

THE STARS ARE ORIGINALLY A PAIR - EXAMINATION WEEK

"All students, the school decided to start a three-day monthly exam on Wednesday of this week, after school later the duty students should set up the exam room, Zhao Yuan you wait for them to set up and check it is correct before leaving." Wang Ya instructed, then glanced at An Xingyue, estimated that this is the only one in their class will create a miracle, this time the first in the grade will certainly appear in their class 7.

Hahahaha [] (▽)

Wang Ya who walked out of the classroom with a demented smile was completely unaware that the students in class 7 looked at him and laughed, thinking that he was stimulated by something?

"What's wrong with old Wang? Laughing so silly?"

"I guess he was stimulated in advance. Who doesn't know that our class has always been at the bottom of the list, so I guess this time it's not much better?"

"That's what's wrong, the old king should be used to it, which is so easily stimulated?"

"You do not know that the old king just laugh is the kind of evil smile?"

"Crap, so it seems to be oh, the old king is planning to do what?"

"Class leader, this monthly exam cheer ah, a bunch of dragging oil bottles waiting for you to pull ah."

"Oh da, you guys don't think too much, I think even the first in the grade can't afford to pull you guys a bunch of dragging bottles ah." Zhao Yuan heard someone tell him to cheer, laughed a little, he is also just a little better physics, the other and they are no different ah.

The day passed, the noise, tomorrow is the monthly exam, but also An Xingyue came to the first test in South City, no matter who was the first in the grade before, now she is here, then this first she will not be polite to accept.

The first time I saw the first exam of the second year of high school, I was surprised to see that night Xiu Chen was in the exam room next to her.

The first time I found An Xingyue, she was chatting with Ji Yiyang, who was ready to go to the exam and asked for a hug, saying that she wanted to get her fairy breath and bless her with a high score, after all, being in the first class, the pressure is huge.

"The same table, I also want to hug." The company's main goal is to provide a good solution to the problem.

An Xingyue gave him a white look and said, "Even if I gave you a hug, you wouldn't be able to get a high score, no, probably not even a passing grade."

"Zing this sentence." Night Xiu Chen covered his heart and pretended to be hurt.

An Xingyue looked at him, after a period of time, she knew that night Xiu Chen had a good feeling for her, so he was always playful in front of her, no matter how she treated him, he would rarely be angry with her.

After thinking sideways, An Xingyue smiled slightly and said, "How about you answer the questions carefully in this exam, and after the results come out, no matter how good or bad, I'll give you a gift?"

An Xingyue wanted to know how dazzling he, who was once known as the pride of the sky, was, although he was also the focus of attention now, but the two feelings were different.

The main thing is with his current situation, two people if early love, it is estimated that the school will try every possible way to obstruct, but two people with equal grades, then there will be no problem.

Night Xiu Chen froze for a moment, seriously answer the question? He hadn't taken a test seriously for a long time, either to turn in a blank paper or to miss an exam, but since it was a request from the same table, how could he not agree to it? And there is a gift to receive?

"Then it's a deal, I'll do well in the exam, no matter how good or bad the results are, you have to send me a gift, no broken promises." Night Xiu Chen was afraid that she would go back on her words later, and also recorded the sound with his cell phone.

The first thing you need to do is to get ready for the exam, so you have to say goodbye, but at the end, he hugged An Xingyue when she wasn't looking.
