

Chapter 491 A Fight

“Um... I jumped down the slope when he caught you and made my way back,” Chen Hao explained.

“Dang, you’re actually pretty smart!” Yu Jinxiang said in surprise.

Chen Hao shook his head mutely.

When they arrived at the foot of the mountain, they saw a number of luxury cars racing toward them and surrounding them.

“Oh my god, that’s my dad’s car. Ningning must have told my dad. I’m so dead!” Yu Jinxiang said anxiously.

A middle-aged man came out of the car and stuttered, “Miss Yu, a-are you alright?”

“Hmph, if you had arrived any later, you wouldn’t have been able to see me again.” Yu Jinxiang finally realized how dangerous it was just then and fear was starting to catch up on her.

“Ningning told me that you might be in danger so I came here as soon as

Chapter 491 A Fight

possible! Thank god you're safe!"

Several boys came over to hit on Li Ningning earlier and they let it slip that the guy with Afro hair was not a regular here. He was new and quite rich as he had booked the whole place today.

This made Li Ningning suspicious.

If he was really that rich, there was no way he would drive such an ordinary car.

Better safe than sorry.

That was why Li Ningning immediately told her dad.

"So my guess was correct. Jinxiang, did you get into some kind of trouble? Where's your car?" Li Ningning asked worriedly.

Yu Jinxiang told them everything.

But in her version, she was the bait that attracted her kidnappers' attention, giving Chen Hao the opportunity to knock them out.

Chapter 491 A Fight

Uncle Li immediately sent people to search for her kidnappers and shut down Mount Babuling for investigation.

Uncle Li smiled and nodded politely at Chen Hao. "You must be Mr. Chen. Thank you for saving Miss Yu! You are Yu Family's savior. After I bring Miss Yu to her father, you will be heavily rewarded."

"It's nothing. Jinxiang is my student," Chen Hao replied.

"You're being too courteous. How about I give you a lift back to school first, Mr. Chen?" Uncle Li suggested.

"Alright," Chen Hao said.

Then, the fleet of cars escorted Chen Hao and his students back to school.

After he got out of the car, Chen Hao told his students to return to their classroom and he went back to his office.

"Something's wrong!"

That was the first thing he heard when he

Chapter 491 A Fight

stepped into the office.

People were running out of the office.

“What’s the matter?” Chen Hao stopped a teacher and asked.

The teacher replied, “Sigh, don’t even start. Ms. Shen Meng and Mr. Yu Jiang might be in trouble. They were having their class together and a boy in Ms. Shen Meng’s class who likes to show off was smoking in the bathroom during the break. He got into a fight with some boys from another class, and we’re not sure what happened. That boy from Ms. Shen Meng’s class was severely hurt.”

The teacher continued, “This whole fiasco would have ended and the school would have taken care of it. However, Mr. Yu Jiang stepped in and led several boys in his class to argue with the students in the neighboring class who fought with Ms. Shen’s student. Mr. Yu Jiang has a hot temper and he hit the student that he was arguing with.”

Chen Hao shook his head, smiling

Chapter 491 A Fight

resignedly. "So that's what happened. It's not really appropriate to hit students."

He could tell that Yu Jiang liked Shen Meng.

The teacher sighed. "If that was the case, everything would still be under control. Mr. Chen, do you know who was hit by Mr. Yu Jiang?"

"Who?"

"He's the son of a millionaire from Tian City and this millionaire is close with the gangs in Tian City. Apparently, this student told the gangs to come over. We're really in trouble now!"

Then, she ran out to take a look.

Seeing her run toward that direction, Chen Hao thought that he might as well take a look as he was going back to his classroom, which was in the same direction.

Sure enough, the entire hallway of the biology building was packed with people.

Chapter 491 A Fight

“Mr. Chen, you’re here!”

Chen Hao saw the boy with glasses and students from his class. The staircase was blocked so they couldn’t go back to their classroom for their lesson.

“What happened?” Chen Hao asked.

The boy with glasses replied, “Yu Jiang who took our laboratory earlier is being beaten up. Damn, he’s in big trouble! He hit the son of Mr. Liu and their family has connections with gangs.”

Chen Hao looked ahead.

Yu Jiang was surrounded by men in black. Shen Meng, who was terrified by the sight, also stood beside him, along with a couple of female teachers.

“This isn’t over!” a boy shouted.

Representatives of the school were trying to reason with them.

Judging by the marks on Yu Jiang’s face, it seemed like he was slapped a couple of

Chapter 491 A Fight

times.

At that moment, Yu Jiang swiped the blood off his glasses.

Laughing coldly, he said, "It's okay, Headmaster. Let me make a call."

