

# Chapter 5133

At this point, Charlie's pupils constricted, and immediately asked Reverend:

"What happened twenty years ago that could make your Lord,"

"To execute thousands of people directly?!"

Reverend shook his head blankly: "I don't know the specific reason..."

"I only know that the Lord was furious at their failure at that time, so he killed them. ..."

Charlie raised his eyebrows, and asked in a cold voice:

"Then do you know where they failed?"

Reverend shook his head and said, "I don't know either..."

Charlie thought of what Reverend said just now.

He thought that the one in charge of Asian affairs in the Warriors' Den was the Military Commander's Office, so he asked him:

"Which one was the one that experienced that failure?"

"Is it the Chinese Military Commander's Office?"

Reverend shook his head and said, "I don't know,"

"But it's basically certain that it's not the Governor's Office of the Right Army..."

As he spoke, he continued, "Actually, how many copper mines like the Cyprus Copper Mine are there in the whole world?"

"I don't know at all, or even I don't know, how many bases there are under the Commander's Office of the Right Army where I am."

"This information is completely isolated from the inside."

"I only know that there is also the Governor's Office of the Left Army and the Central Army The Governor's Office,"

"The Former Military Governor's Office, and the Rear Military Commander's Office,"

"But I don't know who is in charge of the other four military governor's Offices,"

"And what the specific scale is..."

Hearing this, Charlie's heart sank again.

He was not sure whether the failure that Reverend said 20 years ago was related to the death of his parents.

It seems that if he wants to find out more information,

He can only hope to find a higher level of this Warroirs' Den.

So, Charlie asked again: "What kind of organization structure do you have in Turkey?"

Reverend replied, "The highest officer of the Right Army Governorate is the left and right governors,"

"And there are four governors under their command, which can be understood as deputy governors,"

"Each deputy governor is responsible for a closed-loop system,"

"And this line of Turkey and Cyprus is one of the closed loops."

Charlie asked, "Then who is your vice-governor of this closed loop?"

Reverend said, "It's Ramos Zhang, Zhang's deputy governor."

Charlie asked again, "This Ramos, is he a martial artist?"

"Yes."

"What cultivation level?"

"Dark realm fifth level."

Charlie was slightly startled in his heart and asked with a frown,

"This closed loop of yours, besides the copper refinery in Turkey,"

"And the copper mine in Cyprus, what other industries are there?"

"Many." Reverend replied, "There are also natural gas companies,"

"Large farms and shipyards in Turkey, in addition to that,"

"There are also some garment processing factories, stone processing factories,"

"Basically in all walks of life, the overall market value is about eighty billion dollars or so."

In Turkey, with a total market value of eighty billion dollars,

It can already be called a super business empire,

And this is only the industry under the responsibility of a deputy governor of one of the five military governorates under the command of the Warriors Den.

If it is a deputy governor in an economically developed Western Europe,

Then he is responsible for the closed loop, perhaps the market value exceeds hundreds of billions of dollars.

In this way, the strength of the assets of a right Governor,

I am afraid that it has easily exceeded the Wade family.

Charlie suddenly remembered something and hastily asked:

"What is the public identity of your vice governor, in the Den? Will it be disguised as a business tycoon?"

"No." Reverend shook his head and said, "The official position of the deputy governor is the governor's colleague,"

"And below that, there is the governor's commander (qiān), and then there is a special envoy or commissioner like me,"

"And from the special envoy on up, there is absolutely no well-known identity in the community,"

"And generally very low-profile, my public identity in Turkey,"

"It is the quality inspector of this copper refinery, responsible for checking the quality inspection of all copper ore in the factory,"

"So it is only in name. That's why I came to Cyprus with the ship in name only,"

"While our deputy governor's public identity is the accountant of the copper refinery."

"Accountant?!" Charlie frowned and spoke, "In that case, the head of the copper refinery,"

"In this closed loop of yours, has an even lower status instead?"

"Right." Reverend nodded, "The chairman is just pretending, as for the heads of the other industries,"

"They are all just spokesmen arranged within the Warriors Den,"

"And many of them are the sons of the Cavalry Guards."

Charlie asked him, "The heirs of the Cavalry Guards?"

"Right." Reverend added: "Below this closed loop of ours, there are at least fifty enterprises."

Charlie asked curiously, "Since you guys are so focused on secrecy, these fifty-odd enterprises,"

"How do you manage them to ensure that you don't leak secrets?"

"It can't be that all the employees of these fifty enterprises are your own people, right?"

# Chapter 5134

Reverend shook his head and said, "Most of the enterprises have no explicit relationship with each other,"

"As well as with the vice governor, moreover, each enterprise is not all our people,"

"We don't have that many grassroots personnel,"

"But the people openly in charge of each enterprise are all descendants of the Cavalry Guards."

"The descendants of the Cavalry Guards?" Charlie pursued,

"Why are they descendants of the Cavalry Guards?"

Reverend replied, "Because the Cavalry Guards were all promoted up from the dead soldiers who performed well and even had merits,"

"So the Warriors Den, in order to make these Cavalry Guards feel more superior psychologically,"

"Compared to the dead soldiers, especially allowed them to let their third child,"

"Break away from the Cavalry Guards' identity after every three children they had."

"Leaving the identity of Cavalry Guards means that this offspring can grow up without practicing martial arts,"

"But receive formal education within the Warriors Den from a young age,"

"And it is the basic education where the person is, such as Turkey is four years of elementary school,"

"Four years of middle school, and four years of high school,"

"That child's elementary and middle school content, are learned within the Warriors Den,"

"After getting legal status in high school, in Turkey Local public high school study,"

"And then the normal examination for university, after graduating from university,"

"They can directly go through the channels of social recruitment into our closed-loop enterprise work,"

"And gradually be trained to become the successor of different enterprises."

Charlie asked him, "Why are they sent out to study only in high school?"

Reverend replied: "Children who are too young lack self-restraint,"

"Let them go to social schools to study, it is easy to speak more mistakes,"

"So there will first be internal education for them while teaching them,"

"While their parents constantly give them to strengthen the sense of secrecy,"

"After the children began to go out to high school, they will start to give them drugs,"

"So that they also have a strong poison in their bodies in order to ensure control."

The first is that they do not need to practice martial arts hard,”

“The other is that they do not need to take the antidote once a week, but once every six months,”

“Just like me, and if they study well and do have real talent,”

“After taking over the business in the future, they can be white-collar elite,”

“Or even well-known entrepreneurs in a society where living conditions are much better than those of the Cavalry Guards.”

When Charlie heard this, he couldn't help but realize it.

In this way, it seemed that his aunt, as well as her family, should not be considered high-end members in the Warriors Den,

And most likely they were also the descendants of Cavalry Guards,

Only that they had the opportunity to live a normal life in the real world.

Thinking of this, Charlie asked Reverend: “During your years in the Warriors Den,”

“Have you ever heard of the Warriors Den sending people into society and then deliberately letting that person get close to a particular person and marry them,”

“Making them become undercover agents planted by the Warriors Den on the other side?”

“I have heard of it.” Reverend nodded and said, “This kind of thing is very normal,”

“After the children of the Cavalry Guards are sent into society,”

"The Warriors Den will set up a point system for them,"

"As long as they create contributions for the Warriors Den to be able to increase the points,"

"The greater the contribution, the more points;"

"If the points can reach a certain level, then they will be able to use the points to bail one of their family members out of the Cavalry Guards;"

"If they continue to make significant contributions, then they can even bail out all their loved ones,"

"Once their family is bailed out, then their family members don't have to do anything,"

"They can regain their freedom to a certain extent, as long as they don't threaten the safety of the Warriors Den,"

"They can go wherever they want and do whatever they want,"

"But the poison in their body can't be solved, they can only take the antidote from once a week, upgraded to once every six months."

"If the contribution is big enough, they can even redeem themselves, and after the redemption,"

"The Society will give them a generous amount of money to let them and their families take care of themselves,"

"But it's still the same premise, not to threaten the safety of the Society while taking the medicine regularly."

Here, Reverend added: "Because of this mechanism in place,"

"Every Cavalry Guard will try to have three children or even multiples of three,"

"And every child sent to study will be instilled with a great sense of responsibility by their parents and older siblings from an early age,"

"So that they realize from an early age that they are responsible for changing the fate of the whole family,"

"So that almost all of these children are academic talent,"

"As soon as they enter society is the elite class, these people marry high-ups only,"

"Maybe which billionaire's offspring are from the Cavalry Guards you don't know."

"However, the descendants of these Cavalry Guards in the Warriors' Den, there is a special term, called a scholar."

Charlie couldn't help but laugh dumbly and asked him,

"It's the ancient scholar who took the imperial examination?"

"Right." Reverend said, "The ancients said that no one asked under the window for ten years,"

"And once you become famous, the world knows, whether it is the ancient scholar,"

"Or the scholar of the Warriors Den, they are all trying desperately to change their lives and achieve class crossing by studying and taking exams."

Charlie nodded gently, thinking: "I originally thought that my uncle's better half must have been a Cavalry Guard offspring,"

"But according to him, the probability is of a 'scholar',"

"The probability is to study hard for more than ten years,"

"Carrying the mission of rescuing the whole family, was arranged into a certain university to approach uncle....."

"Moreover, she could successfully marry into the An family,"

"Enough to prove that she is definitely at the top of the group of 'scholar'."

Thinking of this, Charlie also could not help but have some chills on his back.

Although the Warriors Den is not known, but in fact has already laid its own forces everywhere in the world,

And has long since completed the penetration of high society.

God knows how many of those global tycoons on the Forbes rich list are actually the other half of this organization's "scholar" only.

Moreover, even if a "scholar" is married to the world's richest man,

The Warriors Den can still achieve absolute control over her through the poison in her body and her family,

As well as the antidote in their own hands.

Moreover, this control chain has formed a closed loop, flawless, and unbreakable .....

# Chapter 5135

At this time, Charlie, in his heart can not help but think of his own third aunt, who he did not know.

And in his mind, he could not help but rely on the clues provided by Reverend,

As well as his own imagination outlined the tragic life of that woman.

During her teenage years as well as her youth,

It is likely that she had been studying hard in order to change the fate of her entire family.

Her father had probably experienced the tragedy of the dead soldiers firsthand,

So he must have instilled in her at a very young age the belief in studying hard to save the whole family.

And she must have lived up to his expectations by getting into a top university with her hard work.

At this time, because she excelled in her studies and was also very good externally,

The Warriors Den gave her the difficult and significant task of preparing to approach his uncle, Martel An.

Duncan once told Charlie about the process of his aunt's acquaintance with his uncle.

Back then, uncle was in his second year of his master's degree at Harvard University,

While he had just entered Harvard for his master's degree.

The two met over a clichéd drama of a hero saving a woman, while uncle,

Through his contact with her, was surprised to find that this woman catered to all his requirements for the opposite sex,

Both internally and externally.

The An family and Duncan, too, because of speculation, the young aunt was probably,

At that time, a secret informer was deliberately planted by the enemy on the young uncle's side.

But according to Duncan, after the death of his aunt,

This matter is only a speculation that has no way to be confirmed.

However, now one can be sure that their speculation is 100% accurate.

Although his uncle was twenty-two or three years old when she met my him,

It is likely that she had been trying to become the kind of woman that his uncle would have liked,

And even become obsessed with when she was fifteen or sixteen years old.

