

A PAIR 78

THE STARS ARE ORIGINALLY A PAIR - THE FINAL EXAM IS UNDERWAY

Because of luck, An Xingyue and Night Xiu Chen both took their exams at our school, but each other's exam rooms were a bit far away, one was in the senior teaching building, and the other was on the senior side.

"Yueya'er, wait for me here after your exam, I'll come to you, don't go anywhere, okay?" Night Xiu Chen sent An Xingyue to the bottom of the senior school building, rubbed her head, then lowered his head and printed his lips on her forehead, "Good luck in the exam, good luck."

An Xingyue tilted her head to look at night Xiu Chen, stood on tiptoe and kissed the side of night Xiu Chen's face, "A Chen too, good luck in the exam, and also to answer carefully, I hope to see A Chen's name when I see my name."

After these months of getting along and cramming, An Xingyue has understood where the strength of night Xiu Chen went, definitely not worse than her, so see her name also wish to see night Xiu Chen's name, this condition is not difficult at all for night Xiu Chen.

"Then I will do as Yueya'er wishes." Night Xiu Chen looked at An Xingyue dotingly, how could he let her down? Isn't it just a good test? It's a piece of cake.

"Then Ah Chen, you go over to your own exam room, I'm going in too." An Xingyue gave a hug to Night Xiu Chen and looked at the time.

"Good, remember to wait for me here after the exam, don't run around." Night Xiu Chen gently hugged An Xingyue, then reminded her once again, and then turned around and left.

And it just so happens that a few students from the first middle school witnessed the whole process, although the children of the first middle school all know that the school bully has a girlfriend, and also a school god, and the school bully treats her very well, but seeing the two get along with each other with their own eyes is still enviable and surprising.

After all, the unruly school bully seems to have been tamed and is gentle and doting on the girl he likes.

Someone just posted the two getting along on the first high school forum and commented.

[Why do I have to eat a bunch of golden dog food before the exam???)

And many people are also commenting below, after all, today is only the sophomore exam, senior one and senior three are taking a break, probably now are holding a cell phone to play, so once the video and photos are posted, the following comments cascade.

The country owes me a boyfriend as handsome as the school bully.

The school bully who is in love is simply a saint.

The first one is the first one in science in the second year of high school.

Why do people who are in love these days still get such good grades?

The first thing you need to do is to get a good idea of what you're doing.

The actual school bully can really be so gentle, so envious of the lady.

The actual fact is that the actual people from the other schools next to me at the time expressed great surprise, and I, pretending to be calm, scorned them and made a fuss.

The actual upstairs also said I was also surprised, but could not show it, after all, is the same school.

The godly couple, the face value of the thief is high.

[Sure enough, good-looking people are playing with beautiful people.

.....

The two parties who have turned off their cell phones do not know this little episode, but even if they do, they will not take it to heart, because the photos of the two of them will occasionally appear in the school's forum.

The children of the first school to see these is already numb, but the students of the outside school to see is very surprised, because in high school, especially they have already sophomore, and the next year will be the college entrance examination, so in order not to fall in love to delay learning, so their school in this area is very tight grasp.

So in the first school so unawares to see such a blatant couple, simply refreshing the three views, not afraid to be invited to the teaching office to drink tea?

But there are also people who feel that the school spirit of the first middle school is really not very good, see, no one even in love, is really lax enough.

There are even some people from outside schools who think that the two of them must have gotten terrible grades, otherwise how could they let themselves go into early love?

But no matter what others think, the first language exam has already started.

The first thing you need to do is to take a quick look at the test paper and think that the topics are not difficult, and the essay is a material essay, it is also very easy to make a decision, so the whole test paper is done, An Xingyue did very smoothly, and also very sure.

Because Wang Ya did not allow them to turn in their papers early, so An Xingyue finished writing the essay and was lying on the table for half an hour, because it was really too boring.

If not worried about falling asleep and not knowing when school is over or handing in the paper later, An Xingyue would want to sleep.

The other side of the night Xiu Chen feel that this language paper in addition to so many questions are uncertain, the other is considered to be okay, big brother silently estimated the score, should be able to have a hundred and one or so.

The big brother said his language score is probably this way, but also than the previous progress, thanks to his girlfriend to help him make up for the language.

The first thing you need to do is to get a good idea of what you're getting into.

And An Xingyue slowly walked to the place where she and night Xiu Chen separated in the morning, drooping her head and waiting for him to come.

Perhaps because of the exam, the sky is beautiful, the sun hangs in the sky, warm sunshine sprinkled on the body, pleasant, is occasionally blowing through the cold wind a little spoil the atmosphere.

An Xingyue inadvertently looked up, just in time to see the night Xiu Chen is walking towards her, she took a few steps forward, and then the whole person jumped into the night Xiu Chen's body.

The night Xiu Chen hugged the little thing in his arms, reached out and touched her face, and then touched her hand, "I should have known to let you wait inside, although there is sun outside, but it's still cold."

"It's okay, I'm not delicate, and I've only just walked down, but it's Ah Chen who came running, right?" An Xingyue looked at the time, if it is walking over, which is so fast, after all, the first middle school is so big, senior one and senior three is a bit far apart.

"Okay, today go to the third floor to eat or go out to eat?" Night Xiu Chen held An Xingyue and asked.

"Let's go to the third floor to eat, and isn't the third floor newly introduced some desserts? You can order dessert directly on the third floor after eating, and then you can sit on the third floor. It's a bit troublesome if you go out." An Xingyue thought about it, the test will not go out to eat, so as not to eat bad stomach, although they can not care about the results, but the old class and the school hierarchy is very concerned about this joint examination.

The key moment can not fall off the chain ah.

"Okay, then we go to the third floor to eat, let's go."

The two big brothers are wearing their school uniforms, but the two big brothers are wearing their school uniforms like a couple's clothes.

The two people holding hands can be said to be directly ignoring the teachers passing by, other schools invigilating teachers see not their own school students, but also lazy to say, after all, not in their own school, so much will be smug, big deal in private and a teacher to say.

But it, a middle school teachers see also do not care, and even a few teachers also directly and big brother they chat, after all, big brother recently rarely have a black history appeared, the teacher's impression of him improved a lot, and a middle school teachers mostly know the school bully and the god of this couple is the principal are lazy, after all, the grades did not drop.

Even because of the relationship, the school bully are starting to do back to good students, do not cause trouble, that some teachers are easy.

So for the two of them together, the school is now happy to see.
