discuss? Rescue." The

voice fell, and many surrounding generals nodded in agreement. The Rakshasa clan can conquer and fight well, when have they suffered such a loss? This breath has to come out.

However, Meng Lang just sat there, pondering silently.

"Brother, what are you thinking about?" Meng Ao suddenly became anxious.

At this time, Xu Qingyi couldn't help but said: "Second Prince, don't worry, although Yue Feng caught Mona, but based on what I know about Yue Feng, he will not treat Mona."

As soon as the words fell, Su Qingyan nodded and said: "Yes, the Kyushu Continent has always been at a disadvantage, Yue Feng captured Mona, the purpose is not to let the Rakshasa army act rashly, I think this is an opportunity, if the eldest son wants peace Coexistence, now we can send messengers over to make peace."

Make peace?

At this moment, the dozens of generals in the camp all looked at each other with expressions of conflict. In the concept of the Rakshasa people, there is only conquering others and being conquered by others, and there is never a saying of peaceful coexistence.

Meng Ao was completely angry, pointed at Su Qingyan and shouted: "You two women shut up, don't use these words to confuse my elder brother."

These two women, all kinds of rhetoric, deceived elder brother, originally elder brother acted. Decisive, but now because of them, he has become hesitant about everything.

The more Meng Ao thought about it, the more angry he became, he pulled out his long knife with a slam and pointed at Su Qingyan and Xu Qingyi: “There is a saying in the mainland of Kyushu, it’s called Confidence, I will kill you today.

” Ao rushed up directly.

Swish.

Su Qingyan and Xu Qingyi both changed their pretty faces, and they never thought that Meng Ao had such a big opinion about him, and he would do it if he said it.

“Stop!” Meng Lang shouted angrily, pulled out his weapon, and blocked Meng Lang’s sword.

clang!

With a shock, Meng Ao was shaken back more than ten meters, Meng Lang was also pale, and his body swayed. In the battle just now, Meng Lang and Yue Feng faced each other and were also injured.

“Brother, you…” Meng Ao was stunned for a moment, and then shouted: “What are you doing with these two women? I think you are really confused by them.”

Slap!

As soon as he finished speaking, Meng Lang slapped Meng Ao’s face without warning.

“This slap will hit you right from wrong.” Meng Lang looked at Meng Ao coldly, and said angrily: “Father is missing, the most important thing for us now is to hold down the continent of Kyushu and find my father first. , and you, but you have to fight to the death with the Kyushu Continent.”

In the first two battles, Meng Ao repeatedly disobeyed his orders, and he endured it at the time, but now Meng Lang can’t bear it anymore.

Although Su Qingyan and Xu Qingyi are women, they are knowledgeable and have learned a lot from them. Now, Meng Ao wants to kill them, and he will not tolerate it.

Meng Ao was slapped by this slap, and after more than ten seconds, he reacted and looked at Meng Lang in surprise: “Brother, I did this all for our Rakshasa clan, why did you hit me? Where am I? Wrong?”

Meng Ao said more and more excited: “It’s not that I don’t want to find my father, let’s defeat the Kyushu army first, wait until we find my father and give him a surprise, isn’t it?”

“Crack!”

Hearing this, Meng Lang was so angry that he slapped him again!

The ultimate husband in Chinese chapter 2386-2390

Chapter 2386

“For the Rakshasa clan?”

Meng Lang trembled with anger, pointed at Meng Ao and cursed: “You idiot, do you know that if you didn’t listen to the command today, you rushed into the enemy formation , let yourself be in danger, the little sister will not go over to help you, and if she doesn’t help you, she will not be caught by that Yue Feng.”

Said, Meng Lang looked around and said coldly: “I announce now, suspend Meng Ao’s position as the forward commander, stay in the camp temporarily, without my order, you can’t leave the camp casually.” The

second brother is so reckless, he will definitely try his best to rescue the little sister at Kyushu University, and he can’t let him continue to mess around.

“Yes, eldest son!” The lieutenant generals responded in unison. Everyone felt that what Meng Lang did was inappropriate, but when they saw his angry face, they didn’t dare to intercede.

What?

Hearing this, Meng Ao’s eyes were blood red, and he stared at Meng Lang closely: “You suspend my position? What did I do wrong?”

“I’m still obsessed with it?” Meng Lang was so angry that he shouted angrily: “When you find your father, explain to him yourself.”

“I…”

Meng Ao wanted to refute, but seeing that the situation in front of him could not be changed, he could only turn around and leave angrily.

“Go and rest.” Meng Lang waved his hand and led the generals.

Hearing this, dozens of generals responded and left the camp one after another.

At this time, Meng Lang turned around and said to Su Qingyan: “Two teachers, I was startled just now, my second brother is reckless and does whatever he wants, don’t mind, I am here, you It’ll be fine.”

“Yeah!” Su Qingyan nodded, but thinking of the situation just now, she still had some lingering fears.

Xu Qingyi smiled lightly, and then said, “It’s okay, we didn’t take it to heart!” To

be honest, seeing Meng Lang’s pale face, Xu Qingyi said softly: “Master, you are injured, so hurry up and rest. .”

When saying this, Xu Qingyi’s face was full of concern. The longer they get along, the more Xu Qingyi believes that the eldest son of the Rakshasa clan in front of him has a peaceful heart and is a wise leader.

Um!

Meng Lang nodded, called the soldiers to escort Xu Qingyi and the two back to his tent, and then lay down and rested.

Meng Lang only felt that his heart was about to be broken when he touched Yue Feng before, and he needed a good rest.

It was already midnight.

Under the order of Meng Lang, the Rakshasa army deployed the defense, and the entire camp was silent, with only dozens of patrolling soldiers patrolling back and forth quietly.

Meng Lang meditated for a while, and he closed his eyes, ready to rest.

Whoa!

At this moment, a slight footstep came, and then a figure entered the tent. In the dimness, Leng Ao’s face revealed a bit of complexity.

It is Mengao.

Hearing the movement, Meng Lang immediately sat up and saw that it was the second brother, and he was stunned: “Second brother? You are not resting in your tent, what are you doing to me?” His

tone was cold, thinking of Meng Ao’s actions before, Meng Lang Still a little pissed.

“Big brother!” Meng Ao opened his mouth and seemed to hesitate, then he bent his knees and knelt down directly in front of Meng Lang: “Brother, I was wrong, I was too reckless before.”

Said, Meng Ao’s face was full of shame and regret: “I thought about it carefully just now, since my father disappeared, I acted too impulsive, not only killed many warriors of the tribe, but also killed the younger sister today who was arrested, brother, I You know it’s wrong, don’t be mad at me, okay?”

Phew!

Seeing his honest face admitting his mistake, Meng Lang showed a smile, raised his hand and said, “Second brother, what are you doing? You just need to know your mistake, you don’t need to kneel to me.”

He had a headache at Meng Ao’s recklessness, At this time, I was relieved to see that he finally lost his way and returned.

“Big brother will be King Rakshasa in the future, I think you should kneel down.” Meng Ao shook his head very seriously. When he said this, Meng Ao looked sincere, but there was a hint of gloom in his eyes.

Hearing this, Meng Lang came over and was about to help Meng Ao up.

“go to hell!”

Chapter 2387

At this moment, Meng Lang’s hand just touched Meng Ao’s arm, and suddenly, Meng Ao roared, a powerful breath burst out from Meng Ao’s body, and he slapped it fiercely, directly towards Meng Ao Long heart beat.

Yes, Meng Ao never thought of apologizing to his eldest brother. In his heart, Meng Lang should be the same as himself, spare no effort to completely defeat the Kyushu army, but Meng Lang listened to the words of the two Kyushu women and became indecisive. , Such a person is no longer qualified to become the next generation of Rakshasa King.

Speaking of which, Meng Ao originally respected this big brother, but just now Meng Lang slapped himself in front of so many people and taught himself a lesson, which made Meng Ao unacceptable.

Meng Lang was extremely frightened, and he never thought that the younger brother of a compatriot would suddenly attack him. At this moment, he wanted to dodge, but Meng Ao was too fast to dodge.

Speaking of which, Meng Lang's cultivation strength is also very strong, but he was injured by Yue Feng before, and his reaction power was greatly reduced.

Moreover, Meng Ao had the intention to kill Meng Lang, and he had already made sufficient preparations before coming.

Bang!

This palm, which contains ten layers of Mengao's skill, hit Meng Lang's heart ruthlessly, and when he heard a scream, the whole person flew straight up, smashed the wooden pillar behind him, and finally landed in the corner of the tent. .

At the moment of landing, Meng Lang spurted blood, and finally stared at his second brother unwillingly, swallowing his last breath.

"Brother, don't blame me for being cruel."

Meng Ao took a deep breath and quietly looked at Meng Lang's corpse, without the slightest pity or heartache in his eyes, and said coldly, "You have already been confused by those two Kyushu women, and you are completely focused. If you want to make peace with the Kyushu Continent, the future of the Rakshasa clan cannot be in your hands."

"Woo…" After the

voice fell, Meng Ao turned and walked out of the tent, raising his head and letting out a long howl. This is the signal for an emergency call.

Soon, after hearing a long whistle, dozens of Rakshasa generals rushed over.

This…

entered the camp, and when they saw the scene in front of them, all the generals were stunned and froze there, completely dumbfounded.

I saw that Meng Lang was lying there covered in blood, and had no breath.

"Everyone!"

Meng Ao looked around, pretended to squeeze out a few tears, and said with grief and indignation: "Big brother died, I met that Yue Feng before, my heart was broken, I just wanted to recover from practice, how can I know it's worse? He was injured, lost too much blood, died…"

Meng Ao was neither cruel nor stupid, he knew that he killed Meng Lang himself, and he couldn't let people know, so he could only let Yue Feng take the blame.

Whoa!

Hearing this, the lieutenant general reacted, each one was extremely sad and angry, leaving tears.

“The eldest son…”

“Damn Kyushu Continent.”

“Then Yue Feng killed the eldest son, he must not be spared.”

Seeing that no one was suspicious, a fluke flashed in Meng Ao’s eyes, and then he pretended to be very sad. Appearing, he shouted at Meng Lang’s corpse: “Brother, don’t worry, I will definitely cut off Yue Feng’s head to avenge you.” The

voice fell, causing many surrounding generals to respond.

“Yes, revenge!”

“I must kill Yue Feng and avenge the eldest son.”

Under the anger of the generals, one of them knelt down to Meng Ao in public: “Second son, the king is not here, the eldest son is dead again, please You lead the three armies and lead us to break the Kyushu army.”

“Please, the second son, take over the post of commander-in-chief…”

In an instant, other generals in the entire camp also knelt down and shouted in unison.

Um!

Meng Ao nodded with satisfaction, raised his hand and said: “Get up, pass my order, and attack the Kyushu army tomorrow morning.”

“Yes.”

Dozens of generals responded in unison.

Chapter 2388

“Prince!”

At this moment, a general suddenly thought of something, and said respectfully to Meng Ao: “The eldest prince is dead, what about the two Kyushu women?”

When Meng Lang was still there, Su Neither Qingyan nor Xu Qingyi dared to be arrogant to them, but now that Meng Lang is dead, there is no need to respect these two women anymore.

call!

Meng Ao's eyes flickered, and he said lightly: "The two women from Kyushu are brought into my tent."

When he said this, Meng Ao's eyes flashed a bit of evil smile.

Meng Ao originally planned to directly behead Su Qingyan and Xu Qingyi in public, but on second thought, both women had stunning looks, it would be a pity to kill them directly. It's better to enjoy it yourself, and it's not too late to deal with it.

"Yes, Prince." After receiving the instruction, the general immediately strode out.

….

on the other side.

Yue Feng led the crowd back to the camp, all exhausted and annoyed at the same time.

Zhang Jiao was insidious and despicable, and he pretended to raid the Rakshasa camp, led Yue Feng to rescue him, and then took advantage of the fisherman. It was really hateful.

At this time, in the central army tent, Yue Feng summoned Wen Chou Chou to discuss the next countermeasures, and the captured Mona was locked in the cell.

Bang!

At this time, Sun Dasheng sat there, and the more he thought about it, the more angry he became. He couldn't help but patted his chair and said angrily: "Mad, Zhang Jiao is too vicious, Fengzi, I can't just swallow this breath like this." The

voice fell, no The few people nodded.

"Yes, this horn is too sinister to bear."

"Made, why don't you fight the Beiying army, kill Zhang Jiao, and directly incorporate the Beiying army .

"

His face was gloomy.

At this time, Yue Feng could not wait to kill Zhang Jiao. In the battle just now, nearly 100,000 soldiers were lost to Yue Feng. The losses were heavy, and everyone who was ugly and ugly was also injured. No one can stand it.

call!

A few seconds later, Yue Feng took a deep breath and was about to make a decision. Suddenly, Gonggong burst in, his delicate face was full of anxiety: “Yue Feng, hurry up… hurry up and defend, Zhang Jiao leads the way. The army will wipe you all out.” Gonggong

quietly came to Yue Feng to apologize, but after leaving, he caught up with Zhang Jiao and led his crowd to raid the Rakshasa camp. Just now, Gonggong learned that Zhang Jiao was going to besiege Yue Feng, so he hurried. Come here to tip off.

To be honest, Gonggong has always had an opinion on Zhang Jiao, but before Yang Jian was there, Gonggong was not good at showing it. Now that Yang Jian is missing, Gonggong feels that there is no need to be under Zhang Jiao and obey his orders.

What?

Hearing this, everyone was shocked.

Yue Feng stood up all of a sudden, his face was extremely gloomy, and he was burning with anger! This Zhang Jiao wanted to kill everyone. He knew that he had just finished fighting the Rakshasa army and was exhausted, so he took the opportunity to lead the army over.

Really vicious.

“Boom!”

At this moment, only a loud noise was heard, and it came suddenly! The gate of the camp was smashed abruptly!

At the same time, a soldier walked in quickly, sweating profusely: “It’s not good, Beiying… The Beiying army came and surrounded the entire camp.”

Chapter 2389

When he said this, the soldier clenched his fists, and was obviously also very angry.

Nima!

Yue Feng cursed secretly, and immediately led the crowd out.

When he got outside, seeing the scene in front of him, Yue Feng couldn't help but take a deep breath!

I saw the army of hundreds of thousands of Northern Yingmen coming in a mighty way! The entire camp is surrounded like iron barrels! Because of waiting for work, the Beiying army at this time was imposing. The pervasive aura is amazing.

At the same time, Wen Chou Chou, Long Qian Yu, Ren Ying Ying and others were all angry, and they frowned, thinking about countermeasures quickly.

In front of the Beiying army, Zhang Jiao was suspended in the air, with a wicked smile on his sinister face.

call!

Yue Feng took a deep breath and took a step forward: "Zhang Jiao. What are you doing?…"

"What are you doing?"

Zhang Jiao sneered, looked around, and said loudly: "The continent of Kyushu is always respected by the continent of Beiying, As for you people, you have been disrespectful to His Majesty before, and refused the command of Northern Ying Continent one by one, causing His Majesty to fight against King Rakshasa, and their whereabouts are unknown

. He softened his tone and continued: "I'll give you a chance now, all return to the Northern Ying Continent and obey the command of this seat, otherwise, don't blame me for being rude."

Zhang Jiao was not afraid that the Rakshasa army would suddenly kill them, after all, they had just The battle with Yue Feng also damaged many Rakshasa warriors. Moreover, Zhang Jiao also sent someone to inquire, the Rakshasa camp is in a state of defense, and it is impossible to send troops for the time being.

Under such circumstances, Zhang Jiao would naturally not miss the opportunity, and he must force Yue Feng to surrender tonight.

Hearing this, Yue Feng smirked.

Everyone who this horn killed before almost wiped out the entire army, and now it is necessary to reverse black and white, which is really hateful.

The people behind Sun Dasheng were also very angry.

"Zhang

Jiao!” At this time, Ren Yingying couldn’t bear it anymore, and shouted: “Do you want to be shameless? You pretended to raid the Rakshasa camp, which caused us to rush to support, resulting in the death of many soldiers, and now come here again Surrounding us, when Kyushu was in danger, you caused a civil war.” The

voice fell, and Long Qianyu also had a pretty face and said: “Yes, if the civil war you caused causes the mainland of Kyushu to fall, you will be a sinner through the ages. .”

Eternal sinner?

Zhang Jiao sneered and said lightly, “Whatever you say, I’ll give you half an hour to think about it…” Before he finished speaking,

he was suddenly interrupted by Gonggong.

“Zhang Jiao!” Gong Gong walked out slowly and looked directly at Zhang Jiao: “Don’t talk about things in His Majesty’s name, if His Majesty were here, you would never do this, I think you are taking advantage of Since His Majesty is away, I want to dominate the Kyushu by myself.”

After speaking, Gonggong looked around the Xiabeiying army and said loudly, “All officers and men, don’t listen to Zhang Jiao, this man is insidious and despicable, and at such a critical time, he wants to mobilize the Kyushu. A civil war is completely reckless, once a fight breaks out, the Rakshasa army will definitely take advantage of it, do you want your homeland to fall into endless war?”

Hu!

Hearing this, many Beiying soldiers looked at each other in dismay, and each one of them was a little shaken.

Zhang Jiao’s face was extremely ugly, and he locked on Gonggong like a poisonous snake, and roared: “Gonggong, don’t come here to confuse the army. When you attacked the Rakshasa camp before, you disappeared, and I suspected that you had betrayed. I didn’t expect that, You are really on Yue Feng’s side.”

Seeing Gonggong openly contradicting himself, Zhang Jiao was furious.

How could she let her ruin the plan that she had finally made?

Thinking to himself, Zhang Jiao raised his hand and pointed to Gonggong: “All officers and men, you have all seen that, as your Majesty’s person, she is on Yue Feng’s side, and she has already rebelled, so let me take him down.” The

voice fell, Hundreds of Beiying soldiers, without any hesitation, drew their long knives and rushed towards Gonggong.

Chapter 2390

“Zhang Jiao!”

Seeing Zhang Jiao’s direct order to arrest himself, Gong Gong was so angry that his tender body trembled: “Don’t confuse black and white, I know in my heart whether I betray you, you take advantage of His Majesty’s absence, take power and destroy For the cooperation of the Kyushu mainland, you are the traitor.”

Om!

The voice fell, Gonggong’s toes were a little on the ground, and he stood up lightly and greeted the hundreds of soldiers directly.

Gonggong knew that Zhang Jiao had been suspicious of himself for a long time, and today he just made an excuse. If he was soft-spoken, Zhang Jiao would still not let him go easily.

In a blink of an eye, Gonggong was fighting fiercely with hundreds of soldiers. Speaking of which, with Gonggong’s strength, he didn’t take these soldiers seriously at all, but thinking that these soldiers still had to fight against the Rakshasa army, Gonggong didn’t do his best and wanted to shake them all back.

This…

Seeing this scene, Yue Feng frowned, looked at Zhang Jiao coldly, and quickly thought about countermeasures.

This horn is too cruel. Gonggong has always been loyal to the Northern Ying Continent, but for his own selfish interests, he slandered Gonggong and betrayed him.

At the same time, Ren Yingying and others couldn’t bear to see Wen Chou Chou next to him.

“Fengzi!”

Sun Dasheng couldn’t help shouting: “Zhang Jiao is too abominable, he deliberately reversed right and wrong, and directly fuck him.

” Then we will attack us, and instead of sitting still, it is better to attack directly.” To be

honest, if Wen Chou Chou had advised Yue Feng not to act rashly, but today, Zhang Jiao’s actions are really hateful, first of all set a trap for Yue Feng , The people who almost killed the whole army were wiped out, and now I take the initiative to pick things up.

However, Wen Chou Chou was not impulsive. He had just fought fiercely with the Rakshasa army and captured King Rosa's daughter. The Rakshasa army would not dare to launch a battle easily.

"Okay!"

Yue Feng nodded, followed by a crisp sound, holding Fang Tianhua halberd tightly, raising his finger to the Beiying army: "The whole army obeys the order, attack! But it's all good, try not to kill people, as long as you are subdued. Okay."

At this time, Yue Feng was also very annoyed, but still kept a little calm.

The battle with the Beiying army is inevitable, but in order to preserve the strength of the Kyushu Continent, it will be easier to fight against the Rakshasa in the future, so in this battle, we must try to minimize casualties.

"Kill!" The

voice fell, and the army burst into a howl, pulling out their weapons and rushing towards the Beiying army. In the blink of an eye, the two sides were fighting fiercely.

However, everyone followed Yue Feng's explanation, and instead of resorting to killers, they tried their best to suppress Beiying soldiers.

However, they had just fought with the Rakshasa army before, and the internal strength of the soldiers had not fully recovered. At this time, facing the mighty Beiying army, they were all helpless.

Ah…

Along with the screams, many soldiers on Yue Feng's side fell in a pool of blood.

"Yue Feng!" Zhang Jiao's catalogue was fierce, and his tone was a bit cunning: "This is your first move, you broke the cooperation agreement, and you are responsible for all the consequences."

Whoosh!

As soon as the voice fell, Zhang Jiao drew out his long sword, and his inner strength urged him. The figure was like a shooting star, coming straight towards Yue Feng.

Nima's!

Yue Feng cursed inwardly and said coldly, "Zhang Jiao, don't talk to me about words, you lead a large army to surround our camp, and the motive is impure.

When the words fell, Yue Feng grasped Fang Tianhua halberd tightly and attacked directly.

In the blink of an eye, Yue Feng and Zhang Jiao fought fiercely in mid-air, and saw terrifying auras surging forward, causing the situation to change and the world to change color.

At the beginning, Yue Feng was still somewhat confident. After breaking through the Tribulation Transcendence Realm, he believed that he could compete with Zhang Jiao, but after a few minutes, Yue Feng was secretly shocked.

Yue Feng clearly felt that Zhang Jiao’s strength is very strong, and his realm is definitely above Gonggong. At the same time, because of the previous battle, Yue Feng has not fully recovered, and gradually began to become weak.

The ultimate husband in Chinese chapter 2391-2400

Chapter 2391

“Yue Feng!”

“Be careful!”

Seeing Yue Risk, Ren Yingying, Xiao Yuruo, Long Qianyu and others, they couldn’t help exclaiming, and at the same time they drew out their long swords and flew up. Help Yue Feng fight Zhang Jiao together.

call!

At this moment, seeing Yue Feng taking the initiative to fight Zhang Jiao for himself, Gong Gong’s delicate body trembled, and his heart was faintly touched.

With the help of Ren Yingying and everyone, Yue Feng’s pressure has been relieved a lot.

Made!

Zhang Jiao was so annoyed that he thought he could take the opportunity to kill Yue Feng today to avoid future troubles, but he didn’t expect that Yue Feng’s reputation was so high that many people came to help.

Facing the siege of the crowd, Zhang Jiao was completely angry, and his eyes were blood red: “A bunch of rabble, give me death!”

Bang!

Zhang Jiao let out a loud roar, slapped his palm fiercely, and shook Ren Yingying and Xiao Yuruo back in front of him, looked around, and jumped up in anger!

He could see that under the command of Yue Feng, the Beiying army was completely under control, not to mention winning the battle, it would be difficult to break into the camp.

“Yue Feng, do you think that with so many people helping you, you can be safe and sound? Today, you will surely die.” Under the anger, a cold voice came from Zhang Jiao’s mouth.

In the next instant, Zhang Jiao’s long sword pointed to the sky, and a powerful internal force burst out. In the night sky, the spiritual energy of heaven and earth quickly gathered towards Zhang Jiao.

“Thousands of Swords Return to the Void!”

This chapter is provided by . Visit for daily update.

Zhang Jiao’s eyes were blood red, and he almost roared out, raising his hand to point at the crowd of Wen Chou Chou in front of him.

chi chi chi….

In an instant, I saw one after another dazzling sword shadows condensed and formed in front of Zhang Jiao, one by one flashing with dazzling light, tearing the night sky, crashing towards the Wen Chou Chou crowd.

Among the thousands of sword shadows, the largest one, like thunder and lightning, came towards Yue Feng.

Ten Thousand Swords Return to the Void, originating from the Indestructible Scripture, is the strongest skill Zhang Jiao has ever learned, Zhang Jiao never uses it easily, but today, in order to kill Yue Feng, Zhang Jiao can’t bear it anymore.

In Zhang Jiao’s eyes, Yue Feng is a famous figure in Jiuzhou, and he is the biggest stumbling block in his domination of Jiuzhou. Now that he has broken through the realm of tribulation, if he has the opportunity, he must get rid of it no matter what.

hiss!

Seeing the sword shadows roaring from the sky, Wen Chou Chou and everyone’s expressions changed, and they quickly urged their inner strength to deploy a protective film in front of them.

Bang Bang Bang…

In the blink of an eye, countless sword shadows slammed into the protective film, making a roar, and I saw that the protective film was all shattered, but it also successfully blocked those sword shadows.

Even so, Wen Chou Chou, Long Qianyu, and the others were all shocked and their faces were pale. Speaking of which, it was not difficult to block these sword shadows with the strength of Wen Chou Chou. not fully recovered.

Moreover, Zhang Jiao’s trick is the return of all swords, and the strongest one is the largest sword shadow flying towards Yue Feng.

This largest sword shadow gathered more than 60% of Zhang Jiao’s power, and its power was amazing. Wherever it passed, it almost tore apart the world.

call!

Seeing the sword shadow flying, Yue Feng took a deep breath, and it was too late to dodge, so he had to use his inner strength to hold Fang Tianhua halberd in front of him in an attempt to block the blow.

Bang!

In the next second, the huge sword shadow slammed on Fang Tianhua halberd. Yue Feng only felt an overwhelming force coming from the mountains. He couldn't help groaning. It was far away, and it broke a dozen trees in the camp before falling to the ground.

At the same time as he landed, Yue Feng couldn't help spitting out a few mouthfuls of blood.

Chapter 2392

Nima!

Yue Feng struggled to stand up, staring at Zhang Jiao, terrified.

This corner is too insidious. Taking advantage of the people on his side, his internal strength has not fully recovered, and he suddenly launched a surprise attack, trying to completely control the situation in Kyushu.

Even if he died in battle today, he couldn't let his tricks succeed.

"Yue Feng!"

"Fengzi…"

Seeing this scene, Wen Chou Chou and Ren Ying Ying were both shocked and exclaimed. Can't get over.

Haha…

Zhang Jiao laughed loudly, his face full of pride, and said to Yue Feng: "Those who follow me will prosper, those who go against me will perish, Yue Feng, wait until I kill you, collect these people, and repel Rakshasa. Clan, I am the Supreme Lord of Kyushu. You surrender to me now, and it is still too late." The

voice fell, Zhang Jiao landed, clenched his long sword, and slowly walked towards Yue Feng.

The powerful breath permeates the whole world!

Gudong!

Seeing Zhang Jiao approaching slowly, Yue Feng was even more shocked and angry, and at the same time he was very unwilling.

Mad, do you really want to die at the hands of Zhang Jiao today?

Yue Feng saw that Wen Chou Chou, Ren Yingying and others were dragged by the Beiying army 100 meters away.

It would be nice if the Linglong Tower was still there. It's a pity that it was snatched away by that woman, Yu Wenyan.

At this moment, Yue Feng clenched his fists tightly, his fingernails almost digging into the flesh.

"Brother Yue Feng."

At this moment, a loud shout came, and Zhu Rong rushed over and stood in front of Yue Feng, full of fighting intent: "Brother, don't panic, brother help you deal with this villain. !" The

voice fell, Zhu Rong's inner strength urged, and his eyes locked on Zhang Jiao!

"Zhang Jiao, you despicable and shameless villain, now that Kyushu is in crisis, you don't want to deal with the Rakshasa clan in the first place, but you come to deal with your own people. If you want to kill Yue Feng, first ask me if I will answer."

"Vulcan Zhu Rong?" Zhang Jiao frowned, then smiled contemptuously: "The man's arm is just a car, since you are courting death, then go down and be a companion with Yue Feng."

His tone was cold and arrogant, full of disdain.

To be honest, if it were normal, Zhang Jiao would still be a little bit jealous of Zhu Rong. After all, Zhu Rong, like Gonggong, was a famous existence for nearly a thousand years, and his strength was tyrannical.

But like everyone else, Zhu Rong's internal strength was also consumed by the fierce battle with the Rakshasa army before, so Zhang Jiao didn't panic at all.

"Death!"

Feeling Zhang Jiao's contempt, Zhu Rong was burning with anger, and after a roar, a hot and violent aura erupted from his body.

hum.

In the next second, a scorching flame illuminated the night sky, gradually forming a sea of flames, rapidly spreading towards Zhang Jiao.

At this moment, Wen Chou Chou and the crowd were rejoicing again, but at the same time they did not dare to neglect, they quickly deployed the protective film again to block in front of them. Although Zhu Rong's raging fire was not as cold as Yue Feng's Bai Lian's cold fire, it was not something that everyone could stand up to. Can live.

"Set fire? Hehe…"

Looking at the rapidly spreading flames, the corners of Zhang Jiao's mouth twitched, and then he raised his hand and waved.

hum!

Seeing Zhang Jiao's inner strength surging, immediately, a black hurricane erupted and rolled directly towards the flame. In just a few seconds, the astonishing flame was completely blown out.

What?

Seeing this scene, whether it was Yue Feng, Zhu Rong, and Wen Chou Chou were all shocked.

Chapter 2393

This…. What skill did Zhang Jiao use to blow out Zhu Rong's flame? You know, that is Zhu Rong. For thousands of years, he has been respected as the existence of the God of Fire by the world. What they rely on is the control and use of flames, and now, Zhang Jiao has easily restrained them.

If you hadn't seen it with your own eyes, who would have believed it?

"You…"

Zhu Rong also widened his eyes and looked at Zhang Jiao in disbelief. While angry, he was also inexplicably shocked.

Zhang Jiao smiled slightly and said to Zhu Rong: "Don't be surprised, I call this a black sky hurricane, which is very different from an ordinary hurricane.

" Skills, the Book of Immortality is a marvelous book in the world, and it covers everything. When Zhou Qin was in the Book of Indestruction, he realized the method of

refining the Black Heaven Pill, which forced all the sects to submit. And the black sky hurricane is more brilliant than the black sky pill.

Hearing Zhang Jiao's words, Zhu Rong opened his mouth, his face flushed, and he was speechless.

"Yue Feng!"

Zhang Jiao's face was gloomy, and his eyes flashed with pride: "Today, I have God's help, you can't turn the situation around, make a decision quickly, otherwise next year will be your day of death, ha Haha…" The

voice fell, and Zhang Jiao laughed loudly in the sky, extremely arrogant.

Even Zhu Rong was easily defeated by himself. Who else was his opponent on the scene?

call!

Yue Feng took a deep breath and didn't respond, but looking at Zhang Jiao's eyes, he also flashed solemn and shocked.

Nima's, this horn is worthy of being an existence that ran rampant in the world a thousand years ago, and even Zhu Rong is no match for it. It seems that he was able to create the Yellow Turban Army and the cholera Kyushu back then, not purely by luck, but with real strength.

It's over, it's over now.

Yue Feng smiled bitterly, it seemed that he really had to give in to Zhang Jiao today.

"Amitabha!" At this time, Moraya, who had been silent, couldn't help but chanted a Buddha's name, and folded his hands towards Zhang Jiao and said: "Zhang Shizhu, the current situation requires the two sides to unite and deal with the Rakshasa with one heart and one mind, you Is there anything wrong with doing the opposite and turning to deal with his allies?"

"Haha…" Zhang Jiao sneered and said lightly: "Master Moroye, you don't need to tell me these things, if you can't stand it, Let's fight, if we can beat me, I'll withdraw, but if we can't, please shut up."

Uh…

Moroye's expression froze, very embarrassed.

To be honest, Moroye is very powerful, and he can fight Zhang Jiao one-on-one, but he also consumed a lot of internal energy before.

Made.

At this time, Wen Chou Chou and others not far away were scolding secretly in their hearts, and their faces were extremely ugly.

This horn is too shameless, knowing that Master Moraye's internal strength has not recovered, he deliberately stimulates him.

At the same time of anger, everyone's heart sank to the bottom.

No one in the audience is Zhang Jiao's opponent, do you really want to surrender to him?

"Zhang Jiao, don't be arrogant!"

However, at this moment, a cold and coquettish shout came from the horizon not far away.

Swish!

Hearing the sound, in an instant, the two sides in the fierce battle stopped one after another, and all looked at the sky not far away.

I saw two figures in the night sky, flying quickly.

An old man and a woman.

The old man was dressed in Taoist robes, immortal and Taoist, with a good aura and a kind face, but the breath that permeated his body was extremely amazing, almost unfathomable.

Two of the charming women came slowly.

The woman is wearing a long white dress, the skirt fluttering in the wind, setting off a tight and charming curve. A face with a beautiful country and a city is really like a fairy descending to the earth. Many men's eyes are straight, and they forget where they are, and all the women present are also deeply attracted.

Chapter 2394

Haha…

Seeing the two of them, Yue Feng was stunned for a moment, and then showed an excited smile.

It is Chang'e and the pure Yangzi Lu Dongbin.

At the beginning, Chang'e was tracked down by Yang Jian, and finally had to hide in the mountain gate where Chun Yangzi practiced. At that time, after Yue Feng said goodbye to her, he never saw her again.

But now, I never thought that at such a critical moment, Chang'e and Lu Dongbin suddenly appeared, which was too timely.

This…

The people next to Wen Chou Chou were all stunned, shocked and puzzled in their hearts.

Who is this old man? The strength is so strong!

And this woman, she is so beautiful, all the beautiful words in the world are not enough to describe her style.

Wen Chou Chou and everyone had never seen Chang E, and they were all attracted by her fairy-like appearance and her aloof and luxurious temperament.

hiss!

The Beiying army, with hundreds of thousands of soldiers, couldn't help gasping for air, and they all froze there.

Chang'e is the woman of Emperor Hou Yi, and her mother is the world. Who doesn't know the Northern Ying army?

Zhang Jiao was also stunned for a moment. He looked at Chang'e deeply, and his face changed. He thought he had already taken control of the situation, but unexpectedly, Chang'e suddenly appeared.

call!

After being stunned for more than ten seconds, Zhang Jiao finally came to his senses, clasped his fists at Chang'e, and pretended to say, "So it's the mother of Chang'e, and the strategist Zhang Jiao has seen the mother."

What?

Hearing this, Wen Chou Chou, Long Qianyu and the others were shocked.

Chang'e? So this is Empress Chang'e?

At this time, Yue Feng also took a deep breath and smiled at Chang'e: "Miss Chang'e, it's been a long time." Compared with Zhang Jiao, who pretended to be respectful, his attitude was very relaxed.

Half a year ago, Yue Feng and Chang'e experienced a lot of interesting things together. Thinking about it now, I still have a lot of aftertastes.

Um!

Seeing Yue Feng smiling, Chang'e nodded, but there was a faint trace of unnaturalness on her beautiful face.

This Yue Feng, who hasn't seen him for so long, is still so rude.

Thinking to herself, Chang'e's eyes fell on Zhang Jiao, and she said coldly, "Zhang Jiao, you don't have to pretend to be in front of this palace. I heard that you became Yang Jian's military adviser, attacked other continents, and helped Zhou to abuse. Now Rakshasa The clan is preparing to bring disaster to Kyushu, you do not unite with the continents to defend against it, but you want to start a civil war, it is really a shame for the Northern Ying mainland for someone like you to become the supreme commander of the Northern Ying army." The

tone was cold and loud.

Three days ago, Chang'e learned that the Rakshasa clan had crossed the Chaos Mountains, and a fierce battle broke out with the Kyushu Continent. Yang Jian and Rakshasa King fought, and both disappeared. At that time, Chang'e was shocked, and immediately invited Lu Dongbin to come to help.

As a result, as soon as they arrived at the Chaos Mountains, they saw Zhang Jiao leading the Northern Ying army to fight against Yue Feng. Chang'e was not only profoundly righteous, but also very clever.

Zhang Jiao's face changed, and he sneered: "Miss Chang'e, don't talk about me. It is rumored that you and Zhu Bajie joined forces to murder the descendant of the Great Emperor, and your Majesty hunted them down everywhere. If you do this, it's a loss that the world has admired you for so many years."

"You !"

Hearing this, Chang'e frowned and was very angry: "That was a misunderstanding, and it's not your turn to make irresponsible remarks about the internal affairs of the palace."

As she said that, Chang'e looked around and said to the hundreds of thousands of Beiying troops: "All soldiers, you are all loyal to the monarch and serve the country, the Rakshasa army is overwhelming, you don't want to resist, but listen to Zhang Jiao's words and deal with your own Kyushu. Don't you feel ashamed, my compatriots?"

Shuh!

In an instant, hundreds of thousands of Beiying troops bowed their heads one by one, very guilty, but no one responded.

"Haha…"

Zhang Jiao chuckled lightly and said lightly, "Miss Chang'e, you don't need to bewitch the military. You have plotted against the descendants of the Great Emperor. If you haven't explained it clearly, it's impossible for these soldiers to listen to you."

Chang'e suddenly became angry. , tilted his head towards Lu Dongbin and said softly: "Daoist Chunyang, please take action and help me take down this despicable villain."

What? !

Chapter 2395

Hearing this, whether it was Wen Chou Chou or Long Qianyu and others, they were all stunned, their faces full of incredulity.

This… this old Taoist, is a Taoist master who is well-known in Kyushu? Pure Yangzi Lu Dongbin?

You must know that Lu Dongbin is a god-like existence in the Taoist sect. Do you know the name of Chunyangzi? Almost no one knows, no one knows.

Under everyone's attention, Lu Dongbin smiled slightly and said to Chang'e, "You're welcome!"

Om!

As soon as the words fell, Lu Dongbin's figure rose into the air and went straight to Yue Feng.

A few dozen meters away from Zhang Jiao, Lu Dongbin stood in the air and said in a light tone, "Zhang Jiao, if you do too much injustice, you will kill yourself. Back then you created the Yellow Turban Army and caused chaos in the world, and now it has triggered the civil war in Kyushu. I advise you to stop in time. Right."

Hehe..

Zhang Jiao looked contemptuous and said coldly: “Stinky Taoist priest, don’t follow me like this, when I led the Yellow Turban army to conquer the world, you were still hiding in the mountains to cultivate, and now you have become a Taoist sect. Grandmaster, are you here to teach me?” The

words were full of disdain.

Ugh!

Seeing that Zhang Jiao had no regrets at all, Lu Dongbin sighed softly, “Since you insist on doing this, there is no need to say more.”

Om!

The voice fell, and a powerful Daoist infuriating burst out from Lu Dongbin’s body. In an instant, the surrounding air seemed to be stagnant!

Unfathomable and powerful coercion, suppressing people panic!

The next second, Lu Dongbin slowly raised his right hand and hit Zhang Jiao with a palm. He saw that this palm contained a very strong aura, and at the same time, a huge gossip pattern condensed and formed behind Lu Dongbin.

It is Lu Dongbin’s famous stunt, the Eight Trigrams Xuantian Palm!

Made…

Feeling the strength of Lu Dongbin’s palm, Zhang Jiao frowned, secretly frightened.

The strength of this stinky Taoist is not weak.

Thinking about it, Zhang Jiao reacted quickly, his internal energy surged, and a sword shadow erupted from the long sword in his hand, welcoming Lu Dongbin’s palm.

In an instant, between heaven and earth, the wind is surging.

Seeing this scene, everyone below raised their hearts.

boom!

The next second, the sword shadow and the palm collided, and a burst of aura vibrated, and the dust and smoke filled the sky and the earth. When the dust and smoke gradually disappeared, they saw Lu Dongbin and Zhang Jiao, both retreating nearly a hundred meters in the air.

“This is Chun Yangzi? That’s all.” Stabilizing his figure, Zhang Jiao looked up and down at Lu Dongbin with contempt on his face.

Lu Dongbin didn’t speak, he slowly raised his right hand!

Click!

With a crisp sound, a long sword as white as jade appeared in Lu Dongbin’s hand.

This is a long sword made of jade, made from a piece of ten thousand year cold jade that Lu Dongbin obtained on the top of the snow-capped mountains five hundred years ago. It is a rare purple-rank weapon.

As soon as this sword came out, the surrounding temperature seemed to plummet!

Purple rank long sword? At this moment, seeing the jade sword in Lu Dongbin’s hand, everyone below was incomparably shocked.

It turned out to be a jade sword of the purple order? Purple-rank weapons are not uncommon, but those carved from white jade are very rare.

“Stinky Taoist priest!” Zhang Jiao suddenly became serious when he felt the aura pervading Lu Dongbin’s body, and said coldly, “Are you going to compare swords with me?”

The sword art that he has learned from the Inextinguishable Classic is unparalleled in the world. If Lu Dongbin competes with swords, he is completely courting death.

“Not bad!” Lu Dongbin’s face was indifferent, without the slightest emotional fluctuation: “Zhang Jiao, the sword art you learned in the Inextinguishable Scripture is indeed very powerful, but it is too evil. You must know that evil is invincible.”

Evil overcomes righteousness!

The four words are loud and powerful.

The ultimate husband in Chinese chapter 2396-2400

Chapter 2396

Haha…

Hearing this, Zhang Jiao was also stunned for a moment, then he looked up to the sky and laughed: “What an evil person, I’ll see today, what skills do you have.” The

voice fell, Zhang Jiao clenched tightly The long sword came straight towards Lu Dongbin.

Alas..

Lu Dongbin shook his head slightly and sighed.

“The Promise Illusion Sword!” The cold words came out of Lu Dongbin’s mouth. Zhang Jiao had been given a chance just now, but Zhang Jiao was not sure at all.

In the next moment, I saw a dark cloud with a radius of 1000 meters centered on Lu Dongbin, which instantly collapsed, and an illusory sword shadow faintly condensed. The way of harmony in Daomen is very shocking.

hum!

In a short blink of an eye, the illusory sword shadow, carrying unparalleled power, flew to Zhang Jue in an instant! !

“Zhang Jiao, admit defeat!” Lu Dongbin shouted coldly.

The huge phantom sword shadow pierced the sky, almost tearing the world into two worlds. The speed was really fast, and in the blink of an eye, it was already in front of Zhang Jiao.

Mad, is this Lu Dongbin so powerful? This burst of sword shadows seems to be unstoppable.

Zhang Jiao frowned, a trace of fear rose in his heart, without hesitation, he hurriedly stimulated the inner strength of the indestructible truth, and also condensed a sword shadow, attacking it, trying to block it!

Bang!

In the blink of an eye, an earth-shattering roar rang out, and Zhang Jiao let out a muffled groan, and the whole person was shocked and flew out, flying over a hundred meters before falling heavily to the ground.

This chapter is provided by . Visit for daily update.

When facing the siege of Wen Chou Chou just now, Zhang Jiao had already consumed a lot of internal energy. At this time, facing Lv Dongbin’s stunt, he was already at the end of his force, and he couldn’t resist it at all.

After all, this is the famous Pure Yoko!

hiss!

Seeing this scene, everyone present couldn't help gasping for air, and looked at Lu Dongbin blankly, full of admiration and awe.

Strong, really strong.

Yue Feng was also extremely excited, as expected of an expert in the Taoist sect, he defeated the hateful Zhang Jiao as soon as he made a move.

"Zhang Jiao!" At this time, Lu Dongbin was suspended in the air, his robe was floating like a fairy, and he said in a light tone: "The sword just now, Pindao has been merciful, I hope you can change the evil and return to the right."

Yes, the Promise Illusion Sword just now , Lu Dongbin only used 70% of his power, otherwise, Zhang Jiao would be a corpse now.

Zhang Jiao's face was miserable, his eyes flickered, and he didn't respond.

Obviously, there is still some dissatisfaction in my heart.

At this moment, everyone around couldn't help but whisper, especially Wen Chou Chou and Ren Ying Ying, who were very puzzled.

This horn almost killed everyone, and even had a chance to plunge Kyushu into endless wars, and Lu Dongbin had the virtue of good life, but he was spared like this.

"Daoist Chunyang!"

At this moment, Sun Dasheng couldn't help shouting: "You are a master of Taoism, and you don't care to kill such scum, so, how to deal with it, you should leave it to us!"

Said, An axe appeared in Sun Dasheng's hand, and he approached Zhang Jiao step by step, his eyes extremely blood red: "Zhang Jiao, you are cruel and ruthless, the Rakshasa army is coming, you don't resist the first time, but for your own ambition, you design to harm the allies , I'm going to kill you today to avoid future troubles!"

"I…" Feeling Sun Dasheng's killing intent, Zhang Jiao was full of cold sweat and was extremely frightened, and instantly lost his previous arrogance.

To be honest, if it was before, Zhang Jiao couldn't have paid attention to Sun Dasheng at all, but now it is different. He was just severely injured by Lu Dongbin, let alone Sun Dasheng, even a soldier can easily kill him.

Seeing this scene, Wen Chou Chou and everyone looked indifferent.

Chapter 2397

It’s not a pity to die for someone like Zhang Jiao!

Yue Feng’s face was also cold, without the slightest expression fluctuation.

Many generals in the Beiying army were secretly anxious and wanted to come to stop them, but thinking of Lu Dongbin’s strength, they all lost their courage.

Pfft! Seeing this

situation, Zhang Jiao finally couldn’t hold it anymore. He bent his knees, knelt in front of Sun Dasheng, and begged for mercy: “Sun Daxia, I was really carried away by my ambition before. I was wrong, please forgive me…”

At that time, Zhang Jiao almost wanted to cry without tears!

He never thought that he would be in an embarrassed situation. If Yang Jian was there, he would not need to be afraid of Lu Dongbin, but Yang Jian was missing and could not be relied upon at all.

Sun Dasheng snorted and did not respond, but turned his head to look at Chang’e, who was suspended in mid-air.

After all, Sun Dasheng is not from the Northern Ying Continent. And Zhang Jiao is the military advisor of the Northern Ying Continent. How to deal with him depends on what Chang E wants.

Swish!

In an instant, everyone’s eyes were focused on Chang’e.

Whether Zhang Jue lives or dies depends on her thoughts.

Zhang Jiao is very clever, and he is not a fool. Seeing this situation, he quickly kowtowed to Chang E: “My subordinate, I have offended you so much, please forgive me.

” He took a breath and said softly: “Okay, get up. Now that I know the fault, I will spare you, but I will only give you one chance. The next time you have a different opinion, the head will fall.”

After speaking, Chang’e looked down. Yue Feng, continued: “Zhang Jiao, from now on, you have to assist Yue Feng and do your best to resist the Rakshasa clan. You can’t have any second thoughts, you know?”

What?

Want to assist Yue Feng yourself?

Hearing this, Zhang Jiao's heart was shocked, thinking that he had heard it wrong, that he was talented in the sky, and Yue Feng was just a young junior, how could he be subordinate to him?

For a time, Zhang Jiao's face flushed red, and he was very conflicted.

Zhang Jiao's expression changed, Chang'e saw it in her eyes, and said displeasedly: "What? You don't want to?"

"Yes, yes!" Zhang Jiao reacted and nodded again and again.

The next second, Zhang Jiao came over and bowed deeply to Yue Feng: "Zhang Jiao greets Sect Master Yue, and I hope to follow him in the future and do the same."

When he said this, Zhang Jiao was polite on the surface, but his eyes flashed. With a hint of gloom.

Zhang Jiao thought about it, he pretended to compromise first, and when he found an opportunity, he would kill Yue Feng, but he was determined to become the overlord of Kyushu, how could he be Yue Feng's subordinate?

Yue Feng did not respond, but looked at Zhang Jiao with a half-smile.

Yue Feng's gaze made Zhang Jiao's heart skip a beat and panic.

Oops, he assassinated him before, and framed him several times, wouldn't he also kill himself?

…..

On the other side, in the forest more than ten kilometers away from the Chaos Mountains, a monk, dragging a huge stone box, was moving quickly.

The monk's face was gloomy, and although his facial features were handsome, there was a bit of evil spirit.

It was Duan Yu.

Yes, Duan Yu had captured a dozen people before, cracked the ancient text on the stone box, and later, Chen Qi, the leader of the mouse club, looked through it and learned that in addition to the stone box, there was another treasure, and as long as it

was found, the stone box could be opened. Another treasure is near the Chaos Mountains.

When Shidou Yu was very excited, he immediately rushed to the vicinity of the Chaos Mountains and searched almost all over the area for a hundred miles. Now, except for the Rakshasa camp and the Kyushu camp, this mountain forest has not yet been found.

Chapter 2398

At this time, Duan Yu dragged the stone box and looked around in the forest, but found nothing, and was suddenly a little annoyed.

Um?

At this moment, Duan Yu suddenly discovered a cave that collapsed.

Is it here?

Duan Yu was immediately excited, seeing that although the entrance to the cave was sealed, without hesitation, he directly used his internal force to shake it open, and then quickly walked in.

Yes, this cave is the one where Yue Feng was trapped before and then met Guiguzi.

After a while, Duan Yu was overwhelmed with excitement when he found the stone room where Yue Feng practiced. He had a feeling that another treasure must be here.

Whoa!

After looking around, he saw that something was wrong with the stone platform in the middle. Duan Yu immediately searched and quickly found the patio below. Then, he saw Guiguzi’s body and the opened stone box.

Made.

Seeing that the stone box was opened, Duan Yu’s face was extremely gloomy.

I actually came a step late, the treasure was taken away, the carvings on the stone box and the stone box, and the text are all from the same era, I can’t go wrong.

For a time, Duan Yu stood there with anger flashing in his eyes, almost going crazy.

Seeing that he could open the treasure left by Xuanyuan Huangdi, he was so happy that no one could accept it.

After a few minutes, Duan Yu calmed down and began to think.

Those who can find it here are definitely not ordinary people, and now, the Kyushu Continent is fighting against the Rakshasa tribe in the Chaos Mountains, so the people who took the things in the stone box were either the Rakshasa people or the Kyushu camp.

Yes, go to Kyushu Camp first.

Soon, Duan Yu made up his mind, hid the stone box, and then rushed towards the Kyushu camp.

Duan Yu had already thought about it. After arriving, he continued to pretend to be Moroye's apprentice to inquire about the whereabouts of the stone box treasure. If there were no clues, he could only venture to the Rakshasa camp.

….

"Open your mouth!"

Yue Feng looked at Zhang Jiao coldly and said lightly.

Ah?

Hearing this, Zhang Jiao was stunned, but he opened his mouth subconsciously. At this moment, Yue Feng took out a medicinal pill from his body and quickly stuffed it into it.

Gudong!

Before Zhang Jiao could react, the medicinal pill was swallowed directly into his stomach.

"You…" Zhang Jiao was shocked and angry, looking at Yue Feng, his tone trembled a little: "What did you give me to eat?" Zhang Jiao is ruthless, he naturally knows that Yue Feng's food for himself is definitely not good. thing.

Yue Feng sneered: "What are you panicking about? Zhang Jiao, it is said that when you were in command of the Yellow Turbans, you used this method to control the people under your command. Why? Now you know you are afraid?

" Word by word: "Don't worry, what I'm giving you is not poison, but Tongtian Pill!"

Yue Feng just gave Zhang Jiao the Tongtian Pill!

Tongtian Pill is a method used by the Tongtian sect master to control his subordinates. After taking it, there is no antidote for one year, and he will die miserably.

At that time, relying on such means, Tongtian Sect developed and expanded, and even the six major sects were terrified.

“Tongtian Pill?”

At this moment, Zhang Jiao was sweating profusely, and he could hardly stand still.

Zhang Jiao was also a master of alchemy, and of course he knew what Tongtian Pill was, but at this moment, he was both frightened and angry. Sweat could not stop flowing.

Mad, this Yue Feng is so hateful, he is afraid that he will betray him in the future, so he uses this method to control himself.

Chapter 2399

Seeing Zhang Jiao’s expression, Yue Feng sneered: “It’s not that I don’t believe you, but your previous actions are really hard to trust, but as long as you help me resist the Rakshasa wholeheartedly, I promise you can Got the antidote on schedule. Do you understand?”

“Understood…” Zhang Jiao nodded without hesitation, how could he dare to disobey the slightest at this moment!

It’s not good if you don’t agree. Although Zhang Jiao is also a master of alchemy, he only has no prescription for Tongtian Pill. After all, Tongtian Pill was the secret of Tongtian Sect.

Zhang Jiao shuddered at the thought that he would die miserably without an antidote.

call!

Seeing this scene, everyone couldn’t help but take a deep breath.

Especially Wen Chou Chou and Ren Yingying, as well as Chang E and others, all looked at Yue Feng and nodded approvingly.

Zhang Jiao’s temperament is unruly, it is difficult to determine whether he is really submissive, and Yue Feng’s use of this method to suppress him is the most suitable.

At this moment, Yue Feng showed a smile and said to Chang’e: “Miss, you asked Zhang Jiao to assist me, don’t you plan to lead the Northern Ying army to resist the Rakshasa with us?

” Look at Chang’e.

This is Empress Chang'e, the daughter of the descendant of the Great Emperor, the mother of the world, as long as she says a word, the continent of Kyushu will respond positively and unite well.

"I…"

Facing everyone's eyes, Chang'e smiled lightly and said to Yue Feng: "In the mountain gate of Chunyangzi, during the time I have been here, Ben Gong has become accustomed to the cleanliness of the Taoist gate, and is tired of fighting. Kill kill. Besides, how can this palace have the ability to lead the army to fight?"

Saying that, Chang'e looked at Yue Feng, and her tone became serious: "Yue Feng, you have a talent that penetrates the sky and the earth, and you are proficient in all things

. At that time, Chang'e's beautiful face was full of seriousness and even some appreciation.

To be honest, Chang'e used to look down on Yue Feng, but after getting in touch with him, she realized that although Yue Feng was not at all serious at ordinary times, he could always turn things around at critical moments, and he was someone with great ability.

Looking at the continent of Kyushu, it is difficult to find a second genius like Yue Feng.

Uh…

Being praised by Chang'e in front of so many people, Yue Feng scratched his head, a little embarrassed, is he that powerful?

"The Beiying army, all the soldiers obey the order."

At this moment, Chang'e's delicate face was extremely solemn, and she said coldly to the hundreds of thousands of Beiying army: "From today onwards, you are just like Zhang Jiao, wholeheartedly. Do your best to help Yue Feng, resist the Rakshasa clan, and obey Yue Feng's command without any violation." The

tone was cold and unquestionable.

"Follow your orders!" Dozens of generals looked at each other in dismay, and then respectfully responded.

To be honest, these generals were somewhat resistant to Chang'e's orders. After all, the death of Emperor Hou Yi had not been fully understood, and Chang'e had not been cleared of suspicion.

However, Yang Jian did not know what to do, and Zhang Jiao surrendered to Yue Feng again.

“Follow your orders!” The

army of hundreds of thousands of Beiying also responded in unison, and the momentum was overwhelming.

Immediately afterwards, he said to Yue Feng in unison: “See Sect Master Yue!

“

Seeing this scene, Yue Feng was stunned there, and the whole person was stunned.

This… Half an hour ago, I was still worrying about how to deal with the hundreds of thousands of Beiying troops. In a blink of an eye, the Beiying army became my own soldiers?

With emotion, Yue Feng bowed deeply to Chang’e: “Thank you for your trust.”

Chang’e nodded with satisfaction and said with a smile: “I hope you can successfully defeat the Rakshasa clan, and I will go back with Daoist Chunyang. Waiting for the good news of your victory.”

Originally, Lu Dongbin wanted to stay here to help, but now that the Beiying army has returned to Yue Fengguan, there is no possibility of civil strife. In this case, all people will be able to defeat Luo Bra clan, so it doesn’t matter whether Lu Dongbin stays or not.

Yue Feng nodded.

Chang’e didn’t say more, flew away with Lu Dongbin, and disappeared from everyone’s sight in a blink of an eye.

Chapter 2400

Wow!

At this moment, everyone in Wen Chou Chou reacted, all of them were extremely excited and cheered.

With the participation of the Northern Ying army, there is no need to worry about civil strife, and then we can fight against the Rakshasa wholeheartedly. Can you be unhappy?

Yue Feng also had a smile on his face, and quickly commanded to let the camps of the Beiying army merge together, and at the same time let everyone go back to rest. Before the fierce battle, many people were injured. Rakshasa tribe.

After the explanation, Yue Feng will return to the tent to rest.

“Who?”

At this moment, at the gate of the camp, the soldier suddenly found something and scolded coldly!

Swish.

In an instant, the eyes of everyone present were looking in the direction outside the camp!

I saw a figure walking slowly. Under the night, the bald head was very obvious, the facial features were sharp and angular, but it was a little tired.

It was Duan Yu.

Seeing Duan Yu, Yue Feng and everyone were stunned.

Master Moraya’s apprentice reincarnated? This man has been missing for many days, but he has reappeared.

At the beginning, Yue Feng, Long Qianyu, Ye Ziyi and others sent their disciples to go to the Chaos Mountains to investigate the situation. This Moraye disciple led the way, but after they left, they all disappeared.

At this time, Yue Feng and everyone have not yet discovered that the monk in front of him is Duan Yu!

“Metamorphosis!”

At this time, Moraye was overjoyed and rushed over: “Why did you only appear now, what about the disciples of the sect with you? What happened to you?”

“Master!” Duan Yu looked ashamed: “The disciple is incompetent, and when he and the disciples of various sects were passing through the sea, they encountered a storm, everyone died, and I almost lost my life, but the disciple did not forget the crisis in the Chaos Mountains. , I’m back.”

After speaking, Duan Yu looked around and said to Yue Feng, “I’m sorry for everyone, Huasheng has failed your expectations.”

What?

All buried in the sea.

Hearing this, the expressions of Yue Feng and Long Qianyu changed.

But seeing that Duan Yu's attitude was very sincere, and felt very ashamed, everyone sighed, and then comforted each other.

"Little Master has done his best, so don't blame yourself."

"Yeah, we didn't think carefully about this at the beginning."

"Yes, Little Master, don't be sad."

Seeing Yue Feng's generosity Forgive, Duan Yu was full of gratitude, but sneered in his heart.

Haha… These idiots don't know that they were deceived by themselves. All their disciples were killed by themselves, and now they are still letting them go to comfort them.

"Master Moraye!"

At this moment, Yue Feng smiled and said to Moraye: "To make disciples, come back after all the hard work, and quickly invite him to the central army tent for a rest, I'll have someone prepare some tea, Wash the dust for him."

Moraye and Lingyin Temple contributed greatly to the matter of the Chaos Mountains. Without them, the Kyushu Continent would not have deployed defenses here in time, so Moraye's apprentices must not be neglected.

"Sect Master Yue is very polite." Moroye smiled slightly, and then said to Duan Yu: "I don't thank

Sect Master Yue yet." It is extremely cold.

Yue Feng, you paid me back so badly, when I get Xuanyuan Huangdi's treasure, I will kill you first.

The ultimate husband in Chinese chapter 2401-2410

Chapter 2401

Yue Feng nodded, then led the way ahead and walked towards the central army tent.

Moroye and Duan Yu followed closely behind, and Wen Chou Chou and others also accompanied them.

“Little Master Huasheng, please have some tea!”

Yue Feng smiled at Duan Yu when he arrived at the central army tent, and soon the tea was ready.

Duan Yu thanked him and drank the tea.

“Little Master Huasheng!”

At this time, Wen Chou Chou couldn’t help but curiously said: “The sea area between the Earth Circle Continent and the Apocalypse Continent is not very wide, everyone else is dead, it is unfortunate that you can survive. Fortunately, it’s just… why did you come back now, but what happened?” The

voice fell, and the others around looked at Duan Yu curiously.

Yes, from the Earth Circle Continent, across the sea to the Apocalypse Continent, and then to the Chaos Mountains, the fastest three days, the latest five days, but this metamorphosis, from the departure to the appearance just now, took a full thirteen days. .

Duan Yu smiled bitterly: “To tell you the truth, when the storm hit, I also fell into the sea, and finally drifted to a desert island. Later, I encountered pirates. It can be said that misfortunes do not come singly.”

So it was.

Hearing this, everyone suddenly nodded.

At this time, Duan Yu showed a smile and continued: “There is a saying that is good, the blessing of misfortune depends on me, maybe it is God’s will. At that time, I fought with pirates and was rescued by a sea shark clan. Now , they were taken to the coral island where their tribe lives.”

“There, I got an amazing news, it turned out that when Xuanyuan Huangdi expected the Rakshasa tribe to cross the Chaos Mountains, he left a treasure to let the sea shark tribe. Keep it, just put the key to open the treasure stone box in the Chaos Mountains.”

“It is about the safety of Kyushu. At that time, I asked the chief of the shark clan to give me the treasure and bring it back to the Chaos Mountains. Unfortunately, the chief of the shark clan did not believe me.”

This chapter is provided by . Visit for daily update.

When he said this, Duan Yu had a face on his face. Seriously, while secretly observing the reactions of everyone present.

Yes, these words are all made up by Duan Yu. He knows that it will be difficult for him to secretly investigate. It is better to make up a lie. If someone in the Kyushu camp gets the contents of the stone box and hears his words, Certainly difficult to calm down.

In fact, before he came, Duan Yu was betting on Yue Wuya and Han Bing, and he hadn’t come to the Chaos Mountain Range, but now, he was right. As long as the Yue Wuya brothers and sisters are not there, you can say whatever you want, without any scruples at all.

Whoa!

In an instant, the entire central army tent was in an uproar, and everyone was stunned, extremely shocked.

It turns out… Xuanyuan Huangdi left a treasure to his descendants, and he deserves to be the head of the Three Sovereigns and Five Emperors. Such a foresight.

At this time, everyone did not doubt Duan Yu’s words. After all, he was Moroye’s apprentice, so there was no need to deceive everyone.

rub.

Yue Feng was even more excited. He stood up at once and looked at Duan Yu closely: “Little Master Huasheng,

is what you said true?” Some couldn’t hold back.

Because what Duan Yu was looking for was in Yue Feng’s hands, it was a dragon ball, why not get excited?

At this time, Yue Feng did not realize that he was deceived by the monk in front of him, and he was extremely excited. It turned out that another thing, the coral island in the depths of the vast sea, was guarded by the sea sharks for thousands of years.

“Of course it’s true.” Duan Yu looked firm.

Ha ha…

Hearing this, Yue Feng couldn't help laughing. He patted his thigh and said, "God helps Kyushu, haha…"

This…

Seeing Yue Feng so excited, everyone present was stunned.

What is he so excited about?

Chapter 2402

Duan Yu also frowned, staring at Yue Feng, his eyes uncertain.

Yue Feng was so excited, could it be…

"Hehe!"

Facing the gazes of everyone, Yue Feng smiled slightly, then took out a bead from his body, the rays of light circulated, dazzling, and the rays of light suddenly illuminated the entire central army tent. Bright.

Swish!

In an instant, the eyes of everyone present were deeply attracted, and they all stared wide-eyed, locking on the orb in Yue Feng's hand, all stunned.

Everyone clearly noticed that this orb could not help but be gorgeous and unparalleled, and it also contained a strange power. Once this power was unsealed, it would be earth-shattering.

shit.

Duan Yu was also stunned, his eyes staring at the treasure without blinking, flashing with scorching light, his heart was also indescribably shocked and jealous.

Is this the treasure in that stone box? Something that can open a stone chest?

Mad, after a long time, Yue Feng took it away, this guy is lucky.

Muttering in his heart, Duan Yu resisted his excitement and said in surprise to Yue Feng: "Sect Master Yue, you are…"

Duan Yu thought about it, he must not expose himself, he must calm down, and then find a way to make Yue Feng The orb in his hand is tricked, and when the time comes, if you get the orb, you can open the stone box and get the peerless treasure.

Before he could finish his question, Yue Feng said with a smile: “Little Master Huasheng, this is one of the two treasures you mentioned. I accidentally found a cave in a mountain forest and got what Xuanyuan Huangdi left in it. .”

“I also understand what you said, two treasures, one near the Chaos Mountains and the other outside the vast sea, I got one of them, and I was thinking about how to find it overseas. Unexpectedly, Master Huasheng brought it with me. An important clue. It turns out that another protection, on the coral island, is guarded by the sea sharks.”

“Haha… In this way, the two treasures have a definite location, and it is only a matter of time before they become one.”

“Right now and Luo The clan confronted each other, the situation was severe, and at a critical moment, Master Huasheng revealed such an important clue, this is God’s will, the heavens help me in Kyushu.”

When he said this, Yue Feng smiled and was very excited.

But when he mentioned that cave, Yue Feng didn’t say that he was framed by Yu Wenyan. You know, now is the critical period to fight against the Rakshasa clan. Yue Feng didn’t want to have trouble again between Kyushu.

Yue Feng thought about it. After defeating the Rakshasa clan, he would find Yu Wenyan to settle the account. After all, the Linglong Pagoda was still in her hands.

call!

Hearing these words, the people around were also overjoyed.

“Yeah, God bless Kyushu.”

“Little Master Huasheng, it’s really time to come back.”

“We don’t need to be nervous in the future against the Rakshasa clan, haha…”

During the discussion, Ren Yingying thought of something, look Holding the orb in Yue Feng’s hand, he curiously said, “There are clues to both treasures, but what did Xuanyuan Huangdi leave behind? Also, what kind of bead is in your hand, Yue Feng, I feel curious.

” When it fell, everyone also reacted, and re-observed the beads one by one.

Yeah, what the heck is this bead?

What treasure did Xuanyuan Huangdi leave behind?

In the face of everyone's questions, Yue Feng smiled and said, "I don't know what the treasure left by Xuanyuan Huangdi is, but what I can explain is that this bead is not an ordinary bead, but a dragon ball. "

What?

Hearing this, the entire Chinese military tent immediately boiled.

Dragon Ball? Is this bead a dragon ball?

Everyone was stunned and completely stupid.

There have been rumors of dragons in the Kyushu continent since ancient times. According to legends, the dragon is the head of the mythical beast. It soars between the heavens and the earth and possesses terrifying power.

Chapter 2403

It is said that thousands of years ago, there were dragons on the continent of Kyushu, but with the continuous strengthening of human beings, the dragons disappeared. At this time, no one thought that they could see the dragon balls.

You know, Dragon Ball is the essence of the dragon.

For a time, everyone stared blankly at the dragon ball in Yue Feng's hand, and they were speechless in shock.

The entire central army tent was silent, almost audible for needles falling.

After a few minutes of silence, Long Qianyu was the first to react and couldn't help but say, "Since the Dragon Ball is the key to opening the treasure chest, it seems that what Xuanyuan Huangdi left behind may be a dragon.

" ..

Hearing this guess, everyone couldn't help but gasp, leaving a dragon behind? If this is the case, what kind of Rakshasa are the Kyushu continents afraid of?

Yue Feng also took a deep breath, nodded in agreement and said, "Yes, I guess so too."

At this moment, Duan Yu, who was sitting there, his eyes flashed with endless scorching heat, Madd, if it is a dragon, he must Find a way to deceive the Dragon Ball, you know, the treasure chest was hidden in that cave.

Get the Dragon Ball, open the treasure chest, wake up the dragon inside, who else is your opponent in Kyushu?

Thinking of this, Duan Yu couldn't wait to get up and wanted to take action immediately and grab the Dragon Ball directly from Yue Feng, but considering so many people around, Duan Yu held back.

Can't be reckless.

Not to mention that the people present are the leaders of the Kyushu Continent, but even Moroye next to him cannot be underestimated.

At this moment, Sun Dasheng stood up and said to Yue Feng with great excitement: "Fengzi, since Dragon Ball is now, what are we waiting for? Hurry up and send someone to Coral Island."

The voice fell, and everyone around him spoke up.

"Yeah, Master Huasheng, it's not too late to know the location of the coral island."

"If the treasure is really a dragon, we don't have to deal with the Rakshasa clan so hard."

"Everyone is right, Yue Feng, you are still Let's go to Coral Island with little master Huasheng, we will watch here, nothing will happen."

Everyone's suggestion, you and I came, Yue Feng was very tempted.

Duan Yu was even more excited.

Haha…

As long as Yue Feng goes to the coral island with himself, and when he finds an opportunity to raid, the Dragon Balls will surely be captured. After all, Yue Feng is only one person and cannot be guarded against. He would never have thought that Moroye's apprentice would attack him. hands-on.

At this time, Yue Feng made a decision, looked around, shook his head and said with a smile: "For the time being, there is no rush to go to Coral Island, tomorrow morning, send someone to investigate the situation of the Rakshasa camp, and then make a decision. "

Seriously, Yue Feng really wanted to follow everyone's advice, and Huasheng rushed to the coral island immediately. As for this, Zhang Jiao was temporarily in charge. After all, Zhang Jiao used his troops like a god, and he was watching, so he was not afraid of the Rakshasa army. Raid.

However, Zhang Jiao has just surrendered, and Yue Feng is still not sure if he is convinced.

Hearing this, everyone looked at each other and nodded.

“That’s fine!”

“Yes, anyway, the Beiying army has joined. Let’s unite as one, and we are not afraid of the Rakshasa army for the time being. Don’t be in a hurry to go to the coral island.”

Mad!

Seeing that Yue Feng did not take everyone’s opinion, Duan Yu’s face turned red, extremely ugly.

“Little Master Huasheng!”

Just when Duan Yu was holding back the fire, Yue Feng turned his head and said with a smile: “Thank you for telling us this, you are tired on the road, you should rest early, wait for two days, the situation here It’s stable, please lead the way, let’s go to the coral island and visit the sea sharks.”

Hearing this, Duan Yu smiled and nodded: “Okay! Everything is subject to the arrangements of Sect Master Yue.”

Haha…

Yue Feng this Stupid, actually believed what he said, and took the initiative to go to the coral island with himself. At that time, if you snatch the Dragon Ball, you must kill him with your own hands.

Chapter 2404

At this time, Duan Yu’s mood instantly became happy. Although he had to wait a few days, Yue Feng said so himself, and he didn’t need to worry about anything.

Seeing Duan Yu nodding, Yue Feng didn’t say anything anymore and called everyone back to rest.

Duan Yu followed Moroye back to the resting camp.

“Transformation!”

At this time, Moraye sat cross-legged and asked Duan Yu, “You tell Shishi, the disciples of the sect with you are really in a storm and all of them are buried in the sea?”

When asking these questions, Moroye's eyes showed a bit of deep meaning.

My own apprentice is cruel and easy to kill. Moroye understands it best. Although he has converted to Buddhism, the ferocity in his heart has not completely subsided. Therefore, Moroye does not really believe what Duan Yu said to everyone before. It felt strange, but in front of so many people from Yue Feng, it was difficult to ask questions, so I waited until now.

"Master!" Duan Yu said with a serious face: "Since the disciple converted to Buddhism, he has been fully aware of what he has done in the past, and he has committed serious sins. He has devoted himself to repenting and decided to reform himself. How can he tell a lie?

" Thinking of something, he continued: "Moreover, Master often taught me that monks should not lie."

Hmm!

Hearing this, Moroye nodded slowly: "Okay, I believe in you for the master, and you can truly repent. Master is very pleased."

Duan Yu showed a trace of trust: "Thank you for your trust."

Then, Duan Yu came over , with a sincere look on his face: "By the way, Master, this disciple has been a teacher for so long, and Master has not yet passed on my Buddhist practice. Today, I beg the disciple to ask Master to teach

him all the way ." It is extremely cold.

A month ago, he was severely injured by Moraye, his life was ruined, and he was forced to apprentice. Duan Yu will never forget this humiliation in his life, but Moraye's Buddhist practice is profound, and Duan Yu knows that he is not an opponent. .

So Duan Yu thought about it and asked Moraye to teach the Buddhist practice, so that he could find the flaws of Moraye. At that time, he killed his anger.

Moroye didn't know Duan Yu's thoughts, but seeing his sincere expression, he was very pleased: "The so-called Buddha Dharma is boundless, the practice of my Linyin Temple is handed down by Patriarch Bodhidharma. You also need to have a Zen mind, you have a tendency to fight before, and you lack Zen mind, but your understanding is good."

After speaking, Moraye pondered for a while, and continued: "But seeing that you are so humbly asking for advice, I will teach you. "

Thank you, Master!"

Duan Yu was overjoyed, and hurriedly knelt down to the ground.

At this moment, Duan Yu's eyes flashed coldly, and his heart was also sneering, Moroye, when I find the flaw in your practice, it will be your death.

Right now, on the other side.

After Yue Feng and the others left the central army tent, they did not rush back to the tent to rest, but went to the cell.

He captured Mona, the daughter of King Rakshasa. This woman is so strong, will she not commit suicide in prison?

With his heart oriented, Yue Feng arrived at the door of the cell.

"Let me go, or none of you will want to live."

As soon as he arrived at the door, he heard a burst of coquettish shouting from the cell. It was Mona's voice.

Yue Feng couldn't help but show a smile, this Mona is really strong.

Thinking to himself, Yue Feng walked in and was stunned when he saw the scene in front of him. He saw that Mona had iron chains on her hands and feet, but she did not panic at all. Her beautiful and heroic face was full of expressions. angry.

Outside the iron fence, the two guards looked bitter.

"Okay, you all step back." Yue Feng walked over and said lightly.

"Yes!" The two guards responded quickly and left quickly.

For a time, Yue Feng and Mona were left in the cell.

"It's you!"

Chapter 2405

Seeing Yue Feng, Mona rushed to the iron fence and kept scolding: "You despicable villain, use insidious means to catch me, I tell you, quickly let me go."

"I Despicable?" Yue Feng laughed dumbly, then walked over and said with a smile: "Princess Mona, what you said is wrong, it was obviously because you couldn't stop my Bailian Lenghuo, and I was arrested by me, how can I say I'm despicable? What?"

"You…"

Mona blushed and was speechless for a while.

Yue Feng walked to the iron fence, looked at Mona with a smile and said, “It’s okay if you want me to let you go, but I want to ask you a few questions, you have to answer truthfully.”

Seriously, after catching Mona, Although it is good for Kyushu, it also has disadvantages. The Rakshasa people are eager to save people, and it is impossible to guarantee that they will not make crazy actions.

So Yue Feng thought about it, and decided to learn more about the Rakshasa clan from Mona’s mouth. Knowing the weaknesses, he could calmly deal with the next battle.

Mona didn’t speak, just snorted coldly.

What the fuck? Are you pretending to be cold with me?

“I ask you, how did you Rakshasa tame those giants, what are the weaknesses of the giants, and, besides these giants, do you have any other means?” Yue Feng asked lightly.

“Go away.” Mona’s red lips opened, and she said coldly.

This Yue Feng, who wanted to obtain the weakness of the Rakshasa from himself, was dreaming. As the daughter of the Rakshasa King, how could it be possible to betray the Rakshasa clan?

Yue Feng frowned, lost his patience, and said coldly: “Princess Mona, don’t be so cold, think about your situation, do you want to be a prisoner all the time?”

Although he knew about the treasure left by Xuanyuan Huangdi, Luo The Sha clan must have stayed in the wild and strange realm for thousands of years, and the cultivation method is completely different from that of the Kyushu mainland.

Yue Feng thought about it, he must get some clues from Mona today.

“Go away.” Another cold word came out of Mona’s mouth.

What the hell!

This sentence, Yue Feng is completely angry, she is a prisoner now, and she is so arrogant, who is she looking at?

“Princess Mona.” Yue Feng looked at Mona and said coldly: “I have limited patience, don’t try to challenge, I will give you another chance to answer the question I just asked.” The

voice fell, Yue Feng approached the cell, Quickly seal Mona's acupuncture point, hold a dagger tightly, and place it directly on Mona's neck!

Mona looked at the dagger, without a trace of waves on her face: "You can kill me directly, but I tell you, if I die, the entire Rakshasa clan will not let you go, my two brothers will tear you apart. Broken into pieces, and everyone in your camp, will be slaughtered!" The

Rakshasa people are not afraid of death, and so is Mona.

At this time, Mona didn't know that her eldest brother, Meng Lang, had been killed by Meng Ao and became the new commander of the Rakshasa camp.

Huh..

Yue Feng took a deep breath and frowned, Nima, this woman is really not afraid of death.

"Let me go quickly." Mona said coldly. Although it was acupointed, how could it look like a prisoner?

Yue Feng couldn't help laughing: "The two armies are fighting, you are now caught by me, you are my prisoner, and you want me to let you go? Do you think it is possible? I said just now, you can also let go. , but to answer my question."

"Don't say it." Another two short words came out of Mona's mouth.

Immediately afterwards, Mona looked at Yue Feng angrily: "I knew you were Yue Feng. When I broke into my tent, I should have called the guards, arrested you, and beheaded you to show it to the public."

Yes, at this time, Mona was very suffocated.

At that time, Yue Feng broke into his tent, and he lost the internal force against him. He admired him very much at the time, but this man lied to him and said a fake name Feng Tao.

What Mona hated most was the person who deceived her. At this time, she made up her mind and would rather die than answer Yue Feng's question.

Nima!

Seeing that Mona was always uncooperative, Yue Feng was very angry, Nima, this woman is too strong, and her status is special, she can't kill and kill, and she can't beat. This is how to do?

The ultimate husband in Chinese chapter 2406-2410

Chapter 2406

Seeing that Yue Feng was reluctant to take action, thinking that he was cowardly, Mona smiled contemptuously: “What? I heard that you are a famous figure in Jiuzhou, and now you don’t even dare to kill a prisoner, and you still want to defeat it. Us Rakshasa? It’s ridiculous.”

You!

Looking at Mona’s appearance, Yue Feng gritted his teeth and lost his temper.

Nima, this woman is really hard to deal with.

“Kill me. If you don’t kill me, just let me go.” Mona sneered, her eyes full of provocation.

Nima!

Yue Feng breathed a sigh of relief, and showed a smile: “I won’t kill you. I will make you unable to survive, and you will not be able to die.” The

voice fell, Yue Feng walked over quickly, peeled her lips apart, and took out a The medicinal pill was quickly stuffed into it.

Gudong!

Before Mona could react, the pill was swallowed directly into her stomach.

“You… what did you give me to eat?” Mona looked at Yue Feng, her face full of shock and anger. Yue Feng smiled and said, “What are you panicking about? Aren’t you afraid of death? I’m giving you the

‘Hancui Fire Pill’!”

Cold two attributes, after taking it, you will feel attacked by ice and fire at the same time, and at the same time, your body will be extremely itchy.

This kind of medicine pill, not to mention ordinary people, even the practitioners of the tribulation realm can’t stand it.

“Hancui… Fire Pill?”

This chapter is provided by . Visit for daily update.

At this moment, Mona’s body was shocked, and her heart was inexplicably flustered.

“Wait, what effect will it have, you will know in a while!” Yue Feng said with a smile, then stepped back a few steps, leaned against the wall with his arms in his arms, and waited quietly for something.

“You…” Mona wanted to speak, but as soon as she said a word, she suddenly closed her mouth, and her delicate body trembled violently.

hum!

At this moment, Mona only felt that her body was cold and hot, and at the same time, an extremely itchy feeling came from her body, which was very uncomfortable!

“Yue Feng, you’d better kill me!” Mona shouted, biting her lip, trying to hold back.

However, the feeling of being cold, hot and itchy at the same time became stronger and stronger.

Yue Feng looked at her with a smile: “Why are you killing you? As the daughter of King Rakshasa, you are so brave and you are not afraid of death, aren’t you very strong? If you can carry it, I will let you go.”

“However, that kind of taste is not something that ordinary people can bear, Princess Mona, come on!”

“You…”

After hearing Yue Feng’s words, Mona Feeling relieved, I started to get nervous, but still stubborn and unwilling to admit defeat, I said coldly: “If you don’t scare me, I don’t believe it anymore. What can a small medicinal pill do to me.”

As a Rakshasa King My daughter, who grew up in the wild and strange realm, what kind of hardships have you not suffered? What is a small elixir?

Yue Feng looked at her with a smile, did not speak, and waited quietly.

At this time, Mona only felt hotter and hotter, and her whole body was dripping with sweat, but the meridians in her body seemed to be frozen, and it was bone-chilling cold. Itchy!

“Haha..ah..hahaha..”

Mona only felt that she was on the top of the snow-capped mountain, being roasted on the fire, and at the same time, there were countless people who were constantly tickling her. That feeling made her unable to bear it any longer, and she giggled while her teeth chattered.

“It’s so cold, so hot, so itchy, Yue Feng, you bastard, kill me quickly!” Mona couldn’t bear the itchy, hot and cold feeling, and couldn’t help but scream!

Yue Feng laughed without saying a word!

Chapter 2407

“Haha, Yue Feng, do you hear me? Kill me! I can’t take it anymore!” Mona wanted to wiggle, but her body was taped and she couldn’t move at all. This feeling is the most uncomfortable .

For a time, Mona blushed, her red lips opened slightly, and she kept laughing. In the laughter, there was a bit of pain, and she couldn’t laugh or cry.

Yue Feng stood aside with a leisurely expression, saw her being tortured like this, and said with a smile, “How is it? Can you answer my question now? As long as you nod, I will give you the antidote immediately!

” Trembling uncontrollably, resisting the hot, itchy, and cold feeling, biting his lips, he said coldly, “Don’t even think about it!”

It’s about the Rakshasa clan, and I can’t say it in death!

“Okay, I’ll see how long you can hold on.” Yue Feng was not in a hurry. After he finished speaking with a smile, he brought a stool from outside, sat there leisurely, and continued to appreciate it.

I have to say, this Mona’s figure is really superb. In the sexy, there is a bit of wildness. This type of beauty is not inferior to the women in the Kyushu mainland, but has a unique charm.

Yue Feng’s eyes made Mona very angry, and at the same time, uncomfortable feelings kept coming from her body.

At this time, Mona could not wait to peel off Yue Feng’s cramps.

“Haha,…haha…”

At the same time of resentment, Mona kept laughing and took Hancui Fire Pill, no one could endure this kind of torture.

Yue Feng sat there with a leisurely expression, admiring Mona, and at the same time listening to her sweet laughter, it was very pleasant.

“Yue Feng!” A

few minutes later, Mona was dripping with sweat, her delicate body was shaking, and finally she couldn't hold it any longer: "Haha.. Hurry up.. Give me the antidote, I can't take it anymore.."

Seeing that she was finally willing to surrender, Yue Feng showed a smile, but did not move!

This Mona, who thinks she is not afraid of death, is very strong, and she is very hard-mouthed. Now take this opportunity to torture her and completely shatter her self-esteem.

Thinking of this, Yue Feng closed his eyes and sat there whistling as if he hadn't heard.

hateful!

Seeing this scene, Mona was very angry, but she had to let go of her pride and softly asked: "Yue Feng, I beg you to give me the antidote, I beg you…"

Seriously, Begging for mercy from Yue Feng, Mona felt ten thousand reluctance in her heart!

The daughter of the dignified Rakshasa King, who is respected by thousands of Rakshasa tribesmen, when was she so dignified? But she really couldn't take it anymore!

At this time, Mona was dripping with sweat, her charming curves were looming, and her face was red. Any man who saw it would be deeply intoxicated. Seeing that Yue Feng hadn't spoken yet, all of Mona's self-esteem was completely forgotten, and she continued to plead: "Yue Feng, you are the hero of Kyushu, the most powerful warrior in the world, can't I answer

it?"

, Mona explained how the Rakshasa clan tamed Jukui, as well as Jukui's weaknesses.

When she finished saying this, Mona felt guilt that she couldn't express in her heart. She said the weakness of Ju Kui. She was so sorry for the people, and she was extremely shy.

Her dignified daughter of King Rakshasa, whoever saw her would kowtow to say hello, but at this time, she was begging for mercy from Yue Feng.

Seeing that she finally said it, Yue Feng showed a smile: "How good would it be earlier? By the way, what else do you have besides Ju Kui?"

“I, we still have an army of beasts…there are millions…that is, an army of beasts. Every beast is a terrifying existence in the wild and strange realm. In the words of your Kyushu continent, the lowest strength also has martial arts. Holy realm.”

What?

Hearing this, Yue Feng was shocked, and his whole body was stunned, his head buzzing.

An army of beasts?

The one with the lowest strength also has the strength of Martial Saint? Add up to nearly one million, what a terrifying force is this?

Chapter 2408

At this moment, Yue Feng’s expression was extremely solemn.

Nima, it turns out that the Rakshasa clan still have so many tricks to press the bottom of the box, and they have not come out in actual combat.

In the first few battles, the giants led by the Rakshasa clan were enough to give the Kyushu Continent a headache, and they still have an army of millions of beasts. When the Rakshasa Clan really wants to release them, the Kyushu Continent will definitely suffer heavy casualties.

Thinking of this, Yue Feng took a deep breath and looked at Mona seriously: “The last question, when you cross the Chaos Mountains, are you going to be the enemy of the Kyushu Continent, or are you going to occupy the territory? Live a peaceful life?”

Huh?

Hearing this, Mona was stunned for a while, and there was a bit of doubt on her heroic and beautiful face.

The next second, Mona asked back, “What do you mean?”

Yue Feng said seriously: “If you guys think about returning to the Kyushu continent, grabbing a piece of land, and prospering, we don’t need to fight to the death, what should the two sides talk about when they sit down ? There is a lot of room.”

“If you want to be the enemy of the Kyushu Continent and dominate the world, then just pretend that I didn’t say anything before.”

Yes, Yue Feng thought over and over again and decided that he could not continue to fight against the Rakshasa clan, you know , The war has been raging recently, and

people in the Kyushu continent are already panicking. If the war continues to spread, the world will never be peaceful.

This was not the result Yue Feng wanted to see.

If the Rakshasa tribe can sit down and talk about it and stop the war, then it is best.

“Giggle…”

Hearing this, Mona couldn’t help laughing, and looked at Yue Feng teasingly: “Yue Feng, listen to you, you are afraid and don’t want to fight with our Rakshasa clan. Yes?”

Mona thought that Yue Feng was afraid. After all, the army of millions of beasts is not as simple as imagined. Those beasts are bloodthirsty. Once this ultimate move is used, the mainland of Kyushu will definitely be bloody, and the army led by Yue Feng will also be bloodthirsty. Countless casualties.

I’m afraid?

Yue Feng was stunned and couldn’t help but laugh.

Before he could speak, Mona continued: “Let me tell you, Yue Feng, our Rakshasa clan has been exiled for thousands of years. Do you know how our clansmen came here? Fighting against the sky, fighting against the harsh environment , Fighting with ferocious beasts, for thousands of years, we Rakshasa have endured too much cruelty.”

“And now, we are finally strong, we can climb over the Chaos Mountains, and take back everything we lost, but you told me that you want to sit What about coming down? Do you think it’s possible?”

“In the eyes of our Rakshasa clan, there is nothing to say about rushing here, there is only conquest and being conquered.”

“If you are afraid, you can choose to surrender and take Kyushu with you. Continent, let’s respect our Rakshasa, and at that time, our Rakshasa may sit down and have a good talk with you.”

After saying this, Mona’s face was full of arrogance, and she completely forgot. How did he begged to Yue Feng just now.

What the fuck? The breath is not small.

Yue Feng laughed dumbly and looked at Mona up and down: “You think I’m afraid and don’t dare to fight, right?”

“Isn’t it?” Mona asked with a sneer.

call!

Yue Feng took a deep breath, looked into Mona's eyes, and said seriously: "Then let me tell you, we in the Kyushu continent will never bow to evil forces, let alone surrender. I said that just for the sake of the people of Kyushu. It's not for fear."

Hearing this, Mona laughed, with confidence and playfulness in her eyes: "Is that so? It seems that you are confident enough to deal with our army of beasts?"

"No!" Yue Feng scratched his head and answered truthfully.

Mona laughed even more happily: "Then why are you so confident?"

This Yue Feng is really interesting. The ancestors said that the people in the Kyushu continent are the most liars. Now it seems that it is not fake at all, and they are obviously incompetent. Winning the Rakshasa clan is still so confident.

Such people should be trampled under the feet of the Rakshasa clan and conquered.

Chapter 2409

Seeing Mona's confident face, even still arrogant, Yue Feng chuckled and slowly took out something from his body: "I'm not sure yet, but with this thing, I think, it will become your Rakshasa clan The nightmare."

Said, Yue Feng handed the thing to Mona.

Radiant and gorgeous.

It was that Dragon Ball.

Um?

Sensing the strange power in the Dragon Ball, Mona couldn't help trembling, and said dumbly: "This… what is this?"

When she said this, Mona's tone trembled.

Because she clearly sensed that the bead in front of her contained a very terrifying power, and this power seemed to be able to suppress the blood of the Rakshasa clan, making people unable to help but be afraid and unable to produce the slightest blasphemy.

"It's called Dragon Ball!"

Yue Feng showed a smile, looked at Mona and said seriously: “You should have heard of the dragon, when your Rakshasa clan was exiled to the wild and strange realm, Xuanyuan Huangdi was beside the dragon to help. , Therefore, your Rakshasa clan will be completely defeated.”

“Emperor Xuanyuan knows that your Rakshasa clan will make a comeback after thousands of years, leaving behind the dragon ball and the clue of the dragon.”

Speaking of this, Yue Feng looked at it with a smile. Looking at Mona: “You said, if I bring a powerful dragon, can I defeat you?”

This…

Mona’s delicate face suddenly paled, she was speechless, and her delicate body was faint. Trembling, somewhat inexplicably flustered.

It is recorded in the ancient books of the Rakshasa tribe that the reason why they were expelled to the wild and strange realm was precisely because of Xuanyuan Huangdi, who had the help of the dragon, the dragon, the supreme spirit beast in the world, the head of the divine beast, and possessed earth-shaking divine power. There are many beasts to help participate in the battle, and it is impossible to be the opponent of the dragon.

However, the dragon has disappeared for thousands of years, does it really still exist?

Did Yue Feng deliberately scare him? But the Dragon Ball in his hand doesn’t seem to be fake.

“You…”

Finally, Mona recovered and looked at Yue Feng and said, “Have you really found the clue to the dragon?”

“Not bad!” Yue Feng nodded with a smile.

In fact, Yue Feng just got the Dragon Ball, but in order to make Mona fear, he deliberately lied to her.

Hearing this, Mona’s body trembled, she panicked completely, and was speechless.

If Yue Feng really had a dragon, even if the Rakshasa tribe had an army of millions of beasts, it would be useless. In the end, they would still be defeated twice. Maybe, he will be driven to the wild and strange realm.

It’s just that the Rakshasa people hate that place, and they would rather die than go back.

Seeing the change in Mona's expression, Yue Feng was secretly delighted.

Haha…

Although this Mona is not afraid of death and has a strong personality, she is still pure.

The next second, Yue Feng put away the dragon ball and said slowly: "Princess Mona, am I qualified to make peace with your Rakshasa now?"

This…

Mona bit her lip so hard that she was about to bleed. , said gently: "What do you want?"

At this time, Mona was in a very uneasy mood. She thought that Yue Feng was just a cunning person who spoke eloquently, but he didn't expect that the cards in his hand were even more terrifying.

As expected of a person who is famous in Kyushu, this man is like a vast ocean, unfathomable.

Chapter 2410

"It's very simple!"

Yue Feng showed a smile and said to Mona: "I'll let you go now, go and help me persuade your two brothers to give up the war with the Kyushu mainland."

"As long as they If you are willing to be peaceful, I can guarantee that within the continent of Kyushu, there must be a place for your Rakshasa clan to live, and of course, your Rakshasa clan must also guarantee that you will not cause trouble or cause wars in the future."

After saying the last sentence, Yue Fengda Thorn sat on the chair, crossed Erlang's legs, looked at Mona leisurely, and waited for her response.

"I…"

Mona bit her lip tightly, not knowing how to answer for a while.

With the current strength of the Rakshasa Clan, it is not difficult to dominate the Kyushu Continent, and to surrender the Kyushu Continent is the goal of the Rakshasa Clan for thousands of years, and it is also the belief left by their ancestors. If he promised Yue Feng, wouldn't he become a traitor of the Rakshasa clan?

Moreover, the two older brothers will never agree. After all, my father and Yang Jian were in a fierce battle a few days ago and disappeared. This hatred can't be put down as soon as it is said.

It's just… If you don't agree, Yue Feng will use the dragon to deal with the Rakshasa. That is the strongest divine beast. No matter how strong the Rakshasa clan is, how can it be the opponent of the dragon?

For a time, Mona was in a tangle.

Ugh!

Seeing Mona's delay in making a decision, Yue Feng sighed deliberately, stood up, and said to himself: "It seems that your Rakshasa family is really not afraid of death, if that's the case, then forget it, wait for me. Bring the dragon over, let's see you on the battlefield."

Hearing this, Mona's body trembled, and she stomped her feet anxiously: "I promise you. You let me go, and I will persuade the two brothers to stop the fight. "

When she said this, Mona was very reluctant.

But there is no other way, for the future of the Rakshasa clan, we can only promise Yue Feng, otherwise Yue Feng will really bring the dragon, and those who wait for the Rakshasa clan will be doomed.

Haha…

Seeing that Mona finally agreed, Yue Feng was so excited that he walked over with a smile, loosened Mona, and opened the shackles.

"Princess really understands righteousness." Yue Feng said with a smile: "Then I will wait for your good news."

After saying that, Yue Feng personally took Mona out of the cell.

Mona nodded and went outside the prison door, with her toes on the ground, jumped up in the air, headed towards the Rakshasa camp, and disappeared into the night in the blink of an eye.

call!

Watching Mona walk away, Yue Feng breathed a long sigh of relief, hoping that his trick would be successful, so that the Kyushu mainland would not have to fight with the Rakshasa tribe, and the people could live and work in peace and contentment.

…..

the other side! Rakshasa Camp.

In a tent in the center of the camp, Su Qingyan and Xu Qingyi were sitting there with their eyebrows furrowed and anxious.

The battle situation is getting more and more tense, how can you rest in the mood?

Swish!

At this moment, the leather curtain at the door was suddenly lifted, and then, a tall figure walked in quickly. His face was cold and arrogant, it was Meng Ao.

hiss!

Seeing this scene, Su Qingyan and Xu Qingyi were stunned for a moment, and at the same time their delicate bodies were trembling, and they were inexplicably flustered.

Didn’t the eldest son say that Meng Ao would not disturb the two of them at will, where did he have the courage to break in? What is he going to do, isn’t he afraid of Meng Lang’s anger?

At this time, Su Qingyan and Xu Qingyi didn’t know that Meng Lang was dead.

Seeing Su Qingyan’s nervous expressions, Meng Ao showed a smile.

“Keep an eye on the outside, no matter what you hear, don’t come in.” Meng Ao said coldly to the guards outside.

“Yes, Prince!”

At this time, Meng Ao looked back at Su Qingyan and sneered: “You don’t have to look at me with this kind of eyes, and don’t think Meng Lang will come back to save you. Because he is already dead, Now the president of the Rakshasa army is me!”

What?

The ultimate husband in Chinese chapter 2411-2415

Chapter 2411

Hearing these words, Su Qingyan and Xu Qingyi looked at each other, and they were both extremely shocked.

Meng Lang… dead?

“You…”

After a few seconds, Su Qingyan reacted and looked at Meng Ao closely: “You killed him?”

When she said this, Su Qingyan’s face was full of disbelief, you know, Meng Lang With both ability and political integrity, he is a rare and wise master of the Rakshasa clan. With him, there is a chance for reconciliation between the Rakshasa clan and the Kyushu mainland.

More importantly, during this period of time, she and Xu Qingyi taught Meng Lang wholeheartedly and pinned all their hopes on him.

But now, such an excellent person has died.

Xu Qingyi also bit her lip and stared at Meng Ao closely. She hoped that all this was fake and that Meng Ao deceived them.

If Meng Lang died, the two of them would not only be meaningless here, but also very dangerous.

Haha…

Meng Ao sneered, very proud: “Tsk tsk, look at the worried look of the two of you, let me guess, you have been confusing Meng Lang before, just want to be his woman, become a high-ranking Rakshasa clan. Woman, now Meng Lang is dead, your dreams are shattered, right? Hahaha…”

Laughing wildly, Meng Ao suddenly put away his smile, and his tone became cold: “You Kyushu women are so deceitful, how could I let me Do you wish?”

Huh!

Hearing this, Su Qingyan was so angry that her delicate body kept shaking.

He and Meng Lang are both teachers and friends, and they are innocent, but they are so slandered by this Meng Ao.

This chapter is provided by . Visit for daily update.

Xu Qingyi also had a pretty face with anger.

“Now the lives of the two of you are in my hands, tell me, how do you want to die?” Meng Ao sat down with a cold arrogance, and said coldly.

In his heart, there are only two weak women in front of him, and there is no threat to him at all.

“Damn it is you!”

At this moment, Su Qingyan snorted tenderly, pulled out the long sword next to her, and flew away, straight towards Meng Ao.

Su Qingyan knew that it was impossible for Meng Ao to keep her and Xu Qingyi alive.

Whoosh.

Su Qingyan’s speed was very fast, and in the blink of an eye, she was in front of Meng Ao, her beautiful face was full of anger, and the long sword in her hand was whispering!

“Meng Ao, you scum who killed your brother and seized the throne, today I want to get rid of you scum and avenge the great prince!” A cold voice came from Su Qingyan’s mouth.

When the words fell, Su Qingyan walked lightly and stabbed Meng Ao with a sword!

call!

This sword contains ten successes of Su Qingyan! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

At the same time, Xu Qingyi also gave a coquettish shout and slapped Meng Ao with a palm!

Just as Su Qingyan thought, the situation in front of you must take the initiative to attack, otherwise, waiting for the two of them will be a doomed situation.

“Beyond one’s own strength!” Meng Ao smiled coldly and stood up suddenly, his face full of arrogance.

“Just rely on you two women, want to kill me?”

After Leng Leng said this, Meng Ao's eyes turned gloomy, and a violent aura burst out, and then, with lightning speed, he avoided Su Qingyan's attack. A sword flashed in front of Xu Qingyi.

Bang!

In the blink of an eye, Meng Ao and Xu Qingyi exchanged palms, and then they heard Xu Qingyi groan, and her tender body retreated again and again.

Xu Qingyi used to be a well-known talented girl in Xi Cang Continent, but her cultivation was not high, so her strength was really much worse than Meng Ao.

Xu Qingyi only felt that a violent force was coming, and she couldn't exert any strength.

Chapter 2412

Papa!

Meng Ao snorted coldly, rushed over, quickly touched Xu Qingyi, tapped her acupuncture point, and made her unable to move.

"Your sister has already been subdued by me, you still want to continue fighting? It's useless, give up." Controlling Xu Qingyi, Meng Ao sneered, his internal strength revolved, and greeted Su Qingyan again, at the same time, playing abusive 's opening.

Su Qingyan clenched her lip and didn't respond. Holding her long sword tightly, she attacked again.

Meng Ao didn't panic at all, he pulled out his machete and attacked.

"Dangdangdang!"

Su Qingyan's long sword collided with the machete, making loud noises. After a few rounds, Su Qingyan's beautiful face became more and more flustered.

This Mengao's strength is really too strong.

Su Qingyan was already close to the Tribulation Transcendence Realm, but she could not gain the slightest advantage against Meng Ao!

In his heart, Su Qingyan's long sword was knocked out, Meng Ao was very conceited, and did not want to bully the weak, so he immediately put away the machete and hit him with a palm.

hum!

The speed of this palm is too fast, the power is amazing, and the air is twisted.

Su Qingyan's pretty face changed, knowing that she couldn't escape, so in a hurry, she had to use her inner strength to greet her with a palm.

boom!

The two palms touched each other and made a dull vibration. At this moment, Su Qingyan's tender body retreated several steps, her face instantly ugly!

Meng Ao practiced the special exercises of the Rakshasa clan, and his internal strength was strong and domineering. With that palm, Su Qingyan was no match for him at all!

"you…"

Su Qingyan only felt stuffy in her chest, stabilized her figure, looked at Meng Ao in shock and anger, her face was full of unwillingness and shame.

Done!

He and Xu Qingyi are not his opponents, so this is trouble.

Meng Ao sneered and looked at Su Qingyan indifferently: "How is it? I said, you two are not my opponents at all!" The voice fell, Meng Ao rushed over, quickly raised his hand, and in Su Qingyan's place Click twice on the acupoint.

In an instant, Su Qingyan's delicate body froze, unable to move at all.

Seeing this scene, Xu Qingyi's beautiful face was full of despair, but she still couldn't help shouting: "Mengao, you dare…"

At this time, Xu Qingyi was embarrassed and angry again. Shocked again.

I thought that I could subdue Meng Ao by cooperating with Su Qingyan. After all, Su Qingyan used to be the sect master of Wenzong, and his cultivation strength was very strong.

"Meng Ao, you murdered your brother and seized the throne. It's a heinous crime. We are your elder brother's teachers. How dare you be so rude!" Xu Qingyi bit her lip tightly: "Let us go."

"Call me?"

Meng Ao showed a trace With a wicked smile, his eyes were extremely cold, he walked quickly to Xu Qingyi, slapped her hard, and slapped her in the face!

“Clap!”

As soon as the slap went down, Xu Qingyi let out a coquettish cry, and a slap print appeared on her fair face.

Swish!

Seeing this scene, Su Qing’s smoke is not good, and subconsciously, she has to mobilize her inner strength to rush through the acupoints, but the way of acupoint-pointing of the Rakshasa is too special, and they can’t use a little strength.

He slapped Xu Qingyi, Meng Ao’s face was hideous.

“No need to struggle.” Meng Ao smiled evilly, looked at Xu Qingyi, and looked at Su Qingyan up and down again, with a sinister light flashing in his eyes.

Chapter 2413 As expected

of a Kyushu woman, she is indeed much more water spirit than the Rakshasa clan.

Meng Ao originally planned to kill Su Qingyan two directly, but at this time, when he observed closely, he was immediately fascinated by the appearance of Su Qingyan and Xu Qingyi, as well as their slender curves.

“If you don’t want to die, just be obedient and serve me comfortably. Maybe I’ll let you be my woman, and you will be the queen of the Rakshasa clan in the future, hahaha…”

Meng Ao said proudly, and immediately removed from his body. He took out a packet of pollen and sprinkled it in front of Su Qingyan and Xu Qingyi’s faces.

call!

Su Qingyan and Xu Qingyi didn’t react and directly inhaled the pollen.

In an instant, Su Qingyan and Xu Qingyi felt a heat rise all over their bodies, and at the same time, their minds were also dizzy.

In an instant, both Su Qingyan and Xu Qingyi’s expressions changed.

“You shameless person!” Xu Qingyi couldn’t help shouting coquettishly, she was shy and angry, she was a smart woman, she was strange, and she could guess what Meng Ao had done to her.

“I’ve already become my captive, and still so stubborn, tsk tsk, this is a bit like our Rakshasa women, yes, yes! But when you two, you will be like cats, very docile to me, hahaha , tell you, what you inhaled just now is the Manluo pollen in the wild and strange

realm, no matter how strong a woman is, after inhaling it, she will become extremely slutty!”

Meng Ao said with a proud face, and his eyes were extremely hot.

asshole!

Hearing this, Su Qingyan and Xu Qingyi both trembled, and they only felt the heat coming from their bodies.

At this moment, Su Qingyan couldn’t bear it anymore, and shouted at Meng Aojiao, “Meng Ao, you killed your elder brother and treated his two masters like this, aren’t you afraid of retribution?”

When she said this, Su Qingyan was very regretful.

Knowing this earlier, when Yue Feng secretly came to the Rakshasa camp to investigate, he and Xu Qingyi should have left with him.

But who would know that Meng Ao was so ruthless that he actually killed his eldest brother. Is this just being blindsided by rights?

Haha…

Meng Ao didn’t get angry but laughed, came over, stretched out his finger, and tugged Su Qingyan’s chin: “Don’t follow me like this, Meng Lang is confused by you, and has no Rakshasa clan anymore. Bloody, it is not a pity to die, and it is also your blessing that you can enjoy the joy I bring.”

Crazy!

Crazy like a demon.

Su Qingyan’s delicate body was trembling, she tilted her head to avoid Meng Ao’s hand, her delicate face was full of anger and resistance: “Go away! Take away your dirty hands!”

His tone was cold, but he sealed the acupuncture point. He was hit with Manluo pollen again, his delicate body was soft and he couldn’t even try, and his delicate dodging, in Meng Ao’s view, was full of temptation.

“Tsk tsk, it’s very sexy. I finally understand why my Rakshasa ancestor has to return to the Kyushu continent so much. It turns out that the women of Kyushu are so attractive. Seeing how stubborn you are, let’s start first.”

Su Qingyan said The scolding did not make Meng Ao restrained, but stimulated his interest.

After saying this, Meng Ao grabbed Su Qingyan's hand, got a little closer, sniffed gently in front of her, his face full of intoxication: "Kyushu women, not only sexy, but also very fragrant… Hahaha!"

" Go away! Go away!"

Su Qing smoked, struggling and shouting: "You shameless scum, let go of me, let me go!" However, with no strength, how could he break free?

Next to Xu Qingyi, who was also anxious and angry, kept shouting: "Bastard, shameless bastard, let her go, don't touch her."

After being together for so long, Xu Qingyi and Su Qingyan are already Sister Qingtong, now seeing Su Qingyan about to be defiled, Xu Qingyi is both angry and heartbroken.

"Haha!"

Meng Ao became more and more excited, and looked at Su Qingyan with a smile: "You call, the entire Rakshasa clan is in my hands, even if you call the tent to pieces, no one will come to rescue you!"

Said, Meng Ao turned his head to look at Xu Qingyi: "And you, don't worry, when I finish hurting her, I will accompany you well!" The

voice fell, Meng Ao's eyes flashed with evil fire, and he was about to tear Su Qing to pieces. smoke clothes.

Chapter 2414

Call!

At this moment, Su Qingyan was extremely ashamed and angry, and at the same time was completely desperate.

Is this God's will?

If it was tainted by Meng Ao, it would be better to die.

Xu Qingyi, who was next to her, was also so frightened that she almost cried.

"Prince!"

Seeing that Su Qingyan's skirt was about to be torn apart by Yue Chen, at this critical moment, a loud shout suddenly came from outside the tent, with a loud and respectful voice!

It is Meng Ao's personal guard.

"You bastard!"

Meng Ao got angry when the good thing was interrupted, and scolded: "Didn't you say, don't disturb me no matter what? Don't you understand?!" The

guards stood outside the door, full of His face was nervous and nervous, but he still had the courage to say: "Sir, it's a big deal. The wolf group that was searching the ruins has just received news that they have found the whereabouts of the king." The

wolf group has always been special to the Rakshasa army . The team's mount is a special wind and fire wolf in the wild and strange realm. It has strong mobility. Before, King Rakshasa and Yang Jian both fell into the ruins of the Chaos Mountains. They didn't know what to do, so Meng Lang sent a group of wild wolves to search.

In addition to the wolf group, the Rakshasa army also has other special teams, the wild bear group, the wild lion group, the giant elephant group, etc…

Mad!

Hearing this, Meng Ao cursed secretly, turned around and strode out of the tent.

King Rakshasa is not only the king of the Rakshasa clan, but also the spiritual leader of the entire clan. Speaking of which, after Meng Ao killed Meng Lang, he already had the ambition to be king, so he was very annoyed when he learned about the clues of King Rosa. .

Once King Rakshasa returns, his plan to become king will be shattered, and the matter of killing his brother and seizing power will also be revealed. At that time, his father will not forgive him lightly.

But there is no way, since there are clues of King Rakshasa, if he behaves too indifferently, he will be suspected by the entire clan.

But Meng Ao already had an idea in his heart.

The moment he walked out of the door, Meng Ao did not forget to look back at Su Qingyan and the two, and said with a wicked smile: "I will come when I go, you two, wait for me, haha…" After the

voice fell, Meng Ao said with a wicked smile. Leave with people laughing.

At this moment, Su Qingyan and Xu Qingyi looked at each other, their beautiful faces were full of despair.

Although temporarily out of the clutches of Meng Ao, he is still trapped in the Rakshasa camp.

When Meng Ao came back, it was still a miserable end.

…

on the other side, in the Kyushu camp.

In the camp full of Zen, with cigarettes lingering, Moraya lay there, resting.

Next to him, Duan Yu was sitting cross-legged, looking at his nose and heart, and was quietly cultivating.

A few hours ago, at Duan Yu's sincere entreaty, Moroye agreed to teach him the Buddhist practice. After the teaching, Moroye rested. After all, he had fought fiercely with the Rakshasa before and patiently taught Duan Yu a few. Hours are really exhausting.

Duan Yu, on the other hand, was full of energy. In order to find Moraye's weaknesses from the Buddhist practice, he did not intend to rest at all, but concentrated on comprehension.

Duan Yu thought about it. Before cheating Dragon Ball from Yue Feng, he must kill Moroye. This stinky monk has made himself an incomplete man. If he is not torn into pieces, it will be hard to vent his hatred. .

call!

Chapter 2415 I

don't know how long it took, Duan Yu breathed a sigh of relief and slowly opened his eyes.

Haha…

At this moment, Duan Yu showed a smile and was very excited. He found it, and finally found Moroye's weakness.

Duan Yu is talented and intelligent, and is also a rare cultivation wizard. In just a few hours, he found a flaw in the Buddhist practice. When he thinks that he will be able to take revenge soon, why is he unhappy?

Um!

Hearing the movement, Moroye woke up. Seeing that Duan Yu hadn't rested, he couldn't help but wonder: "Teacher, you are so happy, what's the matter?"

Mad! Some got carried away!

Duan Yu quickly smiled and said cautiously: "Master, I just learned about Buddhism, and I have some understanding, so I am a little happy."

Hearing this, Moraye was very pleased and nodded in approval: "Yes, you are enlightened. Very high, if you can continue to study Buddhism, you will definitely do something."

Duan Yu responded quickly, then rolled his eyes, and said, "Master, now our Kyushu Continent and the Rakshasa clan are facing each other, it seems to be peaceful, but later No one can guarantee the situation."

Duan Yu looked at the ruins of the Chaos Mountain Range in the distance. He continued: "The apprentice was guilty of serious sins and did a lot of bad things in the Kyushu Continent. Now I am very ashamed. I want to go to the waste behind the Rakshasa camp to see the situation. See if it is possible to raid the Rakshasa from the rear. In this way, I can also do something for the Kyushu Continent."

When he said this, Duan Yu's face was sincere, but his eyes flashed with cunning.

Of course, Duan Yu didn't go to observe the terrain, but wanted to lead Moroye out. He already had a way to deal with Moroye, so he couldn't wait to take revenge.

It's just that there are too many people in the Kyushu camp. Once Moraye is dead, I can't argue with myself. I can only think of a way to lead Moraye outside. The ruins of the Chaos Mountains behind the Rakshasa camp are a good place to kill people. .

call!

Hearing this, Moroye thought for a while, and said seriously: "Teacher, you have this idea, you can take the initiative to contribute to the Kyushu continent, and it is very gratifying for the teacher, but this matter is no trivial matter, I feel it is necessary to cooperate with Sect Master Yue discuss it."

Now the entire coalition forces in the Kyushu Continent are under the command of Yue Feng, the apprentice's method is good, but he can't follow the whereabouts of the fan, and he has to say hello to Yue Feng.

Made!

Duan Yu cursed inwardly, but with a smile on his face: “Master, we are just going to investigate, not to fight, so there is no need to tell Sect Master Yue. After we have explored the terrain, we will come back and tell Yue Feng, that’s fine. Give him a surprise.”

This….

Seeing him say this, Moroye nodded: “Okay!” A

few minutes later, the master and the apprentice left the camp and took advantage of the night to bypass the Rakshasa camp and head towards the Rakshasa camp. The ruins of the Chaos Mountains.

call!

Standing on a rock among the ruins, Moroye looked around, frowning secretly.

I saw that after the fierce battle between King Rakshasa and Yang Jian caused the collapse of the Chaos Mountains, this area with a radius of 1,000 meters was not only surrounded by rocks, but also scattered with many huge cracks. Under the cracks, there was scorching magma. The environment is very bad.

In such a terrain, it is difficult to accommodate many people to hide, not to mention tens of thousands of troops, even thousands of people are difficult to hide, because if they are not careful, they will fall into the magma in the cracks.

It is difficult to launch a surprise attack to the rear of the Rakshasa from here.

Moroye has been observing the surrounding terrain attentively, but Duan Yu, who is next to him, is not at all concerned, his eyes are flickering cunningly, and his attention is all on Moroye.

“Teacher, the environment here is complicated and not suitable for raids. Let’s go back.” After watching for a while, Moroye said.

Duan Yu smiled and said, “Master, what are you anxious about? This place is not suitable for raiding the Rakshasa clan, but it is suitable for doing other things.”

“What?” Moroye frowned.

The ultimate husband in Chinese chapter 2416-2420

Chapter 2416

Duan Yu didn't respond immediately, his eyes looked behind Moroye, his face changed, and he said in surprise: "Master, look over there, are you from the Rakshasa clan?"

Yes, Duan Yu lied, there are only people around here. The two of them were not at all. Saying so, they only deliberately drew Moroye's attention.

Moroye didn't know there was a fraud, and turned to look.

"This place is suitable for killing people, go to hell, stinky monk!" At this moment, Duan Yu's face was hideous, he shouted, raised his hand and slapped Moroye's back.

Yes, Duan Yu studied for a few hours, and finally found Moraye's weakness in the Buddhist practice, and this weakness was the position of Moraye's back center.

"Metamorphosis, you…"

Feeling a powerful force coming from behind, Moroye was extremely frightened, and he never thought that the apprentice, who had always been responsible in front of him, would suddenly attack him.

At this moment, Moroye wanted to dodge, but Duan Yu was too fast to dodge.

Bang!

This palm, which contained Duan Yu's tenth-level skill, hit Moroye hard on the back of his heart. Hearing him groan, the whole person flew straight up, flying for more than 100 meters, and finally smashed into a piece. on the rocks.

puff!

At the moment of landing, Moroye spat out a mouthful of blood, then struggled to stand up, staring at Duan Yu from a distance: "Transfiguration, you…. You are a rebel, you want to kill as a teacher?"

Teacher?

Hearing these two words, Duan Yu's eyes were extremely blood red, and he locked onto Moroye tightly. The anger in my heart was rising. He roared: "Stinky monk, stay in front of me, and put on an elder's attitude, you have hurt me so badly, I can't wait to smash your body into ten thousand pieces!"

This Moraye, first ruined his own life, and then forced himself to become a monk. This kind of humiliation will never be forgotten in a lifetime!

This chapter is provided by . Visit for daily update.

At the same time, Duan Yu was also secretly shocked.

Nima, this stinky monk was slapped by himself, and he didn't die, and he could still hold on. His strength was truly terrifying.

That's right, Moraye's Buddhism is profound, and there are Buddhist exercises to protect his body. Although he was severely injured by Duan Yu, his life was not in danger.

"What a villain!"

Hearing Duan Yu's words, Moroye was furious, and then he thought of something, and asked: "I ask you, those sect disciples who were with you before…"

Haha

… After he finished speaking, Duan Yu looked up to the sky and laughed loudly, his face full of hideousness and madness: "Smelly monk, now that I have told you, those disciples were all killed by me in the sea, and one of them was not. Stay."

"Those sects, who claim to be famous and authentic, are actually hypocrites, especially Tianmen. What is the excuse for Yue Feng to fight for fame and fortune? Death is not a pity."

When he said the last sentence, Duan Yu's eyes flashed with cruelty.

"You…" Upon hearing this, Moroye was shocked and angry, and felt extremely regretful in his heart.

He never thought that this Duan Yu was hiding so deeply, and he was pretending to be his teacher before. Moreover, he was so ruthless and killed so many people.

If I had known this earlier, I should have killed him directly.

"Smelly monk, don't look at me like this, you caused all this!" Duan Yu yelled wildly.

"And now, it's your turn to die!"

Duan Yu roared wildly, and directly summoned the Heaven-Opening Axe, holding hands tightly, the figure was like a ghost, and charged directly towards Moroye.

hum!

At this moment, Duan Yu was filled with endless killing intent. He swung the axe to open the sky, and the whole sky was covered with golden light, and the power was so terrifying.

Seeing Duan Yu bursting out, Moroye was furious, raised his hands, and ran the Buddha's handprint, trying to resist!

boom!

Chapter 2417 The

two sides collided in mid-air, and there was an earth-shattering loud noise. I saw Duan Yu and Moroye, each taking a few dozen steps back.

Made!

Duan Yu was terrified and furious. He didn't expect that Moroye, who was severely injured by himself, would still be able to explode with such power. For a time, his eyes were blood red, which strengthened his determination to kill Moroye.

"Today you are bound to die, even the gods can't save you!" After saying this coldly, Duan Yu clenched the axe and charged up again.

Moroye didn't respond, and the Buddhist practice was urged, and he and Duan Yu fought fiercely in mid-air.

…

At this moment, in a huge abyss more than ten kilometers away from the ruins of the Chaos Mountains, this is already the realm of the wild and strange realm.

At the edge of the abyss, hundreds of Rakshasa soldiers who rode hungry wolves were waiting there quietly. It was the wild wolf group of the Rakshasa tribe.

At this time, the warriors of these wild wolf regiments stood at the edge of the abyss, carefully watching the magma surging at the bottom nearly a thousand meters below, and their faces were extremely fearful.

Whoosh!

At this moment, several figures came quickly, the one headed, wearing a black animal skin cloak, with a cold face, it was Meng Ao.

"Prince!"

Seeing Meng Ao, the warriors of the Wild Wolf Group, they spoke in unison, extremely respectful.

Meng Ao looked around and said coldly: “You said that you found the clue of the king, where is it?”

When he said this, Meng Ao was very angry in his heart, seeing that he was about to become the new Rakshasa King. There is news from my father.

“Prince!” The leader of the wolf group walked over quickly and said cautiously: “We searched this place just now and found traces of fighting here, and there are fragments of the king’s armor on the rocks below.”

Said, The leader of the wolf group pointed to a place below, on the stone wall of the abyss.

Swish!

Hearing this, Meng Ao looked down, and saw a hundred meters below, where a stone wall protruded, there was a piece of armor, flickering with a cold and faint light, it was the Rakshasa King’s armor that fell.

Could it be… Father is down there?

Seeing this scene, Meng Ao murmured secretly, and then ordered to the surrounding: “You guys are here to guard, I’ll go down and have a look.”

“Yes, Prince!” Hundreds of wild wolves responded in unison.

The leader also hurriedly said: “Sir, be careful, the depths are unfathomable, and the bottom is full of magma.”

Meng Ao didn’t talk nonsense, he pulled out his bone machete, jumped, and jumped down.

Every few tens of meters down, Meng Ao used his internal force and inserted the bone knife on the rock wall to slow down the falling force.

After dozens of seconds, Meng Ao finally reached the bottom of the abyss.

You can see that the bottom is full of billowing magma, and at a place more than ten meters above the magma, a huge platform extends out of the rock wall. The platform is the size of a basketball court. The junction between the platform and the rock wall is a small cave. Know where to go.

At the entrance of the cave, a burly figure sat there, the armor on his body was tattered, blood was all over his body, and he was extremely weak, but his eyes were still shining.

It is the Rakshasa King.

Yes, the fierce battle with Yang Jian at that time caused the collapse of the Chaos Mountains and at the same time caused the fission of the earth. After that, the Rakshasa King and Yang Jian fell and fell into this abyss.

“Father!”

Meng Ao was shocked when he saw King Rakshasa, hesitated, walked over quickly, and couldn’t help calling out softly.

At this time, Meng Ao tried to calm down on his face, but he was panicked in his heart.

It’s broken, my father is really not dead, so it seems that I can’t hide the fact that I mutilated my elder brother.

Chapter 2418

Hearing the call, King Rakshasa turned his head to look over.

Seeing Meng Ao, King Rakshasa showed a smile, both pleased and excited: “Haha.. Heaven will not kill me!”

After speaking, King Rakshasa looked behind Meng Ao: “Why are you alone? Where’s your eldest brother?”

In the heart of King Rakshasa, the second son Meng Ao was strong, but his personality was too impulsive, and he liked the eldest son Meng Lang. Only Meng Lang can inherit his throne.

Made.

As soon as he saw his father, he asked the elder brother first. Meng Ao felt very uncomfortable and was extremely annoyed.

Which one is not worse than Meng Lang? However, my father always believed that Meng Lang was the next Rakshasa King. Why?

Thinking to himself, Meng Ao resisted his anger and made a very hurt look: “Father, big brother… something happened to him.”

After speaking, Meng Ao wiped his tears hypocritically and continued: ” A day ago, the Kyushu army raided, and the elder brother went into battle in person. In the end, he was

severely injured by Yue Feng from Kyushu. Because of his injuries, he could not be rescued…”

What?

King Rakshasa was shocked, his heart ached, and his eyes turned red.

The eldest son, Wen Tao Wulue, is a rare sage of the Rakshasa tribe, but now he died young.

puff!

Under the heartache, King Rakshasa couldn’t help spitting out a mouthful of blood.

Meng Ao was taken aback, and hurried forward to try to help King Rakshasa, and at the same time comforted: “Father, people can’t be resurrected from the dead, people from Kyushu are cunning and despicable, I swear, I will kill all people from Kyushu, for the eldest brother. Revenge.”

As he was speaking, Meng Ao was stunned.

I saw that King Rakshasa’s legs were all broken, and the blood on them had solidified.

It turned out that after King Rakshasa and Yang Jian fell into the abyss, they fought fiercely on this platform for a day and a night. In the end, King Rakshasa broke both legs and Yang Jian also hurt his heart.

“Yes, I must avenge Meng Lang.” The Rakshasa King was very angry and said coldly: “Wait for you to take me up, and then destroy this platform. Yang Jian is hiding in the depths of the cave, and his injuries are not much better than mine. , without a foothold on this platform, he will be trapped here alive.”

Hmm!

Meng Ao responded, his eyes kept rolling, but he didn’t move. At the same time, he released the hand that supported King Rakshasa.

Father’s legs are broken and he is no longer a threat to him, so why take him back? Let a man who has lost his legs take away the royal power that is about to fall into his hands?

“Meng Ao, you…”

Seeing the change in Meng Ao’s face, King Rakshasa frowned and said weakly: “What are you doing standing still? Take me up.”

Huh!

Meng Ao took a deep breath and shook his head: “Father, please forgive me for not being able to do it, I think it’s better for you to stay here.”

“What did you say?”

King Rakshasa’s expression changed and he glared at Meng Ao: ” You son of a bitch, are you going to abandon him as a father?”

After speaking, King Rakshasa vaguely guessed something and asked, “I ask you, did you kill your elder brother?” King Rakshasa was wise and far-sighted. It was obvious that something was wrong with Meng Ao, and the death of the eldest son was also full of strangeness.

“That’s right!”

Meng Ao said with a grim face, “He was bewitched by two Kyushu women, and he wanted to talk to the Kyushu Continent. He completely lost the blood of the Rakshasa clan. Such a person is not worthy of being a Rakshasa clan. The prince is not worthy of being the king of the next generation.”

“You…”

King Rakshasa trembled with anger, pointing at Meng Ao: “You actually killed your elder brother, you are compatriots of flesh and blood, you son of a bitch, bastard, I want to kill you, kill you. ..”

Saying that, King Rakshasa wanted to stand up, but his legs were all broken, plus he had been fighting fiercely with Yang Jian before, and his injuries were so severe that he couldn’t move at all.

Hahaha…

Seeing this scene, Meng Ao laughed and said coldly: “All I did is for the future of the Rakshasa clan, what’s wrong with me? And you want to kill me?”

Chapter 2419

said, Meng Ao’s internal force was running, floating above the air, and he said word by word: “Since you have no father and son love for me, don’t blame me for being unrighteous.” The

voice fell, Meng Ao clenched the bone knife tightly, ruthlessly Swipe hard.

hum!

I saw a knife shadow slashed out, directly smashing the platform, and a large piece of gravel fell into the magma below, leaving only a small area under King Rakshasa.

The Rakshasa King was so frightened that he vomited blood again and again.

“You are my father after all, I won’t kill you, you will just fend for yourself here.” Meng Ao said coldly, he turned around, and with the help of the bone knife in his hand, he quickly climbed up the wall.

To be honest, at that moment, Meng Ao wanted to kill King Rakshasa.

But after thinking about it, there may be some clansmen who will come down to check in the future. Once they know that they have killed their father, it will definitely have a bad impact.

When he destroyed the platform himself, the Rakshasa King broke his legs, and there was no way he could come up, he would only be trapped below. At that time, his death will have nothing to do with him.

“Nizi, Nizi…”

For a while, at the bottom of the abyss, the roar of King Rakshasa kept echoing.

Meng Ao just pretended not to hear it, and kept climbing the wall. After a few minutes, he finally reached the top.

Whoops!

As soon as they went up, the surrounding wild wolf warriors quickly surrounded them.

“Prince!” The leader of the wild wolf group, with an urgent expression, asked Meng Ao: “How is the situation below? Is there any whereabouts of the king?” The top of the abyss is a few kilometers away from the bottom. Can’t hear it at all.

Meng Ao glared at him and said coldly: “What king? There’s nothing down there. What’s your fault for spreading false news?”

The matter of King Rakshasa below must not be known to anyone.

Pfft!

Feeling Meng Ao’s anger, the leader of the wolf group trembled, and quickly knelt on the ground: “Sir, spare your life, my subordinates saw the fragments of the king’s armor here, and thought the king was below…” The

surrounding wild wolf group warriors, Everyone is terrified.

The Rakshasa tribe has strict military law, and if they spread false news, they will be beheaded.

Seeing that they were all frightened, Meng Ao's eyes flashed with a sneer, and then he raised his hand: "Okay, now the war is imminent, I will not care about you."

Said, Meng Ao looked around and continued. : "All the warriors of the Wild Wolf Regiment listened to the order, and immediately returned to agree, waiting for the battle order, and looking for the king, I will send another person."

"Yes, Prince!"

Soon, under the leadership of Meng Ao, hundreds of soldiers The warriors of the Wild Wolf Regiment quickly rushed towards the direction of the camp.

Bang Bang Bang…

Just after walking a few miles, Meng Ao frowned and raised his hand to signal everyone to stop.

I saw that in the midair not far away, two figures were fighting fiercely, an old monk and a young monk, the young monk was holding a giant axe tightly, and the golden light flashed, shocking people.

It was Duan Yu and Moroye.

broken! Rakshasa people!

Seeing Meng Ao and the Wild Wolves, Duan Yu and Moroye both changed their expressions.

Immediately afterwards, Duan Yu rolled his eyes and shouted at Meng Ao: "Rakshasa warriors, the one who is fighting with me is the eminent monk Moraya of Linyin Temple. You were stopped here by the Kyushu army, please take action and help me kill him!"

To be honest, with Duan Yu's personality, he would never beg others to help, but there was no way, this Moraye was too powerful.

He had successfully attacked at the beginning and had already injured Moroye, but in the next battle, he was still unable to suppress him.

But now, suddenly there are so many people from the Rakshasa clan. Even if he kills Moraya, it will be more fortunate than good luck. It is better to ask these people from the Rakshasa clan for help. At that time, I can save some energy, okay. Take it easy.

Chapter 2420

What?

Huasheng, a rebel, actually invited the Rakshasa to deal with him together?

At this moment, when he heard Duan Yu's cry, Moroye's face changed greatly, his heart was full of anger, and he shouted angrily: "Huasheng, you rebel, you dare to invite the Rakshasa clan to kill your master."

He thought that , Duan Yu only resented that he had broken his lifeblood, so he would attack him. In fact, he had the righteousness in his heart and some conscience, but he never thought that Duan Yu's ruthlessness was already evil to the core.

"Shut up!"

Duan Yu said with a grim expression, "Don't call me a reincarnation, I have never regarded you as a master, and I have never truly converted to Buddhism. This kind of bullshit name, I don't care about it. Also, don't be in me In front of me, I consider myself a master." As he

spoke, Duan Yu frantically swung the Heaven-Opening Axe.

"Seeing this scene, Meng Ao was also stunned and frowned.

"Sir, what should we do? At this moment, a warrior of the wild wolf regiment next to me asked cautiously.

Phew!

Meng Ao took a deep breath, his eyes flickered, and he said coldly: "Kill that old monk!" "

When the Rakshasa clan hadn't crossed the Chaos Mountains, they had sent experts constantly to inquire about the situation, so Meng Ao knew about Lingyin Temple's report to the Kyushu mainland, and the entire Rakshasa clan also regarded Lingyin Temple with great regard. Such as a thorn in the eye, I wanted to get rid of it for a long time.

Knowing that the old monk in front of him is the eminent monk Moraya of Linyin Temple, Meng Ao killed his heart and did not hesitate at all.

As for the young monk, what is his identity? It doesn't matter.

"Yes! "

Hearing the order, the hundreds of wild wolf warriors behind him responded in unison, and immediately urged their figures to rise into the air, heading straight for Moroye.

hum!

The wolf group is a special team of the Rakshasa clan, each of which is powerful. At this time, hundreds of them erupted at the same time, and a terrifying aura burst out, and the surrounding air was distorted.

The powerful breath is surging, making people panic!

“Haha…”

Seeing this scene, Duan Yu was overjoyed, couldn’t help laughing a few times, and shouted at Meng Ao below, “Thank you.”

After saying that, Duan Yu locked Moroye tightly. His eyes were full of viciousness and viciousness: “Moraya, you are dead today.”

“Hahaha…”

Looking at the swarming warriors of the wolf group, Moroye laughed loudly, and the Bodhidharma staff instantly appeared. in his hands!

“As long as I still have a breath, I must first get rid of you, the scum who deceives the master and destroys the ancestors.” Moraye’s anger sank into his dantian, and he said coldly.

Immediately afterwards, Moroye swept his gaze from the warriors of the wolf group one by one, and continued: “And you guys, never think about cholera Kyushu!” The

voice fell, and a Buddhist practice broke out, with Moroye At the center, a golden glow burst out, covering everyone, and then Moroye rose into the sky and fought fiercely with everyone.

Speaking of which, Moroye is very strong, and he is even stronger than Yue Feng.

But he was attacked by Duan Yu before, and now he was besieged by hundreds of warriors from the Wild Wolf Regiment.

However, despite this, Moroye looked resolute and regarded death as if he were going to die!

bang bang bang….

In the blink of an eye, under the powerful eruption of Moroye, dozens of warriors of the Wild Wolf Regiment were shaken out and fell into a pool of blood.

Seeing this scene, Duan Yu was shocked and angry.

This stinky monk, his strength is too perverted, and his own axe is not an opponent. Fortunately, he met these soldiers of the Rakshasa tribe and invited them to help. Otherwise, this opportunity will be missed.

Swish!

At this time, Meng Ao, who was watching the battle below, frowned, and stared at Moroye with a bit of gloom in his eyes.

The ultimate husband in Chinese chapter 2421-2430

Chapter 2421

Is this monk so powerful? In a blink of an eye, he killed dozens of warriors of the wolf group. It seems that he has to take action himself.

Whoosh!

Thinking of this, Meng Ao didn't hesitate, his figure erupted and rushed towards Moroye.

call!

Seeing Meng Ao attacking, especially feeling his powerful strength, Moroye's face finally changed, becoming a little desperate and unwilling.

Meng Ao joined the situation, and the situation completely turned to Duan Yu's side. Soon, Moroye only had the power to parry, and he had no power to fight back, but with the belief in his heart, Moroye did not give up at all, still biting Tooth, desperate to resist.

At this time, Moroye's heart was very clear.

It is impossible for me to escape alive, but before dying, I must kill a few more Rakshasa people and try to clear as many enemies as possible for the Kyushu mainland.

Puff puff…

A few minutes later, Moroye was covered in blood, from head to toe, there was no intact place, there were dozens of wounds, like a bloody man.

In front of him, Meng Ao, Duan Yu, and hundreds of wild wolf warriors surrounded him.

At this time, Moroye was almost running out of inner strength, and his hand holding the Bodhidharma staff was trembling, but he still gritted his teeth and held on with his last breath.

Chill.

At this moment, Duan Yu saw the opportunity and slashed Moroye's back with an axe. Moroye groaned, and blood spurted out, but he still stood firm and did not fall down.

"Smelly monk, still not dead?" Duan Yu roared like a demon with a ferocious expression on his face.

This chapter is provided by . Visit for daily update.

“Rebel, if I don’t kill you, I won’t die first.” Moroye roared loudly, as loud as a bell, as powerful as thunder, like an angry King Kong, which made people dare not look at him.

At this moment, Duan Yu’s heart trembled inexplicably.

This stinky monk is about to die, and he can still burst out with such a powerful aura.

Bang!

At this moment, Meng Ao attacked from behind and slapped Moroye on the back with a savage palm.

Moroye couldn’t react at all, his body swayed, and a few mouthfuls of blood spurted out.

Hundreds of warriors from the wild wolf regiment took this opportunity to attack again, and then a warrior, holding a spear made of bone, stabbed Moroye in the abdomen at once!

“Puchi!”

This spear directly penetrated Moroye’s entire body!

Blood swarmed out all of a sudden!

Pfft!

At this moment, Moroye only felt that the strength of his body was fading away quickly, his face was pale, and his whole body was extremely weak, and he half-knelt on the ground all of a sudden.

It was at this time that more than a dozen warriors of the Wild Wolf Regiment took the opportunity to rush forward, and the swords in their hands stabbed Moroye in unison!

“Puchi! Puchi!”

In an instant, Moroye’s blood sprayed, and his body was almost stabbed into a hornet’s nest, and a dozen weapons pierced him.

“Transformation!” At this time, Moraye was covered in blood, but his eyes were still shining, making people dare not look at him. He stared at Duan Yu and said, “You betrayed Buddhism, betrayed the continent of Kyushu, and deceived teachers. Ancestor, in the world, no one can protect you, you will die miserably, and after you die, you will be thrown into Avici Hell…”

Moroye’s words were very calm, but Duan Yu heard it like a thunderbolt. Ear.

Duan Yu was a little panicked. He knew that there was talk of going to hell in Buddhism, and Moraye was an eminent Buddhist monk. When he said these words before his death, he obviously foresaw his fate.

Soon, after inexplicably flustered, Duan Yu's face was cruel, and he roared: "Long-long, hurry to die." The

voice fell, Duan Yu used his inner strength, and slapped Moroye in the heart.

This palm contains all of Duan Yu's inner strength, extremely violent, Moroye was severely injured, his inner strength was exhausted, he couldn't resist at all, his heart shattered instantly, and the whole person was also sent more than 100 meters away, and finally fell. When he fell, he was exhausted.

Chapter 2422

Hahaha…

Seeing this scene, Duan Yu laughed in the sky, and finally, he finally got his revenge.

Moraya has been eliminated, and the next one is Yue Feng.

Thinking about it, Duan Yu was extremely proud and excited, and he tilted his head and clasped his fists at Meng Ao: "Thank you for your help! There will be a period later!" After the

voice fell, Duan Yu jumped and flew towards the sky in the distance. Soon, he disappeared in the sky. People's sight.

This….

Seeing this scene, the surrounding wild wolf warriors all frowned and looked gloomy.

This person is so rude, the prince helped him a lot, just thanked him and left? !

"Sir, do you want to pursue it?" The leader of the wolf group next to him couldn't help but said to Meng Ao.

Meng Ao looked closely at the direction Duan Yu was leaving, pondered for a moment, shook his head and said, "No need, this person is very powerful and should not be an enemy easily. Maybe it will be useful to us in the future."

Yes!

The leader of the wolf group quickly responded.

Immediately afterwards, looking at Moroye, who had died of anger not far away: “Then this…” Before he could

finish speaking, Meng Ao said coldly: “Cut off his head, and hang it on the ground when he fights with the Kyushu Continent. On the swords of the forward warriors, when the time comes, let the people in the Kyushu continent take a good look and fight against the Rakshasa, and this is the end.”

“Yes!” The

voice fell, and several warriors of the wild wolf regiment put Moroye’s The head was cut off, and then returned to the Rakshasa camp with Meng Ao.

“Second brother!”

As soon as I arrived at the camp, I saw a beautiful figure standing at the gate of the camp, with a very beautiful and heroic face, full of anxiety.

It was Mona.

“Little sister?” Meng Ao was surprised and delighted to see that it was Mona, and walked over quickly: “Are you… all right? How did you get back?” While talking, Meng Ao looked up and down.

Speaking of which, Meng Ao believed that after Mona was captured, she was very ill-fated, and it was impossible to come back alive. You must know that the Rakshasa tribe treated the captives very cruelly, so they thought that the Kyushu Continent treated the captives just like them.

And the joy is that although Mona is a woman, her strength is in the entire Rakshasa clan, but she is a famous Valkyrie. With her help, she has more strength.

Facing Mengao’s enthusiasm. Mona is not used to it. You must know that Meng Ao has always been very arrogant and rarely cares about himself so much.

“I…”

Soon, Mona reacted and lowered her head and said, “I was put back.”

When she said this, Mona was full of shame. You must know that most of the Rakshasa people have strong personalities and would rather die. He will not become a prisoner, and Mona was not only captured, but also released. If this spreads out, it is almost a shame for the entire Rakshasa clan.

What?

Meng Ao was stunned for a moment, his face that was originally sullen was even more cold.

I thought that the little sister had sneaked back, so it was acceptable, but she was let back, which is simply a humiliation to the entire Rakshasa clan.

Seeing the change in Meng Ao's expression, Mona felt even more ashamed, but thinking of her previous conversation with Yue Feng, she still whispered: "Second brother, where is the eldest brother? I have something important to discuss with him."

Mona just came back, I don't know that Meng Lang is dead.

big brother?

Meng Ao sneered in his heart, with a hypocritical expression of grief: "Little sister, big brother…he is dead! He was hit hard by Yue Feng before and bled a lot…"

Hearing this, Mona's delicate body trembled, He took two steps back, his face full of disbelief.

Big brother is dead? impossible.

This is not true. After the disappearance of his father, the hope of the entire Rakshasa clan is on the elder brother. How could something happen to him?

"Little sister, I know you are sad, but it's the truth." Meng Ao sighed, put his hand on Mona's shoulder, and said seriously: "You can rest assured little sister, even if father and brother are not around, I will protect you. ."

Hmm!

Chapter 2423

Mona nodded, but she finally couldn't hold back, cried out with a wow, and threw herself into Meng Ao's arms.

"Okay, okay!"

Meng Ao coaxed a few words patiently, and then asked: "Little sister, how did you say you were put back? Also, what important things do you have?"

Mona wiped the corners of her eyes. Tears and red eyes, he looked around and said, "Second brother, let's go back to the tent." After saying that, he took the lead to go to the big tent.

The fact that Yue Feng has the help of the dragon should not be heard by too many Rakshasa people, so as not to cause panic.

Meng Ao frowned and followed.

“Second brother!”

In the tent, Mona took a deep breath, her delicate face was full of solemnity: “Did you know that there are dragons on the Kyushu continent.”

What?

Hearing this, Meng Ao was stunned.

Mona explained her conversation with Yue Feng in detail.

At this time, Meng Ao reacted and couldn’t help laughing: “Haha, little sister, you are too simple, then Yue Feng is trying to scare you. If there are dragons in the Kyushu continent, it would be as early as when we crossed the Chaos Mountains. , let it out, why wait until now?”

After speaking, Meng Ao’s face turned gloomy: “In Kyushu continent, the father of the murder has disappeared, and the elder brother is also dead. Well, I just saw the head of an eminent monk in Linyin Temple, which is just enough to dampen the morale of the Kyushu army.”

This…

Mona’s face changed, and hurriedly said: “Second brother, is this too hasty? It’s like lying, and brother, he,…”

However, before he could finish speaking, Meng Ao had already strode out and began to mobilize the army.

Seeing this scene, Mona stomped her feet anxiously.

…

On the other side, the mainland of Kyushu.

In the military tent, Yue Feng was sitting there, looking at a map, studying the terrain near the Chaos Mountains.

The two sides are in a confrontation, which is very unfavorable to the Kyushu Continent. Yue Feng wants to take the initiative to attack, but he does not understand the terrain of this generation, so he must study it carefully.

After researching for a while, there was no progress. Yue Feng was very irritable. It is said that Moraye and his apprentice went to the rear of the Raksha tribe early in the morning to survey the terrain.

“Sect Master Yue!”

At this moment, a shout came from outside, and then, a figure staggered in, covered in blood, and his face was also weak, it was Duan Yu.

“Little Master Huasheng?”

Seeing Duan Yu’s appearance, Yue Feng was taken aback and quickly asked, “What happened?”

“Sect Master Yue.” Duan Yu fell to the ground, crying, “Master and I , we were surveying the terrain behind the Rakshasa clan, and we were accidentally discovered, and then we were besieged by the Rakshasa clan, and the master was killed… Sect Master Yue, you have to avenge my master.”

When he said this, Duan Yu said His face was full of grief, but his heart kept sneering.

Yes, Duan Yu killed Moroye. He should have run as far as possible, but in order to get the Dragon Ball in Yue Feng’s hand, he took the risk and returned.

On the way, Duan Yu thought about it and made up a lie, saying that Moraye was killed by the Rakshasa clan. Anyway, Moraye was dead, and no one in the Kyushu continent knew the truth.

What?

Hearing this news, Yue Feng was shocked and took a few steps back, feeling angry and sad.

Master Moraya, a generation of Buddhist monks, died?

Whoops!

At this moment, when they heard the movement of the Zhongjun tent, Wen Chouhou, Ren Yingying, Long Qianyu and Sun Dasheng all rushed over.

This…

Seeing the scene in front of them, everyone was stunned.

Chapter 2424

“Fengzi, what’s going on?” Wen Chou Chou couldn’t help asking.

While asking, Wen Chou Chou couldn’t help but look at Duan Yu, who was distraught.

call!

Yue Feng took a deep breath and said bitterly: “Master Moraye, was killed by the Rakshasa.”

Hearing this, the entire central army tent suddenly burst into anger.

“What, Master Moraye…”

“Mad, these damned Rakshasa.”

“Master Moraye, being compassionate, the Rakshasa actually attacked…”

At this time, the middle Everyone in the military tent was filled with righteous indignation. Only Zhang Jiao stood in the corner with an indifferent expression and no mood swings.

In the discussion of the crowd, Yue Feng stood there, his face extremely ugly.

No, I have already released Mona, and before she left, Mona promised herself that she would dissuade her two brothers from talking to Kyushu.

Why would the Rakshasa do this?

Under the doubts, Yue Feng couldn’t help but murmured: “Did Mona not return to the Rakshasa camp and bring the news?”

Shuh!

Yue Feng’s voice was very soft, but everyone around heard it, and all eyes focused on Yue Feng in an instant.

“Yue Feng, what did you say, you let go of that Mona?” Long Qianyu frowned, and was the first to respond and asked.

Yue Feng nodded.

At this moment, the entire Chinese army tent exploded.

“Fengzi, you are crazy, how could you let that woman go, she is the daughter of King Rakshasa.”

“Yeah, the Rakshasa people are cruel and easy to kill. If you let her go, wouldn’t you be returning the tiger to the mountain? “

Sect Master Yue, you are confused.”

Everyone who said you and I came to complain about Yue Feng.

Ren Yingying was smart and wise, guessed something vaguely, looked at Yue Feng and said, “Yue Feng, did you make any agreement with that Mona?”

Huh!

Yue Feng let out a sigh of relief, nodded and said, “Yes, she promised to help me persuade her brother to negotiate peace with our Kyushu mainland.” Yue Feng felt very relieved.

Yingying still understands me.

Hearing this, Ren Yingying nodded silently, her eyebrows furrowed: “The Rakshasa family has a strong character, since they agreed, they will definitely not lie to you. In this way, when Master Moroye was killed, Mona may not have gone back. , or…”

Saying that, Ren Yingying glanced at Duan Yu subconsciously, but hesitated.

Ren Yingying wanted to say that it might be Moraye’s apprentice who lied, but if he said it, it would definitely cause a lot of contradictions, and because there was no evidence, he held back.

In fact, when Duan Yu came back alone, Ren Yingying began to doubt him, but he couldn’t find any clues.

Seeing that Ren Yingying’s attention was always on Duan Yu, Yue Feng frowned secretly.

What does Yingying mean? Is he suspicious of Little Master Huasheng?

boom!

At this moment, there was a sudden roar outside, and then, the screams of killing resounded through the heavens and the earth, coming from far and near.

Everyone was stunned!

“It’s not good!”

At this time, a soldier rushed in and shouted: “Sect Master Yue, it’s not good, the whole army of the Rakshasa clan attacked and came over.”

Mad!

Hearing this, everyone was extremely furious. They were thinking about how to avenge Master Moraya, but the Rakshasa clan called.

Chapter 2425

Yue Feng’s face was cold, and he shouted: “Quick, the whole army gathers and prepares to respond to the enemy.” The

voice fell, and quickly rushed out of the big tent, Wen Chou Chou and everyone, quickly followed behind.

call!

Outside, after the army quickly assembled, they rushed out of the camp with Yue Feng. When they saw the scene in front of them, they were all shocked.

I saw the millions of troops of the Rakshasa clan slaughtering mightily, the one headed, wearing black animal skin soft armor, holding a long white bone sword, and the murderous aura Lingyun, it is Meng Ao.

Behind Meng Ao, it was Mona.

Swish!

At this moment, Yue Feng stared at Mona and shouted: “Princess Mona, since you made an agreement with me, why did you go back on your word and let your clan kill Master Moroye?”

“I. ..” Mona’s face flushed, and she immediately distinguished: “I don’t know about this matter…”

Before she could finish her words, Meng Ao interrupted her.

“Yue Feng, you despicable and shameless villain.” Meng Ao’s eyes were blood red, staring at Yue Feng and roaring: “You despicable and shameless villain, first killed my elder brother, and then bullied my younger sister. Ignorance, today, I will step down your Kyushu camp, take your head, and avenge my brother!”

“Avenge the great prince!” The army of millions of Rakshasa behind him responded in unison, and the sound shook the mountains and rivers.

What the hell?

Yue Feng frowned and looked at Meng Ao in surprise: “What did you say? I killed your brother?”

“Made!” Sun Dasheng took a step forward, pointed at Meng Ao and cursed: “You idiot, why do you say Fengzi killed your brother? Made, you always say that our Kyushu continent is insidious and despicable, I Seeing that your Rakshasa clan is not much better, we are ashamed of letting people take the blame.” The

voice fell, and the Kyushu soldiers behind him all responded.

“Yes, the Rakshasa people say that we are cunning. In fact, they are the most slanderers of people.” ” Barbaric

and ignorant…”

“Don’t pay attention to what they say.”

Ugly.

“Yue Feng!” In the

next second, Meng Ao pointed at Yue Feng and said angrily, “You can’t escape my brother’s death. If you hadn’t inflicted heavy damage on him, he wouldn’t have bled to death. , and also, you lied to my little sister, saying that you can summon dragons and want our Rakshasa tribe to talk to you? I tell you, dream!”

Said, Meng Ao’s face showed a bit of ferocity: “Deal with you There is nothing to talk about with this kind of person, but before the war, I can give you a greeting.” The

voice fell, and Meng Ao waved his hand.

Gululu…

I saw that a Rakshasa warrior behind him picked up a head with a long knife and threw it in the open space between the two sides. It was Moraya’s head.

Swish!

At this moment, nearly a million soldiers in the Kyushu mainland were all angry and burned with anger.

They saw that there were no less than a dozen wounds on Moroye’s head. It was obvious that he had suffered a tragic siege before he died, and both eyes had been

gouged out. Don't think about it, it was a masterpiece of the Rakshasa clan after his head was cut off. .

A generation of Buddhist monks, adhering to the will of Patriarch Bodhidharma, guarded the Chaos Mountains, and did many things for the Kyushu Continent, but now, it has ended in such a tragic end.

Card wipe!

Yue Feng's eyes flashed with anger, his fists clenched tightly, and his phalanx crackled.

Next to Sun Dasheng, Wen Chou Chou was also angry.

Totally angry.

"Master!"

At this moment, Duan Yu's voice resounded in the crowd, with incomparable resentment and grief: "Rakshasa, I want to kill you, kill all of you." Just howling, Duan Yu did not rush out. .

Seeing the Rakshasa army coming over, Duan Yu was overjoyed, wishing that both sides would suffer, how could they get involved, and howling deliberately was to arouse the anger of Yue Feng and make them lose their minds.

"Soldiers!"

Sun Dasheng pulled out his double axe and howled loudly: "Kill, kill them all for me, for the sake of the homeland, for the sake of Master Moraya, kill!" The voice fell, and Sun Dasheng was like a tiger, and rushed directly into the Rakshasa. in the army.

The ultimate husband in Chinese chapter 2426-2430

Chapter 2426

"Avenge Master Moraye, defend the Kyushu homeland, and kill me!" Wen Chouchou clenched his fists tightly, and was also furious when he saw Moraye's head chopped off.

Master Moraye, who has done so much for the Kyushu Continent, yet died so cruelly, who can not be angry.

"Kill!"

In an instant, the Kyushu army let out a thunderous roar, pouring into the enemy camp like a tide, and all of them were red-eyed!

Ren Yingying, Long Qianyu and others next to them also had red eyes and followed closely.

Haha…

Seeing that the continent of Kyushu dared to fight, Meng Ao laughed loudly, and his eyes were full of madness: “But a bunch of rabble, I will annihilate you all today.” The

voice fell, Meng Ao raised his hand and waved.

Whoops!

The army of one million Rakshasa erupted in a scream of killing and fought fiercely with the Kyushu Continent.

On the battlefield, a howl kept ringing!

“Ah!”

People kept falling down, and this world was completely dyed red with blood!

Seeing this scene, Duan Yu, who was on the edge of the battlefield, was indescribably excited, haha.. Fight, fight, it’s better to fight and lose both.

Boom…

This chapter is provided by . Visit for daily update.

At this time, several giants in the Rakshasa army joined the battlefield with a step that shook the world.

Made!

Yue Feng’s eyes were blood red, and he jumped up in anger! He could see that the Rakshasa army was extremely ferocious, especially with the help of several giants, the soldiers of the Kyushu continent were dying and wounding!

“Killing Master Moroye, but also invading my homeland, you all deserve to die!” A cold voice came from Yue Feng’s mouth, and in the next instant, Yue Feng rose into the sky, reached above the thousand-meter cloud layer, and suddenly lifted up hands!

“The Promise Fortune Palm!”

Yue Feng almost roared out, and slapped the two giants below with a palm.

Yue Feng was extremely saddened by Moraye's death, and at the same time tried to keep himself calm. He knew that the biggest threat to the Rakshasa army was these giants. The Rakshasa army originally had ten giants, and five were killed. There are now five left.

As long as these five giants are killed, the Kyushu Continent can turn the tide of the battle.

As for the army of beasts that Mona said, they are still gathering in the wild and strange realm, so don't worry for the time being.

"Boom!"

An earth-shattering tiger roar came, and an incomparably huge palm shadow came down and shrouded the two giants.

Ow, ooh…

The terrifying power erupted down, the two giants let out a roar, and then fell to the ground.

hiss!

At this moment, many warriors in the Rakshasa army were speechless when they saw this scene! Shocked!

How could this Yue Feng's strength be so terrifying? !

Two days ago, with his ability, he could only kill one giant, but now, he can kill two in one move?

At this time, the Rakshasa clan did not know that Yue Feng had used all his strength in grief and anger because of Moraya's death.

Mona, not far away, stared at Yue Feng in midair, unable to say a word.

So powerful and brave, let alone the Rakshasa clan, it is the whole world, I am afraid that there is no second one to be found. If he fails to persuade the second brother, will Yue Feng still believe in himself?

Made.

On the other side of the battlefield, Meng Ao's face was extremely ugly when he saw Yue Feng kill two giants with one move.

Chapter 2427

“Wild Wolf Corps, charge immediately.” Meng Ao raised his long white bone sword, and the great sage howled.

Ow!

The voice fell, and a wolf howling was heard from the rear of the Rakshasa army. Then, tens of thousands of teams driving black hungry wolves appeared in front of everyone, all wearing black armor and holding sharp scimitars, imposing manners. amazing.

It is the wolf group.

This…

Seeing this scene, many Kyushu soldiers were extremely shocked, and couldn’t help but feel a little panic in their hearts. They saw that the wolves of these wild wolves were two meters tall and their body size was larger than that of the Kyushu mainland. The ordinary wolf is twice as big, with bloody eyes and fangs, shocking people.

The wolf group came and went like the wind, and they arrived in the blink of an eye.

Ah…

before many Kyushu soldiers could react, they were thrown to the ground by the hungry wolf of the Wild Wolf Regiment, biting off their throats. In the blink of an eye, thousands of soldiers fell into a pool of blood. .

Nima!

Seeing this scene, Yue Feng was shocked and angry, and then he didn’t have time to think about it, he immediately took out the dragon ball on his body, stimulated his inner strength, and tried to stimulate the power within the dragon ball.

Yue Feng knew that the treasures guarded by the sea sharks had not yet been found, and it was impossible to reverse the situation with the dragon balls alone, but he firmly believed that the power of the dragon balls could also deter the Rakshasa clan.

Roar!

At this moment, many people were stunned to see that the Dragon Ball burst into a dazzling brilliance, followed by the spiritual energy of heaven and earth, which continued to gather towards the Dragon Ball. Then, a loud dragon roar emanated from the Dragon Ball, and a huge dragon appeared in the in the air.

This dragon, hundreds of meters long, is completely formed by the condensed spiritual energy of heaven and earth, but when it takes off, it is like the real thing.

Seeing this giant dragon, everyone present was stunned.

Roar!

The giant dragon opened its bloody mouth, and let out a roar of dragon roar again. In an instant, a powerful coercion of divine beasts filled the world, and I saw the hungry wolves of the wild wolf group, one by one, crawling on the ground, moving. He didn't dare to move. Although this giant dragon was illusory, the coercion of the divine beast displayed was not something that these hungry wolves could contend with.

Haha…

Seeing this scene, Sun Dasheng was extremely excited, and the Kyushu army quickly recovered its morale.

"Kill!" The Kyushu army was like a rainbow, and immediately launched a counterattack. They saw a lot of Rakshasa warriors fall in a pool of blood, and the situation of the wolf group was even worse.

Under the suppression of the divine beast aura of the giant dragon, many warriors of the wild wolf regiment were in chaos, causing countless injuries in the blink of an eye.

"Retreat."

Meng Ao watched the battlefield closely, his face was extremely ugly, and finally he waved his hand and ordered to retreat.

Sun Dasheng's people were all red-eyed, and they chased after each other. This time, Yue Feng did not stop it. The Kyushu army pursued for more than ten miles in a row, and killed tens of thousands of Rakshasa warriors. Only then did they turn back and take Moraya's head to retreat. into the camp.

Half an hour later, inside the military tent.

Yue Feng sat there with a gloomy face, and everyone around was silent.

For a time, the atmosphere in the military tent was very heavy.

Just now, Yue Feng sent someone to find Moroye's body, and it was buried thickly with his head. Although everyone had done what they should have done, everyone still felt uncomfortable.

"Everyone!"

Finally, Yue Feng reacted, looked around, and said indifferently: “I have decided, I will immediately go to the return to the ruins sea area, and retrieve the treasure left by Xuanyuan Huangdi from the coral island.”

Today’s battle, Yue Feng gradually realized the matter. Seriously, the Rakshasa tribe is unwilling to make peace, and can only fight to the death. Today is the wolf group, and in two days, the Rakshasa tribe is afraid to mobilize the army of beasts.

Therefore, under such circumstances, the treasure left by Xuanyuan Huangdi must be taken out. Whether it is a real dragon or something else, this matter cannot be delayed any longer.

Whoa!

Hearing this, everyone present immediately erupted into a heated discussion.

Yue Feng tilted his head to look at Zhang Jiao: “Zhang Jiao, when I’m not here, you must do your best to command the army and block the Rakshasa, you know?”

Chapter 2428

“Yes, Sect Master Yue!” Zhang Jiao responded, respectfully on the surface, but still a little unconvinced in his heart.

Yue Feng didn’t say much, turned his head to look at Duan Yu, and sighed: “Little Master Huasheng, I’m afraid you will accompany me on a trip.”

When he said this, Yue Feng’s tone was very polite. Roye had just died, and according to Buddhist rules, he had to recite sutras to escape, and Huasheng was Moraya’s apprentice, so naturally he couldn’t leave at will.

“Okay!”

Duan Yu nodded, making a very sad look, but he was very excited.

Haha…

Yue Feng is finally going to Coral Island with himself, so that he has a chance to snatch the Dragon Balls.

Duan Yu has already made a plan. Once he leaves the Kyushu camp and finds an opportunity, he will raid Yue Feng and snatch the dragon balls, because the treasure is no longer on the coral island, but is hidden by Duan Yu in a cave in a mountain forest not far from the camp. . How could it be possible to really go to Coral Island with Yue Feng?

“Let’s go too.”

At this moment, the four figures stood up, their simple and honest faces were full of determination, it was the four Sikongjia brothers.

Swish!

Everyone’s eyes suddenly converged on the four brothers, and Yue Feng couldn’t help but laugh and said, “Four senior brothers, don’t be ridiculous.” After

hearing this, the four brothers quit and shouted.

“Yue Feng, this is your fault, how can we be fooling around?”

“That is, we grew up on Ice and Fire Island and are familiar with the marine environment, so we can protect you.”

“Yes, in case you and Little Master Huasheng . , encountered danger, something happened, isn’t our little junior sister widowed?”

Four brothers, you say a word, I say a word, the more you say it, the more you speak. Hearing this, Ren Yingying and several women couldn’t help but laugh

. Situ Yanran, who was sitting there, stood up all of a sudden, her face blushed, and she stomped her feet anxiously: “You four, sit down quickly, what nonsense are you talking about?” These four senior brothers are really a headache, so many As for people, it’s too embarrassing to even say it out as a widow. The four Sikongjia brothers scratched their heads, each of them looking very aggrieved. “Little Junior Sister, we’re right.” “Yeah, we’re doing this for your own good.” “Don’t you worry about Yue Feng’s safety?” Sikong Yanran turned even redder and stomped: “You still said ” Uh… Seeing this scene, Yue Feng also burst into laughter, a little embarrassed, and a little coke, Sikongjia four brothers, it’s still so funny. Made! Duan Yu, who was sitting there, clenched his brows and looked at the four Sikongjia brothers coldly, very angry. He endured the humiliation, waited for so long in the Kyushu camp, and finally was able to go out alone with Yue Feng. What are these four fools making fun of? No, I can’t let the four of them follow. For a while, Duan Yu’s brains turned quickly, and he had to find a way to stop it. After all, he wanted to snatch Yue Feng’s Dragon Ball, and it would be difficult to do with four more people around him.

At this moment, Yue Feng looked at the four brothers Sikongjia and said, “I took the kindness of the four brothers, don’t forget, I am from Donghai City, the continent of the earth, and I grew up by the sea since I was a child. It’s no problem for the little master to go to Coral Island.”

Hearing this, Sikongjia’s four brothers stopped insisting.

Chapter 2429

“Yue Feng!” At this moment, Sikong Yanran stood up slowly and said softly, “How about I go with you?”

As a woman of Yue Feng, Sikong Yanran wanted to help Yue Feng very much , do something for the Kyushu mainland.

Before Yue Feng could answer, Duan Yu quickly stood up and said with a smile, “No need, Miss Sikong, I have been to Coral Island and I know the way. Besides, Sect Master Yue is very powerful, and it will be fine.”

Seeing Duan Yu saying this, Yue Feng nodded in agreement.

The next second, Yue Feng said to Sikong Yanran: “Little Master Huasheng is right, we will be fine, you should stay here and guard against the Rakshasa with everyone.”

“Okay.” Sikong Yan Ran was a little disappointed and nodded.

Um?

At this moment, everyone around didn’t notice the difference, but Ren Yingying, who was sitting there, was looking at Duan Yu closely, her eyebrows furrowed.

Why didn’t he let Sikong Yanran go with him? You must know that Sikong Yanran is the eldest young lady of Icefire Island. She is familiar with the situation and the sea. With her around, she can help when encountering unexpected situations.

Moreover, this metamorphosis seems sad, but it seems that he is not so sad about Moroye’s death… The

more Ren Yingying thought about it, the more suspicious it became.

Soon, Yue Feng and everyone discussed things and left the central army tent. At the same time, Yue Feng and Duan Yu also began to prepare for their departure.

As soon as he returned to the camp, Yue Feng saw that Ren Yingying followed with a complicated expression.

“What’s wrong?” Yue Feng said with a smile: “What’s the matter with me suddenly?”

When he said this, Yue Feng’s face was not serious, but he felt a little ashamed.

Over the years, I owe Ren Yingying too much, not only her, but also Xiao Yuruo, Er Qing and the others.

“I can’t find you if I’m okay?” Ren Yingying gave Yue Feng a white look and said angrily.

“Yes, why not?”

Yue Feng smiled, put down the curtain at the door, and hugged Ren Yingying in his arms: “Is it a bit reluctant for me to leave? Don’t worry, I was on Coral Island and got Xuanyuan Huangdi’s stay. The treasures you have left will be back soon.”

Yue Feng’s intimate movements made Ren Yingying very shy, and her beautiful face suddenly turned red, indescribably charming.

At this moment, Ren Yingying wanted to break free, but felt the masculine breath on Yue Feng, and held back.

“I’m a little reluctant to give up.” Ren Yingying leaned against Yue Feng’s arms and said softly, “You know what? Since Yang Jian conquered various continents, we haven’t talked together for a long time. Now we can meet every day, but yet You have to fight against the Rakshasa clan, and now, you are going to the coral island again.”

Hearing this, Yue Feng showed a smile and gently comforted: “Don’t worry, this will all be over soon, when the time comes, let’s find a look Shuixiu lives in seclusion, has a bunch of children, and let each of them manage a place.”

“Shameless!”

Seeing Yue Feng talking more and more seriously, Ren Yingying blushed and spat: “Who wants to give birth to you? Child?” Although he said that, his eyes were filled with happiness and hope for the future.

The next second, Ren Yingying thought of something, broke free from Yue Feng’s embrace, and said seriously: “By the way, I have something to tell you.”

“Speak!” Yue Feng responded with a smile.

Ren Yingying tilted her head and thought for a while, and said, “Do you think that transformation is very wrong!”

Transformation Master?

Yue Feng was stunned for a moment, then smiled and said, “What’s wrong with him?”

Ren Yingying let out a sigh of relief, and shared her observations and suspicions.

call!

Hearing this, Yue Feng frowned and thought for a while, then said with a smile, “Have you been thinking too much, Master Huasheng, but Master Moraya’s disciple, how could there be a problem?” ” Is Sect Master

Yue there?”

Then, I heard a polite voice from outside, it was Duan Yu.

Chapter 2430

Yue Feng and Ren Yingying looked at each other, really saying that Cao Cao and Cao Cao are here.

Thinking to himself, Yue Feng cleared his throat and said with a smile, “Here, Master Huasheng, please come in.” The

voice fell, and Duan Yu walked in slowly.

……

At this moment, outside the Kyushu camp, I saw a group of men and horses rushing in. There were tens of thousands of people. These people, dressed in uniform, were filled with sturdy Breath, they are all pirates.

Headed by three young men and women.

The male is eighteen or nineteen years old, cold and handsome, with extraordinary temperament.

The two women are also extremely sexy and charming, full of youthful and beautiful atmosphere.

It was Yue Wuya, Han Bing, and Hai Linger.

After sailing on the sea and traveling thousands of miles, I finally came to the Chaos Mountains.

“Who?”

A pair of patrolling soldiers couldn’t help shouting as they approached the Kyushu camp.

“It’s us!” Yue Wuya sank into his dantian and responded loudly.

“Yue Wuya, Han Bing?”

When they reached the front, seeing Yue Wuya and Han Bing, the Kyushu soldiers were both surprised and delighted, and immediately brought them into the camp.

Soon, after hearing the news, Wen Chou Chou, Sun Dasheng and others also came out.

Seeing the three Yue Wuya, they were all surprised.

hiss!

And many people's eyes are also focused on Hai Linger's body, and they can see that Hai Linger is wearing a special fish-scale long dress, which shows her sexy figure, and the long dress is shining in the sun. Colorful Light, indescribably dazzling.

beautiful!

So beautiful.

Although this girl was dressed differently from the Kyushu Continent, the fairy-like temperament on her body was really intoxicating.

"Girl!"

At this moment, Sun Dasheng reacted and smiled at Han Bing: "I am relieved to see that you are all right, haha, if Fengzi knew, he would definitely be happy."

Han Bing is beautiful Kindness, everyone likes it, and Sun Dasheng is no exception.

When he said this, Sun Dasheng ignored Yue Wuya. This kid has always been against Fengzi and is very untidy.

At this time, Sun Dasheng didn't know yet that Yue Wuya had repented and knew that he was wrong before.

"Uncle Dasheng." Han Bing greeted everyone politely, and asked

Sun Dasheng, "Where is my father?" I'm in the camp, and I'm probably packing my things now and preparing to go to the coral island." The

voice fell, and Wen Chou Chou, who was next to him, smiled and explained the situation.

What?

Hearing this, Han Bing and Yue Wuya looked at each other, their expressions changed.

Father wants to go to coral island with that metamorphosis, that metamorphosis is Duan Yu, didn't they find out?

Immediately afterwards, Han Bing pointed at Hai Ling'er and said anxiously, "This is the princess of the sea shark clan, Hai Ling'er, my father doesn't need to go to Coral Island."

Yue Wuya followed him and said, "You have all been deceived. That metamorphosis is not the apprentice of Master Moroye at all, he is Duan Yu."

What?

Hearing this, everyone present changed their expressions.

Master Moroye's apprentice turned out to be Duan Yu, how is this possible, but thinking about it carefully, the villain Duan Yu has indeed not appeared for a long time.

"Where is Duan Yu now?" Han Bing asked anxiously.

The ultimate husband in Chinese chapter 2431-2440

Chapter 2431

Everyone looked at each other, and then a patrolling soldier said: “I saw just now that Master Huasheng went to Sect Master Yue’s camp.”

Shuh!

Hearing this, everyone was shocked, and immediately rushed towards Yue Feng’s camp.

Duan Yu pretended to be Moroye’s apprentice and mixed in the camp, it was definitely not a good thing.

At this moment, Yue Feng is here.

Um?

At this moment, Duan Yu entered the tent and saw that Ren Yingying was also there, and was stunned.

“Little Master Huasheng, is there something important?” Yue Feng asked.

Duan Yu reacted and said with a smile: “It’s nothing, just come and see, is Sect Master Yue ready, and when are we going.”

Duan Yu kept paying attention to Ren Yingying when he said this.

And Ren Yingying’s eyes kept looking at Duan Yu. Although Yue Feng disagreed, Ren Yingying insisted on her own feeling and believed that there was something wrong with this metamorphosis.

Ha ha!

Yue Feng smiled slightly and said to Duan Yu: “I will explain some things and I can leave at any time.”

Hearing this, Duan Yu nodded, but did not go out immediately.

Ren Yingying used to be the princess of Apocalypse Continent, Bingxue is smart and resourceful, but now, she has been looking at herself with suspicion, has she discovered her identity?

This chapter is provided by . Visit for daily update.

Thinking of this, Duan Yu couldn't help but feel a little flustered.

In the next second, Duan Yu's thoughts turned, and he suddenly had an idea, and said politely to Yue Feng: "Sect Master Yue, you have a heavy responsibility, and you left the camp rashly. you."

Having said that, Duan Yu pretended to think of something and continued: "By the way, can I watch the dragon ball on Sect Master Yue? Since it was left by Emperor Xuanyuan, it must be extraordinary."

Duan Yu was very cunning and realized that Suspected by Ren Yingying, he wanted to deceive Yue Feng's Dragon Ball, so that he didn't need to grab it.

This…

Seeing that Duan Yu wanted to use the Dragon Ball to appreciate it, Yue Feng instinctively resisted and pondered.

Ren Yingying, who was next to him, also immediately became suspicious.

Yue Feng is about to set off with him to Coral Island. Along the way, there are many opportunities to enjoy Dragon Balls. Why do you ask to appreciate it at this time?

Made!

Seeing the expressions of Yue Feng and the two, Duan Yu scolded secretly, Yue Feng and Ren Yingying are both very alert.

Thinking to himself, Duan Yu showed a smile and said softly: "If Sect Master Yue is unwilling, forget it, in fact, I heard from the head of the sea shark clan before on Coral Island before, saying that Xuanyuan Huangdi left two things, The same is in the sea shark clan, the same is in the Chaos Mountains, I just want to see if the dragon ball in the hands of Yue Sect Master is the same as the description of the sea shark clan chief."

Yes, Duan Yu lied, he did not know the sea at all. The patriarch of the shark tribe, he was only active near the coral island at that time, and never really entered the coral island at all.

It turned out to be so.

Hearing this, Yue Feng nodded, relaxed his vigilance, and took out the dragon ball: "In this case, Little Master Huasheng has a good look." After the

voice fell, he handed the dragon ball to Duan Yu.

At this moment, Duan Yu was so excited that he took over the dragon ball and said with a smile, “Sect Master Yue, I will wait for you at the entrance of the Zhongjun tent first. After watching the dragon ball, I will return it to you.”

Hahaha… Yue Feng, this fool, actually gave the Dragon Ball to himself like this.

The treasure chest of the shark clan was located in a cave in the mountains and forests a few miles away. Now that the dragon balls are also in hand, the peerless treasure left by Xuanyuan Huangdi is already within easy reach.

Duan Yu thought about it, and after saying goodbye to Yue Feng, he left the camp directly, went to the mountain cave to take out the treasure chest, and then used the dragon ball to open it. At that time, when he got the treasure inside, he would no longer pretend to be a monk and restore his previous identity.

The more Duan Yu thought about it, the more excited he became, so he bid farewell to Yue Feng and left.

“Father!”

However, at this moment, footsteps suddenly came from outside the tent, and at the same time an urgent voice sounded: “That metamorphosis is Duan Yu, don’t be deceived by him.”

It was Han Bing, and Wen Chou Chou and others.

Chapter 2432

Mad.

Duan Yu had just taken the Dragon Ball from Yue Feng’s hand, when he suddenly heard the shouting outside, and he was shocked.

Yue Wuya, that kid and Han Bing, came over so quickly?

However, the Dragon Ball has already been obtained, so what should I worry about?

What?

Yue Feng and Ren Yingying also heard the shouts from outside, and their expressions suddenly changed.

The little master Huasheng in front of him is Duan Yu? How is this possible?

Yue Feng could clearly hear that the voice from outside was Han Bing, who was his daughter, smart and kind, and could never be created out of nothing.

In the next second, Yue Feng's face changed, and he looked directly at Duan Yu: "You…"

"Go to hell!"

Seeing Yue Feng's suspicion, Duan Yu's eyes rolled, and he decided not to cover it up any more. The aura of Duan Yu erupted from Duan Yu's body, and he slapped it hard, hitting Yue Feng's heart directly.

Duan Yu knew that when Yue Wuya and Han Bing came, his identity could not be concealed, but the Dragon Ball had already been obtained, so there was no need to hide it.

Yue Feng's strength is not low. Rather than being passively restrained, it is better to take the initiative to attack. When Yue Feng is injured, the Kyushu camp is in chaos, and he can take the opportunity to escape.

Moreover, Duan Yu is very confident in himself, even if Yue Feng is strong, he can't escape his full-strength palm.

Made!

Yue Feng was extremely frightened, and he never thought that Duan Yu would jump over the wall and attack him directly, but it could be seen that he was indeed Duan Yu, and he couldn't be wrong.

"Yue Feng, be careful!"

Seeing this scene, Ren Yingying couldn't help but let out a coquettish cry, and at the same time wanted to rush over to help, but it was too late.

At this moment, Yue Feng wanted to dodge, but he was too close to Duan Yu, and Duan Yu was too fast to dodge. In a hurry, Yue Feng hurriedly used his internal strength to protect his body.

Bang!

This palm contained all of Duan Yu's skills, and he saw that the air in the tent was distorted, which was amazing. With the strong wind howling, this palm hit Yue Feng fiercely.

Nima!

In an instant, Yue Feng's inner strength was forced to protect his body. He heard a groan from him, and the whole person flew up, knocked out a hole in the tent, flew out, and finally fell on the ground dozens of meters away.

At the moment of landing, Yue Feng spurted out a mouthful of blood and was extremely weak, but his eyes were fixed on Duan Yu, and he said fiercely: “Duan Yu, it’s really you!”

Hahaha….

Duan Yu looked up to the sky. Laughing, not hiding at this time, his figure was suspended in mid-air, looking at Yue Feng coldly, jokingly

said: “I didn’t expect it, Yue Feng.” Duan Yu’s eyes flashed with endless resentment: “I am indeed Moruo. Master Ye’s disciple, Metamorphosis is also my Dharma name, but, in my heart, I have never considered myself to be a Buddhist, and you idiots have never found any clues, hahaha, it’s so stupid. Yes, I didn’t kill you with this palm just now, it’s cheap, but I tell you Yue Feng, your death is not far away.”

After saying the last sentence, Duan Yu looked at the dragon ball in his hand, unable to say anything. proud.

The Dragon Ball has already been obtained, and he will soon be able to obtain the peerless treasure left by Xuanyuan Huangdi. At that time, it will be completely disguised to come back to kill Yue Feng.

Made!

Hearing this, Yue Feng struggled to stand up, his eyes were blood red, and he locked Duan Yu tightly.

It turned out that the little master Huasheng was Duan Yu, but he never found out.

At this time, Ren Yingying was panic-stricken, rushed to Yue Feng, helped her, and almost cried: “Yue Feng, how are you? Are you okay?”

Yue Feng gave Ren Yingying a comforting look.

The next second, his eyes locked on Duan Yu again, thinking of something, he asked word by word: “Duan Yu, how did Master Moroye die?”

Chapter 2433

As the commander-in-chief of the Kyushu Continent, Yue Feng has an active mind. Seeing Duan Yu revealing his identity at this time, he immediately guessed that the death of Master Moroye was not that simple.

When the words fell, Duan Yu sneered: “You don’t have to guess, I’m not afraid to tell you that the stinky monk in Moraya was besieged by me and the Rakshasa clan and died, and that old bald donkey forced me to convert to Buddhism. It’s not a pity to die. “

Made, it’s really him.

Yue Feng’s temperament was broken, and he was so angry that he almost fainted.

Next to Ren Yingying, her face flushed with anger, she pointed at Duan Yu and yelled, “Duan Yu, are you still human? Moraye accepted you as a disciple, and you want you to change your ways, but you deceive your master and destroy your ancestors. , and also helped the Rakshasa clan to besiege him together, so if you do such a thing, you are not afraid of being punished by God?” God’s

condemnation?

Hearing these two words, Duan Yu’s face was hideous, and he retorted with a sneer: “I never believed in the destiny of heaven, but it is you, Ren Yingying, you were once the princess of the Apocalypse Continent, but you condescended to be the woman of Yue Feng. What’s going on.”

Whoops!

Just as they were talking, Han Bing, Wen Chou Chou, Sun Dasheng and others arrived, and they were stunned when they saw the scene in front of them.

I saw that Yue Feng’s face was pale and weak with Ren Yingying’s support.

In the mid-air in front of them, a figure, holding a two-meter-long giant axe, was quietly suspended there.

It was Duan Yu!

In midair, Duan Yu’s holding a giant axe, like a round of luminous sun, radiates radiance, while his other hand is holding a dazzling bead.

It’s Dragon Ball!

Seeing this, everyone was furious.

Holding the opening axe, who is not Duan Yu? This kid, who actually became a Moraya disciple, lurked around everyone for so long, and was not discovered. It was really hateful.

Also, what are the beads in his hand?

At this moment, apart from Wen Chou Chou who had seen Dragon Ball, Yue Wuya, Han Bing, and Hai Ling’er all frowned and were very puzzled.

“Uncle Great Sage, what is that?” Han Bing couldn’t help but asked in doubt.

Sun Dasheng took a deep breath and said quickly: “Eldest niece, what is in his hand is Xuanyuan Huangdi, the second thing left behind, the essence of the dragon, the dragon ball.”

What?

Dragon Ball?

At this moment, Yue Wuya and Han Bing were both shocked, and Duan Yu, who was tight, was shocked and angry.

This is broken. Duan Yu used Tang Qingyun to snatch the stone box of the sea shark in the sea before, and now he got the dragon ball. In other words, the two things left by Xuanyuan Huangdi are in his hands.

Seeing the expressions of the two brothers and sisters, Wen Chou Chou faintly felt that something was wrong, and couldn’t help but ask, “Niece, what’s the matter?”

Huh!

Han Bing took a deep breath, and while staring at Duan Yu, he gently explained: “Uncle Wen, you don’t know, the treasure guarded by the sea shark clan has been brought out by us, but it was only halfway through by Duan Yu. He took it away. Now he has the Dragon Ball, Xuanyuan Huangdi’s treasure, which means that he has mastered it.”

What?

Hearing this, everyone present was furious.

The two things that Xuanyuan Huangdi left behind are all in his hands. This piece of feather is really hateful. He has been lurking in the camp before, I am afraid it is to win Yue Feng’s Dragon Ball.

Now it seems that his plan has succeeded, not only succeeded, but also took the opportunity to injure Yue Feng.

Thinking of this, everyone is filled with righteous indignation.

Swish!

At this moment, Sun Dasheng finally couldn’t bear it anymore, his eyes fixed on Duan Yu in the air, and he roared angrily: “Go on, kill this bastard.” After the words

fell, Sun Dasheng’s inner strength exploded, and he rushed into the air and rushed to the air. Duan Yu left.

Chapter 2434

Swish swish…

At the same time, Wen Chou Chou, Long Qianyu, Yue Wuya and others all jumped into the air one after another and charged directly towards Duan Yu!

These people are all leaders in each continent. Any one of them is the Megatron side. At this time, they shot together, and the burst of breath distorted the sky, and the momentum was amazing.

“Haha, want to kill me? Come on.”

Watching Sun Dasheng’s crowd attack, Duan Yu’s face was full of madness, and he clenched the axe tightly, his eyes flashing with endless evil spirits.

To be honest, Duan Yu originally wanted to leave, but when he thought about this period of time, he swallowed his anger and hid in the Kyushu camp.

Anyway, the Dragon Ball has been obtained, and there is no need to worry, it is better to make a scene and turn the entire Kyushu camp upside down.

Of course, it would be better if they could kill a few more people.

As he thought to himself, Duan Yu had a ferocious look on his face, and shouted: “Go to hell!” The roar came, and he swung out with an axe!

“Roar!”

Only a dragon roar was heard, emanating from the giant axe, and the next moment, a touch of golden light seemed to tear the world apart and swept toward everyone!

Made!

Feeling the power of that touch of golden light, Wen Chou Chou and the others all changed their expressions, and quickly urged their inner strength to deploy a protective film in front of them to resist.

Bang bang bang…

Jin Mang banged on the protective film, many people trembled, their blood swelled, and they almost fell from the air.

“Ah!”

Many Kyushu soldiers, who did not have such strong defenses, screamed incessantly in an instant, and they were knocked out one by one and fell into a pool of blood.

Made!

Seeing this scene, whether it was Yue Feng, Wen Chou Chou, or everyone else, their expressions changed, and at the same time, the anger in their hearts rose.

Duan Yu, this bastard, I haven't seen him for a while, but his strength has increased so much, and so many people have yet to subdue him.

This kind of person, if he continues to keep it, is the scourge of Kyushu. More importantly, he has the stone box of the sea shark clan in his hand, and he has also deceived Yue Feng's dragon ball. He must not be allowed to leave easily.

Under the anger, Yue Feng's eyes became blood red, and he roared: "Everyone be careful, don't let him escape."

When he said this, Yue Feng glanced at Ren Yingying with shame.

It turned out that her guess was right, this metamorphosis not only has problems, but also a big problem, it turned out to be Duan Yu. If I had known this earlier, I should have been more cautious and should not have given him the Dragon Ball lightly.

Buzz buzz….

Hearing Yue Feng's roar, Wen Chou Chou and the others erupted again, jumping into the air, and fighting with Duan Yu.

However, after more than ten minutes of fierce battle, everyone was still unable to suppress Duan Yu.

You must know that Duan Yu's strength has improved a lot after practicing in the sea for half a month. Later, he was taught the Buddhist practice by Moroye, and his realm has improved a lot.

Under such circumstances, he still has a peerless divine axe in his hand, how could Wen Chou Chou and others be his opponents?

"Everyone, let's meet him."

At this moment, the six fairies of Fuyao Palace who heard the news rushing over, shouted coquettishly, and the moment the words fell, they flew up and went straight to Duan Yu.

"Six palace masters, I'm here to help you too."

Zhou Qin, who was beside him, also trembled, pulled out his long sword, and flew up!

At this moment, Zhou Qin and the six palace masters released their internal forces, as if the sky was about to shatter!

The six palace masters of the White Sacred Water in Fuyao Palace are famous goddesses in the rivers and lakes of the Earth Round Continent, and their strength is extraordinary.

And Zhou Qin, who used to be the head of the Emei faction and the leader of the martial arts alliance, is very powerful.

When the two sides joined forces, they saw a terrifying force spread out in the air, and the calm sky was instantly surging.

Chapter 2435

Call!

At this time, everyone in the Kyushu Continent was in a cold sweat for the Six Fairies and Zhou Qin.

The strength of the six fairies and Zhou Qin is strong, but against a powerhouse like Duan Yu, I am afraid they are not opponents. You must know that Duan Yu has an axe in his hand.

However, the six fairies and Zhou Qin at this time were not panic at all.

I saw Bai Shengshui take a step forward and said coldly: “Form a formation.” The

voice fell, and I saw five Erqings and Zhou Qinqi moving. in the middle.

Misty Seven Immortals Formation?

Seeing this scene, Yue Feng, who was standing below anxiously watching the battle, was shocked.

He clearly saw that Zhou Qin and the six fairies cooperated tacitly, advancing and retreating in an orderly manner, which seemed dazzling, but in fact every step was very mysterious. It is the Misty Seven Immortals Formation of Fuyao Palace.

This… When will Zhou Qin become the Seven Immortals?

Yue Feng was secretly surprised!

You must know that the formation of the Misty Seven Immortals has been circulated in Fuyao Palace for thousands of years, and it has never been rumored. However, what Yue Feng didn't know was that when Yang Jian led the Northern Ying army to attack Zhongzhou, the Fuyao Palace made an exception to let Zhou Qin join the exercise for the sake of the overall situation.

In less than ten minutes, Duan Yu was temporarily restrained by the mystery of the Misty Seven Immortals Array.

Made!

At this time, Duan Yu was so annoyed that he had been entangled in several women.

hum!

At this moment, Long Qianyu found the opportunity, his internal power exploded, and a sword shadow came out of the sky, straight towards Duan Yu, with a speed like thunder and lightning.

Seeing this scene, everyone below was inexplicably excited.

Duan Yu was taken aback, and hurriedly waved his axe to resist, and at this moment, Wen Chou Chou and Sun Da Sheng joined forces to explode, condensing a huge fireball.

This fireball makes the surrounding temperature rise instantly!

Duan Yu didn't have time to dodge, and the fireball slammed into his back.

"Boom!…" The

roar came, Duan Yu trembled, vomited out a mouthful of blood, and his body flew far away.

Sun Dasheng and Wen Chou Chou, one is the hall master of the Hall of Longevity, and the other is the head of Huaguo Mountain. In recent years, their strength is close to the transcendence realm. Even if Duan Yu has the opening axe, he can't resist the brothers. Hit it together!

"Brother Wen, Dasheng played well." Yue Feng couldn't help but shouted, "Take him and get back the Dragon Ball."

Hearing this, Wen Chouchou and Sun Dasheng broke out again and rushed towards Duan Yu.

At this moment, facing the siege of Wen Chou Chou, Sun Dasheng, and the Six Fairies and Zhou Qin, Duan Yu's face was extremely ugly, and he became more and more flustered.

At this moment, Long Qianyu rose into the air, took out a leather whip from his waist, and slammed Duan Yu fiercely.

"Crack!"

When the whip fell, Duan Yu didn't have time to dodge, he howled in pain, and a bloodstain appeared on his body, and his skin was split open!

"Made! You all wait for me. When the time comes, I will torture you one by one." Duan Yu's face was grim, and the pain made him sweat profusely. He swung a few axe fiercely,

With these axes, Duan Yu used all his strength!

"Buzz!"

Duan Yu's internal strength was instantly evacuated by these axes. But I have to say that the power of these axes is really terrifying! I saw that the whole world seemed to be shattered, and the air was torn apart!

call!

Feeling the power of this terror, Wen Chou Chou, Sun Dasheng, and the rest of Zhou Qin did not dare to neglect, and they all urged their figures to avoid their edge.

The ultimate husband in Chinese chapter 2436-2440

Chapter 2436

"Yue Feng, I didn't kill you today, you are lucky, next time you won't be so lucky." Duan Yu hissed and howled, taking advantage of this opportunity, turned around and flew into the distance.

In a blink of an eye, he had already rushed a few hundred meters away.

Made!

Seeing that Duan Yu was able to escape under the siege of the crowd, Yue Feng's face was extremely ugly.

"Chase!"

Sun Dasheng roared without hesitation, and took the lead in chasing after him.

Wen Chou Chou followed closely behind.

The treasure chest of the shark clan and the dragon ball of Yue Feng are all in his hands, and he must not be allowed to run away like this.

While running, Duan Yu looked back and saw that Sun Dasheng and the others were chasing after him, and he was instantly furious.

Mad, these people are really haunted.

…..

At this moment, the Rakshasa camp is here.

In the big tent, Meng Ao sat there with a gloomy face. Next to him, Mona and many Rakshasa soldiers also looked solemn.

Made!

Meng Ao patted the table and was very annoyed. He thought that this time, he used Moroye's head to stimulate the Kyushu Continent and make them lose their minds, so that they would be defeated in one fell swoop, but unexpectedly, Yue Feng did not know where to get it. A strange bead turned into a dragon.

This chapter is provided by . Visit for daily update.

In the end, not only did they fail to win, on the contrary, they were killed by Yue Feng, and two giants were killed. Moreover, the highly mobile wolf group was also killed.

"Second brother!"

Just when Meng Ao thought about it more and more, Mona came over, bit her lip and said, "I think, we really have to negotiate with the Kyushu Continent, and you can see that Yue Feng can transform into a huge dragon, It proves that what he said before is true."

"Today's battle, Yue Feng may just shock us a little, so he just transformed the phantom of a dragon. If he continues to fight, I'm afraid he will release the real dragon. ."

When saying this, Mona's face was full of anxiety.

Yes, Mona is not afraid of death, but in the battle just now, seeing so many people die tragically, she couldn't bear it. Continue to fight, maybe the Rakshasa can win, but it will also pay a heavy price.

This is not the result Mona wants to see.

More importantly, the father is missing, and the second brother cannot be allowed to continue to act arbitrarily.

Swish!

Hearing this, Meng Ao was extremely annoyed, and drank at Mona: “Little sister, I think you were bewitched by that Yue Feng, eldest brother believed the words of the two Kyushu women and died tragically, you want to be the same as him. What’s the end?”

Meng Ao’s expression was very scary, and Mona’s body trembled, and eagerly said: “Second brother, it’s not what you think, I…”

Before she could finish speaking, Meng Ao interrupted her.

“Don’t say it, I must avenge the revenge of the elder brother.” Meng Ao said coldly: “And the disappearance of my father, all of which were caused by the Kyushu mainland, I must let them pay their debts with blood.”

Hearing this, Mona stomped her feet angrily, turned around and ran out of the tent.

The second brother is getting more and more unreasonable.

call!

As soon as his forefoot left, a Rakshasa warrior walked in quickly and respectfully said to Meng Ao: “Sir, there was a battle in the Kyushu camp just now, and then we saw a group of people chasing a monk, heading towards the ruins. go.”

What?

Hearing this, Meng Ao was stunned for a moment, and then he showed a sneer.

Haha…. There is infighting in the Kyushu camp, which is good news.

Thinking to himself, Meng Ao raised his hand and waved: “Quick, call the Tigers, follow me to the ruins to check the situation!”

“Yes, Prince!”

Chapter 2437

Soon, hundreds of tiger warriors gathered, and they saw that each of them was riding a colorful tiger, and these tigers were all black and brown stripes, completely different from the tigers in the Kyushu mainland. Domain-specific black evil tiger.

Meng Ao didn’t hesitate and set off quickly with the Tigers.

This moment, the other side!

Duan Yu, Dasheng Sun and others, one after the other, quickly bypassed the Rakshasa camp and reached the depths of the ruins of the Chaos Mountains.

call!

Seeing that there was a huge abyss in front of him, and there was scorching magma below, Duan Yu’s face changed and he was furious.

Mad, can’t you escape?

After finally deceiving Dragon Ball, he will soon be able to obtain the peerless treasure left by Xuanyuan Huangdi, and he must not die like this.

Thinking to himself, Duan Yu reached the edge of the abyss, looked down, gritted his teeth for the last time, and jumped down for the rest of his life.

Made!

Seeing this scene, the expressions of Sun Dasheng and others who were chasing after them all changed. Afterwards, when they reached the edge of the abyss, they saw a depth of several kilometers. The heat wave continued to rise and rushed toward the face. Everyone looked at each other, their faces were extremely ugly.

“That kid actually jumped down, I’ll go down and have a look.” Sun Dasheng shouted, and was about to jump down.

“No!”

At this moment, Wen Chou Chou hurriedly stopped Dasheng Sun, frowning and said, “There is lava underneath, which is very dangerous, and Duan Yu is very cunning and cannot be reckless.”

At this time, Long Qianyu took a step forward and looked at Look, Xiu Mei frowned and said: “Palace Master Wen is right, it’s too dangerous below, Duan Yu jumped down, and he died.”

“Made, let him die like this, it’s cheap for him.”

“It’s a pity, Yue Feng’s Dragon Ball is still in his hands.”

“What should I do?”

For a time, everyone was very annoyed, and at the same time they were helpless.

“No, the Rakshasa people are here.” At this moment, someone shouted, everyone quickly turned around and saw a pair of Rakshasa warriors rushing over.

Wen Chou Chou acted calmly and made a decisive decision: “Let’s go, go back to Feng Zi to discuss first, and then make plans!” After the

voice fell, Wen Chou Chou quickly returned to the direction of the Kyushu Camp. Long Qianyu, Sun Dasheng and others, although a little unwilling, were also tight Followed.

They all know that it is very unfavorable to fight against the Rakshasa tribe in the Rakshasa camp. Once the fight begins, it will be difficult for the Kyushu army to come to support, and then everyone will be in danger, so the best way is to return to the camp and not give Luosha. Brass any chance.

the other side. Below the abyss!

Huhuhu…

The wind whistled in his ears, Duan Yu held the Sky-Opening Axe tightly, his body kept falling, and he fell to the bottom as soon as he saw it. Feeling the scorching magma below, Duan Yu gritted his teeth and waved the Sky-Opening Axe. Chop on the rock wall next to it, then force and slow down!

Pedaling…

Finally, Duan Yu landed on a collapsed platform. Although he was prepared, the powerful falling force made him stumble back a few steps, and his back hit the mountain wall before finally stopping. down.

puff!

At the same time, the blood in the body surged, and a mouthful of blood spurted out.

Made!

At this moment, Duan Yu’s face was extremely gloomy.

Yue Feng’s gang almost drove me to a desperate situation, but fortunately my life is big, and I still didn’t die in the end, you all wait for me.

Muttering in his heart, Duan Yu looked around and was stunned when he saw a cave a few meters away.

Nima? Is there someone here?

Duan Yu saw that the entrance to the cave was leaning against a burly figure, his black armor was tattered, his legs were all broken, and that majestic face showed a dead gray color, apparently dead for a long time, just a pair of Eyes, still flashing with endless anger, stared in the direction of the top of the head.

It is the Rakshasa King!

Chapter 2438 Realizing

that the Rakshasa King was out of breath, Duan Yu immediately took courage and walked over to check.

Made! These Rakshasa people are really like a group of savages, they have nothing on their bodies except animal skins. At this time, Duan Yu did not know that the one who died in front of him was the king of the Rakshasa clan.

With a murmur in his heart, Duan Yu saw the winding cave in front of him and walked in slowly.

Facing the siege of the crowd before, Duan Yu consumed a lot of internal energy and was injured. He continued to find a place to practice recovery. More importantly, the entrance of the cave, just a few meters away from the magma below, was too hot. Even if he wasn't injured, Duan Yu couldn't take it.

hiss!

The more you go inside, the burning sensation brought by the magma gradually weakens, but Duan Yu's mood is always tight, because there is a dead Rakshasa at the entrance of the cave, and I don't know if there will be any danger inside. .

I don't know how long I walked, but finally the space in front of me opened up a bit, Duan Yu was shocked, and he couldn't help taking a deep breath.

As you can see, this is a karst cave. The karst cave is not big, about the size of a basketball court. Compared with the scorching environment outside, it looks a bit gloomy and cold.

Duan Yu saw that there were some blood stains on the stone walls of the cave, extending to the depths.

Finally, in the deep shadow, there was a person sitting there, not moving, because the light was dim, it was impossible to tell whether it was life or death, but Duan Yu clearly found that the armor on this person was the same as what he saw just now. The people of the Rakshasa clan were obviously different, and they were obviously people from the mainland of Kyushu.

Looking at it like this, at this time, which strong man in the Kyushu Continent was fighting with that Rakshasa clan, and they both lost in the end.

call.

Although he couldn't see the man's face clearly, Duan Yu could sense the powerful aura that permeated his body.

After being stunned for a few seconds, Duan Yu couldn't hold back his curiosity, summoned up his courage, and walked over slowly.

What the hell!

When the distance was less than a few meters, Duan Yu finally saw this person clearly, and saw that he was wearing a golden armor, but it was covered with blood, like a bloody man, with long hair draped over his shoulders, holding a handful of arms tightly in his hand. Strange weapon, I don't know if it's dead or alive.

Duan Yu could clearly see that the position of this person's lower abdomen dantian had two thick blood openings on his arms. The blood had already solidified, but it looked a little shocking.

Golden armor, with such a powerful aura, could it be…

shuh!

Just when Duan Yu was thinking about it secretly and had already guessed who the other party was, suddenly, the person in front of him raised his head, and his terrifying gaze instantly locked on Duan Yu.

"Who are you?" Yang Jian coldly locked Duan Yu and asked.

Yes, this person is Yang Jian, who fought fiercely with King Rakshasa before, causing the Chaos Mountains to collapse, and finally both fell. After falling to the ruins, the two continued to fight, and finally fell into this abyss one after another.

The Rakshasa King broke both legs, and Yang Jian was not much better. His dantian was pierced by the Rakshasa King, and he finally hid in the depths of the cave. I was closing my eyes just now to cultivate, when I suddenly heard the movement, I locked Duan Yu at once!

What the hell! not dead?

Duan Yu was taken aback. Seeing that the person in front of him could speak, he felt that all the hairs on his body stood up. He subconsciously took a step back and said, "My name is Duan Yu! Dare to ask your Excellency…"

“Duan Yu?” Yang Jian frowned, thinking of something, and said with a chuckle: “It turned out to be the emperor of Xicang Continent, I am Erlang Zhenjun, have you heard of it?”

What?

He…is he Yang Jian?

Hearing this, Duan Yu was shocked, and looked at Yang Jian blankly, speechless!

Chapter 2439 In the

past two years, Yang Jian has been the emperor of Beiying, and he has been fighting everywhere. Moreover, Yang Jian is a person who has been famous for thousands of years. It is said that his strength is unfathomable. When he saw it today, he really lived up to his reputation.

call!

Finally, Duan Yu took a deep breath, calmed down, and asked politely, “Dare to ask Your Majesty, why are you trapped here?” Before the first fierce battle between the Kyushu Continent and the Rakshasa tribe, Yang Jian and the Rakshasa King clashed , Duan Yu was still in the Guixu Sea Area at the time, so he didn’t know.

“I fought against King Rakshasa, and both sides suffered!” Yang Jian said lightly, his tone seemed calm, but his eyes flashed with endless annoyance.

As the true monarch of Erlang, he was a powerful man in the world. He thought he could easily kill the Rakshasa King, but he didn’t expect the Rakshasa King to be so powerful.

It turned out to be so.

Hearing this, Duan Yu nodded silently, and at the same time was a little shocked.

It turned out that the Rakshasa man who died at the entrance of the cave was the king of the Rakshasa clan.

“Did you encounter King Rakshasa when you came here?” At this time, Yang Jian looked at Duan Yu closely and asked.

Duan Yu didn’t hide it, and said: “Already dead!”

Hahahaha… the

voice fell, Yang Jian was stunned for a moment, and then he looked up to the sky and laughed: “Rakshasa King, Rakshasa King, even if you are from the Rakshasa tribe. The only great leader who has appeared over the years, didn’t he die by my hands in the end?”

At this time, Yang Jian still didn’t know that King Rakshasa was in the same situation as him. Although he was seriously injured, it was not fatal. But Meng Ao still chose to give up him for his rights.

Hearing Yang Jian’s laughter, Duan Yu’s eyes kept rolling.

I heard that this Yang Jian has an unparalleled cultivation technique in the world. I wonder if he can take the opportunity to deceive him.

Speaking of which, Duan Yu has gained a new understanding of the way of cultivation after comprehending the Buddhist practice. However, the power within the Heaven-Opening Axe is terrifying, and if he wants to fully activate it, he still needs stronger power. Only legal support.

“Duan Yu, how did you get here?” Yang Jian smiled for a while, looked at Duan Yu and asked.

Duan Yu is notorious for being fierce, and Yang Jian certainly knows it, so he paid attention to it at this time. If Duan Yu is against the Kyushu Continent, he has to be on guard.

Although Yang Jian has a deep obsession with rights, he has never wavered in the righteousness of Kyushu, which is much stronger than Duan Yu.

Uh…

Facing Yang Jian’s gaze, Duan Yu pondered for a while and said slowly: “I was chased here by the Rakshasa clan. I didn’t expect to encounter His Majesty.”

Duan Yu is not a fool, all of a sudden I understood what Yang Jian meant by asking these words.

Hearing this, Yang Jian nodded silently, and then said: “My dantian has been severely damaged, you rescue me out, I will designate you as a general to defend against the Rakshasa clan.”

When he said this, Yang Jian’s face was full of urgency. His dantian was pierced, and his internal strength was disintegrated. At this time, it was all supported by his strong will and physique.

Hehe… In the end, you still want me to save you.

With a sneer in his heart, Duan Yu was very worried: “Your Majesty, you have seen it too, I am also injured, it will be difficult to take you up in a short time, and, the first time we met, you asked me to save you, What benefits can I get?”

Duan Yu had a serious look on his face when he said this, but he was sneering in his heart, and at the same time a little excited.

Haha… I was worried about how to deceive Yang Jian’s exercises, but Yang Jian took the initiative to ask himself to save him, which saved a lot of trouble.

Chapter 2440

Swish!

Hearing this, Yang Jian’s expression changed, and he glared at Duan Yu: “Do you want benefits?”

Mad, himself a dignified Erlang Zhenjun, and the Emperor of Beiying, who is not respectful when he sees it, and now, this Duan Yu actually took advantage of the dangers of others and asked himself for benefits?

He had already promised to make him a general, but he was still not satisfied.

Feeling Yang Jian’s anger, Duan Yu didn’t panic at all, he sat aside, smiled and said, “Your Majesty, don’t blame me for being selfish, you must know that I have come all the way to support the Kyushu Continent, but Yue Feng is always targeting me because of personal grievances. In the end, I was besieged by the Rakshasa people, and I fell here!”

Said, Duan Yu’s face was full of grief and indignation: “What did I get for the Kyushu Continent wholeheartedly? So, I want to understand, I want to become stronger. “

Made, it’s Yue Feng again.

Hearing this, Yang Jian’s face was extremely ugly. This Yue Feng, who was able to release his quarrel with him for the sake of the Kyushu Continent, but he framed Duan Yu who came to help out of personal grievances, is really a villain.

At this time, Yang Jian did not know that he was deceived by Duan Yu.

“Okay!”

Finally, Yang Jian reacted, nodded slowly and said: “Since you are here for the Kyushu Continent and were hunted down by the Rakshasa clan, then I will promise you, the practice I practice is called “Sacred Holy” “Qiankun Gong”! With this practice, I am able

to roam the world, and my reputation has been passed down for thousands of years. As long as you are willing to save me, I will pass it on to you?"

Haha…

Hearing this, Duan Yu's heart shuddered and his eyes lit up. , was very excited.

The name "Sacred Qiankun Gong" is very domineering when you hear it. If you practice it yourself, you don't have to be afraid of Zhu Rong and Shen Nong. As for Yue Feng, you don't have to take it seriously.

Thinking to himself, Duan Yu looked at Yang Jian with a smile: "Is what Your Majesty said true?"

"Of course, I am the honorable man of the Ninety-five Five, and I speak every word!" Yang Jian nodded earnestly.

Duan Yu pondered for a while, nodded and said: "In this case, I believe in Your Majesty, but I am also seriously injured now and need to meditate and practice to recover, so, during my cultivation, you pass the formula to me, and wait for me to recover my strength. , I'll take your majesty out of here after you've taught the formula. This will save everyone's time, what do you think?"

When he said this, Duan Yu's face was flattering, but his heart was extremely cold.

"Okay!"

Yang Jian thought for a while, then nodded slowly and said, "Okay, then let's make a deal!" Yang Jian's dantian was pierced, and he urgently needed a panacea to restore the treasures of heaven and earth, and he wanted to go back in a hurry. Go back a little and regain your strength, and you will have more hope.

Duan Yu smiled, sat cross-legged, and began to meditate and recover.

And Yang Jian didn't break his promise, and said the formula of "Sacred Universe Gong" word for word.

In Yang Jian's eyes, although Duan Yu is also a rare powerhouse in the Kyushu Continent, he is a junior after all and cannot lie to himself.

call!

At this moment, while Duan Yu meditated and cultivated, he firmly memorized the formula in his heart.

Unknowingly, two hours passed. Finally, Duan Yu breathed a sigh of relief and stood up slowly. His weak face also regained its blood and energy.

Yang Jian was very excited and urged Duan Yu: “Duan Yu, the formula told you, you have recovered your strength, take me out quickly, when the time comes, I will still have a reward.”

“Don’t worry, Your Majesty.” Duan Yu He walked over slowly, smiled and said, “I’ll take a look at your injury first. Then I’ll take you out.”

The voice fell, and Duan Yu walked step by step.

Yang Jian nodded again and again, with ecstasy flashing in his eyes.

Mad, finally leaving this hellish place.

“Haha, do you still want to go back to be the emperor? Go die.” But at this moment, Duan Yu came to the front, his face suddenly turned hideous, he shouted angrily, and slapped Yang Jian’s heart.

Bang!

The ultimate husband in Chinese chapter 2441-2450

Chapter 2441

Duan Yu's shot was very quick, Yang Jian was severely injured, and he didn't have time to dodge. This palm firmly slapped his heart and directly broke his heart.

Blood spurted out at once!

"You…" Yang Jian trembled all over, shocked and angry, and at the same time a little unwilling, glaring at Duan Yu: "What a ruthless villain, how dare you go back on your word?

" Duan Yu, who was in front of him, even attacked him.

Now that the army of the Rakshasa clan is attacking, and the Kyushu continent is united as one, but he has obtained his own practice, and he actually kills him.

"Yang Jian!"

Duan Yu's face was grim, with a cruel smile on his face, and said coldly: "As a person who has been famous for thousands of years, how can you blame others with such poor vigilance? Tell you, I, Duan Yu, seem to want to dominate. People from Kyushu, a strong person like you is the biggest stumbling block, how can you allow you to live in the world? But don't worry, after killing you, it will be Yue Feng's turn, haha…" The

voice fell, Duan Yu He raised his right hand again and slapped it directly on Yang Jian's Tianling cover.

"Pfft…"

Yang Jian spat out a mouthful of blood and glared at Duan Yu with incomparable resentment: "Shameless villain, you won't end well…" Before the

last sentence was finished, Yang Jian died of anger, his eyes widened. Big, obviously dead.

A generation of peerless powerhouses ended their splendid lives.

Seeing that Yang Jian was dead, Duan Yu sneered, sat down cross-legged, and began to comprehend the "Sacred Universe Art".

"Hahaha, Yang Jian's stunt has been acquired by me, Yue Feng, you wait for me, and soon I will tell you guys, send them to Huangquan one by one…"

Duan Yu laughed proudly, and soon entered the state of cultivation.

hum!

I don't know how long it took, and finally, Duan Yu suddenly opened his eyes and saw two rays of light burst out.

The first level of the Holy Universe Art! Practice!

There was a smile on Duan Yu's mouth. He clearly felt that his dantian had an incomparably full and powerful force that spread throughout his body! And this power, I don't know how much stronger it is than before!

"Haha, is this Yang Jian's stunt? Sure enough, he is unparalleled!" With emotion, Duan Yu tilted his head to look at Yang Jian's corpse, revealing a sinister smile: "Rest in peace Yang Jian, I will help you complete the hegemony of unifying Kyushu. Yes, hahaha…"

With a big laugh, Duan Yu burned Yang Jian's body directly, and then strode out of the cave.

Arriving at the entrance of the cave, Duan Yu glanced at the body of King Rakshasa, without hesitation, he raised his foot into the magma.

Duan Yu knew that he went out to kill Yang Jian, and Heaven would not tolerate it. In order not to leave any clues, he could only destroy the scene.

A few minutes later, Duan Yu returned to the top of the abyss.

Um?

Seeing the scene in front of him, Duan Yu frowned secretly, and saw that around the top of the abyss, there were many Rakshasa warriors, each riding a colorful black tiger, which was the Tigers.

And the leader, with a proud expression and unparalleled aura, is Mengao.

hiss!

Feeling Duan Yu's aura, Meng Ao's face changed, and he was secretly shocked.

It's this monk again. I saw him yesterday, and his strength is comparable to his own. It's only been a day, and his breath is so strong.

Whoops!

The surrounding Tigers were also terrified, but they rushed up quickly and wanted to surround Duan Yu.

Chapter 2442

“Go back!” Meng Ao shouted, and retreated from the Tigers, then walked straight over.

When he got to the front, Meng Ao looked at Duan Yu up and down: “Master, we met again, dare to ask, before the civil strife in the Kyushu camp, but because of you? Are those people who were chasing you before?”

Because before and Duan Yu Cooperate and kill Moroye together, so Meng Ao doesn’t have much hostility towards Duan Yu. On the contrary, this person is so strong that if he can use it for himself, he is still afraid of the Kyushu army?

“Not bad!”

Duan Yu nodded and replied lightly: “I was originally the Emperor Xi Cang, but I was hated by various continents. They united to kill me and killed me. I almost killed me before. If this revenge is not repaid, I will not be a human being.”

Duan Yu was smart and cunning, and he could see Meng Ao’s thoughts at a glance, so he took advantage of the situation to tell his grievances and grievances with Yue Feng and others, so as to dispel Meng Ao’s doubts.

Haha…

Hearing this, Meng Ao’s eyes flashed, and he couldn’t help laughing: “It seems that we are too fateful, my name is Meng Ao, I am the son of the Rakshasa clan, and I was with the master before. Killing the eminent monk of Linyin Temple is really a joy.” After

speaking, Meng Ao looked urgent and continued: “Since the master has an enmity with the mainland of Kyushu, why don’t you join us, and when we have defeated the army of Kyushu, let’s divide the world equally, how? ?”

Speaking of which, Meng Ao is arrogant and arrogant, and has never spoken to anyone so politely, but in front of him, Duan Yu is powerful and has grudges with the Kyushu Continent. Yue Feng’s military skills gave him a lot of headaches.

The Duan Yu in front of him was from the Kyushu mainland, and he definitely knew how to deal with the Kyushu army.

Divide the world?

Hearing this, Duan Yu remained calm, but his eyes lit up slightly.

Without waiting for him to speak, Meng Ao continued: “Master, as long as you are willing, you will be the deputy commander of my Rakshasa clan in the future, commanding the army, one person under ten thousand people! How?

“

Hearing this, the surrounding Tigers warriors suddenly burst into an uproar.

The person in front of him is from the mainland of Kyushu, and the prince actually named him the deputy commander? You know, this is the supreme glory among the Rakshasa clan! However, this person’s strength is terrifying. If he cooperates with the Rakshasa wholeheartedly, he can also be worthy of this position.

For a time, the gazes of hundreds of pairs of Tigers warriors converged on Duan Yu, gleaming with envy and complexity.

Hehe, this prince of the Rakshasa clan is quite sincere.

Duan Yu showed a smile, looked at Meng Ao and nodded: “Since the prince trusts so much, that’s fine.”

Duan Yu thought about it, going alone against Yue Feng’s army, although not afraid, but also quite troublesome, If you cooperate with the Rakshasa tribe, you will get twice the result with half the effort.

More importantly, the box that I hid in the cave in the mountains and forests still needs to be retrieved. However, the Kyushu army is searching around for me now. If I go to retrieve it myself, it is difficult to guarantee that the whereabouts will not be revealed. After all, the cave where the box is hidden is very close to the Kyushu camp. .

Now that we are cooperating with the Rakshasa clan, we can let the Rakshasa people do the work of fetching the box. They don’t know what’s inside anyway.

After uniting the Rakshasa clan and defeating the Kyushu army, he will use the dragon ball to open the stone box, get the peerless treasure inside, and turn his head to deal with the Rakshasa clan. At that time, he will be the well-deserved supreme ruler of Kyushu, and everyone will be there. surrender to your feet.

“Haha!”

Seeing his promise, Meng Ao was very happy, and laughed loudly in the sky: “It’s great, with the help of the master, it’s just around the corner to break through the army of Kyushu.” After the words

fell, Meng Ao invited Duan Yu to return to the camp.

…

At this moment, the Kyushu army is here.

Wen Chou Chou, Sun Dasheng and others chased Duan Yu, but they returned without success, and everyone was extremely annoyed.

At this time, Yue Feng was pale and sat there in the central army tent. He was attacked by Duan Yu before. Although it was not fatal, it also injured his dantian. It took two days to recover.

“Made!”

At this moment, Sun Dasheng slammed down the table and said ruthlessly: “Duan Yu, this despicable villain, catch him, and he must be slashed with a thousand swords.”

Chapter 2443 The

voice fell, and everyone around was also angry.

“This person is too cunning, and keeping him would be a disaster.”

“Yeah, I didn’t expect that he was actually a disciple of Master Moraya…”

“Doesn’t matter? Master Moraya accepted him as a disciple, of course. I want him to change his ways, but unfortunately, this person is vicious and hard to change, but he killed Master Moraya, not only that, but also Sect Master Yue.”

Everyone’s comments came from you and me, and Yue Feng’s face was extremely ugly.

Duan Yu is cunning and despicable, although it is hateful, but what makes people unacceptable is that this kid deceived his own dragon ball, which is an important thing to get Xuanyuan Huangdi’s treasure.

Thinking of this, Yue Feng was heartbroken.

At this moment, Han Bing stood up and couldn’t help but said: “Duan Yu was at sea and snatched the treasure chest of the sea sharks, but when he fled just now, he did not see the treasure chest, so it can be inferred that the treasure chest It was hidden by him.”

Yue Wuya and Hai Ling’er, who were next to them, nodded.

Yes!

Hearing this, Yue Feng's eyes lit up, and he quickly instructed everyone: "Quick, search around the camp immediately, don't let go of every place, and search carefully."

When he said this, Yue Feng looked at Han Bing , with a smile on her face, as expected of her own daughter, she is smart, and she didn't realize it.

This time, everyone also reacted, leaving the tent one after another, and led people to search around the camp.

After a while, Wen Chou Chou took the lead in returning, and shouted at Yue Feng excitedly: "Fengzi, what do you think this is? Haha, Duan Yu is really cunning, so he hid his things in a cave in the northern mountain forest."

The voice fell, and several soldiers came in carrying a simple stone box, which was hidden by Duan Yu.

Yue Feng was very excited. He took a closer look and saw that there was a depression on it, the size of which was as gentle as Dragon Ball.

"Put the things away, and at the same time send people to ambush around the cave, Duan Yu will definitely go back and get it." Yue Feng quickly commanded, and at the same time, his eyes flashed with anger.

Mad, if it wasn't for the Dragon Ball being deceived by Duan Yu, he would have opened the treasure chest and obtained the peerless treasure left by Xuanyuan Huangdi.

…..

On the other side, the Rakshasa camp.

When he arrived at the tent, Duan Yu immediately sent a few Rakshasa soldiers to the cave in the mountains and forests to retrieve the treasure chest.

After doing this, Duan Yu and Meng Ao chatted for a while in the big tent.

Meng Ao and Duan Yu are both ruthless and ruthless people, and many ideas coincide, and they are completely happy to talk.

"Haha."

At this time, Meng Ao showed a smile and said to Duan Yu: "Deputy commander, I just joined our Rakshasa clan, this prince has nothing to give, just so I have two peerless beauties here, I will give them away later. When you go to the deputy commander's tent, the deputy commander is welcome."

Yes, Meng Ao was talking about Su Qingyan and Xu Qingyi.

In Meng Ao's heart, beauty is certainly attractive, but compared to hegemony, it is not worth mentioning. As long as the Kyushu army is defeated, the women of Kyushu are not what they want, what are they?

two women?

Duan Yu frowned, but still nodded with a smile: "Thank you, Prince."

After a few minutes, Duan Yu returned to his tent and was stunned when he saw the scene inside.

are they?

In the tent, two slender figures, bound by five flowers, were indescribably sexy and charming, it was Su Qingyan and Xu Qingyi.

Chapter 2444

Swish!

At this moment, Duan Yu was stunned for a moment, very shocked, and at the same time, his eyes were fixed on Su Qingyan and Xu Qingyi, and his eyes were straight.

After watching for more than ten seconds, Duan Yu reacted with a smile.

Is it the two of them?

Haha… It's really fate. I didn't expect that after such a long absence, in the end, these two women ended up in their own hands.

"Qingyi, Senior Sister!" Duan Yu walked over slowly, sat on the leather felt, and said with a smile, "I really didn't expect the three of us to meet again. Did you miss me?" Huh

!

Hearing this, neither Su Qingyan nor Xu Qingyi said a word, but they were shocked and a little scared at the same time.

This… turned out to be Duan Yu?

Just now, the Rakshasa warrior said that Meng Ao gave him two to others, Su Qingyan thought it was a member of the Rakshasa clan, but she never expected that it was Duan Yu.

At this time, Duan Yu seemed to be different from before. He lost his hair and had a ring scar on his head. It was even scarier before.

How could this be?

When did Duan Yu become a monk and a guest of the Rakshasa clan? Even Meng Ao respectfully gave up three points and gave him two of his own?

After Moroye destroyed Duan Yu's lifeline, he let Xu Qingyi and Su Qingyan leave, so Su Qingyan never knew about forcing Duan Yu to apprentice.

"you…"

Finally, Su Qingyan reacted and stared at Duan Yu, nervous and angry at the same time: "You are the lackey of the Rakshasa clan?" Duan Yu

, insidious and cunning, can be so respected by the Rakshasa clan. Collusion with Meng Ao, can't be wrong.

Made!

Hearing this, Duan Yu's face sank, and he was very unhappy: "Lady? Senior sister, you are so wrong, I Duan Yu is everywhere in the world, when have I been someone else's running dog? I am with the Rakshasa clan. Let me cooperate and tell you that from now on, the Kyushu continent will be mine, and the Rakshasa clan are just pioneers who clear obstacles for me."

Despicable.

Su Qingyan snorted softly and turned her head away, not wanting to talk to Duan Yu.

This little guy is disgusting to look at.

Su Qingyan's attitude made Duan Yu very angry, he stood up all of a sudden, and sneered: "Su Qingyan, the special code for me is arrogant, don't forget, now you are in my hands, I respect you You, you can call you Senior Sister, if you don't know how to praise, you're just a slave."

"You…" Su Qingyan blushed and wanted to refute, but was speechless.

The smile on Duan Yu's face deepened, and he continued to playfully say: "Also, I heard that the two of you have been following the eldest son before and became their teacher, tsk tsk, you are really scheming."

"Duan Yu. Finally, Xu Qingyi ,

who had been silent all the time, couldn't bear it any longer, and said tenderly: "Don't go too far, Su Qingyan and I, as Meng Lang's teachers, want to teach him the etiquette and

civilization of the Kyushu continent. I hope he can Leading the Rakshasa from their savage nature is not as filthy as you think.”

Chapter 2445

Dirty?

This word made Duan Yu very unhappy, and sneered and retorted: “No need to explain, the entire Rakshasa clan knows that you want to be Meng Lang’s woman, but this kid died young.”

“He was killed by Meng Ao . Yes.” Su Qingyan interrupted immediately, and said very angrily: “Meng Ao killed his brother and seized the throne, the crime is extremely heinous, the world will not tolerate it, Duan Yu, if you still have any conscience, let us go, and then fight Luo together with the Kyushu Continent. Sha clan.” The

voice fell, Xu Qingyi nodded and said: “Yes, Duan Yu, I always believed that you are not bad in nature, it was just a variety of coincidences that made you like this, you…”

However, she didn’t say anything . After that, Duan Yu was interrupted coldly.

“Shut up.” Duan Yu’s eyes flashed gloomily: “I tell you, from today onwards, you are my slaves, you have to do whatever I ask you to do, otherwise, don’t blame me for being ruthless.”

When he said this, Duan Yu looked at Su Qingyan up and down, and there was a sinister smile on the corner of his mouth.

Duan Yu’s gaze made Su Qingyan feel uncomfortable and wanted to struggle, but her hands and feet were tied and she couldn’t move at all.

“Duan Yu, don’t forget, I’m your senior sister.” Su Qingyan couldn’t help saying.

This despicable villain, who has always coveted his own beauty, fell into his hands today, how could he keep his innocence?

Su Qingyan didn’t know yet, she thought too much, Duan Yu had no life, and it was impossible to defile her.

Snapped!

As soon as he finished speaking, Duan Yu strode over and slapped Su Qingyan on the face without warning.

Hearing Su Qingyan exclaimed in surprise, five finger prints appeared on her fair face. For a while, she was shocked and angry, staring at Duan Yu, speechless.

“Senior sister?” Duan Yu sneered and mocked: “Do you really think I’m your junior brother? I joined Wangyougu at the beginning, but it was just an expedient measure, and you, in my heart, are just a woman, and I will take less senior sister’s in the future. If the identity speaks, my master will be killed, how can I eat your way?”

What?

In an instant, Su Qingyan and Xu Qingyi trembled, and they were stunned.

This… Duan Yu was so cruel, he actually killed his master? Such a rebellious, and Meng Ao, who killed his brother and seized the throne, is really a raccoon dog.

“Duan Yu!”

At this time, Xu Qingyi reacted with urgency in his eyes: “Come on, okay, you forgot, when we got married, how high-spirited you were, thinking about serving the West Cang Continent To expand territory and achieve hegemony, Duan Yu at that time, in my heart, was indomitable.” After

speaking, Xu Qingyi’s eyes flashed with endless loss: “But now, you have changed and become more terrifying than the devil. , I know I’m sorry for you, I haven’t experienced the test, but I still hope that you can wake up in time.”

Duan Yu sneered and said nothing.

Xu Qingyi said more and more excited: “Duan Yu, as long as you are willing to repent, we will still be together, okay? I will not leave you in the future, I will follow you all my life. I will always follow you.”

Yes, Xu Qingyi this The words come from the heart.

Originally Xu Qingyi had guilt towards Duan Yu, but seeing that he was on the path of evil, sinking deeper and deeper, she wanted to help him rein in. Speaking of which, Xu Qingyi was a very traditional woman, and she broke up with Duan Yu before. There is absolutely no room for recovery.

But Duan Yu joined the Rakshasa clan, and Xu Qingyi knew that if Duan Yu was allowed to help the Rakshasa clan, the future wars in the Kyushu continent would become more and more difficult. After all, Duan Yu had the divine axe.

Under such circumstances, Xu Qingyi planned to use her tenderness to influence Duan Yu and help him turn back in time.

The ultimate husband in Chinese chapter 2446-2450

Chapter 2446

However, the Duan Yu at this time is no longer the Duan Yu two years ago.

If Xu Qingyi said these words two years ago, Duan Yu would definitely change his past. You must know that there were many women around Duan Yu, but the only one he loved was Xu Qingyi.

However, when he heard Xu Qingyi's words at this time, Duan Yu felt very harsh.

"You want to get back with me?"

Duan Yu stared at Xu Qingyi with a burning gaze, "Want to be my woman again?"

Phew! .

Xu Qingyi couldn't help fighting a cold war, her eyes were too scary, but she still nodded.

For the Kyushu Continent, in order to help Duan Yu get out of the evil way, he has no regrets or regrets.

Hahaha…

Duan Yu looked up to the sky and laughed, as if he heard a big joke, and then glared at Xu Qingyi: "You bitch, I tried so hard to find you, but you have a heart that follows you. I lost that Zhu Bajie."

"Later, we finally met again, I don't remember the past, I just hope you can come back to me, how about you? But you said that the fate of the two of us is over, how heartless you said at the time. Now I want to go back Come to me? What do you think I am?"

Duan Yu's face was grim when he said this, and at the same time there was a voice in his heart that kept howling.

I, Duan Yu, are no longer a complete man. What is the use of a woman?

When I could give you happiness, you refused, and now I have nothing but strength, and you want to come back to me again, hehe, what a great irony.

"Duan Yu, don't do this." Xu Qingyi was frightened by his appearance, bit her lip tightly, and whispered: "I'm telling the truth, in fact, I still love you."

This chapter is provided by . Visit for daily update.

"Qingyi!" At this time, Su Qingyan on the side was anxious, and couldn't help but shouted, "What's wrong with you? This despicable

person, do you want to go back to him?”

Xu Qingyi was about to return to Duan Yu’s side, Su Qingyan was not only anxious, but also very puzzled.

Xu Qingyi ignored Su Qingyan.

The next second, Xu Qingyi looked at Duan Yu closely, and continued: “Let’s make peace, then you let Su Qingyan go, and I’ll stay here with you, okay?”

When saying this, Xu Qingyi said There was urgency in his eyes.

Yes, she wanted Duan Yu to change her course, and she wanted Su Qingyan to leave this dangerous place.

“Okay, of course.” Duan Yu showed a smile, walked over slowly, raised his hand to hook Xu Qingyi’s chin, and grinned: “Since you love me so much, then leave your life to me.”

When the words fell, Duan Yu slapped Xu Qingyi’s heart without warning.

Bang!

A dull sound came out, Xu Qingyi was shocked, blood spurted out, her face was extremely pale, she looked at Duan Yu in shock and fear, and said weakly: “Duan Yu, you…you just…hate. Me?” As the

last word fell, Xu Qingyi tilted her head, and she was breathless. The generation of talented women in Xicang Continent has eliminated jade damage in this way.

Hate,

watching Xu Qingyi stop breathing, Duan Yu’s face flashed a trace of confusion, but soon, his eyes returned to gloomy and cold.

I never hated you, I just kept hating myself.

“Qingyi.”

Chapter 2447

Seeing this scene, Su Qingyan was completely dumbfounded. After more than ten seconds, she cried out, and in the blink of an eye, she was already crying.

In the past two years, sisters Su Qingyan and Xu Qingyi have been deeply in love, helping each other. I don’t know how many hardships they have gone through.

Especially during this period of the Rakshasa clan, they were dependent on each other for life and death. At this time, seeing Duan Yu showed no mercy After killing Xu Qingyi, Su Qingyan was full of grief and anger, and only felt that her heart was about to be broken.

“Duan Yu, you bastard, bastard, scum…”

Su Qingyan cried while yelling at Duan Yu: “You are a beast in human skin, Qing Yi loves you so much, she wants to be with you. You reunited, but you killed him, are you still human?”

Su Qingyan at this moment was so angry that she wanted to slash Duan Yu with a thousand knives. Hundreds of times.

Snapped!

Duan Yu’s eyes were fierce, he raised his hand and slapped Su Qingyan on the face, and said coldly, “Shut up, you scolded me, I will call some Rakshasa soldiers to serve you well.”

Hearing this , Su Qingyan’s tender body trembled, and immediately stopped cursing, but staring at Duan Yu’s eyes still flashed with endless hatred.

Duan Yu was too lazy to talk nonsense, turned around and walked out.

After a while, the Rakshasa warriors sent should have retrieved the treasure chest of the sea sharks.

A few minutes later! in the big account.

Duan Yu stood there, his face full of anger, and his whole body was filled with killing intent.

The few Rakshasa warriors in front of them were dissatisfied, and at the same time, there were some inexplicable fears.

“What did you say?” Duan Yu grabbed the collar of a warrior captain and said coldly, “The stone box in the cave is no longer there?”

Huh!

The warrior captain nodded: “Yes, when we arrived, there was nothing in it. Then, the Kyushu army sent soldiers to block the entire cave…”

Mad!

Before he could finish speaking, Duan Yu pushed him away and slapped the table fiercely. Looking at the situation, the treasure chest of the sea sharks fell into Yue Feng's hands.

Really unwilling, I thought I could get the peerless treasure left by Xuanyuan Huangdi, but I didn't expect that my stone box and Yue Feng's dragon ball would be exchanged for each other.

But this is also good, Yue Feng lost the dragon ball, and he couldn't open the stone box, so he couldn't get the treasure, and he couldn't defeat the Rakshasa army.

Haha….

At this moment, a loud laugh came, and then Meng Ao walked in, saw Duan Yu, and immediately laughed: "Deputy commander, why did you come out so quickly, the two gifts this prince gave you A Kyushu beauty, how do you feel?"

Shuh!

Duan Yu is not a complete man. Hearing Meng Ao mentioning this, he felt very awkward, but he still squeezed a smile on his face: "Thank you for your concern, it's not bad."

Meng Ao nodded, then thought of something, and said seriously: "Deputy commander, how do you think we can defeat the Kyushu army? Speaking of which, the beast army of our Rakshasa clan is already on its way, but this prince still has no chance of winning."

Duan Yu pondered for a moment and said slowly. : "Although the Rakshasa clan is powerful, the continent of Kyushu is vast, and there are many strong people. The outcome of the battle is unpredictable. The prince really wants to win this war with the least casualties. One person is the key."

"Who ?" Meng Ao's face became serious, and he quickly asked.

Duan Yu took a deep breath and said word by word: "The military advisor of the Northern Ying army, Zhang Jiao. This man is very ambitious, and he was originally at odds with Yue Feng, but a few days ago, with the help of Chang'e, Yue Feng subdued Zhang Jiao, But I know that Zhang Jiao never surrendered to Yue Feng."

Having said this, Duan Yu looked at Meng Ao seriously: "Zhang Jiao has been waiting for Yang Jian to appear and regain command of the Beiying army, but Yang Jian is the only one. Zhang Jiao is already dead, and Zhang Jiao doesn't know it yet. My solution is to find a way to inform Zhang Jiao of Yang Jian's death, and then the prince will send an invitation, and Zhang Jiao will definitely come to help

. Don’t try to defeat the Rakshasa army.”

Chapter 2448

“Haha, good!”

Hearing this, Meng Ao was full of joy, nodded and said, “Just listen to the deputy commander.”

After speaking, Meng Ao turned his head to the soldiers beside him and instructed: “Send someone immediately, see Look at the letter to Zhang Jiao.”

“Yes, Prince.”

…

At this moment, the Kyushu camp is here.

As night gradually fell, the camp was silent, and many patrols were seen, patrolling back and forth, including many sentries, which can be said to be heavily guarded.

In a tent in the northwest corner, Han Bing stood there, with a beautiful face full of complexity and embarrassment.

In front of her, Zhang Jiao’s face was full of sorrow, and there was no pride in galloping the world.

“Master, what’s the matter with you suddenly looking for me?” Han Bing bit her lip and said.

From the return to the ruins sea area to the Chaos Mountains, Han Bing and Yue Wuya and their group have gone through a lot of hardships and hard work. Yue Feng felt sorry for his daughter, so he quickly prepared a tent and let her rest. .

To be honest, facing Zhang Jiao, Han Bing has a very complicated mood. Once, he respected this master very much. Without him, his strength would not have improved by leaps and bounds.

However, since Zhang Jiao followed Yang Jian to conquer various continents, and later disregarded his own objections, he insisted on attacking the Diyuan Continent and became the enemy of his father Yue Feng. At that time, Han Bing was disheartened.

But now, although all the continents are united to resist the Rakshasa, Han Bing also knows that he and Zhang Jiao have nothing to talk about, but he never expected that Zhang Jiao would take the initiative to come over.

“Bing’er, you have to help me as a teacher.” Zhang Jiao was full of bitterness and pleaded at Han Bing: “I followed Yang Jian to conquer various continents before, but now in retrospect, Master regrets it very much, and has sworn in my heart to unite Kyushu. , against the Rakshasa.”

“But neither Chang’e nor your father, Yue Feng, believed me, especially your father Yue Feng, who forced me to eat Tongtian Pill.”

“Bing’er, my good disciple, I think Let you take the antidote from Yue Feng’s hand and help me get the Tongtian Pill.”

When he said this, Zhang Jiao’s face was full of misery, how pitiful and pitiful he looked, but his eyes flashed gloomy and cold.

This…

Hearing this, Han Bing bit her lip and got into a tangle.

It was entirely his own fault that Master could end up like this. Moreover, this matter was also related to his father, so it would be better to not intervene.

Thinking to himself, Han Bing shook his head and said, “Master, I’m afraid I can’t help you with this.”

Hearing this, Zhang Jiao suddenly became anxious: “Good disciple, you don’t know, after taking Tongtian Pill, every time I arrive At night, my bones will be itchy and unbearable, if I am in this state, how can I fight against the Rakshasa with all my heart?”

Yes, Zhang Jiao lied, taking Tongtian Pill, under normal circumstances, I don’t feel at all. , unless it is almost time to take the antidote, it will be unbearable.

Zhang Jiao thought about it, and when he solved Tongtian Pill, he left the camp and went to find Yang Jian. As long as he found Yang Jian, he could regain control of the Beiying army.

Han Bing was still very resistant, shook his head and said, “Master, my father was severely injured by Duan Yu, and he is currently recuperating. How can I get the antidote for you?”

“That’s why you have to help me.”

Zhang Jiao looked serious: “Yue Feng’s current state, continue to recuperate, but if the Rakshasa clan calls, who else can command the army except me? But I was tortured by Tongtian Dan, and once I made a wrong decision, Who will take the responsibility?”

“Okay, I’ll try.” Han Bing didn’t know how to refute, so he nodded.

Haha….

Seeing her promise, Zhang Jiao was indescribably excited, nodded and said, “Good disciple.”

Chapter 2449

…. On the

other side, in the Rakshasa camp, Duan Yu’s tent.

Su Qingyan was tied there, her face was haggard, Duan Yu was no more, and Xu Qingyi’s body was taken out. There was silence all around, but Su Qingyan’s heart was like a gust of wind and waves, and it was difficult to calm down.

My good sister Xu Qingyi dies, what will happen to her?

Duan Yu is ruthless and will never let himself go easily.

Thinking about it, Su Qingyan’s heart was ashes.

“Huh–“

But at this moment, I heard footsteps coming from outside. The footsteps are very soft! A few seconds later, with a slight noise, the tent curtain was lifted, and then, a sexy figure flashed in quickly.

who?

Did Duan Yu come back and torture himself again?

Su Qingyan’s heart trembled, she thought it was Duan Yu, but when she looked closely, she was immediately surprised: “Princess Mona?” She

saw the woman in front of her, with beautiful features and a sexy body. It feels like it’s Mona!

At this moment, the moment she saw Mona, Su Qingyan was very surprised. She never thought that Mona would dare to take advantage of the night to quietly come to Duan Yu’s camp.

“Princess Mona, why are you… here?” Su Qingyan couldn’t help asking.

Su Qingyan and Mona have met several times, and they are not very familiar with them, but they also know that Mona is kind-hearted, and is the Rakshasa person who makes Su Qingyan and Xu Qingyi the most favorable apart from Meng Ao.

“Don’t ask so many questions..” Mona glanced outside vigilantly, then walked over quickly to help Su Qingyan untie, and said angrily: “Second brother is too much, you and Xu Qingyi The girls are both teachers of the eldest brother, but he gave you to that Duan Yu.”

“That Duan Yu, at first glance, is a sinister and ruthless person who actually killed Miss Xu Qingyi.”

After saying this, Mona went up and down . Looking at Su Qingyan: “Miss Su, how do you feel? Can you go?”

Mona was very angry when she learned that the two of Su Qingyan were given to Duan Yu by Meng Ao, and came to rescue when it was dark Su Qingyan.

“Fortunately…you can go…Princess Mona, thank you…” Su Qingyan squeezed out a smile on her pale face. But when she said this, Su Qingyan felt sour in her heart, and tears almost fell.

He may have a chance of life, but Xu Qingyi can no longer survive.

Mona took a deep breath, looked at Su Qingyan and said: “Miss Su, I will take you out of the camp later, you can walk around the chaotic ruins behind, and then go to the Kyushu camp to find your compatriots, remember, Qian Don’t go straight to the Kyushu Camp, because my second brother has deployed a lot of warriors to patrol. You are the only way out.” After

saying that, Mona took out a bottle of elixir from her body and handed it to Su Qingyan In hand: “You also take this medicine. There are many dangers in the ruins of the Primal Chaos Mountains. This is the medicine used by our Raksha people to expel the beasts and poisonous insects. It may be able to help you.”

“Princess Mona…” Su Qingyan was dumbfounded. Staring blankly at Mona: “You… you want to let me go?”

Phew!

Mona took a deep breath and said seriously: “Yes, in fact, like my eldest brother, I don’t want the Rakshasa tribe and the Kyushu continent to be enemies for generations. Moreover, I have a verbal covenant with Yue Feng, but it’s a pity that the second brother insists on going his own way.”

“Thank you!”

Hearing this, Su Qingyan was both moved and complicated. It turned out that in addition to Meng Lang, the Princess Mona also advocated peace.

“Okay, time is running out… let’s leave quickly and promise.” Mona didn’t say much, and walked out of the tent with Su Qingyan.

Taking advantage of the night, with the help of Mona, Su Qingyan quickly left the Rakshasa camp.

At that moment, Su Qingyan looked at Mona gratefully: “Princess Mona, thank you for saving your life. If I can escape this danger this time, I will definitely repay your kindness.”

Chapter 2450

Hmm!

Mona nodded and waved her hand: “Go quickly, it will be too late.”

However, Su Qingyan did not rush to leave, but thought of something, looked at Mona and hesitated: “Princess Mona, the death of your eldest brother , you don’t know?”

Su Qingyan is beautiful and smart, knowing that Mona and Meng Lang have a good relationship, while Meng Ao has a normal relationship. Seeing that she has never questioned Meng Ao, she knows that she has been kept in the dark.

big brother?

Mona was stunned for a moment and responded, “He…wasn’t he badly injured by Su Qingyan and bled to death?”

When she said this, Su Qingyan’s figure appeared in Mona’s mind, and she couldn’t tell. It is him who is complicated and resentful. Otherwise, the elder brother will not die, and the Rakshasa will not become what it is now.

call!

Su Qingyan breathed a sigh of relief and said slowly, “Your elder brother, you were killed by Meng Ao.”

What?

Hearing this, Mona's body trembled, and the whole person was stunned. After a few seconds, she shook her head desperately: "No…Impossible, the second brother has always respected the big brother, how can he…" Do

n't wait for her After speaking, Su Qingyan interrupted.

"Meng Ao wanted to seize power, and he always believed that your eldest brother was under the influence of me and Xu Qingyi, and only advocated making peace with the Kyushu mainland, and then assassinated your eldest brother. These are all things that Meng Ao told me and Xu himself. Qingyi." Su Qingyan said seriously.

Speaking of this, Su Qingyan's beautiful face was full of sincerity and worry: "Princess Mona, you are a good person, be careful, especially your second brother."

After the last sentence, Su Qingyan turned around and faced the ruins And go.

call!

At this moment, Mona froze there, unable to recover for a long time. The second brother killed the elder brother. The news was too shocking and unbelievable.

I don't know how long it took, Mona reacted, her delicate face was full of anger, and then she turned and returned to the camp.

At this time, Mona was almost furious, and asked Meng Ao to question her face to face.

Right now, on the other side.

Su Qingyan did not stop all the way, and soon arrived at the ruins of the Chaos Mountains, and saw the ruins in front of her, surrounded by mist, the environment was harsh, and the area was too large. It would take half an hour to leave here.

Thinking to herself, Su Qingyan was about to speed up her pace.

As a result, at this moment, Su Qingyan suddenly stopped!

She could feel a trace of powerful internal force fluctuations permeating the air! He subconsciously looked forward, and when he saw it, Su Qingyan's body trembled, and she couldn't help taking a breath of cold air!

I saw not far away, a person standing quietly, blocking the way.

In the fog, the bald head is bright and can be seen, wearing the leather robe of the Rakshasa tribe, standing there as steady as Mount Tai! With a sinister sneer on his face, it was Duan Yu!

Just now, Duan Yu returned to the camp, saw that Su Qingyan was gone, and immediately chased after him, just in time to see Mona leaving the camp with Su Qingyan.

When the time period Yu remained silent, when Mona left, Su Qingyan entered the ruins alone, and she chased after him.

“Zhuzhu, I really underestimated you, Senior Sister, in this case, you can still escape from the Rakshasa camp.” Duan Yu said with a smile, his eyes locked tightly on Su Qingyan, full of teasing.

It’s over..

it’s over! This time, there is no escape.

Su Qingyan’s body was trembling, and she only felt her head buzzing. She gritted her teeth and stepped forward and scolded: “Duan Yu, you took refuge in the Rakshasa clan, betrayed Kyushu, and even killed Xu Qingyi. Even if I can’t leave today, your shameless actions will be known, and it will not end well.”

Duan Yu is too hateful, Xu Qingyi is so kind, but he kills him, this kind of person should not die. .

Haha…

Duan Yu looked up to the sky and laughed: “What am I going to do, it’s not your turn to worry about it, but I know that you will never be able to escape from my palm.” The

voice fell, and he rushed over directly! Raise your hand and hit Su Qingyan!

too fast!

The ultimate husband in Chinese chapter 2451-2460

Chapter 2451

Duan Yu at this time, after practicing Yang Jian's "Sacred Universe Art", his strength is much stronger than before, and his speed is as fast as lightning, it is really too fast! At this speed, you can't dodge at all!

Although Su Qingyan was also close to the Tribulation Realm, compared to Duan Yu, he was no match at all.

Seeing Duan Yu burst out, Su Qingyan knew that dodging would be boring, so she just bit her lip, motivated her inner strength, and greeted her with a palm.

Bang!

When the two palms touched each other, Su Qingyan let out a coquettish cry, and the whole person was directly shaken back a few steps, her beautiful face was pale, and at the same time, a mouthful of blood flowed out from the corner of her mouth.

"ZuiZhi, Senior Sister, you still want to resist."

Duan Yu stood there, looking at Su Qingyan up and down, his eyes were full of abuse: "Give it up, you are not my opponent, I just used the slap just now. You have achieved four successes, otherwise, you are already dead!"

Yes, Duan Yu was right, he didn't use all his strength in the palm of his hand, otherwise, Su Qingyan would have vanished.

Speaking of which, Duan Yu really wanted to kill Su Qingyan, but thinking that Su Qingyan was Yue Feng's woman, it would be useful to keep it, so he resisted the killing intent.

hum!

Su Qingyan didn't respond, but bit her lip tightly, tapped the ground with her toes, drew out her long sword, and stabbed at Duan Yu fiercely.

Anyway, if he can't go, it is better to die than to be caught and humiliated.

Um?

Seeing that Su Qingyan was rather unyielding, Duan Yu frowned, then sneered, and went up to meet him. In an instant, the two fought fiercely in mid-air.

However, Su Qingyan was not Duan Yu's opponent, and the more she fought, the more anxious she became.

At this moment, the surrounding fog slowly dissipated.

Not far away, there was an abyss. Below the abyss was scorching magma. Su Qingyan's figure turned in mid-air and headed directly towards the abyss. When she reached the edge, Su Qingyan did not hesitate and jumped for the rest of her life.

If you can't fight, you can't fight, and you can't die. Now jump down into the abyss and see what Duan Yu will do.

What?

Seeing this scene, Duan Yu's brows were furrowed, and endless evil spirits flashed in his eyes. Mad, this Su Qingyan has a very stubborn personality.

You want to die, I lied not to let you die.

Thinking of this, Duan Yu took a deep breath and jumped down.

Whoosh!

With the wind whistling in his ears, Su Qingyan's beautiful face was full of determination. As she landed, she sensed the temperature of the magma below, which was getting hotter and hotter.

It was at this moment that Su Qingyan suddenly trembled.

This scene in front of me.

I seem to have experienced it before…

At this moment, Su Qingyan's memories of Fengchen still swarmed out like an iceberg melting!

Ten years ago, for the man I loved, I jumped off the bottom of the volcano. At that time, that place was called the Tianji Mountains, where the Kaitian Axe was born.

And the man he loved was Yue Feng.

He was originally the Sect Master Wenzong of Dongao Continent, and he didn't grow up in Wangyou Valley at all…

Scenes and scenes of the past flashed in Su Qingyan's mind like a slideshow.

I remembered.

She remembered it all.

Yue Feng…I remembered, I am your woman…

At this moment, Su Qingyan's tears kept flowing, looking at the magma that was getting closer and closer, she couldn't tell the complexity and despair in her heart, she remembered everything, but she was going to die.

Chapter 2452

At this moment, a hand suddenly grabbed Su Qingyan's wrist.

call!

Su Qingyan looked back, and saw Meng Ao staring at him with a smirk, his eyes full of madness.

"Want to die? How could it be so easy." Meng Ao sneered, wielding the Heaven-opening Axe, slashing on the stone wall, and the relay soared up.

"Let go of me, let me go." Su Qingyan was shocked and angry, struggling at the same time. She never thought that Meng Ao would jump down after him.

Although Su Qingyan regained her memory and did not want to die, she also knew that in Meng Ao's hands, it would be better to die.

It's just that her wrist is tightly held by Meng Ao, and her meridians are restrained, and she can't break free at all.

In just a few short breaths, Meng Ao grabbed Su Qingyan and rushed to the edge of the abyss. Because he brought a person, Meng Ao consumed a lot, but he always had a smile on his face.

"I said, don't try to escape from my palm." Meng Ao said with a sneer, then clicked on Su Qingyan's acupuncture point, Su Qingyan's tender body trembled, and she couldn't move.

In the next second, Meng Ao picked up Su Qingyan by the waist and walked towards the Rakshasa camp.

Yue Feng…

At this moment, Su Qingyan closed her eyes in despair, tears streaming down her heart, and her heart was ashes.

At this moment, the Rakshasa camp is here.

In the big tent, Meng Ao is gathering soldiers and discussing the battle plan. The beast army will arrive here in two days, and it needs to be deployed in advance.

“Mengao!”

At this moment, there was a coquettish shout, and then Mona rushed in, her delicate face was full of grief and anger.

All the generals present hurriedly saluted and took a step back at the same time.

“Mona, what are you doing here? And you don’t report it, it’s too unruly.” Meng Ao frowned and said displeasedly. Although he also loves this little girl, he is now the president and pays great attention to majesty.

Moreover, the little sister didn’t even call the second brother, it was really neither big nor small.

“Meng Ao, let me ask you, how did the eldest brother die?” Get out of here! “Mona clenched her teeth, her eyes were red, and she was about to cry.

Phew!

Seeing this scene, the surrounding generals took a deep breath, and all of them were nervous.

What happened to the princess? He even questioned the president in public?

“What did you say? Meng Ao frowned, and he was really panicked. She knew about the murder of his elder brother?

Seeing that she didn’t admit it, Mona was so angry that she shouted: “You don’t have to pretend, I already know it.” Big brother didn’t bleed to death at all, you killed him, right? “

“Why are you doing this?” He’s a big brother, why are you so cruel? That Su Qingyan has already told me, don’t think about quibbling. “

“What are you talking about? I killed big brother? Don’t spit your blood, just shut up! Meng Ao suddenly became anxious and shouted.

Mona looked stubborn: “I can’t stop talking, tell me quickly, did you kill the big brother?” “

Meng Ao's eyes flashed with cold light, and he finally couldn't help it, and slapped it with his backhand!

"Crack!" With

this slap, Meng Ao tried his best to hear Mona yelling out, and a bright red handprint appeared on her face.

"You…you hit me…" Mona was angry and wronged again. Yelling at Meng Ao.

"Hit you? For today's matter, I can kill you. You said that Su Qingyan told you that she was just a woman from Kyushu. She deceived her eldest brother at first, and now she is here to confuse you." Meng Ao's eyes were blood red, growl.

"You would rather believe the words of a Kyushu woman than me? Let me tell you, if it wasn't for the sake of your being my little sister, I would have killed you today."

Feeling Meng Ao's anger, Mona covered her head. face and stay there.

Such a terrible look.

Is this the second brother you know? Are you going to kill yourself now?

The many generals around were also silent, and they did not dare to let out the air.

Chapter 2453

Wow!

At this moment, the curtain of the big tent was lifted, and Duan Yu strode in.

Seeing the scene in front of him, Duan Yu was stunned, and then smiled at Meng Ao: "Why is the prince so angry? What happened?"

Mad!

Meng Ao cursed secretly, pointed at Mona and said angrily, "My little sister was also bewildered by the Kyushu woman, saying that I killed my elder brother." After speaking

, Meng Ao thought of something and said coldly: " By the way, what about those two women?"

Duan Yu's eyes flickered and he smiled, "One was killed by me, the other…"

Immediately after, Duan Yu glanced at Mona and continued: “The other is called Su. The light smoke was released by Princess Mona, but luckily I found it in time and caught it back.”

What?

Hearing this, Mona’s body trembled and she was furious.

Miss Su was caught by him again?

“Mad!”

At this moment, Meng Ao scolded and slapped Mona again, and said coldly, “I’m going to kill you today.” The words

fell, and the surrounding generals were all startled. Pleading.

“Prince, Nianzai is ignorant, please forgive her.”

“Yeah, please think twice.”

The pleas from the crowd kept coming, Meng Ao’s face was cold, without the slightest fluctuation.

A few seconds later, Meng Ao took a deep breath and waved his hand: “Forget it, you can spare your life, but the guilt is hard to escape.”

Said, Meng Ao said to Duan Yu: “Little sister is willful and reckless, how to punish, it will be handed over to the deputy commander.” When he said this, Meng Ao didn’t even look at Mona.

To be honest, Meng Ao already had the intention to kill when Mona found out the truth, but then again, after all, she is her own sister. If she wants to kill her, she will be brought down.

“Thank you for your trust.” Duan Yu nodded, then grabbed Mona: “Princess, I have offended you.” After

saying that, she took Mona out of the tent.

“You… let me go, let me go.” Mona kept shouting and struggling at the same time, but the acupoint was blocked by Duan Yu, and she was completely helpless.

Duan Yu was too lazy to pay attention to it, and did not think for a while how to punish Mona. After all, Mona made a mistake and is also the princess of the Rakshasa clan.

When he was about to reach the tent, Duan Yu was so annoyed that Mona was still yelling, and he stunned with a slap, and then brought him into the tent.

call!

Seeing this scene, Su Qingyan, who was tied up in the tent, suddenly trembled, and she was angry and desperate.

Princess Mona, why was she also caught?

Seeing Su Qingyan's expression, Duan Yu smiled slightly, and his eyes showed a bit of drama: "Do you really want to know why she fell into my hands?"

"It's all because of you, she let you go in private. When Meng Ao knew about the news, he handed her over to me."

"It can be said that her current situation is all thanks to you." As

he spoke, he looked at Su Qingyan up and down, his face full of expression proud.

"Despicable." Su Qingyan said coldly: "Duan Yu, don't be too complacent, even if you receive the blessing of the Rakshasa clan, it will not end well, Yue Feng will not let you go."

Huh?

Hearing this, Duan Yu was stunned. Seeing the change in Su Qingyan's expression, he suddenly realized something: "You…restored your memory?" You

know, Su Qingyan rarely mentioned Yue actively before. Wind, and now, when talking about Yue Feng, there is tenderness in his eyes.

Obviously, this is to restore memory.

Chapter 2454

Swish!

Hearing this, a trace of complexity flashed across Su Qingyan's delicate face.

In the next second, Su Qingyan said coldly, "Duan Yu, I just hate that I was blind before and I listened to your lies."

Haha…

Duan Yu laughed and said mockingly, “You are still so stubborn when you are caught.” , you should worry about yourself.”

After speaking, Duan Yu tilted his head and glanced at the unconscious Mona: “But I have to say, Yue Feng’s kid is quite good, and he even persuaded this Rakshasa Princess, and she, I actually risked letting you go, and I went to Meng Ao to make trouble just now, I really don’t know how to write it.”

Hearing this, Su Qingyan was a little flustered and asked subconsciously, “What are you going to do with her?

” What do you think?” Duan Yu’s smile gradually deepened, and he said lightly: “Meng Ao handed her over to me, I can do whatever I want. But this Princess Rakshasa has a bad impression on me, and it will definitely hurt me in the future. Son, it’s better to kill her.”

“Don’t…”

Su Qingyan suddenly became anxious and said, “You don’t want to kill her.”

Mona ended up in this situation, and she was inseparable from herself, if she really died Now, Su Qingyan will feel guilty for a lifetime.

“Haha, do you think your words as a prisoner will be of any use to me?” Duan Yu sneered and said, rolling his eyes, and said with a wicked smile, “I don’t want to kill her, but you have to promise me one condition. “

What conditions?” Su Qingyan asked without hesitation.

When I fell into Duan Yu’s hands, I had lost all hope. As long as I could hug Mona, I would be able to help a little bit.

Ha ha…

Duan Yu smiled proudly, then, looking at her delicate cheeks, he said word by word: “My condition is, you marry me, tomorrow we will hold a wedding in the Rakshasa camp, you must be in front of everyone, Admit it to be my woman.”

After saying this, Duan Yu’s smile was a bit sinister.

She lost her life, and she couldn’t do anything if she married Su Qingyan, but in this way, Su Qingyan’s reputation was ruined, didn’t she regain her memory? She was about to completely destroy all her hopes.

More importantly, if Yue Feng knew about it, he would definitely be furious and be in chaos. When the Rakshasa army attacked, the Kyushu Continent would definitely not be able to stop him.

What?

Hearing this, Su Qingyan's tender body trembled, her whole body was stunned, and she couldn't be more angry.

Tomorrow, are you going to hold a wedding with him at the Rakshasa camp? This Duan Yu is indeed sinister and despicable.

For a time, Su Qingyan was full of resistance, and she managed to recover her memory. She was all about Yue Feng, how could she marry Duan Yu?

Moreover, Duan Yu is notoriously ruthless, and now he has betrayed the Kyushu Continent and colluded with the Rakshasa clan. Such a person will be remembered for thousands of years. How could he be his woman?

No, absolutely not! Not willing to die.

"Tsk tsk, I knew you didn't want to." Duan Yu watched her expression change and sneered: "In this case, what I do with Princess Mona has nothing to do with you."

After saying that, Duan Yu walked over and said with a sneer. To drag Mona out.

"Don't!" Su Qingyan became anxious and couldn't help shouting.

Duan Yu stopped, turned his head to look at her, and teased: "What? You won?"

Su Qingyan didn't answer, bit her lip tightly, her mind was in chaos, and her heart was struggling.

call!

Finally, a few seconds later, Su Qingyan nodded and said, "Okay, I promise you." When she said this, Su Qingyan bit her lip, almost bleeding!

The eyes are also red. She really can't help it. If you watch Mona be executed and you are indifferent, you will be ashamed for the rest of your life.

As for Yue Feng, he can only have no relationship with him.

Haha…

Seeing her promise, Duan Yu showed a smile and nodded: “Okay, then I will spare her life.”

Then, Duan Yu walked out of the tent and told Meng Ao about his marriage.

Chapter 2455

Knowing that Duan Yu did this to stimulate Yue Feng and benefit the Rakshasa clan, Meng Ao was very happy and strongly supported it.

Soon, under the arrangement of Meng Ao, in the camp, the lanterns and lanterns began to prepare for Duan Yu’s wedding.

……

In the middle of the night, the Rakshasa camp was silent.

Although it was late at night, the Rakshasa camp was already heavily guarded, and I saw many patrols patrolling everywhere.

Whoosh! Whoosh!

Suddenly, in the darkness of night, two figures came from not far away and quickly arrived at the back door of the camp.

One man and one woman, the man is handsome and stylish, and the woman is sexy and charming.

It was Yue Feng and Long Qianyu.

Under the moonlight, they were both wearing black night clothes, but they still couldn’t hide Long Qianyu’s graceful curves. Her tight figure was looming, extremely beautiful!

Yes, Yue Feng and Long Qianyu came to visit the Rakshasa camp at night.

In the previous battles, Yue Feng and even, the biggest threat of the Rakshasa clan to the Kyushu Continent were those giants, the ten giants, half of them had been killed in the previous battle, and now there are five remaining.

Speaking of which, with Yue Feng’s strength, he is not afraid of these giants at all. With a single blow, he can kill one of them. It’s just too much internal energy, but for the Kyushu army, these giants are life harvesters.

Therefore, Yue Feng refined five huge obedient pills, and decided to sneak into the Rakshasa camp quietly at night, and give them to these giants, so that they can be used for himself.

Obedience Pill is a special kind of pill in “Wu Ji Pill”. After taking it, it can obey various commands of the manipulator, but Yue Feng has never used it, and in order to control these giants, Yue Feng added it. Improvement, using ten times the material, refining five large obedient pills.

These obedient pills, each the size of a basketball, were collected by Yue Feng in the spirit beast sack.

Long Qianyu was worried that Yue Feng was in danger alone, so he followed.

“Let’s go!”

At this time, Yue Feng observed the situation around him, and slipped in. Long Qianyu bit his lip, a little nervous, and followed closely.

Yue Feng had visited the Rakshasa camp the night before, and he was familiar with it. After a while, he approached the area where Ju Kui was.

Snoring, snoring… Before

I got close, I heard the loud snoring of Ju Kui.

Yue Feng was very excited, haha, he found Ju Kui and gave them the Obedience Pill, so he would not be afraid of the next battle and cause harm to the soldiers of Kyushu.

Thinking to himself, Yue Feng was about to take out the Obedient Pill from the spirit beast sack.

Hmm…

But at this moment, I heard the low voice of a Rakshasa woman in the direction not far away.

Yue Feng walked over subconsciously, glanced at it, and was stunned.

I saw a pair of Rakshasa men and women rolling together on a haystack not far away.

What the hell!

Yue Feng scratched his head.

Long Qianyu, who was behind him, followed him and took a curious look, his body trembled, and his beautiful face turned red all of a sudden.

“These Rakshasa people are really savage and ignorant!” Long Qianyu couldn’t help but whisper, blushing, indescribably charming.

At the same time, he couldn't help kicking Yue Feng: "You still see…"

Haha…

Seeing her reaction, Yue Feng was immediately amused, and couldn't help joking: "The Rakshasa people don't care. , I'll take a look at what I'm afraid of, and besides, didn't you look at it too?"

"You said…"

The ultimate husband in Chinese chapter 2456-2460

Chapter 2456

"Who's there?"

Yue Feng and Long Qianyu were talking when they heard an angry shout, and then they saw a pair of Rakshasa patrolmen walking slowly.

Because of the dim light, these patrolmen could only see the silhouettes of Yue Feng and the two of them, but could not see their faces clearly.

Oops!

Yue Feng's face changed, and he only focused on the exciting things, forgetting that he was in the Rakshasa camp.

Long Qianyu next to him also trembled, and became a little nervous.

To be honest, as the eldest princess of the Southern Cloud Continent, Long Qianyu's status is completely below one person and above ten thousand people. No matter what he faces, he has never been afraid.

But the situation at this time is different. This is the Rakshasa camp. Once the identity is exposed, it may not be able to get out.

Holy crap, I can't handle that much.

Seeing those patrolling soldiers getting closer and closer, Yue Feng's thoughts flashed, he hugged Long Qianyu in his arms, leaned up, and kissed Long Qianyu's red lips directly.

Swish!

At this moment, Long Qianyu's delicate body trembled, and the whole person was stunned.

This bastard, Yue Feng, took the opportunity to take advantage of himself. Although the two had a marriage contract, they couldn't be so casual.

Under the shyness, Long Qianyu wanted to break free, but was hugged tightly by Yue Feng and could not move at all.

hum!

At the same time, feeling the softness, Yue Feng only felt that his brain was blank, and his whole body felt like an electric shock. That feeling was indescribably wonderful.

Feeling Long Qianyu's struggle, Yue Feng reacted and quickly wrote on her back with his fingers: pretend to deceive these patrolmen.

Feeling Yue Feng's meaning, Long Qianyu suddenly became quiet, but Juemei's face turned even redder.

"Haha…"

At this time, the patrolling team finally arrived ten meters in front of them. Seeing the two of them kissing me and me, they thought it was a pair of Rakshasa men and women enjoying love. The captain led by them laughed playfully. , and took people away.

Yes, the Rakshasa people are unrestrained and unrestrained, even in matters of men and women, they are very open, not as hidden and tucked away as in the Kyushu Continent. Therefore, it is no surprise that Rakshasa men and women act in the wild.

call!

Listening to the sound of footsteps leaving, Yue Feng let go of Long Qianyu and at the same time heaved a sigh of relief, Nima, it was really dangerous just now.

Long Qianyu's beautiful face, red and indescribably charming, immediately stretched out his hand and pinched Yue Feng's waist.

hiss!

When the pain came, Yue Feng almost jumped up and couldn't help gasping for air: "What are you… why?"

Long Qianyu's face was full of anger: "Next time, I will stab you with a sword.

” The eldest princess of the Cloud Continent, Bingqing Yujie, even if she has a marriage contract with him, but she has not yet held the wedding, she was actually caught by him, by him…

Seeing her expression, Yue Feng understood something and said with a smile: “You are murdering Husband, it’s nothing to kiss…”

“You…” Long Qian stomped his feet in a tone, and even stretched out his hand to pinch.

Yue Feng smiled and dodged: “Okay, let’s stop making trouble, let’s hurry up.” When the voice fell, he touched Ju Kui not far away.

Long Qianyu glared at him and followed closely.

Soon, in front of the five giant giants, Yue Feng couldn’t help taking a deep breath.

This Nima, such a huge beast, does not know how the Rakshasa clan tamed it. Lying here and resting at this time is like a mountain.

Thinking of the soldiers from the Kyushu Continent before, who didn’t know how many they had killed, Yue Feng was angry and wanted to take the opportunity to learn about the lives of these giants, but in the end he held back.

Gudong!

In the next second, Yue Feng opened the mouths of these giants and stuffed the huge obedient pills in the spirit beast sack one by one. Long Qianyu was on guard.

Chapter 2457

Soon, after feeding the Obedient Pill, Yue Feng clapped his hands and showed a smile on his face.

haha…get it done.

“Madam, let’s go.” Yue Feng said to Long Qianyu with a smile.

Seeing that Long Qianyu was so angry and charming just now, Yue Feng suddenly became addicted and deliberately teased.

“Go away!” Long Qianyu said coldly, embarrassed and angry.

This Yue Feng is really getting more and more serious. In this kind of place, I still have the mood to do this.

Yue Feng smiled and led the way, ready to leave.

Um?

It was at this time that a huge bonfire was lit in the center of the camp, and a huge wooden platform was set up next to it. Around the wooden platform, there were lanterns and red ribbons, which was full of joy.

what's the situation?

Yue Feng frowned and looked at it, very puzzled. When he came in before, he was always close to the edge of the camp, and he didn't notice it at all. When he saw this scene, he was a little stunned.

Long Qianyu also frowned slightly, and couldn't help but said softly: "This…isn't this the prince of Rakshasa, who wants to get married?" The

camp was decorated with lanterns and red ribbons. What is marriage?

"If the prince gets married, our opportunity in the Kyushu continent will come." Yue Feng nodded and said.

Afterwards, Yue Feng couldn't help but sighed: "These Rakshasa people are really doing what they want. The two armies are facing each other, but they are still in the mood to get married?"

"You still talk about other people?" Long Qianyu rolled his eyes at Yue Feng, angrily said: "You just weren't…"

Halfway through the words, Long Qianyu stopped, thinking that Yue Feng had kissed him just now, and his delicate face suddenly became hot.

Haha…

Seeing this scene, Yue Feng was instantly happy.

This Long Qianyu is really interesting, and I couldn't help but say it without letting me mention what happened just now.

Thinking to himself, Yue Feng resisted the urge to continue teasing, and then quickly walked outside with Long Qianyu. When he was about to leave the camp, he saw a lonely Rakshasa warrior in front of him. Yue Feng did not hesitate and touched it quietly. past.

Snapped!

When he got to the front, Yue Feng shot like a bolt of lightning, and suddenly clicked on the acupoint of the Rakshasa warrior, and then dragged him into the woods next to the camp.

Long Qianyu was very smart. Knowing that Yue Feng wanted to inquire about the news, he silently followed behind and guarded the surroundings.

“You…you!” The Rakshasa warrior was furious, staring at Yue Feng, his voice trembling.

Shhh!

Yue Feng made a small gesture, and then asked coldly: “I ask you, your Rakshasa camp is decorated with lanterns, who is going to get married? That prince named Meng Ao?”

“Why should I tell you?” Luo The hostility on the warrior’s face.

yo?

Yue Feng couldn’t help laughing, pulled out his dagger, and shook it in front of him: “It’s pretty tough, I heard that you Rakshasa are not afraid of death, but if I dig your eyes, I don’t know if you can carry it Hold on.” The

voice fell, and the dagger slowly approached.

Seeing that the dagger was about to stab him in the eye, the Rakshasa warrior panicked, almost urinating, and waved his hands again and again: “I said, don’t blind me…”

Not afraid, but blind, It was too painful.

Yue Feng sneered and put away the dagger: “Speak.”

“It’s our deputy commander who wants to get married.” The Rakshasa warrior said in a panic, “The woman is from the Kyushu mainland and one of the teachers of the great prince, called …It’s called Su Qingyan…”

What?

Hearing this, both Yue Feng and Long Qianyu were shocked.

Chapter 2458

Especially Yue Feng, he just felt his brain buzzing, thinking he heard it wrong.

Qingyan is getting married?

Who is their deputy commander?

call!

Finally, a few seconds later, Yue Feng stunned the Rakshasa warrior with a palm, and then said to Long Qianyu: “Princess, you hurry back to the camp and tell Brother Wen and the others about the situation, so that they will immediately gather an army and attack Luo. Stop the camp, hurry up.” You

and Su Qingyan have gone through so many ups and downs, how can you let him marry another man.

Never allow.

“Yue Feng, calm down.” Long Qianyu became anxious all of a sudden, and couldn’t help but comfort him: “If you want to save Su Qingyan, we can go back and discuss slowly, how can you do it alone?”

Long Qianyu is smart Woman, know that Yue Feng wants to make a riot in the Rakshasa camp alone.

She is her future husband, how can she watch him take risks?

“I’m fine!” Yue Feng was sweating profusely, and was so anxious: “You forget, these five-headed giants have already been controlled by me, and the Rakshasa army will not do anything to me.”

Said, Yue Feng’s eyes flashed with determination: “No matter what, I must find Qingyan and take her out successfully. Don’t worry, before the Kyushu army comes, I will not act recklessly.”

Alas!

Seeing him say this, Su Qingyan knew that she couldn’t be persuaded anymore, sighed, stomped her feet, turned around and walked towards the Kyushu Camp.

Seeing Su Qingyan’s back disappear into the night, Yue Feng gritted his teeth and returned to the Rakshasa camp.

Right now!

In a tent in the middle of the Rakshasa camp.

Around the tent, a circle of candles were lit, and inside, several Rakshasa women were dressing Su Qingyan.

Whoa!

While dressing up, several Rakshasa women were envious, and the two Rakshasa soldiers who were guarding the mouth at the same time also looked straight.

beautiful.

So beautiful.

Because it was in the camp, there was not much jewelry to dress up, Su Qingyan only wore a long red dress. The conditions were simple, but she still couldn't hide her sexy figure. She put on a light makeup on her face, which was also beautiful. Nothing can be squared, just like a fairy descending to earth.

Su Qingyan sat there, as if she had lost her soul, her face was indifferent, full of despair, without the slightest expression.

She bit her lip so hard that she almost bleed, tears welling in her eyes.

After tonight, I am Duan Yu's woman!

You and Yue Feng, is this the end? I'm so unhappy!

What if, if only I could restore my memory earlier?

Bang bang…

At this moment, the sound of two falling to the ground sounded, and I saw two Rakshasa guards at the door, fainting without warning.

The next second, a surprised and complicated voice sounded: "Qingyan, I'm here." In an

instant, whether it was Su Qingyan or a few Rakshasa women, they were all startled and looked at the door at the same time!

I saw a stalwart man standing at the door, with complex and eager eyes flashing.

Yue Feng!

why did he come here? !

Seeing him, several Rakshasa women were terrified, with deep fear on their faces, unable to speak. In the previous battle, Yue Feng killed the three headed giants of the Rakshasa clan. His strength was terrifying, and he could Said to be the number one enemy of the Rakshasa.

“Yue Feng…you, you’re here…”

Su Qingyan sitting there, her delicate body seemed to be unable to stand still, she looked at Yue Feng in a daze, her heart trembled!

Seeing Su Qingyan’s reaction, Yue Feng was full of surprises: “You… have you recovered your memory?”

I hadn’t seen this look for a long time, and Qingyan remembered herself, I couldn’t be wrong.

Um!

Su Qingyan showed a smile, but there were tears in her eyes, and she nodded.

Chapter 2459

“Qingyan, I’m here.” Yue Feng responded, walked in quickly, stood firmly in front of Su Qingyan, and looked at her! Full of affection!

Immediately afterwards, Yue Feng hugged Su Qingyan in his arms: “I’ll take you out tonight.”

Su Qingyan pressed her face tightly against Yue Feng’s heart, and her delicate body kept trembling.

He came, as expected of the man he liked. At this last moment, Yue Feng appeared.

Whoa!

As a result, at this moment, a fire suddenly lit up outside!

Made!

Yue Feng immediately turned his head to look, and his heart was shocked, Su Qingyan in his arms trembled even more, and his face was pale.

I saw that there were hundreds of torches lit around the camp, and the people holding the torches were all elites of the Rakshasa army.

Not only that, there are also a large number of Rakshasa soldiers coming here, besieging this place, there are countless!

Duan Yu?

Seeing Duan Yu, Yue Feng only felt that the blood all over his body was about to boil, and his eyes were instantly congested. This scum was actually hiding in the Rakshasa camp?

Immediately after, seeing the big red flower on Duan Yu's chest, Yue Feng's anger rose, and even an idiot could see that this Rakshasa clan's wedding was for Duan Yu and Su Qingyan.

Duan Yu, this bastard, cheated his Dragon Ball, and now he is forcing Su Qingyan to marry him.

For a time, Yue Feng clenched his fists tightly, burning with anger.

"Yue Feng!"

Feeling Daoyuefeng's anger, Duan Yu showed a smile. In the smile, he couldn't hide the cunning and coldness: "Did you not expect? I will be in the Rakshasa army, and I will drink Su Qingyan to get married? Haha…"

Yue Feng did not speak, but looked at him quietly.

Duan Yu was full of pride and continued: "Originally, I planned to send a message to the Kyushu camp to rest at dawn, and then use the wedding to lead you to attack. I didn't expect you to get the news so quickly. Fortunately, I was in advance. An ambush has been set up around this place." As he spoke, Duan Yu

's tone became colder, revealing deep resentment: "Yue Feng, today you can't escape, this is your burial place!"

Really cunning and vicious.

With a curse in his heart, Yue Feng looked at Duan Yu and said coldly: "Duan Yu, you lied to me about the Dragon Ball, and now you have taken refuge with the Rakshasa clan, you are a scum and traitor in the Kyushu continent, and everyone can be punished. Today, who died here? , not necessarily."

When he said this, Yue Feng's face was cold and arrogant, but his heart was a little uneasy.

You must know that this is the Rakshasa camp, and since I have to protect Su Qingyan, I don't know if I can successfully break out.

“Looking for death!”

At this moment, a cold shout came from not far away, and then, Meng Ao, wearing armor and holding a long white bone sword, strode forward, glaring at Yue Feng: “Take him down for me! “

Meng Ao was very excited at this time, I didn’t expect Duan Yu’s method to be so effective, and Yue Feng was attracted before the wedding started.

As soon as Yue Feng died and took over Kyushu, it was just around the corner.

Swish swish….

The voice fell, and countless Rakshasa warriors screamed and charged directly towards Yue Feng!

“Ha ha..”

Looking at the Rakshasa warriors rushing up, Yue Feng laughed loudly, with endless fighting intent on his face: “Duan Yu, do you think you can kill me with the help of the Rakshasa clan? You underestimate me too much! “

Even if there are many of you! I am not afraid at all!

The voice fell, Yue Feng raised his hand and waved, and with a clear sound, Fang Tianhuaji shook hands tightly.

“Kill!” The

icy howl came from Yue Feng’s mouth, and a terrifying aura burst out from the body, and then, a dazzling brilliance swept away towards countless Rakshasa warriors.

Ah…

under the brilliance, I heard a scream, and in the blink of an eye, hundreds of Rakshasa warriors fell into a pool of blood.

However, Yue Feng’s bravery did not deter the remaining Rakshasa army, but aroused their bloodliness, and they rushed forward one by one.

“Yue Feng!”

Seeing this scene, Su Qingyan was in a hurry, but the acupoints were tapped, so she couldn’t help at all.

The battle is getting more and more intense, and the situation is very unfavorable for Yue Feng.

Chapter 2460

Seeing this scene, Meng Ao was furious.

Mad, this Yue Feng is so powerful that he killed so many warriors in the blink of an eye.

Duan Yu sneered and stood on the side to watch the battle. He didn't join the Rakshasa clan wholeheartedly, but his purpose was to use the Rakshasa clan to consume Yue Feng. At this time, seeing the two sides successfully fight, he was naturally happy to relax.

The more Meng Ao thought about it, the more angry he became, and he waved his bone knife: "Kill him, the corpse will be broken into thousands of pieces!"

In any case, this Yue Feng must be killed today, and he must not be allowed to leave alive!

Whoosh …

Hearing Meng Ao's roar, twelve burly figures roared out of the crowd and charged directly towards Yue Feng! It is the 'Twelve Magicians' of the Rakshasa clan.

The Twelve Divine Warriors, born with divine power, have a very high talent in cultivation. They were originally the personal guards of the Rakshasa King, protecting the safety of the Rakshasa King, and also Meng Ao's killer left behind.

But today, when Yue Feng visited the camp at night and was surrounded, Meng Ao dispatched the twelve gods without hesitation.

Nima! Feeling the aura of the Twelve Divine Powers, Yue Feng cursed secretly, gritted his teeth, and quickly turned his inner strength!

"Clang!"

Immediately afterwards, the Twelve Divine Warriors and Yue Feng collided fiercely! Hearing a loud bang, a tyrannical internal force fluctuation swept the entire camp!

"Pfft…"

Yue Feng staggered back a few steps, his face turned pale, and he spat out a mouthful of blood.

And the Twelve Divine Powers were also uncomfortable, and they all retreated a dozen steps!

“Yue Feng!” Su Qingyan was so anxious that she couldn’t help exclaiming, and her tears kept flowing. If Yue Feng had three long and two short points today, he would not have to live anymore.

At this time, Yue Feng was taken aback. He thought that the Rakshasa clan had no other trump cards besides the ability to control the beasts and the army of the beasts, but he never thought that there were still twelve divine warriors, and the strength of these twelve people , It’s really terrifying, I’m afraid everyone is close to Transcending Tribulation Realm.

These twelve people can’t handle it on their own, plus the surrounding Rakshasa army, I’m afraid they’re going to die here today!

Yue Feng clenched his fists tightly, endured the churning of qi and blood in his body, and stared at Linghu Wushang and the others, his heart was extremely shocked.

“Yue Feng!”

At this moment, Meng Ao’s face was grim: “You are a famous person in Kyushu. If you surrender to me, you can die around you.”

Surrender?

Hearing this, Yue Feng couldn’t help laughing up to the sky, his eyes instantly blood red: “You savage aliens are also worthy of my Yue Feng surrender? If you want to kill me, just come…” The

voice fell, Yue Feng turned his wrist. , a mass of white flames, tossing and jumping in the air, and finally transformed into the shape of a lotus! In an instant, the surrounding temperature rose rapidly. It was a dark night, and the quilt was like day!

It is Bailian Lenghuo!

“No…” Su Qingyan couldn’t help crying, and at this moment she almost burst into tears: “Yue Feng, let’s go, leave me alone, let’s go…”

Although Yue Feng was very strong, But Su Qingyan knew that it was impossible for him to successfully rescue himself by himself. After all, this was the Rakshasa camp.

“Bai Lian cold fire?”

At the same time, feeling the scorching temperature, the faces of the Twelve Divine Powers changed greatly, and they all panicked. At that time, Meng Ao almost died

under the cold fire of Bai Lian, which caused Mona to help, and then was caught by Yue Feng.

“call!”

Yue Feng didn’t talk nonsense, he waved his hand, and Bai Lian’s cold fire floated directly to the twelve gods!

Done!

The speed of Bai Lian’s cold fire is very fast, and it is about to cover the twelve gods.

“Yue Feng, don’t be mad here!”

At this moment, Duan Yu, who had been fighting all the time, shouted loudly, waved his axe, and a golden beam erupted, coming straight towards Yue Feng.

Duan Yu’s original intention was to sit on the mountain and watch the tiger fight. At this time, seeing that Yue Feng had consumed a lot of internal energy, he knew that the opportunity was coming.

hum!

The golden light formed a huge golden light curtain, like pulling up a golden protective film between heaven and earth, separating Bailian Lenghuo from the twelve divine warriors.

chi chi chi…

The ultimate husband in Chinese chapter 2461-2465

Chapter 2461 The

cold fire of Bailian touched the golden light curtain and was immediately intercepted!

What?

Seeing this scene, Yue Feng was taken aback.

Can't Bailian cold fire burn everything? It was blocked.

The strength of this section of feathers has actually increased again, and it can actually stop Bailian's cold fire?

At this time, Yue Feng didn't know that Duan Yu's internal strength was much stronger than before after cultivating Yang Jian's "Sacred Universe Art".

Haha…

Seeing Yue Feng's face change, Duan Yu laughed up to the sky, his face full of mockery: "It's too late for you to surrender now, tell you, your white lotus cold fire is terrible to others, but to me Say, there is no threat at all."

"Of course, I don't want you to surrender, it's boring, I'll kill you with my own hands, and then take your woman as my own, that's interesting. Hahaha…"

One Talking, extremely arrogant.

"Fuck you!"

Yue Feng's eyes were extremely blood red, and he was completely furious. With a frantic howl, Fang Tianhua halberd broke through the air and smashed directly on Duan Yu's giant axe!

Endless hatred, at this moment, completely burned.

This paragraph of Yu, ten years ago, first killed his own mother, and later, in Tianqi, he killed his adoptive father, and his hands were stained with the blood of countless Tianmen disciples. Just a few days ago, he killed again. Master Moraya, and now, wants to infect the woman he loves.

Such a bloody vengeance, I will not be a man if I don't swear.

clang!

Fang Tianhua halberd smashed on the axe and made a loud noise. Both Yue Feng and Duan Yu were knocked away by dozens of steps.

“Am I cheating on you! I’ll take care of your life!” After stabilizing his figure, Yue Feng roared frantically, raised his right hand, and hit Duan Yu directly.

“All thoughts are ashes!”

With Yue Feng’s roar, he saw the surrounding air distorted rapidly. It was originally a clear night sky, but it was instantly covered with dark clouds, and a terrifying force condensed.

It was a stunt that Yue Feng realized ten years ago, and it was only when he was greatly stimulated that it broke out. Amazing power.

Ha ha!

Duan Yu sneered, his face full of disdain, he suddenly raised his hand and waved, a golden beam burst out from the opening axe, tore apart the world, and attacked!

Boom….

A violent aura vibrated, and I saw Yue Feng was enveloped by the golden light. In an instant, the extremely powerful blow was directly defeated by the golden light, and Yue Feng also spurted out a mouthful of blood, and his figure fell from the air. Come.

Seeing this scene, Su Qingyan was in a hurry and almost fainted.

Haha…

Seeing this scene, Meng Ao below, as well as the Twelve Divine Warriors and the Rakshasa army, were all shocked and indescribably excited.

The strength of this deputy commander is really strong.

This Yue Feng, who was famous in Kyushu, had a very terrifying strength, but he was destroyed by the opening of the sky axe.

puff!

Yue Feng fell to the ground, holding Fang Tianhua halberd tightly, and looked at Duan Yu coldly. While extremely angry, he was also shocked beyond words!

Impossible, this Yu was beaten by Brother Wen and Da Sheng two days ago and fled everywhere. In just a few days, his strength has become so strong?

Also, is this the strongest power of the artifact?

So perverted.

“Fengzi, we’re here.”

“Yue Feng, hold on!”

At this moment, a burst of howls came, and saw the army of Kyushu swarming, led by Sun Dasheng, Wen Chou Chou and Long Qian Language and others.

Chapter 2462

Seeing everyone arrive, a smile appeared on Yue Feng’s face.

“Yue Feng, die!”

Taking advantage of this opportunity, Duan Yu roared, and the Sky-Opening Axe slashed again.

Yue Feng’s expression changed, he didn’t resist, but quickly avoided.

Haha…

Seeing this scene, Duan Yu laughed proudly: “Yue Feng, where did you want to kill me just now? Is it gone? Now you just hide?”

Hearing Duan Yu’s mockery, Yue Feng became furious and his eyes Congested again.

“Fengzi, let’s help you!”

At this time, Sun Dasheng, Wen Chou Chou and the others came to the front, shouting angrily, jumping up and rushing towards Duan Yu!

hum!

The two exploded their inner strength at the same time, the powerful breath distorted the surrounding air, directly locking Duan Yu, the power was amazing!

Watching the three brothers go up together, Duan Yu’s mouth curled up with a hint of arrogance: “It’s beyond your own power.”

Duan Yu waved the opening axe, and three golden beams slashed out to meet Yue Feng and Sun Dasheng respectively. .

Bang bang bang!

The three Yue Feng brothers hurriedly activated their internal strength and deployed a protective film in front of them, but they were swept away by Jin Mang, and the protective film shattered instantly. The three brothers were shaken back several dozen meters at the same time, and their faces were pale.

“Made!”

Sun Dasheng was shocked and angry: “This kid’s strength has become stronger again?” He clearly sensed that Duan Yu’s strength was obviously much stronger than two days ago.

Wen Chou Chou was also frowning in shock and anger.

At this time, the following battlefield.

“Kill!”

Seeing the Kyushu army attacking, Meng Ao’s face was gloomy, his eyes flashed crazy, and after a howl, he rushed into the formation of the Kyushu army first.

At the same time, the twelve divine warriors, as well as many generals and the Rakshasa army quickly assembled, let out a thunderous howl, and swarmed up.

Ah…

In an instant, the sound of fighting continued, blood sprayed, and the night seemed to be dyed red.

Originally, it was difficult for the Kyushu Continent to stop the Rakshasa army, but since Yue Feng subdued Zhang Jiao and incorporated the Beiying army, the strength increased greatly. At this time, the Kyushu army and the Rakshasa tribe were still evenly matched, and some even had the upper hand. momentum.

The six fairies of Fuyao Palace, Long Qianyu, Zhou Qin and the others fought fiercely with the twelve gods, as well as various generals of the Rakshasa tribe, making the battle more and more fierce.

Meng Ao hovered in the air and saw the warriors under his command fall one by one, his face extremely ugly.

“Injuring my clan, I want to kill all of you.”

A howl came out, Meng Ao clenched the long sword of white bones and swept several Kyushu soldiers out, his eyes flashing with madness.

Mona retreated to the edge of the battlefield, her face full of anxiety.

Seeing that Meng Ao was crazy, and kept rushing to kill in the Kyushu army, Mona suddenly became anxious and shouted: “Meng Ao, stop fighting, stop the war.”

Mona saw that the Kyushu army was united as one, and Luo The formation of the Bra clan is about to lose its hold, and if it continues to fight, it will become more and more unfavorable.

“Shut up!” Meng Ao snorted coldly, and then looked at the direction of the wild and strange realm in the distance behind him, the corners of his mouth evoked a hint of gloom.

I saw that there was a faint vibration in the direction of the mist-shrouded Savage Territory. The sound was far away at first, and gradually it got closer and closer.

Rumbling…

This sound, like an earthquake, is getting stronger and stronger.

what’s the situation?

Hearing the movement, the Kyushu army was all in shock.

The people of the Rakshasa clan realized something, and all of them sneered, especially Mona, whose body trembled and was so anxious.

At the same time, Yue Feng, who was fighting Duan Yu in midair, also turned his head subconsciously, and his expression changed suddenly.

Chapter 2463

Nima! That’s…

Yue Feng clearly saw that from the direction of the wild and strange realm, a black army came quickly, as many as one million, and these troops were not Rakshasa soldiers, but… Just a ferocious beast.

Because these beasts grew up in the harsh environment of the wild and strange realm, each body size is more than two meters high, which is twice the size of the beasts in the Kyushu mainland, and most of the hairs were black, and in the night, they looked like a A vicious devil.

