

Chapter 594 | Am Lin Zuo!

As soon as he finished speaking, the ashamed Wang Yun gave Lin Fan a resentful look and left first.

The other evil young masters also sneered. As soon as the banquet was over, Lin Fan would likely be crippled or killed for offending Zhu Yiqun and Wang Yun.

However, just before they left, Zhao Wanzhi glanced at Lin Fan with a complicated expression on her face; she felt that something was off.

“Shall we go now, Lin Fan? Let’s not attend Lin Zuo’s banquet anymore,” Bai Yi turned around and pleaded with Lin Fan right then.

Lin Fan smiled faintly and said, “What’s wrong? Don’t you still want to see Lin Zuo?”

“Forget about it. I am more worried about you than meeting Lin Zuo! They

certainly won't let you off!"

Bai Yi looked worried; she could also see that those people were no angels.

They also had strong backgrounds, so she really couldn't bear the thought of Lin Fan being humiliated again.

"It's not them who won't let me off, but I won't let them off!" Lin Fan said with a sneer; no one could insult his wife and still be safe.

However, Bai Yi didn't believe him at all; she was so mad at Lin Fan that she cried. "Lin Fan, can you stop talking nonsense? They are all young masters from Beijing, so how can you possibly fight them? I'm begging you—as long as you are alive, I don't mind being wronged."

She did not hope for prosperity and wealth, but just wanted her family members to be safe.

She just wanted to grow old with Lin Fan!

However, Lin Fan held her hand tightly and said with a smile, “Don’t worry, my dear. I’m not trying to be brave! Tomorrow, I will make you the most notable woman in China!”

...

By the middle of the night, Wang Yun and the others had already settled in!

However, they were given the most basic room!

“Long Qianxi is so mean; he actually gave us the worst room. Is he looking down on us?”

Feng Shaoting, Zhu Yiqun and the others were very dissatisfied.

As the young masters of wealthy families, this was the first time they had

been insulted like this.

Just then, Wang Yun looked extremely gloomy as he said angrily, "It must've been Lin Fan who caused us to be blamed by Long Qianxi; that was why he deliberately snubbed us."

Upon hearing this, the pale-faced Zhu Yiqun had a hint of hatred in his eyes. "When we get to know Lin Zuo, we must have Long Qianxi pay the price for snubbing us today! Also, I swear to kill Lin Fan!"

Hearing this, the evil young masters present all nodded their heads, already looking forward to getting acquainted with Lin Zuo before teaching Long Qianxi and Lin Fan a hard lesson afterward.

However, Zhao Wanzhi looked somewhat worried. She then said, "I'm going out to get some fresh air."

Unlike these idiots, she kept feeling that Long Qianxi was behaving strangely.

*Why did Long Qianxi only scold them and turned a blind eye to Lin Fan when he had also caused trouble?*

*Does that trash know someone like Long Qianxi?*

This uneasy feeling made her very uncomfortable and anxious; it was as if she had missed something.

Therefore, she wanted to get some fresh air to ease her depressed mood!

Meanwhile, the uneasy Long Qianxi quietly came to the backyard and kneeled directly behind Lin Fan.

“Lin Zuo, I’m sorry for my mistake!”

His voice was trembling, and Long Qianxi was obviously terrified.

This time, there was a slap mark on his face. Needless to say, it came from Long Jiu.

“No blame attaches to the unconscious doer of wrong. You may get up!”

Lin Fan slowly turned around to look at him.

“Thank you for your kindness, Lin Zuo!” Long Qianxi was overjoyed. He immediately stood up and said respectfully, “Lin Zuo, those idiots have insulted you, do you want me to take care of them for you?”

His words were filled with murderous intent!

However, Lin Fan sneered and shook his head. “No need for that. When tomorrow comes, not only will they regret it, but they will also fall into despair!”

Chapter 594 | Am Lin Zuo!

Long Qianxi and Lin Fan chatted for a bit before they parted ways.

However, just as Lin Fan was about to leave, he was seen by Zhao Wanzhi who happened to come out for a walk.

