"stfu" she mugged

"you're just scared I'm going to cheat on you so you make every excuse to try and make it seem like I am when I not" he said

3

"stop fucking talking to me I don't fucking like you" she walked away

"that's what you always do instead for trying to work it out. Every single time you walk away" she stopped and turned to him

"did you drive here?" he asked and she shook her head

"I got an Uber" she told him making him smile to himself

they drove around. His hand rubbed up and down her thigh. When they finally came to a stop

Silence took over for a while before Jeremiah decided to speak

"mama I'm sorry" Jeremiah spoke up

"I don't want an apology Jeremiah I want us to talk not just cover it up with an apology" she told him making him nod

"I understand why you said those things. It is because I'm scared you're going to cheat on me and leave me and that's where I fucked up because I didn't trust you" she explained her half

3

"I see why you wouldn't trust me and instead of being rude to you I should've explained but It's my fault I didn't reassure you when you needed it and I'll work on that for you" Solai smiled so ly

"I'm sorry I said I hated you I don't I was just mad" she said making him laugh