It took years of preparation for her to fall in love at first sight with her uncle at Harvard University.

The naive uncle thought he had found the one,

But what he didn't know was that it was all just an elaborate play around him.

He has been with this woman for nearly twenty years,

This woman gave birth to two daughters, a family of four seemingly affectionate,

But he never dreamed that this woman with him for twenty years,

From the day he saw her, her mouth has always been filled with highly toxic dentures.

The husband who has been with her for twenty years,

Having two biological daughters, has not been able to stop her from selling her life for the Warriors Den.

On the day of Sara's New York concert, this woman acted as an inside informer,

Cooperating with the dead soldiers of the Warriors Den to exterminate the entire An family.

Only, Charlie did not know if this woman and her two daughters,

Were on the Warriors Den's kill list in the first place.

If they were also on, then wonder if this uncle was clear in her own mind.

However, from the last moment, she decided to bite her teeth and choose to commit suicide,

Her heart, even to death, did not escape the control of the Warriors Den.

And her suicide is likely to protect her family members who are still controlled by the Warriors Den.

This, too, is where Charlie feels that the Warriors Den is the most powerful.

Just when Charlie was feeling emotional in his heart,

Someone knocked on the door and said respectfully outside the door,

"Lord Envoy, in half an hour, our ship will be docking."

Charlie sensed that this person was not a martial arts expert,

So he said to Reverend in a very low voice, "Send him away."

Reverend nodded and spoke, "All right, I know, you go to work."

"As you wish!" The other party answered, turned around, and left the floor.

Charlie then asked Reverend, "These people on the ship, are they all your people?"

"No." Reverend shook his head: "The bodyguards on this ship are all Turkish Cavalry Guards,"

"As for these crew members, they are all some peripheral members,"

"Only responsible for sailing the ship, they don't know anything about the specifics."

# Chapter 5136

Charlie pointed to the man standing motionless in the corridor inside the door and asked him, "What is he?"

Reverend said, "He is my second-in-command."

Charlie frowned and asked, "Your deputy, do you still have to meet your needs in that area normally?"

Reverend replied, "He wanted to join the Battalion, but to join the Battalion,"

"He needed a recommendation from someone who had been trained in the Battalion,"

"So that's why I used that as a condition and asked him to satisfy my ....."

Charlie stretched out a hand to interrupt him,

"All right, you don't have to say anything."

Reverend immediately closed his mouth.

Charlie then asked, "In a moment, do you have any way to let me mix with you into the copper mine?"

Reverend said without thinking, "This is simple, you just need to wrap up in a black robe with me."

"Black robe?"

"Right." Reverend stood up, took off two black robes from the hanger behind the door, and said to him:

"Because I am a special envoy, my true face, only my superiors and my deputies can see,"

"In front of the rest of the organization, I am wrapped in robes to not let anyone see any features."

Charlie nodded and asked, "The head of the Cyprus Copper Mine, has he seen your true face?"

"No." Reverend shook his head and said, "If you want to go in,"

"Later you just need to disembark the ship wrapped in black robes like me,"

"And after we disembark, the Cavalry Guards of the copper mine will pick us up."

Charlie asked again, "Then when will you return?"

"Tomorrow." Reverend said, "After the ship docks, the Cavalry Guards on this ship will gather all the crew members into the engine room and not allow them to see the outside world,"

"Then the Cavalry Guards of the copper mine will start unloading,"

"After unloading all the supplies, they will also start loading the copper ore,"

"And after it's full tomorrow morning, we will depart back."

Charlie asked him, "What about you?"

Reverend explained, "I will stay at the copper mine tonight,"

"Supervise the Cavalry Guards to take their medicine,"

"And then supervise the dead soldiers to take their medicine,"

"After making sure that everyone is taking their medicine properly, it will be almost dawn."

"Good." Charlie nodded and said, "Then I'll go in with you!"

After saying that, he asked, "Where is the antidote you brought?"

Reverend pointed to the closet in the corner of the room and said,

"The antidote is in the cabinet."

Charlie nodded and said, "Take it out for me."

"Okay!" Reverend immediately went to the closet,

Carried out a heavy backpack from it, and placed it in front of Charlie.

Charlie opened the backpack and found that it was packed in four square boxes like chalk boxes, with more than thirty boxes.

He took out one box from it and found that the top lid of the box had a circular emblem printed with fire lacquer,

The emblem pattern was very complicated,

And one could vaguely see that the totem as a whole presented a "WD" character.

He directly opened the box, and found that the inside is as thick and thin length of the index finger,

With kraft paper rolled out of the cylinder.

And the cylinder of the upper and lower two seals, also have a fire lacquer seal.

He tore the kraft paper and saw ten small pills wrapped in it.

He put the pills under his nose and sniffed them,

And found that the antidote was similar to the antidote he had configured.

The antidote configured by himself, the vast majority of which are some nourishing ordinary herbs,

The real detoxification effect is only a very small part.

And this antidote is the same.

Most herbs are effective in strengthening the body,

While the part that really works is a composition that has been refined by a special method.

Charlie immediately recognized that this ingredient contained an extremely small amount of spiritual qi,

Although it was only minimal, he could still clearly sense the presence of spiritual qi.

This made his expression awe-inspiring,

It seems that the person who refined this antidote, like himself, can grasp spiritual qi!

# Chapter 5137

The aura in the antidote is minimal, which allows Charlie to conclude that,

The person who made the elixir must also be proficient in the aura,

But he is unable to guess the other party's cultivation through the elixir.

After all, the potency of this antidote is really a bit too low,

Charlie felt that its greatest use is not to be able to suppress the poison in the body of the person taking it,

But seems to be just to send a signal for the poison in his body to not rush to attack first for the time being.

As he looked at these antidotes, he couldn't help but speculate in his heart that,

If the Warriors Den had ten dead soldier bases around the world,

Then together with the dead soldiers, the families of the dead soldiers,

And the Cavalry guards, there would be at least tens of thousands of people.

In addition, there are also "scholars", "guides", "special envoys", and "governors" scattered around the world.

The company's staff is also a part of the "Uniform Guards", "Speedy Transport Company" and various other supporting personnel.

It is roughly estimated that there are at least 100,000 people under his command, or even more.

The vast majority of these more than 100,000 men have to take one antidote every week,

This means that the daily output of the Warriors Den will be 10,000 to 20,000 or more antidotes.

With such a large demand, it is impossible to let the master of aura in charge of the experts,

Otherwise, it is the same as the strongest of the small group of people,

Pressed in the manufacture of antidote sweatshops, is a really big material with small use.

Therefore, Charlie estimated that the Warriors Den should have a sizeable elixir processing base,

The lord, or those under his command who mastered the aura,

After refining the core elixir, to the processing base with a specific recipe for dilution.

At present, Charlie can find clues, basically have strong independence,

It is difficult to find an actual clue in Cyprus, with the organization's higher levels of connection.

But now it seems that the only thing that runs through all the links of the Warriors Den,

It is the production and transportation of the antidote.

The antidote is a real and actual link that will connect all the external organizational structures to it with the transportation route of the antidote,

And if he can find the output path of the antidote sent all the way down, he can find this elixir processing base.

This elixir processing base is not an independent existence isolated from the headquarters of the Den or the senior management,

Because the antidote it produces must have an elixir with spiritual energy as the core raw material,

So there must be an input path of spiritual energy elixir upstream of it.

Once he can find this input path, he may be able to follow the vine all the way to the real core of the Warriors Den.

Having made up his mind, Charlie then asked Reverend:

"You just said that the time and place for the antidote to arrive in Turkey are random,

Tell me specifically what the process is for you to receive the antidote."

Reverend said respectfully, "Generally, without any warning,"

"We will receive a coordinate and a six-digit return code sent via satellite communication,"

"The coordinate may be anywhere in Turkey, and we will rush over to receive it immediately after receiving the address."

Saying that, Reverend added, "They usually choose a wilderness ridge to place the safe,"

"And since the coordinates are accurate to the meter after we arrive at the designated coordinates,"

"We can soon find the location of the safe as long as we try to dig on the flat ground."

"Wilderness ridge?" Charlie couldn't help but frown.

It seems that this gang's process is indeed very meticulous,

The kind of place in the wilderness, there is no monitoring equipment,

And the other party first randomly chooses the location, so it is impossible to do it in advance to lay control.

And when the other party calmly placed the antidote,

There is still enough time to clean up all the clues, and then inform the other party of this coordination.

It is even possible that the other party may plant multiple safes in Turkey at once,

Only to announce the coordinates of one of the safes at intervals down the road.

In this way, it would be even more difficult to trace this line.

Then, Charlie asked, "Every time you guys go over to receive the safe deposit boxes,"

"Do you find any traces left behind when they placed the safe deposit boxes?"

"No." Reverend shook his head: "I also paid special attention to this,"

"But every time I received the antidote, I did not find any traces,"

"No footprints, nor wheel marks, nor they had special treatment when they left,"

"Or they had buried the safe long enough, the wind and sun naturally covered the traces they left, or maybe both. "

Charlie could not help but smacked his lips and asked him,

"What about after finding it? To give them feedback?"

Reverend said, "The safe has a password input area, but this area is not used to open the safe door,"

"But to send a return receipt to the organization,"

"As long as the correct return code is entered, the organization will be able to confirm that we have received it safely."

Hearing this, Charlie did not know for a while, what kind of method he should use to catch this clue of the other party's antidote.

At this time, the ship emitted a very piercing whistle,

While the speed of the ship also slowed down a lot,

Which made him realize that the ship was about to dock.

So, he immediately threw the antidote brought by Reverend back into the closet and wrapped up in one of the black robes,

Then he said to Reverend, "I will disguise myself as your deputy and go to the copper mine with you,"

"The way you handed over the pills to them before, is how you hand over it again this time."

Reverend nodded without thinking: "Yes, sir!"

After saying that, he also took a black robe, skillfully put on the body, and use a large hat to cover the whole head completely.

Charlie also followed the example of the black robe with the hood. Now his head was covered.

He found that the black robe's cap is very wide, and the cap part of the fabric is light sand,

Even if the cap will cover the whole face, it does not hinder vision.

Subsequently, Charlie and Reverend came to the door, looked at the martial artist who was standing still like a wooden board,

And said in a cold voice: "Listen, if anyone other than the two of us dares to enter this room, kill without amnesty!"

The other party was immediately controlled by Charlie's psychological implications,

And immediately nodded respectfully and said, "The subordinate follows orders!"

# Chapter 5138

When the two of them stepped out of the room, the outside had already started to get busy.

Most of the Cavalry guards responsible for the guard have returned to the bridge building,

After the ship stops, they will take all the crew into the engine room,

So that these crew members do not spy on any clues.

And the ship, at this time, was only a kilometer or two away from the pier.

Charlie and Reverend walked directly out of the bridge building and came on top of the deck.

On the deck, two crew members and two Cavalry guards were standing on the port side of the ship,

Waiting for the cable to be thrown to finish docking.

And Charlie has been able to see ahead of this modest dock,

At this time is brightly lit, and multiple trucks, loading and unloading trucks, at this time are on standby.

In addition, Charlie also saw several small cars, it should be waiting to meet Reverend's convoy.

The cargo ship was about to dock when it started to reverse thrust,

And then the sailing speed quickly dropped and leaned sideways to the pier.

