So the Saturday day that was planned to go play turned into a good study.

The first thing you need to do is to go to the library and study with Night Xiu Chen, but then Zhou Jun Xing and the rest of them insisted on following along, and given the number of people, it might not be convenient to go to the library, so An Xingyue suggested to Night Xiu Chen that we go to the cafe to study together, after all, we can also drink something. ㄟ (@_—_@)ノ

The big brother heartily for a week, it was easy to wait for the holiday, the two people can finally get together alone, who knows there are a group of pitiful people who can not look at the face, the world of evil people soak, night Xiu Chen face gloomy look at the phone WeChat group of those bastards in the message, plotting how to teach them a lesson, so that they have an unforgettable memory.

Saturday, the weather was sunny and slightly cold, An Xingyue took her own papers and several sets of 5-3 exam papers and went out.

Because he had already finished the exercise books he bought for him, An Xingyue decided to go out early with him, first to the bookstore to buy some 5-3 books, and then to the cafe.

But the consequence of doing so is that his moonchild picks out a very large number of exercises for him to do.

The last checkout time, see the several five three and another bought exercise book, night Xiu Chen draws the corners of the mouth, if now he and Yueyaer said in fact before he did not learn knowledge

When Zhou Junxing and Luo Junxian didn't see Big Brother at the cafe, they called Night Xiu Chen, who told them to order drinks first, and he and An Xingyue would arrive later.

And what is the reason why the big man is late? The reason is because before Zhou Junxing called, the big man thought that there are blessings together, there are difficulties together, so let An Xingyue pick some exercise books for them to do, after all, today we are to study well. o(n)O

After An Xingyue and Night Xiu Chen arrived at the cafe, they saw Mo Zhicheng was also there, so they asked Su Zhiqing with their eyes.

"How come your family's bamboo horse is also here?"

Su Zhiqing spread her hands, her family bamboo horse is deeply loved by her mother, he wants to follow, what can she do? And the excuse is also very good, anyway, you are also going to study, then bring me also no difference, we learn together well.

The original five people became six people, said to go to play became in the cafe to study.
