Because today is New Year's Eve, so a large number of people are out together, and originally An's mother was planning to do some more New Year's Eve shopping, but then she thought, it's rare to be with Yueyue, so just do some New Year's Eve shopping that will not be over soon, how can that be?

So Guan Yaxin decided to go shopping together at the central mall, not only to do New Year's Eve shopping, but also to buy clothes. This way, we can have a meal together at noon, and then continue shopping in the afternoon, and finally have an afternoon tea and go home.

The first thing you need to do is to get a good idea of what you want to do.

The first thing you need to do is to go to the center of the mall, Guan Yaxin thinks that the New Year's Eve goods must be heavier, so first look at the clothes, jewelry, these, and then go to the supermarket to do the New Year's Eve goods.

An Xingyue think since out, let her, anyway, are going to do, just a matter of order, but if there is a next time she must ask clearly how her plan is, absolutely not to promise to ask again.

Otherwise, on the boat of thieves can not get off.

Into a clothing store, Guan Yaxin let An Guo Ting carry the bag, and then walked to a pile of clothes in front of the beginning of the selection. The strong women also like to buy clothes, also like shopping.

An Xingyue and An Guoting sat on the chairs in the store, silently watching Guan Yaxin select clothes. An Guo Ting is a big man to buy clothes do not need to be so complicated, the right fit can be; and An Xingyue is the previous time in Kyoto with the big brother bought quite a lot of clothes, so now do not need to buy, and also have little mind to pick.

So, two people sitting quietly on the chair, An Guo Ting is casually took a magazine to read, An Xingyue is picked a fashion magazine to read, both people are thinking Guan Yaxin estimated to be quite long, so have to pass the time.

The two of them have a bit of an attitude, and the daughter can't talk about it, so she can only talk to her husband.

"Guoting you look at these dresses which one looks better?" Guan Yaxin took the three dresses and walked up to An Guo Ting and asked with a smile.

An Guo Ting was coldly shouted by Guan Yaxin, stiffened for a moment, then quickly put down the magazine, carefully observe the three dresses held by his wife, you asked him to look at the data and so on, he can casually say a few words, but you ask him which dress looks good, this is not to give him a problem?

An Guo Ting secretly glanced at his daughter who was watching the show next to him, and then pointed to the three dresses without leaving a trace, hoping that she could help him.

An Xingyue snorted a little, then pretended to seriously survey the three dresses held by her mother, but just did not give an answer An Guoting, anxious to die him.

Guan Yaxin saw that An Guo Ting was still thinking, then kicked him in the calf with his foot.

An Guo Ting looked at Guan Ya Xin ingratiatingly and said carefully: "Ya Xin you are not making it difficult for me? I think these three dresses look good on you, why don't we take them all?" This way you don't have to think about buying that one, and you don't have to ask me which one looks best.

An Guo Ting looked at Guan Yaxin who turned to leave and was stunned for a moment, so what's wrong now? He felt that his answer was not wrong ah, women do not like to buy buy buy buy?

Hey, daughter-in-law don't go ah, tell me first you are not satisfied with my answer ah, I'm afraid that you will settle accounts after the autumn ah.
