

Chapter 593 Hitting You!

Zhao Wanzhi and all the evil young masters felt their minds go into overload!

His words felt like thunder as it tried to tear their brains apart, making them petrified in an instant!

L-Lin Zuo is only in his early twenties?

Isn't he around the same age as us?

Gosh, this is so unbelievable!

They had heard that Lin Zuo was very young, but they guessed that he should be at least 30 or 40 years old.

To their surprise, he was only in his twenties!

He was given the fourth most powerful position in the military in his early twenties. *What kind of monster is he?*

At this moment, they were completely stunned by the shocking news; all of them fell silent, unable to make a

sound!

Their minds were as blank as a sheet!

The impact of these four words ‘in his early twenties’ was so terrifying that they couldn’t believe it.

Then, Zhao Wanzhi and the others smiled bitterly.

Although they were the children of wealthy families and stood at the pinnacle of power, they were worse than an ant compared to Lin Zuo; he had beaten everyone else in the country and sat firmly on the throne.

“I really want to meet Lin Zuo—it’d be great if I could become friends with him,” said a girl in admiration.

Wang Yun smiled bitterly and shook his head, saying, “I’m afraid that we will never catch up to Lin Zuo even if we have exhausted everything in this life, don’t you think so?”

Even the arrogant Zhao Wanzhi looked moved; she had a different gleam in her eyes.

Such a man was a hundred times better than her current fiancé, Lin Tianxun—the second Young Master of the Lin Family.

The evil young masters, who were originally putting on airs, lowered their proud heads at this moment in complete defeat.

They felt like they were a far cry from Lin Zuo!

Some people were indeed born to be a king!

“Well, I will slowly tell you more about Lin Zuo. Let’s go inside first!” Long Qianxi said to everyone.

However, Zhao Wanzhi came up with an idea at that moment and said with a grim smile, “Mr. Long, I’m afraid we can’t leave now—a loiterer is trying to get into Phoenix Club. I strongly request

you to drive him out so as not to cause trouble and make Lin Zuo unhappy!”

What?!

Long Qianxi's expression changed abruptly. His grandfather had warned him that they were serving Lin Zuo this time; if something went wrong and Lin Zuo was upset, he would be driven out of his family.

If what Zhao Wanzhi said was true, it would be negligence on his part!

Upon hearing this, Wang Yun also suddenly reacted and said maliciously, “She's right, Mr. Long. Someone has really trespassed Phoenix Club, and he also injured my best friend just now. Look...”

Is that so?

Long Qianxi's face suddenly turned extremely sullen. He then scolded angrily, “Where is he? How dare he behave atrociously at my place? I think

he has a death wish!”

Everyone grinned viciously when they saw Long Qianxi’s reaction; they knew that Lin Fan was going to be completely doomed.

Right then, the expression on Bai Yi’s pretty face changed as well. She quickly grabbed Lin Fan’s hand and said anxiously, “Let’s leave! Let’s go now, Lin Fan!”

If they didn’t make a run for it now, they would be doomed!

However, Lin Fan still showed a disdainful sneer on his face, seeming as though he did not hear anything.

“It’s him!”

Zhao Wanzhi suddenly pointed at Lin Fan with a look full of strong mockery, looking forward to seeing Lin Fan—this piece of trash—kneel down and be humiliated!

Wang Yun and the others had the same expression on their faces. In their opinion, all trash had the same look, and they only deserved to kneel down!

Huh?

As he looked toward the direction in which Zhao Wanzhi pointed at, Long Qianxi cast his eyes on Lin Fan.

Then, his expression suddenly stiffened; he felt like he had been struck by lightning and was completely dumbfounded.

When he intercepted Lin Fan last time, he had engraved the appearance of this man in front of him deeply into his mind, unable to forget it!

But now, seeing this big shot standing in front of him, he was completely dumbfounded!

“L-L-Lin...”

Lin Fan smiled faintly and asked, “Who

did you say has a death wish?”

