

### THE STARS ARE ORIGINALLY A PAIR - THE LOSS OF PEOPLE

Because the clip is basically a clip up and will fall, rarely will there be a clip to move a distance, so the first attempt of the big man failed.

The second time big brother clip is close to the exit, after the coin, big brother quickly move the clip, and with the crank to shake the clip twice, and finally let the clip stay on the head of the doll, and then press the button, and I do not know whether to comfort themselves, or have a good idea, press down when big brother also pressed a few more times. ←\_\_←

The first thing you need to do is to get your hands on the bobbleheads. >The first thing you need to do is to get your hands on one of these.

As the two of them watched nervously, the doll was clipped up, and then fell down when it was still a little distance from the exit. I'm sorry. I'm sorry. The first thing you need to do is to get a good idea of what you're doing.

"The first thing you need to do is to get your hands on it. An Xingyue clenched her fist with one hand and shook it at him.

The first time the company was in the market, the company was able to get a new product from the company.

But after two tries, night Xiu Chen probably found the feel, so the third time is really a sure thing. (~  
▽)~

Watching the doll fall down from the exit, An Xingyue if not concerned about the surrounding people, she estimated that she could jump up.

Night Xiu Chen handed the doll he caught to An Xingyue, hooked his lips and said, "Still want it?"

An Xingyue took the doll, this is the boyfriend clip to, the meaning is not the same, go home and have to be put away.

"Still want, A Chen still clip?" An Xingyue said happily, dolls these, she does not too much. (●'?' ●)

"Clip if you want, it seems to be quite easy." After the big brother succeeded once, he thought it was not difficult to clip the doll? I don't understand why Zhou Junxing didn't get a single one before, and it still used a lot of coins.

The big man began to walk the path of clip doll winner.

Not every time can add clip to, but two or three times can clip to once, this is already very powerful.

Finally, An Xingyue looked at the dolls on the ground and laughed helplessly.

She held flowers in her hand, and night Xiu Chen there carrying food, they two simply can not take so many dolls away, and continue to play it.

So then, An Xingyue distributed some of the dolls to the children, they were left with two of her favorite, is hard on Ah Chen, clip to most of her to share with others. =The majority of the money was distributed to others.

Night Xiu Chen did not think anything, after all, are clip to her, she likes how to dispose of how to dispose of, and the two of them really can not get so much.

The main thing is to see Yueyaer look at the clip out dolls so happy, he ignored the fact that two people can not take away so many dolls, after all, he just want to please her.

"A Chen, I just saw that there is still shooting over there, let's go over and take a look." An Xingyue took the initiative to pull night Xiu Chen to go outside, she is now very happy.

Walking to the shooting stall, night Xiu Chen looked at the doll named prize, helplessly looked at An Xingyue.

"Little brother, do you want to play, ten dollars ten bullets, ten shots in nine shots, so big over there bear doll can take away, as long as ten dollars oh, buy can not lose, buy can not be fooled, and can be used to give your girlfriend, to ensure that your girlfriend will like very much." The stall owner saw the night Xiu Chen they came over, they began to pull customers, after all, really can once successfully take away the doll he has done so long have not seen it?

But the stall owner will soon regret it, after all, the big man is a person who has played with a real gun and has specially trained in marksmanship.

Night Xiu Chen saw An Xingyue was very interested in that big bear after buying ten dollars, but he was not in a hurry to shoot, to know that these guns are specially treated, according to the habit to shoot, certainly not hit, so the big man first shot a shot, probably have an idea, before shooting a second time, and as expected, a slight change can be.

So, in addition to the first shot missed, the next nine shots were shot, the stall owner was simply stunned.

How was it possible?

But he couldn't have cheated, so someone could really do it.