"Ha, make the call. Let's see who you can call!" the boy shouted angrily.

Yu Jiang shook his head and took out his phone.

Shen Meng looked at Yu Jiang and finally felt reassured.

He was also going to ask people to come help him!

The tension increased instantly.

"I heard Mr. Yu Jiang is from Tagou Town."

"Yes, Tagou Town is filled with ruthless people."

"I heard from my dad that there's a powerful force in Tagou Town, and they

Chapter 491 A Fight

have territories in Tian City as well. Is Mr. Yu Jiang going to ask for help from people in Tagou Town?"

"Seems like it!"

The students who were informed murmured among themselves.

They waited for twenty minutes.

"Damn! Look over there!" A student looked out the window and pointed downstairs.

Nearly a hundred black luxury cars stopped and surrounded the building.

Many bodyguards in black got out of the cars.

Soon, they arrived at the hallway.

They looked very impressive.

The students made way for them.

Shen Meng and other female teachers gently bit their lip, excited by this sight.

Chapter 491 A Fight

“Make way! Make way!”

The people who came were aggressive and pushed the crowd aside.

Chen Hao stood aside but was also pushed away by a bodyguard in black.

Young Master Liu was a bit frightened by their aggressiveness but he stepped forward to negotiate.

The head bodyguard asked, “Young Master Yu Jiang, are you alright?”

Someone from Young Master Liu’s side asked, “Are you from Tagou Town? Who do you work for?”

The head bodyguard replied, “We’re from Tagou Town but this time, we are under Tian Long Group’s orders!”

Then, he made way for another man dressed in black respectfully.

“You’re from Tian Long Group?”

People on Young Master Liu’s side were

Chapter 491 A Fight

shocked.

In Tian City area, Tian Long Group was known as the powerful dark horse that conquered the Five Forces in Tagou Town in a day and occupied an entire street in Tian City area. They were ruthless!

Small forces in Tian City usually wouldn't dare take on Tian Long Group.

The person in sunglasses said, "Yes. Young Master Yu's father is friends with Tian Long Group, which is why we are going to help Young Master Yu. Who do you work for? Can you do us a favor and end the fight?"

"Of course!"

The spokesperson of Young Master Liu nodded with a smile.

"Are you just going to let it go?" Young Master Liu asked angrily.

"Please bear with it, Young Master Liu. Tian Long Group is searching for their next target, and Boss told us not to mess with

Chapter 491 A Fight

them," he replied in a low voice.

Chapter 492 Something Good

Young Master Liu wasn't stupid. He listened to his men and instantly knew the stakes involved.

So he didn't say much afterward.

As for Chen Hao's Tian Long Group, it was indeed developing rapidly, especially after it had conquered the Five Forces in Tagou Town. Many men under the two brothers, Zhang Long and Zhang Hu, had returned one by one after their gang was torn apart by Wen Sen.

Tian Long Group had started in Tagou Town, but was already developing in Tian City now. Of course, they had received a lot of help from the Wei family.

Just then, the boy with glasses beside Chen Hao spoke up. "Tian Long Group really is the best dark horse. They are good!"

"How did Tian Long Group become so influential in Tian City in such a short amount of time?" A girl asked curiously.

The boy with glasses seemed to know a

Chapter 492 Something Good

lot, so he explained, "I heard it's because their boss is very powerful and the Five Forces surrendered immediately after battling only for a round. No one dares to cross paths with them now in Tian City, apart from Wen Sen, who hasn't returned yet."

If Tiang Long Group was helping Yu Jiang, this problem was counted as resolved.

Yu Jiang was extremely smug.

He went to the headmaster's office with Shen Meng and the other teachers.

When Shen Meng passed Chen Hao, she glanced at him and shook her head lightly.

She walked away without greeting him.

She had liked Chen Hao before.

After all, she was working now and wanted to find a boyfriend.

She had always been under the spotlight and was extremely popular since junior high school.

Chapter 492 Something Good

There was no doubt that she would pick her boyfriend carefully.

At first, she thought Chen Hao was good looking and had a certain air of elegance.

So she liked him very much.

Yu Jiang was nothing compared to Chen Hao back then.

But after spending some time with them and observing them carefully, Shen Meng found out that Yu Jiang was the perfect boyfriend for her.

Chen Hao was not as good as she thought and was dispensable to her.

Chen Hao could only smile bitterly at Shen Meng's change of attitude.

Technically, he was the one who helped solve today's crisis, but Yu Jiang took all the credit.

Ha!

This had happened numerous times

Chapter 492 Something Good

before.

In the beginning, he would feel regretful and angry if he didn't tell others his true identity, like that time with Zhao Yifan.