She was immediately shocked as she looked at Lin Fan in disbelief.

*Did Lin Fan just have a late-night meeting with Long Qianxi?*

*They really know each other!*

Thinking of what had happened earlier today, Zhao Wanzhi suddenly understood everything.

However, what she couldn't figure out was the reason why Lin Fan—such a piece of trash—got to know Long Qianxi.

“Come out now!”

Suddenly, Lin Fan's cold voice was heard. It caused Zhao Wanzhi to shudder.

Then, she walked out of the shadows and looked at Lin Fan with a complicated expression on her face. "Why do you know Long Qianxi?"

At this, Lin Fan merely laughed and replied, "Why can't I know him?"

"Do you still need to ask? You are just a live-in son-in-law and a piece of trash that relies on his woman for financial support. To be honest, you can't even hold a candle to others!" Zhao Wanzhi continued with a sneer, "Could it be due to your wife again?"

In her opinion, Lin Fan alone didn't have the rights at all to make friends with Long Qianxi.

This might be because of Bai Yi again!

After all, Lin Fan himself had said that his wife was Lin Zuo's lover.

*Hehe!*

However, Lin Fan chuckled contemptuously. He looked at Zhao Yanzhi disdainfully and said, "Do I need to explain myself to you?"

He didn't have a good opinion of the woman in front of him.

Although she looked intellectual and elegant, only Lin Fan knew that this woman was a vicious b\*tch!

After speaking, Lin Fan planned to leave.

*What?!*

Zhao Wanzhi was completely dumbfounded!

*How dare this trash ignore me?*

Chapter 594 | Am Lin Zuo!

A strong resentment immediately appeared in her eyes as she shouted angrily, "Stop right there, Lin Fan!"

She strode in front of Lin Fan and said in a frantic manner, "If you don't tell me the reason now, don't ever think of leaving!"

Immediately afterward, she sneered and added shamelessly, "Lin Fan, what if I shout for help and claim that you've molested me since there's only the both of us here in the middle of the night? You won't be able to see Lin Zuo tomorrow then, will you?"

*Huh?*

Upon hearing this, there was suddenly a look of terrifying, murderous intent on Lin Fan's face as he stared at Zhao Wanzhi.

He did not expect this woman to be so shameless!

Realizing that Lin Fan was getting angry, Zhao Wanzhi still looked contemptuous and said coldly, “You dirty dog—no one has ever dared to say no to me. Tell me what I want to know, or else I will ruin you now.”

“Okay, then I’ll tell you!” Lin Fan smiled viciously and said, “The reason why I know Long Qianxi is because I am Lin Zuo! Not only am I Lin Zuo, but I’m also the Dark Emperor who controls Blood Prison, as well as the owner of a conglomerate!”

Lin Fan looked at Zhao Wanzhi coldly and asked, “Are you satisfied with this answer?”

As soon as he finished speaking, Zhao Wanzhi was completely stupefied.

After a long time, a look of irritation suddenly appeared on her face as she angrily said, “Lin Fan, are you messing with me?”

*Owner of a conglomerate?*

*It was complete bullsh\*t!*

“How dare a piece of trash like you claim to be Lin Zuo? Why don't you look at yourself in the mirror?!”

Zhao Wanzhi's face was full of contempt.

*Do you think you can call yourself Lin Zuo just because you have the same surname as his?*

*You don't deserve that title, Lin Fan.*

“Lin Fan, I finally see it now. You are making up such a ridiculous lie to intimidate us because you are scared, aren't you?”

Zhao Wanzhi sneered.

This was because Lin Fan's words were too ridiculous; he claimed to be both Lin Zuo and King of Blood Prison, seeming as though he was omnipotent.

*It's simply ridiculous!*

However, Lin Fan said arrogantly, "Is my ability something you can speculate? When tomorrow comes, I'm afraid that you won't even have the right to kneel down!"

By then, Zhao Wanzhi and the others would naturally know that Lin Fan was already a remote figure today!

