

### THE STARS ARE ORIGINALLY A PAIR - COMPETING FOR FAVOR

Because An Xingyue's answer was outside of An Guoting's expectation, the topic of An Xingyue's early love was out of the conversation, then An Guoting picked a new topic in order to continue exchanging feelings with An Xingyue.

The company's main goal is to provide the best possible service to its customers.

The actual fact is that you will be able to get a good deal on your own.

The company's main business is to provide a wide range of products and services to its customers.

An Xingyue is also helpless, who knows what her father was stimulated, insisted on chatting with her, and what the hell were they talking about? An Xingyue kind of want to leave, why no one asked her out today?

Perhaps feeling the resentment in her own daughter, Guan Yaxin seriously looked at the things in the house and decided to go out and buy some more things.

"Yueyue, do you want to go out shopping with mommy?" Guan Yaxin issued an invitation to her helpless daughter, after all, she also wanted to spend some time with her daughter, she couldn't let her father keep hogging her daughter.

Although An Xingyue also did not want to go shopping with her mother, but when she turned her head and thought about it, it was better to go shopping with her mother than to have an awkward conversation with her father at home, right?

"Good." An Xingyue replied affirmatively, then quickly ran back to her room to change her clothes.

An Guo Ting looked at An Xingyue, who disappeared quickly in front of him, and opened his mouth in surprise. The first thing you need to do is to go shopping with your mother.

Do girls like shopping more?

No, no, no, it's not that going out with her mother to buy things is more to her liking, but she prefers to go out with her mother than to talk with her father.

If she had a choice, she would prefer to stay at home by herself and read a book or watch a movie in peace and quiet.

Because of his mother's involvement, his father's chat could not continue. An Guo Ting looked at Guan Yaxin and An Xingyue who had gone to their rooms to change their clothes, slowly stood up, then strolled around the living room before finally going back to the bedroom.

When An Xingyue came out, she saw that An Guoting was no longer in the living room, then cruised around and finally settled on their bedroom side, An Xingyue rubbed her eyebrows, her father wouldn't want to follow them out together, right?

As expected, when Guan Yaxin came out, An Guo Ting also followed her and had already changed his clothes, Guan Yaxin who was walking in front had a disgusted face, annoying, she wanted to spend some time with Yue Yue both, how come she didn't find Professor An so rogue before?

"Yue Yue, your father said to be the driver to take us out, given that he is so active, let's allow him, right?" Guan Yaxin said helplessly to An Xingyue.

"..... good." An Xingyue paused for a moment, looking at the smiling An Guo Ting, she felt as if she couldn't refuse him.

In fact, Guan Yaxin is also very upset, she can also drive, and has a license, why must An Guo Ting that bastard to send them? It's not because of a soft heart, after all, the usually serious An dad is rare to please her, how can not refuse it.

And An dad also contributed his wallet, since this is even more can not refuse.

The company's main goal is to provide the best possible service to its customers.
