

Chapter 416 | I Want to Go to Bed With Her

Bai Yi muddled through the entire morning as time passed slowly.

Her beautiful-looking eyes were completely swollen from all her crying. At noon time, her cell phone suddenly rang.

It was Chang Yuan calling. Bai Yi glanced indifferently at her cell phone before taking the phone call.

“Hello?” She wiped her tears while answering the phone in a slightly hoarse voice.

“Bai Yi, I am at the Crown Clubhouse right now. I got to know a young master of the Ye Family today. He seems to have a way to help Lin Fan resolve the feud between him and the Bai Clan and stop them from coming after him!”

What?

Bai Yi was startled for a moment upon hearing Chang Yuan’s words over the phone. Even though everything was well these days, Bai Yi had constantly been worrying for Lin Fan’s safety.

Chapter 416 | I Want to Go to Bed With Her

After all, not only did Lin Fan not sell the New Bai Family Group to the Bai Clan in Jiangnan Province, but he also seized the Bai Family Group from the family. Moreover, he had wiped out the entire Third Team of the White Angels, causing Bai Chen to return without being able to ask for Divine Doctor Zhang's help. All these incidents had become the reasons why the Bai Clan in Jiangnan Province wanted to kill Lin Fan.

And now, the young master of the Ye Family has a way to stop this!

"Could the Ye Family be that Ye Family of the Four Greatest Hidden Prominent Families?" Bai Yi asked with a note of excitement in her voice.

Even though she was heartbroken after seeing the photo this morning, she still believed in Lin Fan's character deep down inside.

Right now, she could put everything aside for the time being and help Lin Fan solve his life-or-death crisis.

"That's right! Bai Yi, even though the Ye Family and the Bai Clan are both known as

Chapter 416 | I Want to Go to Bed With Her

part of the Four Greatest Hidden Prominent Families, the Ye Family's influence is stronger than the Bai Clan's. Moreover, Young Master Ye is extremely wealthy. Not only could he help Lin Fan ward off the danger this time, but the New Bai Family Group will be able to collaborate with the Ye Family in the future as it expands!" Chang Yuan's voice was full of excitement.

Upon hearing Chang Yuan's words, Bai Yi thought for a moment and nodded. She said in agreement, "Alright! Chang Yuan, send me your location and I'll be there right away."

To Bai Yi, being able to collaborate with the Ye Family was not as important as Lin Fan's safety.

As the thought came to her mind, Bai Yi hung up the phone and picked up her satchel. Then, she wiped the traces of tears off the corners of her eyes and walked out of the office.

The Crown Clubhouse was one of the top clubhouses in Jiangnan City as well as one of the Ye Family's businesses.

At the moment, two men and two ladies

Chapter 416 | Want to Go to Bed With Her

were sitting inside the most luxurious private booth of the Crown Clubhouse.

One of the men was, of course, Chang Yuan, whereas the man next to him was a young man in his early twenties.

The young man was Ye Chen, a lineal descendant of the Ye Family.

The two ladies next to them, who both looked enchanting with their shapely figures, were the top hostesses of the Crown Clubhouse.

At that moment, Chang Yuan pinched the lady next to him on the bottom before speaking to Ye Chen, who was next to him. "Young Master Ye, thank you for playing host to me this time. Feel free to tell me whenever you need my help in the future."

Chang Yuan's excitement was written all over his face. A small potato like him wasn't qualified to become acquainted with the sons of hidden prominent families like the Ye Family in the first place. On this morning, however, he received an unexpected phone call from Young Master Ye, who invited him for a drink.

How could Chang Yuan not be excited and delighted? Once he managed to befriend someone with a higher position like Ye Chen, he could even start to look down his nose at a big shot like Lin Fan.

Ye Chen curled up the corners of his mouth slightly when he heard Chang Yuan's words and saw the obsequious, groveling expression on the latter's face. "You're welcome, Chang Yuan. We're friends from now on."

Friends!

Chang Yuan was instantly overwhelmed by Ye Chen's unexpected favor. Little did he expect that a young master of a hidden prominent family would treat a small potato like him as one of his friends.

He instantly flushed bright-red with excitement at the thought. "You're so amiable, Young Master Ye. I, Chang Yuan, am so touched..."