After the ship stopped, Reverend took the lead and went all the way down from the inner deck spiral ladder,

While the hatch below had been opened by two crew members.

At the same time, the crane next to the cargo ship has begun to move slowly, it seems to be to start unloading the cargo.

As Charlie let Reverend follow the previous handover in the normal way,

So at this time, Reverend is completely into his usual rhythm of docking.

When he stepped out of the hatch, there were already a number of men waiting outside,

And when they saw Reverend and Charlie walking down,

The man at the head immediately said to Reverend respectfully, "Lord Envoy, you ..... have worked hard all the way!"

Charlie could hear that this person's tone carried nervousness and apprehension.

Looking at the other people around him, each one was also nervous.

Charlie surmised that he should be apprehensive because of that failure in Bergen a few days ago.

After all, Maria was the person that Lord personally named,

And as a result, their people failed to complete this arduous task.

And now it happened to be the time to deliver the antidote,

They were afraid that Lord would repeat the tactics he used twenty years ago and put everyone in this base of theirs, to death.

In the face of several people's respect and apprehension,

Reverend just gave a faint nasal hmm, did not even look at that person,

And walked straight toward the three small cars.

The head of the men hurriedly ran a few steps, rushed to the middle of the Mercedes-Benz car,

Help Reverend pull open the door, and then help Charlie to open the passenger door.

A black-robed Reverend took the lead in the back row of the car,

And Charlie also followed in the passenger seat.

Afterward, the greeting people quickly got into the front and back cars,

And the convoy quickly left the pier and drove to the copper mine, which was only about a kilometer away from the pier.

The convoy went around the dock and in the blink of an eye drove to the main gate of the copper mine,

The automatic gate opened in advance, allowing the three cars to drive straight in without slowing down.

This copper mine, the outside looks somewhat similar to the base of the Cataclysmic Front, but on a much smaller scale.

Although the interior of the mine looked like nothing unusual,

Charlie still found many hidden secret posts and fire points.

It was clear that the place was very well-guarded.

The caravan drove directly to an office building style building to stop,

And at this time, downstairs has more than one person waiting here.

The middle-aged man at the head was well-dressed, quite a big businessman's style.

Next to the middle-aged man, stood a young man wearing glasses,

The young man is thin and tall, looks bookish very thick, a glance,

Giving the first impression, it is like the middle-aged man's assistant or secretary.

However, Charlie found that the middle-aged man actually has little cultivation,

Not even a martial artist, but this bookish young man is a dark realm expert,

But the level is relatively low, only the dark realm two heavens.

In combination with the previous confession of Reverend,

It is estimated that this middle-aged man should be the ostensible manager of this copper mine,

While the assistant young man beside him is probably the real controller of this place,

The festival ambassador in the mouth of the Cavalry guards.

Behind this young man, there were several other martial arts experts,

But the strongest of these remaining people was only an old man of the Ming realm of great perfection.

However, the expressions of these people right now, all with a few moments of trepidation,

Are also on edge for the last failure.

After the car was parked, the assistant-like young man took the lead and respectfully pulled open the car door for Charlie and Reverend.

As soon as Reverend got out of the car, the well-dressed man came forward and said respectfully,

"Lord Special Envoy, you have worked hard!"

The young man in the First level of the Dark Realm also bowed slightly and said reverently,

"Lord Envoy, you have worked hard!"

The people behind him bowed in unison and shouted, "Lord Envoy has worked hard!"

Reverend just raised his hand and said indifferently, "Let's go in and talk."

"Okay! This way, please!" The young man hurriedly made a respectful gesture of invitation,

Then took a few quick steps to lead the way.

Reverend followed closely behind, while the middle-aged man followed him and said,

"Lord Envoy, our operation report for the recent period has been written, please take the time to look over it later."

Reverend gave a hint and didn't say much, this cold attitude made the middle-aged man even more nervous.

Charlie followed behind Reverend and took in the performance of these people,

Seeing the fearful appearance of these people, his heart relaxed instead.

This is the perfect time to turn them around!

# Chapter 5139

Charlie guessed correctly.

When he arrived at the top floor together with Reverend,

The middle-aged man brought the two into his office.

Along with them, there was also that young man of the Dark Realm Two levels,

As well as those several Ming Realm experts.

The moment the door closed, the young man took the first step to Reverend,

Suddenly bent his knees and knelt on the ground, kowtowed heavily,

And choked and said, "Lord Envoy, please have mercy and save our 3,700 people here!"

The others immediately followed the young man and knelt down, choking,

"Lord Envoy, please have mercy!"

Reverend was caught a bit off guard.

Charlie had given him the mental implication to meet with these people according to his past practice.

However, these people suddenly kneeling in front of him and begging him for mercy,

Made him a bit at a loss of what to do all of a sudden.

Now Reverend is more like a machine that executes orders,

If the order is recorded in his system, he is able to execute it immediately,

But if it is not recorded, he will enter a state of a program error.

This is also the biggest drawback of mental suggestion.

Charlie could see that Reverend was a bit down, so he opened his mouth and asked,

“Are you guys worried that the great Lord will punish you with the same means he used to punish others twenty years ago?”

As soon as Charlie’s words came out, several people were instantly filled with horror!

They did not expect that the attendant who followed the envoy without saying a word would take the initiative to speak.

Moreover, the moment he opened his mouth, he spoke the fear in their hearts!

Several people looked at each other, then the young man suddenly realized something,

And crawled towards Charlie on his knees, choking and saying,

“Please forgive my eyes for not being able to penetrate Lord Envoy’s identity early!”

As soon as the others saw this, they also immediately realized that,

They had crawled on their knees in front of Charlie and begged with great devotion, “Please forgive Lord Envoy!”

Charlie was slightly stunned, then he quickly came back to his senses and thought in his heart,

“It seems that this group of people is treating me as a real envoy.”

The Warriors Den’s internal information is tightly isolated,

And it likes to release smoke bombs to the outside world, just like Reverend said,

In those enterprises controlled by the Warriors Den,

The apparent chairman is usually not the real person in charge,

And the person in charge is probably just an insignificant assistant or accountant beside the chairman.

Just like this copper mine, when outside, it seems that the middle-aged man is the person in charge here,

And the young man is his side secretary, but once in this office,

The young man immediately became the leader among them, and everyone is looking to him.

So, right now this young man, it seems, also mistakenly thought that he,

The special envoy’s assistant is probably the real special envoy.

Seeing these people kneeling in front of him and begging, Charlie smiled faintly and asked,

“If the Lord really decides to kill all of you here,”

“Then do you dare to resist to your death before you die?”

When several people heard these words, their entire bodies trembled uncontrollably as they were horrified.

The young man at the head of the group said out of fear,

“Lord Envoy, the gods are above, this matter is my fault,”

“I have failed to meet the trust and expectation of the great lord,”

“Even if Lord told me to die immediately, I will not complain!

The others also immediately said: “Willing to die for the Lord!”

Charlie grunted and said with contempt, “The others want to kill all of you,”

“But instead of having a sense of resistance, you kneel on the ground like lackeys to show your loyalty,”

“Don’t you have any bloodlust?”

Hearing Charlie’s questioning, the crowd was even more scared out of their wits!

They thought that Charlie was deliberately testing them,

How dare they show any disobedience at such a time, and they all kept kowtowing in fear.

And the young man at the head of the group even choked and said:

“Lord envoy, such a treacherous thing, I really dare not even think about it .....

Charlie looked at his terrified expression, can see that this person’s heart is indeed full of fear,

There is no half of the intention to resist.

However, thinking back carefully on the identity of these people, Charlie did not feel surprised.

After all, according to Reverend, except for the dead soldiers, Cavalry guards, and their families,

Most of the other members of the Warriors Den joined voluntarily.

Especially those martial artists who longed to be able to break through their cultivation quickly,

They joined the Warriors Den in order to achieve a leap in cultivation,

So there was no bitter hatred between them and the Warriors Den.

The young man in front of him, whose cultivation level is not low,

Is also a sect leader, responsible for the operation and management of the entire Deadman Base,

So guess his rank is not low.

Even, he is probably also trained at the Warriors Camp.

This kind of person, in addition to obeying the words of the Warriors Den, might even be grateful.

Therefore, from the depths of their hearts, they would not want to confront the organization.

Thinking of this, Charlie lost interest in fighting against these people,

He looked at them and said indifferently, "Lord was indeed very shocked by the failure,"

"But Lord also knows that the responsibility for this failure does not lie with you,"

"So you do not need to worry too much."

# Chapter 5140

When they heard this, they breathed a long sigh of relief.

The young man at the head said gratefully, "Thank you, Lord, for your generosity,"

"And thank you, envoy, for your kindness! We will be brave after knowing the shame,"

"And we will bow and die for the organization!"

Charlie nodded, stretched out his hand, patted him on the shoulder,

With a trace of aura into the other party's brain, Charlie said blandly:

"Very well, but from now on, what I say, you will do, do you understand?"

The young man's eyes stagnated, and then said without thinking, "Understood!"

The few people behind him were still a bit confused at this point,

Wondering why this envoy would say such words to the sect leader.

After all, in the Warriors Den, the Lord was the only supreme being,

No one was allowed to disobey, not to mention the following,

But the words of this envoy lord seemed to be trying to cultivate his own beloved within the organization.

Charlie saw several people hesitate, deliberately sneered, and asked:

"What? A few of you are not willing to serve me like him?"

The middle-aged man said without thinking, "I only follow Lord's lead!"

Charlie smiled and nodded, saying lightly, "You are indeed loyal!"

"Seeing that you are so loyal to Lord, I can also rest assured."

Charlie's words made several people slightly relieved,

Thinking that he was just testing their loyalty to the organization.

Charlie walked up to several people at this time, stretched out his hand, and shook hands with them individually,"

"And only after each person's brain had been fed with his own aura,

He cleared his throat and said in a stern voice to several people,

"From now on, your only mission is to serve me, do you understand?"

"Understood!" Several people had already been completely psychologically implied by Charlie at this time,

One by one, they respectfully agreed to do so.

After controlling these people, Charlie began to prepare for the execution of his plan.

Through his understanding of the Warriors Den, he could conclude that the dead soldiers,

As well as their families were inevitably filled with hatred for the Warriors Den deep inside.

Therefore, as long as he could cure the severe poison in their bodies, they would definitely be turned back by him.

However, the group of Cavalry guards, relatively speaking, should be more cautious.

Because although the Cavalry guards were also born as dead soldiers,

But after all, some Cavalry guards had already obtained relatively free status.

And had entered the promotion ladder tailor-made for them by the Warriors Den,

So there must be people in this group who had already inclined their hearts to the Warriors Den.

And decided to make a big career in the organization by their own efforts.

So, Charlie came up with an idea to hoe the traitors.

He planned to have these managers call the people in charge of the Cavalry Guard

At all levels to come here first and have them take their medicine here.

After they have taken the medicine, then give them a chance to talk directly with their own "special envoy" without making a sound.

Charlie brought the antidote, as long as these Cavalry guards take,

The body of the poison can be instantly disintegrated, at that time,

If anyone after taking the medicine, keeps their secrets, silent to leave,

It is inevitable to Warriors Den will have reservations.

However, if anyone comes to tell a secret to him immediately after taking the medicine,

Then this person's heart must have fully fallen to the Warriors Den.

