

## Chapter 463 Meeting an Old Friend

After Chen Hao heard Fang Jiannan's words, he was stunned.

He had only had brief contact with Fang Jiannan. Moreover, to be honest, he had exploited her in certain ways.

Never in his wildest dreams did he imagine that she would feel this way about him...

"However, when we, the Fang family, went to meet the Chen family later, only then did we know that Chen Hao had disappeared. I have sent out a lot of men to find him. It has been 6 months already, and there is still no news of him. Maybe, he is dead already," said Fang Jiannan with a sad expression.

"Is it done?"

Fang Jiannan turned to look at San.

San nodded his head.

He gestured for her to take a rest.

Then, he carried his medical kit and prepared to leave.

As he was about to leave, Chen Hao saw an incense stick and an incense basket inside Fang Jiannan's house.

## Chapter 463 Meeting an Old Friend

He frowned and pointed toward the incense basket and said, "A-A-Ah?"

What he meant to ask was whether she had something to do tomorrow?

Fang Jiannan smiled and nodded her head.

"Tomorrow is the temple fair. Fang Yi, my aunts, and I are going to the temple to pray. Every year around this time, Fang Yi and I will sneak there secretly. Haha! San, I bet you didn't know that Fang Yi and I could not go beyond these walls as we pleased back then. Now, it is so nice that we get to walk around the lively temple fair!"

"O-Oh!"

However, Chen Hao did not look pleased at all.

"Do you want to go there, San? It looks like you haven't been to a temple fair before, right?" Fang Jiannan asked suddenly.

"A-A-Ah!"

Chen Hao made a hand gesture.

"Ok, it is decided then. If you are free tomorrow, you can accompany us there."

Fang Jiannan smiled.

## Chapter 463 Meeting an Old Friend

She did not know why, but the first time she laid her eyes on San, she felt a close bond with him.

Mainly because San's gaze gave her a comfortable feeling.

In addition to that, he did not know how to speak. So, naturally he became a good listener.

Hence, Fang Jiannan wanted to be San's friend. Of course, to be only friends and nothing more.

Meanwhile, in the secret room of the Situ family's mansion...

Tonight, the atmosphere in the Situ family's mansion was obviously livelier than before.

Everybody at the table was drinking and chatting away merrily.

"Father, I am afraid that the situation has changed. That sneaky old fox, Fang Butong, has hired Zuo Zhongtao to treat his illness. Our men reported that, after a round of treatment, he looked a lot better," said Situ Yang worriedly at the banquet.

"Young Master Yang, I am afraid that you worry too much. The Long family and the Situ family aren't the same as before. Now that the Situ family and the Long family has forged an alliance, coupled with the

## Chapter 463 Meeting an Old Friend

help of the Mo family's skilled fighters, there is no reason why we should be afraid of Fang Butong anymore," said a middle-aged man with a smirk at this moment.

His name was Long Biao. He was the youngest son of Master Long.

Master Long had a few sons, and every single one of them was unique in their own way, especially Long Biao. He looked as tough as his name suggested.

Furthermore, he commanded the underground forces of the Long family.

Previously, he participated in the plan to surround the Young Master of the Chen family. He even returned with a lot of spoils from Qing City, and he nearly captured Chen Hao alive. Hence, in terms of capabilities, he had won the trust of the Mo family.

"You are right, Mr. Biao," said Situ Yang.

"Haha, Yang, from now on, you have to learn from your elders. Your knowledge just isn't enough. By the way, tomorrow, the first step of the plan is about to start, so how's the preparation going?" asked Situ Hong.

"Don't worry. Everything is in order. In addition to

## Chapter 463 Meeting an Old Friend

that, with the help of the brothers of the Mo family, Mo Qing and Mo Tian, nothing can go wrong," said Situ Yang.

At the same time, he looked at the two brothers who looked like two peas in a pod.

"Ok, then I am completely relieved. Mo Qing and Mo Tian are the cousins of Young Master Mo Jian. In terms of capabilities, they are almost as strong as him," Situ Hong complimented.

"Please don't pull our legs. Our capabilities are still a far cry from our cousin."

The two brothers shook their heads and smiled bitterly.

"Ok, then let us toast to the success of the first part of our plan tomorrow. Cheers!"

"Cheers!"

The next day, at the county temple fair in the Southwest region...

The temple fair was a grand event and it attracted a vast number of people.

"It's really lively here!" Fang Yi stood amongst the crowd. When she saw that there were many people

## Chapter 463 Meeting an Old Friend

around, she couldn't help but say excitedly.

"Fang Yi, mind your manners."

Fang Jiannan was speechless.

"Why? I am really excited today. Don't tell me that you aren't excited? There are so many people here! How cool is that!" said Fang Yi.

Fang Jiannan shook her head wordlessly.

"Fine, let us take a look around first. Then, we can go and pray in the temple," said Fang Yi's aunt at the moment.

With that, she looked at the youth who followed behind them silently.

Then, she smiled and said, "Mr. San, I am sorry that you have to see this."

Chen Hao shook his head.

To be honest, if they did not allow Chen Hao to come, he would still follow them anyway.

After all, the Situ family had always been eyeing the two sisters.

"Huh? Jiannan, take a look quickly. Aren't those our

## Chapter 463 Meeting an Old Friend

classmates?" said Fang Yi as she suddenly pointed toward a corner.

There were 5 or 6 students in the group and it consisted of a mixture of guys and girls.

They were all walking around, shopping. Obviously, they noticed Fang Yi and Fang Jiannan too.

Originally, Fang Yi and Fang Jiannan were a mysterious and aloof existence in the eyes of these students.

Nobody dared to greet them on their own accord.

However, Fang Yi was currently waving her hands and smiling at them.

Of course, they made their way toward her.

After all, they were classmates for several years already.

"It's you guys!" said the girl who led the group with a smile as she walked over.

"Yes, this is such a coincidence! Jiannan and I happened to come out to have some fun. Just now, I was thinking whether we would meet some of our classmates here. Unexpectedly, it really came true. How long have you guys been here already?" asked

## Chapter 463 Meeting an Old Friend

Fang Yi with a smile.

"We just arrived," said several girls.

"That's fine then. Let us join you all. We have been classmates for several years already, other than Shengnan, it has been a long time since we had a good long chat with you all, right, Jiannan?" asked Fang Yi.

Fang Jiannan smiled and nodded her head.

Both of them had had only brief contact with Lin Shengnan as Lin Shengnan and Chen Hao did lend them a hand 6 months ago.

"However, although we barely spoke to each other, I can still remember all of you."

Fang Yi said again, "This is the class monitor from the class beside ours. Her name is Xu Yangyang. As for this pretty girl, her name is Hu Huimin. This handsome gentleman here is Shen Junwen. Huimin, you and Shen Junwen just transferred to our school, right?"

Hu Huimin looked at Fang Yi and smiled. "Yes. It has been 6 months since we transferred here. Just now, we happened to meet Yangyang and the rest of the group. Hence, we decided to tag along."

## Chapter 463 Meeting an Old Friend

“Ok then. Jiannan, Fang Yi, since you all are still young, why don’t you guys join them then? I have somewhere else to go with your other aunt,” said Fang Yi’s aunt.

With that, both of them left to do their shopping.

As for Chen Hao, he sighed to himself.

Originally, he thought that he wouldn’t meet them anymore. Unexpectedly after 6 months, he still bumped into them.

However, after they haven’t seen each other for 6 months, Xu Yangyang was less impulsive compared to before.

On the other hand, Lin Shengnan had cut her hair and changed her look. However, she still looked pretty and sexy.

As for Hu Huimin, there was a hint of mature charm around her. She looked even prettier compared to before.

“San, these are my classmates. Let’s hang out together, since we are all around the same age anyway.”

Chen Hao nodded his head. He did not reject her proposal.

## Chapter 463 Meeting an Old Friend

On the other hand, Lin Shengnan, Hu Huimin, and Xu Yangyang felt a bit awkward if they were to walk together with this kind of person. That was because they saw that he was wearing a mask, and they also noticed that he did not know how to speak.

Moreover, they could see that there was a scar on his face through the mask.

However, they weren't in the position to say anything further since Fang Yi and Fang Jiannan brought him along. Hence, they nodded their heads.

However, Hu Huimin intentionally kept her distance from Chen Hao.

## Chapter 464 The Fang Family's Crisis Part 1

She kept her distance because deep down in her heart, she was still a proud little princess. So, naturally, she liked to mingle with people of high social standing like Shen Junwen, Fang Jiannan and Fang Yi.

It was understandable.

Chen Hao did not notice Hu Huimin and Xu Yangyang's look of disdain. He was paying close attention to their surroundings at the moment.

"Jiannan, come take a look. Look at the sugar figurines the kids are holding. I love it! I wonder where I can get it?" said Fang Yi as she pointed toward several children who were passing by. They were seated next to a window seat.

"You like these? I know where to get it. It is located 500 meters up North. If you want, I will bring you there," said Hu Huimin.

"Ok!"

Fang Yi stood up excitedly.

Following that, she turned her head to look at Chen Hao.

"San, can you accompany me since you have nothing to do anyway?" asked Fang Yi with a smile.

## Chapter 464 The Fang Family's Crisis Part 1

"Just leave him here. Let's go there by ourselves," said Hu Huimin.

There was a hint of disdain in her voice.

Chen Hao gave Hu Huimin a sideways glance.

"Let's go."

Fang Yi grabbed Chen Hao's arm.

"San, please go with Fang Yi. I will be more at ease if you accompany her there," said Fang Jiannan with a smile.

Only then did Chen Hao nod his head helplessly.

Hence, he accompanied Fang Yi and Hu Huimin there together.

Originally, he thought that once Fang Yi had bought the sugar figurine, she would return. However, to his dismay, Fang Yi had never seen so many fun and exciting things before. She wanted to buy and look at everything.

They took longer and longer to get back as they continued shopping.

"A-A-Ah!"

## Chapter 464 The Fang Family's Crisis Part 1

Chen Hao gave Fang Yi a pat on her shoulder, indicating that it was time to go back.

"There's no rush! I want to look some more," said Fang Yi with a smile.

"Since Mr. San wants to go back, then let him go back first then," said Hu Huimin.

"No way! How boring would that be?!"

Fang Yi shook her head.

"Huh?"

At this moment, Chen Hao, who was prepared to persuade Fang Yi to go back, pricked up his ears.

Following that, his eyes narrowed as he turned his gaze away from them.

He saw at least a dozen figures rushing toward them.

On the other hand, Hu Huimin and Fang Yi did not have a clue about it at all.

Chen Hao reminded Fang Yi again.

Suddenly, the people picked up speed and ran toward Fang Yi .

## Chapter 464 The Fang Family's Crisis Part 1

Then, they grabbed her shoulders.

Another dozen people soon arrived and surrounded them in an instant.

Chen Hao's shoulders were held down as well. At the same time, a gun was positioned upon Chen Hao's waist.

"Stop moving, you stupid brat. I will beat you to death if you dare to move," said the guy fiercely.

To be honest, Chen Hao could easily resist this attack. However, now, these people obviously had a plan, and it was a well-thought out plan.

It was easier to fight them straight away.

However, he was afraid that these people would misfire into the crowd and injure a passerby.

Moreover, he did not know what situation Fang Jiannan and the rest of them were in.

Hence, Chen Hao chose not to act rashly.

"Who are y-you guys? What do you all want?"

Fang Yi was abducted as well.

At this moment, she said those words in a

## Chapter 464 The Fang Family's Crisis Part 1

frightened manner.

"They are bandits who want to kidnap us," said Hu Huimin with a frown. Obviously, she had experienced this kind of situation before.

"Hmph! This pretty lady here seems calm. However, I am afraid that you won't be able to keep your cool very soon. Hahaha!" said one of the guys wearing a peaked cap with a smirk.

"You guys are really bold. Do you know whose territory this is? Do you know who I am? How dare you abduct me! My sister is drinking coffee just nearby," Fang Yi warned them out of fear.

"Hmph! How do we not know about this? You are the second Young Lady of the Fang family, Fang Yi, right? You are right, your sister, Fang Jiannan, is indeed drinking coffee. However, she had been invited over for a cup of coffee by our men. We just need you. So, let's go!"

The leader of the gang gave Fang Yi a vicious slap.

Right then, an extended van drove into the crowd and quickly made its way toward them.

"Get into the car."

With that, the 3 kidnapes were taken into the van.

## Chapter 464 The Fang Family's Crisis Part 1

On the other hand, Chen Hao was thinking whether he should act while they were on the road.

Although these men had guns, Chen Hao thought nothing of them.

"Is it done yet?"

A voice rang out from the walkie-talkie.

"It's done. It was actually pretty simple," said the leader.

Following that, Fang Jiannan's voice could be heard from the other end of the walkie-talkie.

They have really been kidnapped, Chen Hao thought to himself.

At that moment, he decided to just sit tight in the car. He would think about what to do later when he met Fang Jiannan and the rest of them.

"Get in!"

A hood was draped over Chen Hao and the two girls. They were then pushed into a basement.

Only then were the hood taken off their heads.

The moment the hoods were taken off, Fang Yi saw

## Chapter 464 The Fang Family's Crisis Part 1

that Fang Jiannan, Xu Yangyang, Lin Shengnan and Shen Junwen were abducted and left in the basement as well.

"Fang Yi, San, are you guys alright?" asked Fang Jiannan worriedly as she was tied to a stool.