Haha…

Duan Yu laughed proudly and said to Yue Feng: “Yue Feng, do you think that if you unite Kyushu, you can easily destroy the Rakshasa clan? Let me tell you, when these beasts come, the Kyushu you take The army, don’t even want to leave alive.”

“And I, after you both were wounded, killed you, the Supreme Being of Kyushu, hahaha…”

Cao Nimad.

Yue Feng cursed angrily, held Fang Tianhua halberd tightly, and rushed up again.

“Great Sage, quickly help Fengzi kill Duan Yu, and then help the army to resist these beasts.” Wen Chou Chou howled and wanted Duan Yu to rush.

Seeing the army of beasts, Wen Chou Chou also felt that his scalp was numb. He knew that the Rakshasa tribe had an army of beasts, but seeing it with his own eyes this time was still shocking.

Sun Dasheng didn’t talk nonsense, and roared: “Duan Yu, die!” After the words fell, the three brothers fought fiercely with Duan Yu in mid-air again.

At this moment.

In the battlefield below, the army of millions of beasts will arrive in an instant. I have to say that these beasts are very fast, and they rushed into the battlefield in the blink of an eye, each with sharp teeth and claws, like demons from hell.

“what…”

Many Kyushu soldiers, before they could react, were attacked by many beasts and died tragically in a pool of blood.

Haha…

Seeing this scene, Meng Ao raised his head and laughed loudly, his eyes full of hideousness and madness: “You Kyushu continent, do you really think you can stop our Rakshasa clan? You are wrong.”

“These million beasts are our Luosha. Sha clan’s trump card, you can tremble in fear as much as you like.”

Along with the howl of Meng Ao, the formation of the Kyushu army was suddenly smashed by countless beasts.

Seeing this scene, Long Qianyu, Ren Yingying, and the fairies of Bai Shengshui all turned pale, but they still gritted their teeth and cooperated with each other to quickly kill these beasts.

However, although most of these beasts are only in the realm of Wusheng Wuhou, there are too many millions of them to kill.

At this time, the battle in midair continued.

Under the power of Duan Yu's Sky-opening Axe, Sun Dasheng's face was pale, and he had more than a dozen wounds on his body, and blood kept flowing.

Wen Chou Chou was also weak and injured.

"Brother Wen, Great Sage!"

Seeing the battlefield below, more and more people fell in the Kyushu army, Yue Feng couldn't help shouting: "You guys go down and help, I'll have no problem dealing with Duan Yu alone."

Kill Duan Yu was important, but it was even more important to embrace the power of the Kyushu army.

Once the Kyushu army is defeated, the Rakshasa clan will drive straight in. At that time, the Kyushu continent will be in dire straits. This was not the result Yue Feng wanted to see.

Sun Dasheng and Wen Chouchou looked at each other and hesitated.

This feather is too terrifying, can Yue Feng do it alone?

"Father, I'm here to help you." At this moment, a loud shout came, and then a figure rose into the sky like a cannonball, rushing towards Duan Yu.

His handsome face is full of tenacity, holding a giant hammer.

It was Yue Wuya.

Yue Wuya originally killed the beasts below. Seeing that the situation on Yue Feng's side was dangerous, he rushed forward without hesitation.

Yue Feng showed a smile and fought with Duan Yu in midair with Yue Wuya.

Seeing this scene, Wen Chou Chou and Sun Da Sheng did not hesitate, turned around and plunged into the battlefield below. Yue Wu Ya was Feng Zi's son, strong and powerful, and he had the magic weapon of the Overlord Hammer.

With his help, there is no need to worry about Yue Feng's injury.

"Father and son join forces?"

Seeing Yue Wuya and Yue Feng burst out together, Duan Yu frowned, and then sneered: "Just right, send you father and son to hell today. Let's all die!"

Chapter 2464 The

voice fell, Duan Yu urged his inner strength, and saw a dazzling golden light erupt from the Kaitian Axe.

In the next second, Duan Yu flashed lightning and greeted Yue Feng and his son.

At this time, in the battlefield below.

Although Wen Chou Chou and Sun Dasheng also joined the battlefield, they did not reverse the situation. Millions of beasts cooperated with the Rakshasa army, and their momentum was like a rainbow, causing the Kyushu army to retreat.

Bang! Bang! Bang!

It was at this time that the five giants in the camp, under the urging of the Rakshasa soldiers, woke up one after another and entered the battlefield with earth-shattering steps.

hiss!

Seeing the headless giant, the faces of everyone in the Kyushu army turned pale.

It's over, these million beasts are enough to give people a headache, and now with the giants, it's even more difficult to fight. It seems that in this battle, the defeat of the Kyushu Continent has been determined.

But then, a scene that shocked everyone happened.

I saw that the five-headed giants who entered the battlefield did not immediately attack the Kyushu army, but stood there one by one, a little overwhelmed.

what's going on?

On the Rakshasa side, everyone is also very puzzled.

what happened? Why are these giants attacking? In particular, the soldiers who were driving the giants were sweating profusely, and at the same time they were very puzzled.

The order has been issued, why are these giants not responding?

Haha…

Seeing this scene, Yue Feng in midair showed a smile.

These five-headed giants, who had been fed the Obedience Pill by themselves before, would of course not obey the orders of the Rakshasa soldiers.

The success or failure of this battle is here.

Thinking of this, Yue Feng took a deep breath, put his finger in his mouth, and let out a long, sharp whistle, which was the signal to attack.

“Ow, ow…”

In an instant, receiving Yue Feng’s order, the headless giant immediately turned his head and rushed into the formation of the Rakshasa army.

Ah…

In an instant, before many Rakshasa warriors could react, they were swept away by Ju Kui’s huge arm, and many were even trampled into a puddle of flesh.

Seeing this scene, Meng Ao exploded with rage, and roared at the warriors guarding Ju Kui: “What are you doing? Let Ju Kui attack your own clan? It’s all damned.”

At this time, Meng Ao didn’t believe it, Yue Fengneng couldn’t believe it. Control these giants.

Feeling the anger of Mengao, those warriors wanted to cry without tears.

“Prince, I…”

“We can’t control it…”

“These giants are crazy.”

Meng Ao didn’t listen to the explanation, rushed over, waving the long white bone knife, and directly chopped off the heads of these warriors. The Rakshasa tribe has strict military law, and these warriors are in charge of the giants.

Haha…

Sun Dasheng couldn’t help laughing, and gave Yue Feng a thumbs up: “I really have you.”

Wen Chou Chou also smiled, and then raised his sword: “Generals, it’s time to fight back, for the sake of the homeland. , for the dead compatriots, kill.”

Kill!

The voice fell, and the Kyushu army let out a howl, and they rushed up like crazy.

With the help of five huge giants, the battle situation began to reverse. Although the millions of beasts of the Raksha clan were fierce, they suddenly lost their advantage in the face of the huge giants.

Under such circumstances, the Kyushu army regained its morale.

Seeing this scene, Meng Ao’s face was extremely ugly.

Chapter 2465

Mad, this battle was supposed to be a big victory, but unexpectedly, the five giants messed up the situation.

“Yue Feng, go to hell.” Meng Ao’s eyes flashed, he directly locked on Yue Feng, rose into the sky, and the long white bone knife in his hand slashed directly at Yue Feng.

Meng Ao knew that Yue Feng was the soul pillar of the Kyushu continent. As long as he died, the Kyushu army would be in chaos. Although Duan Yu was strong, he had not yet killed Yue Feng, so he could only help.

shit.

Seeing Meng Ao burst out, Yue Feng’s expression changed.

It was already very difficult for him and Ya’er to deal with Duan Yu at the same time. If Meng Ao got involved, he and Ya’er would be in danger.

Swish…

But at this moment, I saw seven graceful figures coming quickly and stopped Meng Ao.

It was the six fairies of White Holy Water and Zhou Qin.

Bai Shengshui’s pretty face was cold and there was no nonsense at all, and he said tenderly: “Sisters, form a formation.” The

six fairies and Zhou Qin moved their figures one after another, changing their orientation, and surrounded Meng Ao in the middle.

It is the Misty Seven Immortals Array.

In the previous battle with the Rakshasa tribe, Zhou Qin cooperated with the six fairies to continuously display the formation technique, which has been very tacit.

“The formation of the Kyushu Continent?”

Looking at the six fairies and Zhou Qin, the figures changed, Meng Ao frowned, and then he showed a sneer of disdain: “A few women in the mere want to use the formation to trap me? Too underestimated. My strength is up.” The

voice fell, Meng Ao clenched the long sword of white bone and rushed forward!

However, under the fierce battle, Meng Ao became more and more frightened. He clearly felt that under the suppression of the formation, his inner strength could not be displayed perfectly. Not only that, he was also trapped and could not rush. go out.

hum!

At this moment, in the ground battlefield, a charming figure appeared more and more, wearing a tight fish-scale dress, filled with a unique temperament, like a fairy.

It is the princess of the sea shark clan, Hai Linger.

Hai Linger grew up in the deep sea. When she first set foot on the mainland, she encountered the war between the Kyushu mainland and the Rakshasa tribe. While shocked, she was eager to do something.

However, the battle in front of him was too chaotic, making Hai Linger somewhat unable to take action. But soon, seeing that Meng Ao was trapped by several Bai Shengshui, Hai Linger immediately had a goal.

At this moment, Hai Ling’er raised her left hand and came out holding a blue longbow, which was studded with pearl accessories, which was very beautiful.

It is Hai Ling’er’s weapon, the scale of the ocean!

“Om!” In the

next second, Hai Ling’er raised her right hand and hit the bowstring with her slender fingers. She saw Hai Ling’er’s internal force surged, and a feather arrow quickly condensed out.

Speaking of which, Hai Ling’er’s cultivation technique is very powerful in water, but it is very weak on land.

However, recently, she has been with Yue Wuya and her siblings. With the help of her siblings, Hai Linger has gained a new understanding.

laugh!

In the blink of an eye, Hai Ling'er let go of her fingers, and the feather arrow turned into a stream of light, like a shocking giant, rushing out and flying towards Meng Ao in an instant!

At this moment, Meng Ao's attention was all on Bai Shengshui, and he never expected that someone would raid him from the ground.

puff!

This arrow stabbed Meng Ao's younger generation fiercely, Meng Ao's body trembled, and he couldn't help gasping for air.

puff puff!

Taking advantage of the opportunity, several people from Bai Shengshui clenched their long swords and stabbed Meng Ao at once. Seven swords pierced Meng Ao at once! The whole person is pierced!

Meng Ao spurted out a mouthful of blood, widened his eyes, stared at Hai Ling'er with both resignation and resentment, and finally fell quickly. The moment he hit the ground, he also stopped breathing.

"Prince!"

Seeing this scene, the faces of the Rakshasa army changed greatly, and they exclaimed.

The ultimate husband in Chinese chapter 2466-2470

Chapter 2466

At the same time, the Kyushu army was indescribably excited.

Meng Ao was the president of the Rakshasa army. He died, and the Kyushu army was leaderless. This battle was won.

“Mengao!”

Not far away, seeing this scene, Mona couldn’t help exclaiming, but she didn’t feel much sadness in her heart.

Meng Ao killed his beloved eldest brother. In Mona’s heart, it was not a pity to die, but she did not expect that this moment would come so quickly.

“Kill!”

“Avenge the prince.”

Soon, the Rakshasa army reacted one by one, without flinching in the slightest, but because of Meng Ao’s death, it was inspired by blood. The mainland intercepted in this area, first the Rakshasa King disappeared, and then the eldest son died.

And now, the second son Meng Ao is also dead.

In the hearts of all the Rakshasa tribesmen, this hatred will never end.

At this moment, above the air.

In the face of Yue Feng’s father and son’s attack, Duan Yu gradually became powerless.

Made.

Seeing Meng Ao’s tragic death, Duan Yu felt even more panicked.

I was still thinking of using Meng Ao and the Rakshasa army to hit the continent of Kyushu, and I could take advantage of the fisherman, but I didn’t expect that the second son of the Rakshasa clan would die so soon.

This chapter is provided by . Visit for daily update.

“Duan Yu, Meng Ao is dead, it’s your turn.” Yue Feng roared and hit with a palm.

Duan Yu snorted coldly, and instead of retreating, he stepped forward with a palm. In an instant, his palms met, and the two internal forces confronted each other in mid-air.

Yes, Duan Yu wants to fight with Yue Feng.

Since practicing Yang Jian's "Sacred Qiankun Gong", Duan Yu's internal strength has become stronger. He believes that Yue Feng, who fights for internal power, is not his opponent.

However, Yue Feng practiced Guiguzi's exercises, and his internal strength was not worth a level higher than before.

Seeing this scene, everyone below wiped a sweat.

Yue Feng and Duan Yu are fighting their inner strength, and if they are not careful, there will be casualties.

Soon, Duan Yu was secretly surprised that Mad, Yue Feng's internal strength was so powerful that he couldn't suppress it even after he had practiced Yang Jian's technique.

Thinking of this, Duan Yu let out a loud roar, and suddenly urged his inner strength to separate from Yue Feng.

boom!

Along with a powerful vibration, Duan Yu and Yue Feng retreated one after another.

"Duan Yu, eat my hammer!"

At this moment, Yue Wuya, who had been looking for an opportunity, roared, and the Overlord Hammer slammed over. When the two of them were fighting for internal strength, Yue Wuya wanted to take action, but he knew that his father and Duan Yu had strong internal strength, and he made a rash attack and was easily injured. At this time, seeing the two separated, he immediately shot decisively. .

Made!

Feeling the powerful momentum of Yue Wuya's outbreak, Duan Yu's expression changed, and he quickly took off the axe to resist!

clang!

The Overlord's Hammer collided with the Kaitian Axe, and Duan Yuwa spit out a mouthful of blood, and his body flew far away.

Just now fighting Yue Feng's internal strength, consumes too much, at this time can't stop Yue Wuya's attack!

At this time, Duan Yu decided not to fight anymore. He swung his axe towards Yue Wuya and Yue Feng, and saw the golden light flickering, and the world was torn apart.

Neither Yue Feng nor Yue Wuya dared to make a hard call, so they hurriedly dodged.

Taking advantage of this opportunity, Duan Yu did not hesitate to flee towards the wild and strange realm.

run?

Yue Feng shouted angrily, grabbed Fang Tianhua halberd tightly, and chased after him.

Yue Wuya followed closely behind.

"Y'er." Yue Feng turned back and shouted, "Go down and help the Kyushu army, Duan Yu is already injured, I can deal with it alone." Seriously, Yue Feng was very relieved to fight with his son, but he saw , After Meng Ao's death, the Rakshasa army not only did not lose morale, but desperately resisted.

Chapter 2467

In this case, I can only let Ya'er go to the battlefield to help.

"Okay!" Yue Wuya hesitated, nodded, turned around, and joined the battlefield.

Yue Feng took a deep breath, locked onto Duan Yu in front of him tightly, stimulated his inner strength, and accelerated his speed.

Made!

Seeing Yue Feng chasing after him, Duan Yu was shocked and angry. The two of them flew very fast, and in a blink of an eye, they flew over the waste area of the Primal Chaos Mountains and entered the depths of the wild and strange realm.

After chasing for half an hour, Duan Yu finally landed on a cliff.

Yue Feng also slowed down and fell more than ten meters away. Seeing the surrounding environment, Yue Feng frowned secretly.

I can see that this is a place in the wild and strange realm. There is a cliff on one side and an endless forest on the other. There is a layer of fog shrouded in the sky and the earth, and this fog is still black.

In this environment, even though the two were more than ten meters apart, they could no longer see each other's faces. Not only that, the mist seemed to contain poison, and Yue Feng only felt that every breath he took was very uncomfortable.

Duan Yu was not feeling well, but he locked onto Yue Feng.

"Yue Feng!"

Finally, Duan Yu showed a trace of grimness: "Let's make a break here."

When he said this, Duan Yu sneered, but he was a little flustered, and he kept paying attention to the surrounding environment.

Yue Feng was too lazy to talk nonsense, he snorted coldly, held Fang Tianhua halberd tightly, and walked over step by step.

"Go to hell!"

When he was about to approach, Yue Feng shouted loudly, Fang Tian drew a halberd, and stabbed Duan Yu directly. Yue Feng clearly felt that Duan Yu had consumed too much internal energy before, and he no longer had the ability to resist.

Duan Yu's expression changed, and he quickly raised the Heaven-Opening Axe to resist.

clang!

A shock came, Yue Feng only felt an overwhelming force coming, and then he stumbled back a dozen steps, while Duan Yu shook his body.

What?

Yue Feng was shocked, and looked at Duan Yu with anger, it was impossible, his internal strength was severely exhausted, how could he block his own blow? Can you even shake yourself back?

Seeing Yue Feng's expression, Duan Yu laughed proudly: "Haha, Yue Feng didn't expect it? If the sky doesn't kill me, what can you do with me?"

After speaking, Duan Yu took out a radiant light from his body. Dragon Ball continued to smile and said, "It really is Dragon Ball. The power in this can help me recover. Haha, Yue Feng, it seems that you are the one who died today, not me." The

last sentence fell, and Duan Yu held the Dragon Ball tightly. , with a ferocious face, madly absorbing the power in the Dragon Ball, although the absorbing speed is not fast, but for Duan Yu, it can completely save his life.

Nima.

Yue Feng held Fang Tianhua's halberd tightly, shocked and annoyed at the same time.

It turns out… he borrowed the power of Dragon Ball.

Haha…

Duan Yu sneered at Yue Feng while absorbing the power of the Dragon Ball: "Yue Feng, what if you have an army of Kyushu? Didn't you lose to me in the end?"

When he said this, Duan Yu's eyes were full of It was gloomy and cold. He clearly felt that Yue Feng also consumed a lot of internal energy, and he had the power of Dragon Balls to help him recover. After absorbing a certain amount of power, he could easily kill Yue Feng.

Yue Feng did not respond, staring at Duan Yu coldly, while silently running the exercises to restore his inner strength.

For a while, there was silence on the cliff, but it was full of palpitating tension.

hum!

Two minutes later, Duan Yu stopped absorbing, holding the opening axe tightly, and said coldly to Yue Feng: "Yue Feng, everything is over, go to hell." The

voice fell, and Duan Yu rushed over directly.

Seeing Duan Yu rushing up, Yue Feng was furious, and at the same time he couldn't tell how anxious he was.

Mad, this kid has Dragon Ball, how can he beat him?

Hiss!

However, at this time, a strange sound suddenly came from the woods next to it. In an instant, Yue Feng glanced at it subconsciously and was stunned.

Chapter 2468

saw a giant python swimming at an indescribable speed.

This giant python is tens of meters long, the tank is as thick as a water tank, and its body is covered with black scales. In the dim surrounding environment, it glows with a cold light. , the blood-red snake letter quickly swallowed.

hiss!

Seeing this scene, Yue Feng couldn't help gasping for air, but felt his scalp numb and panicked instantly.

Because he clearly felt that the strength of this giant python was in the realm of Martial Emperor. A giant python in the realm of Martial Emperor is already very terrifying.

To be honest, if he had encountered this giant python before, Yue Feng would not have panicked at all, but he fought with Duan Yu for a few hours just now and chased after him for so long. .

At the same time, Duan Yu rushed to the halfway, and when he saw the giant python, his heart was shocked, and his face was pale.

Mad, such a huge python?

Hissing…

The python was very fast, and it was in front of him in the blink of an eye. A pair of blood-red eyes tightly locked the Dragon Ball in Duan Yu's hand.

Yes, this giant python was originally resting in the woods, and when it sensed the power of the dragon ball, it was immediately attracted. You must know that the dragon is the strongest divine beast, and the dragon ball is the essence of the dragon, all the spirit beasts in the world. , I can't resist the urge to take it as my own when I sense Dragon Ball.

At this moment, the giant python didn't hesitate at all, the blood basin opened its mouth wide, thinking that Duan Yu had bitten.

"Go to hell!"

Duan Yu was shocked and angry, waving the Heaven-opening Axe, and chopped directly at the snake's head.

At this time, Duan Yu was very annoyed, Mad, who could kill Yue Feng at a glance, but never imagined that suddenly a giant python in the realm of Martial Emperor came, not only to snatch the dragon ball, but also to swallow himself .

Seeing that the opening axe was about to split the snake's head in half, at this critical moment, Yue Feng did not hesitate at all, Fang Tianhua halberd quickly stabbed out.

In the current situation, Yue Feng knew very well that once Duan Yu killed the giant python, he would continue to deal with him, so he did not hesitate to take action.

As long as the python doesn't die, he can help himself to delay time, and maybe he can also help himself and kill Duan Yu.

clang.

In the next second, Fang Tianhua halberd slammed into the opening axe, a vibration came out, and the opening axe was deflected.

The giant python responded very quickly, and the snake head flexibly retreated, avoiding Duan Yu's axe.

hiss.

Immediately afterwards, the ferocity of the giant python was aroused, swallowing the snake letter, and the huge snake tail slammed and swept directly towards Duan Yu. Wherever the snake tail passed, it was like a hurricane, with astonishing power.

Made!

Duan Yu was very annoyed when he was raided by Yue Feng. At this time, he saw the tail of the snake swept over. He was shocked and wanted to dodge, but the distance was too close, and he couldn't dodge at all.

Bang!

The snake tail slammed hard on Duan Yu, and he heard a rib shattering, followed by a miserable howl, and the whole person was swept away and fell towards the bottom of the cliff.

At the same time, Dragon Ball is also out of hand.

What the hell!

Seeing Duan Yu falling off the cliff, Yue Feng showed a smile, unable to express his resentment, but when he saw Dragon Ball, his face changed, and at the same time, he urged the figure to hold it in his hand.

This dragon ball is related to the peerless treasure left by Xuanyuan Huangdi, and it is also the reliance of the Kyushu mainland to defeat the Rakshasa tribe. It cannot be lost like this.

However, at this moment of lightning, the giant python came first, and its huge body jumped up, grabbed in front of Yue Feng, and swallowed the dragon ball in one bite.

At the moment of swallowing the dragon ball, the entire huge body of the giant python was suspended in the air, and it was too late to return to the cliff and fell directly.

This is not over yet, the huge snake tail swept away Yue Feng.

Nima.

Chapter 2469

When the figure fell, Yue Feng's face changed greatly, and he kept cursing in his heart. At the same time, he did not forget to hold Fang Tianhua halberd tightly and stab it on the cliff to slow down the speed of his fall.

…..

the other side.

The battle between the Kyushu army and the Rakshasa clan continues.

On the battlefield, the screams of killing and the screams kept coming, and the blood flowed into rivers.

Whether it was the Kyushu army or the Rakshasa clan, all of them were red-eyed, and they fought each other desperately, endlessly.

Wen Chou Chou, Sun Dasheng, Long Qianyu and others, after killing many beasts, all consumed a lot of internal energy, all of them were pale and very weak.

In the current situation, although the Kyushu Continent has already occupied the advantage, it will pay a heavy price to win this war completely. After all, the warriors of the Rakshasa tribe are fighting too fiercely, and they are not afraid of death.

"Whoosh!"

At this moment, a fit and slender figure leaped into the sky, looked around, and shouted at the Rakshasa tribe: "All warriors of the Rakshasa tribe obey the order and stop fighting immediately." The

cold voice Spread all over the battlefield, there is no doubt.

It was Mona.

Since the outbreak of this battle, Mona was very anxious. She knew that if the battle continued, the Rakshasa tribe would be wiped out, or even disappear from the world forever. This was not the result she wanted to see.

Whoa!

When the words fell, all the Rakshasa warriors stopped fighting, and dozens of generals looked up at Mona, their eyes flickering and puzzled.

“Stop!”

Seeing this scene, Wen Chou Chou and Long Qian Yu also shouted.

Mona was captured by Yue Feng before, but after following Yue Feng’s suggestion, she agreed to negotiate, so Wen Chou Chou and others had a good impression of her.

In an instant, a tragic and fierce battle stopped. Immediately, everyone’s eyes were focused on Mona, and they all wanted to know what decision this Rakshasa Princess would make next.

call!

At this time, Mona looked around, her eyes fell on Wen Chou Chou and Long Qian Yu, and she took a deep breath and said: “Everyone, it will not benefit both parties if you continue to fight. We Rakshasa do not have to occupy Kyushu. Mainland, why don’t we stop the war and have a good talk about how to live in peace.”

Hearing this, Wen Chou Chou, Long Qian Yu and the others looked at each other and nodded silently.

Although this Mona is a woman, in comparison, she understands the current situation better than the previous Rakshasa King and Meng Ao, especially advocates peace, which is very rare.

Whoa!

However, among the Rakshasa army, there was an uproar. Many warriors were a little unwilling, but in the face of Mona’s powerful aura, no one dared to refute.

The Rakshasa King disappeared, and the two brothers Menglang and Mengao died. As the Rakshasa princess, Mona was the supreme commander of the Rakshasa clan.

“Why negotiate!”

However, at this time, a strong man strode out of the Rakshasa army, with an amazing aura, his eyes fixed on Mona and shouted: “We Rakshasa, we have been exiled for a few times. Thousands of years, and now I have finally returned to the Kyushu Continent. It is the time to expand the territory and develop it. Why should I submit to these people from the Kyushu Continent?”

“Peace talks? Absolutely not.” The strong

man is called Luo Shen, who is exactly One of the twelve gods.

Swish!

Mona's pretty face flushed with anger, and she said coquettishly, "Luo Shen, I am the supreme commander of the Rakshasa clan now, how dare you disobey?"

Supreme commander?

Luo Shen sneered and said loudly: "Princess Mona, are you the supreme commander, you haven't been recognized by everyone, and the Rakshasa King disappeared because of the battle, and his whereabouts are still unknown. Your eldest brother and second brother, for the future of the Rakshasa clan. , are all in the hands of the people of the Kyushu Continent, you don't want to avenge them, but you are afraid of the strength of the Kyushu Continent, and you only want to negotiate, you are not worthy of being our commander."

Chapter 2470 The

voice fell, and many Rakshasa warriors nodded in agreement.

Yes, how can such a person be a commander?

"You're courting death!"

Seeing Luo Shen bewitching the army, Mona was so angry that she snorted, without any hesitation, her inner strength was running, her jade hand raised, and she called Luo Shen with a palm.

Luo Shen was not afraid at all, his anger sank into his dantian, he raised his hand and gave her a head-to-head slap!

"Touch!" The

palms of the two were facing each other. Roshen only felt a strong force coming, and staggered back a few steps! There was blood oozing from the corner of his mouth.

In this palm, after all, Mona has the upper hand. Speaking of which, Roshen is one of the Twelve Magicians. He is very powerful. It is really difficult for Mona to win him one-on-one. In a wait-and-see state, in this case, Luo Shen naturally couldn't stop Mona's palm.

call!

Seeing this scene, all the warriors of the Rakshasa tribe changed their expressions.

The people opposite Wen Chou Chou also frowned. “Brother Wen.” At this time, Dasheng

Sun couldn’t help but said: “Should we help this Princess Mona?” Wen Chou Chou stopped Sun Dasheng, shook his head and said, “No, we can’t interfere in the internal affairs of the Rakshasa clan at this time.” Wen Chou Chou thought deeply and finally stopped the fight. . “Roshen!” At this moment, Mona walked over step by step and stared at Roshen: “You accept me as the commander-in-chief, are you convinced?”

Luo Shen gritted his teeth, didn’t respond, and snorted coldly.

call!

Mona took a deep breath, without hesitation, her figure flashed, and in the blink of an eye, she came to Luoshen, and slapped him in the heart.

Bang!

In this palm, Mona used 90% of her internal strength, only to see Luo Shen groaning, the whole person flew directly, flew more than 100 meters away, fell heavily on the ground, and died.

Mona’s eyes flashed with pity and heartache. Seriously, Luoshen was loyal to the Rakshasa. She didn’t want to kill the killer, but there was no way. The Kyushu Continent will contend, and at that time, the fate of the Rakshasa clan will be in a state of doom.

Enduring the discomfort in her heart, Mona looked around, and a cold voice spread throughout the audience: “Rakshasa warriors, who else of you is dissatisfied, you can stand up.” The

voice was not loud, but it showed a strong aura.

For a time, the entire Rakshasa clan looked at each other in dismay, and no one dared to stand up.

Pfft!

After dozens of seconds, the remaining eleven gods, as well as many leaders, knelt in front of Mona: “Subordinate, I have seen the Queen.”

Seriously, Mona’s strength is not very strong. Powerful, but these gods and generals were all convinced by the momentum of the leader on Mona at this time.

Whoa!

Immediately afterwards, all the Rakshasa warriors knelt down and shouted in unison.

“Meet the Queen.”

Seeing this scene, Mona nodded in satisfaction and raised her hand: “All get up.” As she spoke, a smile appeared on the corner of her mouth, but tears flashed in her eyes.

Finally, there is no need to continue fighting. In the future, the Rakshasa clan can live in peace with the Kyushu Continent, but… the price is too high, the whereabouts of the father are unknown, and the two brothers are also dead…

haha…

The ultimate husband in Chinese chapter 2471-2480

Chapter 2471

At this time, Sun Dasheng laughed loudly, took a step forward, and shouted at Mona: “Congratulations to Queen Mona.” The

voice fell, Wen Chouchou also smiled, and said: “Queen Mona, just now, the two sides fought fiercely. The casualties are heavy, let’s settle the casualties first, and then negotiate the details.”

Well!

Mona smiled and nodded.

“Clean up the battlefield.” Wen Chou Chou instructed the surrounding soldiers, and after thinking of something, he pulled Sun Dasheng and said, “Fengzi is chasing Duan Yu, I don’t know what’s going on, let’s go and see.”

“That bastard Duan Yu, When escaping, it consumed a lot of internal strength, and Fengzi will definitely be able to deal with it.” Sun Dasheng scolded, and then said excitedly: “However, if the three brothers can kill Duan Yu together, that will be the happiest, haha… “

Speaking, the two brothers rushed towards the wild and strange realm.

In the battlefield, under the command of Long Qianyu, Ren Yingying and others, the army began to clear the battlefield.

Not far away, a person did quietly leave in the chaos, heading towards the Kyushu camp, with cunning and viciousness in his eyes, it was Zhang Jiao.

Since being subdued by Yue Feng, Zhang Jiao has always been convinced, and later begged his apprentice Han Bing to help him get the antidote for Tongtian Pill from Yue Feng, but Han Bing tried several times without success.

This made Zhang Jiao very angry.

Just now, seeing that the Rakshasa clan was controlled by Mona, the two sides completely stopped fighting, Zhang Jiao realized that the opportunity was coming, and while everyone was clearing the battlefield, he returned to the camp and searched Yue Feng’s camp.

A few minutes later, Zhang Jiao entered the tent where Yue Feng was resting, rummaged through the boxes, and searched carefully.

Ha ha…

Soon, Zhang Jiao found several bottles of medicinal pills, all of which were medicinal pills refined by Yue Feng. In an instant, Zhang Jiao was extremely excited.

This chapter is provided by . Visit for daily update.

Zhang Jiao saw that there were dozens of medicinal pills in several bottles, and it was difficult to find the antidote for Tongtian Pill, but Zhang Jiao was not worried. It will be researched soon.

Yue Feng, you wait for me, I will make a comeback one day.

At this time, Zhang Jiao's eyes flashed with gloom, and he muttered to himself, then turned and walked out of the camp, and in a blink of an eye, he disappeared into the vast mountains and forests.

…..

the other side.

The wind whistled in his ears, Yue Feng held Fang Tianhua halberd tightly and kept stabbing it on the cliff to slow down the speed of the fall, but after all, the internal energy consumption was serious, and he couldn't stand it any longer, and the body fell faster and faster.

What shocked Yue Feng even more was that under the cliff, there was a long and narrow valley, which stretched infinitely on both sides, and he didn't know how long it was. Moreover, when he fell halfway, Yue Feng found that the valley was completely shrouded in green poison.

Made!

Seeing that the end is about to end, Yue Feng cursed secretly, and quickly released Qiong Qi from the spirit beast sack.

Roar!

With a roar, Qiongqi burst out of the air, supported Yue Feng on his back, and flapped his wings to land down. However, the moment he entered the poisonous mist, Qiongqi's balance was still affected.

Dengdengdeng…

At the moment of landing, Yue Feng stepped back dozens of steps in a row to remove the force of the fall. Despite this, his blood was still surging, and a mouthful of blood spurted out. Qiongqi also fell a somersault, but there was no serious problem.

After standing up, Qiong Qi hurried over and stayed beside Yue Feng.

call!

Yue Feng took a deep breath, adjusted his breath, and then looked around, suddenly secretly startled.

I can see that there is a forest around, and these trees have grown for hundreds of years, even thousands of years. , the leaves are dark green.

Yue Feng knew that every leaf of these ancient trees was highly poisonous.

However, Yue Feng has a physique that is invulnerable to all poisons, so he is not too worried.

Chapter 2472

On the other side of the mountain wall, there are some large and small caves, the caves are filled with poisonous mist, and I don’t know how deep.

Of course, Yue Feng didn’t think about going to the cave to investigate.

The internal energy consumption is so serious, of course, it is the first time to meditate to recover.

Thinking of this, Yue Feng sat there cross-legged, and began to prepare to practice. Suddenly, he thought of something, and looked around, but as a result, he did not see Duan Yu.

Mad, isn’t this kid dead?

In his heart, Yue Feng was about to explain to Qiongqi and be vigilant around him.

Hissing…

However, before Yue Feng could speak, he heard a special sound coming from the cave behind him, which made one’s scalp tense.

Hearing this voice, Yue Feng was startled.

broken.

Yue Feng could never forget this sound, because he had just encountered a giant python on the top of the cliff before, and this sound was made by the giant python.

Roar!

Qiong Qi also sensed the danger, let out a roar, and locked his eyes tightly in the direction of the cave. Yue Feng also quickly stood up, holding Fang Tianhua halberd tightly.

In the next second, Yue Feng's heart skipped a beat, and he couldn't help but curse.

Nima? so much?

I saw that dozens of giant pythons quickly swam out of the cave. The giant pythons were about the same size as the one Yue Feng encountered before, and the smallest ones had the thickness of the mouth of a bowl, and they all had black scales.

Obviously, it is of the same kind as the one encountered before.

hiss..

Seeing Yue Feng, these giant pythons did not hesitate, let out a terrifying neigh, and all rushed over at once. He didn't appear to be afraid at all because of the presence of Qiongqi.

Roar!

At this moment, without any hesitation, Qiong Qi let out an earth-shattering roar, and threw himself up to fight with those giant pythons.

This scene, Yue Feng was shocked and anxious at the same time.

Mad, if he didn't consume too much internal energy, how could he be afraid of these big bugs? But fortunately, thanks to himself, there are still poor and strange spirit beasts.

Just when Yue Feng was secretly rejoicing, a strong wind suddenly came from behind him. Yue Feng thought it was another giant python, and hurriedly turned around, suddenly startled.

This is a black fierce tiger, more than three meters long, the fifth stage of the Martial Saint realm, and the speed is extremely fast.

Nima!

Yue Feng was completely angry, did he really think I was easy to bully? First a pair of giant pythons, and now a tiger? Cursing, Yue Feng held Fang Tianhua halberd tightly and went up to him.

Chi!

The battle lasted for a few minutes, and Yue Feng finally found an opportunity. Fang Tianhua halberd stabbed the tiger in the belly, and blood sprayed. However, the tiger was also very fierce, and when it was dying, the tiger claws waved and directly stabbed Yue Feng's right side. On his face, three bloody openings with deep visible bones were scratched.

At this time, the battle on Qiongqi's side also ended. More than a dozen giant pythons, without exception, all died under its sharp claws and fangs, but Qiongqi was also injured, and the surrounding poisonous mist was too strong, Poor and huge body, shaky, very weak.

Yue Feng looked very distressed, touched Qiongqi's big head, and put it in the spirit beast bag. The spirit beast sac is an independent space, so there is no need to worry that Qiongqi will continue to absorb the poisonous mist.

call!

Putting Qiongqi away, Yue Feng took a deep breath and simply dealt with the wound on his face. He held Fang Tianhua halberd tightly and walked forward.

Nima!

Where is this place?

After walking for an unknown amount of time, Yue Feng's head was swollen. The valley was really huge, with dense forests and countless ferocious beasts hidden in it.

Chapter 2473

What makes Yue Feng more depressed is that because the poisonous mist is too thick, he can't tell the direction at all.

At this time, Yue Feng didn't know that the place he was in was a very dangerous area in the wild and strange realm. It was turned into a death valley by the Rakshasa tribe. The death valley stretched for thousands of miles. The bravest warriors of the clan did not dare to break in rashly.

However, for Yue Feng, such an environment was a cruel test.

Unknowingly, Yue Feng wandered in the valley for three days. During these three days, Yue Feng found Duan Yu's body. When he found it, Duan Yu had already changed beyond recognition, and had been corroded by the poisonous mist.

The Kaitian Axe was not seen either, and it was estimated that it was taken away by the beast.

Yue Feng didn't care about this. He just wanted to get out of here and find the giant python that swallowed the dragon ball. However, the Valley of Death was too big, there were countless beasts, and there were also countless giant pythons. If he wanted to find it, he would be looking for a needle in a haystack.

Perhaps because of the environment and the poisonous fog, the speed at which Yue Feng's internal strength recovered was very slow.

At first, Yue Feng was very anxious, but slowly, he got used to this state.

Time flies, time flies.

Three years passed in a flash.

In the past three years, the Kyushu continent has regained its tranquility, the people live and work in peace and contentment, and the Rakshasa people have settled in the border area of Kyushu through peace talks and live in peace with the Kyushu continent.

Under this background, many forces in the Kyushu continent, after stable development, began to gradually explore the wild and mysterious realm. For a time, a special occupation different from the sect appeared, such as mercenary groups, bounty hunters, and various Expeditions, etc.

….

Death Valley, in a dense forest in the southwest.

In a simple thatched hut, Yue Feng sat there cross-legged, opened his eyes slowly, and exhaled a suffocating breath at the same time.

In the past three years, Yue Feng has fully recovered his strength very early, but he has not left because of the search for Dragon Balls. Moreover, when he was just trapped here for three months, Yue Feng encountered a Rakshasa warrior who broke in by mistake. Knowing that the Rakshasa clan and the Kyushu continent had negotiated peace, and the war was completely stopped, Yue Feng's worries were completely put down.

Of course, in the past three years, Yue Feng has almost understood the environment of Death Valley.

It’s time to go back.

At this moment, Yue Feng walked out of the hut, looked at the sky in the distance, and muttered in his heart.

During this time, Yue Feng tried to find the giant python that devoured the dragon ball again, but still found nothing. Yue Feng knew that he couldn’t stay any longer.

Dragon Ball is important, but it’s not as important as family reunion.

After making up his mind, Yue Feng left the hut and walked towards the exit of Death Valley.

Swish…

Not long after walking, I heard footsteps, Yue Feng frowned, looked up, and was stunned for a moment.

I saw more than a dozen people, walking cautiously towards the depths of Death Valley. These people were all wearing camping equipment, and they were not low in strength.

One of the women, twenty-five or six-year-old, was wearing a red fur coat, which set off her sexy figure, yet she was wild and beautiful.

Yue Feng couldn’t help taking a few glances, feeling a little surprised at the strength of the woman.

It turned out to be a piece of Martial Emperor strength.

During the three years that he was away, has the cultivation world in the Kyushu continent developed so rapidly? A girl in her twenties has actually reached the strength of a Martial Emperor?

At this time, the other party also discovered Yue Feng, and all of them gathered around at once.

“Rakshasa people?”

“Made, why do you look like savages?”

These people were arguing with Yue Feng, with contempt and disgust on their faces.

Only the leading woman looked at Yue Feng curiously.

Listening to their words, Yue Feng was a little unhappy, but when he saw his clothes, he couldn’t help laughing. After staying in Death Valley for more than three years, his

clothes had long been corroded by the poisonous mist, so Yue Feng simply did it. He wore a set of animal skin clothes, and there were three scars on his face, which were once scratched by a fierce tiger. At first glance, he really looked like a savage.

Chapter 2474

“Hello!”

Finally, the leading woman asked Yue Feng, “Who are you?” The

woman’s name is Hua Ling, the captain of the Bloodthorn mercenary team. , everything has returned to calm, and the mainland cooperates with the above to promote development together, and with the development, many people’s eyes are aimed at the vast and boundless wild and strange realm.

Speaking of which, the environment in the wild and strange realm is harsh and almost inaccessible. Back then, only the Rakshasa tribe could survive in such a place, but in the end, they still tried every means to climb over the Chaos Mountains and return to the Kyushu Continent, which shows that the environment here is harsh.

But then again, the harsh environment has also created incomparably rich resources. More importantly, there are countless types of beasts inhabiting the wild and strange areas, and many beasts are descendants of some wild beasts, such as the three-headed blood python. , Xuanming Black Tiger and so on.

Because of environmental factors, the beasts here are much more powerful than the spirit beasts in the Kyushu continent, and the inner core in the body is also the most pure.

As we all know, the spirit beast inner pill can improve the strength of the practitioner, and even if it is not used, it can be sold at high prices in the auction house or the black market.

Therefore, under such circumstances, many practitioners from various continents have formed various organizations, ventured into the wild and strange realm, hunted wild beasts, and obtained inner pills, either taking them by themselves to improve their strength, or selling them to the black market. , to make huge profits.

The Bloodstab mercenary team formed by Hua Ling is such an organization.

“Me?”

Facing Hua Ling’s question, Yue Feng scratched his head and smiled slightly: “I am from the mainland of Kyushu and came here to hunt.”

When he said this, Yue Feng deliberately hid his strength. I have a special identity, so it is better not to be known.

hunt?

Hearing this, the team members behind Hua Ling couldn't help laughing.

"Looking at your outfit, it's almost as good as food for the beasts here." "

Haha… anyone dares to come here to hunt. I

don't know whether to live or die."

Individuals have ridiculed and ridiculed them successively, and they are all contemptuous of Yue Feng. It is no wonder that in the recent period of time, there have been too many expeditions from the Kyushu Continent to the wild and strange realm. In addition to some mercenary organizations and expeditions, there are many unique people. Those who come and go all want to come and get benefits.

And Yue Feng, who was in front of him, was dressed in rubbish.

Yue Feng didn't take the crowd's discussion to heart, smiled and said nothing. Then, Yue Feng said to Hua Ling, "If you want to explore Death Valley, you'd better be careful. These two days are the period when

the black sand python is active."

Gu's environment is already well understood. The black sand python is the black giant python that Yue Feng encountered when he first came. cultivators can provoke.

fool.

As soon as he finished speaking, a man with a black scarf on his neck walked out and sneered at Yue Feng: "Hey, tell you, we are here to hunt black sand pythons, if it wasn't for their active period, we would not Come here." His tone was cold and arrogant, with a lofty attitude.

The man's name is Liu Hua, he is the vice-captain of the Bloodthorn mercenary team, and he has the strength of the Fourth Martial Saint.

Seeing his arrogant look, Yue Feng was too lazy to have a regular meeting.

Hua Ling couldn't stand it any longer and frowned, "Liu Hua, say a few words." After speaking

, Hua Ling looked up and down at Yue Feng: “Listen to you, are you familiar with the environment here?”

Yue Feng nodded.

“Then… can you be our guide? We are very short of a guide right now.” Hua Ling came over with a little bit of anticipation in her eyes.

Speaking of which, the Bloodthorn Mercenary Team was the first time to come to the Wilderness and Strange Realm, intending to kill some beasts, obtain the inner core, improve their own strength, and make some money at the same time.

As the captain, Hua Ling is a little arrogant, but she understands that she is not familiar with the environment and faces too many unknown dangers. At this time, she wants to let Yue Feng block the guide.

Yue Feng hesitated.

Chapter 2475 I am

about to return to the Kyushu mainland, how can I be a guide for you.

Seeing that he hesitated, Hua Ling hurriedly said: “Don’t worry, as long as you show us the way, I will give you a commission when we kill the black sand python.”

Seeing her sincere expression, Yue Feng couldn’t bear to refuse, so he ordered it Nodding: “Okay.”

“Captain!”

However, as soon as he finished speaking, Liu Hua couldn’t help shouting: “This person looks like a waste, what way can he lead? I’m afraid he hasn’t found the black sand python yet, It disappeared without a trace.”

The other team members around also nodded in agreement.

“That’s right, look at his outfit, how can he help?”

“Let’s investigate it ourselves.”

Hua Ling frowned, very displeased, and scolded: “Are you the captain, or am I the captain? I have already decided. Now, shut up.”

Seeing Hua Ling’s anger, everyone in Liu Hua didn’t say anything, but looking at Yue Feng’s eyes, there was still disdain.

A few minutes later, under the leadership of Yue Feng, a group of people slowly marched towards the depths of Death Valley.

For the first time in such a harsh environment, Hua Ling and others were both novel and apprehensive.

“Hey, I still don’t know your name.” Hua Ling followed, walking side by side with Yue Feng, and couldn’t help asking.

“Fengtao!”

Yue Feng thought for a while, and said lightly, this fake name was used to it before, and Yue Feng said it almost without thinking.

To be honest, Yue Feng wanted to reveal his true identity, but he held back when he saw how he was dressed. The person who was famous in Kyushu back then is now like a beggar, what a shame.

As he spoke, he arrived at the area shrouded in poisonous fog.

Yue Feng hurriedly stopped, and at the same time reminded Hua Ling and the others that Yue Feng could withstand these poisonous mists, but the blood stabbing mercenary team generally had the strength of Wu Sheng, and they would die if they breathed it.

In the next second, Yue Feng was about to open his mouth to remind him, but when he saw the movements of Hua Ling and others, he was stunned.

Seeing Hua Ling and others, they all took out their special anti-virus helmets from their backpacks and put them on.

Haha..

Seeing this scene, Yue Feng couldn’t help laughing. Unexpectedly, in the three years he was away, the technological development of the Kyushu Continent had been closely integrated with cultivation. Yue Feng sensed that these helmets were used for Made of special materials, it is no problem to resist these poisonous mists.

Of course, the poisonous mist is corrosive, and despite the helmet, it can’t stay for too long.

At this time, Hua Ling took out a helmet and handed it to Yue Feng: “Put this on.”

In Hua Ling’s eyes, Yue Feng’s strength is not comparable to their weakest team member, but she doesn’t know , Yue Feng’s strength does not need a helmet at all.

Yue Feng took the helmet and put it on without hesitation.

Hiss…

At this time, I heard a strange sound from the woods ahead, and then, a black shark dream appeared in front of everyone.

This black sand python is thicker than the mouth of the bowl, and it is the realm of the fifth stage of the Martial Saint.

Hua Ling's eyes lit up and she immediately drew out her long sword.

"Don't act rashly." Yue Feng couldn't help but said, his eyes flashing with dignity.

Yue Feng knew that there was more than one black sand python inhabiting the nest of a black sand python in this area. You must know that black sand pythons have different habits from other giant pythons, and they live in groups.

At this time, there is one, which represents its companion, which is nearby.

The ultimate husband in Chinese chapter 2476-2480

Chapter 2476

Hua Ling's eyes flickered, resisting the urge to shoot.

However, Liu Hua next to him couldn't bear it any longer.

"Captain, this bastard doesn't understand anything, why do you listen to him?" After shouting, Liu Hua held a long knife tightly and rushed forward.

The few players around him glanced at each other and followed closely behind.

In their eyes, the black sand python is a middle-class spirit beast, and the inner alchemy is the dream of practitioners, and it is also very popular on the black market.

The purpose of their coming is to kill the black sand python. Now that they have finally come across one, how can they miss the opportunity?

What a bunch of idiots.

Yue Feng's expression changed, and he couldn't help but cursed in his heart, and then shouted at Hua Ling: "Quickly let your people be alert to the surroundings, Heisha pythons live in groups, not only one will come out, it also has companions. "

What?

Hearing this, Hua Ling's delicate body trembled. She only knew that the black sand python's inner alchemy was very cost-effective, and she didn't understand its habits at all.

"Everyone pay attention to your surroundings." Hua Ling couldn't help shouting, but it was too late.

sizzle!

Just as Liu Hua and a few team members were besieging the black sand python, they heard a frightening hissing sound from around the woods again, and then four or five black sand pythons swam over quickly.

Seeing this scene, Hua Ling stomped her feet in a hurry, rushed up, and at the same time did not forget to shout at Yue Feng: "Fengtao, you hide aside, be careful."

Hearing this, Yue Feng smiled . , I can't see that this Hua Ling is quite kind. In this case, she did not forget to worry about the safety of others.

This chapter is provided by . Visit for daily update.

Thinking to himself, Yue Feng responded, and then pretended to be afraid and hid behind a tree.

Speaking of which, at that moment, Yue Feng thought about helping out, but after thinking about it, he held back. These young people act too impulsive one by one, so let them sharpen them.

Facing five or six black sand pythons, Hua Ling and the others were able to cooperate with each other at first, but gradually, they couldn't bear it anymore. After all, these black sand pythons were too fast, especially the power of their tails.

Swish swish…

Seeing Hua Ling and others in danger, Yue Feng did not hesitate, picked up some small stones from the ground, turned with internal force, and flexed his fingers, and saw a few small stones whizzing out like bullets.

The next second, these small stones were impartial, and they were three inches above the heads of these black sand pythons. The black sand pythons were different from other snakes. The weaknesses of other snakes were all seven inches from the body, while the flaws of the black sand pythons, is on the top of the head.

Yue Feng shot quietly, Hua Ling and others did not see it.

The weak point was injured, and within a few days, the black sand python was successfully killed by Hua Ling and others.

Haha…

At this moment, when the inner alchemy was taken out, the entire Bloodstab mercenary team cheered.

“Fengtao!” Hua Ling walked over excitedly, her beautiful face was full of excitement, she said to Yue Feng: “As you say it, you brought us to the black sand python, this inner elixir is for you , as a reward.” As

he spoke, he was about to hand over an inner alchemy.

However, at this moment, Liu Hua suddenly stood in front of her and shouted: “Captain, why do you want to give him the inner alchemy? When we dealt with the black sand python just now, this kid was so frightened that he hid to the side, with no strength at all. If you don’t show up, how can you be entitled to get paid?” The

voice fell, and the other members nodded, looking at Yue Feng’s eyes with disgust.

“That’s right, we got it so hard, why should we give it to him?”

“Yes, and we came across these black sand pythons, he didn’t bring us to find them at all.”

“Captain, such a waste, It’s useless, just blow it away.”

Hearing these people’s words, Yue Feng was a little angry, Nima, if I hadn’t helped me secretly, all of you have been swallowed by the black sand python now, but I still hold back. .

Hua Ling was very determined, looked around and shouted: “Don’t talk about it, let’s talk, and Feng Tao reminded me just now.” After speaking

, Hua Ling put the inner pill in Yue Feng’s hand.

Chapter 2477

Yue Feng was not polite and put it away directly. In fact, Yue Feng didn’t care about the inner core of a black sand python, but if he didn’t accept it, he would be suspected. After all, he said he was hunting.

Seeing this scene, Liu Hua and others were all indignant, but they didn’t say anything anymore.

“Fengtao!” At this moment, Hua Ling looked at the depths shrouded in the poisonous mist in front of her, and said to Yue Feng, “Are there still many black sand python’s nests inside? Wait for you

to continue to lead the way, okay?”

Killing a few black sand pythons was far from Hua Ling’s goal.

What?

Yue Feng was stunned for a moment, not knowing whether to laugh or cry. This Hua Ling is really not afraid of death. The more you go into this Death Valley, the more dangerous it is. There are not only black sand pythons, but also other powerful beasts. no.

Thinking to himself, Yue Feng smiled and said: “Yes, but we have to discuss the reward again. No matter how many beasts you kill, the inner alchemy will give me 30%, otherwise, I will not lead the way.

” , Yue Feng’s face is resolute, there is no doubt.

Yue Feng knew that if he told them the truth directly, they would definitely not listen to him, so he deliberately raised his salary so that they could retreat in spite of difficulties.

Whoa!

As soon as the words fell, Liu Hua and others exploded immediately.

“Nima, what are you talking about?”

“You want 30%? What do you think of yourself? Do you really think we can’t do without you?”

“Captain, this is an insatiable greedy person. It’s because you are so good to him that he actually The lion opened his mouth.”

Hua Ling was also very angry, and said to Yue Feng: “Fengtao, 30% is too much, let’s discuss it.”

“No!” Yue Feng shook his head, very determined.

As far as Hua Ling’s people’s strength is concerned, in the edge area shrouded in the poisonous fog, it’s okay to kill wild beasts casually, but if they go deep, they can’t hold it back at all.

“You…”

Hua Ling got angry and stomped her feet: “Okay, I really saw the wrong person. If you don’t want to be a guide, we can also find the black sand python.” This person is so hateful, I thought he was a To be honest, I didn’t expect to be so greedy.

Saying that, Hua Ling waved her hand: “Let’s go.”

Liu Hua and the others glared at Yue Feng and walked towards the depths of the poisonous mist with Hua Ling.

What the fuck?

Seeing this scene, Yue Feng frowned and couldn’t help saying: “I advise you not to go, you will regret it without me.”

Hahaha…

Hearing this, Liu Hua and others couldn’t bear it. She burst out laughing, and then sneered.

“This piece of trash can’t get any benefit from us, so be anxious.”

“Mad, if you don’t follow, we’ll regret it? Just a joke…”

“Don’t pay attention to him.”

Seeing them all unmoved, Yue Feng sighed and had to follow slowly.

To tell the truth, if ten years ago, Yue Feng would have been too lazy to take care of these murderers, but now, Yue Feng really can’t bear to watch them go to death.

At this time, seeing Yue Feng following, Hua Ling’s face was full of frost, and she said tenderly, “Don’t follow us, get out of here.”

This man, he treats him well, but he opens his mouth like a lion, the more he sees it. more annoying.

Yue Feng smiled bitterly and was about to respond when he frowned when he saw Hua Ling behind everyone.

Chapter 2478

Seeing the change in Yue Feng’s expression, everyone in Hua Ling quickly turned around, and all of them were shocked.

I saw that another expedition, with a total of fifteen or six people, was slowly approaching, and each of them was not low in strength. The weakest was also the fifth-rank Martial Saint, and the strongest was the second-rank Martial Emperor.

Moreover, these people are also fully armed, and even wear anti-gas helmets, which are more advanced than Hua Ling's.

"Tsk tsk."

When they got to the front, the bald-headed group of people looked at Liu Hua and the others, and finally their eyes fell on Hua Ling. The accomplices around also looked straight.

After the fierce battle before, Hua Ling still had beads of sweat on her forehead, and with her beautiful face, she was indescribably charming, and the red leather jacket that set off the perfect curve was looming.

"I didn't expect to meet such a beautiful woman in such a bad place." The bald head looked at Hua Ling and said with a smile.

The voice fell, and the companions behind him all laughed evilly.

The bald-headed Wang Qiang is the head of the Snow Wolf Expedition Group. The expedition group is actually a group of robbers. Recently, various forces have prospered to explore the wild and strange areas. Wang Qiang also took his hands to try his luck, but no beasts were found. I met people like Hua Ling.

Swish!

Being stared at by Wang Qiang like this, Hua Ling felt uncomfortable, but she didn't get angry. She was the captain of the Bloodstab mercenary team, and her strength was only a Martial Emperor, and many of these bald people were in the Martial Emperor realm. , especially this bald head, the strength has reached the third stage of Martial Emperor, really fighting, not an opponent.

"Big brother!"

At this time, Liu Hua squeezed out a smile and flattered Wang Qiang: "Since fighting is all about exploring and hunting beasts, we should take care of each other…"

At this time, Liu Hua was flattering and flattering, and completely lost the arrogant attitude he had towards Yue Feng before.

Just before he finished speaking, he was interrupted by one of Wang Qiang's subordinates.

“Whose special code is your eldest brother?” A strong man walked over with a fierce face, slapped Liu Hua without warning, and slapped Liu Hua on the face: “Don’t get close to us.”

Slap!

With a crisp sound, Liu Hua snorted, and the whole person was beaten around in a circle, and finally sat on the ground with his buttocks.

Liu Hua covered his face and wanted to cry without tears.

Nima, who did you provoke? Can you be beaten for talking?

This is, Wang Qiang looked around, his eyes swept over Hua Ling and others, and sneered: “Look at your appearance, you have just experienced the battle, what kind of beasts did you kill?” The

voice fell, and the big man beside him followed. Shouted: “If you get the inner alchemy, call it out quickly, otherwise don’t blame us for being rude.”

This gang of robbers.

Hua Ling and a few team members looked at each other, and they were all angry. She had just killed a few black sand pythons with great effort. Why should the inner alchemy be given to them?

Thinking to himself, a Bloodthorn team member cautiously opened his mouth and said, “Brothers, how can we kill beasts, we just came in out of curiosity to have a look. We did encounter some black sand pythons just now, but we couldn’t beat them. No, just now. Run here.”

Hua Ling and the others quickly nodded in agreement.

Wang Qiang frowned and was suspicious.

“Several big brothers.”

At this moment, Liu Hua raised his finger and pointed at Yue Feng: “This guy is familiar with this area and knows where to find the black sand python.”

When he said this, Liu Hua’s eyes flickered with cunning. He knew that Wang Qiang and the others would not get any benefit and would not easily let them go. It would be better to turn their attention to Yue Feng. Hua Ling and a few, it is also easy to get away.

What the fuck?

Yue Feng was stunned for a moment, and couldn't help but glance at Liu Hua, a little angry, Nima, why did he turn the topic to himself all of a sudden? This kid is very insidious. He wants to use me as a shield?

Chapter 2479

Swish!

At this moment, the eyes of Wang Qiang and the others converged on Yue Feng.

In the next second, Wang Qiang walked over and looked at Yue Feng up and down: "Do you know where to find the black sand python?" Mad, this kid is dressed in animal skin and has a scar on his face. long time.

At this moment, Yue Feng's mind quickly turned, and then he smiled: "I know." To

be honest, Wang Qiang's group, in the eyes of others, are very powerful and can't be provoked, but they are not a threat to Yue Feng at all, but in order not to After revealing his identity, Yue Feng restrained the urge to take action.

"Very good!"

Wang Qiang showed a smile and said coldly: "Hurry up and take us there."

Then, he pointed at Hua Ling: "This beauty, let's go too. Don't try to refuse, I don't have a good temper. , annoyed me and killed all of you. I didn't scare you, you'd better not offend me."

Feeling Wang Qiang's ferocity, Hua Ling's tender body trembled, she was very panicked, and she didn't dare to refuse.

Yue Feng said with a smile: "Yes, let the beautiful women follow, it will be pleasing to the eyes."

Haha… Let you not listen to the advice before, but now you are being targeted by the bad guys, let's see if you have a long memory.

"You!"

Hua Ling glared at Yue Feng, she was so angry that this bastard, just because she had just rejected his request for compensation, is now schadenfreude, knowing that she should not have asked him to be a guide in the first place.

At this time, Hua Ling didn't know that Yue Feng did that for their safety.

"go!"

This is, Wang Qiang was too lazy to talk nonsense, ordered his subordinates to blast several Liu Hua away, and then forced Yue Feng and Hua Ling to walk towards the woods ahead.

At this moment, Liu Hua and the other team members stood there, crying and grimacing. They wanted to rush over and rescue Hua Ling, but they didn't have the courage.

On the other side, under the guidance of Yue Feng, Wang Qiang and the others walked towards a special area in Death Valley, the Lost Forest and Flower Sea.

Along the way, because of anger, Hua Ling didn't even look at Yue Feng, her face was pretty and charming.

Yue Feng didn't take it to heart.

Half an hour later, when she arrived at the place, Hua Ling's delicate body trembled when she saw the scene in front of her, and she was stunned.

I saw that there was a huge sea of flowers in front of me, surrounded by mist, sparse shrubs, dotted among them, clusters of flowers competing for beauty, completely a sea of flowers, just like a paradise.

Hua Ling was stunned for a moment, and couldn't help but muttered: "It's so beautiful." I thought that the wild and strange realm was a harsh environment like hell, but I never thought that there is such a beautiful place.

Wang Qiang and others next to him were also dumbfounded.

Yue Feng stood aside with a deep smile on his lips.

The 'Lost Forest and Flower Sea' in front of you seems to have beautiful scenery, but it is also the most dangerous place in Death Valley. The exotic flowers and plants here look beautiful, but they are actually highly poisonous. Comatose odors, these odors can cause hallucinations.

The mist shrouded in the surroundings was formed by the convergence of these hallucinogenic smells.

"Come into my arms."

At this time, Yue Feng silently used his internal force to form an invisible protective gas shield around his body, and then whispered to Hua Ling. This hood can keep out those hallucinogenic mists. Yue Feng brought everyone here because he wanted to use these hallucinatory mists to deal with Wang Qiang and others, and naturally he didn't want Hua Ling to be recruited.

Swish!

Hearing this, Hua Ling's face flushed, she was embarrassed and angry, she glared at Yue Feng: "Despicable and shameless, get out!"

This bastard is not only greedy for money, but also lustful. He wants to take advantage of himself, which is really hateful.

Chapter 2480

When she said this, Hua Ling couldn't hide her contempt and distanced herself from Yue Feng.

At this time, Hua Ling only felt that the person in front of her was getting more and more disgusting.

However, while pulling the distance, Hua Ling accidentally inhaled the mist.

broken!

Seeing this scene, Yue Feng was speechless, alas, he wanted to protect her by letting her hide in his arms, but in the end, he was kind-hearted as a donkey's liver and lungs.

"Boy!"

At this moment, Wang Qiang and others finished admiring the beautiful scenery, and they reacted and shouted angrily at Yue Feng.

"Where's the black sand python?"

"Made, you won't play with us, right?"

"This kind of place is so clear at a glance, how could there be a black sand python's lair?"

While questioning, Wang Qiang and the others slowly surrounded Yue Feng. come over.

While paying attention to Hua Ling's situation, Yue Feng squeezed out a smile and looked very panicked: "Brothers, I really didn't lie to you, this is the lair of the black sand python."

"The black sand python is very cunning, It's hidden in these bushes, by the way, have you seen the fog? Where the fog is thick, it proves that there is a black sand python lurking."

Hearing this, Wang Qiang and others did not doubt, they all pulled out their weapons and turned towards the fog. The rich place rushed over, one by one couldn't wait.

"Haha, I must hunt and kill today."

"Boss, when we get the Black Sand Python Inner Pill, let's take a break and play with that beauty…"

"Haha, that's exactly what I mean."

Saying unbearable words, Wang Qiang and others also entered the depths of the fog, that is, at that moment, they all inhaled the fog, dizzy, and their eyes were instantly congested.

Immediately afterwards, Wang Qiang's group, like crazy, clenched their weapons and began to kill each other.

"Heisha Python, I saw Heisha Python, haha, go to hell…"

"Huh? Dare to grab the inner alchemy with me? Looking for death…"

"The inner alchemy is mine…" I

have to say , the hallucinogenic effect in these mists is too strong, Wang Qiang and others are getting more and more crazy, and their shots are getting more and more ruthless.

For a while, roars kept coming, blood was flying, and screams kept coming.

Seeing this scene, Yue Feng's face was expressionless, but his heart was secretly frightened.

To be honest, these scumbags die when they die, and they don't feel a pity at all, but seeing them killing each other, such a tragic scene, is still moving.

This….

Seeing this scene, Hua Ling's delicate body trembled, and she was indescribably shocked.

What's the situation? Are they not their own? Why did it start suddenly? And it's so ruthless.

At this time, Hua Ling's brain was still somewhat awake because she inhaled less mist.

call.

Seeing her look of astonishment, Yue Feng took a deep breath, his eyes flickered, and slowly said: “There are no black sand pythons here. I brought them here to use the mist to deal with them.”

“This mist is poisonous, and It has a hallucinogenic effect, and the more people inhale it, the more people will lose their minds and lose their minds completely.”

Hearing this, Hua Ling was stunned, staring blankly at Yue Feng, speechless.

This person seems to be ordinary, but he knows so much, but he is not strong, it is impossible for him to explore such a dangerous place by himself. How does he know this?

The ultimate husband in Chinese chapter 2481-2490

Chapter 2481

Thought, Hua Ling couldn't help but said, "Do you have a way to crack it?" After

speaking, Hua Ling couldn't help covering her forehead. As she inhaled more and more mist, she felt a little dizzy at this time. My legs were so weak that I couldn't stand.

"I…" Yue Feng wanted to say that I have it, but as soon as he said a word, he saw Hua Ling's delicate body trembling, and suddenly threw herself into Yue Feng's arms, her eyes were hazy, and she was very excited at the same time. : "Father, I miss you so much, I miss you so much."

Huh?

Still hallucinations.

With the warmth in his arms, Yue Feng was stunned for a moment, and at the same time secretly sighed in his heart. This Hua Ling, if she didn't contradict herself just now, wouldn't have inhaled the poisonous mist and lost her mind.

However, looking at her state, it seems that her father has died.

Yue Feng guessed right, Hua Ling's life experience is very pitiful. For thousands of years, because of the war, Hua Ling was forced to leave her hometown and wandered around with her father. One year ago, her father died of a terminal illness. Hua Ling was very sad. Although she later founded the Bloodthorn Mercenary Team, she looked like a strong woman, but when the night was quiet, she still missed her father.

At this time, Hua Ling was affected by the fog and had hallucinations, and directly regarded Yue Feng as her dead father.

Guessing this, Yue Feng was very emotional, and reached out and patted Hua Ling's shoulder.

"Okay, good daughter, don't cry, your father is by your side."

Hiss!

At the same time as comforting, he felt the aromas coming, and Yue Feng was also a little confused. I have to say that Hua Ling's figure is really good. Especially the pitiful appearance of this Chu Chu is really charming.

After hugging for a while, watching Hua Ling's mood gradually stabilize, Yue Feng picked up a flower and leaf from under his feet and placed it in front of Hua Ling's nose.

Yes, this kind of flower and leaf is the nemesis of fog.

In an instant, Hua Ling's whole body trembled, and her mind was instantly awake!

The first time I woke up, I found that Yue Feng was hugging him, and his body trembled suddenly!

Swish!

Hua Ling's face was flushed, and she hurriedly broke free from Yue Feng's embrace. He stared at Yue Feng with shame and anger: "You…you despicable bastard, you…you want to sully me…I want to kill you."

This lecher took advantage of himself to enter hallucinations When you take advantage of yourself, it's not a pity to die.

Thinking to herself, Hua Ling was going to kill Yue Feng, but she had absorbed the mist just now, which made her body very weak and could not exert any strength.

What the hell!

Yue Feng was very depressed. This girl, who is not very talented and has a good temper, saved her life by herself. If she is not grateful, she will kill herself.

Muttering in his heart, Yue Feng looked at Hua Ling with a smile: "Miss Hua, this is your fault, I just saved you, how can you avenge your revenge?"

"Bah!" Hua Ling's pretty face blushed, She couldn't help but spit: "You despicable villain, don't be hypocritical." With

that, Hua Ling pointed at Wang Qiang and the others who were lying in a pool of blood not far away, and was furious: "Though these people are hateful, they are also indignant. You can't die, you are so insidious, you led them here to kill them all, you…you are a devil, an out-and-out bastard."

"I…" Feeling Hua Ling's disgust and anger , Yue Feng wanted to cry without tears.

This Nima, who did a good deed by herself, even ended up scolding, provoke whoever provokes whoever.

Thinking to himself, Yue Feng endured his anger and patiently said: "Okay, you can say whatever you want, but in this place, without me leading the way, you can't get out alive."

Immediately, Yue Feng was the first to lead the way: “Let’s go!”

However, Hua Ling stood there still, with disgust and anger in her eyes: “I won’t go with you, let alone let you save, you Get out, get out of the way, don’t bother me anymore.”

Yue Fengqi smirked: “You really don’t want me to lead the way?”

Hua Ling snorted coldly, too lazy to respond.

good!

Yue Feng nodded, turned and walked slowly into the distance: “Don’t regret it later.”

Chapter 2482

Hearing this, Hua Ling was angry and ridiculous.

I’ll regret leaving you bastard?

hiss!

While thinking about it, she suddenly heard a humming sound behind her. Hua Ling looked back subconsciously, her face turned pale, and she couldn’t help exclaiming.

I just saw the endless sea of flowers behind me. I don’t know when a group of poisonous bees flew out. These poisonous bees, each of which was the size of a fist, glowed with a cold light, which made people’s pores horrified. It is hard to imagine what it would feel like to be stung by such a poisonous bee.

Hearing the shouting, Yue Feng stopped and looked at Hua Ling with a smile and didn’t speak.

Hua Ling was terrified. Seeing that the poisonous bees were not approaching, but kept flying around, she quickly shouted, “Hey, Fengtao, come and save me.”

Haha…

Yue Feng was instantly happy. He smiled and said, “Ms. Hua, you said just now that you didn’t let me save you, but let me go far away, and now you’re begging me to save you, which makes me very embarrassed.”

When he said this, Yue The wind looked relaxed and did not worry about it.

Yes, these poisonous bees are ferocious, but Yue Feng has taken the inner pill of the Sky-eye Scorpion King, which is invulnerable to all poisons, so it has a strong deterrent effect on these poisonous insects. It can also be said that Yue Feng is here, these

poisonous bees are not Dare to act rashly, but as soon as Yue Feng left, Hua Ling was finished.

“I…”

Hua Ling bit her lip tightly and said softly, “I was wrong, please help me.”

Every woman has a timid side, Hua Ling is the same, as a blood thorn Captain, Hua Ling is not afraid of those large beasts, but she is naturally afraid of these poisonous insects. At this time, seeing so many poisonous bees flying around, her legs are weak.

Yue Feng showed a smile and shook his head: “No, it’s not sincere.”

Hua Ling stomped her feet, her face flushed with anger: “You…what do you want?”

Yue Feng couldn’t help laughing, Seriously: “It’s not about me, but what do you want? Just now you kept telling me to get out, and now you ask me to save you, what do you think I am?”

Hua Ling almost cried when she heard this. , bit her lip so hard that she was about to bleed.

Yue Feng originally wanted to teach him a lesson, so that she would stop being so willful in the future.

At this moment, seeing that she was about to cry, Yue Feng smiled and said, “Well, let me save you, but you have to call me a good brother first .

“

It was hot, like a burning cloud, ashamed and angry.

This bastard is getting better and better. He took advantage of himself before, and now he makes himself call him good brother. Such a shameless person is really hateful.

However, if you don’t call, what will these poisonous bees do?

You know, this is the depths of Death Valley. If he leaves, I am afraid that there will be no second help.

However, those two words are really indescribable.

Yue Feng hugged his arms and sat in the middle of the flowers, looking very leisurely, looked at her with a smile, and said, “Miss Hua, are you calling me? If you don’t scream, I can leave.”

“You… bastard!”

Hua Ling was furious, this Feng Tao, he is a scoundrel! Now she only hates that she is not strong and inexperienced, that she would fall into such a situation, and even more irritating, she also encountered such a bastard and was so humiliated by him.

Hua Ling was furious and stared at Yue Feng. If eyes can kill, it is estimated that Yue Feng is riddled with holes.

“The personality is really strong.” Yue Feng shook his head regretfully: “Okay, in this case, we will have a future.” The

voice fell, and Yue Feng was about to turn around and leave.

“etc!”

Chapter 2483

Hua Ling was in a hurry, bit her lip tightly, and almost blurted out: “Is my name not enough? Brother, good brother, good brother…” When the

voice fell, her face was flushed red, as if she was familiar like apples.

“Haha, good sister is really good.”

Yue Feng couldn’t help laughing, then folded a flower and chased away the poisonous bees a few times.

Buzz…

In an instant, the group of poisonous bees dispersed and flew into the distance.

Yes, Yue Feng is pretending, that flower can’t drive away the poisonous bees at all. What the poisonous bees are really afraid of is Yue Feng, but Yue Feng doesn’t want to reveal his identity, so he can only try to hide it.

Seeing this scene, Hua Ling was very shocked.

This man is so familiar with this place, how many secrets does he have?

The next second, thinking of the scene just now, Hua Ling’s delicate face suddenly flushed, embarrassed and angry. She never dreamed that, as Captain of Bloodthorn, a strong woman who was fearless in the eyes of others, would be soft on a man.

Chi Chi…

Just when Hua Ling was thinking about this, she saw that her helmet and clothes on her body were rapidly corroding, especially her clothes, which corroded most of them in the blink of an eye, revealing her smooth skin.

Yue Feng had said before that the further you went into the depths of Death Valley, the more powerful the poisonous fog became. Hua Ling had been here for too long, and her clothes could no longer hold up.

“You…don’t look at it!” At this moment, seeing Yue Feng staring at her without blinking, Hua Ling bit her lip and shouted tenderly, “Look at you again and goug out your eyes.”

Yo? Still so fierce?

Yue Feng was stunned and looked more carefully.

I have to say that Hua Ling’s figure is really tight.

“You!” Hua Ling’s face was extremely blushing. She regretted it. She knew this and asked him to be her guide.

Yue Feng looked at her with a smile, and after watching it for dozens of seconds, he smiled slightly and said, “It’s just the two of us here, what are you afraid of? Besides, I just glanced at it, and I won’t do anything to you? “

You!” Hua Ling stomped her feet in a hurry: “If you hadn’t brought us here, I would have become what I am now?!”

This person is so hateful.

Thinking to herself, Hua Ling realized something and stared at Yue Feng: “Why are you all right?!” Hua Ling

clearly saw that Yue Feng was covered in animal skins, but it was not affected by the poisonous mist at all, and it was a little corrosive. There are no signs.

At this time, Hua Ling didn’t know that Yue Feng had a physique that was invulnerable to all poisons, and his internal strength was strong.

“Oh!” Yue Feng said with a smile: “The animal skin on my body can withstand the poisonous mist. Don’t forget that the beasts that can live here are not afraid of the poisonous gas. This is basic common sense.”

Hearing this , Hua Ling was in a hurry: “You have animal skins to wear, what should I do? You…”

When she said this, Hua Ling bit her lip, and the poisonous mist around her continued to corrode. He couldn't hold it any longer, and there was a hint of pain on his delicate face.

Seeing this scene, Yue Feng said with a smile: "Well, come to my arms, let's wear animal skins together, so you don't have to worry, wait for the poisonous fog area, and I will help you make a set of animal skins. Clothes. Now you come to my arms first, come quickly."

Said, Yue Feng said helplessly: "Actually, I asked you to come into my arms just now, just to protect you like this, who knows you don't know well Hearts, alas."

What?

Hua Ling's face was extremely red.

Wearing animal skins with him? In this case, wouldn't there be skin-to-skin contact?

This Feng Tao seems to be sincere, but he didn't expect it to be so hateful.

Chapter 2484

But in order to resist the poisonous fog around her, her internal strength is almost exhausted. If you don't do what Yue Feng said, you will die here. The thought of being corroded and killed by the poisonous fog makes Hua Ling's tender body tremble and shudder.

Finally, after a struggle in her heart, Hua Ling had to accept the reality, bit her lip, and walked over to Yue Feng's arms, sharing the animal skin coat.

smell good.

At this moment, Yue Feng smelled a fragrance blowing towards his face, and the whole person was fascinated, and a pair of eyes couldn't help but look at Hua Ling from a close distance.

I have to say that Hua Ling's figure is simply too perfect.

At this time, the two people's bodies were close to each other, which was very ambiguous. At this time, if other team members were present, they would definitely be stunned.

The captain, who is always aloof, is not afraid of the sky and the earth, but he even compromised with Yue Feng.

Feeling Yue Feng's smiling eyes, Hua Ling bit her lip and was about to bleed. She felt uncomfortable, but didn't dare to move.

Because of any movement, the skin will be exposed to the air and corroded by the poisonous mist.

"Fengtao, when you get to a safe place, don't have bad thoughts on me, otherwise, I'd rather die than let you go."

"You think too much, I'm not interested in you."

"You… "

I don't know how long it took, Yue Feng and Hua Ling finally walked out of the area shrouded in poisonous fog.

Yue Feng took out an animal skin from the spirit beast bag and made a simple coat for Hua Ling.

"You…" Hua Ling was so angry that she glared at Yue Feng: "You have animal skins on your body, why did you just take it out now." This Feng Tao is really abominable, and she was tricked by him again.

Yue Feng didn't know whether to laugh or cry: "If I used animal skins to make clothes in the place just now, would you be able to withstand the poisonous fog?"

Hearing this, Hua Ling's pretty face flushed and she was speechless for a while.

"Fengtao, I warn you, if you dare to speak out about what happened just now, I won't forgive you." Hua Ling looked at Yue Feng and said incomparably shameful and angry.

When she said this, Hua Ling felt an indescribable anger and depression in her heart.

After all, he is also the captain of the Bloodthorn mercenary team, Bing Qing Yujie, but just now, he actually stayed close to Yue Feng for so long.

If this thing spreads out, how would those members of your team think of you?

Yue Feng pretended not to hear clearly, plucked out his ears, and said with a smile: "Miss Hua, I don't understand what you said, what happened to the two of us just now?"

Hahaha… This Hua Ling is so interesting. This coquettish look is simply too charming.

"You…"

Hua Ling bit her lip, angrily, but she was speechless.

Yes, although the action was a little more intimate just now, but then again, Feng Tao really didn't do anything to him.

"Captain!"

Just as he was talking, he heard a loud cry not far away, his tone was full of excitement and joy, and then a few people hurried up to greet him, it was Liu Hua and the others. Before being threatened by Wang Qiang, Liu Hua did not dare to keep up, but they did not want to abandon Hua Ling, so they had to wait here.

When they got to the front, when they saw Hua Ling's condition, several people were stunned.

This… what's the situation?

I saw that Hua Ling was wearing the same animal skin as Yue Feng, and looked very weak, but her face was blushing.

Hua Ling's face was hot and embarrassed.

Yue Feng had a calm expression on his face.

mad.

Finally, Liu Hua reacted and howled at Yue Feng: "Fuck you, you bastard, what have you done to our captain?" After the

voice fell, Liu Hua clenched the long knife and pointed directly at Yue. The wind rushed over.

Liu Hua has always liked Hua Ling. Seeing her so embarrassed at this time, he believes that it is Yue Feng's harm. Moreover, Liu Hua has always been displeased with Yue Feng, and all of a sudden, his anger erupted.

Chapter 2485

At the same time, other team members rushed up.

Yue Feng didn't panic at all, but turned his head towards Hua Ling and smiled: "Good sister, your team members have a lot of prejudice against me, you won't help explain it?"

What?

Hearing this, Liu Hua was outraged. This trash actually called the captain a good sister? In anger, he accelerated.

“Stop it!”

Seeing that the long knife was about to slash Yue Feng, Hua Ling couldn’t help but shouted: “You all stop making trouble, can you?”

Seeing Hua Ling’s anger, Liu Hua and the others didn’t dare to act rashly.

But Liu Hua didn’t give up and asked Hua Ling, “Captain, what’s the situation?” The two of them were not taken away by Wang Qiang’s gang before, so how come they were the only ones who came back, and they were still wearing the same beasts Leather clothes?

Hua Ling was so annoyed that she said angrily, “What’s the matter with you?”

Liu Hua’s expression stiffened and he didn’t dare to refute. He tilted his head to look at Yue Feng, his eyes almost bursting with fire, Ma De, it must be this piece of shit. ghost.

After the previous experience, Hua Ling was a little tired and frustrated at the same time, so she found a safe place and temporarily set up a camp to rest.

night.

Yue Feng was lying on the grass, thinking secretly in his heart that he would persuade Hua Ling and the others tomorrow morning.

While thinking about it, he heard Liu Hua and his teammates whispering not far away, Yue Feng quickly sat up, and listened to what they were talking about.

“Ma De… That trash Fengtao must have done something to make the captain so angry.”

“I’m so angry when I see him, deputy team, what do you say?”

“Hey, tomorrow morning, poison this kid’s food and kill him directly.

” Keep the sound very low.

But Yue Feng’s realm at this time is almost listening to all directions, so he can hear it clearly.

Nima!

This kid Liu Hua is so sinister, he wants to poison himself. If you want to play, okay, let’s have a good time with you.

Thinking of this, the corner of Yue Feng's mouth evoked a sneer. Immediately lay down and rested, until the early morning, when Liu Hua and others fell asleep, then stood up and carefully searched the baggage of several people.

Finally, on Liu Hua's body, he took out a small medicine bottle.

Seeing the medicine bottle, Yue Feng showed a smile.

Early the next morning, several Liu Hua got up one after another. Seeing that Yue Feng was sleeping soundly, they all sneered. Then, under Liu Hua's instruction, the two team members lost one in Yue Feng's kettle. Black elixir.

After doing this, a few people pretended that nothing happened, then set up a bonfire and started to cook game.

Soon, the aroma of meat was overflowing, and Liu Hua and the others were very excited, and they took out wine one after another.

After three rounds of drinking, Liu Hua suddenly frowned and his face became a little dignified!

Strange, I was fine just now, why do I suddenly feel sore all over? Moreover, why does this symptom look like the cartilage that I brought with me?

At the same time, several team members were also pale and sweating.

Hua Ling was in a bad mood, rested not far away, and didn't notice the abnormality here.

At this moment, Yue Feng sat up slowly and looked at Liu Hua with a half-smiling smile: "How do you feel after taking your own medicine? Are you feeling sore all over and sweating down? The purity of the medicine. It's alright."

Speaking of which, Yue Feng walked to the campfire, tore off a piece of meat and stuffed it here, pouting, "The meat doesn't taste good." Huh

.

Seeing this scene, Liu Hua and the others were dumbfounded, staring at Yue Feng, shocked and angry.

Nima, how did this kid know what he planned? Also, when did he drop the medicine and he didn't know?

The ultimate husband in Chinese chapter 2486-2490

Chapter 2486

Looking at the expressions of Liu Hua and others, Yue Feng said with a smile: “The heart of harming others must not have the heart of preventing others.”

Mad!

Hearing this, Liu Hua’s eyes spit fire, is this trash still pretending to be in front of him?

Thinking to himself, Liu Hua quickly touched his pocket and quickly took out the antidote.

Liu Hua thought about it, no matter how this kid saw through it, he quickly took the antidote and taught him a lesson. Anyway, his face was torn, and there was no need to continue acting.

Soon, Liu Hua took out the antidote, and after dividing it with several team members, he quickly took it one by one.

However, to Liu Hua’s astonishment, after taking the antidote, not only did his physical condition not improve, but it became more serious.

“You… what did you give us?” Liu Hua said in shock.

Yue Feng smiled slightly: “You can’t solve your own drug addiction, it’s really sad.”

Yes, when Yue Feng drugged Liu Hua and everyone, he put some things on the basis of the drug, Yue Feng was originally The master of alchemy has superb medical skills, and it is easy to improve a magical medicine.

Liu Hua was shocked and angry. The trash in front of him seemed useless, but he didn’t expect it to be so cunning.

At this moment, seeing the situation here, Hua Ling came over.

When she got to the front, Hua Ling was startled when she saw the situation of Liu Hua and others. Then, she frowned and said to Yue Feng, “What’s the matter? What did you do to them?

” Tao, getting more and more eccentric, not only knew the environment of Death Valley, but also acted unpredictably.

Ha ha…

This chapter is provided by . Visit for daily update.

Yue Feng sat there leisurely, and said lightly, “It’s not what I did to them. If you want to know, just ask them.”

Hearing this, Hua Ling frowned and turned to look at Liu Hua.

Liu Hua was depressed and frightened again, so he told the situation.

What?

Knowing the situation, Hua Ling stomped her feet angrily: “Liu Hua, you guys are too rambunctious.” Although this wind wave is hateful, it is not to be poisoned to death.

“Brother Fengtao, I was wrong, I was wrong…” Liu Hua was about to cry, and kept bowing to Yue Feng to apologize.

At this time, Liu Hua only felt that his body was getting weaker and weaker, and if it dragged on for a long time, he would die.

However, Yue Feng pretended not to hear it.

Liu Hua was so anxious that he said to Hua Ling, “Captain, please help us to beg for mercy, I don’t want to die.” To

be honest, Liu Hua was reluctant to ask the captain to intercede, but he had no choice. Who doesn’t want to live.

call!

Hua Ling gave him a stern look, then came over, stood in front of Yue Feng, and said softly: “Fengtao, save them, they are also making a fool of yourself, don’t they really want you to die.”

“Really?” Yue Feng With no expression on his face, he said lightly: “Fortunately, I found out in time, otherwise, the person who fell on the ground now is me. Since they want me to die, why should I help them?”

“You…” Hua Ling’s face Rising red, speechless for a while.

Seeing the change in her expression, Yue Feng breathed a sigh of relief, and said leisurely: “But I can save them, you can show your sincerity.”

Hua Ling’s delicate body trembled, why didn’t she know what Yue Feng meant? Annoyed: “Fengtao, don’t go too far.”

Excessive?

Yue Feng couldn't help laughing, and looked at Hua Ling with a smile: "Who is going too far? They want my life, and I didn't ask you to do anything."

Phew!

Hua Ling took a deep breath, hesitated, and said softly, "Good brother, please, save them."

What?

Chapter 2487 When the

voice fell, Liu Hua was stunned, thinking he heard it wrong.

This… the captain called this kid a good brother? You must know that in the Bloodthorn mercenary team, Hua Ling has always been the captain of the high-ranking team. Although she is a woman, she has never compromised in the face of anything. At this time, she is so gentle to a waste?

Especially Liu Hua, almost going crazy.

Hua Ling is his goddess and the woman he wants to get all his life. Who can stand being coquettish to other men at this time?

However, in order to survive, Liu Hua held back.

Um!

Seeing Hua Ling put down her posture, Yue Feng showed a smile and nodded with satisfaction: "Okay, you can be considered sincere. I'll save them."

With that, Yue Feng walked up to Liu Hua and the others, and said lightly: "Today, because of your captain's face, I don't care about you. If there is another time, the consequences will be at your own risk, but if you want an antidote, you all have to show your attitude, understand?" To

deal with this kind of villain, Yue Feng Never pretend.

"I was wrong, I really know I was wrong." Liu Hua lay there, begging for mercy. Several teammates behind him were also crying.

Yue Feng chuckled: "This is your attitude? Kneel down and call Dad, and I'll give you the antidote."

Hearing this, Liu Hua's face changed suddenly, and he was extremely angry.

This kid is getting more and more excessive. The captain is begging for mercy, and he dares to make things difficult for himself.

“It’s not expensive!” Yue Feng was too lazy to talk nonsense, he said coldly, and was about to turn around and leave.

“I kneel.” Liu Hua panicked. At this moment, he put down his dignity, bent his knees, and knelt in front of Yue Feng.

Putong putong…

At the same time, several team members also knelt down.

“Brother Fengtao, I don’t dare anymore, give me the antidote, I beg you.” Liu Hua knelt there, almost crying.

“It’s okay to give the antidote.” Yue Feng looked at him with a half-smile. Indifferently said: “However, what do you call me?”

Speaking of which, Yue Feng leaned forward. He looked down at Liu Hua.

Liu Hua knelt there, and his heart suddenly trembled. How could he not know what Yue Feng meant.

“Dad…Dad.” Liu Hua whispered, not daring to look at Yue Feng.

“Dad…” The team members behind him also hurriedly shouted.

At this time, these people couldn’t tell the fire in their hearts. They thought they could easily get rid of this waste, but they didn’t expect that it would end up in his hands, and at this time, they even called his father humiliatingly.

Um!

Yue Feng nodded with satisfaction, and said with a chuckle, “You have to be so respectful when you see me in the future, understand?”

Liu Hua nodded quickly.

Yue Feng stopped talking nonsense, took out the antidote, and threw it to them.

Liu Hua and the others quickly picked it up and took it without hesitation. After a while, one by one regained their strength and their complexion returned to normal.

Seeing this scene, Hua Ling looked at Yue Feng complicatedly, and was secretly surprised.

Unexpectedly, this Feng Tao has a very good way of dealing with people. You must know that Liu Hua, a group of arrogant people, never convinces people easily.

Aware of Hua Ling's gaze, Yue Feng came over and said with a smile: "What do you see me doing? You don't like me, do you?"

Hua Ling's face turned red all of a sudden, and she said angrily: "Small stinky."

Yue Feng smiled and said seriously: "By the way, do you still want to continue exploring Death Valley? I advise you to use your strengths. , I'm lucky to be able to kill a few black sand pythons, continue to investigate, I'm afraid I will lose my life here."

Yue Feng is not alarmist, Death Valley is the most dangerous area in the wild and strange realm, although Hua Ling has reached the The second stage of the Martial Emperor, but with such strength, it is far from enough to explore the wild and strange realm.

Hua Ling was stunned for a moment, then bit her lip and said, "You don't need to remind me, I was going to go back."

When Chapter 2488

said this, Hua Ling was a little unwilling. You know, I prepared for more than a month before I came, and it was a pity to leave like this.

But there is no way, the technical equipment in the team is almost destroyed, and everyone is exhausted, continuing to investigate, no doubt seeking death.

Haha…

Hearing this, Yue Feng showed a smile: "That's right, I'm leaving too, let's go together and take care of each other."

This Hua Ling is still a bit self-aware, Yue Feng thought about it, if She insisted on continuing to explore, and she left with her only son, and she would no longer care.

Hua Ling said angrily: "Whatever you want."

Seriously, at this moment, Hua Ling wanted to refuse. In her opinion, this Feng Tao is cunning and cunning, especially her previous experience, she is even more embarrassed and angry. I don't want to see him again, but thinking of the harsh environment here, Feng Tao is familiar with this area, and he can follow him just in case.

A few minutes later, Hua Ling packed up and left Death Valley with Yue Feng.

call!

The moment he walked out of the valley of death, Yue Feng looked back at the sinister valley, filled with emotion.

Two hours later, Yue Feng followed Hua Ling and the others to a border town on the border between the Wild and Strange Domain and Kyushu.

When he entered the town, Yue Feng was stunned. It was not far from the original battlefield. Yue Feng clearly remembered that three years ago, this place was still a barren land, but he did not expect that in just three years, it was built. out of a town.

The town is called Heishui Town. In recent years, due to many forces in the Kyushu mainland, people have been sent to explore the wild and strange realm. There are many people, and a town has been formed here. Of course, most of the people who come and go here are cultivators. , very rare for ordinary people.

Yue Feng followed Hua Ling and others on the streets of Heishui Town, attracting the attention of many people.

Yue Feng was dressed in animal skin, with long hair and a shawl. There were three scars on his face. No matter how he looked, he looked like a savage from the mountains.

Yue Feng didn't care about the gazes of passers-by, and kept looking around, looking at the town in front of him.

Yue Feng saw that this Heishui Town was not big, but there were many shops and people came and went very lively.

When they reached the busiest street, Hua Ling asked Liu Hua and others to go back to the inn to rest, and then went to the black market to sell the inner alchemy and the skin of the black sand python. The black sand python that had been killed before, not only took out the inner alchemy, but also the snake skin. Leave. You must know that the snake skin of the black sand python is very special. In ordinary society, it can make luxurious leather goods, which is very valuable.

Knowing that there is a black market here, Yue Feng became interested and said with a smile, "I'll go take a look too."

Hua Ling tilted her head to look at him and contradicted: "What are you going to do?"

Yue Feng smiled slightly: "I also sell inside. Dan, as long as you make money, no one else is allowed to take advantage."

Hearing this, Hua Ling was helpless and had to let him follow.

A few minutes later, he arrived at a private trading house, the so-called black market, that is, a private trading house. Yue Feng saw that the trading house was very large, a whole six-storey building, with several large characters written on the plaque at the entrance: Yellow day deals.

“Huangtian Trading? This name is quite special.” Yue Feng couldn’t help muttering.

Hua Ling couldn’t help mocking: “You don’t even know about Huangtian Trading, do you? I really doubt that you are really from the mainland of Kyushu.”

Yue Feng’s heart moved: “What? You have a big background? “

Hua Ling laughed and explained. It turned out that, as more and more practitioners went to the wild and strange realm to investigate, the black market, that is, private trading houses, flourished rapidly. Among them, Huang Tian Trading Bank The largest scale, with branches all over Kyushu, the absolute strength.

What’s more worth mentioning is that the boss behind Huang Tian’s transaction is very mysterious. No one knows his surname, and no one has ever seen it.

What the hell!

After listening to this, Yue Feng frowned secretly and couldn’t help saying: “I didn’t expect a trading house to have such a scale. By the way, do you know Tianmen?” I

haven’t come back for three years, and I don’t know how Tianmen is developing.

“Tianmen.” Hua Ling’s eyes flashed with a kind of reverence: “That is the most powerful sect in the Kyushu continent, with countless disciples, I tell you, my idol is the Tianmen sect master Yue Feng, but unfortunately, I heard that He’s missing.”

Hearing this, Yue Feng was instantly happy.

Chapter 2489

Haha… I can’t tell, this Hua Ling is still her own fan.

While talking, the two entered the trading hall.

Yue Feng saw that there were a lot of people gathered inside, all of them were cultivators, and their strength was not low. They were talking to the staff of the trading house. In addition to the lobby, there were also VIP areas, as well as cafes, lounges, and so on.

Not to mention the decoration, in the entire Heishui Town, it is considered top luxury.

Swish!

As soon as Yue Feng and Hua Ling came in, many people looked over. Of course, many people were attracted by Yue Feng.

“Haha, where did the savage come from?” “

What mountain

did this come from? It made me laugh.” “At first glance, it’s a bastard who has never seen the world.”

His face turned red all of a sudden, and he felt very embarrassed.

This Fengtao told him not to follow him, he had to follow him shamelessly, now that it’s alright, it’s too embarrassing to follow him.

Yue Feng didn’t mind at all.

At this time, a working lady came over and smiled at Hua Ling: “Miss, do you need help?” As she said, she couldn’t hide her contemptuous glance at Yue Feng.

This working lady is about twenty-five, looks handsome, dressed in black business attire, and looks refreshing.

I didn’t expect that there was such a beautiful woman in this trading house.

It’s just… some power.

Yue Feng muttered to himself, chuckling softly.

Hua Ling took out the inner elixir from her body and handed it to the lady at work: “Please, give me money, thank you.”

“Okay.” The lady at work nodded politely.

At this time, Yue Feng also wanted to take out some inner alchemy from the spirit beast bag to see how much he could exchange for it. As a result, the working lady didn’t even look at him, turned around and left, and returned the money to Hua Ling.

What the fuck?

Yue Feng was speechless.

“Tsk tsk.”

At this moment, a well-dressed young man walked over slowly and looked at Hua Ling with a smile: “Isn’t this Miss Hua? Long time no see.” The

young man looked in his twenties, Two bodyguards followed behind. When he was talking, he kept looking at Hua Ling up and down, and at first glance it was a playboy.

The young man’s name is Liu Xi, the young master of a cultivating family in the Yellowstone mainland. In recent years, because the exploration of the wild and strange realm has become more and more popular, the Liu family has also set up an industry in Heishui Town.

“Liu Shao!”

Seeing him, Hua Ling was obviously a little nervous, bit her lip and said, “I… I’ll pay you back soon, can you give me a few more days, okay?

” Small, for fear of being heard by the people around.

A year ago, Hua Ling’s father was seriously ill and was short of money to save his life. Hua Ling borrowed a large amount of money from the financial company in charge of Liu Xi, but the money was spent, and in the end, his father was not saved.

In order to pay back the money, Hua Ling took the Bloodthorn mercenary team to take an adventure in the wild and strange realm.

Liu Xi smiled without saying a word, still looking at Hua Ling up and down.

At this time, the working lady took the money, Hua Ling took it, and hurriedly handed it to Liu Xi: “Liu Shao, at this time, what I have earned in the past few days, I will give it to you first, and I will return the rest as soon as possible. .”

Chapter 2490

However, Liu Xi didn’t answer, but pushed it back and said with a smile: “Miss Hua, I don’t care much about money, why don’t you do it like this, you don’t have to pay back the money if you are my woman. , just enjoy the glory and wealth in the future.”

Swish.

Hearing this, Hua Ling was a little embarrassed, but she still held back her anger and smiled: “No need.”

Liu Xi’s face sank, and he frowned: “Hua Ling, I’m serious, we’ve known each other for so long, don’t we? You still don’t understand my intentions?”

“Look at you, you are so young and beautiful, and you have to go to a dangerous place like the Wild and Strange Realm. If you continue like this, what if you encounter danger? I am doing this for your own good, too. Moreover, I really can’t bear to see you continue like this.” The

words were extremely sincere.

“Thank you for your kindness, but I don’t want to get married now, and we are not suitable.” Hua Ling bit her lip and refused again.

Having known Liu Xi for so many years, Hua Ling knew that he was a dandy young master, with everything to eat, drink and play, and he was not worth entrusting for a lifetime.

Repeatedly rejected, Liu Xi suddenly lost patience, and said coldly, “I don’t know how to praise.”

Immediately, Liu Xi directed at the two bodyguards beside him: “Catch her and bring her to the hotel to accompany me for a drink.

” After falling, two bodyguards came over immediately.

Hua Ling’s pretty face changed, she was embarrassed and angry, she never thought that Liu Xi would be so lawless and dare to do something to herself in the trading house.

At this time, Hua Ling wanted to resist, but she knew in her heart that Liu Xi was also a cultivator. Like herself, he had the strength of a second-tier Martial Emperor, and the two bodyguards around him were not too weak. In a real fight, she was not an opponent at all.

“Wait!”

However, at this moment, a voice stood in front of Hua Ling, it was Yue Feng.

“In broad daylight, treat a girl with respect.” Yue Feng looked at Liu Xi and said lightly. The voice was not loud, but it was full of majesty.

Um?

Liu Xi looked up and down at Yue Feng, was stunned for a moment, and then shouted disdainfully, “Where’s the beggar from? Go away.” This kid, covered in animal skins and dirty, was more particular about begging than him.

At this moment, the people around also cast their gazes and whispered.

“This kid is crazy, dare to challenge Liu Shao?”

“A bastard, still want to be a hero to save the beauty?”

“Yeah, it’s

over your own power.” Hua Ling was also anxious, and couldn’t help but pull Yue Feng: “Feng Tao, this is my business, don’t worry about it.” Liu Xi is very powerful, how could Feng Tao be his opponent alone?

Yue Feng smiled slightly, signaling Hua Ling not to panic.

Seeing Yue Feng standing still, Liu Xi was too lazy to talk nonsense, and said coldly: “Boy, why don’t you get out? I’ll give you one more chance. After three times, you will immediately disappear in front of me.”

Mad, a bum, He also dared to manage his own affairs, he was simply courting death.

At the same time, the two bodyguards locked Yue Feng with cold eyes, ready to act at any time.

At this moment , a slender figure came out from the inside and said coquettishly, “Oh, what’s causing Liu Shaofa to be so angry.”

At this moment, everyone’s eyes converged.

This woman is around 30 years old, wearing a white cheongsam with a very low hem, showing off her enchanting and sexy curves. She has a delicate face and heavy makeup, which is unspeakably charming.

It was Ye Hongshang, the manager of this Huangtian Trading Branch.

For a time, many men’s eyes were straight.

Even Yue Feng couldn’t help but take a few more glances.

Unexpectedly, in this small Heishui Town, I can still meet such a beautiful woman. This woman lacks the simplicity of Hua Ling, but has a little more mature charm. Any man who sees it will fall.

“Manager Ye!”

The ultimate husband in Chinese chapter 2491-2500

Chapter 2491

Seeing Ye Hongshang, Liu Xi also had a smile on his face, admiring the charming curve up and down, and said with a smile: “I haven’t seen you for a few days, Manager Ye is even more charming, he can literally take people’s souls away .”

After speaking, Liu Xi tilted his head and glanced at Yue Feng, and said coldly: “Your trading house, is the review so low now? Anyone can let in?”

Hearing this, Ye Hongshang’s eyes fell. On Yue Feng, he also frowned.

Seeing that the atmosphere was not good, Hua Ling quickly explained: “Manager, this is my friend who came in with me.” After speaking

, Hua Ling pulled Yue Feng and whispered, “Will you go first, it’s my business? Son, I’ll deal with it myself.”

“The other party has made up his mind to let you accompany you to drink, how do you deal with it?” Yue Feng couldn’t help laughing.

The next second, Yue Feng looked directly at Liu Xi and said word by word, “Miss Hua owes you money, right? How much? I’ll help her pay it back.”

Seriously, this Hua Ling is arrogant and self-righteous, Yue Feng I didn’t want to meddle in her own business, but during the few days I’ve been in contact with her, I know that she has a good heart. In Yue Feng’s heart, she has already been treated as a younger sister, and naturally she doesn’t want her to fall into Liu Xi’s clutches.

Liu Xi was stunned for a moment, his face full of mockery: “What did you say? Do you help her? Can you afford it? With the smelly animal skin on your body?”

After speaking, Liu Xi couldn’t help sneering.

Haha…

The people around also burst into laughter.

“Haha, where did this bastard get his confidence?”

“That’s right, judging from his appearance, I’m afraid he hasn’t seen anything about money.”

“Where did the idiot come from.”

This chapter is provided by . Visit for daily update.

Amidst the laughter, Liu Xi slowly came over, with a resolute expression on his face: “Boy, my patience is limited, it’s not like I lost my demeanor in front of Miss Hua, so, while I’m in a good mood, get out.”

Yue Feng smiled slightly. He took out an inner alchemy from the spirit beast bag, and said lightly: “Is this inner alchemy enough?”

The moment the inner alchemy was taken out, the faint brilliance suddenly illuminated the surroundings, and it was the realm of a Martial Emperor. The beast’s inner pill, when Hua Ling used the black sand python inner pill to pay back the money just now, Yue Feng saw that the lady at work had taken a lot of money.

And the black sand python is only the inner core of the Martial Saint level, so the inner core of the beast of the Martial Emperor realm will be more than before, at least several times.

hiss!

At this moment, both Liu Xi and everyone around were stunned, staring blankly at the inner pill in Yue Feng’s hand, shocked.

Inner alchemy in the realm of Emperor Wu? You are right.

You must know that in the past few years, many cultivators have organized into the wild and strange realm to explore, and most of what they have obtained are Marquis-level Inner Cores, very few Martial Saints, and Martial Emperor and above, almost none.

Unexpectedly, the savage-like guy in front of him took out an inner core of the Martial Emperor realm as soon as he shot.

Hua Ling was also stunned, seeing that Yue Feng couldn’t speak, her delicate body trembled faintly.

He actually has an inner alchemy in the realm of Wuhuang, who is he?

“Haha!”

Finally, Liu Xi reacted, glanced at the inner elixir in Yue Feng’s hand, and said coldly: “Boy, do you know how much Hua Ling owes me? One inner elixir is like a settlement. Five hundred Wan, do you know what five million is?”

After speaking, Liu Xi said to the working lady next to him, “Tell him, how much is this inner alchemy worth?”

The working lady hurried over and said softly: “This is the inner core of the Yellow Spirit Giant Bear, the Martial Emperor level. According to the price of our trading house, it is worth three million.”

Three million?

Yue Feng frowned, took out another one, and said lightly: “Enough is enough now.” The color is lustrous and the light is flowing. Like the one just now, it is also an inner pill of the Martial Emperor realm.

What?

In an instant, the entire trading floor was silent, and everyone was dumbfounded.

And… another one?

Chapter 2492

Hua Ling was also blinded, and looked at Yue Feng blankly, only to feel that her legs were softened and she couldn’t speak.

In Hua Ling’s heart, after having been in contact with Yue Feng for a day, she only felt that she understood a little bit, but at this time she realized that the man in front of her, like a vast ocean, was completely unpredictable.

That is the inner core of the Martial Emperor Realm. If it is only one, it can explain his good luck, but he took out two at once, which is unbelievable.

Ye Hongshang, who was not far away, also looked at Yue Feng closely, with a strange light flashing in her eyes.

This savage-like guy actually possesses the inner core of the Martial Emperor Realm? Moreover, looking at the bag on his waist, it seems to be the legendary beast bag.

Unexpectedly, such a mysterious person came to Heishui Town.

Ye Hongshang is a businessman, and her intuition is very keen, and she immediately saw that the business opportunities brought by Yue Feng, you must know that the inner alchemy of the Martial Emperor realm is in short supply in the market.

Yue Feng didn’t care about the gazes around him, and looked at Liu Xi with a half-smiling smile: “How is it? It’s enough now, and the extra will be treated as interest. Of course, if there are conditions, you are not allowed to harass Miss Hua in the future.”

In the eyes of others, the inner core of the Martial Emperor Realm is a valuable treasure, but in Yue Feng’s case, it is nothing at all. You must know that in the three

years of Death Valley, Yue Feng killed a lot of beasts. , more than half of them are in the realm of Martial Emperor, and the two taken out at this time are only a drop in the bucket.

“You…”

Hearing this, Liu Xi’s face flushed, extremely ugly.

In the next second, Liu Xi’s eyes became gloomy, and he said word by word, “Good boy, pretend to be an uncle in front of me, right? You think it’s great to have a few inner pills? Tell you, this is Heishui Town, and it’s not Ask and ask, what will be the consequences of being a hero to save the beauty in front of this young master?”

Madeleine, you are a dignified young master of the Liu family, who would not be polite when you meet him? How to swallow this sigh of relief in front of a savage guy today.

“Oh?” Yue Feng didn’t panic at all, scratched his head and said calmly: “What’s the consequence?”

“Death!”

Liu Xi’s eyes flashed fiercely, and he roared, pointing at Yue Feng: “Kill him to death for me.

” When they fell, the two bodyguards rushed towards Yue Feng.

Seeing this scene, Hua Ling was so anxious that she quickly pulled Yue Feng: “Go away, go away.” This Liu Xi is so abhorrent, Feng Tao has already helped him pay back the money, but he wants to kill Feng Tao.

However, Yue Feng didn’t panic at all, patted Hua Ling’s hand and signaled not to be nervous.

“Stop!”

Seeing the two bodyguards, he was about to rush in front of Yue Feng, when suddenly a coquettish shout came, followed by Ye Hongshang walking over on high heels.

The two bodyguards stopped immediately.

Liu Xi frowned and smiled unnaturally: “Manager Ye, what do you mean? You want to cover up this bastard?”

“Liu Shao, don’t be angry.” Ye Hongshang smiled and said very charmingly: “I This is a trading house, everyone is here to do business, peace is the most important thing, Liu Shao give me a face, forget it.”

After saying that, Ye Hongshang gave Yue Feng a deep look and continued. “Furthermore, this person also helped Miss Hua. He paid you back. He has to forgive others and forgive them. What do you think?” The

voice was soft and charming, but there was an unquestionable aura.

call!

Hearing this, Liu Xi took a deep breath, looked at Yue Feng very unwillingly, and said coldly: “Okay, boy, today I will take care of Manager Ye and let you go, it’s better not to let it go in the future. In my hands.”

After saying this, Liu Xi held two inner pills and greeted the bodyguards to leave.

Seeing a fierce battle, it disappeared without a trace, and the crowd quickly dispersed.

At the same time, Hua Ling was relieved.

Yue Feng didn’t take Liu Xi’s threat to heart at all, smiled slightly, and clasped his fist at Ye Hongshang: “Thank you.”

Chapter 2493

“You’re polite.” Ye Hongshang smiled lightly, very generous.

Afterwards, Ye Hongshang looked up and down at Yue Feng, showing a strong interest: “This gentleman, he still doesn’t know his surname.”

“Feng Tao.”

“Good name, it sounds very rebellious.” Ye Hongshang praised, and then smiled and invited: “I have a business, and I want to talk to Mr. Feng in detail. I don’t know if Mr. Feng is willing to honor him?”

Ye Hongshang made a gesture of invitation, meaning It is very clear that Yue Feng should go into it and discuss it in detail.

Yue Feng smiled, no need to guess, this Ye Hongshang was looking for herself for the inner core of the Martial Emperor Realm.

Thinking of this, Yue Feng was about to respond, but Hua Ling pulled him gently.

“What?” Yue Feng tilted his head and asked.

Hua Ling bit her lip lightly and said in a low voice, “Don’t go, this woman is very powerful, be careful to suffer losses.”

As the captain of the Bloodthorn mercenary team, Hua Ling often works in the area of Heishui Town. Ye Hongshang, the manager of Ye Hongshang, is very familiar with this woman. This woman is not only good at doing business, but also the most attractive to men. She does not want Yue Feng to suffer.

Yue Feng was stunned: “Why?” It’s just business, it’s not that serious.

“Just listen to me and reject her.” Hua Ling was a little anxious.

Haha…

Seeing Hua Ling’s expression, Yue Feng suddenly laughed, leaned over and said in Hua Ling’s ear, “You think this manager Ye is beautiful and sexy, and you’re afraid that I won’t be able to resist the temptation and be jealous?”

Jealous?

Hearing this word suddenly, Hua Ling was a little stunned, but she quickly reacted, her face turned red all of a sudden, and she stomped her feet: “Who eats your vinegar…”

Yue Feng laughed and said no more, let her wait here, and then went inside with Ye Hongshang.

When I arrived at the private room, I saw that the decoration here is very luxurious, warm and elegant.

Ye Hongshang poured a glass of red wine, handed the glass to Yue Feng, and said with a smile: “I can’t see that Mr. Feng dresses so casually, but he is a peerless expert.”

Yue Feng held the glass, but did not drink, but He smiled and said, “If Manager Ye has something to say, just say it quickly.”

Ye Hongshang didn’t seem to expect that Yue Feng would be so straightforward, her gorgeous face was slightly taken aback, and then she smiled charmingly: “Mr. Feng really doesn’t understand sentiment, this situation In this scene, besides business, you don’t want to tell me anything else?” The

voice was soft and charming.

At the same time, Ye Hongshang came close to Yue Feng’s arm.

shit.

Feeling the soft feeling, Yue Feng’s face was expressionless, but his heart was a little confused.

This woman is really amazing, and her sultry methods are so familiar, ordinary men, I'm afraid they can't stop her.

Noticing Yue Feng's eyes flickering, Ye Hongshang raised her head, with a charming smile on her delicate face, and said softly, "Mr. Feng, you shouldn't…haven't been close to a woman for a long time, right? "

How do you know?" Yue Feng said subconsciously. After three years in Death Valley, he hasn't touched a woman for a long time.

However, just after saying this, Yue Feng felt a little regretful.

puff!

After Ye Hongshang heard it, she laughed out loud, stared at Yue Feng tightly, and said softly: "In this world, it is rare for Mr. Feng to be so disciplined when he encounters beautiful women."

Chapter 2494 Yue Feng resisted the

urge and said lightly, "What do you want to say?"

Seriously, if ten years ago, if he saw such a mature and sexy beauty and deliberately teased himself, Yue Feng would take her on the spot. done.

But Yue Feng knew that the gentleness of the woman in front of her was all fake. Behind her, there is another purpose.

"Oops."

Ye Hongshang gave him a sullen look: "Do you have to spoil the mood? Well, then I'll just say it."

After saying that, Ye Hongshang sat on the sofa next to her, smiled and relaxed. Slowly said: "I want to know, you got the two inner pills of the Martial Emperor realm just now?"

"Not bad."

Ye Hongshang was very curious: "However, your strength is not too strong. ."

Yue Feng laughed: "This is my secret."

How could he tell her that he had hidden his strength?

Ye Hongshang's eyes flickered, she took a sip of wine, and said with a smile: "Well, I shouldn't ask, I won't ask more, I want to cooperate with you, and you can get the inner

core of the military general realm in the future, I hope you can sell it to me, don't worry, I will give you a higher price than the market."

Ye Hongshang's beautiful face became serious: "But there is one condition, you can't tell others, and you can't sell the inner alchemy. Give it to others, this is an exclusive transaction between us, how about it?"

When saying this, Ye Hongshang looked at Yue Feng closely, her eyes full of urgency.

Yes, Ye Hongshang did this for the purpose of hoarding the inner pills and getting the same price on the same stage. On the other hand, he also wanted to know about Yue Feng, because a seemingly weak person could actually get the Emperor Wu's inner pills. It's incredible.

"sure."

Yue Feng showed a smile, nodded and said, "You can consider it."

Seeing his agreement, Ye Hongshang was very happy, and said with a smile: "Since we have cooperated, let's rest here tonight, looking at your appearance, it should be I just came back from the wild and strange realm, here I am…"

Before she could finish, Yue Feng interrupted.

"No, my friend is still waiting outside." Yue Feng said lightly.

As an ordinary man, he would not refuse the retention of such a sexy beauty, but Yue Feng knew that Ye Hongshang was by no means an ordinary woman.

To be honest, with Yue Feng's strength, he was not afraid of Ye Hongshang's tricks, but Yue Feng didn't want to waste time here.

"Okay!" Ye Hongshang was very disappointed, and then took out a special VIP card: "This is the internal VIP card of our Huangtian transaction. With it, you can come to me at any time, and no one will stop you. "

Yue Feng nodded, put away the card and walked out.

Watching Yue Feng go out, Ye Hongshang's delicate face became solemn. Then, she called two cronies and instructed: "Keep an eye on this person."

"Yes."

At this moment, a low voice came: "Hongshang, what makes you so serious?"

Ye Hongshang trembled, and quickly turned around to see a man in a black robe walking in slowly, about sixty years old, with a gloomy face, There is a strong aura around him.

Especially the strength, it is very amazing and unfathomable.

If Yue Feng was present, he would definitely be shocked, because this person was Zhang Jiao.

That's right, Zhang Jiao created the Yellow Sky Trade. After he left the Kyushu camp, Zhang Jiao hid in a deserted valley, trying one by one the antidote he stole from Yuefeng's camp, although he tasted all of them in the end. No, but with a very high understanding, Zhang Jiao finally refined the antidote to Tongtian Pill after half a year.

For more than a year after that, Zhang Jiao established the Yellow Sky Trading while concentrating on his cultivation. Up to now, Huangtian Trading has spread all over the Kyushu, and it is almost the most powerful and mysterious organization in the Kyushu mainland.

"My lord." Ye Hongshang hurriedly bowed and spoke respectfully.

Zhang Jiao nodded and inquired about the situation of the Heishui Town branch, and something came to his mind: "I saw you sent a subordinate to monitor a person just now, what is the origin of the other person?"

Ye Hongshang did not neglect and explained the situation.

Um?

Chapter 2495

Knowing the situation, Zhang Jiao frowned secretly, an unremarkable person, actually has two inner cores of the Martial Emperor realm?

"What does it look like?" Zhang Jiao was very alert and asked coldly.

"The appearance is very cold, a little handsome, but there are three scars on the face." Ye Hongshang recalled Yue Feng's appearance in detail.

At this moment, Zhang Jiao's eyes flashed, both joy and shock.

Mad, isn't this Yue Feng? It turned out that he did not die, but came out of the wild and strange realm.

After the truce between the Kyushu continent and the Rakshasa tribe, people from all continents sent people to the wild and strange realm to investigate the whereabouts of Yue Feng and Duan Yu. As a result, three years later, they still found nothing.

Under such circumstances, there were rumors in many places that Yue Feng had died, or that he and Duan Yu had perished together. In short, every argument did not believe that Yue Feng could come back alive. Both fell with King Rakshasa, and no bones have been found so far.

At this time, when he heard Ye Hongshang's narration, Zhang Jiao immediately determined that this person was Yue Feng. You must know that the grievances between him and Yue Feng could not be finished for three days and three nights. How could he forget Yue Feng? like?

Yue Feng, ah Yue Feng!

Zhang Jiao looked out the door, his mouth twitched gloomily, and he said to himself, "What if you come back from the wild and strange realm by chance? If you meet me, you will still end up dead."

… On the

other side!

Yue Feng returned to the hall and saw Hua Ling waiting impatiently there.

"Why did it take you so long?" Seeing Yue Feng coming out, Hua Ling frowned and couldn't help but say, "What did you guys talk about?"

Yue Feng smiled and said, "It's nothing, just a few words."

Seeing that he didn't say anything, Hua Ling got even more angry and muttered: "A womanizer, he must see that he is beautiful, and he will not be willing to leave."

Hahaha…

Hua Ling's voice was very small, but Yue Feng could still hear it clearly. Clearly.

This Hua Ling is so interesting, she says she is not jealous, but she still cares so much in her heart.

Thinking about it, Yue Feng talked about Ye Hongshang's cooperation.

"Don't trust that woman." Hua Ling said instinctively.

Yue Feng nodded: "I know, so I just casually said a few words." As they

spoke, the two left the trading house.

“Fengtao!”

Hua Ling couldn’t help but ask, “Who are you? Where did you get those two Martial Emperor Inner Pills from before?”

Hua Ling held back this question for a long time. I can’t vomit quickly.

Yue Feng looked at her with a smile: “I’m from the Kyushu Continent, I have no background, I’m just an unknown person, those two inner pills were picked up when I first entered the wild and strange realm. At that time, a peerless master killed them. The spirit beast left, and I took advantage of it.”

In Yue Feng’s heart, Hua Ling’s thoughts were too simple, so it’s better not to tell her these things.

Hearing this, Hua Ling suddenly nodded.

It is known that with his strength, it is impossible to kill the beasts in the realm of Martial Emperor.

Unconsciously, the two also arrived at the inn where Hualing stayed.

“I’m leaving.” Yue Feng said with a smile: “Without me as a guide, you’d better not go to the wild and strange realm, take care.” The

voice fell, and Yue Feng walked out of Heishui Town.

At this moment, Hua Ling felt a little reluctant, but she did not stop her.

The ultimate husband in Chinese chapter 2496-2500

Chapter 2496

At this time, it was already dark.

A few minutes later, Yue Feng walked out of Heishui Town and arrived at the edge of the woods a few miles away. Yue Feng thought about whether to release Qiongqi.

After leaving for three years, I don’t know what happened to the Earth Circle Continent, but Qiongqi has wings and can be divided quickly, and he doesn’t have to use his internal skills to fly.

“Mad, stop!”

But at this moment, a loud shout came from behind, followed by a dozen people, who rushed over quickly and surrounded Yue Feng.

The one at the head, dressed in a valuable suit, but with a grim face and anger flashing in his eyes, is Liu Xi!

The dozen or so people behind him were the subordinates that Liu Xi called.

Before in the Huangtian Trading Company, Yue Feng was in front of Hua Ling, and Liu Xi was completely angry. Hua Ling was the woman she liked, how could she allow other men to show her strength in front of her?

All, after Liu Xi left at that time, he has been sending people to guard the door of the trading house, keeping an eye on Yue Feng's whereabouts.

At this time, Liu Xi, with the corners of his mouth up, looked at Yue Feng coldly, full of contempt: "Bumper, you were in the trading house before, and you dared to be so disrespectful to me, I said I would not let you go, just die. When the

voice fell, more than a dozen men around him held the long sword tightly and slashed directly at Yue Feng.

Chi…

In the night, more than a dozen long knives were waving, bringing a cold glow, directly shrouding Yue Feng.

Seeing this scene, Yue Feng chuckled lightly, not panic at all, his body flashed, all of a dozen knives deviate from the direction, and they were all chopped empty, not even touching Yue Feng's clothes.

What?

This chapter is provided by . Visit for daily update.

At this moment, Liu Xi was so frightened that more than a dozen of his subordinates didn't even touch this person's clothes, which was a shame.

"Liu Xi… I really don't know if you're too arrogant or out of your mind. I've let you go at the auction before, but you're actually courting death."

At this moment, Yue Feng stood there, as if Xiao Feixiao looked at Liu Xi and said sarcastically.

Of these subordinates brought by Liu Xi, the most powerful one was only a Martial Emperor, so he didn't need to take it seriously.

Swish!

Hearing this, Liu Xi's face flushed red, and he was furious. He pointed at Yue Feng and said angrily, "Come on together, I will abolish him for the young master." As

soon as he finished speaking, a dozen of his men clenched their long knives and rushed again. up.

Boom!

Yue Feng stood there without any signs of running, but moved his body and knocked more than a dozen people to the ground with three punches and two feet.

"Bullying others, damn it."

At this time, Yue Feng said lightly, his body flashed, and he was already in front of Liu Xi. A slap in the face!

How could Liu Xi react? The whole person was slapped and flew out, flying dozens of meters before sitting on the ground.

Yue Feng clapped his hands, walked over step by step, and said coldly, "Your name is Liu Xi, right? I tell you, if you want to survive, don't bother me, otherwise, I won't be merciful next time!

" , Yue Feng showed mercy, otherwise, Liu Xi and his men would be dead.

To be honest, Yue Feng would not be tolerant towards people like Liu Xi, but thinking that this is Heishui Town, and Hua Ling is still active in this area, in order not to cause trouble to her, she didn't do anything ruthless.

"You…"

Liu Xi covered his face, stared at Yue Feng fiercely, gritted his teeth and said, "Okay, you have the kind, don't be arrogant, just wait for me, we'll see…" The mouth was fierce, and his heart was fierce. But panicked.

Mad, he is already in the realm of Martial Emperor, but he can't even hide from this person's slap, it's too scary.

When the words fell, Liu Xi quickly got up, covered his face and walked away sullenly.

A fool!

Yue Feng sneered.

Chapter 2497

Immediately, Yue Feng patted the dust on his body and prepared to continue on his way.

hum!

That is, at this moment, a terrifying aura suddenly filled the back, and then, a dangerous aura came over, and the surrounding air seemed to be stagnant in an instant!

Yue Feng was startled, and when he looked back, he was taken aback.

I saw a man wearing a black robe, his inner strength exploded, and a palm hit his back heart, the speed was like lightning, and the power was amazing.

Seeing the other party's face, Yue Feng was shocked and angry.

Nima, it turned out to be Zhang Jiao?

Feeling the speed of Zhang Jiao's lightning fast, Yue Feng was startled.

At this time, Yue Feng never thought that he would meet Zhang Jiao here, and what was even more angry was that Zhang Jiao had already been loyal to himself, and now he dared to sneak attack.

At this time, Yue Feng did not know that Zhang Jiao had defected three years ago.

Bang!

The two palms collided fiercely. Because of Yue Feng's hasty response, he only felt an overwhelming force coming from the mountains.

Nima!

I haven't seen him for three years, but Zhang Jiao's strength has increased so much, and he can barely block this palm after mobilizing all his inner strength!

Haha…

Seeing Yue Feng's face blushing, obviously hurt by himself, Zhang Jiao raised his head and laughed proudly: "Yue Feng, it really is you."

At the same time, he was secretly shocked. This Yue Feng, worthy of being a famous existence in Kyushu, was able to block his palm, but Zhang Jiao still clearly felt that Yue Feng was fine on the surface, but he was actually injured by the shock. .

“Yue Feng, I’ve been working hard for three years, and I’ve been waiting for this moment.” At this moment, Zhang Jiao looked up and down at Yue Feng and said coldly.

Click!

The voice fell, and a long sword with a flickering cold light appeared in Zhang Jiao’s hand.

This is a purple-level weapon, which seems to contain extremely cold aura. The moment Zhang Jiao pulled out the scabbard, the surrounding temperature seemed to plummet!

call!

At this moment, Yue Feng frowned secretly, feeling a little flustered in his heart.

Nima, just now, in a hurry, he took Zhang Jiao’s palm, and his dantian has received some shock injuries. Now Zhang Jiao has shown his weapon, I am afraid it will be more difficult to resist.

“Yue Feng, go to hell.”

Zhang Jiao roared without talking nonsense, and pointed his long sword straight at the sky, and saw the aura of the heaven and earth merging crazily. Yue Feng burst out.

“The sword turns yin and yang!”

With Zhang Jiao’s roar, Yue Feng only felt that the air within a thousand meters around him was stagnant. He didn’t have time to think about it, and quickly urged his inner strength to block Fang Tianhua halberd in front of him!

Bang!

Jianmang slashed on Fang Tianhuaji, and heard Yue Feng let out a muffled groan, and the whole person was shocked and flew out, flying dozens of meters away, before falling heavily to the ground.

When he resisted Zhang Jiao’s palm force just now, Yue Feng had already suffered shock injuries. At this time, facing Zhang Jiao’s peerless swordsmanship, he could not resist it at all.

“Roar!”

At this moment, Yue Feng did not hesitate at all, and directly released Qiong Qi, accompanied by a roar, Qiong Qi burst out of the air, and Yue Feng immediately jumped onto Qiong Qi’s back.

At the same time, Yue Feng clenched Fang Tianhua's halberd and violently erupted with internal force, forcing Zhang Jiao to retreat.

Whoosh!

Taking advantage of the opportunity, Yue Feng drove Qiong Qi and rushed into the distance, disappearing into the night in the blink of an eye.

Chapter 2498

Mad!

Zhang Jiao slapped the tree next to him with a palm, and watched Yue Feng escape, his face was extremely ugly.

In the past three years, Zhang Jiao established the Yellow Sky Trading Organization incognito, but he could not be sure whether Yue Feng was dead or alive, because he knew that if Yue Feng was alive, he would not be able to dominate Kyushu.

But today, it was a great time to learn that Yue Feng was not dead, and that there was still such a good opportunity to assassinate him, but it turned out to be a failure.

No matter if you flee to the ends of the earth, I will find you and take your life.

Speaking coldly, Zhang Jiao's internal force was running, and he chased directly in the direction of Yue Feng's escape.

the other side.

Yue Feng was driving Qiongqi, flying all the way high in the sky, flying over the mountains, making sure that Zhang Jiao couldn't catch up, and then he landed in a forest.

In the forest, there is a small abandoned temple, Yue Feng did not hesitate, put away Qiongqi, and sat in the hall of the ruined temple to meditate and rest.

Ma De, Zhang Jiao is too cruel, the palm of his hand almost broke his heart.

Before he knew it, half an hour later, Yue Feng's injuries were almost recovered.

It's getting late, so let's take a break here tonight.

Thinking to himself, Yue Feng found some hay, and after laying it down, he lay down. For three years, Yue Feng has been accustomed to the harsh environment by sleeping in the wind in Death Valley.

Shasha…

However, as soon as he lay down, he heard a mess of footsteps outside, and there were two sounds.

Yue Feng hurriedly sat up, looked up and saw two figures running into the yard in embarrassment.

A middle-aged man and a girl.

The middle-aged man is well-dressed, in suits and leather shoes, and looks like a brand name, but his face is pale, there is a slash on the shoulder, and there are several stab wounds on the back, and blood is flowing.

The girl is 18 or 19 years old, wearing a purple dress, with delicate facial features, some similarities between the eyebrows and middle-aged people, and a slender and tight figure, the type that any man will be moved when he sees it.

The middle-aged man's name is Bai Hetang, a wealthy businessman in the Yellow Sea Continent, and the girl is his daughter Bai Li. Two days ago, Bai Hetang spent a lot of money to buy an antique, but was hunted down by a mysterious organization.

At this moment, Bai Li supported Bai Hetang and ran in staggeringly, her beautiful face full of anger and fear.

Yue Feng noticed that both of them were practitioners, but their strength was not very high. The middle-aged person was in the realm of Martial Saint, and the girl had just broken through Marquis Wu.

Um?

Seeing Yue Feng in the lobby, both father and daughter were stunned.

"Big brother beggar, please take my father away, I'll give you one million Kyushu coins!" Bai Li spoke quickly, her eyes full of anticipation.

The Kyushu coin was issued a year ago. Before, although the Kyushu continents communicated with each other, they still used their own currencies. Since the fierce battle with the Rakshasa, the Kyushu has become more and more united. In order to develop better with each other, They jointly launched the Kyushu Coin.

Previously in Heishui Town, the Neidan that Yue Feng took out was sold for several million in Kyushu coins.

Without waiting for Yue Feng's answer, Bai Li turned her head to Bai Hetang and said, "Dad, you go first, I am in the back, and block those bastards."

“No!” Bai Hetang shook his head firmly: “I’m dying, you Let’s go.”

Bai Li cried and shook her head.

Seeing this scene, Yue Feng was stunned, this girl is quite filial.

Seeing that Yue Feng didn’t speak, Bai Li became anxious: “Big brother beggar, please, take my father away quickly.”

Yue Feng sighed and wanted to say that your father was dying, but she didn’t know how to say it, yes, Yue Feng clearly felt that Bai Hetang’s heart was pierced, and he was able to hold on until now, entirely by perseverance.

After all, people are flesh and blood, and no matter how strong their perseverance is, there are times when they run out of oil.

hula…

Chapter 2499 I

was thinking, Yue Feng was about to comfort him when he heard footsteps, and in a blink of an eye, a dozen people broke in, each with a knife in his hand. The ruthless atmosphere is obviously a killer who kills without blinking an eye.

Moreover, the strength is not low, and they are all above the strength of the third-rank Martial Saint.

When they got to the front, the leader looked at Bai He and his cousin, with a cruel smile on his face.

“Run? Can’t run anymore, Bai Hetang, someone who is sensible, hurry up and hand over the things, otherwise, your father and daughter will be dismembered on the spot.”

Said, the leader looked at Bai Li up and down, smiling slyly. Said: “Your daughter is so beautiful, of course you have to enjoy it before killing it.”

Hearing this, Bai Li’s delicate face suddenly turned pale, and her delicate body trembled with anger: “Inglourious bastard.”

Bai Hetang was also angry . It was not easy, and he shouted: “I bought the things, why should I give them to you?”

With that, Bai Hetang continued with a determined look: “And you, suddenly broke into our house, and moved as soon as they met. Killer, lawless, don’t think I don’t know, even if I give you things, you will not let me go.”

Mad.

Hearing this, the leader's face sank, and he said with a sinister smile: "If that's the case, you can go to Huangquan to report." When the

voice fell, he brought his companions and approached step by step.

Bai Hetang was suddenly desperate, and said to Bai Li, "You hurry up, I'll hold them back, hurry up."

"No…" Bai Li shook her head desperately, tears streaming down her face.

At this moment, Yue Feng stood up slowly, stood in front of the father and daughter, and said to the killers: "Murder and robbery, you are really lawless."

Huh?

Seeing Yue Feng, more than a dozen killers frowned.

The next second, the leader said coldly, "Where's the beggar from? If you don't want to die, get out." Mad, dressed in animal skins, looked like a stinky beggar, and dared to meddle in his own business.

At the same time, Bai Hetang said gratefully: "This friend, these people are not easy to mess with. Thank you for your help. Let's go quickly."

In Bai Hetang's eyes, the person in front of him was sloppy. The strength is not very strong, and he cannot be implicated.

Yue Feng laughed and signaled him not to be nervous.

Immediately, Yue Feng looked at the dozen or so killers in front of him, and said indifferently, "Leave the money on your body as compensation for the father and daughter, and then cut off their arms one by one, get out."

What? What does this kid say?

The dozen or so killers looked at each other, thinking they had heard it wrong.

A stinky beggar, so crazy? Who gave him the courage?

The leader suddenly became angry and scolded: "Are you crazy? What a big tone, brothers." When the

voice fell, he rushed over first, and the other killers rushed forward.

Yue Feng sighed helplessly. Since you are not courting death, you can't blame me.

At this moment, Yue Feng's internal force was running, and he went up to meet him.

"Be careful."

Seeing this scene, Bai Li couldn't help but exclaimed.

However, in the next second, her delicate body trembled, and the whole person was stupid.

I saw that a powerful aura burst out from Yue Feng, directly covering more than a dozen killers.

"what…"

Accompanied by screams, more than a dozen killers fell down before they could react at all!

Yue Feng looked indifferent and shook his head. A few inexperienced killers are not worth using Fang Tianhuaji by themselves.

Chapter 2500

Hiss!

Seeing this scene, Bai Hetang and Bai Li couldn't help but gasp.

Isn't this… a beggar? Why is the strength so terrifying?

puff.

At this moment, Bai Hetang's legs softened and he fell directly to the ground, his face pale, obviously he couldn't hold it anymore.

"Father!" Bai Li shouted bitterly, and hurried forward to help.

At the same time, he did not forget Yue Feng's plea: "Master, please, save my father. Please."

Yue Feng came over, checked Xiabai Hetang's injury, looked sad, shook his head and said, "I'm sorry. , I can do nothing."

Just now Yue Feng read it right, Bai Hetang's heart was pierced, and he lost too much blood at this time, still immortal and helpless, even if Shennong came, he was powerless.

Yue Feng remembered that when the heart was destroyed, only the heart of the ocean could save it, but the heart of the ocean was only one in the world. Ten years ago, Sun Dasheng's heart was pierced, and it was already used.

Hearing this, Bai Li sat there with a look of despair.

Bai Hetang showed a smile and said to Bai Li: "Daughter, don't be sad, you are all right, even if I die, I will rest my eyes."

"Father, don't say that, I will definitely find a way to save you."

Bai He Tang waved his hand, his face full of love: "Don't be persistent, I know my injury." After speaking, he took out a delicate cloth bag from his body and handed it to Yue Feng.

"Benefactor, you saved my daughter's life, and you can't repay it. This is the treasure that these killers want to snatch, and now I give it to you."

At the end of the day, Bai Hetang's weak face was full of emotion: "Alas, it really is a man who is innocent and guilty. Daughter, you must do your part in the future, and don't be like me, causing trouble for no reason."

The last sentence fell, and Bai Hetang slanted his head and died.

"Father…" Bai Li refused sadly, lying there, tears streaming down her face, she almost fainted.

Yue Feng sighed, unfolded the cloth bag, and was suddenly shocked.

I saw that there was a strange stone inside the cloth bag, with colorful rays of light flowing, full of aura, it was the stone that filled the sky, and the shape and size just opened the fifth floor of the Linglong Tower!

Haha…

Yue Feng was very excited to find this. He didn't expect that the last piece of the Heaven Patching Stone would be found like this, and a few seconds later, Yue Feng's brows furrowed.

Mad, Linglong Pagoda was stolen by Yu Wenyan three years ago. This time, when he came back from Death Valley, he must find her to get it back.

Thinking to himself, Yue Feng walked over and checked the bodies of more than a dozen killers. In the end, nothing useful was found. Organized killers like this concealed their identities very well.

At this time, Bai Li also stopped crying.

Yue Feng walked over and helped her bury Baihetang.

After burying Baihetang, Bai Li bowed to the tombstone, then turned to Yue Feng and said, “Thank you. This is my business card. If you need anything in the future, feel free to contact me. I will definitely help.

” People didn’t save their father’s life, but they also saved themselves. This kind of grace will never be forgotten in a lifetime.

Yue Feng took the business card and looked at it, the president of Baiyun Group.

Unexpectedly, this girl turned out to be the president of a group at such a young age.

Thinking to himself, Yue Feng put away his business card and was about to leave.

“Benevolent, dare to ask your honorable name.” Bai Li asked from behind.

Yue Feng stopped and thought about it: “Fengtao.”

The ultimate husband in Chinese chapter 2501-2510

Chapter 2501

Don’t reveal your true identity in this outfit.

After the voice fell, Yue Feng strode away. He was going to rest here for a night, but it was disturbed and he lost any desire to sleep. Let’s continue on our way.

A few hours later, Yue Feng came to Yunchuan City on the Yellow Sea Continent.

At this moment, Yue Feng stood on the street and looked at the high-rise buildings in front of him. He was filled with emotion. After three years, he finally saw a modernized city. It was like a lifetime away.

What Yue Feng has to sigh is that the Yellow Sea Continent was once a city in the early stage of technological development. In just three years, it has developed so fast, and there is a smell of technology everywhere.

“Haha, where is the idiot.”

“Fuck, there are people wearing animal skins?”

The passers-by pointed at Yue Feng, and there were constant laughs.

I have to say that Yue Feng’s outfit is really eye-catching in the center of Yunchuan City.

Yue Feng didn’t care about the ridicule of passers-by, but he also felt that his dress was too unusual, so he decided to find a shopping mall and buy some clothes.

Um?

After walking for a while, Yue Feng found a problem, and saw that the streets and alleys were full of advertisements for recruitment of a cultivation organization, ‘Do you want to become a strong person in the world? Join us and make your dreams come true! ‘

Under the recruitment advertisement, it was written a cultivation organization called ‘Wutian’, with the organization’s logo attached to the back, a yellow triangle dragon flag.

No day?

Yue Feng couldn’t help frowning secretly. In just three years, a new force has emerged?

This chapter is provided by . Visit for daily update.

“Come on, if you buy a package of medicinal pills, you won’t lose money.”

When I got to the intersection in front of me, I saw a huge booth set up. There were a few people selling medicine pills to passersby. These people, dressed in uniform, the leader was not low in power. It turned out to be Wu Duan Wu Sheng. boundary.

Seeing the signs on these people, Yue Feng's face was happy, it was the person from the Hall of Longevity.

Haha…

Yue Feng walked over quickly, but he didn't expect to be here and meet Brother Wen's subordinates, but, as a member of the Hall of Longevity, they came out to sell medicine pills to make money, which seemed to violate the rules of the house.

When he got to the front, Yue Feng frowned.

I saw that there were a lot of bottles on the booth, all of which were all kinds of medicinal pills, what kind of healing, improving strength, almost dazzling, but most of them were ineffective.

Even so, there were still a lot of people around the booth. It can be said that business is booming.

At this time, Yue Feng did not know that in the past three years, because there was no war, there was no fighting in the rivers and lakes, and coupled with the economic development between the Kyushu continents, many sects were thinking about each other while cultivating. a way to earn profits.

After all, once your strength has improved, you must also have a good life.

Of course, there are also many sects that always adhere to their own principles, such as Tianmen, Huaguoshan, Changsheng Palace, and Shaolin School, etc.

The disciples of the Hall of Longevity in front of them secretly came out with Wen Chou Chou to set up a stall to make money, and the leader was the head of the Yunchuan City branch, Ren Changxi.

"Come on, everyone, come and have a look."

At this time, Ren Changxi held a bottle of healing medicine and gushed at the people around him: "Look at everyone, this is called Guiling Pill, the healing medicine, even if the hand is broken. Now, it can be cured, as long as one piece is only 10,000, it is cheap…"

Hearing the shout, many people paid enough money to buy it.

In the blink of an eye, Ren Changxi sold several bottles, and he was too excited.

Yue Feng couldn't take it any longer, walked over, and said coldly to Ren Changxi: "You are the local head of the Changsheng Temple, right? As a high-ranking employee, you are not afraid of being sold by your head. You know, punished?"

Chapter 2502

Huh?

Hearing this, Ren Changxi's face sank, and his eyes locked on Yue Feng.

The next second, Ren Changxi said coldly, "Where did the beggars come from? What nonsense are you talking about? Who

said that these medicinal pills are useless?"

Yue Feng is right, most of these medicinal pills are invalid, but the ones that fail are basically medicinal pills that heal wounds, so eating them will not kill people, and there will be no side effects.

Recently, many sects have been developing into business and providing good benefits to their disciples. However, some sects in the Hall of Longevity and Tianmen still maintain their original intentions, adhere to the principle of cultivation first and eliminate evil, which makes Ren Changxi very dissatisfied.

Therefore, Ren Changxi carried Wen Chou Chou behind his back, set up a booth in private, and brought his disciples to make money.

At this time, the other disciples around also pointed at Yue Feng and shouted angrily.

"Ma De, what did this kid say?"

"Where are you from, who dares to mind our longevity hall's business?"

"Hurry up, or don't blame us for being rude."

Seeing this scene, the passers-by around were all Shaking his head secretly, no one sympathized with Yue Feng. In their eyes, Yue Feng was just a beggar who wandered from nowhere, dressed in animal skins, and dared to manage the affairs of the Palace of Longevity. He was courting death.

"Boy!"

At this moment, Ren Changxi stood up, pointed at Yue Feng, and said coldly, "I'm in a good mood today, I don't care about you, hurry up and continue talking nonsense, don't blame me for being rude."

“Selling medicinal pills privately has violated the rules of the hall of longevity, and you are still selling invalid ones. You make mistakes again and again, keep discouraging them, and instead bully others. Is this what your hall master taught you?” Yue Feng did not leave at all. I mean, he said coldly.

Seriously, if the disciples of other sects did this, he would never talk nonsense, but the Hall of Longevity is different. That is the sect in charge of Brother Wen, and he and Brother Wen are brothers, so naturally he can’t watch such a thing happen. .

The voice is not loud, but the words are righteous and cannot be refuted.

Swish!

Ren Changxi was instantly angry, locked on Yue Feng tightly, and shouted angrily: “You are courting death! Tie this ignorant boy to me.”

A beggar who dares to challenge himself is simply tired of living.

Whoa!

The voice fell, and several of his subordinates, without the slightest hesitation, walked over quickly and surrounded Yue Feng.

Seeing this scene, the surrounding passers-by quickly dispersed, for fear of being affected by the fish pond.

Looking at the disciples of the Hall of Longevity, Yue Feng did not panic at all, but instead showed a smile.

The next second, Yue Feng said to Ren Changxi: “Shoot me? You will regret it.” After speaking

, Yue Feng stretched out his hand and said, “Give me your mobile phone.” After three years in Death Valley, the mobile phone has long been lost.

What?

Ren Changxi was stunned for a moment, and then he couldn’t help laughing: “Haha, you want to call someone? Ma De, you don’t even have a mobile phone, and you still want to call someone against me? Who gave you the courage?”

Hahaha…

The voice fell, and there was laughter around.

Yue Feng was expressionless, still maintaining the gesture of reaching out.

“Okay, I’ll give it to you, but I want to see, who can you call?” Ren Changxi was full of disdain, and then threw the phone to Yue Feng.

Yue Feng took the phone and called Wen Chou Chou.

Chapter 2503

Soon, the phone was connected, and Wen Chou Chou’s voice came: “Ren Changxi, what’s the matter?” Ren Changxi is the head of the hall, so he naturally has Wen Chou Chou’s contact information.

Hearing Wen Chou Chou’s voice, Yue Feng showed a smile: “Brother Wen, it’s me.”

“Fengzi?” On the other side of the phone, Wen Chou Chou was stunned for a moment, then ecstatic, and laughed loudly: “Haha, I knew it. , you’ll be fine, Fengzi, do you know that for the past three years, everyone has been looking for you like crazy, where are you now?” As

soon as he finished speaking, Wen Chou Chou said embarrassedly, “Look at me, you use Ren Changxi’s The phone call is definitely in the Yellow Sea Continent. You wait, I will pick you up, just in time, I am doing business in the Yellow Sea Continent recently.”

Although I haven’t met, but feeling Wen Chou Chou’s excitement, Yue Feng only feels warm in his heart .

“Don’t worry about it, I have something to tell you.”

“What’s the matter?”

“Well, ask Ren Changxi, this kid sells invalid pills.”

After saying this, Yue Feng threw his phone away . He gave it to Ren Changxi: “Answer the phone.”

“Ma De…” Ren Changxi was very unhappy and was about to scold him. As a result, he was just scolded when he saw Wen Chou Chou displayed on his phone, and he was immediately stunned.

When Yue Feng and Wen Chou Chou were talking, the voice was so loud that Ren Changxi and everyone around him could not hear it.

“Wen… Brother Wen…” Picking up the phone, Ren Changxi’s legs softened. He stuttered and looked at Yue Feng in a complicated way. He never thought that this beggar-like boy in front of him would actually know the temple. host.

“Ren Changxi, you have eaten the guts of a leopard? Forgot how I explained it before? You are not allowed to conduct business activities. You are taking my words as a deaf ear, right?” Wen Chou Chou was furious.

Ren Changxi couldn’t help fighting a cold war and was very aggrieved, and explained: “Brother Wen, I do this because I want my disciples to make more money and live a better life.”

“Fart.”

Wen Chou Chou is originally a scholar character, so Shi Que scolded angrily: “Even if your original intention is right, what’s the matter with selling invalid elixir? Even if you can’t eat it, your conscience doesn’t hurt? Ma De, our Changsheng Hall has accumulated over the past few years. Word of mouth will be ruined by people like you, do you know that?”

Yes, ten years ago, the Hall of Longevity and Tongtian Sect were well-known demon sects in the Diyuan Continent, both in the arena and in ordinary society. , are all talk of color change.

Later, when Wen Chou Chou became the master of the temple, he carried out a series of system reforms, trying to change the Hall of Longevity from everyone’s cognition and become a just sect. As hard as he did, he became a well-known authentic sect that shook Kyushu.

At this time, Ren Changxi actually played this behind his back, how could Wen Chou Chou not get angry?

“Brother Wen, I…” Ren Changxi was terrified and speechless.

Wen Chou Chou’s anger continued, and he said coldly: “You don’t need to explain more, now, I will remove your position as the head of the hall, and someone else will take over the hall of Yunchuan City. In the future, you will no longer be a member of the Hall of Longevity. Pfft

, hearing this, Ren Changxi slumped on the ground, wanting to ask for mercy, but Wen Chou Chou had already hung up the phone.

Whoa!

Seeing this scene, everyone present was stunned, staring blankly at Yue Feng, speechless.

What is this person’s identity, to make Ren Changxi lose his position as the head of the hall with just one phone call?

Yue Feng’s face was expressionless, without the slightest emotional fluctuations.

“Good boy!”

Finally, Ren Changxi reacted, stood up, and sneered at Yue Feng: “Even if you know Wen Chou Chou and let me lose the position of Hall Master, do you really think I can’t live if I leave the Hall of Longevity? I tell you, I have a place to go.”

Having said that, Ren Changxi waved his hand: “Pack up, go to Wutian with me, and Wutian Organization has invited me several times, and I am still worried about how to leave the Hall of Longevity. Today is just… .” The

voice fell, and more than a dozen men quickly packed up and left with Ren Changxi.

After walking a few dozen meters, Ren Changxi suddenly stopped and turned around and sneered at Yue Feng: “Boy, go back and tell Wen Chou Chou, if you are as stubborn as him, the Palace of Longevity will end sooner or later.”

Hearing this, Yue Feng did not respond, but wrinkled He frowned, faintly feeling a bad feeling.

Chapter 2504

Crunch.

Not long after Ren Changxi and others left, two cars drove over and stopped in front of Yue Feng.

Then, surrounded by the crowd, Wen Chou Chou walked down.

“Brother Wen.” Yue Feng showed a smile and shouted loudly.

Wen Chou Chou laughed, walked over to give Yue Feng a bear hug, and then looked up and down: “Fengzi, where have you been for the past three years?

“

“It’s hard to describe in a word.”

Yue Feng smiled bitterly, and told the situation of chasing Duan Yu at that time.

“Made.”

Knowing the situation, Wen Chou Chou’s face changed, and he slapped his thigh: “That boy Duan Yu, just died like this? It’s so cheap for him.”

After speaking, Wen Chou Chou quickly asked: “Why? Said, the Dragon Ball was lost? Duan Yu’s Heaven Opening Axe is also missing?” You know, these two things are peerless treasures, so it’s a pity to lose them like this.

Yue Feng nodded: “Yeah, I stayed in the wild and strange realm for so long just to find the dragon ball. At that time, I was thinking of using the dragon ball to open the treasure chest left by Emperor Xuanyuan Huangdi, and then deal with the Rakshasa clan. Unexpectedly, the Rakshasa The clan was finally ruled by Mona and negotiated with Kyushu.”

Hiss!

Seeing this scene, the passers-by not far away were all dumbfounded.

This… this beggar-like guy, actually calls himself a brother to the Lord of the Palace of Longevity? What kind of character is this?

Because of Yue Feng’s dress, these passersby didn’t realize that he was the famous Tianmen Sect Master.

“Son!”

At this moment, Yue Fengzheng and Wen Chou Chou were talking, and suddenly, a gentle and pleasant voice was heard, followed by a slender figure walking over.

Yue Feng was shocked. He had many confidantes, but only one called his son.

Xiao Xi.

After reacting, Yue Feng turned his head to look, and was surprised and happy.

That’s right, it’s Xiao Xi. In the past three years, because of Yue Feng’s disappearance, Wen Chou Chou and Sun Dasheng have been sending people to the wild and strange realm to investigate. At the same time, Wen Chou Chou has also moved the main altar of the Hall of Longevity to a place close to the wild and strange realm. the Yellow Sea Continent.

Xiao Xi has a deep sense of loyalty to Yue Feng, and has been following Wen Chou Chou everywhere to investigate Yue Feng’s news.

The moment he saw Xiao Xi, Yue Feng was very excited! He really didn’t expect that when he and Brother Wen were reunited, he would still be able to see Xiao Xi.

After three years of separation, Xiao Xi is more mature and charming than before, wearing a long white dress, showing her tight curves and indescribably sexy.

It’s just that the whole person has lost a lot of weight and looks pitiful.

“Xiao Xi, are you here too?!” Yue Feng couldn’t help asking.

“Master, for the past three years, I have been following Brother Wen to find out about you.” Xiao Xi smiled lightly and came over to hold Yue Feng’s hand.

At this moment, Xiao Xi was very excited, looking up and down at Yue Feng, her eyes full of affection.

“Master, how did you come here in the past three years? Why do you dress like a beggar?”

“If only Xiao Xi was with you, the son wouldn’t be so embarrassed.”

“Xiao Xi… I’m fine…” Feeling Xiao Xi’s tenderness, Yue Feng’s nose was sore, and he almost didn’t cry.

Chapter 2505 Xiaoxi

has really lost a lot of weight. It makes people feel distressed. God knows how much she has suffered in the past three years.

To be honest, Yue Feng has so many confidantes, but Xiao Xi feels the most guilt, because Xiao Xi has no relatives and friends, and Yue Feng is her whole world.

“Wow…”

Seeing Yue Feng’s smile and comforting herself, Xiao Xi couldn’t bear it any longer, and suddenly fell into Yue Feng’s arms and couldn’t help crying: “Sir, I thought I would never again. I can’t see you anymore… I miss you so much…”

In the past three years, many people believed that something happened to the son, but Xiao Xi was firm that the son would be fine, and thought about it, hoping that the son would be fine, I dreamed of seeing my son again. Seeing him now, all my thoughts have turned into tears!

“Okay, okay.. I’m not back now?” Yue Feng hugged her tightly, feeling unspeakable guilt.

But Xiao Xi’s emotions erupted and she couldn’t stop: “Master, many people say that you have an accident and will not come back. I’m so afraid, I’m afraid that I will lose you like this.”

“You stay in the wild and strange realm . , don’t bring Xiao Xi, do you know how worried and uncomfortable I am?”

Listening to Xiao Xi's cry, Yue Feng only felt extremely uncomfortable.

"I'm sorry, my son will never leave you again…"

Yue Feng wiped away the tears on her face, distressed, and kept saying, "Xiao Xi, I didn't think about it carefully, I will go wherever I go in the future. Take you, okay?"

Speaking of this, Yue Feng glanced at Wen Chou Chou next to him: "Okay, Brother Wen is still watching, his face is crying, how ugly."

Hearing this, Xiao Xi stopped crying.

At this time, Wen Chou Chou walked over with a smile and greeted Yue Feng and Xiao Xi to get on the bus.

A few minutes later, Yue Feng was taken to a high-end nightclub. This nightclub was opened by Wen Chou Chou, and the decoration was very luxurious. It can be said to be one of the best in Yunchuan City.

When they got to the box, Wen Chou Chou ordered someone to prepare clothes. Under Xiao Xi's service, Yue Feng took a shower and changed his clothes. He looked completely new, but the three scars on his face were still very eye-catching.

Soon, the sumptuous feast is ready.

"Fengzi."

Wen Chou Chou picked up the wine glass and smiled at Yue Feng: "Celebrate your return, this is the first cup to wash away the dust for you."

Yue Feng picked up the wine glass and drank it. Said : "Brother Wen, do you know the Wutian Organization?"

The scene of Ren Changxi leaving just now is still in Yue Feng's mind, lingering.

call!

Wen Chou Chou took a deep breath, and his expression became solemn: "I know, this organization is very mysterious, and it has risen very quickly. In just over a year, it has spread all over Kyushu, and the number of members together is almost one million."

Holy crap, so much?

Yue Feng was stunned for a moment, and quickly asked: "Who is the head?"

Wen Chou Chou pondered for a while, then shook his head and said, “I don’t know, I sent someone to investigate, but nothing was found, but I got the news, this The establishment of the Wutian Organization is specifically to deal with the three brothers.”

After speaking, Wen Chouchou scratched his head a little irritably: “In the past three years, the Great Sage and I have mainly been looking for your traces, and we have no time to pay attention to these. The Heavenly Organization has grown stronger and stronger, and now that you are back, we will have enough energy to deal with it.”

Yue Feng nodded, hesitated, but said it: “Brother Wen, I have to tell you something. That Ren Changxi has switched to the Wutian Organization.”

Bang.

Hearing this, Wen Chou was so angry that he slapped the table: “Made, I have long seen that this kid Ren Changxi has rebellion. At the meeting half a year ago, he was the first to propose to let Changsheng live. The temple has moved closer to business, and I rejected it. This kid is greedy for glory and wealth, and I have long wanted to expel him from the Palace of Longevity.”

After speaking, Wen Chou Chou continued angrily: “Now the economy of the Kyushu mainland is developing rapidly, Many sects have reached out to the business world to make money. I am not pedantic. I have invested in a lot of industries in various places. The purpose is to give more benefits to the disciples below. But the special code, some people below are still not satisfied. .”

Chapter 2506

“From this point of view, it is not easy to deal with this Heavenly Organization.” Yue Feng took a deep breath and frowned: “It is not easy to make so many people willing to serve.

” Like glory and wealth? Practitioners are no exception.

Wen Chou Chou nodded silently, then looked at Yue Feng: “Fengzi, did you encounter any trouble when you left the wild and strange realm?”

Wen Chou Chou was thoughtful, and at a glance, he could sense that Yue Feng was injured before and his inner strength had just recovered.

call!

Yue Feng’s face became solemn: “I met Zhang Jiao.”

Hearing this, Wen Chou Chou's expression changed: "Mad, when you chased Duan Yu and left, Zhang Jiao disappeared, and later I heard that he broke into better. The sect, snatch the secret book, and then disappeared without a trace, and has not appeared in the rivers and lakes for two years."

Yue Feng thought for a while, and couldn't help chuckling: "Zhang Jiao is very cunning, robbing the secret books of various sects, is it? He wants to get rid of the effect of Tongtian Pill, and now it seems that he has succeeded."

When he was attacked by Zhang Jiao before, Yue Feng felt that the Tongtian Pill in Zhang Jiao's body had completely disappeared.

"Okay!" At this time, Wen Chou Chou smiled and waved his hand: "Stop saying these spoilers

, let's have a few more drinks."

"Okay!" Wen Chou Chou patted Yue Feng's shoulder and said with a smile: "Everyone will be happy to know that you are back. I will contact the Great Sage and the princess later…" Wen Chou Chou and Yue Feng were both in the calamity realm at this time. Presence, a few glasses of wine, not drunk at all. Yue Feng hurriedly stopped: "Brother Wen, don't be in a hurry."

Um?

Wen Chou Chou was stunned for a moment, and said in surprise, "Why? Don't you want to see them?".

Yue Feng shook his head with a smile, and then said seriously: "Now, we are not only facing a Wutian organization, but also the villain Zhang Jiao. If they know that I am returning, they will definitely take action. We are not afraid, but what about the family?"

This chapter is provided by . Visit for daily update.

Having said that, Yue Feng took a deep breath and continued: "I've thought about it. I'll keep the news of my return temporarily withheld, so that I can also secretly investigate the news."

Seriously, if it were ten years ago, Yue Feng would definitely not have done this. Yes, but after so much, Yue Feng knows that some villains have to guard against them.

For example, Zhang Jiao, whose strength is comparable to his own, knows that he is back, and if he catches Ren Yingying and the others for coercion, he will be passive.

So Yue Feng thought about it, concealed the news of his return, and secretly probed.

Moreover, with scars on his face, he is not afraid of being recognized.

“Okay!”

Seeing Yue Feng’s serious face, Wen Chou Chou thought about it, nodded and agreed, “Just do as you said.”

Wen Chou Chou was very thoughtful, and he immediately understood Yue Feng’s intention.

A few minutes later, Wen Chou Chou secretly arranged everything and said goodbye to Yue Feng.

“Young Master?”

Leaving the nightclub and on the street outside, Xiao Xi looked at the night market in front of her and couldn’t help but ask Yue Feng, “Where are we going now?”

Yue Feng showed a smile: “Let’s pretend to be brothers and sisters and see Can I join the Wutian Organization?”

Xiao Xi nodded, very excited, she likes spying on news the most.

“Miss!”

Just as he was talking, a luxury car drove over, and then an old man walked down and respectfully said to Xiao Xi.

The old man is in his fifties, well-dressed, and holds a cane.

Miss?

Yue Feng was stunned and looked at Xiao Xi in confusion.

Xiao Xi clearly knew the old man, and stomped her feet anxiously: “Old man, I said before, I am not your young lady, you have mistaken me.”

Yes, the old man’s name is Murong Chen, and he claims to be the housekeeper of the Murong family. The Murong family is a well-known business family in the Yellow Sea mainland, with industries spread over more than a dozen cities in the Yellow Sea mainland, and its strength is strong.

Chapter 2507

Two years ago, this Murong Chen approached Xiao Xi and said that she was the eldest lady who had been missing from the Murong family for many years. At that time, Xiao Xi

thought she was a liar, so she dismissed him casually. Unexpectedly, she came again today.

“Miss!”

Murong Chen looked helpless and said with a wry smile: “What I said is true, sixteen years ago, our Murong family was hunted down by the enemy, causing your parents to take you into exile. I started to look for the whereabouts of your family of three.”

“After more than ten years, I finally found it, miss, you have a mole behind your right ear, you can’t go wrong, and I also secretly tested your bloodline.” At the

end , Murong Chen almost knelt down, his face full of sincerity: “Miss, the old man just passed away last month, and he never forgot about you when he was dying. Now that the family is in trouble, only you can solve the crisis, come back with me.”

This. ..

Hearing this, Xiao Xi’s delicate body trembled, completely stunned.

Yue Feng was also stunned.

Isn’t that right, Xiao Xi is actually the young lady of the big family?

“Young Master!”

Finally, Xiao Xi came to her senses and did not make a decision immediately, but turned to look at Yue Feng. Over the years, Yue Feng has given her the warmth of family affection. It is everything to her, no matter what happens. Children, we must seek Yue Feng’s opinion.

Yue Feng took a deep breath and said with a smile: “Xiao Xi, now that you have found your family, it’s a good time, let’s go, I’ll accompany you back.”

Well!

Xiao Xi nodded, very happy, but at the same time a little nervous.

Seeing Xiao Xi agree, Murong Chen was very excited, he quickly opened the car door and invited the two to get in the car.

Half an hour later, Yue Feng and Xiao Xi came to a majestic manor in the western suburbs of Yunchuan City. Beautiful, showing everyone’s style everywhere.

“Miss!”

Murong Chen led the two of them to the entrance of the hall, and said with a smile, “Master, and the other young masters and young ladies, are waiting for you on the facade, I’ll leave first.”

Xiao Xi nodded and said with Yue Feng . walk into.

At this moment, Yue Feng looked around and admired secretly. He saw that the decoration of the hall was very luxurious, and everywhere was resplendent, like a palace.

Xiao Xi was also stunned, feeling like she was in a dream.

In the middle of the hall, there was a middle-aged man with a kind face and a good aura. It was Xiao Xi’s uncle, Murong Yan.

On both sides, sitting some young men, all dressed in very trendy fashion, are Xiao Xi’s cousins.

“Xiao Xi, you are finally willing to come back.” Murong Yan smiled and stood up to greet.

As soon as the words fell, a young couple also came over and greeted Xiao Xi with greetings.

This couple, the man is handsome in a suit, and the

woman is in her thirties, wearing a long purple dress, showing sexy curves, delicate facial features, indescribably sexy and charming.

It was Murong Yan’s eldest son and daughter-in-law, Murong Jun and Su Yan.

“Xiao Xi, I thought you were used to staying in Tianmen, and you really don’t want to go home.” Su Yan took Xiao Xi’s hand and said with a smile.

A year ago, when they first found Xiao Xi, the Murong family knew that Xiao Xi was Yue Feng’s maid at Tianmen, and she was Yue Feng’s confidante.

Therefore, the Murong family did not dare to take Xiao Xi away with a tough attitude. After all, Tianmen was famous among the major sects in Kyushu.

“Hello uncle, hello brother and sister-in-law.” Xiao Xi bit her lip and said hello softly.

Xiao Xi has been an orphan for more than ten years, and suddenly facing a big family, she is not used to it, but she still has a smile on her face.

Everyone and Xiao Xi exchanged a few words, and then they discovered Yue Feng.

I saw that this man was wearing a suit and leather shoes, but the scars on his face were too conspicuous.

“Are you Xiao Xi’s bodyguard?”

At this moment, Murong Jun came over and said lightly to Yue Feng, “Please go outside and wait.”

A servant actually stood in the hall stupidly. rule.

Chapter 2508

“Brother, he…” Xiao Xi’s face changed, and she hurried over to explain, but was interrupted by Yue Feng.

“Miss, have a good chat with your family, and I’ll go outside for a walk.” Yue Feng said to Xiao Xi with a smile. At the same time, he did not forget to wink Xiao Xi in the dark.

It was only after discussing with Wen Chou Chou that he concealed the fact that he had returned, and the Murong family could no longer reveal their identity.

Moreover, Xiaoxi had just reunited with her family, and Yue Feng also wanted to give her an independent space to get along well with her family.

Xiao Xi was very smart, and when she got the hint, she nodded, and then watched Yue Feng walk out of the hall.

At this time, under Murong Yan’s signal, Xiao Xi sat on the chair next to her.

“Xiao Xi, when your parents took you to flee, as the uncle, my heart aches.” Murong Yan sighed and said with a sigh, “I thought we would meet again soon, but in the end, your parents and I will never meet again. We didn’t meet either.”

After speaking, Murong Yan showed a gratified smile: “But if I can find you, I think your parents can rest in peace in the spirit of heaven.”

Xiao Xi nodded, also a little sad. Can’t help crying.

For more than ten years, I always thought that I was an orphan, but I never thought that I would have such a prominent life experience.

However, after being by Yue Feng’s side for so many years, Xiao Xi is well-informed in Tianmen and can control her emotions very well.

At this moment, Xiao Xi thought of something and asked softly, “Uncle, when I came here just now, I heard from Murong Chen that the family is in trouble and needs my help. What’s the matter?”

This…

Murong Yan pondered. It seems indescribable.

“Xiao Xi.” Su Yan stood up and smiled at Xiao Xi: “It’s rare that you have this kind of heart. In fact, it is the trouble of the family business. The forces have all set foot in the business world, making our business families difficult to do business.” The

voice fell, and Murong Jun followed up: “Recently, the capital chain of our Murong family is about to break, and several industries have stopped…” Before he could finish speaking, Xiao Xi understood something and interrupted: “You… want me

to invite Tianmen to help? This is absolutely not possible. Tianmen has strict discipline and is not allowed to participate in business competition.”

Glancing at each other, they frowned.

The next second, Murong Yan smiled slightly and comforted: “Xiao Xi, don’t think too much, we don’t want to use the heavenly gate behind you, so you can help.”

“How can I help?” Xiao Xi wondered.

Murong Jun smiled mysteriously: “As long as you are willing to help, how to help? You will know in a while.” After speaking, Murong Jun took out his mobile phone and made a call.

“Brother Ma? You can come!” Murong Jun said on the phone with a smile and hung up.

Xiao Xi frowned secretly, very puzzled.

Why are they all so mysterious?

After a while, a young man walked in quickly, wearing a colorful shirt, giving people a rebellious feeling, and his appearance was decent.

This person’s name is Ma Wu, the boss of a financial company, and a member of the Yellow Sea Continent Cultivation Association.

As soon as he entered the door, Ma Wu’s eyes locked on Xiao Xi, and without blinking, his eyes were straight.

Ma Wu’s gaze made Xiao Xi very unhappy, but she held back.

“Brother Ma!” Murong Jun greeted him with a smile, and greeted, “I take the liberty to call you here, don’t mind.”

At the same time, Murong Yan and the people around also stood up to say hello.

Recently, the voices of the Murong family have been on a downward trend, and they are in urgent need of a large amount of funds to help them.

“How?” Ma Wu smiled slightly, his eyes still on Xiao Xi.

The next second, Ma Wu walked up to Xiao Xi and said, “Miss Murong Xi, it’s nice to see you again, don’t worry, you will be my only one in the future, and I will protect you and protect you for the rest of my life. “Yes, Xiao Xi’s life is called Murong Xi.

Hearing this, Xiao Xi was stunned.

what’s the situation? What protects a lifetime, protects a lifetime…

Chapter 2509

At this time, Murong Jun came over and said with a smile: “Xiao Xi, aren’t you helping the family? As long as you marry Ma Wu, the family’s troubles will be solved.”

After speaking, Murong Jun said seriously : “You don’t know, Ma Wu likes you very much…”

Before he could finish speaking, Ma Wu interrupted him.

“Murong Xi… oh no, I’ll call you Xiao Xi, so be kind.” Ma Wu said with a smile, “You may not know that three years ago, when the Kyushu Allied Forces defended against the Rakshasa clan, I also I went there, and when I saw you, I was almost astonished, but unfortunately, I never had the chance to contact you.”

“After the war ended, I thought about you day and night. The biggest dream in my life is to marry you as a wife. ….” At the

end, Ma Wu smiled, looked at Xiao Xi deeply, and stretched out his hand at the same time.

At this moment, Xiao Xi only felt his brain buzzing.

So… the family is so eager to find me back, just want me to marry this Ma Wu? Any kind of affection is fake, and interests are real.

Thinking to herself, Xiao Xi was very disappointed. After secretly calming down, she looked at Ma Wu and said word by word, “Well, Mr. Ma, I’m sorry, I can’t marry you.”

Wow!

As soon as these words came out, whether it was Ma Wu or everyone in the Murong family, they were all stunned.

After a few seconds, Murong Jun calmed down and persuaded: “Xiao Xi, why did you refuse? Mr. Ma really likes you, isn’t it bad to marry him?” The

voice fell, and everyone around him started talking.

“Yeah, Ma Wu is rich, and enjoy the happiness with him.”

“Don’t think that we are all for profit, it’s all for your happiness.”

“That’s right, what’s the point of staying at Tianmen every day and watching those Jianghu people fight and kill?”

After everyone’s comments came, Xiao Xi’s face was expressionless, and there was no mood swing.

“I won’t marry him.” The red lips parted lightly, and a few words were spit out from Xiao Xi’s red lips, her voice was not loud, but she was very determined.

My body and mind, and my whole life, belong to the son, how can I marry another man?

Whoa!

Hearing this, the surrounding people suddenly became angry.

Su Yan walked over on her high heels, pointed at Xiao Xi and shouted, “Murong Xi, who do you think you are? After wandering for more than ten years, the family worked tirelessly to find you, and even found you a good husband’s house, you It’s fine if you’re not grateful, and you’re still pretending to be arrogant, who are you showing your face here?”

Xiao Xi’s petite body trembled, too lazy to talk nonsense, so she turned around and left.

At this time, Murong Jun was also angry and stood in front of Xiao Xi: “Go? Let me tell you, if you don’t agree today, you have to agree.”

“Xiao Xi!” Murong Yan stood up with complicated eyes, and said slowly, “Male We are doing this for your own good, don’t be self-willed.”

Willful?

Xiao Xi chuckled, looked around and said coldly: “My own happiness is in my own hands, and none of you have the right to control me.”

After saying that, Xiao Xi walked out of the hall.

If I knew this earlier, I would never return to the family.

However, at this moment, a figure stood in front of Xiao Xi, and it was Ma Wu.

“Xiao Xi, all your clansmen have agreed, why are you so persistent?” Ma Wu said with a smile. He was so embarrassed that he couldn’t help grabbing Xiao Xi’s hand.

Xiao Xi hid for a while and said coldly, “Ma Wu, you are a member of the Yellow Sea Continent Cultivation Association. You should know my identity. You are so presumptuous, you are not afraid of Tianmen?”

Tianmen?

Hearing these two words, Ma Wu’s face suddenly showed a bit of fear, but soon, he smiled: “Xiao Xi, don’t scare me, I know that you are Yue Feng’s personal maid in Tianmen. It is his confidante. If it was three years ago, I would definitely not have the courage, but now, Yue Feng has been missing for three years, and it is unknown whether he is dead or alive.”

“Yue Feng is not there, who else is in Tianmen I’ll support you.”

Chapter 2510 The

voice fell, and Murong Jun and others also agreed.

“Yeah, Xiao Xi, we can all guess that you have a deep affection for Tianmen Sect Master, but Yue Feng disappeared in the Wild and Strange Realm for three years, what are you still doing in Tianmen?”

“You are not too young, I can’t stay married forever.”

“It’s rare that Mr. Ma likes you so much.”

Everyone you say, I say it one by one, when it comes to Yue Feng, there is no respect at all. Speaking of which, they are the same as Ma Wu, if three Years ago, they didn’t dare to treat Xiao Xi like this. After all, Yue Feng behind her was too strong.

Who dares to provoke a person who is famous in Kyushu.

However, now that Yue Feng has been missing for three years, he may have died a long time ago, so these people have no worries.

Hearing this, Xiao Xi's body trembled. To be honest, since following Yue Feng, although he has encountered many dangers, he has come over. Now, this is the first time he has faced this kind of fake family affection. .

This Ma Wu, his hands and feet are dishonest, and even in front of the whole family! However, for the sake of self-interest, no one in the family stopped him.

Thinking to himself, Xiao Xi felt more and more uncomfortable.

Seeing this situation, Ma Wu laughed proudly and became more courageous.

Speaking of which, Xiao Xi's strength has also reached a period of Martial Emperor, but Ma Wu's shot was too fast to dodge.

In an instant, Xiao Xi's delicate body trembled, and she couldn't move at all.

"Xiao Xi, I really like you, don't worry, I will take good care of you in the future." Ma Wu said affectionately, and slowly put his mouth up.

Xiao Xi was so ashamed and angry that she wanted to struggle, but she couldn't move.

Seeing this scene, everyone in the surrounding Murong family also felt that Ma Wu was a bit too much, but thinking that he had to rely on him to survive the crisis, they closed their eyes one by one.

Anyway, Xiao Xi is about to become Ma Wu's woman, so it doesn't matter if she kisses her.

Snapped!

Seeing that Ma Wu was about to kiss, at this moment, a strong hand suddenly placed on Ma Wu's shoulder!

Um?

The good things were disturbed, Ma Wu's face was full of anger, and when he looked back, he couldn't help yelling: "Mad, who are you specializing in?"

I saw a man in a black suit, standing behind him, looking coldly follow him. His eyes were as sharp as a falcon, and there were three scars on his face.

It was Yue Feng.

Seeing Yue Feng, Xiao Xi was overjoyed. She knew that at the critical moment, the son would definitely appear.

Delighted, Xiao Xi was about to shout for the son, but she held back when she thought that Yue Feng wanted to hide her identity.

At the same time, the eyes of everyone in the Murong family also turned towards this direction. One by one is unforgivable.

“A bodyguard, who let you in? Get out.” ” This is our Murong family’s own business, and it has nothing to

do with you.” Emotional fluctuations, a pair of eyes, just looked at Ma Wu lightly. After Yue Feng went out just now, he casually wandered around the compound. Of course, there are many places where outsiders can’t go, so after a circle, he came back. As soon as he arrived at the door, he heard Xiao Xi’s scolding. At this time, Yue Feng was very angry.

Nima, are all the families in the world the same? For the benefit of the family, can you casually sacrifice the lifelong happiness of others?

The previous Liu family treated Liu Xuan like this. And now, the Murong family is also doing the same to Xiao Xi. You must know that Xiao Xi has been wandering outside for more than ten years, and has always lacked the warmth of family. Are they still human when they do this?

Chapter 2511

Finally, Ma Wu regained his senses, looked at Yue Feng up and down, and said coldly: “Little arm brat, who are you?”

Speaking of which, Ma Wu had seen Yue Feng, but that was three years ago, and At this time, Yue Feng, after staying in Death Valley for three years, had scars on his face, and he was different from before.

Yue Feng responded coldly: “The person who protects Xiao Xi.”

At this time, Yue Feng wanted to reveal his true identity, but an hour ago, he had just discussed with Wen Chou Chou and wanted to conceal his identity and investigate the Wutian Organization. hold back.

“Hahaha, the person who protects Xiao Xi? Mad, isn’t he just a bodyguard? You have to say that you are so tall, boy, in my eyes, you are a servant, do you know what a servant is? Master’s business.” Ma Wu laughed arrogantly, his eyes full of contempt.

With that said, Ma Wu pointed to the door: “Hurry up and wait outside for me, and tell you, Xiao Xi is about to become my woman, talk to me politely, understand?”

Hehe!

Yue Feng sneered and looked at Ma Wu and said word by word, “Do you know what is courting death?”

When he said this, Yue Feng was filled with suffocating energy, and that look made everyone in the room tremble!

In Yue Feng’s heart, among all the confidantes, the most distressed and sympathetic is Xiao Xi, and the one with the deepest affection is also Xiao Xi. You must know that when she first went to Tianqi Continent, Xiao Xi took care of her meticulously along the way.

Now that she was bullied by Ma Wu, Yue Feng’s blood was about to burn.

At this

moment, I felt the suffocating energy around Yue Feng, whether it was Ma Wu, Murong Jun and others, all had some inexplicable heart palpitations.

what happened? Isn’t this kid a bodyguard? Why is his aura so strong? !

“Good boy, do you want to be a hero in front of me? You don’t know who you are talking to, right? The last one who talked to me like this was thrown into the mountains by me to feed the wild dogs. Go to hell!” Ma Wu roared and rushed towards Yue Feng.

call!

Seeing this scene, the expressions of everyone in the surrounding Murong family became complicated.

Although this bodyguard was a little arrogant, it was also to protect Xiao Xi, and they didn’t want him to be killed by Ma Wu on the spot.

But thinking of Ma Wu’s identity, they were relieved one by one.

Just a bodyguard, Tianmen will not pay attention, just die.

Xiao Xi showed a smile, not panic at all.

The son is a great hero in the sky, defeating Ma Wu is easy, and there is no need to worry at all.

Bang…

In the blink of an eye, accompanied by a breath of vibration, Yue Feng and Ma Wu fought fiercely together.

Yes, in order to conceal his identity, Yue Feng deliberately concealed his strength. Otherwise, with Ma Wuwuhuang’s strength, even Yue Feng would not be able to take a single move.

This…

Even so, seeing this scene, the surrounding Murong family members are all stupid.

They saw that the bodyguard in front of him was on a par with Ma Wu, and even Ma Wu was completely suppressed and had no ability to fight back.

Bang!

Finally, Yue Feng raised his hand and slapped Ma Wu out a dozen meters. He heard Ma Wu scream, his body fell to the ground like a broken kite!

What?

This bodyguard, won so quickly?

For a while, the entire hall was silent, and a needle could be heard clearly.

“You…” After more than ten seconds, Murong Jun reacted and pointed at Yue Feng and wanted to say something, but when he saw those blood-red eyes, he immediately held back the words that came to his mouth.

Such a terrible look.

Chapter 2512

“Let’s go!”

Yue Feng, too lazy to talk nonsense, explained Xiao Xi’s acupuncture points, and took her away with big strides.

At this time, Yue Feng felt very guilty. He thought that by encouraging Xiao Xi to return to the family, he would get the long-lost family affection, but he didn’t expect that it would almost ruin Xiao Xi’s innocence.

At the same time, Yue Feng secretly rejoiced in his heart, fortunately, he followed, otherwise, the consequences would not have been imagined.

“Yeah!”

As soon as she walked out of the door of Murong’s house, Xiao Xi let out a soft moan, her delicate body softened, and she almost fell to the ground.

Yue Feng’s eyes and hands are quick, so he hurriedly put her in his arms, and said with concern, “What’s wrong?”

Being hugged by Yue Feng all of a sudden, feeling his breath, Xiao Xi’s beautiful face suddenly blushed and bit her lip. He whispered, “I’m about to break through the realm recently, and suddenly Ma Wu blocked the acupuncture point, which caused some disturbances in the inner strength of the dantian.”

Hearing this, Yue Feng sensed it, and sure enough, as Xiao Xi said, the inner strength of the dantian, There are signs of disorder.

You must know that when the practitioner’s realm is about to break through, it is very dangerous to suddenly be blocked. The acupoints are blocked, and the internal force cannot flow smoothly in the meridians, which will cause hidden dangers, and serious ash will go into the devil.

Made!

Feeling this, Yue Feng scolded secretly, the Murong family is so not a thing, it almost hurt Xiao Xi.

Yue Feng did not hesitate, and took Xiao Xi directly to a nearby hotel to open a room.

When entering the room, Yue Feng still hugged Xiao Xi and said, “Don’t be afraid, I will help you clear the dantian meridian later.” After the

voice fell, Yue Feng put Xiao Xi on the bed.

Swish.

At this moment, she felt Yue Feng’s thoughtfulness, and Xiao Xi was moved again. At the same time, there was a strange feeling in her heart. Her delicate face suddenly turned red, she was unspeakably shy, and her pair of jade hands had nowhere to put it.

While shy, Xiao Xi said very firmly: “Young master, no need, I can help myself.”

Hearing this, Yue Feng felt very distressed, and held Xiao Xi’s hand lightly, blaming himself: “Be obedient, I’ll help you faster, by the way, Xiao Xi, I’m sorry, it’s my fault, I shouldn’t support you in returning to the family.”

Mad, the Murong family, don’t even recognize it.

When he said this, in addition to being distressed, Yue Feng’s face was full of tenderness.

Xiao Xi smiled slightly, shook her head and said, “Young master… don’t blame yourself, who knows that my clansmen are all selfish people.”

Seeing her consoling herself in turn, Yue Feng felt even more distressed, Xiao Xi felt even more distressed. So kind.

Thinking to himself, Yue Feng didn’t say more, just sat there cross-legged and started to help Xiao Xi to clear the meridians.

Time passed by minute by minute.

I don’t know how long it took, Xiao Xi’s face became ruddy, and her strength rose from the first stage of Wuhuang to the second stage of Wuhuang.

“Thank you, son.” Xiao Xi said happily.

Yue Feng smiled, thinking of something, and jokingly said: “Xiao Xi, do you really plan to never marry again?” Although the previous scene at Murong’s house was very

infuriating, but thinking about it carefully, Xiao Xi is a woman You can't stay with your child forever.

"I…"

Xiao Xi's face flushed, and she lowered her head and said softly, "I don't want to get married, I want to serve the son for a lifetime."

Hearing this, Yue Feng was stunned for a moment. No matter how stupid people are, they can understand what it means. In an instant, his heart throbbed: "Xiao Xi, don't worry, I will not let you down."

Huh?

As he was talking, Yue Feng suddenly sensed that a figure flashed outside the window at a very fast speed. Obviously, he was being watched.

"I'll go take a look, I'll be back soon." The voice fell, Yue Feng kissed Xiao Xi's face, and then walked out.

At that moment, a blush appeared on Xiao Xi's face.

Looking at Yue Feng's back, Xiao Xi couldn't tell the sweetness in her heart.

When they got outside, Yue Feng frowned and saw that in the darkness, several figures quickly disappeared into the night.

Madd, who is the other party?

Yue Feng frowned secretly, could it be someone without a heavenly organization?

Chapter 2513 It's

not right, I concealed my identity, no one knows that I am alive except Brother Wen and Xiao Xi.

Muttering in his heart, Yue Feng quickly returned to the hotel room.

…

this moment, the other side.

Yunchuan City, in the Yellow Sky Trading House in the northwest of the city.

In the hidden office, Zhang Jiao sat in black with a gloomy expression. In front of him, several of his subordinates stood there respectfully.

Yes, these people are the ones who followed Yue Feng just now.

After the failure of the previous raid on Yue Feng, which caused Yue Feng to escape, Zhang Jiao activated all the power of the Yellow Sky Trading to pursue the trace of Yue Feng, and finally found Yue Feng's whereabouts in Yunchuan City.

"How's it going?" Zhang Jiao said coldly.

One of them responded quickly: "My lord, that person is very alert. He noticed us as soon as we approached."

Hearing this, Zhang Jiao sneered, Mad, this Yue Feng, still as alert as before.

Afterwards, Zhang Jiao thought about it, and ordered, "Continue to follow and report the situation to me at any time." To

be honest, Zhang Jiao wanted to kill Yue Feng immediately, but he knew that he had only injured Yue Feng by his own surprise attack. But now, Yue Feng's strength has completely recovered, and it is impossible to attack again.

But Zhang Jiao thought about it, and when Yue Feng left Yunchuan City, he intercepted him halfway.

"Yes. My lord!" Several subordinates responded in unison.

…the

next morning early in the morning.

Xiao Xi got up early and went out to prepare breakfast for Yue Feng.

I have to say that Xiao Xi takes care of people really well.

At this time, Yue Feng drank the porridge, and saw Xiao Xi took out her mobile phone. After reading a message, her brows were lightly frowned, showing some sadness.

"What's wrong?" Yue Feng asked with a smile.

Xiao Xi sighed: "The uncle sent me a message just now, saying that when the family is dying, he wants me to help."

Still helping?

Yue Feng frowned secretly, suppressing his anger, Mad, these people really don't want any face.

Seeing Yue Feng's face, Xiao Xi said in a low voice, "Uncle apologized to me about what happened yesterday, saying that it was inappropriate to arrange Ma Wu to come without my consent."

Hearing this, Yue Fengshen He took a breath and said, "You want to go, right?"

He could see that although Xiao Xi was angry about what happened yesterday, she couldn't let go of Murong's house. After all, that was where she was born.

Thinking of this, Yue Feng said, "Okay, after breakfast, I'll go with you."

"Thank you, son!" Xiao Xi thanked him with a smile.

Xiao Xi knows Yue Feng too well. The Murong family has already angered him about what happened yesterday. With Yue Feng's personality, he will never come to visit him again, but for himself, he promised to be with him, which is enough to prove that he is in his heart. status.

Soon, they arrived at the Murong Family Courtyard.

Entering the hall, I saw that the Murong family had already arrived.

Swish!

At this moment, seeing Yue Feng following him again, everyone's eyes converged at once.

"Why did you come in here again? Don't you know your identity?" Murong Jun stood up and pointed at Yue Feng and shouted.

Mad, if he hadn't made trouble yesterday, the Murong family would have already received financial assistance from Ma Wu.

Yue Feng smiled coldly: "Why can't I come?"

Murong Jun said angrily: "Why? Do you know that if you didn't make trouble yesterday and got into a fight with President Ma, things wouldn't be so stiff."

Chapter 2514

As soon as Murong Jun opened his mouth, everyone else nodded.

"That's right, we're looking for Xiao Xi's husband's house for her own good."

"You are a bodyguard, why are you making fun of yourself?"

Amidst everyone's approval, Murong Jun looked at Yue Feng and sneered, "If you are a little self-aware, then Hurry up and get out, we are going to talk about family affairs, outsiders are not qualified to listen."

Mad, still so self-righteous.

Hearing this, Yue Fengqi laughed, and looked at Murong Jun closely: "It's really interesting, your family, for the sake of your own interests, forced Xiao Xi to destroy your own happiness, and you are so righteous and arrogant, it's really shameless. Extremely."

"What did you say?" Murong Jun's expression changed and he scolded angrily.

Yue Feng smiled coldly: "What I said, you all understand in your heart."

At this time, Xiao Xi couldn't help but say: "Uncle, if you are still like this, I don't think I need to come back.

" Xiaoxi!"

Murong Yan, who was sitting there, quickly stood up and said with a smile, "We were wrong yesterday, don't be angry, don't be angry."

After saying that, Murong Yan glared at Murong Jun.

Murong Yan's face turned blue and white, reluctantly, but he still closed his mouth.

Just then, a cousin stood up and said to Xiao Xi, "Xiao Xi, I introduced you to Ma Wu yesterday, but you didn't agree. Originally, if you wanted to marry Ma Wu, Ma Wu would be able to solve our family's problems. The problem, it's all gone now."

Everyone else spoke up.

"Yeah, it was a good thing, but it made a mess."

Xiao Xi was expressionless and said lightly: "What do you want to say, just say it directly, no need to beat around the bush."

At the same time, Murong Yan patted the seat handle: "Okay, everyone be quiet."

Then, Murong Yan looked at Xiao Xi: "Xiao Xi, since you don't want to marry Ma Wu, the uncle doesn't force you. That's right, our family's problems originally had two solutions."

“The first one is Ma Wu. Wu, with his investment, our Murong family’s property will be able to operate normally, but unfortunately, you don’t like him, so Ma Wu left unhappy, this method is no good.”

“The second one is Baiyun . Group, our Murong family’s industry, many of them can be connected with Baiyun Group, but unfortunately, we have never cooperated with them before, so I think, if you invite Tianmen to come forward, Baiyun Group will definitely agree to cooperate in the face of Tianmen. .”

Baiyun Group?

Hearing this, Yue Feng was stunned, feeling a little familiar.

Soon, Yue Feng remembered that the Bai Li who was rescued at the broken temple a day ago seemed to be the female president of Baiyun Group. In order to thank himself, he also gave the Tian-Mending Stone that his father finally got to him. Own.

“No!”

Xiao Xi shook her head, her delicate face was full of determination: “Uncle, I made it very clear yesterday that Tianmen is strictly disciplined, and it is strictly forbidden to participate in commercial activities. I can’t do anything special.”

Shuh!

Murong Yan’s expression changed, and he got angry, stood up and scolded: “Xiao Xi, the uncle has given up again and again, why are you so stubborn? Could it be that you have the heart to watch the centuries-old foundation of our Murong family, and then it will fall. ?” The

voice fell, and Murong Jun and the others also stood up, shouting in vain, and kidnapping Xiao Xi.

Faced with such a situation, Xiao Xi bit her lip and was very angry, but she didn’t know how to refute it.

Ha ha!

At this moment, Yue Feng couldn’t bear it any longer, and suddenly burst out laughing.

“What are you laughing at?” Murong Yan said angrily.

Yue Feng’s face was full of mockery: “I think it’s ridiculous, a family with hundreds of years of heritage, for the sake of profit, has to force a woman to be so righteous, isn’t it ridiculous?”

Murong Yan was furious: “This is It’s our Murong family’s family business, it’s not your turn to dictate, and what do you know as a bodyguard?”

Chapter 2515

Call!

Yue Feng took a deep breath, walked to the side delicately, sat on the chair, and said lightly: “Isn’t it just to cooperate with Baiyun Group? I can help you connect, but I want to make it clear that after helping you this time, you will not be allowed in the future. Please disturb Xiao Xi again.”

What?

Hearing this, everyone around was stunned, and then burst into laughter.

Haha… what did this kid say? Can he help?

He is a bodyguard, how could he know someone from Baiyun Group?

The cowhide is a bit outrageous.

For a time, everyone in the Murong family in the hall couldn’t help laughing.

Yue Feng ignored everyone’s ridicule, took out his mobile phone, and sent a message.

Yes, Yue Feng was sending a message to Bai Li.

At this moment, Xiao Xi stood quietly beside Yue Feng with an indifferent face. She knew that Young Master was omnipotent. Since he said there was a way, there must be a way.

Um?

Seeing this scene, Murong Yan and everyone were secretly surprised.

Why does it feel a little wrong, isn’t this kid Xiao Xi’s bodyguard? Why is Xiao Xi standing while he is sitting?

This….

“Patriarch, President Bai of Baiyun Group is here.”

At this moment, someone shouted from outside the hall, interrupting everyone’s suspicion, and immediately, everyone was shocked, and then, Murong Yan quickly stood up.

The next second, I saw a slender figure walking in slowly under the protection of two men in black.

It was Bai Li.

When she received a text message from Yue Feng just now, Bai Li was very puzzled. When she learned that it was Feng Tao who saved her life, Bai Li didn't dare to neglect and rushed over immediately.

"Mr. Bai's presence really makes my Murong family shine." Murong Yan walked over with a smile, greeted politely, and stretched out his hand at the same time.

However, Bai Li didn't mean to shake hands with him, but walked straight towards Yue Feng.

"Fengtao, no, my benefactor, it's really you." Bai Li smiled excitedly. If not so many people were there, she would really like to hug Yue Feng.

Bai Li was still a little unconvinced when she received a text message from Yue Feng just now. She was overjoyed to see the real person at this time.

What? benefactor?

Seeing this scene, everyone present was stunned, staring at Yue Feng blankly, speechless.

Isn't this a bodyguard? How could the president of Tangtang Baiyun Group be so respectful to him?

…..

At this moment, on the street outside the Murong Courtyard, a young man hid behind a tree, keeping an eye on the Murong family's situation. At the same time, he took out his mobile phone and made a call.

"My lord, the target is now the Murong family, and the president of the Baiyun Group just went too, the woman we chased before."

"Interesting." On the other side of the phone, Zhang Jiao showed a sneer: "Look at this, That ancient object should have fallen into Yue Feng's hands."

Yes, the killers who hunted down Bai Hetang before were all sent by Zhang Jiao.

The next second, Zhang Jiao instructed: "Watch closely. Once that Bai Li leaves Murong's house, he will kill him halfway, and then lead Yue Feng to appear. Doesn't he like to meddle in his own business? I'll give him this chance."

“Yes, my lord!”

The ultimate husband in Chinese chapter 2516-2520

Chapter 2516

Soon, under Zhang Jiao's deployment, many killers set up ambush on several main roads in the suburbs of Yunchuan City.

…

the other side!

Murong family.

Under Yue Feng's advice, Bai Li and the Murong family signed a cooperation agreement.

For a time, in the hall, all the Murong family members looked at Yue Feng's eyes, and they were all shocked.

It's unbelievable that it is just a bodyguard who has such a large network of contacts to allow the president of Baiyun Group to come in person. If he hadn't seen it with his own eyes, who would dare to believe it?

Yue Feng was too lazy to talk nonsense, and greeted Bai Li and Xiao Xi to leave.

Before leaving, Yue Feng looked back at Murong Yan and the others and said, "Your Murong family has passed through the crisis, and your words are counted. You are not allowed to disturb Xiao Xi in the future." The

voice fell, and Yue Feng took the two Xiao Xi and strode forward. Leave.

"Mr. Feng."

When they got outside, Bai Li said excitedly: "I'm so happy to see you again, let's have a meal together."

Yue Feng smiled and politely refused: "Don't be so polite, I still have something to do."

Then, Yue Feng thought of something, and said seriously: "Miss Bai, Yunchuan City is not very peaceful recently, I think you'd better not leave here, it's better to stay here for two days before leaving. "

I don't know why, but Yue Feng always felt that something was going to happen, and it was a little wrong to let Bai Li come rashly. You must know that the treasure that Bai Hetang got before was the Heaven Repairing Stone, which is no trivial matter.

This chapter is provided by . Visit for daily update.

After Bai Hetang died, Bai Li would definitely become the next target of those killers.

“Okay!” Bai Li nodded solemnly and said, “I remember what Mr. Feng said.”

Or, Bai Li and Yue Feng said goodbye and left, and found a hotel to stay temporarily in the downtown area.

“Young Master!”

As soon as his forefoot left, Xiao Xi couldn’t help but say, “Should we continue to investigate the Wutian Organization?”

Yue Feng nodded, and then said seriously, “Don’t call me Young Master in the future, call me Brother Tao.” He has hidden his identity and cannot be easily exposed.

Xiao Xi is smart and clever, she immediately understood what Yue Feng meant, and smiled: “Okay, Brother

Tao.” After speaking, Xiao Xi thought of something, and continued: “I know that in Yunchuan City, there is a branch hall without a heavenly organization. Let’s just see the situation.”

Yue Feng nodded with a smile and let Xiao Xi lead the way.

On the way, Yue Feng bought one for Xiao Xi when he saw someone buying candied haws.

Yue Feng remembered that when he first met Xiao Xi, Xiao Xi liked eating candied haws the most.

“Thank you.” Xiao Xi was very moved, holding the candied gourd and reluctant to eat it, she was so cute and charming that she couldn’t tell.

A few minutes later, at an alley, Xiao Xi pointed to the innermost shop without a plaque: “Brother Tao, that’s it, Brother Wen sent someone to check it before.”

However, the Wutian organization is developing rapidly, and Wen Chou Chou is very Attention, I once sent someone to check this entrance, and Xiao Xi was there at the time, but no useful clues were found at that time.

Yue Feng nodded and did not move. And secretly look around.

It was found that the street was very remote, almost no one was there, and on the side of the road ahead, a sports car was parked there, and the driver of the car was sneaky, and seemed to be observing the situation in this hall.

Discovering this, Yue Feng calmly walked over.

When she was about to pass the sports car, the candied haws in Xiao Xi's hand had melted and dripped onto the car because she hadn't eaten it.

"Nima, you are blind."

At this moment, the guy sitting in the car scolded the door and walked out, pointing at Xiao Xi and shouting, "Do you know how much my car is? You drop the sugar. Above, what do you say?"

With long hair, his face was full of anger.

Xiao Xi's face was full of fear, and she said in a low voice, "I'm sorry, I'll wipe it for you."

"Wipe it? You said it lightly, the paint is sticky with sugar, and wipe it off?" The long hair said coldly, A very unreasonable attitude.

As he spoke, he observed the hallway not far away.

Aware of this, Yue Feng came over, stood in front of Xiao Xi, and looked at the long hair with a half-smile: "What do you want?"

Yue Feng was very curious, and the long hair was also investigating the Wutian organization. There is no opposition to the organization, and I want to ask about the situation.

Chapter 2517 Who

knows, this long hair thinks they are easy to bully, and only wants to corrupt a sum of money.

"How is it? Of course I lost money!" Long Mao said with a arrogant expression as a matter of course.

Ha ha!

Yue Feng nodded and said with a smile: "Okay, if your car is repainted, it will cost you about a thousand yuan. I'll give it to you."

Then, he took out his mobile phone and transferred money to Chang Mao.

Speaking of which, in such a situation, Yue Feng would definitely teach him a lesson before changing it. But today, Yue Feng wants to investigate the situation of Wutian Organization, so he doesn't want to care too much.

More importantly, Yue Feng wanted to probe some news from this long-haired mouth.

"One thousand!?"

Seeing that Yue Feng was so good at talking, his long-haired eyes flickered, revealing a bit of a grim smile, and said coldly: "You want to kill me for a thousand dollars? Think I'm begging? Tell you, ten thousand less. Block, you don't want to leave."

What? Ten thousand dollars?

At this moment, Xiao Xi couldn't be more angry: "Don't go too far."

Yue Feng also frowned, with a bit of displeasure on his face: "Lion's big mouth, are you going too far?"

"Who are you ? Friends, don't get close to me!" Chang Mao was also annoyed: "I tell you, I just mentioned this car, Mad, and you almost ruined the paint after driving for a few days, don't talk nonsense with me, Hurry up and get me the money, if you don't lose money, I want you to look good!"

"What if I don't pay today?!" Yue Feng chuckled and said coldly.

Mad, I wanted to speak well, but I didn't know this kid was quite arrogant.

"Go to Nimad!"

Long Mao shouted angrily, raised his hand and punched him.

Do it?

Yue Feng sneered, grabbed his wrist, and then suddenly tried hard!

Dengdengdeng…Chang

Mao only felt a strong force coming, the whole person staggered back a dozen steps, and finally sat on the ground.

Yue Feng walked over and said no nonsense: "I ask you, what are you doing to monitor the branch of the Wutian Organization?"

Huh?

Longhair froze for a moment, a little flustered.

Soon, Changmao reacted, but did not respond, but quickly took out his mobile phone and made a call: “I’m in trouble here, come here…” After the

call, Changmao put it away The mobile phone sneered at Yue Feng, and said harshly: “Boy, don’t run away, wait for me!”

Hehe, still calling someone?

Yue Feng showed a smile, with a leisurely look on his face: “Don’t worry, I won’t run!”

Xiao Xi was a little flustered, and whispered: “Not far away is the hall of the Wutian Organization, if we are like this, will we scare the snakes? “

Yue Feng thought about it for a while, and was about to answer when he saw several cars driving over.

Crunch!

After stopping on the side of the road, dozens of men in black quickly got out of the car, and then, led by an enchanting figure, quickly walked over.

The woman is dressed in a long red dress, painted with smoky makeup, sexy and compact, with delicate and charming facial features, and a high aura all over her body.

What the fuck?

This long-haired boss turned out to be a woman, so sexy?

Muttering in his heart, Yue Feng couldn’t help but look at it a few more times.

At this time, Chang Mao walked over quickly, squeezed out a smile and greeted: “Sister Fei!” The

woman’s name is Tian Fei, the general manager of Heihu Industry, the Yunzhou branch.

When he got to the front, Tian Fei first glanced at Yue Feng, then frowned and shouted at Chang Mao Jiao: “I asked you to monitor this hall, who made you trouble?”

Chang Mao was very aggrieved: “Sister Fei, I didn’t They made trouble, they deliberately picked things up.”

After speaking, Chang Mao lowered his voice: “Sister Fei, this kid seems to be organized without heaven.” Just now Yue Feng asked him why he was monitoring, which made Chang Mao mistakenly think that, Yue Feng is unorganized.

Chapter 2518

Huh?

Hearing this, Tian Fei frowned, stepped on her high heels and walked to Yue Feng, and said coldly, “Are you organized without heaven?” Her tone was cold and full of hostility.

Yue Feng looked indifferent, shook his head and said, “I’m not organized by the Heavenless. This is a misunderstanding.”

After saying that, Yue Feng looked at the badge on Tian Fei’s body and showed a smile: “Are you from Heihu Industry?”

Yue Feng Feng’s gaze made Tian Fei very annoyed, and she shouted: “What are you looking at? Honestly, I will gouge your eyes out.” The

voice fell, and the people around suddenly gathered around, facing Yueyue one by one. The wind glared angrily.

Yue Feng laughed: “It’s just a trivial matter, is that so?”

After speaking, Yue Feng looked at Tian Fei: “Why do you want to monitor the Wutian Organization?”

“Why should I tell you?” Tian Fei said coldly “You haven’t answered my question yet.”

Yue Feng took a breath, knowing that she couldn’t ask anything, smiled and said, “Your boss, is Li Heihu in Yunchuan City? Let him make a call. , said an old friend saw him.”

What?

Hearing this, Tian Fei and the people around were stunned.

This kid has a big tone, but he wants to see the big boss?

Soon, Tian Fei reacted and looked at Yue Feng with a half-smiling smile: “If you want to see our boss, okay, I’ll call you. If you play tricks on me, think about the consequences.”

After speaking, she took out her mobile phone . , called Li Heihu.

“Boss, there is a kid who said he is your friend and wants to talk to you.” After speaking respectfully, Tian Fei handed the phone to Li Heihu.

Yue Feng smiled and walked aside.

“Hello? Who…” On the other side of the phone, Li Heihu’s voice was very impatient.

“It’s me.” Yue Feng said lightly.

At this moment, when he heard Yue Feng’s voice, Li Heihu trembled: “Feng… Brother Feng, are you all right? In the past three years, many people have said that something has happened to you.”

“Let’s not talk about this now, I In Yunchuan City on the Yellow Sea Continent, the Wutian Organization must be investigated… By the way, don’t reveal my identity.”

“Understood!”

After explaining a few words, Yue Feng handed over the phone to Tian Fei.

“Boss, this kid…”

“Shut up for me, what kid? This is a VIP, wait for what he asks you, tell the truth, if you dare to neglect, don’t do it.”

Hearing this, Tian Fei Jiao’s body trembled, and she stared at Yue Feng blankly, her whole body completely messed up.

This… This person turned out to be the VIP of the big boss?

After hanging up the phone, Tian Fei bit her lip and stepped in front of Yue Feng with her high heels: “I’m sorry, I was offended just now.”

What?

Seeing this scene, the surrounding Chang Mao and others were all dumbfounded.

You must know that Tian Fei is a well-known strong woman in the Black Tiger Industry, and she is also a goddess in many people’s hearts. Anyone who sees it is polite, but I didn’t expect that in front of this kid at this time, so groveling.

Yue Feng raised his hand with a smile and said: “Okay, stop so many rules, let me ask you, what kind of grievance do you have between Black Tiger Industry and Wutian Organization? Why do you send someone to monitor?”

This…

Tian Fei clenched her lips and hesitated.

Yue Feng immediately understood what he was talking about, so he greeted Xiao Xi to get in the car.

Chapter 2519

A few minutes later, at the office of Black Tiger Industrial Company, Tian Fei made tea attentively.

Immediately afterwards, Tian Fei sat opposite and said slowly: “That’s it, the Wutian Organization has been acquiring companies from all over the past six months to expand its strength in the business world.”

“In the past three months, the mainland of Kyushu has , There are many companies that have been acquired.”

“The Wutian Organization did this to make more money and then recruit more disciples. A month ago, the Wutian Organization sent someone to find me and asked me to give up the Black Tiger Industry. , I didn’t agree to all the business in Yunchuan City.”

Speaking of this, Tian Fei’s delicate face was full of anger: “As a result, the Wutian Organization used all kinds of despicable means to suppress the company’s business. The solution is to invite some practitioners to prevent accidents, and at the same time send people to investigate the branch of the Wutian Organization. However, the Wutian Organization is too cunning, and within this month, the hall has been replaced in five places. “

It turned out to be so!

Hearing this, Yue Feng suddenly nodded, and at the same time, he was secretly surprised.

This godless organization is really generous, and it has acquired so many companies. However, after acquiring so many companies and accumulating wealth, it is rich and powerful. It is no wonder that the previous Ren Changxi threatened to join.

Thinking about it, Yue Feng will continue to ask.

However, at this moment, Tian Fei’s cell phone rang.

Seeing the point, Tian Fei’s pretty face changed, and then she answered the phone.

“Hey, beautiful Tian Fei, have you considered what I told you last time? It’s been half a month since you gave up all of your company’s business in Yunchuan City…” a gloomy voice said. Come on, playful.

Tian Fei couldn't help but shouted coquettishly: "I want to seize the business of our Black Tiger Industry, dreaming, I tell you, we will not let it."

When she said this, Tian Fei's delicate body trembled.

"Huh?" The

other side of the phone seemed stunned for a moment, and then sneered: "You have a lot of confidence, yes, I know that you Black Tiger Industries have business in all continents and are very strong, but it is useless to fight against us. Yes ."

"I heard that you have recruited a lot of cultivators. If you want to confront our Wutian Organization head-on, I will give you a chance. Tonight at eight o'clock, the abandoned factory in the West District will have a fight. If you dare not come. , I think you admit defeat, hahaha…"

After saying that, she didn't give Tian Fei a chance to react, and just hung up the phone.

"Too arrogant." Tian Fei put away her phone and stomped her feet in anger, her teeth itch.

Yue Feng came over, showed a smile, and comforted: "Don't panic, they are more powerful, right? I'll go with you at night." "

Are you going?"

It's very strong, it is said that the masters are like clouds, I'm afraid…"

This person is the boss's honored guest, you can't let him take risks, if something happens, you can't afford it.

Seeing her expression, Yue Feng smiled: "Don't be afraid, if something really happens, I will tell Li Heihu myself."

Hearing this, Tian Fei nodded, but she was still a little worried and couldn't help saying: "Okay, but when you get there, don't be impulsive. I hired a lot of experts. Do you know?"

Yue Feng smiled and didn't say much.

To be honest, in today's realm, as long as he didn't encounter someone like Zhang Jiao, Yue Feng would not panic at all.

….

seven thirty in the evening. Abandoned factory in the west district of Yunchuan City.

This factory was originally located in a relatively remote location, leaning on a barren mountain. Now it has been abandoned for more than two years, and there are weeds everywhere. At this time, when night falls, the abandoned scene looks a bit gloomy.

In the workshop, a bonfire was lit, illuminating the surroundings.

There are dozens of people standing around, standing there respectfully, each of them is in the realm of Martial Saint, and by the bonfire, sitting a burly man.

This burly man is the head of the Wutian Organization, Li Haishan, at the entrance of Yunchuan City.

“Teacher, do you think that Tian Fei’s woman will be afraid to come?” At this time, a subordinate came over, lit a cigarette for Li Haishan, and asked carefully.

The appointed time is approaching, and no one has been seen yet. The brothers can’t wait.

Chapter 2520

Li Haishan’s mouth twitched slightly, revealing a sneer: “If she doesn’t dare to come, it means that this woman has given up. We can save some energy, and then take over the business of Heihu Industry in a fair and honest way.”

Said these At that time, Li Haishan was full of confidence.

In the past three months, Li Haishan has played against Tian Fei more than once. It can be said that Tian Fei suffered every time. Therefore, Li Haishan concluded that Tian Fei did not dare to come tonight.

Thinking to himself, Li Haishan felt a little regretful: “However, speaking of it, I hope this woman can come, Mad, this woman has no body or appearance, if we can taste her tonight, hehe, let’s count as well. It’s a worthwhile trip…”

Haha … The words

fell, and the surrounding subordinates all laughed, each with a sinister expression on their faces.

“Yeah, that woman is really a top quality.”

“Teacher, that Tian Fei is really going to hurt us. If you eat meat, you have to drink some soup for your brothers.”

“Yeah…”

Li Haishan smiled and said: “Don’t worry, at that time, there will be a fight.”

This Li Haishan was originally a desperado on the Yellow Sea Continent. Because he was chased by a famous family, he finally had no choice but to take refuge in Wutian. organization.

Li Haishan is ruthless, and the people he targets will end up tragically.

Now, in order to complete the task explained above, Li Haishan has set his sights on Tian Fei.

“Master, there is a car coming!”

Everyone was talking and laughing when suddenly, a little brother pointed at the mountain road in front of him and shouted excitedly.

“Quick, according to the plan, ambushed!” Li Haishan said excitedly, throwing away the cigarette in his hand.

“Yes!” The

voice fell, and many of the surrounding men scattered.

At the same time, on the road outside the factory, a car slowly drove over and finally stopped outside the factory.

Then, a man and a woman walked down.

It was Yue Feng and Tian Fei. Considering safety, Yue Feng did not let Xiao Xi come.

At this time, Tian Fei, looking at the abandoned factory building in the night ahead, felt inexplicably nervous!

Speaking of which, when he came, Tian Fei wanted to bring some more people, but Yue Feng insisted not to use it. Tian Fei was very anxious at that time, but he didn’t know how to persuade him.

“Sir!”

At this time, looking at the darkness around the factory building, Tian Fei bit her lip and said softly: “The Wutian Organization, the head of Yunchuan City, is called Li Haishan, this person is very cunning, I heard that We used to be outlaws on the rivers and lakes, let’s be careful.”

Tian Fei was very nervous when she said this.

If I had known this earlier, I would have brought more people.

However!

Yue Feng had a calm expression on his face and smiled: “It’s alright!”

After saying that, he walked straight over.

Tian Fei was nervous and anxious again, so she quickly followed.

Swish!

When they got to the bonfire, whether it was Li Haishan or the people around him hiding in the dark, their eyes were all focused on Tian Fei, and their eyes were straight.

beautiful!

So beautiful.

At this time, Tian Fei, wearing a long black dress, gave people a cold and arrogant feeling. In the night, she was indescribably sexy and charming. Any man who saw it would be stimulated by a strong impulse to conquer.

Tsk tsk…

Li Haishan stood up slowly, stared closely at Tian Fei, and said with a smile: “Beauty Tian, you really kept the promise, how is it? You bring someone here. Are you planning to surrender?

” At these times, Li Haishan’s eyes were looking at Tian Fei up and down, but he didn’t pay attention to Yue Feng at all.

The ultimate husband in Chinese chapter 2521-2530

Chapter 2521

In his heart, Yue Feng is just a driver, not a threat at all.

“You…”

Li Haishan’s gaze made Tian Fei very angry, and said coldly: “Stop talking nonsense, I am here today to tell you that our Black Tiger Industry will not compromise.” The

voice fell, Yue Feng slowed down. He walked over slowly and looked directly at Li Haishan: “You are the head of the branch in Yunchuan City, right, tell me, who is the head of your Wutian Organization?”

What?

Li Haishan was stunned, and the surrounding subordinates also thought that he had heard it wrong.

This kid has a big mouth.

“Boy!” Li Haishan couldn’t hide his contempt, looked at Yue Feng and said coldly: “What did you just say? Do you want to see our head?”

“Yes.” Yue Feng said lightly.

“Who is your special code?” Li Haishan shouted angrily.

Mad, is this kid tired of living, and he is so shameless by himself? You must know that even Li Haishan has never seen the behind-the-scenes head of the Wutian Organization. He only knows that the head of the organization is mysterious, and the dragon is extremely powerful.

Yue Feng breathed a sigh of relief and said slowly, “I’m Mr. Tian’s friend. I helped her settle this matter today.”

Hahaha…

Hearing this, Li Haishan reacted, and his stomach hurt from laughing. : “Boy, you said you came to settle this matter, did you settle it with a special code? It’s just you?”

At the same time, the surrounding subordinates couldn’t help but laugh.

At this time, Li Haishan's eyes fell on Tian Fei, and he couldn't help mocking: "Beauty Tian, where did you find such a fool? You want to deal with our entire hall alone? Your brain is caught in the door. "

Swish!

Hearing this, Tian Fei's delicate face suddenly turned red, very angry, and at the same time a little anxious.

The whole Fengtao is really too confident. How could he beat so many people by himself?

Thinking to herself, Tian Fei is about to speak.

However, at this moment, Yue Feng said to Li Haishan, "I'll only say it once, don't pay attention to Heihu Industry in the future, and take me to see your head immediately."

"Go to Nimad. Li Haishan suddenly became angry and shouted loudly. In an instant, the

people lying in ambush suddenly lit the torches, and at the same time, he pulled out the gun on his body and aimed at Yue Feng and the two at once.

Oops!

Seeing this scene, Tian Fei's body trembled, and she couldn't be more anxious. The opponent had a gun in his hand, and both of himself were within the opponent's attack range. Part-time jobs were living targets.

Seeing Tian Fei's expression, Li Haishan gave a wicked smile: "Beauty Tian, to be honest, we have no grievances and no grudges, there is no need to be so stiff, so you give up the business in Yunchuan City and become my woman, Forget it."

"You…" Tian Fei blushed, so angry that she was speechless.

This Li Haishan is just a bastard, he doesn't count as grabbing business, he wants to take advantage of himself.

Anxious, Tian Fei looked at Yue Feng, and was stunned. She saw that Yue Feng was not in a hurry, picked up a branch from the ground, and was folding it into sections.

At this moment, Tian Fei was completely in a hurry. When is it, this Feng Tao still has the mind to do this?

This is, Li Haishan saw Yue Feng's action, his eyes flashed coldly: "Kill him to death for me first!" A boy who doesn't know whether to live or die, dare to pretend in front of himself, and kill him first.

bang bang bang…

The voice fell, and more than a dozen men fired at the same time.

At this moment, Tian Fei was taken aback and wanted to make Yue Feng be careful, but the next scene completely shocked Tian Fei.

At this critical moment, Yue Feng's wrist flicked, and the dozen or so branches in his hand made a sharp sound.

Putong putong…

I saw that none of the more than a dozen guns and bullets hit Yue Feng. On the contrary, the surrounding subordinates did not respond to what was going on. Trembling, he fell into a pool of blood.

More than a dozen bullets were all shot by the branches, and at the same time, the branches were all stuck between the eyebrows of these people, killing them in one hit.

Chapter 2522

This…

Seeing this scene, Tian Fei's body trembled, staring at Yue Feng blankly, completely stupid.

I thought he was just a guest of the boss, but he never imagined that this person was so powerful that he could block bullets with branches and kill people. It was incredible.

"You…"

Li Haishan was also full of horror, looking at Yue Feng, as if he had seen a monster, his tone trembled, and he couldn't say anything.

Yue Feng was too lazy to talk nonsense, his body flashed, and he raised his hand and touched Li Haishan's acupuncture point.

Yue Feng's speed was very fast, Li Haishan only felt a flower in front of him, and then the acupoint was blocked, and the whole person could not move at all.

"What are you doing? Let me tell you, it's not going to end well if you provoke our Wutian Organization." At this time, Li Haishan couldn't help shouting, his mouth seemed tough, but his eyes flashed with panic. That proud and confident look.

Especially feeling the terrifying aura of Yue Feng, Li Haishan couldn't help trembling.

Who the hell is this? The strength is also terrible.

“Sir!”

At this moment, Tian Fei stepped on her high heels, walked over quickly, glared at Li Haishan with shame and anger, and said, “Just kill him.”

Thinking of Li Haishan’s attitude just now, Tian Fei became angry. Fighting in one place, such a scum in the arena, killing it is killing the people.

“Forgive your life, spare your life…”

Feeling Tian Fei’s killing intent, Li Haishan’s face was extremely pale, and he could hardly stand still, and would slump on the ground at any time.

At this time, Li Haishan wanted to turn around and run away, but the acupoint was taped and he couldn’t move at all.

“Don’t worry!”

Seeing Tian Fei’s angry look, Yue Feng smiled slightly, and said slowly, “It’s still useful for me to keep this person.”

After that, Yue Feng said to Li Haishan, “How is it? I said just now. Yes, do you agree now?”

“Agree, agree…” Li Haishan nodded like a chicken pecking at rice, he was not a fool, why didn’t he know what Yue Feng meant?

Yue Feng stopped talking nonsense, took out his mobile phone from Li Haishan, and then under his guidance, dialed the number of Li Haishan’s subordinates and turned on the speakerphone.

“Hey..” Li Haishan was full of cold sweat, and shouted at the phone: “Pass my order, from now on, anyone under the hall, don’t call the attention of Heihu Industry…”

And the above tasks are of course Important, but not life.

Soon, after the phone call, Li Haishan looked at Yue Feng with a flat face: “Your Excellency, is this all right?”

Yue Feng ignored him, tilted his head and smiled at Tian Fei: “Okay, your problem is solved. Now, you go back first, I have to ask him some other things.”

Saying that, Yue Feng thought of something: “By the way, the girl with me, please tell her, let her stay in your company and wait for me. , I’ll come back to find her after I finish my business.”

Yue Feng thought about it, going through this Li Haishan and breaking into the Wutian Organization. It is inconvenient to bring Xiao Xi, so it is better to let her stay here.

This…

Hearing this, Tian Fei hesitated a little. This person is the boss’s VIP. I’m afraid it would be inappropriate to leave him here alone, but seeing Yue Feng’s firm expression, he didn’t say much.

“Sir, take care.” Tian Fei said, turning to leave.

“Your Mightiness!”

As soon as his forefoot left, Li Haishan was full of fear and pleaded with Yue Feng: “I have done what you told me, please forgive me…”

Yue Feng showed a smile and said lightly: “What are you panicking about? I still have something to do. , I need your help.”

“What are you busy with?” Li Haishan was about to cry, what else did this man think?

Yue Feng thought about it and said slowly: “You take me to see your head, and I will spare your life.”

Chapter 2523

What?

Hearing this, Li Haishan shuddered and shook his head like a rattle: “No, absolutely not, our head has a weird personality, and we don’t like the person under him the most, so we took the initiative to find him.”

Yue Feng frowned, and then Leng Leng walked up to Li Haishan, opened his mouth and lips, took out an elixir from his body, and quickly stuffed it into it.

Gudong!

Before Li Haishan could react, the medicinal pill was swallowed directly into his stomach.

“You… what did you give me to eat?” Li Haishan looked at Yue Feng, his tone full of fear.

Yue Feng sneered and stared at Li Haishan: “Have you heard of Tongtian Pill?”

Yes.

What Yue Feng just gave him was Tongtian Pill!

“Tong…Tongtian Pill?” Li Haishan’s heart was shocked, and his body was dripping with cold sweat, and he was terrified. Ten years ago, there was a Tongtian sect in the Earth Circle Continent, and the strength was tyrannical. Take something like Tongtiandan.

It is said that after taking Tongtian Pill, within a year, if there is no antidote, the whole body will fester and die.

Li Haishan is also a person from all corners of the world, and he knows some of these things.

At this time, Li Haishan, the more he thought about it, the more frightened he became, staring at Yue Feng: “What do you want?”

Yue Feng said leisurely: “It’s very simple, you just need to take me to see your head, and I will give it to you. You have an antidote, otherwise, you will die.”

“Okay…” Li Haishan wanted to cry but had no choice but to agree.

To be honest, Li Haishan was reluctant to take him to see the Sect Master. You must know that Wutian’s organization is strictly hierarchical, and without the Sect Master’s invitation, he cannot rush to see him.

However, at this time, Li Haishan had no choice.

I can’t do it if I don’t agree. Li Haishan shuddered when he thought that he would fester and die without an antidote.

Seeing his promise, Yue Feng showed a smile, and then opened the acupuncture point for Li Haishan.

He had already taken Tongtian Pill forcibly, and Yue Feng was not afraid of Li Haishan running away.

“Your Excellency, I want to inquire about the whereabouts of the head first.” Li Haishan opened his mouth cautiously, and then took out his mobile phone.

The branches of the Wutian Organization are all over the continent of Kyushu. Of course you have to ask first.

Soon, Li Haishan got the news and said to Yue Feng: “The head is now in Zhongyuan Continent, let’s go.”

Zhongyuan Continent?

Yue Feng nodded, then set off with Li Haishan.

….

on the other side.

Zhongyuan Continent, Tianning City.

On the hills in the eastern suburbs of Tianning City, there is a magnificent manor with antique buildings.

At this moment, in the hall of the manor, a slender woman was sitting there.

Looking closely, the woman is only thirty years old. She is wearing a luxurious long dress and a veil. She has a compact body, a dignified temperament, and a beautiful face. Under the veil, she is looming, like a fairy in the sky, sacred and cannot be desecrated. .

It is the head of the Wutian Organization. If Yue Feng was present, he would be shocked to see her, because this woman was the former Huanyin Sect leader, Yu Wenyan.

Yes, the Wutian Organization was really created by Yu Wenyan. Three years ago, when the Kyushu Continent was still at war with the Rakshasa tribe, Yuwenyan snatched Yue Feng’s Linglong Pagoda, withdrew from the battlefield, and began to silently develop his own power.

Now that three years have passed, the Wutian Organization created by Yu Wenyan can completely compete with Tianmen.

Chapter 2524

Yu Wenyan was sitting there at this time, with a beautiful face without the slightest expression, it can be said to be frosty.

In the past six months, the Wutian Organization has set foot in the business world and wanted to expand its strength again by controlling the business world.

This made Yu Wenyan very annoyed.

“Sect Master!”

At this moment, an elite female disciple walked in and said respectfully, “The envoy is here.” After speaking, she took out a special black jade plaque.

Seeing the jade card, Yu Wenyan was slightly moved, and immediately got up and went to the back hall.

As soon as he arrived in the small hall, he saw a man in black robe sitting there quietly, with a faint smile on his sinister face. A strong aura pervaded his body.

It was Zhang Jiao.

“I haven’t seen you for a while, stay safe.” Seeing Yu Wenyan coming in, Zhang Jiao said with a smile.

Yes, Zhang Jiao is also a member of the Wutian Organization. It can be said that he established the Wutian Organization together with Yu Wenyan.

After the peace talks between the Kyushu army and the Rakshasa tribe, Zhang Jiao left without saying goodbye. He knew that by doing so, he had no place in the various forces in the Kyushu mainland, so he secretly created the Huangtian transaction, and then accidentally met Yuwen. Homura, learning that this woman is also ambitious, co-founded the Wutian Organization with her.

However, Zhang Jiao was cunning and unwilling to show his face, so he let Yu Wenyan manage the Wutian Organization and controlled it behind the scenes.

Yu Wenyan showed a smile: “Mr. Zhang suddenly came to visit, I don’t know what to teach you?”

Huh!

Zhang Jiao took a deep breath and said slowly, “Did you know that Yue Feng has returned?”

What?

Hearing this, Yu Wenyan’s tender body trembled, and he was stunned for a moment, and there was a bit of fear on his beautiful face.

When he robbed Yuefeng Linglong Pagoda, Yuwenyan decided that Yuefeng had no chance of revenge, because at that time, he had already become a cripple. Who would have thought that Yuefeng would regain his strength later, and then the war between Kyushu and the Rakshasa ended. , Yue Feng disappeared, Yu Wenyan was very happy at that time.

But I never thought that Yue Feng had disappeared for three years, but he came back.

Seeing her expression, Zhang Jiao smiled slightly: “But don’t worry, Yue Feng did not return to Tianmen, but hid his identity. I guess he wanted to investigate the Wutian Organization.”

When he said this, Zhang Jiao had a face He smiled confidently, but his heart was indescribably annoyed.

A day ago, Zhang Jiao set up an ambush around Yunchuan City on the Yellow Sea Continent, but as a result, Yue Feng was never ambushed, which made Zhang Jiao very annoyed.

Hearing this, Yu Wenyan’s eyes flickered: “Then according to your opinion, what should I do?”

Zhang Jiao pondered for a while, and said slowly: “Simple, you ordered the Wutian organization to attack the Tianmen, it is best to raid the Ouyang family, After grabbing the women of Yue Feng, Yue Feng will definitely show up, and then I will hide in the dark and make a surprise attack.”

“No!”

Yu Wenyan’s pretty face changed and immediately refused: “The Wutian Organization is developing, if it is with Tianmen In a head-to-head battle, our long-term efforts will be ruined. No way!”

In the past three years, Yu Wenyan has invested too much energy in Wutian Organization, and he doesn’t want to take such a risk.

Made!

Seeing her refusal, Zhang Jiao’s eyes flickered with displeasure. Sure enough, she is a woman, after all, there are some women’s benevolence.

At this time, Zhang Jiao was very dissatisfied with Yu Wenyan. Speaking of which, half a year ago, the two had a disagreement on the development of the Wutian Organization. At that time, Zhang Jiao wanted to kick Yu Wenyan out of the game, but he kept forbearance. When she saw her rejecting her suggestion again, she couldn’t help it.

However, Zhang Jiao is the best at hiding a knife in a smile, and he didn’t attack on the spot at this time.

“Alright then, let’s send someone to investigate Yue Feng’s whereabouts and make plans.” Zhang Jiao said with a smile.

When the words fell, Zhang Jiao poured two cups of tea, put some medicinal powder in one cup, and then handed it to Yu Wenyan.

Zhang Jiaofang's medicinal powder, called Huanxisan, is a very powerful medicine.

Zhang Jiao thought about it, this Yu Wenyan is arrogant, and since she doesn't follow her own wishes, let her become her own woman, and then she will not go against what she says.

Zhangjiao's speed was very fast, and Yu Wenyan didn't notice it at all.

At this moment, watching Yu Wenyan drink the tea, a smile appeared on the corner of Zhang Jiao's mouth.

"Master!"

Chapter 2525

It was at this time that an elite female disciple stood outside the small hall and said respectfully, "The head of the Yunchuan City branch, Li Haishan, asks to see you."

Li Haishan?

Yu Wenyan frowned, very displeased: "He is not staying in Yunchuan City, what is he doing here?"

"He said he had something to ask for." The female disciple said in a panic.

Yu Wenyan took a deep breath, turned his head to look at Zhang Jiao and said, "Mr. Zhang, wait a moment, I'll take a look." After speaking, he got up and went to the front to agree.

At this moment.

In the hall, Yue Feng and Li Haishan stood there.

What the hell!

Looking at the surrounding environment, Yue Feng was very shocked. He saw that this place was very luxuriously decorated, like a palace, and there were dozens of elite disciples standing around the hall.

These elite disciples are all girls in their mid-twenties, with pretty faces, graceful stature, and not low strength, all of which are the strength of a Martial Emperor.

This godless organization is really powerful.

“Here comes the head!”

Just as Yue Feng sighed inwardly, a cold voice came, and then, Yu Wenyan walked in slowly and sat on the throne.

At this moment, seeing Yu Wenyan, Yue Feng was stunned.

Nima, it was her?

In which mountain cave, Yu Wenyan tied himself up, and after all kinds of humiliation, he stole the Linglong Pagoda. Yue Feng will never forget it for the rest of his life.

But she never thought that she was the head of the Wutian Organization.

Pfft!

As soon as Yu Wenyan appeared, everyone in the hall knelt down, Li Haishan also knelt down with a face full of fear, only Yue Feng stood there proudly.

Swish!

Yu Wenyan’s eyes locked on Yue Feng all of a sudden, “Who are you?”

Before he came, Yue Feng put on makeup on purpose, and with three scars on his face, Yu Wenyan couldn’t recognize it at all.

“Sect Master!” Li Haishan hurriedly said: “This person wants to join our Wutian Organization, and he found me on purpose, saying that he has treasures for the Sect Master.”

When he said this, Li Haishan was nervous. On the way, Yue Feng explained to him.

treasure?

Hearing this, Yu Wenyan looked at Yue Feng up and down: “What treasure?”

Yue Feng smiled slightly and said, “This treasure, the sect master must like it.” After saying that, he took out a few top-quality Wuhuang realm. inner dan.

To be honest, after learning that the head of Wutian Organization was Yu Wenyan, Yue Feng couldn’t restrain his inner anger, but he finally held back.

After all, I am alone, so I am not afraid to fight, but in this case, I will be exposed.

Yue Feng thought about it, first stabilize Yu Wenyan, and then subdue her when he finds an opportunity.

call!

Seeing those few top-quality inner cores, everyone present was extremely shocked.

Even Yu Wenyan's eyes flickered, looking at Yue Feng's eyes with a strange light.

"Well, yes, this seat believes in your sincerity." Yu Wenyan said, his eyes fell on Li Haishan, and he praised: "You can recruit such a talent, it is considered a merit, this seat will reward you.

" Li Haishan couldn't be more excited about this.

"Good boy, go to hell!"

However, no one thought that at this moment, suddenly, a loud shout came from behind! Immediately afterwards, a figure, with rapid lightning, rushed from behind Yue Feng and slapped Yue Feng with a palm!

It is Zhang Jiao!

The ultimate husband in Chinese chapter 2526-2530

Chapter 2526

Just now, Zhang Jiao tricked Yu Wenyan to take Huanxi San, so he sat in the back small hall and waited, but after waiting, he didn't see Yu Wenyan coming back, so he came to have a look.

As a result, as soon as he arrived in the hall, he saw Yue Feng at a glance. Although Yue Feng put on makeup, the three scars on his face were very conspicuous. Zhang Jiao was surprised and happy.

hum!

Rushing to the front, a powerful breath burst out from Zhang Jiao. .

"Zhang Jiao!!!"

At this moment, seeing Zhang Jiao, Yue Feng was shocked and furious. I never thought that I would meet Zhang Jiao here.

"Yue Feng!" The corner of Zhang Jiao's mouth rose slightly, unable to hide his excitement and hatred, and said coldly: "I was worried that I couldn't find you, but I didn't expect you to come to the door on your own initiative, this is God's will, you, go Die!" The

voice fell, Zhang Jiao's inner strength surged, and he slapped it with a palm.

This…

Seeing this scene, Yu Wenyan's body trembled, his eyes fixed on Yue Feng, and he was shocked.

He… is he Yue Feng?

In the next second, Yu Wenyan reacted and was furious. He yelled at Yue Fengjiao, "Yue Feng, how dare you sneak into my place, you…"

Just now, Yu Wenyan was still thinking, and Yue Feng disappeared. Three years later, when he suddenly came back, how should he deal with it? In a blink of an eye, Yue Feng disguised himself and appeared in front of him.

Yu Wenyan is arrogant and arrogant, when has he been played like this?

After drinking Jiao, Yu Wenyan wanted to rush over, but suddenly, Jiao's body trembled, and he found that the internal force could not be activated. Not only that, but there was a strange force surging in the dantian.

This chapter is provided by . Visit for daily update.

boom!

The speed of the angle was too fast, Yue Feng had no time to react, this palm slapped on Yue Feng's body, and a dull vibration was heard, Yue Feng's blood spurted wildly, and the whole person flew out at once.

Pfft!

After flying for more than 100 meters, Yue Feng shed a rain of blood in the air, and finally fell heavily outside the hall. The pain came, and he almost fainted.

Yue Feng clearly felt that the blood in the body was surging, and the inner strength of the dantian was all disordered!

Huh..

Yue Feng is sweating profusely, Zhang Jiao's palm is too strong! Fortunately, I have internal strength to protect my body, which offsets some of my strength. Otherwise, I would be dead.

"Hahaha.."

Zhang Jiao was extremely excited, laughed up to the sky, and sneered at Yue Feng: “I didn’t expect it? Yue Feng, even if you are a hero of the Kyushu continent, in the end, won’t you die by my hands? I tell you, get rid of your stumbling block, and I can dominate Kyushu.”

“Zhang Jiao!”

Yue Feng’s face was pale, staring at Zhang Jiao, and said coldly: “Are you only attacking? So despicable and insidious, Even if you kill me, no one will

obey you.” “I’ll kill anyone who doesn’t agree with me. You don’t have to worry about that.” Zhang Jiao walked step by step with a grim expression on his face.

At this moment, Yu Wenyan snorted: “Zhang Jiao, don’t kill him first, Yue Feng is still useful.” Three years ago, Yu Wenyan stole the Linglong Pagoda, thinking that he could use the power of the Linglong Pagoda.

But in the end, Yu Wenyan couldn’t find the secret to opening the Linglong Pagoda. How could Yue Feng be allowed to die at this time? You know, when Yue Feng dies, the secret of Linglong Pagoda will never be solved.

“shut up!”

Zhang Jiao let out a loud shout and looked at Yu Wenyan with a half-smiling smile: “You self-righteous woman, do you really think you are in control of the audience? Let me tell you, from now on, the Wutian Organization will have the final say.

” The corner of the corner of the mouth evoked a sinister smile: “Do you feel powerless now? I put the joy powder in the tea just now, you can rest assured behind your back and be my woman, hahaha…”

What?

Hearing this, Yu Wenyan’s beautiful face suddenly flushed red, and her body trembled with anger.

This Zhang Jiao is really despicable and shameless. He has been allied with him for three years, but he is…

Nima!

At this moment, Yue Feng was also staring at Zhang Jiao, scolding inwardly.

This man is so sinister, he even plots against his own people.

“Yue Feng, die.” Zhang Jiao said with a smile!

Chapter 2527 The

voice fell, Zhang Jiao raised his hand again, and hit Yue Feng with a palm.

Nima!

Yue Feng cursed loudly, raised his hand and waved, releasing the cold white lotus fire, forming a white wall of fire in front of him.

Bailian cold fire?

Zhang Jiao's face changed, he didn't dare to be brave, and quickly urged his inner strength to resist the white flame. Zhang Jiao felt that in the past three years, Yue Feng's strength has become stronger, and the white lotus cold fire that broke out is much stronger than before.

Whoosh!

However, taking advantage of this opportunity, Yue Feng rushed over quickly, hugged Yu Wenyan, and rushed out of the hall.

"Zhang Jiao, I'll come back to you soon for this account." When he rushed out of the manor, Yue Feng's roar came coldly, and everyone felt a chill in their hearts.

Bang!

Zhang Jiao's face was extremely ugly, and he smashed the chair next to him and shouted, "Follow me." After the words

fell, many disciples in the manor rushed to the sky and chased in the direction of Yue Feng's escape.

On the other side, Yue Feng hugged Yu Wenyan and flew all the way at high altitude for more than an hour. Seeing that the pursuers behind him were successfully thrown away, Yue Feng took a deep breath and landed in a forest.

"Yue Feng!"

At this moment, Yu Wenyan gritted his teeth and said, "Let me go. I don't need you

to save me." "Can I save you?" With a beautiful face, she said coldly, "I just don't want Zhang Jiao's trickery to succeed. Let me tell you, Yu Wenyan, you stole my Linglong Tower three years ago, and the account hasn't been settled yet.

" , Yue Feng couldn't help looking at Yu Wenyan, and saw that her face was blushing, her appearance was really charming.

I have to say that this woman is really beautiful. I don't know how many men are willing to bow down under her skirt.

However, Yue Feng was not interested in her at all.

This Yu Wenyan, at the beginning of the Kyushu Continent, was the same enemy, fighting against the Rakshasa, but what about her? For the sake of his own interests, he secretly arrested himself and robbed Linglong Tower. It can be said that Yue Feng did not have the slightest affection for them, even if not at all!

"You…"

Hearing this, Yuwen was arrogant, but he was speechless.

For a while, neither of them were talking, and the atmosphere was very depressed.

Yue Feng was too lazy to pay attention to her and sat aside, thinking about what happened just now, Madd, he didn't expect Zhang Jiao to be a Wutian organization. Now Zhang Jiao and Yu Wenyan have torn apart their faces and completely controlled the Wutian organization. deal with.

"Yeah!"

Just when Yue Feng was thinking about this, Yu Wenyan, who was beside him, suddenly let out a low moan, showing pain.

This voice seemed to carry a fatal temptation, Yue Feng only felt that all the bones in his body were brittle.

"Yuwenyan!" Yue Feng frowned, turned his head to look, and said angrily: "Yuwenyan, don't think about making excuses for me, I'll tell you…"

Before he finished speaking, Yue Feng said Seeing Yu Wenyan's appearance, he couldn't help taking a breath.

Just saw Yu Wenyan curled up on the grass, under the long skirt, that charming curve was looming. He was dripping with sweat all over his body. And that beautiful face, seemingly incomparably painful, at the same time charming!

This, what's the situation?

Yue Feng frowned, remembering that before leaving just now, Zhang Jiao seemed to say something happy.

Thinking to himself, Yue Feng couldn't help but say, "Yu Wenyan, calm down." After speaking, Yue Feng was about to find a sobering elixir from the spirit beast sack.

Swish!

However, as soon as the words fell, Yu Wenyan hugged Yue Feng!

At this time, Yu Wenyan, under the attack of the medicine, has completely lost his mind!

What the hell!

At this moment, Yue Feng wanted to struggle, but Yu Wenyan hugged him tightly with both hands, not giving him any chance at all. The beautiful face came up, and the red lips kissed Yue Feng at once!

At this time, Yu Wenyan only felt that his body was extremely hot, and his whole body was about to burn, and he had no idea what he was doing.

Chapter 2528

Om!

At this moment, Yue Feng was stunned, and immediately, he and Yu Wenyan rolled on the grass!

“Hey, Yu Wenyan, wake up…” Yue Feng couldn’t help but speak.

However, at this time, Yu Wenyan couldn’t hear Yue Feng’s voice at all. She hugged Yue Feng tightly and started to pull on Yue Feng’s clothes.

“Oh!”

A low voice came from Yu Wenyan’s mouth, echoing among the unknown woods.

I don’t know how long it took, Yu Wenyan finally woke up, fell to the side, and fell asleep.

Yue Feng was sitting next to him, and at this time, he was also very tired.

Although it was cloudy and rainy just now, Yue Feng felt very uncomfortable at this time. In the manor before, he was sneakily attacked by Zhang Jiao, and Yue Feng was seriously injured by this palm.

Yue Feng sat cross-legged, healed his injuries for a while, and felt much better, only then did he breathe a sigh of relief.

Fortunately, the injury was not serious, and the injury recovered quickly. Otherwise, it will be troublesome.

Thinking to himself, Yue Feng only felt a killing intent coming from the side!

“Yue Feng!” I saw that Yu Wenyan didn’t know when he woke up. At this time, there was still a blush on the beautiful face, and his eyes were fixed on Yue Feng, with endless shame and anger!

Such a strong murderous aura!

Feeling Yu Wenyan’s murderous gaze, Yue Feng was very embarrassed, but he quickly calmed down.

Yue Feng felt that Yu Wenyan was still very weak after passing through the cloud and rain just now. Moreover, what happened just now was her own initiative, why should I panic?

“Yue Feng, you…you bastard.” At this moment, Yu Wenyan bit his lip, his eyes full of resentment: “You ruin my innocence, I, I will kill you!

” Flame’s delicate face, with endless anger and shame!

The head of his own Wutian organization, the goddess of icebergs on the rivers and lakes, was actually defiled by Yue Feng, which was even more uncomfortable than killing her!

“Yuwenyan!”

Feeling Yuwenyan’s anger, Yue Feng showed a smile, and said lightly: “I ruined my innocence? It’s ridiculous, you took the initiative just now, and I didn’t force you, and Zhang Jiao gave it to you. After taking the medicine, if you want revenge, you should go to him.” As he

said that, Yue Feng looked up and down Yu Wenyan.

I have to say that this Yu Wenyan deserves to be a goddess-level existence in the rivers and lakes. This figure and appearance are perfect. Especially the taste just now, it is even more memorable.

“You…” Yu Wenyan blushed and bit his lip, almost bleeding. Can’t speak for a while.

This bastard, Yue Feng, took advantage of himself and said slander! The thought of his relationship with Yue Feng made Yu Wenyan extremely ashamed and angry, and he was reluctant to accept this fact.

For a time, Yu Wenyan stared at Yue Feng fiercely, the atmosphere was solemn.

“Yue Feng, you have ruined my whole life, I want to kill you, kill you.” Yu Wenyan shouted tenderly, stood up, raised her jade hand and slapped Yue Feng.

Ugh!

Yue Feng shook his head and sighed, not knowing whether to laugh or cry, Yu Wenyan’s palm was no threat at all.

Yue Feng took a step away, dodged the palm gently, and said lightly: “Yuwenyan, don’t be ridiculous, it’s Zhang Jiao who harmed you, this person is despicable and cunning, what do you think it’s good for you to cooperate with him? Or help? I’ll deal with him together.”

“Shut up!” Yu Wenyan scolded in a low voice, and slapped him again.

Although Zhang Jiao was hateful, he did not defile himself. He had to kill Yue Feng today.

Seeing Yuwenyan’s face full of grief and indignation, Yue Feng only felt a big head. How to say, he really ruined Yuwenyan’s innocence, and it is not easy to fight back.

While dodging, Yue Feng shouted: “Yuwenyan, you have to settle the bill, right? Well, three years ago, you robbed me of Linglong Tower and trapped me in a cave to die. Now that three years have passed, it is time to take Linglong Did you give me the tower back?”

Chapter 2529

“Don’t pay it back!”

Yuwen is so arrogant, this bastard, who has ruined his life, still wants to go back to Linglong Tower? It’s so disgusting, how can there be such a shameless person?

Yue Feng didn’t know whether to laugh or cry, and at the same time, he was also a little angry: “Yu Wenyan, you are unreasonable.”

Mad, it was you who robbed my Linglong Tower first, and then killed me at that time. Are you still right now?

Buzz…. As

he was talking, suddenly, there was a strong aura fluctuation not far away, and then, six people walked over quickly.

Seeing these six people, Yue Feng frowned, and saw that these six people were wearing the same clothes, black and red long gowns embroidered with flames.

After encountering the King of Six Tribulations (Quiet, Illusory Body, Huifeng, Slaughtering Spirit, Locking God and Slaying Demons)

and then sensing their strength, I was secretly surprised. It turned out to be the realm of the fifth stage Martial Emperor. .

Who are these six people? The strength is so powerful.

Swish!

The six people approached, their eyes locked on Yue Feng at once, as if they were guessing Yue Feng's identity.

"Six, he's Yue Feng, grab him quickly." At this moment, Yu Wenyan pointed at Yue Feng and couldn't help but shouted, while speaking, the figure quickly retreated.

Yes, Yu Wenyan knew the identities of these six people, the King of Six Tribulations of the Holy Fire Palace.

The Holy Fire Palace is also a new sect that has risen in the rivers and lakes in recent years. It only rarely walks on the rivers and lakes. It can be said that it is very mysterious. No one knows who the leader is. Even the well-informed Yu Wenyan could not find out who the leader of the Sacred Fire Palace was, but she knew that the Sacred Fire Palace often sent the King of Six Tribulations to investigate the news on the rivers and lakes.

Even the King of Six Tribulations often went to the wild and strange realm to search for Yue Feng's whereabouts.

Yu Wenyan found out that the Sacred Fire Palace searched for Yue Feng's whereabouts because the leader had a grudge against Yue Feng.

Therefore, seeing the King of Six Tribulations at this time, Yu Wenyan pointed out Yue Feng's identity without hesitation, and wanted to use this knife to kill people.

What?

Hearing Yu Wenyan's cry, Yue Feng's expression changed.

At the same time, the King of Six Tribulations locked Yue Feng at once, and six powerful internal force fluctuations came from their bodies!

In the next second, the King of Six Tribulations shot at the same time and charged towards Yue Feng.

Nima.

Yue Feng didn't have time to think about it, and immediately joined the base station of the Six Tribulation King. Speaking of which, with Yue Feng's strength, even if the Six Tribulation King was a fifth-rank Martial Emperor, he would not be afraid. At this time, facing the siege of the King of Six Tribulations, some dangers suddenly appeared.

Pa…

Finally, just when Yue Feng was in a hurry, one of the Six Tribulation Kings found an opportunity, shot from behind, and clicked on Yue Feng's acupuncture point!

It is the Demon Slayer!

The Kings of Six Tribulations are Huansen, Huifeng, Slaughtering Spirit, Locking God, Slaying Demons, Nimie, and Slaying Demons, ranking third.

Yue Feng didn't have time to react at all, and his body couldn't move in an instant. He looked at the King of Six Tribulations in shock and anger: "Several, we don't know each other, why…"

Before he could finish speaking, the Demon Slayer interrupted coldly. : "Stop talking nonsense, our Sacred Fire Palace and you are at odds with each other, please follow us obediently."

Sacred Fire Palace?

Hearing this sect, Yue Feng wanted to cry but had no tears. Nima, this is the first time I heard about this sect.

"Yue Feng, do you know how long we've been looking for you?" The Demon Slayer said coldly, "In order to catch you, our leader, we have worked hard." The

voice fell, and the Demon Slayer raised his hand with a palm, directly Stun Yue Feng.

Chapter 2530

Seeing this scene, Yu Wenyan can't help but relieve his anger. This Yue Feng is finally going to get his retribution.

Thinking to himself, Yu Wenyan was about to leave.

"Wait!"

However, at this moment, the King of Six Tribulations came over and stopped in front of him.

"You also come with us." The Demon Slayer said lightly.

Yu Wenyan was shocked and angry: “Yue Feng and I are also enemies, what are you arresting me for?”

Yu Wenyan was very annoyed at this time, and he didn’t expect that he would help the Holy Fire Palace and reveal Yue Feng’s identity, but not only did he not get it Thanks, but they were also stared at.

The Demon Slayer King was too lazy to talk nonsense, looked at the other five kings, and worked together to subdue Yu Wenyan. Yu Wenyan’s situation was not much better than Yue Feng’s, and in the blink of an eye, the acupuncture point was hit.

At this time, it was already dark, and the King of Six Tribulations returned to the Holy Fire Palace with Yue Feng and Yu Wenyan.

….

On the other side, the Wutian Organization stronghold.

In the hall, Zhang Jiao sat there with a gloomy face.

Below, stood more than a dozen elites from the Heavenless Organization, all of them were in a state of fear, and did not dare to let out the air.

Just now, Zhang Jiao sent people to pursue Yue Feng’s whereabouts with all his strength. As a result, several hours passed without any progress. Yue Feng fled completely. Not only that, but Yu Wenyan also lost news.

This made Zhang Jiao very annoyed.

“Trash, a bunch of trash.” Zhang Jiao scolded coldly, then patted his forehead, thinking about his next plan.

Mad, failed to catch Yue Feng, it seems that he can only start with the Ouyang family.

…..

the other side.

Yue Feng didn’t know how long he had been in a coma. He seemed to have had a long dream, and when he woke up and opened his eyes, he found himself lying on the cold ground. In front of him is an incomparably majestic palace, and in the center of the palace is a huge pool of fire, which is burning with purple flames.

Outside the palace, there is a snow-capped mountain.

Nima, where is this? !

Muttering in his heart, Yue Feng wanted to stand up, but found that he was tied up by five flowers. This time, Yue Feng was stunned, looked up and couldn't help taking a breath of cold air.

I saw a graceful figure sitting quietly on the throne of the palace. The King of Six Tribulations, who had captured him before, was standing quietly on both sides, looking very respectful.

Yue Feng couldn't help but glanced at the woman and was stunned.

It turned out to be Lu Lingshan, the leader of the Ming sect. A few years ago, the Ming sect was destroyed by Yue Feng. Sister and brother Lu Lingshan and Lu Jiechen fled to the Xuanye Continent. Later, they were encountered by Yue Feng and killed Lu Jiechen. Lu Lingshan fled at that time. .

I never thought that Lu Lingshan disappeared for a few years and created the Holy Fire Palace.

But I have to say that after a few years of absence, Lu Lingshan is still charming and sexy, even a little more mature. At this time, she is only about 30 years old, with a compact body and charming temperament. Obsessed breath.

beautiful. Really beautiful.

Yue Feng breathed a sigh of relief, looked at Lu Lingshan, and said with a smile: "Master Lu, stay safe."

"Stop smiling with me?!" Lu Lingshan slowly stood up, walked to Yue Feng's side, and slapped him his face.

"Snapped!"

This slap was so powerful that Yue Feng felt his face go numb.

"Crack! Slap!"

Before Yue Feng could react, two slaps fell again!

"You bastard!" Lu Lingshan gritted her teeth angrily: "Back then in Xuanye Continent, you killed my younger brother tragically. Today, I will let you pay your debts with blood."

Nima!

It's good that Lu Lingshan didn't mention it. When he mentioned it, Yue Feng's anger suddenly rose: "Blood and blood to pay? Lu Lingshan, you know better than anyone what your brother did back then. His death was his own fault."

The ultimate husband in Chinese chapter 2531-2540

Chapter 2531 Back

then, Liu Xuan, whom Lu Jiechen killed, disfigured her face, and bewitched Yue Wuya, causing father and son to turn against each other. Thinking of this, Yue Feng couldn't control his emotions.

Hearing this, Lu Lingshan's tender body trembled with anger: "I don't care about this, in short, you kill my brother, you should die."

After speaking, Lu Lingshan said coldly: "The one who was arrested with you is your woman, right? Today I will send you on the road together.

Yu Wenyan was brought up after the voice fell.

"Kill her first. Lu Lingshan shouted tenderly.

The King of Six Tribulations came over immediately, pulled out his weapon, and was about to attack Yu Wenyan.

Seeing this scene, Yu Wenyan trembled, and hurriedly said: "You misunderstood, I have nothing to do with Yue Feng, On the contrary, he and I are enemies, and I can't wait to tear him to pieces. "

Speaking, Yu Wenyan glared at Yue Feng, this bastard is too abhorrent, and he will implicate me when he is dying. He

is also an enemy?

Hearing this, Lu Lingshan waved her hand and motioned to the King of Six Tribulations to bring Yu Wenyan to his place. aside.

"Yue Feng! "

Lu Lingshan walked over slowly, and mocked Yue Feng coldly: "There are so many enemies, it's not a pity for someone like you to die 10,000 times. With that said, Lu Lingshan took the spirit beast bag from Yue Feng's body.

"What are you doing?" Yue Feng had a bad feeling.

Lu Lingshan showed a playful smile: "What are you doing?" Don't think I don't know, Qiangqi, who was imprisoned in the forbidden area of our Ming sect, entrusted you to take care of his descendants, is now in the sack of this spirit beast. "

You are very cunning. In order to prevent you from letting go of Qiuqi and save you from trouble, I can only do it first." "

This chapter is provided by . Visit for daily update.

With that said, Lu Lingshan raised her hand, and the spirit beast sac landed in the fire pool not far away.

Nima!

Seeing this scene, Yue Feng wanted to stop it, but his whole body was tied up, and it was of no use at all.

Roar!

That is, at this moment, the spirit beast sac was instantly burned, and Qiang Qi inside felt the danger, and reported a roar, and broke out directly.

"Go to hell!" Lu Lingshan had long expected that Qiongqi would rush out, let out a coquettish cry, and his figure flew up, hitting the top of Qiongqi's head with a palm.

At this time, Lu Lingshan was already in the Tribulation Realm, and although Qiongqi was also very strong, his attention was on the fire pool and he rushed out in a hurry, unable to avoid Lu Lingshan's palm.

Bang!

This palm was firmly slapped on top of Qiongqi's head, and he heard a whimper, and fell directly into the fire pool, spraying blood, killing him on the spot.

"Lu Lingshan, what the hell!" Yue Feng's eyes were blood red, his heart ached, and he roared, his voice hoarse.

This Qiongqi has followed him for nearly ten years. It can be said that in Yue Feng's heart, Qiongqi is no longer a spirit beast, but his own family. Now that he sees Qiongqi's tragic death, Yue Feng only feels that his heart is cut by a knife.

Seeing this scene, Yu Wenyan next to her was also trembling, and her heart palpitated.

The leader of the Holy Fire Palace is really cruel. He killed Qiongqi without blinking. It seems that this time, Yue Feng is dead.

Feeling Yue Feng's anger, Lu Lingshan smiled lightly: "My heart hurts, when you killed my brother, did you think about today? Come, bring Yue Feng into the secret path of

purgatory." The secret path of purgatory?

Hearing this name, Yue Feng's heart trembled, what was that place?

While muttering, the King of Six Tribulations came over, held Yue Feng, opened a hidden stone gate beside the palace, and took him down.

At this moment, Yue Feng wanted to struggle, but he was bound by Wu Hua and couldn't move at all.

Soon, walking down the dark stone steps, Yue Feng was led into a narrow secret passage.

Yue Feng saw that this secret passage was just below the palace, and the walls on both sides were made of black iron several meters thick, which were scorching hot.

Bang!

After being brought in, the King of Six Tribulations turned around and left, closing the entrance to the secret passage.

Chapter 2532

"Yue Feng!"

At this moment, Lu Lingshan's voice came from overhead, and she saw that there were some small round holes above the secret passage, and through the round holes, you could just see the palace.

At this time, Lu Lingshan was passing through these round holes and sending a message to Yue Feng.

"I know that you have the cold fire of the white lotus, and you can use the cold fire of the white lotus to absorb the different fires in the world, but the iron walls on both sides of this secret passage are burned red by the fire, and there is no open fire. I see how you absorb it."

"Yes, secret passage . The iron wall will slowly close, and then you will either be burned to death, or you will be cut into meat patties, Yue Feng, give up the struggle, this is your end."

Mad!

Hearing this, Yue Feng scolded secretly, and saw that the walls on both sides were slowly closing, not only that, but there was a constant fire behind the walls, constantly heating the temperature of the walls.

This time, Yue Feng was a little desperate. Because what Lu Lingshan said was right, Bai Lian Leng Huo can indeed merge with the different fires in the world, but the fusion is all burning open fire, and now, the open fire is blocked by the wall, and Bai Lian Leng Huo can't pass through at all.

More importantly, although Yue Feng is powerful and has internal strength to protect his body, he is still a body of flesh and blood.

Thinking about it, Yue Feng broke out in a cold sweat.

…..

On the other side, the Earth Circle Continent, the Ouyang Family.

In the hall, Jiang Shan, Ren Yingying, Qin Rongyin, Yue Wuya Hanbing and others are gathering together. One by one sat there with their heads down, looking depressed.

It's been three years, and for three years, everyone has been inquiring about Yue Feng's whereabouts.

"Ugh!"

At this time, Jiang Shan, who was not far away, sighed softly and couldn't help but said, "There has been no news for so long, is there really something wrong with Feng'er?"

When saying this, Jiang Shan's beautiful face , In addition to anxiety, there is also a hint of disappointment.

When the words fell, Ren Yingying, Qin Rongyin and others were all saddened.

"Yue Feng will be fine, definitely not!"

"Yes, all the difficulties in the past have been overcome…"

Everyone said one sentence after another, and they all firmly believed that nothing could happen to Yue Feng.

"Madam!"

At this moment, a maid walked in quickly and said to Jiang Shan, "Someone is asking to see you outside the door." Jiang

Shan frowned: "Please come in."

"Yes!"

Under the leadership of , a figure walked in slowly, wearing a black long gown, with a good aura, it was Zhang Jiao!

Zhang angle?

Seeing him, everyone present was shocked.

Three years ago, after the Kyushu Continent and the Rakshasa had peace talks, Zhang Jiao disappeared. Unexpectedly, he suddenly appeared today.

“Zhang Jiao?!”

“Mr. Zhang, what are you doing for your sudden visit?”

After being stunned for a few seconds, Jiang Shan and other talents responded and greeted each other.

To be honest, everyone doesn’t have a good impression of Zhang Jiao. After all, Zhang Jiao once followed Yang Jian and invaded the Diyuan Continent, causing many casualties in the rivers and lakes. However, after fighting the Rakshasa together, everyone’s impression of him only improved.

“Master!” At this time, Han Bing greeted him, and said with surprise and joy: “Why did Master leave without saying goodbye?”

Zhang Jiao smiled and explained: “Good disciple, when the Rakshasa tribe was no longer a threat, I will stay here. There’s no point in coming down, you know, Master always likes to be free.”

He said that, but Zhang Jiao’s eyes flashed cunningly.

Chapter 2533

Afterwards, Zhang Jiao looked around, and finally his eyes fell on Jiang Shan: “Mrs. Jiang, I have good news to tell you, I have news about Yue Feng.”

Wow!

Hearing this, the entire hall was in an uproar, and everyone was excited.

“What? Where is he?”

“I knew that Yue Feng would be fine.”

“Mr. Zhang, tell us quickly.”

At this time, everyone didn't know about Zhang Jiao's tricks, let alone. Zhang Jiao created the Huangtian transactions all over the continent of Kyushu. Not only that, but now he has completely controlled the Wutian organization. It can be said that Zhang Jiao's strength is stronger than any sect at this time.

Facing the crowd's questioning, Zhang Jiao smiled and said: "I have been wandering around for the past three years. One day ago, when I was passing through the Chaos Mountains, I found Yue Feng. At that time, he had just walked out of the wild and strange realm, but was attacked by a beast. , was seriously injured."

"Because his injury is very serious, I don't dare to rescue him at will, so I can only come to explain the situation to you."

When he said this, Zhang Jiao looked serious.

Yes, Zhang Jiao was lying. He did this because he wanted to lure the people of the Ouyang family into the ambush he set up. When these people were caught, he would be able to force Yue Feng to show up and surrender.

At this moment, Jiang Shan and the others were extremely excited and nervous, unaware that they had been deceived by Zhang Jiao.

"Where is he?"

"Take us quickly."

Everyone started talking, with urgency in their eyes.

"Yue Feng was arranged by me in a safe place, you come with me, his injury cannot be delayed." Zhang Jiao smiled slightly.

A few minutes later, Jiang Shan and the others followed Zhang Jiao and left the Ouyang family.

Two hours later, when they reached a forest on the border of the Earth Circle Continent, everyone stopped and took a break.

Seeing this scene, Zhang Jiao stood aside with a smile on his face, but there was a hint of gloom in one eye.

At this moment, the wind picked up, and Zhang Jiao quietly took out a bag, stood on the upper wind vent, and sprinkled some powder into the air. Soon, the powder followed the wind and was inhaled into the breath of everyone.

Soon, Jiang Shan, who was the closest, trembled, feeling that something was wrong.

what happened?

At this moment, Jiang Shan's pretty face was pale, and her heart was also in shock. It was strange that she was fine just now, but suddenly, her whole body became weak, and her inner strength seemed to be imprisoned, and she couldn't move it at all!

This…. this is clearly a sign of poisoning!

Thinking to herself, Jiang Shan was about to stand up, but her legs were so weak that she couldn't exert any strength at all.

Haha….

Seeing this scene, Zhang Jiao was extremely proud and looked at Jiang Shan with a smile: "Mrs. Jiang, what's going on?" The tone seemed to be very concerned, but it showed a bit of drama.

"Mr. Zhang, I…" Jiang Shan frowned and was interrupted by Zhang Jiao as soon as she said a few words.

Zhang Jiao said with a playful expression, "Mrs. Jiang, do you feel that your whole body is weak and weak, that your dantian is suppressed by an invisible force, and you can't move it at all?"

What?

Jiang Shan's tender body was shocked, and she locked on Zhang Jiao all of a sudden, she said in amazement: "You… how do you know?"

Zhang Jiao smiled and said: "Of course I know, because I put a kind of ecstasy in the air. ,Hahaha…"

Swish!

When the voice fell, the expressions of everyone around changed greatly, and at the same time, they looked at Zhang Jiao in shock and anger.

This… this horn is so abhorrent, it even plotted against it.

At this moment, Han Bing stood up, looked at Zhang Jiao in disbelief, and whispered, "Master, why are you doing this?"

Chapter 2534

At the same time, Ren Yingying and others also changed their faces, and their delicate bodies were trembling.

“I… I don’t seem to be able to exert my inner strength…”

“Me too…” Before the

words were finished, everyone’s intuition was weak, and they all slumped on the ground.

Whoops!

Seeing this scene, Zhang Jiao showed a smile, and then clapped his hands. Suddenly, dozens of men in black rushed out from the surroundings. These men in black were all disciples of the Wutian Organization.

In the blink of an eye, these men in black tied up Ren Yingying and the others. Of course, Jiang Shan did not escape bad luck, her hands and feet were firmly tied.

“Master…why?!” Han Bing’s delicate body trembled, and he never thought that Zhang Jiao would be so sinister.

Zhang Jiao sneered: “Good apprentice, I have no choice but to do this.”

“I have no choice?!”

Sun Dasheng stared at Zhang Jiao and cursed, “You are so phony here. Insidious villain, three years ago, Fengzi should have killed you directly.” The

voice fell, and many people present also agreed!

“Yes, Yue Feng was too kind at that time.”

“This man is very wealthy, we shouldn’t believe him.”

Shuh!

Hearing this, Zhang Jiao’s face suddenly became extremely gloomy, and he glared at Sun Dasheng: “Sun Dasheng, you are the most damnable, you are already a prisoner, and you are still stubborn. When I catch Yue Feng, the first one will kill first. about you.”

To be honest, Zhang Jiao really wanted to kill Dasheng Sun immediately. After all, he, Wen Chou Chou and Yue Feng were three brothers, and they were powerful.

However, in order to attract Yue Feng to appear, Zhang Jiao held back.

“Zhang Jiao!”

At this moment, Ren Yingying held back her anger and said coldly to Zhang Jiao: “You are also a person who has been famous for a long time, and now using such despicable means to deceive us, you are not afraid of being caught by the world. Laughing?”
“Auntie!” Yue Wuya

next to him said loudly, “You don’t need to tell him too much about such a shameless person.

“

Come, take a step forward, raise your hand and slap it towards Yue Wuya!

“Clap!”

With this slap, Zhang Jiao used all his strength, Yue Wuya was locked out of his internal power, and he couldn’t dodge at all. He heard a crisp sound, Yue Wuya groaned, and was slapped to the ground, with a beating on his lips. Bleeding!

“Boy, what right do you have to point fingers at me?” Zhang Jiao said coldly, “Have you forgotten how I took care of you when I was working under Yang Jian?”

Wow!

Seeing this scene, the others around were extremely angry.

This angle is too ruthless, and if he doesn’t agree, he will act. Although Yue Wuya is an adult, in the hearts of everyone, he is still a child.

“Come on, drag this Yue Wuya aside for me, and chop off both hands.” Zhang Jiao’s eyes flashed coldly, and he instructed the men beside him. This Yue Wuya is Yue Feng’s son, and if he cut off both hands, Yue Feng will definitely appear at the first time when Yue Feng is heartbroken.

As soon as the voice fell, several men in black responded and were about to come around.

“Stop, stop…”

At this moment, a delicate figure shouted, rushing over quickly, blocking in front of Yue Wuya, her delicate face was full of anxiety and determination.

It was Hai Ling’er!

Yes, after the Kyushu Continent and the Rakshasa tribe negotiated peace three years ago, Hai Linger stayed. For the past three years, she has been with Yue Wuya, and has a deep love and righteousness.

Seeing that Zhang Jiao was about to cut off Yue Wuya's hand, Hai Linger didn't have time to think about it and tried her best to stop it.

Um?

Chapter 2535 Zhang

Jiao was stunned for a moment, then looked up and down Hai Linger, in three years, Hai Linger has become more charming and sexy.

A few seconds later, Zhang Jiao said coldly: "Go away!"

Zhang Jiao knew that this girl was the princess of the sea shark clan and had a special status, but at this time, she had no pity on her.

Hai Linger shook her head with a determined face: "With me here, you can't even think of hurting Brother Wuya."

"Linger!" Yue Wuya was so anxious that he yelled, "Don't worry about me, I'll borrow him today. Be brave, see if you dare to cut my hand."

Hai Linger shook her head firmly: "Brother Wuya, you protected me before, but now I will protect you."

Immediately, Hai Linger stared at Zhang Jiao: "You Bad guy, three years ago, Sect Master Yue kindly spared your life, but instead of being grateful, you came to harm his family. You are a scum like you, you have to die…"

"Crack!"

Zhang Jiao said before he finished speaking. Furious, he slapped Hai Linger's face fiercely.

"Damn girl, you dare to talk to me like that. Who is this person? It's your turn to make irresponsible remarks?! Courting death!" Zhang Jiao said coldly, raised his hand, and hit Hai Linger seven or eight times. Next, a slap is harder than a slap!

"Crack! Slap! Slap!" The

crisp voice kept ringing!

Hai Ling'er is extremely weak, how can she bear it? ! At this moment, blood oozes from the corners of her mouth, and her legs are extremely soft. But he still shouted: "Bad man, devil, you must not die well, you must not die well…"

This bad guy, who lied to everyone, still wants to cut off brother Wuya's hand, there is nothing more hateful than him in the world Bad guy.

Hearing this, Zhang Jiao was furious. He has been famous for thousands of years. He used to be the leader of the Yellow Turban Army, but now he is being scolded by a girl. How can he bear it?

Under his anger, Zhang Jiao slapped harder and harder!

"Hai Linger…"

"Zhang Jiao, you are a Jianghu senior, bullying a little girl, are you still human?"

"Nima, you have the ability to come to me…"

Seeing this scene, Sun Dasheng, Ren Yingying, Yue Wuya and the others, their eyes were all red, and they kept shouting at Zhang Jiao.

Especially Yue Wuya, his eyes were blood red and he was about to explode with anger.

Hai Ling'er was so gentle and kind, yet she was so abused by Zhang Jiao. Seeing her desolate appearance, she only felt that her heart was cut by a knife.

"Haha…"

Hearing Yue Wuya's scolding. Zhang Jiao showed a wicked smile: "Just a few slaps, you can't stand it anymore? I tell you, I will not only beat her, but also her life." After

speaking, Zhang Jiao looked at Yue Wuya: "Boy, Do you like this princess of the sea shark clan? Today, I will let you feel the taste of the death of your loved one in front of you." The

voice fell, Zhang Jiao's inner strength surged, and he slapped Hai Linger's heart with a fierce palm!

In an instant, Sun Dasheng, Ren Yingying and the others changed their faces greatly, and their hearts were raised in their throats.

Boundless Brother…..We will see you in the next life.

Looking at Zhang Jiao's palm, Hai Ling'er couldn't stop her tears and closed her eyes in despair.

Yue Wuya's eyes were bloodshot, and he struggled hard, trying to break free from the rope, but his inner strength couldn't mobilize it, so it was of no use at all.

“Master!” At this critical moment, an eager shout came, with a pleading expression on his delicate face.

It is ice.

Seeing the ice, Zhang Jiao frowned, and withdrew his palm force abruptly!

Pfft!

Han Bing bent his legs, knelt directly in front of Zhang Jiao, and pleaded, “I beg you, please spare Hai Ling’er, just for the sake of our master-disciple battle. Please, forgive me. I got her…”

When he said this, Han Bing almost cried.

Hai Linger and her brother were in love with each other, how could they bear to see her disappearing like this? If Hai Linger died, how sad my brother would be.

The ultimate husband in Chinese chapter 2536-2540

Chapter 2536

“The relationship between master and apprentice?”

Zhang Jiao looked at Han Bing with a half-smile, and nodded slowly: “Okay, I can promise you.”

“Thank you, Master…” Han Bing was overjoyed and was about to speak.

However, as soon as he uttered the four words, Zhang Jiao planned it.

“Don’t be too happy, I can spare this Hai Ling’er’s life, and I can spare your brother for the time being.” Zhang Jiao’s mouth curled into a wicked smile, and said slowly, “However, you have to promise me one condition. “

This…

Han Bing’s delicate body trembled, his heart trembled inexplicably, the master was deceitful, and the conditions he said were definitely not a good thing.

“Little sister, don’t promise him.” At this moment, Yue Wuya couldn’t help shouting: “This person is despicable and shameless, and there will definitely be no good things. I would rather die than let his tricks succeed.

” At this point, Han Bing’s face flushed red and he was very hesitant.

Zhang Jiao was too lazy to talk nonsense, and said to Han Bing: “It’s very simple, you stay in the Ouyang family, find a way to spread the news to your father Yue Feng, and then ask him to find me.”

Hearing this, Han Bing was stunned and gave Father’s message? So, is your father okay?

call!

At the same time, the other people around were also inexplicably excited.

It turns out that Zhang Jiao did so much to attract Yue Feng.

Thinking of this, everyone in Ren Yingying was surprised and happy. In this way, Yue Feng has a clue.

“Okay!”

Finally, Han Bing reacted and nodded at Zhang Jiao: “I promise you.”

To be honest, Han Bing knew that Zhang Jiao was going to deal with his father, and was very reluctant, but he had no choice. If he didn’t agree, his brother’s hand would be cut off, and Hai Ling’er would also be killed.

Haha…

Seeing her answer, Zhang Jiao showed a smile and said with relief: “Okay, as expected of my good disciple.” After

speaking, Zhang Jiao waved his hand: “Take it all.” The

voice fell, and the surrounding black people The clothes man escorted Ren Yingying and everyone away.

“My lord!” As

soon as he left, a few men in black walked quickly with a huge stone alley. The leader said respectfully, “I found this.”

Yes, Zhang Jiao removed Jiang Shan and Ren Yingying from the Ouyang family. After cheating, his subordinates went to Ouyang’s mansion to search, the purpose was to find the treasure chest left by Xuanyuan Huangdi.

Zhang Jiao is a smart person, knowing that even if he controls the Wutian Organization, it is difficult to dominate the Kyushu, and the treasure chest left by Xuanyuan Huangdi can restrain the Rakshasa clan.

Controlling the Rakshasa Clan gave them the absolute power to dominate the Kyushu. You must know that when the Rakshasa Clan crossed the Chaos Mountains, they were threatening, and the Kyushu Continent was united, and it was almost impossible to stop it.

Hahaha…

Zhang Jiao walked over quickly, looked around the stone box carefully, and said with joy, “Not bad…” The

treasure chest has been obtained, and the rest just needs to find the key to open the treasure chest.

Of course Zhang Jiao knew that it was the Dragon Ball who opened the treasure chest. Three years ago, Yue Feng got the Dragon Ball by chance and was tricked by Duan Yu.

And now, after Yue Feng had been missing for three years, he must have gotten the Dragon Ball.

…..

On the other side, the Holy Fire Palace.

In the secret passage of purgatory below the main hall.

Kachacha…

As the walls on both sides slowly closed, the gap in the middle was already less than one meter.

Yue Feng was sweating profusely, Nima, if this goes on, he will be roasted on a sizzling iron plate.

Chapter 2537

What to do?

Buzzing…

As he was talking, he heard a sound of vibration on the solid ground under his feet. The vibration was not loud, but Yue Feng could hear it clearly.

What the hell! what's the situation?

Yue Feng was full of doubts, and quickly lowered his head, his eyes fixed on the ground, and he saw the stone slab under his feet, a hole with a diameter of half a meter was cut out, and then a short figure came out.

This man looked in his forties, dressed in a tight leather suit, with a deer head and mouse eyes, and a pointed mouth and monkey cheeks.

It was Tu Xingsun who had met several times in the Northern Ying Continent.

What the hell, it was him?

Seeing Tu Xingsun, Yue Feng was stunned.

"Bah ah…" Tu Xingsun patted the dirt on his body, spit out the dirt in his mouth, and said to himself: "It's really hard to make a hole in this broken place…" As

he said, Seeing Yue Feng, Tu Xingsun was startled and almost jumped up.

"Why are you?" Tu Xingsun looked up and down at Yue Feng, very surprised.

At that time, Yue Feng and Chang'e were arrested together, and then locked up in the palace cell of the Northern Ying mainland by Yang Jian. At that time, it was Tu Xingsun who dug a hole in the ground and rescued them.

Tu Xingsun still remembers the scene at that time, and he is no stranger to Yue Feng.

"Senior Tuxing, stay safe." Yue Feng smiled and greeted.

When he said this, Yue Feng felt indescribably comfortable. Mad, thought he was doomed this time, but he didn't expect to encounter Tu Xingsun.

Tu Xingsun was about to respond when he saw the walls on both sides, and his expression changed suddenly: "I'm going, this is a dead end. Come with me." After speaking, he turned and got into the hole.

Yue Feng didn't have time to think about it, and quickly followed behind.

"Senior Tuxing."

After entering the cave, Yue Feng couldn't help but ask: "Senior, why are you here?" Yue Feng was anxious, Tu Xingsun is Chang'e's subordinate, loyal and loyal, and should be in Beiying Continent now , how can it appear in the Holy Fire Palace?

Hearing this, Tu Xingsun smiled awkwardly and said, “You don’t know anything, when the war with the Rakshasa ended, the empress focused on cultivating Taoism and no longer bothered about the affairs of Northern Ying Continent, and I don’t need my protection, so I am now The body of freedom.”

“Don’t people often come to the wild and strange realm to explore recently? Hehe, I’m a bit of an itch, and I also come to join in the fun.”

“This time I passed by the Holy Fire Palace, and I heard that there is a treasure here, called the fire prevention beads, I will I came to investigate, I didn’t expect to meet you.”

It turned out to be the case.

Upon learning of the situation, Yue Feng nodded suddenly, and at the same time felt a little emotional.

This Tu Xingsun deserves to be a long-established mission in all corners of the world. He is so daring and brave that he dares to come to the Holy Fire Palace alone.

As he said that, Yue Feng followed Tu Xingsun to keep moving forward, and he saw that this Tu Xingsun was too powerful. It was just a simple hole in the ground, and he even hit in all directions.

“Brother!”

At this time, at a fork in the road, Tu Xingsun turned his head and said, “I’ve lost so much energy, and I haven’t seen the fire-proof beads. I’m going to leave. Do you want to stay or come with me?”

Said At these times, Tu Xingsun was very depressed.

It took most of the night to rummage through the Holy Fire Palace, but I didn’t see the shadow of the fire bead. At this time, I was already disheartened.

call!

Yue Feng took a deep breath, thought about it, and said, “Senior leave first, I still have some things to do.”

Ma De, if it’s a disaster, he must not just leave like this. When he thinks of his own poor and strange beast, Lu Lingshan has been killed by Lu Lingshan. Killed, the anger in Yue Feng’s heart rose.

Tu Xingsun nodded, told Yue Feng the route of the cave, and then turned to leave.

Watching Tu Xingsun leave, Yue Feng walked slowly along the hole in front of him.

Tu Xingsun’s hole in the ground seemed to extend in all directions, making people dazzling, but Yue Feng couldn’t help it. After all, the formation technique that Yue Feng learned was much more complicated than this.

After a while, at the end of one of the caves, Yue Feng looked down and determined that this was the restricted area of the Holy Fire Palace, where Lu Lingshan rested, and went straight out.

Chapter 2538

Hiss!

As soon as he got to the ground, when he saw the scene in front of him, Yue Feng was shocked and couldn’t help taking a breath of cold air.

I only saw this beautiful room, all the tables and chairs were inlaid with gold and jade, not only that, but there was an intoxicating aroma in the air.

Yes, it was the room where Lu Lingshan rested.

Yue Feng saw that a candle was lit beside the innermost gum.

On the gum bed, Lu Lingshan was sitting upright, holding a glass of wine in her jade hand, and was muttering something to a spiritual position.

Mad!

It’s so late, Lu Lingshan doesn’t sleep, she pours her own drink alone?

Muttering in his heart, Yue Feng’s eyes turned to Lu Lingshan, and he couldn’t move away immediately.

At this time, Lu Lingshan was only wearing a pajamas, and the woven fabric could not hide her charming curves. It was simply too beautiful.

At the same time, Yue Feng also noticed that Lu Lingshan seemed to be very unhappy. She only drank, and the fruit and delicacies didn’t move at all. There was a little sadness between her eyebrows.

Yes, Lu Lingshan is missing her younger brother Lu Jiechen. The siblings have been with each other since childhood, and they are deeply in love. At that time, Yue Feng killed Lu Jiechen, and Lu Lingshan was heartbroken and vowed to avenge her younger brother.

Now that Yue Feng has been captured, the great revenge is about to be avenged. Lu Lingshan thinks of her younger brother again and is heartbroken.

“Brother, did you know? Big sister avenged you.” Lu Lingshan looked at the spiritual position and muttered to herself. In her heart, Yue Feng was imprisoned in the secret path of purgatory, and there was absolutely no possibility of surviving.

Hehe…

Hearing this, Yue Feng couldn’t help but let out a chuckle.

who?

Lu Lingshan’s delicate body was shocked, she turned her head, and she was shocked when she saw Yue Feng.

“You’re not dead?” Lu Lingshan was stunned.

“Are you disappointed?” Yue Feng smiled and walked over slowly.

“Yue Feng, go to hell!” Lu Lingshan’s icy drink came out of her mouth. Then, she walked lightly, pulled out the long sword beside her, and stabbed directly at Yue Feng!

call!

This sword contains Lu Lingshan’s ten successes! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

Yue Feng smiled coldly, standing there as steady as Mount Tai!

“Lu Lingshan, since you want to settle the account, let’s settle the account clearly.” Yue Feng said coldly, and the inner strength of Dantian rushed upwards.

Immediately afterwards, Yue Feng summoned Fang Tianhuaji to meet Lu Lingshan!

“Dangdang!”

Lu Lingshan’s long sword collided with Fang Tianhuaji, making loud noises. After a few rounds, Lu Lingshan was dripping with sweat, and she was even more shocked.

This Yue Feng, who hasn’t seen him for a few years, has become even more terrifying?

Although Lu Lingshan’s strength has reached the realm of tribulation, she could not gain the slightest advantage against Yue Feng!

At this moment, Yue Feng flipped his wrist, raised his hand and hit him!

The speed of this palm was too fast, and Lu Lingshan couldn’t dodge it. At that time, she could only use her internal strength to greet it with one palm.

boom!

The two palms touched each other and made a dull vibration. At this moment, Lu Lingshan retreated several steps, her face instantly ugly!

Yue Feng has practiced Guiguzi's technique, and his internal strength is powerful. Of course, Lu Lingshan is not his opponent with that palm!

"You…"

Lu Lingshan only felt a tightness in her chest, she stabilized her figure, looked at Yue Feng in shock and anger, her face was full of incredible!

This.. how is this possible!

Chapter 2539

At this time, Lu Lingshan still didn't know that the reason why the King of Six Tribulations was able to capture Yue Feng was an unexpected advantage, and Yue Feng's internal strength had not completely recovered at that time.

Really one-on-one, Lu Lingshan is not Yue Feng's opponent at all.

Yue Feng sneered, too lazy to talk nonsense, raised his hand quickly, and tapped twice on Lu Lingshan's acupuncture point.

In an instant, Lu Lingshan's body froze, unable to move.

"Yue Feng, you scum!" Lu Lingshan bit her lip tightly: "Quickly solve the acupoint for me!" "Under the acupuncture

point?"

Yue Feng smiled, his eyes were bloodshot, and he walked in front of Lu Lingshan step by step. Slap in her face!

"Clap!"

As soon as the slap went down, Lu Lingshan let out a coquettish cry, and a slap print appeared on her fair face.

"You're too embarrassed to let me solve the acupuncture point? This slap is a self-righteous slap." Yue Feng looked at Lu Lingshan coldly, and almost squeezed these words out of his teeth!

Lu Jiechen did something wrong and almost killed Liu Xuan at the beginning, but Lu Lingshan couldn't think of his younger brother's fault at all, and wanted to take revenge.

Lu Lingshan was blinded by this slap, she reacted, looked at Yue Feng and said, "Yue Feng, I think I'm right? You killed my brother, what's wrong with me taking revenge ?

"

Throw it away!

"This slap is for my Qiongqi." Yue Feng's eyes were red and he was almost losing his mind: "Do you know how many years my Qiongqi spirit beast has been with me? He was brutally killed by you."

"Snapped!"

The voice fell, and another slap fell!

Lu Lingshan's delicate body trembled, and she almost exploded with anger. The existence of the goddess of the rivers and lakes was so humiliated and scolded by Yue Feng.

"You, you'd better kill me, give me another chance, and I will slash you with a thousand swords." Lu Lingshan's eyes flashed with hatred, and she couldn't help shouting.

Hearing this, Yue Feng calmed down and looked Lu Lingshan up and down. Sneering out a sneer: "You want me to kill you? I don't want to kill you." When the words

fell, Yue Feng reached out and grabbed Lu Lingshan's pajamas.

"You, what are you doing!" Lu Lingshan was shocked and angry!

"What do you think?" Yue Feng sneered, while speaking, his eyes were still on Lu Lingshan's body.

I have to say that Lu Lingshan deserves to be a top goddess, especially her figure is so perfect, no matter which angle you look at, she is so sexy.

Yue Feng thought about it, isn't this Lu Lingshan a self-proclaimed goddess and aloof, she will completely destroy her dignity today.

hum!

Just when Yue Feng made up his mind and was about to start, suddenly, he sensed the ground under his feet, and there were bursts of violent vibrations! It was as if the world had collapsed!

shit.

what's the situation?

Yue Feng was taken aback, and quickly walked out of the windowsill and looked outside. At the same time, all the disciples of the Holy Fire Palace also came out, looking up in shock and inexplicable.

I saw the night sky, dark clouds and thunder.

And in the direction of the wild and strange realm, a strange light rose up, illuminating the world.

At this moment, Lu Lingshan also recovered, looking at the scene in front of her in surprise, her delicate body trembled faintly.

"The artifact was born?" Yue Feng couldn't help muttering to himself, and suddenly wanted to get something: "Is it the missing Kaitian axe?"

At the beginning, Yue Feng chased Duan Yu, entered the wild and strange realm, and reached the area of Death Valley. Duan Yu was attacked by a giant python. , fell into the deep valley and died, and when the body was found by Yue Feng, Kaitian Axe disappeared.

"It's not the birth of a divine soldier." Lu Lingshan shook her head: "Such a vision, it seems that there is a beast that is about to evolve into a divine beast." Feng's hatred is almost a subconscious expression.

What?

Hearing this, Yue Feng was stunned for a moment. Is there a beast that wants to evolve into a divine beast?

Chapter 2540 The

other side!

Zhongyuan Continent, Taiyin Mountain.

Taiyin Mountain is located in the central area of Zhongyuan Continent. This mountain range stretches for thousands of miles and has beautiful scenery. It is a famous scenic spot in Zhongyuan Continent for a long time.

At the top of the mountain, there is a magnificent building, which is the main altar of the Heavenless Organization.

The Wutian Organization has been established for three years, and its disciples are all over the Kyushu. Because it has always pursued the principle of mystery, it has never been able to determine the real main altar.

However, after Zhang Jiao used despicable means to drug Yu Wenyan and completely controlled the Wutian Organization, he set up the main altar in Taiyin Mountain.

At this moment, inside the main altar hall.

Zhang Jiao was sitting on the throne, with a strong aura permeating his body, and a smug smile on his face. A day ago, all the members of the Ouyang family who were arrested were imprisoned by him in the prison cell of the main altar.

The next thing to do is to pass the news to Yue Feng and wait for him to come from the net.

Below the throne, stood side by side dozens of elite disciples of the Heavenless Organization, as well as the hall masters of each hall. All are respectful.

And at this moment, an extremely strong vibration of heaven and earth came, and then it was sacred and could not be desecrated!

Feeling the extremely strong vibration, everyone's faces changed, and they were inexplicably terrified.

Zhang Jiao frowned: "What are you panicking about? Go and see what's going on?"

As soon as the voice fell, a few elite disciples walked outside the hall to check the situation, and quickly returned to report: "My lord, this shock, it seems that It came from the direction of the wild and strange realm."

Hearing this, Zhang Jiao quickly stood up, walked to the door of the hall, and looked at the sky in the distance.

Seeing that the place was different that day, Zhang Jiao shuddered and pondered.

"My lord, with such a vision, I'm afraid that the divine artifact will appear."

"Yes, three years ago, Duan Yu fled to the wild and strange realm, and the opening of the axe is unknown. Is it…"

"It is very likely…"

Everyone was talking, and they were all inexplicably excited.

call!

At this time, Zhang Jiao reacted, took a deep breath, shook his head and said, “Such a vision is not a magical weapon, I am afraid that a magical beast has appeared in the world.”

Zhang Jiao has been famous for thousands of years, and he has a lot of knowledge. There is a big difference between a vision and the birth of a divine soldier. You must know that the birth of a divine beast can also cause the world to shake.

Mythical beast?

Hearing this, everyone in the hall looked at each other in dismay.

Zhang Jiao didn’t hesitate at all: “Call all the disciples immediately and go to the wild and strange realm. Make no mistake. Remember, you must be in front of the various sects in Kyushu.”

He has already controlled the largest cultivation organization in Kyushu. , is completely invincible. Therefore, in this matter, we must take the lead, and we must not give others the slightest chance.

“Yes, my lord!”

After half an hour, tens of thousands of elite disciples had assembled, and under the leadership of Zhang Jiao, they headed for the wild and strange realm.

After several hours of fast travel, Zhang Jiao took tens of thousands of disciples and finally arrived at the Valley of Death in the wild and strange realm.

That’s right, the waves of heaven and earth shaking came from the depths of Death Valley.

call!

At this moment, Zhang Jiao looked around the environment at the entrance of Death Valley, took a deep breath, and decisively issued an order: “Immediately cut wood and move rocks, and deploy the valley entrance according to my instructions.