Through such means, although he cannot determine whether those who have reservations are really at odds with the Warriors Den,

He can at least screen out the traitors in the Cavalry Guard first.

So, he asked the sectional ambassador, "How many people are in charge of the Cavalry Guard at all levels?"

Without thinking, the sectional ambassador said, "There is one commander,"

"Three banner commanders, nine battalion commanders, and twenty-seven captains in the Cavalry Guard."

After saying that, he added: "However, the last mission lost a commanding officer,"

"A battalion commander and two captains who are missing."

Charlie nodded and said indifferently, "Divide the remaining into three groups,"

"Bring the ones in one group here first, prepare a room for them next door, and let them take their medicine there."

The sectional ambassador immediately said respectfully, "Your subordinates will arrange this!"

Charlie gave a hmph and instructed, "After you bring the people here, come and find me here."

"Okay lord envoy!"

.....

Waited for about a few minutes.

The sect ambassador hurriedly returned and respectfully said to Charlie,

"Lord Envoy, the first group of twelve people has arrived, please come to the meeting room!"

Charlie nodded, wrapped in his black robe, and led by the sectional ambassador to the large conference room next door.

At this moment in the conference room, there were already twelve apprehensive middle-aged men sitting there.

These men were all the heads of the Cavalry Guard at all levels.

When Charlie stepped in, all of these people had very nervous expressions.

Charlie walked up to the top of the conference table,

Looked at the twelve Cavalry Guards, and said indifferently,

"Gentlemen, thanks to the benevolence of the Lord, a new antidote is been given to all the Cavalry Guards,"

"And the reason I called you all here today is that I hope you can try this new medicine first."

Upon hearing the new antidote, the expressions of all the people were astonished.

At this moment, they were all very surprised in their hearts.

Because, in their memory, they had never heard of the organization replacing a new drug.

Charlie continued at this time: "Recently the storm clouds have changed suddenly,"

"I think you all have heard about it, the Cavalry Guard will face more difficult tasks in the future,"

"So your previous seven-day medicine effect has obviously been somewhat insufficient,"

"So Lord has prepared a new antidote for you,"

"The new medicine's effect will be extended from seven days to fifteen days."

Once the twelve people heard this, the doubts in their hearts were instantly dispelled.

Charlie took out the antidote he had prepared and said indifferently:

"All of you will take the medicine here this time, after taking the medicine,"

"I will interview all of you one by one in the next room, at that time,"

"You need to tell me the truthfulness of your feelings about taking the medicine,"

"I will record all your narratives and present them to Lord when I return!"

# Chapter 5141

Hearing Charlie's words, these twelve people then dispelled their doubts, while still having some vague excitement.

Originally, the antidote was to be taken once every seven days,

But now it was about to be extended to fifteen days,

To them, this was definitely a good thing to celebrate.

When Charlie saw that the twelve people had already jumped up and down,

He took out the twelve antidotes and handed them to them one by one, saying indifferently,

"In five minutes, you will meet me in the next office one by one in the order in which the pills are given out."

After saying that, he added: "By the way, Lord attaches great importance to this new antidote,"

"So if you have any different feelings from the previous antidote during the trial,"

"You must give me detailed feedback, and if there are any significant discoveries,"

“I will definitely claim credit for you to Lord!”

All of them nodded respectfully, then looked at each other,

Picked up the antidote together and put it into their mouths.

Charlie did not stay where he was but came out of the meeting room directly while closing the door behind him.

In a few dozen seconds, these Cavalry guards would realize that this antidote,

Would completely eliminate the severe poison in their bodies.

At that time, whether they chose to conceal it or choose to inform on,

It would depend on each of their inner inclination towards the Warriors Den.

Just as Charlie returned to the office next door, the twelve people in the conference room,

Immediately noticed that something was wrong.

One of them was the first to open his eyes and exclaimed in a low voice:

“Gentlemen, why do I feel that the severe poison in my body has disappeared? Could it be my illusion?!”

Another person immediately said, “Mine has also disappeared,”

“..... is indeed gone, it should not be an illusion!”

“Me too!” Another person said excitedly, “Gentlemen, could it be that this new antidote has some kind of bug?”

“It must be!” A man with short hair sitting in the middle said with unconcealed excitement,

“No matter what kind of bug he has, now that this antidote has lifted the severe poison from our bodies,”

“Does this mean that we no longer have to be forced to listen to the organization’s control?”

The man sitting next to him hurriedly asked, “You’re not thinking of betraying the organization, are you?”

“If the organization catches us, I’m afraid we’ll be worse than dead!”

The short-haired man who spoke earlier immediately retorted,

“What are you afraid of? As long as we don’t talk nonsense and tell the envoy,”

“That there is nothing unusual about the antidote, he will definitely give the antidote to others as well!”

After a pause, the man added: “Don’t forget, we have more than two hundred Cavalry guards,”

“Hundreds more family members in the family area, plus thousands of dead soldiers below the copper mine!”

“If the severe poison in everyone’s body can be completely lifted,”

“Neither the commissioner nor the guards around him can be a match for so many of us,”

“And even if we add that special envoy to the mix, it can’t be stronger than us!”

“At that time, we can completely control them and then occupy the entire copper mine!”

Immediately, one of them asked, “What is the significance of occupying the entire copper mine for us?”

“Once the organization knows that this place is out of control,”

“They will definitely send people to besiege us!”

“What’s the fear of a siege? The short-haired man gazed like a torch and said in a cold voice:

“Don’t forget that they used to control us by the antidote and the severe poison in our bodies!”

“Do you guys think I didn’t want to resist them for so many years?”

“I am willing to give my life to resist them, only that they simply don’t give us the chance to duel head-on,”

“And as soon as they stop the supply of the antidote,”

“In seven days at most, all of us will definitely die!”

# Chapter 5142

Speaking of this, he said with a firm expression:

“As soon as the poison in everyone’s body is solved,”

“Then we will organize everyone to ask their opinions if they are willing to resist the organization,”

“Then we will use this as a stronghold and fight the organization to the end;”

“If they tend to escape from the organization’s control,”

“Then we will leave Cyprus overnight and flee for a global scattering!”

“There are so many people fleeing at once, even if the organization wants to hunt them down,”

“I’m afraid it’s difficult to chase them over,”

“As long as everyone escapes to be able to remain as anonymous as possible,”

“I believe that there must be some people who can survive and live freely!”

After that, he looked around at the crowd and said impassionedlly,

“Think about it, our ancestors fought their way from the dead to the Cavalry,”

“And have not been able to regain their freedom for hundreds of years,”

“And this bug in the new antidote is our best chance,”

“And it’s a great opportunity that will be fleeting!”

“Once they find out about the bug, then we don’t stand a chance!”

“Do you all really want our children and grandchildren to be forever shackled by this unbreakable poison as well?”

The short-haired man’s words caused the crowd around him to leap forward a bit.

One of them clenched his fist and said with clenched teeth:

“If we don’t seize this opportunity, our future generations will be controlled by this poison for hundreds of years!”

“Since this is a once-in-a-lifetime opportunity, we have to seize it no matter what!”

After saying that, he looked at the short-haired man and said firmly,

“Just say the word on how to do it, my brother, this life, from now on is at your command!”

“Yes, the Right flag chief, we all listen to your command!”

The others have also taken a stand at one time or another.

The short-haired man said with relief, “Good! Since we are all willing to put up a fight,”

“Then we will first set a plan, the top priority right now,”

“Is absolutely not to let that envoy know that there is a problem with this antidote,”

‘So later when he finds us a separate meeting, we must unify the caliber,”

“Say that no problems were found as well as any abnormalities,”

“So that he will definitely let the next batch of people come over to test the medicine,”

“What we have to do is to seize the time before they are brought here,”

“It is to tell them about these situations before, so that they are also the same as us, do not reveal any clues!”

Saying that he gave a slight beating, and continued:

“In addition, I guess that envoy can not always be here,”

“Waiting for all of us Cavalry Guards to test the medicine,”

“And after the Cavalry Guards more than thirty people in charge at all levels to test the medicine,”

“He will definitely distribute the medicine to us,”

“So that we can give our respective men to distribute the medicine,”

“So after we go back, we have to tell the respective men in advance. “

The people immediately nodded and said, “No problem! We all listen to you!”

The short-haired man added: “Later on, while the other two groups are testing the medicine one after another,”

“I have to go down to the mine to meet with a few elders of the dead soldiers and tell them about this,”

“So that they can fight alongside us! We are all from the dead soldiers,”

‘They have not even had the chance to see the sunlight so far,”

“I believe that this once-in-a-lifetime opportunity, they will definitely grasp it with all their might!”

According to his plan, everyone would first take care of the other 20-odd Cavalry guards,”

“Then split up to take care of the other Cavalry guards under their respective command,”

“And finally mobilize the dead soldiers, so that it would be effortless to take the entire copper mine.

However, these people did not know that all the contents of their discussion had entered Charlie’s ears word by word.

The corner of his mouth wiped a smile of appreciation,

# Chapter 5143

This person's courage and strategy, are clearly superior to several other people,

And more importantly, his hatred for the Warriors Den did not decrease,

Because he became a Cavalry Guards, his bloody nature is still there.

At this time, his heart for the subsequent arrangements after the occupation of this copper mine has been somewhat clear.

Soon, the first Cavalry guard who got the antidote from Charlie's hand stepped to the office door.

He knocked on the door and said respectfully,

"The Right flag chief of the Cavalry Guard requests to see Lord Special Envoy!"

Charlie gave a hmp and said indifferently, "Come in!"

Then, the door of the room was gently pushed open and a middle-aged blond man stepped into the office.

Back when he first saw the twelve people, Charlie had noticed him,

He looked more like a western face, but had a few Asian features, thought he should be a mixed race.

Wrapped in black robes, Charlie was sitting behind a wide solid wood desk,

Looking at the middle-aged man in front of him, and asked, "Did you take the antidote?"

The middle-aged man hurriedly said, "Back to Lord Envoy, it has been eaten."

Charlie nodded slightly and asked,

"How do you feel? Did you find anything unusual?"

The middle-aged man said without thinking, "I feel fine, I didn't find any abnormalities,"

"And I can obviously feel that after taking the medicine this time,"

"The suppression of the toxins in my body is a bit stronger,"

"So I think it shouldn't be a problem to last for fifteen days."

"Good." Charlie nodded and smiled playfully, then asked:

“By the way, in the Cavalry guard, what position do you hold?”

The man immediately said, “Back to Lord Envoy,”

“This subordinate is the right flag chief among the three banners of the Cavalry Guard,”

“And oversees the entire right banner.”

“Right flag chief.” Charlie repeated and asked curiously, “What is your lineage?”

The man said: “Back to the envoy, the subordinate’s lineage has been difficult to verify,”

“According to what I know, there are Chinese, Japanese, British, German, Russian, and several South American countries’ lineage,”

“My earliest ancestors are Chinese, but from a hundred years ago,”

“The dead added many other races, so the lineage has become more and more confusing.”

Charlie was secretly surprised in his heart,

It seemed that after so many years of development of the Warriors Den,

The bloodlines of the dead soldiers had diversified long ago.

Then, he waved his hand to that person and said,

“Alright, go down first and let the next person in.”

The man said respectfully, “Your subordinate follows orders!”

Soon, a second person knocked on the door of the room:

“The chief of the Cavalry internazionale seeks to see the envoy!”