"Jiannan, I am alright. Who... are they? How could they be so bold?" asked Fang Yi anxiously.

"Who are they? Haha! Who else can they be? They are definitely the Situ family's dogs, all just a bunch of ungrateful dogs!" Fang Jiannan cursed.

"Stay put here! Later, somebody will come here to accompany you all," said one of the men.

Following that, they all went out.

"I never expected there would still be some families who had secret rooms built," said Hu Huimin.

"Yes, no wonder these men have guns as well. Moreover, it is the latest model from the Middle East. They pack a ton of firepower," said Shen Junwen with a frown.

When Chen Hao heard this, he recalled that Shen Junwen and Hu Huimin were spies who were sent to the school to investigate a case.

## Chapter 464 The Fang Family's Crisis Part 1

Unexpectedly, they have been there for 6 months already.

Back then, he was curious as to what kind of case they were investigating.

"Shengnan, Yangyang, Huimin, I am sorry for dragging you all into this mess. But don't worry, I will not let the Situ family's people harm you all. You have my word," said Fang Jiannan apologetically.

"It's alright, Miss Fang. Now, the most important thing is to think of a way to escape from here quickly," Shen Junwen, always the gentleman, said calmly.

"Sigh! If Chen Hao was here, then we would be safe. He is the most powerful amongst us. If he knew that we were in trouble, he definitely would come to our rescue," Lin Shengnan cried out.

This was the first time in their life that Lin Shengnan and Xu Yangyang encountered this type of situation. Of course, they were scared.

When Chen Hao's name was mentioned, the girls were startled, particularly Fang Jiannan who couldn't help but look gloomy.

"It is useless. Even if Chen Hao hears about this, it is useless because something has happened to him,"

## Chapter 464 The Fang Family's Crisis Part 1

said Fang Jiannan.

"Huh? Something has happened to him?"

Lin Shengnan, Xu Yangyang and Hu Huimin all looked at Fang Jiannan.

"Yes, it has been 6 months already, and we are still unclear whether he is dead or alive," said Fang Jiannan.

"How could this be?" asked Lin Shengnan in disbelief.

"No wonder Wang Xiaohua's company went bankrupt! It turns out that something happened to Chen Hao," said Xu Yangyang dejectedly.

"Hmph! He deserves it."

Suddenly, Hu Huimin's voice rang out.

"Serves him right for keeping such a high-profile back then. He is such a show off. He thought that the world is his oyster since he has so much money. However, an unlucky person is still an unlucky person."

When Hu Huimin thought about the incidents in the past, she couldn't help but feel pissed.

## Chapter 465 The Fang Family's Crisis Part 2

Chen Hao couldn't help but look at Hu Huimin.

Originally he thought that she would change her view of him after he helped her out last time.

He couldn't help but smile bitterly to himself.

"Don't talk about those useless things. Now, everybody should think of a way to escape," said Shen Junwen.

"Get in! Everybody get in!"

At this moment, another voice rang out.

Following that, the steel doors were opened.

There were more than 30 people in the group. It consisted of a mixture of young and old; men and women. All of them had a hood over their heads as they were shoved in.

When their hoods were lifted, Fang Jiannan was startled.

"Why are you guys here? Have you all been captured too?"

Fang Jiannan was shocked.

"My Lady, is that you? It seems that the ruffians

## Chapter 465 The Fang Family's Crisis Part 2

from the Situ family have captured you as well," one of the elderly people couldn't help but say.

Obviously, these people were close to Fang Jiannan.

They weren't any ordinary civilians. Instead, they were the key figures of the Fang family's vassal family. There were several vassal families within the Fang family, and now nearly half of them were captured.

All because they were loyal to the Fang family.

"My Lady, please make a decision quickly. I am afraid that the Situ family is up to no good and they might harm the Fang family. They are planning to revolt," said one of the elders.

"However, what choice do I have now? I never expected that they have been painstakingly preparing for this for several years," said Fang Jiannan dejectedly.

At the same moment, within the inner courtyard of the Fang family...

"Oh, it is Mr. Situ and the rest. I am sorry, but the Old Master has taken his medication and is resting now."

Situ Hong brought along a few vassal families, who

## Chapter 465 The Fang Family's Crisis Part 2

were in the loop, to pay the Old Master a visit.

"This is an important matter. Could you please inform him? We will be waiting here," said Situ Hong.

The butler frowned. Obviously, Situ Hong's request was very rude.

However, he had no choice but to go in and inform the Old Master.

Soon, the Fang family's Old Master came to receive them in his study.

"Hong, do you have something to tell me?" asked Fang Butong.

"It's like this, Grandfather Fang. One of our family members who was working at headquarters was admitted to the hospital due to work-related injuries. However, the compensation for the medical expenses haven't been handed out by headquarters yet," said Situ Hong.

"Huh? Then, why did you come to see me?" asked Fang Butong as he frowned.

"It was precisely because the medical expenses weren't given out in time that the worker from the Situ family passed away," said Situ Hong coldly.

## Chapter 465 The Fang Family's Crisis Part 2

On the other hand, Fang Butong noticed that something fishy was going on.

"What do you want me to do then?"

"Simple, I want you to punish the person responsible for this incident. If not, the Situ family will not just let this matter go."

"Who is the person responsible for this?"

"Fang Jiannan."

Slam!

Fang Butong slammed his hands down heavily on the table. "Hong, how dare you?! What do you think you are doing?! Did you think that you can revolt against me by bringing along these useless people?"

"Haha! You are exaggerating. Our family has been loyal to the Fang family for generations. At this moment, we only want an explanation. Why don't you sign this agreement, then I won't pursue this matter further."

Situ Hong handed over an agreement.

When Fang Butong read it, his expression changed in an instant.

## Chapter 465 The Fang Family's Crisis Part 2

"Situ Hong, you really are a lunatic. Do you want to die?!"

Fang Butong's eyes were red with rage.

"Somebody get in here!" roared Fang Butong.

"Haha! Don't scream anymore, old man. The four brats who are in charge of your safety have been subdued by our men. Now, you are left with no one anymore. I hope that you can sign this agreement for your own safety, as well as the safety of your two granddaughters and your two sons. Moreover, I want you to announce this news in front of everybody," said Situ Hong with a smirk.

Fang Butong obviously knew what was going on.

However, he did not expect that the Situ family would be capable of such a thing!

"Did you guys capture Jiannan and Fang Yi?"

"Haha! I will give you 5 minutes to think about it, old man. As for the Board of Directors meeting, I believe that it won't take long for your followers to sign the agreement as well," said Situ Hong, "so don't waste your energy!"

"Fine, I can sign it if you insist. However, there is one thing that I want to be clear on. Could it be that you

## Chapter 465 The Fang Family's Crisis Part 2

have become an errand boy for the Mo family?"

"The word 'errand boy' is too offensive. I merely chose to follow a smart person. In fact, you brought this situation upon yourself."

"The Mo family intended to form an alliance with you. They wanted your help to find Chen Hao in the Southwest region. However, you actually refused them! So, I have no choice as I need the influence and power of the Fang family in the Southwest region to find Chen Hao. As for the benefits—from now onward, the Fang family's surname is hereby changed to Situ. Please don't blame me for this," said Situ Hong.

"Can somebody please bring the Old Master into his room to rest, and keep a close eye on him. We cannot afford a delay in the Board of Directors meeting tomorrow."

With that, Situ Hong took his men and left straightaway.

On the other hand, in the Situ family's secret room...

More and more people were abducted and brought into the room.

Most of them were the pillars of the Fang family.

## Chapter 465 The Fang Family's Crisis Part 2

"No way, something must have happened to my grandfather. We need to think of a way to escape quickly," said Fang Jiannan.

"It is vital that we unite with those who have the skills and try to break out of here," said Shen Junwen.

"Miss Jiannan, you have the best fighting skills amongst us, and it seems that you know how to use a gun. Why don't we try to force our way out? Moreover, Huimin is here as well. It's just that 3 people are not enough," said Shen Junwen.

"I know how to fight, count me in!"

"Count me in as well!"

A dozen men came forward not long after that.

Nobody was willing to obey an old lowlife like Situ Hong.

They were filled with righteous indignation.

"However, it will be dangerous as well even if we manage to escape from here. Young man, I know that you want to escape, but you are not a member of the Fang family. Don't worry, we won't put you in a difficult position. Moreover, all of us are being held here. How do you plan to fight against Situ Hong?"

## Chapter 465 The Fang Family's Crisis Part 2

asked someone worriedly.

Chen Hao also made a hand gesture, indicating that they shouldn't act rashly. They should wait and observe the situation first.

"Hmph! You are all a bunch of cowards. I think you all should talk less."

Shen Junwen looked at them speechlessly.

"I am more inclined toward your suggestion, Junwen. I think we can try to force our way out. It is better than sitting here and waiting for our death!"

After Fang Jiannan thought about it for a long time, she finally nodded her head.

After all, if they were able to force their way out, then they would be able to send out a message and call for backup to fight against the Situ family.

"Ok, I observed that the inner courtyard is not tightly guarded while the reverse is true for the outside. Miss Fang, are you familiar with the terrain outside?"

Fang Jiannan nodded her head. "I am familiar with it. You guys can follow behind me later. I will bring you guys along and try to break out of here."

"A-A-Ah!"

## Chapter 465 The Fang Family's Crisis Part 2

At this moment, Chen Hao finally opened his mouth.

He wanted them to bring him along.

"San, I know that you are scared. However, we might not be successful in our attempt, and it is dangerous as well," said Fang Jiannan with concern.

On the other hand, Hu Huimin rolled her eyes. She was speechless.

"Now that the family is in trouble, I can't stay here any longer. Jiannan, I want to follow behind you all," said Fang Yi through gritted teeth.

Fang Jiannan looked at the rest of her clansmen. Most of them were trembling in fear as they were frightened out of their wits by the Situ family.

She looked at Fang Yi and nodded her head.

"No way, I don't agree with this. Fang Yi, San, it is really dangerous out there. If you all insist on following us, I cannot guarantee that we might not end up in trouble," said Hu Huimin.

"Let's not argue about this anymore. When night time falls, we will see the situation then," said Fang Jiannan.

However, at this moment, Chen Hao walked to a

## Chapter 465 The Fang Family's Crisis Part 2

corner and brought out something that looked like a jade ornament without anybody noticing. However, it wasn't a jade ornament, because there was a button-like device on top of it. At that moment, Chen Hao pressed the button...

## Chapter 466 Rescue Mission

Soon, it was late at night.

Boom!

Suddenly, a deafening boom could be heard. A warehouse within the Situ family mansion had exploded.

Flames lit up the sky and sent shockwaves across the property.

“What happened?”

Situ Hong, Long Biao and the others who were inside a meeting room within the Situ family mansion felt a tremor pass through their bodies.

A housekeeper ran in looking flustered and said, “Sir, things are not going well! Something bad has happened! The warehouse has exploded!”

“What did you say?”

Situ Hong’s lips twitched.

That warehouse was no ordinary storage facility. All the files and documents owned by the Situ family from all these years were placed within that warehouse.

“Who had the guts to do this? How dare they do this

## Chapter 466 Rescue Mission

to the Situ family?" Situ Hong bellowed.

"Our people have been deployed to investigate!" said the housekeeper quickly.

"Check thoroughly and make sure you capture the culprit!" Situ Hong commanded before bringing a group of men to chase after the culprit.

Outside the Situ family mansion and within the forest surrounded by mountains, a few tents were set up.

More than ten silhouettes dashed across the forest and finally arrived in front of the tents.

A few of them reported, "Young Master Wei, everything has been settled!"

"Great, our mission is now done. The rest is up to Mister Chen!"

Wei Qingshu lifted up the flap of the tent and walked out. He nodded and said, "Alright, let's send the second team in to assist Mister Chen and his group in evacuating the premises!"

Ever since Wei Qingshu saw what Chen Hao was capable of with his own eyes, he was now more respectful toward Chen Hao.

## Chapter 466 Rescue Mission

On the contrary, Chen Hao had delegated a rather important job to him, and Wei Qingshu loved it.

Since Chen Hao knew of the Situ family's plans from two of their henchmen, Wei Qingshu's responsibility was to provide assistance whenever necessary.

The Wei family was a large family from the Southwest Region. Chen Hao managed to pry two of the Situ family's henchmen's mouths open and learnt about the landscape of the Situ family mansion. Naturally it was not a challenging task for Wei Qingshu to send his people to sneak into the house.

Just then, Fang Yi asked, "Jiannan, what is that noise? Why do I feel the ground trembling and shaking? Furthermore, it is a mess outside! Not only that, it's pitch-black now and we can't see anything!"

"I have no idea what happened but it seems to be an explosion. Anyway, we can use this to our advantage. This is a great opportunity to escape! Maybe Grandfather knows what happened and arranged for this! Let's go!"

Fang Jiannan stuck to their original plan and dashed outside with Shen Junwen and the others.

Despite the few people watching over them in the corridor, they could be easily dealt with by Fang

## Chapter 466 Rescue Mission

Jiannan.

In addition to that, a power outage had occurred and the basement was pitch-black.

It was utter chaos outside.

It barely took them any effort to eliminate the guards and escape outside.

“It seems like everything is fine!”

Everyone within the house was also looking on.

Fang Yi also stayed put.

“San, Shengnnan, what do we do now? It seems like it's a mess out there. Should we escape?” Fang Yi said anxiously.