But now, Chen Hao felt nothing.

He went back to the office later on.

When he was about to get off work, Chen Hao received a call.

He was taken aback because the call was from Yu Jinxiang.

"Mr. Chen, I'm at the Starbucks in the city center. Are you off work now? Can you come over here? I have something to tell you and it's urgent!" Yu Jinxiang said mysteriously.

"What is it? You're not trying to thank me for saving your life by buying me a cup of coffee, are you?" Chen Hao asked.

"Not only that. Just come over now and we'll talk!" Then, she hung up the phone.

Chapter 492 Something Good

Chen Hao frowned slightly. He would go even if he didn't want to because he wanted to keep a good relationship with Yu Jinxiang.

When he arrived, Yu Jinxiang had already ordered coffee and was sitting by the window, waiting for him.

Chen Hao was surprised to see that a girl around twenty-four years old was sitting beside Yu Jinxiang.

She looked the same age as himself.

She was very pretty like Yu Jinxiang, and they looked quite similar.

In contrast to Yu Jinxiang's innocent looks, this woman looked mature, which added to her charm.

"Sis, that's him!" Yu Jinxiang pointed at Chen Hao and said softly.

That woman sized Chen Hao up and nodded lightly.

Then, she stood up and left with her bag.

Chapter 492 Something Good

Chen Hao wanted to greet her but she ignored him.

“That’s my sister, Yu Jinfei. Well? Is she pretty? You’re gaping at her,” Yu Jinxiang said smugly.

Chen Hao nodded. “What did you want to tell me?”

“You’re in for something good. In fact, it’s a godsend. You can finally have a girl that’s way out of your league! To be honest, I’ve been looking for the perfect candidate for a very long time but I have finally discovered that you’re the best choice!” Yu Jinxiang rambled on.

“What is it?” Chen Hao asked warily.

“Haha, listen carefully to what I’m about to say. It might be too shocking for you. Don’t say I didn’t warn you or faint from excitement!”

“My sister is looking for someone to marry into our family and I think you are the perfect candidate!”

Chapter 492 Something Good

“What?” Chen Hao’s eyes widened and he stood upright. “Me? A live-in son-in-law?”

“Haha, are you excited? My sister saw you just then and she agreed!” Yu Jinxiang saw the astonished look on Chen Hao’s face and thought he was too happy for words.

“Your sister is such a beautiful woman. I’m sure many men would go after her. Why does she need a live-in son-in-law?” Chen Hao said resignedly.

“It’s a long story!” Yu Jinxiang sighed.

To make it short, it started after Chen Hao saved her. Yu Jinxiang had returned home and was told off by her parents.

Lately, Yu Jinxiang had been in a gloomy mood.

Chen Hao’s hiccup with the classroom was only the tip of an iceberg. She was mostly worried about her sister.

Yu Jinxiang was very close to her sister.

After Yu Jinfei came back from abroad,

Chapter 492 Something Good

she suffered from relationship problems and was unhappy everyday. It was like she had turned into another person, and she had even thought of suicide.

Yu Jinxiang was worried sick.

Yu Jinfei had been studying abroad in M Country and she had a boyfriend for many years.

But that a**hole was actually engaged to someone else all this while.

Her sister wanted to marry him but he hesitated.

Yu Jinfei couldn't get over it and returned to Tian City furiously.

Before she left, Yu Jinfei said to her boyfriend angrily, "If you're hesitant to choose me, fine. You think you're too cool for school? I'm going to find the most useless person in the world to be my husband. I'm going to make you regret this!"

Then, Yu Jinfei returned home and told Yu

Chapter 492 Something Good

Jinxiang to help her find such a person.

In summary, this person could be a loser but he had to be honest.

Yu Jinxiang had searched for a long time.

Finally, after being told off by her dad, she got it. She said to her sister excitedly, who was sitting by the window, "Sis, I think I know the perfect candidate!"

"Who is it?" Yu Jinfei asked.

"He's our new teacher. We all call him Mr. Coward," Yu Jinxiang said enthusiastically. "He's the one who saved me today. He's really honest and looks alright. Why don't I ask him out after he's off work? You can take a look at him. You can marry him if you like and piss that a**hole off. After all, our teacher really is a loser, haha!"

"Alright then. Ask him out tonight and I'll take a look at him. If I'm satisfied with him, we'll sign a contract and we'll pretend to be a married couple for a year. One year later, I'll give him enough money to last a lifetime," Yu Jinfei said.

Chapter 492 Something Good

“No problem. You can count on me,” Yu Jinxiang promised.

Chapter 493 Liquor

That was why something like this was happening.

Chen Hao's brain was in overdrive.

