

THE STARS ARE ORIGINALLY A PAIR - NO RUSH.

After playing basketball, Night Xiu Chen walked directly to An Xingyue, then took the clothes she had been holding and said under his breath, "Bao, I think I need to go back to the dormitory and take a shower, so Bao you go to the library and sit first, then I'll go over to you later, okay?"

An Xingyue took a tissue to help him wipe off the sweat on his face, "Good, then I'll wait for you in the library, Ah Chen can take his time, there's no rush."

Then Night Xiu Chen and Zhou Jun Xing left together with them, while An Xingyue was ready to go to the library, when she left she asked Ji Yi Yan if she wanted to join her.

"Yue Yue you go to the library and wait for big brother, I have an appointment with Jun Xing to go to the milk tea store, it's not that convenient to go to the library, after all I am going to talk to Jun Xing about the topic, I'm afraid that when he gets me angry, I can't help but get him killed in the library."

The company's main business is to provide a wide range of products and services to the market.

An Xingyue puffed out a laugh, although she also helped Ah Chen to make up for the lesson before, but the big guy was a school bully before, so when she made up for the lesson, the big guy's comprehension and stuff was still okay, so she was unable to understand why Meow Meow was so gnashing her teeth when she talked about studying with Mr. Zhou.

"Okay, then I'll go." An Xingyue waved her hand and then left.

After going to the library, An Xingyue found the book that she wanted to read, and then went to the position where she usually sat with Night Xiu Chen, who was already in the library at this time, looked at An Xingyue with a bit of surprise, knowing that since the school bully and Missy were together, it was rare to see the school bully not beside Missy, did they quarrel?

Obviously these students don't know that Missy just finished watching the school bully's basketball game, that's why they thought the two were quarreling.

Night Xiu Chen showered and passed by the milk tea store to bring a cup of milk tea to Missy, and then quickly proceeded to the library.

When he arrived, he saw that An Xingyue was already seriously reading a book, so he gently put the milk tea next to her and then went to find the book he wanted to read.

When he got the book back and sat down, An Xingyue was already holding the milk tea and drinking it, "Why didn't Ah Chen buy the one with ice?"

An Xingyue asked puzzled, the weather is so hot, but every time the big brother bought milk tea is room temperature, she did not understand why this is so.

You can understand when you say physiological period, but why is not the physiological period are like this, excessive.

Since entering the summer, Missy and Big Brother have not drunk milk tea with ice when they were together, it is simply pathetic.

"Adding ice is too cold, Bao your own intestines and stomach is not very good, so let's drink room temperature is good, wait to get better intestines and stomach and then drink with ice, OK?" Night Xiu Chen placated to, sometimes drinking cold drinks is not a problem, but sometimes it can go wrong, night Xiu Chen feel that they can not grasp that degree, so it is better to be cautious, after all, An Xingyue delicate very.

"Oh." An Xingyue deflated her mouth, she knew she had a bad stomach, so she paid attention to her diet, but I didn't expect Ah Chen to be more cautious, his sentence to get better before eating she didn't know how many times she had heard it.

But because he is for her sake, she will give in, if really want to drink, she will secretly go to drink, without him, then he does not know.

The first thing you need to do is to get a good idea of what you are getting into.

The first thing you need to do is to get a good idea of what you're doing.

I can only pretend not to know, or the more powerful the suppression, when the rebound more powerful how? You should know that with her eloquence it is estimated that the people around her will secretly agree to her request.

An Xingyue does not know that her own caution is night Xiu Chen see through, anyway, she secretly do this thing rarely, and not iced milk tea she can still tolerate, as for the ice-cream those, when they are at home can slowly enjoy well.

The two people so smoothly reached an agreement (superficially), private each have their own small calculations.

The first thing you need to do is to get a good idea of what you're doing.

"Brother Zhicheng, why are you here? I said I would go back to school after class and asked you to wait for me at school? How troublesome it is for you to come out specially." Su Zhiqing said with a smile but a bit disgusted, she knew how stressful senior year was, although it was just the beginning of the school year today, but everyone was already in a state.

He now purposely came to wait for her, still do not know how much time wasted?

"I was worried about you, so I waited for you here, and I didn't come much earlier, I was coming out after playing basketball." Mo Zhicheng took Su Zhiqing's school bag and said slowly.

"You, you." Su Zhiqing wrapped her arm around Mo Zhicheng, "Let's go back to school together, after that I can have dinner at school with Brother Zhicheng, because my acting classes are scheduled on weekends afterwards, so I don't have to come out every day after school."

"That's good, no need to rush so much." Mo Zhicheng stroked her head, if she had to come out to class on purpose in the future, then she would have to rush back for evening study, and the time would be very rushed.

The future classes are scheduled on weekends then there is no need to rush, and he can also send her to class, and then find a place to read while waiting for her to leave class, and then go home together or do other things.

"Are you tired of class today?" Mo Zhicheng had not understood the situation of art candidates before, then Su Zhiqing said she wanted to develop in this area, he began to contact, but he had not experienced it, so he did not know whether it was hard or not.

"Not tired ah, have been learning for so long, are used to it, hehehe." Su Zhiqing said with a smile, if not suddenly sprouted this idea, she did not even think she would go to study acting, and even the goal will be set for the Beijing Film, and now is towards this goal, she does not want to be so close, and then talk to her bamboo horse brother in a long-distance relationship.

After all, he is so good, what if he is pried out of the corner?

Two people walking hand in hand on the street, the street lights have long been lit, but covet the taste of holding hands, so both people do not intend to take the car back to school, anyway, there is a leave slip, and tonight is not scheduled for evening study, so there is no hurry, ah, take your time.

Although Mo Zhicheng is partial, but last semester he has got the acceptance letter of Chinese major in Beijing University through independent enrollment, so he more need not worry, after all, even if he does not come to school this senior year is also possible, but because of the existence of Su Zhiqing, so he still likes to stay in school.

The big brother and An Xingyue on the other hand are to get the title of the top student of the college entrance examination so they take the college entrance examination.
