

The atmosphere was completely frozen, and there was a strong sense of anxiety and shock in their eyes!

They seemed to have never expected that Lin Fan, who had always been obedient and ridiculed by them, would dare to raise his hand against one of them; he was simply audacious!

At this moment, Zhao Wanzhi's face turned gloomy as well. She stared at Lin Fan as she said, "Lin Fan, you'd better give me a reasonable explanation!"

"An explanation?"

Lin Fan smiled before he stared at Zhao Wanzhi rampantly and said, "Just because she is my woman—is this explanation sufficient?"

His voice was loud and clear, shocking everyone present!

*They kept insulting my wife; do they still treat me as the good-for-nothing man whom I used to be?*

*I am now extremely powerful!*

*Why should I tolerate them?*

However, his reply made Zhao Wanzhi and the others sneer; to them, his explanation was not enough!

If Bai Yi was Lin Zuo's woman, no one would dare to refute such an explanation.

However, Lin Fan was nothing but a piece of trash that talked nonsense and invited ridicules!

In their opinion, Lin Fan's behavior was akin to having a death wish.

With Zhu Yiqun's narrow-minded personality that made him seek revenge even for the smallest grievance, he would never let Lin Fan off. Once he woke up, Lin Fan would have to face his crazy revenge.

"Lin Fan, you used to be just incompetent; not only are you still

incompetent now, but you've also become ignorant!"

Zhao Wanzhi smiled contemptuously. She shook her head as she said, "If Bai Yi was Lin Zuo's woman, we would've let it slide; unfortunately, her husband is just a piece of trash. Not only are you unable to protect her, but you also have to die!"

Upon hearing this, all the evil young masters present also stared at Lin Fan with murderous looks on their faces.

It looked as though they couldn't wait to slaughter Lin Fan!

However, what Lin Fan said next stupefied everyone present!

The corners of Lin Fan's lips curled up to form an ironic curve as he said, "How do you know that Bai Yi is not Lin Zuo's woman?"

*What?!*

The expression on everyone's faces changed abruptly!

They were completely stunned by Lin Fan's shamelessness!

*Did this guy just insinuate that Bai Yi was having an affair with Lin Zuo?*

*His own wife had turned him into a cuckold, but how could he still deal with it calmly and brag about it?*

*How shameless can this kind of person be?*

"Lin Fan, I'm really impressed by how incompetent, ignorant, and shameless you are now."

Zhao Wanzhi shook her head, and the smile on the corner of her mouth became more and more contemptuous. She felt very fortunate that she didn't really marry Lin Fan, for she couldn't imagine how miserable it would be for the rest of her life.

“You’re so complacent even when your wife is cheating on you. Hahaha, Lin Fan, you are really a natural bondservant!”

On the other hand, Wang Yun said angrily with a vicious look on his face, “Why bother talking so much with this piece of trash? Does he really think he can simply hit our man? Let’s beat him up!”

Not only were they stunned, but Bai Yi was also stunned as well.

She didn’t know why Lin Fan wanted to drag herself into it and fabricate such a lie.

*Is it for his poor ego?*

If so, she would be very disappointed!

However, Zhao Wanzhi waved her hand and said with a sneer, “Don’t mess with him; his wife is Lin Zuo’s lover. If you do something to him, Lin Zuo might even come out to back him! Let’s go!”

Business first!"

Upon hearing this, the contempt on the faces of those evil young masters grew even stronger.

Then, Zhao Wanzhi looked at Wang Yun puzzledly and asked, "Wang Yun, why did you bring us to the Phoenix Club?"

Wang Yun gave a faint smile and said, "Naturally, we're here to check into our rooms!"

*What?!*

At the moment, Zhao Wanzhi shuddered suddenly. She then cast a look of disbelief at Wang Yun and asked, "A-Are you serious?"

*Huh?*

Seeing her reaction, the other evil young masters all looked puzzled as well. They looked at Zhao Wanzhi and asked, "Young Mistress Wanzhi, is there something special about this Phoenix

Club?”

Zhao Wanzhi swallowed hard and tried to hold back the shock in her heart as she replied, “Phoenix Club is indeed special. Only people like our father’s generation are allowed to stay here, whereas people like us are not qualified to stay here at all! This is because its owner is the Commander-in-chief of Jiangnan, Long Jiu!”

Upon hearing this, all the evil young masters present finally understood why Zhao Wanzhi was so shocked.

