

THE STARS ARE ORIGINALLY A PAIR - END

Squatting at home until the day of filling out the volunteer, the two people went out to go back to school, in these days are not sure how many interviews pushed, after all, the two people are not the kind of people who love the limelight.

Even An's father's cell phone was blown up, and had to refuse to answer strange calls, An's father also joked that this was the first time he had been treated this way.

After returning to school and everyone gathered in class, and then quickly do the formalities those, two people left in a low profile, after all, there are a few reporters waiting at the entrance to the school, a group of people in the school to shoot up that banner, the thief embarrassed.

It is also fortunate that they went fast, and soon after leaving, the seventh class ran into the reporter, and then bleeped them both out, including the return of the prodigal son, for the love of learning, and then with his girlfriend on the list.

Later, An Xingyue saw what the people in class seven said, the whole person was stunned, you guys so snarky big brother not afraid of big brother after the fall?

After filling out the volunteer, after receiving the acceptance letter, night Xiu Chen began to encourage An Xingyue to go out together, and finally a line of people driving tour, and then wave to the first two days of school before returning to South City.

Because we all enrolled in different schools, the start time is also a little different, so choose a time, we gathered together, and then go their own way.

After arriving at the university, the two people's face is excellent, and then they both became the golden girl of that class, who did not know that the two of them are the same high school, and because the two people's entrance exam results have been missed, many people want to see for themselves, is it really so good?

After school started, because An Xingyue chose medical science, and night Xiu Chen is computer, and then the two people except noon to eat a meal together, in the evening together with the school road stroll, there is not much activity, after all, we are busy.

Many people are secretly guessing how long these two people can be together, after all, before high school, everyone's feelings are pure, now in college, can be more selective, will not be fascinated by the eyes, and then out of the question.

Who knows from freshman to sophomore year, night Xiu Chen as long as there is time to send snacks to An Xingyue, sometimes also send breakfast, and often bring gifts to her dormitory people or something, in addition to the two people do not spend a lot of time together, the other does not seem to have changed much.

Even An Xingyue's roommates said that this is the Xingyue one person in love to feed their entire dormitory.

An Xingyue also knows that night Xiu Chen has been giving her housemates gifts and what not, all because he wants them to take care of her more, and by the way help her deal with those wild bees and butterflies.

After all, the big man always felt that someone was stealing her from him, and she didn't even feel it herself.

Later on, in his junior year, night Xiu Chen got a technology company by himself, and then pulled some people together, this way they started to get busy, after all, everything is difficult at the beginning, so An Xingyue rarely saw him in school.

Subsequently, because the medical profession is also busy, professional courses are also many, two people sometimes just a phone call, and then each busy, at first An Xingyue is quite uncomfortable, and then their own busy up, put in the back of the mind.

Not to mention night Xiu Chen, a straight man, also did not pay much attention, if not later out of the question, it is estimated that he still think it is normal.

By mistake, someone in the school's postings caught Night Xiu Chen with a woman, the point is that this woman is not yet Goddess An, and then someone said that Night Xiu Chen did not send breakfast or something to An Xingyue for a long time, so everyone is speculating whether this divine love is withered.

But An Xingyue also did not notice this, after all, really too busy.

Later or she accidentally heard someone talking about this, and then went on the posting bar to look at it, she realized that so many pictures of Night Xiu Chen and another girl appeared from nowhere.

But as a rational child, An Xingyue sent the post directly to Night Xiu Chen, and then asked him if he wanted to break up? Is this thing true or not? Who is the girl in the photo?

When he received the message, the whole person was stunned, my goodness, what the hell?

Damn, his girlfriend is here to ask for help, but he only knew about it when he saw the message she sent.

"Yue Yue, you believe me, I do not know what is going on, you wait for me to check, I am answering you, okay? But baby you have to believe me, I really have nothing to do with that woman." Night Xiu Chen apprehensively dialed An Xingyue phone, then a brain said.

"I also want to believe you, but how are you going to explain those photos? Now the whole school probably knows that you are with another girl, and I was broken up." An Xingyue said self-deprecatingly, if she hadn't heard about it by chance, then wouldn't she have always known, no wonder everyone looked at her so strangely before, and she thought it was nothing.

"Baby you give me some time, I'll clarify right away and get the whole thing straight, okay?" Night Xiu Chen pleaded, he knew that An Xingyue was not tolerant of any sand in her feelings.

"Okay." An Xingyue simply returned a word, then hung up the phone, the whole person lying on the bed, if not out of this incident, she did not find that she and his contact has been so much less this time, either he was busy or she was busy.

Perhaps it's really time to consider where this relationship should go.

An Xingyue slowly closed her eyes, her body was tired, her heart was also tired.

And this side of the night Xiu Chen has asked people to find out who put those photos up, and who took them? What are the intentions?

The big brother felt very aggrieved, but could not say.

The house mates of An Xingyue also know this matter, although usually night Xiu Chen take care of them quite a lot, but if the big brother really wrong Yue Yue, then they will not be unreasonable to help the big brother, but they think the big brother is not that kind of person, but see An Xingyue they can not say.

It is obvious that Yue Yue does not want them to help him plead for mercy.

Finally, the big brother with his findings and his own review, as well as a ring to solve the matter.

Originally night Xiu Chen thought when An Xingyue to the age of the two of them to get a marriage license, who knows we are busy, busy busy delayed.

Now this happened just to wake him up, so immediately and An Xingyue explained the whole thing, he proposed, also let everyone know that their feelings are very good, he is a married man, do not want to touch his porcelain all day.

An Xingyue also didn't expect Night Xiu Chen to be so quick, and proposed to her directly after clarifying things.

This time aside, the previous performance of night Xiu Chen can be said to be remarkable, so An Xingyue also did not hesitate much, anyway, to settle accounts or whatever slowly are not in a hurry.

And Ji Yiyang they know the big brother proposal directly in the group coaxing, let night Xiu Chen wait for them to come back to invite guests.

Night Xiu Chen gladly agreed, after all, even if they do not mention it, he will also propose it.

Subsequently, because of the big brother's cheeky, An Xingyue reluctantly agreed to move out with him, originally night Xiu Chen had long wanted to do so, but An Xingyue has not agreed, rare now proposal, night Xiu Chen still did not hurry to pester An Xingyue, soft and hard, finally let the person agreed.

And the people in the school witnessed their proposal and later marriage.

After the marriage, the big man still spoiled An Xingyue like a child.
