

THE STARS ARE ORIGINALLY A PAIR - A MILLION SURPRISES

Class 7 students were surprised to find that the great devil did not sleep this morning, but very serious in listening to the lesson, even the physics teacher asked him a question in class, he also answered.

Simply.

Incredible jpg.

Until the end of school at noon, the class of seven people still can not believe that the class of the great devil is myself, once thought it was a fake, how can the great devil be so well behaved!

How is it possible?

However, Big Brother told them with his behavior that nothing is impossible.

Everything is possible, especially for people in love.

Zhou Junxing easily waited until the end of school and decided to make Big Brother invite him to dinner even if he had to do everything possible. However, before he could make a move, night Xiu Chen said in their group today at noon his treat, go out to eat, the point came: you can bring family members.

Bring family members? The big man just wants to show his love, after all, he is the only one in their group who is qualified and has family members to bring.

At that time, Zhou Junxing saw it and wanted not to go, aspirational babies do not eat dog food, but he did not have the will, his wallet told him: he did not have the bottom. But in the end, he is still quite happy for Brother Chen, after all, he always thought Brother Chen is estimated to be always alone.

After school, night Xiu Chen said to An Xingyue, let her tell her friend to go out to eat at a restaurant today at noon, his treat. And Su Zhiqing, who was sitting in front, said it was a bit uncomfortable to hear the big brother talking so gently.

An Xingyue blankly glanced at Night Xiu Chen, so quick to want to declare sovereignty, but she did not dismiss his words, because I do not know if Ji Yiyang has finished class, after all, the teachers of key classes are quite fond of dragging the class, so she just sent a text message to tell her where to go to eat at noon, she first went there to wait for her, so that she can go over after class.

And as An Xingyue and Night Xiu Chen went over together, Ji Yiyang saw the text message An Xingyue sent her, and after thinking about the rumors she heard this morning, she felt that her own cabbage might really have been swallowed by a pig.

An-daily-cabbage Xing Yue

Night-Pig-Xiuchen

In any case, Ji Yiyang felt that it was necessary to meet to get a clearer picture of the situation, she had said to Yue Yue that if she and Night Xiu Chen were together, then no one would dare to bully her in Class 7 or even in Middle School 1, but that was just a joke, in fact, she did not think that the current

Night Xiu Chen could match her little Yue Yue, although the big man was handsome and had a good family background, but if the three views did not match, Yue Yue and him Together will be very tired.

If it is the previous grade six to fly up, shining that look, that night Xiu Chen is able to and Yue Yue shoulder, now, a little not enough it.

Not necessarily good grades, at least before the night Xiu Chen will not casually fight, smoking, so, Ji Yiyang simply worry about.

The first thing you need to do is to get a good idea of what you're getting into.

The actual best friend of hers is actually not in agreement with the two of them being together from the bottom of her heart.

Even Su Zhiqing didn't think that night Xiu Chen could catch up with An Xingyue so quickly, after all, at the beginning, she thought that An Xingyue was the kind of student with good grades, how could she look up to these poor students, but never thought that she would be caught up by night Xiu Chen so quickly.

But as long as it is not a hard-hearted girl, in a handsome, and to other people are very high cold, on the warm you a little brother chase, it is estimated that no also a few can resist.
