

### THE STARS ARE ORIGINALLY A PAIR - PREPARING FOR THE COMPETITION AND THE GIRL'S HEART

The language competition is a national one, for high school students, each high school selects five students from their own school to participate in the semi-finals and finals in Kyoto, and it is up to each school to decide how to select their own students to participate.

And South City High School decided to select the five highest scores through the written test to participate in the semi-finals, because the semi-finals those are at the end of January, that is, during the winter holidays, now only the beginning of December, so South City High School decided to start the written test in mid-December, and then selected five people, the list will be submitted to the competition organizing committee, after that is waiting for the specific time notice of the semi-finals and finals.

Two people because no one is at home, so Saturday and together in the cafe to study, why do not both go to the library? Because the big brother thinks the cafe is better, there is food and drink, and the atmosphere is more suitable for a small couple. (●~? ~●)

And in order to the big brother can participate in the semi-finals, An Xingyue decided to help him make up for the colder extracurricular knowledge before the written test, after all, the language competition test book content is quite small, mainly test the extracurricular, but also belong to the language category of some knowledge, such as test the "State Language", "Poetry" and so on, in short, only you can not think, no he can not come up with the question.

An Xingyue felt that night Xiu Chen's previous grades so good, language should not be bad, but who knows ask him how the previous language grades, the big man actually silent.

The first thing you need to do is to get a good idea of what you are getting into.

An Xingyue seriously thought for a while, said tentatively: "What do you say we go to the old class to get your registration form back this way?"

"Or you should not go to the exam during the preliminary round." Otherwise the bottom of the results that would be embarrassing, at least a windbag. The latter sentence An Xingyue did not say, but she felt that the meaning was already very obvious. (ノ□ノ)

If she had known that her boyfriend's language score was that bad, she wouldn't have helped him get the registration form, much less let him sign up.

Hard to bear young lady.

Night Xiu Chen heard An Xingyue let him not to participate in the preliminary round, how is it possible, lose also to lose with dignity, what is the ability to run away from the battlefield?

"Yueyaer you rest assured, so many people participated in the competition, how could I be at the bottom? You have to have some confidence in your boyfriend ah." Night Xiu Chen thought about it and said, and a class of those people were all asked to participate in the competition, he remembered that before some people's language scores are worse than his.

"And Yueyaer didn't you help me tutor? What are you afraid of?" Confidence from the big brother.

After all, night Xiu Chen's IQ is not lower than An Xingyue, before just gave up, but it does not mean that he forgot all that he learned before, knowledge of such things mastered is engraved in the bones, how can it be so easy to forget?

"Okay, then let's change the content of the tutorial, anyway, A Chen you can keep up with all the grades, these two weeks to focus on this language competition first, after that to make up the rest, and A Chen's physics, chemistry and math so powerful are not necessary to make up." An Xingyue looked at the previously written tutorial plan and felt that there was no need to help him with mathematics, science and chemistry, instead he would probably have to teach her afterwards. ( ▽ )

After all, the boyfriend's mathematics and physics is really good, and after a while, I think the tutorial plan can also be changed to a study plan, because the big brother's high IQ is true, no water injection.

An Xingyue and night Xiu Chen two people in the cafe study, the atmosphere is warm, sweet, while in school cramming Ji Yiyao is not this way.

In view of the special nature of the key class, they are going to have a quiz at school on Saturday, Ji Yiyao has already gotten used to it, but still a bit regretful why they had to enter the key class, although the resources of the key class is better, but the pressure is also very big.

After the quiz, there was a fifteen-minute break, and then the teacher began to evaluate the lecture.

The company's main goal is to provide the best possible service to its customers, and to provide the best possible service to its customers.

In order to be worthy of him, she has been working hard, but why does he no longer wait for her?

The first thing you need to do is to get a good idea of what you're doing.

The first thing you should do is to get to know each other, but why would he choose someone else?

[Brother Su Chon, so I can't even look for you in the future?

【Of course you can, Yiyao you are my sister, just don't be too frequent.】

[Okay, I get it. That girl is lucky to be liked by you, brother Su Chon.]

Really lucky, after all, I've been around you for so long and you never even liked me.

I'm lucky to be liked by her, she's really good.

I wish you happiness, brother Su Chon.

The chat log ends here, in fact, by now, after a night of settling, Ji Yiyao still can't accept that the teenager she liked for so long and chased for so long liked someone else, and also made a point of telling her not to go to him too often.

Ji Yiyao thought about thinking suddenly a little tired, she knows Su Chon is very good, whether it is study or other, so she just want to study hard, hope she is qualified to stand beside him.

What because of the parents' requirements, so that they will strive to get good grades in every exam these are but lying to Yue Yue, she does not want Yue Yue to know that she made herself so humble in order to chase a boy, although becoming excellent will also be very good for themselves, but the starting point is ultimately different, now she does not want to be so tired, so .....

The actual fact is that you can find a lot of people who have been in the business for a long time.

The first thing you need to do is to delete the photos, while shedding tears, saying that you don't like it, which is so easy? This is a boy she has liked for a long time, which is so easy to put down, delete photos is only to block the back way, do not see people, may not think about him so much.

If you don't feel that the micro signals are deleted will react too much, Ji Yiyan would like to delete it.

The company's main business is to provide a wide range of products and services to its customers.

After all, she decided not to like him anymore, not like him.
