

THE STARS ARE ORIGINALLY A PAIR - PRIMARY SELECTION

In view of Zhou Junxing's big bulb behavior, that night the big brother and his girlfriend after chatting, directly on the game abused a Zhou Junxing, has been double row, has been reverse rush points, Zhou Junxing good on the king, the big brother took him directly down.

Zhou Junxing watched his little star disappear one by one, want to have the courage to refuse the big brother's invitation, but less than a second, he was afraid to refuse the big brother after the death of more miserable.

The first thing you need to do is to interrupt his time with his sister-in-law for a movie. Do you need to do this to him? To know that no need to substitute the fighter Zhou Gongzi was looking at the stars he dropped, his heart was broken. The

The first thing you need to do is to get a good idea of what you want to do. (* ^ ^ ^ *)

The previous night, Zhou Junxing played too late, so the next morning when the big man woke up feeling dizzy, if it was before, then the big man will probably just skip the morning study and the first class.

However, when chasing An Xingyue, Big Brother had to deliver love breakfast every day; after chasing people, Big Brother had to go to school with his girlfriend, so he would rarely skip morning study.

So even though he has a headache and is a bit uncomfortable, the big man still got up strongly and prepared to go to school with his girlfriend.

An Xingyue carried the breakfast she made and stood at the entrance of the neighborhood, then glanced around and didn't find her boyfriend's figure, then took out her phone and looked at the time, which was one of the few times Big Brother was late, because when An Xingyue came out earlier, Big Brother was already waiting.

Maybe it was a late start, that's why it was a little slow, wait a little longer. An Xingyue thought like this.

When night Xiu Chen came to the entrance of the community, he saw An Xingyue already waiting there, and could not help but blame himself a little, he did not grasp the time last night, resulting in today's late, and let the moon wait.

When An Xingyue saw Night Xiu Chen, she immediately greeted him, then kissed him on the cheek and said, "Ah Chen, good morning, look, I brought you breakfast oh, I made it myself."

An Xingyue raised the things she was carrying in her hands and said with a smile in a good mood.

Night Xiu Chen rubbed An Xingyue's head and said with an apology, "I'm sorry, baby, I got up late today and made you wait."

"Ah, it's okay, I didn't wait for a long time, and didn't Ah Chen also wait for me like this before? So why should I apologize? We're lovers." An Xingyue didn't feel that Night Xiu Chen needed to apologize to

her because of this, after all, it was always him who waited for her before, and he wouldn't be angry with her at those times ah.

"But Ah Chen still do not often stay up late ah, this way is not good for the body." An Xingyue felt that night Xiu Chen must have stayed up late, that's why he got up late, because the dark circles on the big man's face were a bit obvious ah.

Night Xiu Chen looked at An Xingyue who did not have the slightest impatience, smiled, "Because the weather is colder now, so seeing baby you waiting here, a little heartbroken, also a little self-condemnation ah, if I had come a little earlier, Yueyaer you would not have to wait here dry."

In the opinion of night Xiu Chen, let his girlfriend wait is an extremely bad thing, after all, he heard others say, let girls wait, girls will be very easy to get angry, so he will be the first to apologize, after all, he is afraid of his own girlfriend angry ah, who knows

"Why don't you moon you wait for me to call you later, and then you come down, OK? This way you don't have to wait for me outside here." Night Xiu Chen touched An Xingyue's slightly cold face and said seriously.

"Ah Chen, I'm not that delicate, and I'm also wearing quite a lot of clothes, even if I stand here waiting for you, I'm not cold." An Xingyue looked down at the clothes she was wearing, but it was just because it was Monday, so she wore a school uniform skirt underneath, but she also wore a long jacket ah, so the lower body is not cold ah.

But in the end, An Xingyue listened to her boyfriend's insistence and waited for him to call before coming down.

After the two arrived at school, An Xingyue because night Xiu Chen did not rest well last night, heartbroken, so let him use the morning study to make up for the sleep, otherwise the class is more difficult.

The night Xiu Chen originally did not want to, but really a little hard, and the girlfriend looked over the gaze is also quite heartbroken, so the big man slept a morning study.

After that, the classes are in the water, either reading the original English, or have begun to prep for next semester's knowledge, and even have begun to involve some knowledge of the university.

The morning passed peacefully, and the afternoon added a few unintentionally oppressive feelings because of the preliminary selection for the language competition.

Night Xiu Chen because he knows his own language score is not very good, so even with An Xingyue's tutoring, but for this time so many people to choose only five, the big man feels that he most likely can not choose, so the mood is also quite calm.

Night - self-knowledge - Xiu Chen.

The reason for this is because An Xingyue is very sure of herself, so she is not nervous at all, but it is also true that at least people who have seen big scenes, how can they be nervous because of a small primary election?

So, two people with a very calm mood, easily finished the test questions, and then left the examination room without any burden.

And Ji Yiyan's side is also very confident because she saw that many of the questions are what she can do, and she is looking forward to the results afterwards, because she is confident, so she is looking forward to it.

Mo Zhicheng, on the other hand, because of the semi-finals those to go to Kyoto, but Su Zhiqing winter vacation will be in the South City or to travel, so Mo Zhicheng wanted to accompany her, so did not participate in this competition.

Guanzhi wants to take this opportunity to reclaim his honor, so he has very high expectations for this exam, but also because of the pressure on himself too much, so in the top of the mentality than others lost a cut, too restless, mentally unstable, easy to make mistakes in answering questions, so Guanzhi knew after the exam that he was estimated to be out of luck.

But there is also a little hope, that is, others are also badly tested, then he has a little hope.