Charlie said, “Come in,” and the man hurriedly stepped into the office.

He closed the door, came in front of Charlie, and said respectfully,

“Greetings, Lord Special Envoy!”

After saying that, he looked at the special envoy and others who were standing motionless around him,

And bowed to the commanding officer respectfully, “Greetings, Lord special envoy!”

Charlie opened his mouth and asked him, “Have you taken the antidote?”

The man said, "Back to the envoy, I have taken the antidote!"

After saying that, he hurriedly lowered his voice and said in a flattering manner,

"Lord envoy, I have two important things to report to you!"

Charlie raised his eyebrows and said indifferently, "You can say what matters."

The man hurriedly said, "The first thing is, there is something wrong with this medicine!"

Charlie asked curiously, "What's wrong with the medicine?"

The man explained: "Back to Lord Envoy,"

"After taking this new antidote, all the toxins in my body have disappeared!"

# Chapter 5144

Charlie pretended to be surprised and chided: “What nonsense,”

“The new antidote is specially prepared by Lord for you personally,”

“In order to be able to extend the interval between each dose,”

“So that you can complete more difficult tasks,”

“Its effect is to make the time of toxin attack in your body from 7 days to 15 days,”

“How can it make all your toxins disappear?”

The man said with an anxious face: “Oh, Lord Envoy, everything I said is the truth,”

“Not only the toxin in my body disappeared, but the other 11 people’s toxins also no longer exist!”

This involves the second thing that I want to report to you.”

“Just now, the Right flag chief Leroy Li has called on us to seize control of the copper mine,”

“And even wants us to work against the organization.”

Charlie slightly paused for a moment, then curiously asked:

“Why are you telling me this?”

“Didn’t you ever think about breaking away from the organization’s control?”

When that person heard this, he thought that Charlie was deliberately testing his loyalty,

And immediately turned pale with fear, and hurriedly waved his hand to explain:

“Please be clear, Lord Envoy, I am loyal to the organization,”

“I have no desire to betray! In addition, I was able to reach this post step by step to today, to become the chief of the flag here,”

“All the opportunity is given by the organization, I would rather die than betray the organization!”

Charlie smiled and said, “They all say that although the Cavalry Guards and the dead soldiers are obedient to the organization,”

“They are full of hatred towards the organization,”

“And are always thinking of breaking away from the organization’s control.”

Now it seems that this is not true.

The man immediately took a step forward, bowed ninety degrees,

Put his hands on his head, and respectfully said,

“Lord Envoy, the fact that I am here today is the result of the joint efforts of my ancestors,”

“So how can I fail them for so many generations and so many years.”

Charlie laughed: “Haha! You are indeed a moldable talent!”

“This is a new poison specially prepared by Lord to test your loyalty.”

“At first glance, this poison seems to have completely lifted the toxin in your body,”

“But in reality, he only let the toxin hide temporarily,”

“So as to test which of you has a mutinous intention towards the organization,”

‘And who has a loyalty towards the organization!’

The man’s expression was horrified but soon replaced by an uncontrollable excitement and thrill.

He could not hide his joy and said out of the blue,

“I was just wondering, with Lord’s holy wisdom, how could he have formulated such a southward antidote,”

“But I never thought that Lord would be so wise!”

Charlie nodded and said indifferently: “I’m not going to hide it from you,”

“Lord has always known that the vast majority of you Cavalry Guards as well as dead soldiers lack loyalty to him,”

“And are even full of hatred, he moved this idea, and not to find out those traitors who intend to mutiny,”

“But through this means, to dig out a moldable talent like you! “

The first time I saw you, I was able to get to the top of the list.

The man was overjoyed and knelt on the ground with a poof and kowtowed,

“Thank you for the promotion, Lord Envoy!”

Charlie stretched out his hand to signal him to get up,

And then continued to set him up again, smiling and asking,

“According to your understanding, how many other people like you,”

“Are truly loyal to the organization in the Cavalry Guard?”

The man thought for a moment and spoke, “There aren’t many people I can identify,”

“But at the very least, there are a dozen! They are all loyal to the organization,”

“And they all hope to make themselves, as well as their families,”

“More valued by the organization through their own efforts.”

“Good!” Charlie nodded and admonished, “After you go out from here,”

“Don’t let the other eleven people see any clues,”

“Then you go to the people you think will definitely not betray the organization,”

“And quietly tell them the truth about the antidote,”

“And ask them to hold the towel in their left hand when they take the medicine later,”

“So that I can recognize it at a glance, and remember not to let any word out.”

The man did not think twice and said, “Don’t worry lord envoy, I’ll go do it!”

# Chapter 5145

The third person to enter the office was the short-haired man,

Who had mobilized the other Cavalry guards to take advantage of the opportunity to resist.

When he said at the door, "The Cavalry Left Banner Chief requests to see the Special Envoy,"

Charlie recognized his voice.

So, from the moment he entered the door, Charlie was watching his every move.

This man was about forty years old, although he had a popular face,

But there was an unconcealed heroic spirit between his eyebrows.

When he saw Charlie, he bowed slightly and said in a routine manner,

"Lord Envoy, the new antidote you gave me has been tried and no abnormality was found."

Charlie smiled faintly and asked him, "What is your name?"

The short-haired man did not know why Charlie asked his name,

And while he was puzzled, he could only answer truthfully,

“In reply to Lord Envoy, this subordinate’s name is Leroy Li.”

Charlie asked again, “I remember that the dead soldiers are all named by their numbers,”

“You must be a dead soldier who has been promoted all the way up, why do you have a name?”

The short-haired man immediately said without condescension,

“It is true that this subordinate was named by number in the Dead Soldier Camp,”

“But my ancestor passed down his surname and name,”

“Which was allowed in the Dead Soldier Camp, from generation to generation.”

Charlie nodded, suddenly his hand moved and the black hat of the robe fell back, revealing his true face empty.

Leroy was a little surprised, he did not know, why the envoy had to reveal his true face,

After all, this was never encountered in the past.

Moreover, he was a bit surprised by Charlie's age.

As early as when Charlie gave them the antidote just now,

He knew that the envoy had changed this time, no longer the old man with the old voice from before,

But a new person who sounded younger.

But he didn't have any suspicions about it, after all,

The envoy was not at the same level as him at all,

And the personnel changes of the envoy would not greet them, the dead soldiers.

But when he found out that Charlie was so young, his whole heart couldn't help but be apprehensive.

Because in his opinion, if Charlie can become a special envoy at such a young age, then his strength must be very strong.

And to have superb strength at such a young age also proved that,

This person was exceptionally gifted and absolutely extraordinary.

Therefore, he was very worried in his heart that he would be seen by Charlie.

On top of that, Charlie's sudden act of showing his true face also made him a little more nervous in his heart.

This kind of situation, which had never been seen before,

Made him conclude in his heart that this young envoy was definitely not very human.

At this time, Charlie looked at him and said with a smile on his face,

"Leroy, let me ask you, is there really nothing abnormal about this antidote?"

Leroy's heart was in a panic, but he still did his best to maintain his composure and said with certainty,

"Back to the envoy, there is really no abnormality."

Charlie smiled and asked him, "I see, this is a unified statement that you have discussed, right?"

Leroy was shocked, but still forced himself to calm down and played dumb,

“Lord envoy, this subordinate does not understand what you mean .....

Charlie blandly said, “Leroy, the severe poison in your body has completely disappeared, am I right?!”

Hearing these words, Leroy’s entire body was struck by lightning.

He looked at Charlie with horror and fear, looking at his slightly lazy and casual smile,

He suddenly realized that what happened in the next conference room just now seemed to be a once-in-a-lifetime opportunity in his eyes,

But now that he looked at it again, it seemed to be a cat-and-mouse game that this envoy was playing with him on purpose.

It seems that everything has long been under his control.

Even, all this may be he deliberately teased him and other Cavalry Guards.

In desperation, Leroy still tried to make a final struggle,

He shook his head and said to Charlie: “Lord envoy, please forgive this subordinate’s stupidity,”

“The situation you mentioned, this subordinate did not perceive .....

Charlie stood up at this time, paced up and down to Leroy, smiled blandly,

“All right, no need to act with me, the antidote you took was prepared by my own hands,”

“I know better than you what effects these few pills have.”

“What?!” Leroy stared at Charlie with wide eyes and a face full of horror, subconsciously asking,

“Lord Envoy ..... you ..... you said this antidote ..... was prepared by your own hands?!”

Charlie nodded and said with a smile: “That’s right, I prepared it with my own hands,”

“And it is not the kind of antidote that you took before,”

“Which can make your body poison delay the onset,”

“But the antidote that can make your body poison disappear completely, in the true sense of the word.”

Leroy looked at Charlie and asked in confusion, “Lord Envoy .....”

“You ..... are doing this for? With this subordinate’s understanding of the organization,”

“The organization has always acted extremely cautiously and would never take such a risk .....

# Chapter 5146

Charlie nodded and said frankly: "You're right, it's impossible for the Warriors Den,"

"To come up with this kind of real antidote, and even if they could, they would never do it."

Leroy subconsciously asked, "Then why are you ....."

Charlie looked at him and laughed: "Because I'm not a special envoy at all,"

"And I'm not a member of the Warriors Den, but an enemy of the Warriors Den!"

Leroy was shocked and said offhandedly, "This ..... how is this possible ....."

After saying that, he couldn't help but look at the envoy standing on both sides as well as the envoy's personal guards,

And couldn't help but ask Charlie: "Could it be that they are all your people as well?!"

Charlie waved his hand: "They are not, I came here by myself tonight,"

"They are just controlled by me with a psychological suggestion."

After saying that, he said to Leroy: "By the way, I came today and brought several thousand antidotes that can completely release the toxins in your bodies,"

"Which can completely free all your Cavalry guards and all your dead soldiers,"

"From the grip of the severe poison in the bodies."

"In addition, I have heard what you just talked to them in the next room,"

"Although courage is commendable, but the strategy is still a little short!"

"If you people choose to stay here and hold on to this copper mine,"

"It's only a matter of time before the Warriors Den will attack and kill all of you;"

"If you people escape, then the Warriors Den will definitely kill you one by one,"

"Without leaving any future problems, it's also just a matter of time!

"Only, the latter lingered a little longer than the former."

Leroy was silent for a moment, looked at Charlie, and opened his mouth to ask:

“Then I dare to ask, you came here today with the antidote, can you give us people a third choice?!”

“Of course!” Charlie looked at him, nodded approvingly, and said aloud,

“I came here today to do three things! One is to control the special envoy,”

“As well as the envoy here without bloodshed, as you can see, which I have already done.”

Saying that Charlie gave a slight beating and continued,

“As for the second thing, it is to remove all the toxins from all of you without the Warriors Den noticing,”

“But the premise is that none of you can escape and must stay here to cooperate with me,”

“And follow my orders anytime and anywhere.”

“And the third thing is for you all to stay here and cooperate with me both inside,”

“And outside after the poison is removed, in preparation for the complete annihilation of the Warriors Den!”

Leroy frowned, then said with a serious face: "Since you want to be the enemy of the Warriors Den,"

"You and we have a common enemy, are our comrades, and you are willing to lift the poison in our bodies,"

"Then you are our benefactor, as long as you can no longer control us like the Warriors Den,"

"I, Leroy Li, am willing to follow your lead!"

