

Chapter 485 A Mysterious Man

According to the information provided by Zhang Hu, Wen Sen would be at the biggest underground casino in Tian City at this hour based on his usual habit.

Therefore, Chen Hao led his men and headed straight to the casino.

Initially, Chen Hao was just sitting at a random casino table.

Of course, after he won more than ten times in a row, he attracted the attention of the banker.

An underling sneaked away to the office when Chen Hao was not paying attention.

“Wen Sen, there is a big shot outside who has won a bucket of money. He has even brought quite a number of people with him and he seems like a hard nut to crack!”

The underling gave a report to a hefty man who was sitting in an office chair, fiddling with a Japanese sword.

This hefty man had a deep scar from the top of his head to his forehead, which was a terrifying sight. He was the boss of this

casino—Wen Sen.

Crack!

With a swift jab, the shining polished Japanese sword cracked a jade statue in front of him, causing the underling to jump in shock.

Huff!

Wen Sen blew the tip of the sword.

“A big shot? Since he is someone notable, he should know my rules. Alright, I’ll go out and meet him!” Wen Sen said with a sneer.

Initially, it was noisy outside, but it quickly sank into a deadly silence when Wen Sen came out with his underlings.

“Wen Sen!” Everyone greeted him in unison.

Wen Sen walked straight toward Chen Hao with his people.

“Not quite what I expected. It’s just a young brat, I see. Hey you! Don’t you know

Chapter 485 A Mysterious Man

the rules here? After winning ten times in a row, don't you need to give us back some money?" Wen Sen said.

"Oh, I'm not sure of the rules here. I'm just a newcomer, please excuse me for my mistakes!"

"It's not a big deal if you don't know the rules here. You can always learn it. Well, why don't we play a few rounds? It's just that you might not be comfortable with the bet," Wen Sen replied with a spooky smile.

"Well, what do you want to bet?"

As Chen Hao was talking, he was also sizing up Wen Sen. From his judgement, this man did not seem to have the spirit of a mighty person even though he appeared formidable, unlike Mo Jian and the others whom he had met earlier. Putting the level of their abilities aside, Chen Hao could at least sense some spirit of a fighter in them.

If Wen Sen was truly mighty, why would he not have that spirit?

Wen Sen then said, "Let's bet our life!"

As soon as he said that, everyone was stupefied.

Shen Wanshan and the others also looked at each other in shock.

"Sure. I'm willing to keep you accompanied!" Chen Hao nodded.

However, even though Wen Sen was a veteran in gambling, he was no match for Chen Hao in gambling skills.

In just the first round of the game, Wen Sen had lost.

"Mr. Wen, you're being modest. I won!" Chen Hao shook his head as he spoke with a smile.

Upon hearing that, Wen Sen touched his watch.

Suddenly, numerous people around them moved.

They took out their weapons and aimed at

Chen Hao and the rest.

“You are indeed skilled. Too bad, I’m afraid you won’t be able to take my life. On the contrary, you can keep your life here with me!”

Wen Sen stood up and sneered. “Attack!”

Unexpectedly, Wen Sen could only catch a glimpse of Chen Hao’s moving figure before Chen Hao appeared in front of him in a blink of an eye.

In the next second, Chen Hao had clutched Wen Sen’s neck swiftly.

At this moment, the other people had no choice but to remain still even if they wanted to move.

With a little force, Chen Hao lifted Wen Sen up from the floor.

“If you still want to live, tell all your men to get out now!” Chen Hao commanded fiercely.

“Get out! All of you, get out now! Brother, d-

don't be rash. After all, this is my territory!"

Wen Sen waved his hands frantically and told his men to go out.

"Are you going to keep your word? You lost your life to me after all!" Chen Hao reminded him.

"Don't! Don't, my friend. Please spare me a life. I'll give you anything you want!" Wen Sen pleaded for mercy anxiously.

"It's simple. Let's exchange a life for a life. A few days ago, didn't you catch a person named Zhang Long, nicknamed Tian Long? Where did you hold him captive?" Chen Hao asked.