Obviously, it wasn't because of the sudden marriage between himself and a beautiful girl.

Instead, Chen Hao was thinking of the feasibility of this plan.

Obviously, this was an almost heavenly level of help from Yu Jinxiang. If Chen Hao married into the Yu family, then getting the King Ginseng and ending his nomadic lifestyle would be just around the corner.

However, could he just marry a woman he had just met?

Was he willing to do this to Su Tongxin?

"How's that? Hehe. But don't be too happy too soon. You can only be married to her for a year, and after that, you two have to get divorced. However, Yu family will give you a lot of money. I think it's a great idea, no? This way, you can become the son-in-

Chapter 493 Liquor

law of the Yu family!” Yu Jinxiang said.

“I agree!” Chen Hao lifted his head up as he spoke.

He had to become stronger so that he could have higher chances of saving Su Tongxin and going against Mo Changkong.

If he couldn't even do this, then everything else would go to waste.

That was why he answered with no hesitation.

“Huh? I haven't even told you the terms and conditions, and you already agreed?” Yu Jinxiang pursed her lips as a hint of contempt appeared in her eyes.

Hmph! I thought you were a righteous and noble man, but as it turns out, you're just another money-hungry person.

“There are terms and conditions?” Chen Hao asked in surprise.

“Of course! Actually, they're not very complicated. You just have to understand

Chapter 493 Liquor

that you marrying my sister is more like an employment contract. There are some things you cannot even think about doing! This is the main thing!”

“Hehe, I understand. You mean that this marriage is purely on the surface, right?”
Chen Hao smiled bitterly.

This was exactly what he wanted to happen since the beginning.

“Bingo! That’s exactly what I mean. If that’s not a problem to you, then sign this contract! We will have the wedding within the next two days. We have to do it quickly because my mom will be back from abroad soon. My dad won’t have an opinion about this, but my mom will definitely oppose it! That’s why we must rush this.”

Chen Hao had no idea what these sisters were up to.

However, he didn’t really want to know, either.

Right then, he signed the contract.

Chapter 493 Liquor

Seven days later.

“Today, my classmates from abroad are returning and we will be having a gathering. They’re all people who have seen a lot from life, so try to keep your mouth zipped when we get there. Do you understand me?”

Today morning, Chen Hao had just climbed into the passenger’s seat when the driver of the car, an aloof lady, spoke.

Her voice was clear and cold, almost as if she didn’t have an ounce of emotion.

This woman was none other than Yu Jinxiang’s older sister, Yu Jinfei.

As of today, Chen Hao had already been married to her for three days.

He had moved in to live with the Yu family, and became the Yu family’s hired son-in-law.

Except that, unless it was needed, Yu Jinfei wouldn’t talk to Chen Hao at all, much less look at him in the eye.

Chapter 493 Liquor

Chen Hao understood.

In her heart, Chen Hao was only a tool to her.

However, Chen Hao couldn't do anything.

"I got it!" Chen Hao nodded.

Very quickly, Yu Jinfei had driven them to their destination.

It was a high-class restaurant in Tian City.

"Yu Fei, you're here!"

When she walked into the room that was booked, a few girls and boys stood up.

Amongst them, there was a young man who was dressed extravagantly and had on a golden wristwatch. He walked toward Yu Jinfei.

"Yep!"

"Yu Jinfei, I heard that you got married once I returned to the country. What's more, he's a teacher or something, right? Is

Chapter 493 Liquor

this him?" he pointed at Chen Hao and said. The young man's eyes were filled with some anger.

"Yes, this is my husband, Chen Hao!"

Yu Jinfei held onto Chen Hao's arms and introduced, "Chen Hao, this is my college classmate, Yin Chao!"

"Hello!"

Following the manners that Yu Jinfei had taught him beforehand, Chen Hao reached his hand out, wanting to shake Yin Chao's hand.

"Yu Jinfei, I really don't know what you were thinking. Even though you broke up with him, there are so many other..." Yin Chao said angrily.

After seeing Yu Jinfei's warning stare, he stopped talking.

Clearly, Yin Chao was an admirer of Yu Jinfei's, so he naturally ignored Chen Hao.

Just like him, a lot of Yu Jinfei's

Chapter 493 Liquor

classmates were treating Chen Hao with hostility.

Almost nobody spoke to Chen Hao.

At the same time, a few girls threw Chen Hao contemptuous glances from time to time, as if they were trying to say that he was nowhere near deserving of being with someone like Yu Jinfei.

“Yin Chao, just take a look at that punk! Who knew that Yu Jinfei would marry a guy like this? Apparently, he’s a professor at one of the universities in Tian City. What a joke. What was Yu Jinfei thinking?”