Charlie blandly said: "Since I brought the antidote that can completely lift the poison in your bodies,"

"I naturally won't use such underhanded means to control you to work for me as the Warriors Den did."

"What I need is for you to work together with me as comrades in arms to uproot the Warriors Den,"

"And I promise you that after the Warriors Den is eradicated, all of you will be completely free,"

"At that time, where you want to go and what you want to do is your freedom,"

"And I, Charlie Wade, will never interfere!"

Hearing these words, Leroy's whole body was already a bit excited!

Charlie's words unleashed three huge surprises for him.

The first surprise was that they could all be completely relieved of the poison in their bodies,"

"And would no longer be shackled by it for the rest of their lives!

The second surprise was that Charlie shared a common goal with them,

Which was to eradicate the Warriors Den, originally he never thought he was capable of uprooting the Warriors Den,

But Charlie's profoundness made him subconsciously feel that by following Charlie,

The chances of success would be infinitely greater!

As for the third surprise, it was the promise of freedom that Charlie gave him!

This was the key to changing the miserable fate of these people for hundreds of years!

All of their ancestors, all of them longed for a free body.

But after so many years, countless people gave their lives for the Warriors Den,

And were even killed by the organization itself, but none of them gained freedom in the true sense.

Some of the guards and their “scholar” descendants have indeed gained relative freedom by working for the Warriors Den,

But as long as the poison remains intact, freedom remains firmly in the hands of the Warriors Den.

A bird in a cage has no freedom, and a parrot with a chain around its ankle has no freedom either.

Therefore, the latter kind of conditional freedom has also been Leroy disliked.

If he had the chance, he would be more willing to fight to the death against the Warriors Den,

Even if he died in the end, it would be a good death.

However, although he had such a mind, he was not a reckless man,

And he knew very well that if he just went against the Warriors Den regardless of everything,

It would basically be to send him to his death for nothing.

Until a few minutes ago, Charlie's antidote, let him ignite the confidence to fight to the death.

And after Charlie said his true purpose, his confidence is a few points more points up!

At this thought, without thinking, he knelt down on one knee,

Clasped his hands together, and said devoutly, "If you can keep your promise,"

"I, Leroy Li, swear by the name of all my ancestors that I will follow you until the Warriors Den completely disappears from this world!"

Then he suddenly changed his mind and said, "No! I will follow you to the end of my life and serve you,"

"As long as you can give my descendants freedom, I will be able to smile and have no regrets in this life!"

Charlie nodded and said indifferently, "I will naturally keep my promise,"

"Not only to you but also to all the dead soldiers and Cavalry Guards who are controlled by the Warriors Den.

# Chapter 5147

Charlie's promise made Leroy's heart stir and surged.

He knelt on the ground, looking up at Charlie with blood in his eyes,

And asked excitedly, "Sir, what should I do next, please let me know!"

Charlie's gaze was like a torch, and he said in a loud voice:

"I have already controlled all the fighters and important personnel here,"

"And you, the Cavalry Guards, are the ones who have the highest say here."

Leroy said with an astonished expression, "Sir, please forgive me,"

"The Cavalry Guards have been suffering from the Warriors Den for a long time,"

"But they have not had the chance to break away from their control,"

"Now that you have given us a once-in-a-lifetime opportunity,"

"I believe that all the Cavalry Guards will definitely follow your footsteps and do the bidding to defeat the Warriors Den! "

Charlie shook his head and said indifferently,

“You have courage, strategy, and backbone,”

“But it seems that you are still lacking a few points of understanding of human nature.”

Saying that, Charlie said with a cold expression, “You don’t know, that flag chief just now,”

“He has told me the real situation of the antidote, as well as your plan word for word,”

“Compared to fighting against the Warriors Den, or dying,”

“He would prefer to stay in the Warriors Den, and work his way up.”

Leroy’s eyes widened and he blurted out, “Sir ..... is this ..... true?!”

“Of course.” Charlie nodded and informed him of the conversation,

That he had with that middle banner chief just now.

After hearing this, Leroy immediately became furious and said through clenched teeth,

“This damned man, how dare he try to betray the entire Cavalry Guard!”

“I must kill him with my own hands!”

Charlie said indifferently, “There must be a few people like him in the Cavalry Guard!”

With a slight beating, Charlie added: “According to him,”

“There are at least a dozen people he can identify, and those who are ambiguous,”

“Or temporarily wavering but will choose to betray the Cavalry Guard,”

“At the critical moment, the add up to not be underestimated!”

“Now I want all of you Guards and all dead soldiers to unite,”

“And pretend that nothing has happened, and become a steel knife inside the Warriors Den!”

“But, to achieve this goal, you must make sure that no traitors exist within you people!”

“Otherwise, once one of you tries to inform the outside world,”

“It may bring you all a death sentence!”

Leroy said without thinking, “Sir, don’t worry,”

“I will immediately bring someone to arrest him and force him to reveal the names of all the others,”

“So that all these people will be eliminated!”

Charlie waved his hand: “So far it is also very inappropriate,”

“Because this matter is likely to have a leak of fish, I have arranged this matter,”

“He does not know my true identity, and he also believed my words,”

“I have asked him to secretly mobilize those who are like-minded with him,”

“I believe that those people will also help him to bring in other wavering people.”

“At that time they will hold the towel in their left hand,”

“All you have to do is explain the situation to the people you absolutely trust,”

“And when I go to issue medicine for all the Cavalry later,”

“You will use my dropping the cup as a signal to arrest,”

“All the people who hold the towel in their left hand!”

Hearing this, Leroy immediately said with a convinced face, “Good idea, sir!”

“With your method, it is surprising that we can catch all of these people, without leaving a single one!”

After saying that, he suddenly remembered something and hurriedly asked Charlie again,

“Right sir, what are you going to do with this gang?”

Charlie asked him, “Do you have any good ideas?”

# Chapter 5148

Leroy said with a firm expression, "I think, these people ignore the tragic experience,"

"And bitter hatred of their ancestors, only care about their own interests,"

"And even go so far as to betray their comrades who fought side by side,"

"Their hearts should be put to death!"

"What is the difference between these people and the traitor Wu Sangui,"

"Who let the Warriors Den into the country and even killed the Southern Ming Emperor Yongli with his own hands?"

Charlie did not expect that when Leroy mentioned traitors, he was thinking of Wu Sangui from hundreds of years ago.

However, he quickly understood the reason for it.

The ancestors of these Cavalry Guards, there should be many of them were Southern Ming people,

Southern Ming was the last dynasty of Han people, for the Han people at that time,

Wu Sangui was the most traitorous traitor in this world.

Not only did he put the Warriors Den into the country for his own glory and wealth,

Taking away the rivers and mountains of the Han people,

But he even acted as a pawn for the Warriors Den,

Committing many unforgivable crimes against his own countrymen and clansmen.

What is even more outrageous is that this man, who was originally a minister of the Ming Dynasty,

Personally captured the last emperor of the Southern Ming Dynasty, Emperor Yongli,

And killed him with his own hands after surrendering to the Warriors Den,

An act of regicide that is not uncommon in the 5,000 years of Chinese history.

Therefore, this person can almost be counted among the Han Chinese's biggest traitors.

However, at this time, Charlie waved his hand to Leroy and said,

“Although I agree with your evaluation of these people,”

“I do not agree with your punishment of these people.”

Leroy asked, “Sir, what do you think is wrong?”

Charlie said lightly: “It is always easy to kill, but most of the time,”

“Killing is a lack of sufficient justice, you are after all only a group,”

“Not a sound society, you want to kill them, firstly, it is impossible to rely on,”

“Secondly, it may not be able to fully convince the public,”

“In case your behavior gives others a ‘those who go against me die! ‘ feeling,”

“Then for the others, what is the difference with being controlled by the Warriors Den?”

Leroy froze and asked him, “Sir, what do you mean then?”

Charlie said indifferently: "Once today's goal is achieved, you are in a practical sense out of the control of the Warriors Den,"

"And I am not your new master, but only reached a fair agreement with you,"

"The content of this agreement is that I provide you with the antidote,"

"You fight against the Warriors Den with me,"

"Once the Warriors Den is eradicated, this agreement will be naturally terminated,"

"Therefore, while your general direction during the survival phase of this agreement,"

"You will have to follow the agreement with me,"

"But within you, you will need to establish a credible internal order,"

"And any internal matters should be able to convince the public when making decisions."

Speaking here, Charlie paused and continued, "Once this credible internal order is established,"

"This set of order is equivalent to your internal basic law,"

“The behavior of all people, are subject to this set of basic law,”

“And you have to ensure the fairness of this set of laws,”

“To ensure that it applies to each and every one of you;”

“As for those who intend to betray the Cavalry Guard,”

“They should be punished with this set of basic laws after it is established,”

“That way they can be convinced in the true sense.”

At this point, Charlie looked at Leroy and said in a serious tone,

“If you really want to kill them, it must be everyone’s intention to kill, not just yours.

Leroy remained silent for a long time, with a grateful face said:

“Sir, your meaning, subordinate understands!”

Charlie hmmm, faintly said: “you go down first to prepare, find you completely trustworthy people,”

“Tell them these situations, let them be prepared, for the people behind,”

“I still have to meet one by one, to see if there are still the same people as that flag carrier,”

“If there is, I will also let them hold a towel in the left hand to facilitate the distinction,”

“Then you will lead people to deal with them!”

# Chapter 5149

After Leroy left the office, Charlie did not let the next person come in immediately,

But took out his cell phone and sent a message to Joseph,

Asking him to land immediately according to the original plan and wait around at the back side of the copper mine.

At this time, Joseph had already brought the elites of the Cataclysmic Front,

As well as those seven Cavalry guards, five-four-seven and others, to the Cyprus coastline by boat.

According to Charlie's orders, they moored at a location less than ten kilometers from the coastline and waited.

And in the two hours that followed, Charlie did as he had shared,

And interviewed the remaining Cavalry Guards' heads of various ranks.

This also allowed him to test out four more treacherous people one after another who,

Like Shane Ma, intended to rat on the organization in exchange for its approval.

And Charlie continued to use the same rhetoric he used when he snubbed Shane,

Making them think they had taken great credit and sending them off to develop their own underlings,

Making sure that all of their people, at a later stage of public dosing,

Held a towel in their left hand so that Charlie could identify them.

At this moment, more than two hundred Cavalry guards, have invariably divided into two camps.

Those who were willing to follow Leroy and others to fight against the Warriors Den,

And for freedom were ready to take over the entire copper mine.

However, there were still some Cavalry guards who could not wait to prove their sincerity in this "test".

They were all gathered in Shane's office, and Shane couldn't hide his excitement,

As he told them what had happened before and then said with great enthusiasm:

“Today, thanks to my cleverness, I found something strange in the antidote,”

“And only then did I inadvertently pass Lord’s test,”

“In case I had a brain fever and was like Leroy and the others,”

“Who wanted to take advantage of this opportunity to leave the control of the organization.”

“I’m afraid we’ll all be finished!”

These people who were chosen by Shane were just as eager as he was to climb higher,

And higher in the organization, so after hearing what had happened, they were all both grateful and excited.

In their opinion, to successfully pass the test of the Lord was a huge opportunity in itself,

And by seizing this opportunity, everyone would definitely be able to receive the organization’s commendation.

