

THE STARS ARE ORIGINALLY A PAIR - START OF SCHOOL ACCOMMODATION

The reading time always passes quickly, from the opening exam to the final exam, everyone's grades have improved qualitatively, especially Zhou Junxing, Ji Yiyan has helped him tutor for a semester, and Zhou Junxing is also unusually cooperative, although the current grades can not be compared with Ji Yiyan, but also can be on the second, by the time the senior year and then a rush, perhaps there is a chance to go to the same university together.

The company's main goal is to provide a comprehensive range of products and services to the market.

Originally their sophomore and senior summer vacation is only one month, doing summer homework is already quite a lot, and now there are additional tasks, how pathetic.

A month of summer vacation, An Xingyue plans to study at home, the intended travel can only be canceled, after all, soon senior, no matter what, we must pay attention to, although she and night Xiu Chen's performance is stable, but it is better to be safe, the college entrance examination is not a child's play.

So a whole summer, An Xingyue put their schedule full of arrangements, and then night Xiu Chen in order to accompany her is also in accordance with the plan to act, only a little change.

The first thing you need to do is to get a good idea of what you're getting into. .

The first time he came to her house, he happened to bump into An's father when he came home, which made Big Brother nervous. Later, after more times, Big Brother directly treated An's house as his own, and he also fought with An's father.

In the beginning, An Guo Ting was very opinionated about night Xiu Chen, but later saw that An Xingyue liked him so much, he slowly changed his opinion, and since the relationship with An Xingyue has eased, An Xingyue will tell him after each test, how she did, how night Xiu Chen also tested, and then sometimes on the phone will tell him some interesting things that happened at school, so An Guo Ting is now for The company is still quite satisfied with the night Xiu Chen.

An Xingyue leaned on the sofa, looking at night Xiu Chen who was playing chess with his father, full of love and affection, since he knew that An's father liked to play chess, night Xiu Chen deliberately learned chess, and then every time they met the two people have to spar with each other.

"Kid this game you do not give way to me, I do not believe that I can not win you." An Guoting said furiously, obviously in the research room is a serious old uncle, but after returning home, in front of An Xingyue and night Xiu Chen like a small child, and An Xingyue also saw him and night Xiu Chen play chess only after the original An dad actually find all kinds of excuses to regret chess, simply subvert her three views.

"Uncle, don't worry I won't let you, after all, isn't it an insult to you to let go of water?" Night Xiu Chen said in a serious manner, and then An Xingyue watched the big brother always let the water down without leaving a trace when he was playing.

An Xingyue pursed her lips and smiled, Ah Chen is also quite desperate in order to have a good relationship with An Dad.

After playing chess, An Dad deliberately let night Xiu Chen stay for dinner, after all, An Guo Ting already knew that night Xiu Chen and the family had a conflict, and then rarely come home, now are living alone in the South City, so An Dad love house and Wu, to night Xiu Chen a few more pity.

I have to say, An dad is not so busy now, often find time to come home, so a summer down, An Xingyue and his relationship soared, and then every time you come back to do delicious, and even night Xiu Chen and her weight has gone up a lot.

The third year of high school to go back to class a month earlier, and the school side recommended that the students of the third year of high school are better to stay, so the day back to school, An father and An mother deliberately took a vacation, send An Xingyue and night Xiu Chen back to school, by the way to help them pack the dormitory.

Originally night Xiu Chen was planning to drive back by himself, after all, during the summer vacation, the big man has already passed his eighteenth birthday, driving license or something has long been, and then An Dad said to send them, so night Xiu Chen followed An Xingyue to do An Dad's car back to school.

Because the class group has long sent out the dormitory table, so back to school directly to the dormitory to pack things can be, the first day has not yet started classes, we can go to the dormitory to pack things, what is missing can also use today to make up.

Originally, An Xingyue intended to go back to the dormitory to pack by herself, but Guan Yaxin felt that it was not easy to accompany her on a trip, so she thought it was better for her to help pack together, and then we could also go to lunch together.

So in the end, An Xingyue took An's mother to the girls' dormitory, and Night Xiu Chen took An's father to the boys' dormitory. Originally, Night Xiu Chen thought he was a boy, so he didn't need An's father to follow, but he was too generous, so

The dormitory is a four-room dormitory, An Xingyue thought she was the earliest, but I didn't expect to see Su Zhiqing and Ji Yiyang and another girl in class 7 already there once I entered, which means An Xingyue was the latest.

Because Ji Yiyang often came to play with An Xingyue before, so An's mother still had an impression of her. She was worried that An Xingyue would not be used to living in the same dormitory with others, but now she found that Ji Yiyang was also here, so Guan Yaxin was much relieved.

Because they are all the little princesses of the family, so they are accompanied by their parents to come together, so the dormitory is kind of packed with people, An Xingyue took the rag and wiped the bed, while Guan Yaxin wiped the table, and then helped An Xingyue to get the bed those well, An Xingyue watched from the side, her heart had a kind of indescribable feeling, if it was before, she never thought of this kind of scene.

Then night Xiu Chen side, An dad is also the same, although it is said that night Xiu Chen is a boy, but An dad feels that other people's children are accompanied by their parents, so An dad is very good

at showing fatherly power, Zhou Jun Xing and Luo Jun Xian and Chen Eddie looked at their brother Chen and a handsome middle-aged uncle came in together has been stunned.

Because of their improved grades as well as understanding a lot, the family spent more time on them than before, even the start of the school year also took time out, originally they thought they all had their parents or big brother around, when Chen was alone, how were they going to comfort Chen, who knew that Chen would come with a middle-aged man.

Because there were adults around, they could only suppress their inner rushing, their faces twitching as they watched Brother Chen and the unknown uncle pack their things together.

It was Luo Junxian's father who was a little surprised to see Night Xiu Chen treating a middle-aged man so respectfully, after all, his father had told them how cool and submissive Night Xiu Chen was before and how unruly and rebellious he was now, if Old Night saw his son like this he would probably wonder if he was his own son?

But no wonder, he accompanied Jun Xian back to the South City, asked him if he wanted to come to see the night Xiu Chen, who knew that he could not let go of face unwilling to come, tsk tsk, still waiting for the boy Xiu Chen back to give them a step down, it is estimated that it is impossible.
