

THE STARS ARE ORIGINALLY A PAIR - TRAVEL PLANS

Three consecutive days of final exams have finally passed, and everyone's tense mood because of the exams can finally relax.

And Zhou Junxing was already yelling in the group on the first day of vacation about where to go and have fun.

[Zhou Gongzi: Let's find a place to have fun, while the results are still out. (* ^ ^ ^ ^ ^)]

[Fox: Yes.]

[Miss Su: Yeah, Momo and I were planning to play after the results came out, but now we can all go through it together first.

[Chen Gongzi: No problem, but where are a group of us going to play? And Brother Chen are you going?

.....

The first thing you need to do is to ask your girlfriend to go out and play with you, since now Junxian is planning to go out with a bunch of people, he will ask Yueyang'er what she wants to do, if she wants to go, then we will go out together, otherwise he will just go out with her and not this group of light bulbs.

Night Xiu Chen dialed An Xingyue's phone, "Yueya'er, did you see the message they posted in the group? Do you want to go play together?"

An Xingyue looked at the flashing caller ID on her phone screen, she had thought of asking Night Xiu Chen directly by WeChat if she wanted to go play with them, but she didn't expect him to call directly.

"I just wanted to ask you, I didn't expect you to be faster than me, I thought about it, since everyone is going, so let's go too, and more people are still lively, not to mention that I have never tried to play with so many people in the district together."

"Okay, then later in the group to tell them, and the moon do you want to ask your girlfriend to join? I see Jun Xing seems to have some interest in her."

The company's main business is to provide a wide range of products and services to its customers.

But the night Xiu Chen but from their own little cute where to hear a little news is that people girls crush fruitlessly after, seems to be less want this aspect, I heard that now people heart only study. Zhou Junxing, the dregs of this school estimate a little to impress the girls ah.

Since this is the case, as a good brother even if you can not help, but also can not drag the leg ah, see when he chased the moon, Zhou Junxing helped him a lot of cases, at least have to do a little God teammate ah.

"I thought Ah Chen did not see it, I will ask later, but Meow Meow should go, but I did not expect Zhou Junxing would actually like Meow Meow, when I saw it I felt very surprised."

An Xingyue felt surprised when Zhou Junxing took the initiative to ask her about Ji Yiyan, so she casually joked a few words, not expecting him to directly admit that he had a crush on Ji Yiyan, so An Xingyue told him about some of Meow Meow's hobbies for the sake of him being so honest.

"That kid is so perverse, how could I not notice, but I didn't think he would ask you for help."

.....

The two talked for ten minutes before hanging up the phone, and if An Xingyue hadn't said she would give them an answer in the group, I guess Big Brother wouldn't have been willing to say goodbye.

[Big Brother: I'm in with Luna, you just discussed for so long decided where to go yet?

[Zhou Gongzi: Tatsu finally came out in a thousand calls, just now we think we can find a farmhouse to have fun and also stay in a local bed and breakfast, we have never stayed in a bed and breakfast anyway].

[Miss Su: Yes, yes, yes, want to see what a B&B is like?

[Duke Chen: I also agree.

[Fox: Seconded.]

[Big Brother: In that case, go to where the farmhouse to play, and is also to stay in a B&B.]

[Learning God: It's good to stay in a bed and breakfast, there are some farmhouses near the bed and breakfast, and there are a lot of play items.

[Zhou Gongzi: sister-in-law you come out]

The first thing you need to do is to get a good idea of where to go.

[God of learning: No, I don't know. = ω =]

[Fox: I just searched, the Qing city side of the farm caravans do a good job, and there is official support for the operation of the B&B, the infrastructure around the B&B can, and the Qing city side of the environment is good, even now the weather is not too cold, suitable for going to play.]

[Big Brother: In that case, Junxian you pick, put your choice up tonight, everyone take a look, no problem and settle down.]

The first thing you need to do is to let Luo Junxian take charge of the matter, after all, with his tortoise-haired personality the last one you pick will definitely not be bad.

[Chen Gongzi: This is a good idea.

The second is that the foxes should be arranged for the hot springs.

[Fox: Arranged.

Soaking hot springs ah, An Xingyue saw Su Zhiqing said that the hot springs in Qingcheng City is good, and then googled a bit, think it is really good, many netizens recommended hot springs mecca is Qingcheng City, and Meow seems to like soaking hot springs.

"Meow Meow it's me, Zhiqing and I are planning to go to Qing City in the next few days to experience the farmhouse and soak in the hot springs by the way, do you want to go with us? Don't worry, the ones who are going to play together are the ones you know, that is, with Zhou Junxing and them only." An Xingyue said slowly.

"And you stay in South City, it is estimated that you will run into him, after all, the final exams over in Jiangcheng have long been over, and the results and everything are out, he should go back to South City, you see his home is next door to you, you might as well go out with me to play, when you come back to get the results we can go directly to Kyoto, and then after the competition and then play a few days to go back to South City for the New Year, so you run into him The chances of you running into him are not great."

An Xingyue was enticing, impressing Ji Yiyan a little, "Besides, don't you like hot springs, Meow Meow? The actual fact is that you'll be able to go to a hot spring together, and you'll also be able to stay in a bed and breakfast."

Ji Yiyan silenced for a moment, indeed, and she heard her mother say this morning that Su Chon was indeed coming back, the flight this afternoon, and it was estimated that the two families would have a meal together tonight, after all, the parents of the two families were so close.

If she does not go out to play, it is true that she can often bump into him, if it is before she is full of anticipation, but now it is estimated that the meeting will only be awkward, so

"Since Yue Yue has graciously invited me, then I'll respectfully accept, hehehe."

"Okay, I'll tell you the exact time and approximate schedule tonight, they're still getting ready now."

"Mm-hmm, I'll tell my parents tonight that I'm going out with you."

"Okay."

[Hokage: I invited Ji Yiyan to go on a trip with me, is that okay?]

[Zhou Gongzi: Ahhhhh, sister-in-law you are really nice. (~▽~)]

[Miss Su: Tsk, tsk, tsk.]

[Chen Gongzi: Oh, another one ready to get off, sigh, I'm so handsome how come no one likes it?]

[Fox: Starboy, the opportunity is rare, grasp it, sister-in-law is really a good helper.]

Since Zhou Junxing decided, he likes Ji Yiyan this thing they all know, is Ji Yiyan this party has not seen, or do not want to see out.

Hee hee, it's time to eat dog food again.