Just then, someone grabbed Fang Yi's hand.

She turned around and saw that it was San.

“San, didnt you rush outside with Jiannan and the others?”

Fang Yi immediately felt at ease.

Chen Hao shook his head and motioned for Fang Yi to leave right now with the rest.

## Chapter 466 Rescue Mission

Fang Yi asked, "Can we? We have no idea where Jiannan and the others are!"

Chen Hao motioned again to tell her that everything would be fine, and that he would take care of things.

Fang Yi shouted, "Then let's rush outside as well, all of us! We shall escape from the back door!"

"Alright, let's seize this opportunity. It's dark and lights are out, so they wouldn't be able to hit us even if they opened fire!"

It was clear that everybody agreed.

Over thirty of them crept behind Chen Hao and started running.

"F\*ck! Where are you all going?"

A loud bang could be heard.

Suddenly a bright beam of light from a torch shone into the basement from the exit.

Five to six bodyguards appeared, all of them armed. They blocked off the entrance and glared furiously at them.

Ah!

## Chapter 466 Rescue Mission

A few of the ladies screamed.

“San, what do we do? They have guns.”

Fang Yi clutched Chen Hao’s arm in fear, hiding behind him.

“If you all wish to stay alive, get back inside!”

The men inched closer.

All of a sudden, Chen Hao moved swiftly at the men, instantly prodding their vital points with his fingers.

In a blink of an eye, the five bodyguards collapsed on the floor, bleeding profusely.

“Ah! San, I didn’t know you were so powerful.”

Fang Yi’s eyes widened and she stared in disbelief.

Even Lin Shengnan and Xu Yangyang who knew many Taekwondo athletes were shocked.

The difference was so vast when compared with San, who was mute.

This ugly guy is actually very powerful!

Everyone else was also astonished.

## Chapter 466 Rescue Mission

Immediately everyone felt that he was the one to depend on.

Chen Hao waved his hand and led them out of there.

They ran all the way to the backyard.

By then, they could see the warehouse of the Situ family mansion in flames. The fire was raging steadily on. A few nearby houses were devoured by the flames as well.

The Situ family mansion was in a huge mess.

However, Chen Hao was efficient and it was clear that the elite bodyguards were not around as they had gone after Fang Jiannan and the others.

This was a great opportunity for Chen Hao to lure the opponent away.

The few guards at the entrance were no match for Chen Hao.

Very soon, the group was led outside the courtyard by Chen Hao.

They ran around five hundred to six hundred metres northward.

As they passed by the forest, they saw many cars

## Chapter 466 Rescue Mission

awaiting their arrival.

Chen Hao motioned for Fang Yi and the rest of them to get into the cars and leave.

Fang Yi finally felt a sense of relief.

“Wait, where is Shengnan?”

“Yang, wasn't Shengnan with you all this while? Where is she now?”

Fang Yi, who was about to get into the car, suddenly asked.

Only then did Chen Hao realize that Lin Shengnan was missing.

What happened?

Chen Hao asked Fang Yi to get into the car while he retraced his steps to look for her.

Only when he arrived at the entrance of the basement did he notice Lin Shengnan.

She was curled up in a corner, crying.

Only when she saw San's return did her expression change. She excitedly said, “San, I-I tripped and broke my knee!”

## Chapter 466 Rescue Mission

"Here, let me carry you!" Chen Hao suddenly said.

Then, he lifted Lin Shengnan onto his back.

Lin Shengnan was shocked. "San, you can talk? I thought you were mute?"

Chen Hao smiled helplessly and said, "Of course! What? Can't you even recognize my voice?"

Lin Shengnan's eyes widened and said, "Y-you are Chen Hao? Yes, you really are Chen Hao. No wonder I found the look in your eyes so familiar when I met you this morning! Not only that, your figure was so familiar as well!"

Lin Shengnan was confused and asked, "B-but Chen Hao, didn't something bad happen to you?"

"It's a long story, let us get out of here first! Oh, you have to keep my identity a secret! I do not wish for people to know that I was in the Southwest Region!" Chen Hao replied.

Lin Shengnan nodded.

Minute by minute, two hours had passed.

On Fang Jiannan's side, things were not optimistic

Just as their group escaped amidst the chaos, they

## Chapter 466 Rescue Mission

bumped into Situ Yang who were chasing after them with his guards.

As such, they could only head south into the jungle.

Situ Yang and his men chased after them tirelessly.

Fang Jiannan and Hu Huimin had no idea how far they had run before eventually arriving at a highway at the bottom of the hill.

However, they had lost their bearings.

Hu Huimin asked, "Jiannan, where is this? Why is there not even a village here? It would be difficult to even make a call!"

Fang Jiannan said, "We've been running for so long. I have no idea either! Anyway, we can only follow the highway and continue walking!"

Just as the group of them got ready to jog along the highway, a loud bang could be heard.

Suddenly, the roaring sound of motors surrounded them.

Immediately after, car headlights flared.

They saw that over fifty vehicles had gathered in front of them.

## Chapter 466 Rescue Mission

The vehicles blocked off the highway so no other cars could go through.

Next to each car stood crowds of men in black suits.

“We are doomed!”

Fang Jiannan and Hu Huimin felt their hearts sink.

“Is there somebody called Miss Fang Jiannan here?”

Just then, a man that looked like a wealthy master walked out from the crowd and asked, a smile on his face.

## Chapter 467 Beginning of the Revenge

“Who are you? Did Situ Yang send you?”

Fang Jiannan was confused.

Although it was dark, Fang Jiannan could clearly tell that these people who stood stoically before them radiated power.

It was obvious that they were well-trained bodyguards for wealthy families.

There were only a few families who were wealthy enough to afford such services.

At this hour with so many guards, who else could they be working for if not Situ Yang?

All of them were nervous and stood close together.

“Haha, Situ Yang? Who is he?”

Unexpectedly, the teenager who appeared to be the leader nonchalantly laughed and said, “Miss Fang, I was entrusted with the mission to bring you all to safety by my boss. Let’s not waste any time and leave!”

“Your boss? Who is he?”

Fang Jiannan could not help but ask.

## Chapter 467 Beginning of the Revenge

The teenager did not say another word and got into the car himself.

Two bodyguards came over and said, "Miss Fang, please get into the car. We will bring you all somewhere safe!"

Fang Jiannan and the others looked at each other.

If they had ill intentions, they would have taken action a long time ago. Furthermore, we are outnumbered anyway. There is no way I can deal with them.

Thus, Fang Jiannan chose to believe them.

She nodded and their group got into the cars.

The fleet of cars sped along the dark highway and only stopped when they arrived at a big warehouse in the suburbs.

"It's safe here. Situ Yang's men won't be able to locate you," the teenage leader lit a cigarette and said. He brought them in to see that breakfast had already been prepared.

Thank you for saving us. May I know how to address you?"

The nonchalant and rebellious aura from the

## Chapter 467 Beginning of the Revenge

teenager made Hu Huimin's heart skip.

As such, she was grateful and asked the teen.

"Haha, you are welcome. You don't have to thank me, I am merely obeying my boss' orders. Grab something to eat and have a rest. I will send you all back to the Fang family tomorrow!"

Fang Jiannan asked, "Mister..."

Just as she was about to ask more questions, the teenager threw the cigarette butt on the floor and extinguished the flame. Then, he turned around and left.

Only Fang Jiannan and her friends were left behind in the warehouse.

Hu Huimin asked, "Jiannan, do you have any idea who is the one that saved us? Since your family is so powerful, could they be friends of your family members?"

Fang Jiannan shook her head and said, "No way. All the people close to our family have been captured by Situ Hong. Even if there were any other wealthy families who did this, they would not be so mysterious. I really cannot think of any family with such status and power that would do such a thing!"

## Chapter 467 Beginning of the Revenge

Fang Jiannan frowned.

Hu Huimin said, "However, by the looks of it, it doesn't look like they have any ill intentions. They are here to help us!"

The rest of them nodded.

Fang Jiannan then turned to look at Hu Huimin and Shen Junwen. She asked, "Huimin, Junwen, judging by how you guys did just now, you all were professionally trained as well. I don't think

Hu Huimin smiled and said, "That's right, we are not transfer students. However Jiannan, we cannot inform you about our actual identity as it needs to be kept a secret! I hope you can understand!"

"Get back home and have a good rest. By the time you wake up tomorrow, everything will be over!"  
Chen Hao said to Lin Shengnan who was still startled and yet to get over the shock. Chen Hao helped her into the car and requested the driver to send her home safely.

Lin Shengnan said worriedly, "Chen Hao, it's too dangerous. Why don't you leave with me and stay over at my house for one night? They are too scary!"

"It's okay, I still have things to do tonight!"

## Chapter 467 Beginning of the Revenge

"But a thunderstorm is coming and it looks like it's going to pour heavily. Now that we are safe, where else do you have to be?"

Lin Shengnan was still worried.

Chen Hao patted her shoulder and said, "Don't forget about our promise. Keep the fact that you met me a secret and don't tell anyone about it!"

Chen Hao glanced at the driver and the driver immediately drove off.

Inside the car, Lin Shengnan turned to look at Chen Hao. Through the rear window, she could see Chen Hao who was still standing in the same spot.

Suddenly, a bolt of lightning flashed, illuminating Chen Hao's face.

From afar, when Lin Shengnan saw the expression on Chen Hao's face, she could not help but feel a sense of fear.

At that moment, Chen Hao no longer appeared to be the Chen Hao that she used to know!

It was so scary!

A loud bang could be heard.

## Chapter 467 Beginning of the Revenge

Accompanied by the booming sounds of thunder, dark clouds formed and sprawled across the sky.

Powerful gusts of wind blew and torrential rains poured.

Throughout the night, it poured heavily and the roaring sounds of thunder could be heard coupled with flashes of lightning.

Chen Hao's silhouette also disappeared into the dark night...

On the other hand, back at the Situ family mansion.

"What? They all escaped? Not only did we not capture the people who blew up our warehouse, we also lost the hostages?" Situ Hong furiously shouted at Situ Yang.

At that moment, the representative of the Long and Mo families was present as well.

Situ Yang wiped the droplets of rain off his body and said, "At first I was getting close to capturing Fang Jiangnan and the others. However, for some reason, they just vanished into thin air. However, don't worry Father, I will capture them eventually!"

"How could you fail to capture them when they were right in front of your eyes? Yang, how am I supposed

## Chapter 467 Beginning of the Revenge

to confidently pass the family business over to you in the future?" Situ Hong snorted furiously.

Throughout his life, it was the first time that he was disrespected and messed around by someone else.

He had lost his reputation and pride.

Just then, the representative from the Long and Mo families stood up and said, "Mister Situ, please don't reprimand Young Master Yang anymore. It is clear that this time someone was helping out the Fang Family in secret. They coordinated and worked together. However, it is pointless to rescue Fang Jiannan. We already have Fang Butong in our custody. As long as we increase our manpower, it doesn't matter how capable they are, for they would not be able to do anything!"

Situ Hong nodded and said, "What all of you said makes sense. Sigh, I am going to need more help from the Long and Mo families with regards to this event then. Never mind, at the very least, no severe damages were done this time around. Instead, the few of you didn't manage to enjoy your drinks. Here you go, I have prepared the dishes and drinks once again! Let's chat over some drinks!"

Just then, a servant, in a hurry, accidentally knocked over a wine glass.

## Chapter 467 Beginning of the Revenge

Smack!

"F\*ck! Do you want to die?" Situ Hong was furious and immediately gave him a slap on the face.

"I am sorry Master, I am sorry!"

"This is so infuriating! Oh right, where is my wife? Wasn't she here just now? Since all our important guests are here, go and get my wife so she can come over and greet our guests!"

Situ Hong shook his head in anger.

The servant covered his face and ran out.

Just as he walked out of the secret room, he spat his saliva onto the door of the secret room and said, "Old man, I hope you die soon!"

"Hong, go and get the Mistress!"

He angrily shouted for the lady servant, Hong.

After a few times, nobody responded.

Instead, the only response he got was a deafening clap of thunder that erupted from the sky.

He was so shocked that he almost fell on his buttocks.

## Chapter 467 Beginning of the Revenge

“What is going on? Where are the people? Why is the living hall empty?”

The servant was curious.

He looked around and there was nobody there.

By then, for some reason, the lights in the courtyard outside were also switched off. As such, the entire yard was pitch black.

“Damn! What are the bodyguards doing? Were all of them struck by lightning?”

The servant walked out through the entrance of the villa in confusion.

Boom!

A bolt of lightning flashed by.

It lit up the entire yard in an instant.

Only then did the servant manage to take a clearer look at the situation within the yard.

“Ah!”

The servant let out a bloodcurdling scream.

## Chapter 468 No One Left Behind

Corpses!

The entire courtyard was filled with corpses.

It was still pouring heavily and the ground was wet with bright red blood.

Dead bodies, both male and female, were strewn across the courtyard.

Illuminated by the flash of lightning, the servant also saw a tall and strong silhouette standing in the center of the thunderstorm.

He held an umbrella in one hand and his other hand was tucked into his pocket. He slowly walked toward the villa.

To the servant, it seemed as if the devil was walking toward him.

He wanted to run; he wanted to shout. But at that moment, he could not move a muscle.

Both his legs were frozen in place.

He soon had a clear view of the man's face. He looked to be in his late teens, his features rather handsome and delicate.

