

A PAIR 75

THE STARS ARE ORIGINALLY A PAIR - THEY ARE EITHER DEDICATED OR THIN-SKINNED

"Ah ah ah, another exam, obviously just two weeks ago took an exam, meow, the school does not want us to have no red packets to take for the New Year??"

"Oh da, exams and stuff, do not bring fear, anyway, the exams are all the same, my family is used to it."

"So annoying oh, you guys say how so many exams, school is not tired?"

"Class president, have you studied?"

"No, just focus on the game."

"No, I don't believe it, you guys say that every time, to the end of the grade is not very good. Hmph."

"No way, good talent, no one can blame me."

"Damn, you roll!!!"

"Really, again you came to ask, alas, young people, what a poor tolerance."

No, I'm not, I'm not.

.....

"Really, a final exam has caused everyone to get so excited about it." An Xingyue propped her chin with one hand and listened to the chatter of the people in the class with great interest.

"By the way, did you study for it, Ah Chen?" An Xingyue turned her head to look at night Xiu Chen who was playing a game, tomorrow is the exam, A Chen is still playing the game, really is very sure about it.

The first thing you need to do is to get a good idea of what you're doing. After all, most of my time is spent with you, Yueya-er."

"Mm-hmm, who knows if you stayed up late at night to review, Ah Chen?" An Xingyue gave Night Xiu Chen a white look, since she came to the first middle school, she rolled her eyes a lot more often.

"If I stayed up late, would you not be able to see it, Yueyaer? After all, Yueyang'er you said that if I stayed up late, the dark circles under my eyes would be very obvious." Night Xiu Chen put his face in front of An Xingyue and let her take a serious and careful look.

Anyway, he really didn't stay up late, otherwise it would be ugly with a big black eye circle.

"Okay, okay, you didn't stay up late, quickly shrink your face back." An Xingyue looked at her enlarged face in front of her eyes and pushed it with her hand, she just casually asked, her boyfriend did not have to prove that he did not stay up late.

Night Xiu Chen is very good to shrink the face back, but before shrinking the face back also very bold kissed An Xingyue, and then very satisfied smile.

"You you you A Chen how can you do this?" Obviously come to school only kissed, said in the classroom can only hold hands, not kiss, excessive.

"Kiss their girlfriends, no problem ah, and not no one saw it." Night Xiu Chen got a bargain, very happy to say.

No, we all saw it.

"Every day so see Chen brother show love, I want to poke their eyes blind." Zhou Junxing slumped on the table and said in a lifeless manner.

Everyone is talking about the consequences of a poor final exam tomorrow, who knows that the two people who drew the picture are not worried about this at all, but also so heartlessly show love.

"Heh, single dog." Luo Junxian sarcastically looked at Zhou Junxing and said.

"Cut, say it as if you are not like that." Zhou Junxing retorted.

Alas, ever since he knew he was going to wear a small dress, Luo Fox rarely hit on him, probably still unable to accept this fact. (●~?~●)

But sometimes it is really enviable to see how Night Xiu Chen and An Xingyue get along.

Zhou Junxing took out his own phone and read his chat with Ji Yiyao over and over again, he felt like one of those demented guys now. Ugh.

The way of heaven is good, so you used to make so many girlfriends, so that they are like a playboy, and now there is a rare person that they want to seriously like, and fantasize about living together in the future, because they did not do reliable things in the past, now even the courage to confess.

And Zhou Junxing thought of his own from An Xingyue to inquire about the news, before Ji Yiyao like the boy, good-looking, gentle and elegant, the results of what six to fly, which is like him, fighting, smoking and bar, the results are not good, to put it bluntly is useless.

The first time Zhou Gongzi felt so powerless, he liked the girl like the boy is not his type, now he has no opportunity to approach her except to use various excuses to find her chat.

And Ji Yiyao and An Xingyue are good friends. As the saying goes, to chase a girl it's best to please the people around her first, because that way the chances of catching someone are greater.

But An Xingyue is Chen's girlfriend ah, he is afraid that he often look for Miss, Chen will think he wants to pry him out of the corner. After all, Brother Chen cares so much about Miss, where to allow others to spy on her ah.

The more Zhou Junxing thought about it, the more he felt that his future in chasing Ji Yiyao was bleak, and he kept sighing.

The more you think about it, the more you think about it.

He was not so pessimistic about wearing a skirt after his final exams, so why did this bastard Zhou Junxing have to sigh and sigh?

It must be said that Zhou Gongzi usually moves to hook up with girls, so Luo Junxian did not even think that Zhou Junxing would one day be trapped by love.

After all, they are these people, thin-skinned.

It is estimated that no one will really move real feelings, except of course like the night Xiu Chen.

So Luo Junxian didn't think that Zhou Junxing would one day be like Chen and genuinely fall for someone.

After all, born in a family like theirs, not many of them can make their own decisions about their marriage unless they are willing to give up the benefits given by the family or take over the family's right to speak.

Luo Junxian knew from his childhood that if he enjoyed the benefits given by his family, then he had to take the responsibility. However, he and Xing had been given up by the family since they chose to follow Brother Chen and stay in South City.

After all, Brother Chen was kind of abandoned by the Night Family before, so what's the use of following an outcast? So those of them who played well with Brother Chen were also left out by the family for fear of being relinquished by the Night Family.

Because there is a rumor that the night family does not pay any attention to the night Xiu Chen, the third generation, and Chen also provoked the wrath of his parents, I heard that Chen's mother even insulted Chen, just because they thought that Chen hurt night Zihan because of jealousy just from what they saw.

And the night family is very loving to the night Zhan, also for this reason, in a fit of anger, the night family let Chen never set foot in the night family door again, saying what the night family does not have such a descendant of his.

Because of this, Chen has been indulging himself after returning from Kyoto until the appearance of An Xingyue.

But now, I heard that the night family is interested in pleasing Brother Chen and wants to make up for their past mistakes, so some people have turned the tide and want to be in Brother Chen's good graces again, but now that Brother Chen has a young lady, how will he meet those people?

The night family, I guess brother Chen is not rare. After all, with the ability of Brother Chen, want anything they can get.