"So you came to rescue him. H-He's with me. I'll let him go, but you have to keep your promise and let me go too!" Wen Sen answered hurriedly.

"Stop talking nonsense and give him to me now!" Chen Hao exerted more force on his grip.

"H-He is locked up in the basement of the

Chapter 485 A Mysterious Man

underground casino. You can rescue him now if you want. I'll tell my men to let him go immediately!"

Wen Sen was honest and straightforward.

Soon, Shen Wanshan had rescued Tian Long, who was covered in cuts and bruises and was in a deep coma.

Bang!

As soon as Chen Hao saw the horrifying state of Tian Long, he sent Wen Sen flying with a kick out of anger, leaving Wen Sen spurting blood from his mouth in great fear.

Even Shen Wanshan and the rest were dumbfounded by this scene.

The fierce and mighty Wen Sen was completely vulnerable against Mister? This was inconceivable!

"Bring him along and let him escort us out!"

Chen Hao carried Tian Long on his back

and seized Wen Sen into the car. After that, they drove off.

“I am just a pathetic guy. Please don’t kill me!”

They arrived at a desolated riverside.

When they got out of the car, Wen Sen kneeled on the ground immediately.

“I never thought that the powerful Wen Sen of Tian City would act this way!”

“Exactly. Damn! Many people will even tremble with fear when they hear his name, but he’s actually just a coward!”

Shen Wanshan and the others smiled bitterly.

However, Chen Hao was staring at him coldly and asked in an indifferent voice, “Answer my question honestly. Where is the real Wen Sen, and how are you related to Wen Sen?”

Upon hearing his question, Shen Wanshan and the rest were stunned.

Chapter 485 A Mysterious Man

The man wailed, "Mister, please have mercy. I am Wen Lin and Wen Sen is my younger brother. He went out a week ago. I'm just taking care of the casino while he's not here. Mister, please spare me. If you want to seek revenge, you should find my brother, Wen Sen!"

"What? He's not Wen Sen?"

Everyone was stunned.

Mister had noticed this since the beginning.

"Bastard! You were making a fool of us. Where is Wen Sen? Where is he?" Shen Wanshan grabbed him and shouted.

"He just told me that he is bringing people to look for an item and he will be back a few days later. Other than that, I don't know anything!" Wen Lin answered in tears.

"I'm taking my man away. We would only be tainting our hands if we killed you. Get lost now!" Chen Hao scolded coldly after glancing at Wen Lin.

“Thank you, Mister. Thank you!” Wen Lin fled the scene immediately.

“This coward...” Shen Wanshan could not stop cursing. After that, he went back with Chen Hao.

“Damn it. I’ve been mighty for all my life, yet I was defeated unexpectedly by a brat today. What an unlucky day. But this guy is honestly cruel, just like Wen Sen! I think it’s better to ask Wen Sen to come back as soon as possible and beat that brat to a pulp!” Wen Lin rubbed his throat as he ran while swearing.

Bang!

Suddenly, he bumped into a person.

He fell hard to the ground at once, leaving him dizzy.

“Damn it. Are you blind?” Wen Lin grumbled angrily.

But the next second, he shut his mouth up.

The person who stood before Wen Lin was

Chapter 485 A Mysterious Man

wearing a black robe, and his whole face was covered except for his eyes.

Judging from the eyes of this person, he was probably an elderly.

His eyes were turbid, but there was a spirit of shrewdness and maliciousness in them.

They seemed to be able to capture one's soul, and the coldness in them would send chills down one's spine. Wen Lin could only grumble a sentence, while the rest of his sentence was swallowed in fear.

"Wh-Who are you?" Wen Lin asked.

The elderly in black walked toward him slowly. He then raised his wrinkly hands and patted Wen Lin's head.

Crack!

The next second, Wen Lin spurted blood from his mouth and collapsed onto the street.

The elderly in black put both his hands behind his back slowly and gave a

Chapter 485 A Mysterious Man

meaningful glance at the direction where Chen Hao and the others had left.

After that, he furrowed his eyebrows...

