

THE STARS ARE ORIGINALLY A PAIR - WHAT IS LOVE? IS IT FUN TO TRAVEL?

In the evening, Luo Junxian they have been in the group to talk about the departure time, and also booked in advance of the bed and breakfast, but the nongjiala to go to the city of Qing and then look at, after all, afraid that the picture does not match the reality, then spoil the fun and return.

But compare the hot springs this group seems to be not so interested in the nongjiajia.

An Xingyue originally thought of calling to tell Ji Yiyao, but then thought she said a few hours ago that she was going to be with Su Chon and his family tonight, so I guess the two families are already at the hotel at this time, so I'll call later.

She should first tell her father and mother that she is going out to play, so that they won't be unable to find her when they return.

While An Xingyue was reporting her trip, Ji Yiyao was very embarrassed at the hotel at this time.

The two families have a good relationship, as soon as they entered the box to chat, and she and Su Chon awkwardly sitting there, if the previous Ji Yiyao will take the initiative to find topics to chat, so that the atmosphere between the two people is not so awkward, but now well, there is nothing to talk about.

So the parents of the two families chatted and found the two children sitting there without saying anything, each playing with their own phones.

The first thing you need to do is to take your attention away from your phone, you just need to read some articles and so on.

The actual fact is that you will be able to find out more about the actual actual situation.

And sometimes Zhou Junxing can also peek between the lines to see her mood, will naturally coax her happy, these are not felt when chatting with Su Chon.

After all, chatting with Su Chon has always been her to take care of his mood, and even chatting topics also try to choose his favorite things to talk about, and over time, she felt tired of the road.

And Su Chon felt that since he and Yiyao spread out, Yiyao would rarely look for him to chat, which is what he asked for, but now actually feel empty inside.

Like now, two people sitting together, but Ji Yiyao is not actively looking for him to chat, in the past when they meet she will be chattering and talking, not now so holding the phone and do not know who to chat with, full of smiles.

"Aigoo, didn't Yan Yan like to chat with Ah Chon before? How come the two of them don't say anything like strangers when they meet today?" Su Chon's mother saw the two of them just sitting there quietly and opened her mouth to snicker.

Yes, the adults of both families knew that Ji Yiyao liked Su Chon and wanted the two of them to be together, but tonight it seems like there is a problem between the two of them.

The first thing you need to do is to get a good idea of what you're doing.

After hearing Ji Yiyan's words, the parents of the two families looked at each other, they really had a fight? You should know that before YiYan did not know how happy she was to see Ah Chon.

"Haha, if you want to stick to Ah Chon, just stick ah, auntie still think you can be our Su family's daughter-in-law in the future." Su mother waved her hand and said happily.

If it was before Ji Yiyan heard these words probably can be happy to jump to the sky, but now hear but just so hear it, "Auntie you do not laugh, brother Su Chon has a girl he likes, and I also do not like brother Su Chon, so how can I be your Su family's daughter-in-law?"

Ji Yiyan didn't expect Su Chon to fall in love without telling the family, but it's no wonder, I'm afraid uncle and aunt they didn't think Su Chon would fall in love early.

"Mom, I just treat YiYan as my sister, besides, I have someone I like, so don't mess around with me." Su Chon didn't expect his mother to say that, he was thinking of going home tonight to tell them that he has a girl he likes.

Su's mother obviously didn't expect her son to have a favorite, the whole person was confused, "Brat, how come you didn't tell us that you have a favorite, you're not lying to us, right?"

Su Chon is very good in all aspects, so Su's mother did not think he would fall in love early, and she always thought that Su Chon also like Yi Yan a little, after all, the two grew up together, although later Su Chon went to study abroad, but they know that there has been contact between the two children ah.

No, it seems that in the past few months, Yiyan rarely talked about Su Chon, before Yiyan ran to their home once the holidays to see if Su Chon had come home, but this period of time, Yiyan rarely came to their home, asked also said it was to take an interest class was not available.

But Ji Yiyan's interest classes have always been attended, before free, then how will be because of interest classes and not free?

The fact is that Su Chon really has a girlfriend, and Yiyan knew about it before they did, so that would explain why Yiyan didn't come to their house this time.

After thinking about it, Su's mother wanted to kill his family this brat, have a girlfriend did not say, so she just ordered the lovebirds, now do not know how people think of her, and Yiyan must be a little sad.

The first thing you need to do is to get a good idea of what you're doing.

The two mothers looked at Ji Yiyan, their eyes full of worry.

And Ji Yiyan has long accepted this fact, plus after a few months, everything has washed away, not to mention she is now full of the travel plans Zhou Junxing just told her about, which has time to think about other things.

"Yeah, I also treat Su Chon as a brother, so brother Su Chon what you bring sister-in-law back to us?" Ji Yiyan is actually curious about what kind of girl he likes, but what kind he likes is none of her business now.

"Let's talk about it when the time comes." Su Chon said dryly.

The conversation ended here, but because of this incident the atmosphere at dinner was obviously a bit different, but this is not related to Ji Yiyan, she now only wants to quickly end this meal, and then go home to discuss tomorrow's trip with Zhou Junxing, and tell her parents her travel plans.

An Xingyue was thinking of telling Ji Yiyan the exact time later, but Zhou Junxing had already done her business and was using the travel plan to brush up on Ji Yiyan's goodwill, which was simply shameless.

When An Xingyue found out later, she was simply speechless, she did not know that Zhou Junxing would be so aggressive and shameless.

She was worried that Meow Meow would be a little sad after the meal, who knew that people just didn't take it to heart, but their whole hearts were in tomorrow's trip.