In the washroom, some boys were talking among themselves unhappily.

After all, Yu Jinfei was so beautiful, so which boy hadn’t had a crush on her before? Especially for Yin Chao, who had always liked Yu Jinfei.

However, Yu Jinfei always had someone else on her mind, so no one else stood a chance.

Chapter 493 Liquor

However, now that a chance had finally come, Yu Jinfei had married someone out of the blue! Not to mention that she had married a fool!

After all, all of them were from a high-class background, and Chen Hao's job as a university lecturer was not impressive to them in the slightest.

Another boy said, "Hmph! Exactly, and with him around, we can't even talk to Yu Jinfei about some things we want to talk about. Him being here is just such a nuisance!"

"Since everyone feels that way, then we should make him leave! We should teach him a lesson— our gatherings aren't open to someone like him!" Yin Chao sneered.

After that, he whispered something to the other boys.

Then, they all returned to the room.

"Sigh. We haven't had a drink with the groom after Yu Jinfei got married. Chen Hao, Yu Jinfei is a goddess in all our hearts, and you managed to get her all to

Chapter 493 Liquor

yourself. Let's have a drink to celebrate!" Yin Chao was behaving abnormally, smiling at Chen Hao.

The other boys glanced at each other and looked at Chen Hao, smiling coldly.

"Alright! Of course we need to have a drink. What should we have?" Chen Hao smiled as he spoke.

"Alright, I just happen to have brought a box of good liquor from home! I already got someone to retrieve it. Let's start off with some good Chinese spirits!"

Yin Chao didn't expect that Chen Hao would be so frank and straightforward.

"Alright, that's good! I like Chinese spirits!" Chen Hao laughed.

Yu Jinfei, on the other hand, obviously knew what Yin Chao and the others wanted to do.

At first, she wanted to remind Chen Hao to not lose his manners.

Chapter 493 Liquor

But seeing him behave so recklessly, Yu Jinfei decided to give up.

She would just let him drink until he couldn't walk straight!

Yu Jinfei turned her head to the other side and saw one of Yin Chao's underlings carrying two boxes of Chinese liquor.

"Hehe, Chen Hao, let me tell you a secret. The family of this good brother of mine runs an alcohol business, and he practically grew up in a wine tank. He'll take the lead and we'll just follow. Let's enjoy ourselves. That's not a problem, right?" Yin Chao smiled.

"Not at all!" Chen Hao kept his smile on his face and nodded.

However, no one noticed the streak of wickedness that glinted within Chen Hao's eyes. After training his internal strength with Uncle Qin, Chen Hao had long since become immune to the effects of alcohol.

Chen Hao was even immune to some forms of poison, let alone these Chinese

Chapter 493 Liquor

spirits...

Mainly, Chen Hao had seen how competitive Yin Chao and the others were. If he just accepted their taunts and bowed down to them, that wouldn't be like him. Since they wanted to play, he would give them a good game...

Chapter 494 The Appearance of the Man in Black

Yin Chao couldn't help but shake his head with a bitter smile.

It seemed like Chen Hao was all talk.

This classmate of his, who was also his good friend, actually did have a winery that was run by his family. A specialty of this friend and his father was that they could both withstand high amounts of alcohol.

He had seen how his friend downed seven bottles of strong liquor before he reached his peak with his own eyes. That was seven catties worth of alcohol!

That was why he was absolutely sure that this good friend of his could make Chen Hao drink until his stomach bled.

A few of them took turns to persuade Chen Hao to down a glass of alcohol at one go.

In the blink of an eye, Chen Hao and this good friend of Yin Chao had drunk three bottles each.

The face of Yin Chao's good friend was so

Chapter 494 The Appearance of the Man in Black

pale that it was scary, but he was still extremely sober. From the looks of it, he could down another three bottles with no issues.

However, what was happening right now scared the few girls at the table, including Yu Jinfei.

They were drinking way too much.

Yu Jinfei took a glance at Chen Hao. He didn't even look like he had drunk a drop of liquor, and his expression remained unchanged.

"Chen Hao, you really have a high tolerance for alcohol. Since you're that good, how about we drink three more bottles? Do you think you can take it?" Yin Chao was feeling rather surprised, but he was also unsatisfied.

"No problem. But you guys have to start drinking too. I've had three bottles and so has this good friend next to me. It's about time you guys joined us!" Chen Hao said with a smile.

Chapter 494 The Appearance of the Man in Black

“Alright, since Chen Hao is willing to continue, then we shall do our parts too!”

Yin Chao whispered to his good friend, “You doing alright, Tao Zi?”

“I-I’m fine!” The winery owner’s son, Tao Zi, waved his hand.

