

### THE STARS ARE ORIGINALLY A PAIR - CONTESTS

Time clatters by, it's another Friday, and it's time for the upcoming holiday. (●ˇ? ˇ●)

Wang Ya called out to An Xingyue to her office before she left.

"Yue Yue, what is Old Ben looking for you for?" Su Zhiqing turned her head and asked rather curiously, "Could it be that you and Big Brother have been too flamboyant during this period of time and Old Ben couldn't see it?"

"But it's not right, if this look should not only find you ah?" Su Zhiqing asked herself.

"I don't know, I'm going to the office first." An Xingyue said the first sentence to Su Zhiqing, and the second sentence was said sideways to Night Xiu Chen.

Then An Xingyue stood up and prepared to walk out, today she wore a light yellow long skirt with a model loose knitted shirt, it was her whole person looked softer.

And after she stood up, night Xiu Chen, who was looking at his phone, also stood up after her, and he also followed her when she walked out of the classroom.

An Xingyue helplessly stopped, turned around, saw night Xiu Chen a cold face but eyes full of her expression, smiled, "A Chen, the old class called me to the office should be something else to say to me, and the two of us in love, even parents know, and the old class is not only now know, so called me to the office will not be because of the two of us, you do not need to follow to come. You don't have to come along." (ノ□ノ)

"And like Zhiqing said, if it's about us being in love, then I won't be the only one called, so just go back to class and wait for me, okay?" After saying that, An Xingyue even lifted her foot and reached out to touch Night Xiu Chen's head.

Night Xiu Chen felt the hand on his head, felt a little wrong to be touched by his girlfriend's head, but the desire to survive made him unable to stop his girlfriend, otherwise he would be responsible for the consequences. (T\_\_T)

"It's okay, I'll just accompany you to the office door, anyway, later is a study session, I can still wait for you to come out at the door." The most important thing is that you have to be with your girlfriend, and who knows if Wang Ya, who is pure on the surface and has a bad idea inside, will not take advantage of his absence to secretly persuade his little table to break up with him, he still follows to be more secure.

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to get a good idea of what you want to do. = ̄ ω ̄ =

An Xingyue walked towards the teacher's office, followed by a small tail, two people in front of each other attracted countless eyes.

An Xingyue knocked on the office door and walked in, but before she went in she still glanced at Night Xiu Chen, signaling him to go back to the classroom first, she didn't know what the old class was looking for her for, there was no way she would let Night Xiu Chen stand outside waiting for her all the time.

"Xing Yue, you are here ah, come come come, this time looking for you mainly because teacher Lai asked me to find you, she said there is a language competition, so she asked me to find you to ask if you are interested?" Wang Ya saw An Xingyue enter the office, let her sit down, and then said.

An Xingyue didn't think that Wang Ya was looking for her for the language competition, after all, she already knew the news from Ji Yiyao at noon, and Meow Meow even spat with her that everyone in their class had to participate in the audition, and they weren't allowed to make excuses to shirk.

The company's main goal is to provide the best possible service to its customers.

Although it can be said to accumulate experience, but for her this originally not sure not intend to participate in the person, the class teacher's rigid rules will let her waste a little time to go there, after all, the competition is not only test books learned, more is to test the accumulation of extracurricular.

An Xingyue asked about the time of the auditions, as well as the semi-finals by then, the location and time of the finals, she thought she could participate to try, after all, the final location is in Kyoto, and still during the winter break, so she decided to participate, after all, she was free, otherwise the winter break would not know how to pass it.
