

THE STARS ARE ORIGINALLY A PAIR - GETTING ALONG

Although Zhou Gongzi, who is usually responsible for livening up the atmosphere, went on strike due to his bad mood, the meal was still very harmonious and lively because Ye An and Song Qi were there.

After the meal, Ye An wanted to drag Night Xiu Chen to the Imperial Court, after all, the last time by Night Zihan messed up. But night Xiu Chen thought he had to go shopping with An Xingyue, and if he went to the Royal Court to play, it would be a few hours, which would be too late, his little cutie can not rest so late, not good for the body.

So the big man refused Ye An's proposal and pulled An Xingyue and left.

The supermarket at eight o'clock in the evening is a little quieter than during the day, but also quite a lot of people, many people should be out to eat after dinner.

The two of them are the first time to go to the supermarket together.

It was the first time that two people went to the supermarket together, so they enjoyed this kind of time with each other.

The two of them wanted to buy some daily necessities, but they put a lot of things in the cart as they strolled around. Originally, night Xiu Chen only wanted to be with An Xingyue, and then saw that she put a lot of snacks into the shopping cart, so when An Xingyue was not paying attention, he secretly put some back on the shelf, mainly because night Xiu Chen felt that it was not good to eat too many snacks.

An Xingyue took a look at the cart felt a little wrong, she put more than so little snacks, pretending as if nothing had happened, then seized the moment, night Xiu Chen saw seen by her, so helplessly smiled.

Then coaxed her, said a bunch of good words, An Xingyue then let go.

Pushing the car, night Xiu Chen looked at An Xingyue who was walking in front of him and smiled dotingly, since when did he learn to coax people? The actual fact is that you'll be able to get a lot more than just a few of these.

An Xingyue slightly noticed and looked back at Night Xiu Chen, then looked down at the cart, "Ah Chen, the things we bought seem to be a little too much Hey."

"Not much, it's all to use and to eat." Night Xiu Chen hooked the corner of his mouth and said.

From the supermarket out, night Xiu Chen hands carrying two bags of things, An Xingyue wanted to carry a bag of, but was prevented by night Xiu Chen.

"Baby you just need to follow me well, how can you do such a strong job as carrying things?"

You have to do all the hard work, what do you want me to do as a boyfriend? I need a chance to show my boyfriend power. (* ^ ^ ^ *)

An Xingyue couldn't win the argument with night Xiu Chen, so she could only give up, and then put her arm around night Xiu Chen and follow him. It's been a long time since the two of them have taken a walk together at night, especially since winter has come and gone, and night Xiu Chen worries about getting cold all day, so he won't drag her outside for a walk.

So the rare quiet time, An Xingyue from the bottom of his heart like, especially back to the neighborhood, quite a few people are gossiping, An Xingyue actually quite admire others, even if the weather is cold, but also maintain the past habits.

And night Xiu Chen is mainly glad that tonight shopping in the supermarket did not meet their own sister-in-law, otherwise he did not know what to do. After all, in the eyes of adults they are still children, even now together, they will not believe that they are able to go to the end, only as a whim, curious.

And by the sister-in-law know is equal to grandfather's side know, so they will certainly let him take the moon child back to them to see, but now An Xingyue obviously does not have that will, and take her back to the Han family side to see, the night family side will certainly also have action, but he has not yet thought about the night family, he will do?

And he is afraid that by the time An Xingyue knows about his previous affairs, she will dislike him.

I have to say that the big brother is a little bit not sober, after all, the previous one is a noble son on the surface, in and out, and after that he, fighting, truancy, picking up Internet cafes and what not have done, the young lady this way are not disgusted, then the previous one, he will not be disgusted.
