

THE STARS ARE ORIGINALLY A PAIR - ON THE WAY

Because we all know the departure time, so together we agreed to meet at the South City Airport, while Night Xiu Chen said to An Xingyue that he would pick her up and then go to the airport together.

After all, it is someone who has a girlfriend. (●~?~●)

And since he has a girlfriend to accompany him, why should he act alone?

Zhou Junxing actually wants to pick up Ji Yiyao, but now Ji Yiyao only treats him as an ordinary friend, so if he goes to pick her up, I'm afraid it will be considered as unkind, and without being sure, he doesn't want Ji Yiyao to know that he likes her yet, although now everyone knows that he likes Ji Yiyao. (____, ____)

But he is still afraid of being rejected by Ji Yiyao, the kind of rejection before he confesses his love.

The road to love is difficult!

The first thing you need to do is to tell your parents that you are going to go out with An Xingyue and other friends tomorrow, which is a normal thing, but it so happens that tonight, your parents know that Su Chon has a girlfriend, so they think that Ji Yiyao is thinking of going out because she is too sad.

So Ji father said to go on a trip and just have fun, and if the money is not enough, he can be a friendly sponsor.

And Ji's mother urged Ji Yiyao to make sure to text or call home every day to let them know she is safe.

The first thing you need to do is to make sure that you have a good idea of what you are doing.

The next morning when An Xingyue and Night Xiu Chen arrived at the airport, they saw that everyone had already arrived.

"Tsk tsk, not bad for a couple, all came together, which is like us single dogs, came alone, thief lonely." Eddie Chen saw night Xiu Chen carrying a backpack, pushing a suitcase, holding An Xingyue's hand, shouting abuse dog, after all, just Mo Zhicheng and Su Zhiqing also came like this.

Double blast.

"You're a single dog, we're a single noble." Luo Junxian took a look at the time, and then retorted indifferently.

"It's almost time, let's go through the security check first." Mo Zhicheng smiled at his words and glanced at Su Zhiqing and Ji Yiyao who were chatting happily as well as An Xingyue who had just joined the chat.

Ji Yiyao had been chatting with Su Zhiqing before An Xingyue came, causing Mo Zhicheng to stand aside and talk to Luo Junxian, who was obviously his girlfriend but couldn't chat, so really good sisters shouldn't exist.

Now Mo Zhicheng is also thinking of setting up Zhou Junxing and Ji Yiyan, so that no one will grab Su Zhiqing with him.

And night Xiu Chen also think so, three girls touch together, there is nothing for him.

Night Xiu Chen and Mo Zhicheng eyes on each other, then move away, confirmed eyes, is the right person.

Come together as god teammates, in order not to be ignored by their own girlfriends.

The big guy also wanted to get on the plane, after all, his and An Xingyue's position was together, so after getting on the plane, he could temporarily monopolize An Xingyue.

Sure enough after getting on the plane, An Xingyue and Night Xiu Chen were together, Mo Zhicheng and Su Zhiqing were also together, hmmm, Zhou Junxing's luck was also good, with Ji Yiyan, it was like even the sky was helping him.

Luo Junxian looked at two couples and a couple-to-be, then glared at Eddie Chen, why should he sit with Eddie Chen?

Because everyone else is in pairs, leaving you two not sitting together, where do you want to sit?

An Xingyue felt that her boyfriend seemed to be a bit unhappy, then sidled up to his ear and asked in a low voice, "What's wrong with Ah Chen? Why are you unhappy?"

Night Xiu Chen's whole body stiffened when An Xingyue came over, his girlfriend spoke in his ear and exhaled hot air hit his ear, night Xiu Chen felt his ear might be red.

"Because Luna just saw the two of them and kept talking to them, I guess all forgot about me." Night Xiu Chen thought of the girl who was holding his hand just now, after seeing Su Zhiqing and the two of them, she directly let go of her hand, and then kept talking to the two of them, not even talking to him much.

An Xingyue didn't expect Night Xiu Chen to say these words in a voice with aggravation, and then was a little surprised, so the big brother was jealous because she didn't care about him just now? In a little temper?

"Ah Chen, is this jealous?" An Xingyue snickered with a smile in her eyes, "Zhiqing and meow and I just chatted for a while, how could I forget about you?"

"Just jealous, you let go of my hand as soon as you saw them, do you think, am I not as important as them?" Night Xiu Chen held An Xingyue's hand tightly in his hand, then asked aggrieved and slightly disturbed.

In this relationship, An Xingyue was passive in accepting him from the beginning, even if An Xingyue also began to value him later, he still felt uneasy, after all, the person who fell in love first was always more uneasy, and An Xingyue treated her feelings somewhat naturally, he was afraid that in the future, An Xingyue would also part with him in a natural way.

"How can Ah Chen think that? A Chen and Zhiqing and Meow Meow have different positions in my heart, you are my lover, and they are my good sisters, my best friends, you are all equally important in

my heart, and just now it was mainly because I wanted to gossip about Zhiqing's relationship process and Meow Meow's situation last night, that's why I ignored you, I'm sorry."

An Xingyue kissed night Xiu Chen's face, then looked him in the eyes and said seriously.

Night Xiu Chen heard An Xingyue say that they and he are both equally important in her heart, a little unhappy, he wants to be the most important one in her heart, but there is no hurry, there is still a long time, he can take his time.

"I know, it was my bad just now, I shouldn't have had a little tantrum." Night Xiu Chen placed his chin on top of An Xingyue's head and lowered his voice and said.

"Ah Chen making a little tantrum is caring about me, so I am very happy ah." An Xingyue said with a smile.

"Well, then Yueyue take a nap, we still have to fly for a few hours before we reach Qing City." Night Xiu Chen moved his chin away from An Xingyue's head, then put An Xingyue's head on his shoulder and let her pillow on his shoulder.

Then he asked the flight attendant to bring a blanket over and covered An Xingyue's body.

Zhou Junxing saw a series of actions of night Xiu Chen, then inadvertently glanced at Ji Yiyuan, meow, he also wanted to hold Ji Yiyuan's hand, so want to put Ji Yiyuan's head on his shoulders, but, the name is not right ah.

The heart is stuffed.

Luo Junxian and Eddie Chen did not see the interaction between Night Xiu Chen and An Xingyue, but seeing Zhou Junxing have a thief's heart but no courage, the two silently laughed.

Let him find so many girlfriends in the past, although they are all for show, but in other people's eyes he is a philanderer, and people girls like the type of schoolmaster, it is no wonder Zhou Junxing did not have the courage to confess.

But as a good brother still hope that through this trip, the two people even if they can not go to the step of a couple, at least have to deepen the feelings.