” It is not easy to stop these forces. The best way is to deploy a large formation at the entrance to intercept these forces. In this way, you will have enough time to go to Subdued the beast.

“Yes, lord!” The

voice fell, and tens of thousands of disciples responded in unison. Then, under Zhang Jiao’s signal, they began to cut down trees, move large rocks, and began to deploy the formation.

…..

The world of the Wild and Strange Territory shook, causing the Kyushu Continent to be shocked. For a time, many Jianghu sects and various mercenary groups flocked to the Wild and Strange Territory.

The ultimate husband in Chinese chapter 2541-2550

Chapter 2541

At this moment, the Holy Fire Palace.

call!

Looking at the vision of heaven and earth in the distance, Yue Feng took a deep breath and calmed down.

At this time, Lu Lingshan also reacted, bit her lip and said, “Yue Feng, you shameless villain, don’t you just want to get me? I’ll give you a chance today.”

After speaking, Lu Lingshan took a few steps back and stretched out her hand. , ready to unbutton the pajamas.

shit.

Seeing this scene, Yue Feng was stunned. What is this woman going to do? Give up resistance and give up on yourself?

wow.

Just when Yue Feng was stunned, Lu Lingshan retreated a safe distance, and suddenly turned on a button on the table, and saw a big iron cage descend, directly covering Yue Feng inside.

That’s right, this trap was prepared by Lu Lingshan long ago, just in case it was unexpectedly needed. It was controlled by Yue Feng just now, and Lu Lingshan has been looking for opportunities.

Taking advantage of Yue Feng being shrouded in iron, Lu Lingshan turned around and rushed out without any hesitation. Speaking of which, Lu Lingshan was tapped on acupuncture points, but in the exercises she practiced, there is a formula that can be solved in an instant, but it consumes a lot of internal energy.

Lu Lingshan knew that Yue Feng had Bailian cold fire and was not afraid of the cage at all, but he had enough time to escape before he melted the cage.

“Yue Feng, wait for me, our account is not over.” The moment she rushed out of the door, Lu Lingshan glared at Yue Feng.

To be honest, Lu Lingshan really wanted to kill Yue Feng immediately, but forcibly releasing the acupoints consumed too much internal energy, killing Yue Feng was almost more difficult than reaching the sky.

Nima.

This chapter is provided by . Visit for daily update.

Yue Feng was very annoyed that this Lu Lingshan was so cunning and seemed to have compromised.

Thinking to himself, Yue Feng mobilized Bai Lian's cold fire, melted a hole in the iron cage, and rushed out, but at this time, Lu Lingshan had already run away.

Rumbling…

At this moment, in the direction of the wild and strange realm, there was another wave of vibrations in the world.

Since it is a divine beast, let's go and see it.

Muttering in his heart, Yue Feng was not hesitating, urging his figure to rush towards the wild and strange realm.

……

The wild and strange realm, Death Valley.

The wild and strange realm itself has a harsh environment, and today, the weather is even more gloomy and scary, with dark clouds rolling in the sky, thunder and lightning, as if the world is ending.

At the entrance of Death Valley, there are a lot of people, it can be said to be a sea of people.

This time, a vision of heaven and earth appeared in the wild and strange realm. Various sects in the nine continents, as well as various cultivation organizations and mercenary groups, rushed over immediately. Dozens of sects, adding up to hundreds of thousands of people, the scene was extremely grand!

However, so many sects did not enter Death Valley, but wandered there.

I saw that there were tens of thousands of wooden stakes standing inside the entrance, and there were many large rocks scattered between the wooden stakes. Obviously, this was a formation.

Facing this huge formation, all the forces present had complex expressions on their faces.

This formation seems simple, but as long as you go in, you will be trapped in it, and you will never be able to get out. Just before, several sects entered, and they heard their collapsed cries after a while.

Under such circumstances, the other sects, and the various forces, would not dare to take risks easily.

At this moment, a figure came from a distance.

It was Yue Feng.

After several hours of rushing, Yue Feng finally arrived at Death Valley. Seeing that many sects were blocked at the entrance, he couldn't help frowning secretly.

At this moment, Yue Feng walked to the front, looked at the piece of wood, and frowned suddenly.

Aoki Maze?

It is recorded in "Bai Qi Shen Array" that the Aoki Mystery Array is a brilliant formation method. It seems simple, but it is very mysterious. If you don't know how to crack it, if you break in easily, you will be trapped alive.

Chapter 2542

Who is so insidious, and even got an Aoki Mystery Formation to block the entrance?

Muttering in his heart, Yue Feng walked in slowly.

The Aoki Mystery Formation was an insurmountable danger to others, but to Yue Feng, it was no threat at all.

Whoa!

Seeing this scene, many people present were stunned, and there was an uproar.

"Who is this kid? Don't die?"

"Looking at his dress, he should be from a mercenary team…"

"A boy who doesn't know whether to live or die, what does he do…"

Yue Feng ignored those discussions, and was about to The moment he entered the formation, a slender figure rushed over quickly. It was Xiao Xi.

"Brother Tao!" Xiao Xi shouted in surprise.

Xiao Xi is very smart, knowing that Yue Feng didn't want to reveal his identity, so he didn't cry out.

Yue Feng was surprised and delighted: "Why are you here? Didn't I tell you to wait for me at Tian Fei's company?"

Xiao Xi pouted and said aggrieved: "You have been gone for two days without any news, and then something strange happened here. Elephant, Tian Fei sent someone from the company to check, and I followed."

Hearing this, Yue Feng nodded, and immediately walked in with Xiao Xi.

call!

As soon as I got inside, I heard the shouts of many people in the maze, all of them in panic and despair.

"Made, why can't you get out?"

"It's over, do you want to be trapped here?"

It was the masters of the martial art who broke in before.

Listening to the shouts from around, Xiao Xi was very nervous and couldn't help asking Yue Feng, "Brother Tao, these people seem to be trapped."

Huh.

Yue Feng took a deep breath, his eyes flickered, and he said slowly: "This is an Aoki Mystery Formation, Xiao Xi, wait for you to follow me closely, don't go away, if you are also trapped, it will be troublesome. "

Hmm!

Xiao Xi nodded heavily and followed Yue Feng, never leaving her.

…

at this very moment, deep in Death Valley.

Zhang Jiao led tens of thousands of disciples through the area shrouded in poisonous mist, and finally arrived in front of a huge cave.

I saw that at the entrance of the cave, there was a huge figure, it was a giant python, with bright black scales, nearly 100 meters long. On the huge head, there are two faint bulges. There was an air of terror all over.

Seeing this scene, whether it was Zhang Jiao or the tens of thousands of disciples behind him, they were all stunned, and their eyes were full of shock!

This seems to be a black sand python, but… it is very strong, much bigger than the black sand python I have seen before, the breath is also very terrifying, and there are horns bulging on the top of the head, what's going on?

Is it the phenomenon of heaven and earth that it caused?

At this moment, everyone was stunned and their faces were incredible.

"My lord, this giant python…" In shock, a hall master stuttered.

Just before he said a few words, he was interrupted by Zhang Jiao.

Zhang Jiao breathed a sigh of relief, the whole person could not hide the shock in his heart, and said slowly: "Snake transformed into a python, python transformed into a dragon, Jiao transformed into a dragon, this black sand python, I don't know how long it has been cultivating, and it has turned into a flood dragon. ."

"The previous vision of heaven and earth was caused by it, because it is about to transform into a dragon. Once it transforms into a dragon, it will be the strongest divine beast in the world."

When he said this, Zhang Jiao's eyes flashed with excitement.

What? Turning a dragon into a dragon?

At this moment, the eyes of everyone around, all of a sudden converge on the giant python, and they are shocked.

At this moment, the surrounding hall masters cupped their hands towards Zhang Jiao and congratulated: "My lord, so it seems that this flood dragon is the critical period for transcending the calamity and transforming it into a dragon. Before it successfully transforms into a dragon, it will be surrendered. The world must be invincible."

Hahaha…

Hearing this, Zhang Jiao laughed up to the sky, then stared at the giant Jiaojiao tightly, raised his hand and waved: "Quick, take it to me immediately. "

Chapter 2543

Swish swish… The

voice fell, and nearly a thousand elite disciples rose into the air one after another, rushing towards the giant Jiao!

These elite disciples, with the lowest strength are also Marquis, most of them are in the realm of Martial Saints. In an instant, more than a thousand disciples erupted at the same time, and the gathered aura distorted the sky, and the momentum was astonishing.

Feeling the danger, the giant Jiao was instantly aroused by his ferocity.

“Roar!”

Only a roar close to a dragon’s roar was heard, coming from the giant Jiaojiao’s mouth, and the next moment, the huge tail swung fiercely and swept towards more than a thousand disciples!

“Ah!” In the

blink of an eye, the more than 1,000 elite disciples screamed incessantly, one by one fell from the air and fell into a pool of blood.

Made!

Seeing this scene, Zhang Jiao’s face was extremely ugly.

I thought that a flood dragon could be easily taken down, but I didn’t expect that the strength of this giant flood dragon was very terrifying. In the blink of an eye, it severely injured more than a thousand disciples.

“Let’s deal with him.” The dozen or so hall masters behind him looked at each other, roaring in anger, urging their figures to fight fiercely with the giant flood dragon.

In the blink of an eye, the two sides fought fiercely for nearly half an hour.

And this giant flood dragon is getting more and more brave!

In the end, Zhang Jiao had to do it himself.

However, what shocked Zhang Jiao was that this giant flood dragon had a very strong defense and was very sensitive. Even when he used his stunt, he couldn’t suppress it!

At this time, Zhang Jiao didn’t know that the black sand python that turned into a flood dragon was the one that attacked Duan Yu back then. Later, he swallowed the dragon ball and absorbed the essence of heaven and earth. In just three years, it became a flood dragon.

During those three years, this black sand python had been lurking in the depths of the cave, so Yue Feng had been searching for so long, but he could not find its whereabouts.

And now, this Flood Dragon is about to break through the bottleneck again and is ready to turn the Flood Dragon into a dragon. Although it hasn't completely become a dragon, the defensive power of this dragon has reached a perverted level, and it is simply not something that ordinary practitioners can break through.

Made!

Under the fierce battle, Zhang Jiao's face became more and more ugly, and he was very annoyed.

How about turning into a dragon? I can't believe so many people can't stop you!

call! Thinking to himself, Zhang Jiao took a deep breath, looked closely at the mad giant Jiaoyu ,

and shouted: "Give it to me, you must subdue this giant Jiaojiao!" The disciples exploded their inner strength one after another and rushed towards the giant Jiao. "Roar!" Ju Jiao was completely enraged, and he let out a loud roar, opened his bloody mouth, and threw his long tail out fiercely! Whoosh! He heard a whistling whistling in a hurricane version, and the poisonous mist spewed out from the giant Jiaojiao's mouth. "Ah…" In the blink of an eye, many experts were shrouded in the poisonous mist, screaming constantly, falling down one by one into a pool of blood. Either it was corroded by the poisonous mist, or it was burned by the fire. This… This giant flood dragon's attack has the fire poison attribute?

Seeing this scene, whether it was Zhang Jiao or the others around him, he couldn't help gasping for air.

Is this the power to become a dragon?

so horrible.

That's right, this giant dragon was originally the evolution of the black sand python, and the black sand python is entrenched in a poisonous place like Death Valley, and it has the characteristics of being highly poisonous.

"Roar!" At this moment, the giant flood dragon was completely provoked, let out a roar, and rushed to the crowd again!

"Ah…" In the

screams, many people died on the spot! In an instant, many people were frightened, and they had no desire to fight again, and just wanted to turn around and run away.

Chapter 2544

“Everyone is scattered!”

Seeing this scene, Zhang Jiao was so anxious that he shouted.

hula.

The voice fell, and the rest of the crowd quickly dispersed, and then, under the command of Zhang Jiao, formed a trapped formation to surround the giant flood dragon.

Zhang Jiao used his soldiers like a god, especially the formation technique, and he was very accomplished.

In an instant, the giant flood dragon was trapped in it, unable to rush out for a while. Under the siege of the crowd, his body was full of wounds, blood kept flowing out, and the ground was almost completely dyed red.

Taking advantage of the opportunity, Zhang Jiao sneered and slapped the palm of his hand, hitting Ju Jiao’s head.

Bang!

With this palm, Zhang Jiao activated five layers of skill. He wanted to capture it alive, but he didn’t want to kill this giant dragon for the time being. You must know that the dragon has not been seen in the Kyushu continent for thousands of years. It would be a pity to kill it directly.

Roar! After being

slapped, the anger of the giant flood dragon was completely aroused. The eyes as huge as copper bells were instantly bloodshot, and he raised his tail and threw it fiercely towards Zhang Jiao. Zhang Jiao

did not dare to meet him, so he had to back away. Some disciples who were closest to him , and hurriedly dodged. In an instant, a gap appeared in the formation, which was originally impregnable.

Taking advantage of the opportunity, the giant flood dragon did not hesitate, rushed out of the gap, and rushed towards the dense forest in the depths of Death Valley. In the blink of an eye, it disappeared from everyone’s sight.

Bang! Seeing

this scene, Zhang Jiao's face was extremely ugly, he smashed the boulder next to him with one palm, and shouted: "Chase, chase after me. " It's

hard to come across a mythical beast that is about to turn into a dragon, no matter what.

…

the other side.

Yue Feng took Xiao Xi and quickly passed through the poisonous fog area.

When he arrived at the intricate cave, Yue Feng stopped.

At this time, Yue Feng clearly sensed that there was a dangerous aura coming from the front.

Huh….

Just when Yue Feng was about to slow down and go to investigate, suddenly a poisonous mist filled the air, and the poisonous mist was still flickering with scorching fire.

Seeing this scene, Xiao Xi was taken aback and hid behind Yue Feng subconsciously.

Yue Feng didn't have time to think about it, his inner strength urged him to deploy a protective film in front of him, and at the same time summoned the cold white lotus fire to absorb the flame.

"Huh? It turned out to be Bailian Lenghuo."

At this moment, a deep voice suddenly came from the side.

who? Who is speaking? !

Yue Feng and Xiao Xi were both shocked, and quickly took a few steps forward. The next second, they were stunned when they saw the scene in front of them.

Just saw a giant python coiled under a boulder in front of him, blood dripping all over his body, and his breath was weak, but his eyes were still flickering fiercely, the top of his head was bulging, and the whole body was filled with a kingly aura.

It was the giant flood dragon chased by Zhang Jiao before.

I go! This… is this Jiao? And can you speak?

Yue Feng was shocked when he reacted.

He knew that when a beast's cultivation reached a certain level, he would be able to speak. In the past, as long as he reached a certain level, he would be able to communicate with him. Unfortunately, he was killed by Lu Lingshan.

As for the giant dragon in front of him, it was obvious that his strength had reached the ability to speak.

It's just… that this giant dragon looks a little familiar.

Thinking to himself, Yue Feng took a deep breath, looked at Ju Jiao, thought for a while, and said, "Have we met?"

"Have you seen?"

Ju Jiao seemed to be stunned, then looked up and down Looking at Yue Feng, his eyes flickered, as if thinking of something: "I remember, you are the unlucky bastard who fell from the cliff three years ago."

Chapter 2545

Unlucky?

Hearing this title, Yue Feng frowned and was very unhappy, but he didn't show it.

The next second, Yue Feng reacted and asked, "I ask you, where is the Dragon Ball?"

Three years ago, Duan Yu was attacked by this giant python and fell off a cliff to his death, but Yue Feng accidentally fell at the time, and later For three years, Yue Feng has been following the whereabouts of this giant python, but found nothing.

But he never imagined that when we met again three years later, the giant python had turned into a dragon, and, recently, it caused the world to shake, and it immediately became a dragon.

"Dragon Ball?"

Hearing this, Ju Jiao opened his mouth wide, and suddenly burst out laughing: "Boy, it has been three years, do you think I might give you back the Dragon Ball?"

Saying that, Ju Jiao's eyes flickered. A little complicated, he continued: "We are also destined, I will tell you the truth, after I swallowed the Dragon Ball, I said that my inner alchemy was integrated into it, and with the help of the power of the Dragon Ball, I became a Jiao, and today , I'm about to turn the Flood Dragon into a dragon. In other words, the Dragon Ball is my inner elixir, and if I give you the inner elixir, you will die."

What?

Yue Feng was stunned for a moment, and soon understood.

It turned out to be the creation of Dragon Ball, no wonder this giant python cultivated so quickly.

“Boy!”

Just when Yue Feng was thinking about it, Ju Jiao’s tone softened: “Originally, I was about to become a dragon, but a hateful person, with tens of thousands of subordinates, severely injured me, as long as you are willing to heal me. I promise to be your spirit beast, how about you?”

Seriously, considering Yue Feng as the master, there are ten thousand reluctances in Ju Jiao’s heart, and he is about to transform into a dragon in the future. Yun Wanli, above the nine heavens, there is no existence that can subdue it.

But if you don’t recognize the master, your injury will be difficult to heal in a short time. At that time, Zhang Jiao’s gang will catch up, I’m afraid that your life will not be saved.

Hiss…

Hearing this, Yue Feng was shocked.

If you take a dragon as a spirit beast, won’t you be invincible in the future? This is a dream that many cultivators can meet and cannot ask for.

It’s just that this giant dragon has too many traumas, and the success rate of treatment is too small. Even if Yue Feng knows medical skills, he can still know the infinite alchemy, but the giant dragon in front of him is too special. He will soon turn into a dragon. Speaking of Yue Feng, even if Shennong came, he could not pay attention.

After all, no one has ever encountered such a situation for thousands of years.

“Save it, son, look at how pitiful it is.” At this moment, Xiao Xi next to him couldn’t help it and asked. There was no one else here, and Xiao Xi also used the previous name.

Yue Feng smiled bitterly: “I don’t have a clue to help a Jiao dragon who is about to become a dragon.”

Hula!

Just as he was talking, he heard footsteps coming from the surrounding area, and then, he saw thousands of cultivators gathered around. The leader, with a grim face, was Zhang Jiao.

Just now, Zhang Jiao led his men to search for clues all the way, and finally found the hiding place of the giant flood dragon.

“Yue Feng?”

Zhang Jiao’s eyes flashed coldly when he saw Yue Feng: “It’s really a narrow road for the enemy.” At first, he was thinking of using the Ouyang family to lure Yue Feng out, but he didn’t expect that he would meet him here.

Made!

Yue Feng’s face changed, and he was furious.

“I’ll deal with Yue Feng, and you guys will catch this giant Jiaodong alive for me.” A cold voice came from Zhang Jiao’s mouth, and then, his internal force exploded, rushing straight towards Yue Feng.

In Zhang Jiao’s heart, killing Yue Feng and catching Ju Jiao alive are equally important, and neither should be delayed.

hula.

At the same time, nearly 10,000 subordinates swarmed towards the giant Jiaojiao.

Seeing this scene, Yue Feng frowned secretly, but still kept calm, and shouted at Xiao Xi: “Xiao Xi, you help Ju Jiao to block this group of people. When I deal with Zhang Jiao, I will help you.

” Falling down, Yue Feng’s internal force urged him to meet Zhang Jiao.

Yue Feng is not afraid that Xiao Xi is in danger. Although this giant Jiao dragon is injured, its strength is still terrifying. With it, Xiao Xi will not be in danger for the time being.

Xiao Xi nodded and stayed beside Ju Jiao.

Looking at the people who rushed up, the giant Jiao was furious: “You hateful human beings, you all deserve to die.” It originally planned to recognize Yue Feng as the master and save his life, but he did not expect to be found by Zhang Jiao so quickly. Zhang Jiao’s aggressiveness finally couldn’t help it.

Chapter 2546

Roar!

A roar came out, and the air around the giant Jiao suddenly condensed! A powerful aura burst out frantically from its huge body.

“I’ll help you.”

At this moment, Xiao Xijiao shouted, holding a long sword, unable to hold back her fighting spirit, stood beside Ju Jiao and helped him fight against all the enemies.

On the other side, Yue Feng and Zhang Jiao also fought fiercely.

At the beginning, Yue Feng had full confidence, but gradually he became extremely shocked, because he felt that Zhang Jiao’s strength was much stronger than three years ago.

At this time, Yue Feng didn’t know that since Zhang Jiao created the Yellow Sky Trading, he would absorb a lot of top-quality inner elixir every once in a while, and also took a lot of elixir. The technique has also reached the pinnacle of excellence. As long as there are materials, it is not a problem to refine the top-quality elixir.

In a blink of an eye, half an hour passed. Yue Feng was still unable to suppress Zhang Jiao.

At the same time, the situation on Ju Jiao and Xiao Xi’s side is also full of dangers.

To be honest, if Ju Jiao hadn’t been severely injured by Zhang Jiao before, he would not have been afraid of these people in front of him, but after being injured, facing the siege of so many people, Ju Jiao gradually couldn’t support it anymore.

Chi Chi… After

half an hour of fierce fighting, the power of the giant flood dragon quickly lost. Several elite disciples, looking for an opportunity, stabbed the long sword on the body of the giant flood dragon. In an instant, blood sprayed, and the giant flood dragon let out a whimper. .

“Even if I die today, I will not surrender to you.”

Under the roar, Ju Jiao’s eyes flashed with determination, and then he opened his mouth and spat out a radiant orb, which was the Dragon Ball swallowed by the giant Jiao three years ago.

“Little girl, thank you for helping me when I was dying. This dragon ball is given to you.” Ju Jiao said sadly and indignantly, and the long tail wrapped Xiao Xi, causing her to open her mouth, and then stuffed the dragon ball. go in.

This chapter is provided by . Visit for daily update.

Gudong!

Before Xiao Xi could react, the dragon ball had slipped into her mouth!

What?

Seeing this scene, everyone in Wutian Organization changed their faces, and they were indescribably shocked!

Especially the nearest hall masters are even more annoyed. For this giant dragon, the Wutian organization has damaged too many disciples, and they can catch it at a glance, but I didn't expect that this giant dragon actually took the inner alchemy. to this woman.

"Haha!"

Looking at their expressions, Ju Jiao laughed in the sky, and he couldn't help but relieve his anger: "You despicable human beings, want to force me to surrender, and tell you, your wishful thinking is wrong, hahaha …" The

voice fell, and Ju Jiao tried his last strength and rushed to the crowd again. Just how far he rushed, the huge body suddenly collapsed to the ground and died of breathlessness.

Without the inner alchemy, the giant flood dragon has completely lost its vitality, and there is no possibility of surviving at all.

Made.

Seeing this scene, Zhang Jiao scolded secretly, his face extremely ugly.

Seeing that he could subdue a divine beast that was about to become a dragon, he didn't expect that in the end, this giant Jiao would rather die than surrender.

Yue Feng also frowned and had a bad premonition. The so-called 'every man is innocent and guilty', Xiao Xi's strength is not strong, and there is no threat to this group of people, so he is not taken seriously, but now, swallowing the dragon ball Dangerous.

Just when Yue Feng knew something was wrong, the people around reacted and attacked Xiao Xi at once.

"Well…"

But before she rushed to the front, she saw Xiao Xi's delicate body trembling, her delicate face was extremely flushed, showing pain, and then her skin was also red and blue, which was indescribably weird.

Obviously, the power of Dragon Ball began to spread in Xiao Xi's body.

At this time, Xiao Xi only felt as if she had entered hell, and she felt unspeakably uncomfortable all over her body. At the same time, a violent force rushed into her meridians.

Yue Feng's brows were furrowed, his secret path was not good, he wanted to rush over, but was stopped by Zhang Jiao.

Whoa!

Seeing this scene, the surrounding Wutian organization people were all astonished and secretly excited.

"This… such a powerful force…"

Chapter 2547

"So powerful, it seems that the inner alchemy of the giant Jiaoyu broke out in her body, but her strength is too weak to fully integrate and absorb."

"This is a good opportunity, let's go together and take her down. "

Xiao Xi bit her lip tightly, looking at so many people, she rushed over to grab herself, and she was in a panic. At this time, Xiao Xi wanted to fuse the dragon balls. However, the dragon balls contained powerful divine beast power, according to her. The power of , can't be integrated in a short period of time.

In a blink of an eye, Xiao Xi couldn't hold it anymore, her delicate body kept shaking, her red lips opened slightly, and she weakly shouted at Yue Feng: "Young Master, I'm so uncomfortable…"

Huh!

Seeing this scene, Yue Feng was so anxious that he shouted at Xiao Xi: "Xiao Xi is not afraid, with me, you will be fine."

"Yue Feng, go to hell."

Taking advantage of Yue Feng's attention Force, attracted by Xiao Xi, Zhang Jiao sneered, without any hesitation, the internal force surged, and a palm hit Yue Feng.

With this palm, Zhang Jiao stimulated the internal force of the ninth floor, and the air suddenly distorted wherever he passed.

"Be careful… son!"

Seeing this scene, Xiao Xi's pretty face changed, and she exclaimed. At the same time, Xiao Xi wanted to rush up, but her situation at this time was even more severe than Yue Feng. It's not too late at all!

call!

The palm force caused an energy storm, which instantly arrived in front of Yue Feng!

At this time, Yue Feng was still worried about Xiao Xi. He didn't have time to react, and he didn't have time to dodge.

"Boom!" In the

blink of an eye, Zhang Jiao slapped Yue Feng with a palm! Yue Feng's body trembled, and he spat out a mouthful of blood and flew out.

In mid-air, Yue Feng spurted blood wildly. He only felt that his internal organs were shattered. He flew more than 100 meters, smashed a few boulders, and then fell heavily on the ground.

Swish!

At this moment, Yue Feng's face was pale, and his eyes were fixed on Zhang Jiao, with indescribable resentment and annoyance in his heart.

To be honest, Yue Feng is not afraid of Zhang Jiao at all. It's a pity that he was disturbed by Xiao Xi's situation, so Zhang Jiao had the opportunity to take advantage of it.

Whoa!

Seeing this scene, more than 10,000 people around without a heavenly organization cheered.

Haha…. worthy of being the lord, he actually defeated Yue Feng, who was famous in Jiuzhou. It was too strong.

Listening to the cheers around, Zhang Jiao showed a smile, and then waved his hand: "Take them both for me, and bring them back to the main altar together."

When saying this, Zhang Jiao looked at Yue who was sad and angry. Wind, my heart is very excited and excited. What if you are the hero of Kyushu, didn't it fall into my hands in the end?

"Yes, my lord!" The

voice fell, and everyone agreed, and immediately rushed over to tie up Yue Feng and Xiao Xi.

Made!

Yue Feng cursed inwardly, and looked at Xiao Xi closely, worried, and saw that Xiao Xi's face was flushed, as if her body was on fire, so pitiful and pitiful.

A few hours later, Yue Feng and Xiao Xi were taken to the main altar of Wutian Organization, Taiyin Mountain.

in the hall.

Zhang Jiao ordered Yue Feng to be tied to a pillar, and then began to investigate Xiao Xi's situation.

At this time, Xiao Xi, because she couldn't stand the powerful power in her body, was so weak that she could faint at any time.

"Quick!"

At this time, Zhang Jiao ordered his disciples: "Quickly take out the treasure chest." As long as the dragon ball can be taken out from this little Xi, the treasure chest can be opened, and then the treasure left by Emperor Xuanyuan Huangdi will be obtained.

The words fell, and several disciples walked out quickly, and after a while, they came back with the stone box.

Chapter 2548

What?

Seeing this scene, Yue Feng was furious.

When did Zhang Jiao get the stone box? Three years ago, wasn't this stone box in the camp of Kyushu, where everyone was taking care of it?

At this time, Yue Feng didn't know that after the war, the stone box had been under the care of the Ouyang family, and just a few days ago, Zhang Jiao used despicable means to deceive it.

The stone box was lifted up, Zhang Jiao was very excited, and began to run his internal force, trying to extract dragon balls from Xiao Xi.

However, a few minutes later, Zhang Jiao was shocked to find that although Xiao Xi was delicate, she had absorbed a lot of Dragon Ball's power in her dantian. If you insist on Dragon Ball, you can only put her into the alchemy furnace.

"Wasting my time."

At this moment, Zhang Jiao was very annoyed, he said coldly, then suddenly raised his hand and hit Xiao Xi with a palm.

puff.

Xiao Xi was extremely weak, and she could stand it there. Suddenly, a mouthful of blood spurted out, and she saw that the blood turned black. It was obvious that this palm contained the poison of Yin evil.

Two seconds later, Xiao Xi's skin turned black.

"Xiao Xi!" Yue Feng shouted hoarsely. In an instant, his heart was broken. Xiao Xi was so gentle and kind, yet suffered from this kind of pain…

"Hahaha…"

Looking at Yue Feng's grief , Zhang Jiao was full of pride: "Yue Feng, is your heart hurting? When you forced me to eat Tongtian Pill, did you ever think about today?"

"I tell you, this palm of mine is called 'Nine Netherworld Poisonous Palm'. The whole body will be corroded by the poison, and the death will be very miserable."

After saying this, Zhang Jiao coldly instructed: "Tie her and the stone box together and throw them into the river in the back mountain."

Of course Zhang Jiao didn't want to throw away the stone box and Xiao Xi. To the north of Taiyin Mountain, there is a The shady river, the water temperature is extremely cold, Xiao Xi was poisoned by the palm, and will die soon, immersed her in the icy river water, which is convenient for alchemy later.

As for that slap, it was all to make Yue Feng's heart hurt!

The voice fell, and Xiao Xi, who had passed out in a coma, and the stone box were carried out.

"Xiao Xi!"

At this moment, Yue Feng let out a howl, tears blurring his vision!

Heartache, sadness, endless anger, one after another! At this time, Yue Feng collapsed directly!

Ten years ago, Yue Feng met Xiao Xi who was wandering around in Dongao Continent. At that time, Xiao Xi was still a teenage girl. She was sensible, considerate, and heart-wrenching. In Yue Feng's heart, she was like his own. Just like my sister, I thought that when the situation stabilized, I would take Xiao Xi to enjoy life.

Unexpectedly, before this day came, Xiao Xi was poisoned by Zhang Jiao.

Furious!

Yue Feng's eyes were red, and he locked onto Zhang Jiao.

Looking at Yue Feng's heartache, Zhang Jiao was very happy and sneered: "Yue Feng, are you heartbroken? Tell you, a day ago, all the members of the Ouyang family were arrested by me, and now they are in the back mountain. In the cell."

"Haha, are you even more angry? But I can't blame you, who made you a stumbling block for me to dominate Kyushu? Don't worry, after killing you, the relatives and friends of the Ouyang family will be sent to Huangquan together with me. Reunited with you."

"Did I cheat on you! I'll take care of your life!" Yue Feng roared frantically, a violent force burst out from his body, and all the ropes and chains on his body were broken.

Yes, under extreme anger, Yue Feng forcibly rushed to open the acupoint.

"I want you to die!" The

roar came out, Yue Feng raised his hands and the air around him quickly twisted, and then he slapped Zhang Jiao with a palm.

Chapter 2549

"Despair!"

Despair is exactly what Yue Feng had learned at the bottom of the volcanic magma. This trick is usually difficult to perform. It can only erupt when it is extremely sad.

hiss!

Seeing this scene, many disciples of the Heavenless Organization couldn't help but gasp.

Zhang Jiao sneered.

“I have a bit of skill. Under this circumstance, I can still open the acupuncture points. I am worthy of being a famous person in the Kyushu Continent.” Zhang Jiao said coldly, his eyes flashing coldly: “However, it is not that easy for you to kill me.”

As soon as the words fell, Zhang Jiao raised his hand and waved, and a golden beam burst out, tearing apart the world and attacking!

At this moment, Zhang Jiao was holding a golden giant axe tightly in his hand, and the rays of light flowed like a scorching sun. It was the opening axe.

What?

Seeing the opening axe, Yue Feng’s heart was shocked, and he was stunned.

It turns out that he has an axe to open the sky, no wonder he is so fearless. This corner of the city is too deep. He has always owned the opening axe, but he does not show it. It is not used until the last critical moment. It is really ruthless.

Hahaha…

Sensing Yue Feng’s expression, Zhang Jiao laughed in the sky: “It’s a surprise, let me tell you, I got the opening axe a year ago, but it was hidden by me all the time.”

“Yue Feng, I have been hiding the Kaitian Axe all the time, just waiting for this day to use it to take your life.”

A year ago, a cultivator family in Nanyun Continent was exploring the wild and strange realm, and inadvertently obtained the Kaitian Axe, after Zhang Jiao found out , then secretly sent someone to destroy the aristocratic family, and then seized the Kaitian Axe.

For more than a year, Zhang Jiao has been hiding the opening axe, just to deal with Yue Feng. Speaking of which, when he was in Death Valley before, Zhang Jiao wanted to summon the Sky Axe, but at that time Xiao Xi had an accident, which attracted Yue Feng’s attention. Zhang Jiao caught Yue Feng before he could use the Sky Axe. wind.

At this time, feeling the endless anger of Yue Feng, Zhang Jiao didn’t have time to think, and called out directly.

boom! boom! Boom…

This golden light emitted by Zhang Jiao collided with Yue Feng’s palm, and a violent vibration of aura erupted. In an instant, the entire hall was smashed into pieces, and the dust filled the air.

In the dust and smoke, Zhang Jiao staggered back dozens of steps, his face was pale, and there was a trace of blood oozing from the corner of his mouth.

That's right, Yue Feng's thoughts were all despairing, and his power was terrifying. Even if Zhang Jiao blocked most of his power with the Sky-Opening Axe, he was still traumatized.

At the same time, outside the ruins of the main hall, Yue Feng looked miserable, covered in blood, and was rushing down the mountain quickly.

At that moment just now, Yue Feng wanted to die with Zhang Jiao, but thinking of Xiao Xi, there was still a glimmer of hope in Yue Feng's heart. If Xiaoxi didn't die, and Zhang Jiao and Jade were both burned, wouldn't it be too much of a loss?

Yue Feng thought about it, escaped from here for the first time, and then tried to find a way to enter the river in the back mountain to find Xiao Xi.

Hula…

Seeing this scene, everyone around was stunned. After a few seconds, dozens of disciples quickly gathered around and supported Zhang Jiao.

"My lord, Yue Feng has run away."

Zhang Jiao's face was extremely ugly, but he still showed a treacherous smile: "Don't worry, he won't run far, this person is the most affectionate person, and he will definitely come back to save that woman."

With that said, Zhang Jiao coldly instructed: "Immediately strengthen the alert. If there is any situation, report it as soon as possible." After the voice fell, Zhang Jiao turned around and entered the back room to practice. The palm of Yue Feng just now seriously injured him and must recover as soon as possible. Just do it.

"Yes, my lord!" Everyone in the hall responded in unison.

the other side!

Xiao Xi and the stone box were tied together and immersed in the freezing cold river water.

Chapter 2550

Time passed minute by minute, Xiao Xi only felt that she had had countless nightmares, and finally woke up, only to feel the burning pain all over her body and face.

Are you dead?

Opening her eyes, she saw that she was in the icy water, and Xiao Xi was panicked and sad. Then, when she saw her own reflection on the water, Xiao Xi was even more startled.

I saw that my face, which was originally exquisite and beautiful, was as black as ink, and it became ugly.

For a time, Xiao Xi was completely desperate.

Anyway, he wouldn't be able to live for long, so instead of being alchemy by Zhang Jiao, he might as well just die.

Thinking of this, Xiao Xi was about to commit suicide by hitting her head against a stone box.

hum!

However, at this time, before Xiao Xi collided, he sensed an invisible force that enveloped him, and then, a beautiful figure appeared in front of him.

Wearing a long lavender dress, her facial features are exquisitely beautiful, and her figure is graceful, just like walking out of a painting.

It is Diao Chan, whom I haven't seen for a long time.

"Diaochan…" Xiao Xi bit her lip, and looked at Diaochan almost dumbfounded: "Mother Diaochan? Why do you want to save me?"

Diaochan lived in the Ouyang family for a while, and of course Xiaoxi knew her.

"Are you Miss Xiao Xi?" Diao Chan was very surprised.

At this time, Xiao Xi was almost disfigured, but when she heard her voice, Diao Chan recognized her.

Seeing Xiao Xi nodding, Diao Chan couldn't help but ask, "Xiao Xi, what happened?"

Ten years ago, the opening of the ancient tomb of Lu Bu caused a shock in Kyushu. Later, countless sects poured into the ancient tomb in an attempt to get the treasure of Lu Bu. At that time, Diaochan was resurrected by chance, and later went to the Ouyang family.

Later, the situation on the mainland of Kyushu changed, and wars broke out. Diaochan left the Ouyang family to find a place to live. Over the years, he has been living a wandering life. Today, he passed by Taiyin Mountain and found that someone had been

thrown into the river, and there were still people guarding him. I came to see it out of curiosity, but I didn't expect it to be Xiao Xi.

Xiao Xi's eyes were red, and she couldn't help choking: "I… I won't live long, and I've become so ugly…" As she spoke, a string of tears flowed down, and it was heartbreaking to see .

Hearing this, Diaochan looked up and down at Xiaoxi: "Have you swallowed a powerful inner elixir and fell into the hands of others?"

Diaochan used to be Lu Bu's woman, and she was well-informed and could see it at a glance. Xiaoxi's situation.

Xiao Xi nodded, very sad, and told what happened.

At the end, Xiao Xi's eyes showed reluctance and entanglement: "I don't want to die like this, I don't want to leave the son, but I can't live at all, even if I can survive, I can't meet the son like this. ."

Phew!

Hearing this, Diao Chan breathed a sigh of relief. This girl is indeed Yue Feng's confidante. Her delicate and kind appearance at this time is distressing.

Muttering in her heart, Diao Chan looked at Xiao Xi seriously: "You really can't bear Yue Feng?"

Xiao Xi nodded seriously, her eyes full of determination: "If I can, I want to protect him for the rest of my life, even if I sacrifice my life for him. "

Diaochan is deeply touched, she is really affectionate and righteous.

Thinking to herself, Diao Chan said seriously: "In your current situation, you will definitely die, but I have a way to let you protect Yue Feng for a lifetime, but you have to sacrifice a lot."

Diao Chan raised her jade hand and pointed at the stone box: "In this stone box, there is a dragon egg left by Xuanyuan Huangdi, and it is also the descendant of his dragon spirit beast. You are poisonous and will not live long. , but I have a way to integrate your soul and dragon ball into the dragon egg, but the price is to give up the body."

"In other words, you have to replace the dragon fright in the dragon egg and make yourself a dragon. ….on the day you break out of the shell, you can choose to become Yue Feng's dragon spirit beast, so that you can always accompany him."

“But you have to think about it, after doing this, you will have a peak when you Before Zhili, it was impossible to communicate with Yue Feng, that is to say, Yue Feng would not know who you are.”

After saying the last sentence, Diao Chan quietly looked at Xiao Xi with pity in her eyes.

The ultimate husband in Chinese chapter 2551-2560

Chapter 2551

Not bad. Back then, Lu Bu was in the world and he got an ancient book. The ancient book was written about the dragon egg left by Emperor Xuanyuan. Diaochan was also present at the time, so he knew about it.

As for the integration of Xiao Xi's soul into the dragon egg, Diao Chan is not just talking nonsense, but has helped others to do so.

"I…"

At this moment, Xiao Xi bit her lip and pondered.

A few seconds later, Xiao Xi made up her mind, nodded and said, "Okay, I'm willing."

In four words, Xiao Xi said very firmly. Although she became a dragon, she couldn't communicate with Yue Feng for a long time, but she was able to accompany him all the time. ,This is enough.

Seeing her promise, Diao Chan nodded, raised her jade hand, waved it gently, and took Xiao Xi into the air, avoiding the eyes and ears of the disciples of the Wutian Organization, flying away quickly, and disappeared into the night in a blink of an eye.

……

At this moment, Wutian organizes the main altar.

In the back mountain cell, Sun Dasheng, Ren Yingying and the others sat there one by one, with their heads downcast and depressed.

Boom!

At this moment, the prison door was pushed open, and then, several disciples who were guarding the door fell to the ground before they could react, and then a figure walked in quickly.

With a refined temperament and a strong aura, it is Wen Chou Chou.

"Brother Wen?"

"Palace Master Wen."

This chapter is provided by . Visit for daily update.

Seeing Wen Chou Chou, Ren Yingying and others were both surprised and delighted.

When he got to the front, Wen Chou Chou made a silent gesture: “Everyone, keep your voice down, don’t disturb the people outside, I will take you out of here as soon as possible.”

A day ago, Wen Chou Chou returned to the Ouyang family and found that only Han Bing was there. Later, he learned that everyone was caught by Zhang Jiao. Wen Chou Chou was very angry, and then he followed the clues and found it here.

Hearing this, everyone endured their excitement and did not make a sound.

Soon, Wen Chou Chou opened the cell, untied the chains on everyone’s hands and feet, and quietly left the cell.

When going down the mountain, Wen Chou Chou and everyone were extremely nervous, but in the end they avoided the patrolling disciples of the Wutian Organization.

A few minutes later, Wen Chou Chou took everyone to the fork at the foot of the mountain, and he was about to escape completely.

Whoa!

As a result, at this moment, a fire lit up in front of me!

Oops!

Wen Chou Chou raised his eyes and looked at it, and his whole mind went blank! At the same time, the people behind Ren Yingying and Sun Dasheng were also shocked.

I saw that at the fork in front, countless torches suddenly lit up, and there were at least nearly a thousand people holding torches, all of them were elite disciples of the Wutian Organization. It was Zhang Jiao.

“It turned out to be the Lord of the Palace!”

Finally, Zhang Jiao showed a smile, with deep teasing and mockery in his smile: “I thought he was someone, so bold, he dared to infiltrate the main altar to save people, but, Didn’t you think of it?”

Wen Chou Chou’s eyes flickered and he didn’t respond.

Zhang Jiao smiled slightly and continued: “I had long expected that someone would come to the cell to save people tonight, so I set up an ambush. I didn’t expect that someone would fall into the trap so quickly.”

Yes, Zhang Jiao set up an ambush . , to catch Yue Feng, but I didn't expect that Wen Chou Chou would go to the cell to save people.

However, Zhang Jiao was not disappointed, but was still very excited. You must know that Wen Chou Chou is Yue Feng's sworn eldest brother. If he is caught, Yue Feng will collapse even more.

Chapter 2552 Huh

…

This horn is indeed a man who has been famous for thousands of years. He is strategizing, resourceful and foresight. No wonder he was appreciated by Yang Jian back then and became a military advisor in Northern Ying Continent.

This city government, this meticulous mind, is simply too terrifying!

Thinking to himself, Wen Chou Chou looked at Zhang Jiao and said lightly: "Your Excellency is resourceful, I admire someone Wen Chou."

When he said this, Wen Chou Chou had a calm face, but he was a little uneasy in his heart.

What to do now? I thought I could easily save the Great Sage and the others, but I didn't expect that they had encountered an ambush, and they were alone, and the Great Sage and the others were weak and had no ability to fight at all.

"Haha!" Zhang Jiao sneered, no nonsense.

Swish swish….

At this time, the surrounding elites of the Wutian organization have rushed up, like a copper wall and an iron wall, surrounding the Wen Chou Chou crowd.

"Made…"

Seeing this scene, Sun Dasheng's eyes were blood red, and he shouted: "Brother Wen, fight with them."

Anyway, I can't run today, so it's better to go out and kill one more.

When the words fell, Sun Dasheng was about to rush up, but was stopped by Wen Chou Chou.

“Dasheng, don’t be impulsive.” Wen Chouchou shook his head at Sun Dasheng with a solemn expression. After so many years, Dasheng’s fiery temperament has not changed at all, which is really worrying.

In the current situation, resistance is death.

Thinking to himself, Wen Chou Chou took a step forward and said to Zhang Jiao, “Your Excellency Zhang Jiao, what should you do before you let us go?” Wen Chou Chou acted cautiously and never did anything that would cost him his life in vain.

Moreover, Wen Chou Chou could guess that Zhang Jiao would not kill everyone at this moment.

Hearing this, Zhang Jiao showed a smile, and looked at Wen Chou Chou up and down: “It is said that the Palace Master Wen of Changsheng Temple has the style of famous scholars and elegant, now it seems that his reputation is well-deserved, facing such a desperate situation, he can still be so calm, Not bad.”

After speaking, Zhang Jiao’s face became serious: “It’s absolutely impossible to let you guys go, but I might consider taking their lives around them, but you have to promise me a condition.”

Wen Chou Chou was stunned and frowned: ” What conditions?”

“Serve me.”

Zhang Jiao’s mouth curled into a confident smile, and he said word by word, “From now on, serve me wholeheartedly.”

What?

Hearing this, Sun Dasheng and everyone were in an uproar, and they were all shocked and angry.

This horn is so abhorrent that he even wanted Wen Chou Chou to be his subordinate. Brother Wen’s voice is open and aboveboard, how can he submit to others like this? Moreover, he is still a wicked person like Zhang Jiao.

“I want Lord Wen to surrender to you, dream…” “Brother Wen, don’t talk nonsense

with him, let’s fight.”

“Yes… I would rather die than surrender!”

As soon as the sentence came, Wen Chou Chou stood there, pondering.

“Huh!”

Finally, Wen Chou Chou reacted and looked at Zhang Jiao closely: “Okay, I promise you.”

After saying that, he gave in to Zhang Jiao, Wen Chou Chou was very resistant, but there was nothing he could do, for everyone’s safety, Now I can only take it easy.

Wen Chou Chou thought about it, as long as Zhang Jiao’s trust was obtained, he could not only temporarily save the lives of Sun Dasheng and others, but also find an opportunity and let them leave safely.

As soon as these words came out, Sun Dasheng and others were all stupid.

“Brother Wen, you’re crazy.” Sun Dasheng looked at Wen Chouchou with a look of astonishment: “This person is despicable and shameless, why did you agree to him?” In Sun Dasheng’s heart, Brother Wen has always been a person he respects, but he didn’t expect that, Today, Wen Chou Chou is actually submissive to Zhang Jiao.

The voice fell, and the others also spoke.

“Palace Master Wen, we would rather die than surrender.”

Chapter 2553

“Yes, it is a shame to bow your head to such a person.”

Wen Chou Chou took a deep breath, smiled wryly at everyone, and finally looked at Sun Dasheng and said: “Dasheng, people are under the eaves and have to bow their heads, in front of them. If I don’t give in, we will all die, and Mr. Zhang is a man of great talent and strategy, I have always admired him, and serving him is not a humiliation.”

Wen Chou Chou understood Sun Dasheng’s personality, and if he told him, It is difficult for Sun Dasheng to help himself to cover up his false surrender, and, in front of Zhang Jiao, he cannot say it.

Hearing this, Sun Dasheng and everyone were full of grief and indignation.

“Wen Chou Chou!” At this moment, Ren

Yingying looked at Wen Chou Chou with complicated eyes, and said coquettishly, “Thanks Yue Feng for treating you as a big brother. I didn’t expect you to be a person who is greedy for life and fears death.”

Very angry: “From today, we have nothing to do with you, and I will not call you big brother again.”

Saying this, Ren Yingying's eyes are full of complexity.

Yes, Ren Yingying is smart and smart, and she can see at a glance that Wen Chou Chou is pretending to surrender to Zhang Jiao.

Sure enough, Ren Yingying is still smart.

Hearing this, Zhang Jiao nodded to Ren Yingying secretly, indescribably gratified.

Haha…

Seeing this scene, Zhang Jiao was very proud, and said to Wen Chou Chou, "Are you really willing to be loyal to me?"

Wen Chou Chou stepped forward and said loudly, "Mr. Zhang, he is a genius in the world. It is an honor for me, Wen Chou Chou, to work for Mr. Zhang, and from today onwards, I will follow the left and right sides, and I will never give up

."

Zhang Jiao smiled, pointed at a disciple of the Ouyang family next to him, and said slowly: "Being my subordinate is not that simple. If you kill him, I will believe your sincerity.

" Guessing that Wen Chou Chou might be a false surrender, so he deliberately tried this method.

What?

Hearing this, Wen Chou Chou's heart was shocked, and he was stunned.

This horn is too cruel, and such a cruel test method can be imagined. This person is a disciple of the Ouyang family, Yue Feng's family, how could he kill him?

At the same time, the expressions of Sun Dasheng and others also changed, and their eyes suddenly converged on Wen Chou Chou.

He won't really do it, will he?

The disciples of the Ouyang family were dripping with cold sweat and panicked.

Wen Chou Chou looked at him with no expression on his face, not even the slightest emotional fluctuation, but he was struggling in his heart.

Kill or not? If he didn't kill him, his plan would be seen through by Zhang Jiao.

But if you really want to do it, your hands will be stained with the blood of Fengzi's family, and you will never be able to wash them off in this lifetime.

"What?"

Seeing Wen Chou Chou's delay in making his move, Zhang Jiao chuckled lightly: "Since he promised to serve me, do you still need to think about it for so long? Could it be that… you are falsely surrendering?"

"I…"

Wen Chou Chou opened his mouth, then gritted his teeth and said, "Don't get me wrong, Mr. Zhang. Killing a little bastard from the Ouyang family will show my sincerity. I will cut off my arm to show my sincerity." As the words

fell, Wen Chou Chou pulled out his long hair. The sword swung down like lightning, directly cutting off his left arm, and blood spurted out immediately.

hiss!

Wen Chou Chou sucked in a breath of cold air, his face instantly pale.

This…

Seeing this scene, whether it is Zhang Jiao, Sun Dasheng and others, they are all stupid.

He…he actually broke one of his arms?

Chapter 2554

Especially Ren Yingying, under heartache, couldn't help but want to go forward to check Wen Chou Chou's injury.

In order not to kill his own people, Brother Wen actually….

But on second thought, if he expresses concern, everything Brother Wen has done will be in vain.

Thinking of this, Ren Yingying held back.

"Mr. Zhang!"

At this time, Wen Chou Chou simply bandaged the wound and looked at Zhang Jiao: "I have shown my sincerity, does Mr. Zhang still doubt it?" arm.

Compared with everyone's life, breaking an arm is nothing.

call!

Zhang Jiao took a deep breath and quietly looked at Wen Chou Chou. After more than ten seconds passed, he nodded and said, "Okay, Hall Master Wen is indeed a man who stands above the ground. If I doubt it again, I will neglect Xiancai."

As he said that, Zhang Jiao ordered to the left and right: "Quick, prepare the healing medicine for Palace Master Wen, and bring everyone else back to the cell."

"Mr. Zhang!" Wen Chou Chou was stunned, and hurriedly said, "You didn't promise.. .."

Before he could finish speaking, Zhang Jiao interrupted with a smile: "I only promise you, I won't kill them for the time being, but I didn't promise to let them go."

Mad!

Hearing this, Wen Chou Chou was very angry, this Zhang Jiao was too cunning.

Sun Dasheng and others were extremely weak and could not resist at all. They were quickly tied up by Wuhua and sent back to the cell.

Wen Chou Chou went to the Zong Tan Hall at the invitation of Zhang Jiao.

"Mr. Zhang!"

As soon as he sat down in the hall, Wen Chou Chou couldn't help but ask, "I don't know, what are you going to do with the Ouyang family?"

Zhang Jiao didn't answer immediately, but looked at him with a half-smile, "Wen Chou Chou, you You already work under me, but you still care about those prisoners?"

"Mr. Zhang misunderstood!" Wen Chouchou quickly shook his head and explained, "Sun Dasheng and the others are all heroes of the generation, it's a pity to kill them.

" , Zhang Jiao nodded silently, and then thought for a while: "Yue Feng fought with me before and escaped with serious injuries. I will use the Ouyang family to lead him back."

What?

Zhang Jiao was shocked, Feng Zi came before?

At this time, Wen Chou Chou did not know that Yue Feng had come back from the wild and strange realm and had already fought with Zhang Jiao several times.

Thinking of this, Wen Chou Chou subconsciously said, “In that case, why didn’t Mr. Zhang surrender to Sun Dasheng’s group? Once they all turn to you and Yue Feng knows the news, he will definitely lose his mind, and he will never fight against Mr. Zhang again.”

Wen Chou Chou With a keen mind, he could guess that Zhang Jiao dealt with Yue Feng in order to dominate Kyushu.

Ha ha!

Hearing Wen Chou Chou’s suggestion, Zhang Jiao sneered, shook his head and said, “If everyone else is as visionary as you and can understand the situation, I wouldn’t be so troublesome. Sun Dasheng’s group is more stubborn than the other. Even if you die, you will not surrender to me. Therefore, these people will be killed in the end.”

Hearing this, Wen Chou Chou was shocked and quickly said: “Mr. Zhang, if you believe me, I will help you persuade them. “

Speaking, Wen Chou Chou smiled and continued: “How do I say, I am also the sworn brother of Sun Dasheng, he may listen to my words.”

Yes, Wen Chou Chou said this, just looking for a chance to go to the cell to see Sun Dasheng and the others. , not really to persuade surrender.

“Okay!”

Zhang Jiao’s eyes flashed, and he laughed loudly: “Palace Master Wen has such a mind, I really did not see the wrong person, this matter is left to you.” “Thank you ,

Mr. Zhang for your trust.”

Chapter 2555 The

other side!

In a forest a hundred miles away from Taiyin Mountain, Yue Feng stumbled forward.

Finding that there were no chasing soldiers behind him, Yue Feng took a deep breath, and was about to sit cross-legged to recover. However, Zhang Jiao had injured his heart with the Heaven-opening Axe, and he fled all the way just now. land.

“Xiao Xi, Xiao Xi…” The moment he fell to the ground, Yue Feng kept mumbling to himself.

Recalling the scene just now, Xiao Xi’s tragic experience, Yue Feng’s heart was cut like a knife.

That is, at this time, a convoy came slowly.

“Is there someone in front?”

“Go and have a look…”

Seeing Yue Feng, the convoy stopped, and then a few people walked over quickly. The leader was an eighteen-nine-year-old girl, wearing a dress, with beautiful features and a charming figure. , as striking as a butterfly.

The girl’s name is Yu Qianqian. She is the eldest young lady of the Yu family in Xuanye Continent. The Yu family was originally a business family. In recent years, with the popularity of practitioners, the entire family has also begun to practice. Become a famous cultivation family in Xuanye Continent.

The men in black who followed Yu Qianqian were all her bodyguards.

When he got to the front, Yu Qianqian was startled when he saw Yue Feng, who was unconscious, and saw that this man was wounded all over, he was dying, he had his last breath left, and he was still muttering something.

Seeing this scene, Yu Qianqian squatted down and shouted softly, “Hey, are you alright?”

At this time, Yue Feng was completely awake. Hearing the call, he glanced at Yu Qianqian blankly.

“Xiao Xi…”

In the next second, it didn’t mean Qianqian could react, Yue Feng hugged her, shouting with joy and heartache: “Xiao Xi, you’re alright, great, you’re alright… “

That’s right, Yue Feng was too injured, and mistakenly mistook Yu Qianqian for Xiao Xi, and couldn’t help it for a while.

The bodyguards next to him were also startled and annoyed at the same time.

This kid is courting death, dare to take advantage of the eldest lady.

Swish!

Suddenly being hugged by Yue Feng, Yu Qianqian was also embarrassed and angry, she quickly broke away from Yue Feng’s embrace, and said tenderly, “Throw him to the mountain for me to feed the wolves.”

It’s really hateful. Cheap is just killing it.

Whoops!

As soon as the voice fell, several bodyguards came around at once, and they were about to carry Yue Feng to the barren mountain.

“Wait!”

However, at this moment, a loud shout came, followed by a handsome figure rushing over, staring at Yue Feng, unable to hide the excitement and excitement.

It was Zhu Bajie.

Zhu Bajie has a free and easy temperament. When he met Yue Feng in the Yellow Sea Continent, the two sides agreed to meet at an inn in a small town, but Yue Feng did not come. At that time, Zhu Bajie left Su Qingyan and Xu Qingyi in the inn, I went to look for Yue Feng, but couldn’t find Yue Feng. After returning, Su Qingyan and Xu Qingyi disappeared.

After that, Zhu Bajie searched several places, but could not find Su Qingyan and Xu Qingyi, so he thought that they had left with Yue Feng.

Immediately afterwards, when the Kyushu Continent and the Rakshasa were at war, Zhu Bajie wanted to help, but when he heard the news, the two sides reconciled. Without the war, Zhu Bajie began to travel around.

A year ago, Zhu Bajie came to the Xuanye Continent, and when he met a member of the Yu family, he was robbed by mountain bandits, so he acted righteously. , and worshipped Zhu Bajie as his teacher.

“Master!”

At this moment, seeing Zhu Bajie walking over quickly, Yu Qianqian was very puzzled: “You know this person?”

Zhu Bajie did not respond, but looked at Yue Feng closely, unable to express his excitement : “Quick, bring him back to the family.” Although Yue Feng put on makeup and had scars on his face, Zhu Bajie was originally a master in disguise, and at a glance, he could tell that this was his brother Yue Feng.

The ultimate husband in Chinese chapter 2556-2560

Chapter 2556

A day later.

Xuanye Continent, Huanglong City, Yu Family Manor.

In the room, Yue Feng was lying on the bed and had several nightmares in a row.

In the dream, Xiao Xi died very tragically, not only Xiao Xi, but everyone in the Ouyang family was also killed by Zhang Jiao.

call!

I don't know how many nightmares I have had, but Yue Feng woke up suddenly. The moment he opened his eyes, he found himself lying in a room, dripping with cold sweat.

where is this?

Yue Feng looked around and found that this room was very luxuriously decorated, with a retro layout, all luxurious mahogany furniture, and an antique flavor everywhere.

Squeak!

Just when Yue Feng was secretly surprised, suddenly, the door was pushed open, and several people walked in quickly.

It was Zhu Bajie and Yu Qianqian, as well as Yu Qianqian's brother and several cousins.

Yu Qianqian's several cousins, one is more beautiful than the other, and they are elegant and charming, and they are even more temperamental than popular stars.

"Hahaha…"

Zhu Bajie stepped forward and laughed at Yue Feng: "Good brother, you finally woke up."

After saying that, Zhu Bajie said to Yu Qianqian: "Good disciple, hurry up. Go and order someone to prepare healing medicine. By the way, this is your uncle, and you will be called uncle in the future, do you know?"

This chapter is provided by . Visit for daily update.

Tu'er?

Hearing this, Yue Feng was stunned. What the hell, when did Zhu Bajie accept his apprentice?

Yu Qianqian also trembled, and her delicate face was full of resistance: "Master, what uncle… this person is a lecher."

Thinking of the scene where she was held by Yue Feng before, Yu Qianqian felt There was a burst of anger in my heart.

At this moment, Yu Qianqian's brother and several cousins also looked at Yue Feng curiously.

"This is my brother, of course he is your uncle!" Zhu Bajie said with a frown, his tone was firm and unquestionable.

Yu Qianqian bit her lip and said to Yue Feng, "Hello, uncle!"

When she shouted out the word uncle, Yu Qianqian's face instantly turned red. To be honest, Yu Qianqian was very resistant to calling the man in front of him uncle, but the teacher did not dare to disobey.

Yue Feng nodded, looked at Yu Qianqian up and down, and his thoughts were a little dazed.

Did you take this girl as Xiao Xi before?

A day ago, Yue Feng was in a trance, but he also remembered that before he passed out, he seemed to hug a girl, which should be Yu Qianqian.

But I have to say that Yu Qianqian's facial features are eight or nine points similar to Xiao Xi's. Even if he is not in a coma, if he suddenly sees it, he will be mistaken.

Thinking of Xiao Xi, Yue Feng felt a pain in his heart again, and at the same time, he was very anxious.

"Brother Zhu!" Yue Feng struggled to get up from the bed and said to Zhu Bajie, "Quick, follow me to save people."

He had been in a coma for so long, and he didn't know what happened to Xiao Xi and the Ouyang family.

Before getting out of bed, Zhu Bajie stopped him.

"Good brother, your injury is too serious, how can you save people?" Zhu Bajie smiled bitterly to comfort him: "Let's rest here first, I have already asked my disciple to prepare medicine for the wound."

With that said, Zhu Bajie introduced to Yu Qianqian: "Good disciple, don't look at him so embarrassed, like a beggar, in fact he is…" Before he

finished speaking, he was stopped by Yue Feng.

“Brother Zhu, don’t reveal my identity.” Yue Feng leaned closer and whispered in Zhu Bajie’s ear.

The voice was so soft that only he and Zhu Bajie could hear it.

Zhang Jiao controlled the Wutian Organization, and the Wutian Organization’s ears and eyes were all over the Kyushu. For the sake of prudence, it was better not to let people like Yu Qianqian know their identities.

Zhu Bajie was a smart man, and he immediately understood what Yue Feng meant.

The next second, Zhu Bajie looked around and said to Yu Qianqian: “In short, he is my sworn brother, you should be more respectful in the future, by the way, from today onwards, you will take good care of this uncle. I know. Do you?”

“Got it, Master.” Yu Qianqian was reluctant in every possible way, but he couldn’t refuse, so he just nodded with gritted teeth.

Chapter 2557

Zhu Bajie was very satisfied, and waved to let Yu Qianqian go out first.

“Big Brother Zhu!”

Yue Feng couldn’t help but ask, “Where is this place?”

“Xuanye Continent, Yu family.” Zhu Bajie responded with a smile.

What? Xuanye Continent?

Yue Feng was stunned and said anxiously: “It’s over, it’s over.”

Zhu Bajie was very curious: “What’s wrong? What happened?” Since the last time we parted, Zhu Bajie has been with Yue Feng. I hadn’t seen him for several years, and seeing him so embarrassed and anxious at this time, I was immediately puzzled.

Yue Feng smiled bitterly and told what happened in the past few days.

“Zhang Jiao?”

After listening to this, Zhu Bajie frowned and couldn’t help scolding: “Made, this person is so despicable?”

“Brother Zhu, the Ouyang family members have all been arrested, and Xiao Xi’s life and death are unknown. I have to go back.” Yue Feng said anxiously.

Zhu Bajie took a deep breath and comforted: “You are so seriously injured, what’s the use of rushing? Well, you are recovering here now, and I will help you find out the news. If there is a chance, I will help Xiao Xi and the Ouyang family first. Those people were rescued.”

“Thank you, Big Brother Zhu.” Yue Feng’s face was overjoyed, and he couldn’t help thanking him.

Zhu Bajie nodded and said no more, ordered Yue Feng to continue to rest, and walked out of the door quickly.

…..

at this moment! On the other side, there is the general altar of the Wutian Organization.

Wen Chou Chou’s face was solemn, and he slowly came to the cell.

At the door, Wen Chou Chou said to the gatekeeper, “I came to persuade the Ouyang family to surrender at the order of the lord.”

Hearing this, the gatekeeper immediately opened the cell door.

Wen Chou Chou took a deep breath and walked in.

“Wen Chou Chou!”

Sun Dasheng, who was sitting in the corner of the cell when he saw Wen Chou Chou, immediately stood up and was very dissatisfied: “Fengzi and I have always respected you, why do you want to join Zhang Jiao? You answer me… “

When he said this, Sun Dasheng’s eyes were almost spitting fire, he was upright by nature, and until now, I still haven’t figured out why Wen Chou Chou surrendered to Zhang Jiao.

The voice fell, and everyone else shouted.

“That’s right, you sold humiliation for glory, and you still have the face to see us?”

“Go away, we don’t want to see you.”

“We were so blind back then, we trusted and respected you so much.

” When I heard a sentence, only Ren Yingying stood there, silently looking at Wen Chou Chou.

Wen Chou Chou's face was full of bitterness, and he said to Sun Dasheng: "Dasheng, you misunderstood me."

"Yes!"

At this time, Ren Yingying couldn't help but said, "Brother Wen is pretending to join Zhang Jiao, you guys Can't you see? He did this for our safety, otherwise, we would all be killed by Zhang Jiao."

As soon as these words came out, the entire cell was silent.

Everyone looked at Wen Chou Chou, especially his broken arm, all of them suddenly realized and felt guilty.

"Brother Wen!"

Sun Dasheng was the first to react and suddenly cried: "I misunderstood you, Brother Wen, I'm sorry… I'm sorry…"

Wen Chou Chou showed a smile and comforted: "As long as everyone is alright, what is it that I feel wronged? Don't blame yourself."

Everyone else bowed their heads in shame, Wen Chou Chou paid so much for everyone, but just now, everyone misunderstood him and scolded him…

"Brother Wen!"

At this time, Ren Yingying He couldn't help but said, "Do you have any plans?"

Chapter 2558

Swish!

At this moment, everyone's eyes were also fixed on Wen Chou Chou.

Wen Chou Chou took a deep breath and smiled bitterly: "Zhang Jiao wants to use you to catch Feng Zi, and he won't kill you for the time being, but this person is vicious and vicious, and if he succeeds in catching Feng Zi, in the end he will kill you.

" Then, Wen Chou Chou's expression became complicated, and he continued: "I pretended to promise Zhang Jue just now to persuade you to surrender."

When he said this, Wen Chou Chou was very helpless. You must know that the main altar of Wutian Organization is heavily guarded and stationed here. There are as many as 100,000 elite disciples, and with Wen Chou Chou alone, it is impossible to let Sun Dasheng and the others go.

In this case, Wen Chou Chou can only choose to stabilize Zhang Jiao, and then slowly find the opportunity.

What?

Hearing this, everyone was shocked.

Ren Yingying bit her lip tightly and couldn't help saying: "What do you mean, let us all pretend to surrender? But… this is too fake, Zhang Jiao is not a fool, you can see it at a glance."

Wen Chou Chou nodded: "Yes, so I decided to pick a few people. Like me, I pretended to surrender Zhang Jiao, so that I wouldn't be afraid of doubts." As soon as he finished speaking

, Sun Dasheng had a look of resistance and couldn't help shouting: "Brother Wen, this is too troublesome. Now, since Zhang Jiao has trusted you, now is such a good opportunity, why don't you just let us go?"

"Great Sage! Your thinking is too simple." Wen Chou Chou shook his head and explained with a wry smile: "If If you can do this, I have already done it. Zhang Jiao is still on guard against me. I am afraid that there are still many people in ambush at the foot of the mountain. If I want to let you go, the previous efforts will be in vain."

"Also, I thought about it. , After letting you go, I will continue to stay by Zhang Jiao's side, so that I can know immediately how he plans to deal with Feng Zi."

call!

Hearing this, Ren Yingying and Sun Dasheng fell silent.

You know, Wen Chou Chou is too risky to do this, but other than that, there seems to be no other way.

After a short silence, everyone looked at each other, who is Brother Wen going to pick?

Wen Chou Chou looked around, and finally landed on a tall and thin man: "White horse, just you, in the future you stay and accompany me by Zhang Jiao's side…"

Yes, the person selected by Wen Chou Chou is the right one. He was the White Horse Dharma King of the Hall of Longevity, and when Wen Chou Chou first became the hall master, he was the first person to object.

Wen Chou Chou thought about it. If he chose Sun Dasheng or Ren Yingying, Zhang Jiao would definitely not believe it. After all, Sun Dasheng had a hot personality and

would rather die than give in, while Ren Yingying was witty, smart, upright, and not someone who surrendered easily.

“Palace Master!”

King White Horse trembled, his face full of fear: “I…I’m afraid I can’t do it…”

That is Zhang Jiao, staying by his side as an undercover agent is even more dangerous than pulling teeth out of a tiger’s mouth.

“White Horse!” Wen Chou Chou’s face sank, and he shouted angrily: “As one of the Dharma Kings of the Hall of Longevity, you shoulder a heavy responsibility. Now the Hall of Longevity is facing unprecedented challenges, do you want to back down?” The

voice was not loud, but it was full of majesty.

Seeing the anger of the palace master, Bai Ma’s face turned pale, and he nodded quickly: “This subordinate obeys the order of the palace master, and dare not violate it.”

When he said this, Bai Ma’s face was loyal, but his eyes flashed with dissatisfaction and coldness.

Well, you are ugly and ugly. You insist on dragging me into this mess. When it comes to life and death, don’t blame me for being inhumane and injustice.

Seeing that he agreed, Wen Chou Chou nodded, and immediately said a few words to the crowd, and left the cell with the white horse.

A few minutes later!

in the hall.

Zhang Jiao sat on the throne, looked at the white horse up and down, smiled and said: “Master Wen, he is indeed a trustworthy person, and he recruited a competent subordinate so quickly, not bad…”

“The main thing is Mr. Zhang Lixian Corporal, command His Holiness the White Horse admires very much.” Wen Chou Chou laughed alongside him.

As soon as he finished speaking, Bai Ma hurriedly bowed his hands and said respectfully, “Bai Ma, I will let Mr. Zhang send you in the future.”

Chapter 2559

“Okay, okay!”

Zhang Jiao was very happy and raised his hand: “Don’t be so polite, by the way, Palace Master Wen is also tired and injured, so go to rest as soon as possible.”

Wen Chou Chou responded With a sigh, he walked out of the hall with the white horse.

“Master!”

As soon as he left, a disciple next to him said cautiously, “This Wen Chou Chou is also considered a generation of heroes. With his prestige, it is impossible to persuade only one person to surrender, and he is still a subordinate of his longevity hall. Why does the master treat him? Are you still so polite?”

Zhang Jiao narrowed his eyes slightly and smiled without saying a word.

A few seconds later, Zhang Jiao instructed: “Go out and have a look. If Wen Chou Chou and Bai Ma rest separately, call Bai Ma alone. Don’t disturb Wen Chou Chou. If the two are together, don’t scare the snake for the time being.”

Seriously Yes, at that time Wen Chou Chou cut off his arm to show his sincerity, but Zhang Jiao was very touched, but Zhang Jiao was not a fool and realized that it might be Wen Chou Chou’s bitter trick.

At this time, seeing that he successfully persuaded Baima to surrender, Zhang Jiao did not relax his vigilance.

Hearing the order, the disciple complied and walked out quickly.

A few minutes later, the disciple came back, followed by a worried white horse.

“Mr. Zhang.”

Entering the main hall, Bai Ma was inexplicably terrified: “Suddenly invited his subordinates, I don’t know what to do.”

Zhang Jiao smiled slightly, but did not respond, but suddenly got up and rushed in front of Bai Ma. Electricity, a palm slapped towards the white horse’s heart.

Snapped!

The speed of opening the angle was too fast, and the white horse couldn’t react at all, and was hit directly in the heart. In an instant, the white horse’s soul flew away, and his legs were weak.

However, what surprised the white horse was that after receiving this slap, he was completely intact, and he didn’t even feel any pain.

“Mr. Zhang, you…” Bai Ma looked at Zhang Jiao blankly and said in surprise.

Zhang Jiao showed a sneer and said slowly, “Dharma King White Horse, you are also a famous person in the world, have you heard of ‘Bone-Breaking Palm’?

“

Hearing this, Bai Ma looked confused, but it was still a little bad to ponder the deep meaning of these words.

With such a terrible name, it must be very sinister.

“This kind of palm technique doesn’t feel like hitting the body at first.” Zhang Jiao explained with a smile: “But within half an hour, if there is no rescue method, the heart will be riddled with holes, the whole body will be broken, and it will be very dead. Terrible.”

Shua!

Bai Ma’s face turned pale, and he almost slumped on the ground. He said in panic, “Mr. Zhang, I’m really surrendering, why are you doing this to me ?

“

Wen Chou Chou forced you, or did you really want to serve me? To tell the truth, otherwise, after half an hour, you will wait for the reincarnation.”

“I…” Bai Ma was dripping with cold sweat, and the whole person was stupid. .

Mad, who are all ugly and ugly, have to choose yourself, now it’s alright, and Zhang Jiao will see through it soon…

Thinking about it, the white horse knelt on the ground all of a sudden, and said in fear: “Mr. Zhang, forgive me, It was Wen Chou Chou who asked me to do this, in fact… he also pretended to surrender…”

In the next few minutes, White Horse explained Wen Chou Chou’s plan.

Made.

Knowing the situation, Zhang Jiao’s face became gloomy and unsightly, and he really guessed that this Wen Chou Chou was pretending, but I have to say that, in order to deceive his trust, he cut off an arm.

At this moment, Zhang Jiao really wanted to send someone to arrest Wen Chou Chou immediately and kill him on the spot, but then he thought that since Wen Chou Chou wanted to play tricks, he would just do it himself.

Chapter 2560 Mumbling

in his heart, Zhang Jiao looked at the white horse coldly: “From now on, you should pay close attention to Wen Chou Chou’s every move, and if he has any plans, let me know as soon as possible, understand?”

“Understand, understand. Don’t worry, Mr. Zhang.” The white horse chicken nodded again and again, pecking at the rice, and agreed.

No promise, no, who doesn’t want to live?

“Master!”

Just as he was talking, a disciple walked in quickly, his face full of fear: “I tell my master, Yue Feng’s personal maid, and the stone box are not… gone…”

What? Zhang Jiao stood up abruptly, his face ashen

, and cursed: “Didn’t I ask you to be strictly guarded? Why did it disappear? Rice buckets, all rice buckets. Send someone to investigate immediately!”

Soak in the river water for a night, which is convenient for alchemy.

“Yes, my lord!” The disciple, sweating profusely, responded and ran out in a hurry.

A few minutes later, the main altar sent disciples to start searching for Xiao Xi’s whereabouts within a hundred miles.

However, these unorganized people do not know that Xiao Xi has been taken by Diao Chan and left this continent.

…..

On the other side, Xuanye Continent, Huanglong City, Yu Family Villa.

In the yard, Yue Feng was sitting on a chair, calm on the surface, but extremely anxious in his heart, Zhu Bajie had been gone for a day, and no news came back.

Yue Feng wanted to leave, but his injuries had not yet healed.

Yu Qianqian stood aside, quietly accompanying her, with a bit of helplessness on her delicate face.

For the past two days, Yue Feng has been living in Yu's guest room.

To be honest, Yu Qianqian was very helpless. She really wanted to drive Yue Feng out! But the master said that he should take good care of him, the master's order was difficult to violate, so he had to stay by Yue Feng's side.

"Ding bell bell…"

At this moment, Yu Qianqian's cell phone rang, and after answering it, she was immediately anxious.

"What's wrong?" Yue Feng couldn't help but ask.

Yu Qianqian said angrily: "There is a problem in the trade between the family and the Rakshasa people, and I want me to solve it…" When he said this, Yu Qianqian was very embarrassed and couldn't be anxious.

The family business needs help, but Master, a sworn brother, also needs to take care of himself. What should I do?

Doing business with the Rakshasa?

Yue Feng was stunned for a moment, then saw Yu Qianqian's expression, he couldn't help laughing: "You don't have to worry about it, let's go, I'll go with you." Waiting for the news of Zhu Bajie, it's really uncomfortable, why don't you go out Breathable.

Hearing this, Yu Qianqian hesitated: "Then… when you get there, don't talk."

Yue Feng nodded with a smile.

Half an hour later, Yu Qianqian drove Yue Feng and arrived at the destination, Xuanshi City.

Xuanshi City is located at the junction of Xuanye Continent, Yellow Sea Continent, and Nanyun Continent. Two hundred miles to the north is the Chaos Mountains. It is the largest commercial and trade city in Kyushu.

Three years ago, the Rakshasa tribe negotiated peace with the Kyushu Continent. After negotiation, the Rakshasa tribe took root in this area as a habitat, took root and multiplied. Without the war, the business of the Rakshasa tribe also began to prosper. Finally, in this area, established a Xuanshi Trade City.

You must know that the Rakshasa tribe was proficient in the production of animal skins and could make the top leather soft armor in Kyushu. These soft armors are the most popular treasures for cultivators in Kyushu.

Under such circumstances, business families and groups from various continents in Kyushu have sought cooperation with the Rakshasa. Among them, Yu Qianqian's family is also included.

I go!

Arriving at the largest trading building, Yue Feng was stunned when he saw the scene in front of him, and he couldn't help but admire.

As you can see, the entire city is bigger than Donghai City, with tall buildings and people coming and going, a bustling scene. Of course, because it is under the jurisdiction of the Rakshasa, the entire city is controlled by the Rakshasa. Rakshasa patrolling soldiers can be seen everywhere.

Passing through the hall and reaching the trading area at the back, you will see a huge warehouse the size of several basketball courts. There are many merchants from Kyushu, who are trading with the Rakshasa people.

The ultimate husband in Chinese chapter 2561-2565

Chapter 2561

And in one of the corners, where the goods of Yu's family were detained, several Yu's family members were negotiating with the Rakshasa leaders in charge of this place.

"It's unreasonable for you to suddenly increase your commission by 20."

"It's just a robber."

Facing the family's accusations, the Rakshasa leader had a strong face: "This is the place of our Rakshasa clan, if you want to trade, just do it. Be sure to keep our rules."

This man's name is Jed, the city lord of Xuanshi City, responsible for the security of the entire city, as well as commerce and trade. It is also one of the most trusted people of Rakshasa Queen Mona.

At this moment, Yu Qianqian and Yue Feng walked over.

When he got to the front, Yu Qianqian understood the situation, and suddenly became angry.

It turned out that when people from Kyushu came here to do transactions before, they had to pay a 10% commission for Xuanshi City, which was equal to the tax revenue of Xuanshi City. However, this transaction, Xuanshi City changed the rules and required a 20% commission, and the Yu family was The object of the first execution.

"You guys are too domineering." Yu Qianqian's delicate body trembled and said to Jade.

Jed shrugged: "You are the eldest miss of the Yu family, I still say that, if you want to come to Xuanshi City to do business, you have to abide by our rules." The

tone is domineering and unquestionable.

"Okay, then this transaction is cancelled." Yu Qianqian waved his hand: "Then let's take the goods away, shall we?"

Jed shook his head: "You are wrong, your goods have been pulled to our warehouse, occupying a place , even if the transaction is cancelled, you have to pay 10 commission."

What?

Hearing this, Yu Qianqian almost cried angrily: “You guys are just robbers.” This batch of goods is worth a lot, and the 10 percent of the free fee is not a small amount.

This chapter is provided by . Visit for daily update.

Jed frowned: “Miss Yu, we are acting according to the regulations. If you are foolish, you will disturb the security of Xuanshi City.” The

voice fell, and more than a dozen Rakshasa soldiers gathered around.

Hula..

Seeing this scene, everyone who was trading around quickly stepped back, fearing that they would be affected by the fish pond.

Although three years have passed since the war, the strength of the Rakshasa cultivators is generally stronger than that of the Kyushu mainland. It is a well-known fact at this time. Moreover, Xuanshi City is still controlled by the Rakshasa, and any Kyushu businessman will Don’t dare to make trouble here, even if you suffer a loss, you don’t dare to speak up.

“You…” Seeing this scene, Yu Qianqian was shocked and angry, so angry that she was speechless for a while.

At this moment, Yue Feng couldn’t stand it anymore, he walked over to block Yu Qianqian, and said to Jade, “Are you the city lord of Xuanshi City ?

“

The arrogance of the face.

This kid, at first glance, is Miss Yu’s bodyguard, so don’t worry about it at all.

Yue Feng smiled slightly and said seriously: “Business is about integrity. As the city lord, you are not afraid of ruining the reputation of your Rakshasa clan by doing so many tricks?”

“What do you mean?” Jade’s face turned gloomy. coldly.

Yue Feng looked around and said slowly, “It’s not interesting, I just want to advise you, don’t do too much, put the goods at home immediately, and then apologize to Miss Yu, otherwise you will regret it.”

Yue Feng is not Speaking of which, the Queen of Rakshasa at this time, Mona was her own prisoner back then. Even if she came to the scene, Yue Feng would say the same thing, and it was indeed too much for the Rakshasa people.

What?

Hearing Yue Feng's words, there was an uproar around, and the pot almost exploded!

"This kid is talking to Jed like this?"

"I don't know whether to live or die!"

"This Kyushu native is so bold…"

Jed's face was extremely ugly, and he glared at Yue Feng: "Boy, if I don't do this Do what?"

Chapter 2562

Yue Feng smiled slightly, looked at Jade indifferently, and said word by word: "I have already advised you, it's up to you to do it or not, but you think about it, and when you regret it, kneel down and apologize to me When it's time, it's too late."

Wow!

Hearing this, the audience was in an uproar!

"Is this kid crazy?"

"It's just courting death!"

"You…" Yu Qianqian was so anxious that she couldn't help pulling Yue Feng: "Don't make trouble, okay?" , don't let him interrupt, but he insists on meddling.

This is the place of the Rakshasa clan, and the Rakshasa people are so strong one by one, if they really want to turn their faces, it will be troublesome.

However, Yue Feng had a calm expression on his face, indicating to Qianqian not to worry.

Jed was completely angry and stared at Yue Feng: "Good boy, very good, I like people with courage!" After the

voice fell, Jade waved to the side!

Suddenly, an iron tower version of the Rakshasa man strode over.

"This is the Rakshasa warrior Batu by my side." Jade's eyes flashed fiercely, and he said coldly to Yue Feng: "Seeing that you are also Miss Yu's bodyguard, so as long as

you can beat him, I will let you Miss Yu will take the goods away, if you can't beat it, the Yu family will pay me double the commission."

Hu La!

The voice fell, and the crowd watching the lively around immediately dispersed far away.

They could see that Jade was angry, and the consequences were very serious, especially this Batu, the captain of the guard of Black Stone City, and his strength was even more terrifying. Someone once saw that Batu killed two black tigers with his bare hands, absolutely powerful The presence.

fight?

Seeing this scene, Yue Feng chuckled and glanced at Batu: "He is not my opponent!" Yue Feng is not bragging. Although this Batu has the strength of the third-rank Martial Emperor, in Yue Feng's eyes, he is still unbearable. With one blow, even if the internal strength is not fully recovered, he is sure to defeat him within three strokes.

What?

When the voice fell, everyone in the VIP hall thought they had heard it wrong, and looked at Yue Feng in astonishment!

"What did this kid say? Batu is not his opponent?"

"Interesting, does this Dongfang boy only know how to talk?"

"Batu can completely abuse him with a single finger, but he says that Batu is not an opponent.. Haha, it's ridiculous!"

Batu was furious.

Click!

In the next second, Batu shot suddenly, but instead of hitting Yue Feng, he also smashed the solid wood table in front of him with one punch!

Yes, Batu wanted to give Yue Feng a disservice.

Immediately afterwards, Batu's eyes were instantly blood red, and he strode in front of Yue Feng with a calm tone: "Kyushu boy, now I officially challenge you, you won't dare to challenge it, right?" The

challenge is the traditional form of the Rakshasa clan. , once issued, if the opponent should not fight, it is a sign of weakness.

At this time, Batu's anger was rising, and his dignified captain of the guard was despised by a Kyushu boy. How could he bear it?

Yue Feng smiled and said lightly: "You are very confident, but you need to understand a little bit, there are days outside the sky, and there are people outside people."

Hearing this, Batu was stunned, and then sneered: "Boy, stop talking nonsense, what are you doing? Will you accept the challenge?"

The boy in front of him was thin and weak, and he was afraid that he wouldn't be able to catch a single punch.

At this time, Jed next to him frowned and waved his hand impatiently: "Batu, don't talk nonsense with this kind of person!" Just a bodyguard, there is no need to waste time.

"Okay, City Lord!"

Seeing Jade's opening, Batu stopped talking nonsense and rushed directly to Yue Feng, his right fist suddenly smashed out, with a strong momentum! Wherever the fist passed, the air was twisted. Amazing power!

call!

This punch, which contains thousands of pounds of strength, arrived in front of Yue Feng in the blink of an eye!

"Haha… I'm afraid this kid will be smashed into a ball of meat!"

"Batu should have shot it long ago…"

Chapter 2563

"Yes, this kind of arrogant Kyushu people, no need for nonsense!"

Seeing this scene, the surrounding Rakshasa soldiers couldn't hide their excitement, no one thought that Yue Feng could escape, and even couldn't wait to watch Here, Yue Feng was smashed to death by a punch!

The merchants from Kyushu in the distance turned their heads one by one, unable to bear to look directly.

Yu Qianqian even whispered and covered her eyes subconsciously. In her heart, even though Yue Feng was Master's sworn brother, but he was seriously injured, how could he block Batu's heavy punch?

boom!

Just when everyone was muttering secretly, Batu and Yue Feng collided, and a dull vibration broke out.

"Pfft…"

Immediately afterwards, I heard a muffled hum from Batu. Immediately afterwards, the burly figure flew straight up, flying for more than 100 meters, and finally smashed into the pile of goods. Blood spurted out.

At this time, Batu's face was pale, his forehead was covered in cold sweat, and he was in great pain, and his right arm had been broken!

What?

Seeing this scene, everyone was shocked and completely caught!

How is this possible?

This kid is so powerful?

Under the shock, everyone's eyes will focus on Yue Feng, full of horror.

Yue Feng, on the other hand, was standing there, as if he had not moved at all!

"What?"

Jed was even more startled, his eyes widened instantly, very incredible, first glanced at Batu on the ground, and then frowned at Yue Feng!

How is this possible?

Batu is the most powerful subordinate beside him, and can kill a bull with one punch. It was so defeated by this Oriental boy!

Yu Qianqian's body trembled even more, staring blankly at Yue Feng, unable to speak.

This man's injuries have not healed yet, but he is still so powerful…

"How is it?"

Yue Feng looked at Jade indifferently, his tone indifferent: “As I said, your subordinate is not my opponent at all! Moreover, some Things, violence can’t solve the problem at all.”

When he said this, Yue Feng didn’t even look at Batu!

Made!

With this sentence, Jade seemed to be greatly humiliated, and the anger in his heart rose.

“Do you think you’ll be safe after defeating my warrior?” Jed stared at Yue Feng with resentment on his face: “Even if you can get out of here today, don’t even think about leaving Xuanshi City alive.

” The city lord, when have you suffered such a loss? Moreover, in front of so many people, if you endure it, how will you see people in the future?

Whoops!

The voice fell, and without waiting for Jade’s instructions, the surrounding Rakshasa soldiers suddenly surrounded him. At the same time, many Rakshasa soldiers poured in outside, each with a special spear in his hand.

“Jed?”

At this critical moment, a cold but pleasant voice came, and then, a sexy figure, accompanied by a dozen people, walked over slowly.

It is the Rakshasa Queen Mona.

Behind her are the twelve divine warriors of the Rakshasa clan.

At this time, Mona, wearing a long snow-white fur dress, showed her charming figure, showing a taste of wild beauty, strong aura, and full of queen style.

call!

In an instant, everyone present was stunned, especially many men, who didn’t even blink.

Beautiful, so beautiful!

Yue Feng couldn’t help but take a few glances and showed a smile. He hadn’t seen her for a few years, and this Mona became more and more feminine.

Chapter 2564 It’s

over!

Seeing this scene, Yu Qianqian's body trembled, completely panicking.

The queen of the Rakshasa clan is here, and the situation is getting worse and worse.

"Your Majesty."

Finally, Jed reacted, squeezed out a smile, and said to Mona: "It's nothing, a kid is making trouble here, I can handle it soon."

When he said this, Jade was very It was a contemptuous glance at Yue Feng.

In Jed's heart, Yue Feng is from Kyushu. Although the Rakshasa clan and Kyushu have stopped fighting for three years and have agreed to live in peace in the future, in the heart of the Rakshasa clan, they still reject the Kyushu people. After all, the Rakshasa clan But by Liu Fang for thousands of years.

In this, Jed believes that Mona, who is the queen, is no exception. After all, in the war three years ago, Mona's father and two older brothers died directly or indirectly at the hands of the Kyushu people.

More importantly, Jed is very proud, thinking that he is the city lord of Xuanshi City, and is deeply appreciated by Mona. Mona will not blame herself for being a Kyushu boy.

call!

Hearing Jade's words, Mona breathed a sigh of relief and did not respond immediately, but looked around.

When her eyes finally fell on Yue Feng, Mona's delicate body trembled. Although she didn't recognize Yue Feng immediately, she felt the unique temperament in him, and suddenly felt a similar feeling.

In shock, Mona immediately thought of Yue Feng!

There is only one person in the world with such a temperament, Yue Feng, but… three years ago, Yue Feng disappeared in the wild and strange realm?

Um?

At this moment, everyone around, looking at Mona's expression, was extremely puzzled.

what's the situation? what happened to the queen? Just when everyone was secretly surprised, Mona

walked over slowly, and in front of Yue Feng, she said very: “Excuse me, this gentleman, who are you?”

. His expression was also somewhat polite.

What! ?

Seeing this scene, everyone present was blinded, and the entire trading floor exploded.

“What?”

“Queen Mona, actually calling this Mr. Kyushu boy?”

“What’s the situation? I heard it wrong.”

The doubts came from everyone, and Jade, who was standing beside him, was also dumbfounded.

In his heart, Mona is a high-ranking queen, and he won’t give Yue Feng a second look. After all, this kid is just a bodyguard without status, but he never expected that Mona would take the initiative to talk with her, and her attitude was so gentle. .

Is this still the high queen?

This scene is really incredible.

call!

Jed took a deep breath, only to feel that his mind was messed up, and he was completely uneasy.

Yu Qianqian, who was beside him, was also stunned, looking at Yue Feng, thinking quickly.

My uncle, do you know Queen Rakshasa?

Impossible, if you have a friend like Queen Rakshasa, how can you be injured so badly?

“Her Majesty the Queen!”

At this time, Jed reacted, forced himself to calm down, and shouted at Mona cautiously: “You are…”

However, Mona still didn’t hear it, and her eyes were still fixed on Yue Feng. Waiting for his response.

Yue Feng smiled slightly and looked at Mona: “Long time no see.”

Chapter 2565

Hearing the voice of Yue Feng, Mona was excited: “Great, so you…” Before he finished speaking, Yue Feng secretly shook his head to stop it.

Yes, at this time Yue Feng didn’t want to reveal his identity.

In the next second, Yue Feng said lightly: “It’s been three years, are you okay?”

Mona nodded and said respectfully to Yue Feng: “Fortunately, after the peace talks with Kyushu, I brought my clan here. For the past three years, I have been living peacefully with the Kyushu Continent and have been safe and sound. ” After speaking

, Mona couldn’t help but said, “Thank you.”

Speaking of which, the former Mona was a Rakshasa warrior goddess who was not afraid of the sky and the earth, but After going through the war three years ago, I have matured a lot and understood a lot of truth.

Yue Feng once captured her, and that incident was a humiliation of Mona’s life, but Mona did not have the slightest resentment towards Yue Feng. On the contrary, her heart was full of gratitude. He would not talk to the Rakshasa clan for peace talks. It can be said that the peaceful years of the Rakshasa clan are now brought by Yue Feng.

At this time, Jed couldn’t help coming over and was about to hear this sentence.

What?

Queen, thanking this kid? What kind of identity is he…?

Jed’s eyes widened, looking at Yue Feng incredulously, a huge wave rose in his heart.

You must know that Mona, a woman, is a shocking thing to be the queen of the powerful Rakshasa clan. However, under the leadership of the three years, Mona quickly won the whole clan with her outstanding talents. Respect, in the entire Rakshasa clan, Mona is high above, not only the queen, but also their spiritual support.

And now, Her Majesty the dignified Queen is so respectful to an inconspicuous Kyushu bodyguard, who would have believed it if he hadn’t seen it with his own eyes?

Moreover, the Queen actually thanked him?

You must have heard it wrong.

Jed froze there, persuading himself over and over again, everything in front of him was an illusion.

However, the surrounding Rakshasa soldiers were in an uproar.

“This…Her Majesty, thank him?”

“No way, what is this kid’s identity?”

This…Am I really dreaming? “

In addition to the Rakshasa soldiers, those merchants from Kyushu in the distance also stared wide-eyed, looking at Yue Feng, their expressions full of shock.

They saw that the Rakshasa Queen, who was as beautiful as a fairy and aloof, was standing on Yue Feng. In front of him, respectfully, it was as if the daughter had seen her father.

The surrounding discussion came, but Yue Feng didn’t seem to hear it, looked at Mona indifferently, nodded with a smile: “Well, you Rakshasa clan. It’s good to let go of the thousand-year-old hatred and make peace with Kyushu. ” After

receiving Yue Feng’s appreciation, Mona showed a smile and felt very happy! The

next second, Mona glanced at Jade behind her and respectfully said to Yue Feng, “What happened here just now. “

“Your subordinate, because of public favoritism, specifically, you should ask him directly!” “Yue Feng said lightly. After speaking, he slowly walked to the chair beside him and sat down leisurely.

Mona came, and there was no need for him to stand out.

Huh!

Hearing this, Mona’s delicate face twitched. The child became embarrassed. Then, he slowly turned around and looked at Jade coldly: “What’s the matter? Jed. “The

tone was indifferent, without the slightest emotional fluctuations, but the aura was strong and unquestionable.

Seeing Mona’s eyes, Jed couldn’t help feeling uneasy!

“Your Majesty!” In the next second, Jade took a deep breath and opened his mouth carefully: “This Kyushu boy is deliberately making trouble here and breaking the rules I just set.”

“I’m about to teach him a lesson.”

Jade is not Fool, it can be seen that Mona and Yue Feng should be very familiar, but no matter what, he is her most trusted subordinate, and what he does is for the benefit of the Rakshasa, so there is no need to worry.

“What did you say? ..”

Mona’s beautiful face showed a bit of displeasure, and her eyes flickered: “You want to teach him a lesson?”

The ultimate husband in Chinese chapter 2566-2570

Chapter 2566

“Yes…Yes.” Jed nodded, seemed to hesitate, and then his eyes returned to firmness.

The Rakshasa tribe has always been very united, so Jed believes that even if Mona and Yue Feng know each other and know what happened, they will support him.

call!

At this time, all the people around were holding their breath and watching, not daring to let out the air.

Her Majesty, what will you choose? She is the queen of the Rakshasa, and everything will be based on the interests of the Rakshasa, right? After all, this is Xuanshi City, the place of the Rakshasa!

Knowing this, Mona frowned, and this Jade was indeed too much.

Seeing Mona’s expression, thinking she had acquiesced, Jed showed a smug smile.

Immediately afterwards, Jade shouted at the surrounding Rakshasa soldiers: “Catch this kid for me and put him in the prison.”

How does this hateful kid know Her Majesty the Queen? Dare to make trouble in Xuanshi City, it is completely courting death. What’s more hateful, this kid dares to sit there, which is simply a kind of contempt for Jed.

Whoops!

As soon as the voice fell, the surrounding Rakshasa soldiers surrounded Yue Feng again.

Seeing this scene, Yue Feng chuckled lightly, and remained motionless with a calm expression.

“Stop it all!” At this moment, Mona shouted, her beautiful face was extremely cold, and at the same time, a powerful aura burst out.

hiss!

Feeling the Queen’s anger, all the Rakshasa soldiers were shocked, and hurriedly stood there, not daring to let out the air.

This chapter is provided by . Visit for daily update.

“Her Majesty the Queen…”

Seeing this scene, Jed was blinded and looked at Mona without answering.

As soon as the words fell, Mona walked over quickly.

“Crack!”

Immediately after, Mona raised her jade hand, slapped her face without warning, and threw it on Jed’s face!

The crisp slap sounded, and Jed was blindfolded. He turned around a few times in the same place, and finally sat on the ground with blood on the corners of his mouth, and two of his teeth collapsed.

Whoa!

Seeing this scene, everyone present was in an uproar.

“Your Majesty… actually hit the Lord of the City…”

“This…”

“What’s the situation?”

At this time, Jed was terrified, covering his face and facing Mona, saying aggrievedly: ” Her Majesty, why, I didn’t do anything wrong…”

Being blocked by so many people and being slapped by Her Majesty is too embarrassing.

At the same time, the surrounding Rakshasa soldiers also stood there tremblingly.

Mona ignored the reactions of the people around her, her pretty face was cold, she walked to Jed step by step, and said condescendingly: “Jed, you are so bold, dare to provoke my VIP, I didn’t kill you immediately, it’s already very Be merciful.”

What? VIP?

Hearing this, everyone present was dumbfounded.

Yu Qianqian’s red lips parted slightly, staring at Yue Feng blankly, speechless.

I thought this person was just a brother that Master made friends with, with no special background, but he never expected that he was actually the VIP of Queen Rakshasa. No wonder he was so polite to him just now.

At this moment, Jed stayed there, his mind buzzing.

I thought that this kid just knew Her Lady Queen, but he didn't expect that his identity was so special.

"Your Majesty, I…" The

next second, Jade opened his mouth and shouted: "I did this for the good of our Rakshasa clan, and the extra money will be distributed to our clansmen in Xuanshi City, I have no favoritism."

"Also, even if this kid is a VIP, he can't compare with the interests of our clan…"

Chapter 2567

Hearing this, Mona was furious: "Shut up, do you know that our Rakshasa clan can have a stable life now, thanks to the help of this VIP." After

speaking, Mona waved down Jade Hand: "Drag Jade down to me, and I will be fined 100 slabs."

"Yes!" After hearing the order, the surrounding Rakshasa soldiers did not dare to disobey, and dragged Jade outside directly.

Bang bang bang…

Soon, the crackling sound of the big board kept coming, accompanied by Jade's screams.

At this moment, everyone present was terrified.

In a blink of an eye, Jed was beaten to the bone, and blood flowed, very miserable!

No one dared to step forward to stop it. Mona is the Queen of Rakshasa. At this time, she is burning with anger. Who dares to touch the bad head?

In the end, the movement attracted other generals of the Rakshasa clan. Seeing Jed's miserable appearance, they couldn't bear it any longer. They walked over and stuttered.

"Female… Your Majesty the Queen!"

"Your Majesty is gracious, Jade these years…"

"Shut up!" Mona shouted with a strong aura.

Immediately, feeling the anger of Mona, several Rakshasa generals felt a chill in their hearts and quickly stepped aside.

Finally, seeing that Jed was about to be beaten to death, Mona waved her hand to stop.

call!

In the next second, Mona took a deep breath, squeezed out a charming smile, and walked quickly to Yue Feng: “This Jade, this offends you so much, what do you want to do with it?”

Shuh!

At this moment, everyone’s eyes converged on Yue Feng, and they were all shocked.

I thought that this kid would provoke the city lord of Xuanshi City, and the end would be extremely miserable, but I never thought that the situation had changed so quickly, this seemingly inconspicuous Kyushu native actually controlled Jed’s life and death…

What is this ? What is a no-one? But the real master!

At this moment, no one dared to speak, and the entire trading floor was silent, almost audible for needles falling.

Ha ha!

Yue Feng showed a smile and said lightly at Mona: “Speaking of which, I can understand your Rakshasa clan, who have been exiled for thousands of years, and now they finally return to Kyushu, they want to get back what they have lost. However, trade should be about fairness and integrity.”

“Since you have taught him a lesson, I have nothing to say, but I don’t want this kind of thing to happen in the future.”

“This… I understand!” Mona nodded humbly, like a child who did something wrong.

The next second, Mona turned her head and looked at Jed coldly: “Jed, from now on, immediately promulgate a new system, and trade with Kyushu in the future must be fair and just, otherwise, you Xuanshi City Lord should not I did.”

“Yes, Your Majesty!” Jed nodded quickly.

Immediately, Jed said to his subordinates: “Quick, hurry up and go through the transaction procedures for Miss Yu.”

At this time, Jade was almost on the verge of crying. The stone hit him in the foot.

Soon, Assistant Jade walked over quickly and respectfully helped Yu Qianqian go through the formalities.

This…

At this moment, Yu Qianqian couldn't hide the shock in his heart, and his eyes changed when he looked at Yue Feng.

Who is this uncle? Even the queen of the Rakshasa family gave him face like this.

"You…"

At this moment, Mona came slowly, bit her lip lightly, and said to Yue Feng: "Are you free now? If you don't mind, stay in Xuanshi City tonight, I will A banquet will be specially held for you."

Banquet?

Yue Feng was stunned for a moment, then shook his head and smiled: "No need, I will come to visit when I have time in the future." I

don't know how the situation of the Ouyang family and Xiaoxi is going. How can I be in the mood to attend the banquet? , Zhang Jiao has many eyes and ears, so it is better to be cautious.

Chapter 2568

Hearing this, Mona was very disappointed and squeezed out a smile: "Okay then."

After saying that, Mona left with her subordinates.

call!

As soon as the forefoot left, everyone in the trading hall secretly breathed a sigh of relief and finally left. I have to say that this queen's aura is too strong.

At this time, Yu Qianqian also completed the transaction. As the queen explained, not only did he not get any money, but he also exchanged many perfect leather armors made by the Rakshasa tribe.

It can be said that the Yu family can make a lot of money from this transaction.

"Uncle!"

At this time, Yu Qianqian walked over with a smiling face, and said excitedly at Yue Feng: “You are too powerful, even the Rakshasa Queen knows it. Seriously, what is your identity?”

When saying this , Yu Qianqian looked curious.

Yue Feng said with a smile: “I don’t have any identity, I just know the Queen.”

“Forget it.” Yu Qianqian pouted and hummed, indescribably charming.

Yu Qianqian is not a fool, he knows that Yue Feng is lying to himself, but he doesn’t say it, and it’s not easy to ask.

Half an hour later, Yu Qianqian and Yue Feng returned to Yu’s villa.

“Master!”

Just after returning to the room, a servant of the Yu family walked in and said respectfully to Yue Feng: “There was a lady who wanted to see you just now and is waiting in the side hall.” Because Yue Feng is Zhu Bajie’s sworn brother , and Zhu Bajie is the master of the eldest young lady, so everyone in the Yu family is honored as “Master”.

When he said this, the eyes of this person flashed a strange light, as if envious, but at the same time with doubts.

You know, that lady is really too beautiful, she is like a fairy.

Someone wants to see me?

Yue Feng frowned, feeling a bad premonition in his heart, Nima, Zhang Jiao sent someone to find this place, right?

Thinking to himself, Yue Feng signaled his servant to lead the way and went directly to the side hall.

hiss!

As soon as he arrived at the side hall, Yue Feng was stunned when he saw the scene in front of him, and he took a breath of cold air at the same time.

I saw a slender figure sitting on a chair in the side hall, with charming and delicate facial features, and a graceful and charming figure. Whether it is appearance or figure, it is the best of the best. It’s like a fairy descending to earth.

It is Diaochan.

Yue Feng was dumbfounded for a while, but he didn't recover for a while.

I have to say, this Diaochan is really beautiful. It's been a long time since I haven't seen it. It's still beautiful.

"Yue Feng!"

Diao Chan quickly stood up when she saw Yue Feng, with a bit of excitement on her delicate face: ""You really are here. "

Yes, after Diaochan took Xiaoxi away a day ago, she used a special secret technique to integrate Xiaoxi's soul and the power of Dragon Ball into the dragon egg.

At the same time, Diaochan went around to inquire about Yue Feng's whereabouts. Half a day ago , Diaochan passed by Xuanshi City inadvertently, and heard that Queen Rakshasa went to the trading city in person, and was very respectful to a Kyushu man.

At that time, Diaochan guessed that this Kyushu man might be Yue Feng, so he continued to inquire about the news, and finally learned that this The man from Kyushu was the VIP of Yu's family. Diaochan didn't think much about it at that time and came to visit Yu's house directly.

Although Diaochan was prepared, she was very happy to see Yue Feng.

"Mother…Mother!"

Yue Feng reacted, unable to hide his excitement: "Why are you here?"

Thinking about it carefully, he and Diaochan hadn't seen each other for many years.

Diao Chan smiled lightly, without any nonsense, and said straight to the point: "I came to you on purpose, you must protect this thing." After speaking, she took out something from the spirit beast sack on her body.

call!

Seeing that thing, Yue Feng was stunned.

Chapter 2569

saw that this was an egg with a diameter of half a meter, covered with beautiful patterns, and there was a strange light flowing on the case, which was not ordinary at first glance.

After being stunned for more than ten seconds, Yue Feng reacted and couldn't help saying: "This…this is…"

Before he could finish speaking, Diaochan smiled and said, “This is a dragon egg, left by Emperor Xuanyuan back then. The treasure of , Emperor Xuanyuan left two things, one is a dragon ball and the other is a dragon egg, which are placed in two treasure boxes.”

What?

Is this dragon egg something guarded by the Sea Flood Dragon?

Knowing this, Yue Feng was shocked.

“How did you get it?” Yue Feng looked at Diao Chan in surprise, very puzzled.

At this time, Yue Feng was completely ignorant of the situation.

“Actually…” Diaochan bit her lip and was about to speak, thinking of Xiao Xi’s soul being merged into a dragon egg, she couldn’t tell how she felt.

However, before he could finish speaking, he was interrupted by an abrupt voice.

“Brother, brother…”

A loud shout came, and then a handsome figure walked in quickly, his face full of eagerness: “Brother, there is news.”

It was Zhu Bajie.

Um?

Just as she was screaming, she suddenly saw Diao Chan, and Zhu Bajie’s attention was suddenly attracted.

“Beauty Diaochan, long time no see.” After more than ten seconds, Zhu Bajie reacted and looked at Diaochan with a smile: “I didn’t expect that beauty Diaochan would still be so sexy and charming after a few years.”

“You Don’t forget me, back then, but I resurrected you.”

“If you want to thank me, just be a friend with me, hehe…” As

he said, Zhu Bajie’s eyes kept looking at Diaochan.

Zhu Bajie has a romantic nature. When he sees Diaochan, he feels as if he is drunk.

Seeing this scene, Yue Feng smiled bitterly.

This Zhu Bajie's lecherous personality really hasn't changed at all.

Zhu Bajie's gaze made Diaochan feel uncomfortable.

"You…"

Diaochan's face was extremely red, she resisted her anger and said coldly to Zhu Bajie: "I'm not interested in making friends with you."

"Don't, I'm very sincere." Zhu Bajie Bajie said with a smile, then walked over and admired it from a close distance: "Beauty, so beautiful, Diaochan beauty, your beauty is indistinguishable from Empress Chang'e, each has its own merits."

Diaochan couldn't take it anymore, rushed Zhu Yue Feng said: "Yue Feng, I can't tell you the specifics for the time being. In short, you have to protect the dragon egg well and take care of her…" Diaochan pointed her

toes, her figure was astonishing, and she rushed forward in a blink of an eye. Out of the side hall, flew towards the distant sky.

To be honest, Diaochan planned to tell Yue Feng the details of what happened, and let him know that the soul in the dragon egg was his confidante Xiaoxi, but Zhu Bajie kept making trouble beside him, and Diaochan couldn't bear it.

"Hey? Beauty Diaochan, don't go."

Seeing this scene, Zhu Bajie shouted eagerly, and then chased after him.

This…

Seeing this situation, Yue Feng was dumbfounded.

The next second, Yue Feng tilted his head to observe the dragon egg carefully, feeling indescribable in his heart.

Three years ago, in order to obtain the treasure left by Emperor Xuanyuan, I went through twists and turns. However, the Dragon Ball was still lost in Death Valley, and there was no clue at all. Later, I left Death Valley and finally found Dragon Ball, but Dragon Ball was arrested again. corner snatched.

But he never expected that in the end, this treasure still fell into his hands, and what was shocking was that it turned out to be a dragon egg? !

What surprised Yue Feng even more was that, for some reason, he always felt that this dragon egg had a very special intimacy.

It’s like… we’ve been together for a long time.

Chapter 2570 That

‘s right, you must quickly recognize the master.

Thinking to himself, Yue Feng reacted and quickly cut his finger and dripped blood on the dragon egg.

However, at this time, Yue Feng didn’t know that the soul inside the dragon egg was Xiao Xi, and even if there was no blood to recognize the master, Xiao Xi would guard him for the rest of his life.

“Om!”

In an instant, a dazzling light burst out from the dragon egg, illuminating the entire side hall!

Recognize the Lord successfully!

Yue Feng showed a smile, but deep down in his heart, there was not much excitement and excitement. He remembered the scene where he recognized Qiong Qi as the master ten years ago in the underground secret room of the Ming Cult.

I thought that Qiong Qi would be able to accompany him for the rest of his life, but he did not expect that when it was about to break through its peak strength, it was brutally killed by Lu Lingshan. Not the spirit beast, but his own family.

Therefore, facing the dragon egg at this time, although he was kind, Yue Feng couldn’t help but miss the previous Qiongqi in his mind.

“Kacha!”

Just when Yue Feng was sighing, suddenly, he heard a crisp sound of breaking the shell. Then, he saw some cracks in the dragon egg in his arms, and then a hole broke open. A spiritual little head drilled out.

The light green skin is only in a state of rebirth at this time, so scales have not grown yet, and the blue eyes are indescribably cute.

What a charming little dragon.

Yue Feng was both surprised and delighted, and hugged Xiaolong in his arms, for fear of falling down accidentally.

Xiaolong stared closely at Yue Feng, looking very intimate, opened his mouth and babbled: “Hey…”

While screaming, he pressed his little head tightly against Yue Feng.

Yes, Xiaolong’s soul is Xiaoxi’s. Diaochan used a secret technique to integrate her soul into the dragon’s egg. Xiaoxi’s soul was still there, and she was naturally overjoyed to see Yue Feng at this time.

However, the dragon is the most powerful mythical beast in the world, with a long life and terrifying strength, and the process of growth is extremely slow, so once the shell is broken, he can’t speak.

Hahaha..

Although I don’t know Xiaolong’s soul, it’s Xiaoxi, but seeing it so cute, Yue Feng just felt that his heart was about to melt, so he touched Xiaolong’s head: “What a well-behaved little guy… Obedient, you know?”

Xiaolong nodded obediently.

“Brother!”

He was fighting Xiaolong when he heard Zhu Bajie’s voice from outside.

Just now Zhu Bajie went to chase Diaochan, but Diaochan resisted and didn’t give him a chance to get close, so in the end, Zhu Bajie returned without success.

“Brother, why is Diaochan here? I’m going…” As soon as he entered the side hall, Zhu Bajie couldn’t help shouting, but as soon as he said a few words, seeing Xiaolong in Yue Feng’s arms, he suddenly became stupid.

In the next second, Zhu Bajie’s eyes widened: “Dragon, this… This is a dragon? My God, there have been no dragons in Kyushu for thousands of years. Where did this come from?

” At these times, Zhu Bajie couldn’t help but approach. He clearly felt that although this little dragon was young, there was a strong blood aura all over his body.

This breath is not comparable to ordinary spirit beasts at all, but the breath of a king.

Yue Feng smiled slightly and said to Zhu Bajie: “This is specially sent by Diaochan, and I want to protect it.”

What? Diao Chan sent it?

In an instant, Zhu Bajie’s body shook, and he was stunned.

Dragon is the most powerful mythical beast in legends. That Diaochan recognized the master without dropping blood, but gave it to Yue Feng?

Aware of Zhu Bajie’s shock, Yue Feng laughed and then asked, “By the way, Big Brother Zhu, you said there was news, how about it? Are the Ouyang family and Xiao Xi all right?”

The ultimate husband in Chinese chapter 2571-2580

Chapter 2571

Hearing Yue Feng mentioning himself, Xiaolong was very excited and twisted his body in Yue Feng's arms. I want to say that I am Xiao Xi, but it is too small to speak at all.

Xiaolong's strange behavior, but Yue Feng didn't realize it at all.

call!

Zhu Bajie took a deep breath, his expression became complicated, he hesitated, and said in a low voice, "That…brother, be prepared, what I have inquired about is not good news.

" Jiao was caught and imprisoned. Besides, your sworn brothers Wen Chou Chou and Xiao Xi have both had an accident."

Om!

Hearing this, Yue Feng sighed in his heart: "What happened to Brother Wen and Xiao Xi?"

Brother Wen and Xiao Xi, one is his own brother and the other is his confidante. If something happens to the two of them, Yue Feng will I'm afraid I won't be able to bear it!

Zhu Bajie scratched his head, with a sad face, looked at Yue Feng and said, "Wen Chou Chou has taken refuge with Zhang Jiao… Xiao Xi… Xiao Xi is dead!" After a long time, Zhu Bajie caught a Wutian The head of the organization learned from him that Zhang Jiao sent someone to find Xiao Xi's body.

As for the news that Wen Chou Chou took refuge in Zhang Jiao, it is no longer a secret.

What?

Hearing this, Yue Feng was shocked and staggered back a step, only to feel powerless, his eyes instantly turned red, and the tears could not stop flowing.

Xiao Xi… dead?

Impossible… No, she is so kind, at her age, how can she die? This is not true.

"Zhang Jiao, I, Yue Feng, swear that I won't be human if I don't smash your corpse into tens of thousands of pieces." Yue Feng clenched his fists tightly, his heart was filled with anger, and he roared up to the sky.

This chapter is provided by . Visit for daily update.

Feeling Yue Feng's sadness, Xiaolong was moved beyond words, and his body was tightly in Yue Feng's arms.

"Huh!" Finally, after more than ten seconds, Yue Feng stabilized his emotions and looked at Zhu Bajie

closely: "You said that Brother Wen has taken refuge with Zhang Jiao, are you sure the news is true?"

Mutiny, do things for Zhang Jiao?

"This is what a hall master of the Wutian Organization said." Zhu Bajie smiled bitterly and said seriously: "Also, I also saw Wen Chouchou at the hall of the Wutian Organization with my own eyes. Those disciples of the Wutian Organization at that time, I'm very respectful to him, it doesn't look like a fake."

This….

Hearing this, Yue Feng sat paralyzed on the chair, his mind was in a mess, and he couldn't speak.

…..

On the other side, there is the general altar of the Wutian organization.

In the main hall, Zhang Jiao sat there with no expression on his face, no mood swings, just a bit of gloom in his eyes. For several days, there was no news of Yue Feng, which made Zhang Jiao very annoyed.

On both sides behind him, a young man and woman stood there quietly, very respectfully.

The men and women were in their twenties. The man was handsome and stylish, the woman was sexy and charming. The man's name was Shen Fei, and the woman's name was Su Li. They were Zhang Jiao's new disciples in the past two years.

Shen Fei and Su Li are smart and eager to learn, with strong ability to do things, and are deeply loved by Zhang Jiao.

On the two sides below, Wen Chou Chou and other senior officials of the Wutian organization stood there silently, knowing that Zhang Jiao was in a bad mood at this time, and they did not dare to step forward to touch the bad.

Made!

At this time, Wen Chou Chou, his expression was indifferent, but his heart was very anxious.

I thought that by pretending to join Zhang Jiao, I would be able to get their plan to deal with Yue Feng as soon as possible, but in the end, two days later, there has been no news of Yue Feng, as if he has disappeared.

Wen Chou Chou and Yue Feng are brothers, can't you be in a hurry?

Chapter 2572

The white horse standing at the door has a look of indifference, and even a sneer at the corner of his mouth.

Yue Feng, Wen Chou Chou, and Sun Dasheng have been famous for so long, and their era should come to an end.

In Bai Ma's heart, he naturally didn't want Wen Chou Chou to get Yue Feng's whereabouts. On the contrary, it would be best if something happened to Yue Feng.

At that time, he will no longer have to worry about Wen Chou Chou and can work for Zhang Jiao.

"My lord!"

Just when everyone was silent, a disciple walked in quickly and told Zhang Jiao, "Lu Lingshan, the head of the Holy Fire Palace, ask to see you outside the palace."

Holy Fire Palace?

Hearing this, everyone was stunned.

Especially Wen Chou Chou, his heart jumped, Mad, after the fall of Ming Sect, didn't Lu Lingshan live in seclusion? When was the Holy Fire Palace created again?

At this time, Zhang Jiao reacted and waved his hand: "Please come in." Speaking of which, Lu Lingshan was the goddess of the rivers and lakes of the Tianqi Continent. Zhang Jiao has always heard her name for a long time, and has never seen a real person. At this time, she learned that she took the initiative. Come to visit, just to see.

When the voice fell, the disciple walked out quickly.

A few seconds later, the disciple led a slender figure and slowly walked into the hall, dressed in a fiery red dress with a sultry curve, like a flame.

It was Lu Lingshan.

Swish!

At this moment, everyone's eyes were focused on Lu Lingshan, and many of the male disciples were staring straight.

Beautiful, so beautiful.

Only Wen Chou Chou secretly frowned, staring at Lu Lingshan, with vigilance and complexity in his eyes.

I haven't seen each other for a few years, but this woman seems to have grown a lot stronger.

"Master Lu."

At this time, Zhang Jiao reacted and looked at Lu Lingshan with a smile: "I don't know what to do with the sudden visit?" After speaking, Zhang Jiao's eyes couldn't help looking up and down.

As expected of the goddess of the rivers and lakes in the Apocalypse Continent, this woman is really beautiful.

Lu Lingshan didn't care about Zhang Jiao's gaze, her beautiful face was very calm, and she said straight to the point: "Your Excellency is the head of the Wutian Organization, right? I heard recently that you want to deal with Yue Feng?"

When talking about Yue Feng, Lu Lingshan's heart was full of shame and anger, and she almost gritted her teeth.

This bastard, Yue Feng, was imprisoned in the secret passage of purgatory by himself at the time, and he was still alive. Moreover, after escaping, he humiliated himself and killed him 10,000 times.

Three days ago, Lu Lingshan escaped with the help of the room's organs, and later learned that Yue Feng went to Death Valley to investigate the phenomenon of heaven and earth. At that time, Lu Lingshan did not hesitate and sent a competent man to follow.

Soon, the people from the Holy Fire Palace discovered that Yue Feng had appeared in Xuanshi City and was with the eldest lady of the Yu family.

At that time, Lu Lingshan really wanted to lead the elite of the Holy Fire Palace to attack Yue Feng directly, but when she learned that Zhu Bajie was there, she immediately dismissed her attention. You must know that Zhu Bajie and Zhu Rong, like Gonggong, have been famous for thousands of years. The peerless powerhouse, with him there, even if the entire Sacred Fire Palace is dispatched, it may not be able to win.

Finally learned that the Wutian Organization is also dealing with Yue Feng, and the leader is still the famous Zhang Jiao, Lu Lingshan did not hesitate at that time, and went directly to visit in person.

“Oh?”

Hearing this, Zhang Jiao looked at Lu Lingshan with a half-smile, “Why does Sect Leader Lu ask that?”

Zhang Jiao is a smart person, and he won’t admit anything until he understands Lu Lingshan’s purpose.

call!

Lu Lingshan took a deep breath, her beautiful face was full of resentment: “Yue Feng and I have an inseparable feud. This time, I’m here to cooperate with your Wutian organization.”

Zhang Jiao smiled and nodded. Said: “So that’s the case, that’s great. The head of Lu came in person, it seems that there is a clue from Yue Feng?”

Chapter 2573

“Not bad!”

Lu Lingshan nodded and said without hesitation: “I have already found out the whereabouts of Yue Feng, as long as we can…” Halfway through, seeing Wen Chou Chou standing there, she suddenly became petite. trembling.

“Why… why is he here?” Seeing Wen Chou Chou, Lu Lingshan’s eyes flashed with resentment. Back then, it was Wen Chou Chou and Yue Feng who destroyed the Ming Sect.

The enemy is particularly jealous when they meet. In an instant, Lu Lingshan’s inner strength was spinning, and she was about to take action at any time.

Wen Chou Chou was also staring at Lu Lingshan closely, always on guard.

“Haha…”

Seeing this scene, Zhang Jiao stood up and smiled to smooth things over: “Sect Master Lu, don’t be nervous, Palace Master Wen has already made a clear relationship with Yue Feng, and is now serving under me, his own… “

What?

Hearing this, Lu Lingshan was stunned for a moment, and looked at Wen Chou Chou in surprise. He… He actually betrayed Yue Feng and joined Zhang Jiao?

But seeing that Zhang Jiao didn't seem to be joking, Lu Lingshan gradually let go of her hostility.

"Master Lu, tell me about Yue Feng's clues." Zhang Jiao asked impatiently.

Lu Lingshan bit her lip and said slowly, "He cultivated in the Yu family villa in Xuanye Continent…" In the next few minutes, Lu Lingshan shared all the clues she knew.

Whoa!

Hearing this, the entire hall was in an uproar, especially Zhang Jiao, whose eyes flashed with excitement.

Haha… It turns out that this kid Yue Feng is hiding in a cultivating family.

"Don't be too happy for now."

Just when everyone was very excited, Lu Lingshan spoke again: "Not only Yue Feng is alone there, but also Zhu Bajie, my disciple of the Holy Fire Palace, I have already found out that Zhu Bajie is Miss Yu's master."

Saying that, Lu Lingshan frowned, revealing a bit of dread: "Zhu Bajie is powerful and should not be underestimated."

Zhu Bajie?

Hearing these three words, Zhang Jiao frowned and his expression became solemn.

That's right, Zhang Jiao claims to be witty and powerful, but he is also jealous. For example, Guiguzi, Yang Jian, etc., some powerful people who have been famous for thousands of years, Zhu Bajie is also one of them.

Everyone around them also changed their expressions.

"If you want to deal with Yue Feng, you have to pass the level of Zhu Bajie." Lu Lingshan said with a serious face, and said again: "So, we have to find a way to deal with Zhu Bajie first. The wind is nothing to worry about."

Hmm!

Zhang Jiao nodded silently in approval: "Master Lu is right." After speaking

, Zhang Jiao looked around and said, "What can you do?"

However, everyone looked at each other, and no one came out to speak. Zhu Bajie was an extremely strong person. If you want to find a way to deal with him, I'm afraid it will be more difficult than catching Yue Feng.

broken.

Seeing this scene, Wen Chou Chou remained calm, but felt anxious in his heart.

Lu Lingshan took the initiative to join forces with Zhang Jiao, and also brought news of Fengzi, what should I do?

"Master, I have a solution."

At this moment, a charming figure came out with a confident smile on his face, it was Su Li.

"What way?" Zhang Jiao was overjoyed and asked quickly.

Su Li smiled slightly, looked around, and said, "As we all know, this Zhu Bajie is a womanizer. It is evident that he robbed Duan Yu's wife back then, and he is most fascinated by Empress Chang'e."

Chapter 2574 After speaking

, Su Li showed a confident smile and continued: "Miss Chang'e, aren't you following Patriarch Chunyang and cultivating in the Holy Sect? My solution is, let's pretend to be disciples of the Holy Sect and go to see Zhu Bajie, Said that Empress Chang'e wanted to see him."

"With Zhu Bajie's personality, she will definitely rush to the Holy Sect as soon as possible. At that time, we only need to ambush on the road he must pass, and we can easily capture it."

"Meeting Empress Chang'e is here . Zhu Bajie will definitely not tell Yue Feng, let alone other people, so we don't need to worry, he has help."

After saying this, Su Li smiled and looked at Zhang Jiao.

Haha…

Zhang Jiao is very happy, his eyes are full of praise: "This method is good, good, good."

As expected of his own disciple, Su Li Bingxue is so smart that she can come up with such a wonderful idea, she really doesn't have it. The wrong person.

Afterwards, Zhang Jiao sent two elite disciples to the Yu family to lead Zhu Bajie out.

After a few minutes, the ceremony was over and everyone left the hall one after another.

“Palace Master!”

At this time, Bai Ma walked over quickly and said to Wen Chou Chou with a pretense, “What should I do? If Zhu Bajie is arrested, Sect Master Yue will be in danger.”

When he said this, Bai Ma was still pretending. He looked around and looked very cautious.

Ugh!

Wen Chou Chou let out a long sigh, and was extremely anxious in his heart: “Of course I know this, so we have to do something, we can’t wait like this.”

At this time, Wen Chou Chou wanted to rush to the Yu family immediately, but thought, After he left without saying goodbye, Zhang Jiao realized that he had lied to him, and by then, the great saints in the cell would be in danger.

At this time, Wen Chou Chou didn’t know yet, Zhang Jiao knew from Bai Ma about the false surrender.

“Does the hall master have a plan?” White Horse came up and asked carefully.

Wen Chou Chou thought for a while, and said seriously: “Well, wait until you go to see Zhang Jiao and say that you are willing to go to the Holy Sect and lie to Chang’e to go out of the mountain, and when you see Empress Chang’e, tell her the situation and ask her to give it to her. Some panacea to restore power.”

Wen Chouchou could see that Zhang Jiao had great ambitions, and he would deal with Chang’e after Zhu Bajie was caught.

So, let the white horse take the initiative to go to the holy sect and pretend to deceive Chang’e to come out of the mountain. In fact, it is to get the elixir from Chang’e. You must know that Dasheng Sun is extremely weak and must have elixir to recover. Wen Chou Chou can’t make elixir. , And the holy sect where Chang’e is located is a holy place of Taoism, and it is very easy to get the panacea.

Speaking of which, Wen Chou Chou also wanted to secretly send someone to the Yu family to let Yue Feng refine the antidote, but Wen Chou Chou acted cautiously. If Zhang Jiao found out, all plans would be in vain. There will be danger.

call!

Hearing this, Bai Ma's eyes flickered, and he complimented hypocritically: "The hall master really has a long-term plan."

Said, the white horse showed a smile: "Don't worry, the hall master, I will definitely follow your instructions.

" It's gloomy and cold, the text is ugly, the text is ugly, you are digging your own grave, and you can't blame me.

"Go!" Wen Chou Chou said lightly.

The white horse responded and walked quickly towards the place where Zhang Jiao was resting.

Soon, at the door, White Horse stopped.

I saw that in the room, Zhang Jiao was sitting there meditating.

"Master!" White Horse shouted cautiously.

Zhang Jiao opened his eyes and said indifferently, "What's the matter?" Although White Horse expressed his allegiance, Zhang Jiao was also very unhappy with this kind of unsteady stance.

Bai Ma squeezed out a smile, walked in quickly, and said respectfully, "My lord, Wen Chou Chou can't bear it anymore. Just now, he has come up with a plan."

When he said this, Bai Ma was full of flattery.

Oh?

Zhang Jiao suddenly became interested, and hurriedly asked, "What plan?"

Chapter 2575 The

white horse did not hesitate, and explained the things that Wen Chou Chou explained one by one.

Made.

Knowing this, Zhang Jiao's eyes flashed with a hint of coldness, and he sneered: "As expected of the hall master of the Hall of Longevity, his mind is turning very fast, and he wants to play this game with me."

After speaking, Zhang Jiao thought about it, and pointed at him. Bai Ma instructed: “Since Palace Master Wen has come up with a solution, you can deceive Chang’e as he said. As for the panacea, when you come back, ask me to take it, do you understand?”

When he said this, Zhang Jiaoyi The gloomy face.

Wen Chou Chou, if you want to save those people in the Ouyang family, I’m afraid you won’t be able to save them in this life, and I will make them completely useless.

…..

the other side.

In the Yujia villa, Yue Feng stayed in the room, and has been working hard to recover. After learning that Wen Chou Chou had taken refuge with Zhang Jiao and Xiao Xi’s death, Yue Feng almost collapsed.

During this day, Yue Feng practiced desperately, just to regain his strength as soon as possible and go back to seek revenge for Zhang Jiao.

At this moment, in the side hall on the first floor, Zhu Bajie sat there with a dull face, bored, and wanted to have a good drink with Yue Feng, but Yue Feng was determined to take revenge and spent most of his time cultivating.

No one was drinking with him, which made Zhu Bajie very helpless.

Beside her, Yu Qianqian diligently served tea and poured water. Seeing that Master was in a bad mood, she didn’t dare to talk nonsense.

“Master, miss!”

At this moment, a servant walked in and said respectfully, “Someone outside asked to see him, saying that it was from the Sacred Sect.”

Sacred Sect?

Hearing this, Zhu Bajie stood up suddenly, a little inexplicably excited. Chang’e was practicing Taoism in the Holy Sect. Could it be someone she sent?

Thinking of Chang’e, Zhu Bajie couldn’t be more excited, and hurriedly shouted: “Come on, please come in.”

Then, Zhu Bajie smiled at Yu Qianqian and said, “Good disciple, you should avoid it first, I and I It’s strange that the guests talk about something.”

The matter between me and Chang'e is always a little disgraceful, so don't let the apprentice stay here, so as not to be embarrassed.

"Yes, Master." Yu Qianqian was very reluctant. You must know that the Holy Sect is a hidden sect. There are many legends in the Kyushu Continent alone. Yu Qianqian has long wanted to see the style of these hidden sects. But seeing Zhu Bajie's unquestionable face, Yu Qianqian didn't dare to go against it.

Soon, Yu Qianqian went upstairs.

As soon as the forefoot left, the servant brought two people dressed up from the sect and walked in slowly.

"The disciples of the Holy Sect have met Mr. Zhu."

When they got to the front, the two spoke in unison, showing great respect to Zhu Bajie.

Yes, these two were sent by Zhang Jiao, and they were not disciples of the Holy Sect at all.

Zhu Bajie waved his hand with a smile: "No gift, no gift, you suddenly came to me, is it Lu Dongbin's intention, or someone else sent you here?" The

two looked at each other, and then one of them politely said: "Don't hide it from Zhu. Sir, it's Empress Chang'e, let us come." The

voice fell, and another interface said: "Niang Niang said, there are some things that I want to discuss with Mr. Zhu."

Haha…

Hearing this, Zhu Bajie is too beautiful , I was almost happy.

Sure enough, Chang'e was looking for her. Speaking of which, after Hou Yi died for so many years, she must be alone in the holy sect to practice Taoism. Speaking of which, he is still very attractive.

Thinking of this, Zhu Bajie asked, "Has your mother said anything?"

"This…" One of the disciples hesitated, then replied, "My mother didn't say anything."

At this moment, Zhu Bajie was even more concerned . Excited, but also more certain, Chang'e's search for herself must be an emotional matter between men and women, and she couldn't wait.

The ultimate husband in Chinese chapter 2576-2580

Chapter 2576

Soon, Zhu Bajie held back his excitement and was ready to set off.

When Yu Qianqian was about to leave the Yu family's villa, Yu Qianqian learned that Zhu Bajie was leaving and insisted on going together. Although Yu Qianqian was a girl and the eldest miss of the Yu family, she liked the adventures of Jianghu the most. Don't miss out at all.

Zhu Bajie was so entangled that he only had to take Yu Qianqian with him.

Half an hour later, Zhu Bajie and Yu Qianqian, led by two disciples, rushed towards the Northern Ying Continent.

Back then, when Yang Jian was still there, Zhu Bajie was wanted in the Northern Ying Continent, but now that Yang Jian has been dead for three years, Zhu Bajie is naturally fearless.

call!

At this moment, out of the suburbs, Yu Qianqian was indescribably excited.

Finally, I can benefit from the rivers and lakes with Master. This feeling is really fun. I heard that the cultivation strength of Beiying Continent is the highest in Kyushu. You must have a good experience.

"Master!"

Excited, Yu Qianqian thought of something: "By the way, the uncle is still training in the villa, why don't you ask him to go with him?"

"Stupid boy, he hasn't recovered from his injuries, so he doesn't need to run around. That's it." Zhu Bajie looked at Yu Qianqian with a smile, shook his head and said, "Besides, there is nothing special, just the two of us."

With Yue Feng's personality, if he knew that he would meet Chang'e, he would definitely make fun of him.

"By the way, when the time comes to the Holy Sect, you must listen to the master's words." Zhu Bajie thought of something, and solemnly instructed: "The head of the Holy Sect, Lu Dongbin, is my friend. Absolutely, you have to be obedient and don't embarrass Master."

When he said this, Zhu Bajie looked serious, but his eyes flashed with pride.

Zhu Bajie is not only lustful, but also likes to brag in front of beautiful women. Especially in front of his beautiful apprentice, he couldn't help bragging about himself.

This chapter is provided by . Visit for daily update.

"I see, Master!" Yu Qianqian nodded with a smile.

At the same time, Yu Qianqian's face was full of admiration, and couldn't help but touting: "Master is amazing, all the Daoist masters are your friends."

"Haha, of course!" As

he was talking and laughing, he reached a mountain road and looked at In the woods on both sides in front of him, Zhu Bajie instinctively became vigilant.

I'm going, it's not right! How do you feel the murderous aura ahead?

"Zhu Bajie?"

"Quick, surround yourself!"

Just as Zhu Bajie was frowning secretly, he heard an angry shout, and then he saw hundreds of master cultivators rushing out of the woods.

All dressed in black, holding a long knife, all of them are not low in strength, obviously they have been lying in ambush here for a long time.

At the same time, the two disciples who were leading the way also ran away and rushed into the woods, disappearing in the blink of an eye.

"Master…"

Seeing this scene, Yu Qianqian's body trembled, and she panicked.

Zhu Bajie was very frightened, but at the same time kept his calm, he quickly comforted Yu Qianqian: "Good disciple, don't panic. You hide away first and watch Master take care of them."

Zhu Bajie is not stupid, he knows that he has been deceived . But there is no panic at all. Although there are many practitioners in front of them, there are not many of them whose strength exceeds the realm of Martial Emperor.

Hearing this, Yu Qianqian didn't have time to think, and quickly hid behind the tree next to her.

Whoops!

As soon as Yu Qianqian was hiding, Zhu Bajie was surrounded by many practitioners. Yes, these cultivators are all elites of the Wutian Organization, and they were ordered by Zhang Jiao to ambush Zhu Bajie here.

“A bunch of rabble, quickly get out of the way for me.” Zhu Bajie didn’t panic at all, looked around, and said lightly.

The voice was not loud, but it was full of majesty, unquestionable.

“Made!” The

leader, with a grim face, looked at Zhu Bajie coldly: “Zhu Bajie, already surrounded by us, how dare you be so arrogant??”

Chapter 2577

said, he was too lazy to talk nonsense, and shouted angrily: “Everyone, let’s go together, the lord said, you want to see people in life, and you want to see corpses in death.”

Hu La!

In an instant, thousands of cultivators rushed towards Zhu Bajie, mobilizing their inner strength.

Speaking of which, if facing Zhu Bajie alone, this group of people would definitely not have the courage. After all, Zhu Bajie has been famous for thousands of years, and his strength is unfathomable. concerns.

Um? what lord?

Hearing the other party’s anger, Zhu Bajie secretly frowned, and until now he didn’t realize who the other party was and who the protagonist they were talking about.

But seeing the other party’s direct action, Zhu Bajie was also completely irritated: “Mad, you think that I, Lao Zhu, are easy to bully, right? It’s been a long time since I moved my muscles and bones. I’ll use you to practice my hands today!”

Zhu Bajie was right ! , I haven’t done it with anyone for several years. I will practice my hand today. More importantly, the beautiful apprentice is watching from the side, so I can’t be ashamed.

hum!

When the voice fell, Zhu Bajie moved his wrist and rushed over.

“Master, be careful.” Yu Qianqian, who was hiding behind the tree, was excited and worried, and couldn’t help but let out a coquettish cry.

Bang bang bang….

Hearing the shout, Zhu Bajie gave Yu Qianqian a reassuring smile, and then rushed into the crowd of the other party, like a tiger entering a flock of sheep, only to hear a sound of vibration, and the formation of the other party was in chaos.

….

this time, the other side!

Yujia villa, in the guest room.

Yue Feng breathed a sigh of relief and stopped meditating. Compared with the previous few days, his complexion returned to normal, his spirits were bright, and his injuries were basically better.

Finally regaining his strength, he can now call out Zhu Bajie to seek revenge for Zhang Jiao.

Thinking of this, Yue Feng walked out of the room and was about to invite Zhu Bajie to leave with him, but what made him depressed was that the entire villa did not see Zhu Bajie at all.

Even Yu Qianqian, who had been taking care of herself, didn’t know where she went.

“Where did the eldest miss and his master go?” Yue Feng asked with a servant.

The servant replied respectfully: “Master Zhu and the eldest lady, went to the Northern Ying Continent.”

After speaking, the servant thought for a while, and continued: “An hour ago, two disciples of the Holy Sect came to visit, what are you talking about? If they wanted to see Master Zhu, Master Zhu followed them.”

What?

Hearing this, Yue Feng frowned secretly, Saint Sect disciple? The lady who said it should be Chang’e.

Chang’e hated Zhu Bajie to the core, how could she take the initiative to send someone to look for him? There must be fraud in this.

Thinking of this, Yue Feng was very uneasy, and quickly asked, “How long have you been gone?”

“It’s been an hour.”

Yue Feng didn’t have time to think, he quickly returned to the room, put Xiaolong in the spirit beast bag, and hurried out. The previous spirit beast sac was destroyed by Lu Lingshan. In the past few days, Yujia villa cultivated, and Zhu Bajie gave Yue Feng another one.

……

this moment, the other side.

On the mountain trail with complex environment, there were shouts and screams at this time, which broke the original tranquility, a bloody storm, and the ground seemed to be dyed red.

Zhu Bajie was under the siege of tens of thousands of the elites of the Wutian Organization, and he was not suppressed in the slightest. The enemy fell in a scream.

Bang bang bang!

In the blink of an eye, hundreds of elite disciples had fallen into a pool of blood.

Chapter 2578

Mad!

Seeing this scene, the leading elite disciple, with blood-red eyes, stared at Zhu Bajie: “Zhu Bajie, no matter how strong you are, you won’t be able to stop us from being crowded, so you can spare your life if you are obedient. “

Zhu Bajie, stop struggling!”

“That’s right, there’s no good end for you to fight stubbornly.”

“Let’s capture it!”

At this moment, the other elite disciples around also roared in anger, one by one.

This Zhu Bajie is too powerful, don’t subdue him quickly, I’m afraid there will be more casualties.

Catch up?

Hearing this, Zhu Bajie sneered, saying that he had never surrendered for so many years.

“If you want to arrest me, come up, I’m going to have a good time with Lao Zhu today!” Zhu Bajie didn’t panic at all, but was extremely excited, shouted, and rushed into the crowd again!

Bang bang bang…

Zhu Bajie shuttled through the crowd, his whole body filled with fighting intent, and he shot out one palm after another!

At this time, Zhu Bajie’s eyes were extremely blood red, and the anger of being besieged broke out completely, like a god of war coming into the world, incomparably mighty and invincible.

In the blink of an eye, several hundred more elite disciples fell in a pool of blood.

hiss!

Seeing this scene, both Yu Qianqian and the remaining elite disciples couldn’t help but gasp.

“This… This Zhu Bajie’s strength is too terrifying.”

“Although we have many people, it is really difficult to capture him alive.”

“Don’t say catching him alive, it’s not easy to kill him.”

Under the exclamations of everyone, Yu Qianqian was full of admiration, looking at Zhu Bajie, unable to speak with excitement.

Master’s strength is too strong, he is so handsome when he is a husband.

Haha..

Seeing Yu Qianqian’s adoring eyes, Zhu Bajie felt extremely happy.

Happily, it’s a joy to play!

“Zhu Bajie, don’t be complacent.”

At this moment, there was an angry shout from the sky not far away, and then, a figure flew like thunder and lightning, and the whole body was filled with a terrifying aura.

It was Zhang Jiao.

It’s him?

Seeing Zhang Jiao, Zhu Bajie’s heart trembled, and his eyes flashed with strong hostility: “Made, are you pretending to be Chang’e to deceive me?”

When he said this, Zhu Bajie’s face was gloomy, and he pressed inner anger.

Although Zhu Bajie is lustful, he is also a smart person. As soon as he sees Zhang Jiao, he immediately realizes that Zhang Jiao is behind the scenes. Chang’e didn’t look for him at all, he deliberately deceived him.

This Zhang Jiao, who hurt his brother Yue Feng so miserably, and now he is lying to himself, is really hateful.

“Zhu Bajie!” Zhang Jiao said with an expressionless face and sneered: “The so-called soldier never tires of deceit, you are extremely lecherous, I used Empress Chang’e to deceive you, which is the right medicine.” After

speaking, Zhang Jiao’s eyes became more and more Bing Leng: “Speaking of which, we have no grievances and no enmity, but who made you and Yue Feng sworn brothers? You can’t escape anyway, so why don’t you just surrender obediently and let me go.

” But not excited.

Haha…. This Zhu Bajie is really easy to deceive, but just using the name of Empress Chang’e to lead him out. As long as he was caught, Yue Feng didn’t have a strong helper, it was nothing to worry about.

At the same time, seeing the disciples around him who were killed by Zhu Bajie, Zhang Jiao’s eyes flashed with anger again.

Chapter 2579

What? Surrender again?

Zhu Bajie was stunned for a moment, then laughed and mocked: “Zhang Jiao, what are you? If you ask me to surrender, I have to surrender?” Zhang

Jiao, who was imprisoned by Lu Bu for thousands of years, did not repent and thought about it. Making waves in Kyushu.

Aware of Zhu Bajie’s disdain, Zhang Jiao’s face was extremely ugly.

He was someone who wanted to dominate Kyushu, but was so humiliated by Zhu Bajie.

The more Zhang Jiao thought about it, the more angry he became, his eyes were like electricity, and he locked on Zhu Bajie: “You are courting death!”

Om!

The voice fell, and a terrifying aura erupted from Zhang Jiao’s body. In an instant, the surrounding air seemed to be stagnant!

Unfathomable and powerful coercion, suppressing people panic!

The next second, Zhang Jiao slowly raised his right hand and hit Zhu Bajie with a palm!

This guy is very strong.

Feeling the speed of Zhang Jiao’s lightning fast, Zhu Bajie frowned secretly, and couldn’t help but muttered in his heart.

Bang!

The two palms collided, and an overwhelming force swept towards the surroundings. Yu Qianqian and many disciples of the Wutian Organization below were shaken back more than ten steps, and they all looked horrified.

call!

At the same time, Zhu Bajie’s face became solemn, Madd, the strength of this horn was so terrifying, and he had to use eight layers of internal force to block this palm!

The face of Zhang Jiao on the opposite side also changed, and he looked at Zhu Bajie closely.

As expected of a person who has been famous for thousands of years, it seems that it is not as easy as he imagined to subdue Zhu Bajie, but he has an axe, so don’t panic.

Hahaha…

Aware of Zhang Jiao’s gaze, Zhu Bajie laughed and said mockingly: “How is it? Are you still fighting?” Zhang

Jiao is a very dangerous person to others, but Zhu Bajie laughed. But not afraid of him at all.

“Brother Zhu!”

At this moment, a loud cry came from the sky in the distance, and then, a handsome figure flew quickly, it was Yue Feng.

Swish!

Seeing Yue Feng, the eyes of everyone present converged on him at once. Zhang Jiao, in particular, was stunned for a moment, and then smiled proudly: ” Yue

Feng, you finally appeared, and it was just in time. Today, I will kill you and Zhu Bajie.” Tian Huaji pointed at Zhang Jiao and howled

, “Zhang Jiao, you killed Xiao Xi. Today, I want you to pay for your debts with blood.”

At the thought of Xiao Xi’s tragic death, Yue Feng couldn’t hold back, and the whole thing became crazy.

“Brother, let’s work together today to eliminate the evil in the mainland of Kyushu.” Zhu Bajie shouted with pride.

call!

“Brother Zhu, don’t underestimate the enemy, he has an axe in his hand.” Yue Feng couldn’t help but said.

At this time, Yue Feng was already full of anger in his heart, but he was not overwhelmed by hatred. He had Zhu Bajie to help him, but Zhang Jiao had an axe in his hand, which should not be underestimated.

What?

Hearing this, Zhu Bajie’s expression changed. Didn’t Kaitian Axe disappear in the wild and strange realm with Duan Yu’s escape three years ago? How could it be in Zhang Jiao’s hands?

At this moment, Zhang Jiao showed a sneer, his eyes fixed on Zhu Bajie: “Yes, the opening axe is in my hands, this is also God’s arrangement, I Zhang Jiao is destined to become the supreme of Kyushu, let alone the two of you joining forces , even if there is another peerless powerhouse, don’t even think about defeating me, you all go to death.”

Om!

As soon as the words fell, Zhang Jiao summoned the axe to open the sky, waved it violently, and a powerful breath swept out. In an instant, over the entire mountain forest, the situation changed, as if the end was coming!

Chapter 2580

I’m going!

Seeing the Kaitian Axe and feeling Zhang Jiao's endless killing intent, Zhu Bajie's expression finally changed, and at the same time he secretly swallowed his saliva.

Madd, it's no wonder that Zhang Jiao is so confident. It turns out that he really has an axe in his hand.

Muttering, thinking of Yue Feng's help, Zhu Bajie calmed down and sneered: "Zhang Jiao, just like you, you really want to be the Supreme Being of Kyushu, but God is blind."

"You know, since ancient times, Evil has been invincible since then."

"Nonsense!"

Zhang Jiao was too lazy to talk nonsense, so he roared and clenched the open axe and flew up!

hum!

At this moment, Zhang Jiao's internal force exploded, and the sky was about to shatter! Immediately afterwards, a terrifying force erupted from the opening axe, forming a dazzling golden light and shadow, shrouding Zhu Bajie and Yue Feng.

Speaking of which, Zhang Jiao has only possessed the Heaven-Opening Axe for more than a year, but he is extremely talented, and he cultivates the Yin-evil cultivation technique, which complements the extreme yang power of the Sky-Opening Axe, so he does not need it at all. Like Duan Yu before, carefully control the power of the Sky-Opening Axe.

In an instant, Jin Mang burst out, and the entire mountain forest was shrouded in a terrifying aura. Everyone felt a chill, their eyes widened, and they couldn't help sweating for Zhu Bajie! !

Especially Yu Qianqian, her delicate body was trembling, her legs were weak, and she could hardly stand still.

At this moment, Yue Feng and Zhu Bajie looked at each other without any hesitation.

"Roar!"

However, at this time, I heard a dragon roar that shook the sky above the sky. The whole sky was covered with dark clouds, and the thunder was rolling. Then, I saw a huge silhouette vaguely emerging between the clouds.

It was a giant dragon.

hiss!

Seeing this scene, whether it was Zhang Jiao, Yue Feng, or everyone else, they were all dumbfounded.

what's the situation? Why suddenly, a giant dragon appeared? Especially Yue Feng, his brain was buzzing, almost blank.

There have been no dragons in Kyushu for thousands of years. The last one is in his own spirit beast bag, and it is still too small. Why did another one appear?

"Roar! Roar! Roar!"

Just when everyone was shocked, the giant dragon let out a roar of dragon roar again, and saw a terrifying aura that rolled down and enveloped everyone.

This breath is the special power of the dragon, the breath of the dragon!

Even an existence like Yue Feng was difficult to resist, and the world swirled in front of him, and he passed out in a coma. Not only that, Zhang Jiao and Zhu Bajie, as well as everyone present, also fell to the ground.

…..

Yue Feng didn't know how long he had been in a coma, all he knew was that when he opened his eyes, his head was dizzy.

Nima, the power of that giant dragon is too terrifying.

Muttering in his heart, Yue Feng frowned and looked around. Immediately stunned.

where is this?

A gust of sea breeze came. Looking around, Yue Feng was shocked to find that he was on a small island, but the environment was too shocking, the black sea water, and even the sky was gray, and the sun and moon could not be seen at all.

This… seems to be a wild and strange environment.

And not far away, there is a huge boulder, the boulder is more than 100 meters long, with a few simple and vigorous characters engraved on it: Shenlong Island.

Shenlong Island?

The ultimate husband in Chinese chapter 2581-2590

Chapter 2581

Yue Feng's heart was shocked, and his mind was suddenly a little dazed? Could it be… this is the habitat of the dragon? The one who brought me here was the giant dragon that suddenly appeared?

Yue Feng guessed it well. This is the deepest sea of unpretentiousness in the wild and strange domain. Shenlong Island is the only island in this sea area. Thousands of years ago, human cultivators regarded catching dragon spirit beasts as their lifelong goal, which led to a sharp decline in the members of the Shenlong clan. In the end, the Shenlong clan had to leave the Kyushu continent completely and choose a new habitat.

And the Sea of Worth is an ideal place. It is located in the depths of the wild and strange realm, the environment is harsh, and the Rakshasa clan guards here, so there is no need to worry about being discovered by practitioners in Kyushu.

For other spirit beasts, this place is harsh and not an ideal habitat, but for the Shenlong family, it is the safest.

Nima, why did you arrest yourself alone?

After being stunned for more than ten seconds, Yue Feng reacted and couldn't help muttering. At this moment, a tall and handsome man came over and said coldly: "Okay? Get up and follow me!"

His tone was cold . , with majesty, beyond doubt.

Feeling the unfathomable strength of this person, Yue Feng did not dare to go against it, and followed the man towards the huge and majestic palace on the island.

There is a group of palaces on the island, all built of black boulders, majestic and shocking.

Yue Feng saw that in the gray sky, dragons flew by from time to time, and there were many soldiers in black armor standing guard in the two passages leading to the palace. completed.

Yue Feng knew that if the divine beast's strength reached a certain level, it could transform into a human, but he did not expect that at this time on Shenlong Island, he could see so many dragons that could transform into a human.

It was so shocking.

Soon, in the largest palace, seeing the situation inside, Yue Feng suddenly became stupid!

Inside the hall, there are hundreds of people standing in neat rows! There is a throne in front of everyone. The throne is black and full of exquisite dragon relief sculptures, which are beautiful and stable.

There was a woman sitting on the throne, full of aura, and her whole body was filled with the temperament of a king in the world.

This chapter is provided by . Visit for daily update.

This woman is about thirty years old, with a delicate face, as beautiful as a fairy, and her body curves are even more exquisite. She is wearing a dark purple dress. At the same time, she is charming, and at the same time, it gives people a majesty that cannot be desecrated, and an absolute queen temperament.

Yes, this woman is the owner of Shenlong Island, the patriarch of the dragon clan, Xiandi!

Gudong.

At this moment, Yue Feng's eyes were straight, almost stupid, and he couldn't help swallowing.

Is this the dragon woman? so beautiful. This kind of temperament is not unique to human women at all.

"You don't kneel down when you see our empress? Be bold!" Just when Yue Feng was fascinated by it, a man walked up behind him, kicked him fiercely in the crook of his leg, and scolded.

Yue Feng couldn't stand still, and immediately knelt down.

Dragon Empress?

At this moment, Yue Feng couldn't help but feel uneasy. It's broken. I have a little dragon on my body. Wouldn't it be because the dragon clan knew about it and caught me?

To be honest, since the establishment of Tianmen, Yue Feng has become more and more confident in his own strength, and he has rarely been timid, but at this moment, facing the scene in front of him, his heart is actually a little nervous.

You know, this is Shenlong Island, and everyone present is a powerful dragon.

“Are you Yue Feng?”

At this moment, Xian Di looked up and down at Yue Feng, and spoke slowly, her tone was soft and pleasant, and at the same time carried a sense of majesty.

Yue Feng cleared his throat and replied, “Yes!”

Upon hearing the answer, Xian Di nodded, and then asked, “Do you know why I brought you here?”

This…

Yue Feng smiled bitterly, scratching his head and saying: ” I don’t know, please ask the Empress to remind me.”

Chapter 2582

When he said this, Yue Feng looked calm, but he was nervous.

On Shenlong Island, there are all dragon powerhouses around. Not to mention, there are so many super-transitional catastrophe existences in this hall, and it is almost impossible to escape. “I’m asking you.” Xian Di was

expressionless, looked at Yue Feng and said lightly: “Did you get a dragon egg? And, take the dragon inside as a spirit beast?”

?

Hearing this, Yue Feng’s expression froze, and his mood became more and more uneasy.

After all these years of experience, Yue Feng understood a truth, the more beautiful the affairs, the greater the dangers behind them. When he got the dragon eggs from Diao Chan, he realized that this matter is not that simple.

I never imagined that I would be targeted by the dragon race.

“Why don’t you speak?” Xian Di frowned and couldn’t help urging.

At the same time, the other masters of the surrounding dragon clan also looked at Yue Feng closely, each with their eyes flashing with hostility.

You must know that the Dragon Clan is the strongest divine beast in the world, and the bloodline is also the most noble, and in the Dragon Clan’s heart, it is also extremely proud, claiming to be a high-level existence.

For thousands of years, because humans are very keen to capture dragons as spiritual beasts, they are very despised by the dragon clan. It can be said that the dragon clan has always looked down on human beings, and believes that being a human spirit beast is the greatest shame.

Under such circumstances, he would naturally not have a good face towards Yue Feng.

This….

facing the gazes around, Yue Feng took a deep breath and scratched his head: “Reporting to the Empress, I did get the dragon egg, and I have recognized it as the owner, just…”

“Okay, admit it. Just fine.”

There was a hint of coldness in Xian Di’s eyes, and she looked at Yue Feng with a half-smile, “I know, you are very famous in the Kyushu continent, but I tell you, no matter how much you contribute in the Kyushu continent, it has nothing to do with our Dragon Clan. “

For thousands of years, our dragon clan has been guarding the small place of Shenlong Island, and we can’t fly freely between the heavens and the earth in the Kyushu mainland. It’s all your fault.”

When saying this, Xian Di’s delicate face, Full of resentment.

“Damn human beings!”

At this moment, a sexy and noble woman came over and looked at Yue Feng up and down: “Hurry up and hand over your dragon, we can make your death a little more pleasant.” The

woman’s name is Longxiang Son, is one of the ‘Four Divine Dragon Envoys’ that Xian Di sat down, the Divine Dragon Envoy, with great power, is responsible for protecting the Divine Dragon Island and comforting it, as well as exploring the news of the Kyushu mainland, etc…

Nima!

Feeling the hostility around him, Yue Feng wanted to cry but was helpless at the same time.

The dragon egg wasn’t taken by himself, but was given to him by a friend, but now it’s like he’s committed a heinous crime.

Seeing that Yue Feng didn't say anything, Long Xiang'er was very angry, and said to the two dragons guarding him, "Souhou him."

Kyushu human beings, every good thing, especially those who catch the dragon compatriots, is even more hateful.

"Yes!" The

two dragon guards responded, came over, and began to search for Yue Feng.

Soon, the dragon head bag was found.

Long Xiang'er picked up the spirit beast bag, and without any hesitation, directly released the power seal on it. As a divine dragon envoy, he is naturally no stranger to spirit beast sacs, and even a little disgusted.

hum!

The moment he opened the spirit beast sac, he saw a powerful aura bursting out from it, and then, a cute figure burst out of the air, it was the young dragon with Xiao Xi's soul.

where is this?

The moment she came out, Xiao Xi looked around and was stunned.

Because she was still in her infancy, Xiao Xi couldn't speak, but when she saw the dragon powerhouses around her, she immediately felt a kind of intimacy connected by blood.

Chapter 2583

Especially when I see Xiandi, I have an inexplicable feeling.

Whoa!

At this moment, seeing Xiao Xi, the surrounding dragon powerhouses were all excited, and at the same time, their hostility towards Yue Feng became more obvious.

Especially Xian Di, unable to hide her excitement, walked over quickly and hugged Xiao Xi directly in her arms.

"Sister!"

Xian Di hugged Xiao Xi, sat back on the throne, and said softly, "After thousands of years, we are finally reunited."

What?

Hearing this, Yue Feng's body was shocked, and the whole person was stunned.

This….this little dragon, is the sister of the Dragon Empress? What the hell is going on here?

A few seconds later, Yue Feng reacted and couldn't help but said, "Your Majesty the Empress…" But before he could finish, he was interrupted by Xian Di.

"Surprised, isn't it?" Xian Di glanced at Yue Feng, her expression returned to her previous indifference, and said lightly: "The dragon egg that gave birth to her was left by the Xuanyuan Yellow Emperor of your human race thousands of years ago, that's right. "

Yue Feng nodded.

Xian Di continued: "That's right, she is my sister."

In the next few minutes, Xian Di simply explained what happened.

It turned out that in the Xuanyuan Yellow Emperor era thousands of years ago, the contradiction between humans and the dragon race had already intensified. The human practitioners at that time aimed to capture the dragon spirit beasts as their lifelong goal. Under this concept, there were practitioners everywhere in the Kyushu continent. Although the dragon is powerful, it cannot withstand the siege of humans.

Back then, Xian Di's mother was seriously injured by a group of human cultivators, and was finally rescued by Xuanyuan Huangdi, and finally became the dragon spirit beast of Xuanyuan Huangdi.

At the request of Xiandi's mother, Xuanyuan Huangdi helped the Dragon Clan and migrated to the depths of the wild and strange realm.

Later, Xian Di's mother helped Xuanyuan Huangdi to suppress the rebellion of the Rakshasa clan.

However, Xuanyuan Huangdi broke his promise and did not return the dragon egg to the dragon clan, but handed it over to the human sea shark clan for safekeeping…

But the dragon clan never forgot about this.

call!

After listening to this, Yue Feng was stunned.

That’s what happened.

Snapped!

However, at this moment, Shanglong Xiang’er came over and slapped Yue Feng’s face without warning.

“You humans are all sinister and cunning despicable villains.” Long Xiang’er said coldly, with even more contempt in her eyes: “Back then, your Xuanyuan Yellow Emperor went back on his promises and never returned the dragon eggs. And you, forcibly acknowledging the master, Pretending to be innocent is a crime that deserves death.” The

voice fell, and the other dragon powerhouses in the entire hall were filled with righteous indignation and shouted angrily.

“Don’t talk nonsense with him.”

“Kill him…”

Everyone’s roar, you and I came, Yue Feng couldn’t help laughing.

Damn, these dragon powerhouses have too deep a grudge against humans, right? Moreover, when Xuanyuan Huangdi chose to keep the dragon eggs, it was also to prevent the Rakshasa clan from making a comeback, for the sake of the common people in Kyushu.

At this time, Xian Di’s eyes flickered, and she looked at Yue Feng coldly, her red lips lightly opened: “Yue Feng, are you speechless? The sins you humans have committed are not worth dying for.”

Saying that, Xian Di instructed Long Xiang’er, “Drag it out directly and throw it into the nether hole outside.”

When she said this, Xian Di’s delicate face had a determined look without the slightest fluctuation, and said Up, Yue Feng is very famous and powerful in the Kyushu mainland, but Xian Di is not afraid.

“Yes!” Long Xiang’er responded and ordered a few dragon guards to drag Yue Feng out to execute.

Chapter 2584 What the hell

!

Yue Feng’s face changed, and he wanted to cry without tears.

The dragon egg was given to him by Diao Chan, but he did not take the initiative to force it. Moreover, did he abuse this young dragon, so he would be dealt with?

Also, where is the Nether Cave?

At this time, Yue Feng was very helpless, and at the same time wanted to resist. However, the acupoints on his body were sealed, which was of no use at all.

How to do?

At this moment, Xiao Xi, who was in Xian Di's arms, was too anxious.

Why do these dragon people want to kill the son?

At this moment, Xiao Xi wanted to shout at Yue Feng, but the sound she made was a chirping sound, which made Xiao Xi anxious.

Soon, Yue Feng was escorted to the entrance of a hole outside the hall. This hole was on the left side of the hall, two meters in diameter, surrounded by dragon guards, and there was a protective barrier on it.

Yue Feng could clearly see that this cave was filled with air, and one glance at it made people shudder, unfathomable, and didn't know where to go.

"Do you know where this is?" Perceiving Yue Feng's face, Long Xiang'er showed a contemptuous smile: "Tell you, this leads to the ghost world!"

Ghost world?

Hearing these two words, Yue Feng's heart was shocked, and cold sweat instantly flowed down.

"All creatures in the world will enter the ghost world after death." Long Xiang'er said coldly: "The same is true for cultivators. Unless they succeed in transcending the calamity and ascending, the ghost world will be their final destination."

"Our noble dragon clan will not Stained with your dirty blood, I will send you to the ghost world."

When the words fell, Long Xiang'er waved her jade hand, and was about to open the barrier and throw Yue Feng down.

Whoosh!

However, at this moment, a young figure rushed over and blocked Yue Feng.

It is the young dragon, Xiao Xi!

“Hahaha…” Xiaoxi desperately called for something at Long Xiang’er and the surrounding dragon guards.

To Yue Feng, it was just a normal roar.

However, all the members of the dragon clan at the scene understood what Xiao Xi meant. You must know that these are powerful dragons, and the dragons communicate in the language of dragons.

“His Royal Highness!”

Long Xiang’er was stunned for a moment, and asked inexplicably, “What are you doing? Get out of the way.” Young Dragon is the Empress’s younger sister, so she naturally calls her Highness.

When the voice fell, Xian Di also walked over quickly, her delicate face full of surprise: “Sister, what are you doing? Get out of the way.”

Xiao Xi shook her head firmly, her tender voice was firm: “Sister, he is a good person, You don’t want to kill him.”

After the soul merged into the dragon egg, Xiao Xi still kept her memory, and when she saw that the dragon clan was about to kill Yue Feng, she couldn’t help it.

call!

Xian Di was in a hurry and stomped her feet: “Little sister, you are still young, you don’t understand the sinister nature of people, this person is the worst, let you be his spirit beast, this kind of person deserves death.”

Xiao Xi Yao Shaking his head: “I am willing to be his dragon spirit beast, elder sister, please don’t kill him.”

When calling her elder sister, Xiao Xi was a little unnatural, her soul is human, and it has nothing to do with the dragon family, but after all, blood is connected, this is Xiao Xi can not change.

“Long Xiang’er, pull her away.” Xian Di frowned and ordered.

Long Xianger responded and was about to walk over to pull Xiaoxi.

However, before she could get close, Xiao Xi suddenly rushed to the edge of the cave, her eyes flashing with determination: “If you kill him, then I will jump off and I won’t live.” She

finally got the help of Diaochan to integrate her soul into the young man. Long, you can continue to guard Yue Feng, and must not let Yue Feng die?

This…

Seeing this scene, Long Xiang'er's delicate body trembled, and she didn't dare to act rashly. Xian Di was too anxious, but she was helpless.

The surrounding dragon guards also looked at each other in dismay.

Chapter 2585

What's the situation?

Yue Feng was also confused. He couldn't understand the dragon language spoken by Xiao Xi and Xian Di, but he could also tell by Xiao Xi's actions that this young dragon was protecting himself.

At this moment, Yue Feng looked at Xiao Xi and was inexplicably moved.

"Forget it!"

Finally, Xian Di reacted, looked at Yue Feng quietly, and said softly, "I won't kill you, you can dissolve the master-servant relationship and leave here."

When she said this, Xian Di was very excited. Helpless, to be honest, she really wanted to kill Yue Feng.

But there is no way, the little sister desperately protects, she can only choose to compromise.

Yue Feng secretly sighed in relief, Nima is so dangerous.

The next second, Yue Feng nodded and was about to speak.

"Well…"

But at this moment, Xian Di's body trembled, her beautiful face flushed red, and a low moan came out of her mouth, revealing pain.

This is… what's the situation?

Yue Feng was stunned for a moment.

Whoa!

At this moment, Long Xiang'er and the other Dragon Clan powerhouses were so panicked that they quickly walked over and helped Xian Di to sit back on the throne.

As soon as he sat on the throne, he saw that Long Xiang'er and the other dragon powerhouses all had a painful expression on their faces, but they all forcibly held back.

"Quick, go get the fire spirit spar." Xian Di commanded, her tone still full of pain.

The voice fell, and several dragon powerhouses hurried to the apse.

After a while, a few dragon powerhouses came back with a flaming object. It was a fiery red crystal, the size of a basketball. The rays of light were radiant, and the entire hall was illuminated red.

Fire spirit spar?

Yue Feng's eyes flashed, and he looked at the spar tightly, incomparably shocked in his heart.

Yes, Yue Feng knows this thing. It is a peerless treasure that can't be found. It contains the essence of heaven and earth. This kind of fire spirit spar is usually nurtured in the magma in the deepest part of the volcano. Like the white lotus cold fire, it is the essence of the fire. .

It's just that Yue Feng has always heard of it in ancient books, but he has never seen it. He didn't expect to see it on Shenlong Island today, and it's such a big piece.

At this time, the fire spirit spar was placed in the center of the hall, and then, Xiandi and the surrounding dragon powerhouses came over one after another, urging their own dragon power to absorb the essence of the fire spirit.

After a while, whether it was Xian Di or other dragon powerhouses, the complexion returned to normal.

Seeing this scene, Yue Feng frowned secretly, thoughtfully.

"Huh?"

At this moment, Xian Di's eyes fell on Yue Feng, her beautiful face was full of displeasure: "Why are you still standing here?" The

voice fell, and the eyes around him also locked on Yue Feng. wind.

Long Xiang'er walked over quickly, her face full of arrogance: "Hurry up and revoke the master-servant relationship with His Royal Highness, and then leave here."

“To spare your life today, you are lucky, next time you are caught by us, you won’t be able to. So lucky.”

Phew!

However, Yue Feng stood there without moving, took a deep breath, and said complicatedly to Xian Di: “Dare to ask Your Majesty the Empress, just now you absorbed the power of the fire spirit spar, but are you expelling the cold in your body?”

When he first came to Shenlong Island, Yue Feng discovered that it is located in the deepest part of the wild and strange realm, dark and dark, and the Yin Qi is extremely heavy.

Moreover, in the surrounding black sea water, there is also a cold air.

It can be said that living in this environment, even a powerful dragon family will inevitably be infected by cold air.

Um?

Hearing this, Xian Di’s expression was stunned, and the expressions of the surrounding Long Xiang’er and the Dragon Clan powerhouses also changed, looking at Yue Feng in astonishment.

This… how did he see it?

Chapter 2586

“So what?”

At this time, Xian Di reacted, staring at Yue Feng, and said coldly: “If you have any tricks, I advise you to get rid of your thoughts as soon as possible.”

Yue Feng guessed well, Xian Di and these dragon powerhouses were all disturbed by the cold air.

For thousands of years, Xiandi and the Dragon Clan powerhouses have been using fire spirit spar to expel the cold in their bodies.

“Haha…”

Yue Feng smiled and said seriously: “If I guess right, you use fire spar to expel the cold. Although the effect is remarkable, it also has drawbacks.

” When the spirit spar is removed, the colder will be heavier, and in the end, there will be dependence, right?”

Hearing this, Xian Di’s eyes flickered: “What are you trying to say?”

Yue Feng smiled: “I It can help you to completely get rid of the cold air. It will make you no longer need to rely on the fire spirit spar in the future.”

What?

Hearing this, not only Xian Di, but also the surrounding dragon powerhouses, were all stunned.

Immediately, many dragon powerhouses reacted and couldn’t help but chuckle.

“Humans are really cunning things.”

“Open-mouthed and outspoken, it has always been a good thing for humans…”

“Don’t believe him…”

At this time, Long Xiang’er gave Yue Feng a cold look, and then directed at Yue Feng. Xian Di said: “Your Majesty, this person is very cunning, don’t believe his words…”

Nima!

Hearing this, Yue Feng couldn’t help laughing, and looked at Long Xiang’er speechlessly.

This Long Xiang’er is really interesting, just because of the bad deeds of human beings in the past, they think that all human beings are evil, and they are always targeting me…

Thinking to myself, Yue Feng hurriedly said to Xian Di: “Empress, I am dying now. In your hands, don’t dare to tell lies. Believe it or not.”

After speaking, Yue Feng looked around, first looked at the surrounding buildings, then looked at the layout, and finally took a deep breath: “It’s very easy to solve it. , don’t you have fire spirit spar? Set up a heaven and earth array in the center of the island, and then place the fire spirit spar in the eye of the array to disperse the cold of the entire island and keep you from being disturbed.”

“This is in In feng shui, it is called the harmony of yin and yang.”

After saying this, Yue Feng stood there with a confident smile.

Speaking of which, in his spare time over the years, Yue Feng has devoted himself to the study of “Yin-Yang Feng Shui Decisions”, and has already acquired a very deep attainments. It can be said that his understanding of Feng Shui is no less than that of Yuan Tiangang.

Feng Shui?

Hearing this, the dragon powerhouses present were all secretly frowning.

The next second, Long Xiang’er couldn’t help sneering: “Yue Feng, you dare to tease us?”

After speaking, Long Xiang’er said to Xian Di, “Your Majesty the Empress, what Feng Shui is all about human beings’ cunning excuses, He said this because he wanted us to waste the power of the fire spirit spar, and then, when we lose the fire spirit spar, we will be disturbed by the cold and our strength will drop, so he can do whatever he wants.”

“This person is insidious and cunning, the most Damn, let’s kill him.” The

voice fell, and many dragon powerhouses also nodded in agreement.

“Yes, he must be uneasy and kind.”

“Kill him…”

Xian Di frowned and did not respond, but looking at Yue Feng’s eyes, there was also a bit of coldness.

At this moment, Xiaolong Xiaoxi ran over and said to Xian Di: “Sister, he won’t lie to you, trust him.”

Xiaoxi knows Yue Feng’s accomplishments in Feng Shui the most, he said. This method works, absolutely can’t go wrong.

call!

Chapter 2587

Hearing this, Xiandi thought about it and waved her hand: “Do as he said.”

I don’t know why. Seeing that her sister was so sure, Xian Di decided to trust Yue Feng once.

“Your Majesty!” Long Xiang’er suddenly became anxious and wanted to dissuade her, but seeing Xian Di’s affirmation, she held back.

Soon, under the command of Yue Feng, the dragon powerhouse deployed a great formation of heaven and earth at the center of the island, and then put the fire spirit spar on it.

hum!

In an instant, one of the fire spirit spar was placed, and a powerful fire spirit power was seen, with the formation as the center, spreading towards the entire Shenlong Island.

A few seconds later, a transparent protective film was formed on Shenlong Island, isolating the cold air from the surrounding environment.

This…really!

In an instant, the dragon powerhouses of the entire Shenlong Island looked at Yue Feng one by one, and they were all dumbfounded and speechless.

Xian Di was also inexplicably shocked, looking at Yue Feng complicatedly.

In the next second, Xian Di said softly, “Yue Feng, I didn’t expect you to have such talent.” It was said that this person was a rare genius in the Kyushu continent, and it seemed that the rumors were true. After saying this, Xian Di took out a special jade card from her body

, and said softly: “From now on, you are the only human friend of my dragon clan, and I will call you Dragon Lord. You can freely enter and leave Shenlong Island in the future.”

As the patriarch of the dragon clan, Xian Di has extraordinary wisdom. At the beginning, her sister tried her best to protect Yue Feng, Xian Di realized that Yue Feng was very different from other humans. At this time, Yue Feng helped Shenlong Island and solved the problem. The problem that has plagued thousands of years, such people, become friends, the advantages outweigh the disadvantages.

wow.

Long Zun? !

As soon as the voice fell, all the dragon powerhouses in the entire Shenlong Island were in an uproar, thousands of pairs of eyes, instantly converged on Yue Feng’s body, one by one was extremely shocked.

Yue Feng was also stunned. Long Zun?

Is this status very honorable?

Yue Feng was holding the jade card, and his heart was full of doubts.

Seeing Yue Feng's expression, Xian Di smiled lightly: "Long Zun, is the best honorary title our Dragon Clan gives to human friends, the last Dragon Zun was Xuanyuan Huangdi, but his later actions disappointed our Dragon Clan, hope Don't make the same mistakes again."

Damn!

Hearing this, Yue Feng's heart was shocked, and he was stunned.

At this moment, Long Xiang'er came out and couldn't help but object: "Your Majesty, the role of Long Zun should have been abolished long ago. These humans are not worth believing, please think again, Your Majesty."

When he said this , Long Xiang'er glanced at Yue Feng with contempt on her face.

As soon as Long Xiang'er's voice fell, many people around also spoke up.

"Yeah, human beings can't be trusted!"

"Although this Yue Feng has helped us a lot, who knows if he has another purpose."

"Your Majesty think twice!" The

surrounding dragon powerhouses started talking.

Xian Di sat on the throne, with a trace of displeasure on her beautiful face: "You guys, are you questioning me?" The voice was not loud, but it spread throughout the entire Shenlong Island, no doubt.

I have to say, Xian Di's aura is too strong.

"Don't dare!" Long Xiang'er's frightened body trembled, her legs bent, and she knelt on the ground gratefully.

Xian Di said slowly: "I know what you are worried about, but I choose to believe in Yue Feng. If he is really a shameless villain, I will personally kill him. Do you have any objections?" The strong dragon clan closed their mouths and did not dare to say a word more.

At this time, Yue Feng was inexplicably excited.

Haha, I have become Dragon Lord, and I can freely enter and leave Shenlong Island. This is turning a misfortune into a blessing.

Xiao Xi next to Chapter 2588

is also indescribably excited.

I thought that Yue Feng was caught on Shenlong Island, and it was a lot of misfortune, but now he has become a VIP, can you not be happy for him?

“Yue Feng!”

At this time, Xian Di looked at Yue Feng and said, “You are now Dragon Lord, you and your little sister’s ‘recognize the master’ by blood, you don’t need to cancel it, I hope you can treat it kindly and protect it .”

Xian Di could see that this young dragon girl was very attached to Yue Feng, and if they were forcibly separated, the little girl would definitely not be willing.

“It’s natural.” Yue Feng showed a smile and said politely: “Don’t worry, Your Majesty, I will take care of it and grow up.” When the

voice fell, Xiao Xi ran over and snuggled next to Yue Feng, very intimate.

Xian Di nodded with satisfaction: “Very good, it’s your first time to Shenlong Island, so just stay here for a few more days.” After finally meeting the little sister, she will definitely stay for a few more days.

This…

Yue Feng was stunned for a moment, then scratched his head: “This… don’t need it.”

He was caught on Shenlong Island, and he didn’t know what happened to Zhu Bajie. Zhang Jiao had the ability to open the sky. Axe, powerful, with so many subordinates, how did Zhu Bajie cope?

Thinking about it, Yue Feng was very anxious and just wanted to return to the Kyushu continent as soon as possible.

What? He rejected the Empress?

At this moment, the surrounding Long Xiang’er and other dragon powerhouses frowned secretly, and their expressions instantly became complicated. Looking at Yue Feng’s eyes, it seemed like he was looking at a fool.

Xian Di also frowned: “If you are in a hurry, then I won’t force it. I will send someone to take you away from Shenlong Island in the morning tomorrow.”

Tomorrow?

Hearing this, Yue Feng hesitated and nodded: “Okay!”

Seriously, Yue Feng wanted to leave immediately, but he knew that if he continued to oppose it, he was afraid that it would cause Xian Di’s anger.

It’s better to stay here for one night, to recover the inner strength.

……

this moment, the other side.

The Taiyin Mountains are the main altar of the Heavenless Organization.

Behind the main altar, there is a courtyard. This is the forbidden area of the main altar. Except for Zhang Jiao’s permission, no one can easily enter.

At this time, in a secret room in the forbidden area, Zhu Bajie was bound by five flowers and locked on a pillar. His body was covered in scars and blood dripping, which was very miserable.

On the chair next to him, Zhang Jiao sat there, his face gloomy.

Beside him, the female apprentice Su Li was holding a soft whip in her hand, and her delicate face also showed a bit of suffocation.

“Zhu Bajie, I ask you!” Zhang Jiao looked at Zhu Bajie quietly, his expression did not change: “Where is Yue Feng hiding?

A day ago, Zhang Jiao was ambushing Zhu Bajie halfway, and Yue Feng suddenly appeared. , Zhang Jiao was very excited at the time, and just when he was about to catch the two together, suddenly, a giant dragon appeared. At that time,

everyone present was unprepared and was stunned by the powerful dragon power. When he woke up, Yue Feng was gone.

At that time, Zhang Jiao didn’t hesitate, he immediately grabbed Zhu Bajie and asked him about Yue Feng’s whereabouts, because Zhang Jiao realized that the dragon would not appear for no reason, but as a result, After a night of interrogation, Zhu Bajie didn’t say a word coldly, which made Zhang Jiao very annoyed.

Zhu Bajie sneered and spit out a few words: “I don’t know! “

Don’t know?

Zhang Jiao’s pretty face sank: “You and Yue Feng are tacit friends. He was recuperating at your apprentice’s house before, so don’t you know his whereabouts?” After he finished speaking, Zhang Jiao

waved at Su Li. : “Pick me.”

Su Li immediately understood, holding the soft whip tightly, and walked straight to Zhu Bajie!

When they got to the front, Su Li’s eyes were cold: “Zhu Bajie, in front of Master, how dare you talk hard? I really don’t know what to do.”

Chapter 2589

“Crack!”

The soft whip in Su Li’s hand slapped Zhu Bajie hard.

The soft whip was extremely tough and had barbs on it. In an instant, blood poured out, dyeing Zhu Bajie’s clothes completely red.

However, Zhu Bajie didn’t seem to know the pain, but looked at Su Li with a smile: “Little sister, you haven’t eaten, you have no energy at all.”

After speaking, Zhu Bajie looked Su Li up and down.

Zhu Bajie is lustful, and even in this predicament, he still does not forget to appreciate beautiful women.

Su Li’s face was flushed with anger, she couldn’t help scolding: “Look again, I’ll goug out your eyes.”

Mad!

Zhang Jiao, who was sitting on the side, also looked extremely ugly. This Zhu Bajie really doesn’t know whether to live or die.

At this moment, Zhang Jiao wanted to kill Zhu Bajie immediately, but he held back when he thought of the giant dragon that suddenly appeared a day ago. After all, the giant dragon took Yue Feng away, and Zhu Bajie and Yue Feng were brothers. He must know something, kill him, and there will be no clues.

At this time, Zhang Jiao really didn’t know, and Zhu Bajie really didn’t know anything.

call!

At this time, Zhang Jiao took a deep breath, forcibly restrained the anger in his heart, and said lightly: “Zhu Bajie, you are a well-known person for a long time, the so-called person who knows the current affairs is Junjie, you just answer my question obediently, I will not It will embarrass you.”

Haha…

As soon as the voice fell, Zhu Bajie couldn’t help laughing, his eyes were full of mockery: “Zhang Jiao, don’t come with me like this, don’t say I don’t know, even if you know I won’t tell you.”

“Okay! Very good!” Zhang Jiao’s face became dark with anger, and he pointed at Zhu Bajie and shouted: “You are tough, I see how tough you are, Su Li, keep hitting me until he is willing to say it. !” The

voice fell, and Su Li waved the soft whip again.

Snapped! Snapped! Snapped!

There was a sound of slaps, and I saw Zhu Bajie’s clothes were directly torn into pieces, and the skin was torn apart, but Zhu Bajie clenched his teeth tightly and did not shout a word. On the contrary, his eyes still flashed with a fearless smile.

Speaking of which, Zhu Bajie seemed to laugh normally, without the slightest seriousness. In fact, his character was extremely tough. He was imprisoned in the palace of the Northern Ying Continent, and he was used by his descendants in various punishments, but he survived. , of course it will not be taken into account.

Seeing that Zhu Bajie didn’t say anything, Zhang Jiao was annoyed and stood up: “Su Li, you continue to interrogate.” After speaking

, he walked out of the secret room.

“My lord!” As soon as he walked out of the forbidden area, the white horse

greeted him with a pleasing smile: “Wen Chou Chou asked me to go to Chang’e to get the elixir. It’s been a day now, how should we deal with it?”

His smile was even more treacherous in his eyes.

Zhang Jiao showed a sneer and said lightly: “Go to Wen Chou Chou now, and give him these elixir, which is said to be a panacea given by Empress Chang’e. Also, let’s see what plan Wen Chou Chou has, and how to do it, you should Understood.”

After speaking, Zhang Jiao handed a bottle of medicinal pills to White Horse. These medicinal pills were specially refined by Zhang Jiao a few hours ago. They seem to be full of spiritual energy, but they are actually highly poisonous.

“Understood!” Bai Ma took the medicine pill and nodded quickly: “This subordinate will not disappoint the lord.” The

voice fell, and Bai Ma quickly walked towards Wen Chou Chou’s room.

This moment, the other side!

In the room, Wen Chou Chou sat there, expressionless, but he was very anxious.

A day ago, Zhang Jiao ordered people to ambush Zhu Bajie. Wen Chou Chou had already heard about the situation at that time.

When Zhu Bajie was arrested, Wen Chou Chou tried to find a way to rescue him, but Zhu Ba Jie was kept in the forbidden area, where the security was heavily guarded, and Wen Chou Chou had nothing to do.

How to do?

At this time, Wen Chou Chou was very anxious.

Chapter 2590

Zhu Bajie was arrested, Yue Feng did not know where to go, and Sun Dasheng and others were still locked in the cell.

Bang Bang…

Just then, there was a knock on the door outside.

Wen Chou Chou frowned, opened the door, saw Bai Ma standing outside, and quickly asked, “Are you back?”

Before asking Bai Ma to advise Zhang Jiao to go to the Holy Sect to find Chang’e, Bai Ma said Zhang Jiao agreed, and then Bai Ma left the main forum.

Wen Chou Chou thought that Bai Ma really went to the Holy Sect, but he didn’t know that Bai Ma didn’t go at all, but helped Zhang Jiao to investigate Yue Feng’s whereabouts.

Seeing Wen Chou Chou’s impatient look, Bai Ma showed a smile: “Palace Master, this subordinate is fortunate enough to live up to his fate. He successfully met Empress Chang’e and got the medicine pill.” After

speaking, he handed out the medicine pill Zhang Jiao gave.

Wen Chou Chou was very happy, took the medicine pill and nodded again and again: “Yes, I really did not see the wrong person.”

Wen Chou Chou felt that the medicine pills in the bottle were full of spiritual energy, as long as Sun Dasheng and others took them, they would soon be gone. regain strength.

“Palace Master!”

Just when Wen Chou Chou was secretly happy, Bai Ma cautiously asked: “Even if these medicinal pills are used, Sect Master Sun and the others have recovered their strength, but after all, this is the main altar of the Wutian Organization, so rush out, It ‘s impossible.”

When he said this, Bai Ma’s face was sincere, but he sneered in his heart.

Zhang Jiao made a special explanation and asked him to check whether Wen Chou Chou had a plan, and of course Bai Ma did not forget.

call!

Wen Chou Chou took a deep breath, hesitated, and said slowly: “You don’t need to worry about this. I have secretly sent a message to Tianmen and the Tianqi Royal Family in the past two days. After counting the time, they will arrive tonight.”

Said . Then, Wen Chou Chou showed a confident smile: “By that time, the great sages have recovered their strength, and they will cooperate with Tianmen, and they will definitely damage Zhang Jiao’s Wutian organization.”

When saying this, Wen Chou Chou’s eyes flashed with determination. In order to gain Zhang Jiao’s trust, he cut off his arm and waited for this day.

To be honest, Wen Chou Chou didn’t intend to tell Bai Ma about this, but when he saw that he successfully got the elixir back, he said it.

Hehe…

Hearing this, Bai Ma sneered in his heart, but he had a hypocritical look on his face, and said very excitedly: “That’s great. The hall master really has foresight.” After

speaking, Bai Ma’s expression darkened: “Alas, It’s a pity that my strength is average, otherwise, I would be able to kill more enemies.” As he

spoke, Bai Ma quietly noticed the change in Wen Chou Chou’s expression.

Back then, when Wen Chou Chou first sat on the throne of the Hall of Eternal Life, Bai Ma strongly opposed it. Later, although he was taught by Sun Dasheng and Yue Feng, the surface softened, but he was always unconvinced in his heart.

Over the years, the white horse has stayed in the Hall of Longevity and never left. It is not that he is truly loyal to Wen Chouhou, but that he has been thinking about the most powerful technique of the Hall of Longevity, “Transferring Flowers and Joining Trees”.

Moving flowers and connecting trees is an extraordinary skill, and this secret book can only be practiced by the palace masters of all dynasties. After learning this exercise, the speed of cultivation is very fast.

Bai Ma has been thinking about this exercise for a long time, but he has never had the opportunity, and now, he wants to take advantage of the opportunity to let Wen Chou Chou teach him.

“this….!”

Wen Chou Chou pondered for a while, looked at the white horse and said: “In this case, you may be able to improve some strength by taking a few elixir.” After speaking, he was about to take out the elixir from the bottle.

Bai Ma said with a wry smile: “Palace Master, this is an elixir to restore internal strength. It’s useless for me to take it, and I may have to act tonight, the time is too short.”

After speaking, Bai Ma sighed with emotion: “Alas, I I only regret that I didn’t practice hard before, but now that things are about to happen, there is no enthusiasm and I can’t contribute to the hall master.”

Hearing this, Wen Chou Chou’s eyes flashed, and he praised: “It’s rare that you have this kind of heart, so let me Pass on your formula of moving flowers and connecting trees. After practicing this method, the speed of cultivation will be very fast. I hope that when the time comes, you will do your best to help everyone get out of danger.”

Seriously, moving flowers and connecting trees is the secret of the hall of longevity, only the hall Only the master can cultivate, and Wen Chou Chou doesn’t want to easily pass it on to the white horse, but Wen Chou Chou is not a person who follows the rules, and, now facing a difficult situation, there is really no one else who can help him.

Ha ha…

The ultimate husband in Chinese chapter 2591-2600

Chapter 2591

Hearing this, Bai Ma was shocked, his eyes lit up, and his heart was very excited.

This Wen Chou Chou finally took the initiative to teach him the exercises. On this day, I thought about it day and night, and I didn't know how long I had been looking forward to it, and it finally came true.

Bai Ma has already thought about it, as long as he is able to move flowers and join trees, he will take the seat of the Palace Master of Longevity.

Thinking to himself, Bai Ma said with sincerity and fear: "Palace Master, I'm afraid this is not suitable. It is the treasure of our Changsheng Palace. Only the Palace Master can cultivate. How can my subordinates be qualified?

" , but my heart is very much looking forward to it.

Ugh!

Wen Chou Chou sighed and smiled: "At this moment, tonight is the only chance. In case of failure, perhaps the Hall of Longevity will no longer exist. At that time, what is the use of the exercises?"

Bai Ma A happy expression on his face: "Do you really want to pass it on to me?"

"I hope you will do your best for the Palace of Longevity in the future!" Wen Chou Chou nodded earnestly.

Pfft!

The voice fell, and the white horse hurriedly knelt down and made a very moved look: "Thank you for the cultivation of the hall master, the hall master can rest assured that I will do my best to serve the hall master

in the future. Bai Ma looked serious, but his heart was full of gloom.

Allegiance to you? When I learn to move flowers and join trees, you will die.

Wen Chou Chou didn't realize that there was anything wrong with Bai Ma, and at the same time, he was anxious to go to the cell, so he raised his hand and motioned for Bai Ma to get up: "Get up, at this critical period, don't be so polite, I'll tell you the formula now. , listen carefully…"

For the next half hour, Wen Chou Chou said the formula of “Moving Flowers and Connecting Trees” seriously.

This chapter is provided by . Visit for daily update.

In Wen Chou Chou’s eyes, Bai Ma, like himself, pretended to surrender to Zhang Jiao, unaware that he would really betray him.

call!

At this moment, Bai Ma took a deep breath, got a 12-point spirit, and memorized the formula in his heart.

Finally, Wen Chou Chou said the last slogan, and urged the white horse: “You hurry up to cultivate now. After dark, listen to my instructions.”

At this time, Wen Chou Chou couldn’t wait!

“Don’t worry, the hall master, I will work hard to cultivate.” Bai Ma smiled and saluted Zhang Jiao, then walked out quickly.

Haha…

When I got outside, Bai Ma wanted to laugh up to the sky and move flowers to connect trees. I have already succeeded. After tonight, the Hall of Longevity will be my own.

In the room, watching the white horse leave, Wen Chou Chou did not hesitate, collected the medicine pill, and hurried to the cell.

When they got to the cell, Wen Chou Chou pushed away the cell guards who were guarding the door.

At this time, Wen Chou Chou was Zhang Jiao’s most valued subordinate. He had ability and strength, and several cell guards did not dare to neglect, let alone ask more questions.

Pushing aside the guards, Wen Chou Chou took a deep breath and walked in.

“Brother Wen!?”

“Brother Wen is here.”

Seeing Wen Chou Chou coming in, everyone in the cell was extremely excited.

At this time, Ren Yingying couldn’t help but ask: “Brother Wen, how is the situation outside?” The

voice fell, and everyone else was staring at Wen Chou Chou. After being detained for a few days, everyone was going crazy.

“Not optimistic!” Wen Chou Chou smiled bitterly, and then explained in detail what happened outside these two days.

Chapter 2592

What? Zhu Bajie was also arrested?

Knowing the situation, everyone looked at each other in dismay, and they were all extremely shocked. You must know that Zhu Bajie is a peerless powerhouse who has been famous for thousands of years. Even he was caught by Zhang Jiao, which is really surprising.

Finally, Sun Dasheng reacted and asked Wen Chou Chou, “What about… Feng Zi?”

Wen Chou Chou sighed, shook his head and said, “It is said that when Feng Zi and Zhu Bajie were besieged, a giant dragon appeared. , and later, Fengzi disappeared, where is now, no one knows, Zhang Jiao is also sending someone to investigate…”

“What should I do?” Ren Yingying frowned, anxious.

Sun Dasheng and others are also helpless, and the current situation is getting more and more unfavorable. Looking at everyone’s expressions, Wen

Chou Chou smiled slightly: “Don’t panic everyone, I already have a plan. A day ago, I secretly sent news to Tianmen and the Tianqi royal family, and they will be able to arrive tonight.”

He took out the medicinal pill on his body again: “Also, this medicinal pill was obtained from Empress Chang’e, you should take it quickly, remember, after recovering your inner strength, don’t rush out of the cell first, and wait until Tianmen and Apocalypse Continent. News, when the time comes, we should work together inside and outside, and we will be able to successfully escape.”

Wow!

Hearing this, everyone was excited and smiled.

“Haha…” Sun Dasheng laughed, took the bottle first, poured out a medicinal pill from it, and swallowed it.

After swallowing it, Sun Dasheng praised at Wen Chou Chou: “Brother Wen, you still have a way, I know that at a critical moment, you will definitely be able to rescue everyone.”

At this time, the medicinal pills were distributed at the end, and there were still two pills left. , but there are still three people who did not take it, among them Meihui.

Meihui was smart and kind, and said with a smile, “I don’t want to eat it, you guys can take it.” Her strength is the weakest among the crowd, and taking the pills won’t help much.

Seeing this scene, Wen Chou Chou and everyone couldn’t help but nod their heads in approval.

As expected of the young lady of the Ouyang family, this humble quality is worthy of praise.

Soon, everyone in Ren Yingying took the medicine pill, and they were all inexplicably excited, and they all spoke at the same time.

“Thank you Brother Wen.”

“Brother Wen has worked hard…”

Everyone said in succession, and then sat there cross-legged, trying to stimulate their inner strength.

Wen Chou’s ugly smile is also looking forward to it.

Soon, Ren Yingying, who was sitting there, suddenly trembled, her delicate face was pale, and the whole person looked extremely weak and painful.

“This…!” Wen Chou Chou was taken aback and quickly asked, “What’s wrong?”

Ren Yingying bit her lip tightly, looked at Wen Chou Chou and said softly, “Brother Wen, are you sure this is the medicine to restore strength? , but why do I feel that the inner strength of the dantian is rapidly disappearing…”

When she said this, Ren Yingying’s face was extremely pale, her body was soft, and she couldn’t exert any strength. What frightened her even more was that the inner strength of her dantian, It is collapsing and disappearing at a terrifying speed…

At the beginning, I was still in the realm of Martial Emperor. After a few seconds, it was weakened to Martial Saint, followed by Marquis….

At this speed, in less than a minute, He will become an ordinary person, and he will have no inner strength at all.

What kind of elixir is this, so domineering and terrifying?

What?

Wen Chou Chou suddenly panicked, and said, “This… This is what Bai Ma brought from Empress Chang’e. It can’t be poison.”

“There is definitely something wrong with this medicine pill.” Ren Yingying said weakly.

After the last word was said, Dasheng Sun and others next to him also trembled. Then, their faces turned pale, and they all slumped on the ground with painful expressions.

“Oops, my inner strength is running out too fast…”

“Me too…”

Mad.

Seeing this scene, Wen Chou Chou was both self-blame and annoyed.

Is it the white horse’s fault? This kid didn’t go to Shengzong to find Chang’e at all…

Chapter 2593

Haha….

Just when Wen Chou Chou was secretly annoyed, there was a loud laugh outside, and then, two figures walked in slowly, it was Zhang Jiao and Bai Ma.

Seeing the scene in the cell, Zhang Jiao showed a wicked smile, and said to Wen Chou Chou, “Palace Master Wen, didn’t you think?”

Wen Chou Chou didn’t respond, his eyes locked on Bai Ma, and he shouted angrily, “Bai Ma, you betrayed me. ?”

Feeling Wen Chou Chou’s anger, Bai Ma didn’t panic at all, and retorted with a sneer: “Betrayal, in my heart, I have never regarded you as the palace master, how come the betrayal? Wen Chou Chou, if you want to blame it, you are too smart. , being clever is mistaken by cleverness.”

At the same time as he spoke, there was a hint of pride in his eyes.

Whoa!

When the words fell, Sun Dasheng couldn’t help but curse.

“White horse, you despicable villain.”

“Betraying Brother Wen and mutilating your own people, it is not a pity for a person like you to die.”

“I knew this earlier, when Brother Wen first sat in the hall, he should have been killed directly. “

Faced with the scolding from everyone, Bai Ma sneered and said nothing.

Wen Chou Chou was so angry that he was about to ask questions, but was interrupted by Zhang Jiao.

Zhang Jiao’s face showed a playful look: “Wen Chou Chou, I respect you as a man, and invite you to join with integrity. I didn’t expect that you lied to me and pretended to surrender.”

“However, I already guessed it, so I secretly let the white horse watch over it. You.”

“Let me tell you, the medicinal pill Baima gave you was made by me, called San Gong Pill. After a practitioner takes it, his inner strength will soon dissipate and he will become an ordinary person.”

San Gong Pill?

Hearing this, Wen Chou Chou’s face was extremely ugly.

The poison of San Gong Pill, Wen Chou Chou, has only been recorded in ancient books. As for how to refine it, it has long been lost, but Zhang Jiao would have been able to refine it.

“Zhang Jiao…” Wen Chou Chou was furious and clenched his fists.

The next second, Wen Chou Chou’s eyes locked on the white horse, and he wanted to tear him to pieces. Passed on the formula of moving flowers and connecting trees to him.

At this time, Zhang Jiao looked at Wen Chou Chou and said lightly, “I originally thought that you were a talented person and wanted to keep you alive to serve me, but now it seems that there is no need.” The

voice fell, and a terrifying breath came from Zhang Jiao. The horns burst out.

Wen Chou Chou didn’t hesitate, and his internal force urged him to stand in front of everyone. Anyway, the plan was revealed and he could only fight.

At the same time, a slender figure also walked over quickly, standing firmly beside Wen Chou Chou, it was Mei Hui.

Meihui did not take San Gong pills, so it had no effect. However, her internal strength was blocked and she has not replied yet, and she is similar to ordinary people at this time.

“Just the two of you want to block me?” Zhang Jiao sneered, his face full of disdain.

Wen Chou Chou is not his opponent at all, and this beauty is not worth mentioning.

Wen Chou Chou was also in a hurry, and said to Mei Hui: “Mei Hui, you step back, I will block him.”

Mei Hui shook her head firmly: “No, we will die together, we will die together!”

“Stop fighting.” Zhang Jiao was cold. Said: “Tonight, none of you will survive.” The voice fell, and the figure flashed, and rushed towards Wen Chou Chou.

boom!

However, at this moment, there was a huge earthquake outside, and the gate of the main altar was directly smashed, and then, a shocking scream sounded.

Wen Chou Chou’s face was overjoyed, reinforcements came, it was great.

what’s the situation?

Zhang Jiao’s expression changed, he stopped and turned his head to look at Bai Ma: “What happened outside?”

Bai Ma pretended to be confused, and pretended to say, “I…I don’t know.” He knew, This is the reinforcement of Tianmen and Tianqi royal family, but they did not tell Zhang Jiao about this in advance.

Chapter 2594 The

white horse is very cunning. It was only an expedient measure to take refuge in Zhang Jiao before. In his heart, he always wanted to become a real strong man, never really loyal to Wen Chou Chou, let alone Zhang Jiao.

When he was taught by Wen Chou Chou to move flowers and join trees before, Bai Ma thought about it, and then let Wen Chou Chou and Zhang Jiao fight each other and reap the benefits of the fisherman by himself.

In this case, naturally, Wen Chou Chou would not be told about the reinforcements.

“Master!”

At this moment, a disciple walked in quickly, his face was pale, and he shouted at Zhang Jiao in fear: “Master, it’s not good, the Tianqi army and… and Tianmen disciples are coming. ..”

When he said this, the disciple’s legs were weak and he was almost paralyzed on the ground!

The Tianmen forces have always been very strong in the Kyushu mainland, and coupled with the Tianqi royal family, even if there are hundreds of thousands of elite disciples in the main altar, it is not easy to deal with.

What?

Zhang Jiao was taken aback, and his face was extremely ugly. Madd, he has always kept things secret about capturing the people of the Ouyang family and dealing with Yue Feng. How did the Tianqi royal family and Tianmen know about it?

Definitely ugly.

Thinking to himself, Zhang Jiao glared at Wen Chou Chou, full of murderous intent.

Wen Chou Chou frowned and looked at the white horse, Mad. This kid is despicable and shameless and lied to himself, but why didn’t he tell Zhang Jiao about the reinforcements, if he told Zhang Jiao in advance, Zhang Jiao would have enough time to deploy defense.

What is he going to do? Sitting on the mountain to watch the tiger fight?

If this is the case, this white horse is too sinister.

At this moment, a slender figure walked quickly into the cell, with a beautiful face, showing a bit of solemnity, and a domineering aura, it was Lu Lingshan.

“Mr. Zhang, Tianmen and the Tianqi royal family are calling, how should we deal with it?” Lu Lingshan asked, her delicate face did not fluctuate at all, but she was also anxious.

Three days ago, after Lu Lingshan came to express cooperation, she has been recuperating at the Wutian Organization General Altar.

call!

Zhang Jiao took a deep breath, looked around, and said coldly: “Lord Lu, Bai Ma, you stay here, deal with the matter in front of you, and remember nothing.”

“Tianmen and Tianqi royal family, I will deal with them. “The

voice fell, and Zhang Jiao walked out quickly.

“Wen Chou Chou, Sun Dasheng…”

Lu Lingshan glanced at Wen Chou Chou, then looked around at the next Da Sheng Sun, and said with a sneer, “I didn’t expect you to have this day too. Back then, you united to destroy my Ming Cult. Today, I want to return the money to you.” The

voice fell, and a strong aura permeated from Lu Lingshan’s body.

call!

Feeling Lu Lingshan’s killing intent, everyone felt a chill inexplicably, especially Sun Dasheng and others. Because of taking San Gong pills, the inner strength of their dantian was completely gone, and they became ordinary people. However, Sun Dasheng had a fiery personality, and he still refused to accept the softness and shouted: “Lu Lingshan, you Mingjiao has done many injustices, and it is God’s will to be destroyed.” Hearing this, Lu Lingshan was so angry that she shouted: “Stop talking nonsense, today I will take your lives and pay homage to the dead souls of my thousands of disciples of the Ming Cult.” The last word fell, Lu Lingshan was astonished, and she slapped her palm. Hit Sun Dasheng.”With me, Hugh hurt my brother.”

Wen Chou Chou roared angrily, rushed over quickly, took Lu Lingshan’s palm, and then the two fought fiercely in the cell.

the other side!

Zhang Jiao left the cell and reached the gate of the main altar. Seeing the scene in front of him, his face suddenly became extremely gloomy.

I saw hundreds of thousands of Tianqi Yulin Army, and tens of thousands of Tianmen elites, standing in line, surrounding the entire Wutian organization general altar like iron barrels!

The Royal Forest Army is the elite of the Tianqi royal family! At that time, Yang Jian captured the Tianqi Continent and forced the King of Guangping to surrender. Later, the Kyushu Continent fought with the Rakshasa tribe, Yang Jian fell, and King Guangping became emperor again. In the next three years, the army of the Royal Forest was expanded, making it the most famous among the Kyushu. Iron-blooded soldier.

In the sky above the Royal Forest Army, a handsome figure is suspended, wearing a golden armor and holding a giant hammer, majestic! It was Yue Wuya!

On Yue Wuya’s side are the Four Heavenly Kings of Tianmen, the four brothers of the Duan family.

Chapter 2595

At the end of the war between the Kyushu mainland and the Rakshasa clan, Yue Wuya returned to the Tianqi royal family to accompany his relatives, Rongyin, to fulfill his filial piety. In the past three years, he did not forget to cultivate. At this time, it was already a mirror of tribulation.

Made! !

Feeling Yue Wuya's strength, Zhang Jiao frowned secretly, is this kid so strong?

Thinking of this, Zhang Jiao chuckled, and his figure flew up in the air, facing Yue Wuya from afar: "Boy, what do you want to do with so many people? My Wutian Organization and your Tianqi Royal Family have no grievances…"

Before he could finish speaking, he was interrupted by Duan Feng.

"Zhang Jiao, don't be pretentious here." Duan Feng shouted: "You used despicable means to arrest the family of our Sect Master, as well as the Palace Master Wen, Sect Master Sun… Hurry up and let them go." The

voice fell, Duan The three of them also roared in anger.

"Yes, let them go.."

"Otherwise, you will destroy your Wutian organization."

Listening to their howls, Zhang Jiao evoked a sneer: "What if I don't let it go?"

Huh!

Yue Wuya's eyes were instantly blood red, and a roar sounded, murderous: "Kill me, everyone in the entire main altar, not a single one!"

For three years, although Yue Wuya has been in the Tianqi royal family, he has always maintained a relationship with the Ouyang family. Because of the connection, in his heart, the Ouyang family was his second home, but now it was almost destroyed by Zhang Jiao, and he couldn't bear it no matter what.

When issuing the attack order, Yue Wuya kept an eye on the situation inside the main altar.

Wen Chou Chou made it clear in the secret letter that once he launched an attack from the outside, Wen Chou Chou, Sun Dasheng and others would respond inside.

"Kill!" The

voice fell, and the hundreds of thousands of the Imperial Forest Army, as well as the disciples of the Tianmen, were so powerful that they pulled out their long swords, and without a word of nonsense, they rushed directly into the crowd of Wutian Organization!

“Ah!”

The disciples of the Wutian Organization did not expect that Yue Wuya would be so decisive. He said that he would do it. At that time, no one reacted. Only a few screams were heard, and there were dozens of Wutian Organization. Disciple, fell into a pool of blood.

“Good boy…” Zhang Jiao was furious: “Dare to act wild with me, I will tell you to come and go today!”

Yue Wuya’s anger rose and shouted: “Zhang Jiao, I thought you were my sister at the beginning. Master, I have given you courteously again and again, but I didn’t expect you to be ambitious and want to dominate the Kyushu. Now you have arrested my family, which is extremely abhorrent.”

With that, Yue Wuya’s eyes flashed with anger, and he pointed at Zhang Jiao and shouted: “It’s you who is really damned.” The

voice fell, Yue Wuya held the Overlord’s Hammer tightly and charged directly towards Zhang Jiao.

“Young Master, let’s help you.”

At the same time, the four brothers of the Duan family exploded their inner strength one after another, and together with Yue Wuya, fought against Zhang Jiao.

Yue Wuya is not only the prince of Tianqi, but also the son of the sect master of Tianmen.

“Okay, very good…”

The four brothers of the Duan family and Yue Wuya rushed forward together, Zhang Jiao sneered, his face full of sinister: “Since you have to die, I will fulfill you today.”

hum!

The voice fell, and a terrifying aura burst out from Zhang Jiao’s body, and for a moment, the surrounding air seemed to be stagnant.

The strong breath makes the people who are suppressed panic!

“Crack!”

With a crisp sound, a giant axe appeared in Zhang Jiao's hand. The rays of light are radiant, like a round of scorching sun.

It is the opening axe!

As soon as this knife came out, the world was immediately enveloped by a powerful killing intent.

Open the axe?

At this time, whether it was Tianmen or the Royal Forest Army, they were all stupid, not only for Yue Wuya and the four brothers of the Duan family, they broke a cold sweat.

The ultimate husband in Chinese chapter 2596-2600

Chapter 2596

Yue Wuya also changed his face.

Mad, didn't the Kaitian Axe disappear with Duan Yu? How could it appear in Zhang Jiao's hands?

But soon, Yue Wuya calmed down and shouted: "Four uncles, be careful."

Although the four brothers of the Duan family are subordinate to their father, they are loyal and admirable for Tianmen, so Yue Wuya has always been Called uncle.

Hearing this, the four brothers of the Duan family looked at each other and nodded.

"Young master, rest assured."

"Today, let's work together to kill this scourge."

In response, the four brothers and Yue Wuya quickly surrounded Zhang Jiao and started a fierce battle.

……

this moment, the other side.

Inside the cell, Lu Lingshan and Wen Chou Chou fought fiercely.

Lu Lingshan was originally a well-known goddess of rivers and lakes in the Apocalypse Continent, with extremely high talent and strong strength, and Wen Chou Chou, as the master of the Palace of Longevity, has already broken through the mirror of transcending tribulation.

It can be said that the two sides are evenly matched in strength. In the blink of an eye, half an hour has passed, and there is still no winner.

Wen Chou Chou is in a hurry.

Mad, there was already a fight outside, but he hadn't led everyone out of the cell, so he couldn't send a signal to Ya'er.

This chapter is provided by . Visit for daily update.

Behind him, Sun Dasheng and others were also in a hurry. Everyone wanted to rush to help, but their inner strength was gone, they became ordinary people, and they couldn't help at all.

"Meihui!"

Facing Lu Lingshan's attack, Wen Chou Chou became more and more anxious, and shouted: "Quick, take the Great Sage and the others and go through the back door." These days, Wen Chou Chou has carried Zhang Jiao on his back and quietly made a secret behind the cell. the back door.

Hearing this, Mei Hui's delicate face was very hesitant: "What do you do?"

"Don't mind me, I can block them." Wen Chou Chou shouted.

Seeing the situation in front of her, Mihui wanted to stay to help, but she also knew that her strength was useless at all. She bit her lip and nodded, and then opened the back door from the past.

"Brother Wen!" Sun Dasheng's eyes were blood red: "We won't leave, we will fight with them."

Just after speaking, Ren Yingying said anxiously: "Dasheng, calm down, if we don't leave, we will all die. By then, Brother Wen will die. All the hard work was in vain."

Seriously, Ren Yingying didn't want to go like this, but there was no way, no chance if she didn't go, and she firmly believed that with Wen Chou Chou's strength, as long as she and others left, he would be completely can get away.

"Want to go?"

At this moment, the white horse, who had been watching the battle, sneered, and his internal energy exploded and rushed towards Sun Dasheng and the others.

Everyone was shocked. Now they have no inner strength, how can they stop it?

“Bai Ma, you despicable villain, damn it.”

At this moment, Wen Chou Chou roared angrily, turned around and hit Bai Ma with a palm. This palm contains eight layers of Wen Chou Chou’s skills, and the air was distorted. amazing.

The white horse didn’t dare to take it hard, his expression changed, and he hurried to the side to dodge.

Taking advantage of the opportunity, Mei Hui took everyone and quickly left through the back door.

Seeing this scene, Lu Lingshan’s face flushed, extremely ugly.

“Wen Chou Chou, do you really think you can turn the situation around by yourself?” As she said coldly, Lu Lingshan rose up gracefully and came to Wen Chou Chou again.

At the same time, Lu Lingshan did not forget to shout at the white horse: “Don’t rush to chase those people first, kill Wen Chou Chou first.” To

be honest, Lu Lingshan is arrogant and would never invite others to deal with the enemy with her. But Wen Chou Chou in front of him was so strong that he couldn’t suppress it by himself, so he had to ask Bai Ma to help.

Hearing this, Bai Ma showed a smile: “Sect Master Lu is absolutely right.” After speaking

, Bai Ma looked at Wen Chou Chou coldly: “Wen Chou Chou, today’s situation, your situation is over, even if you call in reinforcements, it will change. If you can’t die here, accept your fate.” To

be honest, Bai Ma didn’t want to shoot so quickly, in his plan, after Lu Lingshan and Wen Chou Chou were both defeated, he would come out to clean up the mess, but just now Wen Chou Chou hit him. With one palm, Bai Ma realized that although Wen Chou Chou had broken his arm, his potential was still very powerful.

Chapter 2597

In case Wen Chou Chou defeats Lu Lingshan, then it will be over if he tries to remedy it. It is better to practice his skills and kill him quickly.

The voice fell, and the white horse was motivated, and together with Lu Lingshan, they besieged Wen Chou Chou.

In the face of the two people’s practice, Wen Chou Chou was able to deal with it calmly at first, but gradually he couldn’t hold it anymore.

In a blink of an eye, Wen Chou Chou had a few more injuries on his body. He didn't have time to think about it, and rushed out of the cell and towards the back mountain.

"Run?"

"This is your burial place today."

Lu Lingshan and Bai Ma were chasing after him angrily.

broken!

When he reached the back mountain and saw the abyss in front of him, Wen Chou Chou's face changed, and he was suddenly a little desperate.

Are you really going to die here today? Fortunately, Mei Hui took the Great Sage and the others and successfully escaped.

At this moment, Lu Lingshan and Bai Ma chased after him.

Haha…

Seeing the scene in front of her, Bai Ma was extremely proud: "Wen Chou Chou, can't you run away? This is your destiny, accept it."

Lu Lingshan didn't talk nonsense, she was motivated and directly shot at Wen Chou Chou.

Bai Ma did not hesitate and followed closely behind.

Made!

Wen Chou Chou was shocked and angry, and even if he died today, he would drag them to hell together.

A few minutes later, Bai Ma found the opportunity, slapped him fiercely, and hit Wen Chou Chou directly. Wen Chou Chou was busy dealing with Lu Lingshan and couldn't dodge in time.

Bang!

This palm, containing ten layers of white horse power, hit Wen Chou Chou's heart ruthlessly, and when he heard a miserable cry, the whole person flew straight up, and finally fell toward the abyss.

Seeing this scene, Lu Lingshan breathed a sigh of relief and finally took revenge.

“Palace Master Wen, don’t blame me for being ruthless.”

Bai Ma took a deep breath and stood on the edge of the cliff, watching Wen Chou Chou’s figure fall quickly, and finally disappeared, without the slightest pity and heartache in his eyes, he said in a cold voice : “How can a woman like you lead the Hall of Longevity? Only I can carry it forward.” The

voice was so soft that Lu Lingshan next to her couldn’t hear it.

Saying that, the white horse turned his head towards Lu Lingshan and said with a smile: “Master Lu, go ahead and help the lord. I will go after Sun Dasheng and others. They have no internal strength, so don’t bother you.”

“Yeah!” Lu Lingshan nodded. , tap the ground with your toes, and rush towards the battlefield outside the mountain gate.

call!

Seeing Lu Lingshan walking away, the white horse took a deep breath, turned and chased towards the back mountain path.

There is a hidden path in the mountain behind the main altar. If Sun Dasheng and the others want to escape successfully, that is the only way out.

…..

At this time, on the back mountain trail.

Mei Hui and Sun Dasheng moved forward quickly, and at the same time they paid attention to their backs, all of them were anxious.

Up to now, Wen Chou Chou has not caught up. I don’t know if there is a problem. After all, Lu Lingshan is strong and powerful, and it is not easy to defeat her.

“Who?!”

“Stop!!”

Seeing that they were about to reach the bottom of the mountain, they could escape completely. At this time, several Wutian organization disciples stationed here found Meihui and others, and rushed over one by one angrily.

The Wutian organization has strict rules. Although the main altar was attacked by the Tianmen and Tianqi royal family, there was no order from Zhang Jiao, and the few disciples guarding the back mountain did not dare to leave their posts without permission.

Chapter 2598 Terrible

!

Seeing a few Wutian organization disciples rushing in, Dasheng Sun, Ren Yingying and others all changed their expressions and panicked.

One by one has no internal strength, where are these disciples' opponents?

"Big sage brother, sisters-in-law, hurry up, I'll stop them." Meihui urged her, biting her lip tightly. Among the crowd, only oneself still retains strength.

"You…"

Sun Dasheng was anxious: "No, we can't leave you."

Meihui said with a determined face: "Don't worry, I can beat them back." Although Meihui's strength is the weakest among the people, but It's no problem to deal with a few disciples of the Heavenless Organization.

Seeing what she said, everyone in Sun Dasheng hesitated.

"Okay!"

Finally, Ren Yingying reacted and said earnestly: "Meihui, be careful, beat these people back and catch up with us." Ren Yingying felt that Meihui's internal strength had recovered a little, so how many times to deal with it? A disciple, it's really not a problem.

"Yeah!" Meihui nodded.

Seeing that several disciples were about to arrive, Ren Yingying, Sun Dasheng and the others, without delaying, quickly ran towards the woods in the distance.

"You bad people, die." Mei Hui shouted, and greeted the disciples directly.

At this time, Meihui's delicate face was full of anger, and her eyes were even more firm. In the past, it was these big brothers and sisters who protected herself, but now, it was finally her turn to protect them.

Bang Bang….

In the blink of an eye, several disciples were quickly knocked to the ground by Mei Hui's actions.

However, to Meihui's surprise, more disciples chased after her.

“Quick, catch them.” “Can’t let them run away.”

Mei Hui saw that dozens of Wutian Organization disciples were chasing them from the trail, and the leader was Baima.

When he got to the front, Bai Ma looked down at Mei Hui and smiled contemptuously: “You are over your own power, do you think you can stop us by yourself?”

Mei Hui bit her lip and retorted coldly: “You are such a bad person, there will be no good. It ‘s the end.”

As soon as he finished speaking, the white horse’s figure flashed, and he shot like lightning and directly hit Meihui’s acupuncture point.

Meihui’s body trembled, and she couldn’t move.

“Quick, Sun Dasheng and the others won’t go far, catch up.” Bai Ma ordered the surrounding disciples. And when he said this, his eyes were looking at Meihui up and down, and there was an evil glow.

“Yes.” Dozens of disciples responded and quickly chased in the direction Sun Dasheng had fled. Mei Hui was so anxious that

she glared at Bai Ma fiercely: “You betrayed Brother Wen, and now you have to kill them all. You bastard will be punished by heaven.”

“Haha.”

In your heart, Wen Chou Chou, Sun Dasheng are good people? Hehe, they killed no less than me back then.”

Saying that, Bai Ma grabbed Mei Hui and did not return to the Wutian Organization’s main altar, but went to a place a few miles away. remote valley.

When they reached a forest, Hakuba put down Meihui.

Seeing Meihui staring at herself angrily, the white horse showed a wicked smile, evoking Meihui’s down: “Miss Ouyang, don’t stare at me like that, I’ll think you’re in love with me, hehe…”

I have to say that this young lady of the Ouyang family is so beautiful,

“Hurry up and let me go…” Mei Hui couldn’t help but say, “I tell you, I won’t let you go when my eldest brother Yue Feng comes back.”

When she said this, Mihui was angry, but she was a little scared.

It’s so remote here, what is he going to do?

Chapter 2599

“Go to Nimad?” Bai Ma’s face sank, and he raised his hand and slapped it!

“Clap!”

With this slap, Bai Ma tried his best to hear Mei Hui cry out, and a bright red handprint appeared on her face.

“Don’t use Yue Feng to scare me.” Bai Ma’s face was gloomy and cold, and he grinned: “Now that Yue Feng can’t protect himself, how can he have time to save you?”

After speaking, Bai Ma’s face became more and more gloomy: “I tell you, Wen Chou Chou is already dead. Now, next is Sun Dasheng, Yue Feng, hehe, these three brothers, they think they are heroes of the Kyushu continent, and they can be famous in the history, but unfortunately, they are all too conceited… In the end, it was nothing more than that. .”

What?

Hearing this, Mei Hui’s body trembled, and she stared blankly at the white horse.

Brother Wen is dead? No…it can’t be.

“You lie, Brother Wen is a great hero, a great hero.” Mei Hui shook her head excitedly: “He won’t die, you lied to me, lied to me…”

Baima’s face was full of abuse: “Don’t believe me? He joined hands with Cult Master Lu to knock Wen Chou Chou off the cliff, his heart was shattered by me, and there was no chance of him surviving.”

“People in the world say that Wen Chou Chou is a gentleman who is gentle and elegant, but in fact, he is a rubbish who doesn’t know the current affairs.”

“The Hall of Longevity is in his hands, what has been the development of these years? The old hall master was really blind.”

“It is inevitable that he will end up like this, and Yue Feng and Sun Dasheng will also end up like Wen Chou Chou. “

Miss Ouyang, you are a smart person. As long as you follow me, I will guarantee your safety.” With the

last sentence, Bai Ma’s eyes were full of sinister and wretchedness.

“Shut up! Don’t say it anymore!” Meihui burst into tears: “I won’t believe you, Brother Wen is definitely not dead, and, you despicable villain, dare to touch me, I will make you die. .”

As she said that, Mihui finally couldn’t help it, and cried out with a wow. Tears streamed down his cheeks and kept falling.

In her heart, Wen Chou Chou, like Yue Feng, is the elder brother he respects, and he has always taken care of her. Moreover, Wen Chou is so witty, how could he die? ! It must be the white horse who said that on purpose. Thinking to herself, Meihui

was very sad and angry, her eyes were red, and she scolded at Baima: “You little man, you will definitely be struck by lightning.”

“Made!”

On, he sneered: “You bitch who doesn’t know how to lift up, don’t blame me if you don’t grasp the opportunity given to you.” The

voice fell, and Baima grabbed Meihui’s skirt and tore off a large piece of cloth. White Horse has thought about it, such a sexy beauty must be enjoyed once, and then killed, anyway, this place is so remote, no one will know.

“You… stop!! You stop quickly…”

At this moment, Mei Hui wanted to dodge, but the acupuncture point was clicked, and she couldn’t dodge at all, her heart was extremely desperate, and her whole person collapsed completely!

Bai Ma threw away the cloth strip, looked up and down at Mei Hui’s charming curve, and the blood all over his body boiled completely.

Thinking of this, the white horse is about to pounce.

Whoa!

However, at this time, there was a sound of footsteps not far away, and the footsteps were very light.

Bai Ma frowned, stopped quickly, turned his head to look over, and was stunned.

I saw a man in a white long shirt coming slowly, his pace seemed to be very light and slow, but in the blink of an eye, he was in front of him.

The man is about forty years old, his facial features are extremely ugly, just like a ghost from hell, and the breath that permeates his body is even more unfathomable.

Madd, who is this?

The white horse was startled and became alert.

Mei Hui's body trembled, her eyes darkened, and she fainted directly. She had spent a lot of internal energy in dealing with the disciples of the Wutian Organization before, and was caught by the white horse. She was almost exhausted. The ugly man couldn't take it anymore.

Chapter 2600

"You…"

Finally, Bai Ma reacted and looked at the middle-aged man: "You… Who are you?" The middle-

aged man did not respond directly, but said lightly: "As a A cultivator, bullying the weak and the weak, really loses the face of the righteous way, and quickly let this girl go." The

tone was righteous and dignified, and could not be refuted.

The middle-aged man named Fang Qifo is a reclusive cultivator. He happened to pass by here today and saw that the white horse was going to plot against Meihui, so he took the initiative to stop it.

Made.

Bai Ma's face changed, and he couldn't help but scolded: "What does Lao Tzu want to do, what does it have to do with you, don't meddle in your own business, get out!" To

be honest, sensing Fang Qifo's strength, Bai Ma felt a little nervous in his heart, but it's a good thing Being disturbed, there is still some fire.

"I don't know what is good or bad!"

Fang Qifo frowned, too lazy to talk nonsense, then his figure rose into the air and came straight to the white horse.

In a blink of an eye, Fang Qifo was in front of the white horse, with absolute contempt in his eyes: "If you can't persuade good words, then I have to do it."

Om!

The voice fell, and a terrifying aura erupted from Fang Qifo's body. In an instant, the surrounding air seemed to be stagnant!

Unfathomable and powerful coercion, suppressing people panic!

The next second, Fang Qifo slowly raised his right hand and hit the white horse with a palm!

It's… so fast…

Feeling the speed of Fang Qifo's lightning fast, Bai Ma was startled, he didn't have time to dodge, he quickly pulled out his long sword and attacked! Bai Ma knew that Fang Qifo was very strong, so he didn't dare to be careless and urged all his inner strength to resist!

Bang!

In the blink of an eye, the palm of his hand slapped on the long sword, and the white horse only felt an overwhelming force coming, and then heard the white horse let out a muffled groan, and the whole person was shocked and flew out, and flew more than one hundred meters away. , and fell heavily to the ground.

Although the white horse has practiced shifting flowers and connecting trees, the time is too short, and the strength has not yet been cultivated, and the powerful blow of the seven Buddhas on the face cannot be resisted at all.

"Okay, very good, you wait for me." Baima struggled to get up, wiped the blood from the corner of his mouth, glared at Fang Qifo, and turned around and ran away.

Bai Ma is not a fool. Knowing that he is not Fang Qifo's opponent, he continues to fight, and he is afraid that he will die here.

In a blink of an eye, the white horse disappeared into the woods.

At this moment, Fang Qifo wanted to pursue him, but he held back when he saw Mei Hui who was in a coma.

Afterwards, Fang Qifo walked up to Meihui and was relieved to see that she was in a coma caused by just being too tired.

"Meeting is a predestined relationship, I'll take you out of here." Fang Qifo said softly, with beauty, and headed for the distance.

…

the other side!

Taiyin Mountain, about thirty miles to the northeast, has a mountain forest.

At this moment, Sun Dasheng, Ren Yingying and others were crying and running forward desperately. Everyone was tired, but they dared not stop. They know that once they stop, they may be overtaken by the Wutian Organization!

I don't know how long they ran, but Sun Dasheng, Ren Yingying and the others were sweating profusely. When they reached a forest, they took a short rest. While resting, he couldn't help but look behind him.

call!

Seeing that the surrounding environment is complicated, Sun Dasheng, Ren Yingying and others are resentful and panic.

Zhang Jiao, the despicable and shameless villain, has harmed himself and these people, and he has no inner strength. Otherwise, he would have helped Wen Chou Chou to kill him just now.

It has been so long, and Wen Chou Chou has not caught up with him. If he faces so many people in the Wutian Organization by himself, will something go wrong.

And Mei Hui… It's been so long with no news.

Thinking about it, a trace of inexplicable worry rose again in the bottom of everyone's heart.

Whoops!

At this moment, there was a sudden sound of footsteps behind him. The footsteps were dense and fast, and there were obviously many people.

Hearing the voice, Sun Dasheng, Ren Yingying and others quickly looked back.

hiss!

The ultimate husband in Chinese chapter 2601-2610

Chapter 2601

At this moment, seeing the scene behind them, everyone couldn't help gasping for air.

I saw in the direction behind them, dozens of elites from the Heavenless Organization came, each with a weapon, murderous aura, these elite disciples, the lowest strength is also Marquis, and several are actually Wudan Wusheng…

Swish!

At the same time, these elite disciples also saw Sun Dasheng, Ren Yingying and the others, and they all cheered up and shouted.

"Sun Dasheng… don't run away, just grab it!"

"You have no way out."

"Hurry back with us, maybe the lord is merciful and can save your life…"

These elite disciples spoke in a cold tone. There were contempt and abuse in their eyes. Before, when they encountered a being like Sun Dasheng, they didn't dare to breathe. Now, they have no inner strength, so they don't need to pay attention.

Made!

Hearing the shout, Sun Dasheng and the others looked extremely ugly. They didn't have time to think about it, they turned around and ran towards the depths of the woods.

Brother Wen tried his best to give everyone a chance to escape. No matter what, he could not be caught back.

Seeing this scene, dozens of elite disciples glanced at each other, all extremely annoyed.

"Chasing!"

"A group of prisoners still want to turn the sky over?"

"Don't talk nonsense, hurry up and chase!"

This chapter is provided by . Visit for daily update.

After shouting angrily, dozens of elite disciples quickly chased after Sun Dasheng, Ren Yingying and others.

Sun Dasheng, Ren Yingying, and everyone else had run all the way before, and they were already exhausted. At this time, they were chased by so many elite disciples. They were tired and nervous. After a few minutes, they reached a big river.

broken!

When they got to the shore, they saw the rushing river in front of them, and they would be washed away if they fell into it. In an instant, Sun Dasheng and everyone looked at each other in despair, and stopped quickly at the same time.

There is actually a dead end here, could it be….is this God's will?

Thinking to myself, Sun Dasheng is very sad and angry!

Whoops!

At this moment, the elite disciples behind also chased after him.

"I can't run, haha…"

"Mad, against our lord, this is the end."

"Give it up, you will be captured…"

Dozens of elite disciples quickly surrounded them while laughing loudly. .

"To catch Lao Tzu alive? You are not qualified." Sun Dasheng roared, his eyes were extremely blood red, and he rushed forward.

In the current situation, there is no way for everyone to retreat, it is better to fight.

"Great Sage…"

Seeing this scene, everyone in Ren Yingying's expressions changed, and they all exclaimed, all of them in a hurry.

Without internal strength, fighting with these elite disciples is just courting death.

However, if you don't resist, it won't end well if you get caught.

"Uuuu…"

At this critical moment, suddenly, a quiet and gentle piano sound rang from the shore not far away.

hum!

At the moment when the piano sounded, I saw a powerful wave that quickly filled the air, and I saw layers of ripples in the air!

Feeling this fluctuation, whether it is Dasheng Sun, Ren Yingying and others, or those elite disciples, their faces changed greatly! Covering their ears one after another, they clearly felt that the sound of the piano contained a very strong rhythm, and everyone felt dizzy and could not stand steady!

Especially the dozens of elite disciples were all shocked.

Because they clearly felt that under the shroud of the sound of the piano, their dantian seemed to be suppressed, and they could not exert any internal strength.

Chapter 2602

This…. the sound of the piano!

At this moment, Sun Dasheng everyone reacted and looked in the direction of the sound of the piano.

At the same time, dozens of elite disciples also turned their heads.

At this moment, seeing the scene in front of them, these elite disciples were all stunned.

I saw a slender figure coming slowly from the river bank. The pace seemed to be very slow, but it gave people a very light feeling, indescribably agile and elegant.

It is the piano saint Mu Xixi.

hiss.

Seeing the appearance of the person who came, dozens of elite disciples gasped in air one after another, only to feel that the blood all over their bodies was faintly boiling.

So beautiful. This is simply a fairy coming down to earth.

At this time, Mu Xixi was wearing a long white dress, full of fairy spirit. Three years ago, after the war between the Kyushu Continent and the Rakshasa ended, Mu Xixi took Song Qian to a quiet place to escape and practice.

Today, Song Qian reached a bottleneck in her practice, and Mu Xixi came out to find the elixir to help her break through, but she didn’t expect to meet Sun Dasheng and others here.

Haha…

At this time, Sun Dasheng and others came back to their senses, and they were all excited.

Qin Sheng appeared, and these people were saved.

“Tsk tsk tsk…”

At this moment, the leading disciple reacted, a pair of eyes swept back and forth on Mu Xixi’s body, and sighed with a smile: “Beauty, this is something of our Wutian organization, you don’t want it Intervene, otherwise, it will cause trouble for the upper body.”

“I can’t bear to start with such a beautiful woman, hehe…”

Swish!

Hearing this, Mu Xixi’s delicate face showed a hint of shame and anger, and then, without hesitation, her figure rose up and flew into the crowd.

Bang bang bang…

The next second, before dozens of elite disciples could react to what was going on, they felt a terrifying force and instantly swept them away. Just flew out!

“Ah…”

With a scream, dozens of elite disciples were all thrown into the river, and the screams were quickly drowned out by the rushing river!

Seeing this scene, Sun Dasheng and others were extremely excited.

“Miss Mu!”

At this moment, Ren Yingying took the lead to react, walked over quickly, and said anxiously: “Quick, go and help Brother Wen and Miss Ouyang Meihui, they are all trapped in the main altar of Wutian Organization. That’s it.” The

voice fell, and Sun Dasheng and others also nodded.

“You…” Mu Xixi was shocked when she heard this, and when she felt the inner strength of Ren Yingying and others, she was even more astonished: “Your inner strength…”

She clearly felt that Ren Yingying These people’s dantian inner strength is not left at all, and now they have become ordinary people.

Wow..

As he was talking, he heard footsteps in the woods in the distance. There were many people. Obviously, the Wutian Organization sent to arrest Ren Yingying and others.

“I’ll take you to a safe place first, and then come back to save Palace Master Wen and the others.” Mu Xixi said seriously.

Mu Xixi acted cautiously. She knew that the Wutian Organization was very powerful. It was impossible to save Wen Chou Chou with Sun Dasheng and others with her own strength. They have no time to be separated, taking into account their safety.

The safest thing is to rescue them first and then come back alone.

Hearing this, Sun Dasheng, Ren Yingying and the others looked at each other and nodded.

After that, Mu Xixi no longer hesitated and left quickly with everyone.

……

this moment, the other side.

The Wutian Organization General Forum, the fierce battle continues.

In midair, Yue Wuya and the four Duan brothers tried their best to besiege Zhang Jiao.

Chapter 2603

However, nearly an hour has passed. The five combined, still can’t win Zhang Jiao!

At this time, Yue Wuya, the more he fought, the more frightened he became. Mad, three years ago, although Zhang Jiao was powerful, he could still fight against him with the Overlord Hammer.

But now, Zhang Jiao has the axe to open the sky, and his strength has reached a terrifying point. He and the four uncles of the Duan family are even unable to suppress it.

At the same time, Zhang Jiao is also getting bigger and bigger.

Looking at the battlefield below, the disciples of the Wutian Organization, many people fell down, Zhang Jiao’s eyes were blood red, and he roared loudly: “Today, I will teach you all to come and go!”

Om!

The voice fell, and the air around Zhang Jiao suddenly condensed! A terrifying force spread out from his body crazily!

“Go to hell!” The

cold words came out of Zhang Jiao’s mouth, and in the next instant, he clenched the opening axe and swung it fiercely, and saw a dazzling golden light, tearing apart the world, towards Yue Wuya five shrouded.

Seeing this scene, Yue Wuya and the four brothers of the Duan family all changed their faces, and they all urged their inner strength to jointly deploy a protective film in front of them.

boom!

Jin Mang erupted and smashed the protective film directly. Yue Wuya snorted and was knocked back more than 100 meters by the volley.

Stabilizing his figure, Yue Wuya gritted his teeth secretly, his face extremely ugly.

Strong, too strong, this horn has a sky-opening axe, it is simply impeccable.

And, more importantly, there has been no news from Uncle Wen, is something wrong?

At this time, the four brothers of the Duan family endured the pain, looked at Yue Wuya one by one, and asked.

“Young Master, what should I do?”

“This horn is too strong, and if we continue to fight, it will be more and more unfavorable for us.”

“Also, Palace Master Wen has been unable to signal…”

As he was talking, he saw the general manager. In the direction of the altar, a slender figure in mid-air came quickly, with a bit of gloom on his delicate face, it was Lu Lingshan.

What?

Seeing Lu Lingshan, Yue Wuya was shocked, she…why is she here?

Back then, Yue Wuya had defeated Lu Jiechen as his teacher. According to his seniority, Lu Lingshan was his aunt, and of course he was no stranger.

“Withdraw…”

Soon, Yue Wuya recovered, gritted his teeth and waved his hand.

To be honest, Yue Wuya didn't want to leave like this, but there was nothing he could do. Zhang Jiao was too strong, and Wen Chou Chou had never given any signal. This time, the plan to attack both internally and externally was a failure.

Yue Wuya decided to evacuate first, and then send someone to investigate the news.

Wow..

After receiving the order, everyone in Tianmen, as well as the Royal Forest Army, quickly lined up to retreat.

"Want to go!?"

Seeing this scene, Lu Lingshan frowned and wanted to pursue, but was stopped by Zhang Jiao.

Zhang Jiao said with a smile, "No need to chase, this kid Yue Wuya is scared to death by my axe, and he won't dare to commit it in a short time."

When he said this, Zhang Jiao looked confident.

To be honest, Zhang Jiao also wanted to pursue and annihilate Yue Wuya's Imperial Forest Army and Tianmen in one fell swoop, but in the fierce battle just now, Zhang Jiao frequently used the Heavenly Axe, which had consumed a lot of internal energy.

"correct!"

Zhang Jiao looked at Lu Lingshan and asked, "How is the situation on your side?"

"Wen Chou Chou was heartbroken by the white horse and fell into the abyss. He must die." Sun Dasheng and those people have no inner strength, so they are nothing to worry about."

"Okay, very good!"

Zhang Jiao smiled and praised: "It is really enjoyable to cooperate with the leader Lu, haha…"

Wen Chou Chou When he died, Sun Dasheng lost his inner strength, and Yue Feng lost his right-hand man. This is definitely great news.

Chapter 2604

Excited, Zhang Jiao rushed to Lu Lingshan and said with a smile: “Lord Lu has worked hard, hurry up and rest.”

Hmm!

Lu Lingshan nodded and turned to leave.

Zhang Jiao looked around, instructed his disciples to clean up the battlefield, and then returned to the secret room to practice and recover.

In the secret room, Zhang Jiao meditated and practiced for a while, then closed his eyes and prepared to rest.

hum!

However, at this moment, a slight fluctuation of breath came, and then a figure appeared in front of him. This person was wearing a black robe and a certain black hat. Under the hat was a pale and expressionless face.

Sensing the situation, Zhang Jiao immediately opened his eyes alertly. He was stunned when he saw the man in black robe, and said coldly, “Who are you?”

When he said this, Zhang Jiao was on guard.

This person can enter his own secret room quietly, and it is definitely not an ordinary person.

The man in black robe smiled slightly and said lightly: “Commander Zhang, we met a thousand years ago, have you forgotten?”

After speaking, the man in black robe showed a trace of seriousness: “I am the messenger under the Throne of Pluto, Yan Luo, a thousand years old. A while ago, Hades issued a summons to you, but you were suppressed by Lu Bu. I thought you had been suppressed for thousands of years and could repent of your mistakes, but I didn’t expect that after you saw the sun again, you would start doing wrong again…”

“The king of Hades ordered, I’ll take you to Hades to meet Hades to atone for your sins.”

His tone was cold, without the slightest emotion.

What? It was him…

Hearing this, Zhang Jiao’s heart trembled, and he was dripping with cold sweat.

In the cultivation world, if you have justice in your heart and your strength reaches a certain level, you will be able to rise through calamity. However, some practitioners who do many evils and are prevalent in viciousness are impossible to ascend. Infernal version of punishment.

The underworld is the final destination of all the most sinful people in the world. The place where the underworld is located is the ghost world.

A thousand years ago, Zhang Jiao formed the Yellow Turban Army, causing chaos in the world, causing the people to be displaced and struggling to live. The King of Pluto specially sent messengers to arrest Zhang Jiao. However, Zhang Jiao's behavior at that time caused the anger of the heroes of the world, and encircled and suppressed them. In the end, Zhang Jiao was arrested. Lu Bu captured it and suppressed it in his own tomb.

Knowing the situation at the time, Hades thought that this was Zhang Jiao's deserved end, so he gave up the arrest.

Unexpectedly, after a thousand years, Zhang Jiao will see the sun again, and he will start chaos in the Kyushu continent again.

Zhang Jiao is still a little angry because he will be reminded of the previous actions of the messenger.

"Your Excellency the messenger!"

At this time, Zhang Jiao reacted, and he was so nervous that he knelt down directly in front of Yan Luo: "I have repented of my mistakes, please tell Hades and give me a chance."

Zhang Jiao was arrogant, The sky is not afraid of the earth, but Pluto is not the existence he provokes. You must know that people in the world, as long as they do evil things that are angry and resentful, will be judged by Pluto in the end. That is a powerful ruler who controls countless lives and deaths.

However, Yan Luo did not have the slightest mood swings, and said coldly, "Zhang Jiao, whether there is real repentance, it is not up to you, come with me to the underworld!"

"Your Excellency the messenger, give me a chance, I will one day. Material treasure, I will give you what you want." Zhang Jiao said sincerely, but there was a hint of gloom in his eyes.

Yes, the messenger of Hades in front of him, although he was working for Hades, was also a cultivator.

Zhang Jiao knew that Pluto had nine messengers in the Kyushu Continent, in charge of affairs in the Kyushu Continent. These messengers were all gifted geniuses, and they seldom appeared in front of people, but once there were vicious people, they would Show up.

However, even the messengers of Hades, they also need and need treasures to enhance their strength.

Hearing this, Yan Luo's eyes flashed: "What treasure, take it out and see."

Zhang Jiao guessed right, everyone has selfishness, even the messenger of Hades is no exception.

"I'll get it for you!" Zhang Jiao said complimentably, then stood up and pretended to take something from his body.

"You…Go to hell!"

The moment he stood up, suddenly, Zhang Jiao roared, a powerful breath burst out from Zhang Jiao's body, slapped it fiercely, and hit Yan Luo directly in the heart .

Chapter 2605

Yes, although Zhang Jiao is afraid of Pluto, he is not afraid of Yan Luo in front of him. Moreover, Zhang Jiao has always been a wicked person. How could he obediently follow Yan Luo to see Pluto to atone for his sins?

What?

Yan Luo was extremely frightened, and he never thought that Zhang Jiao was so bold and dared to attack the messenger of Hades. At this moment, he wanted to dodge, but Zhang Jiao was too fast to dodge.

Speaking of which, Yan Luo's cultivation strength is also very strong, otherwise, he would not be the messenger of Hades, but the speed of Zhangjiao was too fast before, and it was too late to react.

Bang!

This palm, which contained Zhang Jiao's tenth layer of skill, hit Yan Luo's heart ruthlessly, and when he heard a miserable cry, the whole person flew straight up, a mouthful of blood spurted out, and finally landed in the corner of the secret room.

At the moment of landing, Yan Luo widened his eyes, looked at Zhang Jiao unwillingly, and swallowed his last breath.

“Pluto?”

Zhang Jiao took a deep breath and quietly looked at Yan Luo’s corpse with madness in his eyes: “What about Pluto? When I become the Supreme Lord of Kyushu, I will be the ruler of this world…”

… …

on the other side.

The white horse was injured by Fang Qifo and fled, and did not return to the Wutian Organization, but rushed directly to the main altar of the Hall of Longevity.

Bai Ma knew that staying by Zhang Jiao’s side would be unpredictable, so it would be better to return to the Hall of Longevity and establish himself as the hall master. Anyway, he learned to move flowers and trees, and he was not afraid of opposition.

A few hours later, the white horse finally returned to the main altar of the Hall of Longevity.

“Dharma King White Horse?”

“Why did you come back alone? Where is the palace master?”

“Are you injured?”

As soon as they arrived at the entrance of the main hall, the other Dharma Kings in the Hall of Longevity, as well as more than a dozen hall masters, all changed their expressions and hurried over to ask about the situation.

Before, Bai Ma and the Ouyang family were caught by Zhang Jiao, and then Wen Chou Chou went to rescue them, and they were finally trapped in the Wutian organization’s main altar.

Knowing this, the Changsheng Palace was all in a hurry. At this time, they were discussing how to rescue the palace master and the Ouyang family, but they did not expect that the white horse came back.

Pfft!

In the face of everyone’s inquiries, Bai Ma knelt on the ground at once, and burst into tears in a fake voice: “The hall master…the hall master was killed by Zhang Jiao.”

“The hall master pretended to surrender at the beginning, the purpose was to save the Ouyang family. Everyone, but in the end, it was noticed by Zhang Jiao… The hall master was dying, he blocked the pursuers and let me escape, I… I am ashamed!”

While crying, Bai Ma observed the changes in everyone's expressions.

What?

Hearing this, everyone present was shocked. Immediately afterwards, the hall fell to its knees and cried bitterly!

"Palace Master…" A

sad and angry voice resounded throughout the hall!

Seeing this scene, Bai Ma couldn't express the excitement in his heart, haha… I was so witty, I lied to everyone in just a few words.

Everyone was grief-stricken, and it was unknown how long it took before a hall master couldn't help but ask, "Dharma King White Horse, before you leave, what did the hall master entrust?"

Huh!

Bai Ma took a deep breath, slowly stood up, looked around, and said with a heavy heart: "Palace Master Wen said, I will be the next generation of Palace Master."

Hearing this, the hall was silent, and everyone looked at the white horse, his face dazed. Doubtful.

You must know that among the Four Dharma Kings, Bai Ma is not very strong, and his abilities are not particularly outstanding. Why did Wen Chou Chou want to make him the next generation of temple masters? This is a bit sloppy.

The ultimate husband in Chinese chapter 2606-2610

Chapter 2606

Call!

Seeing the changes in everyone's expressions, Bai Ma took a deep breath and said with a heavy heart: "Speaking of which, my white horse has limited qualifications and was unable to take on a major role, but I had to follow the orders of the Palace Master." After speaking

, Bai Ma looked around: "Wen The hall master has taught me the technique of moving flowers and connecting trees."

Om!

As soon as the voice fell, the white horse's internal force was running, and he suddenly raised his hand to hit a pillar in front of him, and he heard a vibration. The palm force passed through the pillar, and a palm print was made on the wall behind.

It is the essence of moving flowers and connecting trees, hitting objects from the air!

On the way back, Bai Ma realized that what he said was unfounded, and everyone would definitely not believe it. At this time, he deliberately tried to prove that what he said was true.

Seeing this scene, everyone present was stunned, staring at the white horse, speechless.

The master of the palace passed all the secret skills of the town school to him, and it seems that the white horse did not lie.

At this moment, a slender figure suddenly came out and knelt down in front of the white horse in public: "My subordinate, the red snake, see the palace master."

It was the wife of the white horse, the Dharma King of the Red Snake.

At this time, the red snake had a respectful look on his face, but his heart was full of excitement. Can he be unhappy when her husband became the head of the palace?

"My subordinates see the hall master!"

In an instant, the entire hall knelt down.

Haha….

This chapter is provided by . Visit for daily update.

Bai Ma couldn't tell the excitement in his heart, but his face still had a fake sadness: "Everyone, get up, the hall master was killed by the Wutian Organization, this revenge will be avenged, but the Wutian Organization is too powerful. Big, it is absolutely impossible for us to rush to the door and fight recklessly."

"Pass my order, all the disciples return to the mountain gate, and wait until the situation of Wutian Organization is detected before taking action."

"Yes!" Everyone responded in unison.

At this moment, Bai Ma's expression was sad, but there was a faint sneer in his eyes.

Wen Chou Chou is dead, and he has successfully become the temple master. As for Sun Dasheng's gang, they have no internal strength and no threat to themselves.

Moreover, Zhang Jiao is also sending people to hunt down Sun Dasheng and others, and he is not afraid of Sun Dasheng and the others to tell the truth.

…..

the other side!

Wen Chou Chou only felt that he had a very long dream, and the dream was full of his past. He had just joined the Hall of Longevity until he became a respected hero in the Kyushu Continent. Those scenes kept flashing in the dream.

hiss!

Finally, I don't know how long it took, Wen Chou Chou woke up, and just opened his eyes, he only felt excruciating pain all over his body.

Wen Chou Chou clearly felt that his heart was broken, and his dantian had no inner strength.

This… where is this?

What made Wen Chou Chou even more horrified was that he was at the bottom of an extremely dim abyss, with a steep cliff above his head, and the air around him was extremely cold.

In front of him, there is an endless deep hole, slowly descending, I don't know where it leads, and the gloomy wind keeps blowing, which is terrifying.

It seems that this is the only way out.

Looking around, Wen Chou Chou endured the pain and slowly walked towards the deep hole.

As soon as he walked inside, Wen Chou Chou couldn't help sucking in the cold air, as if gathering the Yin Qi in the world, making people feel a kind of cold deep in the bones, and there was no end in sight, and no idea how long it was, as if it were endless. !

Aren't you dead? Is this the way to the ghost world?

Thinking about it, Wen Chou Chou panicked inexplicably, but his legs continued to move forward involuntarily.

"Whoosh…"

I don't know how long I walked, but I heard a wave of breath coming from the front, and then a black shadow appeared in front of me.

Seeing the face of the black shadow, Wen Chou Chou felt a chill in his heart, and saw that his face was extremely pale, there was no blood, and his eyes were not alive at all, they were empty.

Chapter 2607

“Who dares to trespass into the underworld?” The shadow spoke coldly.

Hades?

Hearing this, Wen Chou Chou was shocked, and the whole person was stunned.

Wen Chou Chou has heard that people will enter the ghost realm after death, and in the ghost realm, there is an underworld, which is a place for judging the wicked. Whether it is an ordinary person or a cultivator, as long as they sit in bad things, they will be punished by the underworld. The trial of Hades…. It’s

over, I really died.

At this moment, Wen Chou Chou was both frightened and unwilling, and he still had a lot of things to do, so he died like this.

Just when Wen Chou Chou was shaking his head, Hei Ying couldn’t help but talk, rushed over, grabbed Wen Chou Chou, and headed for the depths.

Hu Hu Hu…

Wen Chou Chou only felt the chill whistling in his ears, but before he could react, he arrived in front of a huge city in a blink of an eye.

This city is several times larger than the largest city in Kyushu. The city is surrounded by black mist, like a chaotic world, giving people an indescribable feeling of depression.

Above the gate of the city, there are two big characters ‘Netherworld’.

Soon, Wen Chou Chou was brought into the hall of Hades.

call!

Seeing the scene in the main hall, even though Wen Chou Chou was mentally prepared, he couldn’t help but take a deep breath.

As you can see, the hall is incomparably majestic, with the underworld soldiers standing neatly on both sides. These underworld soldiers, wearing uniform black helmets and black armor, and holding long knives, are suffocating.

In the center of the hall, there is a black throne, and a burly man is sitting on it.

It is the Lord of Hades, Hades.

“Your Majesty!”

At this time, the black figure who came with Wen Chou Chou respectfully knelt on the ground and told Pluto: “I was just on the way to attract the soul, and I caught a dying person.” The

way to attract the soul?

Hearing this, Wen Chou Chou was stunned. It turned out that the road just now was called the Soul Guiding Road. No wonder the Yin Qi is so heavy. According to ancient books, there are some hidden places in the Kyushu continent, and there are entrances to the ghost world. The legend, I didn’t expect it to be true.

Also, he said he was dying? In other words, he is not dead yet?

Thinking about it, Wen Chou Chou was inexplicably excited.

Swish!

At this time, all eyes in the hall focused on Wen Chou Chou.

The next second, Pluto looked at Wen Chou Chou: “Who are you?”

“Your Majesty Pluto.” Wen Chou Chou took a deep breath, tried to calm himself down, and responded, “My name is Wen Chou Chou, and I am the Palace of Eternal Life on Earth Circle Continent. Lord.”

After speaking, Wen Chou Chou looked expectantly and begged: “Your Majesty, I was framed by a traitor, I fell off a cliff, and entered the Soul Path, I hope Your Majesty can send me back.”

Madd, wait for himself Going back alive, Zhang Jiao and Bai Ma must not be spared.

Hearing this, Hades frowned and said without any emotion: “Wen Chou Chou, the Lord of the Palace of Longevity? I heard about you, your heart was broken, and you can’t live for a day, since you came by mistake. Here, it is also God’s will.”

Having said that, the Pluto ordered to the underworld soldier next to him: “Take him to the land of reincarnation and reincarnate as a human being.” Wen Chou Chou is a gentleman, not a person of great evil, and does not need to be judged.

The voice fell, and the two ghost soldiers walked over quickly.

What?

Wen Chou Chou was taken aback, he was murdered like this, he couldn't just die like this.

"Your Majesty!"

At this moment, an underworld soldier hurried in and shouted in a panic, "No, there is something wrong with the messenger of Yan Luo."

Wow!

Hearing this, the entire Underworld hall was in an uproar, and even the two underworld soldiers who were about to arrest Wen Chou Chou couldn't help but stop.

Chapter 2608

"What's the matter?" Hades asked coldly with an extremely ugly face.

Yan Luo, a messenger carefully selected by himself, has been diligent and conscientious, deeply appreciated by himself, but something happened.

"Your Majesty!"

Ming Bing wiped his cold sweat and said cautiously: "Half a day ago, the messenger of Yan Luo was ordered to arrest Zhang Jiao, the wicked man. As a result, Zhang Jiao not only pleaded not guilty, but instead raided the messenger of Yan Luo and killed him. ."

Boom!

Pluto was furious and slammed down the throne: "This Zhang Jiao is so bold, he dares to kill the messenger of the underworld?!"

At this time, his fame was burning with anger. Thousands of years ago, Zhang Jiao had sent messengers to ask for the chaos of the world. He was arrested and punished in the ghost world. As a result, Zhang Jiao was suppressed by Lu Bu in the ancient tomb. Now that a thousand years have passed, Zhang Jiao has been in chaos again, so he sent Yan Luo to arrest him. Unexpectedly, Zhang Jiao actually resisted and killed him.

Zhang angle?

At this moment, Wen Chou Chou, who was kneeling there, was shocked, and his expression was extremely complicated.

This despicable and shameless person really did all the bad things, and even Hades wanted to arrest him.

call!

Finally, Pluto calmed down, sat on the throne, and said coldly: “Zhang Jiao is extremely sinful and ordered messengers from other continents to see this person with all his strength.” To

be honest, Pluto really wanted to take action in person, but because of his identity, he couldn’t. Leaving the ghost world and going to the mainland of Kyushu, we can only send more people.

“Yes, Your Majesty!” After receiving the order, the underworld soldier responded and walked out quickly.

At this time, seeing that Wen Chou Chou was still there, Hades frowned and said, “Why haven’t you taken him down yet?”

“Your Majesty!”

Wen Chou Chou couldn’t help but shouted: “Your Majesty, please listen to me, that Zhang Jiao’s crime is very heinous, I was killed by him like this, if I die like this, it is too wrong, I hope Your Majesty will give me a chance to let me go back. “

This….

Hades frowned, hesitated, and said slowly: “The life and death of a person is the law of heaven and earth, your heart is shattered, and your life is not long, if I let you go back, it is a violation of heaven. “

I beg Your Majesty to give me a chance…” Wen Chou Chou became anxious, knelt down and kept kowtow.

Seeing this situation, Pluto pondered for a while, and suddenly had an idea: “If you want to go back, you can be my messenger, and I will give you a chance to be reborn.”

After speaking, Pluto’s expression became serious: “But you want to Remember, once you become the messenger of Hades, you are no longer an ordinary person, and you must cut off contact with everyone, including your family and friends.”

The messenger Yan Luo just died, and this position just became vacant, and Wen Chou Chou is a talented person. Yes, just to fill the vacancy.

However, the messenger of Pluto is not something ordinary people can do. It represents Pluto, rewarding the good and punishing the evil in the Kyushu continent. It needs to be selfless and not have the slightest personal feelings. More importantly, the identity is secret and must not be exposed.

“I…”

Hearing this, Wen Chou Chou was stunned. He wanted to cut off contact with everyone. Wouldn’t that be… After seeing Fengzi and the Great Sage, they won’t be able to recognize each other?

If so, what is the difference between that and death.

“What? Don’t you want to?” Pluto asked at Wen Chou Chou with an expressionless face.

“I…will!” Wen Chou Chou struggled in his heart, and finally nodded firmly.

Although I can’t meet Fengzi and the others when I go back, at least I can protect them in the dark, and I can also deal with Zhang Jiao.

“Okay!”

Hades nodded in approval, then slowly raised his hand, and saw a strange force surging throughout the hall, and finally enveloped Wen Chou Chou.

Feeling this strange power, Wen Chou Chou did not move, knowing that it was Hades healing him.

At this moment, Wen Chou Chou closed his eyes and shouted secretly in his heart.

Kyushu Continent, I’ll be back soon

…

the other side!

Chapter 2609

Yue Feng stayed on Shenlong Island for one night. Early the next morning, Long Xianger was ordered to send Yue Feng and Xiao Xi out.

call!

A few hours later, Yue Feng stood on the ruins of the Primal Chaos Mountains and looked back at the dark, wild and strange realm. He couldn’t help but take a deep breath.

Finally came out, Mad, thought he was going to die on Shenlong Island.

Haw…

Xiao Xi next to her was also indescribably excited. As a young dragon, she couldn't speak at all, but she also made a cheerful cry.

Seeing Xiao Xi's cute appearance, Yue Feng showed a smile, picked her up, and put her in the spirit beast bag.

I don't know what happened to Zhu Bajie and the Ouyang family.

Thinking of this, Yue Feng didn't have time to think, he left the ruins and rushed towards Kyushu.

Um?

When approaching Heishui Town, Yue Feng was stunned when he saw the scene in front of him.

I saw that a huge arena was built in the valley of Blackwater City ahead, and thousands of cultivators gathered around them, discussing something.

Yue Feng saw that the clothes of these cultivators were embroidered with some logos, and they were members of mercenary groups from various continents.

So many mercenary groups, what are they doing here?

Yue Feng murmured in his heart, and suddenly turned his eyes to the side, and saw a slender woman standing in a corner of the ring, wearing a red leather suit, indescribably sexy and charming.

It was the captain of the Bloodthorn Mercenary Team, Hua Ling.

"Fengtao?" At this moment, Hua Ling also discovered Yue Feng, and was stunned for a moment, then greeted her with joy.

When she came to the front, Hua Ling's delicate face could not hide her urgency and excitement, and she said softly, "Fengtao, why are you here?"

Half a month ago, this man helped her a lot. Why is this kindness? will not forget. Until now, Hua Ling had not realized that Feng Tao who once helped her was actually Yue Feng, the famous Tianmen Sect Master in the Kyushu Continent.

Yue Feng showed a smile: "I happened to pass by, by the way, there are so many of you, what are you doing here?"

Hua Ling smiled bitterly, very helpless: "All the mercenary teams in the Kyushu mainland will be held here. In the ring match, we will elect the leader. Before, we, the mercenary team, were scattered and suffered too many losses, so we must unite."

Lost?

Hearing this, Yue Feng frowned. How could these mercenary teams be at a loss when they traveled between the Wilderness and Strange Domain and Kyushu, killing beasts, obtaining internal pills, and earning high profits?

I muttered in my heart, seeing this ring, the valley passage was completely blocked, and I couldn't get through for the time being, so Yue Feng followed Hua Ling to the ring to watch the excitement.

At this time, the arena is about to start.

"Tsk tsk…" As soon as he arrived in the ring, a mocking voice

came from the side: "Captain Hua Ling, can't you recruit anyone for your Bloodstab mercenary team? Haha, why do you want everyone?"

The man in a white gown walked over with a smile, and it was Bai Hao, the head of the Giant Elephant Mercenary Corps.

The Bloodthorn Mercenary Team, led by Hua Ling's efforts, often obtained a lot of inner elixir in the wild and strange realm, and was envied by many other mercenary teams. The Giant Elephant Mercenary Team was one of them.

In this case, these mercenary teams are looking for opportunities to suppress Hua Ling.

Bai Hao looked at Yue Feng with a smile but not a smile, and continued: "Is this a piece of trash that was brought in from there?"

This man was in tatters, and being a mercenary, he really lost the face of the world's mercenaries.

The voice fell, and there was laughter around.

"Haha… Picked it up from a heap of beggars."

"I think your bloodstab mercenary team should be disbanded as soon as possible…"

The taunting of you and me came from everyone, Yue Feng frowned secretly and ignored it. .

Nima, these guys, consider themselves Hualing's team members.

Chapter 2610

Hua Ling's face was flushed and she was angry.

“Fengtao, ignore them.” Hua Ling bit her lip and said softly to Yue Feng.

All of his team members went to the wild and strange realm to hunt down beasts, leaving him alone to participate in this arena competition. At this time, facing the ridicule of everyone, he was too lazy to talk nonsense with them.

But seeing Feng Tao being misunderstood by them, Hua Ling was still a little angry.

Yue Feng shook his head and smiled, indicating that he did not take it to heart.

At this moment, I saw a middle-aged man with extraordinary temperament slowly walking towards the center of the ring: “Everyone, be quiet!” The

voice was not loud, but it spread throughout the valley, with deep inner strength!

Swish!

At this moment, everyone’s eyes were focused on him.

Seeing Yue Feng’s puzzled expression, Hua Ling whispered, “Fengtao, this is Yang Hong from the Tianlei Mercenary Group. The Tianlei Mercenary Group is the largest mercenary group in Kyushu and has a great influence.”

Yue Feng Nodding silently, he looked at this Yang Hong.

Fifth paragraph of Wuhuang.

The strength is not low.

At this time, Yang Hong looked around and said slowly: “Everyone! Everyone knows the purpose of this conference. All the black markets and trading markets that Huang Tian Trading has recently monopolized, we risk our lives and death to work hard. If you want to sell the inner alchemy and other treasures you have obtained, you must trade them in Huangtian.”

“However, Huangtian takes more and more commissions. It has seriously violated our interests, so, In this arena, we must elect a leader and unite as one to fight against this injustice.”

“Furthermore, this is not just to deal with the Huang Tian transaction. As long as we form an alliance, we can solve other problems in the future.”

It turned out to be the case.

Hearing this, Yue Feng nodded secretly.

At this time, there was also cheers around the arena.

“Yes, as long as we form an alliance, no one will want to bully us.”

“Haha… After the alliance is established, I am afraid that those famous and decent people will be polite when they meet us.”

“Let’s start quickly, I will I can’t wait.”

When everyone’s words came, Yang Hong showed a smile and looked around the audience: “Okay, it seems that many people can’t wait, and the ring will start, but before we start, let me talk about the rules, in order to maintain The fairness of the game, each mercenary team can send a maximum of two people to participate, and the age must not exceed 40 years old.”

Saying that, Yang Hong raised his hand: “Okay, the game starts, who wants to be the first to play. , please come up.”

“I’ll come first!” The

voice fell, a voice sounded, and then a figure appeared more and more, and landed steadily on the stage, with thick eyebrows and big eyes, very aura.

The man clasped his fists at the surroundings: “Yuan Lei, Hongye Mercenary Group, which one will come up to ask for advice?” The

voice fell, and after a brief silence in the audience, a thin man smiled slightly and took the stage, facing Yuan Lei slightly. A smile: “Zheng Gang of the Feiyu mercenary group asks for advice.”

Shuh!

The eyes of everyone around them converged on the two of them, and they were all excited.

Yue Feng watched quietly, the strength of the two people on the stage was about the same level as the Emperor Wu.

hum!

At this time, the two people on the stage were already fighting, and the figures were intertwined, causing a lot of excited shouts below.

However, Yue Feng’s mind was not on the stage, but turned to look at Hua Ling: “Are you going to participate in the competition later?”

“I…” Hua Ling bit her lip and was about to speak when she was caught by the next person. Bai Hao interrupted.

“Miss Hua.”

The ultimate husband in Chinese chapter 2611-2615

Chapter 2611

Bai Hao looked at Hua Ling with a smile: “You Bloodstab mercenary team, there are only a few people, not even a team. Let’s forget about the arena competition.

” Wretched, looking at Hua Ling up and down, he continued: “Besides, you are so beautiful, it would be a pity if you were injured on stage. When I take the first place and become the leader of the alliance, you will stab the servant with blood. Soldier team, join me, I will keep you rich and rich.”

Bai Hao’s eyes made Hua Ling very uncomfortable, and she said with shame and anger: “Thank you for your kindness, where will my Bloodstab mercenary team go, there is no need for it? You worry…” To be

honest, Hua Ling didn’t plan to participate in the competition at first, but when Bai Hao said that, she couldn’t help it.

At this moment, the victory and defeat on the stage were already divided, and Zheng Gang won.

Without hesitation, Hua Ling jumped gently, like a butterfly, and landed on the ring.

so beautiful.

At this moment, seeing Hua Ling, the eyes of many men in the audience were straight.

As expected of the goddess of the mercenary world, with beautiful long hair, delicate facial features, and perfect body proportions, any man will be unable to extricate himself when he sees it.

Seeing this scene, Yue Feng couldn’t help but show a smile. This Hua Ling is too competitive.

“Tsk tsk!”

At this time, Zheng Gang looked at Hua Ling with a smile, and said, “So it’s the beauty Hua Ling from the Bloodthorn mercenary team. She has no eyes on her fists and feet in the ring, or you should admit defeat, I can’t bear to hurt you. “

Crack!”

Before she could finish her sentence, Hua Ling was astonished, she came to him in an instant, and slapped him in the face!

Hua Ling has a tough personality. At this time, Zheng Gang was rude to herself in front of so many people, and she couldn't bear it.

This chapter is provided by . Visit for daily update.

Dengdengdeng…

Zheng Gang was slapped with a slap, and he stepped back a dozen steps in a row, almost unsteady, and yelled in anger: "Shame on your face." Saying that, his inner strength urged him to charge directly. come over.

In the blink of an eye, the two fought fiercely together.

Hua Ling's strength is already the fourth rank of Martial Emperor, much stronger than Zheng Gang. Within a few minutes, Zheng Gang was slapped in the back, and the whole person flew out and fell under the ring.

Whoa!

Seeing this scene, there was an uproar in the audience, and many men looked at Hua Ling closely, each of them couldn't be excited, and admired them very much.

Hua Ling's face was expressionless, without the slightest fluctuation, and looked around: "Who will enlighten me next."

Just after winning a game, Hua Ling's expression was indifferent, but she was very excited.

If you take the first place and become the leader of the alliance, the Bloodthorn mercenary team will become famous all over the world.

"I'm coming!" The

voice fell, and everyone looked at each other. Immediately afterwards, a burly man rushed to the stage excitedly, but he was easily defeated by Hua Ling after a few rounds of fighting.

In an instant, the entire valley was boiling, and all the men present were excited and wanted to go on stage to conquer this beauty.

In the next half an hour, five or six mercenary groups of powerhouses came to the stage to compete, but none of them were Hua Ling's opponents.

Seeing this, Yue Feng was also very happy for Hua Ling, and at the same time was a little worried.

After all, Hua Ling's strength is not the strongest in the audience.

"Amazing, really amazing!"

Finally, a faint voice sounded, and then, a man in white jumped onto the ring and looked at Hua Ling with a half-smile.

It is the deputy group of Tianlei Mercenary Group, Goldman Sachs!

Seeing Goldman Sachs, Hua Ling frowned and her eyes suddenly became solemn.

As the goddess of the mercenary world, Hua Ling has many suitors, including this Goldman Sachs. In order to pursue Hua Ling, Goldman Sachs can be said to have spent all her time and stalking her, making Hua Ling tireless.

But he never expected to meet him again in this arena.

Chapter 2612

Goldman Sachs looked at Hua Ling and said with a smile: "Hua Ling, we are also old acquaintances, you are not my opponent, admit defeat."

Hearing this, Hua Ling was very displeased: "Don't be so confident. , I won't admit defeat."

As the captain of the Bloodthorn mercenary team, since he came to power, he represented the entire team, if he admits defeat, how can he stay in the mercenary world in the future?

Ugh!

Goldman Sachs sighed and revealed a smile: "Okay, since you have to fight, let's make an extra rule."

"What rule?" Hua Ling frowned.

Goldman Sachs smiled and said confidently: "If you lose, be my woman. If you win, I won't pester you again, how about you?"

"You…" Hua Ling's pretty face flushed red. , is not very angry.

This Goldman Sachs is really shameless and despicable. In this ring meeting, in front of so many people, he actually said such things.

Seeing that she didn't respond, Goldman Sachs smiled: "If you don't speak, I'll take it as your agreement, the lady is first, and you move first." After he finished speaking, he

waved to Hua Ling.

Om

Hualing didn’t talk nonsense, she just flicked her wrist and hit it with a palm!

“Tsk tsk…. the speed is not good.”

“It seems that you are destined to be my woman…”

Goldman Sachs fifth stage Martial Emperor strength, one level higher than Hua Ling, is very relaxed and comfortable when fighting, at the same time Don’t forget to speak up.

Hua Ling was shy and angry, and her shots were getting faster and faster, but it was of no use at all. Every time she attacked, she could be easily avoided by Goldman Sachs.

Seeing this scene, Yue Feng frowned secretly under the stage.

This Goldman Sachs, who can be considered a figure in the mercenary world, was actually on stage, teasing a girl with words, and the more he said it, the more explicit he was, it was really shocking.

call!

At the same time, the surrounding audience also frowned secretly, but Goldman Sachs was the deputy head of the Tianlei mercenary group with a strong background, and no one dared to provoke him.

In the blink of an eye, Hua Ling and Goldman Sachs fought for more than a dozen rounds, but Hua Ling never hurt Goldman Sachs! She was shocked and angry, and she was so anxious!

Swish!

Finally, Hua Ling bit her lip and pulled out her long sword with a jade hand.

“Don’t you give up?”

Seeing the long sword in Hua Ling’s hand, Goldman Sachs didn’t panic at all, and said with a smile: “I’ve been playing with you for so long, it’s time to end, the game has to continue.” The

voice fell, Goldman Sachs urged Dantian, and a tyrannical internal force swept the audience instantly! The next moment, he slapped it with one palm, and this palm took all his strength!

Seeing Goldman Sachs calling, Hua Ling's eyes flashed coldly, and she shouted coldly: "Xueyue is shocking."

In an instant, Hua Ling saw the long sword in Hua Ling's hand, like a shock, quickly stabbed at Goldman Sachs come over! The speed is astounding!

The exciting battle is finally here!

Seeing this scene, many people in the audience started to discuss.

In the eyes of everyone, Hua Ling's move was very sharp and had a high chance of winning, but Yue Feng shook his head secretly. This Goldman Sachs was clearly trying to lure the enemy into the depths, and Hua Ling's defeat was set.

At this moment, Goldman Sachs avoided the sharp sword and raised his hand to slap Hua Ling's wrist.

A metal vibration spread, Hua Ling's hand was unstable, the long sword almost flew out, and her delicate body took several steps back!

"Hua Ling, you lost." Goldman Sachs said with a smile.

Flashing, Goldman Sachs rushed over quickly, wrapping Hua Ling's slender waist with one hand.

Chapter 2613

Hua Ling was so anxious that she wanted to dodge subconsciously, but at this time, her internal strength was almost exhausted, so she could only watch Goldman Sachs's hand on her waist.

"You…let me go." Hua Ling's face flushed, and she gave a cold drink.

Goldman Sachs didn't show any signs of letting go. He admired Hua Ling up close and said with a smile, "Hua Ling, the outcome is already divided, you will be my woman from now on."

Hearing this, Hua Ling was both ashamed and angry: " Who is your woman? Let go of me quickly!"

Hua Ling's face was extremely ugly at this time. This was at the ring meeting, and Goldman Sachs actually did something to her in public. When the news spread, her innocence was completely cleared. destroyed.

"Would you like to admit defeat? You won't deny it, will you?" Goldman Sachs teased.

Hua Ling was so anxious: “I didn’t make a bet with you at all, it’s you who acted passionately.”

Phew!

Seeing this scene, everyone around couldn’t stand it anymore. I don’t know who shouted: “Captain Gao, you can’t go after the beauty in private, don’t affect the game.” The

voice fell, and many people nodded.

Goldman Sachs looked around coldly, and said angrily: “What are you panicking about? This bet was made in this arena, how could it affect the game? Whoever doesn’t report will come up to challenge me.

” Bai Hao of the mercenary group followed and shouted, “That’s right, Goldman Sachs and Hua Ling are a natural pair, what are you talking about?”

Bai Hao and Goldman Sachs have a good relationship and naturally help Goldman Sachs to speak.

At this moment, the entire arena was silent. For a moment, no one dared to talk nonsense any more.

Although Goldman Sachs’ strength is not the strongest in the whole world, the Tianlei mercenary group behind him can’t be provoked by anyone.

Seeing this scene, Goldman Sachs showed a satisfied smile. The next second, Goldman Sachs grinned at Hua Ling and said, “Okay, no one bothers us anymore. As long as you are willing to be my woman, I promise, no one will dare to look down

on your Bloodstab mercenary team…”

Said that Gao Sheng was going to grab Hua Ling’s wrist.

Hua Ling ducked for a while, and said unhappily, “Goldman Sachs, please show some respect, and I’m really welcome.

” She never thought that in this ring meeting, Goldman Sachs was dishonest, and no one was blocking the crowd.

“Tsk tsk, you’re welcome? We’ve already played against each other just now. I know how powerful you are… Besides, you look so sexy when you’re angry.” Hua Ling’s scolding did not make Goldman Sachs restrain, but instead stimulated his interest.

After saying this, he hugged Hua Ling’s waist and pressed against him.

Immediately afterwards, Goldman Sachs got a little closer, sniffed lightly in front of her, and his face was intoxicated: “As expected of the goddess of the mercenary world, it’s so fragrant. Haha…”

“Don’t be afraid, I will take good care of you in the future. Yours.” Goldman Sachs laughed and put his mouth up slowly.

Knowing that she could not escape the clutches, Hua Ling gave up her struggle and closed her eyes in despair.

Total despair!

I thought that I would be able to use this conference to make the name of the Bloodstab Mercenary Team, but I didn’t expect to encounter a despicable scoundrel like Goldman Sachs.

Thinking to herself, Hua Ling felt unspeakable grievances, her eyes were red, and tears could not help falling.

Hua Ling could feel the heavy breathing of Goldman Sachs hitting her face.

Seeing this scene, everyone in the arena had complicated expressions.

Hua Ling, such an excellent beauty, is really unlucky to be targeted by people like Goldman Sachs, but there is no way, who makes Goldman Sachs powerful?

Whoosh!

Seeing that Goldman Sachs was about to kiss, at this moment, a figure like thunder and lightning reached the stage in an instant, and then pulled Goldman’s hand away.

It was Yue Feng.

Originally, Yue Feng didn’t want to meddle in his own business, but Goldman Sachs’ approach was too extreme. Hua Ling was a pure and clean girl, and he was so rude and lawless.

Chapter 2614

“Fuck, who are you special?” When

good things were disturbed, Goldman Sachs was full of anger, and when he looked back at Yue Feng, he couldn’t help cursing.

“Who is this?”

At the same time, the eyes of everyone around the arena were also focused on Yue Feng, all of whom were extremely surprised.

They saw that this man was dressed in ordinary clothes and seemed to have average strength, and he dared to disturb Goldman Sachs.

Isn't this looking for death?

At this time, everyone did not know that the person in front of him was the famous Tianmen Sect Master in Kyushu, and Yue Feng also hid his strength.

"Fengtao?…" Hua Ling opened her eyes and was stunned when she saw Yue Feng: "Why did you come up?"

Yue Feng smiled and signaled her not to panic.

At this time, Goldman Sachs reacted, looked at Yue Feng up and down, and said coldly: "Little arm brat, who are you?"

Yue Feng glanced at Hua Ling, and said lightly: "A member of the Bloodthorn mercenary team."

Yes , Yue Feng didn't want to reveal his identity. Since he entered the ring, he should pretend to be a member of Hua Ling, otherwise, he would not be qualified to come up.

"Oh?"

Goldman Sachs smiled contemptuously, his face full of provocation: "What? Seeing the captain's loss to me, I feel unhappy and want to save face? Or do you want a hero to save the beauty?"

"Let her go."

Yue Feng said every word said. His eyes were extremely cold.

"Ma De, you're crazy, you just joined the mercenary world, and you don't know who you're talking to, do you? Dare to take care of me? Get out of here." Goldman Sachs was too lazy to talk nonsense, so he burst out and rushed over. .

Seeing this scene, the expressions of everyone around the arena became complicated.

Although they all looked down on this Feng Tao, at this moment, many people did not want him to be ousted.

Of course, they all know that this is all wishful thinking. After all, this Goldman Sachs is so powerful that there are very few who can beat him on the scene.

“Fengtao, hurry up and don’t cause trouble!” Hua Ling was even more anxious, shouting at Yue Feng.

In Hua Ling’s heart, this Fengtao has helped her several times, and she is very grateful to him, and she can no longer let him offend Goldman Sachs for her own sake.

You know, Goldman Sachs has a strong background.

However, Yue Feng didn’t seem to hear it, and stood there quietly, watching Goldman Sachs rushing in, his expression did not change in the slightest, as steady as Mount Tai.

Hua Ling was in a hurry and was about to rush up, but it was already too late.

Bang…

At this moment, I heard a breath vibrating, and Yue Feng and Goldman Sachs fought fiercely together.

Seeing the scene in front of her, Hua Ling’s delicate body trembled and she was dumbfounded.

Not only her, but everyone in the arena was stunned!

I saw that Yue Feng was very relaxed in the face of Goldman Sachs’ attack. In that way, it was like a father facing a naughty son, completely crushing him.

Hua Ling stared blankly at this scene, her mind blank.

How…how could this Feng Tao’s strength be so powerful?

Last time at the Huangtian Trading House, he took out so many Emperor Wu’s inner pills at once to help him pay off a huge debt. He thought he was just lucky, but he turned out to be a hidden master.

At this moment, Hua Ling stared blankly at Yue Feng, her heart could not help beating faster.

Bang!

In less than half a minute, Yue Feng slapped Goldman Sachs with a palm, only to hear Goldman Sachs screaming out, staggering back, and finally slumped on the ground, extremely embarrassed.

What?

This… this kid beat Goldman Sachs?

In an instant, there was silence around the entire arena, and a drop of a needle could be heard clearly, and everyone was dumbfounded.

Where did this bloodstab mercenary team attract such a strong existence?

Chapter 2615

“You…!”

Goldman Sachs struggled to stand up, his eyes were blood red, he raised his finger and pointed at Yue Feng, his anger rose, but he only said one word, his eyes darkened and he passed out.

Yue Feng’s inner strength is extremely strong, and it is simply not something that Goldman Sachs can stop.

Seeing this scene, everyone in the Tianlei mercenary group and Bai Hao’s expressions changed, and they rushed over to lift Goldman down while shouting at Yue Feng.

“Stinky boy, do you know the rules? Who asked you to come up?”

“You are maliciously sabotaging the game.”

Bai Hao looked contemptuous as the crowd shouted: “Boy, the game between Goldman Sachs and Hua Ling has not yet been completed. It’s over, what are you doing here? You Bloodthorn Mercenary Corps, don’t you understand the rules at all?”

Rules?

Hearing this, Yue Feng smirked: “You tell me the rules? This arena was originally to elect the leader, but this Goldman Sachs, in front of everyone, was rude to our captain and even moved his hands and feet. “Yes .”

“You didn’t step forward to stop one by one, and you used silence to help Zhou and abuse. You people are really ridiculous.” These

words were just words.

And when he said this, Yue Feng’s eyes were like electricity, and he looked around coldly.

call!

Feeling the aura that filled Yue Feng's body, many people were shocked and closed their mouths one after another.

"Yue Feng!"

At this moment, looking at Yue Feng who was standing in front of her, Hua Ling was so moved that she said softly, "Thank you…"

Yue Feng smiled and said, "Go down and rest. I will help you. You are in the ring." The voice was not loud, but it was unquestionable!

Um!

Hua Ling bit her lip, hesitated, and finally nodded. Speaking of which, Yue Feng was not a member of their mercenary team, and was not obliged to help her in the ring, but the situation in front of her could not be admitted.

If everyone knew that Feng Tao was just her friend, not her teammate, it would be more troublesome.

"Boy!"

At this moment, Bai Hao looked at Yue Feng with a half-smile, and said coldly, "Since you want to continue to fight in the ring, well, we'll give you a chance to see how confident you are, so let's change the rules. , there is no limit to the number of players, how about it?"

Just now, Bai Hao, who was a little shocked by Yue Feng's strength, quickly calmed down.

This kid just wins by surprise, and Goldman Sachs underestimates the enemy. If he is a peerless powerhouse, how can he be an unknown member?

In any case, he must have an outlet when he beat his friend Goldman Sachs.

The voice fell, and many members of the Tianlei mercenary group echoed loudly.

"Yes, since you can fight like this, let's just have fun."

"Even Goldman Sachs has been defeated, so I'm sure we are not afraid of joining forces .

"

gloomy.

Like Bai Hao, they also believed that Yue Feng was just lucky to win Goldman Sachs.

“You guys…”

Seeing this scene, Hua Ling was furious: “You want to fight the wind and the waves with one wheel? Is there any reason for heaven?”

These people, talking about the rules, are actually the most unreasonable. A man of rules.

The more Hua Ling thought about it, the more excited she was, she was about to pull Yue Feng down from the stage. It would be boring to fight in such a ring, so she might as well give up.

However, at this moment, Yue Feng signaled to Hua Ling not to get excited.

Immediately afterwards, Yue Feng looked around and showed a smile. This group of people is really despicable enough, and they want more people to come on stage to challenge together.

The next second, Yue Feng asked Hua Ling to go down to rest, then looked around the audience and said, “You can fight whatever you want, anyway, I am the only one in our Bloodstab mercenary team. Anyone who wants to challenge, just come up. “The

sound is not big, but it spreads throughout the valley, full of momentum.

Speaking of which, Yue Feng is not acting on his temper at this time, because Yue Feng found that these mercenary teams add up to a force that cannot be underestimated. , to check and balance Zhang Jiao.

The ultimate husband in Chinese chapter 2616-2620

Chapter 2616 The

voice fell, and there was silence around the entire arena.

In the eyes of everyone, they all think that Yue Feng is just a nobody, but seeing the confidence in Yue Feng's eyes, for a while, they have no courage to take the stage to challenge.

"Don't be complacent, kid, we'll meet you here!"

After a full minute of silence, Bai Hao finally sneered, then led the five people to the ring slowly.

These five people, all wearing dark blue clothes with the logo of Thunder Cloud on their cuffs, are the five elites of the Tianlei mercenary group.

hiss!

Seeing this scene, the surrounding people suddenly heard a gasp of cold air, secretly exclaiming.

"Six people…"

"They are all the elites of the Tianlei mercenary group. I'm afraid this kid is going to be miserable…"

"Who let this kid hurt Goldman Sachs? The Lei Mercenary Group proposed to hold it…"

Mad, six came at once, which is really shameless.

Seeing Bai Hao's six people, Yue Feng frowned secretly, feeling very unhappy, and said lightly, "You are not my opponent, so don't make fun of yourself."

Yue Feng did not care, Bai Hao in front of him, and five The elite of Tianlei mercenary group is very powerful, but Yue Feng has not paid attention to it yet. You know, Yue Feng has already broken through the Tribulation Transcendence Realm.

"Ma De, this kid is quite crazy."

"You're not too small, courting death!"

This chapter is provided by . Visit for daily update.

"Arrogant…"

Hearing Yue Feng's words, Bai Hao and the five elites were extremely annoyed. Motivated, rushed over directly.

Um?

At this moment, Yue Feng keenly saw that when Bai Hao rushed over, he dropped a pill in his mouth. Obviously, it was an elixir to temporarily strengthen himself. This is blatant cheating.

Hehe, will you play this set for me?

Aware of this, Yue Feng's mouth twitched, revealing a trace of disdain.

hum!

In the blink of an eye, the six Bai Hao rushed to the front, pulling out their weapons one after another, exploding their skills. I saw that the air was distorted wherever the six figures passed.

I have to say that the six powerhouses of the Martial Emperor Realm shot at the same time, which is really amazing.

"Hi!"

Seeing this scene, everyone around the arena couldn't help but gasp! At the same time, everyone is very excited!

Haha…

This Bai Hao and Tianlei mercenary group made a killing move as soon as they made a move. This game must be exciting, but I don't know how long this kid can last.

"Fengtao!"

At the same time, Hua Ling, who was resting in the audience, was really anxious and couldn't help but shout.

Six masters of the Martial Emperor Realm attack at the same time, even if he is very strong, it is difficult to stop him.

However… Yue Feng on the stage was smiling and not panicking at all!

"It's not bad that six people can burst out such a powerful force…" Yue Feng said lightly, and then saw that he was not in a hurry, raised his hand and waved, and an internal force surged out, forming in front of him A protective film!

bang bang bang…

That is, at this moment, the six skills slammed on the protective film at the same time, and a deafening roar broke out. Then, all the power disappeared without a trace.

And the protective film is intact!

Yue Feng's inner strength is strong, and the protective film condensed is not something that Bai Hao's people in the realm of Martial Emperor can easily break through.

What?

Block it so easily?

Seeing this scene, there was silence around the arena, and everyone opened their mouths, staring blankly at Yue Feng, speechless.

How powerful is this kid?

Especially Bai Hao's six people, one by one, froze there, completely dumbfounded.

What's going on, the strength of the six people's joint outbreak, no one can stop it, and this kid who has just joined the Bloodthorn mercenary team in front of him is so easily blocked.

Chapter 2617

They don't know yet, Yue Feng didn't do his best at all, otherwise, they would have been ousted long ago.

At this moment, Yue Feng's mouth curled into a smile, looking at Bai Hao: "How is it? Are you still fighting?"

"Made…" Bai Ma was shocked and angry, his face was extremely ugly, and he was very unwilling.

However, as soon as he said two words, he was interrupted by Yue Feng.

Yue Feng chuckled, and flashed his body in front of Bai Hao, and said in a low voice, "If I guess right, you should have taken a Divine Power Pill before you started.

" And you are cultivating the Yin-cold technique, which is a combination of yin and yang. Although you can improve your strength a lot in a short period of time, it has a lot of drawbacks, and the inner strength of your dantian can easily be counterattacked."

“In other words, you have to force the inner strength to continue to fight. , then you don’t need me to take action, you will be hurt by yourself, if you don’t believe it, press your own Shenquan acupoint…”

Yue Feng’s voice was very low, only Bai Hao could hear it.

Speaking of which, if it was before, Yue Feng would not have saved Bai Hao’s face. After all, this kind of villain, self-inflicted, that is retribution, but thinking of being the leader of the mercenary alliance, this kind of person might be useful, so Yue Feng chose to give it to him a chance.

What?

Hearing this, Bai Hao’s body was shocked, his face was extremely pale, and he looked at Yue Feng’s eyes, full of shock.

He did take the Divine Power Pill, but… how did he know?

Is there any other kind of back injury, is it intentional to scare yourself?

Bai Hao still doesn’t know that Yue Feng possesses the Wuji Dan technique, which is more effective than anyone else in the world. Of course, he can tell the pros and cons of the Divine Power Pill. After all, the Divine Power Pill is very rare in the eyes of most people. The elixir, but here in Yue Feng, it is just an ordinary elixir.

hiss!