So, a group of people excitedly expressed their loyalty to Shane,

And one of them said excitedly, "Lieutenant Banner Chief, oh no, the future Lord Commander,"

"When you soar to greatness in the future, don't forget us, your loyal men!"

Shane laughed and patted his chest, "Don't worry, brothers, we will seize this opportunity today,"

"And the important positions of the entire Cavalry Guard will definitely be ours."

"Important positions are not assumed, certainly give priority to us loyal subjects who have passed the test,"

"By then, we can all overall go further!"

Once the people heard this, they were even more excited,

And each of them already started to calculate in their hearts,

Calculating what kind of huge rewards they could reap after this test.

At this time, the chairman's voice came out from the radio:

"Attention all Cavalry guards, gather at the staff auditorium in ten minutes,"

“The special envoy will distribute the latest antidote for everyone!”

When Shane heard the broadcast, he stood up excitedly and said ambitiously,

“Brothers, the time has come to build a career! Everyone, go back and take a towel,”

“And hold it in your left hand, after the Lord Special Envoy sees it,”

“He will know that we are all absolutely loyal to the organization!”

Someone asked him, “Brother Ma, is it not a bit strange for us to hold a towel in our hands,”

“In case others ask, how should we answer?”

Shane said casually: “What do they do if someone asks, say the weather is hot,”

“Have a towel to wipe sweat, as for them to believe you do not care, anyway it is just a towel, what can they guess?”

# Chapter 5150

After all, even if they take the antidote, the poison in their bodies will not really be lifted,”

“And when the envoy speaks the truth, they will still have to behave?”

“At that time, even if they know that we have already shown our heart to the envoy,”

“So what? In any case, they will either be executed or put under our command, so what are you afraid of?”

The man immediately realized and said, “Brother Ma is wise!”

“It seems that today is really a good opportunity for our brothers to soar to great heights!”

“Everything depends on Brother Ma’s guidance, and we will definitely listen to your orders in the future!”

Shane nodded in satisfaction and said smilingly:

“With these words from my brothers, it is not in vain.”

“Everyone hurry back to prepare towels, we will see you in the staff auditorium!”

.....

Just when all the Cavalry guards started to prepare to go to the staff auditorium,

Joseph and his group had successfully landed and quietly went around the back side of the copper mine.

Charlie ordered the special envoy, Reverend, and the two sectional ambassadors,

To personally go to meet them and bring the group directly to the office building.

Except for Joseph, the others stayed in the conference room for the time being,

While Joseph, accompanied by Reverend, stepped into the office where Charlie was.

After entering the office, Joseph respectfully bowed slightly to Charlie and said,

“Mr. Wade, all the subordinates have arrived and are waiting for your further instructions.”

Charlie nodded and said, “I have asked the Cavalry guards to gather in the auditorium,”

“According to the plan, we will first uncover the traitors within the Cavalry guards,”

“And then hold a mobilization meeting for them, at that time,”

“You will take those seven Cavalry guards and listen to my orders in the background.”

Joseph said without thinking, “Okay Mr. Wade, this subordinate understands!”

After saying that, he clasped his fist towards Charlie and subconsciously glanced,

At the few people standing motionless in the room.

This look does not matter, he looked at one of the middle-aged and elderly,

Greatly shocked out of breath: “Master? Why are you here?!”

The one he called Master was one of the guards beside the sectional governor.

Charlie previously did not pay much attention to this person,

After all, this person’s cultivation is only in the Ming realm, so Charlie also did not take it to heart.

However, he did not expect that this person would be the master of Joseph.

He frowned and asked, "Joseph, this person, is he really your master?"

"Yes!" Joseph subconsciously nodded and said, "He is my ideal master Jackson Qiu....."

After saying that, he looked at the middle-aged old man and said offhandedly,

"Master, don't you recognize me?! I'm Joseph!"

Charlie said indifferently, "His mind is now under my control."

Joseph's entire body was suddenly stunned and asked offhandedly,

"Mr. Wade, my master he ..... he also joined that organization?!"

Charlie nodded and smiled sarcastically,

"Joined, but it seems that his status is somewhat low, and he can't even speak here."

After saying that, Charlie looked at Jackson and ordered, "You, come here!"

When Jackson heard Charlie's order, he hurriedly walked to the front.

Charlie looked at him, waved his hand in front of him,

And then withdrew the aura controlling him.

The moment Jackson regained his senses, he stared at Charlie with a face full of horror and questioned offhandedly,

“What exactly did you ..... do to me?!”

Charlie pointed to Joseph beside him and asked, “Do you still know this person?”

Only then did Jackson look at Joseph, and the whole person was even more stunned!

He looked at Joseph for a long time before he asked in shock:

“You ..... you are Joseph Wan?!”

Joseph knelt down on one knee and said respectfully,

“Master, it is precisely your disciple Joseph!”

Jackson subconsciously asked, “What cultivation level are you ..... now?”

“Why can’t I see your cultivation level? Could it be that .....

“Could it be that you have exceeded the Ming Realm Great Perfection?!”

Joseph looked at Charlie and said truthfully, “Back to the master,”

“This disciple is fortunate enough to be brought up by Mr. Wade and has now crossed over to the Dark Realm!”

“What?!” Although Jackson had subconsciously realized that this would be the case,

He was still shocked when he heard Joseph say it himself.

His eyes widened as he subconsciously said, “This ..... is simply impossible!”

“I have been stuck in the Ming realm for nearly thirty years without being able to break through,”

“You and I have only been separated for a year, how can you break through the Ming realm,”

“From an eight-star martial artist all the way to the Ming realm and cross into the Dark realm?”

Joseph respectfully said, “Master, I just said that it was all thanks to Mr. Wade who gave me the chance.”

After saying that, he couldn’t help but ask,

“Master, weren’t you going to travel in the clouds? Why are you here?!”

Jackson had already realized that the mysterious young man in front of him,

Who was called Mr. Wade by Joseph, must be an expert with heavenly strength,

And that he had just been controlled by him in a daze,

Which showed that his tactics were already infinitely higher than his own.

Hearing that he had given his disciple Joseph a heavenly chance,

He couldn’t help but ask respectfully, “Mr. Wade, I wonder what your identity is?”

Charlie said indifferently, “You are not qualified to ask about my identity yet.”

After saying that, Charlie asked in a cold voice: “You haven’t answered the question that Joseph just asked you.”

Jackson was shaken and said: "I entered the world to find a chance to break through to the Ming realm,"

"And by chance, I met the sect leader here in North Africa, and when he saw that my cultivation had reached the Ming realm,"

"He persuaded me to join the Warriors Den, and promised that after three years of service in the Warriors Den,"

"He would recommend me to join the Warrior Camp."

"To join the Warriors Den to take a special poison, and need to take the antidote for life to save life ....."

Joseph was surprised and asked, "Master, what kind of organization is the Warrior camp?"

Jackson explained, "The Warrior Camp is the base for cultivating the Dark Realm experts of the Warriors Den,"

"Every martial artist who has reached the full circle of the Bright Realm can successfully break through,"

"And step into the Dark Realm after joining the Warrior Camp ....."

Joseph couldn't help but say, "Master, according to what your disciple currently knows about this organization,"

“This organization with a history of several hundred years seems to be very evil,”

“Why would you join such an organization to work for them?”

Jackson sighed with a sigh, “Because I wanted a breakthrough! Once upon a time,”

“I was also the most popular genius martial artist, in my thirties,”

“I made great progress, cultivating to the Ming realm, but who would have thought that I would be stuck in the Ming realm for thirty years.....”

“In the past thirty years, I have been thinking about breaking through to the last level,”

“But how easy is it to break through to this big realm, so many years I have not been able to do what I want .....”

Said, Jackson said: “Warriors Den will promise to let me break through to the dark realm,”

“At that moment I did not have any hesitation, immediately agreed to them,”

“For me, my biggest goal in life was to be able to step into the dark realm,”

“This once-in-a-lifetime opportunity, how could I not grasp ..... “

Speaking of which, he couldn't help but ask Joseph: “Joseph, why are you doing here?!”

“Could it be that the Cataclysmic Front has become enemies with the Warriors Den?”

Joseph arched his hands towards Charlie and respectfully said,

“Back to Master, disciple and tens of thousands of troops of the Cataclysmic Front have sworn their loyalty to Mr. Wade,”

“And the reason why disciple is here is that Mr. Wade wants to completely eradicate the Warriors Den that you are talking about!”

Jackson subconsciously looked at Charlie and said frankly:

“Young brother, although I have joined the Warriors Den for only one year,”

“But as a leopard in the tube, a glimpse to know the whole panther,”

“The strength of the Warriors Den is too much stronger than the Cataclysmic Front,”

“The entire Warriors Den alone has nearly a hundred Dark Realm experts,”

“And there are even said to be Masters of the Realm of Transformation,”

“This strength is not the Cataclysmic Front can shake,”

“Let the Cataclysmic Front fight against the Warriors Den, like an ant shaking a tree, it will be unbearable!

Hearing this, Charlie smiled faintly and said indifferently:

“Even if it is a huge tree, so what? I will cut off all its branches and buds one by one,”

“And then uproot it and trample it under my feet!”

# Chapter 5151

Charlie's words shocked Jackson, but also made his heart, at this moment, have mixed feelings.

For one thing, he couldn't figure out why this young man would have such confidence,

To intervene to challenge the immense Warriors Den.

Secondly, he couldn't understand why the same person had different lives,

He and Joseph were both martial arts geniuses,

And their cultivation before the age of thirty was not only overwhelming but even seen as astounding.

The fact that he could cultivate into an eight-star martial artist before the age of thirty,

In the original world of martial artists what he knew, was a complete phoenix's hair,

And it was hard to pick one out of ten thousand.

Therefore, when he decided to enter the world and search for a breakthrough more than a year ago,

He had sighed and lamented for Joseph's future.

At that time, he thought that although Joseph's cultivation was smooth until he was thirty years old,

He was after all under his own tutelage, and the way he cultivated martial arts,

And his own method were exactly the same,

So he was bound to face the embarrassing situation of not being able to make a breakthrough for thirty years in the future.

When he decided to travel in the world, Jackson also told Joseph about his worries,

And he even comforted him and promised him that once he found a chance to break through to the Dark Realm,

He would definitely come back to help him.

However, who would have thought that when he had made up his mind to take the initiative to join the Warriors Den,

Waiting for the opportunity to enter the Warrior Camp and preparing to spend at least ten years seeking a breakthrough in the Camp,

His own disciple, Joseph, had already made it to the Dark Realm in one step.

This huge psychological gap made Jackson's heart very uncomfortable,

And even when facing Joseph, he couldn't help but feel a bit ashamed.

The feeling of a master being overtaken by his disciple really made him have mixed feelings.

Joseph also saw the despondency on his master's face, and immediately said offhandedly:

"Master, Mr. Wade is truly a person with great power,"

"And is the head of the Wade family in China, I believe that with Young Master Wade's strength and potential,"

"Eradicating the Warriors Den in the future is definitely not a problem!"

"And he is generous, repaying grievances with virtue,"

"And convincing people with virtue! I broke all my meridians at first,"

“But Young Master Wade helped me to repair them completely,”

“And in one incense stick, I was able to cross the Ming realm to the fullest.

Jackson’s expression was extremely complicated.