Chang Yuan's voice was trembling, but before he could finish his sentence, Ye Chen waved his hand and said, "Don't get so emotional first, Chang Yuan. I would like to

Chapter 416 | I Want to Go to Bed With Her

ask you for a favor as well.”

What?

Chang Yuan was startled at Ye Chen’s words, but he immediately tapped his chest and replied, “Feel free to tell me if you need a hand, Young Master Ye. I, Chang Yuan, will try my best to assist you even if I have to put my life at risk!”

Looking at Chang Yuan’s earnest expression, Ye Chen smiled sinisterly as he asked, “Hahaha... If I didn’t hear it wrong, were you calling President Bai Yi just now?”

Bai Yi!

Chang Yuan was startled; never did he expect Ye Chen to mention Bai Yi all of a sudden. He immediately had a bad feeling about that.

His expression stiffened slightly as he said to Ye Chen, “T-That’s right, Young Master Ye. Lin Fan, Bai Yi’s husband, has offended the Bai Clan. I originally thought of telling her to come over and have a few drinks with you while asking you a favor to mediate between the two parties.”

Chapter 416 | I Want to Go to Bed With Her

Chang Yuan did plan to ask Ye Chen to lend Bai Yi a helping hand, but he knew very well that Ye Chen couldn't possibly be all that sincere about helping Bai Yi to save Lin Fan. That was because as a member of the Ye Family, Ye Chen would never help a stranger for no reason.

Chang Yuan gave Bai Yi hope only to win Bai Yi's favor by giving her a little help at a little cost, especially at the time when Bai Yi and Lin Fan had problems in their relationship. He wanted to seize the critical moment to show her his capabilities.

Even if Ye Chen turned down Bai Yi's request, Bai Yi would still be thankful for Chang Yuan's help, so he would have greater chances of winning over her heart. However...

"Chang Yuan, the favor I'm asking of you has something to do with President Bai Yi." Ye Chen smiled wickedly as his words made Chang Yuan shudder.

"Y-Young Master Ye, I don't quite understand what you meant." Chang Yuan's bad feeling grew worse as he had a vague feeling that he had been duped.

Chapter 416 | I Want to Go to Bed With Her

Then, he saw Ye Chen's eyes brightened with a look of lust when the latter spoke of Bai Yi.

Ye Chen said, "Hahaha... I've heard a long time ago that the prettiest company president in Jiang City has exceptionally gorgeous looks that would be enough to make men willingly die for her. Chang Yuan, I would like to ask you to help me get my hands on Bai Yi. I want to bed her!"

What?

Chang Yuan's expression changed drastically at Ye Chen's words. Beads of sweat instantly dripped down his forehead as he looked at Ye Chen while saying desperately, "Young Master Ye, I-I'm afraid that it might not be possible. Bai Yi is my junior, and she is married. How can I do such a thing?"

How would Chang Yuan be willing to give the goddess whom he fancied up to somebody else for no reason?

However, upon listening to Chang Yuan's words, Ye Chen's expression darkened instantly.

Chapter 416 I Want to Go to Bed With Her

His face took on a chillingly vicious expression as he said, "So are you turning me down, Chang Yuan? Do you know that no one can turn me down in Jiang City? You can't do so, nor Bai Yi!"

Chapter 417 Can You Really Save Lin Fan?

Ye Chen's arrogant and domineering words sounded extremely threatening.

As soon as he finished his sentence, the door to the private booth was instantly opened. Then, a group of bodyguards in black dashed inside one after another.

There were ten of them. They looked malicious as they fixed their chilling gazes on Chang Yuan.

It was as if they would pounce on Chang Yuan and tear him in half at a command from Ye Chen.

Chang Yuan's face turned pale with fright when he saw the scene. Beads of cold sweat dripped continuously down his forehead as he stuttered, "Y-Young Master Ye..."

"Chang Yuan, you have only two choices right now. You can either let my bodyguards cripple you for life and throw you out of the clubhouse, or..." said Ye Chen while taking out a pink-colored pill from his pocket. With a sinister smile, he continued, "Put this pill in Bai Yi's wine glass when she comes."

Chapter 417 Can You Really Save Lin Fan?