Chapter 486 News From the Wei Family

Meanwhile, Chen Hao brought the others back to the manor.

From afar, they could see a motorcade at the entrance.

“Who is here?” Shen Wanshan could not help but ask in perplexity.

“The son of the Wei Family, Wei Qingshu. It seems like there’s finally news regarding the thing that I’ve been looking for!” Chen Hao smiled lightly.

After that, Chen Hao sent Tian Long to his room to rest after his wounds had been dressed.

Wei Qingshu was sipping tea in the living room now, holding a document bag.

In the past, no one would make a young master wait for someone. He would only do this for the sake of Chen Hao.

Wei Qingshu had also sponsored Chen Hao in becoming a boss in the Southwest Region, so it was only natural that he knew where Chen Hao stayed.

“Qingshu! How long have you been waiting?” Chen Hao walked in and both of them greeted each other.

Although Wei Qingshu was arrogant and haughty in the past, Chen Hao knew from the first meeting that Wei Qingshu would have no problem in becoming a handy assistant if he trained him well.

“Not long!”

After a warm small talk, Wei Qingshu went straight to the point.

“Mr. Chen, all your hard work was not in vain. The matter you requested my grandfather to investigate is at last fruitful. The location of the King Ginseng is found!”

Feeling thirsty, Wei Qingshu gulped a mouthful of water.

“Ahem, although the location is found, King Ginseng was dug away by someone half a year ago. If my grandfather hadn’t extended his connections widely and got a clue from a small vendor, we wouldn’t have found it even if we spent our whole life

searching!”

Wei Qingshu continued, “According to that small vendor, half a year ago, he was hired by a group of forces as a guide to search for the King Ginseng due to his familiarity with the mountain paths. In the end, they found King Ginseng deep inside the mountain of Dragon Perishing Valley. That group of people paid this small vendor a large sum of hush money. However, this small vendor was not satisfied with the amount of money. Although he didn’t express it verbally, he was dissatisfied in his heart. My grandfather sent out innumerable people and connected a vast mesh of strings. Regardless if it’s from the bottom society or the upper society, anyone who was related was all investigated, so the small vendor spilled it all out!”

“King Ginseng is now in the hands of the Yu Family.” Wei Qingshu lowered his voice when he said this.

“The Yu Family?” Chen Hao asked in astonishment.

“The Yu Family is another wealthy family other than the Wei Family in the Tian City area. We moved to this area, while the Yu Family is the local tyrant of this place!”

Chen Hao nodded and asked, “Is this news reliable?”

Wei Qingshu gulped another mouthful of water. “Yes. My grandfather also found out that the news of the Yu Family having the King Ginseng is not only known by us, but it’s also sensed by some local forces and some external forces. Some of them have started to plot against the Yu Family as early as three months ago. The abduction of the Yu Family’s second daughter, Yu Jinxiang, which happened three months ago, might also be related to the King Ginseng!”

“Seems like the Yu Family is great at keeping secrets. But having the King Ginseng is like having a time bomb. Other forces will surely turn their attention to the one who has the King Ginseng immediately, and this is reasonable!” Shen Wanshan smiled bitterly as he said.

Chen Hao frowned. "I don't care how many forces are fighting to get the King Ginseng. Anyway, I must get it!"

Actually, just as Chen Hao had said, although the King Ginseng was believed to be able to prolong one's life, common people who ate it would die immediately due to the rupture of the body. They could not endure the energy of the King Ginseng.

However, Chen Hao could accept it easily.

In order to fight against Mo Changkong, he needed the help of King Ginseng.

"Anyway, the Yu Family has their hands full now. He has the King Ginseng in his hands, which has value but no market. He isn't sure who to sell it to, because there are too many forces aiming for it!"

Wei Qingshu said, "Mister, using fair and open means to get the King Ginseng might not be effective or easy. I have an idea, but I'm not sure if it will work."

Chen Hao asked, "What do you have in mind?"

Chapter 486 News From the Wei Family

“No problem. Since you have some knowledge in medicine, you can be the substitute lecturer of the biology class. It’s easy to conduct a class in college. You just need to read from the textbook. Trust me, I graduated from there!” Wei Qingshu replied with a bitter smile.

