

A Marriage 828

### Chapter 828: Rage

Old Madam Yin's face was ashen as she gritted her teeth and glared at Cheng Yi.

The smile on Cheng Yi's face was smug and vicious.

Old Master Yin could not say a word at all. He only glared at his son; Yin Bin, who was in a daze.

Thud!

Yin Bin trembled slightly before he suddenly fell to his knees. Then, he raised his head and called out, "Mom!"

With this, Guan Ning had no choice but to kneel as well, but she could not say anything.

Cheng Yi's smile faded as she looked at her son, who was kneeling in front of her. She said calmly, "You really kneeled at the right time."

Yin Bin looked at Cheng Yi with teary eyes and said in a sorrowful voice, "Mom, where have you been all these years? Why didn't you send any news? Mom..."

Cheng Yi suppressed her emotions and said in a low voice, "Stand up and speak. I've wronged you. If I didn't let my emotions overcome me, your wife wouldn't have passed. I've wronged you, and I've wronged your son, Cheng Che."

Then, Cheng Yi turned to look at Cheng Che with a gentle gaze. However, she did not say anything to him. A faint smile appeared on her face again when she saw how nervous Yin De, Yin Bin, and Guan Ning were. She said, "Why are all of you so nervous? It's not like I eat people. I only came back to seek justice. People like you are heartless. What's there to be afraid of?"

Yin Yang finally regained his senses. He quickly made up his mind and said coldly, "Where's the security? Please show this irrelevant person out. Today is a big day for the Yin family. No one's allowed to cause trouble."

A security guard dressed in a suit hurried over.

Cheng Yi sneered before she looked at Old Master Yin and said, "Your son is really stupid."

Old Master Yin's expression was very unsightly.

At the same time, Old Madam Yin hurriedly stopped Yin Yang.

However, Yin Yang became even more agitated. "Mom, why are you stopping me? What nonsense is she spouting? Where did this old hag crawl out from? Kick her out! Kick her out now!" Then, he said to the security guard again, "What are you doing? Does she have an invitation? How could you let her in? Are we paying you for nothing? Let me tell you. I'm going to file a complaint against you. Where's your superior? I want to file a complaint!"

Yin Yang lost his temper completely.

Old Madam Yin could not stop Yin Yang at all, and she no longer dared to stop him. After all, she was worried her reckless son would say even more damning things if she stopped him. When she looked up and saw Cheng Yi smiling faintly at her, her heart trembled.

Just like how it was in the past, Yin De did not say a word at all.

1

The family was collapsing, and dust was flying everywhere.

Meanwhile, the security guard was in a dilemma, not knowing who to listen to.

Meanwhile, the person in charge of security in this place rushed over. He looked around, confused.

Yin Yang shook his mother's hand away and said angrily, "You! Kick this old hag out! If anyone dares to ruin our family's happy occasion, I'll make them suffer!"

The person in charge looked at Cheng Yi. He was very polite and respectful as he walked over and bowed. "Chairman."

Cheng Yi nodded.

Yin Yang was dumbfounded.

Cheng Yi looked at Yin Yang as her lips curled up into a derisive smile. She said, "Mr. Yin, right? I'm sorry to tell you that you're standing in my territory now. It's impossible for you to drive me away. If you want to blame someone, you can blame yourself for choosing the biggest banquet in S City to host your family's important event. After all, I happen to own this banquet hall. What do you think? Isn't it a rather nice place?"