Chang Yuan looked at the pink-colored pill. Even if he was a fool, he could tell what pill was that.

Once Bai Yi drank the wine that had the pill mixed in, she would never be able to escape from Ye Chen's claws at night.

Chang Yuan looked hesitant in an instant.

"Don't worry, Chang Yuan. As long as you help me get my hands on Bai Yi tonight, you will be a friend of mine from now on. I, Ye Chen, guarantee that you can do whatever you want in Jiangnan Province!"

Chang Yuan instantly felt encouraged by Ye Chen's reassuring words.

That's right! The guy in front of me is the young master of the Ye Family! If I really offer Bai Yi up, I'll be able to put myself under Ye Chen's wing. My company will scale new heights by then, and my social standing will rise instantly!

After a brief moment of thought, Chang Yuan gritted his teeth and instantly made the choice in his mind. He nodded his head, saying, "Alright, Young Master Ye. I'll help

you.”

Ye Chen was instantly delighted upon hearing Chang Yuan’s words. He patted Chang Yuan’s shoulder and said with a smile, “That’s right, Chang Yuan. Just follow my lead in the future, and I guarantee that you’ll enjoy a meteoric rise! Hahaha... Cheers!”

With that, Ye Chen waved his hand to dismiss all his bodyguards. He held up his wine glass and began drinking with Chang Yuan.

Chang Yuan’s heart was bleeding at the moment. With mixed emotions on his face, he thought to himself, *Don’t blame me, Bai Yi. I’m doing so for our future. Don’t worry. After what happens today, if Lin Fan divorces you, I, Chang Yuan, will marry you!*

A hint of ruthlessness flickered briefly in Chang Yuan’s eyes as he finished his sentence in his mind. Then, he downed the wine in his glass in a gulp.

After 15 minutes, the door to the private booth was knocked on once again, and Bai Yi’s pretty figure walked inside.

Chapter 417 Can You Really Save Lin Fan?

“Hahaha... You’ve come at last, Bai Yi. Young Master Ye and I have been awaiting you for a long time.” Chang Yuan had mixed feelings in his heart when he saw Bai Yi, but he put on a warm smile nevertheless. He then introduced Ye Chen to her, saying, “Let me introduce him to you, Bai Yi. This is Ye Chen, the famous young master of the Ye Family.”

Bai Yi couldn’t help but turn to look at Ye Chen upon hearing Chang Yuan’s words.

However, upon noticing the undisguised lustful look in Ye Chen’s eyes while he looked at her, Bai Yi immediately frowned and felt somewhat uncomfortable.

Yet, she forced a stiff smile and said, “I’m glad to get to know you, Young Master Ye. I’m here this time to ask you a favor to help Lin Fan, my husband.”

The corners of Ye Chen’s mouth curved upward into a smile of amusement when he heard Lin Fan’s name. He nodded his head, saying, “Hahaha... No trouble about that, Miss Bai Yi. Don’t let it worry you. I heard long ago that you look stunningly gorgeous. Now that I have finally met you today, your beauty is indeed extraordinary!”

Chapter 417 Can You Really Save Lin Fan?

Ye Chen could feel his heart thumping wildly as he spoke.

He had a taste for intelligent and thoughtful women. Bai Yi, who was in front of him, looked exactly like the perfect goddess to him. Her cool and elegant aura, gorgeous looks, and curvaceous body aroused him to the extreme like stimulants.

“Come, Miss Bai Yi. Please have a seat.”

As Ye Chen looked at Bai Yi, he could feel as if every single cell in his body was jumping in excitement. After he waved his hand, the two ladies with heavy makeup could only leave the room with reluctant expressions.

After the three of them had sat down, Chang Yuan immediately took a wine glass for Bai Yi and poured wine into it. He said, “Bai Yi, if you want to ask Young Master Ye to help you save Lin Fan, you have to drink three glasses of wine to show your sincerity.”

Chang Yuan was smiling as he spoke, but Bai Yi’s expression shifted slightly at his words.

She could drink a little, but she couldn’t hold

Chapter 417 Can You Really Save Lin Fan?

her liquor very well. Now that she had to drink three glasses of wine to start with, she was afraid that she would get drunk.