.....

“Mr. Chen, it’s your first day reporting to duty today, so I’ll give you a brief introduction. This is Ms. Shen Meng from the biology team, and this is Mr. Yu Jiang.”

The next day, Chen Hao wore a suit and dressed up as a scholar to be a substitute lecturer.

The deputy head of the biology team led a young man and a young woman to wait outside the college entrance.

At this moment, the deputy head introduced, “This is Mr. Chen Hao, our new substitute lecturer. Same with Mr. Yu Jiang, both of them are new. We will be colleagues from now on. Shen Meng, can you bring these two lecturers around the

campus today?”

Shen Meng was a tall, slender beautiful lady with long hair and a pretty face. She looked to be about twenty-four years old and she had an extraordinary temperament.

She was wearing a black formal suit with a short skirt, which added some captivating charms to her.

“Mr. Yu Jiang, Mr. Chen Hao, let’s take a walk together.”

Shen Meng smiled sweetly. At the same time, she could not help but take a few glances at Chen Hao...

Chapter 487 A Cold Shoulder

Chen Hao was handsome. Now that he was wearing a suit and leather shoes, it was even easier for the girls to favor him.

This colleague named Shen Meng seemed to have just graduated from college not long ago too.

Chen Hao nodded at her.

Yu Jiang, who was beside them, was also a young man. When he saw the beautiful Shen Meng take an interest in Chen Hao and even make Chen Hao the core of the topic, he could not help but frown in jealousy.

Yu Jiang and Chen Hao were both newcomers with the same job in the same field. Moreover, they both came on the same day.

Naturally, they were engaged in a competition.

Now that Shen Meng showed favor to Chen Hao, it meant he was being put at a lower level than Chen Hao.

Chapter 487 A Cold Shoulder

Yu Jiang was not happy.

Even so, he was not a foolish person, so he did not say a word about it and just followed quietly beside Shen Meng and Chen Hao, watching them as they talked.

"Ms. Shen Meng, are they the new lecturers in our team? Both of them are quite handsome!"

Suddenly, a few young lecturers walked toward them and greeted Shen Meng.

They were all girls and they seemed to be of the same age as Shen Meng.

"Yes. This is Mr. Chen Hao, and this..."

"I'm so sorry, I've forgotten your name..."
Sheng Meng suddenly said with embarrassment.

Indeed. Shen Meng could not help but focus most of her attention on Chen Hao because he was in a suit and leather shoes, and he was handsome.

As for Yu Jiang, he just smiled faintly. "I

Chapter 487 A Cold Shoulder

am Yu Jiang.”

At the same time, the flame of jealousy burned even more vigorously in his heart.

The few young female lecturers were also chatting with Chen Hao.

Suddenly, a parade of luxurious cars drove toward them and stopped in front of them.

This scene left Shen Meng and the few girls in a mild shock.

At this moment, a few bodyguards in black got out of the car.

“Young Master, Boss said that this is your first time coming to Tian City, so there will be a welcoming dinner for you tonight!”
The bodyguards in black bowed at one person.

Yu Jiang adjusted his golden-framed spectacles gently and replied, “Alright. Tell my cousin brother that I’ll be there tonight!”

“Yes, Young Master!”

Chapter 487 A Cold Shoulder

The few bodyguards bowed again before leaving.

At this moment, the few young female colleagues who were gathering around Chen Hao were stunned. They could not help but gape at Yu Jiang in stupefaction.

“Mr. Yu Jiang, why did they address you as a Young Master?” A female colleague asked in astonishment.

“They are my cousin brother’s people. My cousin brother has a few bars and hotels in Yun City,” Yu Jiang answered nonchalantly.

This caused Shen Meng to take a few glances at Yu Jiang.

“Mr. Yu Jiang, you don’t look like someone who is from Tian City. I didn’t expect that you would have such an awesome cousin brother!” Shen Meng said with a smile.