Muttering in his heart, Bai Hao looked at Yue Feng suspiciously, then stretched out his hand and pressed Shenquan acupoint, he couldn’t help groaning suddenly, his body twitched suddenly, staggered a few steps, and fell to the ground.

At this moment, Bai Hao was extremely shocked.

After being told by him, who is he?

Seeing that Bai Hao lost his strength to fight again, the elites of the five Tianlei mercenary regiments also walked down the arena with sad faces.

Their strength is not stronger than Bai Hao. At this time, Bai Hao has no strength to fight again. There is no need for them to persevere. It will be even more embarrassing to lose.

hiss!

Seeing this scene, everyone around the arena was stunned!

This… this kid actually won.

And it's so easy to win.

For a time, everyone stared at Yue Feng who was standing on the stage, each of them was dumbfounded, his face was incredible, the whole valley was silent!

Hua Ling, who was sitting there to rest first, stared at Yue Feng with a strange brilliance, and her delicate face was full of excitement!

win, win? He faced Bai Hao six by himself, and he actually won? !

Before, I thought that this person was an ordinary cultivator, but I didn't expect that every time I met, I would be able to surprise myself.

At this time, Yue Feng on the ring looked around and said lightly, "Who else is going to challenge?"

Hearing this, everyone in the audience looked at each other in dismay! All of them were embarrassed and did not have the courage to respond.

Bai Hao teamed up with the elites of the five Tianlei mercenary groups, and they were not his opponents. Who dared to go up and make fun of themselves?

"Is no one up to challenge?"

Yue Feng shouted again, his voice was loud, but there was an invisible pressure!

The audience was silent, and no one responded!

Yue Feng shouted several times, but no one came up. At this moment, the host of the ring, Yang Hong, came up slowly.

At this moment, Yang Hong took a deep look at Yue Feng, his eyes full of complexity.

To be honest, Yang Hong was very annoyed that Goldman Sachs was defeated by Yue Feng. After all, he and Goldman Sachs were the head of the group and the deputy head of the group. They had a very good relationship and were like brothers.

At this time, Yang Hong wanted to teach Yue Feng a lesson personally, but he held back. After all, this is a ring competition, and as the host, he cannot break the rules.

At the center of the arena, Yang Hong looked around the audience and said slowly, "This brother of the Bloodthorn mercenary team has won two games in a row. If no one takes the stage to challenge, then the leader of our mercenary alliance…"

“Wait!”

Before he finished speaking, suddenly, a slender figure, like a butterfly, floated agilely and slowly landed on the stage: “I’m here to challenge!”

Wow!

Seeing the person coming, the audience was in an uproar!

Chapter 2618

Call!

Seeing this woman, Yue Feng couldn’t help but take a deep breath and was stunned.

This woman is wearing a long purple dress, with a graceful figure and exquisite facial features. She looks like she is twenty-five or six years old. She is not very big, but she looks very arrogant. There is no expression on her delicate face. A powerful aura that cannot be desecrated.

Who is this woman?

Yue Feng was not only secretly surprised, he thought Hua Ling was the most beautiful goddess in the mercenary world, but he never expected that another one would appear. This woman and Hua Ling stand together, they really have their own advantages.

If Hua Ling is a tranquil daffodils, then this woman is a rose with thorns.

Of course, the strength is much stronger than Hua Ling.

The woman’s name is Ye Meng, and she is the head of the Rose Mercenary Corps, known in the mercenary world as ‘Blue Rose. ‘

“Yang Hong!”

At this time, Ye Meng walked slowly onto the ring, and said to Yang Hong with a half-smile but not a smile: “The mercenary world wants an alliance, and they even held a ring competition, but they didn’t invite our Rose mercenary group, right? It’s a bit unreasonable?”

This….

Yang Hong accompanied him with a smile: “Leader Ye has gone deep into the wild and strange realm, and there has been no news for two months. If you want to notify, you can’t find anyone?”

Even the Tianlei mercenary group, the strength He is one of the best in the mercenary world, and Yang Hong, as the head of the regiment, is also a man of influence, but he has to be courteous to Ye Meng. You must know that Ye Meng is not only strong, but also the adopted daughter of the Sect Master of Qingyun Sect. The entire mercenary World, no one can provoke it.

Hearing this, Ye Meng snorted softly: “Without news for two months, do you think something happened to me?”

After speaking, Ye Meng looked at Yue Feng and said lightly, “Hey, the arena is not over yet, I to challenge you.”

At this moment, everyone present was excited.

“The blue rose is here!”

“Some people have watched…”

Under the discussion, the eyes of many men in the audience were all focused on Ye Meng. Under the long skirt, that incomparably tight figure. Make people look without blinking their eyes.

Especially the coldness that refuses people thousands of miles away is even more difficult to extricate themselves from.

“I didn’t expect this woman to appear. It is said that she is very powerful.”

“Nonsense, she is the head of the Rose Mercenary Corps…”

“It is said that half a year ago, this woman was alone and beheaded the three-headed Martial Emperor. The beasts of the realm are too powerful.”

While appreciating, many people whispered.

On the arena, Ye Meng’s beautiful face showed endless gloom and coldness, without the slightest fluctuation.

“Be careful.”

At this moment, Hua Ling’s pretty face changed, and she couldn’t help reminding Yue Feng on the stage. You must know that Ye Meng can create a name in the entire mercenary world, but it is not a false name. In Hua Ling’s heart, Yue Feng is not weak, but it is difficult to defeat Hua Ling.

Her nickname is Blue Rose? ! Such a unique title.

At this time, upon hearing Hua Ling's reminder, Yue Feng's face also became solemn, and he looked at Ye Meng up close, only to think that this woman's figure was perfect, even if Chang'e and Diaochan were present, they were no less inferior.

It's just… this sex seems very cold and arrogant.

"What's your name?" Ye Meng asked coldly.

Yue Feng did not hesitate: "Fengtao!"

"Okay, Fengtao."

The corner of Ye Meng's mouth evoked a slight smile, and there was some nonsense: "Let's do it."

When saying this, Ye Meng's delicate face showed a bit of disdain.

Chapter 2619

Ye Meng is a very arrogant woman. When she first stepped into the ring, she secretly investigated Yue Feng's strength, but it was close to the strength of the Tribulation Realm.

Ye Meng didn't know that Yue Feng had been hiding his strength.

Huh..

Yue Feng took a deep breath and smiled faintly: "Ms. first, you can take action first."

When he said this, Yue Feng's face was relaxed, but his eyes flashed with seriousness, because he sensed that this leaf Dream, the strength is actually in the tribulation realm.

It is really shocking that a young girl has reached the transcendence realm.

"Boy, stop talking nonsense to me" Ye Meng only felt that he was being scorned, and his beautiful face was instantly covered with frost.

hum!

The voice fell, and a terrifying breath burst out from Ye Meng's body. In an instant, the surrounding temperature dropped suddenly, and the air seemed to be stagnant.

Immediately, the people around the arena felt a chill all over their bodies.

Such a pure cold power.

Feeling Ye Meng's breath, Yue Feng also frowned secretly, a little surprised.

To be honest, Yue Feng has been out for so long, and he has played against many people who practice the cold and cold exercises. Because of his white lotus cold fire, his internal strength is just as strong as the sun, so Yue Feng has always been very good at dealing with people who practice the cold and cold exercises. It's easy, but at this time, facing this Ye Meng, I feel a little unconfident.

You know, yin and yang control each other, if the yang is too strong, it will restrain the yin, and if the recessiveness is too strong, it will restrain the yang.

Ever since he practiced Guiguzi's exercises, Yue Feng thought that his masculine power was unmatched in the world, but in front of Ye Meng, he felt threatened.

Yue Feng didn't know that Ye Meng was practicing a kind of world-class skill, the Jiuyou Ice Vessel Art.

Jiuyou Ice Vessel Art is a kind of exercise that is most yin and soft. It must be practiced by women. Moreover, it needs to be tempered at an early age with thousands of years of ice. After 18 years of practice, you can have a small town. In other words, ordinary women, if they only practice when they grow up, are useless at all.

It is precisely because of this that there are very few women in the world who can be trained.

"Kacha!"

At this moment, Ye Mengpian was astonished, and in the blink of an eye, he came to Yue Feng. He raised his right hand, and with a crisp sound, he held a sword tightly.

Whoosh!

Yue Feng was not careless, and his inner strength pushed his figure to fly high into the sky, fighting fiercely with Ye Meng!

Huh..

This scene has feasted the eyes of many people around!

Of course, they didn't look at Yue Feng, but stared at Ye Meng in mid-air. At this time, the two were fighting in mid-air. Ye Meng's perfect figure kept going back and forth, making the man in the ground look straight.

Even if Ye Meng reached the Tribulation Transcendence Realm and practiced the Nine Serenity Ice Veins Art, Yue Feng was a famous figure in the world. wind!

Yue Feng seemed relaxed, but he was actually a little anxious.

I thought I could suppress this Ye Meng with strong internal strength, but I didn't expect that this woman's yin and cold exercises were very evil. Yue Feng didn't find any flaws every time he attacked.

But slowly, Yue Feng still saw some clues.

"Good boy!"

After the long battle, Ye Meng was a little anxious, and said softly: "I really don't see it, Hua Ling is very lucky, I don't know where you recruited this talent, and you can fight me for so long, but I tell you, today The position of the leader is none other than me."

Om!

The voice fell, and the air beside Ye Meng suddenly condensed! A terrifying force spread out from her body crazily!

"The cold moon is shocking!"

I saw Ye Meng's red lips parted lightly, and the cold words were spit out. The next moment, the originally clear sky was suddenly surging, and then, the cold wind whistled, and snow actually fell in the sky.

Chapter 2620 In the

snowflakes flying, Ye Meng's pair of jade hands are constantly changing and overlapping, and the figure is flying up and down. It is indescribably pleasing to the eye, but the terrifying momentum around him makes people palpitate!

"It's so cold…"

"What kind of skill is this?"

"What a strong breath…"

At this moment, many people exclaimed, and hurriedly used their inner strength to resist the cold, looking at each one Seeing Ye Meng in the mist, his expression was full of shock.

I go!

Yue Feng also frowned, secretly surprised.

To be able to cause a vision of heaven and earth, this woman is really not ordinary.

good!

The cold moon that Ye Meng used was a skill in the Nine Serenity Ice Veins Art. In the Nine Serenity Ice Veins Art, there are four supreme martial arts skills. Cold Moon Shocking is one of them!

Speaking of which, Ye Meng never wanted to use it, but feeling the power of Yue Feng, he used it in front of everyone for the first time. Everyone saw it for the first time, so naturally they didn't know it!

The sky was snowing heavily, and the cold power of Ye Meng, the fusion person in the air, was so depressing that it made people panic.

call!

At this time, Ye Mengyu raised her hand, and saw snowflakes swarming from the sky, and Ye Meng absorbed the cold air. In the blink of an eye, the cold air gathered around Ye Meng reached a limit state, and her delicate body flashed, directly towards Yue Feng. come.

Seeing this scene, many people around the ring were secretly sweating for Yue Feng.

call!

At this time, Yue Feng's face was very dignified, but his heart was not panic at all. He took a deep breath, recited the formula, and completely burst out his inner strength. A terrifying force was condensing!

In the next second, Yue Feng stared at Ye Meng, who was rushing over, and slapped his palm lightly, attacking him.

This palm seems to be slow, but it is like thunder and lightning. In the blink of an eye, two figures collide in mid-air.

boom!

In the blink of an eye, the two figures of Yue Feng and Ye Meng collided, and a thunderous roar came out. The valley where the entire arena was located trembled violently, and then, the entire arena was filled with smoke and dust, and snowflakes were flying.

Seeing this scene, everyone couldn't help but step back to avoid the terrifying impact of the breath, each one's back was cold, and their brains were buzzing.

Such an epic battle is really shocking!

Among the dust and snowflakes in the sky, the figures of Yue Feng and Ye Meng were shaken back several dozen meters in midair at the same time!

Obviously, no one took advantage of this blow!

But Ye Meng's heart was extremely shocked, his face was pale, and his delicate body trembled faintly. You must know that her current strength is to cross the Tribulation Realm!

As the adopted daughter of the Sect Master of Qingyun Sect, although she is not biological, the Sect Master treats her like a pearl in the palm of his hand.

At this time, Ye Meng's strength is in the Kyushu, even if it is not the top, it is considered to be disdainful of the heroes, and at this time, facing an unknown soldier, he used his unique skills, but he couldn't defeat him?

At this time, Ye Meng didn't know that Yue Feng had not completely erupted, otherwise, she would have been defeated.

call!

At this moment, Yue Feng steadied his figure in midair and stared at Ye Meng: "Headmaster Ye, no matter how hard you fight, it will be difficult to decide the outcome, why don't you just give up."

When he said this, Yue Feng's tone was indifferent . , without the slightest expression fluctuations, but a trace of complexity rose in my heart!

Continue to fight, and Ye Meng will force out his true strength. At that time, his identity will definitely be exposed, which is not the result Yue Feng wants to see.

More importantly, Yue Feng and Ye Meng have no grievances or enmity, and there is no need to fight to the death here.

Hearing this, Ye Meng's beautiful face showed a bit of contempt: "What? Are you afraid? Afraid of losing to me?"

Ye Meng's eyes were very firm: "Don't forget, this is the ring. There is no winner or loser in the match, we will continue to fight forever, and I said, this alliance leader, I will make it." When

he said this, Ye Meng's figure floated in the air, with a leisurely demeanor, like a fairy.

The ultimate husband in Chinese chapter 2621-2630

Chapter 2621

Although the person in front of him is really strong, don't panic, after all, he still has a hole card to show.

Seeing this situation, everyone in Bai Hao below shouted and booed.

"Haha, this kid is scared."

"What if this kid defeated us? Didn't he get taught by Blue Rose in the end?"

"That is, a nameless soldier who still wants to be the leader of the alliance? What dreams do you have?" He

was defeated by Yue Feng before. Bai Hao and the others were full of resentment in their hearts, but when they saw Yue Feng's downfall, they didn't miss the opportunity to mock him.

These scumbags!

Listening to Bai Hao's belittling, Yue Feng didn't bother to pay attention and sneered silently!

In the next second, Yue Feng breathed a sigh of relief and looked at Ye Meng quietly: "Since you have to decide the winner, let's continue!"

Hearing this, Ye Meng did not hesitate, raised his jade hand, A powerful force swept away towards Yue Feng!

Ugh!

Yue Feng sighed, without hesitation, he moved his figure to meet him!

In a blink of an eye, more than ten minutes passed, and the two fought for more than a dozen rounds. It seemed that their strengths were comparable to each other, but in fact, Yue Feng and Bai Lian Leng Huo did not show off.

Yes, in order not to reveal his true identity, Yue Feng endured not to use this trump card.

"Miss Ye Meng, right?" Under the fierce battle, Yue Feng couldn't help but said: "What's the point of fighting like this? Why don't I admit defeat, you are the leader of the alliance." The

two were above the sky, Yue Feng Only the two of them could hear it.

“There’s no need for you to release water!” Ye Meng’s face was frosty, and she said coldly and tenderly, “I want to be the leader of the alliance, and I will defeat you with my strength. If I lose, my skills are not as good as others.”

In a few words, Ye Meng said decisively. .

Speaking of which, Ye Meng has liked to dance with guns and sticks since he was a child. Ten years ago, Yue Feng became famous in the Kyushu continent. He once participated in the martial arts competition in the Apocalypse continent. The audience was silent, and Kyushu was shocked. Ye Meng was still a little girl at that time. , I once saw Yue Feng’s performance in the finals, and I admired it at that time.

Since then, Ye Meng has adored Yue Feng and inspired to become a hero like Yue Feng. It can be said that Yue Feng is her only idol.

However, she didn’t know that the man she looked down on was the hero she had always admired.

All right!

Hearing this answer, Yue Feng smiled bitterly and nodded silently.

Seeing Yue Feng’s expression, he thought he was timid, Ye Meng knew that the opportunity was coming, and he shouted: “Boy, the game is over!”

Ouch!

In the next second, Ye Meng didn’t hesitate at all, his figure turned in mid-air, and he was astonished, holding the long sword tightly in his jade hand, and stabbed towards Yue Feng with a sword.

Kachacha…

This sword contains all of Ye Meng’s inner strength. As soon as the long sword passed, the snowflakes instantly turned into steam. Obviously, the cold air in it was evacuated, and all the cold air in the world merged here. In a sword.

And Ye Meng’s body was also covered with a layer of ice protection.

hiss!

Seeing this scene, everyone below was dumbfounded. It turned out that this was Ye Meng's last killer move.

At this moment, Hua Ling, who was under the stage, also trembled, and couldn't help exclaiming.

"Be careful… Fengtao!"

While shouting, Hua Ling bit her lip and wanted to rush to help, but she was helpless.

call!

The sword qi turned into a huge crescent moon shape, like a frost storm, and instantly arrived in front of Yue Feng!

Chapter 2622

At this time, Yue Feng's eyes flickered constantly. At this critical moment, countless ways to deal with it flashed in his mind, but in the end, he would give up.

Yes, with Yue Feng's strength, it is very easy to block this sword, but since then, his true strength cannot be hidden, and his identity will be exposed.

Thinking to himself, Yue Feng decided to give up resistance, but just raised his hand in front of him to form a protective film.

"Boom!…" In the

blink of an eye, the crescent-shaped sword shadow slashed on the protective film, and the protective film instantly collapsed, and Yue Feng also groaned, his body like a broken kite, far away. fly away.

Pfft!

At this moment, Yue Feng's figure flew out of the ring, and finally fell to the ground, his face was pale and very weak.

At this time, Yue Feng was very helpless.

Mad, who thought he could easily be the leader of the mercenary world, did not expect a blue rose halfway through. That's all, this alliance leader, he still won't grab it.

Whoa!

Seeing this scene, the audience was boiling!

This Ye Meng, as expected of the blue rose of the mercenary world, is really strong.

Hua Ling, who was standing there, had a delicate face, but she felt a little regretful. She thought that this wind wave could seize the position of the leader of the alliance, so that her blood stab mercenary team would be able to make a name for herself.

Unexpectedly, he still lost to Ye Meng in the end. But it's no wonder that Ye Meng's strength is too strong.

"Fengtao…"

With emotion, Hua Ling walked over quickly and took Yue Feng's arm, her eyes full of worry: "How are you? Are you alright?"

Although he lost, he also helped himself to resolve the crisis, so I should thank him no matter what.

Yue Feng shook his head and smiled, indicating that he was fine.

call!

Afterwards, Yue Feng breathed a sigh of relief and looked at Ye Meng in midair, his eyes flickering faintly.

The next second, Yue Feng said to Hua Ling: "The game is over, I have to leave."

"I'll give you a ride." Hua Ling bit her lip and said, and then left the valley with Yue Feng.

At this time, there was still a heated discussion in the audience, and they didn't pay attention to Yue Feng's departure. All eyes were on Ye Meng.

Especially Bai Hao and the others, all praised Ye Meng to please. After all, Ye Meng was going to be the leader of the alliance, and he had to perform well.

"Blue roses are amazing!"

"What blue roses, now you are the leader of the alliance…"

"Yes, the leader of the alliance…"

Listening to the cheers of the crowd to please, Ye Meng showed a smile, and her figure gracefully landed slowly.

Falling on the stage, Ye Meng smiled at Yang Hong: "If no one continues to challenge, you can announce the result of the competition." The

voice was not loud, but there was an unquestionable aura.

call!

Yang Hong nodded, then walked out slowly, and looked around the audience: “Ye Meng, the head of the rose group, is extremely powerful, and his skills are overwhelming. From now on, he is the leader of our mercenary alliance.”

After speaking, Yang Hong bowed deeply to Ye Meng . With a bow, “See the leader!”

“See the leader.”

In an instant, a large area of kneeling knelt around the arena.

Seeing this scene, a smile appeared on the corner of Ye Meng’s mouth, and he was about to raise his hand to signal everyone to get up, but at this moment, when he saw the position of the skirt on his left side, his body trembled.

Ye Meng could clearly see that there was a burning palm print on the left skirt, which was obviously the trace of the wind blowing just now.

Just… how is this possible?

He motivated the Jiuyou Ice Vessel Art to protect the body, and even the clothes were protected. In the world, there is no power that can be broken open, unless it is the world’s first strange fire, Bailian Lenghuo, who has this strength. ….

Wait… Bailian cold fire?

Could it be that the person just now….

Ye Meng only felt that his legs were softening, staring at the palm print on the skirt, unable to say a word for a long time!

“That kid just now… no, where’s the one named Feng Tao just now!?” Finally, Ye Meng reacted, stomped her feet anxiously, and looked around, where is Yue Feng’s figure?

“Looks like he’s gone..”

Chapter 2623

“Haha, that kid just now, although his strength is good, he is not the leader of the leader’s defeat in the end?”

“That is, what is the leader looking for for such a nameless person?”

Everyone in the audience erupted into a heated discussion. , each with disdain on his face.

Ye Meng bit her lip tightly and walked down the ring quickly, her beautiful face was very anxious and complicated, no matter what today, she must find him! It turned out that this person can be Bailian Lenghuo, and he must be his idol Yue Feng. You must know that in the world, only Yue Feng has integrated Bailian Lenghuo.

At this time, Ye Meng's heart was trembling. If it was really Yue Feng, he must have let him go just now. Moreover, this is the peerless hero he admires, but he calls him a kid…

Ye Meng guessed right, just now Yue Meng Feng really let her go. At the moment of the final confrontation, Yue Feng thought about using Bailian Cold Fire, but he had already motivated it at that time, but he still gave up.

Otherwise, Ye Meng would have been seriously injured in a coma at this time.

"Get out of the way, get out of the way…" The more Ye Meng thought about it, the more anxious he became, pushing the crowd away and chasing in the direction Yue Feng left.

This….

seeing this scene, everyone present was stunned, and then they all followed up subconsciously.

At this moment.

On the road a few miles away from the valley.

"Fengtao."

Hua Ling and Yue Feng walked side by side, thinking of the scene just now, they were still very grateful: "Thank you, you just stood up for me. But you should be careful, the Tianlei mercenary group is not easy to mess with, you will be careful with them in the future. revenge."

Saying that, Hua Ling showed a bit of admiration on her face: "I really didn't expect that you were so strong that you could easily defeat Goldman Sachs, and you were able to fight Ye Meng for so long. To be honest, who is your master?"

Master ? ?

Hearing this, Yue Feng's eyes flashed with a hint of sadness, and he said with a smile: "My master is no longer in this world."

In this world, the master Yue Feng really worships, except for the sword demon Nangong Jue, is Guiguzi. It's a pity, One of the two died tragically, the other soared, and they are no longer in the world.

"I'm sorry!"

Hua Ling was a smart woman. When she heard this, she felt a little ashamed, and said embarrassedly, "I mentioned your sadness."

Yue Feng smiled and shook his head, just as he was about to speak, suddenly, a voice behind him said Come.

"You two, please stay!" The voice was sweet and melodious, showing a bit of excitement.

Yue Feng looked back subconsciously, frowning secretly.

Hua Ling was even more shocked.

I saw a slender figure not far away, chasing quickly all the way, dripping with sweat, it was Ye Meng!

And behind her, there are people from major mercenary teams.

what's the situation?

Hua Ling was inexplicably nervous. Did they know that Feng Tao was not one of their team members and was here to make trouble?

On the other hand, Yue Feng calmed down a bit, calmed down quickly, and quietly watched them approach.

When he got to the front, Ye Meng bit his lip lightly: "Then…that, Your Excellency is extremely powerful. It's because I have eyes and don't know Mount Tai. I was offended just now."

Ye Meng stared at Yue Feng tightly, his tone was a little bit Trembling: "Excuse me, are you Sect Master Yue?"

At this time, Ye Meng was unspeakably uneasy, and it was hard to imagine that a goddess who was revered by everyone in the mercenary world was as prudent as a little girl who did something wrong.

It's broken, and the identity is still exposed.

Yue Feng was taken aback secretly, and for a while he didn't know how to deal with it. He knew that he shouldn't have hesitated at the time, and just admitted defeat.

"Pfft!"

Ye Meng was a smart woman. Seeing the change in Yue Feng's expression, she was instantly certain that the person in front of her was Yue Feng. Her legs were weak and she knelt directly on the ground.

"Did you know? The person I admire most is you…" Ye Meng was incoherent, her delicate body trembling.

This is your idol, can you not be excited?

What?

At this moment, everyone present was dumbfounded and opened their mouths wide!

Total shock!

An aloof iceberg goddess, at this moment, kneeled down to a nameless soldier, and was excited like a child!

This… what's the situation? !

Hua Ling's body trembled, she stared blankly at Yue Feng, speechless.

Chapter 2624

"Miss Ye, what's the matter? Why did you accidentally sprain your foot?" Yue Feng responded quickly and lifted Ye Meng up with a smile, and at the same time, he blinked at her secretly.

Ye Meng Bingxue is smart, and when she sees Yue Feng like this, she immediately understands. He definitely didn't want to reveal his identity.

"I was not careful…" Ye Meng bit her lip lightly and let out a long sigh of relief: "I'm sorry, I made you laugh."

"Hu…"

Hearing this, everyone present was secretly relieved.

It turned out to be accidentally kneeling down. I thought this kid was a big man who could not hide it.

Thinking about it carefully, a kid who just joined the Bloodthorn mercenary team, even if he is strong, is just a nameless person, how can he know that he is favored by Blue Rose.

Moreover, the two had just fought in the arena.

“The leader of the alliance definitely wants to discuss cultivation with this person. Although this kid is unknown, his strength is really good.” It wasn’t just anyone in the crowd.

Hearing this, everyone’s eyes suddenly converged on Yue Feng, and there were many discussions.

“This kid is just lucky.”

“That’s right, he was able to win Goldman Sachs just by coincidence…”

“The leader was just curious, so he took the initiative to find him. After waiting for the novelty, he probably wouldn’t even look at him. .” When the

discussion came, almost everyone despised Yue Feng from the bottom of their hearts, in their hearts, Yue Feng was a nobody, and it was impossible for him to have a relationship with Ye Meng.

However, they didn’t know that the man in front of them was Ye Meng’s idol, the famous Tianmen Sect Master.

“You all shut up.”

At this moment, Ye Meng couldn’t listen anymore, frowned, looked around and said coldly: “Who asked you to follow, I asked this person something, what are you talking about? Hurry up.

” Ye Meng wanted to tell Bai Hao and the others that the unknown person you mocked was Yue Feng, the famous Tianmen sect master, but he held back when he thought of Yue Feng’s hint.

Uh…

Seeing the anger of the leader, Bai Hao and the others looked embarrassed, and quickly closed their mouths, then left silently.

Hua Ling, who was on the side, also reacted at this time, feeling inexplicably nervous, thinking that Ye Meng was going to be bad for Yue Feng.

“Ye Meng, the game is over, what else do you want to do?” Hua Ling couldn’t help but said.

Ye Meng was stunned for a while, because he didn’t know the relationship between Hua Ling and Yue Feng, so he didn’t know how to respond.

“It’s alright.”

Yue Feng smiled slightly, and comforted Hua Ling: “You go first, I’ll talk to this girl Ye, don’t worry about me, it’ll be fine.”

Seriously, Yue Feng I don’t know Ye Meng very well, and there is nothing to say at all, but the other party recognized her identity and could not dismiss her lightly, otherwise, if Ye Meng said it, her whereabouts would be exposed.

Seeing what he said, Hua Ling was no longer worried, nodded and turned to leave.

“Sect Master Yue!”

As soon as he left, Ye Meng couldn’t hide his excitement, and said to Yue Feng, “I finally see you again… Do you know? I adore you so much…”

When he said this, Ye Meng looked excited and cheered.

Yue Feng smiled: “Thank you for not asking me about it just now…”

Before he could finish speaking, Ye Meng dreamed of something and interrupted: “Why do you want to hide your identity? By the way, I remembered it. Recently, people have been inquiring about your news on the rivers and lakes. It seems to be a Wutian organization.

” , Ye Meng looked very urgent: “Sect Master Yue, are you in trouble? Do you need my help? I will definitely help you.”

Wutian Organization.

Hearing this, Zhang Jiao’s image suddenly appeared in Yue Feng’s mind, and his anger was indescribable. Mad, this despicable villain, knew that he was so insidious and should have killed him three years ago.

Thinking of this, Yue Feng smiled and shook his head: “No need, I can handle it myself. Congratulations on becoming the leader of the alliance, I still have something to do and I have to go.”

Ye Meng suddenly became anxious: “You won’t go alone. Let’s deal with the Wutian Organization? I heard that they are very powerful.”

Saying that, what Ye Meng dreamed about, and Jumei's face showed a bit of solemnity, and continued: "By the way, in this area of Heishui Town, the Wutian Organization A lot of people have been sent secretly, and if you are discovered, your whereabouts will be revealed."

Chapter 2625

Mad.

Hearing this, Yue Feng scolded secretly, this Zhang Jiao, in order to deal with himself, really used any means.

Did something else happen during the two days that you were taken to Shenlong Island?

Seeing that Yue Feng was silent, Ye Meng said quickly: "How about this, let's go around Heishui Town and go back to Qingyunzong together, Qingyunzong is located in the southwest of Heishui Town, not very far, and also, if my father would I must be very happy to know that you are here."

"My father is the head of the Qingyun Sect. When the time comes, I can send a disciple to help you investigate the news…"

When he said this, Ye Meng's eyes were full of anticipation.

Yue Feng thought for a while, then nodded and said, "Well, I'll interrupt you rashly. I hope your father doesn't take offense." To

be honest, Yue Feng didn't want to go to Qingyun Sect with Ye Meng, but if he didn't go, it would be difficult to investigate by himself. A message to the ungodly organization.

Great!

Seeing Yue Feng's promise, Ye Meng cheered and couldn't be more excited.

Half an hour later, Ye Meng took Yue Feng and returned to Qingyunzong Mountain Gate.

At this moment.

Outside the gate of the Furong Club, a car came quickly. After stopping at the gate, Yue Feng quickly got out of the car.

"Wait a minute, I'll go and invite my father out."

Ye Meng said with a smile in the rest hall at the back, and couldn't wait to go to the back.

call!

Yue Feng took a deep breath, looked around the magnificent hall, and just found a chair and sat down.

"Hey!" At this moment, a Qingyunzong disciple came over and looked at Yue Feng up and down: "Are you Senior Sister Ye Meng, a member of the mercenary group?"

Yue Feng was stunned, then nodded with a smile: " Yes!"

Although he has already come to Qingyunzong, Yue Feng still doesn't want to be too public. He thinks it's better to keep a low profile, so he doesn't reveal his identity. Since the other party thinks that he is Ye Meng's teammate, just let him be.

"Haha!"

Hearing the answer, the disciple sneered: "The people on the rivers and lakes are really becoming more and more unruly. Although you are a member of Senior Sister's mercenary group, this is the Qingyun Sect, and this chair is something you can do. Is it right?"

"Just wait outside if you have something to do, understand?"

When he said this, the disciple looked arrogant and looked at Yue Feng with impatient eyes.

Although Qingyunzong is not famous in Kyushu, it is also a famous and authentic sect that has been passed down for more than a thousand years. It is not anyone who wants to come in.

The boy in front of him, who was lucky enough to join the mercenary group of the senior sister, is already considered by his ancestors to burn high incense, and he even dares to sit in the living room, does he really regard himself as a character?

Yue Feng frowned, glanced at her, and said with a smile, "It's you, Senior Sister Ye Meng, who asked me to wait here."

The disciple was stunned for a moment, and was about to speak.

"What's the noise?"

At this moment, a sexy and charming figure walked in slowly, wearing a long green dress, a beautiful alchemy, and a graceful and tight figure, indescribably charming.

It is the wife of the head of Qingyunzong, Xie Cai.

“Miss, this kid is a member of the senior sister’s mercenary group, and he has no rules at all. He is sitting in the living room, and I am driving him out.” The disciple spoke quickly.

Um?

Hearing this, Xie Cai looked up and down at Yue Feng, her face couldn’t hide her contempt: “This girl Ye Meng is becoming more and more unruly. What kind of mercenary group is set up outside? Bringing people to the mountain gate doesn’t look like a daughter’s family, and it really loses the face of Qingyunzong.”

Said, Xie Cai said coldly to Yue Feng: “Get out.”

Ye Meng is the adopted daughter of the head of Qingyunzong. It’s not his own life. As an adoptive mother, Xie Cai has always disliked Ye Meng. It’s just that the head of the family is very fond of Ye Meng. to trouble her.

Seeing Ye Meng at this time, he brought back the people from the mercenary team and arranged them in the living room, and he was immediately angry.

The ultimate husband in Chinese chapter 2626-2630

Chapter 2626

Nima!

At this moment, Yue Feng was a little dumbfounded, and at the same time was a little angry.

Qingyunzong is also considered to be a famous sect, why is this lady in charge of talking so mean? It seems that the world is huge, and there are people everywhere who look down on people.

Thinking to himself, Yue Feng took a deep breath and smiled at Xie Cai: “You are the wife of the head, I have already told him about it, it was Ye Meng who asked me to wait here…”

On the way here , Ye Meng told himself that Qingyunzong was very hospitable, but he never thought that he had hit a soft nail when he first came. This disciple doesn’t know him, so it’s fine if he speaks rudely. The lady in front of him is actually so powerful.

This thing is done. At this moment, Xie Cai was stunned for a moment, followed by a sneer: “Good boy, do you think Ye Meng’s words are a

possession? Tell you, this is the Qingyun Sect, if you don't go out, I will blast you down the mountain!"

Dressed up in poverty, still want to sit in the living room? There really is no self-awareness.

Yue Feng was too lazy to talk nonsense, and turned to leave. Anyway, they don't have much friendship with Qingyunzong, and they don't need much help at all.

At this moment, Ye Meng came back, and when she saw the scene in front of her, she frowned and asked Yue Feng, "What's wrong?"

Yue Feng smiled and said nothing.

"Ye Meng!"

Xie Cai shouted at Ye Meng with a look of disgust: "As the senior sister of Qingyunzong, do you have any restraint in a girl's family? It's okay to set up a mercenary group outside, and now you still have it. The team members brought them back to the mountain gate and arranged them in the living room. What do you think of this place? Do you still understand the rules?"

"What happened when I brought someone back? Who have I lost?" Ye Meng said angrily, with a bit of displeasure on her delicate face.

Seeing this scene, Yue Feng smiled bitterly, and it could be seen that the relationship between mother and daughter was not very harmonious.

This chapter is provided by . Visit for daily update.

"Oops?"

Xie Cai couldn't do it, pointed at Ye Meng and said, "You are getting more and more courageous, and you still talk back when you do something wrong?!"

Ye Meng didn't give in at all: "What did I do wrong?"

Phew!

Xie Caiqi's delicate body trembled, stomped her feet, pointed at Yue Feng: "You brought this so-called team member to the Shanmen meeting room, you are wrong, what is this place, the head of Qingyunzong receives distinguished guests Place, look at this person you brought back, is he a distinguished guest? At most, he is a gangster…"

"You…" Ye Meng's face flushed, and he was speechless for a while.

This is her idol, the famous Tianmen Sect Master in Kyushu, but she was called a gangster?

The next second, Ye Meng restrained his emotions, showed a smile, and said slowly: “Who told you that he is not a distinguished guest? You are still the wife of the head, and you don’t even know the big man in front of you.

” Yue Feng’s side, his tone was extremely respectful: “I tell you, this is the hero who led the Kyushu continent to defeat the Rakshasa clan three years ago, and finally forced the Rakshasa clan to negotiate peace, the Tianmen Sect Master Yue Feng.”

What?

Hearing this, both Xie Cai and the surrounding disciples were all dumbfounded.

This… is this person Yue Feng?

This is impossible, Yue Feng has been missing for so long, how can he appear here, and he also agreed to Ye Meng’s invitation to come to Qingyunzong as a guest?

Seeing their expressions, Yue Feng knew that he couldn’t hide it, so he simply took out the golden mask that symbolized his identity.

Immediately, Yue Feng smiled at Xie Cai and said, “Yes, I am Yue Feng, and I rashly visited, and please don’t blame the lady in charge.”

This… it was really him.

Seeing the golden mask on Yue Feng’s face, Xie Cai’s body trembled, her legs were soft, and she could hardly stand still. As the wife of the head of the Qingyun Sect, Xie Cai certainly knew about Yue Feng’s golden mask, but this one, with exquisite workmanship, could never be wrong.

This person is Yue Feng.

At this moment, the entire hall was silent.

After more than ten seconds, Xie Cai reacted and smiled awkwardly at Yue Feng: “That…. It was a misunderstanding just now, which made Sect Master Yue laugh.”

When saying this, Xie Cai looked at Ye Ye in a complicated way. Dreaming of a glance, this dead girl is so lucky that she can really invite a character like Yue Feng to come to Qingyunzong as a guest.

You must know that Yue Feng is a famous person in Kyushu. If he can come, Qingyunzong can be said to be full of glory. At that time, the husband will dote on this dead girl even more.

At this time, Ye Meng asked Xie Cai, “Where is my father?”

Chapter 2627

Just now, Ye Meng looked around and didn’t see the shadow of his father, so he returned and saw his adoptive mother and a few disciples, who made unkind words to Yue Feng.

“He has something to go out, and he will come back before dark.” Xie Cai replied softly, at this time, the lofty attitude he had before was gone.

Ye Meng was too lazy to leave her, and smiled at Yue Feng: “I’ll arrange a room for you first.”

After saying that, he called Yue Feng out of the living room.

To be honest, Xie Cai’s attitude towards Yue Feng just now made Ye Meng very angry. At this time, she really wanted to embarrass her, but she thought that Xie Cai was her adoptive mother after all, so forget it.

A few minutes later, Ye Meng arranged a room for Yue Feng to rest.

Pfft!

As soon as he entered the room, Ye Meng bit his lip, bent his knees, and knelt down towards Yue Feng.

Yue Feng was startled, what the fuck is this for?

At the same time, from Yue Feng’s point of view, he also happened to see Ye Meng’s figure. This Ye Meng’s figure is simply perfect! There is no trace of fat on the body, it is simply too hot.

While admiring, Yue Feng supported Ye Meng with both hands, and asked with a smile: “Miss Ye, what are you doing? What happened just now is that the lady in charge doesn’t know who I am, it’s not surprising that I don’t know, you are with you. It doesn’t matter, you don’t need to blame yourself so much.”

Yue Feng thought that Ye Meng was apologizing for what happened just now.

“Sect Master Yue.”

Ye Meng didn't stand up, but bit her lip, her beautiful face full of determination: "Can I worship you as my teacher? Seriously, many years ago, I dreamed that you could Be my master…"

What the hell, worship me as a teacher?

Yue Feng was stunned for a moment, then smiled bitterly: "I can't protect myself now, how can I have time to accept apprentices."

Ye Meng was in a hurry and walked to Yue Feng on his knees, pulling his sleeves: "Really, Sect Master Yue , I really want to apprentice, you promise."

At this time, Ye Meng, in front of Yue Feng, was indescribably well-behaved, and the arrogant and cold look in front of Bai Hao and others before, formed a clear distinction. comparison.

"This…" Yue Feng scratched his head, very hesitant.

"Master, please, accept me…" Ye Meng knelt on the ground and bowed slightly, with a sincere face.

"You…"

Feeling Ye Meng's sincerity, Yue Feng's face was full of helplessness. If she didn't agree, I was afraid that she would keep pestering her, so she nodded and said, "Okay, I agree, get up.

" Really, Yue Feng didn't think about accepting an apprentice, but this Ye Meng's aptitude is really good, especially in the previous arena, it was really rare to be able to force his own white lotus out.

Great!

Seeing that Yue Feng finally agreed, Ye Meng couldn't be more happy, she jumped up and kissed Yue Feng's face lightly.

"Thank you, Master, I knew that Master would definitely agree, hee hee…"

Om…

At this moment, Yue Feng was completely blinded, I'll go, this apprentice has a cold face, he didn't expect to be so unrestrained .

At this time, Yue Feng was very emotional.

I thought that today, I could stop the leader of the mercenary world, but I didn't expect that I would become the master of the leader in the end.

But….it seems not bad to have such a beautiful apprentice!

…..

the other side!

In the Yellow Sea Continent, in a steep and unnamed valley.

Mei Hui didn't know how long she had been in a coma, but in a daze, she felt a light tap on her shoulder.

Meihui slowly opened her eyes and saw herself lying at the entrance of a cave, with a person standing quietly in front of her, watching her quietly.

The man was about thirty years old, with a cold, knife-like face, without the slightest expression.

Chapter 2628

Om!

In an instant, Meihui became alert, her delicate body trembled, and she sat up all of a sudden.

"You… who are you?" Mei Hui asked in a panic.

I only remember that when I was caught by the white horse and was about to be humiliated, a very fierce and ugly man suddenly came, and I didn't know anything after that.

What happened after you fell into a coma? Who is this person in front of me?

What about that ugly middle-aged man?

Seeing Meihui's puzzled look, the man smiled slightly and said, "I've only been in a coma for a day, and I don't know my savior?"

Meihui frowned, and this voice was the voice of that ugly man…

not bad , This man is Fang Qifo.

What's the situation?

At this moment, the man turned around, facing Meihui, silently reciting a serial formula. After a few seconds, when he turned around again, his cold face became extremely ugly.

Meihui looked dumbfounded and stared at Fang Qifo: “You…what kind of method are you doing?”

Fang Qifu looked at Meihui and said lightly, “Don’t make a fuss, this is my way of disguising.”

Saying that, Fang Qifo’s eyes showed a bit of seriousness: “Girl, what’s your name? Where are you from?”

After saving Meihui, she was in a coma, so until this time, Fang Qifo didn’t know her identity.

“I…”

Meihui bit her lip and said softly, “My name is Ouyang Meihui, I’m from the Ouyang family, I…” As she was talking, she thought that all the relatives of the Ouyang family were caught by Zhang Jiao, while Dasheng Sun and Ren Yingying were all caught by Zhang Jiao. Waiting for others, and I don’t know where to go, I was suddenly sad, and tears flowed down.

The Ouyang family?

Fang Qifo was stunned for a moment, very surprised: “It turned out to be from a famous family.”

Seeing that he knew about the Ouyang family, Meihui calmed down and asked a little excitedly: “Master, can you help me find my family? Me and them Lost, woohoo…”

Phew!

Fang Qifo took a deep breath and his expression became complicated: “This…. I was shopping in a nearby town half a day ago. I heard that the Wutian Organization has sent a lot of people to arrest the Ouyang family and Sun Dasheng, according to the gossip. , their situation does not seem optimistic.”

What?

Hearing this, Meihui’s delicate body trembled, and her delicate face was full of resentment.

Zhang Jiao, this bad guy, is too hateful. Not only does he want to harm the big brother, but he also has to deal with everyone related to Yue Feng at this time, especially when

he thinks of Sun Dasheng and others, who have been killed by Zhang Jiao and lost their internal strength and cultivation base, and Meihui is even more resentful. .

The more she thought about it, the more resentful she became, she stood up and rushed into the distance.

“What are you doing?” Fang Qifo shouted from behind.

Meihui stopped and looked back at Fang Qifo: “I want to avenge everyone. Get rid of the wicked Zhang Jiao.”

Hearing this, Fang Qifo was stunned for a moment, then couldn’t help laughing: “Miss Ouyang, just With your little strength, even if you meet Zhang Jiao, you will die in vain.”

At

this moment, Mei Hui’s face flushed, and she was embarrassed beyond words.

Fang Qifo is right, his strength is too low, I’m afraid even the elite disciples of Wutian Organization can’t beat him, how can he eradicate Zhang Jiao?

For a time, Mei Hui stood there, a little overwhelmed.

After seeing Fang Qifo, Meihui’s eyes flashed, and she knelt down to him: “Master, please accept me as your disciple, teach me my practice, and wish me revenge.”

This man can easily defeat the white horse and save himself He came out, but there was no rumor of him in the rivers and lakes. He is definitely a reclusive master. As long as he learns and cultivates with him, there will definitely be a way to deal with Zhang Jiao.

Chapter 2629

This….

Fang Qifo was stunned, and looked at Meihui quietly, after a few seconds, he took a deep breath and said, “Sorry, I never accept apprentices.”

Meihui suddenly became anxious: “Please You accept me as your disciple, or I will never get up.”

Hearing this, Fang Qifo’s face did not fluctuate at all, and said lightly, “As you are!” After speaking, he turned and walked to the entrance of the cave to lie down, and soon fell asleep.

Is this guy cold-blooded?

Seeing this scene, Meihui was a little desperate, but she continued to kneel there with gritted teeth. Speaking of which, although Meihui was the young lady of the Ouyang family, she had a very tough personality, and she would never give up easily. .

Time passed by and it was getting dark.

Fang Qifo slept for a few hours, sat up and looked at it, and was stunned.

I saw Mei Hui still kneeling in the same place, her delicate body was swaying, and she was going to faint at any time. She had been in a coma before, and she knelt for several hours without eating or drinking after waking up. No one could stand it. .

Really stubborn personality.

Fang Qifo sighed in his heart, walked slowly to Mei Hui, and said word by word, “Do you really want to worship me as a teacher?”

Mei Hui was about to faint when she heard Fang Qifo’s words, she suddenly became energetic and determined. Nodding: “Yes, I beg Master to accept me as a disciple.”

Fang Qifo looked at Meihui and nodded slowly: “I didn’t expect you, a girl, to have such great perseverance. Well, I promise you.

” Then, Fang Qifo helped Meihui to stand up and went back to the cave to rest.

“Since you’ve become my disciple, then I’ll tell you my rules.” Fang Qifo said with a serious face, and said to Meihui, “The exercises I practice have no sect or sect, but there is a saying, called “Thousand-faced person!”

“Thousand-faced person must help the weak, and don’t be greedy for fame and fortune.”

“Thousand-faced person is a single lineage, this is the rule, my master is only my apprentice, and I only accept you. One, so, you have no brothers and sisters, and one day your teacher dies, you are the only Thousand-faced person in the world, and you have to find a suitable person to pass on the Thousand-faced Person.”

Thousand-faced person?

Hearing this title, Meihui’s beautiful face was full of surprise.

What a strange name, and I have never heard of it myself.

Seeing the change in Meihui’s expression, Fang Qifo took a deep breath and slowly explained the origin of the Thousand Faces.

It turns out that the Thousand-faced Man has been passed down for more than two thousand years. The founder of the Thousand-faced Man was originally a slutty disciple of an aristocratic family. He often used his power to bully others. Living in the rivers and lakes, suffering from the warmth and coldness of the world.

Speaking of this, Fang Qifo's eyes flickered and he said slowly: "Later, the founder was murdered by a bunch of wicked people and fell into the abyss. He was sure to die, but a year later, he appeared on the rivers and lakes again, not only The broken leg is healed, and he created his own 'Wuxiang Qianmian' exercise, calling himself a thousand-faced person."

"Because of the great wealth, the dangers of the rivers and lakes, and the ugliness of human nature, this founding ancestor set the rules, As long as you become a thousand-faced person, you must hoe the strong and help the weak, and you should not be greedy for fame and fortune."

"More importantly, the thousand-faced person must remain mysterious, and no one on the rivers and lakes can know our existence, even if it is a relative. Not even friends, or a great calamity will come, understand?"

When he said the last sentence, Fang Qifo was extremely serious, his voice was not loud, but he couldn't doubt it.

call!

Meihui took a deep breath and nodded quickly: "I know Master."

After that, Meihui said a little excitedly: "Master, after you teach me the practice, can you help me kill Zhang Jiao?"

Hearing this, Fang Qifo I couldn't help laughing: "Zhang Jiao is very strong, even if you learn all my skills, we will not be able to beat him together."

Ah?

Meihui looked disappointed, so what's the use of being a teacher?

At this moment, Fang Qifo continued: "You must know that we, the Thousand Faces, do not rely on our powerful cultivation strength to eradicate the wicked, but rely on the means of 'Wuxiang Qianmian'."

Mei Hui was stunned for a while, A thousand faces? Is it the disguising method that Master used just now? It's just a disguise, how can you deal with evil people?

Chapter 2630

Seeing Meihui's expression, Fang Qifo showed a confident smile: "Don't underestimate this 'without appearance and thousands of faces', it can not only change the appearance, but also the voice."

Change the voice?

Hearing these words, Mei Hui was stunned!

At this time, Fang Qifo did not hesitate, urging Wuxiang in front of him to transform into Meihui, and said, "Do you believe it now?"

When he said this, Fang Qifo's appearance was almost exactly the same as Meihui. Even the sound is vivid.

It is the essence of 'no phase, thousands of faces'.

hiss!

At this moment, seeing the master turned into himself, and the voices are exactly the same, Mei Hui's body is shocked, and the whole person is stunned!

This…. this faceless face, it's amazing!

If you use Wuxiangqianmian and change into someone close to Zhang Jiao, wouldn't it be easy to deal with him? Who would have thought that he was a relative by his side and someone else pretended to be?

Finally, Meihui reacted and couldn't hide her excitement. She smiled at Fang Qifo and said, "Master, you are amazing, I want to learn…"

Fang Qifo smiled and said seriously, "You must be thinking, This Wuxiang Qianmian, after learning it, can change into someone else's appearance at will, but as a teacher, I want to tell you that every time you use Wuxiang Qianmian, you have to pay a lot of price."

"This skill consumes the most internal energy and uses it. Once, it will cost you a month of cultivation, so remember, don't use it at will, understand?"

What?

Hearing this, Meihui was stunned for a moment. It took a month to practice once in actual combat? The price is really big.

But after thinking about it, if the price is not too big, if you can cast it at will, wouldn't it be invincible?

Next, Fang Qifo explained a few more words, and then began to teach the formula of Meihui Wuxiang Qianmian. Meihui is smart, she learns very seriously, and keeps the formulas in her heart.

A few hours passed and the sky was bright.

“You have a good time here, get some food for the teacher, and then inquire about the situation outside.” Fang Qifo stood up and said to Meihui, his eyes full of admiration.

This apprentice is extremely talented and can perfectly inherit the mission of the Thousand Faces.

Um!

Meihui nodded obediently, sat cross-legged, and began to comprehend.

Half an hour later, Fang Qifo brought back some delicious breakfasts. Speaking of which, Fang Qifo had always been alone, but suddenly there was a female apprentice, who naturally took care of him in every possible way.

However, Meihui was not in a hurry to eat, and her mind was on the exercises.

“Master, I realized it again, I’ll give it a try.” Meihui said excitedly.

“Good! Good!” Fang Qifo smiled and said, “Let Master take a look.”

Meihui nodded, began to recite the formula, and then activated her internal strength. Suddenly, she felt a special feeling on her face, and then her skin and facial features, Changes have taken place slowly.

After more than ten seconds, Meihui looked at Fang Qifo with a full smile: “Master, how is it?”

Haha…

Fang Qifo was very happy, laughed and praised: “I didn’t expect that your comprehension ability is so high, Not bad..”

I saw that Meihui at this time, a face changed to the appearance of Fang Qifo, but the voice did not imitate it, but it is very rare to have such an effect just after cultivating Wuxiang Qianmian. .

Fang Qifo clearly remembered that when he first learned, it took half a month to change his appearance, and the apprentice in front of him only took more than an hour, which was incredible.

Mei Hui also had a look of joy when she was praised by her master.

“Master, have you found any news?” Mei Hui asked impatiently.

The ultimate husband in Chinese chapter 2631-2640

Chapter 2631 I

got a blessing in disguise and worshipped a good master, but Sun Dasheng and Ren Yingying have no inner strength, and they don't know what happened.

Fang Qifo smiled and said, "I heard that Sun Dasheng and others were rescued by Qin Sheng. As for Zhang Jiao, he just secretly invited some sect leaders in Kyushu. I don't know what to do."

"This bad guy . , there will definitely be no good things." Mei Hui clenched her pink fist and said angrily.

Fang Qifo thought for a while: "On the way back just now, I saw the head of the Snow Mountain Sect in the Southern Cloud Continent. He should have been invited by Zhang Jiao. Let's eat first, try to catch him, and then pretend to be his. Look, go to see Zhang Jiao…"

This… seems a bit risky.

Hearing this, Mei Hui's body trembled a little, and she pretended to be a guest to see Zhang Jiao. You know, Zhang Jiao is not only cunning, but also very powerful.

However, seeing Fang Qifo's confident face, Mei Hui still nodded.

Soon, after eating, the master and the apprentice set off on their way.

As Fang Qifo said, he really met the head of the Snow Mountain Sect on the way. Fang Qifo did not hesitate at that time. After subduing, he got the invitation letter, and he showed his faceless face and became the head of the Snow Mountain Sect. look.

Mei Hui also slightly changed her appearance.

Afterwards, the master and the apprentice rushed towards the general altar of the Wutian Organization.

Along the way, Mei Hui felt very uneasy, but when she saw Master following by her side, she regained her courage.

After several hours of traveling, we finally arrived at the foot of Taiyin Mountain.

call!

At this moment, looking at the place where she was trapped, Meihui's heart was complicated, but her eyes were extremely firm.

This chapter is provided by . Visit for daily update.

At this moment, at the gate of the Wutian Organization's main altar, Zhang Jiao's two apprentices, Shen Fei and Su Li, were welcoming the distinguished guests. The handsome men and beautiful women were very eye-catching.

Fang Qifo walked over with Meihui and handed over the invitation letter. Everything went smoothly. I have to say that Fang Qifo's faceless face is really a magical skill, and his demeanor is the same as the real head of the Snow Mountain Sect. , no one in the room doubted.

Seeing this scene, Mei Hui felt more relieved, but she couldn't help looking at Su Li.

Meihui could not forget how vicious Zhang Jiao, a female disciple, was under her beautiful appearance.

It was at her suggestion that Zhang Jiao arrested Zhu Bajie again, and it was she who had brought people to the cell again and again to humiliate herself and Sun Dasheng and others.

The humiliation she suffered during the days she was locked in the cell will never be forgotten in her life.

Meihui knew that she was pretending to be a disciple of the head of the Snow Mountain Sect, but seeing Su Li as a woman, she couldn't help but feel the hatred in her heart.

You hurt me and my brothers and sisters, scattered and separated, and I will definitely make you pay the price.

Thinking to herself, Mihui clenched her fists secretly.

Seeing Meihui's gaze, who has been scrutinizing herself, Su Li was very surprised.

What happened to this Snow Mountain Sect disciple?

At this time, Su Li didn't realize that the girl in front of her was the lady of the Ouyang family who was pursued by the Wutian Organization.

"Head of the Snow Mountain Sect?"

Su Li smiled at Fang Qifo and asked, "Do you know me, this apprentice?"

Fang Qifo's brows moved, knowing that his apprentice couldn't hold back his emotions, so he How would you like to explain.

"do not know!"

At this moment, Meihui reacted and showed a charming smile: “I just think my sister is very good-looking and very close to people.”

When saying this, Meihui made a very well-behaved look.

Although your identity will not be exposed, you must also restrain your emotions.

Chapter 2632

“I’m very good at talking.” Su Li was in a good mood, and made a gesture of invitation: “Master is in the main hall, and has been waiting for a long time, everyone please come in.”

Fang Qifo nodded, took beauty, and entered Great Hall!

so many people? !

As soon as they entered, the master and apprentice were stunned, and they saw many familiar figures in the hall, which were very lively.

Almost dozens of sects from all continents have gathered. Although these sects are not top sects, the scene is a bit shocking when they gather together.

Fang Qifo kept calm, and took Mei Hui to find a seat and sit down.

At this time, the guests were almost all there, and the banquet began.

Whoa!

At the same time, Zhang Jiao appeared, causing the entire hall to be restless.

“Mr. Zhang!”

“Mr. Zhang, stay safe, huh…”

Everyone stood up to say hello, with a very polite attitude. You must know that Zhang Jiao has been famous for thousands of years. He once traversed the Kyushu continent. Three years ago, he helped Yang Jian fought in the east and west, and it can be said that he is famous. Who dares to be rude?

Meihui also stood up with Fang Qifo, but Meihui didn’t say anything, instead she frowned and looked at Zhang Jiao tightly.

“Master!” Mei Hui couldn’t help but said.

Fang Qifo lowered his voice: “Teacher, what’s wrong?”

“Master!” Mei Hui lowered her voice and said softly, “Zhang Jiao secretly invited so many people, there must be a conspiracy, we have to be careful.”

Mei Hui clearly remembered , A month ago, Zhang Jiao visited the Ouyang family alone, claiming to know the whereabouts of Yue Feng, which attracted everyone in the Ouyang family into the trap.

Seeing this scene now, Mei Hui has a feeling of deja vu. After all, Zhang Jiao is too cunning and has to guard against it.

Um!

Fang Qifo nodded and glanced at Meihui approvingly: “I understand, this time, we are here to investigate the news. If there is any sudden change, don’t panic…”

“Everyone!”

At this time, Zhang Jiao stood up slowly, looked around the audience, and said with a smile: “I am not very honored to be invited by you all, Zhang Jiao, please come, and come here, it is to enhance the feelings of our comrades in the rivers and lakes. Let’s discuss cooperation with you.”

Hearing this, the audience was in an uproar.

cooperate? What cooperation?

Fang Qifo and Meihui also frowned secretly.

Zhang Jiao smiled slightly and continued: “I know that all the sects present have a grudge with the Rakshasa clan. In my eyes, the savage people of the Rakshasa clan should be wiped out. It’s a pity that Yue Feng advocated that the Rakshasa clan should be destroyed. Rakshasa and talk.” The

voice fell, and many people nodded.

“Yes, those Rakshasa people are savage and rude, and it is the worst decision to live in peace with them.”

“I get angry when I see those Rakshasa people.”

“Three years ago, in order to fight against the Rakshasa, my disciples Disciples have suffered countless casualties…”

Hearing the surrounding discussions, Mei Hui realized that the sects who were invited were all hostile to the Rakshasa clan.

What is this corner going to do?

“Haha…”

Zhang Jiao was very satisfied with the scene in front of him, and smiled: “It seems that we have reached a consensus to deal with the Rakshasa together, and there is a second thing, I hope to get everyone’s support. .”

Everyone looked at each other and spoke.

“Mr. Zhang, feel free to say anything.”

“Yes, as long as we can do it, we must do it.”

On the issue of the Rakshasa, Zhang Jiao won everyone’s sense of recognition. It is an honor to cooperate, and at this time, we are trying our best to express our attitude.

Seeing that the fire was almost over, Zhang Jiao’s expression became solemn, and he said slowly: “The second thing, I want everyone to help me deal with Yue Feng.”

Chapter 2633

What? To deal with Yue Feng?

At this moment, everyone present was stunned!

You must know that Yue Feng is a famous figure in the Kyushu Continent. He is powerful. In the three-year period, he even led the Kyushu Continent and defeated the Rakshasa army.

Under the shock, many people looked at each other, unable to say a word!

Meihui frowned, her heart froze.

I knew that this Zhang Jiao was uneasy and kind, and he showed his fox’s tail so quickly. Want to unite so many sects to deal with the big brother?

Aware of everyone’s astonishment, Zhang Jiao chuckled lightly: “I know what you are worried about, Yue Feng is powerful, and Tianmen, but for me, it is nothing to be afraid of.”

“Although this person has justice in his heart, he is too much. The benevolence of a woman, the advocacy of peace talks with the Rakshasa is an example. At that time, we fought with the Rakshasa. How many people died? How much blood was shed?”

“Also, the relationship between Yue Feng and the Rakshasa is delicate, and we have to deal with it. The Rakshasa clan must be obstructed by Yue Feng, so this person must be removed.”

After saying the last sentence, Zhang Jiao’s eyes slowly swept across the audience, a powerful aura that made people palpitate.

“This…. it seems reasonable…”

“But… Yue Feng is very strong, even if we join forces, I’m afraid…”

After a few seconds, everyone reacted one by one and couldn’t help it. Open your mouth.

Feeling everyone’s doubts, Zhang Jiao smiled confidently: “Everyone doesn’t need to worry, to deal with Yue Feng, you don’t need to take action, you just need you to provide me with clues.”

Yes, the giant dragon suddenly appeared at that time, and Yue Feng disappeared. , Zhang Jiao sent people to search for a few days without a clue, and the more he couldn’t find it, the more anxious Zhang Jiao became.

In the end, Zhang Jiao thought of this method and used the power of these sects to investigate Yue Feng’s whereabouts.

Zhang Jiao has a cunning temperament and acts cautiously. He knows that he will deal with Yue Feng from the beginning, and these sects will definitely be timid, so he will mention the Rakshasa first to gain everyone’s sense of identity.

At this moment, Zhang Jiao summoned the opening axe and another thing, and said loudly: “I promise, after getting rid of Yue Feng and the Rakshasa clan, I will share Kyushu with everyone present.”

Wow!

Seeing what Zhang Jiao took out, the audience was shocked.

I saw that a golden axe and an exquisite pagoda, both treasures, were filled with incomparably full spiritual power.

It is Kaitian Axe and Linglong Tower.

Yes, after Yu Wenyan was framed by Zhang Jiao, he was rescued by Yue Feng at a critical moment, but did not take the Linglong Pagoda. Later, Zhang Jiao got the Linglong Pagoda in the secret room where Yu Wenyan practiced.

This… these are two peerless treasures.

At this moment, everyone looked at the two treasures, and their hearts were shocked.

Mei Hui was shocked, and her delicate face was full of resentment and complexity.

The eldest brother's Linglong Tower is actually in Zhang Jiao's hands.

Haha…

Finally, the translators came over, and I don't know who shouted: "If you can get two peerless treasures, Mr. Zhang is indeed a genius of the sky, and I will cooperate with you.

" I express my support every word.

"Yes, that Yue Feng, although powerful, is indeed too kind."

"The Kyushu Continent needs people like Mr. Zhang!"

Hahaha! Everyone hit it off and laughed in unison.

Seeing this scene, Mei Hui was so anxious that she looked at Fang Qifo: "Master, what should I do?"

Fang Qifo shook his head, indicating that she should not be in a hurry, and then continued to watch the situation in front of her.

"Okay!"

Hearing everyone's response, Zhang Jiao was overjoyed and ordered someone to bring a covenant: "Since everyone agrees and the saliva is unfounded, let's make a blood alliance and put a handprint on the alliance letter, and we will be ourselves in the future. It's gone." The

voice fell, Zhang Jue slashed his fingers with a dagger, and pressed the bloody handprint first.

At this moment, many people stepped forward one after another, imitating others and pressing their fingerprints.

Chapter 2634

Fang Qifo also pressed the handprint, anyway, since he is the head of the fake Snow Mountain Sect, it doesn't matter if he pressed the handprint.

When the covenant was reached, Zhang Jiao was very happy, raised his glass, and celebrated with everyone.

“Teacher!”

Seeing Meihui’s expression, Fang Qifo comforted in a low voice, “Don’t worry, Zhang Jiao will leave everyone here to rest tonight. When the time comes, let’s see if there is a chance to join Kaitian Axe and Linglong. The tower was stolen.”

Hmm!

Meihui nodded heavily, a look of anticipation in her eyes.

Originally, seeing so many sects united to deal with the elder brother and the Rakshasa tribe, Mei Hui was anxious, but when she heard Fang Qifo’s plan, her heart suddenly calmed down a lot.

Without the Kaitian Axe and the Linglong Pagoda, where is Zhang Jiao still the eldest brother’s opponent?

…

the other side!

Qingyunzong, Yue Feng got a lot of news with the help of Ye Meng. The weather royal family and Tianmen attacked the main altar of the Wutian Organization, but they returned without success. The whereabouts of the Ouyang family, Sun Dasheng and Ren Yingying are unknown.

Knowing these circumstances, Yue Feng was in a hurry.

Yue Feng thought about it, first go to Tianmen to gather everyone, and then find a way to find Sun Dasheng and the others.

At this moment, inside the hall. “Master!” Ye Meng took Yue Feng’s arm, her beautiful face was full of reluctance: “Are you really leaving

now?”

Very reluctant.

Yue Feng showed a wry smile and nodded.

“Otherwise, I’ll be with you.” Ye Meng said expectantly.

Yue Feng shook his head: “This is a grievance between me and Zhang Jiao, and I can’t implicate you.” You must know that Zhang Jiao is ruthless, and he will pay for it, and he cannot implicate the Qingyun Sect.

Next to it, Xie Cai and some Qingyun Sect disciples stood there politely.

Especially Xie Cai, knowing that Ye Meng was called Yue Feng’s apprentice, was even more uncomfortable. This girl was lucky, but even though she was upset, because Yue Feng was on the side, Xie Cai didn’t dare to show it.

“The head is back.”

At this moment, a disciple called out from outside, and then, a middle-aged man with extraordinary equipment walked in slowly, it was the head of Qingyunzong, Ye Changsong.

“Father!”

“You’re back!”

Seeing Ye Changsong, Ye Meng and Xie Cai shouted almost at the same time, and greeted him with a smile.

Afterwards, Ye Meng pulled Ye Changsong’s sleeve and looked very proud: “Dad, we have a big man in Qingyunzong, and I have successfully apprenticed, do you see who it is?” The

voice fell, Ye Meng laughed Yingying looked at Yue Feng with joy on her face.

Apprenticeship?

Ye Changsong was stunned for a moment. His adopted daughter was extremely talented in cultivation, and there were not many heroes in the world who could make her look right. How could anyone have such a great charm that she could be so happy to be a teacher.

Muttering in his heart, Ye Changsong’s eyes fell on Yue Feng.

“Sect Master Ye!” Yue Feng smiled slightly, and cupped his hands: “Yue Feng hastily visited, what a disturbance!”

Buzz!

Hearing this, Ye Changsong was shocked, and the whole person was dumbfounded, staring blankly at Yue Feng, speechless.

Tianmen Sect Master Yue Feng?

Yes, Ye Changsong also attended Zhang Jiao's banquet, and also pressed his handprint on the covenant. Because Qingyunzong had important things to do, he didn't stay at the Wutian Organization's main altar and came back early.

At this time, Ye Changsong only felt that his whole head was buzzing.

A few hours ago, I just made an appointment with Zhang Jiao to deal with Yue Feng and the Rakshasa clan together. I never thought that Yue Feng was actually in the Qingyun Sect, and he was also his daughter's master.

This makes people, a little caught off guard.

"Ha ha…"

Chapter 2635

Finally, Ye Changsong reacted and clasped his fists at Yue Feng with a smile: "Sect Master Yue is here, it really makes my Qingyun Sect flourish." As

soon as he finished speaking, Ye Meng walked over and said: "Father, Master When we are in trouble, Zhang Jiao designed to frame the Ouyang family, let's help Master."

After speaking, Ye Meng explained the situation in detail.

Father is back, as long as he is willing to help, Master may not leave for the time being.

This….

Ye Changsong's face was embarrassed.

In the next second, Ye Changsong squeezed out a smile and said to Yue Feng, "I didn't expect that Zhang Jiao would be so abhorrent. Please wait for Sect Master Yue, and let me think about it."

"Thank you Sect Master Ye!" Yue Feng nodded. .

Yue Feng didn't want to implicate Qingyunzong at first, but seeing Ye Changsong say so, it's not easy to refuse.

Ye Changsong said no more, walked out of the hall and went to the back wing.

Xie Cai, who was on the side, saw that her husband looked a little strange, so she quickly followed.

“Changsong, what’s the matter?”

Xie Cai couldn’t help asking as soon as he entered the room.

Ye Changsong smiled bitterly and looked at Xie Cai: “Madam, guess who is the head of the Wutian Organization who invited me to the banquet this time?”

“Who?”

“It’s Zhang Jiao!” Ye Changsong said complicatedly.

What?

Xie Caijiao’s body trembled, and she was immediately stunned.

Ye Changsong sat on the chair, and suddenly became worried: “At the banquet, Zhang Jiao advocated to deal with the Rakshasa clan and Yue Feng, and he also made an alliance with blood, who would have thought that Yue Feng was actually in our Qingyun Sect, and he became a Meng’er’s master. This is a bit difficult.”

When he said this, Ye Changsong felt melancholy. He asked Yue Feng to wait for a while, but he didn’t know what to do for a while and wanted to calm down.

You must know that Yue Feng is very strong. If you let him know that he and Zhang Jiao will join forces to deal with him, they will definitely not let Qingyunzong go.

But if he let him go, Zhang Jiao knew that he would be just as troublesome.

Seeing his melancholy face, Xie Cai turned her eyes and said angrily: “What’s so rare, since you and Zhang Jiao are allied, just find a way to catch this Yue Feng.”

Ye Changsong heard the lotus picking. He smiled bitterly: “You said it lightly, Yue Feng is now Meng’er’s master…”

Before he could finish, Xie Cai interrupted.

“Meng’er, Meng’er, you know Meng’er.” Xie Cai’s delicate face couldn’t hide her disgust: “She is just an adopted daughter you picked up, do you still take it seriously? It’s just a wild girl, these Years, but you hold it in the palm of your hand, like a princess…”

When it came to Ye Meng, Xie Cai couldn’t help but get angry.

Ye Changsong opened his mouth, not knowing how to refute for a while.

At this time, Xie Cai breathed a sigh of relief and was silent for a long time, then said: “Think about it now, although Yue Feng is a famous figure in Kyushu, but that was also

three years ago, the scenery was long gone, and Zhang Jiao was organized without heaven. The head, and there are so many allies, you can decide which is more important."

"If you offend Zhang Jiao, our entire Qingyun Sect will be in trouble."

Hearing this, Ye Changsong was silent for a moment, after a struggle in his heart, Still nodding: "Okay! I know how to do it."

A few minutes later, Ye Changsong returned to the main hall.

"Sect Master Yue!"

Ye Changsong looked at Yue Feng and said with a smile: "To be honest, on the way back just now, I accidentally got news from Dasheng Sun."

Really?

Yue Feng's eyes lit up, and he was very excited: "Please tell me the whereabouts of Sect Master Ye."

Ye Changsong smiled: "I heard that Sect Master Yue and Sun Dasheng have a deep relationship, which is really enviable, I will wait for it. Send a disciple to investigate, find Sun Dasheng, and bring him to meet Sect Master Yue."

After speaking, Ye Changsong said with sincerity: "Sect Master Yue, a generation of heroes, came to my Qingyun Sect, and accepted a little girl as a disciple, and we will be a family from now on. Well , such a happy event, you must drink a few glasses."

When the last sentence fell, Ye Changsong's eyes flashed with complicated light.

Yes, Ye Changsong didn't really want to entertain Yue Feng, but wanted to keep him in this way. Just now, Ye Changsong had sent his disciples to pass news to Zhang Jiao.

The ultimate husband in Chinese chapter 2636-2640

Chapter 2636

Seeing Ye Changsong's sincere face, Yue Feng was very embarrassed: "Then I will trouble the head of Ye." To be

honest, Yue Feng wanted to leave immediately, but it was difficult to show the kindness.

Moreover, Zhang Jiao has countless eyes and ears, and is looking for his own traces. If he really wants to be discovered, he will be very passive.

“Haha…”

Seeing Yue Feng agree, Ye Changsong was very happy and waved his hand: “Quick, go get

the wine and food ready.” Upon hearing the order, Xie Cai hurriedly called the disciple to do it.

Seeing this scene, Ye Meng was very happy, Yue Feng chose to stay, and he had more opportunities to ask for advice.

Seven o’clock in the evening.

The living room was filled with a lively atmosphere. Under Yang Changsong’s arrangement, a sumptuous banquet had been prepared.

There are four people at the table.

Yue Feng, Ye Changsong, Xie Cai, Ye Meng.

Ye Changsong was very enthusiastic, chatting with Yue Feng with a smile, and at the same time, he did not forget to make a toast.

Ye Changsong thought about it, first, he used alcohol to reduce Yue Feng’s vigilance, and when Yue Feng was drunk, he would look for an opportunity to subdue him. After all, Yue Feng’s strength is too terrifying.

Yue Feng had a smile on his face, but it was difficult to calm down in his heart.

Although Ye Changsong had agreed to send his disciples to find Sun Dasheng and bring Qingyun Sect, Yue Feng was still a little worried.

This chapter is provided by . Visit for daily update.

Three rounds of wine.

Seeing that Yue Feng was a little drunk, Xie Cai thought of something, and looked at Ye Meng with a smile: “Meng’er, you are so lucky, you have worshipped such a good master, and I will have a few more toasts later.”

When saying this, Xie Cai’s face was full of smiles, but her eyes flashed coldly. As long as Yue Feng is drunk, her husband will have the opportunity to take action.

Ye Changsong on the side also smiled and nodded in agreement.

Hearing this, Ye Meng quickly poured wine for Yue Feng.

Although he and Xie Cai have always been discordant, this time, Ye Meng agrees with the adoptive mother's words very much, knowing that a big man like Yue Feng doesn't have many opportunities to sit and drink with him.

As a disciple, I naturally have to toast a few more cups.

Yue Feng waved his hand: "It's almost there, if you don't drink anymore, you'll be drunk again." The

life and death of family and friends are uncertain, and they really don't feel in the mood to drink so much. Moreover, Yue Feng once thought of being killed by Ye Ziyi in Mingjian Villa. When the cousin got drunk, that Dong Long was insidious and cunning, tricked himself into getting drunk, and then got himself into Ye Ziyi's room, causing a misunderstanding…

Thinking of this, Yue Feng became much more cautious.

This…

Seeing this scene, Ye Changsong frowned secretly, this Yue Feng is so cautious, what should he do next?

After thinking about it, Ye Changsong suddenly had a new plan, and turned his head towards Ye Meng and said, "Meng'er, I remember that you like alchemy very much, but it's a pity that you don't have a good teacher to teach you.

" As a disciple, you have to ask for more advice."

Hearing this, Ye Meng's eyes lit up, pulling on Yue Feng's sleeve, coquettishly said: "Master, you teach me Alchemy, I have obtained a few pill recipes, but unfortunately I don't know the trick and have been unable to refine it."

When he said this, Ye Meng's beautiful face was full of expectations, and his father didn't say it, he almost forgot. , Master is still a master of alchemy.

"Okay!"

Yue Feng showed a smile, looked at Ye Meng and said, "What kind of medicinal pills did you make, tell me…"

Ye Meng quickly said the names of a few medicinal pills. At the end, he pulled Yue Feng and said: "Master, why don't we go to the alchemy room now, you can make it for me on the spot, and let me learn…"

"Nonsense!"

Ye Changsong couldn't help scolding: "I'm drinking, how can I go to the alchemy room? ?" Saying so, Ye Changsong couldn't help but stand up.

Yes, Ye Changsong's purpose was to ask Yue Feng to go to the alchemy room. When he arrived at the alchemy room, he could capture Yue Feng without any bloodshed.

Chapter 2637

"Okay, let's go and see." Yue Feng said with a smile.

My apprentice, smart and beautiful, is really attractive.

A few minutes later, guided by Ye Meng, Yue Feng came to the alchemy room, and Ye Changsong and Xie Cai followed.

I have to say that Qingyunzong is worthy of being a big sect. The alchemy room is very spacious, the size of three or four basketball courts, and it is decorated in an antique style.

Yue Feng could see that the shelves around the alchemy room were filled with various precious herbs.

"Master!"

At this time, Ye Meng walked up to an alchemy furnace and asked for advice very humbly: "The last time I alchemy was two months ago, when I made a Xuanling pill, but unfortunately I tried it many times. All failed."

Xuanling Pill?

Hearing this, Yue Feng couldn't help laughing and said, "It's actually not difficult to make Xuanling Pills, just control the ratio of heat and materials."

In Wuji Pills, Xuanling Pills is a medium Pills, with Yue Feng's alchemy accomplishments at this time, can be refined with eyes closed.

"I'll show you a demonstration for the teacher." Yue Feng said, walked to the shelf, selected a few materials, and then began to refine the medicine pill.

Ye Meng was extremely excited, watching Yue Feng's movements closely, not daring to blink at all.

call!

On the other hand, Ye Changsong and Xie Cai looked at each other deeply.

Especially Ye Changsong, he was nervous and somehow excited.

Just now, he added something to the materials that Yue Feng needed. At that time, Yue Feng talked to Ye Meng again, and he didn't pay attention at all.

Time passed by minute by minute.

It originally took ten minutes to refine the Xuanling Pill, but Yue Feng succeeded in refining it in less than five minutes.

Um?

However, just when Yue Feng was about to take out the medicinal pill, he suddenly realized that something was wrong and couldn't help frowning.

At this time, Yue Feng's face was a little bad. It was strange. He was fine just now, why is he so soft now that he can't exert any strength?

Not only that, but the inner strength can't be released! Dantian seems to be suppressed by an invisible force!

How could this be? Poisoned yourself?

call!

Seeing this scene, Ye Changsong took two steps forward and asked cautiously, "Sect Master Yue, what's wrong?"

While speaking, Ye Changsong paid close attention to the changes in Yue Feng's expression.

Yue Feng did not respond immediately, but took out the refined medicinal pill, but when he saw the color of the medicinal pill, Yue Feng vaguely guessed something.

"Sect Master Ye, there is something wrong with your alchemy materials."

Huh?

Ye Changsong's face changed, and he pretended to be shocked: "Why did Sect Master Yue say this?"

Ye Meng didn't know the situation, but when he saw Yue Feng's face was wrong, he panicked inexplicably: "Master, what's wrong with you?"

Yue Feng took a deep breath, looked at Ye Meng, and said slowly: "The ingredients used to make Xuanling Pills should have been mixed with fragrant powder."

“Shixiang powder is a colorless and odorless poison. If the medicine is mixed into the alchemy material, it will destroy the effect of the elixirs. In other words, the Xuanling Pill I made just now has no effect.”

“Also, in the process of refining the elixirs, I didn’t realize it. Inhaled incense powder, has been poisoned.”

What?

Hearing this, Ye Mengjiao’s body trembled, and the whole person was blinded.

How could this be? In the alchemy room of Qingyunzong, no one can come in casually, and the alchemy materials are also strictly screened, how could there be a problem?

Chapter 2638

“Haha…”

At this moment, Ye Changsong couldn’t help laughing, and said to Yue Feng: “Sect Master Yue, you don’t have to guess, I just put the fragrant powder in.”

What?

Yue Feng was shocked and angry, and his heart was also extremely shocked! This…why did Ye Changsong do this? I don’t have any grudges with him at all, on the contrary, I have become his daughter’s master, so why hurt me?

Ye Meng next to him was also stunned, staring blankly at Ye Changsong, speechless.

call!

At this moment, Ye Chang heaved a sigh of relief and looked at Yue Feng in a complicated manner: “Sect Master Yue, I’m sorry, I have to do it too, to tell you the truth, I attended a banquet before, and this banquet was hosted by Zhang Jiao. “

Zhang Jiao?

Hearing this, Yue Feng’s heart was shocked, and he suddenly understood something: “Are you from Zhang Jiao?”

No wonder he plotted against himself, it turned out to be Zhang Jiao’s accomplice.

Ye Changsong shook his head: “Sect Master Yue is wrong, I’m not Zhang Jiao’s person, I just have a cooperative relationship with him, don’t blame me, if Zhang Jiao knows that you are here with me, and I still treat you with courtesy, Our Qingyun Sect will be in big trouble.”

“You…” Yue Feng was shocked and angry, glaring at Ye Changsong, angrily.

Unexpectedly, this Ye Changsong looks elegant, but he is a hypocrite. What’s even more irritating is that he was so vigilant that he was planted in his hands in the end, which is a shame!

At this moment, Ye Meng reacted with anger on her pretty face, she couldn’t help shouting at Ye Changsong: “Dad, you are crazy, why do you do this, he is my master.” As he

spoke, Ye Meng came over, Block in front of Yue Feng.

Today, no matter what, the master cannot be harmed in the slightest.

Ugh!

Ye Changsong sighed, not knowing how to explain.

At this time, Xie Cai sneered, looked at Ye Meng, and said slowly: “Xiao Meng, why are you talking to your father? Although Yue Feng is famous, but now and then, your father has already said that he and Zhang Jiao has cooperated, Zhang Jiao is a big man who has been famous for thousands of years, and I don’t need to say more about his strength.”

“For the sake of a master you just worshipped, to provoke an existence like Zhang Jiao, do you want the entire Qingyunzong to follow you? Buried together?”

Hearing this, Ye Mengqi’s delicate body trembled.

It turned out that in their eyes, nothing could compare to the safety of Qingyunzong.

At this moment, Ye Mengmeng was about to refute, but her face suddenly changed before she opened her mouth. She clearly felt that her inner strength could not be exerted, and at the same time, her whole body was soft.

Yes, when Yue Feng was concocting pills just now, she was very close, and she also inhaled the fragrant powder.

“I…my inner strength…” Ye Meng’s red lips parted lightly, and before she could finish speaking, the suburbs swayed, and she fainted directly to the ground.

Whoops!

A hint of distress flashed in Ye Changsong’s eyes, but he still called his disciples, helped Ye Meng down, and at the same time, sent Yue Feng to the cell.

Yue Feng was affected by the fragrant powder, and his internal power was extremely disordered, and he couldn't exert it at all, and he had no resistance.

Boom!

A few minutes later, Yue Feng was taken into the Houshan cell. As the cell was closed, Yue Feng looked at the dim environment in front of him and felt bitter in his heart.

The next second, seeing other people in the cell, I was stunned.

I saw three people sitting quietly in the corner of the cell, two men and one woman.

The two men were both tall and mighty in their forties. Seeing that the grades were not much different, they both had unruly sneers on their faces.

The woman is about twenty-five, with delicate features, showing a bit of heroic spirit, wearing a black leather skirt, showing a wild beauty, indescribably charming and sexy. On her, Yue Feng saw the first woman in the Apocalypse Continent. God of War, the shadow of Xing Yao.

Yue Feng could tell from the clothes of the two men and one woman that they were all from the Rakshasa clan!

Speaking of which, since the Kyushu Continent and the Rakshasa clan had peace talks three years ago, the world has been peaceful, but the sects of each continent are still very hostile to the Rakshasa clan.

After all, in the war that year, many people died in various sects.

However, now that the peace talks have been concluded, the major sects are still very rational, and they have not reached the point where they will act upon seeing the Rakshasa clan. These three people are imprisoned here, and there must be a conflict with the Qingyun Sect.

call!

Chapter 2639

Feeling the strength of them, Yue Feng couldn't help taking a deep breath.

It turned out to be the realm of Fifth Stage Martial Sovereign.

Swish!

At the same time, the three of them also discovered Yue Feng, and their eyes suddenly came to him.

The eyes of the two men were very bad, and only the woman looked very curious.

Yue Feng nodded politely to say hello: “My name is Fengtao, I don’t know what the three of them are called?”

Being locked together means that they are destined, but Yue Feng did not intend to reveal his identity. After all, it is too much to be plotted against Ye Changsong Shame.

When the words fell, the woman nodded at Yue Feng: “Hello, my name is Zang Yunyue, this is my elder brother Zang Shuiyue, and my second brother Zang Huoyue.”

When she said this, Zang Yunyue Luoluo was generous and was righteous. It is the unique personality of Rakshasa women.

It was three siblings.

Yue Feng smiled and nodded, but the name sounded very special.

“Little sister!”

At this moment, the second brother Zang Huoyue frowned: “What are you doing with this Kyushu man?” His words were full of hostility towards Yue Feng.

Zang Shuiyue, who was next to him, also nodded in agreement: “Yes, the people from Kyushu are the most treacherous, ignore him.”

After speaking, Zang Shuiyue looked up and down at Yue Feng: “Boy, we are not familiar with you, don’t think about getting too close, We have no interest in making friends with you.” The

last sentence fell, Zang Shuiyue pulled Zang Yunyue and sat down, ignoring Yue Feng.

Uh….

Feeling the hostility between the brothers, Yue Feng couldn’t help laughing.

The most important thing now is to expel the poison of the deterrent powder in the body as soon as possible, and quickly restore the strength.

Muttering in his heart, Yue Feng sat there cross-legged and began to practice silently.

Before I knew it, two hours passed.

At this time, Yue Feng was about to expel the soul-repelling incense that he had inhaled. Suddenly, he heard a strange movement from the side.

What the hell!

Yue Feng opened his eyes subconsciously and was stunned when he saw the scene in front of him.

I saw that in the corner in front of me, three gaps were dug out by the three brothers and sisters. At this time, the boss, Zang Shuiyue, was sticking his head out to see the situation outside.

“It’s safe, we can leave now.”

“That’s great!”

As they were talking, the three siblings were stunned when they saw Yue Feng’s gaze.

The next second, Zang Shuiyue said coldly to Yue Feng: “Boy, you are lucky today, you met the three of us, but after you go out, you’d better keep your mouth tight. Do you hear me?!

” , Zang Shuiyue drilled out first, followed by Zang Huoyue, and finally the little sister Zang Yunyue.

“Alas!”

Just when Zang Yunyue was about to go out, she tilted her head and smiled at Yue Feng: “After you go out, run for your life, don’t get caught again.” Zang Yunyue is

kind-hearted and treats Yue Feng well Good impression, kindly reminded.

Yue Feng smiled, nodded his thanks, and then got out.

call!

When I got outside, I saw that this was the back mountain of Qingyunzong. It was covered with dense forests, the environment was complicated, and there was a cliff next to it.

Yue Feng saw that the three brothers and sisters were talking about something while walking towards the back of the mountain, as if they were looking for something.

What are these three Rakshasa people going to do?

Unable to hold back his curiosity, Yue Feng followed.

Chapter 2640

Finally, in front of a cliff, the three siblings stopped.

Through the moonlight, Yue Feng saw that the little girl Zang Yunyue took out an ancient blueprint and was looking at something carefully, talking while looking at it.

The two brothers Zang Shuiyue kept looking for something on the cliffs. The cliffs were full of vines, and Yue Feng was so far away that they could not see clearly.

Kachacha…

After more than ten seconds, Yue Feng was shocked to see what the three brothers and sisters had found, and the cliff slowly cracked a gap, revealing a hidden cave.

How did they know, the secret of Qingyunzong's back mountain?

Yue Feng frowned secretly, his curiosity became heavier and heavier.

The three siblings were very excited, and then dodged into the cave.

Yue Feng didn't have time to think about it, and quickly followed.

Just arrived at the entrance of the cave, suddenly, a figure flashed out, blocking Yue Feng's eyes, it was Zang Shuiyue.

"Boy!"

Zang Shuiyue's eyes flashed with suffocation, and she said coldly at Yue Feng: "If you don't want to die, leave quickly." Just now, he noticed that Yue Feng was following behind.

"Where is it?" Yue Feng did not panic at all, and said lightly: "How do you know the secret of Qingyunzong's back mountain?"

Zang Shuiyue did not answer, but looked at Yue Feng coldly.

At this time, Zang Shuiyue wanted to kill Yue Feng, but she was afraid that the movement would attract the disciples of Qingyun Sect, so she held back.

"If you're really not afraid of death, come in!"

Finally, Zang Shuiyue was too lazy to talk nonsense, and said to Yue Feng: "The danger inside is not what you can imagine. It is really dangerous at that time. Don't blame me for not reminding you, and don't expect us to save you.

" , turned around and walked in.

Scaring me?

Yue Feng couldn’t help laughing, and followed in without the slightest hesitation.

hiss!

As soon as he entered, Yue Feng was stunned.

I saw a huge stone formation in front of me. The whole stone formation is composed of dozens of huge stone pillars. These stone pillars have a long history at first glance, and they are filled with a vast ancient atmosphere.

The stone formations are arranged in a disorderly manner, seemingly disorganized, but in fact, there are hidden secrets.

This…

After a full ten seconds, Yue Feng reacted.

If someone else came in, they would definitely lose their way, but to Yue Feng, he didn’t panic at all.

Yue Feng could see that this was an ancient ‘Liuyi’ formation. In the Baiqishen formation, the Liuyi formation was an upper-middle formation, and it was not difficult to decipher it.

What makes Yue Feng puzzled is that the three brothers and sisters are not only powerful, but they can even crack the Six Righteous Array. Because Yue Feng saw that there were no three brothers and sisters in the formation, apparently they passed through successfully.

It seems that Zang Shuiyue knew this formation just now, so she scare herself.

Thinking of this, Yue Feng showed a smile and walked into the formation. Soon, he successfully passed through this six-righteous formation.

Enchantment?

After passing through the formation and seeing the scene in front of him, Yue Feng’s expression suddenly became solemn.

I saw that there was a protective film at the entrance of the channel in front of me. This protective film continued to fluctuate like water marks, which was very peculiar.

Where is this place, not only the Six Righteousness Array, but also the enchantment?

Muttering in my heart, Yue Feng suddenly walked into the enchantment!

“Om!”

At this moment, Yue Feng felt his head as if it was about to explode, and then, the enchantment enveloped him.

The ultimate husband in Chinese chapter 2641-2650

Chapter 2641

At this moment, Yue Feng only felt a powerful pressure sweeping through his body! I don't know how to describe that feeling, as if my body was being squeezed in all directions, it was very uncomfortable.

At the same time, Yue Feng's eyes were also completely dark, and he couldn't see anything at all, he could barely see his fingers. The body is also completely suspended.

I don't know how long it took, Yue Feng's feet fell on the ground!

call!

Yue Feng took a deep breath, slowly opened his eyes, and was immediately stunned!

As you can see, there is a huge underground town in front of you! Like a paradise.

Yue Feng saw that this place was several times larger than Donghai City. At first, he thought it was an ancient tomb, but slowly he discovered that it should be the ruins of an ancient city. It should be because of the war, and it was finally buried underground. Because Yue Feng saw that many houses had traces of fighting, as well as the remains of weapons…

Moreover, the characters left by some houses were extremely ancient.

Yue Feng took a deep breath, calmed himself, and then slowly walked forward. The three brothers and sisters don't know where they went, but if they can find it, they must know where it is!

Crash… After

walking more than 100 meters, Yue Feng heard the sound of running water on the right side.

At this moment, Yue Feng was faintly excited, and if there was flowing water, it proved that there was an exit.

Soon, Yue Feng found an underground river.

However, at this time, Yue Feng saw a slender figure standing on the bank of the river, her delicate body trembling, it was the younger sister of the three siblings, Zang Yunyue.

In front of Zang Yunyue, in the center of the underground river, a huge body was hunched over, staring coldly at Zang Yunyue.

This chapter is provided by . Visit for daily update.

It's a giant python!

Yue Feng glanced at it, and while he was shocked, he was also extremely puzzled.

This is a black sand python with a huge body, about the same size as the one that was about to turn into a dragon that I saw in the Wild and Strange Domain Death Valley before.

It's just….this is the mainland of Kyushu, how can there be a black sand python? Isn't this kind of beast only in the wild and strange realm?

"Hello? Why did you come in? Hurry up, it's dangerous here." This is, Zang Yunyue also found Yue Feng, and her delicate face was full of anxiety.

Yes, after the three brothers and sisters entered the barrier, they were immediately sent to different places and temporarily separated. Just when Zang Yunyue was about to look for her two brothers, she suddenly came across this black sand python.

Although Zang Yunyue was in the realm of the fifth stage Martial Emperor, her strength was not too low, but this black sand python was also a beast of the Martial Emperor realm. As a woman, it would be very difficult for her to kill this black sand python.

In Zang Yunyue's eyes, even herself was not sure of defeating this black sand python, and the person in front of her was even more impossible.

Hiss….

As soon as the voice fell, I saw the black sand python king hissed and rushed towards Zang Yunyue! The speed is almost as fast as lightning.

Zang Yunyue's face changed, her jade hand raised, summoned a machete, and cut it directly.

"Stab!"

This knife cut down and saw a white mark left on the body of the black sand python. It did not cause much damage, but it also stimulated the fierceness of the black sand python. With a sweep of its tail, Yue Feng directly Sweep away!

"call!"

Zang Yunyue flew out more than ten meters, and felt that the river was turned upside down in the stomach, and a mouthful of blood spurted out.

At this moment, the black sand python's tail swung over again.

Zang Yunyue didn't stand up yet, she didn't have time to dodge, her face suddenly pale and a little desperate.

Whoosh!

Seeing this scene, Yue Feng didn't have time to think, his body flashed, and he rushed directly to the top of Heisha Python's head.

Pfft!

This palm contained Yue Feng's sixth-layer internal strength, and the black sand python let out a whimper and died instantly.

Seeing this scene, Zang Yunyue's delicate body trembled, and she was immediately dumbfounded. This person, seemingly ordinary, didn't expect his strength to be so terrifying?

Who is he?

Chapter 2642 The

heart was shocked, Zang Yunyue was about to stand up, but her delicate body trembled, and she couldn't exert any strength.

I have to say that the black sand python was too strong just now, and was swept by its tail, and Zang Yunyue was seriously injured.

Seeing this scene, Yue Feng couldn't help but said: "Don't worry, you just suffered a little shock, you'll be fine after a rest."

Having said that, Yue Feng thought of something and asked, "By the way, what is this place? I see that your three brothers and sisters are very familiar with this place."

This…

Zang Yunyue bit her lip lightly and hesitated: "This place used to be the clan of our Rakshasa clan, and this ruin was thousands of years ago. , a city built by our Rakshasa clan. Later, because of the anger of Emperor Xuanyuan, the clan land was taken back, and the clan people were forced to be exiled into the wild and strange realm."

When saying this, Zang Yunyue's eyes flashed with confusion, you know, this is theirs The secret must never be told to outsiders, especially those from Kyushu, but Yue Feng saved his life. It would be inappropriate to hide it from the benefactor.

It turned out to be so.

Hearing this, Yue Feng nodded suddenly, no wonder the place looks so vicissitudes.

At this time, Zang Yunyue continued: "When we were forced to leave, our ancestors left some things here. Our three brothers and sisters found it here because they were looking for those things. Unexpectedly, we just found this place two days ago. It was discovered by the people of Qingyunzong, who thought that we were spies of the Rakshasa clan, and if it was not good for Qingyunzong, they imprisoned us."

After saying the last sentence, Zang Yunyue smiled at Yue Feng: "This is The secrets between our brothers and sisters can't be told to others, you have to keep them secret for me, especially when you meet my two brothers, don't tell them, otherwise, I will be scolded again."

His eyes flashed with anticipation, he said Incredibly charming and cute.

Yue Feng showed a slight smile, nodded and said, "Okay, I won't say it."

Unexpectedly, among the Rakshasa clan, there are also women with such a gentle personality.

Boom…

At this moment, there was a vibration not far away, obviously the mechanism of which room was touched.

Zang Yunyue was suddenly a little anxious and wanted to go there to see it, but she couldn't use any strength, so she couldn't help but said to Yue Feng: "Fengtao…you…can you take me over to see it? I'm afraid that the two brothers are in danger." Having

seen Yue Feng's strength just now, Zang Yunyue knew that this Kyushu man was very strong, and as long as he was willing to help, he could save a lot of trouble.

Feeling Zang Yunyue's pleading gaze, Yue Feng secretly relieved and said with a smile, "Okay, I'll accompany you to see it!"

Having said that, Yue Feng realized something and looked at Zang Yunyue up and down: "However, you are now If you can't exert any inner strength, and walking is a problem, how can I take you there?"

Yes!

How to do this?

Zang Yunyue was also in a hurry, bit her lip and thought for a while, it seemed difficult to open her mouth, she glanced at Yue Feng, then lowered her head: “Would you… or you should hug… hold me!”

After saying this , Zang Yunyue’s face was inexplicably flushed. Originally, she also hated Kyushu people very much, but for some reason, she didn’t have the slightest resistance to the storm in front of her.

What made her even more unexpected was that she would take the initiative to let the other party hold her.

I go!

Yue Feng was immediately stunned, thinking that he heard it wrong, and at the same time, he was also a little emotional, this Rakshasa woman, shy, was so charming.

Muttering in his heart, Yue Feng walked over and picked up Zang Yunyue, urging the figure to rush in the direction of the vibration.

A few minutes later, Yue Feng and Zang Yunyue arrived in a yard that was shaking, and saw that the yard had collapsed in half, the dust and smoke had just dissipated, but there was no one there.

What are these three siblings looking for?

Yue Feng held Zang Yunyue and stood there, looking around, frowning secretly.

And the brothers, are they too careless, they are separated from their sister, and they don’t know how to look for them?

Zang Yunyue was hugged by Yue Feng, her delicate body was tense, and she must not dare to move.

Chapter 2643

“Fengtao!”

Seeing what Yue Feng was thinking about, Zang Yunyue couldn’t help but softly said: “Otherwise, you put me down first, I’ll adjust my dantian first, you can take a look around, there are There is no whereabouts of my two brothers.”

When she said this, Zang Yunyue looked at the environment in the lower yard, it was much safer than the riverside, and more importantly, I was a woman, so I couldn't let him hold her all the time. .

All right.

Yue Feng nodded, put Zang Yunyue down, and then thought about searching around.

boom!

I don't know how far I walked, when I heard another vibration coming from the front, Yue Feng hurriedly accelerated his pace, but when he arrived at the place, he was stunned.

I saw a slender figure standing dozens of meters away, with a beautiful face, full of confusion and shock, and a look of shock.

It was Ye Meng.

"Master?"

At this time, Ye Meng also saw Yue Feng, shouted with joy, and then walked over quickly: "Master, I knew that you would be fine."

Yue Feng showed a smile: "You Why are you here?"

Ye Meng looked around and said softly, "After I woke up, I heard from the cell guard that you ran away. Dad sent a lot of disciples to look around. I was afraid that you would be found. I looked at the mountain, and I found a cave by accident, and then… I'm here."

Yue Feng nodded silently, it seemed that Ye Meng broke in by accident.

"Master, where is this?" Ye Meng couldn't help asking.

Inside the cave, there is such a large ruins of an ancient city, which is really shocking. I grew up here and never knew it.

"It's an ancient city, once the clan of the Rakshasa clan." Yue Feng responded.

What?

Hearing this, Ye Mengjiao's body was shocked, and her mind was buzzing?

The clan of the Rakshasa? How come here?

However, Yue Feng didn't have time to explain at this time. He just promised Zang Yunyue to find her two brothers, but he didn't find them, but he met Ye Meng.

Thinking about it, Yue Feng took Ye Meng and continued to look around.

I have to say that this ruin is too big, and the light is dim. Even if Yue Feng has Yin Yang Feng Shui, he still loses his direction.

"Master, look there…" After walking for ten minutes, Ye Meng suddenly stopped and stared blankly not far away. Pointing to the wall.

Yue Feng frowned and turned his head to look.

I saw that some ancient patterns were clearly painted on the wall, some were pictures of ancient people hunting, and some were of animals. These paintings were very vivid, and it could be said to be vivid, just like the real thing.

Next to that picture, there is a black protrusion, which is a small black stone, which looks very conspicuous.

Obviously, what kind of organ this stone should be.

"What is that stone?" At this time, Ye Meng was very curious and asked Yue Feng.

At the same time, he stared at the wall without blinking.

Yue Feng took a deep breath and shook his head: "It should be an agency, this place is full of weirdness."

Hearing this, Ye Meng nodded, but her strong curiosity still drove her to walk over.

Seeing this scene, Yue Feng couldn't help reminding: "Teacher, don't move that stone yet! Be careful of traps." While speaking, Yue Feng subconsciously looked around.

Chapter 2644

"Master, the dust has been sealed here for so many years, so there shouldn't be any danger!" Ye Meng looked relaxed, looked around, and couldn't help but said: "Even if there are traps, thousands of years have passed, and they will be ineffective. ."

While speaking, Ye Meng stretched out his jade hand and pressed the black stone.

call!

Seeing this scene, Yue Feng suddenly became anxious, took a deep breath, and was about to rush over to block it, but he was still a step behind.

Click!

As soon as he rushed behind Ye Meng, he heard a vibration under his feet, and then, the ground suddenly collapsed into a big hole!

“Ah…”

All this happened too fast, Yue Feng and Ye Meng didn’t have time to react, they let out an exclamation and fell directly.

…..

the other side!

In the Qingyunzong hall, Ye Changsong sat there, his face extremely ugly.

Next to it, Xie Cai stood there, her charming face also showed a bit of solemnity, and the dozen or so elite disciples around them bowed their heads and did not dare to speak.

“Trash, it’s all trash.”

Finally, Ye Changsong took a deep breath and couldn’t help scolding those disciples: “You don’t know that Yue Feng and the three Rakshasa people ran away, and people can’t find them now. Where is your senior sister? Did you find it?”

Seeing the master’s anger, the dozen or so elite disciples were all nervous.

Afterwards, a disciple came out and said cautiously: “Master, the big sister went to the back mountain, but we searched twice and couldn’t find it.”

Hearing this, Ye Changsong was very angry. interrupted.

“Look.” Xie Cai gloated and couldn’t help but scornfully said: “After all, it’s not his own, what’s the use of raising such a big one? In the end, he didn’t run away with someone, as I see it, the reason why Yue Feng accepted her As a disciple, I have ulterior motives, and it is estimated that I am attracted to her beauty.”

Xie Cai has always had an opinion on Ye Meng, and seeing that she is also missing at this time, she will naturally not miss the opportunity to sow discord.

“Don’t say a few words.” Ye Changsong

said with a gloomy face, facing Xie Cai: “Don’t talk nonsense before you find someone.

“

He panicked: “Master, it’s not good, Zhang…. Zhang Jiao is here.”

When he said this, the disciple was almost paralyzed on the ground!

Zhang Jiao is here? So fast?

Ye Changsong was stunned for a moment, then frowned and said displeasedly: “Look at your panicked appearance, Zhang Jiao was invited by me.” Before catching Yue Feng, Ye Changsong passed the news to Zhang Jiao.

“No…” The disciple was sweating profusely, and eagerly explained: “The situation is not right, Zhang Jiao brought a lot of people and surrounded our mountain gate.”

What?

Ye Changsong’s face changed, he quickly stood up, and walked out quickly.

He had already formed an alliance with Zhang Jiao and helped him deal with Yue Feng, why did he bring people to surround Qingyunzong?

Xie Cai and those disciples quickly followed.

hiss!

When he got outside, seeing the scene in front of him, Ye Changsong couldn’t help taking a breath!

Xie Cai trembled even more delicately.

I saw that nearly 100,000 cultivators were lined up neatly! The entire Qingyunzong Mountain Gate was surrounded in groups, with awe-inspiring momentum, and a fly could not fly out.

These cultivators, wearing uniform black robes and holding long knives, are imposing!

Ye Changsong could sense that these cultivators were generally not low in strength. They were basically around Marquis Wu, and even quite a few were at the level of Martial Saint.

Apparently the elite of the unorganized organization.

And above these elites without a heavenly organization, there was a sullen man quietly suspended in a robe, with a strong breath, it was Zhang Jiao.

Chapter 2645

Feeling Zhang Jiao's strength, the entire Qingyunzong is under pressure.

"Mr. Zhang!"

Finally, Ye Changsong regained his senses, forced a smile, and walked forward quickly: "Mr. Zhang is here so fast, there is a long way to greet, and a long way to greet."

Zhang Jiao was expressionless , looked at Ye Changsong lightly, with an unquestionable tone: "Sect Master Ye, you said you caught Yue Feng, who? Take it out and let me see!"

This…

Ye Changsong hesitated, and cupped his hands: " Mr. Zhang, to be honest, that Yue Feng was too cunning and escaped from the cell, I am sending people to search everywhere…" The

voice fell, Xie Cai next to him couldn't help but said: "Yeah, that Yue Feng is cunning and despicable. , I couldn't help running away, and also kidnapped our adopted daughter."

Really talkative.

Ye Changsong was very unhappy and glared at Xie Cai, but because of Zhang Jiao's presence, there was no attack.

"Really?"

Hearing this, Zhang Jiao showed a smile and looked at Ye Changsong coldly: "Ye Changsong's responsibility is quite straightforward, but you just say it, how do I know that Yue Feng escaped by himself, Or did you let him go?"

What?

Hearing this, Ye Changsong's expression changed.

What does Zhang Jiao mean? He doesn't believe me?

Thinking about it, Ye Changsong smiled and said carefully: "Why did Mr. Zhang say that? If I helped Yue Feng, why would I have formed an alliance with you in the first place? If Mr. Zhang doubted me, it would be really chilling."

"Doubt you?"

Zhang Jiao couldn't help laughing, his tone was extremely gloomy: "Ye Changsong, let me ask you, I heard that your adopted daughter worshipped Yue Feng as a teacher, isn't that good?"

"Also, your adopted daughter, formed two years ago. A Rose mercenary group served as the head of the group, and just a few days ago, he became the leader of the mercenary alliance, do you know all this?"

When he said this, Zhang Jiao was expressionless, but his heart was very gloomy.

Yes, the mercenary alliance was established to deal with the Huang Tian transaction. As the person behind the Huang Tian transaction, Zhang Jiao was naturally extremely annoyed.

This….

Ye Changsong's face changed, and his heart was bitter, and he couldn't help but say: "The little girl is used to doing nonsense, Mr. Zhang doesn't need to meet a junior."

Zhang Jiao chuckled: "Okay, let's not talk about the mercenary alliance for the time being. , But, your daughter is Yue Feng's apprentice, you said that you caught Yue Feng, but now you can't hand it over, and you said that your daughter ran away with Yue Feng, and you played with me like this, do you know the consequences?" The

last sentence After the words fell, Zhang Jiao suddenly looked cold!

"Everyone obeys!"

A roar sounded, and Zhang Jiao was murderous: "If you take down the entire Qingyun Sect, whoever dares to resist will be killed!"

Yes, Zhang Jiao didn't trust Ye Changsong, so he wanted to take the opportunity to directly annex Qingyun. Zong.

"Yes!" The

voice fell, and the elites of the hundreds of thousands of Wutian organizations were so powerful that they pulled out their long knives one after another. Without a single word of nonsense, they rushed directly into the crowd of Qingyunzong!

"Ah!" The

incident happened suddenly, and only a few screams were heard. Many Qingyun Sect disciples, in shock, wanted to resist, but before they drew their weapons, they fell into a pool of blood.

“Zhang Jiao, you…”

Ye Changsong was shocked and angry, his face turned pale!

He never thought that he would cooperate sincerely, but in exchange for Zhang Jiao’s suspicion, in the end, it would bring disaster to Qingyunzong. If I knew this earlier, I shouldn’t have plotted against Yue Feng at that time.

It’s just too late to say anything now.

Zhang Jiao’s face was gloomy and cold: “Ye Changsong, you played tricks on me. If you want to play me, don’t blame me for turning your face and being ruthless.”

With that, Zhang Jiao’s eyes flashed gloomy and cold, pointed at Ye Changsong and said, “Today, as long as you Qingyun Sect. , promised to merge into the Wutian Organization, and I can spare you all to die.”

“Ah…”

There was another scream, and more than a dozen disciples of Qingyun Sect who wanted to resist fell in a pool of blood.

The ultimate husband in Chinese chapter 2646-2650

Chapter 2646

“Okay, okay!”

Ye Changsong’s face was extremely ugly. Under the grief and anger, his anger rushed up, and he looked at Zhang Jiao: “Zhang Jiao, I was blind, and I promised to cooperate with you at that time.”

“If you want to annex my Qingyun Sect, you must first see if the sword in my hand will answer it!” The

last sentence fell, and Ye Changsong howled: “Qingyun Sect disciple, protect the ancestors’ inheritance, even if you die today, you can’t let this traitor. As you wish.”

“Kill!”

Hearing the howl of the head, at this moment, all the disciples of Qingyunzong reacted one after another, pulled out their weapons, and fought fiercely with each other.

clang! clang! clang!

In an instant, the sound of weapons colliding, roaring and killing, echoed over the entire Qingyunzong!

Seeing this scene, Xie Caiqiao's face was pale, and her delicate body kept shaking.

How could this be?

Isn't Qingyunzong allied with Zhang Jiao? Why did Zhang Jiao deal with Qingyunzong? It is said that Zhang Jiao is ruthless, and it really lives up to the name. If he knew this, he should not persuade her husband to deal with Yue Feng.

Thinking about it, there was a trace of regret on Xie Caijuemei's face.

…..

the other side!

Whoohoo!

This chapter is provided by . Visit for daily update.

The wind whistled in their ears, Yue Feng and Ye Meng fell quickly, and they saw that it was pitch black all around, and they couldn't see the surroundings at all.

"Master, I'm so scared!" Ye Meng was so panicked that she couldn't help exclaiming, and at the same time she stretched out her hand and hugged Yue Feng.

hum!

Feeling Ye Meng's figure, Yue Feng's mind went blank.

I have to say, this apprentice's figure is really good, but at this time, how could Yue Feng feel this?

"Don't be so reckless in the future." Yue Feng said, grabbing Ye Meng's hand and pulling her behind him. In this case, waiting for her to fall to the ground can help her slow down some of the impact of the fall.

"Master!"

Ye Meng was a smart woman. Seeing Yue Feng's actions, she knew that her master was protecting herself. She was moved for a while, and at the same time, she regretted her recklessness.

"Don't panic, nothing will happen." Yue Feng smiled and comforted.

The voice fell, and the two finally reached the point. At the moment when both feet landed, Yue Feng's internal force was running, and he slapped his palm on the cliff next to him to slow down the falling force.

Dengdeng…

Despite this, Yue Feng staggered back a dozen steps, and his body was churning with blood.

And Ye Meng was guarded by Yue Feng, but there was nothing serious, but his delicate face was also surging with blood and red.

"Master, we are not dead, we are not dead!"

Ye Meng reacted, very excited, hugging Yue Feng and cheering.

I thought that if I fell from such a good place, if I didn't focus, I would fall directly to death, but I didn't expect it to be a near miss in the end.

After all, Yue Feng responded quickly.

At this time, Ye Meng worshipped Yue Feng even more.

Yue Feng didn't speak, just looked at Ye Meng with such a smile, his apprentice is really smart and lively, and his personality is ever-changing. In front of outsiders, he is an aloof iceberg goddess, but in front of himself, he is so unrestrained.

Especially at this time, taking the initiative to hold myself, the taste is really wonderful.

To be honest, Yue Feng once fantasized about having such an apprentice, but after it was really realized, he couldn't stand it. After all, he and her had a master-apprentice relationship, and it would be bad if they were too close.

Swish!

Seeing Yue Feng smiling and not speaking, Ye Meng finally realized something. Seeing that he was hugging his master, his delicate face turned red all of a sudden. I just felt a burning pain in my face.

"Master, I…" Ye Meng bit her lip and hesitated, very shy.

Ha ha…

Chapter 2647

Looking at her appearance, Yue Feng was indescribably comfortable, and said with a smile: “What happened just now? I have forgotten it as a teacher, but don’t be so indifferent in the future.”

When he said this , Yue Feng The wind looked around.

When he first fell, he couldn’t see anything clearly, but after getting used to the dim environment, Yue Feng saw that there was a wide passage in front of him. This passage is completely paved with bluestone, just like the ancient city gate street.

The passage has been extended, do not know where to lead.

call!

Seeing this, Yue Feng couldn’t help but take a deep breath and was very shocked.

Unexpectedly, there is an underground labyrinth under the ruins of the ancient city of the Rakshasa. This was built thousands of years ago, and it is so shocking.

Ye Meng was also trembling, shocked and speechless.

“Go, go inside and take a look!”

Yue Feng reacted and walked forward first.

Although she did not successfully meet with Zang Yunyue, which yard she is in is temporarily safe and will not be in danger.

Ye Meng didn’t speak, and followed closely behind.

I go!

After walking for a few minutes, Yue Feng only felt a buzzing sound in his head, and his head was big, because he found that there were many forks in the passage, and each fork extended towards all directions, like a huge maze.

Nima, how big is this place? Wouldn’t you hollow out the entire back mountain of Qingyunzong?

At this time, Yue Feng felt that he was in a circle. This place is much bigger than he imagined!

“who?”

“Made, is that kid, and that Ye Meng?”

Just as Yue Feng was about to ponder the laws of this underground labyrinth, suddenly, there was a burst of shouting in front of him, and then, two figures appeared in a dozen meters away. place.

With gloomy and hostile eyes, it was Zang Yunyue's two older brothers.

Hidden Fire Moon and Hidden Water Moon.

At this time, the eyes of the two brothers were all focused on Ye Meng, their faces were full of badness.

"Senior Sister Qingyunzong? I didn't expect that we would meet so soon."

"Our account, it

's time to settle it." When they said this, the two brothers had a grim look on their faces.

Yes, a few days ago, when the three brothers and sisters came to investigate, they met Ye Meng. At that time, Ye Meng did not hesitate and led a dozen Qingyun Sect disciples to arrest the three brothers and sisters. When they met Ye Meng at this time, the brothers were very excited.

Speaking of which, if it was before, the brothers did not dare to be so arrogant at all. You must know that Ye Meng is the strength to cross the tribulation realm.

However, at this time, the brothers clearly felt that Ye Meng's face was a little weak and seemed to be injured. In fact, Ye Meng was not injured, but inhaled the deterrent powder before, and it has not been completely get rid of.

Feeling the eyes of the brothers, Ye Mengxiu frowned and did not respond.

Yue Feng breathed a sigh of relief, took a step forward, and said to the brothers, "You two, we came here unintentionally and have no ill will towards you. Besides, I believe that my apprentice arrested you before, but it was also a misunderstanding."

"Also, your sister is waiting for you to go to find her, so there's no need for us to have a life-and-death relationship between us!" The

words were extremely calm.

Yes, Yue Feng didn't want to have a grudge with the two brothers. After all, there was no grievance or hatred. More importantly, Yue Feng wanted to know what secrets there was in this place, and he didn't want to cause trouble.

However, the brothers did not take Yue Feng seriously at all.

“What are you?”

“Go away.”

In the hearts of the brothers, Yue Feng was just an ordinary Kyushu native, and there was no threat to them.

However, just as he was talking, the elder brother Zang Shuiyue suddenly realized something, and his eyes locked on Yue Feng: “What did you just say? Your apprentice? Is she your apprentice?”

When saying this, Zang Shuiyue couldn’t help but look Ye Meng glanced at him, his eyes full of surprise.

Chapter 2648 Zang Huoyue

at this time is also staring at Yue Feng closely, his eyes are full of shock.

You must know that this Ye Meng is very powerful, not only the elder sister of Qingyunzong, but also the leader of the mercenary alliance, such a proud iceberg goddess, there are not many men in the world who can make her look down on her.

And the boy in front of him turned out to be her master?

How can it be?

“Not bad!”

Looking at the expressions of the brothers, Ye Meng took a step forward and said coldly: “He is my master, you two, you three brothers and sisters were sneaking around in our Qingyun Sect before, just looking for this ruin? “

You’d better explain clearly what is here, otherwise, don’t blame me for being rude.”

“Even if my strength is damaged and I can’t do it with you, but there is still my master, you’d better explain honestly, otherwise, Don’t even try to run away.”

Ye Meng had a cold and arrogant personality, and had no good impression of these two Rakshasa men, but when he saw them contempt for his master, he couldn’t help it.

“Haha…”

Hearing this, the two brothers looked at each other and couldn’t help laughing. Then, Zang Shuiyue looked disdainful: “Ye Meng, don’t scare me, this kid was with us before. How could it be your master?” The

voice fell, and Zang Huoyue taunted: “Yes, you are injured and can’t beat us, so let this kid pretend to be your master to scare us, right? “

The brothers at this time didn’t believe Ye Meng’s words at all. In their hearts, the people of Kyushu were the most sinister and cunning, and what they said was not credible at all.

“Believe it or not! Hurry up and answer my question.” Ye Meng, too lazy to talk nonsense, shouted coldly.

Ha ha!

Zang Shuiyue sneered and looked at Ye Meng up and down: “Although this is still the sphere of influence of your Qingyun Sect, but in this waste, it is not you who has the final say.”

“Just now the two of us were still thinking about how to find you. Qingyunzong’s revenge, and you came to the door.”

When he said this, Zang Shuiyue’s eyes were cold, hiding the evil spirit in his heart.

Speaking of which, if they weren’t caught by Ye Meng and sent to the cell two days ago, the three brothers and sisters would have been on their way back with their belongings.

As for Yue Feng, they didn’t believe it was Ye Meng’s master at all.

“You…” Ye Meng was very angry, and said tenderly: “What do you want to do?”

“What?”

Zang Huoyue’s eyes flashed with a wicked smile, looking at Ye Meng and saying word by word: “These two days, we have The humiliation suffered by the brothers and sisters will be on you, and I will pay it back.”

Speaking of which, Zang Huoyue looked at Ye Meng up and down, especially when she saw Ye Meng’s straight legs, her eyes were even more released. The same light!

To be honest, the brothers have never liked people from Kyushu, but Ye Meng is so sexy that even the hot-tempered Zang Huoyue couldn’t bear it.

“Obviously, let’s capture it!” Zang Shuiyue was too lazy to talk nonsense, said a word coldly, and rushed directly towards Yue Feng and Ye Meng.

Swish!

At this moment, Ye Mengxiu frowned and was furious.

At the same time, Yue Feng's body flashed, blocking Ye Meng.

"You hide to the side first." Yue Feng said to Ye Meng with an expressionless face.

Ye Meng did not dare to disobey the master's order, and stepped aside strangely, but still couldn't help saying: "Master, be careful!" Although he was very confident in Yue Feng's strength, for some reason, Ye Meng always felt in his heart. There is an uneasy feeling.

Yue Feng didn't speak, and quietly watched the two brothers who rushed up, as steady as Mount Tai.

"You two, I advise you to calm down." Yue Feng said lightly: "Besides, I met your little sister just now, and she was trapped in a yard. Now I don't know what the situation is."

"Speaking of which, our relationship There is no grudge, there is no need to fight to the death."

Yes, in Cang Yunyue's face, Yue Feng did not want to fight with her two brothers.

However, hearing these words in the ears of the brothers, they thought that Yue Feng was despising them.

"Boy, stop doing this!"

Chapter 2649

"Do you want to divert our attention with the matter of your little sister? Hehe, you Kyushu people are the most cunning, do you think we will believe it?

"

The weapons of the two brothers were long bone knives unique to the Rakshasa tribe, filled with a gloomy chill.

"Since you are obsessed, don't blame me." Yue Feng breathed out, very helpless.

Are all these Rakshasa people stupid and stupid?

"Boy, the special code is installed in front of us, and I warned you before not to come in and die. If you don't listen, then don't blame our brothers for being cruel." At this moment, Zang Huoyue was finally angry.

Speaking of the end, Zang Huoyue pointed at Yue Feng and shouted: "Special code, you want to court death, I will fulfill you…"

Om!

When the words fell, Zanghuoyue's internal force exploded, and he saw that the long bone knife in his hand was like a dragon, drawing a dazzling white light, and stabbed at Yue Feng fiercely!

Seeing this scene, Ye Meng didn't have time to think, and threw the treasured sword to Yue Feng.

Yue Feng clenched his sword tightly, without hesitation, he directly attacked.

"Boom!" In the

next second, the long sword in Yue Feng's hand collided fiercely with Zang Huoyue's long sword! The weapons are intertwined. A string of sparks hit directly, and then, Zang Huoyue was shaken back ten steps, and her face was extremely ugly.

However, Yue Feng did not move slightly.

Made!

Zang Huoyue was furious, and at the same time, she was extremely surprised. This kid seems to be ordinary, but his strength is so strong?

Zang Shuiyue, who was next to him, also frowned, looking at Yue Feng carefully, and underestimated in his heart: Is this kid really Ye Meng's master? But, why haven't you heard of it before?

"Let's go together!"

Soon, the brothers reacted, looked at each other, and rushed towards Yue Feng again.

I have to say that although these two brothers are reckless, they cooperate very well. At first, Yue Feng was very relaxed, but gradually he became overwhelmed.

Of course, Yue Feng didn't want to really fight them, so he didn't do his best. Otherwise, the brothers would have been defeated long ago.

"Master!"

Seeing this situation, Ye Meng was so anxious at the time that he couldn't help shouting: "These two people are so ignorant and aggressive, don't hold back any longer."

Ye Meng is very smart and has a quick mind. It was immediately obvious that the master did not have the heart to hurt the brothers and did not do his best.

call!

Hearing this, Yue Feng took a deep breath, still a little hesitant in his heart.

Three years ago, the Kyushu Continent and the Rakshasa people had peace talks, which made the people live and work in peace and contentment. Yue Feng really didn't want to have any more conflicts with the Rakshasa people. So just be patient.

Crash…

Just at this moment, there was a sound of footsteps in the passage not far away, and then, several figures appeared in Yue Feng's sight.

Seeing one of them, Yue Feng was stunned.

I saw that among the few people, there was a slender figure with beautiful facial features, but it was gloomy and cold, and the charming curves also revealed an inaccessible aura.

It was Yu Wenyan!

Beside Yu Wenyan, several of his subordinates are not low in strength.

After being framed by Zhang Jiao and later having a relationship with Yue Feng, Yu Wenyan was so ashamed and angry that he returned to the Huanyin Sect to hide for a while, trying to cultivate and intend to take revenge. Two days ago, Yu Wenyan learned that Zhang Jiao was secretly dating more than a dozen people. The cooperation of various sects, including Qingyunzong.

Yu Wenyan planned to investigate Qingyunzong secretly first to find a way to deal with Zhang Jiao. As a result, he accidentally discovered a secret passage in the back mountain of Qingyunzong. Yue Feng.

"Yue Feng?"

At this moment, Yu Wenyan reacted, his eyes fixed on Yue Feng, his heart was full of shame, this bastard, ruined his innocence, Cangtai has eyes, and he actually met here.

Chapter 2650

Yuwenyan?

At this moment, Yue Feng was also shocked.

Why is this woman here?

“Go to hell!”

At this moment, taking advantage of Yue Feng’s attention, all of them were on Yu Wenyan, the Zang Shuiyue brothers shouted angrily and slapped Yue Feng with their palms.

The two brothers cooperated tacitly and were extremely fast, and they were in front of Yue Feng in the blink of an eye.

“Master!” Ye Meng’s body trembled and exclaimed. At the same time, she wanted to rush over to help, but she was too far away to have time.

Yue Feng was also taken aback and wanted to dodge, but he was still a step too late.

Boom!

The two palms slapped hard on Yue Feng, Yue Feng groaned, and the whole person was shocked and flew out, flying more than ten meters before landing heavily on the ground.

To be honest, I really have to go all out, the brothers are not Yue Feng’s opponents at all, let alone hurt him, but the appearance of Yu Wenyan really surprised Yue Feng.

“Pfft!” Yue Feng tried to stand up, but his eyes darkened, he spat out blood, and passed out.

Yue Feng, do you have today too?

Seeing this scene, Yu Wenyan felt an indescribable relief in his heart.

The next second, seeing the Zang Shuiyue brothers slowly walking towards Yue Feng, Yu Wenyan did not hesitate, and ordered to his subordinates: “Take these two people down.”

These days, Yu Wenyan has fantasized countless times that he wants to It is better to let Yue Feng live than to die, how can others kill him?

Swish swish…

The voice fell, and several of the subordinates did not hesitate, and they moved their figures one after another, and surrounded the Zang Shuiyue brothers.

Seeing the few people rushing up, Zang Shuiyue’s face changed: “Damn Kyushu people!”

At the same time, Zang Huoyue also roared and rushed forward.

However, although the brothers cooperated tacitly, they were outnumbered after all, and they were injured in a short while.

“Let’s go!” Zang Shuiyue knew that if he continued to fight, it was more fortunate and less fortunate. He forced the two back with one palm, turned and ran away, shouting at the second brother at the same time.

Zang Huoyue did not hesitate, followed closely, and in a blink of an eye, disappeared into the vast passage.

“Master!”

At this time, Ye Meng reacted, ran over and hugged Yue Feng, and couldn’t help crying.

Ye Meng clearly felt that Yue Feng’s injury was not very serious, but he was still worried when he saw that he was unconscious.

Master?

Yu Wenyan frowned, his eyes fixed on Ye Meng: “Are you his apprentice?”

When he said this, Yu Wenyan’s inner anger rose again, Yue Feng, this bastard, actually accepted such a beautiful apprentice , certainly impure motives.

“Not bad!” Ye Meng nodded in response.

At this time, Ye Meng didn’t know what the relationship between the woman in front of him and Yue Feng was.

“If that’s the case, then you’ll be offended!” Yu Wenyan was too lazy to talk nonsense, his figure suddenly flew up like a fright, and slapped Ye Meng with a palm.

“You…”

Ye Meng was taken aback and quickly got up to fight.

Although Ye Meng is a powerhouse of crossing the Tribulation Mirror, Yu Wenyan has been famous for a long time. Three years ago, he was the leader of the Huanyin Sect, who was feared by everyone in Jianghu, and the venerable master of Xiyan Pavilion.

Chapter 2651

After a few minutes, Ye Meng finally couldn't hold it anymore, and was slapped by Yu Wenyan on the back, her delicate body trembled, and she fell to the ground.

Yu Wenyan took advantage of the momentum to pursue, rushed to Ye Meng, raised her jade hand and touched her acupuncture point.

In an instant, Ye Meng's pretty face changed, and she couldn't move.

"Sect Master Shenwei." At

that moment, one of his subordinates came over and praised Yu Wenyan very respectfully. Then he pulled out his long sword: "Sect Master, since this woman is Yue Feng's apprentice, just kill it."

As he said, the subordinate looked at Ye Meng up and down, his eyes flickering faintly.

Beautiful, really beautiful, this Yuefeng peach blossom luck is also very good, not only have a few confidantes of national beauty and heavenly fragrance, but also such a stunning female apprentice.

To be honest, it is a pity to kill such a beautiful woman, but they all know that the feud between the leader and Yue Feng is endless, so this woman must die.

"Wait!"

Before he could make a move, Yu Wenyan suddenly scolded.

"Don't kill her yet." Yu Wenyan frowned and looked around: "This place is so weird, as a disciple of Qingyun Sect, she must know where this place is! Take her around and see if she can I can't find anything…"

Yu Wenyan thought carefully, knowing that this place was unusual, so he wanted to get some clues from Ye Meng.

"Yes, Sect Master!"

Hearing Yu Wenyan say this, several subordinates responded in unison, and all of them were inexplicably excited.

The leader does not kill this woman, it is with their heart, so that they can have a chance to get along with beautiful women.

This chapter is provided by . Visit for daily update.

Soon, several subordinates held Ye Meng and walked towards the depths of the passage.

“Let me go, or else, the Qingyun Sect will not let you go.” Ye Meng was so angry that he didn’t listen, but the acupoints were sealed, and nothing could be changed.

call!

Seeing Ye Meng being taken away by his subordinates, Yu Wenyan breathed a sigh of relief.

The next second, Yu Wenyan walked over slowly, looking down at the unconscious Yue Feng, his delicate face was full of resentment: “Yue Feng, today, I will repay the humiliation you gave me.” As he

said, Yu Wenyan squatted down and searched Yue Feng carefully, but only found a spirit beast sac and some spirit pills, but nothing else.

“Strange, people like Yue Feng don’t easily appear in this place.” Yu Wenyan frowned and muttered to himself: “His presence here means that there must be some treasures here.”

Yuwen said while saying that. Homura was very annoyed. In her heart, Yue Feng must have found a treasure here, but found nothing.

At this time, Yu Wenyan didn’t know yet, and Yue Feng didn’t figure out this place either. Those who really knew the secret here were the Zang Shuiyue brothers who had just escaped.

call!

At this moment, Yue Feng let out a low hum, and then slowly woke up.

The moment he opened his eyes, Yue Feng only felt a pain in the injured area. Mad, those two brothers were too ruthless. Fortunately, they had the power to protect their bodies, otherwise, the two palms would have been shattered. own heart.

I go!

Muttering in his heart, Yue Feng looked up, stunned, and couldn’t help taking a breath of cold air.

Seeing that Yu Wenyan was half a meter in front of him, he was looking at him with a smile that was not a smile.

At this moment, Yue Feng's brows were tightly locked together, and he instinctively became vigilant, but a pair of eyes were involuntarily deeply attracted.

At this time, Yu Wenyan, the tight black dress, and the charming curves are quite lethal to any man. Especially the long legs exposed outside are enough for countless men to kneel and lick.

have to say. Yu Wenyan is really too sexy, not only sexy, but also the mature charm on his body, any man will be unable to extricate himself when he sees him.

The same is true for Yue Feng. Even if they have deep grievances with each other, it is still difficult for Yue Feng to calm down when he sees Yu Wenyan who is close at hand.

"Yue Feng!"

Just when Yue Feng was fascinated, Yu Wenyan said coldly, "I didn't expect it to fall into my hands so quickly."

Chapter 2652

When he said this, Yu Wenyan's delicate face was full of hatred, and his red lips were raised a little bit, looking quite tempting.

Yue Feng didn't speak, but looked at Yu Wenyan up and down, his mind spinning rapidly.

Mad, if it wasn't for her distraction just now, she wouldn't have been successfully raided by the Zang Shuiyue brothers.

She ruined Yu Wenyan's innocence, and with her personality, she would definitely not forgive herself lightly. Thinking to himself, Yue Feng looked around and saw Ye Meng. He had a bad premonition

and couldn't help but ask, "Where's my apprentice?"

"What do you think?"

It's your apprentice, do you think I'll let her go easily?"

Mad!

Yue Feng clenched his fists tightly, suddenly a little anxious: "What did you do to her?" The

more Yue Feng was like this, the more proud Yu Wenyan was, and sneered: “Look at how nervous you are, I haven’t killed you yet. She, but whether she can live or not depends on your attitude.”

“What do you mean?” Yue Feng calmed down and said lightly.

While speaking, Yue Feng’s face remained calm, but he secretly used his inner strength to start healing.

Yes, Guiguzi’s exercises are very mysterious, and they can be used to heal wounds without being noticed.

“Where is this place? What are you doing here with your apprentice? Answer honestly and don’t hide it.” Yu Wenyan asked coldly without talking nonsense.

call!

Hearing this, Yue Feng let out a secret sigh, and suddenly realized that this Yu Wenyan also broke in unintentionally.

Thinking to himself, Yue Feng responded: “I only know that this is the former clan of the Rakshasa clan, and I don’t know what is hidden.”

“Really?” Yu Wenyan smiled slightly, and then came over Lifting his legs, the high heels fell on Yue Feng’s shoulders, directly stepping on Yue Feng.

The next second, Yu Wenyan suddenly exerted force, and the stiletto heel of the high-heeled shoes suddenly sank into the skin.

“Ah!” Yue Feng couldn’t help shouting, and he was dripping with cold sweat in an instant. Speaking of which, it would take a few minutes for Yue Feng to fully recover his strength.

Yue Feng knew that before his strength recovered, Yu Wenyan must not be noticed, otherwise, with her personality, she would definitely kill her directly.

So Yue Feng thought about it, and pretended to be weak to confuse Yu Wenyan and reduce her vigilance.

Sure enough, seeing Yue Feng’s painful appearance, Yu Wenyan was very proud: “Does it hurt? Just tell me if it hurts. Stop fooling me.”

Nima!

Yue Feng was very angry, staring at Yu Wenyan, she had told the truth, but she didn’t believe it.

In the next second, Yue Feng's eyes wandered, and he almost spurted out a nosebleed! At this time, Yu Wenyan, although wearing a long skirt, was close at hand. When Yue Feng looked up, he could just see her long white legs pouring into his eyes. At that time, Yue Feng felt that blood was rushing up, straight Forehead.

hum!

At this moment, Yue Feng only felt that his mind was blank and buzzing. He had to admit that Yu Wenyan's ruthless appearance gave people a wild temptation.

Finally, Yue Feng reacted and secretly swallowed a mouthful of saliva, trying to calm himself down!

Mad, who is also a famous figure in Kyushu after all, is now being trampled underfoot by a woman, which is really embarrassing.

"Yue Feng, you're not convinced, aren't you? Aren't you amazing? Huh? Didn't you expect that you would have today too?" Seeing Yue Feng's expression, Yu Wenyan sneered at the corner of his mouth.

Just as he was talking, Yu Wenyan kicked abruptly. Kicked directly on Yue Feng's face, Yue Feng only felt the pain coming from his heart, and his facial features were twisted.

High heels kicking people, it really hurts too much.

Yue Feng couldn't help taking a breath of cold air, and this kick directly kicked him a few meters away.

Yue Feng rubbed his face, Mad, this Yu Wenyan is too cruel, even if you tarnish your innocence, but she was drugged by Zhang Jiao at that time, and it was not my initiative.

Chapter 2653

Thinking, Yue Feng struggled to stand up, but before he could fully stand up, Yu Wenyan walked over quickly and slapped him again. Tossed in his face!

"Crack!"

Yu Wenyan used all his strength for this slap, Yue Feng felt that half of his face was numb, and blood oozes out of the corner of his mouth instantly.

Yue Feng was instantly angry, but the injury had not completely healed, so he could only endure it.

“Yue Feng. I’ll give you a chance, as long as you agree to my conditions, and kneel down and admit your mistake, I’ll let you go.” Yu Wenyan said with a smile that was not a smile, with a high-level attitude.

“What conditions.” Yue Feng wiped the blood on the corner of his mouth and said lightly.

Yu Wenyan sneered, walked in slowly, and said word by word, “First, kneel down and admit your mistake.”

“Second, hand over your Fang Tianhuaji and your practice.”

“Thirdly, there must be treasures in this place, you take me to find the treasures!”

When he said this, Yu Wenyan smiled confidently, with a hint of coldness in his eyes.

In her heart, in addition to Yue Feng, Zhang Jiao’s enemies are not his own, and Yue Feng will not be more chaste.

Yu Wenyan thought about it, after dealing with Yue Feng, the next step is Zhang Jiao, but Zhang Jiao, like Yue Feng, is powerful, fighting alone, and he is not an opponent at all, but if he learns Yue Feng’s exercises, then Not the same.

Hehe…

Hearing this, Yue Feng couldn’t help laughing secretly, this Yu Wenyan has a lot of ambition, not only does he want Fang Tianhuaji, but also his own practice?

Seeing Yue Feng sneering and not saying a word, Yu Wenyan suddenly became angry and shouted: “Yue Feng, I don’t have time to spend with you. If you don’t want to die, kneel down for me first. If you hear me, kneel down!”

Speaking of the last sentence At that time, Yu Wenyan’s delicate face was full of madness.

This crazy woman!

At this moment, Yue Feng suddenly rushed forward, grabbed Yu Wenyan’s hands, and pressed her against the wall before she could react!

Yu Wenyan’s tender body trembled. He didn’t expect Yue Feng to regain his strength so quickly. You must know that he received two slaps just now, and it took a long time for him to recover.

In shock, Yu Wenyan wanted to struggle, but Yue Feng pressed his hands behind his back, and he couldn’t break free.

“Crack!”

With a crisp sound, Yue Feng slapped Yu Wenyan. At the same time, he mocked: “Master Yuwen, you like to abuse people, don’t you, how does it feel to be abused?”

After speaking, Yue Feng hit again, feeling the amazing elasticity, the indescribable beauty.

“You…” Yu Wenyan bit her lip tightly and let out a low groan.

“You, Yue Feng, I’m going to kill you!” Yu Wenyan reacted, her beautiful face was extremely red, and she shouted: “Let me go, let me go!”

“Let go of you, do you think it’s possible?” Of course, Yue Feng didn’t let go, but looked at her with a smile: “Will you let me go when I was in your hands just now?”

Yu Wenyan bit her lip, her face flushed, and she was extremely embarrassed.

Yue Feng continued to laugh and said, “Don’t talk? You’re addicted to being beaten, you won’t have a tendency to be abused, right?” After speaking, Yue Feng hit him again.

Yu Wenyan pressed his body tightly against the wall, with a thin layer of sweat dripping from his beautiful cheeks, and remained silent.

What’s the matter?

Feeling Yu Wenyan’s emotional change, Yue Feng not only frowned secretly.

This Yu Wenyan was beaten by himself, wouldn’t it be a blow to his self-esteem, can’t think of it?

Seeing Yue Feng looking at him thoughtfully, Yu Wenyan reacted, embarrassed and angry: “You… what do you want to do?”

When he said this, Yu Wenyan blushed and was inexplicably panicked.

It’s just himself and him here, this bastard won’t think about it again…

Chapter 2654

“What do you say I want to do?” Yue Feng said with a smile, and reached out and hit again.

Yue Feng showed a smile, and at this moment, Yue Feng raised his hand and touched Yu Wenyan’s acupuncture point.

In an instant, Yu Wenyan's tender body trembled, unable to move.

"Yue Feng, let me go, get out of me… Get out!" Yu Wenyan kept shouting, but Yue Feng clicked on her acupuncture point, how could she move half a point! Just kept yelling.

"Hehe, what if I don't get out?" Yue Feng looked at Yu Wenyan with a smile, Nima, this Yu Wenyan, who stole his Linglong Tower three years ago, and then trapped himself in a cave to die.

Just now, I wanted my own life.

Thinking to himself, Yue Feng couldn't help but chuckle, and looked at Yu Wenyan with a teasing face: "Yu Wenyan, I know you hate me and hate me for taking away your chastity before, but don't forget, three years You attacked me first and almost killed me, and you were drugged by Zhang Jiao…" Before

he could finish, Yu Wenyan blushed and interrupted.

"Shut up!" Yuwen was so arrogant, this Yue Feng was really good at being cheap.

Feeling Yu Wenyan's hatred, Yue Feng didn't panic at all, the smile on his face couldn't stop at all: "Okay, let's not talk about this for the time being, the situation is obvious now, Zhang Jiao's ambition is getting bigger and bigger, you To deal with him, I also have to deal with him, why do we have to fight each other, how good is the cooperation?"

Cooperation?

Hearing this, Yu Wenyan bit his lip, and his attitude was very firm: "It's impossible to cooperate with you." This person has ruined his innocence for a lifetime, and he can't wait to slash him, how can cooperation be possible?

The more Yu Wenyan thought about it, the more angry he became. He glared at Yue Feng fiercely. If his eyes could kill, I am afraid that Yue Shishi would have died countless times.

Nima!

Yu Wenyan's eyes made Yue Feng very angry. At this time, he couldn't bear it any longer. He suddenly raised his arm, slapped him fiercely, and hit Yu Wenyan directly in the face!

"Crack!"

At this moment, Yu Wenyan, who was under Yue Feng, couldn't help but cried out in pain. Yue Feng's slap used all his strength, and Yu Wenyan was immediately stunned. .

"Crack!" But Yue Feng didn't mean to stop at all, and slapped him again!

"Yu Wenyan, you are very proud, right? Do you think you can deal with me and Zhang Jiao at the same time with your own strength?" Yue Feng said coldly, full of mockery.

To be honest, Yue Feng didn't want to be so embarrassed with Yu Wenyan, but this woman is too self-righteous, and she must take a good blow to her self-esteem.

Seeing Yue Feng's icy face, Yu Wenyan finally let go of his pride, bit his lip, and kept begging: "Yue Feng, can you let me go, you let me go…"

"Why should I let you go? "Yue Feng sneered. Said to Yu Wenyan.

"Yue Feng, I beg you, you let me go…" Yu Wenyan was about to cry, but the acupoint was blocked by Yue Feng, and he had no resistance at all.

"Haha!"

Yue Feng chuckled, his tone full of sarcasm: "Now you know I let you go? Now you know I beg me?" The voice fell, and he slowly took out a pill from his pocket. .

This elixir is the Tongtian Pill. There are still many Tongtian Pills that Yue Feng refined. Speaking of which, Yue Feng did not want to use this method to deal with Yu Wenyan, but this woman has a strong personality and must use some extraordinary A way to deal with it.

At this moment, Yue Feng did not hesitate at all, and directly stuffed the Tongtian Pill into Yu Wenyan's mouth.

"You…"

Before Yu Wenyan could react, he swallowed it all at once, and then looked at Yue Feng with great fear, his beautiful face was full of paleness: "What did you give me to eat?"

Yue Feng showed a trace Smile: "This is the Tongtian Pill of our Diyuan Continent. You should know the Tongtian Sect. Ten years ago, it was a powerful sect in the Diyuan Continent. The Tongtian sect master used the Tongtian Pill to control his subordinates.

" , Yue Feng couldn't help but leaned closer, and looked at Yu Wenyan with a half-smile: "I tell you, after taking Tongtian Pill, there is no antidote within a year, and the whole body will fester and die, how miserable it is. ..you are so beautiful, it would be a pity to die like this."

“You…”

Chapter 2655

Hearing this, Yu Wenyan’s body trembled, his heart was inexplicably frightened, his whole body festered and died, and he shuddered just thinking about it.

In the next second, Yu Wenyan reacted and looked at Yue Feng in shock and anger: “What the hell are you doing?”

Yue Feng sighed lightly and said with a smile: “It’s very simple, I also have two conditions for you to agree to, first , hand over the things that robbed me first.”

“What?”

“Still pretending?” Yue Feng looked at Yu Wenyan, frowned secretly, and then chuckled: “Linglong Tower!”

“No…not on me!” Yu Wenyan bit his lip and said softly.

After being framed by Zhang Jiao, Yu Wenyan escaped too hastily, so Linglong Pagoda stayed in the Wutian Organization’s main altar, and later fell into Zhang Jiao’s hands.

not on you?

Yue Feng naturally didn’t believe it, so he stretched out his hand and started searching Yu Wenyan.

At this moment, he felt Yue Feng’s hand on his body, searched and searched, Yu Wenyan was ashamed and angry, but he couldn’t dodge.

After searching twice, Yue Feng saw that Yu Wenyan had quite a few treasures from heaven and earth, but there was no trace of Linglong Pagoda.

Nima, really not.

“Sect Master!”

“Sect Master, we are back!”

Just when Yue Feng was secretly annoyed, suddenly, a few shouts came from the passage not far away, and then, several figures rushed over, it was Yu Wenyan of several subordinates.

what’s the situation?

When they got to the front, they saw Yu Wenyan leaning against the wall, unable to move at all, while Yue Feng stood aside with a faint smile, and several people were immediately stunned.

Whoosh…

It was at this time that Yue Feng did not hesitate at all. He rushed over in a flash, charged in, and sealed the acupoints of several people.

Several people let out a muffled groan, each of them, like Yu Wenyan, unable to move.

For a time, several people were terrified and completely stunned.

This….isn't this Yue Feng in a coma? With the strength of the leader, he can completely control the whole situation, but why? In just a few minutes, the leader was arrested by Yue Feng?

But on second thought, after all, Yue Feng is a famous figure in Kyushu, and it is not surprising that he can turn the situation around.

I thought to myself, a few people are all terrified.

Yu Wenyan's body trembled even more, and there was a hint of despair on her beautiful face. At the same time, she glared at a few of her subordinates.

I thought that I would still rely on these subordinates to save the situation, but they turned out to be more useless than each other, and they were all subdued by Yue Feng with just one face-to-face effort.

"Sect Master Yue, spare your life!"

"Yes, no matter what our business is, I beg Sect Master Yue to be merciful."

Several of his subordinates started begging for mercy at Yue Feng, completely losing the arrogant look they had before.

Yue Feng's face was expressionless, without the slightest fluctuation, he looked around at a few people, and said coldly, "Where is my apprentice?"

Before, these people grabbed Ye Meng and went to explore the depths of the passage, but now they are the only ones who come back and see Ye Dreams have to be suspicious.

The ultimate husband in Chinese chapter 2656-2660

Chapter 2656 As

soon as the voice fell, the guy in the lead quickly responded: “Sect Master Yue, that girl… oh no, the disciple is witty and smart, and when we were not careful and escaped, the Yue Fengs couldn’t find her, so they Come back and ask the sect master for instructions.”

Haha…

Hearing this, Yue Feng showed a smile and was overjoyed.

As expected of his own apprentice, Ye Meng can do it, even under the surveillance of a few people, he was able to escape successfully.

Yu Wenyan next to him was flushed and in a terrible mood.

Why did you bring so much junk with you?

“Yu Wenyan?”

At this moment, Yue Feng looked at the people in front of him with a smile, and finally taunted Yu Wenyan: “Tell me yourself, what should I do with your subordinates?”

Yu Wenyan bit her tightly. He pressed his lips together, embarrassed, not knowing how to respond.

Several subordinates were so panicked that they almost cried, begging for mercy one by one.

“Forgive your life!”

“Forgive us, Sect Master Yue!” The

leader, whose legs were weak with fright, suddenly thought of something, and hurriedly said, “Sect Master Yue, as long as you let us go, I will tell you a secret!”

When he said this, the man had a sincere expression on his face.

secret?

This chapter is provided by . Visit for daily update.

Yue Feng was stunned for a moment, and his interest was instantly hooked, and he asked with a smile: “What secret, tell me!”

Speaking of this, a coldness flashed in Yue Feng’s eyes, causing several people to sweat!

“I said, I said, just now we found the secret of this underground passage. It was a huge underground palace. At that time, we didn’t dare to investigate rashly, and decided to come back and report to the sect master first.” The leading boy said tremblingly, At the same time, he carefully paid attention to Yu Wenyan’s expression.

To be honest, I didn’t want to tell this secret, but now it’s all on Yue Feng’s body. If he says it, there may be a chance to live.

What? Dungeon! ?

Hearing this, Yue Feng suddenly became excited, and even Yu Wenyan, who was next to him, trembled, inexplicably excited. At the same time, he couldn’t help but glared at this subordinate.

This news should be his own exclusive, but now it is in vain for Yue Feng.

“If you dare to lie to me, I will make your life worse than death.” At this moment, Yue Feng reacted and scare the subordinate coldly.

“Don’t dare, don’t dare!”

The subordinate was so frightened that he almost burst into tears, and waved his hands again and again: “I dare not lie to Sect Master Yue, I still remember the route, I will take you there now, I just hope that you will arrive. The place, Sect Master Yue can let me go.”

Yue Feng’s brows were tightly locked, and he finally nodded: “Okay!” After the

voice fell, Yue Feng untied the subordinate’s acupuncture point, let him lead the way in front, and then Followed by Yu Wenyan.

“Let’s go!”

At this moment, Yue Feng smiled and said to Yu Wenyan: “Let’s go and see, what treasures are there in the place you mentioned. Aren’t you curious? You searched me before.”

“Yue Feng, since you know where the treasure is hidden, let me go!” Yu Wenyan bit his lip and pleaded with Yue Feng.

Seriously, if it were normal, Yu Wenyan would never miss this opportunity, but now that he is in Yue Feng’s hands, and his future is unknown, how can he be in the mood to find treasures?

“I can’t help you if you don’t want to go.” Yue Feng chuckled, no doubt: “I warn you Yu Wenyan, whether you hand over the Linglong Tower or not, you will be mine in the future, otherwise, you will wait a year later. Fester all over and die.”

“You…”

Hearing this, Yuwen was arrogant, but he had nothing to refute.

Yue Feng stopped talking nonsense, grabbed Yu Wenyan, followed the subordinates in front, and probed inside.

Chapter 2657

Wrong!

After walking for a few minutes, Yue Feng suddenly thought of something and stopped there.

Ye Meng escaped under the guards of several people. It stands to reason that she would come to find herself as soon as possible, but now that half an hour has passed, and she has not seen her return, there will be no accident, right?

Thinking to myself, Yue Feng was so anxious that he decided to find Ye Meng first, but after searching for half an hour, in the end, Yue Feng was sweating profusely, and he still couldn’t find Ye Meng!

Nima!

At this time, Yue Feng was very angry in his heart, and looked around at the same time, but he didn’t even notice Chen Yemeng’s shadow.

After all, this place is too big!

“Ye Meng!”

Finally, Yue Feng couldn’t bear it anymore. He raised his dantian and shouted to the surroundings: “Ye Meng, where are you?! If you hear it, answer Master!”

Yue Feng kept shouting, But no one answered Yue Feng at all!

It’s over….

Yue Feng’s mind is full of Ye Meng’s figure. Such an apprentice of Bingxue smart, if something really happens, he will never feel at ease in his whole life, that is his first apprentice.

Will Ye Meng meet the Zang Shuiyue brothers? If that were the case, it would be troublesome.

Ugh!

The more Yue Feng thought about it, the more anxious he became. However, at this moment, suddenly, a faint sigh came from the depths of the front. The sound seemed to be far away, giving people a very mysterious feeling.

“Who?” Yue Feng frowned and couldn’t help shouting loudly.

Yu Wenyan next to her also trembled slightly, and she was inexplicably nervous.

At this moment, the subordinate who led the way seemed to have thought of something and was very excited: “Sect Master Yue! This… This seems to be sent from the underground palace. When the few of us arrived at the entrance of the underground palace, we also I heard such a voice, can’t be wrong.” It

came from the underground palace?

Hearing this, Yue Feng thought for a while, and then did not hesitate: “Go, go to the underground palace!” Ye Meng could not be found for the time being, so he could only go to explore the underground palace first.

“Go, lead the way ahead!” Yue Feng said lightly.

Along the way, Yue Feng looked around, hoping to see the shadow of Chen Yemeng, but in the end, Yue Feng was still very disappointed. Didn’t see it at all.

A few minutes later, under the guidance of his subordinates, Yue Feng and the others finally arrived at the entrance of a special passage. This passage was all made of white stones. In stark contrast to the other black channels.

“Sect Master Yue, this is the place.” The leading subordinate said to Yue Feng very excitedly.

Yue Feng nodded silently, did not speak, and took Yu Wenyan to walk in first.

At the beginning, this passage was very narrow, but gradually it became wider. In the end, it was even wider than the main street of Tianqi Imperial City. It was dozens of meters wide, which was very shocking.

“Roar!”

Suddenly, a roar that shocked the soul came, like a tiger roaring and a dragon roaring. At that time, not only Yue Feng, but also Yu Wenyan and several subordinates had goosebumps all over their bodies!

The next second, Yue Feng reacted, scratching his head and thinking. When he first entered the ancient tomb of Lu Bu, he heard that there was a Pixiu, and that Pixiu was the spirit beast guarding the ancient tomb. Could it be here too?

Moreover, such a heart-shattering roar seems to be stronger than his former Qiongqi.

what exactly is it?

Thinking about it, Yue Feng was a little inexplicably excited, and at the same time, he was also alert and alert.

After walking for a few more minutes, Yue Feng saw that a huge tower appeared in front of him, and inside the tower, there was a dazzling light.

call!

At this moment, Yue Feng only felt that the blood all over his body was boiling all of a sudden, and he finally reached the underground palace. After passing this tower, the center of the underground palace is inside. It is absolutely impossible to go wrong!

Chapter 2658

Excited, Yue Feng took Yu Wenyan and walked quickly to the city tower.

I go!

After passing through the tower, Yue Feng’s body trembled when he saw the scene in front of him, and he was stunned.

At the same time, Yu Wenyan’s tender body trembled, and several of his subordinates were also killed, standing there dumbfounded, shocked beyond words.

They saw that in front of them was an incomparably grand palace. The palace was even more majestic than the palaces in the Northern Ying Continent. Moreover, the entire palace was splendid, and the surrounding pillars and walls, including the roof, were all golden.

Obviously, the entire palace is made of gold.

And at Yuefeng Station, between the palace and the palace, was a huge square. This square was bigger than any square Yue Feng had ever seen.

Around the square, there are more than a dozen huge statues of spirit beasts. There are twelve statues in total, corresponding to the twelve zodiac signs. Each statue is more than ten meters high. Can be alive at any time.

What surprised Yue Feng even more was that there were strange aura fluctuations within these retail statues.

hiss!

Seeing this scene, both Yue Feng and Yu Wenyan couldn’t help gasping for air.

So shocking.

Finally, Yue Feng reacted, his eyes retracted from all around, and he looked towards the main entrance of the palace.

At the position of the palace gate at this time, there was a huge black dragon lying on it, with black scales all over its body, exuding a cold light, more than 100 meters long, and it was like a hill there.

Yue Feng clearly felt that this Flood Dragon was not real.

Obviously, the previous roar was made by this black dragon.

And above the black Flood Dragon, there is a burly figure suspended, an old man with a good aura.

This old man, with the long gray-white hair of the steamed bun, was wearing a black leather armor, and his body was filled with a powerful aura of the king, especially his eyes, which seemed to be able to see through the vicissitudes of the world and evil.

Like the black Jiaolong, this old man was also transformed into a powerful force, and he could feel his gaze, and Yue Feng felt terrified in his heart.

Who is this old man?

Is that the owner of this underground palace?

Yue Feng couldn’t help but take a deep breath and muttered in his heart.

A few Yu Wenyan next to him, under the strong pressure of the old man, their brains were buzzing, and they were completely stupid.

Um?

Just when Yue Feng couldn't help but want to step forward and ask the old man's identity, his eyes suddenly flashed, and he was stunned when he saw the back of the black Jiaolong.

Just saw, in the shadow behind Jiaolong, a slender figure, kneeling there at the old man, with a beautiful face, showing deep piety and respect.

The charming curves reveal a wild beauty, and the delicate face reveals an indescribable tenderness.

It was Zang Yunyue who was rescued by Yue Feng not long ago.

Gudong!

At this moment, several of Yu Wenyan's subordinates also saw Zang Yunyue! One by one, they couldn't help but swallowed their saliva!

Speaking of which, most of the Rakshasa women are very sturdy, and they don't quite fit the aesthetics of Kyushu men, but there are exceptions, such as the Rakshasa Queen Mengna, who is a stunner in the world, combining the wildness of the Rakshasa with the softness of Kyushu women, Perfect fusion.

And Zang Yunyue in front of her was no less inferior to Meng Na.

Beautiful, really beautiful.

For a time, several subordinates were stunned.

"Huh…"

At this moment, Yue Feng reacted and was very surprised. He never thought that this woman would find this place so quickly.

Chapter 2659

On second thought, this place was originally found by the three brothers and sisters, and it is normal for Zang Yunyue to come here.

Thinking to himself, Yue Feng looked around vigilantly, Zang Yunyue was here, could her two brothers be here too, hiding in that corner?

At this time, Zang Yunyue also saw Yue Feng, a trace of depression flashed in her eyes, and she quickly regained her composure.

"For thousands of years, this place is so lively for the first time."

However, at this moment, the old man floating above the black dragon suddenly opened his mouth. While speaking, his eyes swept across Yue Feng and the others.

Loud and shocking.

Hearing the old man's voice, Yue Feng's whole body suddenly trembled. Although he didn't know who the old man was for the time being, he was still shocked when he heard him speak.

This…. this is just an illusion of power, not a real person, how can he speak?

Looking at his dress, he must have been a big man in the world. Thinking of this, Yue Feng tried his best to calm himself down and cupped

his hands at the old man: "Don't blame me for breaking in rashly.

"

It has reached the late stage of the Tribulation Transcendence Realm, and it is rare to be so humble, rare, rare…"

What? !

At this moment, Yue Feng was stunned for a moment, and his heart was extremely shocked.

You must know that Yue Feng's true strength is only known to him, and even Zhu Bajie can't figure it out, and the old man in front of him can accurately say his strength just by looking at himself.

This…. what kind of existence at this time? too terrifying.

At this moment, Yue Feng seemed to see the figure of Guiguzi from the old man in front of him, even more terrifying than Guiguzi.

Gudong!

A few seconds later, Yue Feng reacted, couldn't help swallowing a mouthful of saliva, resisted the shock in his heart, and cupped his hands at the old man again: "Dare to ask the senior… your name." The person who

asked these words At that time, Yue Feng was confused.

At that moment, the old man showed a smile, and before he could speak, he was interrupted by Zang Yunyue.

“Fengtao!”

Zang Yunyue stood up slowly, looked at Yue Feng and Yu Wenyan, and said softly, “This is the ancestor of our Rakshasa people, praise your father.”

When he said this , Zang Yunyue’s beautiful face is full of respect.

What? !

At this moment, let alone Yu Wenyan, even Yue Feng was blinded! Staring blankly at the old man! Can’t say a word.

Kua.. Kuafu..

Did you hear it right? Is this old man Kuafu?

You know, the story of Kuafu chasing the sun, the continent of Kyushu, who doesn’t know? Almost no one knows, no one knows. It can be said that the name of Kuafu is much louder than that of Zhurong Gonggong and even Shennong.

After all, in ancient times, Kuafu was a god-like existence.

“Hey!”

Yue Feng was stunned for more than ten seconds before he realized it. He couldn’t help gasping for air. He only felt that his whole body was soaked with cold sweat.

Unexpectedly, Kuafu turned out to be the ancestor of the Rakshasa!

At this time, Yue Feng didn’t know that Kuafu was the number one general under Xuanyuan Huangdi back then. He helped Xuanyuan Huangdi and defeated Chiyou, and made great achievements in battle. Moreover, Kuafu was loyal to Xuanyuan Huangdi, and it was because of him that the Rakshasa clan was right. Xuanyuan Huangdi was born and died.

However, after the death of Kuafu, the Rakshasa tribe lost the restraint of their leaders, gradually became arrogant and arrogant, coupled with cruelty and easy to kill, and finally slowly rebelled against Xuanyuan Huangdi.

Chapter 2660

Call!

At this moment, Kuafu, who was suspended there, took a deep breath, looked around and said, “I left the last ray of thought here, so that future generations can get my

inheritance, but I didn't expect that this would be a problem. I have waited for so many years."

Saying that, Kuafu's eyes fell on Zang Yunyue: "Although you are a woman, you have a good talent. From now on, you will get my inheritance. Remember, you will benefit the tribe a lot in the future, knowing that Is it?"

Hearing this, Zang Yunyue's delicate body trembled, unable to express her excitement.

Afterwards, Zang Yunyue reacted and was flattered: "Thank you for your great love, but… I'm afraid I can't take on this important task.

" , I was shocked when I learned that Kuafu wanted her to accept the inheritance.

At the same time, Yue Feng, Yu Wenyan and others were also stunned.

Kuafu wants to give his inheritance to this Rakshasa woman? This is an ancient god-like existence, what kind of power will his inheritance be?

"Haha!"

Kuafu smiled and looked at Zang Yunyue seriously, his eyes full of admiration and love: "You are a Rakshasa person here, if you don't accept it, who else can you?"

Seeing him like this Saying that, Zang Yunyue nodded: "Okay, I will obey the orders of the ancestors."

"Okay, okay!"

Kuafu was very happy, nodded in approval, and then looked at Yue Feng and the others: "Several With extraordinary temperament, he must be a person with kindness and kindness. During the inheritance process, we must not be disturbed in the slightest, I hope you can help me protect the law, how?"

At this

moment, Yu Wenyan and several subordinates, their eyes flickered, Some hesitant.

Speaking of which, Kuafu is an ancient god-like existence. Who wouldn't be jealous of his inheritance? So in Yu Wenyan's heart, in that instant, some thoughts arose, but he didn't dare to express them.

After all, the inheritance of Kuafu can only be obtained by the Rakshasa clan, and Kuafu has chosen Zang Yunyue. More importantly, although the Kuafu in front of him is always in a bad mood, his power is too terrifying. Even if he wants to grab it, Yu Wenyan doesn't have the courage.

“Okay! Don’t worry, senior!” Yue Feng did not hesitate at all.

In Yue Feng’s heart, Kuafu is a senior, and his wishes must be followed. Moreover, Yue Feng was open-minded and never thought of grabbing this inheritance.

“Okay, okay!”

Hearing Yue Feng’s answer, Kuafu was very happy, nodded at Yue Feng’s approval, and signaled Zang Yunyue to start accepting the inheritance.

At this moment, Yue Feng kept his promise and took Yu Wenyan with him to guard the entrance of the city gate.

“Yue Feng!”

At this time, Yu Wenyan bit his lip and asked very puzzled: “The inheritance of Kuafu is no trivial matter, and you know that the Rakshasa people are brave and good at fighting, and they were able to negotiate with Kyushu before because of the situation. But once this woman gets the inheritance of Kuafu, the power of the Rakshasa clan will greatly increase, which is not good news for us.”

“As far as I can see, this Kuafu’s remnant is strong, but with your strength, it should be It can be suppressed.”

“If you want to seize the inheritance, how about we cooperate with you?”

Yu Wenyan’s face was serious when he said this, but his eyes flickered, not looking at Yue Feng.

Yu Wenyan is thoughtful, resourceful and far-sighted, and her intelligence is comparable to Ren Yingying. Although she was forced to take Tongtian Pill by Yue Feng, she could not help herself, but she was still unconvinced in her heart.

Yu Wenyan thought about it, instigated Yue Feng to snatch the inheritance, and raided Yue Feng at a critical time. As long as Yue Feng was defeated, he would be able to get the Tongtian Pill antidote from him.

And if there is an antidote, there is no need to be controlled by Yue Feng.

The ultimate husband in Chinese chapter 2661-2665

Chapter 2661

“No!”

However, Yu Wenyan underestimated Yue Feng’s personality too much, at this moment, Yue Feng hardly hesitated, shook his head and refused: “Being a man must be true to what you say, since I have agreed to Kuafu, I have to do what I say.”

“Besides, only the Rakshasa people can get the inheritance of Kuafu. Even if I am strong, I may not be able to inherit it.”

“As for the grievances between the Rakshasa and Kyushu, the two sides have coexisted peacefully for three years. , it is impossible to cause trouble easily.”

When he said this, Yue Feng had a determined look on his face.

“I…” Yu Wenyan opened his mouth, somewhat speechless, feeling a little disappointed at the same time, but also a little surprised.

At this time, Yu Wenyan had never imagined that the man in front of him had such an excellent quality. In Yu Wenyan’s heart, Yue Feng was an unscrupulous bastard, and he never realized that when it came to serious matters, his stance was so firm.

The plan failed, and Yu Wenyan was very depressed.

Yue Feng didn’t want to snatch the inheritance, so he wouldn’t have the chance to get out of his control.

hum!

At this moment, at the entrance of the palace, the Kuafu inheritance ceremony had begun, and a powerful force formed a ray of light, covering Kuafu and Zang Yunyue.

That power is extremely pure, and seeing this scene, both Yue Feng and Yu Wenyan are shocked.

I don’t know how long it will take, the inheritance is over!

“Child, the future of the tribe will be handed over to you.” As the light ended, Kuafu’s figure appeared, and at this time he looked at Zang Yunyue kindly, and said slowly, “As the inheritance continues, I can also feel completely at ease. Now .”

When he said this, Kuafu’s body began to become illusory, like a puff of smoke that was about to be blown away by the wind at any time.

This chapter is provided by . Visit for daily update.

“Thank you ancestors!” Zang Yunyue looked at Kuafu’s figure and slowly floated upwards, feeling reluctant to let go, she couldn’t help but said.

At this time, Kuafu also looked reluctant, looked at Zang Yunyue, and looked at Yue Feng: “This underground palace is supported by my thoughts, I will disappear soon, and here will be soon. Collapse, let’s go…”

“Om!” When the

last sentence fell, there was a sudden gust of wind around the huge square and the palace, and then, Kuafu in mid-air completely disappeared, disappearing in the Yue Feng crowd. before.

Boom!

Immediately afterwards, the entire underground palace began to vibrate violently, as if the sky was falling apart.

“Let’s go!” Yu Wenyan’s tender body trembled, and he couldn’t help shouting. The few subordinates behind him were so scared that their faces turned pale.

Yue Feng did not leave immediately, but quietly watched Zang Yunyue.

Perhaps because of the inheritance, Yue Feng clearly felt that the temperament of Zang Yunyue and the feeling it gave people were completely different from before. There was an air of transcendence in his body, as if he had changed a person.

“Fengtao, thank you!” Zang Yunyue walked over quickly, with a trace of nervousness on her beautiful face: “This place is about to collapse, hurry up and get out.”

Saying that, Zang Yunyue couldn’t hide it. Thanks: “Fengtao, I will keep your help to me today in my heart. If you need anything in the future, just come to the Rakshasa to find me.”

Until this moment, Zang Yunyue didn’t know that this person who helped him several times before him The man is not called Feng Tao at all, but Yue Feng, who is famous in Kyushu.

Yue Feng nodded, and then asked, “Aren’t you going?”

Zang Yunyue smiled lightly: “My eldest brother and second brother, I don’t know where I’m trapped, I’m going to find them, don’t worry, we’ll be fine. of.”

The voice fell, Zang Yunyue waved at Yue Feng, and rushed in towards the passage in front of him. In the blink of an eye, he disappeared from everyone's sight.

Chapter 2662

Call!

Yue Feng took a deep breath, thinking of Ye Meng at this time, and became anxious again.

This place is about to collapse, but Ye Meng has never been seen. She won't be trapped somewhere like the two brothers, will she?

Boom!

The vibration became more and more severe. At this time, boulders continued to fall. Yue Feng didn't have time to think about it, and hurriedly greeted Yu Wenyan and rushed towards the exit.

At the same time, Yue Feng kept looking around to see if he could find Ye Meng.

Finally, Yue Feng and the others saw a ray of light, which was the exit!

Whoa!

However, at this time, I heard the sound of screaming and killing from outside the exit.

At this moment, Yue Feng was stunned, Qingyunzong was attacked? Who is the other party?

Is it Zhang Jiao?

"Yue Feng!"

Seeing Yue Feng's expression, Yu Wenyan hesitated and couldn't help but said, "The Qingyun Sect should be occupied soon, let's just go out like this, I'm afraid we will meet Zhang Jiao."

Yes, Yuwenyan just now When I got here, I was encountering Zhang Jiao attacking Qingyunzong. At that time, Yu Wenyan did not reveal it, but entered the back mountain and accidentally entered the cave.

"What did you say?"

Yue Feng was stunned, frowning at Yu Wenyan: "Zhang Jiao attacked Qingyunzong? Are they not a cooperative relationship?"

Yu Wenyan sneered, unable to hide his inner resentment: “Zhang Jiao is so despicable Little man, no one in the world deserves to cooperate with him, only to be used by him.”

Saying that, Yu Wenyan suddenly thought of something: “There’s one more thing, I don’t know if you know it.”

“What’s the matter?”

Huh!

Yu Wenyan breathed a sigh of relief, instead of complicating it: “I got news before that in order to deal with Zhang Jiao, Wen Chou Chou secretly appealed to the Tianqi Royal Family and Tianmen for help, but Zhang Jiao saw through it. Later, Wen Chou Chou was besieged and fell off a cliff and died. “

When he said this, Yu Wenyan’s tone was calm, but he always paid attention to Yue Feng’s reaction.

Yes, Yu Wenyan wants to provoke a fight between Yue Feng and Zhang Jiao. In Yu Wenyan’s heart, these two are her enemies. The more they fight each other, the happier she is.

What?

Yue Feng only felt a buzzing sound in his head, and the whole person was stunned.

In the next second, Yue Feng reacted, grabbed Yu Wenyan’s fragrant shoulder, shook it vigorously and shouted, “Who did you listen to?”

Brother Wen died? This is impossible.

Yue Feng was too angry, Yu Wenyan’s beautiful face showed a trace of pain, and she said in a sullen voice, “You hurt me.” After

speaking, he pushed away Yue Feng’s hand and continued: “This matter has never happened before. There will be no fake news from the Tian organization, don’t forget, I was once the head of the Wu Tian organization.”

Zhang Jiao!

Yue Feng’s eyes were instantly blood red, and his fists were clenched.

I am at odds with you.

…..

the other side!

Qingyunzong Mountain Gate.

Just after the fierce battle, the sky began to rain lightly, and the rain washed away the bloodstains and merged into the city river.

Inside the hall, Zhang Jiao sat there with a smile on his gloomy face.

In less than an hour, he controlled Qingyunzong, which was faster than his budget. Today, he annexed Qingyunzong, and his power increased greatly, and he was one step closer to dominating Kyushu.

At this time, many elites from the Heavenless Organization congratulated Zhang Jiao one after another!

“Congratulations, Lord, to successfully annex Qingyunzong!”

Chapter 2663

“The lord is mighty!”

Listening to the congratulations from his subordinate elites, Zhang Jiao felt incomparably relieved, nodded and laughed: “This battle, you all have contributed, I will hold a celebration banquet for you later, to When the time comes, everyone have a few more drinks.”

Om!

“Celebration feast? I’m afraid you won’t have the opportunity to celebrate!” At this moment, only a roar was heard from the sky outside!

Everyone inside and outside the hall was shocked by this roar, and their hearts trembled, and they all looked for the sound!

hiss!

Seeing this, everyone’s heart trembled inexplicably.

I saw an incomparably ruthless man walking step by step. Although there was only one person, he had a powerful aura that intimidated the world. His facial features were cut like a knife, and his eyes flashed with a strong killing intent. It was Yue Feng!

Upon learning of Wen Chou Chou’s tragic death, Yue Feng collapsed instantly, and after a few Yu Wen Yan left, he came to the main hall alone.

At this time, Yue Feng, who is alone and only a shadow, is majestic and majestic! There was no arrogance in his expression, but endless pain and hatred, and murderous aura all over his body.

call!

At this moment, the whole place is silent! You can almost hear the needle falling, and everyone is quietly watching Yue Feng!

Yue Feng did not hesitate, and when he arrived at the entrance of the main hall, he raised his hand and sent the two elite disciples of the Heavenless Organization flying out. Those two disciples fell into a pool of blood before they could react, and before they even had time to scream.

Seeing this scene, everyone was furious.

boom!

Zhang Jiao's eyes flickered, but he couldn't help it. He suddenly stood up and sneered at Yue Feng: "Yue Feng, I thought I was going to disappear again and disappear for a few years, why? I can't wait now. ?"

With that, the corners of Zhang Jiao's mouth evoked a hint of abuse: "Are you here to avenge Wen Chou Chou? Hey, speaking of it, this Wen Chou Chou is indeed very smart, but unfortunately, cleverness was mistaken by cleverness, he didn't do anything. Thinking of it, the plan has long been known to me, so I die without complaining. Haha…"

Swish!

Hearing this, Yue Feng's eyes were extremely blood-red, his body was filled with suffocation, and deep in his heart, monstrous anger was surging!

"Zhang Jiao, today next year will be your day of death!" A cold voice came from Yue Feng's mouth, and Sen Han was extremely cold, as if from hell.

He and Wen Chou Chou showed each other with sincerity, and had a deep brotherhood. He thought that he would be able to share peace in the future, but he did not expect that before this day came, he would die tragically at the hands of Zhang Jiao.

At this time, Yue Feng was filled with anger, and this anger completely made Yue Feng lose his mind.

hum!

At this moment, Yue Feng didn't hesitate at all, all his internal power exploded, his figure flashed with lightning speed, and the air was torn apart when he came straight to Zhang Jiao, the power was amazing!

Seeing Yue Feng attacking, Zhang Jiao didn't panic at all. On the contrary, his eyes flashed with excitement, and his whole body was filled with endless fighting intent.

Everything he did during this time was to force Yue Feng to appear. At this time, Yue Feng took the initiative to send him to the door, and Zhang Jiao was only excited, not nervous.

"Yue Feng!"

Zhang Jiao smiled grimly, and his tone was playful: "I know that you are in a hurry to reunite with Wen Chou Chou in Huangquan, and I will fulfill you." As the

voice fell, Zhang Jiao's inner strength surged, and he went straight to meet him!

clang!

The next second, Yue Feng and Zhang Jiao collided, and a tyrannical fluctuation of internal force swept the audience! The air on Qingyunzong Mountain was distorted!

Afterwards, Zhang Jiao volleyed back dozens of steps, his face gloomy and uncertain.

That's right, Zhang Jiao also took action after attacking Qingyunzong before, which consumed a lot of internal strength. At this time, facing Yue Feng, who was bursting with all his strength, he was naturally a little overwhelmed.

However, Zhang Jiaode did not panic at all.

"Come on!" A

sneer appeared at the corner of Zhang Jiao's mouth, he pointed at Yue Feng, and roared wildly: "Everyone, take down Yue Feng, life or death! Give it to me!

" Dou is not Yue Feng's opponent for the time being, but he has so many subordinates, and it consumes all his internal strength.

In short, Yue Feng must die today. must die!

Swish swish…

The voice fell, and the subordinate elites who were already surrounded by them all screamed loudly, and their inner strength urged them to charge towards Yue Feng!

Chapter 2664

Although the strength of these subordinate elites is not particularly high, the explosion of thousands of people together is very amazing.

Huh…

Seeing the people rushing up, Yue Feng's eyes were extremely blood red, his inner anger was completely aroused, and he howled wildly: "Want to kill me? Come up, today I want all of you here to fight for My brother Wen is buried with me!" The

voice fell, Yue Feng was like a tiger entering a flock, and he directly rushed into the opponent's crowd!

what!

In an instant, screams continued in the hall, and many elites from the Heavenless Organization were killed by Yue Feng before they could take action. The entire hall seemed to be dyed red with blood!

At this time, Yue Feng's body was also dyed red with blood, like a god of killing.

At the same time as the shot, Yue Feng also quickly looked at the surrounding situation, and saw that Ye Changsong, the head of Qingyunzong, his wife Xie Cai, and hundreds of elite disciples under the sect were all tied up in the side hall.

These people are all very weak.

However, Yue Feng never found Ye Meng's figure.

Thinking that something might happen to his lover, Yue Feng was furious, and his actions were even more maddening.

call!

At this moment, in the center of the hall, behind Zhang Jiao, two figures stood there, looking at the scene in front of them, their expressions seemed calm, but their eyes showed complexity.

It was Fang Qifo and Meihui. Of course, the two of them were still dressed as the head and disciple of the Snow Mountain Sect.

Before Zhang Jiao received the news of Ye Changsong, he brought people here quickly. At that time, Fang Qifo was still a guest at the main altar of Wutian Organization. After learning about the situation, he didn't hesitate, and quickly followed Meihui.

After arriving at Qingyunzong, they found that Yue Feng was not there, Fang Qifo and Meihui were secretly relieved, but they didn't expect that in the end, Yue Feng actually took the initiative to come over.

This…

Seeing Yue Feng being besieged, Mei Hui was so anxious, but she didn't dare to speak, so she could only look at Fang Qifo for help.

Fang Qifo shook his head secretly, and glanced at Zhang Jiao cautiously.

The matter of pretending to be the head of the Snow Mountain School must not be exposed, otherwise, the previous efforts will be in vain.

Swish!

At this time, in the battlefield of the main hall, Yue Feng shook the few people in front of him, his eyes locked on Zhang Jiao, and he said coldly: "Zhang Jiao, I will kill you today!" The

voice fell, a terrifying breath, It erupted from Yue Feng's body again, and in an instant, the surrounding air seemed to stagnate.

The aura of Transcending the Tribulation Realm enveloped the audience, and everyone in the hall felt panic in their hearts!

"Kacha!"

Immediately after, with a crisp sound, a gleaming weapon appeared in Yue Feng's hand.

Fang Tian draws a halberd!

As soon as Fang Tianhua's halberd came out, a bloody suffocating aura filled every corner of the hall, and the surrounding temperature dropped a lot.

call!

Feeling the strength of Yue Feng, the eyes of everyone around him were flickering with fear, and no one dared to take a step forward. To go up is to die, who doesn't want to live?

Made!

Seeing this scene, Zhang Jiao's face was gloomy, and his heart was so anxious that he was really a bunch of rubbish, so many people could not suppress a Yue Feng.

Thinking to himself, Zhang Jiao roared, “Where are the eighteen hall masters? Set up the formation for me.”

Swish swish…

When the voice fell, I saw eighteen figures, rushing up quickly and surrounding Yue Feng, it was the eighteen hall masters of the Wutian Organization. These hall masters were all strictly selected by Zhang Jiao. Yes, each of them is powerful.

Chapter 2665 In the

next second, after Yue Feng was surrounded, the eighteen hall masters moved one after another and quickly formed a formation.

Formation?

Yue Feng was stunned and frowned slightly.

How mysterious is this formation? Moreover, there seems to be no record in the Baiqishen formation.

At this time, Yue Feng did not know that the eighteen hall masters formed the formation created by Zhang Jiao himself, called the Sleeping Spirit Formation. It was created by Zhang Jiao with his outstanding talent in the past three years. , I used it for the first time today, so even Yue Feng didn’t know this formation.

Zhang Jiao’s accomplishments in formation techniques are no less than Yue Feng’s, or even better. Otherwise, when Zhang Jiao helped Yang Jian conquer the Quartet, Yue Feng would not have been beaten and retreated.

However, Yue Feng is also very confident in his formation skills, so he is not panic at all!

The formation method is right, any formation method has flaws.

Thinking to himself, Yue Feng held Fang Tianhua halberd tightly and tried to break the formation.

However, half an hour later, Yue Feng’s attack was blocked by the formation, and he couldn’t rush out.

At this moment, Yue Feng was very anxious!

Huh..

Seeing this scene, Zhang Jiao was not relieved at all, and his face was extremely ugly. Mad, this Yue Feng is really difficult to deal with. If others are trapped in the trapped

spirit formation, they will not be able to last for a moment, but this Yue Feng has endured for so long.

In the next second, Zhang Jiao had an idea in his mind, looked around, and sneered: “Yue Feng was trapped by the formation and had no time to detach himself, and his attention was on breaking the formation. Whoever takes the opportunity to raid will surely be able to inflict heavy damage.”

Saying this At the time, Zhang Jiao looked sinister.

Speaking of which, Zhang Jiao did it himself, which was the most reliable, but he used up a lot of internal energy and needed to recover, so he wanted the people below to raid Yue Feng.

call!

However, upon hearing this, the several subordinates standing beside Zhang Jiao were all hesitant, looking at Yue Feng’s eyes with deep awe.

Although the timing of the raid was good, Yue Feng’s strength was tyrannical, and if he missed, his life would be lost.

Made!

Seeing that no one dared to step forward, Zhang Jiaoqi’s face turned black, and he couldn’t help scolding: “It’s all trash, now it’s time to prove your loyalty, but everyone is afraid of this?”

“I’m here to help Mr. Zhang !”

At this moment, a faint voice came, and then, a person walked out from the side, with a faint smile and confidence on his face, it was Fang Qifo.

Seeing that Yue Feng was besieged, Fang Qifo was always thinking of a way. At this time, when Zhang Jiao sent someone to raid, he decided to take a risk.

Of course, Fang Qifo didn’t really attack Yue Feng, but wanted to help him secretly.

“Master!” Mei Hui’s delicate body trembled, and she couldn’t help pulling Fang Qifo.

What is the master going to do? Don’t you want to save big brother? Why are you helping Zhang Jiao to raid?

Feeling Meihui’s nervousness, Fang Qifo secretly winked at her, signaling not to be nervous.

Meihui Bingxue was smart and understood what Master meant in an instant, but she was still a little worried. You must know that everyone here is from Zhang Jiao. If Master wants to help Big Brother, wouldn't it be exposed at once?

But on second thought, Master is resourceful. Since he took the initiative to stand up, there must be a way. Thinking of this, Meihui felt a little more at ease.

"Ha ha…"

Seeing Fang Qifo come out, a smile appeared on Zhang Jiao's face, and he nodded approvingly: "If you have done your work, I will definitely thank you again."

In Zhang Jiao's eyes, Fang Qifo was the head of the Snow Mountain Sect. The strength is within the Kyushu, although it is not a top powerhouse, but there is no problem in raiding Yue Feng. After all, Yue Feng is trapped in the formation and has no time to clone.

At this time, Zhang Jiao didn't know that the person in front of him was not the head of the Snow Mountain Sect at all, but a fake from Fang Qifo.

The ultimate husband in Chinese chapter 2666-2670

Chapter 2666 In the

blink of an eye, Fang Qifo has already rushed towards Yue Feng!

Um?

Seeing Fang Qifo rushing towards him, Yue Feng was filled with suffocating energy: “Here is another one to die?”

In Yue Feng’s heart, Zhang Jiao was insidious and cunning, and those who did things for him were not good people, so he didn’t need to be merciful.

“Since you die, I will fulfill you!!” Yue Feng’s voice coldly spread throughout the audience.

hum!

The voice fell, Yue Feng’s internal force turned, and a powerful force filled the entire hall.

In the next second, I saw a dazzling ray of light burst out towards Fang Tian Hua Ji, directly shrouding Fang Qi Buddha. This power almost destroyed the sky and the earth!

“Kill!” Yue Feng roared frantically, raising his hand and pointing at Fang Qifo!

Speaking of which, Yue Feng was no longer the energetic, impulsive young man who acted calmly, but when he learned of Wen Chou Chou’s death, his heart was completely broken.

But now, Zhang Jiao didn’t kill him, but was entangled by these people around him, which made Yue Feng’s inner anger rise.

Yue Feng thought about it, quickly killed the raider, then broke through the formation with all his strength, and finally calculated the general account with Zhang Jiao.

Chi Chi…

At this moment, I saw that the light and shadow were as fast as lightning, and the air was slashed by a crack wherever it passed!

“Hi!”

This chapter is provided by . Visit for daily update.

Seeing this scene, whether it was Zhang Jiao or everyone around him, his face was solemn, and he couldn't help but take a deep breath!

Especially Zhang Jiao, a complex light flashed in his eyes. Mad, I haven't seen him for a while. This Yue Feng's strength seems to have improved a lot. If he doesn't kill him today, I'm afraid there won't be such a good chance in the future.

Meihui, who was standing beside her, trembled even more, and was anxious.

At this time, Meihui wanted to tell Yue Feng loudly that she was Meihui, and it was her master who rushed into the battle, but she held back in the end.

call!

Feeling the violent power, it surged in, even though Fang Qifo had already prepared in his heart, he was still surprised at this time.

This Yue Feng is indeed a hero who is famous in Kyushu. This blow to destroy the world is too terrifying.

However, under the surprise, Fang Qifo did not panic at all.

Seeing the dazzling rays of light whistling, Fang Qifo silently recited the formula, and his figure flickered up, avoiding more than ten meters to the side, narrowly avoiding the impact of the rays of light.

Whoa!

Seeing this scene, everyone in Wutian Organization was surprised and happy.

Wonderful, I didn't expect that the head of the Snow Mountain Sect was not weak enough to escape Yue Feng's attack.

At the same time, Mei Hui was also secretly relieved.

Um? What's going on here? !

Zhang Jiao, who was standing there, frowned secretly.

Although he didn't have much contact with the Snow Mountain faction, Zhang Jiao had secretly investigated the head of the Snow Mountain faction, and knew that although his strength was not weak, in the Kyushu continent, he could not be ranked at all.

But just now, he easily escaped Yue Feng's powerful blow. It seems that the head of the Snow Mountain faction has been hidden all the time.

Thinking about it, Zhang Jiao's eyes became complicated, and he couldn't help looking at Fang Qifo, thoughtfully.

"Good trick!"

At this time, Yue Feng also had a solemn expression on his face. After saying a few words coldly, his figure suddenly accelerated and came straight towards Fang Qifo.

Although he has been trapped in the formation, Yue Feng's speed does not seem to be affected, but in a blink of an eye, he is in front of Fang Qifo! The cold face is full of evil spirits, just want to get the boy in front of him as soon as possible.

call!

Chapter 2667

Yue Feng, without any hesitation, hit Fang Qifo with a palm.

At this moment, Fang Qifo's eyes flickered, and he did not leave to dodge, but also stretched out his palm to meet him. In an instant, the palms of the two people collided! There is no separation!

Whoa!

Seeing this scene, everyone present was in an uproar.

"What's the situation? He and Yue Feng are fighting for internal strength?"

"The head of the

Snow Mountain Sect seems to be a little overbearing…" "Three years ago, Yue Feng was the supreme powerhouse in Kyushu, and his internal strength is unfathomable. To send Sect Master to fight with him is to die…" Fighting

with me? Who gave you the courage?

At this moment, Yue Feng, who was in the air, was stunned when he saw Fang Qifo's movements, and his blood-red eyes were full of gloom.

Speaking of which, from the moment of becoming famous to the present, Yue Feng believes that he has not reached the peak of his stunt.

"Sect Master Yue!"

However, at the moment when the two palms were pressed together, Fang Qifo couldn't hide his urgency, and said in a low voice, "Please calm down, I'm not Zhang Jiao, and I'm not here to deal with you. "

At this moment, Fang Qifo and Yue Feng were both above the sky, and Fang Qifo deliberately lowered his voice, so only he and Yue Feng could hear these words.

In the eyes of everyone in Zhang Jiao below, they only thought that the two were seriously competing for internal strength.

Um?

Hearing this, Yue Feng's cold eyes softened a little, and he looked at Fang Qifo up and down, very puzzled.

Isn't he from Zhang Jiao? But why raid yourself?

Seeing Yue Feng's confused look, Fang Qifo breathed a sigh of relief and continued to lower his voice: "Sect Master Yue, it is true that he is my master Ouyang Meihui, this is not what I am.

" In order to hide Zhang Jiao."

Mei Hui? !

Hearing this, Yue Feng was suddenly excited, and his eyes quickly looked around: "Where is she? What's the situation?"

Thinking of Meihui, a long-lost warmth rose in Yue Feng's heart. Although she is a righteous sister, she has no blood, but she is even more kissable than her own sister.

However, when he looked around, he didn't see Meihui. At this time, Yue Feng didn't know that Meihui also used 'Wuxiang Qianmian' and turned into another person, standing behind Zhang Jiao.

Just before, I learned from Yu Wenyan that the Ouyang family was raided by Zhang Jiao, and everyone was caught by Zhang Jiao. Yue Feng was so anxious that he heard Fang Qifo say this, and his mind suddenly became a mess. .

Didn't Mi Hye get caught? Why is there a new master all of a sudden?

Ugh!

Seeing his expression, Fang Qifo gave a wry smile and couldn't help but say, "Sect Master Yue, I can't tell you the details for a while. The most important thing now is to leave here first."

“Although you are strong, Zhang Jiao is not easy to deal with, when you get out of trouble, I will bring my disciple Meihui to join you!”

When he said this, Fang Qifo’s face was sincere, and his eyes flashed with anxiety.

Hearing this, Yue Feng hesitated for a while, and finally nodded reluctantly: “Okay, I will listen to you.” To

be honest, Yue Feng wanted to kill Zhang Jiao immediately, but he also knew that he came here alone today. Zhang Jiao is indeed a bit reckless to settle accounts, otherwise, he would not be trapped here.

Moreover, Yue Feng didn’t know why, the Fang Qifo in front of him was only the first time he saw him, but he was willing to believe him.

Phew…

At this time, everyone below looked at the two people in the air with extremely complicated expressions.

“I’ve been fighting with Yue Feng for so long?”

“The head of the Snow Mountain Sect is hiding something…”

Everyone’s comments kept coming, and they couldn’t hide the admiration of the other party’s Seven Buddhas, but they didn’t realize it. Arrived, the two people in mid-air seemed to be competing for internal strength, but in fact, they were discussing plans.

Chapter 2668

Soon, Fang Qifo and Yue Feng conspired to make a plan.

After confirming the plan, Yue Feng suddenly shouted: “Boy, go to hell.” When the

voice fell, Yue Feng suddenly slapped his palm and called towards Fang Qifo. In a short time, he saw that the surrounding air was distorted. In fact, This palm of Yue Feng did not stimulate much internal force at all.

“Ah…”

At this moment, Fang Qifo pretended to scream, and with the help of Yue Feng’s palm, his body flew towards the back, flying dozens of meters away, hitting a hall master, and then fell. fall to the ground.

Is this defeated?

Seeing this scene, everyone below was stunned. They thought that Fang Qifo would be able to fight with Yue Feng for a while, but they did not expect to lose so suddenly.

Whoosh!

It was at this time that Yue Feng held Fang Tianhua halberd tightly and shook the few people in front of him back. With a flick of his body, he rushed out of the hall.

Yes, this is Fang Qifo's plan. The trapped spirit formation that trapped Yue Feng requires the close cooperation of 18 people. Fang Qifo pretended to fail miserably and hit one of the hall masters, causing a gap in the formation. It gave Yue Feng a chance.

"Mr. Zhang!" Fang Qifo struggled to get up, looking ashamed, and said to Zhang Jiao: "I tried my best, but I didn't expect this Yue Feng to be so powerful."

Zhang Jiao didn't respond, his face was expressionless, but his eyes flashed endlessly. 's anger.

Mad, finally trapped Yue Feng, but let him run away.

"Zhang Jiao!"

At this moment, Yue Feng, who rushed to the sky outside, his eyes were full of resentment, his inner strength protected his throat, and he shouted loudly: "Within three days, I will make you pay with blood!"

"Within three days. , I will make you pay with blood!"

This roar reverberated over the entire Qingyunzong! Hearing Yue Feng's roar, the entire hall was silent! Many people who were present without a heavenly organization felt an inexplicable chill.

The group of sect masters looked at each other in dismay, trembling inexplicably by Yue Feng's words.

Whoosh!

At this moment, a figure rushed out of the crowd, flying like a fright, flying into the air, chasing towards Yue Feng.

It was Zhang Jiao's apprentice, Su Li.

"You're only a rat who runs away, how dare you speak madly?" Su Li stared at Yue Feng's figure, chasing after him, and at the same time, she shouted, "You can't run away today."

Seriously, if Normally, Su Li would not dare to chase Yue Feng. After all, Yue Feng's strength was strong, but Su Li clearly felt that Yue Feng was trapped in the formation and consumed a lot of internal energy. As long as she released her full strength, she could still fight him. .

More importantly, not long after Su Li joined Zhang Jiao's door, she has been eager to perform herself, and now is the best opportunity.

call!

At this time, in the hall, watching Yue Feng successfully escape and leave, Mei Hui secretly sighed.

The next second, Meihui walked over quickly and asked Fang Qifo, "Master, how are you? Are you okay?"

Feeling Meihui's worry, Fang Qifo showed a smile: "Master is alright, you don't need to worry. When

he said this, Fang Qifo only felt that a big stone in his heart fell to the ground, Yue Feng was out of safety, and he had an explanation to his apprentice for the time being. Thinking back carefully, the scene just now was really too thrilling.

"Master Huang, hard work!"

At this moment, Zhang Jiao smiled at Fang Qifo and said, "It's amazing that you can fight Yue Feng for so long! Not bad, very good." .

When he said this, Zhang Jiao had a smile on his face, but his eyes flashed cold.

Yes, Zhang Jiao had already suspected Fang Qifo.

"Mr. Zhang Liao likes it!"

Chapter 2669

Fang Qifo looked humble and smiled bitterly: "I didn't relieve Mr. Zhang's worries, I was very uneasy."

After speaking, Fang Qifo made a very sincere appearance and continued to Zhang Jiao: "Speak up. , This Yue Feng's strength is really terrifying, and if you encounter this person in the future, Mr. Zhang must be careful." Saying this, Fang Qifo secretly hinted at Meihui, ready to find an opportunity to leave at any time.

Yue Feng has successfully escaped the predicament, and there is no need for his master and apprentice to stay here.

“Haha!” Zhang Jiao chuckled, unable to hide his contempt: “Although Yue Feng is strong, I’m not afraid of him, but it is the head of Huang, what happened just now is very intriguing…”

Ah?

Hearing the latter sentence suddenly, Fang Qifo was stunned.

However, before he could speak, he saw a sneer at the corner of Zhang Jiao’s mouth, his body flashed, and he raised his hand to point towards Fang Qifo.

Zhang Jiao’s speed was very fast, but Fang Qifo was clearly prepared. He turned around and took a few steps back, looking at Zhang Jiao in astonishment: “Mr. Zhang, why are you doing this?”

While speaking, Fang Qifo became alert. , I was also a little uneasy.

Oops, Zhang Jiao began to doubt himself, something was not good.

Meihui next to her also trembled, and she was too nervous to speak. In her heart, the master was perfectly hidden, and she never thought that Zhang Jiao was so cunning, and finally suspected the master.

Zhang Jiao looked at Fang Qifo with a half-smile but not a smile: “Master Huang, I suspect that you just let Yue Feng go on purpose. So I’m sorry.”

Yes, the camouflage stunt of the Thousand Faces is unparalleled in the world, until this time Zhang Jiao didn’t realize that the person in front of him was not the head of the Snow Mountain Sect at all, but with his keen intuition, he still believed that he had deliberately let go of Yue Feng.

“Mr. Zhang, where did you come from?” Fang Qifo argued with an innocent face, “I know that Mr. Yue Feng was very annoyed when he ran away, but I really tried my best!”

“Besides, Since we have already cooperated, how can I go back on my word and help Yue Feng?”

When he said this, Fang Qifo’s face changed, his thoughts turned quickly, thinking about countermeasures.

“No need to quibble!”

Seeing the change in Fang Qifo’s expression, Zhang Jiao sneered, without hesitation, he suddenly raised his hand to tap on Meihui’s acupuncture point, and then raised his palm to hang on top of Meihui’s head.

“If you don’t want your apprentice to die tragically, you will be arrested. If you are really helping Yue Feng, I will find out soon, but before that, please go to the cell and feel wronged.” Zhang Jiao said coldly, The tone is unmistakable.

“And let me tell you, I have been around for thousands of years. I have experienced everything and seen everyone. I can see at a glance who is really helping me.”

After saying the last sentence, Zhang Jiao’s face Showing a smile, incomparably confident.

“You…”

Fang Qifo’s face changed and his brows were furrowed. He never thought that Zhang Jiao was so cruel and ruthless. He was a senior, but he did not compromise on means to achieve his goals. At this time, he threatened with a girl’s life. other people.

Mei Hui was also terrified, she didn’t dare to move, she didn’t dare to take a breath.

She is not afraid of death, but if she died like this, it would be too wrong.

call!

A few seconds later, Fang Qifo took a deep breath and looked at Zhang Jiao with complicated eyes: “Okay, I won’t resist, Mr. Zhang will let him go first.” To

be honest, Fang Qifo, as the inheritor of the Thousand Faces, only Coming and going alone, vertically and horizontally, I have never suffered such a loss. Moreover, he was so powerful that he really wanted to leave, but Zhang Jiao might not be able to keep him.

But Fang Qifo knew that he would not abandon his apprentice. After all, Meihui was his apprentice and the only one.

Hearing this, Zhang Jiao showed a smile and waved his hand: “Take them, master and apprentice, to the cell temporarily, and wait for my interrogation.” The

voice fell, and Zhang Jiao let go of his hand.

Whoa!

Several elites of the Wutian Organization walked over quickly, tied Fang Qifo and Meihui Wuhua, and then escorted them to the cell.

Chapter 2670

“Master!”

After being taken to the cell and seeing the door closed, Meihui felt very guilty, and said to Fang Qifo, “I’m sorry, it’s all because of me!” You know, Fang Qifo is not obliged to go Help Yue Feng, it was for himself that he was involved in this grievance.

Fang Qifo smiled and comforted: “You don’t have to blame yourself. It’s fine!”

Saying so, Fang Qifo’s eyes showed a bit of worry.

Zhang Jiao is so ruthless, and since he doubts himself, he will definitely not easily bypass it. More importantly, it has been more than ten hours since he used Wuxiang Qianmian. He was fighting against Yue Feng just now, and his internal energy consumption is too serious. . Once the loss of internal strength reaches a certain level, he will return to his original appearance.

If Zhang Jiao knew that he was not the head of the Snow Mountain Sect, it would be even more troublesome!

Thinking of this, Fang Qifo couldn’t help feeling anxious.

…..

On the other side, in the mountains and forests dozens of miles away from Qingyunzong, while Yue Feng was flying, he turned his head to pay attention to the situation behind him, and saw a slender figure coming quickly, chasing after him.

It was Su Li.

Su Li’s speed was very fast, but Yue Feng only felt that the distance between this woman and him was getting closer and closer, and he was about to catch up!

Made!

Yue Feng couldn’t help scolding secretly, this woman is sick, he has no grudges with her, but he helped Zhang Jiao and pursued him relentlessly.

At this time, Yue Feng didn’t know that this woman was Zhang Jiaoxin’s new apprentice.

Cursing secretly, Yue Feng didn’t panic at all. Seeing the woods in front of him, it was very different from the surrounding area. It was obviously a formation. He rushed in without thinking about it at the time.

After entering, Yue Feng saw that this five-element gossip array is not very far from Qingyunzong, and there are no people living around. It is obviously the formation that Qingyunzong set up here in order to sharpen its disciples.

Whoosh!

At this time, Su Li's figure landed, and when she saw Yue Feng entering the forest, she followed directly without any hesitation.

Seeing Yue Feng entering the formation, Su Li stopped and said with a sneer, "Yue Feng, you are also a celebrity in Kyushu, but you are running like a bereaved dog at this time, don't you feel ashamed?

" At that time, Su Li paid attention to the formation in front of her.

Five elements gossip array?

As Zhang Jiao's apprentice, Su Li also had some research on the formation technique. The formation in front of her was not difficult for her.

However, Su Li was not in a hurry to go in, but satirized a few words first.

Yue Feng took a deep breath and looked at Su Li up and down: "You are not my opponent, and I don't like fighting with women, so you can go."

When he said this, Yue Feng suppressed his anger, and Fang Qifo just said yes Now, as long as he gets out of trouble, he will bring Meihui to join him.

In this case, Yue Feng didn't want to fight Su Li.

However, upon hearing this, Su Li thought that Yue Feng was cowardly, and couldn't help but sarcastically said, "Don't follow me like this, why don't you like to fight with women? I don't think you have the ability to do it, right?

" Su Li looked at Yue Feng up and down: "I was trapped in the formation for so long just now, didn't my internal strength consume a lot?"

Yue Feng sneered and said nothing.

Seeing that he didn't speak, Su Li was even more convinced of her guess, and sneered: "Yue Feng, you'd better go back with me honestly, maybe my master can give you a good time."

Master?

Hearing this, Yue Feng's eyes flashed a

cold light, and he locked Su Li: "Is Zhang Jiao your master?" "Not bad!" Su Li said with pride, "If it wasn't to prove in front of Master My own ability, why should I chase you so far?"

The ultimate husband in Chinese chapter 2671-2680

Chapter 2671

Hearing this, Yue Feng sneered: “Okay, aren’t you going to arrest me? Come in if you can!”

Su Li guessed right, Yue Feng lost a lot of internal strength before, but it is still very difficult to deal with Su Li It was easy, but Yue Feng wasn’t sure if there were any other pursuers, so he didn’t want to waste his energy on Su Li.

Yue Feng thought about it and used this formation to capture Su Li alive.

“Haha!”

Su Li looked around at the formation, her face full of contempt: “Yue Feng, you have to underestimate me, thinking that a five-element gossip formation can trap me?” As she finished speaking

, Su Li lifted her legs and walked away. came in.

At this moment, Yue Feng remained calm, but secretly moved a wooden stake.

Su Li didn’t notice Yue Feng’s actions, and she was very excited at this moment. As long as she caught Yue Feng, she would have made a great contribution in front of her master, and she will have a bright future in the future!

Su Li is beautiful and smart, and she is very fond of Zhang Jiao. She often teaches her some secrets of formation, which also makes Su Li very proud of her personality.

In Su Li’s eyes, the Five Elements and Eight Trigrams array in front of him was just a medium formation, which he could crack with his eyes closed. It was ridiculous that Yue Feng wanted to use this formation to trap himself.

“Yue Feng, let’s capture it!”

The moment she entered the formation, Su Li let out a coquettish cry, clenched her long sword tightly, and stabbed directly at Yue Feng.

Yue Feng chuckled lightly and stepped back to avoid it.

Su Li bit her lip and continued to chase. She was very confident at first, but slowly, she realized that something was wrong. He and Yue Feng were clearly less than ten meters away, but they couldn’t catch up with him.

What shocked her even more was that the surrounding formations seemed to have changed unknowingly, and she couldn't understand it!

This chapter is provided by . Visit for daily update.

How could this be?

Ha ha!

Seeing Su Li's shocked expression, Yue Feng sneered, and while she wasn't paying attention, he suddenly rushed over, shot like electricity, and directly sealed Su Li's acupuncture point.

Su Li's delicate body trembled, and she couldn't move at all.

"Thank you for being Zhang Jiao's apprentice." Yue Feng walked up to him, looked Su Li up and down at close range, and said sarcastically, "I don't know if there are several variations of this five-element gossip array?"

"You…"

Su Li's face flushed, she was ashamed and angry, and she was speechless for a while to refute.

At the same time, Su Li was also a little annoyed. She was too careless and fell into Yue Feng's trick. It's just, when did he change the formation? He didn't even notice it.

Yue Feng looked at her without the slightest sympathy, and asked, "I ask you, where are Dasheng Sun and the others?" From Yu Wenyan's mouth, Yue Feng knew that Wen Chou Chou was dead, while Da Sheng Sun and the others were caught by Zhang Zhang. Horns caught alive.

Because of Wen Chou Chou's death before, Yue Feng lost his mind, but now he calmed down and decided to first ask about the whereabouts of Sun Dasheng and others.

At this time, Yue Feng also knew that Sun Dasheng and everyone had already left Zhang Jiao's control.

Su Li snorted coldly, ignoring it!

"I'll ask you again, where are they?" Yue Feng asked again coldly.

Hearing the questioning, Su Li said angrily, "Why should I tell you? I warn you, it's useless if you catch me. Sooner or later my master will find this place. When that time comes, you won't be able to escape!"

Yue Feng was too lazy to talk nonsense , his eyes were bloodshot: “Do you want to say it or not?”

Su Li felt the killing intent in Yue Feng’s eyes, but Su Li didn’t panic at all, but instead mocked: “Yue Feng, don’t scare me. I don’t believe what you dare to do to me. “

When she said this, Su Li had a firm look on her face, but she was still a little nervous in her heart. After all, Yue Feng’s aura was too strong.

Yue Feng frowned, completely impatient, and said coldly, “You forced me!” After he finished speaking, he suddenly stretched out his right hand and grabbed Su Li’s long skirt.

Chapter 2672

“You…”

Su Li suddenly panicked, staring at Yue Feng in shock and anger: “What are you going to do?” It’s just the two of you here, if Yue Feng wants to do something, you can do it yourself There is no resistance.

Looking at her expression, Yue Feng sneered, with a bit of teasing on his cold face: “We are alone, what do you think I’m going to do?”

Sting!

When the words fell, Yue Feng suddenly exerted force and tore off a piece of cloth, only to see Su Li’s delicate body trembling, revealing a snow-white…

Su Li was completely panicked, almost crying, and scolded: “Yue Feng, what the hell are you doing? He is also a famous figure in Kyushu. Isn’t it shameful to treat a girl like me in this way?”

“What hero, I think you are a despicable and shameless womanizer.”

Su Li cursed more and more fiercely, but found that Yue Feng did not take the next step, but looked at himself with a half-smile.

That’s right, Yue Feng didn’t want to do anything to her, just tore off her skirt just to scare her.

Seeing Su Li’s face with tears and grief and anger on her face at this time, Yue Feng knew that it was almost done, and said coldly, “Do you want to talk about it now?”

Hearing this, Su Li bit her lip and whispered: “Sun Dasheng I really don’t know where they are, all I know is that three days ago, with the help of Wen Chou Chou, they escaped from the main altar, and then they disappeared!”

Su Li’s face showed a bit of a hint of flickering. Complicated: “We have no organization, and we are hunting them. There is just no clue.”

Phew!

Yue Feng was stunned for a moment, and his heart was very excited.

Great, Sun Dasheng and the others actually managed to escape, so now they don’t have to worry about it.

I thought to myself that Yue Feng was about to let Su Li go. To be honest, although this woman is abominable, Yue Feng didn’t intend to kill her. Now that I get the answer I want, I don’t want to waste it with her.

Whoops!

However, at this time, I saw the sky not far away, and more than a dozen figures flew quickly. It was the hall masters of the Wutian Organization.

“Seeing that your nature is not bad, I will spare you today.” Yue Feng looked at Su Li, and said coldly: “Your people are here, let them solve your acupuncture points later, but I will change this formation. Now, it’s up to them whether they can come in or not.” The

voice fell, Yue Feng turned around and flew into the air, quickly flying towards the distance.

Fang Qifo told him before that if he succeeded in getting out of trouble, he would go to a small town in the northwest to meet up. He had delayed for so long to deal with Su Li, and it was estimated that they had already arrived.

At this time, Yue Feng didn’t know that Fang Qifo and Meihui had been imprisoned by Zhang Jiao’s suspicion.

“Hey, you…”

Su Li was furious when she saw Yue Feng walking away, her delicate face was full of humiliation.

This bastard, Yue Feng, had his own acupuncture points and tore off his skirt. When those hall masters approached and saw this scene, how would he meet people in the future?

This bastard did it on purpose.

The more Su Li thought about it, the more angry she became, her delicate face was full of shame and anger.

Yue Feng, when you fell into my hands that day, you will definitely be told that you cannot survive and die.

…..

the other side.

Qingyunzong's back mountain cell. Fang Qifo and Meihui were sitting in the corner, each other's faces were very solemn.

Especially Fang Qifo, looking at the night outside, his heart is even more anxious.

Done!

Before, I used up too much internal energy, and the effect of having no appearances and thousands of faces will soon disappear. At that time, I will return to my original face and be known by Zhang Jiao, and it will be completely over.

Chapter 2673

Thinking to himself, Fang Qifo tried his best to calm himself, and said softly to Meihui: "Teacher, Master has a plan, you must cooperate well later, you know?"

Hearing this, Meihui's eyes Yiliang quickly asked, "Master, what plan do you have?"

In her heart, Master knows everything and can do anything.

call!

Fang Qifo took a deep breath, looked at the guards outside the old gate, and said in a low voice, "I'll find a way to bring the guards here, and then give you a chance to leave, remember, you can just run, don't worry about me. Do you understand?"

When he said this, Fang Qifo was a little helpless, and in the current situation, he had no better way at all, the only thing he could do was to get Meihui out of danger and pass on the Thousand Faces.

What?

Hearing this, Mei Hui's delicate body trembled, and she stared at Fang Qifo blankly, her whole body stunned.

What is the way to do this? It's a complete mess.

"No?" Soon, Meihui reacted and shook her head resolutely: "I want to go with Master. If Master doesn't go, I won't go either."

Although they didn't get along for a long time, Meihui could feel that Fang Qifo It is to love myself from the bottom of my heart. In this world, the person closest to me, besides my eldest brother Yue Feng, is Master.

Moreover, Meihui was still thinking about traveling with Fang Qifo in the future, how could they separate so quickly?

"Teacher!" Fang Qifo said with a wry smile: "Don't be so stubborn, if you follow your ideas, neither of us will be able to leave. Be obedient, okay?"

After speaking, Fang Qifo became serious and continued: "You are talented Yes, I have no regrets in my life to receive an apprentice like you. Next, I will pass on all my cultivation experience to you, so listen carefully."

As soon as the voice fell, Fang Qifo taught himself the secret of being a thousand-faced person, without concealment.

At this moment, Meihui resisted from the bottom of her heart, but seeing the seriousness on Master's face, she didn't dare to go against it, so she could only tearfully remember every word of Fang Qifo in her heart.

call!

Half an hour later, Fang Qifo imparted the last sentence, took a deep breath, and patted Meihui's head with a smile: "After you escape, join up with Yue Feng as soon as possible, and then carry forward the Thousand Faces. "

Meihui nodded, feeling very sad.

Bang bang bang…

Seeing her promise, Fang Qifo was not talking nonsense and slapped the iron bars of the cell hard.

"What are you doing?!" The

movement made the guards outside very dissatisfied, frowning and came over, coldly scolding: "I cut you again."

Fang Qifo showed a smile and complimented: "Little brother, please come closer. Now, I have something to tell you."

“What?” The guard looked impatient. But he still walked slowly.

Fang Qifo kept smiling, watching the guard getting closer and closer, he took out a dazzling inner alchemy from his body, and said politely: “Please send a message to Mr. Zhang, just say that I have a serious situation, Report to him.”

While speaking, Fang Qifo handed the inner alchemy to the outside of the railing.

At this time, Fang Qifo had a harmless look on his face, but he was secretly ready to go.

Swish!

In an instant, the guard’s gaze was drawn to Neidan, and he was very excited and shocked.

Damn it, the inner alchemy of the Martial Emperor Realm, if he successfully integrates himself, wouldn’t his strength increase a lot?

Excited, the guard did not hesitate at all, and walked over quickly: “This… Since you are so sincere, I will help you spread the word.” When the voice fell, he was about to take the inner alchemy.

However, at this moment, before the guard’s hand got the inner alchemy, Fang Qifo’s hand was clenched into a fist, and he slammed into the guard’s heart with lightning speed.

Chapter 2674

Fang Qifo was so fast that the guard had no time to react.

boom!

Hearing a dull sound, the guard was directly punched in the heart and passed out.

Fang Qifo was quick-witted, and his other hand quickly reached out, grabbed the guard’s clothes, pulled him to the iron fence, and quickly found the key.

Whoa!

The next second, Fang Qifo called at the prison door, turned back and shouted at Meihui, “Quick, hurry up!” To

be honest, Fang Qifo really wanted to leave with Meihui, but he had consumed a lot of internal energy before. Going together will only drag her down.

More importantly, there are a lot of unorganized people outside, and Fang Qifo has to use himself to attract enemies and cover Meihui.

“Master!”

Mei Hui quickly rushed out of the cell, biting her lip, but did not leave immediately, but looked at Fang Qifo with reluctance.

She knew that Fang Qifo wanted to stay behind as a cover to give herself a chance to leave, but at such a time, how could she leave?

Hula…

At this moment, when I heard the movement inside, dozens of disciples from the Heavenless Organization rushed in. Seeing that the prison door was opened, Fang Qifo and his apprentice both ran out, and one of the guards fell unconscious on the ground, and they were all shocked and angry.

“What a brave man!”

“Take it!” In the

roar, dozens of disciples from the Heavenless Organization swarmed towards Fang Qifo.

Seeing so many people rushing in, Fang Qifo’s face was fearless, and his inner strength urged him to meet him.

At this time, Fang Qifo could feel that his inner strength was almost exhausted, but for the sake of the inheritance of the Thousand Faces, and for the safety of his disciples to leave, he completely sacrificed himself.

“Master, I’m here to help you!” Meihui couldn’t help shouting, and was about to rush over.

However, he was scolded by Fang Qifo before he rushed a few steps.

“You go quickly, Master blocks them, remember what I told you just now. Go!” Fang Qifo howled loudly, no doubt.

“I…”

At that moment, Meihui’s tears finally couldn’t be restrained, and she kept shaking her head: “I won’t go, I won’t go, Master, let’s go together.”

Abandoned Master , to leave alone, she can’t do it, really can’t do it.

“Stupid apprentice, if you don’t leave, both of us will die here, let’s go, hurry up!” Fang Qifo suddenly became anxious and shouted like crazy.

puff!

As soon as the words fell, a disciple of the Heavenless Organization rushed over, the long sword pierced Fang Qifo’s shoulder at once, and the blood was left, staining the ground red.

“A bunch of scumbags, just because you want to arrest me? Come on!” Under the severe pain, Fang Qifo was completely insane, and his internal strength surged, sending a few people out.

hiss!

Seeing that Fang Qifo was so brave, the rest of the Wutian organization disciples couldn’t help but gasped.

Nima, the head of the Snow Mountain Sect, is this powerful?

Everyone present at this time, except for Mei Hui, did not realize that the person in front of him was not the head of the Snow Mountain Sect at all.

Master….

Seeing this scene, Meihui’s tears kept flowing, her eyes were fixed on Fang Qifo, her lips were about to bleed. She will never forget that this master, who had just been in contact with him for less than half a month, finally traded her own life for her own safety.

“Go, go!”

Fang Qifo kept shouting, while urging his skills to deal with the enemy, he shouted at Mei Hui, perhaps because he was too excited, just after he finished speaking, a mouthful of blood spurted out.

Many Wutian organization disciples rushed in, and more and more, Fang Qifo was almost unable to bear it.

“Master, if something happens to you, I swear, I will destroy the Wutian Organization to avenge you!” Finally, Meihui couldn’t hold back any longer and burst into tears.

Chapter 2675

Immediately, taking advantage of Fang Qifo blocking the crowd, Mei Hui rushed out quickly, her figure flew up, and went into the distance.

call!

Seeing Meihui's figure disappear into the night, Fang Qifo took a deep breath, and the big stone in his heart finally fell.

Immediately afterwards, Fang Qifo's gaze fell on the people in front of him again, flashing with determination!

However, as there were more and more enemies, Fang Qifo couldn't hold on anymore.

Pfft!

Finally, Fang Qifo's last trace of internal strength was exhausted, he staggered back, leaned against the wall, his face was pale, and he was extremely weak.

At the same time, the camouflage on his face slowly disappeared, and it returned to its original appearance. The knife-cut face had no expression at all, only a hint of pride flashed in his eyes.

hiss!

Seeing this scene, everyone present couldn't help gasping for air.

"This….what's the matter?"

"He's not the head of the Snow Mountain Sect?"

"Why did his face change? Who is he?" While

everyone was talking, a figure walked in slowly, with a sinister face, revealing With a bit of anger, it was Zhang Jiao.

Seeing Zhang Jiao coming in, all the Wutian Organization disciples at the scene hurriedly knelt on the ground, all of them being extremely respectful.

Fang Qifo was indifferent.

Um?

Seeing the scene in front of him, Zhang Jiao frowned: "What's the matter? Where is the person?" As he asked, he looked at Fang Qifo.

"Master!" A disciple hurried over and said cautiously, "This person is pretending to be the head of the Snow Mountain Sect." After speaking, he explained the scene just now in detail.

Hearing this, Zhang Jiao was calm on the surface, but he was extremely surprised in his heart.

There is such a magical camouflage in the world?

Thinking of this, Zhang Jiao walked over slowly, looked down at Fang Qifo, and asked coldly, “You are not too timid to pretend to be the head of the Snow Mountain Sect to deceive me. It seems that my intuition was correct before, and you really have it. Question.”

As he spoke, Zhang Jiao’s eyes flashed with a hint of sternness: “Tell me, who are you?”

“Thousand-faced!” Fang Qifo said lightly.

Fang Qifo knew that if his secrets were exposed, he would definitely not be able to survive, but he didn’t feel the slightest panic. Anyway, the apprentice had successfully escaped.

The Thousand Faces?

Hearing these three words, Zhang Jiao was stunned for a moment, and his heart was extremely shocked.

Is this person a thousand-faced person? No wonder you can deceive yourself.

Zhang Jiao is a cultivator who has gone through thousands of years. He has a lot of knowledge. Before he was suppressed by Lu Bu, he heard about a mysterious organization of cultivators in Jianghu. It looks like anyone, but the Thousand Faces is very mysterious. After thousands of people came, Zhang Jiao had only heard of such a person, but he had never seen it before.

But he never thought that the person in front of him who pretended to be the head of the Snow Mountain Sect was actually the One with Thousand Faces.

Hehe…

At this time, Zhang Jiao reacted, smiled slightly, and said to Fang Qifo: “Your camouflage skills are truly amazing, you don’t need to panic, I, Zhang Jiao, have always been very good at people who are really capable. Respect.”

“No matter what your relationship is with Yue Feng, as long as you are willing to rely on me, I promise, I will give you everything you want, how about that?”

When he said this, Zhang Jiao looked relaxed, but there was some expectation in his eyes.

Yes, Zhang Jiao didn't really want Fang Qifo to join, but wanted to get his camouflage. After all, this kind of camouflage is so shocking that I didn't even notice it before.

Fang Qifo has been walking around the world for many years, and he is not a fool. He immediately saw Zhang Jiao's purpose, chuckled lightly, and refused without hesitation: "I understand the good intentions, and cooperate with a wicked person like you. , it's a shame to me."

"Kill if you want, no need for nonsense.

The ultimate husband in Chinese chapter 2676-2680

Chapter 2676

Hiss!

At this moment, the entire cell was silent! Everyone's eyes are frowning at Fang Qifo!

He…he is so bold, even if the lord personally invites him and refuses, he dares to call the lord a wicked person!

Tired of living?

Just at this moment, Zhang Jiao's face suddenly turned extremely ugly. You must know, in front of so many subordinates, being so insulted by Fang Qifo, where would he put his face?

For a while, the atmosphere in the cell was extremely solemn. Except for Fang Qifo, everyone present did not dare to take a breath.

"Okay, very good!"

Finally, at this time, Zhang Jiao sneered: "Since you are begging for death, I will fulfill you!" The voice fell, and Zhang Jiao slapped it with lightning.

Fang Qifo's internal power was a catastrophe, and he was extremely weak, and he couldn't avoid it at all. This palm hit his heart, and Fang Qifo groaned. Already out of breath.

"The one who escaped just now was his apprentice, so send someone to chase him immediately and be sure to catch him back." Zhang Jiao's face was extremely gloomy, and he ordered everyone around him.

"Yes!" Everyone around hurriedly responded, and then organized manpower to chase after Meihui.

At this time, Zhang Jiao's mind changed, and he quietly looked at Fang Qifo's body, the corners of his mouth twitched: "Although you would rather die than use it for me, you have given me some inspiration.

" The disciple beside me said, "Pass my order, everyone get ready. Early tomorrow morning, I will set off for the Holy Sect. Empress Chang'e has been away from the world and cultivated for so many years, so it's time to leave the mountain." The

last sentence fell, Zhang Jiao showed a smile, and his eyes were full of eyes. treacherous.

On the other side, south of Xuanshi City, the habitat of the Rakshasa! Queen's Palace!

The Queen's Hall is a palace specially built by the Rakshasa clan for Mona. It is where Mona handles political affairs and receives her subordinates and VIPs. Although it is not as magnificent as the palace in the Kyushu mainland, it is also majestic.

Since the building of the main hall, it has always been solemn and deserted, but today, it is an indescribably lively celebration!

At this time, the main hall was full of banquets, and the officials of the Rakshasa tribe, as well as the warrior generals, all sat down in full costumes.

On the throne of the main hall, Mona wore a leather robe unique to the Rakshasa tribe, embellished with jewelry and bone accessories, giving a different kind of sexiness, and her body was filled with a powerful aura that could not be desecrated.

Near the bottom of the throne, there are several seats specially set up, namely, Jade, the city master of Xuanshi City, the three brothers and sisters of Zanghuoyue, and the twelve gods of the Rakshasa clan.

Yes, the three brothers and sisters of Zangshuiyue entered the Kyushu Continent, searched for the former clan land, and explored the ancestor Kuafu underground palace. This matter was allowed by Mona, and Jed was solely responsible for it.

Half a day ago, the three brothers and sisters successfully returned, and Zang Yunyue received the inheritance of the ancestors. The entire Rakshasa clan was very happy. Mona was very happy and specially held this celebration banquet.

At this time, Jed sat there proudly dressed in full clothes, and couldn't hide the pride on his face.

This time, the three brothers and sisters were able to successfully find the underground palace.

“Jed.”

At this time, Mona’s eyes fell on Jed and smiled: “This time you can successfully find the ancestral underground palace and get the inheritance. You have contributed a lot. From now on, you will be awarded the title.

” A few months ago, I was disrespectful to Yue Feng and made myself very angry, but I have to say that his ability to do things is very strong.

“Thank you, Her Majesty!” Jed quickly got up and thanked him with a smile on his face.

Everyone next to him stood up to congratulate, Jade smiled and said hello, the scenery was infinite.

“In addition!”

At this moment, Mona showed a smile, and her eyes fell on the three brothers and sisters of Zangshuiyue: “You three brothers and sisters are the heroes of my Rakshasa clan, Yunyue has obtained the inheritance of the ancestors, this king gives you As a saint, you will be admired by the whole family, and I hope you will serve the entire ancestor well in the future.”

Hearing this, Zang Yunyue’s delicate body trembled, and she was very flattered: “Thank you, Her Majesty, for your love.”

And Zang Shui, who was sitting beside him The Yue brothers had a calm look on their faces, without the slightest excitement.

“Your Majesty!”

At this moment, Jed stood up and said to Mona: “Three years ago, the Kyushu Continent united, and the strength was strong. Having obtained the inheritance of our ancestors, our strength is unfathomable. This is an opportunity and a good sign for us.”

“I think we can plan well and conquer the Kyushu Continent.”

Chapter 2677

When the last sentence was finished, Jed looked around.

In an instant, the people who were friends with Jade in private responded.

“That’s right, it’s really embarrassing for us to live in such a small place.”

“Although we built a Profound Stone City and took the initiative to trade with the people of Kyushu, is this the result we want?”

“Your Majesty, Jie De is right, the continent of Kyushu is vast, and we can have better habitats instead of hiding in this ghost place.”

The opinions of the people kept coming, and Mona frowned.

Finally, Mona couldn’t bear it any longer, she slammed down the dragon chair and shouted: “Shut up!”

Immediately, Mona stood up slowly and looked around: “I know, you have a lot of complaints in your heart. , but compared with the wild and strange realm, it is already a paradise.”

“Yes, we Rakshasa are brave and good at fighting. In terms of strength, there is no force in the Kyushu continent that is our opponent, but you forgot that thousands of years ago, Because our ancestors were too arrogant and conceited, they were driven to the wild and strange realm.”

“Now we finally have a new beginning, and I don’t want to fall into endless wars again.”

“Also, fighting is not ours. The only fate of the clan.”

Seeing Mona’s anger, many people closed their mouths.

“Your Majesty!”

Jed was very dissatisfied, and looked at Mona fearlessly: “I thought you were the only great queen of my Rakshasa clan, but I didn’t expect that you would be so cowardly, I really lost our Rakshasa people. Maybe it was a mistake to support you as the queen back then!”

“You want to be subordinated to the mainland of Kyushu, looking at the faces of those people from Kyushu, I don’t want to be like this for the rest of my life.”

“You are bold!” Hearing this, Mona’s pretty face changed, her petite body trembled with anger, and she pointed at Jed

Jiao and shouted, “Come on, put Jedla down and put him in jail.”

Be bold and dare to say in public that you are not.

Mona was originally the only daughter of the previous Rakshasa King, with a arrogant temperament. No one dared to violate her last wish from childhood to adulthood, but at this time, Jed actually committed the following crime.

Although Jade is a rare talent of the Rakshasa clan, but with some credits, he is arrogant, no matter how strong his ability is, he cannot keep it.

Hula…

The voice fell, and the twelve divine powers sitting beside them all stood up at once, and surrounded Jade directly.

Seeing this scene, the others in the hall were all silent, and they didn't dare to take a breath. The twelve gods are dispatched together, who dares to stop them? Besides, Jed is really too much.

Pfft!

However, before they could reach Jed, the twelve divine powers all frowned, and then collapsed to the ground!

what's the situation?

Mona frowned slightly, and couldn't help but say, "What's going on?"

One of the gods, with a complex expression on his face, said weakly, "Your Majesty, this subordinate is suddenly weak, which is very strange." The

voice just fell, The other gods also joined in.

"Me too!"

"The wine…seems to be a problem!"

Hearing this, Mona realized that it was not good, and her beautiful face was extremely ugly.

Ha ha…

At this moment, Jed stood up proudly and sneered at Mona: "Mona, I can't imagine that this banquet was arranged by me. I didn't notice it at all, you said, what qualifications do you have to be the king of the Rakshasa clan?"

What?

Hearing this, both Mona and everyone else present were shocked.

Chapter 2678

This….

At this moment, many people's eyes were fixed on Jade, and they were extremely shocked.

This Jed is really audacious, he dares to do something at the celebration banquet.

Mona's pretty face also changed, and she was furious. She glared at Jade and said coquettishly, "Jade…you are so bold. Do you know what you are doing?"

"Half a month ago, in Xuanshi City, Trading house, what you have done, I have given you a chance, but I didn't expect that you not only did not restrain, but became more and more arrogant! How dare you commit the crime now?"

When she said this, Mona's delicate face was full of anger , This Jade, relying on his position in the clan, acted arrogantly and domineeringly, he had turned a blind eye before, but he never thought that his connivance made Jade more and more arrogant! Today, I actually did my hands and feet at the celebration banquet.

If this person is not eliminated, it will become a serious problem in the future!

"Where are the warriors in the main hall?" The more Mona thought about it, the more angry she became, and she

looked outside the hall: "Quickly take Jed to me and put me in jail…"

At this moment, Mona was full of anger, but her heart was full of anger. I felt a little uneasy. The twelve divine powers were poisoned and had no ability to escort them, so I couldn't count on them at all, and I just drank two cups, and my inner strength was also affected.

In this case, we can only rely on the warriors outside the main hall.

However, no warrior came in under Mona's drank. Jed transferred all the warriors in the hall to other places before the celebration feast began.

It can be said that the situation in the main hall at this time is already under Jade's control.

"No need to shout, no one will help you today!" Jade sneered.

The voice fell, and a dozen people stood up one after another in the surrounding seats. All of them had a good relationship with Jade in private and held important positions in the clan.

The moment they stood up, these people looked at Mona in a complicated way and comforted her.

“Mona, there is a saying in Kyushu, that the person who knows the current affairs is called Junjie…”

“You really are not fit to be king, step down!”

“Yes, as long as you are willing to step down, we will not embarrass you.”

These People, we have discussed with Jade in private, and we will force Mona to step down together while taking advantage of this festive feast.

call!

Seeing this scene, the rest of the people all changed their faces and stepped aside, no one dared to criticize. Jed is so powerful that he doesn’t even care about the Queen, who can compete with him!

Moreover, at this time, the situation in the main hall was firmly controlled by Jed, whoever came out would die.

What?

Seeing this scene, Mona’s delicate body trembled, her beautiful face was extremely ugly, and she glared at Jed: “Jed, you commit a crime below, you are treasonous, and the ancestors of the Raksha clan will not If I let you go, God won’t let you go?”

“Treachery and seizing the throne?”

Jed’s mouth twitched, looking at Mona with a playful smile: “Mona, what is wrong with what you said? For thousands of years, only men have been kings in our Rakshasa clan, and there has never been a queen. After all, women have a narrow vision. When they supported you as queen, it was just for the sake of the previous generation of kings.

” It is an advanced decision to hand it over to you, but unfortunately, women are women, and the Kyushu people will give you a little favor, and you will start to settle for the status quo.”

“Mona, don’t talk nonsense, the situation is very clear now, Quickly give way, otherwise, don’t blame us for being rude.”

Swish!

Hearing this, Mona was very angry, and said coldly: “Jed, I should have seen your wolf ambitions long ago.”

After saying that, Mona looked resolute: “Stop talking nonsense, today is death, and I will too. I won’t let you succeed!”

“I don’t know how to praise!”

Hearing this answer, Jed’s face was extremely gloomy: “If that’s the case, then don’t blame me!”

Chapter 2679

Om!

The voice fell, and a powerful breath burst out from Jed’s body, slapped it fiercely, and hit Mona directly.

Seeing this scene, everyone who retreated to the surroundings was taken aback.

This… This Jade is crazy, forcing Her Majesty to abdicate is not counted, and now he is doing it!

Zang Yunyue, who was sitting beside her, was also trembling and shocked.

In the next second, Zang Yunyue reacted and said to the two brothers next to her, “Big brother, second brother, what should I do?”

At this time, Zang Yunyue was very anxious and a little complicated at the same time. When the three brothers and sisters were young, their parents died. The three brothers and sisters depended on each other for life. It was very hard. Later, Jade adopted them.

It can be said that Jed is the father of rebirth of the three siblings.

Zang Yunyue has always respected Jade. In her heart, Jade was loyal to the Rakshasa family, but she never thought that one day this adoptive father would be so rebellious and dare to attack the queen in public.

In the face of the little sister’s panic, the brothers Zang Shuiyue and Zang Huoyue looked indifferent.

“Little sister! Don’t worry about it.”

Zang Shuiyue tilted her head and glanced at Zang Yunyue, then shook her head secretly, signaling her not to be nervous.

Yes, this time Jed decided to force Mona to step down, and the brothers Zang Shuiyue and Zang Huoyue knew in advance. Moreover, they are also very supportive of Jade.

“Do it with me?”

At this time, seeing Jade rushing directly over, Mona’s face flushed red and she was extremely angry, but she didn’t panic too much.

Although Mona drank poisonous wine, the exercises she practiced were unique skills that the Rakshasa kings of all dynasties could only practice, which could temporarily suppress the poison.

Bang!

In the blink of an eye, the two palms collided, and they saw Mona and Jade shaking their figures, then stabilized their figures. Obviously, no one took advantage of this palm.

Made!

Jed looked at Mona closely with a gloomy expression on his face. This Mona, who drank his own poisonous wine, was able to explode with such a powerful force. It seems that the miracles practiced by the great kings of all dynasties are really mysterious. It is the strongest practice of the Rakshasa.

Thinking to himself, Jed’s eyes flashed with burning heat, yes, just now he was so eloquent, saying so many things about Mona, forcing her to give up, in addition to wanting to be a king, more importantly, he also wanted to get Mona to practice. Extraordinary work.

call!

Mona and Jed looked at each other, their beautiful faces were full of determination, and at the same time there was a bit of consternation.

This Jade, when did his strength become so strong?

Soon, Mona realized that Jade has been hiding his strength. As for his purpose of hiding his strength, he was waiting for this day.

Understanding this, Mona was even more angry.

“Everyone!”

At this time, Jed looked around and shouted: “If you don’t want to be ruled by this woman, help me take her down!”

Hula!

The voice fell, and two people rushed up immediately.

“Jade, let’s help you!”

At the same time, other people who had a good relationship with Jade followed closely. For a time, more than a dozen figures erupted in internal power and quickly surrounded Mona in the middle.

“You…”

Seeing so many people rushing over, Mona’s body trembled and her face was extremely ugly. She never thought that Jed had won over so many party members in the past three years.

Chapter 2680

However, Mona has been a Rakshasa queen for three years, and she is no longer the impulsive princess she used to be.

Facing the appearance in front of her, Mona quickly calmed down, sneered, and her beautiful face had no expression at all: “Okay, very good, it turns out that you have secretly taken refuge with Jed, and you dare to rebel with him, it is all sin. Damn it!”

Ouch!

The voice fell, and a terrifying breath burst out from Mona’s body, and in an instant, the surrounding air seemed to be stagnant.

The strong breath makes the people who are suppressed panic!

“Crack!”

With a crisp sound, a long white bone knife appeared in Mona’s hand.

The long sword is more than ten feet long. It is Mona’s father, the weapon of the previous generation of Rakshasa Kings. Three years ago, after the Rakshasa tribe and the Kyushu Continent had peace talks, Mona began to send people to find her father’s whereabouts. At the bottom of Wanzhang Volcano, the remains of my father were found, as well as the long sword of white bones.

Since then, Mona has been carrying the long knife close to her body in memory of her father.

hum!

As soon as the knife came out, the surrounding temperature seemed to plummet! There was an aura of death in the air of the entire hall.

However, many people in the hall broke into a cold sweat for Mona.

Although Mona is powerful and has the weapons of the previous generation of Rakshasa Kings, Jed is not weak, and there are so many help from his party. Mona alone is a bit mysterious to deal with so many strong men.

“Hehe…”

Looking at the long white bone knife in Mona’s hand, Jed’s eyes flashed with fear, but he still sneered: “Mona, don’t do the fearless struggle, the overall situation is settled, surrender now!”

When the words fell, Jade waved his hand, and in an instant, the surrounding accomplices moved one after another, forming a formation with both offense and defense, surrounding Mona in the middle.

Um?

Seeing this scene, Mona’s face was expressionless, but there was something wrong in her heart.

Mona clearly saw that although Jade and the others did not form a formation, they cooperated tacitly with each other and had both offense and defense. It was difficult to break through their formation in a short time.

However, Mona was not discouraged at all, and went straight to face it and fought fiercely with Jed.

Mona is powerful, with a long sword of bone in her hand, and while waving, there are bursts of ghost-like whistling, very fierce, and everyone from Jade dares not get close, but Mona is also besieged by everyone from Jed to death, for a while and a half Can’t get out for a while.

The battle was deadlocked for a while! As the time dragged on, Jed was so anxious that he could not hold on to his accomplices. He shouted at

the Zang Shuiyue brothers in their seats, “Shuiyue, Huoyue, what are you waiting for?”

Jed, his face was gloomy, but his heart was like an ant on a hot pot.

He has completely torn his face with Mona. If you can’t stop Mona today, not only will all your efforts be in vain, but you will also fall into a doom.

Whizzing!

When the words fell, the brothers Zang Shuiyue and Zang Huoyue looked at each other, without any hesitation, they flew up together, rushed to Jed's side, and fought against Mona together.

Huh..

Seeing this scene, everyone who retreated to the surroundings raised their hearts.

They saw that after the addition of Zang Shuiyue and Zang Huoyue, the situation suddenly turned to Jade's side, and Mona, facing the siege of so many masters, was in danger, and her face gradually turned pale.

Yes, the repressive poison is about to start to strike.

For a time, many people wanted to rush to help Mona, but they were afraid of Jade's power and finally held back.

Bang!

After another ten minutes, Mona finally couldn't hold it anymore. At this moment, Jed found an opportunity, attacked from behind, and slapped Mona on the shoulder.

This palm contained Jade's seven-layered skill, and Mona couldn't react at all. She heard a groan and was shocked and flew out, flying dozens of meters away before landing on the square outside the main hall.

puff!

Mona struggled to stand up, her delicate body trembled, she couldn't help spitting out a mouthful of blood, and stared at Jade, very unwilling.

Is this God's will? Are you doomed to die at the hands of Jed?

The ultimate husband in Chinese chapter 2681-2690

Chapter 2681

So unwilling.

In Mona's heart, Zeng was determined to create a new future for the Rakshasa clan. At this time, facing Jade's betrayal, he was very angry and somewhat powerless.

This…

Seeing this scene, everyone watching the battle in the hall couldn't help but gasped and froze there.

Jed actually hurt the queen? Fortunately, I didn't help the queen just now, otherwise, the death would be even worse.

Shocked, none of the crowd came out to help Mona. On the contrary, everyone was thinking about how to please Jed later.

After all, after Jed subdued Mona, he was the new generation of Rakshasa King.

"Mona!"

At this moment, Jed showed a smug smile and looked at Mona: "Did you see it? You have lost the popular support, and no one will help you. Please recognize the truth."

Mona bit her lip tightly, There was no response, but a pair of jade hands gripped the white bone long knife tightly.

Although she is a woman, Mona has a tough personality and would rather die than surrender. Not to let an insidious person like Jed bow his head.

Really stubborn.

Seeing Mona's resolute face, Jed lost his patience, waved his hand, and was about to greet his accomplices to continue shooting.

Whoosh!

However, at this moment, a graceful figure flew out of the main hall, moving gracefully, blocking Mona from behind.

This chapter is provided by . Visit for daily update.

It is Zang Yunyue!

Swish!

Seeing this scene, Jed frowned.

At the same time, Zang Shuiyue and Zang Huoyue couldn't help shouting loudly.

"Little sister, what are you doing?"

"It's none of your business here, just get out of the way!"

Zang Yunyue didn't mean to get out of the way at all, her beautiful face, showing complexity and excitement, looked around at Jed and everyone. Circle: "Father, brother and brother, are you crazy? Mona is our queen, are you going to kill her?

" decided to stop it.

Speaking of which, Zang Yunyue has always respected Jade, but after what happened just now, Jade's image in her heart has begun to shake.

Jed's face was extremely ugly, and he couldn't help but said angrily: "Yunyue, we are not crazy, for the future of our Rakshasa, we cannot let this woman be king all the time."

Zang Yunyue shook her head: "I think the queen is not wrong . Can't we live peacefully with the Kyushu Continent now? Why do we have to start a war?"

Zang Shuiyue suddenly became anxious and shouted, "Little sister, don't interfere with this kind of big thing, just listen to the adoptive father.

" After falling, Zang Huoyue also nodded and agreed: "Yes, you are still young, you don't understand at all, we are doing this not only for the sake of the Rakshasa clan, but also for our future."

When saying this, the expressions of the brothers were both Extremely excited.

As long as Jed becomes the Rakshasa King, as adopted sons, their status and status will also rise with the tide. Everyone wants to be prosperous and rich, but seeing the little sister blocking her at this time, can you be in a hurry?

"Crazy!"

Zang Yunyue kept shaking her head, her beautiful face was full of determination: "You are all crazy."

Seeing that she has been staunchly defending herself, Mona was very moved, but she couldn't help saying: "Yunyue, you can't stop them, step back."

“The queen doesn’t have to worry, I can protect you!” Cang Yunyue He spoke softly, his delicate face full of determination.

“Okay!”

Jade lost his patience, gave Zang Yunyue a cold look, and gritted his teeth: “Very good, I didn’t expect that I have paid so much for you for so many years, but in the end I raised a white-eyed wolf and gave it to me. , take them!” The

voice fell, and more than a dozen figures, all urging their inner strength, rushed directly to Zang Yunyue!

The two brothers Zang Shuiyue looked at each other, very confused, and immediately followed. They thought about it, the little sister is ignorant, and when she subdues her and pleads for mercy, the adoptive father will definitely forgive her.

Chapter 2682

However, the brothers forgot that Zang Yunyue had just received the inheritance of her ancestor Kuafu, and she was no longer the weak little girl before.

“Jianpo Chasing Sun!”

Looking at the people who rushed up, Zang Yunyue didn’t panic at all, her red lips lightly opened, and she spit out four words coldly, then she drew out her long sword and waved it gently.

“Om!”

In an instant, I saw that the air around the hall was distorted by a powerful force, and then, a dazzling sword shadow erupted from the long sword in Zang Yunyue’s hand and swept away towards the rushing crowd. !

“Ah…”

“Ah…” In the

blink of an eye, everyone who rushed up was shrouded in sword shadows, and then a scream came out, and everyone saw a wound cut by the sword shadow. Blood dripping.

That’s right, what Zang Yunyue used was exactly Kuafu’s exercise, called the Sun Chasing Sword Art! However, Zang Yunyue was kind and kind, and the other party was a clan, so Zang Yunyue showed mercy, otherwise, these people would have died.

hiss!

Seeing this scene, the other people around couldn't help but gasped!

Is this .. still the same Zang Yunyue it used to be? In just a few days, it has become so powerful? Could it be… this is the reason for the inheritance of the ancestors?

At the same time, Mona also breathed a sigh of relief, and gave Zang Yunyue a very excited look.

It is worthy of being inherited from the ancestors, and it is so powerful.

At this time, Mona was very fortunate. Fortunately, Zang Yunyue got the inheritance. She was kind-hearted and knew right from wrong. If the Zang Shuiyue brothers got the inheritance, she would really have no chance at all.

This…

Jed stared at Zang Yunyue closely, his face changing and extremely ugly.

The power of the ancestor's inheritance is so terrifying?

This dead girl has such a strong strength, but she wants to help Mona. How good would it be to help herself?

Thinking to himself, Jed changed his mind and looked at Zang Yunyue with a fake face: "Yunyue, don't be stupid, Mona is not suitable to be a queen. At this time, it is obvious to all. If you help her alone, what can you change? "

In this way, you help me subdue Mona, and I will recommend you as the Rakshasa Queen."

"You have the inheritance of your ancestors, and you are the most qualified to be a queen."

When he said this, Jade looked expectantly, There was treacherousness in his eyes.

Yes, Jed didn't really want Zang Yunyue to be the queen, but just wanted to stabilize her temporarily.

To be a queen?

Hearing this, Zang Yunyue was stunned for a moment, and immediately responded. She never wanted to be a queen, and she couldn't do it. She only thought that people like Jade could let Mona go and make a change.

However, before he could speak, he was interrupted by Mona.

“Yunyue, don’t believe him.” Mona sneered and sneered as she looked at Jade: “This person is deliberately forcing me to give up, just wanting to be the king of the Rakshasa clan, how can I give it to you?

” !

Hearing this, Zang Yunyue suddenly woke up. His adoptive father has been pursuing power all his life, how could he make himself a queen?

Thinking to herself, Zang Yunyue looked at Jade and said, “Foster father, don’t lie to me. It’s your fault that you made the following mistakes today. You should kneel down to the queen and admit your mistake, and there may be a chance for recovery.

” Little sister!”

At this moment, Zang Shuiyue was anxious and angry: “You are not helping us, but harming us.” The adoptive father and Mona completely turned their faces, and there was no room for recovery. The little sister thought too simply.

Jed was too lazy to talk nonsense, looked at Zang Yunyue with a very angry smile and said: “Good girl, do you really think that you can keep Mona safe by yourself?”

Feeling the killing intent in Jed’s eyes, Zang said Yun Yue bit her lip tightly and didn’t respond.

Jed sneered and continued: “I know that the inheritance of the ancestors is very strong, but you only get one day, and you have not fully integrated, and, before you have fully integrated, forcibly fighting against others will make you suffer backlash. “

Chapter 2683

“I gave you a chance just now, but if you don’t want it, then don’t blame me!”

Om.

The voice fell, and a powerful breath burst out from Jade, and then, the figure flew up with lightning and went straight to Zang Yunyue.

In Jed’s heart, Zang Yunyue has just obtained the inheritance of the ancestors, and has not fully integrated yet. She burst out with all her strength and will soon be able to subdue her. After all, she has rich experience in fighting the enemy and is her adoptive father. She can compare.

“Death to me!”

At the moment of flying, Jed roared, and with the long sword in his hand, a shock burst out, stabbing directly at Zang Yunyue, and he saw that the air was torn wherever the sword passed. It broke, and the momentum was amazing.

Mona guessed well before. In the past three years, Jade has been hiding his strength. At this time, in order to successfully become the king of the Rakshasa clan, he did not hide it at all.

Jed thought about it, first killed Zang Yunyue, seized the inheritance, and then slowly dealt with Mona.

call.

Seeing this scene, many of Jed's accomplices were inexplicably excited.

The Zang Shuiyue brothers were in a hurry.

"Foster father, please spare little sister!"

"Foster father will be merciful."

Under the shout, the two brothers rushed forward to stop them. The three brothers and sisters have been dependent on each other since childhood. They have deep feelings and cannot bear to see the little sister die in Jie German hands.

However, Jade was very fast, and the brothers had no time to stop it. In the blink of an eye, Jade and Cang Yunyue were already in a fierce battle.

At this moment, the two brothers were in a state of impatience, and like the others around them, they all believed that Zang Yunyue was doomed.

call!

On the other side, Mona stood there, her beautiful face was also extremely solemn, her eyes were fixed on Zang Yunyue, and she was worried.

Jade is right. Although Zang Yunyue has inherited the inheritance of the ancestors, the time is too short, less than a day, and it is impossible to fully integrate. Under such circumstances, how could she be Jade's opponent?

You must know that Jed is scheming, not only hiding his strength before, but also very cunning. Zang Yunyue is so simple, how can it compare?

"Om!"

At this moment, Zang Yunyue let out a coquettish cry, the jade hand clenched the long sword, and a sword shadow burst out again. In an instant, the spiritual energy of heaven and earth within a radius of a hundred miles seemed to be attracted.

For a time, the situation changed, and the world shook.

clang!

In the next second, the sword shadow burst out and slammed on Jed's long sword. Immediately, he saw a tyrannical aura that swept across the Queen's Hall!

At this moment, Jed staggered back, spat out a mouthful of blood, and his face was extremely pale.

"You…"

Jed only felt stuffy in his chest, stabilized his figure, looked at Zang Yunyue in shock and anger, his face was full of incredible!

This.. how is this possible!

She has just obtained the inheritance of the ancestors, and it is impossible to integrate so quickly.

At the same time, everyone around was dumbfounded. Especially Zangshuiyue, Zanghuoyue, and Jed's accomplices, they only felt that their legs were weak and they could not stand firm.

It was over, Jed was defeated, and Mona regained control of the situation. I am afraid that all of them will be doomed.

Quiet, the entire Queen's Hall was silent.

Whoops!

It was at this time that many Rakshasa warriors rushed over to hear the movement here, and they were all stunned when they saw the scene in front of them.

Chapter 2684

These warriors saw that there was a mess at the lively and festive banquet.

Queen Mona was pale and very weak, and Jed was seriously injured….

What happened?

call!

At this moment, Mona reacted, took a deep breath, looked around and said coldly: “Jed is extremely sinful, openly rebelled, and even the next criminals shot at me, come on, take them all down for me.”

Saying this At the time, Mona’s beautiful face did not show the slightest emotion.

Whoops!

The voice fell, and nearly a hundred warriors rushed up, and soon tied Jade, Zang Shuiyue and others. These warriors are Mona’s personal guards, and they are specially responsible for the queen’s safety. De and the others had just exhausted their internal energy and had no chance to resist at all.

“Mona!”

Jed let out a sigh of relief, his eyes were full of unwillingness, looked at Mona, and shouted: “You are lucky today, but I don’t regret it, I just hate that we have inherited thousands of years of heritage. The Rakshasa tribe, it’s really sad and deplorable to be destroyed by the hands of a woman like you…” After

speaking, Jade turned his head to look at Zang Yunyue: “From today onwards, we have nothing to do with each other, please don’t call me righteous again. Father.”

Jed’s face was full of grief and anger as he said this.

Almost, he was almost able to drive Mona to step down and become king himself, but he never thought that it would be destroyed by Zang Yunyue in the end.

Feeling the resentment in Jed’s eyes, Zang Yunyue was very aggrieved and a little helpless, biting her lip, not knowing how to respond.

“presumptuous!”

At this moment, a warrior roared, walked over quickly, and slapped Jade in the face.

“Crack!”

This slap was very powerful, and Jed was beaten and turned around in a circle, and finally fell to the ground with his buttocks, and half of his face suddenly swelled up.

“Blatant rebellion and rudeness to Her Majesty the Queen. People like you deserve death!” The warrior said coldly, and slapped him again.

“Slap! Slap!”

Loud slaps kept coming out, and everyone around was indifferent, and no one sympathized with Jade. After all, what Jade did before was too bold.

After a dozen slaps, the warrior said to Mona: “Your Majesty, this kind of chaotic ministers and thieves need not be tolerated, and all his comrades will be beheaded to show the public.” The

voice fell, and the warrior pulled out a long hand. The knife slashed directly at Jade’s neck!

Jed was tied up with five flowers, and he couldn’t dodge at all. He felt the cold of the long knife, his face changed, and he was sweating all over his body. It was not terrible to die, but he had to be beheaded to show the public, which was not what Jed wanted.

At the same time, Zang Shuiyue and the others, who were tied to the side, were also pale and panicked.

“Little sister, quickly intercede to Her Majesty the Queen…” Zang Shuiyue couldn’t help shouting.

Zang Huoyue was also in a hurry and said to Zang Yunyue: “Quickly think of a way, little sister, do you have the heart to see the eldest brother and the second brother beheaded?

” But there was resentment in his heart.

It’s not that the little sister is meddling with her own affairs, and she won’t end up like this.

At this time, Zang Shuiyue was unwilling to intercede with Zang Yunyue, but she had no choice but to rely on her to save her life in the current situation.

I…

heard this, Zang Yunyue was very tangled, then bit her lip and said to Mona: “Your Majesty, keep the people under the knife!”

“Wait.”

Mona raised her face expressionlessly. He raised his hand, signaling the warrior to stop.

Chapter 2685 The

next second, Mona looked at Zang Yunyue quietly: “Yunyue, what do you want to say?”

“I…” Zang Yunyue hesitated, and said softly: “Jade With these people, although the crime deserves ten thousand death, but seeing that they have made so many contributions to the Rakshasa, I implore Your Majesty to spare their lives.”

Mona pondered and said lightly: “These people have committed the following crimes. , It’s not a pity to die, but for the sake of protecting me with all your might, I can stop killing them for the time being!”

Speaking of which, Mona’s eyes flickered, thinking of something, and continued: “Come on, take these Jed People, throw them into the endless abyss!”

Endless abyss?

Hearing the name, Jed shuddered, his face turned white, and he was terrified.

Zang Shuiyue and the others were even breaking out in a cold sweat.

If you are thrown into the endless abyss, you might as well just die.

At the same time, Zang Yunyue also trembled, and couldn’t help but say: “Your Majesty, what’s the difference between throwing them into the endless abyss and killing them?” The

endless abyss, in the west of the habitat, deep Unfathomable, when the Rakshasa tribe first migrated here, this abyss existed. No one knew how deep it was and where it led to. They only knew that none of the people who fell accidentally came back alive.

call!

Mona took a deep breath and looked at Zang Yunyue seriously: “Yunyue, I know, you can’t bear to see your adoptive father, and your two brothers end up like this, but they openly rebelled, and they are innocent. Forgiveness, for your sake, I didn’t behead them, it’s already the greatest mercy, you know?” The

tone was firm and unquestionable.

Zang Yunyue bit her lip, not knowing how to refute!

But when I thought that my adoptive father and two older brothers were thrown into the endless abyss, I still couldn’t accept it.

Seeing this scene, the brothers Zang Shuiyue and Zang Huoyue looked at each other in incomparable despair. When it’s over, the little sister can’t even ask for mercy, and it’s dead now.

At this time, Mona was too lazy to talk nonsense, waved her hand, frowned and said: “Come on, throw Jed and these people into the endless abyss, whether it is life or death, see their good fortune.”

“In addition, immediately investigate Jed . Once verified, they will be arrested immediately, and like Jed, they will all be thrown into the endless abyss!”

“Yes! Her Majesty the Queen!” As the

voice fell, dozens of warriors hurried over and escorted Jed down.

At this moment, Jade was so frightened that his face was pale, and he didn’t say a word.

Soon, the Jade people were taken to the edge of the abyss.

I saw that under this abyss, there was darkness, and there was still fog shrouded in the depths of the bottom, I don’t know how deep.

Jed, Zang Shuiyue and the others could clearly feel that a bone-piercing chill was constantly blowing from the bottom of the abyss.

It’s a shame to die like this!

Jed couldn’t help shivering, and his heart was full of unwillingness.

That is, at this moment, the warriors behind him did not hesitate to push Jade down one by one.

Huhuhu….

The wind whistled in the ears, Jade and Zangshuiyue everyone were almost lost.

I don’t know how long it took to fall. Jed thought he was dead, but he didn’t expect that there was a deep pool at the bottom.

wow…

At the moment of falling into the water, the icy chill came, Jed couldn’t help but shivered, then surfaced, looked around, and was stunned.

Whoa!

At the same time, Zang Shuiyue and others who had surfaced around them couldn’t help but take a deep breath when they saw the scene in front of them.

The ultimate husband in Chinese chapter 2686-2690

Chapter 2686

saw that the surroundings were dim and foggy, like a chaotic world.

And near the deep pool, there is an endless deep hole, which slowly extends to the depths along the cliff. I don't know where it leads.

It turned out that the bottom of the abyss was like this.

Seeing this scene, Jed and everyone looked at each other, each one was shocked.

What is this place under the abyss?

…..

the other side!

To the northwest of Qingyunzong, in a small town a hundred miles away.

Yue Feng stood in the middle of the street and kept looking around, his face seemed calm, but he was anxious.

Nima, that Fang Qifo said before that he wanted to meet here. It's been three hours now, why haven't you seen anyone?

You won't be fooled, will you?

However, if that Fang Qifo was playing tricks on him, he would not have helped him leave at that time!

Whoa!

Just when Yue Feng was secretly anxious, suddenly, there was a commotion not far away.

Yue Feng looked up subconsciously, and saw a lot of people surrounded by the street in front of him, and the water was blocked!

This chapter is provided by . Visit for daily update.

In the crowd, stood a pretty figure, which was particularly eye-catching.

Sikong Yanran? !

And behind Sikong Yanran, it was her four senior brothers!

How are they here?

Seeing Situ Yanran, Yue Feng was stunned. Three years ago, after the war between Kyushu and Rakshasa ended, he never saw her again. Didn't expect to come across it here.

Thinking to himself, Yue Feng walked over slowly.

As soon as I squeezed into the crowd, I saw a few people dressed as mercenary groups holding some animal skins for sale.

One of the leaders was showing a snow-white fur to the people around him, and the introduction was flying: "Did you see it, this is the skin of a snow tiger, has Xuehu heard of it? In the depths of the snow-capped mountains in the wild and strange land. , the lowest strength is the Martial Saint realm, it is difficult to kill…"

"Tell you, this Snow Tiger, we chased for a whole month before we succeeded in killing…"

Wow!

Hearing this, everyone around was in an uproar, and many people were amazed.

"Xuehu, it's the first time I've seen it!"

"This fur is really nice!"

Seeing this scene, Yue Feng couldn't help but chuckle, then quietly watched Sikong Yanran.

There are three scars on Yue Feng's face, which has changed a lot from his image three years ago, so Sikong Yanran didn't recognize it at all.

Not only Sikong Yanran, but also the four senior brothers did not see Yue Feng.

"How much do you sell for this Xuehu skin?" At this moment, Sikong Yanran stepped forward and asked the man.

Sikong Yanran is ingenious. Recently, I wanted to make a soft armor for self-defense, but I couldn't find any good materials. I passed by here today and saw these mercenaries selling snow tiger skins on the street, and I was immediately attracted.

The person who introduced the snow tiger skin was called Xu Hong. Seeing Sikong Yanran asking, he smiled and stretched out his five fingers: “Beauty, this snow tiger skin is of the highest quality, with five hundred thousand Kyushu coins.”

Five hundred thousand?

Hearing this number, everyone around them exclaimed, it’s so expensive.

Sikong Yanran was indifferent, without the slightest fluctuation.

As the eldest lady of Ice and Fire Island, 500,000 is not expensive for her at all.

At this time, the four senior brothers behind him stepped forward and prepared to pay.

“Wrap it up for our little junior sister.”

“It’s not allowed to raise the price.”

Soon, the snow tiger skin was wrapped, and the four brothers had to pay, just then, a faint voice sounded: “Just get a white bear skin, Just say it’s a snow tiger skin? It’s ridiculous!”

It was Yue Feng!

Yes, Yue Feng had been in the wild and strange realm for three years, what kind of beasts had he not seen before? In particular, Xuehu, who had killed several of them, was the most familiar. Just now, he could tell at a glance that the mercenaries were not selling snow tiger skins at all, but counterfeit white bear skins.

Chapter 2687

Swish!

In an instant, the audience was silent, and all eyes were focused on Yue Feng!

Who is this kid? To say that this snow tiger skin is fake?

Xu Hong was displeased, looked at Yue Feng up and down, and said coldly: “Who are you special? Dare to make trouble here, don’t want to live? Hurry up!”

“My friend, how do you say this is fake?” Sikong Yanran tilted her head to look at Yue Feng and asked curiously.

While saying this, Sikong Yanran looked at Yue Feng carefully and felt a strange feeling.

Why does this person… look familiar?

Yue Feng didn't answer immediately, but stretched out his hand and said with a smile, "Show me!"

Hearing this, Sikong Yanran handed the wrapped animal skin to Yue Feng!

Yue Feng stretched out his hand to take it, took a look, and revealed a smile: "This skin is not bad, it is rare to see in the Kyushu mainland, but unfortunately, it is not Xuehu's." After

speaking, Yue Feng looked around, Continue: "I have already said that this is a white bear skin, not a snow tiger skin at all."

Mad!

At this moment, Xu Hong couldn't help it, his face was ashen, he looked at Yue Feng and said coldly: "Boy, you keep saying that this is not the skin of a snow tiger, you say it's baseless, what evidence do you have, if you can't show it, don't blame me for being rude !" The

voice fell, and many people around agreed.

"Yeah, you have to show evidence."

"This kid can't be mentally ill, right? Looking at his appearance, I'm afraid I've never seen Xuehu in my life!"

"Haha…"

Hearing the sarcasm, Sikong Yanran frowned and said to Yue Feng, "My friend, you said this is fake! How can you prove it?"

Like the people around, Sikong Yanran thought that the person in front of her was, It's nonsense!

Ugh!

Yue Feng sighed secretly in his heart, this Sikong Yanran is also the eldest lady of Ice and Fire Island. Don't you know that the rivers and lakes are dangerous? The other party's clumsy deception has not yet been seen!

At this time, the four Sikongjia brothers also gathered around.

"Boy, are you looking for this reason to strike up a conversation with our junior sister because she looks beautiful?"

“Tell you, our brother-in-law is called Yue Feng…”

“So you should be more acquainted, hurry up.”

Hearing this After saying that, Sikong Yanran’s beautiful face suddenly turned red, and she stamped her feet: “You all shut up!”

These four senior brothers are really open-mouthed, how can they talk about themselves and Yue Feng? .

Haha…

Yue Feng is also overjoyed, these four brothers are still so interesting.

To be honest, Yue Feng really wanted to reveal his identity at this time, but thinking of the upright personalities of these four brothers, he was afraid that if he admitted that he was Yue Feng, they would be forced to go to Icefire Island.

“Boy!”

At this time, Xu Hong lost his patience, pointed at Yue Feng and scolded: “If you can’t say why, just get out!”

Yue Feng ignored it, smiled coldly, silently urged his inner strength, raised his hand to A smear on the hide.

This animal skin was originally covered with faint stripes, but at this moment it disappeared without a trace!

This…

At this moment, Xu Hong’s expression changed, and he couldn’t help but take a deep breath!

Mad, how did this kid know this secret? Even the stripes on the animal skin were lost?

“Oops, the stripes disappeared? What’s the situation?”

“What’s the situation?!”

At the same time, many people around also noticed it and shouted.

Sikong Yanran stared blankly at Yue Feng, her beautiful face was also extremely surprised.

Yue Feng laughed, looked around, and said slowly: “Although Xuehu has snow-white fur, like other tigers, it also has stripes in the shape of a king. This type of stripes is difficult to fake, but in some cultivators, But I can use a special kind of elixir to make this kind of stripes.”

“This kind of fake stripes can’t be washed away by water or burned by fire, but it can still be dispelled by internal force.”

After saying the last sentence, Yue Feng Looking at Xu Hong with a half-smile, “How is it? What else do you have to say now?”

Chapter 2688

Speaking of which, Yue Feng was in a hurry to join Fang Qifo, and he didn’t want to meddle in these business affairs.

But since he met Sikong Yanran, Yue Feng didn’t want to stand by and watch. After all, in Yue Feng’s heart, Sikong Yanran was also his confidante.

Whoa!

At this moment, everyone gathered around to see the animal skin on Yue Feng’s hand.

Even Sikong Yanran and the four senior brothers couldn’t help but take a step forward. When they checked it carefully, they saw that the stripes on the animal skin had disappeared and nothing remained.

It seems that this snow tiger skin is really fake? !

Sikong Yanran couldn’t hide the consternation in her heart, looked at Yue Feng carefully, and a strange feeling rose in her heart.

This man is amazing, he knows so much…

but… why does he want to help himself?

Yue Feng looked at Xu Hong and said with a smile: “In the past two years, many mercenary groups have emerged in the Kyushu continent to explore the wild and strange realms, but there are also many liars among them. If my guess is correct, you are not real at all. A mercenary group, but a liar who specializes in selling fake animal skins, right?”

“Good boy!”

Hearing this, Xu Hong’s face turned blue and white, and he said angrily: “If you dare to smash your father’s job, I think you are alive. I’m getting impatient, just wait for me!”

After saying that, Xu Hong signaled his accomplice and hurriedly called someone.

Yue Feng guessed right, Xu Hong's group is not a mercenary group, but a group of charlatans.

"Let's go!"

Seeing this scene, Sikong Yanran couldn't help but said to Yue Feng, "Thank you for helping me, but this is someone else's chassis after all. Before their helper arrives, go away!"

Yue Feng smiled and said it was all right.

Just as he was talking, he heard footsteps coming from the street not far away, and then a slender figure walked over quickly, looking around while walking, his delicate face was full of eagerness, obviously looking for someone. .

It is Meihui!

A few hours ago, under the insistence of Fang Qifo, Mei Hui reluctantly escaped from the Qingyun Sect prison.

Along the way, Meihui realized that Fang Qifo was in bad luck, and was heartbroken, but she insisted on rushing to this small town, because she knew that her eldest brother Yue Feng was waiting for her here.

call!

Seeing Meihui, Yue Feng was very excited, and at the same time he couldn't tell the guilt in his heart. As Meihui's righteous brother, he has not taken good care of her in these years. On the contrary, because of himself, the Ouyang family has been implicated, and this little sister has suffered a lot because of it!

Swish!

At this moment, the eyes of the people around them all focused on Meihui, and they were deeply attracted.

Especially many men, their eyes are straight.

beautiful! So beautiful.

Just now, when everyone saw Sikong Yanran, they were already amazed, but they didn't expect that another beautiful woman would come. These two women stood together, each with their own merits.

This…

At this moment, Sikong Yanran stared blankly at Meihui and was stunned.

Isn't this the second young lady of the Ouyang family? How would it appear here?

At this moment, Sikong Yanran didn't realize that the man beside her was Yue Feng, who she was thinking of.

"Big brother!"

At this moment, Meihui swept her gaze across the crowd, locked Yue Feng at once, then gave a coquettish cry, ran over, and threw herself into Yue Feng's arms, almost crying with joy: "Brother, I knew you would be there. Waiting for me here." As

she spoke, Mei Hui hugged Yue Feng tightly, for fear that in the blink of an eye, the person in front of her would disappear.

At that time, in the main hall of Qingyunzong, because of her identity, Meihui held back her emotions and did not dare to recognize Yue Feng. At this time, when she arrived in this small town, there were no enemies around, and Meihui could no longer restrain her emotions.

"Little sister… I'm sorry for worrying you…" Yue Feng smiled and said softly.

When he said this, Yue Feng was full of guilt.

Three years ago, Meihui was still so pure, but now she has become a lot more mature, and she has lost a lot of weight, which makes people feel distressed.

During her absence, the little sister did not know how much she suffered…

Thinking to herself, Yue Feng thought of something, and couldn't help but ask, "By the way, why are you alone? Where is your master?" Seven Buddhas, Yue Feng was full of doubts.

Chapter 2689

How did he and Meihui know each other? Why did Meihui ask him to be her teacher?

"Wow…"

Seeing Yue Feng mentioning her master, Meihui couldn't hold back any longer and burst into tears: "Brother, my master he…he…" As

she said, Meihui wiped away tears, Talk about the situation at the time!

What?

Knowing the situation, Yue Feng was shocked, and the whole person was stunned there.

The next second, Yue Feng clenched his fists tightly, his eyes flashing with endless anger. At the same time, he did not forget to comfort Meihui: “Little sister, don’t worry, if something happens to your master, I will definitely avenge him.”

Well!

Hearing this, Miu nodded. If someone else said this, she might laugh it off. After all, the other party is Zhang Jiao, who is powerful, but the big brother is different, he has this strength.

Whoops!

At this moment, Xu Hong walked over quickly with a group of people, and in a blink of an eye, they surrounded Yue Feng and Meihui.

In the next second, Xu Hong glared at Yue Feng and shouted: “Boy, you are very courageous. If you dare to break my business, you must break one of your legs today.” After

saying that, Xu Hong waved his hand, and the surrounding companions They pulled out their weapons.

The atmosphere suddenly became solemn, and the smell of gunpowder was full.

The crowd watching the lively around quickly stepped back, afraid of getting into trouble.

call!

Seeing this scene, Yue Feng’s expression was indifferent, not panic at all.

At this moment, Mei Hui’s body flashed and blocked in front of Yue Feng.

Immediately, Meihui looked around at Xu Hong and said coquettishly, “You guys are so bold, you bully people because of the number of people, right? Do you know who he is?”

Hmm?

Xu Hong’s eyes flashed, he looked up and down at Meihui, and said with a smile: “Where is the beauty from? She has a very hot temper. Let me tell you, this kid has cost me a lot of money. Today I have to mutilate him!”

Said After that, Xu Hong walked towards Meihui and continued with a smile: “However, since you are in his gang, beauty, as long as you promise to accompany me to drink, I can consider letting him go.”

“Blind your dog eyes, get out. “

You don’t eat or drink for a toast!”

Feeling the contempt of Meihui, Xu Hong suddenly became angry, and greeted his accomplices, he must do it!

“Yue Feng?”

At this critical moment, Sikong Yanran, who had been standing beside him, stared at Yue Feng, unable to hide his excitement: “You…you are Yue Feng? Where did you go, what’s the matter with the scar on your face?”

When he said this, Sikong Yanran’s beautiful face was full of excitement!

What?

In an instant, the eyes of the audience converged on Yue Feng.

He…he is Yue Feng?

Whether it was Xu Hong or everyone present, their hearts were shocked, and they were all dumbfounded.

Over the years, there have been many strong people in Kyushu, but Yue Feng is definitely the most famous one, the Sect Master of Tianmen, the Emperor of Xi Cang, who later fought against Yang Jian, became famous in Kyushu, and then united Kyushu against the Rakshasa clan.

It can be said that Yue Feng’s name is known to everyone in Kyushu.

It’s just that they never thought that such a famous big man would appear in this humble town!

Holy crap …

Yue Feng scratched his head and looked at Sikong Yanran very complicatedly. I wanted to hide my identity, but I didn’t expect it to be revealed in the end.

“You…”

At this time, Xu Hong reacted and looked closely at Yue Feng, full of disbelief: “You are Yue Feng, the sect master of Tianmen?”

When he asked this, Xu Hong’s voice trembled, and he almost stood there. unstable.

It’s over, this time I hit the iron plate. I thought it was just a nameless person, but I didn’t expect that the other party was so big.

Chapter 2690

Yue Feng looked at Xu Hong quietly, and said with a chuckle: “What? How many people pretend to be me in this world?”

This…it’s really Yue Feng!

Hearing this, Xu Hong was completely panicked, and kept bowing to Yue Feng: “Yue Daxia, Sect Master Yue, I have eyes but don’t know Mount Tai. I have offended you a lot just now. I hope you don’t remember the villain!”

Said Wake up, since Yue Feng disappeared in the Wild and Strange Realm three years ago, people in many places have come out to swindle in the name of Yue Feng. Xu Hong has encountered several.

However, Xu Hong has been walking in the arena for so many years, and he also understands how to observe the words and feelings. This one, whether it is temperament or aura, is not pretended by ordinary people, it is definitely the real Yue Feng!

At this moment, Xu Hong apologized, and hurriedly handed the white bear skin to Sikong Yanran’s hand.

In Xu Hong’s heart, Sikong Yanran is so beautiful, she is definitely Yue Feng’s woman, she almost lied to her just now, so she apologized with this white bear skin!

Sikong Yanran hesitated, but accepted.

I didn’t expect this kid to be able to do things!

Seeing this scene, Yue Feng’s face softened a lot, and he said to Xu Hong: “As a Jianghu person, I will do good things for the people in the future. Stop cheating, you know?”

“I know.” Xu Hong’s chicken pecks Mi nodded: “Sect Master Yue taught me!”

The accomplices behind him no longer had the arrogance they had before, and they nodded and bowed at Yue Feng one by one.

At this moment, the four Sikongjia brothers next to him also reacted, and surrounded him with excitement.

“Haha… It turned out to be Yue Feng!”

“Good brother-in-law, you have been missing for three years. I don’t know how much our little sister misses you.”

“It’s been a long time to meet again, you must not be drunk or not, you have to treat yourself..”

Seeing the four senior brothers, he began to speak openly again, Sikong Yanran blushed, couldn’t say shy, and wanted to scold him at this time, but it was obvious Yue Feng, who was on the side, held back again.

“Haha.”

Listening to the four brothers, I shouted one sentence at a time, Yue Feng showed a smile and nodded: “I’m also very happy to see you. Since the four brothers said it, let’s have a good drink.”

To be honest, Yue Feng likes these four upright senior brothers very much. Although each of them is quite a tiger, at least they are much stronger than those hypocrites.

Moreover, Yue Feng also wanted to find a place to rest, and then make a good plan.

“Sect Master Yue!”

At this moment, Xu Hong came over and said to Yue Feng, “There is a good inn on the street, and the boss and I are friends. Since Sect Master Yue and his friend have been together for a long time, let the young man arrange it. Well, it can be regarded as an apology for what happened just now.”

When he said this, Xu Hong looked expectant.

Yue Feng nodded: “Okay! You can arrange it!”

Speaking of which, Yue Feng didn’t want to trouble others, but this Xu Hong has a little reputation in the local area. Trouble.

More importantly, Yue Feng continued to investigate the situation of Qingyunzong, and it was most suitable for this Xu Hong to do the work for him. After all, he is not one of his own, even if he is caught by Zhang Jiao’s people, nothing will be revealed.

Seeing Yue Feng agree, Xu Hong was very excited and hurried to make arrangements.

Half an hour later, Yue Feng and Sikong Yanran, as well as Mei Hui and others, were sitting on the second floor of the street inn, drinking fine wine and chatting.

After learning about Yue Feng's experience, Sikong Yanran was very angry.

"This Zhang Jiao is so despicable." Sikong Yanran frowned and said to Yue Feng, "How to use this despicable method to deal with you and the Ouyang family, and still want to be the supreme ruler of Kyushu? This kind of fear that the world will not be in chaos. You must get rid of them as soon as possible."

Saying that, Sikong Yanran bit her lip and continued, "Yue Feng, if you need my help, just say it."

Phew!

Hearing this, Yue Feng was very moved. Although she was caught by her father and made a ridiculous wedding, I have to say that this Sikong Yanran is really a good girl, kind-hearted, considerate, justice.

Thinking about it, Yue Feng was about to respond.

"Sect Master Yue!"

At this moment, Xu Hong walked in from outside and said to Yue Feng very complicatedly: "I just went to check the situation of Qingyun Sect with my brother."

Half an hour ago, Yue Feng let Xu Hong went to Qingyunzong to check the news, Xu Hong agreed decisively, and quickly brought back the news.

The ultimate husband in Chinese chapter 2691-2700

Chapter 2691

“What’s the situation?” Yue Feng asked quickly.

Mei Hui and Sikong Yanran next to her also looked at Xu Hong closely, waiting for his answer.

Especially Mei Hui, when she thought of Fang Qifo’s safety, her heart became extremely anxious.

Xu Hong breathed a sigh of relief, and said slowly: “I heard that Zhang Jiao ordered everyone to be repaired and is going to the Holy Sect tomorrow.”

Going to the Holy Sect?

Hearing this, Yue Feng was stunned for a moment, then frowned, and Chang’e’s beautiful face appeared in his mind for the first time.

Zhang Jiao is going to Shengzong, and the purpose must be Chang’e.

No matter what his purpose is, he must not be allowed to succeed.

Muttering in his heart, Yue Feng pondered for a while, then nodded and said, “It looks like I’m going to the Holy Sect.” The

voice fell, and the four Sikongjia brothers were all excited.

“I heard that Shengzong is a hidden sect. This time I finally have a chance to see it.”

“Yes, let’s go together!”

Sikong Yanran didn’t say anything, but she kept her eyes fixed on Yue Feng, obviously planning to go together.

However, Yue Feng thought about it for a while, but shook his head at the four brothers: “Four senior brothers, my little sister and I can go to the Holy Sect. You and Miss Yanran, please help me with another thing.

” The four brothers were very reluctant.

This chapter is provided by . Visit for daily update.

Sikong Yanran was also a little disappointed, but she was gentle, not very excited, but asked softly, “Yue Feng, what do you want us to do?”

Huh!

Yue Feng took a deep breath and said word by word: “I want you to help me visit Nanyun Continent, Tianqi Continent, and Xi Cang Continent, explain my situation, and ask these three continents to send troops to support.

” At that time, Yue Feng’s face was full of helplessness. Originally, he respected and humbled himself to go to this matter.

But there was no way. Now Zhang Jiao sent people to search for his whereabouts. I am afraid that Zhang Jiao would know about it before he reached the Nanyun Continent.

“Okay!” Sikong Yanran’s eyes shifted and she nodded.

As long as you can help Yue Feng, you can do whatever you want.

Seeing her promise, Yue Feng nodded in relief, and then said to Meihui: “Little sister, go to the Holy Sect with me, and try to get ahead of Zhang Jiao! Don’t worry about your master’s business. After we meet Empress Chang’e, let’s make plans.”

Hmm!

Miu nodded.

It was agreed that Yue Feng did not stop, separated from Sikong Yanran and the others, and took Mei Hui on the road, rushing in the direction of Shengzong.

…..

this moment, the other side!

At the bottom of the endless abyss, Jed, Zang Shuiyue and others reacted, and then probed into the deep hole!

After entering the deep cave, everyone in Jade couldn’t help shivering, and they saw that it was unfathomable and didn’t know how deep.

At this moment, everyone in Jade was extremely nervous.

Is this hell?

In the tense, everyone was curious and continued to probe inside.

Yes, the road that Jed and the others took, was the same as the way Wen Chou Chou took before. It was the way to guide the soul of the ghost world. The way to guide the soul is all over the continent of Kyushu, but the entrance is extremely secret.

I don’t know how long it took, Jed and everyone came to see a black man from the city!

It is the underworld of the ghost world!

Whoops!

At this moment, before Jed and the others could react, a team of underworld soldiers rushed out and surrounded the crowd.

Chapter 2692

“Who’s here? Dare to trespass into the underworld?”

“Arrest them all!” A

cold shout came, these underworld soldiers took out chains and tied Jade and the others, who were caught by the ghosts of the ghost world. The suppression of qi can’t be resisted at all.

Hades? It’s over, this is really what the Kyushu people call hell.

At this moment, everyone in Jade looked desperate!

A few minutes later, the Jade people were taken into the hall of Hades.

In the center of the hall, Pluto was sitting there, dressed in black and gold robes, with a powerful aura and a suffocating aura.

“How did you break into the ghost world?” Hades looked at Jed and asked coldly.

Jed and others are all stupid! Too scared to speak.

call!

At this time, a figure standing beside Pluto was faintly shocked, very shocked.

It’s Wen Chou Chou!

At this time, Wen Chou Chou looked at Jade and the others, frowning!

What happened to these Rakshasa people? Accidentally discovered the entrance to the ghost world, and came in to investigate?

Thinking to himself, Wen Chou Chou did not speak, but quietly watched. Although he is now the messenger of Hades, the scene in front of him is not qualified to speak at all.

“Pluto asked, are you all dumb?”

At this time, a Pluto soldier came over and yelled at Jed and others, “How did you come here? Tell the truth?”

Pluto?

Hearing this, Jed couldn’t help taking a deep breath.

The next second, Jed tried his best to calm himself down, and respectfully said to Hades: “Your Majesty, Pluto, misunderstanding, we didn’t mean to break into the ghost world, and this misunderstanding…”

After speaking, Jed explained the situation in detail. , Zang Shuiyue and others next to him nodded in agreement.

What?

Upon learning of the situation, Wen Chou Chou was calm on the surface, but was extremely shocked in his heart.

Rakshasa clan infighting?

The Pluto next to him looked suddenly: “So it is!”

“His Majesty Pluto!” Jed quickly knelt on the ground and said to Pluto: “We broke in by mistake, I hope Pluto Mingjian, let us go back!”

Go back?

Hearing this, Hades couldn’t help laughing, with no emotion in his tone: “The ghost world is the final destination for all beings in the world, isn’t it that you can come and leave if you want?” The

voice fell, and a ghost beside him Bing followed with a sneer and said: “When you reach the ghost world, you are dead, understand?”

What?

Jed’s face changed, and cold sweat broke out all over his body.

I thought it was just an abyss hole, but I didn’t expect it to be the entrance to the ghost world. If I knew this, it would be better to be beheaded by Mona directly.

Thinking to himself, Jed's face was full of misery, and he shouted at Pluto: "His Royal Highness Pluto, we are not going to die, we just broke in by mistake and begged His Majesty Pluto to open up and give us a chance. "

This is the rules of the ghost world, how can you change it at will?" Hades responded coldly.

Having said that, Hades looked at Jed and others, changed his mind, and said lightly: "However, seeing that you are indeed wronged, I can give you a chance to go back, but you have to promise me a condition!"

Hearing this, Jed was overjoyed and quickly said, "Your Majesty, please tell me!" You

can only live, not to mention one condition, just one hundred conditions.

Seeing his simple answer, the corners of Pluto's mouth twitched, and he said word by word, "The conditions are very simple. From now on, you must obey my orders and be loyal to me for the rest of your life. You must not have two hearts!

" The minds of Jed et al!

What? !

Hearing this, Jade and Zang Shuiyue and the others behind him were stunned, and they all stood there on the spot!

Allegiance to Pluto for the rest of your life?

Chapter 2693

After a few seconds, Jed was the first to react, hesitated, and finally took a step forward, respectfully saying to Hades: "It is my honor to serve Hades!"

Jed is not stupid, knowing that he would not agree, Never want to go back.

Moreover, Pluto is the ruler of the ghost world, and his strength is unfathomable. With such a backer, what is he afraid of Mona?

"My subordinates see Pluto!"

Zang Shuiyue and the others did not hesitate and knelt down for a while.

The situation at hand is very obvious. If you don't agree, you will be trapped here forever and become a living dead. They are not fools. Who doesn't want to go back?

Seeing this scene, Hades was very satisfied and showed a smile!

This…

Seeing this scene, Wen Chou Chou furrowed his brows and was very shocked.

What's the situation, Hades recruited this group of people? Are you going to send them back? He is the master of the ghost world, so this decision is too casual, right?

"Okay, very good!"

Just when Wen Chou Chou was secretly wondering, Pluto looked around and ordered Jed and others: "It seems that you are all smart people who know how to make the right choice.

" Pluto's expression became serious: "Before sending you back, I will give you the first task!"

"Please make it clear, Your Majesty!" In an instant, Jed and the others responded in unison, each with a very respectful expression.

Pluto stood up slowly, and the powerful aura filled the entire hall: "After you go back, first bring your own people, split from the Rakshasa clan, and set up a new clan, the name has been thought out for you, and it is called Shura. Clan!" The

tone was indifferent, but there was no doubt!

Yes, Pluto has ruled the ghost world for many years, and he was tired of it. A long time ago, he wanted to infiltrate his power into Kyushu, but he never had the chance. Now that he sees these people like Jed, Pluto knows that the opportunity is coming. You must know that Jade and these people are the strongest warriors of the Rakshasa tribe, and it is most suitable for them to be the vanguard!

Whoa!

Hearing this, Jed and the others were all shocked and inexplicably excited!

Immediately, Jed and everyone said in unison: "Follow your majesty's order!"

They knew that the Rakshasa clan would not tolerate the open rebellion against Mona before, but now, Hades asked them to form a new tribe and evacuate from Mona , of course it is desirable.

This…

At this moment, Wen Chou Chou, who was standing there, hummed in his head, completely stunned.

Hades wanted to split the Rakshasa clan, what was he going to do? Participate in the situation in the Kyushu mainland?

….

the other side!

Yue Feng and Meihui, after several hours of flight, finally arrived at the foot of Shengzong Mountain!

call!

At this moment, looking at the fairyland-like scene in front of him, Yue Feng was filled with emotion.

Back then, he was hunted down by King Guangping, and he and Ren Yingying wandered into the sea. By chance, he joined the Holy Sect and became a disciple of the Xingmu Temple. Unexpectedly, after a few years, he came back!

Mei Hui stood by the side, also stunned.

What a beautiful place, is this a wonderland?

A few seconds later, Yue Feng said to Mei Hui: “You wait for me here now, I’ll go up and check the situation first! Remember, don’t walk around!”

Meihui snorted, somewhat reluctantly, but when she saw the words ‘Do not enter outsiders’ written on the stone tablet in front of her, she held back.

Yue Feng said no more and walked towards the top of the mountain!

Soon, at the entrance of the mountain gate, Yue Feng stopped!

I saw that there were some stone pillars lined up around the entrance of the mountain gate. It looked ordinary, but it contained a mystery!

Yue Feng could see at a glance that this was a formation.

Three years ago, after Chang’e decided to practice in the Holy Sect, Lu Dongbin, the head of the Sacred Sect, deliberately deployed a stone formation here in order to prevent some people from breaking into the Sacred Sect and disturbing Chang’e.

“This formation is so mysterious, it should be Lu Dongbin’s handwriting!” After watching for a few seconds, Yue Feng smiled and couldn’t help but mutter to himself.

“Who is it?”

As soon as the voice fell, a coquettish shout came, and then, a slender figure came out, with a delicate face full of alertness.

Chapter 2694

It is Liu Qingqing, the senior sister of Xingmu Tan.

Seeing Liu Qingqing, Yue Feng was overjoyed.

Yue Feng remembered very clearly that when he joined Xingmu Tan, he pretended to be a fisherman, and everyone looked down on him. Only this Liu Qingqing took great care of himself.

I have to say that Liu Qingqing is also a first-class peerless beauty. After three years of absence, she has become even more charming.

At this time, Liu Qingqing was dressed in a long light yellow dress, which set off her exquisite figure, and her hair was draped over her shoulders like a waterfall, which made her look immortal.

Yue Feng was about to say hello, but was interrupted by Liu Qingqing.

“Who are you, and why did you break into my sect?” Liu Qingqing asked with a calm expression.

Yes, Yue Feng spent three years in the wild and strange realm, leaving three scars on his face. The appearance and temperament are very different from before, and Liu Qingqing can’t recognize it at all.

Uh…

Yue Feng is very embarrassed. I haven’t seen him for three years, and my senior sister doesn’t know me anymore.

But that’s fine too!

Thinking to himself, Yue Feng bowed his hands politely: “I’m under the dust, it’s sent by the Tianmen Sect Master Yue Feng, and I’m looking for Empress Chang’e to report something important!”

Since the senior sister didn’t recognize her, she’d be wrong, you know. , Liu Jintan and Yue Feng have some grudges. If they learn that Yue Feng is back, they will definitely play tricks in secret.

Yue Feng was eager to see Chang’e, and didn’t want to cause trouble outside the festival.

Moreover, Senior Sister has always been kind to herself. If she knew that she was the one sent by her, she would definitely not neglect her!

really!

Hearing this, Liu Qingqing's eyes lit up: "Are you sent by Junior Brother Feng? Come in!" After speaking, he led Yue Feng through the stone formation.

In Liu Qingqing's heart, although Yue Feng is a famous person in Kyushu, but in her, she will always be her junior brother. This is not to prove her status, but to feel kind.

Soon, under the leadership of Liu Qingqing, Yue Feng entered the forbidden area of the back mountain.

Along the way, there were many disciples of the Holy Sect, looking at Yue Feng curiously, especially some female disciples, all of them laughed secretly.

Who is this person? Dressed like a beggar, silly, so funny!

Feeling the eyes of those disciples, Yue Feng looked indifferent!