However, upon seeing the looks of anticipation in Ye Chen and Chang Yuan's eyes, Bai Yi immediately recalled the situation that Lin Fan, her husband, was in. She could only clench her teeth and hold up her wine glass while saying, "Young Master Ye, let me start my toasts to you. Please save Lin Fan, my husband. Here's to you."

Then, Bai Yi emptied the glass of wine in her hand with one gulp.

Upon seeing the scene, Ye Chen and Chang Yuan couldn't help but exchange glances as their eyes flickered with excitement.

"Great! Miss Bai, you're indeed unhesitant. Come; let's drink the second glass!" said Ye Chen as he poured wine for Bai Yi himself.

Bai Yi's pretty face had already blushed after she had drunk the first glass of wine, but she could only brace herself and drink up the second and the third glasses of wine consecutively.

Chapter 417 Can You Really Save Lin Fan?

After she finished drinking three glasses of wine, Bai Yi could feel her face heating up intensely. Despite feeling a little dizzy, she shook her head and looked at Ye Chen hopefully, saying, “Young Master Ye, about the matter of saving Lin Fan...”

Lin Fan! It's about Lin Fan again!

Ye Chen's eyes blazed with intense jealousy when he heard Bai Yi mentioning Lin Fan's name repeatedly ever since she entered the room.

He couldn't fathom why a goddess like Bai Yi would be so deeply concerned about a good-for-nothing like her husband.

Besides him, Chang Yuan, who was next to him, was also mad with jealousy.

Never did he expect that Bai Yi would still be so obsessed with Lin Fan after he had let the silly woman see the photos of Lin Fan booking a hotel room with another woman. *D*mn him!*

Lin Fan! Hmph, your woman will lie on Young Master Ye's bed in a while. After this incident, the two of you will surely get a divorce, and

Chapter 417 Can You Really Save Lin Fan?

you'll lose face for the rest of your life! By then, I will become Bai Yi's man. Only I am qualified to be Bai Yi's man!

"Don't worry, Bai Yi. Young Master Ye has promised to lend Lin Fan a helping hand just now."

Huh?

Bai Yi's eyes instantly lit up when she heard Chang Yuan's words.

She looked at Ye Chen emotionally while asking in a trembling voice, "Young Master Ye, is that true? Are you really willing to help my husband?"

The jealousy within Ye Chen grew when he saw how emotional Bai Yi was, but he merely smiled slightly and nodded his head.

Seeing that Ye Chen had agreed to her request, Bai Yi immediately felt that a huge weight had been lifted off her mind, which made her extremely happy.

However, she failed to notice at the moment that Chang Yuan had just put a pink-colored pill into her wine glasses without her

noticing.

The pill dissolved in the wine upon coming in contact with it.

Only then did Chang Yuan hold up the wine glass and hand it to Bai Yi with a smile. He said smilingly, "Come, Bai Yi! Drink up this glass of wine to show Young Master Ye your gratitude."

Do I have to drink again?

Bai Yi frowned slightly as she looked at the glass of wine that Chang Yuan handed to her.

Now that she was feeling a little dizzy, she was afraid that she would get drunk after having finished drinking this glass of wine.

However, upon thinking that Lin Fan, her husband, was going to be saved at last, a look of happiness appeared on her face in spite of herself.

"Alright. In that case, I'll drink the last glass of wine as a token of gratitude to you, Young Master Ye," said Bai Yi before she took the wine glass from Chang Yuan and finished it in one gulp.

Chapter 418 Is the Plan Finally Going to Succeed?

At that very moment, both Ye Chen and Chang Yuan fixed their eyes on Bai Yi until they saw her drinking up the glass of wine. The two men exchanged glances as looks of excitement crept over their faces.

“Hahaha... Miss Bai Yi, you’re indeed a woman of great ability who can hold your liquor. I, Ye Chen, have got to hand it to you indeed.”

Staring at Bai Yi’s beautiful, ruddy face, Ye Chen felt as if countless ants were crawling in his heart, making him itch for her even more.

He couldn’t wait to throw himself on top of this stunning woman and have his way with her right then and there.

However, Bai Yi immediately sensed that something was wrong after she finished drinking the glass of wine.