However, his gaze was steely, his irises reflecting

## Chapter 468 No One Left Behind

the blood on the ground.

A deadly aura radiated from him.

It was this deadly aura that froze the servant in his steps and took his breath away instantly.

The teenager walked into the villa.

He casually lowered his umbrella and shook it. It was unclear if the droplets falling from the umbrella were raindrops or blood.

"They are all inside right?" the teenager casually asked.

The servant nodded and said, "Y-yes!"

"Hold onto this for me."

The teenager then passed the umbrella to the servant.

"O-okay!"

The servant was trembling.

"Come, let's have a toast. From today onward, the Long, Mo and Situ families shall work together, united as one. No longer can anyone stand in our way. Haha, this calls for a celebration. After that, we

## Chapter 468 No One Left Behind

should discuss our next step to track down Chen Hao!" Situ Hong laughed loudly and said.

Situ Yang then said, "Mo Qing and Mo Tian, ever since the Long Family requested for our family's help in looking for Chen Hao, my father has never taken this matter lightly. If it weren't for the people who fought with their lives to protect him, I believe Chen Hao would have been captured by my father half a year ago! I understand that Mr Biao is aware of the details as well!"

Mr Biao nodded.

"Yang is right. Back then the people that went after Chen Hao were all from the Situ family!"

Both Mo Qing and Mo Tian said, "We are clear about that. I have long credited this matter to all of you and I have reported it to our cousin, Mo Jian, as well. Mo Jian still remembers the help provided by you and your family."

"That's great. I hope that the two of you could continue to put in a few good words for me in front of Young Master Mo Jian! Come, let's have a toast!"

Situ Hong stood up and proposed a toast.

Just then, inside the secret room, the sound of footsteps could be heard from the corridor.

## Chapter 468 No One Left Behind

The footsteps sounded hollow, and became louder as it approached them.

“Could it be that the Mistress is here?” a guest joked.

“It doesn't sound like her,” Situ Hong gave a bitter smile and said.

The creaking sound of the door being opened could be heard.

The door of the secret room was slowly pushed open.

Then, a silhouette appeared right before their eyes.

“You are...”

Situ Hong frowned in confusion.

A few seconds later, he came to his senses and his expression changed to excitement.

“W-Who are you?”

“Haha, Father, he is Chen Hao!”

Situ Yang also stood up in excitement.

“What? Chen Hao?”

## Chapter 468 No One Left Behind

Mo Qing and Mo Tian were stunned.

"That's right, I remember him. My two nephews were murdered by him. I would recognize him anywhere. I did not expect that he would surrender himself to us!"

Mr Biao stood up furiously.

"You are dead meat! Catch him!"

Meanwhile, Mo Qing and Mo Tian gave orders to another two disciples from the Mo Family.

Both of them acknowledged their mission and rushed over.

However, just as they reached Chen Hao, Chen Hao gave a roundhouse kick. The kick swept at the two men's skulls like a dragon's tail, blowing their skulls open.

Even their eyeballs exploded!

The force threw their bodies into a corner where they slumped, never to get back up again.

And that was the end of the disciples from the Mo Family.

"What?!"

## Chapter 468 No One Left Behind

Mo Qing and Mo Tian's eyes bulged.

The disciples of the Mo Family were beaten up by an outsider with only one move ? Not only that but it was by Chen Hao, this wealthy brat?!"

If they had not seen this with their very own eyes, they would rather die than believe it.

Even the Situ father and son as well as Mr Biao were shocked by the gory scene. Their eyelids twitched.

Chen Hao... When did he become so powerful?

Chen Hao smiled and said, "This time around there are only four of you from the Mo family, right? The four of you should come at me at once!"

"Men! Come forth!"

Situ Hong saw Chen Hao's ferocity and cold sweat trickled down his forehead. In a hurry, he shouted for his henchmen.

Yet nobody responded to his multiple commands.

Upon seeing the smirk on Chen Hao's face, Situ Hong felt a chill down his spine.

"Chen Hao, do you know that the people you just killed were from the Mo family? Does the Chen

## Chapter 468 No One Left Behind

family no longer want to live? My uncle would wipe out your entire family!”

Even Mo Qing and Mo Tian were afraid.

After all, only people of their uncle’s level could be so strong and powerful.

As such, they brought up the name of Mo Changkong.

Chen Hao smiled and said, “You are right, I fear Mo Changkong going after my family. However, he will never find out that I was the one who murdered his nephews!”

“You bastard! You better surrender now, or I will definitely report this to my uncle. Then, you and your family better be prepared for the mighty wrath of the Mo Family!” Mo Qing bellowed.

Chen Hao shook his head and said, “You are wrong. Today, none of you are leaving this place alive!”

Mr. Biao and the others were completely terrified.

Mo Qing and Mo Tian also gritted their teeth.

“You bastard! The Mo Family is a hidden clan. The strength of our bloodline is not something you can face off with! This time, my brother and I will bring

## Chapter 468 No One Left Behind

your corpse back to our family!"

Both Mo Qing and Mo Tian lunged at Chen Hao.

Naturally, the both of them were far stronger than the two disciples just now.

After all, they had inherited the top notch genes of the Mo Family.

However, Chen Hao was no longer the man he used to be.

For the past six months, Chen Hao soaked himself every day in the unique herbal remedy prepared by Mr. Qin.

For the first three months, he only felt a sudden surge in his strength.

However for the next three months, Chen Hao felt as if he was reborn. Six months ago, when he first utilized his strength, he was surprised by his own power.

Because of that, Chen Hao no longer feared the Mo Family. It was no longer an easy feat for Mo Changkong to murder him.

If it was not for the fact that he was afraid of dragging his family down instead of rescuing them,

## Chapter 468 No One Left Behind

Chen Hao would have definitely gone to look for Mo Changkong and faced off with him.

However, for the past six months, Chen Hao was also very surprised and confused by something.

That was Mr. Qin.

Mr. Qin would test out Chen Hao's strength every fifteen days.

With every fight they had, Chen Hao was constantly one move away from being able to defeat Mr. Qin.

He thought that with his own hard work, determination and intense training deep in the mountains, he would eventually be able to defeat Mr. Qin. Be it by one move or even half a move, it was enough.

However, over the span of six months, despite his growth, Mr. Qin would always become stronger as well. In every fight they had, he would always be millimeters away from defeating Mr. Qin!

Chen Hao eventually came to the realization that Mr. Qin's capabilities were on a completely different level.

At that moment, even though Mo Qing and Mo Tian joined forces, they were nowhere close to Chen

## Chapter 468 No One Left Behind

Hao's level.

After a few rounds, a loud crack could be heard.

The crisp sound came from their necks snapping.

Mo Qing and Mo Tian could only look on helplessly, eyes wide open.

After that, blood spurted out of their mouths and they fell to their knees.

## Chapter 469 The End of the Situ Family

Clink! Clink!

The table trembled so much that the plates and wine glasses on the table collided with each other.

The trembling was caused by Long Biao as well as the father and son of the Situ family.

Just now, they were still having a merry time, eating and drinking.

Now, it was time to meet their doom.

All 3 of them had witnessed the power of the Mo family.

However, the Mo family was no match for Chen Hao.

Then, Chen Hao walked toward the table.

Thud!

Long Biao was so afraid that he knelt before him.

“Young Master Chen, please s-spare my life!”

The muscular man weighing 180 pounds was so scared that his own snot flowed down his face and into his mouth.

## Chapter 469 The End of the Situ Family

"6 months ago, when I escaped to the Southwest region, you brought along your men to pursue and kill me. More than 30 of my men were crippled by you. They were all my friends in Jin Ling," said Chen Hao as he patted Long Biao's head.

"I was wrong... Young Master Chen! I-I was wrong!"

Slam!

On the other hand, Chen Hao did not seem to hear anything at all.

He smashed Long Biao's head viciously.

There was a muffled sound. Following that, Long Biao's eyes started to bleed. Not long after that, he fell to the ground.

"Ah!"

Both the father and the son of the Situ family were as pale as a sheet of paper.

They were so frightened that they retreated to a corner of the room.

They felt that the person standing before them wasn't Chen Hao, but a monster.

Chen Hao looked at the father and son pair who

## Chapter 469 The End of the Situ Family

were scared out of their wits.

Then, he turned his gaze upon the table.

He sat down and poured himself a glass of red wine. Then, he grabbed an abalone and chewed on it.

"I heard that both of you were looking for me in the Southwest Region for the past 6 months. Moreover, you guys even spent a large amount of wealth and human resources to do that. Now that I am here, why are you looking for me?" asked Chen Hao as he looked at them.

"N-Nothing, Young Master Ch-Chen. It really is nothing," said Situ Hong while trembling.

"If you have no reason to find me, then why did you expend such a huge amount of resources to do so? I thought that both of you had some important matters to discuss, if not, why would I leave both of you alive until now?" said Chen Hao with a smirk.

After he was finished with the abalone and the red wine, Chen Hao walked toward the father and son pair.

Rumble! Rumble!

The sound of thunder outside grew louder.

## Chapter 469 The End of the Situ Family

However, it stopped after a bout of heavy rain.

The Situ family's mansion was set alight.

The entire area of the Situ family's mansion was bathed in a sea of raging fire, which illuminated the sky as if it was daytime.

A figure was seen putting on his cap and carrying a bag while slowly leaving the Situ family's home. In the end, the figure disappeared into the endless darkness.

The next day at dawn, the air was especially refreshing after the heavy rain last night.

At the warehouse in the suburban area, there were several makeshift beds on the floor.

It was Fang Jiannan and the rest. They were sound asleep.

Fang Jiannan's eyelids fluttered slightly.

She vaguely heard some footsteps outside, waking her.

Immediately, she sat upright vigilantly.

She saw that Hu Huimin and the rest of them were sleeping whereas the sun was shining brightly

## Chapter 469 The End of the Situ Family

outside the warehouse. What made Jiannan surprised was the fact that there wasn't a single soul outside the warehouse.

It was empty.

"Wake up! Everybody, wake up!" shouted Fang Jiannan.

Only then did everybody wake up.

"What's wrong, Jiannan? I am so sleepy. I did not expect myself to doze off so fast," said Hu Huimin as she yawned.

"Take a look everyone, there is nobody in the warehouse anymore," said Fang Jiannan.

Only then did all of them realize it.

"Yes, you are right. Where are the people? They were here last night. It makes no sense that they left as we did not hear a single sound."

Shen Junwen stood up immediately.

On the other hand, Fang Jiannan only frowned. At that moment, she saw that there were several burnt incense sticks stuck to the floor around the warehouse. She did not know when it got there.

## Chapter 469 The End of the Situ Family

"The smoke from this type of incense stick knocked us out," said Fang Jiannan.

"Who are they? They saved us, yet they did not want to tell us their names," said Hu Huimin.

Following that, somebody shouted, "Guys, take a look here, quick! There is a paper box here and there is something inside it."

Everybody immediately surrounded the box.

'To, Hu Huimin'

There was a seal on the box.

"Miss Hu, it seems that somebody left this for you specifically," someone said.

Hu Huimin was suddenly moved for no reason at all.

At that moment, her mind was flooded with millions of thoughts.

When Shen Junwen saw this, he felt nervous.

"Hmph! What can there be inside this box? Open it!" said Shen Junwen as he pouted.

"What are you doing? This is for me, you can't open it," said Hu Huimin angrily.

## Chapter 469 The End of the Situ Family

“Who knows what is inside there?”

When Shen Junwen saw Hu Huimin acting like this, he wanted to argue with her.

After all, he was worried that she fell for someone else.

At this moment, Fang Jiannan cried out, “Don’t make a sound. Somebody is heading toward us.”

Following that, she ran toward the entrance of the warehouse.

Everybody became nervous in that instant.

“Jiannan, Huimin, are you guys inside?”

Just when everybody thought that it was Situ Yang, who had managed to pursue them here, a sweet female voice instantly dispelled their concerns.

“Fang Yi?”

Fang Jiannan knew instantly who it was just by that voice alone.

At that moment, she walked out.

It really was Fang Yi! She brought along several people from the Fang family and some bodyguards

## Chapter 469 The End of the Situ Family

with her as she walked toward them.

“We are here!”

Fang Jiannan waved her hands happily.

‘Ah! Jiannan, it’s really great to see you all unharmed!’

After last night, everyone could say that they have experienced one of the most terrifying situations in their life.

Words could not describe the joy of a reunion after surviving a catastrophic ordeal.

“My lady, we are glad you are alright. The Old Master is worried about you.” said the higher-ups of the family with a smile.

“I am fine. By the way, Fang Yi, I thought that you all did not manage to escape. So how are you able to stand right here before me?” asked Fang Jiannan in surprise.

“We were rescued in the end. It was San. San rescued us all!”

Fang Yi said while crying.

“San?”

## Chapter 469 The End of the Situ Family

Fang Jiannan was surprised at first. However, when she saw that Fang Yi was crying so sadly, she asked, "What's wrong? Why are you crying?"

"I think something happened to San. After he rescued us, he went back to rescue Shengnan. However, the Situ family's mansion caught on fire. Everything was burned down to the ground, and San has disappeared."

Fang Jiannan looked sad as well.

"Fang Yi, don't panic. San is a lucky man. He will definitely be ok. Besides, we haven't started our search for him yet," advised Fang Jiannan.

"Yes, you are right. San had a tough past, but he is indeed a lucky man. He will definitely be ok. I will definitely find him."

