

**THE STARS ARE ORIGINALLY A PAIR - THIS MATTER OF EMOTIONS, ALWAYS SERIOUS**

The tree is big and attracts the wind, people red things.

Since An Xingyue and night Xiu Chen together, there are always girls who will whisper in her ears, sour, can not eat grapes to say sour, and some are saying

The first thing you need to do is to get a good idea of what you are getting into.

So, it was a rare day that An Xingyue did not go to lunch with the big brother, and then with Ji Yiyuan two people were stopped, and the person who stopped the road is quite familiar.

After the first monthly exam, An Xingyue was stopped by someone, and now she was stopped by someone again, and it was the same person. ( ͡ ͡ | | | )

Hmmmm, what a connection. (llll ͡ ͡)

Xiang Qing has not been happy at all this time, since the school rumors everywhere night Xiu Chen and An Xingyue together, and night Xiu Chen did not clarify, and even she sometimes saw him with that girl, therefore, Xiang Qing knew that night Xiu Chen is serious, he really like that girl, after all, she secretly like him for so long, have not seen him so tender to anyone.

But she is not willing to ah, obviously they were not together before, why just two months of time, night Xiu Chen like that girl.

The first time I saw the girl, I thought that she must have used some tactics, so night Xiu Chen fell so quickly, so she has been trying to find a chance to meet that girl, finally she found the opportunity, today night Xiu Chen is not with her, so Qing took advantage of the time when everyone went to dinner to stop An Xingyue and Ji Yiyuan.

Because of the blocking once, so to Qing to An Xingyue or a little impression, before to Qing think An Xingyue is very high cold, a little soft girl's appearance is not, so at that time night Xiu Chen helped her, to Qing think nothing, anyway he will not like this type of girl.

Who knew that he would end up with her?

But today a look, originally cold people become a little warm and elegant, the same is still her calm and the kind of innate elegance, with a little book aroma temperament, did not see people before, Xiang Qing can say that she made the means to seduce night Xiu Chen, but after seeing people, she felt that this kind of girl just so quietly standing on the side, will attract the attention of many people, what is she can not get it? It is estimated that if she opens her mouth, there will be many people to please her and meet her.

Xiang Qing smiled sadly, under her eyes gaze, originally wanted to say the words are blocked in the throat, can not say anything.

"An Xingyue, you are so bashful, so casual about many things, then for night Xiu Chen's feelings, do you use your heart or do not care to act?"

"If night Xiu Chen and you say break up, you will retain? Or just split up?"

Xiang Qing was going to put some harsh words, but Drunken Hu only left these two words and left with her little brother.

Before Ji Yiyan could react, the group of people in front of her disappeared, "Yue Yue, this person stopped you just to say these two words? Seriously?"

"Maybe."

"Let's go, let's go eat."

An Xingyue looked meaningfully at the direction Xiang Qing left, but really .....

This is a matter of emotion, who can say the right thing? Like to Qing, like the night Xiu Chen so long, but still not able to move him?

And she, only a few months, the night Xiu Chen will be moved by her, who could have predicted that not close to the female devil in love will be so gentle and considerate?

For many things are casual, it is because nothing necessary, but for feelings, she has always been serious, for night Xiu Chen, is very cherished, after all, not everyone can always notice her emotional changes and then coax her in various ways.

And A Chen that person, how will easily say break up? This assumption does not exist ah.