Seeing his expression, Liu Qingqing nodded secretly, admiring it.

It is worthy of being sent by Junior Brother Feng, but this temperament is not comparable to other sect disciples. You must know that the Holy Sect is a well-known hidden world sect in Kyushu. Ordinary people will come in with fear. But this dust-free, but surprisingly calm, is really rare.

Thinking about it, Liu Qingqing couldn't help but remind: "Wuchen, Shengzong's gate is strict, don't rush in, and don't talk nonsense when you get to the resting place of Empress Chang'e, you know?"

Yue Feng laughed He smiled, nodded and said, "Understood!"

Just as he was talking, he saw a sexy figure walking in front of him. He was about the same age as Liu Qingqing. He was wearing a long pink dress, and his facial features were so beautiful that it evoked reverie. arrogance.

It is the senior sister of Liujintan, Zhang Na!

Nima!

Seeing Zhang Na, Yue Feng frowned, how did he meet this woman?

Yue Feng can't forget that when he joined the Shengzong, Liu Jintan was looking for trouble for himself everywhere because of the grievances with Xingmu Tan, especially

this Zhang Na, who deceived herself to the back mountain at that time and almost killed herself.

Swish!

At this moment, Zhang Na also saw Yue Feng, her eyes first glanced at Yue Feng with contempt, and then locked on Liu Qingqing.

Liu Qingqing wanted to introduce the surrounding scenery to Yue Feng, but when she saw Zhang Na, her mood instantly became worse!

“Wuchen, let’s go.”

Liu Qingqing spoke softly and stepped up at the same time, apparently too lazy to talk to Zhang Na!

However, many things in the world are so unwilling!

Chapter 2695

Just a few steps away, Zhang Na’s mean voice came from behind: “Liu Qingqing, what are you doing walking so fast? Are you so scared when you see me?”

Liu Qingqing stopped and looked back at Zhang Na, said lightly, “Why should I be afraid of you?”

Zhang Na chuckled and looked at Yue Feng up and down: “Who is this person? He’s dirty all over, like a begger.” With

that, Zhang Na pointed at Liu Qingqing He asked, “Don’t you know this is a forbidden area? You even brought in an outsider. Have you forgotten the rules?”

Seeing this scene, Yue Feng frowned secretly.

This Zhang Na really hasn’t changed at all. Three years later, she’s still like that.

Liu Qingqing looked at Zhang Na and said unceremoniously, “Zhang Na, I don’t seem to need to report to you about what I’m doing. As for this person, he’s here to see Empress Chang’e, don’t make trouble, let me “Go!”

“Want to see Empress Chang’e?”

Hearing this, Zhang Na smiled coldly, her face full of contempt: “Liu Qingqing, your brain is flooded? Empress Chang’e is a goddess in the world, a fairy-like existence, but Not everyone can see it!”

“Also, who knows where this man is dressed in this outfit?”

“Let me guess, this man is not your face at the foot of the mountain, okay? I want to bring him in. , if you join the sect, you will be able to be together every day? Hehe, don’t forget the rules of our sect, you will be found out by the sect master, but you will be expelled from the sect!”

When he said the last two sentences, Zhang Na’s face is mean!

Liu Qingqing was so angry that her delicate body trembled: “Zhang Na, keep your mouth clean. Let me tell you, this person was sent by Yue Feng, and she has something serious to report to Empress Chang’e!”

Yue Feng’s person?

Hearing this, Zhang Na was stunned for a moment, and then her expression became extremely wonderful.

“Tsk tsk.”

Zhang Na looked at Liu Qingqing with sarcasm in her eyes: “I said why you protected him like this, it turned out to be someone sent by Yue Feng, when Yue Feng was a disciple in Shengzong, you two It’s not normal. Later, I found out that Yue Feng is the sect master of Tianmen. I can see how excited you were at that time

.

To help Yue Feng, do you want to be the wife of the Tianmen Sect Master?” I

have to say, Zhang Na is bitter and mean, and these words bring out her character to the fullest.

“You…”

Zhang Na stomped her feet angrily, her face flushed, and she didn’t know how to refute for a while.

That’s right, she has a crush on Yue Feng, but it’s not as exaggerated as Zhang Na said.

Nima!

At this time, Yue Feng couldn’t stand it anymore. Mad, Zhang Na, is really disgusting. She is also beautiful. Liu Qingqing is so kind, why is Zhang Na so vicious?

Muttering in his heart, Yue Feng couldn't help pulling Liu Qingqing, and said slowly, "Take me to see Empress Chang'e first, a dying person, there is no need to talk to her."

When he said this, Yue Feng said He glanced at Zhang Na lightly.

Yue Feng noticed just now that Zhang Na was holding a Xuan Huangcao in her hand. Xuan Huangcao was a positive elixir, which had the effect of nourishing blood and nourishing qi. Moreover, Yue Feng remembered that Zhang Na was practicing negative exercises.

Obviously, Zhang Na's cultivation has reached a bottleneck, and her body is too yin, so she wants to suppress it with Xuan Huangcao, but yin and yang overcome each other. In her situation, using too much Xuan Huangcao is very dangerous and will endanger her life.

Yue Feng could see from Zhang Na's face that she had used a lot of black yellow grass during this period of time. It can be said that the hidden dangers in her body have already been planted, so she said this.

Swish!

Hearing this, Zhang Na's face changed, like a cat whose tail had been stepped on, and scolded Yue Feng: "Blind your dog's eyes, do you know who I am? You dare to curse me?"

As Liu Jin The eldest sister of the altar, whoever sees it rudely gives three points, but this person actually says that he is a dying person, which is too hateful.

"Wuchen!"

Liu Qingqing was also too anxious, so he couldn't help pulling Yue Feng: "Don't talk nonsense."

This person is true, he just told him not to talk nonsense, but he didn't listen. Na is the most vengeful, how can he afford it?

The ultimate husband in Chinese chapter 2696-2700

Chapter 2696 The

movement has attracted a lot of onlookers!

"What's the matter?"

At this moment, more than a dozen people came slowly and served in a uniform Liujin altar. The one at the head, with a majestic face and a strong aura, was the master of the Liujin altar, Xie Liuyun.

Xie Liuyun just tested the progress of his disciples' cultivation. After passing here, seeing Zhang Na arguing with others, he came over curiously to take a look.

"Master?!"

Seeing Xie Liuyun and many junior brothers, Zhang Na hurried up to meet her, and at the same time looked at Liu Qingqing's eyes with a hint of pride.

broken!

Liu Qingqing's pretty face changed, and her heart suddenly became uneasy.

The altar master of Liujin altar is here, isn't Zhang Na even more arrogant? How to do?

"Teacher!"

At this time, Xie Liuyun came over and asked Zhang Na, "What are you arguing about here?" The voice was not loud, but full of majesty.

At the same time, Xie Liuyun's eyes couldn't help but look at Xia Yuefeng, full of contempt.

"Master!"

When Master was present, Zhang Na was full of confidence and pointed to Liu Qingqing and said, "Liu Qingqing of Xingmu Tan brought outsiders into the forbidden area in private, violating the rules of the house. When I said a few words to her, she not only didn't listen. , and said I was nosy."

When saying this, Zhang Na looked at Liu Qingqing provocatively.

This chapter is provided by . Visit for daily update.

What?

Hearing this, Xie Liuyun frowned and asked Liu Qingqing, "Is that so?" The Liujin

altar and the Xingmu altar have always had grievances. The disciples, naturally did not have a good face.

"Thank you, altar master!"

Liu Qingqing bit her lip tightly, and argued with reason: “don’t listen to her nonsense, I didn’t lead anyone into the forbidden area, this is sent by the Tianmen sect master Yue Feng, I have something important to see Madam Chang’e.”

“It’s your disciple Zhang Na, who is so troublesome and insists on blocking my way.”

When he said this, Liu Qingqing looked calm, and he was not afraid of the shadow, let alone Xie Liuyun here, even if it was There is nothing to be afraid of when the headmaster is present.

What?

Hearing this, Xie Liuyun and the people around were stunned.

Especially Xie Liuyun, his brows furrowed, his face suddenly hard to look at, is this kid in front of him from Yue Feng? Since this is the case, he must not be allowed to see Chang’e.

When Yue Feng changed his name and surname, and joined the Holy Sect, he made Xie Liuyun ugly several times, and it could be said that he was embarrassed. Those humiliations will never be forgotten by Xie Liuyun for the rest of his life.

The disciples of the surrounding Liujin altar also locked their eyes on Yue Feng, unable to hide their hostility.

The image of Yue Feng has changed a lot from three years ago. At this time, these people, like Liu Qingqing, did not recognize them.

call!

Looking at Xie Liuyun’s face, Yue Feng frowned secretly.

It’s broken. He and Xie Liuyun have such deep grievances. Knowing that he was the one sent by him, he would definitely stumble in secret.

“Boy!”

Finally, Xie Liuyun calmed down and looked at Yue Feng up and down: “Are you sent by Yue Feng?”

Yue Feng smiled and nodded: “Yes!”

Xie Liuyun sneered, with a bit of mockery in his tone: “Yue Feng concealed his identity back then and infiltrated our holy sect, this matter has not yet been settled, and now he wants to see Empress Chang’e? He really regards himself as a character. “

I tell you, without the approval of the head of the family, you can't see Empress Chang'e." The

voice fell, and Zhang Na walked out with a sarcastic expression: "Did you hear that kid? You are not qualified to come here at all, hurry up." roll."

Chapter 2697

Immediately, Zhang Na thought of something, and said to Xie Liuyun: "Master, this kid is very rude, he just cursed me to death…" Then he told the situation just now.

boom!

At this moment, all the disciples around Liujintan couldn't help but laugh.

"Haha, who does this kid think he is?"

"Our senior sister's situation, the entire Liujintan knows about it. Speaking of which, the method of using the black yellow grass was taught by the master. If there is a hidden danger, the master will not know?"

" That is, this kid doesn't understand anything at first glance, but he was stopped by Senior Sister, and he was dissatisfied, so he used this method to scare Senior Sister."

The ridicule of the crowd kept coming, and a disdainful smile appeared on Xie Liuyun's face.

In the next second, Xie Liuyun glanced at Yue Feng and said lightly: "Boy, if you are a guest, I will not care about you, and, I want you to understand, what is 'there is a sky outside the sky, someone outside the human being'!"

Said Then, Xie Liuyun gestured to Zhang Na.

Zhang Na understood, she first glanced at Yue Feng proudly, and then stimulated her internal strength to absorb the spiritual power of Xuan Huangcao in her hand and integrate it into her dantian.

At that moment, Zhang Na's face became extremely red, obviously the positive power of Xuanhuangcao had attacked. However, according to her own strength, she could not successfully integrate.

hum!

It was at this moment that Xie Liuyun walked behind Zhang Na, raised his hands, pressed against her back, and began to help the fusion.

Time passed by minute by minute.

Two minutes later, Zhang Na's face gradually returned to normal.

"Thank you, Master!" Zhang Na took a deep breath and thanked Xie Liuyun.

Immediately afterwards, Zhang Na raised her eyebrows and said to Yue Feng, "Hey, boy, have you seen it? You said that I couldn't successfully integrate the power of the Xuanhuangcao, but you didn't know that every time it was the master who helped me, and the master's inner strength was strong. , so I will not leave any hidden dangers." The

voice fell, and the other Liujintan disciples next to him nodded in agreement.

"Yes, this is a country bumpkin, how can he understand such profound things?"

"It's ridiculous to think that he knows everything because he is from Yue Feng." "Boy, are

you stupid? Haha…"

In the compliments of many disciples, Xie Liuyun showed a smile.

Immediately afterwards, Xie Liuyun looked at Yue Feng and said with a smile: "How is it? Boy, what else do you want to say now?"

Yue Feng smiled and said nothing!

"Wuchen!"

At this moment, Liu Qingqing, who had been silent on the side, couldn't help but pulled Yue Feng and whispered: "This is the altar master of Liujin altar, don't mess with it, hurry up Say a few words of apology, don't you have something to report to Empress Chang'e? The real thing is important. "

When she said this, Liu Qingqing bit her lip, feeling very complicated.

To be honest, Liu Jintan and Xingmu Tan have deep grievances and grievances. Liu Qingqing is the most annoying to deal with people in Liujintan. If it is normal, he will never show weakness, but thinking of Yue Feng sending someone to see Chang'e, there must be something important. I decided to endure it for a while.

Seeing Liu Qingqing say this, Yue Feng nodded secretly, signaling her not to panic.

In the next second, Yue Feng looked at Zhang Na and Xie Liuyun again, and couldn't help but chuckle: "Master Xie, it is undeniable that you are indeed very deep inside, if you use this method yourself, it will It's alright, but you have overlooked one point."

"Liu Qingqing practiced the Yin exercises, and she didn't reach your realm. You helped her integrate the power of Xuan Huangcao, which seemed to be smooth, but in fact, Xuanhuangcao The remaining positive poison did not completely disperse, but penetrated deep into her dantian."

After speaking, Yue Feng glanced at Zhang Na lightly: "If you don't believe it, try to stimulate your inner strength and inject it into the 'Wind Pond'. You will know the consequences of the acupoints and Yinshen acupoints very quickly."

Yes, Yue Feng didn't want to do too much, but when he saw Zhang Na's complacent appearance, he was very angry. Being killed by her, I couldn't help it.

Whoa!

Hearing this, the audience was in an uproar!

All the disciples of Liujintan, as well as Xie Liuyun, frowned and looked at Yue Feng coldly!

What time is it, this kid is still arrogant?

Chapter 2698

Liu Qingqing stomped her feet even more anxiously!

Can't you endure this dust-free? Do you have to be quick with your tongue?

"Haha!"

Zhang Na sneered and looked at Yue Feng with contempt: "As expected of Yue Feng's subordinate, he has a really thick skin. You have seen my master's method just now, and you dare to say that?"

"You Do you think you are very powerful? Well, I will try it according to your method and see if you will die immediately!" As the

voice fell, Zhang Na used her internal strength to inject her into Fengchi and Yinshen respectively.

At this moment, everyone's eyes converged on Zhang Na.

Xie Liuyun stood there with a smile on his face and an unfathomable attitude.

In his heart, what the person in front of him said was all nonsense. He had already completely helped Zhang Na and fused the positive in his body, how could it be possible to produce positive poison?

Soon, ten seconds passed.

I saw that after Zhang Na injected the inside of the two acupuncture points, her expression was as usual, and nothing happened.

“Boy!”

At this moment, Zhang Na, a junior brother, couldn’t help it, and pointed at Yue Feng and shouted: “Boy, what else do you have to say this time? Do you want to pretend to be a character in our holy sect? I think you are wrong. Place!” The

voice fell, and many people around agreed.

“That’s right, hurry up and blast this person away!”

“Dare to question our master by dressing up like a beggar? It’s ridiculous!”

At this time, Xie Liuyun was too lazy to talk nonsense, and said to Liu Qingqing: “Liu Qingqing, no matter what the origin of this person is, you have violated the rules by taking him into the forbidden area. Next time I’ll give you a chance to drive people down the mountain immediately!”

“Remember, if there is another next time, I’ll deal with you according to the rules.”

This…

Hearing this, Liu Qingqing bit her tightly. Lips, very embarrassed.

This person was sent by Yue Feng, how could he drive him away? But… if you don’t agree, you will definitely cause a conflict with Liujintan. After all, you are only the senior sister of Xingmutan, and you are not qualified to challenge Xie Liuyun.

Seeing Liu Qingqing’s embarrassed face, Yue Feng smiled and whispered, “You don’t have to worry, they will come to me soon.”

When he said this, Yue Feng looked serious.

Yes, Yue Feng could see that Zhang Na was fine for the time being, but after a while, bad luck would surely occur, because in her situation, injecting internal force into Yinshen and Fengchi acupoints was a very dangerous act.

“Stop talking!” Liu Qingqing stopped in a low voice, not knowing whether to laugh or cry.

Although he is Yue Feng's subordinate, he is a little too confident.

However, although Yue Feng's voice was small, it was still heard by Xie Liuyun and others!

"Made, what did you say?"

"We beg you?"

"What are you daydreaming!?"

At this moment, both Zhang Na and other Liujintan disciples were extremely angry.

Is this kid mentally ill? You are about to be driven down the mountain, and you even said that we will beg you?

"Liu Qingqing!"

At this time, Xie Liuyun lost his patience, his face was ashen, and he said coldly: "What are you still doing, hurry up and take people away and drive down the mountain!"

Alas!

Liu Qingqing's delicate body trembled, then sighed softly, nodded and

said, "Okay, thank the altar master!" After that, she was about to pull Yue Feng away!

Liu Qingqing has thought about it, Xie Liuyun is here, he must not be able to take Yue Feng to see Chang'e, so he will go to the master first, and then let the master arrange Yue Feng and Chang'e to meet.

Yue Feng has an indifferent face, a calm look!

"Wuchen, let's go!" Liu Qingqing whispered to hide the helplessness in his heart.

Having said that, he will leave with Yue Feng!

Um!

However, at this moment, Zhang Na, who was standing there with a smug face, suddenly let out a low-pitched moan, then clutched her stomach and collapsed to the ground.

Chapter 2699 I

saw that Zhang Na's face was extremely pale, cold sweat broke out, and her delicate body kept shaking.

What?

Seeing this scene, both Xie Liuyun and everyone around were stunned!

what's the situation? Wasn't it still fine just now?

Immediately, several disciples reacted and quickly gathered around.

"Senior sister!"

"Senior sister!!"

"Senior sister, what's wrong with you?"

As everyone shouted, Xie Liuyun looked solemn, walked over quickly, grabbed Zhang Na's wrist, and began to count her pulse!

In an instant, sensing the situation in Zhang Na's body, Xie Liuyun's face changed, and he was secretly shocked.

At this time, Xie Liuyun clearly sensed that Zhang Na's dantian's internal force was extremely disordered, and at the same time, a positive force was roaming freely in her meridians.

Impossible, he clearly helped her to successfully integrate.

Xie Liuyun frowned, his face was extremely ugly, and at the same time, he was a little puzzled.

"Master, what's wrong with Big Sister?" a disciple couldn't help but ask!

Xie Liuyun's face was gloomy and he didn't respond!

Zhang Na lay there, her face full of sore spots, and said weakly, "Master, I'm so uncomfortable, my whole body is so hot… I'm really uncomfortable."

At this time, Zhang Na only felt that she was on fire It's as painful as roasting.

This…

Seeing this scene, Liu Qingqing's delicate body trembled, and she stared at Yue Feng blankly, shocked.

He was right, this Zhang Na really had a problem.

At the beginning, Liu Qingqing, like everyone else, thought that Yue Feng was talking nonsense, but he never thought that it would turn around so quickly!

“Master!”

At this moment, Zhang Na couldn’t help the pain, she almost fainted, and said to Xie Liuyun: “Am I… going to die?”

Xie Liuyun was also a little flustered, and comforted: “Don’t talk nonsense!”

Said After that, Xie Liuyun ordered several disciples around him: “Quick, get your senior sister to the pavilion next to you, I will immediately regulate her internal energy for her!” The

voice fell, and several disciples helped Zhang Na up and got her. A gazebo not far away. Later, Xie Liuyun began to help Zhang Na dispel the positive poison in her body.

However, a few minutes later, Xie Liuyun’s forehead was covered with beads of sweat, and he was anxious.

Xie Liuyun clearly felt that these positive poisons were the remains of Xuanhuangcao, which were hidden in the depths of Zhang Na’s dantian at first, but he never noticed it.

Mad, how could that kid know?

Not far away, Liu Qingqing was thoughtful.

The next second, Liu Qingqing asked Yue Feng, “How do you know Zhang Na’s situation so well?”

“This…”

Yue Feng scratched his head and smiled, and responded casually, “I have learned some medical skills. I can tell from Zhang Na’s face.”

“Then do you have a way to save Zhang Na?”

“Yes, it depends on whether they are willing or not!”

When he said this, Yue Feng’s face was calm. , eyes full of indifference.

To be honest, this Zhang Na is very hateful. When she was still in the Holy Sect, she deliberately tricked herself into the back mountain, causing herself to fall off a cliff.

Hearing Yue Feng's answer, Liu Qingqing's eyes flickered, and she couldn't help looking at Yue Feng.

This person…. looks confident, like Yue Feng.

Thinking about it, Liu Qingqing didn't think much, and turned to the gazebo to watch the situation.

The gazebo is here!

Xie Liuyun tried several times, but every time he failed in the end. You must know that in the past two years, Zhang Na used too much black yellow grass, which caused the poison of positivity to accumulate in her dantian. Because there is no correct way, there is no way to completely expel it.

Chapter 2700

Seeing this scene, the surrounding Liujintan disciples were secretly anxious.

It's over, even the master can't do anything, is the big sister in danger?

Could it be…

At this moment, someone suddenly thought of something and turned to look at Yue Feng who was standing not far away.

Since this kid has accurately said the question of the big sister, does he have a solution?

"Master." Soon, someone couldn't help but said to Xie Liuyun: "Or, let that kid come over…"

Before he finished speaking, he was interrupted by Xie Liuyun.

"What that kid? What does he know?" Xie Liuyun was sweating profusely, and scolded angrily: "Go and invite the altar master of the Miaohuo altar!" Yi Yunfeng, the altar master of the Miaohuo altar, is proficient in medicine. The highest attainments are second only to the head of Lu Dongbin.

At this time, Lu Dongbin was in retreat, so he could only ask Yi Yunfeng to do so.

"Yes, Master!" When the

voice fell, several disciples responded and hurried to the Wonderful Fire Altar.

After a while, a few people came back, followed by a middle-aged man in a white long gown, immortal style, but there was a bit of pride in his eyebrows.

It was Yi Yunfeng, the master of the Miaohuo altar.

Yi Yunfeng walked forward and checked Zhang Na's situation, and immediately frowned: "So serious?"

Xie Liuyun, who was next to him, was very uneasy and couldn't help saying: "Master Yi, please help!

" Among them, Xie Liuyun loves Zhang Na the most. It can be said that in his eyes, he is like a daughter, and he doesn't want anything to happen to Zhang Na no matter what.

call!

Yi Yunfeng pondered for a moment, then shook his head and said, "Master Xie, Zhang Na's condition is terminally ill, and there is nothing I can do about it!"

After saying that, Yi Yunfeng looked at Zhang Na's face and continued: "She is a cultivator. It's a negative cultivation technique. At the bottleneck, it seems like a perfect way to balance the negative internal power of the body with Xuan Huangcao, but unfortunately, her physique cannot completely eliminate the positive power of Xuan Huangcao!"

"Even if there is a help from the altar master, It is also a cure for the symptoms but not the root cause, the positive poison of Xuan Huangcao has penetrated into the depths of her dantian… Alas, in this case, let alone me, I am afraid that the head himself will be helpless!"

What?

Hearing this, Xie Liuyun was shocked and completely stupid.

This… I thought I was helping Zhang Na, but I didn't expect that it would end up hurting her!

The surrounding Liujintan disciples were also stunned.

Zhang Na was lying there, even more desperate, anxious and afraid, and almost fainted.

At this time, not far!

Seeing this scene, Liu Qingqing bit her lip and said to Yue Feng, "Wuchen, can you help save Zhang Na?"

In Liu Qingqing's heart, although Zhang Na was very mean and targeted herself at all times, after all She is a fellow student and sister, and now she can't bear to see her life hanging by a thread.

"You asked me to save her?" Yue Feng was very surprised.

Liu Qingqing breathed a sigh of relief and nodded: "Although this Zhang Na is hateful, but after all, she is a fellow teacher and sister."

Hearing this, Yue Feng pondered, nodded and said, "Okay, I can promise you , However, the people in Liujintan may not want me to help!"

Liu Qingqing walked directly into the pavilion without hesitation.

When he got to the front, Liu Qingqing said to Xie Liuyun: "Thank you, altar master, why don't you let this dust-free try?"

"Liu Qingqing, what did you say?" Xie Liuyun was extremely bad and said angrily.

Liu Qingqing hesitated and pointed to Yue Feng not far away: "This person sent by Yue Feng, he has a way to save Zhang Na, and Zhang Na's situation, isn't he the one who said it?

"

Xie Liuyun was furious: "Liu Qingqing! Do you believe in an outsider? I think you want Zhang Na to die…" "

Xie Tanzhu, maybe he really has a solution?" Liu Qingqing was anxious.

Hearing this, Xie Liuyun couldn't help sneering: "Even me and the master of the altar are helpless. He is an unknown generation, what can he do?"

The ultimate husband in Chinese chapter 2701-2710

Chapter 2701 The

voice fell, and the surrounding Liujintan disciples also agreed.

“That’s right, can that kid be better than my master?”

“Even if he said the question about the big sister just now, it’s just a coincidence!”

“Liu Qingqing, don’t pretend, I think you’re here to see a joke, right? ?”

Everyone’s accusations came from you and me, Liu Qingqing was so angry, her delicate body trembled!

In the next second, Liu Qingqing gathered up his courage and said, “Thank you, Altar Master, if Wuchen doesn’t understand anything, can he be so accurate? If he is blind, why can he accurately name Fengchi and Yinshen points? What?” The

voice fell, Xie Liuyun was stunned there, speechless!

At the same time, the surrounding Liujintan disciples also stopped berating!

Yes!

Everything that kid said just now was fulfilled by Zhang Na.

If it is Mongolian, how can it be so accurate?

“Who is this person?”

At this moment, Yi Yunfeng looked at Yue Feng and was very surprised.

Xie Liuyun’s face was a little embarrassed, but he still explained the situation.

Someone sent by Yue Feng?

This chapter is provided by . Visit for daily update.

Yi Yunfeng frowned, then he couldn’t help laughing, and said to Xie Liuyun, “Since this little brother has said Zhang Na’s situation in one sentence, maybe he really has a way, why don’t he give it a try!”

Xie Liuyun’s face changed, and he resisted instinctively: “Master Yi, what are you kidding? How can the lives of our Saint Sect disciples be handed over to an outsider?”

When he said this, Xie Liuyun's face was extremely embarrassing.

In Xie Liuyun's eyes, that kid is a nameless person who is not in the mainstream. Moreover, a few minutes ago, Liu Qingqing was forced to drive him away. , where to put face?

Zhang Na, who was lying there, couldn't help but said, "I…I don't want him to save…"

Like Xie Liuyun, Zhang Na looked down on the people brought by Liu Qingqing from the bottom of her heart.

Seeing this situation, Yi Yunfeng smiled and said helplessly: "This is the only feasible way, if not, you can only ask the sect master to leave the gate ahead of time, but you know the sect master's temper, the retreat is usually interrupted. , the consequences are unimaginable."

Phew!

Hearing this, Xie Liuyun was very entangled in his heart, yes, who would dare to disturb during the retreat of the headmaster?

Moreover, Yi Yunfeng also said that even if the Sect Master came, it was hard to say whether there was any way.

After more than ten seconds, Xie Liuyun made up his mind and waved at Yue Feng: "Since you have a way, come and try it!" What's the

matter, Xie Liuyun didn't want to invite him, but he couldn't help it. , Zhang Na's situation at this time, if she doesn't rescue in time, she will really die!

However, Yue Feng was standing there motionless.

"Thank you, altar master!" Yue Feng smiled lightly, looked at Xie Liuyun and said: "If you let me save, I will be saved? Just now, you wanted to drive me away."

Uh…

Xie Liuyun's face suddenly became ugly, but still Squeeze out a smile: "Little brother, I have offended you a lot just now, I hope you don't take offense!"

When he said this, Xie Liuyun had a smile on his face, but his heart was gloomy!

Madd, this kid is still putting on a show, you wait for me!

"All right!"

Yue Feng pondered for a while, and made a reluctant appearance: “Since Altar Master Xie is so sincere, I will try it, but I still have one condition.”

“What condition?” Xie Liuyun asked with a frown.

The surrounding Liujintan disciples also frowned secretly and looked at Yue Feng unhappily.

Does this kid really think of himself as a character? Master has already made concessions, but he still has to make further progress?

Yue Feng smiled slightly, looked around and said, “It’s very simple, if I save Zhang Na, she will apologize to Liu Qingqing in public, and, in the future, when you people in Liujintan meet Liu Qingqing, you will Shout out respectfully, Senior Sister.”

Chapter 2702

Wow!

The voice fell, and the audience was in an uproar.

All the disciples of Liujintan changed their faces, and they were very angry.

“What did you say, kid?”

“Do you want us to honor Liu Qingqing as senior sister? And senior sister to make amends to her?”

“It’s so shameless, what qualifications do you have to say these words?”

Yi Yunfeng, who was standing beside him, was also wrinkled. Frowning, he looked at Yue Feng with interest, his eyes flashing a strange light.

This kid is very kind, dare to talk to Xie Liuyun like that?

Liu Qingqing was even more shocked, looked at Yue Feng blankly, and was stunned.

She knew that this Yue Feng’s subordinate had a great sense of justice. She saw that the people in Liu Jintan were targeting her everywhere. At this time, she took advantage of Zhang Na’s illness to seek justice for herself.

But….isn’t he too confident like this, what if he can’t save Zhang Na after waiting?

“Good boy!”

At this time, Xie Liuyun was unforgivable, his inner strength surged, and he glared at Yue Feng: “You are courting death!” The

voice fell, and Xie Liuyun wanted to do it.

A nameless soldier, he promised to let him save Zhang Na, which was already very face-saving, but he even made an inch.

Feeling Xie Liuyun’s anger, Yue Feng did not panic at all, and smiled lightly: “What? The dignity of your Liujintan is more important than Zhang Na’s life? It seems that you, a master, say that you care, but it’s actually not very important. That’s it .”

Xie Liuyun’s face was ashen, and he was speechless for a while.

“Ha ha!”

At this moment, Yi Yunfeng smiled and said: “Thank you, altar master, what this little brother said is not too much, our five major altars of the Holy Sect are all from the same sect, let your disciple call Liu Qingqing. Senior sister is not too much.”

“Also, Zhang Na’s situation can’t be delayed, saving people is the most important thing!”

After saying the last sentence, Yi Yunfeng glanced at Zhang Na.

At this time, Zhang Na was weak all over, but there was resistance on her face. At the same time, his eyes stared at Yue Feng fiercely.

This person is really desperate, dare to make such a request? You are the senior sister of Liu Jintan, how can you make amends for Liu Qingqing? If this news spreads out, how can you stay on the mountain gate in the future?

Thinking to herself, Zhang Na wanted to refuse Yue Feng’s help. But I don’t have the courage. After all, in my current situation, both the master and the master of the altar are helpless, and if they continue to waste, I’m afraid it’s really hopeless.

Moreover, seeing that Xie Liuyun did not directly refuse, Zhang Na had to choose the default.

call!

Seeing that they didn’t speak anymore, Yue Feng showed a smile: “Okay, since you don’t say anything, I’ll take it as you agreed!”

“Stop talking nonsense, and hurry up to save people!” Xie Liuyun said angrily.

Yue Feng smiled, but didn't move. Instead, he said to Xie Liuyun: "Thank you, altar master, I can only tell you how to save people. It's up to you to do the specifics." After speaking

, Yue Feng's face became serious. , said word by word: "Please thank the altar master to use the internal force to disperse the positive poison remaining in Zhang Na's body into the meridians…"

In the next few minutes, Yue Feng said a lot of details, and his tone was indifferent. , but beyond doubt.

After saying this, Yue Feng put his hands behind his back and looked leisurely: "Okay, thank you, you can start!"

What?

The words fell, and all the disciples of the surrounding Liujin altar stopped working.

"You dare to instruct our master?"

"I don't think he doesn't understand, so I deliberately let master play, and if I fail, I can make excuses…"

The shouts from the crowd kept coming, Yue Feng didn't take it to heart, and said lightly. : "To cure Zhang Na completely, you need someone with deep internal strength. Lord Xie Tan has a strong internal strength. I sigh."

When he said this, Yue Feng's face was serious, but his eyes flashed with a smile.

Yes, treating Zhang Na does require deep internal strength. Yue Feng doesn't want to reveal his identity, so naturally he can't show his internal strength.

Chapter 2703

Moreover, there are differences between men and women, Yue Feng didn't want to do it himself, so he could only leave it to Xie Liuyun.

Made!

Xie Liuyun's face was gloomy, and his heart was burning with fire.

He is the dignified altar master of the golden altar, and his status is detached, but now he is being pointed at by an outsider.

However, Xie Liuyun held his own identity and did not have any seizures. He gave Yue Feng a cold look: "If your solution doesn't work, don't think about leaving alive!" After the

voice fell, Xie Liuyun sat cross-legged in Zhang Na Shen and began to run internal strength, as Yue Feng said. way to expel her.

It has to be said that Xie Liuyun is indeed capable of being the altar master of the Sacred Sect. Under Yue Feng's instructions, he will soon completely expel the positive poison from Zhang Na's body.

Half an hour later, I saw Zhang Na's pale face turned ruddy, and her whole body recovered her spirit and energy, and her previous half-dead state was completely gone.

I went…

Seeing this scene, everyone present was amazed.

"Okay?"

"This….it's incredible!"

"Senior sister seems to have completely recovered!"

Xie Liuyun stood up slowly, and was also shocked.

He clearly felt that Zhang Na's positive poison hidden in the depths of her dantian had completely disappeared, and what surprised him was that the method Yue Feng said was the same as the method he used to help Zhang Na fuse the mysterious yellow grass. Only a few small details are different.

But it was these little details that almost killed Zhang Na.

call!

At this moment, Liu Qingqing, who was standing beside him, was also trembling, looking at Yue Feng closely with admiration in his eyes.

He really saved Zhang Na. And, in just a few understatements, it's incredible.

Although it was Xie Liuyun who started the rescue, everyone present knew that without Yue Feng's instructions, no matter how deep Xie Liuyun's internal strength was, it would not help.

"Wonderful! How wonderful!"

At this moment, Yi Yunfeng, who was beside him, reacted and looked at Yue Feng with a smile: "I didn't expect this brother, who seems to be mediocre, to have such high attainments in medicine. With

that said, Yi Yunfeng's eyes were full of anticipation: "I don't know where my brother's medical skills came from?"

"I…"

At this moment, Yue Feng wanted to say that he learned from Shennong. , However, after saying one word, he quickly changed his mouth and said: "I accidentally got a medical book, and I will study it if I have nothing to do."

Everyone knows that Shennong has a close relationship with himself. If Shennong's name is mentioned, his identity will definitely be exposed.

"So it is!" Yi Yunfeng nodded and didn't ask any further questions.

As the altar master of the Miaohuo altar, Yi Yunfeng is also a smart person. He can see at a glance that Yue Feng did not tell the truth and did not force it.

"Thank you, altar master!"

At this moment, Yue Feng smiled slightly and said to Xie Liuyun: "Everyone is from the rivers and lakes, what you say is counted, now your apprentice has been cured, should you fulfill the conditions?"

Saying these At the time, Yue Feng looked at Zhang Na intentionally or unintentionally.

Xie Liuyun's face was extremely ugly, and he was speechless to refute!

hum! At this moment, Zhang Na's beautiful face was instantly bloodless!

She bit her lip tightly and looked at Xie Liuyun with a gloomy face. She was full of resistance. Just now, the master had promised this dust-free. If she didn't apologize to Liu Qingqing, the master's face would be lost. The Liujin altar would be a joke of the Holy Sect.

But…but…you apologize, how will you meet people in the future?

"Liu Qingqing…"

Finally, after a few seconds, Zhang Na bit her lip, walked slowly to Liu Qingqing, and whispered, "I was wrong before, I apologize to you, I apologize to you."

The sound is so small that you can't hear it if you don't listen carefully.

Standing there, Liu Qingqing only felt his brain buzzing. I just feel that the scene in front of me is like a dream. You must know that Zhang Na, as the senior sister of Liu Jintan,

has always been very arrogant, and now she actually wants to make amends for herself?

Chapter 2704

However, what Liu Qingqing didn't expect is still behind.

"Haha!"

Seeing that Zhang Na's apology was very perfunctory, Yue Feng couldn't help but chuckle: "Zhang Na, you have no sincerity at all. Now that you have apologized, how can you call your name? It should be called Senior Sister Liu. "

You!"

Zhang Na was so angry that she was speechless to refute.

The next second, Zhang Na concealed her dissatisfaction and said to Liu Qingqing, "Senior Sister Liu, I was wrong…"

When she said these words, Zhang Na couldn't say anything.

She never dreamed that one day she would apologize to Liu Qingqing! He never thought that the one who forced himself to let go of his dignity was still an outsider!

At this time, Liu Qingqing reacted and said softly, "Zhang Na, as long as you don't target me, and our Xingmu Tan, the past will be forgotten!"

Liu Qingqing is kind-hearted, although the scene in front of you , I also feel relieved, but after all, they are from the same family, and I don't want to embarrass Zhang Na too much.

Ugh!

Seeing this scene, Yue Feng sighed inwardly, this Senior Sister Liu is really kind. Thinking to himself, Yue Feng looked around and looked at the other disciples in the Liujin altar

: "Your eldest sister has already apologized, how about you?" The disciples looked at each other in dismay, each with a more splendid expression. "I've seen Senior Sister Liu!" In the next second, one of the disciples greeted Liu Qingqing with a respectful attitude.

Immediately afterwards, the others also reacted and saluted Liu Qingqing in unison: "I've seen Senior Sister Liu!" To

be honest, at this time, the disciples of the Liu Jintan were very upset, but there was no way. Just now, the master agreed. If the conditions are met, if they go back on their word, the entire Liujin altar will become a joke.

Liu Qingqing stood there, looking at the scene in front of him, her face was extremely red, and she was even a little helpless!

You must know that in the past, these disciples of Liujintan had a high-level attitude when they saw themselves, but now, in front of them, they all let go of their dignity.

This scene, I never dared to think about it before.

Um!

Seeing that Liu Qingqing didn't speak, Yue Feng came over and looked around with a smile: "If you see her in the future, you will always call her that, you know?"

Zhang Na and the surrounding Liujintan disciples were very dissatisfied in their hearts, but their faces were sullen. Not daring to show it, they all nodded.

"Okay!"

Yue Feng was relaxed and smiled at Liu Qingqing: "Time is running out, take me to see the empress."

Meihui was still waiting for herself at the foot of the mountain, so she couldn't delay.

Um!

Liu Qingqing responded and was about to leave with Yue Feng.

"Wait a minute!"

But at this moment, Xie Liuyun shouted, and then his figure flashed and blocked in front of Yue Feng.

"You said that you were sent by Yue Feng, seeing that Empress Chang'e has something important to tell me?" Xie Liuyun's face was indifferent, but his eyes flashed cunningly: "What the hell is going on?"

This kid, who just made the entire Liujintan disgrace, must not Let him leave easily.

Yue Feng frowned, then said with a smile: "Xie Tanzhu, this is no trivial matter. I need to meet the empress before I can talk about it."

Yue Feng could see that Xie Liuyun was deliberately looking for trouble. Even if he told the situation, he would find a way. It is better not to say anything than to waste words.

“Your name is Wuchen, right?”

At this moment, Zhang Na came over and said to Yue Feng with a fake face: “Although you have just saved me, the lady’s status is special, and you can’t see it just by saying a word. “

It’s better for you to tell the story, and our master can speak for you.”

Like Xie Liuyun, Yue Feng made the entire Liujin altar lose face, and Zhang Na felt ashamed and angry, how could it be possible for him to meet Chang’e as he wished?

Nima!

Yue Feng frowned secretly, feeling very irritable in his heart, so he had to think of a reason to perfunctory, when suddenly, he heard a loud noise coming from the entrance of the mountain gate.

“It’s not good!”

Immediately afterwards, a disciple rushed over, sweating profusely, and said to Xie Liuyun and Yi Yun: “Altar Xie, Altar Lord Yi, many people came down the mountain, and the leader claimed to be Zhang Jiao. .”

Chapter 2705

What?

Hearing this, Yi Yunfeng and Xie Liuyun were both stunned.

Who does not know Zhang Jiao’s prestige. He formed the Yellow Turban Army thousands of years ago and ran rampant in the world. A few years ago, he helped Yang Jian conquer the Quartet. With his help, the continent of Kyushu almost fell.

It’s just that Zhang Jiao and Shengzong have never had an intersection. What did he suddenly bring people to do?

What the hell!

Yue Feng was even more shocked, secretly anxious.

Mad, originally wanted to be one step ahead of Zhang Jiao to see Chang’e, but now, Zhang Jiao has arrived before Chang’e has seen her.

“Quick!”

At this time, Yi Yunfeng reacted and ordered to the surrounding disciples: “Order all the disciples to be on guard!” As the

voice fell, Xie Liuyun also shouted: “Also, here in the forbidden area, send more disciples to guard it. , no one is allowed to approach, especially outsiders!”

When he said the last sentence, Xie Liuyun glanced at Yue Feng.

Obviously, Zhang Jiao made a sudden visit with unknown intentions. For Chang’e’s safety, it was even more impossible for this person from Yue Feng to go to see Lady Chang’e.

“Yes!”

After receiving the order, the disciples present went to prepare.

Yi Yunfeng and Xie Liuyun took the other disciples and walked quickly towards the main hall square.

Seeing this, Liu Qingqing frowned and had no idea.

“Let’s go!” In the

next second, Liu Qingqing said to Yue Feng, “I can’t see you for the time being. Let’s go and see the situation first!” The forbidden area strengthened its vigilance. As a disciple, it was impossible for her to break in.

Yue Feng nodded with a wry smile, and went to the main hall square with Liu Qingqing.

When I arrived at the square, I saw several other altar masters also arriving, and in front of the crowd, a slender figure was particularly eye-catching.

It was Mu Qingyue, the altar master of the Star Wood Altar.

Seeing Mu Qingyue, even though Yue Feng was mentally prepared, he still couldn’t look away.

It has to be said that Mu Qingyue, as the only female altar master of the Holy Sect, is definitely a goddess-level existence, no matter her temperament or image.

At this time, Mu Qingyue, wearing a dark purple dress, bright eyes and white teeth, hair like clouds, was filled with an aura that was not dare to blaspheme, people and men would be unable to extricate themselves when they met.

After watching it for more than ten seconds, Yue Feng retracted his gaze and looked towards the opposite side!

hiss!

At this moment, seeing the scene opposite, Yue Feng couldn't help taking a breath!

As soon as I saw the entrance of the mountain gate, it was densely covered with practitioners, all dressed in black, and the momentum was soaring.

These cultivators, whose strength is above the Martial Saint, are the elites of the Heavenless Organization.

In front of these unorganized elites, there was a man standing in a black robe, with a good aura and a confident smile on his sinister face.

It is Zhang Jiao!

At this time, Zhang Jiao's strength has already reached the tribulation mirror!

Feeling Zhang Jiao's powerful aura, Sheng Zong and others present felt an invisible pressure.

See the enemy, especially jealous!

At this moment, Yue Feng locked Zhang Jiao tightly, and a monstrous anger rose in his heart.

At this time, Yue Feng wanted to do it, but he held back.

Um?

The next second, Yue Feng was stunned when he saw a person beside Zhang Jiao!

Yue Feng could clearly see that there was a ruthless man standing beside Zhang Jiao, and this man was exactly the same as he looked three years ago.

This…

At this moment, Yue Feng's heart set off a shocking wave.

This horn, where did I find someone exactly like me?

The ultimate husband in Chinese chapter 2706-2710

Chapter 2706

At this time, Yue Feng only felt that his brain was buzzing and he was completely blinded.

Seriously, if Yue Feng didn't have three scars on his face, compared to the person next to Zhang Jiao, he would be like a pair of twins.

Swish!

Just when Yue Feng was secretly shocked, the eyes of everyone in the audience were also focused on the fake 'Yue Feng'.

Especially Mu Qingyue and Liu Qingqing were overjoyed.

"Everyone!"

Finally, Zhang Jiao looked around and said with a smile, "Please forgive me for visiting rashly. We are here to see Empress Chang'e on something important!" After

hearing this, Mu Qingyue and Xie Liuyun The altar master looked at each other.

In the next second, Xie Liuyun took a step forward and said to Zhang Jiao: "The niangniang has long since concentrated on escaping from the world to cultivate and no longer care about the worldly affairs. Moreover, if you want to see the niangniang, you must first obtain the permission of the head. It's just that our head is in retreat, So I'm sorry!"

Hehe!

Hearing this, Zhang Jiao's face showed a trace of displeasure, and he looked at Xie Liuyun closely, with an imposing manner: "Listen to your tone, could it be that you are the Xie altar master of Liujin altar!"

Phew!

I have to say that Zhang Jiao's aura was too strong, Xie Liuyun couldn't help taking a deep breath, and cupped his hands: "Yes. It's down…"

Before he could finish speaking, he was interrupted by Zhang Jiao.

"In the past three years, the Rakshasa clan seems to be calm, but in fact they are secretly moving, and they have never given up their invasion of Kyushu." Zhang Jiao said with a serious face, "Furthermore, over the years in Kyushu mainland, many mysterious forces have emerged, making the situation worse. very complicated."

This chapter is provided by . Visit for daily update.

“In this case, if you want to keep the peace of Kyushu, you need a person with high morals and respect to preside over the right path!”

“Chang’e’s mother is the ideal candidate!”

Phew!

Hearing this, Sheng Zong and others present were silent. A few seconds later, Mu Qingyue remembered something, and said

slowly, “Yue Feng, the sect master of Tianmen, is also a rare talent. Everyone can see his strength. Wouldn’t it be better for him to host?”

Mu Qingyue glanced at the fake ‘Yue Feng’ with admiration in her eyes.

In Mu Qingyue’s heart, Yue Feng was his apprentice, so naturally he should praise him.

At this time, Mu Qingyue didn’t know that the real Yue Feng was behind him, and the person standing beside Zhang Jiao was an impostor.

“Haha!”

Zhang Jiao smiled and explained: “I have discussed this matter with Sect Master Yue, but Sect Master Yue thinks that his ability is limited and it is difficult to be a big responsibility.” After

speaking, Zhang Jiao hinted that he was fake. The ‘Yuefeng’.

Yes, this fake Yue Feng was dressed up by Zhang Jiao’s subordinates. His real name was Liang Hao, and he was Zhang Jiao’s right-hand man.

In the cell of Qingyunzong, he saw Fang Qifo’s camouflage technique. Zhang Jiao was deeply inspired, so he let Liang Hao dress up as Yue Feng and went to Shengzong to deceive Chang’e’s trust.

Although Zhang Jiao doesn’t have the ‘a thousand faces and no appearance’ of Fang Qifo, he is also knowledgeable. Through his own research, he specially made a fake mask for Liang Hao. After wearing it, it looks almost exactly the same as Yue Feng.

call!

Hearing the hint, Liang Hao came out, first looked around, and then said to Mu Qingyue, “Thank you, Master, for your love. Over the years, although I have been famous in Kyushu, my ability is limited. Now I can stabilize the situation in Kyushu. Only Empress Chang’e.”

Before coming, Liang Hao had done a lot of homework and knew that Yue Feng had worshipped Mu Qingyue as his teacher.

Seeing that ‘Yue Feng’ said so, Mu Qingyue pondered.

The Shengzong and others behind him also whispered.

“It seems that the situation in Kyushu is really troublesome.”

“Yeah, otherwise, Yue Feng and Zhang Jiao wouldn’t come together to see Empress Chang’e.”

Chapter 2707

Call!

Looking at the scene in front of him, Yue Feng frowned secretly, his eyes fixed on Liang Hao, very angry.

Nimad, no matter who you are, if you dare to pretend to be me, you must pay the price.

“Hey!”

Just as Yue Feng secretly underestimated the roar in his heart, Liu Qingqing turned his head to look over and whispered, “Yue Feng is planning to come in person, why did he send you here in advance?”

At this time, Liu Qingqing Qing, like the people around him, didn’t realize that Yue Feng beside Zhang Jiao was fake.

Hearing this, Yue Feng wanted to cry without tears.

Mad, if you knew that Zhang Jiao would bring a fake Yue Feng, he shouldn’t have hidden his identity just now.

In the next second, Yue Feng’s head turned quickly and he said in a low voice, “Senior Sister Liu. Can you take a step to speak?” After saying that, Yue Feng looked around, took Liu Qingqing’s hand, and walked towards the back of the hall.

At this moment, when Yue Feng held hands, Liu Qingqing resisted a little, but seeing his solemn expression, he did not break free.

At this time, Sheng Zong and others’ attention was all on Zhang Jiao and Liang Hao, but Yue Feng and Liu Qingqing quietly left behind.

Soon, in a secluded corner at the back of the main hall, Yue Feng released his hand and looked at Liu Qingqing seriously: “Senior Sister Liu, wait for me to tell a secret, don’t panic or shout, you know?”

Liu Qingqing frowned tightly: “you are so mysterious, what are you doing?”

This Wuchen is Yue Feng’s subordinate, but he didn’t show up to say hello when he saw Yue Feng just now, but quietly pulled himself away from the scene, it was really suspicious .

call!

Aware of Liu Qingqing’s doubts, Yue Feng took a deep breath and said word by word, “Senior sister, I am actually Yue Feng!”

When he said this, Yue Feng’s face was calm, but his eyes flashed with emotion.

What?

Liu Qingqing’s delicate body trembled, and the whole person was stunned, staring at Yue Feng blankly, unable to speak for a while.

Isn’t his name Wuchen? What is Yue Feng?

If he is Yue Feng, who is that in the main hall square at this time?

Besides, what happened to the three scars on his face?

At this moment, Liu Qingqing’s head is full of doubts, but he only feels that his head is big.

At the same time, Liu Qingqing also carefully looked at the person in front of him, and soon found that if the person in front of him had no scars on his face, it really looked like Yue Feng, but he didn’t pay much attention to it before.

“You… Are you really a junior brother? ” Finally, Liu Qingqing reacted and couldn’t help asking.

Yue Feng smiled wryly and nodded: “If it’s a fake, when I first came to the mountain gate, I saw that my senior sister didn’t recognize it, so I made a mistake and concealed my identity. I never thought that Zhang Jiao actually made a fake me to deceive you. With

that said, Yue Feng couldn’t hide his anxiety: “Zhang Jiao let people impersonate me, he must be trying to deceive Lady Chang’e! This person is insidious and cunning, he must not be allowed to succeed.”

Phew!

Hearing this, Liu Qingqing's mind suddenly became confused, but he still chose to believe in Yue Feng. After all, just now, only the real Yue Feng had such superb medical skills when he saved Zhang Na.

"What do I do next?" Liu Qingqing bit her lip and couldn't help asking.

Without any hesitation, Yue Feng said quickly: "The best way now is to take me to see Empress Chang'e, and you must be in front of Zhang Jiao."

Yue Feng thought about it and went directly to the main hall square to meet the fake Yue Feng. Fighting against the wind is the stupidest thing to do. Because the fake Yue Feng that Zhang Jiao was looking for was too similar to himself, if the people of the Holy Sect didn't believe in him, he would be in big trouble.

good!

Liu Qingqing bit her lip and nodded, then took Yue Feng and took a shortcut to the place where Chang'e retreated.

However, neither Liu Qingqing nor Yue Feng noticed that behind them, a figure was quietly following. Wearing a long pink dress, she has a graceful figure and delicate facial features, but there is a bit of treacherousness in her eyebrows.

It was Zhang Na who was rescued by Yue Feng before.

Chapter 2708

Not bad, when Yue Feng pulled Liu Qingqing away just now, Zhang Na discovered it.

Zhang Na has always been suspicious of Yue Feng's identity, and when she saw Zhang Jiao and the fake Yue Feng coming, and this person who claimed to be Wuchen didn't come forward to meet, she was a little suspicious.

At this time, seeing Liu Qingqing and Yue Feng quietly enter the forbidden area, the doubts deepened.

the other side!

Yue Feng and Liu Qingqing were in a hurry to see Chang'e, but they didn't realize that someone was following them.

I have to say that the Sacred Sect is really big, especially the forbidden area in the back mountain. It has strengthened its vigilance, and there are people patrolling everywhere.

Fortunately, Liu Qingqing is very familiar with this place, and took Yue Feng to avoid many disciples' inspections.

After a while, I saw that there was a quiet courtyard not far ahead. The small courtyard is full of exotic flowers and plants, and the environment is beautiful, just like an outdoor peach garden.

"Ms. Chang'e, it's in the front yard, this meeting should be cultivating!" Liu Qingqing said, "you go in and visit, I'll stay outside!"

Hmm!

Yue Feng nodded and was about to walk over!

However, at this moment, there was only a sound of anger!

"I knew you had a problem!" The

voice fell, and a woman behind her, holding a long sword, came straight to Yue Feng!

It's Zhang Na!

Nima, why did this woman follow me?

At that time, Yue Feng was startled and a little annoyed!

Liu Qingqing's body trembled as well, and there was a trace of nervousness on her beautiful face. She didn't seem to expect that Zhang Na would follow behind!

"Zhang Nana, isn't the person you are talking about a subordinate of Yue Feng? What? Yue Feng is in the main hall, why didn't this person come forward to meet?"

Zhang Na said while looking at Yue Feng coldly: " Or, he is not from Yue Feng at all, you helped him enter the forbidden area, and he has a secret?"

"I…"

Liu Qingqing bit her lip, not knowing how to answer for a while.

She knew that this person around her was the real Yue Feng, but how could she tell Zhang Na about this kind of thing? If she knew the truth, she would definitely use the topic to play it!

Seeing that Liu Qingqing didn't speak, Zhang Na looked proud: "No more words!"

Hu…

Yue Feng exhaled a long breath. Indifferently said: “Zhang Na, I have an urgent matter to see Empress Chang’e. I hope you don’t make trouble. Also, it wasn’t me before, you have already returned to the west with your life, don’t repay your kindness!

“

Hearing this, Zhang Na’s face changed suddenly. It’s good that Yue Feng didn’t mention this, but when he mentioned it, he was immediately angry. If it wasn’t for him before, would he be able to apologize to Liu Qingqing in public?

No matter who this person is, if he embarrassed himself, he must not let him go!

Thinking to herself, Zhang Na looked at Yue Feng, her eyebrows were tightly locked, and the long sword in her hand was whispering!

“Zhang Na, you brought someone into the forbidden area in private and violated the rules of the house. No matter what today, you will be arrested and punished. If you are sensible, you will be arrested!” A cold voice came out of Zhang Na’s mouth, and then Motivating the inner strength, a sword stabbed towards Yue Feng!

call!

This sword contains Zhang Na’s ten successes! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

Yue Feng frowned secretly, and was about to meet him!

“I’m coming!”

But at this moment, Liu Qingqing shouted tenderly and stood in front of Yue Feng!

“You go to see Empress Chang’e first, and I will block her. Go!” As she said, Liu Qingqing drew out her long sword and fought fiercely with Zhang Na.

“Dangdangdang!”

Zhang Na and Liu Qingqing’s long swords collided, making loud noises, only Yue Feng was dazzled! They are all disciples of the Holy Sect, one is Senior Sister Liujintan and the other is Senior Sister Xingmutan, with equal strength.

Chapter 2709

Hu..

At this moment, Yue Feng was a little stunned!

You know, Liu Qingqing and Zhang Na, both in figure and appearance, are the best in Shengzong! At this time, fighting fiercely in mid-air, that charming curve is looming, and it is difficult for Yue Feng to calm down for a while!

After watching it for more than ten seconds, Yue Feng reacted, seeing that the two were of equal strength, so he didn't think much about it, and quickly walked towards the front yard.

To be honest, Yue Feng wanted to take action, but he held back because he was anxious to see Chang'e. Moreover, Liu Qingqing's strength made it perfectly fine to block Zhang Na.

Soon, Yue Feng arrived in front of the small courtyard!

Bang bang…

Yue Feng didn't rush in, but knocked on the door first, but there was no response at all!

Nima.

Yue Feng was in a hurry, Chang'e won't be resting right now, right?

Thinking to himself, Yue Feng lightly stepped, pushed open the door and walked in slowly.

It doesn't matter, even if you are resting, you have to go in. Zhang Jiao is in the front hall, so he must get ahead of him and tell Chang'e the situation!

hiss!

As soon as he walked in and saw the scene inside, Yue Feng was shocked and couldn't help taking a breath.

I saw a slender figure sitting cross-legged in the fragrant room, immersed in the realm of cultivation.

It's Chang'e!

At this time, Chang'e was only wearing a silk gauze, and her charming curves were simply indescribable beauty. Although it has been hidden for three years, there is still a strong aura around him.

After watching for a while, Yue Feng reacted. Just get ready to speak!

"Who?"

At this moment, Chang'e sensed the movement, opened her eyes, and locked on Yue Feng! The beautiful face was full of anger and consternation.

This man is so daring, he dares to break into his forbidden cultivation area.

At this time, Chang'e, like Liu Qingqing and others before, didn't recognize Yue Feng at all. After all, Yue Feng spent three years in the wild and strange realm and left scars on his face, which is very different from the previous appearance. Big.

"I…" Yue Feng opened his mouth and was about to explain, but he was interrupted by Chang'e as soon as he said one word.

"Shameless! Dare to trespass into the forbidden area of the Holy Sect!" Chang'e said coldly, "Bengong doesn't want to take action, so you can do it yourself!" The tone was cold and unquestionable!

In Chang'e's eyes, no matter how the person in front of her got in, she must be thinking of something wrong. She was dressed like this, and she was almost seen by the other party, so how could she not be angry? But her love song is arrogant, and she doesn't want to get her hands dirty!

What the hell!

Hearing this, Yue Feng wanted to cry without tears.

This Chang'e, considers herself a womanizer?

"Niangniang, this is a misunderstanding!" Yue Feng explained, and while speaking, he slowly walked forward.

At the same time, sensing Chang'e's strength, Yue Feng was also secretly shocked!

Unexpectedly, after not seeing each other for three years, Chang'e's strength has reached the late stage of Transcending Tribulation Realm! When the truth comes out later, with her help, Zhang Jiao will surely die.

Seeing Yue Feng approaching, Chang'e was very displeased, thinking that he was going to do something wrong!

"You are so bold, you are courting death!" Chang'e's pretty face was full of frost, and she gave a coquettish cry!

"Buzz!"

Immediately afterwards, Chang’e raised her jade hand, and a strong internal force fluctuation instantly filled the entire room. I saw that a powerful force condensed out in an instant! Then a sword shadow condensed out.

Although this sword shadow is only over one meter long, it is dazzling and powerful. It is obviously transformed by internal force!

“Whoosh!”

Chang’e looked indifferent, looking at Yue Feng closely, with a wave of her jade hand, the sword shadow ripped apart the air, and roared towards Yue Feng with lightning speed!

Chapter 2710

“Go to hell!” Chang’e’s red lips parted lightly, and a cold voice came out of her mouth.

At this time, Chang’e hadn’t recognized it yet, but the person in front of her was Yue Feng.

Hiss!

In an instant, the sword shadow cut through the air, and the speed was really too fast. In the blink of an eye, Yue Feng was about to be split in half!

I go!

Feeling the power of the sword shadow, Yue Feng was shocked!

As expected of Empress Chang’e, when I first met three years ago, her strength was not very terrifying. I didn’t expect that I haven’t seen each other for three years. In this holy sect, my realm has improved so much!

At this critical moment, Yue Feng had no choice but to raise his hand and wave it in the air to form a protective layer.

That’s right, Yue Feng didn’t want to fight Chang’e! He knew that Chang’e was angry now, so let her get angry first, and then explain it slowly by himself when the anger subsided.

“Clang!”

In an instant, the sword shadow slammed into the protective layer, causing a violent vibration, and saw that the protective film was instantly shattered by the sword shadow, and Yue Feng also snorted, and his body staggered back!

call!

Yue Feng took a deep breath, endured the churning of blood in his body, and said to Chang'e, "Niangniang, this is a misunderstanding, please listen to my explanation! I am Yue Feng!"

Yue Feng?

Hearing this, Chang'e's body was shocked, her eyebrows knitted tightly, and she looked at Yue Feng carefully: "You…how did you become like this? What's the matter with the scar on your face?"

When she said this , Chang'e's beautiful face was full of astonishment.

"This, it's a long story!" Yue Feng smiled bitterly, intending to make a long story short.

"Well…"

But at this moment, Chang'e's delicate body trembled, and she collapsed on the soft couch, with a soft moan in her mouth, which was very painful.

This soft moan seemed to carry a fatal temptation, Yue Feng only felt that all the bones in his body were going to be crisp.

hiss.

The next second, when he saw Chang'e's appearance, Yue Feng was shocked, and the whole person was insane.

Seeing Chang'e curled up there, dripping with perspiration, her delicate body trembled gently. It seems so painful!

This… what's the situation?

Yue Feng was stunned for a while, but he soon realized what was wrong. He rushed in just now, he should have disturbed Chang'e's practice, and then he moved again. Wouldn't it be to go into the devil?

Yue Feng guessed right. Just now, Chang'e was interrupted by him at a critical moment in her meditation practice.

When she just learned that it was Yue Feng, Chang'e was shocked, and her mood was completely chaotic.

"Niangniang!"

Yue Feng reacted and walked over quickly. He couldn’t help but ask, “How are you?

” His whole body seemed to be frozen by the ice, and that sexy body kept rolling.

What the hell!

Seeing this scene, Yue Feng was also a little flustered. This situation is very serious, and Chang’e is in the late stage of the Tribulation Transcendence Realm.

Thinking to himself, Yue Feng hurriedly stepped forward: “Miss Chang’e, don’t panic, I’ll help you!”

With that said, Yue Feng was about to use her internal strength to help Chang’e suppress the disordered power in her body!

“Cold, I’m so cold!”

However, at this moment, Chang’e was almost out of her mind, she gave a soft cry and hugged Yue Feng!

“Your Majesty, it’s you, Your Majesty!” The moment she hugged Yue Feng, Chang’e couldn’t help but spoke softly, her eyes misty.

Yes, in the realm of Chang’e, once he goes into trouble, the consequences will be unimaginable. At this time, Chang’e’s thinking has collapsed, and he has hallucinations, and regards Yue Feng as Emperor Hou Yi.

The ultimate husband in Chinese chapter 2711-2715

Chapter 2711

Chang'e and the great emperor Hou Yi, enjoying a thousand years, are deeply affectionate and righteous, after Hou Yi's death, Chang'e often misses them.

"Chang'e, stay awake."

Yue Feng was taken aback, Nima, this is crazy, why do you still think of me as Hou Yi?

However, as soon as he said a few words, he saw Chang'e put his arms around Yue Feng's neck. At the same time, his other hand reached out and quickly tapped Yue Feng's body a few times, sealing his acupuncture point!

At this time, Chang'e was already in a state of obsession, but the method of acupuncture was still consummate. At this moment, Yue Feng didn't have the slightest defense, and he couldn't move at all!

"Your Majesty, do you know? I miss you so much!" Chang'e murmured.

Saying that, before Yue Feng could react, Chang'e's red lips slowly came up!

At this time, Chang'e, in a state of madness, mistakenly regarded Yue Feng as Hou Yi, and completely let go of her usual high and cold state, and she was indescribably sexy and charming!

hum!

Feeling Chang'e's gentleness, Yue Feng only felt that his mind was stunned!

Pfft!

In the next second, Yue Feng was about to struggle, but Chang'e didn't give him a chance and rolled onto the soft couch with Yue Feng in his arms!

"Niangniang, hey…you wake up!" Yue Feng was so anxious that he subconsciously used his inner strength to open the acupuncture points. Speaking of which, Yue Feng would wake up laughing when he was in such a situation. After all, Chang'e was like a fairy, and if she could enjoy her tenderness, it would be worth dying immediately.

But Zhang Jiao was in the front hall and could come over at any time.

However, what makes Yue Feng depressed is that Chang'e's acupoint-pointing technique is very mysterious, and it is not something that ordinary practitioners can do.

This chapter is provided by . Visit for daily update.

Chang’e didn’t listen to Yue Feng’s words at all!

At this time, Chang’e, after going crazy, couldn’t hear Yue Feng’s voice at all. She hugged Yue Feng tightly and started to pull Yue Feng’s clothes.

Chang’e’s mind went blank, she bit her lip and sat down.

“Oh!” the

charming whisper, kept echoing in the room!

…..

this moment, the other side!

Not far from Chang’e’s small courtyard, Zhang Na is still fighting fiercely with Liu Qingqing!

At this time, Zhang Na’s beautiful face was full of anger and anger, and she shouted at Liu Qingqing: “Liu Qingqing, get out of the way!”

When she said this, Zhang Na was full of anger, and she was also very angry in her heart. Somewhat shocked.

In Zhang Na’s heart, she thought that she would be able to defeat Liu Qingqing within ten moves, but she never thought that Liu Qingqing was so powerful that the two had been fighting for ten minutes, and the outcome was still undecided.

Liu Qingqing gritted her teeth and didn’t respond.

At this moment, Yue Feng must have seen Empress Chang’e, and he must buy time for him.

Soon, the sound of fighting attracted some patrolling disciples.

“Quick!”

Seeing those patrolling disciples, Zhang Na’s beautiful face showed a hint of gloom, and she shouted tenderly: “Go and inform a few altar masters, Liu Qingqing took outsiders and broke into the forbidden area, it would be detrimental to the goddess. !”

What?

Hearing this, the expressions of those patrolling disciples changed drastically.

Liu Qingqing couldn't do it angrily: "Zhang Na, don't spit your blood."

This Zhang Na is so abhorrent, it's okay to take revenge for kindness, and she's still talking nonsense at this time.

Thinking to myself, Liu Qingqing was like blocking those patrolling disciples, but it was too late. A dozen patrolling disciples quickly went to the front hall to report the situation.

broken!

Seeing this scene, Liu Qingqing stomped her feet in a hurry.

Chapter 2712

Wow….

After a while, I saw a group of people walking quickly, led by Xie Liuyun, Mu Qingyue, several altar masters, followed by Zhang Jiao, and that Liang Hao.

Seeing this scene, Liu Qingqing's delicate body trembled, panicking!

Zhang Na was full of pride.

At this time, Xie Liuyun walked over quickly and asked Zhang Na, "What's the matter?"

"Master, Liu Qingqing brought someone into the forbidden area without authorization." Zhang Na responded quickly: "It's the one called Wuchen, Now I have gone to the place where Empress Chang'e is resting!"

"I want to stop it, and Liu Qingqing has already touched me!"

What?

Hearing this, Xie Liuyun's expression changed, and he glared at Liu Qingqing: "You are so bold!"

Immediately, Xie Liuyun turned to look at Mu Qingyue: "Altar Mu, your Xingmu altar is getting more and more outrageous. Liu Qingqing ignored the rules, what do you do with it?"

Mu Qingyue frowned lightly and asked Liu Qingqing, "Qingqing, what's the matter?"

Mu Qingyue knew her apprentice, and Liu Qingqing had a gentle personality. Kindness will not easily do things that violate the rules of the door.

"I…" Liu Qingqing opened her mouth and was about to answer.

Just after saying one word, Zhang Na interrupted.

“Don’t think about explaining it!” Zhang Na mocked and sneered: “The one called Wuchen claims to be Yue Feng’s subordinate, but he saw Yue Feng just now, but he didn’t say anything at all, instead he was sneaking around. Here comes the forbidden area!”

Phew!

Hearing this, everyone around was stunned!

Zhang Jiao and Liang Hao looked at each other and both frowned!

“My subordinates?” Liang Hao cleared his throat and pretended to say: “I don’t have a person named Wuchen.”

Seeing Liang Hao say this, everyone present changed their faces!

Mu Qingyue was very frightened and stared at Liu Qingqing: “Qingqing, how can you let an outsider come to the forbidden area?”

“Master, I…” Liu Qingqing was so anxious, but didn’t know how to answer.

To be honest, Liu Qingqing really wanted to dismantle Liang Hao, but Zhang Jiao was there, the risk was too great, and Xie Liuyun and others next to him didn’t necessarily believe it!

Ha ha!

Seeing this situation, Xie Liuyun chuckled and said coldly: “Master Mu, your apprentice is daring to bring outsiders into the forbidden area. Don’t think about covering up today.” After

speaking, Xie Liuyun waved his hand: “Quick, take that one first. Boy, find it!”

Xie Liuyun thought about it, first find the person named Wuchen, and then slowly settle accounts with Mu Qingyue!

Whoops!

The voice fell, and everyone quickly walked towards the small courtyard where Chang’e was.

This moment, the other side!

I don’t know how long it took, and Chang’e finally passed the dangerous period of going crazy and lay there and fell asleep.

Yue Feng was sitting next to him, and the acupoints had already been unlocked at this time.

Although it had been cloudy and rainy just now, Yue Feng was not in the mood to recall it at all. He had not even said the purpose of his visit, so he had a relationship with Chang’e by accident. When Chang’e is gone, I really don’t know how to explain it!

While muttering in his heart, Yue Feng only felt a killing intent coming from the side!

“you!”

I saw that Chang’e didn’t know when she woke up. At this time, there was still a trace of blush on her beautiful face, and her eyes were fixed on Yue Feng, showing a trace of shame and anger!

call!

Feeling Chang’e’s killing intent, Yue Feng broke out in a cold sweat, but soon calmed down.

After staring at each other for a few seconds, Yue Feng was the first to react: “Niang Niang, you almost went into trouble just now, I…”

“Shut up!” Chang’e bit her lip and interrupted coldly.

At this time, Chang’e wanted to kill Yue Feng immediately, and she was innocent as jade, but because he went into trouble, it still had a relationship.

Chapter 2713 The

more Chang’e thought about it, the more angry she became, and her delicate body trembled.

Looking at her expression, Yue Feng quickly said: “Miss, I don’t want to rush in to disturb you, but there is no way, Zhang Jiao finds someone to impersonate me, ready to lie to you!”

Fake? Hearing this, Chang’e

‘s beautiful face was full of astonishment: “Why did Zhang Jiao find someone to impersonate you?”

Situation, very little is known!

Yue Feng took a deep breath and wanted to explain!

Wow wow wow…

But before I could speak, I heard footsteps in the yard outside, and I heard a lot of people!

Nima!

Yue Feng frowned secretly, and his heart suddenly panicked! No need to guess, it must be someone from Shengzong, maybe Zhang Jiao is there!

To be honest, Yue Feng is not afraid of these people, but if he and Chang'e are seen now, if they jump into the Yellow River, they won't be able to wash them away!

Swish!

At the same time, Chang'e also trembled, and she was a little uneasy!

You and Yue Feng must not be seen by others.

Thinking to herself, Chang'e looked around to see if there was a place for Yue Feng to hide. It's just that the furnishings in the room are simple, and there is no extra place to hide at all.

Whoa!

At this moment, Yue Feng had an idea and hugged Chang'e all of a sudden, lying on the soft couch, and then covered it with a cup, pretending that Chang'e was resting!

"you…."

Yue Feng's actions made Chang'e feel ashamed and angry, her face flushed red: "What are you doing?…"

Chang'e felt that Yue Feng's wrist was around her waist, and that feeling really made it difficult for her to calm down! Especially thinking of the scene just now, Chang'e was even more embarrassed and angry.

"Niangniang…"

Yue Feng smiled and said in a low voice: "They must have come to check my whereabouts, we can only do this, you don't want me to be found in your room…"

Chang'e clenched her teeth and let out a long sigh of relief. She was very embarrassed and angry, but she couldn't refute it!

Bang bang!

At this moment, there was a knock on the door of the room, and then, Mu Qingyue's voice sounded outside the door: "Niangniang, are you there?"

Behind Mu Qingyue, Xie Liuyun, Shengzong and others, as well as Zhang Corner, all standing there, listening to the movement in the room!

That's right, Chang'e's identity is unusual, let alone people like Shengzong, even Zhang Jiao, a wicked and evil person, would not dare to be presumptuous!

"Here!" When

she heard that it was Mu Qingyue, Chang'e breathed a sigh of relief, and replied, "Is there something wrong? I'm a little uncomfortable, I've rested!"

When she said this, Chang'e's tone was indifferent, but she felt uneasy in her heart.

Yue Feng was lying beside him, this scene must not be seen by them.

uncomfortable?

Hearing this, everyone outside the door, whether it was Mu Qingyue or others, was stunned.

In the next second, Xie Liuyun couldn't help but took a step forward and said across the door: "My lady is uncomfortable, we shouldn't have disturbed it, but someone rushed into the forbidden area just now, which will be detrimental to your lady."

"For your mother's safety, can you Shall we go in and search?"

When he said the last sentence, Xie Liuyun's tone was very polite, Empress Chang'e, even the head of the family gave three points of courtesy, who would dare to be rude.

search?

Chang'e's tender body trembled, and she couldn't help but look at Yue Feng next to her, then cleared her throat and said coldly, "Xie Liuyun, you are so bold, you dare to search my room?" After

speaking, Chang'e took a deep breath. Tone, he continued: "I have no one here to break in, you all go, don't disturb my rest!" The

tone was flat, but there was no doubt.

Chapter 2714

This….

Hearing this, everyone outside the door fell silent.

Especially Xie Liuyun, his face was so embarrassed that he couldn't say a word.

Empress Chang'e can't see her behind closed doors, who would dare to force her.

call!

Right at this moment, Zhang Jiao took a deep breath, took a step forward, and said through the door, "Niang Niang, next Zhang Jiao, and Yue Feng, we have important matters to discuss."

When he said this, Zhang Jiao's face showed A bit of confidence.

Speaking of which, she was also a military advisor in the Northern Ying Continent, Chang'e would definitely give herself a little face, and more importantly, she also brought a fake Yue Feng. After all, Chang'e and Yue Feng had a close relationship.

However, Chang'e didn't hesitate at all, and said lightly, "No!"

At the same time as she responded, Chang'e couldn't help but glance at Yue Feng next to her, her beautiful face full of complexity.

Just now Yue Feng said that Zhang Jiao had made someone to impersonate him, but he didn't expect it to be true.

At this moment, Yue Feng's face was also a little annoyed, and he lowered his voice and said to Chang'e: "See, this horn is daring and wants to make a fake Yue Feng to fool you!" After speaking, Yue Feng

thought for a while and continued. Said : "You think of a way to stabilize Zhang Jiao, I will find a way to go out later, and check their purpose!" As he

said, Yue Feng's eyes couldn't help cruising on Chang'e's perfect curve, such a close distance , for any man, can't help it.

You especially thought that the flame that Yue Feng had just extinguished with her just now was about to start burning again.

"Look at it!"

Yue Feng's eyes made Chang'e very embarrassed, but she didn't dare to speak loudly, after all, there were so many people outside.

The next second, Chang'e calmed down and said to Zhang Jiao who was outside the door: "I'm a little tired now, and I don't want to see guests, Zhang Jiao, if you have something important to do, stay in the Holy Sect to rest for a night, and we will meet tomorrow for details. Talk!" To

be honest, Yue Feng had just taken away his innocence, and Chang'e didn't want to help him, but this Zhang Jiao was really daring and dared to get a fake Yue Feng to deceive him.

Hearing this, Zhang Jiao's eyes changed, and he smiled bitterly: "Okay!"

Zhang Jiao was very annoyed at this time. With his current power, in the Kyushu mainland, there are only a handful of people who can compete with him. But Chang'e is not an ordinary woman, so Zhang Jiao can only bear it.

At this time, Xie Liuyun, Mu Qingyue and others greeted Zhang Jiao and Liang Hao and all exited the courtyard.

"Liu Qingqing!"

As soon as she walked out of the yard, Zhang Na looked indifferent and asked coldly, "Come on, where is the Wuchen you brought in?"

In Zhang Na's heart , this time, I finally had the opportunity to find trouble in the Xingmu altar, so naturally I can't miss it.

Swish!

At this moment, the eyes of everyone present focused on Liu Qingqing.

Liu Qingqing bit her lip and was so anxious.

How to do? Yue Feng is not here with Chang'e, where has he gone?

At this time, Liu Qingqing didn't know yet that Yue Feng was in Chang'e's room, because she had something to do with Chang'e, so she couldn't show up rashly.

What makes Liu Qingqing even more tangled is that he knows that Yue Feng next to Zhang Jiao is fake, but he is really not there.

In this case, facing Zhang Na's questioning, Liu Qingqing only felt that his mind was in a mess.

"No more to say?"

Looking at Liu Qingqing's expression, Zhang Na looked proud and said abusively, "I knew you had a ghost. If you don't make it clear today, just wait for you to be expelled from your teacher's door!"

"You …"

Liu Qingqing was very angry, but was speechless.

This Zhang Na is really a white-eyed wolf. It was really wrong for Yue Feng to hide his identity before, but what can I say, I saved your life before, but now, Zhang Na is targeting herself everywhere in order to get revenge…

At this moment, Xie Liuyun He also sneered, looked at Mu Qingyue and said, "Master Mu, your disciple, bring outsiders into the forbidden area and violate the rules of the door. If you condone and cover up, you can't say it!"

Phew!

Chapter 2715

Mu Qingyue frowned slightly, and turned her head to look at Liu Qingqing: "Qingqing, where is that person?"

Liu Qingqing bit her lip, and her beautiful face was full of embarrassment.

How to do? To tell the truth? But the real Yue Feng is not there, who would believe that this person next to Zhang Jiao is a fake Yue Feng?

Seeing this scene, Zhang Jiao and Liang Hao, who were silent on the side, looked at each other silently.

The next second, Zhang Jiao gave Liang Hao a secret wink.

Liang Hao understood it, as Zhang Jiao's confidant, he could easily understand what Zhang Jiao meant.

"Master!"

At this moment, Liu Qingqing couldn't stand it anymore, so he wanted to tell the situation. However, as soon as he said two words, he was interrupted by a voice.

"Master Xie is really majestic!" The

voice was not loud, but he mocked with meaning.

Then, a figure came out and stood in front of Liu Qingqing.

It was Liang Hao.

At this time, Liang Hao had a proud look on his face, as if he was in front of Liu Qingqing.

Yes, under Zhang Jiao's suggestion, Liang Hao, in the name of Yue Feng, was on the surface to stand for the Xingmu Altar, but in fact he wanted to make enemies for Yue Feng.

Before coming to Shengzong, Liang Hao learned that Yue Feng had been a disciple of Shengzong and was a disciple of Mu Qingyue of Xingmu Tan. At this time, seeing Xie Liuyun deliberately looking for trouble on the Xingmu altar, even if it was a fake Yue Feng, Liang Hao knew that he could not remain indifferent.

After being hinted by Zhang Jiao, Liang Hao no longer had any worries.

But when he was talking, Liang Hao's eyes looked at Liu Qingqing intentionally or unintentionally!

Mad, Yue Feng's peach blossom luck is so good, not only is the master of this Xingmu Tan charming, but this senior sister is also a top beauty!

call!

Seeing Liang Hao come out and speak for Liu Qingqing, everyone present was stunned!

At this time, Liang Hao looked at Xie Liuyun and said with a smile that was not a smile: "Altar Lord Xie, I finally came back, but you are in front of me, looking for trouble on the Xingmu Altar, what do you mean?" The

voice was not loud. , but full of provocative taste!

At this time, Liang Hao was very happy!

Haha, anyway, he is a fake Yue Feng, how arrogant he can be, and he can provoke the hatred of Yue Feng in Liujintan, why not do it?

"Wow!"

Liang Hao's voice just fell, and everyone present was in an uproar!

I haven't seen each other for a few years, and Yue Feng's words are getting more and more arrogant. However, in the entire Kyushu continent, the only person who can speak to Xie Liuyun in such a tone is probably only Yue Feng except the head!

Made!

Xie Liuyun was stunned for a while, his face was ashen, he snorted and ignored it, but his heart was secretly angry!

This Yue Feng, dare to talk to himself like this in front of so many people!

“Yue Feng!”

At this moment, Zhang Na couldn’t bear it anymore, took two steps forward, and shouted at Liang Haojiao: “Yue Feng, you are so bold, you dare to speak like this to my master. Even if you are the sect master of Tianmen, don’t Forget, once you worshipped the holy sect, regardless of seniority, you should also call my master a master!” After all, the

master is also the altar master of the Liujin altar, Yue Feng’s words are so contemptuous, not only rude to the master, but also in the Trample the dignity of the entire Ryujin altar.

At this time, Zhang Na, like Xie Liuyun, thought that the person in front of her was really Yue Feng, but she didn’t realize it was a fake.

“Haha…” Liang Hao smiled lightly and

glanced at Zhang Na: “I’m talking to Master, what are you talking about? Do you understand a little bit of rules?”

, Liang Hao didn’t panic at all!

“You…”

Zhang Na stomped her feet angrily, but she didn’t know how to refute it!

The ultimate husband in Chinese chapter 2716-2720

Chapter 2716

“It’s alright, alright…”

When it was almost over, Zhang Jiao walked over with a smile, and pretended to smooth things out: “Yue Feng, we are guests, why can’t we get along with a disciple, everyone should say less. !”

When he said this, Zhang Jiao’s eyes flashed with treacherousness.

Liang Hao, one of his subordinates, had read it right, just a few words and a few words caused the hatred between Liu Jintan and Yue Feng.

However, I still have more important things to do, of course, just accept it as soon as I see it.

Hearing this, Liang Hao shrugged and stopped talking!

Xie Liuyun’s anger is not light, and it’s not easy to say anything!

“Thank you, altar master!”

At this time, Mu Qingyue breathed a sigh of relief and said slowly: “I will find out about this matter!”

After saying that, Mu Qingyue instructed the disciple beside him: “Go, give it to Mr. Zhang Prepare the room with Yue Feng, they have come from a long way and have a good rest.”

When she said this, Mu Qingyue couldn’t help but look at Liang Hao.

At this time, Mu Qingyue didn’t realize that there was anything wrong with the ‘Yue Feng’ in front of him. He hadn’t seen him for three years.

“Yes!” The

voice fell, and several disciples came over immediately and politely invited Zhang Jiao and Liang Hao to leave.

A few minutes later!

This chapter is provided by . Visit for daily update.

In the guest room of Shengzong's other courtyard, the two disciples brought Zhang Jiao and Liang Hao over and left.

"Master!"

Watching the two disciples leave, Liang Hao quickly closed the door and respectfully said to Zhang Jiao, "It's getting late, you should rest early, and your subordinates will guard the door for you!"

Without outsiders, Liang Hao no longer calls himself Yue Feng.

Zhang Jiao took a deep breath, not in a hurry to rest, but frowned and thought about something: "Today's affairs, I always feel that something is wrong."

"It stands to reason that I visited Tianmen Sect Master together, so Chang'e can't be so indifferent. But he has to be summoned tomorrow!"

When he said this, Zhang Jiao frowned, and the more he thought about it, the more suspicious he became.

Zhang Jiao is thoughtful and good at strategy. Although he didn't see Chang'e with his own eyes just now, he instinctively told him that things were not that simple.

"Perhaps…" Liang Hao thought for a while, then said cautiously: "Perhaps Empress Chang'e is really tired and needs to rest!"

"No!"

Zhang Jiao shook his head, his eyes narrowed slightly: "The one from the Liujin altar just now. Zhang Na said that there was a person named Wuchen, who claimed to be Yue Feng, and wanted to see Chang'e. If that was the case, after meeting

Chang'e , that person would definitely tell her something." If I keep it out, I can explain it."

Hearing this, Liang Hao was stunned and frowned: "No, if that's the case, why didn't Liu Qingqing from the Xingmu altar say it? , looking at her appearance just now, she seems to be deliberately hiding something."

At this moment, Zhang Jiao was also a little confused.

"The key lies in the person named Wuchen!" Zhang Jiao's eyes flashed and he had an idea: "Go, ask someone to invite that Zhang Na over."

Zhang Na had seen the person named Wuchen and asked her , maybe there are eyebrows.

Liang Hao nodded, walked out the door, and asked the patrolling disciple to invite Zhang Na over.

Afterwards, Liang Hao hid behind the curtain of the room at Zhang Jiao's suggestion. After all, Liang Hao's identity at this time was Yue Feng, and Yue Feng and Liu Jintan had grievances and naturally could not meet Zhang Na.

Soon, Zhang Na was invited over.

"Mr. Zhang!"

As soon as she entered the room, Zhang Na humbly said to Zhang Jiao, "I don't know if you specifically called me here. What's the matter?"

In Zhang Na's mind, Zhang Jiao is a person who has been famous for thousands of years, and his identity is extraordinary. , naturally dare not neglect.

"Haha!"

Seeing Zhang Na's face, Zhang Jiao smiled slightly: "Don't panic, I'm just asking you something. You said just now that Liu Qingqing from the Xingmu altar once brought someone to see Empress Chang'e. "

Chapter 2717

"Yes!" Zhang Na nodded, unable to hide her anger: "The person who claimed to be Yue Feng, I see it as a fake!"

Thinking of Wuchen, after saving herself, she wants to let She apologized to Liu Qingqing, and Zhang Na was so angry.

call!

Hearing this, Zhang Jiao breathed a sigh of relief, sat beside the table, and drank a cup of tea slowly: "What does the person called Wuchen look like? Can you tell me?"

Zhang Na did not hesitate, while recalling, while Tell the situation at the time.

At the end, Zhang Na couldn't hide her anger: "That person has three scars on his face, and he is dressed like a beggar, and it makes people sick to look at it!"

What?

Zhang Jiao's heart was shocked, and he stood up suddenly, his eyes shining brightly.

Have three scars on your face? Isn't that Yue Feng?

Mad, I thought it was really Yue Feng's subordinate, but I didn't expect that it was Yue Feng himself. Depending on the situation, he had already met Chang'e, so he might be hiding in Chang'e's room.

No wonder Chang E did not see her behind closed doors, and she wanted to see herself tomorrow, obviously delaying the time.

Thinking about it, Zhang Jiao's face changed, and a hint of gloom rose in his heart.

"Mr. Zhang!"

Zhang Na was startled when she saw Zhang Jiao's face, and couldn't help but say, "What's wrong with you?"

This expression was so terrifying.

Zhang Jiao breathed a sigh of relief, and his face returned to a kind smile: "It's alright." After

speaking, Zhang Jiao's thoughts turned quickly, and he continued: "Nothing? I know the person called Wuchen, but he is actually from the Rakshasa clan. spy."

When he said this, Zhang Jiao looked calm, but his eyes flashed coldly.

Since he knew that Wuchen was Yue Feng, and that he might be hiding in Chang'e's room, he had to find a way to catch him.

Rakshasa spies?

Hearing this, Zhang Na's body trembled and was startled: "What should I do then?"

Zhang Jiao smiled slightly: "Don't panic, I have a way to deal with it, you wait for a word from Empress Chang'e, and say that someone at the foot of the mountain is asking to see you. , this is a token, leave the rest and leave it to me."

After speaking, Zhang Jiao took out a small silk bag from his body and handed it to Zhang Na.

Zhang Na reached out to take it and nodded.

At this time, Zhang Jiao took out another bottle of elixir and said with a smile: "Speaking of which, this spy called Wuchen has some connections with me, so I hope you don't tell anyone about this matter!"

"Mr. Zhang, don't worry, I won't tell anyone!" Zhang Na nodded with joy on her face.

She saw that this bottle was a rare panacea. With these elixir, her cultivation realm would be greatly improved.

Zhang Jiao said no more, waved his hand and let Zhang Na leave.

“My lord!”

Liang Hao, who was hiding behind the curtain, walked out as soon as his forefoot left, with a nervous expression on his face: “I didn’t expect that Yue Feng was so fast that he even took us a step to the Holy Sect and met Chang’e. .”

When he said this, Liang Hao was calm on the surface, but he was inexplicably anxious in his heart.

You must know that Yue Feng’s strength is unfathomable, but he is pretending to be him, especially thinking that when he and Zhang Jiao asked to see Chang’e just now, Yue Feng might actually be listening inside, can you not panic?

“What are you nervous about?”

Zhang Jiao frowned and scolded, and then took a deep breath and said coldly: “I have asked that Zhang Na to pass the word, and Yue Feng will be led out soon, wait for you to pay attention to my signal.”

“After seeing the signal, You go straight to where Chang’e is and kidnap her!”

What?

Hearing this, Liang Hao only felt his legs go weak and almost collapsed on the ground.

The lord asked himself to kidnap Chang’e? Go crazy!

Chapter 2718

Under the tension, Liang Hao stammered: “My lord, Empress Chang’e is powerful, how can I be her opponent!” To

be honest, when Zhang Jiao asked Liang Hao to impersonate Yue Feng, Liang Hao He wanted to refuse, but the task at this time turned out to be to kidnap Chang’e.

At this time, Liang Hao only felt his brain buzzing.

That’s Empress Chang’e.

Seeing the nervousness on Liang Hao's face, Zhang Jiao smiled with confidence on his face: "Don't panic, Empress Chang'e's strength is not as terrifying as you think. You can just do it with confidence!

" The pill was handed to Liang Hao: "This is a magic pill, which I made. It can double your strength within an hour."

Zhang Jiao was very thoughtful, although he didn't see it just now . Chang'e, but through Chang'e's voice, Zhang Jiao realized that Chang'e should have gone into a devil's way through practice and was very weak.

Liang Hao's strength is only the fifth stage Martial Emperor, but after taking the Tongshen Pill, dealing with the weak Chang'e is not a problem at all.

"This…"

Liang Hao took the Shentong Pill and took a deep breath: "Don't worry, lord, your subordinates will definitely live up to your trust!" To

be honest, Liang Hao really wanted to refuse, but when things came to an end, there was no choice at all. .

Zhang Jiao nodded: "Okay, now wait for my signal!" After the

voice fell, Zhang Jiao flashed and disappeared into the night outside.

…..

this moment, the other side!

In Chang'e's room, Yue Feng sat there, always watching the movement outside!

At this time, Chang'e also wore a long dress, which looked extremely charming, but looking at Yue Feng's eyes, there was still a hint of shame and anger.

"Yue Feng!"

At this moment, Chang'e bit her lip, her tone unquestionable: "If you dare to say a word about what happened before, I will kill you!"

Three years ago, after the death of Emperor Hou Yi, Chang'e also Frustrated, he originally wanted to stay in the Holy Sect and devote himself to escaping from the world for cultivation, but he did not expect that his innocence would be tainted by Yue Feng.

"Niangniang!"

Yue Feng is a smart person, how could he not know what Chang'e meant? At the moment, he smiled bitterly: "I don't want it to happen suddenly. Besides, you went into trouble at the time. After all, I saved you!" As he

spoke, Yue Feng looked up and down at Chang'e. I have to say, this Chang'e deserves to be called a fairy in the world. Her figure and appearance are truly unparalleled in the world!

I'm afraid, only Diao Chan can compare with it!

"You…"

Chang'e was so angry that her lips were almost bleeding.

This bastard, who took advantage of him, still looked at peace of mind. When he thought of being close to Yue Feng, Chang'e was extremely painful, and she was reluctant to accept this fact.

For a time, the surrounding atmosphere was very depressed and a little subtle.

"Yue Feng, I want you to swear that what happened today will not be said for the rest of your life!" Chang'e blushed and said coldly.

"Okay, okay, I won't say it!"

Yue Feng nodded, wanting to cry without tears, and then he was about to make a few jokes!

"Niangniang?"

But at this moment, a voice suddenly sounded outside the door!

It's Zhang Na!

Yes, Zhang Na heard Zhang Jiao's words and came to spread the word. Although Zhang Na didn't know what Zhang Jiao was going to do, Zhang Jiao gave her a bottle of elixir, which made Zhang Na elated, so she didn't care about that much. .

Nima!

Hearing Zhang Na's voice, Yue Feng's face changed and he frowned secretly. Why is this woman here again?

Chang'e's body trembled, and she was inexplicably panicked.

It's broken. No one will know about Yue Feng hiding in his room, right?

Thinking to herself, Chang'e calmed herself down and said indifferently through the door, "I'll talk about it tomorrow, I'll rest!"

Phew!

Hearing this, Zhang Na breathed a sigh of relief, stood outside the door and said, "Niang Niang, someone outside the mountain gate asked to see you just now, so I have to give you a token, saying that you will know what's going on when you see something."

Said Zhang Na put the small silk bag Zhang Jiao gave him at the door, then turned and left.

The moment she turned to leave, Zhang Na was in a very happy mood. She had already done what Zhang Jiao explained. At this time, she couldn't wait to go back, take the medicine pill, and improve her strength.

Chapter 2719

Token?

Listening to Zhang Na leaving outside the door, Chang'e and Yue Feng looked at each other.

After a few seconds, it was determined that Zhang Na was far away, and Chang'e asked Yue Feng to hide first, then opened the door and picked up the silk packet.

call!

After closing the door, Chang'e opened the packet.

At this time, Yue Feng came over curiously, and when he saw what was inside, his heart was shocked, and the whole person was stunned.

I saw that inside the small bag was an exquisite waist card, a rare white jade, with dragon and phoenix auspicious clouds carved on it, and two small characters on the back, which said 'Yingyue'.

This…isn't this Ren Yingying's waist card?

At this moment, Yue Feng suddenly became excited. Ren Yingying was once the princess of the Tianqi royal family, and her identity was comparable to ordinary people. Every accessory was unique, and this waist card was one of them.

Yingying came to Shengzong?

Thinking about it, Yue Feng suddenly became excited and said to Chang'e, "I'll go take a look!"

After saying that, he rushed out quickly and rushed towards the entrance of the mountain gate. Zhang Na just said that the visitor is at the mountain gate. See you outside.

Soon, after leaving the mountain gate, I saw a person standing quietly on the stone steps at the foot of the mountain. Because the night was dark, I could not see clearly for a while.

Yue Feng didn't have time to think about it, so he quickened his pace!

Um?

When they were more than ten meters away, Yue Feng suddenly realized that something was wrong.

This is not Ren Yingying's back.

"Ha ha!"

At this moment, the figure standing there heard the sound of footsteps and turned around slowly, with a gloomy expression on his face: "Yue Feng, I didn't expect it!"

It was Zhang Jiao.

Before Zhang Jiao used a trick to capture the Ouyang family, Ren Yingying and others, he searched their belongings, but just now, after confirming that Zhang Na said Wuchen was Yue Feng, Zhang Jiao took it out. Ren Yingying's token, led Yue Feng out.

"It's you?"

Yue Feng looked suspicious and said coldly: "How do you know I'm in Chang'e's room?"

"Haha!"

Zhang Jiao smiled coldly, his eyes showing absolute contempt: "Yue Feng, do you think You can deceive me by hiding your identity and using a dust-free pseudonym? You were allowed to run away in Qingyunzong before, but now you don't have such good luck, just keep your hands on it!"

Om!

The voice fell, and a terrifying aura erupted from Zhang Jiao's body. In an instant, the surrounding air seemed to be stagnant!

The next second, Zhang Jiao slowly raised his right hand and hit Yue Feng with a palm!

Nima…

Feeling Zhang Jiao's powerful aura, Yue Feng was startled, he didn't have time to dodge, so he had to mobilize his inner strength to attack!

Bang!

The palms of the two collided fiercely, and Yue Feng and Zhang Jiao each took a dozen steps back in the air.

Yue Feng stabilized his figure, frowned, and thought about it secretly, only to think that this matter is a bit strange!

Since Zhang Jiao knew that he was hiding in Chang'e's room, he could just tell the people of the Shengzong directly, so why should he lead him out alone?

Whoosh!

Just when Yue Feng frowned secretly, he saw Zhang Jiao raise his hand and set off a firework.

Yes, this is Zhang Jiao's signal to Liang Hao. As long as he saw the signal, Liang Hao, pretending to be Yue Feng, broke into the small courtyard and kidnapped Chang'e.

The next second, Zhang Jiao looked at Yue Feng with a half-smile, "Yue Feng, are you curious, why should I lead you out alone? Let me tell you, my subordinates pretended to be you and went to kidnap Chang'e, hahaha. "…"

"At that time, the entire Holy Sect and even the world will know that you, Yue Feng, on the surface of benevolence and righteousness, are actually a treacherous womanizer.

" Respected by Kyushu!"

Nima!

Hearing this, Yue Feng was shocked, and his eyes were instantly blood red.

This horn is so despicable and shameless, he can do such insidious and sinister things.

Chapter 2720

Whoosh!

Thinking about it, Yue Feng didn't have time to think about it, the figure urged him to go back!

In any case, the person who pretended to be himself could not be allowed to catch Chang'e. That person was Zhang Jiao's subordinate.

More importantly, that person faked himself, and no matter what he did, he was the one who took the blame in the end!

"Want to go back? Do you think you can go back?"

At this moment, Zhang Jiao sneered, his inner strength urged, and his figure was as fast as lightning, directly intercepting Yue Feng in mid-air!

I let Liang Hao impersonate Yue Feng, just to stink Yue Feng's reputation, and the plan went very smoothly, and Yue Feng must not be destroyed!

Mad!

Looking at Zhang Jiao standing in front of him, Yue Feng's eyes were extremely blood red, and his anger rose: "Zhang Jiao, no matter what your ultimate purpose of coming to the Holy Sect today, I will never let you succeed!"

"Really? Zhang Jiao looked proud and his eyes were extremely cold: "

You are quite confident. What do you think you can change with your own strength? Let me tell you, even if I can't kill you today, I will make you one who is spurned by Kyushu." rubbish!"

Om!

The voice fell, and a terrifying aura burst out from Zhang Jiao's body, and for a moment, the surrounding air seemed to be stagnant.

"Crack!"

With a crisp sound, a dazzling weapon appeared in Zhang Jiao's hands.

Open the axe!

Zhang Jiao's strength has improved by leaps and bounds since he obtained the Sky-Opening Axe, and he has also gained some new insights into the power of the Sky-Opening Axe!

As soon as the opening axe came out, the surrounding temperature seemed to plummet!

Gudong!

Feeling the power of the Heaven-Opening Axe, Yue Feng couldn't help but secretly swallowed his saliva.

Mad, the strength of this horn is already terrifying, and with the opening axe, there is no way to fight it.

But soon, Yue Feng calmed down and said coldly: "It's not certain who will live and who will die today!" After the

voice fell, Yue Feng summoned Fang Tianhuaji, his body was filled with a powerful fighting spirit, and he flew up. Fight with Zhang Jiao.

…..

this moment, the other side!

In the forbidden area of the back mountain, the small courtyard where Chang'e lived was extremely peaceful under the dark night.

Around the small courtyard, there are disciples of the Holy Sect everywhere, in groups of three or five, patrolling back and forth, which can be said to be heavily guarded.

"Whoosh!"

At this moment, a black shadow came quickly from a distance and approached the entrance of the small courtyard!

In the dimness, I saw his eyes flashing cold and cunning, it was Liang Hao.

To be honest, Liang Hao had no confidence in breaking into the forbidden area of the Holy Sect late at night to kidnap Chang'e, but there was no way, Zhang Jiao's order was unquestionable.

"Huh? There's a shadow there!"

"Who? Dare to trespass the forbidden area of the Holy Sect?"

Just as Liang Hao was about to enter the courtyard, a group of patrolling disciples came and immediately found Liang Hao. shouted loudly.

This… The

next second, when they rushed to the front, all these disciples were stunned!

Isn’t this Yue Feng? What are you doing here in the middle of the night?

At this time, Liang Hao looked like Yue Feng, these disciples couldn’t see anything wrong at all!

“Senior brothers!”

Facing everyone’s questioning, Liang Hao tried his best to calm himself, and said lightly: “I have something to discuss with the empress, you all step back.”

Hearing this, the disciples looked at each other in dismay.

The ultimate husband in Chinese chapter 2721-2730

Chapter 2721

Soon, someone reacted and said displeasedly: “Yue Feng, before you and Zhang Jiao asked to meet, the mother said, let you come tomorrow morning.”

“That’s right!”

“Hurry up, don’t disturb the mother!”

” This is a forbidden area, leave quickly, otherwise don’t blame us for being rude!”

In the hearts of these disciples, the behavior of ‘Yue Feng’ in front of him, although a bit reckless, was after all a member of the Holy Sect, so he decided to give him a chance !

Ha ha!

However, upon hearing these words, Liang Hao’s face showed a hint of gloom, and he said word by word: “What I want to do, Yue Feng, has not been done yet, I will see the empress tonight, whoever dares to stop it will bear the consequences. With

that said, Liang Hao looked around and his tone became more and more arrogant: “Now I’m in a good mood, you all move away quickly, otherwise, I will destroy you one by one!” In the

last sentence, Liang Hao’s eyes were full of contempt and arrogance. Extremely.

Zhang Jiao had instructed before that when he kidnapped Chang’e, no matter who he met, he should not give face. Anyway, he wanted to put the blame on Yue Feng. Of course, he was so arrogant!

Whoa!

All of a sudden, all the disciples of the Holy Sect who were present felt that Fei was going to explode. Mad, this ‘Yue Feng’ was too arrogant. For the sake of him being a disciple of the Holy Sect, he would not agree with him. He cares about it, he’s good, and even put on an air.

What makes everyone more unbearable is that this ‘Yue Feng’ is arrogant and wants to fight with everyone present!

“Yue Feng… Have you ever thought about the consequences?!”

“Ma De, what are you talking about with him? When this kid joined our Holy Sect, he hid his identity, and at first glance, he was a scheming villain!”

This chapter is provided by . Visit for daily update.

“That’s right, this time to visit Empress, there will definitely be no good thing!”

As they said, these disciples walked over slowly and surrounded Liang Hao!

“Everything you don’t know how to lift, since you want to court death, I will fulfill you all!” Liang Hao was too lazy to talk nonsense, said coldly, suddenly raised his hand, his body shot out, and rushed to the two closest disciples. Two palms hit the past!

Bang Bang…. Before

the two disciples could understand what was going on, the blood spurted out, screamed and flew out. When they landed, they were out of breath!

hiss!

Seeing this scene, the other Saint Sect disciples present couldn’t help but gasped. Shocked!

This… This Yue Feng is crazy, he said he would do it, and he killed someone?

At this time, they still don’t know that the person in front of them is not the real Yue Feng at all, so naturally they will not show mercy.

“Quick, call for support!”

“Ma De, let’s go together!”

After being stunned for a few seconds, the disciples of the Holy Sect, howling angrily, rushed towards Liang Hao while shouting for support.

Wow…

In the blink of an eye, the surrounding patrol disciples heard the movement and rushed over, there were hundreds of them.

Seeing this scene, Liang Hao’s eyes flashed with complexity, and at the same time, the fighting spirit in his heart was also inspired. Zhang Jiao gave himself the magic pill, saying that it could double his strength, so he could use these disciples of the Holy Sect to practice his skills.

Anyway, if you kill someone, Shengzong will only remember his hatred on Yue Feng, and it has nothing to do with himself!

Thinking of this, Liang Hao showed a bit of excitement on his face, and said coldly: “A bunch of stinky fish and rotten shrimp, dare to fight with me? Go to hell!”

hum!

The moment the voice fell, I saw Liang Hao slowly raise his hands, and the power of Dantian in his body surged wildly. In an instant, the surrounding air was instantly distorted! A terrifying breath swept over!

Immediately, Liang Hao raised his hand and pointed, and saw eight dragon shadows, roaring out in an instant!

This trick is the ‘Dragon and Eight Palms’ skill that Liang Hao cultivated, and it is very similar to Yue Feng’s ‘Nine Dragons Ascension’, only one dragon is missing. It is because of this that Zhang Jiao let Liang Hao pretend to be Yue Feng.

Seeing this scene, all the Saint Sect disciples present trembled.

Such a powerful force, worthy of being the Sect Master of Tianmen.

boom!

In the next second, before the disciples of the Sacred Sect could react, eight dragon shadows raged, and the terrifying power spread through the crowd. In just a few breaths, the disciples of the Sacred Sect let out a shrill scream!

Chapter 2722

“Stop!”

At this moment, I heard a coquettish shout, and then the door of the small courtyard was opened, and a slim figure walked out slowly, with a beautiful face full of coldness Frost!

It’s Chang’e!

After Yue Feng left just now, Chang E only felt that something was wrong, and she had no intention of resting at all. As a result, the person who pretended to be Yue Feng came to him blatantly, and injured so many disciples of the Holy Sect. How could Chang E not angry?

“You are so bold!” Chang’e stared at Liang Hao and spoke angrily.

At the same time, seeing around the small courtyard, many disciples of the Holy Sect were crying in a pool of blood, and Chang’e was even more angry.

“Miss Chang’e!”

Seeing Chang’e coming out, Liang Hao was a little flustered instinctively, but thinking of Zhang Jiao’s instructions, he suddenly regained his confidence and said with a smile, “Visiting late at night is really inconvenient, but there is one important thing that needs to be done. Niangniang just walk with me.”

When he said this, Liang Hao stared at Chang’e, and he was almost drunk!

beautiful!

So beautiful, is this Empress Chang’e? It really is like a fairy.

Speaking of which, Liang Hao had heard of Chang’e’s name for a long time, but he had never seen it. When he visited Zhang Jiao before, he had never seen it. It can be said that this was the first time I saw Chang’e. people.

Liang Hao saw that Chang’e in front of her was not only beautiful in appearance, but also indescribably charming and sexy, especially the powerful aura that filled her body. Any man who saw it would be unable to extricate himself!

Take a trip?

Hearing this, Chang’e frowned.

Immediately, sensing Liang Hao’s gaze, Chang’e became even more angry, and said straight to the point: “Okay, you don’t have to pretend, you are not Yue Feng at all!”

When she said this, Chang’e looked at Liang Hao’s face and was shocked. .

Where did Zhang Jiao find someone who was exactly the same as Yue Feng three years ago? To be honest, if it wasn’t for Yue Feng’s notification, Chang’e would have been fooled by this Liang Hao.

What?

At this moment, the disciples of the holy sect who were guarding around were all shocked, and their eyes focused on Liang Hao, each one flashing with complexity.

Isn’t he Yue Feng?

Seeing the scene, Liang Hao felt a little flustered, and it was broken. Empress Chang’e saw through her identity and knew that she was fake. Now it’s a bit difficult.

In the next second, Liang Hao's mind changed, and he suddenly had an idea, and said to Chang'e with a half-smile, "Yes, the lady said it right, I am no longer the Yue Feng I used to be!"

"Three years ago, I did it for the Kyushu Continent. After so many things, what did I get in the end?"

"With my strength, it's no problem to be the Supreme Being of Jiuzhou, but some forces in the arena still don't take me seriously, even you, your mother, think I You are a clown, I tell you, today I will take you to the Beiying Palace, become emperor, and then make you my woman, as long as you, Chang'e, become my woman, who in the world would dare to disobey me?

" At that time, Liang Hao's expression was full of madness.

Yes, since Chang'e knew that she was a fake Yue Feng, she decided to do whatever she wanted.

This….

Hearing this, the disciples of the Holy Sect present were furious, this Yue Feng is really crazy.

Yes, after hearing Liang Hao's words, these disciples of the Holy Sect thought that the 'Yue Feng' in front of them had been stimulated to change his temperament. They didn't realize that he was not Yue Feng at all.

"Shameless!"

Chang'e was also trembling with anger, and she was speechless.

This person is too cunning to disguise his identity like this.

Thinking to herself, Chang'e didn't bother to talk nonsense, and she coquettishly said: "Desecrate this palace, courting death! If I don't kill you today, I'll be Empress Chang'e!" It's fine for this person to pretend to be Yue Feng, and taking the opportunity to take advantage of himself is a crime that deserves death. .

"Kacha!" The

voice fell, and with a crisp sound, a sword appeared in Chang'e's hand.

Chapter 2723

This sword is full of brilliance, and the blade is three feet and one inch long, shining like a star and moon.

It was Chang'e's personal weapon, the Xingyue Sword! This is a rare weapon, the quality is above the purple rank, comparable to the magic weapon!

hum!

As soon as this sword came out, I saw the aura of heaven and earth around me, suddenly converging!

In the next second, Chang'e didn't talk nonsense, her figure was like a flicker, and she stabbed Liang Hao with a sword!

call!

This sword contains Chang'e's ten successes, as well as the anger in his heart. He had just been taken away by Yue Feng, and he was already angry. At this time, he was provoked by Liang Hao, a fake Yue Feng. How can he bear it?

It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

What the hell!

Feeling the power of the sword, Liang Hao's expression changed. He didn't have time to think about it. He quickly stepped back and dodged. He thought he would be embarrassed.

At the same time, Liang Hao clearly felt that after taking the Tongshen Pill, his internal strength and reaction speed were obviously improved a lot.

Haha…

The master's magic pill is really a good thing.

"Niangniang, it is your honor and your destiny to be my woman! Why do you have to be obsessed with it?"

With a smile, Liang Hao's confidence increased greatly, and the aura around his body rose, followed by a figure. In a flash, directly meet Chang'e!

In a blink of an eye, the two fought fiercely in mid-air!

call!

This scene made many disciples of the Holy Sect below feast their eyes!

You must know that Chang'e is the existence of a fairy in the world. Although she practiced in the holy sect before, these disciples of the holy sect could not meet each other. At this time, Chang'e and Liang Hao were fighting in mid-air, and the charming curve It was revealed, so that many of the male disciples present had their eyes straightened.

Chang'e's graceful figure was constantly fighting back and forth with Liang Hao.

At first, Chang'e was very confident, but gradually, she became anxious.

Chang'e clearly felt that, although she was rescued by Yue Feng, she was still a little weak and could not exert her true strength at all.

At the same time, the fake Yue Feng in front of her also shocked Chang'e secretly!

what happened? This Yue Feng is obviously fake, but how can he be so strong? It seems that it is not much different from the real Yue Feng!

At this time, Chang'e didn't know that Liang Hao, who was in front of him, had doubled his strength after taking Zhang Jiao's Tongshen Pill.

"Hahaha…"

At this moment, realizing that Chang'e was a little flustered, Liang Hao raised his hand and called at Chang'e!

The speed of this palm was too fast, and Chang'e could not dodge it. At that time, she could only use her internal strength to greet it with one palm!

boom!

The two palms touched each other and made a dull vibration. At this moment, Chang'e's tender body stepped back several steps, and her beautiful face was full of anger and unwillingness!

The next second, Liang Hao rushed over, quickly raised his hand, and tapped Chang'e's acupoint twice.

In an instant, Chang'e's body froze, unable to move.

"Niangniang, I've been offended!" Liang Hao didn't talk nonsense, he laughed loudly, picked Chang'e up, and flew directly into the distance!

Zhang Jiao said that the effect of the Tongshen Dan can only last for an hour, and now it has taken more than half an hour, so I can't stay any longer, I have to leave quickly!

What?

Seeing this scene, the surrounding Shengzong disciples were all stunned. When they came back to their senses, Liang Hao and Chang'e had disappeared into the night.

Chapter 2724

"Oops, Yue Feng kidnapped the goddess!"

"Hurry up, hurry up!" Amidst the

exclamations, the entire forbidden area in the back mountain was in chaos.

In the eyes of these disciples, until this moment, they still believed that the person they saw was the deity of Yue Feng!

…..

At this moment, the front mountain gate is in the air! The figures of Zhang Jiao and Yue Feng are constantly moving back and forth!

The two fought fiercely for half an hour, but there was still no winner.

The older Yue Feng was, the more impatient he became. Ma De and Zhang Jiao possessed the Heaven-opening Axe. It would be harder to kill him in a short period of time than to ascend to the sky. More importantly, that fake Yue Feng went to catch Chang'e, if he succeeded ,The consequences could be disastrous.

At the same time, Zhang Jiao's face was also gloomy and indescribably anxious.

This Yue Feng's strength is getting stronger and stronger, and he can't suppress it even if he owns the Heaven-Opening Axe.

Whoa!

At this moment, I saw a group of people rushing over quickly!

It was the five altar masters of the Holy Sect, Mu Qingyue, Xie Liuyun, Yi Yunfeng and others, as well as several hundred elite disciples. Just now, when I heard a fight coming from the entrance of the mountain gate, I rushed over to take a look!

Seeing Shengzong coming, Zhang Jiao and Yue Feng's faces became a little complicated.

call!

At the same time, the people of Shengzong were also stunned.

what's the situation? Why did Mr. Zhang get into a fight with someone?

The next second, seeing Yue Feng, Xie Liuyun's eyes flashed coldly, and he couldn't help shouting: "Okay, you kid, you sneaked into the forbidden area of my holy sect before, sneaking, and now you dare to do something with Mr. Zhang… "

In Xie Liuyun's heart, Zhang Jiaoyuan is a guest, a VIP, and this kid named Wuchen, whose origin is unknown, naturally won't have a good face!

Whoa!

The voice fell, and everyone around was talking about it!

This person called Wuchen, who broke into the forbidden area before and disappeared, now appears here again, and fights with Zhang Jiao?

For a time, everyone's eyes were locked on Yue Feng.

Seeing this scene, Yue Feng didn't have time to think about it, and shouted: "Don't get me wrong, I'm Yue Feng, the one who came with Zhang Jiao before is fake!"

What?

Hearing this, everyone was shocked again!

Is he Yue Feng? Why doesn't this look different?

To be honest, Yue Feng had spent three years in the wild and strange realm, and there were three scars on his face, and his temperament and appearance had changed, so these people from the holy sect were surprised for a while.

"Boy!"

At this moment, Zhang Jiao sneered and scolded loudly: "Don't act, I know you are Yue Feng's confidant, you are ordered by Yue Feng, come to the Holy Sect first, don't have any purpose, For now, let's just get caught!"

Having said that, Zhang Jiao looked around and continued, "Everyone, I was resting just now, and this person suddenly invited me out to tell me about something important, so who knows that as soon as they meet, they will make a surprise attack. "

It's a waste of my trust in Yue Feng, so I accompany him to the holy sect and ask Empress Chang'e to come out of the mountain, but I didn't expect that Yue Feng would actually send someone to plot against me!" He

said righteously.

Yes, Zhang Jiao wanted to conquer Yue Feng quickly, but he did not expect that Yue Feng could not be defeated in the fierce battle for so long, which led to the attraction of people from the Holy Sect.

However, Zhang Jiao's palace was very deep, and he quickly thought of the reason for the slander.

Nima!

Hearing this, Yue Feng was furious.

This Zhang Jiao is insidious to the extreme, even if the black and white is reversed, and he also pulls himself together with that fake Yue Feng.

"Good boy!"

At this moment, Xie Liuyun was furious, took a step forward, pointed at Yue Feng and cursed: "I know you didn't have a good heart when you came to the Holy Sect, honestly, what is the purpose of Yue Feng sending you here in advance? "

That idiot!

Facing Xie Liuyun's questioning, Yue Feng was very speechless, he said it was Yue Feng, but this Xie Liuyun still chose to believe Zhang Jiao's nonsense.

Chapter 2725

It's no wonder Xie Liuyun, when Yue Feng first came, claimed to be Wuchen, Xie Liuyun was preconceived and naturally would not believe his words, on the contrary, Zhang Jiao's words were more convincing!

Not only Xie Liuyun, but everyone present also leaned towards Zhang Jiao's rhetoric.

Only Mu Qingyue stood there, looking at Yue Feng complicatedly!

"Are you really Yue Feng?" Mu Qingyu couldn't help but asked softly.

Speaking of which, Mu Qingyue was Yue Feng's master after all. When Yue Feng joined the Holy Sect, he spent half a month with Mu Qingyue. In Mu Qingyue's heart, no one in the Holy Sect knew Yue Feng better than her.

The person in front of him, although his appearance is somewhat different from Yue Feng three years ago, his behavior cannot be changed.

“Master!”

Yue Feng smiled and apologized to Mu Qingyue: “Sorry, I didn’t visit you right away when I came back!”

Seriously, the entire Holy Sect treats him well, except for senior sister Liu Qingqing, this is the one Master.

“Altar Mu!”

At this moment, Xie Liuyun couldn’t help but shouted, and sneered at Mu Qingyue: “You see clearly, he is Yue Feng’s subordinate, where is Yue Feng? You also believe his lies. ?”

Saying that, Xie Liuyun glared at Yue Feng: “Come on, what is the purpose of Yue Feng sending you here? By the way, what about Yue Feng people?”

Mad!

Seeing Xie Liuyun messing around here, Yue Feng was anxious and angry.

With such a simple mind, I really don’t know how he got on the altar of Liujin altar.

“Oh no!”

At this moment, several disciples rushed over in a panic and kept shouting: “Ms. Chang’e was taken away by Yue Feng, and many disciples were injured!

” Injury, it is the patrol disciple who was in the forbidden area before.

What?

Hearing this, the expressions of everyone present changed, and they were all shocked and angry.

Yue Feng is so daring, he actually took away Empress Chang’e?

Mad, it’s still too late.

Yue Feng was even more shocked, and at the same time, he was also extremely shocked.

Chang’e is not weak, how did that fake Yue Feng capture her?

Haha…

Seeing this scene, Zhang Jiao's face was calm, but his heart was filled with joy!

Liang Hao did not let himself down, and as expected, Chang'e was successfully captured.

Thinking to himself, Zhang Jiao pointed at Yue Feng and shouted: "Boy, I know, you lied to me and deliberately caused chaos here, just to create an opportunity for Yue Feng to catch Chang'e, right, a good strategy! "

When he said this, Zhang Jiao's eyes were full of pride.

Yue Feng, Yue Feng, this time you jumped into the Yellow River and you can't wash it.

Yue Feng's face was ashen, and he didn't know how to refute it for a while. This Zhang Jiao was really cunning, and he was so eloquent and eloquent that black can be said to be white.

Whoa!

At this moment, Zhang Jiao's words immediately caused the anger of Xie Liuyun and others!

"Grab this kid first!" Xie Liuyun said coldly, his inner strength urged, and his figure jumped up, at the same time, a long sword appeared in his hand: "If you can't catch it, just kill it on the spot! "

The voice fell, and Xie Liuyun's long sword was almost reaching Yue Feng's chest!

Yue Feng clenched his fists tightly, and his anger was released, he couldn't help cursing: "Are you all idiots? I said it all, I'm Yue Feng, the one who took Chang'e was fake, why don't you believe it? ?" When the

voice fell, Fang Tianhuaji appeared instantly, laying across his chest, blocking Xie Liuyun's blow!

"Clang!"

Fang Tianhua halberd and the long sword violently collided, making a loud noise, Xie Liuyun was shaken back several steps, and a mouthful of blood spurted out!

So strong.

At this moment, Xie Liuyun stabilized his figure and stared blankly at the Fang Tianhuaji in Yue Feng's hand, the whole person was a little stupid!

Could it be that what this kid said is true, he is Yue Feng? You must know that there is only one Fang Tianhua halberd in the world. After the discovery of the ancient tomb of Lu Bu, Fang Tianhua halberd fell into the hands of Yue Feng and never changed hands.

The ultimate husband in Chinese chapter 2726-2730

Chapter 2726 The

more Xie Liuyun thought about it, the more frightened he became.

Mad, this kid is the real Yue Feng, but he deliberately used Wuchen's pseudonym before, obviously he was playing with Shengzong.

You especially thought that in the daytime, Yue Feng treated Zhang Na and forced the entire Liujintan to apologize to Liu Qingqing, and Xie Liuyun felt even more humiliated.

No wonder this kid would help Liu Qingqing so much. It turns out that he is Yue Feng's deity.

"Haha!"

At this moment, Zhang Jiao, who was watching from the side, couldn't help but sneered and looked at Yue Feng and said, "Boy, it seems that Yue Feng trusts you very much, even his own weapon, Fang Tianhuaji, I'll let you use them all!"

"Yue Feng gave you Fang Tian's halberds to block the people of the Holy Sect, so that he could delay time to catch Lady Chang'e, right?"

When he said this, Zhang Jiao had a face on his face treacherous.

Zhang Jiao observed closely and saw that Xie Liuyun had guessed Yue Feng's identity. He didn't have time to think about it at the time, and confused the audience again. The deeper the misunderstanding between Yue Feng and Shengzong, the better it would be for him.

Mad!

Yue Feng's face was ashen, and he could not wait to kill Zhang Jiao immediately.

This Zhang Jiao is really insidious to the extreme, and at this time, he is still sowing discord.

call!

However, when he heard this, Xie Liuyun flashed coldly and shouted angrily: “Boy, even if you have Yue Feng’s Fang Tianhuaji, Shengzong is not a place where you can go wild!”

Xie Liuyun is not a fool, he has realized that he is in front of him. It is the real Yue Feng, but after all, he is the altar master of the Liujin altar, and his identity is extraordinary.

This chapter is provided by . Visit for daily update.

More importantly, Xie Liuyun and Yue Feng originally had a grudge, and at this time they wanted to make a mistake and kill Yue Feng!

“Xie Liuyun, I said it all, I’m Yue Feng, Zhang Jiao has ulterior motives, how can you believe what he says?!” Yue Feng clenched his fists, burning with anger!

“Stop talking nonsense, suffer to death, boy!” Xie Liuyun was too lazy to talk nonsense, a roar sounded, and with a flick of his wrist, the long sword stabbed towards Yue Feng again.

“Yes, take it first and then talk about it!”

“Boy, whether you are the real Yue Feng or not, hurry up and capture it!”

At the same time, Yi Yunfeng and the others next to him, as well as many elite disciples, shouted angrily, all of them rush over! For a while, Yue Feng was surrounded!

“Clang!”

Yue Feng’s Fang Tianhua halberd kept waving to resist, but there were too many people to stop him.

To be honest, with Yue Feng’s current strength, it is not difficult to deal with people like Xie Liuyun and Yi Yunfeng.

Haha…

Seeing this scene, the corners of Zhang Jiao’s mouth twitched, revealing a cold smile.

Yue Feng, Yue Feng, how can you be my opponent?

Thinking about it, Zhang Jiao wanted to rush over and help Xie Liuyun and others subdue Yue Feng, but thinking of his own identity, he held back.

Moreover, Zhang Jiao consumed some of his internal strength just now by urging Kaitian Axe and Yue Feng to fight fiercely. At this time, he took the opportunity to retreat to the side and recover secretly.

“You…”

At this moment, Mu Qingyue, who was standing by the side, frowned and was very anxious: “Don’t fight, don’t fight.”

Yue Feng has already admitted his identity, but Xie Liuyun’s group, but Also have a big fight.

Anxious, Mu Qingyue was about to rush up, but the situation in front of her was too chaotic, afraid of hurting her own people, Mu Qingyue finally gave up, standing there and stomping her feet in a hurry.

However, Xie Liuyun just pretended not to hear Mu Qingyue’s words, and continued to besiege Yue Feng with everyone around him.

In the blink of an eye, ten minutes passed, and everyone still did not subdue Yue Feng.

“Fellow of the Holy Sect!”

At this time, Zhang Jiao’s internal strength almost recovered, and he said solemnly: “This kid will be handed over to you, I will go after Yue Feng and rescue Empress Chang’e!”

Chapter 2727 The

voice fell, and Zhang Jiao’s figure rose into the sky and flew into the distance.

To be honest, Zhang Jiao really wanted to join Xie Liuyun and others to surround and kill Yue Feng on the spot, but now the most important thing is to join Liang Hao and completely control Chang’e.

In the blink of an eye, Zhang Jiao’s figure disappeared into the night.

“Mr. Zhang!”

Xie Liuyun, Yi Yunfeng and the others responded in unison, watching Zhang Jiao leave.

Immediately afterwards, everyone still cooperated with each other and continued to besiege Yue Feng.

Nima!

Yue Feng was so anxious and angry that his eyes almost burst into flames!

Are Shengzong’s gang all idiots? Zhang Jiao and the fake Yue Feng caught Chang’e, and now they have all run away, and these people haven’t reacted yet.

Thinking to himself, Yue Feng didn't want to continue fighting, and was ready to find an opportunity to rush out.

If Chang'e falls into Zhang Jiao's hands, it's definitely not a good thing.

"Who is making trouble in the Holy Sect?"

At this moment, a thick voice came, and then, a figure flew quickly, immortal, with a strong aura.

It is the head of the Holy Sect, Lu Dongbin!

Lu Dongbin was originally in retreat, but just now, there was a fight in the forbidden area of the back mountain, and then there was chaos in the direction of the entrance to the mountain gate.

Swish!

In the blink of an eye, Lu Dongbin was in the middle of the square, his eyes locked on Yue Feng.

Because it was a dark night, and in the past three years, Yue Feng had changed a lot, so Lu Dongbin didn't recognize it for a while.

Sect leader?

Seeing Lu Dongbin, Xie Liuyun and others were both surprised and happy.

Immediately afterwards, Xie Liuyun couldn't help but shouted: "Sect Master, this person is Yue Feng's subordinate, and just cooperated with Yue Feng to capture the Empress Chang'e, we are about to capture her for questioning, how do you know that this kid is very powerful. "

When he said this, Xie Liuyun's expression was very angry, but there was cunning in his eyes.

He knew that Lu Dongbin didn't know that the person in front of him was Yue Feng, so it was just right that he could get rid of Yue Feng with the hands of the sect master. You must know that although Yue Feng was very strong, he was by no means an opponent of the sect master.

What?

Hearing this, Lu Dongbin's expression changed.

Empress Chang'e was taken away by Yue Feng? Is this kid in front of Yue Feng's party?

Thinking about it, Lu Dongbin flashed before reaching Yue Feng, holding back his anger: "Good boy, dare to break into the Holy Sect, and be rude to Empress Chang'e!"

Om!

The voice fell, and a terrifying aura erupted from Lu Dongbin's body. In an instant, the surrounding air seemed to be stagnant!

Unfathomable and powerful coercion, suppressing people panic!

The next second, Lu Dongbin slowly raised his right hand and hit Yue Feng with a palm!

This strength…

Feeling the pressure of the powerful breath, Yue Feng was startled. He wanted to explain, but under this powerful pressure, he couldn't open his mouth at all. In a hurry, he had no choice but to hold Fang Tianhua tightly. Halberd, attack! Yue Feng did not dare to be careless, and urged all his internal forces to resist!

Bang!

The palm force slapped the Fang Tianhua halberd fiercely. Yue Feng only felt an overwhelming force coming from the mountains.

Nima!

This Lu Dongbin is worthy of being a master of the Taoist sect. His strength is simply too terrifying. He used all his inner strength to barely block this palm!

Chapter 2728

"Master!"

Seeing this scene, Mu Qingyue below was nervous, her heart was in her throat, and she couldn't help shouting: "This is a misunderstanding, he is not…"

Mu Qingyue Qingyue thought this was Yue Feng, but she was interrupted by Xie Liuyun after she said a few words.

"Lord Mu, you don't have to say good things to Yue Feng." Xie Liuyun sneered with a sinister look on his face: "Who doesn't know that Yue Feng is your apprentice, but he captured Chang'e and did such a rebellious thing, sin There is no forgiveness!"

“This kid is his comrade, he must not be tolerated!”

When he said this, Xie Liuyun kept his eyes on Yue Feng.

Haha, the sect master has taken action, this time Yue Feng will be disabled. However, it is not easy for this kid to block the palm of the head.

“You…”

Mu Qingyue frowned, looking at Xie Liuyun anxiously and angrily, unable to speak.

What happened to Xie Liuyun? The situation in front of him is obvious, this is the real Yue Feng, why can’t he see it?

At this time, Mu Qingyue didn’t know it yet, but Xie Liuyun had already seen it, that it was deliberately wrong, so as to take the opportunity to get rid of Yue Feng.

call!

Lu Dongbin, on the other hand, was quietly floating there, without the slightest emotional fluctuations in his expression.

“I didn’t expect that all of Yue Feng’s subordinates were so powerful that they could block my palm.” At this time, Lu Dongbin looked up and down at Yue Feng with a dignified look in his eyes!

Click!

The voice fell, and a handful of Buddha dust appeared in Lu Dongbin’s hand.

This Buddha dust is exactly Lu Dongbin’s weapon. It is made of ten thousand years of cold iron and thousand years of ice silk. Like Chang’e’s Xingyue Sword, its quality surpasses the purple rank. It is a rare weapon that is close to a divine weapon.

call!

Seeing Lu Dongbin summoning Fochen, Mu Qingyue’s delicate body trembled, her jade hands clasped tightly, and she broke into a cold sweat for Yue Feng.

Oops, the head is serious, Yue Feng is in trouble now!

Xie Liuyun couldn’t be more excited. The sect master used weapons, and now Yue Feng is dead!

Gudong!

Feeling the solemn expression on Lu Dongbin's face and the invisible pressure that permeated his body, Yue Feng's forehead was sweating, and he couldn't help swallowing!

Nima!

This Lu Dongbin seems to be coming for real, I'm afraid I can't stop it.

hum!

Lu Dongbin didn't talk nonsense, he raised his hand and waved, and saw a rhythm of spiritual power between heaven and earth, and then, a yin and yang gossip pattern condensed out and burst towards Yue Feng.

Yue Feng didn't have time to think about it, so he quickly summoned Bailian Lenghuo and formed a protective barrier in front of him!

Bailian cold fire?

Seeing the white flame flashing and forming the shape of a lotus flower, Lu Dongbin's expression changed, and he suddenly realized something.

He… he is Yue Feng!

No, didn't Xie Liuyun say that this kid is Yue Feng's accomplice?

However, in the world, only Yue Feng successfully merged the cold fire of white lotus, and the person in front of him used the cold fire of white lotus to condense the protective film, who else but Yue Feng?

Thinking to himself, Lu Dongbin wanted to remove the internal power of the gossip graphics, but it was too late!

Bang!

The next second, I heard an earth-shattering roar, and I saw the protective film condensed by Bailian's cold fire shattered in an instant, and then Yue Feng let out a groan, and the whole person was shocked and flew out, flying more than a hundred times. Mi Yuan fell heavily to the ground.

When he resisted Lu Dongbin's palm just now, Yue Feng had already consumed a lot of internal energy. At this time, he could not resist Lu Dongbin's Daoist exercises.

After all, this is a famous Taoist master!

"Yue Feng!"

Seeing this scene, Mu Qingyue couldn't help but exclaimed, hurried over to check Yue Feng's injury, and saw that Yue Feng was so severely injured that he had fainted!

Chapter 2729

At the same time, Lu Dongbin landed slowly, frowned at Yue Feng, and muttered to himself: "Ashamed, fortunately

, I didn't do my best just now!" At this time, Lu Dongbin was very complicated.

As the head of the Holy Sect, the first-generation master of the Taoist sect, it is too embarrassing to admit the wrong person.

call!

Hearing this, everyone present looked at each other in dismay, and they all didn't understand. The sect leader wanted to kill this Yue Feng's comrade just now. Why did he regret it in a blink of an eye?

"Haha…"

At this moment, Xie Liuyun came over, looked at Yue Feng's eyes closed, his face was pale, and couldn't help but say proudly, "Your kid isn't dead yet?" As

he was talking, he saw Lu Dongbin's serious expression. Looking at it, Xie Liuyun's heart trembled, knowing that he was a little complacent, and quickly shut his mouth.

"Qingyue!"

At this time, Lu Dongbin breathed a sigh of relief, and instructed Mu Qingyue and the others: "Take the person down for treatment. Others, immediately go down the mountain and track down the whereabouts of Empress Chang'e. There must be no mistake."

"Yes . After receiving the

order, everyone responded in unison, and then Mu Qingyue asked two disciples to take Yue Feng down for healing.

Watching everyone leave, Lu Dongbin's eyes fell on Xie Liuyun: "Liuyun, come with me!"

Xie Liuyun nodded quickly, feeling a little uneasy in his heart.

It's broken, did the boss see something?

A few minutes later, he arrived at the secret room where Lu Dongbin retreated.

Lu Dongbin sat there slowly, and after instructing Xie Liuyun to close the door, he asked lightly, “Liuyun, what’s going on tonight?”

Not loud, but full of majesty!

“Sect Master!” Xie Liuyun swallowed his saliva secretly, and explained the situation one by one.

call!

Knowing the situation, Lu Dongbin pondered for a while, and his expression suddenly became serious: “Actually, when I arrived just now, you already knew that that ‘Wuchen’ is the real Yue Feng, why do you keep saying that he is Yue Feng’s subordinate ?”

After speaking, Lu Dongbin’s eyes became sharp: “You want to use my hand to get rid of Yue Feng, just because when Yue Feng worshipped the Holy Sect, you lost face, right?”

“I… .”

Xie Liuyun’s body trembled, and his heart was extremely shocked.

It turned out that the headmaster already knew everything.

Thinking to himself, Xie Liuyun hesitated for a while, then bent his knees, and knelt down directly in front of Lu Dongbin: “Master, I was wrong, please punish me!”

When he said this, Xie Liuyun was full of shame, but There was a glimmer of luck in his eyes.

No matter what he said, he was also the altar master of the Liujin altar. Even if the behavior just now was a little selfish, the head would still turn to him. After all, Yue Feng was an outsider no matter what.

Seeing his resolute confession, Lu Dongbin was expressionless, without the slightest emotion!

For a while, there was a strange silence in the secret room. The atmosphere was a little depressing.

Feeling this depression, Xie Liuyun felt a little uneasy in his heart.

“Liu Yun!”

Finally, Lu Dongbin breathed a sigh of relief and said slowly, “Remember when you first joined the Holy Sect, you were only ten years old, and you have such a strong personality. I warned you at the time that you should not be impetuous in your future cultivation. , and don’t pay attention to the gains and losses of grievances!”

“But for so many years, you have been doing your own way. Although you have contributed so much to the Holy Sect for so many years, it is in vain to improve your cultivation strength without a breakthrough in your state of mind.”

“Master…”

Hearing this, Xie Liuyun was stiff There, cold sweat broke out all over his body: “I was wrong!”

Lu Dongbin smiled slightly and waved his hand: “Some things, it’s not just a matter of knowing something is wrong, this time you made a big disaster, and what happened tonight is clearly Zhang Jiao You lied to the sky and crossed the sea, captured Chang’e with a traitorous scheme, and Yue Feng took the blame, but you, for your own personal grievances and revenge against Yue Feng, let Zhang Jiao go, and almost let me kill Yue Feng by mistake.”

“From now on, You are no longer the altar master of the Liujin altar, go to the back mountain and think about it yourself!”

What?

At this moment, Xie Liuyun felt like he was struck by lightning, his legs were weak, and he almost collapsed on the ground!

Chapter 2730

Xie Liuyun at this time is almost crying without tears.

Why?

Even if you want to take revenge on Yue Feng, but Yue Feng is not dead, he is about to be removed from the position of the altar master, and he has to think about it? Thinking to himself

, Xie Liuyun hugged Lu Dongbin’s legs and feet, crying and begging for mercy: “Master, I was wrong, I was really wrong… Please open the door to the head.”

How many years have you worked hard to get on the seat, and now there is nothing left, how can you be reconciled?

However!

In the face of Xie Liuyun's begging for mercy, Lu Dongbin's attitude was very firm, he shook his head and said: "Liuyun, I have already said it very clearly, your character is too heavy on grievances and grievances, and it is not suitable for you to be the altar master." After speaking

, Lu Dongbin looked Seriously, he continued: "Also, the biggest mistake you made was to ignore the safety of Empress Chang'e, and only wanted to take revenge on Yue Feng, Empress Chang'e is a strange woman in the world, and Zeng's mother is beautiful in the world, she really wants to have something wrong, You can't afford it." The

last sentence fell, and Lu Dongbin raised his hand: "Go!"

Huh!

At this moment, Xie Liuyun was completely desperate and nodded.

However, when he got up, Xie Liuyun's eyes flashed with a hint of coldness.

I have been loyal to the Holy Sect for decades, but in the end, I can't match a Yue Feng, and Chang'e. Since you are unkind, don't blame me for being unrighteous.

"Sect Master, I'm sorry!"

At this moment, when Xie Liuyun turned around, suddenly, a powerful aura burst out from Xie Liuyun's body, raised his hand and slapped it directly at Lu Dongbin's heart.

Lu Dongbin's expression changed, he raised his hand and waved, and a protective film formed in front of him.

However, Xie Liuyun's purpose was not this. Seeing him turn around, he raised his hand again and directly knocked out a lamp beside Lu Dongbin.

In the secret room of Lu Dongbin's retreat, there are a total of nine lamps, which are placed according to the yin and yang gossip, called the gossip nine palace lanterns. In the past few years, Lu Dongbin has gained a new understanding of Taoist exercises and created a gossip-based exercise, and this gossip and nine palace lanterns are the key.

Xie Liuyun, as the altar master of the Liujin altar, knew very well that as long as the gossip nine palace lanterns were extinguished, he would be able to inflict heavy damage on Lu Dongbin.

"Liu Dongbin!"

Lu Dongbin was extremely frightened and shouted angrily, "What are you doing?"

While speaking, Lu Dongbin's face was weak.

Before leaving the customs early, Lu Dongbin's dantian internal power was a little disordered, and later he started with Yue Feng, but at this time, Xie Liuyun suddenly extinguished the gossip Jiugong lantern, and the dantian internal power suddenly turned into chaos.

At this time, Lu Dongbin was very frightened and angry. He never thought that Xie Liuyun, who had always been respectful to him, would suddenly attack him.

call!

Xie Liuyun didn't respond, his face flashed crazy, taking advantage of Lu Dongbin's weakness, he turned off all the remaining eight lights.

After doing this, Xie Liuyun sneered and said slowly: "Sect Master, although you are a master of Taoism, your thinking is too pedantic. Since you are dedicated to seeking Taoism, then go to the illusory realm and slowly cultivate."

When saying this , Xie Liuyun's eyes fell on a gourd in the corner of the secret room!

This gourd, called the Qiankun gourd, is the treasure of the holy sect. It is said that when the world was opened up, a spiritual thing was born between the heaven and the earth.

It is said that the Great Illusory Realm is very large, filled with aura, and there are endless dangers. For thousands of years, many strong people have tried to break in, but they have not come out safely.

Lu Dongbin also tried to enter the illusory realm, but because he was not fully sure, he finally gave up!

At this time, Xie Liuyun's purpose was very obvious. He didn't want to kill Lu Dongbin, but as long as he was trapped in the illusory realm, he would be fearless in the Holy Sect in the future.

hum!

After making up his mind, Xie Liuyun slapped Lu Dongbin with a palm without any hesitation!

Without the gossip and the nine palace lanterns, Lu Dongbin's internal strength was affected, and he was very weak, and he had no strength to resist.

boom!

As soon as he saw that this palm hit Lu Dongbin hard, he stumbled back, his face was pale, and he was extremely weak!

It was at this moment that Xie Liuyun rushed over and opened the seal of the Qiankun gourd, and saw a powerful force surging out from the mouth of the gourd, enveloping Lu Dongbin at once.

The ultimate husband in Chinese chapter 2731-2740

Chapter 2731

Whoosh!

In the next second, under the terrifying force, Lu Dongbin disappeared and was trapped in the illusory realm in the cosmic gourd.

call!

At this moment, Xie Liuyun took a deep breath, with a crazy smile on the corner of his mouth, without the slightest pity or heartache in his eyes, and said coldly: “Master, don’t blame me, who told you to turn to outsiders? Just be honest. Stay in the illusory realm, and the sect will be handed over to me!” The

voice fell, Xie Liuyun walked over, picked up the token of the sect master that had fallen on the ground, turned around and strode out of the secret room!

When he got outside, Xie Liuyun called his disciples and ordered everyone to gather in the main hall!

After a while, Yi Yunfeng, Mu Qingyue and others rushed to the main hall together!

Um? !

As soon as they entered the hall, Mu Qingyue, Yi Yunfeng and the others were all stunned when they saw the scene in front of them.

I saw that Xie Liuyun was wearing the robe of the head, sitting on the throne, with a hint of arrogance on his face.

“Xie Liuyun!”

Soon, Mu Qingyue reacted first, shouting at Xie Liuyunjiao: “What are you doing? You dare to sit in the position of the head?”

Before Xie Liuyun instigated everyone to besiege Yue Feng, Mu Qingyue was very dissatisfied. At this time, seeing him arrogantly sitting on the throne of the sect leader, he was even more angry.

The voice fell, and everyone else agreed.

“Xie Liuyun, come down quickly!”

This chapter is provided by . Visit for daily update.

“Crazy…”

Hearing everyone’s scolding, Xie Liuyun smiled, looked around, and said lightly: “Everyone, don’t be impatient, the head just called me to go to the secret room and follow me. I said a lot.”

“The head of the sect has recently retreated, and I have a new understanding. Just now, I have already gone to the illusory realm, so I handed over the sect to me.”

“In other words, I am now the new head of the sect!”

said At these times, Xie Liuyun looked serious.

Whoa!

Hearing this, everyone in the hall was stunned, thinking that they had heard it wrong.

The Sect Master handed over the Holy Sect to Xie Liuyun?

This… is too sudden.

“This…”

At this moment, Yi Yunfeng came out, his eyes flashing complicatedly, and he said to Xie Liuyun, “You said that the Sect Master entrusted you with the Holy Sect? What evidence is there?”

Speaking of which, Lu Dongbin was going to investigate The entire Holy Sect knows about the Illusory Realm, but for thousands of years, Lu Dongbin has been hesitating, and now he suddenly went to the Illusory Realm, which is too sudden.

Moreover, the Holy Sect was full of talents, and Xie Liuyun was not a suitable successor.

Swish!

The voice fell, and everyone else was staring at Xie Liuyun, and their eyes were asking.

Xie Liuyun didn’t panic at all, smiled slightly, and took out the head token from his body: “The token is here, it was given to me by the head, do you have any questions?”

Seeing the head token, Yi Yunfeng no longer Suspected, he immediately knelt down towards Xie Liuyun: “Meet the Sect Master!”

In Yi Yunfeng’s heart, Lu Dongbin’s strength was unfathomable, and it was impossible for Xie Liuyun to grab the Sect Master token from him.

However, Yi Yunfeng didn’t know that Xie Liuyun used despicable means to destroy Lu Dongbin’s gossip nine palace lanterns and trapped Lu Dongbin in the illusory realm. of.

“Meet the Sect Master!!”

In an instant, the rest of the people, including Mu Qingyue, all knelt down.

“Well, let’s all get up!”

Xie Liuyun raised his hand in satisfaction, and then his eyes fell on Mu Qingyue with a hint of gloom.

Chapter 2732

“Mu Qingyue!”

Finally, Xie Liuyun couldn’t help but said coldly, “Do you know what

‘s wrong?” When he said this, Xie Liuyun kept looking at Mu Qingyue up and down, his eyes shone with a strange light.

It has to be said that Mu Qingyue is a famous goddess of the Holy Sect. Any man will be moved when he sees it, Xie Liuyun is no exception, but he was only the altar master of Liujin altar before, and he was on an equal footing with Mu Qingyue. More importantly, there has always been grievance between the two altars, so Xie Liuyun held his own identity and dared not make any difference. idea.

But now it is different. As the head of the sect, Xie Liuyun no longer has any scruples.

Xie Liuyun knew that Mu Qingyue had an arrogant temperament, and if she wanted to conquer her, she must first establish her prestige.

Swish!

At this moment, the eyes of the entire hall focused on Mu Qingyue!

Mu Qingyue also trembled, Xie Liuyun’s eyes made her very uncomfortable, but she calmed down and said slowly: “The head said this, it makes me a little puzzled, please clarify!”

When saying this, Mu Qing Yue Qiang endured the displeasure in his heart.

To be honest, Mu Qingyue completely regarded Xie Liuyun as a thorn in her eyes after years of fighting with Liu Jintan.

But there is no way, now that Xie Liuyun is the head, even if there is dissatisfaction, he can only bear it.

boom!

Hearing the answer, Xie Liuyun slapped the table and said angrily: “I don’t know? Mu Qingyue, you are so embarrassed to answer this way? Yue Feng captured the mother Chang’e, and you are Yue Feng’s master, you dare to say that about yourself. Can’t get out of the relationship?”

Saying that, Xie Liuyun looked around and continued: “Just now, when the head of the sect took action against Yue Feng’s comrades, you still have to stop it, what is your motive? Did you also participate in the plan?”

At this time, Xie Liuyun had a gesture of asking for guilt, but his eyes were glittering with pride and cunning.

Until now, everyone present, except Mu Qingyue and herself, didn’t know that the one who was injured by Lu Dongbin just now was the real Yue Feng.

Whoa!

The voice fell, and everyone in the hall couldn’t help but talk about it!

“I won’t take the matter of Yue Feng’s arrest of Empress Chang’e, and Tan Master Mu was involved?”

“It’s possible, after all, Tan Master Mu is Yue Feng’s master.”

“Yeah…”

Under the discussion, all the Everyone looked at Mu Qingyue with suspicion in their eyes.

Mu Qingyue bit her lips tightly, her petite body trembling with anger.

This Xie Liuyun is really a despicable villain, this is clearly a public revenge, such an insidious person, I really don’t know how the head of the sect handed over the holy sect to him.

Thinking to herself, Mu Qingyue resisted her anger and defended: “This matter has nothing to do with me, and it was Yue Feng who was injured by the head just now, and it was obvious that Chang’e was taken away. Fake…”

“Shut up!”

Before she could finish speaking, Xie Liuyun's face darkened, he patted the table heavily, stood up, pointed at Mu Qingyue and scolded: "Now you still give Yue Feng Cleared? Do you want to say that the arrest of Chang'e has nothing to do with Yue Feng?"

"Now that the story of Empress Chang'e's arrest by Yue Feng has spread throughout the Holy Sect, is it possible that everyone Are they all blind?"

Hearing this, many people subconsciously nodded in agreement.

Mu Qingyue was completely anxious, why didn't these people believe in themselves?

"Mu Qingyue!"

At this moment, Xie Liuyun took a deep breath and said coldly: "Don't be obsessed, it's too late to admit your mistake, I'll give you a chance to immediately kill Yue Feng's comrade, the one called Wuchen. Man, I don't need to hold you accountable for your faults!"

Xie Liuyun knew better than anyone that Wuchen was the real Yue Feng.

At this time, it was not really that Mu Qingyue killed Yue Feng, Xie Liuyun was just pretending, so that the people present could see.

What?

Hearing this, Mu Qingyue's heart trembled, her beautiful face was full of resistance, and then she said to Xie Liuyun: "Xie Liuyun, how did Empress Chang'e get arrested? It's about the wind!"

Chapter 2733

"I know that when Yue Feng worshipped the Holy Sect, he embarrassed you several times, so you held grudges and wanted to get rid of him."

"If it is really related to Yue Feng, I will not let it go. He, but the truth is not clear, let me do it, I can't do it."

"Also!" At the

end, Mu Qingyue's face was cold, and she said to Xie Liuyun word by word: "Just like you do it. Sect Master, it's a shame for the Holy Sect!"

She added to the last two words.

To be honest, Mu Qingyue was reluctant to turn against Xie Liuyun, but she never thought that Xie Liuyun would force her to kill Yue Feng, which made Mu Qingyue unacceptable.

hiss!

In an instant, the entire hall was completely silent! All eyes are on Mu Qingyue!

She.. what did she say? ! Xie Liuyun just sat in the head, she actually said it was a disgrace of the Holy Sect?

In the Holy Sect, the words of the head of the sect are the rules and regulations of the sect. Mu Qingyue said this, it is simply a violation of the following.

At this moment, Xie Liuyun's expression suddenly changed. You must know, in front of so many people, being so scolded by Mu Qingyue, where would he put his face?

For a while, the atmosphere in the hall was extremely solemn.

call!

But soon, a smile appeared on Xie Liuyun's face, he nodded and said: "Okay, very good, since you are obsessed and insist on covering up Yue Feng, then don't blame me, come and take it for me!"

Said When he said these words, Xie Liuyun was very angry on the surface, but he was happy in his heart.

He had been forcing Mu Qingyue to kill Yue Feng just now, and the purpose was to anger her, so that there was a reason to lock her up.

The words fell, and Yi Yunfeng and the others in the hall all looked at each other in dismay.

Whoops!

In the next second, everyone's inner strength urged and directly surrounded Mu Qingyue. Speaking of which, none of these people wanted to do anything to Mu Qingyue, but she was so contemptuous of the new Sect Leader that she could never let it go.

"You…"

Seeing this scene, Mu Qingyue's delicate body trembled, anxious and angry.

However, although Mu Qingyue's strength was high, he couldn't stop so many people.

“Take it down first, lock it up!” Xie Liuyun waved his hand and ordered.

A few disciples responded, holding Mu Qingyue and leaving the hall!

“Master!”

As soon as he left, a slender figure came out, it was Zhang Na.

When the master became the head, Zhang Na couldn’t tell how excited she was, and said to Xie Liuyun: “Master, that Yue Feng’s comrade, called Wuchen, is still in the back room to heal, what should I do?

Xie Liuyun looked at Zhang Na and smiled slightly: “To be tortured, it’s best to ask Yue Feng’s whereabouts. I’ll leave this matter to you!” “

Yes, Master!” Zhang Na nodded quickly!

Xie Liuyun snorted and raised his hand: “Okay, everyone, let’s go down, Zhang Na stays!”

When saying this, Xie Liuyun’s eyes flashed with a deep meaning.

When the words fell, Yi Yunfeng and the others saluted one after another, and then exited the hall.

“Zhang Na!”

As soon as everyone left, Xie Liuyun waved at Zhang Na!

Zhang Na hurried forward and asked respectfully, “Master, oh no… Sect Master, what else is there to order?” Huh

!

Xie Liuyun took a deep breath, his face full of smiles, showing a bit of gloom: “That person called Wuchen, don’t need to interrogate, just kill him!”

Chapter 2734

What?

Hearing this, Zhang Na was taken aback, and her heart was full of doubts: “Master, this Yue Feng’s comrade obviously knows a lot of things, why don’t you need interrogation?”

“Silly apprentice!”

Xie Liuyun chuckled lightly . , said seriously: “This Wuchen is the real Yue Feng, and the one who captured Chang’e is a fake!”

There were other people in the hall just now, and Xie Liuyun was inconvenient to say it. Now that everyone has left, there is no concern.

Xie Liuyun was not at all worried that Zhang Na would betray her. You must know that Zhang Na worshipped Xie Liuyun as her teacher when she was ten years old.

What?

At this moment, Zhang Na’s body trembled, her eyes widened, and she stared blankly at Xie Liuyun, speechless.

That… that Wuchen is Yue Feng?

A few seconds later, Zhang Na reacted, took a deep breath, and nodded at Xie Liuyun: “I understand, Master! I will definitely get rid of Yue Feng, and make sure that the ghost will not know it, and will not let anyone know.”

Saying this At that time, Zhang Na’s delicate face could not hide the resentment.

Yue Feng has humiliated himself several times, but his strength is too strong, and it is difficult to retaliate with his own realm, and now there is such a good opportunity, he will definitely not miss it.

…

the other side!

In the woods a hundred miles northwest of Shengzong, Liang Hao and Chang’e flew for several hours. When he was tired, he landed and rested for a while.

“Despicable villain!”

As soon as she landed in the woods, Chang’e couldn’t help drinking: “Let me go, or you will die without a burial!”

At this time, Chang’e was so angry that she could not express her anger. She was the goddess of the mother-in-law, Chang’e. In the Kyushu continent, whoever saw her was not respectful, but the person in front of her, who pretended to be Yue Feng and attacked her, was a great shame. !

“Tsk tsk!”

Facing Chang'e's anger, Liang Hao didn't panic in the slightest, but looked up and down with a smile, and said jokingly: "The lady's temper is really hot, don't worry, I'm only responsible for catching you, and I won't do anything to you. Yes, so, please don't be impatient!" As

he said, Liang Hao watched from a close distance, his eyes straightened.

Beautiful, so beautiful!

At this time, Liang Hao was almost unable to hold back, but in the end he forcibly held back, because Zhang Jiao repeatedly instructed him to capture Chang'e, and he must keep his duty and must not have the slightest blasphemy.

However, Chang'e screamed more and more fiercely. In the end, Liang Hao couldn't do anything, so he raised his hand and knocked Chang'e unconscious.

Whoosh!

It was at this time that a figure came quickly in the night sky not far away, and arrived in front of Liang Hao in the blink of an eye.

Wearing a black robe, with a grim expression.

It was Zhang Jiao.

"My lord!"

Liang Hao didn't dare to be negligent, and quickly knelt down and saluted: "My subordinates lived up to their expectations, they have already caught Empress Chang'e!"

"Yes, yes!" Zhang Jiao nodded approvingly. Looking at the unconscious Chang'e, she was indescribably happy.

Haha….

Chang'e is already in her own hands, and it won't be long before the whole world is hers.

"Lord!"

At this time, Liang Hao stood up and said cautiously, "What should I do next?"

Zhang Jiao pondered, looked around, and said slowly, "Find a hidden place, and I will use the 'Soul Deception Technique' for Empress Chang'e. , Liang Hao, wait for you to lie down for me nearby, remember, don't let anyone approach, you know?" The

voice fell, Zhang Jiao hugged Chang'e and walked towards the depths of the woods!

"Understood!" Liang Hao quickly followed behind.

A few minutes later, Zhang Jiao chose a place, sat cross-legged, exercised his inner strength, hung his hands above Chang'e's head, and began to urge the soul-snatching technique.

The Soul Recapture Dafa is a kind of exercise created by Zhang Jiao. After success, the target will unconditionally obey all orders. This exercise was created after nearly a thousand years of painstaking research when Zhang Jiao was trapped in the ancient tomb of Lv Bu. Never performed.

You must know that the target cannot resist the slightest bit when using the Soul Repelling Technique, and at this time, Chang'e was unconscious, but it was a good opportunity from heaven.

Chapter 2735

Liang Hao followed Zhang Jiao's orders, and he was full of energy and surrounded the realm!

Time passed by!

call!

Finally, Zhang Jiao withdrew his internal force, and moved his palm away from Chang'e's head, completing the Soul Seizure Dafa.

At the same time, Chang'e also woke up faintly, but her eyes were not as bright as before, with a faint feeling of emptiness.

"Master!" In the

next second, Chang'e's eyes fell on Zhang Jiao, she bowed slightly, and shouted respectfully, "Chang'e is at the mercy of Master!"

When she said this, Chang'e lost her usual arrogance, but was extremely docile.

Haha…

Seeing this scene, Zhang Jiao was extremely proud and excited. He succeeded. He thought it would be the first time to use the Soul Seizure Technique, there would be some drawbacks, but he didn't expect it to be so smooth.

Liang Hao next to him was also extremely shocked.

It’s just incredible that the lord could make Chang’e recognize the lord.

….

this moment, the other side!

Shengzong Mountain Gate, Mu Qingyue’s boudoir!

I don’t know how long it took, Yue Feng woke up from the coma.

hiss!

The moment he opened his eyes, Yue Feng couldn’t help taking a breath of cold air, only to feel sore all over his body.

The strength of that Lu Dongbin is really terrifying. Fortunately, he has deep internal strength, otherwise, he would be dead by now!

Muttering in his heart, Yue Feng looked around and was stunned!

I saw that I was lying in a boudoir, and the air was filled with a faint fragrance. The whole room was a little simple, but there was an elegant atmosphere everywhere.

This…

Yue Feng was stunned, but he quickly thought of something.

After she fell into a coma, she seemed to hear Mu Qingyue’s cry, and it seemed that she was in her room.

Thinking of Mu Qingyue, Yue Feng couldn’t help but feel a warm current in his heart. In the entire holy sect, except for that senior sister Liu Qingqing, only Mu Qingyue cared about him.

Thinking of this, Yue Feng didn’t have time to think about it, he sat there cross-legged, and began to heal and recover.

In Mu Qingyue’s room, she should be safe. After all, Mu Qingyue is the altar master of the Xingmu altar, who dares to break into her room?

Soon, Yue Feng entered a state of cultivation.

Yue Feng thought about it. After healing, he hurried to chase the fake Yue Feng. That person was Zhang Jiao’s subordinate. If Chang’e fell into their hands, it would be more fortunate than for luck!

Squeak –

just as Yue Feng was stepping up his cultivation, suddenly, a gap was quietly opened in the room, followed by a slender figure that rushed in quickly!

It's Zhang Na!

Just now, Zhang Na got Xie Liuyun's order to get rid of Yue Feng, and she broke in directly after learning that Yue Feng was resting in Mu Qingyue's room!

Um? Yue Feng actually woke up?

At this moment, seeing Yue Feng sitting cross-legged in the room and healing her wounds, Zhang Na was stunned for a moment, and then a cold light flashed in her eyes.

Thinking of being humiliated by Yue Feng before, and being forced to make amends to Liu Qingqing, the endless humiliation and anger, the anger of hatred, instantly burned in Zhang Na's body!

Zhang Na clearly felt that Yue Feng was seriously injured and was in the critical period of healing! Yue Feng is very vulnerable now!

"Om!"

At this moment, Zhang Na didn't hesitate at all, tapped the ground with her toes, and leaped forward. At the same time, her internal force burst out, condensed on her right palm, and slapped Yue Feng's back fiercely!

At that time, Yue Feng heard the movement and thought it was Mu Qingyue coming back, but he didn't realize the danger at all!

The ultimate husband in Chinese chapter 2736-2740

Chapter 2736

"Bang!"

This palm hits Yue Feng firmly, making a muffled sound! At that time, Yue Feng's body was directly sent flying! He slammed heavily on the wall, and a mouthful of blood spurted out!

To be honest, with Zhang Na's strength, it would be difficult to hurt Yue Feng, but he had obtained the elixir from Zhang Jiao before, and his strength had soared, and Yue Feng had neglected to take precautions.

Nima!

At the moment of landing, Yue Feng only felt the qi and blood in his body tossing, and a burst of pain came, and he almost fainted. He had just healed for half an hour, and it was all in vain.

Yue Feng wanted to struggle to stand up, but the force of the palm just now was too great. At this time, Yue Feng was so soft that he couldn't even try.

"It's you?!"

At this moment, Yue Feng's eyes locked on Zhang Na, shocked and angry!

Nima, why is she?

He was almost able to heal the wounds in his body, but was attacked by this woman!

Thinking of this, Yue Feng's eyes were blood red, and he almost vomited blood! Feeling Yue Feng's anger, Zhang Na felt inexplicably nervous, but she quickly calmed down and said

with a sneer, "How?

Yue Feng, you are really cunning enough. You came to Shengzong with a fake name and successfully deceived everyone, but what happened in the end? Didn't you fall into my hands in the end?"

Yue Feng looked coldly At her, there is no response!

Zhang Na was too lazy to talk nonsense, and there was a hint of smugness and viciousness on her beautiful face: "Tell me, how do you want to die?" The

voice fell, and Zhang Na walked over slowly, killing intent filled her body!

Zhang Na thought about it, she couldn't kill Yue Feng so easily! To torture him to survive! Can't beg for death! This will solve the hatred in my heart!

call!

There was a slight smile on the corner of Yue Feng's mouth, and he said weakly: "Zhang Na, you are not small, this is the room where the altar master of the Xingmu altar rests. If you trespass in and you want to kill others, you are not afraid of being discovered. Afterwards, you will be expelled from the division?"

"Haha!"

Zhang Na couldn’t help laughing when she heard this: “Don’t use Mu Qingyue to scare me, don’t you know, Mu Qingyue has been imprisoned, and I Master, you have already become the head of the Holy Sect.”

“No one can save you here, understand?”

Zhang Na’s face was full of pride in the last sentence.

What?

At this moment, Yue Feng was shocked, thinking that he had heard it wrong.

Mu Qingyue was locked up, and Xie Liuyun became the head? What the hell is going on here? He was only in a coma for less than three hours, so much happened to the Holy Sect?

For a time, the more Yue Feng thought about it, the bigger his head became, and he had a bad premonition in his heart.

“Crack!”

At this moment, Zhang Na walked over quickly, suddenly raised her jade hand, and slapped Yue Feng’s face without warning!

Yue Feng was so weak that he couldn’t dodge at all. The slap was so firm that his face suddenly swelled up!

“If you want to die quickly, just beg me.” Zhang Na said coldly.

Yue Feng gritted his teeth and was very annoyed. Mad, who had been severely injured by Lu Dongbin before, had not yet recovered from his injuries, and was attacked by this Zhang Na again. At this time, he could not exert his internal strength.

Moreover, Mu Qingyue was detained, and Liu Qingqing was not around, so she was alone and helpless!

How to do? !

Thinking to himself, Yue Feng looked at Zhang Na secretly.

I have to say that this Zhang Na not only has a beautiful face, but also has an indescribably charming figure, but such a beautiful woman feels like a poisonous snake.

Seeing Yue Feng staring at her tightly, Zhang Na’s eyes flashed a bit of coldness.

“Snapped!”

Chapter 2737 In the

next second, Zhang Na shot without warning and slapped Yue Feng again!

“Dare to look at me like this, I think you are really not afraid of death!” Zhang Na said coldly. As she spoke, Zhang Na searched Yue Feng.

Soon, Fang Tianhuaji was found.

Fang Tianhua halberd can be big or small, and when not in use, it will be taken by Yue Feng.

Zhang Na was very excited when she got Fang Tianhua Ji. With this magic weapon, her strength would definitely increase.

But in the next second, Zhang Na thought of something, and her eyes fell on Yue Feng: “Yue Feng, as long as you answer me a question, I will make your death a little more happy.”

When she said this, Zhang Na’s eyes flashed with complexity.

According to rumors, Lu Bu has a very domineering exercise, and when combined with Fang Tianhuaji, he can burst into earth-shattering power.

And Yue Feng got Fang Tian Hua Ji, he must have also learned this technique.

call!

Hearing this, Yue Feng took a deep breath: “What’s the problem?”

At this time, Yue Feng also calmed down. Seeing Zhang Na’s changing eyes, he knew what she wanted from herself, no matter what it was. As long as she doesn’t do it for a while, she has a chance.

Zhang Na sneered and sat on the chair next to her, stroking Fang Tianhua halberd with her jade hand: “Lu Bu has a book called Bloody Battle Bafang. When Lu Bu’s ancient tomb was discovered, there were rumors in the rivers and lakes that this book was taken by you. Go, now, tell me the formula!”

Nima!

Yue Feng couldn’t help but scolded secretly, this Zhang Na is really greedy, she is not satisfied with the Fang Tian Hua Ji, and she still wants to fight in all directions?

Thinking of this, Yue Feng showed a smile, and then looked directly into Zhang Na's eyes: "You want bloody battles in all directions? Well, I can give it to you, but there is a condition!"

When he said this, Yue Feng looked seriously!

"Okay, what are the conditions!" Zhang Na took a step closer and said quickly.

Yue Feng smiled weakly: "It's very simple, kneel and kowtow to the teacher!" This Zhang Na is cruel and greedy, so she must be taught a lesson.

Swish!

As soon as the words fell, Zhang Na's body trembled, and she was so embarrassed that she slapped Yue Feng again: "You are courting death!"

This Yue Feng is really a dead pig who is not afraid of boiling water, and he dares to take advantage of himself when his death is imminent!

"Crack!"

The slap fell, and a crisp sound came, Yue Feng staggered, and blood flowed from the corner of his mouth!

Yue Feng endured the pain and showed a smile: "Zhang Na, it is only right and proper to learn from a teacher. Besides, I will die immediately. If you call me Master, you will be able to fight in all directions, and it is not a loss!"

"Otherwise, change it . Condition, you bring Mu Qingyue to see me, and I will pass on your formula!"

Yue Feng wanted to understand, since Zhang Na wanted the formula for bloody battles, she would not kill herself for the time being, so she took the opportunity to delay the time. If she could bring herself to see Mu Qingyue, that would be the best.

call!

Hearing this, Zhang Na was so angry that she bit her lip and said fiercely: "Yue Feng, I think you really can't cry without seeing the coffin!" The voice fell, her jade hand raised, and a palm hit Yue Feng's heart.

Yes, Zhang Na was frightening Yue Feng, she was eager to get the bloody battle, how could she kill Yue Feng now.

Nima, do you really do it?

Yue Feng was shocked, but he still pretended to be unyielding and closed his eyes.

Swish!

Seeing that this palm was about to hit her heart, at this moment, Zhang Na suddenly stopped and gritted her teeth: “Okay, I’ll take you to see Mu Qingyue. But remember to me, you won’t hand it over then. The formula, I will definitely slash you with a thousand swords!”

Xiang Yuefeng kneeling down to worship his teacher is absolutely impossible, so he can only take the risk of taking him to see Mu Qingyue.

To be honest, Zhang Na didn’t want to compromise, but she had no choice. Master gave an order that Yue Feng must die before dawn, and she really didn’t have time to spend with him.

Hearing this, Yue Feng showed a smile.

Chapter 2738

Zhang Na stopped talking nonsense, and took Yue Feng to the dungeon while taking advantage of the night!

It was already late at night, and Zhang Na was very familiar with the environment near the dungeon, so she easily avoided the patrolling disciples!

…..

at this moment! In the dungeon!

Mu Qingyue sat there, her beautiful face full of anxiety.

Xie Liuyun became the head and the first thing he did was arrested. Now, Yue Feng is still resting in the room, and he doesn’t know what’s going on.

Squeak!

At this moment, the prison door was pushed open, and then, a slender figure walked in first, with delicate facial features, but with a strong sarcasm in his eyes, it was Zhang Na!

hiss!

Seeing Zhang Na, Mu Qingyue’s delicate body trembled, and she suddenly became alert!

Zhang Na is Xie Liuyun's favorite disciple. It's definitely not a good thing to come to the dungeon at this time!

In the next second, Mu Qingyue was stunned when she saw Yue Feng behind Zhang Na. What's the situation?

"Yue Feng!"

When she got to the front, Zhang Na looked impatient: "You have seen it too. If you have any last words, hurry up and say it!"

Seriously, if it wasn't for the skills of the bloody battle, Zhang Na would not bring Yue Feng to the dungeon. Not to let him see Mu Qingyue.

What?

Hearing this, Mu Qingyue's pretty face changed, and her eyes suddenly fell on Yue Feng.

Last words? What last word?

Immediately afterwards, Mu Qingyue understood something, Zhang Na wanted to kill Yue Feng, and she must have been ordered by Xie Liuyun.

Thinking about it, Mu Qingyue's delicate body trembled, this Xie Liuyun is really cruel!

"Yeah!"

At this time, Yue Feng nodded, without the slightest nervousness about dying, he said lightly: "You go out first!"

Go out?

Zhang Na's eyes flashed and she sneered: "Yue Feng, don't talk nonsense with me, what do you have to say to Mu Qingyue, hurry up, don't play tricks, I tell you, I can take you to see her, it's already very good Come on, don't push yourself too far!"

This Yue Feng, cunning and cunning, still wants to put himself away? "Zhang Na." Yue Feng

said with a faint smile, "I have a few whispers with my master, you also want to listen? Besides, my life is in your hands, why are you being aggressive?"

Mu Qingyue winked.

Mu Qingyue is a smart person. She could see at a glance that Yue Feng wanted to push Zhang Na away, so she nodded and said, “Zhang Na, Yue Feng is my apprentice. Since it falls into your hands, it is his destiny.

” In the current situation, there must be no escape, and now you have to entrust me with some funeral affairs, please avoid it.”

This…

Hearing this, Zhang Na bit her lip, very tangled!

Forget it, or just wait outside, anyway, Yue Feng is seriously injured and can’t run!

Thinking to herself, Zhang Na was about to nod her head in agreement, but at this moment, there was a sudden movement outside.

“Sect Master!”

First came the voice of a disciple, followed by footsteps outside the palace.

What? Xie Liuyun is here?

At this moment, whether it was Yue Feng, or Zhang Na and Mu Qingyue, at the same time, they were all taken aback, and their eyes flashed with panic!

Nima Yuefeng wanted to cry

but had no tears. She thought that she would meet Mu Qingyue and discuss countermeasures, but before Zhang Na left, Xie Liuyun came!

At this time, Yue Feng clearly felt that the footsteps from outside were getting closer and closer, and he was about to enter the cell!

Chapter 2739

Zhang Na is also in a hurry!

It was broken, the master asked himself to kill Yue Feng, but in order to get the bloody battle, he took Yue Feng to the dungeon and met Mu Qingyue. If the master saw this scene, he would definitely punish himself.

“Yue Feng!”

Under the anxiety, Zhang Na was so anxious that she hurriedly said, “Quick, hurry up and hide under the straw mat.” There is no bed in the dungeon, only a few straw mats, but the sight here is dim, as long as Yue Feng hides well , Master should not find out.

“Yeah!”

Hearing this, Mu Qingyue nodded in agreement and said, “Yes, hide first!”

Xie Liuyun hated Yue Feng deeply. If he saw him here, he would definitely do it himself. Yue Feng was seriously injured. How is Xie Liuyun’s opponent?

call!

However, Yue Feng didn’t move at all, instead he breathed a sigh of relief, and looked at Zhang Na with a half-smiling smile: “Zhang Na, your master is here, why are you panicking?”

After speaking, Yue Feng made a look as if he was dying. : “I’m going to die anyway, it doesn’t matter if I hide or not!”

When he said this, Yue Feng’s eyes flashed with slyness!

Haha… This Zhang Na is so panicked, she must be afraid that Xie Liuyun will see her and know that she is asking for bloody battles. With such a good opportunity, she must play tricks on her!

This!

Seeing this scene, Mu Qingyue was stunned, not knowing whether to laugh or cry.

This Yue Feng, when is it, still thinking about this?

Zhang Na’s pretty face also changed, and she was anxious and angry: “Yue Feng, you really want to die, don’t you? I tell you, if Master sees you, you will definitely die!”

While saying that, Zhang Na was paying attention to the movement outside and was so anxious that she was about to cry.

When the master saw Yue Feng, it would be fine for him to be punished, but the formula for the bloody battle would not be available.

Hehe…

Yue Feng smiled slightly and stopped talking nonsense: “Zhang Na, I know what you are thinking, when your master sees me, he will kill me directly, and then you will not get bloody battles, right? , so I was in a hurry to let me hide.”

“It’s okay to let me hide, you have to beg me!” The

voice was not loud, but there was no doubt.

Swish!

Hearing this, Zhang Na's face changed, her eyes almost spitting fire, but she still suppressed her anger: "How do you want me to beg you?"

When she said this, Zhang Na gritted her teeth with hatred!

Good you Yue Feng, play tricks on me as soon as you get the chance, wait until Master is gone, and see how I torture you!

Seeing her promise, Yue Feng stopped talking nonsense and said with a smile: "It's very simple, please, call me Dad again."

Mad, this Zhang Na, who hurt herself so badly, just asked her to call Dad, It's so cheap for her!

What?

Hearing this title, Zhang Na's body trembled with anger, pointed at Yue Feng and said, "Yue Feng, you are courting death!" The

voice fell, Zhang Na's inner strength surged, and she couldn't bear the killing intent anymore, she endured it again and again , Yue Feng has to make an inch, it's abominable!

Yue Feng looked like a broken jar, "It's okay if you don't call, I don't care, anyway, if it falls into the hands of you and your master, it's all dead!"

"Don't think about it." Zhang Na said through gritted teeth.

In front of this person, I can't wait to get rid of him, how can I call him father?

"Zhang Na!"

Yue Feng glanced outside with an indifferent expression: "It's up to you to call me, time is running out, your master will come in soon! Sigh, if he sees me here, I'm afraid You won't have a chance to get the bloody battle!"

This bastard!

Hearing this, Zhang Na bit her lip tightly, her delicate body kept trembling, and finally took a deep breath, suppressed her anger, and looked at Yue Feng: "Dad, I beg you!"

Seriously, call Yue Feng Dad, Zhang Na has ten thousand reluctance in her heart!

But there is no way, I want to get the bloody battle, and I have come this far. If I give up, I will not be reconciled for the rest of my life. After all, Fang Tianhua halberd has been obtained!

Chapter 2740

“Hey! Good daughter!”

Seeing her finally calling out, Yue Feng nodded with satisfaction: “I’m really obedient, Dad listens to you, hide first!” The

voice fell, Yue Feng bent down and hid in under the grass mat!

At this moment, Zhang Na’s pretty face was frosty, and she also hid beside Yue Feng! Yes, Zhang Na didn’t want to be seen by Xie Liuyun. After all, Xie Liuyun asked her to kill Yue Feng. At this time, it was impossible to be in the dungeon.

“Yue Feng!”

The moment she got under the straw mat, Zhang Na lowered her voice and said coldly, “Be honest, I’m being tricked!”

Yue Feng ignored it, but looked through the gaps in the straw mat. Depends on what’s going on outside!

Whoops!

It was at this moment that Xie Liuyun, accompanied by two disciples, walked in slowly.

Swish!

The moment he came in, Xie Liuyun’s eyes were locked on Mu Qingyue, and a smug smile appeared on the corner of his mouth.

“Lord Mu, this dungeon is not pleasant, right?” Xie Liuyun asked with a smile.

Mu Qingyue was expressionless and snorted coldly.

“You all step back.” Xie Liuyun waved at the disciples behind him, his tone unquestionable: “Wait, no matter what you hear, no one is allowed to come in without my order.”

“Yes, Sect Master!” The two The disciples agreed in unison, and then backed out.

call!

Seeing the disciple leave, Xie Liuyun walked in slowly, looked at Mu Qingyue up and down, and said with a smile: “Mu Qingyue, you and I are always in the same sect, although Yue Feng captured the Empress Chang’e, you cannot escape the blame, but I can give you a chance, but there is a premise!”

“You say it!” Mu Qingyue said coldly, while secretly guarding.

Xie Liuyun said this to himself at night, he must have ulterior motives.

“Hey!” Xie Liuyun looked up and down at Mu Qingyue, his eyes became more and more arrogant: “It’s very simple, you will be my woman in the future.”

Shuh!

Hearing this, Mu Qingyue’s delicate body trembled, and she was embarrassed and angry: “Don’t even think about it!”

He knew that Xie Liuyun was not at ease, but he didn’t expect that he was even more despicable than he thought!

Made!

At the same time, Yue Feng, who was hiding in the dark, was also furious and clenched his fists secretly.

This Xie Liuyun is really a despicable villain.

And Zhang Na, who was hiding beside her, also blushed and was very embarrassed.

Master….Master actually has an idea for Mu Qingyue.

“Mu Qingyue!”

Seeing Mu Qingyue’s reaction, Xie Liuyun did not arouse in the slightest, but aroused his inner interest: “I gave you a chance, you don’t know how to praise!”

“You, you give me Get out!”

Seeing Xie Liuyun staring at him with a wicked smile, Mu Qingyue was shocked and angry. I couldn’t help drinking it, but when I was arrested in the main hall before, I consumed a lot of internal energy. At this time, facing Xie Liuyun, I shouted angrily, but there was no deterrence at all.

“Get out?”

Xie Liuyun slowly approached and looked at her with a smile: “I said Mu Qingyue, you haven’t seen the form yet? I’m the head of the house now, what about you? The future is all in my hands, you want me to get out?”

Saying that, Xie Liuyun’s smile gradually deepened: “You should think about it carefully, you should be honored to be my woman, haha!”

Hearing this, Mu Mu Qingyue’s delicate body trembled: “Xie Liuyun, you are a shameless scum, a villain who is not as good as a beast, you will not end well.” The

owner of the dignified Xingmu altar would be so humiliated by Xie Liuyun.

Moreover, the two of them, Yue Feng, who hadn’t hid, looked at it, and it was a shame.

“Don’t pretend to be reserved, such a beautiful time cannot be wasted!” At this time, Xie Liuyun couldn’t help it, smiled evilly, looked at Mu Qingyue up and down, and jumped up instantly.

“You…”

Mu Qingyue was furious and instinctively retreated, but Xie Liuyun still grabbed her hands.

Whoa!

While dodging, Mu Qingyue also dropped some things, some medicinal pills and talismans.

“Hide?” Xie Liuyun clenched Mu Qingyue’s hands tightly, showing a wicked smile: “Do you think you can hide tonight?”

The ultimate husband in Chinese chapter 2741-2750

Chapter 2741

Saying that, Xie Liuyun is about to come up and kiss Fang Ze.

Whoa!

Seeing this scene, Yue Feng and Zhang Na, who were hiding under the straw mat, couldn't stand it anymore. Then, Zhang Na accidentally made a noise!

"Who?!"

Hearing the movement, Xie Liuyun was startled, then his eyes fell on the straw mat, and he scolded: "Who is hiding there, come out!"

Zhang Na's body trembled, knowing that she could not hide, and walked out slowly She timidly said, "Master, it's me!"

When she said this, Zhang Na only felt that her heart was about to jump out. It was broken. Master found herself, and it was hard to explain.

At the same time, Zhang Na was a little fortunate in her heart, as long as Yue Feng didn't come out, she still had a chance, but she had to come up with a good reason.

Zhang Na?

Seeing her, Xie Liuyun's face changed, and he said angrily: "Didn't I ask you to deal with Yue Feng? Why are you here?"

When he said this, Xie Liuyun was very angry. Good things are interrupted, who can not be angry?

Pfft!

Zhang Na trembled, knelt on the ground quickly, and stammered: "Master, listen to my explanation, it was Yue Feng who told me that Mu Qingyue knew a secret, and I came to interrogate her…" Zhang Na

at this time Na, my head is in a mess, I want to make up a lie, but I can't justify it.

"Secret?"

This chapter is provided by . Visit for daily update.

Xie Liuyun frowned, first glanced at Mu Qingyue, and then said coldly at Zhang Na: “Since this is the case, why are you hiding under the straw mat?”

Although Xie Liuyun is insidious and lustful, he is thoughtful. I can see that Zhang Na is lying!

“I…” Zhang Na bit her lip and was speechless for a while.

Haha…

Seeing this scene, Yue Feng, who was hiding in the straw mat, was indescribably happy.

This Zhang Na had to be greedy for her bloody battles, but in the end, she really deserved it.

Thinking in his heart, Yue Feng looked closely at the situation in front of him and quickly thought about countermeasures.

The next second, Yue Feng’s eyes flashed when he saw what Mu Qingyue had dropped on the ground, and he suddenly had an idea.

“Come on!”

At this moment, Xie Liuyun lost his patience and scolded Zhang Na: “What are you hiding from me?”

Zhang Na trembled, her face was embarrassed, and she didn’t know how to answer for a while.

“Okay, let me speak for you!”

At this moment, a faint voice sounded, and then Yue Feng lifted the straw mat and walked out slowly.

Yue Feng?

Seeing Yue Feng, Xie Liuyun’s face changed, and then his eyes flashed with a strong hostility, and at the same time, he was a little surprised.

Didn’t you let Zhang Na kill him? Why is he not dead and still in the dungeon?

Thinking to himself, Xie Liuyun looked at Zhang Na with a bright gaze: “What’s going on?”

Zhang Na opened her mouth, but before she could speak, she was interrupted by Yue Feng.

“Zhang Na, you have already decided to be with us, what are you afraid of him doing?” Yue Feng said with a half-smiling smile, “Anyway, I have already passed the formula of bloody battles to you, as long as you practice it, your strength will be stronger. Definitely more than Xie Liuyun!”

When he said this, Yue Feng’s eyes flashed with slyness!

That’s right, Yue Feng wanted to sow discord so that he could have a chance to save Mu Qingyue.

What?

Hearing this, Xie Liuyun got angry and glared at Zhang Na: “You took refuge in Yue Feng?”

Zhang Na shook her head repeatedly: “Master, don’t listen to his nonsense!”

Then, Zhang Na glared at Yue Feng: “Yue Feng, do you dare to slander me?” Zhang Na was about to take action against Yue Feng when the words fell. It could be seen that the master stared at her coldly, and suddenly lost his courage.

Yue Feng ignored Zhang Na, but smiled at Xie Liuyun: “Xie Liuyun, let me tell you, your apprentice has abandoned the dark and turned to the light, she promised to let me and Mu Qingyue go, on the condition that I pass her the skills of bloody battles, That’s why the two of us hid in the straw mat!”

After speaking, Yue Feng said to Zhang Na again, “Zhang Na, since you have broken with him, don’t explain it to him.”

Anyway, the purpose is to provoke them . In the master-disciple relationship, Yue Feng said whatever he thought of, without any scruples.

Chapter 2742

“You…”

Zhang Na was so angry that she could barely stand still, but she didn’t know how to refute.

At this time, Zhang Na never thought that Yue Feng was so cunning, and before the formula for the bloody battle was obtained, she would fall into endless trouble.

“Okay!”

At this moment, Xie Liuyun's face was also ashen, and he nodded at Zhang Na again and again: "Very good, Zhang Na, I dote on you so much, but you actually betrayed me."

Seriously, at that moment, Xie Liuyun also thought about it. However, Yue Feng was deliberately trying to sow discord, but after thinking about it, if Zhang Na didn't have any ghosts in her heart, why would she hide in the straw mat? With Yue Feng?

"Master, Yue Feng is just talking nonsense, I have never betrayed you…" Zhang Na was so anxious that she explained incoherently.

However, Xie Liuyun couldn't listen to it at all, and the more he thought about it, the more angry he became: "I'll deal with you rebel first!"

Om!

When the voice fell, Xie Liuyun's internal force was running, and he slapped Zhang Na with a palm.

Zhang Na was terrified, and hurriedly dodged back, while dodging, she shouted: "Master, be merciful…"

Haha, the opportunity has come!

At this moment, taking advantage of Xie Liuyun's shot at Zhang Na, Yue Feng rushed over!

When they got there, Yue Feng picked up a talisman on the ground, and then grabbed Mu Qingyue's hand.

"Xie Liuyun!"

Yue Feng raised the corner of his mouth and shouted at Xie Liuyun: "You continue to clear the door, I won't bother, we will have an appointment in the future!"

When the voice fell, Yue Feng urged his inner strength and poured it into the talisman in his hand.

That's right, the talisman that Yue Feng picked up is the divine talisman, and the divine talisman is a good thing! Several times before, Yue Feng relied on the divine talisman to escape at the juncture of life and death!

Seriously, in the Kyushu Continent, there are not many divine runes! However, Shengzong is a holy place of Taoism, and Mu Qingyue, as the altar master of Xingmu altar, has an extraordinary status, and it is not uncommon to have a divine amulet!

This talisman was accidentally dropped from Mu Qingyue's body. When Yue Feng saw it at the time, he had a plan in his heart. First, to provoke the relationship between Xie Liuyun and Zhang Na's master and apprentice, and then find an opportunity to bring Mu Qingyue and use it. Divine Rune away!

Speaking of which, Yue Feng was seriously injured and couldn't fight with others, but it was still no problem to activate the Divine Rune Talisman!

What?

Hearing this, Xie Liuyun realized that something was wrong and wanted to rush over, but it was too late!

hum!

That is, at this moment, the light of the divine talisman suddenly surrounded Yue Feng and Mu Qingyue, and then, a surge of spiritual power surged, and the two were instantly teleported away.

In the blink of an eye, the figures of Yue Feng and Mu Qingyue disappeared into the dungeon!

"Made…"

"Yue Feng, don't run…"

At this moment, Xie Liuyun and Zhang Na were both shocked and angry!

Zhang Na, in particular, stomped her feet in a hurry. It was a good time. The bloody battle did not get the hand, and there was no master's suspicion. In the end, Yue Feng also ran away.

Xie Liuyun also had a gloomy expression on his face. He knew that Yue Feng was using a divine talisman, and he took Mu Qingyue and was teleported away together.

You must know that the divine rune was sent randomly, and no one knew where the two were sent.

…..

the other side!

Northern Ying Continent, Imperial City!

In the majestic and magnificent palace hall, Gonggong and civil and military officials are discussing the state affairs.

Three years ago, after the war between the Kyushu Continent and the Rakshasa Clan ended, because of the death of Yang Jian, the Northern Ying Continent had always been in a situation where there was no ruler in the court. In the past three years, hundreds of civil and military officials sent people to the Holy Sect many times. Chang'e was asked to preside over the affairs of the court, but Chang'e was disheartened because of the death of Emperor Hou Yi and kept rejecting it.

"Report!"

At this moment, while the Gonggong and the civil and military officials were discussing matters, suddenly, a palace guard ran in quickly and shouted excitedly: "Report to your lords, madam, madam is back!"

Whoa!

Hearing this, everyone in the entire hall was inexplicably excited.

Empress Chang'e is finally willing to come back.

For a time, everyone hurried out of the hall to greet them.

Chapter 2743

Huh?

As soon as they walked out of the hall, everyone was stunned when they saw the scene in front of them.

I saw that Empress Chang'e was supported by someone and came slowly. At this time, Empress Chang'e was weak and her face was pale, obviously after a long journey.

And the person who helped her had a cold expression, and her eyes showed the arrogance of contempt for the world.

"Yue Feng?"

"Why is he with Niangniang?"

After a few seconds, whether it was Gonggong or the people around him, there was a lot of discussion after they reacted.

Yes, the 'Yue Feng' in their eyes is still Liang Hao's disguise.

Half a day ago, Liang Hao was ordered by Zhang Jiao to bring Chang'e to the Beiying Palace, and decided to play a play that would completely ruin Yue Feng's reputation.

Facing the crowd's discussion, Chang'e was expressionless, without the slightest fluctuation.

"Everyone!"

At this moment, Liang Hao supported Chang'e with one hand, looked around, and said with a smile: "It is said that there has never been an emperor on the Northern Ying Continent, and you still have to wait for Chang'e to come back to preside over the government."

"Now, I I helped you to bring Chang'e back. To be honest, I have long been in love with Empress Chang'e. From now on, I will be the emperor of the Northern Ying Continent, and Chang'e will be my queen! You, come and pay homage!"

When saying this , Liang Hao's face was full of arrogance.

Yes, these are all explained by Zhang Jiao, and the purpose is to slander Yue Feng and completely smear Yue Feng!

Whoa!

Hearing this, whether it was Gonggong or civil and military officials, one by one instantly burst into anger!

This Yue Feng is too arrogant, dare to call the attention of Empress Chang'e, and want to be the Emperor of Beiying?

call!

At this time, Gonggong frowned and stared at Yue Feng, his heart was extremely complicated.

Three years, I didn't expect Yue Feng to disappear for three years, completely changed a person.

To be honest, three years ago, Gonggong was ordered by Yang Jian to assassinate Yue Feng. At that time, Yue Feng became a cripple. Gonggong always felt guilty in his heart, but at this moment, seeing Yue Feng so arrogant, his guilt in his heart instantly disappeared. All turned to anger!

Empress Chang'e is like a fairy in the world, how could she be allowed to be so blasphemous?

Thinking to himself, Gong Gong took a deep breath and asked Liang Hao, "Yue Feng, let me ask you, how did you bring the empress back?"

“Haha!”

Liang Hao smiled and said proudly, “Do you still need to ask? I want to take Chang’e away, who dares to stop the Holy Sect?”

What?

Hearing this, everyone present was even more angry. It was obvious that Yue Feng had forcibly captured Empress Chang’e back!

At this moment, Gonggong couldn’t bear it any longer, and shouted at Liang Haojiao: “Yue Feng, I thought you were a hero, but I didn’t expect you to be so despicable and use such means to deal with the empress, and you still want to be Beiying. Emperor, are you worthy?” The

voice fell, and the surrounding civil and military officials also shouted angrily!

“Yue Feng, let go of the goddess!”

“To blaspheme the goddess is to blaspheme the entire Northern Ying Continent.”

“Don’t talk nonsense with him, take him down!”

Under the angry shouts, many people urged their inner strength and rushed over to take Liang Hao. Surrounded!

“All special codes for me to stop!”

Facing the siege of everyone, Liang Hao’s eyes flickered, he shouted loudly, and then pulled out a dagger and placed it on Chang’e’s neck!

“Whoever dares to take a step forward, I will kill her!” Liang Hao’s eyes flashed with madness, and said coldly: “If you don’t want Chang’e to die, then immediately kneel down and recognize me as the emperor!”

Huh!

Seeing this scene, everyone was furious, but they didn’t dare to act rashly!

“You…”

Gonggong’s pretty face changed, and she was furious in her heart. She never thought that Yue Feng, who was in front of her, would use such uncompromising means for power. It was the Empress Chang’e, who dared to threaten her life. .

Just crazy!

At this time, Gonggong, and everyone present, did not know that the person in front of him was not Yue Feng at all, but a fake.

Chapter 2744

“Don’t challenge my patience, all of you, quickly kneel and salute!”

Liang Hao looked around and shouted proudly! Extremely arrogant!

Whoa!

Hearing this, everyone present changed their expressions, and their inner breaths trembled faintly! Faintly angry!

You know, this is the Beiying Palace, and anyone who is present is a top powerhouse! These people, when would someone dare to speak to them like that?

But the ‘Yue Feng’ in front of them regarded them as ants.

How can this be tolerated? !

However, no one dared to stand up and refute, who dared to act rashly when the Empress Chang’e was in his hands.

At this moment, Gonggong finally reacted, with a beautiful face ashen, pointing at Liang Hao: “Yue Feng, quickly let go of the empress and leave here, we can ignore your rashness just now!”

“Hahaha!”

Liang Hao looked up to the sky Laughing loudly, he could see that Gonggong was calm on the surface, but he was actually very flustered.

The lord specially explained that today is to ruin Yue Feng’s reputation, and the good show has just begun, how could Chang’e be released?

“Gonggong, I’m not talking nonsense with you!” Liang Hao exclaimed proudly, “I don’t respect me as an emperor today, I will not only kill Chang’e, but also bloody the Northern Ying Palace!”

This… At

this moment, whether it was Gonggong or everyone else present, their eyes were blood red. I can’t wait to kill the ‘Yue Feng’ in front of me immediately, but considering Chang’e’s safety, I don’t dare to make a rash move!

hum!

And at this moment, suddenly, a strong breath came from the sky not far away, and then, a figure came quickly.

Wearing a black robe and looking serious, it was Zhang Jiao!

Seeing Zhang Jiao, Gonggong and the others all had complicated expressions.

Three years ago, after the war between the Kyushu Continent and the Rakshasa Clan ended, Zhang Jiao did not return to the Northern Ying Continent, and his whereabouts were erratic. Why did he suddenly appear here today?

“Yue Feng!”

Just when everyone was secretly surprised, Zhang Jiao’s eyes locked on Liang Hao, and he shouted angrily, “You are so bold, dare to catch Lady Chang’e!” After

speaking, Zhang Jiao looked around and said loudly: “Everyone, Yue Feng Langzi’s ambition, he lied to me and went to the holy sect to ask Lady Chang’e to come out of the mountain, but when she arrived, she took away Lady Chang’e when I wasn’t paying attention. Such thieves are not worth dying for!

” At that time, Zhang Jiao’s face was stern, but his eyes were treacherous.

Whoa!

Hearing this, everyone present was filled with righteous indignation. Just now, when they were threatened by Liang Hao, these people were on fire in their hearts. When they heard Zhang Jiao say this again, they were even more angry.

“This Yue Feng is really despicable…”

“I didn’t expect that such a meticulous person, Master Zhang, would also be deceived by him!” The

corners of Zhang Jiao’s mouth twitched when everyone was talking.

Haha…

the drama is almost done, it’s time to end.

Thinking of this, Zhang Jiao shouted at Liang Hao, “Yue Feng, if you still think you are a man in the sky, let go of Empress Chang’e and have a fair fight with me.”

“I’m afraid you won’t succeed?” Liang Hao’s eyes flickered. , responded loudly.

Liang Hao didn’t panic at all. This scene was discussed with Zhang Jiao and was deliberately performed for the Gong Gong people.

hum!

Zhang Jiao didn’t talk nonsense, he flew up and went straight to Yue Feng.

“Zhang Jiao, do you really think you can beat me?”

Liang Hao let go of Chang’e, shouted, flew up, and met Zhang Jiao directly.

At this moment, Zhang Jiao and Liang Hao released their internal forces, as if the sky was about to shatter!

Chapter 2745

Call!

Seeing this scene, everyone below raised their hearts one by one!

Zhang Jiao shot, I don’t know if he can beat Yue Feng!

At this time, everyone did not know that the two people in the air were completely acting, not really wanting to do it!

Bang!

In the blink of an eye, Zhang Jiao and Liang Hao fought fiercely for several rounds in mid-air. When Zhang Jiao slapped Liang Hao with a palm, Liang Hao screamed in pain and flew out very far.

“Zhang Jiao, I have written down today’s grievances. If I don’t take revenge, I will not be Yue Feng!” At this time, Liang Hao, pretending to be very angry, howled and forced Zhang Jiao back with a palm. When Zhang Jiao was dodging, he turned around and ran.

In a blink of an eye, he had disappeared from everyone’s sight.

“Bang!”

Seeing Liang Hao’s figure walking away, Zhang Jiao couldn’t tell how happy he was in his heart, but he looked very annoyed on the surface, and slapped his palm on the column of the main hall.

“Damn, let such wicked people escape, there will be endless troubles in the future!” Zhang Jiao said hypocritically.

This…

Seeing this scene, everyone in the Gonggong industry was shocked. Unexpectedly, Zhang Jiao's strength was so terrifying that they had not seen each other for three years. In such a short period of time, Yue Feng was beaten away.

In the next second, Gonggong took the lead in reacting, and quickly ordered the surrounding guards: "Go on, and go all out to arrest Yue Feng, make no mistake!"

After saying that, Gonggong walked over and supported Chang'e: "Miss, you are shocked. It 's over!"

"I'm waiting to see the Empress!"

In an instant, the surrounding civil and military officials also knelt down and shouted in unison.

"Get up!"

Chang'e's red lips parted lightly, and she slowly raised her jade hand, but her eyes were always on Zhang Jiao.

That's right, after Zhang Jiao performed the Soul Deprivation Technique, Chang'e's thoughts and actions were out of her control, and she only obeyed Zhang Jiao's orders.

Hearing this, Gong Gong and the others stood up one after another.

"Zhang Jiao!"

At this moment, Chang'e looked at Zhang Jiao and said, "You have done a good job in saving the car just now. This palace named you the king of Beiying, commanding the three armies and presiding over the government."

"Thank you, Niangniang!" Zhang Jiao pretended to be very said excitedly.

Yes, what Chang'e said was explained by Zhang Jiao in advance. Speaking of which, Zhang Jiao had thought about letting Chang'e respect him as the emperor in public, but thinking about it carefully, he just saved Chang'e, and he would be respected as the emperor. Some are too fast.

Chang'e nodded, looked around, and continued: "Send someone immediately to send an invitation to the various sects, and this palace will hold a 'Supreme Conference' to elect the most powerful person in Kyushu to become the Emperor of Beiying! "

"Yes!" Everyone agreed in unison, and hurried to prepare.

Haha…

Seeing this scene, Zhang Jiao smiled all over his face.

Holding the Supreme Conference was also Zhang Jiao's idea. With the opening axe, Zhang Jiao was confident enough to overwhelm the crowd at the Supreme Conference.

In just one day, the sects of the Kyushu Continent, as well as the cultivation family, the royal family, etc., all received the invitation of the 'Supreme Conference' from the Beiying Royal Family.

At the same time, Yue Feng captured Chang'e from the Holy Sect and was later chased away by Zhang Jiao.

For a time, the image of justice that Tianmen had established over the years collapsed in an instant.

…..

On the other side, Yue Feng activated the magic talisman and pulled Mu Qingyue, only to feel the darkness in front of him, and he left the Holy Sect lightly.

I don't know how long it took, but there seemed to be a light in front of him, and Yue Feng realized that he was about to land.

hum!

However, at this time, Yue Feng only felt a pain in his body, and the world was spinning! He was first injured by Lu Dongbin, then severely injured by Zhang Na, and then forcibly moved the magic talisman.

!

A strong sense of dizziness came, and Yue Feng secretly complained in his heart! Then it got dark and I didn't know anything.

"Yue Feng!"

Feeling Yue Feng's situation, Mu Qingyue couldn't help exclaiming, but at this time it was still being teleported, it was pitch black all around, and she didn't know what to do.

At this moment, Mu Qingyue wanted to hold on to Yue Feng, but the powerful force brought by the teleportation still separated the two.

I don’t know how long it took, Yue Feng woke up in a daze!

Where is this being sent to?

Yue Feng opened his eyes and was stunned when he saw the scene in front of him.

There is a bustling city in front of me. At first glance, it seems that I have returned to Donghai City, but upon closer inspection, I find that the prosperity of this place is inferior to that of the Earth Circle, and my location is on the outskirts of this city. !

call!

At this moment, Yue Feng took a deep breath and pondered in his heart.

Among the continents of Kyushu, only the Continent of Earth Circle, the Continent of Dongao, and the Continent of Xuanye are the most advanced in technology development. The place in front of them is either the Continent of Xuanye or the Continent of Dongao.

Yue Feng guessed right, he was sent to Xuanye Continent, and the city in front of him was called Shangshui City!

At this time, Yue Feng only felt that the pain in his body disappeared, but he was still a little weak.

Mad, if he hadn’t fainted during the teleportation, he wouldn’t have been separated from Mu Qingyue. Forget it, let’s go to the city and see what this place is.

This chapter is provided by . Visit for daily update.

Muttering in my heart, Yue Feng walked towards Shangshui City!

As soon as I walked into a remote street, I saw an old man surrounded by several big men wearing black vests, arguing about something. These big men, all of them were full of anger, and they were not good people at first sight.

The old man looked in his 60s or 70s, very thin, and behind him, there was a thirteen or fourteen-year-old girl.

call!

Seeing this scene, Yue Feng walked over!

“Old man, your son owes us money, and now he’s gone, what are you talking about?” One of the men in black said coldly.

The man’s name is Ding Feng, he is a local ruffian in Shangshui City, and he does all kinds of evil!

The old man closely guarded the girl behind him, his face flushed and said: “I don’t know what you are talking about, my son owes you money, you can find him to go.” The

old man’s name is Uncle Wang, and the girl behind him is his granddaughter , called Xiaolin, grandparents and grandchildren depended on each other, and lived a very hard life!

And Uncle Wang’s son, two years ago, followed an expedition team to the wild and strange realm to make a fortune, and then lost the news. Uncle Wang never thought that his son would owe money.

Ding Feng sneered: “Old man, don’t do this with me, the debt is repaid by the father.”

After speaking, Ding Feng glanced at Xiao Lin, with a wicked look in his eyes: “Why don’t you mortgage your granddaughter to Let’s forget this account!” The

voice fell, and the few companions behind him were about to rush over to grab someone!

“You stop, my granddaughter is innocent!” Uncle Sun’s expression changed, and he shouted with open arms, about to stop him.

“Go away!” One of the big men raised his hand and waved, and Uncle Sun fell directly to the ground!

The other big men were even more swearing, punching and kicking at Uncle Sun!

“Old thing!”

Ding Feng grinned: “Your son owes me so much money, let your granddaughter pay off the debt, and it’s cheaper for you, don’t know what’s wrong!”

After that, he was going to pull Xiaolin!

Xiao Lin was terrified and kept crying: “You bad people, don’t hit my grandpa, don’t hit my grandpa…”

Mad!

Seeing this scene, Yue Feng became angry and shouted angrily: “Stop

it all.” To be honest, Yue Feng didn’t want to meddle in his own business, but the scene in front of him really made people angry. Bullying the elderly and children, is it still human?

Swish!

Hearing this, Ding Feng and those subordinates stopped one by one and focused on Yue Feng!

“Made!” Ding Feng looked at Yue Feng tightly, his eyes gloomy: “Where did the boy come out, this is none of your business, get out?”

Chapter 2747

“Don’t you feel ashamed of bullying an old man and a child?” Yue Feng blocked in front of Uncle Wang and said coldly.

Ding Feng was stunned for a moment, then sneered.

At the same time, several companions behind him all shouted angrily.

“Boy, do you know who you’re talking to?” “You dare

to intervene in our brother Feng’s affairs? You’re tired of living.

“

!

Yue Feng looked indifferent and said to Ding Feng: “How much does this old man’s son owe you? I’ll help them pay it back.”

What?

Hearing this, Ding Feng and his accomplice looked at each other and couldn’t help sneering.

“This kid said he still pays?”

“Look at his dress? Can you pay back?”

“I’m afraid he’s not a fool!”

At this time, Ding Feng was also mocking, but he still said: “Not much, five One hundred thousand, boy, if you have the money to pay it back, take it out quickly, and if you dare to play with me, don’t blame me for being rude!”

Five hundred thousand?

Yue Feng frowned, took out an inner alchemy directly from his body, and handed it to Ding Feng: “This inner alchemy is enough to pay off the debt, and there is only a lot more, don’t bother them again in the future!”

He didn’t wait for him to say After that, Yue Feng waved his hand and said with a smile: “Uncle Sun, don’t get excited. 500,000 yuan is not a lot to me. I can afford it.”

When Yue Feng was searched by Zhang Na before, he still stayed behind. Down some inner alchemy.

“A broken bead…”

Ding Feng took the inner alchemy and muttered, and then he couldn’t help but gasp for air!

This… This is the inner core of the spirit beast.

Although Ding Feng was a rogue and a cultivator at the same time, he clearly felt that this one in his hand was a Martial Saint-level Inner Alchemy, and it could be bought for a lot of money on the black market.

Who is he?

At this moment, Ding Feng stared blankly at Yue Feng, and the whole person was a little stupid.

“How is it? Is the debt repaid?” Seeing the change in Ding Feng’s expression, Yue Feng said lightly.

call!

Ding Feng took a deep breath and looked at Yue Feng again: “Boy, what’s your name? Where did you come from?”

Looking at a poor and sour look, he was definitely not an ordinary person.

Yue Feng smiled lightly: “You’ve already got the money, don’t care who I am!”

“Okay!”

Seeing that the other party was not far away from revealing his identity, Ding Feng didn’t insist, he gave Yue Feng a deep look, and then greeted his subordinates. left. But when he turned around, there was a hint of gloom in his eyes.

“Benevolent!”

As soon as he left, Uncle Wang said to Yue Feng with gratitude: “You are such a good person, I really don’t know how to repay!”

Yue Feng smiled: “It’s hard work, old man doesn’t have to do this!”

When he said this, Yue Feng I couldn’t help but glanced at Xiao Lin, and was immediately stunned!

I saw that Uncle Wang’s granddaughter looked very delicate. At first glance, Yue Feng seemed to have seen Xiao Xi for the first time, but those eyes were empty!

She… can’t see anything?

Yue Feng’s heart moved, and there was some inexplicable sadness.

“Thank you…”

At this moment, Xiao Lin also said very gratefully. Although her eyes looked at Yue Feng, she did not fluctuate in the slightest.

Chapter 2748

“Little brother!”

Feeling Yue Feng’s gaze, Uncle Wang smiled wryly, and said with a gloomy expression: “I’ll make you laugh, my granddaughter is born with a hidden disease and can’t see anything! Sigh…”

Said, Uncle Wang wiped away his tears very sadly!

Xiaolin is very sensible, and patted Uncle Wang’s arm: “Grandpa, don’t cry, Xiaolin can’t see it, and I can take care of you when you grow up…”

Seeing this scene, Yue Feng felt incomparably touched.

What a kind girl!

The next second, Yue Feng took a deep breath and said to Uncle Wang, “Uncle, I know a little medical skills. If you want, can you show me to her!”

When he consulted with Shennong for medical advice, Shennong once mentioned the relevant Blindness Treatment!

“Ah?”

Uncle Wang was stunned for a moment, and then looked overjoyed: “Really?”

Yue Feng nodded and said softly to Xiao Lin, “What’s your name? Can I help you treat your eyes?” Speaking of which, Yue Feng should not have stayed here longer than Mu Qingyue was separated during the teleportation, but seeing Xiao Lin’s pitiful appearance, he couldn’t bear to ignore it.

“My name is Xiaolin!”

Xiaolin said crisply: “But, there was a fairy elder sister who said she wanted to help me cure it!”

Fairy elder sister?

Hearing this, Yue Feng was stunned!

Uncle Wang next to him gave a wry smile and said, “A half month ago, Xiaolin was playing in the suburbs and met a heroine in the arena. I was rescued, and now I’m gone, I’ll never see you again!”

Is there such a thing?

Yue Feng frowned secretly!

Looking at Yue Feng’s expression, Uncle Wang laughed at himself: “Maybe that Jianghu heroine was joking at that time! By the way, our residence is not far in front of us, little brother doesn’t mind, just go and take a break. !”

Hmm!

Yue Feng nodded and asked Uncle Wang to lead the way!

After a while, he arrived at a dilapidated courtyard in the suburbs. Yue Feng said to Uncle Wang, “Uncle Wang, I’ll take Xiaolin to the room for treatment, you stay outside the door, don’t let anyone disturb me!”

To help Xiaolin treat her eyes, you need to motivate her inner strength. Although Uncle Wang is a good person, But Yue Feng didn’t want him to know that he was a cultivator!

After all, as the Sect Master of Tianmen, it is too embarrassing to be so embarrassed!

Um!

Uncle Wang nodded, but at this moment, a crisp voice suddenly came from outside the yard: “Is Uncle Wang there?” The

voice was soft, and there was an aura that couldn't be blasphemed!

Yue Feng turned his head to look, and the whole person was suddenly stunned.

I saw that several women came slowly, and the one headed was dressed in a long white dress, with delicate and beautiful facial features, and a good aura.

It was the head of the Yuyao Pavilion, Ye Zhixin, who had met once!

Back then, in order to get the Panlong Jing, Yue Feng went to the Xuanye Continent on purpose, and worked as a bodyguard in the Fang family. Later, he worked hard to get the Panlong Jing, but was chased by the Fang family and many experts in the arena, including Ye Zhixin.

Yue Feng has a good memory. Although he only met once, he still recognizes it.

I go!

At this moment, Yue Feng was very surprised. It turned out that the fairy sister Xiaolin said was the head of Yuyao Pavilion.

"Woman? You…you're here!" Uncle Wang was stunned for a moment, very surprised.

I thought Ye Zhixin was just talking casually at the time, but she didn't expect that half a month later, she really came!

At the same time, Xiao Lin was also very happy and couldn't help shouting, "Sister Fairy!" Although she couldn't see it, she could hear Ye Zhixin's voice.

Um!

Ye Zhixin nodded at the uncle Wang and grandson and grandson, and then her eyes fell on Yue Feng: "Who is this person?"

Half a month ago, Ye Zhixin passed through Shangshui City, and accidentally saw Xiaolin, seeing that she was smart and clever, and she was born She was pitiful, so she decided to accept her as an apprentice and treat her eyes at the same time.

It's just Ye Zhixin's medical skills. To cure Xiao Lin, a lot of rare herbs are needed. So in the past two weeks, Ye Zhixin was looking for herbs everywhere, and after finding them all today, she rushed over immediately.

Chapter 2749

"This little brother is our benefactor!" Uncle Wang responded, and then repeated what happened before!

call!

After learning about the situation, Ye Zhixin looked up and down at Yue Feng: “I was outside just now, and it seems that I heard you say that I want to give Xiaolin her eyes?”

When she said this, Ye Zhixin’s tone was calm, but her eyes were full of suspicion.

The rivers and lakes are sinister, although this person in front of him helped Uncle Wang deal with those rogues, who knows what his real purpose is, and, looking at his outfit, he doesn’t look like he has medical skills.

Sensing that the atmosphere was wrong, Uncle Wang opened his mouth, not knowing how to answer.

“Yes!” Yue Feng responded indifferently to Ye Zhixin.

puff!

As soon as the words fell, the female disciples behind Ye Zhixin couldn’t help laughing.

“This person is really interesting!”

“My master spent half a month looking for herbs to treat Xiaolin’s eyes, but you said it so easily!”

“It looks like a liar!”

Several female disciples said When the mockery came, Yue Feng could not laugh or cry.

His appearance is indeed a little embarrassed, but it cannot be concluded that he is a liar.

“Please leave immediately!” At this moment, Ye Zhixin said to Yue Feng, her tone was cold and unquestionable.

In Ye Zhixin’s heart, since she decided to accept Xiaolin as her apprentice, she would definitely treat the apprentice’s eyes in person. As for this person, no matter what the purpose is, just drive him away.

This. . .

Seeing this scene, Uncle Wang felt very sorry, but seeing Ye Zhixin’s cold expression, it was difficult to speak!

Yue Feng didn’t talk nonsense, smiled, turned and walked out of the room!

Since this Ye Zhixin wants to treat Xiaolin, let her go, she just saves her troubles.

As soon as I got outside, I heard a few female disciples whispering.

“There are more and more liars in the arena now!”

“Yeah, take Tianmen as an example, for so many years, they thought that Tianmen was a chivalrous person, hoeing the strong and helping the weak, but… that Tianmen’s master Yue Feng, To actually blaspheme the Empress Chang’e, and to be the Emperor of Beiying… Really bold…”

“Master is kind-hearted, and let this person go directly. If it were me, I would have to interrogate him carefully.” The

voices of several female disciples were very small . , can be heard clearly by Yue Feng.

Nima!

At this moment, Yue Feng was very angry, Mad, Zhang Jiao let people pretend to be themselves, captured Chang’e, and deliberately spread rumors, and now they have spread to Xuanye Continent?

At this time, Yue Feng didn’t know that Tianmen’s reputation in Kyushu had plummeted under Zhang Jiao’s frame!

In the room, Ye Zhixin took out a dozen herbs and began to heal Xiao Lin’s eyes.

call!

A few seconds later, Yue Feng reacted and was about to leave, but when he saw the situation in the room, he frowned: “Ye Zhangmen, if you treat like this, Xiaolin’s eyes can’t see anything, on the contrary, it will only get more and more It ‘s getting worse!”

What?

Hearing this, Ye Zhixin frowned and was very unhappy.

He is the head of the dignified Yuyao Pavilion, and who can resist being made irresponsible by an unknown person in the arena?

At the same time, several female disciples also drank coquettishly.

“Why don’t you get out of here?”

“Dare to question the medical skills of our head?”

“There is definitely something wrong with this person, so it’s better to arrest him directly.”

Under the tender drink, several female disciples urged their inner strength to move towards Yue The wind came around.

Nima!

Looking at the few female disciples rushing over, Yue Feng frowned secretly. The people in Yuyao Pavilion are too overbearing.

Chapter 2750

“Stop it all!”

At this critical moment, Ye Zhixin snorted softly, not loud but full of majesty.

As the head of the Yuyao Pavilion, Ye Zhi was arrogant and arrogant. The person in front of him was just a nameless person in the world. If people knew that the disciples of the Yuyao Pavilion were bullying the few, it would only make people laugh.

When the words fell, several female disciples stopped, but still stared at Yue Feng fiercely.

“This Jianghu friend!” Ye Zhixin frowned, looking at Yue Feng and said, “These herbs are all carefully selected by me, why do you say

they are useless?” angry.

When the words fell, a female disciple couldn’t help but take a step forward and stared at Yue Feng: “Don’t talk nonsense if you don’t understand, do you know?”

This female disciple is called Hongxiu, she is the elder sister of Yuyao Pavilion, Ye Zhixin’s favorite disciple. Spicy, jealous!

Yue Feng smiled and sighed secretly. He just checked Xiao Lin’s eyes. According to her situation, she needed internal strength to unclog the meridians inside her eyes, and she didn’t need to borrow herbs at all.

“I just want to remind that Xiaolin’s eyes are congenital, and the herbal treatment in the later stage has no effect at all. On the contrary, she is still young, so many drugs will only aggravate her condition.” Yue Feng looked calm and indifferent. said.

Hearing this, Hongxiu was very angry, pointed at Yue Feng and shouted: “Listen to what you mean, your medical skills are very good? Even better than my master?”

Ye Zhixin looked at Yue Feng with no expression on her face: “May I ask who you are?”

This person said so firmly, there must be a lot of background.

call!

Yue Feng pondered for a while, then responded: “I’m just a nameless person who walks the rivers and lakes. I know some medical skills!” To be honest, Yue Feng wanted to show his identity and said that he was the sect master of Tianmen, but he thought of the female disciples like Hongxiu just now. The discussion was held back.

Zhang Jiao let people pretend to be himself and made Tianmen’s reputation plummet. It can be said that Yue Feng and Tianmen are currently in the midst of huge public opinion. In this case, Yue Feng decided to keep a low profile.

puff!

When the voice fell, Hong Xiu was the first to laugh, with sarcasm in his eyes: “After talking for a long time, it turns out that he is an unknown person!” The

voice fell, and the other female disciples also laughed!

“You still dare to question our master?”

“It’s just a clown…”

“I think he’s a grandstanding. This kind of person is the most annoying…”

Among the ridicule, Uncle Wang, who was on the side, also looked at him. When he couldn’t go on, he came over and said to Yue Feng, “Little brother, just say a few words less!”

Although Yue Feng helped him solve the trouble before, in contrast, Ye Zhixin was the head of Yuyao Pavilion. Ah, when it comes to medical skills, Uncle Wang naturally prefers Ye Zhixin.

Yue Feng smiled and said to Uncle Wang, “I’m just a suggestion. It’s your right to ask her to give Xiaolin her eyes, but if something goes wrong, don’t blame me for not reminding you!

” , Uncle Wang was stunned.

“Crack!”

At this moment, Hong Xiu was so angry, he walked over quickly and slapped Yue Feng’s face with a slap!

“I’m still talking nonsense? My master is the head of the dignified Yuyao Pavilion. He has excellent medical skills. How can someone like you be comparable? I warn you, if you continue to cause trouble, I will abolish you!” This slap , Hong Xiu used a lot of strength to bleed the corner of Yue Feng’s mouth instantly!

As the elder sister of Yuyao Pavilion, Hongxiu has a straightforward personality, and she respects Master Ye Zhixin the most in her heart. At this time, seeing Yue Feng questioning her master’s medical skills again and again, Hongxiu couldn’t help it.

To be honest, with Hong Xiu’s temper, he wanted to kill Yue Feng. It’s just that the master was present, and considering the reputation of Yuyao Pavilion, Hongxiu resisted it, so she just slapped Yue Feng.

“From now on, if you dare to talk nonsense again, I will abolish you.” Hong Xiu pointed at Yue Feng and said coldly.

Feeling the aura of Hong Xiu, Uncle Wang was inexplicably flustered. He wanted to dissuade him, but he didn’t have the courage!

Nima!

Yue Feng frowned secretly, only to feel his face burning hot.

The ultimate husband in Chinese chapter 2751-2760

Chapter 2751

This red sleeve has a really hot personality, looks so beautiful, and has such a big temper, it's like a rose with thorns. I just remind myself that I will be abolished? Too domineering.

Thinking to himself, Yue Feng shook his head!

Seeing that Yue Feng was no longer speaking, Ye Zhixin ignored it, turned around and approached the room, and began to prepare herbs.

It has to be said that Ye Zhixin, as the head of Yuyao Pavilion, still has some attainments in medical skills, dispensing and brewing in an orderly manner, and after a while, the room is filled with the fragrance of medicine.

Ye Zhixin's treatment method is a bit troublesome. First, boil the herbal medicine and apply it on Xiaolin's eyes. After the medicinal effect has penetrated into the eye meridian, the eye nerve is stimulated by manipulation to achieve the effect of restoring the eyesight.

Soon, after the medicine was applied for a few minutes, Xiaolin's empty eyes gradually became clearer and had some radiance.

"I…" Xiao Lin was very excited: "I seem to see the light…"

At this time, Xiao Lin, although she couldn't see anything for the time being, could feel some light and was very excited.

At this moment, the surrounding female disciples all smiled, looking at Ye Zhixin's eyes with deep respect.

"It's amazing!"

"Master is amazing, Xiaolin is about to see something!"

Under the discussion, these female disciples were all extremely proud.

"What a genius doctor!" At this moment, Uncle Wang was also extremely excited, and thanked Ye Zhixin constantly: "Woman, thank you, thank you for curing my granddaughter!"

Ye Zhixin smiled lightly: "Uncle Wang doesn't have to. You're welcome, Xiaolin has been a teacher, and we will be our own from now on!"

At this time, Hong Xiu walked over and looked at Xiao Lin with a smile: “Xiao Lin, how are you feeling now? Don’t worry, close your eyes and relax for a while!”

Xiao Lin nodded, closed her eyes to feel it, and was about to do it again Open your eyes.

However, at this moment, Xiao Lin suddenly trembled, covering her eyes, her delicate face was full of pain: “It hurts, my eyes hurt!”

Then she saw that Xiao Lin’s eyes were flushed with redness. scary.

“Xiao Lin, Xiao Lin!” Uncle Wang panicked and quickly hugged Xiao Lin, but Xiao Lin didn’t seem to hear, she kept shaking, and finally fainted!

This…

Seeing this scene, Ye Zhixin, Hong Xiu and the others were all stunned!

“This…what’s going on?!”

“Isn’t it fine just now? And I can feel the light, why…” The

female disciples of Hongxiu couldn’t help but whispered, and at the same time they looked at Ye Zhixin subconsciously. .

Ye Zhixin bit her lip tightly, her face expressionless, but in fact she panicked all of a sudden. Impossible, I completely followed the steps in the medical book without the slightest mistake. It stands to reason that Xiaolin should be able to see things now, but why is it serious?

“Woman!”

At this moment, Uncle Wang was so anxious that he asked Ye Zhixin, “What’s going on here! Will Xiaolin be in danger?”

“Uncle Wang, don’t worry, let me think about it. Think!” Ye Zhixin comforted her softly, and then said to herself, “Could it be that the proportion of herbal medicines is not right?” Seriously

, Ye Zhixin ordered to Hongxiu, “Bring another pack of herbal medicines and give them to Xiaolin again. Put it on your eyes.”

“Yes, Master!” Hong Xiu nodded quickly!

However, at this moment, Yue Feng came over and couldn't help saying: "Stop applying the medicine, Xiaolin's situation is that her eyes are irritated by the medicine…"

When he said this, Yue Feng was very helpless.

This Ye Zhixin was also the head of a faction anyway, how could she be so pedantic? You know, everything written in medical books is dead, but people are alive, so don't you know how to change it?

Whoa!

Hearing this, Ye Zhixin's face flushed and she was very embarrassed.

Chapter 2752

Hongxiu couldn't help but snorted: "Why are you still here? Hurry up." I

was upset, but this person is still making irresponsible remarks, which is really annoying.

With a helpless expression on his face, Yue Feng said slowly, "Xiao Lin's eyes are congenital, and she needs to use internal force to dredge her eye meridians. Drugs are useless…" The

voice fell, whether it was Hong Xiu or the surrounding people. Several female disciples couldn't help but scold.

"Is this person sick? My master still uses you to teach him?"

"That is, an unknown person in the world, who is pretending to be a genius doctor here."

"If it wasn't for Master's permission, I really wanted to kill him!"

Jiao While drinking, Hongxiu was even more angry, pointed at Yue Feng and said coldly, "You are making trouble, don't blame me for being rude!"

Ye Zhixin, who was next to him, did not speak, but quietly looked into Xiaolin's eyes, falling into brooding.

call!

At this moment, Yue Feng was too lazy to talk nonsense, and shrugged: "Forget it, since you don't believe it, then forget it." The

voice fell, Yue Feng clenched his fists at Uncle Wang, and turned to leave the courtyard!

Zhang Jiao had hurt himself with such a big black pot, so he had to go to investigate the situation quickly, and Mu Qingyue didn't know where he was teleported.

Outside, Yue Feng walked directly towards the downtown area.

In the past few years, more and more people have gone to the wild and strange realm to explore, making the black market transactions extremely popular. In addition to the largest Huangtian transaction, there are also many other trading houses in cities across Kyushu!

Just by finding these transaction lines, you can probe for some desired news.

Soon, Yue Feng found a hidden trading house, and after entering, he heard some news.

And these news made Yue Feng very angry.

Yue Feng found out that the person who pretended to be himself arrested Chang'e and went to the Beiying Palace to make a scene. Then Zhang Jiao staged a heroic rescue of beauty, and finally Chang'e was named the king of Beiying.

Not only that, Chang'e also held the 'Supreme Conference' and sent an invitation to the sects of the Kyushu mainland.

Made!

When he walked out of the trading house, Yue Feng's face was extremely gloomy, and his anger was rising.

This Zhang Jiao, not only wants to ruin his reputation, but also wants to use the 'Supreme Conference' to dominate Kyushu, which is really sinister and despicable.

…..

this moment, the other side!

After Yue Feng left, under Ye Zhixin's order, a new medicine was successfully prepared!

"Woman, is there any help for my granddaughter's eyes?" Uncle Wang stood aside, anxious.

"It shouldn't be a problem!" Ye Zhixin said softly, and then ordered to Hongxiu: "Quick, apply medicine to Xiaolin!"

"Yes.." Hongxiu nodded, took the medicine, and carefully applied it to Xiaolin's eyes on, and then watch quietly!

I saw that just after applying the medicine, Xiao Lin, who was in a coma, trembled again, and the situation was even more serious than before. Not only that, her eyes started to swell and she was sweating!

“Master, this… how could this be?” Hong Xiu panicked.

call!

Seeing this scene, Ye Zhixin also trembled. When the person left just now, he said that Xiaolin’s condition should not be treated with drugs, otherwise it would become more and more serious.

But…. that person’s origin is unknown, who knows if he was talking nonsense at the time?

“Master!” At this moment, a female disciple came over and couldn’t help but said, “That person just now can’t really help Xiao Lin…” The

voice just fell, and the red sleeves frowned, The son interrupted: “What are you talking about? That person looks like a liar, and the master can’t do anything for the time being. What can he do?”

Hearing this, the disciple quickly shut his mouth and stepped aside.

“Red sleeves!”

At this moment, Ye Zhixin bit her lip lightly, her beautiful face flashed with complexity, and said, “You… go and invite that person back!”

Chapter 2753

When she said this, Ye Zhixin’s mood was very complicated. To be honest, she didn’t want to do this, but she had no choice. With Xiaolin’s situation in front of her, she couldn’t delay any longer.

Ah?

The red-sleeved body trembled and stood there, thinking that she had heard it wrong.

“Master, you asked me to invite that person?” Hong Xiu couldn’t help but said.

“Come on!” Ye Zhixin said with an expressionless face, her voice was not loud, but there was no doubt about it.

“Yes, Master!” Hong Xiu was very reluctant, but she still complied, and hurried out of the courtyard to look for Yue Feng!

At this time, Hong Xiu didn't quite understand why Master wanted to invite that person back! At first glance, that person is a liar, what can he do?

Right now! Outside the trading row.

Yue Feng looked at the bustling and bustling street in front of him and felt very irritable.

She was framed by Zhang Jiao, and Mu Qingyue didn't know where she was. What should she do next?

"Hey."

Just when Yue Feng was secretly irritable, a cold voice suddenly came from behind him: "You… go back with me!"

Yue Feng frowned and looked back subconsciously.

I saw not far away, a slender figure came, tired and dripping with sweat, it was the red sleeve!

"You called me?" Yue Feng said with a smile.

Hongxiu came over and looked at Yue Feng angrily: "Of course I'm talking to you, my master told you to go back! Hurry up and follow me!"

When saying this, Hongxiu wiped the sweat from his forehead, very excited. hold back the fire. After looking for him for a long time, he pretended to be stupid.

Ha ha…

Feeling the tone of Hong Xiu's aloofness, Yue Feng was very unhappy, he smiled and said: "It's strange, you chased me away before, but now you let me go back!"

After saying that, Yue Feng looked at Hong Xiu, and said with a smile but not a smile: " Having said that, it doesn't matter to us, why should I go back with you?"

"You…"

Hong Xiu bit her lip, angrily.

After all, he is also the senior sister of Yuyao Pavilion, and it is his honor to come to him in person.

Especially Yue Feng's eyes made Hong Xiu feel uncomfortable, and only felt that her face was red.

Thinking to herself, Hong Xiu stomped her feet: “Are you going to follow me?” To

be honest, Hong Xiu Zhen took action to teach Yue Feng a lesson, but thinking of the master’s instructions, she held back.

Yue Feng laughed and looked at Hong Xiu playfully: “Let me go with you, you can call me a good brother.” Speaking of which, Yue Feng didn’t want to joke, but thinking of Hong Xiu’s previous attitude, he couldn’t help it. tease her.

Swish!

Hearing this, Hong Xiu’s complexion changed, and her petite body trembled with anger: “You are courting death!”

This man really wasn’t a good thing. Seeing that he invited him back, he took advantage of it.

“Don’t call it.” Yue Feng waved his hand and looked indifferent: “It doesn’t matter if you don’t call me good brother, I have no obligation to go with you, I still have something to do, we will have a future!” The

voice fell, Yue Feng turned around and said to leave.

This….

Hong Xiu stood there stunned, stomping her feet in a hurry. If he leaves, how will he explain to the master when he goes back?

Thinking to herself, Hongxiu walked a few steps and stopped in front of Yue Feng: “I’m sorry, I was not good at it before, I apologize to you. If you don’t go back with me, Master will scold me! Count me… please. Now…”

When he said this, Hong Xiu was about to cry.

“The attitude is not bad this time, but what do you call me?” Yue Feng said with a smile.

Hongxiu’s delicate body trembled, biting her lips very shyly, and finally shouted softly: “Good brother!”

When she shouted these words, Hongxiu gritted her teeth secretly, this bastard, after seeing the master later, If you find an opportunity, you must teach him a good lesson.

Chapter 2754

Seeing that she finally called out, Yue Feng nodded with satisfaction and said with a smile: “Okay, since you are so sincere, I will go back with you.”

Yue Feng knew that this red sleeved man came out to find himself, obviously Xiaolin situation aggravated. Although it is flat, but it is also a life.

“Master, we’re back.” When they

arrived at the small courtyard, Hongxiu shouted, and the female disciples who were guarding the door quickly made way.

Ye Zhixin came over and looked at Yue Feng closely: “Do you really have a way to completely cure Xiaolin’s eyes?”

Hmm!

Yue Feng nodded, then walked over and looked at Xiao Lin’s condition. At this time, Xiao Lin was still in a coma, and her eyes were red and swollen.

Alas, keep on admonishing yourself to use drugs!

Muttering in his heart, Yue Feng said to Ye Zhixin: “Wait for you to fight me, do whatever I tell you to do, remember, there can be no mistakes at all, otherwise, Xiaolin may never see her for the rest of her life. !”

What?

Hearing this, whether it was Hong Xiu or the other female disciples around, their expressions changed!

What does this man say? Want to let the master fight him? Master is the head of Yuyao Pavilion. He has an outstanding position in the entire Xuanye Continent. He is an unknown generation, how can he be? Who gave him the courage!

“Hey!” Finally, Hongxiu couldn’t help it anymore, pointed at Yue

Feng and shouted: “Don’t be too aggressive, Master asked if you can cure Xiaolin’s eyes, who is going to attack you?”

It’s getting more and more abhorrent. First, he made himself call him good brother, and now he wants to command the master. This is not self-confidence, but arrogance.

Yue Feng smiled without saying a word, his face indifferent.

Ye Zhixin was also a little angry, but after all, she was the head of Yuyao Pavilion, she quickly calmed down, looked at Yue Feng and said, “It’s not impossible for me to fight for you, but I need to know first, what method do you use? Heal Xiaolin’s eyes.”

Phew!

Yue Feng took a deep breath, pointed at Xiaolin's eyes and said, "It's very simple, wait for you to use your inner strength to drive out the drugs that have penetrated your eyes, and then seal the 'Baihui', 'Shen Ting', 'Yang Bai', 'Quchi' Go around acupuncture points, and leave the rest to me!"

What?

Hearing this, everyone present was shocked.

In the hearts of these people, Yue Feng's words just now are simply fantastic. If nothing else, there is only one Baihui point, but one of the life points on a person's head. Once sealed, the person's life is in danger.

"Can you do it?"

Hong Xiu couldn't help but sighed: "The Baihui point is sealed, can Xiao Lin still survive? I think you are just talking nonsense and don't understand anything!"

At this moment, Ye Zhixin was also a beautiful woman Frowning her eyebrows, she looked at Yue Feng and said, "This is the first time I've heard of this treatment method. It seems that it was a mistake to find you just now!"

When she said this, Ye Zhixin's expression was indifferent, but her eyes flashed with disappointment . Like Hong Xiu, she also believed that Yue Feng was talking nonsense.

You must know that Baihui Point is the point of life. Once it is sealed, Xiaolin will die.

Yue Feng couldn't help laughing: "This method is a little risky, but it's the only way."

After speaking, Yue Feng turned to look at Uncle Wang: "Uncle Wang, if you believe me, let me try it. How about a try?"

This…

Uncle Wang was very hesitant and said nervously, "Is it really possible? If the little brother is confident, let's start quickly."

Although Uncle Wang didn't understand what they were talking about, he knew Yue Feng when he saw the expressions of Ye Zhixin and others. There is a lot of risk, but Uncle Wang has no other way. As long as there is a glimmer of hope that Xiaolin's eyes can be cured, he can't give up.

At this time, Ye Zhixin was still hesitating.

“Have you considered it?” Yue Feng looked at Ye Zhixin and said with a smile: “If you don’t believe me, we can make a bet! If my method is successful, you promise me a condition! If it fails, I’ll let you handle it. How’s it going?”

Whoops!

The voice fell, and the red sleeves next to him suddenly burst into an uproar.

This person is really outrageous, dare to bet with the master.

Chapter 2755

“What qualifications do you have to bet with our master?”

“Master, ignore him, this kind of person is a liar.”

Yue Feng ignored the red sleeves and the others, smiling at Ye Zhixin: “How? Are you gambling?”

“Okay!” Ye Zhixin breathed a sigh of relief, looked at Yue Feng seriously, nodded and said, “I’ll bet with you.”

Ye Zhixin was not afraid of Yue Feng playing with herself. As a kill.

At this time, Ye Zhixin still didn’t know that the person in front of her was Yue Feng, the sect master of Tianmen who was in the vortex of public opinion recently.

Yue Feng stopped talking nonsense, walked over, picked up Xiao Lin, and laid it flat on the ground.

Immediately, under Yue Feng’s gesture, Ye Zhi’s heart moved, she raised her jade hand, and sealed several of Xiaolin’s acupuncture points.

Chi Chi…

At the moment when the acupoints were sealed, Yue Feng took out a few silver needles calmly and poked them around Xiao Lin’s red and swollen eyes. The corners of his eyes flowed down.

Yue Feng is a technique, seemingly random, but every step is accurate.

call!

Seeing this scene, Hong Xiu and the others were all stunned, and they didn’t dare to let out the air.

Especially Ye Zhixin, looking at Yue Feng quietly, her eyes flashing with strange light.

What a magical acupuncture technique!

In the next few minutes, Yue Feng put his hands on Xiao Lin's eyes and started to use his inner strength to dredge the meridians.

call!

I saw the red and swollen eyes gradually disappearing, and then Xiao Lin woke up leisurely, her eyes were clear and full of energy.

"Grandpa, I saw it, I saw it…" Xiao Lin was overjoyed, she couldn't help shouting, and jumped into Uncle Wang's arms excitedly: "So the world is like this, so beautiful…"

Hiss!

At this moment, Ye Zhixin, Hongxiu and the others were all shocked.

It was incredible that Xiao Lin's eyes were cured without any medicine. Who would believe it if she hadn't seen it with her own eyes?

"Little brother, it's really the rebirth of a genius doctor." Uncle Wang hugged Xiao Lin, unable to hold back his inner excitement, and praised Yue Feng.

Yue Feng smiled slightly, with a leisurely demeanor.

call!

At this time, Ye Zhixin calmed down, looked at Yue Feng and said, "Who are you? Where did you learn your medical skills?"

"Didn't I say it before? He smiled and explained slowly: "But I'm lucky, I accidentally met Senior Shennong a year ago, and I was fortunate to have his guidance and learn some medical skills."

Yue Feng is right, this kind of treatment method is exactly Shennong passed it on to him.

Shennong?

Hearing this, Ye Zhi's heart trembled, and her heart was full of shock.

Shen Nong is known as the ancestor of medicine by the world. It turns out that this person learned his medical skills from him, so it is no wonder that he has never seen it before.

“Sect Master Ye!”

At this moment, Yue Feng smiled slightly, looked at Ye Zhixin and said, “Xiao Lin’s eyes have been healed. I wonder if our bet just now counts?”

Hearing this, Ye Zhixin bit her lip lightly, very embarrassed, but she nodded: “Forget it! What conditions do you have, please tell me.”

Although she was a woman, Ye Zhixin kept her word and did what she said.

Seeing Ye Zhixin’s answer so straightforward, Yue Feng showed a smile, and instead of saying it directly, he asked, “Sect Master Ye, has your Yuyao Pavilion also been invited by the ‘Supreme Conference’?”

The ultimate husband in Chinese chapter 2756-2760

Chapter 2756

Hmm!

Ye Zhixin nodded.

Yue Feng smiled and continued: “That’s good, my conditions are very simple, let me join your Yuyao Pavilion, I want to participate in the Supreme Conference!”

When he was inquiring about the news in the trading house before, Yue Feng came to the fire again. , again tangled.

The fact that he was framed by Zhang Jiao and blasphemed Chang’e had spread all over the Kyushu mainland. Under such circumstances, he could not walk around the rivers and lakes with his true identity for the time being.

Moreover, Zhang Jiao must have ulterior motives for holding the Supreme Conference in the name of Chang’e.

Yue Feng decided to participate in the Supreme Conference as Yuyao Pavilion, so that he could not only hide his whereabouts, but also investigate Zhang Jiao’s purpose.

This….

At this moment, Ye Zhixin frowned and pondered, she never thought that the person in front of her would make such a condition.

The red sleeves next to them looked at each other in dismay.

“Haha…” The

next second, Hongxiu couldn't help but chuckle and looked at Yue Feng: "Although you are skilled in medicine, you must know that our Yuyao Pavilion is the first sect of Xuanye Continent, and no one wants to enter. , you can come in."

When saying this, Hong Xiu's face was full of arrogance. The person in front of her, although Xiao Lin's eyes were cured, but thinking that he had forced herself to call her good brother before, Hong Xiu became angry.

At the same time, the other female disciples also nodded.

Although this person is highly skilled in medicine, he is too arrogant, and Master will definitely not agree.

This chapter is provided by . Visit for daily update.

"In this case…."

Ye Zhixin pondered for a few seconds, then looked at Yue Feng and said: "Okay, I promise you, you will be a member of the Holy Sect in the future! Depending on your age, it is not suitable for me to be my apprentice, so you can call me senior sister in the future. !" To

be honest, Ye Zhixin didn't want to give Yue Feng such a high status, but thinking that Yue Feng had studied medicine with Shennong was no small matter, although Ye Zhixin was arrogant and arrogant, he wanted to accept Yue Feng as his apprentice, wouldn't it be with Shennong? Are you on an equal footing?

What?

Master agreed? And let him call him sister?

Hearing this, both Hong Xiu and the other female disciples trembled.

The next second, Hong Xiu couldn't hide the resistance in his heart, and couldn't help but say: "Master, how can this be… We Yuyao Pavilion have no such precedent."

This person became Master's junior brother, not his own uncle. ? How does this work?

"Shut up!"

Hearing this, Ye Zhixin's pretty face was frosty, and she glanced at the red sleeves coldly: "I have already decided, don't talk about it, what does it look like? Uncle Shi?"

His tone was calm, but unquestionable.

The red-sleeved body trembled, and although she was very reluctant, she still saluted Yue Feng: “I have seen Uncle Shi!”

“I have seen Uncle Shi!”

At the same time, other female disciples also saluted Yue Feng. Each one is very respectful.

call!

Seeing this scene, Yue Feng felt very at ease, raised his hand with a slight smile and said, “Okay, don’t be polite!”

When he said this, Yue Feng couldn’t help but give Ye Zhixin a deep look.

To be honest, although this Ye Zhixin had an arrogant temperament, she had to say that she acted in a very decent manner.

But thinking about it carefully, I still got the light of Shennong.

“Okay!”

At this time, Ye Zhixin smiled lightly and said to Uncle Wang, “Xiao Lin’s eyes are just right, she needs more rest, we still have things to do, next time you come again, we will bring her back to the mountain gate for the apprenticeship ceremony.

” The conference will be held in two days, and there cannot be a moment’s delay.

After the explanation, Ye Zhixin took Yue Feng and Hong Xiu and rushed towards the Northern Ying Continent.

call!

At this moment, Yue Feng’s eyes flashed with determination.

Zhang Jiao, even if you ruined my reputation, you would never have thought that I would appear at the Supreme Conference as Yuyao Pavilion.

Chapter 2757

…. the

other side! Rakshasa clan residence!

It was late at night, and it was supposed to be a quiet place, but at this time, bonfires were lit everywhere, and many men, women and children were singing and dancing in a lively celebration.

Not only that, many Rakshasa soldiers also joined this hilarious atmosphere!

Yes, today is a very important festival of the Rakshasa, the All-Animal Festival. This festival is very important to the Rakshasa clan. Thousands of years ago, the Rakshasa clan was exiled to the wild and strange realm. At that time, facing the harsh environment and the intrusion of beasts, the Rakshasa clan was miserable.

Later, the Rakshasa tribe was attacked by the herd of beasts. At that time, the Rakshasa tribe united as one and finally repelled the herd of beasts. From then on, they also gained a firm foothold in the wild and strange realm. To commemorate, the Rakshasa tribe set the Ten Thousand Beasts Festival.

The Ten Thousand Beasts Festival, held every five years, is a carnival for the whole family.

At this time, the Rakshasa clan, although they had left the wild and strange realm, did not forget the efforts of their ancestors. Moreover, this was also the first Ten Thousand Beast Festival held in the Kyushu mainland after leaving the wild and strange realm, so whether it was clansmen or soldiers , are very excited.

In the main hall, Mona sat on the throne with a smile on her face, and toasted with her subordinates.

“Your Majesty!”

At this moment, one of the twelve gods stood up slowly, hesitatingly said, “Do you want to take more care of Jed’s comrades?”

Phew!

Mona sighed lightly, shook her head and said, “Today is the Day of the Beasts, no need, even if they want to escape, there is nowhere to go.”

A few days ago, after Jed and a dozen of his subordinates were thrown into the abyss, The following partisans were all checked out by Mona and locked in the cell.

Mona thought about it, wait until the end of the Ten Thousand Beasts Festival, and then make a good decision on how to deal with them.

Hearing this, the godly man was still a little worried, but he didn’t know how to speak, so he had to sit down again.

At this moment.

In the cell in the northwest corner of the station.

Jed's henchmen sat there with their heads down, very deserted, in stark contrast to the hilarious atmosphere outside.

Boom!

At this moment, the door of the old house was suddenly kicked open, and then, a figure walked in slowly.

It's Jed!

"Jed? .."

"City Lord Jed!"

Seeing Jed, everyone in the cell was both surprised and delighted, because Jed was the city lord of Xuanshi City before, and everyone was used to it and couldn't change it for a while.

Jed looked around and said with a smile: "I'm hurting everyone! Today, I'll take you out, leave here completely, and establish a new tribe."

Yes, after Jade, Cang Shuiyue and others swore their allegiance to Hades, they were arrested. Pluto sent it back, and the purpose this time was to take his subordinates and separate them from the Rakshasa clan.

Whoa!

Hearing this, everyone was shocked.

Create a new clan? is it possible?

Aware of everyone's doubts, Jed did not hesitate, walked over to open the prison door, and said slowly: "You have to believe me, we will build a new Shura clan, which will definitely be stronger than the Raksha clan."

"Wait until it grows stronger. , we will occupy the entire Kyushu!"

"And now what you have to do is to rush out of the cell with me, and kill these Rakshasa people by surprise!"

Hearing these words, everyone present was excited!

“Kill!” The

next second, when they rushed out of the cell, the crowd, led by Jed, let out a roar, and rushed towards the Rakshasa clansmen who were revelling.

This…

all of this happened so suddenly, the Rakshasa people who were still in the carnival didn’t have time to react, and they were overturned by Jed’s people.

In an instant, what was supposed to be a carnival of the Ten Thousand Beasts Festival instantly became a bloody battlefield.

“Ah!” The

screams came one after another, and people kept falling down. The entire Rakshasa tribe station was soon stained red with blood!

Chapter 2758 The

other side!

Yue Feng, along with Ye Zhixin, Hong Xiu and the others, finally arrived at the border of Northern Ying mainland after a long journey.

At this time, when they reached a quiet valley, Ye Zhixin motioned for everyone to take a break.

“Wow!”

However, at this moment, Hongxiu discovered something, and shouted excitedly: “Master, look…”

Hearing the voice, Yue Feng and Ye Zhixin turned their heads to look at the same time, and they were all stunned. Down.

I saw that the depths of the valley not far away were covered with pink flowers and plants. Every flower was shining with crystal light. At first glance, it looked like it was made of crystal.

Crystal fairy grass?

At this moment, Yue Feng’s heart was shocked, and he was inexplicably excited.

In the Wuji Danshu, there are many records of the refining methods of spiritual pills, and there are many records of exotic flowers and plants, and the crystal fairy grass is the

rarest one. It can be said that for thousands of years, people in the rivers and lakes have I have only heard of it, but I have never seen it, because the growth conditions of crystal fairy grass are extremely harsh.

The same is true for Yue Feng. It has been more than ten years since he obtained Wuji Danshu, and he has never seen Crystal Immortal Grass, but he never thought that he would encounter so many on the border of the Northern Ying Continent. .

What the hell!

So many crystal fairy grass, if all collected, can refine a lot of top-quality elixir.

The next second, Yue Feng reacted and sighed inwardly.

Ye Zhixin next to her also trembled, unable to hide her excitement: “Everyone, be careful, collect slowly, and don’t destroy the spirit grass.” As the head of Yuyao Pavilion, although he is not very good at alchemy, he is also He is well-informed and knows that this is a top-quality spirit grass that can be encountered and cannot be found.

“Yes, Master!” The

voice fell, and the red sleeves nodded one after another, and then they went to collect the crystal fairy grass.

Whoops!

However, at this time, footsteps were heard not far away, and then, dozens of sect disciples suddenly surrounded the crystal fairy grass with excited expressions.

These sect disciples, dressed in uniform and imposing, the one headed, wearing a purple gown, looked proud.

It was Xie Zhen, the head of the Longevity Gate.

The Longevity Gate is a Jianghu sect in the Northern Ying Continent, with powerful strength.

Swish!

Seeing this scene, whether it was Yue Feng, Ye Zhixin and others, they all frowned secretly.

These people, want to grab the crystal fairy grass?

“Hey, what do you mean?”

Finally, Hong Xiu reacted and couldn't help shouting at Xie Zhen, "We discovered these spirit herbs first."

"Haha!"

Xie Zhen chuckled, his face full of arrogance : "Don't come with me like this, you belong to Yuyao Pavilion, you know, this is the realm of Northern Ying Continent, and these crystal fairy

grasses do not belong to you!" to get.

Hearing this, Hong Xiuqi's face flushed red, and she was about to speak, but was interrupted by Ye Zhixin.

Ye Zhixin looked at Xie Zhen, and her red lips lightly opened: "Your Excellency is the head of Xie Sect of Changshou Sect, everything has a first come and last arrival, and although this is the Northern Ying Continent, it is not the gate of your Changshou Sect. Rules!"

"Rules?"

Xie Zhen couldn't help laughing, and looked Ye Zhixin up and down: "The rules are all spoken by people, if the head of Ye thinks that I am a bit bullying, then let's have a test, whoever wins, whoever wins, these crystal fairy grasses belong to , how?"

When he said this, Xie Zhen's eyes flashed with insidiousness.

"Okay!"

Ye Zhixin didn't hesitate, and she won the battle with ease: "You and I are both leaders, let's have a match, it's the most fair!" The

voice fell, and Hongxiu couldn't help but said: "Master, we don't need to fight him. In the competition, these crystal fairy grasses were discovered by us first."

Longevity Gate is really deceiving.

Chapter 2759

At this moment, Xie Zhen couldn't help but smile, and said to Ye Zhixin: "Ye Zhangmen is really quick to talk, but you are so beautiful, I can't bear to shoot, so let's compare others!"

Xie Zhen's eyes , which made Ye Zhixin very unhappy, but still said: "What are you talking about?"

Xie Zhen’s mouth evoked a hint of insidiousness: “Since it is related to the crystal fairy grass, let’s compare alchemy.” The

last sentence fell, Xie Zhen’s face was full of expression. confidence.

In addition to cultivation, alchemy is also a must in Longevity Sect. It can be said that the heads of all dynasties have been masters of alchemy, and Xie Zhen is no exception.

Although he had no contact with Yuyao Pavilion, Xie Zhen also learned that Yuyao Pavilion was not good at alchemy, so he deliberately compared Ye Zhixin to try alchemy to make her retreat.

This…

Sure enough, hearing this, Ye Zhixin frowned and hesitated.

If it is a competition, he is not false at all, but in the case of alchemy, he can only refine some ordinary healing medicines, how can he compare with Xie Zhen? If you agree, you will definitely lose.

At the same time, the female disciples of Hongxiu were also secretly anxious and angry.

This Xie Zhen of the Longevity Sect is really despicable. Who doesn’t know that in the Nine Provinces Continent, when it comes to alchemy, except for the Dan Zong of the Dongao Continent, it belongs to their Longevity Sect.

“Master Ye!”

Seeing the change in Ye Zhixin’s expression, Xie Zhen’s smile grew stronger, and he couldn’t help but tease: “You don’t dare to compare!”

Boom!

The voice fell, and the surrounding Longevity Sect disciples burst into laughter.

Ye Zhixin blushed and was about to speak, but at this time, a figure stood in front of her with an indifferent smile.

It was Yue Feng.

“Comparing alchemy, right? I’ll compare with you!” Yue Feng looked at Xie Zhen and spoke lightly, very calmly.

Swish!

At this moment, everyone’s eyes were focused on Yue Feng.

“Who are you?” Xie Zhen frowned, very upset.

If it were three years ago, Xie Zhen could have seen at a glance that it was Yue Feng, the Sect Master of Tianmen, but Yue Feng had three scars on his face, and his temperament had changed, so he couldn’t recognize it at all.

At the same time, the female disciples of Hongxiu were also secretly anxious.

What is he going to do? The other party is the head of the Longevity Sect, and his alchemy skills are superb, can he compare? Even if his medical skills leave, it is different from alchemy.

“You…”

At this time, Ye Zhixin also bit her lip, couldn’t help but pulled Yue Feng, and whispered, “Junior brother, don’t be impulsive!”

Like Hong Xiu and the others, Ye Zhixin felt that Yue Feng was a little impulsive. , after all, the other party is the head of Longevity Sect. It is not comparable to ordinary Jianghu Xiaoxiao.

Yue Feng smiled slightly and signaled Ye Zhixin not to be nervous: “Senior sister, trust me!”

Phew!

At this moment, seeing Yue Feng’s confident face, Ye Zhixin didn’t know why, but her heart suddenly settled down.

The next second, Ye Zhixin looked at Xie Zhen and said, “Xie Changmen, this is my junior brother, let him compete with you.”

What?

Hearing this, Xie Zhen was stunned for a moment. He first looked at Ye Zhixin, and then frowned at Yue Feng, very surprised.

Isn’t Yuyao Pavilion only accepting female disciples? When did you get a man?

Moreover, this kid’s identity is not low, it turned out to be Ye Zhixin’s junior brother?

“Hey!”

At this moment, a boy behind Xie Zhen came out, and said contemptuously: “Master Ye, my master wants to compare with you, what’s the matter if you let this person take your place?

” Big, but aggressive.

This person is Xie Zhen’s eldest disciple, Ren Peng!

Chapter 2760

Hearing this, Ye Zhixin frowned secretly.

The red sleeves next to them were also very displeased and had to refute.

“Boy!”

At this moment, Yue Feng took a step forward and glanced at Ren Peng: “I am the junior brother of Ye Zhangmen, and in terms of seniority, I am at the same level as your master, so why can’t I replace it.”

“It’s you, As a junior, yelling, didn’t your master teach you the rules?” A

few words, neither humble nor arrogant.

“You…”

Xie Zhen’s face flushed, embarrassed, but he was speechless to refute.

Pfft…

Seeing this scene, the female disciples of Hongxiu couldn’t help but pursed their lips and laughed.

Especially Hong Xiu, looking at Yue Feng’s eyes at this time, there is a strange light, and at this moment, he finally has a good impression of this uncle.

Made!

At this moment, Xie Zhen’s face sank, and he couldn’t help looking up and down at Yue Feng.

This kid has a great mouth.

Feeling Xie Zhen’s gaze, Yue Feng didn’t panic at all, didn’t bother to talk nonsense, and urged: “How is it? Can Xie Changmen compare?”

Haha!

Xie Zhen sneered, his eyes flickering coldly: “Beat, why not?”

After speaking, Xie Zhen said to Ye Zhixin: “Master Ye, before the game, I want to add another bet, do you guys dare to take it?”

Ye Zhixin After thinking about it: “What bet?”

Xie Zhen nodded and took a deep breath, pointing at Yue Feng: “If he loses, not only will these crystal grasses belong to us, but he will kneel down and apologize to me!

” His own apprentice made him very unhappy.

Hearing this, Ye Zhixin’s pretty face changed. If the younger brother knelt down to the other side, where would Yuyao Pavilion’s face be?

However, Yue Feng suddenly laughed and looked at Xie Zhen: “Of course, if I win? You have to kneel down and apologize to me!”

Wow!

Hearing this, everyone in the Longevity Sect was inexplicably angry.

This guy is really blindly confident…

Xie Zhen’s face sank, and a bit of shame and anger rose in his heart, but he held his identity and did not show it on the spot, but sneered: “Okay!”

Ren Peng couldn’t help it. Now, looking at Yue Feng, he said coldly, “Just wait and kneel to my master!”

Madd, this man is so arrogant that he is disrespectful to his master.

Having said that, Ren Peng strode out and looked around: “Let’s talk about the rules first, the game is a stick of incense time, just use this crystal fairy grass to refine the medicine pill, whoever makes the medicine pill is rarer, who It will be born, if a stick of incense is burned and it has not been refined, it is considered a loser!”

When the last sentence fell, Ren Peng did not forget to glance at Yue Feng with contempt.

In his heart, the master’s accomplishments in alchemy are unmatched, and the opponent will lose!

At this time, Xie Zhen walked out slowly, took out the small alchemy cauldron, then collected two crystal fairy grasses, and at the same time took out other materials from his body and put them into the small cauldron.

As the head of Longevity Sect, alchemy is commonplace, so Xie Zhen always carried a small cauldron for alchemy.

Soon, Xie Zhen put away the materials and started refining. Everything went smoothly.

call!

Seeing this scene, all the disciples of the Longevity Sect present were inexplicably excited and full of smiles!

But Ye Zhixin and Hong Xiu were secretly worried.

This Xie Zhen is worthy of being the head of the Longevity Sect, and his attainment in the art of alchemy is really outstanding. Everything is so natural and random.

At this moment, Yue Feng thought about it, walked over, and broke a crystal fairy grass at will.

Immediately afterwards, Yue Feng asked Ye Zhixin for a pottery jar to use as an alchemy vessel. Yuyao Pavilion is not good at alchemy, and there is no professional alchemy utensils on it, but porcelain jars can also be used.

Haha…

Seeing this scene, Ren Peng and the surrounding Longevity Sect disciples couldn’t help laughing.

The ultimate husband in Chinese chapter 2761-2765

Chapter 2761 Ren Peng's face was full of sarcasm

, and he couldn't help saying: "I don't even have a decent alchemy vessel, how dare you compete with my master? I really don't know where the courage came from!"

The wind pointed.

The red sleeves standing opposite are also in a hurry.

"Uncle, can you do this?" The red sleeves were clasped tightly, and the palms were sweating. She couldn't help but said, "It looks a little too playful!"

"Red sleeves!"

Ye Zhixin was very calm, and said softly, "Don't mess around. Speak!"

When she said this, Ye Zhixin kept her eyes fixed on Yue Feng, to be honest, she was also a little flustered, but seeing Yue Feng's calm and confident face, she still chose to believe him.

The people's discussions kept coming, but Yue Feng was not affected at all.

You must know that in the art of alchemy, the first thing to pay attention to is the material, followed by the heat, and finally the alchemy utensils. Of course, if the heat is well controlled, the utensils don't matter.

Time passed by minute by minute.

I saw that Xie Zhen's Pill Stove was burning more and more vigorously, and the Pill Stove was burning red.

Soon, a faint scent of elixir came out from the elixir furnace and floated in the air of the valley.

At this moment, Ren Peng and the surrounding Longevity Sect disciples suddenly became excited.

Master's medicinal pill is about to be refined. And looking at this sign, it is definitely a rare elixir!

On Yue Feng's side, there was no movement at all.

This chapter is provided by . Visit for daily update.

hum!

Suddenly, a shock was heard, and then, a colorful cloud floated from afar, slowly merging into a Dan cloud, suspended over the valley! The position is not biased, it is exactly the top of Xie Zhen's head!

Whoa!

In an instant, Ren Peng and others were all excited!

"Master is so amazing, it attracted colorful pill clouds!"

"Congratulations, master, the technique of alchemy has improved a lot, and it has attracted colorful pill clouds. This is definitely a rare and exquisite elixir in the world!"

Everyone in the longevity door cheered. When it came, Ye Zhixin, Hongxiu and the others all changed their expressions.

Especially Ye Zhixin, who regretted betting with Xie Zhen at this time.

The opponent's alchemy accomplishments are so superb that they have attracted colorful dan clouds. In this competition, the junior and junior brothers must have lost.

call!

Seeing this scene, Yue Feng smiled and said nothing.

At the same time, I also sighed in my heart, this Xie Zhen, who can actually trigger the colorful Dan Cloud, is worthy of being the head of the Longevity Sect.

No wonder he dared to challenge Ye Zhixin so confidently before.

Whoops!

At this moment, Ren Peng and the others quickly surrounded them, each and everyone was very excited.

"Master, open it up and have a look."

"Yeah, what is the peerless elixir!"

After listening to everyone's words, Xie Zhen smiled slightly, opened the small cauldron, and saw an elixir carrying a dazzling light that flew out instantly , fell on Xie Zhen's palm.

At this moment, everyone's eyes converged at once, and they were all stunned.

I saw that an elixir with colorful rays of light was quietly in Xie Zhen's hands. Under the sunlight, it was dazzling!

"Suijue Dan!"

At this time, Xie Zhen was holding the medicinal pill and was very excited: "Xiejue Dan, which can make people reborn, I didn't expect that I would finally refine it in my lifetime, haha…"

What?

Hearing this, Ye Zhi's heart trembled, and her whole body was stunned, her heart was extremely shocked.

Washing Marrow Pill, said to be a peerless elixir that has been lost, not only can make people reborn, but some people who cannot cultivate due to congenital factors can successfully cultivate after taking it. Moreover, this Washing Marrow Pill also has the effect of longevity. It can be said that, This Washing Marrow Pill is an absolute rare elixir.

Under the shock, Ye Zhixin couldn't help but glance at Yue Feng, her eyes flashing with disappointment.

It's over, Yuyao Pavilion lost this alchemy competition.

Chapter 2762

At this time, the eyes of many people also turned to Yue Feng's side, each with complicated expressions.

I saw that Yue Feng's porcelain altar was quiet, with no aura fluctuations, not to mention causing Dan Yun.

call!

Seeing this scene, many disciples of Longevity Sect couldn't help but sneer.

With this little strength, you dare to compare alchemy with our master?

"Alas!"

At this moment, Ren Peng couldn't hide the contempt in his heart, walked over slowly, looked down at Yue Feng: "Did you see, my master has already caused a colorful cloud, I don't think you need to compare it. , just admit defeat!"

"Also, what can you make out of a single crystal fairy grass?"

Hearing this, Yue Feng couldn't help laughing and glanced at Ren Peng: "Who told you You, the more materials you use, the better medicine you can make? Even if I use one crystal fairy grass and your master uses two, he won't win!"

"The most important state of mind in alchemy, do you understand? ?"

Madeleine!

Feeling Yue Feng's contempt, Ren Peng suddenly became anxious, pointed at Yue Feng and roared loudly: "You…are you courting death for your special code?"

This guy is so crazy that he dares to look down on Master!

You must know that Master Xie Zhen has more than 30 years of accomplishments in the art of alchemy. In his eyes, it is not worth a slap, he is simply outrageous.

"Peng'er, step back."

At this moment, Xie Zhen waved his hand, and then looked at Yue Feng with a leisurely face: "You are right, alchemy does pay attention to the state of mind, but it also needs to have real materials, not as simple as what you say! My alchemy The medicine has already been refined, and it has also caused a colorful cloud of pills, are you sure you want to continue the comparison?"

Hehe!

Yue Feng smiled slightly: "Ah, why not? The incense stick hasn't been burned yet, what are you anxious about?" As he

spoke, Yue Feng looked relaxed and continued to control the heat!

Xie Zhen sneered: "Okay, then I'll wait and see, if you can't make it out, when you kneel, you have to kneel three times and nine times!"

If you don't cherish your face, then don't blame me!

Yue Feng was too lazy to talk nonsense. After checking the temperature, he lifted the lid! In an instant, a scorching hot breath escaped.

What?

At this moment, Ye Zhixin and Hong Xiu were all stunned, their expressions showing disappointment.

I opened the lid before the medicinal pills were made, did you also give up?

At the same time, the disciples of Longevity Sect couldn't help sneering.

Haha….

This kid is going to admit defeat, he still has some self-knowledge.

"Hey!"

At this time, he stepped out and looked at Yue Feng mockingly: "Are you admitting defeat?"

I thought this kid had some skills, but it turned out to be ineffective. With this kind of strength, he still dares to Comparing alchemy with the master, it simply lowered the identity of the master.

this… this is…

However, no one noticed that Xie Zhen, who was still extremely confident, was shocked and looked at Yue Feng tightly, almost dumbfounded and shocked.

Xie Zhen is also a master of alchemy. At this moment, it can be seen at a glance that the person in front of him is not giving up the game, but is quenching the alchemy furnace? !

The quenching pill furnace is the most secretive and the longest lost method in the ancient alchemy technique! This method has long been lost! Now only some records can be found in some ancient books, but the records are not comprehensive.

It is said that the quenching of the pill furnace is to use the spiritual energy of the spiritual grass material to completely remove the impurities in the pill furnace, so that the refined pills can guarantee 100% purity.

Of course, the medicinal pills refined in this way are extremely rare medicinal pills!

As the head of the Longevity Sect, Xie Zhen had been refining pills for decades. Of course, he knew about the 'quenching pill furnace', but this method had long since been lost, but he never thought that Ye Zhixin's junior brother could use it so skillfully.

Chapter 2763

Under the shock, Xie Zhen stared at Yue Feng closely, he could hardly move his eyes, his eyes were extremely hot.

How did he know about this long-lost alchemy secret technique? !

Yes, Yue Feng was quenching the elixir furnace before, because he used Ye Zhixin's porcelain jar, which was not as good as Xie Zhen's Xiaoding, so he had to quench it.

In the face of the surrounding discussions, Yue Feng was not affected at all. After adjusting the heat, he put the crystal fairy grass into the pill furnace, and at the same time strengthened the intensity of the fire!

At this time, a stick of incense next to it, there is still a quarter of the length.

Obviously, time is running out, but Yue Feng has always been calm.

Haha…

Seeing this scene, the disciples of Longevity Sect are still sneering constantly. In their eyes, Yue Feng opened the pill furnace just now, which is a kind of layman's performance.

"Master…"

At this moment, Hong Xiu couldn't bear it anymore, and said to Ye Zhixin, "Or…let's admit defeat, Uncle Shi…"

Before she could finish speaking, Ye Zhixin shook her head.

Even if this junior brother is really inferior to Xie Zhen, he cannot admit defeat. After all, Yuyao Pavilion is the first sect of Xuanye Continent, and he cannot lose face.

At this time, Ye Zhixin, like Hongxiu, also thought that Yue Feng could not win, but for the dignity of Yuyao Pavilion, she had to hold on to the end no matter what.

boom!

That is, at this moment, a heaven and earth vibration came from the sky!

Everyone quickly looked up and saw that the sky was suddenly covered with dark clouds, and the originally sunny sky suddenly became extremely dark. Then, lightning flashed and thundered in the clouds, and dazzling thunder light gathered, just before Yue Feng. above the head!

Obviously, this is the vision of heaven and earth caused by Yue Feng's alchemy!

This…

in an instant, whether it was Ye Zhixin, Changshoumen and others, they were all stupid!

Xie Zhen's alchemy just now, and the ability to trigger colorful dan clouds is already shocking enough, but he didn't expect that this person could trigger a vision of heaven and earth. If he hadn't seen it with his own eyes, who would have believed it?

hiss!

Ren Peng's ability was full of pride. At this moment, his smile froze, and he stared blankly at the flashing thunder light above his head, only to feel his brain buzzing!

This… how is this possible?

This person looked unremarkable, even if he was the elder of Yuyao Pavilion and Ye Zhixin's junior brother, how could he possibly compare to his master in alchemy?

Xie Zhen next to him was also completely stupid.

Heaven and Earth anomalies? In the entire history of alchemy, there are very few people who can trigger the vision of heaven and earth. How did this person do it?

Moreover, I have been in the alchemy world for decades. How come people with such skills have never heard of it?

hum!

Just when everyone was shocked, suddenly, the porcelain jar in front of Yue Feng suddenly burst, and then under the vibration of a strong breath, a dazzling medicinal pill flew out.

Yue Feng looked relaxed, showed a smile, raised his hand and grabbed the medicine pill in his hand.

Swish!

At this moment, the eyes of everyone present immediately gathered on Yue Feng's hand!

I saw that Yue Feng's hand was a black medicinal pill, which seemed nothing special, but on the surface, there was a slight current flowing.

quiet!

In an instant, the entire valley was silent, and almost a needle could be heard clearly.

This… what kind of elixir is this? It has such spiritual power!

"Junior Brother!"

After a few seconds, Ye Zhixin took the lead in reacting, walked over, and looked at Yue Feng with a smile: “What kind of medicinal pill is this? What a unique look!”

Chapter 2764

Yue Feng smiled slightly, and did not answer directly, but looked at Xie Zhen: “Xie head is a master of alchemy, you should be able to see what kind of medicine this is!”

“What?” Xie Zhen was stunned for a moment. Haven’t responded yet.

Yue Feng smiled and said, “Sect Master Xie, have you ever heard of the ‘Millennium Pill’?”

What?

Hearing this, Xie Zhen was shocked, shocked, and his voice trembled: “You…. You said you are a thousand-year-old pill? Impossible, absolutely impossible!”

Most ancient emperors pursued immortality , Among them, Qin Shihuang is the most persistent. According to legend, Qin Shihuang raised a lot of alchemy masters. Later, the elixir of immortality was not refined, but he also developed a top-quality elixir of a thousand years!

According to historical records, the Millennium Pill is a kind of elixir for longevity. After taking it by ordinary people, it can extend the lifespan of a year ago, and when practitioners take it, it can improve a lot of benefits.

It’s just that this kind of medicinal pill was lost when the Qin Dynasty fell, but I didn’t expect that there are still people in the world who know how to refine it.

At this time, Xie Zhen didn’t know that Yue Feng’s Wuji alchemy technique was passed down from the Qin Dynasty.

call!

Seeing Xie Zhen’s expression, everyone else around was stunned!

To make Xie Zhen so shocked, this medicinal pill must have an extraordinary origin.

“Senior sister!”

At this moment, Yue Feng smiled and handed the medicinal pill to Ye Zhixin: “Put this medicinal pill away, maybe it will be useful to you in the future!”

Hmm!

Ye Zhixin took the medicine pill and smiled lightly, not excited.

Although Xie Zhen hadn't conceded defeat, it was obvious that the younger brother had already won.

"How is it?"

At this time, Yue Feng looked at Xie Zhen with a half-smiling smile: "Sect Master Xie, the competition is over, what do you say?"

This…

Xie Zhen blushed, very embarrassed, and said for a while Not speaking.

At the same time, everyone in the Longevity Sect was silent!

A few seconds later, Xie Zhen gritted his teeth, bowed his head at Yue Feng and said, "Your Excellency in alchemy is truly amazing and admirable. I… I lost!"

Although he had already conceded defeat, Xie Zhen was very impressed. Not convinced.

To be honest, Xie Zhen didn't want to admit defeat, but the other party refined the long-lost Millennium Pill, and it also triggered a vision of heaven and earth. Anyone with a discerning eye can see who is stronger and who is weaker.

Seeing him voluntarily admit defeat, Yue Feng nodded, and then smiled: "What about the bet?" Phew

!

At this moment, Xie Zhen's face was extremely pale, his fists clenched tightly, and he didn't answer.

I just made a bet with Yue Feng, whoever loses will kneel down and admit his mistake, but he is the head of the dignified longevity sect, how can he lose this person?

"Alas!"

At this time, Ren Peng couldn't bear it anymore, looked at Yue Feng with complicated eyes, and shouted, "My master has already conceded defeat, what do you want? Don't be too aggressive!"

Mad, this person is only Ye Zhixin's Junior brother, he is not the head of Yuyao Pavilion, so there is no need for master to kneel to him and admit his mistake.

As soon as the words fell, Hongxiu couldn’t help but retort: ”You were the one who wanted to increase the bet just now. Now that you lose, you won’t admit it. Are you all so unbelievable in the longevity door?”

“You…” Ren Peng’s face flushed, but he was speechless.

call!

At this moment, Xie Zhen clenched his teeth tightly, and almost squeezed out two words from between his teeth: “I kneel.” The

voice fell, Xie Zhen knelt in front of Yue Feng with his knees bent, and said, “I offended a lot just now, Please forgive me!”

When he said this, Xie Zhen’s face showed deep resentment, Yuyao Pavilion waited for me, and when the Supreme Conference, the humiliation at this time must be doubled back!

Thinking to himself, Xie Zhen didn’t wait for Yue Feng to respond, he got up quickly, raised his hand and waved: “Go!”

Hula!

In an instant, Ren Peng and the disciples of Longevity Sect followed Xie Zhen away cleanly.

Swish!

Chapter 2765

It wasn’t until Xie Zhen and the others walked away that the female disciples like Hongxiu reacted, cheering and excited.

“Uncle Master is amazing!”

“Great, these crystal grasses are all ours!”

“It was originally ours…”

Ye Zhixin, who was on the side, also smiled and looked at Yue Feng in a complicated way.

He couldn’t help but be highly skilled in medicine, and he also had such profound accomplishments in the art of alchemy.

Soon, the female disciples of Hongxiu, after collecting all the crystal fairy grass, set off on the road again.

A few hours later, Yue Feng and Ye Zhixin finally arrived at Beiying Imperial City.

call!

The moment he entered the city gate, looking at the bustling street in front of him, Yue Feng took a deep breath, feeling somewhat inexplicable.

I saw that because the Supreme Conference was going to be held, the streets of the entire Beiying Imperial City were almost crowded with people, and in the Kyushu continent, almost all the large and small sects came.

It was the Beiying Palace that held the Supreme Conference, so the sects who received the invitation were arranged to rest in the courtyard of the palace.

Yue Feng, Ye Zhixin and the others crossed the street and walked towards the palace.

“Please show the invitation letter!”

As soon as they arrived at the gate of the palace, Yue Feng and others were stopped by two palace maids.

These two palace maids, both in their twenties, have the same bun on their heads and wear long court dresses. They are slim and charming!

Yue Feng clearly felt that the strength of these two palace maids was not low, and they were actually a Martial Emperor!

As expected of the Beiying Palace, the maids received at the entrance of the palace are all so powerful!

Just when Yue Feng was sighing, Ye Zhixin took out the invitation letter.

“It turned out to be the head of Yuyao Pavilion, you are welcome to participate in this supreme meeting!” The maid said with a smile.

In the next second, the two maids invited Yue Feng and the others in: “Sect Master Ye, the Empress has already arranged a place for you to rest, the Supreme Conference will be officially held tomorrow, you all come with me first!”

Phew!

Ye Zhixin breathed a sigh of relief, nodded, and then took Yue Feng and the others, followed by the two palace maids, into the garden!

A few minutes later, in front of a unique pavilion, the two palace maids left.

call!

At this moment, looking at the beautiful surroundings, the magnificent pavilion, and the female disciples with red sleeves, they were all inexplicably excited.

“Tomorrow’s Supreme Conference will start!” At this time, Ye Zhixin looked around and ordered: “Everyone, take a good rest, remember, this is the Imperial Palace, don’t wander if you have nothing to do.”

After speaking, Ye Zhixin returned to her own place. Room to rest!

The red sleeves were a little disappointed, but they still went back to their rooms obediently!

call!

At this moment, Yue Feng also pretended to go back to the room, but seeing that it was getting dark outside, he slipped out quietly.

Earlier, Yue Feng told Ye Zhixin that joining Yuyao Pavilion to participate in the Supreme Conference was just an expedient measure. The real purpose was to infiltrate the Beiying Imperial City and investigate Zhang Jiao’s situation. rest?

What the hell!

After going out, Yue Feng was very emotional, Mad, this Beiying Palace is really too big. Speaking of which, he has been here many times before, and at this time in this other garden, he is still a little dizzy.

Yue Feng could clearly see that there were hundreds of palaces in this palace.

In front of each palace, there is a sign with the names of the participating sects, such as Shaolin Sect in Diyuan Continent, Danzong in Dongao Continent, Famous Sword Villa in Yellow Sea Continent, etc.

At the same time, Yue Feng also discovered that A place for a restless organization!

Nima!

I heard that Zhang Jiao was named King of Beiying by Chang’e. Chang’e knew in advance that the fake Yue Feng was Zhang Jiao’s man, so why should he be named king?

In addition, the Wutian Organization is secretive, and at this time, it has participated in the Supreme Conference in a grand manner.

Thinking of this, Yue Feng suddenly raised countless questions in his heart!

The ultimate husband in Chinese chapter 2766-2770

Chapter 2766 It's

better to go to the place where the Wutian Organization rests first, it would be better if you can find Zhang Jiao.

Thinking of this, Yue Feng took advantage of the night to quietly walk towards the pavilion where the Wutian Organization rested.

Um?

When approaching the gate of the palace, Yue Feng saw two figures and sneaked out, very suspicious.

Seeing the faces of the two, Yue Feng suddenly burst into anger.

These two people are Zhang Jiao's apprentice Shen Fei, and Liang Hao who pretended to be Yue Feng before.

Of course, at this time Liang Hao was no longer dressed in Yue Feng's clothes, but returned to his original appearance, which Yue Feng had not yet recognized.

At this time, Yue Feng wanted to rush over and subdue the two of them, but considering that this was the Beiying Garden of Beiying Palace, he held back and quietly hid behind a tree!

Yue Feng responded quickly, and the two of them didn't notice it at all.

"Brother Liang!"

At this moment, the corner of Shen Fei's mouth twitched, revealing a wicked smile: "Only we can handle this errand given by the master, hehe, I heard that Ye Zhixin of Yuyao Pavilion is also a goddess of rivers and lakes. Wait a minute. We have subdued her, maybe there is a chance to kiss Xiangze, hehe!"

"Not bad!"

Hearing this, Liang Hao revealed a smile: "Recently, the power of our Wutian organization has grown stronger and stronger, and the sect who secretly supported There are countless doors, but there are also many who don't know how to lift them up!"

"This Ye Zhixin of Yuyao Pavilion, the lord specially sent someone to invite him a month ago, how can you know that Ye Zhixin is quite arrogant, and she doesn't want to ally with the lord at all!"

“Fortunately, the lord has foresight and used the Supreme Conference to lure Ye Zhixin out. We will deceive Ye Zhixin later. After the matter is completed, you can do whatever you want!”

This chapter is provided by . Visit for daily update.

After saying the last sentence, Liang Hao’s eyes were full of cunning!

Made!

Yue Feng could hear the conversation between the two clearly.

Sure enough, this supreme meeting was also set up by Zhang Jiao, and at the same time, there was some emotion. Ye Zhixin seemed to be weak, but she was also very strong, and she actually refused Zhang Jiao’s invitation.

And Zhang Jiao held a grudge, and the night before the Supreme Conference, he sent his apprentices to plot against Ye Zhixin.

Now that I have encountered it, I absolutely cannot let you succeed.

Thinking of this, Yue Feng took a deep breath and followed secretly.

To be honest, at this moment, Yue Feng wanted to rush up and questioned Shen Fei and the two, what method they would use to plot against Ye Zhixin, but he was afraid that he would scare the snake, so he held back.

Shen Fei and Liang Hao didn’t notice at all, there was someone following behind them, talking and laughing in a low voice as they walked towards the resting palace of Yuyao Pavilion.

Soon, the two Shen Fei arrived at the resting palace of Yuyao Pavilion. Obviously, the two of them had already made arrangements for tonight’s plan, and they were very familiar with the environment here.

call!

At this moment, I saw Liang Hao take out something from his body and put it on his face, and he immediately changed his appearance!

Nima!

Yue Feng, who was at the back, couldn’t help but take a deep breath, brimming with anger.

I saw that what Liang Hao took out was a vivid mask, exactly what he looked like three years ago.

At this moment, Yue Feng immediately understood that it turned out that this person pretended to be himself in the Shengzong before.

Ha ha…

At this time, seeing Liang Hao's changing appearance, Shen Fei couldn't help but admire: "Master is really amazing, he can make such a fake mask. To be honest, if I hadn't known in advance, I would have regarded you as Yue Feng!"

Liang Hao smiled slightly: "I pretended to be Yue Feng and deceived Ye Zhixin. Even if something went wrong, it was Yue Feng who was to blame. It has nothing to do with us!"

"Haha, not bad!"

Go past the gate of the palace!

Chapter 2767

At that moment, Shen Fei hurriedly hid in the flowerbed not far away!

"Stop, who is it?"

As soon as he reached the door, he heard a coquettish shout, and then Hongxiu came out and blocked in front of Liang Hao!

Although it is in the other courtyard of the imperial palace, Yuyao Pavilion did not relax its vigilance. As the senior sister, Hongxiu is in charge of patrolling the surrounding area. At this time, when someone approached, he immediately came to ask!

"Excuse me, please tell Ye Sect Leader, just ask Yue Feng to see you!" Liang Hao said with a slight smile!

Yue Feng?

The red-sleeved body trembled, and she couldn't help but look at Liang Hao. Recently, it was rumored in Kyushu that Yue Feng had blasphemed against the Empress Chang'e, which was a heinous crime.

Thinking to herself, Hongxiu couldn't help but ask: "What are you looking for our master?"

Liang Hao rolled his eyes and smiled: “It’s a very important matter, it concerns the safety of your Yuyao Pavilion, this beauty, please trouble you. Let me know!”

This…

Hongxiu hesitated for a while, and finally nodded: “Okay, please wait a moment!” After speaking, she turned around and approached the palace, walking towards Ye Zhixin’s resting room!

Haha…

Seeing that his identity was not revealed, Liang Hao was very proud, and exchanged glances with Shen Fei who was hiding, both of them were extremely excited and excited!

At the same time, Yue Feng, who was hiding behind, frowned secretly.

Mad, this kid is addicted to pretending to be himself.

At this moment, Yue Feng wanted to rush over, but in the end he held back, but he wanted to see what these two guys were going to do tonight.

Soon, the red sleeves came out. Followed by Ye Zhixin!

“Sect Master Yue!”

Ye Zhixin said softly when she reached the front, and at the same time looked up and down Liang Hao!

At this time, Ye Zhixin was wearing a dark purple dress, her expression was indifferent, gentle and peaceful, like a fairy. Although she was a little tired from the journey before, it was difficult to hide her beautiful temperament, but it added a bit of unique charm. !

hiss!

Seeing Ye Zhixin in front of her, whether it was Liang Hao or Shen Fei hiding in the flowerbed, she couldn’t help but gasp in air, and couldn’t take her eyes away for a moment!

Beautiful, so beautiful!

It is said that the head of the Yuyao Pavilion in the Xuanye Continent has a beautiful temperament and is elegant and refined.

“Sect Master Ye!”

Finally, Liang Hao reacted and looked at Ye Zhixin with a smile: “There is a very important matter, which concerns the safety of your Yuyao Pavilion. I don’t know if it is convenient for Sect Master Ye to come alone with me. ?”

When he said this, Liang Hao’s tone was serious, but his eyes were always on Ye Zhixin.

Liang Hao’s gaze made Ye Zhixin very unhappy: “If there is anything wrong with Sect Master Yue, just talk about it here!”

At this time, Ye Zhixin had a very bad impression of the ‘Yue Feng’ in front of her.

I thought that the Sect Master of Tianmen was a man who stood up to the sky. There were rumors in the rivers and lakes that Yue Feng had blasphemed the Empress Chang’e.

Being rejected all of a sudden, Liang Hao was stunned for a moment, but he still smiled and said: “It seems that the head of Ye has some prejudice against me, well, since you don’t believe me, then I will leave!”

After speaking, Liang Hao turned around go!

Yes, Liang Hao was pretending to leave, to confuse Ye Zhixin on purpose!

Sure enough, seeing Yue Feng so straightforward, Ye Zhixin suddenly became a little confused, and hurriedly shouted: “Wait, since Sect Master Yue came to me specifically, I will come with you!”

At this time, Ye Zhixin didn’t realize that, before her eyes The person is not Yue Feng at all.

Chapter 2768

Haha, hooked!

At this moment, Liang Hao was so excited, he hurriedly led the way in front, and walked towards the small garden not far away with Ye Zhixin. Red Sleeves are close behind!

At this time, Ye Zhixin and Hongxiu didn’t notice anything wrong.

call!

Seeing this scene, Yue Feng quietly followed.

As soon as they arrived in the small garden, Ye Zhixin couldn’t help but say, “Sect Master Yue, what’s the matter, tell me quickly!”

The red sleeve next to her was quietly observing the surroundings, because it was late at night and there was no one around.

“Sect Master Ye, what are you anxious about!” Liang Hao said with a smile.

Whoosh!

As soon as he finished speaking, Shen Fei, who was hiding in the dark, suddenly rushed out, raised his hand and hit the junior with red sleeves directly.

boom!

All this happened so fast that Hongxiu had no time to react, and at the same time, he did not expect that the ‘Yue Feng’ in front of him would set up an ambush in the dark!

This palm, in the middle of the red-sleeved junior, heard her groan, her delicate body softened, and she fainted directly to the ground!

What?

Seeing this scene, Ye Zhixin’s pretty face changed, she was furious, and scolded Liang Hao: “Yue Feng, you are so bold, how dare you lie to me, and take action against my apprentice in this palace garden, ?”

Ye Zhixin was very angry at this time, but she hadn’t seen the truth of Yue Feng in front of her.

“Hey!”

Liang Hao smiled coldly, with evil eyes flashing in his eyes: “What about the palace garden? Let me tell you, the entire imperial city is under our control, and I’m not Yue Feng!”

When the words fell, Liang Hao’s inner strength turned, and together with Shen Fei, they launched an attack on Ye Zhixin!

“Aren’t you Yue Feng?”

Hearing this, Ye Zhi’s delicate body trembled, and the whole person was stunned.

How could it be that the person in front of him was clearly Yue Feng, how could it be fake?

While thinking about it, Ye Zhixin stimulated her inner strength and fought fiercely with the two of them.

“Ye Zhixin, don’t struggle anymore, we are Mr. Zhang’s subordinates, and we will deal with you tonight. As long as you promise to be loyal to Mr. Zhang, there is still room for recovery. If you insist on doing your own thing, don’t blame us for being rude! “Liang Hao said while using his skills!

Shen Fei also had a gloomy smile on his face.

“It turns out that you are from Zhang Jiao!” Ye Zhixin was stunned, and at the same time gritted her teeth secretly, responding to the attack of the two!

At the beginning, Ye Zhixin was very confident, but gradually she felt that something was wrong. A sense of fatigue washed over her body. Not only that, her inner strength seemed to be suppressed.

This is clearly a sign of poisoning.

“Sect Master Ye, do you feel powerless?” Shen Fei said with a smile, “I’m not afraid to tell you that you have been poisoned with the ‘spiritual fragrance’. No one can solve it except him!”

Yes, when Ye Zhixin entered the small garden just now, Shen Fei released a scent of ecstasy in the dark.

mean!

At this moment, Ye Zhixin was extremely ashamed and angry. She never thought that the head of the dignified Yuyao Pavilion would be so careless and fall for the tricks of two despicable villains.

Soon, Ye Zhixin couldn’t hold it anymore, and when Liang Hao tapped on the acupoint, her delicate body trembled and fell to the ground.

Ha ha!

At this moment, Shen Fei walked over slowly, first looked at the fainted red sleeve, and then looked at Ye Zhixin: “Brother Liang, you’re done, both the master and the apprentice are superb, you choose one! After finishing the work, Let’s go back and return to life!”

Liang Hao was also very excited, and smiled slightly: “You are Mr. Zhang’s apprentice, you choose first!”

Although he is Zhang Jiao’s right-hand man, but Shen Fei is Zhang Jiao’s first disciple, how can he rob him? .

“Okay!”

Shen Fei rudely walked towards Ye Zhixin: “Sect Master Ye, if you offend me, don’t blame me, as long as you become my woman, you will cooperate with us obediently!

” Go away, go away!” Ye Zhi was so angry, but her acupoints were taped and she couldn’t move at all.

“Hey, call me, there are no palace guards around here, no one will save you!”

Shen Fei said with a smile, grabbing Ye Zhixin’s wrist.

Chapter 2769

At this moment, Ye Zhixin bit her lip, her beautiful face was full of despair, as the head of Yuyao Pavilion, when had she ever suffered such humiliation.

Could it be that his innocence for so many years will be destroyed tonight?

Thinking to herself, Ye Zhixin closed her eyes.

Whoosh!

Just at this critical moment, a figure flashed over and stood beside Ye Zhixin, his knife-like face was full of coldness!

It is Yue Feng!

“You’re not timid!” Yue Feng said coldly, his body filled with a powerful aura!

hiss!

Suddenly a person appeared, Shen Fei and Liang Hao were both startled.

The next second, before they could react, Yue Feng turned with his inner strength, raised his hand and hit it with both palms.

puff puff!

Just like the red sleeves just now, Shen Fei and Liang Hao didn’t have time to react, so they each took a slap and screamed at the same time.

“Junior brother?”

Ye Zhixin was surprised and happy when she saw Yue Feng, and at the same time she couldn’t help but say, “These two are very cunning, be careful!” In her heart, although this junior brother has excellent medical skills, his cultivation strength is not necessarily the same. Hit the two people in front of you.