Fang Yi nodded her head solemnly.

However, Fang Jiannan, who was an attentive person, noticed that something was different in Fang Yi's gaze although she was a carefree person.

She was full of doubts at that moment, but Fang Jiannan did not say anything else.

At that moment, she was still worried about her grandfather's safety. "Then, is grandfather alright?"

## Chapter 469 The End of the Situ Family

Did the Situ family harm him in any way? Moreover, how did you all know that we are here?’

“The Situ family? Haha! My Lady, you don’t have to mention their name anymore. It was really disastrous. I don’t know who the Situ family offended, but the fire that broke out yesterday night destroyed everything. The Situ family is gone,” said one of the higher-ups of the family.

“What? The Situ family is gone?”

“Yes, everything about them had vanished within a single night. The fire actually burned for the entire night. Hence, we couldn’t even find a single body,” said Fang Yi as she dried her tears.

“My lady, let us go back first. The Old Master wants to hold a family meeting. He has something important to announce.”

Rate the Translation to Get 2 Pearls.

Wait! I Have Something to Say!

Send a Gift to the Writer!

## Chapter 470 San, Where Are You?

The Fang family managed to avert a crisis this time.

Because of Fang Butong's carelessness, the Fang family was nearly destroyed by a vassal family. From then on, the Fang family would have ceased to exist.

Of course, Fang Butong bore the most responsibility in this case.

Furthermore, after this ordeal, Fang Butong realized that he was really old now, and that he was no longer the family head that everyone used to rely on in the past.

At the most critical moment, not only did he fail to protect the family, he nearly sent them to their death.

Hence, the Fang Family's Grand Meeting this time was obviously very different from last time.

All of the family members hung their heads.

Ahem! Ahem!

Fang Butong coughed, breaking the uncomfortable silence.

"Now, I have something to announce, and this will be my last decision as the head of the Fang family,"

## Chapter 470 San, Where Are You?

said Fang Butong.

Everybody lifted their heads.

“That is, I appoint Jiannan as the next head of the Fang family. I am old and useless now. Although your uncles are mature and steadfast, they are still stuck in their old ways. They can only provide assistance, but they cannot bear such great responsibility. After careful consideration, the most suitable candidate to lead the Fang family’s recovery and future development is none other than Jiannan!” With that, the crowd was in an uproar. Everybody was involved in a heated discussion.

Fang Jiannan did not expect that the meeting today would turn out this way.

She stood up immediately and said, “Grandfather, I can’t. I am still young, and I still have a lot to learn. I cannot be the next family head. Moreover, our tradition has never allowed a woman to become the head of the family.”

Fang Jiannan really did not dare to bear the great responsibility of becoming the next family head.

Fang Butong lifted his hands, indicating that everyone should remain silent.

“Everybody, please stop your discussions. I have

## Chapter 470 San, Where Are You?

already made my decision. Jiannan, I understand your concerns, but don't worry, you can still marry and have your own marriage. In addition to that, there are still some promising talents among your uncles' children and grandchildren. Hence, from now on, you need to step up their training. I did not just give you the position as the head of the family on a whim," said Fang Butong.

These words dispelled the worries of the rest of the family members.

Fang Jiannan was going to marry someone someday, and if she were to give birth to an heir, then the Fang family would have to change their surname. That was what everyone was worried about.

With the Old Master's words, everybody was put at ease.

"I will be the first one to support Miss Fang as the head of the family," said one of the family members.

"Yes, I will support her as well!"

Soon after that, the higher-ups from the vassal families showed their support as well.

"Look how popular you are." Fang Butong smiled. "Jiannan, you have seen it with your own eyes. So,

## Chapter 470 San, Where Are You?

don't refuse this position anymore. You are the best candidate for this position."

Fang Butong's decision was final.

Then, with the help of the butler, he retired to his room.

Everybody came to congratulate Fang Jiannan.

She forced herself to respond to their congratulations.

Then, she recalled that throughout the entire family meeting, she did not see Fang Yi at all.

In the past, Fang Yi loved to join in the family meetings for fun.

"Did you see Fang Yi?" Fang Jiannan asked the butler after the meeting.

She recalled that she had come here with Fang Yi.

"Oh, Miss Fang Yi drove out before the family meeting. She said that she was going to find someone," said the butler.

"She wants to find someone?" Fang Jiannan was stunned.

## Chapter 470 San, Where Are You?

Then, she returned to her senses. At that moment, she said to herself in secret, "Could Fang Yi have gone back to look for San?"

San was gone, and that made her sad as well. Especially since he rescued so many of her family members.

Fang Jiannan also regarded San as her best friend.

However, she could see that Fang Yi seemed to treat San differently. It wasn't just a simple friendship, but something much more.

She shook her head. Then, she said, "Prepare the car, I need to find her as it is too dangerous outside."

"Yes, President Fang."

...

At the same moment, the police had cordoned off the Situ family's mansion.

"Excuse me, have you seen a youth of average height, who has some severe burns on his face, and is wearing a mask?" a girl was seen asking an onlooker.

"Not really."

## Chapter 470 San, Where Are You?

"How can this be? He told me that he will come to look for us later after he was done with his business. He did not go back to Meng Mountain, nor did he return here. So, where can he be? I even gave Shengnan a call, and she couldn't be found. I think that they have moved away, and they are not in the Southwest region anymore. Then, who can tell me where San went?" Fang Yi asked the onlooker.

The onlooker was stunned.

He gave Fang Yi a once-over.

He was thinking to himself that she was such a pretty girl, yet she acted like a crazy person.

At that moment, he shook his head and avoided her out of fear.

"Where can San be? He said that he would return. He promised me, and he never goes back on his words," muttered Fang Yi to herself.

"San, you are my only friend, and my best friend as well. You must stay safe. We promised to chat with each other every night in the Fang family's garden. Where have you gone?" said Fang Yi.

While talking to herself, she recalled an image of the plain-looking, gentle San who treated everyone with kindness.

## Chapter 470 San, Where Are You?

Every time they chatted with each other, he would always listen to her intently. Apart from that, he would encourage and console her as well.

To be honest, she initially looked for San because she thought that he was an easy target, and she wanted to learn the sign language from him.

However, her feelings for him changed slowly over time.

She had formed some kind of dependency on him within just a few days.

Especially since San risked his life to save her last night.

Fang Yi could never forget him after this.

"San, where are you?"

No matter how long Fang Yi waited, he did not appear at all. Hence, she decided to just sit down where she was.

After she came back today, she went to Meng Mountain to find Master Zuo first. Then, she went to look for Lin Shengnan.

Master Zuo told her that San did not return, while Lin Shengnan had moved away with her family.

## Chapter 470 San, Where Are You?

Was Shengnan rescued? What was San's situation now?

"San, you must stay safe," Fang Yi muttered to herself.

After waiting for a while, Fang Yi looked preoccupied with her thoughts as she left without her car.

She prepared to go to another place to find him.

She wanted to find San, who was the only person to finally give her a direction in life after more than 20 years.

She lost too many things in her childhood. She had no friends, no friendship and no love.

However, she felt that she recovered everything she had lost ever since she met San.

She did not mind that San was ugly, nor did she mind that he was a mute.

These were unimportant.

The most important thing was, San would always stay by her side whenever she was unhappy. When she laid eyes on him, her mood would lift instantly, and she would have peace of mind.

## Chapter 470 San, Where Are You?

Fang Yi walked toward the road while thinking about this.

Vroom!

Suddenly, a loud engine sound was heard.

Following that, Fang Yi withdrew from her thoughts.

Then, she turned her head. A big truck was heading toward her at high speed.

The driver was dozing off. He immediately floored the brakes when he saw a person crossing the road.

However, it was too late.

Bam! A sound was heard.

Fang Yi flew away in an instant and landed heavily on the ground.

Her mobile phone flew more than 10 meters away, and the screen shattered into pieces.

A small pendant hung from her mobile phone.

The small pendant was very cute. It was a small masked figure, and it looked so much like San...

## Chapter 471 We May Never Meet Again

The sound of the ambulance came closer and closer. On the other hand, Fang Yi felt herself slipping away from consciousness.

"San..."

...

"What's wrong?" asked a girl in concern. On an express train, a young man was seen leaning against the window. He suddenly clutched his chest and shivered.

"Nothing, I felt some palpitations just now. How weird," said the young man with a bitter smile.

Then, he turned toward the girl and said, "By the way, take this. You can settle down and find a job first after we return to Jin Ling. The money in this card is enough for you to live a comfortable life."

The young man gave the girl a bank card.

"Chen Hao, I cannot accept this. You are in need of money now. I can find a job, and life will be good."

The girl was no other stranger; she was none other than Ma Xiaonan.

She quickly gave the card back to Chen Hao.

## Chapter 471 We May Never Meet Again

"Yes, Chen Hao. You need the money more than us. You saved my life, and we should be the ones to give you money instead," said Ma Xiaonan's mother.

"Ah! It's nothing. From now on, there are not many places I can spend my money at. I have done so many things... Haha!" Chen Hao laughed bitterly.

"What's wrong, Chen Hao? And you haven't told me why you severed ties with the Chen family yet," said Ma Xiaonan worriedly.

"It's nothing. It would be better if you don't know about it."

Chen Hao patted Ma Xiaonan's head.

Chen Hao returned to Jin Ling this time not only to visit his old friends, but to do something else as well.

Money was a cumbersome thing to him now.

Thinking about it, life was indeed a wonderful and mysterious thing.

In the past, he also arrived in Jin Ling on a green train[1]. He thought that he could lead a brand new life at college with a new attitude once he arrived in Jin Ling.

## Chapter 471 We May Never Meet Again

He did not need to lead a penniless, inferior life, just like in his junior and senior high school years.

However, going through to college, he realized that as long as he remained penniless, things would still turn out the same way.

Back then, he really longed for money. After he obtained the money, he wanted to live out his own life as he wanted to be spoken highly of no matter where he went.

However, after he suddenly became rich, Chen Hao realized that he could not show off his wealth just like that.

Because he did not have that desire anymore. He just wanted to lead an ordinary life with Su Tongxin. Later, he would marry her, and they would have two children together. It would be best if one was a boy and the other was a girl. Then, they would lead a worry-free life together.

Now, with Tongxin's departure, the life of a rich second generation heir was gone like a dream.

The weird thing was, Chen Hao did not long for money anymore.

"Chen Hao, you have changed," said Ma Xiaonan suddenly.

## Chapter 471 We May Never Meet Again

"Huh? What do you mean I have changed?"

Chen Hao withdrew from his thoughts.

"I realized that you were different the moment I saw you. However, one thing remains unchanged, and that is your attitude toward our friendship. You still treat me well," said Ma Xiaonan.

"Of course, you are still my best friend. You always will be."

"Then, Chen Hao, if you still regard me as your friend, can you tell me whether something happened to you? You have too many secrets. I know that you are not the impressive rich second generation heir that you used to be anymore. You will feel different after your return to Jin Ling. However, regardless whether you are a rich second generation heir or not, I will always treat you as my best friend. If you don't want to talk about it, then I won't ask you any further. But, we are still the best of friends, and we always will be," said Ma Xiaonan with a smile.

"Hence, I cannot accept this money. Take it. You can make a comeback in Jin Ling, and I will be your assistant."

Ma Xiaonan slapped the card back into Chen Hao's hands.

"I really have no use for this money. Besides, from

## Chapter 471 We May Never Meet Again

now on, I don't know whether I will be able to return here or not," said Chen Hao with a bitter smile.

"What do you mean? What are you planning?" asked Ma Xiaonan. She was at a loss for words.

"Nothing. If I tell you, you will feel afraid. So, please don't ask anymore."

Ma Xiaonan wanted to say something, but she stopped herself. In the end, she did not say anything at all.

Soon, the train had reached Jin Ling station.

Chen Hao hailed a cab and let Ma Xiaonan climb into it. As for the bank card, Chen Hao had already stuffed it inside Ma Xiaonan's pocket without her knowledge. The password for the bank card was his birthdate. Ma Xiaonan knew about it since their college years.

"Chen Hao, aren't you coming with us?"

Ma Xiaonan wound down the car window and shouted at Chen Hao.

"No, Xiaonan, farewell."

Chen Hao waved his hand.

## Chapter 471 We May Never Meet Again

The car started.

Ma Xiaonan poked her head out and shouted, "Chen Hao, let's get together! I don't care whether you are wealthy or not. Let's get married. We can find a job and live the rest of our lives out in Jin Ling! If you don't like Jin Ling, we can find a place in the countryside and build a family there. We can lead an ordinary life! Do you hear me?!"

"What did you say?" Chen Hao shouted. "Slow down! Lead a happy life!"

Chen Hao waved his hand.

"I said, can we be together? I don't want anything else!"

"Sir, can you stop the car?" Ma Xiaonan shouted at the driver anxiously.

However, the driver did not heed her words. He felt the cash in his pockets that Chen Hao gave him. Then, he floored the accelerator and drove far away.

Chen Hao waved.

Obviously, he heard what Ma Xiaonan said just now.

However, he knew that he could not go back to an ordinary life anymore.

## Chapter 471 We May Never Meet Again

As long as the whereabouts of Tongxin remained unclear, he definitely did not have the intention to start over a new life.

Chen Hao did not know why but he felt a sense of reluctance with this farewell.

Because with this farewell, he might not be able to see many of his friends ever again...