To her dismay, she felt that her body was heating up; even her mind was getting muddled.

Moreover, Bai Yi’s face grew redder and hotter; it was now bright red like a ripe apple.

Chapter 418 Is the Plan Finally Going to Succeed?

Little beads of sweat oozed out of her forehead, making her look indescribably attractive.

Something is wrong! Bai Yi's expression changed slightly as soon as she sensed that something was weird. She couldn't help but look at the wine glass in her hand as she had a bad feeling. *Something is wrong with this wine!*

Bai Yi was frightened at the thought, but she did not breathe a word of that, neither did she question Ye Chen and Chang Yuan. Instead, she said to the two of them, "Young Master Ye, Chang Yuan, I'm getting a little tipsy, so please allow me to go to the washroom to wash my face. Please continue drinking without me. I'll be back in a short while."

Then, she smiled at the two of them before immediately walking to the washroom.

Ye Chen and Chang Yuan did not take her words to heart since it was normal for a person to want to wash his or her face upon getting drunk.

However, unbeknownst to them, as soon as

Chapter 418 Is the Plan Finally Going to Succeed?

Bai Yi entered the washroom, she locked herself in and took out her cell phone from her satchel with her trembling hands. Then, she keyed in a phone number and dialed it.

At the same time, Lin Fan, who was wearing an apron, was busy in the kitchen of the house that Bai Yi rented.

He prepared one exquisite herbal cuisine after another before putting them in boxes. He would be able to deliver the cuisines to Bai Yi at the company when he finished preparing the last dish.

Just then, however, the Devil Phone in his pocket suddenly rang. *Ring!*

Huh?

Lin Fan was startled for a moment. Besides his aunts, only Bai Yi and her parents knew his phone number. Therefore, he never expected that someone would call him.

He immediately took out the phone and answered it, only to hear a faint voice speaking over the phone. "L-Lin Fan, save me! I-I'm in the most luxurious suite of the Crown Clubhouse!"

Chapter 418 Is the Plan Finally Going to Succeed?

*Sh*t!*

Lin Fan's expression changed drastically the instant he heard the voice.

Of course, he could tell that the voice belonged to Bai Yi. However, when he was about to speak, the call was hung up.

"Sh*t! Something bad must have happened to Bai Yi!"

Lin Fan's eyes reddened instantly. He dashed out of the kitchen without hesitation and sped outside like a malevolent beast that was on the verge of going crazy.

He did not even take off his apron before he went out.

At that moment, a few elders were chatting downstairs in the residential area while watching over the kids.

Right at that moment, however, everyone felt chills running down their spines as if the surrounding temperature had suddenly dropped a few degrees.

Before any of them could voice out their

Chapter 418 Is the Plan Finally Going to Succeed?

confusion, they saw a figure with an apron on moving in front of them at lightning speed before disappearing instantly.

In an instant, everyone thought that they were seeing things.

The kids, in particular, immediately jumped with excitement when they saw the figure with an apron on him disappearing in front of them instantly.

“It’s Superman! It’s Superman with an apron on! He’s so amazing!”

“Grandma, I saw Superman! He isn’t wearing briefs; he’s wearing an apron!”

The commotion went on as the bunch of kids capered around heartily as if they had seen their idol in real life.

On the other hand, the elderlies that were chatting moments ago looked at each other; they even suspected that they had been seeing things because of long-sightedness.

“Have you seen that, Wang? The figure who just moved in a flash just now was a man!”

Chapter 418 Is the Plan Finally Going to Succeed?

“That’s impossible! If that was a man, how could he move so fast? I saw just now that the figure seemed to disappear in a flash!”

“Mom, could that have been Liu Xiang, the best track athlete of China? If not, how could he be so fast?”

The discussion continued.

At that very moment, Lin Fan had no idea that he had become the idol of all the children as well as the topic of the elders’ conversation.

He was moving almost as fast as he could.

A gust of howling wind blew in the neighborhood wherever he passed by, shaking the greeneries continuously. One pedestrian after another rubbed their eyes while questioning what they saw with their own eyes was part of reality.

No matter who you are, if Bai Yi gets harmed even the slightest bit, I will kill your entire family and dismember every member of your clan!

