

### THE STARS ARE ORIGINALLY A PAIR - GREAT

After the last chemistry test, An Xingyue and Ji Yiyang left together, because it seemed like they had something to do, so they disappeared after the test, An Xingyue was curious but didn't ask much, because she knew that if it wasn't something important, Ye Xiu Chen would never let her go home by herself.

"Yueyue what do you think they went? Leaving the two of us behind, and Zhiqing wasn't there either, were they with them?" Ji Yiyang asked casually, compared to An Xingyue's calmness, she was a bit anxious, after all, Zhou Junxing used to have quite a lot of previous convictions, she was afraid he had gone to fight.

"Zhiqing is not with them, Mo Zhicheng seems to have taken her with him to the hobby class, meow you can rest assured, they know in their own hearts, it will be fine." Even if there is something wrong, now they do not know where they are, and can not help anything.

An Xingyue patted Ji Yiyang's shoulder, then said with a smile, "Now I'm going home first, meow meow want to go home or go where?"

Originally and night Xiu Chen arranged to go to eat hot pot together after the examination, did not expect that he would suddenly have something to do, this way the hot pot will have to be postponed.

"I'm also going home, tonight my parents and they are going to go out to eat, saying something about celebrating the successful completion of my opening exams, Yueyue want to join me?" Ji Yiyang said with a smile, her parents since they knew she transferred to class 7, all day long worried that she could not think, or regret, and then rewarded her with various excuses to comfort her, unaware that after the transfer she lived a very happy life, not a bit of regret, and even wondering why so late to switch classes?

Ji Yiyang doesn't even know why her happiness in her parents' eyes is forcing a smile?

"No no, I'd better go home, and later on Ah Chen might come to look for me." An Xingyue refused, they are a family she went to the hustle and bustle of what, and she does not want to be nagged by Ji mother for the time being, although when the good intention, but now just after the examination, she just want to go home paralyzed.

At this time, the two people they are hanging out with are in an alley, a bunch of people standing there.

The company's main business is to provide a wide range of products and services to the market.

And because of these people's ignorance, he lost the opportunity to eat hot pot with his girlfriend tonight, and he didn't know how unhappy she was? The thing that was decided before, all blame these people.

As such thoughts, night Xiu Chen look at those people's gaze more unkind, when not to find trouble, but today to come.

In view of the mood of the unhappy, night Xiu Chen wait for those people to do after the hands, and the strength of the hands more than ever, Zhou Junxing when they do, took the time to look at Brother Chen, heart dumb, really can not disturb Brother Chen and sister-in-law's date, otherwise it is the end of these people this way.

Night Xiu Chen glanced at the people lying on the ground, snickered, as a person who has spent time in the military camp, these uninspiring fights will not hurt him at all, just accidentally wrinkled the clothes.

Night Xiu Chen picked up what was placed on the ground, patted the dust that stuck to it, then casually tidied up his clothes, picked up his phone, and sent a weibo to An Xingyue.

After receiving the exact reply, Night Xiu Chen looked at Zhou Jun Xing and the others, no injuries, then waved his hand and left.

"Do you guys feel that Brother Chen handled it a little fast this time, and hit a little hard?" Zhou Junxing looked at the few people who were still lying on the ground, bruised and swollen, and said in a panic.

"Snort, who let them find things do not find the time, hindered brother Chen to fall in love, did not lay a deadly hand is already merciful." Luo Junxian observed the injuries of those few people, none of them were fatal, just more painful.

"Thought it was some kind of powerful character, who knew it was this kind of goods, a waste of time." Eddie Chen took a look and said contemptuously, then the three men commented on the pile of people, and when they were done, they made a call to the police and left in style.

An Xingyue was thinking of finding something to eat on her own, who knew that night Xiu Chen asked her if she had eaten, if not, go downstairs, he took her to eat hot pot.

An Xingyue didn't expect Night Xiu Chen to take care of things so quickly, fortunately she didn't go to dinner with Meow Meow, otherwise she wouldn't have been able to go to the hot pot.

After going down at the appointed time, An Xingyue saw that Night Xiu Chen had changed his clothes and was wearing a long-sleeved shirt inside and just a jacket outside, An Xingyue narrowed her eyes, this person was not feeling cold?

The night Xiu Chen saw his girlfriend walking over, opened his hand and held An Xingyue in his arms, "Baby is taking a bath? It smells fragrant."

Night Xiu Chen buried his head in An Xingyue's neck, sniffed the cool smell coming from her body, and hold her in his arms before he settled down, today to those people so hard, in addition to is disturbing him, there is that they actually use his baby to threaten him, how is this possible?

The dragon has scales, An Xingyue is his scales, if not thinking that he would be in trouble if he accidentally killed the person, then how he would be so light-handed? That's right, in the opinion of night Xiu Chen he has been very light-handed.

"Mm-hmm, if Ah Chen had been that few minutes late, then I guess I would have been eating alone by now." An Xingyue patted night Xiu Chen's back and said gently.

"Then wouldn't I be lucky?" Night Xiu Chen laughed lightly, then straightened up and pulled An Xingyue towards the outside, taking his girlfriend to eat hot pot.

"Yeah, Ah Chen you are super lucky."

Given that An Xingyue likes to eat spicy but has Boon the one that eats too spicy, so night Xiu Chen ordered a mandarin duck pot at the beginning, put the spicy one into the clear soup over a bit to make it not so spicy.

An Xingyue see night Xiu Chen practice is a little upset, but who let her want to eat spicy, but also can only do so, or night Xiu Chen estimated even spicy soup base are not willing to order, directly a clear soup pot can be.

"Good treasure your own intestines are not very good, if you eat too spicy estimate tonight after you go back to your stomach will hurt, and you are alone at home, when something happens, then how to do?" Night Xiu Chen said, just together, he did not find this problem, then time he knew that her stomach is not very good, so night Xiu Chen to her food is more attentive.

An Xingyue deflated her mouth, she knew he had a good point, but still so sad oh.

What is spicy after the clear soup?

Disgusting.

But An Xingyue still ate all the things that night Xiu Chen gave her, delicious, except not very spicy, everything else is good.

Night Xiu Chen looked at An Xingyue eat like a hamster, cheeks are bulging up, gently smiled, really cast feed her to eat is a very happy thing.
