

THE STARS ARE ORIGINALLY A PAIR - TOGETHER.

After lunch, everyone went their separate ways, Big Brother dragged Missy to the rooftop to deepen their relationship, then Mo Zhicheng dragged Su Zhiqing to the library, while Eddie Chen and Luo Junxian slipped away with a whoosh in order to create opportunities for Zhou Junxing.

Zhou Junxing and Ji Yiyang two people standing in front of the cafeteria door looking at each other, the two people are a bit overwhelmed, Ji Yiyang even in the heart has been spitting An Xingyue, really is more lust than friends, ah ah ah, said the good sister, good girlfriend it?

An Xingyue did not think so much, just think two people have been together for so long, and have a good feeling for each other, now is close to poking the layer of paper, so An Xingyue think she should let Ji Yiyang continue to cultivate feelings with Zhou Junxing, maybe accidentally the layer of paper will break?

So she, the light bulb, left with her boyfriend, and the two of them took their time to find a place to stay.

Zhou Junxing really does not know what to do? Although Zhou Gongzi's reputation in the school is quite bad, a lot of scandalous girlfriend, but really let him serious only Ji Yiyang such a one, so in the treatment of Ji Yiyang a few more cautious, afraid of where to do not do well, let her dissatisfaction.

So now where are the two going?

When they went to the small rooftop, little pepper they went to the library, Zhou Junxing thought for a while, decided two people find a place to learn a study.

"Yan Yan let's go to the milk tea store, you can drink milk tea, and you can also take me with you to prep for the new book." Zhou Junxing apprehensively proposed to, he really did not know where to go in the school this, if you go to the lake side, there must be a lot of people, it is estimated that soon rumors like Ji Yiyang is his girlfriend.

If Ji Yiyang is really his girlfriend, that's not much, but now the young lady has not let go ah, so the lover's lake or something is not suitable for them, or good to go to the milk tea store it.

"Okay, well, I also kind of want to and milk tea, but say prep you are serious?" Ji Yiyang surprised to ask, although before is together to study, but Ji Yiyang think he is just a whim, three minutes of enthusiasm, but now so seriously said pre-study, that is really want to learn.

"Must be serious, you will not always think that little master I am just playing around, right?" Zhou Junxing looked at Ji Yiyang with great suspicion, then exclaimed to.

The first thing you need to do is to get a good idea of what you want to do.

The two arrived at the milk tea store, Zhou Junxing ordered two cups of milk tea, and then really took out the newly issued language textbook and writing pen, and then looked at Ji Yiyang in a serious manner.

Ji Yiyan saw Zhou Junxing's preparations and knew that this brother was going to study hard, and asked curiously: "Why do you suddenly want to study? Wasn't the campus life before very nourishing?"

"Hee hee, before is no pursuit, plus Chen brother they also do not want to learn, so just casually cope with forgetting, but now Chen brother suddenly back to the previous height, and the small pepper also by the old Mo seized to learn, the fox needless to say, originally smarter than me, and then today even Eddie Chen said to go to tutoring, so I can not do nothing ah. "

Zhou Junxing thought about the changes in everyone, and then slowly said, from last semester to now everyone has really changed a lot, so he can not stay the same ah.

"And the most important thing is that I want to go to the same university with you, just like brother and sister-in-law Tatsu, about to study in the same university, and we all work together for the same goal together."

"I know my current grades are pretty bad, but there is still this semester as well as my senior year, I think it's not too late to start working hard, so Yeonyeon can you help me tutor?"

Zhou Junxing smiled, his eyes were firm but with a little uneasiness and nervousness, he felt that he was already showing his attitude with these words, so how would Ji Yiyan answer him?

It is indeed a bit caught off guard, Ji Yiyan was planning to just get along ambiguously, anyway, the feeling is not bad, but she also thought about what she should do if Zhou Junxing confessed, but she did not expect to start school so exciting, a bit did not slow down, but also a bit do not believe.

"Do you want to organize your language and say it again?" Ji Yiyan asked abashedly, but said so, but she felt she already had the answer in her heart.

In the past, she had been chasing Su Can, so even if a boy confessed his love for her, she would be quick and straightforward, but Zhou Junxing was different, he appeared when she was no longer clinging to Su Can, and then was different from her ideal type in both personality and all aspects, but it was because of these differences that it gave her different feelings, and once identified, Zhou Junxing really did a good job, although not very perfect.

"I don't need to organize my words to say it all over again because that's what I'm going to say no matter what, but can you reanswer?" Zhou Junxing heard Ji Yiyan's non-positive answer, drank two sips of milk tea to calm down, and then re-asked, meow, since it was said openly, the answer should give it.

"In fact, I you and my ideal type is completely different, it can be said that I like is gentle, and then all aspects of the more excellent type of person, but you are not gentle, and fights and what is outstanding, the results are not good, so I can say that if it is not Yue Yue I do not think I will get involved with you."

Zhou Junxing heard Ji Yiyan spit out one by one word, a bit at a loss, lowered his head, yes, he is not gentle at all, but also thieves fierce, but he did not fierce her ah, and he did not know that he would like a girl who is so far from himself, and then so good.

"But I will feel happy and relaxed when I get along with you, and no matter what you will be there when I need you, so even though you are different from the person I envisioned liking, I think it's okay to try, and you have made a change."

Ji Yiyang said seriously and pleasantly, although he has a lot of bad, but in her case, she can accept it all, just like Yue Yue accepted the big brother, Zhou Junxing although two, but he was very good and good to her.

Zhou Junxing, who was still in hell, after listening to the latter, jerked his head up and stared at Ji Yiyang in surprise, did she just say yes, hahaha, she said yes, he must have heard correctly.

"Hahahaha, Ye Yan Yan, is this your promise to be my girlfriend? Yes, you promised, hehehe, I, Zhou Junxing, am also the one who has a girlfriend from today onwards."

Ji Yiyang looked at Zhou Junxing giggling there, snorted and laughed himself, although you are not my ideal type, but now from now on my ideal type is you, I hope you will not let me down.