Lin Fan’s eyes were blazing with murderous

rage.

Like a demon of death who had crawled out of hell to claim human lives, he looked as terrifying as a demon. Anyone would have wet him or herself out of fright upon catching sight of him.

Meanwhile, inside the most luxurious suite of the Crown Clubhouse, Ye Chen and Chang Yuan exchanged toasts in excitement.

“Hahaha... Congratulations, Young Master Ye! Once the pill takes effect, Bai Yi will become your plaything!” Chang Yuan had mixed feelings in his heart, but he was extremely excited when he thought that he would be able to do whatever he wanted in Jiangnan Province from now on after putting himself under the Ye Family’s wing.

Upon hearing Chang Yuan’s words, Ye Chen immediately thought of Bai Yi’s attractive face and smoking hot body. He couldn’t help but touch his crotch and smiled wickedly. “Hahaha... It’s all thanks to your help this time, Chang Yuan. Hehe! To tell you the truth, I can hardly restrain myself right now upon thinking that I’m about to conquer the prettiest female president in Jiangnan

Province!”

Following that, Ye Chen downed his glass of wine in a gulp as the evil desire within him grew.

Chapter 419 We Must Catch Him

Inside the luxurious booth, Ye Chen finished off his wine with one gulp. Then, he asked Chang Yuan next to him, “Chang Yuan, why hasn’t Bai Yi come out yet?”

Upon hearing Ye Chen’s question, Chang Yuan answered with a smile, “Don’t be so impatient, Young Master Ye. The pill must have begun taking effect right now. Bai Yi will come out very soon after being unable to withstand the pill’s effect.”

Then, he smiled mischievously as though he was imagining Bai Yi’s wonderful body. He said excitedly, “By then, you’ll be able to enjoy her body, Young Master Ye.”

Upon hearing Chang Yuan’s answer, not only did Ye Chen not unknot his brows at all, but his frown deepened instead. “You’re wrong. That pill takes effect within only 5 minutes. Ten minutes have passed by now, but Bai Yi still hasn’t come out yet. Something must be wrong! She’s probably aware of what’s going on, so she purposely hid herself inside the washroom while waiting for someone to rescue her.”

What?

Chapter 419 We Must Catch Him

Chang Yuan was alarmed upon hearing Ye Chen's words, especially when he recalled that Bai Yi had taken her satchel and her cell phone with her when she went for the washroom. His expression immediately changed as he said, "Young Master Ye, I'll go and ask Bai Yi to come out right away!"

With that, he trotted to the door to the washroom and knocked on it while shouting at Bai Yi inside, "Bai Yi, are you done yet? Young Master Ye is getting impatient from waiting. Hurry up and come out!"

However, there was neither response nor any sound inside the washroom.

Chang Yuan's face darkened at this. He tried to open the washroom door only to find out that Bai Yi had locked the door from the inside, which made his face look as black as thunder. "Bai Yi, I'm counting to three. If you still don't come out, I'll kick the door open."

He was then about to start the countdown when Bai Yi's weak voice was heard coming from inside. "Chang Yuan, how... could you do this to me?"

Chang Yuan's face instantly turned ghastly

pale when he heard her words.

Only then was he certain that Bai Yi had really noticed what he and Ye Chen were up to. With an expression that showed his complicated emotions, he immediately said, “Bai Yi, I don’t mean you any harm. Young Master Ye is a member of the Ye Family, a hidden prominent family! If we manage to put ourselves under their wings, we’ll certainly enjoy a meteoric rise in the future. Also, if Lin Fan wants to divorce you after you sleep with Young Master Ye, I, Chang Yuan, will marry you instead.”

Chang Yuan tried his best to explain himself and persuade Bai Yi, but his words sounded obscene and shameless to her.

She said, “You’re so despicable. I will never cheat on Lin Fan even if I die! You both better give up on that idea of yours. Also, Lin Fan knows that I’m here now. He’ll come right away to save me. I advise you both to get out of here immediately. Otherwise, my husband will never let you both off easily!”

Bai Yi’s words were full of bitterness, yet Chang Yuan was scared when he heard what she had said.

Chapter 419 We Must Catch Him

He had witnessed Lin Fan's savageness with his own eyes.