“Yes, I am from Tagou Town. I’m sure you’ve heard of The Five Forces,” Yu Jiang replied in an indifferent tone.

Chapter 487 A Cold Shoulder

“I’ve heard of it before. Tagou Town is controlled by The Five Forces! They are all very powerful and they have high status in Tian City!” A female colleague suddenly joined in with great interest.

“My father is the head of the Cao Family, which is one of The Five Forces!” Yu Jiang revealed with a smile.

“What?”

Everyone was even more shocked.

They were all locals of Tian City. Under the influence of the environment, they were more interested in those so-called indelicate people in the society.

The reason was, only those who thrived in the society would live a better life in Tian City, and that would make one extremely proud.

This was what all the girls yearned for.

The parade of cars which came just now had roused the envy of the girls, not to mention that Yu Jiang was actually

Chapter 487 A Cold Shoulder

someone from The Five Forces!

“Then why don’t you work in your organization?” The girls asked in curiosity.

“I’m not interested in that. Tagou Town is quite chaotic at the moment. The Five Forces obey the newly emerged Tian Long Group now. My father wants me to go outside and walk my own path first!” Yu Jiang shook his head as he smiled bitterly.

Upon hearing that, Shen Meng smiled softly. It was unexpected that Yu Jiang would be this mature and steady.

“That’s really nice. You are still young, Mr. Yu. If you explore more, you might even break new ground!” Shen Meng walked to the side of Yu Jiang and replied gleefully.

“I have the same thought too!”

After that, everyone was all ears as Yu Jiang spoke about some recent news of Tian City and Tagou Town.

They were all indulging in the conversation, while Chen Hao just shook

Chapter 487 A Cold Shoulder

his head and smiled gloomily at a side.

This scene was a common occurrence for him.

On the other hand, a flash of complacency appeared on Yu Jiang's face when he glanced indifferently at Chen Hao, who was given a cold shoulder now.

There was no trial class to conduct this morning, so Chen Hao sat at the office for the whole time.

Soon, it was afternoon.

Chen Hao looked at Shen Meng who was beside him and said, "Ms. Shen, let's go to the cafeteria in the afternoon. I'll treat you to a meal!"

During the chat this morning, Shen Meng told Chen Hao that she would bring him to the cafeteria for lunch together. After all, Chen Hao had just arrived and he was not familiar with this place.

Therefore, Chen Hao thought it was better for him to take the initiative to invite her.

Chapter 487 A Cold Shoulder

Other than that, Chen Hao had no other thoughts.

“I can’t, Mr. Chen. I have matters to attend to in the afternoon. I’m so sorry about that!”

Shen Meng smoothed her hair gently.

Chen Hao nodded with a smile. “Alright, I’ll go by myself then!”

After that, he left.

Although Tian City had always been disorderly, it had all the facilities, including medical, health, education and training institutions.

Other than all the students here looking like loafers, this college was just similar to other colleges. It was all occupied by students.

Chen Hao ordered a bowl of rice, a dish of meat and a dish of vegetables. He then found himself a spot and sat down to eat.

It had been a long time since he had

Chapter 487 A Cold Shoulder

Meng mentioned was to have lunch with Yu Jiang. This thought made Chen Hao smile bitterly in his heart.

Yu Jiang and Shen Meng had noticed Chen Hao as well, because Chen Hao was sitting beside the VIP area. It was a symbol of one's status to eat in the VIP area.

The area where Chen Hao sat was near to the VIP area and a sharp contrast would be easily seen here. Therefore, no one would sit in this area usually, causing it to be desolated.

Yu Jiang threw a contemptuous glance at Chen Hao, who was keeping his head down while eating.

On the other hand, Shen Meng felt awkward.

Chen Hao obviously saw her just now. She was the one who had invited Chen Hao for lunch initially, but she later rejected him with the excuse of having matters to attend to in the afternoon. After that, she came with Yu Jiang instead.

Chapter 487 A Cold Shoulder

This was more or less awkward for any girl.

“Yeah!” Shen Meng quickly averted her gaze while tidying her hair before giving a nod with a smile.

