

“Something’s wrong. It’s unlikely that this matter happened by chance! I don’t know what trick Zhao Yifan is trying to play. I’ve given her a few ten million to live her life lavishly!” Chen Hao frowned.

To be honest, he felt extremely uneasy.

Ever since he meddled with the Mo Family, he had spent all his time practicing martial arts. He even stayed away from the city life.

Now that he had returned to the city, he was met with a problem: he had a daughter?

Chen Hao found it unacceptable, not to mention that this daughter belonged to Zhao Yifan and him!

On top of that, Qin Ya and Shen Lan were here. This caused Chen Hao to be extremely frustrated.

He decided that he would wait for the result of the paternity test before taking the next step.

Chen Hao followed his grandfather and father to wait outside the door, while Zhao Yifan was in the room with Mi Fan in her arms, conducting the paternity test.

"I think it's best for Miss Zhao to remove this jade charm from the child. It's dangerous for such a young child to wear it on her neck!"

There was a chance that this little girl could be the daughter of Young Master Chen, so they were extremely careful with her.

They looked at the jade charm around the little girl's neck, and noticed that Zhao Yifan had the same one around her neck.

"I won't remove it! What do you know? Hurry up and conduct the test!" Zhao Yifan said.

The doctor did not dare to say more.

Soon, the test result was out.

"What does it say?" Chen Jindong and Chen Diancang asked anxiously.

“Congratulations, Great Old Master, Old Master and Young Master Chen. According to the test result, this child is definitely Young Master Chen and Miss Zhao Yifan’s daughter. She has the blood of the Chen Family!” the doctor congratulated them reverently with a smile.

“Ah! I-Is this really my great granddaughter?” Chen Diancang’s hoary face was lightened with a glimpse of a smile.

However, Chen Xiao and Yang Yuping did not look happy with the outcome.

To put it bluntly, both of them held Zhao Yifan in extreme contempt.

How could someone like her become part of the Chen Family?

Especially Zhao Yifan, who was calculative. She even waited for the child to be born before showing up in front of them.

Since she bore the child of the Chen

Family, Chen Hao was forced to marry her regardless of whether he wanted it or not.

But what about Shen Lan?

Chen Xiao and Yang Yuping had the same thought. They did not know what explanation they should give to Shen Lan.

“Chen Hao, look! You have a daughter!” On the other hand, Chen Jindong held the child in his arms affectionately and showed her to Chen Hao.

Chen Hao had been keeping his eyebrows tightly furrowed from the beginning.

“Chen Hao, you have to be responsible!” Zhao Yifan shouted at Chen Hao behind him after the elders left.

“Ah!”

To her despair, Chen Hao grabbed Zhao Yifan's collar and dragged her to the side.

“Tell me the truth. What happened exactly? How would I have a child with you? This child is definitely not mine. You may have

deceived others, but not me!”

Chen Hao's eyes were like those of a hawk, causing Zhao Yifan to freeze under his gaze. His eyes seemed to have seen through everything.

This made Zhao Yifan gulp nervously.

“A-Are you even a man? The blood test result is out and it shows that this child is ours! Yet, you still deny it. Since you want to be this way, I won't live any longer. It's not the first time I've been humiliated by you anyway!” Zhao Yifan cried desperately.

“Are you still going to quibble in sophistry? Although I don't know how you manipulated the equipment to give such a result, I can see that this child is not your biological child either. Zhao Yifan, if you are willing to tell the truth, I will let you off due to our friendship in the past!” Chen Hao warned her coldly.

At once, Zhao Yifan was stunned. A tinge of panic appeared in her eyes.

When did Chen Hao become so incredible?

“What are your intentions?” Chen Hao asked again.

He was haunted by his death prophecy all the time now, causing him to be extra prudent and careful in everything.

“I-I don't know what you're talking about! Let me go!” Zhao Yifan quibbled stubbornly.

“Still not willing to tell the truth? Fine, I'll take this child as my own and I'll nurture her. As for you, I will throw you into the ocean to the sharks!”

Chen Hao lifted Zhao Yifan off the floor.

Zhao Yifan was terrified now. In the past, Chen Hao was a coward and he had a weak personality. On top of that, he could not withstand the tears of a girl. Once a girl cried, Chen Hao would succumb to them.

But now, he was still steaming with rage even though she was crying pitifully.

He had changed. Utterly changed. His

words did not sound like a joke.

"Alright, alright. I'll tell you. Just put me down!" Zhao Yifan gave in and said in fear.

Chen Hao then threw her onto the bed.

"You're right. The child isn't ours!" Zhao Yifan revealed the truth morosely.

At the same time, she felt regretful.

"Did you steal that child? Zhao Yifan, I've given you such a large sum of money. Are you still not satisfied?" Chen Hao asked in a cold voice.

