

THE STARS ARE ORIGINALLY A PAIR - WHY AM I STILL A SINGLE DOG?

After lunch, night Xiu Chen pulled An Xingyue to stroll around the campus of Peking University.

The warm winter sun fell on her body, An Xingyue looked at Night Xiu Chen holding her hand, the two of them strolled on the school road, occasionally blowing a gust of wind, An Xingyue suddenly thought that they had been together for about four months, obviously before transferring to the first middle school, An Xingyue also swore not to fall in love.

Who knew that the big guy who doesn't get close to women would come after her? And she thought it was okay to try, so it became true to try and try, but also confused in the parents over the clear way.

An Xingyue has never been the kind of nerd who only reads books, she also has a rebellious heart in her heart, but it is not too obvious.

Just like just with the night Xiu Chen together, she more like his spontaneity, and then see him pick up again for her study this thing, the heart and a few more feelings, now as long as after a year more big brother honestly study, do not do demons, then his grades will definitely be very bright.

An Xingyue thought of the usual two people in school together, obviously are very ordinary, but think of it is sweet.

The night Xiu Chen also feel very amazing, he always do not like to have girls around, after all, in his opinion girls are trouble, but his girlfriend how to look so good, not at all trouble.

The first thing you need to do is to take a look at the website.

"Which university does Ah Chen plan to take?" An Xingyue pillowed the big brother's shoulders and asked, for night Xiu Chen now his heavy school can be chosen at random, right?

"I'll take whichever school you take." Night Xiu Chen said without thinking, anyway, he now just want a school with her, so he will study.

"Then what does Ah Chen plan to study? Economic management? Or finance or something like that?" An Xingyue tilted her head and asked.

"Neither, I'm going to study computers or something like that." Night Xiu Chen stroked An Xingyue's head and answered after a serious thought. "What does Yueyue plan to study?"

"I don't know, it seems like you can study anything." An Xingyue hung her head, for her there seemed to be nothing that she particularly wanted to learn, and many things she lost a lot of interest as soon as she learned them.

"This way ah, there is no hurry, there is still more than a year, baby you can take your time to think, you can learn anything you want, anyway, in the future I will try to earn money to support you." Night Xiu Chen did not expect An Xingyue would not know what she wanted to learn in the future, he always thought she had already set her goal.

But it does not matter, she can learn whatever she wants, anyway, in the future he did not think of her to make money to support the family, she just like it.

"Mm-hmm, I will slowly think about it, and I don't necessarily want Ah Chen to support me, ah, I can support Ah Chen, Ah Chen is responsible for looking beautiful, I am responsible for making money to support the family, giggle." An Xingyue suddenly smiled and said.

"It's okay too, I don't care." Little Grinch.

Night Xiu Chen looked at An Xingyue smiling happily and raided, then held her in his arms, "It's time for you to take a nap, there's still a competition in the afternoon."

"Then I'll trouble Ah Chen to be my pillow for now." An Xingyue didn't bother with him, she was used to his intimacy anyway, and she was indeed a little sleepy.

The person in his arms closed his eyes and started to rest, he stared at her for a while and also slowly closed his eyes.

As for Ji Yiyuan was Zhou Junxing took to dinner, and then found a couple milk tea store to drink milk tea, although the two people are still one step away from poking through the layer of paper, but now they are not that meaning, it can be said that the two people first intend to pass the ambiguous period.

After all, the ambiguous period in the you look at me a little, I shyly looked back at a glance, two people in touch with each other constantly rub out sparks.

The ambiguous period is very easy to make people blush.

The two of them are very close to each other, and the two of them are very close to each other.

Can you ask your sister-in-law, there are no other girlfriends, introduced to him to know, before he also despised Zhou Junxing actually moved, however, now he himself also want to find a girl who can make him move ah.

Want to talk about a warm, sweet love in this cold winter.

The company's main business is to provide a wide range of products and services to its customers.

Ye An looked at Luo Junxian with great confusion. Is it so good to get off in South City First Middle School? No, before the first year of high school, Chen and Zhou Junxing were not like this, so what happened to them in the past few months?

"Jun Xing likes a girl, and then the girl and Brother Chen's girlfriend are good sisters, before everyone has been mooning, and then Jun Xing lived up to his expectations, and the girl finally let go, so he is now striking while the iron is hot and going to that girl to deepen his feelings."

Luo Junxian lightly told the story, his face did not move, but his heart was bouncing: why should he be a moonshiner with everyone? Can't you just watch the show properly?

"So Mr. Zhou is off the hook?" Wen Ziyun asked flirtatiously after listening to it from the side.

"It should be."

"No, let Zhou Junxing buy dinner, why is it that he can all get off and Laozi is still a single dog?!" Ye An said furiously, can't accept that bastard Zhou Junxing got off before him.

"You talk to him, but he should be with other girls now, probably won't care about you." Luo Junxian spun his cup, looked at the emotional Ye An, and let out a light laugh.

"It's really unexpected na, Jun Xing actually has a girlfriend." Wen Ziyun did not expect the dangling Zhou Junxing would really like a girl, and also so attentive, and really planted.

"This thing who can say it? After all, Brother Chen also has a girlfriend."

"Also true."

A group of people in the box was chatting about Night Xiu Chen and Zhou Jun Xing, and then turned to talk about something else.

"Night Zihan seems to have been inquiring about Brother Chen's whereabouts, but this time Brother Chen is living in seclusion, so he hasn't been able to run into it." Song Qi suddenly opened his mouth and said.

"I guess we'll be able to run into each other soon." After all, Brother Chen should be accompanying the young lady shopping tomorrow or the day after tomorrow. Luo Junxian said rather mysteriously.

"I'm not afraid to run into it, anyway, it's not brother Chen who is in the wrong." Ye An said, "But I'm afraid that Brother Chen will make a move, and that's not good."

"Don't worry about it, with Missy in, Brother Chen will definitely not do it." After all, Miss Sister does not like Brother Chen to fight ah. Luo Junxian sold out and said.

"Then whatever, as long as Brother Chen doesn't make a move."

"Mm-hmm."
