

**THE STARS ARE ORIGINALLY A PAIR - DROP-GOOD CARD**

Time is passing, and some people are slowly withdrawing from each other's lives.

Two weeks have passed and Ji Yiyao no longer wants to talk to Su Chon about everything like she did before. She can already control herself not to look for him, not to think about him.

After all, life goes on, and like Yue Yue said, there are so many good men in the world, why stick to him alone?

It's only because I'm used to his company from childhood and have liked him for so long that I felt the whole person panicked and the whole world was bad when he said not to bother him so often.

But time is the best healing medicine, isn't it just that the person you like likes someone else? What's the big deal? There are many things in life that are not as good as they should be? It's just a matter of being cut off before you can confess your love.

Ji Yiyao sat alone in the milk tea store, looking at the couples in pairs outside the window, feeling that it was a weekend when the heavens were not too kind to her.

She just wanted to relax before the competition, didn't she? It's just that she didn't get a date with Yueyue today, right? It's just a person, isn't it? Why did she have to see so many couples? And there were quite a few inside the milk tea store.

The first thing you need to do is to get a good idea of what you're doing. >The first thing you need to do is to get a good idea of what you want to do.

The first thing you need to do is to get a good idea of what you want to do.

The first thing you need to do is to get a good idea of what you're looking for.

In addition, Ji Yiyao knows that An Xingyue can definitely be selected, so she also wants to rush, in case she can participate in the semi-finals with Yueyue?

So this time since the pressure has a little bit big, coupled with emotional instability, so before the selection Ji Yiyao just think shopping, eating, watching movies, originally wanted to be with Yue Yue, who knew that the big brother directly refused, saying what Yue Yue has come out to accompany her before, it is time to accompany him.

At that time, if not based on the big brother before too fierce, Ji Yiyao wanted to slap the big brother in the face, how so shameless? The first thing you can do is to take a look at the website. ( \_\_\_\_\_

So, sadly, Ji Yiyao who did not have an appointment with someone had to come out to play by herself.

From the morning until now, Ji Yiyao felt that it was time for her to find a place to eat lunch, although she had been drinking milk tea and had eaten a piece of cake, but she was still a little hungry.

The first thing you need to do is to take a look at the phone navigation and decide to follow it.

The first thing you need to do is to take a look at the road.

However, while she was looking down at the navigation, a bicycle rode into the sidewalk and crashed into Ji Yiyao at a fast speed. Hearing the shouts of the people around her, Ji Yiyao looked up and saw the bicycle crashing into her.

Zhou Junxing was wandering around very hard because he had a fight with his family over his grades, so why didn't he find Luo Junxian and the others out? Because Zhou Junxing thought that everyone was busy and it was not a big deal, so he might be in a better mood if he came out to play for a while.

When I was planning to find a place to eat, I saw a circle of people in front of me. After walking over, with the advantage of height, Zhou Junxing saw a girl sitting on the ground, and her palm was bruised.

Seriously, Zhou Junxing felt that the girl was a bit familiar, it seems to be sister-in-law's best friend, a class of Ji Yiyao, because of sister-in-law, plus Ji Yiyao character those quite good, so Zhou Junxing has a good impression of her.

Because it is someone you know, so Zhou Junxing immediately went over, squatted down in front of her and asked, "Are you okay?"

Ji Yiyao originally thought to sit on the ground for a while, wait for her to slow down, she will get up, who knows someone squatting in front of her, she raised her eyes to look, it turns out to be someone she knows.

"Nothing, I just fell and hurt myself." Ji Yiyao accidentally got the wound on her hand when she spoke and sucked in a breath.

"You don't look like you're fine, and you probably hurt your foot too." Zhou Junxing saw the blood seeping out of her light-colored pants with a sharp eye and said jokingly.

"And this is not an injury that can come out of a fall by itself."

"Just accidentally knocked down by a bicycle, and then the person riding the bicycle picked up the car and left, because that person looked like a gangster, so others did not dare to stop." Ji Yiyao said awkwardly.

"Then I'll take you to the hospital first, do a checkup, it's safer." Zhou Junxing heard the reason for the fall, narrowed his eyes, there is no hurry, there is still monitoring around here, it is better to go to the hospital for examination first.

"No need, I'll just go home and rub some medicinal oil." Ji Yiyao heard to go to the hospital, wide-eyed glasses looking at Zhou Junxing, and they are not very familiar, even if you go to the hospital, do not want to bother him.

"It's better to go for a checkup, your feet are injured, I guess you can't walk, come up, I'll carry you to take a cab." Zhou Junxing finished, not allowing Ji Yiyao to refuse, then turned around and squatted in front of her, allowing her to climb onto his back.

Although Zhou Gongzi has many scandalous girlfriends, but carrying a girl is the first time, after all, want them to live in a superior environment since childhood, how will easily Xu Zunzong lowered to carry others.

The first thing you need to do is to take a look at Zhou Junxing's back, people are so kind and active, she refused again seems a bit bad, and like he said, also do not know whether other places are injured, or to go to the hospital to check the safer.

The first thing you need to do is to get a good idea of what you're doing.

Although in school, Zhou Junxing and big brothers mixed together, and also will fight those, but just based on what he said and did, Ji Yiyao did not hesitate to send a good man card to him.

And the first time to receive a good man card Zhou Gongzi, the mood is a bit complicated.

"No thanks, you and sister-in-law are good friends, it's only right that I help you, and you're injured, should I talk to her?"

"No, no, if Yue Yue knows, she will definitely worry, and I'm not seriously injured." Ji Yiyao said softly, she didn't want Yue Yue to know that she was injured.