"Kneel down? To you? What a joke!" said Zhao Wanzhi. She snorted coldly and stared at Lin Fan with a look of disgust on her face. "Okay! In that case, I'll wait and see how you will die tomorrow!"

After saying that, Zhao Wanzhi left on her own. Right then, she only felt disgusted even if she were to spend another second talking to Lin Fan.

*Not only is he complacent about being a bondservant, but he also dares to shamelessly pretend to be Lin Zuo.*

*If he is Lin Zuo, why does he want to be a live-in son-in-law?*

## Chapter 595 Respect You Like a God!

*trash.*

...

The banquet officially began in the evening of the next day!

Luxury cars of various kinds entered the venue one after another, with the cheapest being Porsches; BBAs were simply nothing.

Someone even came to the venue in a helicopter.

In an instant, all kinds of bigwigs rushed to Phoenix Club and entered the main venue, waiting for the mysterious Lin Zuo to arrive.

Everyone had a look of excitement and enthusiasm on their faces, vaguely anticipating for something to happen.

Meanwhile, Zhao Wanzhi and the others were also ready to rush to the venue

together.

However, they caught sight of Lin Fan and Bai Yi coming out of a private villa just then.

In an instant, all the evil young masters were shocked as they stared at Lin Fan and his wife in disbelief.

“T-They actually live in the VIP room!”

*Wow!*

As soon as this remark was made, all the evil young masters felt their hairs stand on its ends, and they all had a look of disbelief on their faces.

*This must be a f\*cking illusion!*

The VIP room was the best room in Phoenix Club—their parents were even not qualified to stay there. *Why do these two pieces of trash get to stay there?*

*W-What exactly is going on?*

“Lin Fan is the guest in the VIP room?  
I’m not dreaming this up, am I?”

“Is Long Qianxi crazy? He actually gave  
the best room to the most useless  
man?”

They couldn’t believe their eyes at all!

“Only Lin Zuo has the right to stay in the  
VIP room. Could it be that Lin Fan is...”  
Feng Shaoting said in fright and looked  
at Lin Fan and his wife shockingly.

However, Zhao Wanzhi sneered at that  
moment and said, “He is Lin Zuo? Feng  
Shaoting, if Lin Zuo knows that you  
compared him with a piece of trash, you  
may lose your life!”

Hearing this, Feng Shaoting shuddered,  
but he still muttered with a complicated  
expression. “But—”

Chapter 595 Respect You Like a God!

“No buts. This guy just happens to know Long Qianxi; this piece of trash can never be Lin Zuo.”

Zhao Wanzhi sneered and said, “How dare Long Qianxi give the VIP room to such trash. If Long Jiu finds out, he will not end up well!”

In her opinion, Long Qianxi must have taken the liberty of giving the VIP room to Lin Fan, thinking that others did not know.

However, they had caught them in the act.

She must report to Long Jiu so that he would take care of his unscrupulous grandson.

*What?! It was Long Qianxi who took the liberty of doing so?*

The expressions on Wang Yun and the others' faces changed drastically!

## Chapter 595 Respect You Like a God!

They already learned from Zhao Wanzhi that Lin Fan and Long Qianxi knew each other, but they didn't expect Long Qianxi to be so bold as to give Lin Fan the VIP room which had been prepared for Lin Zuo.

If Lin Zuo found out, he would definitely be furious!

Not only would Long Qianxi be doomed, but the entire Long Family might also be implicated.

Zhu Yiqun immediately grinned viciously and stared at Lin Fan with hatred. He then said, "Lin Fan, how dare you occupy the accommodation prepared for Lin Zuo? You are so dead! Let's go and beat him up together! Then, we'll hand this trash over to Lin Zuo for his disposal!"

Upon hearing this, Wang Yun and the others also flashed a malicious smile and glared fiercely at Lin Fan and his

wife.

They slowly approached them!

“Lin Fan, what’s with the VIP room they are talking about?”

Right then, Bai Yi was also in a panic.