After that, the few of them started a new round of drinking.

Yu Jinfei was watching them with her eyes widened.

Amongst them, Tao Zi and Chen Hao were drinking at an equal rate.

Yin Chao and the other two were drinking half a glass at one go.

In the blink of an eye, Chen Hao and Tao Zi had each drunk three more bottles.

Yin Chao and the others each had one and a half bottles of alcohol.

Out of all the boys at the gathering, apart from Tao Zi and Yin Chao who still had

Chapter 494 The Appearance of the Man in Black

some form of sobriety, the other three had long since collapsed.

“Tao Zi, you can really drink! What about we each have three more bottles? Are you up for it?” Chen Hao took a look at Tao Zi, whose face was waxy and ashen, and Yin Chao, whose face was a shade of pale green.

“You still want to drink? You both had six bottles each!” Yu Jinfei stood up and said.

“Yes! Drink! We must drink! Tao Zi, keep drinking with him—bleurgh!” Yin Chao didn’t finish speaking because he had run out to vomit.

Yin Chao did not expect Chen Hao to have such a high tolerance for alcohol.

Just running to the bathroom caused the world to spin around him.

His stomach was feeling terrible.

At the end, all that he could vomit was fresh blood.

Chapter 494 The Appearance of the Man in Black

But once the need to drink came up, how could he still care about that?

After vomiting for a long time, Yin Chao walked back to the room.

“Ah!”

Just then, a scream sounded from inside the room.

Yin Chao dashed forward and pushed open the door of the room.

He saw Tao Zi lying on the floor, his mouth foaming with blood, and his eyes rolled to the back of his head.

“Quick! Call the ambulance!” Yin Chao widened his eyes and yelled.

The sound of the alarm of the ambulance neared them.

After settling everything, Yu Jinfei and Chen Hao returned to their car.

“You’re... completely fine?” Yu Jinfei said with shock as she looked at the unscathed

Chapter 494 The Appearance of the Man in Black

Chen Hao.

“Yeah! I’ll let you in on a secret. I’m naturally immune to alcohol, so the only effect on me is that I really need to go to the toilet after that!” Chen Hao smiled lightly.

“Hmph! I couldn’t even tell. You’re so dishonest!” Yu Jinfei couldn’t help but glance at Chen Hao.

Right then, Yu Jinfei got a phone call.

She just listened and grunted lightly before hanging up.

At that moment, her face was filled with anxiety.

“My mom has returned from abroad. She knows that I got married behind her back!” Yu Jinfei said with a frown.

“Oh well, she can do whatever she wants!”

Immediately, Yu Jinfei drove home.

“That’s Chen Hao? What right does he

Chapter 494 The Appearance of the Man in Black

have to marry into our family?”

After reaching home, a cold beautiful woman who had been sitting on the sofa stood up and pointed at Chen Hao, scolding him.

Su Hong had just returned from abroad, which is where she had been when this incredibly important news reached her ears.

When she heard that her daughter had made a decision without consulting her and married a foolish man, Su Hong had fainted in anger.

Of course, she then rushed home immediately.

“You don’t need to care about my life! How I act and what I do is none of your business!” Yu Jinfei retaliated without hesitation.

“I don’t need to care? Yu Jinfei, what were you thinking?! Do you know how many young masters came to our doorstep to ask for your hand in marriage, only for me

Chapter 494 The Appearance of the Man in Black

to turn them down? If you don't get married, that's not even as bad. You can also not care about me, your mother's opinion, but you can't just marry someone like this and embarrass the entire Yu family!"

Slam!

When she finished talking, Su Hong immediately threw and shattered a teacup.

It shattered right at Chen Hao's feet.

Since the beginning, Chen Hao hadn't uttered a word.

"You too, Yu Jinxiang! I heard that you were the one who orchestrated everything. Just wait, I'll take care of you later on! You two really messed everything up while I was at M Country looking for buyers!"

After that, Su Hong walked toward Chen Hao.

Slap!

She slapped him across the face. "Don't

Chapter 494 The Appearance of the Man in Black

you know what kind of person you are? You think someone like you is fit to marry into my family? Let me tell you, if you have any tact, the two of you will divorce immediately! And you! Never let me see you again!"

After that, Su Hong stormed up the stairs in a fit of rage.

She pushed down all of the flower pots on the stairs.

Chen Hao's face was adorned with a slap mark.

He could have dodged it, but something that Su Hong had said diverted his attention.

So, Su Hong had been looking for buyers in Country M.

The Yu family was not involved in trading.

Besides, why would a rich lady like her need to go look for buyers?

There was only one explanation: the King

Chapter 494 The Appearance of the Man in Black

Ginseng.