Chen Hao was wearing a black sweatshirt. He then put on a cap and a mask as well.

Then, he flagged down a cab.

"Where are you headed?"

"Let's go to the hospital first."

They reached the hospital not long after.

Through the glass window of the ward, Chen Hao saw the pale-faced Han Siyu who was on a ventilator lying on her bed

Thinking back, Han Siyu was a lively girl.

If it weren't for him, she might have led a good life. Maybe, with her beautiful face, she would have become an internet celebrity by now.

## Chapter 471 We May Never Meet Again

She would lead a happy life every day. How great was that?

However, in order to inquire about his whereabouts, she was captured and thrown from a building.

Chen Hao could imagine the scene, where Han Siyu looked worried as she and Ma Xiaonan were looking for him downstairs.

Originally they thought that they had some hope, alas, it was the start of their ill fate.

Mo Jian was a cruel person.

Chen Hao stood at the entrance. He couldn't help but grip the door of the ward tightly.

5 fingerprints were deeply imprinted upon the door.

"Hey you, why are you blocking the entrance? Do you want to go in or not?"

The nurse was holding a tray. She couldn't help but ask angrily.

This young man was really something. He only stood at the door and wept, but he did not enter.

At this moment, the young man turned his head.

## Chapter 471 We May Never Meet Again

The tears in his eyes vanished in an instant.

He was wearing a mask.

However, his eyes seemed to have a spirit of their own, as if they were able to speak. It was indeed captivating.

The nurse was terrified by his look and nearly lost her grip on the tray.

"I leave this to you. There are instructions on how to perform the acupuncture treatment on her. There is a herbal formula here as well. I don't care who it is—whether it's you or the doctor—but please read this and save her!"

With that, he threw the formula on top of the tray that the nurse was carrying.

Then he stuck his hands in his pockets and left.

[1] The green trains were named after the color of their external paint. It started running in the 1950s and was used heavily for three decades in China. Traditionally, they were powered by steam engines, though diesel trains are the norm.

## Chapter 472 Meeting an Old Friend again

Chen Hao reached the lobby of the hospital.

“Ah!”

At this moment, a girl was in a hurry and accidentally twisted her foot.

Seeing as she was about to fall down, Chen Hao managed to catch her due to his quick reflexes.

“Oh my, that was so close. Thank you, handsome!”

After the girl found her footing, she tidied her messy hair and quickly thanked him.

At the same time, this guy gave her a strange feeling.

He was wearing a mask and a cap which gave off a mysterious vibe.

His gaze seemed familiar, yet it felt foreign at the same time.

The youth did not reply to her and merely nodded his head.

Of course, his eyes couldn't help but linger on the girl's body for a few seconds.

It was because Chen Hao knew this girl.

## Chapter 472 Meeting an Old Friend again

"Do I know you?" asked the girl with a smile.

Chen Hao shook his head.

"Well, thank you anyway." The girl smiled.

"Ranran, what happened to you?"

Just then, a handsome guy in a suit came over.

"I just finished my medical examination and was going to find you when I nearly fell over!"

The girl held onto the handsome man's arms sweetly.

"Oh, if you had fallen down, then how would I explain it to Uncle Jiang?" said the man with a smile.

That's right, the girl was obviously Jiang Ranran.

"This handsome guy rescued me," said Jiang Ranran as she looked at Chen Hao with a smile.

"Thank you, my friend. I am the attending doctor in this hospital. Can I help you with anything?" asked Jiang Ranran's boyfriend with a smile.

Chen Hao shook his head and left.

Hehe. He chuckled to himself as he still

## Chapter 472 Meeting an Old Friend again

remembered that he used to have a crush on Jiang Ranran for a long period of time.

He felt that she was gorgeous especially when she dressed up.

Later on, although he had an ambiguous relationship with Jiang Ranran, it had already been six months, and she already had her own life now. Everything turned out great for her in the end.

“This guy is really peculiar!”

When he stared at Chen Hao’s figure from behind, the young man couldn’t help but mutter to himself.

“Not only is he strange, I feel that he looked familiar. Like I have seen him somewhere before,” said Jiang Ranran as she frowned.

“Ranran, what are you guys doing?”

“Jiao, why did you only appear now?” asked Jiang Ranran as she looked at an even more fashionably dressed girl.

“Don’t even mention it. I had to undergo a few extra examinations as I am going to get married next month. Hehe!” said Lin Jiao happily.

In that instant, she, too, noticed Chen Hao who had

## Chapter 472 Meeting an Old Friend again

walked out.

"Huh? He..."

Lin Jiao's beautiful eyes couldn't help but wander toward him.

"What's wrong, Lin Jiao? Did you think that he looks familiar as well? Or did you think that he's a handsome guy just because he has a good figure? Ever since I got acquainted with you in Jin Ling, I know you like the back of my hand. Once you spot a handsome guy, you're rooted to the ground!" said Jiang Ranran teasingly.

"Not really. I felt that he seemed quite familiar, especially from the back. It's like I have seen him somewhere before," said Lin Jiao.

"Sigh, forget about it! Let's go then. After my husband is done with his work, let's go out for a meal and do some shopping then," said Lin Jiao.

"Alright!"

Everybody chatted and laughed away as they left the hospital.

Chen Hao did not expect to bump into Jiang Ranran. In order not to complicate things further, Chen Hao decided not to acknowledge her.

## Chapter 472 Meeting an Old Friend again

"Sir, can you please give me something to eat?"

"Get lost, how dare you beg at such a young age?! I would rather give the food to a dog. Get lost!"

A shabbily dressed young man with a wooden cane, who was missing a leg, was holding a cracked piece of bowl as he walked toward a small stall by the roadside.

In the end, he was driven away like a pest by the store owner.

The pedestrians on the road were also pointing fingers at the young beggar.

Meanwhile, Chen Hao happened to pass by and saw this scene. He could only shake his head helplessly and left.

However, Chen Hao stopped in his tracks after taking two steps.

He turned back and looked at the young man.

"Stop there!" shouted Chen Hao as he stared at the young beggar.

"Sir, can you please spare me some money or buy me something to eat? Please?"

## Chapter 472 Meeting an Old Friend again

On the other hand, the young beggar was so scared that he started trembling from head to toe. He did not dare to lift his head up while he cried and said those words.

“Yonghao?” Chen Hao cried out softly.

The young beggar’s body shook violently.

Immediately, he lifted up his head.

When he saw the gaze of the person in front of him, Huang Yonghao’s lips started to tremble.

“Y-You are? Chen Hao?”

Huang Yonghao’s tears streamed down his face.

Chen Hao took off his mask and looked at him in disbelief. “Yes, it’s me, Yonghao!”

Chen Hao grabbed his shoulders.

“Brother! You aren’t dead yet. You are still alive!”

Huang Yonghao threw down his cane.

“It’s nothing. Yonghao, how did you end up this way?”

Chen Hao was greatly surprised.

## Chapter 472 Meeting an Old Friend again

Huang Yonghao was a well-regarded person in the past. Now that he ended up in this miserable state, how could Chen Hao not feel sorry for him?

"Take your time to eat."

Chen Hao ordered a large amount of food for him at the roadside stall.

Both of them sat opposite each other.

Then, Chen Hao poured Huang Yonghao a glass of water and patted his back.

Huang Yonghao nodded his head and proceeded to stuff food into his mouth.

"I did not expect so many things to happen within six months. It's my fault that you all are dragged into this mess," said Chen Hao as he blamed himself.

According to what Yonghao told him just now, the past six months could only be described as a drastic turn of events.

After Chen Hao got himself into trouble, Mo Jian came to Jin Ling. When Huang Yonghao heard that Chen Hao's death had something to do with Mo Jian, he brought his men to avenge Chen Hao.

However, he wasn't a match for him.

## Chapter 472 Meeting an Old Friend again

Because of this, Mo Jian made his old friends and his former allies suffered.

The person who suffered the worst was Yonghao as his leg was broken. It was nearly impossible for him to survive in Jin Ling.

On the other hand, Uncle Huang's entire family was assassinated by Mo Jian.

Chen Hao's sister, Chen Xiao, could only hold back her anger when she knew about this.

Hence, Huang Yonghao ended up this way.

On the other hand, in order to escape, Bai Xiaofei's family moved away, whereas he went to join the army.

As for Lin Jiao, after her family was forced into bankruptcy by Mo Jian, she seemed to have taken up a job as a nurse. At this time however, her whereabouts were still unknown.

Everything had changed completely.

Furthermore, it had all started because of him, with the murderers being the Mo family.

"The Mo family! Mo Jian!"

## Chapter 472 Meeting an Old Friend again

There was a flash of strong killing intent within Chen Hao's eyes.

"Brother, I am an embarrassment to you as I am a useless person now. Haha!" said Huang Yonghao with a bitter laugh.

"What do you mean 'a useless person'? Rest assured, I will treat your injuries. Moreover, I will get them back for the Huang family's misfortune. I will make sure that justice is served for Uncle Huang and the rest of them," said Chen Hao coldly.

On the other hand, Huang Yonghao shook his head violently.

"Don't ever do that! Brother, why don't you leave Jin Ling tonight? Everything in Jin Ling isn't the same anymore. Mo Jian isn't like Long Shaoyun, and neither is he like any other ordinary young masters. He is a powerful man. Even if we had our previous background and identities, we are no match for him."

"I understand, rest assured. You don't have to worry about me."

"Brother, you have been running away from the Mo family's pursuit all this while. What are your future plans?"

## Chapter 472 Meeting an Old Friend again

"Haha! I don't have any plans for now. I am going to take it as it goes."

"Brother, why don't I follow you from now on? As long as we are together, it will be worth it even if I die. I don't want to continue living like this forever. I would be better off dead."

Chen Hao hesitated for a while.

Indeed. Yonghao's family was already gone and he was even tortured into this wretched state by Mo Jian.

Chen Hao couldn't bear to leave him like this.

"Ok, if that is the case, you should go somewhere to recuperate first. From now on, you will follow me! Either we live or die together!" said Chen Hao.

"Yes, we'll live and die together!" Huang Yonghao was moved.

Following that, Chen Hao recommended a place to Huang Yonghao. He wanted him to go to the border of the Southwest Region first and ask the Wei family for help. After all, he did send Zuo Zhongtao there as well, so Yong Hao's leg injury shouldn't be a problem.

"Then what about you, Brother?" asked Huang

## Chapter 472 Meeting an Old Friend again

Yonghao.

“Me? Haha! Let me settle this matter first...”

## Chapter 473 Mo Changkong's Wrath

After bidding farewell to Wei Qingshu in the Southwest Region, Chen Hao told him that he did not need him by his side anymore and allowed him to go to the border of Southwest Region with Zuo Zhongtao.

The Wei Family was considered as his sanctuary, and they were the only shield he had now.

Since he had killed four people from the Mo Family in the Southwest Region, the Mo Family would most probably be hunting him down now. Therefore, should the Wei Family's identity be exposed, he would have no place to hide from the wrath of the Mo Family.

Granted that they might not be able to kill him, it was impossible too for Chen Hao to tackle the Mo Family who was tremendously powerful.

Hence, he had to chew the cud with every step he took.

After helping Huang Yonghao settle down, Chen Hao immediately rushed to the Cloud Mansion.

On a sturdy branch of a huge tree at the mountaintop, he lay down to rest and closed his eyes.

As night fell, he opened his eyes.

## Chapter 473 Mo Changkong's Wrath

At this time, the Cloud Mansion was brightly lit up.

Smack!

After throwing down his satchel, Chen Hao jumped off the tree.

He opened the satchel and took out a black hooded trench coat.

He put the coat on with the hood covering his face and walked toward the Cloud Mansion.

"How is it? What did the people we sent to the Southwest Region say?" a young man asked while lying on the sofa in the living room.

There were a few men standing beside him.

At the same time, there were a few men standing in front of him who looked very nervous.

"They haven't found any clues yet. The Situ Family has completely perished in a fire, even their bodies are nowhere to be found. Also, they have no idea on the whereabouts of both Young Master Mo Qing and Young Master Mo Tian."

"Damn it! The Mo Family is a noble and decent family. We are nothing like those ordinary people out there. Mo Qing and Mo Tian aren't just capable, they

## Chapter 473 Mo Changkong's Wrath

are my right-hand men too! If something had happened to them in the Southwest Region, it would be a huge loss for our family! Go and check again!"

"Yes, Young Master Mo!" Everyone left immediately to carry out his order.

As Young Master Mo closed his eyes, he thought, Jin Ling, what a great place indeed. I'll wait until the day our family takes over the Chen family, then I can make this place my base. This place is just perfect!

Tap! Tap! Tap!

Suddenly, the sound of soft footsteps could be heard from outside.

Someone was walking toward the living room.

"Hmm?" One of Mo Jian's underlings heard the noise and fixed his stare at the door of the living room.

He then opened the door and was shocked to see someone standing there. "Who are you?"

"Is Mo Jian here?" The man stood before him wore a black hooded trench coat, with only his eyes exposed.

His voice sounded raspy and old, which gave off an

## Chapter 473 Mo Changkong's Wrath

uncanny vibe.

In fact, if the underling had looked at him properly, he would have deduced that this weird man in a black coat was probably a young man, judging from his fair and tender skin.

"Who are you? What do you want?" Mo Jian stood up and asked as he took a sip of his red wine.

Looking at the strange person in front of him, Mo Jian couldn't help being alert.