Back then, this guy had almost torn Yang Mingpeng's cheeks open with a few slaps.

Chang Yuan's face turned pale with fright when he thought of Lin Fan's viciousness.

Just then, however, Ye Chen walked up to him with a sneer on his face. He said disdainfully, "Is Lin Fan coming? Hmph! Who does he think he is? The Crown Clubhouse is the Ye Family's property. We have dozens of security personnel standing guard around the hotel. How many people out of them can he possibly hope to fight by himself?"

As Ye Chen spoke, the wicked smile dangling from the corners of his mouth widened into an evil grin. He continued, "Also, I want to catch Lin Fan and rape his wife in front of him! Hahaha..."

Ye Chen's words sounded extremely malicious, but Chang Yuan let out a long sigh of relief inwardly upon hearing what he had said.

That's right! This is the Crown Clubhouse,

*which is Ye Chen's territory. Lin Fan can never beat up so many bodyguards even if his martial arts skills are out of this world. Moreover, I can probably kill Lin Fan with the help of Ye Chen to get rid of this pain in the *ss!*

As the thought occurred to Chang Yuan, the nervous expression on his face vanished. Instead, it was replaced with an evil grin as he added, "Have you heard that, Bai Yi? Hahaha... If your husband comes, he will surely die. I would advise you to surrender yourself to Young Master Ye!"

Chang Yuan still intended to persuade Bai Yi to change her mind, but Bai Yi gave him no response from the inside of the washroom.

Upon witnessing the scene, a hint of ruthlessness flashed across Ye Chen's face. "Chang Yuan, kick the door open!"

"Yes, Young Master Ye!" Chang Yuan nodded before immediately kicking the door heavily.

However, the door was very sturdy. Chang Yuan could only shake the door a little despite the fact that he was using all his strength.

Chapter 419 We Must Catch Him

Bang! Bang! Bang!

Chang Yuan kicked the door again and again. He and Ye Chen looked like two malicious and vicious hungry wolves that were ready to break into the washroom and swallow Bai Yi whole.

At the same time, Bai Yi sat at the door's edge while pressing her back against the door with all her might.

She was gradually losing her consciousness; her pretty face was scarlet as she endured the pill's tormenting effects.

However, she clenched her teeth hard to keep herself alert.

"Lin Fan! Lin Fan!" Bai Yi called Lin Fan's name repeatedly in a low voice as if nothing else in the world could give her strength except the name of that man.

She said to herself, "Lin Fan, I am your woman; I belong to no one else but you, even if I have to die. Nobody can think of violating me. I'd rather die!"

Bai Yi's misty eyes were full of sorrow and

Chapter 419 We Must Catch Him

determination.

She had made up her mind. If Lin Fan couldn't come in time to save her, she would use the eyebrow razor in her satchel to kill herself so that she could keep her chastity!

At the same time, on a congested road, countless cars honked continuously as if they were constantly urging the other cars to move.

One of the cars was a police car with two policemen and one policewoman inside.

If Lin Fan was here, he would find out that the policewoman in the uniform was Sima Yan'er, who had spent a night with him.

Her close-fitting uniform fitted her perfect and smoking hot figure like a glove, making her look extraordinarily alluring.

However, she had confusion written all over her face.

She stared at the scenery outside the car window while spacing out for a long time, as though she was thinking about something.

Chapter 419 We Must Catch Him

At the sight of the scene, the two policemen in front of her shook their heads continuously.

“What’s wrong with our Captain? I have never seen the hottest policewoman of Jiangnan Province being so absent-minded.”

“That’s right. Why would I have a feeling that Captain seems to be in love and that she was dumped?”

“Tsk, cut it out! Our Captain had crippled enough men to form a battalion. Even though she is admired by countless men, who would dare to pluck this thorny rose?”

The two policemen discussed among themselves as they were puzzled by Sima Yan’er’s distracted state.

Just then, a black figure flashed past their police car at lightning speed, instantly taking the three people in the car by surprise.

“The black figure looked like... that guy?”
Sima Yan’er shuddered all over. Unable to hold herself back, she immediately yelled at the two policemen, “Move! Hurry up! We need to catch up to the black figure ahead of

us! We must catch him!”