“Isn’t this Mr. Chen Hao? Why is he sitting here?” At this moment, a few female voices rang...

Chapter 488 Trouble

Raising his head, Chen Hao saw several young female colleagues that were in his team.

Evidently, they were looking for a spot to eat and saw Chen Hao.

Seeing them, Chen Hao smiled and nodded politely at them.

“Damn, why is he here? He doesn’t know anything! Can’t he go somewhere else to eat?”

They ignored Chen Hao and covered their mouths as if they saw something funny.

Then, they left without looking at him again.

“Hey, look. Isn’t that Mr. Yu Jiang and Ms. Shen Meng? Hi!”

The female colleagues saw Yu Jiang and waved at him, smiling.

“It’s such a coincidence. I should have asked you all to come together. Do you want to sit with us?”

Chapter 488 Trouble

Yu Jiang laughed heartily.

“Is that okay?”

The girls smiled apologetically but they sat with him anyway.

The group were chattering and laughing.

Chen Hao knew clearly that he was nothing compared to Yu Jiang, but he wasn't too bothered by it. He didn't want to be too involved with them.

After all, that was not his main mission.

Chen Hao wanted to meet Yu Jinxiang as soon as possible.

After the meeting in the afternoon, Chen Hao began his first lesson. There were more than thirty students in the class, and the most eye-catching student was Yu Jinxiang. Not only was she gorgeous, apparently she was also the boss of this class.

The first lesson was a lab class and they needed to go to the laboratory to observe

Chapter 488 Trouble

some specimens.

It was a major course in biology.

The students were very excited to leave the classroom. Grabbing their notebooks, they followed Chen Hao and headed toward the laboratory.

Along the way, a girl tugged Yu Jinxiang and said, “Hey, Jinxiang. Did you notice that our handsome teacher is interested in you?”

“What are you talking about?”

Yu Jinxiang was speechless.

“It’s true! From the moment he stepped into the classroom and introduced himself, I saw that he glanced at you now and then. Just when we left the classroom, he looked at you again. I’m sure he’s attracted by your good looks!”

“Nonsense!” Yu Jinxiang chuckled resignedly. “He better hope I don’t catch him looking at me. If I find out that he’s really peeking at me, I’ll gouge his eyes out

Chapter 488 Trouble

and feed it to Huang! I don't like him. He's too quiet and honest, and there's no passion in him. That irritates me the most!"

Huang, a tibetan mastiff, was the pet dog of Yu Jinxiang.

The girls fell into giggles.

But when they arrived at the laboratory, they saw it was already filled with two classes.

Laboratory classes usually consisted of two classes and today, Chen Hao's class was supposed to have the class with Shen Meng.

But now, Yu Jiang and his class were there.

"Mr. Chen?"

Shen Meng saw Chen Hao and called out to him embarrassedly.

Although Chen Hao didn't have a sense of belonging for this class, he still felt

Chapter 488 Trouble

irritated. "Aren't we supposed to have this lesson together? Why is Mr. Yu here?"

Shen Meng blushed. "I'm sorry, Mr. Chen. Mr. Yu told me that he had no experience and this was his first time teaching a class. So, he wanted to have his lesson with me. I thought he already informed you so I agreed to it."

"Ahem, Mr. Yu, why don't we pair with Ms. Shen in the future as well? We like having this class with Ms. Shen and Mr. Yu!"

Several students in Yu Jiang's class spoke up.

"Why? It's all arranged already. You can't just change it whenever you like!"

Yu Jinxiang was pissed off and she led several other girls to rebuke them.

They were close to starting a fight.

Chen Hao's students were extremely looking forward to this class. They had brought their notebooks and everything, but now someone else had occupied their

Chapter 488 Trouble

lab without telling them.

This was a humiliating experience for them.

Yu Jiang smiled coldly with his hands in his pocket. “Ahem, Mr. Chen. We are about to start our experiment. Why don’t you take your students back to the classroom?”

Two young female lecturers came out from the laboratory next to theirs and complained, “What’s the matter? What’s all this commotion about? It’s affecting our lesson.”