"Young Master Mo Jian, I came here as I would like you to follow me somewhere!" the man in black said.

"Haha, follow you? Don't you know who I am? How dare you demand me to just follow you around?" Mo Jian sneered.

The subordinates of the Mo Family were enraged by the words of the man in the black coat and began to throw fists at him.

Although they hit him hard, they felt as if they were punching a wall which left their fists quite numb after the hit.

"Huh?" Everyone was completely stunned.

## Chapter 473 Mo Changkong's Wrath

As for Mo Jian, his eyes twitched slightly as he said, "Kill him!"

In a fury, his men were about to launch another attack with all their might this time.

However, the man in the black coat made his attack before them.

He directly locked his hands onto the necks of the two men in front. With a slight movement of his wrists, their necks were broken in a wrench and blood gushed out continuously as they died on the spot.

Then, he wielded his blade in a terrific speed and effortlessly killed all of the men from the Mo Family who besieged him.

"Huh? Who the hell are you?" Quivering in fear, Mo Jian immediately stood up.

This man was very powerful and skillful. Apart from his father Mo Changkong, Mo Jian had never seen such a formidable person.

Hence, he was gasping with fear.

It's obvious that this man in front of me is someone as powerful as my father.

## Chapter 473 Mo Changkong's Wrath

"Stop asking questions and just follow me!" the man in a black coat said.

"Alright then, since you're the elder here, I'll definitely do as you asked. However, I would like to know your identity so that I can let my father know later on. Furthermore, at least I would be able to tell whether you're an enemy or an alliance." Mo Jian stared intently.

"No need for that. You'll find out very soon!" Immediately, the man in a black coat went straight to him. He grabbed onto Mo Jian's shoulder tightly and locked his hands to his back while the loud joint cracking sounds could be heard.

A few meridians on both Mo Jian's arms were ruptured.

"Ah!!!" Mo Jian yelled miserably.

Then, the man in the black coat kicked his knee and violently rived his shinbone.

"D-D-Do you know who my father is?" Mo Jian's eyes turned red. He didn't expect this man to be so brutal.

"Follow me!" the man in a black coat said coldly and lifted Mo Jian, who was rendered disabled, with one arm.

## Chapter 473 Mo Changkong's Wrath

The man then pointed to one of the underlings who had been scared out of his wits and said, "You, carry him and follow me!"

He threw the paralyzed Mo Jian to the underling and proceeded to bring them out of Cloud Hill.

While he was at the doorstep, Chen Hao glanced at a corner of the mansion with a wilful smirk.

After that, both Mo Jian and his underling followed him down the hill.

As soon as they left, a man covered in blood crawled out from the corner of the mansion.

He grabbed his chest, his face as pale as a sheet.

He was the only survivor from Chen Hao's attack earlier.

Arduously, he took out his phone and dialed a number.

"Young Master Mo Jian is in trouble! Quickly inform Elder Mo Changkong to dispatch a rescue team! He was taken by a man in a black coat! That man is very powerful and he's probably from a hidden tribe too. He looked to be around sixty and above!" the man reported.

## Chapter 473 Mo Changkong's Wrath

"What? He is from a hidden tribe as well? Find a way to catch up to them. I'll inform Elder Mo Changkong right away!"

As soon as the person who received the phone call finished his words, he quickly dashed into a secret chamber.

"What did you say? Jian was abducted? Who the hell has such a nerve to do that?" When Mo Changkong heard the news, his eyes widened as his rage grew within him.

"No idea. But the subordinate of the young master called and said that the man is in his sixties and he is just as skillful as you. Young Master Mo Jian and his men were no match for him at all. He has taken the young master and headed to Yun Gui Community."

"Yun Gui Community? Who could it be?" Mo Changkong's lip convulsed.

Smack! A loud sound was heard as Mo Changkong smashed a stone table.

"I don't care who he is. I will not spare his life once I find him!" Mo Changkong growled furiously.

His underling asked, "Elder Mo Changkong, do you think this might be the doing of the Chen family?"

## Chapter 474 The Strange Girl in the Bus

A night later.

At the Chen Family's house in the Southern Region.

"Master, we have good news!" The butler sprinted into the room.

Chen Jindong was reading in the study room. Upon seeing the butler coming into the room, he rubbed his temples and took off his glasses.

"What's the good news?" Chen Jindong asked.

"It's about Mo Changkong! It has been half a year since his family started tormenting us, especially his son, Mo Jian. But we have just received news from a reliable source that Mo Jian has gone missing!"

"Huh? Mo Jian is missing?" Chen Jindong immediately stood up.

As a matter of fact, although Mo Jian was merely the third and youngest son of Mo Changkong, he managed to build his forces and relentlessly went against the Chen Family.

Chen Jindong didn't really bother much about Mo Jian's existence, though he was as pesky as a housefly.

Indeed, he had caused a lot of trouble which greatly

## Chapter 474 The Strange Girl in the Bus

worn out the Chen Family.

He was nothing but a threat to them.

And now, he had gone missing!

“Yes. Now that he is missing, most of Mo Changkong’s men have retreated yesterday night. It seems like our family can finally let our guard down for now,” the butler said with relief.

Chen Jindong also nodded his head with a smile.

“But...”

The butler frowned and said, “Mo Jian is the most-beloved son of Mo Changkong and he’s in trouble now. I wonder if Mo Changkong will suspect it was our doing and put the blame on the Chen Family?”

“Definitely not!”

Chen Jindong cast his book aside and said, “Mo Changkong is not a fool. Mo Jian is really strong and powerful, thus it’s impossible for our family to fight against them. Even if we could, we would not dare to do anything to Mo Jian too, looking at the current situation. Mo Changkong should be very clear on this point. Since he withdrew all of his people from here, it’s obvious that they have met a big problem now!” Chen Jindong laughed.

## Chapter 474 The Strange Girl in the Bus

It was a huge weight off his shoulders.

"You're right! I have worried too much!" The butler laughed.

"However, to be able to abduct Mo Jian so effortlessly, this person must be very powerful. Fu!" Chen Jindong's expression turned serious at once.

"Yes, sir."

"I have a secret task for you. I want you to investigate this matter for me at all costs. It would be great if we could find out which group this skillful person belongs to. If we could hire him to help us, we might be able to end this never-ending battle with Mo Changkong. Remember, do it at all costs!" Chen Jindong tapped the desk and spoke.

"Understood. I'll start the investigation now!"

"Hold on. Please invite Chen Xiao, Shen Lan and madam to have dinner together. It has been a long time since we had that. Let's have a feast today!"

"Yes, sir!"

The butler was pleased to see Chen Jindong this happy.

Ever since Chen Hao went missing half a year ago,

## Chapter 474 The Strange Girl in the Bus

the Chen family had never had a feast together.

Even Yang Yuping was seldom around Chen Jindong for the past six months.

He had gotten used to shutting himself in his study room.

Looking at how happy their father was, Chen Xiao and Shen Lan were relieved too.

“Dad, what happened that made you so happy? Is there any news about Chen Hao?” Chen Xiao asked.

Chen Jindong shook his head dejectedly and said, “No, Chen Hao is still missing...”

Everyone's face turned ashen.

“Nonetheless, today is a good day! I've just received news that Mo Jian has gone missing. Also, there was a ghastly murder case that happened in the Cloud Mansion. Many of Mo Changkong's men were killed!” Chen Jindong said.

“What? Mo Jian went missing?” Chen Xiao stood up and laughed.

“Indeed. I wonder if the mysterious yet skillful man abducted Mo Jian with intention. Anyhow, he did help us a lot!” Chen Jindong said with a smile.

## Chapter 474 The Strange Girl in the Bus

"Dad, is there any other hidden tribes other than the Mo family?"

Chen Jindong shook his head. "I have no idea. Anyway, we urgently need a powerful man like him to help our family. If we could locate him, I'm willing to hire him with a third of all my assets!"

Chen Xiao and the others all nodded their heads.

In the Southwest, the Yun Gui Community.

There was a bus heading toward the Yun Gui District.

At this time, the bus was on a mountain road.

The road was deserted and surrounded by huge mountains.

"I heard there were many robbery cases that happened in this area!" a fatty said while looking at the dim road.

"I saw the news not long ago about a bus that was hijacked by a group of robbers here, and all the passengers in the bus were killed!" the fatty continued speaking when everyone turned to look at him.

"Are you sure? Why haven't I heard about it?" a

## Chapter 474 The Strange Girl in the Bus

middle-aged woman asked anxiously.

"The news was covered up not long after the incident. Typically, this kind of thing wouldn't be publicized as it would only create panic among the public!" the fatty explained.

"Hmph, even if there was a robbery, we could just beat the robbers to death since there are so many of us here!" a burly man sneered.

"But they would have guns with them," the fatty said helplessly.

Meanwhile, everyone in the bus remained silent as they were feeling tense after listening to the fatty's stories.

The fatty also kept quiet after that. He then took out a pack of cookies to eat.

"Hmph! You just said that there might be a robbery here and now you're still in the mood to eat! No wonder you're so fat! If there were robbers around, no doubt that you'll be their first victim!" a woman spat resentfully.

"I eat in order to relieve my stress. After all, our mind is at the most relaxed state whenever our mouth is moving," the fatty said.

## Chapter 474 The Strange Girl in the Bus

"Really?"

"If you don't believe me, try it for yourself. Nah! Take one!" He distributed the cookies to a few people.

"I want some too!" Some of the people in the bus laughed.

"No way. My cookies are expensive. Didn't you guys buy any snacks before getting onto the bus? If you really want it, three bucks for one pack of cookies!" The fatty held his luggage in his arms.

Pfft! Everyone in the bus started laughing. It was obvious to them that the fatty was trying to sell his cookies from the beginning.

Nevertheless, they didn't mind spending that few bucks so they took out their wallets and bought from him.

"Guys, you have been so quiet all this while! You all must be hungry. Do you want some cookies?" The fatty was distributing along the way until he came to the middle section of the bus. He saw a man in a black coat with the hood over his face but couldn't tell how old he was as he had a face mask on. Apart from that, there were two weak-looking young men sitting behind him.

The fatty thought it to be quite weird from the

## Chapter 474 The Strange Girl in the Bus

beginning.

Meanwhile, the man in the black coat shook his head.

"Let's be friends. I won't take your money!" the fatty said.

However, the man in the black coat turned his head and looked out of the window.

What a strange man, the fatty thought.

After that, he turned to the left and saw a beautiful girl who wore a leather suit and pants. She looked as though she came right out of a spy movie.

The girl had long hair and an ice-cold expression. She was resting with her eyes closed.

"Hey beautiful, do you want some cookies too?" the fatty asked with a smile.

The beautiful girl shook her head.

"This cookie is slightly sweet. You'll feel quite refreshed after having it!" the fatty said again.

The girl probably wanted the fatty to leave her alone, so she said impatiently, "Just give me one pack then!"

## Chapter 474 The Strange Girl in the Bus

The fatty was waiting for the girl to pay him after giving her the pack of cookies.

To his dismay, the girl frowned as if she had suddenly realized something when she was about to take out her wallet after opening the packet of cookies.

"I don't have money with me!"

"What? You don't have money? Who would believe that? You don't even have 3 bucks with you?" the fatty asked in surprise.

## Chapter 474 The Strange Girl in the Bus

"I really don't have money with me!" The girl frowned.

Someone in the bus said while laughing, "Forget about it, fatty. It's only three bucks. I will pay for this beauty!"

"Sigh, I can't believe there's actually people like you in this world. You want the cookies but you won't even pay 3 bucks for them!" The fatty pouted.

The girl frowned even more.

A strong sternness flashed across her beautiful eyes.

The girl said coldly, "Fine! If you want the money, get off the bus with me later. I would even pay you 3,000 instead of 3 bucks. Do you dare to follow me?"

"Hmph! Of course, what's there to be afraid of? Keep to your words, you'll have to give me 3,000!" The fatty sneered.

"Fine!" The girl took a deep breath.

As for the man in the black coat, he glanced at the girl and raised his eyebrows slightly before retrieving his gaze.

After a while, the girl suddenly shouted, "Driver, stop

## Chapter 475 The Horror Felt by Mo Jian

the bus!"

"Stop here? Lady, there is nothing here!" The kind driver reminded her.

"It's none of your business!" the girl spat.

The driver had no choice but to stop the bus.

After shooting a glance at the fatty, the girl carried a white case and got off the bus.

"Hmph! You promised to give me 3,000!" The little fat man also got off the bus with the cookies in his arms.

But to the driver's surprise, a man in a black trench coat led two pale-faced young men down the bus as well.

Apart from that, there were another four to five burly men who also got off the bus with their luggage.

"What's going on? Why is everyone getting off halfway?"

But since the driver was old, he didn't bother with questions and drove away.

All of them had arrived at a deserted place.

## Chapter 475 The Horror Felt by Mo Jian

"Hey, give me the money!" the fatty said to the girl.

The girl stopped, and then laughed. "Do you see that? Turn around to see your money!"

"Behind me? That's a man! Where's the money?" the fatty asked.

One of the burly men said, "Brother, this beauty is still waiting for us! We can really enjoy ourselves this time! Hahaha!"

Then, they threw their luggage and quickly walked toward the girl in black and surrounded her.

The burly men asked, "What's wrong, beautiful? Do you feel lonely traveling alone? Why don't you let us keep you company?"

The little fat man was stunned.