After stuttering for a long time, Long Qianxi still couldn't completely call out Lin Fan's title; he was really petrified with fear.

Lin Zuo is already here? What's more, he has even been insulted by these blind idiots here?

I'm finished!

I'm doomed this time!

Cold sweat kept sliding down madly from Long Qianxi's forehead.

His whole body was trembling as if he had been struck by lightning.

I'm in big trouble!

His grandfather told him that he must not neglect Lin Zuo, yet it turned out that Lin Zuo had been humiliated in public at his Phoenix Club.

W-What should I do now?

Long Qianxi was so scared that he wanted to kneel down before Lin Fan on the spot.

But at this moment, Lin Fan gave him a look which made Long Qianxi stand rooted in place, not knowing what to do.

“What are you still doing there standing in a daze? Hurry up! Break his leg and drive this piece of trash out!” Wang Yun immediately ordered Long Qianxi’s bodyguards.

He was grinning viciously as though Lin Fan was already disabled in his eyes.

Those bodyguards came at Lin Fan!

“Don’t you dare move!” Long Qianxi immediately roared. *How dare these idiots drag me into this mess?*

“Mr. Long, you...”

Wang Yun was stunned. He didn’t know

what Long Qianxi was doing.

Smack!

However, Long Qianxi gave him a slap in the face.

The slap was full of strength and broke several of Wang Yun's teeth.

Everyone was completely stunned upon seeing this.

*Long Qianxi actually hit Wang Yun?
What's going on?*

*Long Qianxi was fine just moments ago,
so why did he get mad all of a sudden?*

What's going on?

At that moment, Wang Yun covered his face and looked at Long Qianxi in disbelief. He then asked, "Mr. Long, why did you hit me?"

Why did I hit you?

I want to kill you!

Long Qianxi cursed wildly in his heart, and his expression became extremely ferocious at this point in time. He scolded Wang Yun angrily, “Lin Zuo is coming, and yet you still dare to make trouble! Are you looking down upon Lin Zuo? That’s right—the one I’m hitting is you!”

At this, Wang Yun suddenly showed an innocent look and pointed at Lin Fan, saying, “It’s not me, it’s him—”

Before he could finish speaking, Long Qianxi glared at him with an even fiercer expression and said, “How dare you talk back?”

Wang Yun’s face turned completely pale, and he no longer had the courage to speak.

His face was gloomy, and he felt extremely humiliated.

Just now, he was lording it over Zhao

Yanzhi and the others; now, he got a slap in the face. Thus, he couldn't accept it.

Everyone present was dumbfounded!

The change in Long Qianxi's attitude was too unbelievable, making them wonder if the person in front of them was a man of uncertain temper.

At this time, Long Qianxi stole a glance at Lin Fan; this action of his was also observed by the attentive Zhao Wanzhi.

All of a sudden, her pretty face was covered with a layer of extreme fear; it was as if she couldn't believe her eyes.

Is Long Qianxi actually soliciting Lin Fan's opinion?

H-How can this be?

On the other hand, Lin Fan secretly gave him a gesture.

“Get out of here if you dare to make

trouble again!”

After receiving his instructions, Long Qianxi roared viciously and left with his men.

After he was gone, Feng Shaoting and the other young masters finally returned to their senses; they quickly went to help Wang Yun up.

“Go away!”

Wang Yun, who only felt embarrassed, pushed everyone away rudely and stared directly at Lin Fan with his bloodshot and resentful eyes, “It’s all your fault! It’s all because of you, you piece of trash!”

Long Qianxi must have thought that they would offend the mysterious Lin Zuo if they were fooling around here, so he got so furious.

Now, Wang Yun was being blamed by Long Qianxi for it!

Chapter 593 Hitting You!

Wang Yun couldn't wait to break Lin Fan's body into pieces.

He stared at Lin Fan with eyes full of hatred and said, "Just you wait, Lin Fan! After I meet Lin Zuo, I will definitely make you wish you were dead!"