Just as Wei Qingshu had said, the Yu family was now looking for buyers, but they didn't know who to sell it to.

Only exporting it would be a good option.

That also meant... could the King Ginseng be with Su Hong right now?

Chen Hao was thinking of this, and that had caused him to lose his focus.

"I'll pay you one hundred thousand extra after we end our contract as compensation for my mom slapping you," Yu Jinfei said when they went back into their room. She glanced at Chen Hao, who was still rather out of it.

"Do you think that money solves everything?" Chen Hao said suddenly, lifting his head.

"Am I wrong? Hehe, didn't you agree to this just because of money?" Yu Jinfei couldn't help but say contemptuously.

Chapter 494 The Appearance of the Man in Black

Chen Hao didn't reply and turned to go to the bathroom outside to wash his face.

"Hm?"

As he was washing his face, a black shadow suddenly flitted past outside the window of the bathroom.

It was extremely fast.

But right now, Chen Hao was on high alert.

Someone was there!

Chen Hao wiped his face and didn't even use the door. Instead, he jumped out of the bathroom window.

He started following the black shadow.

The shadow was extremely fast, and was in no way worse off than Chen Hao.

He could even say that that shadow was faster than himself.

Because Chen Hao realized that no matter how fast he ran, that black shadow always

maintained a safe distance between Chen Hao and itself.

The 'safe distance' between them meant that the shadow was just out of range for his concealed weapons to shoot.

Only when they reached the shore of a moat did the black shadow stop running.

Chen Hao caught up, and under the moonlight, he could finally see the shadow clearly.

It was someone dressed in black robes, their clothes strange, leaving only their eyes visible.

"W-Who are you?" Chen Hao frowned as he asked.

Chapter 495 The Auction

Chen Hao stared at the person in front of him coldly.

He could already feel that this person was not ordinary based on the way he was breathing.

Whoosh!

Right then, lights flashed and a few figures suddenly appeared behind Chen Hao.

They were four people who were all dressed in the same black robes.

Just like the person in front of him, he knew that their skills were much higher than his own.

The Mo family? Chen Hao couldn't help but take a guess.

"Chen Hao, I have two things to talk to you about today!" Just then, the man in black in front of him finally spoke.

Based on the voice, it was an elderly man.

"What is it?"

Chapter 495 The Auction

The man in black continued, "The Chen family has been around for many generations, and it has always been a very rich and important family. You, as the Chen family's young master, have embarrassed yourself by being a live-in son-in-law and ruined your reputation! For this, our first reason here is to teach you a lesson!"

"You know who I am? You don't sound like someone from the Mo family," Chen Hao questioned.

The man in black didn't answer.

Suddenly, the man moved and appeared right in front of Chen Hao.

Slap! Slap! Without waiting for Chen Hao to react, two loud harsh slaps had already landed on Chen Hao's face.

In another quick flash, the man in black returned to his original position.

He had moved extremely quickly, and everything seemed to have happened in just a blink of an eye.

Chapter 495 The Auction

Chen Hao didn't even have the chance to defend himself.

Wh-Who are they? Chen Hao felt more shock arise inside him.

"Secondly, I have received orders from my Lord to come here and take you to see him. However, this King Ginseng is extremely beneficial to you, so I have assigned four bodyguards, East, South, West and North, to be by your side. When the time comes, they will take you away!"

"East, South, West and North?"

"Yes!"

"For this period of time, you must stay by Chen Hao's side and listen to his every word. After he gets the King Ginseng, bring him back to meet the Lord!" The man in black commanded.

"Understood!"

After the four men in black nodded, they all prepared to leave.

Chapter 495 The Auction

“Hold on! Who is the Lord?” Chen Hao asked, holding his cheek.

He had only received two slaps, but those slaps had already caused the corners of Chen Hao’s mouth to bleed.

“You’ll know when you see him!” Then, the man in black left.

That was strange.

This group of men in black had talent unseen before in this world, and had abilities that way surpassed the Mo family’s.

Could there actually be even stronger people than the Mo family in this world?

Chen Hao was deep in thought.

If only Uncle Qin was still by his side! He would definitely know where these people came from.

As for the four guards, they didn’t say anything to Chen Hao apart from nodding.

Chapter 495 The Auction

This caused Chen Hao to feel bewildered but helpless.

It seemed like he wouldn't know who they were until he saw the 'Lord' they were referring to.

However, with what was going on now, it wasn't very convenient to bring them around, so Chen Hao told them to go back to the Villa.

As for himself, he still had to stay in the Yu Family's house.

Currently, at the Yu Family house.