"No! I didn't steal her. Chen Hao, don't look down on me. Although I'm not a kind woman, I would never carry out heartless crimes. I adopted the child from an orphanage!"

"Then why did the doctor of the Chen Family say that it was our child?" Chen Hao asked callously.

"I-I don't know. An old alchemist told me the method!" Zhao Yifan touched her neck

and stepped backward as she answered.

“If that’s the case, explain it clearly to both my father and grandfather. I’ll give you another large sum of money. This money will ensure you three lives of lavish living!” Chen Hao said.

Zhao Yifan stood up anxiously. “I don’t want money! Chen Hao, do you think I did so much just to get your money? Yes, indeed, I looked down upon your poverty in the past, but that was the past! Chen Hao, do you know that I fell in love with you a long time ago? I want to be with you. Even if you were poor, I still want to be with you!” As Zhao Yifan was speaking, she tried to hug Chen Hao.

“I won’t believe your nonsense! Tell me, what do you want exactly?”

However, Chen Hao pushed her away as soon as she approached him.

His expression was still calm.

“You!” Zhao Yifan stamped her foot furiously.

"You can't chase me away, Chen Hao. Please, let me stay. Look outside. Your grandfather and father are holding Mi Fan gleefully. They have taken Mi Fan as their granddaughter!" Zhao Yifan pointed outside the window.

"Besides, I heard that your grandfather and you will be going on a long journey and won't be back for a long time. Some even say that your grandfather will never come back. Now, he has ignited a new hope and met his great-granddaughter. Even if this is just a lie, it's still a beautiful lie, isn't it?" Zhao Yifan cried.

"Cut your slick crap. You must have planned something. I warn you to speak the truth now, or else I won't let you off!" Chen Hao rebuked coldly.

Just when he was about to lift Zhao Yifan up and throw her out, Shen Lan's voice came from the outside. "Father, grandfather. Whose child is this? She's adorable. Oh, I heard that Chen Hao is back. Where is he? I need to talk to him about something!"

“Shen Lan?”

Both Chen Diancang and Chen Jindong felt awkward.

To be frank, Chen Diancang forgot himself.

But it couldn't be helped because he would be attending the Holy Water Ritual soon, and he would not be coming home alive.

Fortunately, heaven had justice and allowed him to see his great-granddaughter.

It was indeed a miracle from the heavens.

Therefore, Chen Diancang was full of emotions now.

However, when he saw Shen Lan walking toward them, he felt a sense of guilt.

Shen Lan was the rightful daughter-in-law of the Chen Family.

All these years, she had been managing all the matters of the Chen Family.

“Oh, I’m not sure either. I just thought that this little girl looked adorable, so I played with her for a while!” Chen Diancang answered awkwardly.

Shen Lan responded with a silent nod.

In her hand, there was a white scroll.

“Shen Lan, what did you want to tell Chen Hao?”

Chen Diancang handed Mi Fan to Chen Jindong and reverted to the attitude of a master of a household.

“A few days ago, a strange image appeared in the Sun Totem when I was observing it. Chen Hao asked for my help to find the girl in the white shirt, and I think the Sun Totem has shown some guidance!” Shen Lan said.

Since the previous time when they discovered Shen Lan’s eyes had extraordinary ability which common people did not have, Chen Diancang had assigned Shen Lan the right to manage the Sun Totem of the Chen Family.

“Guidance has appeared?”

Chen Diancang furrowed his eyebrows.  
“Alright, let’s discuss this in the study!”

In the study, Shen Lan opened the white scroll.

Chen Diancang and Chen Hao saw an image drawn on the scroll.

“The white-shirt girl seems to be related to Chen Hao. Yesterday, you asked me to locate the white-shirt girl with the aid of the Sun Totem. I’ve asked several times, but this is the only image the Sun Totem showed in the end.”

“Chen Hao, why do you want to find this white-shirt girl so eagerly? Did you come across any significant clue during your trip to the desert?” Shen Lan asked.

“I was going to tell you all about this. All the happenings during my trip to the desert were inconceivable, including my death prophecy, and all of them are related to this white-shirt girl. I have a feeling that once I find this white-shirt girl, all the

questions that I have will be answered!”  
Chen Hao said.

He was about to tell his grandfather about the God Knight.

At this moment, Chen Hao frowned when he looked at the image.

“Strange. This image looks familiar. I feel like I’ve seen this somewhere before!”  
Chen Hao murmured.

“Chen Hao, you’ve seen this image before?” Chen Diancang asked.

Chen Hao pondered with his eyebrows furrowed for a while. Suddenly, something came into his mind.

“Zhao Yifan!!”

He raised his head abruptly.

Shen Lan looked at Chen Hao curiously.

“Yes. This image looks a lot like the jade charm on Zhao Yifan’s neck!” Chen Hao pointed out.

