

THE STARS ARE ORIGINALLY A PAIR - A LITTLE FUSS IS GOOD FOR THE SOUL

He took the candy and milk tea back to the classroom, Zhou Junxing, Eddie Chen and Luo Junxian followed him, Zhou Junxing looked at him secretly and then quietly said to Luo Junxian, "Isn't Brother Chen angry? Why did he bring milk tea and food to the young lady?"

"Probably because even if he's angry, he doesn't want to starve his girlfriend, you don't know how much brother Chen pets his sister-in-law." Luo Junxian thought about how Brother Chen treated his sister-in-law before and couldn't help but laugh.

The most important thing is that you can't be afraid of the righteousness of the mouth - night Xiu Chen

An Xingyue was reading a book, but she was actually thinking about what she should do to coax Night Xiu Chen, after all, she had never done such a thing. Apologize, then send food? Buy a gift?

But buying a gift is a promise she gave him to get into the top 50, if now send a gift to apologize it seems a bit insincere; send food, but night Xiu Chen does not have a particular favorite food.

Alas. > ~ <

She was still thinking, when night Xiu Chen already carried milk tea those came in.

Su Zhiqing saw the big brother with Yue Yue's favorite milk tea into the classroom, a little incredulous, after all, when the big brother went out is still full of gloomy face, who knows now as if nothing has happened.

Unbelievable

Originally she thought that if Yue Yue couldn't coax Big Brother, then they would have to stay in Shura.

However, Big Brother does not need to be coaxed by Yue Yue to be fine, how come Big Brother is so massive now?

When placing the milk tea in front of An Xingyue, Night Xiu Chen's hand shook and then held, don't panic. And he was the one who was unreasonable first, no matter how Yueyue treats him, he will suffer. (~ m ~)

An Xingyue didn't expect a gloomy face to go out and come back with milk tea for her, she thought A Chen would be angry for at least a while, and was still struggling with how to coax people.

An Xingyue held the milk tea, tasted a mouthful and narrowed her eyes, well, it was her favorite.

Night Xiu Chen just returned to the position to sit down, see is the little table with milk tea, a satisfied look.

Sighed, forget it, and what is she bothered about? Really, the last bit of stuffiness in the heart is gone, really can't do anything with her ah.

An Xingyue watched with afterglow night Xiu Chen pull out the phone to play, then seriously thought in his heart, and finally quickly approached night Xiu Chen's face, gently kissed, a touch and then parted.

Then pretend as if nothing happened and continue to drink milk tea, as for the night Xiu Chen has been stunned, to know that this is his little cute in the classroom for the first time to him to do such intimate actions, but the big brother with his hand touched just An Xingyue kiss place, the time is too short, have not had time to feel it?

And how could Big Brother let go of such benefits, he quietly approached An Xingyue, and then put his hand around her waist, followed by a kiss on her earlobe.

An Xingyue, who had done something humiliating, had been paying attention to the reaction of night Xiu Chen, and had noticed when he leaned over, but did not stop, and then struggled a little when he put his hand on her waist, but the struggle was not large, but did not expect night Xiu Chen to kiss her earlobe, so the whole person trembled a little, and his face was tinged with pink haze.

An Xingyue felt that her earlobe was very sensitive, plus after night Xiu Chen kissed her, he also laughed lightly, and then whispered in her ear: courtesy.

Then the hot breath he exhaled when he spoke still hit her ear, An Xingyue whole person is not good.

But night Xiu Chen still knows the occasion, so it is not very over, but the hand on her waist still confiscated back.

And witnessed the whole process of Zhou Junxing feel like eating a handful of golden dog food, said the good angry it? Said the good reserved? Where is the big brother's dominance? Why do not even want the principle after the young lady kissed?

Why should he pay close attention to Tatsu because he was curious? If he was not curious, he would not have been fed dog food!!!

Zhou Junxing looked at night Xiu Chen leaning on the chair, then looked at the young lady who was drinking milk tea, smiling with a slutty face, living like a demented man, which has just a look of wanting to kill, which usually in front of them cross posture, obviously a little titty dog well.

The kind that his little cutie can just wave to him and he can run over to him.

But seeing how the two of them usually get along, Zhou Junxing suddenly also wants to fall in love. (? ω?)

But like him, either on his family, or on his money, or on his face, who will really like him as a person? No matter what else, is simply like him kind of.

The more you think about it, the lower you get, like their family background, how many of those around them are sincere? But all to please them, or for the sake of their own family behind and follow them.

The company's main business is to provide a wide range of products and services to the market.

In addition to Chen, a few of them also regretted, and then after knowing the true nature of those people, but feel grateful. Thinking about it, Zhou Junxing laughed mockingly.

Then implicitly and unknowingly glanced at An Xingyue, although he did not see many things as clear as the fox, but he hopes that An Xingyue is really good for Chen, even in the future, do not break Chen's heart because of biased trust in others, to know that Chen is very important to him, even his relatives can not compare with Chen, so he hopes more than anyone else that Chen can be happy, happy.

And since he was with An Xingyue, he found that Chen's mood was much better than before, at least he would smile at them, not that kind of smile, but from the heart, happy smile.

The first thing you need to do is to get a good idea of what you are doing.

And she understands his possessiveness and that she will keep her distance from other people of the opposite sex, but she also hopes he will understand her, after all, sometimes it is necessary to communicate with the opposite sex.

She told him not to be angry, after all, she is the first time in love, new to the road, inevitably make mistakes. o (* ▽ *) o

The night Xiu Chen thought, his little cute how to tolerate him so well? The company is so good to him that he can't bear to treat her badly. I think it's a crime to treat her badly at all. = ω =

"Luna, I'm not angry, if I was angry I wouldn't have brought you food and bought you milk tea, so ah, I'm not angry with you, I'm just afraid that I'm not good enough, afraid that you'll be snatched away by someone else and I can only stand still and watch you walk away a little." The first thing you need to do is to get a good idea of what you're doing.

An Xingyue heard the big brother so no bottom words, feel sour in the heart, where he is not good enough, obviously he has done a good job, it is her in this relationship did not give enough security him.

The actual fact is that you will be able to get a lot more than just a few of these.