"It's good that he isn't here. Who knows, maybe he actually went off and died somewhere! Don't let me see him ever again, because I feel annoyed whenever I see him. Anyway, I called you all over here to discuss something important!" Su Hong had called all of the family members to the living room.

Yu Jinfei didn't know where Chen Hao had run off to.

Chapter 495 The Auction

Su Hong said, "I've connected with a number of powerful people from different countries recently. They really want the King Ginseng, and have all set high prices for it!"

"But mom, didn't you say that the price wasn't an issue? As long as we still own this thing, it will continue to bring us harm. If we can get rid of it, then we should! There are already way too many forces aiming for this King Ginseng, yet you went and contacted even more buyers?" Yu Jinxiang said in surprise.

"Hmph, silly child! Don't you understand that the more buyers we get and the stronger they are, the better it is for our family? Let them fight over it! They're powerful enough anyway, and in the end, the powers within Tian City can't win! This way, not only can we get rid of our troubles, we can also strengthen our power in Tian City! We can kill two birds with one stone!"

"Ah, I get it! This way, those little forces in Tian City will know that they should back down!" Yu Jinxiang nodded.

Chapter 495 The Auction

“That’s right! I’ve already chosen the dates. The public auction to sell off the King Ginseng will take place three days later! When that happens, we only have to watch them fight! Our family will win either way,” Su Hong said with a light smile.

Even though the actual leader of the household of the Yu family was Yu Jinxiang’s dad, Su Hong’s position in the Yu family was a little like that of an Empress. Everything was looked over by her.

For example, she was also in charge of matters relating to the King Ginseng.

Her ability to think of such an evil plan definitely showcased the schemes of this woman.

“Starting from tomorrow, a lot of forces will gather here. So for the next three days, you two must not go anywhere and stay here to help me greet the guests. Do you understand?” Su Hong commanded.

She gave a dissatisfied glance at her oldest daughter, Yu Jinfei.

Chapter 495 The Auction

However, the two sisters just nodded.

“Ah, Chen Hao! When did you come back?”
Right then, Yu Jinxiang yelled cunningly.

Chen Hao had opened the door and entered the living room.

“Hmph, useless boy! After this auction, leave my house!” Su Hong glanced at Chen Hao with hatred before turning to go upstairs once more.

As for everything that Su Hong had talked about just now, Chen Hao had heard it all from the outside.

He cursed this old woman’s scheming tactics inwardly.

She actually wanted to let so many forces fight among themselves.

In the blink of an eye, it was the next day.

Just as Su Hong had described, the news of the auction caused a big uproar within Tian City once it was announced.

Chapter 495 The Auction

After all, the price of the King Ginseng was immeasurable.

Who could have guessed that the King Ginseng was really in the Yu Family's hands?

Many forces within Tian City, both big and small, had received the invitation to the auction.

The whole city was in a ruckus.

At the same time, the dark forces from abroad were arriving one by one.

In just a day, every hotel in Tian City, whether big or small, was fully booked.

Tian City was livelier than never before.

Of course, Chen Hao wasn't wrong with his early assumption.

This scheme of Su Hong's really caused bloodshed.

Today morning, two forces from Tian City had a gunfight and both of them suffered

Chapter 495 The Auction

great losses, backing out of the auction that same day.

Right now, there were two people who were currently the most significant within Tian City.

They were Wen Sen Group and Tian Long Group.

As for the head of Wen Sen Group, Wen Sen, he had not shown his face to this day. This made people start talking, and there were rumors that Wen Sen had met his match and died in some other place.

This caused quite a lot of power that originally belonged to Wen Sen Group to join the dark horse, Tian Long Group.

As for the Yu family, being the organizers, they were extremely busy.

They specially booked the Long Quan Mountain Villa as the venue, which was located in Da Jing area of Tian City.

Su Hong and her two daughters had been taking care of VIP guests from all over the

world in Long Quan Mountain Villa since day one.

Quite a few people from Dragon City also came over to join in the fun, taking a look at the liveliness that had not taken place in Tian City for decades.

“Mom, there are too many people here! It’s impossible for all of them to stay in Long Quan Mountain Villa! We’re packed to the brim!” Yu Jinxiang complained.

Today, Yu Jinxiang had even asked her classmates to help out.

“Ah, you silly girl. What did I tell you? There are many forces that are joining us here today, and after counting, there are only eighteen forces that need to stay here. We don’t need to bother about the rest. Right! You have to be cautious. The two big forces of Tian City, Tian Long Group and Wen Sen Group, need special treatment. After we settle the King Ginseng, we still need to interact with the two of them! So remember, we can’t offend either of them!” Su Hong seemed to remember something as she reminded the two sisters.
