

THE STARS ARE ORIGINALLY A PAIR - THE INVISIBLE STORM

Because An's parents were busy with work, so they didn't go home again this week. So An Xingyue followed night Xiu Chen either to the library to stay, or find a cafe to sit, anyway, the two people always stay together to study.

Originally, An Xingyue said that each home study is good, and can also video, but can not help the big guy will be cute and play poor ah, in order to see people, the big guy's face are falling to the ground, pick up can not pick up the kind.

But that's why An Xingyue found out that Night Xiu Chen had been living alone in South City.

The big brother pretended a good hand of pity, after all, although An Xingyue cold, but thieves soft-hearted, the big brother with this has been brushing the lower limit of his family cutie.

Night - shameless - Xiu Chen.

The holiday back to face is the midterm exam results, night Xiu Chen rare once so look forward to the results out, after all, his family's little table said, if he entered the top 100, then send a small gift to him.

The previous pen was a small table did not know what to send randomly, now the relationship is different, the treatment should also be different, the gift can no longer just send it.

For the big guy, the top 100 of the second year of high school is definitely not going to work, now well, the big guy has inexplicable confidence in himself, after all, the former is known as the god of learning, and his little cute also specially helped him to tutor. (●~? ~●)

On Monday back to go, An Xingyue felt that everyone was a little decadent, although usually everyone would be like this when they came back after the double break, after all, during the holidays everyone is wave flying, especially these non-study, very capricious babies of class 7.

But it seems that today everyone is more listless than before, An Xingyue eating breakfast, looking at the big brother who is memorizing English words, the big brother now does not have the slightest sense of the previous kind of mixed up.

And when Su Zhiqing returned to the classroom, for the first time ignored the presence of big brother, then the whole person hugged An Xingyue, and most importantly buried his head in front of An Xingyue's chest, something that no big brother had ever done.

Night Xiu Chen looked at Su Zhi Qing who dominated his girlfriend, narrowed his eyes, and the hand holding the English book unconsciously tightened.

"Wow, Yueyue, the results are coming out today, what should we do? I feel like this exam is so hard, ooooooh, I feel like my pocket money is going to leave me again." Su Zhiqing said very sadly, to know that she had improved in her previous monthly exams, if she did poorly in this midterm exam, her family's emperor would say that she only cared about playing again.

An Xingyue touched Su Zhiqing's head, felt good, touched it twice more, and then glanced at Night Xiu Chen, no wonder he liked touching her head so much, it was really comfortable. o (* ▽ *) o

"The questions in this exam are a bit difficult, and it's not surprising that the score is lower than before, so Zhiqing you don't have to worry about it, ah, everyone's score should generally be lower than that previous monthly exam." An Xingyue thought back to the questions of this exam, for others, the questions were on the difficult side, but it seemed to make no difference to her.

"Then Yue Yue is also?" Su Zhiqing lifted her head and looked at An Xingyue with a hopeful face.

An Xingyue messed with the broken hair around her ear and said unnaturally, "I think it's okay, my grades should be similar to before." After all, the results were about to come out, and An Xingyue didn't want to lie to Su Zhiqing.

"Wow, I knew it." Su Zhiqing said this sentence, then sat back in her chair, the whole person like a distracted flower, poor bar.

An Xingyue felt that she was so innocent, it was her fault for doing well in the exam.
