

THE STARS ARE ORIGINALLY A PAIR - A DIFFERENT KIND OF BIG BROTHER

Monday morning, An Xingyue finished all the things, carrying the school bag at the entrance of the district waiting for night Xiu Chen, because he said before is no name and no points, so can not come to pick her up openly and go to school with her. Now that he has a name, he has to show that he has a girlfriend.

The first thing you need to do is to get a good idea of what you want to do.

The children of the first school said they were frightened to go to school today because they actually saw that the big devil's bike was actually carrying someone. You should know that before a girl touched his car, the big devil will be very angry, and warned some girls can not touch his car, once a girl touched, the big devil directly dislike people cry, no mercy at all.

And the children in class seven before entering the classroom has heard a lot about the Daimao bicycle carrying people to school, various versions of the matter, have prepared their hearts.

Originally thought that after the parent meeting Old King looked for them to chat, there will always be so little restraint, right, who knows, those two will be so high-profile.

The big brother is worthy of the big brother.

When Zhou Junxing and Luo Junxian returned to their seats together, they found that the boss, who should have been lying on the table to catch up on his sleep, was reading a book very seriously! Zhou Junxing rubbed his eyes and looked at Luo Junxian incredulously and said, "Fox, do you think love has that much magic power? Brother Chen is actually reading a book? Actually reading a book? Are you serious?"

Luo Junxian patted his shoulder, "Little Zhouzi ah, you have to know that Brother Chen's girlfriend is the first place in this monthly exam, Brother Chen can't be too bad, at least he has to be worthy of the young lady."

"And if you want to please a beautiful person, you always have to pay a little price." Luo Junxian said slowly and methodically.

"Nothing to say, just convince Brother Chen. However, for the noon meal, Brother Chen will probably have to bleed a lot." The first time I saw the company, I was very happy to be able to eat a big meal at noon. o(∩∩)O

After all, a parents' meeting has passed, it is estimated that everyone's pocket money or something is less, alas.

In fact, the book that night Xiu Chen read is An Xingyue's, the books on his desk are all senior one, sophomore books are still at home, not moved in the slightest, in order to show that he wants to study well, borrowed his little fairy's book to see.

After all, An Xingyue is all about memorizing English words and practicing speaking in the morning.

Seeing his girlfriend working so hard, night Xiu Chen did not want to continue to be decadent. He seriously thought about it, with his little fairy's grades, the top universities in China she can just pick, if he continues to be decadent, then they probably can't study in the same university in the future.

In case of a long-distance relationship, the moon is so beautiful, the grades are also so good, someone will definitely pry him out of the corner, so he has to work hard while he can, anyway, his bottom is not bad, he can always catch up.

After all, he was once the first in his grade. = ω =

The first time she saw him reading a book so intently.

The first time she saw him reading a book so intensely, she saw him leaning back in his chair, holding the book in one hand.

An Xingyue lightly laughed, took out the phone that was listening to the spoken word, and when she pressed the photo button, Night Xiu Chen happened to look at her with a full smile.

The person in the photo is very good looking.
