

THE STARS ARE ORIGINALLY A PAIR - WHAT HAPPENED TO THE PROMISE OF BEING SINGLE TOGETHER?

By the time class was almost over, everyone in the classroom had finally arrived

In a bunch of people's enthusiastic popularity, everyone else knew that Su Zhiqing had woken up the Big Devil, but An Xingyue had calmed him down in a few words, instantly everyone turned their attention to An Xingyue, worthy of being able to sit with the Big Devil, actually able to calm the Big Devil down.

In the midst of all the people's fiery gazes, An Xingyue stood still, languidly and intently looking at the book she was holding, as if something was attracting her.

It was not until the bell rang that everyone reluctantly withdrew their eyes, but you think that's all?

No, no, no, the teacher is on the podium incessantly in the lecture, below the students' small notes passed with great interest.

An Xingyue sat in the back row of the teacher, and in the corner, the whole classroom situation in the eyes, lightly laughed a little, really interesting, this group of people.

The little notes were passed by thieves, obviously someone was playing with the phone, why not just use the phone to communicate? They don't take the school rule of no cell phones in class seriously anyway, and look how focused her tablemate is playing the game!

And the one who was thought to be playing the game very intently, heard her light laughter, the hand that was operating the character paused for a moment, and then the character under him died.

Regardless of the surroundings, An Xingyue quickly put her mind back and wanted to listen carefully to the class, however, after a while she found that what the teacher in class 7 was talking about was just all very shallow and not that in-depth, so An Xingyue was only serious for so long before pulling out her own extracurricular books to read.

For her, it doesn't matter if she takes high school classes or not, but she still wants to experience the fun of high school.

The company's main goal is to provide the best possible service to its customers.

But who knows, the table only listened for a while to take out their own books to see, night Xiu Chen silently came over to take a look, and then silently put back, disturbed.

The whole thing is in English, nowadays the school bully is so capricious? The book is all in English? The first thing you need to do is to get a good idea of what you're looking for.

The first thing you need to do is to go to the city library on Saturday. The books she bought have almost been read, so it's time to go to the library and borrow them.

Both of them were thinking about their own business, and in the blink of an eye, a class period passed.

Zhou Junxing and Luo Junxian greeted Night Xiu Chen as soon as they left the classroom.

The two people stood in the corridor and looked at the black rope on night Xiu Chen's wrist. In the morning, when they returned to the classroom, they learned that last night night night Xiu Chen took a new student to skip the evening study, and, this morning, because the new student did not get angry even after being woken up, which simply subverted their three views.

Who said before that wearing bracelets and other things on the hand is very girly, and now who is wearing it without psychological pressure?

"Brother, didn't you say that wearing these things is very girly? Why are you wearing them?" Zhou Junxing asked bitchily.

The company's main business is to provide a wide range of products and services to its customers.

"Yes yes, you are a big brother, how can't you?" Zhou Junxing said weakly.

"Brother Chen, this should be a gift from classmate An, right? It is estimated that people still put it on you by hand?" Luo Junxian falsely held up his glasses and said.

"Mm-hmm." Hearing Luo Junxian's words, Night Xiu Chen smiled with great pleasure.

"So, brother, you're with her?" Zhou Junxing, who did not know how to judge the situation in the slightest, asked without fear of death.

Night Xiu Chen's just smiling expression, instantly stiffened.

Sure enough, Brother Chen has not fixed people ah, little Zhouzi this fool, straight poke Brother Chen heart, fancy death.

"It's only a matter of time before she and I get together, which is like you guys, you don't even have an ambiguous object, hehe."

Dropping these words, Night Xiu Chen walked into the classroom, not wanting to continue communicating with them at all.

"Is this brother Chen despising us? Why? He still hasn't caught up with Miss?" Zhou Junxing asked reluctantly.

"Just by the fact that other Miss Sister gave him a bracelet, and you didn't have anyone to give it to, so" Luo Junxian smiled, but now Brother Chen was a little more popular than before.

"Well, it's rare that Brother Chen is enlightened, we should be happy for him, and if he holds the beauty, then little Zhouzi you can still let other ladies help you plead for mercy when you mess with Brother Chen in the future."

"It seems to be so right, but I think after they get together, Brother Chen is estimated to show love in front of us ah, said to be single together?"

Single together, how is it possible? Don't think too much. Luo Junxian faintly laughed.