Covering their mouths, they were all stunned!

Long Jiu was the power holder in Jiangnan as well as a local despot. He also had disciples everywhere!

His influence in Jiangnan was terrifying; even their families were no match for him!

Their parents had to visit Long Jiu as

soon as they set foot in Jiangnan.

*This Phoenix Club is actually related to Long Jiu?*

“Wang Yun, you’re so cool! You’re indeed a member of the Dragon and Tiger Legion, and you’ve brought us here to experience the treatment that only our parents are qualified to enjoy.”

“I’ve only heard my dad talking about this place, but I have never had the opportunity to visit it myself. It’s all thanks to you, Wang Yun!”

Everyone was ecstatic as they respectfully fawned over Wang Yun.

Even Zhao Wanzhi couldn’t help but nod her head. She then said, “It’s really difficult to book a room in this place; I’m afraid that I am not even able to book a room here. Wang Yun, how did you get the room?”

Wang Yun was flattered by everyone’s compliments; he then looked at Lin Fan

and Bai Yi with contempt while he replied, "I know the owner of Phoenix Club, and he did me a favor by letting me book a few rooms here. It's really impossible for someone else to get the rooms. After all, Long Jiu is the real boss here in Jiangnan, who is vastly different from the kind of people who sleep with men in exchange for fame."

Everyone also sneered at this and looked at Lin Fan and his wife with malicious intent.

"A slut and a bondservant had actually come to Phoenix Club to book a room too. Are they out of their minds?"

In their opinion, Bai Yi was so shameless that Lin Zuo would not possibly like her at all.

At most, he was just fooling around with her!

This woman might not even be called a mistress, and was at best a one night stand. She was not qualified to come to

Phoenix Club at all.

Bai Yi's body trembled with anger while tears of anger and humiliation were already welling up in her eyes.

Meanwhile, the expression on Lin Fan's face also gradually became cold!

*Wang Yun is from the Dragon and Tiger Legion?*

*My subordinate?*

At the moment, Lin Fan's smile turned gruesome. Wang Yun served under his command, but he even dared to humiliate him and his wife in public. He was really looking for his own demise!

He was looking forward to seeing the expression on Wang Yun's face when he learned of his true identity.

However, at this moment, a man walked out of Phoenix Club in strides.

The moment Wang Yun saw him, he

immediately greeted him with ecstasy, “Mr. Long, why have you come in person?”

Long Qianxi, Long Jiu’s eldest grandson, was also the owner of Phoenix Club, and entertained big shots from all walks of life in China on behalf of Long Jiu.

Then, Wang Yun introduced Zhao Wanzhi and others to Long Qianxi, but Long Qianxi just nodded his head calmly; he did not even take the initiative to shake hands with them, looking extremely aloof!

Seeing this, all evil young masters felt unhappy, but they could only bury this resentment in their hearts; they knew that the man in front of them was not someone they could offend.

An outsider, however strong, should always respect the local—especially when they weren’t powerful beings themselves.

If it were not for the Dragon and Tiger

Legion and the Wang Family, Long Qianxi would not have even bothered to talk to Wang Yun.

Meanwhile, Wang Yun asked excitedly, “Mr. Long, I heard that the big names from all walks of life in China have gathered here just to meet the mysterious Lin Zuo. I’d like to know if Lin Zuo is here already.”

“Yeah, Young Master Long, we would be very grateful if you can tell us something about Lin Zuo!”

“Young Master Long, could you arrange a place for us to sit so that we can see Lin Zuo—even if it’s just a glance from a distance!”

These evil young masters stared at Long Qianxi with anticipation, desperately wanting to learn more about Lin Zuo.

Even Zhao Wanzhi couldn’t help but ask eagerly with a hint of admiration in her beautiful eyes, “Young Master Long, you

should have met Lin Zuo, right? What kind of man is he?"

They all knew that the banquet held by Lin Zuo was handled by the Long Family, so the Long Family surely had inside stories.

Lin Zuo's majesty was felt throughout the whole country!

However, there were only a handful of people who had ever met him, so they could hardly hide their excitement and expectations at this time.

"Okay, then I'll tell you about it!" Long Qianxi smiled faintly. He then said in awe, "To be honest, I still can't believe that Lin Zuo is so young. He's only in his early twenties!"

This simple sentence left everyone present dumbfounded!
