

Chapter 823: Truth

Guan Tang screeched in pain when Yin Jia kicked her stomach.

Yin Jia continued to kick and slap Guan Tang before she ordered, "Beat her up!"

Guan Tang shrieked. She struggled with all her might but she failed to escape. When she felt as though she was on the brink of death, those people finally stopped. She did not care about her nudity at this moment. She lay on the ground, looking vulgar, as she looked at Yin Jia.

Yin Jia slowly walked over and squatted down in front of Guan Tang. Her voice was deceptively gentle as she said, "This is Ye Cheng's house, and he asked to take refuge here. How do I know this?"

Guan Tang looked at Yin Jia as she remained motionless.

Yin Jia continued to say, "Apart from him, who else would know the password to his house? Who do you think gave me the password?" She looked at the disheveled Guan Tang and smiled slightly before she said, "Do you think I'm angry about the past? No, I'm not angry. I didn't really like those men in the past. I only hated that they were blind for falling into your trap. I don't care if they're willing to be your dog. Even if those idiots wanted me, I wouldn't want them."

Yin Jia paused for a beat. Her voice turned icier and icier as she said, "However, Ye Cheng is different. I warned you not to touch Ye Cheng long ago, but you didn't listen. You insisted on trying to prove that you're sexier, more beautiful, and more attractive than me. You wanted to show me that all men like you. Honestly, you're just cheap!"

"Do you think all men are the same and that you can manipulate all of them? You're delusional. Now, let me tell you in case it's not clear to you. Ye Cheng was the one who informed me about this. You embarrassed the Yin family and were detained. Did you feel aggrieved? Did you think about escaping the Yin family's control? Did you think about clinging to Ye Cheng so he can be your backer? Did you think about sleeping with him and becoming his lover to disgust me?"

"Seeing that we've lived under the same roof for so many years, I'll tell you exactly what Ye Cheng said," Yin Jia said with a sneer. Then, she repeated Ye Cheng's words, "Yin Jia, send someone to bring her back. I'm afraid she'll run around. Why don't we send her to my place so we don't have to search around for her?"

Then, Yin Jia smiled viciously as she said, "What do you think? Did you think he has genuine feelings for you? Did you really think that he would have feelings for you just because you slept with him? How naive! Did you think Ye Cheng has never seen a woman like you? Based on what did you think he would be genuinely moved by a promiscuous woman like you? Guan Tang, your aunt raised you to be too confident. Blind confidence will only lead to humiliation."

Yin Jia finally had enough of humiliating Guan Tang. She rose to her feet and looked down at Guan Tang as she said, "The Yin family locked you up for your own good. Don't be ungrateful. You're really unlucky compared to us, Yin siblings, who have so many joyous events coming up." She sighed before she continued to say, "You have to know when to advance and when to retreat. You could've become the Eldest Young Madam of our Yin family, but you insisted on digging your own grave. What a pity."

Then, Yin Jia said frostily to the people around her, "Send her to the villa outside the city. Tell Director Wang that she's depressed, and remind Director Wang to give her drugs to treat her mental problems." Her voice thawed slightly as she continued to say, "Also, clean up Young Master Ye's house. Make sure not even a strand of hair from this woman is left behind."

"Yes, Young Miss!" Yin Jia's subordinates replied respectfully.

With that, Yin Jia walked away, greatly satisfied.

Guan Tang, who was still lying on the ground, suddenly said viciously, "Yin Jia, I won't admit defeat!"

Yin Jia turned around and smiled sweetly. "Alright. I can't wait to see all your moves!"

Guan Tang shrieked in response, overwhelmed by anger.

Yin Jia smiled as she walked away. She raised her hand as she wiped the tears that finally fell from her eyes. She was crying tears of relief for herself.

'I'll let her accompany those two beasts there. Let them destroy each other!'

...

After listening to Chen Chen's report, Ye Cheng did not speak for a long time.

Chen Chen did not dare to ask nor did he dare to move.
