

### THE STARS ARE ORIGINALLY A PAIR - CHATTING

After the two people finished shopping, they went back to their respective homes, when they parted An Xingyue gave Ji Yiyao a hug and said softly, "Meow Meow, go back tonight and get a good sleep, go to school well tomorrow, you'll forget after a long time."

After time, you will forget the person you have a crush on.

Time is the best medicine.

That night when I got home, An Xingyue took out the two necklaces, yes, the one that was wrapped and ready to give to Big Brother was also unwrapped.

An Xingyue covered her finger on the engraved place, two letters CY-Chen Yue, An Xingyue suddenly felt very fortunate, like you, you happen to like him, this is a very beautiful thing, not unrequited love nor crush.

An Xingyue held the necklace in her hand, but her eyes were on the photo on the desk, the girl in the photo was smiling happily, the boy looked down at the girl, the doting in his eyes was almost overflowing, that was the first time they took a photo together after they got together, night Xiu Chen washed the photo and gave one to her.

An Xingyue was thinking back to the moments since they had been together when her phone suddenly rang, An Xingyue heard the characteristic phone ring and immediately answered it.

"Ah Chen, have you eaten yet? Did you have a good time with Luo Junxian and the others today?" An Xingyue asked, because she had to accompany Meow Meow, so she let the big guy himself just asked Zhou Junxing and the others to play, so that he wouldn't be bored alone.

Night Xiu Chen heard his girlfriend's voice, thinking of not even seeing her today, a little aggravated, "just came home from dinner with them, and they have been playing for so long, are tired of it, what is there to be happy or not, did Yueyaer have a good time today?"

An Xingyue heard night Xiu Chen slightly aggravated voice, can't help but laugh, in front of her how more and more like a child's temper? All day long wanted her to coax him.

"Had a good time, and bought a lot of things." Ignore the unhappy conversation before shopping, the back shopping is indeed quite happy.

"Ah Chen, then tomorrow you will see me, are you happy?" An Xingyue asked with a slow smile.

"Not very happy, after all, I want to see you now ah." Night Xiu Chen listened to his girlfriend's delicate voice and thought of her with smiles in her eyebrows and eyes, his heart tickled.

"Then be happy, and I've bought you a gift, I'll be able to give it to you tomorrow, are you happy yet?" An Xingyue asked as she looked at the necklace entwined in her hands.

"A day without seeing you is like three years." Night Xiu Chen said with a smile, and in a place An Xingyue could not see raised his eyebrows and asked, "And this time the gift is not randomly picked, right?"

"Must not, after all, you are the boyfriend, how can the gift pick randomly." An Xingyue replied seriously.

"Then I'll wait for the gift from you tomorrow, Luna."

The two people rambled for more than an hour, and finally An Xingyue was tired of shopping today and wanted to rest, so she said good night to Night Xiu Chen in advance.

After hanging up the phone, Night Xiu Chen lay on the bed, his eyes listless, and then the corners of his mouth showed a trace of sarcasm.

He received a phone call from his family before calling Yueyang'er, nothing more than what was not intentional, hoping that he would stop counting, after all, they are all family.

But how do they know how much those words hurt him, now if not for the presence of An Xingyue, night Xiu Chen did not even dare to guarantee whether he would be like this now, to study again, to pick up his favorite books again.

A word of sorry, a word of all family want to erase all the mistakes, how is it possible? Don't think too well.

And although An Xingyue can detect that night Xiu Chen is not in a good mood, but did not think in the direction of his family, just thought she did not accompany him today, so a little unhappy.

The first thing you need to do is to go to sleep, otherwise you will have to go to the moon tomorrow with big dark circles under your eyes, which is not good, especially not good.

After all, the skin is relatively white, once there are dark circles under the eyes is particularly obvious, and the big brother feels that dark circles will seriously pull down his face value. So he does not allow the existence of dark circles under the eyes.