"Guys, don't tell me that you're here to rob us?"

"Go away if you don't want to die!" The burly man shoved the fatty away.

As for the man in the black coat, he also came along with two weak young men. But, they only stood aside and watched.

The beautiful girl smiled sweetly and asked, "Keep

## Chapter 475 The Horror Felt by Mo Jian

me company? How do you want to accompany me?"

"Hehe! We will accompany you however you like!"

Just as they finished speaking, they prepared to pounce on the girl.

Suddenly, the girl asked, "Is your boss named Li Hu?"

"Huh? H-H-How do you know?"

The burly giants looked at each other in confusion.

"Of course I know. Because, soon, he will die by my hands, just like you freaks!" The girl sneered.

"What?!"

And at this moment, the girl suddenly moved at lightning speed. In a blink of an eye, a short dagger appeared in her hand.

Swish! Swish!

The throats of the four men were slashed in an instant.

"Ah!"

## Chapter 475 The Horror Felt by Mo Jian

The fatty shuddered in horror and screamed out loud.

The man, who was in the black trench coat, also raised his eyebrows. He then quickly averted his gaze.

"You! If you don't want to die, carry the suitcase and follow me to a place. After we are done, I will give you 10,000!" The girl glanced at the fatty.

Then, her gaze fixed at the three men who were walking slowly to the other side.

She furrowed her eyebrows.

The girl thought to herself, The man in the black trench coat is so strange!

But she quickly pushed the thought aside as she obviously had something more important to do.

She then squatted down and removed the communication devices off the four guys. After that, she left with the traumatized fatty.

"Master, senior, w-w-where are we going? If you want money, I can give it to you. My family is rich, so whatever you want, the Mo Family will surely give it to you. Please let me go! I am hungry and thirsty!"

## Chapter 475 The Horror Felt by Mo Jian

It turned out that the two young men were Mo Jian and his underling.

He dared not speak along the way until they were deep within the valley. Only then did he dare to open his mouth to question.

"It's just in front!" said the man in the black coat.

"Huh?" Mo Jian was surprised.

The man in the black coat continued, "The Mo Family must be going crazy looking for you, seeing how a massive search team is hot on our tails now. It seems that the whole of China would soon be turned upside down now that you've gone missing!"

Mo Jian nodded fervently and said, "Senior, it's best that you can understand that. My father loves me the most in his life. He must have tried every means and sent all the masters of the Mo Family to look for me. Senior, you don't have to go against the Mo Family. Surely we can work things out and be on friendly terms!"

"He won't give up until he finds you," said the man in black.

"That's right, senior! Why would you..."

Crack!

## Chapter 475 The Horror Felt by Mo Jian

Suddenly, the man in black locked his hands onto the throat of Mo Jian's man, and he crushed it effortlessly.

Poof!

Blood spurted out from the mouth of the man and he died on the spot.

"Huh? Senior!"

Mo Jian was shocked.

The man in black sneered. "Your man is very smart, he was leaving marks along the way!"

"Young Master Mo Jian, would you like to find out who I am?" asked the man in black.

"Senior... W-W-Who exactly are you?" Mo Jian asked.

The man in black took off his cap and the voice-changing device on his neck.

Then, he took off his mask to reveal a handsome looking face.

Mo Jian was horrified when he saw that face.

"Y-Y-You are Chen Hao?" Mo Jian was shocked.

## Chapter 475 The Horror Felt by Mo Jian

As he was searching for him everywhere, Mo Jian naturally became very familiar with Chen Hao's appearance.

He was obviously frightened when he recognized Chen Hao in front of him.

"That's right! Both of you, father and son have been hunting me for half a year now. I bet you never expected to fall into my hands, right?" Chen Hao gave a wee smile.

However, his smile terrified Mo Jian.

"Chen Hao, Young Master Chen, I didn't expect you to be the owner of the bloodline as well. I'm sorry for being disrespectful. The things that happened before might have just been a misunderstanding!" Mo Jian said in fear seeing how Chen Hao was very strong and ruthless.

"Misunderstanding? My friends have all suffered at your hands. Also, the Chen Family has been overwhelmed by your tyranny for the past six months, not to mention that I was chased around like a dog by you and your father. And you're telling me that all these are just misunderstandings?" Chen Hao sneered.

"Why don't you kill me since you've caught me then? What are you going to do?"

## Chapter 475 The Horror Felt by Mo Jian

Mo Jian gulped and stumbled backward.

Chen Hao replied, "Well, I'm just looking for the right place and the right time to kill you."

"I understand now. You want to divert my father's attention and allow the Chen family to slowly regain control! But Chen Hao, do you really think that you could escape from us just because you've caught me? You may be powerful, but don't forget that you are now challenging the whole Mo family, most importantly, my father!"

Mo Jian made his final threat. "My father will be here any minute. You have to consider the consequences of killing me! If you kill me now, you'll have nothing to bargain for!"

Chen Hao nodded. "That's why I have been thinking for a long time on how I should kill you. I'd thought of setting you on fire, but it might leave traces behind. Then finally, I've thought of a brilliant idea!"

"The deep valley in front is called Wild Miasma Valley. It is also known as the Toxic Mosquito Valley, whereby it contains hundreds of millions of highly poisonous mosquitoes. If I throw you into the valley, I'm afraid that your body including your bones and flesh would all be gone within half an hour. By then, I'm sure your father will spend a long time looking for you! Therefore, I've decided to let the

Chapter 475 The Horror Felt by Mo Jian

mosquitoes bite you to death!”

“Chen Hao! Y-You're vicious! Bastard! My father will chop you into pieces!”

Mo Jian was terrified as he roared with a pair of red eyes...

## Chapter 476 Saving Both Of You

After an hour.

Chen Hao came out from the valley and quickly changed back to his normal attire.

The trench coat he wore was specially designed for the Toxic Mosquito Valley.

He then recalled Mo Jian's gruesome expression when he met his demise earlier.

Even then, Chen Hao felt the adrenaline rush of sweet revenge. It looked like even if Mo Changkong's people were to track them down to this place, they wouldn't be able to find Mo Jian's whereabouts in a short while.

If Chen Hao's guesses were right, Mo Changkong would continue his search party like a mad man.

Then, the Chen family and himself would get the chance to wind down a little.

As for China, Chen Hao was afraid that he wouldn't be able to go back just yet.

He had to find himself a new place to settle down.

Carrying his backpack, Chen Hao gave off a vibe as if he had just graduated from college.

## Chapter 476 Saving Both Of You

His looks were also restored to when he always had a modest and naive expression.

Buzz! Buzz!

Right at the moment.

A loud motor sound rang throughout the wasteland.

What Chen Hao saw following was two people running for their lives while being chased by an SUV.

A guy and a girl.

They were running toward his direction.

Immediately, Chen Hao recognized that they were none other than the chubby man who was selling biscuits on the bus and the beauty that was clad in black leather clothes.

"It's them?"

Chen Hao wore his cap and lowered the brim of it.

"Help! Please help us! Someone wants to murder us!" the chubby man shrieked for help.

On the other hand, the beauty in black looked like she was suffering from a serious injury, with fresh blood dripping down from her leg.

## Chapter 476 Saving Both Of You

The white case that she carried earlier had turned murky black.

“Hey, man! Please save us! T-They’ve got guns with them!” the chubby man cried out.

The girl’s face was as pale as a sheet.

The SUV was going to catch up any time soon.

Moreover, the girl killed four robbers in one go earlier on.

From her looks however, she didn’t seem like someone who was evil and calculating.

On the contrary, those few in the SUV that were heading over their direction were bald and had tattoos all over their bodies.

“Follow me into the valley!” Chen Hao urged.

He brought along the two of them and rushed into the valley.

Right at that moment.

Bang! Bang! Bang! Bang!

The loud noise of guns shooting echoed from behind, the bullets shot were all over the place as

## Chapter 476 Saving Both Of You

they were deflected by the stone walls of the valley.

Screech!

The SUV finally stopped.

Five men with loaded guns came out from the car.

"Sh\*t! They ran pretty fast! But, don't worry. I shot the girl just now, so she won't be able to run that far! Brothers, load up your guns and catch up to them!" the head of the men ordered.

"Hey boss, I don't think we should do that. This valley is called the Toxic Mosquito Valley. If we were attacked by the toxic mosquitoes, we would be reduced to dust in no time! Neither our skin nor our bones would be left! We shouldn't enter the valley!" one of the followers warned.

"But, the case with the money..." the head of the men hesitated.

"Whatever. Even if they went in, I'm sure it won't be long before they rush out by themselves again. I want you guys to contact the others to come over and surround every entry of the valley! Ask them to bring their guns too!" the head of the men added on.

"Yes, boss!"

## Chapter 476 Saving Both Of You

"Sh\*t! Why are there so many mosquitoes here?! Hey, man! What kind of place is this?"

Back in the valley, the chubby man inquired anxiously as he carried the girl who was on the brink of passing out.

"This is the Toxic Mosquito Valley. Naturally, there will be a lot of mosquitoes!"

"T-Toxic Mosquito Valley? Are you saying that this is one of the deadly zones, the Toxic Mosquito Valley?!" the chubby men exclaimed in shock. Clearly, he was a knowledgeable man and had learnt a thing or two about this place.

"Yep!" Chen Hao nodded his head.

"What the f\*ck? Hey, man! Let's stop going further, this isn't any better than going back out and getting shot dead by those men! I heard that once you're attacked by these toxic mosquitoes, you will be reduced to nothing!"

The chubby man was terrified.

"Then why did both of you run toward my direction? Aren't you guys just dragging me along with you?" Chen Hao chuckled bitterly.

If it was a short distance, Chen Hao might have

## Chapter 476 Saving Both Of You

been able to avoid the bullets.

However, within such a long distance, when hit with a row of bullets, even if Chen Hao managed to avoid them, he would end up with some sort of injuries too!

He saw the chubby man's facial expression of shock and chuckled. "Follow me, there is a cave in the valley that we can hide in temporarily! She has lost too much blood already, there is a high chance that she might die if we don't treat her soon!"

"Really?"

The chubby man was surprised.

Chen Hao shook his head and headed forward.

He brought them into a cave.

Around this area, the toxic mosquitoes were almost zero to none.

"Wow! Is this a miracle? There are no toxic mosquitoes here at all!" the chubby man laid the unconscious girl down and exclaimed.

"The plants you see outside the cave right there are repellents for the toxic mosquitoes! With the plants around, the toxic mosquitoes would not dare to

## Chapter 476 Saving Both Of You

show up!”

Chen Hao was rather familiar with herbal medicines, so naturally he knew the properties of the plants.

“Who are you? How do you know so much?”

Chen Hao walked over to examine the girl’s condition.

However, the girl frowned and questioned him instead.

“It doesn’t matter who I am. If we don’t attend to your injuries soon, you’ll be dead in no time! What exactly happened to you guys? Why were they chasing after the both of you?”

Chen Hao felt like he overheard that the girl was on a mission to assassinate someone.

However, by the looks of it right now, the mission was a failure.

“Yeah! If only I knew about this earlier, I wouldn’t have followed you in the first place! You’ve really caused me so much trouble, do you know that?” the chubby man asked the girl in infuriation.

“Haha! Well, since we don’t have much time to live anymore, I suppose it doesn’t matter if I tell you

## Chapter 476 Saving Both Of You

guys the truth!”

The girl continued, “The person that I wanted to assassinate is a powerful man from the Southwest Region. He entrapped my friends and only I managed to escape!”

“Well, it looks like you were trained since birth to assassinate, weren't you?”

Chen Hao probed further as he tore the gauze to bandage her injuries.

His questions made the girl view him in a different light.

She continued staring at Chen Hao.

“Hey, hey, hey! I'm not interested to know about your personal vendetta with those people! What I want to know is, what did you mean when you said that we don't have much time to live anymore?!” The chubby man urged.

“Haha! Well, according to Li Hu's usual modus operandi, they would most likely have surrounded all the entrances of the valley with his people by now. Although we are hidden in here, even if we weren't bitten to death by the toxic mosquitoes, we would eventually starve to death! However, with the three of us dying together, I guess that would make my

## Chapter 476 Saving Both Of You

journey to death less lonely!" the girl explained.

"What the hell! Y-You're terrible! How dare you drag us along with you!"

The chubby man's eyes widened.

"Even with your serious injuries, you still have the mood to scare him, huh? Well, just like what you've said, since we are all dying here anyway, it doesn't matter if we were to do anything bad to you! After all, this fatty here looks like he is still a virgin!" Chen Hao shook his head and snickered.

"D-D-Don't you dare!"

The girl glared at him.

Then, Chen Hao turned his gaze to the chubby man, "Hey, fatty! Could you go deeper inside and retrieve some water back? There is a stream with an undercurrent further inside. I need to help her clean her wounds!"

"Okay!"

The chubby man nodded and left with a bottle.

"You only have light scratches around your arm. However, the injury on your thigh seems pretty bad and it might get infected easily. I'll have to suck the

## Chapter 476 Saving Both Of You

blood clottings out from the under layer surface of your skin!" Chen Hao informed the girl after the chubby man left.

"How are you going to suck the blood out?" she asked.

"With my mouth, of course!"

Chen Hao couldn't help but blushed in embarrassment. "Have you removed your clothes?"

Slap!

However, he did not expect the girl to slap him.

"You bastard! Don't you dare do it!" her face was flushed all over as she protested shyly.
