An Xingyue did not expect his own father's emotional intelligence is really so low, how did he marry his mother before? And wondered what his mother really saw in him? Good cooking skills? Good-looking?

An Xingyue blinked her eyes, suddenly turned her eyes to the helpless An dad, then seriously sized him up from top to bottom, then skimmed the corners of her mouth, she didn't see anything in An Guoting that attracted her mother, a strong woman.

The company's main business is to provide a wide range of products and services to its customers.

So, you can't make your daughter angry and you can't make your daughter-in-law angry.

The family position of the An family: An Xingyue ranked first, Guan Yaxin ranked second, An Guo Ting bottom. o (n n)O

Because of An Guoting's low emotional quotient, finally Guan Yaxin bought all three dresses because she herself did not know which one she liked the most, in that case, she wanted them all, anyway, she had money.

So daughter-in-law why did you just ask me?

Are you trying to get me to sleep in the study somehow, daughter-in-law?

Are you having a problem with me, daughter-in-law?

An Guo Ting saw that his wife ended up buying all three dresses, didn't that mean that he just had the right answer? Why did his wife give him an expressionless sweep when he finally turned around?

Death stare jpg

An Xingyue saw her own mother buy something and immediately stood up, finally she could change a place, so why did her mother not receive her resentment? Why did she continue to buy things?

An Xingyue followed her mother into a jewelry store, expressionless, and then saw her father, who was indifferent next to her, An Xingyue suddenly smiled, it's okay, she's not the only one who is "suffering", and looking at An Guo Ting's expression, An Xingyue felt that she could still hold on.

True, plastic father-daughter love.

Guan Yaxin sensed the dark tide between the two fathers and daughters, but did not want to pay any attention to it, anyway, Yue Yue will not suffer, as for whether An Guo Ting will suffer, that is not in her consideration.

The company's main business is to provide a wide range of products and services to its customers.

The company's main business is to provide a wide range of products and services to its customers.

After all, their relationship is not that good yet.

But in Guan Yaxin's opinion, this is already a breakthrough, as long as Yue Yue wears the things she bought, it proves that Yue Yue still cares about them, just don't know how to express it.

Needless to say, Guan Yaxin was a bit self-congratulatory.

However, when Guan Yaxin put the chain on her neck, An Xingyue's body had a momentary stiffness, since she knew better, they didn't seem to have such close contact, especially such contact as wearing jewelry for each other.

After putting on the chain, Guan Yaxin pushed the mirror in front of An Xingyue and asked her to look at it herself. An Xingyue then realized that the pendant was set with pink diamonds, so the essence of this chain was in this pendant?

But this chain An Xingyue really like, Guan Yaxin saw the satisfaction in her eyes, a wave of the hand, checkout, daughter's New Year's gift is done.

The company is still confused, not the daughter-in-law pick the jewelry? Why is it finally bought for the daughter?

The first thing you need to do is to get a good idea of what you're doing.