Yu Jiang explained to them, “It’s Mr. Chen —what I meant was, Ms. Shen Meng and I are having the class together because I wanted to gain some experience but my class accidentally clashed with Mr. Chen’s class! It’s my bad.”

The two lecturers said in unison, “It’s not your fault, Mr. Yu. However, Mr. Chen is a bit unkind. Why don’t you have your lesson later?”

Shen Meng straightened her hair. “Mr.

Chapter 488 Trouble

Chen, why don't you go back first?"

After all, this wouldn't end well if they continued on.

Chen Hao frowned slightly.

He didn't want to argue with them, for it was not worth it.

So he said lightly, "Let's go!"

Then, he turned around and led the students back to the classroom.

"Alright, let's move!" The students in the class began hollering.

"Damn it, this is so infuriating!"

Yu Jinxiang threw her notebook on her table, waving her fists.

This was Chen Hao's first small interlude in his teaching career.

The students also gave Chen Hao a nickname—Mr. Coward, but Chen Hao wasn't bothered by it.

Chapter 488 Trouble

This did not affect Chen Hao from observing Yu Jinxiang's surroundings.

Chen Hao discovered that underneath the calm exterior, several forces in the school had their eyes on Yu Jinxiang.

Although Yu Jinxiang had been kidnapped before, she was still fearless.

She continued to be the boss in school.

"Damn, what should we do? Jinxiang ran out again!"

The first period ended on an awkward note.

Chen Hao was on his way to the classroom for the second period.

When he stepped into the classroom, he heard several girls discussing anxiously.

"What's the matter?"

Chen Hao went over and asked, frowning.

"Hmph, it's none of your business, loser.

Chapter 488 Trouble

tell you that when Mr. Coward's lesson..."

The boy in glasses stopped after he saw Chen Hao there, looking very embarrassed.

"Damn it, she went to Mount Babuling? Oh no, if her dad finds out she went there, he would even kill my dad! There are all kinds of people there and it's too dangerous. What should we do? Who can come with me to look for Jinxiang?"

Li Ningning stomped her foot in a panic.

"I'll go!"

"I'll go too!"

A group of boys volunteered.

"What kind of place is Mount Babuling?"

At this moment, Chen Hao couldn't help but ask.

find out that you've been here or you're so dead."

Yu Jinxiang wanted to go back as well.

"Don't go just yet. Let's race a lap. How's that? You're finally here but you're afraid of what your parents might say? Are you a goody-goody in school too?"

The guy with Afro hair snickered.

"Coward! Coward!"

People surrounding her chanted.

"Bullsh*t. Ningning, wait for me. I'll race a lap with him to shut him up!" Yu Jinxiang said with her teeth clenched.

"That's right. Hey, gorgeous, the rules here state that if you race, you have to have a passenger of the opposite sex. Since so many of your male classmates are here, why don't you choose one? Or do you want to pick one of the handsome guys from here?"

The guy with Afro hair added.

Chapter 489 Mount Babuling

There was already a girl with heavy makeup in his car.

“Me, me! Hey gorgeous, pick me!”

The boys surrounding her hollered.

“Who would want to choose you? The boy with glasses, come over here!”

Yu Jinxiang rolled her eyes.

She waved at the boy with glasses.

“Jinxiang, I-I’m scared.” The boy with glasses shook his head wildly. “I have car sickness!”

He swallowed.

Everyone knew how she drove. Usually when someone got a lift, they would say ‘Thank you, you can drop me off here.’

But for those who got on Yu Jinxiang’s car, they would say ‘Thank God, I’m still alive!’

Yes, that was how insane her driving was.

and running toward them made it even more ridiculous.

“Him? Ningning, why is this loser here? Who let him tag along?”

Chapter 490 Mr. Loser

"I have no idea. I didn't expect him to follow us here!" Li Ningning replied with annoyance.

"What if he tells the school and the school tells my dad? I would be so dead!"

Yu Jinxiang was starting to panic.

"Don't worry, Jinxiang. I know how to shut him up. Don't you need a male for the race? Pick him. After a drive, who wouldn't be afraid of you?" The boy with glasses suggested.