He also knew that joining the Warriors Den was the next best thing,

And if he hadn’t been unable to break through for decades,

He wouldn’t have been willing to suffer such humiliation even if he was beaten to death.

Other than that, when he was in the Cataclysmic Front,

Although he was not the real speaker, he was the master that everyone respected,

And his prestige was even higher than that of Joseph.

But after joining the Warriors Den, he was just a lackey of the Warriors Den.

His status, but is just a guard beside the commissioner,

It seems as if there has been considered under one person,

Above thousands of people, but in fact, he has no command over the Cavalry guard, as well as the dead soldiers.

And he doesn't have any men either, he's just at the side of the festival ambassador to be called upon.

Not to mention that now, he had somehow become a prisoner of the person in front of him.

Thinking of this, he also did not think twice to kneel down on one knee,

Clasped his hands to Charlie and said respectfully,

“Mr. Wade, if you do not mind, my name is Jackson Qiu, and I would like to be by your side with humbleness!”

# Chapter 5152

Charlie nodded slightly and asked him,

“What were the conditions you negotiated with that governor?”

“Did he promise you how long it would take for you to become a Dark Realm expert?”

Jackson said truthfully: “Mr. Wade, the condition I negotiated with the governor was to stay with him for three years,”

“And if I performed well within three years,”

“I could be recommended to join the Warrior Den, and if I joined the Warrior Den,”

“I could break through to a Dark Realm expert within ten years.”

Charlie smiled faintly: “That’s thirteen years.”

“Right!” Jackson nodded: “It will take thirteen years at the soonest.”

Charlie looked at him and said seriously, “As long as you work for me wholeheartedly,”

“Within one year, I will let you enter the First level of the Dark Realm!”

“One year?!” Jackson’s eyes widened and he exclaimed, “Mr. Wade, are you serious?”

Charlie asked him in return, “Do you think I need to lie to you?”

Jackson said with a terrified expression, “Sorry Mr. Wade, I am not doubting you .....

“I just ..... can’t believe that I can break through to the Dark Realm in such a short time... ..”

Charlie looked at him, reached out his hand and pointed at Joseph, and said blandly,

“You are Joseph’s master, in private, he has to respect you and honor you,”

“But after you join my command, stay here and help me control this copper mine,”

“Joseph is your direct superior, listen to his command and report to him in everything, can you do that?”

Jackson said piously, “Mr. Wade, I will follow all your instructions!”

Charlie nodded and said to Joseph: "Joseph, Syria, and Cyprus are only two hundred kilometers away from the Mediterranean Sea,"

"So it's convenient to come from the base of the Cataclysmic Front,"

"So from now on you choose a small team from the Cataclysmic Front to be based here,"

"To make sure that everything is under control here, and contact you in time if there is any movement."

Charlie and Jackson only met for the first time, so, to him, Charlie can not be considered trustworthy.

Just through the selflessness of himself then to Joseph in past,

To presume that this person's nature will never be bad.

However, whether it can assume great use, but also to observe a period of time to know.

Therefore, it is certainly not possible for him to give all the affairs of this place to him alone.

For a person like Joseph who comes from a mercenary background,

This kind of relationship he can handle very well in itself.

In the military, there is always some role similar to the old squad leader,

When the new recruits, under him, taught and cared for, but as time goes by,

The old squad leader may still be the same old squad leader, but the new recruits of that year,

May have become a senior officer in the military, in private,

The old squad leader is the old squad leader is always worthy of respect,

But in public, subordinates are subordinates, and with other subordinates, there is no difference.

This situation is very common in the armies of all countries, and in the mercenaries as well.

So, Joseph said without thinking, "Don't worry, Mr. Wade, your subordinate will be safe and proper!"

After saying that, he remembered one thing and hurriedly asked Charlie:

“Mr. Wade, I have one thing I don’t understand, I don’t know if I can ask you to solve the problem?”

Charlie nodded: “Go ahead.”

Joseph said, “If you take all the Cavalry guards and dead soldiers here under your command,”

“How can I ensure the stable operation of this place while the Warriors Den will not find any clues?”

Charlie smiled and did not answer his question, but said aloud,

“It’s almost time, let’s go meet those Cavalry guards first,”

“When all their problems are solved, you will know the answer to this question!”

At this moment.

More than two hundred Cavalry guards wearing copper mine uniforms,

Have arrived at the copper mine’s staff auditorium one after another.

# Chapter 5153

This staff auditorium, a building that had existed since the original purchase of the copper mine by the Warriors Den,

Was built in the 1980s and was mainly used for meetings,

Festivals and ceremonies for the employees of the copper mine.

After the Warriors Den took over, it allowed all the Cavalry guards to act as employees of the mine,

And most of the Cavalry guards' families to act as logistics, so the mine was superficially run quite well.

Even the occasional local government officials came to inspect the inspection but did not notice any abnormalities.

At this time, these Cavalry guards came to the staff auditorium,

Giving the impression that the copper mine is going to hold a mobilization meeting or summary meeting.

However, if you stand on the sidelines, you will soon find a problem, that is,

Among these uniformly dressed employees, there are more than 20 people holding a towel in their left hand.

And these people with towels have been vaguely excited in their hearts,

Because they feel that after tonight, each of them has the opportunity to go to the next level.

In addition to the vague throbbing excitement,

These people have also been keeping an eye on the others around them,

And are always ready to be asked for a towel.

However, what made them feel strange was that none of them came to ask about such an abrupt performance with a towel in hand.

Each person having a towel in hand, when seeing another person with no towel in hand,

There will be little eye contact with each other.

But for those who did not take the towel, it seems that they did not even look at their towels.

These people were a bit puzzled and did not understand why the others were so insightful,

All the way over, these people did not seem to be interested.

What they didn't know was that these people had actually been given orders to pretend,

To be oblivious to their strange behavior on the surface,

And later just wait for the envoy to drop his cup as a signal to deal with all these people around them, with towels in hand!

The Cavalry guards soon arrived.

After counting their respective men, the three banner chiefs made their respective reports to the chairman.

It was a pity that only the Cavalry Guards, who had made up their minds to break with the Warriors Den,

Knew that this chairman had become a puppet.

At this time, the chairman walked to the front of the stage and said in a loud voice,

“All Cavalry guards listen to the order to welcome the special envoy!”

Every Cavalry guard on the stage, at this time, shouted with emotion, “Greet the envoy!”

The men with towels in their hands were excited because they were thinking of the immediate success of their work.

The other Cavalry guards were excited because they wanted to be free,

From the control of the Warriors Den and realize the greatest dream of their ancestors.

Both sides had their own thoughts and were looking forward to the appearance of the envoy.

At this moment, Charlie, who was dressed in a black robe but did not use a hat to cover his face,

Stepped onto the stage under everyone’s gaze.

The puppet chairman respectfully took a few steps back, leaving the middle seat for Charlie.

Looking at the “special envoy” showing his true face for the first time,

No one felt anything unusual among the Cavalry guards who were divided into two camps on the stage.

After all, both sides have their own set of understanding of Charlie's behavior of revealing his true face.

Charlie was standing on the stage, looking down at the two hundred people below,

And said with a smile on his face: "Gentlemen, I believe that today is an extraordinary day for all of you,"

"A day to remember! It's also a day to build a successful career!"

The two parties on the stage, because they each have their own thoughts,

So when they heard these words, they were all more excited in their hearts.

Shane, who was holding the towel in his hand, and his colleagues who were holding the towel,

Each of them subconsciously held the towel in their hands tighter,

As if what they were holding was not a towel but a ticket to the next glory and fortune.

But they ignored the Cavalry guards around them who did not hold the towel,

Have begun to quietly gaze at them with the afterglow, ready to make a move on them.

# Chapter 5154

Charlie on the stage smiled faintly and spoke:

“Today, I have good news to tell you all, Lord has prepared a new antidote for you,”

“This new antidote can make the severe poison in your body,”

“From seven days of attack time, extended to fifteen days,”

“I hope you can build a successful career for Lord in the future!”

After saying that, he waved his right hand and said in a loud voice,

“Come on, give medicine and wine!”

Hearing these words, Reverend, Jackson, and the sectarians immediately went forward and started to distribute antidotes for everyone,”

“While arranging for several senior members of the Cavalry to bring out the white wine,”

“And wine cups prepared in advance and pour a cup for each of them.

Among them, Shane was particularly attentive and handed the first cup of wine to Charlie's hand.

In his opinion, after today, he will become the commander of this place,

And leap to become the chief of Cavalry Guards,

So he will inevitably have to meet with the "special envoy" more often in the future,

So it is best to pay more compliments.

Charlie took the wine cup and said with deep meaning: "Do well, I'll see you!"

Shane was trembling with excitement and said respectfully,

"Don't worry, Lord Envoy! Your subordinates are ready to be loyal to you! I will not let you down!"

Charlie said with a smile as he held his glass of wine,

"No, not for me, but for the Lord!"

Shane nodded his head like garlic and hurriedly changed his mouth,

“You are right! This subordinate will do his duty for the great Lord!”

After saying that, Shane was afraid that the others would see the clues,

So he hurriedly said, “Lord Envoy, if you have no other orders, I will return to my team first.”

Charlie looked at the towel wrapped around his wrist,

Nodded slightly, and smiled blandly, “You go.”

After all the Cavalry guards had picked up their cups and the guards who had not taken the medicine had received the new antidote,

Charlie then spoke, “Gentlemen, by taking this antidote, the poison in your bodies will completely disappear,”

“And from now on, no one will be able to continue to control your lives by such underhanded means!”

A group of Cavalry guards who did not take the towel shouted loudly in excitement,

And then they swallowed the antidote they just got without hesitation.

A group of people, including Shane, ridiculed these fools in their hearts,

Especially Shane, who gloated in his heart and thought,

“What a bunch of fcuking idiots, you believe in such things?”

“How could Lord let you lose control? The envoy is just playing a trick on you!”

However, he suddenly thumped in his heart and said,

“The backbone of these fools has been aroused, and now the crowd is in an uproar,”

“I don’t know how the envoy will end it. In case this group of people really wants to defect from the organization,”

“We are 20 people, but also not their opponent ah .....”

“More do not know if the envoy Lord is saying the truth, can make them tie their hands?”

Just when he was tense and doubtful in his heart,

Those Cavalry guards around him, have felt the disappearance of the poison in their bodies, one ecstasy incomparable.

And Shane's men, who were holding the antidote, did not know whether they should take it or not.

At this time, we heard Charlie say aloud: "Gentlemen, I think what I am going to do tonight,"

"You already know in your hearts, I will not say more,"

"Today I drink this wine with you, vow to eradicate the Warriors Den, forever!"

The Cavalry guards shouted with excitement,

"Eradicate the root of the society and put an end to the trouble forever!"

When Shane heard this, his whole body trembled in fear, and he thought to himself,

"The envoy is too into the drama, he dares to say such treacherous words ....."

Unlike him and his men, at this time those Cavalry guards who had taken the antidote,

Their eyes were staring hotly at the wine cup in their hands, waiting for Charlie's final signal!

Just when Shane felt frightened by Charlie's "treason",

Charlie suddenly tilted his head and drank all the white wine in the cup,

Then slammed the cup to the ground and said loudly, "All the soldiers listen to the order!"

A group of Cavalry guards roared sternly, "The subordinates are here to act!"

Charlie smiled at the corners of his mouth, waved his hand, and said aloud,

"Do it!"
