

ወደ ባቦን'ኔ ከገረገረ ለገረገረ ለገረገረ

We don't talk about Ikaris (no,no,no)
We don't talk about Ikaris ል

But, it was my wedding day
(It was our wedding day)

The family visited and there wasn't a cloud in the sky
(No clouds allowed in the sky!)

Ikaris walks in with a mischievous grin
(EARTHQUAKE)

Are you telling the story or am I?
(I'm sorry, my starlight, go on...)

Ikaris said "It looks like rain!"
(Why did he tell us?)

In doing so, he fogs my brain
(Karri, get the umbrellas!)

Married in a hurricane
(A joyous day, but anyway)

We don't talk about Ikaris (no,no,no)
We don't talk about Ikaris! ል

Hey!

Grew to live in fear of Ikaris screaming and fighting
I could always see him sort of muttering and arguing

I associate with sand up in your ass
Ch, ch, ch ል

It's a heavy li with a gi so irrelevant
Always le Ajak and the Eternals fumbling

Grappling with a burden they couldn't understand
Do you understand? ል

Seven foot frame, Deviants on his back
When he calls Vena's name

It all fades to black

He sees her tears and feasts on her fears
(Hey!)

We don't talk about Ikaris
(We don't talk about Ikaris no,no)

We don't talk about Ikaris ል

My dreams told me my husband would die
The Emergence... DEAD

(No,no) ል

He told me I'd fall apart
And just like he said

(No,no)

He told me he'd never leave
And look at me now

(No,no)

Your fate is sealed when Ajak is dead ል

He told me that the life of my dreams would be promised and
someday be mine

He told me that he'd stay forever and when I woke all his stu was
gone ል

(Hey, Tiamut is on his way) ል

Fate told me the man of my dreams would be just out reach
Betrothed to another

It's like I can hear him now
(Hey, Kingo!)

It's like I can hear him now
(I want not a sound outta you)

I can hear him now! ል

Umm, Ikaris

Yeah, about that Ikaris

Vena wants to know about Ikaris
Give us the truth and the whole truth, Ikaris!

Aphrodite, your Adonis is here!
(TIME FOR THE EMERGENCE!) ል

Seven foot frame(it was my wedding day, It was our wedding day),
Deviants along his back (the family visited)

When he calls Vena's name (there wasn't a cloud in the sky)
It all fades to black (no clouds allowed in the sky!)

He sees her tears (Ikaris walks in with a mischievous grin)
And feasts on her fears (THUNDER!)

You're telling this story or am I?

I'm sorry, my starlight, go on! (Hey, Tiamut's on his way)

Ikaris said it looks like rain (fate told me that the man of my dreams
would be just outta reach)

In doing so he floods my brain (betrothed to another, another!)

Married in a hurricane (and I'm fine, I'm fine, I'm fine, I'M FINE)

HE'S HERE!

(Don't talk about Ikaris!)

Why did we talk about Ikaris?
(Not a word about Ikaris!)

We never should've brought up Ikaris! ል

A/N:

Thank you to everyone who gave this book a chance.

I hope you enjoyed reading it as much as I enjoyed writing it. ል