Yue Feng smiled slightly and said that there is no need to worry.

hiss!

At this time, Liang Hao and Shen Fei struggled to stand up, they were stunned when they saw Yue Feng, and couldn't help gasping for air.

Madd, is that him?

In the next second, Shen Fei couldn't help pointing at Yue Feng: "Yue Feng, you blasphemed the Empress Chang'e, made a scene in the Beiying Imperial City, and disgraced all the cultivators in the world. How dare you show up now?"

When he said this, Shen Fei His expression was grim, but his heart was very nervous.

What?

Ye Zhi's delicate body trembled, her eyes fell on Yue Feng, and her whole body was dumbfounded.

Is he Yue Feng? It is no wonder that medical skills are so brilliant, and his attainments in alchemy are also superb.

Swish!

At this moment, Yue Feng's eyes were instantly blood red, and he walked towards Shen Fei step by step!

It's good that Shen Fei didn't mention this, Yue Feng's anger was rising, and his reputation and that of Tianmen had plummeted in the Kyushu Continent, all thanks to Zhang Jiao and Wutian Organization, and at this time, Shen Fei dared to use this Laughing at yourself is simply courting death!

"You, what are you doing…"

Shen Fei's heart trembled, cold sweat broke out instantly, such a terrible look!

"Crack!"

Yue Feng didn't talk nonsense, he slapped him fiercely, and he used all his strength for this slap! Hearing a muffled groan, Shen Fei's body was slammed into the air! It flew out more than ten meters and finally landed on the ground!

"Pfft!" A

mouthful of blood spit out from Shen Fei's mouth. But before he could stand up, Yue Feng stepped forward again, slap after slap!

"Crack! Slap! Slap!"

The crisp sound resounded in the small garden.

At this moment, Shen Fei really wanted to fight back, but Yue Feng's aura was too terrifying, let alone fighting back, Shen Fei only felt that his pores were full of fear.

"Yue Feng, stop!"

At this moment, Liang Hao couldn't help roaring, raised his hand and called towards Yue Feng. At this time, the Beiying Imperial City was completely controlled by the Wutian Organization. If Yue Feng was allowed to be unscrupulous here, how would he meet people in the future?

Bang!

At this moment, Yue Feng didn't turn his head back, raised his hand and slapped Liang Hao's face fiercely!

This slap fell, and Liang Hao flew out, slammed into a column not far away, and slid down like a pool of mud!

Seeing this scene, Ye Zhixin was inexplicably excited.

This is the real Tianmen Sect Master, why didn't you notice the fake one before?

Chapter 2770

"If you want to die, I will fulfill you." At this time, Yue Feng looked at Liang Hao coldly, his body filled with suffocation.

When he said this, Yue Feng's eyes flashed with killing intent, and he wanted to kill Liang Hao immediately.

If this person hadn't pretended to be himself, Chang'e wouldn't have been taken away from the Holy Sect, but Yue Feng still held back when he thought that the real messenger behind the scenes was Zhang Jiao.

Moreover, there are two people in front of them, one is Zhang Jiao's direct disciple, the other is Zhang Jiao's confidant, and it is unwise to kill them directly.

"Let me ask you, what's wrong with Empress Chang'e?" Yue Feng stared at Liang Hao and asked.

call!

Feeling Yue Feng's killing intent, Liang Hao was dripping with cold sweat and stammered: "The Empress has already been controlled by the lord! This supreme meeting was held by the lord in the name of the Empress Chang'e."

Hearing this, Yue The wind was suddenly stunned, and at the same time, he was also extremely shocked.

Chang'e's strength has changed from what it used to be. How did Zhang Jiao subdue her?

"Liang Hao, don't tell him…" Shen Fei, who was beside him, was so anxious that he couldn't help scolding.

Liang Hao was embarrassed and wanted to cry without tears.

He also didn't want to betray Zhang Jiao, but he had no choice. The person in front of him was Yue Feng. If he didn't tell the truth, he would die. Who wouldn't want to live.

Ha ha!

Seeing this scene, Yue Feng couldn't help sneering, raised his hand and stunned Shen Fei directly.

Immediately, Yue Feng continued to ask Liang Hao, "Where is Zhang Jiao?"

When he thought that Chang'e was in Zhang Jiao's hands, Yue Feng was so anxious that he had to find Zhang Jiao first.

This…

Liang Hao hesitated and said bitterly: "I don't know either, after the lord was named King of Beiying, in order to overwhelm the crowd at the Supreme Conference, he has been practicing in seclusion for the past few days, as for where to practice. , no one knows!"

Hearing this, Yue Feng frowned secretly, and said coldly: "Want to lie to me? I don't know where Zhang Jiao is, then you caught Ye Zhixin, and who will you go back to?"

"I really don't know where. I lied to you!" Liang Hao was in a hurry, and quickly said: "The matter tonight was allowed by the lord, but the person in charge is the leader Lu!" The

leader Lu?

Yue Feng was stunned!

Liang Hao took a deep breath and said cautiously, “It’s the leader of the Sacred Fire Sect. The leader Lu formed an alliance with the Lord a month ago, and he acted decisively and was very appreciated by the Lord. To raid the head of Ye tonight is what the leader Lu meant.”

What? Lu Lingshan?

At this moment, Yue Feng finally understood, and at the same time he was a little surprised and angry.

Madd, it’s no wonder that there has been no news of Lu Lingshan for a while. It turns out that she has an alliance with Zhang Jiao.

“Sect Master Yue!”

Seeing Yue Feng’s expression, Liang Hao hesitated and continued: “Please forgive me, I would be offended by pretending to be you, but I am also acting under orders and I can’t help myself.”

“I know Where is the leader Lu, if you find her, maybe you can find the lord, please let me go…” At the

end, Liang Hao revealed the place where Lu Lingshan rested.

Bang!

Hearing this, Yue Feng did not hesitate, and walked over to knock Liang Hao unconscious.

These two are the most important people around Zhang Jiao, so of course they can’t let go easily.

Afterwards, Yue Feng searched Liang Hao and Shen Fei’s bodies, and saw that there was nothing but a bottle of ecstasy.

Yue Feng put away the fascination powder directly, and then said to Ye Zhixin: “Wait for you to bring the two of you, go back and take care of it first, I’ll come when I go!” After the

voice fell, Yue Feng untied Ye Zhixin’s acupuncture point and turned to face him. Go deep into the garden. Liang Hao just said that the place where Lu Lingshan rests is in this direction.

Yue Feng thought about it, find Lu Lingshan first, as long as Lu Lingshan is subdued, Zhang Jiao’s whereabouts can be found out.

The ultimate husband in Chinese chapter 2771-2780

Chapter 2771

Speaking of it, with Yue Feng's current strength, it is no problem to break in directly and blatantly, but this is the Beiying Palace after all, and there are sects from various continents in the other gardens. Too much movement is not good for you at all.

call!

A few minutes later, Yue Feng came to a quiet bedroom and saw that there were several palace guards guarding the surrounding of the bedroom. Obviously, the people inside were of extraordinary status.

However, Yue Feng still cleverly avoided the guards.

When he got to the door, Yue Feng thought of something, and took out a bottle of medicine powder from his body, which was the ecstasy powder he just found from Liang Hao.

The next second, Yue Feng scattered the fascination through the crack of the door.

Yue Feng thought about it, since Lu Lingshan used such despicable means to deal with Ye Zhixin, then he would use his own way to return to him.

"What…"

Yue Feng just finished using the fascination powder when he heard a coquettish shout from the room, but he stopped abruptly after only shouting two words.

Haha…

Yue Feng showed a smile, pushed the door and walked in!

The moment he entered, seeing the scene in front of him, Yue Feng's smile gradually deepened, and at the same time he couldn't take his eyes away!

I saw a woman lying quietly on top of the soft collapse, with delicate facial features and a charming figure.

It was Lu Lingshan!

"Lu Lingshan, stay safe!" Yue Feng walked over slowly and said with a smile that was not a smile!

This chapter is provided by . Visit for daily update.

While speaking, Yue Feng looked at Lu Lingshan recklessly!

I have to say that Lu Lingshan is also a well-known goddess of rivers and lakes in the Kyushu continent. At this time, she is wearing a fiery red dress, her long hair is scattered on both sides, her skin is like jade, her facial features are exquisite and perfect, but her face shows somewhat weak.

Haha…

While admiring it, Yue Feng was full of pride.

This fascination powder is really useful. Lu Lingshan probably never imagined that the method used to deal with Ye Zhixin was actually used on her own body.

“Yue Feng?”

Seeing that it was Yue Feng, Lu Lingshan’s delicate body was shocked, and a trace of anger appeared in her eyes: “Why is it you?” Did

n’t Zhang Jiao say that Yue Feng was trapped in the Shengzong Mountain Gate? How did you appear in the palace garden?

Also, his whole body is weak, and he can’t exert any internal strength, as if he was hit by Zhang Jiao’s ecstasy? Where did Yue Feng come from?

At this moment, seeing Lu Lingshan’s incomparably frightened look, Yue Feng’s heart was indescribably happy.

Immediately afterwards, Yue Feng said with a smile: “What? You are only allowed to participate in the Supreme Conference, but I can’t?”

Hearing this, Lu Lingshan frowned, her eyes flashing with anger.

call!

At this time, Yue Feng looked outside, too lazy to talk nonsense, and said straight to the point: “Lu Lingshan, we are all smart people, Zhang Jiao let someone pretend to be me, deliberately smear me and Tianmen, if this vengeance is not repaid, I, Yue Feng, swear not to be human! “

Although we also have grievances, I won’t do anything to you today, as long as you tell me where Zhang Jiao is!”

Hearing this, Lu Lingshan frowned.

A few seconds later, Lu Lingshan chuckled and looked at Yue Feng fearlessly: “Yue Feng, where is Zhang Jiao, why should I tell you? Let me tell you, although this is the Beiying Palace, it is surrounded by our people. “

You think that if you catch me, you can save the situation? You are wrong.”

At the end, Lu Lingshan’s beautiful face was full of hatred.

“Don’t tell me?! You really have the backbone and personality!” Hearing Lu Lingshan’s answer, Yue Feng didn’t get angry at all, but nodded in admiration.

Seriously, Yue Feng knew that she would not agree easily. After all, she had a deep grievance with herself, and she was still the leader of the Sacred Fire Sect, with a noble status and could not be threatened by her two words?

However, before coming, Yue Feng thought of a way to deal with Lu Lingshan.

Chapter 2772

At this moment, Yue Feng’s voice just fell, and his figure jumped onto the soft slump, raised his hand and touched Lu Lingshan’s acupuncture point, and then pressed her tightly.

In an instant, the two were almost face to face, almost sticking together!

“You…what are you doing?”

Feeling Yue Feng’s breathing, Lu Lingshan was ashamed and angry, and couldn’t help but scold her. At the same time, she wanted to struggle, but was suppressed by Yue Feng and couldn’t move at all.

“What are you doing?”

Yue Feng sneered: “Lu Lingshan, you asked Zhang Jiao’s apprentice to use the ecstasy to deal with the head of Yuyao Pavilion, and the family who almost harmed him lost his innocence. I didn’t expect you to end up like this, right?

” Here, Yue Feng looked Lu Lingshan up close, and continued: “Tsk tsk, noble and cold, still the leader of the Sacred Fire Sect, the famous goddess of the rivers and lakes in the Apocalypse Continent, I think many men will be fascinated when they see you these years, more There are a lot of men who want to spend a spring night with you! If your famous festival is gone tonight, how many heroes of the arena will feel sorry for you?”

Shuh!

At this moment, Lu Lingshan's face flushed red, and she was extremely ashamed and angry, and her clear and bright eyes could almost spew fire.

"You dare!" Lu Lingshan said angrily.

Yue Feng was full of pride, clenched her two wrists tightly, and said with a half-smiling smile: "See if I dare, let me tell you, you secretly helped Zhang Jiao, ruined my reputation in Tianmen, and ruined my reputation, I am now There's nothing to lose, so don't force me, otherwise, I can do anything!"

"You… you dare to touch me, I won't let you go if I die." Lu Lingshan said Gritting her teeth, she said coldly, these words were almost squeezed out of her teeth.

When she said this, Lu Lingshan looked at Yue Feng with a pair of eyes without any fear, and she refused to give in at all!

call!

This time, Yue Feng was a little embarrassed, Nima, this Lu Lingshan is too strong, she wanted to scare her, but she couldn't.

How to do?

Thinking to himself, Yue Feng lost his patience and said coldly, "Hurry up and tell me where Zhang Jiao is? Otherwise, I will sleep here tonight." After speaking, Yue Feng took off his shoes and socks, which was very comfortable. Lying beside Lu Lingshan.

"Lu Lingshan, I'll tell you again, I don't want to embarrass you today. You'd better get to know each other!"

"Go away." The cold words came out of Lu Lingshan's mouth.

Nima!

At this moment, Yue Feng lost his patience instantly, grabbing Lu Lingshan's clothes, he heard a stab, and Lu Lingshan's fragrant shoulders suddenly appeared in front of Yue Feng!

"Tell me?" Yue Feng let out a low growl.

"Go away." Lu Lingshan snorted again.

What the hell!

At that time, Yue Feng couldn't bear it anymore and continued to tear Lu Lingshan's long skirt!

However, at this time, Yue Feng saw that Lu Lingshan's expression was a little unusual. There was a hint of determination in her shy and angry eyes, and then she stuck out her tongue.

What the hell!

Yue Feng was suddenly shocked, this Lu Lingshan wanted to kill herself by biting her tongue!

Mad, would rather die than give in, this Lu Lingshan's temperament is too strong.

Yue Feng didn't have time to think, knowing that it was too late to block, so he quickly put his hand into Lu Lingshan's mouth.

Lu Lingshan wanted to commit suicide by biting her tongue, but when she saw Yue Feng put her hand in her mouth, she almost fainted from anger, so she bit down hard. Although she was taped, Lu Lingshan could speak, and naturally she could also bite.

"Ah!"

At this moment, Yue Feng only felt a piercing pain, and couldn't help taking a breath of cold air. The body instinctively stepped back, impartially, pressed against a bulge by the wall, and directly pressed the bulge down.

Click!

At this moment, a shock came, and the soft collapse under the two suddenly collapsed, revealing a dark secret passage!

"Ah!"

Yue Feng and Lu Lingshan didn't have time to react, and their bodies fell straight down!

Chapter 2773

Nima! There is actually a mechanism on this soft couch! It was a coincidence that I stumbled across it by myself!

"Ah…"

Muttering in her heart, Yue Feng instinctively hugged Lu Lingshan, and the feeling of weightlessness made Lu Lingshan unable to help but exclaim.

Pfft!

This secret passage is not deep, it looks like more than ten meters, Yue Feng is the first to fall to the ground because he is hugging Lu Lingshan.

“Let me go…” Lu Lingshan’s acupuncture point was taped, and Yue Feng was hugged in his arms, unable to move, very embarrassed, and looked around at the same time!

call!

Yue Feng let go of his hand, looked around, and was stunned!

I saw that this secret passage was very long, pitch-black, and I didn’t know where it led. On the walls on both sides, I could vaguely see exquisite carvings, and at first glance it was a forbidden area for the royal family.

Nima, what is this place? It doesn’t look like the place of the Holy Emperor!

At this moment, Yue Feng was a little stunned.

A few years ago, Yue Feng accidentally broke into the secret room of Emperor Hou Yi’s practice, which led to Emperor Hou Yi’s death. Later, in order to get the magic face pearl, Yue Feng learned through Chang’e that Emperor Hou Yi had a treasure hunter. The place of the Holy Emperor.

Those two places are the unknown secrets of the Beiying Palace.

But this place in front of me seems to be even more mysterious than the place of the Holy Emperor.

Thinking to himself, Yue Feng ignored Lu Lingshan for the time being, and went to investigate the past inside!

Swish…

As a result, before taking a few steps, I heard a strange voice coming from the darkness ahead. This voice was very strange, I couldn’t describe it at all, I just thought it was very intimidating.

Yue Feng frowned secretly, and quickly looked up, he was shocked, and saw something flashing with fire all over his body, which was quickly crawling over.

hiss!

When he was about to approach, Yue Feng also saw the face of the other party clearly, and he couldn’t help but take a breath!

This is a fire spirit beast!

Fire spirit beasts are rare spirit beasts. They usually live near the underground magma. Because they absorb the hot power of the magma, they are all covered with fire. But I didn't expect that in the underground secret passage of the Beiying Palace, it can also be used. bump into.

Moreover, the fire spirit beast in front of him is more than three meters long, and its strength is in the realm of the fifth stage of martial arts!

"Fire spirit beast?"

At this moment, Lu Lingshan also saw the fire spirit beast.

Whoosh!

As soon as the voice fell, the fire spirit beast let out a roar and rushed towards Yue Feng. At the same time, it opened its bloody mouth and spewed out a mass of flames!

In an instant, the surrounding temperature suddenly increased by more than ten degrees, as if the air was about to burn!

Seeing this scene, Lu Lingshan's eyes flickered with excitement, that's great, this fire spirit beast attacked Yue Feng first, and it was best to kill him. Thinking of what Yue Feng had done to her before, Lu Lingshan gritted her teeth with hatred.

However, Lu Lingshan also knew that this fire spirit beast was too weak to hurt Yue Feng!

Nima!

Seeing the fire spirit beast rushing towards, Yue Feng scolded secretly, his body flashed, and he avoided it easily!

call!

At this moment, I saw that the flames whizzed past Yue Feng's side, and suddenly enveloped Lu Lingshan who was lying there!

Lu Lingshan's acupuncture point was tapped, she couldn't move, she couldn't avoid it at all!

Chi Chi Chi!

The next second, I saw Lu Lingshan's long dress, and it melted at once, but Lu Lingshan was not hurt. She was the leader of the Ming Sect, and now she is the leader of the Sacred Fire Sect. Related, naturally not afraid of the flames sprayed by this fire spirit beast.

Chapter 2774

Whoosh!

At this moment, the fire spirit beast turned around and locked Yue Feng directly, and the huge figure rushed towards it.

What a bastard!

Yue Feng scolded secretly, dodged to avoid it, and at the same time, his internal force was running, and he slapped the head of the fire spirit beast fiercely, and he heard a roar from the fire spirit beast.

call!

Yue Feng took a deep breath, his expression was very relaxed, how dare a fire spirit beast be mad? I really thought I was being bullied.

Muttering in his heart, seeing Lu Lingshan not far away, Yue Feng couldn't help taking a breath of cold air, and his eyes suddenly couldn't move.

I have to say, this Lu Lingshan's figure is really charming. At this time, the long skirt is burned, and any man will be unable to extricate himself when he sees that perfect curve.

"Yue Feng!"

At this moment, feeling Yue Feng's gaze, Lu Lingshan was shy and angry, and said coldly, "Close your dog's eyes!"

Close the dog's eyes?

Lu Lingshan didn't say this, but after saying this, Yue Feng immediately walked forward and admired it up close!

"You!"

Lu Lingshan almost exploded with anger, swearing in her heart that if she can get out of Yue Feng's control this time, she will definitely pay it back in the future!

"Yue Feng, you! Hurry up and relieve me!" Lu Lingshan was in a hurry: "You are looking for Zhang Jiao, it has nothing to do with me, and I don't know where he is!"

When she said this, Lu Lingshan's tone was not like before. So strong.

To be honest, with Lu Lingshan's personality, she would never surrender to Yue Feng, and she would not frown even if she died, but at this moment, she had nothing to hide, and being looked at by Yue Feng like this, it would be better to die.

Ha ha!

Yue Feng showed a smile: "Lu Lingshan, even if you don't know where Zhang Jiao is, I won't let you go, this place is so mysterious, how boring it would be for me to investigate by myself! With you, this beautiful woman, can have more fun. !" The

voice fell, Yue Feng walked over and hugged Lu Lingshan by the waist!

smell good!

At this moment, Yue Feng only felt a body fragrance blowing towards his face, especially the hand feeling, which made people immersed.

"You…you let me go!"

"Let you go, okay, but I don't know if there are other fire spirit beasts in this place. I know you are not afraid of fire, but fire spirit beasts not only breathe fire, maybe They can eat people too."

"You…"

In the long secret passage, Yue Feng quarreled with Lu Lingshan, while thinking about going deeper.

To be honest, Yue Feng knew that the most important thing at the moment was to find Zhang Jiao, but the place in front of him was so mysterious that he couldn't help but investigate.

I don't know how long it took, but finally I saw that there was some light ahead!

Haha…

Yue Feng looked at the light in front of him, he couldn't help but smile, his whole body was excited, there was light, it proved that there was something in front of him.

Thinking about it, the pace at Yue Feng's feet sped up a bit again.

At the same time, Lu Lingshan was also inexplicably excited. This place is so hidden, I don't know what's inside!

call!

Finally, after walking a few hundred meters, the two of them clearly saw that there was an open stone door in front of them! The stone gate is carved with simple and simple patterns, which are exquisite and give people a mysterious atmosphere at the same time!

I go!

At this moment, Yue Feng couldn't help taking a deep breath. How could the place in front of him make him feel like he was in the underground palace where Kuafu was located?

Chapter 2775

Half a month ago, Yue Feng was in the back mountain of Qingyunzong, followed the three brothers and sisters of Zangshuiyue, entered the former station of the Rakshasa clan, and later entered the underground palace of Kuafu. The environment at that time was the same as the one in front of him. almost.

Thinking of this, Yue Feng hugged Lu Lingshan and slowly passed through the stone gate.

hiss!

After entering, seeing the scene in front of them, whether it was Yue Feng or Lu Lingshan, they were all shocked and stunned!

I saw that there was a huge secret room in front of me. This secret room was half the size of the Beiying Palace.

The entire secret room is made of translucent bricks, giving people the feeling that it is shiny, like a crystal palace.

On the surrounding walls of the secret room, there were engraved patterns of fairies and flowing clouds, as well as some divine beasts, divine dragons and phoenixes, and divine beasts unicorns. Almost all the divine beasts recorded in ancient books had them, making Yue Feng dizzy.

Lu Lingshan was also dumbfounded, staring blankly at the depiction on the wall, as if she was in the world of ancient myths.

call!

After being stunned for a few minutes, Yue Feng's eyes fell on the center of the secret room.

Right in the center of the secret room, there was a beautiful crystal throne. On the throne, sat quietly a beautiful woman, dressed in a long white dress, with delicate facial features and a peaceful face.

She just sat there so quietly, but it gave Yue Feng the feeling that she had a powerful aura that rushed towards her face. This aura did not make people feel the slightest blasphemy. Feel sorry.

This… who is this woman? The atmosphere is so strong.

At this moment, Yue Feng only felt that his brain was buzzing and he was completely stunned.

Seriously, since the establishment of Tianmen, Yue Feng has also seen many women with strong auras, such as Xing Yao, Long Qianyu, Queen Nanyun, and Lu Lingshan in her arms, these women, just mention one, All can set off a shock in the Kyushu Continent.

The woman in front of her has a stronger aura, and even Chang'e will be eclipsed when she stands in front of her.

Lu Lingshan's heart was trembling, and she was inexplicably nervous.

Gudong!

Finally, Yue Feng reacted, restrained the shock in his heart, and clasped his fists at the woman on the throne: "Dare to ask, what is your honorable name?"

When he said this, Yue Feng was cautious and did not dare to take a breath.

call!

At that moment, the woman on the throne's eyes fell on Yue Feng, and her voice was like the sound of heaven: "Two juniors can actually find this place, not bad, not bad!"

After saying that, a smile appeared on the woman's face: "Bengong, female Wa!"

What?

At this moment, Yue Feng and Lu Lingshan were shocked, completely stupid!

Female.. Nuwa?

I heard it right, is this woman Nuwa Empress?

Yue Feng stared blankly at Nuwa who was sitting there, only to feel his brain buzzing and his whole body trembling. You must know that the Goddess Nuwa is a more powerful existence than Kuafu. It is said that after Pangu opened up the world, the Goddess Nuwa refined the colorful stones to mend the sky and benefited the people. The reputation has been passed down to this day, and who does not know about it in the Kyushu continent.

“What’s the name of this junior?” At this time, Nuwa looked at Yue Feng and asked softly.

“Junior Yue Feng, I’ve seen the Empress!” Yue Feng took a deep breath, resisting his inner excitement, and answered honestly.

Um!

Nuwa nodded, turned her eyes, and looked at Lu Lingshan: “Looks like, this is your wife!”

Lu Lingshan’s long skirt, which was just burned by the fire spirit beast, was unobstructed. At this time, she was held by Yue Feng again. , In Nu Wa’s heart, only husband and wife can be so close.

Swish!

At this moment, Lu Lingshan’s beautiful face suddenly turned red with shame. She wanted to refute, but she could feel the powerful aura of Nu Wa, but she didn’t know how to speak for a while.

The ultimate husband in Chinese chapter 2776-2780

Chapter 2776

Haha…

Seeing Lu Lingshan’s expression, Yue Feng was overjoyed.

In the next second, Yue Feng said politely to Nuwa: “The niangniang guessed right, this is my wife Lu Lingshan. Just now we encountered the fire spirit beast, and the clothes were burnt, which made the

niangniang laugh!” This Lu Lingshan asked several times. Killing himself, and finally allying with Zhang Jiao, now such a good opportunity, of course, take advantage of it.

“You…”

Lu Lingshan bit her lip tightly, angrily: “Who is your wife? Don’t put gold on your face.”

This Yue Feng, if he doesn't speak, he has to make an inch, it's really hateful!

"You're not my wife, why are you holding me like that?"

"Isn't it all your fault?"

"Lu Lingshan, this is your fault, the secret passage is in the palace where you live, so I don't believe you don't. You know? From my point of view, you must have admired me, so you fell in with me on purpose, right?"

"Bah!"

For a while, the two bickered again.

"Alright, alright!"

Seeing this scene, Nuwa frowned and said softly, "You guys calm down, this place is my secret cultivation place, if you can find it, it means that I have a fate! I'll give you the same gift later!"

Gift?

This chapter is provided by . Visit for daily update.

Hearing this, both Yue Feng and Lu Lingshan were shocked and inexplicably excited!

Haha, that's good luck too. I thought this place was so mysterious. I had encountered fire spirit beasts before, and there would be many dangers. I didn't expect that not only did I see the goddess Nuwa, but I also got gifts!

At this time, Nuwa said again: "After I gave you the gift, I will also disappear. The me who is talking to you now is just a trace of my thoughts left in the Kyushu Continent. You two can see me, it's really good. Lucky!"

Thoughts?

Hearing this, Yue Feng was stunned for a moment, and then he understood.

The situation of Nuwa in front of her, just like the Kuafu she encountered before, has already ascended and left, and left a trace of consciousness in the Kyushu Continent, and this trace of consciousness only stays in the place where she once practiced, and once there are outsiders Break in, consciousness will wake up, and then it will quickly disappear!

"These two beads, if you take them, are my gifts!"

At this time, Nu Wa smiled slightly, raised her jade hand slowly, and saw two balls of light flying towards Yue Feng and Lu Lingshan respectively. shining beads.

However, the one that flew towards Yue Feng was black, while Lu Lingshan's was white.

hum!

Seeing the flying beads, Yue Feng and Lu Lingshan were inexplicably excited. At the same time, they sensed a strange force that made them open their mouths involuntarily.

Goo, goo, goo!

The next second, Yue Feng and Lu Lingshan swallowed the beads before they could recover.

call!

At this moment, Yue Feng only felt an incomparably full force, which instantly dispersed into his limbs and bones, and at the same time, the inner strength of his dantian suddenly increased a lot.

What kind of bead is this, so strange?

Yue Feng was secretly shocked.

At the same time, Lu Lingshan also trembled, and the acupuncture point originally sealed by Yue Feng was able to travel unimpeded.

This…

At this moment, Lu Linshan was inexplicably excited. Not only did her acupuncture points open, but her internal strength also increased a lot. As expected of Empress Nuwa, the beads were amazing.

While shocked, Lu Linshan did not forget to glared at Yue Feng next to her.

Chapter 2777

This bastard, humiliated me so much just now, and when I find an opportunity, I will tell you that you can't survive or die!

Whoosh!

Just when Lu Linshan was thinking about this, Nuwa showed a smile on her face and beckoned: "Come on, you two come forward!"

“Yes, Niangniang.” Yue Feng didn’t have time to think about it, and hurriedly responded and left. Go ahead.

At the same time, Lu Lingshan also slowly followed!

“Well, not bad!”

At this moment, Nuwa looked at Yue Feng up and down, and nodded approvingly: “It is rare to have such a high level at such a grade. It seems that I am relieved to pass on the unique skills to you! “

After saying this, Nu Wa’s eyes fell on Lu Lingshan!

hum!

The next second, Yue Feng could clearly see that a tyrannical aura burst out from Nuwa’s body, directly shrouding Lu Lingshan in an instant! Before Lu Lingshan could react, her delicate body trembled, and she couldn’t move at all!

“Niangniang…”

Lu Lingshan was inexplicably flustered and stared blankly at Nuwa. Oops, I just had murderous intentions towards Yue Feng, could it not be noticed by Empress Nuwa?

But after thinking about it, it was the first time that I and Yue Feng saw Nuwa, and Nuwa could not deal with her for Yue Feng.

A few seconds later, Nu Wa withdrew her strength, looked Lu Lingshan up and down, and said softly, “Although you are very talented, it is very rare to achieve such a high level of cultivation, but you are a woman after all. Women are yin, fire is yang, and it will be harmful to you for a long time.”

After speaking, Nu Wa thought about it and continued: “Since your husband and wife have met me, it means that we are destined, and I will help you to take care of it later. one time…”

Yes, until now, Nuwa still thinks that Lu Lingshan and Yue Feng are husband and wife.

“Niangniang…”

Hearing this, Lu Lingshan’s face flushed red, and she couldn’t be more anxious: “Actually, he and I…” She

wanted to kill Yue Feng immediately, the hatred was so overwhelming, how could it be his wife?

However, after only speaking a few words, Nu Wa interrupted.

“I’m running out of time!” Nuwa smiled lightly and said, “I have two kinds of unique skills here, one is pure yang practice and the other is pure yin practice. It happens that you and your wife learn the same way!”

Saying that, Nu Wa raised her jade hand, and two books appeared in her palm, which were handed over to Yue Feng and Lu Lingshan!

“Both of you are kind people. I hope you have learned the exercises and will benefit Kyushu!”

After saying this, Nuwa sat there with a peaceful smile on her face. At the same time, she was a beautiful figure. , and gradually become illusory.

Haha…

At this moment, Yue Feng was so excited that he respectfully said to Nu Wa, “Thank you, Niangniang!” After speaking, he couldn’t wait to open the secret book. There is not a word on the cover of this secret book, but the exercises recorded in it are extremely mysterious.

Soon, Yue Feng was immersed in it.

call!

Lu Lingshan, who was next to her, was standing there, her face changing and her heart full of discomfort.

Especially when his eyes fell on Yue Feng, there was even more resentment. This Yue Feng, who humiliated himself before and was mistaken by Empress Nuwa as a husband and wife, is still the same as himself, and has obtained Nuwa’s exercises.

No, Empress Nuwa’s cultivation method is extraordinary, and Yue Feng must not be able to successfully cultivate.

Thinking to herself, seeing the figure of the Empress Nuwa becoming more and more illusory, as if she could disappear at any time, Lu Lingshan gritted her teeth secretly, no scruples in her heart!

“Yue Feng, go to hell!” In the

next second, Lu Lingshan gave a coquettish shout, raised her hand and hit Yue Feng’s back.

At this time, Yue Feng was completely immersed in the secret book, and he never expected that Lu Lingshan would suddenly take action, and even in front of the mother Nuwa.

Chapter 2778

“What are you doing?”

Seeing this scene, Nuwa was also taken aback, her delicate body was shocked, and she looked at Lu Lingshan in disbelief.

Aren’t the two husband and wife? Why did you suddenly start?

At this time, Nuwa didn’t know yet, and she completely misunderstood. The two people in front of her were not husband and wife at all, but enemies.

Nima!

Feeling the danger, Yue Feng was also taken aback. He instinctively wanted to dodge, but he was too close to Lu Lingshan, and it was too late.

boom!

This palm slammed firmly on Yue Feng’s back, Yue Feng groaned, and the whole person flew straight up, flying dozens of meters, landing heavily on the ground, and a mouthful of blood spurted out.

Yue Feng’s eyes instantly turned blood red, and he stared at Lu Lingshan fiercely.

Nima, this Lu Lingshan is too cruel. Even if he humiliated you before, he didn’t do anything to you in the end. At most, he looked at you a few times, hugged you for a while, and then killed me?

Um?

Under the anger, Yue Feng struggled to get up and was about to speak, but when he saw the scene in front of him, he was stunned!

He saw that Lu Lingshan had a proud face, but suddenly her delicate body trembled, her face was extremely pale, and then a mouthful of blood spurted out, seemingly hurting more than Yue Feng.

what’s going on?

Why did she raid me and get hurt herself? I didn't use the internal power to resist just now, even if I ran the internal power of the dantian, it would not be possible for her to be injured so badly.

For a time, Yue Feng frowned secretly, his face full of suspicion.

Lu Lingshan's brows were knitted together, her delicate body was trembling constantly, and her heart was also inexplicably shocked.

what happened? How did you get hurt so well?

At this time, Lu Lingshan clearly felt that her heart was severely injured, but no one did anything to her. The injury was too incredible.

"You…"

At this moment, Nuwa, who was sitting on the throne, looked at Lu Lingshan with complicated eyes: "Why did you sneak up on your husband?" The

tone was soft, but there was a bit of reproach.

Lu Lingshan bit her lip tightly and replied, "Niangniang, you misunderstood, we are not husband and wife, on the contrary, this person is my enemy." As she spoke, Lu Lingshan still glared at Yue Feng.

This scum, Yue Feng, is too strong, and he is still not dead when he is attacked by himself. If he knew this, he should have exploded with all his strength with the palm of his hand.

Not a couple?

Hearing this, Nu Wa was stunned, her beautiful eyes suddenly became complicated.

A few seconds later, Nu Wa sighed softly: "It turns out that I made a mistake, but you two have already taken my Chaos Yin-Yang Pearl, and your future destiny will be linked together, you live together, and you die together. is immutable."

What?

Lu Lingshan's delicate body trembled, and she stared blankly at Nuwa: "Niangniang, what did you say?"

At this time, Yue Feng was also puzzled and looked at Nuwa closely, waiting for her answer.

Nu Wa breathed a sigh of relief, smiled and said, “The beads I gave you two just now are called Chaos Yin-Yang beads, black beads are yang, white beads are yin, these beads are innate spiritual treasures, when heaven and earth are not divided, by Chaos came from the sky, and I got it by chance, and it has been preserved to this day!”

“This pair of beads looks like two, but they are actually a whole. If the black beads are destroyed, the white beads will disappear, and vice versa! “

“After you two take it, you also have this characteristic. In other words, your life and death are tied together. So, if you attacked him just now, you will also be injured. If you killed him just now, you will also be injured. will die with you, understand?”

Chapter 2779

After the last sentence, Nu Wa looked at Lu Lingshan quietly.

This…

At this moment, Lu Lingshan’s delicate body trembled, completely stupid.

How could this be? I thought that what Nuwa had just given me was a peerless medicine pill, but I didn’t expect it to be so special. In this way, wouldn’t I be unable to seek revenge from Yue Feng for the rest of my life?

If you kill him, you won’t be able to live by yourself…

Fuck!

At the same time, Yue Feng stood not far away, also stunned.

This…you and Lu Lingshan’s fate are tied together? What are you kidding?

But after thinking about it, Yue Feng showed a smile again, and looked at Lu Lingshan’s eyes, and also thought about it.

Haha…

In this way, Lu Lingshan can no longer plot against herself in the future, and her previous alliance with Zhang Jiao is also a waste. This is only good for herself, not bad.

“Niangniang!”

Finally, Lu Lingshan reacted and pleaded with Nuwa: “I don’t want those chaotic yin and yang beads, please help me to take them out, okay?”

When she said this, Lu Lingshan almost wanted to cry. tears. She wanted to slash Yue Feng with thousands of knives, but because of taking Chaos Yin-Yang Pearl, she couldn't take action against Yue Feng in the future, and even if Yue Feng was in trouble, she couldn't stand by and watch, because he was injured, and she would also have an accident.

It was originally an enemy, but suddenly the relationship became a life-and-death relationship, and no one could stand it.

Facing Lu Lingshan's request, Nuwa shook her head and said softly, "You think too simply, as I said just now, this Chaos Yin-Yang Pearl is an innate spiritual treasure. Once taken, it will follow the two of you for a lifetime. , even I can't change it."

After speaking, Nuwa pondered and looked at Lu Lingshan and continued: "I don't know what enmity the two of you have, but it is better to resolve the enemy than to end it, although you are because of my misunderstanding. , I just took the Chaos Yin Yang Pearl together, but maybe in the dark, this is also your destiny! Well, my time is up, what happens in the future is up to you." The

last sentence fell, Nuwa's figure slowly rose, In the end, it turned into a puff of blue smoke and disappeared into the air.

In an instant, only Lu Lingshan and Yue Feng were left in the huge crystal secret room.

This…

Seeing this scene, Lu Lingshan bit her lip and stomped her feet, almost crying without tears.

How to do? Could it be that his destiny is really tied to Yue Feng?

"Thank you madam!"

At this moment, Yue Feng bowed deeply towards the place where Nuwa disappeared, and then looked at Lu Lingshan with a playful look on his face.

I have to say that Lu Lingshan's generation of goddesses of rivers and lakes was already perfect. After taking the Chaos Yin Yang Pearl just now, her strength has increased and her temperament has also improved a lot, which is simply perfect.

"Yue Feng."

Sensing Yue Feng's gaze, Lu Lingshan's face flushed red, and she was not angry, she said softly, "Let's dig out your eyeballs." After speaking, Lu Lingshan's inner strength was running, and she still had to do it.

However, Yue Feng did not panic at all, smiling and teasing: “Lu Lingshan, do you still want to kill me? I forgot what Mother Nuwa said, our fates are already tied together, if you kill me, you kill yourself. .”

When the words fell, Yue Feng sat there cross-legged, and continued to comprehend the secret manual given by Nuwa, very leisurely.

Yue Feng was not afraid of Lu Lingshan’s surprise attack on him again. Anyway, if she died, she wouldn’t be able to live.

call!

Hearing this, Lu Lingshan was furious, but she was speechless to refute.

Chapter 2780

Seeing Lu Lingshan’s expression, Yue Feng couldn’t help but tease again: “Lu Lingshan, even if you don’t want to, there’s nothing you can do, this is the truth?!

” So, let’s turn enemies into friends, and you help me deal with Zhang Jiao!”

“Shut up.”

Lu Lingshan bit her lip and said angrily, “Yue Feng, let me tell you, from now on, we don’t have any The relationship, the previous grievances are also written off, in the future you will walk on your Yangguan Road, and I will cross my single-plank bridge!”

When she said this, Lu Lingshan’s face was determined.

To be honest, Lu Lingshan felt 10,000 reluctance in her heart when her grievances and grievances with Yue Feng were over, but there was no way, their fates were already tied together. But helping Yue Feng to deal with Zhang Jiao is absolutely impossible.

After saying this, Lu Lingshan turned around and was about to leave!

He was unobstructed and was seen by Yue Feng. He couldn’t stay here and let him take advantage of it. He had to go back quickly.

“Hey!”

However, before taking two steps, Yue Feng stopped her with a smile: “Lu Lingshan, it doesn’t matter if you don’t help me, but don’t forget, Zhang Jiao is determined to kill me, something happened to me, You are not much better.”

“Even if you don’t help me deal with Zhang Jiao, at least tell me where he is hiding now!”

Phew!

Hearing this, Lu Lingshan frowned and pondered.

Yes, his destiny is tied to Yue Feng, if Zhang Jiao kills him, he will not be able to live.

Forget it, just help him.

Thinking to herself, Lu Lingshan bit her lip, turned her head to Yue Feng and said, “Zhang Jiao is in the Lotte Palace!” After speaking, she left without looking back.

Lotte Palace?

Yue Feng stood there, stunned for a moment, and at the same time, a burst of anger rose in his heart.

Ma De, the Letian Palace is the palace where the Empress Chang’e rests. Zhang Jiao is not too timid to rest in Chang’e’s bedroom. Do you really think of yourself as the emperor of Beiying?

Muttering in his heart, Yue Feng didn’t have time to think about it, put away the secret book, and left the crystal secret room.

…

On the other side, the Rakshasa tribe resides!

What was originally a hilarious Ten Thousand Beasts Festival turned into hell at this time, and the ground was dyed red with blood. During the fierce battle, Jed’s men and the warriors of the Rakshasa tribe fell one by one in a pool of blood!

The two sides have been fighting here for a day and a night!

In this day and night, Mona dispatched troops, almost all the elite warriors of the Rakshasa clan, to annihilate all Jed and his gang, but he did not expect that Jed and Zang Shuiyue were thrown away. The strength of the people who entered the abyss has more than doubled compared to before.

Mona doesn’t know yet that Jade and Zang Shuiyue have obtained the power of Pluto.

However, the disparity between the numbers of the two sides is too great, and on Jed’s side, he can’t hold on anymore!

call!

At this moment, seeing his subordinates falling down on the battlefield, Jed's face was extremely gloomy, and he roared loudly: "Meng Na, today's battle, you will lose!"

Om!

The voice fell, and the air beside Jed suddenly condensed! A terrifying force spread out from his body crazily!

"Asura Slayer Palm!"

The next second, a few cold words came out of Jed's mouth, and he saw that the sky full of morning glow suddenly dimmed, and then, the whole station was covered with dark clouds, as if the end of the world!

"This… what kind of exercise is this?"

"What a strong Yin Sha Qi, this is not the exercise of our Rakshasa!"

Seeing this scene, many Rakshasa warriors were inexplicably frightened. I can clearly feel that the exercises that Jed uses are completely different from the usual ones. They are much more evil and stronger than the exercises of the Rakshasa clan.

call!

At the same time, Meng Na, who was floating in the air, was also frowning at this time, and she had a bad premonition in her heart.

The ultimate husband in Chinese chapter 2781-2790

Chapter 2781

This… After Jed was thrown into the abyss, what happened to him? Not only did his strength become stronger, but his aura became so evil.

“Boom!”

Just when Meng Na was thinking about it, she saw a terrifying force condensed around Jed, which burst out.

I saw that wherever this power passed, the black wind whistled, and the world changed color.

In the next second, the warriors of the Rakshasa tribe who were enveloped by this power did not have time to scream, their skin atrophied and their bodies withered.

hiss!

In an instant, all the other Rakshasa people around had chills on their backs and buzzing in their heads!

What power is so terrifying!

Seeing this scene, Mona’s body trembled faintly, but her face was extremely cold, revealing deep anger!

How many Rakshasa warriors died for this trick?

Haha….

Jed at this time, suspended in the air, laughing wildly, his expression extremely insolent.

The power that Pluto gave him was really powerful. It was just a move that killed so many people.

Thinking to himself, Jade’s eyes flashed with madness, it is better to kill Meng Na tonight and completely control the Rakshasa clan.

hum!

This chapter is provided by . Visit for daily update.

However, as soon as this thought flashed, I saw behind Jade, a mass of black mist condensed, and then from the black mist, a black shadow appeared, with complex eyes flashing.

It is the ugly ugly.

“Jed, don’t forget, the mission given to you by His Royal Highness Pluto is to lead the people under him and get away from the Rakshasa clan, not to let you kill them all.” Wen Chou Chou said lightly.

Yes, after Pluto released Jed and others from the ghost world, in order to prevent Jed from coming, he specially let Wen Chou Chou secretly follow.

To be honest, when Jed and the Rakshasa tribe started to fight before, Wen Chou Chou really wanted to stop him, but thinking that his life was in the hands of Hades, even if he wanted to stop it, he couldn’t change anything, so he held back.

“Huh…”

Hearing this, Jade’s eyes flashed with unwillingness, but he still nodded: “The messenger, rest assured, I, Jade, am not a reckless person, and I have not forgotten what His Majesty Pluto said!”

Said, Jade Looking at Meng Na, she said loudly: “Meng Na, different ways are different from each other. From today, you and I have nothing to do with each other! However, if you want to bring the Rakshasa army to encircle and suppress me, I will welcome you at any time, but you Also think about the consequences first!”

“Let’s go!” The

last sentence fell, Jed waved his hand, and thousands of subordinates left in a mighty manner.

Seeing this scene, none of the Rakshasa people present dared to pursue him. Jade’s strength was so terrifying, and catching up would be death. Who doesn’t want to live?

Mona stood there, her face changing.

Jed took so many people and separated, and there would be endless troubles. It seems that we must quickly find a way to talk to Kyushu.

“Everyone, clear the battlefield!” The

next second, Mona’s red lips lightly opened, and she instructed the people around her: “Also, send an envoy to the Kyushu continent immediately!”

“Yes, Queen!”

…

On the other hand, after Wen Chou Chou left the Rakshasa with Jed and the others, he returned to the ghost realm through the soul-guiding road.

In the main hall, Wen Chou Chou told Pluto about the situation, and Pluto was very satisfied.

“Not bad.” Pluto praised: “Wen Chou Chou, you have been working hard recently. You should not follow Zhang Jiao’s affairs for now, and have a good rest.” After speaking

, Pluto raised his hand: “Go on.”

This… .

Wen Chou Chou is a little anxious, he and Zhang Jiao have a bitter hatred, how can he be in the mood to rest? But in the face of Hades’ powerful aura, he didn’t dare to refute. As long as he responded, he turned and left the hall.

Chapter 2782 Going

outside, looking at the gloomy Mingdu, Wen Chou Chou was a little dazed.

Although he is the messenger of Hades, he is not familiar with the ghost world at all.

Thinking about it, Wen Chou Chou subconsciously walked towards the forbidden area of the ghost world.

The forbidden area of the Ghost Festival is a place to deal with wicked people. It is said that there are thirty-six layers of purgatory, and each layer is more terrifying than the other.

Because he was the messenger of Hades, the ghost soldiers in charge of guarding purgatory did not stop him. On the contrary, he was very polite to Wen Chou Chou.

hiss.

At that moment, seeing the scene of purgatory, even though Wen Chou Chou was prepared, he couldn’t help gasping for air.

I saw that in every purgatory, there were many wicked people in Kyushu. Some of these wicked people were burned at the stake, the whole person was roasted on the fire, and some had their noses and eyes gouged out. Frightened.

However, Wen Chou Chou, who was once the master of the Hall of Longevity, quickly calmed down.

I don't know how many floors I walked, and I saw the purgatory in front of me. It was a huge fire pool. In the center of the fire pool, there was a person hanging, blood dripping, very miserable, but a pair of eyes flashed crazy.

I go.

Wen Chou Chou was secretly frightened, who is this person, who has suffered such torture, how can he be so stubborn?

Thinking to himself, Wen Chou Chou walked over curiously.

At the same time, the person who was hanged there quickly raised his head and looked at Wen Chou Chou.

Um?

At this moment, seeing the other party's face, Wen Chou Chou was stunned, and at the same time, a trace of complexity rose in his heart.

It turned out to be Duan Yu.

Soon, Wen Chou Chou reacted, and the corners of his mouth twitched, revealing a smile.

Duan Yu has done a lot of evil, and after his death, he was locked in the thirty-sixth floor of purgatory in the ghost world, and he was tortured day and night.

Made.

Duan Yu at this time was also extremely shocked, Wen Chou Chou? How did he get here? Is he also dead?

No, he didn't have an iron chain on his body, and there was no ghost soldier holding him…

"Duan Yu!"

Just when Duan Yu was wondering, Wen Chou Chou couldn't help but smile and said, "I didn't expect it to be in this place. I can see you, but you deserve such an end."

Hearing this, Duan Yu sneered: "Wen Chou Chou! Don't gloat here, as the Lord of the Palace of Longevity, you kill people. Not less than me, or why did you come here?"

“I am the messenger of Hades, of course I can come here.” Wen Chou Chou said lightly.

What?

Hearing this, Duan Yu was shocked, and the whole person was stunned, staring blankly at Wen Chou Chou and couldn’t say anything.

He…he became the messenger of Hades? How is this possible?

After being cold for a few seconds, Duan Yu reacted and sneered: “I thought you had any skills, but it turned out to be a dog under Hades.”

Wen Chou Chou smiled and did not respond.

If Duan Yu had said this a year ago, Wen Chou Chou would have been furious, but now it is different, Duan Yu is already dead, and he is still imprisoned in the purgatory of the ghost world, there is no need to be serious with him.

“Whatever you say.” Wen Chou Chou looked at Duan Yu and said, “I’m very satisfied to see you, a wicked man, end up like this today.” After speaking, he turned to leave.

Yes, Wen Chou Chou was in a bad mood at first, but when he saw Duan Yu, he suddenly became more relaxed.

“Wait!”

However, just after a few steps, he heard Duan Yu’s shout.

“What?” Wen Chou Chou stopped and said with a half-smile.

Chapter 2783

Duan Yu’s eyes flickered, and he slowly said: “Since you are the messenger of Hades, you must have many privileges, right.”

Wen Chou Chou frowned and looked at him: “Why are you asking this?”

Duan Yu took a deep breath: “You Let me out and I’ll tell you a secret.”

What? Hearing this, Wen Chou Chou was stunned

, then shook his head and smiled: “Duan Yu, are you being locked up? Do you think it is possible to let you out?” This person is extremely sinful, and he and his three brothers also have unresolved grievances. How could he let him go? “Haha!” Seeing his refusal, Duan Yu smiled and mocked: “Wen Chou Chou, you call yourself a righteous

gentleman, but now you are the underdog of Hades, and you are so at ease, I do n't know how the world will feel about it." At this point, Wen Chou Chou suddenly became angry: "What do you mean?" Hu! Duan Yu took a deep breath and said slowly: "Pluto is very ambitious and wants to control the continent of Kyushu. He urgently needs some of the most powerful people in Kyushu to act as minions. When I first entered the ghost world, Pluto threw an olive branch to me and was taken by I refused." After speaking, Duan Yu looked at Wen Chou Chou complicatedly: "But I didn't expect that the Palace Master Wen, who always prides himself on justice, would take the initiative to take refuge in Hades, hehe…" When he said this, Duan Yu looked proudly. Yes, three years ago, Duan Yu entered the ghost world after being attacked by a giant python in the Valley of Death in the wild and strange realm. At that time, Hades counted him a dozen evil deeds and sent him into purgatory.

But soon, Pluto summoned Duan Yu alone and asked him to be loyal to him. After all, although Duan Yu had a lot of evil deeds, he was also a rare cultivator in Kyushu, and once had the existence of Kaitian Axe.

However, although Duan Yu was evil, he was extremely conceited, and even in the face of Hades, he did not bow his head and surrender.

"I…"

At this moment, facing Duan Yu's mockery, Wen Chou Chou opened his mouth, but was speechless.

Yes, I had taken refuge with Pluto, but I had no choice but to reincarnate and be reborn long ago in order to deal with Zhang Jiao, if I hadn't been reluctant to bear the brothers of the madman and the great sage.

Just these things, how could it be possible to tell Duan Yu?

At the same time, Wen Chou Chou was also a little shocked in his heart.

It turned out that Hades really interrupted the control of the Kyushu Continent.

Before Hades made Jed and others allegiance, and separated them from the Rakshasa clan, Wen Chou Chou realized that something was wrong. At this time, when Duan Yu said this, he couldn't calm down.

If this is the case, can he continue to work for Hades?

"Wen Chou Chou!"

Seeing Wen Chou Chou being silent, Duan Yu's eyes flickered, and he slowly said, "Although I have been imprisoned here for three years, I also know many secrets of

Hades. If you let me go, I will keep these secrets. Tell you, haven't you always made it your duty to benefit Kyushu?"

Phew!

Wen Chou Chou didn't answer directly, but took a deep breath and pondered.

This section of Yu is deceitful, even if what he said is true, but once he is released, he will return to the mountain.

Thinking to himself, Wen Chou Chou glanced at Duan Yu: "Duan Yu, you don't have to push me, I know Hades is wild, but letting you go will be a disaster for Kyushu, so you can honestly enjoy torture here. ."

After saying this, Wen Chou Chou turned around and left.

"Wen Chou Chou!"

At this moment, looking at Wen Chou Chou's back, Duan Yu shouted with blood red eyes: "You will regret it, you will definitely regret it."

However, Wen Chou Chou didn't seem to hear it, and soon left purgatory.

…

the other side. Northern Ying Palace.

At night, the Lotte Palace was brightly lit, and there were constant patrols by the palace guards around, which can be said to be heavily guarded.

Chapter 2784

Whoosh.

At this moment, a dark shadow came quietly, with a handsome figure and firm eyes.

It was Yue Feng.

Knowing that Zhang Jiao was in the Letian Palace, Yue Feng was very angry. This person was so daring that he was resting in the palace of Empress Chang'e, and he must not be tolerated.

Yue Feng thought about it, find Zhang Jiao tonight, and get rid of him no matter what, and then tell everyone the facts at the Supreme Conference, and return his innocence.

Soon, Yue Feng avoided the palace guards and arrived at the door of the palace.

“Well…”

However, at this moment, Yue Feng heard a suppressed soft voice coming from the palace. The wind suddenly trembled.

What the hell!

Yue Feng frowned secretly, this horn was messing around in Chang’e’s palace!

Thinking about it, Yue Feng didn’t have time to think about it, and hurriedly entered, and soon, after passing through a few bead curtains and gauze curtains, his eyes fell on the dragon and phoenix couch, Yue Feng’s body was shocked, and he was completely stunned.

I saw that the dragon and the phoenix collapsed, and there was no Zhangjiao at all, but a beautiful figure.

This woman was lying there with a flawless figure, like a beautiful work of art, and everyone couldn’t take their eyes off her.

The delicate facial features seem to be exactly the same as Chang’e’s, but Yue Feng clearly felt that this woman lacked the temperament of a mother in the world, and she was obviously pretending.

Nima!

A few seconds later, Yue Feng reacted, and his inner anger rose. This horn was really audacious. First, he found someone to impersonate himself, and now he got another Jia Chang’e.

“Who?”

At this moment, when she heard the movement, the fake Chang’e opened her eyes and saw Yue Feng, she was shocked, and then she was about to grab the long sword next to her.

However, Yue Feng’s speed was even faster. At this critical moment, his figure flashed, he rushed over, raised his hand and touched the acupuncture point of the fake Chang’e.

In an instant, the fake Chang’e’s delicate body trembled and remained motionless.

“Who are you? How dare you trespass into Tianle Palace?” The fake Chang’e said coldly and tenderly, as if she wanted to eat me alive.

Yes, this woman’s name is Qin Li. She was ordered by Zhang Jiao to pretend to be Chang’e. Although Chang’e was used by Zhang Jiao to search her soul, her will is too

strong, and things go wrong from time to time, causing Zhang Jiao a headache. Approaching, there is no other way, but to find someone to replace.

Qin Li didn't know Yue Feng because she had never seen it before.

hum.

Yue Feng did not answer directly, but urged his inner strength to deploy a protective film at the door, so that the palace guards outside could not hear the movement in the palace.

"Who the hell are you? You're very brave, do you know who I am? Get out of this palace." Seeing this scene, Qin Li was inexplicably flustered, but she still shouted at Yue Fengjiao.

She was cultivating just now, and it was a critical period. She didn't expect someone to break in and act so daringly.

"Haha!"

Yue Feng sneered and walked slowly towards Qin Li: "I'm bold? You are the bold one, pretending to be Chang'e, and still living in the Lotte Palace. If anyone knew, you wouldn't have enough heads to chop off ten heads. "

You are arrogant, I am Chang'e." Qin Li shouted again.

Yue Feng was too lazy to talk nonsense, and said coldly: "Okay, you don't have to pretend, I can tell at a glance whether it is Empress Chang'e, and I will tell you that I am Yue Feng."

What?

Hearing this, Qin Li's heart trembled.

Is he the Tianmen Sect Master Yue Feng? No, didn't Zhang Jiao say that he was trapped in the Holy Sect?

Thinking about it, I saw Yue Feng slowly come over.

Chapter 2785

"Don't come here, don't come here!" Qin Li suddenly panicked, especially when she felt Yue Feng's powerful breath, her delicate body trembled.

Yue Feng did not answer, but sat leisurely on the chair next to him.

Yue Feng clearly sensed that the fake Chang'e in front of him had just reached the realm of Martial Emperor, and there was no threat to him at all.

"Tell me, who are you? Also, where is Zhang Jiao." At this moment, Yue Feng turned his head to look at Qin Li, and asked without any discussion.

Qin Li bit her lip: "I… I don't know what you're talking about."

Hehe…

Hearing this, Yue Feng couldn't help laughing: "I already know your fake identity, what do you think you are? Saying this now, does it have any effect on me?"

"I tell you, the palace is surrounded by guards, you can't run away." Qin Li's expression changed, and she said coldly.

When saying this, Qin Li pretended to be calm, but from time to time her eyes turned to the side hall behind.

Yue Feng secretly looked at it in his heart and remained calm.

The next second, Yue Feng stood up and looked at Qin Li up and down: "I'll ask again, who are you? Where are Zhang Jiao and Chang'e?"

"I told you, I don't know." Qin Li responded with gritted teeth.

At this time, Qin Li was so panicked, but she didn't dare to betray Zhang Jiao, so she could only support her through gritted teeth.

Yue Feng smiled slightly, no longer asked, but turned his head and glanced at the side hall behind: "You have been paying attention to the back, is there a mystery in it?"

After saying that, Yue Feng walked over, checked it in the side hall, but found Not anywhere suspicious.

However, this woman has been paying attention here, there must be something wrong.

Swish.

At this moment, seeing Yue Feng's actions, Qin Li's face changed, and she was very flustered.

"Say, what's behind?" Yue Feng returned and asked coldly.

Qin Li bit her lip tightly, as if she would rather die than give in.

“Okay, since you don’t cooperate, don’t blame me.” Yue Feng stopped talking nonsense. Yue Feng walked up to Qin Li coldly, opened her lips, took out a medicinal pill from her body, and quickly stuffed it into it. .

Gudong!

Before Qin Li could react, the pill was swallowed directly into her stomach.

“You… what did you give me to eat?” Qin Li looked at Yue Feng, her tone full of fear.

“What? Now you know you’re afraid?”

Seeing her reaction, Yue Feng showed a smile and said jokingly: “I would rather die just now, but now I can’t hold it anymore? Are you also afraid of death?”

Yue Feng said in a tone of voice. Getting colder, he stared at Qin Li: “Have you heard of Tongtian Pill?”

Yes. What Yue Feng just gave her was Tongtian Pill.

“Tong… Tongtian Pill?”

At this moment, Qin Li’s body was shocked, and cold sweat burst out. It was the first time I heard about Tongtian Pill. It is precisely because he does not know what Tongtian Pill is that he is inexplicably frightened.

“Within a year, if there is no antidote, your whole body will fester and die. If you don’t believe it, try to stimulate your inner strength and inject it into the Tianyang acupoint. Do you feel paralyzed and sore?” Yue Feng said coldly. .

Hearing this, Qin Li hurriedly tried to stimulate her inner strength, and her face changed greatly: “You…you feed me this poison, you…what are you going to do, what do you want?”

Yue Feng sneered: “It’s very simple, answer my question just now, and then tell me the secret of this side hall. Otherwise, you can just wait for the poison to explode.” To

be honest, Yue Feng didn’t want to use Tongtian Pill, after all, this This method is too despicable, but there is no way, in order to find Zhang Jiao and Chang’e quickly, I can’t control so much.

Chapter 2786

“I said, I said…”

At this moment, Qin Li's body trembled, and she quickly responded without hesitation: "Miss Chang'e, she was placed under house arrest by Zhang Jiao, I don't know where she is, Zhang Jiao is there Now, Zhang Jiao acts cautiously, in order to avoid being disturbed in his practice, he has been in the Empress's Tianle Palace, because it is Empress's residence, ordinary people can't come in at all."

After speaking, Qin Li pointed to a porcelain vase in the apse: "There's the switch."

Boom!

When the words fell, Yue Feng did not hesitate, walked over directly, knocked Qin Li unconscious with a palm, and then quickly walked to the porcelain bottle.

Click!

In the next second, Yue Feng twisted the porcelain bottle and heard a crisp sound, and then a secret door appeared on the wall. The secret door was accompanied by a secret passage, and the secret passage extended downward.

Mad!

Seeing the secret passage, Yue Feng was very excited, Zhang Jiao, Zhang Jiao, you hid so secretly, didn't I find you in the end?

Thinking to himself, Yue Feng flashed his body and walked directly into the secret passage!

Soon, Yue Feng walked through the secret passage and arrived at a splendid underground secret room. He saw that this secret room was very luxuriously decorated, with golden light shining everywhere, and three huge bronze mirrors stood on the three walls facing the door.

Yue Feng saw that these three bronze mirrors were more than two meters high, simple and elegant, with exquisite patterns on them, and they were very old at first glance.

Not only that, but inside the bronze mirror, there seem to be strange spiritual power fluctuations.

Swish!

Seeing these three bronze mirrors, Yue Feng didn't take it to heart, his eyes locked on the person sitting in the center of the secret room.

This chapter is provided by . Visit for daily update.

It was Zhang Jiao.

At this time, Zhang Jiao was sitting there cross-legged, looking at his nose and his heart, as if he was comprehending something. A layer of white mist shrouded his head, apparently reaching a critical period.

Seeing Zhang Jiao, Yue Feng's eyes were instantly blood red.

hum!

In the next second, Yue Feng didn't hesitate at all, his inner strength urged, and he slapped Zhang Jiao's back with a palm. Wherever the figure passed, the air was torn apart.

Yue Feng is determined to kill Zhang Jiao on the spot, so this palm contains eight layers of internal power, and its power is amazing.

Zhang Jiao was comprehending, and it was a critical period. He didn't notice someone breaking in at all. When he sensed danger, it was too late.

boom!

This palm hit Zhang Jiao's back hard, he heard a grunt, and his figure flew straight up, slammed into the wall, and fell to the ground.

"Yue Feng?"

Zhang Jiao struggled to stand up, and when he saw it was Yue Feng, he was furious: "Good boy, I didn't expect you to come out of the Holy Sect so soon." Although he was raided, when he said this, Zhang The proud face is full of horns, and a gesture of controlling the audience.

Mad!

Seeing this scene, Yue Feng frowned secretly, this horn is too powerful, but that palm contains eight layers of his own skill, and he didn't even kill him.

However, the other party has been injured, so you don't need to panic!

"Zhang Jiao, today is your day of death!" Yue Feng said coldly, the moment the words fell, he flew up and went straight to Zhang Jiao.

Haha….

Seeing Yue Feng bursting out with all his strength, Zhang Jiao didn't panic at all, and laughed loudly: "Kill me? You are too confident, but it's you who brought me to the door by yourself, but gave me a lot of trouble. "

The voice fell, and Zhang Jiao said something in his mouth.

Whoosh!

At this moment, Yue Feng saw that the bronze mirror directly opposite him suddenly shot out a ray of light. Yue Feng didn't have time to react and was hit by that ray of light. In an instant, Yue Feng only felt dizzy, not only that, but the inner strength of his dantian also seemed to be affected.

Mad!

Yue Feng was furious, what exactly is this bronze mirror? The light emitted can actually affect a person's strength, which is terrifying.

Chapter 2787

But it's okay, that ray of light only lasted a few seconds. After disappearing, Yue Feng only felt that his whole body was much more relaxed, and taking advantage of this opportunity, Zhang Jiao burst out and slapped Yue Feng with a palm.

Pfft…

Yue Feng spurted out a mouthful of blood and staggered back, his eyes full of hatred and vigilance.

Mad, it's no wonder that Zhang Jiao was so calm when he was raided by himself. It turned out that there was something wrong with the bronze mirror in the secret room.

"Haha…"

Seeing Yue Feng's expression, Zhang Jiao was smug: "Yue Feng, do you think it's strange, tell you, these three bronze mirrors, called Sealing Magic Mirror, were left by Xuanyuan Huangdi and have been sealed forever. The only people who are hidden under the Beiying Palace and know this secret are Hou Yi and Chang'e."

"The magic mirror contains powerful power. As long as it is illuminated, no one will lose control for a short time. With such a magical object, How do you say you fight me?"

When he said this, Zhang Jiao was full of smiles, very arrogant.

Yes, these three bronze mirrors were exactly Xuanyuan Huangdi's magic-sealing mirror back then. Because its power was too great, it was banned by Xuanyuan Huangdi. Later, Xuanyuan Huangdi soared and the magic-sealing mirror fell into the hands of Emperor Houyi.

At that time, Emperor Hou Yi wanted to completely control the magic mirror, but the power in the mirror was too powerful, and it would be devoured if it was careless. In the underground secret room of Beiying Palace.

Two days ago, Zhang Jiao learned about the existence of the magic mirror through Chang'e. After a day's search, he finally found it. After that, he was in this secret room to understand the mystery of the magic mirror. As a result, just after he had a look, Yue Feng broke in. .

Although he had just discovered the secret of the sealed magic mirror, it was enough for Zhang Jiao to deal with Yue Feng in front of him.

What? Seal the magic mirror?

At this moment, Yue Feng was stunned, only to feel that his heart was beating wildly, and he had a bad premonition.

Nima, there is such a thing in the world? If you are photographed, you will temporarily lose your mobility. It is terrible. There are three magic mirrors. If they are illuminated in turn, who can avoid them?

At this time, Yue Feng didn't know yet. At this time, Zhang Jiao didn't have a deep understanding of the magic mirror. He could only use it once in half a year. The three-sided magic mirror was used just now, and he could use two more at this time.

"Yue Feng, it's over!"

At this moment, Zhang Jiao stopped talking nonsense, recited the incantation again, and activated the sealing mirror, and saw two dazzling rays of light shining toward Yue Feng!

hum!

At the same time, Zhang Jiao's internal force was motivated, and a terrifying force erupted towards Yue Feng.

At this moment, although Yue Feng was mentally prepared, the rays of light from the two magic mirrors came over at the same time, and he couldn't avoid it, and his body was instantly fixed.

"Boom!…"

Immediately afterwards, Zhang Jiao's explosion smashed on Yue Feng, Yue Feng spit out a mouthful of blood, and his body flew far away.

Although Yue Feng has a strong internal force to protect his body, he can't stop Zhang Jiao's blow.

Mad!

At this time, Yue Feng was shocked and angry, and when he looked at the three-sided magic mirror, deep fear also rose in his heart.

Zhang Jiao's strength is already very strong, and he also has the opening axe, and now he has obtained a magical item like the magic mirror, isn't it invincible?

It seemed that it was impossible to kill him tonight, so he had to leave quickly.

"Buzz!"

Thinking to himself, Yue Feng didn't have time to think about it, he summoned Fang Tianhua halberd and waved it fiercely a few times. These few strokes almost drained Yue Feng's internal strength, but the power was also terrifying, and the air in the entire secret room was torn apart. !

Zhang Jiao's brows furrowed, he didn't dare to take it hard, and dodged behind him.

Taking this opportunity, Yue Feng turned around and rushed out of the secret room, reaching the Letian Palace above, and in a blink of an eye, he disappeared into the darkness!

Mad!

It was too late when Zhang Jiao caught up to the top, and his face suddenly became extremely ugly. You Qi saw that Qin Li, who had arranged by herself, was embarrassed when the acupoints were sealed, and she was even more furious: "Trash, trash!! It's all trash!", And just now, I was helped by the magic mirror, and Yue Feng ran away. It is difficult for anyone to calm down.

Chapter 2788

Feeling Zhang Jiao's anger, Qin Li's body trembled, and she didn't dare to take a breath.

Whoops!

At this moment, when they heard the movement here, a dozen people rushed in quickly. The one at the head, with a slender figure and delicate facial features, was Zhang Jiao's disciple Su Li!

"Master, what's the matter?" Su Li quickly asked.

call!

Zhang Jiao took a deep breath and looked solemn: “Yue Feng just broke in and fought against him for the teacher!”

What?

Hearing this, Su Li’s delicate body trembled and she was shocked.

Yue Feng broke in? The Letian Palace was heavily guarded, and he was able to break in quietly, and even found the secret room where Master retreated and practiced. It was terrifying.

Especially thinking that Yue Feng humiliated herself a few days ago, Su Li felt a trace of resentment in her heart.

“Su Li!”

Just when Su Li was thinking about it, Zhang Jiao said lightly, “I will send the order immediately, all the elite disciples of the Wutian Organization will search the entire imperial city, and if there is any whereabouts of Yue Feng, they will report back immediately, remember, Don’t disturb the major sects.”

“Yes, Master!” Su Li hurriedly responded, then thinking of something, she asked again: “Master, tomorrow is the Supreme Conference, what should I do if I can’t catch Yue Feng tonight? ?”

Yue Feng is very powerful, if he can’t catch it tonight, there will be a big riot at the venue tomorrow, and all plans will be disrupted by then.

Hearing this, Zhang Jiao pondered, his eyes flashing with a hint of coldness, and said coldly: “If there is no news of Yue Feng before dawn, when the Supreme Conference starts, the competition will be cancelled and the major sects will be forced to surrender. .”

When he said this, Zhang Jiao’s face was gloomy.

That’s right, Zhang Jiao held the Supreme Conference in the name of Chang’e, just to make a name for himself. As long as he won the first place and then controlled Kyushu, it would be logical. After all, this is a world where the strong are respected.

However, the sudden appearance of Yue Feng made Zhang Jiao feel threatened and decided to cancel the game.

“Okay!”

Hearing this, Su Li's eyes flickered, and she nodded knowingly: "I'll go to prepare now." When the words

fell, Su Li quickly walked out of the Lotte Palace.

call!

At this moment, Zhang Jiao looked at the night outside, and there was a hint of gloom in his eyes.

Yue Feng, even if the Holy Sect didn't trap you, it wouldn't change the current situation.

…..

On the other side, Yue Feng rushed out of the Lotte Palace and returned directly to the resting palace of Yuyao Pavilion.

call!

As soon as they entered the palace, they saw Ye Zhixin sitting in the hall, with two people lying beside them, bound by five flowers, very embarrassed, it was Liang Hao and Shen Fei.

Hong Xiu and a dozen elite female disciples quietly stood by one side, all of them looking solemn.

"Yue Feng!"

Ye Zhixin was surprised and delighted when she saw Yue Feng coming back, and she stood up at once: "How is it? Are you all right?"

Although many things were not very clear, Ye Zhixin was instantly stunned when she saw Yue Feng returning safely. Take it easy.

call!

At this moment, Hong Xiu and the others all looked at each other in dismay, looking at Yue Feng's eyes, all showing complexity.

Just now, Ye Zhixin had told them that this uncle who joined the sect halfway was the sect master of Tianmen, but seeing Yue Feng again at this time, she still couldn't hide the shock in her heart.

Yue Feng smiled at Ye Zhixin: "I'm fine!"

"What the hell is going on?" Ye Zhixin couldn't help but ask.

Yue Feng took a deep breath and slowly explained the situation.

Chapter 2789

Wow!

In an instant, whether it was Ye Zhixin, Hongxiu and the others, they were all furious, and they all complained about Yue Feng.

“It turns out that the Supreme Conference is all a conspiracy by Zhang Jiao.”

“This piece of horn is so abhorrent. It makes people impersonate Yue Feng, destroys the reputation of Tianmen, and even coerces Empress Chang’e.”

“Yes, now, in the name of Empress Chang’e, the The sects of the Kyushu mainland have all summoned the Beiying Palace, and they must have no good intentions.” When the

crowd’s comments came, Ye Zhixin also frowned.

The next second, Ye Zhixin said softly to Yue Feng: “According to you, all of us sects have been caught in Zhang Jiao’s trap. Next, what should we do?”

This…

Yue Feng thought for a while. , said with a wry smile: “Everyone has come, and Zhang Jiao has controlled Chang’e. The entire Beiying Imperial City is full of Zhang Jiao’s people. You can’t leave if you want to. You can only wait until the conference starts tomorrow and watch it change. “

When he said this, Yue Feng was calm on the surface, but also a little panicked in his heart.

Nima, just broke into Zhang Jiao’s training room by himself, and almost succeeded in the raid. With Zhang Jiao’s personality, he will not sit still. It is estimated that at this moment, he is sending people around to search him.

However, for a while, no one came to search here. It seemed that Zhang Jiao didn’t know that he was in the Yuyao Pavilion with a fake identity.

Thinking to himself, Yue Feng felt a little more at ease.

“Okay!” Ye Zhixin nodded, and that was all she could do now.

After saying that, Ye Zhixin glanced at the two Shen Fei who were tied there: “How to deal with these two?!”

“Lock it up first, and then talk about it after the Supreme Conference.” Yue Feng said without hesitation: “I must not let anyone know.”

Seriously, Yue Feng wanted to kill these two people immediately, especially that Liang Hao. He dared to impersonate himself and smear the reputation of Tianmen, and it was not a pity to die, but he thought that it might be useful to keep this person, so he held back.

Hearing this, Ye Zhixin quickly waved her hand and ordered Liang Hao to be taken away.

Yue Feng said no more, returned to his room, and resumed his practice. Mad, Zhang Jiao used the magic mirror and almost killed himself.

……

this moment, the other side.

In the hall of the Underworld of the Ghost Realm.

Pluto was sitting on the throne, his face was expressionless, and his body was filled with a powerful aura. Below, Jade, Zang Shuiyue and the others kneeled there respectfully.

Next to him, Wen Chou Chou stood there quietly, he was the messenger of Hades, and he had a special status, so he didn’t need to kneel.

“Your Majesty.”

At this moment, Jade squeezed out a smile and told Pluto: “According to your instructions, I have led my subordinates to separate from the Rakshasa clan. What to do next, please instruct Your Majesty.”

“Okay. , not bad!”

Pluto showed a smile and said slowly: “I got the news just now that the Kyushu Continent is holding the Supreme Conference, which will be held in Beiying Imperial City. You bring your people and rush over immediately!”

Said, Pluto Slowly raising his hand, he saw a kit slowly fly out and land at Jed’s feet.

“How to do it is written in it, remember, there can be no mistakes.” Pluto’s tone was indifferent, but he couldn’t doubt it. When the voice fell, he waved his hand.

“Your Majesty, rest assured, your subordinates will live up to their expectations!” Jed picked up the kit and left quickly with Zang Shuiyue and others.

call!

At this moment, watching Jade and the others leave, Wen Chou Chou felt inexplicably uneasy in his heart, so he went up to ask Hades.

“Wen Chou Chou!”

However, at this moment, Pluto’s eyes fell on Wen Chou Chou, and he said coldly: “Do you know the guilt?” The

voice was not loud, but it was full of majesty.

Wen Chou Chou’s heart trembled, and he walked out quickly, clasped his fists and said, “Your Majesty, what crime did I commit?” Wen Chou Chou was at a loss when he said this.

Chapter 2790

“What’s the crime?”

Pluto said coldly: “Although you are my messenger and have many privileges, you can’t run wild.”

“You entered the thirty-sixth floor without my order. In purgatory, you have been talking with people who have committed crimes for a long time, and you have violated the laws of the underworld, you say, are you guilty?”

What?

Hearing this, Wen Chou Chou was stunned.

Did Pluto know what happened to Zhang Jiao in purgatory?

But… the messenger of Hades enters purgatory, and there is no need to ask Hades for instructions.

After thinking about it, Wen Chou Chou understood something. Hades is deliberately trying to trouble him. You must know that even though he is the messenger of Hades, he still cares about Kyushu.

Just now, Hades sent Jade and others to the Beiying Imperial City, it must have been to destroy the Supreme Assembly. In order to fear that he would cause trouble, he deliberately made a crime to hold him.

Thinking of this, Wen Chou Chou became somewhat inexplicable.

“Come on!”

Seeing Wen Chou Chou being silent, Pluto didn’t bother to talk nonsense: “Lock Wen Chou Chou for two days and let him reflect on himself.”

Whoa!

As soon as the voice fell, a few underworld soldiers came over, tied Wen Chou Chou Wu Hua, and dragged them out of the hall.

At this moment, Wen Chou Chou wanted to resist, but thinking of his own situation, he held back.

It was only locked for two days. After two days, when I found an opportunity, I went to the mainland of Kyushu to inquire about the news.

…

the next day. Beiying Palace!

Today’s Beiying Palace is extraordinarily lively. You must know that for thousands of years, an unprecedented Supreme Conference will be held in the Beiying Palace. Almost all the sects in the Kyushu continent have come to participate. It can be said to be an unprecedented prosperous era.

At this time, the streets and alleys of the imperial city were almost overcrowded, and they were all discussing the Supreme Assembly.

Because the scale of this conference is grand, and the venue is located in the palace, ordinary people can’t get in at all. Despite this, the palace is still crowded with people.

At this time, in the palace, on the square in front of the Promise Hall, there were tens of thousands of seats set up around them. At this time, there were already a sea of people on these seats. Almost all the sects who came to participate in the competition had arrived. From a distance, it was dark. , very spectacular!

Of course, these seats are for the heads of the various sects, as well as the elders.

You must know that there are so many sects in the Kyushu Continent, if all of them have seats, no matter how big the Beiying Palace is, it will not be able to accommodate them.

At this time, hundreds of thousands of people have gathered in the square of the Promise Hall, all waiting for the conference to start!

At this moment, Yue Feng and Ye Zhixin, with the disciples of Yuyao Pavilion, arrived slowly.

At this time, Yue Feng deliberately disguised his beard and looked a few years older. He failed to raid Zhang Jiao last night. Yue Feng could only use this method to hide his identity.

To be honest, Yue Feng didn't want to be so troublesome, but there was no way, Chang'e was still in Zhang Jiao's hands, so he couldn't mess around anymore.

shit.

At this moment, when entering the square, Yue Feng was stunned when he saw the scene in front of him.

Chang'e's influence is really extraordinary. There are so many sects coming to this Supreme Conference, not only the sects of Jianghu, but also the royal forces from various continents.

Yue Feng saw that among the several sects in Nanyun Continent, the royal family represented by Long Qianyu was sitting in the middle position. At this time, Long Qianyu was dressed in a pale yellow dress, and looked like a fairy. Without losing the royal style.

I have to say that Long Qianyu is a top-notch goddess, both in temperament and appearance, and she has become even more charming after not seeing each other for more than three years.

In addition to Long Qianyu, Yue Feng also saw many familiar figures, such as Wudang in Diyuan Continent and Dan Zong in Dongao Continent. Famous Sword Villa in the Yellow Sea Continent, etc.

Swish!

At this moment, Ye Zhixin immediately attracted the attention of many people.

"It's so beautiful, is this the head of Yuyao Pavilion in Xuanye Continent?"

"It is said that this head of Ye is also a goddess, and his reputation is well-deserved."

The ultimate husband in Chinese chapter 2791-2800

Chapter 2791

Listening to the discussions around, Ye Zhixin looked indifferent, and Yue Feng waited and walked to the position of Yuyao Pavilion.

“The game is about to start!”

After sitting in the seat, Ye Zhixin asked Yue Feng gently, “What should we do?”

Yue Feng looked around and whispered, “Zhang Jiao has ulterior motives, this Supreme Conference is just a Under the guise, when the game starts, we just give up, there is no need to waste our internal energy.”

Hmm!

Hearing this, Ye Zhixin nodded in agreement.

Yes, knowing that there is another mystery in this Supreme Conference, how could it still be on the stage?

After a while, all the invited sects and forces arrived. At this moment, a graceful figure slowly walked out and arrived in the center of the square, with a beautiful appearance and a good aura.

It is Gonggong.

Yes, Gonggong is the host of this supreme conference.

“Everyone!”

Gonggong looked around the audience with a shallow smile: “The Supreme Conference is held for the first time in thousands of years. It can be said that this is a prosperous move in our Kyushu continent. Let me explain the rules below. From each sect and faction, only one person is allowed to participate in the competition, and the first place winner will be awarded the Kyushu Medal.”

Wow!

Hearing this, there was an uproar in the audience.

No, doesn’t it mean that the one who gets the first place will get the honor of Jiuzhou Supreme? How did it become a medal?

This chapter is provided by . Visit for daily update.

Gonggong didn’t seem to see the doubts of the audience, and began to read out the rules of the game.

A few minutes later, Gonggong finished his last sentence and looked around: “Okay, now the game starts.” After speaking, he turned and left the square.

Ha ha…

Seeing this scene, Yue Feng showed a smile.

This Zhang Jiao is really cunning. He held the Supreme Conference in the name of Chang’e, and used the name of ‘Jiuzhou Supreme’ to attract people, but the people present did not realize that he was tricked by Zhang Jiao.

And this Gong Gong, don’t you know that Zhang Jiao is cunning and cunning? Also help him preside over the Supreme Assembly.

Boom!

Just when Yue Feng was thinking about this, he saw in the center of the square that the first round of the contestants had already fought.

Soon, it was Yuyao Pavilion’s turn to send someone to appear, but Ye Zhixin obeyed Yue Feng’s suggestion and abstained.

To be honest, at that moment, Yue Feng really wanted the disciples of Yuyao Pavilion to send a letter to Long Qianyu and the others, so that they would also give up the game, but considering that Zhang Jiao’s eyes and ears were all around, there was no risk.

The game went on for more than five hours.

Whoa!

Just as the finals were about to start, there was a sudden commotion in the audience, and everyone’s eyes would gather at the door of the Promise Palace.

I saw a graceful and graceful figure walking out slowly, wearing a long white dress, tight curves, flawless face, extraordinary temperament, and indescribable beauty!

It’s Chang’e!

Behind Chang’e, Zhang Jiao followed quietly.

Swish!

Seeing Chang'e, everyone present was boiling, and all the men's eyes were almost straight.

Empress Chang'e is an existence that can be called a fairy in the world.

Beautiful, really beautiful.

Yue Feng's eyes were also fixed on Chang'e, and he murmured in his heart.

Yue Feng could see that the Chang'e in front of her was not pretending to be a person, but she was a little weird. Not only was there a trace of tiredness between her brows, but her eyes were also a little empty.

It's like…. being controlled by someone's mind.

Chapter 2792

"Everyone!"

At this moment, Chang'e took a step forward slowly, looked around the audience, and a soft voice sounded: "For thousands of years, the continent of Kyushu has been divided, resulting in constant disputes. More than ten years ago, First, the Tianqi Continent invaded the Diyuan Continent, and later, Yang Jian usurped the throne and provoked wars everywhere, causing the people of all continents to suffer."

"In the past few years, although I have been practicing in the Holy Sect, I have never forgotten the common people in the world. Gong feels that Kyushu should elect a co-owner, which can also reduce unnecessary disputes, so today, through the Supreme Conference, I want to announce something."

Chang'e's voice was not loud, but it spread throughout the audience.

call!

At this moment, everyone present held their breath and looked at Chang'e quietly, waiting for her next words.

"This palace announces!" Chang'e's red lips parted lightly, and she said softly: "Zhang Jiao is the new emperor of Northern Ying Continent, and he has been elected as the co-owner of Kyushu. Assist."

After saying this, Chang'e stood aside, her expression indifferent, without the slightest fluctuation.

Yes, these words were secretly directed by Zhang Jiao. Ever since Zhang Jiao performed the Soul Deprivation Technique, Chang'e has been completely controlled, and she can't help herself.

What?

Hearing this, the entire Promise Hall Square was in an uproar, and all eyes were suddenly focused on Zhang Jiao.

Empress Chang'e even made Zhang Jiao emperor of Beiying, and even elected him to be the co-lord of Kyushu.

Although Zhang Jiao used his soldiers like a god, but when he helped Yang Jian conquer various continents, the methods he used were too cruel. How could such a person be the co-owner of Kyushu?

At this time, everyone did not realize that Chang'e in front of her had been controlled by Zhang Jiao, and what she said was not her original intention at all.

Mad!

At this moment, Yue Feng was also shocked, his eyes looked at Chang'e, full of doubts.

Ma De, it turns out that Zhang Jiao's purpose is here. What kind of supreme meeting is held is just a passing scene. The final purpose is to be the co-owner of Kyushu.

It has to be said that Zhang Jiao was too cunning and used Chang'e to tell his purpose.

It's just… how on earth did he control Chang'e?

call!

Just when Yue Feng was frowning secretly, at this moment, he saw Zhang Jiao walking out slowly, first looking around, and then smiling humbly: "It is an honor for me, Zhang Jiao, to be so appreciated by Empress Chang'e. To."

Said, Zhang Jiao's eyes flashed treacherous, and continued: "However, since the Empress has already announced, I will do my part. Everyone, the situation in Kyushu is not optimistic now, remember three years ago? Rakshasa clan We crossed the Chaos Mountains, and the army invaded. Although we fought together in the Kyushu Continent, the situation at that time was not optimistic!"

"In the end, we were still independent, not very united!"

Hehe…

Hearing this, Yue Feng couldn't help it. sneer.

Ma De, this Zhang Jiao is quite good at acting, and the scenes are said in a set way. When they fought against the Rakshasa, all the forces were firm, but Zhang Jiao was very deceitful and led the Beiying army at that time. Yue Feng still remembers clearly the siege of the alliance army camp.

But now, Zhang Jiao actually used unity as an excuse to make the people present submit to him, which is ridiculous.

At this time, the red sleeve behind him finally couldn't bear it any longer, and said coldly, "This Zhang Jiao is really hypocritical."

Ye Zhixin also frowned, and said to Yue Feng: "You are right, this horn, it is fake to hold the Supreme Conference, and it is true that you want to dominate Kyushu."

After speaking, Ye Zhixin was a little anxious: " Yue Feng, what are your plans?"

Huo!

Yue Feng took a deep breath, glanced at Zhang Jiao, and said in a low voice, "Don't worry, let's see the situation."

With so many sect forces present, they would never surrender to Zhang Jiao willingly.

"Everyone!"

Chapter 2793

At this moment, Zhang Jiao looked around the audience and said loudly: "I won't say more nonsense, those who can come to participate in the Supreme Conference today are all famous families that have been passed down for a long time, as long as you support me wholeheartedly, I Zhang Jiao guarantees that I will never treat everyone present badly." The

voice fell, and many sects agreed.

"That's right, Mr. Zhang's martial arts, who can compare to Kyushu? Oh no, it should be Your Majesty now." "

Your Majesty is the co-owner of Kyushu . The heads of these sects all stood behind Zhang Jiao, all of them being extremely respectful. Yes, these are the sects who were in the alliance with Wutian before. They knew Zhang Jiao's plan in advance, and they are so active at this time, they are all for others to see. This… Seeing this scene, the remaining sect forces all looked at each other in dismay. "What? Do you have any objections?" Zhang Jiao raised the corners of his mouth and said lightly. hum! The voice

fell, and a powerful breath burst out from Zhang Jiao. In the past three years, Zhang Jiao has worked hard to cultivate. First, he obtained the opening axe, and then he obtained the magical mirror. At this time, his strength has broken through the tribulation realm and reached the spiritual realm! hiss! Feeling Zhang Jiao's powerful aura, many people present gasped for air. This… the strength has surpassed the Tribulation Realm, too strong! Moreover, it is said that Zhang Jiao also got the opening axe. Under the shock of the heart, soon, the sect forces who were still a little hesitant also expressed their allegiance to Zhang Jiao.

However, there are still some sects that still have no indication.

Among them, there are the Nanyun Royal Family represented by Long Qianyu, the Famous Sword Villa in the Yellow Sea Continent, the Danzong in the Dongao Continent, and the Yuyao Pavilion with Yue Feng…

It can be said that those who do not express their attitude are all related to Yue The wind is inextricably linked.

Hahaha…

Seeing more than half of the audience expressing allegiance to him, Zhang Jiao showed a smile, very proud.

The next second, Zhang Jiao was on Long Qianyu's body: "His Royal Highness Princess, the situation in front of you is already the general trend. I don't know how your Nanyun royal family will vote?"

When he said this, Zhang Jiao was polite, but his eyes were full of contempt.

Speaking of which, in the Kyushu Continent, the royal family of Nanyun is not weak, but Zhang Jiao has not paid attention to it, but there are so many people around, so he still has to act.

Long Qianyu's face was expressionless, but his heart was extremely complicated.

I thought that I would be a blockbuster at the Supreme Conference and could enhance the prestige of the Southern Cloud Continent in Kyushu, but I never imagined that the change in the situation was unpredictable. Chang'e not only made Zhang Jiao emperor of Beiying, but also elected him Be the co-owner of Kyushu.

More importantly, so many sects expressed their support for Zhang Jiao.

What should I do myself?

Seeing Long Qianyu's reaction, Zhang Jiao smiled faintly: "No hurry, the eldest princess will consider it!"

After saying that, Zhang Jiao's eyes fell on Dan Zong and the people in Mingjian Villa, and smiled: "Several, what are you thinking about? As long as you are willing to surrender, I will protect your prosperity!"

"Zhang Jiao!"

When the words fell, the sect master of Danzong, Zheng Chunqiu, couldn't hold it any longer. He strode out and pointed at Zhang Jiao and shouted: "When you were fighting against the Rakshasa clan, you secretly raided the alliance army, but you still have the face to say unity. How can someone like you be worthy of being the co-owner of Kyushu?"

At this time, Ye Ziyi from Famous Sword Villa also stepped forward and shouted: "Yes, the co-owner of Kyushu is at least a kind and merciful person. , and you are not worthy!"

Chapter 2794

Wow!

Hearing this, the expressions of everyone behind Zhang Jiao changed greatly.

This Ye Ziyi is really daring, Zhang Jiao is the co-owner of the Kyushu, it was proposed by Empress Chang'e, she actually said that she is not worthy?

"Presumptuous!"

At this moment, a slender figure came out, it was Su Li, pointing at Ye Ziyi Jiao and shouting, "What kind of thing are you, dare to despise my master?"

In an instant, the disciples of the surrounding Wutian organization began to shout!

"It's really daring, the Kyushu co-owner was proposed by Empress Chang'e. By saying this, are you questioning Empress Chang'e's vision?"

"It's just the eldest lady of Famous Sword Villa, too ignorant of current affairs!" "It 's

really lawless!"

In an instant, Zhang Jiao's face turned gloomy.

He is about to become the co-owner of Kyushu, but he is so insulted by a girl in front of a hero in the world, how can he bear it?

However, Zhang Jiao held his own identity and did not have a seizure. Instead, he looked at Ye Ziyi with a half-smiling smile: "Miss Ye, you said that I am not worthy to be the co-owner of Kyushu, so who can do it?"

When he said this, Zhang Jiao was full of pride.

Ye Ziyi smiled slightly, and said without hesitation: “Sect Master of Tianmen, Yue Feng!”

After saying that, Ye Ziyi looked around: “Three years ago, the Rakshasa tribe came and it was Yue Feng who led our Kyushu to block the Rakshasa. The army, and Tianmen, founded by Yue Feng, has made a lot of contributions in helping the weak in the rivers and lakes over the years.”

“Yue Feng himself is both civil and military, and the weather royal family held a marriage conference that year. Double first, such a person is the most qualified to sit in the Kyushu co-ownership.”

Hearing this, Zheng Chunqiu and others all nodded.

call!

At this moment, Yue Feng was also moved and couldn’t help but glance at Ye Ziyi.

Unexpectedly, her evaluation in her heart was so high.

Swish!

Just at this moment, Zhang Jiao’s face was extremely ugly, and his heart was filled with anger.

Mad, these people are still facing Yue Feng.

Hahaha…

Thinking about it, Zhang Jiao laughed loudly: “Miss Ye, you have Yue Feng on your left, and Yue Feng on your left, don’t you know that five days ago, Yue Feng broke into the Holy Sect and was disrespectful to Empress Chang’e. Come to the Beiying Palace again, such a misbehaving disciple, if he becomes the co-owner of Kyushu, it will be the biggest joke.” The

voice fell, and Su Li and the disciples of the Wutian Organization behind him all burst into laughter.

“Impossible!” Ye Ziyi bit her lip and couldn’t help but refute.

During this period of time, there were rumors in the rivers and lakes of Kyushu that Yue Feng blasphemed Chang’e and made a riot at the Beiying Palace, but Ye Ziyi knew Yue Feng well and knew that he would not do it.

“Zhang Jiao!”

At this moment, Long Qianyu, who had been silent all the time, took a step forward and looked directly at Zhang Jiao: “You keep saying that Yue Feng blasphemed Mother Chang’e, is there any evidence?”

When he said this, Long Qianyu The delicate face seems calm, but the heart is full of complexity.

Like Ye Ziyi, Long Qianyu didn’t believe it either. Speaking of which, she and Yue Feng had a marriage contract, and now that she heard Zhang Jiao slander Zhang Jiao, she couldn’t help it.

“evidence?”

Zhang Jiao sneered and turned his head to look at Chang’e: “The Empress is here, this is the most powerful proof. At that time, I followed Yue Feng to the Beiying Palace, and I saw that he threatened the civil and military officials with the life of the Empress. !”

Said, Zhang Jiao secretly winked at Chang’e.

Chang’e was completely under Zhang Jiao’s control. Without hesitation, she walked out and said softly, “Yes, I was practicing in seclusion in the forbidden area of the Holy Sect, and Yue Feng broke in and took me away forcibly.”

“On the way, speak to me . It’s frivolous, it’s daring to make Ben Gong his wife, not only that, but also to be the Emperor of Beiying.”

Wow!

Hearing this, everyone who had expressed their surrender to Zhang Jiao was filled with righteous indignation.

“Yue Feng is so abominable, he’s so daring.”

“I respected him a lot before, but I didn’t expect this kind of person.”

Chapter 2795

“Yeah, Empress said it herself, absolutely can’t be wrong…”

Everyone’s comments kept coming, whether it was Long Qianyu or Ye Ziyi, they were all embarrassed.

How could this be, Yue Feng couldn’t do such a rebellious thing.

“Yue Feng!”

Ye Zhi was so anxious at this moment, she whispered to Yue Feng, “Go up and explain.”

This Yue Feng, Zhang Jiao discredited him so much, yet he was still so calm.

call!

Yue Feng took a deep breath and whispered, “I can’t show up now.”

“Why?” Ye Zhixin’s beautiful face was full of puzzlement.

Yue Feng thought for a while, and said slowly: “Last night’s raid on Zhang Jiao failed, and his whereabouts were revealed. Although he didn’t find me last night, Zhang Jiao was very cunning. Now he is deliberately smearing me in front of everyone, just to force me. Show up.”

“If I don’t show up, he still has some fears in his heart, and once I show up, he will have no worries.”

When he said this, Yue Feng’s face was calm, and he was also holding back his anger.

To be honest, Yue Feng wanted to rush over and expose Zhang Jiao’s lies, but seeing that Chang’e also framed himself, Yue Feng gave up the plan.

Yue Feng knew that he had to figure out how Chang’e was controlled by Zhang Jiao, otherwise, it would be useless to justify himself.

Um!

Hearing this, Ye Zhixin nodded silently.

“Princess!”

At this moment, Zhang Jiao looked at Long Qianyu with a half-smile but not a smile: “What do you have to say now? Yue Feng’s doing such a treacherous thing is already the target of the public, how you maintain this kind of person is futile, I I advise you to recognize the situation in time.”

“Okay!”

Long Qianyu replied coldly, expressionless: “Then I will tell you my decision, you want to be the co-owner of Kyushu, whatever, in short, we Nagumo The mainland doesn’t admit it.”

After speaking, Long Qianyu glanced at Chang’e: “To recommend someone like you to be the co-owner of the Nine Provinces, I think Empress is really confused.”

“And our Famous Sword Villa!” Ye Ziyi followed.

“And my Danzong!”

At the same time, Ye Zhixin took the people from Yuyao Pavilion and stood firmly behind Long Qianyu.

“Okay, very good!”

Looking at this scene, Zhang Jiao’s eyes were gloomy and he nodded, “Long Qianyu, it doesn’t matter if you don’t admit that I am the co-owner of the Nine Provinces, but you questioned Lady Chang’e, so disrespectful, if I forgive you, I will in the future. How to get a foothold?”

“Everyone obeys orders, take them down for me!”

Zhang Jiao almost roared at the last sentence.

Whoa!

The voice fell, and the people behind them urged their inner strength to surround Long Qianyu and others.

“Zhang Jiao.”

Long Qianyu’s pretty face was flushed, and she was extremely angry: “You finally showed your fox’s tail. If you want to catch us, just say it. You don’t need to use Empress Chang’e as an excuse!

” Holding the long sword: “Everyone, Zhangjiao Langzi’s ambition, everyone rush out with me!”

Om!

When the last word fell, Long Qianyu’s inner strength was urged, and his figure was astonishing, and he rushed into the opponent’s crowd first!

“Kill!”

At this moment, Ye Ziyi, Zheng Chunqiu and others followed closely behind. In an instant, a tragic battle drowned the square of the Promise Palace in an instant.

Mad!

Seeing this scene, Yue Feng was furious, this horn was so cruel, he even said he would do it.

I thought that Zhang Jiao would have some scruples when he didn't show up, but he never thought that Zhang Jiao didn't hesitate at all and started the battle directly.

The ultimate husband in Chinese chapter 2796-2800

Chapter 2796

Thought, Yue Feng couldn't think too much, his figure moved and rushed towards Zhang Jiao quickly.

Because of the special makeup, no one noticed Yue Feng at all, thinking that he was just an ordinary male disciple in the Yuyao Pavilion.

"Take them all!"

At this time, Zhang Jiao's attention was completely on the Long Qianyu and the others, and he kept shouting: "I will capture the Long Qianyu and the others, and leave the rest… "

Om!

At this moment, a figure shot out, carrying the momentum of thunder.

Is it Yue Feng?

Um?

Feeling the danger, Zhang Jiao was startled, but he reacted quickly and raised his hand to meet him.

boom!

There was a loud bang, and everyone present trembled! Zhang Jiao took a dozen steps back, his eyes firmly locked on Yue Feng!

"Yue Feng?"

Zhang Jiao's eyes flickered, full of madness, and he looked up to the sky and laughed loudly: "You finally showed up. Let me tell you, today you and Long Qianyu can't leave!"

Yue Feng?

At this moment, many people around were taken aback.

This chapter is provided by . Visit for daily update.

This Yue Feng, who blasphemed the Empress Chang'e and made a riot at the Beiying Palace, dared to appear?

He is Yue Feng! ?

At this moment, Long Qianyu and Ye Ziyi both trembled, extremely happy, and at the same time secretly surprised.

When did he sneak into Yuyao Pavilion? Also, what's with the scar on his face?

Yue Feng did not respond, but looked at Zhang Jiao coldly!

He knew that it was impossible to restore his innocence just by explaining himself. The only one who could prove himself was Chang'e, and Chang'e was controlled by Zhang Jiao, so Zhang Jiao must be subdued today.

Feeling Yue Feng's gloomy coldness, Zhang Jiao did not panic at all, instead he was very happy: "Yue Feng, your era is over, you can catch up with your hands, maybe I can give you a good time!"

"It's not certain who will die today! "Yue Feng roared wildly, raising his hands suddenly!

"Roar!" The

surrounding air quickly twisted, and then, nine golden dragons surrounded Yue Feng!

"Kill!" A

loud roar of dragons came, and nine golden dragons, slack and unparalleled power, swept towards Zhang Jiao!

Zhang Jiao snorted coldly as he watched the nine golden dragons pounce. A mere skill of Nine Dragons Ascension to Heaven, dare to show ugliness in front of him?

hum!

In the next second, Zhang Jiao suddenly raised his hand and waved, and a golden beam burst out from the opening axe, tearing apart the world and attacking!

boom! boom! Boom…

This golden light emitted by Zhang Jiao collided with the golden dragon, and a violent vibration of aura erupted. Immediately, the nine golden dragons were directly defeated, turning into a golden light and shadow, dissipating between heaven and earth!

Open the axe!

Seeing this scene, everyone below was stunned and shocked!

It was rumored that Zhang Jiao had obtained the Sky-Opening Axe, and it turned out to be true. Moreover, the Sky-Opening Axe in Zhang Jiao's hands could explode with such mighty power. It was indeed a peerless weapon.

Mad!

Yue Feng, who was suspended in mid-air, also frowned.

Zhang Jiao owns the Sky-Opening Axe, and his strength is already so strong. If he uses another magic mirror later, he will not be an opponent at all.

How to do?

At this time, Yue Feng did not know that Zhang Jiao had not completely penetrated the magic mirror, and he had used it once last night, and the next time he would use it, it would take at least three months.

"Haha…"

At this moment, the corners of Zhang Jiao's mouth twitched, revealing a hint of contempt, and mocked at Yue Feng: "Why? You are so confident in your mouth, with this little strength?"

"Yue Feng, let me help you! "

Chapter 2797

At this moment, Long Qianyu let out a coquettish cry, and her figure flew up, cooperating with Yue Feng and fighting Zhang Jiao!

At the same time, Zheng Chunqiu, Ye Ziyi, and Ye Zhixin also rushed towards Zhang Jiao from another direction!

Seeing this scene, the corner of Zhang Jiao's mouth evoked a trace of disdain: "A gang of rabble!" The voice fell, and Zhang Jiao waved the opening axe and attacked directly!

Buzz buzz… I

have to say, the power of the opening axe is too strong, in a blink of an eye, a few Long Qianyu can't stand it anymore, and each one's face is pale.

"You guys find a way to break through, don't worry about me!" Yue Feng was in a hurry and couldn't help shouting.

To be honest, fighting alone, although you can't kill Zhang Jiao, but Yue Feng wants to leave, Zhang Jiao can't stop him, but Long Qianyu and a few join the battle, that's another matter.

Hearing this, Long Qianyu bit his lip, turned around, rushed into the crowd below, and tried to lead his subordinates to break through.

As the eldest princess of the Southern Cloud Continent, Long Qianyu acted decisively. She knew that after fighting Zhang Jiao just now, she felt that joining the battle with her own strength would not help Yue Feng at all, but would cause him trouble.

Whizzing!

At the same time, Zheng Chunqiu, Ye Ziyi and others also withdrew.

hum!

At this moment, Yue Feng didn't hesitate at all. He raised his hands and saw a white flame that jumped out and floated directly towards Zhang Jiao.

The flame grew bigger and bigger, and finally formed the shape of a lotus flower. In an instant, the surrounding temperature suddenly increased.

It is Bailian Lenghuo!

"Wan! Read! All! Ash!" In the next second, four cold words came out of Yue Feng's mouth, and then his hands slowly raised!

It is a unique skill that Yue Feng realized when he was trapped at the bottom of a volcano ten years ago, and is rarely used. Over the years, with the improvement of Yue Feng's strength, his understanding of this trick has also reached a very high level.

hum!

When the last word fell, the surrounding sky suddenly distorted, as if the spiritual energy between heaven and earth was suddenly evacuated, and everyone present was shocked.

"Zhang Jiao, you give me death!" Yue Feng roared wildly, raised his hand and pointed, a huge white fireball condensed in an instant and smashed directly at Zhang Jiao!

Yes, this huge white fireball combines the essence of Bailian Lenghuo. After all, Yue Feng created this trick on the basis of Bailian Lenghuo.

Yue Feng didn't know why Zhang Jiao didn't need to seal the magic mirror for a long time, but he couldn't care less.

What?

Zhang Jiao was startled, and hurriedly activated his internal force, merged into the Heaven-Opening Axe, and tried to resist!

“Boom!” The

white fireball slammed on the opening axe, and the terrifying energy erupted, and a sea of white fire instantly formed over the entire Promise Hall.

“Wow!”

Zhang Jiao spat out a mouthful of blood, and his body flew out!

Although I have understood the power of the Heaven-Opening Axe, every time it is used, it will consume a lot of internal strength.

This…

Seeing this scene, many people below were stunned, unable to catch their breath for a long time.

This… is this a win?

Zhang Jiao owns the Heaven-Opening Axe, but he hasn’t been seriously injured by Yue Feng. Who would have believed it if he hadn’t seen it with his own eyes?

At the same time, Long Qianyu, Ye Zhixin and others were very excited, but the next second, they all became worried when they saw Yue Feng’s situation.

I saw that Yue Feng’s face was pale and very weak.

That’s right, I had a fierce battle with Zhang Jiao just now, and I used all my thoughts to lose my mind, and my internal strength was almost exhausted.

Om….

At this moment, as the white flames in the sky gradually extinguished, the sky and the earth suddenly became dark, and then, a black mist spread out from all around the palace.

Swish…

Then, from those black mists, thousands of figures appeared. These figures, wearing uniform black clothes and wearing bone masks, seemed to come from hell!

What’s happening here?

Seeing this scene, whether it was Yue Feng, Zhang Jiao, or others, they were all stunned.

Chapter 2798

Yue Feng saw that the leader of these people was Jade, the city lord of Xuanshi City, who had some festivals with him before.

A month ago, Yue Feng and Yu Qianqian, Miss Yu’s family, went to Xuanshi City to do trade, but they were treated unfairly. At that time, Jade Dojo was very arrogant. In the end, Mona felt that she reprimanded Jade on the spot… Yue Feng remembered this very clearly.

However, this person is the city owner of Xuanshi City and is not stationed in Xuanshi City. How did he come to Northern Ying Continent?

At this time, Yue Feng did not know that Jade had betrayed the Rakshasa clan.

When frowning secretly, Yue Feng also noticed that Jade and the people he brought were filled with an evil suffocating aura.

call!

Not only that, but everyone present was stunned.

This….how did these Rakshasa people come? This time, the Supreme Conference did not invite the Rakshasa clan.

Speaking of which, although the Kyushu Continent negotiated with the Rakshasa three years ago and the two sides began to live together peacefully, in the heart of the Kyushu Continent, the Rakshasa was still very repelled.

boom!

Finally, Zhang Jiao reacted, took a deep breath, and asked Jade coldly, “You Rakshasa people are so bold, you just broke into the Beiying Imperial City without receiving an invitation, are you trying to provoke a war? “

Rakshasa?

Hearing this, Jade chuckled lightly and said lightly: “This is Your Excellency Zhang Jiao. I heard that the Supreme Conference is being held here, so let’s join in the fun. How can we break in?”

When he said this, Jade I really want to refute that I have left the Rakshasa clan, but then I think about it, if today's events can be blamed on the Rakshasa clan, it seems not bad.

The next second, Jed's eyes fell on Yue Feng, his eyes flashing with a hint of coldness: "Sect Master Yue, don't come here!"

Mad, this Yue Feng, was in Xuanshi City at the time, and he was scolded by Mona. Completely lost face, I met him today, and I must not let him go.

Jade's gaze made Yue Feng very unhappy: "Jade, what do you mean by bringing someone here?"

Mona acted cautiously and would never let the Rakshasa do this, there must be something strange.

"What do you think?" Jed's eyes flickered with a teasing expression on his face.

This Yue Feng, I'm afraid he still doesn't know that he has left the Rakshasa clan. And this time, he led his subordinates into the Beiying Palace because he was instructed by Hades.

Hearing the answer, Yue Feng frowned secretly.

"Yue Feng!"

At this moment, Zhang Jiao first looked at the Jade people, and finally his eyes fell on Yue Feng, and shouted angrily: "What are you trying to do with the Rakshasa clan?"

"What did you say? "Yue Feng was stunned.

"Stop pretending!" Zhang Jiao shouted with a face of righteousness, "Who in the world doesn't know that you have a close relationship with the Queen of the Rakshasa clan, if you hadn't tipped off the news, how would these people of the Rakshasa clan be? Maybe you came by such a coincidence?"

"Yue Feng, you are full of justice, but you are very ambitious, colluding with the Rakshasa to dominate the Kyushu, right? When you negotiated with the Rakshasa, it was agreed in the agreement that the Rakshasa would not be allowed to do it. Participate in anything in Kyushu, you are leading them to the palace now to deal with all of us, right?" At the

last sentence, Zhang Jiao had a just face, but his eyes flashed with cruelty.

In fact, Zhang Jiao could see that Jade's group had nothing to do with Yue Feng, but in order to completely ruin Yue Feng's reputation, he deliberately said this.

“Zhang Jiao, stop slandering me!” Yue Feng’s eyes were instantly red, and he couldn’t help shouting loudly.

Ma De, Zhang Jiao is too insidious, what time has he been thinking about slandering himself.

Zhang Jiao sneered silently!

Haha…

Just at this moment, Jed looked up to the sky and laughed, looking at Yue Feng with a half-smile but not a smile: “Sect Master Yue, since Zhang Jiao has seen it, let’s stop acting, don’t worry, we’ll catch it later. These people, I will speak well for you in front of the queen, and then, your benefits will be indispensable!”

Jed is not a fool, and it can be seen at a glance that Zhang Jiao is deliberately slandering Yue Feng.

Speaking of which, Yue Feng is also his own enemy, and it is natural to see Zhang Jiao deliberately slandering him.

Chapter 2799

“You…”

Seeing that Jade actually helped Zhang Jiao, Yue Feng was so frightened that he almost exploded with anger, but he didn’t know how to refute it.

“Wow!”

At this moment, the entire Promise Palace Square was in an uproar, and everyone was talking about it!

This Yue Feng actually colluded with the Rakshasa clan? Before that, she also blasphemed the Empress Chang’e, what a scum of the rivers and lakes!

“Yue Feng!”

At this moment, Su Li walked out quickly, pointed at Yue Feng and scolded: “You have really been thrown into the face of our Kyushu mainland, you have blasphemed Chang’e before, and you were beaten away by my master. He secretly colluded with the Rakshasa clan and came to destroy the Supreme Assembly. It is not a pity for a person like you to die a hundred times.”

“Kyushu Continent, there is such a scum!”

“Ma De, I was really blind before. It’s a shame that I respected him so much before!”

“Collaborating with the Rakshasa is simply too abhorrent, this kind of person, no need to talk nonsense, must get rid of it as soon as possible!”

At this moment, many people present pointed at Yue Feng, and they were full of righteous indignation!

Yue Feng ignored the scolding of these people, but stared at Jade, Mad, this Jade, and blatantly slandered himself, which was extremely hateful.

However, even if he is the city owner of Xuanshi City, there is still Mona on it. Without Mona’s advice, he has no courage at all.

Could it be….Mona is going to attack the Kyushu mainland?

No, although Mona has a cold and arrogant personality, she knows right from wrong and is not that kind of person.

For a time, Yue Feng frowned, unable to figure out what to do.

“Yue Feng!”

At this moment, Zhang Jiao took a deep breath and said coldly to Yue Feng: “Even if you call the Rakshasa clan, it won’t change the fact. Today, neither you nor your comrades will be able to leave!”

Said At this point , Zhang Jiao raised his hand and waved: “Take Yue Feng to me!”

Zhang Jiao had consumed a lot of internal energy after fighting with Yue Feng for so long just now. At this time, he just wanted to relax and regain some strength. Moreover, in Zhang Jiao’s eyes, he didn’t pay attention to people like Jed at all.

“Take down Yue Feng!”

At the same time, Su Li gave a coquettish cry, her delicate body flashed, and came directly towards Yue Feng, at the same time, a long sword appeared in her hand: “Such a wicked man People, there is no need to hesitate.”

Hu La!

At this moment, many people around responded and swarmed towards Yue Feng.

Seeing this scene, Long Qianyu and Ye Zhixin were so anxious that they wanted to rush over to help, but there were many enemies in front of them, so they couldn’t rush forward at all.

Bunch of fools.

Seeing Su Li and the others rushing up, Yue Feng was furious.

These Rakshasa people came uninvited, and there must be something strange, but these people believed that they colluded with the Rakshasa and led them here.

Um?

However, before rushing to Yue Feng, Su Li suddenly trembled, her brows furrowed, and she stood there all of a sudden, her delicate face extremely ugly.

Strange, I was fine just now, why is my body so soft now that I can't exert any strength?

Moreover, the internal force could not be released. It seemed that there was a strange force that suppressed Dantian. Obviously, he was poisoned!

Surprised, Su Li only felt that she couldn't even stand.

Not only that, but the expressions of many people around Su Li also changed. Like Su Li, they also felt that their internal strength was suppressed, which was very strange!

How could this be? I don't even know when I was poisoned.

Chapter 2800

Swish!

In the next second, the eyes of Su Li and many others focused on Jade. When they appeared, there was a strange black mist around them, which must be related to their poison.

"Why are you looking at me like this?" Jade said with a smile on his face.

"Despicable and shameless!" Su Li bit her lip and said ruthlessly: "If you know that you can't beat us, you secretly poison us. You Rakshasa people also say that we people from Kyushu are cunning, and you yourself are not much better."

"Haha… .."

Jed looked up to the sky and laughed, not at all angry: "Whatever you say, yes, the poison was given by me, so what can you do with me?"

When he said this, Jed was very proud. , The poison was specially given by Hades before departure, called 'Ghosts and Gods May Cry', no one in the Kyushu continent can solve it, and that's why Jed is so calm and calm.

Mad!

At this moment, Yue Feng also frowned secretly, and only felt a sense of numbness that kept coming. This feeling was very strange, and it was completely different from the poison he had suffered before.

What a powerful poison, where did Jed get it?

Thinking to himself, Yue Feng kept himself calm, and kept mobilizing his inner strength to resist the attack of the poison. At this time, Yue Feng was about to break through and reach the state of psychic power. Resisting this poison would not be a problem for the time being.

At the same time, Zhang Jiao not far away, like Yue Feng, was urging his inner strength to expel poison quietly.

“Jade!”

At this moment, Yue Feng took a deep breath and said coldly to Jade: “Hurry up and hand over the antidote. No matter what the purpose of bringing people here, before the situation deteriorates, I will I advise you to turn around quickly.”

“Tsk tsk…”

With a sly face, Jed shook his head with a smile: “Sect Master Yue, Sect Master Yue, you gave me this poison, why did you ask me to hand over the antidote?”

“Also, our relationship has been exposed. , I advise you not to keep pretending.”

When he said this, Jed’s face was sly, since he had slandered Yue Feng, he locked it in the black to the end, anyway, since he broke away from the Rakshasa clan, he was not afraid of Mengna’s blaming.

Hearing this, Yue Feng was extremely shocked.

Ma De, this Jed is insidious and cunning, he is not defeated by Zhang Jiao at all, and all the poisoning can be blamed on himself.

Swish!

At this moment, everyone’s eyes were focused on Yue Feng.

“Yue Feng, are you really colluding with the Rakshasa clan?!” Ye Ziyi bit her lip, looked at Yue Feng complicatedly, and couldn’t help but said.

At the same time, Long Qianyu, Zheng Chunqiu and others also frowned at Yue Feng. They have also been mobilizing their internal strength and secretly expelling poison, but their strength is not enough, and they can't bear it at this moment.

call!

At this moment, Yue Feng was about to cry, but shook his head and said: "This person is obviously slandering me, don't believe me, I am upright and upright, how can I collude with the Rakshasa."

Hearing this, Ye Ziyi, Zheng Chunqiu, etc. People looked at each other and felt relieved. It's not like Yue Feng.

"No matter what the situation is, the most important thing now is to leave here first." Long Qianyu looked around, very determined, but after saying the last word, Long Qianyu's expression suddenly changed.

At this time, Long Qianyu clearly felt that he tried his best to stimulate his inner strength, but he still failed in the end. His dantian was invaded by the poison, and he couldn't exert any inner strength. At the same time, his whole body was soft.

At the same time, the expressions of Ye Ziyi and the others around them also changed, and their delicate bodies trembled.

"It's such a strong poison, I can't stop it!"

"Me too…"

Saying that, everyone slumped on the ground, completely losing their defenses.

For a while, in the audience, apart from Jed and others, the only ones who could stand there were Yue Feng and Zhang Jiao.

Like Yue Feng, Zhang Jiao has deep internal strength and can temporarily block the invasion of the poison, but even so, the situation is not optimistic.

The ultimate husband in Chinese chapter 2801-2810

Chapter 2801

Hahaha…

Seeing this scene, Jed was full of pride and couldn't help shouting: "Come on, take Zhang Jiao down for me!"

After speaking, he didn't forget to point at Yue Feng He shouted: "Sect Master Yue, if you can catch this group of people today, I will give you a credit."

Jed saw that Yue Feng seemed to be fine, but in fact it wasn't much better, so just ignore him for the time being and wait for the whole thing. After catching Zhang Jiao and these people, deal with him properly.

Whoops!

At this moment, the people behind Jade burst out one after another, rushing towards Zhang Jiao and everyone.

Among them, the brothers Zang Shuiyue and Zang Huoyue walked towards Zhang Jiao at the same time without any hesitation.

In their hearts, Zhang Jiao, like Yue Feng, is not only powerful, but also cunning. As long as they catch him, they can control the situation.

Mad!

Seeing the Zang Shuiyue brothers flying over, Zhang Jiao sneered, with anger and arrogance flashing in his eyes: "Just the two of you want to deal with me?"

Om!

The voice fell, and a terrifying aura burst out from Zhang Jiao's body, and for a moment, the surrounding air seemed to be stagnant.

The breath of the gods, the suppressed people panic!

"Crack!"

With a crisp sound, the opening axe was tightly held in Zhang Jiao's hand. In an instant, the temperature of the surrounding air suddenly increased a lot!

This chapter is provided by . Visit for daily update.

Seeing this scene, many people below are inexplicably excited!

Zhang Jiao used the Heaven-Opening Axe, which will definitely turn the situation around!

Not only that, but the expressions of the Zang Shuiyue brothers also changed, and then Zang Shuiyue calmed down and shouted: “Second brother, use the Shuangjue Formation quickly!

” , in mid-air, the front and back attacking force formed by Zhang Jiao.

Um? This… what kind of formation is this?

At this moment, Yue Feng, who was thinking about countermeasures below, was shocked when he saw the two figures of Zang Shuiyue.

He clearly saw that the Zang Shuiyue brothers, even though there were only two of them, were incomparably mysterious, and the Yin evil aura that permeated their bodies was stronger than before.

What shocked Yue Feng even more was that there was no record of such a formation in the white formation.

At this time, Yue Feng did not know that what the brothers Zang Shuiyue displayed was the ‘Earth Demon Shuangjue Formation’ taught by Hades, which was founded by Hades himself. For thousands of years, it has never appeared on the continent of Kyushu, let alone It was Yue Feng, even if Emperor Hou Yi was reborn and Yang Jian was present, there was no clue.

What?

Zhang Jiao was also terrified. The formation in front of him seemed to be performed by only two people, but it was extremely mysterious.

But under the shock, Zhang Jiao didn’t panic at all. He kept waving the opening axe and tried to rush out, but was entangled by the brothers.

For a time, Zhang Jiao was temporarily restrained. However, with the opening axe, Zhang Jiao was still very brave, and the Zang Shuiyue brothers tried their best to suppress him.

Mad!

Seeing this scene, Jed’s indifferent face suddenly became solemn.

“Zhang Jiao, you don’t have to struggle!” The next second, Jade roared, grabbed a ghost-headed knife, and rose into the sky, fighting Zhang Jiao with Brother Zang Shuiyue.

For a time, I saw four figures, constantly shuttled in mid-air, and a terrifying aura burst out continuously, causing the world to change color.

Huh..

Seeing this scene, everyone below was trembling.

Chapter 2802

Mad!

At this moment, Yue Feng was also staring at the battle in mid-air, with countless thoughts running through his mind.

It’s too strange for Jade’s group to come, and it’s unbelievable that their strength has grown so fast after not seeing each other for a while. No matter what the other party’s purpose is, if everyone present falls into their hands, it must be a near death, and they must stop it.

But…. Zhang Jiao is not a good person, he has been killing himself before, how can he help him?

But if you don’t help, it will be too late when Jed has the situation.

Thinking of this, Yue Feng’s heart was in a mess, because he clearly felt that under the attack of the strong poison, the inner strength of his dantian showed signs of disorder and would soon be unable to withstand it.

Nima, why is this poison so powerful? You must know that you have a physique that is invulnerable to all poisons.

At this time, Yue Feng didn’t know that the ‘Ghosts May Cry’ that Jade used was not from the Kyushu continent at all, but from the ghost world.

Um?

However, at this moment, Yue Feng’s eyes suddenly fell on Chang’e at the entrance of Wuji Hall.

I saw that Chang’e stood there quietly, serene and charming, with no expression on her beautiful face, as if everything in front of her had nothing to do with her.

Moreover, Yue Feng clearly felt that everyone present was affected by the poison, but Chang'e had nothing to do with it.

what happened?

Chang'e wasn't poisoned?

Thinking to himself, Yue Feng couldn't help being curious and quickly approached Chang'e.

Yue Feng knew that Chang'e was controlled by Zhang Jiao, but as long as he could find a way to deal with the poison from Chang'e, he might be able to turn the situation around.

Yue Feng did not know that Chang'e was called a fairy in the world by the world. In addition to her impeccable appearance, her physique was also a 'cloud body and wind body', which was rare for thousands of years. Hard to affect her.

"Niangniang!"

Soon, Yue Feng turned to Chang'e and said, "Do you remember me?"

However, Chang'e didn't hear anything, didn't react at all, didn't even look at Yue Feng. After Zhang Jiao took control, Chang'e only obeyed Zhang Jiao's orders.

Seeing this scene, Yue Feng was extremely anxious.

Swish!

At this moment, Zhang Jiao, who was fighting fiercely in mid-air, saw this scene, his expression changed, and he shouted without hesitation, "Kill him!" The

voice fell, and Chang'e's eyes suddenly locked on Yue Feng.

"Kacha!" The

next second, accompanied by a crisp sound, a sword appeared in Chang'e's hand. This sword is full of brilliance, and the blade is three feet and one inch long, shining like a star and moon.

It was Chang'e's personal weapon, the Xingyue Sword!

As soon as this sword came out, the spiritual energy of heaven and earth in the entire secret room suddenly gathered!

What the hell! Star Moon Sword!

Feeling Chang'e's explosive breath and the power of the Xingyue Sword, Yue Feng was startled and extremely shocked.

laugh!

In the next second, Yue Feng didn't have time to think about it, and quickly summoned Fang Tianhua Ji, which was placed across his chest to block Chang'e's blow!

"clang!"

The Xingyue Sword and Fang Tianhuaji collided violently, making a loud noise, Yue Feng was shaken back several steps, and a mouthful of blood spurted out!

To be honest, although Yue Feng's strength has reached the late stage of the Tribulation Realm at this time, but Chang'e has been practicing in the Holy Sect for three years, and her strength is not what it used to be. In addition, Yue Feng has been affected by the highly poisonous, so naturally it is not Chang'e. opponent!

"Om!"

At this moment, Chang'e slowly raised her hand, and a strong fluctuation of internal force reverberated in the surrounding air.

"Xingyue reversal."

Chang'e's red lips opened slightly, and four cold words slowly came out of her mouth. His eyes flashed with murderous intent, without the slightest emotional fluctuation.

After being controlled, Chang'e has no ability to think for herself at all. At this time, she only knows that if the master wants to kill the person in front of him, he will do his best to complete the mission.

The reversal of the moon and stars is one of Chang'e's unique skills, and it is extremely powerful.

Chapter 2803

In an instant, the air suddenly split in front of her! One after another sharp blades like stars and moons appeared around her! Those sharp blades are all transformed from internal force, and they are extremely sharp.

"Death!" Chang'e shouted coldly.

Whoosh whoosh!

Countless sharp blades pierced through the air, as fast as lightning, and arrived in front of Yue Feng in the blink of an eye!

What the hell! How could Chang'e's unique skills be so powerful?

At this moment, Yue Feng panicked completely, and quickly activated his inner strength to form a protective film in front of him!

"Dangdangdang!" In the

next second, the sharp blade hit the protective film, making a metal crash sound. Immediately afterwards, Yue Feng, snorted, flew out backwards, and finally fell into the Promise Hall, smashed on a pillar, and landed heavily.

Although the sharp blade did not shatter the protective film, its power was too strong, and Yue Feng was already injured by the shock.

Whoosh!

Chang'e was expressionless, clenched the Xingyue Sword tightly, and chased after him directly.

Yue Feng struggled to stand up, wiped the blood from the corners of his mouth, tilted his head to see the throne of the Promise Hall, there was a secret door, and he rushed over without thinking.

To be honest, Yue Feng didn't want to run away in such an embarrassment, but he had no choice. He was affected by the poison and couldn't defeat Chang'e at all.

In the blink of an eye, Yue Feng rushed into the secret door.

Chang'e didn't hesitate, her delicate body flashed, and she followed closely behind.

I go!

Soon, after entering the secret door, Yue Feng was stunned when he saw the scene inside.

As you can see, this is a long secret passage that leads directly to the mountain behind the imperial city. Obviously, when the palace was built back then, it was a specially constructed escape route to prevent accidents.

call!

The next second, Yue Feng reacted, and seeing Chang'e chasing after him, he rushed towards the depths of the dark passage without thinking too much.

Pfft!

Before he ran a few steps, he saw a black shadow in front of him. Yue Feng didn't have time to react, he slammed into it all at once, and fell on his back to the sky.

"Oh, what the fuck."

The black figure was also hit hard, and sat on the ground, scolding: "Which one doesn't have eyes?" After saying that, he looked towards Yue Feng.

Yue Feng also raised his eyes and looked at him?

Um? Zhu Bajie?

At this moment, seeing the other's face, Yue Feng was both surprised and happy.

The person in front of him was none other than Zhu Bajie, but instead of his usual suave and suave appearance, he was dressed in rags and dirty, which was horrible to watch.

"Fuck!"

At this moment, Zhu Bajie was stunned for a while, then laughed loudly: "It turned out to be Brother Yue Feng!"

"Brother Zhu, why are you here?" Yue Feng asked curiously.

This…

Zhu Bajie scratched his head with an embarrassed look on his face: "Don't mention it, it's not that bastard Zhang Jiao…" After being caught by Zhang Jiao before, Zhu Bajie was imprisoned until the Supreme Assembly was held. At that time, Zhu Bajie was transferred to the prison of Beiying Palace.

Half an hour ago, Zhu Bajie escaped quietly without anyone noticing. He had been imprisoned in the Beiying Palace for thousands of years before, and he was familiar with the environment of the palace. He quickly found this secret passage. I met Yue Feng.

Shasha…

As he was talking, he heard footsteps behind him, and then a slender figure appeared in sight, it was Chang'e who was chasing after him.

"Huh? Chang'e…"

Seeing Chang'e, Zhu Bajie's body froze, and his eyes immediately straightened.

At this moment, Chang’e also saw Zhu Bajie, but without the slightest fluctuation on her face, she quickly locked on Yue Feng again!

It’s over, Chang’e is chasing after him so quickly!

Chapter 2804

At this moment, Yue Feng was so anxious. Afterwards, he was ready to let Zhu Bajie be careful.

“Empress Chang’e!”

However, before Yue Feng could speak, Zhu Bajie stood up, walked two steps, and said to Chang’e with a smile, “Oh, I didn’t expect that the empress is still so charming after so long.”

When he said this, Zhu Bajie looked at Chang’e up and down with a fascinated look on his face!

To be honest, Zhu Bajie also noticed that something was wrong with Chang’e, but he was naturally lustful, and when he saw Chang’e’s beautiful face, he couldn’t help but tease!

What the hell!

Seeing this scene, Yue Feng was sweating profusely, and at the same time couldn’t help laughing.

This Pig Bajie is really daring, what time is it, and he hasn’t forgotten to flirt with Chang’e.

Swish!

However, at this moment, Chang’e’s pretty face was cold, without any hesitation, she held the middle sword tightly and stabbed directly at Yue Feng.

Chang’e was very fast, and saw a flash of cold light, and the long sword was in front of Yue Feng’s eyes in the blink of an eye.

What the hell!

Seeing this scene, Zhu Bajie was taken aback.

what’s going on? Don’t Yue Feng and Chang’e have a good relationship? Back then, Yue Feng helped Chang’e avoid Yang Jian’s pursuit, and later escorted her to the Holy Sect. How could she be like an enemy at this time? What to do without saying anything?

Yue Feng’s expression also changed.

Chi!

Even though Yue Feng responded quickly, the Xingyue Sword still cut a hole in his shoulder, and blood dripped in an instant.

“Brother Yue Feng, what’s the matter?”

At this time , Zhu Bajie reacted and couldn’t help shouting: “I heard before that you went to the Holy Sect to forcibly take Chang’e away, and you still had bad intentions for her. Is it true?” Bajie has been imprisoned by Zhang Jiao, but with his wisdom and wisdom, he still heard a lot of information from the guards in the cell.

At this time, Zhu Bajie thought that Yue Feng had blasphemed Chang’e, so Chang’e would attack him.

I….

Hearing this, Yue Feng’s face turned red and embarrassed.

In the next second, Yue Feng said, dumbfounded, “Brother Zhu, do you also believe the gossip? That was Zhang Jiao deliberately slandering me…” While explaining, Yue Feng avoided Chang’e’s attack.

However, this passage was too narrow to be moved at all. At the same time, Yue Feng felt that the poison that he had inhaled before was spreading faster and faster in his body, and he could no longer hold it.

In this case, Yue Feng’s speed is getting slower and slower, especially in the face of Chang’e’s attack, he is in a hurry.

Uh…

Zhu Bajie scratched his head and smiled embarrassedly: “I’ve thought about it too much, I know that my brother is not that kind of person. But why did Chang’e kill you?”

“She was controlled by Zhang Jiao! “Yue Feng responded quickly? !

What?

Hearing this, Zhu Bajie’s heart was shocked, and he carefully observed Chang’e, and as expected, there was something wrong with Chang’e in front of him.

In shock, Zhu Bajie was about to step forward to stop him, but after being locked up for too long, his internal strength had not fully recovered, and Chang’e burst out with all his

strength, and the Xingyue Sword was extremely sharp, so Zhu Bajie couldn't get close at all.

How to do?

Seeing that Yue Feng was getting more and more embarrassed, and he was about to die under Chang'e's sword, Zhu Bajie couldn't be more anxious.

In the next second, Zhu Bajie suddenly had an idea, and shouted at Chang'e: "What is the situation in the four seas, who knows in Kyushu, throw away all the good and evil, and Sauvignon Blanc…"

Saying this At that time, Zhu Bajie raised his heart to his throat and kept an eye on Chang'e's expression changes.

Chapter 2805

At the same time, Zhu Bajie is also praying secretly in his heart, it must be useful…

shuh!

Hearing these words, Chang'e's delicate body trembled, and she stood there all of a sudden, with a bit of confusion on her beautiful face, and then she frowned, as if recalling something.

What the hell!

Seeing this scene, Yue Feng was stunned. what's going on? Why did Zhu Bajie recite a few lines of poetry and Chang'e didn't move?

At this time, Yue Feng did not know that the poems Zhu Bajie read were written by Emperor Houyi for Chang'e. He wrote a love poem for Chang'e. At that time, Zhu Bajie was also present.

Although Zhu Bajie is lustful, she has always been greedy for Chang'e's beauty, but she also knows that Chang'e has a deep love for Hou Yi, even if she is controlled by others, but as long as she recites the poems written by Hou Yi, it will definitely affect her inner emotions.

However, Chang'e was used by Zhang Jiao to capture the soul. Although her memories were aroused at this time, she was not completely awake.

A few seconds later, Chang'e's delicate body suddenly trembled, looking very painful.

"Quick!"

Seeing this scene, Zhu Bajie couldn't help shouting: "This is the time, Brother Yue Feng, stop him!"

Hearing this, Yue Feng was embarrassed: "How can I… Ah?" Chang'e was controlled by Zhang Jiao, and I don't know what method to use for the time being, what if the acupuncture point is closed and Chang'e's situation deteriorates?

Seeing that Chang'e was trembling more and more, Yue Feng didn't have time to think about it, and as soon as he gritted his teeth, he rushed over and hugged Chang'e in his arms.

hiss!

At that moment, Yue Feng only felt an aroma coming to his face, it was so fragrant!

"Who asked you to hug her?" Zhu Bajie stomped her feet in a hurry. This is the goddess in her dreams, but she was actually hugged by Yue Feng?

Yue Feng was very helpless: "I haven't figured out her situation yet. If I don't hold her, there is no other way."

"Let me see…"

Zhu Bajie murmured and walked over.

Um? !

When he got to the front, looking at Chang'e's face, Zhu Bajie frowned secretly: "I'm going, this seems to be controlled by someone, like a vicious method!"

Zhang Jiao's soul-snatching method has never been performed in front of the world before, so Zhu Bajie didn't understand the means at this time, but he could see that Chang'e was being controlled by someone.

"Is there a solution?" Yue Feng asked, holding Chang'e in his arms, sweating profusely.

Um?

As soon as he finished speaking, Yue Feng sensed a murderous aura coming from his arms and turned his head to meet Chang E's shameful and angry gaze.

"Niangniang, are you awake?" Yue Feng was very happy, and at the same time he spoke, he let go of his hand.

Snapped!

As soon as she finished speaking, Chang'e raised her jade hand and slapped Yue Feng in the face.

"Yue Feng, you…you are so bold!" Chang'e's beautiful face was extremely red, and she couldn't help but let out a coquettish cry. At the same time, he did not forget to glance at Zhu Bajie, very puzzled.

The dignified fairy in the world was actually held in his arms by Yue Feng.

And… why is Zhu Bajie here?

Yes, at this time, Chang'e woke up, but she didn't know anything about what happened before. Chang'e only knew that after she was taken away by the fake Yue Feng, she met Zhang Jiao, and she didn't know anything after that.

Yue Feng covered his face and wanted to cry without tears.

Nima, what kind of thing is this? I was forced to hug Chang'e, but I was slapped.

Thinking of this, Yue Feng smiled bitterly and said, "Niang Niang, you are being controlled by Zhang Jiao. You were going to hunt me down just now. If I didn't hold you, I would have been stabbed to death by you."

After speaking, Yue Feng couldn't help but said: " What did Zhang Jiao do to you?"

The ultimate husband in Chinese chapter 2806-2810

Chapter 2806

When he said this, Yue Feng looked urgent.

As long as you know what means Zhang Jiao has used by Chang'e, there is a way to solve it.

At the same time, Zhu Bajie also looked closely at Chang'e, waiting for her answer.

Zhang angle?

Hearing this name, Chang'e frowned, her mind suddenly chaotic.

Chang'e and Zhang Jiao were in a master-servant relationship after being cast on the Soul Deprivation Technique. In this case, when she suddenly heard Zhang Jiao's name, Chang'e had a hard time calming down.

Um!

Soon, Chang'e let out a soft moan of pain, her delicate body trembled again, and her eyes became cold and hollow again.

Nima!

Seeing this scene, Yue Feng was startled, and at the same time was furious.

What method did Zhang Jiao use? Is it too evil to even mention his name in front of Chang'e? ! As soon as I mention Zhang Jiao's name, I will lose my mind again….

Pop!

At this moment, Zhu Bajie also frowned secretly, then rushed over and raised his hand to seal Chang'e's acupuncture points. Seeing Chang'e's delicate body trembling, her eyes were tightly closed, and she fainted directly.

"Brother Zhu!" Yue Feng was stunned for a moment, and couldn't help but say, "You need to tap her acupuncture point, you are not afraid…"

Before he could finish speaking, Zhu Bajie interrupted.

This chapter is provided by . Visit for daily update.

"Brother Yue Feng, her mind has been controlled, and acupuncture can't affect her life." Zhu Bajie gave Chang'e a deep look and said solemnly: "If you want Chang'e to be completely fine, you can only go to Shennong."

Shennong?

Hearing this, Yue Feng smiled bitterly.

Three years ago, after the war between Kyushu and the Rakshasa ended, Shennong and Zhu Rong left the Ouyang family and found a place to hide from the world. No one knew where they were.

Thinking to himself, Yue Feng couldn't help but say: "Who knows where Senior Shennong is now?"

"Buzhou Mountain!" Zhu Bajie said without thinking: "Although the place where Shennong lived in seclusion was destroyed by Yang Jian, I believe that if he wants to escape from the world and return to seclusion, he will still return to Buzhou Mountain."

Hearing this, Yue Feng nodded secretly, then thought of something, and said bitterly: "It's just that Buzhou Mountain is too big, I'm afraid that it will be very difficult for a while. It 's hard to find senior Shennong.

” After speaking, Yue Feng said to Zhu Bajie: “Brother Zhu, why don’t you take Chang’e to find Shennong, I can’t leave for the time being!” After saying the last sentence, Yue Feng couldn’t help but watch A glance at the direction.

I don’t know what’s going on in the Promise Hall.

Although Zhang Jiao was not worthy of sympathy, Long Qianyu, Ye Ziyi and the others were also trapped, and couldn’t just watch them fall into Jed’s hands.

“Okay!”

Seeing Yue Feng’s serious face, Zhu Bajie nodded.

At this time, Zhu Bajie still didn’t know what happened, but he knew Yue Feng, and Yue Feng wanted to stay, naturally he had his reasons.

The next second, Zhu Bajie didn’t talk nonsense, picked up Chang’e and walked towards the end of the passage.

call!

Watching Zhu Bajie walk away, Yue Feng took a deep breath, sat cross-legged on the ground, and began to expel the poison from his body.

……

At this moment, the Promise Hall is here!

The fierce battle continued. In mid-air, Jed and Zang Shuiyue brothers, as well as several hundred subordinates, tightly surrounded Zhang Jiao, and the burst of breath distorted the sky.

At this time, Zhang Jiao’s face showed a hint of weakness, but his expression was still proud.

“Roar!”

Under the constant urging of Zhang Jiao, the sound of dragon roars erupted from the opening axe, and the golden light ripped apart the world, with astonishing power!

However, to Zhang Jiao’s astonishment, many of Jed’s subordinates were wounded by the opening axe, but not a drop of blood came out, which was very strange.

Zhang Jiao didn’t know yet that Jade and the others, after allegiance to Hades, were no longer human.

hum!

Chapter 2807

At this moment, Jed raised his hand, cooperated with Zang Shuiyue and others, condensed a terrifying force, formed a black wind tornado, and rolled towards Zhang Jiao!

At this time, Zhang Jiao is already at the end of his force.

“Boom!…”

A huge earthquake came, Zhang Jiao groaned, and his figure was shaken back more than 100 meters in mid-air, his face extremely pale.

Haha…

Seeing this scene, Jed looked up to the sky and laughed, very proud, and then took out a green talisman paper from his body and threw it directly at Zhang Jiao!

Chi Chi!

The moment the talisman paper flew out, it turned into a green flame, burning a mark on Zhang Jiao’s back!

Zhang Jiao couldn’t help taking a breath of cold air. His anger was completely aroused.

“Buzz!”

These axes almost completely drained Zhang Jiao’s internal strength, and the power is also very amazing. The expressions of Jed and everyone changed, and they all avoided!

Taking advantage of this opportunity, Zhang Jiao didn’t hesitate at all, and with a flash, he rushed out of the palace and fled into the distance. In a blink of an eye, he had disappeared from everyone’s sight.

Zhang Jue is not stupid, he knows that if he continues to fight, there is only one dead end. The most important thing is to save your life.

Made!

Seeing Zhang Jiao fleeing, Jade’s face was extremely gloomy.

“Let’s chase together!”

At this moment, Zang Shuiyue roared and was about to catch up, but was stopped by Jed.

“No need to chase, I stamped the blood spirit seal on him just now, no matter how far he escapes, it’s useless!” Jade said coldly, with a sinister smile, full of confidence.

The next second, Jed looked around at everyone: “Quick, tie all these people to me!”

Hula!

The voice fell, and the surrounding subordinates rushed up, tying everyone present.

At this time, Jed looked around, and suddenly realized that there is not much, Mad, why can’t you see Yue Feng and Chang’e?

“Search! Search carefully for me!” Jade yelled in anger. Compared with Zhang Jiao, Yue Feng was a bigger threat, and Chang’e was missing with him, which was no small matter at this time.

“Yes!” The

voice fell, and the surrounding subordinates responded one after another, and then carefully searched the entire palace.

However, after searching around, he didn’t see the shadows of Yue Feng and Chang’e, which made Jade very annoyed.

Seeing that time was running out, and he had to go back to the Hades, Jed waved his hand: “Take these people away first!” After speaking, he led his subordinates and drove out Long Qianyu and all the people from the major sects. The palace!

…

the other side! Rakshasa clan residence!

In the main hall, Mona sat on the throne with clear eyebrows!

Below, the twelve gods, as well as many warriors, were silent.

A day ago, because Jed and his subordinates betrayed the Rakshasa clan, Mona sent someone to report to the Kyushu mainland. There is no news yet, which makes Mona very restless.

“Queen…”

At this moment, a warrior walked in quickly from the door, with a complicated expression, and said to Mona: “There is a Kyushu woman who asks for an interview, claiming to be Yue Feng’s little sister!”

“Come in!” Mona’s eyes flashed and she said quickly.

The voice fell, the warrior hurried out, and soon came in with a slender figure, it was Meihui!

A few days ago, Meihui and Yue Feng went to Shengzong together. At that time, Yue Feng asked her to wait at the foot of the mountain. As a result, Meihui waited for a long time, but Yue Feng did not come down to find her. Instead, there was a fight from the Shengzong Mountain Gate. Then the entire Shengzong Mountain Gate was put under martial law.

Meihui’s strength was limited, so she couldn’t force her way in, so she had to inquire about the news secretly, only to hear that Yue Feng stole Chang’e and went to make trouble at the Beiying Palace.

Although Meihui is Yue Feng’s righteous sister, she knows Yue Feng very well and knows that he is not such a person.

However, Yue Feng disappeared, and Mei Hui could not find him for the time being, and the entire Kyushu continent was condemning Yue Feng and Tianmen. In desperation, Mei Hui had to come to the Rakshasa for help.

Chapter 2808

“It turned out to be Miss Ouyang.”

Seeing Meihui, Mona smiled lightly: “Why did you suddenly come to my Rakshasa?”

“Your Majesty!” Meihui bit her lip, very anxious: “I… .. My eldest brother was framed, and I asked the Queen to help!” After speaking, he explained in detail what happened in the past few days.

What?

Knowing the situation, Mona’s body was shocked, she couldn’t help standing up, her beautiful face was very shocked: “Zhang Jiao wants to dominate Kyushu, but also frame Yue Feng?”

Mei Hui nodded, thinking of what Zhang Jiao did So much resentment.

call!

Mona pondered for a moment, then looked around: “Warriors, our Rakshasa clan has made a lot of contributions, and now he is in trouble, we can’t just ignore it, pass my order, send troops immediately, help Kyushu Continent annihilates the Heavenless Organization!” Hearing

this

, everyone in the hall looked at each other in dismay.

The next second, a magician came out and couldn’t help saying: “Queen, Yue Feng was framed by Zhang Jiao, and it is also a matter of the Kyushu Continent. Let’s intervene, I’m afraid it can’t make sense. Besides, we just fought against Jade before. Have n’t recovered yet!”

Huh?

Mona’s eyes froze, and she stared at him: “What? You dare to resist the decree?” After

saying that, Mona took a deep breath and said coldly: “I don’t understand what you said? But don’t forget, Yue Feng is our Rakshasa friend, helping him is helping us, and Zhang Jiao is very ambitious, once he controls the situation in Kyushu, the next step will be to deal with us.”

As the queen of Rakshasa, Mona It has become more and more mature in recent years.

However, she didn’t know that Zhang Jiao at this time had become a lost dog and was driven away by Jade from the Beiying Palace.

“Yes…”

Hearing this, the goddess was dripping with cold sweat, and hurriedly said: “I will call all the warriors right away!” The voice fell, and he walked out quickly.

…..

the other side!

In the Beiying Palace, in the underground passage, Yue Feng sat cross-legged, quietly cultivating and recovering.

This passage is very hidden, and it is difficult for ordinary people to find it. Even Jed’s subordinates have thoroughly searched the palace and found nothing. No one bothered, Yue Feng recovered quickly!

call!

I don’t know how long it took, Yue Feng slowly opened his eyes.

At this time, Yue Feng felt that the poison in his body had been completely expelled. Not only that, but his internal strength was also fully recovered.

Made!

However, Yue Feng was not excited at all, but rather held back his fire!

That Jade, what kind of poison is he using? It’s too domineering. His physique, which is invulnerable to all poisons, has been attacked. No, you have to go up and check the situation!

Thinking to myself, Yue Feng followed the passage and returned the same way!

Made!

Soon, returning to the Promise Hall, seeing the scene in front of him, Yue Feng frowned, very annoyed!

I saw that on the square outside the Promise Hall, there was blood everywhere on the ground, and it was almost a mess, but there was no one left!

Obviously, the battle is over, Jade and the others have left, and they have taken Long Qianyu and the major sects with them!

call!

At this moment, Yue Feng took a deep breath and frowned.

That Jade, who caught the people from the sects of the continent of Kyushu, what is he going to do? Could it be that the Rakshasa clan still wants to conquer the Kyushu continent?

Whoosh!

Just when Yue Feng was frowning and thinking, suddenly, a murderous aura erupted from behind the pillar, and then, a figure came towards Yue Feng quickly.

Anyone else?

Yue Feng reacted quickly and looked back, suddenly stunned.

Chapter 2809

It turned out to be Zhang Jiao’s apprentice Su Li.

Seeing Su Li, Yue Feng frowned immediately. This woman, because she was Zhang Jiao's apprentice, was arrogant and domineering, and did all kinds of evil, and she didn't have any good feelings for her at all.

However, Yue Feng could clearly feel that at this time, Su Li's breath was very weak, and she was obviously injured in the previous battle.

With Su Li's palm in front of her, she was about to hit Yue Feng, but Yue Feng dodged with a light flash.

Swish!

When the raid failed, Su Li's face flushed, and she glared at Yue Feng: "Yue Feng, you colluded with the Rakshasa tribe, how dare you come back?"

After being poisoned before, Su Li saw that the situation was not good, so she quietly hid until her body After the poisonousness of the man was relieved, he came out to check the situation, but he didn't expect to meet Yue Feng.

In Su Li's eyes, it was believed that Yue Feng had colluded with the Rakshasa tribe.

Nima.

Yue Feng suddenly became angry, and said angrily: "I repeat, I didn't collude with the Rakshasa clan, and I'm not in the mood to talk nonsense with you now. You'd better not mess with me!"

Seriously, Yue Feng really wanted to kill Su Li, but the most important thing right now is to find out the truth.

The last word fell, Yue Feng didn't even look at Su Li, and walked straight out of the square!

"You…"

Su Li's heart trembled as she felt Yue Feng's momentum, then she reacted and quickly chased after him.

"What are you doing with me?" Yue Feng stopped and said coldly!

Su Li took a deep breath: "I want to see where those Rakshasa people have taken them. You said you have nothing to do with them, why? Are you afraid I'll check?"

Hearing this, Yue Feng pondered and said coldly: "Okay, you can check it with me, but let's talk about the ugly first. When you encounter a situation, just look at me and act!"

When he said this, Yue Feng was very heartbroken. is complicated.

Speaking of which, Yue Feng was very conflicted with a woman like Su Li, but it was too strange for Jade and his group to appear. For the sake of the overall situation, Yue Feng could only temporarily give up his personal grievances.

“Why should I listen to you?” Su Li suddenly called out.

This person is Master’s number one enemy. If you follow his instructions, how will you meet Master in the future?

“If you don’t want to, you can check yours, and I’ll check mine.” Yue Feng said lightly.

“Okay!”

Su Li was annoyed when she heard this, but she nodded and agreed. At this time, the poison in her body had not been completely eliminated, and her strength was greatly reduced. It was too dangerous to investigate alone.

Seeing her promise, Yue Feng frowned and sneered: “Don’t think I don’t know what you think, if you want to take advantage of me, get rid of your thoughts as soon as possible!” With

that, Yue Feng walked out of the palace!

This Yue Feng is too arrogant!

Su Li was so angry, but she still hurry up to keep up!

After leaving the palace, I saw that the street outside the imperial city was still empty. Obviously, the fierce battle in the palace caused the people to panic and hide.

However, Yue Feng noticed that there were some bloodstains left on the street, and the bloodstains extended all the way, out of the north gate, towards the mountain north of the imperial city.

Upon discovering this, Yue Feng did not hesitate, and went all the way to the north.

After nearly two hours of chasing, Su Li and Yue Feng came to a barren mountain. The two stopped and looked down the mountain.

Along the way, Su Li followed closely, and she was also inexplicably shocked.

When did these Rakshasa people become so powerful that they not only forced the master to flee, but also arrested the sect of the Kyushu continent.

call!

After chasing for a few hours, Yue Feng suddenly slowed down, his expression extremely solemn.

I saw that in the woods ahead, people from the major sects in Kyushu were tied up by five flowers, and they were led by Jade's subordinates. Jade was walking in the front, holding a strange thing in his hand. Research while observing the surrounding terrain.

What is he looking for?

Seeing this scene, Yue Feng frowned and couldn't help muttering in his heart!

Chapter 2810

Wrong!

Seeing this scene, Yue Feng frowned secretly.

Jed captured the sect of the Kyushu continent, he should return to the Rakshasa clan, and the Rakshasa clan is stationed in the southwest, how did he come to this place?

Seeing the surrounding environment, Yue Feng was even more surprised.

I saw that at the end of the woods, there was a primitive valley. The three sides of the valley were ten thousand zhang high cliffs. Moreover, the valley city was very low, and the deepest part was shrouded in fog.

At this moment, seeing the fog, Yue Feng suddenly felt a sense of deja vu.

A month ago, Yue Feng was ambushed by Zhang Jiao. At a critical moment, he was brought back to Shenlong Island by the strong of the Shenlong clan. At that time, Xiandi wanted to kill him and ordered Yue Feng to be taken to a deep cave that was blessed with an enchantment. .

Yue Feng clearly remembered that the deep cave gave him a shuddering feeling at that time, and the deep aura in the valley in front of him seemed to be the same as the deep cave on Shenlong Island.

At this time, Yue Feng didn't know that Jade was no longer a Rakshasa clan. At this time, he brought everyone from the Kyushu sect to this valley to enter the soul-guiding road.

On the continent of Kyushu, there is more than one path to guide the soul. There is an entrance in the valley in front of you.

“Yue Feng…”

Just when Yue Feng was thinking about it, suddenly Su Li couldn’t help but said, “These Rakshasa people are really abominable, why don’t you hurry up and save people?”

Su Li said this. His face was anxious, and at the same time, he was a little bit charming. In her eyes, it was a matter of course for Yue Feng to show up to save people. After all, he was the Sect Master of Tianmen.

save people?

Yue Feng chuckled and couldn’t help but retort: ”The other party has a lot of people, how can I save it by myself?”

Hearing this, Su Li blushed and retorted: “I think you don’t want to save, Yue Feng, you said that you have nothing to do with these Rakshasa clan, but now that we have caught up with them, you are timid, It’s really suspicious!”

“I think you’re with them, right?” At this moment,

Nima

, Yue Feng suddenly became angry, and said coldly: “Don’t come with me like this, if you want to save people, you go Help, don’t think that I don’t know what you are thinking, your master Zhang Jiao finally set up such a big game and made a supreme assembly, which seemed to be a success, but was destroyed by these Rakshasa people, and now, you guys The Wutian Organization has also arrested a lot of people, but you are not angry, so you put the blame on me?”

Said, Yue Feng’s mouth twitched, and he couldn’t hide his mockery: “You Wutian Organization are deliberately trying to blackmail me, and the result is In the end, the bamboo basket was empty, which is called the sky has eyes!”

“You…”

Hearing this, Su Li blushed and stomped her feet angrily, but she was speechless, and then she accidentally A branch was broken.

Swish!

The movement suddenly attracted everyone from Jade, and they all looked over and howled angrily.

“Who?”

“Who’s there?”

shouting, Jed waved his hand, and suddenly hundreds of his men swarmed.

Nima!

Seeing this scene, Yue Feng was shocked and angry, and at the same time glared at Su Li speechlessly. He didn't reveal his whereabouts at first, but she was unreasonably vexed and exposed.

I knew I wouldn't take her with me.

Su Li also trembled, very panicked.

Swish!

At this time, Jed strode over, his eyes locked on Yue Feng for a moment, he was stunned for a moment, and then laughed.

"Haha…"

At this time, Jade, inexplicably excited, shouted at Yue Feng: "Yue Feng, I was thinking about how to catch you, but I didn't expect that you came to the door on your own initiative, this time Where do I see you running?"

Om!

The ultimate husband in Chinese chapter 2811-2815

Chapter 2811 When the

voice fell, Jed's inner strength erupted, and a sinister aura filled his body, rushing directly towards Yue Feng.

"Want to catch me? It depends on whether you have the ability!" Looking at Jade rushing in, Yue Feng frowned and responded coldly.

The voice fell, Fang Tianhuaji summoned out, and held it tightly in his hand, and then Yue Feng flashed and directly attacked!

But at this moment, Yue Feng was also secretly surprised.

Madd, what kind of exercise is this Jade practicing, and why does he feel so evil? Moreover, it doesn't look like the exercises of the Rakshasa clan at all.

Three years ago, a war broke out between the Kyushu mainland and the Rakshasa tribe. Yue Feng, as the commander, knew the exercises of the Rakshasa tribe very well.

But Yue Feng clearly felt that the inner strength of Jade in front of him was very different from the exercises of the Rakshasa clan. It was not only evil, but also very powerful.

"Bang!" In the

next second, Jed pulled out the ghost-headed knife and slashed it on Fang Tianhua halberd. In an instant, a huge earthquake sounded, and at the same time, a strong breath was also directed towards the surroundings. diffuse.

Yue Feng's face was dignified, and his body was shaken back ten steps.

On the other side, Jade also staggered back, retreating dozens of meters before he stopped.

shit.

Yue Feng was secretly surprised, this guy is so strong!

"Haha…"

Jed said proudly with a smug face on his face: "The famous Tianmen Sect Master in Kyushu is nothing more than that, Yue Feng, you dare to follow him alone, you really don't know whether to live or die."

This chapter is provided by . Visit for daily update.

“Zhang Jiao With the opening axe, I was beaten away by me, how much do you think you are stronger than him?”

“Obviously, let’s capture it!”

When he said this, Jed’s face was full of madness, and the power that Hades bestowed on him was really powerful.

What?

Hearing this, Yue Feng was secretly shocked. No wonder he didn’t see Zhang Jiao’s figure. He escaped. I have to say that this Jed’s strength is really too strong.

Just… where did his power come from?

“Yue Feng, it’s over!”

Just when Yue Feng was thinking about it, he saw Jade sneer and raise his hands slowly. In an instant, the dark sky turned completely dark, and the whole valley seemed to be surrounded by endless Chaos shrouded.

All this happened so fast, Yue Feng only felt that he couldn’t see his fingers, and he couldn’t see anything in an instant.

Whoosh!

At this moment, Jade’s figure suddenly appeared behind Yue Feng, with a white rope in his hand.

Yue Feng clearly felt that the white rope contained endless yin energy, which made hair stand upright.

In the next second, when he saw the material of the bones, Yue Feng was even more shocked, and he fell down in cold sweat!

What the hell!

I saw that these white ropes were all made of human vertebrae, and were engraved with cumbersome runes, which were extremely sinister.

Whoops!

At this moment, before Yue Feng could react, Jed threw the long lock and tied Yue Feng directly. In an instant, Yue Feng only felt that a thorough yin qi was coming, and his internal strength was suppressed, and he couldn’t move at all.

This…this…what is this?

Yue Feng was extremely frightened and wanted to struggle, but he didn't expect that the long white bone lock was very tough. The more he struggled, the tighter the lock became.

"Haha…"

Jed looked smug, looking at Yue Feng with a half-smile, "No need to struggle, this is called a sleepy cord, it's not something from the Kyushu continent at all, even if you have the ability to penetrate the sky, you can break free. No!"

Chapter 2812

Sleepy Lingsuo? What an evil name!

Hearing this, Yue Feng's expression changed.

And it's not something from the Kyushu mainland? Could it be that…Jede's exercises, like this sleepy Lingsuo, don't belong to the Kyushu Continent?

At this moment, Jed pulled out a dagger, walked over slowly, and sneered as he walked: "You are the sect master of Tianmen, you are powerful, and you are more cunning than others. In order to avoid you playing tricks, I have to first Your hamstring is broken, I'm sorry!" After the

last sentence fell, Jade came to Yue Feng, waved his dagger, and stabbed at Yue Feng's feet.

Nima!

At this moment, Yue Feng was so anxious that he wanted to dodge, but his body was tightly bound by the spirit cord, and he couldn't move at all.

Not only that, but Yue Feng clearly felt that the suffocating energy from the sleepy Lingsuo seemed to have affected his mind, and he was dizzy and could faint at any time.

After all, I am also a hero of Kyushu, so I am planted in the hands of people like Jed?

Yue Feng was very unwilling, and at the same time a little desperate.

Roar!

Seeing that the dagger was about to sever Yue Feng's hamstrings, suddenly, a dragon roar was heard, coming from Yue Feng's waist, followed by a breath of divine beast.

Yes, it is Xiao Xi who has been resting in the spirit beast sac. Of course, Xiao Xi took the dragon ball and is now in dragon form.

Clap la la…

The dragon roar came out, and the beasts in the entire valley panicked one by one, and finally fell to the ground, not daring to move.

Not only that, Jade's subordinates, as well as the people from the major sects, were also startled, inexplicably shocked.

This… this cry, what kind of divine beast?

hum!

It was at this moment that the air in front of Yue Feng suddenly distorted, and then accompanied by a shock, a figure two meters long appeared in front of everyone.

It is a dragon, although it is only a young dragon, but the momentum of the world-defying world still makes everyone present feel a strong pressure.

"Roar!"

At this moment, without any hesitation, Xiao Xi let out a wild roar, waved his dragon claws, and burst out two powerful thunder and lightning powers, heading straight for Jed!

Because of the relationship between Yue Feng and Xiaolong, there is a special induction between Yue Feng and Xiaolong. In addition, Xiaolong's soul is Xiaoxi, so when she realizes that Yuefeng is in trouble, Xiaoxi does not need to summon, and rushes directly from the spirit beast bag. came out.

In Xiao Xi's eyes, Yue Feng is his only relative in this world, and he will never allow anyone to hurt him.

I go!

Seeing the thunder and lightning erupted from Xiaoxi, Yue Feng couldn't help opening his mouth, excited and shocked.

As expected of a dragon, or a young dragon can display the power of lightning, if it is an adult, wouldn't the strength be even more terrifying?

This…

At the same time, Jade's face changed drastically. He never thought that there was still a dragon hidden in Yue Feng.

Seeing that the two lightning bolts were about to hit him, Jed didn't have time to think, he quickly activated his inner strength, and saw a black mist permeating out, instantly forming a black protective film in front of Jed.

Chill!

In an instant, lightning struck the protective film, and a crackling sound was heard, the protective film shattered instantly, and Jade groaned, and was knocked back a dozen steps!

Soon, Jed steadied his footsteps, and saw black marks cut out on his body, which did not cause much damage.

What?

Seeing this scene, both Yue Feng and Xiao Xi were stunned and shocked.

This Jade, the defense is so strong?

"Hahaha!"

Looking at Yue Feng's expression, Jed looked up to the sky and laughed, with an extremely arrogant expression: "Do you think you can reverse the situation if you have a dragon? Let me tell you, in this world, people who can hurt me are still Before I was born, from today, I will be the ruler of the entire Kyushu, and you will be the first stepping stone on my road to success!"

Chapter 2813

Laughing, Jed's whole body filled with black air again, and then rushed towards Yue Feng quickly.

"Roar!"

At this moment, Xiao Xi let out a loud roar, her eyes were extremely blood red, and she was also angry, lightning flashed all over her body, she went up to meet her, and she waved her dragon claws and patted Jed directly.

"Haha!"

Seeing Xiao Xi rushing up, Jed's face was full of disdain: "A dragon who is not yet underage dares to be presumptuous in front of me?" Take you down first, and then deal with Yue Feng!

“Bang Bang!”

For a time, Xiao Xi and Jade fought continuously in mid-air, the surrounding world changed color, and thunderclouds rolled.

It has to be said that Jed has obtained the power of Hades, and his strength is very powerful. Ten minutes later, Xiao Xi could not suppress it at all. On the contrary, under the invasion of the evil spirit around Jed, the speed is getting slower and slower. .

“Xiaolong, be careful!”

Seeing this scene, Yue Feng was so anxious that he couldn’t help shouting.

Until now, Yue Feng did not know that the soul of the young dragon in front of him was Xiao Xi. In his heart, Xiao Xi was already dead!

Even if he didn’t know it, Yue Feng was very moved when he saw that this young dragon was desperately protecting him at a critical moment.

It’s just that the evil spirit on Jed’s body is so powerful, how could Xiaolong be an opponent?

Anxious, Yue Feng looked around and saw that Su Li, who had come with him, was hiding behind a large rock in the distance, her eyes flashing, and she had no intention of coming up to help.

Nima!

At this moment, Yue Feng’s temperament is not good. This woman is indeed Zhang Jiao’s apprentice. She is cunning and treacherous, and she can’t count on it at the critical moment.

At this time, after seeing the young dragon in front of him for a long time, Jed was also a little anxious.

“Come on, pick out Yue Feng’s hamstrings for me, and bring them into the soul-inducing road!” Jed yelled angrily.

Whoops!

The voice fell, and the surrounding subordinates rushed towards Yue Feng.

At this moment, both Yue Feng and Xiao Xi were in a hurry!

“Om!”

However, at this moment, a ray of light came from a distance, and when it came to the front, it turned into a charming figure and stood in front of Yue Feng.

puff puff!

In the next second, those who rushed up felt a strange force coming towards their faces, and before they could react, they were shaken out one by one.

The visitor was a woman in her mid-twenties, wearing a long lavender dress, with a graceful and charming figure, beautiful facial features, flying skirts, and a fairy spirit permeated her body.

hiss!

At this moment, everyone present was stunned.

This… who is this woman?

Yue Feng was also stunned, staring blankly at the woman in front of him, unable to speak for a long time.

Yue Feng can clearly see that this woman has a beautiful face, even if she is standing with Chang'e, she is not inferior. More importantly, she has a special temperament that does not eat human fireworks. This fairy temperament is more than Chang'e. Be pure.

"You!" Finally, Jed

reacted and locked the purple-clothed beauty coldly: "Who are you? Dare to interfere in my affairs, are you not afraid of death?"

.

Jed clearly felt that there was a strange power in this woman, and this power seemed to restrain his own evil power.

At this moment, when Jed stopped, Xiao Xi rushed over and tried to bite off the sleepy cord on Yue Feng's body, but the sleepy cord was very tough and kept biting at all.

"A little scoundrel under Hades, doesn't deserve to know my name!" The purple-clothed woman spoke lightly, her voice soft and cold, but unquestionable.

Chapter 2814

Swish!

Hearing this, Jed's face flushed and he was very annoyed, but he was shocked by the momentum on Zi Yan's body, and he didn't know how to deal with it for a while.

Hades?

Hearing the conversation, Yue Feng was startled and looked at Jade closely.

This… This kid is from Hades?

Wait, what kind of existence is Hades?

While murmuring in his heart, Yue Feng still smiled at Zi Yan and said, "Thank you for begging, and dare to ask the girl's name."

"Just call me Zi Yan!" Zi Yan responded lightly, not looking at Yue Feng at all, but staring closely. with Jed.

Zi Yan? Good name!

Yue Feng sighed in admiration secretly, and wanted to speak, but seeing Zi Yan's indifference, he held back.

At this time, Jed took a deep breath, looked at Zi Yan's eyes, showing a bit of dread: "Since you know that I am a subordinate of Hades, don't meddle in your business!!"

"Go away!" Zi Yan responded coldly !

At this moment, Jed was completely furious. Mad, he was not even afraid of Zhang Jiao and Yue Feng. If he was timid in front of a woman, how could he stand in Kyushu in the future?

More importantly, I have been ordered by Hades to bring all the powerhouses of these sects in Kyushu into the underworld. I have succeeded more than half of the time, and I must not give up. Otherwise, how to deal with Hades?

Thinking to himself, Jed gritted his teeth and roared: "I don't know how to praise, since you are looking for death, then I will fulfill you, but I want to see, what skills do you have!"

Om!

When the voice fell, Jed's inner force exploded, rushing directly towards Zi Yan.

At this moment, feeling the evil spirit of Jade Zhou Sheng, Zi Yan did not panic at all.

call!

Seeing this scene, whether it was Yue Feng or the other men present, all eyes were straight.

This Zi Yan, both in appearance and temperament, is not inferior to Chang'e. At this time, she is fighting fiercely with Jade in mid-air, and her sexy and charming figure is completely exposed, which makes people intoxicated.

While admiring, Yue Feng also muttered secretly.

Who is this Ziyan? Not only is the figure agile and elegant, but the power he exerts is also very strange. It is the first time that he has seen him for so many years after his debut.

In the blink of an eye, a few minutes passed, and I saw that Jade was suppressed by Zi Yan, and he only had the power to parry, and there was no chance to fight back.

Yue Feng looked inexplicably excited.

As long as Jade is subdued, the captured sects will be saved one by one.

"Ah…"

But at this moment, Jie De Yangtian roared, his eyes became scarlet, and he stared at Zi Yan: "The strength is very strong, but it seems that it is not enough to win me! " When the

voice fell, Jed took out a pill from his body and swallowed it directly!

Gudong!

The moment he swallowed the elixir, he saw Jade's body doubled in size all of a sudden, more than three meters tall, like a giant, with blue veins all over his body, and the whole body was surging with black air, like a giant. Like a demon from hell.

What the hell!

Seeing this scene, Yue Feng was startled, what was this method?

That black medicine pill, there is no record in Wuji Danshu, could it be… also given to him by Hades?

What kind of existence is this Pluto?

"Nine ghosts evil pill?"

At the same time, Zi Yan was also shocked, her beautiful face became solemn, and she couldn't help exclaiming.

That's right, what Jed takes is the Nine Ghost Pill, which is exclusive to Hades. After taking it, he can temporarily increase his skill tenfold, which is very overbearing.

"Go to hell!"

At this moment, Jade roared, his body like a hill, rushing directly towards Zi Yan.

hum!

At this moment, Zi Yan did not hesitate, raised her jade hand, and deployed a protective film in front of her.

Um?

At this moment, Yue Feng clearly saw that on the protective film deployed by Zi Yan, there were inscriptions shimmering with light one after another. Under the blessing of these inscriptions, the protective film's defense was very powerful.

Chapter 2815

Obviously, these inscriptions are a kind of spell seal, which can strengthen the defense of the protective film.

"Boom"

Jed's figure has changed a lot, and his speed has also improved a lot. In the blink of an eye, he is in front of Zi Yan, with the ghost-headed knife in his hand, slashing hard on the protective film, and there is a violent explosion of breath, thousands of people around Within meters, dust and smoke filled the air.

In the dust and smoke, Zi Yan's figure was knocked back dozens of meters.

Whoosh!

And while the dust and smoke hadn't completely dissipated, Zi Yan endured the pain, turned around, rushed over, grabbed Yue Feng, flew up, and headed out of the valley.

"Roar…"

At this moment, Xiao Xi let out a cry, and hurried to catch up. The figure turned into a streamer and entered the spirit beast sack on Yue Feng's body.

Xiao Xi could feel that Zi Yan had no ill will towards Yue Feng, but just after fighting with Jade for a long time, Xiao Xi was very weak, so she just got into the spirit beast sac and immediately rested.

In the blink of an eye, the figures of Yue Feng and Zi Yan disappeared from everyone's sight.

Made!

Seeing this scene, Jed's eyes flashed with endless anger, and his face was extremely ugly.

He was able to catch Yue Feng at first sight, but unexpectedly, a mysterious woman suddenly appeared and rescued him.

the other side!

Huhu….

The wind whistled in his ears, Yue Feng saw the scenery of the mountains and forests below quickly retreating, and at the same time, because of the sleepy rope tied to his body, he only felt that his mind was getting heavier and heavier.

"Where are you taking me?" Yue Feng couldn't help shouting.

Zi Yan glanced at him and said lightly, "Don't talk yet! You'll find out later!" The tone was soft and cold, beyond doubt.

What the hell!

Facing Zi Yan's coldness, Yue Feng was speechless.

Soon, Yue Feng only felt that the feeling of drowsiness became more and more serious. At last, when it got dark, he didn't know anything.

call!

I don't know how long it took, Yue Feng slowly woke up, only to feel that his head was swollen and his body was weak.

Yue Feng couldn't help but patted his forehead, Nima, that Jade's practice is too evil.

Um?

In the next second, Yue Feng found that the sleepy cable on his body was untied at some point, and then he looked around. Immediately stunned.

I’m going, where is this?

I saw myself on the top of a mountain, and I didn’t know how high it was. I saw a sea of clouds around me. In the distance, the afterglow of the setting sun dyed a golden glow on the sea of clouds.

Looking down, there are clouds and mists, and I can’t see the end.

What mountain is this? It broke through the clouds?

Seeing this scene, Yue Feng’s heart skipped a beat, extremely shocked!

“Awake?” At this moment, a soft and pleasant voice came from the side, with a bit of arrogance at the same time, it was Zi Yan.

Yue Feng turned his head to look, and saw Zi Yan was holding the sleepy rope in her hand, her beautiful face was very solemn.

“This…”

Yue Feng took a deep breath and couldn’t help asking, “What is this place?”

“The top of Kyushu, Kunlun is the top!” Zi Yan’s red lips lightly opened, she said eight words softly, and then tilted her head to look at Yue Feng: “I heard that you are the hero of Kyushu, why? You won’t even be the top of Kunlun. Don’t you know?”

Kunlun is supreme?

Hearing this, Yue Feng couldn’t help being shocked.

As the sect master of Tianmen, Yue Feng of course knew that Kunlun was supreme.

The Kunlun Mountains, located on the border of the Apocalypse Continent, are the highest mountains in Kyushu, especially the Kunlun Mountains, which are tens of thousands of meters high and very steep. They are surrounded by cliffs. It is very difficult for ordinary people, even cultivators, to fly up.

It is said that there is a powerful barrier on the top of the Kunlun Mountains. This barrier can only be passed through unless you reach the spiritual realm. Therefore, for thousands of years, very few people have actually reached the top of the Kunlun Mountains.

Speaking of which, Yue Feng also wanted to come over to Kunlun Jue Ding to have a look, but he has been troubled by trivial matters and had no chance, but he did not expect that he was brought up by this Zi Yan.

call!

A few seconds later, Yue Feng reacted, looked at Zi Yan and asked curiously, “What did you bring me here for?”

The ultimate husband in Chinese chapter 2816-2820

Chapter 2816

Facing Yue Feng's question, Zi Yan did not answer immediately, but looked at him up and down.

A few seconds later, Zi Yan's eyes flickered, and she said with emotion: "I didn't see it just now. You seem to be ordinary, but you have received the inheritance of Empress Nuwa."

Huh!

Hearing this, Yue Feng's face changed, and he was secretly shocked.

He and Lu Lingshan, in the secret passage below the Beiying Palace, came across the crystal secret room where Nuwa was practicing, and they had never told anyone about this.

Moreover, the exercises given by Empress Nuwa had just been practiced and had not yet reached a certain level. Unexpectedly, the words in front of her could be seen at a glance.

Who is she?

Thinking to himself, Yue Feng couldn't help but ask: "Who the hell are you?"

Zi Yan smiled lightly and said slowly: "I don't belong to the Kyushu Continent, I was sent by the Divine Realm, you can call me Zi Yan, or you can call me Zi Yan. I am the Nine Heavens Saintess."

Nine Heavens Saintess? What is this name?

Hearing this, Yue Feng's brain was buzzing, completely confused.

"God's Domain is another world, completely superior to Kyushu." Zi Yan's beautiful face was full of seriousness: "From ancient times to the present, the supreme powerhouses in Kyushu will soar after their strength breaks through the realm of the gods. Go to God's Domain. I said so, you should understand."

It turned out to be the case.

Yue Feng's eyes flashed, and he nodded suddenly, and at the same time, he was also somewhat excited.

It turns out that this Ziyan is from the God Realm. If you say that, Senior Guiguzi and Mother Nuwa are all in the God Realm?

This chapter is provided by . Visit for daily update.

“Since you’re from Empress Nuwa, then I’ll take you to the Heavenly Spirit Realm to have a look.” Just when Yue Feng was secretly excited, Zi Yan said softly.

hum!

As soon as the words fell, Zi Yanyu raised her hand, and a sacred aura burst out. Then, she saw that a dozen stone pillars suddenly appeared on the top of the Kunlun Peak, which was empty.

This….

Seeing this scene, Yue Feng was stunned.

There are still stone pillars hidden around here, is it a formation?

Yue Feng saw that these stone pillars are ancient, and each one has experienced at least ten million years.

“Don’t be surprised!”

Seeing Yue Feng’s stunned look, Zi Yan said lightly: “This is just a teleportation array.” As the voice fell, Zi Yan’s figure flew up, and her jade hand was placed on the pillar in the middle.

At the same time, Zi Yan raised her hand and waved, and a ribbon suddenly flew over, wrapping Yue Feng.

“Hey…”

Zi Yan shot quickly, Yue Feng didn’t react at all, just after he said a word, he saw a dazzling light erupt from the teleportation array, completely shrouding the two of them.

At this moment, Yue Feng only felt that his whole body was light and fluttering, the surrounding light was dazzling, and he couldn’t see clearly at all. The only thing he could feel was the bursts of fragrance from Zi Yan’s body.

Pfft!

A few minutes later, Yue Feng felt that his feet were on the ground, and the surrounding light disappeared, so he opened his eyes subconsciously.

At this time, in front of Yue Feng, there was a place like a fairyland, with high mountains and flowing water, and the scenery was pleasant. Not far away, there was a mountain peak, and a pavilion could be vaguely seen on the mountain peak.

And the grass in front of him is full of exotic flowers and plants.

There was a gust of wind blowing, which was intoxicating.

beautiful!

what place is this? So beautiful! It's simply a wonderland!

Chapter 2817

At this moment, Yue Feng was stunned, and he couldn't come to his senses for a long time. Could it be… Is this the realm of the gods that Zi Yan said?

Thinking to himself, Yue Feng said: "This is the realm of the gods?"

"This is not the realm of the gods, but the spirit realm!" Zi Yan replied softly: "It's where I stay!"

Huh!

Hearing this, Yue Feng took a deep breath, looked up, and saw that on the mountain peak in front of him, dragons and phoenixes danced a few big characters 'Mitian Spiritual Realm'!

Heavenly Spirit Realm?

What is this place?

Yue Feng couldn't help but be shocked and puzzled.

Seeing his expression, Zi Yan said softly: "Mitian Spiritual Realm is an independent space, a place that connects God's Domain and Kyushu."

After saying that, Zi Yan looked at the pavilion on the mountain with a hint of expression on her face. Feeling: "The supreme ruler in the God's Domain is the Emperor of Heaven. The Emperor of Heaven is in charge of the laws of heaven and earth, and our Nine Heavens Saintess were sent by the Emperor of Heaven to guard Kyushu."

Us?

Hearing this, Yue Feng scratched his head, and then asked subconsciously, "Do you still have companions?"

Zi Yan nodded: “Yes, there are nine saintesses in the Nine Heavens, and I am just one of them, nine of us, stationed here. In this Heavenly Spirit Realm, it has been thousands of years, and the duty is to maintain the balance of heaven and earth in Kyushu!”

Phew!

Yue Feng couldn’t help taking a deep breath and looked around: “But, it looks beautiful here, but it’s deserted, and I don’t see anyone else!”

When he said this, Yue Feng was very puzzled, Zi Yan It was said that there were nine of them, but they were brought in by Zi Yan, but none of them showed up.

Could it be…. something happened to the Mitian Spirit Realm?

“You guessed it right!”

Seeing Yue Feng’s expression, Zi Yan said softly: “Ten years ago, there was a situation in the Mitian Spirit Realm.”

“And the initiator is the Hades of the Ghost Realm. The Ghost Realm is the same as the God Realm. It is another world, which is what you call hell. It is in charge of the cycle of life and death in the continent of Kyushu, but King Hades is very ambitious and has always wanted to rule Kyushu!”

“The Emperor of Heaven knew about King Hades’ ambitions, so he deployed a profound formation of heaven and earth on the mainland of Kyushu, come here. Prevent Pluto’s power from infiltrating into Kyushu! This Heaven and Earth Profound Formation is the barrier between the Kyushu Continent!”

“However, ten years ago, Hades destroyed the Heaven and Earth Profound Formation, causing the formation of the Kyushu Continent to disappear, and the disappearance of the Heaven and Earth Profound Formation, not only Destroyed the situation in Kyushu, and also caused our Nine Heavens Saintess to lose contact with the Divine Realm.”

Hiss!

Hearing this, Yue Feng’s heart trembled, and he couldn’t help but take a deep breath, but he couldn’t calm down for a long time.

It turned out that the enchantment between the continents of Kyushu disappeared back then, and there were so many things hidden behind it, and it was actually related to God’s Domain.

Muttering in his heart, Yue Feng asked, “Why did you lose contact with the God Realm?”

Zi Yan sighed lightly and glanced at Yue Feng: “You must know that the Mitian Spirit Realm we are currently in is the only one that connects Kyushu and God Realm. Moreover, the Heaven and Earth Profound Formation deployed by the Heavenly Emperor back then had its eyes in the Heavenly Spirit Realm.”

So it was!

Yue Feng nodded suddenly.

At this moment, Zi Yan continued: “After the Heaven and Earth Profound Formation was destroyed, our Nine Heavens Saintess not only lost contact with the Divine Realm, but was also trapped in the Heavenly Spirit Realm.”

“In the past ten years, we have tried many methods, but all failed. We know that recently, we successfully left the Heavenly Spirit Realm, but I and the other eight saintess were spread to different places in Kyushu and temporarily lost contact!”

“Before I I was looking for the other eight saintesses, but I came across you and the puppets of Hades!”

“I shouldn’t have told you about these things, but you are the inheritor of Empress Nuwa, with a special status, so it’s okay to tell you, Besides, I still need your help in the future!”

After saying this, Zi Yan slowly walked towards the mountain in front of her: “Let’s go!”

At this moment, Yue Feng was stunned, only feeling that his mind was in a mess, you must know Zi Yan What Yan said, the amount of information was too large, even Yue Feng could not digest it for a while.

Chapter 2818

“Follow up!”

Seeing Yue Feng standing still, Zi Yan couldn’t help urging.

“That…”

Yue Feng scratched his head and couldn’t help asking: “Since you have lost contact with the other eight saintess, the most important thing now is to find them. How can you bring me to the Heavenly Spirit Realm?”

“You I was poisoned by Hades before, and was entangled by the trapped spiritual cord. The loss of essence was serious, and only in the Heavenly Spirit Realm can I recover quickly.” Zi Yan responded slowly.

Saying that, Zi Yan glanced at Yue Feng: “After you recover, let’s get out of here as soon as possible.”

Phew!

Hearing this, Yue Feng suddenly nodded, and then quickly followed.

…..

the other side!

In the nameless valley, Jed ordered his subordinates to be optimistic about the people from the major sects, then sat cross-legged on a stone and recovered quietly.

call!

Soon, Jade breathed a sigh of relief, and his huge body gradually returned to normal. However, there was still anger in his eyes.

Mad, thought that after taking the medicine pill given by Hades, he could catch the mysterious woman, but he didn’t expect her to run away in the end. Not only that, but Yue Feng was also taken away.

However, if he caught people from the major sects in Kyushu, he could explain to Hades when he went back.

Thinking to himself, Jed stood up slowly, raised his hand and waved: “Go on!”

Whoa!

The voice fell, and many of the surrounding men immediately held the people of the major sects and slowly marched towards the depths of the valley.

call!

At this moment, Long Qianyu, Ye Ziyi and the others were inexplicably nervous.

They saw that in the depths of the deep valley in front of them, where the dense fog filled the air, there was an unfathomable black hole, and a cold air was constantly permeating from the black hole, making people shudder.

Where are these people going to be taken?

“Hey!”

Finally, Ye Ziyi couldn't bear it anymore, and shouted at Jie Dejiao, "Where are you taking us, I'll tell you, let us go quickly, otherwise, you will die without a burial. Earth."

Ye Ziyi's face was full of anger when she said this.

When the words fell, Long Qianyu also said coldly: "Yes, don't forget our identities. Did you think of the consequences of doing this?"

Haha…

Hearing this, Jade couldn't help laughing. When I got up, I didn't panic at all: "Consequences? I'm not afraid of any consequences. When you enter the Soul Path, you will no longer be human."

"Faced with a group of dead people, what should I be afraid of?"

What?

At this moment, whether it was Long Qianyu or the other sects around, his expressions changed.

The way to lead the soul? Could it be that the black hole in front of me is connected to the legendary ghost world?

Thinking of this, while everyone was shocked, they were also a little desperate.

According to rumors, the road leading to the soul is the road that people take after death, connecting to the ghost world, and after entering the ghost world, don't even think about getting out, because the ghost world is where the dead stay.

Seeing the expressions of everyone, Jed's face flashed a hint of abuse, and he urged his subordinates to speed up.

"Jed!"

However, at this moment, a cold voice came, and then I saw a black shadow standing next to the entrance of the black hole.

The black shadow was all over his body, wrapped in black robes. Because of the dense fog, everyone couldn't see his face clearly, but they could feel the gloomy aura that filled his body.

It is the ugly ugly.

"Your Excellency the messenger?"

Seeing Wen Chou Chou, Jade was stunned for a moment, then smiled and said hello: “Your Excellency suddenly came, I don’t know what advice you have!”

Chapter 2819

Wen’s ugly dress is not recognized by others, but Jed, as a subordinate of Hades, is naturally no stranger. Moreover, the status of the messenger of Hades is special, and Jed does not dare to neglect.

Um!

Wen Chou Chou responded and said lightly at Jade: “Jie De, His Majesty Pluto did not see the wrong person, and he arrested the major sects in Kyushu so quickly.”

Hearing the praise, Jade was overjoyed, and quickly said: “For Pluto. It is my duty to share your worries with Your Majesty.”

However, at this moment, Wen Chou Chou’s words changed: “However, His Majesty Pluto has just issued a new order, and I have come to tell you specially.”

Hearing this, Jed With a solemn face: “What order!?”

Wen Chouchou looked around and pointed at Long Qianyu: “Let these people go.”

What?

Jed’s heart was shocked, and he was stunned.

Let go of these sect people? You know, in order to catch these people, I have spent a lot of effort, and now I just let it go?

Thinking to himself, Jade thought he had heard it wrong, and tentatively said: “Your Excellency the messenger, don’t joke with me. When I left before, His Majesty Pluto repeatedly explained that he must wipe out all these sects in Kyushu, how… Before

he could finish speaking, Wen Chou Chou coldly interrupted.

“Jed, the thoughts of His Majesty Pluto are not something you and I can speculate.” Wen Chouhou said coldly with an expressionless face: “Perhaps, this matter is just deliberately testing your loyalty by His Majesty Pluto, not to arrest these people.”

While saying this, Wen Chou Chou calmly glanced at Long Qianyu and the others.

That’s right, Hades didn’t order these people to be released at all, it was Wen Chou Chou’s fake orders.

When Hades asked Jed to act before, Wen Chou Chou was still imprisoned in purgatory and punished, but he still learned the situation from the ghost pawns.

To be honest, Wen Chou Chou knew that he was taking a risk. After all, Hades was powerful, but there was no way. If all the major sects were captured and sent to the ghost world, the entire Kyushu rivers and lakes would be over.

“This…”

At this moment, Jade stood there with a complicated and hesitant expression.

Wen Chou Chou’s face sank: “What? You dare to disobey His Majesty’s orders?

“

The next second, Jade waved at the surrounding subordinates: “What are you still doing? Let go.”

Seriously, after finally arresting the major sects, Jade didn’t want to let go, but there was no way, Hades’s The order has to be followed.

At this time, Jade didn’t know that he was completely deceived by Wen Chou Chou.

Whoa!

The voice fell, and everyone in Long Qianyu was untied from the ropes, but they did not leave immediately, but stood there one by one, their hearts shaking.

Aren’t these people in front of them from the Rakshasa clan? How did you become a Pluto man?

And… why did Hades arrest these people?

“Jed!”

Just when Long Qianyu and everyone were thinking about it, Wen Chouchou said to Jed: “Go back quickly, His Majesty Pluto has a new task for you!”

Jed nodded and led his subordinates into the black hole , disappeared in the blink of an eye.

call!

At this moment, Wen Chou Chou breathed a sigh of relief, Mad, finally deceived Jade.

The next second, Wen Chou Chou looked at Long Qianyu and the others: “Hurry up and get out of here, when Hades learned that you were let go, he would definitely send his subordinates to chase after you.

What?

Hearing this, Long Qianyu and others are all My heart was shocked. It turned out that the messenger of Hades just gave a false order.

But soon, everyone also reacted, and the other party was deliberately helping themselves.

“More Your Excellency! “

At this time, Long Qianyu and everyone gathered around and thanked them.

But at the same time, everyone was very puzzled. Isn’t he the messenger of Hades? Why do you want to pass down orders from Hades to help yourself?”

Chapter 2820

Just when everyone in Long Qianyu was secretly suspicious, they saw Wen Chou Chou slowly taking off the black hat on his head.

Whoa!

At this moment, seeing his face, the audience was in an uproar.

It turned out to be the hall master of the Hall of Longevity, Wen Chou Chou! ?

“You…”

Especially Long Qianyu and Ye Ziyi were all shocked and their faces were incredulous.

“Palace Master Wen, it was rumored in Jianghu that you were killed by Zhang Jiao, why…”

“Yeah, didn’t you fall into the abyss?”

Everyone’s doubts came, and Wen Chou Chou smiled bitterly!

In the next second, Wen Chou Chou said: “It’s hard to say anything, I won’t say more, you should leave now while Pluto still doesn’t know the situation!”

Long Qianyu nodded, and then said, “Aren’t you with us?”

Although he was with Wen Chou Ugly is not very familiar with him, but he is Yue Feng's sworn eldest brother, and since he and Yue Feng have a marriage contract, he is his own, so he naturally does not want him to stay alone.

Wen Chou Chou smiled bitterly, shook his head and said, "I have other things to do!" To

be honest, Wen Chou Chou really wanted to leave with Long Qianyu and everyone else, but his life was in the hands of Hades, and his whereabouts would soon be taken by Hades I know, so I can't implicate everyone.

"Okay!"

Seeing Wen Chou Chou's refusal, Long Qianyu didn't force it, nodded, and left quickly with everyone.

call!

At this moment, watching everyone's backs go away, Wen Chou Chou took a deep breath, his figure flashed and disappeared into the night.

…..

the other side.

Apocalypse Continent, the Tianji Mountains north of the Imperial City.

More than ten years ago, Duan Yu found the Heaven-Opening Axe in the depths of the Tianji Mountains, causing the heaven and earth to shake, the mountains collapsed, and the entire Tianji Mountains became a ruin.

Now more than ten years have passed, the Tianji Mountains have regained their vitality, with green trees and beautiful scenery everywhere.

In the woods in the northwest of the Tianji Mountains, there is a quiet courtyard, surrounded by a variety of flowers and herbs, and the environment is quiet.

Here, it is the seclusion place of Qin Sheng Mu Xixi.

At this time, in the main hall of the courtyard, Ren Yingying, Xiao Yuruo, and Su Qingyan were all sitting there with sad faces.

Outside, Sun Dasheng and others, sitting in the courtyard, were also downcast.

A month ago, Ren Yingying and Sun Dasheng were captured by Zhang Jiao. Later, Wen Chou Chou desperately rescued them. They finally escaped from the Wutian

Organization headquarters, and then they encountered pursuers. Fortunately, they met Mu Xixi at that time. Totally safe.

After being rescued, everyone was brought here by Mu Xixi.

Because of taking Zhang Jiao's San Gong Pills, all of them lost their internal strength and almost became a waste. Now that a month has passed, everyone has tried many methods, but the effect has not diminished in the slightest.

This matter made Ren Yingying and Sun Dasheng anxious and angry.

Zhang Jiao, an insidious villain, has harmed his own people so badly.

rustle!

At this moment, footsteps sounded outside the courtyard, and soon, two slim figures entered the courtyard, it was Mu Xixi and his apprentice Song Qian.

At this moment, Sun Dasheng and Ren Yingying hurried up to meet them.

Reaching the front, Ren Yingying said anxiously, "What's the situation outside?" Recently, Mu Xixi has been taking care of everyone, and at the same time, she is constantly inquiring about the situation outside.

Ugh!

Mu Xixi's eyes flickered, and she sighed softly.

Afterwards, Song Qian explained the inquiries in detail.

At the end of the story, Song Qian clenched her pink fist and was very angry: "That Zhang Jiao is really sinister and despicable, slandering my brother, saying that he blasphemed Chang'e, and then held a supreme conference…"

What?

The ultimate husband in Chinese chapter 2821-2830

Chapter 2821

Hearing this, everyone in Ren Yingying was taken aback. Unexpectedly, so many things happened in just one month.

Bang!

Sun Dasheng was so angry that he couldn't help but slapped the table and roared, "Zhang Jiao!!!"

Mad, this Zhang Jiao first harmed everyone, and now he framed Fengzi.

At this time, Sun Dasheng's heart was completely enveloped by anger.

The surrounding Ren Yingying was also very angry, but Ren Yingying was wise and wise, she quickly calmed down, and said softly: "The most important thing now is that we quickly restore our strength!" The

voice fell, and everyone nodded.

"Not bad!"

"Without strength, it's no use rushing us!"

"Yes, we have to restore strength!"

At the same time as the discussion, everyone's expressions turned down.

Zhang Jiao's San Gong Pills are very evil. In the past month, I don't know how many methods I have used, but none of them work. How can it be so easy to restore their strength?

Seeing this scene, Mu Xixi and Song Qian looked at each other with smiles on each other's faces.

The next second, Song Qian came over and said with a smile, "Don't panic, everyone, Master and I will go out this time to find an antidote for you in addition to inquiring about the news."

After speaking, Song Qian took out a bottle of pills from her body. The medicine came out: "These Huiling

This chapter is provided by . Visit for daily update.

Pills , we got them from the black market on purpose, they may be useful!”

Hearing this, everyone in Ren Yingying was surprised. You must know that Huiling Pill is a rare elixir to restore internal strength. It is generally difficult to obtain.

Sun Dasheng, in particular, was the first to take the medicine pill under his joy.

“Thank you for the beauty of Qin Sheng..”

Sun Dasheng smiled at Mu Xixi: “I thought I was useless. When I recover my skills, if you have any orders, just say it!” The

voice fell, and Sun Dasheng directly took out a A magic pill, he opened his mouth and swallowed it!

At this moment, the people around Ren Yingying also came over and took the Hui Lingdan to take it!

call!

With a smile, Mu Xixi quietly watched the crowd, waiting for the effect.

However, ten minutes passed, and there was no response from everyone.

How could this be?

Mu Xixi frowned, couldn’t help but ask Ren Yingying, “How do you feel?”

Ren Yingying frowned and shook her head gently: “It doesn’t seem to work!”

Ren Yingying’s eyes flashed with resentment : “It seems that we are still too optimistic. Zhang Jiao has been famous for thousands of years, and the San Gong pills he refined are not comparable to ordinary poisons.”

Mad!

The voice fell, and Sun Dasheng stood up angrily: “I’m busy again.”

How could this be?

At this moment, Mu Xixi frowned, very anxious!

In order to restore the strength of Ren Yingying and everyone, this month, I tried all kinds of methods, but in the end, all of them didn’t work. Could it be that these people are completely helpless?

Song Qian next to her was also in a hurry.

Wow wow wow…

But at this moment, I heard footsteps coming from the woods outside, and there were many people listening.

Everyone hurried out of the yard, and when they saw the scene in front of them, they were all stunned!

I saw thousands of soldiers coming quickly, wearing uniform bright armor, holding long spears, and arrogant, it was the elite of the Apocalypse Continent, the Royal Forest Army!

In front of the Imperial Forest Army, a man, riding a white horse and wearing golden armor, was handsome and looked extremely excited.

It was Yue Wuya!

Chapter 2822

“Ya’er?”

“Is it the young master?!”

At this moment, everyone reacted one after another, excited one by one.

“Ya’er!”

At this time, Ren Yingying couldn’t hide her joy, she walked over quickly, and said to Yue Wuya, “It turned out to be you, I thought it was someone from the Wutian Organization!”

This month, although Hiding in Mu Xixi’s secluded place, but Ren Yingying and others are all worried, after all, Zhang Jiao’s undead organization is too powerful.

Yue Wuya was also full of smiles: “Auntie, I finally found you!”

Just as he was talking, Yue Wuya was shocked when he noticed Ren Yingying’s state.

I saw that Ren Yingying’s face was weak, not only that, but there was no inner strength in his dantian! Not only that, but also the surrounding Sun Dasheng and others.

How could this be?

“Auntie, what’s wrong with you?” Yue Wuya asked quickly.

After leading the Yulin Army and fighting the Wutian Organization, Yue Wuya was very excited to learn that Ren Yingying and the Ouyang family had successfully escaped. In the following month, he was always looking for everyone, but it was hard to find them. But found that everyone has no inner strength. No one can accept this.

call!

At this moment, everyone's faces were gloomy, and then, Ren Yingying breathed a sigh of relief, and briefly explained the situation.

At the end of the story, Ren Yingying bit her lip and couldn't help saying sadly: "It's nothing for us to lose our inner strength, it's just a pity Brother Wen, he ended up being trapped in the general forum of the Wutian Organization in order to go out for us, and then… .. I heard that he fell into the abyss, no bones left…"

The words fell, and Sun Dasheng said with grief and indignation: "Made, this revenge will not be avenged, and I will not be human!"

Thinking of Wen Chouchou's death, Sun Dasheng could not calm down. The three brothers agreed to live and die together, but did not expect, He died so tragically, and now Fengzi's whereabouts are unknown.

At this moment, everyone around is also very angry.

At this time, they did not know that Wen Chou Chou did not really die, but became the messenger of Hades.

Bang!

Hearing this, Yue Wuya's eyes were extremely blood red, he raised his hand suddenly, and slapped a tree next to him forcibly: "Zhang Jiao, I will call you a thousand cuts!"

At this time, Yue Wuya, a The heart was completely enveloped in anger.

Although he doesn't have much contact with Wen Chou Chou, he is his father's sworn elder brother and his own uncle. Over the years, Wen Chou Chou has made so many contributions to the Jiuzhou arena, which has always been admired by Yue Wuya, but now he has ended up like this. Miserable, this made Yue Wuya extremely angry.

"Auntie, since that's the case, you all go to the palace with me." At this time, Yue Wuya reacted, looked at Ren Yingying and said seriously: "There are countless treasures in the palace, as long as I beg the royal father, the royal father I will definitely find a way to restore your inner strength!"

Yue Wuya's eyes were full of anticipation when he said this.

This…

Ren Yingying did not agree, but bit her lip and pondered.

Speaking of which, Mu Xixi, a secluded place, is not far from the Tianqi Imperial City. In the past month or so, Ren Yingying never thought of going to the Imperial City. In her heart, after the death of Emperor Tianqi, the Imperial City had nothing to do with her. .

And that King Guangping was the Emperor of Apocalypse after robbing his father's seat, and Ren Yingying didn't want to see him at all.

"Auntie!"

Seeing that Ren Yingying didn't answer, Yue Wuya was a little anxious: "Aren't you in a hurry to restore your skills?"

Hearing this, Ren Yingying subconsciously looked around and looked at Sun Dasheng and the others.

Because of old grudges, I don't want to see King Guangping, but these people, do they want to follow me and become a waste? If so, are you being too selfish?

Thinking to herself, Ren Yingying breathed a sigh of relief, nodded and said, "Okay!"

Phew!

Seeing that she finally agreed, Yue Wuya showed a smile, and quickly ordered the Imperial Forest Army to escort Ren Yingying and others back to the imperial city.

Mu Xixi and Song Qian did not follow, but left the seclusion and continued to inquire about the situation on the rivers and lakes.

Chapter 2823

….. the

other side.

The ghost world, in the hall of the Underworld!

Pluto was sitting on the throne, and his gloomy face seemed very relaxed at this time.

On the two sides below, several ambassadors and elite subordinates were neatly arranged, each with a calm expression, and the atmosphere of the entire hall seemed very relaxed.

Yes, Hades is waiting for good news from Jed.

Half an hour ago, Jade ordered someone to send back the news that he had successfully captured the various sects in Kyushu, which made Hades very happy.

As long as the major sects in Kyushu are seized, the entire Kyushu will fall into chaos, and once the Kyushu is in chaos, it will be an opportunity for Hades!

Thinking of this, Hades evoked a smile, very proud.

However, at this time, a ghost soldier walked in quickly from outside the main hall, looking flustered, and said to Hades, “Your Majesty, it’s not good!”

When he said this, the ghost soldier was out of breath and covered in cold sweat.

“Above the hall, what’s the way to be in a panic?” Pluto’s face sank, and he scolded coldly!

The next second, Hades said impatiently: “What the hell is going on?”

The ghost soldier was about to cry, obviously panicking: “This subordinate is negligent, I beseech Your Majesty to open the door!”

“What is the matter, say! “Pluto said coldly.

The ghost soldier wiped his cold sweat: “Your Majesty, that ugly man has escaped from purgatory! This subordinate is not optimistic!”

What? !

Pluto’s face changed, and he frowned: “Wen Chou Chou ran away?”

This article is ugly, his life is in his own hands, and he has the courage to escape from purgatory. Moreover, he just let him repent in purgatory, and didn’t punish him, why did he run?

“Your Majesty!”

Just when Pluto was thinking in secret, he saw Jade slowly entering the hall with Zang Shuiyue and others.

Um?

Seeing the empty space behind them, Pluto’s face became even more ugly: “Jed, didn’t you arrest the major sects? What about the people?”

Jed looked confused, stepped forward and bowed respectfully: “Your Majesty, it’s not you who let me Did you let him go?”

As soon as he finished speaking, when he saw Hades’ face, Jed suddenly had a bad idea.

It’s over… Could it be that the messenger lied to him?

“When did I let you go?” Pluto was so angry that he was furious and shouted, “Tell me, what’s going on?”

Puff!

Feeling Pluto’s anger, Jed was dripping with cold sweat instantly, knelt down, and stammered to tell the situation: “Your Majesty, this subordinate originally caught the person, but on the way back to the road of attracting souls, he encountered I thought Your Excellency the messenger…”

Bang!

Knowing the situation, Pluto’s eyes were extremely blood red, and his anger rose: “Well, you Wen Chou Chou, you dare to give false orders, come on, immediately issue a soul chasing order to arrest Wen Chou Chou, there must be no mistake.”

“Yes, Your Majesty . .”

Feeling the wrath of Hades, the envoys below responded quickly and walked out of the hall quickly.

….

On the other side, Apocalypse Continent.

Ren Yingying and everyone, under the escort of Yue Wuya, finally arrived at the imperial city!

When entering the palace, looking at the magnificent and splendid building, Ren Yingying’s heart was filled with indescribable emotion, she was a noble princess back then, but now she is so desolate!

Chapter 2824

At the same time, Dasheng Sun all looked complicated.

At that time, Emperor Tianqi held a marriage recruitment meeting for Ren Yingying. At that time, Yue Feng concealed his identity and won the double first. Later, his identity

was revealed and he was ordered to be arrested by Emperor Tianqi. When he learned of the situation, the Ouyang family immediately came to support.

Later, King Guangping suddenly appeared, killed Emperor Tianqi to control the situation, and then captured the Ouyang family and various sects.

It can be said that the Ouyang family and King Guangping had some grudges before, but at this time, under the leadership of Yue Wuya, they came to the palace to seek treasures from heaven and earth.

Soon, under the leadership of Yue Wuya, everyone entered the palace and came to Qianyuan Hall.

As soon as I stepped into the Qianyuan Hall, I saw the civil and military officials standing neatly on both sides of the hall, each with a sacred expression and a solemn atmosphere.

On the dragon chair in the main hall, sitting a tall and straight figure, dressed in a golden dragon robe, with a strong aura, and the whole body is filled with royal majesty.

It was King Guangping.

Swish!

At this moment, whether it was the King of Guangping or the civil and military officials, all of their eyes converged on Ren Yingying and the others.

How did these people come?

“Royal father.” At this time, Yue Wuya slowly moved forward and saluted King Guangping.

Speaking of which, a few years ago, after Yue Wuya let go of her hatred for Yue Feng, she originally wanted to stay in the Ouyang family, but her mother Qin Rongyin had been in the Weather Palace and had no choice but to stay with her mother.

King Guangping nodded, looked at Yue Wuya and said with a smile: “Emperor, what’s going on?”

With that, King Guangping’s eyes slowly swept over Ren Yingying and everyone.

call!

Yue Wuya took a deep breath and said slowly, “Imperial Father, Zhang Jiao set up the Wutian Organization to harm Kyushu and even persecute the Ouyang family. They were all poisoned by Zhang Jiao and lost all their internal strength!

” They came to the palace because they wanted to beg their father, the emperor, to give them the treasures of heaven and earth to help them regain their strength!”

Hearing this, King Guangping’s eyes flickered and he did not respond immediately.

At the same time, the surrounding civil and military officials were also in an uproar!

This prince is so ridiculous, the treasures of heaven and earth in the palace are owned by the royal family, how can they be given away casually? Moreover, the people of the Ouyang family in front of them had once offended His Majesty.

In particular, Ren Yingying, the daughter of the previous generation of Emperor Tianqi, was considered a sin of the previous dynasty.

“Is that so…”

Finally, King Guangping reacted and looked at Yue Wuya with a smile: “Since they are here to seek treasures from heaven and earth, but when these people met me, they didn’t show any sign of it, so they are not sincere. , why do you want to give it to them?”

When he said this, King Guangping had a smile on his face, but his eyes flashed cold.

Hearing this, Yue Wuya lowered his head, his face was very embarrassed, and then he glanced at Ren Yingying and everyone.

Made!

At this moment, whether it is Sun Dasheng, Ren Yingying and others, there is some fire.

This King of Guangping, who has been an emperor for several years, has become bigger and bigger.

However, seeing Yue Wuya’s embarrassed appearance, Ren Yingying, Sun Dasheng and the others looked at each other and chose to compromise.

“I have seen Your Majesty!”

“See Your Majesty!” In the

next second, Ren Yingying and everyone spoke in unison, and at the same time gave a deep salute to King Guangping.

In their hearts, it is already the greatest respect for them to salute King Guangping.

Whoa!

Seeing this scene, the surrounding civil and military officials suddenly couldn't help it, and they all began to criticize.

"You guys are so bold, do you just salute when you see His Majesty?"

"You don't even know how to kneel, you have no sincerity at all…"

"I don't think they are here to ask for treasures, but to despise His Majesty on purpose. ."

When everyone's anger came, Yue Wuya was a little anxious, and wanted to help Ren Yingying and others to speak, but he couldn't get in.

Chapter 2825

"Hehe…"

At this time, King Guangping slowly stood up and waved his hand: "All quiet for me!" When the

voice fell, the civil and military officials quickly shut their mouths.

The next second, King Guangping slowly walked down the steps and came straight to Ren Yingying.

Ren Yingying didn't panic at all, but looked at him calmly.

"Yingyue!"

King Guangping said slowly: "I can give you the treasures of heaven and earth, but I only have one condition, kneel down and call me Your Majesty, the treasures in the treasure house of the palace are for you to choose."

Yes, Guang Although King Ping became the emperor, he had one regret, that is, he did not get Ren Yingying's recognition. In his heart, if he did not get Ren Yingying's recognition, he was not the real ruler of Tianqi Continent.

After all, although Ren Yingying was once a princess, she also had a lot of influence in the Apocalypse Continent.

Swish!

Hearing this, Ren Yingying's delicate body was shocked, and her brows instantly frowned.

This King Guangping actually used this method to make himself recognize his identity as the emperor! If he admits it, isn't his father dead in vain?

"King Guangping." In the

next second, Ren Yingying did not hesitate at all, and said coldly: "I want me to admit that you are the emperor of the Apocalypse Continent, dreaming!" The tone was cold, without the slightest hesitation!

hiss!

The huge Qianyuan Hall was suddenly silent! All eyes are on Ren Yingying!

She.. what did she say? !

Your Majesty, the honor of the ninety-five, she is so rude!

At this moment, King Guangping's expression changed suddenly. In front of civil and military officials, who was so ignored by Ren Yingying, where would he put his face?

For a time, the atmosphere of Qianyuan Hall was extremely solemn. Civil and military officials did not even dare to breathe.

"That's right!"

At this moment, Sun Dasheng also came out and shouted at King Guangping: "Your throne is already disgraceful, you killed her father and now you let her admit that you are the emperor. , it's ridiculous."

Said, Sun Dasheng looked around and said to Ren Yingying: "What kind of treasure, don't need it, let's go!"

The other people around also nodded.

If Ren Yingying had to let go of his dignity in order to get everyone to regain their inner strength, then they would rather not have inner strength in this life.

Done!

Seeing this scene, Yue Wuya couldn't be more anxious, and whispered to Ren Yingying: "Auntie, don't be impulsive!"

Ren Yingying smiled at him: "Ya'er, I know you are kind, thank you auntie. ." After speaking, he was about to leave with Sun Dasheng and others.

At this time, Ren Yingying regretted very much. If she had known this, she should not have come to the palace with Yue Wuya.

Whoops!

However, before he walked out of the door, he saw an army of imperial guards pouring out from outside the temple, surrounding everyone at once.

“Let’s go?”

At this moment, King Guangping smiled and said: “Ren Yingying, you are a repeat offender in the imperial court, I ignored the previous suspicion and gave you a chance, but you are so rude to me, you think you can still go. Is it?”

When he said this, King Guangping had a smile on his face, but his heart was full of anger.

Since he ascended the throne, whoever saw that he was not respectful, but this Ren Yingying, who despised herself so much, could never be easily forgiven.

“Royal Father!”

Yue Wuya’s face changed greatly, and he hurried over to intercede: “Please give the sons a face and let them go.”

At this time, Yue Wuya was so anxious that he thought that after so many years, the royal father The grievances between him and his aunt have long since faded, but he never thought that such a situation would be the first to meet.

“Retreat!” King Guangping scolded coldly: “No one is allowed to plead for today’s matter, otherwise, they will be thrown into prison together!”

Chapter 2826

This…

Hearing this, Yue Wuya trembled, and then silently stepped aside.

When it was over, the father was really angry.

However, at the same time as he stepped back, Yue Wuya couldn’t help but glance at Ren Yingying, don’t worry, Auntie, I will definitely find a way to let you go.

Yue Wuya knew that in this Qianyuan Palace, it was really not good to compare with King Guangping, so he didn't argue with him for the time being. Anyway, he was the prince, and it was easy to let Ren Yingying go.

Whoa!

Soon, at the signal of King Guangping, the Imperial Forest Army poured in, tied Ren Yingying and the others, and sent them to prison.

call!

Seeing this scene, the civil and military officials in the hall all had lingering fears. The atmosphere in the hall was also extremely depressing.

King Guangping sat back on the dragon's seat, his face also gloomy.

I thought that Ren Yingying would admit it personally, so that her status as an emperor would be justified, but she did not expect that Ren Yingying had such a tenacious character that she had no inner strength at all, and dared to contradict herself.

For a time, the entire Qianyuan Hall was silent.

"Report—"

At this moment, a eunuch hurried in, with a respectful tone and a bit of panic at the same time: "Report to Your Majesty, there is news just now that the Rakshasa clan has raided Beiying Continent. The Ying Palace has captured all the sects participating in the Supreme Conference!"

What?

This chapter is provided by . Visit for daily update.

In an instant, the entire hall exclaimed.

King Guangping also changed his face, and his heart was inexplicably shaken.

A few days ago, the Tianqi royal family also received an invitation to the Supreme Conference, but King Guangping was very thoughtful and felt that this matter was not so simple, so he did not send anyone to participate. Now it seems that he guessed correctly.

What King Guangping did not expect was that the Rakshasa would suddenly intervene.

"Your Majesty!"

However, at this moment, a person slowly walked out of the hall with a solemn expression. It was Nie Yunxiao, the commander of the imperial guards!

“Your Majesty.” Nie Yunxiao took a deep breath, walked slowly to the front, sweating profusely: “I just got the news that Empress Rakshasa led the army and has entered our Apocalypse Continent, and it is less than ten miles away from the imperial city at this time! After saying this, Nie Yunxiao’s eyes flickered: “

Your Majesty, your subordinates guess that the attack of the Rakshasa clan must be related to the Supreme Conference. They have captured the major sects, and now they have sent a large army. Obviously, they want to destroy them first.” The forces of the rivers and lakes will be conquered, and then the Kyushu will be captured!”

Words!

Hearing this, the civil and military officials below immediately exploded!

“This Rakshasa clan really has the ambition of a wolf!” “

I knew this earlier. Three years ago, I

shouldn’t have had peace talks with them!”

The discussions kept coming, King Guangping’s eyes flickered, and his heart was full of anger.

“Quick!” The

next second, King Guangping suddenly stood up and shouted, “Quick, call the Royal Forest Army immediately.”

“Yes! Your Majesty!” Nie Yunxiao hurriedly responded.

A few minutes later, more than a hundred thousand Royal Forest troops quickly assembled, and under the leadership of King Guangping, they lined up outside the imperial city.

wow wow wow…

After a while, I heard the sound of horses’ hooves in the distance, and then I saw a black army coming from far to near. This army was wearing a uniform black leather armor and holding a bone knife.

It is the Rakshasa army!

The head is a woman, with delicate features and a charming figure, wearing blood-red armor, indescribably heroic, and her body is filled with a powerful queen atmosphere.

Exactly.. Mona!

Whoa!

Chapter 2827

When she was approaching, she saw the Royal Forest Army, and Mona immediately raised her jade hand. Suddenly, the army of tens of thousands of Rakshasa suddenly stopped.

In the next second, Mona's eyes fell on King Guangping, her beautiful face was very calm, and she said softly: "It turns out to be His Majesty the Emperor of Apocalypse Continent."

King Guangping was expressionless: "You Rakshasa, What is the purpose of suddenly entering my Apocalypse Continent?"

When he said this, the Imperial Forest Army behind him pulled out their long knives one by one and waited in full force.

call!

Seeing this scene, Mona did not panic at all, and smiled slightly: "You don't have to be nervous, we are just passing through the noble realm, Beiying Palace, holding the Supreme Conference, which was originally a prosperous world for thousands of years, but was betrayed by our Rakshasa clan. We are going to clear up the Rakshasa traitors."

When she said this, Mona looked sincere.

Yes, the resident of the Rakshasa clan is on the border of Kyushu. If you want to go to the Northern Ying Continent, you must pass through the Apocalypse Continent.

traitor?

Hearing this, King Guangping frowned secretly: "You mean, the people who captured the major sects have already betrayed your Rakshasa?"

"Yes!" Mona nodded: "The leader of the rebels is called Jade. , This is the city lord of Xuanshi City. He was originally highly regarded by me, but I didn't expect that this man was so ambitious that he led his subordinates to betray the Rakshasa clan."

“I heard that His Majesty is also a man of great talent and strategy, since he has gathered an army, Why don’t you go to the Northern Ying Continent with us, help me eliminate the traitors, and rescue the major sects at the same time.”

This…

At this moment, King Guangping pondered and hesitated.

“His Majesty!”

At this moment, Nie Yunxiao next to him couldn’t help but whisper: “These Rakshasa people are very cunning, their words are not credible, be careful with deceit!”

King Guangping did not respond, but his eyes flickered faintly.

At this time, Mona couldn’t wait, and said again: “If Your Majesty is unwilling to help, please withdraw the army and let us pass!”

“Let you pass?”

At this moment, King Guangping’s face was cold: “The peace talks back then At that time, it was agreed that without permission, your Rakshasa clan would not be allowed to step into Kyushu for half a step, but now, you are leading a large army and marching at the foot of my imperial city, why did you say you want to exterminate traitors?”

“You really think I am . Idiot, is it so easy to deceive?” The

last sentence fell, King Guangping suddenly drew out his sword, stared at the Rakshasa army, and said coldly: “Listen to the order of the whole army, kill these intruders. Stay, to strengthen my apocalypse!”

When he shouted these words, King Guangping’s face was awe-inspiring, but cunning flashed in his eyes.

When the Apocalypse Continent was breached by Yang Jian, King Guangping was forced to become a minister. This was an eternal shame in King Guangping’s heart, and it also deeply stimulated King Guangping.

King Guangping realized that he had to become stronger if he didn’t want to be oppressed by others. Therefore, King Guangping has been looking for opportunities to dominate Kyushu over the years, but unfortunately there has been no suitable opportunity.

At this time, King Guangping knew that the opportunity was coming. Regardless of whether what Mona said in front of him was true or false, he took this opportunity to

destroy the Rakshasa army in front of him first, and then marched into other continents….

King Guangping knew that the Rakshasa tribe Able to conquer and fight well, but the Rakshasa army in front of him is only a few tens of thousands, while his own garrison army of hundreds of thousands is several times more than the opponent, so he is not panic at all.

“kill!”

At this moment, upon hearing the order of King Guangping, the hundreds of thousands of imperial forest troops behind him let out a howl that shocked the world and rushed towards Mona.

“You…”

Seeing this scene, Mona’s body was shocked and she was furious. Then she quickly turned around and shouted: “Quick, prepare to meet the enemy!”

At this time, Mona was very angry. The sincerity can be exchanged for the understanding and support of King Guangping, but he never expected that the other party would be so ruthless.

Seriously, Mona didn’t want to fight against the Apocalypse Continent, but she couldn’t just watch the warriors die tragically.

“Kill!” The

voice fell, and the army of tens of thousands of Rakshasa responded in unison, the momentum was overwhelming, and it rushed up like a tide!

In the blink of an eye, the two armies collided head-on, and a tragic fight broke out!

“Ah!”

For a while, the screams and roars continued to sound, and the blood continued to splash, dyeing the earth red.

Chapter 2828

“Mona!”

At this moment, King Guangping’s eyes flashed with pride, and he howled: “It’s too late to surrender now, otherwise, all of you will die here!”

“We Rakshasa are not wrong, why ? Want to surrender?” Mona bit her lip and refused to give in an inch: “It’s you who ordered the attack indiscriminately, I think, you are deliberately provoking a war.”

Courting death!

Hearing this, King Guangping didn’t bother to talk nonsense, and his internal force was running, and he rushed directly towards Mona.

“Clang!”

Seeing King Guangping rushing up, Mona didn’t panic at all, her delicate body rose up, and she collided with King Guangping’s palms! Hearing a loud bang, the moment when the palms of the two sides collided, a tyrannical fluctuation of internal force swept towards the surroundings!

In the dust and smoke, I saw King Guangping and Mona, both dark and solemn, and their figures were shaken back.

Obviously, this time, no one took advantage of it!

However, in the heart of King Guangping, he was secretly shocked! You must know that the Mona in front of me has only been in charge of the Rakshasa clan for three years, and she is still a woman. I think when the Kyushu army was in the Chaos Mountains and fought against the Rakshasa clan, her strength was not outstanding, and she was still at that time. He was easily captured by Yue Feng.

And now three years later, the strength of this woman has increased so much.

At the same time, Mona was also staring at King Guangping, seemingly calm, but her heart was shaking.

As expected of the emperor of the Apocalypse Continent, his strength should not be underestimated.

Seeing the battle situation below, Mona was even more anxious. She saw that the tens of thousands of troops she brought were besieged by the Royal Forest Legion, and the situation was very passive. If it continued like this, all of them would really die here.

hum!

In a hurry, Mona gave a coquettish shout and came to King Guangping again!

“Beyond our own power!” King Guangping snorted coldly, but he was not afraid. In the blink of an eye, the two sides fought fiercely in mid-air again.

A few minutes passed, and King Guangping and Mona were at a standstill, and neither could suppress the other.

At this moment, King Guangping was a little anxious. In this battle, Tianqi Continent had a great advantage, but it was delayed by the opponent for so long. If it was spread, it would not be laughed at by the world.

More importantly, how can they dominate the Kyushu even if they can't deal with tens of thousands of Rakshasa clan?

"Give me death!"

Thinking to himself, King Guangping's eyes were extremely blood red, and he roared, directly urging the tenth layer of skill to hit Mona with a palm!

hum!

With this palm, King Guangping almost burst out with all his strength, only to see that the surrounding air was distorted under the surging palm, and the power was astonishing. Not only that, but there was a faint glimmer of golden light between the palms.

That's right, what King Guangping performed was the stunt of the Tianqi royal family's 'Sky-shattering Palm'.

The palm of the sky is a unique skill of the Tianqi royal family. Only the emperor can practice it. After King Guangping usurped the throne, he immediately practiced it. A few years later, his understanding of this unique skill has reached a very high level.

"Om!"

At the moment when the Heaven-shattering Palm was deployed, the entire battlefield seemed to be enveloped in golden light, feeling the powerful aura of King Guangping, and the two armies fighting fiercely below were extremely shocked.

"What a powerful force!"

"Your Majesty, be careful!"

At this moment, many Rakshasa warriors exclaimed!

At the same time, Mona also trembled, and a trace of panic flashed on her delicate face.

Although she is the queen of the Rakshasa clan, Mona has only been on the throne for three years. In the past three years, because she has been dealing with the relationship between the Rakshasa clan and Kyushu, it is difficult to cultivate wholeheartedly. The

fierce battle with King Guangping just now has consumed a lot of internal strength. , At this time, facing King Guangping's stunt, he suddenly panicked!

Chapter 2829

Call!

Seeing that this palm was about to hit Mona, at this moment, I saw a beautiful figure in the sky not far away, flying quickly and directly blocking Mona.

The woman who came, was eighteen or nineteen years old, charming and charming, wearing a long lavender dress, gentle and quiet, but there was an unfathomable feeling all over her body.

It was Zang Yunyue who had just been named a saint by Mona.

Ha ha!

Seeing the sudden appearance of Zang Yunyue, King Guangping was stunned for a moment, and then there was a trace of cruelty on the corner of his mouth. A young girl who dares to come forward is simply courting death.

At the same time, Mona was also taken aback: "Yunyue, don't…"

Speaking of which, although Zang Yunyue received the inheritance of her ancestor Kuafu, after all, she was too young to fully comprehend the power of her ancestors. How could it be possible? Is it the opponent of King Guangping?

However, Zang Yunyue did not panic at all, showing a smile, signaling Mona not to panic. Immediately afterwards, Zangyunyueyu raised her hand to meet King Guangping's sky-turning palm.

boom!

A violent vibration came out, and in an instant, within a hundred miles, dust and smoke were everywhere.

In the dust and smoke, Zang Yunyue was quietly suspended in the same place, while King Guangping snorted, his body was directly shaken out, and he flew more than a hundred meters before landing in a panic.

What? How is this possible?

Seeing this scene, the incomparably exhilarating Yulin Army stared wide-eyed and shocked.

At the same time, King Guangping also had a gloomy expression, staring at Zang Yunyue fiercely, terrified and furious, he could clearly feel that the sky-shaking palm of his actual battle just now did no harm to this girl at all.

Instead, he was shocked.

How could this be?

At this time, King Guangping still didn't know that Zang Yunyue in front of him looked young, but he had the inheritance of Kuafu in his body, and his strength was simply beyond his imagination.

"Your Majesty!"

At this time, Nie Yunxiao rushed over quickly, and asked with concern, "How are you?"

King Guangping shook his head, his eyes fixed on Zang Yunyue: "Take her to me!" Thinking that there are such powerful women in the Rakshasa clan, but this is the Apocalypse Continent after all, as long as you take down this woman, you will be able to control the overall situation.

"Yes, Your Majesty!" Nie Yunxiao responded, and immediately flew up, clutching a long knife, and heading straight for Zang Yunyue!

Whoosh whoosh!

At the same time, several generals in the Imperial Forest Army followed closely behind and surrounded Zang Yunyue.

"You people from Kyushu…"

Seeing Nie Yunxiao flying over, Zang Yunyue's eyes flickered, and a bit of anger showed on her delicate face: "Our Rakshasa tribe didn't have the slightest offense, but you But malicious slander, I am here today, don't you want to hurt my Rakshasa!"

Yes, because of the inheritance of the ancestors, Zang Yunyue did not follow the army, but was left by Mona to sit in the station, but Zang Yunyue Yun Yue has a quick mind and realizes that the matter of the Supreme Conference is not simple, so she follows without authorization.

As a result, as soon as they reached the imperial city of Tianqi Continent, they saw that the two armies were fighting fiercely. At that time, Zang Yunyue didn't think much, and rushed over directly.

hum!

After speaking coldly, a powerful aura burst out from Zang Yunyue's body, and in an instant, the surrounding air seemed to stagnate.

Feeling this breath, whether it was Nie Yunxiao or other generals of the Imperial Forest Army, they all gasped secretly.

This woman is young, yet possesses such terrifying power? !

Chapter 2830

But His Majesty is watching from below, no matter how strong the opponent is, he can't back down.

Thinking about it, Nie Yunxiao and the others all gritted their teeth secretly and went up to them directly, and got up with Zang Yunyue in mid-air.

It has to be said that Zang Yunyue has the inheritance of Kuafu, and her strength is too strong. Even if Nie Yunxiao and everyone join forces, they cannot suppress it. On the contrary, under the suppression of Zang Yunyue's powerful breath, everyone is in a hurry.

However, the battlefield below is not optimistic at all for the Rakshasa tribe.

There are tens of thousands of Rakshasa troops fighting against hundreds of thousands of Royal Forest Army. The disparity in numbers is too large. In addition, this is the Tianqi Imperial City, and the Royal Forest Army has a geographical advantage. Therefore, even though Zang Yunyue arrived in time, the situation was not reversed.

Ah…

Along with the shouts of killing, I saw that there were constantly warriors of the Rakshasa clan falling in a pool of blood.

Seeing this scene, Mona, who retreated to the side, trembled and was so anxious.

"Yunyue!" The

next second, Mona shouted at Zang Yunyue in mid-air: "Stop fighting, our main task is to get to Beiying Imperial City as soon as possible. We can't waste time here."

Seriously Yes, King Guangping is so insidious, Mona couldn't take this breath, but she also knew that she couldn't waste time here. Jed, in the name of the Rakshasa clan, captured the major sects, framed the Rakshasa clan, and more Importantly, Yue Feng's situation is also very critical, and he must rush over to help him as soon as possible.

At this time, Mona didn't know that the major sects were all right, and Yue Feng was temporarily out of danger.

Um!

Hearing this, Zang Yunyue nodded, raised her jade hand, and urged Nie Yunxiao and everyone to retreat.

The next second, seeing a lot of Rakshasa people lying in a pool of blood below, Zang Yunyue's pretty face was cold: "Kill my people, you will pay a heavy price!"

Om!

The voice fell, and Zang Yunyue folded her hands together to make a special hand trick. In an instant, the surrounding air suddenly condensed! A terrifying force spread from her delicate body crazily!

"Day by day!" The

cold words came out of Zang Yunyue's mouth. In the next instant, the sky and the earth changed color, and the scorching sun in the sky suddenly dimmed, and in front of Zang Yunyue, it was quickly Condensed into a huge ball of light.

Yes, what Zang Yunyue used was one of Kuafu's stunts. This stunt was able to absorb the power of the scorching sun and was extremely powerful.

"What kind of skill is this?"

"Why is the sun darkening?" In an

instant, many of the imperial guards looked up, feeling inexplicable panic in their hearts.

Standing there, King Guangping's expression changed even more, and he had a bad premonition.

It is incredible to be able to absorb the power of the sun.

And the civil and military officials in the back also whispered.

"What a strong power!"

"I remembered, there is an ancient book that records that thousands of years ago, there was a peerless strong man who could borrow the power of the sun's flames for his own use, with infinite power!"

"That one A peerless powerhouse?"

“Kaofu!”

Just as everyone was talking, they saw Zang Yunyue in mid-air, with a wave of her jade hand, a huge ball of light in front of her descended directly from the sky and smashed into the Imperial Forest Army.

“boom!”

There was an earth-shattering roar, and the ball of light blasted out a huge pit directly on the ground, and the affected Royal Forest Army did not have time to scream.

Hiss…

Seeing this scene, everyone present was dripping with cold sweat and trembling.

At this moment, King Guangping’s face was extremely gloomy, with heartache and anger.

This girl is so terrifying, she killed so many soldiers of the Royal Forest Army with just one move.

With this palm, how many soldiers of the apocalypse were shot to death!

“Do you still want to fight?” At this moment, Mona looked at King Guangping closely and said lightly.

call!

King Guangping took a deep breath, his face extremely ugly.

A few seconds later, King Guangping waved his hand unwillingly: “The whole army obeys the order and withdraws into the imperial city!” To be honest, King Guangping didn’t want to just admit defeat, but there was no way, the girl named Zang Yunyue was strong. so horrible.

The ultimate husband in Chinese chapter 2831-2840

Chapter 2831 The

voice fell, and the civil and military officials behind him and the rest of the Royal Forest Army all looked like dirt and evacuated in embarrassment.

“Nie Yunxiao!”

Just after retreating into the imperial city, King Guangping beckoned Nie Yunxiao to approach, and coldly ordered: “Immediately spread the news to other continents, saying that the Rakshasa tribe violated the agreement and invaded Kyushu!”

Although this battle Even if they were defeated, they must not allow the Rakshasa army to arrive at the Beiying Imperial City safely.

“Yes, Your Majesty!” Nie Yunxiao understood in his heart, responded quickly, and hurried to do it.

At this moment, outside the imperial city.

Seeing the evacuation of the Imperial Forest Army, Mona secretly breathed a sigh of relief, and then ordered: “You can bury the fallen warriors, then continue to set off, and be sure to rush to Beiying Imperial City as soon as possible.” The

voice fell, and the surrounding Rakshasa warriors responded in unison .

“Your Majesty!”

At this moment, Zang Yunyue came over, her beautiful face was full of complexity, and she said softly: “In order to help a Yue Feng, is this worth it?”

Just arrived at Tianqi Continent, and had a fight with the Yulin Army. Battle, and later to other continents, one can imagine.

Mona let out a sigh of relief and said firmly: “In the Kyushu Continent, only Yue Feng is the only friend of our Rakshasa clan, we must help him, and, once something happens to Yue Feng, the Kyushu Continent will be chaotic, It will be even more detrimental to our Rakshasa clan.”

Hearing this, Zang Yunyue nodded and said nothing more.

….

on the other side!

This chapter is provided by . Visit for daily update.

Kunlun is at the top of the mountain, in the secret realm of Spirit Void.

In the majestic pavilion, Yue Feng sat in a room, quietly meditating and recovering.

I don't know how long it took, Yue Feng opened his eyes and let out a breath of turbid air, only to feel relieved.

Nima, finally recovered completely.

Thinking to himself, Yue Feng looked around and was very emotional. For thousands of years, only nine saintesses from God's Domain have lived in such a beautiful pavilion. After such a long time, I don't know how they pass the time. of.

And now, the nine saintess are separated again, leaving only one Ziyan.

Thinking to himself, Yue Feng walked out of the room and went directly to Zi Yan's resting room.

"Well…"

As soon as he walked to the door of the room, he heard an intermittent low-pitched moan, revealing a trace of pain.

This voice was from Zi Yan.

What the hell!

At this moment, Yue Feng's heart was shocked, and he was stunned!

What is this Ziyan doing in the room?

Muttering in his heart, Yue Feng didn't have time to think, and gently opened the door.

hiss.

Seeing the scene in the room, Yue Feng couldn't help taking a breath, and the whole person was completely stunned.

I saw that in the fragrant and elegant room, Zi Yan curled up on the soft slump, her delicate body kept shaking, her beautiful face was extremely pale, and her expression was painful!

Apparently, at this time the rhythm of poisoning.

“You…”

Seeing Yue Feng entering uninvited, Zi Yan was shy and angry, and gently reprimanded: “”Who let you in? hurry out? “The voice is weak, but there is no doubt.

As a nine-day saint, Zi Yan has a very arrogant temperament. Even though Yue Feng is very famous in Kyushu, in her eyes, she is just an ordinary master.

Feeling Zi Yan’s anger, Yue Feng felt helpless.

However, Yue Feng didn’t leave immediately, but couldn’t help but ask: “What’s wrong with you? You’re not also poisoned by that Jade, right?”

Zi Yan bit her lip and didn’t respond.

Yue Feng guessed right, Zi Yan was indeed poisoned by Jed.

Speaking of which, as the Nine Heavens Saintess, it was easy for Zi Yan to deal with Jade according to her strength. However, before and the other Saintess, in order to get out of the predicament, it resulted in the consumption of skill. Later, when he fought against Jade, he did not expect that Jade actually took the special pill made by Hades.

It can be said that Zi Yan was completely underestimated by the enemy, so she was poisoned by Jed.

Chapter 2832

However, as a nine-day saint, Zi Yan considers herself lofty and does not plan to tell Yue Feng this. She originally thought that she could get rid of the poison by practicing and recovering, but because of her special physique, something went wrong.

“Aren’t you going out yet?”

Seeing Yue Feng standing still, Zi Yan was a little anxious: “Even if I am poisoned, you can’t help me!”

After saying that, Zi Yan glanced outside and muttered to herself Said : “It would be nice if everyone didn’t get separated. Yu Ling is incomparable, and she will definitely help me refine the golden elixir and expel

the poison…” When she said this, Zi Yan looked sad.

The jade ling in her mouth is also one of the Nine Heavens Saintess, proficient in medicine and alchemy.

Jindan?

Hearing this, Yue Feng's eyes flashed and he said, "I also know a little about alchemy. I don't know what you said about the golden pill, but is there a detailed pill recipe?"

When he said this, Yue Feng looked serious. Although Yue Feng didn't know how to refine the elixir, as long as there was an elixir recipe, it would not be a problem at all, because there were exotic flowers and plants everywhere in this secret realm, and there were all kinds of elixir ingredients.

What? You alchemy pill?

Zi Yan was stunned for a moment, looked at Yue Feng up and down, and couldn't help chuckling: "You are really outrageous, do you know what Jindan is? It is something that only God's Domain can have, and Kyushu doesn't exist at all, even if you If you know how to make alchemy, it is impossible to make it!"

In his words, he slowly scorned.

Feeling Zi Yan's contempt, Yue Feng didn't care at all, smiled and said, "How do you know if you don't try? Do you want to suffer like this forever?"

"Okay!"

Zi Yan hesitated, nodded and said, "The next door is Yu Ling's room, there is a recipe for golden elixir, if you want to try it, just go!"

Saying that, Zi Yan gritted her teeth, sat up slowly, and continued: "I will continue to try to expel the poison, don't disturb me!"

In Zi Yan's heart, even if she has the pills and materials, she does not believe that Yue Feng can successfully refine it. Jindan.

Yue Feng didn't speak, he pushed open the door and walked out.

When he arrived in the next room, he saw that the shelf against the wall was filled with prescriptions of various medicinal herbs. Yue Feng flipped through it and quickly found the medicinal formula of Jindan.

What the hell!

After reading the pill recipe, Yue Feng was secretly shocked. The things of this God's Domain are indeed much more esoteric than that of Kyushu. It's just a golden pill, and it needs a different fire to temper it.

However, he happened to have Bailian cold fire, and he was the number one strange fire in the world.

Thinking about it, Yue Feng showed a smile, found the pill furnace in the room, and then went out to collect the materials. After everything was done, he began to refine it.

Um?

At this moment, Zi Yan in the next room heard the movement, her body trembled, and she was secretly shocked.

This Yue Feng has actually started refining?

How is this possible? You must know that Jin Dan is not comparable to those medicine pills in the Kyushu mainland.

Thinking to herself, Zi Yan closed her eyes again and continued to try to expel the poison from her body. Until now, Zi Yan still did not believe that Yue Feng would succeed.

Bang!

Ten minutes later, accompanied by a breath of vibration, the golden pill was successfully refined.

Yue Feng showed a smile and took out the golden pill from the pill furnace. Then quickly entered Zi Yan's room.

This…

At this moment, when she smelled the fragrance of the golden pill, Zi Yan quickly opened her eyes, looking at the golden pill in Yue Feng's hand, her body trembled and she was extremely shocked.

Chapter 2833 Actually

… Really refined?

Yue Feng walked over with a smile: "How is it? I said, as long as there is a pill recipe, maybe I can refine it, no bragging!" After speaking, he handed the golden pill to Zi Yan.

Zi Yan took the pill without hesitation, and took it quickly. After a while, the poison in her body was completely eliminated, and her pale face slowly returned to rosy, which was very charming.

"Yue Feng!"

At this moment, Zi Yan was stunned and couldn't help asking: "How did you make it?"

Yue Feng smiled slightly: “To make a golden pill, you need a different fire, which is for others. It is a big difficulty, but for me, it is very easy, because I have the cold fire of Bailian!” The

principle is this!

Hearing this, Zi Yan nodded secretly, and at the same time her sense of Yue Feng was much better than before.

“By the way!”

At this time, Yue Feng was very curious, looked at Zi Yan and said: “That Jed’s poison is not very powerful, I have exorcised it myself, and you are a saint, how can it be so serious , do you still need Jin Dan to expel it?”

Yue Feng was very puzzled when he said this.

It stands to reason that Zi Yan, as the Holy Maiden of the Nine Heavens, should be able to expel the poison more easily than herself, how could she be better than herself? Too strange.

Hearing this, Zi Yan’s beautiful face showed a trace of embarrassment.

The next second, he gently explained: “The other party is just a scumbag of Hades, how could it be my opponent, but I was weak at the time, and I was also a rival in love.”

Saying that, Zi Yan’s eyes flashed complicatedly: “More importantly, I’m different from you, your body is Dantian, while mine is Nascent Soul, Nascent Soul is infested by severe poison, and it must be exorcised by Jin Dan. .”

Some words made Yue Feng half-understood, but he did not continue to ask.

“Okay!”

At this moment, Zi Yan smiled lightly and said, “Anyway, you have helped me a lot. Now that we have recovered our strength, we can leave the Heavenly Spirit Realm!

” Yue Feng walked out of the room.

A few minutes later, when I reached the highest peak of the mountain, I saw two huge stone formations, a pure black stone formation, and a pure white stone formation.

Yue Feng clearly saw that the black stone formation was completely destroyed. Only the white stone formation seems to work.

When it came to Qian, Zi Yan's beautiful face showed complexity, and she slowly said: "This is the teleportation formation connecting the Divine Realm. At that time, the Heaven and Earth Profound Formation in Kyushu was destroyed, the teleportation formation was destroyed, and we lost the connection with the Divine Realm. "

Not only that, but the teleportation formation connecting Kyushu was also destroyed. In ten years, we, the Nine Heavens, worked together to repair the teleportation formation connecting Kyushu. As a result, when the teleportation formation was opened, there was a problem, and the nine of us , was teleported to different places!"

Hearing this, Yue Feng nodded: "It seems that this white stone formation is the teleportation formation connecting China Unicom to Kyushu, and we will use this teleportation formation to return to Kyushu, right!"

At the thought of returning to Kyushu, Yue Feng was very anxious, walked over quickly, put his hand on the talisman in the middle of the stone formation, and stimulated his inner strength.

"Hey, don't move…"

Seeing this scene, Zi Yan's body trembled, and her beautiful face was full of anxiety: "This formation has not been completely repaired, and the steps to open the formation are very cumbersome. It's not as simple as you think."

Saying that, Zi Yan stomped her feet and wanted to step forward to stop it, but it was too late.

What? Still not fully repaired?

At this moment, Yue Feng couldn't help laughing and crying: "Why didn't you say it earlier?!"

Om!

As soon as the voice fell, a dazzling light burst out in the teleportation formation, instantly shrouding the two of them, and then, a powerful formation force raged in the air.

Chapter 2834

Rumbling ..

At the same time, there were violent roars and vibrations on the ground under their feet. Under this vibration, Yue Feng and Zi Yan were a little unstable.

Immediately afterwards, the two of them were completely surrounded by rays of light, and they only felt that they were completely transported away!

What the hell!

Yue Feng only felt that his body was light and fluttering, and at the same time he was too anxious.

I don't know how long it took, Yue Feng finally stepped on the ground.

Huh..

At this moment, seeing Zi Yan still beside him, Yue Feng couldn't help but heave a sigh of relief, but luckily the two of them didn't disperse during the teleportation.

Muttering, Yue Feng quickly looked around, and the whole person was stunned.

I saw that I and Zi Yan were on the top of a cliff, with a bottomless canyon below, and on the other side, an endless virgin forest, shrouded in poisonous fog.

This… seems to be a wild and strange realm, the edge of Death Valley.

"Yue Feng!"

At this moment, Zi Yan frowned and shouted at Yue Fengjiao, "What's the matter with you? Who told you to touch the teleportation formation? Do you know how dangerous it was just now?"

When he said this, Zi Yan was very angry. This Yue Feng was too self-righteous. Although he made a golden pill to impress him, he couldn't tamper with the teleportation formation.

Yue Feng scratched his head and said very embarrassedly: "I don't want to return to Kyushu quickly…

"

Zi Yan glared at him and turned to leave, but at this moment, she accidentally stepped into the air, only to hear her exclamation, her body did not stand firm, and she fell directly under the cliff!

Seeing this scene, Yue Feng's face changed, and he subconsciously wanted to pull her, but he didn't catch her, and fell together with Zi Yan.

Huhu…

The wind whistled in his ears, Yue Feng's body kept falling, and he was secretly surprised when he looked at the canyon below.

Yue Feng could clearly see that the canyon below was full of grass and no grass.

Not a single grass grows, it seems that there is something strange here.

At the same time, Zi Yan was also trembling, and her face was pale. Although she had just taken Jindan to expel the poison, her strength had not fully recovered.

Blame this Yue Feng!

At this moment, while Zi Yan panicked, there was also a surge of anger in her heart.

If it wasn't for Yue Feng's turbulent teleportation formation, he would not have been sent to this place, nor would he have fallen off the cliff.

"What are you staring at me for?"

Seeing Zi Yan's gaze, Yue Feng was very helpless and couldn't help but speak.

The next second, Yue Feng noticed that Zi Yan was in a very weak state at this time, and immediately knew that she was blaming herself in her heart because she was afraid.

Forget it, it's all caused by her own mistakes, and she can't be hurt no matter what.

Thinking to himself, Yue Feng took a deep breath, stretched out his hands, grabbed Zi Yan, and held her tightly in his arms.

Yue Feng thought about it, and when she fell, she would help her bear some of the shock of the fall.

"you…"

Suddenly being held in Yue Feng's arms, Zi Yan's beautiful face instantly turned red, and her heart was even more embarrassed.

As an aloof Nine Heavens Saintess, incomparably holy, at this time, she is held in the arms of a man, what does it look like?

In shame and anger, Zi Yan was about to break free, but she was falling rapidly at this time, and her weak state made her unable to break free at all.

Ding Ding Deng!

Finally, when the two of them reached the canyon, the moment their feet touched the ground, Yue Feng quickly activated his internal force to slow down the falling force, but even so, the strong inertia still caused Yue Feng to stumble back a dozen steps.

Pfft!

Chapter 2835 At the

end, Yue Feng's back slammed into the mountain wall, and it stopped, and Yue Feng also fell to the ground with Zi Yan because of his unsteady standing.

But unfortunately, Yue Feng fell on Zi Yan's body.

Hiss.. so delicious.

At this moment, Yue Feng smelled a fragrant aroma, and when he felt Zi Yan's tenderness, he was stunned and his mind was buzzing.

"You…get up!" Zi Yan was even more embarrassed, bit her lip and couldn't help scolding.

"That…" Hearing the scolding, Yue Feng reacted, and hurriedly stood up, scratching his head and explaining: "Saint Ziyan, don't misunderstand, I didn't take you to lie to you, I was looking at your strength. Fully recovered, slap you and fall…"

When he said this, Yue Feng looked sincere, but his eyes were always on Zi Yan.

I have to say that this Zi Yan deserves to be the Nine Heavens Saintess. No matter her figure or appearance, she is the best of the best, especially her detached temperament. I'm afraid that any man will find it difficult to control her.

Snapped!

Zi Yan already had fire in her heart, but when she saw Yue Feng's gaze, she couldn't help it, her eyes almost burst out with fire, and then she slapped her without warning.

This slap directly blinded Yue Feng.

Nima!

Yue Feng rubbed his face, feeling very depressed.

The temper of the Nine Heavens Saintess is too big, and she didn't do it on purpose. Moreover, she made an alchemy pill to help you before. If you don't thank you, it's too unreasonable to beat people.

“Yue Feng, I’m the Holy Maiden of the Nine Heavens, do I need your help? If you don’t… just hold me, I’ll be fine.” Zi Yan said coldly, her eyes flashing with anger.

When the words fell, Zi Yan looked around and continued: “Now that you are back in the Kyushu continent, let’s part ways.”

Speaking of which, Yue Feng’s strength is not bad, and he can refine golden pills. With his help, he should be very good. We can find other saintess soon, but after what happened just now, how can we continue to stay together?

Uh….

Feeling Zi Yan’s indifference, Yue Feng scratched his head, very helpless.

“Alright then!”

After a few seconds, Yue Feng breathed a sigh of relief, looked at Zi Yan with a smile, and said, “You helped me get out of danger before, and I refined the golden pill for you, so we can be considered a cleanup. Since you decided to separate here, I have no problem.” The

voice fell, and Yue Feng walked straight forward.

This canyon is gloomy, not a single grass grows, it is extremely strange, it is not a place to stay for a long time, it is better to leave quickly.

Zi Yan did not speak, bit her lip lightly, followed far behind, and kept observing the surrounding environment.

Swish…

Not long after walking, I heard a strange sound coming from the fog in front of me.

Hearing this voice, Yue Feng suddenly became alert, and at the same time, there was a familiar feeling. This place is located on the edge of Death Valley. Could it be…

“Sigh…”

When Yue Feng frowned secretly, he saw a huge The figure appeared in the line of sight. It was a huge black sand python.

The black sand python is exactly the beast in the valley of death. It was in the valley of death for three years in that month, and he was very familiar with the black sand python.

However, the black sand python in front of him was much bigger than the one he had ever seen before, and even the one he had seen before was about to turn into a

dragon. Yue Feng could clearly see that the black sand python was filled with an aura. Yin evil spirit.

Not only that, but the eyes are also dark red, very evil.

Nima!

Seeing this scene, Yue Feng was secretly shocked, why is this black sand python so evil? Has it changed?

“Yin evil poisonous?”

At this moment, Zi Yan also frowned, her delicate body trembled, and she couldn’t help exclaiming.

As the Holy Maiden of the Nine Heavens, Zi Yan could see at a glance that the black sand python in front of her had been poisoned by the Yin Fiend, which made it become like this. And the poisonous evil, it is the poison that Jed used to deal with everyone before, only the ghost world has it, and it is extremely poisonous.

What?

Hearing this, Yue Feng was stunned for a moment, and then he discovered that the yin and evil aura on this black sand python was similar to that on Jed.

The ultimate husband in Chinese chapter 2836-2840

Chapter 2836

Whoosh!

At this moment, he saw the black sand python suddenly raised his head, his eyes locked on Zi Yan, and then he jumped directly.

Yes, this black sand python is the yin evil and poisonous. Not only has its strength greatly increased, but it is also very sinister and vicious. Because of its intelligence, it senses that Zi Yan has a special physique and that there is a Nascent Soul in her body, so she wants to devour Zi Yan. , absorb the power of her Nascent Soul.

“You are very brave!”

Seeing the black sand python rushing towards him, Zi Yan didn’t panic at all, and rushed forward with a coquettish shout!

As a nine-day saint, Zi Yan naturally doesn’t take a giant python in her eyes.

However, at the beginning, Zi Yan was still very confident, but gradually she couldn't stand it anymore. Not long after she took Jindan, her strength had not recovered, and she just fell off the cliff again. Although Yue Feng helped her offset a lot of inertial force, this Still a little weak.

In this case, Zi Yan is getting more and more difficult, otherwise, this black sand python can easily be killed.

call!

Seeing this scene, Yue Feng did not rush forward, but stepped aside and watched quietly.

This Zi Yan is so arrogant and confident that she rashly went up to help, fearing that she would not be thanked and would be called meddling.

A few minutes later, Zi Yan's face was pale and she couldn't take it anymore.

"Hey!"

Seeing Yue Feng standing by and watching, Zi Yan was anxious and angry: "Are you still watching? Why don't you come to help?"

This Yue Feng was so disgusting that he didn't care.

This chapter is provided by . Visit for daily update.

Zi Yan's tone of command was full of flavor, which made Yue Feng very unhappy.

"Saint Ziyan…"

The next second, Yue Feng said with a smile: "You are the Nine Heavens Saintess who guards Kyushu. It's not easy to deal with a giant python. It's my turn to take action, isn't it?" As

he said, Yue Feng urged Bai Lian Leng Huo deployed a protective film in front of him to prevent himself from being infected by the poison.

Yue Feng knew very well how powerful Yin Sha was. At the Beiying Palace, Jade secretly poisoned him. All the people from the sects were caught, and he was no exception. It took a few hours to get rid of it completely. come out.

Under such circumstances, Yue Feng naturally would not act rashly.

"You…"

Hearing this, Zi Yan stomped her feet angrily, but was speechless.

Haha…

Seeing her reaction, Yue Feng showed a smile, which made you so arrogant in front of me before, and, just now, you said you wanted to leave, and now you want me to help, how can it be so easy.

Zi Yan stopped talking and concentrated on continuing to deal with the black sand python.

Hiss….

But what Zi Yan didn't expect was that this black sand python was completely fused with Yin Sha's poison, so it couldn't help but be powerful. Yan's long skirt suddenly rotted into strips, and at the same time, her face was pale, her delicate body was soft, and she was about to be unable to stand.

hiss!

Seeing this scene, Yue Feng couldn't help gasping for air, and stared at Zi Yan's curve, his eyes were straight.

This body is so sexy.

"Yue Feng, if you don't help, are you still looking around?!" Seeing Yue Feng's gaze, Zi Yan was so angry that she started drinking again.

Saying that, Zi Yan bit her lip and continued to shout: "Come here and help, you have Bailian cold fire, you can drive it away…"

Haha….

Hearing this, Yue Feng didn't immediately go up to help, but also made fun of him: "Just now let me go, now I'm in trouble, and let me help again, Holy Maiden Ziyan, your face change is better than flipping a book. It's fast, and, as I said just now, we have already cleared our grievances, why should I help you?"

When he said this, Yue Feng secretly urged Bai Lian Leng Huo, he had already decided to help, so to speak, just To tease her on purpose.

Swish!

Chapter 2837

Hearing this, Zi Yan's beautiful face turned red all of a sudden, and she whispered: "Yue Feng, I was in a hurry before, and my attitude was not good. Don't worry about it, okay?"

When saying this , Zi Yan bit her lip, her eyes full of complexity.

Seriously, as the Holy Maiden of the Nine Heavens, but bowing her head to a man from Kyushu, Zi Yan felt ten thousand reluctance in her heart, but she had no choice. The poison of this black sand python was too strong, and she couldn't stop it at all.

"Is that so…"

Yue Feng held his arms, thought for a moment, nodded and said, "Since the Holy Lady said so, then I will help you, but you have to promise me a condition!"

"What condition? "Zi Yan frowned and couldn't help asking.

Yue Feng showed a wicked smile and said slowly: "It's very simple, just call me a good brother, and I'll help you!"

What?

Hearing this, Zi Yan's delicate body trembled, and she almost fainted: "Yue Feng, don't go too far!" She is the Holy Maiden of the Nine Heavens, extremely holy, how could she call a Kyushu man brother?

Yue Feng shrugged: "I'm just calling good brother, I'm not asking you to do other things. If you don't want to, then forget it.

" Sand python, ready to take action at any time.

"You…" Zi Yan stomped her feet angrily, wanting to scold Yue Feng, but she held back, her appearance was indescribably charming.

This Yue Feng is really abominable, knowing that he is about to be unable to hold on, but he deliberately made such a request.

If I knew this earlier, I shouldn't have saved him before.

sizzle….

At this moment, the huge body of the black sand python quickly coiled up, the blood basin opened its mouth wide, and once again spewed out a poisonous mist.

Seeing the poisonous fog looming over, Zi Yan's beautiful face was instantly bloodless!

“Yue Feng…” In the

next second, Zi Yan no longer hesitated, bit her lip, and shouted at Yue Feng: “Okay… good brother, come and help!” The voice was very small, not careful Can’t hear at all.

She never thought that her dignified Nine Heavens Saintess would really be soft in front of a Kyushu man.

Um?

Seeing that she finally called out, Yue Feng nodded with a smile: “Brother, come to help you!” With a smile on his face, Yue Feng’s heart was very happy.

Haha…

This Zi Yan, as a nine-day saint, is extremely arrogant. In the end, didn’t she bow down in front of herself and let go of her dignity?

hum!

The voice fell, Yue Feng’s figure flashed, and he directly blocked in front of Zi Yan. He raised his hand and waved, and Bai Lian jumped out of cold fire, forming a huge white fireball in the air, directly hitting the black sand python.

To be honest, Yue Feng was secretly sweating when he shot.

The Yin evil poison can’t be carried by himself, but this black sand python is completely integrated with the Yin evil poison. Once Bailian’s cold fire can’t force it back, the consequences will be disastrous.

Bang!

A burst of sound came out, and the black sand python was burned by the white fireball, and a wound came out. The blood was dripping, revealing the bones of Bai Sensen.

The black sand python let out a neigh and glanced at Yue Feng with a fearful look, then quickly fled into the distance.

Seeing this scene, Yue Feng secretly breathed a sigh of relief. At the same time, there are some doubts in my heart.

How could the black sand python in Death Valley be infected with the Yin evil poison? Could it be that the strength of the Pluto has penetrated into the wild and strange realm?

Gudong!

The next second, when he looked back at Zi Yan, Yue Feng was stunned for a moment, and then he couldn't help swallowing his saliva.

Just saw that in the fierce battle just now, Zi Yan's long skirt was corroded by the poison of the black sand python, and it was almost unobstructed.

Chapter 2838

"Close your eyes!"

Feeling Yue Feng's smiling eyes, Zi Yan was so ashamed and angry that she couldn't help shouting coquettishly.

Yue Feng smiled, turned his head and didn't look at her.

To be honest, Yue Feng still wanted to tease her, but Zi Yan was the Holy Maiden of the Nine Heavens after all.

"If you don't see it, don't watch it!" In the

next second, Yue Feng turned his back to Zi Yan and said slowly, "You don't have to be so excited. Besides, if your clothes are gone, how can you find other saintess? So, you wear my clothes."

With that, Yue Feng took off his jacket.

"Don't wear it!" Zi Yan said coldly, without any hesitation.

This Yue Feng, who just took advantage of himself, how could he wear his clothes? Also, the clothes are dirty.

Ugh!

Yue Feng sighed softly and said with a smile: "If you don't wear it, don't wear it, but you must think clearly, if other people see you like this and know that you are the Holy Maiden of the Nine Heavens who is untouched by the world, how should you feel? Hearing this ,

Zi Yan bit her lip lightly, and finally took the clothes and put them on.

Zi Yan didn't want to wear Yue Feng's clothes in her heart, but she couldn't help it. She really couldn't see people like her.

"Yue Feng!" After putting on

her clothes, Zi Yan couldn't help but said, "I warn you, don't tell anyone what happened just now, and don't have any unreasonable thoughts about me, otherwise, I will never forgive me. You!"

"Look at you, you called me good brother just now, how could I have any thoughts about my sister?"

"You…"

For two days, while bickering, they walked towards the exit of the canyon.

After what happened just now, Zi Yan became cautious and no longer proposed to separate from Yue Feng.

Zi Yan thought about it. When she got to the town, she quickly changed her clothes. After all, wearing Yue Feng's coat was really awkward.

Finally, the two left Death Valley and arrived at Blackwater Town.

Um?

At the entrance of the street, Yue Feng was stunned when he saw the scene in front of him. He saw that there was a checkpoint at the entrance, and a dozen practitioners wearing uniforms were standing there, checking passers-by, all with arrogant expressions.

what's the situation?

Yue Feng frowned secretly, and then took a step forward. Zi Yan hesitated and followed behind.

"Stop!"

Before they could get to the front, Yue Feng and the two were stopped. One of the leaders said coldly, "Where did you guys come from?

" The people of the Soldier Alliance, a month ago, in order to resist the deprivation of the interests of the black market and the Huangtian transaction, the Mercenary Alliance was established, and then gradually controlled Heishui Town.

When he said this, Li Chongguang couldn't help but look at Zi Yan, his eyes straightened immediately.

I didn't expect that there are such beautiful women in such a remote area of Heishui Town.

At the same time, the surrounding companions were all staring at Zi Yan, and they were all stunned.

beautiful! How beautiful!

At this time, Zi Yan, although wearing Yue Feng's coat, couldn't hide her beautiful face and her graceful curves.

call!

Seeing Li Chongguang's eyes, Zi Yan was very unhappy, but she held back.

At this time, Yue Feng responded with a smile: "We just returned from our adventure in the wild and strange realm, please let us pass!" Yue Feng saw that these people belonged to the mercenary alliance. Although the other party was not good at words, they were still polite. respond.

After all, Ye Meng, the leader of the Mercenary Alliance, is his apprentice.

Um!

Hearing the answer, Li Chongguang looked at Yue Feng up and down, and was too lazy to talk nonsense: "If you want to enter Heishui Town, you have to pay!" His tone was arrogant and unquestionable.

Chapter 2839

"Why?" Yue Feng frowned and asked, "Heishui Town, isn't anyone free to come and go?"

Li Chongguang interrupted him coldly as soon as he finished speaking.

"That was before!" Li Chongguang said angrily: "In the past, there were no rules in Heishui Town, so fish and dragons were mixed, but now, Heishui Town is under the control of our mercenary alliance, understand? If you pay, you can pay, this is It's the rules set by our mercenary alliance, why are you talking so much nonsense?"

Phew!

Yue Feng took a deep breath, resisted his anger, and said lightly, "What if I don't pay?"

"What did you say?" Li Chongguang was stunned, his eyes suddenly turned gloomy.

At the same time, more than a dozen companions behind him also locked Yue Feng's eyes tightly, all of them looking bad.

Whoa!

Hearing the movement here, many passers-by also looked over and talked a lot at the same time.

“Who is this? Dare to challenge the mercenary alliance?”

“It’s over after paying the money, you have to be serious, there is something wrong with your brain.”

“Yeah, I don’t know whether to live or die..

” , In the eyes of everyone, Yue Feng dressed up as an ordinary passerby, but dared to challenge the mercenary alliance. Isn’t this courting death?

“Get out if you don’t pay!” At this moment, Li Chongguang reacted and shouted at Yue Feng.

Yue Feng smiled and said lightly: “Black Water City is for people who travel between Kyushu and the wild and strange realm, providing convenience, not for you to seek benefits, to set up checkpoints, do you all know?”

Ever since they separated from Ye Meng in Qingyunzong, I don’t know what happened to her, if anything happened. As for the people of the Mercenary Alliance, when their leader was not there, they started to mess up, which is really hateful.

Swish!

Li Chongguang instantly became angry, locked on Yue Feng tightly, and

shouted angrily: “You are courting death! What are you qualified to mention our alliance leader?” Tied up.”

Whoops!

The voice fell, and more than a dozen companions behind him pulled out their weapons and surrounded Yue Feng.

Seeing this scene, Yue Feng did not panic at all, because he clearly felt that the strength of these mercenary alliances in front of him was not particularly high, and they did not threaten him at all.

On the side of Zi Yan, her delicate face was also indifferent.

These people in front of them are too hateful, and it is not bad to let Yue Feng teach them a lesson!

“Stop

it all!” However, at this moment, a coquettish shout came from not far away. He was dressed in tight clothes, extremely sexy, and had a beautiful appearance. His whole body was filled with a cold and arrogant aura.

It was Ye Meng!

Whoa!

As soon as Ye Meng appeared, there was a moment of agitation around him.

Especially feeling Ye Meng’s momentum, many onlookers quickly stepped back to make way, and many men stared at Ye Meng, their eyes straight.

Is this… the leader of the mercenary alliance? So charming.

“Leader!?”

Seeing Ye Meng, Li Chongguang was stunned for a moment, then quickly walked up to meet him with a smile: “Where have you been during this time? Everyone in the alliance is looking for you, but we are worried to death.”

Said Then, Li Chongguang pointed at Yue Feng: “There is a kid who makes trouble, I will deal with it quickly, and then convene someone to pick up the wind and clean the dust for you.”

Slap!

As soon as the words fell, Ye Meng slapped Li Chongguang’s face without warning.

This slap directly knocked Li Chongguang unconscious.

The people around were even more silent.

“Leader!” Li Chongguang covered his face, very aggrieved: “Why did you hit me? What did your subordinates do wrong?”

Chapter 2840

“Crack!” Before he finished

speaking, Ye Meng slapped him again and shouted at Li Chongguangjiao: “Why beat you? I ask you, who asked you to set up a checkpoint in Heishui Town and charge passersby What?”

Ye Mengqi’s delicate body trembled when he said this.

“Leader!”

Li Chongguang called out unwillingly, wanting to cry without tears: “You are not here during this time, setting up the checkpoint is the head of each mercenary regiment to discuss together, and this kid won’t hire us at all. In the eyes of the Army Alliance, did I teach him wrong?”

Ye Meng trembled with anger: “Shut up for me, do you know that this person is me…”

Cough!

Before he finished speaking, Yue Feng quickly coughed and winked at Ye Meng secretly.

Yes, at this time, Yue Feng didn’t want to reveal his identity. Zhang Jiao framed himself and blasphemed Chang’e, and there was a lot of uproar in Jianghu. Before the truth came out, Yue Feng didn’t want to be too public.

Ye Meng is a smart woman, and she immediately understood that Master didn’t want to reveal her identity.

The next second, Ye Meng said coldly at Li Chongguang: “I tell you, this person is my honored guest. If you dare to be rude to him, you are disrespectful to me!

” Master, come see me together.”

What? !

When the voice fell, whether it was Li Chongguang or everyone around, they were all dumbfounded.

This… This kid is the VIP of the Alliance Leader? Looking at his ordinary dress, he still has such an identity! !

Li Chongguang is also completely stupid! He stared at Yue Feng blankly, speechless. He could see that the leader of the alliance he feared was standing in front of Yue Feng with a respectful face!

How is this possible? This kid has no background at first glance, how could he be a blindfolded guest?

Obviously just a door-to-door son-in-law!

“I’m sorry…” Li Chongguang was about to cry, and kept bowing to Yue Feng to apologize.

Yue Feng’s expression was indifferent and indifferent.

To be honest, if it were three years ago, Yue Feng might have taught Li Chongguang a few words, but now, facing such a snob, Yue Feng is too lazy to talk nonsense.

“Hurry up and do something.” Ye Mengxiu frowned and scolded coldly.

Li Chongguang hurriedly nodded his head and asked people to remove the checkpoint, and then went to notify the major mercenary groups.

At this time, Ye Meng showed a smile and led Yue Feng to the most luxurious hotel in town.

“Master!”

As soon as he entered the hotel room, Ye Meng changed his coldness and ran over and hugged Yue Feng’s arm: “It’s great to see that you’re all right!”

Ye Meng’s beautiful face showed a hint of embarrassment. : “I’m really sorry about what happened just now, don’t worry, I will discipline them well in the future.”

Hearing this, Yue Feng showed a smile and couldn’t help but reach out and touch Ye Meng’s head.

This…

Seeing this scene, Zi Yan, who was standing aside, was stunned.

This… the leader of this mercenary alliance is actually Yue Feng’s apprentice? I can’t see that he still has this ability.

Aware of Zi Yan’s gaze, Ye Meng let go of her hand, her delicate face showing a hint of embarrassment.

“Well…” The

next second, Ye Meng came over and smiled generously at Zi Yanluo: “This is the mistress, hello mistress, my name is Ye Meng, and I have just started apprenticeship.” The

voice fell, Ye Meng directed at Zi Yan bowed, very respectful.

In Ye Meng’s heart, Master Yue Feng is a famous hero in Kyushu, and there are many confidantes around him, such as Su Qingyan, the sect master of Wenzong, and Yingying, the public director before Apocalypse Continent, each of them is a peerless youth, and this one, Whether it is temperament or appearance, she is a goddess among the best, and she must be one of Master’s confidantes.

More importantly, this woman is still wearing Master’s jacket. If it wasn’t for his woman, how could she be so intimate?

Swish!

At this moment, Zi Yan’s beautiful face turned red all of a sudden, and she quickly defended: “You… don’t talk nonsense, I’m not your teacher!” After speaking,

Zi Yan couldn’t help but glared at Yue Feng.

The ultimate husband in Chinese chapter 2841-2850

Chapter 2841 It's

all him, let yourself wear his coat, and now people are misunderstood.

no?

Ye Meng was stunned for a moment, and looked at Yue Feng suspiciously, and was a little confused for a while.

Haha…

Seeing Zi Yan's reaction, Yue Feng was overjoyed.

The next second, Yue Feng said to Ye Meng, "You girl, how can you shout? There are so many goddesses in the world, they can't all be my women."

After saying that, Yue Feng gave Zi Yan a smile. , continued: "This is Miss Zi Yan, she is a friend of mine, wait for you to help her get a set of clothes."

Hearing this, Ye Meng snorted and hurriedly ordered the people in the hotel.

After a while, the clothes were delivered, and Zi Yan went to the next room.

"Little Dream!"

At this time, Yue Feng couldn't help but ask: "At that time, the Qingyun Sect was in chaos. I thought something was wrong with you. Where have you been during this time?"

Seeing Yue Feng mention this, Ye Meng's eyes Immediately, resentment flashed: "At that time, I fled from Qingyunzong, and I was chased by the people of the Wutian Organization. It was not until two days ago that I completely got rid of them, and then I came to Blackwater Town, ready to call the people of the mercenary alliance. , to deal with the Wutian Organization." After speaking, Ye Meng clenched her pink fist tightly and said fiercely: " Zhang

Jiao destroyed Qingyunzong and killed my adoptive father. If this revenge is not repaid, I, Ye Meng, will not be a human being."

!

Hearing this, Yue Feng took a deep breath and felt very heavy.

This chapter is provided by . Visit for daily update.

Zhang Jiao is very ambitious, he has harmed so many people, he must be eliminated as soon as possible. However, at that time, Jed led people to disrupt the Supreme Assembly, Zhang Jiao was injured and fled, and now he does not know where he is.

“Master!”

At this moment, Ye Meng stared at Yue Feng, and said sincerely: “Tianqi, I heard rumors in the rivers and lakes that you blasphemed the Queen Mother Chang’e and made a riot at the Beiying Palace, I heard it. I know that Zhang Jiao is deliberately slandering you.” “Master, I have an entire mercenary alliance under my command, as long as you say

a word, I will take someone to the main altar of the Wutian Organization, how?”

Dream’s delicate face is full of urgency.

Yes, she wanted revenge too much. Although the suzerain of Qingyunzong was not her biological father, he had cared for her since childhood and had deep feelings for her. Now he was killed by Zhang Jiao, and he couldn’t bear it.

Yue Feng pondered for a while and said slowly: “It’s useless for you to go to the Wutian Organization’s main altar now, because Zhang Jiao is missing.”

After that, Yue Feng told Ye Meng in detail about the situation at the Supreme Conference.

What?

Knowing this, Ye Mengjiao’s body trembled, and she was stunned.

Some people from the Rakshasa clan took refuge in Hades? After that, he destroyed the Supreme Assembly, not only arresting the people of the Wutian Organization, but also arresting the major sects in Kyushu?

“Then…”

After a few seconds, Ye Meng reacted and couldn’t help but ask: “Then what should we do now?

” The situation in Kyushu is getting more and more chaotic, Hades is more powerful than Zhang Jiao, so you must not act rashly.”

Saying that, Yue Feng thought: “You should send someone to inquire about the news, and at the same time, help me find the Ouyang family and Zhang Jiao. Jiao’s whereabouts, remember, don’t startle the snake.”

“Okay!” Ye Meng nodded.

To be honest, Ye Meng had a strong personality and didn’t want to be so passive, but there was no way, so he had to listen to Master’s words.

Soon, Ye Meng sent his subordinates to inquire about the news.

…

this moment, the other side!

Mona led tens of thousands of Rakshasa troops and finally reached the border of the Northern Ying mainland.

call!

At this moment, Mona looked at the direction of the imperial city, her delicate face was very calm, but her eyes showed a trace of complexity.

Just now, the spies of the advance army sent back news that the Supreme Conference had been destroyed by Jed, and Yue Feng was also missing. When he got the situation, Mona was even more worried.

Chapter 2842

“Your Majesty!”

At this moment, Zang Yunyue came over and said softly: “It seems that we are a step late, the Supreme Conference has ended, and Jed’s gang is also uncertain, and we need to find them. It’s difficult, why don’t we find a place first, set up camp, and explore the situation.”

Well!

Mona nodded: “It can only be like this for the time being.” As

she was talking, when she saw the wilderness ahead, Mona’s heart was shocked, and her expression suddenly became solemn.

Whoa!

At the same time, the Rakshasa warriors who were resting all stood up one after another and looked at each other in shock.

I saw that in the wilderness a few miles away, there was a dusty field, and there were hundreds of thousands of troops, quickly marching here. You can see that this army, the

person on the right is wearing dark red armor, and silver armor in the middle. , and the one on the right is pure black armor.

Obviously, these were soldiers from the Xicang Continent, the Beiying Continent, and the Zhongyuan Continent.

I have to say that the formation of the three continents' armies is really shocking.

what's the situation?

Why did the armies of the three continents suddenly appear here?

At this moment, Zang Yunyue next to her was also trembling faintly.

Oops, the army in front of me must have come for me.

"Alert!"

Meng Na reacted, raised her jade hand, and shouted softly.

In an instant, tens of thousands of Rakshasa warriors hurriedly lined up and waited.

Whoa!

That is, at this time, hundreds of thousands of coalition troops from the three continents have also arrived.

The leader was a burly man, wearing white armor and riding a blood-red warhorse.

Tu Shengjie, who used to be a general under Yang Jian, made great contributions with Yang Jian's expeditions.

"Encircle!"

At this moment, Tu Shengjie did not hesitate at all, waved the long knife in his hand, and shouted loudly.

In an instant, hundreds of thousands of coalition troops surrounded Meng Na.

Half a day ago, the mainland of Kyushu received a message from King Guangping that the Rakshasa tribe had invaded Kyushu, and the goal was to occupy the Beiying Imperial City.

Soon, Northern Ying Continent, Xi Cang Continent, and Zhongyuan Continent acted first to form a coalition to stop Meng Na.

“You…”

Meng Na was furious when she saw this scene, but she said politely, “I, the Rakshasa clan, have no intention of offending, but I just learned that Zhang Jiao coerced Lady Chang’e, held a supreme meeting, and slandered Yue Feng. ….”

Before he could finish speaking, he was interrupted by Tu Shengjie.

“Shut up!”

Tu Shengjie looked at Meng Na coldly, and shouted: “You led the Rakshasa army into the territory of Kyushu, and violated the original agreement, so don’t delusional quibble!”

“We all know about the Supreme Conference. Now, it was Jed of your Rakshasa clan who led people to destroy and finally captured the major sects, but you pushed everything on Zhang Jiao, this is what Yue Feng taught you, right?

” At that time, Tu Shengjie had just words on his face.

Speaking of which, Tu Shengjie didn’t know much about the situation of the Supreme Conference at that time, because he was a general guarding the border and was at the border at the time. This time he came to stop Mona, and he also heard the news from King Guangping.

In Tu Shengjie’s mind, King Guangping was the Emperor Tianqi and would not lie.

The voice fell, and the other generals around also spoke up.

“Yes, Yue Feng blasphemed the Empress Chang’e, wanted to be the emperor of Beiying, and colluded with the Jade of your Rakshasa clan to destroy the Supreme Assembly. And your Rakshasa clan has a close relationship with Yue Feng. At this time, he led the army and invaded Kyushu with the purpose of One can imagine.”

“Did Yue Feng and your Rakshasa make an agreement to divide the Kyushu together?”

“Don’t talk nonsense with these alien races, and destroy them all.”

Chapter 2843

Everyone’s questions kept coming, Meng Na bit her lip, anxious, but she didn’t know how to answer.

“Your Majesty!”

At this time, Zang Yunyue also realized something, and said, “It seems that this is King Guangping’s treachery. He lost the battle at our hands, so he deliberately reversed right and wrong and sent a message to let other continents come. Deal with us.”

Hearing this, Meng Na’s eyes flashed, and she was angry.

Yes, it must be the ghost of King Guangping.

Thinking to herself, Mona’s mind turned quickly, thinking about how to avoid war.

“Kill!”

But at this moment, Tu Shengjie howled and rushed forward, holding a long knife and swinging it hard!

“Ah…”

With a scream, several Rakshasa warriors suddenly fell into a pool of blood.

At this time, Tu Shengjie, expressionless, shouted at Mona: “Yue Feng Langzi’s ambition, colluding with your Rakshasa clan, trying to control the entire Kyushu, is completely wishful thinking, today, you Rakshasa people, don’t even think about it. Leave!”

“You…”

Mona was so angry that she retorted loudly: “It’s you who have been deceived by the truth, Yue Feng can’t blaspheme Chang’e, and he has no ambition to control Kyushu. Heart of a gentleman…”

Tu Shengjie sneered and did not respond.

Now the whole Kyushu is spreading Yue Feng’s blasphemy against Empress Chang’e. Could it be that everyone in the world is a fool, and they all blame Yue Feng?

“Kill, destroy them all!”

At this moment, hundreds of thousands of coalition troops rushed in like a tide.

Seeing this scene, Mona knew that it was useless to explain herself, and she shouted loudly: “Warriors, fight!”

Whoa!

The voice fell, and tens of thousands of Rakshasa warriors rushed forward with howling!

Although the Rakshasa tribe is brave and good at fighting, there are only tens of thousands of people, and the opponent is hundreds of thousands. There is a huge disparity of ten times the number of people. .

However, none of them flinched, gritted their teeth and desperately resisted! Because they all know in their hearts that if this battle fails, the Rakshasa clan will be completely over.

“Dangdangdang!”

For a time, the soldiers from both sides were constantly confronting each other in the wilderness. The sound of weapons colliding and roaring echoed throughout the world!

…..

the other side!

Blackwater Town, in a hotel room.

Yue Feng rested for a few hours and was meditating on the bed at this time.

“Master!”

At this moment, the door was pushed open, and Ye Meng walked in quickly, with a solemn expression on his delicate face: “Not good!”

“What’s wrong?”

Yue Feng hurriedly sat up and asked: “What’s the situation?”

“The Ouyang family is locked in the prison of Tianqi Imperial City.” Ye Meng bit her lip and told the news one by one: “Also, the queen of the Rakshasa clan. , led the Rakshasa army to the Beiying Imperial City, and said that he would help you and eradicate the traitors at the same time, but when he passed through the Tianqi Continent, he fought with the Tianqi Royal Forest Army.”

“And…”

After talking for two minutes, Ye Mengcai finished the news, and finally couldn’t help saying: “Master, what should we do?”

What?

At this moment, Yue Feng’s heart was shocked, and he only felt that his brain was buzzing.

Yingying and the others were arrested by King Guangping?

Also, Mona actually led the army and went to the Beiying Palace to help herself.

Chapter 2844

Under the shock, Yue Feng was moved beyond words. In his heart, Mona had a straightforward personality, and he was considered a friend, but he was not at the point of life and death, but he didn't expect that, knowing that he had Difficult, actually violated the agreement three years ago, led into Kyushu.

It's just… what Mona does will cause public outrage in the Kyushu mainland.

"Master!"

Seeing Yue Feng's gloomy expression, Ye Meng was a little anxious and couldn't help shouting.

call!

Yue Feng took a deep breath, calmed down, and said seriously: "In this way, you can immediately bring someone you can trust to the Apocalypse Continent and find my son Yue Wuya. He will help you how to rescue the Ouyang family."

"The Rakshasa family . Over there, I'll go!"

Hearing this, Ye Meng nodded and hurriedly organized people to set off.

After Ye Meng left, Yue Feng also quickly left the room and left Heishui Town with Zi Yan.

"Saint Ziyan!"

On the road outside Heishui Town, Yue Feng said with a smile: "I wanted to help you find other saintess, but I have more important things, so I'm sorry!"

"Who wants you Help!"

Zi Yan said angrily: "When we reach the fork in the front, let's go separately!"

As a nine-day saint, she has repeatedly suffered losses here in Yue Feng, how could she continue to be with him?

Haha…

Hearing this, Yue Feng showed a smile, this Zi Yan is really interesting, didn't it just make you call me a good brother? Even to now have revenge.

Thinking about it, Yue Feng was about to speak.

Um?

However, at this moment, Yue Feng frowned, and he clearly felt that there was a dangerous aura not far ahead.

At the same time, Zi Yan also frowned, and said solemnly: "What a strong yin and evil spirit, is it a subordinate of Hades?" After

saying that, Zi Yan's figure was elegant, and she walked over quickly.

Yue Feng did not hesitate to follow closely!

This…

Arrived in a forest, and when he saw the scene in front of him, Yue Feng was stunned.

I saw that more than a dozen guys in black robes were surrounding a person. This person was also dressed in black robes, but there were some special signs on the clothes.

Because of the dim light, Yue Feng couldn't see the man's face for a while, but he didn't know why, but there was a very familiar feeling.

good! These are the underworld soldiers under Hades, as well as Wen Chou Chou.

After Wen Chou Chou falsely passed the order, Pluto was furious and immediately sent Pluto soldiers to arrest him, and finally found Wen Chou Chou's whereabouts in the area of Heishui Town.

"Underworld soldier?"

At this moment, Zi Yan's eyes flickered, and she couldn't help but say: "Strange, the one surrounded, looks like the messenger of Hades, how could he be hunted by underworld soldiers?

" He knew the situation in the ghost world very well, and he could see at a glance that the clothes that Wen Chou Chou was wearing were the messengers of Hades.

The messenger of Hades?

Hearing this, Yue Feng was stunned for a moment, then smiled and said, “Since it is their own people who are fighting, let’s not act rashly and watch the tiger fight.”

At this time, Yue Feng did not realize that the besieged Man, it is his sworn brother.

Seeing the frivolity on his face, Zi Yan snorted lightly and ignored it, but she also acquiesced to Yue Feng’s suggestion and stood there quietly watching.

At this time, Wen Chou Chou is here.

Whoa!

After more than a dozen underworld soldiers surrounded him, the leading one shouted: “Wen Chou Chou, His Majesty Pluto is not mean to you, but you actually betrayed him, falsely gave orders to let the major sects go, and now you still want to fear the crime “Absconding.”

“Your life belongs to His Majesty Pluto, do you think you can escape? Those who are sensible will be captured, and follow His Majesty Pluto in front of us.”

Hehe…

Hearing this, Wen Chou Chou sneered and said fearlessly: ” Treat me well? Hades is just taking advantage of me, and wants me to go back with you, dreaming!”

“Looking for death!” The

dozen or so soldiers were instantly furious and rushed towards Wen Chou Chou.

Chapter 2845

Om!

The power of yin and evil erupted by more than a dozen underworld soldiers caused the surrounding yin wind to burst, and the air seemed to be frozen.

Brother Wen?

Seeing this scene, Yue Feng, who wanted to stay out of the way, was suddenly shocked and his body trembled.

This… this besieged person, is Wen Chou Chou?

Excited, Yue Feng thought he was wrong, and rubbed his eyes quickly.

That’s right, it’s really Brother Wen. Haha… Brother Wen is not dead…

For a while, Yue Feng was excited, but also secretly shocked.

Yue Feng clearly noticed that Wen Chou Chou in front of him was not only pale, but also filled with an evil Yin Qi, just like the mutated black sand python before.

what's the situation? How did Brother Wen become like this?

Also, Zi Yan said that he is the messenger of Hades. Could it be that he is now working for Hades?

"Brother Wen, I'll help you!"

Soon, Yue Feng reacted, shouted, and rushed over. No matter what, Brother Wen is in danger now, and he can't just sit back and ignore it.

"Hey…"

Seeing this scene, Zi Yan wanted to stop her, but she stomped her feet in a hurry when she saw that Yue Feng had already rushed over.

Although Yue Feng's strength is very strong, but these are the men of Hades, in other words, they are not human at all, how can he fight?

hum!

In the blink of an eye, Yue Feng rushed into the battlefield, and the surrounding air was distorted by the internal force.

However, what shocked Yue Feng was that the soldiers in front of him were too strange. He clearly hit the target, but the other party had nothing to do with it.

Soon, Yue Feng realized that none of the underworld soldiers in front of him belonged to the Kyushu Continent. If he used the practice of the Kyushu Continent, it was naturally useless to them.

"Fengzi?"

At this moment, seeing that the person who suddenly rushed in was Yue Feng, Wen Chou Chou was also pleasantly surprised: "Haha.. Brother, I thought something was wrong with you."

Hearing Wen Chou Chou's voice, Yue Chou Chou was also surprised. Feng couldn't help it all of a sudden, and said with a smile, "Brother Wen, I thought you were dead too!" With a smile on his face, there were tears in his eyes.

Although he was sworn to Wen Chou Chou, he was better than his biological brother. Now that he was still alive, Yue Feng almost cried with joy.

At this time, Yue Feng didn't know that Wen Chou Chou looked fine, but he was actually not a living person.

Wen Chou Chou smiled bitterly, and then shouted: "Fengzi! You are strong, but you can't hurt them, so step back."

Yue Feng shook his head with a resolute expression, "No way!"

No matter what the identity of the other party, We must save Brother Wen.

Swish!

At this moment, more than a dozen underworld soldiers were agitated by Yue Feng.

"Where did you come from?"

"I don't know if I live or die!"

After shouting in anger, a dozen or so underworld soldiers joined forces to break out a yin wind, which swept directly towards Yue Feng.

Pfft!

Yue Feng didn't have time to dodge, but felt a force that was cold to the bone, shrouded him, and then, his body was shocked and flew out and fell to the ground.

hiss!

At this moment, Yue Feng struggled to get up, shocked.

Nima, how do you deal with these underworld soldiers?

In anxiety, seeing Zi Yan, Yue Feng hurriedly said: "Saint Zi Yan, please help me! Help my big brother?"

Yue Feng's eyes were full of anticipation when he said this.

Zi Yan is a nine-day saint from God's Domain, and she definitely has a way to deal with these underworld soldiers. After all, she was the one who saved herself from Jed before.

However, Zi Yan looked indifferent: "Why should I help you? Also, your eldest brother is the messenger of Hades, I can't help you even more."

The ultimate husband in Chinese chapter 2846-2850

Chapter 2846

When saying this, Zi Yan was full of smiles.

This abominable Yue Feng, who took advantage of me in the past, also caused himself to be misunderstood by his apprentice. The most annoying thing is that he has been teasing me all the time. Now let me help? That's so easy.

What the hell!

Seeing the sneer at the corner of Zi Yan's mouth, Yue Feng was very depressed.

Seeing this scene, Wen Chou Chou couldn't help it. While struggling to resist the siege of the underworld soldiers, he shouted at Yue Feng: "Fengzi, what are you asking a woman for? These are the underworld soldiers of the ghost world. , you can't deal with it."

"Hurry up and leave me alone."

Wen Chouchou looked anxious when he said this. When he was in such a situation, he couldn't help himself, and he could no longer drag Yue Feng into the water.

At this time, Wen Chou Chou still didn't know that the woman in front of her had an unusual identity.

Yue Feng shook his head with a determined look on his face.

Zi Yan had a playful look on her face and smiled at Yue Feng: "Did you hear me, your elder brother doesn't need my help.

"

Seeing Yue Feng's sincere expression, Zi Yan couldn't bear to refuse, and her tone softened a bit: "I can promise to save him, but… you have to promise me three things."

Although Yue Feng is a bit frivolous, but in Kyushu there are three things. Some fame, if they want to find other saints, they will definitely need his help.

"Okay!" Yue Feng nodded without thinking.

As long as Brother Wen can be saved, let alone three conditions, even 300 Yue Feng will not frown. Moreover, although Yue Feng has little contact with Zi Yan, she also knows that Zi Yan, as the Holy Maiden of the Nine Heavens, will not frown. Make yourself do evil things.

This chapter is provided by . Visit for daily update.

Seeing that his promise was very straightforward, Zi Yan nodded with satisfaction: “Seeing that you are so sincere, then I will tell you how to deal with these underworld soldiers!”

What?

Hearing this, Yue Feng was stunned, feeling like he was being tricked.

Tell yourself the way, that is, Zi Yan doesn’t need to take action?

“If I’m not wrong!” Zi Yan didn’t care about Yue Feng’s expression, and said slowly: “In addition to having a dragon spirit beast, you also have a lot of inner pills on your body.”

“Dragon is the strongest spirit beast. , possessing the spiritual energy of the Supreme Heavenly Immortal, and combining with the inner core to form the Qiankun Demon Breaking Array, it can suppress the yin and evil energy of these underworld soldiers.”

Phew!

Hearing this, Yue Feng suddenly became enlightened.

But in the next second, Yue Feng felt a little troubled and couldn’t help but said, “I can understand what you said, but I have never heard of this Heaven and Earth Breaking Demon Formation.” In the Bai Qi Shen Formation, there are many high-level records recorded. The formation method, only this universe-breaking magic formation, has never been recorded, and even Yue Feng has never heard of it.