"F*ck you!" Yu Jinxiang was about to give him a piece of her mind, but then she thought, This could actually work.

It was a good idea as she was irritated by him anyway. The class was humiliated early in the morning because of him.

Why not get him into her car and scare him to death? Seeing how dumb he was, he wouldn't dare tell on her.

It was settled then!

Chapter 490 Mr. Loser

Chen Hao parked his electric bicycle and came up to them, saying, "Hey, do you all have no respect for the school? How could you all play truant?"

It was a long way and Chen Hao's electric bicycle had run out of battery, so he pushed it all the way here.

"Shut up and get in the car!" Yu Jinxiang ordered.

Chen Hao said incredulously, "Get in your car? Why do I have to get in your car? You all have to return to school!"

"Isn't your electric bicycle out of battery? I'm driving you back to school. Do you have a problem with that?" Yu Jinxiang said.

The students chorused, "Yeah, Mr. Chen. You have come all this way. Let Jinxiang drive you back to school. We'll take care of your electric bicycle."

The race was about to begin and everyone wanted to get it over with. Nobody wanted to stay here one second longer.

Nodding his head, Chen Hao said, "Alright then!"

Chen Hao knew Yu Jinxiang was up to no good and he wanted to know what she had up her sleeves, so he got in the car.

Click!

The doors of the car were locked.

"What are you doing?" Chen Hao asked in surprise.

"Haha, you idiot. You were fooled by me. Did you think I would really be this nice and let a loser like you in my car? You will be in this competition with me. I'm warning you, don't throw up in my car after the race or I'll kill you!" Yu Jinxiang warned.

Her opponent was already standing by.

Both of them honked to signal that they were ready.

Then, a big screen beside them began a countdown and the sound echoed around

the arena.

“Beep!”

When it turned to zero, the two cars shot forward like a bullet fired from a pistol.

“Cool!” Yu Jinxiang shouted excitedly. Although she didn’t like the atmosphere here, the race was extremely exciting and she loved the thrill of it.

“Look out, look out!” Chen Hao was shouting too.

He was really scared by her driving and he clutched the handle tightly for dear life.

The hairs on his arms were standing up.

Yu Jinxiang’s driving was too insane but she had driving skills.

Her opponent fell far behind her.

This doesn’t make sense, Chen Hao thought.

He looked into the rear-view mirror. Her

Yan Wu wanted to fire her pistol but for some unknown reason, she couldn't do so. She raised her arm but it had stopped in mid air.

"You're next!"

The young man shouted and staggered toward her with the rock held above his head.

Bam!

Yan Wu also fainted from the blow.

Who else could this young man be but Chen Hao?

Chen Hao couldn't expose his identity, so he had to act.

"Wow!" Yu Jinxiang exclaimed excitedly when she saw that she was saved. "Mr. Chen, y-you killed them! You're so dead, you killed them!"

Chen Hao rolled his eyes. "They're not dead. They just fainted. Their men are coming, so let's leave now!"

“Oh, right. Let’s go!”

They climbed into Wolf’s car. Yu Jinxiang quickly turned the car around and drove back to the way they came from.

A couple of SUVs pulled to a stop at where Yu Jinxiang and Chen Hao had been minutes ago.

When they saw that Yu Jinxiang had escaped, and Wolf and Yan Wu lying on the ground unconscious, the leader punched the hood of the car heavily. “Damn it, she slipped right through our fingers! Who rescued her?”

“So boss, do we go after them?”

“Are you mad? Do you want to die? Everyone is at the foot of the hill. We have to leave with these two losers now!”

“Damn, Mr. Chen, you’re ruthless!” Yu Jinxiang said with some admiration.

“I had no choice. If I was not ruthless, we would have died.” Chen Hao thought, Thank God I was there, or else something

really would have happened.

“Something’s wrong.” Yu Jinxiang seemed to recall something.

“What’s the matter?”

“When I got out of the car, you were still in the car. How did you appear behind them?” Yu Jinxiang asked.
