

THE STARS ARE ORIGINALLY A PAIR - ENCOUNTER

The previous day's farmhouse ended in the playfulness, where the most wonderful Zhou Junxing and Eddie Chen's cooking process was recorded by Su Zhiqing with her cell phone, and the two people's wretched appearance simply poked everyone's laughing point.

And Su Zhiqing sent the video to the group after recording it, so it can be said that the video is now a manual copy.

And the long-awaited hot spring is also available.

When a group of people walked outside, An Xingyue did not expect to see acquaintances, pulling night Xiu Chen's hand, then inadvertently glanced at Ji Yiyao and found that she was chatting with Zhou Junxing and did not notice the others.

An Xingyue breathed a sigh of relief, although said several months have passed, meow are almost frank, but An Xingyue still do not want Ji Yiyao to notice him, otherwise today meow will be in a bad mood, and that person is also followed by a girl.

An Xingyue's starry eyes darkened, what a coincidence, but I guess Meow Meow didn't know that her bamboo horse would come out to travel, after all, she had heard Meow Meow say that she had asked him out to travel but not once was successful.

However, now the narrow road meet, face to face.

Will Meow Meow be heartbroken?

No, no, no, Miss Ji Yiyao didn't notice at all, because Zhou Junxing kept talking to her.

Because Ji Yiyao is the kind of normal good girl, it is estimated that the most out of the ordinary is a crush on their bamboo horse little brother, and Zhou Junxing is the kind of boy who fights, skips class all kinds of things, so he and Ji Yiyao said those experiences about him are Ji Yiyao has not experienced, so Ji Yiyao showed great interest in this.

The fact that Ji Yiyao didn't notice Su Chon doesn't mean that Su Chon didn't notice her.

When Su Chon saw An Xingyue, he knew Ji Yiyao must have been there, after all, he knew from his mother that Ji Yiyao had also come out to travel, so it was no surprise that she must be with her best sister.

Su Chon looked at the girl with him, this is too much of a coincidence, right?

Su Chon felt that An Xingyue looked at him with a bit of bad eyes, not false not false, he did nothing wrong.

Su Chon walked past with the mushroom beside him, An Xingyue nodded to indicate that it was better not to pull the family, or Meow would notice.

And night Xiu Chen looked at his girlfriend and another boy to say hello, a little surprised, he but know how cold their own little lovely, if not relationship to get by, how she will take the initiative to say hello.

But from the time she saw that boy, her own girlfriend's mind was not in him, a little jealous.

The night Xiu Chen shook An Xingyue's hand hard, hoping that his girlfriend could put her attention back on him.

An Xingyue smiled helplessly, obviously so proud of a person, how so like to be jealous?

"Just now that is Su Chon, the boy that Meow Meow liked before, I was just afraid that Meow Meow would not be in the right mood when I saw him, so I paid more attention, but I didn't expect Meow Meow to actually focus on chatting with Zhou Junxing and not notice." An Xingyue explained in a low voice.

The first time I saw him, I thought he was the one who was pursuing Yueya'er, but I didn't expect him to be Ji Yiyan's bamboo horse, and after thinking back on the one I just saw, I felt that the gap between Junxing and him was a bit big, and with that gentle and elegant temperament alone, Zhou Junxing had already lost.

"Yueya'er what do you think the chances of Junxing catching up with your sister are?" Originally, night Xiu Chen wanted to have them a bunch of people as assists should have a pretty good chance, but after seeing the girl's previous favorite, night Xiu Chen even if biased his brother, but also can not say against his heart Zhou Junxing than just that boy to be excellent.

"It's hard to say, if compared to Su Chon, he really doesn't stand a chance at all, unless he can attract Meow Meow from something else Su Chon doesn't have." An Xingyue said calmly, although Su Chon made Meow Meow sad, but actually it can't be all his fault, and from a friend's point of view, Su Chon is really a very good and hardworking person.

Therefore An Xingyue did not think that Zhou Junxing could be better than him in academics.

So I can only hope that Zhou Junxing can impress Meow Meow in other ways, and Meow Meow has said that she doesn't have hard and fast requirements to find a guy, but mainly depends on the process of getting along and each other's personalities.

"The actual fact is that you will be able to get a lot more than just a few of these.

An Xingyue thought of what Zhou Junxing had said in front of her and laughed lightly, hoping that next time Su Chon would be able to go head to head with Zhou Junxing, she wanted to see what Zhou Junxing was capable of.

"I'm not worried about him, it's just the thought that if he doesn't catch up with your good sister, I guess he'll keep harassing us for a while, it can be annoying." Night Xiu Chen said disgustedly, he is very clear about Zhou Junxing's urine, he estimated that he can nag for a few weeks, annoying.

"Well, that can't be helped, the decision is still in Meow Meow's hands, and Zhou Junxing should be prepared to fight a long war, after all, Meow Meow later said that for the time being do not want to like

a person again, that look will be very tired." An Xingyue heard Night Xiu Chen's complaint felt a little funny, and it turns out that Zhou Junxing will nag for so long ah.

"Then ignore him, now the main thing is to go to the hot spring." The thought of being able to use the hot spring to get close to his girlfriend was a little exciting.

I can't wait. o(*￣▽￣)o

Because they have a lot of people, and they do not like to soak in the hot spring with people they are not familiar with, so the big brother is rich and generous directly pack a small field, which has three hot spring pools, enough for them to enjoy eight people.

Big brother also thought to be able to close contact with his girlfriend, who knew that the three girls directly occupied a pool, and then drove them to another pool, and there are other girls in, night Xiu Chen is not good to stick to An Xingyue.

Eddie Chen saw them separated, gloating ah, finally can not eat dog food.

An Xingyue received the boyfriend aggrieved look, some speechless, she knows what he wants, it is because of this she will drag meow meow and Zhiqing together, and if she and A Chen together bubble, Zhiqing and her little brother together, then only meow meow left alone, then meow meow how boring ah.

The three girls were talking about clothes, cosmetics, and a few boys were asking Zhou Junxing how he and Ji Yiyang were getting along these days, after all, the fights were trying to keep the two of them together these days.

"I think she has just a little crush on me, but not to the point of like that ah." Zhou Junxing said a little bitterly when he thought of the past few days together.

"Just came over, I saw your former love interest, a very good person, also more handsome than you, no wonder people do not like you." The big man snorted and laughed, directly inserting a knife into Zhou Junxing's heart.

"Former love rival? How could it be such a coincidence? What if Yan Yan sees it? Wouldn't my good feeling all this time be in vain." Zhou Junxing asked in surprise.

"Don't worry, people won't pose a threat to you, he has a girlfriend and is here with her."

"Oh oh, that's good that's good."