## Chapter 560 The Origin of the Jade Charm

“Indeed. I remember now. The same jade charm is also on Mi Fan’s neck!” Chen Diancang added.

Chen Hao took the white scroll and rushed to Zhao Yifan’s room.

“Chen Hao, you’re finally willing to meet me!” Zhao Yifan sobbed as she said.

Chen Hao grabbed the jade charm on Zhao Yifan’s neck and compared it meticulously.

As expected, it was exactly the same.

“They really are identical! Tell me, where did you get the jade charm on your neck?” Chen Hao questioned her.

“I-I don’t know!” Zhao Yifan looked panicked and immediately shook her head.

“Are you going to tell me or not?” Chen Hao shouted at her coldly.

“Chen Hao, I’ll tell you everything if you promise to take me in!” Zhao Yifan grabbed Chen Hao’s arm.

“Tell me!” Chen Hao pushed her hand away.

Zhao Yifan wiped her tears and started to relay the story.

“This matter started from the night when we were at Bay Hotel...”

From her explanation, Chen Hao had a general understanding of what happened.

That night, Chen Hao fell unconscious after he was drugged by Zhao Yifan.

According to Zhao Yifan’s plan, she had intended to have sexual intercourse with Chen Hao.

She aimed to get pregnant this way so that she could marry into a truly wealthy family.

However, her menstruation came earlier than usual that night!

Zhao Yifan was extremely frustrated to the point of wanting to give herself a few slaps.

Therefore, her plan did not work out.

Of course, there was some blood stain on the mattress.

But Zhao Yifan lied to Chen Hao that this blood was that kind of blood.

Chen Hao remembered that he was going to find Su Tongxin at that time, so he gave her 80 million and asked her to go somewhere far from here.

At that moment, Zhao Yifan was resentful and annoyed.

I love you so much. Why would you treat me like this?

Zhao Yifan was engulfed with grief.

Therefore, she decided to make a mountain out of a molehill and find the Chen Family.

She booked a cruise to the island of Chen Hao's sister.

However, that island was nowhere to be

found.

Soon, it was late at night.

Zhao Yifan stared at the vast ocean but there was nothing around her. She was only accompanied by the howling sea breeze.

Hopeless, she decided to head back.

Right at this moment, she met with a fleet of strange ships.

Zhao Yifan tried to ask them about the island, and the people agreed to bring Zhao Yifan to Chen Xiao's island.

However, they lied. They did not lead her to the island, but brought her to an unfamiliar coast.

This family was called the Ming Family.

That night, a young master named Ming Yi had taken an interest in her, so he lured her away.

In that strange city, Zhao Yifan was

terrified and afraid.

Fortunately, although Ming Yi was not a man of integrity, he did not force her after hearing that she was pregnant. It seemed like there were many rules for this kind of matter there.

Zhao Yifan promised to marry him a year later after her child was born. Only then did he lower his guard against her.

Of course, she lied to him about being pregnant.

It was simple and straightforward after that. Zhao Yifan tried to find an opportunity to escape.

She had heard of a capable person named Mr. Ghost who had vast knowledge and was skilled in inferring and calculating.

He was also an independent force.

Therefore, Zhao Yifan sought help from him.

Of course, she had to pay a price of 60

million.

Zhao Yifan thought, What's the point of escaping if I don't have any money?

Hence, she thought of Chen Hao and decided to go back to the Chen Family.

Mr. Ghost had told Zhao Yifan of a method, where she had to use a pair of jade charms that was dug up by the Ming Family from the Sea King's Tomb. This pair of jade charms had the ability of attracting blood.

In simpler words, this pair of jade charms could connect three people by blood relation.

However, Zhao Yifan had left hastily that night, so she did not have a strand of Chen Hao's hair or anything of that kind. The only thing she had with her was a shirt of Chen Hao. She took his shirt because she was planning to look for Chen Xiao.

Mr. Ghost told her that even though the effect might be weaker, common equipment would not detect it.

## Chapter 560 The Origin of the Jade Charm

Therefore, Zhao Yifan stole this pair of jade charms, found a suitable baby from the orphanage and fled for her life until she arrived at this place.

Even the location of the Chen Family was calculated by Mr. Ghost.

Other than that, Mr. Ghost told her that she was destined to be a noble woman, which led to this scene.

Zhao Yifan had fled from the Ming Family a year ago and concealed herself for half a year. Only then did she arrive at the Chen Family's house safely.

She had to hide herself because the Ming Family was searching for her everywhere.

After Zhao Yifan told her story, Chen Hao understood fully.

A question popped into his mind.

Shen Lan mentioned that the Sun Totem prompted this jade charm repeatedly.

Could it be that the whereabouts of the

white-shirt girl was related to the jade charm and the ancient tomb where the jade charm came from?