In fact, the Qiankun Breaking Demon Formation mentioned by Zi Yan is the formation of God’s Domain and does not belong to the Kyushu Continent. It is normal for Yue Feng not to know.

“It doesn’t matter!” Zi Yan showed a smile, very confident: “Just wait for you to listen to my instructions, take out the inner alchemy on your body first, and put it around according to the five elements and gossip.”

Hearing this, Yue Feng did not Without any hesitation, he took out more than a dozen inner pills from his body and placed them around the woods.

After spending three years in the Valley of Death in the Wild and Strange Realm, Yue Feng killed a lot of spirit beasts, and there were too many Neidan. Even if he bought some before, he still had a lot left.

Put away the inner core, and under Zi Yan’s gesture, Yue Feng released the young dragon.

“Little dragon.”

At this moment, Yue Feng couldn’t help muttering to himself: “Whether you can rescue Brother Wen this time, it’s up to you.

“

The dragon burst out of the sky. Although he is not yet an adult, the powerful aura of divine beasts envelopes the entire forest.

This…

At this moment, those underworld soldiers who were still focusing on dealing with Wen Chou Chou were all inexplicable heart palpitations, and they were all stunned when they saw the sudden appearance of the dragon.

Wen Chou Chou was also shocked. Looking at the young dragon floating in the air, he was suddenly dumbfounded.

Chapter 2847

What’s the situation?

When did Fengzi have a dragon?

“Hoo Ang!”

At this moment, the young dragon was instructed by Yue Feng, and his eyes locked on the underworld soldiers. Then, a roar broke out again. Suddenly, the expressions of the underworld soldiers changed greatly.

However, it was soon discovered that this was just a young dragon, and many underworld soldiers recovered their confidence.

“Ma De, an underage dragon!”

“Yes, don’t panic, a young dragon can’t hurt us at all.”

Under howling, these underworld soldiers divided into two teams, one team continued to besiege Wen Chou Chou, and the other team It was aimed at the young dragon.

Um?

However, halfway through the rush, these underworld soldiers realized that something was wrong, and they saw that around the woods, some inner pills were placed at some point, which seemed to be chaotic, but contained mystery.

Not only that, the position of the young dragon in front of him is in the center of these inner cores.

At this time, these underworld soldiers still don't know that the formation in front of them is called the Qiankun Breaking Demon Formation, which is just to restrain the yin and evil spirits in them.

"Whoosh!"

At this moment, when the formation was completely formed, with the eruption of the divine beast's breath, the yin and evil aura originally shrouded in the woods dissipated a lot at once.

Not only that, Wen Chou Chou also instantly lost the pressure and felt much more relaxed.

"Let's go together and kill this young dragon!"

At this time, many underworld soldiers reacted one by one, and they were all aroused by their fierceness. .

"Chichi!"

Numerous underworld soldiers erupted together, and the evil aura formed, like a dark cloud, shrouded the young dragon.

Seeing this scene, Yue Fengxin raised it all at once, and couldn't help sweating for the young dragon.

Zi Yan next to her was unusually calm.

Although these underworld soldiers are numerous, they are after all underworld kings, and it is difficult to hurt the dragon. After all, the dragon is the strongest divine beast.

"Roar!"

Seeing the numerous underworld soldiers rushing up, the young dragon didn't panic at all. After roaring, he followed and opened his bloody mouth.

The next second, I saw the two underworld soldiers rushing to the front, locked by a powerful breath, and then directly swallowed by the young dragon.

What the hell!

Seeing this scene, Yue Feng was shocked and excited.

Unexpectedly, the dragon can devour the underworld soldiers?

Yue Feng clearly noticed that the Yin Sha power contained in the two underworld soldiers swallowed by the young dragon was also slowly merged by the young dragon and turned into his own power.

“Swallow?”

Not only that, but Zi Yan’s body trembled, her face full of shock.

“What’s wrong?” Yue Feng asked subconsciously.

Zi Yan stared at the young dragon, unable to hide her inner shock, and her tone trembled: “Dragon is the strongest divine beast, yes, but their blood-borne skills are nothing more than water, fire, thunder and lightning, but some dragons also possess Some special abilities, but in this case, they only appear once in thousands of years.” After speaking

, Zi Yan couldn’t help but take a deep breath and continued: “I didn’t expect that you, a dragon, possess the power to devour when you are still young. , It’s incredible.”

After saying the last sentence, Zi Yan was very excited.

Yes, there are three powers of inheritance of the dragon family, namely, water, fire and thunder and lightning. Therefore, in the legend of Kyushu, the dragons have fire dragons, water dragons and thunder dragons, but there are also individual dragons, because of their unique talents, they have other abilities. . But as Zi Yan said, this is too rare.

Chapter 2848

However, Zi Yan didn’t know that the young dragon in front of him, under the protection of the mermen, was silent in the Guixu sea area for more than 3,000 years. Later, because of a coincidence, it was merged into Xiaoxi’s soul. It can be said that, It is the integration of Xiao Xi’s soul that makes this young dragon extremely special.

call!

Hearing this, Yue Feng couldn’t tell how excited he was, haha… It turns out that the dragon spirit beast he owns is the most special one.

Although Yue Feng still didn’t know that the young dragon’s soul was Xiao Xi, he was inexplicably happy when he saw that it possessed a special devouring ability.

This….

seeing his two companions, directly swallowed by the young dragon in front of him, the rest of the underworld soldiers, one by one, were terrified, almost scared to death.

“Run…”

“Run…” I

don’t know who shouted. In an instant, these underworld soldiers scattered like frightened birds and beasts, and disappeared without a trace in the blink of an eye.

Being swallowed by a young dragon is the end of the soul, who would dare to stay.

call!

Wen Chou Chou breathed a sigh of relief, and sat down weakly against a tree, secretly rejoicing that it was fortunate that Feng Zi had a dragon spirit beast, otherwise, tonight would really be doomed.

The next second, Wen Chou Chou smiled at Yue Feng and said, “Okay, Fengzi, when did you get a dragon spirit beast?”

After saying that, Wen Chou Chou couldn’t help but glance at Zi Yan and joked: “I still Yes, this younger brother and sister has never met before, Fengzi, why don’t you introduce me?”

To be honest, Yue Feng asked Zi Yan before, and Wen Chou Chou couldn’t stand it anymore, but after thinking about it carefully, Yue Feng and his confidantes like to flirt. More importantly, this woman is willing to help Yue Feng. Feng, it proves that the relationship is not ordinary, so subconsciously regards Zi Yan as Yue Feng’s woman.

Siblings?

Hearing this, Zi Yan’s indifferent face was instantly ashamed and angry, her eyes flashed with murderous intent, and she directly locked on Wen Chou Chou.

This person is the messenger of Hades, how dare he talk nonsense in front of him? !

Uh…

Seeing this scene, Yue Feng was very embarrassed, and gratefully explained to Wen Chou Chou: “Brother Wen, don’t talk nonsense, this is Your Lady of Nine Heavens, how can I be qualified to be her man? ”

Nine Heavens Saintess?

Wen Chou Chou was stunned for a moment, what is the origin of this?

At this time, Yue Feng noticed Wen Chou Chou's breath and was surprised: "Brother Wen, how did you become like this?"

Yue Feng clearly saw that Wen Chou Chou's face was bloodless, and his body was cold. Incomparably, I can't feel a trace of vitality, just like a dead person.

Wen Chou Chou looked sad.

"As the messenger of Hades, he is no longer alive." At this time, Zi Yan couldn't help but said.

What?

Yue Feng's heart was shocked, and he only felt that his brain was buzzing?

Brother Wen is not alive?

"Alas!"

At this time, Wen Chou Chou sighed, and slowly explained the situation in detail.

At the end of the story, Wen Chou Chou smiled bitterly: "I thought that being the messenger of Hades, I could easily do something for Kyushu, but I didn't expect that Hades is more ambitious than Zhang Jiao."

After speaking, Wen Chou Ugly looked at Yue Feng and continued: "Fengzi, I gave a false order to let Jade let go of the Kyushu sect. King Hades will not let me go. Your young dragon can deal with the soldiers of the Underworld, but he can't deal with King Hades, so , you better leave me alone."

Yue Feng suddenly became excited and shouted: "Brother Wen, what nonsense are you talking about? We three brothers live and die together, I can't leave you alone."

"Fengzi!" Wen Chou Chou was very moved, but still said seriously: "You still don't understand, I have a soul contract with Hades, and he can find me at any time. How can you help?"

This…

Yue Feng fell silent for a while, Very unwilling.

Chapter 2849

Mad, how to solve the soul contract? I know yin and yang feng shui, but I don't know anything about it.

At this moment, Zi Yan slowly said: “The soul contract of Hades is not unsolvable. Among our Nine Heavens Saintess, Huanxiang is the best at this, but she must be found first.” That’s

great.

Yue Feng’s face was overjoyed, and he quickly said: “In that case, let Brother Wen accompany you to find other Nine Heavens Saintess. If you find that Huanxiang daughter, you must ask her to help save Brother Wen.”

“Okay!”

Zi Yan hesitated, nodded and agreed: “I can take him, but don’t forget those three things, as long as I bring it up, you must do it as soon as possible!”

“Of course!” Yue Feng smiled. Said: “Promise a good thing, how can my brother forget?”

“You…”

Zi Yan stomped her feet angrily, shy and angry, this Yue Feng is too serious, it’s all this time, still Thinking of taking advantage.

call!

Seeing this scene, Wen Chou Chou also shook his head and smiled bitterly. After three years in the wild and strange realm, this style has not changed at all. When he sees a beautiful woman, he is not serious.

At this time, Yue Feng said to Wen Chou Chou: “Brother Wen, I originally wanted to be with you, but Mona brought the Rakshasa Army into Kyushu, I have to rush over, otherwise, I’m afraid something big will happen. “

Okay, hurry up, don’t worry about me for now.” Wen Chou Chou looked solemn and nodded.

Wen Chou Chou has a deep sense of righteousness. Although he is a little reluctant, he also knows that the affairs of Kyushu are more important.

Soon, Yue Feng, Wen Chou Chou, and Zi Yan separated and hurried towards the Northern Ying Continent.

…..

At this moment, the northern border of the mainland.

In the wilderness, the battle continued. Under the siege of the coalition forces, the warriors of the Rakshasa tribe fell one by one in a pool of blood, and the ground was dyed red.

The two sides have been fighting here for two days and two nights!

In these two days, the tens of thousands of Rakshasa warriors led by Mona dropped sharply from tens of thousands at the beginning to less than 10,000.

Although the Rakshasa clan were able to fight well and their average strength was much stronger than that of the Kyushu Continent, it was still somewhat unbearable in the face of such a disparate battle.

On the coalition side, there were nearly 600,000 people, and they lost more than 100,000, leaving only over 400,000.

Less than 10,000 people, against more than 400,000 people, is simply hitting the stone with an egg.

However, under the leadership of Mona, these less than 10,000 Rakshasa warriors are still insisting. These warriors knew in their hearts that if this battle was lost, the Rakshasa would be completely over.

In midair, Mona fought Tu Shengjie alone against more than a dozen generals. Each of these generals had reached the fifth stage of Martial Sovereign, and the power of the joint outbreak was terrifying.

On the other side, Zang Yunyue was also surrounded by everyone.

“Bang!”

Finally, Tu Shengjie found an opportunity, his figure flickered, and he slapped Mona’s back with a palm. He heard Mona’s face turn pale, and instantly fell from the sky, clutching his chest, and spurting a mouthful of blood!

“Haha!”

Tu Shengjie laughed loudly, and teased at Mona: “This is the strength of the Rakshasa Queen, and that’s all. Now, in this situation, you don’t have to struggle anymore. Surrender now.”

Surrender?

Mona bit her lip tightly, her beautiful face showing fearlessness: “We Rakshasa, we would rather die than surrender!”

“I’d rather die than surrender!”

In an instant, the surrounding Rakshasa warriors responded in unison. Although they were seriously injured, they were so powerful.

“Haha, I really don’t know how to lift up! Shame on your face!” Tu Shengjie’s face turned gloomy, his inner strength urged, and he waved his long knife and rushed towards Mona.

“Don’t want to hurt my majesty the Queen!” At this moment, I saw a beautiful figure, looking like a frightening figure, suddenly blocking in front of Mona, it was Zang Yunyue.

Chapter 2850

“Yunyue, avoid me! Leave me alone!” Mona’s tender body trembled and shouted quickly.

This time, the Rakshasa clan was besieged by the coalition forces, which was entirely her own fault, and the cost was borne by herself, but Zang Yunyue was different. She had the inheritance of her ancestors and Kuafu, and she was the future of the entire Rakshasa clan, so nothing could go wrong. .

However, Zang Yunyue’s face was determined and she didn’t mean to escape at all.

Her two older brothers followed Jade to betray the Rakshasa tribe. The sin was unforgivable. As a younger sister, she couldn’t stop her. Zang Yunyue had always been ashamed of the Rakshasa tribe. Blocking the sword for the Queen now is considered to be atonement for the brothers.

“Another one who came up to die, then I will fulfill you!”

Seeing this scene, Tu Shengjie’s eyes were full of madness, and at the same time, he accelerated his speed and stabbed the long knife towards Zang Yunyue’s heart.

At this time, Tu Shengjie was very excited. As long as he killed the Rakshasa Queen, he would be a hero of the Kyushu continent, and he would become famous all over the world.

call!

Seeing the long knife getting closer and closer, Zang Yunyue did not evade, and at the same time there was a smile on her face.

To be honest, with Zang Yunyue’s strength, it would be very difficult for Tu Shengjie to kill her, but after fighting for so long, Zang Yunyue’s internal strength was almost exhausted, and she had no power to fight back. .

At this moment, Mona wanted to push Zang Yunyue away, but it was too late. Under the anxiety, the circles of her eyes suddenly turned red, and tears fell down, she was very desperate.

“Stop it, stop it!”

At this moment, a roar came from a distance, and it resounded through the world!

In an instant, the two sides in the fierce battle were all roared by this roar, which made Zhen’s heart tremble, and they all looked for the sound!

Whoa!

Just one glance, whether it is the Rakshasa warriors or the allied soldiers, all of them are stunned!

Just see, in the distance, a dragon is coming from the sky!

Although this dragon is only three or four meters long, it is filled with the breath of a powerful divine beast.

And on the back of this dragon, a man stood proudly with a cold expression!

It is Yue Feng!

That’s right, the power of Yin Sha that devoured the two ghost soldiers before, the young dragon has grown a lot at once, and its strength has also improved a bit.

This….

seeing this scene, whether it was Mona or everyone present, they were all silent, their eyes fixed on Yue Feng, which was extremely shocking.

“Roar!”

At this moment, the Yuefeng driver dragon came to the front, the young dragon opened his mouth and let out a roar again!

This roar came out, and over the entire wilderness, the war horses of the two armies, all the war horses, were trembling one by one.

The strongest divine beast, absolute blood pressure!

As soon as the dragon comes out, all the beasts in the world need to surrender!

At this moment, the audience was silent, and almost a needle could be heard clearly.

“Dragon?”

“It turned out to be a divine dragon, isn’t Yue Feng’s spirit beast a poor one? How did it become a dragon?” “As expected of the most powerful divine beast ,

this breath is too strong.”

Whoever shouted, all of a sudden there was a lot of discussion.

You must know that the dragon has disappeared in the Kyushu continent for thousands of years. Most of the practitioners only know the existence of the dragon from legends, but they never thought that they would be able to see it with their own eyes in their lifetime.

What made them even more unexpected was that the one who possessed the dragon spirit beast was actually Yue Feng.

call!

At this time, Yue Feng took a deep breath and looked around the audience: “Everyone, stop, this time the Rakshasa army entered the Kyushu Continent, it was a complete misunderstanding. Before the situation deteriorates, please stop quickly.”

When he said this, Yue Feng’s eyes fell on Mona, seeing her pale and incomparably weak, she was both moved and happy.

The ultimate husband in Chinese chapter 2851-2860

Chapter 2851 It's

okay, I came in time, otherwise, the Rakshasa clan is really over.

At this time, Mona and Zang Yunyue looked at each other, and they were very happy with each other.

Great, Yue Feng appeared, and the Rakshasa tribe was saved.

Whoa!

Feeling the momentum of Yue Feng, the hundreds of thousands of coalition troops all had complex expressions on their faces.

Finally, Tu Shengjie was the first to react, took a step forward, pointed at Yue Feng and shouted: "Yue Feng, how dare you appear as a shameless person? And colluded with the Rakshasa clan again, trying to start a war against Kyushu!"

"And now, your allies are immediately wiped out by us, you can't sit still, what is a misunderstanding, do you think we will believe you?" The

voice fell. , the surrounding coalition generals and many soldiers responded loudly.

"That's right, you hypocrite, don't pretend to be in front of us."

"You want to dominate Kyushu, think we don't know?"

"Today you just broke your mouth, these Rakshasa people don't want to leave alive!"

Everyone's anger It kept coming, Yue Feng was shocked and angry, Nima, are these people's brains made of water? The matter of Chang'e, smart people know there is a problem at first glance, but these people believe Zhang Jiao's nonsense.

Thinking to himself, Yue Feng was too lazy to talk nonsense, and said coldly to Tu Shengjie: "Whatever you say, today, I have to take them away." The

voice was not loud, but it spread throughout the audience, no doubt.

"Okay, very good!"

This chapter is provided by . Visit for daily update.

Tu Shengjie sneered, staring at Yue Feng: “So it seems that you have colluded with the Rakshasa clan, you have admitted it, right. Since that is the case, there is nothing to say.”

“Everyone, Yue Feng Langzi’s ambition, we must not let him leave alive today.” The

voice fell, and Tu Shengjie rose into the air!

hum!

A powerful aura erupted from Tu Shengjie’s body, and the long knife in his hand burst into a shock, coming straight to Yue Feng’s heart. Wherever the figure passed, the air was distorted, and the momentum was astonishing.

Seeing Tu Shengjie attacking, Yue Feng was instantly aroused by anger.

“Kacha!”

Only a loud noise was heard, Fang Tianhua halberd burst out, and was firmly held in Yue Feng’s hand!

“Go away!”

Yue Feng shouted coldly and angrily, raised his hand and waved! Just saw a dazzling light burst out from Fang Tianhuaji, directly locking Tu Shengjie!

“Ah…” In the

next second, Tu Shengjie didn’t have time to get up, he was swept right away, let out a scream, flew more than 100 meters, and finally fell heavily to the ground, his eyes darkened, and he passed out. !

a trick? With just one move, he stunned Tu Shengjie, the number one general in Northern Ying Continent! This Yue Feng is worthy of being the sect master of Tianmen, a famous existence in Kyushu, and his strength is too terrifying.

At this moment, everyone present couldn’t help gasping for air.

Yue Feng’s eyes were like torches, floating in the air, and his eyes looked around the audience.

“I, Yue Feng, founded Tianmen back then, with the purpose of punishing evil and promoting good, and doing justice for the heavens. For more than ten years, I have never violated my original intention!”

“Three years ago, I called on Kyushu to fight against the Rakshasa, Tianmen disciples, and fight together. The death of hundreds of thousands is far greater than the damage to the major sects in Kyushu, and you, it is ridiculous to say that I deceived the world and stealing my name!”

“I act in Tianmen, I am worthy of the way of heaven, I am worthy of justice, and I, Yue Feng, are worthy of my conscience.”

“Now let me tell you, the matter of Empress Chang’e was completely coerced by Zhang Jiao, I was framed, and the Rakshasa tribe entered Kyushu. , is here to help me, whether you believe it or not. I, Yue Feng, deserve this world!” The

last sentence fell, Yue Feng’s eyes were blood red.

For a time, more than 400,000 coalition sergeants all focused on Yue Feng, unable to say a word!

Chapter 2852

Silent!

The huge battlefield is silent at this time! A needle fell to the ground, and everyone could hear it clearly!

“I, Yue Feng, have never been sorry for Kyushu!” At this moment, Yue Feng clenched Fang Tianhua’s halberd, his inner strength urged, and his strong voice spread throughout the wilderness.

In the next second, Yue Feng glanced at Mona, with a very determined expression: “The Rakshasa family has suffered unreasonable disasters for me. If I can’t protect their safety, I will be in vain. I must take them away today. I am the enemy!”

Yue Feng greeted Mona and everyone to leave!

At this moment, hundreds of thousands of coalition troops looked at each other in dismay, but no one dared to stop them. Everyone knew in their hearts that if they wanted to stop them, they would end up the same as Tu Shengjie, or even worse.

More importantly, Yue Feng also has a dragon, which is the strongest divine beast in Kyushu.

On the other side, Yue Feng and Mona quickly left the northern border of the mainland.

After walking for a few more hours, after confirming that there were no chasing troops behind, Yue Feng breathed a sigh of relief.

At this time, Mona ordered to let everyone rest in place.

Tens of thousands of troops have gone through a fierce battle, and now there are only a few thousand people left, and the surviving ones are all wounded.

Especially Mona and Zang Yunyue, their pretty faces were pale, and their internal strength was almost exhausted.

After resting for more than half an hour, everyone's situation finally eased a lot.

"Yue Feng!"

At this moment, Mona smiled lightly and pointed at Yue Feng: "It's fortunate that you arrived in time this time, otherwise, our Rakshasa clan would really be finished."

Yue Feng waved his hand and said seriously: "I really want to thank you for leading an army to come to the rescue. If something happens to your Rakshasa clan, I will never feel at ease for the rest of my life." What did Feng think of, he continued: "By the way, Jed's gang really betrayed your Rakshasa?"

Huh!

Hearing this, Mona breathed a sigh of relief, with a bit of anger on her delicate face: "Yes, Jed and his comrades openly rebelled against the Rakshasa tribe, this time I led the army into Kyushu, in addition to helping you , is to eradicate these traitors."

When saying this, Mona's face was determined.

The Rakshasa people are upright and upright, and the most intolerable are traitors.

At this moment, Zang Yunyue, who was next to him, didn't speak, but his expression was a little embarrassed. After all, among these traitors, there were two of his own brothers.

Seeing her reaction, Yue Feng smiled bitterly: "Mona, I'm afraid you won't be able to kill these traitors so easily."

"Why?" Mona was stunned and couldn't help asking.

"As far as I know, they took refuge in the underworld king of the ghost world." Yue Feng squinted and said slowly: "Everyone has a powerful evil force, otherwise, at the Supreme Conference before, it would not be so easy to put all the people together. The big sect grabs it."

What?

Hearing this, Mona's body was shocked.

Jed and his gang took refuge in the ghost world Hades? No wonder… when he fought against him before, the opponent's strength suddenly became so strong and so evil.

"The most important thing for your Rakshasa clan now is to rest and recuperate." Yue Feng pondered and continued: "The situation in Kyushu is very chaotic now, you must not be impulsive any more."

Hmm!

Mona nodded and agreed with Yue Feng's words.

In the next second, Mona thought of something: "Then be careful, if there is any situation, let me know immediately, our Rakshasa clan will definitely help, and also, the righteous sister of your Ouyang clan, has already gone to Tianqi Continent, before. It was the information she gave me."

"As soon as we entered the Kyushu Continent, we received news that the Ouyang family had been captured by King Guangping, and she immediately rushed to rescue them!"

What?

Hearing this, Yue Feng became anxious. Although Meihui was the second young lady of the Ouyang family, she rarely set foot in the arena. Even if she had worshipped Fang Qifo as her teacher before, it would be difficult for her to get the The prison of Tianqi Palace, rescued the Ouyang family.

Chapter 2853 The

more Yue Feng thought about it, the more impatient he said, "If that's the case, let's separate here. You can go back to the station after walking for a few hours. I don't think Kyushu mainland will send troops to chase."

"Okay, be careful!"

After agreeing, Yue Feng separated from Mona and hurried towards Tianqi Continent.

Meihui, don't be impulsive.

Along the way, Yue Feng kept praying secretly in his heart.

…..

the other side!

The ghost world, the Great Hall of the Underworld.

Pluto was sitting on the throne, and his face was gloomy. At this time, he looked even more gloomy, and the atmosphere of the entire hall was extremely depressed.

The following messengers, as well as the underworld soldiers in the hall, also did not dare to let out the air.

Just now, the underworld soldiers who were sent out to arrest Wen Chouchou, and the news was sent back that the arrest failed, which made Hades very annoyed.

“You just said…”

At this time, Hades stared at a soldier kneeling there, and said coldly: “When you arrested Wen Chou Chou, you met Yue Feng, the sect master of Tianmen, that kid has a dragon spirit. Beast?”

“Yes!” Ming Bing wiped his cold sweat and nodded quickly.

Said, Ming Bing took a deep breath and said cautiously: “Moreover, Yue Feng was also accompanied by a Nine Heavens Saintess. It was the Nine Heavens Saintess who instructed Yue Feng to set up a formation, which led to the failure of the arrest of the younger ones.”

Swish!

Hearing this, Pluto’s eyes flashed coldly, and he said to himself: “According to this, the Nine Heavens Saintess has left the secret realm of the void? After the Heaven and Earth Profound Array was destroyed, the secret realm of the void lost and the realm of the gods. As well as the connection with Kyushu, I didn’t expect them to come out in the end.”

“Go ahead and do all you can to track down the whereabouts of the Nine Heavens Saintess.”

“Yes, Your Majesty!” After receiving the order, the underworld soldier quickly got up and walked out of the hall.

Watching the underworld soldier walk away, Pluto looked around and looked at the envoys: “What news have you heard in the Kyushu continent during this time?” The

voice fell, and one of the envoys quickly came out: “Your Majesty , Since His Majesty subdued the Jade people, the situation in the Kyushu continent has been chaotic, and just a few days ago, a war broke out between the Tianqi continent and the Rakshasa.”

This messenger is called Gong Hao, who has worked for Hades for many years and is loyal to Hades.

“Not only that, King Guangping, the emperor of the Apocalypse Continent, also deliberately spread the news that the Rakshasa clan had made a comeback and wanted to conquer Kyushu.” Gong Hao said cautiously, while observing the reaction of Hades: “My subordinates think that this King Guangping can Use it!”

Hmm!

Hearing this, Hades nodded approvingly: “Yes, I’ll leave this matter to you.”

“Yes.” Gong Hao hurriedly saluted: “I will definitely not disappoint His Majesty!”

… the

other side!

Apocalypse Continent, Imperial Palace!

At this time, it was late at night. Around the entire palace, many guards patrolled back and forth, which can be said to be heavily guarded.

“Whoosh!”

At this moment, a slender figure quietly came from a distance while taking advantage of the night. The figure was agile, avoiding the patrolling guards and sneaking into the palace.

This is a beautiful woman.

A black night clothes set off a tight figure, incomparably graceful, with delicate facial features, and it is difficult for any man to restrain himself when he meets him.

It is Meihui!

Chapter 2854

Mei Hui at this time is expressionless, but her heart is secretly anxious.

Two days ago, Meihui originally went to Beiying Palace to rescue Yue Feng with the Rakshasa tribe.

However, on the way, he learned the news that the Ouyang family was thrown into prison by King Guangping. At that time, Meihui was anxious and angry. After that, he separated from Mona and came to inquire about the situation alone.

During the day, Mihui tried to break into the prison, but she gave up when she saw that it was heavily guarded there.

After that, Meihui thought of Qin Rongyin. He decided to come to the palace at night and ask Qin Rongyin for help.

In Meihui's heart, Qin Rongyin was her eldest brother's confidante, and the two had given birth to Yue Wuya, and they were deeply in love. If they knew that the Ouyang family was captured by King Guangping, they would definitely help.

After the decision, Mei Hui sneaked into the palace at night.

found it!

Soon, Mei Hui walked around the palace and found the bedroom where Qin Rongyin was resting.

At this moment, Mei Hui did not hesitate at all, quietly opened the door, and walked in.

"Who?!"

As soon as she entered, she heard a nice voice, and Mei Hui followed the voice and was overjoyed.

I saw a slender figure sitting quietly on the exquisite and luxurious soft cave inside, with a graceful appearance and a serene temperament all over his body.

It was Qin Rongyin.

"Sister Qin!" Meihui showed a smile, walked over and said, "Don't take offense when visiting late at night!"

"Meihui?"

Seeing that it was Meihui, Qin Rongyin trembled and was surprised: "Why are you here?" I thought it was the servant who didn't have a long memory, but he forgot to knock on the door when he came in, but he didn't expect it to be Meihui. You know, Qin Rongyin and Meihui Haven't seen each other for years.

Ugh!

Meihui sighed softly, unable to hide her anxiety: "The Ouyang family was arrested by King Guangping, Sister Yingying, Brother Dasheng, and many others are all locked in the cell, I want you to help me save them out. ."

When she said this, Mei Hui's eyes flashed with urgency.

This….

Hearing this, Qin Rongyin's expression darkened, and she said sadly: "I have heard about this, and I persuaded King Guangping before, but he didn't listen to me at all, and asked me not to interfere. This matter. Son, I'm afraid there's nothing I can do."

Trapped in the palace these years, unable to help himself, how can he be able to save people.

Mei Hui's face was stunned, and she felt that her inner hope was suddenly dashed.

"Sister Qin, don't you have the heart to watch and ignore it?" Mei Hui became anxious and took Qin Rongyin's hand.

Qin Rongyin smiled bitterly, not knowing how to respond for a while.

"His Majesty is here!"

Just as he was speaking, he heard a loud shout from outside, followed by the sound of footsteps in the distance.

Oops!

At this moment, Mei Hui and Qin Rongyin both changed their pretty faces and panicked.

"Oops, King Guangping is here. If I see you here, I won't let it go easily!" Qin Rongyin trembled, panicked.

Hearing the sound of footsteps getting closer, Mihui bit her lip tightly, and her heart was also confused.

How to do?

Originally, I came to Qin Rongyin to save people tonight. If he was caught, he would lose more than the gain.

In the next second, Mei Hui's mind changed, she had an idea, and said to Qin Rongyin, "Sister Qin, I'm sorry." The voice fell, and her jade hand raised, hitting Qin Rongyin on the back of the neck all at once.

puff.

Chapter 2855 With

this palm, Qin Rongyin didn't respond at all, and suddenly fainted.

Without the slightest hesitation, Meihui hid Qin Rongyin behind the screen inside, then changed into a long court dress, and sat in front of the mirror, casting ‘Immortal Faces’.

At this time, if there were other people in the palace, they would definitely be shocked, because in the blink of an eye, Mei Hui had transformed into Qin Rongyin’s appearance.

That’s right, Meihui has thought about it. She will pretend to be Qin Rongyin and attack King Guangping later. Since there is no other way, the people who save the Ouyang family will directly assassinate King Guangping. When the palace is in chaos, he will be able to take the opportunity to infiltrate the prison.

Speaking of which, if it was three years ago, Meihui would definitely not have the courage, but after worshipping Fang Qifo as a teacher, she has learned a thousand faces, and after wandering in the rivers and lakes for a while, she has matured a lot, and it is easy to encounter things. Calm down quickly.

Squeak!

At this moment, the palace door was pushed open, and then King Guangping walked in slowly with a smile on his face.

Swish!

At this moment, King Guangping’s eyes fell on Meihui. I saw that she was wearing a long dress, and her figure was slender and graceful, and she was unbelievably beautiful.

At this time, King Guangping did not realize that the concubine in front of him was disguised by another person.

“Madam, I’m here to see you!” At this time, King Guangping walked over slowly and came to Meihui.

Meihui smiled lightly: “Thank you for your love, Your Majesty!” After speaking, she stood up and gave her a salute.

At this moment, Meihui had a charming smile on her face, but she was also a little uneasy in her heart. You must know that the emperor in front of her was the emperor of the Apocalypse Continent. Once something went wrong, it would be irreversible.

However, when she thought of Ren Yingying and others who were locked in the prison, Meihui’s eyes suddenly became firm.

“Why are you being so polite to me?” King Guangping smiled slightly, walked straight over, sat on the soft slump, and said with emotion: “I have been busy with business

recently, and I am too tired. I can't accompany my wife often, my wife will not Do you blame me?"

Meihui smiled and said, "Since you're tired, you should rest a lot, why would I blame you?"

Haha…

Hearing this, King Guangping was very relieved, couldn't help laughing, and then waved his hand. : "Madam, come and sit, let me take a good look!"

How could Mei Hui go over and sit? After thinking about it, he quickly walked to the side and said softly, "Your Majesty, wait a moment, I'll make you a cup of tea."

"Okay, okay!"

King Guangping nodded repeatedly, looking at Meihui with a smile, very excited.

Ever since King Guangping took the emperor's seat and trapped Qin Rongyin in the palace, Qin Rongyin was lukewarm to him, which made King Guangping very helpless.

But today, the lady not only showed her gentleness and kindness, but also took the initiative to make tea for herself. How could King Guangping not get excited?

Soon, Meihui brewed tea and brought it to King Guangping: "Your Majesty, be careful!"

"Okay!" King Guangping took it with a smile and was about to taste it.

"Go to hell, you wicked man!"

However, at this moment, King Guangping held the teacup and just brought it to his lips, when he saw Meihui, who was smiling, suddenly became frosty and gave a coquettish drink.

hum!

Immediately afterwards, a powerful aura erupted from Meihui's body, and she slapped it fiercely, hitting King Guangping's heart directly.

Yes, the gentleness and kindness that Meihui has always shown before is to let King Guangping relax his vigilance and wait for the opportunity to shoot!

"Madam? You…"

King Guangping was extremely frightened, and he never thought that the lady, who had always been gentle, would suddenly attack him. At this moment, he wanted to dodge, but Meihui was too fast to dodge.

Speaking of which, King Guangping's cultivation strength is also very strong, but because he is unprepared, Meihui has the opportunity to take advantage.

Bang!

This palm, which contained ten layers of beauty and skill, hit King Guangping's heart ruthlessly, and when he heard a scream, he flew straight up, knocked over the screen behind him, and fell heavily to the ground.

The ultimate husband in Chinese chapter 2856-2860

Chapter 2856

Pfft!

At this moment, King Guangping's face was pale, and he opened his mouth and spat out a mouthful of blood.

"Madam, why is this?" King Guangping stared at Meihui, his eyes full of surprise.

"See clearly, who is your wife?"

Mei Hui sneered, raised her hand to wipe her face, and changed back to her original appearance.

What?

Seeing this scene, Guangping Wang's heart was shocked, and he was immediately stunned.

How could this be? She… is she not a lady?

Thinking to himself, King Guangping tilted his head to see Qin Rongyin, who had passed out behind the screen, and immediately understood something.

"I recognize you, you are the second young lady of the Ouyang family." King Guangping glared at Meihui with a grim face: "You are very courageous, you dare to rush into the palace at night to assassinate me, I want your entire Ouyang family to be completely Disappear."

Saying that, King Guangping was about to stand up, but his heart was damaged, and he couldn't exert any strength at all.

“You villain!”

Mei Hui took a deep breath and looked at King Guangping coldly, without the slightest pity in her eyes: “Three years ago, you killed Sister Yingying’s father, seized the throne, and then arrested all the people in Diyuan Continent. The big sect is extremely abhorrent, and now, you want to deal with our Ouyang family.”

“Even if you are Wuya’s adoptive father, I can’t keep you!” After the

voice fell, Meihui pulled out her dagger and stabbed it directly at King Guangping’s heart. .

This chapter is provided by . Visit for daily update.

“Mother!”

Seeing the dagger, he was about to stab the center when he suddenly heard a shout from outside.

It was Yue Wuya’s voice.

Ya’er?

At this moment, Mei Hui’s delicate body was shocked, without any hesitation, her figure was astonishing, and flew out directly from the rear window.

Meihui didn’t want to kill King Guangping in front of Yue Wuya. After all, Yue Wuya was the son of the eldest brother. And the King of Guangping had the grace of nurturing him.

As soon as Mei Hui left, the door of the bedroom was pushed open, and then Yue Wuya walked in quickly.

This….

Seeing the scene in front of him, Yue Wuya’s body was shocked, and he was stunned and froze there, completely stunned.

I saw that King Guangping was lying there covered in blood, and had passed out, and his mother’s eyes were closed.

“Someone!” In the

next second, Yue Wuya rushed over, first checked Qin Rongyin, and after confirming that everything was fine, he shouted outside, “Someone, there are assassins!”

Whoa!

The voice fell, and the patrol guards outside rushed in immediately.

“Someone broke into the palace and assassinated His Majesty.” Yue Wuya took a deep breath and said calmly: “Immediately block the palace, search every corner, and be sure to find the murderer, hurry!” “Yes ,

His Royal Highness!”

The news of King Ping’s assassination spread all at once, and the entire palace was in chaos.

In the bedroom, Yue Wuya stayed on the soft couch, quietly watching the unconscious King Guangping, and fell into deep thought.

In Yue Wuya’s heart, he has always respected King Guangping. If it wasn’t for him, he might not have grown up smoothly, but in these years, King Guangping has been determined to get rid of his biological father Yue Feng and the Ouyang family. It was very sad to have Yue Wuya caught in the middle.

And now, King Guangping was assassinated, is it God’s will?

At this moment, Yue Wuya thought to himself, and a terrible thought flashed in his mind.

If King Guangping dies, wouldn’t there be so much trouble?

While murmuring in his heart, Yue Wuya was about to do it, but when he thought of how he cared for him from childhood to adulthood, King Guangping held back his love for him.

….

On the other side, while the palace was in chaos, Mei Hui quickly slipped out.

Afterwards, Mei Hui did not hesitate, and once again used ‘Immortal Faces’, changing into Qin Rongyin’s appearance, and went directly to the palace prison.

Right now, in prison.

Chapter 2857

Sun Dasheng, Ren Yingying and others, sitting in the cell one by one, looked sad.

It’s been two days, and I don’t know if Ya’er has come up with a solution.

Boom!

At this moment, the cell door was pushed open, and then, more than a dozen cell guards, guarding a slender figure, walked in slowly, it was Mei Hui.

Of course, at this time, Mei Hui was dressed as Qin Rongyin.

“Princess Concubine, all the prisoners are here, none of them ran away!” At this time, the leading guard respectfully spoke to Meihui.

Just now, Meihui used His Majesty’s assassination as an excuse to check the prison for repeat offenders, and none of these guards had the slightest suspicion.

is her!

Seeing this scene, whether it was Ren Yingying, Sun Dasheng and others, they were all stunned.

This Qin Rongyin was Yue Feng’s woman. She was imprisoned in the palace by King Guangping for several years and lost her freedom. Why did she suddenly come to the cell today? Could it be that you are here to rescue these people?

“Very good!”

At this moment, Meihui looked around and saw that everyone was safe and sound, she was very excited, but she showed an indifferent look: “Just now, His Majesty was assassinated, it must have something to do with these people, Ben Gong wants to interrogate them properly.”

“Bring them all out!” The

voice was not loud, but there was no doubt.

Speaking of which, Meihui really wanted to meet Ren Yingying, but considering so many guards around, she held back.

Moreover, with the strength of Meihui at this time, it would not be a problem to forcibly take Ren Yingying and everyone away, but Ren Yingying and everyone have no internal strength. Once they are pursued by the Imperial Forest Army, the consequences will be disastrous.

What?

Hearing this, Sun Dasheng and Ren Yingying’s expressions changed, and their hearts were full of surprises.

Fortunately, the sky has eyes, and King Guangping was assassinated.

What was astonishing was that this woman actually interrogated her people for the sake of King Guangping.

Thinking about it, everyone was terrified.

“This…!”

At this time, the leading guard looked embarrassed and hesitated: “Miss, I’m afraid this is inappropriate. Before, His Majesty specially ordered, without his verbal order, no one can take these repeat offenders away.

” !

Hearing this, Meihui’s face froze, and she said coquettishly: “What? Is this palace’s words useless to you? Now that His Majesty is unconscious, the most urgent task is to catch the murderer. If it is delayed, can you afford it?

” Don’t dare, don’t dare!”

Seeing the ‘Niangniang’ getting angry, the guard trembled and quickly shook his head.

The next second, the guard waved his hand: “Come on, take these repeat offenders out so that the empress can interrogate them.”

Whoa!

The voice fell, and the surrounding guards came over and escorted Ren Yingying and everyone out of the cell one by one.

“Qin Rongyin!”

At this moment, Ren Yingying looked at Meihui, unable to hide the complexity in her heart, and said softly, “Why? Isn’t it a good thing for you that King Guangping was assassinated? As soon as he dies, you can be with Yue Feng. Reunion, why do you still need to investigate the murderer?” The

voice fell, and Sun Dasheng said excitedly: “Brother and sister, don’t talk about it, I think this woman has become accustomed to prosperity and wealth, and has long forgotten her style!” When

he said this, Sun Dasheng was very is angry.

In Sun Dasheng’s heart, he has always sympathized with Qin Rongyin. The two people who clearly loved each other could never be together, but at this moment, the sympathy in his heart disappeared all of a sudden.

“Yes, I’ve long forgotten about Yue Feng.”

Facing Ren Yingying’s questioning, Mei Hui took a deep breath and replied coldly on purpose, but she blinked at Ren Yingying in secret.

Um?

Ren Yingying is a smart woman, and when she noticed Meihui’s wink, she was shocked.

She is not trying to interrogate these people, but to save everyone?

Soon, under Meihui’s order, the guards took Ren Yingying and everyone out of the prison.

Chapter 2858

Because the prison was relatively close to Ximen, she got out of the prison, and Mei Hui took everyone to Ximen directly.

“Niangniang!”

At this time, the leading guard realized that something was wrong and couldn’t help but say, “It’s not about interrogating these prisoners…”

Before she finished speaking, she saw Meihui showing a deep smile, then raised her jade hand, The palm called towards the lead guard. The reason why she didn’t do anything before was because there were too many guards in the imperial city, but now that she has left the imperial city, Meihui has no more scruples.

boom!

Mei Hui’s shot was very quick, and the lead guard couldn’t react at all, groaned, and fell directly to the ground.

What?

Seeing this scene, the surrounding guards were all shocked, and then, all of them suddenly showed pain. At this time, these guards clearly felt that their inner strength could not be exerted, and at the same time, their bodies were also limp.

Yes, when Meihui entered the prison before, she poisoned these guards, and the leading guard was relatively strong. Just in case, Meihui chose to stun directly.

“I…seem to be poisoned, and I can’t exert my internal power at all…”

“Oops, I’ve been poisoned too!”

“Mother, why…” A

dozen guards, panicked, looked at Meihui at the same time , Just before saying a few words, these guards collapsed to the ground, unconscious.

This….

seeing this scene, whether it is Ren Yingying or Sun Dasheng, they are all pleasantly surprised.

Especially Ren Yingying, who stared at Meihui closely, was very relieved, knowing that Mrs. Qin would not forget Yue Feng.

At this time, Ren Yingying thought that the person in front of her was Qin Rongyin.

“Big sage brother.”

At this moment, Mei Hui removed the disguise on her face and looked at everyone with a smile: “You sisters, you are suffering.”

Mei Hui?

Seeing her, everyone was surprised and happy, what’s going on? Qin Rongyin in front of her was actually pretending to be Meihui?

Also, where did she learn the art of camouflage? It’s so amazing, it’s almost impossible to tell whether it’s true or false.

“Little sister!”

Finally, Ren Yingying was the first to react and looked at Meihui curiously: “What the hell is going on? How did you pretend to be Mrs. Qin?”

At the same time, everyone around was watching closely. Looking at Meihui, waiting for her answer.

Meihui smiled lightly: “If I don’t pretend to be her, how can I save you? As for my disguise, I will explain it to you when I have time in the future.” After speaking

, Meihui glanced at the direction of the imperial city and continued. : “I assassinated King Guangping just now, and now the palace is in chaos. It is estimated that the Royal Forest Army will search over soon, so let’s go quickly.”

What?

She… assassinated King Guangping.

At this moment, everyone was startled again, but seeing that Meihui was not joking, they hurried to the distance, and disappeared into the night in a blink of an eye.

Everyone knows that the assassination of King Guangping is no trivial matter, and we must leave here quickly.

…

On the other side, the Apocalypse Palace.

King Guangping was assassinated, and the entire court and opposition were shaken. In the palace, patrols with torches could be seen everywhere, searching everywhere. People in the palace were panicked and the atmosphere was extremely depressing.

At this time, in Guangfu Palace, King Guangping was lying on the dragon couch. Because of the trauma to his heart, he had passed out of a coma.

Next to him, Yue Wuya was quietly guarding, and the civil and military officials on both sides stood there quietly, each with a complicated expression and anxiety in his heart.

Just now, after Yue Wuya discovered that King Guangping had been assassinated, he hurriedly took him to Guangfu Palace, and then sent someone to summon civil and military officials. As for Qin Rongyin, because there was no injury, Yue Wuya was not worried for the time being.

Chapter 2859

Call!

At this time, seeing that King Guangping’s situation was not optimistic, Yue Wuya took a deep breath, feeling very upset.

Just now, Yue Wuya ordered the eunuch to get a lot of elixir from the palace, but King Guangping did not improve. Not only that, but the civil and military officials also proposed some methods, but none of them worked.

“The Imperial Physician Luo is here!”

At this moment, I heard a burst of agitation, and then, an old minister with silver hair walked quickly into the bedroom. He looked old, but he was in good spirits. It was the famous Tianqi Palace. The imperial physician, Luo Ping.

In an instant, the civil and military officials rushed up to meet him, and Yue Wuya also quickly got up.

Luo Ping was the elder of the dynasty, and King Guangping had to give three points when he saw him.

“Doctor Luo, take a look..”

“Yes, Your Majesty’s situation seems to be very bad.”

“Don’t be afraid, Imperial Doctor Luo definitely has a solution.”

Everyone was talking in a row, Yue Wuya was inexplicably irritable.

In the next second, Yue Wuya looked around and said coldly: “The Imperial Physician Luo has already arrived, everyone please be safe and don’t be impatient, and go out first, so as not to hinder the Imperial Physician Luo from giving a diagnosis to His Majesty.”

Hula!

When the voice fell, the civil and military officials quickly shut up one by one, and then walked out of the palace one after another. Although Yue Wuya is not His Majesty’s biological prince, he is fond of him. Moreover, Yue Wuya is powerful and has a high prestige in the court. Who would dare to contradict him when he speaks at this time.

“Doctor Luo, hurry up and see how your father is doing.” Yue Wuya said politely to Luo Ping when everyone went out.

Luo Ping nodded, first looked at King Guangping’s face, and then began to take his pulse.

Ugh!

After dozens of seconds, Luo Ping sighed, his expression was very solemn, and said to Yue Wuya: “His Royal Highness, Your Majesty’s injury is very serious, the assassin’s palm will break the heart, unless there is a phoenix gall, or a pan The dragon spirit is fine.”

What?

Hearing this, Yue Wuya’s body was shocked, and his heart sank to the bottom.

Of course, Yue Wuya knew about Phoenix Gall and Panlong Jing. When he was in the Ouyang family, he heard that Phoenix Gall was rescued by his father Xiao Yuruo, while Panlong Jing was snatched from Fang Family in Xuanye Continent. Save the little fairy of Fuyao Palace.

These two things capture the essence of heaven and earth, contain silent vitality, and are treasures among rare treasures. There is only one copy in the world. After being used, there will be no more.

Thinking about it, Yue Wuya became a little anxious, and couldn't help but say, "Tianyi Luo, is there any other way?"

When he said this, Yue Wuya couldn't be more anxious. Although King Guangping was not his biological father, he could stay. He is better than his biological father and son, how can he watch him die?

This…

Luo Ping frowned, and suddenly pondered: "Yes, but there are some risks…"

Before he finished speaking, he saw King Guangping, who was in a coma, suddenly jolted and sat up suddenly. He got up and shouted: "Bold assassin, dare to pretend to be a lady to assassinate me, I will smash your corpse into ten thousand pieces."

At this time, King Guangping's expression was crazy and very scary.

Phew…

At this moment, Yue Wuya and Luo Ping were both startled.

Immediately afterwards, Luo Ping reacted and said with joy: "Great, Your Majesty woke up by himself. It seems that in recent years, His Majesty has often taken natural treasures, so his physique is stronger than ordinary people."

Yue Wuya was also overjoyed. , and also had some doubts.

What did the emperor just say? That assassin pretending to be his mother?

"Y'er!"

At this moment, King Guangping stared at Yue Wuya and shouted, "I immediately pass on my order to behead all the Ouyang family and others who are imprisoned in the prison."

When he said this , King Guangping's eyes flashed with endless anger.

Luo Ping is right. After becoming emperor, King Guangping has taken a lot of natural and earthly treasures over the years, and his physical defense is much stronger than ordinary people, so he woke up, and the first thing he woke up was to kill. Those from the Ouyang family.

Chapter 2860

What?

Yue Wuya's heart was shocked, but his head was buzzing.

"Father, why did you kill the Ouyang family?" Yue Wuya couldn't help but asked while shocked.

King Guangping covered his heart, coughed, and said ruthlessly: "Why? That second lady of the Ouyang family, pretending to be your mother to assassinate me, cannot be punished, and no one related to her can escape." With

that, King Guangping urged Said: "Go and give an order."

This…

Hearing this, Yue Wuya was completely dumbfounded, almost unable to stand, and took two steps back.

In the next second, Yue Wuya hurriedly knelt down and pleaded with King Guangping: "Father, please calm down first, there must be something strange about this matter, I am young… The second young lady of the Ouyang family is of average strength. , how could I assassinate you?"

Yue Wuya originally wanted to call her sister-in-law, after all, Meihui was Yue Feng's little sister, but when she saw King Guangping's angry look, she quickly changed her words.

Moreover, it was impossible for Yue Wuya to order the execution of the Ouyang family. After all, they were all his father's family.

At this time, Yue Wuya did not know that the members of the Ouyang family had been rescued by Meihui.

"You…"

Looking at Yue Wuya kneeling on the ground, King Guangping became angry and shouted angrily: "Y'er, you dare to disobey the imperial decree? Well, very good, it really is flesh and blood, and the Ouyang family is your own. Father's house, you can't bear it, right?"

"If you resist the decree, I will lock you up too."

Yue Wuya knelt there, gritted his teeth secretly, and didn't say a word.

Even if you are punished, you can't go out and give orders.

For a while, the huge Guangfu Palace was silent and the atmosphere was extremely solemn.

"Your Majesty, rest your anger!"

At this moment, Luo Ping couldn't help but comfort him: "To deal with the affairs of the Ouyang family, don't worry for now. The most important thing now is your Majesty's injury."

After speaking, Luo Ping glanced at Yue Wuya, Continuing: "Your Majesty can wake up by himself, it can be seen that His Majesty's good fortune is very good. The old minister has a way to restore His Majesty's heart to the way it was before, but he still needs His Royal Highness's help."

Phew!

Hearing this, King Guangping took a deep breath and suppressed his anger: "What can I do, say it!" To

be honest, King Guangping was very angry when he saw Yue Wuya's disobedience, but when Luo Ping spoke, he could only Give up temporarily, after all, Luo Ping is a senior in the court, so he has to give some face.

Luo Ping pondered for a while, and said slowly: "It is necessary to take out gold, wood, water, fire, soil, and five types of spiritual beast inner pills from the treasure house in the palace. These inner pills contain the essence of heaven and earth, which can temporarily make up for your majesty's wounded heart. "

The old minister wants to integrate the power of these five kinds of inner pills into His Majesty's heart, but the old minister's internal strength is limited, so he still needs the help of the prince."

"Okay!"

A smile appeared on the weak face of King Guangping, He nodded and said, "If that's the case, then hurry up and prepare."

With that, King Guangping tilted his head and glanced at Yue Wuya: "Ya'er, after you help, go to the harem to accompany your mother, all matters related to the imperial court. , don't interfere, you know?"

What?

At this moment, Yue Wuya was shocked and instinctively resisted.

Obviously, the father emperor insisted on executing the people of the Ouyang family, and planned to put himself under house arrest in the harem.

Thinking to himself, Yue Wuya really wanted to refute, but seeing King Guangping's resolute expression, he didn't dare to disobey for a while, so he nodded and said, "My son leads the order!"

At the same time as he agreed, Yue Wuya was very anxious.

How to do? Could it be that the Ouyang family is really helpless?

Soon, at Luo Ping's order, the little eunuch brought the inner elixir. These inner elixir are all treasured by the palace, and each one is the inner elixir of the emperor's realm.

Next, Luo Ping began to talk about the power of these inner alchemy, which was integrated into the heart of King Guangping, with Yue Wuya assisting him.

It has to be said that Luo Ping, as the first imperial physician of the palace, has excellent medical skills. In the blink of an eye, he successfully integrated the power of the four inner alchemy into the heart of King Guangping.

The ultimate husband in Chinese chapter 2861-2865

Chapter 2861

And Yue Wuya, although he has been assisting by the side, seems calm, but he has been thinking about the Ouyang family.

“His Royal Highness!”

When he was about to fuse the fifth one, Luo Ping looked serious and said to Yue Wuya, “This fifth one is the most important thing. If it fails, it will fail. Although it will not cost His Majesty’s life, But it is also very likely that His Majesty will call it ‘Stupid’.”

Stupidity is an ancient name, in other words, a vegetative person.

Stupid?

Hearing this, Yue Wuya was stunned for a moment, and couldn’t help but muttered in his heart.

That is to say, if it fails, the father will not die, but will lose all abilities.

Thinking of this, Yue Wuya nodded: “I see, Imperial Physician Luo, let’s continue!”

Hmm!

Luo Ping nodded, picked up the fifth inner alchemy, and prepared to merge, but at this moment, Yue Wuya’s eyes flashed, he raised his hand, and punched Luo Ping’s heart directly.

To be honest, Yue Wuya originally wanted to take action against Luo Ping, but King Guangping wanted to kill the Ouyang family. Yue Wuya could not stop him, so he had to take a risk.

Luo Ping also said just now that if the fusion of the inner alchemy fails, King Guangping will not die.

“Y’er? You…”

“His Royal Highness!”

At this moment, whether it was King Guangping or Luo Ping, they were all shocked. They never thought that Yue Wuya would suddenly attack.

This chapter is provided by . Visit for daily update.

In shock, Luo Ping wanted to dodge, but he was too old, and Yue Wuya's shot was so quick that he couldn't dodge at all.

Bang!

This palm, containing the tenth layer of Yue Wuya's skill, hit Luo Ping's heart ruthlessly, and when he heard a miserable cry, the whole person flew straight up, and finally hit the pillar at the door before falling heavily.

The moment he landed, Luo Ping spurted blood and swallowed his last breath.

"I'm sorry!"

Looking at Luo Ping's tragic death, Yue Wuya only felt that both hands were shaking, and his eyes flashed with struggle and guilt: "I'm sorry, Imperial Physician Luo, I don't want to kill you, but I really have no choice.

" , Yue Wuya intends to turn King Guangping into a vegetative state, the stakes are very important, and the second person must not know about it.

Therefore, Luo Ping must die.

When the words fell, Yue Wuya turned around and looked at King Guangping quietly.

"Y'er, you…"

Interrupted at a critical moment, King Guangping's face was extremely pale, and he looked at Yue Wuya in shock and anger: "Why did you do this?"

"Father."

Yue Wuya took a deep breath With tears in his eyes, he choked and said, "I have always respected you in my heart, and sometimes I even regard you as my biological father, but… But I can't just watch the Ouyang family go wrong, don't worry, you will change. After you become 'stupid', my mother and I will take good care of you!"

"As for the Apocalypse Continent, you can leave it to me!"

King Guangping was so angry that he wanted to rush over, but he had no energy at all, not only In this way, King Guangping found himself speechless.

This is the sign of becoming 'stupor'.

"Someone…"

Seeing this scene, Yue Wuya wiped away the tears from the corners of his eyes and shouted at the outside of the hall.

Soon, the guards outside the hall, as well as the civil and military officials, rushed in quickly after hearing the shout.

This.. what's the situation? !

Entering the hall, everyone was stunned when they saw the scene in front of them, froze there, completely stunned.

I saw that Luo Ping was covered in blood and had no breath. On the other hand, King Guangping was lying on the dragon couch. Although he opened his eyes, he did not respond at all.

Chapter 2862

"My lords!"

Yue Wuya looked around and said with a look of grief and indignation: "In the process of Taiyi Luo's treatment of the father, in addition to mistakes, the father became 'stupid', as a senior official in the court, but Make such a mistake, you deserve to die!"

When he said this, Yue Wuya looked at Luo Ping's body and felt very guilty.

Imperial Physician Luo, I'm sorry, for the sake of the overall situation, I can only put the blame on you.

Whoa!

At this moment, when they heard Yue Wuya's words, everyone reacted in shock.

"This… Imperial Physician Luo is very skilled, how could such a mistake happen…"

"It may be that His Majesty, who was too old and neglected for a while, became like this, sigh…"

"How can this be done? "

There was a lot of discussion, and no one doubted Yue Wuya's words, and they all felt sorry for Luo Ping.

Nizi… actually reversed black and white.

At this moment, King Guangping was extremely angry, and kept shouting in his heart, yes, although he couldn't move or speak, he was sober, and he could hear the words of everyone in the hall clearly.

"His Royal Highness!"

At this moment, under the discussion of everyone, one of them knelt down to Yue Wuya in public: "Now that Your Majesty has become like this, it is really unfortunate for us in Tianqi Continent, but there can be no king in the court for a day. Please also enthrone your Highness as soon as possible!"

"Yes, the assassin has not been found yet, please enthrone your Highness today and preside over government affairs!"

"Be sure to catch the assassin and avenge your majesty!"

"Please, Your Highness, enthrone as soon as possible.."

In an instant, in the entire Guangfu Palace, all the civil and military officials knelt down and shouted in unison.

Um!

Seeing this scene, Yue Wuya hesitated, then nodded: "Then pick a day and prepare for the enthronement ceremony. By the way, the most important thing now is to find a way to wake up the father."

"Pass my order . , immediately send people to various continents to look for famous doctors."

"Yes, Your Majesty!" The civil and military officials responded in unison.

call!

Yue Wuya took a deep breath and tilted his head to look at King Guangping lying there. He secretly said in his heart, "Father, Emperor, although I am not filial, it is also God's will, so you can rest in peace.

"Report!"

At this moment, a prison guard rushed in in a panic, sweating profusely, and shouted at Yue Wuya: "Your Highness, it's not good, the people of the Ouyang family have all been kidnapped. ."

What?

Hearing this, the expressions of the surrounding civil and military officials changed greatly, and they were all shocked and angry.

Great, the Ouyang family was saved.

Yue Wuya was also stunned for a moment, and his heart was full of surprises, but he still had a very angry look on his face: “The felon ran away? What’s going on?”

“Last night there was a woman who pretended to be a concubine. Take the people of the Ouyang family out of the prison, saying that they are going to interrogate…” The prison guard Mantou was sweating coldly and stammered out the situation.

When he said this, the guard was so nervous that he couldn’t even kneel. Repeat offense and escape, this is a serious crime of dereliction of duty.

Whoa!

At this moment, the entire hall was in an uproar, and the civil and military officials were all angry.

“It’s so maddening , you’re actually pretending to be the goddess. You’re so bold! You’re so bold!”

“These repeat offenders must not be easily forgiven!

“

Send the garrison to pursue. At this moment, Yue Wuya

looked expressionless and looked around coldly: “Now the situation in Kyushu is chaotic, the Imperial Forest Army cannot be easily mobilized, and the most important thing now is to find a famous doctor and treat the father and emperor.”

He waved his hand: “Okay, let’s all back down.”

Chapter 2863 The

Ouyang family finally escaped from the prison, how could it be possible to send the Royal Forest Army to pursue it?

“Yes, Your Majesty!”

Seeing Yue Wuya saying this, the civil and military officials looked at each other in dismay, and they all stopped insisting and left the hall one after another!

Watching everyone leave, Yue Wuya ordered the eunuch to take good care of King Guangping and walked out.

My mother has been in a coma for so long, I don't know if she has woken up.

For a time, the huge Guangfu Palace suddenly became deserted.

At this time, King Guangping lying there, in addition to being angry, he was also very anxious. He wanted to get up and summon civil and military officials, but because of the failure to integrate the inner alchemy, he has become a vegetative person, and he can't do anything except clear his mind.

Ya'er, I treat you like my own, but you treat me like this? !

I'm so unhappy.

In his heart, King Guangping kept shouting madly. At the same time, the father and son's love for Yue Wuya slowly turned into hatred in the endless anger.

Before you know it, it gets dark outside.

After the night, the little eunuch who was guarding in front of Wang Long's couch in Guangping also went to rest.

Whoosh!

At this moment, a black shadow, like a ghost, entered the hall silently.

"Tsk tsk…"

When he arrived in front of Longta, he saw King Guangping lying there. Although he opened his eyes, he couldn't move. Hei Ying was stunned for a while, and finally shook his head and sighed, "It's a shame I ran so far. You have become like this."

This man's face was pale and his tone was gloomy, and it was the messenger of Hades, Gong Hao.

Who is this person?

At this moment, although King Guangping couldn't speak, he could feel the Yin Qi in Gong Hao's body. While surprised, he was also somewhat flustered.

"Don't panic!"

Feeling the panic of King Guangping, Gong Hao smiled slightly and said lightly: "I won't hurt you, it's just a pity, you King Guangping is also a generation of heroes, His Majesty

Pluto appreciates it very much, and sent me here specially Looking for you to cooperate, but I didn't expect it, it's still a step late."

Hades?

Hearing this, King Guangping was shocked, what is this existence?

"Pluto is the ruler of the ghost world." Gong Hao's expression showed a hint of respect: "If you die, you will also enter the ghost world, understand?"

"You?"

At this moment, King Guangping was very shocked, looking at Gong Hao: "Can you hear what I'm saying?"

"Of course, I'm the messenger of Hades." Gong Hao looked at him with a half-smile: "Of course I can hear what you're saying."

Yes, at this time Although King Guangping couldn't move or speak, Gong Hao, as the messenger of Hades, could hear what King Guangping said in his heart through his thoughts.

"Pluto sent you here, why are you asking me to cooperate?" King Guangping forced himself to calm down and asked.

Gong Hao chuckled lightly and said slowly: "Naturally it is a major event for the hegemony of Kyushu."

After speaking, Gong Hao looked up and down at King Guangping, his eyes couldn't hide the loss: "It's just that you have become like this now, it seems that It's useless to Hades." As the

voice fell, Gong Hao was about to leave.

"etc!"

At this moment, King Guangping couldn't help shouting in his heart, very urgent: "Since you are the messenger of Hades, there must be a way to make me return to normal, I beg your Excellency to save me."

Gong Hao stopped, thought about it, and turned back. Said : "There is a way, it depends on whether you want it or not." After speaking

, Gong Hao took out a medicinal pill from his body, and continued: "This is His Majesty Pluto's Jiuyou Xuanming Pill. It 's back to normal."

Great!

King Guangping was overjoyed and couldn't be more excited, but at this moment, he heard Gong Hao's words turn his head: "But you must also be clear that after taking the Nine Nether Profound Ming Pill, your soul belongs to Hades. In other words, in the future, You are the puppet of His Majesty Hades."

What?

Hearing this, King Guangping's heart was shocked, and he was immediately stunned.

Chapter 2864

King Guangping at this time, caught in the battle between heaven and man, is very tangled.

The emperor of his own dignified Apocalypse Continent is extremely noble, how can he be the puppet of Hades?

But if you don't agree, will you be lying half-dead for the rest of your life?

"If you don't want to, I won't force it!"

Seeing that King Guangping's eyes flashed and he refused to respond for a long time, Gong Hao couldn't wait: "I will leave before dawn, you should think about it."

"Okay! The

voice fell, and King Guangping gritted his teeth secretly, and made a decision: "I will."

To be honest, King Guangping didn't want to agree at all, but there was no way, in order to regain his power, there was only one way to choose.

Um!

Seeing his agreement, Gong Hao was stunned for a moment, then nodded approvingly, then walked over, stuffed the medicinal pill into King Guangping's mouth, and said at the same time, "As expected of a generation of heroes, he is still decisive."

Om!

At this moment, after taking the medicine pill, King Guangping was surprised to find that his body slowly regained his intuition. Not only that, but the inner strength of his dantian gradually recovered. What made him even more happy was that his damaged heart vessels were also heal slowly.

Is this the effect of Jiuyou Xuanming Pill? Amazing.

However, King Guangping also noticed that while he was recovering his inner strength, there was also an evil force that penetrated into his dantian. It was the evil force only found in the ghost world.

“King Guangping!”

Gong Hao watched quietly, and when King Guangping sat up slowly, he smiled and said, “Congratulations on your recovery, from now on, you and I are our own people, and we will work hard for Hades in the future. .”

Saying that, Gong Hao took out a piece of talisman paper that shone with a faint blue light: “At this time, the shielding talisman, when worn on the body, can hide the evil spirit of your body, and it is not easy to be discovered.”

“Understood… .”

King Guangping responded and put away the shielding talisman.

Immediately afterwards, King Guangping took a deep breath and said to Gong Hao, “Thank you, Your Excellency the messenger.”

“Don’t be too busy to thank you!” Gong Hao smiled slightly, with slyness in his eyes: “Next, there are still things that need you to be the King of Pluto. Go do it .”

“Your Excellency, please tell me!”

Gong Hao walked back and forth a few times, saying word by word: “The Nine Heavens Saintess are scattered in Kyushu, and their whereabouts are unknown. The King of Pluto needs you to find out the whereabouts of these saintess. These saintess are in control.”

Gong Hao’s eyes flashed a treacherous smile when he said this.

Yes, Pluto sent Gong Hao here to cooperate with King Guangping and use the power of the Tianqi royal family to investigate the whereabouts of Jiutian Xuannv.

Gong Hao thought it was a chore, because King Guangping was very cold and arrogant, and it didn’t necessarily make sense. As a result, he saw that King Guangping had turned into a vegetative state. This was a godsend for Gong Hao, so he took out nine Youxuan Mingdan, bewitched King Guangping and turned him into his own.

Saintess of the Nine Heavens?

Hearing this, King Guangping was stunned and frowned.

With such a special name, who is this person?

“King Guangping!”

Seeing the expression on King Guangping’s face, Gong Hao said lightly, “I don’t want to reveal the specifics. In short, if you meet someone who claims to be the Holy Maiden of the Nine Heavens, you must find a way to control it, and then use the Spirit Gathering Orb. Let me know.”

After speaking, Gong Hao handed King Guangping a green bead, which was crystal clear and full of yin, and it was the unique gathering spirit bead unique to the messenger of Hades.

The Juling Pearl is something that only exists in the ghost world. Through the Juling Pearl, King Guangping can pass the news to Gong Hao.

“Okay, I see!” King Guangping nodded and agreed.

Even if you don’t agree, it won’t work. At this time, he is already the puppet of Hades and can’t help himself.

“Okay, I won’t disturb your rest.” Gong Hao smiled evilly, turned and walked out of the hall, disappearing into the night in the blink of an eye.

call!

At this moment, King Guangping took a deep breath and looked at the night outside with endless gloom in his eyes.

Ya’er, you want me to lie on the dragon’s collapse for the rest of my life, and you never think that I can stand up again.

Chapter 2865

Thinking of this, King Guangping sat there cross-legged and began to practice.

Jiuyou Xuanming Pill can’t help but have the effect of curing ‘stupor’, and also contains powerful Yin evil power. Guangping Wang just took it soon, and he needs to turn all these Yin evil powers into his own.

…

the next morning early in the morning!

Yue Wuya brought Qin Rongyin to Guangfu Palace.

At this time, Qin Rongyin's beautiful face showed complexity and worry. After being knocked out by Meihui last night, he didn't wake up until dawn. After waking up, the first thing he knew was that King Guangping had become a 'stupor' '.

This made Qin Rongyin both shocked and worried.

Although she couldn't tolerate King Guangping in her heart, she had been cared for and cared for by King Guangping over the years, and had some family affection. Now that King Guangping has become like this, Qin Rongyin felt very uncomfortable, so she called Yue Wuya early in the morning, let's go together Come and see.

"Your Majesty!"

Entering Guangfu Palace, Qin Rongyin's body trembled when she saw the scene in front of her, and she couldn't help shouting.

I saw that King Guangping was lying there, motionless.

"Mother!"

Yue Wuya took a deep breath and said complicatedly: "Last night, I did my best, but I didn't expect that Luo Ping would make a mistake at a critical moment."

When he said this, Yue Wuya felt very guilty. He glanced at King Guangping.

At this time, Yue Wuya and Qin Rongyin didn't know that King Guangping had recovered and was lying there, just taking a break.

Qin Rongyin sighed and was about to speak, but was interrupted by a faint voice.

"Madam, I am very pleased that you can come to see me." The

voice fell, and I saw King Guangping sitting up slowly, with a pair of eyes, looking at the mother and son with a half-smile.

What?

Yue Wuya was shocked and horrified, staring blankly at King Guangping completely stupid.

He…. didn't he become stupefied? Last night, I checked it myself, except that he had a pulse, his whole body was paralyzed, how could he still sit up and talk?

Qin Rongyin next to her also trembled, surprised and happy.

Great, Your Majesty is all right.

Whoops!

At this time, the palace guards outside heard the movement and quickly came in to check, and they were all stunned.

This…. Hasn't His Majesty become stupefied? How is it?

For a time, those guards were stunned, they just felt that their brains were not enough.

"Royal Father!"

Finally, Yue Wuya reacted and said to King Guangping, "Why…"

Before he finished speaking, he was interrupted by King Guangping.

"Why am I all right?" King Guangping's eyes flashed with endless anger, and he sneered: "Y'er, you are really filial. You killed Imperial Doctor Luo, and you made me stupefied, and you put all the blame on Luo. As an imperial physician, I treat you like my own, but you treat me like this? You said, what should you be blamed for?"

What? !

Qin Rongyin was extremely shocked.

At this moment, Yue Wuya also trembled, and quickly knelt on the ground with a sincere expression on his face: "Father, the emperor, calm down, my son is forced to do this, I just don't want to see the innocent and tragic deaths of those in the Ouyang family."

"Since the father is all right, the son doesn't have to blame himself all the time."

Haha!

King Guangping sneered, his anger undiminished: "You are very frank, for the sake of the Ouyang family, you will lie down and be immobile for the rest of your life!"

After speaking, King Guangping's eyes froze and he shouted: "Come here, Put Yue Wuya in jail, and at noon tomorrow, I will be executed at the gate of the palace!"

The ultimate husband in Chinese chapter 2866-2870

Chapter 2866

What?

At this moment, Yue Wuya's heart was shocked, and he was paralyzed there.

Father is going to kill me?

However, it was his own fault for committing a big crime, and since his aunt and the Ouyang family were all safe, he had no regrets.

Thinking about it, Yue Wuya smiled miserably, without resisting at all, letting the surrounding guards tie him up.

"Your Majesty!"

Seeing this scene, Qin Rongyin trembled and said anxiously at King Guangping: "No, Your Majesty, Ya'er is still young and ignorant, and I have the responsibility to commit such a big crime, I beg you to give him a chance "

Shut up!"

King Guangping's expressionless face interrupted coldly: "For so many years, I have treated him as my own, and named him a prince, and I will pass the throne to him in the future, but this renegade son, Not only did he commit the crime of bullying the king, but he also killed the elders of the dynasty."

"If I spare him, what kind of royal power will there be?"

Speaking of the last sentence, King Guangping waved his hand and said coldly: "Take Yue Wuya with you. Go down!"

Upon hearing the order, several guards pushed Yue Wuya out of Guangfu Palace!

"No…"

Qin Rongyin was distressed and frightened at the same time, she was about to stop her when she rushed up, and at the same time, she did not forget to shout to King Guangping: "Your Majesty, Ya'er grew up with you, can you bear it? If I die, I will not live alone."

Phew!

This chapter is provided by . Visit for daily update.

Hearing this, a trace of pity flickered in King Guangping's eyes, but it was quickly replaced by coldness.

"Stay the empress, and enter the cold palace. Without my order, no one is allowed to see her!"

"Yes, Your Majesty!"

At this moment, two guards came over and forcibly took Qin Rongyin out.

"Your Majesty, you spared Ya'er, spare him…" Qin Rongyin cried desperately, trying to break free, but the two guards held him tightly, unable to move at all, and tears rolled down her cheeks.

Seeing the mother and son being kept in one after another, King Guangping was expressionless, without the slightest emotional fluctuation.

Yes, after taking Jiuyou Xuanming Pill, King Guangping's mood has changed, and his emotions have been gradually replaced by cold evil.

…..

the other side!

Apocalypse Continent, in a mountain forest on the southeast coast, a figure kept moving forward with a gloomy expression. Although he was too tired, he didn't mean to stop.

It was Zhang Jiao.

Ever since Zhang Jiao was lucky enough to break out of the siege by Jed's raid at the Supreme Conference, he has been on the run for the past few days.

Originally, after escaping from the Beiying Palace, Zhang Jiao planned to find a safe place to rest and regain his inner strength, but what annoyed him was that no matter where he went, the underworld soldiers in the ghost world could find him.

Two hours ago, after Zhang Jiao used the Heaven-opening Axe to repel a wave of underworld soldiers, he finally found a special mark on his body, which was the blood spirit mark that Jade struck on him at that time.

However, after getting rid of the blood spirit seal, Zhang Jiao did not feel relieved at all.

Those underworld soldiers come and go without a trace, so he must find a safe place and restore his strength.

But where is the safe place?

Got it!

At this moment, Zhang Jiao arrived at the seaside and looked at the looming Longevity Island in the distant sea, and suddenly had an idea.

….

at this moment, on Longevity Island.

Longevity Island is the main altar of the Hall of Longevity. It is located in the deep sea and is thousands of miles away from the nearest continent.

Because of its remote location, the situation in the Kyushu Continent was turbulent during this period, but the main altar of the Hall of Longevity was not affected in the slightest.

Two months ago, the white horse deceived everyone, and after sitting on the palace master, he built a palace for himself on the island, and far away, a Qionglou palace was like a palace.

At this moment, inside the palace hall.

Chapter 2867 The

white horse sits leisurely on the throne, sipping tea leisurely.

Beside him, there is a slender woman, wearing a fiery red dress, which sets off a charming curve. Her facial features are exquisite, but there is a cold pride in her eyebrows.

It was White Horse’s wife, Red Snake.

Like White Horse, Red Snake was originally one of the four Dharma Kings of the Hall of Longevity, but after White Horse became the Hall Master, his status rose and he became the Lady of the Hall Master.

“I heard that a lot of things have happened in the Kyushu Continent recently. Should we do something in the Hall of Longevity?” The red snake said softly, with undisguised ambition flashing in his eyes.

Although they have been staying on Changsheng Island during this time, White Horse and Red Snake have been paying attention to the situation in the Kyushu mainland.

Hey-hey!

The white horse smiled and looked at the red snake, nodded and said: “What’s the hurry, let’s wait and see, it’s better for the Kyushu continent to fight each other, and when they are almost fighting, let’s clean up the mess. At that time, if I become the Kyushu continent. Wulin leader, you are the wife of the leader.”

Pu Chi. Hearing this, Red Snake couldn’t help sneering

and said, “You are smart, but that’s fine. The more chaotic the Kyushu Continent, the better it will be for us!”

“Palace Master!”

He opened his mouth and said, “Someone landed on the island and said they wanted to meet the palace master.”

“Who?” Bai Ma asked with a frown.

The red snake also had a pretty face with anger, and said displeasedly: “How did you patrol? You can actually let a person board the Longevity Island?

” The disciple spoke with sincerity and fear, and when the words fell, he took out a letter, stepped forward and handed it to the white horse.

What?

Bai Ma took the letter lazily, opened it, and was shocked, and his whole body was dripping with cold sweat.

I saw that only a few words were written on the letter, ‘Breaking the heart and rotting the bones’, but these four words looked like a fatal reminder to the white horse, and the whole person was extremely frightened.

A few months ago, Bai Ma, Wen Chou Chou, and everyone in the Ouyang family were captured by Zhang Jiao. At that time, in order to save everyone, Wen Chou Chou pretended to join Zhang Jiao, and at the same time let Bai Ma pretend to be loyal to Zhang Jiao, so that Bai Ma could help him secretly.

As a result, the white horse was seen through by Zhang Jiao, and then was beaten with a ‘heart-shattering palm’.

After White Horse became the head of the Hall of Longevity, he took a lot of elixir from the main altar. At the same time, with the help of the Red Snake, he completely solved the hidden danger of ‘heart-breaking and rotten-bone palm’.

Bai Ma originally thought that if there was no hidden danger in his body, he would have nothing to do with Zhang Jiao, but he never thought that Zhang Jiao would actually find the door.

“Is it Zhang Jiao?”

At this time, seeing the words on the letter, the red snake also trembled, and suddenly became nervous.

Zhang Jiao is very powerful. He helped Yang Jian conquer the Kyushu Continent before, and now he has an axe to open the sky. Such an existence can’t be provoked at all.

Whoa!

Hearing the words of the red snake, many of the hall masters in the hall also changed their expressions and became very angry.

“It turned out to be him? This horn killed our Palace Master Wen, and dared to send it to the door?”

“I must kill him later to avenge the Palace Master Wen.”

“Yes, revenge!”

The roars of the people kept coming, The white horse was in a hurry.

The one who really killed Wen Chou Chou was himself. At that time, in order to be the hall master, he put the blame on Zhang Jiao. If the following people knew the truth, his own hall master would not be able to do it.

Thinking to himself, the white horse raised his hand: “Everyone, don’t be impatient. This horn is powerful. If we face it head-on, we are afraid that we won’t be able to avenge the Palace Master, and we will give our lives in vain.”

“In this way, everyone go down and prepare first. , I’ll deal with him first.”

This…

Hearing this, the hall masters present looked at each other in dismay, a little unwilling, but still withdrew.

“Please come up!” At this moment, the white horse said to the disciple.

The disciple nodded, walked out quickly, and came in with a person after a while.

It was Zhang Jiao.

Chapter 2868

“Tsk tsk!”

At the moment of entering the hall, Zhang Jiao looked at the magnificent surroundings, first chuckled lightly, and said to the white horse: “I really missed it before, I didn’t expect the white horse to be very ambitious, and in a blink of an eye I became the master of the Long Temple.”

“Mr. Zhang is serious.” Bai Ma squeezed out a smile and said cautiously: “I don’t know if Mr. Zhang came suddenly, what is the order?”

Bai Ma didn’t want to be so polite to Zhang Jiao, but he didn’t The way, the opponent’s strength is too strong.

Um!

Seeing Bai Ma’s attitude, Zhang Jiao nodded with satisfaction: “Okay, not much nonsense, your place is very good, find me a secret room, I want to retreat and practice!”

“By the way, this is the president of Changsheng Palace. There must be a lot of heaven and earth treasures in the altar, and they are all sent to me.” The

tone was full of orders, and there was no doubt.

In Zhang Jiao’s heart, the white horse was just a clown jumping on the beam, and it was a coincidence that he was able to sit on the throne of the Hall of Longevity, and he didn’t take it seriously at all.

More importantly, Bai Ma was also hit by his ‘heart-shattering palm’, and he didn’t dare to disobey his own request.

At this time, Zhang Jiao didn’t know that the white horse had already solved the crisis.

Made!

Hearing this, Bai Ma was very angry, Zhang Jiao regarded himself as a dog under his command? Not only do you want to retreat to the secret room for cultivation, but you also want the treasures of heaven and earth in the main altar?

I thought to myself, Bai Ma wanted to refuse, but because he was afraid of opening the axe, he held back.

“Tiancaidibao, I will prepare immediately, sir, go to the secret room with me first.”

The next second, Bai Ma held back his anger and opened his mouth with a smile. Then, with Zhang Jiao, he walked out of the hall and walked towards the forbidden area behind.

A few minutes later, the white horse took Zhang Jiao to a secret room in the forbidden area.

This secret room is located on the cliff behind the main altar. It is very secret. It is the place where the masters of the halls of longevity have retreated and practiced. It is difficult for ordinary disciples to come here.

“Yeah!”

At this time, Zhang Jiao looked around at the surrounding environment, and nodded approvingly: “This place is not bad!”

This is the forbidden area of Changsheng Island, and it is difficult for those underworld soldiers to find this place. Soon you will be able to fully recover your inner strength.

“Mr. Zhang likes it! You can meditate in it first, and soon, I will bring the treasures of heaven and earth.” Bai Ma said respectfully with a smile, but his eyes flashed coldly.

“Okay, very good!”

Zhang Jiao showed a smile, without any doubt, and entered the secret room directly.

Click!

It was at this moment that the white horse sneered and pressed a switch at the door of the secret room, and then a sound was heard. Then, a giant cage descended from the ceiling of the secret room and directly covered Zhang Jiao.

what!

All this happened so fast that Zhang Jiao couldn’t react at all, and was instantly furious.

Zhang Jiao saw that the giant cage in front of him was made of a kind of black metal.

Afterwards, Zhang Jiao quickly took out the sky-opening axe and slashed the cage, but what he didn’t expect was that after a loud noise, the cage didn’t move at all.

“White horse…”

Zhang Jiao's anger rose, and across the cage, his eyes locked on Bai Ma: "You dare to cheat on me, but have you thought about the consequences?"

At this time, Zhang Jiao understood that Bai Ma's smile just now was all fake . But what he didn't expect was that this kid was daring and dared to make fun of himself.

Chapter 2869

"Zhang Jiao."

Feeling Zhang Jiao's anger, Bai Ma didn't panic at all, and sneered and sneered: "I didn't expect that I have today? Speaking of which, we didn't have any grudges, but you used 'destroy me' against me before. Heart rotten bone palm', forced me to surrender to you, and now come to me again, show off my power to me, if I endure it, how can I be the Lord of the Palace of Longevity?"

When he said this, White Horse was full of resentment.

Madd, who was in the main altar of the Wutian Organization before, was inferior to a dog in front of him, and was humiliated by him in every possible way. Now that he is trapped, he must speak his anger well.

"Little man!"

Zhang Jiao smirked in arrogance, and was too lazy to talk nonsense. He held the Sky-Opening Axe tightly and slashed towards the cage again. However, as before, although the Sky-Opening Axe was extremely sharp, it could be cut through, but the cage was a bit small. There are no traces.

Haha…

Seeing this scene, Baima laughed and said mockingly: "Zhang Jiao, don't waste your energy, this cage is made by our ancestors of the Hall of Longevity, made of meteorites from outside the sky, it is extremely tough, if you are the peak Strength, may be able to motivate the opening axe to break, but now, don't think about it."

When he said this, Bai Ma was a little proud.

Yes, Zhang Jiao has been pursued by the underworld soldiers for the past few days, and his internal strength has been severely depleted, and he cannot stimulate the power of the Kaitian Axe at all. Otherwise, a cage can't trap him at all.

"You're courting death!"

Zhang Jiao's eyes were blood red, and he said angrily, "When I go out, you will be smashed to pieces!"

“I’m afraid you won’t have this chance!” The inner alchemy came out: “These are the inner alchemy of the Bilin Centipede. The energy contained in it is extremely poisonous.”

“Aren’t you poisoning? “

“Also, this hall of longevity knows that you killed Wen Chouchou. If you kill you, I can give an account to the hall of longevity, haha,…” The

voice fell, and the white horse urged his inner strength, and suddenly burst. Those inner cores were thrown into the cage.

hum.

In an instant, I saw a thick green fog that spread out in an instant, filling every corner of the secret room. The mist is highly poisonous, and the rustling sound of corrosion can be heard in the air.

Zhang Jiao was unavoidable, and was suddenly shrouded in poisonous fog.

“Despicable and sinister boy, you wait for me, ah…” In the poisonous fog, Zhang Jiao’s roar kept coming, accompanied by screams.

Bai Ma smiled coldly, and turned to leave as if he didn’t hear it.

Bai Ma thought about it. After Zhang Jiao died, he would open the secret room and take out the Kaitian Axe. The Kaitian Axe was a peerless weapon, and no matter how powerful the poison was, it would not be corroded.

After getting the Heaven-opening Axe, he can lead the Hall of Longevity and return to the Kyushu Continent to compete for the martial arts.

…..

the other side.

Tianqi Imperial City, Qianyuan Hall.

The weather was not good today, the clouds were dense, and the civil and military officials in the hall all had complex expressions and dignified thoughts.

Yes, today is the day to execute Yue Wuya. King Guangping summoned hundreds of officials early in the morning, and went with him to the gate of the palace to supervise the execution. In order to prove his emperor Tianwei,

the street outside the palace gate was surrounded by layers of people. His Majesty is going to execute the prince, this has already spread in the imperial city, and many people want to see the excitement.

At the gate of the palace, Yue Wuya was wearing a prison uniform, his hands and feet were tied with iron chains, and he was tightly tied to the execution platform.

At this time, Yue Wuya's expression was indifferent, without the slightest panic and nervousness, but there was a trace of nostalgia for the world in his eyes. At this time, Yue Wuya had matured a lot.

Things have been done, and the corresponding price must be paid, and there is nothing to regret.

Chapter 2870

At this moment, Yue Wuya looked at the dim sky above his head, tears glistening faintly in his eyes.

Mother, I will not be able to do my filial piety to you in the future.

At this moment, in Qianyuan Palace.

Seeing that the time was almost up, King Guangping raised his hand.

The eunuch next to him hurriedly shouted: "Get up!" The

voice fell, and King Guangping was about to lead a hundred officials to go to the gate of the palace to supervise Yue Wuya.

"Report!"

At this moment, a guard walked in quickly and respectfully said to King Guangping: "There is a woman outside asking to see you!"

Woman?

King Guangping frowned and said lightly, "Bring it in." When he said this, King Guangping's face was gloomy.

Asking for an interview at this time, could it be that it was sent by the Ouyang family to rescue Yue Wuya? Since it was delivered to the door, he grabbed it and beheaded it with Yue Wuya.

The guard nodded, hurriedly turned around and went out, and soon returned with a charming figure.

Whoa!

At this moment, seeing this woman, whether it is King Guangping or the civil and military officials present, can't help but take a deep breath, completely stunned!

I saw that this woman was in her twenties, with a beautiful face and an even more exquisite body curve. She was wearing a long pale pink dress, she looked immortal and very charming!

beautiful!

Simply beautiful!

Especially that otherworldly temperament, even when Chang'e was present, was no less.

"I have seen Your Majesty!" The woman gave a gentle salute, neither humble nor arrogant: "My name is Lan Xin, originally the Nine Heavens Saintess, she has been in the Heavenly Spirit Realm, but ten years ago, the Heaven and Earth Profound Formation collapsed, causing our Nine Heavens Saints The woman has lost her connection with the Divine Realm…"

Yes, this woman is one of the Nine Heavens Saintess, Lan Xin.

Like Zi Yan, Lan Xin was also looking for her companions after the separation of the Nine Heavens Saintess half a month ago. However, after searching for half a month, there was still no clue. After passing through Tianqi Imperial City today, Lan Xin wanted to seek the help of King Guangping. .

Saintess of the Nine Heavens?

For a time, the civil and military officials were all stupid, and their brains were buzzing.

King Guangping was also shocked, and at the same time he was secretly delighted, that's great, the messenger of Hades, who just explained himself to inquire about the whereabouts of the Nine Heavens Saintess, took the initiative to send one to the door today.

"It turned out to be the saintess!"

At this time, King Guangping said with a fake smile: "The saintess are so noble, it is my honor to come to me for help, don't worry, I will definitely send someone to help you find other saints."

"However, the noon time is coming soon. I want to arrest the repeat offender first, and ask the saint to wait for a while!"

King Guangping thought about it, and after beheading Yue Wuya, he would try to deal with the saint Lan Xin.

“Thank you, Your Majesty!” Seeing King Guangping’s straightforward answer, Lan Xin was very happy and smiled lightly: “Since it’s a serious criminal, I’ll take a look at it.”

“Okay!”

King Guangping nodded, and immediately took Everyone walked out of the main hall and came to the outside of the palace gate.

“See Your Majesty!”

Seeing the Emperor coming out, the people outside the palace who were watching the excitement stopped talking and knelt down in unison.

The King of Guangping raised his hand to sign off the ceremony, and then sat on the dragon chair. Lan Xin was a saint and had a special status, so she resigned her seat on purpose.

“Your Majesty!”

At this moment, Nie Yunxiao, commander of the Imperial Forest Army, came over and said cautiously, “The hour has come!”

Yes, Nie Yunxiao was the executioner who executed Yue Wuya today.

King Guangping didn’t speak, just nodded.

The ultimate husband in Chinese chapter 2871-2880

Chapter 2871

Nie Yunxiao immediately turned around and walked to the execution platform, before Yue Wuya, and read out the crime coldly: “Yue Wuya, who was originally a prince, was deeply loved by His Majesty, but was arrogant and favored, secretly colluded with felons, and assassinated His Majesty, The crime cannot be punished, I will execute it today as an example.” After the

reading, Nie Yunxiao looked at Yue Wuya: “What else do you want to say?”

Huh!

Yue Wuya took a deep breath and looked up at King Guangping, who was sitting on the dragon. At this time, Yue Wuya really wanted to have a few words with King Guangping, but what disappointed him was that King Guangping was expressionless and didn’t look at him at all.

And seeing Lan Xin sitting beside King Guangping, Yue Wuya was completely heartbroken.

Just because he made a big mistake, the father and the emperor don’t even like the mother, and changed a queen so quickly?

At this time, Yue Wuya didn’t know that the one sitting beside King Guangping was not the new empress, but the Nine Heavens Saintess.

A few seconds later, Yue Wuya said to Nie Yunxiao: “I have nothing to say.”

“You really have nothing to say!”

Nie Yunxiao sneered, his face full of mockery: “Although you are not biological, but Your Majesty will You treat it as if you were your own, but what about you, you are actually taking revenge for your kindness, and killing you today is already cheap for you.”

When he said this, Nie Yunxiao’s eyes flashed with playfulness.

Nie Yunxiao is very conceited, thinking that his strength and ability to lead troops to fight are no worse than Yue Wuya, but Yue Wuya enjoys the treatment of the prince by virtue of his majesty’s adopted son status, and he has to obey his orders. Thinking of this, Nie Yunxiao became jealous.

But today, Yue Wuya has lost everything, and he is still the executioner, it’s really cool to think about it.

“Prepare for execution!”

With pride, Nie Yunxiao shouted, and suddenly several guards came over and pulled Yue Wuya down on the execution platform.

This chapter is provided by . Visit for daily update.

Seeing this scene, the people watching around couldn’t help but talk about it.

“As a prince, to assassinate His Majesty is simply outrageous.”

“Yeah, although it is not biological, His Majesty has never treated him badly. Such a person is a crime that deserves death!”

“Killing him…”

Discussion Under the circumstances, many people couldn’t control their emotions, and shouted at Yue Wuya, urging the execution to be executed quickly.

At this time, none of the onlookers sympathized with Yue Wuya. After all, the Apocalypse Continent was a country of etiquette and paid attention to morality, and Yue Wuya’s behavior was outrageous.

Everyone’s curses kept coming, Yue Wuya didn’t seem to hear it, his face was blank, as if he had lost his soul.

“Hey…”

At this time, Lan Xin, who was sitting there, couldn’t help but sigh softly, and looked at Yue Wuya without the slightest emotional fluctuation: “I didn’t expect that the one who was beheaded today was a prince. , to help a repeat offender and assassinate his own father, it is indeed worth dying.”

Hearing this, King Guangping smiled.

The next second, King Guangping said to Nie Yunxiao, “Execute!” When he said this, a trace of pity flashed in King Guangping’s eyes.

Ya’er, the royal father doesn’t want to do this either, but what you have done before has really disappointed me. If I don’t kill you today, what majesty does the royal father have? How will you take over the world in the future?

After receiving the instructions of King Guangping, Nie Yunxiao shouted, then pulled out the long knife on his body and slashed directly at Yue Wuya’s neck.

call!

Seeing the long knife slashing, Yue Wuya slowly closed his eyes.

Mother, father, see you in the next life!

“Stop!”

However, at this moment, only a roar was heard, which came from mid-air!

Immediately afterwards, in the distance, a figure flew over at high speed, his face was full of anxiety, and his eyes were blood red!

It is Yue Feng!

The next second, Yue Feng’s figure flashed, as fast as lightning, directly blocking Yue Wuya, howling: “I’m here, who would dare to hurt a hair on my son?”

What?

In an instant, all the people present focused their eyes on Yue Feng. They were extremely shocked. The entire imperial city was filled with deadly silence.

Chapter 2872

After a few minutes, a heated discussion broke out in the crowd!

“Sect Master of Tianmen?”

“Is it Yue Feng?”

At this moment, King Guangping was also very frightened, he stood up, pointed at Yue Feng and shouted: “Yue Feng, you are very courageous, dare to make a scene of execution?”

“King Guangping!”

Yue Feng roared, and looked at Wang Yaoyao of Guangping: “You are full of morality, but you are actually the most hypocritical person in the world. You say you love Ya’er, and let Ya’er help you fight in battle. Now the emperor is sitting When it’s stable, it’s time to cross the river and demolish the bridge.”

“I tell you, if you want to kill my son, I’m afraid you don’t have the ability.” The

last words were thunderous, and the audience buzzed.

“You…”

King Guangping's face flushed and his anger was not light, but he didn't know how to refute for a while.

At this moment, Lan Xin frowned and looked at Yue Feng curiously: "This person is the Sect Master of Tianmen?" During this time, Lan Xin also heard a lot of rumors while looking for other saints. Among them, Yue Feng's name was heard the most.

"That's right!"

King Guangping took a deep breath and said coldly, "This person is Yue Feng, who is daring and does all kinds of evil. Before, he not only blasphemed Chang'e, but also wanted to be the emperor of Beiying."

Hearing this, Lan Xin's beautiful face , suddenly showing a trace of disgust.

As the Holy Maiden of the Nine Heavens, what Lan Xin hated the most was this kind of wicked person, but she didn't know that King Guangping and Yue Feng were enemies, so she deliberately slandered them.

At this time, on the execution ground, Yue Feng strode like the wind, walked to Yue Wuya, grabbed the iron chain on his body, and pulled it hard.

Whoa!

In an instant, the chain made of cold iron broke!

"Ya'er, I'm sorry!" Yue Feng's eyes flashed with tears, stroking Yue Wuya's head: "Dad is late, I've made you suffer!"

Half an hour ago, Yue Feng arrived at the imperial city, thinking about what to do After rescuing the Ouyang family, we learned from the people that the Ouyang family had successfully escaped, and today, the emperor will personally behead Yue Wuya.

Hearing the news, Yue Feng didn't have time to think, and rushed over directly.

"Father…"

At this moment, Yue Wuya was both surprised and delighted. Because he was too excited, he only shouted and couldn't go on.

"Don't be afraid, Dad is here, no one can hurt you today…" Seeing Yue Wuya's strong appearance, Yue Feng felt even more heartbroken.

Swish!

Seeing this scene, King Guangping's heart was furious, and he rose up, roaring: "Yue Feng, if you come to your door today, don't even think about leaving alive."

Yue Feng sneered, ignoring it at all, but helped Yue Wu up. career.

Feeling Yue Feng's contempt, King Guangping almost exploded with anger.

At this moment, Nie Yunxiao shouted: "Yue Feng, you dare to be disrespectful to Your Majesty, accept your life!" After the

voice fell, Nie Yunxiao clenched the long sword and rose into the air!

hum!

A powerful aura burst out from Nie Yunxiao's body, and the long knife drew a shock, stabbing straight at Yue Feng's heart.

Seeing Nie Yunxiao attacking, Yue Feng did not panic at all, his eyes flashed coldly.

"court death!"

Hearing a vibration, Fang Tianhua halberd burst out, and was firmly held by Yue Feng!

Hiss… Fang Tian draws a halberd!

Feeling the power contained in Fang Tianhuaji, Nie Yunxiao's expression changed and he was flustered.

"Roar!"

At this moment, Yue Feng didn't talk nonsense, he waved hard! Just a dazzling light from the sword burst out from Fang Tianhua Halberd. At that moment, Nie Yunxiao wanted to dodge, but it was too late.

"Ah…" The

light hit Nie Yunxiao directly, only to hear him scream, the whole person spilled a rain of blood in the air, flew more than 100 meters away, and finally smashed on the palace gate, like a Slipped down like a puddle of mud!

When he landed, Nie Yunxiao spat out a few mouthfuls of blood, his face was extremely pale, and he lost his fighting power.

Chapter 2873

What?

Seeing this scene, whether it is the civil and military officials, or the people around, can't help but gasp!

This Yue Feng's strength is too terrifying. With just one move, he defeated the commander of the Imperial Forest Army….

"Whoever is not afraid of death, come up!" Yue Feng guarded Yue Wuya behind him, held Fang Tianhua halberd tightly, and looked around. The audience spoke coldly.

The sound was not loud, but it spread throughout the imperial city.

At this moment, the entire imperial city was silent.

Made!

King Guangping stared at Yue Feng closely, his heart surging with anger. After three years of absence, Yue Feng's strength has increased so much.

At this time, King Guangping wanted to take action personally, but after taking the Nine Nether Profound Ming Pill, he had not fully integrated the power of the evil spirits. Moreover, he was the emperor, and it was really unreasonable to take action against Yue Feng himself.

"What a mad tone!"

At this moment, Lan Xin frowned, then slowly stood up: "Your Majesty, I will help you hold this madman."

King Guangping promised to help find other saintesses, which are his own My friend, at this time, Yue Feng was making a scene at the execution ground, so he couldn't ignore it. After all, according to the rumors in Jianghu, this Yue Feng is not a good person at all.

Catching him is also a way of doing things for the sky.

Now, on the execution ground!

Seeing that none of the surrounding Royal Forest Army dared to come up, Yue Feng sneered and was about to leave with Yue Wuya.

"You want to leave when you hurt someone? You are really lawless!"

However, at this moment, a coquettish shout came, Yue Feng stopped, looked back at Lan Xin, and was stunned for a moment.

What a beautiful woman, and the breath on her body is so strong!

Who is this woman, I haven't seen it before.

"Who are you? Why did you stop me?" In shock, Yue Feng took a deep breath and said politely to Lan Xin.

"You don't deserve to know my name!"

A few cold words came out of Lan Xin's mouth. The words fell, and her delicate body was as beautiful as a fright, and she slapped Yue Feng directly.

hum!

In an instant, seeing Lan Xin's figure passing by, the air seemed to be stagnant.

What the hell!

Yue Feng's face changed, and he didn't have time to think about it, he quickly raised his hands and greeted him with a palm, and at the same time, his heart was full of anger.

Mad, this woman is too direct, she doesn't even say hello.

Speaking of which, Yue Feng could have dodged, but he was afraid that Lan Xin would hurt Yue Wuya, so he had to bite the bullet and meet him.

Bang!

The two palms collided fiercely, and everyone present heard a thunderous roar, the clear sky darkened, and the execution platform was filled with dust and smoke.

In the dust and smoke, Yue Feng groaned and took a dozen steps back.

At this time, Yue Feng's face was pale, and he only felt that the blood in his body was churning.

Nima!

Who is this woman? The strength is simply too terrifying.

"Father!"

Seeing this scene, Yue Wuya couldn't help shouting, very anxious, and at the same time he wanted to rush over to help, but his inner strength was sealed, so he couldn't exert any strength.

Yue Feng smiled, indicating that he was okay, and at the same time guarding against Lan Xin in front of him.

Um?

Lan Xin was quietly suspended in the air, her beautiful face showed a bit of arrogance, but she was secretly shocked, looking at Yue Feng's eyes, she was very surprised.

"It's really powerful to be able to block my palm. No wonder there are rumors about you everywhere." At this time, Lan Xin looked up and down at Yue Feng, and spoke coldly, with a chill in her eyes.

This madman is so powerful, he must not be allowed to run away.

Chapter 2874

Call!

Yue Feng took a deep breath and calmed down the turbulent aura in his dantian, and his heart was also extremely anxious.

Mad, thought that with his own ability, he could easily take away Ya'er. After all, Yue Feng knew the strength of King Guangping very well, and people like Nie Yunxiao didn't even pay attention to it.

But I never thought that at a critical moment, a beautiful woman would appear, and her strength was terrifying.

Wait…

The next second, feeling the refined breath of Lan Xin's body, Yue Feng suddenly thought of something, such a temperament, and Zi Yan he met before, and, when they fought just now, the other party The exercises are not only powerful, but also very mysterious.

Could it be that she is the companion that Zi Yan was looking for, one of the Nine Heavens Saintess?

Thinking to himself, Yue Feng looked at Lan Xin and couldn't help but said, "Dare to ask that you are the Holy Maiden of the Nine Heavens?"

"How do you know?"

Haha…

Yue Feng showed a smile, and instantly relaxed a lot: "I met Saintess Ziyan before, I helped her, and I promised her to find your other saints."

"Speaking of which, we are ourselves . people."

Zi Yan?

Hearing him mention Zi Yan, Lan Xin didn't have the slightest doubt, and quickly said, "Where is she?"

"Because I have something to do, I separated from her a day ago." Yue Feng said without hesitation.

Lan Xin frowned lightly, standing there pondering.

If it's Zi Yan's friend, then it's really not good to take another shot.

call!

Seeing this scene, King Guangping realized that it was not good, how did he become his own in the middle of the fight?

"Your Majesty!"

At this moment, Nie Yunxiao, who was hiding by the side, couldn't help shouting: "Don't believe what Yue Feng said, this person is very cunning and good at rhetoric, if he is really the Holy Maiden Ziyan My friend, how could he not know her whereabouts?"

"Or, he really saw the Holy Maiden Zi Yan, but he just arrested her."

When he shouted these words, Nie Yunxiao's face was cunning.

Seeing that he can catch Yue Feng and his son, he can't fail.

Hearing this, Lan Xin's eyes flickered, and her heart suddenly became confused.

This commander of the Imperial Forest Army is not without reason.

Nima!

Yue Feng was burning with anger, and glanced coldly at Nie Yunxiao.

This person reverses black and white, it's too hateful.

Thinking to himself, Yue Feng hurriedly said to Lan Xin, "Everything I said is true…"

However, Lan Xin interrupted her before she finished speaking.

"You're playing with me…"

Lan Xin’s red lips parted lightly, and she snorted, and then, her delicate body rose up, raised her jade hand, and hit Yue Feng with a palm.

In Lan Xin’s heart, Yue Feng is a great villain, how could she tell the truth to herself?

call!

Seeing Lan Xin attacking again, Yue Feng wanted to cry without tears, and at the same time did not hesitate to push his inner strength to the extreme, and attacked again.

However, this time, Yue Feng found that the internal force driven by Lan Xin was much stronger than before, especially the speed, which was more than doubled.

“Pfft…”

In the next second, Lan Xin’s palm hit Yue Feng first. Yue Feng felt a piercing pain coming from all over his body. With a sound, the figure flew out.

It flew several dozen meters away, and finally fell under the execution platform.

Chapter 2875

Yue Feng struggled to stand up, looking at Lan Xin closely, his heart was horrified.

As expected of a saint, too strong.

At this time, Yue Feng clearly felt that his dantian was injured by the shock, and he had to meditate as soon as possible to heal the injury, but with the current situation, how could there be a chance to meditate?

Lan Xin looked at Yue Feng quietly: “This time I came to Kyushu, although I didn’t find Zi Yan and the others, but being able to catch you, a big wicked man, can be regarded as a killing for the people!” The

voice fell, Lan Xin moved the lotus step, Slowly walk towards Yue Feng!

“Haha…”

Seeing this scene, King Guangping laughed proudly: “Thank you Saintess for helping!”

Seeing Lan Xin approaching, Yue Feng couldn’t help but let out a wry smile. From Yue Feng’s point of view, I can see her breathtaking sexy curves at close range, and at the same time, I also sense that death is approaching.

Could it be… Is this God’s will?

Thinking to himself, Yue Feng looked back at Yue Wuya, his eyes full of guilt: “Ya’er, it’s useless for my father…”

“Father!”

Yue Wuya yelled, trying to rush over, but was caught by several guards. Stopped, howling desperately in his mouth, tears couldn’t help flowing down.

The fact that he ended up like this today was entirely caused by his own mistakes. If he affected his father, he would not be reconciled to death.

“Yue Feng! Your life is over!”

At this moment, Lan Xin finally walked up to Yue Feng, spoke coldly, without the slightest emotion, raised her jade hand and patted it on Yue Feng’s head.

Yue Feng sighed in his heart and closed his eyes.

If this is life, accept it.

hum!

However, just at the critical moment, among the crowd under the execution platform, a powerful internal force fluctuation suddenly came. Immediately afterwards, I saw a fiery red figure, like a dazzling meteor, directly blocking Yue Feng.

Whoa!

At this moment, everyone present was stunned, and their eyes were also focused on the person who came.

What the hell!

At the same time, looking at the graceful figure in front of him, Yue Feng was also shocked and stunned!

Lu Lingshan?

At this time, Lu Lingshan was wearing a fiery red dress with charming curves. From a distance, it looked like a fire, but on her delicate and beautiful face, there was a cold arrogance that was repulsive. The icy temperament instantly became the focus of the audience.

“Master Lu?”

Finally, King Guangping took the lead in reacting and looked at Lu Lingshan in a complicated way: “I haven’t seen you for a few years, and Master Lu is still beautiful. It just so happens that this Yue Feng is your big enemy. Today, I will let you kill it yourself. He?”

When he said this, King Guangping’s face was full of smiles.

Ten years ago, Yue Feng and Lu Lingshan’s younger brother Lu Jiechen forged a grudge. Yue Feng destroyed the Ming Sect, causing their sister and brother to die. Later, I heard that Lu Jiechen died at the hands of Yue Feng. It can be said that, The blood feud between the two sides is different.

At this time, King Guangping thought that Lu Lingshan was also here to seek revenge for Yue Feng.

Whoa!

At this moment, all the eyes of the audience focused on Lu Lingshan, waiting for her answer.

“Ha ha…”

Nie Yunxiao, who was on the side, couldn’t help laughing proudly, and mocked at Yue Feng: “Yue Feng, what if you are strong? Not only does Your Majesty have the help of the Holy Maiden, but now your enemy is also looking for you. Come on, today you can’t escape.”

One idiot!

Hearing this, Yue Feng couldn’t help but chuckle and retorted coldly: “Who told you that Lu Lingshan was here to kill me?”

After saying that, Yue Feng looked at Lu Lingshan with a smile: “Wife, you really came here. Timely, otherwise I’m really bad luck!”

When he said this, Yue Feng looked relaxed.

A month ago, Yue Feng and Lu Lingshan took Chaos Yin-Yang Pearl at the same time in the crystal underground palace of Mother Nuwa, and their fates were tied together. How could Lu Lingshan kill him?

Speaking of which, Yue Feng also knew the situation in front of him, so it wasn’t suitable for jokes, but seeing Lu Lingshan’s cold look, he couldn’t help but want to tease her.

The ultimate husband in Chinese chapter 2876-2880

Chapter 2876

What?

At this moment, everyone present was taken aback and stared blankly at Lu Lingshan, only to feel that their brains were not enough.

Yue Feng called her wife? Aren't the two sides enemies?

At the same time, Yue Wuya was also stunned.

But soon, Yue Wuya calmed down, his father is famous all over the world, he has a unique charm, and there are countless confidantes around him. It is very possible that he and Lu Lingshan can turn enemies into friends and love each other.

Swish!

And Lu Lingshan's face turned red all of a sudden, her body trembling with anger.

The next second, Lu Lingshan glared at Yue Feng, her beautiful face flushed red: "Shut your stinky mouth, stop talking nonsense, who… who is your wife?

" Cheap yourself, it's abominable!

Yue Feng didn't panic at all, and looked at Lu Lingshan with a smile: "No, no, why make such a big fire? You really want to kill me in public? Are you willing to let it go!"

Shameless!

Hearing this, Lu Lingshan was furious, but she was speechless.

Soon, Lu Lingshan calmed down and said indifferently to King Guangping: "I appreciate Your Majesty's kindness, but Yue Feng can't die now. Please ask Your Majesty to let the people around him retreat, and I will take him away."

Although Yue Feng is hateful, But fate is tied to him, so he must be safe today no matter what.

Um?

Hearing Lu Lingshan's words, Lan Xin, who was standing there, frowned.

At the same time, King Guangping's expression also changed, and his heart became angry: "Lu Lingshan, do you want to take Yue Feng away? Have you forgotten where this place is !

"

After the last sentence, King Guangping's eyes flickered with ruthlessness, Madd, I thought this Lu Lingshan was here to seek revenge for Yue Feng, but it turned out to be here to save people.

Speaking of which, Lu Lingshan has a high reputation in the world of Apocalypse Continent, but King Guangping did not take it seriously.

Seeing that King Guangping was angry, Lu Lingshan didn't panic at all.

The next second, Lu Lingshan glanced at Yue Feng lightly: "Can you go?"

"Of course you can!" Yue Feng responded with a smile, and then said to Yue Wuya, "Wait and follow me!"

Yue Wu Ya nodded.

Lu Lingshan stopped talking nonsense, a strong aura pervaded her body, and said coldly to Lan Xin, who was standing in front of her, "Get out of the way!"

Lan Xin looked blankly at Lu Lingshan and said, "You are this villain's accomplice? Lang Lang Qiankun, in the imperial city, how can you honor your presumptuousness?" After the voice fell, Lan Xin's delicate body flashed, and she came straight to Lu Lingshan

. As a saint, Lan Xin is very conceited, and originally disdain to deal with Lu Lingshan, but since she promised King Guangping, she must help to the end. So strong! Seeing Lan Xin coming quickly, Lu Lingshan's delicate body trembled, and her beautiful face suddenly became solemn. At the same time, Yue Feng couldn't help shouting: "Wife, the other party is the Nine Heavens Saintess, she is very powerful, be careful!" As he said, Yue Feng took a deep breath and secretly adjusted his inner strength. "Shut up!" Lu Lingshan blushed and screamed.

What time is it, this Yue Feng has not forgotten to take advantage.

As soon as the words fell, Lu Lingshan tapped the ground with her toes, flew up, and fought with Lan Xin in mid-air.

call!

Seeing this scene, everyone present was excited, especially many men, their eyes were straight, Lan Xin and Lu Lingshan, one was the Nine Heavens Saintess and the other

was the Goddess of Jianghu. At this time, they were fighting in mid-air. The curve of the show is simply a visual feast!

Chapter 2877

Even Yue Feng couldn't help but take a few more glances.

At the same time, while the two women were fighting in mid-air, Yue Feng secretly urged his dantian to heal his wounds.

In the blink of an eye, Lu Lingshan and Lan Xin fought fiercely for more than a dozen rounds. At first, Lu Lingshan was still full of confidence, but gradually she couldn't hold it any longer. Although she was not weak, the opponent was the Holy Maiden of the Nine Heavens. Than.

Lu Lingshan became more and more frightened, and her delicate face was full of anxiety.

I thought that Yue Feng could be rescued easily, but I didn't expect that this woman was outrageously strong.

Haha….

Seeing this scene, King Guangping was extremely excited, and couldn't help shouting: "The Holy Maiden is invincible and admirable. I will catch Lu Lingshan later, I will definitely thank you!"

Lan Xin did not respond . , but speed up. Lu Lingshan

couldn't stop her completely. She was so anxious that she shouted at Yue Feng, "Yue Feng, come and help!" "Okay wife!" Yue Feng responded, holding Fang Tianhua halberd tightly and flying up. At this moment, Yue Feng's inner strength also recovered a little. The next second, Yue Feng and Lu Lingshan erupted together, and in an instant, the sky seemed to be shattered! The two took Chaos Yin-Yang Pearl before, one yin and one yang complement each other, and after joining forces, the power is infinite. hum! As they saw, the two raised their hands, and a terrifying force instantly condensed in mid-air, forming a dazzling ball of light that blasted directly at Lan Xin. This… Seeing this scene, whether it was King Guangping or the people around, they were all shocked.

What kind of exercises are these two practicing? It was so strong.

Lan Xin's body trembled as she didn't have time to think about it, she quickly raised her jade hand and deployed a protective film in front of her.

This… This seems to be the power of the Chaos Yin-Yang Pearl, but isn't the Chaos Yin-Yang Pearl always in the place of Empress Nuwa? How did they…

As the Nine Heavens Saintess, Lan Xin immediately felt that the aura that Yue Feng and the two erupted were the power contained in the Primal Chaos Yin-Yang Pearl.

“Boom!…”

Before Lan Xin could understand, the ball of light hit the protective film in an instant, and she heard Lan Xin groan in pain, her beautiful face was extremely pale, and her delicate body flew far away.

Although she is the Nine Heavens Saintess, she can’t stop this blow!

Taking advantage of Lan Xin’s serious injury, Yue Feng did not hesitate, grabbed Yue Wuya and flew towards the distance of the imperial city. Lu Lingshan followed closely.

In a blink of an eye, the three disappeared from everyone’s sight.

“Bang!”

Seeing this situation, King Guangping slapped his palm on the dragon seat and stood up suddenly. Lu Lingshan rescued Yue Feng and his son in public, which made the Tianqi royal family disgraced. How could they not be angry?

“Assemble the Royal Forest Army and pursue it with all your strength!” A cold voice came from the mouth of King Guangping.

This Yue Feng and Lu Lingshan teamed up to be able to burst out such a powerful force, defeating the Nine Heavens Saintess. However, Yue Feng was injured before, so he definitely won’t be able to run far!

“Subordinates obey!”

All of a sudden, the civil and military officials shouted in unison, and the momentum was overwhelming. Then, tens of thousands of imperial forest troops quickly assembled and rushed out of the imperial city in a mighty manner, chasing in the direction of Yue Feng’s escape.

“Your Majesty, the saint seems to be seriously injured…” At this time, among the civil and military officials, I don’t know who shouted.

Swish.

In an instant, the eyes of everyone present focused on Lan Xin, and they saw that Lan Xin’s beautiful face was very pale and weak at this time.

King Guangping’s eyes flickered, and he said hypocritically, “Bring the saint back to the palace to rest immediately. You must take good care of it and not neglect.”

When he said this, King Guangping's face was sincere, but his heart was extremely cold.

Chapter 2878

Originally, King Guangping was still worried about how to deal with Lan Xin. You must know that as a saint of the Nine Heavens, Lan Xin is too powerful, but now, Lan Xin is injured, and the opportunity has come.

As soon as the voice fell, two palace maids walked over and helped Lan Xin to leave.

the other side!

Lu Lingshan took Yue Feng and Yue Wuya, and flew for half an hour, making sure to get rid of the guards behind them, and then landed in a valley.

"Father!"

As soon as his feet landed, Yue Wuya couldn't help but say, "Are you and my aunt really together?" When Yue Wuya worshipped Lu Jiechen as his teacher, he naturally wanted to call Lu Lingshan his aunt. .

Yue Feng smiled and was about to speak when Lu Lingshan interrupted her.

"Ya'er, don't listen to his nonsense!" Lu Lingshan said coldly, and at the same time couldn't help but glared at Yue Feng: "Your father, a dog can't spit out ivory."

Uh…

Feeling Lu Lingshan He was so angry that Yue Feng couldn't help laughing.

At this time, Lu Lingshan bit her lip and said to Yue Wuya, "I still have something to do, so I'll go first."

It was against her will to save Yue Feng just now. How could she continue to stay with their father and son? ?

Having said that, Lu Lingshan went to Yue Feng and whispered, "Yue Feng, you and I have nothing to do with you other than the Chaos Yin-Yang Pearl. If you talk nonsense in the future, I won't be able to forgive you."

Lu Lingshan finished the last word. Quick walk away.

call!

Looking at Lu Lingshan's back, Yue Feng exhaled a long breath. Then he looked at Yue Wuya and asked with a smile, "Y'er, how do you feel?"

"Father, I'm fine!" Yue Wuya shook his head and said with a relaxed expression.

Saying so, Yue Wuya's face is weak.

Ever since he was thrown into prison, Yue Wuya couldn't help being locked out of his internal power, and he hadn't eaten for a day, but as a man, this bit of hardship was nothing.

Hearing this, Yue Feng was both relieved and distressed.

This kid has really grown up.

Thinking to himself, Yue Feng helped Yue Wuya to relieve his acupoints, and asked him to meditate quickly to restore his strength, while protecting him by the side.

"Father!"

Yue Wuya sat down cross-legged and was about to recover from his practice when he suddenly thought of something and said anxiously, "I made a big mistake, and my mother was also implicated. You have to find a way to save her."

What?

Yue Feng's face changed, frowning secretly, and then comforted: "Don't worry, your mother will be fine."

Thinking of Qin Rongyin, Yue Feng felt endless guilt in his heart. For his own sake, his wife has been suffering from lovesickness all these years. Suffering, but he did nothing for her.

…..

On the other side, the Weather Palace!

In the secret room behind Guangfu Palace, King Guangping was sitting there, his icy face was faintly complicated.

This secret room was the place where the emperor practiced, and it was also a forbidden place in the palace, where ordinary people could not enter at all.

Just now, King Guangping sent a message to Gong Hao, the messenger of Hades. In the message, King Guangping told about the situation of Saintess Lanxin, and after sending the message, King Guangping waited here quietly.

Because Gong Hao once said that as long as he receives news, he will come immediately.

hum!

After waiting for a few minutes, King Guangping sensed a sinister aura that came from outside the secret room. Then, the door was opened, and Gong Hao, dressed in a black robe, walked in slowly.

“Your Excellency the messenger!”

Chapter 2879

Seeing Gong Hao, King Guangping quickly stood up with a polite face: “You are finally here, now that saint who claims to be Lan Xin was placed in the back bedroom by me, because she was injured, At this time, I am cultivating. What to do next, please ask Your Excellency for instructions!”

“Okay.”

Hearing this, Gong Hao showed a smile and praised: “As expected of the person that His Majesty Had, he did not disappoint me. “

Speaking, Gong Hao raised a hint of pride at the corner of his mouth, and sneered: “Nine Heavenly Maiden, she is extraordinary, if she was at her peak, it would be really difficult to handle, but since she is injured, it is a good opportunity for us!” “

How are you going to deal with her, Your Excellency the messenger?” King Guangping couldn’t help but ask.

Gong Hao shook his head and narrowed his eyes slightly: “Originally, I planned to take her directly to the ghost world, but His Majesty Hades said that you should act with caution and make no mistakes. If the other saints find out, they will startle the snake.”

Speaking of this, Gong Hao looked at King Guangping and said with a smile: “I thought about it, let you deal with her!”

What?

King Guangping was startled: “I…how do I deal with it?” Although he is the emperor, he can only rule over ordinary people, and this Lanxin is from the realm of the gods.

Gong Hao smiled coldly and said slowly, “It’s very simple. If her innocence is broken, if she loses her innocence, all her profound arts will disappear. At that time, there will be no threat to His Majesty Hades.”

Speaking of which, Gong Hao said Hao patted King Guangping on the shoulder: “It’s not a loss for you to be able to enjoy the gentleness of the Nine Heavens Saintess. Originally, I wanted to do this by myself, but I am the messenger of the Hades, and my body is too yin and evil, it is easy Being noticed by her, you are different, you have a shielding talisman on your body, she will be defenseless!” The

last sentence fell, Gong Hao handed King Guangping a special bottle of elixir, explained a few more words, and left.

This…

At this moment, King Guangping was stunned, his mind buzzing.

It’s crazy to tarnish the innocence of the Nine Heavens Holy Maiden.

But speaking of it, Saint Lady Lanxin is really charming. No matter her appearance or figure, it makes people fascinated. If you can enjoy her tenderness, it is worth dying immediately.

Thinking of this, King Guangping revealed a gloomy smile.

Lady Lanxin, don’t blame me, blame Hades and his messengers.

…..

the other side.

Yue Wuya meditated for a while and felt much better, so he urged Yue Feng to rescue Qin Rongyin.

Yue Feng wanted to wait until Yue Wuya fully recovered before making plans, but he couldn’t help Yue Wuya’s request, so he had to agree.

As night fell, Yue Feng let Yue Wuya hide in a cave, and then returned to the imperial city alone.

When he arrived at the imperial city, Yue Feng easily sneaked into the palace. In the weather palace, Yue Feng had been here countless times, and he was already familiar with the environment.

After entering the palace, Yue Feng avoided the patrolling guards and rushed towards Ciyun Palace. Yue Wuya had said that Qin Rongyin lived in Ciyun Palace.

call!

Arriving near the Ciyun Palace, looking at the lights inside, Yue Feng couldn't help taking a deep breath, feeling secretly excited.

Madam, I'm here to pick you up!

Um?

Just when Yue Feng was feeling emotional, suddenly, he saw a figure coming from not far away with a gloomy expression, it was King Guangping.

Nima, why is he here? !

Yue Feng frowned, feeling that something was wrong. You must know that King Guangping is an emperor. No matter which palace he went to, he would be notified by an eunuch.

Under the doubts, Yue Feng did not act rashly, but quickly hid in the dark and quietly observed.

"Your Majesty!"

At this time, King Guangping arrived at the entrance of the palace and said politely, "How is your injury now? There are many treasures in the palace. If you need them, I will order someone to deliver them.

" , King Guangping's tone was polite, but there was a slyness in his eyes.

Chapter 2880

What?

Hearing this, Yue Feng was stunned. Nima, Madam is not here? Is that Saint Lady Lanxin inside?

"No need, I'll take a rest and I'll recover soon." Just when Yue Feng was secretly surprised, he heard Lan Xin's voice coming from the bedroom, and there was a hint of weakness in the softness.

"Okay then, the Holy Maiden take a rest!" King Guangping responded with a smile, but instead of leaving immediately, he quietly took out a bottle of medicine from his body and sprinkled it lightly in the crack of the door.

Yue Feng saw that when the medicine touched the air, it turned into a plume of smoke and penetrated into the bedroom through the crack of the door.

Nima!

Seeing this scene, Yue Feng's brows were furrowed, and he understood something at once.

This King of Guangping came here mysteriously, to be detrimental to Holy Maiden Lanxin.

For a time, Yue Feng was very angry.

This King of Guangping is not a thing. During the day, Saint Lady Lanxin helped him deal with himself. Now that he is injured, King of Guangping will cross the river and demolish the bridge.

At this time, Yue Feng did not know that King Guangping had become the puppet of Hades.

No, even though Saintess Lanxin misunderstood herself, she couldn't just watch her being plotted against her.

Thinking about it, Yue Feng wanted to rush out.

"Bang!"

However, at this moment, I heard a commotion in the direction of Qianyuan Hall, and then a team of patrolling guards rushed over.

"Your Majesty!"

When he got to the front, the leading guard respectfully said to King Guangping: "Bianguan guard, I have important business to see you!"

King Guangping's face was extremely ugly, and good things were interrupted, and he was very angry, but he still waved his hand: "Go!"

Although he was very annoyed, it must be very important for the border guard to drive back to the imperial city late at night, and he has already left. Well, the drug, Na Lanxin Saintess can't escape at all.

King Guangping had thought about it, and it would not be too late to come back to enjoy the gentleness of the Holy Maiden after he had dealt with the government affairs.

In the blink of an eye, King Guangping left with his guards.

call!

Seeing this scene, Yue Feng suddenly relaxed a lot, took a deep breath at the same time, walked out and slowly pushed open the door of the bedroom.

Speaking of which, Yue Feng was in a hurry to find Qin Rongyin, and didn't want to meddle in her own business, and Saintess Lanxin seriously injured herself during the day. But since it happened, you can't ignore it.

I go!

After entering the bedroom, Yue Feng was stunned when he saw the scene in front of him, and couldn't help taking a deep breath.

I saw a woman lying quietly on the soft collapse, with a graceful figure and beautiful curves, but she didn't move at all, as if she had passed out!

It is the Holy Maiden Lanxin!

"Who is it?" Just as Yue Feng was about to approach, Lan Xin suddenly scolded her softly, her voice soft and weak, showing weakness.

The next second, when she saw Yue Feng, Lan Xin was even more frightened and angry: "It's you wicked person!"

At this time, Lan Xin was very angry. She was meditating just now to heal her injuries. Suddenly, she felt that something was wrong with her body. poisoned,. Then Yue Feng sneaked in, which made Lan Xin naturally suspect that it was Yue Feng's poison!

After all, he nearly killed him during the day.

Seeing Lan Xin's expression, Yue Feng didn't know whether to laugh or cry. He slowly walked over and said, "Why are you staring at me like this? Do you think I poisoned you?"

"Isn't it?"

Lan Xin bit her lip and couldn't help but scolded: "You wicked person, who was seriously injured by me during the day, slipped into the palace at night, and used this despicable method to deal with me, it was extremely shameless. !"

Hearing this, Yue Feng was not angry, but couldn't help laughing: "Thank you for being a saint, if I kill you, I just need to join forces with Lu Lingshan, why use such a method and do it?"

Yes !

At this moment, Lan Xin was stunned.

The ultimate husband in Chinese chapter 2881-2890

Chapter 2881

Yue Feng is right, if he wants to deal with himself, he can unite with that Lu Lingshan, you know, the two of them have the power of Chaos Yin-Yang Pearl.

Thinking to herself, Lan Xin couldn't help but say, "It's not your words, could it be…"

Before she could finish speaking, Yue Feng smiled slightly and said what she had just seen.

At the end, Yue Feng shook his head and sighed: "I told you during the day that I was my own person, but you don't believe it, and King Guangping seems to be sane, but he is actually very hypocritical. Fortunately, I met you, and you are lucky. Otherwise, you will be more fortunate!"

Huo!

Hearing this, Lan Xin bit her lip, angry and shocked.

It turned out to be the poison of King Guangping!

He has no grievances with her, why did he plot against him?

Thinking to herself, Lan Xin felt a scorching heat coming from her body, her delicate body suddenly trembled, and there was pain between her eyebrows.

Gudong!

Seeing this scene, Yue Feng couldn't help swallowing, and his eyes were also on Lan Xin.

I have to say, this Lan Xin is so charming as a saint, especially when she is poisoned at the moment, any man will not be able to look away when he sees it.

"You…"

Seeing Yue Feng's gaze, Lan Xin was shy and angry, and weakly reprimanded: "Get out of here."

She was a dignified Nine Heavens Saint, but was looked at by a man like this, what would it look like?

Ugh!

Yue Feng sighed secretly and couldn't help but smile bitterly and said, "Saint Lanxin, even if you hear rumors and have some prejudices against me, I really want to help you. Since you don't appreciate it, then forget it, we will have a future!

" Then, Yue Feng turned around and was about to leave. Kindness is regarded as a donkey's liver and lungs, so I'd better go to my wife first!

"You… you stop!"

Just after taking two steps, Lan Xin called out softly from behind.

Yue Feng stopped, looked back, and saw Lan Xin biting her lip, her beautiful face full of entanglements!

"What else is going on with the Holy Maiden?" Yue Feng said with a faint smile.

"You…"

Lan Xin endured the pain on her body, looked at Yue Feng and said, "Have you really seen Zi Yan?"

Yes, at this time, Lan Xin still had some doubts about Yue Feng.

Yue Feng took a deep breath and explained the situation in which he encountered Zi Yan in detail.

After listening to this, Lan Xin's eyes flickered, and she was very embarrassed: "I'm sorry, I misunderstood you during the day!" Since Yue Feng can speak of the Heavenly Spirit Realm, it is definitely not fake. You must know that in the Kyushu continent, very few people know about it. Heavenly Spirit Realm.

The next wonderful thing, Lan Xin asked softly: "Yue Feng, please take me out."

At this time, Lan Xin was very angry, but she didn't expect that the King of Guangping was benevolent on the surface, but secretly so sinister and despicable.

call!

Seeing that she finally trusted him, Yue Feng secretly sighed, nodded and said, "Okay, but for our safety, I offended you!" The voice fell, Yue Feng walked over, and hugged Lan Xin by the waist!

smell good!

At that moment, Yue Feng felt that Lan Xin's delicate body was extremely hot, and at the same time, a charming fragrance came to her nostrils.

"You…"

Yue Feng's actions made Lan Xin furious: "What are you doing? Let go of me." She was a dignified Nine Heavens Saintess, but was held in his arms by him, what kind of manner would it be?

"You've been poisoned, so you can't stimulate your inner strength." Yue Feng was very helpless, and smiled bitterly: "How can I take you away without holding you? This is the palace. If you meet the guards, the consequences will be disastrous!"

Hearing this Lan Xin bit her lip tightly and stopped talking, but her delicate body was tight.

Chapter 2882

Yue Feng no longer hesitated, and walked out of the bedroom with Lan Xin in his arms. Taking advantage of no one around, he showed his figure and flew out of the imperial city.

call!

The moment he flew out of the imperial city, Yue Feng secretly breathed a sigh of relief, and at the same time was a little complicated in his heart.

After saving Saint Lady Lanxin by himself, King Guangping will soon find out that when the palace is under martial law, it will be difficult for him to sneak in again.

Forget it, let's take Lan Xin to see Ya'er first, and then make plans.

"Hey!"

At this moment, Lan Xin couldn't help but ask: "Since you ran away with that woman during the day, why did you come back?" Being held by Yue Feng was so awkward, Lan Xin wanted to talk about something , to relieve the embarrassment.

"Oh…"

Yue Feng didn't even think about it, and said, "I'm here to save my wife." When he thought of Qin Rongyin, Yue Feng felt helpless.

Hearing this, Lan Xin thought that Yue Feng was deliberately making fun of herself, her beautiful face was instantly flushed red, her petite body trembled with anger, she immediately raised her jade hand and pinched Yue Feng's waist.

“Hey!” The

pain came, Yue Feng couldn’t help taking a breath of cold air, stared at Lan Xin, and asked speechlessly: “Ah? What are you pinching me for?” Too fierce.

Lan Xin bit her lip tightly, staring at Yue Feng not to be outdone, and said angrily: “Yue Feng, you are talking nonsense, I will kill you! Who is your wife, please clarify!”

“I…”

This For a moment, Yue Feng immediately understood that Lan Xin had misunderstood, and smiled bitterly: “I did come to save my wife, her name is Qin Rongyin, she has been under house arrest in the palace by King Guangping, why? You think I’m talking about you!”

At this moment, Lan Xin was very embarrassed. She lowered her head and said, “I’m sorry, I misunderstood you.” As

she spoke, Lan Xin suddenly trembled, feeling extremely hot all over her body. .

“How are you?” Yue Feng was startled and asked quickly.

At this moment, Yue Feng could feel that Lan Xin’s delicate body was extremely hot, as if it was about to burn, and suddenly panicked.

“It’s so hot, I’m so uncomfortable.” Lan Xin’s delicate face flashed with pain, then looked around, and said to Yue Feng: “Quick, there is a cold pool in the northwest of the imperial city, bring me to the Go there.”

When she said this, Lan Xin’s delicate face flashed a bit of shyness, the drug she had brought in was too strong, once she had a complete attack, she would let go of her restraint, and what would happen to Yue Feng if she didn’t go well .

This kind of thing must never happen. You must know that as a nine-day saint, you must keep clean and pure. Once you have a relationship with a man, the eight-layered power of the body will be passed on to the other party.

When she came to the Imperial City before, Lan Xin once visited a cold pool, where there was no sunlight all year round, and the pool was cold and cold, just enough to remove the heat and toxins from her body.

“Okay!”

Hearing this, Yue Feng nodded, then turned around and flew in the direction Lan Xin said.

After half an hour of flying, Yue Feng hugged Lan Xin and finally arrived at the cold pool.

I saw that this cold pool is surrounded by mountains, and the water is clear and cold. Those practitioners who have practiced the cold and cold exercises will definitely get twice the result with half the effort.

Yue Feng hugged Lan Xin, flew down slowly, and put her on the edge of the cold pool.

At this moment, Lan Xin did not hesitate, gritted her teeth and endured the pain, slowly walked into the cold pool, and soaked her body in it.

In an instant, Lan Xin's long skirt was soaked instantly, and her graceful figure was looming.

Gudong!

Seeing this scene, even though Yue Feng was prepared, he couldn't help swallowing and stared blankly.

I have to say that this Lan Xin in front of me is really beautiful. Compared with Zi Yan, they have their own advantages and disadvantages, especially this curve. Any man will go crazy when he sees it.

"You…"

Perceiving Yue Feng's gaze, Lan Xin was shy and angry: "Turn your head around and look at your eyes again!"

Chapter 2883 I

was hugged by him all the way just now, and now I've seen it again and again, no one can bear it.

With a leisurely expression on his face, Yue Feng sat on a stone and said with a smile: "I hugged it just now, and I'm afraid of being seen."

"Slippery tongue…" Lan Xin couldn't help it.

Just as the two were arguing, a figure slowly walked over to the woods in the distance.

He was dressed in a black long gown and had a kind expression on his face, but there was evil in his eyes, and an evil spirit permeated his body. It was Yue Chen.

A few years ago, Yue Chen took Chen Yun to the West Cang Continent and joined Duan Yu. Later, Yue Feng came to seek revenge for Duan Yu. At that time, Yue Chen

helped Duan Yu deal with Yue Feng. At a critical moment, Jiang Shan told Yue Chen that Chen Yun was imprisoned in the harem by Duan Yu.

At that time, Yue Chen was very angry, rushed into the harem to search frantically, and finally found Chen Yun in a secret room, but Chen Yun could not bear the humiliation and committed suicide.

His wife was humiliated and died tragically, Yue Chen collapsed at that time, and vowed to kill Duan Yu, and at the same time hated Yue Feng even more, if it wasn't for Yue Feng and Duan Yu's grudge, Duan Yu would not defile his wife.

Later, when he learned that Duan Yu died in the Valley of Death in the wild and strange realm, Yue Chen was very angry and couldn't kill the enemy, so he put all the blame on Yue Feng.

In the past few years, Yue Chen has been wandering the rivers and lakes, and in the name of Yue Feng, he has done a lot of evil everywhere.

It can be said that the reputation of Yue Feng and Tianmen has plummeted in the rivers and lakes in the past two years. It is not the power of Zhang Jiao alone, but also has something to do with Yue Chen.

Recently, Yue Chen has been wandering in the Tianqi Continent. He learned that there is a cold pool nearby, so he planned to come and practice it. Because he learned Xuanyin magic, this cold pool was very helpful to him.

Um?

Before getting close to Hantan, Yue Chen was stunned when he saw the scene in front of him, his eyes locked on Yue Feng.

Mad, it's Yue Feng!

Seeing Yue Feng, Yue Chen burned with anger, and his eyes were instantly blood red.

Immediately afterwards, Yue Chen's eyes were suddenly attracted by Lan Xin, who was immersed in the cold pool.

Beautiful… so beautiful.

The water in the cold lake was crystal clear, and Yue Chen could also see Lan Xin's graceful curves at a distance of tens of meters in time.

Yue Feng has hurt himself so badly, but the peach blossoms are so lucky, and there are beautiful women by his side wherever he goes, why?

The more Yue Chen thought about it, the more annoyed he became, and he wanted to rush over, but because he was afraid of Yue Feng's strength, he held back.

At this moment, Hantan is here.

Yue Feng and Lan Xin were still bickering, unaware that someone was approaching not far away.

"Yue Feng, I warn you, if you do this again, after I finish driving the poison, I'll be rude to you." Lan Xin stomped her feet angrily and scolded.

"Okay."

Seeing that Lan Xin was really angry, Yue Feng accepted it, nodded and said, "Then take your time to expel the poison, I'll leave first, and then I'll meet you again." The

voice fell, and Yue Feng's figure appeared. Flash, rush to the distance.

After so long, Ya'er should have waited.

After Yue Feng thought about it, he went back to find Yue Wuya first, and then joined Lan Xin together.

call!

Seeing Yue Feng leave, Lan Xin breathed a sigh of relief, slowly closed her eyes, soaked in the cold pool, and focused on expelling poison.

Seeing this scene, Yue Chen, who was hiding not far away, suddenly showed a sinister smile on his face.

Haha…

Yue Feng, a fool, left in the face of such a beautiful woman. Isn't it cheap for me?

Thinking to himself, Yue Chen walked out of the woods and slowly approached Hantan.

Chapter 2884

While getting closer, Yue Chen's eyes couldn't be opened!

Who is this woman? This temperament is so unbelievable, especially that figure, it is flawless!

Um?

Yue Chen’s footsteps were very light, but Lan Xin was still aware of it.

“Yue Feng, you thought you came back quietly, and I don’t know?” Because her back was to Yue Chen, Lan Xin didn’t see it, thinking that it was Yue Feng who left and returned.

Oops!

Hearing this, Yue Chen was shocked and found out.

In the next second, Yue Chen rolled his eyes and laughed like Yue Feng’s voice: “What? Are you happy to know that I’m back?” Over the past few years, Yue Chen has impersonated Yue Feng to do evil in all corners of the world. Bring Yue Feng’s acoustics to life.

Shameless!

Lan Xin was so angry that she was about to turn around and scold her, but at this moment, Yue Chen flashed and rushed over to seal Lan Xin’s acupuncture point.

At the same time, Yue Chen took out a black cloth from his body and directly covered Lan Xin’s eyes.

Yue Chen is extremely treacherous, since this beautiful woman mistook herself for Yue Feng, she will be wrong. In an instant, Lan

Xin’s body trembled and she couldn’t move, and her eyes were covered with black cloth, so she couldn’t see anything, and she was very frightened: “Yue Feng, what do you want to do?”

Angry, and a little panicked.

This Yue Feng went and returned, not only clicked his own acupuncture point, but also blindfolded himself. Could it be that he wanted to take advantage of the danger of others and treat himself…

“It’s just the two of us here, what do you think?” Yue Chen said with a smile.

With that said, Yue Chen picked up Lan Xin, took a sip, and kissed her!

smell good!

“Get out!” Lan Xin kept yelling, trying to struggle, but she was tapped and couldn’t move at all. She really wants to die!

Along with Yue Chen's movements, it became more and more excessive, and he heard a blushing sound from the cold pool.

…..

the other side!

After half an hour of recovery, Yue Wuya felt much better, opened his eyes and stood up slowly.

My father went to save my mother, and I don't know what happened.

I muttered in my heart, just at this moment, I saw a sound of footsteps in the woods not far away.

Immediately afterwards, I saw a slender figure walking slowly over.

Wearing a long emerald green dress, she is charming and charming. She is in her twenties, and her beautiful face shows a calmness that does not match her age. It is Meihui.

Um? Why did my aunt come here? !

Yue Wuya frowned, surprised and delighted, and hurried up to meet him, his face full of excitement!

"Little aunt!" Yue Wuya couldn't be more happy.

"Ya'er!"

Mei Hui was so excited that she quickly stepped up and grabbed Yue Wuya's hand: "I'm relieved to see that you're all right!"

When she said this, Mei Hui let out a sigh of relief. .

After rescuing Ren Yingying and everyone before, Meihui kept an eye on the news of the imperial city, and finally learned that Yue Wuya was about to be executed by King Guangping. Yue Wuya.

Thinking about it, Mei Hui quickly asked about the situation!

Feeling Meihui's concern, Yue Wuya was very moved and said with a smile, "My father rescued me." Then, he explained the situation in detail.

Hearing this, Mei Hui was very excited: "That's great, by the way, where's eldest brother?"

“He returned to the palace to save his mother!” Yue Wuya responded.

Meihui suddenly became anxious: “The palace is heavily guarded, can he do it alone? Let’s go, let’s go and have a look.” After saying that, she stopped Yue Wuya from rushing towards the palace.

However, just after walking a few steps, I saw the sound of horse hooves on the road not far away. Immediately afterwards, I saw tens of thousands of troops slowly searching here.

Yue Wuya’s face changed, and he said to Meihui, “No, it’s the Imperial Forest Army!”

Chapter 2885

Mei Hui is also in a hurry. With so many imperial guards, the palace will definitely not be able to go.

“Well, let’s meet up with Sister Yingying first.” Soon, Meihui made a decision. After practicing in the arena for so long, Meihui was no longer the playful second lady she used to be, and became much calmer.

“Okay!”

Yue Wuya nodded, and left a letter where he was meditating, and pressed it under the stone. Then leave quickly with Meihui.

As soon as the two left, the Imperial Forest Army searched over.

At the same time, a figure in mid-air also flew quickly, with a cold expression, it was Yue Feng.

I go!

At this moment, Yue Feng was shocked when he saw the Imperial Forest Army below, and when he saw the place where Yue Wuya was hiding, there was no one, and he was even more anxious.

Whoosh!

After a few minutes, Yue Feng hurriedly landed as he watched the Royal Forest Army go away.

No, the Yulin army just left, and he was watching from above. It was impossible for Ya’er to be caught by them, but where did he go?

Ya’er will not leave for no reason, even if he really wants to leave, he will leave clues for himself.

Thinking to himself, Yue Feng searched around carefully, and soon found a letter under a stone.

call!

Soon, after reading the letter, Yue Feng breathed a sigh of relief, and a smile appeared on his face. Ya’er and Meihui left, and he didn’t need to worry.

Forget it, let’s go back and see Saint Lady Lanxin. After a while, she should have succeeded in expelling the poison.

Thinking about it, Yue Feng didn’t think much, so he flew high into the sky and rushed towards Hantan.

…..

At this moment, Hantan is here.

After some cloud and rain, Yue Chen put on his clothes and sat contentedly on the edge of the cold pool, his face full of intoxication.

Lan Xin curled up there, the black cloth on her face had not been removed at this time, her delicate body was trembling, and she was extremely embarrassed.

Myself… My own majestic nine-day saint, was actually defiled.

At this time, Yue Chen stood up and looked at Lan Xin up and down: “Beauty, don’t be sad, you should be honored to be my Yue Feng’s woman, haha…” I

have to say, this beauty is really It’s so sexy, especially the feeling just now, it’s simply unforgettable.

“Yue Feng, I must smash your corpse into tens of thousands of pieces!” Lan Xin gritted her teeth, extremely sad and angry.

At this time, Lan Xin didn’t know that it was not Yue Feng who defiled her.

Feeling Lan Xin’s anger, Yue Chen didn’t panic at all, on the contrary, he was extremely proud, and once again let Yue Feng take the blame, this feeling is really good.

hum!

At this moment, Lan Xin's whole body flashed with light, followed by a young figure, which slowly condensed. This figure flashed with golden light, and it contained powerful power.

In an instant, the entire cold lake was illuminated by golden light.

It is Lan Xin's Yuan Ying power.

Just now Yue Chen occupied Lan Xin's innocence, Lan Xin's eighth-level skill will be automatically passed on to Yue Chen.

"Huh? What is this?"

Seeing the golden Nascent Soul, Yue Chen was startled, and at the same time he couldn't express his curiosity.

At the same time, Yue Chen also found that Lan Xin, who was lying there, looked extremely weak, and even had no strength to speak.

Whoosh!

The next second, I saw that Nascent Soul's golden light flashed, turned into a streamer, and directly merged into Yue Chen's dantian. In an instant, Yue Chen only felt a pure power that filled his whole body, and his strength suddenly improved. few.

"Haha, God really favors me. Not only did I enjoy beauty, but my strength also improved!" Feeling the strong power in his body, Yue Chen couldn't help laughing up to the sky.

Excited, Yue Chen kissed Lan Xin, and then strode away.

"Yue Feng, I'm going to kill you, kill you…"

At this time, Lan Xin was in despair and grief, lost her eighth-layer skill, and the Nascent Soul in her body disappeared, even if there was still left. Two layers of skill, but not much stronger than ordinary people.

The ultimate husband in Chinese chapter 2886-2890

Chapter 2886

Without Xuan Gong, I will no longer be a saint, and I will not be able to return to the realm of the gods.

Thinking of this, Lan Xin was extremely desperate, and her tears kept flowing!

Shasha…

At this moment, there was a sound of footsteps, and then, a slender figure came quickly, a very beautiful woman.

This woman was about the same age as Lan Xin, and she was wearing a moon-white dress that looked like a fairy.

It is one of the Nine Heavens Saintess, Huanxiang.

Like Zi Yan and Lan Xin, Huanxiang has been looking for companions all the time. She happened to pass by Hantan just now and saw the golden light shining here, so she hurried over.

“Lan Xin!”

When she arrived at Hantan, seeing the scene in front of her, Huan Xiang was both surprised and delighted, her delicate body was shocked, she ran over quickly, helped Lan Xin up, and then tore off the black cloth on her face .

“How are you? What happened?” Huanxiang couldn’t help but ask, and she was also very angry.

She saw that Huanxiang was soaking wet and her long dress was messy, obviously being violated. Not only that, but the Nascent Soul in the body also disappeared. They were Nine Heavens Saintess, guarding the Heavenly Spirit Realm together, and they were in love with sisters. How could they not be angry when they saw Lan Xin become like this.

“Huanxiang!” Lan Xin’s red lips lightly parted, and she said weakly, “I was deceived by a big villain, his name is Yue Feng, the Sect Master of Tianmen, this person is despicable and shameless, and he pretended to rescue me from the palace, but he… “

Yue Feng!

Hearing this, the phantom fragrance made her delicate body tremble, and her charming eyes flashed with murderous intent.

Afterwards, Huanxiang got up and quickly looked around. Lan Xin’s power of Nascent Soul had just lost. In other words, Yue Feng, who took away her innocence, should not have run far.

This chapter is provided by . Visit for daily update.

“Huanxiang!”

Just as Huanxiang was searching around, Lan Xin called out softly, her eyes flashing with determination: “Without Nascent Soul, I am no longer a saint, and I have no face to see other sisters, remember, for me Revenge.” As the voice fell, Lan Xin took out a dagger and stabbed herself in the heart.

Among the Nine Heavens Saintess, Lan Xin has the most stubborn personality.

“Lan Xin, don’t do stupid things!”

Seeing this scene, Huan Xiang was startled and rushed over to stop it, but she was still a step too late. She saw that the dagger was deeply pierced in Lan Xin’s heart, and the long dress was stained red with blood. Fragrance eliminates jade loss.

“Lan Xin, why are you so stupid?” Huanxiang hugged Lan Xin tightly, her tears kept flowing, her heart ached.

Whoosh!

At this moment, in the sky not far away, a figure flew quickly, it was Yue Feng.

What the hell!

The next second, he landed on the edge of Hantan, and when he saw the scene in front of him, Yue Feng was suddenly dumbfounded, and his brain was buzzing.

Yue Feng could clearly see that Lan Xin was lying there, blood dripping from her heart, and she had lost her breath, and beside her, another extremely beautiful woman was standing there, her face was full of tears, very sad.

what’s going on? Why did Saintess Lanxin die?

Also, could this one beside him also be one of the Nine Heavens Saintess? Thinking to himself, Yue Feng couldn’t help but said, “What’s the situation? What happened to Saint Lady Lanxin

?” The voice fell, Huanxiang did not respond, and a pair of eyes directly locked on Yue Feng. Feeling the coldness of Huanxiang, Yue Feng secretly frowned.

How did this woman see herself as if she had met an enemy? It seems like the first time I met her, so there is no grudge, right?

“Who are you?” Just thinking about it, Huan Xiang said coldly.

“Yue Feng!” Yue Feng replied subconsciously.

Chapter 2887

“It’s you!” As

soon as the voice fell, Huan Xiang’s eyes flashed, and she stood up directly. A pair of beautiful eyes stared at Yue Feng coldly, unable to hide his anger, a murderous aura pervaded his graceful body.

At this moment, Huanxiang’s anger rose in his heart. It was this treacherous person in front of him who killed Lan Xin, and even dared to come back, he must be smashed into pieces!

What the hell!

Yue Feng was dumbfounded and couldn’t help but say, “Why are you looking at me like this, you dare to ask that Your Excellency is also the Holy Maiden of the Nine Heavens?”

“A shameless person like you doesn’t deserve to know my name, but I can tell you that my name is Huanxiang, don’t wait and don’t know who died in the hands!” Huanxiang said coldly.

Phantom?

Hearing this, Yue Feng was stunned for a moment. Zi Yan had said before that among the Nine Heavens Saintess, only Huanxiang could cancel Brother Wen’s soul contract, but I didn’t expect to meet him here.

It’s just, how could she look so bitter to herself.

“It turned out to be Saintess Huanxiang, I admired it for a long time, by the way, what happened to Saintess Lanxin? What happened?”

At this time, Yue Feng still didn’t know that he was framed.

“Knowingly asking, give me death!”

Huanxiang was too lazy to talk nonsense, turned her jade hand, and a long sword suddenly appeared, pointing to Yue Feng coldly: “You despicable and shameless person, doing such an unbearable scandal, heaven and earth. No, today I will act for the sky and avenge Lan Xin!” The

voice fell, Huanxiang clenched the long sword tightly, like a bolt of lightning, and stabbed directly at Yue Feng’s heart.

Under the grief, Huanxiang’s shot is a killer move, showing no mercy!

what.

To avenge Lan Xin? ! I didn't do anything to her!

He was muttering in his heart, seeing that the long sword was about to pierce the center mouth, Yue Feng didn't have time to think about it, and his inner strength urged him to hold Fang Tianhua halberd tightly in front of him.

clang!

The long sword and Fang Tianhua halberd collided, making a crisp vibration, Yue Feng received a powerful force, Fang Tianhua halberd almost flew out of his hand, and he couldn't help but take two steps back.

As expected of the Holy Maiden of the Nine Heavens, this strength is too strong, and she only managed to block it when she burst out with all her strength.

At this moment, Yue Feng was sweating profusely, watching Huanxiang closely, and he was also extremely shocked.

Immediately, Yue Feng took a deep breath and said eagerly: "Saint Huanxiang, what's going on? You just said you wanted to avenge Saint Maiden Lanxin, what happened to her?"

"You still want to pretend in front of me? You This villain tarnished Lan Xin, humiliated her innocence, Lan Xin did not endure the humiliation, and committed suicide with anger. This is all caused by you villain. You are not a pity to die 10,000 times!" Huanxiang said angrily.

What?

Hearing this, Yue Feng was shocked and completely stunned.

Defiled Saint Lady Lanxin by yourself? How can it be?

Thinking to himself, Yue Feng tried his best to calm himself, and stepped forward to explain: "Saint Huanxiang, there must be a misunderstanding in this. I left before and just came back, how could it be possible to defile Saint Maiden Lanxin.

" Yue Feng looked around: "Someone must have done such an ugly thing to Saintess Lan Xin while I was away."

When he said this, Yue Feng looked serious, but he was extremely annoyed. Ma De, who is so bold, dare to touch the Nine Heavens Saintess.

At the same time, there is some regret in my heart. If I knew this earlier, I shouldn't have left just now. I have been staying around, and Saint Lady Lanxin will not be in trouble.

“You wicked person is still arguing!?”

Huan Xiang’s chest trembled, and her eyes were full of resentment: “Before Lan Xin committed suicide, she told me personally that it was you who defiled her, Tianmen Sect Master Yue Feng!”

“Today you just broke it ! Heaven, I have to pay for Lan Xin’s life!” The

last sentence fell, Huan Xiang’s delicate body flashed, and the long sword stabbed towards Yue Feng again.

Chapter 2888

“Om!”

At this moment, Huanxiang burst out with all his strength, and a strong aura fluctuated, instantly covering the entire cold pool.

“Nine Heaven Lotus.”

Huanxiang’s red lips parted slightly, and four cold words slowly came out of her mouth.

The next moment, I saw a burst of colorful light from the long sword in her hand, followed by cracks in the air around her body, and in the next second, countless colorful petals condensed.

Each of these colorful petals is extremely sharp, and the air is completely shredded wherever it passes, and then all of them fly towards Yue Feng like shooting stars in the sky.

“You villain, I want you to pay for Lan Xin’s life!!” Huan Xiang shouted coldly.

Chi Chi….

With the sound of breaking through the air, Yue Feng only saw the sky in front of him, and it was about to be torn apart, and the power was terrifying.

I go!

Seeing this scene, Yue Feng was shocked. He knew that the Nine Heavens Saintess were very powerful, but he didn’t expect that under the anger of Huan Xiang in front of him, the skills that erupted were more terrifying than he thought!

In the blink of an eye, the sweat on Yue Feng’s face fell down!

Seeing that he was about to be beaten into a sieve, Yue Feng didn't have time to think about it, so he quickly activated his inner strength, deployed a protective film in front of him, and at the same time held Fang Tianhua halberd in front of him to resist!

At this moment, Yue Feng urged all his internal forces to resist.

Bang bang bang!

Thousands of petals hit the protective film one after another, and the protective film shattered in an instant, and then slammed on Fang Tianhua halberd. Yue Feng only felt that an overwhelming force came, and it blocked it all at once. No longer.

Pfft…

Yue Feng let out a muffled groan, a mouthful of blood spurted out, and the whole person was shocked and flew out, flying more than 100 meters before falling heavily to the ground.

Although Yue Feng is very powerful, he is only the top powerhouse of the Kyushu Continent. In the face of the Holy Maiden of the Nine Heavens bursting out with all his strength, he cannot resist it at all.

Moreover, among the Nine Heavens Saintess, Huanxiang's strength is the strongest.

"Pfft…"

At this moment, Yue Feng struggled to stand up, looking at Huanxiang with killing intent, he didn't have time to think, he raised his hand and waved, and saw a white flame jumping out.

It is Bai Lian Leng Huo.

At this time, Yue Feng, in addition to being angry, was a little helpless. He was obviously framed, but Huan Xiang in front of him didn't listen at all.

Um? The first different fire in the Kyushu mainland.

Seeing Bailian's cold fire whistling, Huanxiang frowned, and before she could think about it, her figure retreated gracefully.

Although she is the Nine Heavens Saintess, she is somewhat apprehensive in the face of Bai Lian Leng Huo. After all, this is the strongest different fire in the Nine Provinces Continent.

Seeing this scene, Yue Feng didn't have time to think, his figure jumped into the air and quickly flew into the distance.

Lan Xin was killed suddenly, Yue Feng was also very angry, but the most important thing now is to get rid of Huan Xiang first.

“Want to run?”

Seeing Yue Feng flying towards the distance, Huanxiang snorted coldly, her figure was astonishing, and she quickly caught up!

While chasing, Huanxiang kept drinking coquettishly: “Yue Feng, even if you escape to the ends of the earth, I will kill you.”

Nima!

Hearing this, Yue Feng wanted to cry without tears, but instead of responding, he speeded up!

It was just that he was hit hard by Huanxiang, and after flying for a while, Yue Feng’s speed slowed down. And the magic fragrance behind, the distance is getting closer and closer.

Yue Feng was in a hurry for a moment. It can’t go on like this. Sooner or later, he will be caught by Huanxiang and die by her hands, but it will be too wrong.

Chapter 2889

In a hurry, Yue Feng suddenly thought of something, took out an inner pill from his body, and quickly absorbed the power inside to replenish the inner strength of his dantian.

call!

In an instant, Yue Feng only felt that the inner strength of his dantian had recovered a little, and he was immediately overjoyed.

Using the power of the spirit beast’s inner alchemy to supplement his dantian inner strength, he is really witty.

Speaking of which, Yue Feng’s method is a bit wasteful, but he can’t help it, his life is the most important thing.

Next, Yue Feng took out an inner alchemy from time to time to replenish his inner strength, and flew fast in the sky with Huanxiang in tandem.

Unconsciously, four hours passed, and the two also flew over the border of the Apocalypse Continent and came to the Earth Circle Continent.

Oops!

At this time, Yue Feng was depressed and found that the inner elixir on his body had been used up by himself.

I’m running out of energy, what should I do?

The next second, seeing the bustling city in front of him, Yue Feng’s eyes flashed, and he flew over without hesitation.

There are many people in the city, and if you find a place to hide, it will be difficult for Huanxiang to find yourself. On the contrary, flying in the sky all the time is not a long-term thing. After all, the other party is Jiutian Xuannv, how can you fly past her?

Looking at the surrounding terrain, Yue Feng knew that the city in front of him was Xihua City in the west of Mount Hua. Although it was not as prosperous as Donghai City and Zhongzhou City, it was also the largest city in the western part of Diyuan Continent.

Um?

Seeing Yue Feng flying towards Xihua City, Huanxiang frowned, and then without the slightest hesitation, her delicate body flashed and she chased after him.

At this time, it was already night, and the whole Xihua City was brightly lit.

Whoosh!

Arriving over Xihua City, Yue Feng quickly looked around, and finally saw a place with a smile on his face, and then quickly landed.

This is a high-end bathing club, and it is very high-end. During this time period, when the business of entertainment venues is booming, this club is also the same.

Yue Feng thought about it, although Huanxiang is the Holy Maiden of the Nine Heavens, she must have never been to a modern clubhouse. She must be stunned when she chases her in. More importantly, she has entered the male guest area by herself. She holds her own identity and must not dare to search.

Soon, Yue Feng landed at the entrance of the gate, and the figure rushed in in a flash.

“Ah?”

“Who is it?”

The two security guards at the door saw a black shadow flashing past, and when they reacted, Yue Feng had already rushed in.

For a while, the two security guards looked at each other, thinking they were dazzled.

call!

Entering the lobby on the first floor of the clubhouse, Yue Feng was stunned for a moment. He saw that the clubhouse was very luxuriously decorated. The lounge in front of him was the size of several basketball courts. Because it was a men's area, there were many men at this time. The guests, after taking a bath, only wear shorts and shorts and lie there to rest.

Seeing this scene, Yue Feng showed a smile.

Haha… In such a place, I don't believe in the Saintess of Magic Fragrance, so hurry up and search me.

Thinking about it, Yue Feng quickly passed through the lounge and went to the VIP area at the back. Several service staff were stunned when they saw Yue Feng, but did not respond for a while.

"Who is that kid?"

"Did you come to apply for a waiter job? Why are you in such a hurry?"

Whoosh!

Just as these service staff were discussing, a slender figure rushed in quickly, with anger flashing on the beautiful face.

It is phantom.

Yue Feng was right, Huanxiang, as the Holy Maiden of the Nine Heavens, spent most of her time in the Heavenly Spirit Realm. She seldom came to the Kyushu Continent, and she had never seen a modern city. At this time, she didn't know where it was.

Chapter 2890

Quiet!

In an instant, as soon as Huanxiang came in, the entire male guest lounge was suddenly silent.

I have to say that Huanxiang is really beautiful, whether it is the staff or the male guests, they are all dumbfounded.

In particular, the extraordinary temperament on his body made many men look straight.

This…

At the same time, Huanxiang was also stunned, and her face was a little red.

What is this place?

Huanxiang saw that there were basically men here, and they wore so little…

But thinking that Yue Feng had not caught it, Huanxiang was too lazy to think about it.

“Tsk tsk!” I

don’t know how long it took, but an exclamation broke the peace. I saw a male guest closest to Huanxiang, looking at Huanxiang with a smile: “Beauty, are you a new technician? I haven’t seen you before!”

This person’s name is Li Chao, a gang leader in Xihua City , there are some local forces.

When the words fell, Li Chao’s younger brothers all smiled and agreed.

“Brother Chao, this beauty is really good!”

“It’s probably the first day at work.”

“I didn’t expect that the quality of the beauties in this clubhouse is getting higher and higher, Brother Chao, let her serve you tonight! “

Listening to the discussions of Li Chao and others, Huanxiang was expressionless and did not respond.

At the same time, those beautiful eyes slowly swept around, trying to find the figure of Yue Feng, but didn’t bother to pay attention to Li Chao.

However, the gazes of Li Chao and several people still made Huanxiang very unhappy.

“Yo? It’s quite cold!”

Seeing Huanxiang standing there just looking around, but not speaking, Li Chao, a little brother, couldn’t help it, he walked over with a smile, and shouted at Huanxiang: “Beauty, if you are the first If you come to work in the sky, you can earn it. To serve our super brother tonight, the tip will definitely satisfy you.”

At this time, Li Chao also came over, looked up and down at Huanxiang, and said with a smile: “What’s the name of the beauty? “

Hoo!

Huanxiang was annoying, and said coldly: “What is going to work? What is the tip, what are you talking about?” After speaking

, Huanxiang looked around and asked, “Where did the person who ran in just now go?”

what’s going on?

Hearing this, Li Chao and several younger brothers were stunned.

The next second, Li Chao smiled and said to Huanxiang: “Beauty is still a little shy, huh, since she came to work, she must put down her restraint.”

After speaking, Li Chao deliberately approached a few minutes, smelling Huanxiang’s body The smell of the fragrance, intoxicated: “I see you like old friends, and I will definitely come every day in the future. When the time comes, you can serve me specially…”

“Pop!” Before she

finished speaking, I saw Huanxiang raised her hand, which seemed to be fluttering. Two slaps in the past!

The next moment, I saw Li Chao’s body, like a cannonball, being blown away directly, and finally smashed on the video wall before sliding down.

After falling to the ground, Li Chao spat out several mouthfuls of blood, and then closed his eyes, not knowing his life or death!

At this moment, Huanxiang’s beautiful face is extremely embarrassed and angry, this person dares to blaspheme himself, he is simply courting death!

hiss!

Seeing this scene, whether it was Li Chao’s younger brother or the other people around, they were all dumbfounded.

This woman is not a new technician, but a cultivator, and her strength is too terrifying.

In an instant, the entire lounge was silent, and even the music stopped. At this time, Huanxiang

walked over slowly and asked a few staff members, “I’ll ask again, where are the people who ran in just now?

“

, and then one of them pointed to the back and said cautiously, “Go to the back!”

Chapter 2891

Hearing this, Huanxiang did not hesitate to go over.

“Hey, beauty!” Just before taking two steps, the staff quickly stopped Huanxiang and said anxiously: “You can’t go in later, there is a bathing place, and there are many guests.”

Shah!

At this moment, Huanxiang’s beautiful face turned red all of a sudden, and her heart was also extremely embarrassed.

At this time, the magic fragrance also figured out that this place is a place to bathe. In an instant, the shame and anger were five ratios.

Yue Feng and the villains were so despicable, they knew they couldn’t run away, so they deliberately hid in such places.

Thinking to herself, Huanxiang bit her lip and wanted to break in directly, but she held back. It’s important to avenge Lan Xin, but as the Holy Maiden of the Nine Heavens, if she breaks into someone else’s bathing place, it will spread out in the future. Now, how do you meet people?

“Villain!” The

more Huanxiang thought about it, the more angry she became, her red lips were lightly opened, and her icy voice spread throughout the club: “You think it’s okay to hide here? I tell you, you can’t escape, you have the ability to hide. For a lifetime.” The

voice was crisp and pleasant, but there was an icy murderous aura.

When the voice fell, Huanxiang turned around and walked out of the lounge, guarding the gate of the clubhouse.

After Huanxiang thought about it, she blocked herself at the door, not believing that Yue Feng would not come out.

At this moment, inside the clubhouse.

Nima!

Yue Feng, who was hiding in the bathing area behind, heard Huanxiang’s cold voice, and couldn’t help but let out a wry smile, wanting to cry without tears.

This chapter is provided by . Visit for daily update.

This phantom fragrance is also too persistent, it must be grasped.

No, you can’t sit still like this.

Yue Feng scratched his head anxiously, thinking about how to deal with it.

“Quick, find that kid!”

“Yes, find it!”

“Made, you brought trouble to our club, you are courting death!”

At this moment, the voices of several staff members came from the front passage.

Yue Feng was running around in the clubhouse, and Li Chao in the lounge was seriously injured by a woman whom Yue Feng had brought in. When the manager found out, he was very annoyed and immediately sent someone to search Yue Feng.

Watching those staff search over, Yue Feng frowned secretly, Mad, Huanxiang hadn’t gotten rid of it yet, and caused other troubles.

Thinking to himself, Yue Feng saw that there was a VIP channel behind him.

Yue Feng thought about it, this kind of high-end club must have a back door. At that time, if he slips away quietly through the back door, he will be able to get rid of the magic fragrance. As for the staff of the club, there is nothing to worry about.

It’s just that this club is too big, with boxes and rooms everywhere, and a fork in the road after a few steps. Yue Feng just felt like he had entered a maze, and he was stunned in the blink of an eye.

Unconsciously, Yue Feng came to the female VIP area.

call!

At this moment, Yue Feng rushed into a room and was relieved to see that no one was chasing after him.

Mad, finally got rid of those staff.

What the hell!

The next second, Yue Feng turned around and looked around the room, and he was stunned.

I can see that this room is very warm and elegant, and the air is filled with fragrance. It is obviously a room for women to rest!

Just when Yue Feng was stunned, a female VIP came in just after taking a bath, with only a bath towel covering her body.

I have to say that the women who come to this kind of club to consume are all beautiful. The one in front of me has beautiful facial features and graceful curves. At this moment, her figure can be seen by Yue Feng.

I go.

At this time, I made a mistake and entered the women's area!

"Ah…"

Just when Yue Feng was stunned, the woman was also stupid. After a few seconds, she screamed out!

Chapter 2892

"You, you rascal…" The woman was ashamed and angry, pointed at Yue Feng and shouted: "Someone, catch the rascal!"

Nima!

Yue Feng was so embarrassed that he didn't know whether to laugh or cry: "I'm sorry, I didn't mean to break in, don't call me…"

While explaining, Yue Feng rushed out.

Whoa!

When they got outside, Yue Feng hurriedly left the women's area. That is, at this moment, he saw a dozen security guards who were searching here.

Yue Feng saw that these security guards were all wearing black suits, and they were all practitioners, and their strength was around Wu Sheng.

Obviously, Yue Feng made too much noise here, and attracted the internal bodyguards here.

"It's this kid!"

"Catch him!"

At this moment, seeing Yue Feng, a dozen security guards shouted angrily and immediately surrounded him.

When he got to the front, a leader looked at Yue Feng up and down: “You are not too timid, come to our club to make trouble, and dare to break into the women’s area?”

This person is Cheng Dong, the captain of the internal security here.

“This is a misunderstanding!” Yue Feng took a deep breath and said patiently.

“Shao Te Code is long-winded for me!” Cheng Dong said coldly, no doubt: “The female cultivator at the gate, you attracted it, do you know that she injured Brother Chao, knowing that Brother Chao is Who is it?”

“Follow us quickly and apologize to Brother Chao!”

Although Li Chao is just a gangster, he is a guest here after all, and just now, he was severely injured because of the magic fragrance that this kid attracted. , this matter must be calculated carefully.

Cheng Dong bullied the soft and feared the hard, and Huan Xiang, who was blocking the gate, didn’t dare to provoke him, but the boy in front of him, dressed so ordinary, must have no background, so he didn’t need to pay attention.

“I’m sorry!”

Yue Feng was too lazy to talk nonsense, shook his head and said: “I didn’t hit the person, why should I apologize, tell me quickly, where is the back door here?”

Huanxiang was blocked at the gate, how could he go? lobby? Isn’t it self-inflicted?

What?

At this moment, Cheng Dong’s face changed, and he suddenly became angry: “What are you kid? If you dare to talk to me like this, I think you deserve a beating!” When the words

fell, Cheng Dong roared and was about to hit Yue Feng with a punch. !

idiot!

Seeing Cheng Dong punching, Yue Feng sneered.

Although Yue Feng was seriously injured and could not compete with Huanxiang, it was more than enough to deal with Cheng Dong’s strength.

The next second, Yue Feng made a lightning strike and clasped Cheng Dong's wrist.

"Good boy, how dare you fight back!"

Cheng Dong shouted angrily, trying to break free from Yue Feng's hand, but was surprised to find that his hand seemed to be caught by iron pliers, and he couldn't break free at all.

Mad, this guy seems to be ordinary, but he is also a cultivator, and his strength is higher than himself?

Whoa!

At this moment, the other security guards around were also shocked.

"Good boy, dare to fight with our captain?"

"I'm really tired of living!"

Under the anger, these security guards quickly surrounded him, and they were about to start!

However, Yue Feng didn't even look at them, he pushed Cheng Dong away, and said coldly, "I won't talk nonsense with you. Hurry up and tell me where the back door is."

Cheng Dong staggered back a few steps, and became angry on the spot. Yes, I am the captain. How can I endure being scorned by Yue Feng in front of so many subordinates?

In anger, Cheng Dong shouted: "What are you still doing? Come on together and fuck him for me."

Hula..

Chapter 2893 The

voice fell, and the surrounding security guards rushed up.

What a hassle!

Seeing this situation, Yue Feng shook his head secretly, ready to meet him.

"Stop, stop!"

At this critical moment, a coquettish shout came from not far away, and then, a slender figure, surrounded by many staff, walked over quickly!

Seeing the slender figure, everyone in Cheng Dong was stunned.

Um? is her!

At the same time, Yue Feng was also stunned, looking at the woman in front of him in surprise.

It was Ye Hongshang who had a relationship with the Yellow Sky Trading House in Heishui Town before.

Isn't this woman the manager of the Yellow Sky Trading Company? How did you come to Diyuan Continent?

At this moment, Yue Feng frowned secretly, very doubtful in his heart.

At the same time, Ye Hongshang also saw Yue Feng, and her body trembled, she was very surprised.

"Cheng Dong! What are you doing? We are in business, why do we just do it?" The next second, Ye Hongshang shouted at Cheng Dongjiao.

"Mr. Ye!"

Cheng Dong took a deep breath, pointed at Yue Feng and shouted: "It's this bastard who attracted a female cultivator, causing Li Chao to be severely injured. Just now, this kid broke into the women's guest area."

"Looking at his appearance, he is so poor. He dares to run into our club to make trouble, he is just courting death!"

When he said this, Cheng Dong glared at Yue Feng, his eyes full of cruelty.

"Shut up!"

Ye Hongshang snorted, then walked over quickly and slapped Cheng Dong on the face!

"Crack!"

With this slap, Ye Hongshang almost used all her strength, Cheng Dong covered his face, his face swollen high.

"Mr. Ye!" Cheng Dong shouted, the whole person was stunned and puzzled: "Why are you beating me, this kid is here to make trouble, shouldn't he be taught a lesson? How can he be qualified? Come to our club?"

"Are you talking too much?"

Ye Hongshang pointed at Yue Feng and said, “Poor and sour? Let me tell you, this gentleman was in Heishui Town before, and he was able to take out more than a dozen Martial Emperors at once. The inner elixir of the realm is hidden, do you know the inner elixir of the Emperor Wu realm? Selling one is enough for you to work here for more than ten years!”

What? !

At this moment, everyone present thought they had heard it wrong, and looked at Yue Feng blankly, speechless.

This kid is dressed like a tattered, and can actually take out more than a dozen Inner Pills of the Martial Emperor Realm at once?

Is it an expert on the rivers and lakes?

“Yes.. I’m sorry!” Cheng Dong reacted, resisting the shock, and apologized to Yue Feng.

Yue Feng smiled lightly. He had seen too many scenes just now, and he didn’t take it to heart at all.

It’s just that Yue Feng never expected to meet Ye Hongshang here.

“What are you doing? Hurry up!” Ye Hongshang frowned and said angrily.

“Yes, President Ye!”

Cheng Dong responded quickly, and then left with many security guards.

“Mr. Feng, we are really destined to meet again!” After everyone left, Ye Hongshang said with a smile, so charming and charming.

A few months ago, Yue Feng had just returned from the wild and strange realm. At that time, he and Hua Ling went to the Yellow Sky Trading in Heishui Town. They happened to meet Hua Ling’s creditor. She took out the inner alchemy on her body and helped her pay off the debt.

Ye Hongshang, who was the manager of the trading house at that time, was present at the time and was very impressed with Yue Feng.

However, at that time, Yue Feng used the fake name ‘Fengtao’, so Ye Hongshang called Mr. Feng.

“Yeah!”

At this moment, Yue Feng showed a smile and nodded at Ye Hongshang: “It is indeed fate, but I didn’t expect that Miss Ye is also hidden. She was the manager of the trading house a few months ago, and now she is The boss of a club.”

Chapter 2894

“Mr. Feng is too famous!”

Hearing Yue Feng’s compliment, Ye Hongshang smiled lightly, and then asked curiously: “Mr. Feng, there is a very beautiful practitioner outside the clubhouse, this matter has nothing to do with you. Is it related?”

Ye Hongshang was resting in the office, and when she heard the movement outside, she came out to take a look. Just now, she specially sent someone to ask Huanxiang, but Huanxiang was arrogant and ignored everyone.

In this case, Ye Hongshang had no choice but to ask Yue Feng!

Uh…

Yue Feng scratched his head, very embarrassed: “That man really came for me, I’m sorry to cause trouble to your club.”

“Are you hiding from your love debt?” Ye Hongshang rolled her eyes and smiled. He joked: “I can’t tell, Mr. Feng is quite romantic…”

In Ye Hongshang’s eyes, a man, blocked by a woman at the door of the clubhouse, must be out of love.

“No!” Yue Feng blushed, and quickly explained: “There is another reason for this, and it’s hard to say, by the way, can you help me get out of here? As long as I leave, she won’t make trouble here. “

“That’s it…!”

Ye Hongshang pondered and asked, “Who is this woman? It is said that she is very powerful.”

“This… You still don’t know!” Yue Feng said in a complicated tone .

The Nine Heavens Saintess has a very special identity, so she can’t say it casually.

“Mr. Feng!”

Ye Hongshang suddenly became a little displeased: “Although we have only met twice, we are not too familiar with each other, but I helped you out just now and regarded you as a friend, but you are really wary of me. !”

“You don’t want to tell me the truth, you just want me to take you out safely, do you think it’s appropriate?”

Hearing this, Yue Feng was very embarrassed.

The next second, Yue Feng smiled bitterly: “Well, since you said so, I’ll tell you that the one blocking the door of your clubhouse is the Nine Heavens Saintess.” came out.

What? Saintess of the Nine Heavens?

Ye Hongshang’s delicate body trembled, and the whole person was stunned.

No wonder his temperament is so special and his strength is also very powerful, so he doesn’t belong to the Kyushu continent.

Thinking to herself, Ye Hongshang resisted the shock and looked at Yue Feng: “Mr. Feng is not an ordinary person to be chased by the Nine Heavens Saintess.”

“This…”

Yue Feng scratched his head, hesitated, and smiled bitterly. : “To be honest, I am Yue Feng, the sect master of Tianmen. The Fengtao I told you before was a pseudonym.”

When he said this, Yue Feng looked calm.

What Ye Hongshang said just now was right, the other party regarded her as a friend, and she had to rely on her to get out of here.

What?

At this moment, Ye Hongshang’s delicate body was shocked, and she stared at Yue Feng blankly, her delicate face was full of surprise.

“You…” After a few seconds, Ye Hongshang reacted, and her tone trembled: “You are Yue Feng? I’m not dreaming, the dignified Tianmen Sect Master, the former Emperor of Xi Cang?

” Hongshang’s face was very shocked, and her heart was even more pleasantly surprised.

“Time is running out, can you take me out of here?” Yue Feng couldn’t help asking.

“Okay, there is an escape route in this clubhouse, which is very hidden. I’ll take you there!” Ye Hongshang smiled, said attentively, and then led the way.

There was a smile on her face, but Ye Hongshang’s eyes had a hint of cunning.

Chapter 2895

Yue Feng didn’t notice what was wrong with Ye Hongshang, so hurry up!

At this time, Yue Feng did not know that Ye Hongshang in front of him was not only the owner of this club, but also had many other identities, and the most important one was the elder of Tianyi Sect.

Tianyi Sect is an ancient sect of Tianqi Continent, which has been passed down for more than two thousand years.

When the ancient tomb of Lv Bu came into existence, the major sects of Kyushu gathered in Mount Hua, and the Tianyi Sect also came. Later, Yue Feng got Lu Bu’s secret book and was besieged by various sects, and was finally rescued by Ling Xiaoxiao, the head of Tianyi Sect.

At that time, after Ling Xiaoxiao brought Yue Feng back to Tianyi Sect, he tortured him and tried to get the secret book from Yue Feng. As a result, Yue Feng was rescued by Song Qian. Since then, Yue Feng has never had any interaction with Tianyi Sect.

As an elder of Tianyi Sect, Ye Hongshang naturally knew that Yue Feng and Tianyi Sect had a festival.

In the past few years, Ye Hongshang was ordered by Ling Xiaoxiao to conceal her identity, infiltrate Huangtian Trading as a manager, and then invest in the club by herself, not to make money, but to better inquire about the news. At this time, I learned that the person in front of me was the famous Yue Feng, and of course I was pleasantly surprised.

A few minutes later, Yue Feng followed Ye Hongshang and entered a hidden passage. The entrance of the passage could see the words ‘No idlers do not enter’.

call!

At this moment, Yue Feng couldn’t help taking a deep breath, great, this club really has a secret passage to go out.

Thinking of the magic fragrance blocking the front door, Yue Feng showed a smile. This Huanxiang, as the Holy Maiden of the Nine Heavens, had not found out, she insisted that she killed Lan Xin, and insisted on killing me. You’d better stay there for the rest of your life when I leave quietly.

Squeak.

Just as Yue Feng was muttering secretly, he saw Ye Hongshang who was leading the way in front of him. He walked to a wall and opened the hidden mechanism. He heard a shock, and a secret door appeared on the wall, revealing layers of stones inside. order!

I go! There is a mystery here.

Seeing this scene, Yue Feng was both surprised and excited, and said to Ye Hongshang: “Miss Ye is really smart, she even made a secret message in the clubhouse, I admire it!”

“Now the situation in Kyushu is unstable, Whether it’s Jianghu sect or those of us doing business, we are all very careful.” Ye Hongshang smiled lightly.

Immediately, Ye Hongshang looked at Yue Feng: “You can go out from here, please, Sect Master Yue!” The

last word fell, Ye Hongshang smiled, but her eyes flashed coldly.

Over the years, the sect master has been worried about Yue Feng’s escape back then. If he can catch Yue Feng today, the sect master will be very happy, and the reward will definitely be indispensable when that time comes.

Yue Feng nodded, not noticing Ye Hongshang’s strangeness at all, and walked in directly.

call!

When he got inside, looking at the environment in front of him, Yue Feng couldn’t help but suck in the cold air. He saw the steps in front of him extending down very deep and winding, and he didn’t know where to go.

This is just a clubhouse, how did you come up with such a hidden secret passage?

This Ye Hongshang’s identity is somewhat suspicious.

Thinking about it, Yue Feng couldn’t help but turn his head and asked, “Miss Ye, may I ask you…”

Just halfway through, he saw Ye Hongshang smiling at him behind him, raising his jade hand and hitting him with a palm.

Nima. what’s going on?

Yue Feng was taken aback and instinctively wanted to dodge, but the secret passage was too narrow, and there was nowhere to hide. In addition, he was injured before, and his reflexes couldn't keep up, so he was directly slapped on the back of the head!

hum.

Yue Feng's intuition's entire brain was buzzing, and then he didn't know anything when it was dark.

….

on the other side, Changsheng Island.

Behind the main altar, in the secret room on the cliff, the white horse squeezed a few highly poisonous inner pills, and the poisonous mist formed lasted a full day and night before dissipating.

The ultimate husband in Chinese chapter 2896-2900

Chapter 2896

At this time, White Horse stood in front of the secret room with a proud face.

White Horse could clearly see that in the secret room, Zhang Jiao was curled up in the corner. Because of inhaling too much poison, his skin was blue, his eyes were closed, and he was no longer breathing.

On the ground next to it, a golden axe fell.

It is the opening axe.

"Haha…"

Bai Ma was very proud, couldn't help laughing up to the sky, then walked in, picked up the Sky-Opening Axe, and admired it up close.

It has to be said that the Kaitian Axe is worthy of being a peerless weapon. It has been shrouded in poison for a day and a night, and there is no trace of erosion, and it is still shining.

"Good weapon, haha, good magic weapon."

Bai Ma sighed a few times, then put away the opening axe, and shouted at the outside: "Someone!" The

voice fell, and several disciples walked in quickly.

“I will inform all the disciples immediately, saying that the great revenge of Palace Master Wen has been avenged.” Bai Ma looked at Zhang Jiao lightly, and instructed these disciples, “Wait and find a place to bury Zhang Jiao.”

“Bury Zhang Jiao. After that, gather everyone immediately and follow me back to the Kyushu Continent!”

As he said this, White Horse looked at the sea not far away, his eyes full of ambition.

The opening axe has been obtained, and it is time to fight for the world.

“Yes, Hall Master!”

This chapter is provided by . Visit for daily update.

Several disciples agreed with a bang, then carried Zhang Jiao out and buried him in a nearby place.

Half an hour later, all the elite disciples of the main altar assembled, and then, under the leadership of White Horse, took a big boat and headed for the continent of Kyushu.

For a time, the lively Changsheng Island suddenly became deserted.

Swish…

Not long after Bai Ma and the others left, they saw a movement on the mound where Zhang Jiao was buried, and then they saw Zhang Jiao crawling out in a mess.

That’s right, Zhang Jiao didn’t die, but performed the stunt of ‘breaking life and forgetting death’ in the indestructible scripture, and escaped the catastrophe.

At that time, when the white horse exploded the poisonous inner pill, Zhang Jiao knew that if he could not break out of the cage, he would be poisoned to death, so he hurriedly used the stunt of breaking life and forgetting death, disguised as a fake death.

At that time, Yue Wuya buried Zhou Qin alive on Mount Emei, and Zhou Qin also used ‘Break Your Life and Forget Your Death’ to escape death.

call!

At this moment, seeing the cold and clear Changsheng Island in front of him, Zhang Jiao’s eyes were extremely gloomy, his face was extremely ugly, and his heart was even more angry.

“White Horse!” In the

next second, Zhang Jiao clenched his fists and screamed up to the sky: “When I recover my skills, I will blow your bones to ashes.”

As a person who has been famous for thousands of years, he was even plotted against a villain like White Horse. The Kaitian Axe was also snatched away, which was a shame. And Zhang Jiao is a personality that Jairus must repay, how can he bear it?

However, the most popular thing now is to restore power.

Thinking to himself, Zhang Jiao didn’t hesitate, took a deep breath, and started to meditate.

….

the other side!

Yue Feng didn’t know how long he had been in a coma, but he only knew that he had a dream, in which he had been chased by the Huanxiang Saintess, and finally had nowhere to go…

Phew!

When he woke up, Yue Feng took a deep breath and felt his brain swell.

Nima, that Ye Hongshang, treats her as a friend, but plots against herself behind her back.

The next second, Yue Feng wanted to stand up, but found himself tied up by five flowers! When he looked around, he was completely stunned.

I saw that I was in a secret room. The decoration of the secret room was simple and elegant, with a bookshelf and a soft collapse. There was incense in the corner, and the smoke was lingering, and the fragrance was full of people.

Chapter 2897

Huh?

Looking around, Yue Feng’s eyes fell on the sofa, and he couldn’t move his eyes away.

Just saw a beautiful and sexy woman sitting quietly on the soft couch, with beautiful facial features and graceful curves, people can’t move their eyes when they see it.

Who is this?

At this moment, Yue Feng was stunned for a moment, and at the same time, he was also a little puzzled.

The woman in front of her was in her mid-twenties, but she was very face-to-face, and she had never seen it before.

Did she let Ye Hongshang catch me?

At this time, Yue Feng did not know that the beautiful woman in front of him was the leader of Tianyi Sect, Ling Xiaoxiao.

Back then, Ling Xiaoxiao was only thirteen years old when the ancient tomb of Lu Bu appeared, but now that so many years have passed, she has grown into a goddess of the rivers and lakes.

“Yue Feng!”

Just when Yue Feng was secretly doubtful, Ling Xiaoxiao’s red lips parted lightly, and she said with a half smile, “I didn’t expect that, after many years, you will fall into my hands again.”

“Beauty!” Yue Feng reacted and said with a smile: “Did you make a mistake, have we met?”

Phew!

Ling Xiaoxiao breathed a sigh of relief, stood up slowly, and said slowly: “You are the Sect Master of Tianmen, the former Emperor of Xi Cang, and nobles often forget things, but I can remind you that my name is Ling Xiaoxiao. The head of Tianyi Sect. , you were besieged at the exit of Lu Bu’s ancient tomb, but I rescued you.”

What?

Hearing this, Yue Feng was shocked and looked at Ling Xiaoxiao closely: “Is it you?”

When the words fell, Yue Feng couldn’t help looking up and down Ling Xiaoxiao. I secretly sighed in my heart, I’m going, I haven’t seen you in all these years, that little teenage girl has become so beautiful back then?

Yue Feng could clearly see that Ling Xiaoxiao at this time was wearing a lilac short skirt, which showed her exquisite and graceful figure vividly.

Seeing Yue Feng staring at him tightly, Ling Xiaoxiao smiled slightly and walked slowly to Yue Feng.

Gudong!

Charming curves, long white legs, and approaching at close range at this time, Yue Feng was stunned for a moment, and couldn't help but secretly twitched his Adam's apple.

Snapped!

However, at this moment, Ling Xiaoxiao suddenly turned cold, raised her jade hand, and slapped Yue Feng without warning!

With a crisp sound, Yue Feng was suddenly a little stunned.

"If you dare to look at me like this again, I'll dig out your eyeballs!" Leng Xiaoxiao said coldly, and the aura that filled his body made one's heart palpitate.

call!

Yue Feng smiled bitterly, but did not respond, nor did he panic.

Yue Feng did not know how many women have heard the phrase digging out the eyes, but up to now, is a pair of eyes not good enough?

The next second, Yue Feng took a deep breath and met Ling Xiaoxiao's gaze: "Ling Xiaoxiao, after all, we don't have any grudges, and when you saved me, didn't you want to get Lu Bu's secret book? We meet again after many years. It's not necessary, is it?"

Haha!

Ling Xiaoxiao smiled lightly, looked at Yue Feng and said, "Don't play tricks with me, you blaspheme Chang'e and try to be the emperor of Beiying. Heaven's law will not allow it. Even if I kill you now, I will act for heaven, you know?"

Yue Feng was very helpless, and said with a wry smile: "As the master of a sect, why do you believe in the rumors of the rivers and lakes? Zhang Jiao is very ambitious and deliberately framed me." After

speaking, Yue Feng thought about it and continued: "And I I believe, you will definitely not kill me, you can tell me the conditions, how can I let me go."

Papapa…

Hearing this, Ling Xiaoxiao showed a smile and gently applauded: "As expected of the Tianmen Sect Master, Don't be afraid of danger, you can negotiate with me so calmly, good!" After speaking

, Ling Xiaoxiao sat back again, with her right leg resting on her left, very leisurely: "In this case, I'll make it clear, you are Isn't there a dragon spirit beast?"

At these times, Ling Xiaoxiao looked at Yue Feng closely, his eyes flashing with a strange light.

Chapter 2898 What the hell

!

Hearing this, Yue Feng was shocked.

At this time, Ling Xiaoxiao smiled lightly and continued: “As long as you give me the dragon spirit beast, I will let you go!”

Speaking of which, not many people in the Kyushu mainland know about Yue Feng’s possession of the dragon spirit beast. But Ling Xiaoxiao had many eyes and ears in the Kyushu mainland, so she still got some news.

At this time, Ling Xiaoxiao has matured a lot compared to a few years ago. Compared with Yue Feng’s secret book, she is more inclined to the dragon spirit beast. You must know that the dragon is the spirit of all things, and the strongest divine beast in Kyushu. With the dragon spirit A beast can stand on the top of Kyushu.

At this moment, the atmosphere of the secret room suddenly became solemn.

A few seconds later, Yue Feng smiled slightly, and pretended to be relaxed and said: “Ling Xiaoxiao, you are really joking, the dragon spirit beast has disappeared in the Kyushu continent for thousands of years, how can I be, how can I have it?

“

As soon as the words fell, Ling Xiaoxiao’s face turned cold, and her delicate body came up gracefully. She raised her hand and slapped Yue Feng again. After the slap, she sat back on the soft couch, and the speed was unbelievable.

Nima…

Yue Feng only felt that his face was hot, and he suddenly felt a little hot, but his hands and feet were tied tightly, and he couldn’t break free.

Holding back his anger, Yue Feng showed a smile: “Ling Xiaoxiao, you don’t have any conclusive evidence, you just said that I have a dragon spirit beast, and you want me to hand it over. Is it difficult for a strong man?”

Anyway, the young dragon is in the spirit beast bag, while the spirit The beast sac needs its own formula to open it, and it is not afraid of Ling Xiaoxiao’s search at all.

Yue Feng thought about it, as long as he didn't admit it, Ling Xiaoxiao couldn't do anything about him.

Ling Xiaoxiao lost her patience in an instant and sneered: "Yue Feng, don't pretend to be confused with me, a few days ago, the major sects in Kyushu were arrested and were about to be taken into the ghost world. When the spirit beasts came out, although those sects concealed the news, they couldn't conceal the news from me!"

"I have given you a chance, since you are not sure, don't blame me!" The

last sentence fell, Ling Xiaoxiao stood up slowly Get up, take out a bag from your body!

What the hell!

Seeing the package, Yue Feng's body was shocked, he was angry, and a little panicked.

I saw that it was a pack of golden scales, each of which was more than ten centimeters long and covered with barbs.

The scale thorn is a unique hidden weapon in the rivers and lakes. It is made of a rare fish scale.

The next second, Yue Feng reacted and said coldly: "Ling Xiaoxiao, don't go too far."

"Excessive?"

Ling Xiaoxiao walked slowly to the front, her delicate face full of contempt: "Yue Feng, You are no longer a hero who is admired in the arena. Everyone gets it and kills you. I gave you a chance to live, but you say I'm too much? Don't you think it's ridiculous?" The

voice fell, Ling Xiaoxiao pinched a scale Thorn, shot into the electricity, and directly pierced into the acupoint on Yue Feng's shoulder.

hiss!

In an instant, Yue Feng only felt a piercing pain coming, and his whole body trembled, but he still gritted his teeth and did not shout.

At the same time, he was terrified.

Nima, this Ling Xiaoxiao is too cruel. The last time she was caught by him, she was tortured to death, and she was only twelve or thirteen years old at the time. Now that she has grown up, she is even more charming. It's full of variety.

“Ling Xiaoxiao, I really don’t have a dragon spirit beast, you must have gotten fake news.” Yue Feng said through gritted teeth.

“Ha ha!”

Chapter 2899

Ling Xiaoxiao obviously didn’t believe it, so she couldn’t help laughing lightly, looking at Yue Feng with interest: “Yue Feng, you are still stubborn when you are about to die, you can bear it, right? I see how long you can bear it! “

After saying this, Ling Xiaoxiao pinched the scaly thorns again and stuck them on other acupoints of Yue Feng.

Puff puff…

In less than half a minute, Ling Xiaoxiao stabbed all the remaining scales on the acupoints on Yue Feng’s body. At first Yue Feng was able to grit his teeth and endure it, but in the end he couldn’t bear it anymore. Stopped, and shouted loudly.

At this time, Yue Feng wanted to scold him badly, but he was injured before and his inner strength had not recovered, and now he was tortured by Ling Xiaoxiao with scales, so he couldn’t scold him at all.

Even though Ling Xiaoxiao is a woman, she is cruel, and the most painful acupoints of Yue Feng are all stabbed.

Mad! This femme fatale!

At this moment, Yue Feng was dripping with cold sweat, and every inch of muscle was twitching.

After stabbing the last scale thorn, Ling Xiaoxiao abused Yue Feng: “Yue Feng, I’m giving you one last chance, whether you can pay…” Before she

finished speaking, Ling Xiaoxiao suddenly raised her eyebrows. After a sigh, his face showed a bit of pain, and then he sat back on the soft couch and began to meditate and perform exercises. At the same time, his delicate body trembled slightly.

Um? what’s going on?

Seeing this scene, Yue Feng frowned secretly, while watching Ling Xiaoxiao closely.

Haha…

The next second, Yue Feng saw the clue, and a sneer appeared on the corner of his mouth. This Ling Xiaoxiao must have done things without breaking his hand and got his retribution.

At this time, Yue Feng clearly felt that although Ling Xiaoxiao was strong, the inner strength of his dantian was very unstable at this time, and there were some signs of going crazy.

Yes, as the head of Tianyi Sect, Ling Xiaoxiao has been plagued by a problem all these years.

When Ling Xiaoxiao was nine years old, he was not yet the head of the family. When he went out to practice, he met a very powerful old man. As soon as the old man met her, he accepted her as his apprentice.

Later, the old man was attacked to death. Before he died, the old man gave Ling Xiaoxiao all the elixir that he had accumulated in his life! Among these elixir, there is a ten thousand-year-old Bauhinia flower, which is an extremely rare elixir, rare in the world.

At that time, Ling Xiaoxiao took Wannian Bauhinia, and his strength improved by leaps and bounds. After that, he defeated the major masters of Tianyi Sect, and then took the position of head.

However, after Ling Xiaoxiao took Wannian Bauhinia, because it was too small at the time, she never fully integrated the power contained in Wannian Bauhinia, and that power was lurking in the depths of her dantian. Once it happened, Ling Xiaoxiao was in pain every time.

At this time, the hidden power began to erupt in Ling Xiaoxiao’s body again.

“Yue Feng!”

At this moment, Ling Xiaoxiao suppressed the disturbance of her dantian’s inner strength and shouted at Yue Fengjiao: “You can still laugh when you are about to die. Let’s see how I torture you later.”

Ling Xiaoxiao has a arrogant personality. Feng was tortured so badly by himself, and he dared to laugh at himself at this time, and he couldn’t help it.

call!

Yue Feng took a deep breath and smiled: “Ling Xiaoxiao, you are being unreasonable. You arrested me, but you still won’t allow me to laugh?”

After saying that, Yue Feng looked at Ling Xiaoxiao up and down, and continued: “If I You guessed right, you should have eaten the Wannian Bauhinia flower, and it was not completely integrated at that time, so you left troubles, right?”

Yue Feng has Wuji Danshu, and he has studied medical theory with Shennong before, and you can see it at once. .

What?

Hearing this, Ling Xiaoxiao was shocked and looked at Yue Feng in astonishment: “How…how do you know?”

Yue Feng said with a smile: “Wannian Bauhinia contains the power of the extreme sun. A little carelessness will make people fall into the predicament of going crazy. Your current situation is like this. Of course I can see it. Moreover, I have a medicine pill called ‘Qingshendan’, which can treat your current situation. As long as you let me go, I’ll give it to you, how?”

Chapter 2900

Huh?

At this moment, Ling Xiaoxiao’s pretty face was startled, and she looked up and down at Yue Feng: “Do you have a purifying pill?”

Over the years, in order to eliminate hidden dangers, Ling Xiaoxiao has searched for elixir everywhere in the rivers and lakes, but finally found nothing. Two years ago, Ling Xiaoxiao Xiaoxiao got an ancient book, which recorded a kind of elixir called Qingshen Dan. However, the elixir formula for refining this elixir has long been lost.

At this time, Ling Xiaoxiao was shocked when she heard Yue Feng mention Qingshendan.

However, Ling Xiaoxiao was quick-witted and guessed that Yue Feng was deliberately deceiving himself in order to get away.

“Of course!”

Seeing the change in Ling Xiaoxiao’s expression, Yue Feng’s face was indifferent: “I do have one on my body, if you don’t believe it, then forget it.”

Saying this, Yue Feng always pays attention to Ling Xiaoxiao. complexion.

call!

At this moment, Ling Xiaoxiao pondered for a while, then slowly walked over to untie Yue Feng.

Ling Xiaoxiao is not afraid of Yue Feng's tricks. You must know that he was stabbed with scales on more than a dozen acupuncture points on his body. Now he has almost half his life left, and even if he plays tricks, he will not be able to escape.

"Where's the Qingshen Pill?" After untying the rope, Ling Xiaoxiao stretched out her jade hand and said coldly at Yue Feng, "Take it out!"

Huh!

Yue Feng took a deep breath and smiled bitterly: "If you don't take off the scales, how can I get them for you?

" This woman is too cruel. He even used scales to prick his acupuncture points. Now that the meridians are injured, I am afraid that it will take several days to recover.

Ling Xiaoxiao frowned, and then took off all the scales on Yue Feng's body.

At this moment, Yue Feng moved his muscles and bones, and then took out a Qingshen pill from the spiritual beast cyst on his body. He saw that the Qingshen pill was light blue, lying quietly in Yue Feng's hands, exuding a bright light. Luster and fragrance.

He…he really has a pure magic pill.

Seeing the Qingshen Dan, Ling Xiaoxiao's delicate body trembled, surprised and delighted, and then urged: "Quick… give it to me!"

At the same time as she spoke, Ling Xiaoxiao looked at Yue Feng's eyes with a bit of a trace. You must know that the Qingshen Pill has been lost for a long time. In the past few years, Ling Xiaoxiao sent his disciples to search all over the Kyushu continent, but they have not found anyone who can refine the Qingshen Pill. There is.

At this time, Ling Xiaoxiao still didn't know that Yue Feng's alchemy skills had reached a very deep level. Looking at the Kyushu continent, no one could make out.

"Okay!"

Seeing the urgency in Ling Xiaoxiao's eyes, Yue Feng pretended to hand it to her, but at this moment, when he secretly stimulated his inner strength, he saw a white flame jumping out, directly covering the Qingshen Pill, blinking his eyes. It turned into ashes.

At this time, Yue Feng, although extremely weak, summoned the cold white lotus fire and burned the Qingshen Dan is not a problem.

The next second, Yue Feng made a very innocent look: “Oh, you stabbed me with scales just now, which messed up my dantian’s inner strength. Why did you accidentally summon Bailian Lenghuo?”

said Then, Yue Feng looked at Ling Xiaoxiao with a half-smile, showing a bit of mockery.

Mad, this woman tortured herself to death just now, how could she easily give her the Qingshen Pill? !

“You…”

At this moment, Ling Xiaoxiao’s delicate body was shocked, her eyes stared at Yue Feng tightly, her whole person was stunned, and then, her eyes flashed with a cold light, and a powerful killing force filled her body. The meaning came out: “Yue Feng, you are courting death!”

At this time, Ling Xiaoxiao was extremely angry. I can’t wait to kill Yue Feng immediately!

Such a rare Qingshen Dan was destroyed by him like this. What’s even more irritating is that he obviously did it on purpose, but he still made a very innocent appearance.

hum!

In the next second, Ling Xiaoxiao didn’t hesitate at all. In anger, she pushed her inner strength to raise her jade hand and hit Yue Feng.

Seeing Ling Xiaoxiao slap in the face, Yue Feng did not panic at all, but said with a smile: “Ling Xiaoxiao, if I die, you will never get the Qingshen Pill.”

The ultimate husband in Chinese chapter 2901-2910

Chapter 2901

“Without the Qingshen Pill, you will never be able to get rid of the hidden danger of going crazy!”

When he said this, Yue Feng looked serious, but his eyes flashed with a sneer. Mad, you tortured me for so long just now, and you still want to get the Qingshen Dan, and you are dreaming.

Phew…

Hearing this, Ling Xiaoxiao’s delicate body froze suddenly and stopped immediately!

In the next second, Ling Xiaoxiao bit her lip and looked at Yue Feng coldly: “Yue Feng, do you still have Qingshen Pill on you? Hurry up and take it out. If you play with me again, I will cramp and peel you off!”

“No That’s it!” Yue Feng smiled indifferently: “There’s only one on him!”

Shuh!

Ling Xiaoxiao was so angry that her eyes were almost spitting fire, and then she heard Yue Feng continue indifferently: “I don’t have it on my body, but I can refine it!”

What?

At this moment, Ling Xiaoxiao was stunned again, staring at Yue Feng blankly, thinking that she had heard it wrong.

Can he refine the Qingshen Pill?

You must know that the refining method of Qingshen Pill has long been lost, and most of the ancient books contain scattered records, but this Yue Feng even boasted that he could refine it.

Does he really understand refining, or is he deliberately teasing himself?

Seeing Ling Xiaoxiao’s complexion changing, unable to speak for a long time, Yue Feng showed a smile, and his heart was indescribably comfortable, and there was a sense of revenge.

“Go find me a porcelain jar!” At this time, Yue Feng was too lazy to talk nonsense, and ordered Ling Xiaoxiao.

This chapter is provided by . Visit for daily update.

“What did you say?” Ling Xiaoxiao reacted, staring at Yue Feng coldly.

The head of the dignified Tianyi Sect was actually called by Yue Feng as a servant?

“If you still want Qingshen Pill, just do as I say!” Yue Feng stood up, stretched his waist, and said lightly.

You…

Ling Xiaoxiao stomped her feet angrily, seeing Yue Feng’s serious face, he suppressed his anger and went out to find a porcelain jar.

I go!

At this moment, Yue Feng took the porcelain jar and glanced at it casually. He was secretly shocked, and saw that the jar was beautiful in shape, and the glaze lines on it were also very gorgeous. At first glance, it was a valuable antique.

As expected of the head of Tianyi Sect, there are still many treasures around him.

In his heart, Yue Feng took out the materials he carried with him. These materials were collected by Yue Feng before, and each of them was a rare spirit grass in the world.

Soon, everything was ready, but Yue Feng did not start the refining, but sat there and looked at Ling Xiaoxiao with a smile.

Ling Xiaoxiao frowned: “Why are you looking at me? Why don’t you hurry up to make alchemy?”

“Aiya!”

Yue Feng sat there, moving his shoulders, looking very painful: “I also want to make alchemy immediately, but just now My acupuncture points have been stabbed with scales, blood is not smooth, and my whole body is in severe pain. I am afraid that it is difficult to refine this state.”

“If someone gives me a massage, beats my shoulders, and presses my legs, Maybe better!”

What?

Hearing his words, Ling Xiaoxiao’s delicate body was shocked, and her beautiful face was also half ashamed and angry: “Yue Feng, you are bold!”

This Yue Feng, really a bastard, actually wanted himself to beat his back and rub his shoulders. ? How can he be the dignified master of his own family and serve him with dignity?

But… if you don't help him beat his back and rub his shoulders, he won't be able to refine the Pure Spirit Pill…

Chapter 2902

Seeing that Ling Xiaoxiao was so angry, but he didn't dare to do anything to himself, Yue Feng secretly laughed and said slowly: "If you don't want to, then forget it, but I have to rest."

"How long do you want to rest? "Ling Xiaoxiao asked angrily.

Yue Feng thought about it pretendingly: "It will take a few hours, you know that the scales are so powerful that they almost hurt my meridian."

"This…"

Hearing this, Ling Xiaoxiao couldn't be in a hurry .

It can only be refined after a few hours. During this period of time, wouldn't I be at the risk of going crazy?

"Okay, I'll help you!" After weighing, Ling Xiaoxiao bit her lip tightly, then walked slowly behind Yue Feng, a pair of jade hands placed on his shoulders, and kneaded gently.

To be honest, Ling Xiaoxiao didn't want to compromise like this, but there was no way.

Over the years, every time that power in the body erupted, it was like a gamble on his life. Although he could successfully suppress it every time, the pain in it was really unbearable.

"Yue Feng, how about this?" Ling Xiaoxiao couldn't help but ask while pressing.

Although Ling Xiaoxiao hated Yue Feng to death, in order for him to successfully refine the Qingshen Pill, he still let go of his restraint and dignity.

"Well, the strength is okay, just right." Yue Feng nodded with a smile.

While speaking, Yue Feng felt the gentle strength of her jade hand, and she felt that her whole body was comfortable, and she squinted her eyes in enjoyment.

Haha…

Ling Xiaoxiao, aren't you amazing? Don't you want to compromise with me in the end? !

After pressing Yue Feng's shoulder for a while, Ling Xiaoxiao couldn't help but said: "Yue Feng, now you can refine the Qingshen Pill!"

Yue Feng did not answer directly, but stretched his waist lazily and said lightly: " I can't, my legs seem to be a little numb."

"You…"

Ling Xiaoxiao was angry, she could see that Yue Feng was deliberately teasing herself, but she still suppressed her anger and said softly, "Okay. , I'll beat you!" The

voice fell, Ling Xiaoxiao came over, squatted in front of Yue Feng, and began to beat Yue Feng's legs.

hiss.

Yue Feng only felt comfortable all over, and at the same time, from his point of view, he could see Ling Xiaoxiao's perfect curve.

Ling Xiaoxiao didn't notice Yue Feng's gaze, she was shy and angry, and said angrily: "Yue Feng, can you make alchemy now?"

"Well, it's time to start!" Being ruthless and pushing too hard is not good for you.

The voice fell, and Yue Feng began to set fire to alchemy. Very relaxed and casual, but also methodical!

This…

Seeing this scene, Ling Xiaoxiao's delicate body was shocked, and her eyes were full of shock.

This….this is the beginning?

Ling Xiaoxiao originally thought that Yue Feng wanted the porcelain jar to contain the refining materials, but he never thought that it would be regarded as an alchemy furnace by him.

In Ling Xiaoxiao's perception, alchemy is sacred, and an alchemy furnace is necessary, but Yue Feng, who is in front of him, is so casual, it's like a child playing a house.

This is alchemy, it's just nonsense!

For a time, Ling Xiaoxiao wanted to scold him, but seeing that Yue Feng was so skillful and serious in every step, he held back.

“Ling Xiaoxiao!”

Just when Ling Xiaoxiao was thinking about this, Yue Feng turned his head to look at her and said with a smile: “Oh, my shoulder is starting to hurt again, press me again…”

Shuh!

Hearing this, Ling Xiaoxiao’s beautiful face suddenly turned red, and at the same time, she was also a little angry.

Chapter 2903

This bastard wants to take advantage of himself. But thinking of Qingshendan, Ling Xiaoxiao held back, walked over slowly, stood on Yue Feng’s side, and continued to press his shoulders.

Yue Feng, you wait for me.

While pressing her shoulders, Ling Xiaoxiao secretly swore in her heart that after she had thought about it, she would immediately kill Yue Feng when she got the Qingshen Pill.

He has grown up so big, is pure and pure, and he has not even held a man’s hand, but he is forced to press the button to beat his back.

Yue Feng didn’t notice the change in Ling Xiaoxiao’s expression, and while enjoying Ling Xiaoxiao’s shoulder pressing on him, he carefully refined the medicine pill.

Bang!

Ten minutes later, I saw a smell of medicinal herbs coming from the porcelain jar, and then the porcelain jar exploded, and a fragrant Qingshen Dan jumped out of the porcelain jar and landed steadily on Yue Feng. hands.

Looking at the Qingshen Dan in his hand, Ling Xiaoxiao’s delicate body was shocked, and her face was full of excitement and excitement.

This Yue Feng, refining medicinal pills is like a child’s play, but in the end, the Qingshen Dan has actually been refined, which is really incredible.

“How? I didn’t lie to you!” At this moment, Yue Feng looked at her with a smile, and then handed the Qingshen Pill to Ling Xiaoxiao.

After taking the Qingshen Pill, Ling Xiaoxiao's expression relaxed, she agreed, and then took it without any hesitation.

Gudong!

The moment she swallowed it, Ling Xiaoxiao was pleasantly surprised to find that the power hidden in the depths of her dantian calmed down, and the pain disappeared at any time.

Great, this Qingshen Dan is really useful!

However, Ling Xiaoxiao also discovered that the power hidden in the depths of his dantian had not completely disappeared. Obviously, just eating one had not completely solved the problem.

Realizing this, Ling Xiaoxiao bit her lip and said to Yue Feng, "Yue Feng, please help me train dozens more!"

Dozens?

Hearing this, Yue Feng couldn't help laughing and said, "Ling Xiaoxiao, do you think you go to the vegetable market to buy vegetables? How many do you want? I only have enough materials to make this one.

" After that, Yue Feng took a deep breath and continued: "Also, even if I make more refining for you now, you won't be able to recover immediately!"

Ling Xiaoxiao was stunned for a while, and asked, "Why?"

Huh !

Yue Feng breathed a sigh of relief, smiled and said, "You must know that you have been taking the Wannian Bauhinia Flower for too long, and that power has completely penetrated into your Dantian meridians, and it is impossible to recover all at once. , and, although the effect of Qingshendan is good, you can't eat too much."

"The best way is to take it every two days for three months in a row, so that it can be completely eradicated, so even if I practice it for you now I made 100 pieces, but it's useless if you eat them."

What? Need to take one every two days?

At this moment, Ling Xiaoxiao bit her lip tightly, her whole body froze.

If you want to recover, you have to keep Yue Feng by your side for three months. With his personality, you can't let yourself beat his back and rub his shoulders every day?

Ling Xiaoxiao became more and more irritable the more she thought about it, she couldn't be anxious.

"Yue Feng!"

Finally, after more than ten seconds, Ling Xiaoxiao bit her lip and looked at Yue Feng and said, "You… can you teach me to make Qingxin Pill?"

When he said this, Ling Xiaoxiao was completely gone. The arrogance before, the tone was a little pleading.

Yes, Ling Xiaoxiao thought about it, there was no other way but to ask Yue Feng to teach her to refine the Qingshen Pill.

"What did you say?"

Yue Feng was stunned for a moment, then said with a smile: "I heard it right, Ling Xiaoxiao, you wanted to kill me before, and now let me teach you alchemy, do you think it's possible?"

"Also, as we agreed before, I will give you Qingshen Pill. If you want to let me go, I have already refined it for you, so you can't keep your word."

"I…"

Ling Xiaoxiao's beautiful face suddenly became extremely embarrassing, and she was completely anxious: "Yue Feng… I was wrong, I shouldn't have treated you like that just now, I shouldn't have used scales to pierce your acupuncture points, I was wrong…"

Chapter 2904

"It's just an apology!" Yue Feng sat there lazily with a smile: "It's not sincere!"

Ling Xiaoxiao bit her lip, lowered her head and said softly: "Then…then you also use The scales pierce my acupuncture point, okay?"

At this time, Ling Xiaoxiao never imagined that he would humiliate in front of Yue Feng, but in order to completely expel the power in his body, there is no other way.

"Prick you with scales?"

Yue Feng's mouth twitched, and he smiled lightly: "I'm not that cruel."

When he said this, Yue Feng's face was indifferent, but his heart was secretly anxious. Mad, this is Ling Xiaoxiao's territory. If she doesn't teach her, I'm afraid she won't be able to leave.

Thinking to himself, Yue Feng looked at Ling Xiaoxiao: “It’s not impossible for me to teach you the technique of alchemy, but you have to be a teacher!”

Yes, Yue Feng was deliberately causing problems for Ling Xiaoxiao, it was not true To accept her as a disciple, after all, this woman has a strong personality and is cruel.

What? Apprenticeship?

Hearing this, Ling Xiaoxiao trembled, and instinctively resisted: “This…”

“If you don’t want to, forget it.” Looking at her expression, Yue Feng looked indifferent, stood up and said: “Then I Just say goodbye, you promised to let me go before, as the head of Tianyi Sect, you have to do what you say!” The

voice fell, and Yue Feng was about to leave the secret room!

“Don’t!” Before taking two steps, Ling Xiaoxiao suddenly became anxious, ran over and hugged Yue Feng’s arm.

Immediately afterwards, Ling Xiaoxiao bit her lip, as if she had made a big decision in her heart, and fell to her knees.

“Master, my disciples meet Master.” Ling Xiaoxiao knelt on the ground and bowed slightly, her face full of sincerity.

With Yue Feng as his teacher, Ling Xiaoxiao felt 10,000 reluctance in her heart, but she had no choice. In order to completely solve the hidden danger of Dantian, she could only admit it.

Moreover, Ling Xiaoxiao could also see that, although Yue Feng had a hilarious face, he also had real skills. While chatting and laughing just now, he refined a purifying elixir. I wonder who in the world can do it?

I went and agreed.

At this moment, Yue Feng was stunned.

I thought that if I gave her a problem, Ling Xiaoxiao would stop pestering her and let herself go, but she never thought that she would actually be a teacher.

While shocked, Yue Feng couldn’t help but admire Ling Xiaoxiao up close.

I have to say, Ling Xiaoxiao’s figure is perfect, from any angle, she is so sexy. He was still the head of the Tianyi Sect, and it seemed good to have such an apprentice.

With emotion in his heart, Yue Feng smiled bitterly and said, “Okay, since you have decided to apprentice, then I will teach you to refine Qingxin Pill, but you have to remember that when you are my apprentice, you must have justice in your heart and don’t do anything wrong in the arena!”

Ling Xiaoxiao nodded and said respectfully, “Master, don’t worry, the disciples must follow the teachings!”

…..

At this moment, the other side.

Outside the gate of the clubhouse, Huanxiang stood guard for several hours, but Yue Feng never came out, and suddenly there was some fire.

At the same time, the story of a beautiful woman guarding the door of the clubhouse quickly spread in Xihua City, and many people went to watch, three floors inside and three floors outside, it was very lively, and many people pointed at Huanxiang. , has been discussed.

“It’s so beautiful!”

“Is he here to block my husband?”

“Oh, with such a beautiful wife, who would go to the clubhouse…”

The discussion kept coming, and the phantom aroma was not good. It was Yue Feng, the villain, who caused himself to be said irresponsibly.

Thinking to myself, Huanxiang was completely impatient, and shouted at the clubhouse: “Villain, if you are still a man, get out of here, don’t hide in it like a turtle.”

At this time, Huanxiang , I don’t know yet, Yue Feng was plotted by Ye Hongshang and had already been taken away.

He shouted several times in a row, but no one in the club responded.

At this moment, Huanxiang was completely angry, and with a lift of her jade hand, she smashed the door with a palm and broke in directly.

Whoa!

Seeing this scene, the onlookers were all taken aback, and they all fled to avoid it. At the same time, the guests in the clubhouse were also panicked.

Half an hour later, Huanxiang searched the entire clubhouse and didn't see the shadow of Yue Feng, only to realize that Yue Feng was no longer here.

Chapter 2905 The

villain, even if you run to the ends of the earth, I will catch you with my own hands!

Seeing more and more people watching around, Huanxiang stopped staying too much, took a deep breath, and flew directly towards the suburbs.

Um?

As soon as I arrived on the hillside in the suburbs, I saw footsteps in the woods not far away.

Immediately afterwards, I saw two figures walking slowly over.

One man and one woman!

The man was wearing a black robe, his face was pale, and he couldn't see the slightest bit of anger, and there was a sinister aura all over his body.

The woman was wearing a long purple dress, which was indescribably beautiful, and her body was filled with the breath of a fairy.

One is filled with immortal energy, and the other is cold like hell, but walking together, this scene looks very strange.

Yes, this couple is Wen Chou Chou and Zi Yan!

Um? Zi Yan?

Seeing this scene, Huanxiang was also very surprised, but in the next second, when she saw the woman's face, she was instantly overjoyed, and hurried up to meet her!

"Zi Yan!" Huanxiang was overjoyed.

"

Huanxiang!" Zi Yan was so excited that she cheered, hurried up to meet Huanxiang, and held Huanxiang's hand tightly: "Huanxiang, great, I finally found you!"

A few days ago, Zi Yan After the two separated from Yue Feng, they have been looking for Huanxiang and other saintesses. After passing through Xihua City just now, Zi Yan decided to find someone to inquire about the news, but unexpectedly encountered Huanxiang.

Seeing this scene, Wen Chou Chou next to him was also secretly relieved.

Great.

After finding the Fantasy Saint, you can get rid of the soul contract with Hades. Because Zi Yan said that among the Nine Heavens Saintess, only this Huanxiang Saintess can help her.

“Huanxiang!”

At this moment, Zi Yan thought of something, and asked Huanxiang with a smile: “I have been looking for you all this time, by the way, have you met other sisters?”

“I… “

Hearing this, Huanxiang’s beautiful face showed a sadness: “I met Lan Xin, but she…” Thinking of Lan Xin’s tragic death, Huanxiang had a heart, Trembling.

Realizing that Huanxiang’s face was wrong, Lan Xin hurriedly said, “Have you met Lan Xin? What happened to her?”

Wow!

At this moment, Huanxiang couldn’t bear it any longer. She threw herself into Zi Yan’s arms and burst into tears: “Lan Xin…she was killed…” Saying that, Huanxiang put the previous What I saw in Hantan, I explained it in detail.

At the end, Huanxiang burst into tears, and her eyes were full of grief and anger: “I chased the villain and came to this city, but in the end I let him run away!”

What?

Hearing this, Zi Yan’s delicate body trembled and she was deeply saddened.

Lan Xin is dead, this… this is impossible. As the Nine Heavens Saintess, her strength is tyrannical, who can kill her?

However, it is impossible for Huanxiang to joke about such a thing.

At the same time, Wen Chou Chou next to him was also shocked.

I’m going, the Nine Heavens Saintess actually died, who is so capable, dare to take action against the Nine Heavens Saintess?

“Phantom Fragrance!”

Finally, Zi Yan reacted, endured her grief, and asked, “Who is that villain?” As she spoke, her eyes were filled with strong killing intent.

Among the Nine Heavens Saintess, there are sisters in love, whoever kills Lan Xin is an enemy of the Nine Heavens Saintess.

Huanxiang gritted her teeth and said word by word: “That villain is the Tianmen Sect Master, Yue Feng!”

What?

Hearing this, both Zi Yan and Wen Chou Chou were shocked.

The ultimate husband in Chinese chapter 2906-2910

Chapter 2906

“Huanxiang!”

After being stunned for a few minutes, Zi Yan reacted and couldn’t help but

said to Huanxiang , “Are you sure it was Lan Xin who was killed by Yue Feng?” of disbelief.

Speaking of which, although Yue Feng is a bit unserious, he is free and just, and he and Lan Xin have no grievances or enmity, why did he harm her?

The voice fell, and Wen Chou Chou next to him nodded and said, “Yes, Feng Zi is not that kind of person, there must be a misunderstanding!”

“Everything I said is true!” Huan Xiang bit her lip and said bitterly: “Besides, Lan Xin told me personally before she died that she was tainted by Yue Feng and committed suicide.”

“It’s about her own innocence, how could Lan Xin lie to me?”

This…

Hearing this, Wen Chou Ugly just felt his brain buzzing.

Fengzi defiled Saint Lady Lanxin? This is even more impossible. With so many confidantes around Feng Zi, it is impossible to do such a thing.

Thinking to himself, Wen Chou Chou looked firm: “Impossible, the murderer is definitely not Yue Feng!”

Huh?

Wen Chou Chou kept interrupting, making Huan Xiang very unhappy.

This person, full of yin and evil spirit, obviously came from the ghost world, but he was with Zi Yan.

Thinking about it in her heart, Huanxiang pointed at Zi Yan: “Zi Yan, who is he?”

This chapter is provided by . Visit for daily update.

“He…” Zi Yan bit her lip tightly and looked at Wen Chou Chou coldly: “He is Yue Feng’s sworn brother, Forced to sign a soul contract with Hades…”

At this time, Zi Yan was also very angry.

Speaking of which, Zi Yan didn’t believe that Lan Xin was killed by Yue Feng, but Huan Xiang’s evidence was conclusive, and it was obviously not wrong.

What makes Zi Yan even more angry is that she trusts Yue Feng so much, and promises him to bring Wen Chou Chou and ask Huan Xiang to help resolve the soul contract, but he kills his sister.

“Yue Feng’s sworn brother?”

Hearing this, Huan Xiang’s delicate body was shocked, and then her eyes locked on Wen Chou Chou coldly, flashing with murderous intent.

Papa…

The next second, Huanxiangyu raised her hand and directly sealed the acupuncture point on Wen Chou Chou’s body. In an instant, Wen Chou Chou’s body trembled, and he couldn’t move at all.

Speaking of which, Wen Chou Chou, as the messenger of Hades, is no longer a normal person. Ordinary practitioners can’t control him at all, but Huan Xiang uses the unique acupuncture technique of the Nine Heavens Holy Maiden, which is extremely mysterious, and Wen Chou Chou is fundamental. Can’t break free.

“It’s true that the sky has eyes. The villain Yue Feng ran away, but his sworn brother was automatically sent to the door!” Huanxiang could

n’t hide her resentment, staring at Wen Chou Chou, saying word by word: “Since You are Yue Feng’s sworn eldest brother, you must know his many hiding places, take us to find him!” The voice fell, Zi

Yan followed coldly: “Wen Chou Chou, take us to Yue Feng immediately!”

In Yan’s heart, the original impression of Yue Feng was not bad, but at this moment, the good feelings were completely gone, replaced by deep hatred.

call!

Wen Chou Chou took a deep breath and said with determination: “Two saints, this matter is very strange, I believe Feng Zi is innocent. He can’t do such a thing.”

“You’re still making excuses for him?” Huanxiang took a step forward, her beautiful face was full of anger: “What do you mean, I’m lying? I’m joking about my sister’s innocence? I tell you, Yue That beast Feng tarnished Lan Xin and caused her to commit suicide, this is a fact, you can’t deny it?!”

“Feng Zi is not that kind of person!” Wen Chou Chou clenched his teeth tightly, taking a firm stand!

Snapped!

At this moment, Huan Xiang couldn’t bear it anymore, raised her jade hand and gave Wen Chou Chou a slap in the face.

Immediately afterwards, Huan Xiang said to Zi Yan: “Since he wants to protect Yue Feng, don’t talk nonsense, just kill him and let his soul fly away!”

When she said this, Huan Xiang’s eyes were full of resentment.

Chapter 2907

Yue Feng killed his sister, it is not a pity to die 10,000 times, and his sworn elder brother is still the messenger of Hades, and he is even less worthy of sympathy.

Zi Yan’s pretty face was frosty, she nodded, and then she drew out her long sword, and was about to attack Wen Chou Chou.

“You guys…”

Seeing this scene, Wen Chou Chou was shocked and angry, but also anxious.

Nima, this innocent disaster is really unfair, if it just disappears like this, I’m really unwilling.

I thought to myself that Wen Chou Chou was about to struggle, but the acupoint was blocked by Huan Xiang, and he couldn’t move at all.

Buzz….

However, at this time, I only heard a gloomy wind blowing in the woods not far away, and then, a black shadow rushed towards this side quickly.

Aware of the abnormality, Huanxiang stopped and looked with Ziyan, and her body was shocked.

I saw the black shadows, each of which was filled with yin, and their faces were pale. They gathered together, giving people a shuddering feeling.

The two leaders, dressed in exactly the same clothes as Wen Chou Chou, were the messengers of Hades, Zhong Wuchen and Gong Hao.

This… Pluto's subordinates? !

Seeing the scene in front of them, Huanxiang and Ziyan both frowned secretly. Although they are the Nine Heavens Saintess, they are not afraid of the subordinates of Hades, but after they have landed in Kyushu, their strength has been limited.

Swish!

At this moment, Zhong Wuchen and Gong Hao were all stunned when they saw Huan Xiang.

Saintess of the Nine Heavens? And still two.

Previously, Hades specially ordered to let the various messengers to check the whereabouts of Jiutian Xuannv, but there was no progress at all, but I didn't expect that they would encounter two here at once.

"Haha…"

Finally, Gong Hao reacted and laughed at Wen Chou Chou: "Today is really good luck, not only did I find the traitor Wen Chou Chou, but also met two Nine Heavens Saintess."

"Zhong Wuchen, It 's time for us to make a great contribution!"

When he said this, Gong Hao's face was full of excitement, this time he came out with so many underworld soldiers, originally to chase Wen Chou Chou, but unexpectedly met two Nine Heavens Saintess. Unexpected joy.

When the words fell, Zhong Wuchen also showed a faint smile, and shouted: "Quick, take down all three in front of you!"

Swish swish…

At this moment, the soldiers below moved their figures one after another. Yin winds swept up and quickly surrounded Huanxiang and Ziyan!

“A bunch of scumbags…”

Seeing the crowd of Yin soldiers approaching, Huanxiang’s beautiful face had no expression at all, and said contemptuously: “Just rely on you little soldiers and pawns, dare to do something to us Jiutian Xuannv?

” Falling down, Huanxiang raised her jade hand and pulled out her long sword.

hum!

At the same time, Zi Yan, who was next to her, immediately activated her profound art, and a terrifying aura erupted. In an instant, the surrounding air seemed to be stagnant.

The two Nine Heavens Profound Nudes erupted at the same time, with a terrifying aura, the people who were suppressed panic!

call!

Seeing this scene, Wen Chou Chou couldn’t help taking a deep breath, and his heart was extremely complicated.

It’s broken, I haven’t made it clear to the two saints, the subordinates of Hades are here again, and when the battle is over, no matter which side wins, it’s not good for me.

Feeling the powerful aura, Gong Hao had a solemn expression on his face, and then shouted: “Everyone, be careful, the other party is the Holy Maiden of the Nine Heavens, don’t touch it hard, and form a formation!” The

voice fell, and Zhong Wuchen also shouted: ” Six Paths to Destroy Souls!”

In an instant, under the command of the two messengers, he saw the surrounding underworld soldiers moving one after another, the gloomy wind raged, making people dazzled, and then surrounded Huanxiang and Ziyan in the middle.

Chapter 2908

Six Paths Soul Destruction Array? At this moment, both Huanxiang and Ziyan trembled, and they no longer underestimate the enemy.

As the Nine Heavens Saintess, Huanxiang and Ziyan both know that Hades, as the ruler of the ghost world, has many powerful means, and this six-path soul-destroying array is one of them. Once trapped, not only will its strength be affected, but it will also There is a danger of annihilation.

But after calming down, Huanxiang and Ziyan did not panic, cooperated with each other, and fought fiercely with Gong Hao.

However, after all, Huanxiang and Ziyan are two people with limited strength.

With the help of the Six Paths Soul Destroying True Formation, Gong Hao and his group suppressed Huanxiang two, and in the blink of an eye, half an hour passed. Huanxiang and Ziyan have never been able to break through the formation.

Seeing this scene, the following Wen Chou Chou became anxious.

To be honest, in Wen Chou Chou's heart, he expected Zi Yan to win the fight. After all, in their hands, he still has a chance to survive, but if he is taken away by Gong Hao and the others and sent to the ghost world, he will lose his life. There's really no turning back.

The situation is getting worse and worse, Huanxiang is also a little anxious, and can't help but shout: "Don't think that you can catch our sisters by forming a six-path soul destroying array. Today, I will completely destroy you evil spirits.

" !

When the voice fell, Huanxiang jade raised her hand slowly, and saw a dazzling light burst from her Nascent Soul. At the same time, the surrounding air suddenly condensed, and a violent force surged frantically.

"Vientiane Xiaguang!" The

cold words came out of Huanxiang's mouth, and in the next instant, the clouds in the sky changed color, and every cloud was dyed with colorful light.

"She… what is she going to do?"

"What a powerful force!"

Seeing this scene, both Gong Hao and Zhong Wuchen, and the soldiers below were all stunned, and had a bad premonition.

"Huanxiang, don't!"

At the same time, Zi Yan's pretty face changed and she couldn't help exclaiming.

Others can't see it, but Zi Yan is very clear that the Huanxiang at this time is to burn the power of Nascent Soul to forcibly break through the six soul destroying formations. The Nine Heavens Saintess came from the God Realm. Unlike the cultivators in Kyushu, there is no Dantian in her body, but the Nascent Soul. It can be said that the Nascent

Soul is the lifeblood of the Nine Heavens Saintess. Once consumed excessively, her life will be in danger.

However, Huanxiang didn't seem to hear Zi Yan's cry, and her figure rose slowly.

"Boom!" In the

next second, the colorful clouds in the sky quickly gathered together, and then a dazzling beam of light burst out, tearing apart the world, and blasting towards Gong Hao and the others below.

In an instant, the dazzling rays of light directly enveloped the six soul destroying formations, and a thunderous roar sounded, and the entire hillside was filled with dust!

This tactic of radiant light contains all the power of the Nascent Soul of Magic Fragrance, and its power is terrifying. Those underworld soldiers shrouded in the light did not have time to scream and vanish into ashes.

Gong Hao and Zhong Wuchen reacted quickly, and at the moment when the beam of light fell, they quickly dodged outside. Even so, they were both injured.

I go!

Seeing this scene, Wen Chou Chou was stunned, only felt a chill down his spine and a buzzing sound in his head!

This… is this the strength of the Nine Heavens Saintess? too strong.

Phew…

At this moment, Gong Hao stabilized his figure and stared at the Huanxiang floating in the air with a horrified expression, his face extremely ugly.

One move, just one move, broke the Six Paths Soul Destruction Formation, and the nearly 100 Nether soldiers who followed him were scattered.

Zhong Wuchen, who was not far away, was also horrified.

In the end, she still underestimated the enemy. I didn't expect that the Nine Heavens Saintess burned the power of Nascent Soul and could burst out such terrifying power.

"Withdraw…"

At this moment, Zhong Wuchen gritted his teeth and shouted at Gong Hao.

The Six Paths Soul Destruction Array was broken, and all the ghost soldiers were annihilated. How could they be the opponents of the two Nine Heavens Saintess by themselves and Gong Hao alone?

Gong Hao nodded, and then shouted: “Two nine-day saints, this messenger remembers you!” After the

voice fell, Gong Hao raised his hand and waved, and he saw a poisonous mist, which quickly moved towards Huanxiang and Huanxiang. Zi Yan diffused in the past.

Swish!

Chapter 2909

Feeling the poison in the mist, Huanxiang and Ziyan didn’t hesitate, and subconsciously retreated.

And taking advantage of this opportunity, Gong Hao shouted at Zhong Wuchen: “Quick, take Wen Chou Chou away!” The

voice fell, and he rushed towards Wen Chou Chou directly.

Gong Hao was very cunning. He knew that if he failed this time, he would definitely be punished by Hades. Since he couldn’t catch the two saintess, he would take Wen Chou Chou away, which would be a good way to communicate.

Hearing this, Zhong Wuchen reacted quickly, and Gong Hao left and right, grabbed Wen Chou Chou, and quickly flew into the distance, disappearing into the endless night in the blink of an eye.

Huh?

Seeing this scene, Huan Xiang and Zi Yan were both shocked and angry.

These two messengers from Hades are so cunning. When they escaped, they did not forget to capture Wen Chou Chou.

In a panic, Huanxiang and Ziyan are about to pursue.

However, without chasing far, Huanxiang fell directly from the sky because of the power of burning Nascent Soul, and the whole person was indescribably weak and sluggish. At the moment of landing, his face was extremely pale, and he could hardly say a word.

“Huanxiang…”

Seeing this scene, Zi Yan hurried back and gently supported Huanxiang's arm, her face full of worry: "Huanxiang, how are you? How are you…"

"Why were you so stupid just now? Want to burn the power of Nascent Soul?"

Huanxiang smiled weakly: "If we don't take risks, we will all be trapped in the Six Paths Soul Destruction Formation." After

speaking, Huanxiang looked at Gong Hao's escape direction unwillingly: "It's just that It's a pity that Wen Chou Chou was rescued, and we can't find out Yue Feng's whereabouts."

Phew!

Zi Yan took a deep breath, her beautiful face was full of icy coldness: "Yue Feng, this villain, even if he escapes to the ends of the earth, we have to avenge Lan Xin." With

that, Zi Yan helped Huanxiang and walked down slowly. hillside.

Zi Yan wanted it, and now the most important thing is to find a safe place to restore Huanxiang's cultivation. The power of Nascent Soul was burned just now, and it was too weak.

Um?

When passing a main road, I saw a new post on the road sign on the road sign.

Zi Yan frowned, and helped Huanxiang walk over.

When they got to the front, Zi Yan and Huanxiang were extremely happy when they saw the words written on the notice.

I saw that this announcement was issued by the Southern Cloud Continent. It said that a Nine Heavens Saintess specially asked the Queen of the Southern Clouds for help. To find other Saintess, the Queen of Southern Clouds promised her that she would be in the Nine Provinces Continent. Send out a notice, and if other saintess see the notice, they will go to Nanyun Imperial City to meet.

Great.

After reading the announcement, Zi Yan and Huanxiang held hands tightly, not to mention how happy they were.

With the help of the royal family, he issued a notice in Kyushu, why didn't he think of this method?

“I don’t know which sister it is! You actually invited the power of the Nagumo Imperial Family.” Huanxiang smiled weakly and said.

Although he lost Wen Chou Chou and was very irritable, he was still very happy when he got the news of other saints.

Zi Yan also smiled lightly and took Huanxiang away: “It’s not too late, let’s go to the Southern Cloud Continent.”

….. the

other side!

After Yue Feng taught Ling Xiaoxiao how to refine the Qingshen Pill, he said goodbye to Ling Xiaoxiao immediately.

After leaving the secret room, Yue Feng immediately rushed towards the border between Diyuan Continent and Apocalypse Continent. The letter left by Yue Wuya said that he, Meihui, Ren Yingying and others would wait for him at the border.

call!

After several hours of flying, Yue Feng finally arrived at his destination, a courtyard nestled in the deep mountains and forests.

As you can see, the environment here is quiet and it is a very good place to hide.

Yes, this is another residence of Mu Xixi. As a piano sage, Mu Xixi likes to travel to the Kyushu Continent the most, so each continent has built a place to hide.

Chapter 2910 After

appreciating the surrounding environment, Yue Feng slowly walked into the yard!

“Yue Feng!”

“Father!”

At this moment, the people who were waiting in the yard quickly gathered around, each and everyone excited.

“Big brother?”

At the same time, Mei Hui was also very excited, and walked up to meet her, her tender body trembling with excitement: “I’m relieved to see that you’re all right, I thought you were trapped in the Tianqi Palace… ..” The

voice fell, and Mei Hui threw herself into Yue Feng's arms.

Yue Feng smiled and patted Meihui's shoulder to comfort him: "How can an Apocalypse Palace trap me? By the way, how did everyone get rescued?" The

voice fell, and the eyes of everyone around fell on Meihui. body.

Ren Yingying smiled lightly and said, "It's all up to Meihui this time." After speaking, she explained in detail how she was rescued at that time.

I go!

Hearing this, Yue Feng was shocked and looked at Mei Hui in disbelief: "Really?"

At this time, Yue Feng was very surprised. He thought that it was Yue Wuya who rescued everyone this time. After Ya was beheaded by King Guangping, Yue Feng subconsciously thought it had something to do with the Ouyang family, but he never thought that it was Meihui who rescued everyone.

Speaking of which, although Meihui worshipped Fang Qifo as her teacher and became a thousand-faced person, she had limited experience in all corners of the world.

"Big brother!"

Seeing Yue Feng's stunned expression, Meihui showed a smile and said proudly: "Don't underestimate me, I have grown up, not the little girl you protected before."

Hearing this, Yue Feng couldn't help laughing, and he couldn't help but feel relieved.

In the next second, Yue Feng looked around and saw the situation of Ren Yingying and everyone, and his heart was shocked.

"You…" Yue Feng took a deep breath and asked in surprise, "What about your internal strength?"

Yue Feng saw that Ren Yingying and Dasheng Sun, one by one, the inner strength of their dantian disappeared without a trace, without any strength, almost all of them became ordinary people.

How could this be?

Yue Feng only felt his brain buzzing, looked around, and said in surprise: "What happened?"

Alas!

Everyone looked at each other and sighed almost at the same time.

The next second, Ren Yingying came out, with a bit of grief and anger on her beautiful face: “It’s not that Zhang Jiao, we all took his San Gong pills, and all the internal strength disappeared.”

When he said this , Ren Yingying gritted her teeth secretly, resentful.

If it hadn’t been for his internal strength, he wouldn’t have been thrown into prison by King Guangping before. At this moment, Sun Dasheng walked out quickly and was very annoyed: ” Fengzi

, that Zhang Jiao is very ambitious, and he wants to destroy all of us. If this thief is not eliminated, it will be hard for heaven!”

It’s all agreeable.

“Yes, when the Kyushu Continent and the Rakshasa clan stopped fighting, they should have killed Zhang Jiao!”

“This man is too cunning and despicable.”

Mad!

Knowing the situation, Yue Feng was extremely angry, clenched his fists tightly, and roared with gnashing teeth: “Zhang Jiao, it’s him again!!”

This Zhang Jiao framed himself for blaspheming Chang’e, harming himself and Tianmen, his reputation in Kyushu plummeted, and he even attacked the people of the Ouyang family.

At this time, Yue Feng’s heart was completely enveloped by anger.

“Yue Feng!”

At this moment, a slender figure slowly walked out of the room, and the indescribably charming and tranquility was Mu Xixi.

At that time, after Meihui rescued Ren Yingying and others, she immediately reunited with Mu Xixi, and by meeting Yue Wuya again, she came to this retreat together.

Ren Yingying and everyone lost their inner strength. Mu Xixi has been looking for a way. Just now, she was reading ancient books in the room. When she heard Yue Feng coming, she hurried out.

The ultimate husband in Chinese chapter 2911-2915

Chapter 2911

“Thank you!”

Seeing Mu Xixi, Yue Feng showed a smile and thanked him sincerely.

Yue Feng knew that Mu Xixi had been helping everyone during this time.

Mu Xixi smiled, and then said seriously: “Don’t be so polite. During this time, I tried a lot of methods and found a lot of elixir for everyone, but they didn’t work!”

“Yue Feng, you are concocting alchemy. One technique has high attainments, is there any way to make everyone regain their strength?”

Shuh!

The words fell, and the surrounding Ren Yingying, Sun Dasheng and others all focused on Yue Feng, looking forward to it.

That’s right, Yue Feng’s accomplishments in alchemy, no one in Kyushu can compete with him, he must have a way.

“I…”

Facing everyone’s gaze, Yue Feng smiled bitterly, shook his head and said, “This is the first time I have encountered this situation! But don’t worry, let me think about it.”

When he said this, Yue Feng’s face was calm, but his heart was secretly anxious.

Ma De, this horn is really insidious. He even got a San Gong elixirs out of it, but he never recorded it in his Wuji elixirs.

Speaking of which, Yue Feng wanted to try refining the antidote, but he quickly dismissed the idea.

Three years ago, Zhou Qin caught the people of the Ouyang family and gave them Heitian Pill. At that time, he was too confident, thinking that the efficacy of Heitian Pill was similar to Tongtian Pill, so he hurriedly refined the medicine for everyone to take, but everyone was again Dizziness and stomach pain.

With the last lesson, Yue Feng did not dare to take any more risks.

This chapter is provided by . Visit for daily update.

“How?”

Seeing that Yue Feng didn’t speak for a long time, Mu Xixi couldn’t help but ask, “Is there a way?”

Yue Feng took a deep breath and shook his head.

This….

seeing this scene, Ren Yingying and everyone are a little lost.

Even Yue Feng is helpless. Could it be that he, like himself, will never regain his strength in a lifetime?

The next second, Yue Feng thought of something, his eyes flashed, and he said, “I can’t help it, but Senior Shennong can definitely, but three years ago, he and Brother Shennong went back to Buzhou Mountain to live in seclusion. Buzhou Mountain stretches for thousands of miles. It’s too big, it’s too difficult to find them!”

When he said this, Yue Feng couldn’t help thinking of Zhu Bajie.

At that time, in the underground passage of the Beiying Palace, Yue Feng was pursued by Chang’e who lost his mind. He happened to meet Zhu Bajie, and with the help of Zhu Bajie, he subdued Chang’e.

At that time, considering Chang’e’s condition, Zhu Bajie took Chang’e to Buzhou Mountain to find Shennong. Now half a month has passed, and he doesn’t know what the situation is.

“Fengzi!” Sun Dasheng was speechless: “Didn’t you say this?”

Even if he knew that Shennong had a solution, but he couldn’t find a place to hide, wouldn’t it be in vain?

Yue Feng scratched his head, and suddenly a light flashed: “Besides Shennong, there is another person!”

“Who?”

Hearing this, everyone around them asked in unison.

Yue Feng showed a smile: “The head of the Holy Sect, Lu Dongbin!”

Lu Dongbin is a first-generation master of Taoism. He has a broad understanding of ancient and modern times, and his strength is strong. Even Yang Jian back then was afraid of three points. There must be a way to heal everyone.

However, when he left the Holy Sect, Lu Dongbin seemed to be controlled by Xie Liuyun. Moreover, Xie Liuyun had a holiday with himself, and it would be difficult to know the whereabouts of Lu Dongbin from his mouth.

But anyway, finding Lu Dongbin was less difficult than finding Shennong.

Yes, go to the Holy Sect!

Thinking to himself, Yue Feng's eyes gradually became firmer.

After making up his mind, Yue Feng did not hesitate to greet Ren Yingying and everyone, and immediately set off, rushing towards the Northern Ying Continent.

At this time, Yue Feng didn't know that Lu Dongbin was not controlled by Xie Liuyun, but was locked in the illusory realm in the Qiankun pot.

Chapter 2912

After a few hours, finally arrived at the border of the Northern Ying mainland.

"Yue Feng!"

At this moment, Mu Xixi looked in the direction of Buzhou Mountain, and said softly, "How about this, let's divide our troops in two ways, and Song Qian and I will go to Buzhou Mountain to find Senior Shennong, you guys Continue to go to the Holy Sect, so as not to waste time."

Hearing this, Yue Feng thought for a while, nodded and said, "That's fine! But be careful."

Recently, the power of Hades has been very active in Kyushu, although Mu Xi Xi's power is very strong, but she and Song Qian are just two people, it's always good to be careful.

After it was agreed, Mu Xixi took Song Qian away and rushed towards Buzhou Mountain.

…..

At this moment, on the other side, there is the general altar of the Wutian Organization.

Half a month ago, Zhang Jiao held the Supreme Conference in the name of Chang'e in the back palace. As a result, at a critical moment, he was destroyed by Jed and everyone. Not only that, but almost all the major sects were captured alive. Among them, there are many Wutian organizations. Elite.

Later, Yue Feng and a mysterious woman appeared and defeated Jed, Wutian Organization and major sects, and they were saved.

The Wutian Organization is huge, and its disciples are all over the Kyushu. Although they suffered such setbacks, they did not hurt their vitality. However, during this time, there has been no news of Zhang Jiao. The entire Wutian Organization can be said to be a group of dragons without a leader.

At this time, the main altar hall was crowded with people, almost all the altar masters of the sub-altars came, and at the same time, there were also Zhang Jiao's two apprentices, Shen Fei and Su Li.

There is no news about Zhang Jiao, and Wutian organizes a mess of sand. Today, everyone gathered together to discuss what to do!

"Everyone!"

At this moment, Shen Fei looked around and said slowly: "Master's whereabouts are unknown, our five-day organization can't be without a leader for a day, let's all recommend it and choose an agent leader!

" Su Li nodded and said, "Yes, after you have chosen the acting head, you will quickly send someone to look for your master. I think that Senior Brother Shen Fei, regardless of his ability or strength, is more than enough to be the acting head!"

Wow!

The voice fell, the entire hall was in an uproar, and many people nodded in agreement.

"It is most suitable to have Shen Fei as the acting head!"

"Yes, he is the master's apprentice, and his strength is obvious to all."

"Just choose Shen Fei!"

After everyone's words came, Shen Fei showed a smile, very uplifting.

Squeak!

However, at this moment, the door of the main hall was suddenly pushed open from the outside, and the movement came, and everyone looked over.

At the door of the main hall, a slim figure walked in slowly.

A long black and red dress set off a charming and charming curve. The facial features are exquisite, but there is a coldness that cannot be blasphemed. It is Yu Wenyan.

What?

At this moment, whether it was Shen Fei or Su Li, everyone was stunned.

How did she come? Two months ago, Yu Wenyan was attacked by Zhang Jiao, and he was severely injured. He left in embarrassment. The entire Wutian Organization knew that, but now, everyone feels Yu Wenyan's aura, and his strength seems to be much stronger than before.

Aware of everyone's expressions, Yu Wenyan showed a sneer.

Yes, this time, Yu Wenyan is going to take back everything he lost.

The Wutian Organization was originally founded by Yu Wenyan and Zhang Jiao, but after the development and growth, Zhang Jiao used despicable means to plot against Yu Wenyan in order to take the power. The Wutian Organization came directly to hold a secret meeting at the main altar.

"Shen Fei!"

At this time, Yu Wenyan glanced at Shen Fei lightly, and said indifferently, "With your strength, you are also qualified to be the head?"

Shuh!

Hearing this, Shen Fei's face was extremely embarrassed. He wanted to refute a few words, but he could sense Yu Wenyan's powerful aura, but he didn't know how to speak!

Yu Wenyan didn't care about Shen Fei's expression, looked around, and said to the various altar masters present: "Zhang Jiao has done all the bad things, maybe he has already gotten his retribution, so you can't find him, and I am the best. Qualified to be the head."

Phew…

Chapter 2913

At this moment, the entire hall was silent.

Immediately, an altar master suddenly came out, knelt down in front of Yu Wenyan in public, and said loudly: "My subordinates see the head!"

The Wutian Organization was originally established by Yu Wenyan and Zhang Jiao. Zhang Jiao was not there, naturally Managed by Yu Wenyan. More importantly, Yuwenyan has a strong aura, who would dare to challenge her.

“My subordinates see the Sect Master!”

Someone took the lead, and the others did not hesitate. In an instant, a large crowd of knees knelt in the entire hall.

Made!

Seeing this scene, Shen Fei and Su Li were both shocked and angry, standing there motionless. Looking at Yu Wenyan coldly, his face was full of dissatisfaction.

“You two don’t agree?” Yu Wenyan frowned and said coldly.

“Of course!”

Shen Fei took a deep breath and took a step forward with courage: “Yu Wenyan, when you were kicked out of the main altar by my master, you were no longer a member of the Wutian Organization. What qualifications do you have to be the head?

” As soon as he landed, Xu Li, who was beside him, couldn’t help but sneer, with a face full of disdain: “Yu Wenyan, when my master was here, you hid and did not dare to come out, now that my master is gone, you want to snatch the head. Your position, let me tell you, with my senior brother and I here today, don’t try to succeed!” As the

voice fell, Xu Li’s suburbs flashed and rushed over, suddenly slapped Yu Wenyan with a slap!

At the same time, he shouted tenderly: “Senior brother, let’s go together!”

This….

Seeing this scene, everyone was stunned!

No one expected that Su Li would make such a decisive move!

But on second thought, Shen Fei and Su Li were both direct disciples of Zhang Jiao, and they were very powerful. At this time, if the two joined forces, they might really be able to defeat Yu Wenyan.

“Here!” Shen Fei did not hesitate at all, his figure flashed, and together with Su Li, he came towards Yu Wenyan.

hum.

The two erupted together, and the air in the hall seemed to be distorted.

To be honest, if it was before, Shen Fei and Su Li would not have the guts to start with Yu Wenyan, but during this time, the two have taken a lot of elixir and their strength has improved a lot. , in the Wutian organization to establish a prestige.

“You are courting death!”

Seeing that the two brothers and sisters were rushing over together, Yu Wenyan frowned, and there was an icy light in his eyes.

“Touch!” The

three of them put their hands together and heard a dull vibration. Shen Fei and Su Li both felt a strong force coming, and they retreated almost at the same time. Their faces were instantly pale.

Obviously, this palm, after all, Yu Wenyan has the upper hand. After all, Yu Wenyan was once a famous figure in the Yellow Sea Continent, and his background was not comparable to Shen Fei.

Stabilizing their figures, Shen Fei and Su Li were both shocked.

Unexpectedly, this Yu Wenyan looks delicate, yet his strength is so powerful!

And at this moment, before the two of them recovered, Yu Wenyan smiled contemptuously, his delicate body flashed, and when he came to Shen Fei, he slapped him directly in the face!

“Crack!”

Yu Wenyan used all his strength for this slap! I saw Shen Fei groaning, his face pale, and he flew out more than 20 meters and spit out several mouthfuls of blood.

Yu Wenyan had an arrogant personality, and seeing Shen Fei dissatisfied with himself in public, of course he would not easily spare him.

“Senior brother!”

Seeing this scene, Su Li couldn’t help shouting, and she was about to help Shen Fei, but at this moment, Yu Wenyan had a frosty face and walked directly in front of Su Li, also slapped over. !

Su Li’s delicate body trembled, and instinctively wanted to resist. But Yu Wenyan was too fast to react in time!

“Clap!”

This slap also directly slapped Su Li, flying more than ten meters away, and finally landed next to Shen Fei.

Chapter 2914

Hiss!

Seeing this scene, everyone around took a deep breath!

This… Yu Wenyan is too strong, Shen Fei and Su Li have joined forces, and they have no power to resist.

Click!

At this moment, with a crisp sound, a long sword appeared in Yu Wenyan's hand, her pretty face was cold, and she approached Shen Fei and Xu Li step by step: "Since the two of you don't obey me, I don't need to keep you both. It 's over."

Hearing this, Shen Fei and Su Li's expressions changed, and they were terrified.

Especially Shen Fei, who was dripping with cold sweat, and instantly lost his previous arrogance.

Pfft!

The next second, Shen Fei and Xu Li looked at each other, knelt down in unison, and begged for mercy: "Forgive your life, Sect Leader, forgive your life, from today onwards, our brothers and sisters are willing to follow…"

Saying this Knowing the goods, Shen Fei almost wanted to cry without tears!

I thought that Yu Wenyan was Master's defeated general, and that he and Su Li could easily deal with it, but he didn't expect that the other party was so strong.

Hearing the two begging for mercy, Yu Wenyan was expressionless.

A few seconds later, Yu Wenyan breathed a sigh of relief, and said coldly: "In this case, I will kill you two, but you have memorized it clearly, and if you dare to disrespect me in the future, I will definitely kill you both. One, smashed to ashes!"

Seriously, this pair of senior brothers and sisters, in front of so many people, openly opposed themselves, and they should have directly killed them to establish their prestige. But as soon as he regained control of the Wutian Organization, he stained the hall with blood, I'm afraid it's not right.

More importantly, these two are Zhang Jiao's apprentices, and they will be useful in the future.

call..

At this moment, Shen Fei breathed a sigh of relief, wiped the cold sweat off his forehead, and thanked him repeatedly: "Thank you, Sect Master, thank Sect Master…"

Su Li, who was next to him, was also secretly grateful.

After speaking, the two brothers and sisters stood up cautiously, not daring to let out the air.

For a while, the hall returned to silence, but the silence made people feel depressed.

"Sect Master."

At this time, an elite disciple walked in and said respectfully to Yu Wenyan: "I just got the news that Yue Feng took everyone from the Ouyang family to the Northern Ying Continent, and seemed to think of the Holy Sect asking for elixir. …"

The disciples of the Wutian Organization are all over the place, and they are almost familiar with the affairs of the rivers and lakes.

Yue Feng!

At this moment, upon hearing Yue Feng's name, Yu Wenyan's beautiful face suddenly showed a trace of complexity and resentment.

At that time, Zhang Jiao plotted against himself and took a drug for himself. At a critical moment, Yue Feng took him away, but in the end, his innocence was sullied by Yue Feng.

Although there are some coincidences in this matter, Yu Wenyan is arrogant and considers innocence more important than his life, so he has always held a grudge in his heart. It can be said that he always wanted to kill Yue Feng and relieve the hatred in his heart. .

"I see!"

Finally, Yu Wenyan's red lips parted lightly, and he waved his hand gently: "You all step back!"

When he said this, Yu Wenyan's face was calm, but there was a hint of gloom in his eyes.

Speaking of which, Yu Wenyan really wanted to take the elite of the Wutian Organization to kill Yue Feng, but he must not let too many people know about his innocence taken away by Yue Feng.

“Yes, Sect Master!”

Hearing the order, everyone in the hall slowly exited the hall!

Seeing everyone leave, Yu Wenyan immediately wrote a letter and ordered someone to send it to Xiyan Pavilion as soon as possible.

Yes, Yu Wenyan is going to ask the pavilion master of Xiyan Pavilion to help.

Yu Wenyan figured it out, fighting alone, not Yue Feng’s opponent, but as long as he joins forces with his sister, he will surely succeed in revenge!

…

On the other side, Yue Feng took Ren Yingying and others, and after a long journey of more than ten hours, they finally came to the vicinity of the Holy Sect!

call!

Chapter 2915

At this moment, Yue Feng looked not far away, and the Jian ethnic group on the top of the mountain was looming in the clouds and mist, like a fairyland, and he was full of emotion.

At the same time, Yue Feng also thought of Mu Qingyue.

When they escaped from the Holy Sect at that time, I and my master Mu Qingyue used the divine talisman and were sent to different places. Now nearly half a month has passed, and I don’t know what happened to Mu Qingyue.

In addition, Xie Liuyun became the head of the Sect and controlled the Holy Sect, so he would definitely not tell him the news of Lu Dongbin. In this case, going straight up will definitely get nothing.

Thinking to himself, Yue Feng looked back at Ren Yingying and the others: “You guys rest first, I’ll go check the news!”

Yingying and the Great Sage had no inner strength, so they took them up hastily. If there was a conflict with Xie Liuyun, they would definitely There are a lot of troubles, or you are alone, go check it out first to be safer.

Hearing this, Ren Yingying, Sun Dasheng and others nodded.

At the same time, Ren Yingying couldn't help but softly said: "Be careful!"

Yue Feng responded, then took a deep breath, and quietly walked towards the main altar of the Holy Sect while taking advantage of the night.

Um?

When approaching the foot of Shengzong Mountain, Yue Feng suddenly stopped, feeling that something was wrong.

"Yue Feng is dead!" The

voice fell, and I saw two charming figures, suddenly rushing out of the woods, holding a long sword, and heading straight for Yue Feng! Obviously, it has been waiting here for a long time.

What the hell! Xie Liuyun knew that he was coming, so he sent people to ambush in advance?

Yue Feng was startled, and quickly avoided it, then looked carefully, and was stunned!

I saw two women in front of me, one cold and arrogant, the other charming.

It was Yu Wenyan and the pavilion master of Xiyan Pavilion.

"Pavilion Lord!"

Finally, Yue Feng reacted and looked at the pavilion owner with a smile: "I parted ways in the Yellow Sea Continent back then, and unknowingly, more than three years have passed, but I didn't expect the pavilion owner to become more and more charming.

" At that time, Yue Feng looked relaxed.

Hearing this, the pavilion's face flushed and he was very embarrassed: "Yue Feng, you scum, I originally admired you very much, but I didn't expect that you insulted my sister's innocence, and I have to kill you today.

Yu Wenyan next to him, with resentment flashing in his eyes: "Sister, don't talk nonsense with him!" At

this time, Yu Wenyan was very excited. He thought that he was sending a message to his sister. Intercepted Yue Feng, but he didn't expect that he really met here.

It seems that this is God’s will, no matter what today, Yue Feng will be killed to relieve the hatred in his heart.

It was because of this!

Yue Feng let out a long breath. Feeling the resentment in Yu Wenyan’s eyes, he didn’t know whether to laugh or cry.

Nima, that kind of relationship with Yu Wenyan at that time was purely a coincidence. At that time, Yu Wenyan was drugged by Zhang Jiao, and he was completely irrational. In other words, he was completely passive at the time!

But this woman believes that she has destroyed her, which is unreasonable!

Thinking to himself, Yue Feng sighed: “Yu Wenyan, I will definitely give you an explanation about the two of us, but I have important things to do right now.”

“I hope you two can let go, okay? “

Yingying and Dasheng are still waiting for their news.

“Stop rhetoric with me!” Yu Wenyan’s face was frosty, too lazy to talk nonsense, the words fell, and the jade hand clenched the long sword, and quickly stabbed at Yue Feng.

call!

This sword contains ten successes of Yu Wenyan! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

At the same time, the pavilion master next to him also gave a coquettish shout and slapped Yue Feng with a palm!

Yue Feng smiled coldly, standing there as steady as Mount Tai!

“Hey, why bother?”

Seeing the two sisters attacking at the same time, Yue Feng sighed softly, at the same time urging his figure to avoid the pavilion master’s long sword and dodge directly to the pavilion owner’s side.

The ultimate husband in Chinese chapter 2916-2920

Chapter 2916 The

next second, the pavilion master and Yue Feng touched their palms, and suddenly the body trembled and stepped back a few steps.

Speaking of which, although the pavilion master is the pavilion master of Xiyan Pavilion, his strength is weaker than that of Yu Wenyan, and he is even less the opponent of Yue Feng!

Immediately, before the pavilion master could react, he saw Yue Feng with a slight smile, leaned forward, raised his hand on her body quickly, and in an instant, the pavilion master's acupoint was tapped, and he couldn't move.

This…

Pavilion Master's heart trembled, and he was extremely shocked.

After not seeing him for three years, Yue Feng's strength has become even more terrifying, and he has no power to resist!

At the same time, Yu Wenyan was also surprised!

However, at this moment, Yue Feng sneered, and directly summoned Fang Tianhuaji to meet Yu Wenyan!

"Clang!"

Yu Wenyan's long sword collided with Fang Tianhua's halberd, making a loud noise. Yu Wenyan only felt a strong force coming, and the long sword could not be held.

This… This Yue Feng's strength is getting stronger and stronger. How could this be?

At this time, Yu Wenyan was both annoyed and shocked. He thought that by joining forces with his sister, he could suppress Yue Feng, but he never thought that his sister would be subdued by Yue Feng with one move, and he was also in danger at this time.

Just when Yu Wenyan was secretly surprised, he saw Yue Feng flick his wrist and hit him with a palm!

The speed of this palm was too fast for Yu Wenyan to dodge, so he could only use his internal strength to greet him with a palm.

boom!

This chapter is provided by . Visit for daily update.

The two palms touched each other and made a dull vibration. At this moment, Yu Wenyan's tender body retreated several steps, and his face was instantly ugly!

Since taking Nuwa's Chaos Yin-Yang Pearl, Yue Feng's internal strength has become more powerful. Of course, Yu Wenyan is not his opponent in this palm!

"You…"

Yu Wenyan only felt a tightness in his chest, stabilized his figure, looked at Yue Feng in shock and anger, and was completely stunned!

This.. how is this possible!

You must know that half a month ago, I was able to fight Yue Feng for more than a dozen rounds. How long has it been since then? This bastard, Yue Feng, has grown so terrifyingly!

Looking at Yu Wenyan's expression, Yue Feng smiled slightly: "How is it? You are convinced now!"

After saying that, Yue Feng approached quickly and tapped twice on Yu Wenyan's acupuncture point.

In an instant, Yu Wenyan's tender body trembled, and he couldn't move.

"Sister!"

Seeing this scene, the pavilion master's face changed greatly, he couldn't help exclaiming, and at the same time stared at Yue Feng fiercely.

At this time, the pavilion owner was shocked. Although he and Yu Wenyan were not biological sisters, they grew up together and knew Yu Wenyan's strength. In Kyushu, there are only a handful of people who can defeat her, but in Yue Feng In front of him, he was so vulnerable. "Yue Feng, you bastard!" In shock, the pavilion master bit his

lip and shouted tenderly, "Quickly solve the acupoints for us!

"

Pavilion Master, you are unreasonable, you two sisters are going to kill me, but you still don't allow me to resist?"

Said, Yue Feng tilted his head and glanced at Yu Wenyan, and couldn't help teasing: "Yuwenyan, you know Knowing that it is not my opponent, I still have to bring the pavilion master to die, you say, is this sent to the door on purpose?" As he

spoke, Yue Feng looked up and down Yu Wenyan, and tilted his head to admire the next pavilion lord.

I have to say, these two women are really different.

Especially the pavilion master, wearing a long purple dress, coupled with that charming and charming temperament, is simply amazing.

"You…"

Yu Wenyan was so angry when he noticed Yue Feng's expression, his voice trembled: "Shameless…"

The pavilion master next to him was also very angry, his eyes staring at Yue Feng, Flickering killing intent, if eyes can kill, Yue Feng would have died countless times.

Chapter 2917

Haha…

Looking at the expressions of the sisters, Yue Feng was indescribably happy. But when he thought of the business, Yue Feng took it as soon as he saw it, and said

slowly: "I still have something to do, you can stay here first, and I will talk to you when I come back from the main altar of the Holy Sect."

The wind is going up the mountain.

Um?

However, at this moment, Yue Feng suddenly noticed something, and his eyes locked on Yu Wenyan's waist.

Linglong Tower?

Yes, at this time, Yue Feng could clearly sense that there was a faint Linglong Pagoda's spiritual power coming from Yu Wenyan's waist. As the owner of Linglong Tower, Yue Feng absolutely believes in his own judgment.

"You…"

Seeing Yue Feng's gaze, Yu Wenyan was inexplicably flustered: "What are you doing?"

Yue Feng smiled and approached slowly: “Yu Wenyan, you stole my Linglong Tower three years ago, Is it time to pay it back now?”

Yue Feng was very excited when he said this.

I thought that Yu Wenyan’s ambush was a waste of his time, but he didn’t expect an unexpected gain.

“The Linglong Pagoda is not on me. When I was plotted by Zhang Jiao, I fell on the Wutian Organization’s main altar!” Yu Wenyan’s eyes flickered, and he bit his lip tightly: “If you want to get the Linglong Pagoda back, go to Zhang Corner!”

At this time, Yu Wenyan had a stern look on his face, but his heart was unspeakably uneasy.

Yue Feng felt right, Yu Wenyan did have a Linglong Pagoda on his body.

Speaking of which, when Yu Wenyan was plotted against by Zhang Jiao, the Linglong Tower was left behind in the Wutian organization’s main altar. Later, Zhang Jiao handed it over to Su Li for her to keep, and half a day ago, Yuwenyan recaptured Wutian. The control of the Sky Organization, and obtained the Linglong Tower from Su Li.

Yu Wenyan thought that if he hid the spiritual energy of Linglong Tower, no one would know about it, but he did not expect that it was still perceived by Yue Feng.

“No?” Yue Feng smiled, with teasing in his eyes: “Then I have to do a search!”

“You dare!” Yu Wenyan’s body was shocked, and he couldn’t help but shout!

Linglong Pagoda was hidden by himself, how could Yue Feng be searched?

But at this time, he was hit by acupuncture points, and he couldn’t resist at all. Seeing that Yue Feng’s hand was already in front of him, Yu Wenyan was about to cry in a hurry.

“You… you stop me!”

At the same time, the pavilion master next to him was also very embarrassed and couldn’t help but scold.

This Yue Feng is simply lawless. His sister has already been tainted by him, and she has to be searched at this moment. If this matter spreads out, how can she see anyone?

Every time Yue Feng heard the scolding from the sisters, he walked over directly, ready to untie Yu Wenyan’s long skirt and search for Linglong Tower.

“Yue Feng!”

Yu Wenyan was about to explode with anger, and looked at Yue Feng coldly: “If you dare to touch me, I will kill you and smash you into tens of thousands of pieces, even if you can’t kill you, the people of the Ouyang family, They have all lost their inner strength, and when that time comes, none of them will live!”

At this time, Yu Wenyan was also in a hurry, so he used the Ouyang family to threaten.

Nima!

Hearing this, Yue Feng’s heart suddenly burst into flames, this Yu Wenyan is really vicious and will not change, even at this time, how dare you use the Ouyang family to threaten me?

Snapped!

In the next second, Yue Feng didn’t hesitate at all, slapped Yu Wenyan’s face with a slap, and when she heard her coquettish cry, the whole person was blinded.

Soon, Yu Wenyan reacted, looked up at Yue Feng, and cursed angrily: “Yue Feng, you and I are at odds, you better kill me today! Otherwise, I will definitely let you die without a burial!”

She Knowing that the ambush failed today, Yue Feng would not let him go easily. Rather than being humiliated by him, he might as well just die.

Yue Feng sneered and said lightly: “Yuwenyan, you want to die, but I won’t let you die. Three years ago, you took advantage of my loss of inner strength, robbed me of the Linglong Tower, and trapped me in a cave to die. The account hasn’t been calculated with you yet.”

Chapter 2918

After saying this, Yue Feng was about to tear off Yu Wenyan’s skirt.

Swish….

But at this moment, I heard footsteps on the mountain road ahead.

Yue Feng hurriedly looked up, frowned immediately, and saw that there was a group of Saint Sect’s mountain patrol disciples, there were seven or eight people, lined up neatly, and were approaching this side.

Seeing this scene, Yu Wenyan and the pavilion master also trembled, which was extremely complicated.

This bastard, Yue Feng, will not search himself in front of the disciples of the Holy Sect later, will he?

“Tsk tsk!”

Perceiving the change in Yu Wenyan’s expression, Yue Feng chuckled and said sarcastically, “The dignified goddess of the rivers and lakes in the Yellow Sea Continent has times when she is still afraid?”

“You…” Yu Wenyan bit her lip tightly. , Embarrassed and angry: “You’re going to let me go?”

“Do you think it’s possible?” Yue Feng said slowly: “Since it’s delivered to the door, how can I let you go easily?” One, picked up Yu Wenyan and the pavilion master, and quickly rushed into the woods next to him.

Speaking of which, they were just a few mountain patrol disciples of the Holy Sect, and Yue Feng didn’t pay attention to them at all, but to be on the safe side, let’s hide first.

After all, Yu Wenyan is not a good person, who knows if she will call for help later.

Swish!

At this moment, being hugged by Yue Feng, Yu Wenyan and the pavilion master were trembling, extremely embarrassed and angry, but the acupoints on their bodies were taped and they couldn’t struggle at all.

Soon, in a hidden place, Yue Feng put down Yu Wenyan and the pavilion master.

“You two, I’ll come back to you when I’m done with my business!” Yue Feng said with a smile, hid the two of them, and walked towards the mountain.

Although the Linglong Pagoda is important, Yu Wenyan has already been subdued by himself, so there is no need to hurry. The most important thing now is to investigate the sect, find the clues of Lu Dongbin, and then let Yingying and the great sage restore their strength…

Nima!

Not long after walking, Yue Feng couldn’t help frowning secretly, why are so many disciples patrolling in this holy sect?

Yue Feng could clearly see that on the mountain road leading to the main altar, patrolling disciples could be seen everywhere, almost every five steps at a post, and every ten steps at a post, which was almost heavily guarded.

After Xie Liuyun became the head, in order to consolidate his position, he carried out a big purge at the main altar of the Holy Sect. At the same time, the situation in Kyushu has been somewhat unstable recently, so Xie Liuyun strengthened the guard of the main altar to prevent other forces from breaking in. .

Going up like this, it will definitely be found.

Muttering in his heart, Yue Feng took a deep breath, then bypassed the mountain road and rushed towards the back mountain.

At that time, I was a disciple of Shengzong by chance. Yue Feng also knew a little about the environment of the main altar of Shengzong. He knew that there was a hidden path in the back mountain. Speaking of which, the path was very steep, and it would fall thousands of feet if you were not careful. The abyss, but for Yue Feng, it is not difficult at all.

call!

When he finally reached the back mountain, Yue Feng couldn't help taking a deep breath. At the same time, he also saw a patrolling disciple who was alone in front of him.

Ordered? Great!

Yue Feng was thinking of asking someone to ask, but when he saw the order, he rushed over without any hesitation.

Snapped!

When he got to the front, Yue Feng quickly shot and sealed the disciple's acupuncture point with lightning speed. In an instant, the disciple's body trembled and he couldn't move.

"You…" Seeing Yue Feng, the disciple panicked and his voice trembled: "Who are you?"

"Don't panic!" Yue Feng smiled and reassured: "I won't hurt you, just ask you a few questions."

Hearing this, the disciple's nervous expression softened a little and nodded.

"Do you know where the former leader is now?" Yue Feng asked straight to the point.

This…

The disciple was stunned for a moment, with a bitter look on his face: “Your Excellency, I don’t know this, I just joined the Holy Sect for a few days, and I still don’t know the situation of the main altar, please let me go!”

Chapter 2919

At this moment, Yue Feng is very helpless.

Nima, it’s hard to catch a single one, but it’s still a newcomer?

The next second, Yue Feng looked at his disciple dressed up and smiled slightly: “If that’s the case, then I’ll aggravate you!” The voice fell, and Yue Feng slapped the back of the disciple’s head.

The disciple didn’t have time to react at all, his eyes darkened and he fainted.

Yue Feng didn’t hesitate, dragged the disciple to a hidden place, took off the disciple’s short shirt, put it on, and then took off the disciple’s waist card on him.

After doing this, Yue Feng simply dressed himself up according to the disciple’s appearance.

Yue Feng thought about it, instead of rushing around like this, it is better to pretend to be a new disciple. At that time, even if he encounters trouble, he will not easily reveal his identity.

After dressing up, Yue Feng slowly entered the forbidden area of the back mountain.

Before escaping from the Holy Sect, Zhang Na, a disciple of Xie Liuyun, once said that Lu Dongbin was trapped in the illusory realm. Although Yue Feng did not know what the illusory realm was, he guessed that the entrance must be in the forbidden area of the back mountain. Inside.

At this time, Yue Feng didn’t know that the real entrance to the illusory realm was the treasure of the holy sect, the Qiankun Gourd!

After making up his mind, Yue Feng took advantage of the night to carefully investigate around the forbidden area.

During this period, Yue Feng encountered a group of patrolling disciples, but when he saw Yue Feng’s dress, he had no doubts.

Nima.

After turning around for more than an hour, Yue Feng suddenly became a little anxious. He had turned around twice in the forbidden area of the back mountain of the Holy Sect, but he didn't find any special entrance.

Um?

Depressed, Yue Feng could not help frowning when he saw a yard in front of him with lights on.

Yue Feng clearly saw that the yard was where Chang'e used to meditate. Later, when Chang'e was taken away by the person who pretended to be herself, the yard was left unused. Why are there still people in it?

With doubts in his heart, Yue Feng lightly stepped and walked in slowly.

hiss!

Just walked in and saw the scene inside, Yue Feng was stunned.

I'm going, it's her!

I saw that there was a candle lit beside the soft cloth hanging on the gauze curtain.

On the soft slump, a slender figure sat quietly, dressed in a long yellow dress, with delicate facial features, but there was a hint of pride in his brows.

It was Xie Liuyun's eldest disciple, Zhang Na.

After Xie Liuyun became the head of the sect, Zhang Na's status as his favorite disciple also rose, and thanks to Xie Liuyun's favor, Zhang Na also occupied Chang'e's retreat.

At this time, Zhang Na was meditating and practicing, and she didn't notice Yue Feng coming in at all.

Nima! This Zhang Na is really pampered and arrogant. Relying on her being Xie Liuyun's beloved disciple, she actually occupied Chang'e's room.

Muttering in his heart, Yue Feng couldn't help looking at Zhang Na up and down, secretly sighing!

I have to say that although this Zhang Na is abominable, she is one of the few female disciples of the Holy Sect with her appearance and figure.

Under the dim light of the candles, Zhang Na's charming curves were projected on the gauze, looming, and any man would be unable to look away when he saw it.

After watching for a while, Yue Feng reacted.

I came here to check on Lv Dongbin's whereabouts. How could Zhang Na be fascinated by it?

I thought to myself, Yue Feng was about to leave.

Whoa!

However, just as he turned around, Yue Feng accidentally bumped into the shelf behind him and made a sound.

Chapter 2920

"Who?"

Hearing the movement, Zhang Na suddenly opened her eyes, gave a cold and tender voice, and locked her eyes on Yue Feng at the same time.

broken!

Yue Feng was startled, so he quickly stopped and looked at Zhang Na. Since he was discovered, he had no choice but to do it.

"Are you new here?!"

Just when Yue Feng was about to start, Zhang Na said coldly, with a bit of contempt in her tone: "Do you know where this is? Just rush in!"

Yue Feng put on makeup, Zhang Na didn't see it at all.

Hearing this, Yue Feng breathed a sigh of relief and cupped his hands: "Senior sister is not angry, I didn't mean it."

When he said this, Yue Feng laughed secretly.

This Zhang Na didn't even see her disguise. In this case, she found an excuse to leave quickly.

Zhang Na's brows were furrowed, and she was very unhappy. If someone disturbed her practice, anyone would be unhappy.

"You…" The

next second, Zhang Na was too lazy to talk nonsense and wanted to let Yue Feng get out, but at this moment, a few footsteps sounded outside the door. Immediately afterwards, several respectful voices sounded: “Elder Sister? Have you rested

?” Why are people here again? Seeing this situation, Yue Feng was stunned. Zhang Na was also inexplicably irritable, and said angrily: “It’s so late, what’s the matter?” “It’s a small matter, I hope Big Sister will let us in.” “Yeah…”

Several people outside the door spoke.

Hearing this, Zhang Na frowned and said lightly, “Then you all come in.” The

three disciples pushed the door and entered, all with smiles on their faces, complimenting Zhang Na extremely.

These three disciples had just joined the Holy Sect. The taller one was named Hu Sheng, the one with smaller eyes was named Lu Wei, and the other one was named Li Guang.

“Hello, Senior Sister!” The three of them shouted in unison, and then their eyes suddenly converged on Yue Feng. Under the shock, their eyes gradually became contemptuous.

Immediately afterwards, the three of them taunted Yue Feng yin and yang.

“Hehe, Chen Yang!”

“You are so poor, and you want to please Senior Sister?”

“Hehe…”

Chen Yang was the disciple who was knocked out by Yue Feng before, because Yue Feng had specially dressed up and added When the lights were dimmed, the three Hu Sheng at this time regarded him as Chen Yang.

Although they are all new disciples, Chen Yang is an introvert and has always been ostracized by others, especially the three Hu Sheng, who sneered at him as soon as they seized the opportunity.

Made!

Seeing the three of them, like Zhang Na, he didn’t see through his disguise, Yue Feng laughed secretly, and at the same time ignored it!

“Shut up?” Zhang Na was upset when she heard it, so she couldn’t help but let out a coquettish cry, and then looked at the three Hu Shengs: “What exactly are you looking for from me?”

The three Hu Shengs quickly stopped taunting.

In the next second, Hu Sheng took a step forward and flattered Zhang Na: “Elder Sister, we have just come to the Holy Sect, and we don’t understand anything, so please take care of me in the future!”

“The three of us are here tonight to give gifts to Senior Sister…” The

voice fell, and Lu Wei and Li Guang, who were next to him, quickly nodded in agreement.

The three Hu Sheng are very smooth. Knowing that Zhang Na is the head’s lover, and the celebrity beside him, they want to get close to each other and have a relationship.

Gift?

The ultimate husband in Chinese chapter 2921-2930

Chapter 2921

Hearing this, Zhang Na's expression suddenly eased a lot.

Since Master became the head of the Sect, everyone in the entire Holy Sect was respectful when they saw him, especially these newcomers, who squeezed their heads and tried to flatter themselves, but I have to say, this feeling is really good.

Haha…

Yue Feng next to him couldn't help but laugh.

I thought there was something important, but it turned out to be a gift.

"Chen Yang, what are you laughing at?" Hu Sheng was very displeased and couldn't help shouting, "Do you think it's funny when we give a gift to the big sister?" The

voice fell, and Li Guang next to him stepped forward. , asked Zhang Na politely: "Elder Sister, is this Chen Yang also here to give gifts?"

Li Guang said so, but looked at Chen Yang disdainfully.

Zhang Na glanced at Yue Feng and said lightly: "I was cultivating just now, he sneaked in, I was about to interrogate him, and you came!"

Wow!

As soon as the words fell, the three Hu Shengs suddenly became enthusiastic and attacked Yue Fengkou.

"Chen Yang, you are so bold, you dare to break into the room of the senior sister late at night?"

"It must be a plot!"

Hearing this, Yue Feng suddenly became angry, Nima, these three guys are sick, I have no festival with you , but against me everywhere.

While annoyed, Yue Feng was also a little anxious. Lu Dongbin hadn't found it yet, so he couldn't waste time here.

This chapter is provided by . Visit for daily update.

It's just that in the current situation, Zhang Na will definitely not let herself leave easily.

Thinking to himself, Yue Feng said lightly: “I’m here to find Senior Sister to ask for some cultivation matters.”

Hearing this, the three Hu Sheng sneered.

At this moment, Zhang Na said, “Okay, stop arguing, what gifts did you three bring?”

“Elder Sister!”

Hu Sheng walked over with a smile and took out an exquisite wooden box from his body. Walking up to Zhang Na: “This gift was obtained on a cliff by the three of us who risked our lives during the day. Please accept it with a smile, and take care of us in the future!”

There is really a gift!

Seeing this scene, Yue Feng frowned secretly.

Zhang Na took the wooden box, showed a smile, and said, “You three have a heart. We are all disciples of the Holy Sect. Naturally, we need to help each other. As a senior sister, I should take care of you!”

At this time Zhang Na’s appearance is calm, but she is very happy in her heart!

I can’t see that the three newcomers, Hu Sheng, are quite capable.

Looking at Zhang Na’s expression, Hu Sheng knew that the gift was not given in vain, so he quickly said, “Elder Sister, you must like this gift, take a look!”

Hmm!

Hearing this, Zhang Na smiled lightly and opened the gift box.

The next second, Zhang Na’s body trembled when she saw the gift inside, and she was stunned and inexplicably excited.

I saw that the wooden box contained a spiritual grass, green and crystal clear, with a colorful halo flowing through the whole body, and it was a top-quality herbal medicine at first glance.

With joy, Zhang Na slowly picked up the spirit grass and sensed that there was a strange aura fluctuation in it.

Um?

At this time, Yue Feng's eyes also fell on the spirit grass, and his brows were slightly wrinkled.

This… seems to be the Seven Spirit Grass.

Qi Lingcao, recorded in "Wuji Pill Technique", is an extremely rare herb. I didn't expect that these three guys, Hu Sheng, would have such good luck.

It's just that this one in front of me is somewhat different from the Seven Spirit Grasses described in the Wuji Pill…

"What kind of spirit grass is this?" Zhang Na couldn't help but asked in delight.

Although Zhang Na was Xie Liuyun's favored eldest disciple, she knew almost nothing about alchemy and medical theory, so she couldn't tell what kind of herbal medicine it was. But when I sensed the spiritual power inside, I knew it was very precious.

Hu Sheng looked proud, and said with a smile: "Eldest sister, this is called Qi Lingcao, in ancient books, it is called the treasure of fairy grass. It is said that after taking it, it will beautify the skin, relax the muscles and relax the muscles… Wait for seven The medicinal effect is amazing!"

Chapter 2922

What? With so many effects?

Hearing this, Zhang Na was overjoyed, holding the Seven Spirit Grass tightly, she almost couldn't put it down!

At this moment, the three Hu Sheng looked at each other, and they couldn't say how proud they were!

Haha…

This time I gave such a good gift to Senior Sister, and Senior Sister will definitely take good care of the three of them in the future. With the protection of Senior Sister, I will definitely rise to the top in the Holy Sect!

At this moment, Zhang Na had a smile on her face, and her heart was even more excited.

"Elder Sister!"

At this moment, Li Guang next to him said with a smile: "I heard that the seven spiritual herbs are the best time to take them within 12 hours after they are picked, so you should take them now! "

Yeah, we also want to see the effect!”

“Eldest sister is already so beautiful. After taking

Qilingcao, she will definitely have more temperament!” Hu Sheng and Lu Wei quickly responded.

Listening to the three of them, Zhang Na smiled slightly, unable to hide her inner excitement, she was about to take the seven spirit herbs.

“Wait.”

At this moment, Yue Feng, who was silent next to him, couldn’t help but say!

Swish!

At this moment, the eyes of Zhang Na and Hu Sheng all converged on Yue Feng.

“What?” Zhang Na frowned.

The three Hu Sheng were also gloomy. Mad, this kid is unconvinced when he sees the gift he gave to Senior Sister, and wants to make trouble!

call!

Yue Feng took a deep breath and said, “There is something wrong with this Seven Spirit Grass. I advise you not to eat it.”

His tone was calm, but there was no doubt about it.

Speaking of which, Yue Feng and Zhang Na had a deep holiday, and they didn’t want to meddle in their own business, but seeing the Seven Spirit Grass in front of them, it was different from what was recorded in Wuji Danshu, and Yue Feng instinctively stopped it.

what did he say?

When the words fell, the three Hu Sheng were all shocked and angry.

The next second, Hu Sheng stepped forward, pointed at Yue Feng’s nose and shouted, “Chen Yang, there is something wrong with your special code, right? This Seven Spirit Grass was collected by the three of us on the cliff during the day. , what’s the problem?” The

voice fell, and Li Guang and Lu Wei also shouted.

“This kid is just jealous. Seeing that we gave a gift to Senior Sister, I’m jealous!”

“This shit is just scolding.”

Three idiots!

At this moment, Yue Feng chuckled lightly and said to Hu Sheng, “This is the Seven Spirits Herbs is not fake, but this top-quality herbal medicine cannot help but be taken with strict research and development, and even the timing of picking is also very particular! “

Seven Spirit Grass, the essence of the world, the leaves are dark green, it is considered to be fully mature, and it is also the best time to pick, and this one, the leaves are emerald green, which means that you have picked it before it is mature.”

“This A top-grade elixir, the effects of fully mature and immature are completely different.”

After saying the last sentence, Yue Feng looked indifferent.

Yes, Yue Feng didn’t understand it at first, but after careful observation, he finally found the problem.

This…

Hearing this, whether it was Zhang Na or Hu Sheng, they were all stunned, looking at Yue Feng in a complicated way, unable to speak for a long time.

What this kid is saying is true or false?

Wouldn’t it be bullshit?

“Haha!”

Finally, Hu Sheng was the first to react, full of disbelief, and sneered at Yue Feng: “According to what you said, we collected it in advance, so the seven spirit grass will be invalid?”

When he said this, Hu With a mocking expression on his face, he believed that Yue Feng was jealous, and was talking nonsense on purpose.

Chapter 2923

Yue Feng smiled slightly: “It won’t work, but after taking it, it will cause breath disorders!” To be

honest, Yue Feng didn’t want to say this, but the three Hu Sheng just went too far, and they must be taught a lesson. Just do it.

Moreover, Yue Feng is not talking nonsense. There is a clear record in Wuji Danshu. Taking the seven spiritual herbs collected in advance will indeed lead to internal disturbances, and even serious ones, it will go into trouble and endanger life.

Hearing this, Hu Sheng was stunned for a moment, and then sneered: “It’s quite similar to what you said, so tell me, where did you know this?”

“Naturally, I read it in an ancient book.” Yue Feng Calm tone!

“What ancient book?” Hu Sheng continued to ask.

Yue Feng chuckled: “There is no comment on this!”

Wuji Danshu, which brings together the essence of alchemy in the world, also records in detail countless elixir, an absolute treasure book, how could it be possible to tell them?

“No comment? Haha, I think you’re just talking nonsense!”

Hearing this answer, Hu Sheng looked contemptuous: “Don’t think I don’t know what your kid thinks, you just saw that we sent such a precious gift, and you feel jealous in your heart. !”