*Did we actually occupy Lin Zuo’s accommodation?*

*How could this be alright?*

However, Lin Fan then said astonishingly, “If Lin Zuo can stay in this room, so can I!”

Hearing this, everyone was stunned and horrified; it was as if they had been struck by lightning!

*If Lin Zuo can stay in it, so can Lin Fan?*

*Did Lin Fan actually compare himself to Lin Zuo?*

Chapter 595 Respect You Like a God!

*What a lunatic!*

*This guy is simply a lunatic!*

*He is a far cry from Lin Zuo, but how dare he compare himself to the legend?*

*Is this guy crazy?*

Everyone was aghast; they couldn't believe what they had just heard.

*Hahaha!*

Hearing Lin Fan's arrogant words, Zhu Yiqun laughed even louder. As his face twisted with madness, he said, "Fine! Lin Fan, how dare you insult Lin Zuo. You are damned! You will definitely die today!"

Then, he and the other evil young masters planned to take down Lin Fan together!

"The banquet is about to begin now.

Chapter 595 Respect You Like a God!

Esteemed guests, please enter the venue now. You will not be allowed in after the set time!”

The broadcast rang above them suddenly, startling the crowd of people.

Zhao Wanzhi instantly frowned and said, “Let’s go! After the banquet is over, you can do whatever you want with this piece of trash. Don’t delay the opportunity to meet Lin Zuo because of him!”

At this, Zhu Yiqun snorted with reluctance and looked at Lin Fan gloomily. “You b\*stard, you are lucky! After the banquet, I will get even with you!”

With that, they walked toward the main venue.

Meanwhile, Zhao Wanzhi looked at Lin Fan playfully and said, “Lin Fan, I hope that a trash like you can show me where

Chapter 595 Respect You Like a God!

your confidence comes from, making you think so highly of yourself!”

Lin Fan responded with a smile, “Don't worry, you will not be disappointed! On the contrary, you will be desperate!”

*Pfft!*

However, Zhao Wanzhi responded to Lin Fan's extremely arrogant words with a contemptuous sneer.

After they left, Bai Yi looked worried and said, “Lin Fan, will you really stand up against them? I-I'm really scared for you!”

*Sigh!*

Lin Fan sighed, knowing she was worried about him.

Hence, he reached out and stroked her cheek while saying, “Don't worry. When did I ever lie to you? I assure you that all

of them will respect you like a God later!”

...

Right then, the banquet hall was full of guests!

People who were qualified to mingle here were famous figures in China!

Even Zhao Wanzhi and the others had never seen such a magnificent scene; more than half of the important and powerful big shots in China were present!

“F\*ck! That’s the boss of Xunteng Technology. My dad practically begged to work with him back then!”

“That’s the president of the petrochemical company—they monopolize half of China’s natural gas business. My dad invited him to dinner, but he refused!”

Chapter 595 Respect You Like a God!

“Oh my God! That man is the CEO of Tianyu Financial Group, the man who led my family into the financial industry!”

Wang Yun and the others were amazed!

The statuses of these people in front of them were no less than Beijing’s wealthiest elites like them!

Now, they were all gathered together just to win Lin Zuo’s favor!

This was like a dream!

Zhao Wanzhi also said with a bitter smile, “Is this Lin Zuo’s appeal? It’s really quite terrifying!”

*I’m afraid that even the Lin family is no match for such a terrifying appeal.*

At this moment, she happened to catch sight of Lin Fan and Bai Yi walking into the hall hand in hand.

## Chapter 595 Respect You Like a God!

This scene made her burn with jealousy!

After all, Lin Fan was her former fiancé. Even though he had been dumped by her, she was still annoyed at the sight of Lin Fan being with another woman.

She was the kind of person who would destroy the things she discarded rather than letting others have it!

“He still dares to show himself, huh?” Wang Yun said with a vicious smile on his face, not expecting Lin Fan to be so bold.

On the other hand, Zhao Wanzhi smiled contemptuously with a spiteful look in her eyes. “Yes! He’s here to seek his own demise!”
