

### THE STARS ARE ORIGINALLY A PAIR - HE HAD PITTED HIMSELF

Luo Junxian just walked to the classroom door and sneezed, then looked at the clothes he was wearing, it was quite warm, not cold, why would he sneeze?

It's because your good brother's counting on you. o( \* ▽ \* )o

Perhaps because of his weakness, Zhou Junxing did not dare to look at him since Luo Junxian returned to the classroom, Luo Junxian also noticed, but did not think much of it, just thought Zhou Junxing was unhappy because he was close to fulfilling his bet, and did not want to see him as the person who had pitted him into the game.

I have to say, Luo Junxian is very smart, but this time he underestimated Zhou Junxing's potential. I guess Luo Fox didn't think that Zhou Junxing would be so bold to tell the person concerned about them taking the big brother as a bet, and then the two people also collaborated to set him up.

The first time he knew that Junxian could also be so silly and cute.

I don't know if Jun Xian will want to kill them both after the final result.

After all, if Xingzai did not show his hand, he did not know that there was a bet to wear a small skirt, then he would really take the second place in the class, after all, his girlfriend is still standing next to him, but right, who let him know this matter.

And he knew from the old king that this monthly exam is not to award, and the prize money those by the class teacher personally handed to the winners, because after the monthly exam and then two weeks is the final exam, the school does not intend to waste time to award the assembly, but want to put time on the review, because this sophomore final test is the province's unified test, so the school attaches great importance to it.

This is also why Night Xiu Chen will be so easy to agree to Zhou Jun Xing's request, because there is no awards assembly, means that their own little cutie does not have to stand next to others, so he does not test second in the whole class also does not matter, is to pity Jun Xian the little poor ah.

And after An Xingyue knew about this bet from Night Xiu Chen, she didn't expect that Zhou Jun Xing would actually drag Ah Chen into the water, and then the two of them would calculate Luo Junxian together, they are also enough.

Afterwards, An Xingyue looked at Luo Junxian with a bit of sympathy, really is so pitiful oh, originally thought they were winning, who knows the other side came to a secret degree, directly to their own confusion.

Originally, Luo Junxian did not know why An Xingyue would look at him like that, then after the results of the monthly exam came out, he was dumbfounded, because Night Xiu Chen's score was the third in the class, not the second, which means he had to wear a small skirt!

Unlike Luo Junxian's mood of wanting to die, Zhou Junxing laughed very happily, for so many years, and Luo Fox had many big and small bets, but not once did he win, this time it was a matter of man's face bet, finally he won.

Ha ha ha, although the use of a little means, but it does not matter, we focus on the results can be, hehehe, that is, Luo Fox to wear a small skirt ~ ~ ~ ~

"Brother Chen, are we still good brothers? Why are you doing this to me?" Luo Junxian, who couldn't accept the truth, sent a soulful torture to Night Xiu Chen.

"The company's main business is to provide a wide range of products and services to the market. The first thing you need to do is to take a look at the picture.

Luo Junxian kind of understand these days since An Xingyue look at his sympathy gaze is what is going on, and Zhou Junxing do not need to look at him directly not because of unhappiness, but because of heart weakness!!!

Ahhhhh, angry at him, actually pitted himself.
