

THE STARS ARE ORIGINALLY A PAIR - DINNER DATE

After school, night Xiu Chen asked An Xingyue for a reward, saying that it was rare for him to get into the top 200 in the class, so he had to be rewarded for it, so he wanted An Xingyue to have dinner with him tonight.

An Xingyue thought it was not impossible, her boyfriend should be rewarded for doing so well in his exams, and he just wanted to have dinner with her.

But An Xingyue said she would go home and shower first, then go to dinner, and after that she could go straight back to school. The first thing you need to do is to take An Xingyue home first, and then he will pick her up at six.

After taking a shower, An Xingyue looked at the clothes in her closet and thought about what she should wear. The relationship is different, the way of treating should also be different, and you have to wear something nice for dinner with your boyfriend, but you have to go back to school for the evening study, so you can't be too grand, so after picking and choosing, An Xingyue chose a long-sleeved white dress, after all, it's still quite cold at night. She is a girl who wants temperature as well as poise.

The first time the two of them had a meal together after the relationship was established, he had to show his handsomeness, after all, he knew that An Xingyue was a face-controller.

Black slacks with white shirt, outside took a black jacket, feet stepped on canvas shoes, a word, handsome.

In order not to let An Xingyue wait for him, night Xiu Chen went out early, and perhaps An Xingyue for his sake so early, will invite him to her home to sit down.

The wish should still be there, in case it comes true? (●~? ~●)

And this side An Xingyue remembered that last time, night Xiu Chen will arrive early, so get things done and went out, she did not want to see him standing there alone waiting for her.

So why did these two people make a date for six o'clock? Both will be out early anyway, and not just that little bit early. (_____ | | |)

Anyway, by the time An Xingyue arrived, she had already seen Night Xiu Chen waiting there. The first time I heard that you girls take quite a long time to go out, Yueyue really surprised me, so fast."

He was expecting a lot to get the bag for his sister.

An Xingyue pushed the hand that was placed on her head, she found that after being together night Xiu Chen's small actions were very much, like now, he moved to rub her head or touch her face, at first she refused, but after that she slowly got used to it.

Habit is a terrible thing.

"It doesn't take that much time without much makeup."

"And do we take a taxi there or wait for the bus?" An Xingyue noticed that Night Xiu Chen didn't come on that bike of his, so how were they going to get to dinner?

"Let's take a taxi, for the bus, it's still kind of the rush hour after work and there are more people." Said night Xiu Chen then took out his phone to ask for a car. Although it is said that the great devil king has a Land Rover in his hand, but he did not want An Xingyue to think that he is the kind of dude did not drive over.

You say it's not because you don't have a driver's license, how is it possible? They have a car in the hands of these people will let the family get a driving license, even if not, but also not with fear.
