

**THE STARS ARE ORIGINALLY A PAIR - A DEEP UNDERSTANDING OF JUSTICE? NO, NO, NO.**

In view of the unexpected situation, Wang Ya then cancelled An Xingyue's speech, pretended to be calm and hosted the parent-teacher conference, and waited until the subject teacher came, and let the subject teacher chat with the parents while he brought An Xingyue and Night Xiu Chen's parents to the office.

And the two people at the basketball court were a little confused when they saw the message sent by Zhou Junxing and the two of them.

An Xingyue didn't know why the two people who said they wouldn't come would show up at the parent-teacher conference, while Night Xiu Chen snorted when he saw the text message, didn't he say he didn't care? What are you still doing here?

An Xingyue looked at night Xiu Chen frowned, a middle school people said that the big devil in the midterm and the first semester of senior high school grades are very good, then a winter break back do not know what happened, the big brother's grades plummeted, and began to skip classes and so on.

Teachers are very unfortunate, using all kinds of methods can not change him, I heard that his family does not care about him.

So now Zhou Junxing and the others are saying in their text messages that his parents are coming, what is that for?

The company's main goal is to provide the best possible service to its customers.

An Xingyue tugged on Night Xiu Chen's clothes and said, "We guess we'll have to go back to class."

The night Xiu Chen, who was still immersed in his own mind, was interrupted by An Xingyue and instantly came back to his senses, "No need to go back to the classroom, go to the office."

Then tenderly rubbed her hair, night Xiu Chen smiled and said, "Later when the old king asks you, you just say I took you to sneak away, no matter what will happen, you will put all the fault on me, understand?"

His little table is a good student, can not give those teachers a bad impression ah, anyway, his reputation is so bad, a little worse, but his little table can not be implicated ah.

An Xingyue looked at him seriously, did not say anything, but silently thought, how can you let a person take the blame, anyway, such things as reputation she never cared, and she felt that a relationship in high school is also quite good.

Two people walking side by side in the campus, night Xiu Chen also pretended not to touch her small hand, after several times, directly hold on, anyway, there is no one to see.

And the heart has already decided An Xingyue, also did not struggle, so obediently let him hold.

The actual fact is that you can find a lot of people who have been in the business for a long time.

The alternative to meet the parents.

The first time I saw you, I was a big devil, a big brother, don't go. o ( \* ▽ \* ) o

An Xingyue was a little surprised to see that her parents were not at all abashed, instead, she did not expect them to really come.

And Wang Ya's whole face darkened when he saw Night Xiu Chen walk in with An Xingyue. Brat, bringing down all the good students in our class, ahhhhh.

Can not be lightly forgiven.

And how to fall in love with different segments, what if it delays An Xingyue's study? Wang Ya but thinking about the college entrance exams to bring out a top student.

As for why it is night Xiu Chen will delay An Xingyue rather than An Xingyue can bring night Xiu Chen back to the right way, mainly because the big devil is too difficult to get, when so many teachers also failed to let him lose his way, Wang Ya do not believe An Xingyue can do.

It must be said that the old king underestimated the power of love.

And Guan Xinya and An Guo Ting looked at their own daughter really came in with a boy, their hearts were broken, before they could still deceive themselves, now the real hammer. { { {( {).

The two men looked at each other, what should we do? To beat up a couple?

Not qualified.

Han Yan Yuan's whole body trembled slightly when she saw him, she hadn't seen him for a long time, the boy hadn't been back since he left home on New Year's Day.

When he saw Han Yan Yuan, a trace of sadness flashed in his eyes, but it quickly disappeared, replaced by indifference, as if the things in front of him could not raise his interest.

The people are all together, the interrogation meeting begins.

Wang Ya cleared his throat and said seriously, "You two are still in your second year of high school and are in a critical period, Xing Yue your grades are so good, you should not fall in love, when you go to college, there is more time."

"Night Xiu Chen your grades are not good, usually you love how the teacher does not care about you (and can not control), but only you and An Xingyue students in love this matter, the teacher does not agree, I think your parents also think so."

"The most important thing for you now is to study hard, not to think about love all the time."

The parents who were named, were confused.

Guan Xinya glanced at An Guoting, then met An Xingyue's eyes, "Ahem, Teacher Wang, Yue Yue's grades are already very good, her father and I didn't think of asking her to be great, we more wanted her to be happy in school and experience high school life, after all, we had thought that if Yue's grades were not good, then we would choose to send her abroad. Now she is doing much better than we expected, so we won't ask her to do this or that, she should be happy."

The implication of her mother is that she can fall in love if she wants to, as long as she likes it.

The first thing you need to do is to get a good idea of what you want to do. >The actual fact is that the actual fact is that the particulars of the actuals are not the same as the actuals.

The company's main business is to provide a wide range of products and services to its customers. The company's main business is to provide a wide range of products and services to its customers. The first thing you need to do is to get a good idea of what you want.

An Guo Ting's heart hard ah, so easy to raise a cabbage by the pig arch, but also can not have an opinion, hum.

Wang Ya so hear, heart cold half cut, turn to put all the hope in the night mother.

However . . . . .

Already sorry night Xiu Chen, if you oppose this matter again, then it is estimated that the mother-son love is really gone, and now also so shallow.

"Teacher, Xiu Chen's grades are not very good, and this Xing Yue students' grades so good, if and this student together, perhaps under her infection, he will study well, after all, at least to deserve their girl ah."

"So ah, teacher, I do not oppose them to fall in love, they are not children, know what they are doing, they do not regret it after the line, we do not intervene too much on the sidelines."

Oh, Wang Ya's heart directly cold, now parents are so open-minded? But not ah, a couple of days ago after being invited to parents, parents directly beat the lovebirds, why are their two parents so righteous?

Seriously?

An Xingyue saw Wang Ya's constipation-like expression, smiled secretly, glanced at Night Xiu Chen without thinking, and assured, "Teacher, I am here to assure you that even if I fall in love with Night Xiu Chen, my grades will not drop, I hope you will not oppose this matter of us falling in love again."

Good love is something that can make people improve, not regress.

"In that case, then I hope you can do it." Wang Ya even if you want to disagree, there is nothing you can do, parents are not opposed, what can you do?

Teacher na, not easy ah.