Li Guang and Lu Wei next to him also sneered.

Even Zhang Na couldn’t help but glared at Yue Feng and said coldly: “Chen Yang, right, you broke into my room, I haven’t settled the account with you yet, if you don’t give me a satisfactory reason later. , see how I clean up you!” The

voice fell, and Zhang Na directly took the seven spirit grass.

Like the three Hu Shengs, Zhang Na also thought that Yue Feng had sneaked into her room and had a bad intention. Moreover, she was jealous of the precious gifts that the three Hu Shengs gave her.

In Zhang Na’s heart, Yue Feng is a narrow-minded villain, the most annoying.

Seeing that she took it directly, Yue Feng smiled and said nothing.

At the same time, Hu Sheng three, stared at Zhang Na closely, waiting for the effect.

hiss.

A few minutes later, Zhang Na had a smile on her face, but her brows suddenly wrinkled, a trace of pain appeared on her delicate face, and soon, a layer of cold sweat appeared on her forehead.

This…

Seeing this scene, all three Hu Sheng were dumbfounded and panicked inexplicably!

“Elder Sister!” The

next second, Li Guang reacted, stepped forward quickly, and asked cautiously, “How do you feel?!”

“You three bastards!” Zhang Na bit her lip tightly, her face extremely cold , and then endured the pain, walked over quickly, and slapped Li Guang in the face!

“Crack!”

This slap used almost all his strength, Li Guang covered his face, his face was swollen high, and his whole body was covered.

Papa…

Zhang Na was still not relieved, raised her jade hand, and slapped Hu Sheng and Lu Wei fiercely.

“You three, are you trying to kill me?” Zhang Na’s body was trembling, and she couldn’t help shouting: “My dantian’s inner strength is completely disordered. Chen Yang is right, there is something wrong with the Seven Spirit Grass.”

What?

Hearing this, all three Hu Sheng were dumbfounded, their eyes focused on Yue Feng, and they were shocked.

It was actually what he said.

No, this kid, like himself, is a new disciple, how can he understand so much?

At this time, the three Hu Sheng did not know that the person standing in front of them was not Chen Yang at all, but Yue Feng, who was famous in Kyushu.

“You three, get out of the way.” Zhang Na scolded: “Don’t let me see you again.”

Hu Sheng didn’t dare to neglect, and left the room in despair.

At this time, the three Hu Sheng wanted to cry but had no tears. They thought that they could obtain Zhang Na’s protection by picking up the best elixir.

“Chen Yang!”

After the three of them left, Zhang Na looked at Yue Feng closely with complicated eyes: “Since you see that there is a problem with this Seven Spirit Grass, there must be a solution, right? Help me! “

When she said this, Zhang Na’s tone was unquestionable, with an aloof attitude.

In her heart, although the person in front of her knew a lot, she was a new disciple after all, so she didn’t need to be mean to him.

Chapter 2924

“Zhang Na!”

Feeling Zhang Na’s high-spirited attitude, Yue Feng smiled lightly: “I didn’t let you take it just now, but you didn’t listen and didn’t believe me at all. Now that something goes wrong, you’re thinking of me?”

“Why should I help you?”

When he said this, Yue Feng’s tone was indifferent, but gloating in his eyes.

Zhang Na has a vicious heart. The last time she was injured by Lu Dongbin, she took advantage of the danger and wanted to get her bloody fighting skills. At this time, it was her own fault.

Moreover, I searched all over the forbidden area just now, but I couldn’t find the entrance to the illusory realm, and now I just happened to interrogate Zhang Na.

“What did you say?”

At this moment, Zhang Na’s body was shocked, and she looked at Yue Feng coldly: “You are so bold, you dare to talk to me like this? I think you don’t want to stay in the Holy Sect anymore.

” Senior Sister, who is not polite when you see the entire Holy Sect? Even the altar masters of the Five Elements altar gave three points to themselves, but this newcomer in front of him was so rude to himself because he knew some medical principles.

If you don’t want to help, it’s fine, and you’re just courting death.

Thinking to herself, Zhang Na wanted to do it, but her dantian’s inner strength became more and more chaotic, and she had no strength at all.

“Tsk tsk!”

Seeing Zhang Na's anger, Yue Feng didn't panic at all, but looked at her with interest: "It's really a fox and a tiger, your master is the head, you can't be lawless, but you can see clearly, I can It's not new." The

voice fell, and Yue Feng slowly raised his hand and wiped it on his face a few times to remove the disguise.

What?

At this moment, seeing Yue Feng's face, Zhang Na's heart trembled, and her delicate body couldn't help trembling, she was very shocked.

This… turned out to be Yue Feng?

At this time, Zhang Na was shocked! Half a month ago, Yue Feng almost died at the hands of his master. At a critical moment, he used the divine talisman to escape with Mu Qingyue embarrassedly, but he did not expect that he would dare to come back.

Moreover, he even dressed up as a new disciple, and he didn't even notice it.

"Yue Feng, you are very brave!" Zhang Na bit her lip tightly: "Last time I let you run away by luck, you were lucky, you actually came to the door again, I tell you, you are dead!"

Yue Feng With a sneer, he ignored it, stepped forward and raised his hand to seal Zhang Na's acupuncture point.

If it was just now, Yue Feng would still have some scruples, but now, Zhang Na's dantian's inner strength is disordered, and she is extremely weak, and she is not afraid of any movement from her.

In an instant, Zhang Na's body trembled, unable to move.

"You…" Zhang Na was furious: "What are you going to do? Hurry up and relieve me!"

"Do you really think that you are a respected senior sister?" Yue Feng showed a smile, but his eyes flickered. with anger.

When the words fell, Yue Feng walked to Zhang Na step by step, slapped her hard, and slapped her in the face!

"Clap!"

As soon as the slap went down, Zhang Na let out a coquettish cry, and a slap print appeared on her fair face.

“You relied on Xie Liuyun’s favor, no big or small, and you were rude to my master several times. This slap was for my master Mu Qingyue.” Yue Feng said coldly!

If Zhang Na and Xie Liuyun, Mu Qingyue would not be locked in the prison, and finally escaped with herself, and after using the divine rune at that time, she and Mu Qingyue were passed to different places.

Now that half a month has passed, I don’t know what happened to Mu Qingyue and whether he was in danger.

Thinking of this, Yue Feng was inexplicably angry.

And all of this was caused by Zhang Na and Xie Liuyun in front of him.

Chapter 2925

This slap directly blinded Zhang Na, and it took more than ten seconds to react, and then glared at Yue Feng and scolded: “Yue Feng, you dare to hit me? My master will not let you go Yes!”

This Yue Feng, pretending to be a new disciple, is so careful, he must have no companions, since he is alone, he has nothing to be afraid of.

After all, his master is now the head of the Holy Sect.

“Give it back to me!” Yue Feng frowned.

When the words fell, Yue Feng slapped him again!

“A woman like you who doesn’t know the sky and the earth, I will teach you a good lesson for your master. This slap is for me!”

“In the dungeon that day, you forced me to hand in the bloody battle formula, I haven’t Forget it!” Yue Feng’s eyes flashed with mockery, but the anger in his heart could not be restrained.

“Crack!” The

more Yue Feng thought about it, the more angry he became. Before Zhang Na could respond, he slapped him again.

To be honest, Yue Feng rarely does anything to women, but Zhang Na in front of her is really hateful.

After being slapped three times in a row, Zhang Na’s legs softened and she almost fell to the ground. She felt extremely humiliated, and fire almost burst out from her eyes.

Yue Feng took a deep breath and looked at Zhang Na closely: “This last slap is for the majority of the disciples of the Holy Sect. Your master is the head of the sect, and you are so powerful that you are making waves in the main altar, right?”

Zhang Na Biting his lips tightly, he was so angry that he almost cried, his delicate body trembled, and he scolded: “Yue Feng, you are a despicable villain, and you will take advantage of people’s danger and my inner strength to act, what kind of a man is you? You’re just a bastard…”

As a senior sister, how could she bear such humiliation by Yue Feng?

“Take advantage of people’s danger?”

Hearing this, Yue Feng took a deep breath, looked at Zhang Na coldly, and sneered and mocked: “When you forced me to fight in all directions, didn’t you also take advantage of others’ danger? We are each other!”

“But Since you said that, I’ll take advantage of the danger and let you see!” The

voice fell, Yue Feng’s eyes were red, he walked towards Zhang Na step by step, and when he got there, he tore her long skirt.

In an instant, Zhang Na’s impressive curves were exposed to the air.

call!

At this moment, although Yue Feng was roaring and roaring in his heart, he couldn’t move his eyes when he looked at Zhang Na in front of him, and couldn’t help but let out a sigh of relief.

I have to say that Zhang Na is hateful, but her figure is really perfect. Any man who sees that arrogant figure will go crazy for it.

“You!”

Yue Feng’s gaze made Zhang Na feel uncomfortable, her tender body trembled, and her heart was even more frightened, she couldn’t help but shouted: “Yue Feng, if you dare to touch me, I will never let you go. !”

And when she said this, Zhang Na’s body trembled uncontrollably, and her dantian’s inner strength became more disordered and left. The pain was simply unbearable. “Don’t let me go?” Yue Feng looked at Zhang Na and said contemptuously, “I’m afraid you won’t have this chance! Your dantian

‘s internal strength is completely disordered, and it has already begun to retrograde in the meridians, right?”

Leng, stared at Zhang Na closely: “If it is not restrained in time, do you know the consequences?”

“What consequences?”

Hearing this, Zhang Na’s body was shocked, her face was extremely pale, and cold sweat poured out.

Yue Feng was right. At this time, Zhang Na clearly felt that the inside of her body had begun to retrograde in the meridians, and she was completely out of her control.

Under the inexplicable panic, Zhang Na thought of the three Hu Sheng just now, and she hated it so much that these three bastards made a seven spirit grass that was not fully mature, and they wanted to kill me.

Facing Yue Feng in front of her, Zhang Na felt even more uneasy.

He deliberately said these to scare himself, what was he going to do?

The ultimate husband in Chinese chapter 2926-2930

Chapter 2926

Just when Zhang Na was muttering about this, Yue Feng walked to the soft couch beside him, sat down leisurely, and said word by word: “Within half an hour, if your situation is not restrained, you will go into trouble. Enchanted, and you have been acupointed by me, so after you go into the devil, your meridians will be broken and you will die!”

“Of course, I can solve your situation, it depends on your attitude!”

When saying this, Yue Feng looked at her with a half-smile, even more mocking in his eyes.

What?

Hearing this, Zhang Na’s body trembled, her brain buzzed, and she was completely dumbfounded.

Die from a broken meridian? Too bad!

“What do you want?” Zhang Na forced herself to calm down and asked Yue Feng.

Zhang Na is not a fool, she knows that Yue Feng deliberately said this to make himself nervous, and he must have some purpose in sneaking into the holy sect alone.

Yue Feng squeezed out a smile: “It’s very simple, I’ll ask you a few questions first, you have to answer truthfully!”

“Okay, you ask!” Zhang Na replied, biting her lip tightly.

To be honest, Zhang Na didn’t want to compromise with Yue Feng, but she couldn’t help it. It was too tragic to die when the meridians were broken, and she wanted to live well.

“First! How did your master sit on the head?” Yue Feng asked lightly.

This…

Zhang Na pondered for a while, and said in a low voice: “I don’t know very well either. Master said that at that time, the head master met him alone in the secret room, saying that he was going to the illusory realm, but the Holy Sect could not live without it for a day. Lord, leave it to him.”

Zhang Na didn’t lie, she really didn’t know the situation at that time.

This chapter is provided by . Visit for daily update.

Ha ha…

Hearing this, Yue Feng couldn’t help sneering: “Xie Liuyun is a villain who forgets his own interests, how can he be qualified to be the head? Lu Dongbin is either confused or has other secrets!”

“You… “

Seeing him say that Master’s is not, Zhang Na is very angry, but thinking of the current situation, it is difficult to refute.

call!

At this time, Yue Feng took a deep breath and continued to ask: “I’ll ask you again, why was my master in prison at that time? What did Xie Liuyun want to do?”

“Over the years, the relationship between Liujintan and Xingmutan has always been Not good!” Zhang Na replied in a low voice: “Master has always disliked Mu Qingyue. After becoming the head, of course he has to find a way to deal with her.”

Mad!

Yue Feng cursed secretly, his face was extremely gloomy, he had guessed right before, Xie Liuyun was just avenging his private revenge.

Speaking of which, Yue Feng knew the grievances between Liujintan and Xingmutan for a long time, but when he heard Zhang Na say it, his heart was still inexplicable.

Seeing that Yue Feng's face was very ugly, Zhang Na panicked and pleaded in a low voice: "Yue Feng, I said everything you asked, please help me…"

"What's the hurry?"

Yue Feng chuckled lightly . , looked at Zhang Na and said, "There is one last question, where is the illusory realm?" The

illusory realm?

Hearing this, Zhang Na's heart trembled, and her voice trembled: "Why are you asking this?"

"Don't talk nonsense, come back to me quickly!" Yue Feng said coldly.

Zhang Na was very hesitant in her heart. The illusory realm was in the Qiankun Gourd, and the Qiankun Gourd was the treasure of the Holy Sect. Even some of the disciples did not know, how could they tell Yue Feng?

But thinking of her own situation, Zhang Na really had no choice, and said softly: "The illusory realm is not in the forbidden area, but in the Qiankun Gourd." Then she explained the situation of the Qiankun Gourd.

Chapter 2927

Universe gourd?

Yue Feng was stunned for a moment, then suddenly realized.

Nima, that's what happened, no wonder I couldn't find the entrance before.

Thinking to himself, Yue Feng stared at Zhang Na closely: "What about the Qiankun gourd? Is it your master?"

Hmm!

Zhang Na nodded.

Knowing this, Yue Feng showed a smile and walked over to untie the acupoints for Zhang Na, while running the internal force to help Zhang Na stabilize the chaotic dantian internal force.

After doing this, Yue Feng looked at Zhang Na and said word by word: “Your situation has been temporarily suppressed, but after three hours, it will relapse. Within these three hours, you can help me get the Qiankun gourd and take it. When I get to the Qiankun Gourd, I will help you completely eliminate hidden dangers!”

“Don’t think about it, ask Xie Liuyun to help you, suppress your dantian’s internal power, there is my white lotus cold fire, Xie Liuyun can’t solve it at all. Therefore, your life is still there. I have it, understand?”

Seriously, with Yue Feng’s current strength, dealing with Xie Liuyun is not a problem at all, but for safety’s sake, it’s better to let Zhang Na help.

After all, she is Xie Liuyun’s favorite apprentice. With her assistance, she will get twice the result with half the effort, and Xie Liuyun will never imagine that her apprentice will help outsiders deal with him.

“I…”

At this moment, Zhang Na bit her lip tightly, her inner strength full of entanglements.

To help Yue Feng get the Qiankun Gourd, Master will not let him go. You must know that the Qiankun Gourd is the treasure of the Holy Sect.

Seeing her hesitating, Yue Feng said coldly: “What? You don’t want to? I can’t see that you are not afraid of death! If that’s the case, then I’ll leave!”

With that said, Yue Feng was about to leave.

“Don’t!”

Just two steps away, Zhang Na hurriedly shouted and whispered, “I’ll help you!”

At this time, Zhang Na was about to cry, and she couldn’t do it if she didn’t agree. In her own situation, only Yue Fengneng could Solution, Zhang Na shuddered when she thought that after three hours, her meridians would be cut off and she would die.

“Let’s go!”

Seeing her promise, Yue Feng showed a smile, then left the courtyard with Zhang Na and walked towards Xie Liuyun’s resting place.

Yue Feng is not afraid of Zhang Na playing with himself. After all, her life is in his hands, unless she is not afraid of death.

…..

On the other side, the Nayun Continent, the Imperial City!

It was already late at night, as usual, the queen had already rested, and the palace was quiet, but at this time, the Fengming Hall was brightly lit, with hundreds of officials gathered, and it was very lively.

The Fengming Hall is the place where the Queen usually handles the affairs of the court. It is luxurious and elegant.

At this moment, on the throne of the main hall, the queen sat there in a robe of dragon and phoenix and Ming, with a smile on her delicate face, obviously in a good mood.

Beside her, Long Qianyu is also wearing a long court dress, which is indescribably dignified and elegant.

Below, the civil and military officials are all dressed in costumes, and their expressions are extremely excited.

Half a month ago, a nine-day saint asked the queen, and after telling the situation of the Mitian spirit realm, she begged the queen for help. The queen was very shocked at that time, and then ordered a notice to be issued on the mainland of Kyushu, calling for other nine-day saints. Meet at the Nagumo Imperial Palace.

Half a month passed, and the Nine Heavens Saintess from all over the country saw the notice and rushed over.

Just now, the queen learned that two more saintess had arrived, almost all of the nine-day saints had arrived. The queen was very happy, so she hurriedly ordered people to arrange, and let the civil and military officials gather in the Fengming Hall to witness the nine-day saints together. style.

You must know that the Nine Heavens Saintess have extraordinary identities, and it can be said that it is an honor for the Southern Cloud Continent to gather here.

Chapter 2928

“Your Majesty!”

At this moment, a minister came out slowly and respectfully said to the Queen: “Nine Heavenly Xuannv, gather in our Nanyun Imperial City, not only can you show your majesty’s wise, in the future we Nanyun The status of the mainland, in the Kyushu, will definitely improve a lot!”

Hearing this, the other ministers nodded in agreement.

The queen also showed a smile.

“Jiutian Xuannv is here!”

Just as he was talking, he heard a guard’s announcement from outside.

Whoa!

All of a sudden, the eyes of everyone in the hall converged on the door, each with an excited look! At the same time, many people burst into exclamations!

I saw eight charming figures walking in slowly at the entrance of the main hall.

It is the eight nine-day saints.

As soon as the Nine Heavens Saintess appeared, she instantly became the focus of the audience!

The eight saintess of the Nine Heavens, all dressed in long skirts, showed their perfect figure loomingly, and with their immortal temperament, the eyes of the civil and military officials present suddenly became straight.

Even the Queen and Long Qianyu couldn’t help but sigh.

So beautiful, as expected of the Nine Heavens Saintess!

“Your Majesty!”

At this moment, the eight saintess came together, among them, the Jade Ling, said politely to the queen: “Thank you for your help, if it wasn’t for the announcement from your majesty, we sisters would not meet so soon! “The

voice fell, and Zi Yan and Huanxiang other saintess next to them also saluted the queen.

The Queen smiled lightly and raised her jade hand: “It’s just a matter of raising your hands, you saintesses don’t have to be too polite!”

After saying that, the Queen looked around and continued: “The nine saints have reached eight, I think this last one, It’s probably on the way!” The

voice fell, Huanxiang and Ziyan looked at each other, each other’s incomparable pain.

“Saint Lanxin, I’m afraid I won’t be able to come!” In the next second, Zi Yan said with red eyes.

“Why?” the Queen asked curiously.

At the same time, Yu Ling and the other saintess also frowned.

Zi Yan and Huanxiang were summoned by the Queen as soon as they came to Nanyun Imperial City. They hadn't had time to explain the situation to the other sisters, so they didn't know Saintess Lanxin was dead.

"Lan Xin she… she was killed by the wicked!" Zi Yan endured her grief and said through gritted teeth.

When the words fell, Zi Yan couldn't help the grief in her heart, and tears fell down her cheeks.

What?

Hearing this, the entire Fengming Hall was in an uproar, and everyone was stunned.

A saint was killed? How could this be?

And the saintess of Yuling are even more inexplicably sad. The nine-day saintess are like sisters, and now they get the bad news, it is unbelievable.

"Zi Yan!" Feeling sentimental in her heart, Yu Ling came over and looked at Zi Yan closely and asked, " What

's going on here, what happened to Lan Xin? Who killed him?"

In an instant, the eyes of everyone in the entire hall converged on Zi Yan.

Zi Yan bit her lip tightly, unable to hide her inner grief, and said bitterly, "It's the Sect Master of Tianmen, Yue Feng!"

The voice fell, and Huan Xiang next to him said with incomparable resentment: "Yes, that is Yue Feng, he plotted against Lan Xin, and humiliated her madly. Lan Xin couldn't bear the humiliation, and finally committed suicide, these are Lan Xin dying. He told me personally before."

Saying that, Huanxiang's beautiful face revealed a bit of guilt: "At that time, Lan Xin was determined to die, but I didn't stop me…"

Yue Feng!

Hearing this, Yuling and several saintess were all angry.

"There is such a hateful person?"

Chapter 2929

“I heard that Yue Feng is a hero of Kyushu, I didn’t expect it to be so hateful!”

“I must kill him and avenge Lan Xin!”

At this moment, the Queen and Long Qianyu, as well as the surrounding civil and military officials, He just stood there, shocked.

Yue Feng killed Holy Maiden Lanxin?

How is this possible?

call!

Soon, the queen reacted and looked at Huanxiang and Ziyan complexly: “Two saints, are you mistaken? Yue Feng is a bright and upright person, how could he have done such evil things that people and gods are angry with? Did someone pretend to be a person? Yue Feng, deliberately framed him?” The

voice fell, and the civil and military officials also nodded.

“Yeah, Yue’s concubine is not such a person!”

“It is very likely that someone else framed it!”

Yue Feng has done a lot of things for Nanyun Continent, and his morality is obvious to all, so no matter it is the queen or civil and military officials, I don’t believe it. .

“It can’t be wrong!” Huanxiang looked around and said coldly: “Before Lan Xin died, she told me personally that it was the Tianmen Sect Master Yue Feng who harmed her, and that I had fought against Yue Feng, and with his strength, You can definitely plot against Lan Xin!” The

voice fell, Zi Yan took a step forward and confirmed: “Perhaps Yue Feng is a hero in your heart, but you were all deceived by him, not only you, but I was also deceived at the time! “

To be honest, I rescued him before!”

When she said this, Zi Yan pointed to Xialong Qianyu: “When I rescued Yue Feng, the eldest princess was also present and can testify.”

Long Qianyu’s delicate body was shocked and nodded: “Yes, we were all caught by Jade at that time. Yue Feng wanted to rescue us, but there were too many Jade people. Later, you appeared and took Yue Feng away!”

When he said this, Long Qianyu was very confused.

Like the Queen, she did not believe that Yue Feng would kill Saintess Lan Xin.

Zi Yan nodded and continued: “After I rescued him, I took him to the Heavenly Spirit Realm and let him recover from cultivation. I thought that this person was a man who stood up to the sky, but I didn’t expect that his behavior was so despicable that he even plotted against Lan Xin. , make her commit suicide!”

Wow!

After these words fell, the entire hall was in an uproar, and the civil and military officials present suddenly erupted into heated discussions.

Both saints have confirmed that this is not false.

Unexpectedly, Yue Feng turned out to be such a person, killing the Nine Heavens Saintess is simply unacceptable!

“Yue Feng!” Long Qian’s delicate body trembled, gritted his teeth resentfully, and his delicate face was full of shame and anger.

Originally, Long Qianyu didn’t believe it, but the two saintess said so, it must not be wrong!

Yue Feng is his fiancé, the consort of the Southern Cloud Continent, but doing such a thing is simply disgraceful to the Southern Cloud Royal Family.

The queen who was sitting there frowned, pondering something.

The Queen knew Yue Feng very well. Even though Huanxiang and Ziyan said so, she still felt that this matter was a bit strange. After all, Yue Feng and Jiutian Saintess had no grudges, so why did they kill Lanxin Saintess?

call!

Finally, the queen reacted, looked at Huanxiang and the other saintesses, and said softly: “Well, I will immediately send someone to find Yue Feng, bring him to Nanyun Continent, and confront you!”

“If there is such a thing, , I, Nayun Continent, will never tolerate it!”

When she said this, the queen looked serious, but her heart was extremely complicated.

She never believed that Yue Feng would do such a thing. The only way was to let Yue Feng show up, and the two saintess Huanxiang and Zi Yan had to testify face to face.

After all, Yue Feng is the concubine of the Southern Cloud Continent, and this must not be taken lightly.

Hearing this, Huan Xiang and Zi Yan looked at each other and nodded.

“Sister!”

At this moment, Long Qianyu took a step forward and said to the queen, “Let me leave the matter of looking for Yue Feng. Besides, please announce one more thing!!

” What’s the matter?” The Queen said softly.

Long Qianyu let out a soft sigh of relief, his beautiful face did not fluctuate in the slightest: “Cancel my engagement with Yue Feng!”

Chapter 2930

What?

Hearing this, the surrounding civil and military officials suddenly burst into an uproar.

Even the empress trembled, thinking she had heard it wrong.

Sister wants to break off the engagement? !

Isn’t this bullshit? Although the two saintess said that Yue Feng was still the saint of Lanxin, but they said nothing, this matter has not been confirmed, why should they break up the engagement with Yue Feng because of this matter?

“Sister!”

After a few seconds, the queen reacted and patiently persuaded: “Don’t be impulsive, you can’t just break off the marriage like this before the matter is settled!”

The entire Kyushu knew about Yue Feng and his sister’s engagement. If you break off the marriage rashly like this, you will definitely be ridiculed by the world.

“Sister!” Long Qianyu bit her lip tightly and became anxious: “You still favor Yue Feng? This person is a cowardly bastard. Some time ago, he blasphemed the Empress Chang’e and made a scene of the Northern Ying Emperor. City, the whole Kyushu has spread!”

“Even if these things, he was framed! However, the two saintess in front of me have confirmed it, can it be fake?”

“In short, even if I die, I don’t want to be with this guy. It has nothing to do with the species.”

When she said this, Long Qianyu was very excited. Speaking of which, her engagement with Yue Feng was a bit dramatic. At that time, due to the royal reputation and the pressure of the queen, she had to agree, although Later, his views on Yue Feng changed somewhat, but at this time, when he heard the accusations of the two saintess, Long Qianyu’s favorable impression of Yue Feng disappeared all of a sudden.

Someone like Yue Feng, who dared to kill the Nine Heavens Saintess and be his fiancée, would be ruining his reputation.

This…

Hearing this, the queen bit her lip tightly, struggling very much.

She knew that her younger sister had a stubborn personality, and once a decision was made, it was difficult to change, but it was really difficult to make a choice when it involved the reputation of the Nagumo royal family.

Thinking to herself, the queen said softly: “Sister, you should think about it…”

Just after saying a few words, Long Qianyu interrupted her words, and her face was full of determination: “I Don’t think about it, I’d rather die than marry her, if you force me again, I’ll be right in front of you!” The

voice fell, Long Qianyu drew out his long sword and placed it across his fair neck.

Whoa!

Seeing this scene, the civil and military officials present were all taken aback.

“Okay, okay…”

At the same time, the queen also trembled, and quickly persuaded: “I promise you, you don’t do stupid things.”

Although Long Qianyu was so stubborn, the queen was very angry, But she is her own sister after all.

In the next second, the queen looked around, breathed a sigh of relief, and announced: “Pass on my will, cancel the marriage contract between the eldest princess and Yue Feng, and announce to the world.”

Hearing this, all the civil and military officials in the hall were They looked at each other, but still answered in unison.

“All saints!”

At this time, Long Qianyu said to Huanxiang several saints: “Don’t worry, I will definitely bring back Yue Feng, and give Lanxin saintess justice!”

After saying this, Long Qian said Yu directly walked out of the hall.

…

On the other side, Yue Feng, under the leadership of Zhang Na, carefully avoided the patrolling disciples and walked towards the place where Xie Liuyun rested.

Although Zhang Na was Xie Liuyun’s favored disciple, it was late at night after all. If she was seen by the patrolling disciples, it would definitely cause suspicion, and there was a Yue Feng behind her.

At this time, Yue Feng’s face seemed calm, but his heart was also a little uneasy.

He entered the main altar alone and coerced Zhang Na. It seemed that everything was going well, but after all, this was the Holy Sect.

The ultimate husband in Chinese chapter 2931-2940

Chapter 2931

Soon, Zhang Na brought Yue Feng to a special courtyard entrance.

“Yue Feng, Master is resting in this yard.” Zhang Na stopped and said with sincerity, but there was a complex light in her eyes.

As soon as the voice fell, Zhang Na walked in first.

Yue Feng snorted and quickly followed.

hiss!

As soon as he entered the yard, seeing the scene in front of him, Yue Feng couldn’t help frowning secretly.

I saw that there were some large and small stones scattered in the yard. There were thousands of these stones, and there were so many stones that there was not even a single road.

Formation?

Yue Feng frowned and observed, and soon saw the clue. These stones seemed to be placed casually, but there was another mystery.

Yes, the yard that Zhang Na brought him to is a restricted area in the back mountain of Shengzong, and it was also the place where Lu Dongbin studied the formation, and the stone formation in front of him was deployed by Lu Dongbin. Mysterious Stone Array.

The Four Elephants Mysterious Stone Formation is a relatively advanced formation in Taoism. Originally, with Zhang Na’s aptitude, he could not understand the mystery of this formation at all, but after Xie Liuyun became the head, he learned from the ancient books collected by Lu Dongbin. The method of cracking was later passed on to Zhang Na.

Zhang Na’s purpose is very simple, use this formation to trap Yue Feng, and then force him to completely solve his dantian problem. When Yue Feng was trapped here, he wouldn’t have to betray his master.

This…it seems to be a Taoist formation!

At this time, Yue Feng looked around carefully, and at the same time, he couldn’t help but recall the various formations in Baiqi’s Divine Formation. Soon, I remembered that this is the Four Elephants Profound Stone Formation.

The white formation of the gods is all-encompassing, among which there are records of the Four Elephants Profound Stone Formation.

This chapter is provided by . Visit for daily update.

Nima, Zhang Na did not bring herself to find Xie Liuyun, but came to this formation. What the hell is going on? !

Thinking to himself, Yue Feng remained calm and continued to follow behind Zhang Na.

“Through these stones, it’s almost there!” At this moment, Zhang Na couldn’t help but urged softly: “Master should be resting now, but be careful!”

When she said this, Zhang Na was full of excitement and excited.

Yue Feng, this idiot, didn’t even know that he brought him into the trap.

At this time, Zhang Na couldn’t wait to see the scene of Yue Feng being trapped.

“Understood, you lead the way!” Yue Feng said lightly.

Zhang Na stopped talking, took Yue Feng, and quickly entered the formation center.

“Zhang Na!” At this time, Yue Feng lost his patience and said coldly: “Is your master here?”

Mad, this Zhang Na, wouldn’t he be taking himself around on purpose?

“Don’t worry!” Zhang Na’s face was serious, but her heart was extremely excited. She asked Yue Feng, “That’s the room in front! Just, see if you have the ability to pass!” The

voice fell, and Zhang Na turned around. Turning over, reciting the formula in his heart, his figure is light and agile, and he rushes out of the stone formation.

Yes, Zhang Na’s motto is the method of breaking the formation that Xie Liuyun passed on to her.

Nima!

Yue Feng was furious, and after reacting, he saw that Zhang Na had already reached the outside of the stone circle.

“Yue Feng!”

At this moment, Zhang Na rushed to the outside, her beautiful face was extremely proud, and at the same time carried a bit of resentment: “Do you think you can solve my

problem, and at the same time inject the cold fire of white lotus into my dantian, you can make me surrender? You are so wrong!”

“I tell you, my master is the head of the Holy Sect, he loves me the most, and he will pass the position to me in the future.”

“But you bastard, you threatened me just now, no Let me show you some color, you really think I am easy to bully. To tell you the truth, my master is not here, and the stone formation in front of you is the profound stone formation of the four elephants of our Daomen. Waiting to be trapped inside alive.”

Chapter 2932

“Of course, if you teach me how to solve the dantian problem, maybe I will tell you how to get out.”

When she said this, Zhang Na was all smiles, showing a bit of revenge.

This bastard Yue Feng, although very cunning, did not expect that he would be trapped here.

call!

Listening to Zhang Na’s words, Yue Feng in the formation couldn’t help but sneer.

Ma De, he really was right, this Zhang Na is cunning and won’t help herself easily.

However, a Four Elephants Profound Stone Formation just wants to trap me? He underestimated me too.

Thinking to himself, Yue Feng did not respond to Zhang Na, but looked at the stone formation in front of him, said the formula in his mouth, and walked towards the outside of the stone formation.

what’s the situation?

At this moment, seeing Yue Feng not responding to her, Zhang Na, who was standing outside the stone formation, not only frowned.

He lied to Yue Feng, and it stands to reason that he should be very angry, why is there no movement at all?

Whoosh!

Just when Zhang Na was muttering secretly, she saw a figure appearing in front of her like a ghost, with a mocking sneer on her face.

It was Yue Feng.

What?

At this moment, Zhang Na's body trembled, her face paled in shock, and she stared at Yue Feng in shock.

"You… how could you come out?" Zhang Na only felt her brain buzzing, and her voice trembled.

Zhang Na originally thought that the Four Elephants Mysterious Stone Array could trap Yue Feng in it. At that time, Yue Feng was helpless and would definitely compromise with herself, but she never thought that he would come out so soon.

"Haha!"

Facing Zhang Na's shock, Yue Feng smiled contemptuously: "A mere four-symbol Mysterious Stone Formation just wants to trap me? You are too underestimated." "

You…"

When Fa's name was said, Zhang Na's heart was shocked, she was shocked, she just said one word, and she couldn't say it.

At this moment, Yue Feng said coldly: "I gave you a chance just now, since you are not sure, don't blame me! Anyway, I have already entered the Holy Sect, and I am not afraid of being known by Xie Liuyun, after killing you. , I'll find him myself."

Om!

The voice fell, Yue Feng's inner strength urged, slowly raised his palm, and patted the top of Zhang Na's head.

"Don't!"

Feeling the powerful palm, Zhang Na didn't have time to dodge, but felt that her legs were softening, and she couldn't help begging for mercy: "Don't kill me!" The

voice fell, and Zhang Na bent her knees and knelt directly on Yue Feng. In front of him: "I'll take you to find Master, I won't lie to you this time, please believe me again."

At this time, Zhang Na was full of panic and never dared to disobey in the slightest.

There is no way, Yue Feng has even broken the Four Elephants Profound Stone Formation, so he is no match at all.

“Do you think I will still believe you?” Yue Feng looked at Zhang Na quietly, and said with a half-smiling smile.

Although there was a smile on his face, he was extremely annoyed in his heart.

Nima, fortunately, I have a white spirit formation, otherwise, I would have been killed by her.

“Please believe me, I promise, I won’t dare to lie to you again!” Zhang Na knelt there, her delicate face extremely pale, and she kept begging: “Please give me another chance.”

Although Yue Feng is famous The Tianmen Sect Master of Jiuzhou, but Zhang Na has never paid attention to it, but she never thought that one day, she will kneel in front of Yue Feng and let go of all her dignity.

call!

Hearing this, Yue Feng took a deep breath, pondered, nodded and said, “Okay, I will trust you again.”

Yue Feng could see that after what happened just now, Zhang Na was completely stunned by herself. No more tricks.

Zhang Na breathed a sigh of relief and quickly got up to lead the way.

A few minutes later, through a quiet bamboo forest, Zhang Na brought Yue Feng to a pavilion.

It can be seen that the decoration of this pavilion is elegant and delicate, with an antique atmosphere everywhere, and the environment is quiet and peaceful.

At the entrance of the pavilion, a quaint stone stele was erected, on which was written a few elegant characters: “The master’s cultivation place, idlers are not allowed to enter!”

Chapter 2933

Seeing these words, Yue Feng showed a smile.

It seems that this is the place where Xie Liuyun meditates.

Zhang Na next to her was inexplicably nervous. She brought Yue Feng here privately, and when the master blamed him, how could he take responsibility?

But I had no choice but to take one step, one step.

“You are advanced!”

At this moment, Yue Feng urged lightly: “Don’t play tricks, you know the consequences!”

Zhang Na nodded, bit her lip, and walked in first.

Yue Feng immediately followed.

I go!

Once inside, Yue Feng was stunned.

I saw that in the hall on the first floor of the pavilion, the surrounding walls were filled with bookshelves. The bookshelves were all filled with Taoist classics, as well as some practice secrets. It can be said that this place is completely a treasure house.

However, the hall is surrounded by walls, there are no doors or stairs, and there is no shadow of Xie Liuyun.

Crunch!

At this moment, I saw Zhang Na walking to a wall, opening the mechanism hidden behind the hanging picture, and saw a secret door appear in front of her.

“Master is inside.” Zhang Na whispered.

Yue Feng nodded his head, filled with emotion.

Nima, this place where the head of the holy sect practiced is so hidden. Fortunately, Zhang Na led the way. Otherwise, it would be really difficult to find it by yourself.

Thinking to himself, Yue Feng showed a smile and said to Zhang Na, “Wait, you have to cooperate with me…” Then, he told his plan.

Hearing Yue Feng’s plan, Zhang Najiao trembled and panicked, but at this point, she had no choice but to nod her head in agreement.

Later, Zhang Na took Yue Feng and slowly walked into the secret door.

Behind the secret door is a secret passage tens of meters long. After the secret passage, there is a spacious secret room.

call!

At this moment, in the secret room, Yue Feng couldn’t help taking a deep breath.

I saw that the secret room was the size of two basketball courts, and there was a gossip stone platform in the center. Several oil lamps were lit around the stone platform. Retreat.

It was Xie Liuyun.

“Who?”

Hearing the movement, Xie Liuyun quickly reacted and cast his eyes.

At this moment, Yue Feng lowered his head to prevent Xie Liuyun from seeing his face.

“Zhang Na?!”

At this time, Xie Liuyun frowned and looked at Zhang Na, with a very displeased tone: “Didn’t you say that you are not allowed to come in without my permission.”

When he said this, Xie Liuyun looked at Yue Feng At first glance, he was very unhappy, because Yue Feng was wearing the gown of the new disciple, and Yue Feng lowered his head, Xie Liuyun didn’t see anything unusual, thinking it was a new disciple.

Zhang Na hurried up with a look of panic, and said in a bitter tone: “Master, calm down, I don’t want to disturb Master, but my apprentice is in trouble!”

After speaking, Zhang Na pointed to Yue Feng: “This new junior brother, I just gave me a Qilingcao, but this Qilingcao is not yet fully mature, and after taking it, my dantian’s inner strength suddenly became disordered… My disciple has no choice but to ask Master!”

The last sentence fell, and Zhang Na was extremely terrified.

Yes, this is Yue Feng’s plan to let Zhang Na attract Xie Liuyun’s attention, while Yue Feng is looking for an opportunity to raid.

What?

Hearing this, Xie Liuyun was taken aback: “Why are you so careless?”

As a high-level figure in the Holy Sect, Xie Liuyun of course knew about Qilingcao, and even more aware of the drawbacks of taking immature Qilingcao.

“Come here, let the teacher take a look!” In shock, Xie Liuyun quickly waved at Zhang Na.

Xie Liuyun was very distressed by the trouble his beloved apprentice encountered.

Zhang Na responded and walked slowly to the stone platform, letting Xie Liuyun feel the pulse for herself.

Chapter 2934

Call!

After a few seconds, Xie Liuyun took a deep breath and said solemnly: “That’s true, but you are very lucky, the signs of dantian’s internal disturbance have been suppressed. However, there are still some hidden dangers, for the teacher, you need exercise to help you adjust. At

this time, Xie Liuyun didn’t know that Zhang Na was not lucky, but Yue Feng helped her suppress it.

Saying that, Xie Liuyun asked Zhang Na to sit cross-legged, and then began to help her adjust. As for Yue Feng, who was standing aside, in Xie Liuyun’s heart, he was a new disciple, and he didn’t take it to heart at all.

Haha…

Seeing this scene, the corners of Yue Feng’s mouth twitched, knowing that the opportunity had come.

hum!

In the next second, Yue Feng didn’t hesitate at all, his inner force moved, his figure flashed quickly, he rushed over, and slapped Xie Liuyun with a palm!

At this time, Xie Liuyun was concentrating on helping Zhang Na to recuperate her internal strength. She did not expect that the new disciple around him would suddenly attack him.

However, Xie Liuyun responded quickly and looked back quickly.

“Yue Feng?!”

At this moment, seeing that it was Yue Feng, Xie Liuyun was shocked, his eyes were blood red, and he roared with gnashing teeth.

At this time, Xie Liuyun had no idea that Yue Feng had sneaked into the Holy Sect, and, disguised as a new disciple, he entered the secret room of his retreat.

“Xie Liuyun!” Yue Feng showed a smile and couldn’t hide his mockery: “Is it a surprise? I said, I will be back!” The

voice fell, Yue Feng's inner strength surged, and he slapped it with a palm.

"Master, be careful!"

Seeing this scene, Zhang Na's body trembled and she couldn't help but let out a coquettish cry. At the same time, his heart was indescribably complicated. If he hadn't led the way, Yue Feng wouldn't have found it.

Seeing that palm blinked to the front, Xie Liuyun wanted to dodge, but it was too late!

boom!

This palm slammed into Xie Liuyun's back, and a dull vibration was heard, Xie Liuyun's blood spurted wildly, and the whole person flew out at once.

Pfft!

Flying more than 100 meters away, Xie Liuyun shed a rain of blood in the air, and finally smashed heavily on the stone wall at the entrance.

Xie Liuyun clearly felt that his heart was severely injured, and his blood was surging!

What's more serious is that Xie Liuyun had just stimulated her inner strength to help Zhang Na to recuperate her dantian, but was suddenly hit hard by Yue Feng, and her dantian's inner strength was going retrograde, and it was already a sign of going crazy!

Mad!

At this moment, Xie Liuyun's eyes were extremely blood red, and he stared at Yue Feng hatefully.

Yue Feng didn't panic at all, smiled slightly, and said lightly: "Xie Liuyun, don't look at me with this kind of eyes, I can find this place, and it's all thanks to your precious disciple."

What?

Hearing this, Xie Liuyun's face changed, and his eyes locked on Zhang Na.

Seeing Xie Liuyun's gaze, Zhang Na only felt her legs go weak, and couldn't help crying: "Master, I'm sorry, my disciple doesn't want to betray you, but I really have no choice…"

"Yue Feng, you Despicable villain…"

Hearing this, Xie Liuyun's face changed, and then his eyes locked on Yue Feng, and the anger in his heart rose.

Xie Liuyun knows Zhang Na very well. Although she is a bit coquettish, she has always been loyal to herself. She must have been forced by Yue Feng to bring him to the secret room of her cultivation.

The more Xie Liuyun thought about it, the more angry he was, so he was about to rush over to attack Yue Feng, but before he took two steps, his face suddenly turned blue and then white, and his whole body was shaking uncontrollably.

That's right, Xie Liuyun's dantian internal power is completely disordered and completely out of his control.

This….

Seeing this scene, Zhang Na was terrified and wanted to rush over, but she didn't dare.

"Yue Feng…"

Chapter 2935

At this moment, Xie Liuyun stared at Yue Feng, gritted his teeth and said two words, and finally he couldn't stand it anymore, his eyes darkened and he passed out.

Yes, Xie Liuyun at this time is already insane. Even if he was lucky enough to survive, his practice would cease to exist, and he would eventually become a crippled person.

call!

Yue Feng took a deep breath, walked over slowly, carefully searched Xie Liuyun, and soon found a quaint gourd.

It is the Qiankun gourd.

haha…got it!

At this moment, Yue Feng put away the Qiankun gourd and was very excited.

Immediately, Yue Feng looked at Zhang Na, who was sitting there in despair. After a month, come to me if you want to transform the spirit pill."

After saying this, Yue Feng turned around and strode out of the secret room.

To be honest, a woman like Zhang Na is extremely abhorrent, but she is Xie Liuyun's favorite apprentice, and it may be useful to keep it in the future.

A few minutes later, Yue Feng quietly went down the mountain while taking advantage of the darkness.

call!

When they arrived at the place where the Yu Wenyan sisters were hiding, Yue Feng showed a smile, and when he saw the two of them, they hadn't opened the acupuncture point, and were about to cry.

"Yue Feng!"

Seeing Yue Feng coming back, the pavilion master couldn't help but softly shouted: "Quickly solve the acupuncture point for us!"

He and Yu Wenyan, who are also status and status in the Yellow Sea Continent, were blocked by Yue Feng. Acupoints, thrown in this forest, is simply a great shame.

"Ha ha!"

Yue Feng came over, looked at the pavilion master up and down, and said with a smile: "If you want me to relieve the acupuncture points, you can, but you have to promise me two conditions!"

"What conditions?" The pavilion master bit his lip and said.

As soon as he finished speaking, Yu Wenyan next to him hurriedly interrupted: "Don't believe him!" This Yue Feng is not only hateful, but also extremely cunning, how could he easily let him go?

However, the pavilion master didn't hear the same thing. He breathed a sigh of relief and said to Yue Feng: "Okay, tell me, what are the conditions?"

Compared with Yu Wenyan, the pavilion owner is more rational. As long as the conditions are not too extreme, it is fine .

Yue Feng smiled and said: "It's very simple, you call me husband first, and then give me the Linglong Tower on Yu Wenyan!"

Shuh!

Hearing this, the pavilion master's beautiful face instantly became extremely red, and at the same time, he was also a little embarrassed.

This Yue Feng is really very immoral, and he is actually taking advantage of himself.

At the same time, Yu Wenyan was even more stunned and angry: “Yue Feng, you bastard, you know that you have no good intentions.”

After speaking, he shouted at the pavilion owner: “Don’t promise him.”

My sister Bingqing Yujie, how can you call Yue Feng husband?

Yue Feng ignored her shouting, but looked at the pavilion master with a smile, and said leisurely: “I have already stated the conditions, if you don’t want to, I won’t force it, anyway, I must take the Linglong Tower back, if you If you don’t take it for me, I’ll search her myself.” To

be honest, Yue Feng didn’t want to talk nonsense with their sisters, but he just got the Qiankun gourd and was in a good mood, so he deliberately teased the pavilion master.

This….

Hearing this, the pavilion master bit his lip tightly, unable to express the entanglement in his heart. After a few seconds, he still whispered: “Old…husband!”

Seriously, calling Yue Feng’s husband, the pavilion owner is from the bottom of his heart. exclusion.

But if she didn’t shout, Yue Feng would search her sister’s body.

“Yeah!”

This husband shouted Yue Feng’s bones to the point of brittleness. He nodded with a smile: “My wife is really good. Husband will solve your acupuncture points!” acupuncture point.

The ultimate husband in Chinese chapter 2936-2940

Chapter 2936

Yuwen was so arrogant that he wanted to scold Yue Feng, but he held back.

She knew that the pavilion master called Yue Feng’s husband entirely for her own sake.

“Wife!”

At this time, Yue Feng looked at the pavilion master with a smile: “Help me take out the Linglong Tower.”

Hmm!

The pavilion master responded, walked slowly to Yu Wenyan, and said softly, “Sister, this Linglong Pagoda originally belonged to Yue Feng, I think I will return it to him.”

When he said this, the pavilion owner was very helpless.

In the pavilion owner’s heart, he didn’t want to return the Linglong Pagoda. After all, it was a peerless treasure, but after Yu Wenyan grabbed it, he hadn’t found a way to open the Linglong Pagoda for three years.

Moreover, at this time, the situation was firmly under Yue Feng’s control. If he didn’t pay, Yue Feng would definitely think of other ways to humiliate himself and Yu Wenyan.

Hearing this, Yu Wenyan bit his lip tightly and did not respond, but it was considered a tacit consent.

The next second, the pavilion master took out the Linglong Tower from her and handed it over to Yue Feng!

Ha ha!

Yue Feng took over the Linglong Pagoda, feeling indescribably excited.

After three years, the Linglong Tower was finally recovered.

“Yu Wenyan, Pavilion Master!” After putting away the Linglong Pagoda, Yue Feng took a deep breath and said slowly, “A lot of things in the past are coincidences, if you can’t let go and insist on revenge on me, then I’ll be waiting for you at any time! “

This chapter is provided by . Visit for daily update.

Speaking, Yue Feng stopped talking, turned around and strode away.

call!

Seeing his figure go away, Yu Wenyan bit his lip tightly, his eyes flickered, and he was speechless for a long time.

This bastard, just left?

Just now, both himself and his sister were in his hands. If it was someone else, he would have already done something, but he just said it, but he never acted excessively.

Could it be… I have been wrong about him before?

…..

On the other side, Yue Feng hurried back to join Ren Yingying and everyone else.

At this time, the sky was bright, and Ren Yingying and Meihui, as well as Sun Dasheng and others, couldn't wait!

"Fengzi?"

"Yue Feng is back!"

At this moment, everyone was overjoyed when they saw Yue Feng's figure, and they hurried to greet them one by one.

"Yue Feng?"

Ren Yingying couldn't hide her worry, she walked over quickly, and hugged Yue Feng's arm: "I thought you were in trouble in Shengzong, and wanted Meihui to go up and take a look."

Among the crowd, only Meihui and Yue Wuya had the strength.

Feeling Ren Yingying's worry, Yue Feng felt warm in his heart, smiled and comforted: "It's okay, I encountered a little situation, but in general, it's going well!"

Hearing this, Ren Yingying said happily: "Have you found Daochang Lu?"

At this moment, the people around Dasheng Sun all looked at Yue Feng closely, with a trace of hope that as long as they found Lu Dongbin, they would be able to regain their strength.

call!

Yue Feng took a deep breath and smiled: "That's right."

Having said that, Yue Feng took out the Qiankun gourd, and then explained the situation in detail.

What?

For a time, everyone was stunned and looked at the Qiankun gourd in Yue Feng's hand in surprise.

Is Lu Dongbin in this gourd?

Seeing everyone's astonishment, Yue Feng said slowly: "I need to enter the illusory realm in this cosmic gourd, so everyone needs to wait for some time."

Chapter 2937 After speaking

, Yue Feng said to Yue Wuya: “Ya’er, after I go, you must guard the heaven and earth gourd!”

Now, only Meihui and Yue Wuya can protect everyone. Below, Yue Wuya’s strength is higher, so let him protect the Qiankun gourd, Yue Feng is also the most at ease.

“Got it, father!” Yue Wuya nodded quickly.

Yue Fengyou explained some things, and then he picked up the Qiankun gourd and looked at it carefully.

How to get in here?

The next second, Yue Feng was thoughtful when he saw the gourd seal, and then raised his hand to open it!

hum!

In an instant, I saw a dazzling light burst out from the gourd, which contained a powerful suction that directly enveloped Yue Feng.

At this moment, Yue Feng only felt that his eyes were dark, and he was teleported away in an instant. disappeared from everyone’s sight.

“It’s amazing!”

In shock, Yue Wuya quickly picked up the Qiankun gourd, and when the strange power completely disappeared, he quickly put it away.

“This is not a place to stay for a long time, let’s leave quickly!” At this time, Ren Yingying looked around and said softly, “I don’t know what happened to Miss Mu, let’s go to Buzhou Mountain and join her.”

Qiankun The gourd is so magical, it must be the treasure of the holy sect, and this is the realm of the holy sect. If it is seen by the disciples of the holy sect, I am afraid that there will be a lot of trouble.

Um!

Hearing this, everyone nodded, and then rushed towards Buzhou Mountain.

wow wow wow…

After walking for a few hours, Ren Yingying and everyone finally came to the foot of Buzhou Mountain, but at this moment, they heard the sound of neat footsteps on the road not far away.

Could it be the Imperial Guard of Beiying Imperial City?

At this moment, Ren Yingying and Sun Dasheng looked at each other, and then went to see the situation, but when they got there, they were all stunned!

I saw that it was not the imperial guards of Beiying Imperial City, but the soldiers of the Southern Cloud Continent, wearing uniform white armor, holding a long sword, and imposing manners.

In front of these soldiers, a very beautiful woman, riding a white horse and wearing purple-gold armor, looked valiant.

It is Long Qianyu.

Yes, Long Qianyu brought these soldiers to look for Yue Feng. Half a day ago, Long Qianyu got the news that Yue Feng brought the Ouyang family to Beiying Continent, and immediately chased after him.

Seeing Long Qianyu, everyone in Ren Yingying was shocked.

In the next second, Sun Dasheng hurried up to meet him and greeted him with a smile: “So it’s my younger brother and sister!”

The entire Kyushu knew about Long Qianyu’s engagement with Yue Feng, and Sun Dasheng was Yue Feng’s sworn brother, so naturally he would call him younger brother and sister.

At this time, everyone in Ren Yingying also breathed a sigh of relief.

Ben was still thinking that without Yue Feng by his side, it would be difficult to protect everyone’s well-being with only Meihui and Yue Wuya. Now that he has encountered Long Qianyu, he no longer has to worry.

After all, Long Qianyu is not only Yue Feng’s fiancee, but also the eldest princess of the Southern Cloud Continent. She is powerful and has an extraordinary status.

“Shut up!”

Sun Dasheng’s name made Long Qianyu very displeased, and he shouted coldly, “Who is your younger brother and sister, don’t mess with the relationship!”

At that time, in the palace, he had already drawn a clear line with Yue Feng, and naturally he would not be polite to Sun Dasheng and others.

Uh…

Sun Dasheng was stunned for a moment, very embarrassed.

What's going on with this Long Qianyu? So angry, did you quarrel with Yue Feng?

At the same time, Ren Yingying, Meihui and others also looked at each other in dismay. I thought that Long Qianyu and Yue Feng were having trouble. After all, she is the eldest princess, and it is understandable to have a temper.

Soon, Ren Yingying reacted and couldn't help but ask, "Miss Long, why are you here…" Before she could finish her

sentence, she was interrupted by Long Qianyu.

"Where is Yue Feng?" Long Qianyu looked around at everyone, his beautiful face was extremely cold, and his tone was unquestionable: "Let him come out to see me!"

"He has something important!" Sun Dasheng couldn't help it. He opened his mouth and said, "That… Girl Long, if Yue Feng does something and makes you angry, don't mind it. When he comes back, I'll tell you about him for you!"

Chapter 2938

Long Qianyu's eyes sank, and he said coldly: "Don't tell me this, I have cancelled the engagement with Yue Feng, and there is no relationship at all!"

After speaking, Long Qianyu couldn't hide his disgust and continued. : "Yue Feng killed the Nine Heavens Saintess, a heinous crime, I'm here to catch him back."

What?

At this moment, whether it was Sun Dasheng, Ren Yingying and others, they were all shocked.

Long Qianyu and Yue Feng cancelled their engagement?

Moreover, Yue Feng also killed the Nine Heavens Saintess? How is this possible? !

"You are talking nonsense!"

Finally, Yue Wuya couldn't help it. He walked out and shouted at Long Qianyu: "Don't slander my father, he is not that kind of person."

When he said this, Yue Wuya looked very excited . .

The former Yue Wuya also had many prejudices against Yue Feng, but later he gradually understood his father and respected him from the bottom of his heart. His father was a hero admired by everyone in Kyushu, and he would never do such a thing.

The words fell, and Sun Dasheng, Ren Yingying and others also nodded in agreement.

“Yeah, there must be a misunderstanding in this!”

“Before Zhang Jiao framed Yue Feng and slandered him and blasphemed the Empress Chang’e. The matter is about to come to the bottom, and this matter must also be framed, Miss Long, you must not believe it. Hearing this, Long Qianyu was very impatient, and said coldly: “

Framed? Two saintess personally confirmed that how could he be framed? Since Yue Feng is not here, you can come with me!”

Said Then, Long Qianyu raised his jade hand: “Come on, take everyone down!”

Long Qianyu knew that the Ouyang family was very important to Yue Feng. As long as the Ouyang family was captured, they would not be afraid that Yue Feng would not appear!

Whoops!

The voice fell, and thousands of soldiers around, rushed in like a tide, and instantly surrounded Ren Yingying and everyone.

These soldiers are all elites from the Southern Cloud Continent, and their strength is not low.

In the blink of an eye, these soldiers tied up Ren Yingying and everyone. They all lost their inner strength and could not resist at all.

At the same time, Yue Wuya and Meihui did not escape bad luck, their wrists were tightly bound.

Speaking of which, Yue Wuya and Meihui originally planned to resist, but there were too many people on the other side. At the same time, they thought that if they resisted, they would completely anger Long Qianyu, and they would definitely hurt Ren Yingying and others by mistake, so in the end, Yue Wuya and Meihui were still give up.

“Don’t worry!”

At this time, Long Qianyu looked around and said lightly, “I won’t hurt you. My purpose is to force Yue Feng out. When I catch Yue Feng, I will let you go!”

When the voice fell, Long Qianyu waved his hand, and immediately, thousands of soldiers pressed Ren Yingying and the others, and headed towards the Southern Cloud Continent.

At this time, Long Qianyu didn’t know that Yue Feng did not go far, but was in the Qiankun gourd on Yue Wuya’s body.

…

the other side.

Yue Feng felt as if he was in a dream, his body was fluttering, and his eyes were pitch black. After a few breaths, I finally stepped on the ground.

Hu…

Yue Feng couldn’t help taking a deep breath, finally came in, and then slowly opened his eyes, suddenly stunned!

Such a beautiful place!

I can see that on the blue sky above my head, there are auspicious clouds floating in the sky, green mountains and green waters in the distance, not only that, but the air also contains an extremely full of spiritual energy.

I go, is this too illusory?

At this moment, Yue Feng was fascinated by the whole person. He only felt that the imaginary environment in front of him was almost the same size as the Mitian Spiritual Realm that Zi Yan took him to before.

Unexpectedly, there is such a cave in the Qiankun gourd.

It’s only so big, where is Lu Dongbin cultivating?

At this time, Yue Feng didn’t know that Lu Dongbin didn’t take the initiative to come in to cultivate, but was locked in the illusory realm by Xie Liuyun.

Look for it.

Muttering in his heart, Yue Feng slowly walked forward.

Chapter 2939 I

don’t know how long it took, Yue Feng came to a big clear lake, and saw that the lake was crystal clear, Bi Bo Linlin, the breeze blowing was intoxicating.

Next to the lake is a quiet valley.

On the grass next to the valley, Yue Feng saw a lot of exotic flowers and plants, and these plants were rare in Kyushu.

Nima, so many rare herbs, it’s such a good place to be in an unreal world.

Wow, wow…

Just when Yue Feng was sighing, he heard the sound of water coming from the water not far away, because he couldn’t see clearly through the water plants.

Wouldn’t it be Chief Lu Dao?

Yue Feng was shocked and walked over quickly, but when he got to the front, the whole person was stunned.

I saw that there was a slender figure bathing in the clear lake water.

The woman was in her mid-twenties, with a delicate face, as beautiful as a fairy, and her body curves were even more exquisite. At this time, she was immersed in the lake water, wearing only one obscene garment. The slender waist and charming curves were seen by Yue Feng.

Moreover, Yue Feng clearly saw that there was a light blue water drop mark between the woman’s eyebrows, which was full of aura!

What the hell!

This is too illusory, isn’t it a place for Taoist cultivation? How can there be a woman?

Is this a fairy?

In shock, Yue Feng watched without blinking, and couldn’t help swallowing.

“You…”

At this moment, the beautiful woman in the lake also saw Yue Feng, her body trembled, and then panicked ashore, quickly picked up her clothes, and blocked herself.

“You, who are you?” The woman looked at Yue Feng in shock and anger, and couldn’t help asking.

“I’m sorry!” Yue Feng was very embarrassed, and quickly explained: “I didn’t mean it, I thought it was Daochang Lu who was here.”

When he said this, Yue Feng was very nervous, because he felt that the woman in front of him was very powerful. Unpredictable, if you move your hand, I am afraid that I am not an opponent.

“Master Lu?”

Hearing this, the woman frowned slightly, revealing a hint of doubt: “Are you a friend?”

Yue Feng hurriedly said: “It’s Lu Dongbin, the first-generation master of Taoism, girl, do you know where he is? “

Nima, this place is too big, I can only find it by myself, I don’t know when to find it, just ask the beautiful woman in front of me, and at the same time, it can also relieve the embarrassment.

“Lu Dongbin…” The woman recited it lightly, then shook her head and said, “I don’t know, I don’t know, I haven’t seen it before!”

What?

Yue Feng was stunned for a while, not knowing whether to laugh or cry, right? Lu Dongbin is a legendary figure in the Taoist sect and is famous all over the world, but the girl in front of him has never heard of it?

In desperation, Yue Feng couldn’t help but ask: “Dare to ask the girl’s name. You also came here to practice?”

“I…my name is Miaoying.” The woman shook her head and said softly, “Since I can remember, I have It’s here.”

I’m going, did this grow up here?

At this moment, Yue Feng was stunned: “What about your family?”

“I have no family!”

“This…”

After asking a few questions, Yue Feng was completely stunned.

No family? What’s the matter with Miao Ying?

At this time, Yue Feng didn't know that Miao Ying in front of her was not a human being, but a fairy, born from the spiritual energy in the illusory realm.

"You…"

Just when Yue Feng frowned, Miao Ying put on her clothes and said softly, "I haven't seen the Lu Dongbin you mentioned, but I have seen other cultivators.

" Mei's face was full of innocence, and she continued: "I once heard those cultivators say that only between husband and wife can the other person see their own body. If you looked at me just now, then you are my man, right? ?"

Chapter 2940

As a fairy, Miao Ying has never been to the human world, her mind is pure, and she is very kind. The Great Illusory Realm has existed for thousands of years. During these thousands of years, many cultivators have come in. Miao Ying has seen a few and learned some human conditions from the mouths of these cultivators.

Ah?

At this moment, Yue Feng was completely blinded, staring at Miao Ying blankly, only to feel his brain buzzing.

I just accidentally glanced at you and became your man?

This is too sloppy!

call!

After a few seconds, Yue Feng reacted, and said in disbelief: "That…Miss Miaoying, I was really unintentional just now, please don't mind."

"That…we just met, we need to I'm afraid it's not suitable to develop into a husband and wife!"

Yue Feng was very embarrassed when he said this.

To be honest, Miao Ying in front of her, no matter her appearance, figure, or temperament, is the existence of the best goddess, especially the fairy spirit that pervades her body, I am afraid that the Nine Heavens Saintess will be eclipsed when she comes.

If he becomes her man, it will definitely be a blessing that has been cultivated in several lifetimes.

It’s just… I’m here to find Lu Dongbin, so I don’t have time to talk about the love between these sons and daughters.

More importantly, he and she have just met.

“Don’t you like me?” Miaoying frowned and asked in confusion.

As a fairy, Miao Ying still didn’t know that human men and women must have feelings to be together, but she simply thought that if she was seen by him, they would be together.

“No…” Yue Feng quickly denied it, feeling at a loss: “You are so beautiful, anyone who sees you will like it. It’s just that I’ll be your man as soon as we know each other, which is very inappropriate…”

At this time, Yue Feng , I want to cry, but I don’t know how to explain it.

This Miao Ying is really as simple as a blank sheet of paper.

Hearing this, Miao Ying was very disappointed: “But, you have already looked at me…” As she spoke, her eyes were red, and she almost burst into tears.

This…

Seeing this scene, Yue Feng suddenly panicked, and quickly persuaded: “Don’t be sad, I promise to be your man, okay?”

Hmm!

Seeing Yue Feng’s agreement, Miao Ying was very happy: “After that, you will be here with me!”

Miao Ying was simple-minded and didn’t know what it meant to be a husband and wife, but she was very happy to be accompanied by someone. Know that she has spent a long time here and is very lonely.

Holy crap, how does this work?

Yue Feng was stunned for a moment, and instinctively wanted to refuse, but when the words came to his lips, he still held back.

Yingying and the Great Sage, they are still waiting to bring Lu Dongbin back to save them, how can they stay here?

The next second, Yue Feng smiled and said, “I can’t stay here, but I can take you out of here.”

“I…” Miao Ying’s eyes flickered and she shook her head: “I can’t leave here.” She herself It is the spiritual energy of the illusory realm, bred, and life and the illusory realm are closely linked.

What?

Yue Feng was stunned for a moment, what does it mean to not be able to leave here?

But then, Yue Feng didn’t think too much, and smiled: “You are familiar with this place, how about helping me find Daochang Lu?” After speaking, he explained Lu Dongbin’s appearance in detail.

Yue Feng thought about it, no matter what, he will find Lu Dongbin first.

“Okay!”

Miao Ying’s heart is kind, and she is very simple, and she readily agrees: “Let’s look for it separately, and we will meet here before it gets dark!”

Miao Ying smiled and said goodbye to Yue Feng temporarily, with a graceful figure. Fly up and look into the distance.

At the same time, Yue Feng also urged the figure to look in another direction.

call!

I have to say that this illusory realm is too big. Yue Feng flew for several hours without reaching the border. At the same time, he did not forget to look for Lu Dongbin.

The ultimate husband in Chinese chapter 2941-2950

Chapter 2941

However, it was getting dark and there was no clue of Lu Dongbin.

Seeing that it was getting late, Yue Feng was about to return to the shore of the lake to join Miao Ying.

Um?

However, at this moment, Yue Feng was shocked, and he felt that a dangerous breath suddenly came from behind!

Yue Feng looked back subconsciously, and suddenly heaved a sigh of relief, seeing that Miao Ying was flying quickly.

However, he changed his clothes. During the day, it was a light blue long skirt, but at this time, it was a red tight fitting, which showed the graceful curves vividly.

“Wife. Have you found Daochang Lu?” Yue Feng greeted with a smile before he could get close.

Um?

As soon as the words fell, Yue Feng suddenly felt that something was wrong.

Miao Ying, who I saw during the day, was filled with immortal energy, gentle and kind, but this one in front of her eyes was filled with a hostile aura.

Not only that, the mark between the eyebrows also turned into a flame shape.

what happened? Isn’t this Miao Ying?

But apart from the different temperament, such a figure is simply a model!

At this time, Yue Feng still didn’t know that the beauty in front of her was called Yanhong. Like Miaoying, she was also born from the illusory realm. One positive and one evil represented good and evil. Miaoying was good and Yanhong was evil. .

“You call me my wife?”

At this time, Yan Hong came to the front, stared at Yue Feng, and said coldly: “You are not too brave, you dare to speak rudely to me, go to hell!” The

voice fell, and Yan Hong raised her jade hand. , a terrifying force erupted, and then, a palm shot towards Yue Feng!

hum!

Wherever this palm passed, the world changed color, and the surrounding air was distorted.

I go!

This strength… is terrifying!

Feeling Yanhong's powerful aura and the speed of the lightning fast, Yue Feng was startled. Yue Feng did not dare to be careless, and urged all his internal forces to resist!

Bang!

The two palms collided in mid-air, Yue Feng only felt an overwhelming force coming, he groaned, and took a dozen steps back, the blood in his body was churning, but he still resisted abruptly.

Nima!

The strength of this woman is simply too terrifying, and she forced all her internal strength to barely block this palm!

At this moment, Yue Feng took a deep breath and stared at Yan Hong, his heart was shocked.

And Yanhong was suspended there, her beautiful face was full of suffocating energy, and at the same time, there was a hint of surprise in her eyes.

"With a bit of strength, it can actually block my palm." Yan Hong looked up and down at Yue Feng and said coldly!

"Beauty!" Yue Feng was sweating profusely, and quickly said, "Are you Miao Ying's sister? I'm Miao Ying's man, I just recognized the wrong person, it was a misunderstanding, please calm down!"

Yue Feng is not a fool , I can see it at this time, the one in front of me, who looks exactly like Miao Ying, must be twin sisters.

"You are Miao Ying's man? Then I can't spare you!" Yan Hong's eyes flashed coldly, and she said coldly.

hum!

As soon as the words fell, a powerful force surged around Yanhong's body, and her eyes locked on Yue Feng.

Born out of the same fantasy realm, Yanhong and Miaoying are both good and evil. They are completely incompatible. For thousands of years, Yanhong has been trying to get rid of Miaoying. The man, how can you let go so easily? !

What the hell!

Feeling the powerful aura pervading Yanhong, Yue Feng's forehead was in a cold sweat, and he almost wanted to cry without tears!

What's the situation, why did the other party hate him even more after revealing his identity?

Chapter 2942

Whoosh!

Just when Yue Feng was speechless, Yan Hong didn't flash her delicate body, she raised her jade hand and called towards Yue Feng again.

This palm was obviously much more terrifying than before, and I saw that wherever Yan Hong's delicate body passed, the air was torn apart.

Click!

Seeing this scene, Yue Feng didn't have time to think about it, he raised his hand and waved, summoning Fang Tianhua halberd to block in front of him. Just after the fight, Yue Feng knew very well that the strength of Yanhong in front of him was much stronger than he imagined, and a head-to-head match was definitely not an opponent, he could only use the sharpness of Fang Tianhuaji.

boom!

The next second, the palm force slapped the Fang Tianhua halberd fiercely, and Yue Feng snorted, and the whole person flew out, flying over a hundred meters. blood.

Nima!

Yue Feng was shocked, and at the same time his anger was completely aroused.

This woman is sick. She has no enmity or enmity with her, and she has to kill herself.

Seeing Yue Feng's angry look, Yan Hong's beautiful face showed a contemptuous smile: "What? I'm not convinced, but I still want to resist! Still reluctant to bear Miao Ying?!"

"Don't worry, I won't kill me right away. After you, I will crippling you, and then invite Miaoying to come over, when the time comes, we will send you to die together!" The

voice fell, Yan Hong's delicate body flashed, and she came directly towards Yue Feng.

Yue Feng was so frightened that he couldn't help roaring: "Want my life? I'm afraid you haven't had the chance yet!"

Yue Feng's eyes were extremely blood red when he shouted this.

I searched for a few hours just now, but I couldn't see Lu Dongbin's whereabouts. Yue Feng was already irritable. At this time, when he heard that Yanhong wanted to mutilate himself, he couldn't bear it any longer.

No matter what your identity is, since you have to provoke me, don't blame me for being rude.

Thinking to himself, Yue Feng raised his hands abruptly and met

Yanhong

who was approaching quickly.

"Kill!" A

loud roar of dragons came, and nine golden dragons, with unparalleled power, swept toward Yanhong!

Nine Dragons Ascension is the first skill that Yue Feng learned as a cultivator. Now that more than ten years have passed, his understanding of this skill has reached a state of perfection.

I saw nine golden dragons roaring out, and the air within a thousand meters around them quickly distorted.

But seeing this scene, Yan Hong was not panic at all.

"There are still a lot of tricks!" Yan Hong said contemptuously, "But it doesn't change anything!"

As she finished speaking, she saw Yan Hong's jade hands intertwined, condensing a ball of red light in front of her.

hum!

In the next second, Yanhong raised his hand and waved abruptly, a blood-colored light burst out from the ball of light, like a shooting star, to meet the nine golden dragons!

boom! boom! Boom….

The light and the golden dragon collided, and an earth-shattering roar broke out. The nine golden dragons were instantly defeated, shattered into an afterimage, and dissipated between heaven and earth!

What?

Yue Feng's face changed, and his heart was full of anger.

What kind of identity is this woman, and her strength is too strong, right? The nine golden dragons that she burst out were already very powerful, but she was so easily eliminated by her.

"Boy…"

Yan Hong smiled contemptuously and said to Yue Feng, "How about it? Now that you admit defeat, you can suffer less!"

"You underestimate me!" Yue Feng took a deep breath, The cold face was full of determination: "I, Yue Feng, never know what surrender is!"

"Since you are so confident, come and try this."

The moment the words fell, a white flame jumped from Yue Feng's palm and shot He came out, and he was in front of Yanhong in an instant!

It is Bai Lian Leng Huo.

Chapter 2943 At

the moment when Bailian Lenghuo was summoned, Yue Feng's shocked and angry face showed a bit of confidence. Bailian Lenghuo was the number one fire in the world. Although the female Yanhong in front of him was powerful, she couldn't fight Bailian with her bare hands. Fight against the cold!

Um? Weird flames!

Seeing Bai Lian's cold fire, Yan Hong frowned, she was very surprised. At the same time, block the red light ball in front of you.

Chi Chi….

In the next second, I saw the cold white lotus fire hitting the ball of light. It did not cause burning, but was rapidly fused by the power of the light ball. After just a few seconds, the cold fire of white lotus was completely destroyed. into the ball of light.

This… how can this be?

Yue Feng paled in shock, only to feel his brain buzzing, and his whole body was stunned.

Bai Lian Leng Huo was useless to her?

Yue Feng didn't know that Yanhong was bred out of the illusory realm, a spiritual body that contained the essence of heaven and earth, and the cold fire of the white lotus naturally could not cause any harm to her.

"Is this enough strength?"

At this time, Yan Hong lost her patience and finished speaking coldly, and her delicate body reached Yue Feng in a blink of an eye, and her jade hand raised her palm to hit.

Yue Feng was still in shock, unable to react at all. The whole person was shocked and flew out, and he sprayed a few mouthfuls of blood in the air, and finally fell heavily to the ground.

puff!

At this moment, Yue Feng struggled to stand up, but another mouthful of blood spurted out.

Yue Feng clearly felt that his heart was severely damaged, and he couldn't exert any strength.

"Boy!"

Yan Hong slowly landed, her eyes were fixed on Yue Feng, her beautiful face was full of gloom and arrogance: "Accept the truth, you are not my opponent at all…"

While speaking, Yan Honglian Moving lightly, he slowly walked towards Yue Feng.

The strong breath is overwhelming.

Gudong!

Yue Feng was even more frightened and angry, and at the same time he secretly swallowed his saliva, wanting to cry without tears!

It's over, this woman is injured, let alone find Lu Dongbin, I'm afraid she will die here.

"Stop!"

However, at this critical moment, I heard a coquettish shout, followed by a charming figure, who was astonished, rushed over quickly, and blocked in front of Yue Feng.

The beautiful face is full of tension!

It was Miao Ying.

"Yanhong, you can't hurt him!" Miaoying stared at Yanhong tightly, her voice was soft, but she couldn't doubt: "With me here, don't try to do evil again."

Like Yue Feng, Miaoying searched for a long time, He didn't find Lu Dongbin, so he went to the lake, but he didn't see Yue Feng, so he searched all the way, only to see Yanhong and Yue Feng fighting.

call!

Seeing Miao Ying arriving, Yue Feng couldn't help but heave a sigh of relief.

Nima, thought he was dead.

At the same time, Yue Feng couldn't help looking at Miao Ying and Yan Hong, and saw that their appearance and body were exactly the same.

"Are you all right!?" At this moment, Miao Ying tilted her head and asked Yue Feng, her beautiful face showing concern.

Yue Feng shook his head and said with a smile, "It's okay, I can't die!"

"Tsk tsk!"

Seeing this scene, Yan Hong chuckled and couldn't help mocking: "I really love you, Miao Ying, you're actually with a cunning mortal, I'm really ashamed of you!"

Miao Ying Pretty blushed, and then said lightly: "I don't need you to care about my business, and you can't control it either!"

Miao Ying gently supported Yue Feng.

“Of course I won’t mind your business.” Yan Hong said coldly, “However, I’d be happy to send the two of you to death!”

Chapter 2944

“I…” Miao Ying bit her lip tightly, shook her head and said, “I won’t fight you now!”

When she said this, Miao Ying couldn’t help but glance at Yue Feng with tenderness in her eyes.

Miao Ying and Yan Hong are good and evil, each meeting must be a battle, but at this time, Miao Ying did not want to do anything, just wanted to leave with Yue Feng.

You know, Miao Ying has been here for thousands of years, extremely lonely, and suddenly she has a partner, how can she bear to hurt him?

In Miao Ying’s heart, the most important thing at this time is to help Yue Feng heal her wounds.

“Haha!”

Hearing these words, Yan Hong’s face was full of contempt: “Don’t fight? Do you think you still have a choice?” As the words

fell, a powerful aura erupted from Yan Hong’s body, heading straight for Miaoying. Come.

Seeing this situation, Miaoying frowned, and then she said softly to Yue Feng: “You rest first!” After

saying that, Miaoying flew up, flying into the air, and fighting with Yanhong.

Huh..

Seeing this scene, Yue Feng was shocked and feasted!

At this time, Miao Ying and Yan Hong were fighting in mid-air, and their perfect body was revealed. Yue Feng’s eyes were straight, and he almost forgot the heavy wounds on his body.

Miaoying and Yanhong were evenly matched in their abilities, but at this time, Miaoying was worried about Yue Feng’s injury and was a little distracted.

In this situation, Miao Ying was suppressed by Yan Hong.

But even so, Yanhong couldn’t defeat Miaoying quickly.

In the blink of an eye, half an hour passed, Yanhong couldn't find Miaoying's weakness, and she was a little anxious.

Swish!

In the next second, Yanhong saw Yue Feng below, and suddenly had an idea. When she raised her jade hand, she saw a sharp blade with condensed internal strength, roaring out, coming straight towards Yue Feng.

Yan Hong thought about it, if she killed Yue Feng first, Miao Ying would definitely be in chaos, and then she would have a chance to defeat her.

What the hell!

Yue Feng was taken aback and wanted to dodge, but Yan Hong was surprised, plus she was injured, she couldn't dodge at all.

"Be careful!"

Miao Ying's body trembled, and she couldn't help but let out a coquettish cry. At the same time, she wanted to rush over, but she was still a step too late.

Seeing that sharp blade, he was about to stab Yue Feng.

"Bang!"

At this critical moment, Yue Feng suddenly felt a force coming from behind, and then, that force condensed a protective film in front of him, directly blocking the sharp blade.

When the raid failed, Yanhong was very angry, and shouted tenderly, "Who is it? Dare to meddle in your own business!"

At the same time, Yanhong looked behind Yue Feng, and saw an old man coming slowly, immortal style. , it is Lu Dongbin.

"Master Lu?!"

Yue Feng was surprised and happy when he saw Lu Dongbin.

Lu Dongbin was also very surprised: "Sect Master Yue, why are you?"

After being locked in the illusory realm by Xie Liuyun, Lu Dongbin found a place to retreat, looking for a way to leave. Just now, sensing the movement here, he came over curiously. Look, I didn't expect to meet Yue Feng.

"Stinky Taoist priest, mind your own business, and seek death!"

At this moment, Yan Hong was very angry, shouted coquettishly, and charged directly at Lu Dongbin.

call!

Seeing Yanhong coming, Lu Dongbin took a deep breath, his face full of solemnity.

As a Daoist master, Lu Dongbin could see at a glance that the Yanhong in front of him was an immortal spirit bred in the illusory realm, with powerful strength. I am afraid that I will go all out, and I will not be an opponent.

Just when Lu Dongbin was secretly anxious, he saw Miao Ying's delicate body flashing and stopped Yan Hong directly. After that, the two sides continued to fight in mid-air.

"It's dangerous!"

Lu Dongbin said happily, then grabbed Yue Feng and quickly flew into the distance.

"Ugh!?"

Chapter 2945

At this moment, Yue Feng was in a hurry and couldn't help shouting: "Let's just leave like this? Won't you help?"

This Miaoying is pure and kind, how could she bear to leave her alone?

"You're crazy!" Lu Dongbin was speechless and smiled bitterly: "Two fairy spirits are fighting, why are you joining in the fun?" As he

spoke, Lu Dongbin didn't mean to stop at all, but instead accelerated.

Fairy?

Hearing this, Yue Feng was stunned.

Half an hour later, Lu Dongbin and Yue Feng came to a hidden cave.

"Sect Master Yue!" At

the moment of landing, Lu Dongbin looked curious and couldn't help saying: "How did you come in?" The

illusory realm is in the Qiankun Gourd, and the Qiankun Gourd is the treasure of the Holy Sect. Hard to see, let alone come in.

call!

Yue Feng breathed a sigh of relief and smiled bitterly: “This is a long story!” In the next few minutes, Yue Feng explained the situation in detail.

It turned out to be so.

Knowing the situation, Lu Dongbin nodded silently, and then said: “I do have a way to restore the inner strength of the people of the Ouyang family, but… this is too illusory, it is easy to get in, but difficult to get out, because this is an independent space, Unless your strength reaches the ability to change this space, you will never be able to get out!”

What?

Yue Feng’s eyes widened and he was stunned.

Afterwards, Yue Feng tried his best to calm himself down, looked at Lu Dongbin and said, “Is there nothing you can do, Daoist Lu?”

“If I had it, would I still be here?” Lu Dongbin’s face was full of bitterness.

Done!

At this moment, Yue Feng sat down on the ground, wanting to cry without tears.

I thought that if I found Lu Dongbin, I would be able to leave the illusory realm and help Yingying and the Great Sage regain their strength, but I never thought that Lu Dongbin would also be trapped here.

correct!

After a few minutes of silence, Yue Feng suddenly thought of something: “Master, you said that Miao Ying and Miao Ying are both fairies? What are fairies?”

Lu Dongbin stroked his beard and said slowly, “Fairy spirits are not human beings. , but born between heaven and earth, the two women just now are fairy spirits in the illusory realm, one is good and the other is evil, there will be a fight when they meet, and the fight between them is not something we can intervene.”

This… Hearing this ,

Yue Feng was startled, but he couldn’t calm down for a long time. Also a little surprised.

It turned out to be like this, no wonder Miao Ying was so innocent, like a blank piece of paper, and the strength of that Yan Hong was also so terrifying.

“Okay!”

At this time, Lu Dongbin patted Yue Feng’s shoulder: “It’s safe here for the time being, I’m going to meditate and get enlightenment, and you’ll be recovering well!” After speaking, he went to the depths of the cave.

Yue Feng nodded, sat cross-legged, and began to heal his injuries.

Ma De, that Yanhong is too ruthless, fortunately she has the cultivation technique of Guigu senior, otherwise, she would have died long ago.

Before he knew it, a few hours later, Yue Feng’s injuries had almost recovered.

call!

At this moment, Yue Feng took a deep breath, opened his eyes and was about to stand up, when suddenly he heard the sound of light footsteps coming from outside the cave.

Yue Feng suddenly became alert.

Nima, isn’t that Yanhong looking for it!

As a result, the moment the door was opened, Yue Feng was stunned. I saw a charming figure slowly coming, and there was a trace of worry on the beautiful face.

It was Miao Ying.

“How are you?”

Miaoying was very happy when she saw Yue Feng, she came over and took Yue Feng’s arm: “I was worried about you just now, I searched a lot, and finally found you!”

Yes, Yue Feng was quilted After Lu Dongbin took them away, Miaoying and Yanhong fought fiercely for a long time, but the result was the same as before.

But Miao Ying was thinking about Yue Feng, so she searched everywhere, and finally found this cave.

The ultimate husband in Chinese chapter 2946-2950

Chapter 2946

Yue Feng was very moved by Miao Ying’s concern and smiled, “I’m fine, I’ve made you worry!”

At this time, Lu Dongbin, who was in the cave, heard the movement and came out.

Swish!

Seeing Miao Ying approaching, Lu Dongbin's expression changed, thinking that Yue Feng had provoked a fairy.

But seeing that the two were so close, Lu Dongbin was completely stunned.

Soon, Lu Dongbin reacted and couldn't help but say, "You….know?"

Yue Feng opened his mouth and was about to speak, but Miao Ying took the lead.

"Of course I know him, he's my man!" Miao Ying said with a smile, holding Yue Feng's arm with an innocent look on her face.

What?

Lu Dongbin was shocked, and he was stunned.

Yue Feng is her man?

Yue Feng's face was embarrassed, but he didn't know how to explain it. Although Miao Ying was a fairy, seeing her bathing matters by herself was related to her reputation. How could she say it?

"Hehe!"

Finally, Lu Dongbin reacted, hehe smiled: "Sect Master Yue is indeed a hero of the Kyushu, even the spirits are so fond of you, it is gratifying."

After speaking, Lu Dongbin seemed to think of something, and his eyes lit up. Miao Ying, however, shook her head secretly.

This chapter is provided by . Visit for daily update.

Yue Feng couldn't help but ask, "What's wrong?"

"I suddenly thought of a way to get out of here." Lu Dongbin pondered for a while, and said slowly, "The two fairy spirits are too illusory. The environment was conceived, and they joined forces to change the space."

Speaking of this, Lu Dongbin's expression darkened: "This Miaoying has a good heart and is definitely willing to help us, but the other one, she is evil by nature, it would be good if she didn't trouble us."

This…

Hearing this, Yue Feng also frowned, secretly anxious.

Soon, Yue Feng thought of something and asked Lu Dongbin, “Master, do you have any way to deal with that Yanhong!?”

Lu Dongbin smiled wryly and shook his head: “The immortal spirit is powerful, even if you and I join forces, it may not be the case. She is the only opponent who can match her.”

After finishing the last sentence, Lu Dongbin pointed at Miaoying.

Yue Feng was stunned, very helpless.

Miao Ying can rival Yan Hong, but the two sides have been fighting here for thousands of years, and there has been no winner.

Got it!

In a hurry, Yue Feng looked at the environment around the cave and suddenly had an idea, then walked over and started placing stones.

Yes, Yue Feng is going to make a formation.

“Sect Master Yue, what are you doing?”

“Why are you moving stones?”

At this moment, both Lu Dongbin and Miao Ying asked curiously.

Yue Feng smiled and said, “Set up the formation to trap that Yanhong and force her to submit.”

This…

Lu Dongbin couldn’t help laughing: “How can a mere formation trap her?” If it were so easy, he would It won’t hide and shut up.

Yue Feng smiled slightly: “It’s not possible to rely on the formation alone, but what if Miaoying’s power is blessed in the formation?”

When he said this, Yue Feng had a confident expression on his face, but he was a little nervous in his heart. The blessing of external forces in the formation was thought up by Yue Feng himself. There was no record in the Baiqi formation, and no one had done it in Kyushu for thousands of years.

Although Yue Feng's formation skills have reached a pinnacle, but for the first time trying something that his predecessors have not done, he is not too sure.

But Yue Feng had no other way. In this illusory realm, only Miao Ying could fight against Yan Hong. Miao Ying's strength was within the formation, and she would definitely be able to suppress Yan Hong.

"This may work, but it's too risky…" Lu Dongbin frowned and said.

Before he finished speaking, Yue Feng interrupted with a smile: "Master Lu, there are some things that you have to try before you know."

After saying that, Yue Feng set up the stone formation and waved at Miao Ying: "Come on, I will send you to me. The power is injected into the eyes of the formation."

Chapter 2947

Hmm!

Miao Ying's mind was simple and she agreed without thinking.

Soon, everything was ready, and Yue Feng was a little worried: "Next, I will try to attract Yanhong. But that woman's strength is too terrifying."

As soon as she finished speaking, Miao Ying quickly answered: "I'll go!"

Three Among the people, only he could fight Yan Hong and lead her to the formation, so he naturally did it himself.

Whoosh!

Just as he was talking, he saw a charming figure in the distance, flying quickly.

It is Yanhong!

Whoa!

At this moment, both Yue Feng, Lu Dongbin and Miaoying were all taken aback.

Yue Feng frowned even more.

Just thinking about how to find her, she actually delivered her to the door, but the key is that she hasn't made a plan yet. How to do this?

To be honest, with Miaoying by his side, Yue Feng was not worried at all, but when she fought with Yanhong and destroyed the formation, her efforts just now were in vain.

“It’s all there, just right!”

At this time, Yan Hong slowly walked over, looked at Miao Ying and sneered: “Miao Ying, we both know the realm of illusion very well, no matter where you hide, you can’t escape. My palm.”

“So, I advise you not to hide with him, have a good fight with me, and decide the winner!”

Hearing this, Miaoying frowned and was about to agree. , but was stopped by Yue Feng.

In the next second, Yue Feng took a step forward, looked at Yan Hong and said, “Since you have to decide the winner, I will compare with you for Miaoying!”

What?

Hearing Yue Feng’s words, both Miaoying and Lu Dongbin were taken aback!

What?

When the words fell, both Miaoying and Lu Dongbin were taken aback.

In particular, Lu Dongbin was so anxious.

Yue Feng was too impulsive, how could he bet with Yanhong? You must know that the formation has blessed Miao Ying’s power, but no one has ever done it for thousands of years.

Miao Ying, who was next to her, was also worried: “It’s better for me to compare with her.”

Feeling their anxiety, Yue Feng smiled slightly, indicating that there was no need to worry.

Even if Yanhong couldn’t be trapped later, there was still Miaoying. With her here, he wouldn’t be in danger.

“You?”

At this moment, Yanhong looked up and down at Yue Feng, unable to hide her contempt: “It’s just that I’m a defeated general, and I can’t even handle my three moves. You are not qualified to compete with me!”

Uh… Yue Feng was very embarrassed ,

but he still had the courage to say: “I am definitely not your opponent, but Miaoying is my woman, and I must stand up for him.”

After saying that, Yue Feng looked at Yanhong with bright eyes . : “Do you dare to make a bet with me!”

Bet?

Yan Hong frowned and sneered, “I don’t see how courageous you are, well, tell me, what bet?”

Yue Feng smiled slightly, ignited a branch and planted it on the ground, then walked to the set up Inside the formation, he said loudly: “It’s very simple, if you can catch me before this branch burns out, even if I lose, if I lose, it’s at your disposal.”

“But if I win, you will Be my servant.”

When the words fell, Yan Hong’s pretty face changed and she was very angry.

“Boy!” In the

next second, Yanhong locked on Yue Feng tightly, and said coldly, “You are courting death yourself, don’t blame me for being ruthless!” The

voice fell, Yanhong’s delicate body flashed, and she flew in!

Chapter 2948

Although Yanhong has a brutal character, she is a fairy with a simple mind after all.

In her heart, the Yue Feng in front of her was just a mortal person, and she was also a defeated general under her own. At this time, provoking herself was completely courting death.

Even if Miao Ying was watching, but with her own strength, it was completely easy to kill Yue Feng.

Haha…

Seeing Yanhong rushing in directly, Yue Feng showed a smile and was very excited.

It’s so easy to be fooled, this Yanhong is really simple.

Lu Dongbin, who was standing outside, was secretly worried. The formation deployed by Yue Feng was absolutely fine, but it was still unknown whether it could trap Yan Hong.

“Kid, die!”

The moment he rushed into the formation, Yan Hong didn’t hesitate at all.

Yue Feng smiled slightly, and immediately stepped back, narrowly avoiding the palm, while silently reciting the formula, stepping on the position under his feet, and distanced himself from Yanhong.

At this time, Yue Feng seemed to be calm, but his heart was also panicked.

Nima, the strength of this Yanhong is really terrifying. If there is no formation, I am afraid that this palm will seriously injure myself.

Um?

Seeing Yue Feng avoid her palm, Yan Hong frowned, very surprised.

It was impossible to avoid it. With his strength, how could it be possible to avoid his own palm?

Soon, Yan Hong realized that it was Yue Feng’s luck, so he attacked again.

However, after a few minutes, Yanhong realized that something was wrong. Yue Feng was clearly in front of him, but he accelerated his speed, but he couldn’t catch up with him.

Not only that, Yan Hong noticed that the surrounding stones were very strange, no matter how she moved, they would block in front of her.

Is it the problem with these stones?

As a fairy, Yanhong didn’t know that there was a formation technique in the world, but she was also aroused by anger.

“You want to block me with these stones?” A cold voice came from Yan Hong’s mouth.

The voice fell, and a powerful aura erupted from Yanhong’s body, and then the jade hand slammed the stone in front of her.

Yanhong has thought about it, no matter how strange the stones in front of you are, they will be destroyed directly. I will see how your kid hides.

call!

Seeing this scene, Lu Dongbin and Miao Ying, who were standing outside watching the battle, both sweated for Yue Feng.

You must know that Yue Fengneng and Yanhong rely entirely on the mystery of the formation. If the formation is forcibly destroyed by Yanhong, he will have no support, and the result will be a dead end.

What the hell!

Yue Feng was also taken aback, but he was already prepared, and his figure flashed to the front of the array, activating the power inside, and Miao Ying's power was injected into the array. And that power is the key.

boom!

When the palm force hit the stone, the stone was motionless. Yanhong's palm force and Miaoying's strength contained in the stone directly canceled each other out.

How could this be?

Yan Hong's delicate body was shocked, and she was stunned.

Haha…

Yue Feng is not excited. He just tried it and injected the external force into the formation, but he didn't expect it to be possible.

At the same time, Lu Dongbin was also extremely excited.

"Boy looking for death!"

Seeing Yue Feng's proud face, Yan Hong turned into anger from shame, shouted coquettishly, and charged towards Yue Feng again.

However, ten minutes passed in the blink of an eye, and Yanhong moved her figure almost as fast as lightning, but she still couldn't catch Yue Feng!

call!

Chapter 2949

Seeing this scene, Miao Ying, who was standing outside, was very excited. Looking at Yue Feng's eyes, the same light flashed.

He really did it!

You must know that they are both immortals. For nearly a thousand years, Miaoying and Yanhong have had a fierce battle when they met, but between them, no one could

do anything to the other. At this time, Miao Ying saw that although Yue Feng was a mortal, he relied on the subtlety of the formation to trap Yan Hong in it.

Finally, the branches on the ground were burned.

call!

Yue Feng took a deep breath, stood on the foot cloth, and smiled at Yan Hong: “The time is up, you lost!”

Yan Hong’s beautiful face was full of shock and anger, but looking at the burned branches, there was nothing left. Yan refuted, with a pair of eyes staring at Yue Feng, unable to speak.

At this time, Yanhong felt unwilling and angry!

The boy in front of him, who is obviously not his opponent, has made fun of himself by leaning on a pile of rocks, which is a shame.

“Yanhong!”

At this moment, Yue Feng showed a smile and said slowly to Yanhong: “Since you have made a bet, you have to talk about it. You won’t deny it, right?” After speaking

, Yue Feng slowly walked out of the formation. , walked in front of Yanhong: “I am willing to admit defeat, from today onwards, you are my servant!”

Shuh!

Hearing this, Yan Hong’s beautiful face was instantly bloodless!

As a fairy, Yan Hong is not only cruel, but also very arrogant. Being a servant to a mortal is more uncomfortable than killing her.

Seeing Yanhong’s gloomy and terrifying face, Miaoying quickly came out and said, “Yanhong, I am willing to admit defeat, but if you don’t want to, we won’t force it. However, you are not allowed to trouble him again in the future.”

Seriously , Miao Ying didn’t want to interrupt, but she was afraid that she would hurt Yue Feng.

This…

Yue Feng was in a hurry all of a sudden, and blinked at Miao Ying secretly, telling her to speak less.

You must know that in order to trap Yan Hong, you have taken a lot of risk. If this is not the case, your previous efforts will be in vain.

Yue Feng knew that Miao Ying did this because she was afraid that Yan Hong would become angry and hurt herself, but then again, she couldn't leave the illusory realm, no matter how good her life was, it was meaningless.

Thinking to himself, Yue Feng kept an eye on Yanhong's expression changes.

call!

At this time, Yan Hong took a deep breath, gave Miao Ying a cold look, and said coldly, "You take me as a villain who goes back on his word? You underestimate me!" After

speaking, Yan Hong said to Yue Feng: " Alright, I'll be your servant."

When she said this, Yan Hong bit her lip tightly, her heart was extremely ashamed and angry, her beautiful face couldn't hide her arrogance, she was very dissatisfied.

To be honest, what Yan Hong wanted to refuse, it was impossible for her to bow her head to a mortal, but Miao Ying's words deeply stimulated her.

For thousands of years, Yanhong has regarded Miaoying as a mortal enemy. If Yue Feng and Lu Dongbin said this, Yanhong would not take it to heart, but when Miaoying said this, Yanhong couldn't take it anymore.

Whoever looks down on herself can never let Miao Ying look down on her.

It could be said that Yanhong bowed her head to Yue Feng entirely because of what Miaoying said.

Ha ha…

Seeing Yanhong let go of his dignity, Yue Feng was very excited and said with a smile, "Since you have become my servant, you will have to listen to me in the future, you know?"

Yan Hong was very dissatisfied, but she had nothing to say. The voice: "I see, Master!"

"Sect Master Yue!"

At this time, Lu Dongbin reacted, unable to hide his excitement: "Sect Master Yue is really a genius, I didn't expect you to succeed, injecting external forces into the formation. Inside, it's a first of its kind."

When he said this, Lu Dongbin's eyes were full of admiration.

As a first-generation master of Taoism, Lu Dongbin can be said to be a master of the past and present, but he has never thought of changing the formations created by his predecessors. After all, this approach is too dangerous, and if it is wrong, he will be trapped by the formations.

But Yue Feng, who was in front of him, really did it. Not only did he do it, but he also forced Yan Hong to surrender.

Chapter 2950

Hearing this, Yue Feng had a humble expression on his face: “Liao Zan, Daochang Lu, I just tried it. I didn’t expect it to be successful, and it’s good luck!”

Huh!

Listening to their conversation, Yan Hong was unusually silent. At the same time, she couldn’t help looking at the stone formation, frowning secretly.

What is so magical about these stones that they can trap themselves.

“Yanhong!”

Just as she was thinking about it, Yue Feng came over and smiled slightly: “Since you have become my servant, don’t go back on it, now I need you to help me with something.”

“What is it? ?” Yan Hong responded indifferently, without the slightest emotion on her beautiful face.

She is arrogant, even if she is willing to admit defeat and become Yue Feng’s servant, she will not be respectful. This is her nature.

call!

Yue Feng took a deep breath and did not answer directly, but turned his head to look at Lu Dongbin.

“It’s very simple!” Lu Dongbin took a step forward, unable to hide his excitement, and said to Yanhong, “Master Yue and I leave here, it’s difficult to send it out with our strength alone, and you and Miaoying are both The spiritual energy here is transformed into illusion, if we join forces, we will succeed!”

When he said this, Lu Dongbin’s eyes were full of urgency.

What?

Hearing this, Yan Hong's extremely beautiful face suddenly changed, frowning and looking at Miao Ying next to her, her eyes were full of resistance.

You and Miao Ying have always been incompatible with each other, and it is absolutely impossible to join forces.

Seeing her expression, Yue Feng couldn't help but say, "As a servant, do you want to disobey my orders?"

Hearing this, Yan Hong bit her lip tightly and resisted, but nodded anyway.

Whoosh!

The voice fell, and Yan Hong's delicate body flashed and flew directly into the sky.

Seeing this scene, Yue Feng showed a smile, and at the same time he felt a little emotional.

This Yanhong is really difficult to control. It seems that more training will be required in the future.

Thinking to himself, Yue Feng smiled at Miaoying and said, "Miaoying, I'm in trouble."

Hmm!

Miao Ying was kind-hearted and understood what Yue Feng meant. After she responded, her figure rose up and merged with Yan Hong in the sky.

hum!

In the next second, Miao Ying and Yan Hong burst out with their own power, and they saw that after the fusion of the two forces, the sky and the earth suddenly changed color, and the entire illusory realm suddenly darkened, like a chaotic world.

Yue Feng saw that the surrounding mountains and lakes also became illusory, like a dream.

As expected of a fairy, this power is too powerful.

Although he was already prepared, Yue Feng was still extremely shocked when he saw the scene in front of him.

call!

Lu Dongbin, who was next to him, was also shocked.

The sky and the earth were getting darker and darker, and then, in the endless chaos overhead, a dazzling light pierced through the sky and the earth, and was projected directly onto the ground not far away.

“Quick!”

Seeing the beam of light, Lu Dongbin hurriedly shouted, and then rushed in first.

Yue Feng didn’t have time to think about it. After that, he knew that this beam of light was the essence of Yanhong and Miaoying’s power, and he could take himself and Lu Dongbin to leave here.

The moment he entered the beam of light, Yue Feng only felt a strange force that completely enveloped him.

….

this moment, the other side!

Nayun Palace, Shangwu Hall.

Shangwu Hall is the place where the Nanyun royal family tests the cultivation of royal disciples. It is a forbidden area for the royal family, and ordinary people are not allowed to enter.

At this time, many people gathered in Shangwu Hall, and the atmosphere was extremely depressing.

The ultimate husband in Chinese chapter 2951-2960

Chapter 2951

saw that Long Qianyu was wearing a long princess dress, sitting on the throne, with a few charming figures sitting on both sides, it was the eight saintess Zi Yan and Huanxiang.

Below, Sun Dasheng, Ren Yingying and others were bound by five flowers.

A day ago, after Long Qianyu caught Sun Dasheng and others, he issued a notice on the rivers and lakes to force Yue Feng to show up, but Yue Feng was not seen for a long time, which made Long Qianyu very annoyed, so he brought everyone along Come to Shangwu Hall for interrogation.

“Sun Dasheng.”

At this time, Long Qianyu’s eyes fell on Sun Dasheng, and he asked coldly: “I ask you, where is Yue Feng?”

“I don’t know!” Sun Dasheng responded angrily.

The next second, Sun Dasheng looked straight at Long Qianyu and continued: “Long Qianyu, you are still the eldest princess of the Southern Cloud Continent, and you have a marriage contract with Fengzi, do you still not know what kind of person he is? “

“You said that he accidentally injured the saint, I believe it, but it is absolutely impossible to sully the saint’s innocence.”

Shah!

Hearing this, Long Qianyu’s delicate face suddenly changed.

At the same time, a royal guard next to him couldn’t help shouting angrily: “I dare to speak to the eldest princess like this!” The voice fell, and he pulled out a soft whip and slapped it hard.

The soft whip is made of cold iron and the tendons of spirit beasts. It is extremely tough and has barbs on it.

“Crack!”

A crisp sound came, and I saw a bloodstain on Sun Dasheng’s back. The blood gushed out, and the clothes were soaked in an instant!

Sun Dasheng gritted his teeth and did not shout, but his eyes were extremely annoyed at Long Qianyu.

This chapter is provided by . Visit for daily update.

This Long Qianyu is simply crazy.

The people around Ren Yingying were also taken aback and wanted to come over to stop them, but their hands and feet were tied and they couldn't move at all.

"Sun Dasheng!"

At this time, Long Qianyu said coldly: "You mean, I blamed Yue Feng? This matter has been confirmed by the two saintess, and they will never wrong him, I know that you and Yue Feng is a brother of life and death. But he killed the saint, and his sin is unforgivable."

"As long as you tell Yue Feng's whereabouts, I promise to let you go."

Sun Dasheng shook his head and gritted his teeth: "Fengzi will never He would do such a thing, and we don't know where he is now."

Yue Feng was in the Qiankun Gourd at this time, and the Qiankun Gourd was in Yue Wuya, Sun Dasheng, Ren Yingying and others were very concerned about this matter. clear.

But Long Qianyu in front of him believed that Yue Feng had killed the saint, how could he possibly tell her!

"You have to cover up Yue Feng, right? Keep hitting me until he says it!" Long Qian's tender body trembled, and he gave a cold and tender cry.

The voice fell, and the guard standing behind Sun Dasheng waved the whip again.

Snapped!

The loud slap sounded, and Sun Dasheng twitched suddenly, gritted his teeth tightly, but did not shout out, but his face was covered in cold sweat!

If it was before, Sun Dasheng didn't take this kind of torture seriously at all, but now that he has no inner strength, like ordinary people, he can't bear it at all.

"Stop hitting…"

"Stop it!"

Ren Yingying and Yue Wuya on the side couldn't help shouting, but Long Qianyu didn't seem to hear it.

The eight saintess Zi Yan and Huanxiang sitting on both sides also looked indifferent.

Yue Feng killed his sister, and these are the people who are closest to Yue Feng and must not be tolerated.

call!

Looking at Sun Dasheng's back, the blood was blurred, Long Qianyu breathed a sigh of relief, and said slowly: "Sun Dasheng, you are also a famous person in the world, why are you obsessed? Yue Feng made a big mistake and must bear the corresponding consequences. Do you want to die for him for nothing?"

"I…"

Sun Dasheng gritted his teeth, his expression still very firm: "I said, Fengzi would not do such a thing, absolutely not…"

Long Qian was so angry that he had to let the guards continue to fight.

hum!

However, at this moment, a beam of light suddenly erupted from Yue Wuya's waist, and in an instant, a strange force filled the entire Shangwu Hall.

Then, as the light disappeared, four figures appeared in front of everyone.

Chapter 2952

Two men and two women.

The two men, one handsome and cold, the other immortal, were Yue Feng and Lu Dongbin.

The two women, on the other hand, looked exactly the same, with delicate facial features, charming curves, and a spirit of fairy spirit permeated their bodies, but they looked very cold and arrogant, while the other was gentle and quiet.

It was Yanhong and Miaoying.

Yes, after Yanhong and Miaoying joined forces, they sent Yue Feng and Lu Dongbin out of the illusory realm, and they also followed.

what's going on?

At this moment, looking at the scene in front of him, Yue Feng was stunned.

what happened?

Yue Feng saw that the main hall in front of him was solemn and solemn. It was the Shangwu Hall of the Nanyun Palace. Not only that, but on the seats on both sides, in addition to the Holy Maiden Ziyan and the Saintess Huanxiang who were chasing him, there were six others. A beautiful woman.

In front of them, Ren Yingying and everyone were bound by five flowers, especially Sun Dasheng, whose back was dripping with blood, obviously passively tortured.

At the same time, the entire Shangwu Hall was silent.

Where did this Yue Feng come from? Moreover, with Lu Dongbin!

“Yue Feng!”

Soon, Long Qianyu was the first to react, standing up at once, pointing at Yue Fengjiao and shouting, “You scum, are you finally willing to show up?”

At the same time, sitting on both sides The eight saintesses of Zi Yan were also furious, glaring at Yue Feng one by one.

call!

Yue Feng took a deep breath, stared at Long Qianyu urgently, and his body trembled: “Long Qianyu, what’s going on? You arrested the Great Sage and the others, why are you still punished by your own family?

” The Yue Feng was puzzled and annoyed at the same time.

Especially seeing Sun Dasheng’s miserable appearance, Yue Feng’s fist couldn’t help clenching tightly.

“Who is your family! Our engagement has been terminated?” Long Qianyu’s delicate face, unable to hide his disgust, said coldly: “You murdered Saint Lady Lanxin, your sins are monstrous, and you deserve to die!

” Falling down, Huanxiang couldn’t help standing up, pointing at Yue Fengjiao and shouting, “Bad thief, today I will rectify you on the spot to avenge Lan Xin!”

Zi Yan and the other saintess all nodded their heads in succession. , very emotional.

Swish!

Yue Feng only felt a pain in his heart, his eyes were blood red, he looked around at Huanxiang, gritted his teeth and said: “Huanxiang saint, right, I said before that Lan Xin was not killed by me, someone framed me. “

The Holy Maiden of Magic Fragrance, there must be something wrong with her brain, the situation at that time was obviously full of doubts, but she didn’t think it was Lan Xin who killed me.

“Being framed?”

Huan Xiang said softly, “Before Lan Xin committed suicide, how can you still be fake?”

This…

Seeing this scene, Lu Dongbin was shocked.

what’s the situation? Long Qianyu and Yue Feng canceled their engagement and said that Yue Feng killed a saint? Muttering in his heart, Lu Dongbin took a step forward and couldn’t help but said to Long Qianyu, “Princess, you and Sect Master Yue are both reputable people. If you have something to say, do

n’t be too stiff!”

I don’t know the specific circumstances, but Lu Dongbin believed in Yue Feng’s character.

“Master Lu!” Long Qianyu’s expression softened a bit, and he said politely: “Yue Feng is despicable and sinister, don’t be deceived by him on the surface, and this matter has nothing to do with you, I hope you don’t interfere!”

If it is someone else, Long Qian Yu would never be so polite, but Lu Dongbin was different. This was a first-generation master of Taoism, and he was respected by the world. No matter what, he had to be polite.

Uh….

Hearing this, Lu Dongbin wanted to speak for Yue Feng, but he didn’t know how to speak.

At this time, Yue Feng was too lazy to talk nonsense, and said to Long Qianyu: “Since you also believe that I killed Saint Lady Lanxin, then I don’t want to say more, in short, this is my own business, you let it go first. Great sage and them. Otherwise, I will be blamed for being rude.”

Chapter 2953

When he said this, Yue Feng's face was determined.

Long Qianyu canceled the marriage contract, which she could accept, but she arrested the Great Sage and the others and sentenced them to punishment. She absolutely couldn't bear it.

Swish!

Hearing this, the entire Shangwu Hall was in an uproar.

This Yue Feng is crazy, dare to talk to the eldest princess like this.

At the same time, Long Qianyu's pretty face flushed with anger, and her delicate body trembled.

The next second, Long Qianyu suddenly stood up, pointed at Yue Fengjiao and shouted, "Do you think you still have the right to negotiate with me? Give it to me.

"

The words fell, and the surrounding royal guards mobilized their inner strength to surround Yue Feng.

"Whoever wants to die, come up!" Yue Feng shouted loudly, and then raised his hand, Fang Tianhuaji held tightly in his hand.

call!

Feeling the aura that erupted from Yue Feng's body, the guards around were all terrified, and none of them dared to do it.

Seeing this scene, Long Qian was so angry that he had to do it himself.

However, at this moment, I heard Huan Xiang shouting: "Villain, in this palace hall, you dare to be presumptuous, do you really think that no one can cure you?"

Om!

The voice fell, and Huanxiang's delicate body flashed and came directly to Yue Feng.

Seeing Huanxiang coming, Yue Feng was startled, so he quickly cheered up and greeted him.

bang bang bang…

In the blink of an eye, Yue Feng and Huanxiang fought fiercely. At the beginning, Yue Feng had a chance to fight back, but gradually, in the face of Huanxiang's powerful force, Yue Feng gradually became in a hurry.

Seeing this situation, Lu Dongbin really wanted to stop it, but just now Long Qianyu said that he would not be allowed to meddle in his own business, so he held back.

"Yanhong."

Seeing Yue Feng becoming more and more powerless, Miaoying became a little anxious and said to Yanhong, "Go up and help, and I will rescue the others."

Miaoying thought about it and asked Yanhong to help Yue Feng. To deal with Huanxiang, he must rescue Sun Dasheng and others at the same time, so that he can get out of his body.

However, Yanhong didn't seem to hear it, her beautiful face was very indifferent.

In Yanhong's heart, she was not willing to be Yue Feng's servant. Seeing him in trouble at this time, he is very gloating, how could he go up and help?

At this time, Yanhong not only wouldn't help, but also expected Saintess Huanxiang to kill Yue Feng. As long as Yue Feng died, she would no longer have to be his servant.

"You…"

Seeing that Yan Hong didn't move, Miao Ying stomped her feet in a hurry, then flew up and went directly towards Huan Xiang.

At the same time as the shot, Miao Ying shouted at Yue Feng: "I'll deal with her, go and save your family."

Om.

The voice fell, and a powerful breath burst out from Miaoying's body, and the entire Shangwu Hall was shrouded in a dazzling light, and immediately, the jade hand raised and hit Huanxiang.

Phew…

At this moment, whether it was Huanxiang, or Ziyan's other saintess, and Long Qianyu, they were all taken aback.

What a powerful force, who is this woman?

And… what's her relationship with Yue Feng?

Soon, Huan Xiang reacted, biting her lips tightly, turning her delicate body, and directly met Miao Ying.

Yue Feng is extremely hateful, he killed his sister, and the one who is with him will not be a good person.

Chapter 2954

Call!

At this moment, the many guards in Shangwu Hall were stunned, and their eyes were fixed on Miaoying, unable to extricate themselves!

The eight Nine Heavens Saintess who came before are already superb goddesses, especially the fairy temperament on their bodies, which is unforgettable.

But this one is even more charming.

Delicate face, sexy body, especially the special aura that pervades her body, is simply intoxicating.

beautiful.

charming.

It seems that all the beautiful words in the world are not enough to describe her beauty.

At this time, none of the guards knew that Miao Ying in front of her was not a human at all, but a fairy born in the illusory realm.

At this moment, looking at the oncoming Huanxiang, Miaoying's red lips parted lightly, and she softly spit out a few words: "I am here today, you can never hurt her!" The

voice was soft and pleasant, but there was no doubt.

hum!

The voice fell, and a terrifying aura erupted from Miaoying's body. In an instant, the air in the entire Shangwu Hall seemed to be stagnant!

The unfathomable aura filled every corner of the hall, and everyone was inexplicably flustered!

Especially Zi Yan and the saintess, all of them trembled, and they were secretly shocked.

The woman in front of her looked delicate, yet her strength was so terrifying. More importantly, the spiritual power she burst out was unimaginably pure.

Huanxiang is also frowning, and she is inexplicably nervous.

This bastard, Yue Feng, where did you find help? This power is too terrifying.

hum!

Just when Huan Xiang was muttering secretly, she saw that Miao Ying had rushed to the front, her jade hand raised, and a palm hit directly.

So strong…

Feeling the powerful power of Miao Ying, Huan Xiang was startled. All forces resist.

boom!

In the next second, Miaoying and Huanxiang's palms collided, and a dull vibration broke out. Huanxiang only felt an unimaginable force coming, her delicate body trembled, and she was knocked back dozens of meters by the volley. Falling on the door of the main hall, the beautiful face is extremely pale.

How could this be?

Stabilizing her figure, Huan Xiang stared at Miao Ying blankly, her eyes full of shock.

The strength of this woman is simply too terrifying, and she forced all her strength to barely block this palm!

Who is she?

At the same time, Zi Yan and several saintess also stood up at once, staring at Miao Ying closely, full of inconceivable, and at the same time pinched a sweat for Huan Xiang.

call!

Seeing this scene, Yue Feng was secretly relieved.

Nima, fortunately, when I left the illusory realm, I came out with Miao Ying, otherwise, I would be really hard to deal with this situation.

After all, these saintess, Huanxiang, are all from the realm of the gods.

“Yue Feng, you don’t have to be afraid, there is me!” At this time, Miao Ying tilted her head to look at Yue Feng, Yingying said with a smile.

Miao Ying’s mind is simple, since Yue Feng is her man, she is obliged to protect his safety.

Hearing this, Yue Feng felt a warm current in his heart, and a smile appeared on his face: “Thank you.”

After speaking, Yue Feng thought of something, and continued: “Miao Ying, these saintesses are not bad people, just a misunderstanding. I’m here, wait for you to take it lightly, you must never hurt them.”

When he said this, Yue Feng was very complicated.

This phantom fragrance is indiscriminate, insisting that she killed Saintess Lanxin by herself, which is really annoying, but if you are too stiff with them, it will be even more difficult for him to clear his innocence.

Miaoying obeyed Yue Fengyan and nodded immediately.

Chapter 2955

“You!”

At this moment, Huanxiang was very angry, her beautiful face flushed red, and she stared at Yue Feng with shame and anger.

This villain actually told his companion to be light, this is simply humiliating himself, and he must not be humiliated by the dignified Nine Heavens Saintess.

At the same time, Zi Yan and the other saintess also looked extremely ugly.

This Yue Feng is too arrogant, even if this Miao Ying is very powerful, she doesn’t need her mercy.

“Miss!”

At this time, Miao Ying looked at Huanxiang seriously: “Yue Feng has already said that I will not hurt you, so you should give up and stop fighting against Yue Feng.”

Sho!

Miao Ying didn’t say this, but Huan Xiang’s pretty face changed, and she almost exploded with anger.

Yue Feng killed my sister, but you said I was against him?

Tolerable or unbearable.

“No matter who you are? Don’t try to cover up Yue Feng today.” Huanxiang glared at Miaoying fiercely, her icy voice came from her mouth: “He killed my sister, no matter how much he pays today, he will kill him. Him!”

“Since you want to meddle in your own business, then you should die with him!” The last sentence fell, Huanxiang bit her lip and flew up, heading straight for Miaoying!

The dignified Nine Heavens Saintess was so despised, and there were so many people around, how could she bear this tone?

“Huanxiang, let’s help you.”

At this moment, Zi Yan and the other saintess shouted coquettishly, and then the figures flew up, and the eight figures quickly surrounded Miaoying!

What the hell! Go together?

Seeing this scene, Yue Feng was extremely angry and at the same time extremely worried, and shouted at Miaoying: “Miaoying, be careful!” The

Nine Heavens Saintess had a special status and her strength should not be underestimated. No matter how strong Miao Ying is, it is impossible to deal with eight at the same time.

Feeling Yue Feng’s concern, Miaoying couldn’t tell the sweetness in her heart.

The next second, Miao Ying smiled sweetly at Yue Feng: “Don’t worry about me!” As

she said that, watching the eight saintess flying over, Miao Ying’s delicate face showed a bit of seriousness: “Do you want to Do you bully the less with more? I’m not afraid, show off your abilities!” The

voice was gentle and pleasant, without the slightest bit of arrogance, but incomparably confident.

hum!

The voice fell, and an incomparably full of spiritual power burst out from Miao Ying’s body. In an instant, the air of the entire Nanyun Palace was distorted.

what’s the situation?

Such a big movement has attracted many people from the imperial city to come out and look in the direction of the palace.

In Shangwu Hall, the situation is even more tense, Miaoying's explosive power, the people who suppress it panic!

"Kacha!"

At this moment, Miao Ying's jade hand was slowly raised, and she heard a crisp sound, and a sword that was as white as snow appeared in Miao Ying's hand.

This treasured sword is a few points shorter than the normal sword, and the whole body is lingering with spiritual power, exuding a charming halo.

Yes, this sword was transformed from Miao Ying's spiritual power, and it was also the essence of all her powers.

Bang bang bang…

In the blink of an eye, Miao Ying flew out of Shangwu Hall and fought fiercely with the eight saintess above the sky.

At this moment, whether it was Yue Feng, Long Qianyu and the others, they were all staring at the air, each and everyone extremely anxious.

I saw that Miao Ying's figure was agile and elegant. Surrounded by the eight saintess, she did not appear to be passive at all, but she was able to do it with ease. On the contrary, the eight saintess of Huanxiang seemed to be afraid of the jade sword in her hand. Some are in a hurry.

A few minutes later, Huanxiang was a little anxious, and she shouted: "Sisters, form the God of Extermination!"

Swish…

As soon as she finished speaking, she saw Zi Yan and several saintesses, their figures moving quickly, divided into eight directions , surrounding Miao Ying in the middle.

The ultimate husband in Chinese chapter 2956-2960

Chapter 2956 Formation

?

Seeing this scene, Yue Feng was shocked, and at the same time showed a smile.

In this world, there is no formation that I do not understand. Even if the Nine Heavens Saintess has a special status, she can display the formation in front of her. Isn't she playing a big sword in front of Guan Gong's door?

Yue Feng thought about it, and when he saw the flaw in the formation, he told Miaoying directly.

Anyway, Huanxiang is bullying more and less, and it is nothing to shout for help.

This…. this formation seems to have never been seen before.

However, after careful observation, Yue Feng frowned, and the whole person was shocked.

At this time, Yue Feng could clearly see that the figures of the eight saintess cooperated closely and were almost impeccable. Every time the figure changed, it was extremely mysterious.

Done!

After watching it for a while, Yue Feng didn't find any flaws, and suddenly he wanted to cry without tears.

I still underestimate the enemy. The eight saintess came from the realm of the gods. How could I break the formation of the realm of the gods?

That's right, the eight saintess displayed the God Extinguishing Formation in the Divine Realm. This formation was extremely mysterious, with more than a thousand kinds of changes. The ghosts and ghosts were unpredictable, and Yue Feng certainly didn't know it.

Lu Dongbin, who was next to him, also narrowed his eyes, shocked.

What a powerful formation, I'm just afraid that Miaoying Fairy will be in trouble this time.

At this time, above the air.

This chapter is provided by . Visit for daily update.

Facing the god-destroying formation formed by the eight saintess of Huanxiang, Miaoying was trapped inside and tried many methods, but she couldn't get out, and she was a little anxious.

Like Yanhong, Miaoying, as a fairy, knows nothing about battle tactics.

Previously in the Great Illusory Realm, Yue Feng used the stone formation to trap Yan Hong and force her to admit defeat. At this time, Miao Ying was helpless in the face of the eight saintess's God-destroying formation.

Nima, these can't go on.

Seeing that the situation is getting worse and worse, Yue Feng is also anxious.

The next second, he tilted his head to see Yanhong, Yue Feng's eyes lit up, and he quickly said, "Yanhong, go up and help!"

Yanhong and Miaoying, both fairies, one for good and one for evil, just joined forces to help himself and Lu Dongbin , leaving the illusory realm, helping at this time will definitely help Miao Ying defeat the eight saintess.

help?

From the beginning of the battle, Yanhong had been standing there, watching with cold eyes, but when she heard Yue Feng's words, she had no expression at all, and said indifferently, "Why should I help her?

" Miaoying has been fighting for thousands of years and has always wanted to crush her. At this time, seeing her in trouble, she can only gloat in misfortune. How could she help?

Yue Feng was stunned for a while, and then ordered: "There is no reason, because you are my servant, I let you go, you have to go!"

When he said this, Yue Feng was a little angry.

This Yanhong actually disobeyed her own orders. It was so unruly. When this matter is over, she must be properly trained.

call!

The more anxious Yue Feng became, the more unmoved Yan Hong became, and she said lightly, "It's true that I'm your servant, but I didn't agree. I'll obey every word you say.

" Help."

Also a fairy, Yan Hong has a cruel personality and is also much more cunning than Miao Ying.

"you…"

Hearing this, Yue Feng couldn't help laughing and laughing. He wanted to reprimand, but he was afraid of angering Yan Hong completely. You must know that her strength was as terrifying as Miao Ying.

Thinking to himself, Yue Feng took a deep breath and calmed himself down.

The next second, Yue Feng showed a smile and said to Yanhong, "I know, in your heart, and Miaoying are old enemies, but think about it, if something happens to Miaoying, you have no opponent. , Besides, the two of you haven't decided the winner yet." That

's right!

Hearing this, Yan Hong frowned, pondered for a while, and then suddenly shook.

Chapter 2957

If something goes wrong with Miao Ying and she has no opponent, what's the point?

Thinking about it, Yan Hong's delicate body flashed and rushed directly into the air to join the battle.

"If you want to hurt Miaoying, you have to ask me first!" An icy voice came from Yanhong's mouth, and immediately, Yanhong's power exploded.

hum!

Accompanied by an extremely strong aura shaking, Yan Hong saw that there was a blood-red long knife in Yan Hong's hand. The long knife's flames rose like a raging fire, and the temperature of the entire palace increased a lot.

Yes, this knife is the essence of Yanhong's power. Moreover, He Miaoying's jade sword is also one good and one evil.

Miao Ying's white jade sword belongs to kindness and justice, while Yanhong's blood-colored sword is evil and cruel.

call!

Yue Feng let out a long sigh of relief, secretly rejoicing.

Fortunately, this Yanhong is an immortal spirit. She doesn't have so many hearts and is easy to deceive. Otherwise, Miaoying would be really troublesome!

This…

Seeing this scene, Long Qianyu and the surrounding guards were shocked.

At the same time, the gazes of many guards were constantly switching back and forth on Yan Hong and Miao Ying.

These two women actually look exactly the same. Not only that, but their strength is also so terrifying. However, in the entire Kyushu continent, I have never heard of such powerful twin sisters, which is simply incredible.

At the same time of shock, many men also feast their eyes.

At this time, the two sides in the fierce battle in mid-air, whether it is the eight saintess, or Miao Ying and Yan Hong, are the best goddesses that can be seen in a thousand years. Eyes are straight.

After Yan Hong joined, Miao Ying felt a lot more relaxed.

However, the God Extinguishing Formation was incomparably mysterious, and it was difficult for Yan Hong and Miao Ying to break through the formation for a while.

Yanhong has an irritable personality, and after a few rounds, she couldn't bear it any longer, and she shouted: "Flickering one by one, I'm so annoying, get out of here!"

Buzz!

The voice fell, and the air around Yanhong's body suddenly distorted, and then, the spiritual power of the whole palace seemed to be attracted, and she quickly thought about the blood-colored long knife in her hand gathering.

Yes, Yanhong is ready to explode with all her strength.

Miao Ying has a good heart and does not want to hurt the eight saintess, so she has been reserved, because Yue Feng said that these saints cannot be hurt! But Yan Hong was different. She was cruel by nature. Seeing that Chi Chi couldn't rush into the formation, she decided to break out with all her strength.

"This… what kind of skill is this?"

"What a powerful aura!" In an

instant, everyone looked at Yan Hong closely, and their hearts were inexplicably panicked.

Everyone can clearly feel that after the fusion of the spiritual energy of the world, the blood-colored long knife in Yan Hong's hand, an incomparably terrifying force, is condensing!

“Quick, get out of the way!”

At this moment, Lu Dongbin’s face was solemn, and he couldn’t help shouting.

He is a master of Taoism, and he knows Yanhong’s origin. Of course, he knows how terrifying the power she will explode next.

Whoa!

As soon as the voice fell, Long Qianyu and the surrounding guards stepped back.

Daochang Lu reminded him, who would dare to be a big boss?

“Master Lu!”

At this moment, Long Qianyu bit her lip tightly, unable to hide her inner shock, and asked Lu Dongbin, “Who are the two women who helped Yue Feng?”

Huh!

Lu Dongbin took a deep breath and said complicatedly, “Eldest Princess, these two have extraordinary origins, and they are not something that ordinary people can provoke. They…” Before he could

finish speaking, he was interrupted by a thunderous shock. .

Chapter 2958

Om!

I saw Yanhong in midair, with extremely cold eyes, and then waved the blood-colored long knife. In an instant, a dazzling blood-colored light and shadow ripped apart the world and shrouded the surrounding eight saintesses.

I saw that the blood-colored light and shadow rushed like thunder, fast like lightning, and the air was cut through a blood-colored crack wherever it passed. Even the originally clear sky suddenly dimmed.

This…

Seeing this scene, the eight saintess of Huanxiang trembled and panicked inexplicably. Then, they all urged their inner strength to deploy a protective film in front of them.

Bang bang bang!

In the next second, the blood-colored light and shadow slammed on the protective film, and the protective film was instantly shattered. The eight saintess trembled, and they were directly thrown out, all of them pale and weak.

In an instant, the entire palace was silent.

And everyone present had chills down their spines and humming in their heads!

This is too terrifying, the eight saintess joined forces, and they are not the opponents of this red-clothed beauty? !

In shock, the many guards who were watching the battle all had their legs weak, and they felt that they could not stand firm.

Long Qianyu also frowned, shocked.

And the eight saintess Huanxiang and Ziyan were even more shocked and angry.

The alliance of his eight saintess can be said to be unmatched in the entire Kyushu, but now, he was injured by this woman of unknown origin.

This…how can I seek revenge from Yue Feng in the future?

I thought to myself, the eight saintess Huanxiang and Ziyan all had complicated expressions, and they were angry and unwilling.

“You two!” Finally, Huanxiang

was the first to react, looking at Yanhong and Miaoying: “Who are you? Why are you helping Zhou and Yue Feng?”

, but in any case, it is necessary to clarify the relationship between these two women and Yue Feng.

After all, Lan Xin can’t die in vain.

When the voice fell, Miao Ying slowly landed and stood beside Yue Feng very intimately.

The next second, Miao Ying responded to Huanxiang: “Yue Feng is my man, he is very good, why do you call him a bad guy?”

Immediately after, Yan Hong also said: “I am his Servant, other than that, it has nothing to do with it.”

After speaking, he did not forget to look at Miao Ying contemptuously.

In Yanhong's heart, fairy spirits were conceived between heaven and earth, and they were high above, but Miaoying was with a mortal person, and it was shameless.

What?

At this moment, whether it was Huanxiang or the others around, they were all stunned.

This…the twin sisters, one is Yue Feng's wife and the other is his servant?

How is this possible, Yue Feng is a villain, an extreme bastard, how can he be?

What made everyone even more puzzled was that Yan Hong and Miao Ying looked exactly the same, apparently twin sisters, but their relationship was not very harmonious.

But even so, they still stayed by Yue Feng's side.

Incredible.

"he…."

Finally, Huanxiang reacted, glared at Yue Feng, and said word by word: "He murdered my sister. He was extremely vicious. He was the worst villain in the world. We kill him to do justice for heaven!

" The Zi Yan and a few of them all nodded.

Nima!

Hearing this, Yue Feng's temperament was not good, and the anger in his heart rose.

"I said long ago that I didn't kill Saintess Lanxin. She was trapped in the Tianqi Palace at the time, or I rescued her. If you want to harm her, why do you have to do so much and take her outside the palace?

" A month ago, I was framed, blasphemed Chang'e, and wanted to be the emperor of Beiying. I had no evidence to prove my innocence, which caused the reputation of Tianmen in the Kyushu mainland to plummet, I admit it!"

"But this matter, still Before we get to the bottom of it, you arrested my family members and executed privately, so what are you doing right?"

Chapter 2959

"I declare again now that Lan Xin's death has nothing to do with me at all, but I swear that the murderer will be found!" The

words were loud and clear.

In an instant, all the eyes in the audience were staring at Yue Feng, unable to say a word!

Silence!

Inside the huge palace, it was silent at this time! A needle fell to the ground, and everyone could hear it clearly!

The eight saintess Huanxiang and Ziyan are even more complicated.

This…

And Long Qianyu, who was standing at the door of the main hall, bit his lips tightly, and his heart was trembling faintly.

Could it be that…you blamed Yue Feng by mistake?

“I, Yue Feng, are worthy of the rivers and lakes of Kyushu, and the people of the world.” At this moment, Yue Fengqi raised his dantian, and his icy voice spread throughout the audience!

“The Great Sage is my brother, but you guys beat him like this!” Yue Feng’s eyes were so bloody that he almost lost his mind, and a cold voice came from his mouth again: “I’m going to take them away now, who will stop me? , is my mortal enemy of Yue Feng!” As the

voice fell, Yue Feng helped Dasheng Sun up and walked out of the palace step by step.

Yan Hong and Miao Ying, escorting Ren Yingying and others, followed closely behind.

call!

At this moment, whether it was Long Qianyu or Huanxiang and the saintess, they were all stunned, unable to speak for a long time.

And the guards around them didn’t even dare to let go.

The momentum that Yue Feng showed just now shocked the audience. Whoever catches up to stop him will die.

…..

Right now, on the other side.

On Changsheng Island, Zhang Jiao meditated all day and night, and finally regained his strength.

call!

At this moment, Zhang Jiao slowly opened his eyes, flashing with endless coldness.

Baima, you despicable villain, if you dare to plot against me, I will tell you that you can't live or die.

Thinking to himself, Zhang Jiao lifted his dantian, and his figure flew high into the sky, heading towards the mainland.

Um?

Just after flying a few miles away, Zhang Jiao frowned and saw that there was a very small island not far from Changsheng Island. At this time, there was cooking smoke rising from the island, which was obviously inhabited.

Seeing this scene, Zhang Jiao's eyes instantly turned cold.

This place is so close to Changsheng Island, the people who live here must have something to do with Changsheng Palace.

Thinking to himself, Zhang Jiao turned around and landed directly on the island.

After landing, he saw the beautiful environment of the island, and several elegant thatched huts were built on the shore. Zhang Jiao walked over without hesitation.

"Stop for me!"

As soon as he got to the hut, he heard a scolding, and then, a handsome young man rushed out of the thatched hut, his face full of alertness.

Behind the boy is a beautiful woman.

This young man is Wen Chou Chou's son, Wen Xiaoyu, and the beautiful woman is his mother, Xue Li.

Three months ago, when the news of Wen Chou Chou's death came, Xue Li was so heartbroken that she was so disheartened that she took her son to a deserted island not far from Changsheng Island to live in seclusion.

As for Wen Xiaoyu, when Long Qianyu grabbed the land and circled the major sects in the mainland, he was still a three-year-old baby who was not weaned. At this time, more than ten years later, he has grown into a handsome young man.

“Who are you?” Wen Xiaoyu asked Zhang Jiao, looking up and down.

Wen Xiaoyu clearly felt that the strength of the person in front of him was unfathomable, but he was the son of Wen Chou Chou.

Zhang Jiao didn’t answer directly, but asked indifferently: “Who are you? What is your relationship with the Palace of Longevity?” Zhang Jiao thought about it, if the mother and son in front of him were family and friends of Baima, he would kill them directly.

Chapter 2960

Wen Xiaoyu looked at Zhang Jiao up and down: “You answer my question first!”

When saying this, Wen Xiaoyu’s eyes were full of vigilance.

The person in front of him has unfathomable strength, and he must be extremely careful.

Um?

Zhang Jiao frowned and looked at Wen Xiaoyu with great interest: “The kid is quite brave, dare to talk to me like this!”

Zhang Jiao has a perverse temperament. When I saw Wen Xiaoyu’s fearless appearance, he was young, but he was so daring, and he immediately appreciated it.

In the next second, Zhang Jiao smiled slightly: “I will not change my name or my surname, Zhang Jiao!”

Zhang Jiao?

Hearing this, Wen Xiaoyu’s heart was shocked, and he was stunned.

At the same time, Xue Li, who was behind her, trembled even more, her eyes staring at Zhang Jiao, both shocked and resentful.

“Are you Zhang Jiao?” After a few seconds, Xue Li reacted

and shouted at Zhang Jiao, “You…why aren’t you dead?” A day ago, White Horse ordered someone to come over and spread the word, saying that they had captured Zhang Jiao, killed him, and buried his body on Longevity Island. Knowing the situation at the time, Xue Li felt relieved. Her husband’s revenge has been avenged, and he has nothing to worry about. But Xue Li never thought that not only did Zhang Jiao not die, but he also found a place of seclusion for himself and his children. At this moment, Wen Xiaoyu gradually reacted, his eyes were extremely blood red, and he locked onto Zhang Jiao: “It was you who killed my father.”

When the words fell, Wen Xiaoyu clenched his fists tightly.

“Your father?”

Zhang Jiao was puzzled and frowned, “Who is your father?”

Zhang Jiao had never seen Wen Xiaoyu’s mother and son, and he didn’t know that they were Wen Chou Chou’s closest relatives.

call!

Wen Xiaoyu took a deep breath and said word by word, “My father, the master of the Palace of Longevity, Wen Chou Chou, Zhang Jiao, when you said that my father and the Ouyang family were imprisoned in the Wutian Organization’s main altar, forcing them to submit, and then later, they were harmed. My father died on the cliff. At this time in the Kyushu continent, everyone knows it!”

“Since you came to the door, don’t even think about leaving alive today.” After the

last word fell, Wen Xiaoyu flew up and went straight to Zhang Jiao. Come on, at the same time, a powerful aura also burst out from the whole body. In an instant, the surrounding air seemed to be distorted, and the power was amazing!

As the only son of Wen Chou Chou, Wen Xiaoyu is also a rare cultivation wizard. He just passed sixteen this year, but he has already reached the realm of the third stage of the Martial Emperor.

“Xiaoyu…”

Seeing this scene, Xue Lifang’s heart trembled, and she couldn’t help but let out a coquettish cry.

Although the son’s strength is not weak, the opponent is Zhang Jiao, who is famous all over the world. He has been famous for thousands of years, and his background is not comparable to him. Fighting alone, how could it be an opponent? !

Anxious, Xue Li wanted to rush over to stop her, but she was too weak, and Wen Xiaoyu was too fast to make it in time.

Ugly ugly son!

At this time, watching Wen Xiaoyu burst out, Zhang Jiao frowned slightly, not panicking at all.

“Avenge your father? Interesting!” Zhang Jiao said lightly, with a bit of abusive tone in his tone. Then, he slowly raised his right hand and gave a light palm to welcome Wen Xiaoyu.

“Go to hell!”

Feeling Zhang Jiao’s strength, Wen Xiaoyu didn’t dare to be careless and roared, directly mobilizing all his inner strength.

The ultimate husband in Chinese chapter 2961-2965

Chapter 2961 I

was shocked, I didn't have time to dodge, so I had to hold Fang Tianhua halberd tightly and attacked! Yue Feng did not dare to be careless, and urged all his internal forces to resist!

Bang!

In an instant, the two palms collided, and Wen Xiaoyu only felt an overwhelming force coming from the mountains, groaned, and was directly knocked back dozens of meters. When he landed, his face was pale, and the blood in his body was churning.

Stabilizing the figure, Wen Xiaoyu looked at Zhang Jiao in horror, Madd, the strength of this corner is simply too terrifying, just with a casual palm, he needs to exert his full strength to resist.

With such a huge disparity in strength, how could he avenge his father? !

"Xiaoyu!"

At the same time, Xue Li was even more nervous. After giving a coquettish cry, she quickly ran over to support Wen Xiaoyu: "How are you? Are you alright!"

Wen Xiaoyu shook her head, her eyes always on Zhang Jiao couldn't hide his shock and hatred.

"Boy! You are not my opponent at all, and rash action is nothing but death!" Zhang Jiao said with a proud expression, and said slowly.

As he said that, Zhang Jiao's eyes flashed with a hint of complexity, and he continued: "Also, I can tell you that your father, Wen Chou Chou, was not killed by me."

What?

Hearing this, Wen Xiaoyu and Xue Li looked at each other and were stunned.

The next second, Wen Xiaoyu couldn't help but ask, "Who are you?"

Zhang Jiao said indifferently: "It's the current Palace Master of Longevity, White Horse, at this time a very villain, cunning and despicable, at the beginning, he In order to survive, pretending to be loyal to me," and assured me, secretly monitoring Wen Chou Chou's every move. "

“Afterwards, Yue Wuya led the Tianqi army and surrounded the main altar of the Wutian Organization. He wanted to rescue the Ouyang family. Wen Chouchou took the opportunity to let the Ouyang family go. At that time, the white horse was in charge of intercepting, and finally knocked your father off the cliff in the back mountain.”

This chapter is provided by . Visit for daily update.

“After killing your father, the white horse did not return to me, but left in the chaos and returned to Changsheng Island to become the palace master.”

When he said this, Zhang Jiao was full of anger, and his eyes flashed coldly: “The next thing, I won’t tell you, but the white horse confuses the public and says that Wen Chou Chou was killed by me, but he is actually the real culprit.”

This…

After hearing this, Wen Xiaoyu and Xue Li were completely stunned and stood there. , was speechless for a long time.

The culprit who killed Wen Chou Chou was the white horse?

But… Zhang Jiao has a very deep palace and is not a good person. Can you believe his words?

call!

Finally, Wen Xiaoyu came to his senses and asked Zhang Horny, “You say nothing, who knows if you are provoking my relationship with Baima!”

Speaking of which, Wen Xiaoyu and Baima had no friendship, even Wen Chou back then When Chou Gang was the Palace Master, he still had some grudges with Bai Ma, but then again, even if the relationship was not good, they were still members of the Palace of Longevity and belonged to him.

As for Zhang Jiao, he was notorious, a notorious villain in the Kyushu mainland.

“Haha…”

Facing Wen Xiaoyu’s questioning, Zhang Jiao was stunned for a moment, and then he looked up to the sky and laughed.

“Although I, Zhang Jiao, do whatever I want, but I’m open and upright, there’s no need to lie to you as a doll,” Zhang Jiao said with a sneer, his expression full of arrogance: “I did it, even if I carry the world’s infamy, I will admit it, but it hurts. It’s not me who killed your father.” The

last sentence fell, and Zhang Jiao stood with his hands behind his back, extremely proud.

Hearing this, Wen Xiaoyu and Xue Li were silent again.

After a few minutes, Xue Li reacted, and her delicate face was full of grief and indignation: “The hypocrite Baima, he kept saying that he wanted to avenge her husband, but he was the real culprit.”

Wen Xiaoyu also clenched her hands tightly. Fist, said ruthlessly: “Such a despicable villain, to be the hall master, it is simply a joke of the hall of longevity.”

At this time, the mother and son already wanted to understand.

Although Zhang Jiao is not a good person, after all, he is a famous person in the world, and he is full of arrogance. If he is the culprit, there is no need to explain so laboriously.

Moreover, with his strength, dealing with his mother and daughter is almost as easy as the palm of his hand, and there is no need to waste words.

Chapter 2962

Looking at the changes in the expressions of the mother and son, Zhang Jiao showed a smile.

The next second, Zhang Jiao looked at Wen Xiaoyu and said, “Boy, do you want to avenge your father?”

Wen Xiaoyu was stunned, and asked subconsciously, “What do you mean?”

“Haha…”

Zhang Jiao smiled slightly: ” With your current strength, you are no match for White Horse at all, you must know that he has already controlled the entire Hall of Longevity!”

Zhang Jiaoyu turned around. He continued: “If you worship me as your teacher, after your strength increases, you will definitely be able to kill him with your own hands and avenge your father!”

When he said this, Zhang Jiao was full of ridicule.

To be honest, with Zhang Jiao’s strength, finding the white horse can easily kill him.

But in Zhang Jiao’s heart, the white horse plotted against him and stole his axe, which was extremely abominable. If he killed him directly, it would be too cheap for him. If he

accepts Wen Xiaoyu as his apprentice and helps him retake the Hall of Longevity, the white horse will definitely be unacceptable, and this is also the best punishment for him.

More importantly, when Wen Xiaoyu killed the white horse and became the master of the palace, and he was his master, the palace of longevity would be under his control.

What?

When the voice fell, Wen Xiaoyu's body was shocked, and he was stunned.

Did you hear me wrong, Zhang Jiao wants to accept himself as a disciple?

At the same time, Xue Li next to her also stayed there, her delicate face full of surprise.

In the next second, Wen Xiaoyu reacted with a resolute look on his face: "No worship!" The

two words were very straightforward, without the slightest hesitation!

Wen Xiaoyu knew very well that Zhang Jiao was very powerful. If he was a teacher, his own strength would increase by leaps and bounds. When he found a white horse, he could easily avenge his father.

It's just that Zhang Jiao has caused chaos in the world, and he has done all kinds of evil in the rivers and lakes. He is a wicked man who everyone gets and kills. If he worships him as a teacher, wouldn't he be a raccoon dog?

Wen Chou Chou taught Wen Xiaoyu from a young age that, as a cultivator, he must have justice in his heart, and he must never join forces with evil forces. How could he worship Zhang Jiao as his teacher at this time?

Um? !

At this moment, Zhang Jiao's face changed suddenly. You must know that after being famous for thousands of years, almost everyone in the arena is frightened. Moreover, I don't know how many people dream of worshipping myself as a teacher. At this time, he was so decisively rejected by Wen Xiaoyu. If it spreads out, where would he put his face?

For a while, the atmosphere of the entire island was extremely solemn.

At this time, Xue Li also reacted and said to Zhang Jiao, "We appreciate your kindness. It's just that we are two-way people, so you don't need to worry about revenge."

"Really?"

At this moment, I only saw Zhang Jiao laughing and saying, “I, Zhang Jiao, do things and do what I say. Whether I agree to be a teacher or not, I can’t help you!”

When he said this, Zhang Jiao didn’t smile, but his heart was gloomy.

Once the leader of the Yellow Turban Army, and now the head of the Wutian Organization, there is still nothing he can’t do!

Whoosh!

The voice fell, Zhang Jiao’s figure flashed, and he came straight to Xue Li.

“What do you want to do?” Wen Xiaoyu was furious, but he never thought that Zhang Jiao would do it when he said he would do it, without any warning.

After shouting angrily, Wen Xiaoyu was about to stop him, but Zhang Jiao’s speed was too fast, and it was too late.

“Mrs. Wen, I’ve wronged you!” In the

blink of an eye, Zhang Jiao came to Xue Li, said with a smile, and then clicked on her acupuncture point, and saw that Xue Li’s body was shaken, and she couldn’t move.

Immediately afterwards, Zhang Jiao took out an elixir from his body and stuffed it into Xue Li’s mouth.

Gudong!

At this time, Xue Li was full of panic, and before she could react, the medicinal pill was swallowed directly into her stomach.

“You… what did you give me to eat?” Xue Li looked at Zhang Jiao and was furious.

At the same time, Wen Xiaoyu’s eyes were also blood red, and he howled at Zhang Jiao: “If you dare to hurt my mother, I will not spare you!”

Chapter 2963 When

the words fell, Wen Xiaoyu wanted to do it, but he was worried about Xue Li’s safety and held back.

“What are you panicking about?”

Zhang Jiao smiled and said slowly, “Mrs. Wen won’t die for the time being. The medicine I gave her is called Heitian Pill!”

That’s right.

What Zhang Jiao gave Xue Li just now was Heitian Pill! The Black Heaven Pill was researched on the basis of the Inextinguishable Classic. It was very similar to the Tongtian Pill from Tongtian Island back then, but the effect was more sinister.

“Black Sky Pill?”

Wen Xiaoyu was not locked, inexplicably frightened! He was young and still didn’t know what Hei Tian Pill was.

But Xue Li was shocked, and her beautiful face was instantly pale.

Wen Xiaoyu didn’t know what Heitian Pill was, but Xue Li knew exactly what it was. After Zhou Qin became the head of Emei, he used despicable means to make all sects take Heitian Pill and threatened him. Sitting on the leader of the martial arts alliance.

The major sects are helpless to Hei Tian Pill, how can he and Xiao Yu be able to solve it?

Thinking to herself, Xue Li was very desperate.

“Boy!”

At this time, Zhang Jiao showed a smile and said to Wen Xiaoyu: “After taking the Heitian Pill, if there is no antidote within half a year, your mother will die miserably. And I tell you, you Yue Feng, my father’s sworn brother, can’t solve it. Do you understand?”

What?

Hearing this, Wen Xiaoyu’s face changed greatly, and he gritted his teeth with hatred: “Zhang Jiao…what do you want?”

Zhang Jiao looked leisurely: “It’s very simple, take me as a teacher, and everything will be done in the future. You must obey me, otherwise, you will wait to collect your mother’s body!”

With that said, Zhang Jiao Yufeng turned around: “After you have learned from my teacher and learned my inextinguishable scriptures, you can refine the antidote for your mother yourself.”

“You…”

Wen Xiaoyu His whole body trembled with anger: “What’s the difference between you and Bai Ma by forcing me to be a teacher by this method?”

Seeing that he compared himself to Bai Ma, Zhang Jiao's face sank, and he said coldly, "Even if my methods are disgraceful, But I'm a real villain, he's a hypocrite, and, I tell you, you don't use this trick to provoke me, it's useless!"

"Whether you want to be a teacher or not, it's just a matter of your thoughts."

"If you want to be a teacher, your Your strength will increase by leaps and bounds, killing the white horse and avenging your father will be as easy as the palm of your hand."

"If you think you are talented and can research the antidote to the Heitian Pill, then just ignore it!"

After saying this, Zhang Jiao walked aside and sat on a rattan chair, very relaxed and comfortable.

Mad…

At this moment, Wen Xiaoyu stood there, his face gloomy and uncertain, and his heart was even more tangled.

Do you want to worship a teacher?

If you are a teacher, you will be living up to the teachings of your father.

But if you don't follow a teacher, your mother's life will be in danger after half a year.

"Okay!"

Finally, Wen Xiaoyu took a deep breath and stared at Zhang Jiao: "I'll be your apprentice!" Immediately, he took two steps forward, ready to kneel and salute.

"Xiaoyu."

But at this moment, Xue Li's face was full of urgency and stopped, "I can't worship him as a teacher!"

Her husband was a bright and upright one all his life. He led Changsheng Island to eradicate evil, and changed the sect of the rivers and lakes. His views on Changsheng Palace, if his son worshipped Zhang Jiao as his teacher, his husband would know how to feel at ease.

"Mother!" Wen Xiaoyu gritted her teeth secretly, with tears in her eyes: "But I can't just watch you die! Besides, I have to kill the white horse to avenge my father!"

When he said this, Wen Xiao Yu looked resolute.

Hearing this, Xue Li was very anxious, but she didn't know how to refute it.

Chapter 2964

Puff.

Wen Xiaoyu stopped talking, took two steps forward, bent his knees, knelt down towards Zhang Jiao, and said word by word: "Master is above, please accept the disciples!"

When saying this, Wen Xiaoyu Resisting the unwillingness in his heart, his tone was very sincere.

To be honest, Wen Xiaoyu felt ten thousand reluctance in his heart to take Zhang Jiao as his teacher.

But no way.

His mother's life is in his hands, and, once his father dies, if he loses his mother, what's the point of living alone?

Haha….

Seeing that he finally agreed to apprenticeship, Zhang Jiao was overjoyed and couldn't help laughing. He raised his hand and said, "Okay, okay, good disciple, get up!"

Wen Xiaoyu responded and stood up. .

Zhang Jiao looked happy and looked at Wen Xiaoyu up and down: "From today onwards, you have to follow Master's practice wholeheartedly, and you must not be slack, you know?"

Speaking of which, Zhang Jiao forced Wen Xiaoyu to become a teacher, although the final purpose , in order to control the Hall of Longevity, but I have to say that Wen Xiaoyu is extremely talented, and he is also a genius in cultivation.

Zhang Jiao was delighted from the bottom of his heart to receive such an apprentice.

Wen Xiaoyu did not dare to disobey, and nodded in agreement: "I see, Master."

Papa…

Zhang Jiao was full of approval, then walked over and untied Xue Li's acupuncture point: "Frightened, Madam Wen! Don't worry. , I will definitely teach Xiaoyu well."

After saying this, Zhang Jiao took Wen Xiaoyu away from the island.

…

On the other side, the ghost world!

In the gloomy purgatory, two ghost soldiers dragged a figure and walked in slowly.

It is the ugly ugly.

At this time, Wen Chou Chou was covered in scars and extremely weak.

Two days ago, after Wen Chou Chou was caught, he was sent to the ghost realm. At that time, Hades was very angry and was tortured on the spot. After that, he ordered Wen Chou Chou to be thrown into purgatory.

Whoa!

At this time, the two ghost soldiers tied Wen Chou Chou to a stone pillar and turned to leave.

Wen Chou Chou was in pain all over his body, and he almost lost the strength to speak, but he was still somewhat sober, but his heart was filled with despair.

As long as you are thrown into purgatory, you will never see the sun again in the future.

At this moment, feeling the gloomy chill around him, Wen Chou Chou closed his eyes, completely desperate.

Fengzi, Great Sage, Big Brother is really going to say goodbye to you this time.

“Hehe…”

However, at this moment, a sneer suddenly came from not far away, and there was a bit of mockery in the sneer: “I didn’t expect that the famous Palace Master Wen of Kyushu would end up like this in the end.”

Who?

Wen Chou Chou was shocked, and immediately turned his head to look, and was immediately stunned.

I saw that in a dark corner not far away, there was a embarrassed figure tied up, and he was almost tortured to death, but his eyes still showed an unyielding light.

It was Duan Yu.

call!

The moment he saw Duan Yu, Wen Chou Chou was both surprised and emotional. It was a coincidence that he was locked up with Duan Yu.

When Wen Chou Chou first became the messenger of Hades, he checked purgatory and accidentally discovered Duan Yu. At that time, Duan Yu asked Wen Chou Chou to let him go, but Wen Chou Chou rejected him.

At this time, Wen Chou Chou had never thought that he had angered Hades, was thrown into purgatory, and even met Duan Yu again.

“Wen Chou Chou!”

At this moment, Duan Yu’s eyes were full of sneers: “I asked you to help me before, but you stood firm, don’t you still end up like me now?”

Wen Chou Chou took a deep breath and didn’t bother to pay attention!

Chapter 2965

Aware of Wen Chou Chou’s attitude, Duan Yu was very angry: “Wen Chou Chou, in this situation, stop putting on the air of a stinky scholar!”

Wen Chou Chou still ignored it.

Duan Yu is Fengzi’s enemy of life and death. He is cunning and evil, and Wen Chou Chou doesn’t want to say a word to him.

call!

Seeing this scene, Duan Yu also felt boring, so he stopped mocking.

In the next second, what Duan Yu thought: “Wen Chou Chou, do you want to escape?”

Shuh!

Hearing this, Wen Chou Chou’s heart was moved, and he said lightly: “What do you mean?”

“No other meaning!”

Duan Yu showed a smile and said seriously: “I know, you are Yue Feng’s sworn elder brother, and I will also I think of it as an enemy, but since I died in the Valley of Death in the wild and strange realm, the grievances with you have ended.” After

speaking, Duan Yu took a deep breath and continued: “I told you before that Hades is very ambitious. , and I also know some of his secrets, but unfortunately you don’t believe it! Sigh!”

Hearing this, Wen Chou Chou pondered.

A few seconds later, Wen Chou Chou looked at Duan Yu: “Do you have a way to let me escape?”

Yes, Wen Chou Chou resisted Duan Yu from the bottom of his heart, but thinking about it carefully, after Duan Yu’s death, the grievance between He Fengzi has already been counted. It’s over. At this time, he is still being imprisoned in purgatory and suffering, so there is no need to deceive himself.

Duan Yu smiled and said slowly: “Of course there is!”

“Come on!” Wen Chou Chou was very excited, and his eyes were full of urgency.

“What’s the hurry?” Duan Yu looked around vigilantly and made sure that there were no ghost soldiers nearby, so he slowly said: “If you want me to tell you how to leave, you have to promise me two conditions!”

This…

Wen Chou Chou frowned, and instantly became vigilant .

This section of Yu took the initiative to help himself, it is definitely not a good thing.

“Wen Chou Chou!”

Looking at Wen Chou Chou’s expression, Duan Yu seemed a little helpless: “Don’t worry, my conditions will not violate your principles!”

“Okay, go ahead!” Wen Chou Chou took a deep breath and said.

If you don’t violate your own principles, let alone two things, even two hundred things, you have to agree to it. The thought of being trapped in purgatory and suffering forever, Wen Chou Chou shuddered.

More importantly, Wen Chou Chou was reluctant to bear the continent of Kyushu, Yue Feng, Sun Dasheng and others.

Seeing Wen Chou Chou agree, Duan Yu was very excited, and quickly said: “First, you have to take me out, and second, after returning to Kyushu, you need to help me find a body. You know, I am a body right now. A lonely soul needs a body to revive.”

This…

Wen Chou Chou pondered for a while, then nodded and said, “Yes!”

These two conditions are indeed not excessive.

“You are the messenger of Pluto, and you have a soul contract with Pluto, so your physique is very special.” At this moment, Duan Yu said at once: “Now you only need to bite the tip of your tongue and drip blood on the shackles, and you will be able to recover. Freedom…”

Duan Yu was very serious when he said this. He was imprisoned in purgatory for more than three years and knew a lot about the ghost world.

Hearing this, Wen Chou Chou was very excited, and quickly followed Duan Yu’s method, biting the tip of his tongue and dripping blood on the shackles.

Whoa!

In the next second, I saw the seal on the shackles, which was immediately undone.

Really can.

At this time, Wen Chou Chou was very pleasantly surprised. After removing the shackles, he quickly let go of Duan Yu and put him on the messenger token on his body. Each messenger of Hades has a special messenger token.

This messenger token is not only a symbol of the status of the messenger of Hades, but also has the ability to conquer wandering souls.

Wen Chou Chou was thrown into purgatory, and the token on his body was not taken away. At this time, it happened to be Duan Yu’s boarding place. After all, Duan Yu has no physical body, and it is very difficult to leave the ghost world in the form of a soul.

Hiding Duan Yu behind the token, Wen Chou Chou did not hesitate, avoided the ghost pawn, and quietly left purgatory.

Once the messenger of Hades, Wen Chou Chou was very familiar with the terrain of the ghost world. Although the journey was thrilling, he encountered many patrolling ghost soldiers, but in the end, he saved his life.

Half an hour later, Wen Chou Chou and Duan Yu successfully returned to the mainland of Kyushu.

The ultimate husband in Chinese chapter 2966-2970

Chapter 2966 Huh

..

At this moment, standing on the top of the mountain, Wen Chou Min took a deep breath and looked at the vast world in front of him, feeling like a lifetime away.

Although he was imprisoned in purgatory for only half a day, the torture he encountered during that time was not something ordinary people could imagine.

To be honest, Wen Chou Chou originally thought that he would never be able to return to Kyushu again, but he did not expect to escape.

Moreover, it was Duan Yu who helped to leave purgatory.

“Haha…”

At the same time, Duan Yu, who was hiding in the messenger token, was also excited and laughed: “Ma De, I finally left that ghost place.”

“Palace Master Wen, thank you!”

The last sentence came from Duan Yu’s heart.

Hearing this, Wen Chou Chou smiled lightly: “Don’t thank me, if you didn’t tell me the way, I would not have escaped from purgatory.”

Although Duan Yu was in the messenger token, it did not prevent Wen Chou Chou from communicating with him, after all , Wen Chou Chou is the messenger of Hades and can clearly sense the situation in the token.

Saying that, Wen Chou Chou looked around, frowned slightly, and said, “I have already done the first thing to bring you back to the Kyushu Continent. The second thing is to help you find your body, so let’s take a while, I need to recover some strength. Okay.”

Previously received various punishments, Wen Chou Chou was extremely weak.

Duan Yu responded with a smile: “It’s natural, I can still trust the words of Hall Master Wen.”

Speaking of which, if it was three years ago, Duan Yu would never have been so polite to Wen Chou Chou, but after this incident , the two reached a subtle tacit understanding.

This chapter is provided by . Visit for daily update.

Because Duan Yu knew that his future was all in the hands of Wen Chou Chou. Once something happened to him, he would not be able to regenerate his body, and all his previous efforts would be in vain.

call!

At this moment, Wen Chou Chou stopped talking, looked around, and found that this was the boundary between Tianqi Continent and Dongao Continent, and rushed to the northeast.

Wen Chou Chou remembered that there was a valley not far away. The environment there is complex, there is no day all the year round, and there is only one extremely yin place.

Although he escaped from the ghost world, the soul contract between Wen Chou Chou and Hades has not been completely resolved, and the main practice is the yin qi, so to cultivate and recover, it must be in a place where yin qi is extremely deep.

Soon after arriving, Wen Chou Chou saw that the valley in front of him was overgrown with weeds and was very barren.

It was noon at this time, the sun was shining brightly, but this valley was extremely cold. For Wen Chou Chou, this is an excellent place to practice.

However, Wen Chou Chou was not happy at all.

If you don’t cancel the soul contract with Hades, what if you are stronger? Never act like a normal person.

Thinking to himself, Wen Chou Chou sighed and couldn’t help asking: “Duan Yu, you said you knew some secrets of Hades?” To

be honest, Wen Chou Chou had no interest in Hades’ secrets at all, but in order to get rid of the soul contract , I just want to know more about Pluto.

“Not bad!”

Duan Yu responded quickly: “Didn’t you have no interest before? Now you want to know?”

Wen Chou Chou did not speak, but was a little silent.

Seeing that he didn’t speak, Duan Yu smiled and said slowly: “The biggest secret of Hades is to rule Kyushu, but do you know what he needs most to rule Kyushu?”

“What?” Wen Chou Chou asked subconsciously.

Duan Yu’s tone suddenly became solemn: “Of course he needs to be stronger, you must know that as the Pluto, the Lord of the Ghost Realm, he cannot come to Kyushu. This is the rule of heaven and earth, and Pluto needs to have the ability to change the rules of heaven and earth. “

I heard that Pluto is going to attack the Nine Heavens Saintess. It is said that the Nine Heavens Saintess are from the God Realm and possess innate spiritual energy. As long as the innate spiritual energy in their bodies is integrated, the strength of Hades can reach an unimaginable level. At that time, you can freely travel between Kyushu and the ghost world.”

Chapter 2967

What?

Hearing this, Wen Chou Chou was shocked.

Hades going to attack the Kyushu Saintess?

“Palace Master Wen!” Feeling the strangeness of Wen Chou Chou, Duan Yu couldn’t help but ask: “Do you know the Nine Heavens Saintess?”

“Know some!” Wen Chou Chou responded.

When answering, Wen Chou Chou was very calm, but there was a hint of complexity in his eyes.

A few days ago, Wen Chou Chou met Yue Feng and at the same time got to know the saintess Zi Yan. After that, Wen Chou Chou bid farewell to Yue Feng and went to find other saints with Zi Yan.

Later, I met Huanxiang, and was almost beaten by her, because Huanxiang pointed out that Yue Feng had killed other saintess. If the other messengers of Hades hadn’t happened to arrive at that time, I would have ceased to exist.

Although several days had passed, Wen Chou Chou still had some heart palpitations when he recalled it.

At the same time, I was also secretly worried that Fengzi was framed inexplicably, and I don’t know what happened now.

Wen Chou Chou has a calm personality and knows Yue Feng well, and I believe he will never do anything to harm the Holy Maiden.

hum!

Just as he was talking, suddenly, he felt a strong breath coming from the sky not far away, and then, a man, like thunder and lightning, flew quickly.

Um? It's so desolate here, why are there still people here?

At this moment, Wen Chou Chou subconsciously turned his head to look, and his face changed suddenly.

It was a man with a strong breath.

The man looked to be in his thirties, and his facial features were sharp and angular, but there was a cold and evil spirit between his brows, and a sinister aura pervaded his entire body.

It was Yue Chen.

Um?

At the same time, Yue Chen was also stunned when he saw Wen Chou Chou.

After sullying Saintess Lan Xin before, Yue Chen also got Lan Xin's Nascent Soul power, but it has not been able to be fully integrated, because Yue Chen's Xuanyin magic, which is an extremely sinister practice, and Lan Xin's Nascent Soul The forces are mutually exclusive.

Because of this, Yue Chen has been very irritable these days.

Just now, Yue Chen passed through this valley and found that this place is full of yin qi, which is an excellent place for cultivation. With the help of the environment here, he will be able to successfully suppress the Nascent Soul power in his body, and then he will be able to successfully integrate. Excited, Yue Chen hurried over and was about to find a place to meditate and practice, but he didn't expect to encounter Wen Chou Chou.

"Tsk tsk!"

At this time, Yue Chen reacted, looking at Wen Chou Chou with a half-smile, and mockingly said: "Isn't this the famous Palace Master Wen? It's really safe. I heard that a few months ago, you were in The Wutian Organization fell off the cliff and died in nine lives, but I didn't expect to be alive. Hehe, you really have a great fate."

When he said this, Yue Chen's eyes were full of ridicule.

To be honest, if it were three years ago, Yue Chen would never have dared to talk to Wen Chou Chou like this. After all, Wen Chou Chou was the Hall Master of the Palace of Longevity, and he was very powerful.

At this time, Yue Chen clearly saw that Wen Chou Chou's face was pale, his whole body was extremely weak, and he was completely in a state of half-dead. And his strength has grown by leaps and bounds over the years, and a few days ago, he obtained a powerful Nascent Soul power, which is not worth it at all.

"Yue Chen!"

Wen Chou Chou took a deep breath and retorted unceremoniously, "You are still alive, how could I die in front of you?"

Mad, when he saw this Yue Chen, he was angry. Back then Fengzi was misunderstood by various schools in Jianghu, saying that he defiled his younger brother and sister and mad at his grandfather, but in fact, it was all the ghost of this Yue Chen.

Yue Chen?

At the same time, Duan Yu, who was hiding in the messenger token, also frowned secretly, how did he meet this kid.

Chapter 2968

Speaking of which, when Duan Yu was the emperor of Xi Cang, Yue Chen still went to him, but in Duan Yu's heart, he never looked down on him, and someone who could betray his own family was not worthy of respect at all.

"Wen Chou Chou!"

At this time, Yue Chen walked over slowly, his face full of arrogance: "I have already taken a fancy to this place, you hurry up."

At this time, Yue Chen wanted to kill Wen Chou Chou immediately. After all, he is Yue Feng's sworn eldest brother, but now the most important thing is to fuse the power of Nascent Soul within his body.

Swish!

Hearing this, Wen Chou Chou's face was extremely ugly, this Yue Chen was really a villain, seeing that he was weak, he wanted to take advantage of others' danger.

Thinking to himself, Wen Chou Chou said coldly, "What if I don't leave?"

At this time, Wen Chou Chou just wanted to quickly regain his strength, how could he leave easily?

“I don’t know how to lift up!”

Yue Chen stopped talking nonsense, his eyes flashed with killing intent, and his figure jumped up and called directly at Wen Chou Chou.

hum!

This palm contains the inner strength of Yue Chen’s ‘Xuanyin Divine Art’. Wherever he passed, the sunny sky instantly darkened, and dark clouds covered his head.

call!

Seeing Yue Chen rushing towards him and the explosive power, Wen Chou Chou was instantly furious.

Nima! You think I’m weak and you bully me, don’t you?

Frightened, Wen Chou Chou didn’t have time to dodge at all, so he had to mobilize his internal force to meet the attack.

Bang!

The next second, the two palms collided, and a dull vibration erupted. Wen Chou Chou only felt a frightening force coming, and with a grunt, the whole person flew out backwards, and at the same time he landed, a mouthful of blood spurted out. come out.

Nima!

Stabilizing his figure, Wen Chou Chou looked at Yue Chen in astonishment. After three years of absence, his strength has become so strong.

At the same time, I was a little anxious.

I haven’t recovered my strength yet, I’m not an opponent at all, what should I do?

“What’s the situation?”

At this time, Duan Yu, who was hiding in the messenger’s token, also quickly asked: “Palace Master Wen, how are you? Are you all right?”

In the token, Duan Yu could not see the situation. , but I can also feel that Wen Chou Chou and Yue Chen fought.

Speaking of which, Duan Yu and Wen Chou Chou had no friendship at all, and even had a grudge before, but at this time, his fate was in Wen Chou Chou's hands, and he had to rely on him to find a body for himself to revive. If something happened to Wen Chou Chou, Hopeless to be reborn.

"I'm fine!" Wen Chou Chou took a deep breath and responded.

When he said this, Wen Chou Chou looked indifferent, but his heart was a little desperate.

Yue Chen and Yue Feng have a deep feud like the sea, and he is Feng Zi's sworn brother, he will definitely not let him go easily.

Haha…

Seeing Wen Chou Chou's face changing, Yue Chen couldn't help laughing up to the sky, his face full of pride: "Wen Chou Chou, you have today too? If you have any last words, hurry up and say, otherwise there will be no chance!"

Over the past few years, Yue Chen has been pretending to be Yue Feng's name and doing evil in all corners of the world, in order to bring Yue Feng to ruin. Today, I encounter Wen Chou Chou, and I will not let it go easily.

"Yue Chen, you are just a villain!" Wen Chou Chou responded coldly, "It's not that easy to kill me."

Shuh!

Hearing this, Yue Chen's face was extremely ugly, Ma De, three years ago, his strength was not enough, and he didn't dare to challenge Wen Chou Chou. Now that he has become stronger, he is still despised by him, how can he bear it? !

"I don't think you will cry until you see the coffin! Since you have to die, I will fulfill you!" A cold voice came from Yue Chen's mouth!

hum!

The words fell, Yue Chen's face was extremely ferocious, he pulled out his long knife, raised his hand and waved, and saw a terrifying shadow of the knife, tearing the world and bursting towards Wen Chou Chou.

Chapter 2969

Seeing this knife shadow, he was about to split the Chinese ugly, when he saw words in his mouth and raised his hands.

In an instant, a black mist suddenly rose up around him, covering the entire valley in an instant.

Swish swish…

And in the next second, from the black fog, a few erratic figures rushed out. These figures were all wearing white robes, and their faces were extremely pale, and their eyes were empty, but the whole body was filled with A deadly breath caused it.

Yes, it was the wandering spirits near the valley that Wen Chou Chou summoned. Speaking of which, it was daytime, so it was difficult for these wandering spirits to show up, but Wen Chou Chou was the messenger of Hades and could easily be summoned.

hum!

In the blink of an eye, these ghosts came together and quickly formed a formation to surround Yue Chen.

This formation, called Soul Locking Formation, was created by Hades.

This….

Seeing this scene, Yue Chen was startled, and suddenly felt a little stunned.

what's the situation?

These suddenly appeared as human figures, what's going on?

Moreover, Wen Chou Chou has always been upright, when did he learn such a sinister practice?

At this time, Yue Chen still didn't know that Wen Chou Chou in front of him was no longer a human being, and the means he used all came from the ghost world.

Yue Chen didn't know anything about confrontation, and he didn't know what these ghosts were, so he was a little flustered.

call!

Seeing that Yue Chen was trapped in the Soul Locking Formation, Wen Chou Chou was secretly relieved, but his eyes were still solemn.

You know, summoning ghosts and forming a soul-locking formation consumes a lot of energy.

At this time, Wen Chou Chou has reached the realm of running out of fuel, almost unable to stand firm, and teetering. , but still insisted, he knew that if he couldn't suppress Yue Chen, he would be finished.

Huh…

At this time, Duan Yu in the messenger token was also anxious. He could clearly perceive that the battle outside was getting more and more intense.

Moreover, Wen Chou Chou was already weak, and the situation at this time was even less optimistic.

"Wen Chou Chou!"

At this moment, Yue Chen was trapped in the formation, panicked and annoyed at the same time, and couldn't help shouting: "It's a pity that you still always pretend to be famous and upright, but now you are using a sideways approach, Don't you feel ashamed?"

Yue Chen was very annoyed when he said this.

Ma De, with his own strength, was able to crush Wen Chou Chou, but he was trapped by a few shadows. If this matter spread out, wouldn't it be laughed at by the world?

Wen Chou Chou ignored it, but silently recited the formula, controlled a few ghosts, and continued to besiege Yue Chen.

At the beginning, Yue Chen was secretly annoyed, but gradually he discovered that the shadows surrounding him seemed scary, but in fact they weren't much of a threat.

However, Yue Chen couldn't find a suitable way and was still surrounded by circles.

Outside the formation, Wen Chou Chou's face became more and more ugly. He was already weak, and he forcibly summoned the ghosts to form a soul-locking formation, which was completely exhausting his strength and could no longer hold it.

hum!

Finally, Yue Chen found an opportunity, waved his long knife to avoid a ghost in front of him, and then took the opportunity to rush out.

"The text is ugly and ugly."

The moment he rushed out, Yue Chen looked at Wen Chou Chou closely, and couldn't hide his mockery: "You want to trap me with this trick? You are too naive." As the

voice fell, Yue Chen's inner strength surged, and he slapped it out with a palm. Oops!

Seeing Yue Chen rushing out of the Soul Locking Formation, Wen Chou Chou's face changed, and he was panicked.

To be honest, Wen Chou Chou was weak and could not activate the true power of the Soul Locking Formation. In addition, Yue Chen was also practicing sinister techniques, so the Soul Locking Formation could not achieve restraint effect on him at all.

Chapter 2970

Boom!

Yue Chen's speed was too fast, Wen Chou Chou wanted to dodge, but it was too late. With this palm, he slammed into Wen Chou Chou's body and heard a dull vibration. out.

Pfft!

Wen Chou Chou flew more than 100 meters away, and the whole person shed a rain of blood in the air, and finally fell heavily to the ground. The pain came, and he almost fainted.

At this time, Wen Chou Chou clearly felt that his ribs were almost completely broken, and bursts of severe pain came, and he almost fainted.

Mad, fortunately, I have a soul contract with Pluto, and my physique is relatively special. Otherwise, this palm will definitely leave my soul scattered.

"Wen Chou Chou!"

At this moment, Yue Chen stared at Wen Chou Chou closely, full of pride, but his tone was crazy: "Just now I told you to get out of the way, if you insist on courting death, then you can't blame me! " When the

voice fell, Yue Chen slowly walked towards Wen Chou Chou!

Mad!

Seeing Yue Chen getting closer, Wen Chou Chou let out a long sigh and closed his eyes in despair.

Is this the end?

But….to die at the hands of such a villain, I'm so unwilling!

hum!

At this critical moment, an incomparably cold aura came from Wen Chou Chou's waist, and then, an illusory figure roared out, heading straight for Yue Chen.

It was Duan Yu.

Sensing Wen Chou Chou's situation, Duan Yu was so anxious that he couldn't help rushing out.

If something goes wrong with Wen Chou Chou, don't even think about being reborn. You must know that rebirth is going against the sky. In the Kyushu Continent, no one can help him, except Wen Chou Chou. After all, he is the messenger of Hades.

Rushing out of the messenger token, Duan Yu was stunned when he saw the scene in front of him.

Nima!

This kid Yue Chen, his strength has become so terrifying?

Duan Yu saw that Wen Chou Chou had been severely injured, the blood in front of him was dripping, and his anger was like a gossamer, while Yue Chen, who was on the opposite side, was full of pride, and his whole body was filled with suffocation.

At the same time, Yue Chen also saw Duan Yu, but at this time Duan Yu was just a wisp of ghost, his figure was looming, and he couldn't see clearly at all.

"You are…" The next second, Yue Chen opened his mouth, but as soon as he uttered two words, he saw Duan Yu turned into a ray of light and got directly into Yue Chen's forehead.

hum!

Yue Chen didn't have time to react at all, his body trembled, and then he felt that there was another soul in his body, and this soul was rapidly devouring himself.

That's right, Duan Yu was going to stand on Yue Chen's body to be reborn. However, Yue Chen is not dead yet, and his soul has not left his body, so he must devour Yue Chen's soul.

In the arena, this kind of behavior is called home grabbing.

"Ah…"

Feeling that his soul was being devoured, Yue Chen couldn't help but scream, only to feel the pain in his entire head was incomparable, and this pain was a thousand times, ten thousand times stronger than the pain he had suffered before. …

Seriously, with Yue Chen’s strength, it was difficult for Duan Yu to take advantage of it, but he did not successfully integrate the power of Nascent Soul of Saintess Lan Xin, leaving hidden dangers.

Moreover, Yue Chen’s attention just now was always on Wen Chou Chou, and he never expected that a third party would attack him.

“Ah, it hurts, it hurts… ah”

Under the severe pain, Yue Chen hugged his head, rolled on the ground, and kept mourning in his mouth. All over the body, there was a constant flow of Yin evil energy, which caused the air in a radius of 1000 meters to be violently distorted.

call!

Seeing this scene, Wen Chou Chou took a deep breath and looked calm, but his heart was shocked.

In rivers and lakes, taking a house is a taboo, because taking a house is too cruel. It devours the souls of others, and then occupies the body and takes it for one’s own.

The ultimate husband in Chinese chapter 2971-2980

Chapter 2971

However, Wen Chou Chou has no sympathy at all.

This Yue Chen has done so many things that hurt the heavens and reason, and let Duan Yu take away his body, which is considered cheap to him. Speaking of which, although Duan Yu is also hateful, he is not as cunning and despicable as Yue Chen.

More importantly, Wen Chou Chou and Duan Yu were on the same line at this time, and they would naturally not stop him when they saw him taking over Yue Chen.

“Go away, get out of my body…” Yue Chen kept roaring, completely lost his mind, and fell into madness: “Who are you, why are you attacking me…”

“Hehe!

” When he fell, Duan Yu’s voice resounded in Yue Chen’s mind: “Master Yue, when you went to join me in the Xicang Palace, you were very respectful. Now that three years have passed, you are more

powerful. “

Hearing this, Yue Chen’s face turned cold.

This… This is Duan Yu’s voice, isn’t he dead? Shouldn’t the soul be in the ghost world? How is it on Wen Chou Chou.

“Master Yue!”

Just when Yue Chen was secretly surprised, Duan Yu’s voice sounded again, revealing endless ridicule: “I was imprisoned in the purgatory of the ghost world for three years, and I was tortured so much that I had to find a body to be reborn. “

This body of yours is barely passable, so let me use it!” The

last sentence fell, and Duan Yu accelerated the speed of the slaughter.

“Duan Yu!”

Yue Chen endured the pain and couldn’t help howling, his eyes were blood red: “So it’s you, a thief, you killed my wife, I want you to be immortal, get out if you have the ability, and I’m one-on-one…”

This chapter is provided by . Visit for daily update.

At this time, Yue Chen was extremely shocked and angry.

Duan Yu, this despicable villain, actually wanted to occupy his body. He had just obtained the power of Nascent Soul, and he had not fully integrated, so he couldn't just die.

Thinking of his wife Chen Yun's death, Yue Chen trembled even more.

At the beginning, Yue Chen resisted fiercely, fighting with Duan Yu's ghost, but gradually, he couldn't stand it anymore, and Duan Yu's soul was gradually swallowed up.

Pfft!

It lasted for about ten minutes, Yue Chen's soul was completely swallowed up, his eyes darkened, and Che passed out.

"Palace Master Wen!"

That's what happened, Duan Yu's voice came from Yue Chen's body, and he was very excited: "It's finally a success, please help Palace Master Wen again."

Although it occupies Yue Chen's body , but because of the law of heaven and earth, Duan Yu has no right to use it at this time, so he can't open his eyes, and can only ask Wen Chou Chou for help.

Um!

Wen Chou Chou nodded, walked over slowly, his hands were suspended above Duan Yu's head, and he began to meditate.

Wen Chou Chou read it as "The Secret of Inverting Yin and Yang" in the ghost world, which is equivalent to the Taoist's way of reassuring the dead. As long as the secret of inverting Yin and Yang is used, Duan Yu can control this body and completely replace Yue Chen.

Moreover, it was precisely because he knew the inversion yin and yang formula that Duan Yu would help Wen Chou Chou at the critical moment just now. Otherwise, even if he occupied Yue Chen's body and no one used the inversion yin and yang formula, it would be useless.

call!

A few minutes later, Wen Chou Chou finished reading the last word of the formula, and saw Yue Chen's eyes slowly opening, revealing endless excitement and excitement.

Yes, at this time, Yu completely occupied Yue Chen's body and completely replaced him.

"Ha ha…"

At this moment, Duan Yu was so excited that he laughed at Wen Chou Chou: "Great, I'm finally reborn, Palace Master Wen, thank you!"

Wen Chou Chou struggled to squeeze out a smile: "Then congratulations to you. Yes, but I want to make it clear, since you have been reborn, your previous grievances and grievances will be wiped out, I hope you can be a new person and stop harming

the world." When he said this, Wen Chou Chou had no strength at all, and his voice was very It's so small that you can't hear it if you don't listen carefully.

He used up a lot of internal energy before, was injured by Yue Chen, and just performed the Yin-Yang Secret Technique for Duan Yu, so at this time, Wen Chou Chou was extremely weak. Not to mention a cultivator, even an ordinary person can knock him down.

Chapter 2972

Call!

Watching Duan Yu go away, Wen Chou Chou stopped thinking about it, sat cross-legged, and began to practice and recover.

…..

On the other side, after Yue Feng and Ren Yingying left the imperial city, they walked for more than two hours and came to a valley.

This valley has a quiet environment. When Yue Feng passed by here before, he thought it was a good place. It was hidden and suitable for Ren Yingying and others to rest.

After arriving, Yue Feng took the crowd and set up a few simple tents.

Miaoying and Yanhong, both fairy spirits in the illusory realm, came to the Kyushu Continent for the first time, and immediately felt that everything was strange.

Yan Hong has a cold and arrogant personality and rarely speaks. Miaoying is gentle and kind, without any airs, and soon became one with everyone.

"Master Lu!"

After he settled down temporarily, Yue Feng found Lu Dongbin with a sincere expression on his face: “I also ask Daoist Master to help me and my family to regain their strength!”

When it was too illusory before, Lu Dongbin once said that there is a way to cure it. Good people in the Ouyang family, Yue Feng has always kept it in his heart.

call? !

Feeling the urgency on Yue Feng’s face, Lu Dongbin stroked his beard and smiled slightly: “Of course there are ways, but a lot of medicinal herbs are needed!”

After speaking, Lu Dongbin made a list.

Yue Feng quickly took a look and was stunned.

I can see that there are dozens of medicinal herbs on the list, and more than half of them are rare spirit herbs, and I have a lot of them, but they are still a lot worse.

Nima, what should I do if the herbs are not enough?

It is not far from the Nanyun Imperial City. The imperial city is bustling and prosperous. There must be herbs in the pharmacy. It was just the palace that made a scene.

Thinking to himself, Yue Feng frowned, secretly anxious.

“Yue Feng!”

At this moment, Su Qingyan walked slowly and said softly, “I heard people say that in the northeast of Nanyun Imperial City, there is a Feiyun Peak, towering into the clouds, and there are many rare peaks on it. Lingcao, maybe you can go there and look for it.”

Hearing this, Yue Feng’s eyes lit up and smiled, “Look at me, I’m just worried, the herbs can’t be bought, we can go pick them.

” The wind is about to move.

But before leaving, Yue Feng did not forget to explain to Miao Ying and Yan Hong, and let them stay here and protect everyone. You must know that everyone has lost their inner strength. In case of an enemy, Lu Dongbin alone will definitely not work.

Or leave Miao Ying and Yan Hong behind so that I can leave with peace of mind.

“Yue Feng, let me accompany you!”

At this time, Ren Yingying smiled lightly and said, “I know a lot of spirit grass, and I can help you pick some.

” But flickering with anticipation.

For so many years, I haven’t been alone with Yue Feng for a long time.

“Okay!” Yue Feng nodded.

With that said, the two said goodbye to everyone and rushed towards Feiyun Peak.

…..

the other side. Apocalypse Palace!

The Hall of Yihe, the place where the emperor rested, was quiet and peaceful.

At this moment, King Guangping was sitting on the soft couch in the Hall of Harmony. Moreover, King Guangping specially ordered that the Hall of Harmony was designated as a restricted area, and no one was allowed to approach without an order.

It can be said that King Guangping has completely changed since he took the elixir of Gong Hao and became a puppet of Hades.

hum!

At this moment, a yin qi filled the air, and then a black shadow slowly entered the Hall of Harmony. There was no expression on the pale face, and yin qi permeated the whole body.

It was the messenger of Gong Hao.

“call!”

Chapter 2973

Seeing Gong Hao, King Guangping quickly got up and said politely: “The messenger suddenly appeared, but what is the order?”

Gong Hao smiled slightly: “You are the emperor of Tianqi Continent, the eight nine-day saints, gathered in the south You must already know about Yunhuangcheng!”

“Yes!” King Guangping nodded quickly.

Gong Hao didn’t talk nonsense, and said slowly: “His Majesty Pluto has brought you a mission and wants you to take the mission to the Nanyun Palace!”

What?

Hearing this, King Guangping was stunned.

When you go to the Nanyun Palace, you have to bring the embassy yourself!

Seeing the change in King Guangping's expression, Gong Hao continued: "With the support of the Nanyun royal family, the Nine Heavens Saintess will soon deploy the Xuantian Great Array, and then return to the Divine Realm!

" The most important part. Therefore, they must not be allowed to form the Xuantian Great Array, understand?"

After speaking, Gong Hao went into some details.

call!

After learning about the situation, King Guangping took a deep breath and nodded solemnly: "Envoy, rest assured, I will definitely live up to the expectations of His Majesty Pluto!" A

few minutes later, King Guangping immediately summoned a group of messengers, and at the same time led several thousand elites of the Royal Forest Army, and quickly headed south. Cloud Continent rushed over.

…..

On the other side, Yue Feng led Ren Yingying, talking and laughing along the way.

To be honest, it was the first time that Yue Feng got along with Ren Yingying after returning from the wild and strange realm. The two held hands, which was very sweet.

Three hours later, they finally arrived at Feiyun Peak.

I saw that on the small road on the mountain, there were many people who went up the mountain to collect herbs, as well as some cultivators.

However, this does not hinder Yue Feng and Ren Yingying's mood. Others pick from others, and they pick their own, without interfering with each other. Especially when they think of the herbs, everyone in the Ouyang family will be able to regain their strength. Yue Feng and Ren Yingying don't think too much Happy.

Whoa!

The appearance of Yue Feng and Ren Yingying also attracted the attention of many practitioners and common people.

Many men looked at Ren Yingying with straight eyes.

so beautiful!

In addition to being emotional, these people did not forget their own affairs, and kept looking for spiritual grass on the mountain.

Yue Feng saw that these commoners and cultivators could only reach the halfway up the mountain, and further up was the steep mountain wall, which was very dangerous. It was difficult for ordinary cultivators to fly up, let alone the common people.

Yue Feng knew that those rare spirit grasses grow in the most dangerous places, so after reaching the middle of the mountain, he picked up Ren Yingying and flew directly towards the top of the mountain.

Ren Yingying has no inner strength, so she can only hold her.

Swish!

Being held in Yue Feng's arms, Ren Yingying's beautiful face suddenly turned red, and she was also a little shy at the same time.

The next second, Ren Yingying said angrily: "There are a lot of people watching…"

Yue Feng smiled slightly: "I hug my wife, what are you afraid of." When the

voice fell, Ren Yingying turned her head and said angrily. "Who is your wife? You can meet confidantes wherever you go. Miaoying and Yanhong, who came back with you this time, are much stronger than me. They are your wife.

" hurt and bitterness.

I'm going, are you jealous now?

At this moment, Yue Feng didn't know whether to laugh or cry, and quickly explained: "You misunderstood, that Miaoying said that I am her man, but it's not. She, like Yanhong, is a fairy in an illusory realm…"

The following In a few minutes, Yue Feng explained the situation in the Taiji Illusionary Realm in detail.

call!

Knowing the situation, Ren Yingying was stunned for a while, but it took a long time to recover.

It turns out… that Miaoying and Yanhong are not human!

After saying these words, Yue Feng hugged Ren Yingying and successfully reached the top of the mountain.

Chapter 2974

Wow!

At this moment, looking at the beautiful scenery in front of her, Ren Yingying broke free from Yue Feng's arms with indescribable joy.

I saw that there were a lot of exotic flowers and plants growing around the top of the mountain in front of me, and the fragrance of various elixir mixed together, which was refreshing and refreshing.

In the distance, the sea of clouds is vague, like a fairyland.

"Three suns grass, seven-colored flowers… so many!"

Surprised, Ren Yingying was very excited, and gathered together with Yue Feng.

Half an hour later, the two of them gained a lot, and then Yue Feng hugged Ren Yingying and flew down the mountain.

"Yue Feng!"

At the foot of the mountain, Ren Yingying was moved by the people who were still working hard to collect herbs, and said softly, "These people who collect herbs for a living are so hard, let's distribute more spirit herbs to Are they?!"

Although she used to be the princess of Apocalypse Continent, she was extremely delicate, but Ren Yingying was kind-hearted, especially not seeing the suffering of the people.

"Okay!" Yue Feng agreed with a smile without thinking about it.

In the next second, Yue Feng will walk over and distribute the extra spirit grass to the surrounding people.

"The army is here, run!"

But at this moment, a panicked shout came, and then, the people who were collecting medicine ran into the distance one by one in panic.

Um?

Yue Feng frowned, subconsciously turned his head to look, and saw a large army on the road not far away, with thousands of people in uniform bright armor.

At the front is a guard of honor. The guard of honor guards a luxurious carriage. The carriage is resplendent and made of gold. It is carved with auspicious clouds, dragons and phoenixes. It is pulled by eight white horses. The flags around are also embroidered with five-clawed golden dragons.

What a big stage!

Seeing this scene, Yue Feng couldn't help but muttered, could it be that Queen Nayun is on a tour?

Ren Yingying next to this

trembled, she couldn't help but said softly: "At this time, Emperor Tianqi's dragon ride, how did King Guangping come to Nanyun Continent?"

Ren Yingying used to be a princess. It can be seen that this is the dragon driving of the Apocalypse Continent!

What?

Hearing this, Yue Feng raised his brows, suddenly feeling a little bad.

Is King Guangping sitting in the carriage?

Swish!

At the same time, King Guangping in the carriage also saw Yue Feng and Ren Yingying, and his whole body was shocked, and then he said coldly: "Stop!" In the

next second, King Guangping slowly walked out of the carriage, his eyes locked on Yue Feng: "It's a real life where we don't meet!"

King Guangping visited the Nanyun royal family in the name of an envoy, but his real purpose was to deal with the eight Nine Heavens Saintess, but he didn't expect that when he first came to Nanyun Continent, he I met Yue Feng.

Yue Feng frowned secretly and did not respond.

Ren Yingying next to her was also inexplicably panicked.

"Yue Feng!"

At this time, King Guangping said coldly: “I won’t say much nonsense. During these years, Madam has been in the palace, thinking of you day and night, and lost a lot of weight. Since you meet today, follow me and wait until you return to Tianqi. Continent, how about reuniting you?”

King Guangping kept an eye on his surroundings while saying this.

Speaking of which, when he met Yue Feng, King Guangping wanted to do it directly, but thinking that this was the Nanyun Continent, and Yue Feng was cunning and cunning, who knew if there was an ambush nearby.

Made! This King Guangping is getting more and more hypocritical.

With a murmur in his heart, Yue Feng said angrily: “King Guangping, don’t pretend to be with me. You always wanted to get rid of me, and are you willing to reunite me with my wife?”

“Also, before you were to execute Ya’er, this The account has not been calculated with you!”

When he said this, Yue Feng was full of anger, and at the same time was secretly suspicious.

what happened? How does this King of Guangping give the impression that he is full of air?

Swish!

Chapter 2975

Feeling Yue Feng’s contempt, King Guangping’s face was extremely ugly in an instant, and he said coldly: “Take these two people down!”

At this time, King Guangping has been determined that there is no ambush nearby, only Yue Feng and Ren Yingying Two, don’t worry anymore.

“Yes, Your Majesty!” The

voice fell, and the elites of the surrounding Royal Forest Army responded one after another, holding the long sword tightly, rushing over quickly and surrounding Yue Feng!

Seeing this scene, Ren Yingying was nervous.

If he hadn’t lost his inner strength, he could have left with Yue Feng, but now, he has become Yue Feng’s burden.

Feeling her nervousness, Yue Feng gently comforted: “Don’t be afraid!”

After saying that, Yue Feng protected her behind him, without looking at the elites of the Royal Forest Army around him, and said coldly to King Guangping: “King Guangping, Do you think you can catch the two of us with just these people?”

“As for Madam, I was able to take Ya’er away in front of you, and naturally I could go to the palace and take Madam away.”

Thinking of Qin Rongyin, Yue Feng felt a pain in his heart.

For more than ten years, she has been trapped in the palace, and she does not know how much she has suffered.

Yue Feng’s words completely drove King Guangping crazy.

“Kill him for me!”

Under the roar, King Guangping pulled out a long sword and charged directly at Yue Feng.

At the same time, the surrounding elites of the Royal Forest Army also howled and launched an attack on Yue Feng.

call!

Yue Feng took a deep breath and did not panic at all, Fang Tianhuaji shook hands tightly and went up to meet him.

bang bang bang…

At this time, Yue Feng couldn’t help but practice Guiguzi’s exercises, and he still had the chaotic yin and yang beads of Empress Nuwa in his body. His strength was not what it was before. land.

However, in order to protect Ren Yingying’s well-being, Yue Feng had a dual purpose, and could not devote himself to the battle wholeheartedly. In the face of the constant swarming enemies, it was difficult to rush out for a while.

“Kill him, kill him!”

King Guangping howled desperately, then found an opportunity, attacked from the back, and stabbed Yue Feng in the back with a sword!

“Stab!”

This sword went down, and blood immediately poured out!

“Yue Feng!”

Seeing this scene, Ren Yingying, who was hiding behind, couldn’t help exclaiming, her heart was hanging up, and her delicate face was full of anxiety.

Yue Feng gritted his teeth, endured the severe pain, and shouted at King Guangping: “You are still Emperor Tianqi, do you only attack?” The

voice fell, Yue Feng’s inner strength was motivated, and a dazzling light was seen from Fang Fang. The halberd erupted from the sky, heading straight for King Guangping.

So strong!

Feeling the strength of this ray of light, King Guangping’s expression changed, and he quickly put the long sword in front of him, urging his inner strength to resist.

Bang!

In the next second, the light slammed into the long sword, and a crisp sound was heard, and the long sword was broken into several sections. At the same time, King Guangping also groaned and was sent flying.

Flying dozens of meters away, King Guangping landed on both feet, and his heart was incomparable. At the same time, his eyes locked on Yue Feng, and it became even more gloomy.

This Yue Feng’s strength is getting more and more terrifying. If he were to run away today, there would be endless trouble.

Get rid of him today anyway.

Seeing that King Guangping was knocked back by himself, Yue Feng was about to take advantage of the situation to pursue him, but was quickly stopped by the swarming elites of the Royal Forest Army.

Seeing that King Guangping was injured, the eyes of these imperial guards were all red, and if something happened to His Majesty, he would not be able to bear it.

“Yue Feng… Be careful!”

Seeing Yue Feng being surrounded, Ren Yingying’s eyes suddenly turned red, and she couldn’t help but let out a soft cry.

At this time, Ren Yingying really wanted to help, but she had no inner strength, so she could only be anxious.

The ultimate husband in Chinese chapter 2976-2980

Chapter 2976

“Go to hell, Yue Feng!”

At this moment, King Guangping heard a roar, and then he pulled out a longbow, pinched the feather arrow, and shot directly at Yue Feng’s back heart. Feather Arrow let out a scream in mid-air, and the air was torn apart.

The feather arrow was as fast as lightning, and it was too late when Yue Feng realized the danger.

“Be careful!”

Seeing this scene, Ren Yingying’s pretty face changed, she couldn’t help exclaiming, and then quickly ran over to stand behind Yue Feng!

“Pfft!”

At this moment, the feather arrow slammed into Ren Yingying’s body, blood spurted out instantly, and the tender body softened and fell directly to the ground.

“Yingying!” Yue Feng was shocked and shouted like crazy, turned around and hugged her!

I saw that Ren Yingying’s delicate face became extremely pale at this time, and blood kept flowing out, dyeing her long dress red!

“I…”

Ren Yingying opened her mouth and said only one word, but she couldn’t go on, she just felt that she was in pain.

“Yingying, don’t scare me…!” Yue Feng kept yelling, his eyes were blood red, and his whole body collapsed!

Why? Why are you so stupid.

I obviously lost my inner strength, but I still have to take this arrow for me.

“Yingying, don’t scare me…” Under the heartache, Yue Feng shook Ren Yingying’s body gently, her voice choked up, and she couldn’t help crying.

This chapter is provided by . Visit for daily update.

Originally, she thought that coming out to collect medicine this time would allow her and the Great Sage and others to regain their strength, but why did they never expect that they would meet King Guangping. Moreover, Yingying was injured for herself.

If I had known this earlier, I would have brought her out with me.

Listening to Yue Feng's call, Ren Yingying squeezed a smile on her weak face: "I'll be fine, don't be uncomfortable!"

"Don't talk, don't talk, you will take you back immediately!" Yue The tears of the wind, rushing down, could not be stopped at all!

"Go back!?"

At this moment,

the corner of King Guangping's mouth raised a trace of cruelty, and said coldly: "Today, neither of you can leave, so let's be a pair of desperate mandarin ducks together!" The

voice fell, and King Guangping waved his hand. , the elite of the surrounding Royal Forest Army swarmed again.

Swish!

At this moment, Yue Feng's eyes were extremely blood red, and then he gently put down Ren Yingying, held Fang Tianhua halberd tightly, and looked around.

"All of you must die!"

"Roar!" The

voice fell, Yue Feng stimulated his inner strength, and in an instant, a terrifying aura erupted, and within a kilometer radius, the air was distorted.

"You all have to die, you all have to die!" Yue Feng's voice was already hoarse, and he suddenly raised his right hand under the roar!

"All thoughts are ashes!" The

voice fell, thunderclouds rolled in the sky, and then, a storm completely condensed by internal force, like a huge tornado, shrouded the surrounding Royal Forest Army.

"Ah!"

Several thousand elites of the Imperial Forest Army screamed in agony before they had time to dodge.

In less than ten seconds, more than half of the more than 3,000 garrison troops fell into a pool of blood.

What?

Seeing this scene, King Guangping only felt his scalp tighten and his brain buzzed.

Just one move, killing so many of his subordinates?

“Yue Feng, today…you are lucky today, we will have a future!!” King Guangping howled unwillingly, and then took the rest of the Royal Forest Army and left in embarrassment.

Chapter 2977

To be honest, King Guangping wanted to stay with Yue Feng, but he thought that he had important things to do, so he finally chose to retreat.

King Guangping has thought about it, as long as he completes what His Majesty Pluto has explained, when the time comes, he will be rewarded, and then he will deal with Yue Feng well.

Made!

Watching King Guangping leave with his subordinates, Yue Feng wanted to pursue him, but considering Ren Yingying’s injury, he held back.

“Yingying, hold on, you must hold on…” The

next second, Yue Feng quickly picked up Ren Yingying and flew into the air with anxiety and distress on his face.

“Yue Feng, I feel so cold, am I going to die?” Ren Yingying said weakly, it was distressing!

“Don’t talk nonsense, you won’t die, I won’t allow you to die!” Yue Feng hugged her tightly, only to feel that his heart was trembling, and at the same time he speeded up.

A few hours later, Yue Feng took Ren Yingying and joined Sun Dasheng and others.

Whoa!

In an instant, everyone panicked when they saw that Ren Yingying was seriously injured. Afterwards, Lu Dongbin healed Ren Yingying.

Speaking of which, Yue Feng had learned medical skills from Shennong, as well as Wuji alchemy, but Ren Yingying was injured too badly, and Yue Feng was not sure at all.

But Lu Dongbin is different, he is a master of the Taoist generation.

Two hours later, Lu Dongbin walked out of the tent with a tired face!

Yue Feng hurried over and asked anxiously, “Master Lu, how is Yingying?”

Lu Dongbin smiled slightly and comforted: “Sect Master Yue, Miss Yingying is all right now, but that arrow stabbed her in the heart, and if it went deeper, I’m afraid she will die, but it’s all right now, just rest and recuperate. “Huh ..

“

Hearing this, Yue Feng exhaled a long breath, overjoyed, and kept bowing to Lu Dongbin: “Thank you Daoist, thank you Daoist!”

Lu Dongbin smiled and waved his hand. Nothing, and then said solemnly: “By the way, there is one more thing. When I pulled out the arrow just now, I found that there was a kind of sinister left on the arrow. Moreover, this sinister is very evil, and you will encounter this in the future. King Guangping, be careful!”

Sinister?

Hearing this, Yue Feng was stunned.

When we first met before, I felt that King Guangping was different from before, but now, Lu Dongbin found a sinister poison on the arrow again…

Could it be… He is also related to Hades?

“Okay!”

Just when Yue Feng was thinking about this, Lu Dongbin smiled slightly: “I’m going to make an antidote for everyone.” After saying that, Lu Dongbin walked away slowly!

call!

Watching Lu Dongbin walk away, Yue Feng couldn’t wait to walk into the tent.

In the tent, Ren Yingying was lying there, her face still pale. Her eyes were tightly closed, her eyelashes fluttered gently, which was pitiful.

Yue Feng walked up to her and looked at her quietly, feeling unspeakable guilt.

As a noble princess, after following her, Yingying has suffered so much over the years, yet she has not been given happiness, and was seriously injured by King Guangping and almost died.

But fortunately, she has no worries about her life now.

“Yue Feng…”

Just when Yue Feng was secretly blaming himself, Ren Yingying woke up and couldn’t help but called out softly.

Yue Feng reacted and pulled Ren Yingying’s hand gently: “Yingying, why did you block that arrow for me before? You are not allowed to do such silly things in the future.”

Ren Yingying smiled, her tone weak, but very serious: “You are my husband, and the situation was so dangerous at the time. Of course I wanted to stop you. Otherwise, if something happened to you, what’s the point of my life?”

Hearing this, Yue Feng’s heart trembled and he couldn’t say anything. Moving!

The next second, Yue Feng gently held her in his arms.

Chapter 2978

Feeling Yue Feng’s warmth, Ren Yingying pressed her face to his heart, showing a happy smile on her beautiful face.

Over the years, he and Yue Feng have been together less and more apart.

At this time, Ren Yingying only thought about Yue Feng holding her all the time.

call!

At this moment, looking at Ren Yingying from a close distance, her red lips were so delicate that Yue Feng kissed him all at once.

hum!

At this moment, Ren Yingying’s delicate body trembled, she only felt her brain buzzing, her whole body softened, and then she slowly closed her eyes.

For a time, the atmosphere of the tent was indescribably warm.

“Sister Yingying!”

However, at this moment, a shout came from outside, and it was Meihui’s voice.

In the next second, the tent curtain was lifted, and Meihui walked in quickly, her delicate face full of eagerness: “Sister Yingying, how are you…”

Shah!

Just halfway through, when she saw the situation in front of her, Meihui’s body trembled, and she was immediately stunned.

Meihui saw that Yue Feng was holding Ren Yingying with a lot of affection, while Ren Yingying was only wearing a slapstick, and the whole person was snuggling up in Yue Feng’s arms, and the two of them….

this… big brother and sister Yingying …

After everyone settled here, Meihui went out to inquire about the news. After all, she would be faceless, and everyone was not worried. As soon as she came back, she learned that Ren Yingying was injured.

Meihui and Ren Yingying are sisters in love, so they rushed over to take a look when they were worried. Unexpectedly, Yue Feng was still there.

The next second, Meihui reacted, her delicate face blushing all of a sudden, Meihui had matured a lot at this time, and she suddenly understood that she had disturbed the world of Yue Feng and Ren Yingying.

“Brother…” Mei Hui was a little embarrassed, she quickly closed her eyes and said with a smile, “I didn’t see anything.”

Uh…

Yue Feng was also a little embarrassed, this little girl just broke in like this, Fortunately, I and Ren Yingying didn’t go further, otherwise, it would be even more embarrassing.

Thinking to himself, Yue Feng scratched his head: “You guys talk, I’ll go out!”

Then he walked out of the tent.

At the same time, Ren Yingying is also extremely shy, with a delicate face, like a ripe red apple.

Seeing Yue Feng go out, Mei Hui pursed her lips and smiled, then walked over.

When they got to the front, Meihui took Ren Yingying’s hand and asked with concern: “Sister Yingying, how do you feel now? I was worried to death when I heard that you were injured.”

“It’s alright.” Ren Yingying shallowly He smiled and said, “Fortunately, Daochang Lu came to the rescue.”

Huh!

Hearing this, Meihui finally let go of her hanging heart.

In the next second, Meihui thought of the scene just now, and looked at Ren Yingying with a smile: “Sister Yingying, when will you and my elder brother get married?”

“Wait for the situation to stabilize!” Ren Yingying replied gently, and then couldn’t help it. Asked: “Why are you asking this?”

Meihui pursed her lips and smiled: “You two are in love with each other, and once you have a name, you can be together well. After you held the wedding, even if you encountered the situation just now, Don’t be embarrassed.”

Over the years, Ren Yingying has been living in the Ouyang family, and has a very good relationship with Meihui. There are some things that Meihui was embarrassed to say before, but now that she is mature, she is more courageous.

Swish!

Hearing this, Ren Yingying’s face flushed with blush, she bit her lip, and said softly: “Don’t talk nonsense, Yue Feng and I were actually…”

When she said this, Ren Yingying felt His heart beat faster inexplicably!

Seeing her flustered explanation, Meihui tilted her head and laughed jokingly: “Sister Yingying, don’t explain, I have seen it all. Besides, isn’t it normal for men and women to love each other!”

Chapter 2979

Said, Meihui said seriously: “Seriously, I really want you and my elder brother to have a wedding soon, and give me a little nephew!”

This….

Hearing this, Ren Yingying was embarrassed Nai, all of a sudden it turned red to the neck, and laughed and scolded: “You girl, what are you thinking about? Well, I’m going to rest, go out and help!”

At this time, Ren Yingying was very shy, just thinking about Hurry up and take Meihui away, otherwise, Meihui will speak out more shameful things.

“Okay, then you can rest!” Mei Hui smiled and walked out.

When I got outside, I saw Yue Feng standing there waiting.

“Little sister!”

Seeing Meihui coming out, Yue Feng quickly asked, “Did you hear anything when you went out to inquire about news?”

The scene just now was really embarrassing, so Yue Feng quickly brought up other topics, otherwise, he would Made fun of by Miho.

“Yes!”

Meihui pondered for a while, and said seriously: “I got news in Nanyun Imperial City just now that the Queen wants to help the eight saintess to build the Xuantian Great Array. I heard that this Xuantian Great Array is very large and needs to be It takes a lot of financial and material resources.”

Hearing this, Yue Feng frowned secretly.

Of course, Yue Feng knew about the Xuantian Great Array. When Zi Yan brought him into the Mitian Spirit Realm, he told him that the previous Xuantian Great Array was connected to the Kyushu Continent, and the eye of the array was on the top of the Kunlun Mountain at the top of the Kyushu. Later, it was secretly destroyed by Hades, and the Xuantian Great Array was destroyed.

If Empress Nagumo can help rebuild the Xuantian Great Array this time, the Nine Heavens Saintess will be able to establish contact with the Divine Realm. At that time, with the help of the Divine Realm, she will be able to smash Hades’ conspiracy.

Overall, this is a good thing.

Thinking to himself, Yue Feng suddenly thought of King Guangping.

Just as Queen Nanyun was about to build a grand formation for Jiutian Xuannv, King Guangping came with an embassy. Is this a coincidence?

Thinking of the evil spirit on King Guangping again, Yue Feng felt more and more wrong.

“That’s right!”

Just when Yue Feng was thinking about it, Meihui continued: “When I came back just now, the Queen issued an edict to invite people with lofty ideals from all continents to help build the Xuantian Great Array.

” At this point, Meihui couldn’t help but say, “Big brother, is this Xuantian formation really that important?”

Huh!

Yue Feng took a deep breath and said slowly, “The Xuantian formation is very important, and of course it is very important. Since the queen has issued an edict, let’s go join in the fun!” After

speaking, Yue Feng found Miaoying and Yanhong and let them They guarded everyone, and then took Mei Hui and quietly returned to the Nanyun Imperial City.

……

Empress Nagumo issued an edict to invite people with lofty ideals from Kyushu to come to help build the Xuantian Great Array, which soon spread throughout the Kyushu continent, whether it was on the rivers, lakes or the common people, talking about it this thing.

For a time, the sect forces of various continents poured into the Southern Cloud Continent.

At this moment, in a small town on the border between Nayun Continent and Apocalypse Continent.

The town is not big, but it is very lively, with various shops.

In the private room on the second floor of a tavern, White Horse sat there, looking at the scene on the street through the window, with a relaxed and comfortable face.

Half a day ago, I learned that the Empress had issued an edict, and the sects of all continents rushed to the Nanyun Imperial City.

After getting the Axe, White Horse was ready to do something big. This time the Queen issued an edict and knew that the opportunity was coming.

“Palace Master!”

At this moment, a man with a fair complexion walked over quickly and respectfully said to the white horse: “This subordinate has just inspected the surrounding town and made a major discovery!” The

man’s name is Yang Gang, and he is the confidant of the white horse.

Since becoming the master of the hall, White Horse has carried out a major cleaning, and replaced some important positions in the hall of longevity with his own.

“What major discovery?” Bai Ma leisurely took a sip of tea and said lightly.

Chapter 2980

Yang Gang didn’t answer directly, but looked around, made sure there was no one else, and walked over.

When he got to the front, Yang Gang lowered his voice and said, “Palace Master, I seem to have seen Palace Master Wen just now!?”

What?

Hearing this, Bai Ma’s body trembled, and a sip of tea almost spit out.

Ugly? Isn’t he dead?

I watched him fall into the abyss with my own eyes. How could he still be alive?

The next second, Bai Ma tried to calm down and said coldly, “Yang Gang, are you sure you read it right?”

Yang Gang hurriedly said, “My subordinates dare not deceive the palace master, it is indeed Wen Chou Chou, and it seems that he is going to the Southern Cloud Continent! “

Speaking, Yang Gang explained in detail what he saw about Wen Chou Chou.

call!

After hearing this, White Horse sat there, unable to calm down for a long time.

Finally, a few minutes later, Bai Ma said, “Get ready now. Since Wen Chou Chou is not dead, let’s prepare a big gift and give him a good deal!”

When he said this, Bai Ma had a smile on his face, but his eyes Glittering gloomy.

“Yes, Hall Master!” Yang Gang responded quickly, and then went to prepare.

….

on the other side, on a mountain road a few miles away from the town.

At this time, night fell, the mountain road was rugged, and everything was silent, and I saw a person not far away, alone, walking slowly.

This man was wearing a black robe, his face was a little pale, but there was a scholarly atmosphere all over his body.

It is the ugly ugly.

One day ago, after separating from Duan Yu, Wen Chou Chou was cultivating alone in the valley. After he recovered completely, he was going to go to Yue Feng. As a result, on the way, he saw many sects in Jianghu, and they all rushed to Nanyun Continent.

Through inquiries, Wen Chou Chou learned that the Queen was going to build the Xuantian Great Array for the Nine Heavens Saintess, and Yue Feng would definitely be there for such an important matter. At that time, Wen Chou Chou did not hesitate and rushed towards Nanyun Imperial City.

Wen Chou Chou acted cautiously, he did not completely break the soul contract with Hades, and the evil spirit in his body would inevitably be discovered, so he deliberately took the path and avoided contact with people.

Um?

As he was walking, Wen Chou Chou heard a movement in front of him, beating and scolding mixed with the old man's pleading.

Hearing the movement, Wen Chou Chou didn't hesitate and walked over directly.

Swish!

Entering the woods in front, Wen Chou Chou secretly frowned upon seeing the scene in front of him, feeling very annoyed!

I saw that in the woods, an old man with a bamboo basket on his back was pushed to the ground. The herbs in the bamboo basket were scattered everywhere, and one leg seemed to be lame, very pitiful.

Beside the old man, several cultivators stood there, each of them fierce and scolding.

"Ma De, dare to collect herbs in our Shenfengtang? Tired of living!"

"Old man, the herbs in this area are all from our Shenfengtang, do you know?"

"Accompany us for one million Kyushu coins . I'll spare you today."

Facing the angry curses of several practitioners, the old man was terrified, lying on the ground and kept begging: "If you do well, please forgive me, I don't have a million! My wife is seriously ill, and there is really nothing I can do, so I came here to collect medicine…"

“If you don’t have money, if you don’t have money, you will pay for it with your life!” The

leader of the cultivator, after speaking viciously, drew out his long sword and stabbed the old man.

Nima!

Seeing this scene, Wen Chou Chou didn’t have time to think about it, he walked over quickly and shouted angrily, “Stop!”

At this time, Wen Chou Chou had already understood that the old man’s family was sick, so he came out to collect medicine, and broke into this place. The site of the Kamikaze Temple.

It’s just that these people from the Shenfengtang are too arrogant and domineering, and they will hurt people for a few medicines.

Wen Chou Chou is righteous and awe-inspiring, how can you stand by when such a thing happens?

The ultimate husband in Chinese chapter 2981-2990

Chapter 2981

Swish!

In an instant, several practitioners stopped one after another, their eyes locked on Wen Chou Chou.

The next second, the leader pointed at Wen Chou Chou and scolded: “Don’t meddle in your own business, do you know who I am? The third master of Shenfengtang, Cheng Dong! You go to the neighborhood to inquire, who doesn’t know me Cheng Dong? Your prestige?” The

voice fell, and the surrounding accomplices also shouted.

“Hurry up!”

“Be a hero on our territory? Court death!”

Under the clamor, Cheng Dong and a few people came over and surrounded Wen Chou Chou.

“Om!”

Looking at Cheng Dong and a few people around, Wen Chou Chou didn’t panic at all, his inner strength was running, he raised his hand, and in an instant, a powerful breath burst out.

Bang bang bang…

The next second, Wen Chou Chou’s figure was like a ghost, and rushed over directly. Before Cheng Dong could react, they were shocked and flew out by a powerful force, each of them spitting blood, and they were extremely embarrassed.

“Go away!” Wen Chou Chou didn’t talk nonsense, and spit out a word coldly.

“You…you dare to interfere in our Shenfengtang affairs, you have something to wait for, don’t go!” Cheng Dong struggled to stand up, shouted at Wen Chou Chou, then greeted a few companions, and fled.

In the blink of an eye, he disappeared into the darkness.

call!

This chapter is provided by . Visit for daily update.

Wen Chou Chou didn't take Cheng Dong's threat to heart at all. Even the common people are bullied, this Shenfengtang must be a small sect that is not in the mainstream. Not enough to worry about.

The next second, Wen Chou Chou walked over slowly and asked the old man, "Old man, are you all right?"

The old man was full of gratitude: "Thank you for this benefactor, you have provoked the people of Kamikaze, they will not let you go, you can go quickly!"

When saying this, the old man's face was sincere, but there was a glint in his eyes. cunning.

Yes, this old man was pretending to be Yang Gang, and those cultivators just now were not from Shenfengtang at all. All of this was a trap set by Baima.

call!

Wen Chou Chou took a deep breath and said with a smile, "Don't worry, old man, I'm not afraid of people from Shenfengtang. You can't walk on your legs. I'll take you back!"

Wen Chou Chou was chivalrous and benevolent, seeing the old man in front of him with a lame leg, kind heart Dafa, decide good people to do it in the end.

"In this case, I would like to thank the benefactor!" Yang Gang expressed his sincerity and fear, and thanked him repeatedly.

Afterwards, Yang Gang picked up the herbs scattered on the ground, and with the help of Wen Chou Chou, walked towards the village not far away.

Soon, when he arrived at a lonely courtyard outside the village, Yang Gang said with a smile, "I'm here, my wife will rest in it, it's really troublesome for my benefactor!"

Wen Chou Chou nodded and frowned.

I saw that in this courtyard, the weeds were overgrown, and the walls were mottled and desolate. How could it seem like a place to live?

However, Wen Chou Chou didn't think much about it. After all, the old man in front of him looked like a poor commoner. If he were rich, he wouldn't take the risk to collect medicine at night.

"I'll help you in." Wen Chou Chou said, and he helped Yang Gang and walked in.

Um?

Arriving in the room, Wen Chou Chou realized that something was wrong. The room in front of him was covered with dust, and there were cobwebs all over the corners. It was obviously abandoned for many years. Moreover, it was empty and there was no wife like Yang Gang mentioned…

Under the doubts, Wen Chou Chou subconsciously said: “Old man, you…”

As soon as he said a few words, Wen Chou Chou felt a danger coming from behind.

hum!

At this moment, Yang Gang, who was originally trembling, suddenly raised his palm and hit Wen Chou Chou directly on the back.

Yang Gang shot quickly, and with such a close distance, Wen Chou Chou couldn’t react at all.

boom!

The next second, a dull vibration rang out, and Wen Chou Chou groaned, and the figure staggered back, taking a few dozen steps back, and finally bumped into a pile of debris in the yard, his face pale.

“You… who are you?” Wen Chou Chou locked onto Yang Gang tightly and was extremely frightened. He never imagined that this person would actually retaliate for kindness and revenge. What was even more surprising was that the old man in front of him was pretending to be a cultivator.

Chapter 2982

“Wen Chou Chou!”

Feeling Wen Chou Chou’s anger, Yang Gang showed a treacherous smile: “The hall master has orders, and I have no choice but to do so.” After the words

fell, Yang Gang raised his hand to remove the mask on his face, revealing the original face.

“Yang Gang?”

Seeing his face, Wen Chou Chou’s heart trembled, and at the same time his anger rose: “You are so daring, you actually attacked me!”

This Yang Gang was originally a small leader under the altar of the Hall of Longevity. , Because of his bad intentions, he has never been reused by Wen Chou Chou. Now that he is plotting against him, Wen Chou Chou is naturally furious.

call!

Feeling Wen Chou Chou's anger, Yang Gang was obviously a little flustered, but he still had the courage to say: "Wen Chou Chou, you are no longer the hall master, so don't put on airs in front of me!"

Hearing this, Wen Chou Chou frowned. He said coldly: "You said the hall master has an order, who is the new hall master?"

Hula…

As soon as he finished speaking, he heard footsteps coming from outside the courtyard, and then, dozens of figures walked away quickly When he came in, the one at the head was dressed in a white long gown and was indescribably high-spirited.

It is the white horse!

"It's you?!" Seeing the

white horse, Wen Chou Chou's eyes were instantly blood red, and he couldn't hide his inner anger: "White horse! You bastard, you dare to send someone to raid me!"

Chou, secretly raided, causing Wen Chou Chou to fall into the abyss, and then strayed into the path of attracting the soul, and was forced to be called the messenger of Hades, a chess piece under Hades.

After that, Wen Chou Chou falsely passed the orders of Hades, let go of the major sects, was subjected to various tortures, and finally was thrown into purgatory.

It can be said that his current situation is all caused by a white horse.

"Hehe!"

In the face of Wen Chou Chou's anger, Bai Ma did not panic at all, and said with a half-smile, "Wen Chou Chou, you are so lucky, you didn't die when you were knocked down into the abyss!"

"You know, for your sake! The cause of your death, I took great pains to put everything on Zhang Jiao, the whole Changsheng Palace, up and down, thought you were killed by Zhang Jiao, so I tried to kill Zhang Jiao and let them support me as the hall master."

"Who knows that you will survive the disaster, tell me, what should I do?"

After the last sentence, Bai Ma's face was full of hideousness.

What? !

Did he kill Zhang Jiao?

Hearing this, Wen Chou Chou was shocked, and at the same time, he was angry, and shouted angrily: “Bai Ma, you have committed the following crimes, and you are trying to seize the throne of the Palace Master, are you not afraid of thunder?”

At this time, Wen Chou Chou was trembling with anger. If I had known this earlier, when I first became the Palace Master, I should have removed this white horse.

“Presumptuous!”

As soon as he finished speaking, he saw Yang Gang striding out and angrily scolded at Wen Chou Chou: “Dare to talk to the hall master like that, are you courting death?

” man gesture.

When Wen Chou Chou was the Palace Master, Yang Gang was not reused at all, but now, Bai Ma became the Palace Master, and he was promoted all at once, so in Yang Gang’s heart, he was very grateful to Bai Ma, and naturally he would try his best to please him.

call!

Wen Chou Chou ignored Yang Gang, but looked around.

I saw that these people around were all the cronies of White Horse. But Wen Chou Chou doesn’t panic at all!

At this time, Bai Ma was too lazy to talk nonsense, and sneered at Wen Chou Chou: “Wen Chou Chou, I let you escape last time, but this time you are not so lucky.”

The voice fell, the white horse flashed, and the inner force urged him to charge directly towards Wen Chou Chou.

“You want to kill me, I’m afraid you don’t have the ability!” Wen Chou Chou sneered and raised his hands suddenly!

“Buzz!”

Chapter 2983

In an instant, the surrounding air distorted rapidly, and then, a violent force condensed a sword shadow and exploded towards the rushing white horse.

Seeing the sword shadow roaring, the white horse snorted coldly: “I’m not self-sufficient! Wen Chou Chou, I’m no longer the white horse I used to be, see clearly!” The

voice fell, and a click was heard, a giant axe being held tightly by the white horse. Holding it in his hand, the giant axe shone with golden light, like a scorching sun in the night.

It is the opening axe!

What?

Wen Chou Chou was shocked when he saw the opening axe!

This peerless divine weapon is actually in his hands!

hum!

Just at the moment when I was stunned, I saw the white horse suddenly raise his hand and wave, and a golden beam burst out from the opening axe, tearing the world apart!

boom!

Jinmang and Jianying collided, and a violent aura vibrated. Immediately, Jianying was directly defeated, turned into an afterimage, and disappeared into the night!

Mad!

Seeing this scene, Wen Chou Chou was shocked and angry, full of horror.

The power of this opening axe is too terrifying. The sword shadows condensed by himself, in the Kyushu continent, there are very few people who can block them, but they are defeated by this opening axe!

Too, too strong, right? !

“Wen Chou Chou!” The white horse figure hovered proudly in the air, with a proud face, staring at Wen Chou Chou closely and said, “Today you are doomed, no one can save you, die.” The

voice fell, and the white horse clenched the axe, and the figure Like a streamer, it rushed directly to Wen Chou Chou!

“Even if I die, I will drag you to be buried with me!” Wen Chou Chou was completely insane, his eyes were blood red, and the moment his voice fell, a cloud of black mist erupted from Wen Chou Chou’s body, filling the white horse.

Yes, Wen Chou Chou broke out the power of the ghost world, which contains the unique sinister power of the ghost world.

Chi Chi…

In an instant, I saw the surrounding trees, contaminated with this black mist, the leaves withered instantly, very terrifying!

What? !

What is this? !

At this time, the white horse did not know that Wen Chou Chou was the messenger of Hades, and the black mist that erupted was extremely poisonous.

In shock, Bai Ma didn't have time to think, and hurriedly stopped the Kaitian Axe in front of him, at the same time urging the power of the Kaitian Axe to condense a golden protective film in front of him.

Chi Chi Chi!

The black mist filled the air, hit the protective film, and made a sound of corrosion, but instead of dissolving the protective film, it was blocked.

Speaking of which, ordinary weapons would have been corroded by the black mist long ago, but the Kaitian Axe was a peerless weapon, and the poison in the black mist had no effect on it at all.

This… how could this be?

Seeing this scene, Wen Chou Chou was shocked, and the whole person was stunned.

Even the evil spirits of the ghost world were blocked by the axe, how could this be done?

"Hahaha!"

Seeing Wen Chou Chou's shock, Bai Ma laughed loudly and said proudly, "Wen Chou Chou, are you all that capable?" After speaking, the whole person rushed again!

Wen Chou Chou was shocked and angry, he quickly pulled out his long sword and went up to meet him!

"clang!"

In the next second, the long sword and the opening axe collided, making a loud noise, and Wen Chou Chou was directly sent flying by more than 100 meters, and a mouthful of blood spurted out.

Chapter 2984

“Pfft!”

After landing, Wen Chou Chou vomited several mouthfuls of blood, and a shocking wound was cut on his chest by the opening axe.

To be honest, although Baima’s strength has improved a lot during this period, he is not a match for Wen Chou Chou at all.

But Bai Ma relies on the power of the opening axe, and the situation is different.

“Haha!”

Seeing that Wen Chou Chou was severely injured by himself, Bai Ma was extremely proud, and laughed loudly: “Wen Chou Chou, today is your day of death, you can go in peace, I will lead the Hall of Longevity to flourish and be called the first sect in Kyushu! “The

voice fell, and Bai Ma’s eyes flashed hideously, and he returned his hand.

Puchi puchi…

The next second, Yang Gang and several of his subordinates rushed over and stabbed Wen Chou Chou with the long knife in their hands.

These long knives directly penetrated Wen Chou Chou.

Pfft!

Wen Chou Chou only felt that all the strength in his body was taken away in an instant, and his whole body was extremely weak.

But at the same time, more than a dozen people rushed over to the Apocalypse soldiers, and the long swords in their hands stabbed at Wen Chou Chou!

“Puchi! Puchi!”

Wen Chouchou’s mouth was full of blood! His body seems to have been stabbed into a hornet’s nest!

Seeing this scene, the white horse showed a cruel smile, Wen Chou Chou looks at you this time and is still alive?

As long as Wen Chou Chou is eliminated, he will no longer have to worry about.

Um?

But the next scene made the white horse turn pale.

I saw that Wen Chou Chou was covered in blood, and he stood up staggeringly. You must know that ordinary people will die without a doubt, but Bai Ma clearly saw that Wen Chou Chou showed no signs of dying.

How could this be?

At this time, Bai Ma didn't know that Wen Chou Chou and Hades had a soul contract, and he was not a living person. No one in the Kyushu Continent could really kill him.

At the same time, Yang Gang and the people around him were also horrified.

Such a serious injury is still not dead, is this still a human?

"Palace Master!" In the

next second, Yang Gang couldn't help swallowing his saliva and said cautiously, "What should I do?"

"Lock him up first!" Bai Ma frowned secretly, unable to think of any other way for a while.

After Bai Ma thought about it, he went to Nanyun Imperial City first, and then he was trying to find a way to deal with Wen Chou Chou.

When the words fell, Yang Gang hurriedly and a few subordinates locked Wen Chou Chou in an iron cage, then covered the outside with black cloth, carried the iron cage to a car, and left quickly, disappearing into the night in a blink of an eye. among.

……

On the other side, Nagumo Imperial City!

In the woods outside the imperial city, Yue Feng and Meihui stood there, looking at the situation inside the imperial city.

I saw that the sects of various continents poured into the imperial city one after another, making the originally prosperous imperial city even more lively. With so many forces in the rivers and lakes, the queen also sent guards to maintain order.

Phew…

Seeing this, Yue Feng frowned secretly.

Nima, with so many guards patrolling, wouldn't it be easy to be discovered just by going in like this?

Seeing Yue Feng's expression, Mei Hui couldn't help laughing and said, "Brother, are you worried about how to enter the imperial city? Don't worry, I have a solution!"

After speaking, Mei Hui took out some special powder from her body and smeared it on Yue Feng face.

Meihui is the only descendant of the Thousand-faced Man. In addition to 'Wuxiang Qianmian', there are also some simple disguise techniques, so changing Yue Feng's appearance is not a problem at all.

To be honest, Mei Hui really wanted to teach Yue Feng's unique technique of 'Without Phases and Thousands of Faces', but Master Fang Qifo once said that a person with a thousand faces can only have one descendant, and at this time the patriarch left the rules.

"Okay!"

After a few seconds, Mei Hui clapped her hands and said with a smile: "Brother, you can look in the mirror!" After she finished speaking, she handed the mirror over.

Chapter 2985

I'm going!

When Yue Feng looked in the mirror, he was immediately stunned. His appearance had completely changed, and there was no sign of disguise at all.

The camouflage of the Thousand Faces is too subtle! It's almost as easy as falling apart.

At this time, Mei Hui also made a simple disguise for herself, and in a blink of an eye, she changed from a charming goddess to an ordinary woman.

Seeing that Meihui also changed her appearance, Yue Feng secretly praised again!

After getting ready, Yue Feng and Meihui followed the pedestrians and entered the imperial city.

"Little sister!"

When they arrived on Huangcheng Street, Yue Feng looked at the surrounding environment and said, "Let's act separately, you go to inquire about the situation of the various doors, and I will go to the palace!" The

queen proposed to be the Holy Maiden of Nine Heavens . The construction of the Xuantian Great Array is no trivial matter, and the sects of various continents are mixed with dragons and snakes, and no one knows whether there are secret refugees in Hades, so we must investigate carefully.

Um!

Meihui nodded and went to check the situation.

Watching Meihui walk away, Yue Feng took a deep breath and quickly approached the palace.

It was already dusk, so when he arrived near the palace, Yue Feng did not rush in, but slowly waited for night to fall.

Yue Feng thought about it, and after it got dark, he went to investigate the situation of King Guangping. After all, King Guangping was too suspicious. As soon as Queen Nanyun issued an imperial edict from Kyushu, he brought the embassy to Nanyun Continent, as if he knew in advance.

…..

At this moment, inside the palace, Tianen Palace.

Tianen Palace is a place within the Nanyun Palace that specially receives foreign divisions. King Guangping, as Emperor Tianqi, was arranged here.

At this time, in the palace, King Guangping sat there with a gloomy expression.

In front of him, stood a black shadow, filled with yin energy, with a cunning and insidious look, it was Gong Hao, the messenger of Hades.

“King Guangping!”

At this time, Gong Hao said slowly: “The King of Pluto has an order, this time to come to the Nanyun Continent, not only to destroy the Xuantian Great Array, but also to turn the Queen of Nanyun into his own.

” , Gong Hao took out an elixir and continued: “At this time, Xuanming Pill, you need to find a way to make Queen Nayun take it. As long as she takes Xuanming Pill, she can be charged by His Majesty Hades.

” Hao handed the medicinal pill to King Guangping, and after explaining a few more words, he turned and left.

call!

After Gong Hao left, King Guangping looked at the Xuanming Pill in his hand and fell into deep thought.

…

In the middle of the night, the entire palace was shrouded in darkness.

At this time, Yue Feng hid in the dark and had been waiting for two hours.

“Whoosh!”

Taking advantage of the changing of the guard at the palace gate, Yue Feng didn’t have time to think about it, his figure flashed and he rushed in.

Entering the palace, Yue Feng walked directly towards the Tianen Palace. Yue Feng used to be the concubine of the Nanyun Continent and was very familiar with the Nanyun Palace. Knowing that Tianen Hall is the place to receive VIPs, King Guangping is Emperor Tianqi, and his status is extraordinary, so he must be arranged here.

Um?

When approaching Tianen Hall, Yue Feng suddenly stopped and frowned.

I saw that King Guangping came out of the palace with a mysterious look on his face, and there was only one person, not accompanied by guards.

After walking out of the palace, King Guangping looked around, then took out a mask, put it on his face, and then walked towards the palace where the queen was resting.

call!

Seeing this scene, Yue Feng couldn’t help but muttered, what is King Guangping sneaking up to?

Muttering in his heart, Yue Feng did not hesitate to follow him.

Soon, the two of them arrived at the Queen’s bedroom one after the other.

puff puff!

As soon as he arrived at the door of the palace, he saw King Guangping’s hand like lightning, raising his palm and hitting the two palace maids guarding the door.

King Guangping made his move very quickly, and the two palace maids couldn’t react at all, and without even seeing who they were, they collapsed to the ground one after another.

Chapter 2986

“Who is outside?”

Hearing the movement, the queen who was preparing to rest in the palace couldn’t help but shouted softly.

At this moment, King Guangping showed a smile and responded, “It’s me!” The

voice fell, and King Guangping pushed in the door.

hiss!

At this moment, when he saw the scene inside, King Guangping’s eyes immediately straightened.

I saw that the queen was wearing a palace gauze, half lying on the soft couch, and the perfect curve was looming. Any man would go crazy when he saw this scene.

“You…”

At the same time, the queen was surprised when she saw King Guangping: “Who are you?”

Because King Guangping was wearing a mask, the queen couldn’t recognize him at all, but she felt the breath on him, Still a little apprehensive.

“Your Majesty, don’t panic!” King Guangping smiled and said, “I’m here to find you to cooperate!” As he

spoke, King Guangping looked up and down at the Queen.

Beautiful, so beautiful, it is said that Queen Nayun is beautiful, but now that she looks at it, she really lives up to her reputation.

Speaking of which, when King Guangping first came, he was entertained by the Queen, but the Queen was dressed in grand clothes at that time, but at this time, she was wearing light and thin clothes, and the visual experience was completely different.

Hearing this, the queen was stunned.

Papa…

That is, at this moment, while the Queen was shaking her head, King Guangping flashed and rushed over, raised his hand and touched the Queen's acupuncture point. In an instant, the Queen's delicate body trembled and she couldn't move.

The next second, King Guangping took out a packet of powder from his body and sprinkled it in front of the queen's face.

hum!

At this moment, the queen inhaled the powder, only to feel that everything in front of her eyes was a little blurred, the world was spinning, and she was drowsy.

Yes, the powder sprinkled by King Guangping is a kind of drug. Any woman who inhales will drop her sanity and go into madness.

Speaking of which, King Guangping originally wanted to act according to the plan and give the Queen a Xuanming Pill, but then she thought about it, isn't it a pity that the Queen is so beautiful and doesn't want to use it?

King Guangping thought about it, and after enjoying the gentleness of the queen, he would give her the Xuanming Pill, which would be considered to have completed the task given by Hades.

"You…" The

drug addiction attacked very quickly, and the queen looked at King Guangping angrily, only said one word, and gradually lost consciousness.

Haha….hahaha..

King Guangping was very proud, showing a smile, ready to hug the queen softly.

"Om!"

However, at this moment, a powerful breath came from outside the bedroom, followed by a figure, as fast as a thunderbolt, hitting King Guangping's back with a palm.

It is Yue Feng!

Yue Feng followed King Guangping to the outside of the Queen's bedroom. Yue Feng saw everything just now. At this time, when King Guangping was about to sully the Queen's innocence, he couldn't bear it any longer.

This palm has an overwhelming potential!

Um?

Feeling the danger, King Guangping was furious, and Yue Feng suddenly made a surprise attack. He couldn't dodge at all, so he could only quickly use his inner strength and raised his palm to greet him.

"boom!"

The two of them touched their palms and made a dull vibration, and the entire bedroom seemed to be shaking!

At this moment, Yue Feng only felt the blood in his body tossing, his face was pale, and his body retreated several steps!

Nima!

I haven't seen him for a day, this King of Guangping has improved a lot!

At the same time, King Guangping also staggered back, and finally hit a pillar to stabilize his figure, his eyes fixed on Yue Feng, horrified.

Who is this person, his strength is so terrifying! ?

Yue Feng was disguised by Meihui, and King Guangping couldn't recognize him at all.

"King Guangping, you are very courageous. If you want to sully the Queen, you are not afraid that things will be exposed, and you can't go back to the Apocalypse Continent?!" Yue Feng sneered and sneered.

Chapter 2987

When he said this, Yue Feng used ventriloquism and his voice was hoarse.

Speaking of which, Yue Feng didn't want to hide his identity, but he didn't find out the secret of King Guangping, so he could only pretend!

What?

Seeing the other party reveal his identity all of a sudden, King Guangping was shocked, angry and a little panicked.

"What is King Guangping, you've identified the wrong person!" In the

next second, King Guangping spoke coldly, and the moment the voice fell, he raised his hand and waved, and suddenly a black mist filled the entire bedroom.

Feeling the poison in the black mist, Yue Feng did not dare to approach, and subconsciously retreated!

Whoosh!

Taking this opportunity, King Guangping did not hesitate, turned and rushed out of the bedroom, disappearing into the night.

To be honest, King Guangping didn't want to be so embarrassed, but the other party guessed his identity and continued to fight with him, which would inevitably attract guards. At that time, it would be too late to leave.

Made!

Watching King Guangping escape, Yue Feng frowned secretly, very annoyed.

At this time, Yue Feng wanted to pursue him very much, but he had sneaked into the palace and could not be exposed.

call!

The next second, Yue Feng took a deep breath, turned his head to look, and saw the Queen lying there, her pretty face flushed, her delicate body trembling slightly, looking very painful.

"The first emperor, is that you?"

At this moment, the queen's eyes were blurred, she looked at Yue Feng, and said softly: "After so many years, you finally came back to see me! Do you know that after so many days? Day and night, how much I miss you!"

Under the stimulation of the drug, the queen at this time had lost her mind and had hallucinations.

What the hell!

Hearing this, Yue Feng could not laugh or cry, what kind of drug did King Guangping use to make the Queen hallucinate?

Thinking about it, Yue Feng was about to speak.

"The first emperor!"

However, at this moment, before Yue Feng could speak, the queen gave a coquettish cry and threw herself into his arms, hugging him tightly: "Xianhuang, I miss you so much, you Come with me, okay?"

Hiss!

At this moment, feeling the scorching temperature of the queen's delicate body, Yue Feng couldn't help taking a breath, and his whole body was covered.

Especially when the Queen hugged him tightly, Yue Feng only felt his brain buzzing with the unique scent of her body.

"Your Majesty!"

After more than ten seconds, Yue Feng reacted and couldn't help but said softly, "Your Majesty, wake up a little!"

However, the Queen didn't seem to hear it, but instead pressed her tightly and hugged her even more. tight.

At this time, the queen, under the attack of the medicine, has completely lost her mind!

"Empress, you." Yue Feng was in a hurry and was about to break free, but the queen raised her jade hand and tapped Yue Feng twice to seal his acupuncture point!

Although the strength of the queen is not as good as that of Long Qianyu, she is much higher than those of the practitioners on the rivers and lakes, and Yue Feng is completely defenseless. In that instant, Yue Feng can't move.

What the hell!

At this moment, Yue Feng suddenly panicked.

However, before he could react, he saw the queen slowly approaching, her charming red lips, and kissed Yue Feng!

The queen at this time, subconsciously regarded Yue Feng as the first emperor, completely lost her sense.

Pfft!

In the next second, without waiting for Yue Feng to react, the queen threw him at once, and the two instantly rolled on the soft slump!

"Your Majesty, calm down. Calm down…" Yue Feng wanted to cry without tears, and at the same time motivated his inner strength to open the acupuncture points.

However, the queen's acupuncture technique was completely different from that of the Jianghu people. Even with Yue Feng's strength, it would take at least half an hour to clear the acupoints.

“The first emperor!”

At this time, the queen could no longer hear Yue Feng’s voice. She just wanted to reminisce about the old relationship with the emperor in her heart, hugged Yue Feng tightly, and started to pull Yue Feng’s clothes.

The queen blushed and finally kissed Yue Feng’s mouth.

Chapter 2988 I

don’t know how long it took, and the queen fell asleep.

At this time, it was already dark outside.

Yue Feng hugged the Queen, wanting to cry without tears!

Nima.

Entering the palace tonight was originally to investigate the secrets of King Guangping, but ended up spending the night here with the queen.

Depressed, Yue Feng quietly got up and quickly left the palace!

If she doesn’t leave, she will be in trouble when the queen wakes up.

Soon, returning to the place where she and Meihui were separated yesterday, she could see from a distance that Meihui was already waiting there.

“Brother!”

Seeing Yue Feng, Meihui hurried up to meet him, and said quickly, “I asked about it last night. Most of these forces want to see the beauty of the Nine Heavens Saintess, and some want to take advantage of this. The opportunity to become famous all over the world, but these, it seems useless to us!”

Hearing this, Yue Feng nodded silently.

At this time, Meihui couldn’t help but ask: “What about you? Have you found any news?”

Uh…

Yue Feng was very embarrassed, scratched his head and said, “The palace is heavily guarded, I checked all night, and nothing happened . A special clue.”

How can you tell what happened to you and the Queen overnight?

Just as he was talking, he heard the direction of the imperial palace, and there was a burst of restlessness, and many practitioners rushed over.

“Brother, listen to them, today the Nanyun royal family is going to hold a meeting to discuss how to build the Xuantian Great Array, let’s go and have a look!” Meihui said while holding Yue Feng’s hand, very excited.

Yue Feng nodded, and together with Mei Hui, followed everyone to the prayer altar.

The prayer altar is the place where the Nagumo royal family worshipped the heaven and the earth.

From a distance, you can see the entrance to the prayer altar, and a guard is set up to guard it. Every cultivator who enters needs to record his identity.

Yue Feng and Meihui reported a fake sect name and easily got in.

I go, so many people?

When he arrived at the prayer altar, Yue Feng was stunned when he saw the scene in front of him!

I saw that in the center of the plaza of the prayer altar, a huge platform was built, which was extremely solemn and solemn, and seats were set up around the platform. At this time, these seats were already crowded with people. From a distance, it was dark. , very spectacular!

Yue Feng saw that many familiar figures were sitting on these seats.

Danzong in Dongao Continent, Famous Sword Villa in Yellow Sea Continent, Wudang in Diyuan Continent, Shaolin and so on.

Um?

It was at this moment that Yue Feng was stunned when he saw a familiar figure.

He saw that on a seat not far away, White Horse was sitting there with a leisurely expression, and behind him, stood neatly several elite disciples of the Hall of Longevity.

This kid betrayed Brother Wen, and now he is the master of the Hall of Longevity?

At this moment, Yue Feng was staring at the white horse, and his heart was filled with anger.

Half a month ago, Yue Feng happened to meet Wen Chou Chou. At that time, Wen Chou Chou explained in detail the process of falling into the abyss. It can be said that Wen Chou Chou fell into such a situation, all because of white horses.

When he learned of the situation at that time, Yue Feng was furious and secretly vowed to kill Bai Ma, but he never thought that he would meet him here.

At this time, Yue Feng wanted to kill the white horse, but after seeing the surrounding situation, he still stabilized.

At this moment, on the VIP seat at the venue, King Guangping sat there, his eyes slowly scanning the audience, his face extremely gloomy.

Mad, who was able to get the Queen last night, was disturbed by a mysterious person. Not only did he not enjoy the Queen's gentleness, but he also delayed the task given by Hades.

Chapter 2989

There are so many people in the venue in front of you, that mysterious person must be among them.

However, King Guangping searched for a long time, but couldn't find the person he met last night.

At this time, King Guangping didn't know that it was Yue Feng who did bad things to him last night, and Yue Feng changed his face. When he entered the venue just now, Meihui gave Yue Feng a new make-up, and King Guangping naturally couldn't recognize it. .

Whoa!

At this moment, the whole venue suddenly burst into a restlessness. Many people looked around on tiptoe.

"The eldest princess is here!"

"It's so beautiful!"

Amidst the exclamations, he saw Long Qianyu slowly walk to the center of the stage, surrounded by several palace guards.

At this time, Long Qianyu, wearing a light yellow dress, was noble and arrogant, and showed a royal aura all over his body. Today's conference was presided over by Long Qianyu.

“Everyone!”

At this time, Long Qianyu looked around and said slowly, “I believe everyone knows that this time the empress issued the edict for the Nine Heavens Saintess.

” A disaster, and this disaster is related to the Pluto of the ghost world, the specific details, let the Nine Heavens Holy Maiden explain it to you in detail later.”

Long Qianyu’s voice was not loud, but it spread throughout the venue.

Afterwards, Long Qianyu told some more about the situation, and asked the guards around him to invite the Nine Heavens Saintess to appear.

Whoa!

When the eight saintess of Huanxiang came out, the audience was boiling! Many men’s eyes widened, almost insane, and many women’s eyes were also full of jealousy.

“Beautiful! So beautiful!”

“Is this the Nine Heavens Saintess?”

I saw that the eight saintess Huanxiang and Ziyan were all wearing pure white dresses, which were absolutely stunning. The delicate face is really a fairy, and it is unbelievably beautiful.

The eight saintess slowly walked to the center of the stage and nodded to the people around them.

Afterwards, Huanxiang took a step forward and said slowly: “This time to build the Xuantian Great Array, everyone can come and help, we are very grateful to the Nine Heavens Saintess. Our Nine Heavens Saintess were originally stationed in the Mitian Spirit Realm, and our duty is to protect the Kyushu Continent. Balance, how do you know that Hades is ambitious…”

In the next ten minutes, Huanxiang explained the situation in detail.

At the end, Huanxiang looked around and continued: “Now, the power of Hades has infiltrated into Kyushu, in order to prevent him from poisoning all living beings, our Nine Heavens Saintess must return to God’s Domain as soon as possible, so the matter of Xuantian Great Array , without delay!”

Wow!

Hearing this, the major sect forces present all looked at each other in dismay, and they were all astonished.

What Huanxiang said was far beyond their cognition.

Hades, God's Domain… These things that can only be heard in ancient books and legends actually exist.

quiet! For a time, the entire prayer altar was silent, and a drop of a needle could be heard clearly. Everyone was shocked and couldn't calm down for a long time.

At this time, Yue Feng was also secretly relieved.

Saintess Huanxiang announced the matter, which is beneficial and harmless to the continent of Kyushu. After all, Hades did so many things secretly, and many people were kept in the dark.

Now that all continents know it, they can unite as one and fight against Hades.

"Ha ha…"

However, at this time, King Guangping, who had been sitting there, suddenly burst out laughing, stood up and said loudly: "What the Nine Heavens Saintess, everyone, don't listen to this woman's slanderous words to confuse the public!" After

speaking, King Guangping slowly walked out , his eyes slowly swept across Huanxiang and the eight saintesses of Zi Yan, saying word by word: "You are not the saintess of the Nine Heavens at all, so don't pretend!"

What?

Hearing this, everyone in the audience was stunned. At the same time, they looked at the eight saintess of Huanxiang one by one with doubts in their eyes.

Chapter 2990

Wow!

The voice fell, and the audience was in an uproar.

"Fake Nine Heavens Saintess?"

"This…"

At the same time, Huanxiang and Ziyan also changed their pretty faces, and their eyes locked on King Guangping in shock and anger.

What nonsense is this emperor of the Apocalypse Continent talking about? The Nine Heavens Saintess and him have no grievances or enmity, why should they be slandered in public? !

call!

At this moment, Yue Feng also frowned and took a deep breath.

Nima, there really is something wrong with this King of Guangping. First, he sneaked into the Queen's bedroom last night, and he was planning to do something wrong. Now, he said in public that the Holy Maiden of Nine Heavens was fake.

It seems that he really secretly took refuge in Hades.

"Big Brother!" Mei Hui, who was beside her, also frowned, and couldn't help but say, "What is this King Guangping going to do? Why do you say the Nine Heavens Saintess is fake?"

Yue Feng secretly relieved and said in a low voice, "I I don't know, let's wait and see what happens."

At this time, he was on stage.

"Your Majesty Apocalypse!"

At this time, Huanxiang was the first to react, and said to King Guangping very displeased: "Why do you say we are fake Nine Heavens Saintess? As the ruler of Apocalypse Continent, you should know that, What are the consequences of malicious slander?"

Huanxiang was very angry when she said this.

At the same time, Zi Yan and several others also looked at King Guangping.

"Your Majesty Apocalypse!"

At the same time, Long Qianyu also came out and couldn't help saying: "Yes, these eight saintess gathered in the Nanyun Imperial City three days ago, and they are very clear about the God's Domain and the Mitian Spirit Realm, how could it be? Fake?"

When he said this, Long Qianyu's beautiful face was also full of doubts.

Speaking of which, Long Qianyu has always had a bad impression of King Guangping. Back then, the Tianqi royal family held a wedding ceremony for Ren Yingying. On the day of the final, King Guangping suddenly appeared and killed Emperor Tianqi to seize

the throne. All sects. It can be said that this is a person who does not compromise on the means to achieve his goals.

And now, in front of the heroes of Kyushu, he said that the Holy Maiden of the Nine Heavens was fake. You must know that these eight saintess were approved by the queen. If they were fake, wouldn't the Nayun royal family be a joke?

"Eldest Princess!"

Facing everyone's gaze, King Guangping smiled slightly and said to Long Qianyu: "Everything I said is true, both you and the Queen have been deceived by them!"

At this time, King Guangping had a serious look on his face. , his mission this time was to stop the construction of the Xuantian Great Array, and naturally he would try every means to slander the Nine Heavens Saintess.

Swish!

At this moment, Zi Yan finally couldn't bear it anymore, and said to King Guangping: "You keep saying that we are not the real Nine Heavens Saintess, what evidence do you have?"

Hearing this, many people in the audience nodded secretly.

Yes, there is no evidence, how to prove that these eight saintess are fake?

"Evidence?"

King Guangping sneered and said slowly, "I want evidence, okay, then let me tell you, half a month ago, a man who claimed to be Saint Lady Lanxin came to the Weather Palace to ask for help, and I saw through it. After that, she was locked up, and when I was about to interrogate her, she was rescued by Yue Feng!"

Having said this, King Guangping looked around and continued: "As far as I know, the real Nine Heavens Saintess were locked up by them and Yue Feng, and then these eight women pretended to be Nine Heavens Saintess to deceive the Nanyun Royal Family. "

As for the Xuantian Great Array they are going to build, the purpose is not to return to the realm of the gods, but to use this great array to trap the major sects in Kyushu."

"This is a conspiracy, a conspiracy to dominate Kyushu. ."

At the end, King Guangping's face was excited and impassioned, but cunning flashed in his eyes.

Whoa!

Hearing this, the whole venue exploded, everyone whispered and talked a lot, very shocked.

The ultimate husband in Chinese chapter 2991-3000

Chapter 2991

“The emperor of the Apocalypse Continent didn’t say anything out of nothing. Half a month ago, there was indeed a saint named Lanxin who went to the Apocalypse Palace for help.”

“I heard that too!”

“Is this really a mystery ?” A conspiracy?”

Everyone’s discussions kept coming, and the eight saintess Huanxiang and Ziyan were trembling with anger.

“You are talking nonsense!”

Huanxiang has a fiery personality, and couldn’t help shouting at Wang Jiao of Guangping: “Yue Feng killed the Holy Maiden Lanxin, our Holy Maiden Nine Heavens and him are not inseparable, how could they be accomplices?”

This Wang Jiao of Guangping is really It’s too insidious to actually fabricate the truth.

What’s even more hateful is that Yue Feng was also dragged in. Yue Feng killed Lan Xin, and he and other sisters wanted to slash him with thousands of swords. How could they be with him.

Nima!

At the same time, Yue Feng, who was standing below, was also an unnamed fire.

This King Guangping is so despicable, he actually reverses black and white.

At that time, it was clear that King Guangping wanted to conspire against Saint Lady Lanxin, so he took the risk to rescue her, but this time, King Guangping actually said that he was a comrade who was plotting against Kyushu.

Under the anger, Yue Feng took a deep breath and calmed himself down.

After so many years of walking in the rivers and lakes, Yue Feng’s temperament has been restrained a lot, and he is not as impulsive as before.

Yue Feng thought about it, let’s see what conspiracy King Guangping has, and then act on his own.

This chapter is provided by . Visit for daily update.

“Hehehe…”

At this moment, King Guangping on the stage gave a sneer and retorted at Huanxiang: “You said that a saint was murdered by Yue Feng? It’s ridiculous, what you said is inherently suspicious, if it is true How could she be easily killed by someone who is the Holy Maiden of the Nine Heavens?”

After speaking, King Guangping’s eyes flashed with treacherousness, and he continued: “Even if you and Yue Feng have problems, it is your internal conflict, which cannot change the fact that you colluded. “

You…”

Huanxiang blushed and wanted to refute, but she didn’t know how to speak.

At that time, Saint Lady Lanxin, after being defiled, the power in her body would be transmitted to the other party. It was precisely because of this that Saint Lady Lanxin could not bear to be humiliated and committed suicide, but this matter was related to the innocence of Saint Lady Lanxin. speak out?

call!

Seeing this scene, everyone in the audience stopped talking and looked at the eight saintess Huanxiang and Ziyan in a complicated way.

Is this speechless?

Not only that, Long Qianyu on the side also frowned and became suspicious.

If they were the real Nine Heavens Saintess, why didn’t they continue to argue with King Guangping?

“Everyone!”

When the time was almost up, King Guangping looked around and said loudly: “As far as I know, these eight women and Yue Feng secretly took refuge in Pluto. As long as they take refuge in Pluto, they all have The special mark of Hades!” After the

voice fell, King Guangping took out a bottle of powder from his body and threw it directly at the eight saintess of Huanxiang.

call!

The powder rose into the wind, and suddenly enveloped the eight saintess of Huanxiang.

King Guangping's action was very sudden, and the eight saintess of Huanxiang didn't have time to react, and when they saw the powder, after they were stained on their body, a strong yin and evil aura suddenly filled the air.

Under the stimulation of this evil spirit, the power of the Nascent Soul of the eight saintess of Huanxiang was immediately aroused. Immediately, the Nascent Soul within an individual emits a faint light, looming.

"This is, Ming Luo pollen…"

At this time, the eight saintess of Huanxiang were all shocked and angry.

Mingluo flower is a kind of flower with a lot of yin, which is only found in the ghost world. This kind of flower and grass gathers the yin and evil spirit of the ghost world, and it is very evil.

Chapter 2992

Wow!

Seeing this scene in front of him, the audience was in an uproar.

"What is looming about them?"

"Could it be that they really belong to the King of Pluto?"

"Mad, I was almost cheated, but it's a pity, all of them are so beautiful…"

Everyone present, to the Nine Heavens Saintess They knew very little about Nascent Soul and didn't know the existence of Yuan Ying. At this time, they all believed in King Guangping's words, thinking that the Yuan Ying that appeared on them was the unique imprint of Pluto's subordinates.

"The original form has been revealed!"

At this time, King Guangping stepped forward and shouted at Huanxiang: "What do you have to say now?"

King Guangping at this time was indescribably proud.

Yes, the Ming Luo pollen just now was given to him by the messenger of Gong Hao.

Hades knew that the Nine Provinces Continent knew very little about the Nine Heavens Saintess. As long as they showed something different from ordinary people, they could successfully slander them.

Speaking of which, King Guangping was a little worried at first, but this time he was relieved to see the reaction of everyone in the audience. Also very exciting.

“You…”

At this moment, Huanxiang’s pretty face blushed, and she shouted at Wang Jiao of Guangping: “The thief shouts to catch the thief, you are the person of Hades, but you use such a ridiculous method to spread rumors. “

If you can take out Muro pollen, what is it that is not a subordinate of Pluto?

“Dare to argue, take him down!” King Guangping sneered, then waved his hand.

Afterwards, King Guangping stepped aside, not intending to do it himself. He is a puppet of the Pluto, and his practice is extremely sinister, and naturally he will not show it in front of everyone.

Whoa!

In an instant, the elites of the Royal Forest Army brought by King Guangping, and the surrounding Nanyun Imperial City guards, rushed up and surrounded the eight groups of Huanxiang.

At the same time, Long Qianyu also drew out his long sword, and shouted at Huanxiang a few coldly and tenderly: “You guys are so bold, how dare you pretend to be the Nine Heavens Saintess?”

Like most people, Long Qianyu saw Huanxiang. After the Nascent Soul on his body, he also believed the words of King Guangping.

Screaming and drinking, Long Qianyu’s inner strength was motivated, and his figure was astonishing, and he stabbed Huanxiang with a sword.

buzzing.

The surrounding imperial guards and the elite of the Imperial Forest Army also started to move towards Zi Yan.

In the blink of an eye, a fierce battle broke out.

call!

Seeing this scene, the strength of the surrounding sects retreated one after another, watching the situation.

Oops!

Yue Feng was secretly anxious.

This fallacy of King Guangping, everyone actually believed it, and believed that Huanxiang was a fake Nine Heavens Saintess, what should I do now? Want to help?

King Guangping's purpose must be to capture the Nine Heavens Saintess alive, and they must not fall into the hands of King Guangping.

But after thinking about it, the Nine Heavens Saintess's various forces are powerful, and it is difficult for them to be controlled by the subordinates of King Guangping, Long Qianyu and others.

Thinking of this, Yue Feng tried his best to calm down, and together with the people around him, he paid close attention to the situation on the stage.

"Princess!"

At this time, Huanxiang was dealing with the elite of the Royal Forest Army in front of her, and shouted at Long Qianyu: "You have to believe us, we are not fake, this King Guangping has bad intentions…"

Just before he finished speaking, he was caught by Long Qianyu. Qianyu interrupted.

"It's true or false, it will be revealed soon, you can catch it first." Long Qianyu responded coldly, and there was no fluctuation on his beautiful face.

To be honest, Long Qianyu didn't believe it either, the Huanxiang in front of him were fake.

But just now there were strange marks on their bodies, which made people doubtful.

At this time, Long Qianyu didn't know that the eight saintess of Huanxiang were from the God Realm.

Seeing Long Qianyu not believing herself, Huanxiang was completely anxious.

Chapter 2993

"Huanxiang, let's rush out first!" Zi Yan bit her lip and couldn't help shouting.

Huanxiang nodded, then cooperated with Zi Yan and rushed towards the outside of the prayer altar.

Bang bang bang….

For a while, I saw the eight saintess of Huanxiang, who cooperated tacitly, and at the same time were extremely agile, dazzling. Zhenfei flew out and passed out one by one.

Long Qianyu was also shaken back by a palm, and he took a few dozen steps back, his breath was disordered, and his delicate face was pale.

call!

Seeing this scene, the corner of Yue Feng's mouth twitched, and he was secretly relieved.

As expected of the Nine Heavens Saintess, this strength is really too strong, with their strength, they can quickly get out of danger, and they don't have to worry about it.

Made!

King Guangping on the stage frowned secretly.

After finally bewitching everyone, the eight saintess must not be allowed to escape.

Thinking to himself, King Guangping looked around and shouted: "Everyone, they are all the minions of Hades. If they are allowed to escape, they will have endless troubles. I would like to ask you to take action together."

Hearing this, all the sects present, They were all stunned, and then they all responded.

"Yes, they can't be allowed to run away!"

"Langlang, how can we let these evil spirits be rampant?"

"Let's go together!"

Everyone's comments about you and me continued to spread, but none of them stood up.

The various sects present are not stupid. The Huanxiang in front of them are powerful, and if they are not careful, they will die. Who doesn't want to live?

"Several demon girls, watch me take care of you!"

But at this moment, I heard a loud shout, followed by a white figure, fast like a thunder, rushing directly into the battlefield, dressed in white and covered in white clothes. There is a strong breath up and down!

It is the white horse!

This time, I brought the Hall of Longevity to participate in this conference. The main purpose of the white horse is to be famous in the world. At this time, seeing the fight on the stage, how could I miss the opportunity?

hum!

When he got to the stage, the white horse smiled slightly, and then he heard a crisp, golden axe that he held tightly.

It is the opening axe.

What?

Seeing this scene, Yue Feng's heart was shocked, and the whole person was blinded.

How come the Heavenly Axe is also in his hand?

hiss!

Seeing Kaitian Axe, the eight saintess of Huanxiang, and the people around them, they were also surprised.

Immediately afterwards, the other sects who were still hesitating below suddenly exploded!

"The Hall of Longevity has already gone to help, do we want to go up?"

"Come on, after all, it's about the fate of Kyushu! Besides, the new hall master of the Hall of Longevity has an axe in his hand, even if the eight women No matter how strong his strength is, he is still there!"

"Yes, then don't wait, let's go together!"

Hu La!

Under the discussion, the sect masters of various continents no longer hesitated, mobilized their internal strength, rushed into the battlefield, and launched an attack on the eight Huanxiang.

Before, these people were shocked by the strength of the eight saintess of Huanxiang, and they were all timid. Now that they saw the white horse taking the lead, and holding the opening axe in their hands, they suddenly had no scruples.

"Big Brother!"

Seeing that the situation was completely out of control, Mei Hui was so anxious: “These people are crazy, they actually believe what King Guangping said!

“

Chapter 2994

“If the eight saintess are caught by them, the consequences will be disastrous.” The more she said, the more anxious she was, and she would go up to help. But it was held back by Yue Feng.

call!

At this moment, Yue Feng took a deep breath and shook his head at Meihui: “Don’t worry.”

When he said this, Yue Feng looked indifferent, and his heart was too anxious.

To be honest, Yue Feng really wanted to go up to help Huanxiang, but he also knew that once he went up, he would definitely become the target of siege, and it would be more troublesome if his identity was exposed.

At this time, under the siege of the masters of the various sects, the eight saintess of Huanxiang were gradually unable to resist.

Speaking of which, with the strength of the eight saintesses of Huanxiang, facing the siege of so many sects, it is not false, but they know in their hearts that all this is bewitched by King Guangping, so they can’t bear to attack these sects ruthlessly. .

Coupled with the white horse’s opening axe, Huanxiang’s eight saintess gradually became powerless.

“Haha…”

At this time, the white horse was full of fighting spirit, and his eyes locked on Huanxiang Eight: “How many witches, will you be captured before you can?”

Om!

The voice fell, and the white horse urged the power of the opening axe, and saw a golden light, tearing the world, and bursting straight towards the eight magic fragrances.

Bang Bang Bang…

Feeling the powerful power of the golden glow, the eight Huanxiang were all shocked and furious, and they all urged their energy to deploy a protective film in front of them,

preparing to block the blow. However, they faced the crowd. The siege took a lot of power, and Jin Mang easily defeated the protective film and hit them.

In an instant, all eight of Huanxiang groaned, and their delicate bodies fell from the air.

clap clap clap!

At this moment, King Guangping rushed over quickly, raised his hand, and clicked on the eight acupoints of Huanxiang.

King Ping's shot was very quick, and none of the eight Huanxiang could react.

"Haha!" In the

next second, King Guangping showed a smile and clasped his fists around him and said: "Just now, it is admirable for you to unite as one to deal with these eight demon girls." After

speaking, King Guangping instructed the elite of the Royal Forest Army next to him: "Take these eight demon girls away and interrogate them well."

At this time, King Guangping had a serious face, but his heart couldn't be more excited.

Haha…. I caught the Nine Heavens Saintess, now I can go back to the Hades.

As soon as the voice fell, a team of elites from the Imperial Forest Army came over and they were about to suppress the eight Huanxiang.

call!

Seeing this scene, Yue Feng's eyes flickered, knowing that he couldn't do anything.

At this time, Yue Feng had already determined that King Guangping was the person of Pluto. If the Nine Heavens Saintess fell into his hands, the consequences would be disastrous.

"Wait!"

Just as Yue Feng was about to rush up, suddenly, a voice came.

Immediately afterwards, the white horse slowly walked out and said to King Guangping: "Your Majesty Tianqi, although you identified the identities of these eight demon girls, but when you started just now, everyone worked hard. Take them away, I'm afraid it's not suitable, right?"

When he said this, Bai Ma kept looking at Huanxiang Eight.

In Bai Ma's heart, he didn't care about the eight Huanxiang, whether they were the Nine Heavens Saintess or the subordinates of Hades. He only knew that these eight women were all beautiful and unparalleled. It would be a pity to let King Guangping deal with them, no matter what. Anyway, get it.

If it was before, White Horse would not dare to intervene in front of King Guangping, but now it is different.

Swish!

Hearing this, King Guangping's face suddenly became ugly, and he glanced at the white horse coldly.

Mad, a small longevity hall master, dared to contradict himself, he was simply courting death.

"That's right!"

Just when King Guangping was secretly annoyed, Long Qianyu slowly walked out and said softly, "These eight women are related to the safety of Kyushu, and our Nanyun royal family was confused by them. An edict has been issued, and if it is to be dealt with, it will also be dealt with by our Nagumo Imperial Family." There

is no doubt about what he said.

This…

At this moment, King Guangping frowned and pondered for a while.

Long Qianyu also said the same, it would be difficult to handle, after all, this is the Nanyun Imperial City.

Chapter 2995

Wow!

Seeing that Bai Ma and Long Qianyu both spoke, in an instant, the surrounding sects also started booing.

"Yes, everyone has done their best just now, how can the Tianqi royal family take people away?"

"That is, if you want to deal with it, it is all about hosting together!"

"Not bad…"

Under the discussion, many men Like the white horse, his eyes kept looking at the eight of Huanxiang.

“Everyone…”

Finally, King Guangping reacted and looked at Long Qianyu with a half-smiling smile: “Then according to the meaning of the long princess, what should I do with these eight demon girls?”

Long Qianyu frowned slightly, When he was about to speak, he was interrupted by the white horse.

“It’s very simple, let’s set up a ring.” Bai Ma said loudly: “From the various sects present, choose a representative, and whoever wins in the end, he will handle the eight demon girls? How?”

Saying these At that time, Bai Ma looked around proudly, unable to hide his excitement.

Haha… I own the Sky-Opening Axe, and I will definitely take the first place. At that time, these eight beautiful stunners will be my own.

The ring?

Hearing this, King Guangping’s expression changed and he was about to refuse.

However, the people around him expressed their support.

“Yes, just fight in the ring!”

“That’s fair!”

At the same time, Long Qianyu also nodded slowly: “Now this is the only way to do it, Your Majesty Tian Qi, what do you think?”

Phew!

King Guangping took a deep breath, nodded and said, “Since everyone has decided this way, let’s do it this way.”

When he said this, King Guangping looked indifferent, but his heart was filled with anger.

Swish!

At this moment, the eight Huanxiang who were tied there were all trembling and extremely embarrassed.

It is a shame and shame for the dignified Nine Heavens Holy Maiden to be treated as a prisoner by these Kyushu strengths.

Seeing this scene, Yue Feng, who was standing not far away, also frowned secretly.

Nima! Actually hit the ring.

But that's fine, wait until I play with a fake identity and save the eight saintess of Huanxiang first.

"Everyone!"

Just as Yue Feng was muttering secretly, Long Qianyu walked to the center of the stage, looked around and said, "This first game, who will come first?" The

voice fell, and the audience fell silent.

The various sects present are more refined than the other, and no one wants to take the lead.

"Hehe, don't you dare to go first? Then I'll come first!"

After a short silence, the white horse chuckled lightly, and then slowly stepped onto the stage, holding the Heaven-opening Axe tightly in his hand, majestic and invincible!

The powerful aura permeated from the opening axe, and everyone present was shocked.

Whoa!

Seeing the white horse coming, there was an uproar in the audience.

"This…"

"With the opening axe, who is his opponent!"

Originally, everyone was still in high spirits, but when they saw the opening axe in the hands of the white horse, their enthusiasm suddenly disappeared. You must know that the Kaitian Axe is a peerless weapon, and it is invincible. Who dares to go up and die!

Haha…

Seeing that no one dared to come up for a long time, the white horse was able to be incomparable and laughed: "Why? No one dares to come up? In this case, these eight demon girls will be handed over to me!"

The ultimate husband in Chinese chapter 2996-3000

Chapter 2996 The

arrogant attitude of the white horse made many people dissatisfied, but no one came up because they were afraid of the power of the opening axe.

“Is it amazing to have a magic weapon? I’ll come!”

Finally, a handsome figure couldn’t help but shouted, jumped directly onto the ring, clasped his fists at the white horse and

said, “Dan Zong Zheng Chunqiu, come and teach me!” Chunqiu raised his hand slowly, holding a long sword of purple rank tightly.

Whoa!

In an instant, there was an uproar under the arena.

“The Sect Master of Danzong…” “It is said that the Sect Master of Danzong is very

powerful. Some people watched this match!

“

Looking at Zheng Chunqiu, he was inexplicably worried.

Although Zheng Chunqiu’s strength is not weak, but Baima has an axe in his hand, how could he be an opponent?

Thinking to himself, Yue Feng wanted to stop him, but when he thought that he had changed his face, Zheng Chunqiu couldn’t recognize him at all, so he held back.

Now in the ring!

Baima looked down at Zheng Chunqiu, his tone full of contempt: “It turns out to be the Sect Master of Danzong, I have long admired the name, don’t talk nonsense, let’s start directly.”

If he had faced Zheng Chunqiu before, Baima must have panicked, but at this time there was something in his hand. The peerless magic weapon, do not need to pay attention to it at all.

This chapter is provided by . Visit for daily update.

Whoa!

Hearing this, there was an uproar in the audience.

This white horse is really crazy! But people have magic weapons, and naturally they have crazy capital.

“Okay!”

The arrogance of the white horse made Zheng Chunqiu feel contemptuous. With a bit of anger on his handsome face, he sneered: “The tone is not small, but I want to see how talented you are!”

Om!

The voice fell, Zheng Chunqiu’s inner strength was urged, and his body burst out, and a shock burst from the long sword in his hand, stabbed towards the white horse fiercely!

“Nine swords are unified!” An icy voice came from Zheng Chunqiu’s mouth at the same time.

In addition to the technique of alchemy, Danzong is also famous for his swordsmanship. Among them, the “Nine Palaces Swordsmanship” is the most famous, and this trick is the essence of the Nine Palaces Swordsmanship.

Chi Chi….

I saw that where the long sword passed, the air suddenly tore apart, and immediately condensed nine sword shadows, blocking the retreat of the white horse, front and back, left and right, amazing power!

Ha ha…

Seeing the power of this sword, Bai Ma did not panic at all, sneered, raised his hand and waved, a golden light burst out, directly defeating the nine sword shadows.

What?

Zheng Chunqiu’s heart was shocked, and the whole person was stunned. This move of nine swords, but it contained his eighth-level internal strength. Few of Kyushu could hit this blow, but at this time, Baima used the axe to open the sky. , so easily blocked.

As expected of a peerless weapon, this power is too terrifying.

“Sect Master Zheng!”

At the moment when Zheng Chunqiu was stunned, Bai Ma sneered: “This game is over.” The moment the words fell, he raised his hand and slapped it directly on Zheng Chunqiu’s body!

“Bang.”

Zheng Chunqiu didn’t have time to react, and the whole person was shocked and flew out, flying dozens of meters away, and landed under the ring, spurting out a mouthful of blood, extremely weak.

Phew….

Seeing this scene, everyone in the audience couldn’t help but gasped and was shocked.

This Zheng Chunqiu is also a well-known figure in the Kyushu mainland, but at this time, he can’t even catch a white horse!

I have to say, the power of the Heaven-Opening Axe is really too strong!

call!

At this moment, Yue Feng took a deep breath and observed Zheng Chunqiu’s injury. Fortunately, the injury was not serious, and he would be fine after a few days of rest.

At the same time, Yue Feng also noticed that although this white horse had obtained the opening axe, he had not yet realized the true power of the opening sky axe.

On the other side of the ring, King Guangping sat there with a calm expression, and his eyes were also looking at the white horse secretly.

Chapter 2997 Like Yue Feng, King Guangping also saw that this white horse did not fully understand the power of the Kaitian Axe, so he was not in a hurry.

“Haha…”

At this time, in the ring, he won the first victory. Bai Ma was very proud. He looked around the audience and said with a smile: “Next, who else will come up to challenge?!”

Everyone looked at each other and couldn’t hide their hearts. of fear.

This person has a magic weapon, how to fight this?

“I’ll give it a try!” A

few seconds later, a burly man jumped onto the stage in disbelief and was defeated by White Horse in one round.

Afterwards, several more sect masters came to challenge, but none of them could catch the white horse's move, and they all lost in embarrassment.

Haha…

After winning a few games in a row, the white horse was even more proud and shouted: "Who else is dissatisfied, just come up." It has won nine games in a row. , is at your disposal.

Hearing this, everyone under the stage did not dare to rush to the stage.

call!

At this moment, Yue Feng took a deep breath and went up to challenge.

Through the observation just now, Yue Feng was convinced that Bai Ma did not understand the power of the opening axe, and he had no worries in his heart. You must know that when Duan Yu realized the true power of the opening axe, Yue Feng was able to fight against it. When faced with a white horse, naturally there will not be too much pressure.

Whoosh!

However, before Yue Feng could leave, he saw a graceful figure slowly walking towards the stage.

The valiant and unparalleled charm is exactly Long Qianyu!

"Wow.."

"The eldest princess is on stage…"

As soon as Long Qianyu appeared, he immediately attracted the attention of many men.

At this time, Long Qianyu changed his long skirt and wore soft armor, which perfectly showed his charming figure.

For a time, whether it was the white horse or the other men around, the eyes were straight!

"Tsk tsk!"

At this time, Bai Ma looked at Long Qianyu with a smile while admiring it: “His Royal Highness Princess has also come to challenge, it’s really an honor to be here!”

Bai Ma’s gaze made Long Qianyu feel uncomfortable. , said indifferently: “Don’t talk nonsense, let’s start directly!” The

eight Huanxiang were summoned by the Nanyun Royal Family. Even if they are fake, they should be dealt with by the Nanyun Royal Family, and they must not fall into the hands of others.

At this time, Long Qianyu was very calm, and she could also see that the white horse in front of her had not successfully understood the power of the Heaven-Opening Axe. So wanted to take the plunge.

Hehe….

Feeling the indifference of Long Qianyu, Bai Ma smiled awkwardly: “Okay, since Her Royal Highness the eldest princess said so, then I’m welcome!”

Om!

The voice fell, and the white horse’s inner strength exploded, urging the opening axe, and slashed directly at Long Qianyu.

In an instant, a golden glow burst out, and the surrounding air was torn apart instantly!

call!

Seeing this scene, many people below secretly sweated for Long Qianyu.

However, Long Qianyu was already prepared, she saw her toes on the ground a little, her figure was agile, and she stepped back a few steps to avoid the blow.

To be honest, Long Qianyu would never take such a risk if someone else used the Heavenly Axe, but after watching a few battles below, he already understood the strength of White Horse.

In an instant, everyone below cheered.

As expected of the goddess of the Nagumo Imperial Family, she avoided the blow of the Sky-Opening Axe.

call!

At the same time, Yue Feng also nodded in approval.

This Long Qianyu's talent in cultivation is indeed much stronger than that of ordinary people, and he was able to figure out the law of Baima's shot in such a short period of time.

It's just…the cultivation talent is extremely high, but the brain is not easy to use. I just heard the words of Huanxiang and Ziyan before, and I believed that I killed Saintess Lanxin, and also announced the cancellation of my marriage with myself, which is really dumbfounding.

Thinking to himself, Yue Feng secretly shook his head and smiled bitterly, while also paying attention to the situation on the stage.

Chapter 2998 On the

ring at this time.

This…

Bai Ma stared at Long Qianyu with a solemn expression. Her move was avoided by her, and it seemed that he was a little complacent.

I muttered in my heart that Bai Ma was no longer underestimating the enemy, and fought fiercely with Long Qianyu.

At the beginning, White Horse still had the advantage, but gradually he became a little weaker. You must know that using the Sky Axe consumes a lot of internal strength, and the White Horse has not yet realized the true power of the Sky Open Axe, and the internal power is consumed faster.

boom!

Finally, Long Qianyu found an opportunity and slapped the white horse with a palm, and saw him groaning.

This…

Seeing this scene, everyone in the audience was excited.

I thought that Long Qianyu had little chance of winning, but he never thought that he would actually defeat the white horse in the end.

Facing the shock of the crowd, Long Qianyu's beautiful face did not show any fluctuations, and he looked around and said lightly: "Is there anyone else coming up to challenge? If not, these eight women will be handled by our Nanyun royal family. !"

Hearing this, the entire prayer altar fell silent.

Everyone around the arena looked at each other in dismay, and no one dared to answer.

That white horse has the opening axe, and it is not her opponent. Who dares to go up to seek abuse?

call!

Seeing this scene, Yue Feng below couldn't help but show a smile.

The eight saintess of Huanxiang, even if they fall into Long Qianyu's hands, at least there is no danger to their lives.

While thinking about it, Yue Feng has been paying attention to King Guangping's side.

Yue Feng thought about it, King Guangping didn't play, and he didn't act rashly. In short, the eight saintess of Huanxiang could fall into anyone's hands, but they couldn't help falling into King Guangping's hands.

However, King Guangping sat there with no expression on his face, still not intending to play.

At this time, Long Qianyu asked several times on the stage, but no one took the challenge.

"Haha…"

At this moment, there was a burst of laughter from the crowd, and then, the crowd only felt their eyes blink, and a figure as fast as a shooting star landed steadily on the stage.

The facial features are handsome, giving people a sense of elegance, but a pair of eyes flashes cold and arrogant.

It was Duan Yu!

Of course, Duan Yu seized Yue Chen's soul and occupied his body at the same time. At this time, it was completely Yue Chen's appearance.

Two days ago, after Duan Yu completely controlled Yue Chen's body, he was pleasantly surprised to discover that Yue Chen's strength not only broke through the Tribulation Realm, but also in his dantian, there was an incomparably pure innate spiritual energy, Duan Yu did not know, The innate aura is the power of the Nascent Soul of Saintess Lanxin.

Duan Yu is extremely talented. It only took two days to completely integrate the power of Nascent Soul. After seeing the various sects in the Kyushu continent, they dared to come to Nanyun Imperial City, and came to watch the excitement.

When everyone was besieging the eight saintess of Huanxiang just now, Duan Yu did not take action, but quietly watched the situation. At this time, seeing that no one came up to challenge, he couldn't help it.

Luo was on the stage, Duan Yu looked at Long Qianyu with a half-smile, his aura was strong, and his expression was extremely unrestrained.

Swish!

In an instant, whether it was Long Qianyu or the others present, their gazes suddenly converged on Duan Yu, and they were all shocked.

"This…isn't this Yue Chen?"

"When he was the governor of Tianqi Imperial City, he had a great reputation. He disappeared three years ago, and there is no news. Why did he suddenly appear here?"

"The strength is so strong!"

At this time Everyone in the audience did not know that it was not Yue Chen, but Duan Yu.

It's him?

On the other hand, Yue Feng, who was watching the battle, was also staring at Duan Yu with intense anger flashing in his eyes.

Although he and Yue Chen are cousins, but at that time, Yue Chen defiled his younger brother and sister and was angry with his grandfather, but he blamed all these crimes on himself.

Chapter 2999

Because of this, he is regarded as a scum by the rivers and lakes of Diyuan Continent.

Although it has been many years, Yue Feng can't suppress his inner anger when he thinks about it.

At this time, Yue Feng wanted to rush up, but he held back when he thought that he had changed his face.

At the same time, Yue Feng was also a little suspicious.

Yue Chen has a wretched and timid personality, even if he has a strong strength, he will not be so publicized, but at this time, he took the stage to challenge Long Qianyu.

Transgender?

At this time, Yue Feng didn't realize that the person on the stage, although the body was Yue Chen, the soul inside was Duan Yu.

"Yue Chen?!"

At this moment, Long Qianyu reacted, and said coldly to Duan Yu: "What are you doing here? This is a ring competition, it has nothing to do with you, hurry up." His tone was cold and unquestionable. .

Long Qianyu had heard about Yue Chen's framing of Yue Feng back then. She had an upright personality, and what she hated most was such a cunning and despicable person.

And this kind of person is not qualified to participate in the ring.

"Haha!"

Feeling Long Qianyu's disgust, Duan Yu smiled slightly and said, "His Royal Highness Princess, although I do not belong to any major sect, I am also a member of the Kyushu Continent. Today's matter concerns the safety of Kyushu. , how could it have nothing to do with me?"

"You…"

Hearing this, Long Qianyu's face flushed, and he didn't know how to refute for a while.

Duan Yu smiled: "Could it be that Your Highness, the eldest princess, is afraid of losing to me?"

When he said this, Duan Yu's face was full of playfulness. At the same time, his eyes swept to Huanxiang, intentionally or unintentionally.

Yes, Duan Yu knew that the eight Huanxiang who were tied up were not fake Nine Heavens Saintess. Because of the power of Lanxin Saintess's Nascent Soul, he could clearly sense the Nascent Souls in the eight Huanxiang's bodies.

In Duan Yu's heart, he didn't care about the identity of the Nine Heavens Saintess at all. He only knew that with the power to dispose of the eight Huanxiang, he would be able to integrate the power of their Nascent Soul, and at that time, he would have the power to fight against Hades.

“Who said I’m afraid of losing?”

Long Qianyu’s face flushed when he heard this, and he was very angry: “Okay, I’ll compete with you!”

As the eldest princess of the Southern Cloud Continent, she was attacked by a despicable person. How can the villain be contemptuous?

Haha…

Seeing Long Qianyu’s agreement, Duan Yu was very excited: “It seems that Your Highness, the eldest princess, is very confident in her own strength. Since I accept the challenge, I will be offended!”

Om!

The voice fell, and a terrifying aura erupted from Duan Yu’s body. In an instant, the surrounding air seemed to be stagnant!

Back then, Yue Chen practiced the Mysterious Yin Technique, and within a few years, he had reached a very high level. After Duan Yu took the house, he integrated the power of Nascent Soul, and his strength was even stronger.

So strong.

Seeing this scene, everyone in the audience was shocked.

Whoosh!

At this moment, Duan Yu slowly raised his right hand, his figure was as fast as lightning, and he slapped Long Qianyu with a palm!

Feeling the speed of Duan Yu’s lightning fast, Long Qianyu’s heart trembled. He didn’t have time to dodge.

At this time, Long Qianyu did not dare to be careless at all, and stimulated all his inner strength!

Bang!

The palms of the two collided, and Long Qianyu’s delicate body trembled. He only felt a terrifying force coming, and after taking a few dozen steps back, he stabilized his figure. His beautiful face was pale, and his heart was also extremely shocked. .

This…. this Yue Chen’s strength is so powerful! ?

What kind of exercises did he practice?

Nima!

Seeing this scene, Yue Feng was also secretly surprised. When did Yue Chen's strength become so strong?

Chapter 3000

At the same time, the people below were also shocked and sweated for Long Qianyu at the same time.

Duan Yu, on the other hand, stood there quietly, his face relaxed and proud.

It's a good feeling to be born again.

With pride, Duan Yu looked at Long Qianyu with a smile: "His Royal Highness Princess, you are not my opponent, are you still admitting defeat?"

"I…"

Long Qianyu bit his lip tightly, his delicate face, Full of dissatisfaction: "I will never admit defeat." She is a

dignified princess. This ring match represents the entire Nanyun royal family. If you admit defeat like this, what will be the face of the royal family?

"Alas!"

Hearing the answer, Duan Yu shook his head and sighed: "I am the most sympathetic person, but since you insist on it, don't blame me!"

Duan Yu knew that the special power in Yue Chen's body was the Absorbed the Nine Heavens Saintess, so today no matter what, they have to get the right to dispose of them.

hum!

The voice fell, Duan Yu was suspended in the air, and his hands were slowly raised. In an instant, he saw the aura of heaven and earth around the prayer altar, gathering crazily.

In the next second, these heaven and earth auras were in front of Duan Yu, and a dazzling golden ball condensed out, radiating radiance.

Feeling the power contained in the golden ball, everyone present felt a terrifying pressure, and it was difficult to breathe.

call!

At this moment, Yue Feng clenched his fists, secretly worried for Long Qianyu.

The power of Yue Chen's eruption is so terrifying, I'm afraid Long Qianyu can't stop it.

At the same time, Yue Feng was also secretly surprised.

What kind of cultivation method Yue Chen is practicing is not only terrifying, but he has never seen it before.

call!

At the same time, Long Qianyu was biting his lips tightly, feeling a little flustered in his heart. This despicable villain is actually so strong. The palm of his hand has already lost his breath. Can he still stop it?

It's him!

Behind the ring, there were eight Huanxiang who were tied there, all of them trembling at this moment, their eyes fixed on Duan Yu, flickering with shock and anger.

The golden ball condensed by Duan Yu, others can't see the name, but there are eight magic fragrances, but it is very clear.

That is the power of Nascent Soul of Saintess Lanxin.

"Yes… it was this person who killed Lan Xin." Zi Yan glared at Duan Yu in midair, shocked and angry. Immediately said to Huanxiang: "Didn't you say the murderer was Yue Feng? Why does this person have the power of Lan Xin's Nascent Soul in his body?

" On the body, this is an unalterable law.

"I…"

Hearing Zi Yan's question, Huanxiang frowned, and felt her mind was in chaos: "I don't know, when I arrived at the scene, Lan Xin told me personally. The… murderer is Yue Feng, but why…"

At the end, Huan Xiang couldn't continue, and her mind was completely confused.

Could it be that… Lan Xin's death really has another secret?

Have you misunderstood Yue Feng?

It’s just that it’s too late to say anything now. My eight sisters have been tapped for acupuncture points, tied up with five flowers, and said to be fake Nine Heavens Saintess.

Now in the ring!

“His Royal Highness Princess, take the move.”

Duan Yu smiled slightly, his voice fell, and when he raised his hands, he saw that the golden ball turned into a golden afterimage, bursting towards Long Qianyu.

Long Qianyu didn’t have time to think about it, so he quickly stimulated his inner strength, and drew out his long sword and held it in front of him!

Bang!

The golden ball slammed into the long sword, and she heard Long Qianyu hum, and the long sword shattered instantly, and her whole body was shaken and flew out, and finally fell under the ring.

Before fighting against the white horse, Long Qianyu had already consumed a lot of internal energy, and at this time, facing Duan Yu’s full-scale explosion, he couldn’t resist it at all.

After all, Duan Yu’s body was fused with the power of Nascent Soul of Saint Lady Lan Xin.
