

### THE STARS ARE ORIGINALLY A PAIR - AWESOME

Because of what happened last night, so the next morning we woke up remembering or a little palpitations, if not the school bully at that time, it is estimated that the consequences are more unimaginable, after all, we are all good students, who did not expect to eat a snack can also meet that kind of people.

But fortunately everyone's psychological quality can still be, although still a little bit afraid, but hope in the front well, now the most important thing is the race.

The night Xiu Chen because of the fight last night, afraid of An Xingyue do not like, so racked his brain in thinking how to please his girlfriend, so the morning up as soon as you open the door, An Xingyue saw the night Xiu Chen standing in the doorway.

"Why are you here? How long have you been standing here?" An Xingyue looked at Night Xiu Chen rather heartily, he was carrying several breakfast items in his hand, all the ones she said she wanted to eat yesterday.

It was only after six o'clock, so how early did he go out to buy breakfast?

Without waiting for him to answer, An Xingyue pulled him into the room and told him to put down his breakfast first, then sit down.

"Not much earlier, Bao didn't you say you wanted to eat these? So I went to buy them, try them quickly." Night Xiu Chen looked at An Xingyue, said slightly pleasing, his girlfriend did not seem to be angry, but not angry he thought it was impossible, because An Xingyue did not like him fighting at all, so that is because he did not observe carefully enough?

Night Xiu Chen heart apprehensively thought, if An Xingyue later tantrum he should how to coax? Let her beat up?

An Xingyue raised her eyebrows, did she mishear? Why did it feel like there was an element of ingratiating in Ah Chen's words? So what did he do wrong to please her?

An Xingyue thought for a while but did not think where night Xiu Chen did wrong, so can only put aside for the time being, first eat breakfast before.

"A Chen also eat together, so much I can not finish it myself." An Xingyue picked up a bun and sent it to the side of night Xiu Chen's mouth, then watched him eat it.

In this way, night Xiu Chen is even more uneasy, why is his girlfriend like this? Does she want to wait for him to admit his mistake himself before she goes down on him?

Night Xiu Chen weighed up the situation and thought that if he died early, maybe his girlfriend could see that he was out to help him last night and be a little more gentle with him.

"Bao, I know I'm wrong, I shouldn't have fought, even if they were so excessive I shouldn't have hit them so badly, I should have subdued them and called the police instead of crippling them all."

"Bao, I promise there really won't be a next time, I definitely won't fight, don't you get angry, okay? If you still feel angry, then you hit me okay? But let's discuss not to hit the face, after all, there is still a competition, have to go out to meet people."

Night Xiu Chen obediently walked to An Xingyue squatted down in front of her so that she could hit his face, the mouth said no, but the body was honest, because he felt that in addition to hit the face, may hit other places Yue Yue did not so fast to eliminate anger.

An Xingyue was confused for a moment when night Xiu Chen opened his mouth to admit his mistake, then after listening to him, a little ridiculous can not, she is so do not understand things?

First of all, not to mention that the fight last night was to protect them, even if it was done to help others, she did not want to blame him, after all, he has done a good job, so An Xingyue did not put the matter of his fight last night in mind, if it really minded, it was because she saw his hand rubbed a little skin after moving last night, a little heartbroken.

"Really give me a fight?" An Xingyue blinked and said flirtatiously, estimating that she played, waiting for the game are not able to eliminate, this way his image is no longer.

"Fight, as long as you can eliminate the anger." Night Xiu Chen valiantly righteous like said, mood apprehension he did not hear An Xingyue flirtation, but also took the initiative to put his face to An Xingyue hand.

"How come you're so good at reading and now you're so stupid?" An Xingyue said disgustedly, then pinched Night Xiu Chen's face with her hand.

"I'm not even angry, if it wasn't for A Chen you reminded me yourself, I would have forgotten about last night, it's not like A Chen provoked me first last night, and A Chen was just defending himself and protecting me, so why should I blame you?"

An Xingyue explained with a smile, how this person is so stupid, "So Achen bought me a good breakfast early in the morning to please me too? To coax me?"

"No, originally intended to buy breakfast for you, and then also stored a few to please you." Night Xiu Chen heard An Xingyue's words, raised his head in surprise, then replied to, his girlfriend did not blame him, so what was his apprehension for?

"Bao you are really not angry, right?" Night Xiu Chen confirmed to again and again.

"Yeah, I'm not angry, and I kind of want to laugh, I didn't expect A Chen you are so well behaved and admit your mistake in a serious way." An Xingyue leaned down and kissed Night Xiu Chen's cheek, and said with a light smile.

"It's not because I'm afraid that you'll get angry and then hold a big move against me, that's why I thought that no matter what, I'll admit my mistake first, and then you'll definitely not be that angry."

Night Xiu Chen touched the place just kissed by An Xingyue, and then muttered in a small voice.

"Hahahaha, Ah Chen you are really wonderful." An Xingyue wrapped her arms around his neck and couldn't stop laughing, it really seemed like it was too cute to let everyone see such a well behaved look.

It was estimated that only An Xingyue would think that the big brother was cute.

"Well, since it's clear, let's continue eating breakfast, after all, we're going to the competition later." An Xingyue looked at the breakfast set on the table and said to Night Xiu Chen.

"Mm-hmm, as long as you're not angry, good boy, everything is fine." As long as auntie is not angry, no problem is a problem.

An Xingyue did not eat much in the morning, especially now the weather is hot, appetite is even smaller, so after eating a little, An Xingyue stopped, night Xiu Chen thought about how much she probably ate, and then used various means to make her eat a little more.

"Bao you said yourself later to race, now eat so little, you soon hungry, then what? Eat a little more, okay?"

"I ate a lot more, Ah Chen, I do not want to eat, I will drink the soy milk and then do not eat, OK?" In order not to continue eating breakfast, An Xingyue tugged at the hem of Night Xiu Chen's shirt, blinked her eyes and said in a petulant manner.

"Don't you pout at me, Bao." Night Xiu Chen covered his face, his little cutie had broken the rules, "Okay, but you have to finish the soy milk."

"No problem." An Xingyue immediately picked up the soybean milk to drink, as long as you do not continue to eat breakfast, is not to finish a cup of soybean milk? Small meaning.

Night Xiu Chen ate the rest, can't waste food, it's shameful to waste food.

The two people in the room is almost tired, received a message from the teacher before departing downstairs, night Xiu Chen before leaving the door also took a few pieces of chocolate into the bag, he was really afraid that she was hungry, when there is nothing to eat.

An Xingyue saw his action and smiled, then took his hand and set off together.
