"but-no we are breaking up because you don't think I'm important anymore" Solai said being dramatic she just wanted a reason to stay on the phone

"Solai" he said making her take her face out the camera

"we not breaking up. You overthinking it I was just doing something at the time you called me" he said

"ok" she said

"I'm coming over" he ended the call

"bae I'm pregnant" Solai said to Aubrey watching his face light up
